CHAPTER 112

AN ACT concerning involuntary commitment to treatment and amending and supplementing chapter 4 of Title 30 of the Revised Statutes and amending P.L.1991, c.270.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1987, c.116 (C.30:4-27.1) is amended to read as follows:

C.30:4-27.1 Findings, declarations.
   1. The Legislature finds and declares that:
a. The State is responsible for providing care, treatment and rehabilitation services to mentally ill persons who are disabled and cannot provide basic care for themselves or who are dangerous to themselves, others or property; and because some of these mentally ill persons do not seek treatment or are not able to benefit from voluntary treatment provided on an outpatient basis, it is necessary that State law provide for the voluntary admission and the involuntary commitment to treatment of these persons as well as for the public services and facilities necessary to fulfill these responsibilities.

b. Because involuntary commitment to treatment entails certain deprivations of liberty, it is necessary that State law balance the basic value of liberty with the need for safety and treatment, a balance that is difficult to effect because of the limited ability to predict behavior; and, therefore, it is necessary that State law provide clear standards and procedural safeguards that ensure that only those persons who are dangerous to themselves, others or property, are involuntarily committed to treatment.

c. It is the policy of this State that persons in the public mental health system receive inpatient treatment and rehabilitation services in the least restrictive environment in accordance with the highest professional standards and which will enable those persons committed to treatment to return to full autonomy in their community as soon as it is clinically appropriate.

In addition, it is the policy of this State to ensure that appropriate outpatient treatment services are readily available to all persons with mental illness, such that involuntary commitment to treatment is rarely required; but that persons with mental illness who are determined to be dangerous to themselves, others or property should be subject to involuntary treatment in the least restrictive environment possible, in an inpatient or outpatient setting clinically appropriate to their condition.

Further, it is the policy of this State that the public mental health system shall be developed in a manner which protects individual liberty and provides advocacy and due process for persons receiving treatment and ensures that treatment is provided in a manner consistent with a person's clinical condition.

d. It is the policy of this State to encourage each county or designated mental health service area to develop a screening service, outpatient treatment provider and short-term care facility which will meet the needs for evaluation and treatment of mentally ill persons in the county or service area. The State encourages the development of screening services as the public mental health system's entry point in order to provide accessible crisis intervention, evaluation and referral services to mentally ill persons in
the community; to offer mentally ill persons clinically appropriate alternatives to inpatient care, if any; and, when necessary, to provide a means for involuntary commitment to treatment. Similarly, the State encourages the development of community-based outpatient treatment providers and short-term care facilities to enable a mentally ill person to receive outpatient or acute, inpatient care near the person's community. Development and use of screening services, outpatient treatment providers and short-term care facilities throughout the State are necessary to strengthen the Statewide community mental health system, lessen inappropriate hospitalization and reliance on psychiatric institutions and enable State and county facilities to provide the rehabilitative care needed by some mentally ill persons following their receipt of acute care.

2. Section 2 of P.L.1987, c.116 (C.30:4-27.2) is amended to read as follows:

5. Section 5 of P.L.1987, c.116 (C.30:4-27.5) is amended to read as follows:

a. A screening service shall serve as the facility in the public mental health care treatment system wherein a person believed to be in need of involuntary commitment to outpatient treatment, a short-term care facility, psychiatric facility or special psychiatric hospital undergoes an assessment to determine what mental health services are appropriate for the person and where those services may be most appropriately provided in the least restrictive environment.

The screening service may provide emergency and consensual treatment to the person receiving the assessment and may transport the person or detain the person up to 24 hours for the purposes of providing the treatment and conducting the assessment.
b. When a person is assessed by a mental health screener and involuntary commitment to treatment seems necessary, the screener shall provide, on a screening document prescribed by the division, information regarding the person's history and available alternative facilities and services that are deemed inappropriate for the person. When appropriate and available, and as permitted by law, the screener shall make reasonable efforts to gather information from the person's family or significant others for the purposes of preparing the screening document. If a psychiatrist, in consideration of this document and in conjunction with the psychiatrist's own complete assessment, concludes that the person is in need of commitment to treatment, the psychiatrist shall complete the screening certificate. The screening certificate shall be completed by a psychiatrist except in those circumstances where the division's contract with the screening service provides that another physician may complete the certificate.

Upon completion of the screening certificate, screening service staff shall determine, in consultation with the psychiatrist or another physician, as appropriate, the least restrictive environment for the appropriate treatment to which the person shall be assigned or admitted, taking into account the person's prior history of hospitalization and treatment and the person's current mental health condition. Screening service staff shall designate:

(1) inpatient treatment for the person if he is immediately or imminently dangerous or if outpatient treatment is deemed inadequate to render the person unlikely to be dangerous to self, others or property within the reasonably foreseeable future; and

(2) outpatient treatment for the person when outpatient treatment is deemed sufficient to render the person unlikely to be dangerous to self, others or property within the reasonably foreseeable future.

If the screening service staff determines that the person is in need of involuntary commitment to outpatient treatment, the screening service staff shall consult with an outpatient treatment provider to arrange, if possible, for an appropriate interim plan of outpatient treatment in accordance with section 9 of P.L.2009, c.112 (C.30:4-27.8a).

If a person has been admitted three times or has been an inpatient for 60 days at a short-term care facility during the preceding 12 months, consideration shall be given to not placing the person in a short-term care facility.

The person shall be admitted to the appropriate facility or assigned to the appropriate outpatient treatment provider, as appropriate for treatment, as soon as possible. Screening service staff are authorized to coordinate initiation of outpatient treatment or transport the person or arrange for transportation of the person to the appropriate facility.
c. If the mental health screener determines that the person is not in need of assignment or commitment to an outpatient treatment provider, or admission or commitment to a short-term care facility, psychiatric facility or special psychiatric hospital, the screener shall refer the person to an appropriate community mental health or social services agency or appropriate professional or inpatient care in a psychiatric unit of a general hospital.

d. A mental health screener shall make a screening outreach visit if the screener determines, based on clinically relevant information provided by an individual with personal knowledge of the person subject to screening, that the person may need involuntary commitment to treatment and the person is unwilling or unable to come to the screening service for an assessment.

e. If the mental health screener pursuant to this assessment determines that there is reasonable cause to believe that a person is in need of involuntary commitment to treatment, the screener shall so certify the need on a form prepared by the division.

6. Section 6 of P.L.1987, c.116 (C.30:4-27.6) is amended to read as follows:

C.30:4-27.6 Custody.

6. A State or local law enforcement officer shall take custody of a person and take the person immediately and directly to a screening service if:

b. A mental health screener has certified on a form prescribed by the division that based on a screening outreach visit the person is in need of involuntary commitment to treatment and has requested the person be taken to the screening service for a complete assessment;

c. The court orders that a person subject to an order of conditional discharge issued pursuant to subsection c. of section 15 of P.L.1987, c.116 (C.30:4-27.15) who has failed to follow the conditions of the discharge be taken to a screening service for an assessment; or

d. An outpatient treatment provider has certified on a form prescribed by the division that the provider has reasonable cause to believe the person is in need of evaluation for commitment to treatment.

The involvement of the law enforcement authority shall continue at the screening service as long as necessary to protect the safety of the person in custody and the safety of the community from which the person was taken.

The commissioner shall so designate an agency or facility only with the approval of the agency's or facility's governing body.

b. The commissioner shall so designate an agency only with the approval of the agency's governing body.

C.30:4-27.8a Plan of outpatient treatment developed by provider.

9. a. An outpatient treatment provider shall develop a plan of outpatient treatment, in cooperation with screening service or short term care facility
staff or the court, as applicable, for patients committed and assigned to outpatient treatment by screening service staff or order of a court, or both. When appropriate and available, and as permitted by law, the provider shall make reasonable efforts to gather information from the patient's family or significant others for the purposes of developing the plan of outpatient treatment.

b. During the time a patient is assigned to the outpatient treatment provider for services pursuant to a commitment to outpatient treatment, the outpatient treatment provider shall provide and coordinate the provision of care consistent with the plan of outpatient treatment.

c. If a patient fails to materially comply with the plan of outpatient treatment during the time the patient is assigned by a screening service to the outpatient treatment provider for services pursuant to a commitment to outpatient treatment, or if the outpatient treatment provider determines that the plan of outpatient treatment is inadequate to meet the patient's mental health needs, the provider shall notify the screening service of the material noncompliance or plan inadequacy, as applicable, and the patient shall be referred to a screening service for an assessment to determine what mental health services are appropriate and where those services may be provided, in accordance with section 5 of P.L. 1987, c.116 (C.30:4-27.5). In such a case, the patient shall be afforded the protections and procedures provided for in P.L. 1987, c.116 and P.L. 2009, c.112.

d. If a patient fails to materially comply with the plan of outpatient treatment during the time the patient is assigned by a court to the outpatient treatment provider for services pursuant to a commitment to outpatient treatment, or if the outpatient treatment provider determines that the plan of outpatient treatment is inadequate to meet the patient's mental health needs, the provider shall notify the court and screening service of the material noncompliance or plan inadequacy, as applicable, and the patient shall be referred to a screening service for an assessment to determine what mental health services are appropriate and where those services may be provided, in accordance with section 5 of P.L. 1987, c.116 (C.30:4-27.5). In such a case, the patient shall be afforded the protections and procedures provided for in P.L. 1987, c.116 and P.L. 2009, c.112.

e. If an outpatient treatment provider determines that a plan of outpatient treatment is inadequate and needs to be modified, but referral to a screening service is not necessary, the provider shall seek court approval for such modification and shall notify the court, the patient's attorney and the county adjuster of the request for court approval of such modification.
10. Section 9 of P.L.1987, c.116 (C.30:4-27.9) is amended to read as follows:

C.30:4-27.9 Purposes, procedures.
9. Outpatient treatment providers, short-term care facilities, psychiatric facilities and special psychiatric hospitals shall effectuate the following purposes and procedures:
a. An outpatient treatment provider to which a person has been assigned pursuant to an order of continued involuntary commitment to treatment pursuant to section 15 of P.L.1987, c.116 (C.30:4-27.15) shall maintain the plan of outpatient treatment approved by the court pursuant to section 17 of P.L.2009, c.112 (C.30:4-27.15a), and shall notify the court, the person's attorney and the county adjuster of any material non-compliance with the plan by the person and of the inadequacy of the plan of outpatient treatment to meet the person's mental health needs, if applicable, and seek court approval for a modification to a plan of outpatient treatment, as provided for in section 9 of P.L.2009, c.112 (C.30:4-27.8a).

The director or chief executive officer of a short-term care facility, psychiatric facility or special psychiatric hospital shall have custody of a person while that person is detained in the facility and shall notify:

(1) appropriate public or private agencies to arrange for the care of any dependents and to ensure the protection of the person's property; and (2) appropriate ambulatory mental health providers for the purposes of beginning discharge planning.

If a person is admitted to a psychiatric facility, the chief executive officer of the facility shall promptly notify the county adjuster of the person's county of residence that the person has been admitted to the facility.

The facility is authorized to provide assessment, treatment and rehabilitation services and shall provide discharge planning services as required pursuant to section 18 of P.L.1987, c.116 (C.30:4-27.18).

The facility is authorized to detain persons involuntarily committed to the facility.

b. A person shall not be involuntarily committed to treatment at an outpatient treatment provider, short-term care or psychiatric facility, or special psychiatric hospital unless the person is in need of involuntary commitment to treatment.

The person shall be assigned involuntarily to an outpatient treatment provider or admitted involuntarily to a facility only by referral from a screening service or temporary court order. The person may be admitted voluntarily to a short-term care or psychiatric facility or special psychiatric hospital
only after the person has been advised orally and in writing of the discharge provisions established pursuant to P.L.1987, c.116 (C.30:4-27.1 et seq.) and P.L.2009, c.112 (C.30:4-27.8a et al.) and of the subsequent possibility that the facility may initiate involuntary commitment proceedings for the person.

c. A short-term care or psychiatric facility, or special psychiatric hospital may detain a person, admitted to the facility involuntarily by referral from a screening service without a temporary court order, for no more than 72 hours from the time the screening certificate was executed. During this period of time the facility shall initiate court proceedings for the involuntary commitment of the person pursuant to section 10 of P.L.1987, c.116 (C.30:4-27.10).

d. A person shall not be assigned to an outpatient treatment provider by referral from a screening service without a temporary court order, for more than 72 hours from the time the screening certificate was executed. During this period of time the provider shall initiate court proceedings for the involuntary commitment of the person pursuant to section 10 of P.L.1987, c.116 (C.30:4-27.10).

11. Section 10 of P.L.1987, c.116 (C.30:4-27.10) is amended to read as follows:

C.30:4-27.10 Court proceedings.

10. a. (1) A short-term care or psychiatric facility or a special psychiatric hospital shall initiate court proceedings for involuntary commitment to inpatient or outpatient treatment by submitting to the court a clinical certificate completed by a psychiatrist on the patient's treatment team and the screening certificate which authorized admission of the patient to the facility; provided, however, that both certificates shall not be signed by the same psychiatrist unless the psychiatrist has made a reasonable but unsuccessful attempt to have another psychiatrist conduct the evaluation and execute the certificate.

(2) A screening service or outpatient treatment provider shall initiate court proceedings for commitment to outpatient treatment by submitting to the court a clinical certificate completed by a psychiatrist on the patient's treatment team and the screening certificate which authorized assignment of the patient to outpatient treatment with the outpatient treatment provider; provided, however, that both certificates shall not be signed by the same psychiatrist unless the psychiatrist has made a reasonable but unsuccessful attempt to have another psychiatrist conduct the evaluation and execute the certificate.
b. Court proceedings for the involuntary commitment to treatment of any person not referred by a screening service may be initiated by the submission to the court of two clinical certificates, at least one of which is prepared by a psychiatrist. The person shall not be involuntarily committed before the court issues a temporary court order.

c. A court proceeding for involuntary commitment to treatment of an inmate who is scheduled for release upon expiration of a maximum term of incarceration shall be initiated by the Attorney General or county prosecutor by submission to the court of two clinical certificates, at least one of which is prepared by a psychiatrist.

d. The Attorney General, in exercise of the State's authority as parens patriae, may initiate a court proceeding for the involuntary commitment to treatment of any person in accordance with the procedures set forth in subsection a. or b. of this section. When the Attorney General determines that the public safety requires initiation of a proceeding pursuant to subsection b. of this section, the Attorney General may apply to the court for an order compelling the psychiatric evaluation of the person. The court shall grant the Attorney General's application if the court finds that there is reasonable cause to believe that the person may be in need of involuntary commitment to treatment. The Attorney General may delegate the authority granted pursuant to this subsection, on a case by case basis, to the county prosecutor.

e. Any person who is a relative by blood or marriage of the person being screened who executes a clinical certificate, or any person who signs a clinical certificate for any purpose or motive other than for purposes of care, treatment and confinement of a person in need of involuntary commitment to treatment, shall be guilty of a crime of the fourth degree.

f. Upon receiving these documents the court shall immediately review them in order to determine whether there is probable cause to believe that the person is in need of involuntary commitment to treatment.

g. If the court finds that there is probable cause to believe that the person, other than a person whose commitment is sought pursuant to subsection c. of this section, is in need of involuntary commitment to treatment, it shall issue a temporary order authorizing the assignment of the person to an outpatient treatment provider or the admission to or retention of the person in the custody of the facility, that is both appropriate to the person's condition and is the least restrictive environment, pending a final hearing.

h. If the court finds that there is probable cause to believe that a person whose commitment is sought pursuant to subsection c. of this section is in need of involuntary commitment to treatment, it shall issue an order setting a date for a final hearing and authorizing the Commissioner of the De-
partment of Corrections to arrange for temporary commitment pursuant to section 2 of P.L.1986, c.71 (C.30:4-82.2) to the Ann Klein Forensic Center in Trenton or other facility designated for the criminally insane pending the final hearing and prior to the expiration of the person's term. The order shall specifically provide for transfer of custody to the Ann Klein Forensic Center in Trenton or other facility designated for the criminally insane if the person's maximum term will expire prior to the final hearing.

i. In the case of a person committed to treatment at a short-term care facility or special psychiatric hospital, after the facility's treatment team conducts a mental and physical examination, administers appropriate treatment and prepares a discharge assessment, the facility may transfer the patient to a psychiatric facility prior to the final hearing; provided that: (1) the patient, his family and his attorney are given 24 hours' advance notice of the pending transfer; and (2) the transfer is accomplished in a manner which will give the receiving facility adequate time to examine the patient, become familiar with his behavior and condition and prepare for the hearing. In no event shall the transfer be made less than five days prior to the date of the hearing unless an unexpected transfer is dictated by a change in the person's clinical condition.

12. Section 11 of P.L.1987, c.116 (C.30:4-27.11) is amended to read as follows:

C.30:4-27.11 Patient rights.

11. A patient admitted to a short-term care or psychiatric facility or special psychiatric hospital either on a voluntary or involuntary basis, or assigned to an outpatient treatment provider has the following rights:

   a. The right to have examinations and services provided in the patient's primary means of communication including, as soon as possible, the aid of an interpreter if needed because the patient is of limited English-speaking ability or suffers from a speech or hearing impairment;

   b. The right to a verbal explanation of the reasons for admission to the facility or assignment to the provider, as applicable, the availability of an attorney and the rights provided in P.L.1987, c.116 (C.30:4-27.1 et seq.) and P.L.2009, c.112; and

   c. The right to be represented by an attorney and, if unrepresented or unable to afford an attorney, the right to be provided with an attorney paid for by the appropriate government agency. An attorney representing a patient has the right to inspect and copy the patient's clinical chart.

The clinical director of the facility, or the outpatient treatment provider, as appropriate, shall ensure that a written statement of the rights provided in
P.L.1987, c.116 (C.30:4-27.1 et seq.) and P.L.2009, c.112 is provided to patients at the time of admission or assignment, as applicable, as soon as possible thereafter, and to patients and their families upon request.

13. Section 12 of P.L.1987, c.116 (C.30:4-27.12) is amended to read as follows:

C.30:4-27.12 Court hearing.

12. a. A patient who is involuntarily committed to treatment and assigned to an outpatient treatment provider or involuntarily committed to treatment and admitted to a short-term care or psychiatric facility or special psychiatric hospital shall receive a court hearing with respect to the issue of continued need for involuntary commitment within 20 days from initial commitment unless the patient has been administratively discharged pursuant to section 17 of P.L.1987, c.116 (C.30:4-27.17). However, if a person is involuntarily committed pursuant to subsection c. or d. of section 10 of P.L.1987, c.116 (C.30:4-27.10), that person immediately shall be committed to the Ann Klein Forensic Center in Trenton or other facility designated for the criminally insane for the duration of the 20-day waiting period.

b. Except as provided in subsection c. of this section, the assigned county counsel is responsible for presenting the case for the patient's involuntary commitment to the court, unless the county adjuster is licensed to practice law in this State, in which case the county adjuster shall present the case for the patient's involuntary commitment to the court.

c. Notwithstanding the provisions of subsection b. of this section and upon notice to the county adjuster:

(1) The Attorney General, or the county prosecutor acting at the request of the Attorney General, may supersede the county counsel or county adjuster and assume responsibility for presenting any case for involuntary commitment to treatment or may elect to participate with the county counsel or county adjuster in presenting any such case; and

(2) The county prosecutor may supersede the county counsel or county adjuster and assume responsibility for presenting any case for involuntary commitment to treatment initiated by the county prosecutor pursuant to subsection c. of section 10 of P.L.1987, c.116 (C.30:4-27.10) or may elect to participate with the county counsel in the presentation of any such case.

d. A patient subject to involuntary commitment to treatment shall have counsel present at the hearing and shall not be permitted to appear at the hearing without counsel.
14. Section 13 of P.L.1987, c.116 (C.30:4-27.13) is amended to read as follows:

C.30:4-27.13 Notice of hearing.

13. a. At least 10 days prior to a court hearing, the county adjuster of the admitting county or the Attorney General or county prosecutor if presenting the case for the patient's involuntary commitment to treatment, shall cause notice of the court hearing to be served upon the patient, the patient's guardian if any, the patient's next-of-kin, the patient's attorney, the director, chief executive officer, or other individual who has custody of the patient, the county adjuster of the county in which the patient has legal settlement and any other individual specified by the court. The notice shall contain the date, time and location of the court hearing. The patient and the patient's attorney shall also receive copies of the clinical certificates and supporting documents, the temporary court order and a statement of the patient's rights at the court hearing.

b. A psychiatrist on the patient's treatment team who has conducted a personal examination of the patient as close to the court hearing date as possible, but in no event more than five calendar days prior to the court hearing, shall testify at the hearing to the clinical basis for the need for involuntary commitment to treatment. Other members of the patient's treatment team and any other witness with relevant information offered by the patient or the persons presenting the case for civil commitment shall also be permitted to testify at the hearing.

c. The patient's next-of-kin may attend and testify at the court hearing if the court so determines.

d. The court shall transcribe the court hearing and arrange for the payment of expenses related thereto in the same manner as for other court proceedings.

15. Section 14 of P.L.1987, c.116 (C.30:4-27.14) is amended to read as follows:

C.30:4-27.14 Patient rights at hearing.

14. A person subject to involuntary commitment to treatment has the following rights at a court hearing and any subsequent review court hearing:

a. The right to be represented by counsel or, if indigent, by appointed counsel;

b. The right to be present at the court hearing unless the court determines that because of the person's conduct at the court hearing the proceeding cannot reasonably continue while the person is present;
c. The right to present evidence;
d. The right to cross examine witnesses; and
e. The right to a hearing in camera.

16. Section 15 of P.L.1987, c.116 (C.30:4-27.15) is amended to read as follows:

C.30:4-27.15 Court findings relative to involuntary commitment to treatment.

15. a. If the court finds by clear and convincing evidence that the patient needs continued involuntary commitment to treatment, it shall issue an order authorizing the involuntary commitment of the patient and the assignment or admission of the patient pursuant to section 17 of P.L.2009, c.112 (C.30:4-27.15a) and shall schedule a subsequent court hearing in the event the patient is not administratively discharged pursuant to section 17 of P.L.1987, c.116 (C.30:4-27.17) prior thereto.

b. If the court finds that the patient does not need continued involuntary commitment to treatment, the court shall so order. A patient who is serving a term of incarceration shall be returned to the appropriate State, county or local authority to complete service of the term of incarceration imposed until released in accordance with law, and any other patient shall be discharged by the facility within 48 hours of the court's verbal order or by the end of the next working day, whichever is longer, with a discharge plan prepared pursuant to section 18 of P.L.1987, c.116 (C.30:4-27.18).

c. (1) The court may discharge the patient subject to conditions, if the court finds that the person does not need involuntary or continued involuntary commitment to treatment and the court finds:

(a) that the patient's history indicates a high risk of rehospitalization because of the patient's failure to comply with discharge plans; or

(b) that there is substantial likelihood that by reason of mental illness the patient will be dangerous to himself, others or property if the patient does not receive other appropriate and available services that render involuntary commitment to treatment unnecessary.

(2) Conditions imposed pursuant to this section shall include those recommended by the facility and mental health agency and developed with the participation of the patient. Conditions imposed on the patient shall be specific and their duration shall not exceed 90 days unless the court determines, in a case in which the Attorney General or a county prosecutor participated, that the conditions should be imposed for a longer period. If the court imposes conditions for a period exceeding six months, the court shall provide for a review hearing on a date the court deems appropriate but in no
event later than six months from the date of the order. The review hearing shall be conducted in the manner provided in this section, and the court may impose any order authorized pursuant to this section.

(3) The designated mental health agency staff person shall notify the court if the patient fails to meet the conditions of the discharge plan, and the court shall issue an order directing that the person be taken to a screening service for an assessment. The court shall determine, in conjunction with the findings of a screening service, if the patient needs to be rehospitalized and, if so, the patient shall be returned to the facility. The court shall hold a hearing within 20 days of the day the patient was returned to the facility to determine if the order of conditional discharge should be vacated.

d. Notwithstanding subsection a. of this section, or any provision of section 16, 17 or 18 of P.L.1987, c.116 (C.30:4-27.16, 30:4-27.17 or 30:4-27.18), no person committed while serving a term of incarceration shall be discharged by the court or administratively discharged prior to the date on which the person's maximum term would have expired had he not been committed. If the person is no longer in need of involuntary commitment to treatment, the person shall be returned to the appropriate State, county or local authority to complete service of the term of incarceration imposed until released in accordance with law, and the person shall be given day for day credit for all time during which the person was committed.

e. Notwithstanding subsection a. of this section, or any provision of section 16, 17 or 18 of P.L.1987, c.116 (C.30:4-27.16, 30:4-27.17 or 30:4-27.18), no person committed pursuant to N.J.S.2C:4-8 concerning acquittal of a criminal charge by reason of insanity or pursuant to N.J.S.2C:4-6 concerning lack of mental competence to stand trial shall be discharged by the court or administratively discharged unless the prosecuting attorney in the case receives prior notice and an opportunity to be heard.

C.30:4-27.15a Court determination of assignment of patient to involuntary commitment to treatment.

17. a. The court shall determine whether a patient who has been found to need continued involuntary commitment to treatment pursuant to section 15 of P.L.1987, c.116 (C.30:4-27.15) should be assigned to an outpatient setting or admitted to an inpatient setting for treatment, and shall issue the order authorizing such placement pursuant to section 15 of P.L.1987, c.116 (C.30:4-27.15), in accordance with this section. In determining the commitment placement, the court shall consider the least restrictive environment for the patient to receive clinically appropriate treatment that would
ameliorate the danger posed by the patient and provide the patient with appropriate treatment.

b. If the court determines that the least restrictive environment for the patient to receive clinically appropriate treatment would be in an outpatient setting and that there is a likelihood of the patient responding to outpatient treatment, the court shall obtain from a designated outpatient treatment provider a proposed plan of outpatient treatment for the patient which the court shall review. The plan of outpatient treatment shall be approved by the court.

c. If the court determines that the least restrictive environment for the patient to receive clinically appropriate treatment would be in an inpatient setting, the court shall issue an order for admission to a psychiatric facility.

d. Between the time periods for periodic court review hearings pursuant to section 16 of P.L. 1987, c.116 (C.30:4-27.16), the chief executive officer of a psychiatric facility may recommend changing the placement of the patient from an inpatient to outpatient setting, in order to ensure that the patient receives clinically appropriate treatment in the least restrictive environment. The chief executive officer of the facility shall notify the court of the recommendation for the change in placement.

e. At the time the court sets the date for a hearing on the change in placement, notice of the hearing shall be served upon the patient, the patient's guardian, if any, the patient's next-of-kin, the patient's attorney and the county adjuster of the county in which the patient has legal settlement.

f. The provisions of section 14 of P.L.1987, c.116 (C.30:4-27.14) concerning patient rights at a hearing shall apply to the hearing pursuant to this subsection.

18. Section 16 P.L.1987, c.116 (C.30:4-27.16) is amended to read as follows:

C.30:4-27.16 Court review hearings.

16. a. A patient committed pursuant to a court order who is not administratively discharged pursuant to section 17 of P.L.1987, c.116 (C.30:4-27.17) shall be afforded periodic court review hearings of the need for involuntary commitment to treatment and of the least restrictive environment for that commitment. The review hearing shall be conducted in the manner provided in section 15 of P.L.1987, c.116 (C.30:4-27.15). If the court determines at a review hearing that involuntary commitment to treatment shall be continued, it shall execute a new order.

In the case of a patient who has been admitted to a facility, the court shall conduct the first review hearing three months from the date of the first
hearing, the next review hearing nine months from the date of the first hearing and subsequent review hearings 12 months from the date of the first hearing and annually thereafter. The court may schedule additional review hearings but, except in extraordinary circumstances, not more often than once every 30 days.

In the case of a patient who has been assigned to an outpatient treatment provider, the court shall conduct the first review hearing six months from the date of the first hearing, the next review hearing nine months from the date of the first hearing and subsequent review hearings 12 months from the date of the first hearing and annually thereafter. The court may schedule additional review hearings but, except in extraordinary circumstances, not more often than once every 30 days.

b. At a court review hearing, when the advanced age of the patient or the cause or nature of the mental illness renders it appropriate and when it would be impractical to obtain the testimony of a psychiatrist as required in section 13 of P.L.1987, c.116 (C.30:4-27.13), the court may permit a physician on the patient's treatment team, who has personally conducted an examination of the patient as close to the hearing date as possible, but in no event more than five days prior to the hearing date, to testify at the hearing to the clinical basis for the need for involuntary commitment to treatment.

19. Section 17 of P.L.1987, c.116 (C.30:4-27.17) is amended to read as follows:

C.30:4-27.17 Discharge determination.

17. a. The treatment team at an outpatient treatment provider, short-term care or psychiatric facility or special psychiatric hospital shall, subject to the limitations set forth in subsections b. and c. of this section, administratively discharge a patient from involuntary commitment status if the treatment team determines that the patient no longer needs involuntary commitment to treatment. If a discharge plan has not been developed pursuant to section 18 of P.L.1987, c.116 (C.30:4-27.18), it shall be developed forthwith.

b. If the patient is confined pursuant to an order entered under section 15 of P.L.1987, c.116 (C.30:4-27.15) in a case in which the Attorney General or a county prosecutor participated, the treatment team shall, no less than 10 days prior to the proposed date of administrative discharge, provide written notice to the committing court and to the person or persons who presented the case for involuntary commitment to treatment. If, within five days of receipt of such notice, a person who presented the case for commitment files a request for a hearing on the issue of continued need for
commitment and serves notice of that request, in accordance with the provisions of section 13 of P.L.1987, c.116 (C.30:4-27.13), the treatment team shall delay the administrative discharge and the court shall schedule a hearing on the issue. The hearing shall be conducted in the manner provided in section 15 of P.L.1987, c.116 (C.30:4-27.15).

c. If the patient is confined pursuant to an order entered under N.J.S.2C:4-8 concerning acquittal of a criminal charge by reason of insanity or under N.J.S.2C:4-6 concerning lack of mental competence to stand trial, the treatment team shall, no less than 10 days prior to the proposed date of administrative discharge, provide written notice to the committing court and to the prosecutor. If, within five days of receipt of such notice, the prosecutor files a request for a hearing on the issue of continued need for commitment and serves notice of that request, in accordance with the provisions of section 13 of P.L.1987, c.116 (C.30:4-27.13), the treatment team shall delay the administrative discharge and the court shall schedule a hearing on the issue. The hearing shall be conducted in the manner provided in section 15 of P.L.1987, c.116 (C.30:4-27.15).

20. Section 18 of P.L.1987, c.116 (C.30:4-27.18) is amended to read as follows:

C.30:4-27.18 Discharge plan.

18. A person discharged either by the court or administratively from an outpatient treatment provider, short-term care or psychiatric facility or special psychiatric hospital shall have a discharge plan prepared by the treatment team at the facility or provider, as appropriate, pursuant to this section. The treatment team shall give the patient an opportunity to participate in the formulation of the discharge plan.

In the case of patients committed to treatment at short-term care or psychiatric facilities, a community agency designated by the commissioner shall participate in the formulation of the plan. The facility shall advise the mental health agency of the date of the patient's discharge. The mental health agency shall provide follow-up care to the patient pursuant to regulations adopted by the commissioner.

In the case of patients assigned to outpatient treatment providers, the outpatient treatment provider shall participate in the formulation of the plan.

This section does not preclude discharging a patient to an appropriate professional.

Psychiatric facilities shall give notice of the discharge to the county adjuster of the county in which the patient has legal settlement.
21. Section 1 of P.L.1991, c.270 (C.2A:62A-16) is amended to read as follows:

C.2A:62A-16 Medical or counseling practitioner's immunity from civil liability.

1. a. Any person who is licensed in the State of New Jersey to practice psychology, psychiatry, medicine, nursing, clinical social work or marriage counseling, whether or not compensation is received or expected, is immune from any civil liability for a patient's violent act against another person or against himself unless the practitioner has incurred a duty to warn and protect the potential victim as set forth in subsection b. of this section and fails to discharge that duty as set forth in subsection c. of this section.

b. A duty to warn and protect is incurred when the following conditions exist:

(1) The patient has communicated to that practitioner a threat of imminent, serious physical violence against a readily identifiable individual or against himself and the circumstances are such that a reasonable professional in the practitioner's area of expertise would believe the patient intended to carry out the threat; or

(2) The circumstances are such that a reasonable professional in the practitioner's area of expertise would believe the patient intended to carry out an act of imminent, serious physical violence against a readily identifiable individual or against himself.

c. A licensed practitioner of psychology, psychiatry, medicine, nursing, clinical social work or marriage counseling shall discharge the duty to warn and protect as set forth in subsection b. of this section by doing any one or more of the following:

(1) Arranging for the patient to be admitted voluntarily to a psychiatric unit of a general hospital, a short-term care facility, a special psychiatric hospital or a psychiatric facility, under the provisions of P.L.1987, c.116 (C.30:4-27.1 et seq.);

(2) Initiating procedures for involuntary commitment to treatment of the patient to an outpatient treatment provider, a short-term care facility, a special psychiatric hospital or a psychiatric facility, under the provisions of P.L.1987, c.116 (C.30:4-27.1 et seq.);

(3) Advising a local law enforcement authority of the patient's threat and the identity of the intended victim;

(4) Warning the intended victim of the threat, or, in the case of an intended victim who is under the age of 18, warning the parent or guardian of the intended victim; or
(5) If the patient is under the age of 18 and threatens to commit suicide or bodily injury upon himself, warning the parent or guardian of the patient.

d. A practitioner who is licensed in the State of New Jersey to practice psychology, psychiatry, medicine, nursing, clinical social work or marriage counseling who, in complying with subsection c. of this section, discloses a privileged communication, is immune from civil liability in regard to that disclosure.

C.30:4-27.18a Reference to mean “in need of involuntary commitment to treatment.”

22. 2. Section 25 of P.L.1948, c.110 (C.43:21-49) is amended to read as follows:

C.43:21-49 Postings, notice and claim for disability benefits.

25. (a) (1) Every employer shall post, in prominent locations, notices to employees in the form provided by the division of whether the employer is permitted or required to participate in a temporary disability benefits program pursuant to the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), and whether the employer does or does not participate. For employers who participate in a temporary disability benefits program, the notice shall also describe the temporary disability benefits available to the employees and prominently disclose that pregnancy is regarded by law as a disability and that pregnant employees are regarded as disabled and entitled to temporary disability benefits to the same extent as other disabled employees. Upon the request of an employer, the division shall, without charge, provide the employer with a copy of each applicable notice, suitable for reproduction by the employer. Each employer participating in the State plan or a private plan shall give a printed copy of benefit instructions to any disabled employee as soon as the employer becomes aware of the disability.

(2) In addition, in the event of the disability of any individual covered under the State plan, the employer shall, on the ninth day of disability, issue to the individual and to the division printed notices on division forms containing the name, address and Social Security number of the individual, such wage information as the division may require to determine the individual's eligibility for benefits, and the name, address, and division identity number of the employer. Not later than 30 days after the commencement of the period of disability for which such notice is furnished, the individual shall furnish to the division a notice and claim for disability benefits under the State plan or for disability during unemployment. Upon the submission of such notices by the employer and the individual, the division may issue benefit payments for periods not exceeding three weeks pending the receipt of medical proof. When requested by the division, such notice and proof shall include certification of total disability by the attending physician, or a record of hospital confinement. Failure to furnish notice and proof within the time or in the manner above provided shall not invalidate or reduce any claim if it shall be shown to the satisfaction of the division not to have been reasonably possible to furnish such notice and proof and that such notice and proof was furnished as soon as reasonably possible.

(b) A person claiming benefits under the State plan or for disability during unemployment shall, when requested by the division, submit at in-
tervals, but not more often than once a week, to an examination by a legally licensed physician, dentist, podiatrist, chiropractor, certified nurse midwife, advanced practice nurse or public health nurse designated by the division. In all cases of physical examination of a claimant, the examination shall be made by a designee of the division, who shall be the same sex as the claimant if so requested by the claimant. All such examinations by physicians, dentists, podiatrists, chiropractors, certified nurse midwives or nurses designated by the division shall be without cost to the claimant and shall be held at a reasonable time and place. Refusal to submit to such a requested examination shall disqualify the claimant from all benefits for the period of disability in question, except as to benefits already paid.

(c) All medical records of the division, except to the extent necessary for the proper administration of this act, shall be confidential and shall not be published or be open to public inspection (other than to public employees in the performance of their public duties) in any manner revealing the identity of the claimant, or the nature or cause of disability nor admissible in evidence in any action or special proceeding other than one arising under this act.

3. Section 8 of P.L.1997, c.38 (C.44:10-62) is amended to read as follows:

C.44:10-62 Adult recipient to seek employment.

8. a. As defined by the commissioner, each adult recipient shall continuously and actively seek employment in an effort to remove the assistance unit of which the recipient is a member from the program. A recipient may be assigned to a work activity as determined by the commissioner. The recipient shall sign an individual responsibility plan, as provided in subsection f. of this section, in order to be able to participate in the program, which shall indicate the terms of the work activity requirements that the recipient must fulfill in order to continue to receive benefits.

b. In accordance with Pub.L.104-193 (42 U.S.C. s. 601 et seq.), a recipient in an assistance unit with dependent children shall commence participation in a work activity, self-directed job search or other activities as determined by the commissioner at some time prior to having received 24 months of benefits; except that if the recipient is a full-time post-secondary student in a course of study related to employment as defined by regulation of the commissioner, the recipient shall be required to engage in another work activity for no more than 15 hours a week, subject to the recipient
making satisfactory progress toward the completion of the post-secondary course of study as determined by the commissioner.

c. A recipient shall comply with work activity participation requirements as a condition of remaining eligible for benefits. In accordance with the requirements of Pub.L.104-193 (42 U.S.C. s. 601 et seq.), a minimum participation rate of 25% shall be realized in federal fiscal year 1997. The participation rate shall increase by 5% in each federal fiscal year to a level of 50% in federal fiscal year 2002 and thereafter. For two-parent assistance units with dependent children receiving benefits, the participation rate shall be 75% for federal fiscal years 1997 and 1998 and 90% in federal fiscal year 1999 and thereafter. The participation rate shall be calculated in accordance with federal requirements. A recipient may be required to participate in one or more work activities for a maximum aggregate hourly total of 40 hours per week.

d. A recipient shall not be required to engage in a work activity if child care, including the unavailability of after-school child care for children over six years of age, is unavailable for the recipient's dependent child, as determined by regulation of the commissioner.

e. A recipient may temporarily be deferred from work activity requirements as provided for by the commissioner if the recipient is:

   (1) a woman in the third trimester of pregnancy;

   (2) a person certified by an examining legally licensed physician or legally licensed certified nurse midwife, acting within the scope of the practitioner's profession, to be unable, by reason of a physical or mental defect, disease or impairment, to engage in any gainful occupation for any period less than 12 months; or

   (3) the parent or relative of a child under the age of 12 weeks who is providing care for that child, except that, the deferral may be extended for an appropriate period of time if determined to be medically necessary for the parent or child.

f. Upon a determination of eligibility for benefits, each adult recipient not otherwise deferred or exempted under this act shall be given an assessment of that person's potential and readiness for work, including, but not limited to, skills, education, past work experience and any barriers to securing employment, including a screening and assessment for substance abuse, as appropriate. For all recipients not deferred or exempt, an annual individual responsibility plan shall be developed jointly by the county agency or municipal welfare agency, as appropriate, and the recipient specifying the steps that will be taken by each to assist the recipient to secure employment. The individual responsibility plan shall include specific goals for each adult
member or minor parent in the assistance unit, and may include specific goals for a dependent child member of the assistance unit. The goals, as determined by regulation of the commissioner, shall include, but not be limited to, requirements for parental participation in a dependent child's primary school program, immunizations for a dependent child, and regular school attendance by a dependent child. Recipients who are job ready shall be placed immediately in a self-directed job search. Within the amount of funds allocated by the commissioner for this purpose, other recipients shall be placed in an appropriate work activity as indicated by their individual assessments.

g. The county agency or municipal welfare agency, as appropriate, shall ensure the provision of necessary case management for recipients, as appropriate to their degree of job readiness, pursuant to regulations adopted by the commissioner. The most intensive case management shall be directed to those recipients facing the most serious barriers to employment.

h. (1) A recipient shall not be placed or utilized in a position at a particular workplace:

(a) that was previously filled by a regular employee if that position, or a substantially similar position at that workplace, has been made vacant through a demotion, substantial reduction of hours or a layoff of a regular employee in the previous 12 months, or has been eliminated by the employer at any time during the previous 12 months;

(b) in a manner that infringes upon a wage rate or an employment benefit, or violates the contractual overtime provisions of a regular employee at that workplace;

(c) in a manner that violates an existing collective bargaining agreement or a statutory provision that applies to that workplace;

(d) in a manner that supplants or duplicates a position in an existing, approved apprenticeship program;

(e) by or through an employment agency or temporary help service firm as a community work experience or alternative work experience worker;

(f) if there is a contractual or statutory recall right to that position at that workplace; or

(g) if there is an ongoing strike or lockout at that workplace.

(2) A person who believes that he has been adversely affected by a violation of this subsection, or the organization that is duly authorized to represent the collective bargaining unit to which that person belongs, shall be afforded an opportunity to meet with a designee of the Commissioner of Labor and Workforce Development or the Governor's Office of Employee Relations, as appropriate. The designee shall attempt to resolve the complaint of the alleged violation within 30 days of the date of the request for
the meeting. The Commissioner of Labor and Workforce Development, in consultation with the Governor's Office of Employee Relations, shall adopt regulations to effectuate the provisions of this subsection. In the event that the complaint is not resolved within the 30-day period, the complainant may appeal to the New Jersey State Board of Mediation in the Department of Labor and Workforce Development for expedited binding arbitration in accordance with the rules of the board. If the arbitrator determines that a violation has occurred, he shall provide an appropriate remedy. The cost of the arbitration shall be borne equally by both parties to the dispute.

(3) Nothing in this subsection shall be construed to prevent a collective bargaining agreement from containing additional protections for a regular employee.

i. The commissioner, acting in conjunction with the Commissioners of Banking and Insurance, Community Affairs, Education, Health and Senior Services, Labor and Workforce Development and Transportation, shall implement all elements of the program and establish initiatives to assist in moving recipients towards self-sufficiency.

j. The commissioner shall take such actions as are necessary to ensure that the program meets the requirements to qualify for the maximum amount of federal funds due the State under Pub.L.104-193 (42 U.S.C. s.601 et seq.).

k. The commissioner is authorized to seek such waivers from the federal government as are necessary to accomplish the goals of the program.

4. This act shall take effect immediately.

Approved August 12, 2009.

(1) Except as provided in paragraph (3) of this subsection, the benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the contract, but shall not be subject to limits on the number of visits that a covered person may make to a provider of behavioral interventions.

e. The provisions of subsections b. and c. of this section shall not be construed as limiting benefits otherwise available to a covered person.

f. The provisions of subsections b. and c. of this section shall not be construed to require that benefits be provided to reimburse the cost of services provided under an individualized family service plan or an individualized education program, or affect any requirement to provide those services; except that the benefits provided pursuant to those subsections shall include coverage for expenses incurred by participants in an individualized family service plan through a family cost share.

g. The coverage required under this section may be subject to utilization review, including periodic review, by the hospital service corporation of the continued medical necessity of the specified therapies and interventions.

