In event that an exemption status changes during a tax year, the procedure for the apportionment of the taxes for said year shall be the same as in the case of other changes in tax exemption status during the tax year.
CHAPTER 258, LAWS OF 1983

Where all or part of a housing project is devoted to condominium ownership by the recording of a master deed pursuant to P. L. 1969, c. 257 (C. 46:8B-1 et seq.), the project or portions thereof so utilized shall be liable for, and the urban renewal corporation or association, or a condominium owner, as the case may be, shall pay to the municipality, an amount equal to 15% of the annual gross revenue from each condominium unit in the project, or the condominium unit owned, as the case may be, for each of the first 10 years of operation commencing upon the date of the completion of the project, or each condominium unit, if the project is undertaken in units, as the case may be. For the remainder of the period of the exemption, the annual service charge shall be determined in the same manner as provided in this paragraph, subject to the following modifications:

of the annual gross revenue, or 80% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater.

Where because of the nature of the development, ownership, use or occupancy of the project or any unit thereof, if the project is to be undertaken in units, the total annual gross rental cannot be reasonably ascertained under the provisions of section 12 of this act (C. 40:55C-51), the governing body shall provide in the financial agreement that the annual service charge shall be a sum equal to 2% of the total project cost or total project unit cost determined pursuant to section 8 of this act (C. 40:55C-47), calculated from first day of the month following the substantial completion of the project or any unit thereof, if the project is undertaken in units; provided, however, that in no event shall such payment together with the taxes on the land, in any year after first occupancy of the project be less than the total taxes assessed on all real property in the area covered by the project in the calendar year immediately preceding the acquisition of the said area by the municipality or its agency, or by the private or public owner from whom the urban renewal corporation acquired the land.

The aforesaid payment shall be made annually within 30 days after the close of each calendar year.

Against such annual charge the corporation or association, or, in the case of a condominium unit, the unit owner, shall be entitled to credit for the amount, without interest, of the real estate taxes on land paid by it in the last four preceding quarterly installments.

At the end of 20 years from the date of the execution of said financial agreement or earlier, at the end of 15 years of operation of any unit, if the project is undertaken in units, or the entire project, if it is not undertaken in units, whichever occurs first, the tax exemption upon said unit, if the project is undertaken in units, or upon the entire project, if the project is not undertaken in units, shall cease and the improvements and any other property of the corporation or association as well as the land shall be assessed and taxed, according to general law, like other property in the municipality. In an instance of housing, the exemptions shall cease as provided above at the end of 35 years from the date of execution of the financial agreement or earlier, at the end of 30 years of the operation of any unit, if the project is undertaken in units, or of the entire project, if it is not undertaken in units, whichever first
occurs, or if the project is devoted to condominium ownership at the end of 30 years after the recording of the master deed.

At the same date all restrictions and limitations upon the corporation or association shall terminate and be at an end upon the corporation's or association's rendering its final account with the municipality.

2. Section 21 of P. L. 1965, c. 95 (C. 40:55C-97) is amended to read as follows:

**C. 40:55C-97 Annual charge for municipal services.**

21. The improvements made in the development or redevelopment of a blighted area, pursuant to this act, shall be exempt from taxation for a period of not more than 25 years from the date of the execution of a financial agreement for the development or redevelopment of the property upon which the improvements are to be made pursuant to a financial agreement entered into with the municipality in which said area is situate. Any such exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions and no such claim shall be allowed unless the municipality wherein said property is situated shall certify that a financial agreement with an urban renewal nonprofit corporation for the development or the redevelopment of the property has been entered into and is in effect as required by the provisions of this act. In event that an exemption status changes during a tax year, the procedure for the apportionment of the taxes for said year shall be the same as in the case of other changes in tax exemption status during the tax year.

The urban renewal nonprofit corporation shall make payment to the municipality of an annual service charge for municipal services applied to said project, in an annual amount equal to 15% of the annual gross revenue from each unit of the project, if the project is undertaken in units, or from the total project, if the project is not to be undertaken in units, for each of the years of operation commencing with the date of the completion of such unit or of the project, as the case may be. Where because of the nature of the development, ownership, use or occupancy of the project or any unit thereof, if the project is to be undertaken in units, the total annual gross rental cannot be reasonably ascertained under the provisions of section 9 of this act, the governing body shall provide in the financial agreement that the annual service charge shall be a sum equal to 2% of the total project cost or total project unit cost determined pursuant to section 8 of this act, calculated from
first day of the month following the substantial completion of the project or any unit thereof, if the project is to be undertaken in units; provided, however, that in no event shall such payment together with the taxes on the land, in any year after first occupancy of the project be less than the total taxes assessed on all real property in the area covered by the project in the calendar year immediately preceding the acquisition of the said area by the municipality or its agency, or by the private owner from whom the urban renewal corporation acquired the land.

The aforesaid payment shall be made annually within 30 days after the close of each such calendar year.

Against such annual charge the corporation shall be entitled to credit for the amount, without interest, of the real estate taxes on land paid by it in the last 4 preceding quarterly installments.

At the end of 25 years from the date of the execution of said financial agreement or earlier, at the end of 20 years of operation of any unit, if the project is undertaken in units, or of the entire project, if it is not undertaken in units, whichever occurs first, the tax exemption upon said unit, if the project is undertaken in units, or upon the entire project, if the project is not undertaken in units, shall cease and the improvements and any other property of the corporation as well as the land shall be assessed and taxed, according to general law, like other property in the municipality.

At the same date all restrictions and limitations upon the corporation in regard to the project covered by the agreement shall terminate and be at an end upon the corporation's rendering its final account on that project with the municipality.

3. This act shall take effect immediately.

An Act to promote airport safety by regulating hazards about certain airports, amending P. L. 1975, c. 291 and supplementing P. L. 1938, c. 48 (C. 6:1-20 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 6:1-80 Findings, declarations.
1. (New section) It is found and declared by the Legislature that an airport hazard endangers the lives and property of the users of the airport and of occupants of land in the vicinity thereof, and also, if the hazard is of the obstruction type, it reduces the size of the area available for landing, taking-off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public benefit therein. Accordingly, it is declared:

a. That the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question; therefore, it is necessary in the interest of the public health, public safety, and general welfare that the creation or establishment of airport hazards be prevented; and
b. That the prevention of the creation or establishment of airport hazards should be accomplished, to the extent legally possible, by the exercise of the police power of the State, without compensation.

C. 6:1-81 Short title.
2. (New section) Sections 1 through 9 of this act shall be known and may be cited as the "Air Safety and Hazardous Zoning Act of 1983."

3. (New section) As used in this amendatory and supplementary act:
   a. "Airport" means any area of land or water, or both, designed and set aside for the landing and taking-off of fixed wing aircraft, utilized or to be utilized by the public for such purposes, publicly or privately owned, and licensed by the commissioner as a public use airport or landing strip, or an area designated by the commissioner, which has been determined by him as likely to be so licensed within 1 year of such determination.
   b. "Airport hazard" means (1) any use of land or water, or both, which creates a dangerous condition for persons or property in or about an airport or aircraft during landing or taking-off at an airport, or (2) any structure or tree which obstructs the air space required for the flight of aircraft in landing or taking-off at an airport.
   c. "Airport hazard area" means any area of land or water, or both, upon which an airport hazard might be created or established, if not prevented as provided in this supplementary act.
   d. "Commissioner" means the Commissioner of the Department of Transportation.
   e. "Department" means the Department of Transportation.
   f. "Structure" means any object constructed or installed by man, including, but not limited to, buildings, towers, smokestacks, chimneys, and overhead transmission lines.
   g. "Tree" means an object of natural growth.

4. (New section) After public hearing upon notice, including notice of each affected municipality, and pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), the commissioner shall adopt rules and regulations which delineate airport hazard areas for all airports subject to this amendatory and supplementary act. The regulations shall describe the methodology used to make the delineation and may delineate subzones.
C. 6:1-84 Promulgation of standards.
5. (New section) The commissioner shall adopt rules and regulations, pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), promulgating standards which specify permitted and prohibited land uses, including the specification of the height to which structures may be erected and trees allowed to grow, within airport hazard areas. These standards shall be uniform for all airport hazard areas, except that where the commissioner determines that local conditions require it, he may adopt an amended or special standard. No standard adopted under this amendatory and supplementary act shall be construed to require the removal, lowering or other change or alteration of any structure or tree not conforming to the standard when adopted or amended, or otherwise interfere with the continuance of any nonconforming use, except as provided in section 9 of this amendatory and supplementary act.

6. (New section) Each municipality which contains within its boundaries any part of a delineated airport hazard area shall enact an ordinance or ordinances incorporating the standards promulgated by the commissioner pursuant to section 5 of this amendatory and supplementary act and providing for their enforcement within those delineated areas. A valid copy of this ordinance or ordinances, including any amendments that may be made from time to time, shall be transmitted to the commissioner.

C. 6:1-86 Permits, fees for nonconforming uses.
7. (New section) The commissioner shall adopt rules and regulations, pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), providing for the issuing of permits and the charging of appropriate fees in cases where, upon request by a municipality and upon the submission of such information as he may require, he determines it to be in the public interest to allow the creation or establishment of a nonconforming use which would be prohibited under the standards promulgated pursuant to section 5 of this amendatory and supplementary act.

C. 6:1-87 Actions against violators.
8. (New section) The commissioner may institute, in any court of competent jurisdiction, an action in the name of the State to prevent, restrain, correct, or abate any violation of any provision of this act, and the court shall adjudge to the State such relief, by way of injunction or otherwise, as may be proper under all the
facts and circumstances of the case, to effectuate the purposes of this act.

C. 6:1-88 Acquisition of property rights.

9. (New section) In any case in which it is desired to remove, lower, or otherwise terminate a nonconforming use; or in which the necessary protection from an airport hazard cannot, because of constitutional limitations, be provided by zoning regulations; or if it appears advisable that the necessary protection from an airport hazard be provided by acquisition of property rights rather than by zoning regulations, the commissioner may acquire by purchase, grant, condemnation, or otherwise in the manner provided by law, such air right, easement, or other estate or interest in the property or nonconforming structure or use in question as may be necessary to effectuate the purposes of this act, including acquisition of a fee simple estate.

10. Section 19 of P. L. 1975, c. 291 (C. 40:55D-28) is amended to read as follows:

C. 40:55D-62 Power to zone.

49. Power to zone. a. The governing body may adopt or amend a zoning ordinance relating to the nature and extent of the uses of land and of buildings and structures thereon. Such ordinance shall be adopted after the planning board has adopted the land use plan element of a master plan, and all of the provisions of such zoning ordinance or any amendment or revision thereto shall either be substantially consistent with the land use plan element of the master plan or designed to effectuate such plan element; provided that the governing body may adopt a zoning ordinance or amendment or revision thereto which in whole or part is inconsistent with or not designed to effectuate the land use plan
element, but only by affirmative vote of a majority of the full authorized membership of the governing body, with the reasons of the governing body for so acting recorded in its minutes when adopting such a zoning ordinance; and provided further that, notwithstanding anything aforesaid, the governing body may adopt an interim zoning ordinance pursuant to subsection 77 b. of this act.

The zoning ordinance shall be drawn with reasonable consideration to the character of each district and its peculiar suitability for particular uses and to encourage the most appropriate use of land. The regulations in the zoning ordinance shall be uniform throughout each district for each class or kind of buildings or other structures or uses of land, including planned unit development, planned unit residential development and residential cluster, but the regulations in one district may differ from those in other districts.

c. Where by reason of exceptional narrowness, shallowness or shape of a specific piece of property, or by reason of exceptional topographic conditions, or by reason of other extraordinary and exceptional situation or condition of such piece of property, the strict application of any regulation pursuant to article 8 of this act would result in peculiar and exceptional practical difficulties to,
or exceptional and undue hardship upon, the developer of such property, grant, upon an application or an appeal relating to such property, a variance from such strict application of such regulation so as to relieve such difficulties or hardship, including a variance for a conditional use; provided, however, that no variance shall be granted under this subsection to allow a structure or use in a district restricted against such structure or use; and provided further that the proposed development does not require approval by the planning board of a subdivision, site plan or conditional use, in conjunction with which the planning board shall review a request for a variance pursuant to subsection 47 a. of this act; and

d. In particular cases and for special reasons, grant a variance to allow departure from regulations pursuant to article 8 of this act, including, but not limited to, allowing a structure or use in a district restricted against such structure or use, but only by affirmative vote of at least 5 members, in the case of a municipal board, or % of the full authorized membership, in the case of a regional board, pursuant to article 10 of this act.

No variance or other relief may be granted under the terms of this section unless such variance or other relief can be granted without substantial detriment to the public good and will not substantially impair the intent and the purpose of the zone plan and zoning ordinance. In respect of any airport hazard areas delineated under the "Air Safety and Hazardous Zoning Act of 1983," P. L. 1983, c. 260 (C. 6:1-80 et seq.), no variance or other relief may be granted under the terms of this section, permitting the creation or establishment of a nonconforming use which would be prohibited under the standards promulgated pursuant to that act, except upon issuance of a permit by the Commissioner of Transportation. An application under this section may be referred to any appropriate person or agency, including the planning board pursuant to section 17 of this act, for its report; provided that such reference shall not extend the period of time within which the zoning board of adjustment shall act.

14. This act shall take effect immediately but section 6 of this act shall take effect on March 1, 1984.

Approved July 7, 1983.

CHAPTER 264

An Act providing for the financing of a program to ensure the safety of general aviation airports in New Jersey, enabling publicly owned airports to obtain federal funds for airport development, and revising parts of the statutory law.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. (New section) This act shall be known and may be cited as the "New Jersey Airport Safety Act of 1983."

C. 6:1-90 Findings, declarations.
2. (New section) a. The Legislature finds and declares that:

(1) New Jersey's public use, general aviation airports are an integral part of the State's transportation network and promote mobility and economic activities of common public benefit. These public use, general aviation transportation facilities are deteriorating and must be improved as to safety in order to realize their full public benefit.

(2) There is a growing need to upgrade the safety of general aviation airports, which require such improvements and equipment
as radar, instrument landing aids and weather-reporting equipment to enable them to safely handle modern general aviation aircraft.

(3) Many publicly owned, general aviation airports are unable to obtain all of the federal funds available to them for airport development because they are unable to raise money for their local matching requirements.

(4) Many privately owned, public use, general aviation airports which are essential to the State's economic development are in danger of conversion to nonaviation uses, and it is in the public interest to provide State assistance to county and municipal efforts to preserve these airports, through acquisition or other means.

(5) Users of general aviation airports have contributed substantial amounts to the State treasury through fees and fuel taxes, and this money should henceforth be used to establish an airport assistance program.

b. The Legislature therefore finds and declares that it is in the public interest to establish an Airport Safety Fund, impose a two cent per gallon tax on fuel distributed to general aviation airports, and authorize the Commissioner of Transportation to establish assistance programs to improve the safety of general aviation airports.

e. The Legislature also declares that, inasmuch as federal authorities already register aircraft, it is deemed appropriate to cease the State registration of New Jersey based aircraft, which is currently administered at a net loss.

h. "Director" means the Director of the Division of Taxation.

Earnings received from the investment or deposit of revenues in the fund shall be paid into and become part of the fund.

e. Any revenues credited to the fund but not appropriated to the department shall remain in the fund exclusively for the purposes set forth in this act.

7. (New section) Every distributor and gasoline jobber who sells fuel for distribution to general aviation airports shall, on or before the twenty-second day of each month following the calendar quarter, render a report to the Division of Taxation, stating the number of gallons of fuel, except turbine fuels, sold in this

If any distributor or gasoline jobber shall fail, neglect or refuse to file the report within the time prescribed by this section, the Director of the Division of Taxation shall note such failure, neglect or refusal upon his records, and shall estimate the sales, distribution and use of said distributor or gasoline jobber, assessing the tax thereon, adding to said tax a penalty of 20 percent thereof for failure, neglect or refusal to report, and such estimate shall be prima facie evidence of the true amount of tax due to the director from such distributor or gasoline jobber; provided that if a good and sufficient cause or reason is shown for such delinquency, the director may remit or waive the payment of the whole or any part of the penalty as provided in the State Tax Uniform Procedure Law, subtitle 9 of Title 54 of the Revised Statutes. In considering an application for financial assistance, the commissioner shall consider, in addition to the requirements of eligibility under the provisions of this act and other eligibility criteria that the commissioner may promulgate by rule to effectuate the purposes of section 9 of this act, the scope and cost of the improvement required, availability of local funds for airport development, the capture of federal funds, the relative value of that improvement to the other needs of the particular airport, the present and future public service levels in regard to operations, based aircraft, passenger service, freight service, Statewide distribution of services, and local and State economic development, the impact on the area surrounding the airport, the extent to which the improvement will contribute to the welfare of the citizens of the State and the local area, and the relative value to the State airport system as a whole.

The commissioner shall also establish certification requirements to ensure that:

a. The airport will be owned or effectively controlled, operated, repaired and maintained adequately during the improvement’s full useful life, for the benefit of the public;
b. In connection with the operation of the airport, during the improvement’s full useful life, the public will not be deprived of its rightful, fair, equal and uniform use of the airport;
c. The airport will adhere to State and federal laws and regulations. d. If a county or municipality or other public body received financial assistance under section 9 of this act for acquisition of real

Specifications generally.

18A:18A-15. Specifications generally. Any specifications for an acquisition under this chapter, whether by purchase, contract or agreement, shall be drafted in a manner to encourage free, open and competitive bidding. In particular, no specifications under this chapter may:

a. Require any standard, restriction, condition or limitation not directly related to the purpose, function or activity for which the purchase, contract or agreement is made; or
b. Require that any bidder be a resident of, or that his place of business be located in, the county or school district in which the purchase will be made or the contract or agreement performed, unless the physical proximity of the bidder is requisite to the efficient and economical purchase or performance of the contract or agreement; or

c. Discriminate on the basis of race, religion, sex, national origin; or

d. Require, with regard to any purchase, contract or agreement, the furnishing of any "brand name," but may in all cases require "brand name or equivalent," except that if the materials to be supplied or purchased are patented or copyrighted, such materials or supplies may be purchased by specification in any case in which the resolution authorizing the purchase, contract, sale or agreement so indicates, and the special need for such patented or copyrighted materials or supplies is directly related to the performance, completion or undertaking of the purpose for which the purchase, contract or agreement is made; or

e. Fail to include any option for renewal, extension, or release which the board of education may intend to exercise or require; or any terms and conditions necessary for the performance of any extra work; or fail to disclose any matter necessary to the substantial performance of the contract or agreement.

The specifications for every contract for public work, the entire cost whereof will exceed $20,000.00, shall provide that the board of education, through its authorized agent, shall upon completion of the contract report to the department as to the contractor's performance, and shall also furnish such report from time to time during performance if the contractor is then in default.

Any specification adopted by the board of education which knowingly excludes prospective bidders by reason of the impossibility of performance, bidding or qualification by any but one bidder, except as provided herein, shall be null and void and of no effect and such purchase, contract or agreement shall be readvertised, and the original purchase, contract or agreement shall be set aside by the board of education.

2. N. J. S. 18A:18A-26 is amended to read as follows:

Classification of bidders as requisite to bidding.

18A:18A-26. Classification of bidders as requisite to bidding. Every board of education shall require that all persons proposing to bid on any contract requiring public advertisement for bids with
the board for public work, the entire cost whereof will exceed $20,000.00, shall first be classified in accordance with article 6 of this chapter as to the character and amount of public work on which they shall be qualified to submit bids. So long as such requirement is in effect, the board of education shall accept such bids only from persons qualified in accordance with such classification.

Authority of State Board of Education to adopt regulations providing for qualification of bidders.

18A:18A–27. Authority of State Board of Education to adopt regulations providing for qualification of bidders. The State Board of Education may establish reasonable regulations appropriate for controlling the qualifications of prospective bidders upon contracts for public work, the entire cost whereof will exceed $20,000.00, by the amount, class or category of work to be performed or materials and supplies to be furnished or hired which may fix the qualifications required according to the financial ability and experience of the bidders and the capital and equipment available to them pertinent to and reasonably related to the class or category of work to be performed or materials and supplies to be furnished or hired in the performance of any such contract, and may require each bidder to furnish a statement thereof.

Such regulations shall be written in a manner:

a. Which will not unnecessarily discourage full, free and open competition; or

b. Which will not unnecessarily restrict the participation of small business in the public bidding process; or

c. Which will not create undue preferences; or

d. Which will not violate any other provision of this chapter, or any other law.

No qualification rating of any bidder shall be influenced by his race, religion, sex, national origin, nationality or his place of residence.

In lieu of adopting any qualification regulation under this section, the State Board may, in whole or in part, delegate by regulation to the Department of the Treasury or other appropriate State agency with its consent, the authority to qualify bidders subject to this article.

"Department," as used in this article, shall mean the Department of Education, Department of the Treasury or other State
agency to which the authority to qualify bidders has been delegated by the State Board.

Such regulations shall not be effective unless they have been adopted as provided in the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.).

4. N. J. S. 18A:18A–32 is amended to read as follows:

J. S. 18A:18A–28 within a period of one year preceding the date of opening of bids for such contract. Every bidder shall submit with his bid an affidavit that subsequent to the latest such statement submitted by him there has been no material adverse change in his qualification information except as set forth in said affidavit.

5. This act shall take effect immediately.

velopment Commission shall identify an appropriate site, if any,
for a food distribution center within the Hackensack Meadowlands
District and shall advise the Governor on whether the center is
compatible with its master plan and is needed within the district.
Upon receipt of this advice from the Hackensack Meadowlands
Development Commission or in any event after December 31, 1983,
the Governor may designate an appropriate site within the Hacken-
sack Meadowlands District for a food distribution center and
establish the Hackensack Meadowlands Food Distribution Center
Commission. The site designated by the Governor need not be the
site selected by the Hackensack Meadowlands Development Com-
mission.

b. The commission is established in, but not of, the Department
of Community Affairs and constituted a body politic and corporate
and an instrumentality exercising public and essential govern-
mental functions to provide for the public health and welfare, and
the exercise by the commission of the powers conferred by this act
shall be deemed and held to be an essential governmental function
of the State.

c. The commission shall consist of eleven members to be ap-
pointed as follows:

(1) The Commissioner of the Department of Community Affairs,
who shall be a member ex officio;
(2) The Secretary of the Department of Agriculture, who shall be a member ex officio;

(3) The State Treasurer, who shall be a member ex officio;

(4) The Commissioner of the Department of Commerce and Economic Development, who shall be a member ex officio;

(5) Two members of the Hackensack Meadowlands Development Commission, to be appointed by the Governor;

(6) Three members to be appointed by the Governor to represent the municipalities in which the site for the food distribution center is located. The members shall be selected from names submitted by the mayors of the municipalities and may include the mayors themselves; and

(7) Two public members, to be appointed by the Governor.

The members first appointed pursuant to subsections (6) and (7) above shall be designated to serve for terms respectively expiring on the first days of the first, second, third, fourth and fifth February of the years next ensuing after the dates of their appointments. Subsequent appointments shall be for a term of five years.

Each member shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. A member of the commission shall be eligible for reappointment.

d. Each ex officio member of the commission may designate an officer or employee of his department to represent him at meetings of the commission, and each designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. Any designation shall be in writing, delivered to the commission and shall continue in effect until revoked or amended by writing, delivered to the agency.

e. Each member of the agency before entering upon his duties shall take and subscribe an oath to perform the duties of the office faithfully, impartially and justly to the best of his ability. A record of these oaths shall be filed in the office of the Secretary of State.

f. Any vacancies in the membership of the commission occurring other than by expiration of term shall be filled in the same manner as the original appointments but for the unexpired terms only.

g. A true copy of the minutes of every meeting of the commission shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the commission shall have force or effect until 10 days, Saturday, Sundays, and public holidays excepted, after the copy
of the minutes shall have been so delivered, unless during the 10-day period the Governor shall approve the same, in which case such action shall become effective upon the approval. If, in said 10-day period, the Governor returns the copy of the minutes with veto of any action taken by the commission or any member thereof at the meeting, the action shall be null and void and of no effect. The Governor may approve all or part of the action taken at the meeting prior to the expiration of the said 10-day period.

C. 13:17A-5 Meetings; quorum.
5. The powers of the commission shall be vested in the members thereof in office from time to time. A majority of the entire authorized membership, which shall include at least two ex officio members, of the commission shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the commission at any meeting of the members thereof by vote of a majority of the members present (which shall include at least two ex officio members), unless in any case the bylaws of the commission shall require a larger number. The commission may delegate to one or more of its officers, agents or employees any powers and duties as it may deem proper.

No vacancy in the membership of the commission shall affect the right of the quorum to exercise all the rights and perform all the duties of the commission.

C. 13:17A-6 Officers.
6. The Governor shall designate one of the members of the commission as chairman. The commission shall elect from its members a vice-chairman. No member of the commission shall receive any compensation of any kind from the commission except as authorized by this section.

8. No member, officer or employee of the commission shall have or acquire any interest, direct or indirect, in the market system or in any contract or proposed contract for materials or services to be furnished to or used by the commission. Neither the holding of
any office or employment in the government of any county or municipality or of the State nor the owning of any other property within the State nor being engaged in any business or enterprise involving the handling, storage and marketing of agricultural or horticultural products, meat, fish, foods or similar products and commodities shall be deemed a disqualification for membership in or employment by the commission, and members of the governing body of a municipality may be appointed and may serve as members of the commission.

9. A member of the commission may be removed by the Governor for incapacity, inefficiency or neglect of duty or misconduct in office or other disqualifying cause and after he shall have been given a copy of the charges against him and afforded a hearing, in person or by counsel, but not sooner than 10 days after receiving a copy of the charges. The member may be suspended by the Governor pending the completion of the hearing.

C. 13:17A-10 Dissolution.
10. The commission may be dissolved by law on condition that the commission has no debts or obligations outstanding or on condition that provision has been made for the payment or retirement of its debts and obligations. Upon dissolution of the commission, all property, funds and assets thereof shall be vested in the State. The commission may request dissolution upon its finding that its development or operation of the food distribution center is not feasible.

C. 13:17A-11 Purposes; acquisition of facilities; approval of plans.

Any bid may be rejected when the commission determines that it is in the public interest to do so.

Any purchase, contract, or agreement where the cost or contract price is $7,500.00 or less may be made, negotiated, or awarded by the commission without advertising and in any manner which the commission, in its judgment, deems necessary to serve its unique interests and purposes and which promotes, whenever practicable, full and free competition by the acceptance of quotations or proposals or by the use of other suitable methods.

All provisions of the bond resolution, and all covenants and agreements shall constitute valid and legally binding contracts between the commission and the several holders of the bonds, regardless of the time of issuance of the bonds, and shall be enforceable by any holder or holders by appropriate action, suit or proceeding in any court of competent jurisdiction.

C. 13:17A-21 Default; appointment, powers of trustee.

21. a. If the bond resolution of the commission authorizing or providing for the issuance of a series of its bonds shall provide in substance that the holders of the bonds of the series shall be entitled to the benefits of this section, then if there shall be a default in the payment of principal of or interest on any bonds of the series after the same shall become due, whether at maturity or upon call for redemption, and if any default shall continue for a period of 30 days, or if the commission shall fail or refuse to comply
with any of the provisions of this act or shall fail or refuse to carry out and perform the terms of any contract with the holders of any bonds, and if the failure or refusal shall continue for a period of 30 days after written notice to the commission of its existence and nature, the holders of 25% in aggregate principal amount of the bonds of the series then outstanding, by instrument or instruments filed in the office of the Secretary of State and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the bonds of the series for the purposes provided in this section.

b. The trustee may, and upon written request of the holders of 25% in the aggregate principal amount of the bonds of a series then outstanding shall, in his or its own name:

(1) By any action, or other proceeding, enforce all rights of the holders of the bonds, including the right to require the commission to charge and collect facility charges adequate to carry out any contract as to, or pledge of, facility revenues, and to require the commission to carry out and perform the terms of any contract with the holders of the bonds or its duties under this act;

(2) Bring an action upon all or any part of the bonds or interest coupons or claims appurtenant thereto;

(3) By action, require the commission to account as if it were the trustee of an express trust for the holders of the bonds;

(4) By action, enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the bonds; or

(5) Declare all bonds due and payable, whether or not in advance of maturity, upon 30 days’ prior notice in writing to the commission, but, if all defaults shall be made good within not more than 30 days thereafter, if so provided in the bond resolution, shall annul the declaration and its consequences.

c. The trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of the functions specifically set forth herein or incident to the general representation of the holders of bonds of any series in the enforcement and protection of their rights.

d. In any action or proceeding by the trustee, the fees, counsel fees and expenses of the trustee and of the receiver, if any, appointed pursuant to this act, shall, if allowed by the court, con-

22. If the bond resolution of the commission authorizing or providing for the issuance of a series of its bonds shall provide in substance that the holders of the bonds of the series shall be entitled to the benefits of section 21 of this act and shall further provide in substance that any trustee appointed pursuant to said section or having the powers of a trustee, then the trustee, whether or not all of the bonds of the series shall have been declared due and payable, shall be entitled to the appointment of a receiver of the market facility, and the receiver may enter upon and take possession of the market facility and, subject to any pledge or contract with the holders of the bonds, shall take possession of all moneys and other property derived from or applicable to the acquisition, construction, operation, maintenance or reconstruction of the market facility and proceed with any acquisition, construction, operation, maintenance or reconstruction which the commission is under any obligation to do, and operate, maintain and reconstruct the market facility, and fix, charge, collect, enforce and receive the facility charges and all facility revenues thereafter arising, subject to any pledge thereof or contract with the holders of bonds relating thereto, and perform the public duties and carry out the contracts and obligations of the commission in the same manner as the commission itself might do and under the direction of the court.

23. Neither the members of the commission nor any person executing bonds issued pursuant to this act shall be liable personally on the bonds by reason of the issuance thereof. Bonds or other obligations issued pursuant to this act shall not be in any way a debt or liability of the State, and the bonds shall so state, and bonds or other obligations issued by the commission pursuant to this act shall not be in any way a debt or liability of the State or of any county or municipality and shall not create or constitute any indebtedness, liability or obligation of the State or of any county or municipality, except of a county or municipality which in accordance with this act shall have guaranteed payment of the principal of and interest on the bonds. Nothing in this act contained shall be construed to authorize the commission to incur any
indebtedness on behalf of or except as in this act expressly pro-
vided.

24. The market facility shall be located at a site within the area
selected by the Governor, as provided in section 4 of this act.

25. The commission is empowered, in its own name, to acquire
by purchase, gift, grant or devise and to take for public use real
property within the market facility which may be deemed by the
commission to be necessary for its purposes, including public lands
and property, hereinafter in this section called “public lands,” in
which any county, municipality or political subdivision has any
right, title or interest and to the acquisition of which it shall have
consented. Whenever the commission has determined that it is
necessary to take any real property for facility purposes by the
exercise of the power of condemnation, as hereinafter provided,
it shall prepare two copies of diagrams, maps or plans designating
the general area in the district in which real property is to be
acquired, and file one copy thereof in its office and the other copy
thereof in the office of the clerk of the local unit. The commission
is empowered to acquire and take real property by condemnation,
in the manner provided by the “Eminent Domain Act of 1971,”
P. L. 1971, c. 361 (C. 20:3-1 et seq.), and to that end, may invoke
and exercise in the manner or mode of procedure prescribed in said
act; provided, however, that, notwithstanding the foregoing or any
other provision of this act, the commission shall not institute any
proceeding to acquire or take by condemnation any real property
within the designated area in the local unit referred to above in
this section until after the date of filing in the office of the clerk
of the local unit of a certified copy of: a. a resolution of the com-

or convenient to acquire real property in said designated area for
facility purposes, and b. a resolution of the governing body of the
local unit, expressing its consent to the acquisition of real property
in said designated area.

26. In addition to other powers conferred by this act or by any

S. 48:2-13, in, on, along, over or under any real property of the commission. Whenever, in connection with construction or operation of any part of the market facility, the commission shall determine that it is necessary that any facilities located in, on, along, over or under any real property should be relocated in the real property, or should be removed therefrom, the public utility owning or operating the facilities shall relocate or remove the same, in accordance with the order of the commission; provided, however, that the cost and expenses of relocation or removal, including the cost of installing these facilities in a new location, or new locations, and the cost of any lands or any rights or interests in lands, or any other rights acquired to accomplish the relocation or removal less the cost of any lands or any rights or interests in lands or any other rights of the public utility paid to the public utility in connection with the relocation or removal of the property, shall be paid by the commission and may be included in the cost of the market facility. In case of any relocation or removal of facilities, as aforesaid, the public utility owning or operating the same, its successors or assigns may maintain and operate the facilities, with the necessary appurtenances, in the new location or new locations for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate the facilities in their former location.

b. Nothing in this act shall be construed in derogation of the
powers granted to the Hackensack Meadowlands Development

C. 13:17A-28 Conveyance of property to commission.

28. Any county or municipality, by ordinance or resolution, as
appropriate, of its governing body, or any other person is em­
powered, without any referendum or public or competitive bidd­
ing, to sell, lease, lend, grant or convey to the commission, or
to permit the commission to use, maintain or operate as part of
its market facility, any real or personal property owned by it,
which may be necessary or useful and convenient for the purposes
of the commission and accepted by the commission. Any sale, lease,
loan, grant, conveyance or permit may be made with or without
consideration, and for a specified or an unlimited period of time, and
under any agreement and on any terms and conditions which may
be approved by the county, municipality or other person and which
may be agreed to by the commission, in conformity with its contracts
with the holders of any bonds. Subject to any contracts with holders
of bonds, the commission may enter into and perform any and all
agreements with respect to property so accepted by it, including
agreements for the assumption of principal or interest or both
of indebtedness of the county, municipality or other person, or
of any mortgage or lien existing with respect to the property, or for
the operation and maintenance of the property as part of the market
facility.

C. 13:17A-29 Financing by counties, municipalities.

29. Any county or any municipality shall have power from time
to time, pursuant to proper resolution or ordinance of its govern­

b. to covenant and agree with the commission to pay to
or on the order of the commission annually or at shorter intervals as a subsidy for the promotion of its purposes not exceeding the sums of money as may be stated in the resolution or ordinance; and c. upon authorization by it in accordance with law of the performance of any act or thing which it is empowered by law to authorize and perform and after appropriation of the moneys necessary for performance, to covenant and agree with the commission to do and perform any act or thing, and as to the time, manner and other details of its doing and performance.

C. 13:17A-30 Payment of obligations.
30. Every person, county or municipality which shall make any contract, covenant or agreement with the commission, or a pledge to the commission pursuant to this act, is authorized and directed to do any and all acts or things necessary, convenient or desirable to carry out the same and to provide for the payment or discharge of any obligation thereunder in the same manner as other obligations. Any contract, covenant, agreement or pledge, and any instruments making or evidencing the same, may be pledged or assigned by the commission to secure its bonds, and thereafter may not be modified except as provided by the terms of the instrument or by the terms of the pledge or assignment.

31. For the purpose of aiding the commission in the planning, undertaking, acquisition, construction or operation of all or any part of the market facility, the county in which the site of the market facility is located, and any municipality may, pursuant to resolution or ordinance duly adopted by its governing body, after notice published in the manner provided for a resolution or ordinance authorizing bonds of the county or municipality pursuant to the “Local Bond Law” (N. J. S. 40A:2-1 et seq.), and with or without consideration, and upon terms and conditions as may be agreed to by and between any county or municipality and the commission, unconditionally guarantee to the punctual payment of the principal of and interest on any bonds of the commission. Any guaranty of bonds of the commission made pursuant to this section shall be evidenced by endorsement thereof of the bonds, executed in the name of the county or municipality and on its behalf by an officer thereof as may be designated in the resolution or ordinance authorizing the guaranty, and the county or municipality shall thereupon and thereafter be obligated to pay the principal of and interest on said bonds in the same manner.
and to the same extent as in the case of bonds issued by it. Any guaranty of bonds of the commission may be made, and any resolution or ordinance authorizing guaranty may be adopted, notwithstanding any statutory or other debt limitations, including particularly any limitation or requirement under or pursuant to the "Local Bond Law," but the principal amount of bonds so guaranteed shall, after their issuance, be included in the gross debt of the county or municipality for the purpose of determining the indebtedness of the county or municipality under or pursuant to "Local Bond Law." The principal amount of said bonds so guaranteed and included in gross debt shall be deducted and is declared to constitute a deduction from the gross debt under and for all the purposes of "Local Bond Law":

a. from and after the time of issuance of said bonds and until the end of the fifth fiscal year beginning next after the completion of acquisition or construction of the projects to be financed from the proceeds of the bonds, and

b. in any annual debt statement filed pursuant to law as of the end of any fiscal year succeeding said fifth fiscal year, unless the county or municipality in the succeeding fiscal year shall have been required to make any payment on account of the principal and interest on said guaranteed bonds.

In order to meet the obligation for payment of principal of or interest on any bonds by virtue of the guaranty, the county or municipality is authorized to borrow the funds necessary to meet the obligation and to issue its promissory note or notes therefor, payable within two years from the date of borrowing, to the extent that funds of the county or municipality are not otherwise available for this purpose.

The commission shall repay, as soon as practicable, to the county or the municipality, as appropriate, all sums paid by the county or municipality by virtue of a bond guaranty.

Promptly after each occurrence, the commission shall give written notice to the Director of Local Government Services in the Department of Community Affairs and the State Treasurer of any default in payment of principal or interest on bonds of the commission and of the payment by the county or the municipality of any sums by virtue of the guaranty of the county or municipality. The director shall thereafter have the right to examine any and all records of the commission, and, within six months after any default and at the end of each six-month period thereafter, the State Treasurer shall certify by writing delivered to the Governor
and to the commission that there are no funds of the commission available for payment to the county or the municipality, as appropriate, of the commission’s obligation thereto.

32. The commission; any person; any instrumentality or agency of the State, by resolution of its governing body; any county, by ordinance or resolution, as appropriate, of its governing body; any municipality, by ordinance of its governing body, may enter into a contract or contracts providing for or relating to the use or lease of all or any part of the market facility of the commission and the cost and expense of the use. Any contract may provide for the payment to the commission annually or otherwise of any sum or sums of money for use, computed at fixed amounts or by a formula or in any other manner, as said contract or contracts may provide, and contracts may provide that the sum or sums so payable to the commission shall be in lieu of all or any of the facility charges which would otherwise be charged and collected by the commission with regard to use of all or any part of the market facility. Any contract may be made with or without consideration, and for a specified or an unlimited time, and on any terms and conditions which may be approved and agreed to by the commission in conformity with its contracts with the holders of any bonds, and shall be valid, whether or not an appropriation with respect thereto is made by any county or municipality prior to authorization or execution thereof. Subject to any contracts with the holders of bonds, the commission is authorized to do any and all things necessary, convenient or desirable to carry out every contract, to waive, modify, suspend or reduce the facility charges which would otherwise be charged and collected by the commission with respect to the use of the market facility, but nothing in this section or any contract shall prevent the commission from charging and collecting, as if the contract had not been made, facility charges with regard to use, sufficient to meet any default or deficiency in any payments agreed in the contract to be made to the commission.

33. In the event that any service charge of the commission shall not be paid as and when due, the unpaid balance thereof and all interest at the rate of 1% per month accrued thereon, together with attorney’s fees and costs, may be recovered by the commission in a civil action in any court of competent jurisdiction. The commission shall have power to make reasonable rules and regulations
for the collection and enforcement of service charges for the use of its market facility.

C. 13:17A-34 Partial disposal of facility.
34. The commission may dispose of any part or parts of the market facility as may be no longer necessary for the purposes of the commission, subject to its contract with the holder of any bonds or with the county or municipality which shall have guaranteed outstanding bonds.

C. 13:17A-35 Exemption from levy and sale.
35. All property of the commission shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same nor shall any judgment against the commission be a charge or lien upon its property; provided that nothing herein contained shall apply to or limit the rights of the holder of any bonds to pursue any remedy for the enforcement of any pledge or lien given by the commission on its facility revenues or other moneys.

36. To the end that a municipality may not suffer undue loss of revenue by reason of the acquisition of real property therein by the commission, the commission shall enter into a tax agreement with the municipality, prior to the issuance of bonds of the commission for financing real property acquisitions or the expenditure of moneys, other than the proceeds of bonds, for improvement of real property for the purposes of the commission. Under the tax agreement, the commission shall undertake to pay a fair and reasonable sum, as a "tax payment," to compensate the municipality for any loss of tax revenue by reason of the acquisition of real property by the commission. The tax payment may be computed on an annual basis, which shall not be less than the amount of taxes upon the property when last assessed prior to its acquisition by the commission. Every municipality is authorized and directed to enter into tax agreements with the commission so created as the commission is authorized to make, and every municipality is empowered to accept tax payments under a tax agreement and to apply them in the manner in which taxes may be applied in the municipality. The obligation of the commission to make any tax payments from its funds shall be in the manner and to the extent set forth and provided for in the tax agreement, and shall be at all times subject to prior use of commission funds to provide for the commission's operating and maintenance expenses and reserve therefor, and for
principal, interest and retirement of bonds, and reserves and securities of the commission as provided in any contract with the holders of commission bonds.

37. Notwithstanding any restriction contained in any other law, the State and all public officers, municipalities, counties, political subdivisions and public bodies, and agencies thereof; all banks, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business; all insurance companies, insurance associations and other persons carrying on an insurance business; and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds issued pursuant to this act, and these bonds shall be authorized security for any and all public deposits.

38. The market facility of the commission and all other properties of the commission are declared to be public property of the State, and devoted to an essential public and governmental function and purpose, and shall be exempt from all taxes and special assessments of the State or any subdivision thereof. All bonds issued pursuant to this act are declared to be issued by a public instrumentality of this State, and for an essential public and governmental purpose, and the bonds, and the interest thereon and the income therefrom, and all facility charges, funds, revenues and other moneys pledged or available to pay or secure the payment of these bonds, or interest thereon, shall at all times be exempt from taxation, except for transfer inheritance and estate taxes, and taxes on transfers by or in contemplation of death.

Notwithstanding the provisions of the law concerning the taxation of leasehold interests in exempt real estate, contained in chapter 4 of Title 54 of the Revised Statutes, the leasehold estate of any person in and to any part of the market facility, and other rights and privileges of any person to possess, occupy and use the market facility, and any and all real property therein situated, derived through or under a lease or contract with the commission, shall be exempt from taxation by any municipality or county, and by the State and its political subdivisions, provided the commis-
sion or other government entity has an ownership interest in the market facility.

39. Except as otherwise expressly hereinabove provided with respect to the right of the commission to grant by franchise, lease or otherwise the use of any project owned or controlled by it, the commission shall not mortgage, pledge, encumber or otherwise dispose of any part of the market facility, except that the commission may dispose of any part or parts thereof as may be no longer necessary for the purposes of the commission. The provisions of this section shall be deemed to constitute a part of the contract with the holder of any bonds.

C. 13:17A-40 Exempt from levy and sale.

40. All property of the commission shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same, nor shall any judgment against the commission be a charge or lien upon its property, provided that nothing herein contained shall apply to or limit the rights of the holder of any bonds to pursue any remedy for the enforcement of any pledge or lien given by the commission on its facility revenues or other moneys.

C. 13:17A-41 State pledge to bondholders.

41. The State of New Jersey does pledge to and covenant and agree with the holders of any bonds issued pursuant to a bond resolution of the commission adopted pursuant to this act that the State will not limit or alter the rights vested in the commission to acquire, construct, maintain, reconstruct and operate its market facility, or to fix, establish, charge and collect its facility charges, and to fulfill the terms of any agreement made with the holders of the bonds or other obligations, so as to impair in any way the rights or remedies of the holders, and will not modify in any way the exemptions from taxation provided for in this act, until the bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the holders, are fully met and discharged.

42. All banks, bankers, trust companies, savings banks, investment companies and other persons carrying on a banking business are authorized to give to the commission a good and sufficient undertaking with sureties as shall be approved by the commission.
to the effect that the bank or banking institution as hereinbefore described shall faithfully keep and pay over to the order of or upon the warrant of the commission or its authorized agent all funds as may be deposited with it by the commission and agreed interest thereon, at times or upon demand as may be agreed with the commission, or in lieu of these sureties, deposit with the commission or its authorized agent or any trustee therefor or for the holders of any bonds, as collateral, the securities as the commission may approve. The deposits of the commission may be evidenced by a depository collateral agreement in a form and upon terms and conditions as may be agreed upon by the commission and the bank or banking institution.

C. 13:17A-43 Annual audit.
43. a. It shall be the duty of the commission created pursuant to this act to cause an annual audit of the accounts of the commission to be made and filed with the commission, and for this purpose the commission shall employ a registered municipal accountant of New Jersey or a certified public accountant of New Jersey. The audit shall be completed and filed with the commission within four months after the close of the fiscal year of the commission, and a certified duplicate copy thereof shall be filed with the Director of the Division of Local Government Services in the Department of Community Affairs and State Treasurer within five days after the original report is filed with the commission.

b. The commission shall make an annual report of its activities for the preceding year to the Governor and Legislature. The report shall set forth a complete operating and financial statement covering the commission's operations during the year.

44. The commission shall file in the office of the State Treasurer, in the office of the Secretary of Agriculture and in the office of the Director of the Division of Local Government Services in the Department of Community Affairs certified copies of each bond resolution adopted by it, together with a certified summary of the dates, amounts, maturities and interest rates of all bonds to be issued pursuant thereto, prior to the issuance of any bonds.

45. Nothing in this act shall authorize the commission to establish or maintain any building or structure as a stockyard or slaughterhouse.

L. 1953, c. 264 (C. 9:3–31) or there is submitted a certification or a certified copy of the decree or judgment of the court in such adoption proceedings, the State Registrar shall establish, in lieu of the original birth record, a certificate of birth showing (a) the name of the adopted person as changed by the decree of adoption, if changed, (b) the date and place of birth, (c) the names of the adopting parents or parent including the maiden name of the female adopting parent if such name is given in the certification or certified copy of the decree or judgment of the court, and (d) the date of filing. In any instance where the child has been adopted by the spouse of the natural parent the name of such parent shall also be entered on the new certificate of birth. Such certificate shall be of the same general type as is used in making a birth certificate for a person who has not been adopted. Upon application by an adopting parent or parents of any person born in the United States and adopted pursuant to the laws of this State, the court before which the adoption proceedings have been conducted, may, for good cause shown, direct and order that the place of birth shall be the residence of the adopting parent or parents at the time of said adoption; provided, however, that the adopting parent or parents were residents of this State at the time of said adoption.

In the case of a foundling, the date and place of birth may be decided by the adopting parent or parents if not decided by the court before which the adoption proceedings were conducted. Such certificate for any child who is not a citizen of the United States shall bear the notation “by adoption,” which shall also be shown upon any copy of the certificate issued; such notation may be removed at any subsequent date upon submission of acceptable proof that the child has become a citizen of the United States.

When a new certificate of birth is made the State Registrar shall notify the local registrar of vital statistics of the place in which the birth occurred who shall enter the new certificate in his local record and place his copy of the original record under seal.

Such seal shall not be broken except by order of a court of competent jurisdiction. Thereafter whenever a certificate of birth of such person is issued, it shall be made from the new certificate of birth except when an order of a court of competent jurisdiction shall require the issuance of a copy of the original certificate of birth.

Such fee may be included in the taxable costs in the annulment suit.

17. R. S. 26:8-64 is amended to read as follows:

Search fees.

26:8-64. a. For any search of the files and records of births, deaths, or marriages when the correct year only is supplied by the applicant, whether or not a certification or a certified copy is made, the State Registrar shall be entitled to a minimum fee of $4.00, plus a fee of $1.00 for each additional year searched, said fee to be paid by the applicant, except as provided by section 26:8-63 of the Revised Statutes. STATEMENT TO SENATE BILL NO. 3350

To the Senate:

I am today returning Senate Bill No. 3350 with my signature, along with certain Constitutionally permitted modifications set forth in the Statement appended hereto.

This bill would appropriate a total of $19,687,473 in federal funds to various departments in State government. While I am, of course, entirely supportive of the need to pass through these funds to the relevant departments, unfortunately the Senate Committee amendments to Senate Bill No. 3350 included the addition of certain language which is neither proper nor responsible.

Among those problems is language specifying that $1 million of the Weatherization Assistance Program funds shall be used for weatherization assistance in public housing. The committee was
apparently unaware, however, that $1 million will be provided for this purpose from the Oil Overcharge Funds Account. I have been assured by the sponsor of this amendment, Senator Lipman, that that alternative source of funds is satisfactory to her, and I in fact look forward to the State implementing this program. I have, however, line item vetoed this portion of Senate Bill No. 3350 in order that the Legislature may reappropriate that $1 million for a more appropriate purpose in a future bill.

The second problem area lies in the language added by the Senate Committee restricting the expenditure of $1,828,086 for the Dislocated Workers' Program in the Department of Labor. That amendatory language would stipulate that $278,600 of that sum must be used for persons eligible as a result of the closing of the Kerr Glass Plant in Keyport, and that the $1,549,486 balance must be made available for persons eligible as a result of the closing of the Western Electric Plant in Kearny, the Westinghouse Plant in Newark, the Chevron Plant in Perth Amboy, or the Shulton Plant in Mays Landing. Although I realize that the Legislature's goal in adding that amendment was certainly very well intentioned, I am concerned with the advice I have received from the Commissioner of Labor that the specific impact of that action would ultimately be significantly detrimental to our overall employment and training plan for dislocated workers in the State of New Jersey.

Restricting these funds to individuals impacted by only five individual plant closings will create a serious imbalance in the equity of services being provided to dislocated workers. As part of our Statewide plan for serving dislocated workers, we hope to eventually provide assistance to over 30,000 dislocated workers throughout the State. Restricting these funds to just five plants in only five communities would limit the beneficial impact of these funds to assisting only a relative handful of workers. That is neither fair nor equitable to other dislocated workers throughout our State. Furthermore, the Western Electric Plant, which is the largest of the plant closings included in this restriction, is currently involved in court litigation which will probably not be resolved until late 1984. We have also received strong indications that federal funds may be available to deal with the mass layoffs from the Western Electric Plant.

Accordingly, given the inequities of restricting these funds to a few certain plants, and given the uncertainty over potential litigation or federal actions regarding these closings, it would be both
unjust and irresponsible for me to approve this appropriation at this time given that restrictive language.

Pursuant to Article V, Section 1, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 3350 at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

Each private driver education school shall hold a current license or certificate of approval issued by the Director of the Division of Motor Vehicles pursuant to P. L. 1951, c. 216 (C. 39:12-1 et seq.), and be approved for the purposes of this act by the Commissioner of Education.

Any such contract or agreement entered into pursuant to subsection d. or subsection e. may be made, negotiated or awarded only upon adoption of a resolution by the affirmative vote of two-thirds of the full membership of the board of education at a meeting thereof authorizing such a contract or agreement.

CHAPTER 282

An Act to authorize the New Jersey Economic Development Authority to assist, through the issuance of bonds or the extension of loan guarantees, in financing the cost of purchasing and installing energy saving improvements in certain cases, amending "The New Jersey Economic Development Authority Act," approved August 7, 1974 (P. L. 1974, c. 80).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P. L. 1974, c. 80 (C. 34:1B-2) is amended to read as follows:

C. 34:1B-2 Findings, determinations.

2. The Legislature hereby finds and determines that:
a. Department of Labor and Industry statistics of recent years indicate a continuing decline in manufacturing employment within the State, which is a contributing factor to the drastic unemployment existing within the State, which far exceeds the national average, thus adversely affecting the economy of the State and the prosperity, safety, health and general welfare of its inhabitants and their standard of living; that there is an urgent need to protect and enhance the quality of the natural environment and to reduce, abate and prevent environmental pollution derived from the operation of industry, utilities and commerce within the State; and that the availability of financial assistance and suitable facilities are important inducements to new and varied employment promoting enterprises to locate in the State, to existing enterprises to remain and expand in the State, and to industry, utilities and commerce to reduce, abate and prevent environmental pollution.

b. The provision of buildings, structures and other facilities to increase opportunity for employment in manufacturing, industrial, commercial, recreational, retail and service enterprises in the State is in the public interest and it is a public purpose for the State to induce and to accelerate opportunity for employment in such enterprises.

c. In order to aid in supplying these needs and to assist in the immediate reduction of unemployment and to provide sufficient employment for the citizens of the State in the future, it is necessary and in the public interest to aid and encourage the immediate commencement of new construction projects of all types, to induce and facilitate the acquisition and installation at an accelerated rate of such devices, equipment and facilities as may be required to reduce, abate and prevent environmental pollution by industry, utilities and commerce.

d. The availability of financial assistance by the State will reduce present unemployment and improve future employment opportunities by encouraging and inducing the undertaking of such construction projects, the location, retaining or expanding of employment promoting enterprises within the State, and the accelerated acquisition and installation of energy saving improvements and pollution control devices, equipment and facilities.

e. In many municipalities in our State substantial and persistent unemployment exists; and many existing residential, industrial, commercial and manufacturing facilities within such municipalities are either obsolete, inefficient, dilapidated or are located without regard to the master plans of such municipalities; and the obso-
lescence and abandonment of existing facilities will increase with further technological advances, the provision of modern, efficient facilities in other states and the difficulty which many municipalities have in attracting new facilities; and that many existing and planned employment promoting facilities are far from or not easily accessible to the places of residence of substantial numbers of unemployed and underemployed persons.

f. By virtue of their architectural and cultural heritage, their positions as principal centers of communication and transportation and their concentration of productive and energy efficient facilities, many municipalities are capable of ameliorating the conditions of deterioration which impede sound community growth and development; and that building a proper balance of housing, industrial and commercial facilities and increasing the attractiveness of such municipalities to persons of all income levels is essential to restoring such municipalities as desirable places to live, work, shop and enjoy life’s amenities; that the accomplishment of these objectives is beyond remedy solely by the regulatory process in the exercise of the police power and cannot be dealt with effectively by the ordinary operations of private enterprise without the powers provided herein, and that the exercise of the powers herein provided is critical to continuing the process of revitalizing such municipalities and will serve an urgent public use and purpose.

The Legislature further determines that in order to aid in remedying the aforesaid conditions and to further and implement the purposes of this act, that there shall be created a body politic and corporate having the powers, duties and functions provided in this act; and that the authority and powers conferred under this act, and the expenditure of moneys pursuant thereto constitute a serving of a valid public purpose; and that the enactment of the provisions hereinafter set forth is in the public interest and for the public benefit and good, and is hereby so declared to be as a matter of express legislative determination.

2. Section 3 of P. L. 1974, c. 80 (C. 34:1B-3) is amended to read as follows:

The State Department of Health shall establish and maintain a birth defects registry which shall contain a confidential record of all birth defects that occur in New Jersey and any other information that the department deems necessary and appropriate in order to conduct thorough and complete epidemiologic surveys of birth defects that occur in this State and plan for and provide services to children with birth defects and their families.

In reports concern-
ing all fetuses with anomalies, the name of the mother shall not be submitted.

C. 26:8-40.23 Not open to public inspection.

4. The confidential reports made pursuant to this act are to be used only by the Department of Health and other agencies that may be designated by the Commissioner of Health and shall not otherwise be divulged or made public so as to disclose the identity of any person to whom they relate; and to that end, such reports shall not be included under materials available to public inspection pursuant to P. L. 1963, c. 73 (C. 47:1A-1 et seq.).

7. The Commissioner of Health shall promulgate rules and regulations necessary to effectuate the purposes of this act.

Repealer.

CHAPTER 294

AN ACT concerning the restoration, maintenance and preservation of certain cemeteries.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 40:10B-1 Short title.

1. This act shall be known and may be cited as the “Historic Cemeteries Act.”

C. 40:10B-2 Findings, declarations.

2. The Legislature finds that within the State of New Jersey, there are many historic cemeteries in which are interred the bodies of citizens who settled and first developed the colonial lands of East Jersey and West Jersey, fought to secure and preserve freedom and liberty, contributed to the historic and cultural development and evolution of the State, its counties and municipalities, and participated in events of historical and cultural importance and significance.

The Legislature further finds that because of a lack of funds available to restore, maintain and preserve many of these historic cemeteries, they have fallen into disrepair, disorder and decay.

The Legislature further finds that such cemeteries serve to remind us of our cultural and historical heritage, rekindle an awareness of the difficult struggles and unique achievements of preceding genera-
tions, and renew, in each succeeding generation, an appreciation and an understanding of the patterns of our State and local history.

The Legislature, therefore, declares that it is altogether fitting and proper, and in the public interest, to enable local governmental units to assist in the restoration, maintenance and preservation of such cemeteries.

C. 40:10B-3 Preservation of historic cemeteries.

3. The governing body of any county or municipality may provide for the restoration, maintenance and preservation of any historic cemetery located within its borders. As used in this act “historic cemetery” means a cemetery not owned by the State, a county, municipality, or religious corporation or association, in which are interred the remains of prominent citizens or residents of the State or of the Colony of East Jersey or the Colony of West Jersey, or veterans of the Colonial Wars, the War of Independence, the War of 1812, the Mexican-American War, the Civil War, the Spanish-American War, or World War I, in which not more than 10% of the interments have been made after 1880, in which no interment has been made for 50 years, and for which no funds are available for regular maintenance or preservation.

a. The governing body of a county may annually appropriate an amount not to exceed $10,000.00 for the restoration, maintenance and preservation of historic cemeteries located within its borders; provided, however, that no governing body shall expend annually an amount in excess of $500.00 to restore, maintain or preserve any one cemetery.

b. The governing body of a municipality may annually appropriate an amount not to exceed $3,000.00 for the restoration, maintenance and preservation of historic cemeteries located within its borders; provided, however, that no governing body shall expend annually an amount in excess of $500.00 to restore, maintain or preserve any one cemetery.

C. 40A:4-45.18 Exception from limitations.

4. Any expenditures made by a county or municipality to restore, maintain or preserve historic cemeteries pursuant to P. L. 1983, c. 294 (C. 40:10B-1 et seq.), shall be excepted from the limitations contained in P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.).

5. This act shall take effect immediately.

Approved August 4, 1983.

11. No physical therapist or physical therapist assistant shall engage directly or indirectly in the division, transferring, assigning, rebating or refunding of fees received for professional services or shall profit by means of a credit or other valuable consideration as an unearned commission, discount or gratuity with any person who refers a patient or with any relative or business associate of the referring person; however, nothing in this section shall be construed to prohibit physical therapists who are members of a business entity, properly organized pursuant to law, from making a division of fees among themselves as determined by contract to be necessary to defray joint operating costs.

C. 45:9-37.22 Eligibility for licensure.

12. To be eligible for licensure as a physical therapist or physical therapist assistant, an applicant shall submit to the board satisfactory evidence that:

If the renewal fee is not paid by that date, the license shall automatically expire; but may be renewed within two years of its expiration date on payment to the board of a sum determined by it for each year or part thereof during which the license was expired and an additional restoration fee. After a two year period, a license may only be renewed by complying with the provisions of this act regarding initial licensure.

15. The written examination provided for in sections 12 and 13 of this act shall test the applicant's knowledge of basic and clinical sciences as they relate to physical therapy and physical therapy theory and procedures and any other subjects the board may deem useful to test the applicant's fitness to practice physical therapy or act as a physical therapist assistant. Examinations shall be held within the State at least twice per year at a time and place to be determined by the board. The board shall give adequate written notice of the exam to applicants for licensure and examination.

A temporary license shall be available to an applicant with his initial application for examination and he may practice only under the direct supervision of a licensed physical therapist. A temporary license shall expire automatically upon failure of the licensure exam but may be renewed for an additional six month period until the date of the next exam at which time it shall automatically expire and be surrendered to the board.

C. 40:37C-8 Issuance of bonds.

8. All bonds issued by an authority may be issued as serial bonds or as term bonds or a combination of both types. Such bonds shall be payable solely out of the revenues and receipts derived from the leasing or sale by the authority of the pollution control facilities acquired with the proceeds thereof as may be designated in the
proceedings under which the bonds shall be authorized to be issued or from the loan and security agreements or other instruments entered into between an authority and the person to whom the proceeds of the bonds have been loaned for the purpose of paying any of the project costs of a pollution control facility. Such bonds may be executed and delivered by the authority at any time and from time to time, bear such date or dates, mature at such time or times, bear interest at such rate or rates, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment, at such place or places, be subject to such terms of redemption, be executed by the manual or facsimile signatures of such officers of the authority and contain such provisions not inconsistent herewith, all as shall be provided in the proceedings of the authority. If deemed advisable by the authority, there may be retained in the proceedings under which any bonds are authorized to be issued a right or option to redeem all or any part thereof as may be specified in such proceedings, at such price or prices and after such notice or notices and on such terms and conditions as may be set forth in such proceedings, but nothing herein contained shall be construed to confer on any authority the right or option to redeem any bonds except as may be provided in the proceedings under which they shall be issued. Any bonds may be sold at public or private sale for such price or prices and in such manner and at such time or times as may be determined by the authority and the authority may pay all expenses, premiums and commissions which it may deem necessary or advantageous in connection with the issuance thereof. Issuance by the authority of one or more series of bonds for one or more purposes shall not preclude it from issuing other bonds in connection with the same pollution control facilities or any other pollution control facilities or for any other purpose hereunder, but the proceedings whereunder any subsequent bonds may be issued shall recognize and protect any prior pledge made for any prior issue of bonds. Any bonds at any time outstanding may at any time and from time to time be refunded by the issuance of refunding bonds in such amount as the authority may deem necessary but not exceeding an amount sufficient to refund the principal of the bonds so to be refunded, together with any unpaid interest thereon and any premiums, commissions, service fees and other expenses necessary to be paid in connection therewith. Any such refunding may be effected whether the bonds to be refunded shall have then matured or
shall thereafter mature, either by sale of the refunding bonds and the application of the proceeds thereof for the payment of the bonds to be refunded thereby, or by the exchange of the refunding bonds for the bonds to be refunded thereby with the consent of all or so many of the holders of the bonds so to be refunded as may be determined and regardless of whether or not the bonds to be refunded were issued in connection with the same pollution control facilities or separate pollution control facilities or for any other purpose hereunder, and regardless of whether or not the bonds proposed to be refunded shall be payable on the same date or different dates or shall be due serially or otherwise. All such bonds and the interest coupons applicable thereto, if any, are hereby made and shall be construed to be negotiable instruments within the meaning, and for all purposes, of Title 12A, Commercial Transactions, of the New Jersey Statutes (N. J. S. 12A:1-101 et seq.) with the exception of any provisions thereof pertaining to registration.

8. Section 9 of P. L. 1973, c. 376 (C. 40:37C-9) is amended to read as follows:

C. 40:37C-9 Security for bonds.

9. The principal of and interest and premiums, if any, on any bonds issued by an authority shall be secured by a mortgage or pledge of the revenues and receipts out of which the same shall be made payable and may be secured by the pledge of all or any part of the assets of such authority, subject to such agreements with bondholders as may then prevail, or such bonds of the authority may be secured by loan and security agreements or any other instrument upon terms and conditions as the authority shall deem reasonable, including provision for the establishment and maintenance of reserve and insurance funds; provided that any such agreement or instrument shall provide for payments at least adequate to pay the principal of and interest and premiums, if any, on bonds issued to finance pollution control facilities as they become due and payable. The resolution under which the bonds are authorized to be issued may contain any agreements and provisions respecting the maintenance of the properties covered thereby; the fixing, collection and use of rents for any portions thereof leased by the authority to others; the determination, collection and application of payments to be received for the sale of any properties covered thereby; the creation and maintenance of special funds from such revenues or receipts and the limitations on the
purpose to which the proceeds from the sale of the bonds may be applied and pledging such proceeds to secure the payment of the bonds; the limitations on the issuance of additional bonds and on the refunding of outstanding or other bonds; the procedure, if any, by which the terms of any such agreement may be amended or abrogated; and the rights and remedies available in the event of default, including the designation of a trustee, all as the authority shall deem advisable and not in conflict with the provisions hereof. Each pledge and agreement made for the benefit or security of any of the bonds of the authority shall continue effective until the principal of and interest and premiums, if any, on the bonds for the benefit of which the same were made shall have been fully paid or provision for such payment duly made. In the event of default in such payment or in any agreement of the authority made as a part of the contract under which the bonds were issued, whether contained in the proceedings authorizing the bonds or in any indenture executed as security therefor, said payment or agreement may be enforced by suit, action in lieu of prerogative writ, or the appointment of a receiver in equity, or any one or more of said remedies.

As further security for the bonds, an authority may enter into contracts of insurance assuring that the principal of and interest on such bonds will be paid and that rental payments, installment payments or other payments to be made by the user of the facilities will be made; provided, however, that the authority shall not be obligated under the terms of such policy to any greater extent than allowed by the provisions of this act. The cost of any such insurance contract may be paid out of the proceeds of the sale of the bonds so insured.

9. This act shall take effect immediately.

Approved August 8, 1983.

C. 17:29A-14  Filing of rate alterations; hearings.

14. a. With regard to all property and casualty lines, a filer may, from time to time, alter, supplement, or amend its rates, rating-systems, or any part thereof, by filing with the commissioner copies of such alterations, supplements, or amendments, together with a statement of the reason or reasons for such alteration, supplement, or amendment, in a manner and with such information as may be required by the commissioner. If such alteration, supplement or amendment shall have the effect of increasing or decreasing rates, the commissioner shall determine whether the rates as altered thereby are reasonable, adequate, and not unfairly discriminatory. If the commissioner shall determine that the rates as so altered are not unreasonably high, or inadequate, or unfairly discriminatory, he shall make an order approving them. If he shall find that the rates as altered are unreasonable, inadequate, or unfairly discriminatory, he shall issue an order disapproving such alteration, supplement or amendment.

b. With regard to private passenger automobile insurance, in addition to or concurrently with the procedure prescribed for all other property and casualty lines, a filer may, from time to time, alter, supplement or amend its rates, rating systems or any part thereof by making an informational filing with the commissioner of alterations, supplements or amendments, together with a statement of the reason or reasons therefor, including but not limited to the claim and expense experience of the individual filer, in accordance with the provisions of subsection d. of this section.

c. If an insurer or rating organization files a proposed alteration, supplement or amendment to its rating system, or any part thereof, which would result in a change in rates, the commissioner may, or upon the request of the filer or the Public Advocate shall, certify the matter for a hearing. The hearing shall, at the commissioner’s discretion, be conducted by himself or by the Office of Administrative Law, created by P. L.1978, c. 67 (C. 52:14F-1 et seq.), as a contested case. The following requirements shall apply to the hearing:

(1) The hearing shall commence within 30 days of the date of the request or decision that a hearing is to be held. The hearing shall be held on consecutive working days. If the hearing is conducted by an administrative law judge, the administrative law judge shall submit his findings and recommendations to the commissioner within 30 days of the close of the hearing. A decision shall be rendered by the commissioner not later than 60 days from the close of the hearing. A filing shall be deemed to be approved
unless rejected or modified by the commissioner within the time period provided herein.

(2) The commissioner, or the Director of the Office of Administrative Law, as appropriate, shall notify all interested parties, including the Public Advocate on behalf of insurance consumers, of the date set for commencement of the hearing, on the date of the filing of the request for a hearing, or within 10 days of the decision that a hearing is to be held.

(3) The insurer or rating organization making a filing on which a hearing is held shall bear the costs of the hearing.

(4) The commissioner may promulgate rules and regulations (a) to establish standards for the submission of proposed filings, amendments, additions, deletions and alterations to the rating systems of filers, which may include forms to be submitted by each filer; and (b) making such other provisions as he deems necessary for effective implementation of this act, except that all requests for information shall be limited to the kinds of detail required by the commissioner under section 5 of P. L. 1944, c. 27 (C. 17:29A-5).

d. (1) With regard to private passenger automobile insurance, the commissioner shall annually promulgate, on or before February 1, separately for each coverage, a maximum annualized percentage change in rate level which a filer may implement, in whole or in part, in a single or multiple filings, in connection with the informational filing procedure of subsection b. of this section. The maximum annualized percentage change in rate level shall be based on rates promulgated by the rating bureau which files rates for the greatest number of insurers in the voluntary private passenger automobile insurance market in the State, exclusive of the residual market equalization charge, as defined in subsection o. of section 15 of the “New Jersey Automobile Full Insurance Availability Act” (P. L. 1983, c. 65; C. 17:30E-3).

For purposes of this paragraph, the full annualized rate level percentage change implemented in any one calendar year shall be equal to the sum of all full annualized rate level percentage changes implemented during the same calendar year.
(3) Rates filed under this subsection should take effect on the date of the informational filing with the commissioner.

3. Section 17 of P. L. 1983, c. 65 (C. 17:30E-5) is amended to read as follows:

The Speaker of the General Assembly and the President of the Senate shall each appoint a public member. The commissioner or his designated representative shall be entitled to attend and participate in all meetings of the board or any of its committees.

Each trade association and producer association shall have 15 days from the effective date of this act to submit its prescribed list of board of director candidates to the Governor. The Governor shall have 30 days from receipt of each list to select permanent board members from it. If any of the associations named in this section fails to submit the lists from which the Governor is to select members of the board of directors within time, the Governor shall appoint temporary board members to represent each association that has failed to submit its list. In selecting temporary board members, the Governor shall be guided by the selection criteria set forth herein. Upon subsequent receipt of the list from the association, the Governor shall select permanent board members to replace the temporary board members within 30 days. Such replacement shall become effective immediately.

The initial appointments of all other directors shall be for terms of two years. After the initial appointments all directors shall be appointed for terms of two years and shall serve until their successors are appointed and qualified. Appointments to fill vacancies shall be for the unexpired term of the director to be replaced. Except in the case of the Director of the Division of Motor Vehicles, directors may be reimbursed from the moneys of the association for reasonable expenses incurred by them as members.

b. After the board has been appointed, it shall elect from its membership a chairman and shall then meet thereafter at least
annually, and as often as the chairman or the plan of operation shall require, or at the request of any five members of the board or the commissioner. Each member of the board shall be entitled to one vote. The commissioner, or his designated representative, shall have no right to vote. Nine voting members of the board shall constitute a quorum. A majority of the voting members shall determine any action of the board. No member may serve as chairman for more than two consecutive years.

c. The board shall have and exercise all powers of the association not reserved to the members by the plan of operation or as otherwise provided in this act.

4. Section 19 of P. L. 1983, c. 65 (C. 17:30E-7) is amended to read as follows:

a. Enter into contracts as are necessary or proper to carry out the provisions and purposes of this act;

b. Sue or be sued in the name of the association, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against members. A judgment against the association shall not create any direct liability against the servicing carrier, board of directors or the individual members, or the individual participating members of the association;

c. Indemnify its directors and employees for any and all claims, suits, costs of investigations, costs of defense, settlements or judgments against them on account of an act or omission in the scope of a director's duties or employee's employment. d. Take such action as is necessary to prevent and avoid the payment of improper claims against the association or the coverage provided by or through the association;

e. Arrange for the issuance of automobile insurance to any qualified applicant through servicing carriers. Each servicing carrier shall issue policies in the name of the servicing carrier, on behalf of the association, to the extent the plan of operation provides. Servicing carriers, as agents of the association, shall have no individual liability for claims or policies written by the association;

f. Appoint from among its members appropriate legal, actuarial, claims, investment and other committees as necessary to provide
technical assistance in the operation of the association, policy and other contract design, and any other function within the authority of the association;

g. Establish standards for, and review operating practices of, servicing carriers and producers to determine whether such practices are adequate to properly service association business, and to take appropriate action to eliminate inadequate operating practices and develop adequate operating practices, and to appoint an audit committee to review operating practices. The audit committee shall be composed of servicing carriers, producers, and member companies who are not servicing carriers;

h. Develop criteria and establish a monitoring system to ensure that: (1) servicing carriers do not obtain an unfair advantage, because of their servicing carrier relationship with producers, over other member companies which are not servicing carriers; and (2) member companies do not obtain an unfair advantage over producers of record without a contractual relationship with a voluntary market company, as a result of an offer of voluntary market coverage to an insured of the association;

i. Order the reporting of such statistics by the members of the association as it deems necessary;

j. Reimburse servicing carriers from association funds;

k. Adopt bylaws for the regulation of its internal affairs;

l. Employ a general manager, who shall serve at its pleasure and be responsible for the conduct of the administrative affairs of the association. The board may employ other necessary personnel and may delegate to the general manager and other personnel such authority as it deems necessary to assure proper administration and operation of the association consistent with the plan of operation. The board shall arrange and contract if necessary for suitable quarters within the State of New Jersey for operations of the association; for such equipment, goods and services; and incur such expenses as it deems necessary to assure efficient administration of the association consistent with the plan of operation. If required by the plan of operation, the board may establish service centers in underserviced areas, which service centers shall provide for the dissemination of full information on the coverages available under this act and for referrals to appropriate outlets for the acquisition of such coverage;

m. Hear and determine complaints of any member or producer concerning the operation of the association, in accordance with procedures prescribed in section 28 of this act;
n. Annually report to the commissioner on the operation of the
association;
o. Record and investigate complaints involving the conduct of
producers and to take appropriate corrective action or to recom-
mend to the commissioner appropriate disciplinary action, includ­
ing suspension or revocation of authority to write association
business;
p. Review servicing practices of servicing carriers to determine
whether such practices are adequate to properly service the risks
written by the association; and upon finding that the practices of
any servicing carrier are inadequate, establish a program for that
member which will assist the servicing carrier in the performance
of its duties and charge that servicing carrier a reasonable fee for
establishing and operating such a program;
q. Audit the operations of members for the purpose of deter­
mining compliance with this act;
r. Develop methods and standards for the establishment of
adequate, actuarially sound reserves for unpaid losses and loss
adjustment expenses, including provision for incurred but not
reported losses; and
s. Take such other action as is necessary to effectuate the pur­
poses of this act.

5. Section 20 of P. L. 1983, c. 65 (C. 17:30E-8) is amended to
read as follows:

C. 17:30E-8 Sources of income; filing of experience; residual market equalization
charge.

20. a. The association shall derive income from the following
sources for the payment of expenses, losses, and the provision of
adequate, actuarially sound reserves for unpaid losses and loss
adjustment expenses, including incurred but not reported losses, in
connection with association business: (1) net premiums earned; (2)
income generated from any association accident surcharge system
permitted or required by law; (3) that percentage of surcharges
collected by the Division of Motor Vehicles and deposited with the
association pursuant to subsection b. of section 6 of the "New
Jersey Automobile Insurance Reform Act of 1982" (P. L. 1983,
c. 65; C. 17:29A-35), and that collected and retained by the associa-
tion pursuant to subsection c. of said section 6; (4) income collected
by members of the association and by the association from the
residual market equalization charge; and (5) income from invest­
ment of moneys collected pursuant to subsections (1), (2), and (3)
of this subsection. Premiums received as a residual market equalization charge on behalf of the association, net of commissions paid, and net of all premium taxes, shall on a monthly basis be certified to by the carrier and shall be transferred to the association in accordance with the plan of operation. All premiums received by servicing carriers on behalf of the association, net of commissions paid, net of all premium taxes, and servicing carrier compensation, shall on a monthly basis be certified to by the carrier and shall be transferred to the association in accordance with the plan of operation.

All claims and claim expense payments paid on association business shall be disbursed by the servicing carriers or the association through drafts drawn on association funds in accordance with the plan of operation. Servicing carriers, as agents of the association, shall have no individual liability on claims or policies written by the association.

b. At least annually, the board shall file its experience with the commissioner, which experience shall include the projected income, expenses, losses and reserve requirements of the association for the ensuing year, any adjustment in previously established reserves for unpaid losses and loss adjustment expenses necessary to make such reserves adequate and actuarially sound, and the initial filing shall include the experience of the automobile insurance plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1). The board shall include in its filing with the commissioner, for his approval, a computation of the residual market equalization charge per insured vehicle to be collected by each member from its voluntary insureds, exclusive of principal operators 65 years of age or older, and by each servicing carrier from association insureds, exclusive of principal operators 65 years of age or older, to offset the anticipated losses of the association.

At the end of the first 12 months of the operation of the association and at least annually thereafter, the board shall also include in its filing with the commissioner a review of the previous year's experience, setting forth the income, losses, and reserve requirements, including any adjustment in previously established reserves for unpaid losses and loss adjustment expenses necessary to make such reserves adequate and actuarially sound, and expenses of the association during the previous year. If a profit is found by the commissioner to have been realized, such amount shall reduce the residual market equalization charge levied on policyholders pur-
suant to subsection d. of this section. If a loss is found by the commissioner to have occurred, such amount shall increase the charge levied on policyholders pursuant to subsection d. of this section. The filing shall be accompanied by such statistics and other information as the commissioner may deem necessary. The commissioner shall, within 60 days of such filing, approve or disapprove the filing. Failure to act within 60 days shall be deemed approval of the filing, except that the running of the 60-day period shall be tolled by a request for additional information by the commissioner or until the association notifies the commissioner that it will not provide such additional information, together with the reason for not supplying the information. Failure to comply with a reasonable request for information may be a ground for disapproving all or part of the filing. If the commissioner disapproves all or part of the filing, he shall state the reasons for such disapproval, and indicate such portion of the filing he approves. Such disapproval shall be subject to review by the Appellate Division of the Superior Court.

c. The residual market equalization charge last approved by the commissioner shall continue to apply while the application for the revised charge is being processed by the commissioner pursuant to this section.

d. The residual market equalization charge per insured vehicle shall be collected following the effective date of such approval, by the insurer from its policyholders, exclusive of principal operators 65 years of age or older, on a uniform net direct car year of liability exposure basis and a net direct car year of physical damage exposure basis. Any insurer or rating organization making a residual market equalization charge pursuant to this subsection shall, 15 days prior to the date of the implementation of the proposed rate adjustment, make an informational filing with the commissioner, documenting compliance with the established method of distributing such residual market equalization charge.

e. Any insurer licensed to transact automobile insurance after the effective date of this act shall become a member of the association upon receiving such license and the determination of any such insurer's participation in the association shall be made as of the date of such membership in the same manner as for all other members of the association.

6. This act shall take effect immediately.

In designating enterprise zones the authority shall seek to avoid excessive geographic concentration of zones in any particular region of the State, and of the initial four enterprise zones designated by the authority, two shall be located in the 10 southernmost counties of the State. Of the next two enterprise zones designated thereafter, at least one shall be located in one of the five counties next most northern to those 10 counties.

C. 52:27H-67 Municipal zone development corporations.

8. The governing body of any qualifying municipality may, by ordinance, create a nonprofit corporation pursuant to the provisions of Title 15 of the Revised Statutes to act as the zone development corporation for the municipality. Any zone development corporation so created shall include on its board of directors representatives of the government of the qualifying municipality, members of the business community thereof, and representatives of community organizations in the municipality, and the total membership of the board of directors shall be broadly representative of businesses and communities within the municipality.

Notwithstanding the provisions of any other law to the contrary, a zone development corporation shall be considered to be a local development corporation for the purpose of receiving any State financial or technical assistance as may be available, and the creation of a zone development corporation shall not preclude a qualifying municipality from creating another local development corporation for the municipality with responsibilities not related to the enterprise zone, nor preclude that other corporation from receiving State financial or technical assistance.

C. 52:27H-68 Preliminary zone development plan.

9. The zone development corporation shall formulate and propose a preliminary zone development plan to the governing body of the
qualifying municipality. The preliminary zone development plan shall set forth the boundaries of the proposed enterprise zone, findings of fact concerning the economic and social conditions existing in the area proposed for an enterprise zone, and the municipality’s policy and intentions for addressing these conditions, and may include proposals respecting:

a. Utilizing the powers conferred on the municipality by law for the purpose of stimulating investment in and economic development of the proposed zone;

b. Utilizing State assistance through the provisions of this act relating to exemptions from, and credits against, State taxes;

c. Securing the involvement in, and commitment to, zone economic development by private entities, including zone neighborhood associations, voluntary community organizations supported by residents and businesses in the zone;

d. Utilizing the powers conferred by law to revise municipal planning and zoning ordinances and other land use regulations as they pertain to the zone, in order to enhance the attraction of the zone to prospective developers;

e. Increasing the availability and efficiency of support services, public and private, generally used by and necessary to the efficient functioning of commercial and industrial facilities in the area, and the extent to which the increase or improvement is to be provided and financed by the municipal government or by other entities.

C. 52:27H-69 Areas eligible for designation.

10. An area defined by a continuous border within a qualifying municipality shall be eligible for designation as a zone if:

a. It has been designated an “area in need of rehabilitation” pursuant to Article VIII, Section I, paragraph 6 of the Constitution of the State of New Jersey and P. L. 1977, c. 12 (C. 54:4-3.95 et seq.); or is qualified for that designation in the judgment of the authority; and

b. It meets the criteria established by the authority pursuant to this act relating to the incidence of poverty, unemployment and general economic distress.

C. 52:27H-70 Criteria for first two designations.

11. The first two areas and municipalities designated as enterprise zones by the authority shall meet all the following criteria:

a. A rate of unemployment among residents in the area and among residents of the municipality exceeding one and one-half times the national unemployment rate as determined by the
most recently available data from the Bureau of Labor Statistics in the United States Department of Labor;

b. At least 20% of the population of the area and population of the municipality receive incomes below the poverty level, as defined by the United States Department of Labor;

c. At least 20% of the residents of the area and residents of the municipality depend upon public assistance as their primary source of income.

C. 52:27H-71 Modification of criteria.

12. After the designation of the first two enterprise zones, the authority may by regulation, from time to time modify, replace or supplement the criteria set forth in subsections c. and d. of section 3 and in sections 10 and 11 of this act so as to develop a complete set of criteria for the qualification of businesses for the benefits of this act, and for the designation of enterprise zones in qualifying municipalities.

No regulation to modify, replace or supplement a criterion shall be adopted by the authority unless the authority has prior to adoption issued a written report to the Governor and the Legislature setting forth: the text of the proposed modification, replacement or supplement; a statement of the authority's reasons for the proposal; the written statement of any authority member dissenting from the authority's proposal; and a statement of the manner in which the proposal will further the legislative intent of this act. Not less than 60 days after the authority's report is placed upon the desk of each member of the Legislature, the authority shall hold a public hearing at which any interested person shall be heard. Upon the completion of the public hearing, the regulation may be adopted by the authority in the manner otherwise prescribed by law.

The authority may modify, replace or supplement criteria pursuant to this section, if it finds that:

a. The criteria set forth in this act do not accurately determine the relative burden of poverty, unemployment and general distress among and between areas under consideration for designation as enterprise zones;

b. The criteria do not utilize newly available data, or do utilize data not available or not complete and accurate;

c. The criteria would not assure the eligibility of designated zones for federal government assistance under programs now or hereafter undertaken by the federal government, for which those areas and the municipalities in which they are located would not be eligible in the absence of that designation.
C. 52:27H-72 Preference to certain development plans.

13. a. In designating eligible areas as enterprise zones, the authority shall accord preference to zone development plans which:

(1) Have the greatest potential for success in stimulating primarily new economic activity in the area;

(2) Are designed to address the greatest degree of urban distress, as measured by existing levels of unemployment, poverty, and property tax arrearages;

(3) Demonstrate the most substantial and reliable commitments of resources by zone businesses, zone neighborhood associations, voluntary community organizations and other private entities to the economic success of the zone;

(4) Demonstrate the most substantial effort and commitment by the municipality to encourage economic activity in the area and to remove disincentives for job creation compatible with the fiscal condition of the municipality.

b. In addition to the considerations set forth in subsection a. of this section, the authority in evaluating a zone development plan for designation purposes shall consider:

(1) The likelihood of attracting federal assistance to projects in the eligible area, and of obtaining federal designation of the area as an enterprise zone for federal tax purposes;

(2) The adverse or beneficial effects of an enterprise zone located at the proposed area upon economic development activities or projects of State or other public agencies which are in operation, or are approved for operation, in the qualifying municipality;

(3) The degree of commitment made by public and private entities to utilize minority contractors and assure equal opportunities for employment in connection with any construction or reconstruction to be undertaken in the eligible area;

(4) The impact of the zone development plan upon the social, natural and historic environment of the eligible area;

(5) The degree to which the implementation of the plan involves the relocation of residents from the eligible area, and the adequacy of commitments and provisions with respect thereto.

C. 52:27H-73 Application for assistance.

14. a. Any qualifying municipality may designate any area set forth in the zone development plan as an enterprise zone. The municipality may then make written application to the authority to have the area selected for State and federal assistance offered to enterprise zones or either type of assistance. The
application shall include the zone development plan adopted for the area and any other information as the authority may require.

b. Upon receipt of an application from the qualifying municipality the authority shall review the application to determine whether the area described in the application qualifies for State assistance under the criteria of this act.

c. Upon organization the authority shall establish a date for the receipt of initial applications for designations under this act, which shall be within one year of the effective date of this act. Thereafter, the authority shall complete its review within 90 days of receipt of an application, but may extend this time period by an additional 60 days if necessary. If the authority denies the application, it shall inform the municipality of that fact in writing setting forth the reasons for the denial.

d. The designation of an enterprise zone by the authority shall take effect upon the adoption by the qualifying municipality of an ordinance accepting that designation.

C. 52:27H-74 Applicable benefits.

15. Except as otherwise specified in this act, a qualified business in an enterprise zone shall be eligible to receive from among those benefits authorized in sections 16 through 20 of this act as are determined by the authority. The authority shall state in writing to the qualifying municipality at the time of designation its determinations as to which of those benefits are to apply in an enterprise zone.

C. 52:27H-75 Award based upon unemployment insurance tax.

16. A qualified business shall be eligible for an award based upon the amount of unemployment insurance tax it has paid for those new employees who meet the criteria set forth in subsection c. of section 3 of this act. The award shall apply only to those new employees whose gross salaries are less than $1,500.00 per month, and shall be based on the following schedule:

a. First four years in zone ... an amount equal to 50% of the employer's unemployment insurance payment;

b. Second four years in zone ... an amount equal to 40% of the employer's unemployment insurance payment;

c. Third four years in zone ... an amount equal to 30% of the employer's unemployment insurance payment;
d. Fourth four years in zone . an amount equal to 20% of the employer's unemployment insurance payment;

e. Fifth four years in zone . an amount equal to 10% of the employer's unemployment insurance payment.

No qualified business with an unemployment insurance rating of more than 4.1% shall qualify for this award so long as it shall maintain that rating.

C. 52:27H-76 Tax exemptions.

17. Any qualified business subject to the provisions of the "Corporation Business Tax Act (1945)," P. L. 1945, c. 162 (C. 54:10A-1 et seq.), as employing a larger number of persons at a place of business located within an enterprise zone designated pursuant to this act than at all other places of business of the taxpayer within the State, shall be exempt from the net worth tax imposed pursuant to subsection (a) of section 5 of P. L. 1945, c. 162 (C. 54:10A-5 (a)), and from the tax imposed by subsection (f) of that section (C. 54:10A-5 (f)), for a period of 20 tax years from the date of designation of the enterprise zone, or for a period of 20 tax years from the date upon which the taxpayer is first subject to the provisions of the "Corporation Business Tax Act (1945)," P. L. 1945, c. 162 (C. 54:10A-1 et seq.), whichever date is later. The termination of the designation of an enterprise zone at the end of a 20 year designation period shall not terminate the exemption provided under this section if the exemption was granted prior to the end of the designation period. The provisions of this section are subject to the phase-out provisions of P. L. 1982, c. 55 (C. 54:10A-4 et seq.).

C. 52:27H-77 Maximum tax credit.

18. Enterprise zone employee tax credits provided under section 19 of this act shall not reduce a taxpayer's tax liability under the "Corporation Business Tax Act (1945)," P. L. 1945, c. 162 (C. 54:10A-1 et seq.) in any tax year by more than 50% of the amount otherwise due, but any tax credits remaining and unused in a tax year may be carried forward by the taxpayer to the next succeeding tax year and applied against 50% of the amount of tax otherwise due in that succeeding tax year.

C. 52:27H-78 Employee tax credit.

19. Any qualified business subject to the provisions of the "Corporation Business Tax Act (1945)," P. L. 1945, c. 162 (C.
CHAPTER 303, LAWS OF 1983

54:10A-1 et seq.), as actively engaged in the conduct of business from a location within an enterprise zone designated pursuant to this act, which business at that location consists primarily of manufacturing or other business which is not retail sales or warehousing oriented, shall receive an enterprise zone employee tax credit against the amount of tax imposed under the "Corporation Business Tax Act (1945)," P.L. 1945, c. 162 (C. 54:10A-1 et seq.), as hereinafter provided:

a. A credit of $1,500.00 for each new employee employed at that location who is a resident of the qualifying municipality in which the designated enterprise zone is located, and who immediately prior to employment by the taxpayer was unemployed for at least 90 days, or was dependent upon public assistance as the primary source of income;

b. A credit of $500.00 for each new employee employed at that location who is a resident of a qualifying municipality in which a designated enterprise zone is located, who does not meet the requirements of subsection a. of this section, and who was not, immediately prior to employment by the taxpayer, employed at a location within the qualifying municipality;

c. The enterprise zone employee tax credit shall be allowed in the tax year immediately following the tax year in which the new employee was first employed by the taxpayer, and shall be permitted in any tax year of a 20 year period from the date of designation of the enterprise zone, or of a period of 20 tax years from the date within that designation period upon which the taxpayer is first subject to the provisions of the "Corporation Business Tax Act (1945)," P.L. 1945, c. 162 (C. 54:10A-1 et seq.), whichever date is later and the termination of the designation of an enterprise zone at the end of a 20 year designation period shall not terminate the eligibility period provided under this section;

d. A tax credit shall be permitted under this section only for those new employees who have been employed for at least six continuous months by the taxpayer during the tax year for which the tax credit is claimed.

C. 52:27H-79 Sales to zone businesses tax-exempt.

20. Retail sales of tangible personal property (except motor vehicles) and sales of services to a qualified business for the exclusive use or consumption of such business within an enterprise zone are exempt from the taxes imposed under the "Sales and Use Tax Act," P.L. 1966, c. 30 (C. 54:32B-1 et seq.).
C. 52:27H-80 50% tax exemption for retail sales.

21. Any vendor, which is a qualified business having a place of business located in a designated enterprise zone, may apply, on or before October 1 of the pre-tax year, to the Director of the Division of Taxation in the Department of the Treasury for certification pursuant to this section. The director shall certify a vendor if he shall find that the vendor owns or leases and regularly operates a place of business located in the designated enterprise zone for the purpose of making retail sales, that items are regularly exhibited and offered for retail sale at that location, and that the place of business is not utilized primarily for the purpose of catalogue or mail order sales. Any certification so issued shall be for a one year period of a 20 year enterprise zone designation period, and may be renewed annually by the director upon reapplication of the vendor. A certification made pursuant to this section shall apply to the next full calendar year following certification. The director may at any time revoke a certification granted pursuant to this section if he shall determine that the vendor no longer complies with the provisions of this section.

Notwithstanding the provisions of this act to the contrary, this section shall apply to two of the first five enterprise zones designated under the provisions of this act, and to no more than four of all zones so designated. Notwithstanding any other provisions of law to the contrary, all revenues received from the taxation of retail sales made by certified vendors from business locations in designated enterprise zones to which this exemption shall apply, shall be deposited immediately upon collection by the Department of the Treasury, as follows:

a. In the first five year period of the enterprise zone designation, all such revenues shall be deposited in the enterprise zone assistance fund created pursuant to section 29 of this act;

b. In the second five year period of the enterprise zone designation, 66\(\frac{2}{3}\)\% of all those revenues shall be deposited in the enter-
prise zone assistance fund, and 33\% \%\%\% shall be deposited in the General Fund;
c. In the third five year period of the enterprise zone designation, 33\% \%\%\% of all those revenues shall be deposited in the enterprise zone assistance fund, and 66\% \%\%\% shall be deposited in the General Fund;
d. In the final five year period of the enterprise zone designation, all those revenues shall be deposited in the General Fund.

The revenues required to be deposited in the enterprise zone assistance fund under this section shall be used for the purposes of that fund and for the uses prescribed in section 29 of this act, subject to annual appropriations being made for those purposes and uses.

C. 52:27H-81 Rules, regulations.

L. 1983, c. 190 (C. 34:1B-36 et seq.), to the contrary, projects which are otherwise eligible under that act, but which are located in a municipality in which an enterprise zone is designated pursuant to the “New Jersey Urban Enterprise Zones Act,” P. L. 1983, c. 303 (C. 52:27H-60 et seq.), shall, upon the written recommendation of the authority, be accorded priority in receiving assistance from the New Jersey Local Development Financing Fund, over eligible projects which are not so located.

C. 52:27H-83 Skill training programs.
24. The New Jersey Department of Labor shall develop and coordinate the delivery of skill training programs necessary to meet the needs of qualifying businesses.

C. 52:27H-84 Exemptions from regulations.
25. In order to carry out the purposes of this act, any municipality or State agency may exempt designated enterprise zones from the provisions of any regulation, in whole or in part, promulgated by that entity or agency, but enterprise zones shall not
be exempted from the provisions of any regulation, except upon finding by the State or municipal agency, as appropriate, that the exemption would not endanger the health and safety of the citizens of the State.

C. 52:27H-85 Continuing review.

26. The authority shall conduct a continuing review of all State regulations and shall recommend to the appropriate administrative bodies the modification or waiver of regulations promulgated by that agency in order to contribute to the implementation of this act.

C. 52:27H-86 Eligibility for incentives.

27. To be eligible for any of the incentives provided under this act a qualifying business must demonstrate to the satisfaction of the authority that:

C. 52:27H-87 Certification of firms receiving benefits.

28. Any firm that receives any benefits set forth in sections 16 through 24 of this act shall annually certify to the authority that it is a qualified business under subsection c. of section 3 of this act. Failure to supply the certification or willful falsification of data in the certification will result in a fine of not more than ten times the benefits received, nor more than two years in prison.

C. 52:27H-88 Enterprise zone assistance fund.

29. a. There is created an enterprise zone assistance fund to be held by the State Treasurer, which shall be the repository for all moneys required to be deposited therein under section 21 of this act or moneys appropriated annually to the fund. All moneys deposited in the fund shall be held and disbursed in the amounts necessary to fulfill the purposes of this section and subject to the requirements hereinafter prescribed. The State Treasurer may invest and reinvest any moneys in the fund, or any portion thereof, in legal obligations of the United States or of the State or of any political subdivision thereof. Any income from, interest on, or increment to moneys so invested or reinvested shall be included in the fund.

The State Treasurer shall maintain separate accounts for each enterprise zone designated under this act, and shall credit to each account an amount of the moneys deposited in the fund equal to the amount of revenues collected from the taxation of retail sales
made in the zone and appropriated to the enterprise zone assistance fund, or that amount of moneys appropriated to the fund and required to be credited to the enterprise zone account of the qualifying municipality.

The State Treasurer shall promulgate the rules and regulations necessary to govern the administration of the fund for the purposes of this section.

b. The enterprise zone assistance fund shall be used for the purpose of assisting qualifying municipalities in which enterprise zones are designated in undertaking public improvements and in upgrading eligible municipal services in designated enterprise zones.

c. The governing body of a qualifying municipality in which an enterprise zone is designated and the zone development corporation created by the municipality for that enterprise zone may, by resolution jointly adopted after public hearing, propose to undertake a project for the public improvement of the enterprise zone or to increase eligible municipal services in the enterprise zone, and to fund that project or increase in eligible municipal services from moneys deposited in the enterprise zone assistance fund and credited to the account maintained by the State Treasurer for the enterprise zone.

The proposal so adopted shall set forth a plan for the project or for the increase in eligible municipal services and shall include:

(1) A description of the proposed project or of the municipal services to be increased;

(2) An estimate of the total project costs, or of the total costs of increasing the municipal services, and an estimate of the amounts of funding necessary annually from the enterprise zone account;

(3) A statement of any other revenue sources to be used to finance the project or to fund the increase in eligible municipal services;

(4) A statement of the time necessary to complete the project, or of the time during which the increased municipal services are to be maintained; and

(5) A statement of the manner in which the proposed project or increase in municipal services furthers the municipality’s policy and intentions for addressing the economic and social conditions existing in the area of the enterprise zone as set forth in the zone development plan approved by the authority.

As used in this section, “project” means the purchasing, leasing, condemning, or otherwise acquiring of land or other property, or
an interest therein, in the enterprise zone or as necessary for a right-of-way or other easement to or from the enterprise zone; the relocating and moving of persons displaced by the acquisition of land or property; the rehabilitation and redevelopment of land or property, including demolition, clearance, removal, relocation, renovation, alteration, construction, reconstruction, installation or repair of a land or a building, street, highway, alley, utility, service or other structure or improvement; the acquisition, construction, reconstruction, rehabilitation, or installation of public facilities and improvements, except buildings and facilities for the general conduct of government and schools; and the costs associated with including the costs of an administrative appraisal, economic and environmental analyses or engineering, planning, design, architectural, surveying or other professional services necessary to effectuate the project.

As used in this section, "eligible municipal services" means the hiring of additional policemen or firemen assigned duties in the enterprise zone, or the purchasing or leasing of additional police or fire vehicles, equipment or apparatus to be used for the provision of augmented or upgraded public safety services in the enterprise zone and its immediate vicinities.

d. Upon adoption by the governing body of the qualifying municipality and by the zone development corporation, the proposal shall be sent to the authority for its evaluation and approval. The authority shall approve the proposal if it shall find:

(1) In the case of a project, that the proposed project furthers the policy and intentions of the zone development plan approved by the authority, and that the estimated annual payments for the project from the enterprise zone account to which the proposal pertains are not likely to result in a deficit in that account:

(2) In the case of an increase in eligible municipal services, that the proposal furthers the policy and intentions of the zone development plan approved by the authority; that the qualifying municipality has furnished satisfactory assurances that the additional policemen or firemen to be hired, or the additional vehicles, equipment or apparatus to be purchased or leased, shall be used to augment or upgrade public safety in the enterprise zone, and shall not be used in other areas of the municipality; that the qualifying municipality shall annually appropriate for the increased eligible municipal services an amount equal to 20% of the amount of annual payments for the eligible municipal services from the enterprise zone account; and that the estimated annual payments for the
eligible municipal services from the enterprise zone account to which the proposal pertains are not likely to result in a deficit in that account.

e. If the authority shall approve the proposal, it shall annually, upon its receipt of a written statement from the governing body of the qualifying municipality and the zone development corporation, certify to the State Treasurer the amount to be paid in that year from the enterprise zone account in the enterprise zone assistance fund with respect to each project or increase in eligible municipal services approved. The authority may at any time revoke its approval of a project or an increase in eligible municipal services if it finds that the annual payments made from the enterprise zone assistance fund are not being used as required by this section.

f. Upon certification by the authority of the annual amount to be paid to a qualifying municipality with respect to any project or increase in eligible municipal services, the State Treasurer shall pay in each year to the qualifying municipality from the amounts deposited in the enterprise zone assistance fund the amount so certified, within the limits of the amounts credited to the enterprise zone account of the qualifying municipality.

30. No enterprise zones shall be designated after the date occurring ten years from the effective date of this act.

31. Section 34 of P. L. 1980, c. 105 (C. 54:32B-8.22) is amended to read as follows:

C. 54:32B-8.22 Tax exemption for sales to contractors.

34. Receipts from sales made to contractors or repairmen of materials, supplies or services for exclusive use in erecting structures or building on, or otherwise improving, altering or repairing real property of organizations described in subsections (a) and (b) of section 9 of the “Sales and Use Tax Act,” P. L. 1966, c. 30 (C. 54:32B-9), and of qualified businesses within an enterprise zone as authorized in section 20 of the “New Jersey Urban Enterprise Zones Act,” P. L. 1983, c. 303 (C. 52:27H-79), are exempt from the tax imposed under that act, provided any person seeking to qualify for the exemption shall do so pursuant to such rules and regulations and upon forms as shall be prescribed by the director.

32. This act shall take effect immediately.

CHAPTER 305

An Act to amend the title of "An act authorizing counties and municipalities to enter into agreements with employees to provide for currently deferring a portion of the total compensation paid to such employees, supplementing Title 43 of the Revised Statutes," approved February 8, 1978 (P. L. 1977, c. 381), so that the same shall read "An act authorizing counties, municipalities, and authorities thereof to enter into agreements with employees to provide for currently deferring a portion of the total compensation paid to such employees, and supplementing Title 43 of the Revised Statutes," and to amend the body of that act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

Title amended.

1. The title of P. L. 1977, c. 381 is amended to read as follows: An act authorizing counties, municipalities, and authorities thereof to enter into agreements with employees to provide for currently deferring a portion of the total compensation paid to such employees, and supplementing Title 43 of the Revised Statutes.

2. Section 1 of P. L. 1977, c. 381 (C. 43:15B-1) is amended to read as follows:

C. 43:15B-1 Deferred compensation plan.

1. Any municipality, county, or an authority created by one or more counties or municipalities (hereinafter "employer") may establish a deferred compensation plan (hereinafter "plan") whereby the employer may enter into a written agreement with any of its employees (hereinafter "participants") constituting a contract for a voluntary deferral of salary. Such contract shall remain in effect until the employee's service is terminated or until a new contract is executed by the employee and employer. Not more than one contract shall be executed in any one fiscal year of the employer with any one employee. Pursuant to such contract the employer shall credit from time to time a specific amount per pay period, as deferred salary, to a participant's account. This account shall be known as the Employee's Deferred Salary Account, and shall be credited from time to time to reflect gains realized on
the investment of the moneys in the deferred salary account. An accounting summary of the individual deferred salary accounts of all employee participants shall be maintained to reflect the employer's total deferred liability under the plan and the individual balances of all participants. Any employer which establishes such a plan shall designate one or a group of its public officials, or the county's or municipality's governing body, as defined in N. J. S. 40A:4-2 of the Local Budget Law, or an authority's governing body, as the case may be, as the named fiduciary responsible for the administration of said plan and investment of and accounting for the funds maintained thereunder.

3. Section 3 of P. L. 1977, c. 381 (C. 43:15B-3) is amended to read as follows:

C. 43:15B-3 Investments; contracts with private organizations; State plan.

3. a. The plan shall provide that all money not needed for the immediate payment of benefits shall be invested by the employer in interest bearing securities in which savings banks of this State are authorized to invest their funds, or the employer shall make deposits in interest bearing accounts, or in the State of New Jersey Cash Management Fund established pursuant to P. L. 1977, c. 281 (C. 52:18A-90.4) or in individual or group annuity programs whether fixed or variable, mutual funds, or life insurance contracts whether fixed or variable.

b. Notwithstanding section 1 of P. L. 1977, c. 381 (C. 43:15B-1), the employer may contract with one or more private organizations for the administration of all or part of the plan, including the management and investment, or either thereof, of deferred and deducted salary funds.

Each contract shall be subject to the prior approval of the Director of the Division of Local Government Services on the basis of restrictions, limitations and other conditions established by the director by rule and regulation promulgated pursuant to the "Administrative Procedure Act" (P. L. 1968, c. 410, C. 52:14B-1 et seq.); provided, however, that the director shall not approve any contract if it is inconsistent with any standards which the New Jersey State Employees' Deferred Compensation Board, established pursuant to P. L. 1978, c. 39 (C. 52:18A-163 et seq.), may adopt for the deferred compensation plans of municipalities, counties, or authorities thereof, including, but not limited to, any service cost guidelines. If at the time a municipality, county or authority submits a contract to the Director of the Division of
Local Government Services for his approval and the New Jersey State Employees' Deferred Compensation Board has not adopted standards for such deferred compensation plans, the director may approve such contract if it is consistent with the rules and regulations which he has promulgated for such contracts.

c. The employer may establish a plan or plan option which permits a participating employee to request the employer to invest all or a specified percentage of said employee's deferred salary in one, or a specified combination of, the following kinds of investments: (1) fixed or variable life insurance contracts, (2) individual or group, fixed or variable annuity contracts, (3) mutual fund shares, (4) interest bearing accounts or securities in which savings banks of this State are authorized to invest their funds, and (5) the State of New Jersey Cash Management Fund; provided that the employer retains the discretion to reject such request. Any such investments shall be limited to investments that are authorized for fiduciaries of trust estates pursuant to the "Prudent Investment Law" (P. L. 1975, c. 337, C. 3A:1.5-35 et seq.); provided, however, that with the exception of investments made by domestic insurance companies licensed to sell life insurance and annuities in this State and subject to review by the Commissioner of the Department of Insurance pursuant to chapter 20 of Title 17B of the New Jersey Statutes, the Director of the Division of Local Government Services may review and reject any such investments as inconsistent with the standard applicable to the prudent investor as provided in section 3 of P. L. 1975, c. 337 (C. 3A:15-37).

d. No organization seeking a contract pursuant to subsection b. of this section, shall through distribution of written material or by any other means, solicit employee participation in any deferred compensation plan or solicit employees to support the efforts of the organization to secure the contract. An organization holding a contract approved pursuant to subsection b. may distribute written material to solicit employee participation in a deferred compensation program, provided that the organization has received approval of the content and form of the material from the Director of the Division of Local Government Services. No representative of an organization under contract pursuant to subsection b. of this section shall initiate verbal communication with any prospective employee participant in a deferred compensation program without the express consent of the employer; provided, however, that any communication so authorized shall be consistent with the written
material approved by the Director of the Division of Local Government Services.

e. Subject to rules and regulations established by a board or any other body created or designated by the State or public official designated by the State (said board, body or official hereinafter "board"), to administer a deferred payment compensation plan established by the State (hereinafter "State plan") and subject to the approval of the board, the plan may provide for the employer for the benefit of its participants to participate in any State plan established by the board for State employees. In the event that such participation is approved by the board, rules, regulations and conditions established by the board or in the State plan shall apply to such participants, or said rules, regulations and conditions shall so apply as amended or supplemented with regard to said participants.

f. The named fiduciary shall provide in the plan for the distribution of any investment earnings, gains or losses, consistent with the requirements of the U. S. Internal Revenue Service. The distribution shall be allocated to each employee when he or she withdraws from the plan or receives benefits from the plan in accordance with the terms of the plan and the provisions of this act. For those employees participating in the State plan pursuant to subsection 3e. herein, the rules and regulations of the State board shall apply.

g. The plan shall provide for a uniform system of accounting for each participant and for the investment of deferred compensation funds with annual or more frequent reports to the participants in the plan.

h. The named fiduciary shall have authority to take any steps reasonably necessary to implement the plan consistent with this act and the requirements of the U. S. Internal Revenue Service.

4. This act shall take effect immediately.

Approved August 26, 1983.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 2C:2-8 is amended to read as follows:

Intoxication.

2C:2-8. Intoxication. a. Except as provided in subsection d. of this section, intoxication of the actor is not a defense unless it negatives an element of the offense.

b. When recklessness establishes an element of the offense, if the actor, due to self-induced intoxication, is unaware of a risk of which he would have been aware had he been sober, such unawareness is immaterial.

c. Intoxication does not, in itself, constitute mental disease within the meaning of chapter 4.

d. Intoxication which (1) is not self-induced or (2) is pathological is an affirmative defense if by reason of such intoxication the actor at the time of his conduct did not know the nature and quality of the act he was doing, or if he did know it, that he did not know what he was doing was wrong. Intoxication under this subsection must be proved by clear and convincing evidence.

e. Definitions. In this section unless a different meaning plainly is required:

(1) “Intoxication” means a disturbance of mental or physical capacities resulting from the introduction of substances into the body;

(2) “Self-induced intoxication” means intoxication caused by substances which the actor knowingly introduces into his body, the tendency of which to cause intoxication he knows or ought to know, unless he introduces them pursuant to medical advice or under such circumstances as would afford a defense to a charge of crime;

(3) “Pathological intoxication” means intoxication grossly excessive in degree, given the amount of the intoxicant, to which the actor does not know he is susceptible.

2. This act shall take effect immediately.

Approved August 26, 1983.

For the purposes of this section, the term "unsealed" shall mean a container with its original seal broken or a container such as a glass or cup.

c. For the first offense, a person convicted of violating this section shall be fined $200.00 and shall be informed by the court of the penalties for a second or subsequent violation of this section. For a second or subsequent offense, a person convicted of violating this section shall be fined $250.00 or shall be ordered by the court to perform community service for a period of 10 days in such form and on such terms as the court shall deem appropriate under the circumstances.

Register of deeds and mortgages.

40A:9-81. In every county having a population of more than 250,000 there may be a register of deeds and mortgages in and for such county. In any such county wherein the office of register of deeds and mortgages has not been established, the question of the establishment of such office may be submitted to the legal voters of the county upon the adoption of a resolution by the governing body of the county authorizing the placement of that question on the ballot. AN ACT concerning limitations imposed upon increases in municipal final appropriations and county tax levies, amending P. L. 1983, c. 49, and supplementing P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P. L. 1983, c. 49 (C. 40A:4-45.14) is amended to read as follows:

C. 40A:4-45.14 Permissible increase in appropriations.

7. Notwithstanding the provisions of section 2, 3 or 4 of P. L. 1976, c. 68 (C. 40A:4-45.2, 40A:4-45.3 and 40A:4-45.4) to the contrary, in any year for which the index rate exceeds 5%, a municipality may, by ordinance, or a county may, by ordinance or resolution, as appropriate, provide that in the local budget year to which the ordinance or resolution applies, the final appropriations of the municipality, or the tax levy of the county, shall be increased by a percentage rate greater than 5%, but not to exceed the index rate, over the previous year's final appropriations, or county tax levy, as the case may be.

The ordinance or resolution, as appropriate, shall be introduced after January 1 of the local budget year to which it applies and prior to the date provided by law for the introduction and approval of the annual budget of the municipality or county. The ordinance or resolution shall state the greater percentage rate to be adopted and the additional amount of increased final appropriations or tax
levy which that greater percentage rate represents over that which the 5% rate represents, and the individual appropriations items to which the additional amount applies, setting forth for each applicable appropriations item the amount to be appropriated: a. if the greater percentage rate is adopted; and b. if the greater percentage rate is not adopted. The ordinance or resolution may, thereafter, be adopted, after publication and a public hearing separately afforded upon 10 days’ notice duly published, by a majority vote of the authorized membership of the governing body. Any procedures provided in a form of local government for the exercise of veto powers by a mayor or county executive with respect to ordinances generally shall pertain. An ordinance or resolution so adopted shall, notwithstanding any other provision of law, take effect immediately upon adoption.

Upon adoption of the ordinance or resolution, the permissible final appropriations of the municipality, or permissible county tax levy of the county, shall be calculated for the year as provided in section 3 or 4 of P. L. 1976, c. 68 (C. 40A:4-45.3 or 40A:4-45.4), except that the percentage rate so adopted shall be used. The final appropriations or county tax levy so calculated shall be used in the immediately following year for the purposes of section 2 of P. L. 1976, c. 68 (C. 40A:4-45.2).

A copy of any ordinance or resolution introduced pursuant to this section shall be filed with the Director of the Division of Local Government Services within five days of introduction, and a copy of the ordinance or resolution adopted shall be filed with the director within five days of adoption.

In any year for which an ordinance is adopted by a municipality pursuant to this section, no referendum shall be held in that municipality pursuant to subsection i. of section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3).

No municipality adopting an ordinance pursuant to this section shall, in the year for which that ordinance is adopted, be entitled to an exception authorized pursuant to subsection m. of section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3), greater than the amount of exception to which it would otherwise have been entitled if there had been no increase in appropriation in that year over the preceding year.

No county adopting an ordinance or resolution, as appropriate, pursuant to this section shall, in the year for which that ordinance or resolution is adopted, be entitled to an exception authorized
pursuant to subsection h. of section 4 of P. L. 1976, c. 68 (C. 40A:4-45.4), greater than the amount of exception to which it would otherwise have been entitled if there had been no increase in appropriation in that year over the preceding year.

C. 40A:4-45.19 New programs.

2. (New section) a. In the first local budget year in which a county or municipality shall commence to fund a new service or program, which it is required to provide as a result of a binding referendum initiated and approved by the voters of the county or municipality, there shall be added to the final appropriations upon which the permissible municipal expenditures are calculated, or upon which the permissible county tax levy is calculated, the amount determined by the county or municipal governing body to be necessary to fund the service or program in that local budget year.

b. Notwithstanding the provisions of any other law to the contrary, whenever, on or after the effective date of this act, a binding referendum question is required to be submitted in a county or municipality as a result of a petition initiated by the voters thereof, the approval of which by the voters would require the county or municipality to provide a new service or program, the governing body of the county or municipality shall cause to be set forth in an accompanying explanatory statement to the public question to appear on the ballot the amount of appropriations determined by the governing body to be necessary to fund the service or program in the first local budget year following approval of the question, and such other relevant information as the governing body may wish to include therein. The amount so set forth shall be the amount added to the county or municipal final appropriations pursuant to subsection a. of this section in the first local budget year in which the county or municipality shall commence to fund the service or program approved by the voters.

c. For the purposes of subsections a. and b. of this section, in determining the amount of appropriations necessary to fund the provision of a new service or program, the county or municipal governing body shall deduct an amount equal to the amount of any revenues anticipated to be derived from service fees to be imposed for the service or program in the first local budget year in which the county or municipality shall commence to fund the service or program. If in any local budget year thereafter, the county or municipality shall impose new service fees or increased service fees for the service or program, the amount of final appropriations upon which the permissible municipal expenditures are calculated,
or upon which the permissible county tax levy is calculated, shall be reduced in the first full local budget year to which the new or increased service fees pertain, by the amount to be derived in that year from the new service fees or the increase in service fees.

3. This act shall take effect immediately, and apply to the 1983 local budget year and thereafter.

Approved August 26, 1983.

C. 40A:5A-5 Approval.

5. The Local Finance Board shall, within 60 days of its receipt of an application pursuant to section 4 of this act, approve in writing the creation of the proposed authority, if it shall determine that the creation of the proposed authority is an efficient and feasible means of providing and financing this project or projects, given the needs of, and the financial burdens to be placed upon, the inhabitants of the local unit or units.
If the application is not disapproved within 60 days of its submission to the Local Finance Board, it shall be deemed to be approved, and the local unit or units may proceed to adopt the proposed ordinance or resolution. If the Local Finance Board shall not approve the creation of the authority, it shall specify in writing the reason or reasons therefor, and shall file its statement with the clerk or clerks of the local unit or units. A local unit shall not adopt any ordinance or resolution which is disapproved by the Local Finance Board within the 60 days, but may resubmit the application to the board with such changes as the local unit deems appropriate, and the review and approval of the resubmitted application shall be subject to the limitations set forth above.

6. Prior to the adoption of a security agreement by an authority, or an ordinance or resolution of a local unit or units authorizing a financing agreement, the proposed project financing shall be submitted to the Local Finance Board for its review. The Local Finance Board shall, in the course of its review, give consideration to:
   a. The nature, purpose, and scope of the proposed project financing;
   b. The engineering and feasibility studies prepared in connection therewith;
   c. The terms and provisions of the proposed financing agreements, security agreements and, in the instance of a negotiated offering, the proposed or maximum terms and conditions of sale;
   d. The proposed or maximum schedule of debt service payments required, and the impact thereof on the budget and financial condition of the authority and of the local unit;
   e. The estimate of the annual cost of operating and maintaining the project as set forth in the engineering report or feasibility studies; and
   f. The initial rate, rent, fee, or charge schedule proposed by the authority, or any other proposed method of raising the amounts required to finance the operations and payments of debt service on the obligations of the authority.

The Local Finance Board may examine the estimates, computations or calculations made in connection with the submission, may require the production of papers, documents, witnesses or information, may make or cause to be made an audit or investigation and may take any other action which it may deem necessary to its review of the submission.
C. 40A:5A-7 Hearing; findings.

7. The Local Finance Board shall, within 31 days of its receipt of the proposed project financing, hold a hearing at which any interested party may furnish additional information regarding the proposal. Within 10 days after the hearing, the board shall issue its findings on the proposed financing including therein its findings as to whether: (a) the project cost has been determined by reasonable and accepted methods; (b) the method proposed for the funding or the project cost, proposed or maximum terms and provisions of the financing and of a proposed financing agreement are not unreasonable nor impracticable, and would not impose an undue and unnecessary financial burden on the inhabitants of the local unit or units, which have created or have joined in the creation of the authority or which may enter into a financing agreement with the authority, or would not materially impair the ability of the local unit or units or the authority to pay promptly the principal of and interest on the outstanding indebtedness thereof or to provide essential public services to the inhabitants thereof; and (c) in the case of a negotiated offering, the proposed or maximum terms and conditions of sale are, in light of current market conditions for obligations of similar quality, reasonable. The findings shall be in writing and shall be filed with the clerk or clerks of the local unit or units and with the secretary of the authority.

The times set forth in this section may be extended by mutual agreement of the authority and the Local Finance Board.

The governing body of the authority shall, within 15 days of receipt of the Local Finance Board’s findings and recommendations on the proposed project financing, certify by resolution to the Local Finance Board that each member thereof has personally reviewed the findings and recommendations and has evidenced same by group affidavit in the form prescribed by the Local Finance Board. Failure to comply with this paragraph may subject the members of the authority to the penalty provisions of section 52 of P. L. 1947, c. 151 (C. 52:27BB–52).

C. 40A:5A-8 Recommendations.

8. The Local Board may recommend in its findings with respect to a proposed project financing:

a. That the debt service reserve fund in an amount established by the board be funded from the proceeds of the sale of the authority’s bonds;
b. The incurrence of indebtedness and the issuance of obligations by the local unit or units to finance a portion of the proposed project cost. Except as otherwise provided in this act, these obligations shall be authorized and issued in the manner provided for in Title 40 of the Revised Statutes or Title 40A of the New Jersey Statutes;

c. That the local unit or units execute a financing agreement with the authority;

d. That the local unit or units not execute a financing agreement with the authority, if the Local Finance Board determines that the agreement would impose an inappropriate risk on the local unit;

e. That an amount not to exceed the outstanding principal each year for the proposed financing of the authority be included in the net debt of a local unit, under N. J. S. 40A:2-1 et seq., if the local unit executes a financing agreement with the authority;

f. In addition to the above, any other conditions that the Local Finance Board considers appropriate to provide sound financial support for the project financing.

C. 40A:5A-9 **Power to incur indebtedness, issue obligations.**

9. To the extent not otherwise provided for in Title 40 of the Revised Statutes or Title 40A of the New Jersey Statutes and in order to satisfy the provisions of section 8 of this act, any local unit or units having created or joined an authority, or which may hereafter join, create or join in the creation of an authority or which are now or hereafter under contract with an authority in connection with a project financing, are authorized and shall have the power to incur indebtedness and issue obligations for any purpose for which an authority may issue obligations and to donate the proceeds of those obligations to an authority to be expended for the purpose for which the funds were borrowed. Except as otherwise provided in this act, all obligations shall be authorized and issued in the manner provided for in Title 40 or Title 40A.

C. 40A:5A-10 **Submission of budget.**

10. a. Each authority shall submit a budget for each fiscal year to the director prior to its adoption thereof. The budget shall comply with the terms and provisions of any security agreements, and shall be in such form and detail as to items of revenue, expenditure and other content as shall be required by law or by rules and regulations of the Local Finance Board.

b. The Local Finance Board shall prescribe by rule or regulation the procedure for the adoption of budgets by authorities. The rules and regulations may include or be similar to any provisions of the
“Local Budget Law” (N. J. S. 40A:4-1 et seq.) which the Local Finance Board shall deem to be practicable or necessary, and may further include any other provisions and requirements which the Local Finance Board shall deem appropriate or necessary. The rules and regulations shall provide for approval or disapproval of a budget within 45 days of the director’s receipt thereof.

e. The Local Finance Board shall also prescribe by rule or regulation the procedures and requirements for execution of any budget after adoption, and for the administration of financial affairs of authorities. The rules and regulations may include, without limitation, any provisions of the “Local Budget Law” (N. J. S. 40A:4-1 et seq.), and the “Local Fiscal Affairs Law” (N. J. S. 40A:5-1 et seq.), which the Local Finance Board shall deem to be practicable and necessary.

C. 40A:5A-11 Budget approval.

11. No authority budget shall be finally adopted until the director shall have approved same. In granting the approval, the director shall consider whether or not:

a. All estimates of revenue are reasonable, accurate and correctly stated;

b. Items of appropriation are properly set forth;

c. In itemization, form and content, the budget will permit the exercise of the comptroller function within the authority;

d. The schedule of rates, fees and charges then in effect will produce sufficient revenues, together with all other anticipated revenues, to satisfy all obligations to the holders of bonds of the authority, to meet operating expenses, capital outlays, debt service requirements, and to provide for such reserves, all as may be required by law, regulation or terms of contracts and agreements.

The director may require such documentation, records and other information, and undertake any audit or investigation, as he may deem necessary in connection with his review.

If the director finds that all requirements of law and the rules and regulations of the Local Finance Board have been met, he shall, within 45 days of his receipt of the budget, approve it; otherwise he shall within that time refuse to approve it. The director, in refusing to approve the budget, shall not substitute his discretion with respect to the amount of an appropriation when that amount is not made mandatory by law or regulation.
Any decision of the director in the course of budget review under this section may be appealed to the Local Finance Board in the manner generally provided by law.

C. 40A:5A-12 Funding of deficit.

12. The Local Finance Board shall have the power, in the case of a financing agreement between an authority and a local unit or units, to enforce, by appropriate order, the terms and provisions thereof with respect to the funding of a deficit, whether in existence or anticipated. If the Local Finance Board has reason to believe that an authority is faced with financial difficulty, it shall have the power to order an increase in rents, rates, fees or other charges of the authority, and this order shall be valid and enforceable, notwithstanding any provisions to the contrary in R. S. 48:2-1 et seq. The Local Finance Board, before issuing this order, shall first hold a hearing consistent with section 18 of this act. The Local Finance Board also shall have authority to provide that a requirement that a local unit or units pay a deficit under a financing agreement be funded through the issuance of authority deficit funding notes as provided in this act. Any order so issued shall be deemed conclusive and final, and upon receipt of this order all persons shall be estopped from contesting the order or the provisions thereof. Any authority or local unit or units affected by the order shall promptly take the action necessary to comply with this order.

C. 40A:5A-13 Temporary funding notes.

13. To the extent not otherwise provided for by law, an authority is authorized and shall have the power to issue obligations to be designated "Authority Temporary Funding Notes" in an amount not exceeding the realized deficit in revenues for the preceding fiscal year and an estimated deficit in revenues for the current fiscal year. The notes may be renewed from time to time. All notes and any renewals thereof shall mature not later than the close of the succeeding fiscal year and shall be payable in that fiscal year. Payment shall, however, be subordinate to the payment of principal and interest on, or sinking fund payments with respect to, bonds or other obligations (other than "Authority Temporary Funding Notes") of the authority.

The proceeds of the sale of "Authority Temporary Funding Notes" shall be deposited in the fund or funds in which a deficiency exists, or is expected to exist, as set forth in the resolution under which the notes are issued.
An authority shall notify the Local Finance Board in writing of its intention to issue "Authority Temporary Funding Notes" pursuant to this section, including therein a statement of the deficits which the proceeds of the notes are intended to fund, and a statement of the manner in which the authority plans to either retire or refinance the notes on or before the close of the succeeding fiscal year. The notification shall be made at least 30 days prior to issuance, or within such lesser time period as the Local Finance Board shall permit.

C. 40A:5A-14 Deficit funding notes.

14. If the issuance of "Authority Temporary Funding Notes" is not permitted by the terms of a security agreement, then the local unit or units, if obligated to make payments on account of a deficiency in revenues under the terms of a financing agreement, may issue emergency notes pursuant to the provisions of sections 40A:4-46 through 40A:4-50 of the New Jersey Statutes to fund this payment or portions thereof. These obligations shall be designated "Authority Deficit Funding Notes" and shall be general obligations of the issuer. Each note shall be authorized by resolution of the governing body and may be renewed from time to time. All notes and the renewals thereof shall mature not later than the last day of the fiscal year next succeeding the fiscal year in which these notes were issued and the emergency appropriation authorized.

A local unit shall notify the Local Finance Board in writing of its intention to issue "Authority Deficit Funding Notes" pursuant to this section at least 30 days prior to the issuance, or within such lesser time period as the Local Finance Board shall permit, including therein a statement of the deficit which the proceeds of the notes are intended to fund, and a statement of the manner in which the local unit plans to either retire or refinance the notes on or before the close of the succeeding fiscal year.

C. 40A:5A-15 Annual audit.

15. Notwithstanding the provisions of N. J. S. 40A:5-1 et seq., each authority shall cause an annual audit of its accounts to be made, and for this purpose it shall contract with the Division of Local Government Services or employ a registered municipal accountant of New Jersey or a certified public accountant of New Jersey. The audit shall be completed and filed with the authority within four months after the close of the fiscal year of the authority. A certified duplicate copy thereof shall be filed with the governing
body of each local unit having created the authority and with the
director within five days after the original report is filed with the
authority. The Local Finance Board shall by rule or regulation
prescribe the accounting principles and policies, auditing proce­
dures, and financial reporting practices applicable to authorities
and authority audits conducted pursuant to this section. The rules
and regulations may include or be similar to any provisions of the
"Local Fiscal Affairs Law" (N. J. S. 40A:5–1 et seq.), which the
Local Finance Board shall deem to be practicable or necessary.

C. 40A:5A-16 Publication of synopsis.

16. A synopsis of the annual audit shall be prepared by the
chairman of the authority and published at least once in a news­
paper circulating in the district of the authority. A copy of the
synopsis shall be filed with the director within 10 days after
publication.

C. 40A:5A-17 Certification of review of audit.

17. The governing body of each authority shall, within 45 days
of receipt of the annual audit, certify by resolution to the Local
Finance Board that each member thereof has personally reviewed
the annual audit report, and specifically the sections of the audit
report entitled General Comments and Recommendations, and has
evidenced same by group affidavit in the form prescribed by the
Local Finance Board. Failure to comply with this provision may
subject the members of the authority to the penalty provisions of

C. 40A:5A-18 Hearing for authority in financial difficulty.

18. If at any time, as a result of exercising his responsibilities
under this act, the director has reason to believe that an authority
is faced with financial difficulty, the director shall summon appro­
priate officials of the authority and the local unit or units or either
of the aforesaid to a hearing before the Local Finance Board.
The Local Finance Board may require the production of papers,
documents, witnesses or information and may make or cause to be
made an audit or investigation of the circumstances with respect
to which the hearing was called.

C. 40A:5A-19 Ordering of financial plan.

19. If the Local Finance Board determines that financial difficul­
ties exist which (1) jeopardize the payment of operating expenses
and debt service on obligations of the authority or either of the
aforesaid; or place an undue financial burden on the inhabitants
of the local unit or units or the users of the system or facilities of
an authority; and (2) that these difficulties are likely to recur and, if they continue, will impair the credit of the authority and local unit or units or either of the aforesaid to the detriment of the inhabitants thereof; and (3) no financial plan designed to prevent a recurrence of these conditions and which is deemed to be practicable and feasible by the director has been undertaken by the authority or the local unit or units, the Local Finance Board shall order the implementation of a financial plan which will assure the payment of debt service on obligations of the authority, or provide relief from undue financial burden. The order shall be deemed conclusive and final and upon receipt of the order all persons shall be estopped from contesting the order or the provisions thereof and the authority or local unit or units affected thereby shall take the action to comply with the order.

C. 40A:5A-20 Dissolution of authority.

20. Notwithstanding the provisions of any other law to the contrary, the governing body of a local unit which has established an authority shall have the power and is authorized by ordinance in the case of a municipality, and ordinance or resolution, as appropriate, in the case of a county, to dissolve the authority, except that the ordinance or resolution, as the case may be, shall be approved by the Local Finance Board prior to adoption. Any authority established by more than one municipality or county may be dissolved by the adoption of parallel ordinances or resolutions, as appropriate. The Local Finance Board shall approve the dissolution if it finds that the ordinance or resolution makes adequate provision in accordance with a security agreement or otherwise for the payment of all creditors or obligees of the authority and that adequate provision is made for the assumption of those services provided by the authority which are necessary for the health, safety and welfare of the recipients of those services. The ordinance or resolution shall be introduced and adopted in the manner provided by law, shall take effect immediately after final adoption, and shall not be subject to referendum. A copy of the ordinance or resolution as adopted shall be filed immediately with the Local Finance Board and with the Secretary of State. In the event that an authority has obligations outstanding at the time of the taking effect of the ordinance or resolution to dissolve the authority, the local unit or units dissolving the authority are authorized to issue obligations in furtherance of the dissolution, and the obligations shall have a period of usefulness not exceeding 40 years from the date of issuance. The bonds shall be authorized by a bond ordinance.
to be introduced and adopted in accordance with the provisions of the "Local Bond Law" (N. J. S. 40A:2-1 et seq.), except for the provisions of sections 40A:2-11, 40A:2-26, 40A:2-27 and 40A:2-31 of the New Jersey Statutes, and except that the bond ordinance shall take effect immediately after final adoption and shall not be subject to referendum. The bonds may be deducted from the gross debt of the local unit by action of the Local Finance Board in accordance with subsection d. of N. J. S. 40A:2-7. Bonds issued for this purpose shall be sold under the direction and supervision of the Local Finance Board, and may be sold at either public or private sale as the board shall prescribe.

Nothing contained in this section or in this act shall limit the powers accorded under any other law to any county or municipality to dissolve any authority which it has created or of which it has joined in the creation, nor limit any general reorganization powers accorded under law to any county or municipality to alter or abolish its agencies, but the provisions of this section and this act shall be supplementary to the powers accorded under any other law.

C. 40A:5A-21 Ordering of dissolution.

21. The Local Finance Board may order the dissolution of a local authority if, after holding a hearing consistent with section 18 of this act, it determines that, due to financial difficulties or mismanagement, the dissolution of an authority will be in the public interest and will serve the health, welfare, or convenience of the inhabitants of the local unit or units, and the dissolution will achieve a more efficient means for providing and financing local public facilities, except that an order dissolving an authority shall assure adequate provision in accordance with a security agreement or otherwise for all creditors or obligees of the authority. Any order so adopted by the Local Finance Board to provide for the dissolution of an authority shall take effect only upon its approval by the Commissioner of the Department of Community Affairs, the State Treasurer and the Attorney General. Upon approval, the order shall be immediately transmitted to the authority, to the clerk of the governing body of the local unit or units, and to the Secretary of State.

C. 40A:5A-22 Public records.

22. Records of minutes, accounts, bills, vouchers, contracts or other papers connected with or used or filed with any authority or with any officer or employee acting for or in its behalf are declared to be public records, and shall be open to public inspection in ac-
coherence with P. L. 1963, c. 73 (C. 47:1A–1 et seq.) and regulations of the authority.

C. 40A:5A-23 Examination by State Auditor.
23. Notwithstanding the provisions of any law to the contrary, the State Auditor or his legally authorized representative may examine the accounts and books of any authority subject to the provisions of this act.

C. 40A:5A-24 Temporary obligations.
24. Notwithstanding any other law to the contrary, any authority, in anticipation of the issuance of bonds, may borrow money and issue temporary obligations if the security agreement so provides. A temporary obligation shall be designated "bond anticipation note" or "project note" and shall contain a recital that it is issued in anticipation of the issuance of bonds. The notes may be issued for a period of not exceeding five years, or the period of construction as certified by the consulting engineer plus 12 months, whichever shall be less, and may be renewed from time to time with the approval of the Local Finance Board.

25. If the Local Finance Board has reason to believe that a municipal public utility is faced with financial difficulty, it shall have the power to order an increase in rents, rates, fees or other charges of the utility, and this order shall be valid and enforceable notwithstanding any provisions of the contrary in R. S. 48:2–1 et seq., but the Local Finance Board, before issuing this order, shall first hold a hearing to which the Director of the Division of Local Government Services shall summon appropriate officials of the municipality. The Local Finance Board may require the production of papers, documents, witnesses or information and may make or cause to be made an audit or investigation of the circumstances with respect to which the hearing was called.

The Local Finance Board may except municipal and county funding for a deficit of a municipal public utility or authority from the expenditure limitations of P. L. 1976, c. 68 (C. 40A:4–45.1 et seq.).

C. 40A:5A-26 Rules, regulations.
26. a. The Local Finance Board is authorized to adopt, amend and repeal rules and regulations to effectuate the purposes of this act.
b. This act shall not limit the powers of the Local Finance Board or the director to regulate the financial affairs of authorities in the manner authorized by P. L. 1947, c. 151 (C. 52:27BB-1 et seq.).

C. 40A:5A-27 Actions to be consistent with security, financing agreement.

27. The Local Finance Board, the director, and local units and local authorities shall not act under this act in a manner inconsistent with a security or financing agreement in effect at the time of the action.

28. This act shall take effect 90 days following enactment, except that sections 10, 11, 15, 16, and 17 shall apply to the first fiscal year of an authority which commences 180 days following the promulgation by the Local Finance Board of rules and regulations to govern the adoption and approval of authority budgets and the conduct of annual audits by authorities pursuant to those sections.

Approved August 26, 1983.

CHAPTER 314

An Act to amend “An act to create a commission to study sex discrimination in the statutes, prescribing its membership, powers and duties and making an appropriation therefor,” approved July 6, 1978 (P. L. 1978, c. 68).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 11 of P. L. 1978, c. 68 is amended to read as follows:

11. This act shall take effect immediately and shall expire on January 14, 1986.

2. This act shall take effect immediately.

Approved August 26, 1983.
CHAPTER 315

AN ACT concerning certain hazardous substances in the workplace and the community, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 34:5A-1 Short title.
1. This act shall be known and may be cited as the "Worker and Community Right to Know Act."

C. 34:5A-2 Findings, declarations.
2. The Legislature finds and declares that the proliferation of hazardous substances in the environment poses a growing threat to the public health, safety, and welfare; that the constantly increasing number and variety of hazardous substances, and the many routes of exposure to them make it difficult and expensive to adequately monitor and detect any adverse health effects attributable thereto; that individuals themselves are often able to detect and thus minimize effects of exposure to hazardous substances if they are aware of the identity of the substances and the early symptoms of unsafe exposure; and that individuals have an inherent right to know the full range of the risks they face so that they can make reasoned decisions and take informed action concerning their employment and their living conditions.

The Legislature further declares that local health, fire, police, safety and other government officials require detailed information about the identity, characteristics, and quantities of hazardous substances used and stored in communities within their jurisdictions, in order to adequately plan for, and respond to, emergencies, and enforce compliance with applicable laws and regulations concerning these substances.

The Legislature further declares that the extent of the toxic contamination of the air, water, and land in this State has caused a high degree of concern among its residents; and that much of this concern is needlessly aggravated by the unfamiliarity of these substances to residents.

The Legislature therefore determines that it is in the public interest to establish a comprehensive program for the disclosure of information about hazardous substances in the workplace and
the community, and to provide a procedure whereby residents of
this State may gain access to this information.

pursuant to section 5 of this act for which an employer may not make a trade secret claim.

u. "Trade secret" means any formula, plan, pattern, process, production data, information, or compilation of information, which is not patented, which is known only to an employer and certain other individuals, and which is used in the fabrication and production of an article of trade or service, and which gives the employer possessing it a competitive advantage over businesses who do not possess it, or the secrecy of which is certified by an appropriate official of the federal government as necessary for national defense purposes. The chemical name and Chemical Abstracts Service number of a substance shall be considered a trade secret only if the employer can establish that the substance is unknown to competitors. In determining whether a trade secret is valid pursuant to section 15 of this act, the Department of Health, or the Department of Environmental Protection, as the case may be, shall consider material provided by the employer concerning (1) the extent to which the information for which the trade secret claim is made is known outside the employer's business; (2) the extent to which the information is known by employees and others involved in the employer's business; (3) the extent of measures taken by the employer to guard the secrecy of the information; (4) the value of the information, to the employer or the employer's competitor; (5) the amount of effort or money expended by the employer in developing the information; and (6) the ease or difficulty with which the information could be disclosed by analytical techniques, laboratory procedures, or other means.

v. "Trade secret registry number" means a code number temporarily or permanently assigned to the identity of a substance in a container by the Department of Health pursuant to section 15 of this act.

C. 34:5A-4 Environmental hazardous substance list; survey.

4. a. The Department of Environmental Protection shall develop an environmental hazardous substance list which shall include, but not be limited to, substances used, manufactured, stored, packaged, repackaged, or disposed of or released into the environment of the State which, in the department's determination, may be linked to the incidence of cancer; genetic mutations; physiological malfunctions, including malfunctions in reproduction; and other diseases; or which, by virtue of their physical properties, may pose a threat to the public health and safety. The department shall base the environmental hazardous substance list on the list of substances developed and used by the department for the purposes of the Industrial Survey Project, established pursuant to P. L. 1970, c. 33 (C. 13:1D-1 et seq.) and P. L. 1977, c. 74 (C. 58:10A-1 et seq.), and may include other substances which the department, based on documented scientific evidence, determines pose a threat to the public health and safety.

b. The department shall develop an environmental survey, which shall be designed to enable employers to report information about environmental hazardous substances at their facilities.

c. The department shall prepare and, upon request, make available to employers, county health departments, or the public a Spanish translation of the environmental survey. The department shall also prepare and make available a Spanish translation of any written material prepared by the department to inform the public of the information available pursuant to the provisions of this act.

d. Three months prior to the effective date of this act the department shall adopt, pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), the environmental hazardous substance list.

C. 34:5A-5 Workplace hazardous substance list.

5. a. The Department of Health shall develop a workplace hazardous substance list which shall include:

   (1) Any substance or substance contained in a mixture regulated by the federal Occupational Safety and Health Administration under Title 29 of the Code of Federal Regulations, Part 1910, subpart z;

   (2) Any environmental hazardous substance; and

   (3) Any other substance which the department, based on documented scientific evidence, determines poses a threat to the health or safety of an employee.
b. The department shall develop a special health hazard substance list comprising hazardous substances which, because of their known carcinogenicity, mutagenicity, teratogenicity, flammability, explosiveness, corrosivity, or reactivity pose a special hazard to health and safety, and for which an employer shall not be permitted to make a trade secret claim.

c. The department shall develop a workplace survey designed to facilitate the reporting by employers of those hazardous substances present at their facilities. The workplace survey shall include a copy of the special health hazard substance list.

d. The department shall develop a hazardous substance fact sheet for each hazardous substance on the workplace hazardous substance list.

e. The department shall prepare and, upon request, make available to employers, county health departments, and the public a Spanish translation of the workplace survey and each hazardous substance fact sheet. C. 34:5A-6 Workplace, environmental surveys.

6. a. Within five days of the effective date of this act, the Department of Health shall transmit copies of the workplace survey to the Department of Labor. Upon receipt of the workplace survey, the Department of Labor shall transmit the workplace survey to each employer in the State.

b. Within five days of the effective date of this act, the Department of Environmental Protection shall transmit an environmental survey to each employer whose business activities, according to criteria developed by the department, warrant the reporting of the information required on the environmental survey. The department may transmit an environmental survey to every employer.

C. 34:5A-7 Employers to complete surveys.

7. a. Except as otherwise provided in section 15 of this act, within 90 days of receipt of a workplace survey, an employer shall complete the survey and transmit a copy of the completed survey to the Department of Health, the health department of the county in which the employer's facility is located, the local fire depart-
ment, and the local police department. If an employer has reason to believe that a mixture present at his facility contains a hazardous substance as a component, but is unable to obtain from the manufacturer or supplier of the mixture the chemical names and Chemical Abstracts Service numbers of the components of the mixture, he shall list the mixture by its common name in the space provided on the survey. The department shall have the responsibility to obtain the chemical names and Chemical Abstracts Service numbers of the components of the mixture so listed, and, upon obtaining this information, shall transmit it to the employer along with any appropriate hazardous substance fact sheet or sheets and directions to the employer on how to communicate this information to his employees.

b. Except as otherwise provided in section 15 of this act, within 90 days of receipt of an environmental survey, an employer shall complete the survey and transmit a copy of the completed survey to the Department of Environmental Protection and the health department of the county in which the employer's facility is located, and pertinent sections of the survey to the local fire department and the local police department.

b. Any employer having a Standard Industrial Classification within certain subgroups of Major Group number 20, 51, or 80, as designated by the Department of Health pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), whose workplace survey transmitted to the Department of Health pursuant to section 7 of this act indicates that no hazardous substances are present at the facility, shall be exempt from the provisions of this act, except for the requirement to annually update the workplace survey pursuant to section 10 of this act, and except for the provisions of section 33 of this act. Any employer exempted from the provisions of this act pursuant to this subsection who transmits to the Department of Health an update of the workplace survey which indicates that a hazardous substance is present at
the employer’s facility shall immediately be subject to the provisions of this act.

C. 34:5A-9 Retention of environmental surveys.

9. a. The Department of Environmental Protection shall maintain a file of all completed environmental surveys received from employers. Each environmental survey received by the department shall be retained by the department for 30 years.

b. The department may require an employer to submit information clarifying any statement made on the environmental survey. The department, subject to the provisions of section 15 of this act if applicable, shall transmit this clarifying information to the appropriate county health department, local fire department, and local police department as it deems necessary.

c. The department shall require every employer to update the environmental survey for his facility every other year. If there is any significant change during a nonreporting year in the information reported on his environmental survey, the employer shall inform the department of the change. b. The department shall require every employer to annually update the workplace survey for his facility, and shall supply each employer with any necessary additional hazardous substance fact sheets.

c. Upon request by the department, an employer shall provide the department with copies of employee health and exposure records, including those maintained for, and supplied to, the federal government.

d. Any person may request in writing from the department a copy of a workplace survey for a facility, together with the appropriate hazardous substance fact sheets, and the department shall transmit any material so requested within 30 days of the request.
therefor. Any request by an employee for material pertaining to the facility where he is employed made pursuant to this subsection shall be treated by the department as confidential.

C. 34:5A-11   Spanish translation.

11. a. An employer shall, upon request, provide an employee whose native language is Spanish with a Spanish translation of a workplace survey, hazardous substance fact sheet, and, if applicable, an environmental survey obtained from the Department of Health or the Department of Environmental Protection, as the case may be. An employer shall, upon request, provide employees whose native language is Spanish with the education and training program required pursuant to section 13 of this act in Spanish.

b. A county health department shall, upon request, provide copies of the environmental survey and the workplace survey in a Spanish translation provided by the Department of Health and Department of Environmental Protection.

C. 34:5A-12   Employer files.

12. Every employer shall establish and maintain a central file at his facility in which he shall retain a workplace survey for the facility, appropriate hazardous substance fact sheets, and, if applicable, a copy of the environmental survey for the facility. Every employer shall post on bulletin boards readily accessible to employees a notice of the availability of the information in the file. Every employer employing employees whose native language is Spanish shall also post the notice in Spanish. Every employer shall supply employees with any material designed and provided by the Department of Health, the Department of Environmental Protection, or the Department of Labor to inform employees of their rights under this act. An employer shall provide an employee with access to a workplace survey, appropriate hazardous substance fact sheets, and, if applicable, an environmental survey, within five working days of a request therefor.

C. 34:5A-13   Employee education, training program.

13. a. Every employer shall establish an education and training program for his employees, which shall be designed to inform employees in writing and orally of the nature of the hazardous substances to which they are exposed in the course of their employment and the potential health risks which the hazardous substances pose, and to train them in the proper and safe procedures for handling the hazardous substances under all circumstances. An employer shall provide current employees with the education and
training program within six months of the effective date of this act, and annually thereafter. Beginning six months after the effective date of this act, all new employees shall be provided with the training and education program within the first month of employment. Prior to entering an employment agreement with a prospective employee, an employer shall notify the prospective employee of the availability of workplace surveys and appropriate hazardous substance fact sheets for the facility at which the prospective employee will be employed.

b. Any employer who has established an employee education and training program for hazardous substances prior to the effective date of this act may request the Department of Health to certify that education and training program, which certification shall constitute compliance with subsection a. of this section.

c. Every employer shall establish an education and training program for his employees who work in a research and development laboratory, which shall be designed to inform employees in writing and orally of the nature of the hazardous substances to which they are exposed in the course of their employment and the potential health risks which the hazardous substances pose, and to train them in the proper and safe procedure for handling the hazardous substances under all circumstances. An employer shall provide current employees with the education and training program within six months of the effective date of this act, and annually thereafter. Beginning six months after the effective date of this act, all new employees shall be provided with the training and education program within the first month of employment.

C. 34:5A-14 Labeling of containers.

14. a. Within six months of the effective date of this act, every employer shall take any action necessary to assure that every container at his facility containing a hazardous substance shall bear a label indicating the chemical name and Chemical Abstracts Service number of the hazardous substance or the trade secret registry number assigned to the hazardous substance. Employers may label containers in a research and development laboratory by means of a code or number system, if the code or number system will enable an employee to readily make a cross-reference to a hazardous substance fact sheet which will provide the employee with the chemical name and Chemical Abstracts Service number of the hazardous substance contained in the container, or the trade secret registry number assigned to the hazardous substance. The code or number system shall be designed to allow the employee free
and ready access at all times to the chemical name and Chemical Abstracts Service number of the hazardous substance in the container, shall be designed to allow the employee access to this information without the permission or assistance of management, and shall be available to the employee at close proximity to his specific job location or locations. Employers shall be required to label pipelines only at the valve or valves located at the point at which a hazardous substance enters a facility's pipeline system, and at normally operated valves, outlets, vents, drains and sample connections designed to allow the release of a hazardous substance from the pipeline.

b. Within two years of the effective date of this act, every employer shall take any action necessary to assure that every container at his facility bears a label indicating the chemical name and Chemical Abstracts Service number of the substance in the container, except as provided in subsection d. of this section, or the trade secret registry number assigned to the substance. Employers may label containers in a research and development laboratory by means of a code or number system, if the code or number system will enable an employee to readily make a cross-reference to documentary material retained on file by the employer at the facility which will provide the employee with the chemical name and Chemical Abstracts Service number of the substance contained in the container, except as provided in subsection d. of this section, or the trade secret registry number assigned to the substance. The code or number system shall be designed to allow the employee free and ready access at all times to the chemical name and Chemical Abstracts Service number of the substance in the container, shall be designed to allow the employee access to this information without the permission or assistance of management, and shall be available to the employee at close proximity to his specific job location or locations. If a container contains a mixture, an employer shall be required to insure that the label identify the chemical names and Chemical Abstracts Service numbers, except as provided in subsection d. of this section, or the trade secret registry numbers, of the five most predominant substances contained in the mixture. The provisions of this subsection shall not apply to any substance constituting less than 1% of a mixture unless the substance is present at the facility in an aggregate amount of 500 pounds or more. Employers shall be required to label pipelines only at the valve or valves located at the point at which a substance enters a facility's pipeline system, and at normally operated valves,
outlets, vents, drains and sample connections designed to allow the release of a substance from the pipeline. One year after the effective date of this act the Department of Health shall establish criteria for containers which, because of the finished and durable characteristics of their contents, shall be exempt from the provisions of this subsection. These standards shall be consistent with the intent of this subsection to provide for the labeling of every container which may contain a substance which is potentially hazardous.

c. The labeling requirements of subsections a. and b. of this section shall not apply to containers labeled pursuant to the “Federal Insecticide, Fungicide, and Rodenticide Act,” 61 Stat. 163 (7 U.S.C. § 121 et al.). The Department of Health may, by rule and regulation, certify containers labeled pursuant to any other federal act as labeled in compliance with the provisions of this section.

d. One year after the effective date of this act the Department of Health shall adopt, pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.), a list of substances the containers of which may be labeled with the common name and Chemical Abstracts Service number of their contents. The department shall include on the list adopted pursuant to this subsection only substances which are widely recognized by their common names. An employer shall provide the chemical name of a substance in a container labeled pursuant to this subsection within five working days of the request therefor.

C. 34:5A-15 Trade secret claim.

15. a. If an employer believes that disclosing information required by this act will reveal a trade secret, he may file with the appropriate department a trade secret claim as herein provided. As used in this section, “department” means either the Department of Health or Department of Environmental Protection, as the case may be.

b. If an employer claims that disclosing information on either the workplace survey or the environmental survey would reveal a trade secret, he shall file with the appropriate department a trade secret claim within 90 days of receipt of the survey. An employer making a trade secret claim shall submit two copies of the survey to the department, one with the information for which a trade secret claim is being made concealed, and one in an envelope marked “Confidential” containing the information for which a trade secret claim is being made, which the department, during the pendency of the trade secret claim, shall keep in a locked file or room. On the copies of the survey sent to the county health department, local
fire department, and local police department, and retained on file at the facility, the employer shall conceal the information for which he is making a trade secret claim.

c. If an employer claims that labeling a container pursuant to the provisions of section 14 of his act would reveal a trade secret, he shall file a trade secret claim with the Department of Health. Upon receipt of the trade secret claim, the department shall assign a trade secret registry number to the claim, and transmit the trade secret registry number to the employer. Upon receipt of the trade secret registry number, the employer shall affix the trade secret registry number to each container containing a substance for which the trade secret claim was made.

d. The department shall act to make a determination on the validity of a trade secret claim when a request is made pursuant to the provisions of this act for the disclosure of the information for which the trade secret claim was made, or at any time that the department deems appropriate. Upon making a determination on the validity of a trade secret claim, the department shall inform the employer of the determination by certified mail. If the department determines that the employer’s trade secret claim is not valid, the employer shall have 45 days from the receipt of the department’s determination to file with the department a written request for an administrative hearing on the determination. If the employer does not file such a request within 45 days, the department shall take action to provide that the information for which the trade secret claim was made be disclosed pursuant to the provisions of this act. If an employer requests an administrative hearing pursuant to the provisions of this subsection, the department shall refer the matter to the Office of Administrative Law, for a hearing thereon. At the hearing the employer shall have the burden to show that the trade secret claim is valid. Within 45 days of receipt of the administrative law judge’s recommendation, the department shall act to make a determination on the administrative law judge’s recommendation by certified mail. If the department determines that the trade secret claim is not valid, the employer shall have 45 days to notify the department in writing that he has filed to appeal the department’s decision in the courts. If the employer
does not so notify the department, the department shall take action to provide that the information for which the trade secret claim was made be disclosed pursuant to the provisions of this act.

e. The department shall provide any information for which a trade secret claim is pending or has been approved pursuant to this section to a physician or osteopath when such information is needed for medical diagnosis or treatment. The department shall require the physician or osteopath to sign an agreement protecting the confidentiality of information disclosed pursuant to this subsection.

f. Any workplace survey or environmental survey containing information for which a trade secret claim is pending or has been approved shall be made available to the public with that information concealed.

g. The subject of any trade secret claim pending or approved shall be treated as confidential information. Except as provided in subsection e. of this section, the department shall not disclose any confidential information to any person except an officer or employee of the State in connection with the official duties of the officer or employee under any law for the protection of public health, or to the contractors of the State and their employees if in the opinion of the department the disclosure is necessary for the completion of any work contracted for in connection with the implementation of this act. Any officer or employee of the State, contractor of the State, physician or osteopath, or employee of a county health department, local fire department, or local police department who has access to any confidential information, and who willingly and knowingly discloses the confidential information to any person not authorized to receive it, is guilty of a crime of the third degree.

h. The provisions of this section shall not apply to the disclosure of information concerning emissions, and shall not apply to the disclosure of any information required pursuant to any other act.

i. The Department of Health and the Department of Environmental Protection shall jointly adopt rules and regulations to implement the provisions of this section.

C. 34:5A-16 Employees' rights.

16. a. Any employee or employee representative may request, in writing, from his employer, a copy of a workplace survey, hazardous substance fact sheet, or, where applicable, an environmental survey filed pursuant to the provisions of this act for the facility at which he is employed. The employer shall supply this material
within five working days of the request. Any employee or employee representative may request, in writing, the chemical name and Chemical Abstracts Service number of the substance contained in any container which is not labeled pursuant to the provisions of section 14 of this act, and the employer shall supply the employee or employee representative with this information within five working days of the request. An employee shall have the right to refuse to work with a hazardous substance for which a request was made and not honored without loss of pay or forfeit of any other privilege until the request is honored.

b. Any employee or employee representative who believes that an employer has not complied with the provisions of subsection a. of this section may file a complaint with the Commissioner of the Department of Labor. Upon receipt of the complaint, the commissioner shall investigate the allegations contained in the complaint. If the commissioner, following an administrative hearing conducted pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.), finds that the employer has violated the provisions of subsection a. of this section, he shall initiate a civil action by summary proceeding pursuant to “the penalty enforcement law” (N. J. S. 2A:58-1 et seq.). Any employer violating the provisions of subsection a. of this section is liable to a penalty of not less than $2,500.00 for each offense.

C. 34:5A-17 No retaliation for exercising rights.

17. a. No employer shall discharge, cause to be discharged, or otherwise discipline, penalize, or discriminate against any employee because the employee or his employee representative has exercised any right established in this act.

b. Any employee who believes that he has been discharged, or otherwise disciplined, penalized, or discriminated against by an employer in violation of subsection a. of this section may, within 30 days of the violation, or within 30 days of obtaining knowledge that a violation occurred, file a complaint with the Commissioner of the Department of Labor alleging the violation. Within 30 days of the receipt of a complaint, the commissioner shall conduct an investigation of the complaint. If after the investigation the commissioner determines that there is probable cause that the complaint is valid, he may refer the complaint to the Office of Administrative Law, which, upon the referral, shall commence an adjudicatory proceeding on the complaint, to be conducted as a contested case pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.), and P. L. 1978, c. 67 (C. 52:14F-1 et seq.).
seq.). If the Commissioner of Labor or the employee introduces evidence that prior to the alleged violation the employee exercised any right provided in this act, the employer shall have the burden to show just cause for his action by clear and convincing evidence. Within 45 days of the receipt of the recommendations of the administrative law judge, the commissioner shall adopt, reject, or modify the recommendations. The final decision of the commissioner shall be considered the final agency action thereon for the purposes of the “Administrative Procedure Act” and shall be subject only to judicial review as provided in the Rules of Court.

C. 34:5A-18 Right to Know Advisory Council.

18. a. There is established in the Department of Health a Right to Know Advisory Council, which shall consist of 11 members appointed by the Governor with the advice and consent of the Senate. Each of these members shall be appointed for a term of three years, provided that of the members of the council first appointed by the Governor, four shall serve for terms of one year, four shall serve for terms of two years, and three shall serve for terms of three years. b. A majority of the membership of the council shall constitute a quorum for the transaction of council business. Action may be taken and motions and resolutions adopted by the council at any meeting thereof by the affirmative vote of a majority of the members of the council present and voting.

c. The council shall meet regularly as it may determine, and shall also meet at the call of the Commissioner of the Department of Health, the Commissioner of the Department of Environmental Protection, or the Commissioner of the Department of Labor.

d. The council shall appoint a chairman and other officers as may be necessary from among its members. The council may, within the limits of any funds appropriated or otherwise made available to it for this purpose, appoint such staff or hire such experts as it may require.

e. Members of the council shall serve without compensation, but the council may, within the limits of funds appropriated or otherwise made available to it for such purposes, reimburse its members for necessary expenses incurred in the discharge of their official duties.

This procedure shall include a mechanism for revising the workplace hazardous substance list and the environmental hazardous substance list. Any revision of the workplace hazardous substance list or environmental hazardous substance list shall be based on documented scientific evidence. The Department of Health and Department of Environmental Protection shall publicly announce any revisions of the workplace hazardous substance list or the environmental hazardous substance list, and any such additions or revisions shall be made pursuant to the provisions of the “Administrative Procedure Act,” P. The Superior Court shall have jurisdiction over these actions. The court may award, whenever it deems appropriate, costs of litigation, including reasonable attorney and expert witness fees.

C. 34:5A-24 Other liability unaffected.
24. Substances not included on the workplace hazardous substance list or the environmental hazardous substance list shall not be subject to the reporting provisions of this act. However, the absence of any substance from the workplace hazardous substance list or the environmental hazardous substance list, or the provision of any information by an employer to an employee or any other person pursuant to the provisions of this act, shall not in any way...
affect any other liability of an employer with regard to safeguarding the health and safety of an employee or any other person exposed to the substance, nor shall it affect any other duty or responsibility of an employer to warn ultimate users of a substance of any potential health hazards associated with the use of the substance pursuant to the provisions of any law or rule or regulation adopted pursuant thereto.

C. 34:5A-25  Surveys confidential.
   25. a.    b. The Department of Labor shall annually assess each employer a fee of not less than $50.00 nor more than an amount equal to $2.00 per employee to provide for the implementation of the provisions of this act.    c. The moneys in the fund shall be disbursed only for the following purposes:
CHAPTER 315, LAWS OF 1983

(1) Expenses approved by the Director of the Division of Budget and Accounting and incurred by the Department of Health, the Department of Environmental Protection, the Department of Labor, the Department of the Treasury, and the county health departments in implementing the provisions of this act; and

d. The State Treasurer shall annually disburse the moneys in the fund for expenditures approved by the Director of the Division of Budget and Accounting pursuant to paragraph (1) of subsection c. of this section, but in no case in an amount to the several departments that is greater than the following percentages of the fund available in any one year: the Department of Health, 40%; the Department of Environmental Protection, 20%; the county health departments, 15%; the Department of Labor, 15%; and the Department of the Treasury, 10%.

e. Beginning two years after the effective date of this act, the State Treasurer shall make an annual audit of the fund to determine the adequacy of moneys on deposit in the fund to support the implementation of the provisions of this act. If the State Treasurer, in consultation with the Department of Health, the Department of Environmental Protection, and the Department of Labor makes a determination that the revenues in the fund are sufficient to warrant a reduction in the fees imposed pursuant to this section for the ensuing year, he may reduce the amount of the fees imposed during that year by an amount warranted by the balance in the fund at the time of the determination.

f. The provisions of this section shall expire five years following the effective date of this act.

C. 34:5A-27 Principal program of State.

27. It is the intent of the Legislature that the program established by this act for the disclosure of information concerning hazardous substances to employees and the public constitute the principal program in this State. To this end, no municipality or county shall enact any law or ordinance requiring the disclosure of information about, or the identification of, hazardous substances in the workplace or the environment to the extent that the disclosure of information or identification is provided for under this act, and, further, the enactment of this act shall supersede any municipal or county law or ordinance enacted subsequent to May 11, 1983 providing for this disclosure or identification.
C. 48:2-21.10 Current operating expense.

28. The Board of Public Utilities shall consider all expenses incurred by a public utility in complying with the provisions of P. C. 40A:4-45.20 Expenditure mandated by law.

29. Any expenditure made by a county or municipality to comply with the provisions of P. L. 1983, c. 315 (C. 34:5A-1 et seq.) shall, for the purposes of P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.), be considered an expenditure mandated by State law.

30. Within two years of the effective date of this act the Department of Health, the Department of Environmental Protection, and the Department of Labor shall jointly prepare and submit to the Governor and the Legislature a report evaluating the implementation of this act, together with any recommendations for legislative or administrative action deemed necessary or appropriate.

C. 34:5A-29 Right of entry for inspection.

31. a. The Department of Health shall have the right to enter an employer's facility during the normal operating hours of the facility to determine the employer's compliance with the provisions of subsection a. of section 7, and sections 10, 11, 12, 13, and 14 of this act, and any rules and any regulations adopted pursuant thereto.

b. The Department of Environmental Protection shall have the right to enter an employer's facility during the normal operating hours of the facility to determine compliance with subsection b. of section 7 and section 9 of this act, and any rules and any regulations adopted pursuant thereto.

C. 34:5A-30 Rules, regulations.

32. Except as otherwise provided in this act, the Department of Health, the Department of Environmental Protection, the Department of Labor and the Department of the Treasury shall adopt any rules and regulations necessary to carry out their respective responsibilities under this act.

C. 34:5A-31 Remedies for violations.

33. a. Whenever, on the basis of information available to him, the Commissioner of the Department of Environmental Protection finds that an employer is in violation of subsection b. of section 7,
or of subsection b. or c. of section 9 of this act, or any rule and
regulation adopted pursuant thereto, or the Commissioner of the
Department of Health finds that an employer is in violation of sub-
section a. of section 7, or of section 10, 11, 12, 13, or 14 of this act,
or any rule and regulation adopted pursuant thereto, the Commis-
sioner of the Department of Environmental Protection, or the
Commissioner of the Department of Health, as the case may be,
shall:

(1) Issue an order in accordance with subsection b. of this
section requiring the employer to comply;

(2) Bring a civil action in accordance with subsection c. of this
section;

(3) Levy a civil administrative penalty in accordance with sub-
section d. of this section; or

(4) Bring an action for a civil penalty in accordance with sub-
section e. of this section.

The exercise of any of the remedies provided in this section shall
not preclude recourse to any other remedy so provided.

b. Whenever, on the basis of information available to him, the
Commissioner of the Department of Environmental Protection
finds that an employer is in violation of subsection b. of section 7,
or of subsection b. or c. of section 9 of this act or any rule or
regulation adopted pursuant thereto, or the Commissioner of the
Department of Health finds that an employer is in violation of sub-
section a. of section 7, or of section 10, 11, 12, 13, or 14 of this
act, or any rule or regulation adopted pursuant thereto, the Com-
missoner of the Department of Environmental Protection or the
Commissioner of the Department of Health, as the case may be,
may issue an order (1) specifying the provision or provisions of
this act, or the rule or regulation adopted pursuant thereto of which
the employer is in violation; (2) citing the action which caused
the violation; (3) requiring compliance with the provision of this
act or the rules and regulations adopted pursuant thereto of which
he is in violation; and (4) giving notice to the employer of his
right to a hearing on the matters contained in the order.

c. The Commissioner of the Department of Environmental Pro-
tection or the Commissioner of the Department of Health, as ap-
propriate, is authorized to commence a civil action in Superior
Court for appropriate relief from a violation of this act. This relief
may include an assessment against the violator for the costs of any
investigation, inspection, or monitoring survey which led to the
discovery and establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection.

d. The Commissioner of the Department of Environmental Protection or the Commissioner of the Department of Health, as appropriate, is authorized to impose a civil administrative penalty of not more than $2,500.00 for each violation and additional penalties of not more than $1,000.00 for each day during which a violation continues after receipt of an order from the commissioner to cease the violation. Any amount imposed under this subparagraph shall fall within a range established by regulation by the commissioner for violations of similar type, seriousness, and duration. No civil administrative penalty shall be imposed until after the employer has been notified by certified mail or personal service. The notice shall include a reference to the section of the act, rule, regulation or order violated; a concise statement of the facts alleged to constitute a violation; a statement of the amount of the civil administrative penalties to be imposed; and a statement of the employer’s right to a hearing. The employer shall have 20 days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. Subsequent to the hearing and upon finding that a violation has occurred, the commissioner may issue a final order after imposing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order upon the expiration of the 20-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in this act, and the payment of a civil administrative penalty shall not be deemed to affect the availability of any other enforcement provision in connection with the violation for which the penalty is levied. A civil administrative penalty imposed under this section may be compromised by the commissioner upon the posting of a performance bond by the employer, or upon terms and conditions the commissioner may establish by regulation.

e. An employer who violates this act, an order issued pursuant to subsection b. of this section, or a court order issued pursuant to subsection c. of this section, or who fails to pay in full a civil administrative penalty levied pursuant to subsection d. of this section, shall be subject, upon order of a court, to a civil penalty not to exceed $2,500.00 for each day during which the violation continues. An employer who willfully or knowingly violates this act, or who willfully or knowingly makes a false statement, representation, or
certification in any document filed or required to be maintained under this act, or who falsifies, tampers with, or knowingly renders inaccurate any monitoring device required to be maintained pursuant to this act, is subject upon order of a court, to a civil penalty of not less than $10,000.00, nor more than $5,000.00 per day of violation. Any penalty imposed pursuant to this subsection may be collected, and any costs incurred in connection therewith may be recovered, in a summary proceeding pursuant to “the penalty enforcement law” (N. J. S. 2A:58-1 et seq.). The Superior Court or county district court shall have jurisdiction to enforce “the penalty enforcement law.”

34. There is appropriated $1,700,000.00 from the General Fund as a loan to the “Worker and Community Right to Know Fund,” created pursuant to section 26 of this act, to implement the provisions of this act. The loan to the “Worker and Community Right to Know Fund” shall be repaid with interest to the General Fund in installments beginning in the first year following enactment and each year thereafter as surplus moneys accrue to the fund. The rate of interest to be paid shall be the same average annual rate as earned by the State in its general investment account for the year in which a loan repayment installment is made. Notwithstanding the provisions of subsection e. of section 26 of this act, the State Treasurer shall not reduce the fee imposed pursuant to this act until the entire loan has been repaid.

35. This act shall take effect one year following enactment except that subsection a. of section 26 and section 34 shall take effect immediately and that the several departments charged with the administration of this act shall take all actions necessary prior to the effective date of this act to implement the provisions of this act on the effective date thereof.

CHAPTER 317

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 2C:44-1 is amended to read as follows:

Criteria for withholding or imposing sentence of imprisonment.

2C:44-1. Criteria for Withholding or Imposing Sentence of Imprisonment. a. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court shall consider the following aggravating circumstances:

(1) The nature and circumstances of the offense, and the role of the actor therein, including whether or not it was committed in an especially heinous, cruel, or depraved manner;

(2) The gravity and seriousness of harm inflicted on the victim, including whether or not the defendant knew or reasonably should have known that the victim of the offense was particularly vulnerable or incapable of resistance due to advanced age, disability, ill-health, or extreme youth, or was for any other reason substantially incapable of exercising normal physical or mental power of resistance;

(3) The risk that the defendant will commit another offense;

(4) A lesser sentence will depreciate the seriousness of the defendant's offense because it involved a breach of the public
trust under chapters 27 and 30, or the defendant took advantage of a position of trust or confidence to commit the offense;

(5) There is a substantial likelihood that the defendant is involved in organized criminal activity;

(6) The extent of the defendant’s prior criminal record and the seriousness of the offenses of which he has been convicted;

(7) The defendant committed the offense pursuant to an agreement that he either pay or be paid for the commission of the offense and the pecuniary incentive was beyond that inherent in the offense itself;

(8) The defendant committed the offense against a police or other law enforcement officer, correctional employee or fireman, acting in the performance of his duties while in uniform or exhibiting evidence of his authority, or the defendant committed the offense because of the status of the victim as a public servant;

(9) The need for deterring the defendant and others from violating the law.

b. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court may properly consider the following mitigating circumstances:

(1) The defendant’s conduct neither caused nor threatened serious harm;

(2) The defendant did not contemplate that his conduct would cause or threaten serious harm;

(3) The defendant acted under a strong provocation;

(4) There were substantial grounds tending to excuse or justify the defendant’s conduct, though failing to establish a defense;

(5) The victim of the defendant’s conduct induced or facilitated its commission;

(6) The defendant has compensated or will compensate the victim of his conduct for the damage or injury that he sustained, or will participate in a program of community service;

(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense;

(8) The defendant’s conduct was the result of circumstances unlikely to recur;

(9) The character and attitude of the defendant indicate that he is unlikely to commit another offense;

(10) The defendant is particularly likely to respond affirmatively to probationary treatment;
(11) The imprisonment of the defendant would entail excessive hardship to himself or his dependents;
(12) The willingness of the defendant to cooperate with law enforcement authorities;
(13) The conduct of a youthful defendant was substantially influenced by another person more mature than the defendant.

c. (1) A plea of guilty by a defendant or failure to so plead shall not be considered in withholding or imposing a sentence of imprisonment.
(2) When imposing a sentence of imprisonment the court shall consider the defendant's eligibility for release under the law governing parole, including time credits awarded pursuant to Title 30 of the Revised Statutes, in determining the appropriate term of imprisonment.

d. Presumption of imprisonment. The court shall deal with a person who has been convicted of a crime of the first or second degree by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his imprisonment would be a serious injustice which overrides the need to deter such conduct by others.

e. The court shall deal with a person convicted of an offense other than a crime of the first or second degree, who has not previously been convicted of an offense, without imposing sentence of imprisonment unless, having regard to the nature and circumstances of the offense and the history, character and condition of the defendant, it is of the opinion that his imprisonment is necessary for the protection of the public under the criteria set forth in subsection a.

f. Presumptive Sentences. (1) When a court determines that a sentence of imprisonment be imposed, it shall, except for murder or kidnapping, sentence the defendant to a term of 15 years for a crime of the first degree, to a term of seven years for a crime of the second degree, to a term of four years for a crime of the third degree and for a term of nine months for a crime of the fourth degree unless the preponderance of aggravating factors or preponderance of mitigating factors, as set forth in subsections a. and b., weighs in favor of higher or lower terms within the limits provided in 2C:43-6.

In imposing a minimum term pursuant to 2C:43-6b, the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.
Unless the preponderance of mitigating factors set forth in subsection b. weighs in favor of a lower term within the limits authorized, sentences imposed pursuant to 2C:43-7a(1) shall have a presumptive term of life imprisonment. Unless the preponderance of aggravating and mitigating factors set forth in subsections a. and b. weighs in favor of a higher or lower term within the limits authorized, sentences imposed pursuant to 2C:43-7a(2) shall have a presumptive term of 50 years' imprisonment; sentences imposed pursuant to 2C:43-7a(3) shall have a presumptive term of 15 years' imprisonment; and sentences imposed pursuant to 2C:43-7a(4) shall have a presumptive term of seven years' imprisonment.

In imposing a minimum term pursuant to 2C:43-7b, the sentencing court shall specifically place on the record the aggravating factors set forth in this section which justify the imposition of a minimum term.

(2) In cases of convictions for crimes of the first or second degree where the court is clearly convinced that the mitigating factors substantially outweigh the aggravating factors and where the interest of justice demands, the court may sentence the defendant to a term appropriate to a crime of one degree lower than that of the crime for which he was convicted. If the court does impose sentence pursuant to this paragraph, or if the court imposes a noncustodial or probationary sentence upon conviction for a crime of the first or second degree, such sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

g. Imposition of Noncustodial Sentences in Certain Cases. If the court, in considering the aggravating factors set forth in subsection a., finds the aggravating factor in paragraph a. (2) and does not impose a custodial sentence, the court shall specifically place on the record the mitigating factors which justify the imposition of a noncustodial sentence.

2. N. J. S. 2C:44-6 is amended to read as follows:

Procedure on sentence; presentence investigation and report.

2C:44-6. Procedure on Sentence; Presentence Investigation and Report. a. The court shall not impose sentence without first ordering a presentence investigation of the defendant and according due consideration to a written report of such investigation when required by Rules of Court. The court may order a presentence investigation in any other case.

b. The presentence investigation shall include an analysis of the circumstances attending the commission of the offense, the
defendant's history of delinquency or criminality, family situation, personal habits, the disposition of any charge made against any codefendants and may include a report on his physical and mental condition and any other matters that the probation officer deems relevant or the court directs to be included. The presentence report may also include a statement by the victim of the offense for which the defendant is being sentenced. The statement may include the nature and extent of any physical harm or psychological or emotional harm or trauma suffered by the victim, the extent of any loss of earnings or ability to work suffered by the victim and the effect of the crime upon the victim's family. The probation department shall notify the victim of his right to make a statement for inclusion in the presentence report if the victim so desires. Any such statement shall be made within 20 days of notification by the probation department.

The presentence report shall specifically include an assessment of the gravity and seriousness of harm inflicted on the victim including whether or not the defendant knew or reasonably should have known that the victim of the offense was particularly vulnerable or incapable of resistance due to advanced age, disability, ill-health, or extreme youth, or was for any other reason substantially incapable of exercising normal physical or mental power of resistance.

c. If, after the presentence investigation, the court desires additional information concerning an offender convicted of an offense before imposing sentence, it may order that he be examined as to his medical or mental condition except that he may not be committed to an institution for such examination.

d. Disclosure of any presentence investigation report or psychiatric examination report shall be in accordance with law and the Rules of Court.

e. The court shall not impose a sentence of imprisonment for an extended term unless the ground therefor has been established at a hearing after the conviction of the defendant and on written notice to him of the ground proposed. The defendant shall have the right to hear and controvert the evidence against him and to offer evidence upon the issue.

3. This act shall take effect immediately.

Filed August 29, 1983.

11. Papers, documents, reports, or evidence relative to the subject of an investigation under this act shall not be subject to public inspection except as specifically provided in this act. The commissioner shall not detain subpoenaed records after an investigation is closed or, if a claim for a civil penalty is filed by the commissioner pursuant to section 5 or subsection d. of section 7, upon final disposition of the claim by a court of competent jurisdiction, whichever shall be the later date. Subpoenaed records shall be returned to the persons from whom they were obtained. The commissioner may, in his discretion, make relevant papers, documents, reports, or evidence available to the Attorney General, an appropriate licensing authority, an insurance company or insurance claimant injured by a violation of this act, consistent with the purposes of this act and under such conditions as he deems appropriate. No certificate issued under this act shall be revoked or the effect thereof suspended until the board shall have had such hearing, but the nonappearance of the holder of any certificate after notice as herein provided shall not prevent such hearing. By majority vote the board may reissue the certificate of any certified tree expert whose certificate shall have been revoked and may modify the effect of the suspension of any certificate which has been suspended.

32. Section 8 of P. L. 1940, c. 100 (C. 45:15C-8) is amended to read as follows:

33. Section 9 of P. L. 1940, c. 100 (C. 45:15C-9) is amended to read as follows:

C. 45:15C-9 Reciprocity.
9. The board may in its discretion register the certificate of any person who is not a resident of this State and who is the lawful holder of a C.T.E. certificate issued under the laws of another state which extends similar privileges to certified tree experts of this State; provided, the requirements of the certificate in the other state which has granted it to the applicant are, in the opinion of the board, equivalent to those herein provided.

7. A college tuition aid grant shall be awarded annually to each eligible, qualified full-time undergraduate student enrolled in a curriculum leading to a degree or certificate in an institution of collegiate grade in New Jersey approved or licensed by the State Board of Higher Education, or in an institution of collegiate grade in another state, provided that such state permits its residents to utilize its state student financial assistance grants in New Jersey.
institutions of higher education through reciprocity agreements approved by the Student Assistance Board and the Board of Higher Education. In no event shall a New Jersey tuition aid grant be utilized at an out of state institution which is not licensed by that state and accredited by a regional accrediting association recognized by the Council on Postsecondary Accreditation.

(a) Eligibility. To each New Jersey resident enrolled as a full-time student after July 1, 1978 for the academic year beginning in September of 1978 the State shall grant an amount as provided in paragraph (b) of this section 7. No student shall be eligible for a grant unless he has certified in a form satisfactory to the Student Assistance Board that the grant is essential to his carrying out his plans for attending college. No student shall be eligible for grants in more than four academic years, unless the recipient is enrolled in an undergraduate program regularly requiring five academic years for completion, in which case the Student Assistance Board shall permit a fifth year of eligibility. Notwithstanding the foregoing provisions, a student receiving aid under the provisions of P. L. 1968, c. 142 (C. 18A:71-28 et seq.) shall be entitled to a sixth year of eligibility. Eligibility for tuition aid grants may be extended to part-time students through regulations developed by the Student Assistance Board and approved by the Board of Higher Education if the level of appropriated funds allows such an extension, subject to prior approval by the Director of the Division of Budget and Accounting and Joint Appropriation Committee’s Subcommittee on Transfers or its successor. No student shall be eligible for grants unless he maintains such minimum standards of academic performance as are required by the institution in which he is enrolled. No student shall be eligible for a tuition aid grant who is enrolled in a course leading to a degree in theology or divinity.

CHAPTER 328

AN ACT concerning job training.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 34:15B-11 Findings, declarations.
1. a. The Legislature finds and declares that existing employability development and job training programs do not adequately address the employment needs of many unemployed, underemployed, displaced and economically disadvantaged youth and adults. It is the purpose of this act to provide job training and employment opportunities for long term unemployed, underemployed, economically disadvantaged, displaced workers and other segments of the labor force who are in need of job training or retraining.

b. The Legislature further finds and declares that it is in the interest of the State to encourage the development of a skilled labor force to attract new industry and to retain industry which is presently located in this State; that to accomplish this, the State must enter into a partnership with private industry in order that the needs of both might best be met through the establishment of a job training program which is specifically tailored to an industry’s needs and which is funded by both the public and private sectors.

C. 34:15B-12 Definitions.
2. For the purposes of this act:
   a. “Approved organization” means any public or private institution of higher education, public or private secondary or vocational school, qualified nonprofit economic development organization, employee organization, trade association, adult education program, community based organization, business firm, governmental unit, private industry council, or trade school approved or licensed by the Department of Education or the Department of Higher Education.
   b. “Department” means the Department of Labor.
   c. “Commissioner” means the Commissioner of the Department of Labor.
   d. “Classroom training” means vocational or job related instruction normally outside of the process of production or the course of rendering a service. Classroom training may also include basic educational skills where needed to remedy weaknesses in a participant’s general educational preparation.
e. "Customized training" means classroom training or on the job training, or both, which is tailored to the specific needs of the actual or potential employer.

f. "Job search" means job seeking instruction, labor market information, employability development planning and other job placement activities in a small group setting.

g. "On the job training" means job related instruction to participants who have been hired first by the employer. This training occurs while the participant is engaged in productive work in order to provide the knowledge or skills essential to full job performance.

h. "Underemployed" means persons working part-time but actively seeking full-time work or persons working full-time who are earning wages substantially below the median salary for others in the labor force with similar qualifications and experience.

C. 34:158-13 Consultation with councils.

3. The commissioner shall, in implementing the job training programs established pursuant to this act, consult with the New Jersey State Job Training Coordinating Council established pursuant to Executive Order 22, dated December 3, 1982, with respect to the establishment of criteria for approving applications and candidates for job training. The council shall meet at least quarterly, and the members thereof shall be reimbursed for their actual expenses. Copies of the minutes of each meeting of the council shall be filed with the commissioner. The commissioner may also consult with the regional private industry councils established pursuant to the provisions of the Federal Job Training Partnership Act, Pub. L. 97-300 with respect to the establishment of standards and criteria for job training programs, and he may utilize their services with respect to the identification of industries which are in need of the job training services established by this act and for monitoring the effectiveness of job training programs established pursuant to the provisions of this act.

C. 34:158-14 Establishment of criteria.

4. The commissioner, in consultation with the New Jersey State Job Training Coordinating Council, shall establish criteria for the establishment of job training programs and for awarding grants for any job training program established pursuant to the provisions of this act. In establishing criteria for the awarding of the grants, the commissioner shall, where practicable, give priority to applications for job training or retraining associated with the entry of new businesses, or with the retention of existing businesses in this
State, or in connection with existing businesses in the State which plan to expand their work force.

C. 34:158-15 Priority.
5. The commissioner, in consultation with the New Jersey State Job Training Coordinating Council shall establish criteria for the selection of candidates for job training, which shall include standards for affirmative action. The commissioner may give priority to:
   a. Workers who are unemployed;
   b. Workers who are underemployed;
   c. Workers who are currently receiving public assistance as a supplement to their income;
   d. Workers who were recently eliminated from the public assistance rolls because their gross incomes exceed 150% of the grant standard;
   e. Workers who are eligible for public assistance but are not receiving it because they have not applied;
   f. Workers who are displaced or who may be displaced because of plant closings, technological change, or modifications in product line.

The commissioner may utilize the resources of the Division of Employment Services or other suitable agencies or organizations to select candidates for the job training programs established pursuant to this act. The prospective employer, in its discretion, may participate in the establishment of standards for the selection of the candidates for job training.

C. 34:158-16 Certification of eligibility.
6. The Department of Human Services shall certify to the department the eligibility of all applicants seeking services and claiming eligibility under subsections c., d., and e. of section 5 of this act. The department is authorized to obtain pertinent information concerning the applicant or employment history from any other State agency in order to determine eligibility for services. Information concerning the applicant or the employer shall be used only for determining eligibility and shall be otherwise considered confidential unless the information is generally available to the public.

C. 34:158-17 Applications by businesses.
7. Any business located or to be located in New Jersey may apply to the commissioner for the establishment of a job training program under this act. The application shall identify the specific jobs for which training is required and the applying business and
the commissioner shall jointly establish standards for the proposed job training program. The commissioner shall review the application in accordance with the criteria established pursuant to section 4 of this act. If the application meets these criteria, the commissioner may solicit proposals from approved organizations to conduct the training program and award any grants to these organizations as may be necessary to effectuate the program.

The commissioner shall encourage the establishment of programs which make the optimum economic use of available resources to effectuate the job training, including, but not limited to:

a. Apprenticeship training;
b. On the job training; and
c. A combination of on the job training and classroom training, using the facilities of the prospective employer.

C. 34:15B-18 Training, placement of applicants.

C. 34: 15B-19 Use of funds.

9. Of the funds appropriated annually for activities under this act, up to 6% may be available to the department for the costs of administration and program management. Such administrative costs shall include necessary staff and nonpersonnel services for the direct management of the program as well as the costs involved in developing and maintaining program coordination with other principal departments of State government. At least 94% of the funds appropriated annually for this act shall be used to finance the actual training components and activities developed under this act.

C. 34:15B-20 Financing of program.

10. As least 25% of the total cost of the program shall be paid by the applying business except that the commissioner, in his discretion and for good cause, may approve a lesser amount, but not less than 10%, to be paid by the applying business if there are a sufficient number of approved applications in which businesses agree to pay a portion of the cost of the program in an amount greater than 25% so that the yearly average of matching funds of all approved applications is 25%. The commissioner shall report annually to the New Jersey State Job Training Coordinating Council every job training program in which a match of less than 25% is paid by the applying business and the reasons for his approval thereof. The remainder of the cost of any job training program shall be paid from State funds appropriated for the purpose by this or any other act, and, where applicable, federal
money made available by the provisions of the Federal Job Training Partnership Act, Pub. L. 97-300.

a. Disclosure of total administrative costs of each program, including the salaries of employees who are directly connected with the provision of services under any job training program established pursuant to the provisions of this act. b. Disclosure of the number of persons receiving assistance under this act who do not complete a job training program, and the reasons therefor.

C. 34:15B-23 Program evaluation.

13. The department shall monitor the expenditure of funds under this act and evaluate the effectiveness of the job training programs established hereunder. The commissioner shall provide for a system of ongoing program evaluation to improve the effectiveness of programs funded under this act. These evaluations shall measure the costs and benefits of program components and activities in relation to projected savings in income transfer payments, increases in tax revenues resulting from job placement, retention, and upgrading, and the value of such programs in attracting new industry and retraining the State's work force. A preliminary report shall be transmitted by the commissioner to the Speaker of the General Assembly and the President of the Senate
by the end of the quarter following the initial six months of program operation. Subsequent annual reports shall be submitted by September 30 for each fiscal year's activity including longer range studies of the results of prior years' programs.

C. 34:15B-24 Insurance coverage.

14. Program enrollees are not employees of the State. The commissioner shall arrange for appropriate insurance coverage for all program enrollees with the exception of those who are employees of a participating industry. In those cases, the participating industry shall be responsible for assuring that each enrollee on its payroll is covered by workers' compensation during all program activities.

C. 34:15B-25 Program supplementary.

15. Any job training program established pursuant to this act shall supplement and not supplant any vocational training or apprenticeship program established by any employer or employee organization, or any program already established by any approved organization.

C. 32:31-2 Policy and purpose.

ARTICLE I. POLICY AND PURPOSE

There is created the Northeast Interstate Low-Level Radioactive Waste Management Compact. The party states recognize that the Congress has declared that each state is responsible for providing for the availability of capacity, either within or outside its borders, for disposal of low-level radioactive waste generated within its borders, except for waste generated as a result of atomic energy defense activities of the federal government, as defined in the "Low-Level Radioactive Waste Policy Act," Pub. L. 96-573 (42 U. S. C. § 2021 b. et seq.), hereinafter referred to as "the act," or federal research and development activities. They also recognize that the management of low-level radioactive waste is handled most efficiently on a regional basis. The party states further recognize that the Congress of the United States, by enacting the act has provided for and encouraged the development of regional low-level radioactive waste compacts to manage such waste. The party states recognize that the long-term, safe and efficient management of low-level radioactive waste generated within the region requires that sufficient capacity to manage the waste be properly provided.

In order to promote the health and safety of the region, it is the policy of the party states to: enter into a regional low-level radioactive waste management compact as a means of facilitating an interstate cooperative effort, provide for proper transportation of low-level waste generated in the region, minimize the number of facilities required to effectively and efficiently manage low-level radioactive waste generated in the region, encourage the reduction of the amounts of low-level waste generated in the region, distribute the costs, benefits, and obligations of proper low-level radioactive waste management equitably among the party states, and ensure the environmentally sound and economical management of low-level radioactive waste.

L. 96-573, or federal research and development activities;
j. "Party state" means any state which is a signatory party in good standing to this compact;

(1) Regional facilities shall be entitled to waste generated within the region, unless otherwise provided by the commission. To the extent regional facilities are available, no waste generated within a party state shall be exported to facilities outside the region unless
the exportation is approved by the commission and the affected host state(s).

(2) After January 1, 1986, no person shall deposit at a regional facility waste generated outside the region, and further, no regional facility shall accept waste generated outside the region, unless approved by the commission and the affected host state(s).

b. The rights, responsibilities and obligations of each party state to this compact are as follows:

(1) Each party state shall have the right to have all wastes generated within its borders managed at regional facilities, and shall have the right of access to facilities made available to the region through agreements entered into by the commission pursuant to Article IV i. (11). The right of access by a generator within a party state to any regional facility is limited by the generator’s adherence to applicable state and federal laws and regulations and the provisions of this compact.

(2) To the extent not prohibited by federal law, each party state shall institute procedures which will require shipments of low-level waste generated within or passing through its borders to be consistent with applicable federal packaging and transportation regulations and applicable host state packaging and transportation regulations for management of low-level waste; provided, however, that these practices shall not impose unreasonable, burdensome impediments to the management of low-level waste in the region. Upon notification by a host state that a generator, shipper, or carrier within the party state is in violation of applicable packaging or transportation regulations, the party state shall take appropriate action to ensure that the violations do not recur.

(3) Each party state may impose reasonable fees upon generators, shippers, or carriers to recover the cost of inspections and other practices under this compact.

(4) Each party state shall encourage generators within its borders to minimize the volume of waste requiring disposal.

(5) Each party state has the right to rely on the good faith performance by every other party state of acts which ensure the provision of facilities for regional availability and their use in a manner consistent with this compact.

(6) Each party state shall provide to the commission any data and information necessary for the implementation of the commission’s responsibilities, and shall establish the capability to obtain any data and information necessary to meet its obligations as herein defined.
(7) Each party state shall have the capability to host a regional facility in a timely manner and to ensure the post-closure observation and maintenance, and institutional control of any regional facility within its borders.

(8) No nonhost party state shall be liable for any injury to persons or property resulting from the operation of a regional facility or the transportation of waste to a regional facility; however, if the host state itself is the operator of the regional facility, its liability shall be that of any private operator.

c. The rights, responsibilities and obligations of a host state are as follows:

(1) To the extent not prohibited by federal law, a host state shall ensure the timely development and the safe operation, closure, post-closure observation and maintenance, and institutional control of any regional facility within its borders.

(2) In accordance with procedures established in Articles V and IX, the host state shall provide for the establishment of a reasonable structure of fees sufficient to cover all costs related to the development, operation, closure, post-closure observation and maintenance, and institutional control of a regional facility. It may also establish surcharges to cover the regulatory costs, incentives, and compensation associated with a regional facility; provided, however, that without the express approval of the commission, no distinction in fees or surcharges shall be made between persons of the several states party to this compact.

(3) To the extent not prohibited by federal law, a host state may establish requirements and regulations pertaining to the management of waste at a regional facility; provided, however, that the requirements shall not impose unreasonable impediments to the management of low-level waste within the region. Nor may a host state or a subdivision impose any restrictive requirements on the siting or operation of a regional facility that, alone or as a whole, they serve as unreasonable barriers or prohibitions to the siting or operation of the facility.

(4) Each host state shall submit to the commission annually a report concerning each operating regional facility within its borders. The report shall contain projections of the anticipated future capacity and availability of the regional facility, a financial audit of its operation, and other information as may be required by the commission; and in the case of regional facilities in institutional control or otherwise no longer operating, the host states
shall furnish information as may be required on the facilities still subject to their jurisdiction.

(5) A host state shall notify the commission immediately if any exigency arises which requires the permanent, temporary, or possible closure of any regional facility located therein at a time earlier than projected in its most recent annual report to the commission. The commission may conduct studies, hold hearings, or take such other measures to ensure that the actions taken are necessary and compatible with the obligations of the host state under this compact.

C. 32:31-5 The commission.

ARTICLE IV. THE COMMISSION

a. There is created the Northeast Interstate Low-Level Radioactive Waste Commission. The commission shall consist of one member from each party state to be appointed by the Governor according to procedures of each party state, except that a host state shall have two members during the period that it has an operating regional facility. The Governor shall notify the commission in writing of the identity of the member and one alternate, who may act on behalf of the member only in the member's absence.

b. Each commission member shall be entitled to one vote. No action of the commission shall be binding unless a majority of the total membership cast their vote in the affirmative.

c. The commission shall elect annually from among its members a presiding officer and such other officers as it deems appropriate. The commission shall adopt and publish, in convenient form, rules and regulations as are necessary for due process in the performance of its duties and powers under this compact.

d. The commission shall meet at least once a year and shall also meet upon the call of the presiding officer, or upon the call of a party state member.

e. All meetings of the commission shall be open to the public with reasonable prior public notice. The commission may, by majority vote, close a meeting to the public for the purpose of considering sensitive personnel or legal matters. All commission actions and decisions shall be made in open meetings and appropriately recorded. A roll call vote may be required upon request of any party state or the presiding officer.

f. The commission may establish such committees as it deems necessary.

g. The commission may appoint, contract for, and compensate limited staff as it determines necessary to carry out its duties and
functions. The staff shall serve at the commission's pleasure irrespective of the civil service, personnel or other merit laws of any of the party states or the federal government and shall be compensated from funds of the commission.

h. The commission shall adopt an annual budget for its operations.

i. The commission shall have the following duties and powers:

(1) The commission shall receive and act on the application of a nonparty state to become an eligible state in accordance with Article VII e.

(2) The commission shall receive and act on the application of an eligible state to become a party state in accordance with Article VII b.

(3) The commission shall submit an annual report to and otherwise communicate with the governors and the presiding officer of each body of the legislatures of the party states regarding the activities of the commission.

(4) Upon request of party states, the commission shall mediate disputes which arise between the party states regarding this compact.

(5) The commission shall develop, adopt and maintain a regional management plan to ensure safe and effective management of waste within the region, pursuant to Article V.

(6) The commission may conduct legislative or adjudicatory hearings, and require reports, studies, evidence and testimony as are necessary to perform its duties and functions.

(7) The commission shall establish by regulation, after public notice and opportunity for comment, procedural regulations as deemed necessary to ensure efficient operation, the orderly gathering of information, and the protection of the rights of due process of affected persons.

(8) In accordance with the procedures and criteria set forth in Article V, the commission shall accept a host state's proposed facility as a regional facility.

(9) In accordance with the procedures and criteria set forth in Article V, the commission may designate, by a two-thirds vote, host states for the establishment of needed regional facilities. The commission shall not exercise this authority unless the party states have failed to voluntarily pursue the development of these facilities.
(10) The commission may require of and obtain from party states, eligible states seeking to become party states, and non-party states seeking to become eligible states, data and information necessary for the implementation of commission responsibilities.

(11) The commission may enter into agreements with any person, state, regional body, or group of states for the importation of waste into the region and for the right of access to facilities outside the region for waste generated within the region. This authorization to import requires a two-thirds majority vote of the commission, including an affirmative vote of the representatives of the host state in which any affected regional facility is located. This shall be done only after the commission and the host state have made an assessment of the affected facilities' capability to handle these wastes and of relevant environmental, economic, and public health factors, as defined by the appropriate regulatory authorities.

(12) The commission may, upon petition, grant an individual generator or group of generators in the region the right to export wastes to a facility located outside the region. A grant of right shall be for a period of time and amount of waste and on such other terms and conditions as determined by the commission and approved by the affected host states.

(13) The commission may appear as an intervenor or party in interest before any court of law, federal, state or local agency, board or commission that has jurisdiction over the management of wastes. The authority to intervene or otherwise appear shall be exercised only after a two-thirds vote of the commission. In order to represent its views, the commission may arrange for any expert testimony, reports, evidence or other participation as it deems necessary.

(14) The commission may impose sanctions, including, but not limited to, fines, suspension of privileges or revocation of the membership of a party state in accordance with Article VII. The commission shall have the authority to revoke, in accordance with Article VII g., the membership of a party state that creates unreasonable barriers to the siting of a needed regional facility or refuses to accept host state responsibilities upon designation by the commission.

(15) The commission shall establish by regulation criteria for and shall review the fee and surcharge systems in accordance with Articles V and IX.
(16) The commission shall review the capability of party states to ensure the siting, operation, post-closure observation and maintenance, and institutional control of any facility within its borders.

(17) The commission shall review the compact legislation every five years prior to federal congressional review provided for in the act, and may recommend legislative action.

(18) The commission has the authority to develop and provide to party states rules, regulations and guidelines as it deems appropriate for the efficient, consistent, fair and reasonable implementation of the compact.

j. There is hereby established a commission operating account. The commission is authorized to expend moneys from the account for the expenses of any staff and consultants designated under section g. of this article and for official commission business. Financial support for the commission account shall be provided as follows:

(1) Each eligible state, upon becoming a party state, shall pay $70,000.00 to the commission, which shall be used for administrative costs of the commission.

(2) The commission shall impose a “commission surcharge” per unit of waste received at any regional facility as provided in Article V.

(3) Until such time as at least one regional facility is in operation and accepting waste for management, or to the extent that revenues under paragraphs (1) and (2) of this section are unavailable or insufficient to cover the approved annual budget of the commission, each party state shall pay an apportioned amount of the difference between the funds available and the total budget in accordance with the following formula:

(a) 20% in equal shares;

(b) 30% in the proportion that the population of the party state bears to the total population of all party states, according to the most recent United States census;

(c) 50% in the proportion that the waste generated for management in each party state bears to the total waste generated for management in the region for the most recent calendar year in which reliable data are available, as determined by the commission.

k. The commission shall keep accurate accounts of all receipts and disbursements. An independent certified public accountant
shall annually audit all receipts and disbursements of commission accounts and funds and submit an audit report to the commission. The audit report shall be made a part of the annual report of the commission required by Article IV i. (3).

1. The commission may accept, receive, utilize and dispose for any of its purposes and functions any donations, loans, grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state or the United States or any subdivision or agency thereof, or interstate agency, or from any institution, person, firm or corporation. The nature, amount and condition, if any, attendant upon any donation, loan, or grant accepted pursuant to this paragraph, together with the identity of the donor, grantor, or lender, shall be detailed in the annual report of the commission. The commission shall by rule establish guidelines for the acceptance of donations, loans, grants of money, equipment, supplies, materials and services. This shall provide that no donor, grantor or lender may derive unfair or unreasonable advantage in any proceeding before the commission.

m. The commission herein established is a body corporate and politic, separate and distinct from the party states and shall be so liable for its own actions. Liabilities of the commission shall not be deemed liabilities of the party states, nor shall members of the commission be personally liable for action taken by them in their official capacity.

(1) The commission shall not be responsible for any costs or expenses associated with the creation, operation, closure, post-closure observation and maintenance, and institutional control of any regional facility, or any associated regulatory activities of the party states.

(2) Except as otherwise provided herein, this compact shall not be construed to alter the incidence of liability of any kind for any act, omission, or course of conduct. Generators, shippers and carriers of wastes, and owners and operators of sites shall be liable for their acts, omissions, conduct, or relationships in accordance with all laws relating thereto.

n. The United States district court in the District of Columbia shall have original jurisdiction of all actions brought by or against the commission. Any such action initiated in a state court shall be removed to the designated United States district court in the manner provided by Act of June 25, 1948 as amended (28 U. S. C. § 1446). This section shall not alter the jurisdiction of the United
States Court of Appeals for the District of Columbia Circuit to review the final administrative decisions of the commission as set forth in the paragraph below.

o. The United States Court of Appeals for the District of Columbia Circuit shall have jurisdiction to review the final administrative decisions of the commission.

(1) Any person aggrieved by a final administrative decision may obtain review of the decision by filing a petition for review within 60 days after the commission’s final decision.

(2) In the event that review is sought of the commission’s decision relative to the designation of a host state, the Court of Appeals shall accord the matter an expedited review, and, if the court does not rule within 90 days after a petition for review has been filed, the commission’s decision shall be deemed to be affirmed.

(3) The courts shall not substitute their judgment for that of the commission as to the decisions of policy or weight of the evidence on questions of fact. The court may affirm the decision of the commission or remand the case for further proceedings if it finds that the petitioner has been aggrieved because the findings, inferences, conclusions or decisions of the commission are:

(a) In violation of the Constitution of the United States;
(b) In excess of the authority granted to the commission by this compact;
(c) Made upon unlawful procedure to the detriment of any person;
(d) Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(4) The commission shall be deemed to be acting in a legislative capacity except in those instances where it decides, pursuant to its rules and regulations, that its determinations are adjudicatory in nature.

C. 32:31-6 Host state selection and development and operation of regional facilities.

ARTICLE V. HOST STATE SELECTION AND DEVELOPMENT AND OPERATION OF REGIONAL FACILITIES

a. The commission shall develop, adopt, maintain, and implement a regional management plan to ensure the safe and efficient management of waste within the region. The plan shall include the following:

(1) A current inventory of all generators within the region;
(2) A current inventory of all facilities within the region, including information on the size, capacity, location, specific waste being handled, and projected useful life of each facility;

(3) Consistent with considerations for public health and safety as defined by appropriate regulatory authorities, a determination of the type and number of regional facilities which are presently necessary and projected to be necessary to manage waste generated within the region;

(4) Reference guidelines, as defined by appropriate regulatory authorities, for the party states for establishing the criteria and procedures to evaluate locations for regional facilities.

b. The commission shall develop and adopt criteria and procedures for reviewing a party state which volunteers to host a regional facility within its borders. These criteria shall be developed with public notice and shall include the following factors: the capability of the volunteering party state to host a regional facility in a timely manner and to ensure its post-closure observation and maintenance, and institutional control; and the anticipated economic feasibility of the proposed facility.

(1) Any party state may volunteer to host a regional facility within its borders. The commission may set terms and conditions to encourage a party state to volunteer to be the first host state.

(2) Consistent with the review required above, the commission shall, upon a two-thirds affirmative vote, designate a volunteering party state to serve as a host state.

c. If all regional facilities required by the regional management plan are not developed pursuant to section b., or upon notification that an existing facility will be closed, or upon determination that an additional regional facility is or may be required, the commission shall convene to consider designation of a host state.

(1) The commission shall develop and adopt procedures for designating a party state to be a host state for a regional facility. The commission shall base its decision on the following criteria:

(a) the health, safety and welfare of citizens of the party states as defined by the appropriate regulatory authorities;

(b) the environmental, economic, and social effects of a regional facility on the party states;

The commission shall also base its decision on the following criteria:

(c) economic benefits and costs;
(d) the volumes and types of waste generated within each party state;
(e) the minimization of waste transportation; and
(f) the existence of regional facilities within the party states.

(2) Following its established criteria and procedures, the commission shall designate by a two-thirds affirmative vote a party state to serve as a host state. A current host state shall have the right of first refusal for a succeeding regional facility.

(3) The commission shall conduct such hearings and studies, and take such evidence and testimony as is required by its approved procedures prior to designating a host state. Public hearings shall be held upon request in each candidate host state prior to final evaluation and selection.

(4) A party state which has been designated as a host state by the commission and which fails to fulfill its obligations as a host state may have its privileges under the compact suspended or membership in the compact revoked by the commission.

d. Each host state shall be responsible for the timely identification of a site and the timely development and operation of a regional facility. The proposed facility shall meet geologic, environmental and economic criteria which shall not conflict with applicable federal and host state laws and regulations.