CHAPTER 117

AN ACT authorizing the creation of a debt of the State of New Jersey by
the issuance of bonds of the State in the aggregate principal amount of
$400,000,000 for the purpose of providing moneys for acquisition and
development of lands for public recreation and conservation purposes,
for farmland development easement and fee simple acquisitions, for
Blue Acres projects, and for historic preservation projects; providing
the ways and means to pay and discharge the principal of and interest
on the bonds; providing for the submission of this act to the people at a
general election; and making an appropriation therefor.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Green Acres, Water Supply and Floodplain Protection, and Farmland and Historic Preservation Bond Act of 2009.”

2. The Legislature finds and declares that enhancing the quality of life of the citizens of New Jersey is a paramount policy of the State; that the acquisition and preservation of open space, farmland, and historic properties in New Jersey protects and enhances the character and beauty of the State and provides its citizens with greater opportunities for recreation, relaxation, and education; that the lands and resources now dedicated to these purposes will not be adequate to meet the needs of an expanding population in years to come; that the open space and farmland that is available and appropriate for these purposes will gradually disappear as the costs of preserving them correspondingly increase; and that it is necessary and desirable to provide funding for the development of parks and other open space for recreation and conservation purposes.

The Legislature further finds and declares that agriculture plays an integral role in the prosperity and well-being of the State as well as providing a fresh and abundant supply of food for its citizens; that much of the farmland in the State faces an imminent threat of permanent conversion to non-farm uses; and that the retention and development of an economically viable agricultural industry is of high public priority.

The Legislature further finds and declares that the Delaware River, the Passaic River, and the Raritan River, and their respective tributaries, and other areas throughout the State have been subject to serious flooding over the years, causing on some occasions loss of life and significant property damage; that to best ensure the public health, safety, and welfare while also accomplishing the desired objectives of (1) restoring, enhancing, and preserving water quality as well as ecosystems throughout the State for the public benefit, and (2) utilizing public funds in the most economical manner, it behooves the State to continue to fund the program to acquire throughout the State from willing sellers those properties that are prone to flooding and to dedicate those lands that are purchased for recreation and conservation; and that the issuance of bonds is necessary and desirable to provide funds for such purposes.

The Legislature further finds and declares that there is an urgent need to preserve the State's historic heritage to enable present and future generations
to experience, understand, and enjoy the landmarks of New Jersey's role in
the birth and development of this nation; that the restoration and preserva-
tion of properties of historic character and importance in the State is central
to meeting this need; and that a significant number of these historic prop­
terties are located in urban centers, where their restoration and preservation
will advance urban revitalization efforts of the State and local governments.

The Legislature further finds and declares that there is growing public
recognition that the quality of life, economic prosperity, and environmental
quality in New Jersey are served by the protection and timely preservation
of open space and farmland and better management of the lands, resources,
historic properties, and recreational facilities that are already under public
ownership or protection; that the protection and preservation of New Jer­
sey's water resources, including the quality and quantity of the State's limi­
ted water supply, is essential to the quality of life and the economic health
of the citizens of the State; that the acquisition of flood-prone areas is in the
best interests of the State to prevent the loss of life and property; that the
preservation of the existing diversity of animal and plant species is essential
to sustaining both the environment and the economy of the Garden State,
and the conservation of adequate habitat for endangered, threatened, and
other rare species is necessary to preserve this biodiversity; that there is a
need to continue the funding provided by the "Green Acres, Farmland, Blue
Acres, and Historic Preservation Bond Act of 2007" (P.L. 2007, c.119), the
1998 constitutional amendment, the "Green Acres, Farmland and Historic
Preservation, and Blue Acres Bond Act of 1995" (P.L. 1995, c.204), and the

The Legislature therefore determines that it is in the public interest to
issue bonds to ensure the continuation of funding for the State's programs
for the acquisition and development of lands for recreation and conserva­
tion purposes, for the preservation of farmland for agricultural or horticul­
tural use and production, for the purchase, for recreation and conservation
purposes, of flood-prone lands, and for historic preservation.

Any act appropriating moneys from the “2009 Blue Acres Fund” shall identify the particular project or projects to be funded by the moneys, and any expenditure for a project for which the location is not identified by municipality and county in the appropriation shall require the approval of the Joint Budget Oversight Committee or its successor.

c. Unexpended moneys due to project withdrawals, cancellations, or cost savings shall be returned to the fund to be used for the purposes of the fund.

20. a. The State Treasurer shall establish a fund to be known as the “2009 Historic Preservation Fund,” and the moneys therein are to be held in those depositories as the State Treasurer may select. The State Treasurer shall deposit into the fund all proceeds from the sale of bonds issued by the State under this act for the funding of historic preservation projects as set forth in section 8 of this act. The moneys in the fund are specifically dedicated and shall be applied to the cost of preservation of historic properties as set forth in section 8 of this act. Moneys in the fund shall not be expended except in accordance with appropriations from the fund made by law, but bonds may be issued as herein provided, notwithstanding that the Legislature shall not have then adopted an act making a specific appropriation of any of the moneys.

b. Any act appropriating moneys from the “2009 Historic Preservation Fund” shall identify the particular project or projects to be funded by the moneys, and any expenditure for a project for which the location is not identified by municipality and county in the appropriation shall require the approval of the Joint Budget Oversight Committee or its successor.

c. Unexpended moneys due to project withdrawals, cancellations, or cost savings shall be returned to the fund to be used for the purposes of the fund.

21. a. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is authorized to transfer from any available moneys in any fund of the treasury of the State to the credit of the “2009 Green Acres Fund,” the “2009 Farmland Preservation Fund,” the “2009 Blue Acres Fund,” or the “2009 Historic Preservation Fund,” those sums as the State Treasurer may deem necessary. The sums so transferred shall be returned
to the same fund of the treasury of the State by the State Treasurer from the proceeds of the sale of the first issue of bonds.

b. Pending their application to the purposes provided in the applicable provisions of this act, the moneys in the “2009 Green Acres Fund,” the “2009 Farmland Preservation Fund,” the “2009 Blue Acres Fund,” and the “2009 Historic Preservation Fund,” may be invested and reinvested as are other trust funds in the custody of the State Treasurer, in the manner provided by law. Net earnings received from the investment or deposit of moneys in these funds shall be redeposited therein and become part of the respective funds.

22. If any coupon bond, coupon or registered bond is lost, mutilated or destroyed, a new bond or coupon shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bond or coupon, upon the owner furnishing to the issuing officials evidence satisfactory to them of the loss, mutilation or destruction of the bond or coupon, the ownership thereof, and security, indemnity and reimbursement for expenses connected therewith, as the issuing officials may require.

23. The accrued interest, if any, received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

24. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the 35th year from the date of issue of that series, and in amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at the price or prices and upon the terms and conditions as may be provided in the bonds.

25. Any bond or bonds issued hereunder which are subject to refinancing pursuant to the “Refunding Bond Act of 1985,” P.L.1985, c.74 as amended by P.L.1992, c.182 (C:49:2B-1 et seq.), shall no longer be deemed
to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey, and the faith and credit of the State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of the Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with the trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest payments on the government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien, pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds. Notwithstanding anything to the contrary contained herein: a. the trustees or escrow agents
shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and b. in the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities, as provided in this sentence, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which the deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on the remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of the excess to the State, free and clear of any trust, lien, pledge or assignment securing the refunding bonds.

26. Refunding bonds issued pursuant to P.L.1985, c.74 as amended by P.L.1992, c.182 (C.49:2B-1 et seq.) may be consolidated with bonds issued pursuant to section 5, 6, 7, or 8 of this act or with bonds issued pursuant to any other act for purposes of sale.

27. To provide funds to meet the interest and principal payment requirements for the bonds and refunding bonds issued under this act and outstanding, there is appropriated in the order following:
   a. Revenue derived from the collection of taxes under the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.), or so much thereof as may be required; and
   b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and
collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as are other taxes upon real and personal property. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to pay the principal of bonds falling due and all interest and redemption premium, if any, payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by the State Treasurer, and shall pay the principal, redemption premium, if any, and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal, redemption premium, if any, and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall be considered and treated as part of the General Fund, available for general purposes.

28. Should the State Treasurer, by December 31 of any year, deem it necessary, because of the insufficiency of funds collected from the sources of revenues as provided in this act, to meet the interest and principal payments for the year after the ensuing year, then the State Treasurer shall certify to the Director of the Division of Budget and Accounting in the Department of the Treasury the amount necessary to be raised by taxation for those purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. The director shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected in each county as herein set forth. This calculation shall be based upon the corrected assessed valuation of each county for the year preceding the year in which the tax is to be assessed, but the tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed.
and levied. The director shall certify the amount to the county board of taxation and the treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

29. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election next occurring at least 70 days after enactment. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 60 days prior to the election, to cause this act to be published at least once in one or more newspapers of each county, if any newspapers be published therein and to notify the clerk of each county of this State of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have printed on each of the ballots the following:

CHAPTER 118

AN ACT concerning a pilot program to transfer the property assessment function from municipalities to the county, supplementing Title 54 of the Revised Statutes, and amending P.L.2007, c.54.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.54:1-86 Short title.
1. Sections 1 through 15 of P.L.2009, c.118 (C.54:1-86 et seq.) shall be known and may be cited as the "Property Tax Assessment Reform Act."

C.54:1-87 Findings, declarations relative to property tax assessment reform.
2. The Legislature finds and declares:
   a. Under the current real property assessment system, each municipality within a county assesses its property at a different percentage of market value, requiring that property be equalized to apportion county taxes among the constituent municipalities in order to meet the requirements of the Uniformity Clause, Article VIII, Section I, paragraph 1 of the New Jersey Constitution.
   b. Under the current real property assessment system each municipality has its own assessor. The decision to revalue is often postponed beyond what is prudent, causing some property taxpayers in a municipality to subsidize other property taxpayers for many years.
   c. A county tax assessment system will help address the shortcomings of the municipal assessment system by removing local responsibility for local revaluation costs.

C.54:1-88 Definitions relative to property tax assessment reform.
3. As used in this act:

   "County assessor" means the person appointed by the county governing body pursuant to section 4 of P.L.2009, c.118 (C.54:1-89) to assess property within the county for the purposes of taxation and exemption from taxation.
   "Department" means the Department of the Treasury.
   "Director" means the Director of the Division of Property Assessment in the Department of the Treasury.
   "Deputy county assessor" means the holder of a certified property assessor certificate who is employed by the office of the county assessor within the pilot county and assigned to perform duties and responsibilities for the assessment of property for purposes of taxation under the supervision of the county assessor.

(2) The commission shall recommend legislative changes which would encourage the more efficient operation of local government. These changes may include the structural and administrative streamlining of county and municipal government functions, including but not limited to, the transfer of functions from one level of government to another, and the use or establishment of regional service delivery entities.

(3) The commission shall also consider optimal service levels, ratios of employees to population served, cost structures for service delivery, and other best practices.

Within two years following the effective date of P.L.2007, c.54 (C.52:27D-501 et al.), the commission shall report its findings to the Governor, the President of the Senate, and the Speaker of the General Assembly; provided, however, that findings concerning the transfer of the municipal tax assessment function to the county through the appointment of a county assessor and deputy county assessors shall be reported on or before February 1 of the sixth year next following the effective date of P.L.2009, c.118 (C.54:1-86 et al.).

b. Based on its findings pursuant to paragraph (3) of subsection a. of this section, the commission shall develop criteria to serve as the basis for recommending the consolidation of specific municipalities, the merger of specific existing autonomous agencies into the parent municipal or county government, or the sharing of services between municipalities or between municipalities and other public entities. Recommendations for sharing services may result from a study focusing exclusively on the sharing of services or may result from a study examining potential consolidation. Municipalities to be considered for consolidation shall be within the same county and shall also be situated within the same legislative district.

The criteria to govern a study to examine consolidation or the sharing of services shall include, but need not be limited to:
(1) a consideration of geographic factors, such as a shared boundary, or in the case of the recommended consolidation of more than two local units, that the consolidated local unit will have a contiguous boundary;

(2) an analysis of the economic costs and benefits of consolidation or the sharing of services, as the case may be, including potential tax savings and reductions in government costs through economies of scale;

(3) measures to ensure that costs and benefits of consolidation or service sharing are distributed equitably across the entire community; and

(4) measures to safeguard the interests of communities in the municipalities for which consolidation is recommended.

The commission shall give priority to local units that volunteer to be studied.

c. When a municipal consolidation is recommended by the commission, the commission shall substitute for a joint municipal consolidation study commission that would be formed pursuant to section 7 of the "Municipal Consolidation Act," P.L.1977, c.435 (C.40:43-66.41) or any other statute governing municipal consolidation, and no voter approval shall be required to create the study commission.

d. When a consolidation or shared service is recommended by the commission, the commission shall recommend State funding for any extraordinary expenses necessitated by the consolidation plan or shared service agreement. The commission shall recommend that this funding be provided either by funds made available to the commission for that purpose or by the Legislature or State Treasurer as part of the annual State budget process.

17. This act shall take effect immediately.

Approved August 18, 2009.

CHAPTER 119

AN ACT concerning technical assistants to construction code officials and amending P.L.1975, c. 217.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 8 of P.L. 1975, c. 217 (C.52:27D-126) is amended to read as follows:

C.52:27D-126 Appointment of construction official, subcode officials.

8. a. The appointing authority of any municipality shall appoint a construction official, any necessary subcode officials and technical assistants to assist such officials to administer and enforce the code. The appointing authority may, by resolution or order as appropriate, set the total number of weekly hours of operation of the construction official's office and the total number of weekly work hours of the construction official, commensurate with the compensation paid to the construction official. The appointing authority shall not set the specific work hours of the construction official. The appointing authority shall also appoint a construction board of appeals to hear and decide appeals from decisions made by said construction official and subcode officials, in the administration and enforcement of the code. Nothing herein, however, shall prevent a municipality from accepting inspections as to compliance with the code or any subcode thereof made by an inspection authority approved by the State of New Jersey pursuant to law.

b. To establish tenure rights or any other right or protection provided by the "State Uniform Construction Code Act" or Title 11A, Civil Service, of the New Jersey Statutes, or any pension law or retirement system, the job title "construction official" shall be equivalent to that job title which, prior to the adoption of the State Uniform Construction Code as provided in section 5 of the "State Uniform Construction Code Act," entailed the chief administrative responsibility to enforce all construction codes which had been adopted by the municipal governing body, the enforcement of which was not the responsibility of an authorized private inspection agency; and the job title "subcode official" shall be equivalent to that job title which, prior to the adoption of the State Uniform Construction Code, entailed subordinate administrative responsibility to enforce one or more of the following construction codes: building, plumbing, electrical or fire code.

Any person, in a municipality operating under Title 11A, Civil Service, of the New Jersey Statutes, who, prior to the adoption of the State Uniform Construction Code, held the equivalent of the job title "construction" official or "subcode" official, but who no longer holds his position as a result of a determination that his old job title was not equivalent to that of "construction" official or "subcode" official, shall be offered reappointment as a construction official or subcode official, as the case may be, and shall be granted permanent classified status in such position. Tenure shall continue for (1) any construction official or subcode official who is serving under
tenure as otherwise provided by law on the effective date of this act or within one year thereafter, or (2) any person certified pursuant to subsection c. of this section and who subsequently gains such tenure.

A construction official or subcode official appointed in a municipality operating under the provisions of Title 11A, Civil Service, of the New Jersey Statutes, who, at the time of adoption of the State Uniform Construction Code, January 1, 1977, or prior to January 1, 1981, had permanent classified status or was employed as a construction official or subcode official or in another position in the unclassified service, shall be included in the classified service without civil service examination in his respective title of construction official or subcode official. Any individual employed by a municipality, who, in his employment with the municipality between January 1, 1977 and prior to January 1, 1981, was charged with the chief administrative responsibility to enforce all existing municipal construction codes, shall be deemed as appointed to the position of construction official for the purposes of this act. Any individual employed by a municipality, who, in his employment with the municipality between January 1, 1977 and prior to January 1, 1981, was charged with chief responsibility to enforce the municipal building, plumbing, fire, or electrical code, shall be deemed as appointed to the position of subcode official for the purposes of this act. No person, on or after January 1, 1981, shall be appointed as construction or subcode official in a municipality operating under Title 11A, Civil Service, of the New Jersey Statutes without having passed an examination administered by the Civil Service Commission certifying the merit and fitness of the person to hold such position; provided that, whenever a noncivil service municipality adopts the provisions of that Title, construction code officials and subcode officials of such municipality appointed prior to the filing of the petition for the adoption of civil service, shall attain permanent status in the classified service without examination. Any construction or subcode official appointed after January 1, 1981 on a provisional basis in a municipality which has adopted the provisions of Title 11A, Civil Service, of the New Jersey Statutes, may not be removed from office except for just cause after a fair and impartial hearing has been held at the local level, with no further appeal to the Civil Service Commission; provided, however, that such a construction or subcode official may be removed to permit the appointment of a person certified for appointment by the Civil Service Commission. A construction official or subcode official in a noncivil service municipality shall be appointed for a term of four years and shall, upon appointment to a second consecutive term or on or after the commencement of a fifth consecutive year of service, including years of service in an
equivalent job title held prior to the adoption of the State Uniform Construction Code, be granted tenure and shall not be removed from office except for just cause after a fair and impartial hearing.

A construction or subcode official, to be eligible for appointment in civil service or noncivil service municipalities, shall be certified by the State of New Jersey in accordance with subsection c. of this section and shall have had at least three years' experience in construction, design or supervision as a licensed engineer or registered architect; or five years' experience in construction, design, or supervision as an architect or engineer with a bachelor's degree from an accredited institution of higher education; or 10 years' experience in construction, design or supervision as a journeyman in a trade or as a contractor. A subcode official shall, pursuant to any subcode which he administers, pass upon:

(1) matters relative to the mode, manner of construction or materials to be used in the erection or alteration of buildings or structures, except as to any such matter foreclosed by State approval pursuant to this act, and (2) actual execution of the approved plans and the installation of the materials approved by the State. The construction official in each municipality shall be the chief administrator of the "enforcing agency." He shall have the power to overrule a determination of a subcode official based on an interpretation of a substantive provision of the subcode which such subcode official administers, only if the construction official is qualified to act pursuant to this act as a subcode official for such subcode. He may serve as subcode official for any subcode which he is qualified under this act to administer. A subcode official or municipal engineer may serve as a construction official if otherwise qualified under the provisions of this act. The municipal enforcing agency shall require compliance with the provisions of the code, of all rules lawfully adopted and promulgated thereunder and of laws relating to the construction, alteration, repair, removal, demolition and integral equipment and location, occupancy and maintenance of buildings and structures, except as may be otherwise provided for.

Two or more municipalities may provide by ordinance, subject to regulations established by the commissioner, for the joint appointment of a construction official and subcode official for the purpose of enforcing the provisions of the code in the same manner.

c. No person shall act as a construction official or subcode official for any municipality unless the commissioner determines that said person is so qualified, except for the following:

(1) a municipal construction official or subcode official holding office under permanent civil service status, or tenure as otherwise provided by law
on the effective date of this act or within one year thereafter and (2) a munici-
pal construction official or subcode official holding office without such per-
manent civil service status or tenure on the effective date of this act or
within one year thereafter; provided said construction official or subcode
official not having such permanent civil service status or tenure shall be
certified in accordance with this act within four years of the effective date
thereof; provided further that a person holding on the effective date of this
act a valid plumbing inspector's license from the Department of Health and
Senior Services pursuant to Title 26 of the Revised Statutes may serve as a
plumbing subcode official and a person holding on the effective date of this
act a valid electrical inspector's license from the Board of Public Utilities
pursuant to Title 48 of the Revised Statutes may serve as an electrical sub-
code official. The commissioner, after consultation with the code advisory
board, may authorize the preparation and conducting of oral, written and
practical examinations to determine if a person is qualified by this act to be
eligible to be a construction official or subcode official or, in the alterna-
tive, may accept successful completion of programs of training as proof of
qualification within the meaning of this act. Upon a determination of quali-
fication the commissioner shall issue or cause to be issued a certificate to
the construction official or subcode official or trainee stating that he is so
certified. The commissioner, after consultation with the code advisory
board, may establish classes of certification that will recognize the varying
complexities of code enforcement in the municipalities within the State.
The commissioner shall, after consultation with the code advisory board,
provide for educational programs designed to train and assist construction
officials, subcode officials, and technical assistants to these officials in car-
rying out their responsibilities.

Whenever the commissioner is required by the terms of this subsection
to consult with the code advisory board and the matter in question concerns
plumbing subcode officials, the commissioner shall also consult with the

d. The commissioner, after consultation with the code advisory board,
may periodically require that each construction official, subcode official,
and technical assistant demonstrate a working knowledge of innovations in
construction technology and materials, recent changes in and additions to
the relevant portions of the State Uniform Construction Code, and current
standards of professional ethics and legal responsibility; or, in the alterna-
tive, the commissioner, after consultation with the code advisory board,
may accept successful completion of appropriate programs of training as
proof of such working knowledge.
2. This act shall take effect immediately.

Approved August 18, 2009.

CHAPTER 121

AN ACT concerning the codification of certain recommendations of the Governor's Advisory Committee on Police Standards and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:17B-222 Short title.

1. This act shall be known and may be cited as the “Law Enforcement Professional Standards Act of 2009.”
C.52:17B-223  Findings, declarations relative to law enforcement professional standards.

2. The Legislature finds and declares:

a. The citizens of the State of New Jersey are entitled to be protected and served by law enforcement professionals who conduct themselves in accordance with the highest standards of integrity, proficiency, and accountability.

b. In December 1999, the State of New Jersey entered into a consent decree with the Civil Rights Division of the United States Department of Justice, No. 99-5970 (MLC).

c. The Governor's Advisory Committee on Police Standards, established pursuant to Executive Order No. 29, issued by Governor Corzine on August 23, 2006, conducted a thorough examination of the policies and practices of the State Police and its compliance with the terms of the consent decree and of the Attorney General's Office's oversight and direction. The Advisory Committee on Police Standards concluded that the State Police, the Office of State Police Affairs, and the Attorney General had worked cooperatively to rebuild public trust through significant revisions of State Police standing operating procedures, by changing the relationship between the Attorney General's Office and the State Police, and through the development of innovative management techniques. Based upon these findings, the Advisory Committee recommended that the State join in a motion with the United States Department of Justice to terminate the consent decree, subject to the condition that the significant reforms accomplished during the term of the consent decree would be institutionalized, and, as appropriate, codified by statute.

d. The objective monitoring and independent oversight functions performed by the independent monitoring team appointed by the United States District Court pursuant to the consent decree have helped to promote and support the vigorous, lawful, and non-discriminatory implementation of law enforcement practices and procedures. In recognition of the strong public interest in perpetuating the quality and standards established under the consent decree, it is necessary and appropriate to maintain an office to assume the functions that had been performed by the independent monitoring team under the consent decree and to perform other duties in support of county and municipal law enforcement agencies.

e. Many of the reforms accomplished under the consent decree have been codified in rules, regulations, standing operating procedures or operations instructions promulgated by the superintendent and approved by the independent monitoring team appointed by the United States District Court.
However, the need for flexibility to account for developments in constitutional law, the advent of new technologies, and the development of new best practices in policing, makes it impracticable and inappropriate to codify all consent decree-related rules, regulations, standing operating procedures and operations instructions in statutory law. Rather, the reforms achieved under the consent decree can best be institutionalized by mandating that any future changes to State Police rules, regulations, standing operating procedures and operations instructions relating to the consent decree are approved in writing by the Attorney General prior to issuance or adoption by the superintendent, and by ensuring the issuance or modification of any rule, regulation, standing operating procedure or operations instruction deemed necessary to maintain or enhance the practices of the Division of State Police on matters pertaining to any applicable non-discrimination policy established by the Attorney General; the law of arrest, search and seizure; and the documentation of motor vehicle stops and law enforcement activities occurring during the course of motor vehicle stops.

C.52:17B-224 Definitions relative to law enforcement professional standards.

3. As used in this act:

"Consent decree" means the consent decree the State of New Jersey entered into with the United States Department of Justice, Civil Rights Division, in December 1999.

"Director" means the Director of the Office of Law Enforcement Professional Standards.

"Mobile video recording system" means any device or system installed or used in a police vehicle that electronically records visual images depicting activities that take place during a motor vehicle stop or other law enforcement action.

"Office" means the Office of Law Enforcement Professional Standards established pursuant to section 4 of P.L.2009, c.121 (C.52:17B-225).

"Personnel performance information system" means a computerized system that collects, uses and analyzes information relating to motor vehicle stops and law enforcement actions taken during the course of those stops; allegations of misconduct and investigations of those allegations; and any other information that is used to assist supervisors to evaluate the performance of State Police members and their compliance with applicable laws, rules, regulations and standing operating procedures. This term shall include, but is not limited to, the State Police Management Awareness and Personnel Performance System in operation on the effective date of this act and any successor system.
C.52:17B-225 Office of Law Enforcement Professional Standards.

4. a. There is created in the Department of Law and Public Safety an Office of Law Enforcement Professional Standards which shall perform such administrative, investigative, policy and training oversight, and monitoring functions, as the Attorney General shall direct, to assure and maintain the integrity of law enforcement activities performed by Division of State Police personnel, and to assist and provide guidance to other law enforcement entities Statewide.

b. In carrying out its duties and responsibilities, the office, and its constituent organizational units, shall exercise the Attorney General’s constitutional, statutory and common law authority to act in the public interest, and shall have the authority to attend generally to legal matters in which the State or any of its officers or instrumentalities have an interest, and to execute the Attorney General’s powers under the “Department of Law and Public Safety Act of 1948,” P.L.1948, c.439 (C.52:17B-1 et seq.).

c. Nothing in this section shall be construed to limit the authority of the superintendent under Title 53 of the Revised Statutes or the authority of the Attorney General.

C.52:17B-226 Appointment of director.

5. The Attorney General shall appoint an individual qualified by education, experience, or professional background in the fields of law, investigation, criminal practice, and administration to serve as Director of the Office of Law Enforcement Professional Standards. The director shall operate under the authority and direct supervision of the Attorney General, and shall serve at the pleasure of the Attorney General.

C.52:17B-227 Organization of office.

6. Subject to the provisions of P.L.2009, c.121 (C.52:17B-222 et seq.), the director may, with the approval of the Attorney General, organize the work of the office into such bureaus and other organizational units as may be necessary for its efficient and effective operation. The director may delegate to employees in the office, and its constituent organizational units, such powers as are authorized under this act that the director deems appropriate, to be exercised subject to the supervision and control of the director. The Attorney General may assign to the office such employees of the Department of Law and Public Safety as may be necessary to assist the director in the performance of his duties. The office shall be authorized to call upon the expertise and assistance of every division, agency, office, bureau and unit within the Department of Law and Public Safety in order to carry out its
mission. Each division, agency, office, bureau and unit within the Department of Law and Public Safety is hereby required, to the extent not inconsistent with any other law, to cooperate with the office and to provide such assistance the office may require to accomplish the purposes of P.L.2009, c.121 (C.52:17B-222 et seq.). It shall be the duty of all law enforcement agencies operating under the authority of the law of the State of New Jersey to cooperate with and aid the office in the performance of its duties.

C.52:17B-228 Duties, functions of office.

7. a. The office shall be authorized to perform the duties and functions previously performed under the consent decree by the independent monitors and the Office of State Police Affairs, which general and specific duties and functions are codified in this act, and such other duties and functions as may otherwise be established or assigned by the Attorney General.

b. The office shall be authorized to conduct operations audits and independent analyses of data, as necessary and appropriate, to identify any potential disparity in enforcement and systemic problems that may exist that affect the integrity of motor vehicle stops and post-stop enforcement actions, supervision of patrol activities, training provided to Division of State Police members assigned to patrol duties, investigations of alleged misconduct, and any other matters that may affect the integrity of the Division of State Police, and shall make recommendations for appropriate actions by the superintendent or the Attorney General to remedy any identified problems.

c. The office shall have timely access to all data stored in the personnel performance information system maintained by the Division of State Police and any other records or data that are deemed necessary by the director to conduct independent analyses and to perform the functions authorized by P.L.2009, c.121 (C.52:17B-222 et seq.). Nothing herein shall be deemed to require the disclosure of records or data in violation of any constitutional or statutory privacy protections or any collectively bargained rights.

d. The office shall have specific authority to perform the following functions:

(1) review the substance, procedures and implementation related to Division of State Police policies concerning motor vehicle stops and post-stop enforcement actions, supervision of patrol activities, training provided to State Police members assigned to patrol duties, and the conduct of investigations of alleged misconduct and other internal affairs matters by the Division of State Police;

(2) monitor, review and evaluate the quality and timeliness of the Division of State Police's conduct of investigations of alleged misconduct, dis-
ciplinary actions and interventions, supervisory actions, personnel performance information system data and reports, consent search forms and reports, non-consensual search and drug detection canine reports, motor vehicle stop reports and logs, mobile video recording system tapes, and supervisory reviews;

(3) approve the curricula, prescribe trainer qualifications, and review the training of State Police troopers and trooper candidates on cultural awareness, law enforcement ethics and leadership, constitutional law pertaining to arrest, search and seizure, equal protection, and other relevant law enforcement issues the director deems necessary or appropriate to effectuate the purposes of this act;

(4) monitor, evaluate, require, and provide assistance or direction in effectuating any modifications to the design, implementation or use of the personnel performance information system, any mobile video recording system, any computer-aided dispatch system, or other system that records data concerning traffic stops and post-stop enforcement actions, used or proposed for use by the Division of State Police; and

(5) review all Division of State Police internal affairs investigations and dispositions, including any decision by the Division of State Police not to refer a complaint, from a citizen or any other source, to the office, or its successor, to ascertain whether the Division of State Police has complied with applicable standing operating procedures, whether the outcomes of those investigations are supported by the evidence, whether any discipline imposed was appropriate and proportionate, and make recommendations to the superintendent and the Attorney General for appropriate remedial action.

C.52:17B-229 Preparation of reports by office.

8. On the first day of the sixth month after the issuance of the final report by the independent monitoring team appointed by the United States District Court pursuant to the consent decree, the office shall prepare a report that evaluates the Division of State Police's compliance with relevant performance standards and procedures and that is comparable substantively to the independent monitoring team's report. The initial report prepared by the office pursuant to this section shall evaluate the division's compliance during the period beginning on the day immediately following the last day of the period covered by the independent monitoring team's final report. The office shall thereafter prepare and issue such reports on a biannual basis. The reports required pursuant to this section shall be made available to the public.

The reports required by this section are not intended to evaluate compliance by the Division of State Police and the office with the provisions of
That evaluative function shall be performed by the State Comptroller in conducting the audits and performance reviews required under the provisions of section 15 of P.L.2009, c.121 (C.52:17B-236).

C.52:17B-230 Specific authority of office relative to certain best practices.

9. The office shall have specific authority to provide advice and technical assistance to county and municipal law enforcement agencies concerning best practices for: the use of mobile video recording systems; supervisor reviews of mobile video recordings; data collection and documentation of investigative detentions, including but not limited to traffic stops and post-stop enforcement actions; in-service training on any applicable non-discrimination policy established by the Attorney General; the law of arrest, search and seizure, and equal protection; and the development and use of personnel performance information systems.

C.52:17B-231 Promoting, ensuring compliance with general policy.

10. The office shall take appropriate steps to promote and ensure compliance with the general policy that all law enforcement officers not rely to any degree on the race or national or ethnic origin of motorists in selecting vehicles for traffic stops, or in deciding upon the scope and substance of post-stop actions, except in those instances where law enforcement officers are on the lookout for a specific suspect who has been identified in part by their race or their national or ethnic origin.

C.52:17B-232 Personnel performance information system.

11. The Division of State Police shall maintain a personnel performance information system that meets or exceeds the specifications of the system in place upon termination of the consent decree. Funding for the purposes of maintaining, upgrading or modifying such systems shall be requested in the annual appropriations of the Department of Law and Public Safety independent of and in addition to any other requested funding.

C.52:17B-233 Participants in, material offered in training course, program.

12. The Superintendent of State Police shall ensure that no member of the State Police attends or participates in any training course or program relating to any applicable non-discrimination policy established by the Attorney General, the law of arrest, search and seizure or equal protection, or the manner for conducting motor vehicle stops or post-stop enforcement actions, unless the superintendent, or his designee, determines that atten-
dance or participation in the training course or program is appropriate, considering the member's experience and present or pending duty assignment. This requirement shall apply to training provided by the Division of State Police, by any other law enforcement agency, by an association representing law enforcement offices or agencies, or by a private vendor. A member of the State Police attending a training course or program shall promptly report to the superintendent, through the chain of command, if the member knows or reasonably should know that the instruction provided during the course contradicts any Division of State Police rule, regulation, standing operating procedure, or operations instruction relating to any applicable non-discrimination policy established by the Attorney General; the law of arrest, search, seizure or equal protection; or the manner for lawfully conducting motor vehicle stops or post-stop enforcement actions. Nothing in this section shall be construed to limit the authority of the office under paragraph (2) of subsection d. of section 7 of P.L.2009, c.121 (C.52:17B-228). Nothing in this section shall be construed to abrogate any applicable constitutional or collectively bargained rights.

C.52:17B-234 Certification of compliance.

13. a. The superintendent shall, on a semi-annual basis, certify to the Attorney General that the Division of State Police has complied with the requirements of P.L.2009, c.121 (C.52:17B-222 et seq.). Each troop commander shall, on a semi-annual basis, certify to the superintendent that the troop has complied with the requirements of P.L.2009, c.121 (C.52:17B-222 et seq.).

b. CHAPTER 123

AN ACT addressing homelessness by permitting the establishment of County Homelessness Trust Funds, amending N.J.S.22A:4-17, and supplementing P.L.1984, c.180 (C.52:27D-280 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.52:27D-287a Short title.
1. This act shall be known and may be cited as the “County Homelessness Trust Fund Act.”

C.52:27D-287b Findings, declarations relative to county homelessness trust funds.
2. The Legislature finds and declares:
   a. The creation of county homelessness trust funds in counties that have completed and endorsed a plan to end homelessness will provide some of the additional funds necessary to move homeless or formerly homeless individuals toward the goal of permanent affordable housing and self-sufficiency.
   b. Despite laudable efforts by all levels of government, private individuals, nonprofit organizations, and charitable foundations to end homelessness, the number of homeless persons in New Jersey is unacceptably high. The State’s homeless population, furthermore, includes a large number of families with children, youth, veterans, the elderly, and employed persons.
   c. Fiscal and social costs of homelessness are high for both the public and private sectors and declares that ending homelessness should be a joint goal for State and local government.
   d. A myriad of factors contribute to homelessness, including a shortage of affordable housing; a shortage of jobs that pay wages and benefits sufficient to support a family; high property taxes which undermine housing affordability; a lack of an accessible and affordable health care system available to all who suffer from physical and mental illnesses and chemical and alcohol dependency; domestic violence; and a lack of education and job skills necessary to acquire adequate wage jobs in the economy of the twenty-first century.

C.52:27D-287c Definitions relative to county homelessness trust funds.
3. As used in this act:

"County Homelessness Trust Fund Task Force" means the voluntary local committee created to advise a local government on the creation of a local homeless housing plan and participate in a local homeless housing program. It shall include a representative of the county, representatives from each of the three municipalities in the county with the largest populations of homeless people, representatives from the organization responsible for developing, implementing, or both, the local plan to end homelessness, at least three homeless or formerly homeless persons, and three representatives of local private or nonprofit organizations with experience in assisting the homeless or providing low-income housing. Among the responsibilities of the County Homelessness Trust Fund Task Force is to assess priorities for funding, review of applications, and preparation of an annual report and an annual measurement of the progress of the trust fund.

"Director" means the Director of the Division of Housing and Community Resources in the Department of Community Affairs.

"Housing authority" means any of the public corporations created pursuant to section 17 of P.L.1992, c.79 (C.40A:12A-17).

The plan shall include provisions for establishing a trust fund for the purposes of receiving funds pursuant to P.L.2009, c.123 (C.52:27D-287a et al.),

C.52:27D-287f Utilization of County Homelessness Trust Fund.
6. a. Each county shall utilize its County Homelessness Trust Fund with the advice of the County Homelessness Trust Fund Task Force for the operation of a homeless housing grant program. This program is established in order to provide:

CHAPTER 128

AN ACT concerning certain nonconforming new motor vehicles and amending P.L.1988, c.123.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1988, c.123 (C.56:12-31) is amended to read as follows:

3. If a consumer reports a nonconformity in a motor vehicle to the manufacturer or its dealer during the first 24,000 miles of operation or during the period of two years following the date of original delivery to the consumer, whichever is earlier, the manufacturer shall make, or arrange
with its dealer to make, within a reasonable time, all repairs necessary to correct the nonconformity. Such repairs if made after the first 12,000 miles of operation or after the period of one year following the date of original delivery to the consumer, whichever is earlier, shall be paid for by the consumer, unless otherwise covered by a manufacturer's warranty, and shall be recoverable as a cost under section 14 of this act.

2. Section 5 of P.L.1988, c.123 (C.56:12-33) is amended to read as follows:

C.56:12-33 Presumption of inability to correct nonconformity; written notification.

5. a. It is presumed that a manufacturer or its dealer is unable to repair or correct a nonconformity within a reasonable time if, within the first 24,000 miles of operation or during the period of two years following the date of original delivery of the motor vehicle to the consumer, whichever is the earlier date:

(1) Substantially the same nonconformity has been subject to repair three or more times by the manufacturer or its dealer, other than a nonconformity subject to examination or repair pursuant to paragraph (3) of this subsection because it is likely to cause death or serious bodily injury if the vehicle is driven, and the nonconformity continues to exist;

(2) The motor vehicle is out of service by reason of repair for one or more nonconformities for a cumulative total of 20 or more calendar days, or in the case of a motorhome, 45 or more calendar days, since the original delivery of the motor vehicle and a nonconformity continues to exist; or

(3) A nonconformity which is likely to cause death or serious bodily injury if the vehicle is driven has been subject to examination or repair at least once by the manufacturer or its dealer, and the nonconformity continues to exist.

b. The presumption contained in subsection a. of this section shall apply against a manufacturer only if the manufacturer has received written notification, by or on behalf of the consumer, by certified mail return receipt requested, of a potential claim pursuant to the provisions of this act and has had one opportunity to repair or correct the defect or condition within 10 calendar days following receipt of the notification. Notification by the consumer shall take place any time after the motor vehicle has had substantially the same nonconformity subject to repair two or more times, or has been out of service by reason of repair for a cumulative total of 20 or more calendar days, or in the case of a motorhome, 45 or more calendar days, or with respect to a nonconformity which is likely to cause death or
serious bodily injury if the vehicle is driven, the nonconformity has been subject to examination or repair at least once by the manufacturer or its dealer, and the nonconformity continues to exist.

c. The two-year term and the 20-day period, or 45-day period for motorhomes, specified in this section shall be extended by any period of time during which repair services are not available to the consumer because of a war, invasion or strike, or a fire, flood, or other natural disaster.

d. (1) In the case of a motorhome where two or more manufacturers contributed to the construction of the motorhome, it shall not be considered as any examination or repair attempt if the repair facility at which the consumer presented the vehicle is not authorized by the manufacturer to provide service on that vehicle.

(2) It shall be considered as one examination or repair attempt for a motorhome if the same nonconformity is addressed more than once due to the consumer’s decision to continue traveling and to seek the repair of that same nonconformity at another authorized repair facility, rather than wait for the repair to be completed at the initial authorized repair facility.

(3) Days out of service for reason of repair for a motorhome shall be a cumulative total of 45 or more calendar days.

3. Section 6 of P.L.1988, c.123 (C.56:12-34) is amended to read as follows:

C.56:12-34 Statements to consumers.

6. a. At the time of purchase in the State of New Jersey, the manufacturer through its dealer, or at the time of lease in the State of New Jersey, the lessor, shall provide directly to the consumer a written statement prescribed by the director, presented in a conspicuous and understandable manner on a separate piece of paper and printed in both the English and Spanish languages, which provides information concerning a consumer’s rights and remedies under P.L.1988, c.123 (C.56:12-29 et seq.), and shall include, but not be limited to, a summary of the provisions of:

(1) section 3 of P.L.1988, c.123 (C.56:12-31), concerning the miles of operation of a motor vehicle and time period within which the consumer may report a nonconformity and seek remedies;

(2) sections 4 and 5 of P.L.1988, c.123 (C.56:12-32 and 56:12-33), concerning a manufacturer’s obligations to a consumer based upon the manufacturer’s or its dealer’s inability to repair or correct a nonconformity; and

(3) any other provisions of P.L.1988, c.123 (C.56:12-29 et seq.) the director deems appropriate.
b. Each time a consumer's motor vehicle is returned from being examined or repaired during the period specified in section 3 of P.L.1988, c.123 (C.56:12-31), the manufacturer through its dealer shall provide to the consumer an itemized, legible statement of repair which indicates any diagnosis made and all work performed on the vehicle and provides information including, but not limited to, the following: a general description of the problem reported by the consumer or an identification of the problem reported by the consumer or an identification of the defect or condition; the amount charged for parts and the amount charged for labor, if paid for by the consumer; the date and the odometer reading when the vehicle was submitted for repair; and the date and odometer reading when the vehicle was made available to the consumer.

c. Failure to comply with the provisions of this section constitutes an unlawful practice pursuant to section 2 of P.L.1960, c.39 (C.56:8-2).

4. This act shall take effect immediately.

Approved October 1, 2009.

CHAPTER 130

AN ACT permanently designating the month of February as "Ovarian Cancer Awareness Month" in New Jersey.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.36:2-134 Findings, declarations relative to ovarian cancer.

1. The Legislature finds and declares that:

a. Among women in the United States, ovarian cancer is the fifth leading cause of cancer death and the eighth most common type of cancer; ovar-
ian cancer causes more deaths than any other gynecologic cancer in the United States, yet it accounts for about 3% of all cancers in the United States;

c. For 2004, the rate in the United States of new cases of ovarian cancer was 12.5 and the mortality rate for this type of cancer was 8.8 for every 100,000 women; in New Jersey, during the same year, the rate of new cases of ovarian cancer was 13.3 and the mortality rate was 8.6 for every 100,000 women;

d. The Centers for Disease Control and Prevention reports that it is estimated that more than $2.2 billion is spent annually on the treatment of ovarian cancer in the United States;

e. Although all women are at risk for ovarian cancer, older women are more likely to get the disease; about 90% of women who get the disease are 40 years of age or older, with most being 55 years of age or older; additionally, more than half the deaths from ovarian cancer occur in women between the ages of 55 and 74 and approximately one quarter of ovarian cancer deaths occur in women between 35 and 54 years of age;

f. When ovarian cancer is found and treated in its earliest stages, the five-year survival rate is 95%; however, most women who suffer from ovarian cancer are not diagnosed until the later stages of the cancer when the disease has spread, and the five-year survival rate for these women is 30%;

g. Early detection and treatment often mean the difference between life and death, so it is important to increase awareness of the factors that put certain women at a higher risk for the disease: increased age, having a personal history of breast cancer or a family history of breast, ovarian, uterine, colon or other gastrointestinal cancers, and bearing no children;

h. Cancer experts have advised that there is a set of health problems, including general abdominal discomfort or pain (gas, indigestion, pressure, bloating or cramps), nausea, diarrhea, constipation, frequent urination, loss of appetite, difficulty eating, feeling full after a meal, unexplained weight gain or weight loss, and abdominal bleeding from the vagina, that may be early symptoms of ovarian cancer;

i. Because these symptoms are vague and non-specific, women and their physicians often attribute them to more common conditions; by the time the cancer is diagnosed the tumor has often spread beyond the ovaries, making the disease one of the deadliest forms of cancer;

j. Although the development of a screening test to detect ovarian cancer remains a very active area of research, currently there are no definitive
prevention strategies to help combat the disease; consequently, having regular pelvic examinations and increasing public awareness of the risk factors and health problems that might indicate the onset of ovarian cancer may be the only ways to decrease a woman's overall risk of dying from this type of cancer; and

k. It is proper and fitting for the State of New Jersey to permanently designate the month of February as "Ovarian Cancer Awareness Month."