(1) To the extent not prohibited by federal law, a host state may regulate and license any facility within its borders.

(2) To the extent not prohibited by federal law, a host state shall ensure the safe operation, closure, post-closure observation and maintenance, and institutional control of a facility, including adequate financial assurances by the operator and adequate emergency response procedures. It shall periodically review and report to the commission on the status of the post-closure and institutional control funds and the remaining useful life of the facility.

(3) A host state shall solicit comments from each party state and the commission regarding the siting, operation, financial assurances, closure, post-closure observation and maintenance, and institutional control of a regional facility.

e. A host state intending to close a regional facility within its borders shall notify the commission in writing of its intention and the reasons therefor.

(1) Except as otherwise provided, notification shall be given to the commission at least five years prior to the scheduled date of closure.
(2) A host state may close a regional facility within its borders in the event of an emergency or if a condition exists which constitutes a substantial threat to public health and safety. A host state shall notify the commission in writing within three days of its action and shall, within 30 working days, show justification for the closing.

(3) In the event that a regional facility closes before an additional or new facility becomes operational, the commission shall make interim arrangements for the storage or disposal of waste generated within the region until such time that a new regional facility is operational.

f. Fees and surcharges shall be imposed equitably upon all users of a regional facility, based upon criteria established by the commission.

(1) A host state shall, according to its lawful administrative procedures, approve fee schedules to be charged to all users of the regional facility within its borders. Except as provided herein, the fee schedules shall be established by the operator of a regional facility, under applicable state regulations, and shall be reasonable and sufficient to cover all costs related to the development, operation, closure, post-closure observation and maintenance, institutional control of the regional facility. The host state shall determine a schedule for contributions to the post-closure observation and maintenance, and institutional control funds. The fee schedules shall not be approved unless the commission has been given reasonable opportunity to review and make recommendations on the proposed fee schedules.

(2) A host state may, according to its lawful administrative procedures, impose a state surcharge per unit of waste received at any regional facility within its borders. The state surcharge shall be in addition to the fees charged for waste management. The surcharge shall be sufficient to cover all reasonable costs associated with administration and regulation of the facility. The surcharge shall not be established unless the commission has been provided reasonable opportunity to review and make recommendations on the proposed state surcharge.

(3) The commission shall impose a commission surcharge per unit of waste received at any regional facility. The total moneys collected shall be adequate to pay the costs and expenses of the commission and shall be remitted to the commission on a timely basis as determined by the commission. The surcharge may be increased or decreased as the commission deems necessary.
CHAPTER 329, LAWS OF 1983

(4) Nothing herein shall be construed to limit the ability of the host state, or the political subdivision in which the regional facility is situated, to impose surcharges for purposes including, but not limited to, host community compensation and host community development incentives. The surcharges shall be reasonable and shall not be imposed unless the commission has been provided reasonable opportunity to review and make recommendations on the proposed surcharges. A surcharge may be recovered through the approved fee and surcharge schedules provided for in this section.

C. 32:31-7 Other laws and regulations.

ARTICLE VI. OTHER LAWS AND REGULATIONS

a. Nothing in this compact shall be construed to abrogate or limit the regulatory responsibility or authority of the United States Nuclear Regulatory Commission or of an Agreement State under Section 274 of the Atomic Energy Act of 1954, as amended.

b. The laws or portions of those laws of a party state that are not inconsistent with this compact remain in full force.

c. Nothing in this compact shall make unlawful the continued development and operation of any facility already licensed for development or operation on the date this compact becomes effective.

d. No judicial or administrative proceeding pending on the effective date of the compact shall be affected by the compact.

e. Except as provided for in Article III b. (2) and e. (3), this compact shall not affect the relations between and the respective internal responsibilities of the government of a party state and its subdivisions.

f. The generation, treatment, storage, transportation, or disposal of waste generated by the atomic energy defense activities of the federal government as defined in Pub. L. 96-573, or federal research and development activities are not affected by this compact.

g. To the extent that the rights and powers of any state or political subdivision to license and regulate any facility within its borders and to impose taxes, fees, and surcharges on the waste managed at that regional facility do not operate as an unreasonable impediment to the transportation, treatment or disposal of waste, the rights and powers shall not be diminished by this compact.

h. No party state shall enact any law or regulation or attempt to enforce any measure which is inconsistent with this compact. These measures may provide the basis for the commission to suspend or
terminate a party state's membership and privileges under this compact.

i. All laws and regulations, or parts thereof of any party state or subdivision or instrumentality thereof which are inconsistent with this compact are repealed and declared void. Any legal right, obligation, violation or penalty arising under these laws or regulations prior to the enactment of this compact, or not in conflict with it, shall not be affected.

j. Subject to Article III c. (2), no law or regulation of a party state or subdivision or instrumentality thereof may be applied so as to restrict or make more costly or inconvenient access to any regional facility by the generators of another party state than for the generators of the state where the facility is situated.

k. No law, ordinance, or regulation of any party state or any subdivision or instrumentality thereof shall prohibit, suspend, or unreasonably delay, limit or restrict the operation of a siting or licensing agency in the designation, siting, or licensing of a regional facility. Any such provision in existence at the time of ratification of this compact is repealed.

C. 32:31-8 Eligible parties, withdrawal, revocation, entry into force, termination.

ARTICLE VII. Eligible Parties, Withdrawal, Revocation, Entry into Force, Termination

a. The initially eligible parties to this compact shall be the 11 states of Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, and Vermont. Initial eligibility will expire June 30, 1984.

b. Each state eligible to become a party state to this compact shall be declared a party state upon enactment of this compact into law by the state, repeal of all statutes or statutory provisions that pose unreasonable impediments to the capability of the state to host a regional facility in a timely manner, and upon payment of the fees required by Article IV j. (1). An eligible state may become a party to this compact by an executive order by the governor of the state and upon payment of the fees required by Article IV j. (1). However, any state which becomes a party state by executive order shall cease to be a party state upon the final adjournment of the next general or regular session of its legislature, unless this compact has by then been enacted as a statute by the state and all statutes and statutory provisions that conflict with the compact have been repealed.

c. The compact shall become effective in a party state upon enactment by that state. It shall not become initially effective in
the region until enacted into law by three party states and consent given to it by the Congress.

d. The first three states eligible to become party states to this compact which adopt this compact into law as required in Article VII b. shall immediately, upon the appointment of their commission members, constitute themselves as the Northeast Interstate Low-Level Radioactive Waste Commission. They shall cause legislation to be introduced in the Congress which grants the consent of the Congress to this compact, and shall do those things necessary to organize the commission and implement the provisions of this compact.

(1) The commission shall be the judge of the qualifications of the party states and of its members and of their compliance with the conditions and requirements of this compact and of the laws of the party states relating to the enactment of this compact.

(2) All succeeding states eligible to become party states to this compact shall be declared party states pursuant to the provisions of section b. of this article.

e. Any state not expressly declared eligible to become a party state to this compact in section a. of this article may petition the commission to be declared eligible. The commission may establish such conditions as it deems necessary and appropriate to be met by a state requesting eligibility as a party state to this compact pursuant to the provisions of this section, including a public hearing on the application. Upon satisfactorily meeting such conditions and upon the affirmative vote of two-thirds of the commission, including the affirmative vote of the representatives of the host states in which any affected regional facility is located, the petitioning state shall be eligible to become a party state to this compact and may become a party state in the same manner as those states declared eligible in section a. of this article.

f. No state holding membership in any other regional compact for the management of low-level radioactive waste may become a member of this compact.

g. Any party state which fails to comply with the provisions of this compact or to fulfill its obligations hereunder may have its privileges suspended or, upon a two-thirds vote of the commission, after full opportunity for hearing and comment, have its membership in the compact revoked. Revocation shall take effect one year from the date the affected party state receives written notice from the commission of its action. All legal rights of the affected party state established under this compact shall cease upon the effective
date of revocation, except that any legal obligations of that party state arising prior to revocation will not cease until they have been fulfilled. As soon as practicable after a commission decision suspending or revoking party state status, the commission shall provide written notice of the action and a copy of the resolution to the governors and the presiding officer of each body of the state legislatures of the party states, and to chairmen of the appropriate committees of the Congress.

h. Any party state may withdraw from this compact by repealing its authorization legislation, and all legal rights under this compact of the party state cease upon repeal. However, no withdrawal shall take effect until five years after the Governor of the withdrawing state has given notice in writing of the withdrawal to the commission and to the governor of each party state. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to that time.

(1) Upon receipt of the notification, the commission shall, as soon as practicable, provide copies to the governors and the presiding officer of each body of the state legislatures of the party states, and to the chairmen of the appropriate committees of the Congress.

(2) A regional facility in a withdrawing state shall remain available to the region for five years after the date the commission receives written notification of the intent to withdraw or until the prescheduled date of closure, whichever occurs first.

i. This compact may be terminated only by the affirmative action of the Congress or by the repeal of all laws enacting the compact in each party state. The Congress may by law withdraw its consent every five years after the compact takes effect.

(1) The consent given to this compact by the Congress shall extend to any future admission of new party states under sections b. and e. of this article.

(2) The withdrawal of a party state from this compact under section h. or the revocation of a state's membership in this compact under section g. of this article shall not affect the applicability of the compact to the remaining party states.

C. 32:31-9 Penalties.

ARTICLE VIII. Penalties

a. Each party state, consistent with federal and host state regulations and laws, shall enforce penalties against any person not acting as an official of a party state for violation of this compact
in the party state. Each party state acknowledges that the shipment to a host state of waste packaged or transported in violation of applicable laws and regulations can result in the imposition of sanctions by the host state. These sanctions may include, but are not limited to, suspension or revocation of the violator’s right of access to the facility in the host state.

b. Without the express approval of the commission, it shall be unlawful for any person to dispose of any low-level waste within the region except at a regional facility; provided, however, that this restriction shall not apply to waste which is permitted by applicable federal or state regulations to be discarded without regard to its radioactivity.

c. Unless specifically approved by the commission and affected host state(s) pursuant to Article IV, it shall be a violation of this compact for: (1) any person to deposit at a regional facility waste not generated within the region; (2) any regional facility to accept waste not generated within the region; and (3) any person to export from the region waste generated within the region.

d. Primary responsibility for enforcing the provisions of the law will rest with the affected state or states. The commission, upon a two-thirds vote of its members, may bring action to seek enforcement or appropriate remedies against violators of the provisions and regulations for this compact as provided for in Article IV.

C. 32:31-10 Compensation provisions.

ARTICLE IX. COMPENSATION PROVISIONS

a. The responsibility for ensuring compensation and clean-up during the operational and post-closure periods rests with the host state, as set forth herein.

(1) The host state shall ensure the availability of funds and procedures for compensation of injured persons, including facility employees, and property damage, except any possible claims for diminution of property values, due to the existence and operation of a regional facility, and for clean-up and restoration of the facility and surrounding areas.

(2) The state may satisfy this obligation by requiring bonds, insurance, compensation funds, or any other means or combination of means, imposed either on the facility operator or assumed by the state itself, or both. Nothing in this article alters the liability of any person or governmental entity under applicable state and federal laws.
b. The commission shall provide a means of compensation for persons injured or property damaged during the institutional control period due to the radioactive and waste management nature of the regional facility. This responsibility may be met by a special fund, insurance, or other means.

(1) The commission is authorized, at its discretion, to impose a waste management surcharge, to be collected by the operator or owner of the regional facility; to establish a separate insurance entity, formed by but separate from the commission itself, but under such terms and conditions as it decides, and exempt from state insurance regulations; to contract with this company or other entity for coverage; or to take any other measures, or combination of measures, to implement the goals of this section.

(2) The existence of this fund or other means of compensation shall not imply any liability by the commission, the non-host party states, or any of their officials and staff, which are exempted from liability by other provisions of this compact. Claims or suits for compensation shall be directed against the fund, the insurance company, or other entity, unless the commission, by regulation, directs otherwise.

c. Notwithstanding any other provisions, the commission fund, insurance, or other means of compensation shall also be available for third party relief during the operational and post-closure periods, as the commission may direct, but only to the extent that no other funds, insurance, tort compensation, or other means are available from the host state or other entities, under section a. of this Article or otherwise; provided, that this commission contribution shall not apply to clean-up or restoration of the regional facility and its environs during the operational and post-closure periods.

d. The liability of the commission's fund, insurance entity, or any other means of compensation shall be limited to the amount currently contained therein; provided that the commission may set some lower limit to ensure the integrity and availability of the fund or other entity for liability.

C. 32:31-11 Severability and construction.

ARTICLE X. SEVERABILITY AND CONSTRUCTION

The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision of this compact is declared by a federal court of competent jurisdiction to be contrary to the Constitution of the United States or the applicability thereof to
any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby. The provisions of this compact shall be liberally construed to give effect to the purposes thereof.

3. C. 13:1K-6 Short title.
1. This act shall be known and may be cited as the "Environmental Cleanup Responsibility Act."

C. 13:1K-7 Findings, declarations.
2. The Legislature finds and declares that the generation, handling, storage and disposal of hazardous substances and wastes pose an inherent danger of exposing the citizens, property and natural resources of this State to substantial risk of harm or degradation; that the closing of operations and the transfer of real property utilized for the generation, handling, storage and disposal of hazardous substances and wastes should be conducted
in a rational and orderly way, so as to mitigate potential risks; and that it is necessary to impose a precondition on any closure or transfer of these operations by requiring the adequate preparation and implementation of acceptable cleanup procedures therefor.

C. 13:1K-3 Definitions.

3. As used in this act:

a. "Cleanup plan" means a plan for the cleanup of industrial establishments, approved by the department, which may include a description of the locations, types and quantities of hazardous substances and wastes that will remain on the premises; a description of the types and locations of storage vessels, surface impoundments, or secured landfills containing hazardous substances and wastes; recommendations regarding the most practicable method of cleanup; and a cost estimate of the cleanup plan.

The department, upon a finding that the evaluation of a site for cleanup purposes necessitates additional information, may require graphic and narrative descriptions of geographic and hydrogeologic characteristics of the industrial establishment and evaluation of all residual soil, groundwater, and surface water contamination;

b. "Closing, terminating or transferring operations" means the cessation of all operations which involve the generation, manufacture, refining, transportation, treatment, storage, handling or disposal of hazardous substances and wastes, or any temporary cessation for a period of not less than two years, or any other transaction or proceeding through which an industrial establishment becomes nonoperational for health or safety reasons or undergoes change in ownership, except for corporate reorganization not substantially affecting the ownership of the industrial establishment, including but not limited to sale of stock in the form of a statutory merger or consolidation, sale of the controlling share of the assets, the conveyance of the real property, dissolution of corporate identity, financial reorganization and initiation of bankruptcy proceedings;

c. "Department" means the Department of Environmental Protection;

d. "Hazardous substances" means those elements and compounds, including petroleum products, which are defined as such by the department, after public hearing, and which shall be consistent to the maximum extent possible with, and which shall include, the list of hazardous substances adopted by the Environmental Protection Agency pursuant to Section 311 of the "Federal

C. § 1317); except that sewage and sewage sludge shall not be considered as hazardous substances for the purposes of this act;

e. "Hazardous waste" means any amount of any waste substances required to be reported to the Department of Environmental Protection on the special waste manifest pursuant to N. J. A. C. 7:26-7.4, or as otherwise provided by law;

f. "Industrial establishment" means any place of business engaged in operations which involve the generation, manufacture, refining, transportation, treatment, storage, handling, or disposal of hazardous substances or wastes on-site, above or below ground, having a Standard Industrial Classification number within 22-39 inclusive, 46-49 inclusive, 51 or 76 as designated in the Standard Industrial Classifications Manual prepared by the Office of Management and Budget in the Executive Office of the President of the United States. C. § 6901 et seq.), or any establishment engaged in the production or distribution of agricultural commodities, shall not be considered industrial establishments for the purposes of this act. The department may, pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), exempt certain sub-groups or classes of operations within those sub-groups within the Standard Industrial Classification major group numbers listed in this subsection upon a finding that the operation of the industrial establishment does not pose a risk to public health and safety;

g. "Negative declaration" means a written declaration, submitted by an industrial establishment and approved by the department, that there has been no discharge of hazardous substances or wastes on the site, or that any such discharge has been cleaned up in accordance with procedures approved by the department, and there remain no hazardous substances or wastes at the site of the industrial establishment.
CHAPTER 330, LAWS OF 1983

5. a. The department shall, pursuant to the “Administrative Procedure Act,” P. ings and equipment, to ensure that the potential for harm to public health and safety is minimized to the maximum extent practicable, taking into consideration the location of the site and surrounding ambient conditions; criteria necessary for the evaluation and approval of cleanup plans; a fee schedule, as necessary, reflecting the actual costs associated with the review of negative declarations and cleanup plans; and any other provisions or procedures necessary to implement this act. Until the minimum standards described herein are adopted, the department shall review, approve or disapprove negative declarations and cleanup plans on a case by case basis.

b. The department shall, within 45 days of submission, approve the negative declaration, or inform the industrial establishment that a cleanup plan shall be submitted.

c. The department shall, in accordance with the schedule contained in an approved cleanup plan, inspect the premises to determine conformance with the minimum standards for soil, groundwater and surface water quality and shall certify that the cleanup plan has been executed and that the site has been detoxified.

b. If the premises of the industrial establishment would be subject to substantially the same use by the purchaser, transferee, mortgagee or other party to the transfer, and upon written certification thereto and approval by the department thereof, the implementation of a cleanup plan and the detoxification of the site may be deferred until the use changes or until the purchaser, transferee, mortgagee or other party to the transfer closes, terminates or transfers operations.

(1) Within 60 days of receiving notice of the sale or realty transfer and the certification that the industrial establishment would be subject to substantially the same use, the department shall approve, conditionally approve, or deny the certification.

(2) Upon approval of the certification, the implementation of a cleanup plan and detoxification of the site shall be deferred.

(3) Upon denial of the certification, the cleanup plan and detoxification of the site shall be implemented pursuant to the provisions of this act.
c. The authority to defer implementation of the cleanup plan set forth in subsection b. of this section shall not be construed to limit, restrict, or prohibit the department from directing site cleanup under any other statute, rule, or regulation, but shall be solely applicable to the obligations of the owner or operator of an industrial establishment, pursuant to the provisions of this act, nor shall any other provisions of this act be construed to limit, restrict, or prohibit the department from directing site cleanup under any other statute, rule, or regulation.

C. 13:1K-12 No bankruptcy discharge.

7. No obligations imposed by this act shall constitute a lien or claim which may be limited or discharged in a bankruptcy proceeding. All obligations imposed by this act shall constitute continuing regulatory obligations imposed by the State.

C. 13:1K-13 Grounds for voiding sale; violations; penalties.

8. a. Failure of the transferor to comply with any of the provisions of this act is grounds for voiding the sale or transfer of an industrial establishment or any real property utilized in connection therewith by the transferee, entitles the transferee to recover damages from the transferor, and renders the owner or operator of the industrial establishment strictly liable, without regard to fault, for all cleanup and removal costs and for all direct and indirect damages resulting from the failure to implement the cleanup plan.

b. Failure to submit a negative declaration, or cleanup plan pursuant to the provisions of section 4 of this act is grounds for voiding the sale by the department.

Any person who knowingly gives or causes to be given any false information or who fails to comply with the provisions of this act is liable for a penalty of not more than $25,000.00 for each offense. If the violation is of a continuing nature, each day during which it continues shall constitute an additional and separate offense. Penalties shall be collected in a civil action by a summary proceeding under “the penalty enforcement law” (N. J. S. 2A:58-1 et seq.). Any officer or management official of an industrial establishment who knowingly directs or authorizes the violation of any provisions of this act shall be personally liable for the penalties established in this subsection.

"Resident first-time homebuyer" means a natural person, or the unit of husband and wife considered as joint tenants or tenants by the entirety, who is not and has never been the owner of, or holder of an ownership interest in, residential property in this State, exclusive of any interest as a stockholder or partner in a corporation or limited partnership, or as trustee for another person or persons; who enters or proposes to enter into a lease agreement with a municipality under the terms of this act; and who at the time of entering into such a lease is a bona fide resident of that municipality.
   c. "Housing corporation" means any corporation formed under the provisions of Title 15 of the Revised Statutes, which by its certificate of incorporation as issued or amended is empowered to engage in the activity of developing, constructing and operating residential accommodations for persons of low and moderate income, or any private, limited-dividend or nonprofit housing corporation organized in accordance with the provisions of the "Limited-Dividend Nonprofit Housing Corporations or Associations Law," P. L. 1949, c. 184 (C. 55:16-1 et seq.).
   d. "Nonresidential structure" means any building designed and built for use as a factory or warehouse, or for retail or wholesale merchandising, office, workshop, school, hospital, hotel, or any other commercial, industrial or institutional purpose; or which, having been designed and built for residential use, has been altered, converted or reconstructed for nonresidential use.
   e. "Persons and families of low and moderate income" means persons and families whose income is insufficient, in relation to the current cost and condition of housing facilities available in the normal private-enterprise housing market, to secure safe, sanitary and decent housing adequate for the size of the family.
   f. "Residential structure" means any building constructed or reconstructed, rehabilitated, converted or altered for the purpose
of providing dwelling units for the accommodation of nontransient tenants. A structure containing nonresidential space and facilities not exceeding 25% of its total rental value shall be "residential" within this definition.

C. 55:18-2 Lease by municipality.
2. (New section) When a municipality holds title to any lot, parcel, or tract of real property that includes a residential or nonresidential structure, if the municipal governing body determines that:

a. The structure if nonresidential cannot in the foreseeable future be put to economically feasible use in its intended purpose; or if residential, requires rehabilitation to provide safe, sanitary and decent housing accommodations; and

b. The property is not needed for public use by the municipality; and

c. Conversion of the nonresidential structure to a residential structure, or rehabilitation of the residential structure, would be practicable and would help to meet a need within the municipality for housing for persons of low to moderate income; then the municipal governing body may (1) lease the property and structure to a housing corporation or resident first-time homebuyer under terms requiring the lessee to undertake such rehabilitation or conversion and to maintain and operate the converted property for residential purposes in accordance with the provisions of this act and of the lease made under authority of this act and (2) subordinate the municipal interest in the property and structure to any mortgage provided pursuant to financing the rehabilitation or conversion of the structure.

3. (New section) Before any lease is entered into under authority of this act the prospective lessee shall demonstrate to the satisfaction of the municipal governing body:

(1) Its financial capacity to undertake the proposed conversion, maintenance and operation, including reliable commitments for any financing reasonably required to meet its obligations under, and resulting from, the terms of the lease; and

(2) Its possession of adequate experience in, and qualification for, the management of projects of comparable type and magnitude, or firm agreements to acquire the same through contractual arrangements conditioned upon execution of the lease.

4. (New section) A lease entered into under authority of this act shall specify:
   a. The term of the lease and the conditions, if any, under which the lessee may be entitled to renewal thereof or to the exercise of an option to purchase the leased property upon expiration, or during the term, of the lease. Such option to purchase shall be nontransferable.
   b. The annual rental to be paid to the municipality, and the manner of payment.
   c. The date, or a series of dates, running from the date of execution of the lease, upon which the rehabilitation or conversion, or specified stages thereof, shall be completed.
   d. The number and type of dwelling units to be provided in the rehabilitated or converted structure or structures, including the respective numbers of units to be provided for single occupancy and for families of varying sizes, together with the facilities to be provided in each unit, or in varying types and sizes of units, and in common areas or for common use of all tenants.
   e. The schedule of rents to be charged for units of varying type, size and location, which schedule shall be subject to the provisions of section 6 of this act.
   f. The interest on the fair market value of the property and structure, as determined at the time of execution of the lease to which interest the municipality shall be entitled upon purchase by the lessee pursuant to options, or on any terms provided for in the lease or by the terms of this act.
   g. Any other terms and conditions not inconsistent with the provisions of this act, or of any other law, to which the lessor municipality and lessee may agree.

C. 55:18-5 Conformity to codes.

5. (New section) Every structure rehabilitated or converted by a lessee under authority of this act, and every dwelling unit in such structure, shall conform to all applicable codes relating to healthfulness, safety and structural soundness of comparable new construction in the municipality; except as the governing body may by ordinance grant modification of or exemption from applicable municipal codes or ordinances on reasonable grounds and without hazard to the health and safety of residents of the rehabilitated or converted structure.
C. 55:18-6 Schedule of rents.

6. (New section) a. A schedule of rents under subsection e. of section 4 of this act shall provide for total revenue sufficient to meet the necessary operating costs, debt service and other necessary commitments of the lessee over the entire term of the lease, including surcharges permitted under section 7 of this act; but shall not exceed amounts feasible for the accommodation of tenants of low and moderate income.

b. The schedule of rents may provide for adjustment of rents in accordance with income levels, family size, or extraordinary financial hardships of particular tenants, in order to assure adequate accommodation of the housing needs of persons of low and moderate income.

c. The schedule of rents shall not be altered during the term of the lease without consent of the lessor municipality, except as the lease may provide for automatic adjustments based on established operating costs; and the lease shall specify the manner in which such alterations may be from time to time proposed, negotiated, and allowed or disallowed.

C. 55:18-7 Option to purchase.

7. (New section) a. If at the time of execution of the lease the municipality offers the lessee an option to purchase the property during, or at the expiration of, the lease, and if the lessee records in the lease its intention to exercise the option, then in establishing a schedule of rents the lessee shall be entitled to include charges designed to accumulate over the period of the lease a fund which, including accrued interest during that period, is agreed upon by the municipality and the lessee to be probably sufficient to meet the lessee’s cash requirements in connection with the purchase; provided, however, that the surcharge shall not increase rents to a level inconsistent with subsection a. of section 6 of this act.

b. Charges added to rents for this purpose shall be deposited in a financial institution qualified to exercise appropriate fiduciary powers under the laws of this State and shall not be withdrawn or used for any purpose during the term of the lease, or for any purpose thereafter, except to make payments in connection with the financing of the purchase of the property pursuant to exercise of the option, or as provided in subsection c. of this section.

c. Upon expiration of the lease without exercise of an option to purchase for which a fund has been accumulated pursuant to this section, the fund so accumulated shall:
(1) If the lessee declines renewal or in renewing declines to continue an option for purchase, be used for a reduction of tenant's rental charges according to a formula determined by the municipality, except as otherwise provided pursuant to subsection c. of section 8 of this act;

(2) If the lessee accepts renewal with a continued option to purchase at the end of the extended term, but declines to continue accumulation of the fund, remain on deposit through the extended term subject to the restrictions of subsection b. of this section;

(3) If the lessee accepts renewal, with a continued option to purchase at the end of the extended term, remain on deposit and be added to in accordance with continuing charges for the purpose; but such charges shall be adjusted to take into account the longer term for accumulation, the new option price, if set under the terms of renewal, and any change in the fund's expected rate of earnings over the extended period.

C. 55:18-8 Procedure upon expiration of lease.

8. (New section) Upon expiration of a lease entered into under authority of this act:

a. If the lessee exercises an option to purchase, the municipality shall be entitled to the fair market value of the property and structure, as determined at the time of execution of the lease, plus interest on such value.

b. If the lessee declines to exercise such option, or to request or accept renewal of the lease on mutually agreeable terms, the property shall revert to the possession of the municipality, which may thereupon negotiate a lease or purchase with another housing corporation or resident first-time homebuyer under applicable terms and conditions authorized by this act.

c. (1) Upon sale of a property by the municipality under subsection b. of this section, any fund accumulated pursuant to section 8 of this act may be applied by the purchaser against the purchase price.

(2) Upon lease of a property by the municipality under subsection b. of this section, any fund accumulated pursuant to section 8 of this act shall be treated as in a renewal of lease by the original lessee, and the new lessee shall succeed to all the rights therein of the original lessee.
C. 55:18-9 Waiver of requirements.

9. (New section) In order to avoid redundant or conflicting regulation, the municipal governing body may waive any requirement pursuant to the provisions of this act upon finding that the requirements for a federal or State program for provision of low- and moderate-income housing in which the resident first-time homebuyer or housing corporation is to participate and to which the property in question is to be subject fulfills the general purpose of the requirement waived or that the requirement if not waived would prevent or impede participation in the federal or State program.

C. 55:18-10 Rules, regulations.

10. (New section) The Commissioner of the Department of Community Affairs shall have the power to adopt, amend, revise and repeal rules and regulations to promote implementation of the provisions of this act.

11. Section 14 of P. L. 1971, c. 199 (C. 40A:12-14) is amended to read as follows:

C. 40A:12-14 Leasing of county or municipal real property, capital improvements or personal property.

14. Leasing of county or municipal real property, capital improvements or personal property. Any county or municipality may lease any real property, capital improvement or personal property not needed for public use as set forth in the resolution or ordinance authorizing the lease, other than the county or municipal real property otherwise dedicated or restricted pursuant to law, and except as otherwise provided by law, all such leases shall be made in the manner provided by this section.

(a) In the case of a lease to any private person, said lease shall be made by public letting to the highest bidder after advertisement thereof in a newspaper circulating in the municipality or municipalities in which the leasehold is situated by two insertions at least once a week during two consecutive weeks; the lease publication to be not earlier than seven days prior to the letting of the lease. The governing body may, by resolution, fix a minimum rental with the reservation of the right to reject all bids where the highest bid is not accepted. Notice of such reservation shall be included in the advertisement of the letting of the lease and public notice thereof shall be given of the time of the letting of the lease. Such resolution may provide that upon the completion of the bidding, the highest bid may be accepted or all of the bids may be rejected.
It shall also set out the conditions, restrictions and limitations upon the tenancy subject to the lease. Acceptance or rejection of the bid or bids shall be made not later than at the second regular meeting of the governing body following the opening of the bids, and, if the governing body shall not so accept such highest bid, or reject all bids, said bids shall be deemed to have been rejected. Any such award may be adjourned at the time advertised for not more than one week without readvertising.

(b) In the case of a lease to a public body, the lease may be upon such terms and conditions and for nominal or other consideration as the governing body of the county or municipality shall approve by ordinance or resolution.

(c) In the case of a lease to a nonprofit corporation for a public purpose, the lease shall be authorized by resolution, in the case of a county, or by ordinance, in the case of a municipality, and may be for nominal or other consideration. Said authorization shall include the nominal or other consideration for the lease; the name of the corporation or corporations who shall be the lessees; the public purpose served by the lessee; the number of persons benefiting from the public purpose served by the lessee, whether within or without the municipality in which the leasehold is located; the term of the lease, and the officer, employee or agency responsible for enforcement of the conditions of the lease. Said ordinance or resolution shall also require any nonprofit corporation holding a lease for a public purpose pursuant to this section, to annually submit a report to the officer, employee or agency designated by the governing body, setting out the use to which the leasehold was put during each year; the activities of the lessee undertaken in furtherance of the public purpose for which the leasehold was granted; the approximate value or cost, if any, of such activities in furtherance of such purpose; and an affirmation of the continued tax-exempt status of the nonprofit corporation pursuant to both State and federal law.

(d) In the case of a lease to a housing corporation or resident first-time homebuyer for the public purposes, and pursuant to the provisions of P. L. 1982, c. 335 (C. 55:18-1 et seq.), the lease shall be authorized by ordinance by a municipality.

12. This act shall take effect immediately.

Approved September 2, 1983.

CHAPTER 337

AN ACT concerning the certification of landscape architects, amending parts of the statutory law and supplementing chapter 3 of Title 45 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 45:3-1 is amended to read as follows:

State Board of Architects.

45:3-1. The New Jersey State Board of Architects, hereinafter in this chapter designated as the "board," created and established by an act entitled "An act to regulate the practice of architecture," approved March twenty-fourth, one thousand nine hundred and two (P. L. 1902, c. 29, p. 54), as amended and supplemented, is continued. The board shall consist of six members, five of whom shall be architects residing in this State and shall have been engaged in the practice of their profession for at least ten years and one of whom shall be a certified landscape architect in good standing and engaged in the practice of landscape architecture for at least five years pursuant to sections 4 through 18 of P. L. 1983, c. 337 (C. 45:3A-1 et seq.), except as to the initial appointment to the board, who shall become certified as soon as practicable after his appointment. On the effective date of this act the terms of office of the members of the board shall cease and terminate, and they shall thereafter continue in office as hold-over members until such time as the Governor shall designate and appoint them to serve for new terms of office as hereinafter provided. Within a period of 30 days after the effective date of this act, or as soon thereafter as circumstances shall permit, the Governor shall designate and appoint said members to serve and hold office for the following terms: one member for a term of one year from the date of such designation and appointment, one member for a term of two years from said date, one member for a term of three years from said date, one member for a term of four years from said date, and one member for a term of five years from said date. The initial landscape architect appointment shall be for a term of two years beginning July 1 next following the appointment. Should any vacancy exist on the board at the time of appointment and designation of the members to the new terms herein provided for, the Governor shall
appoint a new member to fill such vacancy, subject to the provisions of section 2 of P. L. 1971, c. 60 (C. 45:1-2.2), such member to serve for any one of the several terms herein fixed as the Governor in his discretion shall designate. Thereafter, upon the expiration of the term of office of any member, his successor shall be appointed by the Governor, subject to the provisions of section 2 of P. L. 1971, c. 60 (C. 45:1-2.2), for a term of five years. Each member shall hold his office until his successor has qualified. Any vacancy in the membership of the board shall be filled for the unexpired term in the manner provided for an original appointment. Except as herein-after provided, the members of the board shall serve without compensation.

2. Section 1 of P. L. 1952, c. 131 (C. 45:3-5.1) is amended to read as follows:

C. 45:3-5.1 Professional engineers.
1. Any professional engineer who is duly licensed to practice professional engineering in this State shall be entitled to be licensed to engage in the practice of architecture in this State, upon application therefor to the board and upon satisfactorily passing part I and part II of an examination which parts are limited solely to the subject of architectural design. Such applicant shall be examined according to the limitations herein provided, at a regularly conducted examination for applicants for registration to practice architecture.

3. R. S. 45:3-7 is amended to read as follows:

§15 annual fee.
45:3–7. Each architect licensee shall, during the month of July in each year, pay to the board a fee of $15.00 or forfeit his certificate. Notice of the failure to pay such annual registration fee shall be given to any person so failing, which notice shall state that, upon the continued failure to pay such fee, the certificate issued to such person will be declared forfeited by the board at the time and place stated therein unless such fee is sooner paid. The board may make rules and regulations regarding the reissue of a certificate to any person whose certificate has been forfeited under this section, and fixing the fee to be paid for the reissue of said certificate.

C. 45:3A-1 Landscape architects.
4. (New section) In order to safeguard life, health and property, and promote the public welfare, a person using the title "landscape architect" in this State is required to submit evidence
that the person is qualified to be certified as provided in this amendatory and supplementary act. It is unlawful for a person to use the title "landscape architect" or any other title, sign, card or device in a manner which tends to convey the impression that the person is a certified landscape architect. Every holder of a certificate shall display it in a conspicuous place in his principal office, place of business or employment.

No corporation, firm, partnership or association shall be granted a certificate under this amendatory and supplementary act. No corporation, firm, partnership or association shall use or assume a name involving the word "landscape architect," or a modification or derivative of the term, unless an executive officer, if a corporation, or a member, if a firm, partnership or association, is a certified landscape architect of the State.

C. 45:3A-2 Definitions.
5. (New section) As used in this act:
   a. "Certified landscape architect" means an individual who, by reason of his knowledge of natural, physical and mathematical sciences, and the principles and methodology of landscape architecture and landscape architectural design acquired by professional education, practical experience, or both, is qualified to engage in the practice of landscape architecture and is certified by the board as a landscape architect.
   b. "The practice of landscape architecture" means any service in which the principles and methodology of landscape architecture are applied in consultation, evaluation and planning, including the preparation and filing of sketches, drawings, plans and specifications, and responsible administration of contracts relative to projects principally directed at the functional and aesthetic use of land. Nothing contained in this section shall be construed to restrict or otherwise affect the right of any person or corporation to engage in the practice of landscape architecture, but no person or corporation shall hold himself out as, or use the title "certified landscape architect," unless he has been certified pursuant to this act.
   c. "Committee" means the Landscape Architect Examination and Evaluation Committee.

C. 45:3A-3 Certification required.
6. (New section) Nothing in this amendatory and supplementary act shall be construed to prevent the practice of architecture, engineering or land surveying or professional planning by a holder of a license to practice that profession licensed by this State, but
no architect, engineer, surveyor or professional planner shall use the designation "landscape architect" unless certified as a landscape architect in this State.

**C. 45:3A-4 Examination committee.**

7. (New section) There is established a committee of the board to be known as the Landscape Architect Examination and Evaluation Committee. The committee shall consist of five landscape architects, one of whom is a member of the board. The committee members shall be appointed by the Governor within 60 days after the effective date of this amendatory and supplementary act. Initial members, other than the member of the board, shall be appointed to one term each of one, two, three and four years respectively; thereafter their successors shall be appointed for terms of five years and until the appointment and qualification of their successors. A member of the committee shall not be eligible to succeed himself more than once. Vacancies in the membership of the committee, however created, shall be similarly filled by appointment of the Governor for the unexpired terms only. Members of the committee shall be residents of this State, shall have at least five years' experience in landscape architecture, shall be of good standing in the landscape architecture profession, and, except as to the initial appointments to the committee, shall be certified under the provisions of this amendatory and supplementary act. The initial appointees shall become certified as soon as practicable after their appointments. The Governor may remove a member of the committee after hearing, for misconduct, incompetence, neglect of duty, or any other sufficient cause.

Members of the committee shall receive no compensation for their services, but may be reimbursed for all necessary expenses incidental to performance of their duties as members of the committee.

Each member of the committee, before entering upon the duties of his office, shall subscribe to an oath to faithfully perform the duties of his office.

**C. 45:3A-5 Meetings.**

8. (New section) The committee shall, at its first meeting, called by the Governor as soon as may be following the appointments of its members, and at all annual meetings, to be held in July of each year thereafter, organize by electing from its membership a chairman and by appointing a secretary, who need not be a member of the committee, and other assistants as it deems necessary.
The committee shall adopt annually a schedule of regular meetings, and special meetings may be held at the call of the chairman.

A quorum of the committee shall consist of three members. No action of a meeting shall be taken without at least three votes in accord.

C. 45:3A-6 Functions.

9. (New section) The committee is authorized to review the content and duration of courses of study offered by colleges and universities for degrees in landscape architecture and to establish and maintain a register of colleges and universities whose curricula in landscape architecture are approved by the committee, to establish and maintain a list of recognized subjects and courses of study, and to establish minimum requirements therefor which shall be acceptable to the board and the committee.

In addition to those records of proceedings and applicants established by the board, the committee shall keep a record of its proceedings and a record of all applicants for certification, showing for each the date of application, name, age, education, and other qualifications, place of practice and place of residence, whether or not an examination was required, and whether the applicant was rejected or a certificate granted, and the date of that action.

C. 45:3A-7 Applications.

10. (New section) Each person applying for certification as a landscape architect shall make application therefor to the board on the form and in the manner the committee prescribes and the board shall immediately refer each application to the committee for appropriate action. Each applicant shall furnish evidence satisfactory to the committee that he:

   a. Is of good moral character;

   b. Meets the educational and experience qualifications prescribed by this amendatory and supplementary act for certification as a landscape architect; and

   c. Unless exempt from examination pursuant to this amendatory and supplementary act, has passed an examination satisfactory to the committee.

C. 45:3A-8 Educational, experiential requirements.

11. (New section) a. An applicant for examination or certification as a landscape architect shall provide the committee with evidence satisfactory to it that he:
(1) Is the holder of a bachelor’s or higher degree in landscape architecture from a college or university having a landscape architecture curriculum approved by the committee; and

(2) Has engaged in landscape architectural work satisfactory to the committee to an extent that his combined college study and practical experience total at least six years.

b. In lieu of the degree and practical experience requirements specified in subsection a. of this section, evidence of 10 or more years of practical experience in landscape architecture of a grade and character satisfactory to the committee may be accepted. Each completed year of study satisfactory to the committee may be accepted in lieu of one year’s practical experience toward the required total of 10 years. Six years of practical experience satisfactory to the committee may be accepted by the committee for admission to that portion of the examination related to landscape architecture.

c. Six years after the effective date of this act, an applicant shall be eligible for certification as a landscape architect only if he meets the requirements of subsection a. of this section.

C. 45:3A-9 Fees.

12. (New section) The following fees shall be assessed and collected by the board:

a. An application fee for certification as a landscape architect which shall not be subject to refund;

b. An examination fee and initial two-year certification fee for landscape architects which shall be subject to refund if the applicant is determined to be ineligible for examination, withdraws his application for examination, or fails to appear for examination;

c. A two-year renewal fee for landscape architects; and

d. A reinstatement fee for certified landscape architects.

C. 45:3A-10 Examination; reciprocity.

13. (New section) a. The committee shall administer an examination to be given to all persons, not exempt from examination pursuant to this amendatory and supplementary act, who have applied for certification as landscape architects.

b. The committee may exempt from examination an applicant who holds a license or certificate to practice landscape architecture issued to him upon examination by a legally constituted board of examiners in any state, district or territory in the United States, provided the applicant’s qualifications meet the requirements enforced in this State at the time the license was issued.
Unless a majority of the full committee shall determine otherwise, the examination to be administered to all nonexempt applicants shall consist of the Unified National Examination as prepared by the Council of Landscape Architectural Registration Boards.

14. (New section) The committee shall review the qualifications of each person who applies for certification as a landscape architect. Notwithstanding any other provision of this amendatory and supplementary act to the contrary, no applicant shall be certified by the board unless a majority of the full committee first determines that he is qualified by education, experience and satisfactory performance on the examination to be certified as a landscape architect and all applicants who are determined to be so qualified and are recommended for certification by the committee shall be certified by the board.

The board is authorized to review the actions taken by the committee with respect to the committee’s evaluation and examination of applicants for certification as landscape architects but the board may reverse, modify or fail to implement any of the above described actions of the committee only by the affirmative vote of at least six members of the board.

C. 45:3A-12 Renewal of certificates.

15. (New section) Certificates for landscape architects shall expire on May 30 in the second year following the year of issuance, renewal or reinstatement, and shall become invalid on that day unless renewed. Certified landscape architects shall apply for renewal before May 30 in the year of expiration of a certificate. On or before May 1 in the year of expiration of a certificate the secretary of the board shall notify all persons certified under this amendatory and supplementary act of the date of the expiration of their certificates and the amount of the renewal fee. Notice shall be mailed to each holder of a certificate at his last post office address known to the board.

Failure on the part of the holder of a certificate to renew his certificate every two years in the month of May shall not deprive that person of the right of renewal during the ensuing two years, but a reinstatement fee shall be added to the certificate fee; and if the certificate is not renewed within the two years following its expiration, the holder of the certificate shall pay a reinstatement fee for each two years or portion thereof in which the holder is in arrears. Continuing to use the title ‘‘landscape architect’’ after
the expiration of the certificate shall be a violation of this amendatory and supplementary act.

A duplicate certificate to replace one lost, destroyed or mutilated may be issued subject to the rules and regulations of the board, and a reasonable fee, to be established by the board may be charged for each duplicate certificate. An unsuspended, unrevoked and unexpired certificate as a landscape architect under this act shall be prima facie evidence in all courts and places that the person named therein is certified. Each certificate shall be recorded by the board in the office of the Secretary of State, in a book kept for that purpose, and any recording fee as may be provided by law shall be paid by the applicant before the certificate is delivered.

C. 45:3A-13 Seal required.
16. (New section) Every person using the title “landscape architect” shall have a seal of a type approved by the board, which shall contain the name of the landscape architect, his certificate number, the legend “certified landscape architect” and other words or figures as the board may deem necessary. All working drawings and specifications prepared by the landscape architect or under the supervision of the landscape architect shall be stamped with the seal and shall be signed on the original, with the personal signature of the certified landscape architect, when filed with public officials. The board, upon recommendation and approval of the committee, may by regulation, change or modify the requirements as to the signing and sealing of documents.

C. 45:3A-14 Certificate without examination.
17. (New section) Notwithstanding any other provision of this amendatory and supplementary act to the contrary, for a period of one year from the effective date of this amendatory and supplementary act, an individual of good moral character shall be entitled to receive a certificate as a landscape architect without examination if he files an application therefor accompanied by the application fee, the examination and certificate fee, and evidence that he has:

a. A diploma of graduation or satisfactory certificate from a college or university recognized by the committee as offering an approved curriculum in landscape architecture or the equivalent thereof as determined by the committee, together with at least four years of practical experience in landscape architectural work of a grade and character acceptable to the committee; or

b. A total of at least 12 years of experience in the teaching of landscape architecture in a college or university or at least 12 years
of practical experience in landscape architectural work of a grade
and character acceptable to the committee.

C. 45:3A-15 Continuing education.
18. (New section) Four years from the effective date of
this amendatory and supplementary act and every four years there­
after, each person certified to practice landscape architecture in this
State shall certify to the board, upon a form issued and distributed
by the board, that the person has attended or participated in not
less than 20 hours of continuing education in landscape architecture
as follows: college postgraduate courses, lectures, seminars, or
workshops, as approved by the committee or any other evidence of
continuing education which the board may approve.

19. This act shall take effect immediately, but the first certifi­
cates issued pursuant to this amendatory and supplementary act
shall be for the period beginning July 1, 1983.

Approved September 4, 1983.

of New Jersey:

1. Section 6 of P. L. 1975, c. 217 (C. 52:27D-124) is amended to
read as follows:

all the powers necessary or convenient to effectuate the purposes
of this act, including, but not limited to, the following powers in
addition to all others granted by this act:
   a. To adopt, amend and repeal, after consultation with the code

2. (New section) As used in this act:
a. “Horsemen’s organization” means the Horsemen’s Benevo-
lent and Protective Association, the Standardbred Breeders' and Owners' Association, or another organization or group representing a majority of horsemen engaged in competing for purses during a regularly scheduled horse race meeting, as the case may be.

b. "Intertrack wagering" means parimutuel wagering on simulcast horse races by patrons at a receiving track and the electronic transmission of the wagers to the sending track.

c. "Intertrack wagering license" means a license issued by the New Jersey Racing Commission permitting intertrack wagering.

f. "Simulcast horse races" means horse races conducted at a sending track and transmitted simultaneously by picture to a receiving track.

C. 5:5-102 Intertrack wagering license.

3. (New section) Upon the filing of a joint application by a receiving and a sending track and after the holding of a public hearing, the New Jersey Racing Commission may issue an intertrack wagering license to a receiving track specifying the periods of time during a calendar year and the hours during the day or night when intertrack wagering is permitted and prescribing any other conditions or terms the commission deems appropriate, provided that:

a. The receiving track demonstrates to the satisfaction of the commission that it has conducted a regularly scheduled horse race meeting pursuant to an annual permit issued by the commission and has complied with the terms of the permit, or the receiving track agrees to conduct such a horse race meeting and to comply with the terms of the permit for the meeting unless otherwise directed or permitted by the commission.

b. c. If intertrack wagering will occur at the receiving track at the same time the receiving track is conducting a horse race meeting, the receiving track produces an agreement in writing, or testimony at the public hearing, demonstrating that the horsemen’s organization at the receiving track approves of intertrack wagering during the period of the horse race meeting.

C. 5:5-103 Joint application.

4. (New section) A joint application for an intertrack wagering license shall include a written agreement between the receiving and sending tracks providing a detailed plan of operation for the simultaneous picture transmission of races from the sending track to the receiving track, the transmission to the sending track of wagers placed at the receiving track, and the distribution of the parimutuel pool to the winning ticketholders at the receiving track.

L. 1940, c. 17 (C. 5:5-44).

C. 5:5-105 No substitution.

6. (New section) Under no circumstances shall a receiving track be permitted to substitute a race transmitted to it from a sending track for a live race or races scheduled during a horse race meeting at the receiving track.

These sums shall be forwarded to the receiving track and shall be used to supplement the payment of overnight purses at the next horse race meeting to be conducted by the receiving track.

C. 5:5-108 Intertrack wagering declared lawful.
9. (New section) Notwithstanding any other law to the contrary, intertrack wagering shall be lawful; provided that an intertrack wagering license has been issued to the receiving track.

C. 5:5-109 Rules, regulations.
10. (New section) The commission shall promulgate and adopt such rules and regulations as are necessary to effectuate the purposes of this act.

C. 5:5-62 Place for wagering.
42. A permit holder may provide a place or places in the race meeting grounds or enclosure at which such holder of a permit may conduct and supervise the parimutuel system of wagering by patrons on the result of the horse races conducted by such permit holder at a horse race meeting or on the result of simulcast horse races as provided by the “Intertrack Wagering Act,” sections 1 through 10 of P. L. 1983, c. 340 (C. 5:5-100 et seq.), and such parimutuel system of wagering upon the result of such horse races shall not under any circumstances, if conducted under the provisions of this act and in conformity thereto, be held or construed to be unlawful, other statutes of the State of New Jersey to the contrary notwithstanding. Such place or places so provided in conformity with this section shall be equipped with such automatic ticket issuing and vending machines and with adding machine equipment capable of accurate and speedy determination of the amount of money in each pool and on each horse and the amount of award or dividend to winning patrons and displaying the same to the patrons. Such machine shall further be equipped with automatic or hand operated machinery suitable for displaying on the mutuel board across the track, in plain view of the public, the total amount of sales on each and every race and the amount of award or dividend to winning patrons.
12. Section 43 of P. L. 1940, c. 17 (C. 5:5-63) is amended to read as follows:

C. 5:5-63 Display mandated.

43. Any such machine must be approved by the commission before it may be used, and to prevent a monopoly in the use of any particular machine or type thereof the commission may in its discretion approve the use of any other machine. No other place or method of betting, pool making, wagering or gambling shall be used or permitted by the holder of a permit, nor shall the parimutuel system of wagering be conducted on any races except horse races at the race track where such parimutuel system of wagering is conducted or simulcast horse races as provided by the "Intertrack Wagering Act," sections 1 through 10 of P. C. 5:5-73 Permit required.

53. Nothing herein, however, shall be construed to permit the parimutuel system of wagering upon any race track unless such race track be first granted a permit as provided by this act; and it is hereby declared to be unlawful for any person, partnership, association or corporation to permit, conduct or supervise upon any race track the parimutuel system of wagering except in accordance with the provisions of this act or the "Intertrack Wagering Act," sections 1 through 10 of P. L. 1983, c. 340 (C. 5:5-100 et seq.).

14. (New section) This act shall, at the general election to be held in the month of November, 1984 be submitted to the people. CHAPTER 343

AN ACT to provide for the needs of homeless persons, determining the manner of this State’s participation in the federal Emergency Food and Shelter Program, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares:
   a. The plight of homeless persons, lacking elementary requirements of shelter and in need of emergency accommodation, has reached critical proportions in this State and elsewhere in the nation.
   b. Recognizing this situation, the federal government, by an Act of Congress (Pub. L. 98-8, approved March 24, 1983), has made available, through the Federal Emergency Management Agency, $100,000,000.00 for the purpose of providing emergency food and shelter to the homeless and indigent.
   c. Of the federal appropriation to this purpose, $50,000,000.00 has been allocated to the several state governments, for redistribution by them to local agencies in accordance with local needs, the allocation to each state being in proportion to its incidence of poverty as determined pursuant to the “Community Services Block Grant Act,” Subtitle B of Title VI of the “Omnibus Budget Reconciliation Act of 1981,” Pub. L. 97-35 (42 U.S.C. § 9901 et seq.).
   d. The allocation to New Jersey pursuant to the aforesaid formula is $1,426,280.00 for the federal fiscal year of 1983, ending September 30, 1983, which sum must be either spent or definitely committed and obligated before the end of that fiscal year.
e. The federal law and regulations pursuant thereto require that
the state government (1) designate a state agency and state
representative to coordinate and monitor the disbursement of
funds to local agencies, and render account thereof to the federal
government, (2) target fund distribution to areas of need, and
(3) provide for the appropriate selection of recipient organizations.

2. The Legislature further finds, determines and declares:
   a. To assure that federal funds allocated to this State for the
      Emergency Food and Shelter Program be expended with maximum
      efficiency and in accord with the intent of the federal law, it is
      desirable that these funds be distributed to the several counties,
      in accordance with recognized indices of need, and that further
      allocation to specific public and private agencies be determined by
      county governments in accordance with local needs, subject to
      accountability of each county government to the State agency and
      representative designated in section 3 of this act for the proper
      use thereof in accordance with the terms of this act and applicable
      federal law and regulations.
   b. Applying to the several counties of this State the same
      formula, based on relative incidence of poverty, that was used by
      the federal government in determining allocation among states,
      the Department of Human Services has calculated the allocations
      of federal funds available under this program:

      | County    | Amount      |
      |-----------|-------------|
      | Atlantic  | $49,920.00  |
      | Bergen    | 71,599.00   |
      | Burlington| 44,928.00   |
      | Camden    | 113,960.00  |
      | Cape May  | 14,976.00   |
      | Cumberland| 38,509.00   |
      | Essex     | 310,929.00  |
      | Gloucester| 35,229.00   |
      | Hudson    | 133,118.00  |
      | Hunterdon | 7,702.00    |
      | Mercer    | 57,051.00   |
      | Middlesex | 74,737.00   |
      | Monmouth  | 77,162.00   |
      | Morris    | 29,239.00   |
      | Ocean     | 57,194.00   |
      | Passaic   | 116,955.00  |
      | Salem     | 15,404.00   |
      | Somerset  | 15,689.00   |
3. The Department of Human Services and the commissioner thereof are designated the State agency and State representative, respectively, for the purpose of receiving, disbursing and supervising grant funds made available to the State under Pub. L. 98-8, in accordance with the provisions of that federal statute and any regulations pursuant thereto.

4. a. There is appropriated to the Department of Human Services out of funds received from the federal government pursuant to Pub. L. 98-8 the sum of $1,426,280.00, to be distributed to the several counties in amounts not exceeding those set forth in subsection b. of section 2 of this act, in accordance with applicable State and federal regulations, upon certification by the commissioner of the department and warrant of the comptroller. Funds distributed to a county pursuant to this act shall be deposited in and drawn from the county treasury in accordance with appropriations by the county governing body in the same manner as other county appropriations are made.

b. Any funds distributed pursuant to subsection b. of section 2 of this act remaining unexpended by any county shall be returned to the Department of Human Services. Notwithstanding the maximum distribution amounts per county prescribed in subsection b. of section 2 of this act, the Department of Human Services may redistribute such sums as are returned pursuant to this subsection to any other county in accordance with a needs based formula determined by the Department of Human Services and not inconsistent with State and federal regulations applicable thereto.

5. The Commissioner of the Department of Human Services is authorized to make and promulgate any rules and regulations in accordance with the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.) necessary or expedient to effectuate the provisions and purposes of this act and to assure compliance with applicable federal laws, rules and regulations. The commissioner shall make rules for uniform, thorough and adequate reports to him by the counties upon the amounts and purposes of all expenditures of funds received by them pursuant to section 4 of this act, in a manner as to assure the proper application of those funds.

6. This act shall take effect immediately.

Approved September 8, 1983.

A Supplement to "An act concerning the handling of radioactive materials in this State and supplementing the 'Radiation Protection Act' (P. L. 1958, c. 116)," approved September 26, 1977 (P. L. 1977, c. 233, C. 26:2D-18 et seq.).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 26:2D-23.1 Unlawful transport.

1. It shall be unlawful for any person to transport or store in transit the following radioactive materials in any county in New Jersey which has an average population density exceeding 1,000 persons per square mile as measured in the most recent decennial census:

   a. Plutonium isotopes in any quantity and form exceeding 20 curies;
b. Uranium enriched in the isotope U-235 exceeding 25 atomic per cent of the total uranium content in quantities where the U-235 content exceeds 1 kilogram;

c. Any of the actinides (i.e., elements with atomic number 89 or greater) the activity of which exceeds 20 curies; or

d. Spent reactor fuel elements or mixed fission products associated with such spent fuel elements the activity of which exceeds 20 curies.

Any quantity of radioactive material specified as "Low Specific Activity" by the Nuclear Regulatory Commission in 10 CFR Part 71, entitled "Packaging of Radioactive Material for Transport," shall be exempt from the provisions of this act.

C. 26:2D-23.2 Area ban permitted.

2. The department may, pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), designate or define any categories or subcategories of radioactive material covered under this act, except radiopharmaceuticals and radioactive substances, the principal purpose of which is associated with the manufacture of radiopharmaceuticals, to be banned from areas designated by the department. The department shall only do so where it finds that such material may create an unwarranted hazard to public safety and where the transportation of the material in the area is not essential to the public welfare.

C. 26:2D-23.3 Certificates of handling.

3. Notwithstanding the provisions of sections 1 and 2 of this act, the department may issue "certificates of handling" on a case-by-case basis for radioactive materials covered under this act:

b. For research or development activities, medical therapy, or education purposes which the department determines do not pose significant threats to public health and safety;

c. For the transportation of fresh or non-irradiated nuclear fuel to any nuclear generating facility upon a finding by the department that there is no feasible alternate route or mode of transportation which involves less risk to the public; or

d. For the transportation of spent or irradiated nuclear fuel from any nuclear electricity generating facility upon a finding by the department that there is no feasible alternate route or mode of transportation or method of disposition which involves less risk to
the public health and safety; provided, however, that no certificate of handling shall be issued for the transportation of any spent or irradiated nuclear fuel in New Jersey unless the department and the State Police have jointly determined that adequate safety precautions have been taken by the transporter and that adequate emergency response capabilities exist to protect the public during such transportation, and the department has further determined that the shipment of such fuel is secured by a limit of insurance or other form of indemnification, either by law or privately obtained, which is appropriate for the protection of the public in view of the risks associated with such transportation.

C. 26:2D-23.4 Revocation for violation.

4. Any person who violates the provisions of this act shall, in addition to any penalties imposed pursuant to section 13 of P. L. 1958, c. 116 (C. 26:2D-13), have all certificates of handling in the possession of that person revoked and shall be ineligible to receive any certificate of handling for 3 years.

5. This act shall take effect 60 days after enactment.

Approved September 22, 1983.

CHAPTER 349

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 39:3–20 is amended to read as follows:

Commercial motor vehicle registrations; fees.

39:3–20. For the purpose of this act, gross weight means the weight of the vehicle or combination of vehicles, including load or contents. a. The director is authorized to issue registrations for commercial motor vehicles other than omnibuses or motor-drawn vehicles upon application therefor and payment of a fee based on the gross weight of the vehicle, including the gross weight of all vehicles in any combination of vehicles of which the commercial motor vehicle is the drawing vehicle. The gross weight of a dis-
abled commercial vehicle or combination of disabled commercial vehicles being removed from a highway shall not be included in the calculation of the registration fee for the drawing vehicle.

Except as otherwise provided in this subsection, every registration for a commercial motor vehicle other than an omnibus or motor-drawn vehicle shall expire and the certificate thereof shall become void on the last day of the eleventh calendar month following the month in which the certificate was issued. The minimum registration fee shall be $50.00 plus $8.50 for each 1,000 pounds or portion thereof in excess of 5,000 pounds.

Commercial motor vehicles other than omnibuses or motor-drawn vehicles for which commercial motor vehicle registrations had been issued prior to the effective date of this act and which expire March 31, 1982 shall be issued commercial registrations, which, in the director's discretion, shall expire on a date to be fixed by him, which date shall not be sooner than four months nor later than 16 months following the date of issuance of the registration. The fees for such registrations shall be fixed by the director in amounts proportionately less or greater than the fees established by this subsection.

b. The director is also authorized to issue registrations for commercial motor vehicles having three or more axles and a gross weight over 40,000 pounds but not exceeding 70,000 pounds, upon application therefor and proof to the satisfaction of the director that the applicant is actually engaged in construction work or in the business of supplying material, transporting material, or using such registered vehicle for construction work.

Except as otherwise provided in this subsection, every registration for these commercial motor vehicles shall expire and the certificate thereof shall become void on the last day of the eleventh calendar month following the month in which the certificate was issued.

The registration fee shall be $16.00 for each 1,000 pounds or portion thereof of gross weight, including the gross weight of all vehicles in any combination of which such commercial motor vehicle is the drawing vehicle. “Constructor” registrations issued prior to the effective date of this act, which expire June 30, 1982, shall be issued contractor vehicle registrations, which, in the director's discretion, shall expire on a date to be fixed by him, which date shall not be sooner than four months nor later than 16 months following the date of issuance of the registration. The fees for the
registrations shall be fixed by the director in amounts proportionately less or greater than the fees established by this subsection.

Such commercial motor vehicle shall be operated in compliance with the speed limitations of Title 39 of the Revised Statutes and shall not be operated at a speed greater than 30 miles per hour when one or more of its axles has a load which exceeds the limitations prescribed in R. S. 39:3-84.

c. The director is also authorized to issue registrations for each of the following solid waste vehicles: two-axle vehicles having a gross weight not exceeding 42,000 pounds; tandem three-axle and four-axle vehicles having a gross weight not exceeding 60,000 pounds; four-axle tractor-trailer combination vehicles having a gross weight not exceeding 60,000 pounds. Registration is based upon application to the director and proof to his satisfaction that the applicant is actually engaged in the performance of solid waste disposal or collection functions and holds a certificate of convenience and necessity therefor issued by the Board of Public Utilities.

Except as otherwise provided in this subsection, every registration for a solid waste vehicle shall expire and the certificate thereof shall become void on the last day of the eleventh calendar month following the month in which the certificate was issued.

The registration fee shall be $50.00 plus $8.50 for each 1,000 pounds or portion thereof in excess of 5,000 pounds.

Solid waste vehicles for which commercial motor vehicle registrations had been issued prior to the effective date of this act and which shall expire June 30, 1982 shall be issued solid waste registrations, which, in the director’s discretion, shall expire on a date to be fixed by him, which date shall not be sooner than four months or later than 16 months following the date of issuance of the registration. The fees for the registrations shall be fixed by the director in amounts proportionately less or greater than the fees established by this subsection.

d. The director is also authorized to issue registrations for commercial motor-drawn vehicles upon application therefor. The registration year for commercial motor-drawn vehicles shall be April 1 to the following March 31 and the fee therefor shall be $18.00 for each such vehicle.

At the discretion of the director, an applicant for registration for a commercial motor-drawn vehicle may be provided the option
of registering such vehicle for a period of four years. In the event that the applicant for registration exercises the four-year option, a fee of $64.00 for each such vehicle shall be paid to the director in advance.

If any commercial motor-drawn vehicle registered for a four-year period is sold or withdrawn from use on the highways, the director may, upon surrender of the vehicle registration and plate, refund $16.00 for each full year of unused prepaid registration.

e. It shall be unlawful for any vehicle or combination of vehicles registered under this act, having a gross weight, including load or contents, in excess of the gross weight provided on the registration certificate to be operated on the highways of this State.

The owner, lessee, bailee or any one of the aforesaid of a vehicle or combination of vehicles, including load or contents, found or operated on any public road, street or highway or on any public or quasi-public property in this State with a gross weight of that vehicle or combination of vehicles, including load or contents, in excess of the weight limitation permitted by the certificate of registration for the vehicle or combination of vehicles, pursuant to the provisions of this section, shall be assessed a penalty of $50.00 plus an amount equal to $8.50 for each 1,000 pounds or fractional portion of 1,000 pounds of weight in excess of the weight limitation permitted by the certificate of registration for that vehicle or combination of vehicles. A vehicle or combination of vehicles for which there is no valid certificate of registration is deemed to have been registered for zero pounds for the purposes of the enforcement of this act, in addition to any other violation of this Title, but is not deemed to be lawfully or validly registered pursuant to the provisions of this Title.

Moneys realized from the increase of the fees for registrations issued pursuant to the provisions of this act shall be paid into the State Treasury and credited to the General State Fund and available for general State purposes.

This section shall not be construed to supersede or repeal the provisions of section 39:3-84, 39:4-75, or 39:4-76 of this Title.

2. R. S. 39:3-84 is amended to read as follows:

**Dimensional limits.**

39:3-84. a. The following constitute the maximum dimensional limits for width, height and length for any vehicle or combination
of vehicles, including load or contents or any part or portion thereof, found or operated on any public road, street or highway or any public or quasi-public property in this State. Violations shall be enforced pursuant to subsection i. of section 5 of P. L. 1950, c. 142 (C. 39:3–84.3).

The dimensional limitations set forth in this subsection are exclusive of safety and energy conservation devices necessary for safe and efficient operation of a vehicle or combination of vehicles, including load or contents, except that no device excluded herein shall have by its design or use the capability to carry, transport or otherwise be utilized for cargo.

Any rules and regulations authorized to be promulgated pursuant to this subsection shall be consistent with any rules and regulations promulgated by the Secretary of Transportation of the United States of America, and shall be in accordance with the provisions of the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.). In addition to the other requirements of this subsection and notwithstanding any other provision of this Title, no vehicle or combination of vehicles, including load or contents or any part or portion thereof, except as otherwise provided by this subsection shall be operated in this State, unless by special permit authorized by subsection d. of this section with a dimension, the allowance of which would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving federal highway funds.

As used herein and pursuant to R. S. 39:1-1, the term "vehicle" includes, but is not limited to, commercial motor vehicles, trucks, truck tractors, tractors, road tractors, or omnibuses. As used herein and pursuant to R. S. 39:1-1, the term "combination of vehicles" includes, but is not limited to, vehicles as heretofore designated, when those vehicles are the drawing or power unit of a combination of vehicles and motor-drawn vehicles, such as, but not limited to, trailers, semi-trailers, or other vehicles.

(1) The maximum outside width of any vehicle or combination of vehicles, including load or contents of any part or portion thereof, except as otherwise provided by this subsection, shall be no more than 102 inches; except that the Commissioner of Transportation, after consultation with the Director of the Division of Motor Vehicles and the Superintendent of State Police, may promulgate rules and regulations for those public roads, streets or highways or public or quasi-public property in this State, where it is determined that
the interests of public safety and welfare require the maximum outside width be no more than 96 inches.

(2) The maximum height of any vehicle or combination of vehicles, including load or contents of any part or portion thereof, except as otherwise provided by this subsection, shall not exceed 13 feet, six inches.

(3) The maximum overall length of any vehicle, as set forth in this subsection, including load or contents or any part or portion thereof, except as otherwise provided by this subsection, shall not exceed 35 feet, except that the overall length of a vehicle, including load or contents or any part or portion thereof, otherwise subject to the provisions of this paragraph shall not exceed 50 feet when transporting poles, pilings, structural units or other articles which cannot be dismembered, dismantled or divided. When a vehicle subject to this paragraph is the drawing or power unit of a combination of vehicles, as set forth in this subsection, the overall length of the combination of vehicles, including load or contents or any part or portion thereof, shall not exceed 62 feet. The provisions of this paragraph shall not apply to omnibuses or to vehicles which are not designed, built or otherwise capable of carrying cargo or loads.

(4) The maximum overall length of a motor-drawn vehicle, as set forth in this subsection, including load or contents or any part or portion thereof, except as otherwise provided by this subsection, shall not exceed 48 feet when operated as part of a combination of vehicles consisting of one motor-drawn vehicle and a drawing or power unit vehicle not designed, built or otherwise capable of carrying cargo or loads, except that the overall length of a motor-drawn vehicle otherwise subject to the provisions of this paragraph shall not exceed 63 feet when transporting poles, pilings, structural units or other articles that cannot be dismembered, dismantled or divided. The provisions of this paragraph shall not apply to any vehicle or combination of vehicles designed, built and utilized solely to transport other motor vehicles.

(5) No combination of vehicles, including load or contents, consisting of more than two motor-drawn vehicles, as set forth in this subsection, and any other vehicle, shall be found or operated on any public road, street or highway or any public or quasi-public property in this State.

(6) The maximum overall length of a motor-drawn vehicle, as set forth in this section, including load or contents or any part or portion thereof, except as otherwise provided by this subsection,
when operated as part of a combination of vehicles consisting of
two motor-drawn vehicles and a drawing or power unit vehicle
which is not designed, built or otherwise capable of carrying cargo
or loads, shall not exceed 28 feet for each motor-drawn vehicle in
the combination of vehicles. The provisions of this paragraph shall
not apply to any vehicle or combination of vehicles designed, built
and utilized solely to transport other motor vehicles. The Com-
missioner of Transportation, after consultation with the Director
of the Division of Motor Vehicles and the Superintendent of State
Police, shall promulgate rules and regulations specifying those
portions or parts of the National System of Interstate and Defense
Highways, Federal-aid Primary System Highways and public
roads, streets, highways, toll roads, freeways or parkways in this
State where combinations of vehicles as described in this paragraph
may lawfully operate.

(7) The maximum length and outside width of an omnibus found
or operated in this State shall be established by rules and regula-
tions promulgated by the Commissioner of Transportation, after
consultation with the Director of the Division of Motor Vehicles
and the Superintendent of State Police. Unless otherwise specified
in the aforesaid rules and regulations, the maximum outside width
shall be 102 inches; any other dimension established for width in
the aforesaid rules and regulations shall be based upon a determi-
nation that operation of an omnibus with a width of less than 102
inches, but no less than 96 inches is required in the interest of
public safety on those public roads, streets, highways, toll roads,
freeways, parkways or the National System of Interstate and De-
fense Highways in this State specified in the aforesaid rules and
regulations, or that operation of an omnibus with a width greater
than 102 inches is not unsafe on those public roads, streets, high-
ways, toll roads, freeways, parkways or the National System of
Interstate and Defense Highways in this State specified in the
aforesaid rules and regulations.

(8) The maximum width and length of farm tractors and trac-
tion equipment and farm machinery and implements shall be es-
tablished by rules and regulations promulgated by the Director of
the Division of Motor Vehicles. The operation of the aforesaid
vehicles shall be subject to the provisions of R. S. 39:3-24 and they
shall not be operated on any highway which is part of the National
System of Interstate and Defense Highways or on any highway
which has been designated a freeway or parkway as provided by
law.
(9) The maximum outside width of the cargo or load of a vehicle or combination of vehicles, including farm trucks, loaded with hay or straw shall not exceed 105 1/2 inches, but the maximum outside width of the vehicle or combination of vehicles, including farm trucks, shall otherwise comply with the provisions of paragraph (1) of this subsection. The Commissioner of Transportation, after consultation with the Director of the Division of Motor Vehicles and the Superintendent of State Police, may promulgate rules and regulations establishing a maximum outside width of 102 inches for the aforesaid cargo or load when operating on those highways where a greater width is prohibited by operation of law.

(10) Notwithstanding the provisions of paragraphs (4) and (6) of this subsection pertaining to length, the Director of the Division of Motor Vehicles may adopt rules and regulations specifying maximum length dimensions for any vehicle or combination of vehicles designed, built and utilized solely to transport other motor vehicles.

(11) The provisions of this subsection pertaining to length shall not apply to a vehicle or combination of vehicles or special mobile equipment operated by a public utility, as defined in R.S. 48:2-13, when that vehicle or combination of vehicles or special mobile equipment is used by the public utility in the construction, reconstruction, repair or maintenance of its property or facilities.

b. No vehicle or combination of vehicles, including load or contents, found or operated on any public road, street or highway or any public or quasi-public property in this State shall exceed the weight limitations set forth in this Title. Violations shall be enforced pursuant to subsection j. of section 5 of P. L. 1950, c. 142 (C. 39:3-84.3).

Where enforcement of a weight limit provision of this Title requires a measurement of length between axle centers, the distance between axle centers shall be measured to the nearest whole foot or whole inch, whichever is applicable, and when the measurement includes a fractional part of a foot equaling six inches or more or a fractional part of an inch equaling one-half inch or more, the next larger whole foot or whole inch, whichever is applicable, shall be utilized. The term “tandem axle” as used in this act is defined as a combination of consecutive axles, consisting of only two axles, where the distance between axle centers is 40 inches or more but no more than 96 inches.

In addition to the other requirements of this section and notwithstanding any other provision of this Title, no vehicle or com-
CHAPTER 349, LAWS OF 1983

combination of vehicles, including load or contents, shall be operated in this State, unless by special permit authorized by this Title, with a gross weight, single or multiple axle weight, or gross weight of two or more consecutive axles, the allowance of which would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving federal highway funds.

(1) The gross weight imposed on the highway or other surface by the wheels of any one axle of a vehicle or combination of vehicles, including load or contents, shall not exceed 22,400 pounds.

For the purpose of this Title the combined gross weight imposed on the highway or other surface by all the wheels of any one axle of a vehicle or combination of vehicles, including load or contents, shall be deemed to mean the total gross weight of all wheels whose axle centers are spaced less than 40 inches apart.

(2) The gross weight imposed on the highway or other surface by all the wheels of all consecutive axles of a vehicle or combination of vehicles, including load or contents, shall not exceed 34,000 pounds where the distance between consecutive axle centers is 40 inches or more, but no more than 96 inches apart.

(3) The combined gross weight imposed on the highway or other surface by all the wheels of consecutive axles of a vehicle or combination of vehicles, including load or contents, shall not exceed 22,400 pounds for each single axle where the distance between consecutive axle centers is more than 96 inches; except that on any highway in this State which is part of, or designated as part of, the National Interstate System, as provided at 23 U.S.C. §103 (e), this single axle limitation shall not apply and in those instances the provisions of this Title as set forth at R. S. 39:3-84 b. (5) shall apply.

(4) The maximum total gross weight imposed on the highway or other surface by a vehicle or combination of vehicles, including load or contents, shall not exceed 80,000 pounds.

(5) On any highway in this State which is part of, or designated as part of, the National Interstate System, as provided at 23 U.S.C. §103 (e), the total gross weight, in pounds, imposed on the highway or other surface by any group of two or more consecutive axles of a vehicle or combination of vehicles, including load or contents, shall not exceed that listed in the following TABLE OF MAXIMUM GROSS WEIGHTS, for the respective distance, in feet, between the axle centers of the first and last axles of the group of
two or more consecutive axles under consideration; except that in
addition to the weights specified in that Table, two consecutive sets
of tandem axles may carry a gross weight of 34,000 pounds each if
the overall distance between the first and last axles of the con­
csecutive sets of tandem axles is thirty-six feet or more. The gross
weight of each set of tandem axles shall not exceed 34,000 pounds and the
combined gross weight of the two consecutive sets of tandem axles
shall not exceed 68,000 pounds.

In all cases the combined gross weight for a vehicle or combina­
tion of vehicles, including load or contents, or the maximum gross
weight for any axle or combination of axles of the vehicle or com­
bination of vehicles, including load or contents, shall not exceed
that which is permitted pursuant to this paragraph or R. S. 39:3–84 b. (2); R. S. 39:3–84 b. (3); or R. S. 39:3–84 b. (4) of this
act, whichever is the lesser allowable gross weight.

c. The dimensional and weight restrictions set forth herein shall not apply to a combination of vehicles which includes a disabled vehicle or a combination of vehicles being removed from a highway in this State, provided that such oversize or overweight vehicle combination may not travel on the public highways more than five miles from the point where such disablement occurred. If the disablement occurred on a limited access highway, the distance to the nearest exit of such highway shall be added to the five-mile limitation.

d. The Director of the Division of Motor Vehicles may promulgate rules and regulations, including the establishment of fees, for the issuance, at his discretion and if good cause appears, of a special written permit authorizing the applicant:

(1) To operate or move a vehicle or combination of vehicles or special mobile equipment, transporting one piece loads that cannot be dismembered, dismantled or divided in order to comply with the weight limitations set forth in this act. The special written permit issued by the director shall be in the possession of the driver or operator of the vehicle or combination of vehicles or special mobile equipment for which said permit was issued; and
(2) To operate or move a vehicle or combination of vehicles or specialized mobile equipment, transporting a load or cargo that cannot be dismembered, dismantled or divided in order to comply with the dimensional limitations set forth in this act. The special written permit shall be in the possession of the driver or operator of the vehicle or combination of vehicles or special mobile equipment for which the permit was issued; and

(3) Under emergency conditions, to operate or move a type of vehicle or combination of vehicles or special mobile equipment of a size or weight, including load or contents, which exceeds the maximum size or weight limitations specified in this act.

3. Section 3 of P. L. 1959, c. 142 (C. 39:3-84.1) is amended to read as follows:

C. 39:3-84.1 Constructor, solid waste vehicles.

3. The axle weight limitations as provided at R. S. 39:3-84b, shall apply to all vehicles registered in New Jersey subsequent to March 1, 1950, which have not been registered therein or contracted for purchase by New Jersey residents prior to that date. The weight limitations provided at R. S. 39:3-84 b. (1); R. S. 39:3-84 b. (2); and R. S. 39:3-84 b. (3) relative to maximum gross axle weights shall not apply to vehicles registered as "constructor" or "solid waste" vehicles or to a combination of vehicles of which the "constructor" or "solid waste" vehicle is the drawing vehicle as provided at R. S. 39:3-20, except that said limitations shall apply to vehicles registered as "solid waste" when operated on any highway which is part of the National System of Interstate and Defense Highways, as provided at 23 U. S. C. § 103 (e). The provisions of R. S. 39:3-84 b. (5) shall apply to vehicles registered as "constructor" or "solid waste" or to a combination of vehicles of which the "constructor" or "solid waste" vehicle is the drawing vehicle as provided in R. S. 39:3-20, except that for any vehicle registered as a "constructor" or any combination of vehicles of which the drawing vehicle is registered as a "constructor," the provisions of R. S. 39:3-84b.(5) shall not apply; provided the vehicle or combination of vehicles is operated within an area that is 30 miles or less from the point established as a headquarters for the particular construction operation. Vehicles registered as "constructor" or "solid waste" or a combination of vehicles of which the "constructor" or "solid waste" vehicle is the drawing vehicle shall be limited to a maximum gross vehicle weight, including load or contents, as shown on the registration certificate of that vehicle.
4. Section 5 of P. L. 1950, c. 142 (C. 39:3-84.3) is amended to read as follows:

C. 39:3-84.3 Measurement, weighing to determine compliance.

5. a. Any State Police officer or motor vehicle inspector is authorized to require the driver, operator, owner, lessee or bailee of any vehicle or combination of vehicles found on any public road, street or highway or on any public or quasi-public property in this State to stop and submit the vehicle or combination of vehicles, including load or contents, to measurement or weighing to determine whether the size or weight of the vehicle or combination of vehicles, including load or contents, is in excess of that permitted in this Title, by means of measuring or weighing devices or scales approved and certified by the State Superintendent of Weights and Measures or his agent. Copies of documents displaying the seal or certification of the State Superintendent of Weights and Measures shall be prima facie evidence of the reliability and accuracy of the measuring or weighing devices or scales utilized in the enforcement of this Title. The driver, operator, owner, lessee or bailee of a vehicle or combination of vehicles, including load or contents, that is to be measured or weighed may be required to drive or otherwise move the vehicle or combination of vehicles to a location, as directed by the officer or inspector, where the vehicle or combination of vehicles, including load or contents, can be measured or weighed, as described in this section.

b. Whenever the officer or inspector, upon measuring or weighing a vehicle or combination of vehicles, including load or contents, determines that the size or weight is in excess of the limits permitted in this Title, the officer or inspector shall require the driver, operator, owner, lessee or bailee to stop the vehicle or combination of vehicles in a suitable place and remain in that place until a portion of the load or contents of the vehicle or combination of vehicles is removed by the driver, operator, owner, lessee, bailee or duly appointed agent thereof, as may be necessary to conform or reduce the size or weight of the vehicle or combination of vehicles, including load or contents, to those limits as permitted under this act, or permitted by the certificate of registration for the vehicle or combination of vehicles, whichever may be lower. All materials so unloaded or removed shall be cared for by the driver, owner, operator, lessee or bailee of the vehicle or combination of vehicles, or duly appointed agent thereof, at the risk, responsibility and liability of the driver, owner, operator, lessee, bailee or duly appointed agent thereof.
c. No vehicle or combination of vehicles shall be deemed to be in violation of the weight limitation provision of this act, when, upon examination by the officer or inspector, the dispatch papers for the vehicle or combination of vehicles, including load or contents, show it is proceeding from its last preceding freight pickup point within the State of New Jersey by a reasonably expeditious route to the nearest available scales or to the first available scales in the general direction towards which the vehicle or combination of vehicles has been dispatched, or is returning from such scales after weighing-in to the last preceding pickup point.

d. When the officer or inspector determines that a vehicle or combination of vehicles, including load or contents, is in violation of the weight limitations of this Title as provided at R.S. 39:3-84 b. (1); R.S. 39:3-84 b. (2); R.S. 39:3-84 b. (3); or R.S. 39:3-84 b. (5) relative to maximum gross axle weights, but is within the permissible maximum gross vehicle weight of this Title as provided at R.S. 39:3-84 b. (4) or R.S. 39:3-84 b. (5), whichever is applicable, the driver, operator, owner, lessee, bailee or duly appointed agent thereof shall be permitted, before proceeding, to redistribute the weight of the vehicle or combination of vehicles or the load or contents of the vehicle or combination of vehicles so that no axle or combination of consecutive axles are in excess of the limits set by this act, in which event there is no violation.

e. When the officer or inspector determines that a vehicle or combination of vehicles, including load or contents, is in violation of the height, width or length limits of this Title as provided at R.S. 39:3-84a., the driver, operator, owner, lessee or bailee of the vehicle or combination of vehicles or duly appointed agent thereof shall be permitted, before proceeding, to adjust, reduce or conform the vehicle or combination of vehicles, including load or contents, so that the vehicle or combination of vehicles, including load or contents, are not in excess of the height, width, or length limits set by this act, in which event there is no violation.

f. The provisions of this subsection shall not apply to a vehicle or combination of vehicles, including load or contents, found or operated on any highway in this State which is part of or designated as part of the National Interstate System, as provided at 23 U.S.C. § 103(e). No arrest shall be made or summons issued for a violation of the weight limitations provided in this act at R.S. 39:3-84b. where the excess weight is no more than 5% of the weight permitted, provided the gross weight of the vehicle or combination of vehicles, including load or contents, does not exceed the maxi-
mum gross weight of 80,000 pounds as set forth at R. S. 39:3–84b. (4).

   g. Any person who presents to the officer or inspector, or has in his possession, or who prepares false dispatch papers, that is to say, dispatch papers which do not correspond to the cargo carried, shall be subject to a fine not to exceed $100.00.

   h. Any driver of a vehicle or combination of vehicles who fails or refuses to stop and submit the vehicle or combination of vehicles, including load or contents, to measurement or weighing, as provided in this Title, or otherwise fails to comply with the provisions of this section, shall be subject to a fine not exceeding $200.00.

   i. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 26:2M-1 Findings, determinations.

1. The Legislature finds and determines:

a. In recent years Alzheimer’s disease has come to be recognized as presenting a medical and social problem of grave dimensions.

e. No effective treatment for this disease is at present known, and proper care for persons afflicted with it is difficult and expensive to procure; coping with the needs of those afflicted becomes more arduous as the disease progresses; and adequate care for those afflicted is beyond the means of many families.

d. It is appropriate that State Government take due cognizance of this significant problem in the field of public health and social welfare; that it take such measures as may be feasible and appropriate to ease the burdens of the afflicted and their families; and that it facilitate the study and awareness of means to care for the victims of Alzheimer’s disease and of present or prospective approaches to the treatment of the disease.

b. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made.

c. Members of the commission shall serve without compensation, but shall be entitled to reimbursement for actual expenses necessarily incurred in carrying out their duties as members of the commission.

C. 26:2M-3 Organization.

3. The commission shall organize as soon as may be practicable after the appointment of its members and shall select a chairman
from among its members and a secretary who need not be a member of the commission.

C. 26:2M-4 Duties.

4. It shall be the duty of the commission:
   a. To study the extent and severity of the incidence of Alzheimer's disease in this State, with due consideration to the consequent need for specialized modes and facilities for the care of those afflicted;
   b. To study the needs of both the victims of the disease and their families, the availability and affordability of long-term care arrangements, including in-home care and other alternatives to institutionalization;
   c. To gather and disseminate data and information relative to the care and treatment of persons afflicted with this disease, so as to stimulate awareness and provide accurate data for health care professionals and governmental policymakers having responsibilities relevant to this problem.

C. 26:2M-5 Personnel; expenses.

5. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for the purposes of carrying out its duties under this act, and to employ such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for those purposes.

6. The commission may meet and hold hearings at such place or places as it shall designate during the sessions or recesses of the Legislature, and shall report its findings and recommendations to the Governor and the Legislature, accompanying the same with any legislative bills which it may desire to recommend for adoption by the Legislature, as soon as may be practicable after its appointment and organization, and from time to time thereafter as it may deem appropriate in the development of its studies pursuant to section 4 of this act.

7. This act shall take effect immediately.

Approved September 29, 1983.

CHAPTER 354

An Act authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in the sum of $135,000,000.00 to provide money for public acquisition and development of lands for recreation and conservation purposes to meet the future needs of the expanding population; to enable the State to acquire and develop lands for recreation and conservation purposes; and to provide for grants and loans to assist municipalities and counties and other units of local government to acquire and develop lands for recreation and conservation purposes; providing the ways and means for establishing a revolving fund for such grants and loans; providing the ways and means to pay the interest of said debt and also to pay and discharge the principal thereof; and providing for the submission of this act to the people at a general election.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "New Jersey Green Acres Bond Act of 1983."

2. The Legislature finds that:

a. The provision of lands for public recreation and the conservation of natural resources promotes the public health, prosperity and general welfare and is a proper responsibility of government;

b. Lands now provided for these purposes will not be adequate to meet the needs of an expanding population in years to come;

c. The expansion of population, while increasing the need for these lands, will continually diminish the supply and tend to
increase the cost of public acquisition of lands available and appropriate for these purposes in the future;

d. It is necessary to provide incentives, in the form of grants and loans, to assist local units to acquire lands which have significant recreation and conservation attributes;

e. It is also necessary to provide funds to assure that lands which have been or may hereafter be acquired for recreation and conservation purposes can be developed so as to provide public recreation, preserve historic resources, and provide conservation opportunities and to implement the New Jersey Statewide Comprehensive Outdoor Recreation Plan;

f. The State of New Jersey must act now to acquire and develop as well as to assist local units to acquire and develop substantial quantities of such lands as are now available and appropriate for these purposes so that they may be used and preserved for use for these purposes;

g. The establishment of a mechanism for a continuing source of low-interest loans to local government units for the acquisition and development of lands for recreation and conservation will reduce the cost of and facilitate continuing acquisition programs; and

h. The sum of $135,000,000.00 is needed at this time to make this acquisition and development possible.

3. a. Bonds of the State of New Jersey in the sum of $135,000,000.00 are authorized to provide moneys to meet the cost of public acquisition and development of lands by the State for recreation and conservation purposes, and to provide loans and grants to local government units to help meet the cost of public acquisition and development of lands for recreation and conservation purposes.

b. Of the $135,000,000.00 in bonds authorized under subsection a. herein, $52,000,000.00 in bonds is allocated for the acquisition and development of lands by the State.

c. Of the $135,000,000.00 in bonds authorized under subsection a. herein, $83,000,000.00 in bonds is allocated for grants or loans to local government units for acquisition or development of land. Of the $83,000,000.00 in bonds allocated pursuant to this subsection, not less than $27,000,000.00 in bonds shall be allocated for grants and loans to local government units for the acquisition and development of land located in urbanized areas. Of the amount of bonds allocated for grants and loans to local government units for the acquisition and development of land located in urbanized areas, not
less than 66% shall be allocated for grants and loans to local
government units for the acquisition and development of land
located in municipalities which in any year subsequent to the enact-
ment of P. L. 1978, c. 14 (C. 52:27D-178 et seq.) were eligible to
receive State aid pursuant to that act.

d. To the end that municipalities may not suffer a loss of taxes
by reason of the acquisition and ownership by the State of New
Jersey of property under the provisions of this act, the State shall
pay annually on October 1 to each municipality in which property
is so acquired, for a period of 13 years following this acquisition
the following amounts: in the first year a sum of money equal to
the tax last assessed and last paid by the taxpayer upon this land
and the improvements thereon for the taxable year immediately
prior to the time of its acquisition and thereafter the following
percentages of the amount paid in the first year, to wit: second
year, 92%; third year, 84%; fourth year, 76%; fifth year, 68%;
sixth year, 60%; seventh year, 52%; eighth year, 44%; ninth year,
36%; 10th year, 28%; 11th year, 20%; 12th year, 12%; 13th year,
4%. In the event that land acquired by the State pursuant to this
act was assessed at an agricultural and horticultural use valuation
in accordance with provisions of the "Farmland Assessment Act
of 1964," P. L. 1964, c. 48 (C. 54:4-23.1 et seq.), at the time of its
acquisition by the State, no rollback tax pursuant to section 8 of
P. L. 1964, c. 48 (C. 54:4-23.8) shall be imposed as to this land
nor shall this rollback tax be applicable in determining the annual
payments to be made by the State to the municipality in which
this land is located.

All sums of money received by the respective municipalities as
compensation for loss of tax revenue pursuant to this section shall
be applied to the same purposes as is the tax revenue from the
assessment and collection of taxes on real property of these mu-
nicipalities, and to accomplish this end the sums shall be appor-
tioned in the same manner as the general tax rate of the municipal-
ity for the tax year preceding the year of receipt.

4. a. The cost of lands to be acquired or developed by the State
for recreation and conservation purposes using the proceeds of
bonds issued by the State under this act shall include 100% of
the costs of acquisition or development of these lands by the State.

b. The cost of lands to be acquired or developed by a local gov-
ernment unit with a grant provided by the State under this act
shall include not more than 25% of the cost of acquisition or
development of these lands by a local government unit, provided, however, that at such times as the balance of the "Green Trust Fund" exceeds $83,000,000.00, the commissioner, in consultation with the State Treasurer, may increase the State's share of the cost of acquisition to a maximum of 50%. The local share of the cost of this acquisition may be reduced by the (1) fair market value, as determined by the commissioner, of any portion of the lands to be acquired which have been donated to, or otherwise received without cost by, the local unit; or (2) in the case of a conveyance to a local unit of the lands or any portion thereof at less than fair market value, by the difference between fair market value thereof at the time of the conveyance and the conveyance price thereof to the local unit.

c. The cost of lands to be acquired or developed by a local government unit with a loan provided by the State using proceeds of bonds issued by the State under this act shall include up to 100% of the cost of acquisition or development of these lands. The local share of the cost of this acquisition may be reduced in the manner provided in subsection b. of this section.

d. Loans made to local government units from the Green Trust Fund shall bear interest of not more than 2% per year, and shall be for a term of not more than 20 years.

e. No money from the Green Trust Fund shall be expended for a grant to a local government unit until such time as the sums available pursuant to P.L. 1961, c. 46; P.L. 1971, c. 165; P.L. 1974, c. 102; and P.L. 1978, c. 118 for that particular grant category have been appropriated and obligated.

5. As used in this act:

date of its issuance but may be issued in whole or in part for a shorter term. These bonds may be issued in coupon form, fully-registered form or book-entry form. Said bonds shall be issued from time to time as money is required for the purpose aforesaid, as the issuing officials herein named shall determine.

8. The Governor, State Treasurer and the Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials") are authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith, subject to provisions thereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

9. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and for the payment of the principal at maturity. 11. a. Such bonds shall recite that they are issued for the purposes set forth in section 3 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1983 and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State
to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

b. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

12. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

13. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale at such price or prices and under such terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

14. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.
15. The State Treasurer shall establish a fund to be known as the "1983 New Jersey Green Acres Fund," to be held in such depositories as may be selected by him, and shall deposit into the fund all proceeds of bonds issued by the State under this act for the purpose of acquisition and development of lands by the State. The moneys in said fund are specifically dedicated to meeting the cost of public acquisition and development of lands for recreation and conservation purposes and shall not be expended except in accordance with appropriations from such fund made by law. Any act appropriating moneys from the "1983 New Jersey Green Acres Fund" shall identify the particular project or projects to be funded with such moneys.

16. The State Treasurer shall also establish a fund to be known as the "Green Trust Fund," to be held in such depositories as may be selected by him, and transfer to the fund those moneys in the "1983 Green Acres Fund" which are required for the purpose of making loans and grants to local government units, all moneys derived from the payment of interest and principal on such loans by local government units, and such grants, contributions, donations and reimbursement from federal aid programs as may lawfully be used for the purposes of making loans and grants to local government units. The moneys in said fund are specifically dedicated to meeting the cost of the making of loans and grants to local government units for the acquisition and development of lands for recreation and conservation purposes and shall not be expended except in accordance with appropriations from the fund made by law. Any act appropriating moneys from the "Green Trust Fund" shall identify the particular project or projects to be funded with such moneys.

17. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is authorized to transfer from any available money in the treasury of the State to the credit of the "1983 New Jersey Green Acres Fund" or the "Green Trust Fund," as the case may be, such sum as may be deemed necessary for the purposes of this act by the State House Commission, which said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

18. Pending their application to the purposes provided in this act, moneys in the "1983 New Jersey Green Acres Fund" or the "Green
Trust Fund'' may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. All earnings received from the investment or deposit of moneys in the "Green Trust Fund'' shall be redeposited and become a part of that fund. Earnings received from the investment or deposit of moneys in the "1983 New Jersey Green Acres Fund'' shall be paid into the general treasury and become a part of the General Fund.

19. Any proceeds from the sale of lands acquired with funds made available by this act may be deposited in any fund established pursuant to P. L. 1961, c. 46; P. L. 1971, c. 165; P. L. 1974, c. 102; P. L. 1978, c. 118; or any subsequent bond act enacted for similar purposes.

20. In case any coupon bonds and coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction and also such security and indemnity as the issuing officials may require.

21. Any accrued interest received upon the sale of said bonds which is derived from the $52,000,000.00 allocated for State acquisition and development projects shall be applied to discharge of a like amount of interest upon said bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, registration, authentication, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

22. The bonds shall mature, including any sinking fund redemptions, at such times, not more than 35 years following the date of issuance thereof, and in such amounts as the issuing officials shall determine. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds. Refunding bonds may be consolidated with bonds issued under this act or any other act for the purpose of sale.
23. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, provided such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest which would be paid on the bonds refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

24. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is appropriated in the order following:

a. Revenue derived by the State from fees and other charges of any nature made for the use of State parks and other State recreational facilities or so much thereof as may be required;

b. Revenue derived from the tax collected under and by virtue of the provisions of the "Corporation Business Tax Act (1945)," P.L. 1945, c. 162 (C. 54:10A-1 et seq.), as amended and supplemented, or so much thereof as may be required; and

c. If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected
in the same manner and at the same time as other taxes upon real
and personal property are assessed, levied and collected. The
governing body of each municipality shall cause to be paid to the
county treasurer of the county in which such municipality is
located, on or before December 15 in each year, the amount of tax
herein directed to be assessed and levied, and the county treasurer
shall pay the amount of said tax to the State Treasurer on or before
December 20 in each year.

If on or before December 31 in any year the issuing officials shall
determine that there are moneys in the General Fund beyond the
needs of the State, sufficient to meet the principal of bonds falling
due and all interest payable in the ensuing calendar year, then and
in that event such issuing officials shall by resolution so find and
shall file the same in the office of the State Treasurer, whereupon
the State Treasurer shall transfer such moneys to a separate fund
to be designated by him, and shall pay the principal and interest out
of said fund as the same shall become due and payable, and the
other sources of payment of said principal and interest provided for
in this section shall not then be available, and the receipts for said
year from the fees, charges and taxes specified in subsections a.
and b. of this section shall be treated as part of the General Fund,
available for general purposes.

25. Should the State Treasurer by December 31 of any year deem
it necessary, because of insufficiency of funds to be collected from
the sources of revenues as hereinabove provided, to meet the
interest and principal payments for the year after the ensuing
year, then the treasurer shall certify to the Comptroller of the
Treasury the amount necessary to be raised by taxation for such
purposes, the same to be assessed, levied and collected for and in
the ensuing calendar year. In such case the Comptroller of the
Treasury shall, on or before March 1 following, calculate the
amount in dollars to be assessed, levied and collected as herein set
forth in each county. Such calculation shall be based upon the
corrected assessed valuation of each county for the year preceding
the year in which such tax is to be assessed, but such tax shall be
assessed, levied and collected upon the assessed valuation of the
year in which the tax is assessed and levied. The Comptroller of the
Treasury shall certify said amount to the county board of taxation
and the county treasurer of each county. The county board of taxa-
tion shall include the proper amount in the current tax levy of the
several taxing districts of the county in proportion to the ratables as ascertained for the current year.

26. For the purpose of complying with the provisions of the State Constitution, this act shall, at the general election to be held in the month of November, 1983, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect, and at least 15 days prior to the election, to cause this act to be published in at least 10 newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the clerks respectively shall cause to be printed on each of the ballots, the following:

Any bonds containing that recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

b. The bonds shall be issued in denominations and in a form or forms, whether coupon or registered as to both principal and

Each series of bonds shall bear the rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. These bonds shall be issued and sold at such price or prices and under the terms, conditions and regulations, as the issuing officials may prescribe, after notice of the sale, published at least once in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least five days prior to the day of bidding. In the event of rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of the advertised sale, may sell the bonds at private sale at such price or prices and under the terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

13. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of the permanent bonds temporary bonds in the form and with the privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in the depositories as may be selected by him to the credit of the fund, which fund shall be known as the “Shore Protection Fund.”

15. a. The moneys in the “Shore Protection Fund” are hereby specifically dedicated and shall be applied to the cost of the purposes set forth in section 5 of this act, and all such moneys are hereby appropriated for those purposes, and no such moneys shall
be expended for such purpose (except as otherwise hereinbelow authorized) without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided, notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of the moneys.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the treasury of the State to the credit of the "Shore Protection Fund" a sum as he may deem necessary. The sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

c. 17. Accrued interest received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds, by the State Treasurer upon the warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the thirty-fifth year from the date of issue of the series, and in such amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of the bonds prior to maturity.
at the price or prices and upon the terms and conditions as may be provided in the bonds.

19. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, provided the refunding bonds shall mature at any time or times not later than the latest maturity date of the series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest which would be paid on the bonds refunded if the bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

20. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:
   a. Revenue derived from the collection of taxes as provided by the “Sales and Use Tax Act” (P. L. 1966, c. 30; C. 54:32B-1 et seq.) as amended and supplemented, or so much thereof as may be required; and
   b. If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes
upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event the issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by him, and shall pay the principal and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall thereon be considered and treated as part of the General State Fund, available for general purposes.

21. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as herinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for those purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In this case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of each county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify the amount to the county board of taxation and the county treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.
22. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, 1983 be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect, and at least 15 days prior to the election, to cause this act to be published in at least 10 newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the clerks respectively, in accordance with the instructions of the Secretary of State, shall cause to be printed on each of the said ballots, the following:

CHAPTER 357

AN ACT concerning financial disclosure and excess profits by automobile insurers, and supplementing P. L. 1944, c. 27 (C. 17:29A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 17:29A-5.2 Financial disclosure by automobile insurers.

1. a. An insurer transacting private passenger automobile insurance business in this State shall annually file, on or before July 1 of each year, separate financial information with the commissioner required pursuant to paragraphs (1) through (10) of this subsection for the following categories of private passenger automobile coverages: bodily injury liability; property damage liability; uninsured motorist and underinsured motorist; personal injury protection benefits; comprehensive; collision. The information shall be on direct insurance writings in this State, and shall represent total limits data. The information required pursuant to paragraphs (1) through (10) shall be for each of the latest three calendar-accident years and for all three years combined, with an evaluation date of March 31 of the reporting year.

The financial information shall include:

(1) Premiums earned;
(2) Policyholder dividends incurred;
(3) Expenses for acquisition and general expenses;
(4) Expenses for agents' commissions, taxes, licenses and fees;
(5) Profit and contingency factors as utilized in the insurer's automobile rate filings for the applicable years;
(6) Losses paid;
(7) Losses unpaid stated at the final settlement value;
(8) Loss adjustment expenses paid; and
(9) Loss adjustment expenses unpaid stated at the final settlement value;
(10) Actuarial gain or loss, equal to the difference between paragraph (1) and the sum of paragraphs (2) through (9), inclusive.

b. Each insurer subject to the provisions of subsection a. which has an actuarial gain as set forth in paragraph (10) of subsection a. for all coverages combined and all years combined shall also file with the commissioner the following information for direct private passenger automobile insurance business transacted in this State, to be reported on a calendar year basis not later than April 15 of the following year:
(1) Direct premiums written;
(2) Direct premiums earned;
(3) Loss reserves for all known claims for the beginning and end of the year;
(4) Reserves for losses incurred but not reported for the beginning and end of the year;
(5) Incurred allocated loss adjustment expenses;
(6) Incurred unallocated loss adjustment expenses;
(7) Direct losses paid;
(8) Underwriting income or loss;
(9) Commissions and brokerage fees;
(10) Taxes, licenses, and fees;
(11) Other acquisition costs;
(12) General expenses;
(13) Policyholder dividends; and
(14) Net investment gain or loss and other income gain or loss allocated pro rata by earned premium to New Jersey business utilizing the investment allocation formula contained in the National Association of Insurance Commissioners’ Profitability Report by line by state.

Any insurer which does not write at least 0.5% of the New Jersey private passenger automobile market, based on direct premiums written, shall not have to file any report required by this section, other than a report indicating its percentage of the market share. That percentage shall be calculated by dividing the insurer’s current premiums written in this State by the preceding year's total premiums written by all those insurers.
A summary of the information provided pursuant to this section shall be provided in the commissioner's annual report.

The financial information required by this act shall be filed on July 1 next following the operative date of this act for the preceding calendar year.

"Private passenger automobile" means an automobile as defined in section 2 of P. L. 1972, c. 70 (C. 39: 6A-2).

2. Excess profits shall exist if the combined underwriting gain for the three most recent calendar-accident years of an insurer transacting automobile insurance in this State is greater than the insurer's anticipated underwriting profit, plus 5% of earned premiums for those calendar-accident years. An insurer's underwriting gain or loss for each calendar-accident year shall be computed by subtracting the sum of the accident year incurred losses and loss adjustment expenses as of March 31 of the following year, developed to an ultimate basis, plus the administrative and selling expenses incurred in, and policyholder dividends applicable to the calendar year, from the calendar year earned premiums. Any refund or renewal credit made pursuant to this section shall be deemed a policyholder dividend applicable to the year in which it is incurred, for purposes of reporting under this section for subsequent years.

Anticipated underwriting profit shall be computed by multiplying the earned premiums applicable to each rate filing of the insurer in effect during the three-year period by the percentage factor included in the rate filing for profit and contingencies, which factor shall be determined with due recognition to investment income from funds generated by New Jersey business. Separate calculations need not be made for consecutive rate filings containing the same percentage factor for profits and contingencies.

Excess profits reporting shall be made to the commissioner, on forms prescribed by the commissioner, not later than July 1 of each year.

The first calculation and reporting of excess profits data shall begin with the third year for which financial reports are filed in accordance with section 1 of this act.

3. Every insurer transacting private passenger automobile insurance in this State shall establish, subject to the approval of the
commissioner, a fair, practicable and nondiscriminatory plan for the refund or application of credit against a policy renewal to current policyholders of any excess profits earned by the insurer from all private passenger automobile coverages written in this State. If the commissioner finds that an excess profit, as defined in section 2 of this act, has been made by any insurer, he shall, after giving notice to the insurer, order the insurer to redistribute all excess profits.

C. 17:29A-5.5 Regulations.

4. The commissioner shall adopt regulations with respect to refunds, renewal credits and any other matter that he may deem necessary or appropriate for the implementation of the provisions of this act.

5. This act shall take effect immediately but remain inoperative until January 1, 1984.

Approved October 4, 1983.

CHAPTER 358

AN ACT providing for the arbitration of certain automobile accident claims in certain cases.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The purpose and intent of this act is to establish an informal system of settling tort claims arising out of automobile accidents in an expeditious and least costly manner, and to ease the burden and congestion of the State's courts.

2. a. Any cause of action filed in the Superior Court after the operative date of this act, for the recovery of noneconomic loss, as defined in section 2 of P. L. 1972, c. 70 (C. 39:6A-2), or the recovery of uncompensated economic loss, other than for damages to property, arising out of the operation, ownership, maintenance or use of an automobile, as defined in that section 2, shall be submitted, except as hereinafter provided, to arbitration by the assignment judge of the court in which the action is filed, if the court determines that the
amount in controversy is $15,000.00 or less, exclusive of interest and costs; provided that if the action is for recovery for both non-economic and economic loss, the controversy shall be submitted to arbitration if the court determines that the amount in controversy for noneconomic loss is $15,000.00 or less, exclusive of interest and costs.

b. Notwithstanding that the amount in controversy of an action for noneconomic loss is in excess of $15,000.00, the court may refer the matter to arbitration, if all of the parties to the action consent in writing to arbitration and the court determines that the controversy does not involve novel legal or unduly complex factual issues.

No cause of action determined by the court to be, upon proper motion of any party to the controversy, frivolous, insubstantial or without actionable cause shall be submitted to arbitration.

The provisions of this section shall not apply to any controversy on which an arbitration decision was rendered prior to the filing of the action.

The provisions of this section shall apply to any cause of action, subject to this section, filed prior to the operative date of this act, if a pretrial conference has not been concluded thereon.

3. Submission of a controversy to arbitration shall toll the statute of limitations for filing an action until the filing of the arbitration decision in accordance with section 7 of this act.

4. a. The number or selection of arbitrators may be stipulated by mutual consent of all of the parties to the action, which stipulation shall be made in writing prior to or at the time notice is given that the controversy is to be submitted to arbitration. The assignment judge shall approve the arbitrators agreed to by the parties, whether or not the designated arbitrators satisfy the requirements of subsection b. of this section, upon a finding that the designees are qualified and their serving would not prejudice the interest of any of the parties.

b. If the parties fail to stipulate the number or names of the arbitrators, the arbitrators shall be selected, in accordance with the Rules of Court adopted by the Supreme Court of New Jersey, from a list of arbitrators compiled by the assignment judge, to be comprised of retired judges and qualified attorneys in this State.
with at least seven years' negligence experience and recommended by the county or State bar association.

C. 39:6A-28 Compensation; fees; offers of judgment.

5. Compensation for arbitrators shall be set by the Rules of the Supreme Court of New Jersey. The Supreme Court may also establish a schedule of fees for attorneys representing the parties to the dispute and for witnesses in arbitration proceedings. Attorney's fees may exceed these limits upon application made to the assignment judge in accordance with the Rules of the Court for the purpose of determining a reasonable fee in the light of all the circumstances.

The Supreme Court may adopt rules governing offers of judgment by the claimant or defendant prior to the start of arbitration, including the assessment of the costs of arbitration proceedings and attorney's fees, where an offer is made but refused by the other party to the controversy.

6. The arbitrators may, at their initiative or at the request of any party to the arbitration, issue subpoenas for the attendance of witnesses and the production of books, records, documents and other evidence. Subpoenas shall be served and shall be enforceable in the manner provided by law.

7. Notwithstanding that a controversy was submitted pursuant to subsection a. of section 2 of this act, the arbitration award for noneconomic loss may exceed $15,000.00. The arbitration decision shall be in writing, and shall set forth the issues in controversy, and the arbitrators' findings and conclusions of law and fact.

8. Unless one of the parties to the arbitration petitions the court, within 30 days of the filing of the arbitration decision with the court: a. for a trial de novo, or b. for the modification or vacation of the arbitration decision for any of the reasons set forth in chapter 24 of Title 2A of the New Jersey Statutes, or an error of law or factual inconsistencies in the arbitration findings, the court shall, upon motion of any of the parties, confirm the arbitration decision, and the action of the court shall have the same effect and be enforceable as a judgment in any other action.

9. Except in the case of an arbitration decision vacated by the court or offers of judgment made pursuant to court rules, the party
petitioning the court for a trial de novo shall pay to the court the fees of the arbitrators.

C. 39:6A-33 Arbitration decision inadmissible.

10. No statements, admissions or testimony made at the arbitration proceedings, nor the arbitration decision, as confirmed or modified by the court, shall be used or referred to at the trial de novo by any of the parties, except that the court may consider any of those matters in determining the amount of any reduction in assessments made pursuant to section 11 of this act.

C. 39:6A-34 Assessment of costs.

11. The party having filed for a trial de novo shall be assessed court costs and other reasonable costs of the other party to the judicial proceeding, including attorney's fees, investigation expenses and expenses for expert or other testimony or evidence, which amount shall be, if the party assessed the costs is the one to whom the award is made, offset against any damages awarded to that party by the court, and only to that extent; except that if the judgment is more favorable to the party having filed for a trial de novo, the court may reduce or eliminate the amount of the assessment in accordance with the extent to which the decision of the court is more favorable to that party than the arbitration decision, and as best serves the interest of justice. The court may waive an assessment of costs required by this section upon a finding that the imposition of costs would create a substantial economic hardship as not to be in the interest of justice.

12. The Supreme Court of New Jersey shall adopt Rules of Court appropriate or necessary to effectuate the purpose of this act. The Administrative Office of the Courts shall not later than March 1 of each year file with the Governor and Legislature a report on the impact of the implementation of this act on automobile insurance settlement practices and costs, and on court calendars and workload.

13. This act shall take effect immediately but sections 1 through 11 shall remain inoperative until January 1, 1984 or until the adoption of appropriate rules by the Supreme Court of New Jersey, whichever shall be later.

Approved October 4, 1983.

CHAPTER 362

CHAPTER 362, LAWS OF 1983 1539

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P. L. 1968, c. 385 (C. 17:28-1.1) is amended to read as follows:

C. 17:28-1.1 Uninsured, underinsured motorist coverage.

2. a. No motor vehicle liability policy, or renewal of such policy, of insurance, including a liability policy for an automobile as defined in section 2 of P. L. 1972, c. 70 (C. 39:6A-2), insuring against loss resulting from liability imposed by law for bodily injury or death, sustained by any person arising out of the ownership, maintenance or use of a motor vehicle, shall be issued in this State with respect to any motor vehicle registered or principally garaged in this State unless it includes coverage in limits for bodily injury or death as follows:

(1) an amount or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person, in any one accident, and

(2) an amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to or death of more than one person, in any one accident,

under provisions approved by the Commissioner of Insurance, for payment of all or part of the sums which the insured or his legal representative shall be legally entitled to recover as damages from the operator or owner of an uninsured motor vehicle, or hit and run motor vehicle, as defined in section 18 of P. L. 1952, c. 174 (C. 39:6-78), because of bodily injury, sickness or disease, including death resulting therefrom, sustained by the insured, caused by accident and arising out of the ownership, maintenance or use of such uninsured or hit and run motor vehicle anywhere within the United States or Canada; except that uninsured motorist coverage shall provide that in order to recover for noneconomic loss, as defined in section 2 of P. L. 1972, c. 70 (C. 39:6A-2), for accidents to which the benefits of section 4 of that act apply (C. 39:6A-4) the injured person shall have sustained an injury or incurred the medical expenses described under the tort option elected pursuant to section 8 of that act (C. 39:6A-8).

All motor vehicle liability policies shall also include coverage for the payment of all or part of the sums which persons insured thereunder shall be legally entitled to recover as damages from owners or operators of uninsured motor vehicles, other than hit and
run motor vehicles, because of injury to or destruction to the personal property of such insured, with a limit in the aggregate for all insureds involved in any one accident of $5,000.00, and subject, for each insured, to an exclusion of the first $250.00 of such damages.

b. Uninsured and underinsured motorist coverage shall be provided as an option by an insurer to the named insured up to at least the following limits: $250,000.00 each person and $500,000.00 each accident for bodily injury; $100,000.00 each accident for property damage or $500,000.00 single limit, subject to an exclusion of the first $250.00 of such damage to property for each accident, except that the limits for uninsured and underinsured motorist coverage shall not exceed the insured's motor vehicle liability policy limits for bodily injury and property damage, respectively.

Rates for uninsured and underinsured motorist coverage for the same limits shall, for each filer, be uniform on a Statewide basis without regard to classification or territory.

c. Uninsured and underinsured motorist coverage provided for in this section shall not be increased by stacking the limits of coverage of multiple motor vehicles covered under the same policy of insurance nor shall these coverages be increased by stacking the limits of coverage of multiple policies available to the insured. If the insured had uninsured motorist coverage available under more than one policy, any recovery shall not exceed the higher of the applicable limits of the respective coverages and the recovery shall be prorated between the applicable coverages as the limits of each coverage bear to the total of the limits.

d. Uninsured motorist coverage shall be subject to the policy terms, conditions and exclusions approved by the Commissioner of Insurance, including but not limited to unauthorized settlements, nonduplication of coverage, subrogation and arbitration.

e. For the purpose of this section, (1) "underinsured motorist coverage" means insurance for damages because of bodily injury and property damage resulting from an accident arising out of the ownership, maintenance or use of an underinsured motor vehicle. Underinsured motorist coverage shall not apply to an uninsured motor vehicle. A motor vehicle is underinsured when the sum of the limits of liability under all bodily injury and property damage liability bonds and insurance policies available to a person against whom recovery is sought for bodily injury or property damage is, at the time of the accident, less than the applicable limits for underinsured motorist coverage afforded under the motor vehicle insurance policy.
CHAPTER 362, LAWS OF 1983

held by the person seeking that recovery. A motor vehicle shall not be considered an underinsured motor vehicle under this section unless the limits of all bodily injury liability insurance or bonds applicable at the time of the accident have been exhausted by payment of settlements or judgments. The limits of underinsured motorist coverage available to an injured person shall be reduced by the amount he has recovered under all bodily injury liability insurance or bonds;

(2) "uninsured motor vehicle" means:
(a) a motor vehicle with respect to the ownership, operation, maintenance, or use of which there is no bodily injury liability insurance or bond applicable at the time of the accident;
(b) a motor vehicle with respect to the ownership, operation, maintenance, or use of which there is bodily injury liability insurance in existence but the liability insurer denies coverage or is unable to make payment with respect to the legal liability of its insured because the insurer has become insolvent or bankrupt, or the Commissioner of Insurance has undertaken control of the insurer for the purpose of liquidation; or
(c) a hit and run motor vehicle as described in section 18 of P. L. 1952, c. 174 (C. 39:6-78).

"Uninsured motor vehicle" shall not include an underinsured motor vehicle; a motor vehicle owned by or furnished for the regular use of the named insured or any resident of the same household; a self-insurer within the meaning of any financial responsibility or similar law of the state in which the motor vehicle is registered or principally garaged; a motor vehicle which is owned by the United States or Canada, or a state, political subdivision or agency of those governments or any of the foregoing; a land motor vehicle or trailer operated on rails or crawler treads; a motor vehicle used as a residence or stationary structure and not as a vehicle; or equipment or vehicles designed for use principally off public roads, except while actually upon public roads.

2. Section 10 of P. L. 1952, c. 174 (C. 39:6-70) is amended to read as follows:

C. 39:6-70 Hearing on application for payment of judgment.

10. Hearing on application for payment of judgment. The court shall proceed upon such application, in a summary manner, and, upon the hearing thereof, the applicant shall be required to show:

(a) He is not a person covered with respect to such injury or
death by any workers’ compensation law, or the personal repre­sentative of such a person,

(b) He is not a spouse, parent or child of the judgment debtor, or the personal representative of such spouse, parent or child,

Any part or all of the remainder of the claim that is subsequently supported by written notice is overdue if not paid within 30 days after such written notice is furnished to the insurer; provided, however, that any payment shall not be deemed overdue where, within 30 days of receipt of notice of the claim, the insurer notifies the claimant or his representative in writing of the denial of the claim or the need for additional time, not to exceed 45 days, to investigate the claim, and states the reasons therefor. 13. (New section) P. L. 1972, c. 70 (C. 39:6A-1 et seq.) is supplemented as follows:

C. 39:6A-4.3 Personal injury protection coverage deductibles, exclusions and setoffs.

b. the option to exclude all benefits offered under subsections b., c., d., and e. of section 4;

c. a setoff option entitling an automobile insurer paying medical expense benefits under section 4 to reimbursement from, and a lien on, any recovery for noneconomic loss by an injured party pursuant to an arbitration award, judicial judgment or voluntary settlement for the amount of the medical expense benefits paid, not to exceed 20% of the amount of the award, judgment or settlement, including recoveries under uninsured and underinsured motorist coverage, except that if, at the time of the award, judgment or settlement, the amount of medical expense benefits does not exceed 20% but additional expense benefits of an indeterminate amount are anticipated, the amount of the setoff shall be 20% of the award, judgment or settlement, with the difference between the value of the 20% and the amount of medical expense benefits previously paid to be placed in an interest bearing trust account for use to indemnify the insurer paying the medical expense benefits, as the benefits are paid. Attorney's contingent fees shall be computed on the amount of the award, judgment or settlement, less the amount of the setoff, which setoff shall be, if the medical expense benefit claim of the injured person, as of the date of the award, judgment or settlement is made, is: (1) closed, the amount of medical expense bene-
fits paid, not to exceed 20% of the award, judgment or settlement, or (2) open, 20% of the award, judgment or settlement. Under a contingent fee arrangement, the attorney shall also be entitled to reimbursement out of the amount of the setoff for costs actually incurred in the institution and prosecution of the claim or action, which amount shall in no instance exceed 10% of the amount of the setoff, in a manner to be prescribed by the Supreme Court. Nothing in this subsection shall be construed to prohibit an attorney representing the injured party from recovering from the insurer providing personal injury protection benefits the reasonable cost of any legal services rendered to that insurer primarily in conjunction with the setoff reimbursement.

A deductible, exclusion or setoff elected by the named insured in accordance with this section shall apply only to the named insured and any resident relative in the named insured's household, and not to any other person eligible for personal injury protection benefits required to be provided in accordance with section 4.

No insurer or health provider providing benefits to an insured who has elected a deductible pursuant to subsection a. of this section shall have a right of subrogation for the amount of benefits paid pursuant to a deductible elected thereunder.

Where a trust account has been established in accordance with subsection c. of this section, any remaining principal and all accrued interest in the trust account at the time the final payment of medical expense benefits is made shall be paid to the party to whom the award, judgment or settlement was made, or to his estate.

The Commissioner of Insurance shall adopt rules and regulations to effectuate the purposes of this section.

There shall be no exemption from tort liability if the injured party has sustained death, permanent disability, permanent significant disfigurement, permanent loss of any bodily function or loss of a body member in whole or in part, regardless of the right of any person to receive benefits under section 4 of this act. b. As an alternative to the basic tort option specified in subsection a. of this section, every owner, registrant, operator, or occupant of an automobile to which section 4 of P. L. 1972, c. 70 (C. 39:6A-4) applies, and every person or organization legally responsible for his acts or omissions, is hereby exempted from tort liability for noneconomic loss to a person who is subject to this subsection and who is either a person who is required to maintain the coverage mandated by P. L. 1972, c. 70 (C. 39:6A-1 et seq.) or is a person who has a right to receive benefits under section 4 of that act (C. 39:6A-4), as a result of bodily injury, arising out of the ownership, operation, maintenance or use of such automobile in this State, if the medical expenses incurred or to be incurred by that injured person, or the equivalent value thereof, for the reasonable and necessary treatment of the bodily injury, is less than $1,500.00, which amount shall be adjusted annually on January 1 of each year following the operative date of this act by the Commissioner of Insurance to reflect increases or decreases in the National Consumer Price Index for the professional services component of medical care services, all urban consumers, U. The adjusted rate shall apply to any claim for noneconomic loss arising from any automobile accident occurring on or after the adjustment date. There shall be no exemption from tort liability if the injured party has sustained death, permanent disability, permanent significant disfigurement, permanent loss of any bodily function or loss of a body member in whole or in part, regardless of the right of any person to receive benefits under section 4 of P. L. 1972, c. 70 (C. 39:6A-4).

The tort option provisions of subsection a. of this section shall also apply to the right to recover for noneconomic loss of any person eligible for benefits pursuant to section 4 of P. L. 1972, c. 70 (C. 39:6A-4) but who is not required to maintain personal injury protection coverage and is not an immediate family member, as defined in section 14.1 of this 1983 amendatory and supplementary act, under an automobile insurance policy.

The tort option provisions of subsection b. of this section shall also apply to the right to recover for noneconomic loss of any person who is required but fails to maintain personal injury protection coverage mandated by P. L. 1972, c. 70 (C. 39:6A-1 et seq.) at the time of accident.

The tort option provisions of subsection b. of this section shall remain inoperative until July 1, 1984, and shall apply to accidents occurring on or after that date.

If any provision of subsection b. of this section shall be deemed to be unconstitutional, the provisions of the entire subsection shall be deemed null and void, and without further effect, but the decision of the court shall not affect the validity of any other provision of this act.

14.1. (New section) P. L. 1972, c. 70 (C. 39:6A-1 et seq.) is supplemented as follows:

Election of tort option. a. Election of a tort option pursuant to section 8 of P. L. 1972, c. 70 (C. 39:6A-8) shall be in writing by the named insured on a form approved by the Commissioner of Insurance. b. If the named insured fails to elect, in writing, any of the tort options offered pursuant to section 8 of P. L. 1972, c. 70 (C. 39:6A-8), the named insured shall be deemed to elect the tort option of subsection a. of that section 8. No new automobile policy issued on or after July 1, 1984 in this State shall be issued by an insurer unless the named insured has elected one of the tort options provided in section 8.

c. The tort option elected by a named insured shall continue in force as to subsequent renewal or replacement policies until the insurer or its authorized representative receives a properly executed form electing the other tort option.

d. The tort option elected by the named insured shall apply to all automobiles owned by the named insured and to any immediate family member who is not a named insured under another automobile insurance policy, except that in the case where more than one policy is applicable to the named insured or immediate family member, and the policies have different tort options, the tort option elected by the injured named insured shall apply or, in the case of an immediate family member who is not a named insured and is injured in an accident involving an automobile to which a policy issued to a named insured in the household of the injured immediate family member applies, the tort option elected by that named insured shall apply.

In the case of automobile insurance policies in force on July 1, 1984, notice of the tort options available pursuant to the aforesaid section 8 shall be given in accordance with section 17 of this 1983 amendatory and supplementary act.

Powers of exchange. a. The exchange shall be empowered to raise sufficient monies to (1) pay its operating expenses, and (2) to compensate members of the exchange for claims for noneconomic loss, and associated claim adjustment expenses, which would not have been incurred had the tort limitation option provided in section 14 of this 1983 amendatory and supplementary act been elected by the injured party filing the claim for noneconomic loss.

b. In order to meet its obligations under subsection a. of this section, the exchange shall collect:

(1) from every insurer transacting automobile insurance in this State, a percentage designated by the board of directors of the
exchange of all bodily injury premiums paid by insureds not electing the tort limitation option;

The insurer shall identify the percentage of premium rate credit for each option or combination of options, as the case may be.

The applicant shall indicate the options elected on the written notice which shall be signed and returned to the insurer. Each applicant shall also be provided with a buyer's guide containing a description of the policy coverages, benefit limits and coverage options offered by the insurer, and a statement on the possible coordination of personal injury protection coverage benefits with other health benefit coverages.

CHAPTER 363, LAWS OF 1983

CHAPTER 363

An Act authorizing the creation of a debt of the State of New Jersey by issuance of bonds of the State in the sum of $135 million for the purpose of rehabilitating and improving bridges in the State; providing the ways and means to pay and discharge the principal thereof and interest thereon; providing for the submission of this act to the people at a general election; and making an appropriation.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "New Jersey Bridge Rehabilitation and Improvement Bond Act of 1983."

2. The Legislature finds and determines that:
   a. A safe and reliable system of rail and road transportation is essential to the well-being of the citizens and the economy of this State.
   b. New Jersey's rail and road system is one of the busiest in the world and provides a corridor for goods and passengers to and from not only New York, Pennsylvania and Delaware, but also to and from distant points in the western, northern, and southern regions of our nation.
   c. More than 150,000 commuters daily rely on New Jersey's railroads for transportation to and from their places of employment.
   d. Due to the destructive effect of the elements, the structural pressures of regular usage, and significant material deterioration stemming from a lack of regular maintenance in recent decades, bridges in the State's rail and road system are desperately in need of rehabilitation and improvement.
   e. The cost of such essential rehabilitation and improvement far exceeds the funds which can be provided by regular State appropriations or will be available from the federal government or the "New Jersey Transportation Rehabilitation and Improvement Bond Act of 1979."
   f. It is in the public interest, and a wholly valid and essential public purpose, to rehabilitate and improve bridges in the State's rail and road system through the authorization of the bond issue provided for herein.
3. As used in this act:
   a. "Commissioner" means the Commissioner of the Department of Transportation.
   b. "Department of Transportation" means the New Jersey Department of Transportation established by the "Transportation Act of 1966," P. L. 1966, c. 301 (C. 27:1A-1 et seq.) or any agency or department successor to its powers and responsibilities.
   c. "Fund" means the New Jersey Bridge Rehabilitation and Improvement Fund established in section 14 of this act.
   d. "Rehabilitation and improvement of bridges" means the construction, reconstruction, replacement, improvement, repair or rebuilding of bridges carrying State highways or county or municipal roads, including railroad overhead bridges.
   e. "Railroad overhead bridge" means any bridge or passage carrying a State highway or a county or municipal road over and across a railroad, subway, or street, traction, or electric railway, or over and across the right of way of such a railroad, subway or railway. Unless stated otherwise to the contrary, this definition shall not include those bridges or passages over and across a railroad or electric railway operated by the State, the State Department of Transportation or the New Jersey Transit Corporation.
   f. "Cost" means, but is not limited to, the construction, reconstruction, improvement, rehabilitation, relocation, renewal, establishment, or repair of bridges; the cost of engineering, inspection, planning, legal, financial and other professional services; the cost of a bond registrar and an authenticating agent; the cost of reimbursement of any fund of the State from which moneys shall have been advanced to the fund created herein; and for payment or security of principal or interest on bonds as the Comptroller of the Treasury may determine.

4. a. Bonds of the State of New Jersey in the sum of $135,000,000.00 are hereby authorized for the purpose of rehabilitation and improvement of bridges in the State. Of this sum, $97,500,000.00 shall be reserved for the cost of rehabilitation and improvement of bridges carrying State highways, and $37,500,000.00 shall be reserved for the State share of the cost of rehabilitation and improvement of bridges carrying county and municipal roads, to be allocated and expended in compliance with the cost sharing requirements of this section.
   b. With respect to those bridges which carry State highways and which are constructed, owned or maintained by the State and
those railroad overhead bridges over and across a railroad or electric railway operated by the State, the State Department of Transportation or the New Jersey Transit Corporation, the State shall defray the cost of rehabilitation and improvement.

c. With respect to those bridges which carry county or municipal roads and which are constructed, owned or maintained by a county or municipality, the State shall defray 80% of the cost of rehabilitation and improvement, with the county or municipality defraying 20% of the cost.

d. With respect to those railroad overhead bridges which carry county or municipal roads and which are not constructed, owned or maintained by the State or by a county or municipality, notwithstanding the provisions of chapter 12 of Title 48 of the Revised Statutes, the State shall defray 55% of the cost of rehabilitation and improvement, with the county or municipality defraying 20% of the cost, and with the railroad company over and across whose tracks or right of way the bridge crosses defraying 25% of the cost.

e. With respect to those railroad overhead bridges which carry county or municipal roads and whose ownership is not determined or is in doubt, the State shall defray 80% of the cost, with the county or municipality defraying 20% of the cost. The authority to rehabilitate and improve these bridges shall be exercised in accordance with procedures to be prescribed by law.

All cost sharing prescribed in this section shall be determined after first reducing the cost of rehabilitation and improvement of bridges by the amount of available federal funding.

5. The commissioner is authorized to promulgate rules and regulations in order to effectuate the purposes of this act.

6. Said bonds shall be serial bonds or term bonds or a combination thereof and known as "Bridge Rehabilitation and Improvement Bonds" and shall be issued from time to time as the issuing officials herein named shall determine. The bonds may be subject to redemption before maturity and shall mature and be paid not later than 35 years from the date of their issuance.

7. The Governor, State Treasurer and Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent
from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and for the payment of the principal at maturity. The principal and interest on such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the manual or facsimile signature of the Secretary of State, or an Assistant Secretary of State, shall be countersigned by the facsimile signature of the Comptroller of the Treasury and may be authenticated by an authenticating agent or bond registrar, as the issuing officials shall determine. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall have ceased to hold office at the time of such issue or at the time of delivery of such bonds to the purchaser.

10. a. Such bonds shall recite that they are issued for the purposes set forth in section 4 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1983, and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

b. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered, as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.
11. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as from time to time may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. Said bonds shall be issued and sold at such price or prices and under such terms, conditions and regulations as the issuing officials may prescribe, after notice of said sale, published at least once in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least five days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale at such price or prices and under such terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof at private sale, without advertisement.

13. Until permanent bonds can be prepared, the issuing officials may, in their discretion, in lieu of such permanent bonds, issue temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "New Jersey Bridge Rehabilitation and Improvement Fund."

15. The moneys in the said New Jersey Bridge Rehabilitation and Improvement Fund are hereby dedicated and shall be applied to the cost of the purposes set forth in section 4 of this act, and all such moneys are hereby appropriated to the Department of Transportation for such purposes, but no such moneys shall be expended
for such purposes, except as otherwise authorized, without the
further specific appropriation thereof by the Legislature. Bonds
may be issued as herein provided, notwithstanding that the Legis-
lature shall not have then adopted an act making a specific appro-
priation of any said moneys.

Moneys in the New Jersey Bridge Rehabilitation and Improve-
ment Fund may be appropriated or expended for the purpose of
providing the nonfederal share of any federal program which
finances the rehabilitation and improvement of bridges.

16. Pending their application to the purposes provided in this
act, moneys in the New Jersey Bridge Rehabilitation and Improve-
ment Fund may be invested and reinvested as other trust funds
in the custody of the State Treasurer in the manner provided by
law. Net earnings received from the investment or deposit of such
funds shall be paid into the general treasury and become a part of
the General Fund.

17. In case any coupon bonds or coupons thereunto appertain-
ing or any registered bond shall become lost, mutilated or de-
stroyed, a new bond shall be executed and delivered of like tenor,
in substitution for the lost, mutilated or destroyed bond or
coupons, upon the owner furnishing to the issuing officials evidence
satisfactory to them of such loss, mutilation or destruction, proof
of ownership and such security and indemnity and reimbursement
for expenses as the issuing officials may require.

18. Accrued interest received upon the sale of said bonds shall
be applied to the discharge of a like amount of interest upon said
bonds when due. Any expense incurred by the issuing officials for
advertising, engraving, printing, clerical, authenticating, register-
ing, legal or other services necessary to carry out the duties
imposed upon them by the provisions of this act shall be paid
from the proceeds of the sale of said bonds by the State Treasurer,
upon warrant of the Comptroller of the Treasury, in the same
manner as other obligations of the State are paid, except as other-
wise provided herein.

19. Bonds of each series issued hereunder shall mature, including
any sinking fund redemptions, at such times, not more then thirty-
five years following the date of issuance thereof, and in such
amounts as shall be determined by the issuing officials, and the
issuing officials may reserve to the State by appropriate provision
in the bonds of any series the power to redeem all or any of such
bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

20. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, provided such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest which would be paid on the bonds refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations, except as to the maturities thereof and to the extent herein otherwise expressly provided.

21. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

a. Revenues derived from the tax collected upon the sale of motor fuels under and by virtue of the tax upon the sale of motor fuels (Title 54, chapter 39 of the Revised Statutes, as amended and supplemented), or so much thereof as may be required; and

b. If in any year or at any time, funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest due and to become due within one year on all outstanding bonds issued hereunder and on such bonds as are proposed to be issued under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same
manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If, on or before December 31 in any year, the issuing officials shall determine that there are moneys in the General Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and receipts for said year from the taxes specified in subsection a. of this section shall hereupon be considered and treated as part of the General Fund, available for general purposes.

22. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to levy taxes to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy
of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

23. For the purpose of complying with the provisions of the State Constitution, this act shall, at the general election to be held in the month of November, 1983, be submitted to the people. In order to inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section shall take effect, and at least 15 days prior to the said election, to cause this act to be published in at least 10 newspapers published in the State and notify the clerk of each county of this State of the passage of this act, and the said clerks respectively, in accordance with the instructions of the Secretary of State, shall cause to be printed on each of the said ballots, the following: If you approve the act entitled below, make a cross (X), plus (+), or check (✓) mark in the square opposite the word “Yes.” If you disapprove the act entitled below, make a cross (X), plus (+), or check (✓) mark in the square opposite the word “No.” If voting machines are used, a vote of “Yes” or “No” shall be equivalent to such markings respectively.

These funds are essential to make necessary repairs and improvements the cost of which far exceeds funding which can be provided by State appropriations and moneys generated through the "New Jersey Transportation Rehabilitation and Improvement Bond Act of 1979." The full cost of rehabilitation and improvement of State bridges would be defrayed by the bond proceeds, while 80% of the cost would be defrayed on county or municipal bridges, with the county or municipality defraying 20% of the cost. Costs of the rehabilitation and improvement of railroad overhead bridges carrying State, county, or municipal roads are also to be defrayed by the bond proceeds in varying amounts. |
| No. |
The fact and date of the approval or passage of this act, as the case may be, may be inserted in the appropriate place after the title in said ballot. No other requirements of law of any kind or character as to notice or procedure, except as herein provided, need be adhered to.

The said votes so cast for and against the approval of this act, by ballot or voting machine, shall be counted and the result thereof returned by the election officer, and a canvass of such election had in the same manner as is provided for by law in the case of the election of a Governor, and the approval or disapproval of this act so determined shall be declared in the same manner as the result of an election for a Governor, and if there shall be a majority of all the votes cast for and against it at such an election in favor of the approval of this act, then all the provisions of this act not made effective theretofore shall take effect forthwith.

24. There is appropriated the sum of $5,000.00 to the Secretary of State for expenses in connection with the publication of notice pursuant to section 23 of this act.

Such plan shall include, but not be limited to, a performance evaluation of the expenditures made from said fund to date; a description of programs planned during the upcoming fiscal year; a copy of the rules and regulations governing the operation of programs to be financed, in part or in whole, by funds from the New Jersey Bridge Rehabilitation and Improvement Fund; and an estimate of expenditures for the upcoming fiscal year.

26. Not less than 30 days prior to the commissioner entering into any contract, lease, obligation, or agreement to effectuate the purposes of this act, the commissioner shall report to and consult with the Joint Appropriations Committee's Subcommittee on Transfers, designated pursuant to Assembly Concurrent Resolution No. 52 of the 1982-1983 Legislature as the successor to the special joint legislative committee created pursuant to Assembly Concurrent Resolution No. 66 of the 1968 Legislature as reconstituted and continued from time to time by the Legislature.
27. All appropriations from the bond fund shall be by specific allocation for each major project, and any transfer of any funds so appropriated shall require the approval of the Joint Appropriations Committee's Subcommittee on Transfers or its successor.

28. Immediately following the submission to the Legislature of the Governor's Annual Budget Message, the commissioner shall submit to the Transportation and Communications Committees of the Senate and General Assembly, or their designated successors, a copy of the plan pursuant to section 25 of this act, together with such changes therein as may have been required by the Governor's budget message.

C. 39:10B-2 Identification of component parts; record.

2. a. All major motor vehicle component parts which do not contain a manufacturer's part number shall be identified by a person who deals in used motor vehicles, motor vehicle salvage or the component parts of motor vehicles. If required by the commissioner, the group shall deposit with the commissioner such types and amounts of securities or surety bonds as the commissioner deems necessary to provide assurance that such benefits as are payable by the group will continue to be paid and that the group will meet its statutory obligations;
   d. The commissioner may require the group to file any and all agreements, contracts, and such other pertinent documents as he may deem necessary relating to the organization of the employers in the group;
   e. Each group self-insurer, in its application for self-insurance shall set forth the names and addresses of each of its officers, directors, trustees, and general manager. No officer, director, trustee, or employee of the group self-insurer may represent or participate directly or indirectly on behalf of an injured worker or his dependents in any workers' compensation proceeding.

3. (New section) Any employer licensed by the State as a hospital who participates in group self-insurance shall not be relieved from
the liability for compensation prescribed by Title 34 of the Revised Statutes except by the payment thereof by the group self-insurer or by himself. The insolvency or bankruptcy of a participating employer shall not relieve the group self-insurer from the payment of compensation for injuries or death sustained by an employee during the time the employer was a participant in such group self-insurance.

C. 34:15-77.3 Notice of addition, termination of participants.

4. (New section) Such group self-insurer shall promptly notify the commissioner, on a form to be prescribed by the commissioner, of the addition of any participating employer or employers. Notice of termination of any participating employer in a group self-insurance plan shall be given to the commissioner at least 10 days before the effective date of such termination of participation. Such notice shall also be sent by registered mail to all other members of the group self-insurance plan.

C. 34:15-77.4 Termination of plan.

5. (New section) If such a group self-insurance plan is terminated, the securities or surety bond on deposit with the commissioner shall remain in the custody of the commissioner for a period of at least 26 months. At the expiration of such time or such further period as the commissioner may deem proper and necessary, he may accept in lieu thereof, and for the additional purpose of securing such further and future contingent liability as may arise from prior injuries to workers and be incurred by reason of any change in the condition of such workers which warrants awards for additional compensation, a policy of insurance furnished by the group self-insurer, its successor, assigns, or others carrying on or liquidating such self-insurance group.

C. 34:15-77.5 Financial statement; description of service organizations.

6. (New section) Every such group self-insurer shall, on an annual basis, or as often as the commissioner deems it necessary, furnish to the commissioner:

a. A financial statement of the group's assets and liabilities, the claims paid during the preceding 12 months, current reserves, incurred losses, and any other information that the commissioner may require; and

b. A description of the service organizations maintained by the employer or group for the prevention of injuries and claims administration services.
C. 34:15-77.6 Annual examinations.
7. (New section) The commissioner may conduct such annual examinations of each such group self-insurer as he deems necessary and proper.

C. 34:15-77.7 Denial; revocation.
8. (New section) The commissioner shall have the authority to deny the application of any group of self-insurers to pay such benefits, or to revoke his consent for any group continuing to pay, for good cause shown, including, but not limited to:
   a. Failure to comply with regulations adopted by the commissioner or with any provisions of this act;
   b. Failure to comply with a lawful order of the commissioner;
   c. Deterioration of financial condition to such an extent that such deterioration would have an adverse effect on the ability of the self-insurance group to pay expected losses.

C. 34:15-77.8 Rules, regulations.
9. (New section) The Commissioner of Insurance shall promulgate such rules and regulations, including appropriate fee schedules, as he deems necessary to effectuate the provisions of this act.

CHAPTER 378

An act creating a commission to plan Statewide celebrations of the 500th anniversary of Columbus' discovery of America and making an appropriation.

Whereas, Christopher Columbus's discovery of America was one of the great geographical discoveries of world history; and

Whereas, This achievement was the result of Columbus's enormous energy, determination, courage, talent, and intelligence, qualities which enabled him to convince the Spanish monarchy to entrust an expedition to him even though his country of origin was not Spain; and

Whereas, Columbus's historic voyage of discovery changed the course of world history by inaugurating regular contact between Europe and America and preparing the way for a massive migration of people from all parts of the world seeking freedom, democracy, and prosperity; and

Whereas, The result of this migration throughout the years since 1492 has been the formation in the "New World" of a unique civilization and society; and

Whereas, An observance of Columbus's discovery is altogether fitting and proper in New Jersey where Americans of Italian heritage comprise the State's largest ethnic group, consisting of 2 million residents whose contributions of talent, intelligence, creativeness and courage are so vital to New Jersey life; and
WHEREAS, The State of New Jersey should take steps immediately to prepare to celebrate the 500th anniversary of Columbus's discovery of America, to cooperate with the observances by other states in the Union and sister republics in the Americas, and to stimulate appropriate commemorative programs throughout New Jersey; now, therefore,

2. The commission shall organize as soon as may be after the appointment of its members and shall select a chairman and a vice chairman from among its members and a secretary, who need not be a member of the commission.

aware of Columbus's achievement in discovering America; and to coordinate observances with sister states in the Union and sister republics in the Americas, including informing their governments and legislatures of New Jersey's actions.

C. 52:9V-4 Personnel; expenses.
4. The commission may employ such professional, stenographic, or clerical assistants, and may incur such traveling and other miscellaneous expenses, as it deems necessary in order to perform its duties and as may be within the limits of funds appropriated or otherwise made available to it for those purposes.

C. 52:9V-5 Use of public employees.
5. The commission may call to its assistance and avail itself of the services of such employees of any State, county, or municipal department, board, bureau, commission, or agency as it may require and as may be available to it for that purpose.

CHAPTER 383

AN ACT establishing a uniform, minimum fire safety code.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:27D-192 Short title.
1. This act shall be known and may be cited as the "Uniform Fire Safety Act."

2. This act is remedial legislation necessary to protect life and property within this State from the danger of destruction by fire and explosion and shall be liberally construed to effectuate these purposes.

C. 52:27D-194 Findings, declarations.
3. It is found and declared that:
   a. Although fire safety codes have been adopted by many of New Jersey's municipalities, many others have not adopted these codes and some of the codes which do exist have defects that limit their usefulness.
   b. Although some departments of State government have responsibility for fire safety inspection in certain types of buildings, other types of buildings go unregulated; no department is empowered to establish overall minimum standards; and there is therefore no State fire safety code governing all existing buildings.
   c. Few municipalities have adopted fire safety codes which require the upgrading of the fire safety provisions of existing buildings; however, so long as these buildings continue to be in use, some of them need to be upgraded in order to protect occupants of the buildings, fire fighters and the general public.
   d. Although many municipalities consistently and conscientiously seek to ensure compliance with fire safety codes, others do not, and all are limited in their efforts by serious financial constraints.
   e. Existing enforcement processes are often cumbersome, and penalties are often insufficient to deter violations.
   f. The pattern of development in the State is such that many buildings posing significant fire safety problems are located in municipalities not equipped to deal with these problems.
   g. Recent multiple-death fires in this State and elsewhere indicate the need for strict fire safety codes as minimum standards for
the maintenance and upgrading of existing properties, modified as may be necessary for the special requirements of this State, and for county or State enforcement of these codes in high-rise and high-hazard structures when municipalities are unable to enforce them adequately.

C. 52:27D-195 Purpose.

4. It is the purpose of this act to ensure that:
   a. All areas of this State are protected by a uniform, minimum fire safety code which will protect the lives and property of the State's citizens.
   b. Uniform, thorough and adequately funded fire safety inspections protect the public whenever buildings which pose a serious life safety hazard are found.
   c. Penalties for violators are both swift and commensurate with the gravity of the offense.

C. 52:27D-196 Definitions.

5. As used in this act:
   a. "Commissioner" means the Commissioner of the Department of Community Affairs or his delegate.
   b. "Department" means the Department of Community Affairs.
   d. "High-rise structure" means a building or structure having floors used for human occupancy located either more than six stories or more than 75 feet above the lowest level accessible to a fire department vehicle.
   f. "Dwelling unit" means a room, suite, or apartment which is occupied or intended to be occupied for dwelling purposes by one or more persons living independently of persons in similar dwelling units.
   g. "Enforcing agency" means the department, a municipal or county department or agency, or a fire district which has been authorized by municipal ordinance to enforce this act.
h. "Protective equipment" means any equipment, device, system or apparatus permitted or required by the commissioner to be constructed or installed in or upon a building, structure or premises for the purpose of protecting the occupants or intended occupants thereof, fire fighters or the public generally from fire or other products of combustion.

i. "Owner" means a person who owns, purports to own, manages, rents, leases or exercises control over a building, structure or premises.

6. The commissioner shall have all the powers necessary or convenient to effectuate the purposes of this act, including without limitation, the following powers:

a. To enter and inspect, without prior notice, a building, structure or premises, other than an owner-occupied building used exclusively for dwelling purposes and containing fewer than three dwelling units, and make such investigation as is reasonably necessary to carry out the provisions of this act;

b. To enforce and administer the provisions of this act, and to prosecute or cause to be prosecuted violators of the provisions of this act in administrative hearings and in civil proceedings in State and local courts;

c. To assess penalties and to compromise and settle a claim for a penalty for a violation of the provisions of this act in an amount as may appear appropriate and equitable;

d. To hold and exercise all the rights and remedies available to a judgment creditor; and

e. To collect from units of local government and their agencies information reasonable and necessary to carry out the intent of this act.

C. 52:27D-198 Regulations including uniform code.

7. a. The commissioner shall promulgate, in accordance with the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), and after consulting with the fire safety commission, regulations to insure the maintenance and operation of buildings and equipment in such a manner as will provide a reasonable degree of safety from fire and explosion.

Regulations promulgated pursuant to this section shall include a uniform fire safety code primarily based on the standards established by the Life Safety Code (National Fire Protection Association 101) and any other fire codes of the National Fire
Protection Association and the Building Officials and Code Administrators International (BOCA) Basic Fire Prevention Code, both of which may be adopted by reference. The regulations may include modifications and amendments the commissioner finds necessary.

b. The code promulgated pursuant to this section shall include the requirements for fire detection and suppression systems, elevator systems, emergency egresses and protective equipment reasonably necessary to the fire safety of the occupants or intended occupants of new or existing buildings subject to this act, including but not limited to electrical fire hazards, maintenance of fire protection systems and equipment, fire evacuation plans and fire drills, and all components of building egress. In addition, the regulations issued and promulgated pursuant to this section which are applicable to new or existing buildings shall include, but not be limited to fire suppression systems, built-in fire fighting equipment, fire resistance ratings, smoke control systems, fire detection systems, and fire alarm systems including fire service connections.

c. When promulgating regulations, the commissioner shall take into account the varying degrees of fire safety provided by the different types of construction of existing buildings and the varying degrees of hazard associated with the different types and intensity of uses in existing buildings. When preparing regulations which require the installation of fire safety equipment and devices, the commissioner shall consult with the fire safety commission and shall take into account, to the greatest extent prudent, the economic consequences of the regulations and shall define different use groups and levels of hazard within more general use groups, making corresponding distinctions in fire safety requirements for these different uses and levels of hazard. The commissioner shall also take into account the desirability of maintaining the integrity of historical structures to the extent that it is possible to do so without endangering human life and safety. The regulations established pursuant to this subsection shall apply to secured vacant buildings only to the extent necessary to eliminate hazards affecting adjoining properties.

d. Except as otherwise provided in this act, including rules and regulations promulgated hereunder, all installations of equipment and other alterations to existing buildings shall be made in accordance with the technical standards and administrative procedures established by the commissioner pursuant to the “State Uniform Construction Code Act,” P. L. 1975, c. 217 (C. 52:27D-119 et seq.) and shall be subject to plan review and inspection by the local
construction and subcode officials having jurisdiction over the building, who shall enforce the regulations established pursuant to this act applicable to the installation or other alteration along with the regulations established pursuant to the “State Uniform Construction Code Act.”

e. The commissioner shall, by regulation, establish standards, procedures and fees for the certification of persons engaged in the business of installing fire suppression systems, for the warranting of those systems, and for the establishment, funding and operation of a warranty security program. A fire suppression system installed in a building subject to this act shall be warranted in accordance with those standards and procedures, shall be required to be covered by the warranty security program, and shall be installed by a person certified in accordance with those standards and procedures.

C. 52:27D-199 Retroactive regulations.

8. A building, which is subject to this act but the use of which shall have commenced in good faith on or before the effective date of any retroactive regulations, shall comply with the provisions of this act on or before the first anniversary of the effective date of the regulations and, in the case of any building subject to local rent control, any improvement required to be made pursuant to this act, or any other law, ordinance, or regulation concerning fire safety shall, for the purposes of the rent control ordinance, be deemed to be a capital improvement, the cost of which may be passed on to the tenants. In a case of imminent hazard to life, a building shall comply within the period of time designated by the enforcing agency.

C. 52:27D-200 Variances.

9. a. Upon the application of the owner of a building, structure or premises, the enforcing agency may grant variances from the requirements of a regulation issued pursuant to this act. No variance shall be granted in a particular case unless the enforcing agency shall find: (1) that strict compliance with the regulation would result in undue hardship to the owner; and (2) that the variance, if granted, will not unreasonably jeopardize the safety of intended occupants, fire fighters and the public generally.

b. An application for a variance pursuant to this section shall be filed in writing with the enforcing agency and shall set forth specifically: (1) a statement of the requirements of the regulation from which a variance is sought; (2) a statement of the manner by
which strict compliance with the regulation would result in undue hardship; (3) a statement of the nature and extent of the undue hardship; and (4) a statement of feasible alternatives to the requirements of the regulation which would adequately protect the safety of the occupants or intended occupants, fire fighters, and the public generally.

c. Within 30 days of receiving the application for a variance, the enforcing agency shall grant or deny the application in writing, stating the reason for granting or denying the application. If the application is not granted within 30 days, the applicant shall consider it to have been denied and shall have the same appeal rights as in the case of a written denial.

The enforcing agency shall maintain records of all applications for variances and the action taken on them, and shall make the records reasonably available for public inspection. An enforcing agency other than the department shall provide copies of the records to the commissioner.

C. 52:27D-201 Certificate of registration.

10. a. Within 90 days of the effective date of this act, and thereafter as required by subsection c. of this section, the owner of a life hazard use or high-rise structure shall file with the commissioner, upon forms provided by the commissioner, an application for a certificate of registration. Each application shall include information prescribed by the commissioner to enforce the provisions of this act. Upon receipt of the application, the commissioner shall forthwith issue to the owner of the life hazard use or high-rise structure a certificate of registration, which certificate of registration shall be posted by the owner of the structure in a conspicuous location therein. The certificate of registration shall be in such form as may be prescribed by the commissioner.

b. Within 90 days of the effective date of this act, and thereafter as required by subsection c. of this section, the owner of each life hazard use or high-rise structure shall appoint an agent for the purpose of receiving service of process and orders or notices issued by the commissioner pursuant to this act. Each agent shall be either a resident of this State or a corporation licensed to do business in this State.

c. If the ownership of a life hazard use or high-rise structure is transferred, whether by sale, assignment, gift, intestate succession, testate devolution, reorganization, receivership, foreclosure or execution process, the new owner shall file with the commissioner,
within 30 days of the transfer, an application for a certificate of registration pursuant to subsection a. of this section and appoint an agent for the service of process pursuant to subsection b. of this section.

d. If an owner of a life hazard use or high-rise structure has not fulfilled the requirements of this section, the commissioner shall notify the owner in writing that he is in violation of this section and shall order that registration be accomplished within 30 days. The notice and order shall include an accurate restatement of the subsection of this section with which the owner has not complied. If the owner has not complied with the order of the commissioner within 30 days of the date on which it was mailed, the commissioner shall order him to pay not less than $200.00 and not more than $1,000.00 for each registration. The commissioner may issue a certificate to the clerk of the Superior Court that the owner is indebted for the payment of the penalty and the clerk shall immediately enter upon his record of docketed judgments the name of the owner and of the department, a designation of the statute under which the penalty is imposed, the amount of the penalty certified and the date the certification was made. The making of the entry shall have the same effect as the entry of the docketed judgment in the office of the clerk but without prejudice to the owner's right of appeal.

e. On or before July 1 next following the effective date of this act, and annually thereafter, the owner of each life hazard use and of each high-rise structure in the State shall pay to the department an annual fee in an amount which the commissioner shall establish by regulation and which shall allow the department to recover the cost to it and to local enforcing agencies of administering this act.

Annual fees received from owners of life hazard uses and high-rise structures inspected by a local enforcing agency shall be divided between the local enforcing agency and the department in accordance with a percentage formula which the commissioner shall establish by regulation and which shall allow the department to recover the cost to it of administering this act in municipalities having local enforcement.

With the approval of the department, local enforcement agencies may collect the annual fee and remit to the department only that percentage of the annual fee which the commissioner shall have established by regulation as constituting the department's share of the fee.
f. All moneys which the commissioner shall receive in the form of fees and for penalties for failure to register shall be appropriated to the department to pay the cost of enforcing this act.

g. The owner of a life hazard use or high-rise structure shall pay the annual fee within 30 days of the day on which it is demanded by the department or the local enforcing agency. If he fails to do so, the department may issue a certificate to the clerk of the Superior Court that the owner is indebted to the department for the payment of the annual fee and the clerk shall immediately enter upon his record of docketed judgments and the name of the owner and of the department, a designation of the statute under which the fee is assessed, the amount of the fee certified and the date the certification was made. The making of the entry shall have the same effect as the entry of a docketed judgment in the office of the clerk, but without prejudice to the owner's right of appeal.

11. a. Each municipality in this State is authorized to adopt an ordinance providing for local enforcement of this act. The ordinance shall designate the municipal fire department or the county fire marshal or one or more fire districts as the local enforcement agency.

b. Nothing in this act shall preclude the right of any municipality to adopt an ordinance dealing with fire safety whether or not it is more restrictive than this act and the regulations promulgated thereunder. No county or municipal official shall issue an order regarding fire safety with respect to a building, structure or premises, except in accordance with this act or with a duly promulgated ordinance.

C. 52:27D-203 Enforcement.

12. a. Each enforcing agency in this State shall enforce this act in all buildings, structures and premises within its jurisdiction, except owner-occupied buildings used exclusively for dwelling purposes and containing fewer than three dwelling units, subject to the control and supervision of the commissioner and in accordance with regulations promulgated by the commissioner. The commissioner shall consult with and advise all local enforcement agencies enforcing the provisions of this act, and each local enforcement agency shall provide the commissioner with reports, data and information required by the commissioner. To cover the cost to the municipality of conducting inspections under this act, the municipality may, by ordinance, establish fees, which shall be paid
into the treasury of the municipality to which the local enforcing agency is responsible, and which shall be appropriated by the municipality to the local enforcing agency to pay the cost of enforcing this act.

b. A local enforcing agency consisting of or employing at least one paid fire inspector who is certified pursuant to subsection c. of this section may elect to inspect high-rise structures and life hazard uses within its jurisdiction, in lieu of inspection by the commissioner. That election shall be made by resolution of the governing body having jurisdiction over the local enforcing agency. If an appropriate resolution has not been received by the commissioner on or before the effective date of this act, the department shall perform all inspections under this subsection until such time as the governing body shall adopt and send to the commissioner an appropriate resolution. A local enforcing agency that elects to inspect high-rise structures and life hazard uses may issue the certificates of inspection required to be issued pursuant to section 14 of this act and may inspect buildings and premises other than high-rise structures and life hazard uses in order to secure compliance with this act.

c. The commissioner shall certify fire inspectors under this act in accordance with such standards as he shall establish by regulation; provided that a fire inspector certificate shall be issued by the commissioner to any person who: on the effective date of this act is, and for at least one year prior to the effective date of this act has been, serving as a fire inspector in the fire service; or shall have, within two years of the effective date of this act, successfully completed an educational program such as the basic fire prevention code course offered by the Building Officials and Code Administrators International or a recognized equivalent, a fire prevention course offered by an institution of higher education or recognized fire school which has been approved by the commissioner.

C. 52:27B-204 Concurrent jurisdiction.

13. a. The department shall have concurrent jurisdiction with local enforcing agencies to enforce this act in all buildings, structures and premises in the State, other than owner-occupied buildings used exclusively for dwelling purposes and containing fewer than three dwelling units.

b. If the commissioner determines that a local enforcing agency which had previously elected to inspect high-rise structures and life hazard uses has failed to properly enforce this act, he shall
notify the local enforcing agency of his determination and thereafter all inspection and enforcement with respect to high-rise structures and life hazard uses within the jurisdiction of the local enforcing agency shall be done by the department and all fees and penalties received as a result of the inspection and enforcement shall be paid to the department.

C. 52:27D-205 Inspection cycles.
14. a. The enforcing agency shall inspect each high-rise structure and each life hazard use in the State at least once every year for the purpose of determining the extent to which they comply with the provisions of this act.

b. The commissioner, by regulation, may establish shorter inspection cycles for those classes of structures and uses whose nature makes more frequent inspection necessary for the protection of the public.

c. Thirty days following the inspection of a high-rise structure or life hazard use, the owner of the high-rise structure or life hazard use shall file with the department, upon forms to be provided by the enforcing agency, an application for a certificate of inspection containing information prescribed by regulation by the commissioner.

C. 52:27D-206 Administrative hearing.
15. a. A person aggrieved by a ruling, action, order, or notice of the commissioner pursuant to this act shall be entitled to an administrative hearing. The application for the hearing shall be filed with the commissioner by the 15th day after receipt by the person of notice of the ruling, action, order or notice. All hearings shall be conducted by the Office of Administrative Law pursuant to the "Administrative Procedure Act," P.L. 1965, c. 410 (C. 52:14B-1 et seq.) and P.L. 1975, c. 67 (C. 52:14F-1 et seq.), and the final decision shall be issued by the commissioner or his designee.

b. A person aggrieved by any ruling, action, order or notice of a local enforcement agency pursuant to this act shall be entitled to an administrative hearing before the construction board of appeals created pursuant to section 9 of P.L. 1975, c. 215 (C. 52:27D-127), having jurisdiction in the municipality in which the building, structure or premises is located. The application for the hearing shall be filed with the construction board of appeals by the 15th day after the receipt by the person of notice of the ruling, action, order or notice complained of.
C. 52:27D-207 Violations.

16. a. If an enforcing agency discovers a violation of the provisions of this act upon an inspection of a building, structure or premises, then the enforcing agency shall issue and cause to be served on the owner of the building, structure or premises a written order requiring the owner to terminate, or cause to be terminated, the violation. The order shall state the nature of the violation and a reasonable specified period of time within which the violation shall be terminated. The order shall also require the owner to take or cause to be taken any affirmative action necessary to correct the violation.

b. The enforcing agency may petition the Superior Court for mandatory injunctive relief enforcing an order issued pursuant to this act. The Superior Court may proceed in a summary manner or otherwise, and shall have power to grant temporary relief or a restraining order as it may deem just and proper, and to make and enter a decree enforcing, modifying, and enforcing as so modified, or setting aside, in whole or in part, any order issued pursuant to this act.

C. 52:27D-208 Order to vacate, close.

17. a. If upon an inspection of a building, structure or premises the enforcing agency discovers a violation of this act that constitutes an imminent hazard to the health, safety or welfare of the occupants or intended occupants, fire fighters, or the public generally, the enforcing agency may issue and cause to be served on the owner of the building, structure or premises a written order directing that the building, structure or premises be vacated, closed, or removed forthwith or that the violation be corrected within the period specified in the order. The order shall state the nature of the violation and the date and hour by which the building, structure or premises shall be vacated, closed or removed or the violation shall be abated.

b. The enforcing agency shall reinspect the building, structure or premises within 48 hours of receiving written notice from the owner of a building, structure or premises vacated or closed, or ordered to be vacated or closed, stating that the violation has been terminated. If, upon reinspection, the enforcing agency determines that the violation has been terminated, it shall rescind the order requiring the vacation of the building, structure or premises and occupancy may be resumed immediately; provided that if the reinspection is not made by the local enforcing agency within
48 hours of the receipt of the notice, the owner may apply to the department for a reinspection.

c. If the owner of a building, structure or premises denies that a violation justifying an order pursuant to this section to vacate, close, remove, or abate within a specified time exists, the owner may apply to the commissioner or construction board of appeals, as the case may be, for a reconsideration hearing. The hearing shall be conducted, and a final decision issued, within 48 hours of the receipt of the request. Failure to issue a decision shall constitute denial of the owner's appeal, provided that, in the case of an appeal to the construction board of appeals, if the hearing is not held within 48 hours of the receipt of the request, the owner may apply to the department for an administrative hearing and the decision shall be rendered by the commissioner within 48 hours of the receipt of the application for the hearing.

C. 52:27D-209 Clear danger to life.

18. a. If the enforcing agency finds a violation of the provisions of this act in a life hazard use to be willful or grossly negligent, or to be in violation of a previously issued order, and to constitute a clear danger to human life, in addition to ordering the building, structure or premises vacated and closed until the violation is abated, the enforcing agency may order the building, structure or premises to remain vacated and closed for a further period not to exceed 60 days and until such time as a certificate of continued occupancy, issued pursuant to regulations authorized by section 6 of the "State Uniform Construction Code Act," P. L. 1975, c. 217 (C. 52:27D-124) shall be obtained by the owner.

b. If the owner of a building, structure or premises denies that a violation exists justifying an order to remain closed for the period of time indicated in the order, the owner may apply to the commissioner, or construction board of appeals, as the case may be, for a reconsideration hearing. The hearing shall be conducted, and a final decision issued, within 48 hours of receipt of the request. Failure to issue a decision shall constitute denial of the appeal.

C. 52:27D-210 Additional violations; penalties.

19. a. No person shall:

(1) Obstruct, hinder, delay or interfere by force or otherwise with the commissioner or any local enforcing agency in the exercise of any power or the discharge of any function or duty under the provisions of this act;
(2) Prepare, utter or render any false statement, report, document, plan or specification permitted or required under the provisions of this act;

(3) Render ineffective or inoperative, or fail to properly maintain, any protective equipment or system installed, or intended to be installed, in a building or structure;

(4) Refuse or fail to comply with a lawful ruling, action, order or notice of the commissioner or a local enforcing agency; or

(5) Violate, or cause to be violated, any of the provisions of this act.

b. A person who violates or causes to be violated a provision of subsection a. of this section shall be liable to a penalty of not more than $5,000.00 for each violation. If a violation of subsection a. of this section is of a continuing nature, each day during which the violation remains unabated after the date fixed in an order or notice for the correction or termination of the continuing violation shall constitute an additional and separate violation, except while an appeal from the order is pending. If an owner has been given notice of the existence of a violation of the act and fails to abate the violation, he shall be liable to an additional penalty in the amount of the actual cost to the municipality or fire district of suppressing any fire, directly or indirectly, resulting from the violation.

c. The commissioner or a local enforcing agency may levy and collect penalties in the amounts set forth in this section, but not in excess of the maximum amounts that the commissioner shall establish by regulation for different types of violations. If the administrative penalty order has not been satisfied by the 30th day after its issuance, the penalty may be sued for, and recovered by and in the name of the commissioner or the enforcing agency, as the case may be, in a civil action by a summary proceeding under “the penalty enforcement law” (N. J. S. 2A:58-1 et seq.) in the Superior Court, county district court or municipal court. All moneys recovered in the form of penalties by a municipality shall be paid into the treasury of the municipality and shall be appropriated for the enforcement of the act. A person who fails to pay immediately a money judgment rendered against him pursuant to this subsection may be sentenced to imprisonment by the court for a period not exceeding six months, unless the judgment is sooner paid.

d. A person shall be deemed to have violated or caused to have violated a provision of subsection a. of this section if an officer, agent or employee under his control and with his knowledge has
violated or caused to have violated any of the provisions of sub-section a. of this section.

e. Upon request of the owner or purchaser of a building or structure, the enforcing agency having jurisdiction over the building or structure shall issue a certificate either enumerating the violations indicated by its records to be unabated and the penalties or fees indicated to be unpaid, or stating that its records indicate that no violations remain unabated and no penalties or fees remain unpaid.

f. A person who purchases a property without having obtained a certificate stating that there are no unabated violations of record and no unpaid fees or penalties shall be deemed to have notice of all violations of record and shall be liable for the payment of all unpaid fees or penalties.

C. 52:27D-211 Service of process.

20. a. Notices, rules, decisions and orders required or permitted to be issued and served pursuant to this act shall be served as follows:

(1) On the owner:

(a) By certified mail to the person designated as owner or agent on the certificate of registration, in the municipal tax records, or in the records of the Secretary of State; however, if the certified mailing is returned, the original letter shall be remailed to the last known address of the person by ordinary mail.

(b) By serving the document on the Secretary of State, who shall be deemed the owner’s agent for service of process; except that reasonable efforts have first been made to serve the owner or his agent by certified mail and that a copy of the document is posted in a conspicuous location on the premises. “Conspicuous location” shall include the walls of the front vestibule or any common foyer or hallway immediately inside the main front entrance.

(c) By personal delivery of the document to the owner.

(d) By leaving the document at the office or dwelling unit of the owner with a person 14 years of age or older.

(c) By leaving the document at the office or dwelling unit of the person with a person 14 years of age or older.

b. The date of personal service or the third day after mailing shall be considered the date of service.

21. The record of an action or proceeding under this act or any statement, report or record of any kind whatsoever obtained or received by the commissioner in connection with the administration or enforcement of the provisions of this act shall be public records and reasonably available for public inspection.

22. a. This act shall not be construed as authorizing the adoption of a regulation or the enactment of an ordinance requiring that a building conforming in all respects to the requirements of the “State Uniform Construction Code Act,” P. L. 1975, c. 217 (C. 52:27D-119 et seq.) be made to conform to more restrictive standards.

b. Buildings, structures and premises owned or operated by the State, its agencies, departments, or instrumentalities or an interstate agency shall be inspected exclusively by the Department of Community Affairs, and shall conform to this act in the same manner as all other buildings, structures and premises of similar construction and use classification; but no fees or penalties shall be charged to or assessed against the State, its agency, department or instrumentality, or an interstate agency.

c. Buildings, structures and premises subject to inspection for fire safety by an agency of the State shall be inspected by the agency in accordance with the standards established pursuant to this act. Any State fire safety standard for buildings, structures or premises established by or pursuant to any statute other than this act shall continue in effect until such time as that standard is superseded by appropriate regulations promulgated under this act. An agency of the State that enforced fire standards prior to the effective date of this act shall be entitled to petition the commissioner to establish a regulation establishing the standards it considers to be necessary and appropriate for buildings, structures and premises subject to its inspection.

C. 40A:4-45.21 Exceptions to limitations.

23. On and after January 1, 1983, for the purposes of sections 2 and 3 of P. L. 1976, c. 68 (C. 40A:4-45.2 and C. 40A:4-45.3), amounts derived by a municipality from new construction, housing, health
or fire safety inspection fees, which are set by statute or by administrative rule of a State agency, or which are subject to control by a State agency, and amounts derived from increases in any such fees previously imposed, shall be appropriated as an exception to the limitations imposed on increases in final appropriations under section 3 of that act, and revenues derived therefrom in the previous year shall be included in the current budget year as part of the municipality's final appropriations for the previous year upon which the permissible 5% increase is computed under section 2 of that act.

24. This act shall take effect 180 days following enactment except that section 23 shall apply to the current local budget year and thereafter.

Approved November 12, 1983.

AN ACT concerning development regulations regarding manufactured homes and supplementing P. L. 1975, c. 291 (C. 40:55D-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 40:55D-100 Short title.
1. This act shall be known and may be cited as "The Affordable Housing Act of 1983."

2. The Legislature finds and declares that:

a. The housing needs of many New Jersey citizens remain unmet each year, exemplified by the fact that, in recent years, only one-half of the estimated annual need for new housing units has been actually constructed.

b. The costs of conventional housing construction, mortgages, land and utilities have increased tremendously in recent years making it increasingly difficult for certain segments of the population, notably the elderly, families with young children, unmarried individuals, and young couples, to afford suitable conventional housing.

c. Due to the conventional housing shortage in New Jersey, the Legislature has a responsibility to encourage alternate means of housing for New Jersey citizens.

d. The design, durability and appearance of manufactured housing has improved significantly over the last decade so that certain styles of manufactured homes are difficult, if not impossible, to distinguish from conventional homes, and yet only 400 of these manufactured homes were sold Statewide during 1982.

e. Despite these significant improvements, there has not been a corresponding rapid escalation in the costs of manufactured homes,
with the result that these homes remain affordable for the general population.

f. It is, therefore, in the public interest to promote the use of manufactured homes as affordable housing in New Jersey.

Notwithstanding any other provision of this act, if, upon retirement, the member’s payment for purchase of military service credit is insufficient to provide for the additional retirement benefit attributable to such service, the difference may be assessed to the member, or a pro rata benefit may be granted based on the member’s payment for such purchase prior to the date of retirement, at the election of the member.

If a member elects to purchase such military service and retires prior to completing payment therefor, he shall receive pro rata
credit for such service purchased prior to the date of retirement, but if he elects at the time of retirement, he may make an additional lump sum payment at that time as will be necessary to provide full credit.

3. This act shall take effect immediately.

Approved December 14, 1983.

CHAPTER 392

AN ACT concerning solid waste and hazardous waste, amending P. L. 1981, c. 279 and supplementing Title 13 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 13:1E-126 Findings, declarations.

1. (New section) The Legislature hereby finds and declares to be the public policy of this State:

That the collection, transportation, treatment, storage, and disposal of solid waste are critical components of the economic structure of this State and, when properly controlled and regulated, make substantial contributions to the general welfare, health and prosperity of the State and its inhabitants by minimizing the serious health and environmental threats inherent in the management of these wastes;

That the regulatory provisions of this act are designed to extend strict State regulation to those persons involved in the operations of these licensed activities so as to foster and justify the public confidence and trust in the credibility and integrity of the conduct of these activities;

That the solid and hazardous waste industries in New Jersey can attain, maintain, and retain integrity, public confidence, and trust, and promote the general public interest, only under a system of control and regulation that precludes the participation therein of persons with known criminal records, habits, or associations, and excludes or removes from any position of authority or responsibility any person known to be so deficient in reliability, expertise,
or competence with specific reference to the solid or hazardous waste industries that his participation would create or enhance the dangers of unsound, unfair, or illegal practices, methods, and activities in the conduct of the business of these industries;

That, notwithstanding the fact that the major percentage of operators involved in these industries are respectable and responsible and that there exists in New Jersey a substantial waste industry capable of meeting the licensing standards, the solid and hazardous waste industries remain vulnerable to corrupting influences; and

Therefore, that it is vital to the interests of the State to prevent entry, direct or indirect, into the operations of the solid or hazardous waste industries of persons who have pursued economic gains in an occupational manner or context violative of the criminal code or civil public policies of the State, and it is to the end of excluding such persons that the regulatory and investigatory powers and duties provided in this supplementary act shall be exercised to the fullest extent consistent with law.

a. Every licensee who is not otherwise required to file a disclosure statement within two years of the effective date of this act shall file a disclosure statement with the department and the Attorney General within that period.
b. (1) Every applicant shall file a disclosure statement with the department and the Attorney General;

(2) Any person required to be listed in the disclosure statement shall be fingerprinted for identification and investigation purposes in accordance with procedures therefor established by the Attorney General;

(3) The Attorney General shall, within 120 days of the receipt of the disclosure statement from an applicant for an initial license, prepare and transmit to the department an investigative report on the applicant, based in part upon the disclosure statement, except that this deadline may be extended for a reasonable period of time, for good cause, by the department and the Attorney General. In preparing this report, the Attorney General may request and receive criminal history information from the Federal Bureau of Investigation; and

(4) The departmental review of the application shall include a review of the disclosure statement and investigative report.

c. All applicants and licensees shall have the continuing duty to provide any assistance or information requested by the department or the Attorney General, and to cooperate in any inquiry or investigation conducted by the Attorney General and any inquiry, investigation, or hearing conducted by the department. If, upon issuance of a formal request to answer any inquiry or produce information, evidence or testimony, any applicant or licensee refuses to comply, the license of that person may be denied or revoked by the department.

d. The Attorney General may charge and collect, in accordance with a fee schedule adopted as a rule and regulation pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.), such fees from applicants and licensees as may be necessary to cover the costs of enforcing this act. The fee shall be calculated on the basis of $100.00 per each individual required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the licensee other than an equity interest or debt liability.

e. If any of the information required to be included in the disclosure statement changes, or if any additional information should be added after the filing of the statement, the applicant or licensee shall provide that information to the department and Attorney General, in writing, within 30 days of the change or addition.
C. 13:1E-129 Investigative interrogatory.

4. (New section) a. Whenever the Attorney General determines that there exists a reasonable suspicion that any person may have information or be in possession, custody, or control of any documentary materials relevant to an investigation of an applicant or a licensee conducted pursuant to this act, he may issue in writing, and cause to be served upon that person an investigative interrogatory requiring that person to answer questions under oath and produce material for examination.

b. Each interrogatory shall:

(1) Identify the licensee or applicant who is the subject of the investigation;

(2) Advise the person that he has the right to discuss the interrogatory with legal counsel prior to returning it to the Attorney General or prior to making material available, as provided in subsection f. of this section, and that he has the right to file in Superior Court a petition to modify or set aside the interrogatory, as provided in subsection j. of this section;

(3) Describe the class or classes of documentary material to be produced thereunder with sufficient particularity as to permit the material to be reasonably identified;

(4) Prescribe a return date, which date shall provide a reasonable period of time within which answers may be made and material so demanded may be assembled and made available for inspection and copying or reproduction, as provided in subsection f. of this section.

c. No interrogatory shall:

(1) Contain any requirement which would be held to be unreasonable if contained in a subpoena duces tecum issued in aid of a grand jury investigation; or

(2) Require the production of any documentary evidence which would be otherwise privileged from disclosure if demanded by a subpoena duces tecum issued in aid of a grand jury investigation.

d. Service of any interrogatory filed under this section may be made upon any person by:

(1) Delivering a duly executed copy thereof to the person or any partner, executive officer, managing agent, employee or general agent thereof, or to any agent thereof authorized by appointment or by law to receive service of process on behalf of the person; or

(2) Delivering a duly executed copy thereof to the principal office or place of business of the person to be served; or
(3) Depositing a copy in the United States mail, by registered or certified mail duly addressed to the person at his principal office or place of business.

e. A verified return by the individual serving any interrogatory, setting forth the manner of service, shall be prima facie proof of service. In the case of service by registered or certified mail, the return shall be accompanied by the return post office receipt of delivery of the interrogatory.

f. Any person upon whom any interrogatory issued under this section has been duly served which requires the production of material shall make the material available for inspection and copying or reproduction to the Attorney General at the principal place of business of that person in the State of New Jersey or at any other place as the Attorney General and the person thereafter may agree and prescribe in writing, on the return date specified in the interrogatory or on a later date as the Attorney General may prescribe in writing. Upon written agreement between the person and the Attorney General, copies may be substituted for all or any part of the original material. The Attorney General may cause the preparation of any copies of documentary material as may be required for official use by the Attorney General.

No material produced pursuant to this section shall be available for examination, without the consent of the person who produced the material, by an individual other than the Attorney General or any person retained by the Attorney General in connection with the enforcement of this act. Under reasonable terms and conditions as the Attorney General shall prescribe, documentary material while in his possession shall be available for examination by the person who produced the material or any of his duly authorized representatives.

In any investigation conducted pursuant to this act, the Attorney General may present before the department, court or grand jury any documentary material in his possession pursuant to this section, subject to any protective order deemed proper by the Superior Court.

g. Upon completion of:

(1) The review and investigation for which any documentary material was produced under this section, and

(2) Any case or proceeding arising from the investigation, the Attorney General shall return to the person who produced the material all the material, other than copies thereof made by the
Attorney General pursuant to this section, which has not passed into the control of the department or any court or grand jury through the introduction thereof into the record of the case or proceeding.

h. When any documentary material has been produced by any person under this section for use in an investigation, and no case or proceeding arising therefrom has been instituted within two years after completion of the examination and analysis of all evidence assembled in the course of the investigation, the person shall be entitled, upon written demand made upon the Attorney General, to the return of all documentary material, other than copies thereof made pursuant to this section so produced by him.

i. Whenever any person fails to comply with any investigative interrogatory duly served upon him under this section, or whenever satisfactory copying or reproduction of any material cannot be done and he refuses to surrender the material, the Attorney General may file in the Superior Court a petition for an order of the court for the enforcement of this section.

j. At any time before the return date specified in the interrogatory, the person served with the interrogatory may file in the Superior Court a petition for an order modifying or setting aside the interrogatory. The time allowed for compliance with the interrogatory shall not run during the pendency of this petition. The petition shall specify each ground upon which the petitioner relies in seeking relief, and may be based upon any failure of the interrogatory to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the petitioner. In this proceeding, the Attorney General shall establish the existence of an investigation pursuant to this act and the nature and subject matter of the investigation.

C. 13:1E-130 Subpena power.

5. (New section) a. Whenever the Attorney General determines that there exists a reasonable suspicion that any person may have information or knowledge relevant to an investigation conducted pursuant to this act, he may issue in writing and cause to be served upon that person a subpena to appear and be examined under oath before the Attorney General.

b. The subpena shall:

(1) Identify the licensee or applicant who is the subject of the investigation;

(2) Advise that person that he may have an attorney present when he appears and testifies or otherwise responds to the sub-
pena, that he has the right, at any time before the return date of the subpoena, to file in Superior Court a petition to modify or set aside the subpoena, as provided in subsection f. of this section;

(3) Prescribe a date and time at which that person must appear to testify, under oath, provided that this date shall not be less than seven days from the date of service of the subpoena.

c. Except as otherwise provided in this section, no information derived pursuant to the subpoena shall be disclosed by the Attorney General or the department without the consent of the person testifying.

In any investigation conducted pursuant to this act, the Attorney General may present before the department, court or grand jury any information disclosed pursuant to the subpoena, subject to any protective order deemed proper by the Superior Court.

d. Service of a subpoena pursuant to this section shall be by any of those methods specified in the New Jersey Court Rules for service of summons and complaint in a civil action.

e. Whenever any person fails to comply with any subpoena duly served upon him under this section, or whenever satisfactory copying or reproduction of any material cannot be done and he refuses to surrender the material, the Attorney General may file in the Superior Court a petition for an order of the court for the enforcement of the subpoena.

f. At any time before the return date specified in the subpoena, the person who has been served with the subpoena may file in the Superior Court a petition for an order modifying or setting aside the subpoena. The time allowed for compliance with the subpoena shall not run during the pendency of this petition. The petition shall specify each ground upon which the petitioner relies in seeking relief, and may be based upon any failure of the subpoena to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the petitioner. In this proceeding, the Attorney General shall establish the existence of an investigation pursuant to this act and the nature and subject matter of the investigation.

C. 13:1E-131 Unauthorized disclosure.

6. (New section) Any public officer or employee who shall disclose to any person, other than the Attorney General or a person retained by the Attorney General as herein provided, the name of any person who receives an investigative interrogatory or a subpoena or any information obtained pursuant thereto, except in
proceedings involving an alleged violation of this act and except as so directed by the Attorney General, shall be guilty of a crime of the fourth degree.

7. (New section) a. If any person in attendance pursuant to a subpoena or interrogatory issued pursuant to this act refuses to answer personally a question or produce evidence of any kind, or make the required answers on the ground that he may be incriminated thereby, and if the Attorney General, in a writing directed to that person, orders that he answer the question or produce the evidence, the person shall comply with the order. After complying therewith and if, but for this section, he would have been privileged to withhold the answer given or the evidence produced, that answer, testimony or evidence or any evidence directly or indirectly derived therefrom, may not be used against him in any prosecution for a crime or offense concerning which he gave answer or produced evidence; provided that the answer, testimony or evidence is responsive to the question propounded. That person may, however, be prosecuted or subject to penalty or forfeiture for any perjury, false swearing or contempt committed in answering, or failing to answer, or in producing evidence or failing to produce evidence or failing to do so in accordance with the order.

b. If any person fails to obey the command of the subpoena after being ordered to do so by a court of competent jurisdiction, he shall be guilty of a crime of the fourth degree. In the alternative, if a person shall fail to obey the command of a subpoena after being ordered to do so by a court of competent jurisdiction, the Attorney General may apply to that court to adjudge the person in contempt and to commit him to jail until such time as he purges himself of contempt by responsively answering, testifying or producing evidence as ordered.

C. 13:1E-133 Disqualification criteria.

8. (New section) The provisions of any law to the contrary notwithstanding, no license shall be approved by the department:

a. Unless the department finds that the applicant, in any prior performance record in the collection, transportation, treatment, storage or disposal of solid waste or hazardous waste, has exhibited sufficient reliability, expertise, and competency to operate the solid waste or hazardous waste facility, given the potential for harm to human health and the environment which could result from the irresponsible operation thereof, or if no prior record exists, that
the applicant is likely to exhibit that reliability, expertise and competence;

b. If any person required to be listed in the disclosure statement, or shown to have a beneficial interest in the business of the applicant or the licensee other than an equity interest or debt liability by the investigation thereof, has been convicted of any of the following crimes under the laws of New Jersey or the equivalent thereof under the laws of any other jurisdiction:

1. Murder;
2. Kidnapping;
3. Gambling;
4. Robbery;
5. Bribery;
6. Extortion;
7. Criminal usury;
8. Arson;
9. Burglary;
10. Theft and related crimes;
11. Forgery and fraudulent practices;
12. Fraud in the offering, sale or purchase of securities;
13. Alteration of motor vehicle identification numbers;
14. Unlawful manufacture, purchase, use or transfer of firearms;
15. Unlawful possession or use of destructive devices or explosives;
17. Racketeering, P. L. 1981, c. 167 (C. 2C:41-1 et seq.);
19. Any purposeful or reckless violation of the criminal provisions of any federal or state environmental protection laws, rules, or regulations;
20. Violation of N. J. S. 2C:17-2;
21. Any offense specified in chapter 28 of N. J. S. 2C; or

Notwithstanding the provisions of this subsection, no applicant shall be denied a license on the basis of a conviction of any individual required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the
licensee other than an equity interest or debt liability by the investigation thereof for any of the offenses enumerated in this subsection as disqualification criteria, provided that the person has affirmatively demonstrated by clear and convincing evidence his rehabilitation. In determining whether an applicant has affirmatively demonstrated rehabilitation, the department shall request a recommendation thereon from the Attorney General, and shall consider the following factors:

(1) The nature and responsibilities of the position which a convicted individual would hold;
(2) The nature and seriousness of the offense;
(3) The circumstances under which the offense occurred;
(4) The date of the offense;
(5) The age of the applicant when the offense was committed;
(6) Whether the offense was an isolated or repeated incident;
(7) Any social conditions which may have contributed to the offense;
(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have or have had the applicant under their supervision.

c. If the Attorney General determines that there is a reasonable suspicion to believe that a person required to be listed in the disclosure statement, or shown to have a beneficial interest in the business of the applicant or the licensee other than an equity interest or debt liability by the investigation thereof, does not possess a reputation for good character, honesty and integrity, and that person or the applicant fails, by clear and convincing evidence, to establish his reputation for good character, honesty and integrity.

d. With respect to the approval of an initial license, if there are current prosecutions or pending charges in any jurisdiction against any person required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the licensee other than an equity interest or debt liability by the investigation for any of the offenses enumerated in subsection b. of this section, provided, however, that at the request of the applicant or the person charged, the department shall defer decision upon such application during the pendency of such charge.

e. If any person required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the appli-
cant or the licensee other than an equity interest or debt liability by the investigation thereof has pursued economic gain in an occupational manner or context which is in violation of the criminal or civil public policies of this State, where such pursuit creates a reasonable belief that the participation of that person in any activity required to be licensed under this act would be inimical to the policies of this act. For purposes of this section, “occupational manner or context” means the systematic planning, administration, management, or execution of an activity for financial gain.

f. Any applicant who is denied an initial license pursuant to this section shall, upon a written request transmitted to the department within 30 days of that denial, be afforded the opportunity for a hearing thereon in the manner provided for contested cases pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B–1 et seq.).

C. 13:1E-134 Causes for revocation.

9. (New section) Any license may be revoked by the department pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B–1 et seq.) for any of the following causes:
   a. Any cause which would require disqualification, pursuant to subsection a., b., c., or e. of section 8 of this act, from receiving a license upon original application;
   b. Fraud, deceit or misrepresentation in securing the license, or in the conduct of the licensed activity;
   c. Offering, conferring or agreeing to confer any benefit to induce any other person to violate the provisions of this act, or of any other law relating to the collection, transportation, treatment, storage, or disposal of solid waste or hazardous waste, or of any rule or regulation adopted pursuant thereto;
   d. Coercion of a customer by violence or economic reprisal or the threat thereof to utilize the services of any licensee;
   e. Preventing, without authorization of the department, any licensee from disposing of solid waste or hazardous waste at a licensed treatment, storage or disposal facility.

C. 13:1E-135 Severance of affiliation.

10. (New section) Notwithstanding the disqualification of the applicant or licensee pursuant to this act, the department may issue or renew a license if the applicant or licensee severs the interest of or affiliation with the person who would otherwise cause that disqualification or may issue or renew a license on a temporary basis for a period not to exceed six months if, upon the recommendation
of the Attorney General, the department determines that the issuance or renewal of the license is necessitated by the public interest.

(1) (Deleted by amendment, P. L. 1983, c. 392.)

(2) The environmental and health impact statement shows that the location and design of the proposed facility will pose no significant threat to human health or to the environment if properly managed in accordance with all relevant Federal and State laws and all rules and regulations adopted pursuant thereto; and

(3) The proposed facility would be operated by the proposed operator on a site designated by the commission for that particular type of major hazardous waste facility.

(5) Within eight months of the receipt of a completed application, the department shall reject the application or grant tentative approval thereof, which tentative approval shall establish design and operating conditions for the proposed major hazardous waste facility, requirements for the monitoring thereof, and any other conditions required under State rules and regulations;

(6) All tentative approvals of applications granted pursuant to this subsection shall be transmitted to the applicant and to the affected municipality and shall be accompanied by a fact sheet setting forth the principal facts and the significant factual, legal, methodological, and policy questions considered in granting the tentative approval. The fact sheet shall include a description of the type of facility or activity which is the subject of the tentative approval; the types and quantities of wastes which are proposed to be treated, stored, or disposed of at the proposed facility; a brief summary of the basis for the conditions of the tentative approval; the environmental and health impact statement prepared for the proposed facility and a summary as to how the statement demonstrates that the proposed facility, subject to such conditions as may have been imposed, would not create a significant adverse impact upon the public health or the environment, and, in the event that the granting of the tentative approval is contrary to the findings of the municipal review of the application, the department's reasons for the rejection of those findings;

(7) Within 45 days of the granting of a tentative approval of an application, an adjudicatory hearing on the proposed facility and operator shall be conducted by an administrative law judge. The affected municipality shall be a party in interest to such hearing, and shall have the right to present testimony and cross-examine witnesses. Intervention in this hearing by any other person shall be as provided in the "Administrative Procedure Act";
(8) Within 30 days of the close of such hearing, the administrative law judge shall transmit his recommendations for action on the application to the department. The judge shall not recommend approval of an application unless he finds clear and convincing evidence that the disclosure statement and application for a registration statement establish that the owner and operator of the proposed facility possess sufficient financial resources to construct, operate, and guarantee maintenance and closure of the facility, and that the facility will not constitute a substantial detriment to the public health, safety and welfare of the affected municipality; and

(9) Within 60 days of the receipt thereof, the department shall affirm, conditionally affirm or reject the recommendations of the administrative law judge and grant final approval to or deny the application. Such approval or denial of an application by the department shall be considered to be final agency action thereon for the purposes of the "Administrative Procedure Act," and shall be subject only to judicial review as provided in the Rules of Court.

If the department fails to act upon the recommendations of the administrative law judge as required by this subsection, the failure shall constitute departmental affirmance of the recommendations.

d. The department may charge and collect, in accordance with a fee schedule adopted as a rule and regulation pursuant to the "Administrative Procedure Act," such reasonable fees as may be necessary to cover the costs of reviewing applications pursuant to this section.

e. The department may, upon request of an owner or operator and after public hearing, exempt a major hazardous waste facility below a certain size or of a particular type from being considered a major hazardous waste facility for the purposes of this section, provided that such exemption is consistent with the eligibility standards contained in rules and regulations adopted by the commission.

f. In the event that any application reviewed by the department pursuant to this section is for a registration statement and engineering design approval for a proposed major hazardous waste facility on a site located in more than one municipality, the notices required herein shall be transmitted to each affected municipality or agency thereof, the municipal review of the proposed facility and operator shall be conducted jointly by all of the affected municipalities, and all of the affected municipalities shall be con-
sidered a single party for the purposes of the adjudicatory hearing
held pursuant to this section.

13. This act shall take effect 180 days following enactment.

Approved December 14, 1983.

firemen's retirement system for police, firemen and certain other
law enforcement officers," approved May 23, 1944 (P.L. 1944,

of P.L. 1976, c. 139.

due to reassignment by his employer to a department or agency
where the member was no longer serving as a policeman or fireman
as defined in section 1 of P.L. 1944, c. 255 (C. 43:16A-1), would

on June 30, 1979 for the purposes of section 16 of P.L. 1964,

2. A member who, by virtue of section 1 of this act, had more
than 30 years' creditable service on June 30, 1979, may purchase
prior service credit for the period of interruption in creditable service
by paying to the Police and Firemen's Retirement System of
New Jersey the amount required by applying the factor, supplied
by the actuary, as being applicable to his age at the time of pur­
chase, to his salary at that time. Application for a prior service
credit under this act shall be made to the Police and Firemen's
Retirement System of New Jersey within 90 days of the effective
date of this act and payment therefor may be in a lump sum or in
installments as the board of trustees may determine by rule or
regulation. Neither the State nor the employer of a member who
applies to purchase credit under the provisions of this supple­
mentary act shall be liable for any payment to the retirement
system on behalf of the member for the purchase of such credit. If,
upon retirement, the member's payment for purchase of credit for service during a period of a reassignment as defined in section 1 of this act is insufficient to provide for the additional retirement benefit attributable to such service, the difference may be assessed to the member, or a pro rata credit may be granted based on service purchased prior to the date of retirement, at the election of the member.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 46:8C-8 Regulation of mobile home parks.
1. In addition to the powers set forth in R. S. 40:52-1, the governing body of a municipality may, by ordinance, provide for the regulation and licensing of mobile home parks.

C. 46:8C-9 First sale.
2. The mobile home park owner or operator may sell the first mobile home to be located on each site to be leased within the mobile home park.

3. This act shall take effect on January 1, 1984, but shall remain inoperative until Assembly Bill No. 3600 of 1983, now pending before the Legislature, is enacted into law.

Approved December 22, 1983.

CHAPTER 400

AN ACT concerning the taxation of manufactured homes supplementing Title 54 of the Revised Statutes, amending P. L. 1980, c. 105 and repealing sections 1 and 2 of P. L. 1981, c. 385.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C. 54:4-1.2 Short title.
1. (New section) This act shall be known and may be cited as the "Manufactured Home Taxation Act."

C. 54:4-1.3 Findings, determinations.
2. (New section) The Legislature finds and determines that:
   a. It is in the public interest that the Legislature address the difficult questions raised in litigation over the tax status of manufactured homes;
   b. Manufactured homes located in mobile home parks receive fewer public services than manufactured homes or other single family dwelling units located on privately owned lots, and thus the former homes occasion a lower level of public expenditures than the latter homes;
   c. With respect to purchaser financing, manufactured homes located in mobile home parks are not treated in the same manner as manufactured homes located on private lots owned by the home-owner or other residential property, and thus are not typically financed through mortgage arrangements, but are typically financed through installment credit;
   d. Because of the differences in siting between manufactured homes in mobile home parks and manufactured homes otherwise located, it is difficult to equate the two for property title purposes, and thus for the purposes of property tax enforcement;
   e. The Legislature has provided that certain property owned by public utilities which would otherwise constitute real property for the purposes of taxation is not real property for such purposes, and has provided an alternate means of ensuring that the owner of such property is responsible for reasonable payment for public services which that owner receives;
   f. The factors which distinguish manufactured homes in mobile home parks from other dwelling units warrant a distinction between the former and the latter which is analogous to the distinction drawn in the case of public utility property;
   g. It is necessary to draw that distinction in a fair and equitable manner, which will not penalize the owners of the manufactured homes located in mobile home parks, nor absolve them of their responsibility to pay for the public services they receive;
   h. It is further necessary to ensure parity, where taxation is concerned, between manufactured homes situated outside mobile home parks and other similar dwelling units;
   i. The land and improvements thereto which together constitute a mobile home park, including those improvements added as part
of the private provision of otherwise public services, are subject
to taxation as real property, and the revenues derived from the
assessment and levy of these real property taxes contribute to the
defrayal of the costs of public services provided the owner of the
park and lessees of sites in that park; and
j. It is appropriate and necessary to provide a method by which
a municipality may receive reasonable payment for services pro­
vided the owners of manufactured homes in mobile home parks, the
cost of which services is not defrayed by real property tax revenues.

C. 54:4-14 Definitions.
3. (New section) As used in this act:
a. “Commissioner” means the Commissioner of the Department
of Community Affairs;
b. “Cooperative” means a housing corporation or association

the commissioner pursuant to the “State Uniform Construction
“Manufactured home” also means and includes any unit of
housing manufactured before the effective date of the standards
promulgated by the secretary or, as appropriate, by the commis­
sioner, but which otherwise meets the criteria set forth in this
subsection;
e. "Mobile home park" means a parcel of land, or two or more contiguous parcels of land, containing no fewer than 10 sites equipped for the installation of manufactured homes, where these sites are under common ownership and control, other than as a cooperative, for the purpose of leasing each site to the owner of a manufactured home for the installation thereof, and where the owner or owners provide services, which are provided by the municipality in which the park is located for property owners outside the park, which services may include but shall not be limited to:

1. The construction and maintenance of streets;
2. Lighting of streets and other common areas;
3. Garbage removal;
4. Snow removal; and
5. Provisions for the drainage of surface water from home sites and common areas.

A parcel, or any contiguous parcels, of land which contain, on the effective date of this act, no fewer than three sites equipped for the installation of manufactured homes, and which otherwise conform to the provisions of this subsection, shall qualify as a mobile home park for the purposes of this act;

f. "Municipal service fee" means a fee imposed on manufactured homes installed in a mobile home park for the purpose of reasonable payment for services rendered the owners of the manufactured homes by the municipality or any other local taxing authority established pursuant to an ordinance of the municipal governing body, and for the reimbursement of the municipality for payments made thereby to the school district in which the mobile home park is located for educational costs occasioned by pupils residing in that park;

g. "Nonpermanent foundation" means any foundation consisting of nonmortared blocks, wheels, a concrete slab, runners, or any combination thereof, or any other system approved by the commissioner for the installation and anchorage of a manufactured home on other than a permanent foundation;

(2) Placed at an adequate depth below grade to prevent frost damage; and
(3) Constructed of any material approved by the commissioner;
   k. "Runners" means a system of support consisting of poured concrete strips running the length of the chassis of a manufactured home under the lengthwise walls of that home;
   l. "Secretary" means the Secretary of the United States Department of Housing and Urban Development; and
   m. "Trailer" means a recreational vehicle, travel trailer, camper or other transportable, temporary dwelling unit, with or without its own motor power, designed and constructed for travel and recreational purposes to be installed on a nonpermanent foundation if installation is required.

C. 54:4-1.5 Subject to taxation as real property.
4. (New section) a. Except as otherwise provided for in subsection b. of this section and in P. L. 1982, c. 220 (C. 54:4-23a), a manufactured home shall be subject to taxation as real property under chapter 4 of Title 54 of the Revised Statutes when that home:
   (1) Is affixed to the land on which it is sited by a permanent foundation; or
   (2) Is affixed to that land by a nonpermanent foundation and connected to utility systems in such manner as to render the home habitable as a dwelling unit on a permanent basis.
   b. A manufactured home which is installed in a mobile home park shall not be subject to taxation as real property.

C. 54:4-1.6 Municipal service fee.
5. (New section) a. A municipality, by ordinance, shall provide for the imposition of an annual municipal service fee on manufactured homes installed in a mobile park within its corporate boundaries. In setting this fee, the municipal governing body shall take into account the extent to which the taxes assessed and levied pursuant to Title 54 of the Revised Statutes against the land and improvements thereto which together constitute the mobile home park in which the homes are installed defray the costs of services provided, or paid for, by the municipality, or provided by any other appropriate taxing authority, for lessees of sites in the park. The ordinance imposing the municipal service fee shall provide for the proration of that fee, as necessary, in order to account for vacancies in the mobile home park.
b. The municipal service fee shall be collected from each owner of a manufactured home on a monthly basis by the owner of the mobile home park in which the home is installed. The park owner shall issue a receipt to the homeowner upon each collection.

The park owner shall transmit the fees collected, in a manner set forth in the ordinance imposing the fee, to the tax collector of the taxing district constituting the municipality in which the fee is imposed, and shall transmit therewith a copy of each receipt issued pursuant to this subsection.

The governing body of the municipality may, by ordinance, fix a rate of interest to be charged a homeowner by the municipality for failure to pay the municipal service fee when due and payable, and to be charged a park owner for failure to transmit fees actually collected when so required. This rate shall be fixed within the limits established for interest charged for delinquent property taxes pursuant to R.S. 54:4-67.

c. An ordinance adopted pursuant to subsection a. of this section shall set forth the manner in which the municipal service fee shall be allocated among the owners of manufactured homes within the mobile home park. To the extent that the respective portion of the municipal service fee allocated to the owner of a manufactured home constitutes a new fee or an increase of any similar fee imposed before the effective date of this act, this new fee or increase, as appropriate, shall in turn constitute a rent surcharge, collectible in addition to any surcharge or increase permitted by any rent control or rent levelling ordinance adopted by the municipality.

d. Notwithstanding any provision to the contrary of subsection c. of this section, the respective portion of a municipal service fee allocated to the owner of a manufactured home shall be deemed rent for eviction purposes.

C. 54:4-1.7 Tax on first sale.

6. (New section) The sales tax imposed by the “Sales and Use Tax Act,” P. L. 1966, c. 30 (C. 54:32B-1 et seq.) shall be applied only against the manufacturer’s invoice price of a manufactured home upon the first sale of that home.

7. Section 18 of P. L. 1980, c. 105 (C. 54:32B-8.6) is amended to read as follows:

C. 54:32B-8.6 Not motor vehicle.

18. Receipts from casual sales except as to sales of motor vehicles, whether for use on the highways or otherwise, and except as to
sales of boats or vessels registered or subject to registration under the "New Jersey Boat Act of 1962," P. L. 1962, c. 73 (C. 12:7-34.36 et seq.), and all amendments and supplements thereto, are exempt from the tax imposed under the "Sales and Use Tax Act." A manufactured home, as defined in subsection d. of section 3 of P. L. 1983, c. 400 (C. 54:4-1.4), shall not be deemed a motor vehicle for the purposes of this section.

C. 54:4-1.9 Treated as real property.
9. (New section) A manufactured home subject to real property taxation pursuant to this act shall be treated as real property for the purposes of imposing the transfer inheritance and estate tax pursuant to R. S. 54:34-1 et seq.

Repealer.

Motor vehicle registration.

39:3-4. Except as hereinafter provided, every resident of this State and every nonresident whose automobile or motorcycle shall be driven in this State shall, before using such vehicle on the public highways, register the same, and no automobile or motorcycle shall be driven unless so registered.

Such registration shall be made in the following manner: An application in writing, signed by the applicant or by an agent or
officer, in case the applicant is a corporation, shall be made to the
director or his lawful agent, on forms prepared and supplied by the
director, containing the name, address and age of the owner, to­
gether with a description of the character of the automobile or
motorcycle, including the name of the maker and the manufac­

ment that may be required by the director. If the vehicle is insured
by motor vehicle liability insurance, as required by law, the applica­
tion shall contain the name of the insurer of said vehicle and the
policy number.

Thereupon the director shall have the power to grant a registra­
tion certificate to the owner of any motor vehicle, if over 17 years of
age, application for the registration having been properly made and
the fee therefor paid, and the vehicle being of a type that complies
with the requirements of this subtitle. The form and contents of the
registration certificate to be issued shall be prescribed by the
director. The director shall maintain a record of all registration
certificates issued, and of the contents thereof.

Every registration shall expire and the certificate thereof become
void on the last day of the twelfth calendar month following the
calendar month in which the certificate was issued; provided, how­
ever, that the director may, at his discretion and for good cause
shown, require registrations which shall expire, and issue certifi­

date shall not be sooner than three months nor later than 16 months
after the date of issuance of such certificates, and the fees for such
registrations shall be fixed by the director in amounts proportion­
ately less or greater than the fees established in this Title.

The director shall issue registration certificates for the following
registration period on and after the first day of the calendar month
immediately preceding the commencement of such registration
period, such registration certificates to be effective immediately.