C.36:2-135 “Ovarian Cancer Awareness Month,” February; designated.

2. The month of February is permanently designated as "Ovarian Cancer Awareness Month" in New Jersey to promote awareness among the general public and the health care community of the symptoms of ovarian cancer, the importance of early detection, and the risk factors associated with developing ovarian cancer.

C.36:2-136 Annual observance of “Ovarian Cancer Awareness Month.”

3. The Governor shall annually issue a proclamation and call upon public officials, private organizations, the health care community, and all citizens of the State of New Jersey to observe "Ovarian Cancer Awareness Month" with appropriate events and activities.

4. This act shall take effect immediately.

Approved October 1, 2009.

CHAPTER 131

AN ACT concerning the care of students with diabetes and supplementing chapter 40 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:40-12.11 Findings, declarations relative to the care of students with diabetes.

1. The Legislature finds and declares that:

a. Diabetes is a serious chronic disease that impairs the body's ability to use food, and must be managed 24 hours a day in order to avoid the potentially life-threatening short-term consequences of blood sugar levels that are either too high or too low, and avoid or delay the serious long-term complications of high blood sugar levels that include blindness, amputation, heart disease, and kidney failure;
b. In order to manage their disease, students with diabetes must have access to the means to balance food, medications, and physical activity level while at school and at school-related activities;

c. The school nurse is the most appropriate person in the school setting to provide care for a student with diabetes, because the school nurse is in a position to coordinate care and educate school staff in the monitoring and treatment of symptoms, develop an individualized health care plan and an individualized emergency health care plan, and consult and coordinate with a student's parents or guardians and health care provider to establish a safe, therapeutic environment;

d. Because of the significant number of students with diabetes, the effect of diabetes upon a student's ability to learn, and the risk of serious long and short-term medical complications, the Legislature deems it in the public interest to enact legislation that addresses the care of students with diabetes within the public school system.

C.18A:40-12.12 Definitions relative to the care of students with diabetes.

2. As used in this act:

"Individualized emergency health care plan" means a document developed by the school nurse, in consultation with the parent or guardian of a student with diabetes and other appropriate medical professionals, which is consistent with the recommendations of the student's health care providers and which outlines a set of procedural guidelines that provide specific directions about what to do in a particular emergency situation and is signed by the parent or guardian and the school nurse.

"Individualized health care plan" means a document developed by the school nurse, in consultation with the parent or guardian of a student with diabetes and other appropriate medical professionals who may be providing diabetes care to the student, which is consistent with the recommendations of the student's health care providers and which sets out the health services needed by the student at school and is signed by the parent or guardian and the school nurse.

"School" means an elementary or secondary public school located within this State.

"School employee" means a person employed by a school district.

3. a. The parent or guardian of a student with diabetes who seeks diabetes care while at school shall inform the school nurse who shall develop an individualized health care plan and an individualized emergency health care
plan for the student provided that:

(1) the parents or guardians of the student annually provide to the board of education written authorization for the provision of diabetes care as may be outlined in the individualized plans including authorization for the emergency administration of glucagon and, if requested by the student’s parents or guardians pursuant to section 5 of this act, authorization for the student’s self-management and care of his diabetes; and

(2) if a request is made by a student’s parent or guardian pursuant to section 5 of this act, the student’s physician or advanced practice nurse provides written certification to the board of education that the student is capable of, and has been instructed in, the management and care of his diabetes.

b. The individualized health care plan and individualized emergency health care plan developed in accordance with subsection a. of this section shall be updated by the school nurse prior to the beginning of each school year and as necessary in the event that there is a change in the health status of the student.

c. Each individualized health care plan shall include, and each individualized emergency health care plan may include, the following information:

(1) the symptoms of hypoglycemia for that particular student and the recommended treatment;

(2) the symptoms of hyperglycemia for that particular student and the recommended treatment;

(3) the frequency of blood glucose testing;

(4) written orders from the student’s physician or advanced practice nurse outlining the dosage and indications for insulin administration and the administration of glucagon, if needed;

(5) times of meals and snacks and indications for additional snacks for exercise;

(6) full participation in exercise and sports, and any contraindications to exercise, or accommodations that must be made for that particular student;

(7) accommodations for school trips, after-school activities, class parties, and other school-related activities;

(8) education of all school personnel who may come in contact with the student about diabetes, how to recognize and treat hypoglycemia, how to recognize hyperglycemia, and when to call for assistance;

(9) medical and treatment issues that may affect the educational process of the student with diabetes; and

(10) how to maintain communications with the student, the student’s parent or guardian and health care team, the school nurse, and the educational staff.
d. The school nurse assigned to a particular school shall coordinate the provision of diabetes care at that school and ensure that appropriate staff are trained in the care of students with diabetes, including staff working with school-sponsored programs outside of the regular school day, as provided in the individualized health care plan and the individualized emergency health care plan.

4. a. The school nurse shall have the primary responsibility for the emergency administration of glucagon to a student with diabetes who is experiencing severe hypoglycemia. The school nurse shall designate, in consultation with the board of education, additional employees of the school district who volunteer to administer glucagon to a student with diabetes who is experiencing severe hypoglycemia. The designated employees shall only be authorized to administer glucagon, following training by the school nurse or other qualified health care professional, when a school nurse is not physically present at the scene.

b. The activities set forth in subsection a. of this section shall not constitute the practice of nursing and shall be exempted from all applicable statutory or regulatory provisions that restrict the activities that may be delegated to a person who is not a licensed health care professional.

c. In the event that a licensed athletic trainer volunteers to administer glucagon to a student with diabetes pursuant to subsection a. of this section, it shall not constitute a violation of the “Athletic Training Licensure Act,” P.L.1984, c.203 (C.45:9-37.35 et seq.).

5. Upon the written request of the parent or guardian and as provided in a student’s individualized health care plan, a school district shall allow the student to attend to the management and care of the student’s diabetes as needed in the classroom, in any area of the school or school grounds, or at any school-related activity if the student has been evaluated and determined to be capable of doing so as reflected in the student’s individualized health care plan. The student’s management and care of his diabetes shall include the following:

a. performing blood glucose level checks;

b. administering insulin through the insulin delivery system the student uses;

c. treating hypoglycemia and hyperglycemia;

d. possessing on the student’s person at any time the supplies or equipment necessary to monitor and care for the student’s diabetes;
e. compliance with required procedures for medical waste disposal in accordance with district policies and as set forth in the individualized health care plan; and
f. otherwise attending to the management and care of the student's diabetes.

C.18A:40-12.16 Notification to school bus driver.
6. A school district shall, for each pupil with diabetes whom a school bus driver transports, provide the driver with a notice of the pupil's condition, how to treat hypoglycemia, who to contact in an emergency, and parent contact information.

7. Designated areas of the school building shall have posted, in plain view, a reference sheet identifying signs and symptoms of hypoglycemia in students with diabetes.

8. The school nurse shall obtain a release from the parent or guardian of a diabetic student to authorize the sharing of medical information between the student's physician or advanced practice nurse and other health care providers. The release shall also authorize the school nurse to share medical information with other staff members of the school district as necessary.

9. No school employee, including a school nurse, a school bus driver, a school bus aide, or any other officer or agent of a board of education, shall be held liable for any good faith act or omission consistent with the provisions of this act, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to this act. Good faith shall not include willful misconduct, gross negligence, or recklessness.

10. The possession and use of syringes consistent with the purposes of this act shall not be considered a violation of applicable statutory or regulatory provisions that may otherwise restrict or prohibit such possession and use.

C.18A:40-12.21 School choice not restricted.
11. A student's school choice shall not be restricted due to the fact that the student has diabetes.
12. This act shall take effect on the 120th day after the date of enactment.

Approved October 1, 2009.

CHAPTER 132

AN ACT authorizing establishment of the Dismal Swamp Preservation Commission, and supplementing Title 40 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40:55D-88.1 Short title.
1. This act shall be known and may be cited as the "Dismal Swamp Preservation Act."

C.40:55D-88.2 Findings, declarations relative to the Dismal Swamp Conservation Area.
2. The Legislature finds and declares that:
   a. The Dismal Swamp Conservation Area in Middlesex County is approximately 660 acres of freshwater wetlands, forested uplands, and meadows in a densely populated, highly developed central part of the State, offering unique natural habitat including federal priority wetlands;
   b. The Dismal Swamp Conservation Area is a birding oasis in a densely developed region of the State where over 175 different bird species have been spotted including the threatened and endangered grasshopper sparrow and yellow-crowned night-heron;
   c. In addition to over 175 bird species, 25 mammals and over a dozen reptile and amphibian species have been sighted in the Dismal Swamp Conservation Area;
   d. Archeological digs in the Dismal Swamp Conservation Area have uncovered at least five significant archeological sites, including one at least 10,000 years old;
   e. This area, spanning Edison Township, Metuchen Borough, and South Plainfield Borough in Middlesex County, represents one of the last remaining wetland ecosystems in a highly urbanized environment in the State;
   f. The area consists of privately and publicly owned parcels of land within three municipalities, each with its own planning and zoning author-
ity, and as a result, decisions concerning development within the area are made without a coherent plan; and

g. It is therefore appropriate and in the best interests of the State to encourage the local governing bodies of Edison Township, Metuchen Borough, and South Plainfield Borough, respectively, in Middlesex County to establish a Dismal Swamp Preservation Commission to provide comprehensive regulatory authority and regional planning for the area with a primary focus on protecting and preserving the ecological, historical, and recreational values of the area.

C.40:55D-88.3 Definitions relative to the Dismal Swamp Conservation Area.

3. As used in this act:

“Application for development” means the application form and all accompanying documents required by municipal ordinance for approval of a subdivision plat, site plan, planned development, conditional use, zoning variance or other permit as provided in the “Municipal Land Use Law,” P.L.1975, c.291 (C.40:55D-1 et seq.).

“Commission” means the Dismal Swamp Preservation Commission established pursuant to section 4 of this act upon adoption of authorizing resolutions by the local governing bodies of Edison Township, Metuchen Borough, and South Plainfield Borough in Middlesex County, respectively.

“Dismal Swamp” means the area located within Edison Township, Metuchen Borough, and South Plainfield Borough in Middlesex County as delineated by a metes and bounds description approved by resolution adopted by the respective local governing bodies of those municipalities.

“Project” means any structure, land use change, or public improvement for which a permit from, or determination by, the municipality is required, which shall include, but not be limited to, building permits, zoning variances, and excavation permits.

C.40:55D-88.4 Dismal Swamp Preservation Commission.

4. a. Upon adoption of an authorizing resolution by the local governing body of Edison Township, Metuchen Borough, and South Plainfield Borough, respectively, in Middlesex County, there is established the Dismal Swamp Preservation Commission. The commission shall consist of nine members, appointed and qualified as follows, provided however, that no more than five members shall be of the same political party and no more than three members shall be appointed from any one municipality:

(1) Two residents of Edison Township, appointed by the governing body of the municipality;
(2) Two residents of Metuchen Borough, appointed by the governing body of the municipality;

(3) Two residents of South Plainfield Borough, appointed by the governing body of the municipality;

(4) Two elected officials from Middlesex County, appointed by agreement of the local governing bodies of Edison Township, Metuchen Borough, and South Plainfield Borough; and

(5) one representative of the Edison Wetlands Association, appointed by agreement of the local governing bodies of Edison Township, Metuchen Borough, and South Plainfield Borough.

b. Each member shall serve for a term of five years. Each member shall serve for the term of the appointment and until a successor shall have been appointed and qualified. Any vacancy shall be filled in the same manner as the original appointment for the unexpired term only.

c. Any member of the commission may be removed by adoption of a resolution by the local governing bodies of Edison Township, Metuchen Borough, and South Plainfield Borough for cause after a public hearing.

d. Each member of the commission shall take and subscribe to an oath to perform the duties of the office faithfully, impartially, and justly to the best of their ability.

e. The members of the commission shall serve without compensation, but the commission may reimburse its members for necessary expenses incurred in the discharge of their duties.

f. The commission shall select from its members a chairperson and vice-chairperson, and may employ an executive director, who may also serve as secretary, and a treasurer. The commission may also appoint, retain and employ, without regard to the provisions of Title 11A, Civil Service, of the New Jersey Statutes, such officers, agents, employees and experts as it may require, and it shall determine their qualifications, terms of office, duties, services and compensation. The local governing bodies may provide administrative support to the commission.

g. The powers of the commission shall be vested in the members thereof in office from time to time, and a majority of the total authorized membership of the commission shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the commission at any meeting thereof by the affirmative vote of a majority of the total authorized membership; provided, however, that the commission may designate one or more of its agents or employees to exercise such administrative functions, powers, and duties, as it may deem proper, under its supervision and control. No vacancy in the membership of the commission
shall impair the right of a quorum to exercise all the rights and perform all the duties of the commission.

h. No member, officer, employee, or agent of the commission shall be financially interested, either directly or indirectly, in any project, any part of a project area, or an application for development, other than a residence, or in any contract, sale, purchase, lease, or transfer of real or personal property located within the boundaries of the Dismal Swamp.

(1) Any contract or agreement knowingly made in contravention of this subsection is voidable.

(2) Any person who willfully violates the provisions of this subsection shall forfeit office or employment.

C.40:55D-88.5 Powers, duties of commission.

5. a. Upon establishment of the commission pursuant to section 4 of this act and appointment of its members, notwithstanding any provision of the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.), to the contrary, the commission shall review and approve, reject or modify all applications for development within the Dismal Swamp pursuant to P.L.1975, c.291 (C.40:55D-1 et seq.). The commission shall exercise any or all of the powers and duties of a municipal planning board and any or all of the powers and duties of a county planning board for the Dismal Swamp.

No application for development shall be required to be reviewed and approved by both the commission and the planning board of a constituent municipality.

b. The commission shall review and approve, reject, or modify any State project planned within the Dismal Swamp, and submit its decision to the Governor and the commissioner of the department proposing the project.

c. The review of an application for development shall not be contingent upon the adoption of the master plan pursuant to section 6 of this act; however, upon adoption of the master plan, any application for development shall be reviewed to ensure that the actions proposed in the application also conform to the master plan.

Until the adoption of the master plan pursuant to section 6 of this act, the decisions of the commission shall be based upon the municipal master plans, ordinances, and resolutions of Edison Township, Metuchen Borough, and South Plainfield Borough, adopted pursuant to the provisions of the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.).

d. The commission shall coordinate and support activities by citizens' groups to promote and preserve the Dismal Swamp, and shall actively seek

1. a. Any person under the legal age to purchase alcoholic beverages who knowingly possesses without legal authority or who knowingly consumes any alcoholic beverage in any school, public conveyance, public place, or place of public assembly, or motor vehicle, is guilty of a disorderly persons offense, and shall be fined not less than $500.00.

b. Whenever this offense is committed in a motor vehicle, the court shall, in addition to the sentence authorized for the offense, suspend or postpone for six months the driving privilege of the defendant. Upon the conviction of any person under this section, the court shall forward a report to the New Jersey Motor Vehicle Commission stating the first and last day of the suspension or postponement period imposed by the court pursuant to this section. If a person at the time of the imposition of a sentence is less than 17 years of age, the period of license postponement, including a suspension or postponement of the privilege of operating a motorized bicycle, shall commence on the day the sentence is imposed and shall run for a period of six months after the person reaches the age of 17 years.
If a person at the time of the imposition of a sentence has a valid driver's license issued by this State, the court shall immediately collect the license and forward it to the commission along with the report. If for any reason the license cannot be collected, the court shall include in the report the complete name, address, date of birth, eye color, and sex of the person as well as the first and last date of the license suspension period imposed by the court.

Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40.

If the person convicted under this section is not a New Jersey resident, the court shall suspend or postpone, as appropriate, the non-resident driving privilege of the person based on the age of the person and submit to the commission the required report. The court shall not collect the license of a non-resident convicted under this section. Upon receipt of a report by the court, the commission shall notify the appropriate officials in the licensing jurisdiction of the suspension or postponement.

c. In addition to the general penalty prescribed for a disorderly persons offense, the court may require any person who violates this act to participate in an alcohol education or treatment program, authorized by the Department of Health and Senior Services, for a period not to exceed the maximum period of confinement prescribed by law for the offense for which the individual has been convicted.

d. Nothing in this act shall apply to possession of alcoholic beverages by any such person while actually engaged in the performance of employment pursuant to an employment permit issued by the Director of the Division of Alcoholic Beverage Control, or for a bona fide hotel or restaurant, in accordance with the provisions of R.S.33:1-26, or while actively engaged in the preparation of food while enrolled in a culinary arts or hotel management program at a county vocational school or post secondary educational institution.

In the case of a remediation, replacement, or closure of a petroleum underground storage tank that is unregulated pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.) or 42 U.S.C. s.6991 et seq., eligible project costs shall include the cost to replace a tank with an above-ground or underground storage tank. by the department pursuant to "The Realty Improvement Sewerage and Fa­
cilities Act (1954)," P.L.1954, c.199 (C.58:11-23 et seq.) or the "Water Pol­

2. Section 5 of P.L.1997, c.235 (C.58:10A-37.5) is amended to read as follows:

C.58:10A-37.5 Awarding of financial assistance.

5. a. (1) The authority may award financial assistance from the fund to an eligible owner or operator in the form of a loan or a conditional hardship grant as provided in this section. An award of financial assistance, either as a loan or a grant, or a combination of both, may, upon application therefor, be for 100% of the eligible project costs, except as provided in paragraph (1) of subsection c. and in subsections h., j. and k. of this section. However, a loan that any applicant may receive from the fund for an upgrade, remediation, or closure, or any combination thereof, for any one facility, may not exceed $2,000,000, except as provided below, and a grant that any applicant may receive from the fund for any one facility, may not exceed $500,000. A loan that an applicant may receive from the fund for a remediation of a discharge that poses a threat to a drinking water source may not exceed $3,000,000.

(2) Notwithstanding the provisions of paragraph (1) of this subsection to the contrary, an eligible owner or operator of a facility located within an area designated as a Planning Area 1 (Metropolitan), Planning Area 2 (Suburban), a designated center as designated pursuant to the "State Planning Act," sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.), or the Highlands Region designated pursuant to section 7 of P.L.2004, c.120 (C.13:20-7), may receive a loan in an amount not to exceed $3,000,000 and a grant in an amount not to exceed $1,000,000 for each facility so located.

(3) Notwithstanding the provisions of paragraphs (1) and (2) of this subsection to the contrary, an applicant that is an independent institution of higher education may receive a grant from the fund for the eligible project costs of a remediation of a discharge from a petroleum underground storage tank in an amount not to exceed $1,500,000 for each independent institution of higher education. The maximum total amount in grants that an independent institution of higher education may receive pursuant to this section and subsection i. of section 7 of P.L.1997, c.235 (C.58:10A-37.7) shall not exceed $1,500,000.

b. A public entity applying for financial assistance from the fund may only be awarded financial assistance in the form of an interest free loan.
c. An applicant, other than a public entity, may apply for and receive a conditional hardship grant for the upgrade, closure or remediation as provided in paragraph (1) of this subsection or for a remediation as provided in paragraph (3) of subsection a. of this section, or a loan for an upgrade, closure or remediation as provided in paragraph (2) of this subsection, provided that an applicant for a conditional hardship grant or a loan for an upgrade may be eligible for financial assistance only for any underground storage tank with a capacity of over 2,000 gallons used to store heating oil for onsite consumption in a nonresidential building that has received an extension of the deadline for compliance with the standards pursuant to subsection b. of section 9 of P.L.1986, c.102 (C.58:10A-29). Financial assistance awarded an applicant pursuant to this subsection may consist entirely of a conditional hardship grant, a loan for an upgrade, a loan for a closure, or a loan for a remediation, or any combination thereof, except that the total amount of the award of financial assistance shall be subject to the per facility dollar limitation enumerated in subsection a. of this section. Notwithstanding any other provision of this subsection to the contrary, no tax exempt, nonprofit organization, corporation, or association shall be awarded a conditional hardship grant pursuant to paragraph (1) of this subsection, provided that an independent institution of higher education, a nonprofit organization, corporation, or association with not more than 100 paid individuals that is qualified for exemption from federal taxation pursuant to section 501 (c)(3) of the federal Internal Revenue Code, 26 U.S.C.s.501(c)(3), or a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad, may be awarded a conditional hardship grant pursuant to paragraph (1) of this subsection or a grant pursuant to paragraph (3) of subsection a. of this section, as appropriate.

(1) A conditional hardship grant for eligible project costs of an upgrade, closure or remediation shall be awarded by the authority based upon a finding of eligibility and financial hardship and upon a finding that the applicant meets the criteria set forth in this act.

In order to be eligible for a conditional hardship grant for closure or upgrade, in the case of a regulated tank, the applicant shall have owned or operated the subject regulated tank as of December 1, 2002 and continually thereafter or shall have inherited the property from a person who owned the regulated tank as of that date. In order to be eligible for a conditional hardship grant for remediation, in the case of a regulated tank, the applicant shall have owned or operated the subject regulated tank at the time of tank closure. No applicant shall be eligible for a conditional hardship grant if the applicant has a taxable income of more than $250,000 or a net worth, exclusive of the ap-
applicant's primary residence and pension, of over $500,000. Any applicant with a taxable income of more than $200,000 who qualifies for a grant shall be required to pay no more than $1,000 of the eligible project costs.

Notwithstanding the eligibility requirements for net worth and income, an independent institution of higher education, a nonprofit organization, corporation, or association with not more than 100 paid individuals that is qualified for exemption from federal taxation pursuant to section 501(c)(3) of the federal Internal Revenue Code, 26 U.S.C.s.501(c)(3), or a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad shall be eligible for a conditional hardship grant for eligible project costs of a closure or remediation of a petroleum underground storage tank.

A finding of financial hardship by the authority shall be based upon a determination that an applicant cannot reasonably be expected to repay all or a portion of the eligible project costs if the financial assistance were to be awarded as a loan. The amount of an award of a conditional hardship grant shall be the amount of that portion of the eligible project costs the authority determines the applicant cannot reasonably be expected to repay.

In making a finding of financial hardship for an application for the upgrade, closure, or remediation of a petroleum underground storage tank, where the petroleum underground storage tank is a part of the business property of the owner, the authority shall base its finding upon the cash flow of the applicant's business, whether or not any part of the applicant's business is related to the ownership or operation of that petroleum underground storage tank. In making a finding of financial hardship for an application for the upgrade or remediation of a petroleum underground storage tank, where the petroleum underground storage tank is not a part of the business property of the owner, the authority shall base its finding upon the applicant's taxable income in the year prior to the date of the application being submitted.

If the authority awards a conditional hardship grant in combination with a loan pursuant to this subsection, the authority shall release to the applicant the loan monies prior to the release of the conditional hardship grant monies.

Conditional hardship grants awarded to an applicant shall be subject to the lien provisions enumerated in section 16 of P.L.1997, c.235 (C.58:10A-37.16).

(2) A loan to an eligible owner or operator for the eligible project costs of an upgrade, closure, or remediation shall be awarded by the authority only upon a finding that the applicant other than a public entity is able to repay the amount of the loan.

In making a finding of an applicant's ability to repay a loan for the upgrade, closure, and remediation of a regulated tank, or for the remediation
of a discharge from a petroleum underground storage tank, the authority shall base its finding, as applicable, upon the cash flow of the applicant's business, the applicant's taxable income and the applicant's personal and business assets, except that the authority may not consider the applicant's primary residence as collateral, except that the authority may consider the applicant's primary residence as collateral with the permission of the applicant or where the subject petroleum underground storage tank or regulated tank is located at the primary residence.

d. The authority shall, where applicable, require an applicant applying for financial assistance from the fund to submit to the authority the financial statements of the applicant's business for three years prior to the date of the application, the most recent interim financial statement for the year of the application, the applicant's federal income tax returns, or other relevant documentation.

e. Nothing in this section is intended to alter the priority or criteria for awarding financial assistance established pursuant to section 4 of P.L.1997, c.235 (C.58:10A-37.4).

f. An eligible owner or operator may only be awarded that amount of financial assistance issued as a loan for which the applicant demonstrates he could not qualify for and obtain as a commercial loan. The provisions of this subsection shall not apply to an owner or operator of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building, to an independent institution of higher education, or to a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad.

g. An eligible owner or operator of a regulated tank in this State who has met the upgrade requirements pursuant to 42 U.S.C. s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.) may be awarded a loan in order to finance an improvement or replacement of a regulated tank to meet State and federal standards.

h. (1) In the case of a closure of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building in this State where no remediation is required, an eligible owner or operator may receive a grant for the eligible project costs in an amount consistent with the cost guidelines established by the department pursuant to section 4 of P.L.2009, c.134 (C.58:10A-37.5b) and in effect at the time the closure is performed.

(2) In the case of a replacement and closure of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building in this State where no remediation is required, an eligible owner or operator may receive a grant for the eligible project costs in an
amount consistent with the cost guidelines established by the department pursuant to section 4 of P.L.2009, c.134 (C.58:10A-37.5b) and in effect at the time the replacement and closure is performed.

(3) If an eligible owner or operator applies for a grant pursuant to this subsection prior to the completion of the project and the authority determines that the eligible owner or operator qualifies for the grant, the authority shall issue written confirmation that the eligible owner or operator will receive the grant upon completion of the project. The written confirmation shall be valid for 45 days from the date of issuance. Any eligible owner or operator who has received written confirmation pursuant to this subsection and fails to submit the relevant documentation, certification or other information required by the rules and regulations adopted by the authority pursuant to section 8 of P.L.1997, c.235 (C.58:10A-37.8) before the expiration of the confirmation shall submit a new application for review.

(4) No person shall be eligible for grant monies from the fund to replace a petroleum underground storage tank that stores heating oil for onsite consumption in a residential building if the tank that stores heating oil for that residential building was previously replaced using a grant from the fund.

i. In the case of a closure and replacement of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building in this State, to the maximum extent feasible, the owner or operator shall replace the petroleum underground storage tank with an aboveground tank.

j. In the case of a closure or replacement of a petroleum underground storage tank with a capacity of 2,000 gallons or less, used to store heating oil for onsite consumption in a nonresidential building that is owned or operated by a nonprofit organization, corporation, or association with not more than 100 paid individuals that is qualified for exemption from federal taxation pursuant to section 501(c)(3) of the federal Internal Revenue Code, 26 U.S.C.s.501(c)(3), or by a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad, where no remediation is required, the eligible owner or operator may receive a grant for the eligible project costs of the closure or replacement in an amount consistent with the cost guidelines developed by the department pursuant to section 4 of P.L.2009, c.134 (C.58:10A-37.5b) and in effect at the time the closure or replacement is performed.

No person shall be eligible for grant monies from the fund pursuant to this subsection if the underground storage tank was previously replaced using a grant from the fund.
k. In the case of an emergency remediation of a discharge from a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building in this State, an eligible owner or operator may receive a grant in an amount equal to the actual costs incurred by the department or an authorized agent thereof, and borne by the eligible owner or operator, except that no award of financial assistance shall be made from the fund for administrative costs incurred by the department.

3. Section 7 of P.L.1997, c.235 (C.58:10A-37.7) is amended to read as follows:

C.58:10A-37.7 Conditions for awarding financial assistance.
7. a. The authority shall award financial assistance to an owner or operator of a facility only if the facility is properly registered with the department pursuant to section 3 of P.L.1986, c.102 (C.58:10A-23), where applicable, and if all fees or penalties due and payable on the facility to the department pursuant to P.L.1986, c.102 have either been paid or the nature or the amount of the fee or penalty is being contested in accordance with law.

b. The authority may deny an application for financial assistance, and any award of financial assistance may be recoverable by the authority, upon a finding that:

(1) in the case of financial assistance awarded for a remediation, the discharge was proximately caused by the applicant's knowing conduct;

(2) in the case of financial assistance awarded for a remediation, the discharge was proximately caused or exacerbated by knowing conduct by the applicant with regard to any lawful requirement applicable to petroleum underground storage tanks intended to prevent, or to facilitate the early detection of, the discharge;

(3) the applicant failed to commence or complete a remediation, closure, or an upgrade for which an award of financial assistance was made within the time required by the department in accordance with the applicable rules and regulations, within the time prescribed in an administrative order, an administrative consent agreement, a memorandum of agreement, or a court order; or

(4) the applicant provided false information or withheld information on a loan or grant application, or other relevant information required to be submitted to the authority, on any matter that would otherwise render the applicant ineligible for financial assistance from the fund, that would alter the priority of the applicant to receive financial assistance from the fund, that resulted in the applicant receiving a larger grant or loan award than the
applicant would otherwise be eligible, or that resulted in payments from the fund in excess of the actual eligible project costs incurred by the applicant or the amount to which the applicant is legally eligible.

Nothing in this subsection shall be construed to require the authority to undertake an investigation or make any findings concerning the conduct described in this subsection.

c. An application for financial assistance from the fund for an upgrade or closure of a regulated tank shall include all regulated tanks at the facility for which the applicant is seeking financial assistance. Except as provided in subsection g. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), once financial assistance for an upgrade or closure is awarded for a facility, no additional award of financial assistance for upgrade or closure costs may be made for that facility. However, if an applicant discovers while performing upgrade or closure activities that a remediation is necessary at the site of a facility, and if financial assistance was previously awarded for that site only for an upgrade or closure of a regulated tank, the applicant may amend his application and apply for financial assistance for the required remediation subject to the limitations enumerated in section 5 of P.L.1997, c.235 (C.58:10A-37.5). An application for financial assistance for an upgrade or closure of a regulated tank shall be conditioned upon the applicant agreeing to perform, at the time of the upgrade or closure, any remediation necessary as a result of a discharge from the regulated tank and commencement of the remediation within the time prescribed and in accordance with the rules and regulations of the department.

d. Except as provided in this subsection, and in subsection g. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), no financial assistance for upgrade shall be awarded for any regulated tank required to meet the upgrade or closure requirements pursuant to 42 U.S.C.s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.), unless the application is filed with the authority prior to January 1, 1999 and the application is complete and the application fee is received by August 1, 1999. Except as provided in subsection g. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), no financial assistance for upgrade shall be awarded for any underground storage tank with a capacity of over 2,000 gallons used to store heating oil for onsite consumption in a nonresidential building required to be upgraded pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.) but not pursuant to 42 U.S.C.s.6991 et seq., unless the applicant has received an extension of the deadline for compliance with the standards pursuant to subsection b. of section 9 of P.L.1986, c.102 (C.58:10A-29), the application is filed with the authority prior to June 30, 2005 and the application is complete and the application fee is received by December 31, 2005.
No financial assistance for closure shall be awarded for any regulated tank required to meet the upgrade or closure requirements pursuant to 42 U.S.C.s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.), or for the remediation of a discharge from any such regulated tank except as provided in subsection c. of this section, unless the application is filed with the authority prior to June 30, 2010 and the application is complete and the application fee is received by December 31, 2010.

In the case of a regulated tank that is not operational, financial assistance for the closure or the remediation of any discharge therefrom may be awarded if the application is filed with the authority no more than 18 months after the date of discovery of the existence of the regulated tank, or no later than June 30, 2010, whichever is later.

e. The date of occurrence of a discharge shall not affect eligibility for financial assistance from the fund. Except for a preliminary assessment or a site investigation performed after the effective date of P.L.1997, c.235 (C.58:10A-37.1 et seq.), and except as provided in subsections g. through j. of this section, no award of financial assistance shall be made from the fund for the otherwise eligible project costs of a remediation, closure, or an upgrade, or parts thereof, completed prior to an award of financial assistance from the fund.

f. No financial assistance may be awarded from the fund for the remediation of a discharge from a petroleum underground storage tank if financial assistance from the Hazardous Discharge Site Remediation Fund established pursuant to section 26 of P.L.1993, c.139 (C.58:10B-4) has previously been made for a remediation at that site as a result of a discharge from that petroleum underground storage tank. No financial assistance may be awarded from the fund for the remediation of a discharge from a petroleum underground storage tank if the discharge began subsequent to the completion of an upgrade of that petroleum underground storage tank, which upgrade was intended to meet all applicable upgrade regulations of the department, no matter when the upgrade was performed.

g. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.), where an eligible owner or operator has filed an application for financial assistance from the fund, and there are either insufficient monies in the fund or the authority has not yet acted upon the application or awarded the financial assistance, the eligible owner or operator may expend its own funds for the upgrade, closure, or remediation, and upon approval of the application, the authority shall award the financial assistance as a reimbursement of the monies expended for eligible project costs.
h. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.) to the contrary, if an applicant has expended the applicant's own funds on a remediation after filing an application for financial assistance from the fund for the eligible project costs of the remediation, the authority, upon approval of the application, may make a grant from the fund pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) to reimburse the eligible owner or operator for the eligible project costs of the remediation.

i. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.) to the contrary, if an applicant that is an independent institution of higher education has expended the applicant's own funds on a remediation prior to filing an application for financial assistance from the fund for the eligible project costs of the remediation, the authority, upon approval of the application, may make a grant from the fund pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) to reimburse the applicant for expenditures for the eligible project costs of the remediation made on or after December 1, 1996 in an amount not to exceed $500,000 for each independent institution of higher education.

j. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.) to the contrary, if an applicant has expended the applicant's own funds for a remediation of a petroleum underground storage tank used to store heating oil at the applicant's primary residence prior to filing an application for financial assistance from the fund for the eligible project costs of the remediation, the authority, upon approval of the application, may make a grant from the fund pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) to reimburse the applicant for the eligible project costs of the remediation.

k. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.) to the contrary, if an applicant that is a nonprofit organization, corporation, or association with not more than 100 paid individuals that is qualified for exemption from federal taxation pursuant to section 501(c)(3) of the federal Internal Revenue Code, 26 U.S.C.s.501(c)(3), or a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad, has expended the applicant's own funds on a remediation of a discharge from a petroleum underground storage tank with a capacity of 2,000 gallons or less, used to store heating oil for onsite consumption in a nonresidential building on or after the effective date of P.L.2009, c.134 (C.58:10A-37.5b et al.) prior to filing an application for financial assistance from the fund for the eligible project costs of the remediation, the authority, upon approval of the application, may make a grant from the fund pursuant
to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) to reimburse the applicant for expenditures for the eligible project costs of the remediation.

C.58:10A-37.5b Development of cost guidance document, publication.

4. The department shall develop a cost guidance document that establishes the maximum cost to be paid for the eligible project costs of the closure or replacement of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building or a petroleum underground storage tank with a capacity of 2,000 gallons or less used to store heating oil for onsite consumption in a nonresidential building. Within 90 days after the effective date of P.L.2009, c.134 (C.58:10A-37.5b et al.), the department shall publish the cost guidance document in the New Jersey Register. The department may revise the cost guidance document as necessary and shall publish the revised cost guidance document within 30 days following adoption of any revision. d. A selection made pursuant to this section shall be made not later than the 48th day preceding the date of the general election, and a statement of such selection shall be filed with the Secretary of State or the appropriate county clerk, as the case may be, not later than that day, and in the following manner:

CHAPTER 144

AN ACT concerning employer contributions to the unemployment compensation fund and amending R.S.43:21-7.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof,
and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.
(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be
charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;

(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:
(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates.
(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:
   if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and
   if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.
(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.
(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S.43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the
provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate cal-
calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C.s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Fund Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E) (i) (Deleted by amendment, P.L.1997, c.263).

(iii) (Deleted by amendment, P.L.2003, c.107).

(iv) (Deleted by amendment, P.L.2004, c.45).

(v) (Deleted by amendment, P.L.2008, c.17).

(vi) With respect to experience rating years beginning on or after July 1, 2004, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

\(^1\)Fund balance as of March 31 as a percentage of taxable wages in the prior calendar year.

\(^2\)Employer Reserve Ratio (Contributions minus benefits as a percentage of employer's taxable wages).
(F) (i) (Deleted by amendment, P.L.1997, c.263).
(iii) With respect to experience rating years beginning on or after July 1, 2004, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 0.50%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On and after January 1, 1998 until December 31, 2000 and on or after January 1, 2002 until June 30, 2006, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor, as set out below, computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:
   From January 1, 1998 until December 31, 1998, a factor of 12%;
   From January 1, 1999 until December 31, 1999, a factor of 10%;
   From January 1, 2000 until December 31, 2000, a factor of 7%;
   From January 1, 2002 until March 31, 2002, a factor of 36%;
   From April 1, 2002 until June 30, 2002, a factor of 85%;
   From July 1, 2002 until June 30, 2003, a factor of 15%;
   From July 1, 2003 until June 30, 2004, a factor of 15%;
   From July 1, 2004 until June 30, 2005, a factor of 7%;
   From July 1, 2005 until December 31, 2005, a factor of 16%; and
   From January 1, 2006 until June 30, 2006, a factor of 34%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursu-
ant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) (Deleted by amendment, P.L.2008, c.17).

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(K) With respect to experience rating years beginning on or after July 1, 2009, if the fund reserve ratio, based on the fund balance as of the prior March 31, is:

(1) Equal to or greater than 5.00% but less than 7.5%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 25% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under.

(2) Equal to or greater than 7.5% but less than 10.0%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 50% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional con-
tribution so made, except that, following a transfer as described under R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, liable for a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. The successor in interest may, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, request a reconsideration of the transfer of employment experience of the predecessor employer. The request for reconsideration shall demonstrate, to the satisfaction of the controller, that the employment experience of the predecessor is not indicative of the future employment experience of the successor.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the or-
ganization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(D) If an employer transfers in whole or in part his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise and both the employer and successor in interest are at the time of the transfer under common ownership, management or control, then the employment experience attributable to the transferred business shall also be transferred to and combined with the employment experience of the successor in interest. The transfer of the employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a successor in interest shall become effective as of the first day of the calendar quarter following the acquisition by the successor in interest. As of the effective date, the successor in interest shall have its employer rate recalculated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.

(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest ac-
required the business solely or primarily for the purpose of obtaining a lower rate of contributions.

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to em-
ployment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with con-

profit organization elects or is required to finance its benefit costs with con-
tributions to the fund or by payments in lieu of contributions, after that em-
ployer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19
with respect to becoming an employer, provided that the contributions shall

State of New Jersey or any other governmental entity or instrumentality
electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001,
contribute to the unemployment compensation fund 0.20% of wages paid
with respect to the worker's employment with a governmental employer
electing or required to pay contributions or nongovernmental employer, in-
cluding a nonprofit organization which is an employer as defined under para-
graph (6) of subsection (h) of R.S.43:21-19, regardless of whether that non-
profit organization elects or is required to finance its benefit costs with con-
tributions to the fund or by payments in lieu of contributions, after that em-
player has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages
are paid for the next succeeding payroll period, he alone shall thereafter be
liable for such contributions, and for the purpose of R.S.43:21-14, such con­
tributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the con­
text clearly requires otherwise, the term "contributions" shall include the
contributions of workers pursuant to this section.

(G)(i) Each worker shall, starting on July 1, 1994, contribute to the
State disability benefits fund an amount equal to 0.50% of wages paid with
respect to the worker's employment with a government employer electing
or required to pay contributions to the State disability benefits fund or non­
governmental employer, including a nonprofit organization which is an em­
ployer as defined under paragraph (6) of subsection (h) of R.S.43:21-19,
unless the employer is covered by an approved private disability plan or is
exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-
31) or any other provision of that law.

(ii) Each worker shall contribute to the State disability benefits fund, in
addition to any amount contributed pursuant to subparagraph (i) of this
paragraph (l)(G), an amount equal to, during calendar year 2009, 0.09%,
and during calendar year 2010 and each subsequent calendar year, 0.12%,
of wages paid with respect to the worker's employment with any covered
employer, including a governmental employer which is an employer as de­
defined under R.S.43:21-19(h)(5), unless the employer is covered by an ap­
proved private disability plan for benefits during periods of family tempo­
rary disability leave. The contributions made pursuant to this subparagraph
(ii) to the State disability benefits fund shall be deposited into an account of
that fund reserved for the payment of benefits during periods of family
temporary disability leave as defined in section 3 of the "Temporary Dis­
ability Benefits Law," P.L.1948, c.110 (C.43:21-27) and for the administra­
tion of those payments and shall not be used for any other purpose. This
account shall be known as the "Family Temporary Disability Leave Ac­
count." Necessary administrative costs shall include the cost of an outreach
program to inform employees of the availability of the benefits and the cost
of issuing the reports required or permitted pursuant to section 13 of
P.L.2008, c.17 (C.43:21-39.4). No monies, other than the funds in the
"Family Temporary Disability Leave Account," shall be used for the pay­
ment of benefits during periods of family temporary disability leave or for
the administration of those payments, with the sole exception that, during
calendar years 2008 and 2009, a total amount not exceeding $25 million
may be transferred to that account from the revenues received in the State
disability benefits fund pursuant to subparagraph (i) of this paragraph (1)(G) and be expended for those payments and their administration, including the administration of the collection of contributions made pursuant to this subparagraph (ii) and any other necessary administrative costs. Any amount transferred to the account pursuant to this subparagraph (ii) shall be repaid during a period beginning not later than January 1, 2011 and ending not later than December 31, 2015. No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used under any circumstances after December 31, 2009, for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, including for the administration of the collection of contributions made pursuant to this subparagraph (ii).

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from con-
tributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et al.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et al.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et al.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of
the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the em-
employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll as defined in this chapter (R.S.43:21-1 et al.);

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;
(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L. 1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that
no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

(F) Notwithstanding any other provisions of this subsection (e), the rate of contribution paid to the State disability benefits fund by each covered employer as defined in paragraph (1) of subsection (a) of section 3 of P.L.1948, c.110 (C.43:21-27), shall be determined as if:

(i) No disability benefits have been paid with respect to periods of family temporary disability leave;

(ii) No worker paid any contributions to the State disability benefits fund pursuant to paragraph (1)(G)(ii) of subsection (d) of this section; and

(iii) No amounts were transferred from the State disability benefits fund to the "Family Temporary Disability Leave Account" pursuant to paragraph (1)(G)(ii) of subsection (d) of this section.

2. This act shall take effect immediately.

Approved November 20, 2009.