Application forms for all renewals of registrations for passenger
automobiles shall be mailed by the director from the central office
of the division to the last addresses of owners of motor vehicles and
motorcycles, as they appear on the records of the division.

No person owning or having control over any unregistered motor
vehicle shall permit the same to be parked or to stand on a public
highway.
Any police officer is authorized to remove any such unregistered vehicle from the public highway to a storage space or garage, the expense involved in such removal and storing of said motor vehicle to be borne by the owner of such vehicle.

Any person violating the provisions of this section shall be subject to a fine not exceeding $100.00, except that for the misstatement of any fact in the application required to be made by the director, the person making such statement shall be subject to the penalties provided in R. S. 39:3-37.

Nothing in this section shall be construed to alter or extend the expiration date of any registration certificate issued prior to March 1, 1956.

7. R. S. 39:3-10 is amended to read as follows:

**Licensing of drivers.**

39:3-10. No person shall drive a motor vehicle on a public highway in this State unless licensed to do so in accordance with this article. No person under 17 years of age shall be licensed to drive motor vehicles, nor shall a person be licensed until he has passed a satisfactory examination as to his ability as an operator. The examination shall include a test of the applicant's vision, his ability to understand traffic control devices, his knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, his knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road and a demonstration of his ability to operate a vehicle of the class designated.

The director shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health concerning the use of alcohol or drugs as related to highway safety. The director shall develop in conjunction with the State Department of Health supplements to the driver's manual which shall include information necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

Any person applying for a driver's license to operate a motor vehicle or motorized bicycle in this State shall surrender to the director any current driver's license issued to him by another state.
upon his receipt of a driver's license for this State. The director shall refuse to issue a driver's license if the applicant fails to comply with this provision.

The director shall create classified licensing of drivers covering the following classifications:

a. Motorcycles;
b. Omnibuses as classified by R. S. 39:3-10.1 and school buses classified under N. J. S. 18A:39-1 et seq.;
c. Articulated vehicles means a combination of a commercial motor vehicle registered at a gross weight in excess of 18,000 pounds and one or more motor-drawn vehicles joined together by means of a coupling device;
d. All motor vehicles not included in classifications a., b. and c.

A license issued pursuant to this classification d. shall be referred to as the "basic driver's license."

Every applicant for a license under classification b. or c. shall be a holder of a basic driver's license. Any issuance of a license under classification b. or c. shall be by endorsement on the basic driver's license.

A driver's license for motorcycles may be issued separately, but if issued to the holder of a basic driver's license, it shall be by endorsement on the basic driver's license.

The director, upon payment of the lawful fee and after he or a person authorized by him has examined the applicant and is satisfied of the applicant's ability as an operator, may, in his discretion, license the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the forty-eighth calendar month following the calendar month in which such license was issued.

The director may issue a renewal of a basic driver's license which does not bear a photograph, and which shall expire on the last day of the twenty-fourth calendar month following the calendar month in which such license was issued, to any person 60 years of age or older who makes application for such a license.

The director may, at his discretion and for good cause shown, issue licenses which shall expire on a date fixed by him. The fee for such licenses shall be fixed by the director in amounts proportionately less or greater than the fee herein established.
The required fee for a license for the 48-month period shall be as follows:

- Motorcycle license or endorsement: $8.00
- Omnibus or school bus endorsement: $16.00
- Articulated vehicle endorsement: $8.00
- Basic driver's license: $16.00

The required fee for a basic driver's license for the 24-month period shall be $8.00.

The required fee for a license for the 36-month period shall be as follows:

- Motorcycle license or endorsement: $6.00
- Omnibus or school bus endorsement: $12.00
- Articulated vehicle endorsement: $6.00
- Basic driver's license: $12.00

The director shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the director's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The driver's license shall have the legal name of the licensee endorsed thereon in his own handwriting. For purposes of this section, legal name shall mean the name recorded on a birth certificate unless otherwise changed by marriage, divorce or order of court. The director may require that only the legal name be recorded on the driver's license. A licensee whose name is changed due to marriage, divorce, or by judgment of the court, shall notify the director of the change in name within two weeks after the change is made. A person who violates this provision shall be subject to a penalty of not more than $10.00.

The director shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made on forms prescribed by the director and in accordance with procedures established by him.

The director in his discretion may refuse to grant a license to drive motor vehicles to a person who is, in his estimation, not a proper person to be granted such a license, but no defect of the
applicant shall debar him from receiving a license unless it can be shown by tests approved by the Director of the Division of Motor Vehicles that the defect incapacitates him from safely operating a motor vehicle.

A person violating this section shall be subject to a fine not exceeding $500.00 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200.00 and, in addition, the court shall issue an order to the Director of the Division of Motor Vehicles requiring the director to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the Division of Motor Vehicles.

Nothing in this section shall be construed to alter or extend the expiration of any license issued prior to the date this amendatory and supplementary act becomes operative.

8. Section 1 of P. L. 1942, c. 324 (C. 39:3-11.1) is amended to read as follows:

C. 39:3-11.1 Agricultural pursuits.
1. Any person, under seventeen years of age and not under sixteen years of age, may be licensed to drive motor vehicles in agricultural pursuits as herein limited; provided such person has passed an examination satisfactory to the director as to his ability as an operator. The director, upon payment of the lawful fee and after he or a person authorized by him has examined the applicant and is satisfied of the applicant's ability as an operator, may, in his discretion, license the applicant to drive any motor vehicle which is registered under the provisions of R. S. 39:3-24 and R. S. 39:3-25. Such registration shall expire on March thirty-first of each year terminating the period for which such license is issued. The annual license fee for such license shall be one dollar ($1.00), and is for the limited use herein provided, and is not to be used in the operation of any other vehicle and shall have the name of the licensee endorsed thereon in his own handwriting.

9. R. S. 39:3-17 is amended to read as follows:
Reciprocity.

39:3-17. The touring privileges allowed by R. S. 39:3-15 are also extended to any nonresident chauffeur or driver who has complied with the law of his resident state, or country, with respect to the licensing of drivers or chauffeurs. No such nonresident shall operate a motor vehicle registered under the laws of this State unless he is seventeen years of age or over. No nonresident shall be permitted to avail himself of the right of driving a New Jersey registered vehicle under his reciprocity privilege unless he is a holder of a driver's license from the state, or country, in which he resides. A nonresident shall, at all times while operating a motor vehicle in this State under this reciprocity provision, have in his possession the registration certificate of the car which he shall be then operating and his driver's license, and shall exhibit them to a police officer or judge who, in the performance of the duties of his office, shall request the same. Any person violating the provisions of this section shall be subject to a fine not exceeding five hundred dollars, or to imprisonment in the county jail for not more than sixty days.

10. R. S. 39:3-29 is amended to read as follows:

Possession of documents.

39:3-29. The driver's license, the registration certificate of a motor vehicle and an insurance identification card shall be in the possession of the driver or operator at all times when he is in charge of a motor vehicle on the highways of this State. The driver or operator shall exhibit his driver's license and an insurance identification card, and the holder of a registration certificate or the operator or driver of a motor vehicle for which a registration certificate has been issued, whether or not the holder, driver or operator is a resident of this State, shall also exhibit the registration certificate, when requested so to do by a police officer or judge, while in the performance of the duties of his office, and shall write his name in the presence of the officer, so that the officer may thereby determine the identity of the licensee and at the same time determine the correctness of the registration certificate, as it relates to the registration number and number plates of the motor vehicle for which it was issued; and the correctness of the evidence of a policy of insurance, as it relates to the coverage of the motor vehicle for which it was issued.

Any person violating this section shall be subject to a fine not exceeding $100.00.
If a person charged with a violation of this section can exhibit his driver's license, insurance identification card and registration certificate, which were valid on the day he was charged, to the judge of the municipal court before whom he is summoned to answer to the charge, such judge may dismiss the charge. However, the judge may impose court costs.

11. Section 1 of P. L. 1964, c. 172 (C. 39:3-38.1) is amended to read as follows:

C. 39:3-38.1 False documents.

1. Any person who:
   a. Keeps in his possession or conceals any falsely made, forged, altered or counterfeited certificate of registration or driver's license, knowing the same to be falsely made, altered, forged or counterfeited with the intent to use the same unlawfully; or
   b. Exhibits to a police officer or judge in accordance with R. S. 39:3-29 any falsely made, altered, forged or counterfeited motor vehicle certificate of registration or driver's license, knowing the same to be falsely made, altered, forged or counterfeited; or
   c. Exhibits to any person, for purposes of identification, any falsely made, altered, forged or counterfeited motor vehicle certificate of registration or driver's license, knowing the same to be falsely made, altered, forged or counterfeited, and representing the same as a certificate or license lawfully issued to him by the Director of the Division of Motor Vehicles, is guilty of a disorderly persons offense.

12. Section 5 of P. L. 1950, c. 142 (C. 39:3-84.3) is amended to read as follows:

C. 39:3-84.3 Measurement, weighing to determine compliance.

5. a. Any State Police officer is authorized to require the driver, operator, owner, lessee or bailee of any vehicle or combination of vehicles found on any public road, street or highway or on any public or quasi-public property in this State to stop and submit the vehicle or combination of vehicles, including load or contents, to measurement or weighing to determine whether the size or weight of the vehicle or combination of vehicles, including load or contents, is in excess of that permitted in this Title, by means of measuring or weighing devices or scales approved and certified by the State Superintendent of Weights and Measures or his agent. Copies of documents displaying the seal or certification of the State Superintendent of Weights and Measures shall be prima facie evidence
of the reliability and accuracy of the measuring or weighing devices
or scales utilized in the enforcement of this Title. The driver,
operator, owner, lessee or bailee of a vehicle or combination of
vehicles, including load or contents, that is to be measured or
weighed may be required to drive or otherwise move the vehicle
or combination of vehicles to a location, as directed by the officer
or inspector, where the vehicle or combination of vehicles, including
load or contents, can be measured or weighed, as described in this
section.

b. Whenever the officer, upon measuring or weighing a vehicle or
combination of vehicles, including load or contents, determines
that the size or weight is in excess of the limits permitted in this
Title, the officer or inspector shall require the driver, operator,
owner, lessee or bailee to stop the vehicle or combination of vehi­
cles in a suitable place and remain in that place until a portion of
the load or contents of the vehicle or combination of vehicles is
removed by the driver, operator, owner, lessee, bailee or duly
appointed agent thereof, as may be necessary to conform or reduce
the size or weight of the vehicle or combination of vehicles, includ­
ing load or contents, to those limits as permitted under this act,
or permitted by the certificate of registration for the vehicle or
combination of vehicles, whichever may be lower. All materials
so unloaded or removed shall be cared for by the driver, owner,
operator, lessee or bailee of the vehicle or combination of vehicles,
or duly appointed agent thereof, at the risk, responsibility and lia­
bility of the driver, owner, operator, lessee, bailee or duly ap­
pointed agent thereof.

c. No vehicle or combination of vehicles shall be deemed to be in
violation of the weight limitation provision of this act, when, upon
examination by the officer, the dispatch papers for the vehicle or
combination of vehicles, including load or contents, show it is pro­
ceeding from its last preceding freight pickup point within the
State of New Jersey by a reasonably expeditious route to the
nearest available scales or to the first available scales in the gen­
eral direction towards which the vehicle or combination of vehicles
has been dispatched, or is returning from such scales after weigh­
ing-in to the last preceding pickup point.

d. When the officer determines that a vehicle or combination of
vehicles, including load or contents, is in violation of the weight
limitations of this Title as provided at R. S. 39:3-84 b. (1); R. S.
39:3-84 b. (2); R. S. 39:3-84 b. (3); or R. S. 39:3-84 b. (5) relative
to maximum gross axle weights, but is within the permissible maxi-
mum gross vehicle weight of this Title as provided at R. S. 39:3-84
b. (4) or R. S. 39:3-84 b. (5), whichever is applicable, the driver,
operator, owner, lessee, bailee or duly appointed agent thereof
shall be permitted, before proceeding, to redistribute the weight
of the vehicle or combination of vehicles or the load or contents
of the vehicle or combination of vehicles so that no axle or combi-
nation of consecutive axles are in excess of the limits set by this
act, in which event there is no violation.

e. When the officer determines that a vehicle or combination of
vehicles, including load or contents, is in violation of the height,
width or length limits of this Title as provided at R. S. 39:3-84a.,
the driver, operator, owner, lessee or bailee of the vehicle or com-

bination of vehicles or duly appointed agent thereof shall be per-
mitted, before proceeding, to adjust, reduce or conform the vehicle
or combination of vehicles, including load or contents, so that the
vehicle or combination of vehicles, including load or contents, are
not in excess of the height, width, or length limits set by this act,
in which event there is no violation.

f. The provisions of this subsection shall not apply to a vehicle
or combination of vehicles, including load or contents, found or
operated on any highway in this State which is part of or design-
ated as part of the National Interstate System, as provided at 23
U. S. C. § 103(e). No arrest shall be made or summons issued for
a violation of the weight limitations provided in this act at R. S.
39:3-84b, where the excess weight is not more than 5% of the weight
permitted, provided the gross weight of the vehicle or combination
of vehicles, including load or contents, does not exceed the maxi-

mum gross weight of 80,000 pounds as set forth at R. S. 39:3-84b.
(4).

g. Any person who presents to the officer, or has in his posses-
sion, or who prepares false dispatch papers, that is to say, dis-
patch papers which do not correspond to the cargo carried, shall
be subject to a fine not to exceed $100.00.

h. Any driver of a vehicle or combination of vehicles who fails
or refuses to stop and submit the vehicle or combination of vehicles,
including load or contents, to measurement or weighing, as provided
in this Title, or otherwise fails to comply with the provisions of this
section, shall be subject to a fine not exceeding $200.00.

i. The owner, lessee, bailee or any one of the aforesaid of any
vehicle or combination of vehicles found or operated on any public
road, street or highway or any public or quasi-public property
in this State in violation of the height, width or length limits as set
forth in subsection a. of R. S. 39:3-84 shall be fined not less than $150.00 nor more than $500.00.

j. The owner, lessee, bailee or any one of the aforesaid of any vehicle or combination of vehicles found or operated on any public road, street or highway or on any public or quasi-public property in this State, with a gross weight of the vehicle or combination of vehicles, including load or contents, in excess of the weight limitations as provided at subsection b. of R. S. 39:3-84 or section 3 of P. L. 1950, c. 142 (C. 39:3-84.1) shall be fined an amount equal to $0.02 per pound for each pound of the total excess weight; provided the total excess weight is 10,000 pounds or less, or shall be fined an amount equal to $0.03 per pound for each pound of the total excess weight; provided the total excess weight is more than 10,000 pounds, but in no event shall the fine be less than $50.00.

k. Whenever a vehicle or combination of vehicles, including load or contents, is found to be in violation of any two or more of the weight limitations as provided at subsection b. of R. S. 39:3-84 or section 3 of P. L. 1950, c. 142 (C. 39:3-84.1), the fine levied shall be only for the violation involving the greater or greatest excess weight.

13. Section 9 of P. L. 1973, c. 307 (C. 39:3C-9) is amended to read as follows:

C. 39:3C-9 Snowmobile registration.
9. Every person operating a snowmobile registered or transferred in accordance with any of the provisions of this act shall, upon demand of any peace officer, law enforcement officer, duly authorized official of the Department of Environmental Protection, or a police officer, produce for inspection the certificate of registration for such snowmobile and shall furnish to such officer any information necessary for the identification of such snowmobile and its owner. The failure to produce the certificate of registration when operating a snowmobile on public lands and waters or when crossing a public highway shall be presumptive evidence in any court of competent jurisdiction of operating a snowmobile which is not registered as required by this act.

14. R. S. 39:4-4 is amended to read as follows:

Employees.
39:4-4. The director may, subject to law, employ such clerical and technical assistants as he deems necessary for carrying into effect the provisions of this article, who shall respectively receive
the compensation fixed by the director, unless such compensation is fixed by statute or otherwise determinable by authority of law.

19. R. S. 39:5–3 is amended to read as follows:

Violations.

39:5–3. When a person has violated a provision of this subtitle, the judge may, within 30 days after the commission of the offense, issue process directed to a constable, police officer or the director for the appearance or arrest of the person so charged. A complaint
may be made to a judge for a violation of section 39:3-12, 39:3-34, 39:3-37, 39:4-129 or 39:10-24 of this Title, at any time within one year after the commission of the offense and for a violation of R.S. 39:3-40, at any time within 90 days after the commission of the offense.

All proceedings shall be brought before a judge having jurisdiction in the municipality in which it is alleged that the violation occurred, but when a violation occurs on a street through which the boundary line of two or more municipalities runs or crosses, then the proceeding may be brought before the judge having jurisdiction in any one of the municipalities divided by said boundary line, and in the event there shall be no judge or should no judge having such jurisdiction be available for the acceptance of bail and disposition of the case, or should the judges having such jurisdiction be disqualified because of personal interest in the proceedings, or for any other legal cause, said proceeding shall be brought before a judge having jurisdiction in the nearest municipality to the one in which it is alleged such a violation occurred.

Proceedings in name of State.

39:5-5. All proceedings for the violation of this subtitle shall be brought in the name of the State, with the director, police officer, peace officer, constable or any other person who institutes the proceedings as prosecutor. 39:5-20. On an appeal by the defendant in any proceeding instituted under this subtitle, the county prosecutor of the county wherein the alleged violation was committed shall represent the complainant; but where a complaint is made by a member of the State Police charging a violation of either section 39:3-40, 39:4-50 or 39:4-96 of this Title, the Attorney General, and not the prosecutor, shall represent the complainant, and where there is a violation of a municipal ordinance relating to traffic regulations and the proceeding was instituted by a municipal officer, the municipal attorney shall represent the complainant. The exemption from arrest of a motorman or person having control of a street car or auto bus, as conferred herein, shall not operate to prevent his arrest, however, for a violation of R. S. 39:4-50. The arresting officer shall bring any person so arrested before any judge of the municipal court of the municipality wherein the offense was committed, or before the director at any place designated as his office. If the arrest is for a violation of R. S. 39:4-50, the arresting officer may, if no judge, clerk or deputy clerk is available, detain the person arrested, either in any police station, lockup or other place maintained by any municipality for the detention of offenders or in the common jail of the county, for such reasonable time as will permit the arresting officer to obtain a warrant for the offender’s further detention, which temporary detention shall not exceed twenty-four hours from the time of the arrest. If the arrest is for a violation of any other provision of this subtitle, the person arrested shall be detained in the police station or municipal court until the arresting officer makes a complaint and a warrant issues.

Any constable, police officer, or the director may, instead of arresting an offender as herein provided, serve upon him a summons.

23. R. S. 39:5-35 is amended to read as follows:

**Surrender of license, registration.**

This amount, when included in the taxed costs authorized by this chapter, shall be paid as costs are now paid. If the defendant is found not guilty of the charges laid against him for a violation of R. S. 39:4-50, the costs shall be paid by the prosecutor, except in those instances in which the director, a member of the Division of State Police or a police officer has been the prosecutor.

The provisions of this chapter shall be enforced and all penalties for the violation thereof shall be recovered in accordance with the provisions of “the penalty enforcement law” (N. J. 30. R.S. 39:10-6 is amended to read as follows:

Ownership, registration certificates.

39:10-6. Every person shall have for each motor vehicle in his possession in this State: (a) certificate of ownership therefor in conformity with this chapter, and (b) the registration certificate for the motor vehicle, if it is registered by the director and a registration certificate has been issued therefor. He shall produce either the certificate of ownership or registration certificate, upon demand for production of certificate of ownership by the director. If he fails to do so, the director may seize and take possession of the motor vehicle and hold and dispose of it in accordance with R.S. 39:10-21.

If a motor vehicle is registered in or bears the registration plates of another state or country and is being used or operated in this State, the person in possession of it or using or operating it in this State must be entitled to ownership or possession in accordance with the laws of the state or country where it is registered or the registration plates of which it bears, and shall produce to the director documents showing title to, or right of possession in, the motor vehicle in that person or in the person who has authorized him to use and operate it, or registration certificate or other evidence of registration, besides plates, issued by the state or country or department thereof to that person, or to the person who has authorized him to use and operate the motor vehicle, evidencing the registration of the motor vehicle in that state or country.

When a motor vehicle is in the possession of a garage keeper, motor vehicle dealer, both new and used, or motor vehicle service station in this State, the production of a writing signed by the person delivering possession of the motor vehicle to the garage keeper, dealer or service station, stating that the person is the owner or entitled to the possession of the motor vehicle and has title papers or the registration certificate therefor, shall be deemed a compliance with this section insofar as the garage keeper, dealer and service station are concerned.

31. R.S. 39:10-16 is amended to read as follows:

Correction of defects; out-of-State purchases.

39:10-16. If the title papers or certificate of ownership are defective or improper, or if the motor vehicle was purchased and
its sale consummated in another state or country, in accordance with the laws of such state or country regulating the sale of motor vehicles, and not made for the purpose of evading the provisions of this chapter, the bona fide owner of the motor vehicle may apply to the director to correct the defects, or permit the title papers to be received.

The director shall, upon such proof as he requires showing that it is just and equitable that the defects be corrected or that the title papers or certificate of ownership be received, with or without hearing, determine the truth and merits of the application and whether the holder appears to be the bona fide owner of the motor vehicle, and may issue his certificate correcting the defects or permitting the title papers or certificate of ownership to be so recorded and filed. The person submitting the papers shall pay to the director a fee of $10.00 for the issuing and filing of the certificate.

Before issuing the certificate the director may, in his discretion, require the person to advertise in a newspaper having a general circulation in the county where he resides, for the space of two weeks, at least once a week, making three insertions in all, a notice briefly stating that the person has applied to the director to correct defects in the motor vehicle title papers or to receive the title papers out of time, or, as the case may be, giving a description of the motor vehicle as provided in R. S. 39:10-8, and that if anyone desires to be heard in opposition thereto, he may do so by appearing before the director on a date and at a place named, or communicating with him prior thereto. He shall also serve like notice on local police, State Police and any other person or agency, as prescribed by the director, personally or by registered mail. Proofs of the publication and service shall be submitted to the director. The director or his agent may have the notice advertised or served at the cost and expense of that person.

The director, either personally or by his agent, may demand production of, and examine, the certificate of origin, certificate of ownership, or writing provided in R. S. 39:10-6 for any
motor vehicle in a dealer’s possession, and examine and inspect any motor vehicle in his possession.

If the demand is not complied with, or there is no certificate of origin, certificate of ownership or writing provided in R. S. 39:10-6 for a motor vehicle in the possession of a dealer, or if it is not in conformity with this chapter, the director or his agent may seize and take possession of the motor vehicle, and hold it until the certificate of origin, certificate of ownership or writing provided in R. S. 39:10-6 is produced or is corrected, if defective, or ownership of the motor vehicle is established according to law. After the expiration of 90 days from the date the motor vehicle came into his possession, the director may sell it at public sale, upon at least 10 days’ written notice of sale to the dealer, served personally or by registered mail, addressed to the dealer at his last known place of business, and notice of the sale being published for a space of two weeks, once a week, making three insertions in all, in one or more newspapers published and circulating in the county where the dealer has his established place of business and also by posting the notice in five public places in the county. The newspapers and places of posting shall be designated by the director. Upon the sale of the motor vehicle, all valid liens and claims for interest therein, if any, shall be transferred from the vehicle to the proceeds of sale, which, subject thereto, shall become the sole property of the State, to be used as other moneys received by the director.

The board of trustees shall retire him at the time specified or at such other time within one month after the date so specified, as the board finds advisable.

An Act concerning fraternal benefit societies and amending
P. L. 1959, c. 167

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 17 of P. L. 1959, c. 167 (C. 17:44A-17) is amended to read as follows:

C. 17:44A-17 Nonforfeiture benefits, cash surrender values, certificate loans and other options.

17. Nonforfeiture benefits, cash surrender values, certificate loans and other options. A society may grant paid-up nonforfeiture benefits, cash surrender values, certificate loans and such other options as its laws may permit. As to certificates issued one year from the effective date of this act and thereafter, a society shall grant at least one paid-up nonforfeiture benefit, except in the case of reducing term insurance contracts or contracts of term insurance of uniform amount of 15 years or less expiring before age 66.

In the case of certificates other than those for which reserves are computed on the Commissioners 1941 Standard Ordinary Mortality Table, the Commissioners 1958 Standard Ordinary Mortality Table, the 1941 Standard Industrial Table, or any more recent table made applicable to life insurance companies pursuant to Title 17B of the New Jersey Statutes, the value of every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall not be less than the excess, if any, of (a) over (b) as follows:

(a) The reserve under the certificate determined on the basis specified in the certificate; and

(b) The sum of any indebtedness to the society on the certificate, including interest due and accrued, and a surrender charge equal to $1.2% of the face amount of the certificate, which, in the case of insurance on the lives of children, shall be the ultimate face amount of the certificate, if death benefits provided therein are graded.

However, in the case of certificates issued on a substandard basis or in the case of certificates the reserves for which are computed upon the American Men Ultimate Table of Mortality,
the term of any extended insurance benefit granted including accompanying pure endowment, if any, may be computed upon the rates of mortality not greater than 130% of those shown by the mortality table specified in the certificate for the computation of the reserve.

In the case of certificates for which reserves are computed on the Commissioners 1941 Standard Ordinary Mortality Table, the Commissioners 1958 Standard Ordinary Mortality Table, the 1941 Standard Industrial Table, or any more recent table made applicable to life insurance companies pursuant to Title 17B of the New Jersey Statutes, every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall not be less than the corresponding amount ascertained in accordance with the provisions of the laws of this State applicable to life insurers issuing policies containing life insurance benefits based on these tables. All values referred to above may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall not be less than the dividends used to provide such additions. Additional benefits payable (1) in the event of death or dismemberment by accident or accidental means, (2) in the event of total and permanent disability, (3) as reversionary annuity or deferred reversionary annuity benefits, (4) as reducing term insurance benefits provided by a rider or supplemental policy provision, and (5) as other policy benefits additional to life insurance and endowment benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender and nonforfeiture benefits as described above and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits. Notwithstanding any other provisions of this section, additional benefits providing the privilege to purchase additional insurance at some future time without furnishing evidence of insurability, and premiums therefor, may, with the consent of the commissioner, be disregarded in ascertaining cash surrender values and nonforfeiture benefits as described in this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

In the case of annuity contracts issued after the effective date of this act, every annuity contract shall be subject to the requirements of N. J. S. 17B:25-19, as it applies to annuity contracts.

2. Section 34 of P. L. 1959, c. 167 (C. 17:44A-34) is amended to read as follows:
C. 17:44A-34 Reports and valuations.

34. Reports and valuations. Reports shall be filed and synopses of annual statements shall be published in accordance with the provisions of this section.

(1) Every society transacting business in this State shall annually, on or before March 1, unless for cause shown such time has been extended by the commissioner, file with the commissioner a true statement of its financial condition, transactions and affairs for the preceding calendar year and pay a fee of $20.00 for filing same. The statement shall be in general form and context as approved by the National Association of Insurance Commissioners for fraternal benefit societies and as supplemented by additional information required by the commissioner.

(2) A synopsis of its annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each benefit member of the society not later than June 1 of each year, or, in lieu thereof, such synopsis may be published in the society’s official publication.

(3) As a part of the annual statement herein required, each society shall, on or before March 1, file with the commissioner a valuation of its certificates in force on December 31 last preceding; provided, the commissioner may, in his discretion for cause shown, extend the time for filing such valuation for not more than two calendar months. Such report of valuation shall show, as reserve liabilities, the difference between the present mid-year value of the promised benefits provided in the certificates of such society in force and the present mid-year value of the future net premiums as the same are in practice actually collected, not including therein any value for the right to make extra assessments and not including any amount by which the present mid-year value of future net premiums exceeds the present mid-year value of promised benefits on individual certificates. At the option of any society, in lieu of the above, the valuation may show the net tabular value. Such net tabular value as to certificates issued prior to one year after the effective date of this act shall be determined in accordance with the provisions of law applicable prior to the effective date of this act and as to certificates issued one year from the effective date of this act and thereafter, shall not be less than the reserves determined according to the Commissioners’ Reserve Valuation method as hereinafter defined. If the premium charged is less than the tabular net premium according to the basis of valuation used, the minimum reserve required shall be determined in accordance
with the provisions of subsection e. of N. J. S. 17B:19-8. The re­serve liabilities shall be properly adjusted in the event that the mid-year or tabular values are not appropriate.

(4) Reserves according to the Commissioners’ Reserve Valuation method, for the life insurance and endowment benefits of certificates providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such certificates, over the then present value of any future modified net premiums therefor. The modified net premiums for any such certificate shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the certificate, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the certificate and the excess of (a) over (b) as follows:

(a) a net level premium equal to the present value, at the date of issue, of such benefits provided for after the first certificate year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such certificate on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such certificate; and

(b) a net one-year term premium for such benefits provided for in the first certificate year.

Reserves according to the Commissioners’ Reserve Valuation method for (1) life insurance benefits for varying amounts of benefits or requiring the payment of varying premiums, (2) annuity and pure endowment benefits, (3) disability and accidental death benefits in all certificates and contracts, and (4) all other benefits except life insurance and endowment benefits, shall be calculated by a method consistent with the principles of this subsection.

(5) The present value of deferred payments due under incurred claims or matured certificates shall be deemed a liability of the society and shall be computed upon mortality and interest standards prescribed in the following subsection.

(6) Such valuation and underlying data shall be certified by a competent actuary, or at the expense of the society, verified by the actuary of the Department of Insurance of the state of domicile.
of the society, if such department consents to undertake the valuation.

The minimum standards of valuation for certificates issued prior to one year from the effective date of this act shall be for adult certificates the "National Fraternal Congress Table of Mortality" and 4% interest and for certificates on the lives of children the "Standard Industrial Mortality Table" or the "English Life Table Number 6" and 4% interest, but the minimum standards shall not be lower than the standards used in the calculating of rates for such certificates.

The minimum standard of valuation for certificates issued one year from the effective date of this act and thereafter, shall be 3½% interest or, at the discretion of the commissioner, any higher rate of interest permitted for life insurance companies pursuant to Title 17B of the New Jersey Statutes, and the following tables:

(a) for certificates of life insurance—American Men Ultimate Table of Mortality, with Bowerman’s or Davis’s Extension thereof or, with the consent of the commissioner, the Commissioners 1941 Standard Ordinary Mortality Table, the Commissioners 1958 Standard Ordinary Mortality Table or the Commissioners 1941 Standard Industrial Table of Mortality, provided that for any category of such certificates issued on female risks modified net premiums and present values, referred to in this section, may be calculated at the option of the society with approval of the commissioner, according to an age not more than six years younger than the actual age of the insured;

(b) for annuity and pure endowment certificates, excluding any disability and accidental death benefits in such certificates and including life annuities provided or available under optional modes of settlement in any certificates—the 1937 Standard Annuity Table or the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner;

(c) for total and permanent disability benefits in or supplementary to life insurance certificates—Hunter’s Disability Table, except that either the Class III Disability Table (1926) modified to conform to the contractual waiting period or the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries with due regard to the type of benefit shall be used in computing reserves for disability benefits under a contract which presumes that total disability shall be considered to be permanent after a specified period. Any such table shall, for active lives, be combined with a
mortality table permitted for calculating the reserves for life insurance certificates;

(d) for accidental death benefits in or supplementary to life insurance certificates—the Inter-Company Double Indemnity Mortality Table or the 1959 Accidental Death Benefits Table. Either table shall be combined with a mortality table permitted for calculating the reserves for life insurance certificates;

(e) for noncancelable accident and health benefits—the Class III Disability Table (1926) with conference modifications or, with the consent of the commissioner, tables based upon the society’s own experience; and

(f) for paid-up term insurance and accompanying pure endowment, the table of mortality based on the rates of mortality assumed in calculating the paid-up nonforfeiture benefit.

Provided, however, that any society may value its certificates in accordance with mortality and morbidity tables authorized by the laws of this State for the valuation of policies issued by life insurance companies.

The commissioner may, in his discretion, accept other standards for valuation if he finds that the reserves produced thereby will not be less in the aggregate than reserves computed in accordance with the minimum valuation standard herein prescribed. The commissioner may, in his discretion, vary the standards of mortality applicable to all certificates of insurance on substandard lives or other extra-hazardous lives by any society authorized to do business in this State. Whenever the mortality experience under all certificates valued on the same mortality table is in excess of the expected mortality according to such table for a period of three consecutive years, the commissioner may require additional reserves when deemed necessary in his judgment on account of such certificates.

Any society, with the consent of the commissioner of the state of domicile of the society and under such conditions, if any, which he may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any insured member shall not be affected thereby.

(7) A society neglecting to file the annual statement in the form and within the time provided by this section shall be penalized $100.00 for each day during which neglect continues, and, upon notice by the commissioner to that effect, its authority to do business in this State shall cease while such default continues.

CHAPTER 422, LAWS OF 1983

CHAPTER 422

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P. L. 1945, c. 162 (C. 54:10A-4) is amended to read as follows:

C. 54:10A-4 Definitions.

4. For the purposes of this act, unless the context requires a different meaning:

(a) "Commissioner" shall mean the Director of the Division of Taxation of the State Department of the Treasury.

(b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.

(c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument.

(d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, and (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion. Notwithstanding the foregoing, net worth shall not include any deduction for the amount of the excess depreciation described in paragraph (2) (F) of subsection (k) of this section. The foregoing aggregate of values shall be reduced by 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of the total number of shares of all other classes of stock except...
nonvoting stock which is limited and preferred as to dividends. In the case of investment in an entity organized under the laws of a foreign country, the foregoing requisite degree of ownership shall affect a like reduction of such investment from net worth of the taxpayer, if the foreign entity is considered a corporation for any purpose under the United States federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the excluded portion of the subsidiary values bears to the total assets of the taxpayer.

In the case of banking corporations which have international banking facilities as defined in subsection (n), the foregoing aggregate of values shall also be reduced by retained earnings of the international banking facility. Retained earnings mean the earnings accumulated over the life of such facility and shall not include the pro rata share of dividends paid and federal income taxes paid or payable during the tax year.

If in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(e) “Indebtedness owing directly or indirectly” shall include, without limitation thereto, all indebtedness owing to any stockholder or shareholder and to members of his immediate family where a stockholder and members of his immediate family together or in the aggregate own 10% or more of the aggregate outstanding shares of the taxpayer's capital stock of all classes.

(f) “Investment company” shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the
same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation or a financial business corporation as defined in the Corporation Business Tax Act.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(h) "Taxpayer" shall mean any corporation required to report or to pay taxes, interest or penalties under this act.

(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for federal income tax purposes.

(j) Except as herein provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(k) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets. For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report to the United States Treasury Department for the purpose of computing its federal income tax; provided, however, that in the determination of such entire net income,

(1) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section. With respect to other dividends, entire net income shall not include 50% of the total included in computing such taxable income for federal income tax purposes. Entire net income shall exclude for the periods set forth in paragraph (2) (F) (i) of this subsection, any amount, except with respect to property described in section 168 (f) (8) (D) (iii) of the Internal Revenue Code, which is included in a taxpayer's federal taxable income solely as a result of an
election made pursuant to the provisions of paragraph (8) of that section.

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) The amount of any specific exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations;

(B) Any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in subsection (k) (1) of this section;

(C) Taxes paid or accrued to the United States on or measured by profits or income, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in subsection (k) (1) of this section;

(D) Net operating losses sustained during any year or period other than that covered by the report;

(E) 90% of interest on indebtedness owing directly or indirectly to holders of 10% or more of the aggregate outstanding shares of the taxpayer's capital stock of all classes; except that such interest may, in any event, be deducted

   (i) Up to an amount not exceeding $1,000.00;

   (ii) In full to the extent that it relates to bonds or other evidences of indebtedness issued, with stock, pursuant to a bona fide plan of reorganization, to persons who, prior to such reorganization, were bona fide creditors of the corporation or its predecessors, but were not stockholders or shareholders thereof;

   (iii) In full to the extent that it relates to debt of a financial business corporation owed to an affiliate corporation; provided that such interest rate does not exceed 2% over prime rate; the prime rate to be determined by the Commissioner of Banking;

   (iv) In full to the extent that it relates to financing of motor vehicle inventory held for sale to customers; provided said indebtedness is owed to a taxpayer customarily and routinely providing this type of financing;

   (v) In full to the extent it relates to debt of a banking corporation to a bank holding company, as defined in 12 U.S.C. § 1841, of which the banking corporation is a subsidiary;
(F) (i) The amount by which depreciation reported to the United States Treasury Department for property placed in service on and after January 1, 1931, for purposes of computing federal taxable income in accordance with section 168 of the Internal Revenue Code in effect after December 31, 1980, exceeds the amount of depreciation determined in accordance with the Internal Revenue Code provisions in effect prior to January 1, 1981, but only with respect to a taxpayer’s accounting period ending after December 31, 1981; provided, however, that where a taxpayer’s accounting period begins in 1981 and ends in 1982, no modification shall be required with respect to this paragraph (F) for the report filed for such period with respect to property placed in service during that part of the accounting period which occurs in 1981.

(ii) For the periods set forth in subparagraph (F) (i) of this subsection, any amount, except with respect to property described in section 168 (f) (8) (D) (iii) of the Internal Revenue Code, which the taxpayer claimed as a deduction in computing federal income tax pursuant to paragraph (g) of that section.

The director shall promulgate rules and regulations necessary to carry out the provisions of this section, which rules shall provide, among others, the manner in which the remaining life of property shall be reported.

(3) The commissioner may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

(4) There shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining federal taxable income, the eligible net income of an international banking facility determined as follows:

(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the applicable expenses;

(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign
person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities; or

(iii) Entering into foreign exchange trading or hedging transactions related to any of the transactions described in this paragraph;

(iv) Such other activities of an international banking facility may, from time to time, be authorized to engage in;

(C) Applicable expenses shall be any expense or other deductions attributable, directly or indirectly, to the eligible gross income described in paragraph (B) of this subsection.

(1) "Real estate investment trust" shall mean any unincorporated trust or unincorporated association qualifying and electing to be taxed as a real estate investment trust under federal law.

(m) "Financial business corporation" shall mean any corporate enterprise which is (1) in substantial competition with the business of national banks and which (2) employs moneyed capital with the object of making profit by its use as money, through discounting and negotiating promissory notes, drafts, bills of exchange and other evidences of debt; buying and selling exchange; making of or dealing in secured or unsecured loans and discounts; dealing in securities and shares of corporate stock by purchasing and selling such securities and stock without recourse, solely upon the order and for the account of customers; or investing and reinvesting in marketable obligations evidencing indebtedness of any person, copartnership, association or corporation in the form of bonds, notes or debentures commonly known as investment securities; or dealing in or underwriting obligations of the United States, any state or any political subdivision thereof, or of a corporate instrumentality of any of them. This shall include, without limitation of the foregoing, business commonly known as industrial banks, dealers in commercial paper and acceptances, sales finance, personal finance, small loan and mortgage financing businesses, as well as any other enterprise employing moneyed capital coming into competition with the
business of national banks; provided, that the holding of bonds, 
notes, or other evidences of indebtedness by individual persons not 
employed or engaged in the banking or investment business and 
representing merely personal investments not made in competition 
with the business of national banks, shall not be deemed financial 
business. Nor shall "financial business" include national banks, 
production credit associations organized under the Farm Credit 
Act of 1933, stock and mutual insurance companies duly autho-
rized to transact business in this State, security brokers or dealers 
or investment companies or bankers not employing moneyed capital 
coming into competition with the business of national banks, real 
estate investment trusts, or any of the following entities organized 
under the laws of this State: credit unions, savings banks, savings 
and loan and building and loan associations, pawnbrokers, and 
State banks and trust companies.

(n) "International banking facility" shall mean a set of asset 
and liability accounts segregated on the books and records of a 
depository institution, United States branch or agency of a foreign 
bank, or an Edge or Agreement Corporation that includes only 
international banking facility time deposits and international 
banking facility extensions of credit as such terms are defined in 
section 204.8(a)(2) and section 204.8(a)(3) of Regulation D of the

2. Section 6 of P. L. 1945, c. 162 (C. 54:10A-6) is amended to 
read as follows:

C. 54:10A-6 Allocation factor.

6. In the case of a taxpayer which maintains a regular place of 
business outside this State other than a statutory office, the portion 
of its entire net worth to be used as a measure of the tax imposed 
by section 5(a) of this act, and the portion of its entire net income 
to be used as a measure of the tax imposed by section 5(c) of this
act, shall be determined by multiplying such entire net worth and entire net income, respectively, by an allocation factor which shall be the average of the fractions computed in (A), (B) and (C) below, or of so many of them as may be applicable, that is:

(A) The average value of the taxpayer's real and tangible personal property within the State during the period covered by its report divided by the average value of all the taxpayer's real and tangible personal property wherever situated during such period; provided, however, that for the purpose of determining average value, the provisions with respect to depreciation as set forth in paragraph 2 (F) of subsection (k) of section 4 of P. L. 1945, c. 162 (C. 54:10A-4) shall be taken into account for arriving at such value.

(B) The receipts of the taxpayer, computed on the cash or accrual basis according to the method of accounting used in the computation of its net income for federal tax purposes, arising during such period from

(1) sales of its tangible personal property located within this State at the time of the receipt of or appropriation to the orders where shipments are made to points within this State,

(2) sales of tangible personal property located without the State at the time of the receipt of or appropriation to the orders where shipment is made to points within the State,

(3) (Deleted by amendment.)

(4) services performed within the State,

(5) rentals from property situated, and royalties from the use of patents or copyrights, within the State,

(6) all other business receipts (excluding dividends excluded from entire net income by subsection (k) (1) of section 4 hereof) earned within the State, divided by the total amount of the taxpayer's receipts, similarly computed, arising during such period from all sales of its tangible personal property, services, rentals, royalties and all other business receipts, whether within or without the State.

For the purposes of this section, receipts shall not include any sum or sums of money received in payment for gas or electric energy sold to a public utility subject to taxation pursuant to P. L. 1940, c. 5 (C. 54:30A-49 et seq.) for resale to ratepayers of the public utility.
(C) The total wages, salaries and other personal service compensation, similarly computed, during such period of officers and employees within the State divided by the total wages, salaries and other personal service compensation, similarly computed, during such period of all the taxpayer’s officers and employees within and without the State.

In the case of a taxpayer which does not maintain a regular place of business outside this State other than a statutory office, the allocation factor shall be 100%.

In the case of a banking corporation which maintains a regular place of business outside this State other than a statutory office, and which elects to take the exclusion from net worth provided in subsection (d) of section 4 of P. L. 1945, c. 162 (C. 54:10A-4) or the deduction from entire net income provided in subsection (k) (4) of section 4 of P. L. 1945, c. 162, the allocation factor shall be computed and applied in accordance with section 6 of P. L. 1945, c. 162 (C. 54:10A-6); provided, however, that the numerators and the denominators of the fractions described in section 6(A), 6(B) or 6(C) shall include all amounts attributable, directly or indirectly, to the production of the eligible net income of an international banking facility as defined in subsection (k) (4) of section 4 of P. L. 1945, c. 162, whether or not such amounts are otherwise attributable to this State.

3. Section 4 of P. L. 1975, c. 170 (C. 54:10A-34) is amended to read as follows:

C. 54:10A-34 Annual franchise tax.

4. Every banking corporation shall pay an annual franchise tax in the year 1976 and each year thereafter, as provided in the Corporation Business Tax Act, P. L. 1945, c. 162 (C. 54:10A-1 et seq.) for the privilege of having or exercising its corporate franchise in this State, or for the privilege of doing business, employing or owning capital or property, or maintaining an office in this State. For the purposes of this act, (1) the privilege period of each banking corporation shall be the calendar year, and the initial privilege period shall be the calendar year ending December 31, 1976; (2) January 1, 1976 and January 1, of each year thereafter shall be the assessment dates; (3) the tax on income shall be based upon the income of the calendar year preceding the assessment date; (4) net worth shall be determined as of the December 31 preceding the assessment date; and (5) income of a banking corporation in any privilege period shall include the
income of any banking corporation merged into or consolidated with such banking corporation in such privilege period. From and after January 1, 1976, no banking corporation shall be subject to the provisions of R. S. 54:9-1 through 54:9-18 and section 13 of P. L. 1970, c. 8 (C. 54:9-19) but shall, to the extent and in the manner provided by this act, become and be subject to the provisions of the Corporation Business Tax Act and the Business Personal Property Tax Act, P. L. 1966, c. 136 (C. 54:11A-1 et seq.).

To effect the transition from taxation under R. S. 54:9-1 through 54:9-18 and section 13 of P. L. 1970, c. 8, to taxation under the Corporation Business Tax Act, every banking corporation shall, within 90 days after the effective date of this act, but not later than December 1, 1975, pay to the State a sum equal to 60% of the amount of the tax that would have been due from such banking corporation had it been subject to taxation under the Corporation Business Tax Act during the calendar year ending December 31, 1974. Thereafter, as provided by the Corporation Business Tax Act, each banking corporation shall, on or before April 15 of each privilege period, commencing with the privilege period beginning January 1, 1976, file a tax return and pay the full amount of the tax determined to be due for the then current privilege period, and shall, in addition, pay a sum equal to 60% of the full amount of the tax due for such privilege period as an advance partial payment against the tax determined to be due for the next succeeding privilege period. Each such banking corporation shall, in the final calculation of the tax determined to be due from it for the 1976 privilege period, receive a credit for the 60% payment made by it on or before December 1, 1975 pursuant to this section, and thereafter, each banking corporation shall, in the final calculation of the tax determined to be due from it for any subsequent privilege period, receive credit for the advance partial payment made by it in the next preceding privilege year. No banking corporation shall, in calculating its income for any of the purposes of taxation under the Corporation Business Tax Act deduct from its income the amount of any tax paid pursuant to R. S. 54:9-1 through 54:9-18 and section 13 of P. L. 1970, c. 8 (C. 54:9-19). Any excess payment made in any privilege year shall be returned as provided in section 15 of the Corporation Business Tax Act (C. 54:10A-15).

L. 1970, c. 8 or (2) a sum equal to the total of the taxes paid by such banking corporation pursuant to this section and section 5 of this act. In any case where the corporate existence of a banking corporation transacting business on the effective date of this act terminates during a privilege period by voluntary or involuntary dissolution, or by merger or consolidation, or otherwise, such banking corporation shall be liable for the payment of taxes under this section for the full privilege period in which such termination takes place.

The difference between a taxpayer’s corporate franchise tax liability for 1981 and the amount it would have been liable for if said amendments were in effect during 1981 shall be the taxpayer’s base international banking facilities tax liability.

For each of the years 1982 through 1986 in which the taxpayer elects to utilize the deduction from entire net income for eligible net income from international banking facilities (provided in subsection (k)(4) of section 4 of P. L. 1945, c. 162) or the exclusion from net worth for international banking facilities (provided in subsection (d) of section 4 of P. a. "Secondary mortgage loan" means a loan made to an individual, association, joint venture, partnership, limited partnership, limited partnership association, or any other group of individuals however organized, except a corporation, which is secured in whole or in part by a lien upon any interest in real property, including but not limited to shares of stock in a cooperative corporation,
created by a security agreement, including a mortgage, indenture, or any other similar instrument or document, which real property is subject to one or more prior mortgage liens, except that a loan which: (1) is to be repaid in 90 days or less; (2) is taken as security for a home repair contract executed in accordance with the provisions of chapter 41, P. L. 1960; (3) is at an interest rate which is not in excess of the usury rate in existence at the time the loan is made, as established in accordance with the law of this State, and on which loan the borrower has not agreed to pay, directly or indirectly, any charge, cost, expense or any fee whatsoever other than said interest; or (4) is the result of the private sale of a dwelling if title to the dwelling is in the name of the seller and the seller has resided in said dwelling for at least one year, if the buyer is purchasing said dwelling for his own residence and, as part of the purchase price, executes a secondary mortgage in favor of the seller, shall not be subject to the provisions of this act.

b. “Borrower” means any person applying for a secondary mortgage loan, whether or not the loan is granted, and any person who has actually obtained such a loan.

c. “Licensee” means a person who is required to be licensed by section 3 of this act.

d. “Person” means an individual, association, joint venture, partnership, limited partnership, limited partnership association, corporation or any other group of individuals however organized.

e. “Commissioner” means the Commissioner of Banking of New Jersey including his deputies, or any other salaried employee of the Department of Banking appointed or designated by the commissioner to perform the functions required for the administration or enforcement of this act.

f. “Billing cycle” means the time interval between periodic billing dates. A billing cycle shall be considered monthly if the closing date of the cycle is the same date each month or does not vary by more than four days from that date.

g. “Open-end loan” means a secondary mortgage loan made by a licensee pursuant to a written agreement between the licensee and the borrower whereby:

(1) The licensee may permit the borrower to obtain advances of money from the licensee from time to time or the licensee may advance money on behalf of the borrower from time to time as directed by the borrower;
(2) The amount of each advance and permitted interest and charges are debited to the borrower's account and payments and other credits are credited to the same account;

(3) Interest is computed on the unpaid principal balance or balances of the account from time to time;

(4) The borrower has the privilege of paying the account in full at any time or, if the account is not in default, in monthly installments of fixed or determinable amounts as provided in the agreement; and

(5) The agreement expressly states that the open-end loan is made pursuant to this 1983 amendatory and supplementary act.

2. Section 11 of P. L. 1970, c. 205 (C. 17:11A-44) is amended to read as follows:

C. 17:11A-44 Interest rate increase, decrease.

11. a. Notwithstanding the provisions of R. S. 31:1-1 or any other law to the contrary, a licensee shall have authority to make a secondary mortgage loan repayable in installments, and may charge, contract for and receive thereon interest at an annual percentage rate or rates agreed to by the licensee and the borrower.

The note evidencing a loan other than an open-end loan may provide for an increase, or may provide for a decrease, or both, in the rate of interest applicable to the loan. No increase during the entire loan term shall result in an interest rate of more than 6% per annum over the rate applicable initially, nor shall the rate be raised more than 3% per annum during any 12-month period. The lender shall not be obligated to decrease the interest rate more than 6% over the term of the loan, nor more than 3% per annum during any 12-month period. If a rate increase is applied to the loan, the lender shall also be obligated to adopt and implement uniform standards for decreasing the rate. If the note provides for the possibility of an increase or decrease, or both, in the rate, that fact shall be clearly described in plain language, in at least 8-point boldface type on the face of the note. No rate increase shall take effect during the first three years of the term of the loan, or thereafter, (a) unless at least 90 days prior to the effective date of the first such increase, or 30 days prior to the effective date of any subsequent increase, a written notice has been mailed or delivered to the borrower that clearly and conspicuously describes such increase, and (b) unless at least 365 days have elapsed without any increase in the rate. No increase during the
entire loan term shall result in an interest rate of more than 6% per annum over the rate applicable initially, nor shall the rate be raised more than 3% per annum during any 12-month period. Where the note evidencing the loan so provides for an increase or decrease in the rate of interest, the provision of subsection b. of section 18 of P. L. 1970, c. 205 (C. 17:11A-51b.) requiring that payment be made in substantially equal installment payment amounts shall not apply.

b. The agreement evidencing an open-end loan may provide that the interest rate applicable to the loan may be increased or may be decreased, or both, from time to time; provided, however, that no increase in the interest rate shall be effective unless: (1) at least 90 days prior to the effective date of the first increase, or 30 days prior to the effective date of any subsequent increase, a written notice has been mailed or delivered to the borrower that clearly and conspicuously describes the change and the indebtedness to which it applies and states that the incurrence by the borrower of any further indebtedness under the plan to which the agreement relates on or after the effective date of the interest rate increase specified in the notice shall constitute acceptance of the interest rate increase; and (2) the borrower either agrees in writing to the increase or incurs that further indebtedness on or after the effective date of the increase stated in the notice. The provisions of this subsection permitting an increase in the interest rate applicable to an open-end loan shall not apply in the case of an agreement which expressly prohibits changing of interest rates or which provides limitations on the changing of interest rates which are more restrictive than the requirements of this subsection. If the written agreement evidencing the open-end loan provides for the possibility of an increase or decrease, or both, in the interest rate applicable to the loan, that fact shall be clearly described in plain language, in at least 8-point boldface type on the face of the written agreement.

c. No interest shall be paid, deducted, or received in advance. Interest shall not be compounded and shall be computed only on unpaid principal balances. For the purposes of computing interest, a month shall be considered a calendar month and where a fraction of a month is involved a day shall be considered one-thirtieth of a month.

C. 17:11A-44.1 Open-end loans.

3. (New section) Open-end loans shall be subject to the following:

a. A licensee may make open-end loans and may contract for

b. A licensee shall not compound interest by adding any unpaid interest to the unpaid principal balance of the borrower’s account, but the unpaid principal balance may include any charges authorized by subsection g. of section 13 of P. L. 1970, c. 205 (C. 17:11A-46).

C. 17:11A-44. Computation methods.

4. (New section) a. The interest charges on an open-end loan shall be deemed not to exceed the maximum interest permitted by subsection b. of section 11 of P. L. 1970, c. 205 (C. 17:11A-44) if that interest is computed in each billing cycle by any of the following methods:

(1) By converting the per annum rate to a daily rate and multiplying the daily rate by the applicable portion of the daily unpaid principal balance of the account, in which case the daily rate is determined by dividing the per annum rate by 365; or

(2) By multiplying one-twelfth of each per annum rate by the applicable portion of the average daily unpaid principal balance of the account in the billing cycle, in which case the average daily unpaid principal balance is the sum of the amount unpaid each day during the billing cycle divided by the number of days in the billing cycle; or

(3) By converting the per annum rate applicable to the loan to a daily rate and multiplying the daily rate by the applicable portion of the average daily unpaid principal balance of the account in the billing cycle, in which case each daily rate is determined by dividing the per annum rate by 365, and the average daily unpaid principal balance is the sum of the amount unpaid each day during the billing cycle divided by the number of days in the billing cycle.

b. For all of the above methods of computation, the billing cycle shall be monthly and the unpaid principal balance on any day shall be determined by adding to any balance unpaid as of the beginning of that day all advances and other permissible amounts charged to the borrower and deducting all payments and other credits made or received that day.

C. 17:11A-44.3 Payment of balance.

5. (New section) The borrower may at any time pay all or any part of the unpaid balance in his account; or, if the account is not in default, the borrower may pay the unpaid principal balance in monthly installments, subject to minimum payment requirements set forth in this section.
Minimum monthly payments shall be an amount provided for in the open-end loan agreement. No minimum payment shall exceed the amount required to pay the balance in full, including unpaid interest and charges to date.

C. 17:11A-44.4 Insurance charges.

6. (New section) In addition to the interest permitted under subsection a. of section 3 of this amendatory and supplementary act, a licensee may contract for and receive the other charges permitted by P. L. 1970, c. 205 (C. 17:11A-34 et seq.) on other loans, subject to all the conditions and restrictions set forth in those sections with the following variations:

a. If credit life or disability insurance is provided and if the insured dies or becomes disabled when there is an outstanding open-end loan indebtedness, the insurance shall be sufficient to pay the total balance of the loan due on the date of the borrower's death in the case of credit life insurance, or all minimum payments which become due on the loan during the covered period of disability in the case of credit disability insurance. The additional charge for credit life insurance or credit disability insurance shall be calculated in each billing cycle by applying the current monthly premium rate for that insurance, as the rate may be determined by the Commissioner of Insurance, to the unpaid balance in the borrower's account, using any of the methods specified in section 4 of this amendatory and supplementary act for the calculation of interest.

b. No credit life or disability insurance written in connection with an open-end loan shall be cancelled by the licensee because of delinquency of the borrower in the making of the required minimum payments on the loan unless one or more of the payments is past due for a period of 90 days or more; and the licensee shall advance to the insurer the amounts required to keep the insurance in force during that period, which amounts may be debited to the borrower's account.

c. If insurance covering direct or indirect damage or loss, by fire or other perils, including those of extended coverage, to the property of the borrower which is the security for the loan, is made available, that insurance shall be for an amount not to exceed the maximum amount of credit agreed to be extended and a term not to extend beyond the time in which payments will be due under the loan agreement.

C. 17:11A-44.5 Subsections inapplicable.

7. (New section) The provisions of subsections l. and m. of section 12 of P. L. 1970, c. 205 (C. 17:11A-45) shall not apply to
open-end loans made under this amendatory and supplementary act.

C. 17:11A-44.6 Review of records.

8. (New section) The record keeping systems used by licensees for open-end loans shall be reviewed on an individual basis to determine whether the records are adequate for the purposes of subsection e. of section 12 of P. L. 1970, c. 205 (C. 17:11A-45).

9. This act shall take effect immediately.

Approved January 6, 1984.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 58:12A-12 Periodic testing.
1. (New section) The owner or operator of each public community water system shall undertake the periodic testing of the water provided to customers by the system in order to determine the presence of hazardous contaminants, as identified pursuant to section 2 of this amendatory and supplementary act. A schedule for the periodic testing shall be established by the commissioner within six months of the effective date of this amendatory and supplementary act and pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.). The tests shall be conducted during periods of representative demand by a laboratory certified by the department. The initial tests for the substances identified in subsection a. of section 2 of this amendatory and supplementary act shall be administered within 12 months of the effective date of this amendatory and supplementary act and semi-annually thereafter, pursuant to the schedule established by the commissioner, unless the commissioner shall determine, on a case-by-case basis, that greater or lesser frequency of testing is necessary or sufficient to ensure the public health and safety. The tests for the substances for which maximum contaminant levels will be established pursuant to subsection b. of section 2 of this amendatory and supplementary act shall be conducted within one year of the effective date of this act and annually thereafter, unless the commissioner shall determine, on a case-by-case basis, that greater or lesser frequency of testing is necessary to ensure the public health and safety.

C. 58:12A-13 Establishment of maximum contaminant levels.
2. (New section) a. The commissioner, after considering the recommendations of the Drinking Water Quality Institute created pursuant to section 10 of this amendatory and supplementary act, shall, within 18 months of the effective date of this amendatory and sup-
plementary act and pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), adopt rules and regulations which establish a maximum contaminant level for each of the following organic compounds:

- Tetrachloroethylene
- Carbon tetrachloride
- 1,1,1-Trichloroethane
- 1,2-Dichloroethane
- Vinyl chloride
- Methylene chloride
- Benzene
- Chlorobenzene
- Dichlorobenzene (s)
- Trichlorobenzene (s)
- 1,1-Dichloroethylene
- Cis-1,2-dichloroethylene
- Trans-1,2-dichloroethylene
- Polychlorinated biphenyls (PCBs)
- Xylenes
- Ethylene glycol
- Chlordane

b. The commissioner, after considering the recommendations of the Drinking Water Quality Institute, shall, within two years of the effective date of this amendatory and supplementary act and pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), adopt rules and regulations which develop, within the limits of medical, scientific, and technological feasibility, a list of those pesticides and related compounds, metals, and base/neutral extractable organic compounds and acid extractable organic compounds which he believes may be found in drinking water and the presence of which above maximum contaminant levels in drinking water, upon ingestion or assimilation, may, on the basis of the best information available to the commissioner, cause death, disease, behavioral abnormalities, cancer, genetic mutations, physiological malfunction (including malfunctions in reproduction), or physical deformity; and establish, within the limits of medical scientific and technological feasibility, maximum contaminant levels
for each chemical or chemical compound on the list which, with respect to carcinogens, permit cancer in no more than one in one million persons ingesting that chemical for a lifetime, and, with respect to other chemicals or chemical compounds on the list and those carcinogens resulting from compounds with public health benefits, eliminate within the limits of practicability and feasibility all adverse physiological effects which may result from ingestion; provided, however, that in no case shall the standard adopted by the commissioner for any chemical or chemical compound on the list be less stringent than that established for the same chemical or chemical compound by the United States Environmental Protection Agency, pursuant to the "Safe Drinking Water Act," Pub. L. 93–523 (42 U. S. C. § 300f et seq.), or any other federal agency.

No maximum contaminant level need be established for any substance identified pursuant to subsection a. or b. of this section until the presence of the substance in drinking water is established by any test required by this act.

C. 58:12A-14 Submission of test results.
3. (New section) The water purveyor whose water was submitted for a potability test required by this amendatory and supplementary act shall forward to the department a copy of all test results. The certified laboratory conducting the potability test may, upon written approval by the department, submit the test results on behalf of the water purveyor. The department is authorized to conduct spot checks to assure compliance with this amendatory and supplementary act and the accuracy and integrity of the reported results.

C. 58:12A-15 Compliance with standard.
4. (New section) a. The owner or operator of each public community water system which has been determined to contain a chemical or chemical compound identified pursuant to section 2 of this amendatory and supplementary act at a level exceeding the maximum contaminant level shall, within a year after receipt of the test results, take any action required to bring the water into compliance with the standard; provided, however, that the commissioner may require compliance as promptly as necessary to abate an immediate public health threat, or extend the period of compliance if new construction is required therefor; provided further, however, that the extension shall be granted only upon a determination by the commissioner, after a public hearing, that the extension will not pose an imminent threat to public health.
b. In the event that the owner or operator of a public water system fails to bring the water supplied to consumers into compliance pursuant to subsection a. of this section, the commissioner may enjoin the water purveyor from continuing to supply water to the public, and establish, in conjunction with the local board of health or county health department, or other appropriate agency, a program to bring the water supply into compliance or provide an alternate potable water supply for the customers of the system.

C. 58:12A-16 Voluntary testing.
5. (New section) Local health departments, in cooperation with the department, shall develop voluntary procedures for the testing of water for homeowners whose principal source of potable water is a well, to be paid by the homeowner, or who are served by a nonpublic water system or a public water system which is not a public community water system, to be paid for by the owner or operator thereof.

C. 58:12A-17 Increase in tariffs.
6. (New section) Within 90 days of the effective date of this amendatory and supplementary act, the Board of Public Utilities shall issue appropriate orders increasing current tariffs established pursuant to law for the supplying of water service by an amount equal to the total increase in the relevant water supply service costs resulting from the testing of water required by the provisions of this amendatory and supplementary act and the tax levied pursuant to section 11 of this amendatory and supplementary act. In issuing this order, the board shall not be bound to find a rate base under the provisions of section 31 of P. L. 1962, c. 198 (C. 48:2-21.2).

C. 40A:4-45.22 Mandated expenditures.
7. (New section) Any additional expenditures for the testing of water supplies pursuant to P. L. 1983, c. 443 (C. 58:12A-12 et al.) made by any county or municipality shall, for the purpose of P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.), be considered an expenditure mandated by State law.

C. 58:12A-18 Certification.
8. reviewing the annual budget of the municipality, county, or agency thereof, certify that an amount sufficient to cover the cost of the treatment technique specified in the order issued to the municipality, county, or agency thereof is included in the annual budget.

10. (New section) a. There is established in the department the Drinking Water Quality Institute. The institute shall comprise 15 members as follows: the Commissioner of Environmental Protection, the Commissioner of Health, and the Chairman of the Water Supply Advisory Council, the Director of the Division of Water Resources in the department, the Director of the Office of Science and Research in the department and the Director of the Office of Occupational and Environmental Health in the Department of Health, all of whom shall serve ex officio; and nine appointed members, three of whom shall represent the water purveyors, at least one of which has as its primary water source an underground source; three of whom shall represent the academic scientific community, and three of whom, having backgrounds in environmental health issues, shall represent the public, with one of each group of three set forth hereinbefore to be appointed by the Governor, the President of the Senate and the Speaker of the General Assembly. Of the members first appointed, three shall serve for terms of three years, three for terms of two years and three for terms of one year. Thereafter, all terms shall be for three years. Each member shall serve for the term of his appointment and until his successor shall have been appointed and qualified. Any vacancy shall be filled in the same manner as the original appointment for the unexpired term only. Any member of the institute may be removed by the appointing authority, for cause, after public hearing.

b. Members of the institute shall serve without compensation,
but the institute may, within the limits of funds appropriated or otherwise made available to it for such purposes, reimburse its members for necessary expenses incurred in the discharge of their official duties.

b. (1) The owner or operator of every public community water system shall, on or before the 20th day of the month following the close of each tax period, render a return under oath to the Director of the Division of Taxation, on such form as may be prescribed by the director, indicating the number of gallons of water delivered to a consumer, and at said time owner or operator shall pay the full amount of tax due.
(2) The owner or operator of every public community water system shall, within 20 days, register with the director on forms prescribed by him.

c. If a return required by this amendatory and supplementary act is not filed, or if a return when filed is incorrect or insufficient in the opinion of the director, the amount of tax due shall be determined by the director from such information as may be available. Notice of such determination shall be given to the taxpayer liable for the payment of the tax. Such determination shall finally and irrevocably fix the tax, unless the person against whom it is assessed, within 30 days after receiving notice of such determination, shall apply to the director for a hearing, or unless the director on his own motion shall redetermine the same. After such hearing the director shall give notice of his determination to the person to whom the tax is assessed.

d. Any taxpayer who shall fail to file his return when due or to pay any tax when the same becomes due, as herein provided, shall be subject to such penalties and interest as provided in the “State tax uniform procedure law,” subtitle 9 of Title 54 of the Revised Statutes. If the Division of Taxation determines that the failure to comply with any provision of this section was excusable under the circumstances, it may remit such part or all of the penalty as shall be appropriate under such circumstances.

e. (1) Any person failing to file a return, failing to pay the tax, or filing or causing to be filed, or making or causing to be made, or giving or causing to be given any return, certificate, affidavit, representation, information, testimony or statement required or authorized by this amendatory and supplementary act, or rules or regulations adopted hereunder, which is willfully false, or failing to keep any records required by this amendatory and supplementary act or rules and regulations adopted hereunder, shall, in addition to any other penalties herein or elsewhere prescribed, be guilty of a crime of the fourth degree.

(2) The certificate of the director to the effect that a tax has not been paid, that a return has not been filed, that information has not been supplied or that inaccurate information has been supplied pursuant to the provisions of this amendatory and supplementary act or rules or regulations adopted hereunder shall be presumptive evidence thereof.

f. In addition to the other powers granted to the director in this section, he is authorized:
(1) To delegate to any officer or employee of his division such of his powers and duties as he may deem necessary to carry out efficiently the provisions of this section, and the person to whom such power has been delegated shall possess and may exercise all of said powers and perform all of the duties delegated by the director;

Establish and collect reasonable fees, in accordance with a fee schedule adopted as a rule or regulation, for the estimated costs of administering and enforcing the programs pursuant to this amendatory and supplementary act, to the extent that the costs are not available from the fund, including but not limited to conducting inspections, laboratory analyses and certifications as may be necessary;

q. The authority to collect fees pursuant to this section may be delegated by the commissioner to the appropriate county agency consistent with a delegation, pursuant to the provisions of the “County Environmental Health Act,” P. L. 1977, c. 443 (C. 26:3A2-21 et seq.), of any authority to administer the provisions of this act.

17. Section 10 of P. L. 1977, c. 224 (C. 58:12A-10) is amended to read as follows:

C. 58:12A-10 Violations; penalties.

10. a. If any person violates any of the provisions of this act or any rule, regulation or order promulgated or issued pursuant to the provisions of this act, the department may institute a civil action in a court of competent jurisdiction for injunctive or any other appropriate relief to prohibit and prevent such violation or violations, and the said court may proceed in the action in a summary manner.

b. Any person who violates the provisions of this act or any rule, regulation or order promulgated pursuant to this act shall be liable to a civil administrative penalty of not more than $5,000.00 for the first offense, not less than $5,000.00 nor more than $10,000.00 for the second offense, and up to $25,000.00 for the third and each subsequent offense. If the violation is of a continuing nature, each day during which it continues subsequent to receipt of an order to cease the violation shall constitute an additional, separate and distinct offense. No civil administrative penalty shall be levied, except subsequent to the notification of the violator by certified mail or personal service. The notice shall include a reference to the section of the statute, regulation, order or permit condition violated; a concise statement of the facts alleged to constitute the violation; a statement of the amount of the civil penalties to be imposed; and a statement of the violator’s right to a hearing. The violator shall have 20 days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. Subsequent to the hearing and upon a finding that a violation has
occurred, the commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order upon the expiration of the 20 day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in this act, and the payment of a civil administrative penalty shall not be deemed to affect the availability of any other enforcement provision in connection with the violation for which the penalty is levied.

c. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances, including the posting of a performance bond by the violator.

d. Any person who violates this act, or an administrative order issued pursuant to subsection b. of this section, or a court order issued pursuant to subsection a. of this section, or who fails to pay a civil administrative penalty in full pursuant to subsection b. of this section shall be subject, upon order of the court, to a civil penalty not to exceed $10,000.00 per day of the violation, and each day’s continuance of the violation shall constitute a separate and distinct violation. Any penalty imposed under this subsection may be recovered with costs in a summary proceeding pursuant to “the penalty enforcement law” (N. J. S. 2A:58-1 et seq.). The Superior Court and county district court shall have jurisdiction to enforce “the penalty enforcement law.”

CHAPTER 444

An Act concerning the operation of motor vehicles by persons under the influence of intoxicating liquor or drugs, amending R.S. 39:4-50 and supplementing Title 39 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R.S. 39:4-50 is amended to read as follows:

Penalties for driving while intoxicated.

39:4-50. (a) A person who operates a motor vehicle while under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug, or operates a motor vehicle with a blood alcohol concentration of 0.10% or more by weight of alcohol in the
defendant's blood or permits another person who is under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug to operate a motor vehicle owned by him or in his custody or control or permits another to operate a motor vehicle with a blood alcohol concentration of 0.10% or more by weight of alcohol in the defendant's blood, shall be subject:

(1) For the first offense, to a fine of not less than $250.00 nor more than $400.00 and a period of detainment of not less than 12 hours nor more than 48 hours spent during two consecutive days of not less than six hours each day and served as prescribed by the program requirements of the Intoxicated Driver Resource Centers established under subsection (f) of this section and, in the discretion of the court, a term of imprisonment of not more than 30 days and shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period of not less than six months nor more than one year.

(2) For a second violation, a person shall be subject to a fine of not less than $500.00 nor more than $1,000.00, and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, and shall be sentenced to imprisonment for a term of not less than 48 consecutive hours, which shall not be suspended or served on probation, nor more than 90 days, and shall forfeit his right to operate a motor vehicle over the highways of this State for a period of two years upon conviction, and, after the expiration of said period, he may make application to the Director of the Division of Motor Vehicles for a license to operate a motor vehicle, which application may be granted at the discretion of the director, consistent with subsection (b) of this section.

(3) For a third or subsequent violation, a person shall be subject to a fine of $1,000.00, and shall be sentenced to imprisonment for a term of not less than 180 days, except that the court may lower such term for each day, not exceeding 90 days, served performing community service in such form and on such terms as the court shall deem appropriate under the circumstances and shall thereafter forfeit his right to operate a motor vehicle over the highways of this State for 10 years.

If the driving privilege of any person is under revocation or suspension for a violation of any provision of this Title at the time of any conviction for a violation of this section, the revocation or
suspension period imposed shall commence as of the date of termination of the existing revocation or suspension period. A court that imposes a term of imprisonment under this section may sentence the person so convicted to the county jail, to the workhouse of the county wherein the offense was committed, to an inpatient rehabilitation program or to an Intoxicated Driver Resource Center or other facility approved by the Director of the Division of Motor Vehicles and the Director of the Division of Alcoholism in the Department of Health; provided that for a third or subsequent offense a person shall not serve a term of imprisonment at an Intoxicated Driver Resource Center as provided in subsection (f).

A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section on a second or subsequent offender, but if the second offense occurs more than 10 years after the first offense, the court shall treat the second conviction as a first offense for sentencing purposes and if a third offense occurs more than 10 years after the second offense, the court shall treat the third conviction as a second offense for sentencing purposes.

(b) A person convicted under this section must satisfy the screening, evaluation, referral and program requirements of the Division of Motor Vehicles' Bureau of Alcohol Countermeasures, and of the Intoxicated Driver Resource Centers. The sentencing court shall inform the person convicted that failure to satisfy such requirements shall result in a mandatory two day term of imprisonment in a county jail and a driver license revocation or suspension and continuation of revocation or suspension until such requirements are satisfied, unless stayed by court order in accordance with Rule 7:8-2 of the N. J. Court Rules, 1969, or R. S. 39:5-22. Upon sentencing, the court shall forward to the Bureau of Alcohol Countermeasures a copy of a person's conviction record. A fee, not to exceed $40.00, shall be payable to the Division of Motor Vehicles for the Bureau of Alcohol Countermeasures' screening and evaluation program.

(c) Upon conviction of a violation of this section, the court shall collect forthwith with the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the Director of the Division of Motor Vehicles. The court shall inform the person convicted that if he is convicted of personally operating a motor vehicle during the period of license suspension imposed
pursuant to subsection (a) of this section, he shall, upon conviction, be subject to the penalties established in R. S. 39:3-40. The person convicted shall be informed orally and in writing. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R. S. 39:3-40. In the event that a person convicted under this section is the holder of any out-of-state driver’s license, the court shall not collect the license but shall notify forthwith the director, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident’s driving privilege to operate a motor vehicle in this State, in accordance with this section. Upon conviction of a violation of this section, the court shall notify the person convicted, orally and in writing, of the penalties for a second, third or subsequent violation of this section. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of this section.

(d) The Director of the Division of Motor Vehicles shall promulgate administrative rules and regulations in order to effectuate the purposes of this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discovery as allowed defendants pursuant to the Rules Governing Criminal Practice, as set forth in the Rules Governing the Courts of the State of New Jersey.

(f) The counties, in cooperation with the Division of Alcoholism and the Division of Motor Vehicles, but subject to the approval of the Division of Alcoholism, shall designate and establish on a county or regional basis Intoxicated Driver Resource Centers. These centers shall have the capability of serving as community treatment referral centers and as court monitors of a person’s compliance with the ordered treatment, service alternative or community service. All centers established pursuant to this subsection shall be administered by a certified alcoholism counsellor or other professional with a minimum of five years’ experience in treatment of alcoholism. All centers shall be required to develop individualized treatment plans for all persons attending the centers; provided that the duration of any ordered treatment or referral shall not exceed
one year. It shall be the center’s responsibility to establish networks with the community alcohol education, treatment and rehabilitation resources and to receive monthly reports from the referral agencies regarding a person’s participation and compliance with the program. Nothing in this subsection shall bar these centers from developing their own education and treatment programs; provided that they are approved by the Division of Alcoholism.

Upon a person’s failure to report to the initial screening or any subsequently ordered referral, the Intoxicated Driver Resource Center shall promptly notify the sentencing court of the person’s failure to comply.

Required detention periods at the Intoxicated Driver Resource Centers shall be determined according to the individual treatment classification assigned by the Bureau of Alcohol Countermeasures. Upon attendance at an Intoxicated Driver Resource Center, a person shall be assessed a per diem charge not to exceed $25.00 to be collected by the center and used to defray costs. The per diem charge may be waived by the sentencing court upon good cause shown.

The Directors of the Divisions of Alcoholism and Motor Vehicles shall adopt rules and regulations pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B–1 et seq.), in order to effectuate the purposes of this subsection.

2. (New section) The Judiciary, Law, Public Safety and Defense Committee of the General Assembly, and the Law, Public Safety and Defense Committee of the Senate, or their respective successors, are constituted a joint committee for the purposes of monitoring the effectiveness of the implementation of this act. The Commissioner of Health and the Attorney General shall, one year from the effective date of this act, submit a report to the joint committee which evaluates the effectiveness of this act. The committee shall, upon receiving the report, issue as it may deem necessary and proper, recommendations for administrative or legislative changes affecting the implementation of this act.

3. This act shall take effect on the two-hundred and seventieth day following enactment but shall remain inoperative until the enactment into law of either Assembly Bill No. 3468 of 1983 or Senate Bill No. .... of 1983, and Assembly Bill No. 2262 of 1982, now pending before the Legislature.

Approved January 9, 1984.

C. 30:4-123.54 Preparole report.

10. a. At least 120 days but not more than 180 days prior to the parole eligibility date of each adult inmate, a report concerning the inmate shall be filed with the appropriate board panel, by the staff members designated by the superintendent or other chief executive officer of the institution in which the inmate is held.
b. (1) The report filed pursuant to subsection a. shall contain preincarceration records of the inmate, state the conduct of the inmate during the current period of confinement, include a complete report on the inmate's social, physical and mental condition, include an investigation by the Bureau of Parole of the inmate's parole plans, and present information bearing upon the likelihood that the inmate will commit a crime under the laws of this State if released on parole.

(2) At the time of sentencing, the prosecutor shall notify any victim injured as a result of a crime of the first or second degree or the nearest relative of a murder victim of the opportunity to present a statement for the parole report to be considered at the parole hearing or to testify to the parole board concerning his harm at the time of the parole hearing. Each victim or relative shall be responsible for notifying the board of his intention to submit such a statement and to provide an appropriate mailing address.

The report may include a statement concerning the continuing nature and extent of any physical harm or psychological or emotional harm or trauma suffered by the victim, the extent of any loss of earnings or ability to work suffered by the victim and the continuing effect of the crime upon the victim's family. At the time public notice is given that an inmate is being considered for parole pursuant to this section, the board shall also notify any victim or nearest relative who has previously contacted the board of the availability to provide a statement for inclusion in the parole report or to present testimony at the parole hearing.

The board shall notify such person at his last known mailing address.

e. A copy of the report filed pursuant to subsection b. of this section, excepting those documents which have been classified as confidential pursuant to rules and regulations of the board or the Department of Corrections, shall be served on the inmate at the time it is filed with the board panel. The inmate may file with the board panel a written statement regarding the report, but shall do so within 105 days prior to the primary parole eligibility date.

d. Any provision of this section to the contrary notwithstanding, the board shall, by rule and regulation, modify the scope of the required reports and time periods for rendering such reports with reference to county penal institutions.
2. Section 11 of P. L. 1979, c. 441 (C. 30:4-123.55) is amended to read as follows:

C. 30:4-123.55 Parole release, denial; hearing.

11. a. Prior to the parole eligibility date of each adult inmate, a designated hearing officer shall review the reports required by section 10 of this act, and shall determine whether there is a basis for denial of parole in the preparole report or the inmate's statement, or an indication, reduced to writing, that additional information providing a basis for denial of parole would be developed or produced at a hearing. If the hearing officer determines that there is no basis in the preparole report or the inmate's statement for denial of parole and that there is no additional relevant information to be developed or produced at a hearing, he shall at least 60 days prior to the inmate's parole eligibility date recommend in writing to the assigned member of the board panel that parole release be granted.

b. If the assigned member of the board panel or in the case of an inmate sentenced to a county penal institution, the assigned member concurs in the hearing officer's recommendation, he shall certify parole release pursuant to section 15 of this act as soon as practicable after the eligibility date and so notify the inmate and the board. In the case of an inmate sentenced to a county penal institution the board shall certify parole release or deny parole as provided by this section, except with regard to time periods for notice and parole processing which are authorized by or otherwise adopted pursuant to subsection g. of section 7 of P. L. 1979, c. 441 (C. 30:4-123.51g.). If the designated hearing officer does not recommend release on parole or if the assigned member does not concur in a recommendation of the designated hearing officer in favor of release, then the parole release of an inmate in a county penal institution shall be treated under the provisions of law otherwise applicable to an adult inmate. In the case of an inmate sentenced to a county penal institution, the performance of public service for the remainder of the term of the sentence shall be a required condition of parole, where appropriate.

c. If the hearing officer or the assigned member determines that there is a basis for denial of parole, or that a hearing is otherwise necessary, the hearing officer or assigned member shall notify the appropriate board panel and the inmate in writing of his determination, and of a date for a parole consideration hearing. The board panel shall notify the victim of the crime, if the crime for which the inmate is incarcerated was a crime of the first or second degree,
or the victim's nearest relative if the crime was murder, as appro-
appropriate, who was previously contacted by the board and who has
indicated his intention to the board to testify at the hearing, of the
opportunity to testify or submit written statements at the hearing.
Said hearing shall be conducted by the appropriate board panel at
least 30 days prior to the eligibility date. At the hearing, which
shall be informal, the board panel shall receive as evidence any
relevant and reliable documents or testimony, including that of
the victim of the crime or the members of the family of a murder
victim if the victim or a family member so desires. A senior hear-
ing officer of the parole board, on behalf and under the direction
of the board panel, may receive the testimony. The senior hearing
officer shall prepare a report or a transcript of the testimony for
presentation to the board panel at the hearing. All such evidence
not classified as confidential pursuant to rules and regulations of
the board or the Department of Corrections shall be disclosed to
the inmate and the inmate shall be permitted to rebut such evidence
and to present evidence on his own behalf. The decision of the
board panel shall be based solely on the evidence presented at the
hearing.

d. At the conclusion of the parole consideration hearing, the
board panel shall either (1) certify the parole release of the in-
mate pursuant to section 15 of this act as soon as practicable after
the eligibility date and so notify the inmate and the board, or (2)
deny parole and file with the board within 30 days of the hearing a
statement setting forth the decision, the particular reasons therefor,
except information classified as confidential pursuant to rules and
regulations of the board or the Department of Corrections, a copy
of which statement shall be served upon the inmate together with
notice of his right to appeal to the board.

e. Upon request by the hearing officer or the inmate, the time
limitations contained in sections 10 and 11 may be waived by the
appropriate board panel for good cause.

3. There is appropriated $254,000.00 to the State Parole Board
to effectuate the purposes of this act.

4. This act shall take effect 180 days after enactment.

Approved January 12, 1984.

Every applicant for a license as a broker or salesman shall be of the age of 18 years or over and a citizen of the United States, and in the case of an association or a corporation the directors thereof shall be of the age of 18 years or over. Application for a license, whether as a real estate broker or a real estate salesman, shall be made to the commission upon forms prescribed by it and shall be accompanied by a fee of $10.00 which fee shall not be refundable. Every applicant for a license whether as a real estate broker or a real estate salesman shall have the equivalent of a high school education. The issuance of a license to an applicant who is a nonresident of this State shall be deemed to be his irrevocable consent that service of process upon him as a licensee in any action or proceeding may be made upon him by service upon the secretary of the commission or the person in charge of the office of the commission. The applicant shall furnish evidence of good moral character, and in the case of an association, partnership or corporation, the members, officers or directors thereof shall furnish evidence of good moral character. The commission may make such investigation and require such proof as it deems proper and in the public interest as to the honesty, trustworthiness, character and integrity of an applicant. Every such application shall be on file with the commission at least 10 days prior to the granting of a license, except in the case of record changes. Every applicant for a license as a broker shall have first served an apprenticeship of two full years as a duly licensed real estate salesman in this State immediately preceding the date of application which requirement may be waived by the commission where the applicant has been the holder of a broker’s license in another state and actively engaged in the real estate
business for at least two years immediately preceding the date of his application, meets the educational requirements and qualifies by examination. No license as broker shall be granted to a partnership or corporation unless at least one of the partners or officers of said partnership or corporation qualifies as and holds a license as a broker to transact business in the name and on behalf of said partnership or corporation as its authorized broker and no such authorized broker shall act as a broker on his own individual account unless he is also licensed as a broker in his individual name; the license of said partnership or corporation shall cease if at least one partner or officer does not hold a license as its authorized broker at all times. A change in the status of the license of an authorized broker to an individual capacity or vice versa shall be effected by application to the commission accompanied by a fee of $5.00.

In event that any person to whom a broker's license has been or shall have been issued shall fail to renew such license or obtain a new license for a period of two consecutive years or more after the expiration of the last license, the commission shall require such person to serve the same apprenticeship, to pass an examination, and to attend school. This paragraph shall not apply to a person reapplying for a broker's license who was a licensed broker on or after January 1, 1982 and who allowed his license to expire due to subsequent employment in a public agency in this State with responsibility for dealing with matters relating to real estate if the person reapplying does so within three months of termination of that employment.

In event that any person to whom a salesman's license has been or shall have been issued shall fail to renew such license or obtain a new license for a period of two consecutive years or more after the expiration of the last license, the commission shall require such person to attend an approved school and pass the State examination prior to issuance of a further license.

1. N. J. S. 2C:44-5 is amended to read as follows:

Multiple sentences; concurrent and consecutive terms.

2C:44-5. Multiple Sentences; Concurrent and Consecutive Terms. a. Sentences of imprisonment for more than one offense. When multiple sentences of imprisonment are imposed on a defendant for more than one offense, including an offense for which a previous suspended sentence or sentence of probation has been revoked, such multiple sentences shall run concurrently or consecutively as the court determines at the time of sentence, except that:

(1) The aggregate of consecutive terms to a county institution shall not exceed 18 months; and

(2) Not more than one sentence for an extended term shall be imposed.

b. Sentences of imprisonment imposed at different times. When a defendant who has previously been sentenced to imprisonment
is subsequently sentenced to another term for an offense committed prior to the former sentence, other than an offense committed while in custody:

(1) The multiple sentences imposed shall so far as possible conform to subsection a. of this section; and

(2) Whether the court determines that the terms shall run concurrently or consecutively, the defendant shall be credited with time served in imprisonment on the prior sentence in determining the permissible aggregate length of the term or terms remaining to be served; and

(3) When a new sentence is imposed on a prisoner who is on parole, the balance of the parole term on the former sentence shall not be deemed to run during the period of the new imprisonment unless the court determines otherwise at the time of sentencing.

c. Sentence of imprisonment for offense committed while on parole. When a defendant is sentenced to imprisonment for an offense committed while on parole in this State, such term of imprisonment and any period of reimprisonment that the parole board may require the defendant to serve upon the revocation of his parole shall run consecutively unless the court orders these sentences to run concurrently.

d. Multiple sentences of imprisonment in other cases. Except as otherwise provided in this section, multiple terms of imprisonment shall run concurrently or consecutively as the court determines when the second or subsequent sentence is imposed.

e. Calculation of concurrent and consecutive terms of imprisonment.

(1) When terms of imprisonment run concurrently, the shorter terms merge in and are satisfied by discharge of the longest term.

(2) When terms of imprisonment run consecutively, the terms are added to arrive at an aggregate term to be served equal to the sum of all terms.

f. Suspension of sentence or probation and imprisonment; multiple terms of suspension and probation. When a defendant is sentenced for more than one offense or a defendant already under sentence is sentenced for another offense committed prior to the former sentence:

(1) The court shall not sentence to probation a defendant who is under sentence of imprisonment, except as authorized by section 2C:43-2b. (2);
(2) Multiple periods of suspension or probation shall run consecutively, unless the court orders these sentences to run concurrently from the date of the first such disposition;

(3) When a sentence of imprisonment in excess of one year is imposed, the service of such sentence shall satisfy a suspended sentence on another count or prior suspended sentence or sentence to probation, unless the suspended sentence or probation has been violated in which case any imprisonment for the violation shall run consecutively; and

(4) When a sentence of imprisonment of one year or less is imposed, the period of a suspended sentence on another count or a prior suspended sentence or sentence to probation shall run during the period of such imprisonment, unless the suspended sentence or probation has been violated in which case any imprisonment for the violation shall run consecutively.

g. Offense committed while under suspension of sentence or probation. When a defendant is convicted of an offense committed while under suspension of sentence or on probation and such suspension or probation is not revoked:

(1) If the defendant is sentenced to imprisonment in excess of one year, the service of such sentence shall not satisfy the prior suspended sentence or sentence to probation, unless the court determines otherwise at the time of sentencing;

(2) If the defendant is sentenced to imprisonment of 1 year or less, the period of the suspension or probation shall not run during the period of such imprisonment; and

(3) If sentence is suspended or the defendant is sentenced to probation, the period of such suspension or probation shall run concurrently with or consecutively to the remainder of the prior periods, as the court determines at the time of sentence.

h. Offense committed while released pending disposition of a previous offense. When a defendant is sentenced to imprisonment for an offense committed while released, with or without bail, pending disposition of a previous offense, the term of imprisonment shall run consecutively, unless the court orders these sentences to run concurrently, to any sentence of imprisonment imposed for the previous offense.

2. This act shall take effect immediately.

CHAPTER 467

AN ACT creating a Commission on Missing Persons and a Missing Persons Unit in the Department of Law and Public Safety and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:17B-9.6 Findings, declarations.
1. The Legislature finds that more than 10,000 “missing persons” reports are filed in New Jersey each year and that hundreds of individual reports are turned into local police departments each week, and that the local police departments have neither the resources nor the experience to carry out a thorough missing persons investigation. The Legislature further finds that, without the expertise developed by experienced missing persons investigators, authorities may inadvertently pass over a report in which the missing person has actually been kidnapped or has met foul play. Federal and State law enforcement officials have recommended that missing persons cases in New Jersey could be better handled by a Statewide effort specializing in this matter.

C. 52:17B-9.7 Missing Persons Unit.
2. There is established within the Department of Law and Public Safety in the Division of State Police a Missing Persons Unit. The Superintendent of State Police shall appoint a supervisor of the unit with the rank and pay of at least a lieutenant in the New Jersey State Police, any other personnel, with the equivalent rank and pay of their positions in the New Jersey State Police, and any civilian personnel, including local law enforcement personnel, which he deems necessary to carry out the provisions of this act. All persons assigned to the Missing Persons Unit shall devote their full-time duties to carrying out the provisions of this act.

C. 52:17B-9.8 Powers, duties.
3. In addition to any other powers and duties vested in it by law or by the Attorney General, the unit shall:
   a. Coordinate, file and investigate all missing persons cases in this State, and cooperate with local law enforcement officials and federal law enforcement officials in the creation of a centralized office on missing persons in this State;
b. Provide staff support for the work of the Commission on Missing Persons;

c. Collect and maintain data on missing persons and unidentified bodies in this State and throughout the United States;

d. Coordinate efforts with other states and with the federal government in the investigation of cases involving missing persons or unidentified bodies;

e. Provide specialized training to law enforcement officers and medical examiners in this State, in conjunction with the Police Training Commission, which would enable them to more efficiently handle the tracing of missing persons and unidentified bodies on the local level;

f. Employ the services of local law enforcement agencies or other social or governmental agencies.

C. 52:17B-9.9 Commission created.

4. To assist and advise the Attorney General in the administration of this act there is created within the Department of Law and Public Safety, a 16-member Commission on Missing Persons, which shall consist of the following persons:

a. The Attorney General, the Superintendent of State Police, the State Medical Examiner and the Special Agent-in-Charge of the State of New Jersey for the Federal Bureau of Investigation, ex officio, or their designated representatives;

b. Four public members, two to be appointed by the Governor, one to be appointed by the President of the Senate and one to be appointed by the Speaker of the General Assembly; and

c. Six law enforcement officers to be appointed by the Governor, each representing a different county of this State. For the purposes of this subsection, “law enforcement officer” means a permanent, full-time, active member in good standing of a law enforcement agency of a municipality or county in this State, but shall not mean a member of the State Police;

d. Two members from social service agencies to be appointed by the Governor.

C. 52:17B-9.10 Officers; terms of members.

5. a. The designation of a chairman and two vice-chairmen of the commission, who shall be chosen pursuant to subsection e. of this section, shall be made by the Governor after consultation with the Attorney General.

b. Initial appointments to the commission shall be made by the Governor, the Senate President and the Speaker of the General
Assembly within 90 days after enactment of this act and shall be for the terms as follows:

(1) Three members listed in subsection b. of section 4 of this act for two years, except that the members appointed by the Senate President and the Speaker of the General Assembly shall serve terms concurrent with the term of the respective appointing authority.

(2) One member listed in subsection b. of section 4 of this act for three years.

(3) Two members listed in subsection c. of section 4 of this act for one year.

(4) One member listed in subsection c. of section 4 of this act for two years.

(5) One member listed in subsection c. of section 4 of this act for three years.

(6) One member listed in subsection c. of section 4 of this act for four years.

In establishing its policies, the board shall assure that State employees are treated fairly and uniformly where appropriate with recognition that differences in their responsibilities, the nature of their work and the type of housing may on occasion generate rules and procedures unique to those situations.

C. 52:31-26 Survey, inventory.

4. The board shall conduct an annual survey of all housing units and shall maintain an inventory of each unit, including such information as its agency, purpose or reason for acquisition, location, environmental setting, type of unit, size, facilities, physical condition, fair market value, rental rate, utility charges, maintenance fee, name of occupant and, if a State employee, job title, salary and whether occupancy is a mandatory condition of employment. C. 52:31-30 No subletting.
8. No tenant of a State-owned housing unit shall sublet the unit or shall permit additional persons, other than members of the tenant's immediate family, to occupy the unit without the approval of the board. C. 52:31-31 Ban on discrimination.

CHAPTER 471

An Act to encourage the formation of employee stock ownership plans and making an appropriation therefor.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 52:27H-90 Findings, declarations.

1. (New section) The Legislature finds and declares that:

   a. In 1981 the Legislature enacted the "Worker Owned Corporation Study Act" (P. L. 1981, c. 82; C. 34:1B-30 et seq.), which mandated a study to determine the best means to encourage and assist the formulation of employee stock ownership plans for the purpose of averting the closure of places of employment.

   b. In March 1982, the Department of Labor, in accordance with that act, issued a report which included a thoughtful analysis and cogent recommendations for legislative action on the issue.

   c. The report noted that in certain cases, employee stock ownership plans offer an indispensable vehicle for the retention of employment threatened by the pending closure of business facilities and stated that often there is no alternate viable technique of job maintenance in the case of a complete shutdown.

   d. The report also indicated that while State policy should include the encouragement and assistance of employee stock ownership plans, great care should be taken to avoid the waste of public and private resources and the bitter disappointment of the employees that might result from the employee acquisition of an obsolete, overpriced or otherwise undesirable facility.

   e. The report recommended that the State also publicize the potential value of employee stock ownership plans as tools to aid the refinancing of presently successful businesses.

   f. The public interest will be best served by implementing a State policy to assist employee stock ownership plans which is in accord with the recommendations of the report.
C. 52:27H-91 Commissioner of Commerce.

2. (New section) For the purposes of sections 1 through 7 of this act, "commissioner" means the Commissioner of Commerce and Economic Development.

3. (New section) Sections 1 through 7 of this act shall be known and may be cited as the "Employee Stock Ownership Plan Act."

C. 52:27H-93 Dissemination of information.

4. a. (New section) The commissioner shall take any action which he deems appropriate to disseminate information on the advantages and disadvantages of employee stock ownership plans to employers and employee groups. This may include, but need not be limited to, the publication and distribution of suitable pamphlets, brochures and other literature, and the organization of seminars and other informational meetings on employee stock ownership plans. In conducting these activities, the commissioner may seek the collaboration and assistance of any State department, agency or institution of higher education.

b. The information shall include an explanation of the potential usefulness of employee stock ownership plans for averting the closing of places of employment in certain instances and the use of employee stock ownership plans in the refinancing of successful enterprises.

C. 52:27H-94 Advisory function.

5. a. (New section) The commissioner, upon request, shall advise any employer or employee group as to:

(1) The procedures for establishing an employee stock ownership plan;

(2) The availability of federal, State and local assistance; and

(3) The availability of private sector consultants or associations who are capable of performing a satisfactory analysis of the potential profitability of a proposed employee stock ownership plan and any other relevant studies or surveys.

b. The commissioner may, in his discretion, assist in reviewing and evaluating materials produced by private consultants pursuant to paragraph (3) of subsection a. of this section.

C. 52:27H-95 Cost-benefit analysis.

6. (New section) In the event of the closure or pending closure of a facility which would cause or has caused a significant loss of employment to any municipality the commissioner determines to
be already suffering significant economic distress, he may, upon the request of the municipality and subject to the availability of funds, grant funds to assist in conducting a cost-benefit analysis of the potential profitability of the establishment of an employee stock ownership plan and a study of economic effects of the closure.

C. 52:27H-96 Financial assistance.

7. (New section) The commissioner shall assist in reviewing and evaluating materials from studies for which he has granted funds under the provisions of section 6 of this act. If, following that review and evaluation, the commissioner determines that the purchase of 100% of a business by the employees through an employee stock ownership trust would have a reasonable chance of creating benefits to the public interest greater than the total costs and risks, he may provide whatever assistance he deems appropriate, subject to the availability of funds and to the provisions of federal, State and local law. That assistance may include, but need not be limited to, loan guarantees, direct interest subsidies or below market interest rate loans for the purpose of reducing the cost of financing the purchase.

C. 52:27H-97 Annual report.

8. The commissioner shall annually submit to the Legislature a report concerning the formation of new employee stock ownership trusts and the operation of existing employee stock ownership trusts in this State, and shall include in the report an account of State activity, during the previous year, in connection with these trusts.

This section supersedes the annual reporting requirements previously assigned to the Commissioner of Labor under section 6 of P. L. 1981, c. 82 (C. 34:1B-35).

9. There is appropriated $142,000.00 from the General Fund in order to effectuate the purposes of this act.

10. This act shall take effect immediately.

Approved January 12, 1984.
CHAPTER 472

   b. These statistics shall segregate the loss experience for those insureds which have an alcohol breath analyzer machine on their premises from those insureds who do not.

C. 17:23-17 Report to commissioner.

2. Annually, on or before the anniversary of the effective date of this act, the insurers to which section 1 applies shall report that statistical information to the Commissioner of Insurance in the manner which the commissioner may prescribe.

C. 17:23-18 Recommendations.

3. a. The Commissioner of Insurance shall examine the reports required by this act and determine whether the loss experience due to alcohol related claims indicates that liquor law liability coverage is appropriate for rating into subclasses based on the presence and use or absence of alcohol breath analyzer machines on insureds' premises.

   b. The commissioner shall issue a report on the examination and determination made in subsection a. of this section and make appropriate recommendations to the Governor and the Legislature within 180 days following the third anniversary of the effective date of this act.

4. This act shall take effect on the 30th day following its enactment.

Approved January 12, 1984.

end of two years from the date of their election; and the third class consisting of one commissioner whose term shall terminate at the end of three years from the date of his election, so that after the first election two commissioners shall be elected annually and one shall be elected every third year. Except as otherwise provided in this section, commissioners shall hold office for three years and until their successors are elected.

All subsequent elections for commissioners of the sewerage district following the first election of commissioners shall be held annually on the same date between the hours of one o’clock in the afternoon and nine o’clock in the evening prevailing time at a place to be designated by the commissioners of the sewerage district.

At least six weeks before the date fixed for the annual election of commissioners, notice of the time and place fixed for the annual election and the closing date for the filing of nominating petitions shall be given by advertisement in a newspaper having a general circulation within the sewerage district, and a further notice shall be published in the same manner at least two weeks prior to the election, the advertisement to be at least once in each week.

40A:18-21. Clerk; Term; Bond.

The commissioners of a sewerage district may appoint and employ professional and technical advisers and experts, other officers, agents and employees as they may require and determine their qualifications, terms of office or employment, duties and compensation.

The notes shall be designated "bond anticipation notes" and shall contain a recital that they are issued in anticipation of the issuance of bonds. The notes may be issued for a period not exceeding one year and may be renewed from time to time for periods not exceeding one year, but all the notes, including the renewals, shall mature and be paid not later than the fifth anniversary of the date of the original notes, except that the notes shall not be renewed beyond the third anniversary date of the original notes unless an amount of the notes, at least equal to the first legally payable installment of the bonds in anticipation of which the notes are issued, is paid and retired on or before the third anniversary date, and if the notes are renewed beyond the fourth anniversary date of the original notes, a like amount is paid or retired on or before the fourth anniversary date from funds other than the proceeds of obligations.

40A:18-30. BOND RESOLUTION; PROVISIONS; BONDHOLDERS.

A bond resolution providing for or authorizing the issuance of any bonds may contain provisions, and the sewerage district, in order to secure the payment of the bonds and in addition to its other powers, shall have the authority by provision in the bond resolution to covenant and agree with the bondholders, as to:

a. The custody, security, use, expenditure or application of the proceeds of the bonds;

Vesting in a trustee or trustees property rights, powers and duties in trust as the sewerage district may determine which may include any or all of the duties of the trustee appointed by the bondholders pursuant to N. J. S. 40A:18-35, and limiting or abrogating the rights of the bondholders to appoint a trustee pursuant to N. J. S. 40A:18-35 or limiting the rights, duties and powers of the trustee;

o. The procedure, if any, by which the terms of any covenant or contract with, or duty to, the bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which the consent may be given or evidenced; or
p. Any other matter or course of conduct which by recital in the bond resolution is declared to further secure the principal of or interest on the bonds.