Information provided to the principal pursuant to this subsection shall be treated as confidential but may be made available to such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or for planning programs relevant to the juvenile's educational and social development. No information provided pursuant to this section shall be maintained.

f. Information as to the identity of a juvenile adjudicated delinquent, the offense, the adjudication and the disposition shall be disclosed to the public where the offense for which the juvenile has been adjudicated delinquent if committed by an adult, would constitute a crime of the first, second or third degree, or aggravated assault, destruction or damage to property to an extent of more than $500.00, unless upon application at the time of disposition the juvenile demonstrates a substantial likelihood that specific and extraordinary harm would result from such disclosure in the specific case. Where the court finds that disclosure would be harmful to the juvenile, the reasons therefor shall be stated on the record.

g. (1) Nothing in this section shall prohibit the establishment and maintaining of a central registry of the records of law enforcement agencies relating to juveniles for the purpose of exchange between State and local law enforcement agencies and prosecutors of this State, another state, or the United States. members of the news media, permit public attendance during any court proceeding at a delinquency case, where it determines that a substantial likelihood that specific harm to the juvenile would not result. The court shall have the authority to limit and control attendance in any manner and to the extent it deems appropriate;

(2) The court or, in cases where the county prosecutor has entered an appearance, the county prosecutor shall notify the victim or a member of the victim’s immediate family of any court proceeding involving the juvenile and the court shall permit the attendance of the victim or family member at the proceeding except when, prior to completing testimony as a witness, the victim or family member is properly sequestered in accordance with the law or the Rules Governing the Courts of the State of New Jersey or when the juvenile or the juvenile's family member shows, by clear and convincing evidence, that such attendance would result in a substantial likelihood that specific harm to the juvenile would result from the attendance of the victim or a family member at a proceeding or any portion of a proceeding and that such harm substantially outweighs the interest of the victim or family member to attend that portion of the proceeding;

(3) The court shall permit a victim, or a family member of a victim to make a statement prior to ordering a disposition in any delinquency proceeding involving an offense that would constitute a crime if committed by an adult.

j. C.52:17B-194.4 "Silver Alert System" established.

1. a. The Attorney General shall establish a "Silver Alert System" which
shall provide a Statewide system for the rapid dissemination of information
regarding a missing person who is believed to be suffering from dementia or

effort between State and local law enforcement agencies and the media,
including but not limited to print, radio, and television media outlets.

b. The Attorney General shall notify the media serving the State of
New Jersey of the establishment of the Silver Alert System, and invite their
voluntary participation.

c. The Missing Persons Investigative Best Practices Protocol Unidenti­

be revised to incorporate procedures for issuing an alert regarding missing persons believed to be suffering from dementia or other cognitive impairment. The guidelines and procedures shall ensure that specific health information about the missing person is not made public through the alert or otherwise.

**C.52:17B-194.5 Activation of Silver Alert; requirements.**

2. A Silver Alert authorized under this section may be activated in accordance with the following requirements, which shall be incorporated into the guidelines required by subsection c. of section 1 of P.L.2009, c.167 (C.52:17B-194.4).

      (2) a missing person's report has been submitted to the local law enforcement agency where the person went missing;

      (3) the person believed to be missing may be in danger of death or serious bodily injury;

      (5) sufficient information is available to disseminate to the public that could assist in locating the person.

**C.52:17B-194.6 Use of overhead permanent changeable message signs to provide information on certain missing persons.**

3. a. The Missing Persons and Child Exploitation Unit in the Division of State Police, in consultation with the Department of Transportation, shall develop a procedure for the use of overhead permanent changeable message signs to provide information on a missing person meeting the criteria set forth in section 2 of P.L.2009, c.167 (C.52:17B-194.5) when information is available that would enable motorists to assist in the recovery of the missing person.

   b. The Missing Persons and Child Exploitation Unit and the Department of Transportation shall develop guidelines for the content, length, and
frequency of any message to be placed on the overhead permanent changeable message sign.

c. The procedure and guidelines required in subsections a. and b. of this section shall provide at a minimum that:

(1) overhead permanent changeable message signs may be activated only if accurate motor vehicle information is available and it is confirmed that the person was driving the motor vehicle at the time of the disappearance; and

(2) the lead law enforcement agency, upon determining that a Silver Alert is warranted, shall contact the Watch Operations Unit in the New Jersey State Police Regional Operations Intelligence Center, which shall contact the Department of Transportation for activation of highway signs.

d. The participating media may voluntarily agree, upon notice of the issuance of a Silver Alert, to inform the public of a person believed to be missing within their service regions. The notice shall be provided through the lead law enforcement agency.

e. The alerts shall terminate upon notice from the lead law enforcement agency.

f. The alerts shall include a description of the missing person and such other information as the lead law enforcement agency may deem pertinent and appropriate. The lead law enforcement agency shall, in a timely manner, update the media with new information regarding the missing person when appropriate.

g. The alerts also shall provide information concerning how those members of the public who have information relating to the missing person may contact the lead law enforcement agency or the Missing Persons and Child Exploitation Unit in the Division of State Police.

4. The Attorney General, with the assistance of the participating media, shall develop and undertake a public education campaign to inform the public about the Silver Alert System.

5. The Attorney General may adopt guidelines to effectuate the purposes of this act.

6. This act shall take effect on the first day of the seventh month following enactment.

Approved December 22, 2009.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:58-2 is amended to read as follows:

Retailing of firearms; licensing of dealers and their employees.

2C:58-2. a. Licensing of retail dealers and their employees. No retail dealer of firearms nor any employee of a retail dealer shall sell or expose for sale, or possess with the intent of selling, any firearm unless licensed to do so as hereinafter provided. The superintendent shall prescribe standards and qualifications for retail dealers of firearms and their employees for the protection of the public safety, health and welfare.

Applications shall be made in the form prescribed by the superintendent, accompanied by a fee of $50 payable to the superintendent, and shall be made to a judge of the Superior Court in the county where the applicant maintains his place of business. The judge shall grant a license to an applicant if he finds that the applicant meets the standards and qualifications established by the superintendent and that the applicant can be permitted to engage in business as a retail dealer of firearms or employee thereof without any danger to the public safety, health and welfare. Each license shall be valid for a period of three years from the date of issuance, and shall authorize the holder to sell firearms at retail in a specified municipality.

In addition, every retail dealer shall pay a fee of $5 for each employee actively engaged in the sale or purchase of firearms. The superintendent shall issue a license for each employee for whom said fee has been paid, which license shall be valid for so long as the employee remains in the employ of said retail dealer.

No license shall be granted to any retail dealer under the age of 21 years or to any employee of a retail dealer under the age of 18 or to any person who could not qualify to obtain a permit to purchase a handgun or a firearms purchaser identification card, or to any corporation, partnership or other business organization in which the actual or equitable controlling interest is held or possessed by such an ineligible person.

All licenses shall be granted subject to the following conditions, for breach of any of which the license shall be subject to revocation on the
application of any law enforcement officer and after notice and hearing by
the issuing court:

(1) The business shall be carried on only in the building or buildings
designated in the license, provided that repairs may be made by the dealer
or his employees outside of such premises.

(2) The license or a copy certified by the issuing authority shall be
displayed at all times in a conspicuous place on the business premises
where it can be easily read.

(3) No firearm or imitation thereof shall be placed in any window or in
any other part of the premises where it can be readily seen from the outside.

(4) No rifle or shotgun, except antique rifles or shotguns, shall be deliv­
ered to any person unless such person possesses and exhibits a valid firearms
purchaser identification card and furnishes the seller, on the form prescribed by
the superintendent, a certification signed by him setting forth his name, perma­
nent address, firearms purchaser identification card number and such other
information as the superintendent may by rule or regulation require. The certi­
fication shall be retained by the dealer and shall be made available for inspection
by any law enforcement officer at any reasonable time.

(5) No handgun shall be delivered to any person unless:

(a) Such person possesses and exhibits a valid permit to purchase a
firearm and at least seven days have elapsed since the date of application
for the permit;

(b) The person is personally known to the seller or presents evidence
of his identity;

(c) The handgun is unloaded and securely wrapped;

(d) Except as otherwise provided in subparagraph (e) of this paragraph,
the handgun is accompanied by a trigger lock or a locked case, gun box,
container or other secure facility; provided, however, this provision shall
not apply to antique handguns. The exemption afforded under this sub­
paragraph for antique handguns shall be narrowly construed, limited solely
to the requirements set forth herein and shall not be deemed to afford or
authorize any other exemption from the regulatory provisions governing
firearms set forth in chapter 39 and chapter 58 of Title 2C of the New Jer­
sey Statutes; and

(e) On and after the first day of the sixth month following the date on
which the list of personalized handguns is prepared and delivered pursuant
to section 3 of P.L.2002, c.130 (C.2C:58-2.4), the handgun is identified as a
personalized handgun and included on that list or is an antique handgun.
The provisions of subparagraph (d) of this section shall not apply to the
delivery of a personalized handgun.
(6) The dealer shall keep a true record of every handgun sold, given or otherwise delivered or disposed of, in accordance with the provisions of subsections b. through e. of this section and the record shall note whether a trigger lock, locked case, gun box, container or other secure facility was delivered along with the handgun.

(7) A dealer shall not knowingly deliver more than one handgun to any person within any 30-day period. This limitation shall not apply to:

(a) a federal, State, or local law enforcement officer or agency purchasing handguns for use by officers in the actual performance of their law enforcement duties;

(b) a collector of handguns as curios or relics as defined in Title 18, United States Code, section 921 (a) (13) who has in his possession a valid Collector of Curios and Relics License issued by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives; or

(c) transfers of handguns among licensed retail dealers, registered wholesale dealers and registered manufacturers.

b. Records. Every person engaged in the retail business of selling, leasing or otherwise transferring a handgun, as a retail dealer or otherwise, shall keep a register in which shall be entered the time of the sale, lease or other transfer, the date thereof, the name, age, date of birth, complexion, occupation, residence and a physical description including distinguishing physical characteristics, if any, of the purchaser, lessee or transferee, the name and permanent home address of the person making the sale, lease or transfer, the place of the transaction, and the make, model, manufacturer's number, caliber and other marks of identification on such handgun and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. The register shall be retained by the dealer and shall be made available at all reasonable hours for inspection by any law enforcement officer.

c. Forms of register. The superintendent shall prepare the form of the register as described in subsection b. of this section and furnish the same in triplicate to each person licensed to be engaged in the business of selling, leasing or otherwise transferring firearms.

d. Signatures in register. The purchaser, lessee or transferee of any handgun shall sign, and the dealer shall require him to sign his name to the register, in triplicate, and the person making the sale, lease or transfer shall affix his name, in triplicate, as a witness to the signature. The signatures shall constitute a representation of the accuracy of the information contained in the register.
e. Copies of register entries; delivery to chief of police or county clerk. Within five days of the date of the sale, assignment or transfer, the dealer shall deliver or mail by certified mail, return receipt requested, legible copies of the register forms to the office of the chief of police of the municipality in which the purchaser resides, or to the office of the captain of the precinct of the municipality in which the purchaser resides, and to the superintendent. If hand delivered a receipt shall be given to the dealer therefor.

Where a sale, assignment or transfer is made to a purchaser who resides in a municipality having no chief of police, the dealer shall, within five days of the transaction, mail a duplicate copy of the register sheet to the clerk of the county within which the purchaser resides.

2. N.J.S.2C:58-3 is amended to read as follows:

Purchase of firearms.

2C:58-3. a. Permit to purchase a handgun. No person shall sell, give, transfer, assign or otherwise dispose of, nor receive, purchase, or otherwise acquire a handgun unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or has first secured a permit to purchase a handgun as provided by this section.

b. Firearms purchaser identification card. No person shall sell, give, transfer, assign or otherwise dispose of nor receive, purchase or otherwise acquire an antique cannon or a rifle or shotgun, other than an antique rifle or shotgun, unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or possesses a valid firearms purchaser identification card, and first exhibits said card to the seller, donor, transferor or assignor, and unless the purchaser, assignee, donee, receiver or holder signs a written certification, on a form prescribed by the superintendent, which shall indicate that he presently complies with the requirements of subsection c. of this section and shall contain his name, address and firearms purchaser identification card number or dealer's registration number. The said certification shall be retained by the seller, as provided in paragraph (4) of subsection a. of N.J.S.2C:58-2, or, in the case of a person who is not a dealer, it may be filed with the chief of police of the municipality in which he resides or with the superintendent.

c. Who may obtain. No person of good character and good repute in the community in which he lives, and who is not subject to any of the disabilities set forth in this section or other sections of this chapter, shall be denied a permit to purchase a handgun or a firearms purchaser identifica-
tion card, except as hereinafter set forth. No handgun purchase permit or firearms purchaser identification card shall be issued:

(1) To any person who has been convicted of any crime, or a disorderly persons offense involving an act of domestic violence as defined in section 3 of P.L.1991, c.261 (C.2C:25-19), whether or not armed with or possessing a weapon at the time of such offense;

(2) To any drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), to any person who is confined for a mental disorder to a hospital, mental institution or sanitarium, or to any person who is presently an habitual drunkard;

(3) To any person who suffers from a physical defect or disease which would make it unsafe for him to handle firearms, to any person who has ever been confined for a mental disorder, or to any alcoholic unless any of the foregoing persons produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, that he is no longer suffering from that particular disability in such a manner that would interfere with or handicap him in the handling of firearms; to any person who knowingly falsifies any information on the application form for a handgun purchase permit or firearms purchaser identification card;

(4) To any person under the age of 18 years for a firearms purchaser identification card and to any person under the age of 21 years for a permit to purchase a handgun;

(5) To any person where the issuance would not be in the interest of the public health, safety or welfare;

(6) To any person who is subject to a restraining order issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) prohibiting the person from possessing any firearm;

(7) To any person who as a juvenile was adjudicated delinquent for an offense which, if committed by an adult, would constitute a crime and the offense involved the unlawful use or possession of a weapon, explosive or destructive device or is enumerated in subsection d. of section 2 of P.L.1997, c.117 (C.2C:43-7.2); or

(8) To any person whose firearm is seized pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) and whose firearm has not been returned.

d. Issuance. The chief of police of an organized full-time police department of the municipality where the applicant resides or the superintendent, in all other cases, shall upon application, issue to any person qualified under the provisions of subsection c. of this section a permit to purchase a handgun or a firearms purchaser identification card.
Any person aggrieved by the denial of a permit or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the superintendent in all cases. The hearing shall be held and a record made thereof within 30 days of the receipt of the application for such hearing by the judge of the Superior Court. No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form prescribed by the superintendent and shall set forth the name, residence, place of business, age, date of birth, occupation, sex and physical description, including distinguishing physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on a temporary, interim or permanent basis, giving the name and location of the institution or hospital and the dates of such confinement or commitment, whether he has been attended, treated or observed by any doctor or psychiatrist or at any hospital or mental institution on an inpatient or outpatient basis for any mental or psychiatric condition, giving the name and location of the doctor, psychiatrist, hospital or institution and the dates of such occurrence, whether he presently or ever has been a member of any organization which advocates or approves the commission of acts of force and violence to overthrow the Government of the United States or of this State, or which seeks to deny others their rights under the Constitution of either the United States or the State of New Jersey, whether he has ever been convicted of a crime or disorderly persons offense, whether the person is subject to a restraining order issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) prohibiting the person from possessing any firearm, and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. For the purpose of complying with this subsection, the applicant shall waive any statutory or other right of confidentiality relating to institu-
tional confinement. The application shall be signed by the applicant and shall contain as references the names and addresses of two reputable citizens personally acquainted with him.

Application blanks shall be obtainable from the superintendent, from any other officer authorized to grant such permit or identification card, and from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints of the applicant and shall have them compared with any and all records of fingerprints in the municipality and county in which the applicant resides and also the records of the State Bureau of Identification and the Federal Bureau of Investigation, provided that an applicant for a handgun purchase permit who possesses a valid firearms purchaser identification card, or who has previously obtained a handgun purchase permit from the same licensing authority for which he was previously fingerprinted, and who provides other reasonably satisfactory proof of his identity, need not be fingerprinted again; however, the chief police officer or the superintendent shall proceed to investigate the application to determine whether or not the applicant has become subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. The application for the permit to purchase a handgun together with a fee of $2, or the application for the firearms purchaser identification card together with a fee of $5, shall be delivered or forwarded to the licensing authority who shall investigate the same and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants. A permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection e. of this section, whereupon the card shall be void and shall be returned within five days by the holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser identification card to the superintendent within the said five days shall be an offense under subsection a. of N.J.S.2C:39-10. Any firearms purchaser identification card may be revoked by the Superior Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipal-
ity or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the Superior Court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within five days of the date of the sale, the seller shall forward the original copy to the superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit and no more than one handgun shall be purchased within any 30-day period, but this limitation shall not apply to:

(1) a federal, State or local law enforcement officer or agency purchasing handguns for use by officers in the actual performance of their law enforcement duties;

(2) a collector of handguns as curios or relics as defined in Title 18, United States Code, section 921 (a) (13) who has in his possession a valid Collector of Curios and Relics License issued by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives;

(3) transfers of handguns among licensed retail dealers, registered wholesale dealers and registered manufacturers; or

(4) transfers of handguns from any person to a licensed retail dealer or a registered wholesale dealer or registered manufacturer.

The provisions of this subsection shall not be construed to afford or authorize any other exemption from the regulatory provisions governing
firearms set forth in chapter 39 and chapter 58 of Title 2C of the New Jersey Statutes.

A person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees. Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy. The person who shall so receive, or acquire said firearm shall, however, be subject to all other provisions of this chapter. If the heir or legatee of such firearm does not qualify to possess or carry it, he may retain ownership of the firearm for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent, provided that such firearm is in the custody of the chief law enforcement officer of the municipality or the superintendent during such period.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

l. Nothing in this section and in N.J.S.2C:58-2 shall apply to the sale or purchase of a visual distress signalling device approved by the United States Coast Guard, solely for possession on a private or commercial aircraft or any boat; provided, however, that no person under the age of 18 years shall purchase nor shall any person sell to a person under the age of 18 years such a visual distress signalling device.

3. This act shall take effect immediately; provided however, the Superintendent of State Police may take any anticipatory administrative action prior to the effective date necessary for its timely implementation.

CHAPTER 170

AN ACT concerning the rental of residential property and amending P.L.1993, c.127.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1993, c.127 (C.40:48-2.12n) is amended to read as follows:

C.40:48-2.12n Findings, determinations, declarations.

1. The Legislature finds, determines and declares:

a. Many of the municipalities in this State, and the residents thereof, have experienced disturbances, damage and public expense resulting from carelessly granted and inadequately supervised rentals to irresponsible tenants by inept or indifferent landlords.

b. To preserve the peace and tranquility of those communities it is necessary and desirable that those communities have adequate means to curb and discourage those occasional excesses arising from irresponsible rentals.

c. Accordingly, it is the purpose of this legislation to enable municipal governing bodies to take effective action to assure that excesses, when they occur, shall not be repeated, and that landlords be held to sufficient standards of responsibility.
2. Section 2 of P.L.1993, c.127 (C.40:48-2.12o) is amended to read as follows:

C.40:48-2.12o Definitions.
2. As used in this act:
"Hearing officer" means a person designated pursuant to subsection b. of section 3 of P.L.1993, c.127 (C.40:48-2.12p) to hear and determine proceedings under P.L.1993, c.127 (C.40:48-2.12n et seq.).

"Landlord" means the person or persons who own or purport to own a building in which there is rented or offered for rent housing space for living or dwelling under either a written or oral lease which building contains no more than four dwelling units. In the case of a mobile home park, "landlord" shall mean the owner of an individual dwelling unit within the mobile home park.

"Substantiated complaint" means a complaint which may form the basis for proceedings in accordance with subsection a. of section 4 of P.L.1993, c.127 (C.40:48-2.12q).

3. Section 3 of P.L.1993, c.127 (C.40:48-2.12p) is amended to read as follows:

C.40:48-2.12p Ordinance holding landlords to standards of responsibility.
3. a. The governing body of any municipality may enact an ordinance holding landlords to standards of responsibility in the selection of tenants and supervision of the rental premises, requiring that under certain circumstances, as hereinafter in P.L.1993, c.127 (C.40:48-2.12n et seq.) described, such landlords may be required to post adequate bond against the consequences of disorderly behavior of their tenants, and in the case of subsequent violations forfeit such bond, in whole or part, in compensation for the consequences of such behavior.

b. To assure impartiality in the administration of such an ordinance, the municipal governing body shall make provision for the hearings and decisions held and made thereunder to be conducted and decided by a licensed attorney of this State who shall not be an owner or lessee of any real property within the municipality, nor hold any interest in the assets of or profits arising from the ownership or lease of such property.

4. Section 4 of P.L.1993, c.127 (C.40:48-2.12q) is amended to read as follows:

4. An ordinance adopted under authority of this section shall provide:

a. If in any twelve-month period a specified number, which shall not be less than two, of complaints, on separate occasions, of disorderly, indecent, tumultuous or riotous conduct upon or in proximity to any rental premises, and attributable to the acts or incitements of any of the tenants of those premises, have been substantiated by prosecution and conviction in any court of competent jurisdiction, the municipal governing body or any officer or employee of the municipality designated by the governing body for the purpose, may institute proceedings to require the landlord of those premises to post a bond against the consequences of future incidents of the same character.

CHAPTER 182

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.2005, c.383 (C.26:3D-56) is amended to read as follows:

C.26:3D-56 Findings, declarations relative to smoking, use of electronic smoking devices in indoor public places, workplaces.

2. The Legislature finds and declares that:
   a. Tobacco is the leading cause of preventable disease and death in the State and the nation;
   b. Tobacco smoke constitutes a substantial health hazard to the non-smoking majority of the public;
   c. Electronic smoking devices have not been approved as to safety and efficacy by the federal Food and Drug Administration, and their use may pose a health risk to persons exposed to their smoke or vapor because of a known irritant contained therein and other substances that may, upon evaluation by that agency, be identified as potentially toxic to those inhaling the smoke or vapor;
d. The separation of smoking and nonsmoking areas in indoor public places and workplaces does not eliminate the hazard to nonsmokers if these areas share a common ventilation system; and

e. Therefore, subject to certain specified exceptions, it is clearly in the public interest to prohibit the smoking of tobacco products and the use of electronic smoking devices in all enclosed indoor places of public access and workplaces.

2. Section 3 of P.L.2005, c.383 (C.26:3D-57) is amended to read as follows:

"Cigar lounge" means any establishment, or area within an establishment, designated specifically for the smoking of tobacco products, purchased on the premises or elsewhere; except that a cigar lounge that is in an area within an establishment shall be an area enclosed by solid walls or windows, a ceiling and a solid door and equipped with a ventilation system which is separately exhausted from the nonsmoking areas of the establishment so that air from the smoking area is not recirculated to the nonsmoking areas and smoke is not backstreamed into the nonsmoking areas.

"Person having control of an indoor public place or workplace" means the owner or operator of a commercial or other office building or other indoor public place from whom a workplace or space within the building or indoor public place is leased.

"Smoking" means the burning of, inhaling from, exhaling the smoke from, or the possession of a lighted cigar, cigarette, pipe or any other matter or substance which contains tobacco or any other matter that can be smoked, or the inhaling or exhaling of smoke or vapor from an electronic smoking device.

"Tobacco retail establishment" means an establishment in which at least 51% of retail business is the sale of tobacco products and accessories, and in which the sale of other products is merely incidental.

b. The establishment of all of the following shall constitute a defense to any prosecution brought pursuant to subsection a. of this section:

(1) that the purchaser of the tobacco product or electronic smoking device or the recipient of the promotional sample falsely represented, by producing either a driver's license or non-driver identification card issued by the New Jersey Motor Vehicle Commission, a similar card issued pursuant to the laws of another state or the federal government of Canada, or a photographic identification card issued by a county clerk, that the purchaser or recipient was of legal age to make the purchase or receive the sample;

(2) that the appearance of the purchaser of the tobacco product or electronic smoking device or the recipient of the promotional sample was such that an ordinary prudent person would believe the purchaser or recipient to be of legal age to make the purchase or receive the sample; and

(3) that the sale or distribution of the tobacco product or electronic smoking device was made in good faith, relying upon the production of the identification set forth in paragraph (1) of this subsection, the appearance of the purchaser or recipient, and in the reasonable belief that the purchaser or recipient was of legal age to make the purchase or receive the sample.

c. A person who violates the provisions of subsection a. of this section, including an employee of a retail dealer licensee under P.L.1948, c.65 (C.54:40A-1 et seq.) who actually sells or otherwise provides a tobacco product to a person under 19 years of age, shall be liable to a civil penalty of not less than $250 for the first violation, not less than $500 for the second violation, and $1,000 for the third and each subsequent violation. suspend or, after a second or subsequent violation of the provisions of sub­
section a. of this section, revoke the license issued under section 202 of
P.L.1948, c. 65 (C.54:40A-4) of a retail dealer. The licensee shall be sub­

the Division of Taxation, which may provide for a monetary penalty in lieu
of a suspension.

e. A penalty imposed pursuant to this section shall be in addition to
any penalty that may be imposed pursuant to section 3 of P.L.1999, c. 90

to any prosecution brought pursuant to subsection a. of this section:
(1) that the purchaser or recipient of the tobacco product or electronic smoking device falsely represented, by producing either a driver's license or non-driver identification card issued by the New Jersey Motor Vehicle Commission, a similar card issued pursuant to the laws of another state or the federal government of Canada, or a photographic identification card issued by a county clerk, that the purchaser or recipient was of legal age to purchase or receive the tobacco product or electronic smoking device;

CHAPTER 185

AN ACT concerning debt service aid for certain county vocational school districts and amending P.L.2000, c.72.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.2000, c.72 (C.18A:7G-5) is amended to read as follows:

C.18A:7G-5 Undertaking and financing of school facilities in certain districts.
5. a. The development authority shall undertake and the financing authority shall finance the school facilities projects of SDA districts.
b. In the case of a district other than an SDA district, State support for the project shall be determined pursuant to section 9 or section 15 of P.L.2000, c.72 (C.18A:7G-9 or C.18A:7G-15), as applicable.
c. Notwithstanding any provision of N.J.S.18A:18A-16 to the contrary, the procedures for obtaining approval of a school facilities project
shall be as set forth in this act; provided that any district whose school facili-
ties project is not constructed by the development authority shall also be 
required to comply with the provisions of N.J.S.18A:18A-16.

d. (1) Any district seeking to initiate a school facilities project shall 
apply to the commissioner for approval of the project. The application may 
include, but not be limited to: a description of the school facilities project; a 
schematic drawing of the project or, at the option of the district, preliminary 
plans and specifications; a delineation and description of each of the func-
tional components of the project; educational specifications detailing the 
programmatic needs of each proposed space; the number of unhoused stu-
dents to be housed in the project; the area allowances per FTE student as 
calculated pursuant to section 8 of P.L.2000, c.72 (C.18A:7G-8); and the 
estimated cost to complete the project as determined by the district.

(2) In the case of an SDA district school facilities project, based upon 
its educational priority ranking and the Statewide strategic plan established 
pursuant to subsection m. of this section, the commissioner may authorize 
the development authority to undertake preconstruction activities which 
may include, but need not be limited to, site identification, investigation, 
and acquisition, feasibility studies, land-related design work, design work, 
site remediation, demolition, and acquisition of temporary facilities. Upon 
receipt of the authorization, the development authority may initiate the 
preconstruction activities required to prepare the application for commis-
sioner approval of the school facilities project.

e. The commissioner shall review each proposed school facilities pro-
ject to determine whether it is consistent with the district's long-range facili-
ties plan and whether it complies with the facilities efficiency standards and 
the area allowances per FTE student derived from those standards; and in 
the case of an SDA district the commissioner shall also review the project's 
educational priority ranking and the Statewide strategic plan developed pur-
suant to paragraphs (2) and (3) of subsection m. of this section; and in the 
case of a district other than an SDA district the commissioner shall also 
review the project's priority pursuant to paragraph (4) of subsection m. of this 
section. The commissioner shall make a decision on a district's application 
within 90 days from the date he determines that the application is fully and 
accurately completed and that all information necessary for a decision has 
been filed by the district, or from the date of the last revision made by the 
district. If the commissioner is not able to make a decision within 90 days, 
he shall notify the district in writing explaining the reason for the delay and 
indicating the date on which a decision on the project will be made, pro-
vided that the date shall not be later than 60 days from the expiration of the
c.72 (C.18A:7G-3) plus 0.25, or 100% for any nonconforming spaces approved by the commissioner pursuant to this paragraph.

h. Upon approval of a school facilities project and determination of the preliminary eligible costs:

(1) In the case of a district other than an SDA district, the commissioner shall notify the district whether the school facilities project is approved and, if so approved, the preliminary eligible costs and the excess costs, if any. Following the determination of preliminary eligible costs and the notification of project approval, the district may appeal to the commissioner for an increase in those costs if the detailed plans and specifications completed by a design professional for the school facilities project indicate that the cost of constructing that portion of the project which is consistent with the facilities efficiency standards and does not exceed the area allowances per FTE student exceeds the preliminary eligible costs as determined by the commissioner for the project by 10% or more. The district shall file its appeal within 30 days of the preparation of the plans and specifications. If the district chooses not to file an appeal, then the final eligible costs shall equal the preliminary eligible costs.

The appeal shall outline the reasons why the preliminary eligible costs calculated for the project are inadequate and estimate the amount of the adjustment which needs to be made to the preliminary eligible costs. The commissioner shall forward the appeal information to the development authority for its review and recommendation. If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards, the development authority shall recommend to the commissioner that the preliminary eligible costs be accepted as the final eligible costs. If the development authority determines the additional costs are not within the control of the district or are the result of design factors required to meet the facilities efficiency standards, the development authority shall recommend to the commissioner a final eligible cost based on its experience for districts with similar characteristics, provided that, notwithstanding anything to the contrary, the commissioner shall not approve an adjustment to the preliminary eligible costs which exceeds 10% of the preliminary eligible costs. The commissioner shall make a determination on the appeal within 30 days of its receipt. If the commissioner does not approve an adjustment to the school facilities project's preliminary eligible costs, the commissioner shall issue his findings in writing on the reasons for the denial and on why the preliminary eligible costs as originally calculated are sufficient.
(2) In the case of an SDA district, the commissioner shall promptly prepare and submit to the development authority a preliminary project report which shall consist, at a minimum, of the following information: a complete description of the school facilities project; the actual location of the project; the total square footage of the project together with a breakdown of total square footage by functional component; the preliminary eligible costs of the project; the project's priority ranking determined pursuant to subsection m. of this section; any other factors to be considered by the development authority in undertaking the project; and the name and address of the person from the district to contact in regard to the project.

i. Upon receipt by the development authority of the preliminary project report, the development authority, upon consultation with the district, shall prepare detailed plans and specifications and schedules which contain the development authority's estimated cost and schedule to complete the school facilities project. The development authority shall transmit to the commissioner its recommendations in regard to the project which shall, at a minimum, contain the detailed plans and specifications; whether the school facilities project can be completed within the preliminary eligible costs; and any other factors which the development authority determines should be considered by the commissioner.

(1) In the event that the development authority determines that the school facilities project can be completed within the preliminary eligible costs: the final eligible costs shall be deemed to equal the preliminary eligible costs; the commissioner shall be deemed to have given final approval to the project; and the preliminary project report shall be deemed to be the final project report delivered to the development authority pursuant to subsection j. of this section.

(2) In the event that the development authority determines that the school facilities project cannot be completed within the preliminary eligible costs, prior to the submission of its recommendations to the commissioner, the development authority shall, in consultation with the district and the commissioner, determine whether changes can be made in the project which will result in a reduction in costs while at the same time meeting the facilities efficiency standards approved by the commissioner.

(a) If the development authority determines that changes in the school facilities project are possible so that the project can be accomplished within the scope of the preliminary eligible costs while still meeting the facilities efficiency standards, the development authority shall so advise the commissioner, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs; give final approval to the project
with the changes noted; and issue a final project report to the development authority pursuant to subsection j. of this section.

(b) If the development authority determines that it is not possible to make changes in the school facilities project so that it can be completed within the preliminary eligible costs either because the additional costs are the result of factors outside the control of the district or the additional costs are required to meet the facilities efficiency standards, the development authority shall recommend to the commissioner that the preliminary eligible costs be increased accordingly, whereupon the commissioner shall: calculate the final eligible costs to equal the sum of the preliminary eligible costs plus the increase recommended by the development authority; give final approval to the project; and issue a final project report to the development authority pursuant to subsection j. of this section.

(c) If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards or approved pursuant to paragraph (1) of subsection g. of this section, the development authority shall recommend to the commissioner that the preliminary eligible costs be accepted, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs and specify the excess costs which are to be borne by the district; give final approval to the school facilities project; and issue a final project report to the development authority pursuant to subsection j. of this section; provided that the commissioner may approve final eligible costs which are in excess of the preliminary eligible costs if, in his judgment, the action is necessary to meet the educational needs of the district.

(d) For a school facilities project undertaken by the development authority, the development authority shall be responsible for any costs of construction, but only from the proceeds of bonds issued by the financing authority pursuant to P.L.2000, c.72 (C.18A:7G-1 et al.) and P.L.2007, c.137 (C.52:18A-235 et al.), which exceed the amount originally projected by the development authority and approved for financing by the development authority, provided that the excess is the result of an underestimate of labor or materials costs by the development authority. After receipt by the development authority of the final project report, the district shall be responsible only for the costs associated with changes, if any, made at the request of the district to the scope of the school facilities project.

j. The development authority shall not commence the construction of a school facilities project unless the commissioner transmits to the development authority a final project report and the district complies with the
approval requirements for the local share, if any, pursuant to section 11 of P.L.2000, c.72 (C.18A:7G-11). The final project report shall contain all of the information contained in the preliminary project report and, in addition, shall contain: the final eligible costs; the excess costs, if any; the total costs which equals the final eligible costs plus excess costs, if any; the State share; and the local share.

k. For the SDA districts, the State share shall be 100% of the final eligible costs. Except as otherwise provided pursuant to section 9 of P.L.2000, c.72 (C.18A:7G-9), for all other districts, the State share shall be an amount equal to the district aid percentage; except that the State share shall not be less than 40% of the final eligible costs.

If any district which is included in district factor group A or B, other than an SDA district, is having difficulty financing the local share of a school facilities project, the district may apply to the commissioner to receive 100% State support for the project and the commissioner may request the approval of the Legislature to increase the State share of the project to 100%.

l. The local share for school facilities projects constructed by the authority or a redevelopment entity shall equal the final eligible costs plus any excess costs less the State share.

m. (1) Within 90 days of the effective date of P.L.2007, c.137 (C.52:18A-235 et al.), the commissioner shall develop an educational facilities needs assessment for each SDA district. The assessment shall be updated periodically by the commissioner in accordance with the schedule the commissioner deems appropriate for the district; except that each assessment shall at a minimum be updated within five years of the development of the district's most recent prior educational facilities needs assessment. The assessment shall be transmitted to the development authority to be used to initiate the planning activities required prior to the establishment of the educational priority ranking of school facilities projects pursuant to paragraph (2) of this subsection.

(2) Following the approval of an SDA district's long-range facilities plan or of an amendment to that plan, but prior to authorization of preconstruction activities for a school facilities project included in the plan or amendment, the commissioner shall establish, in consultation with the SDA district, an educational priority ranking of all school facilities projects in the SDA district based upon the commissioner's determination of critical need in accordance with priority project categories developed by the commissioner. The priority project categories shall include, but not be limited to, health and safety, overcrowding in the early childhood, elementary, middle, and high
school grade levels, spaces necessary to provide in-district programs and services for current disabled students who are being served in out-of-district placements or in-district programs and services for the projected disabled student population, rehabilitation, and educational adequacy.

(3) Upon the commissioner's determination of the educational priority ranking of school facilities projects in SDA districts pursuant to paragraph (2) of this subsection, the development authority, in consultation with the commissioner, the SDA districts, and the governing bodies of the municipalities in which the SDA districts are situate, shall establish a Statewide strategic plan to be used in the sequencing of SDA district school facilities projects based upon the projects' educational priority rankings and issues which impact the development authority's ability to complete the projects including, but not limited to, the construction schedule and other appropriate factors. The development authority shall revise the Statewide strategic plan and the sequencing of SDA district school facilities projects in accordance with that plan no less than once every five years.

Any amendment to an SDA district's long-range facilities plan that is submitted to the commissioner in the period between the five-year updates of the long-range facilities plan shall be considered by the development authority, in consultation with the commissioner, for incorporation into the Statewide strategic plan. In making a determination on whether or not to amend the Statewide strategic plan, the development authority shall consider the cost of the amendment, the impact of the amendment upon the school development plans for other districts, and other appropriate factors.

(4) In the case of a district other than an SDA district, the commissioner shall establish a priority process for the financing of school facilities projects based upon the commissioner's determination of critical need in accordance with priority project categories developed by the commissioner. The priority project categories shall include, but not be limited to, health and safety, overcrowding in the elementary, middle, and high school grade levels, spaces necessary to provide in-district programs and services for current disabled students who are being served in out-of-district placements or in-district programs and services for the projected disabled student population, and full-day kindergarten facilities in the case of school districts required to provide full-day preschool pursuant to section 12 of P.L.2007, c.260 (C.18A:7F-54).

n. The provisions of the "Public School Contracts Law," N.J.S.18A:18A-1 et seq., shall be applicable to any school facilities project constructed by a district but shall not be applicable to projects constructed...
by the development authority or a redevelopment entity pursuant to the
provisions of this act.

o. In the case of a school facilities project of a district other than an
SDA district, any proceeds of school bonds issued by the district for the
purpose of funding the project which remain unspent upon completion of
the project shall be used by the district to reduce the outstanding principal
amount of the school bonds.

p. Upon completion by the development authority of a school facili-
ties project, if the cost of construction and completion of the project is less
than the total costs, the district shall be entitled to receive a portion of the
local share based on a pro rata share of the difference based on the ratio of
the State share to the local share.

q. The development authority shall determine the cause of any costs of
construction which exceed the amount originally projected by the develop-
ment authority and approved for financing by the financing authority.

r. (Deleted by amendment, P.L.2007, c.137).

s. (Deleted by amendment, P.L.2007, c.137).

2. Section 9 of P.L.2000, c.72 (C.18A:7G-9) is amended to read as
follows:

C.18A:7G-9 Distribution of State debt service aid.

9. a. State debt service aid for capital investment in school facilities for
a district other than an SDA district which elects not to finance the project
under section 15 of P.L.2000, c.72 (C.18A:7G-15), shall be distributed
upon a determination of preliminary eligible costs by the commissioner,
according to the following formula:

Aid is the sum of A for each issuance of school bonds issued for a
school facilities project approved by the commissioner after the effective
date of P.L.2000, c.72 (C.18A:7G-1 et al.)

where

\[ A = B \times \frac{AC}{P} \times DAP \times M, \] with \( \frac{AC}{P} = 1 \)

whenever \( \frac{AC}{P} \) would otherwise yield a number greater than one,
and where:

\( B \) is the district's debt service for the individual issuance for the fiscal
year;

\( AC \) is the preliminary eligible costs determined pursuant to section 7 of
P.L.2000, c.72 (C.18A:7G-7);

\( P \) is the principal of the individual issuance plus any other funding
sources approved for the school facilities project;
DAP is the district's district aid percentage as defined pursuant to section 3 of P.L.2000, c.72 (C.18A:7G-3) and where DAP shall not be less than 40%; and

M is a factor representing the degree to which a district has fulfilled maintenance requirements for a school facilities project determined pursuant to subsection b. of this section.

For county special services school districts, DAP shall be that of the county vocational school district in the same county.

Notwithstanding the provisions of this subsection to the contrary, DAP for a county vocational school district school facilities project that is approved by the commissioner following the effective date of P.L.2009, c.185 shall equal the greater of the district's district aid percentage as defined pursuant to section 3 of P.L.2000, c.72 (C.18A:7G-3) or the percentage of the students in the county vocational school district's resident enrollment who reside in SDA districts; except that DAP shall not be less than 40% or greater than 90%.

b. The maintenance factor (M) shall be 1.0 except when one of the following conditions applies, in which case the maintenance factor shall be as specified:

(1) Effective ten years from the date of the enactment of P.L.2000, c.72 (C.18A:7G-1 et al.), the maintenance factor for aid for reconstruction, remodeling, alteration, modernization, renovation or repair, or for an addition to a school facility, shall be zero for all school facilities projects for which the district fails to demonstrate over the ten years preceding issuance a net investment in maintenance of the related school facility of at least 2% of the replacement cost of the school facility, determined pursuant to subsection b. of section 7 of P.L.2000, c.72 (C.18A:7G-7) using the area cost allowance of the year ten years preceding the year in which the school bonds are issued.

(2) For new construction, additions, and school facilities aided under subsection b. of section 7 of P.L.2000, c.72 (C.18A:7G-7) supported by financing issued for projects approved by the commissioner after the effective date of P.L.2000, c.72 (C.18A:7G-1 et al.), beginning in the fourth year after occupancy of the school facility, the maintenance factor shall be reduced according to the following schedule for all school facilities projects for which the district fails to demonstrate in the prior fiscal year an investment in maintenance of the related school facility of at least two-tenths of 1% of the replacement cost of the school facility, determined pursuant to subsection b. of section 7 of P.L.2000, c.72 (C.18A:7G-7).
Maintenance Percentage | Maintenance Factor (M)
--- | ---
.199% - .151% | 75%
.150% - .100% | 50%
Less than .100% | Zero

(3) Within one year of the enactment of P.L.2000, c.72 (C.18A:7G-1 et al.), the commissioner shall promulgate rules requiring districts to develop a long-range maintenance plan and specifying the expenditures that qualify as an appropriate investment in maintenance for the purposes of this subsection.

c. Any district which obtained approval from the commissioner since September 1, 1998 and prior to the effective date of P.L.2000, c.72 (C.18A:7G-1 et al.) of the educational specifications for a school facilities project or obtained approval from the Department of Community Affairs or the appropriately licensed municipal code official since September 1, 1998 of the final construction plans and specifications, and the district has issued debt, may elect to have the final eligible costs of the project determined pursuant to section 5 of P.L.2000, c.72 (C.18A:7G-5) and to receive debt service aid under this section or under section 10 of P.L.2000, c.72 (C.18A:7G-10).

Any district which received approval from the commissioner for a school facilities project at any time prior to the effective date of P.L.2000, c.72 (C.18A:7G-1 et al.), and has not issued debt, other than short term notes, may submit an application pursuant to section 5 of P.L.2000, c.72 (C.18A:7G-5) to have the final eligible costs of the project determined pursuant to that section and to have the New Jersey Economic Development Authority construct the project; or, at its discretion, the district may choose to receive debt service aid under this section or under section 10 of P.L.2000, c.72 (C.18A:7G-10) or to receive a grant under section 15 of P.L.2000, c.72 (C.18A:7G-15).

For the purposes of this subsection, the "issuance of debt" shall include lease purchase agreements in excess of five years.

d. For school bonds issued for a school facilities project after the effective date of P.L.2000, c.72 (C.18A:7G-1 et al.) and prior to the effective date of P.L.2008, c.39 (C.18A:7G-14.1 et al.), State debt service aid shall be calculated in accordance with the provisions of this section as the same read before the effective date of P.L.2008, c.39 (C.18A:7G-14.1 et al.).

3. This act shall take effect immediately.

Approved January 12, 2010.
CHAPTER 186

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:58-2 is amended to read as follows:

Retailing of firearms; licensing of dealers and their employees.

2C:58-2. a. Licensing of retail dealers and their employees. No retail dealer of firearms nor any employee of a retail dealer shall sell or expose for sale, or possess with the intent of selling, any firearm unless licensed to do so as hereinafter provided. The superintendent shall prescribe standards and qualifications for retail dealers of firearms and their employees for the protection of the public safety, health and welfare.

Applications shall be made in the form prescribed by the superintendent, accompanied by a fee of $50 payable to the superintendent, and shall be made to a judge of the Superior Court in the county where the applicant maintains his place of business. The judge shall grant a license to an applicant if he finds that the applicant meets the standards and qualifications established by the superintendent and that the applicant can be permitted to engage in business as a retail dealer of firearms or employee thereof without any danger to the public safety, health and welfare. Each license shall be valid for a period of three years from the date of issuance, and shall authorize the holder to sell firearms at retail in a specified municipality.

In addition, every retail dealer shall pay a fee of $5 for each employee actively engaged in the sale or purchase of firearms. The superintendent shall issue a license for each employee for whom said fee has been paid, which license shall be valid for so long as the employee remains in the employ of said retail dealer.

No license shall be granted to any retail dealer under the age of 21 years or to any employee of a retail dealer under the age of 18 or to any person who could not qualify to obtain a permit to purchase a handgun or a firearms purchaser identification card, or to any corporation, partnership or other business organization in which the actual or equitable controlling interest is held or possessed by such an ineligible person.

All licenses shall be granted subject to the following conditions, for breach of any of which the license shall be subject to revocation on the
application of any law enforcement officer and after notice and hearing by
the issuing court:

(1) The business shall be carried on only in the building or buildings
designated in the license, provided that repairs may be made by the dealer
or his employees outside of such premises.

(2) The license or a copy certified by the issuing authority shall be
displayed at all times in a conspicuous place on the business premises
where it can be easily read.

(3) No firearm or imitation thereof shall be placed in any window or in
any other part of the premises where it can be readily seen from the outside.

(4) No rifle or shotgun, except antique rifles or shotguns, shall be deliv­
ered to any person unless such person possesses and exhibits a valid firearms
purchaser identification card and furnishes the seller, on the form prescribed by
the superintendent, a certification signed by him setting forth his name, perma­
nent address, firearms purchaser identification card number and such other
information as the superintendent may by rule or regulation require. The certi­
fication shall be retained by the dealer and shall be made available for inspec­
tion by any law enforcement officer at any reasonable time.

(5) No handgun shall be delivered to any person unless:

(a) Such person possesses and exhibits a valid permit to purchase a
firearm and at least seven days have elapsed since the date of application
for the permit;

(b) The person is personally known to the seller or presents evidence
of his identity;

(c) The handgun is unloaded and securely wrapped;

(d) Except as otherwise provided in subparagraph (e) of this paragraph,
the handgun is accompanied by a trigger lock or a locked case, gun box,
container or other secure facility; provided, however, this provision shall
not apply to antique handguns. The exemption afforded under this sub­
paragraph for antique handguns shall be narrowly construed, limited solely
to the requirements set forth herein and shall not be deemed to afford or
authorize any other exemption from the regulatory provisions governing
firearms set forth in chapter 39 and chapter 58 of Title 2C of the New Jer­
sy Statutes; and

(e) On and after the first day of the sixth month following the date on
which the list of personalized handguns is prepared and delivered pursuant
to section 3 of P.L.2002, c.130 (C.2C:58-2.4), the handgun is identified as a
personalized handgun and included on that list or is an antique handgun.
The provisions of subparagraph (d) of this section shall not apply to the
delivery of a personalized handgun.
(6) The dealer shall keep a true record of every handgun sold, given or otherwise delivered or disposed of, in accordance with the provisions of subsections b. through e. of this section and the record shall note whether a trigger lock, locked case, gun box, container or other secure facility was delivered along with the handgun.

(7) A dealer shall not knowingly deliver more than one handgun to any person within any 30-day period. This limitation shall not apply to:

(a) a federal, State, or local law enforcement officer or agency purchasing handguns for use by officers in the actual performance of their law enforcement duties;

(b) a collector of handguns as curios or relics as defined in Title 18, United States Code, section 921 (a) (13) who has in his possession a valid Collector of Curios and Relics License issued by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives;

(c) transfers of handguns among licensed retail dealers, registered wholesale dealers and registered manufacturers;

(d) any transaction where the person has purchased a handgun from a licensed retail dealer and has returned that handgun to the dealer in exchange for another handgun within 30 days of the original transaction, provided the retail dealer reports the exchange transaction to the superintendent; or

(e) any transaction where the superintendent issues an exemption from the prohibition in this subsection pursuant to the provisions of section 4 of P.L.2009, c.186 (C.2C:58-3.4).

b. Records. Every person engaged in the retail business of selling, leasing or otherwise transferring a handgun, as a retail dealer or otherwise, shall keep a register in which shall be entered the time of the sale, lease or other transfer, the date thereof, the name, age, date of birth, complexion, occupation, residence and a physical description including distinguishing physical characteristics, if any, of the purchaser, lessee or transferee, the name and permanent home address of the person making the sale, lease or transfer, the place of the transaction, and the make, model, manufacturer's number, caliber and other marks of identification on such handgun and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. The register shall be retained by the dealer and shall be made available at all reasonable hours for inspection by any law enforcement officer.

c. Forms of register. The superintendent shall prepare the form of the register as described in subsection b. of this section and furnish the same in triplicate to each person licensed to be engaged in the business of selling, leasing or otherwise transferring firearms.
d. Signatures in register. The purchaser, lessee or transferee of any handgun shall sign, and the dealer shall require him to sign his name to the register, in triplicate, and the person making the sale, lease or transfer shall affix his name, in triplicate, as a witness to the signature. The signatures shall constitute a representation of the accuracy of the information contained in the register.

e. Copies of register entries; delivery to chief of police or county clerk. Within five days of the date of the sale, assignment or transfer, the dealer shall deliver or mail by certified mail, return receipt requested, legible copies of the register forms to the office of the chief of police of the municipality in which the purchaser resides, or to the office of the captain of the precinct of the municipality in which the purchaser resides, and to the superintendent. If hand delivered a receipt shall be given to the dealer therefor.

Where a sale, assignment or transfer is made to a purchaser who resides in a municipality having no chief of police, the dealer shall, within five days of the transaction, mail a duplicate copy of the register sheet to the clerk of the county within which the purchaser resides.

2. N.J.S.2C:58-3 is amended to read as follows:

**Purchase of firearms.**

**2C:58-3. a. Permit to purchase a handgun.** No person shall sell, give, transfer, assign or otherwise dispose of, nor receive, purchase, or otherwise acquire a handgun unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or has first secured a permit to purchase a handgun as provided by this section.

b. Firearms purchaser identification card. No person shall sell, give, transfer, assign or otherwise dispose of nor receive, purchase or otherwise acquire an antique cannon or a rifle or shotgun, other than an antique rifle or shotgun, unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or possesses a valid firearms purchaser identification card, and first exhibits said card to the seller, donor, transferor or assignor, and unless the purchaser, assignee, donee, receiver or holder signs a written certification, on a form prescribed by the superintendent, which shall indicate that he presently complies with the requirements of subsection c. of this section and shall contain his name, address and firearms purchaser identification card number or dealer's registration number. The said certification shall be retained by the seller, as provided in paragraph (4) of subsection a. of N.J.S.2C:58-2, or, in the case of a person who
is not a dealer, it may be filed with the chief of police of the municipality in which he resides or with the superintendent.

c. Who may obtain. No person of good character and good repute in the community in which he lives, and who is not subject to any of the disabilities set forth in this section or other sections of this chapter, shall be denied a permit to purchase a handgun or a firearms purchaser identification card, except as hereinafter set forth. No handgun purchase permit or firearms purchaser identification card shall be issued:

(1) To any person who has been convicted of any crime, or a disorderly persons offense involving an act of domestic violence as defined in section 3 of P.L.1991, c.261 (C.2C:25-19), whether or not armed with or possessing a weapon at the time of such offense;

(2) To any drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), to any person who is confined for a mental disorder to a hospital, mental institution or sanitarium, or to any person who is presently an habitual drunkard;

(3) To any person who suffers from a physical defect or disease which would make it unsafe for him to handle firearms, to any person who has ever been confined for a mental disorder, or to any alcoholic unless any of the foregoing persons produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, that he is no longer suffering from that particular disability in such a manner that would interfere with or handicap him in the handling of firearms; to any person who knowingly falsifies any information on the application form for a handgun purchase permit or firearms purchaser identification card;

(4) To any person under the age of 18 years for a firearms purchaser identification card and to any person under the age of 21 years for a permit to purchase a handgun;

(5) To any person where the issuance would not be in the interest of the public health, safety or welfare;

(6) To any person who is subject to a restraining order issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) prohibiting the person from possessing any firearm;

(7) To any person who as a juvenile was adjudicated delinquent for an offense which, if committed by an adult, would constitute a crime and the offense involved the unlawful use or possession of a weapon, explosive or destructive device or is enumerated in subsection d. of section 2 of P.L.1997, c.117 (C.2C:43-7.2); or
(8) To any person whose firearm is seized pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) and whose firearm has not been returned.

d. Issuance. The chief of police of an organized full-time police department of the municipality where the applicant resides or the superintendent, in all other cases, shall upon application, issue to any person qualified under the provisions of subsection c. of this section a permit to purchase a handgun or a firearms purchaser identification card.

Any person aggrieved by the denial of a permit or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the superintendent in all cases. The hearing shall be held and a record made thereof within 30 days of the receipt of the application for such hearing by the judge of the Superior Court. No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form prescribed by the superintendent and shall set forth the name, residence, place of business, age, date of birth, occupation, sex and physical description, including distinguishing physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on a temporary, interim or permanent basis, giving the name and location of the institution or hospital and the dates of such confinement or commitment, whether he has been attended, treated or observed by any doctor or psychiatrist or at any hospital or mental institution on an inpatient or outpatient basis for any mental or psychiatric condition, giving the name and location of the doctor, psychiatrist, hospital or institution and the dates of such occurrence, whether he presently or ever has been a member of any organization which advocates or approves the commission of acts of force and violence to overthrow the Government of the United States or of this State, or which seeks to deny others their rights under the Constitution of
either the United States or the State of New Jersey, whether he has ever been convicted of a crime or disorderly persons offense, whether the person is subject to a restraining order issued pursuant to the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et seq.) prohibiting the person from possessing any firearm, and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. For the purpose of complying with this subsection, the applicant shall waive any statutory or other right of confidentiality relating to institutional confinement. The application shall be signed by the applicant and shall contain as references the names and addresses of two reputable citizens personally acquainted with him.

Application blanks shall be obtainable from the superintendent, from any other officer authorized to grant such permit or identification card, and from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints of the applicant and shall have them compared with any and all records of fingerprints in the municipality and county in which the applicant resides and also the records of the State Bureau of Identification and the Federal Bureau of Investigation, provided that an applicant for a handgun purchase permit who possesses a valid firearms purchaser identification card, or who has previously obtained a handgun purchase permit from the same licensing authority for which he was previously fingerprinted, and who provides other reasonably satisfactory proof of his identity, need not be fingerprinted again; however, the chief police officer or the superintendent shall proceed to investigate the application to determine whether or not the applicant has become subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. The application for the permit to purchase a handgun together with a fee of $2, or the application for the firearms purchaser identification card together with a fee of $5, shall be delivered or forwarded to the licensing authority who shall investigate the same and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants. A permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection c. of this section, whereupon the card shall be void and shall be returned within five days by the
CHAPTER 186, LAWS OF 2009

holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser identification card to the superintendent within the said five days shall be an offense under subsection a. of N.J.S.2C:39-10. Any firearms purchaser identification card may be revoked by the Superior Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipality or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the Superior Court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within five days of the date of the sale, the seller shall forward the original copy to the superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit and no more than one handgun shall be purchased within any 30-day period, but this limitation shall not apply to:

(1) a federal, State or local law enforcement officer or agency purchasing handguns for use by officers in the actual performance of their law enforcement duties;

(2) a collector of handguns as curios or relics as defined in Title 18, United States Code, section 921 (a) (13) who has in his possession a valid Collector of Curios and Relics License issued by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives;
(3) transfers of handguns among licensed retail dealers, registered wholesale dealers and registered manufacturers

(4) transfers of handguns from any person to a licensed retail dealer or a registered wholesale dealer or registered manufacturer.

(5) any transaction where the person has purchased a handgun from a licensed retail dealer and has returned that handgun to the dealer in exchange for another handgun within 30 days of the original transaction, provided the retail dealer reports the exchange transaction to the superintendent; or

(6) any transaction where the superintendent issues an exemption from the prohibition in this subsection pursuant to the provisions of section 4 of P.L.2009, c.186 (C.2C:58-3.4).

The provisions of this subsection shall not be construed to afford or authorize any other exemption from the regulatory provisions governing firearms set forth in chapter 39 and chapter 58 of Title 2C of the New Jersey Statutes.

A person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees. Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy. The person who shall so receive, or acquire said firearm shall, however, be subject to all other provisions of this chapter. If the heir or legatee of such firearm does not qualify to possess or carry it, he may retain ownership of the firearm for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent, provided that such firearm is in the custody of the chief law enforcement officer of the municipality or the superintendent during such period.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

l. Nothing in this section and in N.J.S.2C:58-2 shall apply to the sale or purchase of a visual distress signalling device approved by the United States Coast Guard, solely for possession on a private or commercial aircraft or any boat; provided, however, that no person under the age of 18
years shall purchase nor shall any person sell to a person under the age of 18 years such a visual distress signalling device.

3. N.J.S.2C:39-10 is amended to read as follows:

Violation of the regulatory provisions relating to firearms; false representation in applications.

2C:39-10. Violation of the regulatory provisions relating to firearms; false representation in applications.

a. (1) Except as otherwise provided in paragraph (2) of this subsection, any person who knowingly violates the regulatory provisions relating to manufacturing or wholesaling of firearms (section 2C:58-1), retailing of firearms (section 2C:58-2), permits to purchase certain firearms (section 2C:58-3), permits to carry certain firearms (section 2C:58-4), licenses to procure machine guns or assault firearms (section 2C:58-5), or incendiary or tracer ammunition (section 2C:58-10), except acts which are punishable under section 2C:39-5 or section 2C:39-9, is guilty of a crime of the fourth degree.

(2) A licensed dealer who knowingly violates the provisions of subparagraph (d) of paragraph (5) of subsection a. of N.J.S.2C:58-2 is a disorderly person.

b. Any person who knowingly violates the regulatory provisions relating to notifying the authorities of possessing certain items of explosives (section 2C:58-7), or of certain wounds (section 2C:58-8) is a disorderly person.

c. Any person who gives or causes to be given any false information, or signs a fictitious name or address, in applying for a firearms purchaser identification card, a permit to purchase a handgun, a permit to carry a handgun, a permit to possess a machine gun, a permit to possess an assault firearm, or in completing the certificate or any other instrument required by law in purchasing or otherwise acquiring delivery of any rifle, shotgun, handgun, machine gun, or assault firearm or any other firearm, is guilty of a crime of the third degree.

d. Any person who gives or causes to be given any false information in registering an assault firearm pursuant to section 11 of P.L.1990, c.32 (C.2C:58-12) or in certifying that an assault firearm was rendered inoperable pursuant to section 12 of P.L.1990, c.32 (C.2C:58-13) commits a crime of the fourth degree.

e. Any person who knowingly sells, gives, transfers, assigns or otherwise disposes of a firearm to a person who is under the age of 18 years,
except as permitted in section 14 of P.L.1979, c.179 (C.2C:58-6.1), is guilty of a crime of the third degree. Notwithstanding any other provision of law to the contrary, the sentence imposed for a conviction under this subsection shall include a mandatory minimum three-year term of imprisonment, during which the defendant shall be ineligible for parole.

f. Unless the recipient is authorized to possess the handgun in connection with the performance of official duties under the provisions of N.J.S.2C:39-6, any person who knowingly sells, gives, transfers, assigns or otherwise disposes of a handgun to a person who is under the age of 21 years, except as permitted in section 14 of P.L.1979, c.179 (C.2C:58-6.1), is guilty of a crime of the third degree.

g. Any person who knowingly gives or causes to be given any false information or knowingly engages in any other fraudulent conduct in applying for an exemption to purchase more than one handgun in a 30-day period in violation of the provisions of section 4 of P.L.2009, c.186 (C.2C:58-3.4) shall be guilty of a crime of the third degree. The presumption of nonimprisonment set forth in N.J.S.2C:44-1 shall not apply to persons convicted under the provisions of this subsection.

C.2C:58-3.4 Exemption on restriction of purchase of handguns.

4. a. The superintendent may grant an exemption from the restriction on the purchase of handguns set forth in subsection i. of N.J.S.2C:58-3 if the applicant demonstrates to the satisfaction of the superintendent that the applicant’s request meets one of the following conditions:

(1) The application is to purchase multiple handguns from a person who obtained the handguns through inheritance or intestacy;

(2) The applicant is a collector of handguns and has a need to purchase or otherwise receive multiple handguns in the same transaction or within a 30-day period in furtherance of the applicant’s collecting activities. As used in this paragraph, “need” shall include, but not be limited to, situations where there is a reasonable likelihood that the additional handguns sought to be purchased would not be readily available after the 30-day period, that it would not be feasible or practical to purchase the handguns separately, or that prohibiting the purchase of more than one handgun within a 30-day period would have a materially adverse impact on the applicant’s ability to enhance his collection. As used in this paragraph, “collector” shall include any person who devotes time and attention to acquiring firearms for the enhancement of the person’s collection: as curios; for inheritance; for historical, investment, training and competitive, recreational, educational, scientific, or defensive purposes; or any or other lawful related purpose. If an applicant is a member
of an organized gun club; firearms competitors organization; firearms collectors organization; or any other organization dedicated to the acquisition, preservation, or use of firearms for historical, investment, training and competitive, recreational, educational, scientific, or defensive purposes, or any other lawful related purpose, such membership shall be considered in determining whether the applicant qualifies as a collector; or

(3) The applicant participates in sanctioned handgun shooting competitions and needs to purchase or otherwise receive multiple handguns in a single transaction or within a 30-day period, and the need is related to the applicant’s competitive shooting activities, including use in or training for sanctioned competitions.

b. The applicant shall certify, on a form prescribed by the superintendent, the specific exemption sought and the particular handguns to be purchased. This form shall be submitted to the superintendent at the same time as the permit to purchase a handgun, along with any pertinent documentation supporting the need for an exemption. If the information concerning the particular handguns to be purchased is not available when the form is submitted, that information shall be provided to the superintendent as soon as practicable thereafter. The superintendent shall consider the veracity, accuracy, and completeness of the information provided in determining whether the applicant meets the requirements for an exemption pursuant to this section. In considering whether an applicant qualifies as a collector under paragraph (2) of subsection a. of this section, the superintendent shall not consider the number of guns in the applicant’s collection. In considering an exemption sought under paragraph (2) of subsection a. of this section, the superintendent shall not consider the merit or validity of the applicant’s collecting activities.

The superintendent shall not grant an exemption if he finds a reasonable likelihood that the public safety would be endangered by granting the exemption, including but not limited to instances where the applicant may be purchasing a handgun to give, sell or distribute to a person who would not qualify to purchase or otherwise acquire a handgun under the provisions of this chapter.

The exemptions set forth in this section shall not be construed and are not intended to authorize multiple handgun purchases where the sole justification set forth by the applicant is that the seller offers a discount for the purchase of more than one handgun.

c. Any person aggrieved by the denial of a request for an exemption pursuant to this paragraph may request a hearing in the Superior Court. The request for a hearing shall be made within 30 days of the denial of the
application for an exemption. The applicant shall serve a copy of his re-
quest for a hearing upon the superintendent. The hearing shall be held and
a record made thereof within 30 days of the receipt for the application for
such a hearing by the judge of the Superior Court. The judge shall grant the
request for the exemption if the judge finds that the denial of the applicant’s
request was an abuse of discretion, arbitrary or capricious, or a misappli-
cation of the requirements for an exemption as a matter of law.

d. Notwithstanding the provisions of the “Administrative Procedure
Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), the superintendent may adopt,
immediately upon filing with the Office of Administrative Law, such tem-
porary regulations as the superintendent deems necessary to implement the
provisions of P.L.2009, c.186 (C.2C:58-3.4 et al.). The regulations so
adopted shall be effective for a period not to exceed 270 days from the date
of the filing, but in no case shall those regulations be in effect one year after
the effective date of P.L.2009, c.186 (C.2C:58-3.4 et al.). The regulations
may thereafter be amended, adopted or readopted by the superintendent as
the superintendent deems necessary in accordance with the requirements of
the “Administrative Procedure Act.”

5. This act shall take effect immediately; provided however, the Su-
perintendent of State Police may take any anticipatory administrative action
prior to the effective date necessary for its timely implementation.

Approved January 12, 2010.

CHAPTER 187

AN ACT concerning certain price adjustments in local public contracts and

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

1. Section 16 of P.L.1971, c.198 (C.40A:11-16) is amended to read as
follows:

C.40A:11-16 Separate plans, specifications for work on public building; contracts.

16. a. In the preparation of plans and specifications for the construc-
tion, alteration or repair of any public building by any contracting unit,
when the entire cost of the work will exceed the bid threshold, the architect, engineer or other person preparing the plans and specifications may prepare separate plans and specifications for:

1. The plumbing and gas fitting and all kindred work;
2. Steam power plants, steam and hot water heating and ventilating apparatus and all kindred work;
3. Electrical work;
4. Structural steel and ornamental iron work; and
5. All other work required for the completion of the project.

The contracting agent shall advertise for and receive, in the manner provided by law, either (a) separate bids for each of said branches of work, or (b) bids for all the work, goods and services required to complete the building to be included in a single overall contract, or (c) both. In the case of a single bid under (b) or (c), there shall be set forth in the bid the name or names of all subcontractors to whom the bidder will subcontract the furnishing of plumbing and gas fitting, and all kindred work, and of the steam and hot water heating and ventilating apparatus, steam power plants and kindred work, and electrical work, structural steel and ornamental iron work, each of which subcontractors shall be qualified in accordance with P.L.1971, c.198 (C.40A:11-1 et seq.). The contracting unit shall require evidence of performance security to be submitted simultaneously with the list of the subcontractors. Evidence of performance security may be supplied by the bidder on behalf of himself and any or all subcontractors, or by each respective subcontractor, or by any combination thereof which results in evidence of performance security equaling, but in no event exceeding, the total amount bid.

b. Whenever a bid sets forth more than one subcontractor for any of the specialty trade categories (1) through (4) specified in subsection a. of this section, the bidder shall submit to the contracting unit a certificate signed by the bidder listing each subcontractor named in the bid for that category. The certificate shall set forth the scope of work, goods and services for which the subcontractor has submitted a price quote and which the bidder has agreed to award to each subcontractor should the bidder be awarded the contract. The certificate shall be submitted to the contracting unit simultaneously with the list of the subcontractors. The certificate may take the form of a single certificate listing all subcontractors or, alternatively, a separate certificate may be submitted for each subcontractor. If a bidder does not submit a certificate or certificates to the contracting unit, the contracting unit shall award the contract to the next lowest responsible bidder.
c. Contracts shall be awarded to the lowest responsible bidder. In the event that a contract is advertised for both separate bids for each branch of work and for bids for all work, goods, and services, said contract shall be awarded in the following manner: If the sum total of the amounts bid by the lowest responsible bidder for each branch is less than the amount bid by the lowest responsible bidder for all the work, goods and services, the contracting unit shall award separate contracts for each of such branches to the lowest responsible bidder therefor, but if the sum total of the amounts bid by the lowest responsible bidder for each branch is not less than the amount bid by the lowest responsible bidder for all the work, goods and services, the contracting unit shall award a single overall contract to the lowest responsible bidder for all of such work, goods and services. In every case in which a contract is awarded for a single overall contract, all payments required to be made under such contract for work, goods and services supplied by a subcontractor shall, upon the certification of the contractor of the amount due to the subcontractor, be paid directly to the subcontractor.

d. Any bid specification prepared pursuant to this section that includes the use of 1,000 or more tons of hot mix asphalt, shall include a pay item for any asphalt price adjustment reflecting changes in the cost of asphalt cement. Any bid specification prepared pursuant to this section that includes the use of less than 1,000 tons of hot mix asphalt, shall include a pay item for an asphalt price adjustment for any quantity of hot mix asphalt exceeding 1,000 tons that may be used in the work in the event that performance of the work, including change orders, requires more than 1,000 tons of hot mix asphalt.

The asphalt price adjustment shall be calculated in accordance with the formula and relevant instructions published in the most recent edition of the New Jersey Department of Transportation Standard Specifications for Road and Bridge Construction as revised by the "Standard Inputs" periodically issued by the department. All invoices for payment shall be accompanied by the calculation of any asphalt price adjustment and a showing of the current month's Asphalt Price Index, the Basic Asphalt Price Index.

e. (1) Every bid specification prepared pursuant to this section may be eligible for a fuel price adjustment. Fuel that is eligible for a fuel price adjustment shall be the sum of the quantities of the eligible pay items in the contract times the fuel usage factors as determined by the Department of Transportation. The types of fuel furnished shall be at the option of the contractor.

(2) The fuel requirement for items not determined by the Department of Transportation to be eligible, and for pay items in the bid specifications
calling for less than 500 gallons of fuel, shall not be eligible for a fuel price adjustment. If more than one pay item has the same nomenclature but with different thicknesses, depths, or types, each individual pay item must require 500 gallons or more of fuel to be eligible for a fuel price adjustment. If more than one pay item has the exact same nomenclature, similar pay items shall be combined and this combination must require 500 gallons or more of fuel to be eligible for the fuel price adjustment.

(3) Fuel price adjustments shall not be made in those months for which the monthly fuel price index has changed by less than five percent from the basic fuel price.

f. As used in subsections d. and e. of this section:

"Asphalt Price Index" means the Asphalt Price Index as determined and published by the New Jersey Department of Transportation.

"Basic Asphalt Price Index" means the Basic Asphalt Price Index as published by the New Jersey Department of Transportation in its "Standard Specifications for Road and Bridge Construction," as revised by the "Standard Inputs" periodically issued by the New Jersey Department of Transportation.

"Fuel Price Index" means the Fuel Price Index as determined and published by the New Jersey Department of Transportation.

"Pay Item" means a specifically described item of work for which the bidder provides a per unit or lump sum price in a bid specification as determined and published by the New Jersey Department of Transportation.

2. This act shall take effect on the first day of the fourth month next following the date of enactment.

Approved January 12, 2010.

CHAPTER 188

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:52-2 is amended to read as follows:
Indictable offenses.

2C:52-2. Indictable Offenses.

a. In all cases, except as herein provided, wherein a person has been convicted of a crime under the laws of this State and who has not been convicted of any prior or subsequent crime, whether within this State or any other jurisdiction, and has not been adjudged a disorderly person or petty disorderly person on more than two occasions may, after the expiration of a period of 10 years from the date of his conviction, payment of fine, satisfactory completion of probation or parole, or release from incarceration, whichever is later, present a duly verified petition as provided in section 2C:52-7 to the Superior Court in the county in which the conviction was entered praying that such conviction and all records and information pertaining thereto be expunged.

Notwithstanding the provisions of the preceding paragraph, a petition may be filed and presented, and the court may grant an expungement pursuant to this section, although less than 10 years has expired in accordance with the requirements of the preceding paragraph where the court finds:

(1) less than 10 years has expired from the satisfaction of a fine, but the 10-year time requirement is otherwise satisfied, and the court finds that the person substantially complied with any payment plan ordered pursuant to N.J.S.2C:46-1 et seq., or could not do so due to compelling circumstances affecting his ability to satisfy the fine; or

(2) at least five years has expired from the date of his conviction, payment of fine, satisfactory completion of probation or parole, or release from incarceration, whichever is later; the person has not been convicted of a crime, disorderly persons offense, or petty disorderly persons offense since the time of the conviction; and the court finds in its discretion that expungement is in the public interest, giving due consideration to the nature of the offense, and the applicant's character and conduct since conviction.

In determining whether compelling circumstances exist for the purposes of paragraph (1) of this subsection, a court may consider the amount of the fine or fines imposed, the person's age at the time of the offense, the person's financial condition and other relevant circumstances regarding the person's ability to pay.

Although subsequent convictions for no more than two disorderly or petty disorderly offenses shall not be an absolute bar to relief, the nature of those conviction or convictions and the circumstances surrounding them shall be considered by the court and may be a basis for denial of relief if they or either of them constitute a continuation of the type of unlawful activity embodied in the criminal conviction for which expungement is sought.
b. Records of conviction pursuant to statutes repealed by this Code for the crimes of murder, manslaughter, treason, anarchy, kidnapping, rape, forcible sodomy, arson, perjury, false swearing, robbery, embracery, or a conspiracy or any attempt to commit any of the foregoing, or aiding, assisting or concealing persons accused of the foregoing crimes, shall not be expunged.

Records of conviction for the following crimes specified in the New Jersey Code of Criminal Justice shall not be subject to expungement: Section 2C:11-1 et seq. (Criminal Homicide), except death by auto as specified in section 2C:11-5; section 2C:13-1 (Kidnapping); section 2C:13-6 (Luring or Enticing); section 1 of P.L.2005, c.77 (C.2C:13-8) (Human Trafficking); section 2C:14-2 (Aggravated Sexual Assault); section 2C:14-3a (Aggravated Criminal Sexual Contact); if the victim is a minor, section 2C:14-3b (Criminal Sexual Contact); if the victim is a minor and the offender is not the parent of the victim, section 2C:13-2 (Criminal Restraint) or section 2C:13-3 (False Imprisonment); section 2C:15-1 (Robbery); section 2C:17-1 (Arson and Related Offenses); section 2C:24-4a. (Endangering the welfare of a child by engaging in sexual conduct which would impair or debauch the morals of the child); section 2C:24-4b(4) (Endangering the welfare of a child); section 2C:24-4b. (3) (Causing or permitting a child to engage in a prohibited sexual act); section 2C:24-4b.(5)(a) (Selling or manufacturing child pornography); section 2C:28-1 (Perjury); section 2C:28-2 (False Swearing); section 2C:34-1b.(4) (Knowingly promoting the prostitution of the actor’s child); section 2 of P.L.2002, c.26 (C.2C:38-2) (Terrorism); sub-section a. of section 3 of P.L.2002, c.26 (C.2C:38-3) (Producing or Possessing Chemical Weapons, Biological Agents or Nuclear or Radiological Devices); and conspiracies or attempts to commit such crimes.

Records of conviction for any crime committed by a person holding any public office, position or employment, elective or appointive, under the government of this State or any agency or political subdivision thereof and any conspiracy or attempt to commit such a crime shall not be subject to expungement if the crime involved or touched such office, position or employment.

c. In the case of conviction for the sale or distribution of a controlled dangerous substance or possession thereof with intent to sell, expungement shall be denied except where the crimes involve:

(1) Marijuana, where the total quantity sold, distributed or possessed with intent to sell was 25 grams or less;

(2) Hashish, where the total quantity sold, distributed or possessed with intent to sell was five grams or less; or
(3) Any controlled dangerous substance provided that the conviction is of the third or fourth degree, where the court finds that expungement is consistent with the public interest, giving due consideration to the nature of the offense and the petitioner's character and conduct since conviction.

d. In the case of a State licensed physician or podiatrist convicted of an offense involving drugs or alcohol or pursuant to section 14 or 15 of P.L.1989, c.300 (C.2C:21-20 or 2C:21-4.1), the court shall notify the State Board of Medical Examiners upon receipt of a petition for expungement of the conviction and records and information pertaining thereto.

2. Section 1 of P.L.1980, c.163 (C.2C:52-4.1) is amended to read as follows:

C.2C:52-4.1 Juvenile delinquent; expungement of adjudications and charges.

1. a. Any person adjudged a juvenile delinquent may have such adjudication expunged as follows:

(1) Pursuant to N.J.S.2C:52-2, if the act committed by the juvenile would have constituted a crime if committed by an adult;

(2) Pursuant to N.J.S.2C:52-3, if the act committed by the juvenile would have constituted a disorderly or petty disorderly persons offense if committed by an adult; or

(3) Pursuant to N.J.S.2C:52-4, if the act committed by the juvenile would have constituted an ordinance violation if committed by an adult.

For purposes of expungement, any act which resulted in a juvenile being adjudged a delinquent shall be classified as if that act had been committed by an adult.

b. Additionally, any person who has been adjudged a juvenile delinquent may have his entire record of delinquency adjudications expunged if:

(1) Five years have elapsed since the final discharge of the person from legal custody or supervision or 5 years have elapsed after the entry of any other court order not involving custody or supervision, except that periods of post-incarceration supervision pursuant to section 25 of P.L.1982, c.77 (C.2A:4A-44), shall not be considered in calculating the five-year period for purposes of this paragraph;

(2) He has not been convicted of a crime, or a disorderly or petty disorderly persons offense, or adjudged a delinquent, or in need of supervision, during the 5 years prior to the filing of the petition, and no proceeding or complaint is pending seeking such a conviction or adjudication, except that periods of post-incarceration supervision pursuant to section 25 of
P.L.1982, c.77 (C.2A:4A-44), shall not be considered in calculating the five-year period for purposes of this paragraph;

(3) He was never adjudged a juvenile delinquent on the basis of an act which if committed by an adult would constitute a crime not subject to expungement under N.J.S.2C:52-2;

(4) He has never had an adult conviction expunged; and

(5) He has never had adult criminal charges dismissed following completion of a supervisory treatment or other diversion program.

c. Any person who has been charged with an act of delinquency and against whom proceedings were dismissed may have the filing of those charges expunged pursuant to the provisions of N.J.S.2C:52-6.

3. N.J.S.2C:52-14 is amended to read as follows:

Grounds for denial of relief.

2C:52-14. A petition for expungement filed pursuant to this chapter shall be denied when:

a. Any statutory prerequisite, including any provision of this chapter, is not fulfilled or there is any other statutory basis for denying relief.

b. The need for the availability of the records outweighs the desirability of having a person freed from any disabilities as otherwise provided in this chapter. An application may be denied under this subsection only following objection of a party given notice pursuant to 2C:52-10 and the burden of asserting such grounds shall be on the objector, except that in regard to expungement sought for third or fourth degree drug offenses pursuant to paragraph (3) of subsection c. of N.J.S.2C:52-2, the court shall consider whether this factor applies regardless of whether any party objects on this basis.

c. In connection with a petition under section 2C:52-6, the acquittal, discharge or dismissal of charges resulted from a plea bargaining agreement involving the conviction of other charges. This bar, however, shall not apply once the conviction is itself expunged.

d. The arrest or conviction sought to be expunged is, at the time of hearing, the subject matter of civil litigation between the petitioner or his legal representative and the State, any governmental entity thereof or any State agency and the representatives or employees of any such body.

e. A person has had a previous criminal conviction expunged regardless of the lapse of time between the prior expungement, or sealing under prior law, and the present petition. This provision shall not apply:

(1) When the person is seeking the expungement of a municipal ordinance violation or,
(2) When the person is seeking the expungement of records pursuant to section 2C:52-6.

f. The person seeking the relief of expungement of a conviction for a disorderly persons, petty disorderly persons, or criminal offense has prior to or subsequent to said conviction been granted the dismissal of criminal charges following completion of a supervisory treatment or other diversion program.

4. This act shall take effect on the 60th day after enactment.

Approved January 12, 2010.

CHAPTER 192, LAWS OF 2009

CHAPTER 192

AN ACT concerning distributing, dispensing or possessing controlled dangerous substances on or near school property, supplementing Title 2C of the New Jersey Statutes, and amending P.L.1987, c.101.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1987, c.101 (C.2C:35-7) is amended to read as follows:

C.2C:35-7 Distribution on or within 1,000 feet of school property.
1. a. Any person who violates subsection a. of N.J.S.2C:35-5 by distributing, dispensing or possessing with intent to distribute a controlled dangerous substance or controlled substance analog while on any school property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or within 1,000 feet of such school property or a school bus, or while on any school bus, is guilty of a crime of the third degree and shall, except as provided in N.J.S.2C:35-12, be sentenced by the court to a term of imprisonment. Where the violation involves less than one ounce of marijuana, the term of imprisonment shall include the imposition of a minimum term which shall be fixed at, or between, one-third and one-half of the sentence imposed, or one year, whichever is greater, during which the defendant shall be ineligible for parole. In all other cases, the term of imprisonment shall include the imposition of a minimum term which shall be fixed at, or between, one-third and one-half of the sentence imposed, or three years, whichever is greater, during which the defendant shall be ineligible for parole. Notwithstanding the provisions of subsection b. of N.J.S.2C:43-3, a fine of up to $150,000 may also be imposed upon any conviction for a violation of this section.

b. (1) Notwithstanding the provisions of N.J.S.2C:35-12 or subsection a. of this section, the court may waive or reduce the minimum term of parole ineligibility required under subsection a. of this section or place the defendant on probation pursuant to paragraph (2) of subsection b. of N.J.S.2C:43-2. In making this determination, the court shall consider:
(a) the extent of the defendant’s prior criminal record and the seriousness of the offenses for which the defendant has been convicted;
(b) the specific location of the present offense in relation to the school property, including distance from the school and the reasonable likelihood of exposing children to drug-related activities at that location;

(c) whether school was in session at the time of the offense; and

(d) whether children were present at or in the immediate vicinity of the location when the offense took place.

(2) The court shall not waive or reduce the minimum term of parole ineligibility or sentence the defendant to probation if it finds that:

(a) the offense took place while on any school property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or while on any school bus; or

(b) the defendant in the course of committing the offense used or threatened violence or was in possession of a firearm.

If the court at sentencing elects not to impose a minimum term of imprisonment and parole ineligibility pursuant to this subsection, imposes a term of parole ineligibility less than the minimum term prescribed in subsection a. of this section, or places the defendant on probation for a violation of subsection a. of this section, the sentence shall not become final for 10 days in order to permit the prosecution to appeal the court's finding and the sentence imposed. The Attorney General shall develop guidelines to ensure the uniform exercise of discretion in making determinations regarding whether to appeal a decision to waive or reduce the minimum term of parole ineligibility or place the defendant on probation.

Nothing in this subsection shall be construed to establish a basis for overcoming a presumption of imprisonment authorized or required by subsection d. of N.J.S.2C:44-1, or a basis for not imposing a term of imprisonment or term of parole ineligibility authorized or required to be imposed pursuant to subsection f. of N.J.S.2C:43-6 or upon conviction for a crime other than the offense set forth in this subsection.

c. Notwithstanding the provisions of N.J.S.2C:1-8 or any other provisions of law, a conviction arising under this section shall not merge with a conviction for a violation of subsection a. of N.J.S.2C:35-5 (manufacturing, distributing or dispensing) or N.J.S.2C:35-6 (employing a juvenile in a drug distribution scheme).

d. It shall be no defense to a prosecution for a violation of this section that the actor was unaware that the prohibited conduct took place while on or within 1,000 feet of any school property. Nor shall it be a defense to a prosecution under this section, or under any other provision of this title, that no juveniles were present on the school property at the time of the offense or that the school was not in session.
e. It is an affirmative defense to prosecution for a violation of this section that the prohibited conduct took place entirely within a private residence, that no person 17 years of age or younger was present in such private residence at any time during the commission of the offense, and that the prohibited conduct did not involve distributing, dispensing or possessing with the intent to distribute or dispense any controlled dangerous substance or controlled substance analog for profit. The affirmative defense established in this section shall be proved by the defendant by a preponderance of the evidence. Nothing herein shall be construed to establish an affirmative defense with respect to a prosecution for an offense defined in any other section of this chapter.

f. In a prosecution under this section, a map produced or reproduced by any municipal or county engineer for the purpose of depicting the location and boundaries of the area on or within 1,000 feet of any property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or a true copy of such a map, shall, upon proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas, provided that the governing body of the municipality or county has adopted a resolution or ordinance approving the map as official finding and record of the location and boundaries of the area or areas on or within 1,000 feet of the school property. Any map approved pursuant to this section may be changed from time to time by the governing body of the municipality or county. The original of every map approved or revised pursuant to this section, or a true copy thereof, shall be filed with the clerk of the municipality or county, and shall be maintained as an official record of the municipality or county. Nothing in this section shall be construed to preclude the prosecution from introducing or relying upon any other evidence or testimony to establish any element of this offense; nor shall this section be construed to preclude the use or admissibility of any map or diagram other than one which has been approved by the governing body of a municipality or county, provided that the map or diagram is otherwise admissible pursuant to the Rules of Evidence.

C.2C:35-7a Review of sentence by court.

2. Notwithstanding any court rule limiting the time period within which a motion to reduce or change a sentence may be filed, any person who, on the effective date of this act, is serving a mandatory minimum sentence as provided by section 1 of P.L.1987, c.101 (C.2C:35-7) and who has not had his sentence suspended or been paroled or discharged may move to have his sentence reviewed by the court. If the court finds that the sentence
under review does not serve the interests of justice, the judge may re-
sentence the defendant pursuant to subsection b. of section 1 of P.L.1987,
c.101 (C.2C:35-7). In determining whether the sentence under review
serves the interests of justice, the court shall consider all relevant circum-
stances, including whether the defendant pleaded guilty pursuant to a nego-
tiated agreement, and whether the prosecution has agreed to dismiss one or
more charges which, upon conviction, would have subjected the defendant
to the presumption of imprisonment under subsection d. of N.J.S.2C:44-1.
The determination by the court shall not be subject to appeal.

3. This act shall take effect immediately and also shall apply to any
case pending on the date of enactment.

Approved January 12, 2010.

No special State officer or employee without responsibility for matters affecting casino activity, excluding those serving in the Departments of Education, Health and Senior Services, and Human Services and the Commission on Higher Education, shall hold, directly or indirectly, an interest in, or represent, appear for, or negotiate on behalf of, any holder of, or applicant for, a casino license, or any holding or intermediary company with respect thereto, in connection with any cause, application, or matter. (1) a member of the immediate family of a person may hold employment with the holder of, or applicant for, a casino license if, in the judgment of the State Ethics Commission, the Joint Legislative Committee on Ethical Standards, or the Supreme Court, as appropriate, such employment will not interfere with the responsibilities of the person and will not create a conflict of interest, or reasonable risk of the public perception of a conflict of interest, on the part of the person;

In no case shall the restrictions of this subsection apply to a secretarial or clerical employee. Nothing herein contained shall alter or amend the post-employment restrictions applicable to members and employees of the Casino Control Commission and employees and agents of the Division of Gaming Enforcement pursuant to subsection e. No person shall influence, or attempt to influence, by use of his official authority, the decision of the commission or the investigation of the division in any application for licensure or in any proceeding to enforce the provisions of this act or the regulations of the commission. Any such attempt shall be promptly reported to the Attorney General; provided, however, that nothing in this section shall be deemed to proscribe a request for information by any person concerning the status of any application for licensure or any proceeding to enforce the provisions of this act or the regulations of the commission.

h. Any person who willfully violates the provisions of this section is a disorderly person and shall be subject to a fine not to exceed $1,000, or imprisonment not to exceed six months, or both.