The provisions of the bond resolution and all the covenants and agreements shall constitute valid and legally binding contracts between the sewerage district and the bondholders, regardless of the time of the issuance of the bonds, and they shall be enforceable by any bondholder or bondholders by appropriate action or proceeding in any court of competent jurisdiction.

40A:18-32. Notice of Adoption of Bond Resolution; Limitation of Actions Questioning Validity.

The sewerage district may publish a notice in a newspaper having a general circulation within the district stating the date of adoption of the bond resolution, the amount of the bonds authorized to be issued, and also stating that any action or proceeding of any kind questioning the validity of the creation and establishment of the sewerage district, or the validity or proper authorization of
bonds provided for by the bond resolution, or the validity of any covenants, agreements or contracts provided for by the bond resolution shall be commenced in any court of competent jurisdiction within 20 days after the first publication. If an action or proceeding is not commenced within 20 days after publication of the notice, then all residents and owners of real property within the district and users of the district’s sewerage system and all other persons whomsoever shall be forever barred from commencing any action in any court, or from pleading any defense to any action or proceeding, questioning the validity of the creation and establishment of the sewerage district, the validity or proper authorization of the bonds, or the validity of any covenants, agreements or contracts, and the bonds, covenants, agreements and contracts shall be conclusively deemed to be valid and binding obligations in accordance with their terms and tenor.

40A:18-33. **Sale of or Exchange of Bonds.**

Bonds may be sold, all at one time or in blocks from time to time, at public or private sale, or if refunding bonds may also be delivered in exchange for the outstanding obligations to be refunded, in a manner as the sewerage district shall, by resolution, determine, and at a price or prices, computed according to standard tables of bond values, as will yield to the purchasers or to the holders of obligations surrendered, income at a rate not exceeding that authorized by law to the maturity dates of the bonds as sold or exchanged on the money paid or the principal amount of the obligations surrendered therefor to the sewerage district.

40A:18-34. **Interim Certificates; Temporary Bonds or Other Instruments.**

After the sale of any bonds pursuant to this chapter, the sewerage district may authorize the execution and issuance to the purchasers of the bonds, interim certificates therefor or of temporary bonds or other temporary instruments exchangeable for the definitive bonds when they are prepared, executed and ready for delivery. The holders of the interim certificates, temporary bonds or other temporary instruments shall have all the rights and remedies which they would have as holders of the definitive bonds.
40A:18-35. Default in Payment of Principal or Interest on Bonds; Trustee.

If there be a default in the payment of principal or interest on any bonds when due and the default continues for a period of 30 days, or if the sewerage district fails or refuses to comply with the provisions of this chapter or fails or refuses to carry out and perform the terms of any covenant, agreement or contract with any of the bondholders, and the failure or refusal continues for a period of 30 days after written notice to the sewerage district of its existence and nature, the holders of 25% in aggregate principal amount of the bonds of the series then outstanding may appoint a trustee to represent the bondholders of the series for the purposes hereinafter provided by filing an instrument or instruments, proved and acknowledged in the manner as a deed for recording, in the office of the Secretary of State.

The trustee may, and upon the request of the holders of 25% in aggregate principal amount of the series then outstanding, shall in his or in the name of the sewerage district:

a. Commence an action or proceeding in a court of competent jurisdiction to enforce all rights of the bondholders, including the right to require the sewerage district to charge and collect service charges adequate to carry out any contract as to or pledge of revenues, and to require the sewerage authority to carry out and perform the terms of any contract with the bondholders or its duties under this chapter;

b. Bring an action upon all or any part of the bonds or interest coupons or claims thereon;

c. Bring an action to require the sewerage district to account as if it was the trustee of an express trust for the bondholders;

d. Bring an action to enjoin any acts or things which may be unlawful or in violation of the rights of the bondholders;

e. Declare all the bonds due and payable, whether or not in advance of maturity, upon 30 days' notice in writing to the sewerage district and, if all defaults shall be made good, then with the consent of 25% of the holders of the principal amount of the bonds then outstanding, annul the declaration and its consequences; and

f. The trustee shall, in addition to the foregoing, have all of the powers necessary or appropriate for the exercise of the functions specifically set forth in this section or incidental to the general representation of the bondholders of the series in the enforcement and protection of their rights.
CHAPTER 474, LAWS OF 1983

The trustee shall, upon the default referred to in N. J. S. 40A:18-35, whether or not all of the bond series have been declared due and payable, be entitled as of right to the appointment of a receiver of the sewerage district. The receiver may take possession of all moneys and other property derived from or applicable to the acquisition, construction, operation, maintenance or addition to the sewer or sewers, sewerage system with appurtenances, disposal plant or plants and proceed with the acquisition, construction, operation, maintenance, or addition to the sewer or sewers, sewerage system with appurtenances, disposal plant or plants which the sewerage district is under any obligation to do and fix, charge, collect, enforce and receive service charges and all revenues thereafter arising subject to any pledge thereof or contract with the bondholders relating thereto and perform the public duties and carry out the contracts and obligations of the sewerage district in the same manner as the sewerage district might do and under the direction of the court.

40A:18-38. Fees and Expenses of Trustee and Receiver.

In any action or proceeding by the trustee appointed pursuant to N. J. S. 40A:18-35, his fees and expenses and those of a receiver appointed pursuant to N. J. S. 40A:18-37 may be allowed by the court as taxable costs and disbursements and, when so allowed, shall be a first charge upon any service charges or revenues of sewerage district pledged for the payment or security of bonds of the series.

Neither the commissioners of the sewerage district nor any person executing bonds or other obligations issued pursuant to this chapter shall be personally liable on the bonds or other obligations by reason of their issuance, and they shall not be in any way a debt or liability of the State or township.

40A:18-40. Bonds, etc., Exempt From Taxation; Exception.

All bonds and other obligations issued by a sewerage district pursuant to this chapter are declared to be issued by a political subdivision of this State and for an essential public and govern-
mental purpose and to be a public instrumentality, and the bonds and other obligations, and the interest thereon and the income therefrom, and all service charges, funds, revenues and other moneys pledged or available to secure the payment of the bonds and other obligations, or interest thereon, shall at all times be exempt from taxation, except for transfer inheritance and estate taxes and taxes on transfers by or in contemplation of death.

Notwithstanding any other law, the State and all public officers, municipalities, counties, political subdivisions, public bodies and agencies thereof, all banks, bankers, trust companies, savings banks and institutions, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any fund or moneys belonging to them or within their control in any bonds issued pursuant to this chapter, and the bonds shall be authorized security for all public deposits.

40A:18-42. Authority to Establish Rates for Services and Connections.

A sewerage district is authorized to charge and collect rents, rates, fees or other charges (sometimes referred to as "service charges") for direct or indirect connection with, or the use or services of, the sewer or sewers, sewerage system or disposal plant or plants of the sewerage district. The service charges may be charged to and collected from any person contracting for the connection or use or services or from the owner or occupant, or both of them, of any real property which directly or indirectly is or has been connected with the sewer or sewers, sewerage system or disposal plant or plants, or from on or which sewage or other wastes originate or have originated and which have directly or indirectly entered or may enter the sewer or sewers, sewerage system or disposal plant or plants. The owner of the real property shall pay the service charges to the sewerage district at the time when and place where the service charges are due and payable.
CHAPTER 474, LAWS OF 1983

40A:18-43. RATES, FEES AND CHARGES FOR SERVICES TO BE UNIFORM; COMPUTATION.

Rents, rates, fees and charges, which may be payable periodically, being in the nature of use or service charges, shall, as the sewerage district deems practical and equitable, be uniform throughout the district for the same type, class and amount of use or service of the sewer or sewers, sewerage system, disposal plant or plants. The rents, fees, rates and charges may be based or computed either on the consumption of water on or in connection with the real property, making due allowance for commercial use of water, or on the number and kind of water outlets on or in connection with the real property, or on the number and kind of plumbing or sewerage fixtures or facilities on or in the real property, or on the number of persons residing or working on or otherwise connected or identified with the real property, or on the capacity of the improvements on or connected with the real property, or on any other factors determining the type, class and amount of use or service of the sewer or sewers, sewerage system or disposal plant or plants or on any combination of those factors. In determining the rents, rates, fees and charges, the sewerage district may also give weight to the characteristics of the sewage and other wastes and any other special matter affecting the cost of treatment and disposal thereof, including chlorine demand, biochemical oxygen demand, concentration of solids and chemical composition. In addition to any periodic service charges, a separate charge in the nature of a connection fee or tapping fee, in respect of each connection of any property with the sewer or sewers, sewerage system, disposal plants or plants may be imposed upon the person making the connection or upon the owner or occupant of the property so connected. The connection charges shall be uniform within each class of users thereof but the amount thereof shall otherwise be entirely within the discretion of the district so that the combination of the connection fee or tapping fee and the periodic service charges shall meet the requirements of N. J. S. 40A:18-44. In assessing any connection charges, the sewerage district shall give credit in every instance to the owner or occupant of any property wherein or wherewith any action or improvement has been taken or effectuated, in accordance with the reasonable specifications as prescribed by the sewerage district, which results in a reduction of the costs actually incurred by the sewerage district in making the connection below the costs actually incurred in making the connection to the property wherein or
whereon no action or improvement has been taken or effectuated. The amount of any credit shall be equal to the percentage difference between the costs actually incurred by the sewerage district in making the connection to a property wherein or whereon an action or improvement has been taken or effectuated, and the average during the preceding year of the costs actually incurred by the sewerage district in making the connections to property wherein or whereon action or improvement has not been taken or effectuated.

40A:18-44. Revising Schedule of Service Charges.

The sewerage district shall, when necessary and from time to time, revise its schedule of service charges which shall comply with the terms of any contract of the sewerage district so that the revenues of the sewerage district will at all times be adequate to pay all expenses of operation and maintenance of the sewer or sewers, sewerage system, disposal plant or plants, including reserves, insurance, extensions and replacements, and to pay the principal of and interest on any bonds punctually and to maintain reserves therefor as may be required by any contract of the sewerage district or as may be determined to be necessary or desirable by the sewerage district.

40A:18-45. Procedure to Revise Schedule of Service Charges.

The schedule of service charges shall be revised by the sewerage district after a public hearing thereon which shall be held by the sewerage district at least 10 days after publication of a notice of the proposed adjustment of the service charges and of the time and place of the public hearing in at least two newspapers having a general circulation within the district. The sewerage district shall provide evidence at the hearing showing that the proposed adjustment of the service charges is necessary and reasonable, and shall provide the opportunity for cross-examination of the persons offering the evidence. A transcript of the hearing shall be made and a copy thereof shall be available upon request to anyone at a reasonable fee.

40A:18-46. Filing Schedule of Service Charges; Inspection.

A copy of the schedule of service charges then in effect shall at all times be kept on file at the office of the sewerage district and shall at all reasonable times be open to public inspection.
CHAPTER 474, LAWS OF 1983

40A:18-47. Fixing Time and Place for Payment of Service Charges; Advance Payment.

The sewerage district shall fix the time or times when and the place or places where service charges shall be due and payable. The sewerage district may require that service charges shall be paid in advance for a period of not more than one year.

If a service charge of the sewerage district with regard to any parcel of real property is not paid when due, interest shall accrue thereon and be due to the sewerage district at the rate of 11/2% per month until the service charge, together with interest shall be fully paid to the district.

40A:18-49. Unpaid Service Charge; Lien.

If a service charge of the sewerage district with regard to any parcel of real property owned by any person other than the State or an agency or political subdivision thereof is not paid when due, the service charge or any balance thereof together with all accrued interest thereon, shall be a lien on the parcel. The lien shall be superior and paramount to the interest in the parcel of any owner, lessee, tenant, mortgagee or any other person, except the lien of municipal taxes. The lien shall be on a parity with and deemed to be equal to the lien on the parcel of the municipality for taxes due in the same year and not paid when due. The lien shall not affect a subsequent purchaser of the parcel for a valuable consideration without actual notice of the lien unless the sewerage district has filed a statement showing the amount and due date of the unpaid balance and identifying the parcel, which identification may be sufficiently made by reference to the assessment map of the municipality, in the office of the collector or other officer charged with the duty of enforcing municipal liens on real property. The information shown in the statement shall be included in any certificate with respect to the parcel of real property thereafter made by the official of the municipality vested with the power to make official certificates of searches for municipal liens. Whenever the service charge and any subsequent service charge and all accrued interest thereon are paid to the sewerage district, the statement shall be promptly cancelled by the district.

40A:18-50. Fiscal Year.

The fiscal year of a sewerage district shall be the calendar year.
Prior to January 15 of each year the commissioners of the sewerage district shall prepare and adopt a budget for the calendar year. The budget shall be prepared in accordance with established municipal accounting practices and shall estimate the amount required for expenditures of the sewerage district for the calendar year, including the expenses of operation, repair and maintenance and all amounts to be raised during the year for interest and principal on bonds, notes and other obligations issued by the sewerage district. The budget shall also estimate the revenues to be received from rates, rents, rentals and other charges which shall not be greater than the rates, rents, rentals and charges received in cash by the sewerage district during the preceding calendar year, unless prior to the adoption of the budget the sewerage commissioners have increased the rates, rents, rentals or charges to be charged for the facilities of the sewer or sewers, sewerage system, disposal plant or plants of the district during the calendar year, in which event the estimated amount of the rates, rents, rentals and other charges to be received during the calendar year may be a sum consisting of the amounts of the rates, rents, rentals or other charges actually received in cash during the preceding calendar year, together with the amount of the increase in rates, rents, rentals or other charges which would have been received during the previous calendar year at the percentage of collections for the previous calendar year. A certified copy of the budget shall be filed in the office of the township clerk before February 1 of each year.

If the amount of estimated revenues to be received during the calendar year as provided in N. J. S. 40A:18-51 will be insufficient to pay the estimated cost of operation, repair and maintenance and all debt service charges, the sewerage commissioners shall certify the anticipated deficit for the calendar year to the township assessor before February 1 of the calendar year. The township assessor shall assess the amount so certified upon the ratables in the district in the same manner in which township taxes are assessed. The township collector shall collect the assessments and pay them over to the sewerage commissioners for the operation, repair and maintenance of the sewer or sewers, sewerage system, disposal plant or plants and the payment of bonds or obligations issued by the district.
40A:18-53. Budget; Arrears in Payment of Bonds.

If at the time the budget is certified as provided in N. J. S. 40A:18-51, the sewerage district is in arrears in the payment of the principal of and interest on any bonds or other obligations issued by the district, the full amount of the arrearages shall be certified by the sewerage commissioners to the township assessor to be raised by general tax upon all the taxable property within the district as provided in N. J. S. 40A:18-52 during the calendar year.

40A:18-54. Audit of Accounts; Filing.

A sewerage district shall have an annual audit of its accounts to be made by a registered municipal accountant of New Jersey or a certified accountant of New Jersey. The audit shall be completed and filed with the district within four months after the close of the fiscal year and a copy filed in the township clerk's office within five days after the original audit is filed with the district.

40A:18-55. Exemption of District Property From Judgment Lien, Levy or Execution Sale; Exception.

All property of a sewerage district shall be exempt from levy and sale by virtue of an execution, and neither an execution nor other judicial process shall issue against the property of a sewerage district nor shall any judgment against a sewerage district be a charge or a lien upon its property. Nothing in this section shall apply to or limit the rights of any bondholders to pursue any remedy for the enforcement of any pledge or lien given by the sewerage district upon its property or revenues.

40A:18-56. Contracts with Bodies Politic and Subdivisions Outside Territory.

The commissioners of a sewerage district are authorized to enter into a contract with any body politic or political subdivision thereof outside of the district's territory to provide for the use by that body or subdivision of the district's sewer or sewers, sewage system, disposal plant or plants. The contract shall provide for the period of time for the use and a service charge for the use as may be agreed upon.
40A:18–57. Contracts with Bodies Politic and Subdivisions Outside Territory; Installations, Costs and Expenses.

Any body politic or political subdivision thereof contracting with the commissioners of a sewerage district as provided in N. J. S. 40A:18–56 for the use of the district's sewer or sewers, sewerage system, disposal plant or plants shall, at its expense and with the consent of the body politic owning or controlling the street or streets in or under which the installation is to be made, install its own sewerage pipelines and appurtenances to connect at an agreed point of tie-in with the sewer or sewers, sewerage system, disposal plant or plants of the sewerage district.

40A:18–58. Contracts with Bodies Politic and Subdivisions Outside Territory; Ownership and Maintenance of Tie-in Pipelines.

Title and ownership of the sewerage pipelines and appurtenances installed by a body politic or political subdivision thereof for the purpose of tie-in with the sewerage system and disposal plant of a sewerage district shall remain in the body politic or political subdivision thereof, and the body politic or political subdivision shall be responsible for the upkeep and maintenance of the pipelines and appurtenances.

40A:18–59. Contracts with Bodies Politic and Political Subdivisions Outside Territory; Restriction on Tap-in or Use.

The sewerage pipelines and appurtenances shall not be subject to tap-in or use by any other body politic or political subdivision other than the body politic or political subdivision installing them.

40A:18–60. Assumption of Sewerage District Indebtedness by Township.

If a sewerage district has issued bonds or other obligations to pay for the cost of construction or improvement of a sewer or sewers, sewerage system with appurtenances or a disposal plant or plants, the governing body of the township may, in its discretion, assume and pay the indebtedness evidenced by the bonds or other obligations in the manner as hereinafter provided if the value of the sewer or sewers, sewerage system with appurtenances or disposal plant or plants is not less than the amount of the bonds or other obligations so issued.
40A:18-61. **Assumption of Sewerage District Indebtedness by Township; Procedure.**

Upon the adoption of a resolution by the sewerage commissioners describing the bonds or other obligations issued by the sewerage district and requesting the governing body of the township to assume payment of the indebtedness evidenced by the bonds or other obligations, the governing body of the township shall first determine that the indebtedness evidenced by the bonds or other obligations was incurred for the construction or improvement of a sewer or sewers, sewerage system with appurtenances, disposal plant or plants in the district and that their value is not less than the amount of the bonds or other obligations, and that the sewer or sewers, sewerage system with appurtenances, disposal plant or plants are so constructed or improved that they may be made a part of an existing or proposed sewerage system constructed by the township. Upon a favorable determination of the foregoing factors, the governing body of the township may, by resolution, assume payment by the township of the indebtedness evidenced by the bonds or other obligations.

40A:18-62. **Assumption of Sewerage District Indebtedness by Township; Payment.**

If the governing body of the township assumes the payment of any bonds or obligations of the sewerage district, they shall become obligations of and be paid by the township. The governing body of the township may, in its discretion, pay the bonds or other obligations out of the proceeds of any bonds, temporary bonds or notes which may be issued by the township for the acquisition, construction, reconstruction, enlargement or extension of a sewerage system in the township.

40A:18-63. **Assumption of Sewerage District Indebtedness by Township; Outstanding Fees, Charges, Etc.; Use of Proceeds.**

If the governing body of a township assumes the payment of any bonds or obligations of a sewerage district, all outstanding fees, charges or assessments owing to the sewerage district shall be paid to and collected by the township collector and they shall be applied solely to the payment of the bonds or other obligations of the sewerage district or to the payment of the bonds, temporary bonds or notes, the proceeds of which were used to pay the sewerage district's indebtedness.
40A:18-64. **Assumption of Sewerage District Indebtedness by Township; Effect.**

If the governing body of a township assumes the payment of any bonds or other obligations of a sewerage district, the terms of office of the sewerage district shall terminate and the sewerage district dissolved. The sewer or sewers, sewerage system with appurtenances, disposal plant or plants shall become the property of the township and deemed to be a part of the township sewerage system.

CHAPTER 477

An Act to amend the title of P. L. 1967, c. 81 (C. 55:14J-1 et seq.), as said title was amended by P. L. 1978, c. 122, so that the same shall read "An act to facilitate the construction, rehabilitation and conversion of housing projects in certain areas for families of moderate income by providing for mortgage loans to qualified housing sponsors to be used for such construction, rehabilitation and conversion, providing for exemption of certain housing projects from real property taxation, creating within the Department of Community Affairs a New Jersey Housing Finance Agency and prescribing the powers and duties thereof, authorizing the New Jersey Housing Finance Agency to issue bonds and other obligations and providing for their terms and security thereof and the means to pay such bonds and other obligations and the interest thereon, prescribing penalties for certain violations and making an appropriation", and to amend and supplement the body of said act.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. The title of P. L. 1967, c. 81 (C. 55:14J-1 et seq.), as said title was amended by P. L. 1978, c. 122, is amended to read as follows:

Title amended.

An act to facilitate the construction, rehabilitation and conversion of housing projects in certain areas for families of moderate income by providing for mortgage loans to qualified housing sponsors to be used for such construction, rehabilitation and conversion, providing for exemption of certain housing projects from real property taxation, creating within the Department of Community Affairs a New Jersey Housing Finance Agency and prescribing the powers and duties thereof, authorizing the New Jersey Housing Finance Agency to issue bonds and other obligations and providing for their terms and security thereof and the means to pay such bonds and other obligations and the interest thereon, prescribing penalties for certain violations and making an appropriation.

2. Section 2 of P. L. 1967, c. 81 (C. 55:14J-2) is amended to read as follows:
2. It is hereby declared that there exists in this State a need for adequate, safe and sanitary dwelling units for many families of moderate income in this State; that a large and significant proportion of the families compelled to relocate by reason of urban renewal, highway construction and other public works programs will be subject to extreme hardship in finding adequate, safe and sanitary housing unless new facilities are constructed and existing housing, where appropriate, is rehabilitated, and such new or rehabilitated housing facilities are made available at a rental level within their means; and that, unless the supply of housing for families of moderate income is increased significantly and expeditiously, a large number of the residents of this State will be compelled to live under unsanitary, overcrowded and unsafe conditions to the detriment of the health, welfare and well-being of these persons and of the whole community of which they are part. It is further declared that the building industry can provide a fully adequate supply of safe and sanitary accommodations at rental or carrying charges which families of moderate income can afford only if a public agency is created to encourage the investment of private capital and stimulate construction and rehabilitation of dwelling units to meet the needs of such families through the use of public financing, public loans and otherwise; that, to accomplish the foregoing, coordination, cooperation and agreement of and among private enterprise, State and local government is essential; that the acquisition of land, the construction, rehabilitation, financing by mortgage or otherwise, management, operation, maintenance and disposition of dwelling units constructed or rehabilitated hereunder, and the real and personal property and other facilities necessary, incidental or appurtenant thereto is a public use for which public moneys may be spent, advanced, loaned or granted; and that the enactment of the provisions hereinafter set forth is in the public interest and is hereby so declared to be such as a matter of legislative determination.

The Legislature further finds, determines and declares that (1) there exist in many parts of this State structures, originally designed and constructed for industrial, commercial or other non-residential purposes and no longer used, or likely to be used, for such purposes; (2) that many such structures, conveniently located and basically sound in construction, are adaptable to conversion to multiple-dwelling residential use; (3) that such adaptation may permit dwelling units to be provided at much lower per unit rentals
than any new construction; and, therefore, (4) that it is in the public interest that the State, through its established agencies, should encourage such adaptation and conversion.

3. Section 3 of P. L. 1967, c. 81 (C. 55:14J-3) is amended to read as follows:

b. Firearms purchaser identification card. No person shall sell, give, transfer, assign or otherwise dispose of nor receive, purchase or otherwise acquire an antique cannon or a rifle or shotgun, other than an antique rifle or shotgun, unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or possesses a valid firearms purchaser identification card, and first exhibits said card to the seller, donor, transferor or assignor, and unless the purchaser, assignee, donee, receiver or holder signs a
written certification, on a form prescribed by the superintendent, which shall indicate that he presently complies with the requirements of subsection c. of this section and shall contain his name, address and firearms purchaser identification card number or dealer's registration number. The said certification shall be retained by the seller, as provided in section 2C:58-2a., or, in the case of a person who is not a dealer, it may be filed with the chief of police of the municipality in which he resides or with the superintendent.

c. Who may obtain. No person of good character and good repute in the community in which he lives, and who is not subject to any of the disabilities set forth in this section or other sections of this chapter, shall be denied a permit to purchase a handgun or a firearms purchaser identification card, except as hereinafter set forth. No handgun purchase permit or firearms purchaser identification card shall be issued:

(1) To any person who has been convicted of a crime, whether or not armed with or possessing a weapon at the time of such offense;

(2) To any drug dependent person as defined in section 2 of P. L. 1970, c. 226 (C. 24:21-2), to any person who is confined for a mental disorder to a hospital, mental institution or sanitarium, or to any person who is presently an habitual drunkard;

(3) To any person who suffers from a physical defect or disease which would make it unsafe for him to handle firearms, to any person who has ever been confined for a mental disorder, or to any alcoholic unless any of the foregoing persons produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, that he is no longer suffering from that particular disability in such a manner that would interfere with or handicap him in the handling of firearms; to any person who knowingly falsifies any information on the application form for a handgun purchase permit or firearms purchaser identification card;

(4) To any person under the age of 18 years; or

(5) To any person where the issuance would not be in the interest of the public health, safety or welfare.

d. Issuance. The chief of police of an organized full-time police department of the municipality where the applicant resides or the superintendent, in all other cases, shall upon application, issue to any person qualified under the provisions of subsection c. of this
section a permit to purchase a handgun or a firearms purchaser identification card.

Any person aggrieved by the denial of a permit or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the superintendent in all cases. The hearing shall be held and a record made thereof within 30 days of the receipt of the application for such hearing by the judge of the Superior Court. No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form prescribed by the superintendent and shall set forth the name, residence, place of business, age, date of birth, occupation, sex and physical description, including distinguishing physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in section 2 of P. L. 1970, c. 226 (C. 24:21-2), whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on a temporary, interim or permanent basis, giving the name and location of the institution or hospital and the dates of such confinement or commitment, whether he has been attended, treated or observed by any doctor or psychiatrist or at any hospital or mental institution on an inpatient or outpatient basis for any mental or psychiatric condition, giving the name and location of the doctor, psychiatrist, hospital or institution and the dates of such occurrence, whether he presently or ever has been a member of any organization which advocates or approves the commission of acts of force and violence to overthrow the Government of the United States or of this State, or which seeks to deny others their rights under the Constitution of either the United States or the State of New Jersey, whether he has ever been convicted of a crime or disorderly persons offense, and such other information as the superintendent shall deem necessary for
the proper enforcement of this chapter. For the purpose of complying with this subsection, the applicant shall waive any statutory or other right of confidentiality relating to institutional confinement. The application shall be signed by the applicant and shall contain as references the names and addresses of two reputable citizens personally acquainted with him.

Application blanks shall be obtainable from the superintendent, from any other officer authorized to grant such permit or identification card, and from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints of the applicant and shall have them compared with any and all records of fingerprints in the municipality and county in which the applicant resides and also the records of the State Bureau of Identification and the Federal Bureau of Investigation, provided that an applicant for a handgun purchase permit who possesses a valid firearms purchaser identification card, or who has previously obtained a handgun purchase permit from the same licensing authority for which he was previously fingerprinted, and who provides other reasonably satisfactory proof of his identity, need not be fingerprinted again; however, the chief police officer or the superintendent shall proceed to investigate the application to determine whether or not the applicant has become subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. The application for the permit to purchase a handgun together with a fee of $2.00, or the application for the firearms purchaser identification card together with a fee of $5.00, shall be delivered or forwarded to the licensing authority who shall investigate the same and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants. A permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection c. of this section, whereupon the card shall be void and shall be returned within five days by the holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser
CHAPTER 479, LAWS OF 1983

identification card to the superintendent within the said five days shall be an offense under section 2C:39-10a. Any firearms purchaser identification card may be revoked by the Superior Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipality or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the Superior Court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within five days of the date of the sale, the seller shall forward the original copy to the superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit, but a person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees. Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of
intestacy. The person who shall so receive or acquire said firearm shall, however, be subject to all other provisions of this chapter. If the heir or legatee of such firearm does not qualify to possess or carry it, he may retain ownership of the firearm for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent, provided that such firearm is in the custody of the chief law enforcement officer of the municipality or the superintendent during such period.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

l. Nothing in this section and in N. J. S. 2C:58-2 shall apply to the sale or purchase of a visual distress signalling device approved by the United States Coast Guard, solely for possession on a private or commercial aircraft or any boat; provided, however, that no person under the age of 18 years shall purchase nor shall any person sell to a person under the age of 18 years such a visual distress signalling device.

5. N. J. S. 2C:58-7 is amended to read as follows:

2C:58-7. Persons Possessing Explosives or Destructive Devices to Notify Police. a. J. S. 2C:39-6, shall within 15 days notify the police authorities of the municipality in which he resides or the State Police that the same is in his possession and shall present the same to them for inspection.

b. When any such ammunition, explosive or destructive device is presented for inspection it shall be inspected to ascertain whether or not it is loaded or of a dangerous character, and if it is found to be loaded or of dangerous character, it shall be destroyed or be unloaded or so processed as to remove its dangerous character before being returned to the possessor.

c. Any police officer having reasonable cause to believe that any person is possessed of any such ammunition, explosive, or destructive device shall investigate, under a proper search warrant when
necessary, and shall seize the same for the purpose of inspection, unloading, processing or destruction, as provided in this section, and the same shall not be returned to the possessor thereof until it has been unloaded or so processed.

   f. "Small business set-aside contract" means (1) a contract for goods, equipment, construction or services which is designated as a contract with respect to which bids are invited and accepted only from small businesses, or (2) a portion of a contract when that portion has been so designated.
4. Notwithstanding the provisions of any State bidding or public contracts laws to the contrary, contracting agencies, in consultation with the office, shall designate a contract, or a portion thereof, for goods, equipment, construction or services to be awarded by a contracting agency as a small business set-aside contract, whenever there is a reasonable expectation that bids may be obtained from at least three qualified small businesses capable of furnishing the desired goods, equipment, construction or services at a fair and reasonable price. The designation shall be made prior to the advertisement for bids.

C. 52:32-21 Goal of 15%.
5. There is established the goal that contracting agencies set aside at least 15% of their contracts for small businesses. This goal may be attained by the direct designation of prime contracts for small business or, in the case of a prime contract not directly designated for small business, by requiring that a portion of such a prime contract be subcontracted to a small business. Each contracting agency shall make a good faith effort to attain the goal established in this section.

C. 52:32-22 Dispute over appropriateness.
6. If the chief and the contracting agency disagree as to whether the small business set-aside is appropriate for a contract or a portion of a contract, the dispute shall, within 7 days, be submitted to the State Treasurer for final determination.

C. 52:32-23 Advertisement for bids.
7. The advertisement for small business bids shall indicate the invitation to bid as a small business set-aside. The advertisement shall be in such newspaper or newspapers as will best give notice thereof to small business bidders and shall be sufficiently in advance of the purchase or contract to promote competitive bidding among small businesses. The newspaper or newspapers in which the advertisement shall appear shall be selected by the contracting agency in consultation with the office. The advertisement shall designate the time and place at which sealed proposals shall be received and publicly opened and read, the amount of the cash or certified check, if any, which shall accompany each bid and such other items as the office may deem proper. The advertisement shall be made pursuant to the procedure set forth in the law governing State contracts, where this act is inconsistent with that law.
C. 52:32-24 Regulations on qualifications.

8. The department may establish reasonable regulations appropriate for controlling the qualifications of prospective small business bidders according to the financial ability and experience of the bidders and the capital and equipment available to them pursuant to and reasonably related to the class or category of work to be performed or materials and supplies to be furnished or hired in the performance of any subcontract, and may require each bidder to furnish a statement thereof. No qualification rating of any bidder shall be influenced by his race, creed, color, national origin, ancestry, age, marital status or sex, nor shall undue preferences be created.

9. When a contract or portion thereof has been designated as a small business set-aside, invitations for bids shall be confined to small businesses and bids from other bidders shall be rejected. The purchase, contract or expenditure of funds shall be awarded pursuant to section 7 of P. L. 1954, c. 48 (C. 52:34-12) among the small businesses, considering formality with specifications and terms, in accordance with regulations published by the department. The award shall be made with reasonable promptness by the contracting agency with written notice to the office.

C. 52:32-26 Set-aside cancellation.

10. If the contracting agency determines that the acceptance of the lowest responsible bid will result in the payment of an unreasonable price, the contracting agency shall reject all bids and withdraw the designation of small business set-aside contract. Small businesses shall be notified in writing of the small business set-aside cancellation, the reasons for the rejection and the State's intent to resolicit bids on an unrestricted basis. The canceled solicitation shall not be counted as a set-aside for the purpose of attaining established set-aside goals.

C. 52:32-27 Annual report.

11. Each contracting agency shall submit an annual report to the office according to the schedule announced by the office. This report shall include the following information:

a. The total dollar value and number of set-aside contracts awarded to small businesses, and the percentage of the total State procurements by the contracting agency the figure of total dollar value and the number of set-asides reflects;

b. The types and sizes of businesses receiving set-aside awards and the nature of the purchases and contracts; and
c. The efforts made to publicize and promote the program.

The office shall receive and analyze the reports submitted by the contracting agencies and, utilizing this data, submit an annual report to the Commissioner of the Department of Commerce and Economic Development and the Governor showing the progress being made toward the objectives and goals of this act during the preceding fiscal year.

C. 52:32-28 Bidders' lists.

12. The office shall monitor the development of bidders' lists in each contracting department or agency within State government and shall provide guidance and expertise in the compilation and qualification of bidders for the bidders' lists. All bidders shall meet the qualifications as "small business" as established in accordance with the Small Business Size Standards for Procurement of the New Jersey Office of Small Business Assistance in the Department of Commerce and Economic Development. The office shall review the lists annually with each contracting department to determine which of those businesses continue to qualify as small businesses. The department shall establish a procedure whereby the designation of a business as a small business may be challenged by a third party. The procedure shall include proper notice and a hearing for all parties concerned before the bid is awarded.

C. 52:32-29 Consultations.

13. The department and office shall consult regularly with representatives of the contracting industry for the purpose of implementing the provisions of this act. These consultations shall take place no less than once every six months.

C. 52:32-30 Penalties for incorrect information.

14. A business which has been classified as a small business on the basis of incorrect information supplied by it and which has been awarded a contract to which it would not otherwise have been entitled under this act shall:

a. Pay to the State any difference between the contract amount and what the State's cost would have been if the contract had not been awarded in accordance with the provisions of this act;

b. In addition to the amount due under subsection a., be assessed a penalty in an amount of not more than 10% of the amount of the contract involved; and

c. Be ineligible to transact any business with the State for a period of not less than 3 months and not more than 24 months.
All payments to the State pursuant to subsection a. of this section shall be deposited in the fund out of which the contract involved was awarded. All payments to the State pursuant to subsection b. of this section shall be deposited in the General State Fund.

C. 52:32-31 Regulations.

15. The Department of the Treasury shall develop such other regulations as may be necessary to interpret and implement all provisions of this act, including rules governing the determination of which type or class of contracts is covered by this act.

16. This act shall take effect 180 days after enactment.

Approved January 17, 1984.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Library Network Law."

2. The Legislature finds and declares that promoting cooperation among the various types of libraries in New Jersey will provide this State's residents with full and equal access to library materials and programs not currently available within their communities; that increased cooperation and access will help control the cost of maintaining local libraries, while providing for improved services; that establishing a library network can best be accomplished by assisting libraries to form cooperatives on a regional basis and by having the Division of the State Library, Archives and History promote, coordinate and fund such cooperative efforts.

3. As used in this act:
   a. "Commissioner" means the Commissioner of the Department of Education;
   b. "Division" means the Division of the State Library, Archives and History in the Department of Education;
   c. "Library" means any library eligible for advisory service from the division as provided in subsection d. of section 20 of P. L. 1969, c. 158 (C. 18A:73-35); any county audiovisual aids center established pursuant to N. J. S. 18A:51-1 et seq.; and any educational improvement center established pursuant to P. L. 1978, c. 58 (C. 18A:6-95 et seq.);
   d. "Library region" means a geographic area designated by the State Librarian pursuant to this act within which libraries may establish a regional library cooperative;

4. In addition to the duties prescribed in section 20 of P. L. 1969, c. 158 (C. 18A:73-35) the division shall establish, organize, supervise and fund the library network. To effectuate the purposes of this act, the division shall: a. establish library regions to encompass all of the State's territory; b. provide for the creation, structure, funding, and governance of a regional library cooperative for each library region; c. enter into contracts with any library or service providing agency to provide cooperative library services to any members of the library network; and d. determine the kinds of cooperative services to be provided and received by members of the network.

C. 18A:73-35e Cooperative services.

5. Any library eligible for participation in the library network is authorized to enter into agreements with other such libraries to provide and receive cooperative library services. Libraries entering into an agreement pursuant to this act shall form an organization which may incorporate as a nonprofit corporation for the purposes of providing and receiving cooperative services.

C. 18A:73-33.1 Annual report.

6. a. In addition to the duties prescribed in section 18 of P. L. 1969, c. 158 (C. 18A:73-33), the State Librarian shall on or before October 31 of each year prepare an annual report on the activities of the library network for the preceding year. The report shall be transmitted to the commissioner who, upon his approval of the report, shall transmit it to the State Board of Education, and to the Chairman of the Education Committee of each House of the Legislature. The report shall set forth a complete operating and financial statement covering the library network's operation during the preceding year. The report shall also contain such information as may be necessary to provide an adequate description of the measures taken in the previous year to implement the plan for the library network submitted pursuant to subsection b. of this section, the performance of the library network in accordance with that plan, and an explanation of any changes or additions made in or to that plan during that year.

b. The first report submitted pursuant to subsection a. of this section shall contain a plan for the establishment of the library
network; the designation of library regions; the structure, organization, and governance of regional library cooperatives; the designation of libraries to provide cooperative library services to the library network; and a proposed budget for the first year of the library network's operations.

7. In addition to the duties prescribed in section 16 of P. L. 1969, c. 158 (C. 18A:73-31) the advisory council shall give advice and make recommendations regarding the policies, operations, and funding of the library network.

8. To provide an efficient and effective library network in accordance with objectives of this act, no regional library cooperative or any library with which the division contracts to provide cooperative services to the library network shall participate in any apportionment of State funds pursuant to this act unless it operates in compliance with the rules and regulations which have been, or may be, prescribed by law or promulgated by the division and approved by the commissioner and the State Board of Education.

C. 18A:73-35g Budget estimates.

9. On or before November 15 in each year, the State Librarian, with the approval of the commissioner, shall estimate the amount necessary to be appropriated to carry out the provisions of this act for the succeeding fiscal year and shall determine for budget purposes the amount estimated to be payable to each regional library cooperative or library with which the division contracts to provide cooperative service to the library network for that year. The State Librarian shall make such determination for budget purposes upon the basis of appropriations for library network purposes made by the Legislature in the current calendar year.

On or before September 15 of each succeeding year, the State Librarian shall make a final determination of the payments to be made under this act.

10. The sums payable pursuant to this act shall be payable on October 1 following the final determination in each year. Payments shall be made by the State Treasurer upon certificate of the commissioner and warrant of the Director of the Division of Budget and Accounting. Payment shall be made to the receiving officer designated by each regional library cooperative and each
library with which the division contracts to provide cooperative service to the library network.

11. The division may, with the approval of the commissioner and the State Board of Education, promulgate pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), such rules and regulations as it deems necessary to effectuate the purposes of this act.

12. There shall be appropriated in the first fiscal year following the receipt by the Legislature of the first annual report and in each fiscal year thereafter following the receipt by the Legislature of each subsequent annual report required pursuant to section 6 of this act, such sums as may be necessary for the operation of the library network. If the sums appropriated at any time are insufficient to carry out in full the provisions of this act, the commissioner, with the approval of the State Board of Education, shall allocate such sums on a pro rata basis. A sum not to exceed 1% of such total or supplemental appropriation for the purposes of this act may be allocated for the administrative cost thereof.

13. There is appropriated $125,000.00 to the Department of Education from the General Fund to implement the provisions of this act.

C. 42:2A-59 Cancellation of certificate of authority to do business in the State.

58. Cancellation of certificate of authority to do business in the State. A foreign limited partnership may cancel its certificate of authority to transact business in this State by filing with the Secretary of State a certificate of cancellation signed and sworn to by a general partner. A cancellation does not terminate the authority of the Secretary of State to accept service of process on the foreign limited partnership with respect to claims arising out of the transaction of business in this State. The Secretary of State shall cancel the certificate of authority of a foreign limited partnership when the certificate in the state of organization of the foreign limited partnership is cancelled.

C. 42:2A-60 Transacting business without certificate of authority.

59. Transacting business without certificate of authority. a. A foreign limited partnership transacting business in this State may not maintain an action in any court of this State until it has obtained a certificate of authority to transact business in this State.

b. The failure of a foreign limited partnership to obtain a certificate of authority to transact business in this State does not impair the validity of any contract or act of the foreign limited partnership or prevent the foreign limited partnership from defending an action in any court of this State.

c. A limited partner of a foreign limited partnership is not liable as a general partner of the foreign limited partnership solely by reason of having transacted business in this State without having obtained a certificate of authority to transact business.

d. A foreign limited partnership, by transacting business in this State without having obtained a certificate of authority to transact business, appoints the Secretary of State as its agent for service of process with respect to claims arising out of the transaction of business in this State.

e. A foreign limited partnership which transacts business in this State without a certificate of authority to transact business shall forfeit to the State a penalty of not less than $200.00, nor more
than $1,000.00 for each calendar year, not more than five years prior thereto, in which it shall have transacted business in this State without the certificate. The penalty shall be recovered with costs in an action prosecuted by the Attorney General. The court may proceed in the action in a summary manner or otherwise.

**C. 42:2A-61 Injunction against foreign limited partnership.**

60. Injunction against foreign limited partnership. a. The Attorney General may bring an action in the Superior Court in the name of the State to enjoin a foreign limited partnership from transacting of business in this State:

(1) Without having first obtained a certificate of authority to transact business pursuant to this article;

(2) Of a character not set forth in its application for a certificate of authority to transact business or for an amended certificate; or

(3) After its certificate of authority to transact business in this State has been surrendered; or

(4) After it is dissolved or its authority or existence is otherwise terminated or canceled in the jurisdiction of its organization.

b. The provisions of this section shall not exclude any other ground provided by law for injunctive relief against a foreign limited partnership to restrain it from the exercise of any franchise or the transaction of any business within this State.

c. The Superior Court may proceed in the action in a summary manner or otherwise.

ARTICLE 10. DERIVATIVE ACTIONS BY LIMITED PARTNERS

**C. 42:2A-62 Right of action.**

61. Right of action. A limited partner may bring an action in the right of a limited partnership to recover a judgment in its favor if general partners with authority to do so have refused to bring the action or if an effort to cause those general partners to bring the action is not likely to succeed.

Source: New.

**C. 42:2A-63 Proper plaintiff.**

62. Proper plaintiff. In a derivative action by a limited partner, he shall be a limited partner at the time of bringing the action and
have been a limited partner at the time of the transaction of which he complains or his status as a limited partner had devolved upon him by operation of law or pursuant to the terms of the partnership agreement from a person who was a partner at the time of the transaction.

**C. 42:2A-64 Pleading.**

63. Pleading. In a derivative action, the complaint shall set forth with particularity the effort of the plaintiff to secure initiation of the action by a general partner or the reasons for not making the effort.

**C. 42:2A-65 Security for expenses.**

63.1. Security for expenses. Unless the contributions of or allocable to plaintiff or plaintiffs to partnership property amount to 5% or more of the contributions of all limited partners, in their status as limited partners, or the contributions of or allocable to the plaintiff or plaintiffs have a fair value in excess of twenty-five thousand dollars, the limited partnership in whose right such action is brought shall be entitled at any stage of the proceedings before final judgment to require the plaintiff or plaintiffs to give security for the reasonable expenses, including attorney's fees, which may be incurred by it in connection with the action.

Source: New.

**C. 42:2A-66 Expenses.**

64. Expenses. If a derivative action is successful, in whole or in part, or if anything is received by the plaintiff as a result of a judgment, compromise or settlement of an action, the court may award the plaintiff reasonable expenses, including reasonable attorney's fees, and shall direct him to remit to the limited partnership the remainder of the proceeds received by him.

**C. 42:2A-67 Indemnification of general partner.**

64.1. Indemnification of general partner. a. A domestic limited partnership may indemnify any general partner made a party to an action in the right of a limited partnership to procure a judgment in its favor by reason of the fact that he was a general partner in the limited partnership, against the reasonable expenses, including attorney's fees, actually and necessarily incurred by him in connection with the defense of the action, or in connection with an
appeal therein if the general partner acted in good faith and in a manner the general partner reasonably believed to be in or not opposed to the best interests of the limited partnership. However, in the proceedings no indemnification shall be provided in respect of any claim, issue or matter as to which the general partner shall have been adjudged to be liable for the negligence or misconduct, unless and only to the extent that the Superior Court or the court in which the proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, the general partner is fairly and reasonably entitled to indemnity for the expenses as the Superior Court or any other court shall deem proper.

b. The indemnification authorized under subsection a. of this section shall in no case include:

(1) Amounts paid in settling or otherwise disposing of a threatened action, or pending action with or without court approval; or

(2) Expenses incurred in defending a threatened action, or pending action which is settled or otherwise disposed of without court approval.

c. No indemnification shall be made under this section in any circumstances where it appears that indemnification would be inconsistent with a provision of the certificate of limited partnership, partnership agreement or other proper partnership action, in effect at the time of accrual of the alleged cause of action asserted in the threatened or pending action in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification.

CHAPTER 490

An Act concerning corporate names and amending N. J. S. 14A:2-2 and supplementing Title 14A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 14A:2-2 is amended to read as follows:

Corporate names.

14A:2-2. (1) The corporate name of a domestic corporation or of a foreign corporation authorized to transact business in this State

(a) Shall not contain any word or phrase, or abbreviation or derivative thereof, which indicates or implies that it is organized for any purpose other than one or more of the purposes permitted by its certificate of incorporation;

(b) Shall not be the same as, or confusingly similar to, the corporate name of any domestic corporation, including a corporate name set forth in a certificate of incorporation filed in the office of the Secretary of State whose effective date is subsequent to the date of filing, as authorized by subsection 14A:2-7 (2), or of any foreign corporation authorized to transact business in this State or any nonprofit corporation organized pursuant to the provisions of Title 15 of the Revised Statutes or any corporate name reserved or registered under this act, unless the written consent of such other domestic or foreign corporation or nonprofit corporation or holder of a reserved or registered name to the adoption of its name or a confusingly similar name is filed in the office of the Secretary of State with the certificate of incorporation or with the application for an original or amended certificate of authority to transact business in this State or, in lieu of such consent, there is filed a certified copy of a final judgment of a court of competent jurisdiction establishing the prior right of the corporation to the use of such name in this State; and

(c) Shall not contain any word or phrase, or any abbreviation or derivative thereof, the use of which is prohibited or restricted by any other statute of this State, unless any such restrictions have been complied with.

(2) This section

(a) Shall not require any domestic corporation organized prior
to the effective date of this act or any foreign corporation authorized
to transact business in this State prior to the effective date of this
act to change its corporate name in order to comply with this section,
if such name is otherwise lawful on the effective date of this act. No
such corporation shall change its corporate name on or after the
effective date of this act to a name which is not available for
corporate use under this section; and

(b) Shall not prevent a domestic corporation with which another
corporation, domestic or foreign, is merged, or which is formed by
the reorganization or consolidation of one or more other domestic
or foreign corporations or upon a sale, lease or other disposition to,
or exchange with, a domestic corporation of all or substantially all
the assets of another corporation, domestic or foreign, including
its name, from having the same corporate name as any of such
 corporations if at the time such other corporation was organized
under the laws of, or is authorized to transact business in, this State.

(3) If the name of a foreign corporation is not available for use
in this State because of the prohibitions of subsection 14A:2-2(1),
such corporation may be authorized to transact business in this
State under a fictitious name which is available for corporate use
under this section. Such corporation shall file in the office of the
Secretary of State with its application for an original or amended
certificate of authority a resolution of its board adopting such
fictitious name for use in transacting business in this State.

corporation which has been dissolved and any name confusingly
similar to the name of a domestic corporation or nonprofit corpo­

within such 2 year period, the written consent of such dissolved
corporation to the adoption of its name, or a confusingly similar
name, is filed in the office of the Secretary of State with the certi­
cificate of incorporation of another domestic corporation or with the
application of a foreign corporation for an original or amended
certificate of authority to transact business in this State.

(5) The filing in the office of the Secretary of State of the
certificate of incorporation of a domestic corporation or the issu­
ance by the Secretary of State of a certificate to a foreign corpora­
tion authorizing it to transact business in this State shall not pre­
clude an action by this State to enjoin a violation of this section or
an action by any person adversely affected to enjoin such violation
or the use of a corporate name in violation of the rights of such person, whether on principles of unfair competition or otherwise. The court in any such action may grant any other appropriate relief.

CHAPTER 491

An Act providing for the establishment of certain pension credit in the Public Employees' Retirement System of New Jersey and supplementing P. L. 1954, c. 84 (C. 43:15A-1 et seq.).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. As used in this act:
   a. "Local pension fund" means any pension fund established under article 2 of chapter 66 of Title 18A of the New Jersey Statutes, provided that pension fund is not supported in whole or in part by the State and is applicable to more than one political subdivision.
   b. "Local public employer" means any municipality, school district, board of education or other employer of employees participating in a local pension fund.

2. Any person enrolled as a member in both a local pension fund and the retirement system who, not more than 6 months prior to
the holding of a referendum under the provisions of P. L. 1980, c. 86 (C. 43:22-2 et al.), became an inactive member of the local pension fund for any reason other than retirement or dismissal for cause shall be eligible to receive credit in the retirement system for any period of service with a local public employer for which credit has been established in the local pension fund and which was rendered prior to his enrollment in the retirement system. The member shall submit to the retirement system an application to receive such credit within 90 days following the effective date of this act. The application shall be made in a form satisfactory to the retirement system and shall include a waiver of all rights and benefits arising from the credit established in the local pension fund as the result of service rendered prior to his enrollment in the retirement system. Upon receipt of that application and waiver, the retirement system shall transmit a copy thereof to the local pension fund.

3. a. Within 30 days following receipt of a copy of an application and waiver transmitted as provided by section 2 of this act, the local pension fund shall determine the amount of contribution payments to it which were deducted from the salary of the member with respect to the period of his service to any local public employer prior to his enrollment in the retirement system and shall remit that amount, without interest, to the retirement system. The retirement system shall then enter the sum so remitted to it to the credit of the employee in the annuity savings fund.

b. Within 60 days following receipt of a copy of an application and waiver transmitted as provided by section 2 of this act, the local pension fund shall determine the pro rata part of all contribution payments to it by local public employers which was applicable to the member during that period of his service with any such employer which was rendered prior to his enrollment in the retirement system and shall remit that amount to the retirement system. The retirement system shall then enter the sum so remitted to it to the credit of the employer of the member in the contingent reserve fund.

c. Within 30 days following receipt of the sum remitted to it under subsection b. of this section, the retirement system shall determine:

(1) The amount, if any, by which the sum remitted to it under subsection a. of this section is exceeded by the cumulative total of the contributions which would have been required to be paid into
the annuity savings fund during the period of the member's service with a local public employer prior to becoming a member of the retirement system if he had been enrolled therein during that period;

(2) The total amount of regular interest which would have been allowed in the annuity savings fund with respect to the contribution payments designated in subsection a. of this section if those payments had been made thereto;

(3) The amount, if any, by which the sum remitted to it under subsection b. of this section is exceeded by the cumulative total of the contributions which would have been required to be paid into the contingent reserve fund during the period of the member's service with a local public employer prior to becoming a member of the retirement system if he had been enrolled therein during that period; and

(4) The total amount of regular interest which would have been allowed in the contingent reserve fund with respect to the contribution payments designated in subsection b. of this section if those payments had been made thereto.

The retirement system shall certify separately to the member the total of the amounts under (1) and (2) and the total of the amounts under (3) and (4). The totals so certified, along with any other payments which may be required under this act, shall be payable by the member to the retirement system for deposit into the annuity savings fund, the contingent reserve fund, or such fund as shall be determined by the Division of Pensions. Neither the State nor the employer of a member who applies to purchase credit under the provisions of this act shall be liable for any payment to the retirement system on behalf of the member for the purchase of the credit. If, upon retirement, the member's payment for purchase of credit for service during a period of inactivity as defined in section 2 of this act is insufficient to provide for the additional retirement benefit attributable to the service, the difference may be assessed to the member, or a pro rata credit may be granted based on service purchased prior to the date of retirement, at the election of the member. The member's obligation under this subsection may be satisfied by lump sum payment or by regular monthly installments as the employee may elect, subject to rules and regulations as may be promulgated by the Division of Pensions, but if the employee elects to make installment payments on the obligation, the entire amount of those payments shall be deposited in the contingent
reserves fund until the entire obligation with respect to that fund is satisfied. Full pension credit for the period of service for which payment is being made by the employee shall be given upon the payment of at least one-half of the total obligation and the completion of one year of membership following the certification to the member of his obligation and the making of payments hereunder, except that in the case of retirement pursuant to section 38, subsection b. of section 41, section 48 or section 61 of P. L. 1954, c. 84 (C. 43:15A-38, 43:15A-41b, 43:15A-48 and 43:15A-61), the total membership credit for such service shall be in direct proportion as the amount paid bears to the total amount of the member's obligation.

4. This act shall take effect immediately.

Approved January 17, 1984.

CHAPTER 492

An Act concerning the regulation and licensing of child care centers serving children under the age of six and providing non-residential, less-than-24-hour care, repealing chapter 70 of Title 18A of the New Jersey Statutes and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:5B-1 Short title.
1. This act shall be known and may be cited as the "Child Care Center Licensing Act."

C. 30:5B-2 Findings.
2. The Legislature finds that it is in the public interest to license and regulate child care programs and facilities in order to insure the continuous growth and development of children. The Legislature further finds that comprehensive child care programs are of value to the health, safety, education, physical and intellectual growth and general well-being of the children served and that the programs strengthen and supplement the family unit. The Legislature further finds that child care programs provide places for preventive health measures, early detection of illnesses and handicaps and development of special talents and interests. The Legis-
lature further finds the State and parents have a responsibility in the education of children and that the role of the teacher is essential to the continuous development of children. The Legislature further finds that experience indicates that the development of child care centers should be encouraged, whether publicly or privately supported, to provide a full range of services benefiting the child, parent and community and that there is a great need for expansion of existing centers and for the establishment of additional centers.

C. 30:5B-4 Licensing of child care centers.

4. No person shall conduct, maintain or operate a child care center unless a license has been obtained from the department pursuant to the terms of this act. A separate license shall be obtained for each location. The license shall be posted and displayed by the sponsor at all times in a prominent location within the center. No license issued pursuant to this act shall be transferable. A change in the sponsor of a licensed child care center shall require notification to the department within 14 calendar days and reapplication for licensure.

C. 30:5B-5 Rules, regulations.

5. a. The department shall have responsibility and authority to license and inspect child care centers. The commissioner shall promulgate rules and regulations for the operation and maintenance of child care centers which shall prescribe standards governing the safety and adequacy of the physical plant or facilities; the education, health, safety, general well-being and physical and intellectual development of the children; the quality and quantity of food served; the number of staff and the qualifications of each staff member; the implementation of a developmental or age-appropriate program; the maintenance and confidentiality of records and furnishing of required information; the transportation of children; and the administration of the center. The commissioner shall also promulgate rules and regulations for license application, issuance, renewal, expiration, denial, suspension and revocation. In developing, revising or amending such rules and regulations, the
commissioner shall consult with the advisory council created pursuant to section 14 of this act, and with other appropriate administrative officers and agencies, including the Departments of Health, Education and Labor, the Division of Motor Vehicles and the State Fire Marshal giving due weight to their recommendations. The rules and regulations promulgated pursuant to this act shall be adopted and amended in accordance with the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.).

b. The department shall conduct an on-site facility inspection and shall evaluate the program of the child care center to determine whether the center complies with the provisions of this act.

c. Any rule or regulation involving physical examination, immunization or medical treatment shall include an appropriate exemption for any child whose parent or parents object thereto on the ground that it conflicts with the tenets and practices of a recognized church or religious denomination of which the parent or child is an adherent or member.

d. The department shall have the authority to inspect and examine the physical plant or facilities of a child care center and to inspect all documents, records, files or other data maintained pursuant to this act during normal operating hours and without prior notice.

e. The department shall request the appropriate State and local fire, health and building officials to conduct examinations and inspections to determine compliance with State and local ordinances, codes and regulations by a child care center. The inspections shall be conducted and the results reported to the department within 60 days after the request.

f. Nothing in this act shall be interpreted to permit the adoption of any code or standard which exceeds the standards established pursuant to the "State Uniform Construction Code Act," P. L. 1975, c. 217 (C. 52:27D-119 et seq.).

C. 30:5B-6 License application; issuance.

6. a. Any person operating a child care center on the effective date of this act or desiring to operate a child care center shall make application in the manner and on the forms prescribed by the commissioner. The license application form shall include, but shall not be limited to, the following information: the name and address of the child care center, its sponsor, the staff, the qualifications of the staff members, each member of the board of directors of the corporation, the child care center operator if different from the
sponsor, a description of the center’s premises, facilities and programs, the number and age of children to be enrolled in the center and the hours of its operation.

b. If a child care center meets the requirements of this act and of the rules and regulations promulgated hereunder, the department shall issue a license to the center. A license shall be valid for a period of three years and may be renewed at the end of that period, subject to continued compliance with the provisions of this act.

C. 30:5B-7 Temporary license.
7. If the department determines that, although in substantial compliance, a child care center does not meet all the applicable provisions of this act and the rules and regulations promulgated hereunder, but that the extent of the center’s deviation from legal requirements is not deemed hazardous to the education, health, safety, general well-being, and physical and intellectual development of the children, the department may issue a temporary license which may be issued for a period up to six months. The department may renew the temporary license as often as it deems necessary, but no child care center may operate with a temporary license for more than a total of 18 months.

C. 30:5B-8 Minimum fee.
8. The commissioner shall establish a minimum fee to be paid by each child care center at the time of application for a license and at every renewal of a license.

C. 30:5B-9 Denial, suspension, revocation, nonrenewal.
9. The department may deny, suspend, revoke or refuse to renew a license for good cause, including, but not limited to:
   a. Failure of a child care center or its sponsor to comply with the provisions of this act;
   b. Violation of the terms and conditions of a license by a child care center or its sponsor;
   c. Use of fraud or misrepresentation by a child care center or its sponsor in obtaining a license or in the subsequent operation of the center;
   d. Refusal by a center or its sponsor to furnish the department with required files, reports or records;

g. Failure to provide a developmental or age-appropriate program that meets the physical, social, emotional and cognitive needs of the children in the center as set forth by regulation.

C. 30:5B-10 Notice, hearing.

10. a. The department, before denying, suspending, revoking or refusing to renew a license, shall give notice to the sponsor personally, or by certified or registered mail to the last known address of the sponsor with return receipt requested. The notice shall afford the sponsor with an opportunity to be heard. The hearing shall take place within 60 days from the issuance or mailing of the notice and shall be conducted in accordance with the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.).

b. If the center's license is suspended or revoked, the parent of a child in the center shall receive notice thereof personally and in writing, by the center's sponsor or operator.

C. 30:5B-11 Injunctive relief.

11. The commissioner is authorized to institute a civil action in a court of competent jurisdiction for injunctive relief to enjoin the operation of a child care center whenever the commissioner determines that:

a. There is an imminent danger or hazard that threatens the health and safety of children in the center;

b. The center or its sponsor has repeatedly violated the provisions of this act; or

c. A child care center has opened or is operating without a license or without complying with the provisions of this act.

The commissioner may, in addition, request such other relief as is deemed necessary. In any such action the court may proceed in a summary manner.

C. 30:5B-12 Judicial review.

12. Any person aggrieved by a final decision of the commissioner is entitled to seek judicial review in the Appellate Division of the Superior Court. All petitions for review shall be filed in accordance with the rules of the court.
C. 30:5B-13 Crime of fourth degree.
13. Any person who operates or assists in the operation of a child care center which does not have a license or temporary license, or who has used fraud or misrepresentation in obtaining a license or in the subsequent operation of a center, or who offers, advertises or provides any service not authorized by a valid license or who violates any other provision of this act shall be guilty of a crime of the fourth degree.

C. 30:5B-14 Advisory council.
14. a. The Director of the Division of Youth and Family Services in the Department of Human Services and the Director of the Division on Women in the Department of Community Affairs shall establish and designate an advisory council which shall consist of at least 15 individuals who have experience, training or other interest in child care issues. To the extent possible, the directors shall designate members of existing councils or task forces heretofore established on child care in New Jersey as the advisory council.

b. The advisory council shall:
(1) Review rules and regulations or proposed revisions to existing rules and regulations governing the licensing of child care centers;
(2) Review proposed statutory amendments governing the licensing of child care centers and make recommendations to the commissioner;
(3) Advise the commissioner on the administration of the licensing responsibilities under this act;
(4) Advise the commissioner on the needs, priorities, programs, and policies relating to child care throughout the State;
(5) Study and recommend alternative resources for child care; and

15. The advisory council shall prepare and submit to the Senate Institutions, Health and Welfare Committee and General Assem-
bly Corrections, Health and Human Services Committee an annual report of its findings and recommendations.

16. There is appropriated from the General State Fund to the department the sum of $100,000.00 to implement the child care center licensing provisions of this act and the sum of $25,000.00 to the advisory council to implement its responsibilities under this act.

C. 52:27D-123 Adoption of a State Uniform Construction Code.
5. Adoption of a State Uniform Construction Code.
   a. The commissioner shall after public hearing pursuant to section 4 of the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-4) adopt a State Uniform Construction Code for the
purpose of regulating the structural design, construction, maintenance and use of buildings or structures to be erected and alteration, renovation, rehabilitation, repair, maintenance, removal or demolition of buildings or structures already erected. Prior to the adoption of said code, the commissioner shall consult with the code advisory board and other departments, divisions, bureaus, boards, councils or other agencies of State Government heretofore authorized to establish or administer construction regulations.

Such prior consultations with departments, divisions, bureaus, boards, councils, or other agencies of State Government shall include but not be limited to consultation with the Commissioner of Health and the Public Health Council prior to adoption of a plumbing subcode pursuant to subsection b. of this section. Said code shall include any code, rule or regulation incorporated therein by reference.

b. The code shall be divided into subcodes which may be adopted individually by the commissioner as he may from time to time consider appropriate. Said subcodes shall include but not be limited to a building code, a plumbing code, an electrical code, an energy code, a fire prevention code, a manufactured or mobile home code and mechanical code.

These subcodes shall be adoptions of the model codes of the Building Officials and Code Administrators International, Inc., the National Electrical Code, and the National Standard Plumbing Code, provided that for good reasons, the commissioner may adopt as a subcode a model code or standard of some other nationally recognized organization upon a finding that such model code or standard promotes the purposes of this act. The initial adoption of a model code or standard as a subcode shall constitute adoption of any subsequent revisions or amendments thereto.

The commissioner shall be authorized to adopt a barrier free subcode or to supplement or revise any model code adopted hereunder, for the purpose of insuring that adequate and sufficient features are available in buildings or structures so as to make them accessible to and usable by the physically handicapped.

c. Any municipality through its construction official, and any State agency or political subdivision of the State may submit an application recommending to the commissioner that a State sponsored code change proposal be adopted. Such application shall contain such technical justification and shall be submitted in
accordance with such rules of procedure as the commissioner may deem appropriate, except that whenever the State Board of Education shall determine that enhancements to the code are essential to the maintenance of a thorough and efficient system of education, the enhancements shall be made part of the code; provided that the amendments do not result in standards that fall below the adopted subcodes. The Commissioner of the Department of Education shall consult with the Commissioner of the Department of Community Affairs prior to publishing the intent of the State Board to adopt any amendments to the Uniform Construction Code. Upon adoption of any amendments by the State Board of Education they shall be transmitted forthwith to the Commissioner of the Department of Community Affairs who shall publish and incorporate the amendments as part of the Uniform Construction Code and the amendments shall be enforceable as if they had been adopted by the commissioner.

At least 45 days prior to the final date for the submission of amendments or code change proposals to the National Model Code Adoption Agency, the code of which has been adopted as a subcode under this act, the commissioner shall hold a public hearing in accordance with the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), at which testimony on any application recommending a State sponsored code change proposal will be heard.

The commissioner shall maintain a file of such applications, which shall be made available to the public upon request and upon payment of a fee to cover the cost of copying and mailing.

After public hearing, the code advisory board shall review any such applications and testimony and shall within 20 days of such hearing present its own recommendations to the commissioner.

The commissioner may adopt, reject or return such recommendations to the code advisory board for further deliberation. If adopted, any such proposal shall be presented to the subsequent meeting of the National Model Code Agency by the commissioner or by persons designated by the commissioner as a State sponsored code change proposal. Nothing herein, however, shall limit the right of any municipality, the department, or any other person from presenting amendments to the National Model Code Agency on its own initiative.

The commissioner may adopt further rules and regulations pursuant to this subsection and may modify the procedures herein...
described when a model code change hearing has been scheduled so as not to permit adequate time to meet such procedures.

d. (Deleted by amendment, P. L. 1983, c. 496).

The Division of Building and Construction shall be authorized to review plans and undertake construction if the Department of Community Affairs cannot approve plans within the 20 day period provided for in P. L. 1975, c. 217. this paragraph shall be interpreted as preventing the imposition
of requirements in the code, for additional permits for particular
kinds of work, including but not limited to plumbing, electrical,
elevator, fire prevention equipment or boiler installation or repair
work, or in other defined situations.

No permit shall be issued for a public school facility which re­

plans have been first approved by the Department of Education.
Approval by the Department of Education shall only be required
when a review for educational adequacy is necessary. Require­

by the Department of Community Affairs. The Department of
Education when approving plans shall be responsible for insuring

d. Prohibit advance notice of inspections;

e. Contain satisfactory assurances that the Department of Labor has the legal authority and qualified personnel necessary for the enforcement of the standards;

f. Give satisfactory assurances that the State will devote adequate funds to the administration and enforcement of the standards;
CHAPTER 516, LAWS OF 1983

2046

C. 34:6A-30 Adoption of standards.

6. No sooner than 180 days after the effective date of this act, the commissioner shall provide, at the minimum, for the adoption of all applicable occupational health and safety standards, amendments or changes adopted or recognized by the secretary under the authority of the “Occupational Safety and Health Act of 1970.” Where no federal standards are applicable or where standards more stringent than the federal standards are deemed advisable, the commissioner shall, in consultation with the Commissioner of Health and the Commissioner of Community Affairs and, with the advice and consent of the advisory board, provide for the development of State standards as may be necessary in special circumstances. The commissioner shall meet with the advisory board at least four times a year for these purposes.

7. The commissioner, in consultation with the Commissioner of Health and the Commissioner of Community Affairs and with the advice and consent of the advisory board, shall by regulation:

a. Provide for a method of encouraging employers and employees in their efforts to reduce the number of safety and health hazards arising from undesirable, inappropriate, or unnecessarily hazardous or unhealthful working conditions at the workplace and of stimulating employers and employees to institute new, and to perfect existing, programs for providing safe and healthful working conditions;

b. Provide for the publication and dissemination to employers, employees, and labor organizations, and the posting, where appropriate, by employers of informational, educational and training materials calculated to aid and assist in achieving the objectives of this act;

c. Provide for the establishment of new, and for the perfection and expansion of existing, programs for occupational safety and
CHAPTER 516, LAWS OF 1983

health education for employers and employees and institute methods and procedures for the establishment of a program for voluntary compliance by employers and employees with the standards established pursuant to this act.

C. 34:6A-32 Promulgation of regulations.

8. The commissioner shall, in consultation with the Commissioner of Health and the Commissioner of Community Affairs and with the advice and consent of the advisory board, promulgate all regulations which he deems necessary for the proper administration and enforcement of this act. With respect to any regulations governing standards for either design or construction for structures or for equipment in laboratories of higher education institutions constituting, comprising or part of a workplace, the regulations may distinguish between structures completed or equipment in laboratories of higher education institutions purchased prior to the issuance of the regulations and those to be completed or purchased thereafter. Insofar as design and structural features of workplaces or equipment may, in the commissioner's judgment, be determined to comply with the requirements for a permanent variance as set forth in subsection c. of section 15 of this act without the need for further inquiry into the particular practices, means, methods, operations or processes used or to be used in any such workplace, the regulations may provide for the approval of those features, although they do not meet standards promulgated for new construction, without the necessity for a variance procedure. This exemption from obtaining a variance shall not apply to those areas specified in subsection a. of section 13 of this act which are under the jurisdiction of the Commissioner of Health nor to any work for which a construction permit is required pursuant to the “State Uniform Construction Code Act,” P. L. 1975, c. 217 (C. 52:27D-119 et seq.) and the regulations adopted thereunder, nor to any equipment, device or procedure required pursuant to the “Uniform Fire Safety Act,” P. L. 1983, c. 383 (C. 52:27D-192 et al.), and the regulations adopted thereunder.

Absent a clear and present danger to the employees' health or safety, nothing in this act shall be construed to require landlords of space leased by a public employer to physically upgrade said premises beyond the level of health or safety rules and regulations in effect at the time the lease was executed. Deficiencies resulting either from occupant use or deferred maintenance by the lessor shall be subject to correction in accordance with the governing
rules and regulations at the time the lease went into effect. However, a lease may not be entered into after the promulgation of safety rules and regulations pursuant to this act unless the leased property is in conformance with such rules and regulations.

C. 34:6A-33 Responsibilities of employers.
9. Every employer shall:
   a. Provide each of his employees with employment and a place of employment which are free from recognized hazards which may cause serious injury or death to his employees;
   b. Comply with occupational safety and health standards promulgated under this act; and
   c. In the absence of existing standards take all prudent measures to comply with written recommendations made by the commissioner, the Commissioner of Community Affairs or the Commissioner of Health to reduce the risk of exposure to unsafe or unhealthful conditions which have been shown to be detrimental to employee health or safety. A written rationale including the scientific basis for each recommendation shall be presented to the affected employer.

C. 34:6A-34 Public employee compliance.
10. Every public employee shall comply with occupational safety and health standards and all regulations promulgated under this act which are applicable to his own actions and conduct.

C. 34:6A-35 Inspections.
11. a. The commissioner shall be charged with making inspections in all regulated areas, except as may be provided pursuant to subsection a. of section 13 of this act.
   b. The commissioner shall have the right of entry at reasonable hours into any workplace when he has reason to believe that a violation of safety standards exists and to conduct such investigations as he may deem necessary. The commissioner shall maintain records of the results of any such investigation, which shall be made available to the public upon request. The authority of the commissioner to inspect any premises for purposes of investigating an alleged violation of safety standards shall not be limited to the alleged violation but shall extend to any other area of the premises in which he has reason to believe that a violation of the safety standards promulgated under this act exists.
   c. If the commissioner concludes that conditions or practices in violation of the prescribed safety standards exist in any workplace,
he shall inform the affected employees and employers of the danger.

12. a. Any employee, group of employees or employee representative who believes that a violation of a safety standard exists, or that an imminent danger exists, may request an inspection by giving notice to the commissioner of the violation or danger. The notice and request shall be in writing, shall set forth the grounds for the notice and shall be signed by the employee, a group of employees or an employee representative. The commissioner shall give affected public employers notice that a complaint has been filed, within five working days from receipt of the complaint, except that on the request of the person giving the notice, his name or the name of any employee representative giving the notice shall be withheld. The commissioner shall conduct an appropriate inspection at the earliest time possible.

The commissioner shall so interpret and administer this section so as to encourage any employee, group of employees or employee representative who believes that a violation of a safety standard exists, or that an imminent danger exists, to report that violation or danger in the first instance to the employer’s safety officer.

b. A representative of the employer, the employee or employees giving the notice and an employee representative shall be given the opportunity to accompany the commissioner during an inspection for the purpose of aiding in such inspection. Where there is no authorized employee representative, the commissioner shall consult with a reasonable number of employees concerning matters of safety in the workplace.

c. Any employee who accompanies the commissioner on an inspection shall receive payment of normal wages for the time spent during the inspection.

d. The information obtained by the commissioner under this section shall be obtained with a minimum burden upon the employer.

C. 34:6A-37 Areas subject to inspection.

13. a. The Commissioner of the Department of Health shall be charged with making inspections in the following areas:

(1) Occupational health and environmental control;
(2) Medical and first aid;
(3) Toxic and hazardous substances; and
(4) Respiratory protective equipment.
b. The Commissioner of Health or his designee shall have the right of entry at reasonable hours into any workplace when he has reason to believe that a violation of health standards exists and to conduct such investigations as he may deem necessary. The Commissioner of Health shall maintain records of the results of any such investigation, which shall be made available to the public upon request. The Commissioner of Health shall make the records available to the commissioner for purposes of enforcement and for the purpose of reporting to the secretary. The authority of the Commissioner of Health to inspect any premises for purpose of investigating an alleged violation of health standards shall not be limited to the alleged violation but shall extend to any other area of the premises in which he has reason to believe that a violation of the health standards promulgated under this act exists.

c. If the Commissioner of Health concludes that conditions or practices in violation of the prescribed health standards exist in any workplace, he shall inform the affected employees and employers of the danger.

C. 34:6A-38 Notice by employees.

14. a. Any employee, group of employees or employee representative who believes that a violation of a health standard, or of a building, fire safety or structural standard exists, or that an imminent danger exists, may request an inspection by giving notice to the Commissioner of Health or to the Commissioner of Community Affairs, as the case may be, of the violation or danger. The notice and request shall be in writing, shall set forth the grounds for the notice and shall be signed by the employee, a group of employees or employee representative. The Commissioner of Health or the Commissioner of Community Affairs, as the case may be, shall give affected public employers notice that a complaint has been filed, within five working days from receipt of the complaint, except that on the request of the person giving the notice, his name or any employee representative giving the notice shall be withheld. The Commissioner of Health or the Commissioner of Community Affairs, as the case may be, shall conduct an appropriate inspection at the earliest time possible.

The commissioner shall so interpret and administer this section so as to encourage any employee, group of employees or employee representative who believes that a violation of a safety standard exists, or that an imminent danger exists, to report that violation or danger in the first instance to the employer's safety officer.
b. A representative of the employer, an employee giving the notice and an employee representative shall be given the opportunity to accompany the Commissioner of Health or the Commissioner of Community Affairs during an inspection for the purpose of aiding in such inspection. Where there is no authorized employee representative, the Commissioner of Health shall consult with a reasonable number of employees concerning matters of health in the workplace and the Commissioner of Community Affairs shall consult with a reasonable number of employees concerning matters of building, structural and fire safety in the workplace.

c. Any employee who accompanies the Commissioner of Health or the Commissioner of Community Affairs on an inspection shall receive payment of normal wages for the time spent during the inspection.

d. The information obtained by the Commissioner of Health or the Commissioner of Community Affairs under this section shall be obtained with a minimum burden upon the employer.

15. a. Any employer may apply to the commissioner for a temporary order granting a variance from a standard or any provision thereof promulgated under this act. A temporary order shall be granted only if the employer files an application with the commissioner which meets the requirements of this section and establishes in a hearing conducted pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.) and P. L. 1978, c. 67 (C. 52:14F-1 et seq.) that:

(1) he is unable to comply with the standard by its effective date because of the unavailability of professional or technical personnel or of materials and equipment needed to comply with the standard or because necessary construction or alteration of facilities cannot be completed by the effective date;

(2) he is taking all available steps to safeguard employees against the hazards covered by the standards; and

(3) he has an effective program for complying with the standard as quickly as practicable.

Any temporary order issued under this section shall prescribe the practices, means, methods, operations and processes which the employer shall adopt and use while the order is in effect and the order shall state in detail what the employer's program shall be for complying with the standard.
A temporary order may be granted only if notice to the employees is given; provided, however, that the commissioner may issue an interim order to be effective until a decision is made on the basis of the hearing. An employee representative or, where one does not exist, the affected employees, may appear at the hearing, with or without counsel, and submit testimony concerning the employer's application for the variance. No temporary order may be in effect for longer than the period needed by the employer to achieve compliance with the standard or one year, whichever is shorter, except that such an order may be renewed no more than twice so long as the requirements of this section are met and if an application for renewal is filed at least 90 days prior to the expiration date of the order. No interim renewal of an order may remain in effect longer than 180 days.

b. An application for temporary variance shall contain:

(1) a specification of the standard or portion thereof from which the employer seeks a variance;

(2) a representation by the employer, supported by representations from qualified persons who have firsthand knowledge of the facts represented, that he is unable to comply with the standard or portion thereof and a detailed statement of the reasons therefor;

(3) a statement of the steps he has taken and will take, with specific dates, to protect employees against the hazard covered by the standard;

(4) a statement of when he expects to be able to comply with the standard and what steps he has taken and what steps he will take, with dates specified, to comply with the standard;

(5) a certification that he has informed his employees of the application by giving a copy thereof to their employee representative where one exists, and posting a statement at the place where notices to employees are normally posted, giving a summary of the application and specifying where a copy may be examined. A description of the notification procedure used by the employer shall be contained in the certification. The information to the employees shall also inform them of their right to appear and be heard, as set forth in subsection a. of this section, at the hearing on the variance application; and

(6) a statement, if appropriate, that such a variance is necessary to permit an employer to participate in an experiment approved by him designed to demonstrate or validate new and improved techniques to safeguard the health or safety of workers.
e. Any affected employer may apply to the commissioner for a rule or order for a permanent variance from a standard promulgated under this act. An employee representative or, where one does not exist, the affected employees, shall be given notice of each such application and shall be afforded an opportunity to participate in a hearing pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.) and P. L. 1978, c. 67 (C. 52:14F-1 et seq.) on the merits of the application, with or without counsel, and to submit testimony. The commissioner shall issue such rule or order if he determines on the record, after an opportunity for an inspection, where appropriate, that the proponent of the variance has demonstrated, by a preponderance of the evidence, that the conditions, practices, means, methods, operations or processes used or proposed to be used by an employer will provide workplaces which are as safe and healthful as possible under the circumstances justifying the variance. The rule or order so issued shall prescribe the conditions the employer shall maintain and the practices, means, methods, operations and processes which he shall adopt and utilize to the extent they differ from any standard adopted pursuant to this act. Such a rule or order may be modified or revoked upon application by an employer, any employee, group of employees or employee representative, or by the commissioner on his own motion, in the manner prescribed for its issuance under this section at any time after six months from its issuance.

d. In determining whether to grant a variance from a health standard, the commissioner shall consult with the Commissioner of Health. In determining whether to grant a variance from a building, fire safety or structural safety standard, the commissioner shall consult with the Commissioner of Community Affairs.

C. 34:6A-40 Employer records.

16. In accordance with the commissioner’s regulations, each employer shall make available for up to five years the following records to the commissioner and the Commissioner of Health:

a. Records regarding the employer’s activities relating to this act as the commissioner deems necessary or appropriate for developing information regarding the causes and prevention of occupational accidents and illnesses.

b. Such records, which shall be available for public inspection, regarding periodic reports of work-related deaths, and injuries and illnesses which involve lost time from work, medical treatment, loss
of consciousness, restriction of work or of motion, or which necessi­
tate transfer to another job or function.

c. Such records regarding employee exposure to potentially toxic
materials or other harmful physical agents which the regulations
require to be monitored or measured. Each employee or former
employee shall be informed of all records which will indicate his
own exposure to toxic materials or harmful physical agents and
the properties, characteristics and effects thereof. Each employer
shall promptly notify any employee who has been or is being ex­
posed to toxic materials or harmful physical agents in concentra­
tions or at levels which exceed those prescribed by any safety and
health standard promulgated under this act, and shall inform any
employee who is being exposed of the corrective action being taken
and the time limit for compliance pursuant to subsection a. of
section 17 of this act.

C. 34:6A-41 Compliance orders.

17. a. If the commissioner determines that an employer has vio­
lated a provision of this act, or a safety or health standard or
regulation promulgated under this act, he shall with reasonable
promptness issue to the employer a written order to comply which
shall describe the nature of the violation, including a reference to
the provision of the section, standard, regulation or order alleged
to have been violated, the sanction therefor, where appropriate,
and shall fix a reasonable time for compliance. Determinations
regarding health standards, and written orders issued pursuant
thereto, shall be made in consultation with the Commissioner of
Health.

b. Where the commissioner issues to an employer an order to
comply, the employer shall post such order or a copy thereof at or
near each location of the violation cited in the order so that it is
clearly visible to affected employees. The commissioner shall make
such order available to employee representatives and affected em­
ployees.

c. If the time for compliance with an order of the commissioner
issued pursuant to this section elapses, and the employer has not
made a good faith effort to comply, within its powers and financial
resources, the employer shall be liable to a penalty of not more
than $1,000.00 per day to be collected in a civil action commenced
by the commissioner by a summary proceeding under “the penalty
enforcement law” (N. J. S. 2A:58-1 et seq.) in the Superior Court,
county district court, or a municipal court, all of which shall have
jurisdiction to enforce “the penalty enforcement law” in connection
with this act. If the violation is of a continuing nature, each day during which it continues after the date given for compliance in accordance with the order of the department shall constitute an additional, separate and distinct offense.

d. The commissioner is authorized to compromise and settle any claim for a penalty under this section in such amount as, in the discretion of the commissioner, may appear appropriate and equitable under all of the circumstances, including a rebate of any such penalty paid up to 90% thereof where such person satisfies the commissioner within one year or such other period as the commissioner may deem reasonable that such violation had been eliminated or removed or that such order or injunction has been met or satisfied, as the case may be. In any claim involving investigations conducted by the Department of Health, the commissioner shall make the determination as to the compromise or settlement of the claim in consultation with the Commissioner of Health.

18. a. There is established an Occupational Safety and Health Review Commission within the Department of Labor to hear appeals from citations, notifications and penalties issued under this act. The commission shall consist of three members appointed by the Governor from among persons who by reason of training, education or experience are qualified to carry out the functions of the commission. The Governor shall designate one of the members of the commission to serve as chairman.

b. Members of the review commission shall serve terms of four years and until their successors are appointed. The salaries, compensation and wages of the members of the commission shall be established by the commissioner. The Department of Labor shall provide the review commission with the support staff necessary for the review commission to perform its duties. The members and the support staff shall be reimbursed for necessary expenses incurred in the performance of their duties.

c. The review commission shall meet as often as is necessary to hear and rule on appeals from citations, notifications and penalties issued under this act. The review commission shall adopt rules with respect to the procedural aspects of its hearings.

d. The review commission shall hear and make a determination upon any proceeding instituted before it, and shall make a report of the determination which shall constitute its final disposition of the proceeding. The report shall become the final order of the commission within 30 days of the issuance of the report.
e. In the conduct of hearings the review commission may subpoena and examine witnesses, require the production of evidence, administer oaths and take testimony and depositions.

f. After hearing an appeal the review commission may sustain, modify or dismiss a citation or penalty.

C. 34:6A-43 Appeal to Appellate Division.

19. Any appeal from a decision of the review commission shall be to the Appellate Division of the Superior Court.

C. 34:6A-44 Imminent danger.

20. The Attorney General, at the request of and on behalf of the commissioner, may bring an action in the Superior Court to restrain any conditions or practices in any workplace which the commissioner determines, in accordance with section 17 of this act, are such that a danger exists which could reasonably be expected to cause death or serious physical harm. Any order issued under this act may require such steps to be taken as may be necessary to avoid, correct or remove such imminent danger and prohibit the employment or presence of any individual in locations or under conditions where such imminent danger exists.

C. 34:6A-45 Retaliatory discrimination prohibited.

21. a. No person shall discharge, or otherwise discipline, or in any manner discriminate against any employee because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or related to this section or has testified or is about to testify in any such proceeding, or because of the exercise by such employee on behalf of himself or others of any right afforded by this section.

b. Any employee who believes that he has been discharged, disciplined or otherwise discriminated against by any person in violation of this section may, within 180 days after the employee first has knowledge such violation did occur, bring an action in the Superior Court against the person alleged to have violated the provisions of this section. In any such action, the Superior Court shall have jurisdiction, for cause shown, to restrain violations of this section and order all appropriate relief, including rehiring or reinstatement of the employee to his former position with back pay.

c. Nothing in this section shall be deemed to diminish the rights of any employee under any law, rule or regulation or under any collective negotiation agreement.

d. Any waiver by an employee or applicant for employment of the benefits or requirements of this act shall be against public policy.
CHAPTER 516, LAWS OF 1983  2057

and be void and any employer’s request or requirement that an employee waive any rights under this act as a condition of employment or continued employment shall constitute an act of discrimination.

C. 34:6A-46  “Cap” exemption.
   22. The provisions of any law to the contrary notwithstanding, any expenditures required to meet the standards established by this act shall be exempt from any expenditure or appropriation increase limitation imposed under any law.

   23. The Commissioner of Labor, the Commissioner of Community Affairs and the Commissioner of Health shall serve in an advisory capacity to the New Jersey Commission on Capital Budgeting and Planning on matters of workplace safety and health, to ensure that new construction meets the standards established by this act.

C. 34:6A-48  No right to strike.
   24. Nothing in this act shall be deemed to give public employees the right to strike over occupational safety and health issues.

C. 34:6A-49  Uniform codes not superseded.
   25. Nothing in this act shall be deemed to conflict with or supersede any provision of the “State Uniform Construction Code Act,” P. L. 1975, c. 217 (C. 52:27D-119 et seq.) or the code promulgated thereunder or to affect or limit the powers, duties, authority and responsibilities of the Commissioner of Community Affairs or any enforcing agency thereunder. Nothing in this act shall be deemed to conflict with or supersede any provision of the “Uniform Fire Safety Act,” P. L. 1983, c. 383 (C. 52:27D-192 et al.), or the code promulgated thereunder, nor affect or limit the powers, duties, authority and responsibilities of the Commissioner of Community Affairs or any enforcing agency thereunder.

   26. There is appropriated the sum of $100,000.00 from the General Fund to effectuate the purposes of this act. The sum appropriated herein shall be allocated by the Director of the Division of Budget and Accounting to the Departments of Labor and Health upon his approval of an application therefor.

   27. This act shall take effect immediately, except that the standards adopted pursuant to section 6 of this act shall not become operative with regard to any employer as defined in subsection (1) of paragraph c. of section 3 of this act until the first day immediately following the first year after the standards otherwise take
effect, and further, that the standards adopted pursuant to section 6 of this act shall not become operative with regard to any employer as defined in subsection (2) of paragraph c. of section 3 of this act until the first day immediately following the second year after the standards otherwise take effect.

Approved January 17, 1984.

CHAPTER 517

An Act concerning autobus fare increases and supplementing chapter 2 of Title 48 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 48:4-2.20 Establishment of bus fares.
1. Notwithstanding the provisions of chapter 2 of Title 48 of the Revised Statutes or any other law to the contrary, all autobuses regulated by and subject to the provisions of Title 48 of the Revised Statutes may establish their rates, fares and charges in accordance with this act.

As used in this act “autobus” means any motor vehicle or motorbus operated over public highways or public places in this State for the transportation of passengers for hire in intrastate business which is regulated by and subject to the provisions of Title 48 of the Revised Statutes.

C. 48:4-2.21 “Zone of rate freedom.”
2. The Commissioner of Transportation shall establish annually a “zone of rate freedom” which will provide for a maximum permitted percentage adjustment to any rate, fare or charge for regular route autobus service. The commissioner shall promulgate this percentage within 60 days after the effective date of this act for the time remaining in the 1984 calendar year, and shall thereafter promulgate a percentage for each calendar year 60 days prior to the commencement of the calendar year. The commissioner shall consider all relevant factors, including but not limited to the availability of alternative modes of transportation, increases or decreases of the costs of bus operation, the interests of the consumers or users of bus service, and the rates, fares and charges prevailing in the bus industry, as well as in other related transportation
services, such as rail services, in establishing the “zone of rate freedom” for each period. Prior to the promulgation of the percentage the commissioner shall hold a public hearing pursuant to subsections (a) and (g) of section 4 of the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-4).

C. 48:4-2.22 Rate filing.

3. Any rate, fare or charge for regular route autobus service filed by an owner or operator of an autobus with the Department of Transportation pursuant to this act shall be conclusively presumed to be just and reasonable and no action shall be required by the department for any rate, fare or charge to become effective if:

   a. the autobus owner or operator notifies the department that it is filing the rate, fare or charge pursuant to this act; and
   b. the increase or decrease in the rate, fare or charge, or an aggregate of increases and decreases in any single rate, fare or charge, is not more than the maximum percentage increase or decrease promulgated by the commissioner for the “zone of rate freedom” pursuant to this act for the year in question.

C. 48:4-2.23 Notification of adjustments.

4. An owner or operator of an autobus which adjusts rates, fares or charges for regular route autobus service under this act shall be required to notify the Department of Transportation at least 30 days prior to the effective date of the adjusted rate, fare or charge by filing with the department a complete schedule of all rates, fares or charges to be adjusted. In addition, public notice shall be posted in all autobuses providing service on the route affected by the adjusted rates, fares or charges and in all bus terminals served by those autobuses on the route at least 10 days prior to the effective date of the adjusted rates, fares or charges.

C. 48:4-2.24 Other laws applicable.

5. An owner or an operator of an autobus filing any rate, fare or charge for regular route autobus service pursuant to this act shall not be precluded from also establishing any rates, fares or charges in accordance with the provisions of R. S. 48:2-21 and R. S. 48:2-21.1 or any other provisions of law.

C. 48:4-2.25 Charter special bus operations.

6. The provisions of this act shall apply to the rates, fares and charges of autobuses for charter bus operations and special bus
operations in the same manner as they apply to the rates, fares and charges of autobuses for regular route service except that:

a. The commissioner may establish a different "zone of rate freedom" for charter and special bus operations relying on the special features of this sector of the bus industry;

b. Public notice regarding the rates, fares, and charges for charter and special bus operations pursuant to section 4 of this act shall only be required to be posted in all bus terminals served by the autobus offering charter or special services at least 10 days prior to the effective date of the adjusted rates, fares, or charges;

c. Upon petition or upon his own motion, the commissioner may exempt charter or special rates, fares and charges of any owner or operator of an autobus offering charter or special bus operations, or rates, fares and charges of any portion of these operations, from regulation under Title 48 of the Revised Statutes if, in his opinion, there are circumstances prevalent with respect to those operations, or any portion thereof, which will be consistent with the interests of the consumers or users of charter or special bus services;

d. Upon petition or upon his own motion, the commissioner may exempt charter and special rates, fares and charges of all owners or operators of autobuses offering charter or special bus operations from regulation under Title 48 of the Revised Statutes if, in his opinion, there are circumstances prevalent with respect to the charter and special bus sector of the bus industry which will be consistent with the interests of the consumers or users of charter and special bus services; and

e. The commissioner may reimpose regulation under Title 48 of the Revised Statutes of charter and special rates, fares and charges of owners or operators of autobuses offering charter or special bus operations if, in his opinion, there are circumstances prevalent with respect to the charter and special bus industry which are or will be inconsistent with the interests of the consumers or users of charter and special bus services.

7. This act shall take effect immediately.

Approved January 17, 1984.

CHAPTER 519

AN ACT concerning equitable distribution of certain matrimonial property upon entry of judgments of divorce under certain circumstances, and amending N. J. S. 2A:34-23.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 2A:34-23 is amended to read as follows:

Alimony, maintenance; equitable distribution.

2A:34-23. Pending any matrimonial action brought in this State or elsewhere, or after judgment of divorce or maintenance, whether obtained in this State or elsewhere, the court may make such order as to the alimony or maintenance of the parties, and also as to the care, custody, education and maintenance of the children, or any of them, as the circumstances of the parties and the nature of the case shall render fit, reasonable and just, and require reasonable security for the due observance of such orders. Upon neglect or refusal to give such reasonable security, as shall be required, or upon default in complying with any such order, the court may award and issue process for the immediate sequestration of the personal estate, and the rents and profits of the real estate of the party so charged, and appoint a receiver thereof, and cause such personal estate and the rents and profits of such real estate, or so much thereof as shall be necessary, to be applied toward such
alimony and maintenance as to the said court shall from time to time seem reasonable and just; or the performance of the said orders may be enforced by other ways according to the practice of the court. Orders so made may be revised and altered by the court from time to time as circumstances may require.

In all actions brought for divorce, divorce from bed and board, or nullity the court may award alimony to either party, and in so doing shall consider the actual need and ability to pay of the parties and the duration of the marriage. In all actions for divorce other than those where judgment is granted solely on the ground of separation the court may consider also the proofs made in establishing such ground in determining an amount of alimony or maintenance that is fit, reasonable and just. In all actions for divorce or divorce from bed and board where judgment is granted on the ground of institutionalization for mental illness the court may consider the possible burden upon the taxpayers of the State as well as the ability of the plaintiff to pay in determining an amount of maintenance to be awarded.

In all actions where a judgment of divorce or divorce from bed and board is entered the court may make such award or awards to the parties, in addition to alimony and maintenance, to effectuate an equitable distribution of the property, both real and personal, which was legally and beneficially acquired by them or either of them during the marriage. However, all such property, real, personal or otherwise, legally or beneficially acquired during the marriage by either party by way of gift, devise, or intestate succession shall not be subject to equitable distribution, except that interspousal gifts shall be subject to equitable distribution.

2. This act shall take effect immediately.

Approved January 17, 1984.

The chief financial officer of the county or municipality shall receive an audit performed by a certified public accountant or a registered municipal accountant in any year in which any contribution is made of each association’s financial records for the previous fiscal year and shall file a copy thereof with the clerk of the county or municipality.

An Act concerning trespass on agricultural or horticultural lands, amending R. S. 4:17-2, and repealing R. S. 4:17-1.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 4:17-2 is amended to read as follows:

Trespass on agricultural lands.

J. S. 2A:58-1 et seq.). The Superior Court and county district court shall have jurisdiction to enforce “the penalty enforcement law.” If the violation is of a continuing nature, each day during which it continues constitutes an additional, separate and distinct offense. cranberry bogs and appurtenant dams, dikes, canals, ditches and
pump houses, including impoundments, man-made reservoirs and
the adjacent shorelines thereto, orchards, nurseries and lands with a
maintained fence for the purpose of restraining domestic livestock.

agricultural use, as defined in section 3 of P. L. 1983, c. 32 (C.
4:1C-13), where public notice prohibiting trespass is given by actual
communication to the actor, conspicuous posting, or fencing or
other enclosure manifestly designed to exclude intruders. Nothing
in this act shall relieve owners of agricultural or horticultural lands
from the obligation to provide conspicuous posting prohibiting
trespass on the waters or banks along or around any waters listed
for stocking with fish in the current fish code adopted pursuant to
section 32 of P. L. 1948, c. 448 (C. 13:1B-30) before a trespass
violation may be found.

CHAPTER 523

AN ACT appropriating moneys from the "Natural Resources Fund" for the purpose of planning, design, reconstruction, restoration and rehabilitation of certain dams.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. There is appropriated to the Department of Environmental Protection from the "Natural Resources Fund," created pursuant to the "Natural Resources Bond Act of 1980," P. L. 1980, c. 70, the sum of $10,300,000.00 for dam restoration for State projects and for matching grants to local governments for the following projects: Farrington Lake Dam (New Brunswick), West Branch Reservoir Dam (Somerset county), East Branch Reservoir Dam (Somerset county), Clyde Potts Dam (Southeast Morris County MUA), Manalapan Lake Dam (Middlesex county), Clinton Reservoir Dam (city of Newark), Lake Lenape Dam (Hamilton township, Atlantic county), Boonton Dam on Rockaway River (Jersey City), Parsippany Dike on Rockaway River (Jersey City), Split Rock Pond Dam on Beaver Brook (Jersey City), Mirror Lake Dam (Pemberton township), Devoe Lake Dam (Spotswood borough), Mountain Lakes Dam (Mountain Lakes borough), and for administrative costs.

2. The sum appropriated above for each individual project will be for 50% grants to the local governments up to a maximum of $1,000,000.00. Any unexpended sum from these grants shall revert to the "Natural Resources Fund" for subsequent appropriation by the Legislature. The Commissioner of the Department of Environmental Protection shall inform the Subcommittee on Transfers of the Joint Appropriations Committee, in writing, as to the plan of expenditure of the funds appropriated by this act and any subsequent changes thereto.

3. The expenditures of sums appropriated by this act are subject to the provisions and conditions of P. L. 1980, c. 70.

4. This act shall take effect immediately.

Approved January 17, 1984.
CHAPTER 524

AN ACT concerning the deinstitutionalization of the developmentally disabled and supplementing P. L. 1977, c. 82 (C. 30:6D-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:6D-13 Findings, declarations.

1. The Legislature finds that in keeping with current State and national goals, increasing numbers of developmentally disabled persons are being placed into community residences as an alternative to institutional confinement. Such deinstitutionalization is highly desirable since it can lead to a fuller, richer, and more independent life for developmentally disabled persons. However, because of their disabilities, they may be vulnerable to abuse, neglect, and exploitation in the community unless appropriate safeguards are established and necessary services are delivered to them in a wholesome environment. Therefore, the well-being of developmentally disabled persons living under State sponsorship in the community requires clarification of their rights and the rights of family members and other persons interested in their welfare, and a delineation of the responsibilities of the Department of Human Services.

C. 30:6D-14 Definitions.

2. As used in this act:

b. “Community residential facility” means any residential arrangement, public or private, other than an institution, in which one or more developmentally disabled persons reside under the sponsorship of the department. A family home in which all of the developmentally disabled persons residing within are related to the head of the household by blood, marriage or adoption is not a community residential facility.

c. “Transfer” means moving a developmentally disabled person from an institution to a community residential facility, from one community residential facility to another, or from a community residential facility to an institution. The placement of a person who has never before received services from the department directly into a community residential facility is a transfer.
3. This act shall apply to every developmentally disabled person who is receiving services from the department, is not related by reason of blood, marriage or adoption to the operator of the community residential facility, and who has been placed in a community residential facility since October 1, 1976 or who will be placed in a community residential facility after the effective date of this act.

C. 30:6D-16 Individual plans.
4. a. Except in emergency situations, the department shall ensure that an individual habilitation plan is prepared for each developmentally disabled person subject to transfer at least 30 days prior to the time the actual transfer takes place. In addition to conforming to the requirements of sections 11 and 12 of P. L. 1977, c. 82 (C. 30:6D-11 and 30:6D-12), the plan shall state with particularity what habilitation goals shall be achieved for a transfer to be successful and what services, supervision, and living arrangements are needed to secure compliance with this act once the transfer is made. No transfer shall occur until all enumerated elements of the plan can be made available. A copy of the prepared plan shall be immediately given to every person participating in its development and review.
   b. Before a transfer occurs, persons participating in the development and review of the plan shall be given the opportunity to inspect the site of the proposed transfer and the site where the proposed services will be rendered. The appointment of a State employee as guardian of the developmentally disabled person shall not relieve the department of its responsibility to give parents and other interested persons an opportunity to participate in the development and review of the plan and to inspect proposed sites. A representative of the operator of the community residential facility shall also be given an opportunity to participate in the development and review of the plan.
   c. The department shall ensure that the individual habilitation plan is reviewed not earlier than four weeks and not later than six weeks after the transfer occurs.

C. 30:6D-17 Required services.
5. The department shall ensure that every developmentally disabled person in a community residential facility receives adequate medical and dental care, a nutritionally adequate diet, a full daily program of structured activities, and those other services which are necessary to maximize the developmental potential of the develop-
mentally disabled person in a manner least restrictive of personal liberty. Every developmentally disabled person shall have adequate protection from abuse and a wholesome environment in which to live.

All rights and procedures for the enforcement of rights recognized in sections 4, 5 and 7 of the "Developmentally Disabled Rights Act," P. L. 1977, c. 82 (C. 30:6D-4, 30:6D-5 and 30:6D-7) shall apply to persons covered by this act.

C. 30:6D-18 Location criteria.
6. To the maximum extent possible, the department shall not transfer any developmentally disabled person to a geographic location that cannot be readily visited by those persons interested in the well-being of the developmentally disabled person or to a location that does not afford reasonable employment opportunities in the case of a developmentally disabled person with employment potential.

C. 30:6D-19 Trained staff.
7. The department shall not allow a developmentally disabled person to be transferred or to reside in a community residential facility unless the staff of the facility is adequately trained to meet the needs of the developmentally disabled, to use and operate fire and life-safety equipment, and trained in other areas as the department determines necessary.

C. 30:6D-20 Monthly visit.
8. The department shall ensure that every developmentally disabled person covered by this act is visited at least monthly by a case manager employed by the department or by an agency under contract to the department.

C. 30:6D-21 Retransfer provision.
9. A transfer shall be made only when consistent with the best interests of the developmentally disabled person. The department shall ensure that a developmentally disabled person who fails to adjust to life in a community residential facility may return to the institution or other facility from which he was transferred or to a more suitable community residential facility.

C. 30:6D-22 Rules, regulations.
10. The Commissioner of the Department of Human Services shall promulgate those rules and regulations as are necessary to effectuate this act.

11. This act shall take effect immediately.

Approved January 17, 1984.

If any animal so seized wears a collar or harness having inscribed thereon or attached thereto the name and address of any person or a registration tag, or the owner or the person keeping or harboring said animal is known, any person authorized by the governing body shall forthwith serve on the person whose address is given on the collar, or on the owner or the person keeping or harboring said animal, if known, a notice in writing stating that the animal has been seized and will be liable to be disposed of or destroyed if not claimed within seven days after the service of the notice.

A notice under this section may be served either by delivering it to the person on whom it is to be served, or by leaving it at the person’s usual or last known place of abode, or at the address given on the collar, or by forwarding it by post in a prepaid letter addressed to that person at his usual or last known place of abode, or to the address given on the collar.

When any dog so seized has been detained for seven days after notice, when notice can be given as above set forth, or has been detained for seven days after seizure, when no notice has been given as above set forth and if the owner or person keeping or harboring said dog has not claimed said dog and paid all expenses incurred by reason of its detention, including maintenance not exceeding $4.00 per day, and if the dog be unlicensed at the time of the
seizure and the owner or person keeping or harboring said dog has not produced a license and registration tag for said dog, any person authorized by the governing body may cause the dog to be destroyed in manner causing as little pain as possible and consistent with the provisions of R. S. 4:22-19. No dog or other animal so caught and detained or procured, obtained, sent or brought to a pound or shelter shall be sold or otherwise made available for the purpose of experimentation. Any person who sells or otherwise makes available any such dog or other animal for the purpose of experimentation shall be guilty of a disorderly persons offense.

(1) The law as it affects animal control and welfare;

(2) Animal behavior and the handling of stray or diseased animals; and

(3) Community safety as it relates to animal control.

b. The commissioner shall provide for the issuance of a certificate to a person who possesses, or acquires, the training and education required to qualify as a certified animal control officer pursuant to the provisions of this act and the issuance of a certificate to a person who has been employed in the State of New Jersey in the capacity of, and with similar responsibilities to those required of certified animal control officers pursuant to the provisions of this act, for a period of three years.

CHAPTER 530

An Act to consolidate the New Jersey Housing Finance Agency and the New Jersey Mortgage Finance Agency into a new agency to be known as the New Jersey Housing and Mortgage Finance Agency, establishing its powers and duties, providing for the financing by it of housing in the State and providing for the issuance of bonds, notes and other evidences of financial indebtedness by it.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 55:14K-1 Short title.
1. This act shall be known as and may be cited as the “New Jersey Housing and Mortgage Finance Agency Law of 1983.”

2. The Legislature hereby finds that:
   a. Changing economic conditions and financial markets have reduced the availability in the private sector of feasible construction and permanent financing for: (1) the construction of new housing, (2) the conversion of non-residential structures to housing, (3) the rehabilitation and improvement of existing housing and (4) the transfer of existing housing among owners; and these conditions pertain to both rental housing and owner-occupied housing;
   b. The foregoing conditions adversely affect the economy of this State and reduce the number of opportunities for adequate and affordable housing in the State that are available to New Jersey residents;
c. Since their creation the New Jersey Mortgage Finance Agency and the New Jersey Housing Finance Agency have contributed significantly to the achievement of the housing goals of New Jersey, providing over 30,000 units of affordable rental housing, and nearly 30,000 loans for home ownership, as well as numerous loans for home improvement;

d. The continued contribution of these two agencies depends on the adaptation of their powers to changing federal housing programs and policies, financing availability for housing and the housing needs of New Jersey residents; and

e. The combination and enhancement of the powers of the two agencies with respect to the full range of housing types would achieve an economy of scale and better equip the State to deal with the changing housing needs of an increasingly diverse population and economy.

The Legislature therefore declares that it is in the best interests of the residents of New Jersey to create a strong, unified advocate for housing production, finance and improvement which will combine available talent, resources and experience to:

(1) Assure the availability for both rental housing and owner-occupied housing of feasible construction and permanent financing for new housing construction, the conversion of non-residential structures to housing, the rehabilitation and improvement of existing housing, and the transfer of existing housing among owners;

(2) Stimulate the construction, rehabilitation and improvement of adequate and affordable housing in the State so as to increase the number of opportunities for adequate and affordable housing in the State for New Jersey residents, including particularly New Jersey residents of low and moderate income;

(3) Enhance the productive capacity of the private sector in meeting the housing needs of the residents of the State;

(4) Assist in the revitalization of the State's urban areas; and

(5) Respond to changing housing demographic and economic circumstances by the development of innovative and flexible finance vehicles.

Therefore, this act provides for the consolidation of the New Jersey Housing Finance Agency and the New Jersey Mortgage Finance Agency into an agency to be known as the New Jersey Housing and Mortgage Finance Agency.

3. As used in this act:

The term "loan" includes an obligation the return on which may vary with any appreciation in value of the property or interest in property financed with the proceeds of the loan, or a co-ventured instrument by which an institutional lender or the agency assumes an equity position in the property. Any undivided interest in an eligible loan shall qualify as an eligible loan.

p. "Persons and families of low and moderate income" mean persons and families, irrespective of race, creed, national origin or sex, determined by the agency to require assistance on account of personal or family income being not sufficient to afford adequate housing. rents and other net revenues received from the operation of the real and personal property on the project site during construction, improvement or rehabilitation.

All costs shall be subject to approval and audit by the agency. The agency may adopt rules and regulations specifying in detail the types and categories of cost which shall be allowable if actually incurred in the development, acquisition, construction, improvement or rehabilitation of a housing project.

r. “Retirement family” means one or more persons related by blood, marriage or adoption who live or expect to live together as a single household in the same dwelling unit, provided that at least one of the persons is an individual who (1) has attained retirement age as defined in section 216a of the federal Social Security Act, or (2) is under a disability as defined in section 223 of that act, or (3) such individuals as the agency by rule or regulation shall include; and provided further, that the surviving member of a retirement family whose other members died during occupancy of a continuing-care retirement community shall be considered as a retirement family for purposes of permitting continued occupancy of the dwelling unit occupied by such retirement family.

4. a. The New Jersey Housing Finance Agency, created by section 4 of P. L. 1967, c. 81 (C. 55:14J-4) and the New Jersey Mortgage Finance Agency created by section 4 of P. L. 1970, c. 38 (C. 17:1B-7) are hereby consolidated into a single agency which shall be known as the New Jersey Housing and Mortgage Finance Agency, which shall be a continuance of the corporate existence of those agencies.

b. In this section, the words “original agencies” refer to the agencies which are consolidated pursuant to subsection a. of this section before their consolidation, and the word “agency” refers to the single agency resulting from that consolidation.

c. All property, rights and powers of each of the original agencies are hereby vested in and shall be exercised by the agency, subject, however, to all pledges, covenants, agreements and trusts made or created by the original agencies, respectively.

d. All debts, liabilities, obligations, agreements and covenants of the original agencies are hereby imposed upon the agency. Any property of the original agencies in which a mortgage or security interest has been granted to any bondholders or other creditors of either of the original agencies shall continue to be subject to that
mortgage or security interest until the mortgage or security interest is defeased or terminated in accordance with its terms. All bondholders and other creditors of the original agencies and persons having claims against or contracts with the original agencies of any kind or character may enforce those debts, claims and contracts against the agency in the same manner as they might have against the original agencies respectively, and the rights and remedies of those bondholders, creditors and persons having claims or contracts shall not be limited or restricted in any manner by this act.

e. In continuing the functions and carrying out the contracts, obligations and duties of the original agencies, the agency is hereby authorized to act in its own name or in the name of either of the original agencies as may be convenient or advisable.

f. Any references to either of the original agencies in any other law or regulation shall be deemed to refer to and apply to the agency.

g. All regulations of the original agencies shall continue to be in effect as the regulations of the agency until amended, supplemented or rescinded by the agency in accordance with law.

h. All employees of the original agencies shall become employees of the agency. Nothing in this title shall affect the civil service status, if any, of those employees or their rights, privileges, obligations or status with respect to any pension or retirement system.

i. The agency is hereby established in, but not of, the Department of Community Affairs and constituted a body politic and corporate and an instrumentality exercising public and essential governmental functions, and the exercise by the agency of the powers conferred by this act shall be deemed and held to be an essential governmental function of the State.

j. The agency shall consist of the Commissioner of the Department of Community Affairs, the State Treasurer, the Attorney General and the Commissioner of Banking, who shall be members ex officio, and three members appointed by the Governor with the advice and consent of the Senate for terms of three years. The three members appointed by the Governor shall be residents of the State and shall have knowledge in the areas of housing design, construction or operation; finance; urban redevelopment; or community relations. The members first appointed by the Governor shall serve for terms of one year, two years and three years respectively. Each member shall hold office for the term of his appointment and until his successor shall have been appointed and
qualified. A member of the agency shall be eligible for reappointment.

k. Each ex officio member of the agency may designate an officer or employee of his department or agency to represent him at meetings of the agency, and each designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. Any designation shall be in writing, delivered to the agency and shall continue in effect until revoked or amended by writing, delivered to the agency.

l. Each member of the agency may be removed from office by the Governor, for cause, after a public hearing and may be suspended by the Governor pending the completion of such a hearing. Each member of the agency before entering upon his duties shall take and subscribe an oath to perform the duties of the office faithfully, impartially and justly to the best of his ability. A record of these oaths shall be filed in the office of the Secretary of State.

m. Any vacancies in the membership of the agency occurring other than by expiration of term shall be filled in the same manner as the original appointment, but for the unexpired term only.

n. The Commissioner of the Department of Community Affairs shall be the chairman of the agency and the members shall elect one of their number as vice-chairman thereof. The agency shall elect a secretary and a treasurer who need not be members; but the same person may be elected to serve both as secretary and treasurer. The powers of the agency shall be vested in the members thereof in office from time to time and four members (which shall include at least two ex officio members) of the agency shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the agency at any meeting thereof by the affirmative vote of at least four members of the agency, which shall include at least two ex officio members. No vacancy in the membership of the agency shall impair the right of a quorum to exercise all the powers and perform all the duties of the agency.

o. A true copy of the minutes of every meeting of the agency shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the agency shall have force or effect until 10 days, Saturdays, Sundays, and public holidays excepted, after such copy of the minutes shall have been so delivered unless during such 10-day period the Governor shall approve the same in which case such action shall become effective upon such approval. If, in said 10-
day period, the Governor returns such copy of the minutes with veto of any action taken by the agency or any member thereof at such meeting, such action shall be null and void and of no effect. The Governor may approve all or part of the action taken at such meeting prior to the expiration of the said 10-day period.

p. The members of the agency shall serve without compensation, but the agency shall reimburse its members for actual expenses necessarily incurred in the discharge of their duties.

q. Notwithstanding the provisions of any other law, no officer or employee of the State shall be deemed to have forfeited or shall forfeit his office or employment or any benefits or emoluments thereof by reason of acceptance of the office of member of the agency or his services in such office.

r. The agency may be dissolved by act of the Legislature on condition that the agency has no debts or obligations outstanding or provision has been made for the payment or retirement of its debts or obligations. Upon dissolution of the agency all property, funds and assets thereof shall be vested in the State.

5. In order to carry out the purposes and provisions of this act, the agency, in addition to any powers granted to it elsewhere in this act, shall have the following powers:

f. To acquire, hold, use and dispose of its income, revenues, funds and moneys;

g. To adopt rules and regulations expressly authorized by this act and such additional rules and regulations as shall be necessary or desirable to carry out the purposes of this act. The agency shall adopt regulations which provide for consultation with housing sponsors regarding the formulation of agency rules and regulations governing the operation of housing projects and which require the agency to consult with the affected housing sponsor prior to taking any and all specific proposed agency actions relating to the sponsor's housing project. The agency shall publish all rules and regulations and file them with the Secretary of State;

c. d. Every application for a loan to a housing sponsor shall be made on forms furnished by the agency and shall contain such information as the agency shall require.

e. In considering any application for a loan for a housing project, the agency shall give first priority to applications for loans for the construction, improvement or rehabilitation of housing projects which will be a part of or constructed in connection with an urban redevelopment program, and also shall give consideration to:

(6) where applicable, the eligibility of the applicant to make payments to the municipality in which the housing project is located in lieu of local property taxes.

C. 55:14K-7 Terms, conditions of loans.
7. a. Loans made by the agency to finance housing projects shall be subject to the following terms and conditions:

(1) The loan shall be for a period of time not in excess of 50 years as determined by the agency;

(2) The amount of the loan shall not exceed 90% of the total project cost as determined by the agency, except that as to projects to be owned, constructed, improved, rehabilitated, operated, managed and maintained as mutual housing or by any corporation or association organized not for profit which has as one of its purposes the construction, improvement or rehabilitation of housing projects, the amount of the loan shall not exceed 100% of the total project cost as determined by the agency; but the agency may make additional loans to a housing sponsor to which a loan by the agency for the cost of a project is outstanding if and to the extent that the agency finds that such additional loan is required to more adequately secure and protect the project or to avoid a default by the sponsor on the original loan for the cost of the project and is in the best interest of the agency and the holders of its bonds issued to finance the original loan for the cost of the project;

(3) The interest rate on the loan shall be established by the agency at the lowest level consistent with the agency’s cost of operation and its responsibilities to the holders of its bonds;

(4) The loan shall be evidenced by a mortgage note or bond and by a mortgage which shall be a first lien on the project and which shall contain such terms and provisions and be in
a form approved by the agency. The agency shall require the
qualified housing sponsor receiving a loan or its contractor to
post security in amounts related to the project cost as estab-
lished by regulation and to execute such other assurances and
guarantees as the agency may deem necessary and may require
its principals or stockholders to also execute such other assur-
ances and guarantees as the agency may deem necessary;

(5) The loan shall be subject to an agreement between the
agency and the housing sponsor which will subject the housing
sponsor and its principals or stockholders to limitations estab-
lished by the agency as to rentals and other charges, builders’
and developers’ profits and fees, and the disposition of its
property and franchises to the extent more restrictive limita-
tions are not provided by the law under which the borrower is
incorporated or organized;

(6) The loan shall be subject to an agreement between the
agency and the housing sponsor limiting the housing sponsor
and its principals or stockholders to such rate of return on its
investment in the housing project to be assisted with a loan
from the agency as shall be fixed from time to time by the
agency in its regulations which shall take into account the
prevailing rates of return available for similar investments
and the risks associated with the development of the project,
together with factors designed to promote the objectives of
providing affordable housing, encouraging investment in urban
development areas, maintaining and improving the existing
housing stock, and other objectives of this act; but agreements
entered into by the predecessors of the agency prior to the
effective date of this act shall continue to be subject to any
restrictions on rate of return imposed by prior law unless
those restrictions are expressly modified pursuant to regula-
tions of the agency. No housing sponsor which is permitted
by the provisions of the law under which it is organized or
incorporated to earn a return on its investment, nor any of
the principals or stockholders of that housing sponsor, shall
earn, accept or receive a return on investment greater than
the rate of return fixed by the agency in any housing project
assisted with a loan from the agency, whether upon the com-
pletion of the construction, improvement or rehabilitation of
the project, or upon the operation thereof, or upon the sale,
assignment or lease of the project to any other person, associa-
tion or corporation. Any person, association or corporation
who violates the provisions of this subsection is guilty of a crime of the fourth degree;

(7) No loan shall be executed except a loan made to a corporation or association organized not for profit which has as one of its purposes the development, construction, improvement or rehabilitation of housing projects or for mutual housing unless the housing sponsor agrees (a) to certify upon completion of project construction, improvement or rehabilitation, subject to audit by the agency, either that the actual project cost as defined herein exceeded the amount of the loan proceeds by 10% or more, or the amount by which the loan proceeds exceed 90% of the total project cost, and (b) to pay forthwith to the agency, for application to reduction of the principal of the loan, the amount, if any, of such excess loan proceeds, subject to audit and determination by the agency.

No loan shall be made to a corporation or association organized not for profit or for mutual housing unless the corporation or association organized not for profit or for mutual housing agrees to certify the actual project cost upon completion of the project, subject to audit and determination by the agency, and further agrees to pay forthwith to the agency, for application to reduction of the principal of the loan, the amount, if any, by which the proceeds of the loan exceed the certified project cost subject to audit and determination by the agency. Notwithstanding the provisions of this paragraph, the agency may accept, in lieu of any certification of project cost as provided herein, such other assurances of the project cost in any form or manner whatsoever, as will enable the agency to determine with reasonable accuracy the amount of the project cost;

(8) No loan shall be made for the construction, improvement or rehabilitation of a housing project for which tax exemption is granted by a municipality unless the tax exemption remains in effect during the entire term of the loan, unless a lesser period of tax exemption is approved by the agency; and

(9) The loan shall be subject to an agreement between the agency and the qualified housing sponsor which contains a provision stating the prevailing wage rate, as determined by either the Commissioner of Labor and Industry or the Secretary of the United States Department of Labor in accordance with the provisions of section 42 of this act, which can be paid to the workmen employed in the performance of any contract
for the construction or rehabilitation of any housing project, and which stipulates that the qualified housing sponsor, or any builder, contractor or subcontractor thereof, shall pay to such workmen not less than the applicable prevailing wage rate pursuant to that section.

b. As a condition of any loan to finance a housing project, the agency shall have the power at all times during the construction, improvement or rehabilitation of a housing project and the operation thereof:

(1) To enter upon and inspect without prior notice any project, including all parts thereof, for the purpose of investigating the physical and financial condition thereof, and its construction, improvement, rehabilitation, operation, management and maintenance, and to examine all books and records with respect to capitalization, income and other matters relating thereto and to make such charges as may be required to cover the cost of such inspections and examinations;

(2) To order such alterations, changes or repairs as may be necessary to protect the security of its investment in a housing project or the health, safety, and welfare of the occupants thereof;

(3) To order any managing agent, project manager or owner of a housing project to do such acts as may be necessary to comply with the provisions of all applicable laws or ordinances or any rule or regulation of the agency or the terms of any agreement concerning the project or to refrain from doing any acts in violation thereof and in this regard the agency shall be a proper party to file a complaint and to prosecute thereon for any violations of laws or ordinances as set forth herein;

(4) To require the adoption and continuous use of uniform systems of accounts and records for a project and to require all owners or managers of a project to file annual reports containing that information and verified in such manner as the agency shall require, and to file at the times and on the forms as it may prescribe, reports and answers to specific inquiries required by the agency to determine the extent of compliance with any agreement, the terms of the loan, the provisions of this act and any other applicable law;

(5) To enforce, by court action if necessary, the terms and provisions of any agreement between the agency and the hous-
ing sponsor and the terms of any agreement between the hous-
ing sponsor and any municipality granting tax exemption, as
to schedules of rental or carrying charges, income limits as
applied to tenants or occupants, or any other limitation im-
posed upon the housing sponsor as to financial structure, con-
struction or operation of the project;

(6) Subject to the provisions of paragraph (7) of subsec-
tion b. of this section, in the event of a violation by the hous-
ing sponsor of the terms of any agreement between the agency
and the housing sponsor, or between the municipality grant-
ing tax exemption and the housing sponsor, or in the event
of a violation by the housing sponsor of this act or of the
terms of the loan agreement or of any rules and regulations
of the agency duly promulgated pursuant to this act, or in
the event that the agency shall determine that any loan or
advance from the Housing Development Fund pursuant to
section 30 of this act is in jeopardy of not being repaid, the
agency may, without resort to any judicial process, assume
all of the powers and duties of the housing sponsor in the
management and operation of the project, including but not
limited to the power to receive all revenues and pay all
expenses of the project and the power to control all property,
including bank accounts and cash, owned by the housing spon-
sor. The agency may appoint such person or persons whom
the agency in its sole discretion deems advisable, including
officers or employees of the agency, to perform the functions
of the officers or other controlling persons of the housing
sponsor. Persons so appointed need not be stockholders or
meet other qualifications which may be prescribed by the
certificate of incorporation, bylaws or partnership agreement
of the housing sponsor. In the absence of fraud or bad faith,
persons so appointed shall not be personally liable for debts,
obligations or liabilities of the housing sponsor. Persons so
appointed shall serve only for a period coexistent with the
duration of the violation or until the agency is assured in a
manner satisfactory to it that the violation, or violations of
a similar nature, will not recur. Persons so appointed shall
serve in such capacity without compensation, but shall be
entitled to be reimbursed, if and as the certificate of incorpora-
tion, bylaws or partnership agreement of the housing sponsor
may provide, for all necessary expenses incurred in the dis-
charge of their duties as determined by the agency; and
(7) The provisions of this subsection and this act pertaining to the regulation of housing sponsors shall be for purposes of protecting the collateral for any loan or loans; implementing or enforcing any condition, requirement or criterion for loans as provided in this act or other applicable law; and securing the rights and remedies of lenders and bond holders to the extent of the undertakings of the agency. Subject to the foregoing, the agency shall permit, provide for and encourage the right of local housing sponsors to exercise their own initiative and competence in the administration of their assets and the conduct and operation of housing projects and exercise their rights and responsibilities to the fullest extent permitted by law. Therefore, the agency shall exercise its remedies and powers under paragraph (6) of this subsection only with regard to material violations and only after reasonable notice and reasonable opportunity to correct the violation is provided to the housing sponsor in accordance with regulations adopted by the agency.

8. a. Admission to housing projects constructed, improved or rehabilitated under this act shall be limited to families whose gross aggregate family income at the time of admission does not exceed six times the annual rental or carrying charges, including the value or cost to them of heat, light, water, sewerage, parking facilities and cooking fuel, of the dwellings that may be furnished to such families, or seven times those charges if there are three or more dependents. There may be included in the carrying charges to any family for residence in any mutual housing project constructed, improved or rehabilitated with a loan from the agency an amount equal to 6% of the original cash investment of the family in the mutual housing project and, to the extent authorized by the agency where not included in the carrying charges, the value or cost of repainting the apartment and replacing any fixtures or appliances. Notwithstanding the provisions of this section, no family or individual shall be eligible for admission to any housing project constructed, improved or rehabilitated with a loan from the agency, whose gross aggregate family income exceeds such amount as shall be established from time to time by the agency, by rules or regulations promulgated hereunder; except that with respect to any project financed by an agency loan insured or guaranteed by the United States of America or any agency or instrumentality thereof, the agency may adopt the admission
standards for such projects then currently utilized or required by
the guarantor or insurer.

b. The agency shall by rules and regulations provide for the
periodic examination of the income of any person or family resid-
ing in any housing project constructed, improved or rehabilitated
with a loan from the agency. If the gross aggregate family income
of a family residing in a housing project increases and the ratio to
the current rental or carrying charges of the dwelling unit becomes
greater than the ratio prescribed for admission in subsection a. of
this section but is not more than 25% above the family income so
prescribed for admission to the project, the owner or managing
agent of the housing project shall permit the family to continue to
occupy the unit. The agency or (with the approval of the agency)
the housing sponsor of any housing project constructed, improved
or rehabilitated with a loan from the agency, may terminate
the tenancy or interest of any family residing in the housing project
whose gross aggregate family income exceeds by 25% or more the
amount prescribed herein and which continues to do so for a period
of six months or more; but no tenancy or interest of any such
family in any such housing project shall be terminated except upon
reasonable notice and opportunity to obtain suitable alternate hous-
ing, in accordance with rules and regulations of the agency; and
any such family, with the approval of the agency, may be permitted
to continue to occupy the unit, subject to payment of a rent or
carrying charge surcharge to the housing sponsor in accordance
with a schedule of surcharges fixed by the agency. The housing
sponsor shall pay the surcharge to the municipality granting tax
exemption, but only up to an amount that together with payments
made to the municipality in lieu of taxes and for any land taxes
equals 25% of the total rents or carrying charges of the housing
project for the current and any prior years that the project has
been in operation.

c. For projects on which the agency has made a loan and financed
the loan with the proceeds of bonds issued prior to January 1, 1973,
any remainder of the surcharge, or the total surcharge if tax
exemption has not been granted, shall be paid into the housing
finance fund securing the bonds issued to finance the project for
the use of the agency; for projects financed on or after January 1,
1973, any remainder of the surcharge, or the total surcharge if
tax exemption has not been granted, shall be paid to the agency.

d. Any family residing in a mutual housing project required to
remove from the project because of excessive income as herein
provided shall be discharged from liability on any note, bond or other evidence of indebtedness relating thereto and shall be reimbursed, in accordance with the rules of the agency, for all sums paid by the family to the housing sponsor on account of the purchase of stock or debentures as a condition of occupancy or on account of the acquisition of title for such purpose.

e. The agency shall establish admission rules and regulations for any housing project financed in whole or in part by loans authorized hereunder which shall provide priority categories for persons displaced by urban renewal projects, highway programs or other public works, persons living in substandard housing, persons and families who, by reason of family income, family size or disabilities, have special needs, elderly persons and families living under conditions violative of minimum health and safety standards.

C. 55:14K-9 Enforcement; receivership; reorganization.

9. a. The agency may institute any action or proceeding against any housing sponsor receiving a loan under the provisions hereof, or owning any housing project hereunder in any court of competent jurisdiction in order to enforce the provisions of this act, or to foreclose its mortgage, or to protect the public interest, the tenants, the stockholders or creditors of the sponsor. In connection with any such action or proceeding it may apply for the appointment of a receiver to take over, manage, operate and maintain the affairs of the housing sponsor, and the agency, through the agent as it shall designate, is authorized to accept appointment as receiver of the sponsor when so appointed by a court of competent jurisdiction.

b. The reorganization of any housing sponsor shall be subject to the supervision and control of the agency, and no reorganization shall be had without the consent of the agency. Upon a reorganization, the amount of capitalization, including stocks, income debentures and bonds and other evidences of indebtedness, shall be as authorized by the agency, but not in excess of the fair value of the property received.

10. a. In any foreclosure action involving a housing sponsor other than a foreclosure action instituted by the agency, the agency and the municipality in which any tax exemption or abatement is provided to the housing sponsor shall, in addition to other necessary parties, be made parties defendant. The agency and the municipality shall take all steps in the action necessary to protect the
interest of the public therein, and no costs shall be awarded against
the agency or the municipality.

b. Subject to the terms of any applicable loan agreement, contract
or other instrument entered into or obtained pursuant to subsection
a. of section 7 of this act, judgment of foreclosure in accordance
with this section shall not be entered unless the court to which
application therefor is made shall be satisfied that the interest
of the lienholder or holders cannot be adequately secured or safe-
guarded except by the sale of the property; and in the proceeding
the court shall be authorized to make an order increasing the rental
or carrying charges to be charged for the housing accommodations
in the housing project involved in the foreclosure, or appoint a
member of the agency or any officer of the municipality in which
any tax exemption or abatement with respect to the project is
provided, as a receiver of the property, or grant such other and
further relief as may be reasonable and proper; and in the event
of a foreclosure or other judicial sale, the property shall be sold
only to a housing sponsor which will manage, operate and maintain
the project subject to the provisions of this act, unless the court
finds that the interest and principal on the obligations
secured by the lien which is the subject of foreclosure cannot be earned under the limitations imposed by the provisions of this act and that the proceeding was brought in good faith, in which event the property may be sold free of limitations imposed by this act or subject to such limitations as the court may deem advisable to protect the public interest.

c. In the event of a judgment against any housing sponsor in any
action not pertaining to the foreclosure of a mortgage, there shall
be no sale of any of the real property included in any housing
project hereunder of the housing sponsor except upon 120 days’
written notice to the agency. Upon receipt of the notice the agency
shall take those steps as in its judgment may be necessary to
protect the rights of all parties.

11. a. The agency may make loans to institutional lenders in order
to furnish funds to institutional lenders to make eligible loans;
but an eligible loan for a housing project shall be subject to all the
provisions of this act applicable to agency loans to housing sponsors
for housing projects.

b. The agency shall adopt rules and regulations governing the
making of these loans to institutional lenders and the application
of the proceeds thereof, including rules and regulations as to any of the following:

(1) procedures for the submission of requests or the invitation of proposals for loans;

(2) standards and requirements concerning allocations of loans to the institutional lenders or awards of loans and determining the amounts of interest rates thereof;

(3) limitations or restrictions as to the number of family units, location or other qualifications or characteristics of projects or residences to be financed by eligible loans;

(4) restrictions as to the maturities and interest rates on eligible loans or the return realized therefrom by institutional lenders;

(5) requirements as to commitments by institutional lenders with respect to eligible loans;

(6) schedules of any fees and charges necessary to provide for expenses and reserves of the agency; and

(7) any other matters related to the duties and the exercise of the powers of the agency under this section.

These rules and regulations shall be designed to effectuate the general purposes of this act and the following specific objectives: the expansion of the supply of funds in the State available for housing; the provision of the additional housing needed to remedy the shortage of adequate housing in the State and eliminate the existence of a large number of substandard dwellings; the provision of nonhousing facilities which enhance the livability of residential properties or areas being improved through financing by the agency and provide supplies and services primarily to the residents of such residential properties and areas; and the effective participation by institutional lenders in the programs authorized by this act and the restriction of the financial return and benefit thereto from such programs to that necessary and reasonable to induce such participation.

c. Loans to institutional lenders shall be general obligations of the respective institutional lenders owing the same and shall bear such date or dates, shall mature at such time or times, shall be evidenced by such note, bond or other certificate of indebtedness, shall be subject to prepayment, and shall contain such other provisions consistent with this section, all as the agency shall by resolution determine.
d. The agency shall require as a condition of each loan to an institutional lender that the institutional lender thereafter proceed as promptly as practicable to make and disburse from the loan proceeds, eligible loans in an aggregate principal amount equal to the amount of the loan.

e. The agency may require that loans to institutional lenders shall be additionally secured as to payment of both principal and interest by a pledge of and lien upon collateral security in such amounts as the agency shall by resolution determine to be necessary to assure the payment of the loans and the interest thereon as they become due. The agency may require that collateral mortgages be insured by a mortgage guaranty insurance company licensed to do business by the State. The agency may enter into an agreement with an institutional lender containing such provisions as the agency shall deem necessary to adequately identify and maintain such collateral and service the same and shall provide that the institutional lender shall hold the collateral as an agent for the agency and shall be held accountable as the trustee of an express trust for the application and disposition thereof and the income therefrom solely to the uses and purposes in accordance with the provisions of the agreement. A copy of each agreement and any revisions or supplements thereto shall be filed with the Secretary of State and no further filing or other action under Title 12A, Commercial Transactions, of the New Jersey Statutes or any other law of the State shall be required to perfect the security interest of the agency in the collateral or any additions thereto or substitutions therefor, and the lien and trust for the benefit of the agency so created shall be binding from the time made against all parties having claims of any kind in tort, contract, or otherwise against the institutional lender. The agency may also establish additional requirements as it deems necessary with respect to the pledging, assigning, setting aside, or holding of the collateral and the making of substitutions therefor or additions thereto and the disposition of income and receipts therefrom.

f. The agency shall require the submission to it by each institutional lender to which the agency has made a loan of evidence satisfactory to the agency of the making of eligible loans as required by this section and prescribed by rules and regulations of the agency and in connection therewith may inspect the books and records of the institutional lender.

g. The agency may require as a condition of any loans to institutional lenders such representations and warranties as it shall
determine to be necessary to secure the loans and carry out the purposes of this act.

h. Compliance by any institutional lender with the terms of this section and its undertaking to the agency with respect to the making of eligible loans may be enforced by decree of the Superior Court. The agency may require as a condition of any loan to any institutional lender the consent of the institutional lender to the jurisdiction of the Superior Court over any such proceeding. The agency may also require agreement by any institutional lender, as a condition of the loan to the institutional lender, to the payment of penalties to the agency for violation by the institutional lender of any provision of this section or its undertaking to the agency with respect to the making of eligible loans, and these penalties shall be recoverable at the suit of the agency.

12. a. The agency in order to encourage the development, operation, construction, improvement, and rehabilitation of an adequate supply of affordable housing, shall have the power:

(1) to make and to purchase or participate in the purchase, and to contract to purchase or participate in the purchase, of eligible loans and to enter into advance commitments for the making of or the purchase, or for participation in the purchase, of eligible loans, at the prices and upon the terms and conditions determined by the agency;

(2) to sell eligible loans acquired by the agency at public or private sale and at the price or prices and upon the terms and conditions as may be determined by the agency;

(3) to enter into arrangements or agreements with loan originators, which may be a part of any contract with the loan originators for the purchase or participation in the purchase of eligible loans, containing provisions determined by the agency to be necessary or appropriate to provide security for its bonds, including but not limited to provisions requiring the repurchase of eligible loans or participations therein by the loan originators at the option of the agency, payments of such premiums, fees, charges or other amounts by loan originators to provide a reserve or escrow fund for the purposes, among others, of protecting against defaults with respect to eligible loans, and provisions for the guarantee by, or for recourse against, loan originators with respect to defaults on eligible loans of the agency;
(4) to enter into contracts for the servicing and custody of eligible loans owned by the agency, which contracts may provide for the payment of the reasonable value of services rendered to the agency pursuant to the contracts;

(5) to renegotiate or refinance any eligible loan, or foreclose, or contract for the foreclosure of, any mortgage securing any eligible loan in default; to waive any default or consent to the modification of the terms of any mortgage; to commence any action to protect or enforce any right conferred upon by any law, mortgage, insurance policy, contract or other agreement, and to bid for and to purchase the property securing any eligible loan at any foreclosure or at any other sale, or acquire or take possession of any such property; to operate, manage, lease, dispose of, and otherwise deal with such property; all in the manner as may be necessary to protect the interest of the agency and the holders of its bonds;

(6) to procure insurance against any default with respect to eligible loans in such amounts and from such insurers as may be necessary or desirable;

(7) to establish, revise from time to time, charge and collect such premiums, fees or other charges in connection with the making or purchase of eligible loans, as the agency determines and to apply those premiums, fees or charges to the purposes or deposit them in funds or reserves, as the agency determines; and

(8) to provide subsidies or other reductions of interest rates with respect to eligible loans in order to encourage the availability of affordable housing or housing for persons and families of low and moderate income.

b. An eligible loan for a housing project made by the agency or purchased by the agency less than one year after construction of the project was commenced shall be subject to all the provisions of this act applicable to agency loans to housing sponsors for housing projects.

c. The agency shall from time to time adopt rules and regulations governing the making or purchase of eligible loans, including, without limitation, rules and regulations as to any of the following:

(1) procedures for the purchase of eligible loans by the agency, whether by auction, invitation of tenders, or negotiation;
(2) standards and requirements as to allocations of purchases of eligible loans among all or certain of the loan originators or among particular areas of the State;

(3) limitations or restrictions as to the number of family units, income levels for owners or occupants, or location or other qualifications or characteristics of residences to be financed by the eligible loans to be made by the agency or by loan originators;

(4) restrictions as to the maturities and interest rates on eligible loans and on the return realized from the origination and sale of eligible loans to the agency by loan originators;

(5) standards and requirements for eligible loans which are not secured by a mortgage; and

(6) any other matters related to the duties and the exercise of the powers of the agency in connection with the purchase of eligible loans under this act.

d. These rules and regulations and the terms and conditions for the making or purchase of eligible loans shall effectuate the general purposes of the act and the following specific objectives: (1) the expansion of the supply of funds in the State available for eligible loans, (2) the provision of the additional housing needed to remedy the shortage of adequate housing in the State and to eliminate the existence of a large number of substandard dwellings and (3) the provision of nonhousing facilities which enhance the livability of residential properties or areas being improved through financing by the agency and provide supplies and services primarily to the residents of those residential properties and areas.

e. The agency shall require as a condition of each purchase of eligible loans from a loan originator that the loan originator proceed as promptly as practicable to make and disburse from the proceeds thereof eligible loans in an aggregate principal amount equal, as nearly as practicable, to the amount of the proceeds from the purchase by the agency of eligible loans therefrom, but these requirements shall not apply if the eligible loans so purchased were originated pursuant to a commitment or other arrangement with the agency.

f. The agency shall require the submission to it by each loan originator from which the agency has purchased eligible loans evidence satisfactory to the agency of the making of eligible loans or the application of the proceeds from the purchase of eligible loans in accordance with commitments with the agency for the
origination of eligible loans by the loan originator, as may be appropriate and in connection therewith may, through its employees or agents, inspect the books and records of the loan originator.

g. The agency may require as a condition of any purchase of eligible loans from loan originators representations and warranties it determines to be necessary in connection with that purchase and to carry out the purposes of this act.

h. Compliance by any loan originator with the terms of its agreement with or undertaking to the agency with respect to the making of any eligible loans may be enforced by decree of the Superior Court. The agency may require as a condition of purchase of eligible loans from any loan originator the consent of the loan originator to the jurisdiction of the Superior Court of any such proceeding. The agency may also require agreement by any loan originator, as a condition of the agency's purchase of eligible loans from the loan originator, to the payment of penalties to the agency for violation by the loan originator of its undertakings to the agency, and these penalties shall be recoverable at the suit of the agency.

i. Whenever any eligible loan purchased by the agency is to be held or serviced by a person other than the agency, a statement designating the eligible loan being so held or serviced and the person so holding or servicing the eligible loan and setting forth the agency's interest in the eligible loan may be filed in the records of the agency, which loan records shall be available for public inspection during regular business hours of the agency, and no possession, further filing, or other action under Title 12A, Commercial Transactions, of the New Jersey Statutes or any other law of the State shall be required to perfect any security interest which may be deemed to have been created in favor of the agency. The servicer shall, in any case, be and be deemed to be the trustee of an express trust for the benefit of the agency in all matters relating to any such eligible loan.

j. Notwithstanding the provisions of section 213.1 of P. L. 1948, c. 67 (C. 17:9A-213.1) or any other provision of law to the contrary, any loan originator may, in connection with the sale of eligible loans to the agency pursuant to this act, enter into arrangements or agreements with the agency as are authorized under and contemplated by this act, including, without limitation, provisions requiring the repurchase of eligible loans or participation therein by the loan originator at the option of the agency, provisions requiring the payment of premiums, fees or charges or other amounts
by the loan originator to provide a reserve or escrow for the purposes, among others, of protecting against defaults with respect to eligible loans, and provisions for the guarantee by, or for recourse against, the loan originator with respect to defaults on eligible loans of the agency.

13. a. In order to encourage the construction, acquisition and rendering of life safety improvements at or to boarding houses, the agency is hereby authorized to finance by life safety improvement loans the construction, acquisition and rendering of life safety improvements at or to boarding houses.

b. To carry out the purposes of this section, the agency may accept from boarding house owners applications for life safety improvement loans and enter into agreements with boarding house owners with respect thereto. In considering applications for life safety improvement loans, the agency shall give consideration to:

(1) the degree of need for the life safety improvement at the boarding house with respect to which the application is made;

(2) factors affecting the tax-exempt status of interest on the bonds issued by the agency to raise the money necessary to make the life safety improvement loan, including the location and ownership of boarding houses with respect to which applications have been and are being made;

(3) the extent of the benefit which, in the agency's opinion, can be expected to be achieved from the life safety improvement intended to be financed with the life safety improvement loan for which the application is made, giving effect to, among other things, the cost of such life safety improvement;

(4) the applicant's ability to obtain alternate financing; and

(5) the extent of the applicant's compliance with the "Rooming and Boarding House Act of 1979," P. L. 1979, c. 496 (C. 55:13B-1 et seq.). This determination shall be accomplished through an inspection of the boarding house by either the New Jersey Department of Community Affairs or the New Jersey Department of Health. Deficiencies which are to be corrected through life safety improvement loans are not to be used as a basis for disapproving a loan under this section.

c. Life safety improvement loans made by the agency shall not be subject to the terms and conditions set forth in sections 6 through
10 of this act but shall be subject to the following terms and conditions:

(1) the amount of the loan shall not exceed 100% of the cost of the life safety improvement to be constructed, acquired or rendered, as determined by the agency.

(2) the interest rate on the loan shall be established by the agency at the lowest level consistent with the agency's cost of operation but not lower than the effective cost of the agency of the obligations of the agency sold to raise the money used to make the loan.

(3) the loan shall be evidenced by a promissory note which shall contain terms and provisions and be in a form approved by the agency, and the terms and provisions shall include, but not be limited to, agency requirements that: (a) the boarding house owner remit to the agency the entire unpaid balance of all life safety improvement loans made by the agency to the boarding house owner as of the time when the facility ceases to be a boarding house, and the money shall be used for making new boarding house life safety improvement loans or any other lawful purpose; (b) the boarding house owner remit to the agency, for payment to the Department of Community Affairs for deposit in the "Boarding House Rental Assistance Fund," established under section 14 of this act, an amount equal to the rental assistance payments made to or on behalf of the residents of a boarding house, pursuant to this section, prior to the point in time when the facility ceases to be a boarding house, but the inclusion of this second requirement in the promissory note and the remittance of that amount shall be required if and to the extent that the agency determines it to be feasible and practicable; and (c) in the event of any sale which occurs during the period when the life safety improvement loan is being repaid to a purchaser who will maintain the facility as a boarding house, the boarding house owner shall either remit the entire unpaid balance of all life safety improvement loans made by the agency to the boarding house owner or require the purchaser to assume the loan.

(4) as a condition of the loan, the agency shall have the power at all times during the construction, acquisition or rendering of a life safety improvement at or to a boarding house and for a reasonable period of time subsequent thereto to enter without prior notice the boarding house with respect
to which the loan is made in order to inspect the construction, acquisition or rendering of the life safety improvement being financed with the loan.

14. There is hereby established in the Department of Community Affairs a fund to be known as the “Boarding House Rental Assistance Fund.” The fund shall be under the control of the Commissioner of the Department of Community Affairs. The fund shall be maintained by the Department of the Treasury and may be invested by the Division of Investment in the Department of the Treasury in investments in which other State funds may be invested. There shall be deposited in the fund all moneys appropriated thereto by the Legislature and any other moneys made available for the purposes for which the fund is established. The fund is established for the purposes of (i) providing rental assistance to residents of boarding houses in need of assistance to meet the rental payments at the boarding houses in which they reside necessitated by the construction, acquisition or rendering of life safety improvements at or to the boarding houses with the proceeds of the life safety improvement loans made by the agency, (ii) providing a source of repayment for such life safety improvement loans, and (iii) subject to the approval of the treasurer, paying the cost to the Department of Community Affairs of discharging its obligations under sections 13 through 17 of this act. If needed to meet on a timely basis that part of the rental obligations of residents of boarding houses attributable to debt service (including fees and charges payable to the agency) on life safety improvement loans made by the agency to finance the construction, acquisition or rendering of life safety improvements at said boarding houses, the commissioner shall disburse from the fund to or on behalf of the residents of the boarding houses the amount of money which, together with amounts already disbursed and to be disbursed, will be sufficient to meet on a timely basis that part of the rental obligations of the residents of the boarding houses. If for any reason rental assistance payments made on behalf of residents are not sufficient to meet the debt service payments on the life safety improvement loans, then the commissioner shall disburse from the fund such amounts as are necessary to meet the debt service payments; or, upon the request of the agency, the commissioner shall disburse such amounts as are necessary to fully pay the life safety improvement loans and all related costs.

15. In furtherance of the purposes of sections 13 through 17 of this act, the Commissioner of the Department of Community Affairs is authorized to enter into rental assistance agreements with boarding house owners providing for the payment of rental assistance to or on behalf of the residents of the boarding houses in respect of that part of their rent that is attributable to debt service on life safety improvement loans, as determined by the agency. Rental assistance agreements may permit or require the commissioner to make (i) rental assistance payments on behalf of boarding house residents directly to the agency or (ii) direct payments to the agency in satisfaction of the boarding house owners' payment obligations on life safety improvement loans. As a condition to the payment of rental assistance, rental assistance agreements shall require that the boarding house owner remit to the commissioner for return to the Boarding House Rental Assistance Fund an amount equal to any rental assistance payment made by the commissioner to or on behalf of a resident of the boarding house who, were such resident a family as defined in subsection f. of section 3 of this act, would not have constituted a family qualified for admission to housing projects under section 8 of this act, at any time during the period covered by the rental assistance payment but the agency may establish a lower income standard for residents of boarding houses which would require remittance to the commissioner by the owners of boarding houses of rental assistance payments formerly made by the commissioner to or on behalf of residents with incomes above that income standard.

16. On or before December 1 of each year, the Commissioner of the Department of Community Affairs shall submit to the Governor and the State Treasurer a Boarding House Rental Assistance Fund Annual Report which shall include the following: (i) a summary of the activities and transactions of the Boarding House Rental Assistance Fund during the preceding fiscal year; (ii) an estimate of the amount of rental charges which will be made during the ensuing 12 months by the residents of boarding houses on account of the debt service (including fees and charges payable to the agency) on life safety improvement loans made by the agency to finance the construction, acquisition or rendering of life safety improvements at or to the boarding houses, together with a brief description of each of the boarding house's life safety improvement loans and life safety improvements and a summary of various charac-
teristics of the residents of the boarding houses, including their ages, disabilities, if any, and income levels; (iii) a statement as to the maximum amount of debt service payable in any one year on all outstanding obligations of the agency issued with respect to life safety improvement loans; and (iv) an estimate of, and request for, the amount of money in addition to the then current balance of the Boarding House Rental Assistance Fund which will be needed in the ensuing fiscal year to meet the disbursements from the fund which the commissioner anticipates will be made in furtherance of the purposes of the fund and in satisfaction of the commissioner's obligations under rental assistance agreements.

C. 55:14K-17 Appropriations to fund.

17. a. To assure that there exists sufficient money in the Boarding House Rental Assistance Fund so as to permit the fund to be fully employed in furtherance of its purposes and to enable the Commissioner of the Department of Community Affairs to fulfill his commitments under rental assistance agreements, there shall be appropriated in each fiscal year and paid to the Department of Community Affairs for deposit in the Boarding House Rental Assistance Fund (1) from the Casino Revenue Fund, the amount of money requested for that fiscal year by the commissioner in the applicable Boarding House Rental Assistance Fund Annual Report, as amended by the commissioner from time to time, for the benefit of boarding house residents who are either senior citizens or disabled residents of the State within the meaning of regulations promulgated by the commissioner; and (2) from the General Fund of the State of New Jersey, the amount of money requested for that fiscal year by the commissioner in the applicable Boarding House Assistance Fund Annual Report, as amended by the commissioner from time to time, for the benefit of boarding house residents who are neither senior citizens nor disabled residents of the State within the meaning of regulations promulgated by the commissioner, either as rental assistance payments or direct debt service on loans.

b. After receipt of each Boarding House Rental Assistance Fund Annual Report, the State Treasurer shall determine whether or not during the preceding fiscal year rental assistance payments were made with funds appropriated from the Casino Revenue Fund to or on behalf of residents of boarding houses who, were they families as defined in subsection f. of section 3 of this act, would have constituted families qualified for admission to housing projects under section 8 of this act during such fiscal year, but who were not
either senior citizens or disabled residents of the State within the meaning of regulations promulgated by the commissioner. Upon making a determination that funds were appropriated from the Casino Revenue Fund to or on behalf of one or more of such residents, the Treasurer shall request and the State shall appropriate from the General Fund to the Casino Revenue Fund an amount of money equal to payments so made from funds appropriated from the Casino Revenue Fund; but neither the request nor the appropriation shall be required if, or to the extent that, the amount of payments is reimbursed from any other available source, which may be, but shall not be limited to, a payment from unencumbered funds of the agency, as authorized by the agency.

c. If the Commissioner of the Department of Community Affairs is for any reason unable to make rental assistance payments on one or more rental assistance agreements, the agency may, but shall be under no obligation to, authorize payments from its unencumbered reserves. If no such authorization is made, or if the agency’s payment is only intended to be a temporary source of funding in order to satisfy payments due on bonds issued to finance life safety improvement loans, or the amount authorized is insufficient to make full payments under the agreements, there shall be appropriated from the General Fund in each fiscal year and paid to the Department of Community Affairs, for disbursement to the agency, sufficient funds to make full payments. The commissioner shall annually report to the Governor and the Treasurer detailing the need for the appropriations.

18. a. In order to carry out the purposes and provisions of this act, the agency, in addition to any powers granted to it elsewhere in this act, shall have the authority to form, purchase or assume control of one or more subsidiary corporations, in the manner and for the purposes set forth in this section.

b. The agency may form a subsidiary corporation by filing with the Secretary of State a certificate of incorporation, which may be amended from time to time and which shall set forth the name of the subsidiary corporation, its duration, the location of its principal office, the joint owners thereof, and the purposes of the corporation.

c. The directors of the subsidiary corporation shall be members or employees of the agency, who shall constitute at least a majority, and such other persons representing any joint owner or owners as
may be provided for in the agreement in connection with the incorporation.

d. The subsidiary corporation shall have all the powers vested in the agency which the agency may delegate to it by terms of the agreement of incorporation, except that it shall not have power to contract indebtedness independently of the agency. The subsidiary corporation and any of its properties, functions and activities shall have all the privileges, immunities, tax exemptions and other exemptions as the agency's property, functions and activities. The subsidiary corporation shall also be subject to the restrictions and limitations to which the agency is subject. The subsidiary corporation shall be subject to suit as if it were the agency itself.

e. Whenever the State or any municipality, commission, public authority, agency, officer, department, board, or division is authorized and empowered for any purposes of this act to cooperate and enter into agreements with the agency or to grant any consent to the agency or to grant, convey, lease or otherwise transfer any property to the agency or to execute any document, the State or such municipality, commission, public authority, agency, officer, department, board, or division shall have the same authorization and power for any of such purposes to cooperate and enter into agreements with the subsidiary corporation and to grant consents to the subsidiary corporation and to grant, convey, lease or otherwise transfer property to the subsidiary corporation and to execute documents for the subsidiary corporation.

f. Among the powers that shall be granted to a subsidiary corporation established by agency, or which may be exercised by the agency itself, are:

(1) To act as receiver or interim owner of rental properties and in connection therewith to provide tenant education and training, with the goal of achieving cooperative or other private forms of resident ownership.

(2) To act as a housing service corporation to operate or complete the construction of agency-financed properties.

(3) To undertake acquisition, construction, rehabilitation and operation of housing and related activities on a demonstration or experimental basis.

(4) To participate as a co-owner or co-venturer in any activity financed by an eligible loan from the agency.

g. The agency shall establish at least one subsidiary corporation pursuant to this section, unless the agency shall, by resolution
setting forth the reasons for its decision, determine that such estab-
ishment would be inexpedient, which resolution shall be forth-
with communicated to the Governor and the Legislature.

19. a. In order to carry out the purposes and provisions of this
act, there is hereby chartered in, but not of, the agency the New
Jersey Housing Development Corporation.
b. The corporation shall be organized, managed and operated
as an entity distinct from the agency, except that members and
employees of the agency may be officers and directors of the cor-
poration; but it shall be empowered to act as agent of the agency
under contractual agreements relating to matters set forth in sub-
section c. of this section.
c. The corporation may issue its stock and employ the proceeds
of such sales:
(1) To purchase residential structures in need of rehabilitation
and rehabilitate them for purposes of resale, including resale under
lease-purchase agreements.
(2) To contract for the construction of new residential struc-
tures and to assume ownership of the same for the purposes of
resale, including lease-purchase agreements.
(3) To co-venture with other public or private agencies or corpo-
rations as an investor in major rehabilitation or construction proj-
ects of the types described in paragraphs (1) and (2) of this sub-
section.
d. The agency is directed to complete the organization of
the corporation unless the members of the agency vote not to so or-
ganize and so advise the Governor and the Legislature.

20. a. The agency shall have the power and is hereby autho-
rized from time to time to issue its bonds in such principal
amounts as in the opinion of the agency shall be necessary to pro-
vide sufficient funds for achieving any of its corporate purposes,
including the making or purchase of eligible loans, the making of
loans to institutional lenders, the payment, funding or refunding of
the principal of, or interest or redemption premiums on, any bonds
issued by it, whether the bonds or interest to be funded or refunded
have or have not become due, the establishment or increase of re-
serves to secure or to pay such bonds or interest thereon or to pro-
vide, insure or otherwise protect against defaults on or prepayment
of eligible loans, and all other costs or expenses of the agency incidental to and necessary or convenient to carry out its corporate purposes and powers; but the agency's power to issue its bonds in order (1) to make life safety improvement loans, (2) to fund reserves for these bonds (excluding therefrom for purposes of this calculation such bonds that have been refunded), and (3) to refund bonds originally issued to make life safety improvement loans and to fund reserves for these bonds is limited to the extent that the amount of debt service payable in any one year on all these bonds then outstanding may not exceed $4,000,000.00.

b. Except as may be otherwise expressly provided herein or by the agency, every issue of bonds shall be general obligations payable out of any moneys or revenues of the agency, subject only to any agreements with the holders of particular bonds pledging any particular moneys or revenues. The agency may issue such types of bonds as it may determine, including but not limited to bonds on which the principal and interest are payable (1) exclusively from the income and revenues of certain designated projects whether or not they are financed in whole or in part with the proceeds of such bonds; (2) exclusively from the revenues of the agency derived from certain loans made to institutional lenders or derived from certain eligible loans made or purchased by the agency whether or not such loans were made or such eligible loans were purchased in whole or in part from the proceeds of such bonds; or (3) from its revenues generally. Bonds may be additionally secured by a pledge of any grant or contribution from any department, agency or instrumentality of the United States or of the State or from any person, firm or corporation or a pledge of any moneys, income or revenues of the agency from any source whatsoever.

c. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this act shall be fully negotiable within the meaning and for all purposes of Title 12A of the New Jersey Statutes, and each holder or owner of such a bond, or of any coupon appurtenant thereto, by accepting the bond or coupon shall be conclusively deemed to have agreed that the bond or coupon is and shall be fully negotiable within the meaning and for all purposes of Title 12A of the New Jersey Statutes.

d. Bonds of the agency shall be authorized by or in accordance with a resolution of the agency and may be issued in one or more series and shall bear such date or dates, mature at such time or times not exceeding 50 years from the date thereof, bear interest
at such rate or rates or bear interest at such variable or formula rate or rates not to exceed such maximum rate or rates, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources, in such medium of payment, at such place or places within or without the State, and be subject to such terms of redemption (with or without premium) as such resolution or resolutions may provide.

e. Bonds of the agency may be sold at public or private sale at the price or prices as the agency determines.

f. Bonds may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by this act.

g. Bonds of the agency issued under the provisions of this act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the agency and shall not create or constitute any indebtedness, liability or obligation of the State or of any such political subdivision or be or constitute a pledge of the faith and credit of the State or of any such political subdivision but all such bonds, unless funded or refunded by bonds, shall be payable solely from revenues or funds pledged or available for their payment as authorized in this act. Each bond shall contain on its face a statement to the effect that the agency is obligated to pay the principal thereof or the interest thereon only from revenues or funds of the agency and that neither the State nor any political subdivision thereof is obligated to pay such principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds.

h. All expenses incurred in carrying out the provisions of this act shall be payable solely from revenues or funds provided or to be provided under the provisions of this act and nothing in this act shall be construed to authorize the agency to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

21. Any resolution or resolutions of the agency authorizing the issuance of bonds may contain provisions, except as expressly limited in this act and except as otherwise limited by existing agreements with the holders of the bonds, which shall be a part of the contract with the holders thereof, as to the following:

a. The pledging of or creating of a lien on, as security for the payment of the principal and redemption price of and interest on any bonds of the agency, all or any part of its revenues or assets to which its right then exists or may thereafter come into existence, and the moneys derived therefrom, including the eligible loans made or purchased by the agency pursuant to this act and the revenues therefrom, the loans made to institutional lenders pursuant to this act and the revenues therefrom and the rights and interest of the agency in and to any collateral securing such loans and the collections and proceeds therefrom, the eligible loans purchased by the agency pursuant to this act and all payments on account of principal and interest with respect thereto, and all other premiums, fees and charges payable to the agency, all or any part of any money, funds or property held in trust or otherwise by others for the payment of any such mortgages, such loans to institutional lenders or such eligible loans, or any bonds of the agency, and all or any part of the proceeds of any bonds, and covenanting against pledging all or any part of such revenues, assets, moneys, funds or property, or against permitting or suffering any lien thereon:

b. Otherwise providing for the custody, collection, securing, investment and payment of any revenues, assets, moneys, funds or property of the agency or with respect to which the agency may have any rights or interest;

c. The use and disposition of any and all payments of principal or interest received by the agency with respect to loans to institutional lenders or eligible loans or any income or proceeds from investments held by the agency or other income, revenues or receipts of the agency;

d. The establishment of reserves or sinking funds, the making of charges and fees to provide for the same, and the regulation and disposition thereof;

e. The custody, application and disposition of the proceeds of any bonds;

f. The rank or priority of any such bonds with respect to any
lien or security or as to the acceleration of the maturity of any such bonds;

g. The creation of special funds or moneys to be held in trust or otherwise for operating expenses, payment or redemption of bonds, reserves against defaults or prepayments of eligible loans or loans to institutional lenders or for other purposes and as to the use and disposition of the moneys held in such funds;

h. Limitations on the purpose to which the proceeds of sale of bonds may be applied and pledging such proceeds to secure the payment of the bonds;

i. Limitations on the issuance of additional bonds, the terms upon which additional bonds may be issued and secured, the refunding or purchase of outstanding bonds of the agency;

j. The procedure, if any, by which the terms of any contract with the holders of any bonds of the agency may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given;

k. The vesting in a trustee or trustees within or without the State of such property, rights, powers and duties in trust as the agency may determine, which may include any or all of the rights, powers and duties of any trustee appointed by the holders of any bonds pursuant to section 22 of this act and limiting or abrogating the right of the holders of any bonds of the agency to appoint a trustee under this act or limiting the rights, powers and duties of such trustee;

l. Appointing and providing for the duties and obligations of a paying agent or paying agents or such other fiduciaries within or without the State;

m. Provision for a trust agreement by and between the agency and a corporate trustee which may be any trust company or bank having the powers of a trust company within the State, which agreement may provide for the pledging or assigning of any assets or income from assets to which or in which the agency has any rights or interest, and may further provide for such other rights and remedies exercisable by the trustee as may be proper for the protection of the holders of any bonds of the agency and not otherwise in violation of law, and the agreement may provide for the restriction of the rights of any individual holder of bonds of the agency. All expenses incurred in carrying out the provisions of the trust agreement may be treated as a part of the costs of operation of the agency. The trust agreement may contain any further
provisions which are reasonable to delineate further the respective rights, duties, safeguards, responsibilities and liabilities of the agency, individual and collective holders of bonds of the agency, and the trustee;

n. The custody of any of its properties or investments, the safekeeping thereof, the insurance to be carried thereon, and the use and disposition of insurance moneys;

o. The time or manner of enforcement or restraint from enforcement of any rights of the agency arising by reason of or with respect to nonpayment of principal or interest with respect to mortgages or loans to institutional lenders or any rights to or security interest in the collateral securing such loans or arising with respect to the default with respect to any eligible loan;

p. Defining the acts or omissions to act which shall constitute a default in the obligations and duties of the agency and providing for the rights and remedies of the holders of bonds in the event of such default;

q. Covenants to do or refrain from doing such acts and things as may be necessary or convenient or desirable to better secure any bonds of the agency, or which, in the discretion of the agency, will tend to make any bonds to be issued more marketable, notwithstanding that such covenants, acts or things may not be enumerated herein; and

r. Any other matters of the like or different character, which in any way affect the security or protection of the bonds issued by the agency.

22. a. If the agency defaults in the payment of principal of or interest on any issue of bonds after the same becomes due, whether at maturity or upon call for redemption, and the default continues for a period of 30 days, or if the agency fails or refuses to comply with the provisions of this act or fails or refuses to carry out and perform the terms of any contract with the holders of bonds and the failure or refusal continues for a period of 30 days after written notice to the agency of its existence and nature, the holders of 25% in aggregate principal amount of such issue of bonds then outstanding by instrument or instruments filed in the office of the Secretary of State and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of those bonds for the purposes provided in this section.

b. The trustee may, and upon written request of the holders of
25% in aggregate principal amount of such bonds then outstanding shall, in the trustee's own name:

(1) by any action, writ, or other proceeding, enforce all rights of the holders of such bonds, including the right to collect and enforce the payment of principal of and interest due or becoming due on eligible loans and loans to institutional lenders and collect and enforce any collateral securing such loans or sell such collateral and the right to cause the foreclosure of any eligible mortgage loan, and to sell any property purchased at any such foreclosure, so as to carry out any contract as to, or pledge of, revenues, and to require the agency to carry out and perform the terms of any contract with the holders of such bonds or its duties under this act;

(2) bring suit upon all or any part of such bonds;

(3) by action, require the agency to account as if it were the trustee of an express trust for the holders of such bonds;

(4) by action, enjoin any acts or things which may be unlawful or in violation of the rights of the holders of such bonds; or

(5) declare all such bonds due and payable, whether or not in advance of maturity, upon 30 days' prior notice in writing to the agency, and, if all defaults shall be made good, then with the consent of the holders of 25% of the principal amount of such bonds then outstanding, annul such declaration and its consequences.

c. The trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of the functions specifically set forth herein or incident to the general representation of the holders of bonds in the enforcement and protection of their rights.

d. In any action or proceeding by such trustee, the fees, counsel fees and expenses of the trustee, if any, appointed pursuant to this act, shall constitute taxable costs and disbursements, and all costs and disbursements, allowed by the court, shall be a first charge upon any revenues, moneys, funds or property of the agency pledged for the payment or security of such issue of bonds.

23. Any pledge made by the agency of income, revenues or other property shall be valid and binding from the time the pledge is made. The income, revenue or other property so pledged by
the agency shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the agency, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be filed or recorded except in the records of the agency.

24. For purposes of subsection (g) of section 103A of the federal Internal Revenue Code of 1954, as amended, the State ceiling on the aggregate amount of qualified mortgage bonds which may be issued in the State shall be allocated 100% to the agency.

25. At least 25% of the funds made available by the agency for the acquisition, operation, construction, rehabilitation, conversion, improvement or ownership of residential properties of from one to four, or from five to 12, dwelling units shall be reserved for use in municipalities which qualify for State aid under P. L. 1978, c. 14 (C. 52:27D-178 et seq.). The period of reservation shall be established by the agency at its discretion, but shall not be less than four months. The period may be extended at the agency’s discretion, with or without adjusting the amount of funds so reserved.

26. The agency may consent, at or prior to the time of issuance of any issue of its bonds, to the inclusion of interest on such bonds in the gross income of holders of such bonds under the federal Internal Revenue Code of 1954, as amended, or any subsequent federal law, to the same extent and in the same manner as the interest on bills, notes, bonds and other obligations of the United States is includible in the gross income of the holders thereof under the federal Internal Revenue Code of 1954, as amended, or any subsequent federal law. Nothing contained in this act shall be construed to waive or to authorize the agency to waive any other exemption, privilege or immunity of the State or to consent or to authorize the agency to consent to the application of any other provision of any other laws, federal or State, to the agency or to its bonds, which would not otherwise be so applicable.

27. Neither the members of the agency nor any person executing bonds issued pursuant to this act shall be liable personally on such bonds by reason of the issuance thereof.

28. The agency shall have power to purchase bonds of the agency out of any funds available therefor. The agency may hold, cancel or resell such bonds subject to and in accordance with agreements with holders of its bonds.

29. a. The agency may create and establish one or more special funds to be known as housing finance funds and may pay into such housing finance funds any moneys appropriated and made available by the State for the purposes of such funds, any proceeds of the sale of the bonds to the extent provided in the resolution of the agency authorizing the issuance thereof, the moneys directed to be transferred by the agency to such funds, and any other moneys which may be made available to the agency for the purposes of such funds from any other source or sources. The moneys held in or credited to any housing finance fund established under this act, except as hereinafter provided, shall be used solely for the payment of the principal of and interest on bonds of the agency secured by such housing finance fund, as the same mature, required payments to any sinking fund established for the amortization of such bonds (hereinafter referred to as "sinking fund payments"), the purchase or redemption of such bonds of the agency or the payment of any redemption premium to be paid when such bonds are redeemed prior to maturity; but moneys in any such fund shall not be withdrawn therefrom at any time in such amount as would reduce the amount of such fund to less than the amount of principal (including sinking fund payments) and interest maturing and becoming due in the succeeding calendar year on the bonds of the agency then outstanding and secured by such housing finance fund (such amount being hereafter referred to as the "required minimum capital reserve"), except for the purpose of paying principal and interest on the bonds of the agency secured by such housing finance fund maturing and becoming due and sinking funds payments for the payment of which other moneys of the agency are not available. Any income or interest earned by, or increment to, any such housing finance fund due to the investment thereof may be transferred to any other fund or account of the agency to the extent it does not reduce the amount of such housing finance fund below the required minimum capital reserve. In computing the amount of any housing finance fund for the purposes of this section, securities in which all or a portion of such housing finance
fund are invested shall be valued at par if purchased at par or, if purchased at other than par, at amortized cost.

b. The agency shall not issue bonds secured by a housing finance fund at any time if the maximum amount of principal (including sinking fund payments) and interest maturing and becoming due in the succeeding calendar year on the bonds outstanding then to be issued and secured by a housing finance fund will exceed the amount of such housing finance fund at the time of issuance, unless the agency, at the time of issuance of such bonds, shall deposit in such housing finance fund from the proceeds of the bonds or other obligations so to be issued, or otherwise, an amount which together with the amount then in such housing finance fund, will be not less than the required minimum capital reserve.

c. The Housing Finance Fund established under the agency's existing General Housing Bond Resolution shall continue as a housing finance fund pursuant to the provisions of subsection a. of this section.

d. To assure the maintenance of the required minimum capital reserve in the housing finance funds, there shall be annually appropriated and paid to the agency for deposit in each of such funds, such sum, if any, as shall be certified by the chairman of the agency to the Governor as necessary to restore each of such funds to an amount equal to the required minimum capital reserve. The chairman shall annually, on or before December 1, make and deliver to the Governor his certificate stating the sum, if any, required to restore each of such funds to the amount aforesaid, and the sum or sums so certified shall be appropriated and paid to the agency during the then current State fiscal year.

30. a. The agency shall establish and maintain a Housing Development Fund which shall consist of all moneys appropriated by the State for inclusion therein, notwithstanding any inconsistent provisions of this or of any other law, any moneys which the agency shall receive in repayment of advances from the fund, and any other moneys available to the agency which it determines to utilize for this purpose.

b. The agency is hereby authorized to use the money held in the Housing Development Fund to make noninterest bearing advances to housing sponsors who are corporations or associations organized not for profit or for mutual housing to defray development costs for housing projects. No such advance shall be made unless
it is reasonably anticipated by the agency that an eligible mortgage loan will be obtained for the housing project and the not for profit or mutual housing sponsor enters into an agreement with the agency to be regulated with respect to those matters provided in paragraphs (5) and (6) of subsection a. of section 7 of this act.

c. Each advance shall be repaid in full concurrent with the receipt by the not for profit or mutual housing sponsor of the proceeds of the eligible mortgage loan, unless the agency shall extend the period for the repayment of such advance, but no such extension shall be granted beyond the date of final payment under the eligible mortgage loan.

d. If the agency determines at any time that an eligible mortgage loan may not be obtained from the agency, the advance shall become immediately due and payable and shall be paid from any assets of the housing project. To the extent that repayment cannot be made from the assets of the housing project, the advance shall be treated as a grant.

e. The term “development cost”, as used in this section, means the amount approved by the agency as an appropriate expenditure which may be incurred prior to the first advance on an eligible mortgage loan, including but not limited to (1) payments for options, deposits or contracts to purchase properties on the proposed housing project site or, with the prior approval of the agency, payments for the purchase of such properties; (2) legal and organizational expenses, including attorney’s fees and salaries, office rent and other incidental expenses for a project manager and clerical staff; (3) fees for preliminary feasibility studies, planning advances, borings, surveys, engineering and architectural work; (4) expenses for tenant surveys and market analyses; and (5) such other expenses as the agency may deem appropriate to effectuate the purpose of this section.

f. The term “eligible mortgage loan”, as used in this section, means a below-market interest rate mortgage loan insured by the Secretary of the Department of Housing and Urban Development, or a mortgage loan insured by the Secretary of the Department of Housing and Urban Development and augmented by a program of rent supplements, or an eligible loan made by the agency.

31. a. The agency shall establish and maintain a fund called the “General Fund” which shall consist of all moneys of the agency not required to be deposited in any other fund of the agency,
which the agency may deposit therein. To the extent available, after paying all the operating costs of the agency, the moneys remaining in the General Fund may be used for the payment of the principal of and interest on the bonds issued by the agency or for such other corporate purposes of the agency as this act authorizes.

b. The agency may establish such additional and further funds as may be necessary and desirable to accomplish any agency purpose or to comply with the provisions of any agreement made by the agency or any resolution approved by the agency. The resolution establishing such a fund shall specify the source of moneys from which it shall be funded and the purposes for which moneys held in the fund shall be disbursed.

32. The State of New Jersey does hereby pledge to and covenant and agree with the holders of any bonds issued pursuant to the authority of this act that the State will not limit, restrict or alter the rights or powers hereby vested in the agency to perform and fulfill the terms of any agreement made with the holders of such bonds, or in any way impair the rights or remedies of such holders until such bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or in behalf of such holders, are fully met, paid and discharged. The agency may include this pledge and agreement of the State in any agreement with the holders of bonds issued by the agency.

33. Notwithstanding any restriction contained in any other law, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking or investment business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds issued pursuant to this act, and such bonds shall be authorized security for any and all public deposits.

34. a. All property of the agency is hereby declared to be public property devoted to an essential public and governmental function and purpose and shall be exempt from all taxes and special
assessments of the State or any subdivision thereof. All bonds issued pursuant to this act are hereby declared to be issued by a body corporate and politic of this State and for an essential public and governmental purpose and such bonds, and the interest thereon and the income therefrom, and all fees, charges, funds, revenues, income and other moneys pledged or available to pay or secure the payment of such bonds, or interest thereon, shall at all times be exempt from taxation, except for transfer inheritance and estate taxes.

b. The sale to a housing sponsor of all materials and supplies to be used to construct, improve or rehabilitate a housing project financed by a loan made by the agency to the housing sponsor shall be exempt from all sales taxes of the State or any subdivision thereof.

35. All property of the agency, except as otherwise provided herein, shall be exempt from levy and sale by virtue of an execution and no execution or other judicial process shall issue against the same nor shall any judgment against the agency be a charge or lien upon its property; except that nothing herein contained shall apply to or limit the rights of the holder of any bonds to pursue any remedy for the enforcement of any pledge or lien given by the agency on its revenues or other moneys.

36. a. The agency may obtain, or aid in obtaining, from any department or agency of the United States or any other person any insurance or guarantee as to, or of or for the payment or repayment of interest or principal, or both, or any part thereof, on any loan or any instrument evidencing or securing the same, made or entered into pursuant to the provisions of this act; and notwithstanding any other provisions of this act enter into any agreement, contract or any other instrument whatsoever with respect to any such insurance or guarantee, and accept payment in such manner and form as provided therein in the event of the default by the borrower.

b. The agency may obtain from any department or agency of the United States or any other person any insurance or guarantee as to, or of or for the payment or repayment of, interest or principal, or both, or any part thereof, on any bonds issued by the agency pursuant to the provisions of this act; and notwithstanding any other provisions of this act enter into any agreement, contract
or any other instrument whatsoever with respect to any such insurance or guarantee except to the extent that such action would in any way impair or interfere with the agency’s ability to perform and fulfill the terms of any agreement made with the holders of the bonds of the agency.

C. 55:14K-37 Other acts superseded; payments in lieu of taxes.

37. a. It is the intent of the Legislature that in the event of any conflict or inconsistency in the provisions of this act and any other acts concerning housing sponsors or any rules and regulations adopted thereunder, to the extent of such conflict or inconsistency, the provisions of this act shall be enforced and the provisions of such other acts and rules and regulations adopted thereunder shall be of no effect.

b. The governing body of any municipality in which a housing project financed or to be financed by the agency is or is to be located may by ordinance or resolution, as appropriate, provide that such project shall be exempt from real property taxation, if the housing sponsor enters into an agreement with the municipality for payments to the municipality in lieu of taxes for municipal services. Any such agreement may require the housing sponsor to pay to the municipality an amount up to 20% of the annual gross revenue from each housing project situated on such real property for each year of operation thereof following the substantial completion thereof. For the purpose of this section, “annual gross revenue” means the total annual gross rental or carrying charge and other income of a housing sponsor from a housing project. If any such agreement is entered into from the date of recording the mortgage on the project to the date of substantial completion of the project, the annual amount payable to the municipality as taxes or as payments in lieu of taxes in respect of the project site shall not be in excess of the amount of taxes on the project site for the year preceding the recording of the mortgage. Any agreement between any housing sponsor and a municipality pursuant to this subsection shall be submitted to the agency for review in order to avoid duplicating, overlapping or inconsistent regulations or provisions. Any exemption from taxation pursuant to the provisions of this section shall not extend beyond the date on which the eligible loan made by the agency on the project is paid in full.

38. Any person who attempts to or obtains an eligible loan hereunder or occupancy or continued occupancy of a dwelling unit

a. No member, officer or employee of the agency shall have or attempt to have, for purposes of personal gain, directly or indirectly, any interest:

(1) In any contract or agreement of the agency;
(2) In the sale or purchase of any property by the agency;
(3) In any eligible loan, loan to institutional lender or application therefor;
(4) In any housing project constructed, improved, rehabilitated or operated, or to be constructed, improved, rehabilitated or operated under the provisions of this act; or
(5) In any boarding house at which or to which a life safety improvement is or is to be constructed, acquired or rendered with moneys provided by a life safety improvement loan from the agency;

but this section shall not be construed to prohibit a member, officer or employee of the agency from being the borrower on a loan purchased by the agency made to provide financing for a single family dwelling which is the primary residence of the borrower, and the agency shall adopt a policy governing the eligibility of agency members, officers and employees for such loans.

b. Any member, officer or employee of the agency who violates the provisions of this section is guilty of a crime of the fourth degree. Any such person shall be barred from public employment in this State in any capacity whatsoever for a period of five years from the date he was adjudged guilty.

40. On or before the last day of March in each year, the agency shall make an annual report of its activities for the preceding calendar year to the Governor and to the Legislature. Each report shall set forth a complete operating and financial statement covering its operations during the year. The agency shall cause an audit of its books and accounts to be made at least once in each year
by certified public accountants and the cost thereof shall be con­
sidered an expense of the agency and a copy thereof shall be filed
with the State Treasurer.

41. a. The agency shall develop and revise every two years an
agency financial strategy. This strategy shall be submitted to the
presiding officer of each House of the Legislature and to the Senate
County and Municipal Government Committee and the General
Assembly Housing and Urban Policy Committee, or their succe­
sors.

b. The strategy shall include, but need not be limited to:

(1) An inventory and description of the housing stock in New
Jersey based on currently available data;

(2) An estimate of the housing needs;

(3) An estimate of the cost of construction, improvement, repair
or rehabilitation of housing to meet those needs;

(4) Estimates of resources available to meet those needs;

(5) A list of the agency’s priorities in meeting the housing needs
of the residents of the State; and

(6) An estimate of the extent and nature of the agency’s financial
participation in housing projects for the next two years.

c. The agency shall annually review the housing program con­
tent of its actions in light of the powers granted in this act and of
the goals and priorities established in its financing strategy.

42. Each qualified housing sponsor granted a loan from the
agency, or any builder, contractor or subcontractor engaged by the
qualified housing sponsor for the construction or rehabilitation of
any housing project, shall pay the workmen employed in the
performance of any contract for such construction or rehabilita­
tion not less than the prevailing wage rate. The prevailing wage
rate shall be determined by the Commissioner of the New Jersey
Department of Labor in all cases, except that the prevailing rate
shall be determined by the Secretary of the United States Depart­
ment of Labor in accordance with the Davis-Bacon Act as amended
(40 U. S. C. 276a to 276a-5), when the loan from the agency
for the construction or rehabilitation of a housing project or the
tenants of the housing project is the subject of direct or indirect
federal assistance other than the federal tax exemption of the
interest paid on the agency obligations.
The Commissioner of Labor is authorized to, and shall, determine the prevailing wage rate and shall establish the prevailing wage in the locality in which the construction or rehabilitation of any housing project is to be performed for each craft or trade or classification of all workmen employed in the performance of such construction or rehabilitation, as if such construction or rehabilitation were "public work" within the meaning of P. L. 1963, c. 150 (C. 34:11-56.25 et seq.). For the purpose of carrying out the provisions of this section, the Commissioner of Labor and any workmen employed in the performance of any contract for the construction or rehabilitation of any housing project shall have and may exercise or perform any right, power or duty granted or imposed upon them by P. L. 1963, c. 150.

43. All officers, departments, boards, agencies, divisions and commissions of the State are hereby authorized and empowered to render any services to the agency as may be within the area of their respective governmental functions as fixed or established by law, and as may be requested by the agency. The cost and expense of any such services shall be met and provided for by the agency.

44. No person shall be discriminated against because of race, religious principles, color, national origin or ancestry by the agency, any housing sponsor, any institutional lender, or any loan originator or any agent or employee thereof in connection with any housing project or eligible loan. No person shall be discriminated against because of age in admission to, or continuance of occupancy in, any housing project receiving assistance under this act except for any housing project constructed under a governmental program restricting occupancy of at least 90% of the dwelling units to persons 62 years of age or older and any members of their immediate households or their occupant surviving spouses, or constructed as a retirement subdivision or retirement community as defined in the "Retirement Community Full Disclosure Act," P. L. 1968, c. 215 (C. 45:22A-1 et seq.). Any person who violates the provisions of this section is a disorderly person.

45. It is the intent of the Legislature that in the event of any conflict or inconsistency in the provisions of this act and any other acts pertaining to matters herein established or provided for or in any rules and regulations adopted under this act or said other
acts, to the extent of such conflict or inconsistency, the provisions of this act and the rules and regulations adopted hereunder shall be enforced and the provisions of such other acts and rules and regulations adopted thereunder shall be of no effect.

46. This act shall be construed liberally to effectuate the legislative intent and the purposes of this act as complete and independent authority for the performance of every act and thing herein authorized and all powers herein granted shall be broadly interpreted to effectuate such intent and purposes and not as a limitation of powers.

47. If any clause, sentence, subdivision, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part thereof directly involved in the controversy in which said judgment shall have been rendered.

48. The following are repealed:

P. L. 1970, c. 38 (C. 17:1B-4 to 17:1B-25 inclusive);

counties designated by the Governor, shall be established for the purpose of issuing an annual report to the Governor and the Legislature to evaluate the expenditures which are made from the fund. The fund shall be credited with 10.75% of the tax revenues collected pursuant to section 3 of P. L. 1980, c. 62 (C. 54:32C-3). Interest received on moneys in the fund shall be credited to the fund. Pursuant to the formula set forth in section 5 of this act, moneys appropriated pursuant to law shall only be distributed to the counties by the Department of Health, without the assessment of administrative costs, to develop and implement a comprehensive plan for the treatment of intoxicated persons and alcoholics and for the expenditures established in section 2 of this act.

C. 26:2B-3 Plan for community services.

4. (New section) a. Within 180 days of the enactment of this act, the governing body of each county, in conjunction with the county agency, or individual, designated by the county with the responsibility for planning services and programs for the care or rehabilitation of intoxicated persons and alcoholics, shall submit to the Director of the Division of Alcoholism a comprehensive plan for the provision of community services to meet the needs of intoxicated persons and alcoholics.

b. The comprehensive plan shall address the needs of urban areas with a population of 100,000 or over and shall demonstrate linkage with existing resources which serve alcoholics and their families. Special attention in the plan shall be given to alcoholism and youth; drinking drivers; women and alcoholism; alcoholism on the job; alcoholism and crime; public information; and educational programs as defined in subsection c. of this section. Each county shall identify, within its comprehensive plan, the Intoxicated Driver Resource Center which shall service its population, as is required under subsection (f) of R. S. 39:4-50. The plan may involve the provision of programs and services by the county, by an agreement with a State agency, by private organizations, including volunteer groups, or by some specified combination of the above.

If the State in any year fails to deposit a minimum of 10.75% of the receipts derived from the tax under section 3 of P. L. 1980, c. 62 (C. 54:32C-3), a county may reduce or eliminate, or both, the operation of existing programs currently being funded from the proceeds deposited in the Alcohol Education, Rehabilitation and Enforcement Fund.

c. Programs established with the funding for education as pro-
vided in section 2 of this act shall include all courses in the public schools required pursuant to N. J. S. 18A:35-4, programs for students included in the comprehensive plan for each county, and in-service training programs for teachers and administrative support staff including nurses, guidance counselors, child study team members, and librarians. All moneys dedicated in section 2 of this act for education shall be allocated through the designated county alcoholism agency and all programs shall be consistent with the comprehensive county plan submitted to the Director of the Division of Alcoholism pursuant to this section. Moneys dedicated to education from the fund shall be first allocated in an amount not to exceed 20% of the annual education allotment for the in-service training programs, which shall be conducted in each county through the office of the county alcoholism coordinator in consultation with the county superintendent of schools, local boards of education, local councils on alcoholism and institutions of higher learning, including the Rutgers University Center of Alcohol Studies. The remaining money in the education allotment shall be assigned to offset the costs of programs such as those which assist employees, provide intervention for staff members, assist and provide intervention for students and focus on research and educate about youth and drinking. These funds shall not replace any funds being currently spent on education and training by the county.

d. The governing body of each county, in conjunction with the county agency, or individual, designated by the county with responsibility for services and programs for the care or rehabilitation of intoxicated persons and alcoholics, shall establish a citizens' advisory committee to assist the governing body in development of the comprehensive plan. The advisory committee shall consist of no less than 10 nor more than 16 members and shall be appointed by the governing body. At least two of the members shall be recovering alcoholics. The committee shall include representatives from among the judges assigned to the county, the county prosecutor or his designee, a wide range of public and private organizations involved in the treatment of alcohol-related problems and other individuals with interest or experience in issues concerning alcohol abuse. Each committee shall, to the maximum extent feasible, represent the various socioeconomic, racial and ethnic groups of the county in which it serves.

e. The Director of the Division of Alcoholism shall review a plan pursuant to a procedure developed by the director in conjunction with the Advisory Council on Alcoholism established pursuant to
section 4 of P. L. 1975, c. 305 (C. 26:2B-10). In determining whether to approve a comprehensive plan under this act, the director shall consider whether the plan is designed to meet the goals and objectives of the “Alcoholism Treatment and Rehabilitation Act,” P. L. 1975, c. 305 (C. 26:2B-7 et seq.) and whether implementation of the plan is feasible. Each county plan submitted to the director shall be presumed valid; provided it is in substantial compliance with the provisions of this act. Where the department fails to approve a county plan, the county may request a court hearing on that determination.

C. 26:2B-34 Allotment formula.

5. (New section) a. Allotments to each county whose comprehensive plan is approved pursuant to the provisions of section 4 of this act shall be made on the basis of the following formula:

\[
\text{County Allotment} = \frac{\text{Population of County} \times \text{Total Funds Appropriated}}{\text{Population of State}} \times \left\{ \frac{\text{Per Capita Income of State (3 yr. average)}}{\text{Per Capita Income of County (3 yr. average)}} \times \frac{\text{Need in County}}{\text{Need in State}} \right\} + 0.5 \times \frac{\text{Need in County}}{\text{Need in State}}
\]

in which Need in County and Need in State are estimates of the prevalence of alcoholism according to the current New Jersey Behavioral Health Services Plan. The funds dedicated for the provision of educational programs pursuant to section 2 of this act shall be allocated to the counties on the basis of this formula.

b. As a condition for receiving the allotment calculated in subsection a. of this section, a county shall contribute a sum not less than 25% of that county’s allotment to fund community services for intoxicated persons and alcoholics pursuant to the county’s comprehensive plan. Those alcoholism education and treatment programs already existing in a county may be combined under the county plan which establishes the comprehensive plan to be approved by the Director of the Division of Alcoholism in the Department of Health. In determining the sum of money to be contributed by each county, the required 25% minimum county contribution may include any moneys currently appropriated by the county to meet the needs of the alcoholism programs.
C. 26:2B-35 Distribution of enforcement moneys.

6. (New section) a. Moneys dedicated for enforcement pursuant to section 2 of this act shall be distributed as follows:

(1) One-third shall be distributed to the "Municipal Court Administration Reimbursement Fund" pursuant to subsection b. of this section.

(2) Two-thirds shall be distributed in the "Drunk Driving Enforcement Fund" established pursuant to P. L. 1983, c. .... (C. ......... ) (now pending before the Legislature as Assembly Bill 2262 of 1982).

b. (1) Each municipality in this State shall present to the Administrative Office of the Courts, before December 31, 1983, the number of drunk driving arrests in the municipality during calendar year 1980. This number shall be the base year number of arrests. Beginning January 15, 1984, and each year thereafter the municipality shall report to the Administrative Office of the Courts the number of drunk driving arrests made in its municipality during the preceding calendar year.

(2) The Administrative Office of the Courts shall certify the amounts submitted by each municipality and shall calculate for each municipality any increase in the number of arrests between the base year and the number of arrests reported for the preceding calendar year. The Administrative Office of the Courts shall then calculate the sum of all increases for all municipalities reporting.

(3) Beginning for calendar year 1983, the following fraction shall be calculated for each municipality:

The increase in drunk driving arrests in the municipality between the base year and the preceding year over the total of increases in drunk driving arrests between the base year and the preceding year in all reporting municipalities in the State.

This fraction shall be multiplied by the total amount of the money available in the "Municipal Court Administration Reimbursement Fund" in the preceding calendar year. This amount shall be allocated to the municipality for the purpose of maintaining its municipal court which may include payments to municipal court judges, municipal prosecutors and other municipal court personnel for work performed in addition to regular employment hours.

7. This act shall take effect immediately but shall remain inoperative until the following bills, now pending before the Legisla-

This act shall apply to alcoholic beverages delivered to retail licensees on and after the first day of the second month following enactment even though rendered under a contract entered into prior to that date.

The revocation or suspension of a broker's license shall automatically suspend every real estate salesman's license granted to employees of the broker whose license has been revoked or suspended, pending a change of employer and the issuance of a new license. The new license shall be issued without additional charge, if the same is granted during the year in which the original license was granted.

6. (New section) The commissioner is authorized to collect the balance of any fee due under section 15 of P. L. 1938, c. 322 (C. 17:16A-15), section 21 of P. L. 1960, c. 32 (C.17:22-6.55), or section 30 of P. L. 1975, c. 106 (C. 17:46B-30), by virtue of its increase pursuant to this 1983 amendatory and supplementary act, on or after its effective date.

7. (New section) The Commissioner of Insurance is authorized to collect the balance of any fee due under R. S. 45:15-15 by virtue of its increase pursuant to this 1983 amendatory and supplementary act, on or after its effective date.

9. This act shall take effect immediately and shall be retroactive to May 1, 1983, but shall remain inoperative until the enactment of Assembly Bill No. 3571 of 1983.

Approved January 17, 1984.

17B:22-9. a. An application for an agent’s, broker’s or solicitor’s license shall be filed in the office of the commissioner in writing.

Any person not now engaged in the insurance business in this State as agent, broker or solicitor and hereafter desiring to engage in said business as agent, broker, or solicitor, and any licensed agent, broker or solicitor hereafter desiring to be licensed for additional kinds of insurance shall apply to the commissioner for a license authorizing him to engage in and transact such business, or

C. 17B:22-9a Educational requirement.
6. (New section) The commissioner may prescribe and furnish forms calling for any information he deems proper in connection with the application for or renewal of licenses.

Before a first-time applicant for an insurance agent's, broker's or solicitor's license shall be admitted to a written examination, the applicant shall be required to have taken and successfully completed a program of studies established by regulation of the commissioner to the end that the applicant shall be reasonably familiar with the kinds of insurance for which he desires to be licensed.

The commissioner may waive the educational requirement set forth herein if the commissioner is satisfied that the applicant possesses sufficient knowledge of the kinds of insurance for which such applicant desires a license in the following cases:

a. Where an applicant has previously been licensed in New Jersey for the same authority.

b. Where an applicant has previously been licensed in another state for that authority.
The commissioner may establish rules and regulations with respect to continuing education requirements.

7. N. J. S. 17B:22-11 is amended to read as follows:

Examination.

17B:22-11. Except as provided in section 17B:22-12, each applicant for a license shall submit to a written examination to determine his competence with respect to the life insurance, health insurance or annuity business or combination thereof which he proposes to transact and his familiarity with the pertinent provisions of the laws of this State, and shall pass the same to the satisfaction of the commissioner.

The commissioner shall issue a license to a first time applicant or applicant for renewal of license when he has satisfied himself, upon evidence presented, that the applicant is trustworthy and competent to act as an agent, broker, or solicitor.

If the applicant is a nonresident who wishes to qualify by taking an examination, the commissioner may, in his discretion, forward the examination paper or papers to the insurance supervisory authority of the state in which the applicant has his resident license, for the purpose of having such official administer the taking of the examination by the applicant in accordance with the instructions of the commissioner. In such event, the examination paper or papers shall be returned to and be graded by the commissioner for the purpose of determining whether the applicant has passed.

8. N. J. S. 17B:22-12 is amended to read as follows:

Exemptions.

17B:22-12. No written examination shall be required of:

a. An applicant who is the holder of a valid license issued by the commissioner or an applicant for a renewal license, except in a case where the commissioner has good and sufficient cause to believe that the applicant for renewal has demonstrated incompetency in the conduct of his business to the detriment of the insurance-buying public;

b. An applicant whose license to do business or act as an insurance agent, broker or solicitor for life insurance, health insurance or annuities in this State has expired less than three years prior to the date of application. If the applicant has permitted his license to lapse for a period of more than three years, he must submit to and pass an examination the same as a new applicant,
except where the applicant is a veteran who meets the requirements of subsection g. hereunder, when no reexamination shall be required;

c. An applicant who is a ticket-selling agent or other representative of a public carrier and who shall act under a restricted license only as an agent with respect to accident insurance ticket policies covering the risks of travel;

d. An applicant who shall act under a restricted license only as an agent with respect either to credit life or credit health insurance or to life or accident insurance covering the risks of travel, issued by means of mechanical vending machines supervised by him and located solely in terminal facilities of common carriers;

e. (Deleted by amendment, P. L. 1983, c. 533.)

f. An applicant whose previous license has been revoked or suspended; provided this examination exemption is only at the discretion of the commissioner; or

g. An applicant who is a citizen of New Jersey and has served in the Armed Forces of the United States and has been honorably discharged or released under conditions other than dishonorable and was the holder at any time of an agent's license or a broker's license in New Jersey, which authorized the applicant to transact the business of life insurance, health insurance or annuity;

h. An applicant who provides certification that he is a designated Chartered Life Underwriter;

i. If the applicant is duly licensed in another state, provided the state issuing such license requires no like examination of licensees of New Jersey, the commissioner shall have the power to enter into written reciprocal agreements with other states where he deems it to be necessary.

If the laws of another state require the sharing of commissions with resident agents of that state on applications for life insurance, health insurance or annuity written by nonresident agents, then the same provision shall apply when resident agents of that state, licensed as nonresident agents of New Jersey, write applications for life insurance, health insurance or annuity on residents of this State.

9. N. J. S. 17B:22-13 is amended to read as follows:

Rules, regulations.

17B:22-13. a. The commissioner may establish rules and regulations with respect to:
(1) The scope, type and conduct of written examinations.

(2) The times and places within this State when they shall be held.

(3) Educational requirements and the qualification of schools offering a prescribed course of instruction.

b. Examinations for agents' licenses shall be held at least twice in each month.

C. 17B:22-10.1 Insurance agents.

10. (New section) Any insurance company lawfully authorized to transact business in this State may, by a written certificate of authority, contract with and appoint as its representative in this State, as its agent, any person who holds an unexpired certificate of authority issued prior to the effective date of this act, or a license issued under the provisions of chapter 22 of Title 17B of the New Jersey Statutes. Such company shall file with the commissioner a certificate showing the names and addresses of such appointees and shall pay a fee of $20.00 for each company appointment so made. Such contract and appointment shall contain the essentials of the duties, responsibilities and limitations of authority between the representative and the appointing company and said representative must abide by the terms of said contract.

An insurance company which has a written certificate of authority with a representative and which has filed such a certificate with the commissioner may, upon request to and on form approved by the commissioner, obtain a listing of the names and addresses of those insurance companies which have also issued a certificate of authority to the same representative. The commissioner shall have the authority to designate an appropriate fee to be charged to the requesting company based on an appropriate amount needed to offset the cost of producing the information requested.

If an agency is operating its business affairs as a partnership or corporation, such certificate of authority may be issued by such company in the name of that partnership or corporation, which certificate shall permit that partnership or corporation to be licensed as an insurance agent; provided all individuals actively engaged in the insurance business of such agency hold an unexpired agent's license issued in accordance with the provisions of chapter 22 of Title 17B of the New Jersey Statutes. The payment of one agency appointment fee by each insurance company represented by said agency shall cover all of its licensed agents in said agency.
Such certificate of authority shall remain in full force and effect until the license as agent is revoked by the commissioner as provided in chapter 22 of Title 17B of the New Jersey Statutes or canceled by the company upon written notice to that effect filed with the commissioner. Any licensed insurance agent who is a stockholder, officer or agent of any such corporation may be authorized by it to act for such corporation. Nothing contained in this section shall vest in any individual stockholder, officer or agent of any such corporation, any vested interest, claim, title or proprietary right in the agency franchise or otherwise, separate and apart from the title, franchise or proprietary right of the said corporation.

11. N. J. S. 17B:22-20 is amended to read as follows:

Reciprocal agreements.

17B:22-20. The commissioner shall have the power to enter into written reciprocal agreements with the appropriate supervisory insurance official of any other state waiving the written examination of any applicant resident in such other state, provided:

a. A written examination is required of applicants for an agent's, broker's or solicitor's license to write life insurance, health insurance or annuities in such other state.

b. The appropriate supervisory insurance official of such other state certifies that the applicant holds a currently valid license as an agent, a broker or solicitor to write life insurance, health insurance or annuities in such other state, and

(1) Passed a written examination, or
(2) Was the holder of a license prior to the time a written examination was required, or
(3) Was not required to take such examination by reason of provisions of the applicable licensing law.

c. That in such other state, a resident of this State is privileged to procure an agent's, broker's or solicitor's license upon the foregoing conditions and without discrimination as to fees or otherwise in favor of residents of such other state.

12. N. J. S. 17B:22-25 is amended to read as follows:

2-year licenses; renewal.

17B:22-25. a. Every license issued to an agent or nonresident agent shall continue in force until May 1 of the next odd numbered year after its issue and by renewal thereof before May 1 of each odd numbered year, and every license issued to a broker, nonresident broker or solicitor shall continue in force until October
1 of the next even numbered year after its issue and by renewal thereof before October 1 of each even numbered year, or until suspended or revoked by the commissioner or, in case of an agent, nonresident agent or solicitor, until the appointment is terminated by the agent or broker.

b. In the absence of a contrary ruling by the commissioner, a renewal license shall be issued biennially subject to the payment of the renewal license fee as required in section 17B:22-23. A renewal license shall only be issued after a renewal application therefor, as required by the commissioner, has been submitted by the individual licensee, along with the payment of the renewal license fee as required in section 17B:22-23, and has been approved by the commissioner.

c. An insurer shall upon the termination of the appointment of an agent, and any broker or agent shall upon the termination of the appointment of any solicitor, immediately file a written notice of termination with the commissioner together with a statement of facts relative to the termination of appointment and the date and cause thereof. Any statement to the commissioner pursuant to this section shall be deemed a privileged communication and this statement shall not be used in evidence in any court action or other proceeding. This does not preclude the insurance department from subpoenaing the insurer's records and using these records in a court action or other proceeding.

13. N. J. S. 17B:22-26 is amended to read as follows:

**Temporary licenses.**

17B:22-26. a. The commissioner is authorized to promulgate regulations containing educational standards and such other qualifications that he may deem proper for temporary licenses. Such regulations may also contain provisions governing the conduct of the holder of any such temporary license. Such temporary license shall be valid for a period not in excess of six months and may be revoked at any time within said period by the commissioner for cause. After the promulgation of such regulations as the commissioner shall deem proper, he shall be empowered to issue a temporary license to any applicant who shall qualify for the same.

b. The commissioner may also issue a temporary license to act as agent or broker to an individual otherwise qualified therefor without regard to educational, experience or examination requirements in the following cases:
(1) To the surviving spouse or next of kin or to the administrator or executor of a deceased agent or broker.

(2) To the spouse, next of kin, employee or legal guardian of an agent or broker who has become mentally or severely physically disabled.

(3) To a designee of a licensed agent or broker entering into active service of the Armed Forces of the United States of America.

Such temporary license shall continue only until the agent or broker can qualify under the provisions of sections 17B:22-9 to 17B:22-13, inclusive, and shall not exceed a period of six months, except at the discretion of the commissioner, when the temporary licensee is acting as an executor or administrator or otherwise endeavoring to settle or dispose of the estate.

c. An applicant for a temporary license shall file an application with the commissioner in such form and containing such information as the commissioner may reasonably require. No such license shall issue until payment of the applicable fee as prescribed in section 17B:22-23. Application for temporary license under subsection b. must be made within three months of the death, disability or entering into active service of the licensed agent or broker.

14. N. J. S. 17B:22–27 is amended to read as follows:

Denial, revocation, suspension, nonrenewal.

17B:22–27. a. The commissioner may refuse to issue and may revoke, suspend or refuse to renew a license issued under this chapter if he finds after notice and an opportunity for a hearing in accordance with the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B–1 et seq.), and any rules adopted thereunder that the applicant for or holder of such license has:

(1) Willfully violated any provisions of the insurance laws of this State; or

(2) Intentionally withheld material information or made a material misstatement in the application to qualify for such license; or

(3) Obtained or attempted to obtain a license by fraud or misrepresentation; or

(4) Committed fraudulent practices; or

(5) Misappropriated or converted to his own use or is illegally withholding moneys belonging to insurers, policyholders or others and received in the conduct of his business; or
(6) Obtained or has used such license not for the purpose of holding himself out to the general public as an agent, broker, or solicitor, but primarily for the purpose of soliciting or negotiating "controlled business," that is life insurance, health insurance or annuity contracts covering himself, members of his family, members or employees of any organization of which the holder is an officer, or officers or employees of a partnership or corporation in which the holder or his mother, father, sister, brother or wife or combination of such persons owns a controlling interest.