C.34:1A-1.12 Commissioner's actions relative to employer violations.

2. a. If the commissioner determines that an employer has failed, for one or more of its employees, to maintain and report every record regarding wages, benefits and taxes which the employer is required to maintain and report pursuant to State wage, benefit and tax laws, as defined in section 1 of this act, and has, in connection with that failure to maintain or report the records, failed to pay wages, benefits, taxes or other contributions or assessments as required by those laws, the commissioner shall, as an alternative to, or in addition to, any other actions taken in the enforcement of those laws, notify the employer of the determination and have an audit of the employer and any successor firm of the employer conducted not more than 12 months after the determination.

d. Upon receipt of any written determination of the commissioner directing an agency to suspend or revoke a license pursuant to this section, and notwithstanding any other law, the agency shall immediately suspend or revoke the license.

e. In instances where an employee leasing company has entered into an employee leasing agreement with a client company pursuant to P.L.2001, c.260 (C.34:8-67 et seq.), any written determination by the commissioner directing agencies to suspend an employer license pursuant to subsection b. of this section, or revoke an employer license pursuant to subsection c. of this section, for a failure or continued failure to keep records regarding, and to pay, wages, benefits and taxes pursuant to State wage, benefit and tax laws, shall be for the suspension or revocation of the licenses of the client company and not the licenses of the employee leasing company if the commissioner determines that the failure or continued failure was caused by incomplete, inaccurate, misleading, or false information provided to the employee leasing company by the client company. Nothing in this subsection shall be construed as diminishing or limiting the authority or obligation of the commissioner to rescind the registration of an employee leasing company pursuant to the provisions of section 10 of P.L.2001, c.260 (C.34:8-76).

C.34:1A-1.13 Presumption of successor firm.
3. A rebuttable presumption that an employer has established a successor firm shall arise if the two parties share two or more of the following capacities or characteristics:
   a. Performing similar work within the same geographical area;
   b. Occupying the same premises;
   c. Having the same telephone or fax number;
   d. Having the same e-mail address or Internet website;
   e. Employing substantially the same work force, administrative employees, or both;
   f. Utilizing the same tools, equipment or facilities;
   g. Employing or engaging the services of any person or persons involved in the direction or control of the other; or
   h. Listing substantially the same work experience.

C.34:1A-1.14 Notification of employer responsibility relative to record maintenance.
4. a. Each employer which is required to maintain and report records regarding wages, benefits, taxes and other contributions and assessments pursuant to State wage, benefit and tax laws, as defined in section 1 of this
act, shall conspicuously post notification, in a place or places accessible to all employees in each of the employer's workplaces, in a form issued by regulation adopted by the commissioner, of the obligation of the employer to maintain and report those records. The employer shall also provide each employee a written copy of the notification not later than 30 days after the form of the notification is issued, or, if the employee is hired after the issuance, at the time of the employee's hiring. In adopting the regulation regarding the notification requirement, the commissioner shall, to the greatest extent practicable, design the notification in a manner which coordinates or consolidates the notification with any other notifications required pursuant to State wage, benefit and tax laws, as defined in section 1 of this act. The notification shall also provide information on how an employee or the employee's authorized representative, may contact, by telephone, mail and e-mail, a representative of the commissioner to provide information to, or file a complaint with, the representative regarding possible violations of the requirements of this act or any State wage, benefit and tax law, as defined in section 1 of this act, or may obtain information about any actual violation, including any audit undertaken pursuant to this act.

b. No employer shall discharge or in any other manner discriminate against an employee because the employee has made an inquiry or complaint to his employer, to the commissioner or to his authorized representative regarding any possible violation by the employer of the provisions of this act or any State wage, benefit and tax laws, as defined in section 1 of this act, or because the employee has caused to be instituted or is about to cause to be instituted any proceeding under or related to this act or those laws, or because the employee has testified or is about to testify in the proceeding.

c. Any employer who violates any provision of this section shall be guilty of a disorderly persons offense and shall, upon conviction, be fined not less than $100 nor more than $1,000. In the case of a discharge or other discriminatory action in violation of this section, the employer shall also be required to offer reinstatement in employment to the discharged employee and to correct any discriminatory action, and to pay to the employee all reasonable legal costs of the action, all wages and benefits lost as a result of the discharge or discriminatory action, plus punitive damages equal to two times the lost wages and benefits, under penalty of contempt proceedings for failure to comply with the requirement.

5. This act shall take effect on the 180th day after the date of enactment, except that the Commissioner of Labor and Workforce Development
shall take any anticipatory administrative action in advance of the effective
date as is necessary for the implementation of this act. Concerns suspension and revocation of employer licenses for repeated violations of wage,
benefit and tax laws.

CHAPTER 195

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.
(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 27/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C.s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.
(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.
(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C.s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

1. 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);
2. 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
3. 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
4. 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
5. 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
6. 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
7. 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
8. 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

1. 4%, if such excess is less than 10% of his average annual payroll;
2. 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates.

(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

   if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and

   if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.

(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S.43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.
If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as
amended (42 U.S.C. s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(iii) (Deleted by amendment, P.L.2003, c.107).
(iv) (Deleted by amendment, P.L.2004, c.45).
(v) (Deleted by amendment, P.L.2008, c.17).
(vi) With respect to experience rating years beginning on or after July 1, 2004, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph (4) of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than
3.5%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On and after January 1, 1998 until December 31, 2000 and on or after January 1, 2002 until June 30, 2006, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor, as set out below, computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

From January 1, 2006 until June 30, 2006, a factor of 34%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(K) With respect to experience rating years beginning on or after July 1, 2009, if the fund reserve ratio, based on the fund balance as of the prior March 31, is:

(1) Equal to or greater than 5.00% but less than 7.5%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 25% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under.

(2) Equal to or greater than 7.5% but less than 10.0%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 50% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made, except that, following a transfer as described under R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time
within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, liable for a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. The successor in interest may, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, request a reconsideration of the transfer of employment experience of the predecessor employer. The request for reconsideration shall demonstrate, to the satisfaction of the controller, that the employment experience of the predecessor is not indicative of the future employment experience of the successor.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.
(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(D) If an employer transfers in whole or in part his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise and both the employer and successor in interest are at the time of the transfer under common ownership, management or control, then the employment experience attributable to the transferred business shall also be transferred to and combined with the employment experience of the successor in interest. The transfer of the employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a successor in interest shall become effective as of the first day of the calendar quarter following the acquisition by the successor in interest. As of the effective date, the successor in interest shall have its employer rate recalculated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.

(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions.

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any gov-
ernmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et al.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)
(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages
paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing
or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) (i) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with
respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or non-governmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(ii) Each worker shall contribute to the State disability benefits fund, in addition to any amount contributed pursuant to subparagraph (i) of this paragraph (1)(G), an amount equal to, during calendar year 2009, 0.09%, and during calendar year 2010 0.12%, of wages paid with respect to the worker's employment with any covered employer, including a governmental employer which is an employer as defined under R.S.43:21-19(h)(5), unless the employer is covered by an approved private disability plan for benefits during periods of family temporary disability leave. The contributions made pursuant to this subparagraph (ii) to the State disability benefits fund shall be deposited into an account of that fund reserved for the payment of benefits during periods of family temporary disability leave as defined in section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27) and for the administration of those payments and shall not be used for any other purpose. This account shall be known as the "Family Temporary Disability Leave Account." For calendar year 2011 and each subsequent calendar year, the annual rate of contribution to be paid by workers pursuant to this subparagraph (ii) shall be the rate necessary to obtain a total amount of contributions equal to 125% of the benefits paid for periods of family temporary disability leave during the immediately preceding calendar year plus an amount equal to 100% of the cost of administration of the payment of those benefits during the immediately preceding calendar year, less the amount of net assets remaining in the account as of December 31 of the immediately preceding year. Necessary administrative costs shall include the cost of an outreach program to inform employees of the availability of the benefits and the cost of issuing the reports required or permitted pursuant to section 13 of P.L.2008, c.17 (C.43:21-39.4). No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, with the sole exception that, during calendar years 2008 and 2009, a total amount not exceeding $25 million may be transferred to that account from the revenues received in the State disability benefits fund pursuant to subparagraph (i) of this paragraph (1)(G) and be expended for those payments and their administration,
including the administration of the collection of contributions made pursuant to this subparagraph (ii) and any other necessary administrative costs. Any amount transferred to the account pursuant to this subparagraph (ii) shall be repaid during a period beginning not later than January 1, 2011 and ending not later than December 31, 2015. No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used under any circumstances after December 31, 2009, for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, including for the administration of the collection of contributions made pursuant to this subparagraph (ii).

(3) (A) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the
total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(B) If an employee receives wages from more than one employer during any calendar year, and the sum of his contributions deposited in the "Family Temporary Disability Leave Account" of the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of family temporary disability leave benefits under one or more approved private plans under the provisions of the "Temporary Disability Benefits Law" (C.43:21-25 et seq.) and deducted from his wages, exceeds an amount equal to, during calendar year 2009, 0.09% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3), or during calendar year 2010, 0.12% of those wages, or, during calendar year 2011 or any subsequent calendar year, the percentage of those wages set by the annual rate of contribution determined by the Commissioner of Labor and Workforce Development pursuant to subparagraph (ii) of paragraph (1)(G) of this subsection (d), the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to the refund. The refund shall be made by the controller from the "Family Temporary Disability Leave Account" of the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of the refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33), with that determination based upon the ratio of the amount of such wages exempt from contributions to the fund, as provided in paragraph (1)(B) of this subsection (d) with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the "Family Temporary Disability Leave Account" of the State disability benefits fund, as provided in sub-
paragraph (ii) of paragraph (1)(G) of this subsection (d). The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the prorated amount. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the "Family Temporary Disability Leave Account" of the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et al.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et al.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et al.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.
(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accu-
mulated in the account of the State of New Jersey and establish a rate for the
next following fiscal year which, in combination with worker contributions,
will produce sufficient revenue to keep the account in balance; except that the
rate so established shall not be less than 1/10 of 1%. Such contributions shall
become due and be paid by the employer to the controller for the State disa-

bility benefits fund as established by law, in accordance with such regula-
tions as may be prescribed, and shall not be deducted, in whole or in part,
from the remuneration of individuals in his employ. In the payment of any
contributions, a fractional part of a cent shall be disregarded unless it
amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved
private plan of disability benefits under the "Temporary Disability Bene-
fits Law," the employer shall be exempt from the contributions required by
paragraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in paragraph (1) above
shall be subject to modification as provided herein with respect to employer
contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each
employer required to contribute to the State disability benefits fund and
such account shall be credited with contributions deposited in and credited
to such fund with respect to employment occurring on and after January 1,
1949. Each employer's account shall be credited with all contributions paid
on or before January 31 of any calendar year on his own behalf and on be-
half of individuals in his service with respect to employment occurring in
preceding calendar years; provided, however, that if January 31 of any cal-
endar year falls on a Saturday or Sunday an employer's account shall be
credited as of January 31 of such calendar year with all the contributions
which he has paid on or before the next succeeding day which is not a Sat-

urday or Sunday. But nothing in this act shall be construed to grant any
employer or individuals in his service prior claims or rights to the amounts
paid by him to the fund either on his own behalf or on behalf of such indi-
viduals. Benefits paid to any covered individual in accordance with Article
III of the "Temporary Disability Benefits Law" on or before December 31
of any calendar year with respect to disability in such calendar year and in
preceding calendar years shall be charged against the account of the em-
ployer by whom such individual was employed at the commencement of
such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment,
maintenance, and dissolution of joint accounts by two or more employers,
and shall, in accordance with such regulations and upon application by two
or more employers to establish such an account, or to merge their several
individual accounts in a joint account, maintain such joint account as if it
constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a
preliminary determination of the rate of contribution for the 12 months
commencing on such July 1 for each employer subject to the contribution
requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding
January 31 of such year such employer shall have been a covered employer
who has paid contributions to the State disability benefits fund with respect
to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and
the credited contributions exceed the benefits charged by more than
$500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than
1 1/4% of his average annual payroll as defined in this chapter (R.S.43:21-1
et al.);

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1
1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2%
of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and
the contributions credited exceed the benefits charged but by not more than

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in subparagraph (D) hereof, as follows:

(i) If the percentage determined in accordance with subparagraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in subparagraph (D) hereof, except that if the employer's preliminary rate is determined as provided in subparagraph (D)(2) or subparagraph (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1 1/10 of 1%.

(ii) If the percentage determined in accordance with subparagraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with subparagraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in subparagraph (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose
preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in subparagraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

c. The term of any person in office on the date of the adoption of such an ordinance shall be extended until the beginning of the term of the person elected to that office on the day of the general election in November.

c. follow such provisions of the "Uniform Nonpartisan Elections Law," P.L.1981, c.379 (C.40:45-5 et seq.) as the clerk may deem feasible.

CHAPTER 199

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:15D-21.1 Short title.
1. This act shall be known and may be cited as the “New Jersey Basic Skills Training Program for Economic Growth Act.”

C.34:15D-21.2 Findings, declarations relative to the basic skills training program.
2. The Legislature finds and declares that:
   a. A skilled workforce is one of the most critical issues to New Jersey businesses and the State’s economic competitiveness, and, unfortunately, the basic computer, mathematics, communications and English skills of many New Jersey workers is less than what employers require for success;
   b. In 2007, a public-private partnership formed between the New Jersey Department of Labor and Workforce Development, the New Jersey Community College Consortium for Workforce and Economic Development, and the New Jersey Business and Industry Association to provide basic skills training
with more flexibility to businesses throughout the State by means of a grant from the Supplemental Workforce Fund for Basic Skills;

e. During the first two years of this training program, 750 employers sent almost 10,000 enrollees to be trained, significantly more than any other single New Jersey Department of Labor and Workforce Development grant program;

d. This program was successful in reaching so many more workers and businesses because of its flexibility, in not requiring employers to complete any paperwork or financial disclosure, not charging them for the training, other than requiring that they pay their employees while they are trained, and not requiring every class to have a minimum of ten employees from a single employer;

e. Credit for this flexibility and the program’s success should be given to Governor Jon S. Corzine, Commissioner David J. Socolow and the grant staff at the New Jersey Department of Labor and Workforce Development, because they understood that the focus of this grant should be on training as many workers as possible and not on fitting within previous grant structures and traditions, and without them, 750 businesses would not have been helped and 10,000 enrollees would not have been trained;

f. This program has been positive for all those involved: the employees receiving portable training and skills; the employers improving their workforce; the community colleges being optimally utilized to provide the most effective and efficient method of training; and the State positively contributing to workers, businesses and economic development with no new costs; and

g. Legislation is needed to ensure that the success of this program and the flexibilities afforded it by the Governor and commissioner are made permanent in the statutes.

3. Section 1 of P.L.2001, c.152 (C.34:15D-21) is amended to read as follows:

C.34:15D-21 “Supplemental Workforce Fund for Basic Skills."

b. Any grant provided in connection with paragraph (3) of subsection a. of this section directly to an employer or to an employer through a consortium shall be regarded as a customized training grant and shall be administered by the Office of Customized Training and the employer and consortium shall comply with all requirements of section 5 of P.L.1992, c.43 (C.34:15D-5), except that any grants provided directly or indirectly to an employer for use in connection with any program which includes apprenticeship training or activities or preparation for entry into apprenticeship training shall be exempt from the requirement of this subsection b. to be administered by the Office of Customized Training and be subject to the requirements of section 5 of P.L.1992, c.43 (C.34:15D-5), if it is approved by the Apprenticeship Policy Committee, as defined in section 3 of P.L.1993, c.268 (C.34:15E-3), and the employer complies with the provisions of subsection e. of section 5 of P.L.1993, c.268 (C.34:15E-5). Also, any funds provided in connection with paragraph (4) of subsection a. of this section shall be provided to the New Jersey Community College Consortium for Workforce and Economic Development by the Office of Customized Training, and shall comply with the following requirements:

(3) The employers sending their employees to this training shall not be asked to provide any paperwork or complete any financial disclosure forms, including a tax clearance certificate as provided in section 1 of P.L.2007, c.101 (C.54:50-39), except that employers shall provide the employees participating in the training with the information that the employees need to comply with paragraph (4) of this subsection, and shall provide the New Jersey Community College Consortium for Workforce and Economic Development with the information the employer has regarding its participating employees that the consortium needs to produce the annual report required pursuant to paragraph (7) of this subsection;

(4) The employees being trained shall provide the Federal Employer Identification Number (FEIN) of their employer and the employer’s contact information at the beginning of the training;

(5) The mean class size for training under this subsection shall be 10, but the New Jersey Community College Consortium for Workforce and Economic Development may aggregate employees from multiple employers in a single training to reach that mean of 10;

(6) The training provided under this subsection shall be basic skills training, but the apportionment of classes in the different areas of basic skills as defined by subsection h. of this section may be determined by the New Jersey Community College Consortium for Workforce and Economic Development in consultation with representatives of the business community;

(7) The New Jersey Community College Consortium for Workforce and Economic Development shall file an annual report by September 1 of
each year with the New Jersey Legislature and the New Jersey Department of Labor and Workforce Development containing the total number of workers trained, the total funds expended on training, the number of workers trained in each area of basic skills training, the number of businesses with employees trained, the number of classes held in each area of basic skills training, the number of classes held at each community college, the wage ranges of the workers trained, the job titles of the workers trained and the results of the pre-training and post-training assessments. The report shall also include an analysis of the strengths and weaknesses of the training program and how it can be improved in the following year. The report shall supplant all requirements for any other reporting that the New Jersey Community College Consortium for Workforce and Economic Development may be asked to complete with respect to the funds it receives through paragraph (4) of subsection a. of this section; and

(8) The New Jersey Community College Consortium for Workforce and Economic Development shall work with the business community to promote this program to businesses across the State, including chambers of commerce, Statewide associations, such as the New Jersey Business and Industry Association, and any other appropriate business organizations.

c. Any employment and training services funded by the Supplemental Workforce Fund for Basic Skills shall be provided in a manner which complies with the provisions of subsections b., c., f., g., h. and i. of section 4 of P.L.1992, c.43 (C.34:15D-4), to the extent that those subsections pertain to remedial education. Any service provider receiving moneys from the Supplemental Workforce Fund for Basic Skills shall be subject to the provisions of section 8 of P.L.1992, c.43 (C.34:15D-8) and section 8 of P.L.1992, c.44 (C.34:15D-19).

d. All staff located at any One Stop Career Center supported by funds provided from the Supplemental Workforce Fund for Basic Skills shall be hired and employed by the State pursuant to Title 11A, Civil Service, of the New Jersey Statutes.

e. Beginning July 1, 2002, and for any subsequent fiscal year, if the unexpended cash balance in any of the accounts indicated in subsection a. of this section, less any amount awarded in grants but not yet disbursed from the account, is determined to exceed 20% of the amount of contributions collected for deposit in the account pursuant to this subsection during the fiscal year then ended, the excess shall be regarded as an unemployment compensation contribution and deposited into the unemployment compensation fund within seven business days of the date that the determination is made.
f. The Commissioner of Labor and Workforce Development shall establish standards of performance for providers of basic skills training pursuant to this act. The standards shall include, but not be limited to, standards for the curriculum or training to be furnished, qualifications for persons who will provide the training under the act, and standards for establishing what constitutes successful completion of the training program. The commissioner shall establish means of determining the ability of enrollees to gain or maintain employment following the successful completion of a training program established pursuant to this section. In the event that the commissioner determines that a provider has not conducted its training program in accordance with the standards of performance, he may take that action necessary to correct the deficiencies of the provider, or terminate the contract with the provider of basic skills services if the provider fails to respond to remedial action.

g. The State Employment and Training Commission shall review and evaluate the operations of programs supported by the Supplemental Workforce Fund for Basic Skills established pursuant to this section, with special consideration to how those programs assist in the implementation of the goals of the Strategic Five-Year State Plan for New Jersey's Workforce Investment System, and shall consult with the Commissioner of Labor and Workforce Development regarding its findings.

h. For the purpose of this section:

"Basic skills training" means basic mathematics, reading comprehension, basic computer literacy, English proficiency and work-readiness skills and shall be regarded as a form of "remedial education" for the purposes of section 3 of P.L.1992, c.43 (C.34:15D-3);

"One Stop Career Center" means one of the centers established in local areas to coordinate a variety of State and local programs providing employment and training services, including job placement services, or any other similar State or local government-sponsored center providing employment and training services as may be developed at any later time; and

"Qualified disadvantaged worker," "qualified displaced worker," "qualified employed worker," and "employment and training services" have the meanings given to them by section 3 of P.L.1992, c.43 (C.34:15D-3).

4. Section 1 of P.L.2007, c.101 (C.54:50-39) is amended to read as follows:

C.54:50-39 Tax clearance certificate required for certain awards; incentive.

l. a. A department or agency of State government, including independent authorities and instrumentalities of the State, shall, as a precondition to
the award of business assistance or incentive or as a component of the application for business assistance or incentive as appropriate, require a person to submit a tax clearance certificate issued by the director prior to the department or agency making an award of business assistance or incentive to the person.

b. The person applying for business assistance or incentive may apply to the director for a tax clearance certificate and shall provide the director such information in such form as the director may prescribe necessary for the director to determine if the person has satisfied all requirements for filing those State tax and information returns and for paying those State taxes for which they have been liable as taxpayers or as collectors of tax.

c. If the director determines that the person has complied with all requirements for filing tax and information returns and for paying or remitting required State taxes and fees, the director shall issue to the person a tax clearance certificate.

If the director determines that the person has not filed all required tax and information returns or has not paid all tax, penalties, interest, or fees due, the director shall issue a notice of delinquency or deficiency listing unfiled returns or balances due. The director may require a person to resolve all delinquencies and deficiencies before a tax clearance certificate is issued, or upon review of the total circumstances, the director may issue an interim tax clearance certificate if the director determines to the director's satisfaction that the person will resolve all such delinquencies or deficiencies within the time period specified by the director.

The director's issuance of a regular or interim tax clearance certificate shall not constitute a waiver of authority to demand resolution of all deficiencies and delinquencies and shall not prevent further audit or the assessment of additional taxes, penalties, interest, or fees as may be provided by law. No additional right to protest or appeal the State tax indebtedness, filing deficiency, or penalties shall be available to any person pursuant to this section.

d. As used in this section:

"Business assistance or incentive" means monetary or financial assistance in any form, other than a tax credit or tax exemption granted pursuant to a claim made on a tax return filed with the Division of Taxation in the Department of the Treasury, including but not limited to a grant, loan, loan guarantee, or other monetary or financial benefit awarded to a person by a department or agency of State government, including independent authorities and instrumentalities of the State, to assist the person in the conduct or
operation of a business, occupation, trade, or profession in the State, in connection with the following programs:

(2) the business retention and relocation assistance program established pursuant to P.L.1996, c.25 (C.34:1B-112 et seq.);

(3) the customized training services provided pursuant to section 5 of P.L.1992, c.43 (C.34:15D-5), except for assistance provided to a person pursuant to paragraph (4) of subsection a. of section 1 of P.L.2001, c.152 (C.34:15D-21);

e. The director may charge and collect an application fee from a person applying for a tax clearance certificate, to reflect the administrative costs, and may charge and collect a reasonable service fee for the provision of any expedited services offered.

f. In order to better manage the workload of issuing tax clearance certificates, the director may prescribe a schedule by which tax clearance certificates will initially be issued for only one or more of the programs enumerated as business assistance or incentive, or one or more of the components of one or more of those programs, and by which tax clearance certificate issuance for other programs enumerated, or other components of those programs, will be instituted beginning on dates specified according to the schedule. In prescribing the schedule the director will give due regard to the monetary value of the assistance and incentive offered, the timing of the application process, the number of applicants, and necessary applicant and program administrator notice for a particular program or program compo-
nent. Such a schedule adopted by the director shall be subject to change by the director, but in any case shall provide for issuance of tax clearance certificates for all enumerated programs before January 1, 2009.

Notwithstanding any provisions of this section to the contrary, no tax clearance certificate shall be required as a precondition to the award of business assistance or incentive or as a component of the application for business assistance or incentive prior to its program's, or its program's component's, scheduling by the director pursuant to this subsection.

5. This act shall take effect immediately.

CHAPTER 200

AN ACT establishing the NJ PLACE program, amending P.L.2007, c.175 and supplementing P.L.1992, c.43 (C.34:15D-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:15D-24 “NJ PLACE” program.

1. a. There is established, in the Department of Labor and Workforce Development and under the direction of the State Employment and Training Commission as part of the commission’s responsibilities pursuant to subsection d. of section 9 of P.L.1989, c.293 (C.34:15C-6), the New Jersey Pathways Leading Apprentices to a College Education, or “NJ PLACE”, program. The purpose of the program is to facilitate cooperation between appropriate State agencies, employer organizations, labor organizations, schools, and two-year and four-year institutions of higher education to enter into agreements to provide college credit in connection with apprenticeship
programs and permit the work of apprentices in those programs to be credited towards two-year and four-year college degrees. To implement its purpose, the program shall continue the current process of negotiations between county colleges and other institutions of higher education, employer organizations, labor organizations and State agencies which has resulted in the establishment of an associate in applied science in technical studies degree program into which credits are transferred for the time spent by apprentices in classroom and non-classroom apprenticeship training and education. While most of these existing articulation agreements establishing transfer credits are between county colleges and construction trade apprenticeships, the NJ PLACE program shall work to facilitate agreements involving additional apprenticeship programs outside, as well as inside, of the construction industry and involving four-year, as well as two-year, college degrees.

b. The NJ PLACE program shall coordinate its efforts to promote apprenticeship programs and related higher education with the efforts of the "Youth Transitions to Work Partnership Act," created pursuant to P.L.1993, c.268 (C.34:15E-1 et al.) and consortia of businesses, business organizations, labor organizations and educational institutions funded by that partnership to link newly established and existing apprenticeship programs with secondary schools and institutions of higher education to provide effective transitions for high school graduates into those programs.

c. The State Employment and Training Commission is authorized to obtain, accept and utilize resources for the NJ PLACE program as may be, or may become, available from appropriate State, federal and non-governmental sources of funding for employment, training and educational purposes, including the Workforce Development Partnership Fund created pursuant to section 9 of P.L.1992, c.43 (C.34:15D-9), the "Supplemental Workforce Fund for Basic Skills" established pursuant to section 1 of P.L.2001, c.152 (C.34:15D-21), or funds available pursuant to the Workforce Investment Act of 1998, Pub.L.105-220 (29 U.S.C. s.2801 et seq.).

d. For the purposes of this section, "apprenticeship program" means a registered apprenticeship program providing to each trainee combined classroom and on-the-job training under the direct and close supervision of a highly skilled worker in an occupation recognized as an apprenticeable trade, registered by the Office of Apprenticeship of the U.S. Department of Labor, and meeting the standards established by the office.

2. Section 1 of P.L.2007, c.175 (C.18A:62-46) is amended to read as follows:

1. Each public institution of higher education, in consultation with the New Jersey Commission on Higher Education and the New Jersey Presidents' Council, shall establish and enter into a collective Statewide transfer agreement that provides for the seamless transfer of academic credits to a baccalaureate degree program from a completed associate of arts degree program, a completed associate of science degree program, or a completed associate in applied science in technical studies degree program which has credits transferred by the NJ PLACE program from apprenticeship programs. The transfer agreement shall include:

   a. a listing of the general education core courses as stipulated by the Presidents' Council;

   b. policies and procedures for the seamless transfer and application of academic credits to a baccalaureate degree program from a completed associate degree program, including a guarantee that an associate of arts degree, associate of science degree, or associate in applied science in technical studies degree which has credits transferred by the NJ PLACE program from apprenticeship programs, awarded by a county college established pursuant to chapter 64A of Title 18A of the New Jersey Statutes shall be fully transferable and credited as the first two years of a baccalaureate degree program at the four-year public institution of higher education in the State to which a student is admitted;

   c. policies and procedures for the implementation of an appeals process for students and institutions to resolve disputes regarding the transfer of academic credits;

   d. policies and procedures for the annual review and update of the agreement; and

   e. policies and procedures for the collection of data by the commission to ensure that all participating institutions of higher education are in compliance with the provisions of this act and to ensure that the agreement is fostering both a seamless transfer process and the academic success of transfer students at the senior institutions. The commission shall annually determine the data to be collected and shall notify each participating institution in a timely manner.

The policies and procedures set forth in the transfer agreement shall be fully operational by September 1, 2008, except that, with respect to associate in applied science in technical studies degree programs which have credits transferred by the NJ PLACE program from apprenticeship programs, the transfer agreement shall be fully operational by September 1, 2011.
3. Section 2 of P.L.2007, c.175 (C.18A:62-47) is amended to read as follows:

C.18A:62-47 Adoption of policies, procedures regarding certain transfers.

2. On or before January 1, 2008, each public institution of higher education shall, in consultation with the Commission on Higher Education and the Presidents' Council, develop and adopt as part of the collective Statewide transfer agreement established pursuant to section 1 of this act policies and procedures for the transfer of credits earned by a student who has not completed his associate degree program prior to transferring into a baccalaureate degree program, except that, with respect to associate in applied science in technical studies degree programs which have credits transferred by the NJ PLACE program from apprenticeship programs, those policies and procedures shall be developed and adopted on or before January 1, 2011.

(3) For a third or subsequent violation, a person shall be subject to a fine of $1,000.00, and shall be sentenced to imprisonment for a term of not less than 180 days in a county jail or workhouse, except that the court may lower such term for each day, not exceeding 90 days, served participating in a drug or alcohol inpatient rehabilitation program approved by the Intoxicated Driver Resource Center and shall thereafter forfeit his right to operate a motor vehicle over the highways of this State for 10 years. For a third or subsequent violation, a person also shall be required to install an ignition interlock device under the provisions of P.L.1999, c.417 (C.39:4-50.16 et al.).

As used in this section, the phrase "narcotic, hallucinogenic or habit-producing drug" includes an inhalant or other substance containing a chemical capable of releasing any toxic vapors or fumes for the purpose of inducing a condition of intoxication, such as any glue, cement or any other substance containing one or more of the following chemical compounds: acetone and acetate, amyl nitrite or amyl nitrate or their isomers, benzene, butyl alcohol, butyl nitrite, butyl nitrate or their isomers, ethyl acetate, ethyl alcohol, ethyl nitrite or ethyl nitrate, ethylene dichloride, isobutyl alcohol or isopropyl alcohol, methyl alcohol, methyl ethyl ketone, nitrous oxide, n-propyl alcohol, pentachlorophenol, petroleum ether, propyl nitrite or propyl nitrate or their isomers, toluene, toluol or xylene or any other chemical substance capable of causing a condition of intoxication, inebriation, excitement, stupefaction or the dulling of the brain or nervous system as a result of the inhalation of the fumes or vapors of such chemical substance.

Whenever an operator of a motor vehicle has been involved in an accident resulting in death, bodily injury or property damage, a police officer shall consider that fact along with all other facts and circumstances in determining whether there are reasonable grounds to believe that person was operating a motor vehicle in violation of this section.

A conviction of a violation of a law of a substantially similar nature in another jurisdiction, regardless of whether that jurisdiction is a signatory to the Interstate Driver License Compact pursuant to P.L.1966, c.73 (C.39:5D-1 et seq.), shall constitute a prior conviction under this subsection unless the defendant can demonstrate by clear and convincing evidence that the
conviction in the other jurisdiction was based exclusively upon a violation of a proscribed blood alcohol concentration of less than 0.08%.

If the driving privilege of any person is under revocation or suspension for a violation of any provision of this Title or Title 2C of the New Jersey Statutes at the time of any conviction for a violation of this section, the revocation or suspension period imposed shall commence as of the date of termination of the existing revocation or suspension period. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the forfeiture, suspension or revocation of the driving privilege imposed by the court under this section shall commence immediately, run through the offender's seventeenth birthday and continue from that date for the period set by the court pursuant to paragraphs (1) through (3) of this subsection. A court that imposes a term of imprisonment for a first or second offense under this section may sentence the person so convicted to the county jail, to the workhouse of the county wherein the offense was committed, to an inpatient rehabilitation program or to an Intoxicated Driver Resource Center or other facility approved by the chief of the Intoxicated Driving Program Unit in the Department of Health and Senior Services. For a third or subsequent offense a person shall not serve a term of imprisonment at an Intoxicated Driver Resource Center as provided in subsection (f).

A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section on a second or subsequent offender, but if the second offense occurs more than 10 years after the first offense, the court shall treat the second conviction as a first offense for sentencing purposes and if a third offense occurs more than 10 years after the second offense, the court shall treat the third conviction as a second offense for sentencing purposes.

(b) A person convicted under this section must satisfy the screening, evaluation, referral, program and fee requirements of the Division of Alcoholism and Drug Abuse's Intoxicated Driving Program Unit, and of the Intoxicated Driver Resource Centers and a program of alcohol and drug education and highway safety, as prescribed by the chief administrator. The sentencing court shall inform the person convicted that failure to satisfy such requirements shall result in a mandatory two-day term of imprisonment in a county jail and a driver license revocation or suspension and continuation of revocation or suspension until such requirements are satisfied, unless stayed by court order in accordance with the Rules Governing the Courts of the State of New Jersey, or R.S.39:5-22. Upon sentencing, the court shall forward to the Division of Alcoholism and Drug Abuse's Intoxi-
cated Driving Program Unit a copy of a person's conviction record. A fee of $100.00 shall be payable to the Alcohol Education, Rehabilitation and Enforcement Fund established pursuant to section 3 of P.L.1983, c.531 (C.26:2B-32) to support the Intoxicated Driving Program Unit.

(c) Upon conviction of a violation of this section, the court shall collect forthwith the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the chief administrator. The court shall inform the person convicted that if he is convicted of personally operating a motor vehicle during the period of license suspension imposed pursuant to subsection (a) of this section, he shall, upon conviction, be subject to the penalties established in R.S.39:3-40. The person convicted shall be informed orally and in writing. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. In the event that a person convicted under this section is the holder of any out-of-State driver's license, the court shall not collect the license but shall notify forthwith the chief administrator, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident's driving privilege to operate a motor vehicle in this State, in accordance with this section. Upon conviction of a violation of this section, the court shall notify the person convicted, orally and in writing, of the penalties for a second, third or subsequent violation of this section. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of this section.

(d) The chief administrator shall promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) in order to establish a program of alcohol education and highway safety, as prescribed by this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discovery as allowed defendants pursuant to the Rules Governing the Courts of the State of New Jersey.

(f) The counties, in cooperation with the Division of Alcoholism and Drug Abuse and the commission, but subject to the approval of the Division of Alcoholism and Drug Abuse, shall designate and establish on a county or regional basis Intoxicated Driver Resource Centers. These centers shall have the capability of serving as community treatment referral centers and
as court monitors of a person's compliance with the ordered treatment, service alternative or community service. All centers established pursuant to this subsection shall be administered by a counselor certified by the Alcohol and Drug Counselor Certification Board of New Jersey or other professional with a minimum of five years' experience in the treatment of alcoholism. All centers shall be required to develop individualized treatment plans for all persons attending the centers; provided that the duration of any ordered treatment or referral shall not exceed one year. It shall be the center's responsibility to establish networks with the community alcohol and drug education, treatment and rehabilitation resources and to receive monthly reports from the referral agencies regarding a person's participation and compliance with the program. Nothing in this subsection shall bar these centers from developing their own education and treatment programs; provided that they are approved by the Division of Alcoholism and Drug Abuse.

Upon a person's failure to report to the initial screening or any subsequent ordered referral, the Intoxicated Driver Resource Center shall promptly notify the sentencing court of the person's failure to comply.

Required detention periods at the Intoxicated Driver Resource Centers shall be determined according to the individual treatment classification assigned by the Intoxicated Driving Program Unit. Upon attendance at an Intoxicated Driver Resource Center, a person shall be required to pay a per diem fee of $75.00 for the first offender program or a per diem fee of $100.00 for the second offender program, as appropriate. Any increases in the per diem fees after the first full year shall be determined pursuant to rules and regulations adopted by the Commissioner of Health and Senior Services in consultation with the Governor's Council on Alcoholism and Drug Abuse pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

The centers shall conduct a program of alcohol and drug education and highway safety, as prescribed by the chief administrator.

The Commissioner of Health and Senior Services shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), in order to effectuate the purposes of this subsection.

(g) When a violation of this section occurs while:

(1) on any school property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or within 1,000 feet of such school property;

(2) driving through a school crossing as defined in R.S.39:1-1 if the municipality, by ordinance or resolution, has designated the school crossing as such; or
(3) driving through a school crossing as defined in R.S.39:1-1 knowing that juveniles are present if the municipality has not designated the school crossing as such by ordinance or resolution, the convicted person shall: for a first offense, be fined not less than $500 or more than $800, be imprisoned for not more than 60 days and have his license to operate a motor vehicle suspended for a period of not less than one year or more than two years; for a second offense, be fined not less than $1,000 or more than $2,000, perform community service for a period of 60 days, be imprisoned for not less than 96 consecutive hours, which shall not be suspended or served on probation, nor more than 180 days, except that the court may lower such term for each day, not exceeding 90 days, served performing community service in such form and on such terms as the court shall deem appropriate under the circumstances and have his license to operate a motor vehicle suspended for a period of four years; and, for a third offense, be fined $2,000, imprisoned for 180 days in a county jail or workhouse, except that the court may lower such term for each day, not exceeding 90 days, served participating in a drug or alcohol inpatient rehabilitation program approved by the Intoxicated Driver Resource Center, and have his license to operate a motor vehicle suspended for a period of 20 years; the period of license suspension shall commence upon the completion of any prison sentence imposed upon that person.

A map or true copy of a map depicting the location and boundaries of the area on or within 1,000 feet of any property used for school purposes which is owned by or leased to any elementary or secondary school or school board produced pursuant to section 1 of P.L.1987, c.101 (C.2C:35-7) may be used in a prosecution under paragraph (1) of this subsection.

It shall not be relevant to the imposition of sentence pursuant to paragraph (1) or (2) of this subsection that the defendant was unaware that the prohibited conduct took place while on or within 1,000 feet of any school property or while driving through a school crossing. Nor shall it be relevant to the imposition of sentence that no juveniles were present on the school property or crossing zone at the time of the offense or that the school was not in session.

(h) A court also may order a person convicted pursuant to subsection (a) of this section, to participate in a supervised visitation program as either a condition of probation or a form of community service, giving preference to those who were under the age of 21 at the time of the offense. Prior to ordering a person to participate in such a program, the court may consult with any person who may provide useful information on the defendant's physical, emotional and mental suitability for the visit to ensure that it will not cause any injury to the defendant. The court also may order that the defendant...
participate in a counseling session under the supervision of the Intoxicated Driving Program Unit prior to participating in the supervised visitation program. The supervised visitation program shall be at one or more of the following facilities which have agreed to participate in the program under the supervision of the facility's personnel and the probation department:

(1) a trauma center, critical care center or acute care hospital having basic emergency services, which receives victims of motor vehicle accidents for the purpose of observing appropriate victims of drunk drivers and victims who are, themselves, drunk drivers;

(2) a facility which cares for advanced alcoholics or drug abusers, to observe persons in the advanced stages of alcoholism or drug abuse; or

(3) if approved by a county medical examiner, the office of the county medical examiner or a public morgue to observe appropriate victims of vehicle accidents involving drunk drivers.

As used in this section, "appropriate victim" means a victim whose condition is determined by the facility's supervisory personnel and the probation officer to be appropriate for demonstrating the results of accidents involving drunk drivers without being unnecessarily gruesome or traumatic to the defendant.

If at any time before or during a visitation the facility's supervisory personnel and the probation officer determine that the visitation may be or is traumatic or otherwise inappropriate for that defendant, the visitation shall be terminated without prejudice to the defendant. The program may include a personal conference after the visitation, which may include the sentencing judge or the judge who coordinates the program for the court, the defendant, defendant's counsel, and, if available, the defendant's parents to discuss the visitation and its effect on the defendant's future conduct. If a personal conference is not practicable because of the defendant's absence from the jurisdiction, conflicting time schedules, or any other reason, the court shall require the defendant to submit a written report concerning the visitation experience and its impact on the defendant. The county, a court, any facility visited pursuant to the program, any agents, employees, or independent contractors of the court, county, or facility visited pursuant to the program, and any person supervising a defendant during the visitation, are not liable for any civil damages resulting from injury to the defendant, or for civil damages associated with the visitation which are caused by the defendant, except for willful or grossly negligent acts intended to, or reasonably expected to result in, that injury or damage.

The Supreme Court may adopt court rules or directives to effectuate the purposes of this subsection.
(i) In addition to any other fine, fee, or other charge imposed pursuant to law, the court shall assess a person convicted of a violation of the provisions of this section a surcharge of $100, of which amount $50 shall be payable to the municipality in which the conviction was obtained and $50 shall be payable to the Treasurer of the State of New Jersey for deposit into the General Fund.

2. Section 2 of P.L.1999, c.417 (C.39:4-50.17) is amended to read as follows:

C.39:4-50.17 Sentencing drunk driving offenders; device defined.

2. a. (1) Except as provided in paragraph (2) of this subsection, in sentencing a first offender under R.S.39:4-50, the court may order, in addition to any other penalty imposed by that section, the installation of an ignition interlock device in the motor vehicle principally operated by the offender following the expiration of the period of license suspension imposed under that section. In sentencing a first offender under section 2 of P.L.1981, c.512 (C.39:4-50.4a), the court shall order, in addition to any other penalty imposed by that section, the installation of an ignition interlock device in the motor vehicle principally operated by the offender during and following the expiration of the period of license suspension imposed under that section. The device shall remain installed for not less than six months or more than one year, commencing immediately upon the return of the offender's driver's license after the required period of suspension has been served.

(2) If the first offender's blood alcohol concentration is 0.15% or higher, the court shall order, in addition to any other penalty imposed under R.S.39:4-50, the installation of an ignition interlock device in the motor vehicle principally operated by the offender during and following the expiration of the period of license suspension imposed under that section. In addition to installation during the period of license suspension, the device shall remain installed for not less than six months or more than one year, commencing immediately upon the return of the offender's driver's license after the required period of suspension has been served.

b. In sentencing a second or subsequent offender under R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a), the court shall order, in addition to any other penalty imposed by that section, the installation of an ignition interlock device in the motor vehicle principally operated by the offender during and following the expiration of the period of license suspension imposed under R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a). In addition to installation during the period of license sus-
pension, the device shall remain installed for not less than one year or more than three years, commencing immediately upon the return of the offender's driver's license after the required period of suspension has been served.

c. The court shall require that, for the duration of its order, an offender shall drive no vehicle other than one in which an interlock device has been installed pursuant to the order.

d. As used in this act, "ignition interlock device" or "device" means a blood alcohol equivalence measuring device which will prevent a motor vehicle from starting if the operator's blood alcohol content exceeds a predetermined level when the operator blows into the device.

3. Section 4 of P.L.1999, c.417 (C.39:4-50.19) is amended to read as follows:

C.39:4-50.19 Violation of law; penalties.

4. a. A person who fails to install an interlock device ordered by the court in a motor vehicle owned, leased or regularly operated by him shall have his driver's license suspended for one year, in addition to any other suspension or revocation imposed under R.S.39:4-50, unless the court determines a valid reason exists for the failure to comply. A person in whose vehicle an interlock device is installed pursuant to a court order who drives that vehicle after it has been started by any means other than his own blowing into the device or who drives a vehicle that is not equipped with such a device shall have his driver's license suspended for one year, in addition to any other penalty applicable by law.

b. A person is a disorderly person who:

   (1) blows into an interlock device or otherwise starts a motor vehicle equipped with such a device for the purpose of providing an operable motor vehicle to a person who has been ordered by the court to install the device in the vehicle;

   (2) tampers or in any way circumvents the operation of an interlock device; or

   (3) knowingly rents, leases or lends a motor vehicle not equipped with an interlock device to a person who has been ordered by the court to install an interlock device in a vehicle he owns, leases or regularly operates.

c. The provisions of subsection b. of this section shall not apply if a motor vehicle required to be equipped with an ignition interlock device is
started by a person for the purpose of safety or mechanical repair of the
device or the vehicle, provided the person subject to the court order does
not operate the vehicle.

4. Section 2 of P.L.1995, c.286 (C.39:3-40.1) is amended to read as
follows:

C.39:4-40.1 Revocation of registration certificate, plates.
2. a. Any motor vehicle registration certificate and registration plates
shall be revoked if a person is convicted of violating the provisions of:
(1) subsection a. of R.S.39:3-40 for operating a motor vehicle during a
period when that violator's driver's license has been suspended for a viola­
tion of R.S.39:4-50; or
(2) subsection b. or c. of R.S.39:3-40 for operating a motor vehicle
during a period when that violator's driver's license has been suspended
within a five-year period.
(3) (Deleted by amendment, P.L.2009, c.201).
This revocation of registration certificate and registration plates shall
apply to all passenger automobiles and motorcycles owned or leased by the
violator and registered under the provisions of R.S.39:3-4 and all noncom­
cercial trucks owned or leased by the violator and registered under the
provisions of section 2 of P.L.1968, c.439 (C.39:3-8.1), including those
passenger automobiles, motorcycles and noncommercial trucks registered
or leased jointly in the name of the violator and the other owner of record.

b. At the time of conviction, the court shall notify each violator that the
person's passenger automobile, motorcycle, and noncommercial truck regis­
trations are revoked. Notwithstanding the provisions of R.S.39:5-35, the
violator shall surrender the registration certificate and registration plates of
all passenger automobiles, motorcycles, and noncommercial truck registra­
tions subject to revocation under the provisions of this section within 48
hours of the court's notice. The surrender shall be at a place and in a manner
prescribed by the Chief Administrator of the New Jersey Motor Vehicle
Commission pursuant to rule and regulation. The court also shall notify the
violator that a failure to surrender that vehicle registration certificate and
registration plates shall result in the impoundment of the vehicle in accor­
dance with the provisions of section 4 of P.L.1995, c.286 (C.39:3-40.3) and
the seizure of said registration certificate and registration plates. The revoca­
tion authorized under the provisions of this subsection shall remain in effect
for the period during which the violator's license to operate a motor vehicle is
suspended and shall be enforced so as to prohibit the violator from registering or leasing any other vehicle, however acquired, during that period.

c. If the violator subject to the penalties set forth in subsections a. and b. of this section for conviction of violating the provisions of R.S.39:3-40 was operating a motor vehicle owned or leased by another person and that other owner or lessee permitted that operation with knowledge that the violator's driver's license was suspended, the court shall suspend the person's license to operate a motor vehicle and revoke the registration certificate and registration plates for that vehicle for a period of not more than six months. Notwithstanding the provisions of R.S.39:3-35, the owner or lessee shall surrender the registration certificate and registration plates of that vehicle within 48 hours of the court's notice of revocation. The surrender shall be at a place and in a manner prescribed by the Chief Administrator of the New Jersey Motor Vehicle Commission pursuant to rule and regulation. The court also shall notify the owner or lessee that a failure to surrender the revoked registration certificate and registration plates shall result in the impoundment of the vehicle in accordance with the provisions of section 4 of P.L.1995, c.286 (C.39:3-40.3) and the seizure of said registration certificate and registration plates. Nothing in this subsection shall be construed to limit the court from finding that owner or lessee guilty of violating R.S.39:3-39 or any other such statute concerning the operation of a motor vehicle by an unlicensed driver.

5. Section 2 of P.L.1981, c.512 (C.39:4-50.4a) is amended to read as follows:

**C.39:4-50.4a Revocation for refusal to submit to breath test; penalties.**

2. a. Except as provided in subsection b. of this section, the municipal court shall revoke the right to operate a motor vehicle of any operator who, after being arrested for a violation of R.S.39:4-50 or section 1 of P.L.1992, c.189 (C.39:4-50.14), shall refuse to submit to a test provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2) when requested to do so, for not less than seven months or more than one year unless the refusal was in connection with a second offense under this section, in which case the revocation period shall be for two years or unless the refusal was in connection with a third or subsequent offense under this section in which case the revocation shall be for ten years. A conviction or administrative determination of a violation of a law of a substantially similar nature in another jurisdiction, regardless of whether that jurisdiction is a signatory to the Interstate Driver License Compact pursuant to P.L.1966, c.73 (C.39:5D-1 et seq.), shall constitute a prior conviction under this section.
The municipal court shall determine by a preponderance of the evidence whether the arresting officer had probable cause to believe that the person had been driving or was in actual physical control of a motor vehicle on the public highways or quasi-public areas of this State while the person was under the influence of intoxicating liquor or a narcotic, hallucinogenic, or habit-producing drug or marijuana; whether the person was placed under arrest, if appropriate, and whether he refused to submit to the test upon request of the officer; and if these elements of the violation are not established, no conviction shall issue. In addition to any other requirements provided by law, a person whose operator's license is revoked for refusing to submit to a test shall be referred to an Intoxicated Driver Resource Center established by subsection (f) of R.S.39:4-50 and shall satisfy the same requirements of the center for refusal to submit to a test as provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2) in connection with a first, second, third or subsequent offense under this section that must be satisfied by a person convicted of a commensurate violation of this section, or be subject to the same penalties as such a person for failure to do so. For a first offense, the revocation may be concurrent with or consecutive to any revocation imposed for a conviction under the provisions of R.S.39:4-50 arising out of the same incident. For a second or subsequent offense, the revocation shall be consecutive to any revocation imposed for a conviction under the provisions of R.S.39:4-50. In addition to issuing a revocation, except as provided in subsection b. of this section, the municipal court shall fine a person convicted under this section, a fine of not less than $300 or more than $500 for a first offense; a fine of not less than $500 or more than $1,000 for a second offense; and a fine of $1,000 for a third or subsequent offense. The person also shall be required to install an ignition interlock device pursuant to the provisions of P.L.1999, c.417 (C.39:4-50.16 et al.).

b. For a first offense, the fine imposed upon the convicted person shall be not less than $600 or more than $1,000 and the period of license suspension shall be not less than one year or more than two years; for a second offense, a fine of not less than $1,000 or more than $2,000 and a license suspension for a period of four years; and for a third or subsequent offense, a fine of $2,000 and a license suspension for a period of 20 years when a violation of this section occurs while:

(1) on any school property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or within 1,000 feet of such school property;
(2) driving through a school crossing as defined in R.S.39:1-1 if the
city, by ordinance or resolution, has designated the school crossing
as such; or
(3) driving through a school crossing as defined in R.S.39:1-1 knowing
that juveniles are present if the municipality has not designated the school
crossing as such by ordinance or resolution.
A map or true copy of a map depicting the location and boundaries of
the area on or within 1,000 feet of any property used for school purposes
which is owned by or leased to any elementary or secondary school or
school board produced pursuant to section 1 of P.L.1987, c.101 (C.2C:35-7)
may be used in a prosecution under paragraph (1) of this subsection.
It shall not be relevant to the imposition of sentence pursuant to paragraph
(1) or (2) of this subsection that the defendant was unaware that the prohibited
conduct took place while on or within 1,000 feet of any school property or
while driving through a school crossing. Nor shall it be relevant to the imposi­
ton of sentence that no juveniles were present on the school property or cross­
ing zone at the time of the offense or that the school was not in session.

C.39:4-50.17a Monthly leasing fee for installation of ignition interlock device.
6. a. If a person is required to install an ignition interlock device and
that person’s family income does not exceed 100% of the federal poverty
level, the monthly leasing fee shall be 50% of the fee established by regulation
for persons who do not qualify for the reduced fee.
b. If a person is required to install an ignition interlock device and that
person’s family income does not exceed 149% of the federal poverty level,
the monthly leasing fee shall be 75% of the fee established by regulation
for persons who do not qualify for the reduced fee.
c. Persons who qualify for a reduced fee pursuant to the provisions of
this section shall not be required to pay the installation fee, the cost for moni­
toring of the device, or any fees for calibration or removal of the device.

7. This act shall take effect immediately.

CHAPTER 202

CHAPTER 203

AN ACT concerning the payment of prevailing wages in certain construction undertaken with financial assistance from the Board of Public Utilities and amending P.L.2009, c.89.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.2009, c.89 (C.48:2-29.47) is amended to read as follows:

C.48:2-29.47 Prevailing wage requirement, construction undertaken with BPU financial assistance.

1. Not less than the prevailing wage rate shall be paid to workers employed in the performance of any construction undertaken in connection with Board of Public Utilities financial assistance, or undertaken to fulfill any condition of receiving Board of Public Utilities financial assistance, including the performance of any contract to construct, renovate or otherwise prepare a facility, the operations of which are necessary for the receipt of Board of Public Utilities financial assistance, except that the prevailing wage rate requirements of this section shall not apply to any contract which is less than the prevailing wage contract threshold amount for municipalities provided in paragraph (a) of subsection (11) of section 2 of P.L.1963, c.150 (C.34:11-56.26). C.26:2-185 Findings, declarations relative to reporting autism spectrum disorder diagnoses.

1. The Legislature finds and declares that:
   a. An autism spectrum disorder is a developmental disorder of brain function which is typically manifested in impaired social interaction, problems with verbal and nonverbal communication and imagination, and unusual or severely limited activities and interests. These symptoms generally appear during the first three years of childhood and continue throughout life, often taking devastating emotional and financial tolls on the family of the child or adult with an autism spectrum disorder;
   b. According to the federal Centers for Disease Control and Prevention, or CDC, one of every 94 children in this State has an autism spectrum disorder, which is the highest rate among the states examined by the CDC in the most comprehensive study of the prevalence of autism spectrum disorders to date;
   c. There is a clear need for greater accuracy in reporting as well as for information on the epidemiologic data on the incidence and prevalence of autism spectrum disorders in this State; and
   d. The State currently requires that a number of other conditions, including cancer and certain birth defects, be reported and maintained in a central registry. A similar requirement for reporting diagnoses of autism spectrum disorder, as well as providing for the inclusion on a voluntary basis of information about adults with an autism spectrum disorder who opt to be included in a registry of that information, and maintaining such a registry is needed to improve current knowledge and understanding of autism spectrum disorders, to conduct thorough and complete epidemiologic surveys of these disorders, to enable analysis of this problem, and to plan for and provide services to children and adults with an autism spectrum disorder and their families.

3. Section 2 of P.L.2007, c.170 (C.26:2-186) is amended to read as follows:

b. The report shall be in writing and shall include the name and address of the person submitting the report, the name, age, place of birth, and address of the child diagnosed as having an autism spectrum disorder, and other pertinent information as may be required by the commissioner; except that, if the child's parent or guardian objects to the reporting of the child's diagnosis for any reason, the report shall not include any information that could be used to identify the child.

c. The commissioner shall specify procedures for the health care professional to inform the child's parent or guardian of the requirements of subsections a. and b. of this section and the purpose served by including this information in the registry established pursuant to section 3 of P.L.2007, c.170 (C.26:2-187), as well as the parent's or guardian's right to refuse to permit the reporting of any information that could be used to identify the child.

C.26:2-186.1 Reporting adult diagnosis of autism spectrum disorder.

4. a. An adult who has been diagnosed as having an autism spectrum disorder by a physician, psychologist, or any other health care professional licensed pursuant to Title 45 of the Revised Statutes who is qualified by training to make the diagnosis, and whose diagnosis has not been reported pursuant to section 2 of P.L.2007, c.170 (C.26:2-186), may, at his discretion, report this diagnosis, or request that a health care professional on his behalf report this diagnosis, to the Department of Health and Senior Services in a form and manner prescribed by the Commissioner of Health and Senior Services.

b. The report shall be in writing and shall include the name and address of the person submitting the report, the name, age, place of birth, and address of the adult diagnosed as having an autism spectrum disorder, and other pertinent information as may be required by the commissioner.

c. The commissioner shall specify procedures for the health care professional to inform the adult of the provisions of subsections a. and b. of this section and the purpose served by including this information in the registry established pursuant to section 3 of P.L.2007, c.170 (C.26:2-187).

ity for the free tuition benefit shall begin from the date of discharge and shall continue for one semester or a period of time equal to the length of the deployment, whichever is longer. In the event of medical discharge or medical retirement as a result of illness or injury incurred in the combat theater, as a result of terrorist action, or in the response to a natural disaster, eligibility for the free tuition benefit shall begin from the date of discharge or retirement and shall continue until completion of the degree program in which enrolled or for five years, whichever occurs first.

d. available classroom space permits and tuition-paying students constitute the minimum number required for the course.

3. This act shall take effect immediately and shall be first applicable to the 2010-2011 academic year.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.2001, c.367 (C.26:2S-6.1) is amended to read as follows:

C.26:2S-6.1 Managed care plan to pay full contractual rate to out-of-network provider, direct payments, certain circumstances.

2. a. With respect to a carrier which offers a managed care plan that provides for both in-network and out-of-network benefits, in the event that:

(1) a covered person is admitted by an out-of-network health care provider to an in-network health care facility for covered, medically necessary health care services; or

(2) the covered person receives covered, medically necessary health care services from an out-of-network health care provider while the covered person is a patient at an in-network health care facility and was admitted to the health care facility by an in-network provider, the carrier shall reimburse the health care facility for the services provided by the facility at the carrier's full contracted rate without any penalty for the patient's selection of an out-of-network provider, in accordance with the in-network policies and in-network copayment, coinsurance or deductible requirements of the managed care plan.

b. The provisions of subsection a. of this section shall apply only if the covered person complies with the preauthorization or review requirements of the health benefits plan regarding the determination of medical necessity to access in-network inpatient benefits, as set forth in writing pursuant to section 5 of P.L.1997, c.192 (C.26:2S-5).

c. With respect to a carrier which offers a managed care plan that provides for both in-network and out-of-network benefits, in the event that the covered person assigns, through an assignment of benefits, his right to receive reimbursement for medically necessary health care services to an out-of-network health care provider, the carrier shall remit payment for the reimbursement directly to the health care provider in the form of a check payable to the health care provider, or in the alternative, to the health care provider and the covered person as joint payees, with a signature line for
each of the payees. Payment shall be made in accordance with the provisions of this section and P.L.1999, c.154 (C.17B:30-23 et al.). Any payment made only to the covered person rather than the health care provider under these circumstances shall be considered unpaid, and unless remitted to the health care provider within the time frames established by P.L.1999, c.154 (C.17B:30-23 et al.), shall be considered overdue and subject to an interest charge as provided in that act.

2. This act shall take effect on the 365th day next following enactment and shall apply to any health benefits plan in which the carrier has reserved the right to change the premium and which is in effect on or after the effective date.

3. When used in this act:
   (a) The term "board" shall mean New Jersey State Board of Mediation.
   (b) The term "commission" shall mean New Jersey Public Employment Relations Commission.
   (c) The term "employer" includes an employer and any person acting, directly or indirectly, on behalf of or in the interest of an employer with the employer's knowledge or ratification, but a labor organization, or any officer or agent thereof, shall be considered an employer only with respect to individuals employed by such organization. This term shall include "public employers" and shall mean the State of New Jersey, or the several counties and municipalities thereof, or any other political subdivision of the State, or a school district, or any special district, or any authority, commission, or board, or any branch or agency of the public service. The term shall also include the Delaware River Port Authority, established pursuant to R.S.32:3-1 et seq.
   (d) The term "employee" shall include any employee, and shall not be limited to the employees of a particular employer unless this act explicitly states otherwise, and shall include any individual whose work has ceased as a consequence of or in connection with any current labor dispute or because of any unfair labor practice and who has not obtained any other regular and substantially equivalent employment. This term, however, shall not include any individual taking the place of any employee whose work has ceased as aforesaid, nor shall it include any individual employed by his parent or
spouse, or in the domestic service of any person in the home of the employer, or employed by any company owning or operating a railroad or railway express subject to the provisions of the Railway Labor Act. This term shall include any public employee, i.e., any person holding a position, by appointment or contract, or employment in the service of a public employer, including the Delaware River Port Authority, except elected officials, members of boards and commissions, managerial executives and confidential employees.

(f) "Managerial executives" of a public employer means persons who formulate management policies and practices, and persons who are charged with the responsibility of directing the effectuation of such management policies and practices, except that in any school district this term shall include only the superintendent or other chief administrator, and the assistant superintendent of the district.

(g) "Confidential employees" of a public employer means employees whose functional responsibilities or knowledge in connection with the issues involved in the collective negotiations process would make their membership in any appropriate negotiating unit incompatible with their official duties.

5. This section and sections 1 through 3 of this act shall take effect immediately; but the Governor shall not enter into the supplemental compact or agreement hereinabove set forth on behalf of the State of New Jersey until passage by the Commonwealth of Pennsylvania of a substantially similar act embodying the supplemental compact or agreement between the two States. Section 4 shall take effect upon passage of that substantially similar act, and the consent and approval of Congress to that supplemental compact or agreement, if that consent and approval is required to confer the powers granted in this act upon the Delaware River Port Authority.

CHAPTER 211

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-19 is amended to read as follows:

Definitions.

43:21-19. Definitions. As used in this chapter (R.S.43:21-1 et seq.), unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three or five preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior three or five calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of R.S.43:21-7 means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund for the last three or five preceding calendar years, whichever average is higher; provided further that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12-month period for which the employer's contribution rate is computed.

(b) "Benefits" means the money payments payable to an individual, as provided in this chapter (R.S.43:21-1 et seq.), with respect to his unemployment.

(c) (1) "Base year" with respect to benefit years commencing on or after July 1, 1986, shall mean the first four of the last five completed calendar quarters immediately preceding an individual's benefit year.
With respect to a benefit year commencing on or after July 1, 1995, if an individual does not have sufficient qualifying weeks or wages in his base year to qualify for benefits, the individual shall have the option of designating that his base year shall be the "alternative base year," which means the last four completed calendar quarters immediately preceding the individual's benefit year; except that, with respect to a benefit year commencing on or after October 1, 1995, if the individual also does not have sufficient qualifying weeks or wages in the last four completed calendar quarters immediately preceding his benefit year to qualify for benefits, "alternative base year" means the last three completed calendar quarters immediately preceding his benefit year and, of the calendar quarter in which the benefit year commences, the portion of the quarter which occurs before the commencing of the benefit year.

The division shall inform the individual of his options under this section as amended by P.L.1995, c.234. If information regarding weeks and wages for the calendar quarter or quarters immediately preceding the benefit year is not available to the division from the regular quarterly reports of wage information and the division is not able to obtain the information using other means pursuant to State or federal law, the division may base the determination of eligibility for benefits on the affidavit of an individual with respect to weeks and wages for that calendar quarter. The individual shall furnish payroll documentation, if available, in support of the affidavit. A determination of benefits based on an alternative base year shall be adjusted when the quarterly report of wage information from the employer is received if that information causes a change in the determination.

(2) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), "base year" shall mean the first four of the last five completed calendar quarters immediately preceding the individual's period of disability, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period defined as a period of disability by section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27). An individual who files a claim under the provisions of this paragraph (2) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.
(3) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the workers' compensation law (chapter 15 of Title 34 of the Revised Statutes), "base year" shall mean the first four of the last five completed calendar quarters immediately preceding the individual's period of disability, if the period of disability was not longer than two years, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and if the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period from the time at which the individual becomes unable to work because of the compensable disability until the time that the individual becomes able to resume work and continue work on a permanent basis. An individual who files a claim under the provisions of this paragraph (3) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

(d) "Benefit year" with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of R.S.43:21-6 shall be deemed to be a "valid claim" for the purpose of this subsection if (1) he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of R.S.43:21-4.

(e) (1) "Division" means the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development, and any transaction or exercise of authority by the director of the division thereunder, or under this chapter (R.S.43:21-1 et seq.), shall be deemed to be performed by the division.

(2) "Controller" means the Office of the Assistant Commissioner for Finance and Controller of the Department of Labor and Workforce Development, established by the 1982 Reorganization Plan of the Department of Labor.

(f) "Contributions" means the money payments to the State Unemployment Compensation Fund, required by R.S.43:21-7. "Payments in lieu of contributions" means the money payments to the State Unemployment Compensation Fund by employers electing or required to make payments in lieu of contributions, as provided in section 3 or section 4 of P.L.1971, c.346 (C.43:21-7.2 or 43:21-7.3).
(g) "Employing unit" means the State or any of its instrumentalities or any political subdivision thereof or any of its instrumentalities or any instrumentality of more than one of the foregoing or any instrumentality of any of the foregoing and one or more other states or political subdivisions or any individual or type of organization, any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or subsequent to January 1, 1936, had in its employ one or more individuals performing services for it within this State. All individuals performing services within this State for any employing unit which maintains two or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter (R.S.43:21-1 et seq.). Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this chapter (R.S.43:21-1 et seq.), whether such individual was hired or paid directly by such employing unit or by such agent or employee; provided the employing unit had actual or constructive knowledge of the work.

(h) "Employer" means:

(1) Any employing unit which in either the current or the preceding calendar year paid remuneration for employment in the amount of $1,000.00 or more;

(2) Any employing unit (whether or not an employing unit at the time of acquisition) which acquired the organization, trade or business, or substantially all the assets thereof, of another which, at the time of such acquisition, was an employer subject to this chapter (R.S.43:21-1 et seq.);

(3) Any employing unit which acquired the organization, trade or business, or substantially all the assets thereof, of another employing unit and which, if treated as a single unit with such other employing unit, would be an employer under paragraph (1) of this subsection;

(4) Any employing unit which together with one or more other employing units is owned or controlled (by legally enforceable means or otherwise), directly or indirectly by the same interests, or which owns or controls one or more other employing units (by legally enforceable means or otherwise), and which, if treated as a single unit with such other employing unit or interest, would be an employer under paragraph (1) of this subsection;

(5) Any employing unit for which service in employment as defined in R.S.43:21-19 (i) (1) (B) (i) is performed after December 31, 1971; and as defined in R.S.43:21-19 (i) (1) (B) (ii) is performed after December 31, 1977;
(6) Any employing unit for which service in employment as defined in R.S.43:21-19 (i) (1) (c) is performed after December 31, 1971 and which in either the current or the preceding calendar year paid remuneration for employment in the amount of $1,000.00 or more;

(7) Any employing unit not an employer by reason of any other paragraph of this subsection (h) for which, within either the current or preceding calendar year, service is or was performed with respect to which such employing unit is liable for any federal tax against which credit may be taken for contributions required to be paid into a state unemployment fund; or which, as a condition for approval of the "unemployment compensation law" for full tax credit against the tax imposed by the Federal Unemployment Tax Act, is required pursuant to such act to be an employer under this chapter (R.S.43:21-1 et seq.);

(12) Any employing unit for which agricultural labor in employment as defined in R.S.43:21-19 (i) (1) (l) is performed after December 31, 1977;

(13) Any employing unit for which domestic service in employment as defined in R.S.43:21-19 (i) (1) (j) is performed after December 31, 1977;

(14) Any employing unit which having become an employer under the "unemployment compensation law" (R.S.43:21-1 et seq.), has not under R.S.43:21-8 ceased to be an employer; or for the effective period of its election pursuant to R.S.43:21-8, any other employing unit which has elected to become fully subject to this chapter (R.S.43:21-1 et seq.).

(i) (1) "Employment" means:

(A) Any service performed prior to January 1, 1972, which was employment as defined in the "unemployment compensation law" (R.S.43:21-1 et seq.) prior to such date, and, subject to the other provisions of this subsection, service performed on or after January 1, 1972, including service in interstate commerce, performed for remuneration or under any contract of hire, written or oral, express or implied.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.2A:4A-92 “Court Appointed Special Advocate” (CASA) program.

1. a. As provided in this act, a “Court Appointed Special Advocate” (CASA) shall mean a community volunteer who has been recruited, screened, trained, and supervised by a CASA program affiliated with Court Appointed Special Advocates of New Jersey or a similar organization as determined by the Administrative Office of the Courts. An affiliate CASA program shall meet all State Court Appointed Special Advocate and National Court Appointed Special Advocate standards, and shall be affiliated with Court Appointed Special Advocates of New Jersey and the National Court Appointed Special Advocates Association.

b. There shall be established in the State of New Jersey a Court Appointed Special Advocate program which shall serve as a resource to the courts in determining the best interests of any child less than 18 years of age who has been removed from his home due to abuse or neglect. A Court Appointed Special Advocate may continue to undertake activities in furtherance of the child’s best interests, in appropriate cases, until the child who is the subject of the court appointment reaches 21 years of age.

c. Pursuant to the Rules of Court, the court may appoint a special advocate from the CASA program to act on behalf of the court. The special advocate shall undertake certain activities in furtherance of the child’s interests, but shall not supplant or interfere with the role of counsel or guardian ad litem for that child. Any such special advocate shall be a volunteer associated with a court-authorized CASA program. The duties and activities of a CASA program and all of its volunteers shall be subject to guidelines and standards established by the Administrative Director of the Courts.

d. A person seeking to volunteer as a Court Appointed Special Advocate shall be subject to the following:

(1) a criminal history record background check submitted by the Administrative Office of the Courts or its designee to the appropriate authorities. A copy of the results shall be provided to the affiliate CASA program. A person shall not be approved as a Court Appointed Special Advocate if criminal history record information exists on file with the Federal Bureau of Investigation or the Division of State Police which would disqualify that person from serving in that capacity, as determined by the affiliate CASA program; and

(2) a child abuse record information check conducted by the Department of Children and Families to determine if an incident of child abuse or neglect has been substantiated, pursuant to section 4 of P.L.1971, c.437 (C.9:6-8.11), against the prospective CASA volunteer. The department shall cooperate by conducting the child abuse record information check and providing the results to the affiliate CASA program.
If a prospective volunteer refuses to consent to, or cooperate in, the securing of a criminal history record background check or a child abuse record information check, the person shall not be appointed as a Court Appointed Special Advocate.

e. Upon presentation of an order of appointment, the special advocate shall be provided access to all information and records relevant to the child, including but not limited to: school records, child care records, medical records, mental health records, family court and juvenile court records, and records of the Division of Youth and Family Services in the Department of Children and Families.

f. Any special advocate or affiliate CASA program staff member acting in good faith within the scope of his appointment or employment shall have immunity from any civil or criminal liability that otherwise might result by reason of his actions or failure to act, except in cases of willful or wanton misconduct.

(2) (Deleted by amendment, P.L.2005, c.165).

(4) A party in a subsequent legal proceeding involving the juvenile, upon approval by the court.

d. A law enforcement or prosecuting agency shall, at the time of a charge, adjudication or disposition, send written notice to the principal of the school where the juvenile is enrolled of the identity of the juvenile charged, the offense charged, the adjudication and the disposition if:

(1) The offense occurred on school property or a school bus, occurred at a school-sponsored function or was committed against an employee or official of the school; or

(2) The juvenile was taken into custody as a result of information or evidence provided by school officials; or
(3) The offense, if committed by an adult, would constitute a crime, and the offense:

(a) resulted in death or serious bodily injury or involved an attempt or conspiracy to cause death or serious bodily injury; or
(b) involved the unlawful use or possession of a firearm or other weapon; or
(c) involved the unlawful manufacture, distribution or possession with intent to distribute a controlled dangerous substance or controlled substance analog; or

Information provided to the principal pursuant to this subsection shall be maintained by the school and shall be treated as confidential but may be made available to such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or for planning programs relevant to a juvenile's educational and social development.

e. Nothing in this section prohibits a law enforcement or prosecuting agency from providing the principal of a school with information identifying one or more juveniles who are under investigation or have been taken into custody for commission of any act that would constitute an offense if committed by an adult when the law enforcement or prosecuting agency determines that the information may be useful to the principal in maintaining order, safety or discipline in the school or in planning programs relevant to the juvenile's educational and social development. Information provided to the principal pursuant to this subsection shall be treated as confidential but may be made available to such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or for planning programs relevant to the juvenile's educational and social development. No information provided pursuant to this section shall be maintained.

f. Information as to the identity of a juvenile adjudicated delinquent, the offense, the adjudication and the disposition shall be disclosed to the public where the offense for which the juvenile has been adjudicated delinquent if committed by an adult, would constitute a crime of the first, second or third degree, or aggravated assault, destruction or damage to property to an extent of more than $500.00, unless upon application at the time of disposition the juvenile demonstrates a substantial likelihood that specific and
extraordinary harm would result from such disclosure in the specific case. Where the court finds that disclosure would be harmful to the juvenile, the reasons therefor shall be stated on the record.

g. (1) Nothing in this section shall prohibit the establishment and maintaining of a central registry of the records of law enforcement agencies relating to juveniles for the purpose of exchange between State and local law enforcement agencies and prosecutors of this State, another state, or the United States. These records of law enforcement agencies shall be available on a 24-hour basis.

(2) Certain information and records relating to juveniles in the central registry maintained by the courts, as prescribed in paragraph (12) of subsection a. of this section, shall be available to State and local law enforcement agencies and prosecutors on a 24-hour basis.

i. Juvenile delinquency proceedings.

(1) Except as provided in paragraph (2) of this subsection, the court may, upon application by the juvenile or his parent or guardian, the prosecutor or any other interested party, including the victim or complainant or members of the news media, permit public attendance during any court proceeding at a delinquency case, where it determines that a substantial likelihood that specific harm to the juvenile would not result. The court shall have the authority to limit and control attendance in any manner and to the extent it deems appropriate;

(2) The court or, in cases where the county prosecutor has entered an appearance, the county prosecutor shall notify the victim or a member of the victim's immediate family of any court proceeding involving the juvenile and the court shall permit the attendance of the victim or family member at the proceeding except when, prior to completing testimony as a witness, the victim or family member is properly sequestered in accordance with the law or the Rules Governing the Courts of the State of New Jersey or when the juvenile or the juvenile's family member shows, by clear and convincing evidence, that such attendance would result in a substantial likelihood that specific harm to the juvenile would result from the attendance of the victim or a family member at a proceeding or any portion of a
proceeding and that such harm substantially outweighs the interest of the victim or family member to attend that portion of the proceeding;

(3) The court shall permit a victim, or a family member of a victim to make a statement prior to ordering a disposition in any delinquency proceeding involving an offense that would constitute a crime if committed by an adult.

j. The Department of Education, in consultation with the Attorney General, shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations concerning the creation, maintenance and disclosure of pupil records including information acquired pursuant to this section.

2. This act shall take effect immediately.

AN ACT establishing a Community Service Phase Two Pilot Enhancement Program in the Department of Education.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   b. Under the pilot program, the Commissioner of Education selected 30 pilot schools, and high school juniors within those schools completed a minimum of 15 hours of community service during the evenings, on weekends, or during the summer;
   c. The purpose of the program was to evaluate whether the establishment of a service requirement for high school students would provide young people with an opportunity to help them mature into responsible citizens with strong social and moral values, and to determine the advisability of the pilot program’s continuation and expansion to all high schools within the State;
   d. Students in the pilot districts participated in a wide array of community service activities such as mentoring programs, senior citizen support programs, and environmental awareness programs, and offered their services in diverse settings such as food banks, soup kitchens, nursing homes, and animal welfare shelters;
   e. The schools that participated in the pilot program acknowledged the positive outcomes of including a service requirement for high school students and identified certain barriers that may have prevented certain pilot schools from implementing the program more successfully;
   f. On January 14, 2009, the commissioner, in accordance with the requirements of P.L.2005, c.220, issued a report to the Legislature that included recommendations concerning the continuation of a high school service program and possible changes to such a program based on the lessons learned from the initial pilot program; and
   g. The commissioner’s report recommended that prior to expanding a service requirement to all high schools in the State a Community Service Phase Two Pilot Enhancement Program be established specifically geared to reflect suggested modifications based on the experience gained and the data collected from the initial pilot program.
2. a. The Commissioner of Education, in consultation with the Secretary of State, shall establish a four-year Community Service Phase Two Pilot Enhancement Program. Under the pilot program, a student who enters grade nine in the 2010-2011 school year in a selected pilot school shall complete a minimum of 20 hours of community service over the four years of high school. The student:

(1) may complete the community service requirement during the evenings, on weekends, during the summer, or during school hours. The service activities may take place on or off campus;

(2) may complete the community service requirement with a non-profit agency or organization, a public agency or institution, a non-profit or for-profit health care facility, or any other community organization which the commissioner deems appropriate; and

(3) shall not receive compensation for community service or substitute employment for the service requirement.

b. The commissioner shall select 15 schools to participate in the pilot program based upon the commissioner’s evaluation of the school’s ability to successfully implement the program. In selecting the schools to participate, the commissioner shall include urban and suburban schools, and shall select five schools in each of the northern, central, and southern regions of the State. The board of education of the school district of a selected school may choose not to participate in the pilot program.

The commissioner shall ensure that the program includes a data collection component in order to determine strategies that would be most effective for implementing a Statewide program.

c. The commissioner shall authorize the board of education of a school district in which a selected school is located to exempt a student from all or part of the community service requirement if, in the judgment of the board, the requirement would result in undue hardship for the student. In addition, the commissioner may authorize the board of education to exempt a student who is classified pursuant to chapter 46 of Title 18A of the New Jersey Statutes from all or part of the service required pursuant to the pilot program if, in the judgment of the board, the performance of that service would be inconsistent with the Individual Education Plan of that student.

3. No school district or employee shall be held liable for any good faith act or omission consistent with the provisions of this act. Good faith shall not include willful misconduct, gross negligence, or recklessness.
4. The commissioner shall periodically review the progress of the Community Service Phase Two Pilot Enhancement Program to ensure that the program is achieving the intended goals, and shall report to the Governor and Legislature by December, 2014 on the effectiveness of the pilot program. The report shall include a recommendation on the advisability of the pilot program’s continuation and expansion to all high schools within the State.

5. Nothing in this act shall be construed to exempt the agencies, organizations, and institutions which permit high school students to perform community service from complying with child labor laws pursuant to P.L.1940, c.153 (C.34:2-21.1 et seq.).

The commissioner shall consult with the Division of Wage and Hour Compliance in the Department of Labor and Workforce Development to ensure that the pilot program is in compliance with all relevant federal and State child labor laws and regulations.

6. The State Board of Education shall adopt rules and regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to effectuate the purposes of this act.

7. This act shall take effect immediately.

1. The Legislature finds and declares that as school districts that receive federal funding under Title I of the Elementary and Secondary Education Act of 1965 (20 U.S.C. s.6301 et seq.) come under greater pressure to meet standards and demonstrate higher student performance, teachers in those districts are being forced to focus more on curriculum and student test preparation. In response to this pressure, the paraprofessionals that assist teachers are assuming greater responsibility for supporting students in the classroom and the school environment. Paraprofessionals perform a critically important role in providing a thorough and efficient education to the State’s public school students. It is therefore fitting and proper to establish measures to enhance employment stability and promote professional development for these individuals.

C.18A:27-10.2 Contract, written notice relative to employment of paraprofessional.

2. a. As used in this section, “paraprofessional” means an individual who is employed in a school district as a school aide or classroom aide who assists a teaching staff member with the supervision of pupil activities.

   b. On or before May 15 in each year, a paraprofessional continuously employed since the preceding September 30 in a school district that receives funding under Title I of the federal Elementary and Secondary Education Act of 1965 (20 U.S.C. s. 6301 et seq.) shall receive either:

      (1) a written offer of a contract for employment from the board of education for the next succeeding year providing for at least the same terms and conditions of employment but with such increases in salary as may be required by law or policies of the board of education; or

      (2) a written notice from the chief school administrator that employment will not be offered.

C.18A:27-10.3 Dismissal, reduction in compensation; conditions.

3. a. As used in this section, “paraprofessional” means an individual who is employed in a school district as a school aide or classroom aide who assists a teaching staff member with the supervision of pupil activities.

   b. A paraprofessional employed in a school district that receives funding under Title I of the federal Elementary and Secondary Education Act of 1965 (20 U.S.C. s.6301 et seq.) shall be dismissed or reduced in compensation during the term of a contract only for just cause, and may not be dismissed for arbitrary or capricious reasons. A paraprofessional who is dismissed or reduced in compensation shall receive notice of the basis for the dismissal or reduction in compensation and have an opportunity to be heard.
c. Nothing in this section shall be construed to grant tenure to a paraprofessional, interfere with the provisions of a collective bargaining agreement, or affect any other right or remedy that may be available to a school district or paraprofessional pursuant to law.

C.18A:27-10.4 Student teaching performed in district of employment.

4. a. As used in this section, "paraprofessional" means an individual who is employed in a school district as a school aide or classroom aide who assists a teaching staff member with the supervision of pupil activities.

b. Prior to the beginning of the first full academic year following the enactment of P.L.2009, c.227 (C.18A:27-10.1 et seq.), a regionally-accredited institution of higher education offering coursework for a New Jersey instructional certificate shall adopt policies and procedures to allow a student who is enrolled in a teacher preparation program offered by the institution and who is a paraprofessional employed in a school district that receives funding under Title I of the federal Elementary and Secondary Education Act of 1965 (20 U.S.C. s.6301 et seq.) to perform his student teaching experience in the district in which he is employed. The institution shall enter into an agreement with the district in which the paraprofessional is employed to authorize the student teaching.

c. Prior to the beginning of the first full school year following the enactment of P.L.2009, c.227 (C.18A:27-10.1 et seq.), a school district that receives funding under Title I of the federal Elementary and Secondary Education Act of 1965 (20 U.S.C. s.6301 et seq.) shall adopt policies and procedures to allow a paraprofessional who is employed by the district and who is enrolled in a teacher preparation program at a regionally-accredited institution of higher education to perform his student teaching experience in the district. The district shall enter into an agreement with the institution of higher education in which the paraprofessional is enrolled to authorize the student teaching experience in the district.

d. A school district that receives funding under Title I of the federal Elementary and Secondary Education Act of 1965 (20 U.S.C. s.6301 et seq.) shall provide, if feasible, a paraprofessional who is student teaching in the district pursuant to this section with a modified work schedule that enables the paraprofessional to complete the student teaching experience while employed as a paraprofessional.

5. This act shall take effect immediately.

The standards shall concern the subject matter and the number and type of continuing education credits to be required.
   b. The board shall approve education programs relevant to landscape irrigation and water conservation and designate by regulation the number of credits to be given for continuing education.
   c. The board shall approve other equivalent educational programs including, but not limited to, programs provided by educational institutions, irrigation associations and other relevant professional and technical associations, as well as relevant trade groups and shall establish procedures for the issuance of credit upon the satisfactory completion of these programs.

11. This act shall take effect on the 180th day after the date of enactment, but the board may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

CHAPTER 230

AN ACT establishing the New Jersey Chronic Kidney Disease Task Force.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. Chronic kidney disease, or CKD, includes conditions that damage the kidneys and decrease their ability to keep a person healthy by performing their normal functions;
   b. Experts believe that many persons with kidney disease never progress to renal dialysis because they die from other conditions such as cardiovascular disease that are associated with kidney disease;
   c. CKD can lead to complications such as high blood pressure, anemia, weak bones, poor nutritional health, and nerve damage, and increases a person's risk of having heart and blood vessel disease;
   d. When kidney disease progresses, it may eventually lead to kidney failure, which requires dialysis or a kidney transplant to maintain life;
   e. The two main causes of CKD are diabetes and high blood pressure, which are responsible for up to two-thirds of the cases;
   f. Many persons with CKD may not have any severe symptoms until their kidney disease is advanced; however, symptoms may include: fatigue; difficulty concentrating; poor appetite; difficulty sleeping; muscle cramping at night; swollen feet and ankles; puffiness around the eyes, especially in the morning; dry, itchy skin; and the need to urinate frequently, especially at night;
   g. Anyone can develop CKD at any age; however, those who may be at increased risk for kidney disease include persons who: have diabetes, high blood pressure, or a family history of CKD; are older; or belong to a population group that has a high rate of diabetes or high blood pressure, such as African Americans, Hispanic Americans, Asians, Pacific Islanders, and American Indians;
   h. Some 20 million Americans, or one in nine adults nationwide, have CKD, and another 20 million more are at increased risk;
   i. Heart disease is the major cause of death for all people with CKD; however, early detection can help prevent the progression of kidney disease to kidney failure, and three simple tests can detect CKD: blood pressure; urine albumin; and serum creatinine;
   j. Initiatives and organizations such as Healthy People 2010, the National Kidney Foundation, and the National Institute of Diabetes & Digestive & Kidney Diseases have identified CKD as a public health issue and are advocating early diagnosis and treatment;
k. Unmanaged and undetected CKD manifests itself in increased health care expenditures, increased hospitalizations, more rapid progression of cardiovascular disease, increased mortality, and earlier initiation of renal dialysis;

1. Early diagnosis of CKD and treatment of its co-morbid conditions will lead to better identification of high-risk patients, improved patient outcomes, and cost savings through reduced need for high-cost health care services; and

m. It is in the public interest for the State to provide for a comprehensive review and recommendations concerning cost-effective means to enhance early screening, diagnosis, and treatment of CKD and its complications.

2. a. There is established the New Jersey Chronic Kidney Disease Task Force in the Department of Health and Senior Services.

The purpose of the task force shall be to:

(1) develop a plan to educate the public and health care professionals about the advantages and methods of early screening, diagnosis, and treatment of chronic kidney disease and its complications based on kidney disease outcomes, evidence-based clinical practice guidelines for chronic kidney disease, or other medically recognized clinical practice guidelines;

(2) make recommendations on the implementation of a cost-effective plan for early screening, diagnosis, and treatment of chronic kidney disease Statewide; and

(3) identify barriers to the adoption of best practices and potential public policy options to address these barriers.

b. The task force shall consist of 13 members as follows:

(1) the Director of the Office of Minority and Multicultural Health in the Department of Health and Senior Services, who shall serve ex officio;

(2) 10 public members, who shall be appointed by the Commissioner of Health and Senior Services no later than the 60th day after the effective date of this act, as follows: six licensed physicians practicing in this State, including two nephrologists, one of whom is a pediatric nephrologist, two family physicians, and two pathologists; one person who represents the State affiliate of the National Kidney Foundation; one person who represents providers of private renal dialysis services in this State; one person who represents owners or operators of licensed clinical laboratories in this State; and one person who has a chronic kidney disease and is not in one of the previous membership categories set forth in this paragraph; and
(3) two public members with a demonstrated expertise in issues relating to the work of the task force, one of whom shall be appointed by the President of the Senate and one of whom shall be appointed by the Speaker of the General Assembly.

Vacancies in the membership of the task force shall be filled in the same manner provided for the original appointments.

c. The task force shall organize as soon as practicable following the appointment of its members and shall select a chairperson and vice-chairperson from among the members. The chairperson shall appoint a secretary who need not be a member of the task force.

d. The public members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the task force.

e. The task force shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes.

f. The task force may meet and hold hearings as it deems appropriate.

g. The Department of Health and Senior Services shall provide staff support to the task force.

3. The task force shall report its findings and recommendations to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), along with any legislative bills that it desires to recommend for adoption by the Legislature, no later than 12 months after the initial meeting of the task force.

4. This act shall take effect immediately and shall expire upon the issuance of the task force report.

C.40A:4-54.1 Emergency funding for certain employee group insurance programs.

1. Whenever the accumulated deficits of a municipal health insurance fund established pursuant to P.L.1983, c.372 (C.40A:10-36 et seq.) exceed an amount equal to 10% of the current year’s total assessments, the commissioners of the fund may adopt a resolution declaring a special emergency for the purpose of funding obligations to satisfy the accumulated deficits of the employee group insurance programs administered by the fund. The resolution must be adopted no later than 90 days after the fund year end. No resolution adopted by the commissioners for the purpose of authorizing special emergency appropriations for the insurance fund shall take effect without the approval of the Local Finance Board and the Commissioner of Banking and Insurance. The special emergency may be funded for up to three years pursuant to the provisions of either section 3 of P.L.1961, c.22 (C.40A:4-55.3) or section 4 of P.L.1961, c.22 (C.40A:4-55.4).

C.40A:4-54.2 Certified copy of resolution, submission.

2. The municipal health insurance fund shall forward a certified copy of the resolution to each fund member and the Local Finance Board and the Commissioner of Banking and Insurance. The fund shall submit a report to the Local Finance Board and the Commissioner of Banking and Insurance setting forth the elements of the accumulated deficit and provide a detailed plan that will enable the fund to retire the accumulated deficit no later than the last day of the third year following the date of the adoption of the resolution authorizing special emergency appropriations.

C.40A:4-54.3 Notice provided to members.

3. After a resolution authorizing special emergency appropriations has been approved by the Local Finance Board and the Commissioner of Banking and Insurance the municipal health insurance fund shall provide notice to each member that the resolution was approved. The fund’s annual assessment shall provide sufficient detail to allow each fund member to determine what portion currently relates to the current fund assessment and what portion relates to the funding of the accumulated deficit. On behalf of members who require relief from the adjusted tax levy provisions of section 10 of P.L.2007, c.62 (C.40A:4-45.45) in order to meet their pro rata share of the deficit assessment, the fund may file a single request for waiver for all members who require such relief. The Local Finance Board shall be authorized to approve such a consolidated waiver request.
CHAPTER 232, LAWS OF 2009

4. This act shall take effect immediately.

3. a. A judgment of conviction for stalking shall operate as an application for a permanent restraining order limiting the contact of the defendant and the victim who was stalked.

b. A hearing shall be held on the application for a permanent restraining order at the time of the verdict or plea of guilty unless the victim requests otherwise. This hearing shall be in Superior Court. A permanent restraining order may grant the following specific relief:

As used in this paragraph, “communication” shall have the same meaning as defined in subsection q. of N.J.S.2C:1-14.

c. The permanent restraining order entered by the court subsequent to a conviction for stalking as provided in this act may be dissolved upon the application of the stalking victim to the court which granted the order.
d. Notice of permanent restraining orders issued pursuant to this act shall be sent by the clerk of the court or other person designated by the court to the appropriate chiefs of police, members of the State Police and any other appropriate law enforcement agency or court.

e. Any permanent restraining order issued pursuant to this act shall be in effect throughout the State, and shall be enforced by all law enforcement officers.

f. A violation by the defendant of an order issued pursuant to this act shall constitute an offense under subsection a. of N.J.S.2C:29-9 and each order shall so state. Violations of these orders may be enforced in a civil or criminal action initiated by the stalking victim or by the court, on its own motion, pursuant to applicable court rules. Nothing in this act shall preclude the filing of a criminal complaint for stalking based on the same act which is the basis for the violation of the permanent restraining order.

CHAPTER 235

AN ACT concerning the Franchise Practices Act and amending P.L.1971, c.356.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1971, c.356 (C.56:10-2) is amended to read as follows:

C.56:10-2 Legislative findings.

2. The Legislature finds and declares that distribution and sales through franchise arrangements in the State of New Jersey vitally affects the general economy of the State, the public interest and the public welfare. It is therefore necessary in the public interest to define the relationship and responsibilities of franchisors and franchisees in connection with franchise arrangements and to protect franchisees from unreasonable termination by franchisors that may result from a disparity of bargaining power between national and regional franchisors and small franchisees. The Legislature finds that these protections are necessary to protect not only retail busi-
nesses, but also wholesale distribution franchisees that, through their efforts, enhance the reputation and goodwill of franchisors in this State. Further, the Legislature declares that the courts have in some cases more narrowly construed the Franchise Practices Act than was intended by the Legislature.

2. Section 3 of P.L.1971, c.356 (C.56:10-3) is amended to read as follows:

C.56:10-3 Definitions.

3. As used in this act:
   a. "Franchise" means a written arrangement for a definite or indefinite period, in which a person grants to another person a license to use a trade name, trade mark, service mark, or related characteristics, and in which there is a community of interest in the marketing of goods or services at wholesale, retail, by lease, agreement, or otherwise.
   b. "Person" means a natural person, corporation, partnership, trust, or other entity and, in case of an entity, it shall include any other entity which has a majority interest in such entity or effectively controls such other entity as well as the individual officers, directors, and other persons in active control of the activities of each such entity.
   c. "Franchisor" means a person who grants a franchise to another person.
   d. "Franchisee" means a person to whom a franchise is offered or granted.
   e. "Sale, transfer or assignment" means any disposition of a franchise or any interest therein, with or without consideration, to include but not be limited to bequest, inheritance, gift, exchange, lease or license.
   f. "Place of business" means a fixed geographical location at which the franchisee displays for sale and sells the franchisor's goods or offers for sale and sells the franchisor's services. Place of business shall not mean an office, a warehouse, a place of storage, a residence or a vehicle, except that with respect to persons who do not make a majority of their sales directly to consumers, "place of business" means a fixed geographical location at which the franchisee displays for sale and sells the franchisor's goods or offers for sale and sells the franchisor's services, or an office or a warehouse from which franchisee personnel visit or call upon customers or from which the franchisor's goods are delivered to customers.

3. This act shall take effect immediately.

CHAPTER 236

AN ACT establishing the Nursing Faculty Loan Redemption Program and supplementing chapter 71B of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:71C-50 Short title.
1. This act shall be known and may be cited as the “Nursing Faculty Loan Redemption Program Act.”

C.18A:71C-51 Findings, declarations relative to the Nursing Faculty Loan Redemption Program.
2. The Legislature finds and declares that:
   a. This State is experiencing a critical shortage in its nursing workforce, which is expected to worsen in the next two decades. In New Jersey, as well as nationwide, the shortage of faculty in schools of nursing is reaching crisis proportions. Insufficient numbers of faculty hinder schools’ efforts to increase their capacity.
   b. According to projections by the Health Resources and Services Administration of the federal Department of Health and Human Services, New Jersey is estimated to be 49% below demand, resulting in a shortfall of 42,400 registered professional nurse full-time equivalent positions throughout the State by 2020.
   c. The demand for nurses at all levels of training and in all health care settings, including hospitals, nursing homes, veterans’ homes and home health care and community-based programs, is increasing as the population gets older. Recent data from schools of nursing in New Jersey show that there is an increased interest in nursing by potential students; 67% of schools of nursing in the State turned away qualified student applicants and 57% report numbers of enrollments greater than their current capacity to educate students.
   d. The average age of New Jersey’s registered professional nurses and licensed practical nurses is increasing each year; in 2007 54.4% of the State’s registered professional nurses were between 46 and 60 years of age and 13.3% were more than 60 years of age; 29% of non-retired registered professional nurses were older than 55 years of age. These findings indicate that, assuming the majority of nurses retire at 65 years of age, the State will need to replace one third of its nursing workforce over the next 10 years.
e. The number of full-time faculty positions currently budgeted in New Jersey's schools of nursing totals 575 full-time equivalents. Of these, six percent, or 35 full-time equivalents, were vacant in October 2004; 54% of the nursing schools in the State reported faculty vacancies.

f. The faculty shortage is part of the larger picture and all areas must be addressed as nurses are vital to the public's health. Research indicates that without sufficient numbers of well-qualified nurses, patients' lives and well-being are at increased risk. The minimum educational requirement of a nursing instructor according to the New Jersey Board of Nursing regulations is a master's degree in nursing (MSN). For nursing faculty in the State's 13 associate degree programs in community colleges and 11 diploma programs in hospitals, a MSN is required. Many schools also require that faculty be certified in the specialty practice area in which they teach.

C.18A:71C-52 Definitions relative to the Nursing Faculty Loan Redemption Program.

3. As used in this act:

"Approved graduate degree program" means a master's degree in nursing (MSN), a doctor of nursing science degree (DNS), a doctor of nursing practice degree (DPN), a doctor of philosophy degree (PhD) in nursing or another relevant field of study.

"Authority" means the Higher Education Student Assistance Authority established pursuant to N.J.S.18A:71A-3.

"Eligible student loan expenses" means the cumulative total of the annual student loans covering the cost of attendance at an approved graduate degree program. Interest paid or due on student loans that an applicant has taken out for use in paying the costs of such education shall be considered eligible for reimbursement under the program.

"Participant" means a person who has completed an approved graduate degree program at an accredited public or independent institution of higher education, and who participates in the program.

"Program" means the Nursing Faculty Loan Redemption Program established pursuant to this act.

C.18A:71C-53 Nursing Faculty Loan Redemption Program established.

4. a. There is established within the Higher Education Student Assistance Authority the Nursing Faculty Loan Redemption Program. The purpose of the program is to address the current and projected critical shortage of nursing faculty in the State by providing an incentive for persons to enter graduate nursing education programs and for persons already trained as
nurses to advance their training in the profession so as to ensure that sufficient numbers of nursing faculty are available to train nursing students, and the State's hospitals, nursing homes, veterans' facilities and home care services and community care programs will have sufficient, trained nursing staff in the future to provide quality health care services to the residents of this State.

The program shall provide loan redemption in exchange for full-time faculty employment at a school of nursing in the State for a five-year period following completion of the approved graduate degree program. The authority may establish a limit on the total amount of student loans which may be redeemed for participants under the program.

b. In developing the program, the authority shall collaborate with the Robert Wood Johnson Foundation New Jersey Nursing Initiative and such other entities as the authority deems appropriate.

C.18A:71C-54 Eligibility for participation in program.
5. To be eligible to participate in the program, an applicant shall:
   a. be a resident of the State and maintain domicile in the State during participation in the program; and
   b. (1) have obtained a master’s degree in nursing (MSN), a doctor of nursing science degree (DNS), a doctor of nursing practice degree (DNP), a doctor of philosophy degree (PhD) in nursing or another relevant field of study within a one-year period prior to being hired for full-time faculty employment on or after the date of enactment of this act; and
      (2) have maintained a grade point average of 3.0 or higher on a scale of 4.0, or its equivalent, while enrolled in an approved graduate degree program.

C.18A:71C-55 Application to authority for loan redemption.
6. a. A graduate nursing student or graduate may apply to the authority for a loan redemption in such manner as prescribed by the authority.
   b. A program participant shall enter into a written contract with the authority to participate in the program. The contract shall specify the duration of the applicant’s required service and the total amount of eligible student loan expenses to be redeemed by the authority in return for service.
   c. A participant who has entered into a redemption contract with the authority may nullify that contract by submitting written notification to the authority and assuming full responsibility for repayment of the full amount of the loan or that portion of the loan that has not been redeemed by the State in return for partial fulfillment of the contract.
d. In the case of a participant's death or total or permanent disability, the authority shall nullify the service obligation of the participant; or where continued enforcement of the contract may result in extreme hardship, the authority may nullify or suspend the participant's service obligation.

C.18A:71C-56 Annual report on the program.
7. The authority shall annually submit to the Governor, and pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), the chairman of the Senate Budget and Appropriations Committee, the chairman of the Assembly Appropriations Committee, the chairmen of the Senate and Assembly Education Committees, and the chairmen of the Senate and Assembly Health Committees, a report on the program. The report shall be submitted no later than August 1 of each year and shall include, but not be limited to, the following information for the prior fiscal year:
   a. the total number of participants receiving loan redemption under the program;
   b. the total number of participants who withdrew from the program or failed to complete the program's employment requirement; and
   c. the effect of the program on filling vacant nursing faculty positions in the State and eliminating the need to turn away qualified nursing school applicants.

8. The Higher Education Student Assistance Authority shall adopt, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations as may be necessary to implement the provisions of this act.

C.18A:71C-58 Dedication of appropriated funds.
9. Of the funds annually appropriated for the Primary Care Practitioner Loan Redemption Program established in the Higher Education Student Assistance Authority pursuant to N.J.S.18A:71C-32 et seq., 25% shall be dedicated to the Nursing Faculty Loan Redemption Program established pursuant to this act. The program shall be administered directly by the Higher Education Student Assistance Authority.

10. This act shall take effect July 1, 2010; however, the authority may take such anticipatory administrative action in advance thereof as shall be necessary to implement the provisions of this act.

In the sale of lots pursuant to the provisions of R.S.45:15-1 et seq., the term "real estate broker" shall also include any person, partnership, association or corporation employed by or on behalf of the owner or owners of lots or other parcels of real estate, at a stated salary, or upon a commission, or upon a salary and commission, or otherwise, to sell such real estate, or any parts thereof, in lots or other parcels, and who shall sell or exchange, or offer or attempt or agree to negotiate the sale or exchange, of any such lot or parcel of real estate.

3. R.S.45:15-9 is amended to read as follows:

Real estate licenses.

45:15-9. All persons desiring to become real estate brokers, broker-salespersons, salespersons or referral agents shall apply to the commission for a license under the provisions of R.S.45:15-1 et seq. Every applicant for a license as a broker, broker-salesperson, salesperson or referral agent
shall be of the age of 18 years or over, and in the case of an association or a corporation the directors thereof shall be of the age of 18 years or over. Application for a license, whether as a real estate broker, broker-salesperson, salesperson or referral agent, shall be made to the commission upon forms prescribed by it and shall be accompanied by an application fee of $50 which fee shall not be refundable. Every applicant for a license whether as a real estate broker, broker-salesperson, salesperson or referral agent shall have the equivalent of a high school education. The issuance of a license to an applicant who is a nonresident of this State shall be deemed to be his irrevocable consent that service of process upon him as a licensee in any action or proceeding may be made upon him by service upon the secretary of the commission or the person in charge of the office of the commission. The applicant shall furnish evidence of good moral character, and in the case of an association, partnership or corporation, the members, officers or directors thereof shall furnish evidence of good moral character. The commission may make such investigation and require such proof as it deems proper and in the public interest as to the honesty, trustworthiness, character and integrity of an applicant. Any applicant for licensure pursuant to this section and any officer, director, partner or owner of a controlling interest of a corporation or partnership filing for licensure pursuant to this section shall submit to the commission the applicant's name, address, fingerprints and written consent for a criminal history record background check to be performed. The commission is hereby authorized to exchange fingerprint data with and receive criminal history record information from the State Bureau of Identification in the Division of State Police and the Federal Bureau of Investigation consistent with applicable State and federal laws, rules and regulations, for the purposes of facilitating determinations concerning licensure eligibility. The applicant shall bear the cost for the criminal history record background check, including all costs of administering and processing the check. The Division of State Police shall promptly notify the commissioner in the event a current holder of a license or prospective applicant, who was the subject of a criminal history record background check pursuant to this section, is arrested for a crime or offense in this State after the date the background check was performed. Every applicant for a license as a broker or broker-salesperson shall have first been the holder of a New Jersey real estate salesperson's license and have been actively engaged on a full-time basis in the real estate brokerage business in this State as a real estate salesperson for three years immediately preceding the date of application, which requirement may be waived by the commission where the applicant has been the holder of a broker's license in another
state and actively engaged in the real estate brokerage business for at least three years immediately preceding the date of his application, meets the educational requirements and qualifies by examination. No license as a broker shall be granted to a general partnership or corporation unless at least one of the partners or officers of said general partnership or corporation qualifies as and holds a license as a broker to transact business in the name and on behalf of said general partnership or corporation as its authorized broker and no such authorized broker shall act as a broker on his own individual account unless he is also licensed as a broker in his individual name; the license of said general partnership or corporation shall cease if at least one partner or officer does not hold a license as its authorized broker at all times. A change in the status of the license of an authorized broker to an individual capacity or vice versa shall be effected by application to the commission accompanied by a fee of $50. No license as a broker shall be granted to a limited partnership unless its general partner qualifies as and holds a license as a broker to transact business in the name of and on behalf of the limited partnership. In the event that a corporation is a general partner of a limited partnership, no license as a broker shall be granted to the limited partnership unless the corporation is licensed as a broker and one of the officers of the corporation qualifies as and holds a license as the corporation's authorized broker.

An application for licensure as a referral agent and for any renewal thereof shall include a certification signed by the licensed real estate broker by whom the applicant is or will be employed, on a form and in a manner prescribed by the commission, which certification shall confirm that: the broker and the applicant or renewing referral agent have reviewed the restrictions imposed by law upon the activities of a referral agent; and the applicant or referral agent has acknowledged that he is aware that such activity is limited to referring prospective consumers of real estate brokerage services to that broker.

In the event that a person who held a broker, broker-salesperson or salesperson license fails to renew that license and then, in the two years immediately following the expiration date of the last license held, seeks to reinstate such license, the commission shall require, as a condition to such reinstatement during that two-year period, that the applicant submit proof of having completed the continuing education requirement applicable to that license type in the preceding license term.

In the event that any person to whom a broker's or broker-salesperson's license has been or shall have been issued shall fail to renew such license or obtain a new license for a period of more than two but less than five con-
secutive years after the expiration of the last license held, prior to issuing another broker or broker-salesperson license to the person, the commission shall require such person to complete the continuing education requirements applicable to salesperson licensees in the preceding license term, to work as a licensed salesperson on a full-time basis for one full year, to pass the broker's license examination, and to successfully complete a 90-hour general broker's pre-licensure course at a licensed real estate school, as the commission shall prescribe by regulation. In the event that any person to whom a broker's or broker-salesperson's license has been or shall have been issued fails to maintain or renew the license or obtain a new license for a period of more than five consecutive years after the expiration of the last license held, prior to issuing another broker or broker-salesperson license to the person the commission shall require the person to pass the salesperson's license examination and then to work as a licensed salesperson on a full-time basis for three years, to fulfill all of the educational requirements applicable to first time applicants for a broker or broker-salesperson license and to pass the broker's license examination. The commission may, in its discretion, approve for relicensure the former holder of a broker or broker-salesperson license who has not renewed the license or obtained a new license for two or more consecutive years upon a sufficient showing that the applicant was medically unable to do so. All applicants so approved shall pass the broker's license examination and complete the continuing education requirements applicable to broker licensees in the preceding licensure term prior to being relicensed. This paragraph shall not apply to a person reapplying for a broker's or broker-salesperson's license who was licensed as a broker or broker-salesperson and who allowed his license to expire due to subsequent employment in a public agency in this State with responsibility for dealing with matters relating to real estate if the person reapplying does so within one year of termination of that employment.

In the event that any person to whom a salesperson's or a referral agent's license has been or shall have been issued shall fail to maintain or renew such license or obtain a new license for a period of two consecutive years or more after the expiration of the last license held, the commission shall require such person to attend a licensed school and pass the State examination prior to issuance of a further license. The commission may, in its discretion, approve for relicensure a salesperson or a referral agent applicant who has not renewed his license or obtained a new license for two or more consecutive years upon a sufficient showing that the applicant was medically unable to do so. All salesperson or referral agent applicants so approved shall pass the salesperson's license examination and, with respect
to salespersons, complete the continuing education requirements applicable
to salesperson licensees in the preceding licensure term prior to being re­li­censed. This paragraph shall not apply to a person reapplying for a sales­person's or referral agent's license who was a licensed salesperson or refer­ral agent and who allowed his license to expire due to subsequent employ­ment in a public agency in this State with responsibility for dealing with matters relating to real estate if the person reapplying does so within one
year of termination of that employment.

A licensed referral agent who was not previously licensed as a broker,
broker-salesperson, or salesperson and who has been licensed as a referral
agent for the six immediately preceding years or any lesser period of time

hours of continuing education as prescribed by commission rule. A person
who was previously licensed as a broker, broker-salesperson or salesperson
and who has been licensed as a referral agent for the six immediately pre­ceding years or any lesser period of time shall, in order to qualify for the
reissuance of a broker, broker-salesperson or salesperson license, as applic­able, complete up to 30 hours of continuing education as prescribed by
commission rule.

A licensed referral agent who was not previously licensed as a broker,
broker-salesperson or salesperson and who has been licensed as a referral
agent for more than the six immediately preceding years shall, in order to
qualify for licensure as a salesperson, be required to complete the pre­licensure education requirement applicable to candidates for licensure as a
salesperson and pass the State license examination. A person who was
previously licensed as a broker, broker-salesperson or salesperson and who
has been licensed as a referral agent for more than the six immediately pre­ceding years shall, in order to qualify for relicensure as a broker, broker­salesperson or salesperson, as applicable, complete up to 30 hours of con­tinuing education as prescribed by commission rule and pass the broker

Any referral agent seeking licensure as a real estate broker, broker­salesperson or salesperson shall make application for such license on a
form as prescribed by the commission, pay all application and licensure
fees as set forth herein, furnish to the commission evidence of the referral
agent's good moral character, and be subject to investigation by and re­quired to produce to the commission such proof of the referral agent's hon­esty, trustworthiness and integrity as the commission deems proper and in
the public interest.

The commission may make rules and regulations for the conduct of such examinations. 6. Section 54 of P.L.1993, c.51 (C.45:15-10.11) is amended to read as follows:

C.45:15-10.11 Grounds for suspension, revocation of real estate school instructor license.

54. The commission may suspend or revoke the license of any real estate school or instructor or impose fines as provided in R.S.45:15-17 upon satisfactory proof that the licensee is guilty of:

45:15-11. Any citizen of New Jersey who has served in the armed forces of the United States or who served as a member of the American Merchant Marine during World War II and is declared by the United States Department of Defense to be eligible for federal veterans' benefits, who has been honorably discharged, and who, having been wounded or disabled in the line of duty, has completed a program of courses in real estate approved by the New Jersey Real Estate Commission, and who has successfully passed an examination conducted by said commission qualifying him to operate as a real estate broker, broker-salesperson, salesperson or referral agent, may, upon presentation of a certificate certifying that he has completed such program of courses as aforesaid, obtain without cost from the commission and without qualification through experience as a salesperson, a license to operate as a real estate broker, broker-salesperson, real estate salesperson or referral agent, as the case may be, which licenses shall be the same as other licenses issued under R.S.45:15-1 et seq. Renewal of licenses may be granted under this section for each ensuing license term, upon request, without fees therefor.

8. R.S.45:15-14 is amended to read as follows:

**License kept by employing broker.**

45:15-14. All licenses issued to real estate brokers, broker-salespersons, salespersons and referral agents shall be kept by the broker by whom such real estate licensee is employed, and the pocket card accompanying the same shall be delivered by the broker to the licensee who shall have the card in his possession at all times when engaged in the business of a real estate broker, broker-salesperson, salesperson or referral agent. When any real estate licensee is terminated or resigns his employment with the real estate broker by whom he was employed at the time of the issuing of such license to him, notice of the termination shall be given in writing by the broker to the terminated licensee with the effective date of the termination reflected thereon, or notice of the resignation shall be given in writing by the resigning licensee to the broker with the effective date of the resignation reflected thereon. Upon the issuance of a written notice of termination by a broker or his authorized representative, or upon receipt of a written resignation by a broker or his authorized representative, such employer shall within five business days of the effective date of the termination or
resignation, either: a. deliver, or send by registered mail, to the commission, such real estate licensee's license and, at the same time, send a written communication to such real estate licensee at his last known residence, advising him that his license has been delivered or mailed to the commission. A copy of such communication to the licensee shall accompany the license when mailed or delivered to the commission; or, b. deliver to the departing licensee and to the commission any other materials as the commission may prescribe by regulation to accomplish the transfer of the licensee to another employing broker. No real estate licensee shall perform any of the acts contemplated by R.S.45:15-1 et seq., either directly or indirectly, under the authority of such license, from and after the effective date of the licensee's termination or resignation until authorized to do so by the commission. A new license may be issued to such licensee, upon the payment of a fee of $25, and upon the submission of satisfactory proof that he has obtained employment with another licensed broker. A broker-salesperson, salesperson or referral agent must be licensed under a broker; he cannot be licensed with more than one broker at the same time.

9. R.S.45:15-15 is amended to read as follows:

License fees.

45:15-15. The biennial fee for each real estate broker's license shall be $200, the biennial fee for each real estate broker-salesperson's license shall be $200 and the biennial fee for each real estate salesperson's license and each real estate referral agent's license shall be $100. The biennial fee for a branch office license shall be $100. Each license granted under R.S.45:15-1 et seq. shall entitle the licensee to perform all of the acts contemplated herein during the period for which the license is issued, as prescribed by R.S.45:15-1 et seq. If a licensee fails to apply for a renewal of his license prior to the date of expiration of such license, the commission may refuse to issue a renewal license except upon the payment of a late renewal fee in the amount of $20 for a referral agent, salesperson or broker-salesperson and $40 for a broker; provided, however, the commission may, in its discretion, refuse to renew any license upon sufficient cause being shown. The commission shall refuse to renew the license of any licensee convicted of any offense enumerated in section 6 of P.L.1953, c.229 (C.45:15-19.1) during the term of the last license issued by the commission unless the conviction was previously the subject of a revocation proceeding. Renewed licenses may be granted for each ensuing two years upon request of licensees and the payment of the full fee therefor as herein required. Upon application and
payment of the fees provided herein, initial licenses and licenses reinstated pursuant to R.S.45:15-9 may be issued, but the commission may, in its discretion, refuse to grant or reinstate any license upon sufficient cause being shown. The license fees for initial or reinstated licenses shall be determined based upon the biennial fees established herein, with a full biennial fee payable for the license term in which application is received. The revocation or suspension of a broker's license shall automatically suspend every real estate broker-salesperson's, salesperson's and referral agent's license granted to employees of the broker whose license has been revoked or suspended, pending a change of employer and the issuance of a new license. The new license shall be issued without additional charge, if the same is granted during the license term in which the original license was granted. Any renewal fee in this section shall be billed by the commission at or before the time of the submission of a renewal application by a licensee.

A real estate broker who maintains a main office or branch office licensed by the commission which is located in another state shall maintain a valid real estate broker's license in good standing in the state where the office is located and shall maintain a real estate license in that other state for each office licensed by the commission. Upon request, the real estate broker shall provide a certification of his license status in the other state to the commission. Any license issued by the commission to a real estate broker for a main or branch office located outside this State shall be automatically suspended upon the revocation, suspension or refusal to renew the real estate broker's license issued by the state where the office is located. The licenses issued by the commission to every broker-salesperson, salesperson or referral agent employed by the broker shall be automatically suspended pending a change of employer and the issuance of a new license. The new license shall be issued without additional charge if granted during the license term in which the original license was granted.

10. R.S.45:15-16 is amended to read as follows:

Acceptance of commission, valuable consideration.

45:15-16. No real estate salesperson, broker-salesperson or referral agent shall accept a commission or valuable consideration for the performance of any of the acts herein specified, from any person except his employer, who must be a licensed real estate broker.

11. R.S.45:15-17 is amended to read as follows:
Investigation of actions of licensees; suspension or revocation of licenses and causes therefor.

45:15-17. The commission may, upon its own motion, and shall, upon the verified complaint in writing of any person, investigate the actions of any real estate broker, broker-salesperson, salesperson, referral agent, or any person who assumes, advertises or represents himself as being authorized to act as a real estate broker, broker-salesperson, salesperson or referral agent or engages in any of the activities described in R.S.45:15-3 without being licensed so to do. The lapse or suspension of a license by operation of law or the voluntary surrender of a license by a licensee shall not deprive the commission of jurisdiction to proceed with any investigation as herein provided or prevent the commission from taking any regulatory action against such licensee, provided, however, that the alleged charges arose while said licensee was duly licensed. Each transaction shall be construed as a separate offense.

In conducting investigations, the commission may take testimony by deposition as provided in R.S.45:15-18, require or permit any person to file a statement in writing, under oath or otherwise as the commission determines, as to all the facts and circumstances concerning the matter under investigation, and, upon its own motion or upon the request of any party, subpoena witnesses, compel their attendance, take evidence, and require the production of any material which is relevant to the investigation, including any and all records of a licensee pertaining to his activities as a real estate broker, broker-salesperson, salesperson or referral agent. The commission may also require the provision of any information concerning the existence, description, nature, custody, condition and location of any books, documents, or other tangible material and the identity and location of persons having knowledge of relevant facts of any other matter reasonably calculated to lead to the discovery of material evidence. Upon failure to obey a subpoena or to answer questions posed by an investigator or legal representative of the commission and upon reasonable notice to all affected persons, the commission may commence an administrative action as provided below or apply to the Superior Court for an order compelling compliance.

The commission may place on probation, suspend for a period less than the unexpired portion of the license period, or may revoke any license issued under the provisions of R.S.45:15-1 et seq., or the right of licensure when such person is no longer the holder of a license at the time of hearing, or may impose, in addition or as an alternative to such probation, revocation or suspension, a penalty of not more than $5,000 for the first violation, and a penalty of not more than $10,000 for any subsequent violation, which
penalty shall be sued for and recovered by and in the name of the commission and shall be collected and enforced by summary proceedings pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), where the licensee or any person, in performing or attempting to perform any of the acts mentioned herein, is deemed to be guilty of:

a. Making any false promises or any substantial misrepresentation; or
b. Acting for more than one party in a transaction without the knowledge of all parties thereto; or
c. Pursuing a flagrant and continued course of misrepresentation or making of false promises through agents, broker-salespersons, salespersons or referral agents, advertisements or otherwise; or
d. Failure to account for or to pay over any moneys belonging to others, coming into the possession of the licensee; or
e. Any conduct which demonstrates unworthiness, incompetency, bad faith or dishonesty. The failure of any person to cooperate with the commission in the performance of its duties or to comply with a subpoena issued by the commission compelling the production of materials in the course of an investigation, or the failure to give a verbal or written statement concerning a matter under investigation may be construed as conduct demonstrating unworthiness; or
f. Failure to provide his client with a fully executed copy of any sale or exclusive sales or rental listing contract at the time of execution thereof, or failure to specify therein a definite terminal date which terminal date shall not be subject to any qualifying terms or conditions; or
g. Using any plan, scheme or method for the sale or promotion of the sale of real estate which involves a lottery, a contest, a game, a prize, a drawing, or the offering of a lot or parcel or lots or parcels for advertising purposes, provided, however, that a promotion or offer of free, discounted or other services or products which does not require that the recipient of any free, discounted or other services or products enter into a sale, listing or other real estate contract as a condition of the promotion or offer shall not constitute a violation of this subsection if that promotion or offering does not involve a lottery, a contest, a game, a drawing or the offering of a lot or parcel or lots or parcels for advertising purposes. A broker shall disclose in writing any compensation received for such promotion or offer in the form and substance as required by the federal "Real Estate Settlement Procedures Act of 1974," (Pub.L.93-533, 12 U.S.C. ss.2601 et seq.), except that, notwithstanding the provisions of that federal act, written disclosure shall be provided no later than when the promotion or offer is extended by the broker to the consumer; or
h. Being convicted of a crime, knowledge of which the commission did not have at the time of last issuing a real estate license to the licensee; or

i. Collecting a commission as a real estate broker in a transaction, when at the same time representing either party in a transaction in a different capacity for a consideration; or

j. Using any trade name or insignia of membership in any real estate organization of which the licensee is not a member; or

k. Paying any rebate, profit, compensation or commission to anyone not possessed of a real estate license, except that free, discounted or other services or products provided for in subsection g. of this section shall not constitute a violation of this subsection; or

l. Any other conduct, whether of the same or a different character than specified in this section, which constitutes fraud or dishonest dealing; or

m. Accepting a commission or valuable consideration as a real estate broker-salesperson, salesperson or referral agent for the performance of any of the acts specified in this act, from any person, except his employing broker, who must be a licensed broker; or

n. Procuring a real estate license, for himself or anyone else, by fraud, misrepresentation or deceit; or

o. Commingling the money or other property of his principals with his own or failure to maintain and deposit in a special account, separate and apart from personal or other business accounts, all moneys received by a real estate broker, acting in said capacity, or as escrow agent, or the temporary custodian of the funds of others, in a real estate transaction; or

p. Selling property in the ownership of which he is interested in any manner whatsoever, unless he first discloses to the purchaser in the contract of sale his interest therein and his status as a real estate broker, broker-salesperson, salesperson or referral agent; or

q. Purchasing any property unless he first discloses to the seller in the contract of sale his status as a real estate broker, broker-salesperson, salesperson or referral agent; or

r. Charging or accepting any fee, commission or compensation in exchange for providing information on purportedly available rental housing, including lists of such units supplied verbally or in written form, before a lease has been executed or, where no lease is drawn, before the tenant has taken possession of the premises without complying with all applicable rules promulgated by the commission regulating these practices; or
s. Failing to notify the commission within 30 days of having been convicted of any crime, misdemeanor or disorderly persons offense, or of having been indicted, or of the filing of any formal criminal charges, or of the suspension or revocation of any real estate license issued by another state, or of the initiation of formal disciplinary proceedings in another state affecting any real estate license held, or failing to supply any documentation available to the licensee that the commission may request in connection with such matter; or

t. The violation of any of the provisions of R.S.45:15-1 et seq. or of the administrative rules adopted by the commission pursuant to the provisions of R.S.45:15-1 et seq. The commission is expressly vested with the power and authority to make, prescribe and enforce any and all rules and regulations for the conduct of the real estate brokerage business consistent with the provisions of chapter 15 of Title 45 of the Revised Statutes.

If a licensee is deemed to be guilty of a third violation of any of the provisions of this section, whether of the same provision or of separate provisions, the commission may deem that person a repeat offender, in which event the commission may direct that no license as a real estate broker, broker-salesperson, salesperson or referral agent shall henceforth be issued to that person.

12. R.S.45:15-18 is amended to read as follows:

Notification to licensee of charges made in license suspension, revocation.

45:15-18. With the exception of a temporary suspension imposed by the commission pursuant to section 23 of P.L.1993, c.51 (C.45:15-17.1), the commission shall, before suspending or revoking any license, and at least ten days prior to the date set for the hearing, notify in writing the licensee of any charges made, and afford him an opportunity to be heard in person or by counsel. Such written notice may be served either personally or sent by certified mail to the last known business address of the licensee. If the licensee is a broker-salesperson, salesperson or referral agent, the commission shall also notify the broker employing him, specifying the charges made against such licensee, by sending a notice thereof by certified mail to the broker's last known business address. The commission shall have power to bring before it any licensee or any person in this State pursuant to subpoena served personally or by certified mail; or the commission may take testimony by deposition in the same manner as prescribed by law in judicial proceedings in the courts of this State. Any final decision or de-
termination of the commission shall be reviewable by the Appellate Division of the Superior Court.

13. R.S.45:15-19 is amended to read as follows:

Cause for revocation of license.
45:15-19. Any unlawful act or violation of any of the provisions of R.S.45:15-1 et seq., by any real estate broker-salesperson, salesperson or referral agent, shall not be cause for the revocation of any real estate broker's license, unless it shall appear to the satisfaction of the commission that the real estate broker employing such licensee had guilty knowledge thereof.

14. Section 6 of P.L.1953, c.229 (C.45:15-19.1) is amended to read as follows:

C.45:15-19.1 License revoked upon conviction.
6. When, during the term of any license issued by the commission, the licensee shall be convicted in a court of competent jurisdiction in the State of New Jersey or any state (including federal courts) of forgery, burglary, robbery, any theft or related offense with the exception of shoplifting, criminal conspiracy to defraud, or other like offense or offenses, or any crime involving, related to or arising out of the licensee's activities as a real estate broker, broker-salesperson, salesperson or referral agent, and a duly certified or exemplified copy of the judgment of conviction shall be obtained by the commission, the commission shall revoke forthwith the license by it theretofore issued to the licensee so convicted.

15. Section 7 of P.L.1953, c.229 (C.45:15-19.2) is amended to read as follows:

such indictment.

sion prior to July 1, 1994 may be renewed upon payment of the renewal fees
established pursuant to R.S.45:15-15. All nonresident licenses so renewed
shall be issued by the commission in the same form as a resident license. In
the event that any person to whom a nonresident license is issued fails to
maintain or renew the license or to obtain a new license from the commis-
sion for a period of two or more consecutive years, the person shall be re-
quired to fulfill the requirements for initial licensure established pursuant to
R.S.45:15-9 prior to the issuance of any further license.

A licensed broker whose main office is not located within this State
shall only provide brokerage services concerning real estate located within

The additional amount payable by a broker or broker-salesperson shall be $20 and by a salesperson or referral agent, $10.

No order shall be entered unless the claimant, either at the time of filing the civil action or thereafter, files a certification affirming that a criminal complaint alleging the misappropriation of funds by the broker, broker-salesperson, salesperson, referral agent or unlicensed employee has been filed with a law enforcement agency of this State or of a county or municipality in this State. The criminal complaint shall refer to the same conduct
to which reference is made in the civil action as forming the basis for a claim against the real estate guaranty fund. (3) Is sold for resale.

For the purpose of electric sales by an on-site generation facility pursuant to this subsection, an end use customer's property shall be considered contiguous to the property on which the on-site generation facility serving that customer is located if the customer is purchasing thermal energy services produced by the facility, for use for heating or cooling, or both, regardless of any intervening property, public thoroughfare, or transportation or utility-owned right-of-way.

The State Treasurer shall monitor monies deposited into the Energy Tax Receipts Property Tax Relief Fund on an annual basis and may report the results of the State Treasurer's analysis on the fund to the Governor and the Legislature, along with any recommendations on the exemptions in this subsection.

b. Receipts from the purchase or use of the following are exempt from the tax imposed under the "Sales and Use Tax Act," P.L. 1966, c. 30 (C.54:32B-1 et seq.):

(1) Natural gas or utility service that is used to generate electricity that is sold for resale or to an end user other than the end user upon whose property is located a co-generation facility or self-generation unit that generated the electricity or upon the property purchased or leased from the end user by the person owning the co-generation facility or self-generation unit if such property is contiguous to the user's property and is the property upon which is located a co-generation facility or self-generation unit that generated the electricity;
(2) Natural gas and utility service that is used for co-generation at any site at which a co-generation facility was in operation on or before March 10, 1997, or for which an application for an operating permit or a construction permit and a certificate of operation in order to comply with air quality standards under P.L.1954, c.212 (C.26:2C-1 et seq.) has been filed with the Department of Environmental Protection on or before March 10, 1997, to produce electricity for use on that site; and

(3) Natural gas and utility service that is used for co-generation at a co-generation facility that is constructed after January 1, 2010.

c. Notwithstanding any provisions of this section to the contrary, any co-generation facility that was in operation prior to January 1, 2010 and was subject to the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) for the purchase and use of natural gas and utility service for co-generation purposes shall continue to be subject to, and responsible for payment of, such tax after the effective date of P.L.2009, c.240 (C.48:3-77.1 et al.).

C.48:3-77.1 Utilization of locally franchised public utility electric distribution infrastructure.

4. In order to avoid duplication of existing public utility electric distribution infrastructure, and to maximize economic efficiency and electrical safety, delivery of electric power from an on-site generation facility to an off-site end use thermal energy services customer as defined in section 3 of P.L.1999, c.23 (C.48:3-51), shall utilize the existing locally franchised public utility electric distribution infrastructure. The New Jersey electric public utility having franchise rights to provide electric delivery services within the municipality shall provide electric delivery services at the standard prevailing tariff rate that is normally applicable to the individual off-site end use thermal energy services customer.

C.40:55D-66.12 Municipal ordinances relative to small wind energy systems.

1. a. Ordinances adopted by municipalities to regulate the installation and operation of small wind energy systems shall not unreasonably limit such installations or unreasonably hinder the performance of such installations. An application for development or appeal involving a small wind energy system shall comply with the appropriate notice and hearing provisions otherwise required for the application or appeal pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.).

   (3) Requiring a setback from property boundaries for a tower that is greater than 150 percent of the system height. In a municipality that does not adopt specific setback requirements for small wind energy systems, any small wind energy system shall be set back from the nearest property boundary a distance at least equal to 150 percent of the system height; provided, however, that this setback requirement may be reduced by the zoning board of adjustment or, if otherwise appropriate, by the planning board upon application in an individual case if the applicant establishes the conditions for a variance under the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) to the board's satisfaction;

   (4) Setting a noise level limit lower than 55 decibels, as measured at the site property line, or not allowing for limit overages during short-term events such as utility outages and severe wind storms; and

   (5) Setting electrical or structural design criteria that exceed applicable provisions of the State Uniform Construction Code promulgated pursuant to the "State Uniform Construction Code Act," P.L.1975, c.217 (C.52:27D-

If the Commissioner of Environmental Protection has issued a permit for the development of a small wind energy system under the "Coastal Area Facility Review Act," P.L.1973, c.185 (C.13:19-1 et seq.), prior to the effective date of P.L.2009, c.244 (C.40:55D-66.12 et seq.), provisions of subsection b. of this section shall not apply to an application for development for that small wind energy system if the provisions of that subsection would otherwise prohibit approval of the application or require the approval to impose restrictions or limitations on the small wind energy system, including but not limited to restrictions or limitations on tower height or system height, the setback of the system from property boundaries, and noise levels.

d. For the purposes of this section:
“Small wind energy system” means a wind energy conversion system consisting of a wind turbine, a tower, and associated control or conversion electronics, which has a rated capacity consistent with applicable provisions of the State Uniform Construction Code promulgated pursuant to the “State Uniform Construction Code Act,” P.L.1975, c.217 (C.52:27D-119 et seq.) and technical bulletins issued pursuant to section 2 of P.L.2009, c.244 (C.40:55D-66.13), and which will be used primarily for onsite consumption;
“System height” means the height above grade of the tower plus the wind generator;
“Tower height” means the height above grade of the fixed portion of the tower, excluding the wind generator; and
“Wind generator” means blades and associated mechanical and electrical conversion components mounted on top of the tower.

2. Within 10 months of enactment of P.L.2009, c.244 (C.40:55D-66.12 et seq.), the Director of the