Such a license shall be deemed to have been used principally for the purpose of writing controlled business if the commissioner finds that during any 12-month period the aggregate commissions or other compensation accruing or to accrue from such controlled business have exceeded or will exceed the aggregate commissions or other compensation accruing or to accrue on other business written or probably to be written by such applicant or licensee during the same period; or

(7) Materially misrepresented the terms and conditions of policies or contracts of insurance or annuity which he seeks to sell or has sold; or

(8) Paid all or part of his commission to a person who does not hold a license hereunder as compensation for services rendered in the solicitation or negotiation of life or health insurance or annuity contracts in this State or to a person who is not properly licensed as agent or broker under the laws of another state as compensation for services rendered in the solicitation or negotiation of life or health insurance or annuity contracts in that state; or

(9) Aided, abetted or assisted another person in violating any of the insurance laws of this State; or

(10) Been convicted of a crime involving moral turpitude; or

(11) Changed the address of his place of business without due notice to the commissioner, and the commissioner, after diligent effort, is unable to locate the licensee. The sending of a letter by certified mail, with return receipt requested, to the licensee's last known address shall be deemed to satisfy the requirements of this subsection; or

(12) Demonstrated unworthiness, lack of integrity, bad faith, dishonesty or incompetency to transact business as an agent, non-resident agent, broker, nonresident broker or solicitor.
b. As an alternative to such suspension, revocation or refusal to renew, the commissioner may impose a fine of not more than $2,000.00 for each separate offense which the licensee may elect to pay to the commissioner in lieu of such suspension, revocation or refusal to renew.

15. N. J. S. 17B:22-31 is amended to read as follows:

**Penalties.**

17B:22-31. Any individual, partnership or corporation violating any of the provisions of this chapter, for which violation no other penalty is provided in this chapter, shall be liable to a penalty not exceeding $2,000.00 for the first offense and not exceeding $3,000.00 for each succeeding offense, to be recovered in a summary proceeding in accordance with “the penalty enforcement law,” N. J. S. 2A:58-1 et seq.

16. N. J. S. 17B:22-34 is amended to read as follows:

**Provinces of Canada included.**

17B:22-34. The references to “state” in this chapter, other than to “this State,” shall be deemed to include the Provinces of Canada.

17. Section 12 of P. L. 1944, c. 175 (C. 17:22-6.12) is amended to read as follows:

**C. 17:22-6.12 Renewal licenses.**

12. Renewal of all certificates of authority and licenses in force on the effective date of this act, as they expire, and renewal of all licenses issued under this act, as they expire, shall be by license issued by the commissioner upon application in writing by the applicant, subject to the conditions of examination of such applicants as set forth in section 9 for renewal of license, and upon payment of the annual license fee. Such renewal license shall, in the case of an agent or solicitor, be limited to the group or groups of the kinds of insurance for which applicant was licensed during the preceding year. If the application be for the renewal of a solicitor’s license it shall be accompanied by a written request as provided in section 6 of this act. All present employees of agents or brokers who hold a broker’s license shall have such license renewed upon expiration as a solicitor’s license, in accordance with the terms and conditions of this act. The holder of a present broker’s license may have the same renewed as such if he is an independent contractor. The commissioner may establish rules and regulations with respect to continuing education requirements.
18. Section 14 of P. L. 1944, c. 175 (C. 17:22-6.14) is amended to read as follows:

14. Any insurance company lawfully authorized to transact business in this State may, by a written certificate of authority, contract with and appoint as its representative in this State, as its agent or agents, any person or persons who hold an unexpired certificate of authority issued prior to the effective date of this act, or a license issued under the provisions of this act. Such company shall file with the commissioner a certificate showing the names and addresses of such appointees and shall pay a fee of $5.00 for each company appointment so made. If the licensed agent is to be authorized to countersign policies by an attorney or attorneys in fact, the names of person or persons authorized to act as such attorney or attorneys in fact for such agent shall be stated in the certificate of appointment or a separate certificate duly executed by the company and filed in the office of the commissioner. If an agency is operating its business affairs as a copartnership or corporation, such certificate of authority may be issued by such company in the name of such copartnership or corporation, which certificate shall permit such copartnership or corporation to be licensed as an insurance agent under this act; provided all individuals actively engaged in the insurance business of such agency hold an unexpired agent’s license issued in accordance with the provisions of this act. The payment of one agency appointment fee by each insurance company represented by said agency shall cover all of its licensed agents in said agency. Such certificate of authority shall remain in full force and effect until the license as agent is revoked by the commissioner as provided in this act or canceled by the company upon written notice to that effect filed with the commissioner. Any licensed insurance agent who is a stockholder, officer or agent of any such corporation may be authorized by it to act for such corporation. Nothing contained in this act shall vest in any individual stockholder, officer or agent of any such corporation, any vested interest, claim, title or proprietary right in the agency franchise or otherwise, separate and apart from the title, franchise or proprietary right of the said corporation.

An agent duly licensed and appointed by an insurer authorized to transact business in this State may transact business for any subsidiaries or affiliates of said insurer that are duly licensed in this State for the same line or lines of insurance without securing
additional licenses or certificates of authority, provided a certified copy of a resolution adopted by the board of directors of each of the insurers requesting such authority is filed with the commissioner by each of the insurers and renewed and refiled whenever deemed necessary by the commissioner. The resolution shall also designate the primary insurer for which all of the company’s agents must be licensed pursuant to this section, and said license must be in full force and effect in order to transact business for any of the affiliated or subsidiary insurers.

19. Section 1 of P. L. 1962, c. 211 (C. 17:22-6.16a) is amended to read as follows:

C. 17:22-6.16a Penalty as alternative.

1. In any case in which the commissioner has the power to revoke, refuse to renew or suspend the license of any insurance broker, agent or solicitor, the commissioner shall also have the power to impose as an alternative to such revocation, refusal to renew, or suspension, a penalty which the licensee may elect to pay to the Department of Insurance in lieu of such revocation, refusal to renew, or suspension. The maximum penalty shall be $2,000.00 for each such separate offense.

20. Section 25 of P. L. 1944, c. 175 (C. 17:22-6.25) is amended to read as follows:

C. 17:22-6.25 Penalties for violations.

25. Any person, persons or corporation violating any of the provisions of this act shall be liable to a penalty not exceeding $2,000.00 for the first offense and not exceeding $3,000.00 for each succeeding offense to be recovered in a summary proceeding as provided in R. S. 17:33-2.

21. N. J. S. 17B:28-3 is amended to read as follows:

Certificate to sell.

17B:28-3. Certificate to sell. a. No agent or solicitor employed by an agent heretofore or hereafter licensed shall be authorized to sell or act or aid in any manner in the negotiation of a contract on a variable basis until he has received a certificate to sell contracts on a variable basis from the commissioner, which certificate shall not be issued by the commissioner until such agent or solicitor has qualified by personal examination, to the satisfaction of the commissioner, as to his trustworthiness and competence to act as such agent or solicitor.
b. Before a first-time applicant for a license to solicit and negotiate contracts on a variable basis shall be admitted to the examination, the applicant shall be required to concurrently hold an agent’s license granting authority to solicit and negotiate contracts of life insurance in this State or hold a license to act as a solicitor for such an agent. Application for a license must be made on such forms as the commissioner may prescribe.

c. The examination fee shall be $25.00 for each examination scheduled and such examination fee shall not be returned for any reason. The license fee shall be $25.00. A renewal license shall be issued biennially subject to the payment of the renewal license fee as required by this section and upon request of the insurer. Licenses issued in accordance with this section shall expire on April 30 of each odd numbered year.

d. No written examination shall be required of:

(1) An applicant who is the holder of a valid agent’s or solicitor’s license issued pursuant to this section by the commissioner or an applicant for a renewal of such license, except in a case where the commissioner has good and sufficient cause to believe that the applicant for renewal has demonstrated incompetence in the conduct of his business as such agent or solicitor to the detriment of the public;

(2) An applicant whose license to do business as an agent or solicitor issued pursuant to this section has expired less than three years prior to the date of application. If the applicant has permitted his license to lapse for a period of more than three years he must submit to and pass an examination in the same manner as a new applicant, except where the applicant is a veteran who meets the requirements of paragraph (4) hereunder, when no re-examination shall be required;

(3) An applicant whose previous license issued pursuant to this section has been revoked or suspended; provided this examination exemption is only at the discretion of the commissioner;

(4) An applicant who is a citizen of New Jersey and has served in the Armed Forces of the United States and has been honorably discharged or released under conditions other than dishonorable and was the holder at any time of a license in New Jersey which authorized the applicant to solicit or negotiate contracts on a variable basis;

(5) Any individual seeking a variable license who, in the discretion of the commissioner, has satisfied the requirements and
successfully passed all the examinations of the National Association of Securities Dealers required to secure a registration to sell securities by the National Association of Securities Dealers in compliance and conformity with the rules and regulations promulgated by the federal Securities and Exchange Commission.

e. 1. Notwithstanding any provisions of law to the contrary, when any governing body of a county determines that all or any part of a tract of land, with or without improvements, owned by the county is not then needed for county purposes, it may, by resolution or ordinance, as appropriate, authorize a private sale and conveyance of the same, or any part thereof, to a municipality in the county without compliance with any other law governing disposal of lands by counties, for a consideration which may be nominal, and containing a limitation that such lands or buildings shall be used only for public purposes of such municipality, and that if said lands or buildings are not used in accordance with said limitation, title thereto shall revert to the county without any entry or reentry made thereon on behalf of such county.

CHAPTER 535

AN ACT concerning the performance of dissections or autopsies in certain circumstances.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:17B-88.1 Definitions.

1. As used in this act:

a. "Compelling public necessity" means

(1) That the dissection or autopsy is essential to the criminal investigation of a homicide of which the decedent is the victim; or

(2) That the discovery of the cause of death is necessary to meet an immediate and substantial threat to the public health and that a dissection or autopsy is essential to ascertain the cause of death; or

(3) That the death was that of an inmate of a prison, jail or penitentiary; or

(4) That the death was that of a child under the age of 12 years suspected of having been abused or neglected or suspected of being
a threat to public health, and the cause of whose death is not apparent after diligent investigation by the medical examiner; or

(5) That the need for a dissection or autopsy is established pursuant to the provisions of section 4 of this act.

b. "Friend" means any person who, prior to the decedent’s death, maintained close contact with the decedent sufficient to render that person knowledgeable of the decedent’s activities, health and religious beliefs; and who presents an affidavit stating the facts and circumstances upon which the claim that the person is a friend is based and stating that the person will assume responsibility for the lawful disposition of the body of the deceased.

C. 52:17B-88.2 Contrary to religious beliefs.

2. Notwithstanding any other provision of law to the contrary, no dissection or autopsy shall be performed, in the absence of a compelling public necessity, over the objection of a member of the deceased’s immediate family or in the absence thereof, a friend of the deceased that the procedure is contrary to the religious beliefs of the decedent or if there is an obvious reason to believe that a dissection or autopsy is contrary to the decedent’s religious beliefs.

C. 52:17B-88.3 48-hour notice.

3. Whenever, in the opinion of a medical examiner, there is a compelling public necessity under paragraphs (1), (2), (3), and (4) of subsection a. of section 1 of this act to perform an autopsy or dissection, and a member of the deceased’s immediate family or, in the absence thereof, a friend objects that the autopsy or dissection is contrary to the religious beliefs of the deceased or there is an obvious reason to believe that the autopsy or dissection is contrary to the religious beliefs of the deceased, then no dissection or autopsy shall be performed until 48 hours after notice thereof is given by the medical examiner to the objecting party, or, if there is no objecting party, to such party as the court may name. During that 48-hour period, the objecting party or the party named by the court may institute action in the Superior Court to determine the propriety of the dissection or autopsy, but the court may dispense with the waiting period upon ex parte motion if it determines that the delay may prejudice the accuracy of the autopsy or dissection.

C. 52:17B-88.4 Show-cause order.

4. Whenever, in the opinion of a medical examiner, there is a compelling public necessity in circumstances not provided for in paragraphs (1), (2), (3) and (4) of section 1 of this act to perform an autopsy or dissection, and a member of the deceased’s immedi-
ate family or, in the absence thereof, a friend objects that the autopsy or dissection is contrary to religious beliefs of the deceased or there is an obvious reason to believe that the autopsy or dissection is contrary to the religious beliefs of the deceased, then the medical examiner may institute an action in the Superior Court for an order authorizing the autopsy or dissection. The action shall be instituted by an order to show cause on notice to the member of the deceased's immediate family or friend, or if none is known, then to such party as the court may direct.

C. 52:17B-88.5 Summary proceeding.
5. Any action brought pursuant to the provisions of this act shall have preference over all other cases and shall be determined summarily upon the petition and oral or written proof, if any, offered by the parties. The court shall permit the autopsy or dissection to be performed if it finds that the medical examiner established a compelling public necessity for the autopsy or dissection under all of the circumstances of the case or if the objecting party or party named by the court fails to swear or affirm that an autopsy or dissection would be contrary to the deceased's religious beliefs. If permission to perform an autopsy or dissection is denied and no stay is granted by the court or by the Appellate Division, the body shall immediately be released for burial.

C. 52:17B-88.6 Least intrusive procedure.
6. A dissection or autopsy performed pursuant to this act shall be the least intrusive procedure consistent with the compelling public necessity.
7. This act shall take effect on the thirtieth day after enactment.
Approved January 17, 1984.

CHAPTER 536

A Supplement to the "Relocation Assistance Act," approved December 21, 1971 (P. L. 1971, c. 362; C. 20:4-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 20:4-4.1 Relocation costs.
1. a. In the case of any displacement of persons by housing or construction code enforcement, including any rehabilitation neces-
situated by that enforcement, in which the owner of the real property has, in any final court adjudication, been held liable for a civil or criminal penalty, all relocation costs incurred pursuant to sections 4 and 6 of P. L. 1971, c. 362 (C. 20:4-4 and 20:4-6) shall be paid by the owner of the real property to the public agency making relocation assistance payments upon presentation to the owner by the public agency of a statement of those relocation costs and of the date upon which the relocation costs are due and payable.

b. In the event that the relocation costs to be paid to a public agency with regard to any parcel of real property shall not be paid within 10 days after the date due, interest shall accrue and be due to the public agency on the unpaid balance at the rate of 18% per annum until the costs, and the interest thereon, shall be fully paid to the public agency.

c. In the event that the relocation costs to be paid to a public agency with regard to any parcel of real property shall not be paid within 10 days after the date due, the unpaid balance thereof and all interest accruing thereon shall be a lien on the parcel. To perfect the lien granted by this section, a statement showing the amount and due date of the unpaid balance and identifying the parcel, which identification may be sufficiently made by reference to the assessment map of the municipality, shall be recorded with the clerk or register of deeds and mortgages of the county in which the affected property is located, and upon recording, the lien shall have the priority of a mortgage lien. Whenever relocation costs with regard to the parcel and all interest accrued thereon shall have been fully paid to the public agency, the statement shall be promptly withdrawn or cancelled by the public agency.

d. The tax collector or other officer of every municipality charged by law with the duty of enforcing municipal liens on real property shall enforce, with and as any other municipal liens on real property in the municipality, all relocation costs and the lien thereof shown in any statement filed with him by any public agency pursuant to subsection c. of this section, and shall deposit in the municipal treasury the sums realized upon enforcement or upon liquidation of any property acquired by the municipality by virtue of enforcement. If the public agency placing a lien is other than an agency of the municipality, the municipality shall forthwith pay over to that public agency the sums or a pro rata share of the sums realized upon enforcement or upon liquidation of any property acquired by the municipality by virtue of that enforcement.
e. The owner of any parcel of real property shall have the right to appeal the requirement that the owner pay the relocation costs incurred pursuant to sections 4 and 6 of P. L. 1971, c. 362 (C. 20:4-4 and 20:4-6) on the grounds that the cause of the violations was outside his control and the abatement of code violations is economically unfeasible. Appeal shall be to the Superior Court, Law Division, in summary proceedings.

f. This section shall not require a municipality to enforce a lien for relocation costs with respect to any real property the title to which it has acquired and which has been transferred pursuant to a rehabilitation agreement.

2. This act shall take effect immediately.

Approved January 17, 1984.

CHAPTER 551

AN ACT providing for the distribution of certain funds to municipalities in certain cases for the purpose of offsetting property tax increases and establishing a "Pinelands Municipal Property Tax Stabilization Fund."

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 54:1-68 Short title.
1. This act shall be known and may be cited as the "Pinelands Municipal Property Tax Stabilization Act of 1983."

C. 54:1-69 Findings.
2. The Legislature finds: a. that since enactment of the "Pinelands Protection Act," P L. 1979, c. 111 (C. 13:18A-1 et seq.) there is an apparent causal relationship to a decline in the value of vacant land in the Pinelands area and a resultant shift in property taxes to other classes of property; b. that such a shift in property taxes is an inequitable and undesirable circumstance; c. that it is the responsibility of the State Government to protect the property owners in municipalities affected by the "Pinelands Protection Act" from a shift in property tax burden from vacant land to other classes of property owing directly to the enactment of that act; and d. that this protection is best provided by direct payments to municipalities experiencing a shift of property tax burden in amounts representing the property tax otherwise payable on vacant land but not being assessed by reason of the decline in the value of vacant land.

C. 54:1-70 Definitions.
3. As used in this act:

a. "Base year" means the calendar year 1980.
b. "Board" means the Pinelands Municipal Property Tax Stabilization Board created pursuant to section 4 of this act.
c. "Current tax year" means the most recent year for which a report is filed pursuant to section 6 of this act.
d. "Director" means the Director of the Division of Taxation in the Department of the Treasury.
e. "Pinelands National Reserve" means the approximately 1,000,000 acre area so designated by section 502 of the "National..."

g. “Tax rate” means that portion of the effective property tax rate for the current tax year which reflects local taxes to be raised for district school purposes and local municipal purposes, calculated by dividing the total of column 12, section C by net valuation on which county taxes are apportioned in column 11, both as reflected in the Abstract of Ratables for the current tax year, and expressed as a rate per $100.00 of true value.

h. “True value of vacant land” or “true value” means the aggregate assessed value of vacant land divided by the average ratio of assessed-to-true value of real property (commonly known as the equalization rate) promulgated by the director and published in the table of equalized valuation.

i. “Valuation base” means the change in the aggregate true value of vacant land directly attributable to the implementation of the “Pinelands Protection Act,” P. L. 1979, c. 111 (C. 13:18A-1 et seq.) in a qualified municipality when comparing the current tax year to the base year.

C. 54:1-71 Property tax stabilization board.

4. a. There is established in the Department of the Treasury the “Pinelands Municipal Property Tax Stabilization Board,” which shall comprise three members to be appointed by the Governor, with the advice and consent of the Senate, who shall be recognized experts in the field of taxation.

b. The board shall, within 90 days of the effective date of this act, establish procedures for determining the valuation base of a qualified municipality, whether fiscal stress has been caused by the implementation of the “Pinelands Protection Act,” P. L. 1979, c. 111 (C. 13:18A-1 et seq.) in a qualified municipality, and the amount due a qualified municipality to compensate for a decline in the aggregate true value of vacant land directly attributable to the implementation of the “Pinelands Protection Act,” P. L. 1979, c. 111 (C. 13:18A-1 et seq.).

C. 54:1-72 Fund established.

5. a. There is established in the General Fund, for the purpose of providing State aid to qualified municipalities a “Pinelands
CHAPTER 551, LAWS OF 1983

Municipal Property Tax Stabilization Fund." All moneys appropriated for purposes of this act shall be deposited in the "Pinelands Municipal Property Tax Stabilization Fund." Every qualified municipality shall be entitled to a distribution from the fund as prescribed in this act.

b. The State Treasurer shall include in his annual budget request for State aid the amount required for deposit in the "Pinelands Municipal Property Tax Stabilization Fund."

6. The assessor of every qualified municipality shall certify to the county tax board on a form to be prescribed by the director, and on or before December 1 annually, a report of the assessed value of each parcel of vacant land in the base year and the change in the assessed value of each such parcel in the current tax year attributable to successful appeals of assessed values of vacant land to the county tax board pursuant to R. S. 54:3-21 et seq. or attributable to a revaluation approved by the director and implemented or a reassessment approved by the county board of taxation. If a judgment or an appeal is overturned or modified, upon a final judgment an appropriate adjustment shall be made by the director in the payment of the entitlement due next following the judgment. For the purposes of qualifying for an entitlement, as prescribed in section 7 of this act, for the 1983 tax year the assessor shall file the report within 15 days of the effective date of this act.

C. 54:1-74 Valuation base.

7. a. Upon receipt of reports filed pursuant to section 6 of this act and using procedures developed by the board pursuant to section 4 of this act, the county tax board shall compute and certify to the director on or before December 20 of each year, in such manner as to identify for each qualified municipality the aggregate decline, if any, in the true value of vacant land, comparing the current tax year to the base year. The aggregate changes so identified for each qualified municipality shall constitute its valuation base for purposes of this act.

b. The director shall, on or before January 10 of each year, provide the board with all relevant information collected pursuant to the provisions of this act and any other information deemed necessary by the board to determine the valuation base.

c. Upon receipt of the information, the board shall make a final determination of the valuation base of each qualified municipality; calculate the amount due a qualified municipality, in accordance
with the procedures developed pursuant to section 4 of this act, to compensate for a decline, if any, by multiplying its valuation base by its tax rate; and certify to the director and the State Treasurer, on or before February 1 of each year, that amount to which each qualified municipality is entitled.

C. 54:1-75 Certification of entitlement amounts.

8. Upon receipt of the certification by the board, the State Treasurer shall certify to each qualified municipality, on or before February 15, its entitlement amount. A copy of the certified amounts shall be forwarded to the Director of the Division of Local Government Services.

C. 54:1-76 2 equal installments.

9. The State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall pay to each qualified municipality its entitlement as State aid from the sums available in the "Pinelands Municipal Property Tax Stabilization Fund" in two equal installments on or before August 1 and on or before November 1, annually.

C. 54:1-77 Land use ordinance revision.

10. Beginning in tax year 1984, no qualified municipality shall be entitled to a payment pursuant to section 7 of this act unless the municipality has revised its land use ordinance in compliance with subsection b. of section 11 of P. L. 1979, c. 111 (C. 13:18A-12).

C. 54:1-78 Priority.

11. If an appropriation made for purposes of this act is insufficient to pay all entitlements, those municipalities located in whole or in part in the preservation area, as designated in P. L. 1979, c. 111 (C. 13:18A-1 et seq.) and which have suffered fiscal stress as a result of the implementation of P. L. 1979, c. 111 (C. 13:18A-1 et seq.) shall have first priority in the disbursement of the amount due a qualified municipality under the procedures developed pursuant to section 4 of this act, and the entitlement for each qualified municipality not located in whole or in part in the preservation area shall be reduced in the same proportion as the remaining appropriation made is to the full entitlement amount.

C. 54:1-79 Anticipation in budget.

12. Any municipality receiving a certification from the State Treasurer pursuant to section 8 of this act shall anticipate such sums in its annual budget or any amendments or supplements thereto as a direct offset to the amount to be raised by taxation.
C. 54:1-80 Changes authorized.

13. a. The Director of the Division of Taxation in reviewing the reports filed pursuant to section 6 of this act may make such changes therein as he deems necessary to ensure that such reports accurately reflect the change in the assessed value of vacant land.

b. The Director of the Division of Local Government Services shall make such changes in the budget of any qualified municipality to ensure that all sums received pursuant to this act are utilized as a direct offset to the amount to be raised by taxation and shall make such changes therein as he deems necessary to ensure that such offset occurs.

C. 54:1-81 Not exemption.

14. Any sum received by a qualified municipality pursuant to this act shall not be considered as an exception or exemption under P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.).

C. 54:1-82 Commission established.

15. a. There is established a “Pinelands Municipal Property Tax Stabilization Commission” which shall comprise 10 members as follows: the Commissioner of Environmental Protection, the Director of the Division of Taxation in the Department of Treasury and the Chairman of the Pinelands Commission, or their designees, who shall serve ex officio; three members of the general public residing in the Pinelands National Reserve, appointed by the Governor with the advice and consent of the Senate; and four members of the Legislature, two to be appointed by the President of the Senate, each from a different political party and two to be appointed by the Speaker of the General Assembly, each from a different political party.

b. The Pinelands Commission shall submit a report to this commission documenting the long-term fiscal and economic impacts of the “Pinelands Protection Act,” P. L. 1979, c. 111 (C. 13 :18A-1 et seq.) on or before June 30, 1985. It shall be the duty of this commission to study and review this report, to conduct hearings as it deems necessary, and to submit a report to the Governor and the Legislature on or before December 31, 1985 on its findings and recommendations for appropriate executive or legislative action, to provide additional financial assistance which may be needed to stabilize property tax bases in qualified municipalities.

C. 54:1-83 Anticipation of entitlement.

16. Notwithstanding the provisions of the “Local Budget Law” (N. J. S. 40A:4-1 et seq.), a municipality which qualifies for an
entitlement pursuant to section 7 of this act may anticipate the amount of the entitlement in its annual budget for the year in which the entitlement is made. The Director of the Division of Local Government Services in the Department of Community Affairs shall, pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.) establish rules and regulations necessary to effectuate the provisions of this section.

17. This act shall take effect immediately and shall expire December 31, 1987.

Approved January 17, 1984.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 52:27F-16.1 Findings, declarations.

1. The Legislature finds and determines that the prospects of the occurrence of periodic energy emergencies due to the volatility and unpredictability of energy markets necessitates the systematic preparation for such emergencies; that the Department of Energy possesses the expertise and ability to plan for such emergencies; and that formulation of energy emergency preparedness plans will contribute to the security of the State of New Jersey in energy matters.

The Legislature, therefore, declares it to be in the best interest of the citizens of this State to require the Department of Energy
to periodically review the situation with regard to the energy preparedness of the State and to prepare and submit a report thereon to the Governor and the Legislature.

C. 52:27F-16.2 Report on energy preparedness.

2. In order to evaluate the energy preparedness of the State, the commissioner shall, within one year of the effective date of this act and at least once every three years thereafter, prepare and submit to the Governor and the Legislature a comprehensive report on the status of the emergency allocation plan adopted pursuant to section 14 of P.L. 1977, c. 146 (C. 52:27F-16). The report shall provide for:

a. A means to identify, monitor and evaluate situations and conditions which may give rise to a critical energy shortage, which shall include but not be limited to methods of evaluating supply and demand conditions which may trigger a critical energy shortage;

c. The evaluation of existing emergency response plans of other agencies and instrumentalities of the State government, including the Board of Public Utilities. CHAPTER 560

An Act establishing an Open Lands Management Program, supplementing Title 13 of the Revised Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Open Lands Management Act.”

2. As used in this act:
   a. “Commissioner” means the Commissioner of Environmental Protection;
   b. “Department” means the Department of Environmental Protection;
   c. “Program” means the Open Lands Management Program.

3. The Legislature finds and declares that opportunities for access to recreational open space are rapidly diminishing and that, in an effort to explore alternative techniques to provide that access, the State should aid private landowners permitting public recreational use of their land.

   The Legislature further finds and declares that administering a program to aid private landowners, informing the public of recreational opportunities and evaluating the operation of the program would best be implemented by establishing an Open Lands Management Program, and by empowering the Department of Environmental Protection to provide financial assistance and in kind services to assist private landowners in maintaining and increasing public recreational opportunities, all as hereinafter provided.

4. There is established in the Division of Parks and Forestry in the Department of Environmental Protection the Open Lands Management Program.

   The purpose of this program shall be to provide financial assistance and in kind services for the development and maintenance of privately owned land for recreational purposes in accordance with
the provisions of this act. It shall further be the purpose of this
program to evaluate the operation of State efforts to provide op-
portunities for recreational access to privately owned open space.

C. 13:1B-15.137 Rules, regulations.

5. The commissioner is authorized to adopt and enforce, pursuant
to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C.
52:14B-1 et seq.), rules and regulations necessary to implement the
provisions of this act.

6. The department shall undertake an informational and educa-
tional effort to acquaint landowners with the basic objectives and
details of the program by conducting public meetings in the various
geographical regions of the State.

7. a. Voluntary offers to undertake certain projects shall be
solicited by the department from private landowners. The depart-
ment may provide a landowner with any appropriate assistance
and guidance in the development of recreational opportunity pro-
posals particularly suited to the topographical characteristics of
the land.

b. A landowner may file an application with the department, on
forms prescribed by the commissioner, requesting financial assis-
tance for a specific project or projects for public recreational access
to his privately owned open space. The department shall evaluate
the application and, within 30 days of receipt of the application,
either deny the application citing the reasons therefor or grant
preliminary approval thereof.

c. If preliminary approval has been granted, the land-
owner and the commissioner may enter into an agreement,
hereinafter referred to as an “access covenant,” which guarantees
public access for a specified period of time, for specified recrea-
tional purposes to a specified parcel or parcels of land in return for
appropriate and reasonable financial assistance or in kind services,
or both, as determined by the commissioner.

d. If an access covenant has been signed by a landowner and the
commissioner, the landowner shall cause a statement containing
the conditions of the covenant to be attached to and recorded with
the deed to the land in the same manner as the deed was originally
recorded.
C. 13:1B-15.140 Eligible projects.
8. Projects eligible for consideration by the commissioner shall include but not necessarily be limited to:
   a. Installation, repair or replacement of existing protective structures, such as fencing, water bars, berms or stiles;

9. a. An owner, lessee or occupant of land for which an access covenant has been entered into and who is participating in the program and thereby guarantees access pursuant to subsection c. of section 7 of this act does not thereby: (1) extend any assurance that the premises, including any natural or man-made conditions, are safe for these purposes; (2) constitute the person to whom access is guaranteed an invitee or licensee to whom a duty of care is owed; or (3) assume responsibility for, or incur liability for, any injury to person or property caused by any act of persons to whom access is guaranteed.
   b. This section shall not limit the liability which would otherwise exist for willful or malicious failure to guard, or to warn against, a dangerous condition, use, structure or activity.

C. 13:1B-15.142 Assessment, taxation unaffected.
10. The access covenant for recreational purposes shall not affect the assessment and taxation of agricultural land which is taxed pursuant to the “Farmland Assessment Act of 1964,” P. L. 1964, c. 48 (C. 54:4-23.1 et seq.), nor shall it affect the assessment and taxation of vacant land or agricultural land which is not taxed pursuant to the “Farmland Assessment Act of 1964.”

Subject to the provisions of Title 11 of the Revised Statutes, and within the limits of funds appropriated or otherwise made available, the commissioner may appoint any officer or employee to the department necessary to carry out the provisions of this act, fix and determine their qualifications, which may include a
knowledge of and familiarity with the Pinelands area and the residents thereof.

12. The commissioner shall submit a written report to the Governor and to the Legislature within one year of the effective date of this act. The report shall detail the effectiveness of the Open Lands Management Program in increasing recreational opportunities and the advisability of continuing the program at its current level, expanding the program Statewide or terminating the program.

C. 13:1B-15.145 Funding.
13. The department may apply for, accept and expend funds from any public or private source for the purposes of planning and implementing the program in accordance with the provisions of this act.

14. There is appropriated to the Department of Environmental Protection from the State General Fund the sum of $250,000.00 to implement the provisions of this act.

**BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:**

1. R. S. 39:5-25 is amended to read as follows:

**Arrest without warrant.**

39:5-25. Any constable, sheriff's officer, police officer, peace officer, or the director may, without a warrant, arrest any person violating in his presence any provision of chapter 3 of this Title, or any person, other than a motorman or person having control of a street car or auto bus, running upon a route approved by the Board of Public Utilities, violating in his presence any provision of chapter 4 of this Title. The exemption from arrest of a motorman or person having control of a street car or auto bus, as conferred herein, shall not operate to prevent his arrest, however, for a
violation of R. S. 39:4-50. The arresting officer shall bring any person so arrested before any judge of the municipal court of the municipality wherein the offense was committed, or before the director at any place designated as his office. If the arrest is for a violation of R. S. 39:4-50, the arresting officer may, if no judge, clerk or deputy clerk is available, detain the person arrested, either in any police station, lockup or other place maintained by any municipality for the detention of offenders or in the common jail of the county, for such reasonable time as will permit the arresting officer to obtain a warrant for the offender's further detention, which temporary detention shall not exceed 24 hours from the time of the arrest. If the arrest is for a violation of any other provision of this subtitle, the person arrested shall be detained in the police station or municipal court until the arresting officer makes a complaint and a warrant issues.

Any constable, sheriff's officer, police officer, peace officer or the director may, instead of arresting an offender as herein provided, serve upon him a summons.

An intermediary interpreter shall be subject to the same provisions that govern a qualified interpreter under this act.

C. 34:1-69.10 Qualified interpreter.

4. The appointing authority shall appoint a qualified interpreter to assist a hearing impaired person throughout the proceedings and in preparation with counsel as follows:

a. In any case before any court or grand jury in which a hearing impaired person is a party, either as a complainant, defendant or witness, or as hearing impaired parent of a juvenile;

(2) Any statement, written or oral, made by a hearing impaired person in reply to a question from a law enforcement officer or any other person having a prosecutorial function in any criminal or quasi-criminal proceeding shall not be used against that hearing impaired person unless either the statement was made or elicited through a qualified interpreter and was made knowingly, voluntarily and intelligently, or the hearing impaired person has requested a waiver pursuant to section 10 of this act and the court makes a finding that any statement made by the hearing impaired person was made knowingly, voluntarily and intelligently.

(3) The provisions of this subsection shall not apply to apprehensions, arrests or statements involving a violation of Title 39 of the Revised Statutes (Motor Vehicles and Traffic Regulation).

C. 34:1-69.11 Interpreter in full view.

6. Whenever an appointing authority is required to appoint an interpreter, the appointing authority shall request a list of qualified interpreters from either the State Division of the Deaf in the Department of Labor or the New Jersey Registry of Interpreters for the Deaf.

If the appointing authority's choice of a qualified interpreter does not meet the needs or wishes of the hearing impaired person, the appointing authority shall appoint another qualified interpreter.

C. 34:1-69.13 Maintenance of list.
7. a. The State Division of the Deaf in the Department of Labor, created pursuant to P. L. 1941, c. 197 (C. 34:1–69.1 et seq.) shall
maintain a list of qualified interpreters and provide the list to appointing authorities upon request.

b. The division shall regularly obtain a list of qualified interpreters from the New Jersey Registry of Interpreters for the Deaf and ensure that the list contains the most current information available from the registry.

8. Every appointed interpreter before entering upon his duties, shall take an oath that he will make a true interpretation in an understandable manner to the person for whom he is appointed and that he will repeat the statements of the person in the English language to the best of his skill and judgment.

C. 34:1-69.15 Fee.

9. a. An appointed interpreter shall receive a reasonable fee for his services, together with his actual expenses for travel and waiting time.

b. The Supreme Court shall establish rules governing the method for payment and the amount of the fee. In the case of any civil or criminal proceeding before a court in this State the fee shall be paid by the court and in the case of any proceeding before a State agency or a county or municipal governing body or agency the fee shall be paid that agency or governing body.

C. 34:1-69.16 Waiver.

10. The right of a hearing impaired person to an interpreter shall not be waived unless the hearing impaired person requests a waiver in writing. The waiver shall be granted if the hearing impaired person's counsel and the appointing authority approve the request for a waiver.

CHAPTER 569

AN ACT to amend the "Solid Waste Management Act," approved
May 6, 1970 (P. L. 1970, c. 39), as said short title was amended
by P. L. 1975, c. 326.

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

1. Section 9 of P. L. 1970, c. 39 (C. 13:1E-9) is amended to read
as follows:

C. 13:1E-9 Enforcement of codes, rules, regulations.
   9. a. All codes, rules and regulations adopted by the department
related to solid waste collection and disposal shall have the force
and effect of law. Such codes, rules and regulations shall be ob-
served throughout the State and shall be enforced by the depart-
ment and by every local board of health, or county health depart-
ment, as the case may be.

   The department and the local board of health, or the county
health department, as the case may be, shall have the right to enter
a solid waste facility at any time in order to determine compliance
with the registration statement and engineering design, and with
the provisions of all applicable laws or rules and regulations
adopted pursuant thereto.

   The municipal attorney or an attorney retained by a municipality
in which a violation of such laws or rules and regulations adopted
pursuant thereto is alleged to have occurred shall act as counsel to
a local board of health

   The county counsel or an attorney retained by a county in which
a violation of such laws or rules and regulations adopted pursuant
thereto is alleged to have occurred shall act as counsel to the county health department.

Any county health department may charge and collect from the owner or operator of any sanitary landfill facility within its jurisdiction such fees for enforcement activities as may be established by ordinance or resolution adopted by the governing body of any such county. Such fees shall be established in accordance with a fee schedule regulation to be adopted by the department, pursuant to law, within 60 days of the effective date of this amendatory act and shall be utilized exclusively to fund such enforcement activities.

All enforcement activities undertaken by county health departments pursuant to this subsection shall conform to all applicable performance and administrative standards adopted pursuant to section 10 of the “County Environmental Health Act,” P. L. 1977, c. 443 (C. 26:3A2–28).

b. The commissioner, a local board of health or county health department may institute an action or proceeding in the Superior Court for injunctive and other relief, including the appointment of a receiver for any solid waste collection or disposal facility or operation, which is established or operated in violation of this act, or of any code, rule or regulation promulgated pursuant to this act and said court may proceed in the action in a summary manner. In any such proceeding the court may grant temporary or interlocutory relief, notwithstanding the provisions of R. S. 48:2-24.

Such relief may include, singly or in combination:

(1) A temporary or permanent injunction;

(2) Assessment of the violator for the costs of any investigation, inspection, or monitoring survey which led to the establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection;

(3) Assessment of the violator for any cost incurred by the State in removing, correcting or terminating the adverse effects upon water and air quality resulting from any violation of any provision of this act or any rule, regulation or condition of approval for which the action under this subsection may have been brought;

(4) Assessment against the violator of compensatory damages for any loss or destruction of wildlife, fish or aquatic life, and for any other actual damages caused by any violation of this act or any rule, regulation or condition of approval established pursuant to this act for which the action under this subsection may have
been brought. Assessments under this subsection shall be paid to the State Treasurer, or to the local board of health, or to the county health department, as the case may be, except that compensatory damages may be paid by specific order of the court to any persons who have been aggrieved by the violation.

If a proceeding is instituted by a local board of health or county health department, notice thereof shall be served upon the commissioner in the same manner as if the commissioner were a named party to the action or proceeding. The department may intervene as a matter of right in any proceeding brought by a local board of health or county health department.

c. Any person who violates the provisions of this act or any code, rule or regulation promulgated pursuant to this act shall be liable to a penalty of not more than $25,000.00 per day, to be collected in a civil action commenced by a local board of health, a county health department, or the commissioner by a summary proceeding under "the penalty enforcement law" (N. J. S. 2A:58-1 et seq.) in the Superior Court, county district court, or a municipal court, all of which shall have jurisdiction to enforce "the penalty enforcement law" in connection with this act. If the violation is of a continuing nature, each day during which it continues after the date given by which the violation must be eliminated in accordance with the order of the department shall constitute an additional, separate and distinct offense.

d. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances, including a rebate of any such penalty paid up to 90% thereof, where such person satisfies the department within 1 year or such other period as the department may deem reasonable that such violation has been eliminated or removed or that such order or injunction has been met or satisfied, as the case may be.

e. Any person who knowingly:

(1) Transports any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;

(2) Generates and causes or permits to be transported any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;

J. S. 2C:43-3, shall be subject to a fine of not more than $25,000.00 for the first offense and not more than $50,000.00 for the second and each subsequent offense and restitution, in addition to any other appropriate disposition authorized by subsection b. of N. J. S. 2C:43-2.

f. Any person who recklessly:

(1) Transports any hazardous waste to a facility or any other place which does not have authorization from the department to accept such waste;

g. Any person who, regardless of intent, generates and causes or permits any hazardous waste to be transported, transports, or receives transported hazardous waste without completing and submitting to the department a hazardous waste manifest in accordance with the provisions of this act or any rule or regulation adopted pursuant hereto shall, upon conviction, be guilty of a crime of the fourth degree.

2. This act shall take effect immediately.

Approved January 17, 1984.

CHAPTER 571

AN ACT concerning certain exclusions from gross income, amending N. J. S. 54A:5-1 and supplementing Chapter 6 of Title 54A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 54A:5-1 is amended to read as follows:

New Jersey gross income defined.

54A:5-1. New Jersey Gross Income Defined. New Jersey gross income shall consist of the following categories of income:

a. Salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered whether in cash or in property.

b. Net profits from business. The net income from the operation of a business, profession, or other activity, after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the method of accounting allowed for federal income tax purposes but without deduction of taxes based on income.

c. Net gains or income from disposition of property. Net gains or net income, less net losses, derived from the sale, exchange or other disposition of property, including real or personal, whether tangible or intangible as determined in accordance with the method of accounting allowed for federal income tax purposes. For the purpose of determining gain or loss, the basis of property shall be the adjusted basis used for federal income tax purposes.

For the tax year 1976, any taxpayer with a tax liability under this subsection, or under the “Tax on Capital Gains and Other Unearned Income Act” (P. L. 1975, c. 172), shall not be subject to payment of an amount greater than the amount he would have paid if either return had covered all capital transactions during the full tax year 1976; provided, however, that the rate which shall apply to any capital gain shall be that in effect on the date of the transaction. To the extent that any loss is used to offset any gain under P. L. 1975, c. 172, it shall not be used to offset any gain under the “New Jersey Gross Income Tax Act” (P. L. 1976, c. 47).
The term "net gains or income" shall not include gains or income derived from obligations which are referred to in clause (1) or (2) of section 54A:6-14 of this act. The term "net gains or net income" shall not include gains or income from transactions to the extent to which nonrecognition is allowed for federal income tax purposes. The term "sale, exchange or other disposition" shall not include the exchange of stock or securities in a corporation a party to a reorganization in pursuance of a plan of reorganization, solely for stock or securities in such corporation or in another corporation a party to the reorganization and the transfer of property to a corporation by one or more persons solely in exchange for stock or securities in such corporation if immediately after the exchange such person or persons are in control of the corporation. For purposes of this clause, stock or securities issued for services shall not be considered as issued in return for property.

For purposes of this clause, the term "reorganization" means—

(i) A statutory merger or consolidation;
(ii) The acquisition by one corporation, in exchange solely for all or a part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of stock of another corporation if, immediately after the acquisition, the acquiring corporation has control of such other corporation (whether or not such acquiring corporation had control immediately before the acquisition);
(iii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of substantially all of the properties of another corporation, but in determining whether the exchange is solely for stock the assumption by the acquiring corporation of a liability of the other, or the fact that property acquired is subject to a liability, shall be disregarded;
(iv) A transfer by a corporation of all or a part of its assets to another corporation if immediately after the transfer the transferor, or one or more of its shareholders (including persons who were shareholders immediately before the transfer), or any combination thereof, is in control of the corporation to which the assets are transferred;
(v) A recapitalization;
(vi) A mere change in identity, form, or place of organization however effected; or
(vii) The acquisition by one corporation, in exchange for stock of a corporation (referred to in this subclause as "controlling corporation") which is in control of the acquiring corporation, of substantially all of the properties of another corporation which in the transaction is merged into the acquiring corporation shall not disqualify a transaction under subclause (i) if such transaction would have qualified under subclause (i) if the merger had been into the controlling corporation, and no stock of the acquiring corporation is used in the transaction.

(viii) A transaction otherwise qualifying under subclause (i) shall not be disqualified by reason of the fact that stock of a corporation (referred to in this subclause as the "controlling corporation") which before the merger was in control of the merged corporation is used in the transaction, if after the transaction, the corporation surviving the merger holds substantially all of its properties and of the properties of the merged corporation (other than stock of the controlling corporation distributed in the transaction); and in the transaction, former shareholders of the surviving corporation exchanged, for an amount of voting stock of the controlling corporation, an amount of stock in the surviving corporation which constitutes control of such corporation.

For purposes of this clause, the term "control" means the ownership of stock possessing at least 80% of the total combined voting power of all classes of stock entitled to vote and at least 80% of the total number of shares of all other classes of stock of the corporation.

For purposes of this clause, the term "a party to a reorganization" includes a corporation resulting from a reorganization, and both corporations, in the case of a reorganization resulting from the acquisition by one corporation of stock or properties of another. CHAPTER 578

An Act concerning transportation services or benefits to senior citizens and disabled residents and making an appropriation.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Senior Citizen and Disabled Resident Transportation Assistance Act.”

C. 27:25-26 Findings, declarations.
2. The Legislature finds and declares that many senior citizens and disabled residents in the State require assistance in meeting their need for available and accessible transportation so that they may obtain the necessities of life, including but not limited to employment, post-secondary education, social and recreational activities, shopping and medical service; and that the voters of this State recognized the need for such assistance when in 1981 they approved an amendment of the State Constitution which provides that State revenues derived from the taxation of gambling establishments in Atlantic City may be used, in addition to the purposes for which they were originally dedicated, for additional or expanded transportation services or benefits to senior citizens and the disabled.

The Legislature further finds and declares that it is appropriate that the New Jersey Transit Corporation, in conjunction with its advisory bodies, representatives or associations of counties, and other interested parties, develop a plan for transportation assistance to senior citizens and the disabled; that the instrumentalities of local government, particularly the counties of this State, should play a major role in facilitating the provision of that transportation assistance; and that the New Jersey Transit Corporation in conjunction with the New Jersey Department of Transportation’s Office of Coordination, as well as the counties, should coordinate the assistance with existing transportation services, including but not limited to those services funded by any other State agency, at the local level and coordinate inter-county transportation services.

3. As used in this act:
   a. “Corporation” means the New Jersey Transit Corporation.
b. “Board” means Board of Directors of the New Jersey Transit Corporation.

c. “Eligible counties” means counties submitting a proposal meeting the program guidelines.

d. “New Jersey Special Services Citizen Advisory Committee” means a committee representing advocacy groups from senior citizens and the disabled and other interested parties appointed by the Executive Director of New Jersey Transit.

e. “Accessible” means a service that can be used by all individuals including those who cannot negotiate steps or who can negotiate steps with great difficulty.

f. “Disabled” means any individual who, by reason of illness, injury, age, congenital malfunction, or other permanent or temporary incapacity or disability, is unable without special facilities or special planning or design to utilize mass transportation facilities and services as effectively as persons who are not so affected.

g. “Geographic region” means one of the following regions of the State: the southern region encompassing the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, and Salem; the central region encompassing the counties of Hunterdon, Mercer, Middlesex, Monmouth, Ocean and Somerset; and the northern region encompassing those counties remaining in the State.

C. 27:25-28 Transportation assistance program.

4. The board shall establish and administer a program to be known as “The Senior Citizen and Disabled Resident Transportation Assistance Program” for the following purposes:

a. To assist counties (1) to develop and provide accessible feeder transportation service to accessible fixed-route transportation services where such services are available, and accessible local transit service to senior citizens and the disabled, which may include but not be limited to door-to-door service, fixed route service, local fare subsidy, and user-side subsidy, which may include but not be limited to private ride or taxi fare subsidy; and (2) to coordinate the activities of the various participants in this program in providing the services to be rendered at the county level and between counties.

and the disabled; (2) to render technical information and assistance to counties eligible for assistance under this act; and (3) to coordinate the program within and among counties.

C. 27:25-29 Guidelines; public hearings; report.
5. The corporation, in conjunction with the New Jersey Transit Special Services Citizen Advisory Committee, appropriate advisory committees of the corporation and with representatives or associations of counties in this State and other interested parties, as determined by the board, shall develop program guidelines to implement the program. The guidelines shall set implementation criteria and shall be adopted by the board at a public meeting. Commencing on the first anniversary of the effective date of this act, the corporation shall annually conduct at least one public hearing in each geographic region in order to gather information from interested parties as to the efficacy of the program. The corporation shall submit an annual report to the Legislature by October 1 of each year covering the period of the previous State fiscal year. The report shall cover the status of this program including any recommendations concerning the general improvement of mass transit for the senior citizens and the disabled.

C. 27:25-30 County plans.
6. In order for a county to be eligible for assistance under this program, the governing body of that county or a group or groups authorized by the governing body shall develop a county plan for that assistance in accordance with the program guidelines. The county plan shall be subject to approval by the board. The county plan shall include, but not be limited to, information as to what transportation services will be provided, the methods that will be utilized to deliver these services, and the anticipated financial costs to be incurred from the implementation of the services and shall also include provision for the coordination of existing or future transportation providers at the county level and for intercounty transportation services.

C. 27:25-31 Allocation of funds.

S. Bureau of the Census. As similar data become available for the disabled population, such data shall be used in conjunction with the senior citizen data to determine the county allocation formula. No eligible county shall receive less than $150,000.00 during a fiscal year under this program, except that during the first fiscal year no county shall receive less than $50,000.00 nor more than $150,000.00.

c. The governing body of an eligible county, or a group or groups designated as an applicant or as applicants by the county after a public hearing in which senior citizens and the disabled shall have the opportunity to comment on the appropriateness of such designation, may make application to the board for moneys available under subsection b. of this section. The application shall be in the form of a proposal to the board for transportation assistance and shall specify the degree to which the proposal meets the purposes of the program under subsection a. of section 4 of this act and the implementation criteria under the program guidelines and the proposal shall have been considered at a public hearing. The board shall allocate moneys based upon a review of the merits of the proposals in meeting the purposes of the program, and the implementation criteria, under the program guidelines. The governing body of an eligible county shall schedule a public hearing annually for interested parties to provide the governing body with any facts, materials, or recommendations that would be of assistance regarding the efficacy of the program established under subsection a. of section 4 of this act.

C. 27:25-34 Insurance pool.

10. The corporation shall prepare a comprehensive study designed to determine the feasibility of lowering insurance costs by means of the development of a Statewide insurance pool for transit vehicles, regardless of owner, that are utilized at the county level and for inter-county transportation services. The corporation shall submit the final report to the Senate and General Assembly Transportation and Communications Committees, or their successors, within one year following the effective date of this act.

But if any individual or individuals actually performing such services also performed for the contributor other services during the same period, and the manner of payment was such that payment for the services contributed cannot readily be segregated from contemporary payment for the other services, the contributor shall in his statement to the treasurer so state and shall either (1) set forth his best estimate of the dollar amount of payment to each such individual which is attributable to the contribution of his paid personal services, and shall certify the substantial accuracy of the same, or (2) if unable to determine such amount with sufficient accuracy, set forth the total compensation paid by him to each such individual for the period of time during which the services contributed by him were performed. If any candidate is a holder of public office to whom
there is attached or assigned, by virtue of said office, any aide or aides whose services are of a personal or confidential nature in assisting him to carry out the duties of said office, and whose salary or other compensation is paid in whole or part out of public funds, the services of such aide or aides which are paid for out of public funds shall be for public purposes only; but they may contribute their personal services, on a voluntary basis, to such candidate for election campaign purposes.

Unless an extension of time is consented to by any person requesting an advisory opinion, the commission shall render its advisory opinion within 10 days of receipt of the request therefor. Failure of the commission to reply to a request for an advisory opinion within the time so fixed or agreed to shall preclude it from instituting proceedings for imposition of a penalty upon any person for a violation of this act arising out of the particular facts and circumstances set forth in such request, except as such facts and circumstances may give rise to a violation when taken in conjunction with other facts and circumstances not set forth in such request.
11. Section 8 of P. L. 1973, c. 83 (C. 19:44A-8) is amended to read as follows:

8. a. (1) Each political committee shall make a full cumulative report, upon a form prescribed by the Election Law Enforcement Commission, of all contributions in the form of moneys, loans, paid personal services, or other things of value made to it and all expenditures made, incurred, or authorized by it in furtherance of the nomination, election or defeat of any candidate, or in aid of the passage or defeat of any public question, or to provide political information on any candidate or public question, during the period ending 48 hours preceding the date of the report and beginning on the date on which the first of those contributions was received or the first of those expenditures was made, whichever occurred first. The cumulative report, except as hereinafter provided, shall contain the name and address of each person or group from whom moneys, loans, paid personal services or other things of value have been contributed since 48 hours preceding the date on which the previous such report was made and the amount contributed by each person or group. In the case of any loan reported pursuant to this section, the report shall contain the name and address of each person who has co-signed such loan since 48 hours preceding the date on which the previous such report was made. The cumulative report shall also contain the name and address of each person, firm or organization to whom expenditures have been paid since 48 hours preceding the date on which the previous such report was made and the amount and purpose of each such expenditure. The cumulative report shall be filed with the Election Law Enforcement Commission on the dates designated in section 16 hereof.

The campaign treasurer of the political committee reporting shall certify to the correctness of each report.

Each campaign treasurer of a political committee shall file written notice with the commission of a contribution in excess of $250.00 received during the period between the 13th day prior to the election and the date of the election. The notice shall be filed in writing or by telegram within 48 hours of the receipt of the contribution and shall set forth the amount and date of the contribution and the name and address of the contributor.

(2) When a political committee or an individual seeking party office makes or authorizes an expenditure on behalf of a candidate,
b. (1) A group of two or more persons acting jointly, or any corporation, partnership, or any other incorporated or unincorporated association including a political club, political action committee, civic association or other organization, which in any calendar year contributes or expects to contribute at least $2,500.00 to the aid or promotion of the candidacy of an individual, or of the candidacies of individuals, for elective public office or the passage or defeat of a public question or public questions and which expects to make contributions toward such aid or promotion, or toward such passage or defeat, during a subsequent election, shall certify that fact to the commission, and the commission, upon receiving that certification and on the basis of any information as it may require of the group, corporation, partnership, association or other organization, shall determine whether the group, corporation, partnership, association or other organization is a continuing political committee for the purposes of this act. If the commission determines that the group, corporation, partnership, association or other organization is a continuing political committee, it shall so notify that continuing political committee.

(2) A continuing political committee shall file with the Election Law Enforcement Commission, not later than April 15, July 15, October 15 and January 15 of each calendar year, a cumulative quarterly report of all moneys, loans, paid personal services or other things of value contributed to it during the period ending on the 15th day preceding that date and commencing on January 1 of that calendar year or, in the case of the cumulative quarterly report to be filed not later than January 15, of the previous calendar year, and all expenditures made, incurred, or authorized by it during the period, whether or not such expenditures were made, incurred or authorized in furtherance of the election or defeat of any candidate, or in aid of the passage or defeat of any public question or to provide information on any candidate or public question.

The cumulative quarterly report shall contain the name and address of each person or group from whom moneys, loans, paid personal services or other things of value have been contributed and the amount contributed by each person or group. In the case of any loan reported pursuant to this section, the report shall contain the name and address of each person who co-signs such loan. The report shall also contain the name and address of each person, firm or organization to whom expenditures have been paid and the
amount and purpose of each such expenditure. The treasurer of the continuing political committee reporting shall certify to the correctness of each cumulative quarterly report.

Each continuing political committee shall provide immediate written notification to each candidate of all expenditures made or authorized on behalf of the candidate.

If any continuing political committee submitting cumulative quarterly reports as provided under this subsection receives a contribution from a single source of more than $250.00 after the final day of a quarterly reporting period and on or before a primary, general, municipal, school or special election which occurs after that final day but prior to the final day of the next reporting period it shall, in writing or by telegram, report that contribution to the commission within 48 hours of the receipt thereof.

A continuing political committee which at any point expects to cease making contributions toward the aiding or promoting of the candidacy of an individual, or of the candidacies of individuals, for elective public office in this State or the passage or defeat of a public question or public questions in this State shall certify that fact in writing to the commission, and that certification shall be accompanied by a final accounting of any fund relating to such aiding or promoting, including the final disposition of any balance in such fund at the time of dissolution. Until that certification has been filed, the committee shall continue to file the quarterly reports as provided under this subsection.

c. In any report filed pursuant to the provisions of this section the organization or committee reporting may exclude from the report the names and addresses of contributors whose contributions during the period covered by the report did not exceed $100.00, provided, however, that (1) such exclusion is unlawful if any person responsible for the preparation or filing of the report knew that it was made with respect to any person whose contributions relating to the same election or issue and made to the reporting organization or committee or to an allied campaign organization or organizations aggregate, in combination with the contribution in respect of which such exclusion is made, more than $100.00 and (2) any person who knowingly prepares, assists in preparing, files or acquiesces in the filing of any report from which the identification of a contributor has been excluded contrary to the provisions of this section is subject to the provisions of section 21 of this act, but (3) nothing in this proviso shall be construed as requir-

Any report filed pursuant to the provisions of this section shall include an itemized accounting of all receipts and expenditures relative to any testimonial affairs held since the date of the most recent report filed, which accounting shall include the name and address of each contributor in excess of $100.00 to such testimonial affair and the amount contributed by each, the expenses incurred, and the disposition of the proceeds of such testimonial affair.

A political committee shall be exempt from any requirement to file reports pursuant to this section of contributions received or expenditures made in behalf of two or more joint candidates in any election if the committee files with the Election Law Enforcement Commission a sworn statement to the effect that the total amount to be expended on behalf of their candidacies shall not exceed $4,000.00; provided, that if a committee which has filed such a sworn statement receives contributions from any one source aggregating more than $100.00, it shall forthwith report that fact, including the identity of the source and the aggregate total of contributions therefrom to the commission. Any sworn statement under this subsection may be filed with the notice of designation by a political committee of a campaign treasurer and campaign depository under section 10 of P. L. 1973, c. 83 (C. 19:44A-10), if that committee knows or has reason to believe, at the time when the notice of designation is given, that the total amount to be so expended shall not exceed $4,000.00.

12. Section 9 of P. L. 1973, c. 83 (C. 19:44A-9) is amended to read as follows:

Notification of the designation of the campaign treasurer and the campaign depository shall be made by the candidate’s filing the name and address of such campaign treasurer and such depository with the Election Law Enforcement Commission no later than the tenth day after receipt by the candidate, or by any political committee or continuing political
committee which he has authorized to act in his behalf, of any contribution on behalf of his candidacy, or after the making or incurring by the candidate, or by a political committee or continuing political committee, of any expenditure on behalf of that candidacy, whichever comes first.

In the case of the death, resignation or removal of a campaign treasurer, the candidate shall appoint a successor as soon as practicable and shall file his name and address with the Election Law Enforcement Commission within three days. A candidate may serve as his own campaign treasurer.

C. 19:44A-10 Organizational treasurer, depository.

10. Each State, county and municipal committee of a political party shall, on or before July 1 in each year, designate a single organizational treasurer and an organizational depository and shall, not later than the tenth day after the designation of the organizational depository file the name and address of that depository, and of the organizational treasurer, with the Election Law Enforcement Commission.

Every political committee and every continuing political committee shall, not later than the date on which it first receives any contribution or makes or incurs any expenditure in the furtherance or aid of the election or defeat of any candidate, or to aid the passage or defeat of any public question, appoint, in the case of a political committee, a single campaign treasurer, or, in the case of a continuing political committee, a single organizational treasurer, and designate, in the case of a political committee, a campaign depository or, in the case of a continuing political committee, an organizational depository. Any State, county or municipal committee of a political party, any political committee, and any continuing political committee may remove its organizational or campaign treasurer or deputy treasurer. In the case of the death, resignation or removal of its organizational or campaign treasurer, the committee shall appoint a successor as soon as practicable and shall file his name and address with the Election Law Enforcement Commission within three days.

aid the passage or defeat of a public question; provided, however, that any person making such expenditure shall be required to report all such expenditures and expenses, except personal traveling expenses, if the total of the money so expended, exclusive of such traveling expenses, exceeds $100.00, either:

a. To the campaign treasurer of the candidate, political party committee or political committee on whose behalf such expenditure or contribution was made, or to his deputy, who shall cause the same to be included in his report to the Election Law Enforcement Commission subject to the provisions of sections 8 and 9 of this act; or

b. Directly to the Election Law Enforcement Commission at the same time and in the same manner as a political committee subject to the provisions of section 8 of this act.

No contribution of money shall be made in currency, except contributions in response to a public solicitation, provided that cumulative currency contributions of up to $100.00 may be made to a candidate, political committee or continuing political committee if the contributor submits with the currency contribution a written statement of a form as prescribed by the commission, indicating his name and address and the amount of his contribution, and including his signature.

Any anonymous contribution received by a campaign treasurer or deputy campaign treasurer shall not be used or expended, but shall be returned to the donor, if his identity is known, and if no donor is found, the contribution shall escheat to the State.

Any State, county or municipal committee of any political party, after a primary election, but not prior thereto, may receive and expend funds to be spent in furtherance and in aid of the candidacy of all the candidates of such party, or of any one or more of such candidates, in accordance with the provisions of this act.

15. Section 12 of P. L. 1973, c. 83 (C. 19:44A-12) is amended to read as follows:

C. 19:44A-12 Records of contributions.

12. An organizational or campaign treasurer or deputy organizational or campaign treasurer of a candidate, of a political committee, or of a continuing political committee shall make a written record of all funds which he receives as contributions to the candidate, political committee or continuing political committee, including in that record the name and address of the contributor and the
amount and date of the contribution, and shall retain that record for a period of not less than four years. All funds so received shall be deposited by the campaign or organizational treasurer or deputy campaign or organizational treasurer in a campaign depository of the candidate, continuing political committee or political committee, in an account designated "Campaign Fund of (name of candidate or committee)" no later than the tenth calendar day following receipt of such funds; except that any such treasurer or deputy treasurer may, when authorized by the candidate or committee of which he is the campaign treasurer or deputy campaign treasurer, transfer any such funds to the duly designated campaign treasurer or deputy campaign treasurer of another candidate or committee, for inclusion in the campaign fund thereof, without first so depositing them; provided, however, that a record of all nondeposited funds so transferred shall be attached to the statement required under this section, identifying them as to source and amount in the same manner as deposited funds.

16. Section 16 of P. L. 1973, c. 83 (C. 19:44A-16) is amended to read as follows:

C. 19:44A-16 Candidates' reports.

16. a. Except as provided by subsection h. of this section, each campaign treasurer of a candidate shall make a full cumulative report, upon a form prescribed by the Election Law Enforcement Commission, of all contributions in the form of moneys, loans, paid personal services or other things of value, made to him or to the deputy campaign treasurers of the candidate, and all expenditures paid out of the campaign fund of the candidate, during the period ending with the second day preceding the date of the cumulative report and beginning on the date of the first of those contributions, the date of the first of those expenditures, or the date of the appointment of the campaign treasurer, whichever occurred first. The report shall also contain the name and address of each person or group from whom moneys, loans, paid personal services or other things of value were contributed after the second day preceding the date of the previous cumulative report and the amount contributed by each person or group. In the case of any loan reported pursuant to this section, the report shall further contain the name and address of each person who co-signs such loan. If no moneys, loans, paid personal services or other things of value were contributed, the report shall so indicate, and if no expenditures were paid or incurred, the report shall likewise so indicate. The cam-
paign treasurer and the candidate shall certify the correctness of the report.

b. During the period between the appointment of the campaign treasurer and the election with respect to which contributions are accepted or expenditures made by him, the campaign treasurer shall file his cumulative campaign report (1) on the 29th day preceding the election, and (2) on the 11th day preceding the election; and after the election he shall file his report on the 20th day following such election. Concurrent with the report filed on the 20th day following an election, or at any time thereafter, the campaign treasurer of a candidate or political committee may certify to the Election Law Enforcement Commission that the campaign fund of such candidate or political committee, having been instituted for the purposes of the late election, has wound up its business and been dissolved or, in the case of a political committee which continues its activities beyond the election that its business regarding the late election has been wound up; and said certification shall be accompanied by a final accounting of such campaign fund, or of the transactions relating to such election, including the final disposition of any balance remaining in such fund at the time of dissolution or the arrangements which have been made for the discharge of any obligations remaining unpaid at the time of dissolution. Until such certification has been filed, each such treasurer shall continue to file, at the conclusion of each 60-day interval from the 20th day following such election, reports in the form and manner herein prescribed.

The Election Law Enforcement Commission shall promulgate regulations providing for the termination of post-election campaign reporting requirements applicable to political committees. The requirements to file post-election reports may be waived by the commission, notwithstanding that the certification has not been filed, if the commission determines under any regulations so promulgated that the outstanding obligations of the political committee do not exceed 10% of the expenditures of the campaign fund with respect to the election or $1,000.00, whichever is less, or are likely to be discharged or forgiven.

c. In the case of an election of a candidate for an office elected by a municipal or county-wide constituency or a school district a duplicate copy of the campaign treasurer's report, duly certified, shall be filed at the same time with the county clerk of the county in which the candidate resides and the county clerk shall retain a
written record of that filing for a period of not less than four years following the date of the election.

If a political committee or a continuing political committee, with the exception of political party committees for primary elections, assumes for the purposes of reporting, the obligations of a candidate, the campaign treasurer or candidate shall not, upon notice to the commission by such committee of that assumption of obligation, be required to report further.

d. There shall be no obligation to file the reports required by this section on behalf of a candidate if such candidate files with the Election Law Enforcement Commission a sworn statement to the effect that the total amount to be expended in behalf of his candidacy by the candidate, by any State, county or municipal committee of a political party, by any political committee, or by any person shall not in the aggregate exceed $2,000.00. The sworn statement may be submitted at the time when the name and address of the campaign treasurer and depository is filed with the Election Law Enforcement Commission, provided that in no case the sworn statement is filed no later than the twenty-ninth day before an election. If a candidate who has filed such a sworn statement receives contributions from any one source aggregating more than $100.00 he shall forthwith make report of the same, including the identity of the source and the aggregate total of contributions therefrom, to the Election Law Enforcement Commission.

e. There shall be no obligation imposed upon a candidate seeking election to a public office of a school district to file either the reports required under section 16b. or the sworn statement referred to in subsection d. of this section or to comply with the requirements of section 9, 11 or 12 of this act, if the total amount expended and to be expended in behalf of his candidacy by the candidate, any political committee, any continuing political committee or by any person does not in the aggregate exceed $2,000.00; provided, that if such candidate receives contributions from any one source aggregating more than $100.00, he shall forthwith make a report of the same, including the name and address of the source and the aggregate total of contributions therefrom, to the commission.

f. In any report filed pursuant to the provisions of this section, the names and addresses of contributors whose contributions during the period covered by the report did not exceed $100.00 may be excluded; provided, however, that (1) such exclusion is unlawful if any person responsible for the preparation or filing of the report
knew that such exclusion was made with respect to any person whose total contributions relating to the same election and made to the reporting candidate or to an allied campaign organization or organizations aggregate, in combination with the total contributions in respect of which such exclusion is made, more than $100.00, and (2) any person who knowingly prepares, assists in preparing, files or acquiesces in the filing of any report from which the identity of any contributor has been excluded contrary to the provisions of this section is subject to the provisions of section 21 of this act, but (3) nothing in this proviso shall be construed as requiring any candidate reporting pursuant to this act to report the amounts, dates or other circumstantial data regarding contributions made to any other candidate, political committee or committee of a political party.

g. Any report filed pursuant to the provisions of this section shall include an itemized accounting of all receipts and expenditures relative to any testimonial affair held since the date of the most recent report filed, which accounting shall include the name and address of each contributor in excess of $100.00 to such testimonial affair and the amount contributed by each, the expenses incurred, and the disposition of the proceeds of such testimonial affair.

h. If all expenditures and all receipts of contributions on behalf of a candidate which are required to be reported under subsection c. of this section are conducted by and through a political committee which is required to file financial reports under section 8 of P. L. 1973, c. 83 (C. 19:44A–8), the candidate may authorize that political committee to be his agent with respect to the reporting of those expenditures and receipts by filing with the Election Law Enforcement Commission a certificate of that authorization on a form prescribed by the commission. The certificate shall provide for designation by the candidate of the treasurer of the political committee as the campaign treasurer of the candidate for the purposes of subsection a. hereof and shall generally identify and be signed by the candidate and the chairman and the treasurer of the political committee. Upon the filing of such a certificate of authorization and until the authorization is revoked in writing by the candidate, the political committee shall file the reports which the campaign treasurer of the candidate would otherwise be required to file under subsection a. of this section.

i. Each campaign treasurer of a candidate shall file written notice with the commission of a contribution in excess of $250.00 received
during the period between the 13th day prior to the election and the date of the election. The notice shall be filed in writing or by telegram within 48 hours of the receipt of the contribution and shall set forth the amount and date of the contribution and the name and address of the contributor.

17. Section 18 of P. L. 1973, c. 83 (C. 19:44A-18) is amended to read as follows:

C. 19:44A-18 Activities after election.

18. If any former candidate or any political committee or any person or association of persons in behalf of such political committee or former candidate shall receive any contributions or make any expenditures with relation to any election after the date set in section 16 of this act for the final report subsequent to such election, or shall conduct any testimonial affair or public solicitation for the purpose of raising funds to cover any part of the expenses of a candidate or political committee or organization in such election, all such contributions, expenditures, testimonial affairs or public solicitations shall be reported to the Election Law Enforcement Commission by the person or persons receiving such contributions or making such expenditures or conducting such testimonial affairs or public solicitations. Such report shall be made by any person receiving any such contribution or contributions, or making any such expenditure or expenditures, which in the aggregate total more than $100.00, or conducting any testimonial affair or public solicitation of which the net proceeds exceed $100.00; and shall be made within 20 days from the date upon which the aggregate of such contributions, expenditures or proceeds exceeds $100.00 for the period commencing with the 18th day following such election or with the date upon which any previous report was made pursuant to this section, whichever is sooner. Such report shall be made in the same form and shall contain the same detail prescribed for any other report made pursuant to section 8 or 16 of this act.

18. Section 19 of P. L. 1973, c. 83 (C. 19:44A-19) is amended to read as follows:

C. 19:44A-19 Public solicitations.

19. a. No person shall conduct any public solicitation as defined in this act except (1) upon written authorization of the campaign or organizational treasurer of the candidate, political committee or continuing political committee on whose behalf such solicitation is conducted, or (2) in accordance with the provisions of subsection c.
of this section. A person with such written authorization may employ and accept the services of others as solicitors, and shall be responsible for reporting to the treasurer the information required under subsection b. of this section and for delivery to the treasurer the net proceeds of such solicitation in compliance with sections 11 and 14 of this act. A contribution made through donation or purchase in response to a public solicitation conducted pursuant to written authorization of a treasurer shall be deemed to have been made through such treasurer.

b. Whenever a public solicitation has been authorized by a treasurer during a period covered by a report required to be filed under sections 8 and 16 of this act, there shall be filed with such report and as a part thereof an itemized report on any such solicitation of which the net proceeds exceed $100.00, in such form and detail as required by the rules of the Election Law Enforcement Commission, which report shall include:

(1) The name of the person authorized to conduct such solicitation, and the method of solicitation;

(2) The gross receipts and expenses involved in the solicitation including the actual amount paid for any items purchased for resale in connection with the solicitation or, if such items or any portion of the cost thereof was donated, the estimated actual value thereof and the actual amount paid therefor, and the names and addresses of any such donors. If it is not practicable for such itemized report to be completed in time to be included with the report due under sections 8 and 16 of this act for the period during which such solicitation was held, then such itemized report may be omitted from said report and if so omitted shall be included in the report for the next succeeding period.

c. Notwithstanding the provisions of subsection b. of this section, it shall be lawful for any natural person, not acting in concert with any other person or group, to make personally a public solicitation the entire proceeds of which, without deduction for the expenses of solicitation, are to be expended by him personally or under his personal direction to finance any lawful activity in support of or opposition to any candidate or public question or to provide political information on any candidate or public question or to seek to influence the content, introduction, passage or defeat of legislation; provided, however, that any individual making such solicitation who receives gross contributions exceeding $100.00 in respect to activities relating to any one election shall be required to
make a report stating (1) the amount so collected, (2) the method of solicitation and (3) the purpose or purposes for which the funds so collected were expended and the amount expended for each such purpose. Such report shall be made either

(1) To the treasurer of the candidate, political committee or continuing political committee on whose behalf such funds were collected and expenditures made, or to his deputy, who shall cause the same to be included in his report to the Election Law Enforcement Commission subject to the provisions of sections 8 and 16 of this act; or

(2) Directly to the Election Law Enforcement Commission at the same time and in the same manner as a political committee or continuing political committee subject to the provisions of section 8 of this act.

d. Contributions or purchases made in response to a public solicitation conducted in conformity with the requirements and conditions of this act shall not be deemed anonymous within the meaning of sections 11, 14 and 20 of this act.

e. No person contributing in good faith to a public solicitation not duly authorized in compliance with the provisions of this act shall be liable to any penalty under this act by reason of having made such contribution.

19. Section 20 of P. L. 1973, c. 83 (C. 19:44A-20) is amended to read as follows:

C. 19:44A-20 Unpermitted contributions, expenditures.

20. No contribution of money or other thing of value, nor obligation therefor, shall be made, and no expenditure of money or other thing of value, nor obligation therefor, shall be made or incurred whether anonymously, in a fictitious name, or by one person or group in the name of another, to support or defeat a candidate in an election or to aid the passage or defeat of any public question or to provide political information on any candidate or public question or to seek to influence the content, introduction, passage or defeat of legislation. No person shall contribute, or purport to contribute, to any political candidate, political committee or continuing political committee funds or property not actually belonging to him and in his full custody and control, or which has been given or furnished to him by any other person or group for the purpose of making a contribution thereof, except in the case of group contributions by persons who are members of the contributing group. No
treasurer, candidate or member of a political committee or continuing political committee shall solicit or knowingly accept, agree to accept or concur in or abet the solicitation or acceptance of any contribution contrary to the provisions of this section.

20. Section 22 of P. L. 1973, c. 83 (C. 19:44A-22) is amended to read as follows:

C. 19:44A-22 Violations; penalties.
22. a. Any person, including any candidate, treasurer, political committee or continuing political committee, charged with the responsibility under the terms of this act, including any responsibility arising from an authorization of agency under subsection h. of section 16 of the act (C. 19:44A-16), for the preparation, certification, filing or retention of any reports, records, notices or other documents, who fails, neglects or omits to prepare, certify, file or retain any such report, record, notice or document at the time or during the time period, as the case may be, and in the manner prescribed by law, or who omits or incorrectly states or certifies any of the information required by law to be included in such report, record, notice or document, any person who proposes to undertake or undertakes a public solicitation, testimonial affair or other activity relating to contributions or expenditures in any way regulated by the provisions of this act who fails to comply with those regulatory provisions, and any other person who in any way violates any of the provisions of this act shall, in addition to any other penalty provided by law, be liable to a penalty of not more than $1,000.00 for the first offense and not more than $2,000.00 for the second and each subsequent offense.

b. Upon receiving evidence of any violation of this section, the Election Law Enforcement Commission shall have power to hold, or to cause to be held under the provisions of subsection d. of this section, hearings upon such violation and, upon finding any person to have committed such a violation, to assess such penalty, within the limits prescribed in subsection a. of this section, as it deems proper under the circumstances, which penalty shall be paid forthwith into the State Treasury for the general purposes of the State. Such penalty shall be enforceable in a summary proceeding under the “penalty enforcement law” (N. J. S. 2A:58-1 et seq.).

c. In assessing any penalty under this section, the Election Law Enforcement Commission may provide for the remission of all or any part of such penalty conditioned upon the prompt correction
of any failure, neglect, error or omission constituting the violation for which said penalty was assessed.

d. The commission may designate a hearing officer to hear complaints of violations of this act. Such hearing officer shall take testimony, compile a record and make factual findings, and shall submit the same to the commission, which shall have power to assess penalties within the limits and under the conditions prescribed in subsections b. and c. of this section. The commission shall review the record and findings of the hearing officer, but it may also seek such additional testimony as it deems necessary. The commission's determination shall be by majority vote of the entire authorized membership thereof.

21. Section 4 of P. L. 1981, c. 379 (C. 40:45-8) is amended to read as follows:

C. 40:45-3 Municipal candidates.

4. At least 47 days prior to a regular municipal election, the names of candidates for all elective offices shall be filed with the municipal clerk, in the following manner and form and subject to the following conditions:

a. The petition of nomination shall consist of individual certificates, equal in number to at least 1%, but in no event less than 25, of the registered voters of the municipality or the ward, as the case may be, and shall read substantially as follows:

Signed ..........................................."
Any such petition of nomination which is provided to candidates by the municipal clerk shall contain the following notice: "Notice: All candidates are required by law to comply with the provisions of the ‘New Jersey Campaign Contributions and Expenditures Reporting Act.’ For further information, please call (insert phone number of the Election Law Enforcement Commission)."

b. Each petition signature shall be on a separate sheet of paper and shall bear the name and address of the petitioner. The candidate for office and his campaign manager shall make an oath before an officer competent to administer oaths that the statements made therein are true, and that each signature to the papers appended thereto is the genuine signature of the person whose name it purports to be, to their best knowledge and belief. The oath, signed by the candidate, shall constitute his acceptance of nomination and shall be annexed to the petition, together with the oath of his campaign manager, at the time the petition is submitted.

c. The municipal clerk shall immediately provide the Election Law Enforcement Commission with official certification of the filing or withdrawal of a petition of nomination.

committee showing the assets and liabilities of the county committee as of the close of business on the date of that primary election. WHEREAS, Official recognition of the Square Dance will enhance the cultural stature of New Jersey both nationally and internationally; and

WHEREAS, National and international prestige is in the best interest of all Americans; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

2. This joint resolution shall take effect immediately.

A JOINT RESOLUTION memorializing the Congress and President of the United States to adopt legislation specifically authorizing New Jersey to register and regulate labor organizations engaged in representing employees of the casino gaming industry to the degree that registration and regulation are regarded necessary by New Jersey to insure the honesty and integrity of casino gaming operations in this State.

WHEREAS, The State of New Jersey, through its own State constitutional procedures, has established a statutory and administrative framework for the licensing and regulation of casino gaming in the city of Atlantic City; and

WHEREAS, An essential element in New Jersey's decision to authorize casino gaming was the belief of the majority of New Jersey citizens—as expressed in a constitutional referendum in 1976—that casino gaming possessed considerable potential to effectuate economic development and urban renewal in Atlantic City, to provide revenues dedicated to programs benefitting senior citizens and the disabled, and to stimulate tourism and related industries in New Jersey; and

WHEREAS, Notwithstanding its belief in the economic potential of casino gaming, the government of the State of New Jersey was convinced that the fulfillment of that potential depended upon public trust and faith in the credibility and integrity of the regulatory process and of casino operations and activities; and

WHEREAS, To further that trust, the regulatory provisions of New Jersey's "Casino Control Act," enacted in 1977 (P. L. 1977, c. 110; C. 5:12-1 et seq.), were designed to extend strict State regulation to all persons, locations, practices and associations related to the operation of licensed casino enterprises; and

WHEREAS, The State's recognition of the need to insure the highest integrity in the conduct of casino gaming extended to granting specific authority to the Casino Control Commission to prevent entry, directly or indirectly, into casino operations, or the opera-
tions of any ancillary casino industry, of persons with known criminal records, habits, or associations, and to exclude or remove from positions of authority or responsibility within casino gaming operations and establishments persons known to be so deficient in business probity, ability, or experience as to create or enhance the dangers of unsound, unfair, or illegal practices, methods and activities in the conduct of gaming or the carrying on of the business and financial arrangements incidental thereto; and

WHEREAS, The State of New Jersey has steadfastly and consistently exercised its regulatory responsibilities in the licensing and conduct of casino gaming operations, and the officers and employees thereof, and has applied the regulatory and investigatory powers and duties of the “Casino Control Act” (P. L. 1977, c. 110; C. 5:12-1 et seq.) to the fullest extent consistent with law to avoid the entry into casino operations, or the ancillary industries, of persons who have pursued economic gains in an occupational manner or context which is in violation of the criminal or civil public policies of New Jersey; and

WHEREAS, It has come to pass that these State regulatory and investigatory powers and duties, which have been rigorously imposed on business corporations and partnerships, casino owners, officers and investors, and individual casino employees, are currently being challenged with respect to their applicability to labor unions representing certain casino employees; and

WHEREAS, It has been suggested that the National Labor Relations Act, July 5, 1935, ch. 372, 49 Stat. 449, and the Employee Retirement Income Security Act of 1974 (ERISA), Pub. L. 93-406, Sept. 2, 1974, 88 Stat. 829, both preclude the imposition on labor unions of the provisions of section 93 of the New Jersey “Casino Control Act,” concerning union registration, and the authority of the State to require the removal of union officers under certain conditions, and to deny union rights to collect dues or contributions to retirement or pension plans—all on the ground that federal law totally preempts this area; and

WHEREAS, In March 1982, Judge Brotman, in the United States District Court for the District of New Jersey, denied a motion to enjoin the Casino Control Commission from investigating the Hotel and Restaurant Employees and Bartenders International
Union, Local 54, but strongly suggested in his ruling that there
might possibly be a conflict between New Jersey's very specific
casino gaming law as it relates to labor unions in section 93 of
the Casino Control Act, and the general federal laws authorizing
and regulating labor union activity—particularly the aforecited
National Labor Relations Act and the Employee Retirement
Income Security Act of 1974; and

WHEREAS, Judge Brotman further suggested that if a conflict was
ultimately determined, the New Jersey Casino Control Commis­
sion could choose to avoid it by refraining from imposing a
State penalty on a labor union protected by federal law, not­
withstanding the guilt or unsuitability of that union under New
Jersey State casino law; and

WHEREAS, The following facts are overwhelmingly clear:

1. That New Jersey laws regulating casino gaming are con­
cerned with the honesty and integrity of casino operations—
regardless of whether these operations are performed by casino
presidents or casino labor union officials;

2. That the government of the State of New Jersey fully
supports through its own State laws the rights of all private
sector employees to engage in self-organization, to form, join or
assist labor organizations, to bargain collectively through repre­
sentatives of their own choosing, and to engage in other concerted
activities for the purpose of collective bargaining, or other
mutual aid or protection;

3. That the casino employee is as much entitled to the protec­
tion of the State against corrupt and unsuitable union officers as
the casino investor is entitled to that protection against corrupt
or unsuitable casino management; and

4. That the conduct of casino gaming in New Jersey is an
activity deeply rooted in local feeling and responsibility— and
that the effect of New Jersey's "Casino Control Act" on the
National Labor Relations Act and the Employee Retirement
Income Security Act is merely peripheral—factors which
strongly suggest that New Jersey should be free to enforce its
casino laws on employee organizations as well as on individual
employees, and on the officers of employee organizations as well
as on chief executive officers of casino operations; and
WHEREAS, In light of the pressing need for certainty in the regulatory actions of the New Jersey Casino Control Commission—and to avoid any weakening of commission diligence and enforcement during the pendency of litigation arising from section 93 of the New Jersey "Casino Control Act" and its alleged conflict with the aforesaid federal labor legislation—it is altogether fitting and proper that the State of New Jersey respectfully petition for—and that the Congress and President of the United States graciously adopt—legislation specifically authorizing New Jersey, and any other state which may choose to permit casino gaming, to register and regulate labor organizations engaged in representing employees of the casino gaming industry to the degree that registration and regulation are regarded necessary to insure the honesty and integrity of casino gaming operations in the respective states; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The government of the State of New Jersey, on behalf of the citizens of this State, for the important public policy purposes presented in the preamble hereto, respectfully memorializes the Congress and President of the United States to adopt legislation specifically authorizing New Jersey, and any other state which may choose to permit casino gaming, to register and regulate labor organizations engaged in representing employees of the casino gaming industry to the degree that registration and regulation are regarded necessary to insure the honesty and integrity of casino gaming operations in the respective states.

2. Upon approval, duly authenticated copies of this joint resolution shall be transmitted to the President and Vice President of the United States, the Speaker of the United States House of Representatives, the Majority and Minority Leaders of both Houses of the Congress, and to every member of the Congress representing New Jersey.

3. This joint resolution shall take effect immediately.

Approved January 25, 1983.
JOINT RESOLUTION No. 3

A Joint Resolution establishing a commission, to be known as the Property Tax Assessment Study Commission, to evaluate and study the methods of conducting assessments of property and levying taxes for purposes of local government taxation, inquire into the feasibility and practicability of alternative methods of allocating the costs of such assessments, and pursuant to the results of its study, make recommendations to the Governor and Legislature.

Whereas, Local governmental units in New Jersey are experiencing economic and social changes which bring into question the present methods of assessing property and levying taxes for the purpose of local government taxation; and

Whereas, Taxpayers in some municipalities, due to these economic and social changes, may after reassessments be bearing more than their fair and tolerable share of the tax burden; and

Whereas, The impact of redistribution of the local tax burden in urban communities where reassessments have been long delayed may result in fiscal shock perilous to the stability of sound urban neighborhoods; now, therefore,

Be it resolved by the Senate and General Assembly of the State of New Jersey:

1. There is established a commission, to be known as the Property Tax Assessment Study Commission, to consist of 18 members, of whom two shall be members of the Senate to be appointed by the President of the Senate, two shall be members of the General Assembly to be appointed by the Speaker of the General Assembly, three shall be public officials to be appointed by the Governor and 11 shall be citizens of the State, of whom five shall be appointed by the Governor and three shall be appointed each by the President of the Senate and Speaker of the General Assembly. No more than one of the two legislative members appointed each by the President of the Senate and the Speaker of the General Assembly, and no more than half of the citizen members appointed, shall be of the
same political party. The 11 citizen members shall have knowledge and expertise in the area of local property tax law and local public finance. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made.

2. The commission shall organize as soon as may be after the appointment of its members. The members shall elect one of their number to serve as chairman and the commission may elect a secretary who need not be a member of the commission.

3. It shall be the duty of the commission to evaluate and study the current methods of conducting assessments of property and levying taxes for purposes of local government taxation, to inquire into the feasibility and practicability of alternative methods of allocating the costs of such assessments to assure regular periodic reassessments, and to devise means to mitigate the impact on sound urban neighborhoods of fiscal shock resulting from a massive redistribution of the property tax burden in urban communities where reassessments had been long delayed.

4. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county or municipal department, board, bureau, commission, agency or other public entity as it may require and as may be available for its purposes, and to employ counsel and such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary in order to perform its duties and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

5. The commission may meet and hold hearings in furtherance of its general purposes at such place or places as it shall designate, during the sessions or recesses of the Legislature. The commission shall have all the powers provided by chapter 13 of Title 52 of the Revised Statutes.

6. The commission shall report its findings and recommendations to the Governor and Legislature within 12 months of the adoption of this joint resolution accompanying the same with any legislative bills which it may desire to recommend for adoption by the Legislature.

7. This joint resolution shall take effect immediately.

Approved January 26, 1983.
JOINT RESOLUTION No. 4

A JOINT RESOLUTION designating the week of February 6 to February 12, 1983, as Catholic Schools Week.

WHEREAS, The Catholic schools in the State of New Jersey will be celebrating Catholic Schools Week in the State during the period February 6 to February 12, 1983; and

WHEREAS, The Catholic schools in the State of New Jersey have had over a century of service educating millions of New Jerseyans in preparation for their responsibilities as citizens of this State and as members of society; and

WHEREAS, Parents who send their children to nonpublic schools assist the State in reducing the rising costs of public education; and

WHEREAS, The 577 Catholic schools in the State currently provide over 200,000 students with a well-rounded educational program in moral values and community service; and

WHEREAS, The welfare of the State requires that this and future generations of school-age children be assured ample opportunity to develop to the fullest their intellectual capacities, and that in the exercise of their constitutional rights to choose nonpublic education for their children, parents who support such education make a major contribution to the public welfare; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. That the week of February 6 to February 12, 1983 is designated as Catholic Schools Week in the State of New Jersey to be recognized as such by State and municipal agencies throughout New Jersey.

2. That the Governor and the Legislature of the State of New Jersey call on all of the citizens of the State to recognize the contribution Catholic schools make to education in the State and commend their faculties, students, and parents for their dedication

JOINT RESOLUTION No. 5

A JOINT RESOLUTION creating a commission to study services and programs available to hearing impaired children.

WHEREAS, There are approximately 1,800 school-age children in New Jersey who are classified by public school districts as suffering from some sort of hearing impairment; and

WHEREAS, Perhaps the greatest tragedy of deafness may be the deprivation to the child of language and communication; and

JOINT RESOLUTION No. 11

A Joint Resolution directing the Division of Parks and Forestry in the Department of Environmental Protection to formulate and submit to the Legislature a master plan for the more efficient utilization and management of the State’s timberlands.

Whereas, New Jersey, widely and commonly known as the most densely populated state in the nation, also possesses substantial timberland resources, which in fact cover more than 50% of the State’s surface area; and

Whereas, Approximately 300,000 acres of forest land are owned by the State in the form of State parks and forests; and

Whereas, The State owned forest land, if managed and harvested in accordance with modern forestry practices and techniques, could produce revenues significantly greater than those presently realized; and

Whereas, Scientific management and harvesting can promote the health and environmental stability of forest lands; and

Whereas, In a time of increased awareness of the proper and efficient use of natural and renewable resources, it is incumbent on the State, and particularly the Department of Environmental Protection, to set the highest example of modern and efficient forest management; now, therefore,

Be it resolved by the Senate and General Assembly of the State of New Jersey:

1. That the Division of Parks and Forestry in the Department of Environmental Protection is directed to prepare and submit to
the Legislature a report outlining in detail a master plan for the more efficient management of the State's forest lands consistent with environmental and conservation goals. The master plan shall include, but not be limited to:

a. A detailed summary of the level and efficiency of current State forest management;

b. A detailed plan for upgrading the current management practices to ensure that State timber forests are managed and harvested to the fullest extent and in the most efficient manner consistent with environmental and conservation goals; and

c. A detailed estimate of the short and long-term costs of upgrading the State's forest management capability, and an estimate of the revenues which such an upgrading may reasonably be expected to yield.

2. That the Division of Parks and Forestry in the Department of Environmental Protection shall submit to the Legislature on or before March 1, 1984, the report mandated in this resolution.

3. This joint resolution shall take effect immediately.

WHEREAS, The Division of Motor Vehicles in the Department of Law and Public Safety must reform the State-operated motor vehicle inspection system in order to provide the citizens of this State with a cost-efficient and comprehensive motor vehicle emissions and safety inspection program; and

WHEREAS, Even though the State inspection system has been noted as one of the finest in the nation among the 21 states and the

District of Columbia which have inspection programs, the system has several problems which need to be resolved in order for the State to achieve maximum highway and road safety, improved air quality and the highest standards of occupational health for inspection personnel which may be achieved through the motor vehicle inspection system; and

WHEREAS, One of the major problems of the motor vehicle inspection system in its present form is the frequent and often substantial waiting time which motorists are subject to when they present their motor vehicles for inspection; and

WHEREAS, The problem of substantial waiting time for motorists at State inspection stations will become even more severe due to the recent federal court order requiring the State to end its odd-even biennial emissions testing system and return to annual motor vehicle emission testing by July 1, 1983 and due to a reduction in the number of motor vehicle inspectors; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

Whereas, R. S. 48:12-109 mandates that certain State employees shall travel free of charge over all railroads operating in New Jersey; and

Now, Therefore, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT that:

4. This Order shall take effect immediately.

WHEREAS, The Unemployment Insurance Trust Fund of New Jersey has been in a deficit state since 1975, having borrowed $735 million for the payment of unemployment benefits, and it is in the public interest that this State be able to provide a strong and adequate system for the provision of benefits to the unemployed; and

REORGANIZATION PLANS
REORGANIZATION PLAN OF THE DIVISION OF THE
STATE MUSEUM AND NEW JERSEY
HISTORICAL COMMISSION

The Division of the State Museum, in the Department of Education, together with all its functions, powers and duties, pursuant to N. J. S. 18A:73-1 et seq., and the New Jersey Historical Commission, in the Department of Education, together with all its functions, powers and duties, pursuant to N. J. S. 18A:73-21 et seq., are hereby transferred to the Department of State. All powers exercised by the Commissioner of Education, the State Board of Education and the State Librarian in direct supervision of the Division of the State Museum and New Jersey Historical Commission are hereby transferred to the Department of State and shall be executed by the Secretary of State or his designee.

The New Jersey State Museum, as presently organized under N. J. S. 18A:73-1 et seq., performs among other things the traditional functions of collecting, exhibiting and interpreting in the areas of natural history, archaeology/ethnology and fine arts in America with a New Jersey/Eastern United States focus. Long-term exhibitions utilize loan materials in conjunction with collection materials to treat timely issues, historic movements or events, and contemporary expression. Both long-term and short-term exhibits are interpreted through publications and through programs designed for school groups and the general public. Outreach activities include traveling exhibits, specimen loans and a film loan service.

The New Jersey State Museum, pursuant to N. J. S. 18A:73-2, is a division which consists of a Director and an Advisory Council and such other personnel as the Commissioner of Education deems necessary for its administration. This Advisory Council within the Division of the State Museum is called the Advisory Council of the State Museum and consists of five members appointed by the Governor. Under the reorganization, all who currently are members of the Advisory Council of the State Museum and the Director of the State Museum shall continue according to their respective terms of office. The duties and functions of the Advisory Council of the State Museum and the Director of the State Museum shall remain the same upon the reorganization.

The New Jersey Historical Commission, as presently organized under N. J. S. 18A:73-21 et seq., is responsible among other things
for advancing public knowledge of the history of New Jersey. To do this, it sponsors public programs, research projects, publications and commemorative observances and grant-in-aid programs for scholars, teachers and local historical organizations. It offers information and assistance to public and private organizations and individuals. In furtherance of its aims, the commission is empowered by statute to seek and receive funds other than State appropriations.

The New Jersey Historical Commission, pursuant to N. J. S. 18A:73-22, currently has 12 members, two members from the Senate, two members from the General Assembly, six citizens appointed by the Governor, confirmed by the Senate, the State Librarian and the chief of the Office of Historical Preservation of the Department of Environmental Protection.

The New Jersey Historical Commission, pursuant to this reorganization, shall be reconstituted as a division within the Department of State and will be composed of 13 members rather than 12 members. The additional member will be the Secretary of State. The 13 members are:

a. The Secretary of State or his designee, the State Librarian or his designee, and the Chief of the Office of Historical Preservation of the Department of Environmental Protection;

b. Six citizens of the State, to be appointed by the Governor, with the advice and consent of the Senate, all of whom shall be chosen by reason of their expertise in New Jersey history and qualified by academic achievement or professional affiliation, who shall serve for terms of three years and until the appointment and qualification of their successors;

c. Two members of the Senate, to be appointed by the President thereof, and two members of the General Assembly, to be appointed by the Speaker thereof. No more than one of the Senate and Assembly members shall be members of the same political party. Anyone appointed pursuant to subsection c. shall serve as a member of the commission until the expiration of his term as Senator or Assemblyman, as the case may be, during which he was appointed.

This transfer will add the Secretary of State as a member of the Historical Commission. This will effectuate the purpose of this Reorganization Act and will effect better management in the Executive Branch. The Secretary of State in her role as the main supervisor and coordinator of all the cultural and historical entities
located within the Department of State should be part of the Historical Commission.

The purpose of this Reorganization Plan will be to further concentrate the cultural and heritage functions of the State in a single department. Recently, the State Council on the Arts was transferred from the Department of Education to the Department of State. The Office of Ethnic Affairs is currently located within the Department of State.

This proposed transfer of the Historical Commission and the State Museum will enable the Division of the State Museum and the Historical Commission to work more closely and coordinate programs with the State Council on the Arts and the Ethnic Advisory Council. This will assure more comprehensive oversight and will enable the State to better coordinate its own financing. Also, a transfer of these entities to the Department of State will promote a greater sharing of expertise of the officials of State government concerned with cultural and historical programs.

In accordance with the provisions of section 2 of the Executive Reorganization Act of 1969, P. L. 1969, c. 203 (C. 52:14C-2), I find and declare that this transfer and reorganization is necessary and will do the following:

1. It will promote better execution of the laws, and more effective management of the Executive Branch and its departments, because many cultural entities will be located within one department rather than two departments, which is the current organization.

2. It will reduce expenditures and promote economy because there will be a sharing of expertise of the officials of State government concerned with cultural and historical programs.

3. It will increase the efficiency of the operation of the Executive to a better extent insofar as there will be a greater sharing of expertise within one department.

4. It will group and coordinate functions of the Executive as nearly as may be by virtue of the fact that the cultural programs will be located within one department.

5. Consequently, it will eliminate overlapping and duplication of effort by locating these cultural entities within one department.

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such
inconsistencies. All transfers directed by this Reorganization Plan, unless otherwise provided for herein, shall be effected pursuant to the "State Agency Transfer Act," P. L. 1971, c. 375 (C. 52:14D-1 et seq.).

REORGANIZATION PLAN OF THE BUREAU OF RECORDS MANAGEMENT SERVICES AND THE ARCHIVES SECTION

The Bureau of Records Management Services in the Division of the State Library in the Department of Education, together with all its functions, powers and duties, pursuant to N. J. S. 18A:73-35 and R. S. 41:1-1 et seq., and the Archives Section in the Bureau of Law, Archives and Reference Services in the Division of the State Library, Archives and History in the Department of Education, together with all its functions, powers and duties, pursuant to N. J. S. 18A:73-1 et seq. and R. S. 47:1-1 et seq., are hereby transferred to the Division of Archives and Records Management in the Department of State. All powers exercised by the Commissioner of Education, the State Board of Education, the State Librarian, and the Advisory Council of the Division of the State Library, Archives and History in direct supervision of the Bureau of Records Management Services and the Archives Section are hereby transferred to the Department of State and shall be executed by the Secretary of State or his designee.

The Bureau of Records Management Services, as presently organized under N. J. S. 18A:73-1 et seq. and R. S. 47:1-1 et seq., performs among other things the inventory, scheduling and destruction of State, county and municipal records. The bureau also contains the State's centralized microfilm unit, forms management unit, and the State's records storage center.

The Archives Section, as presently organized under N. J. S. 18A:73-1 et seq., performs among other things the collection and retention of the permanent State records, as well as some permanent county and municipal records. It provides historical and genealogical reference information for the State and nation.

There are three purposes of this Reorganization Plan. First this plan will further concentrate the cultural and heritage functions
of this State in a single department. Recently, the State Council on the Arts, the State Historical Commission and the State Museum were transferred from the Department of Education to the Department of State. The Office of Ethnic Affairs is also located within the Department of State. This proposed transfer will allow greater coordination among the Archives Section, the State Council on the Arts, the State Historical Commission, the State Museum and the Office of Ethnic Affairs. This will assure more comprehensive oversight and will enable the State to better coordinate its own financing. Also this transfer to the Department of State will promote a greater sharing of expertise of the State officials concerned with cultural and historical programs.

Second, this proposed transfer will allow greater coordination between the Archives Section and the Bureau of Records Management Services. The functions provided by these entities are very interrelated and should be closely aligned.

Third, this proposed reorganization will allow greater coordination between the Bureau of Records Management Services and the recording functions of the Department of State. Currently, the Department of State is depository for all enacted legislation, executive orders, executive commissions, corporation filings, Uniform Commercial Code filings, trade and service mark filings, financial disclosure statements, officials' non-conflict of interest statements, and notary commissions. Currently microfilming for many of the documents in the Department of State and other services for the department are done by the Records Management Bureau. Placing these functions in the same department will allow more efficient management of and coordination among these services.

In accordance with the provisions of section 2 of the Executive Reorganization Act of 1969, P. L. 1969, c. 203 (C. 52:14C-2), I find and declare that this transfer and reorganization is necessary and will do the following:

1. It will promote better execution of the laws, and more effective management of the Executive Branch of its departments because many cultural entities will be located within one department rather than two departments, which is the current organization.

2. It will reduce expenditures and promote economy because there will be a sharing of expertise of the officials of State government concerned with cultural and historical programs.
3. It will increase the efficiency of the operation of the Executive to a better extent insofar as there will be a greater sharing of expertise within one department.

4. It will group and coordinate functions of the Executive as nearly as may be by virtue of the fact that the cultural programs will be located within one department.

5. Consequently, it will eliminate overlapping and duplication of effort by locating these cultural entities within one department and centralize the record-keeping functions of State government. Centralization of these record-keeping functions will also afford the public better access to these records.

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies. All transfers directed by this Reorganization Plan, unless otherwise provided for herein, shall be effected pursuant to the "State Agency Transfer Act," P. L. 1971, c. 375 (C. 52:14D-1 et seq.).
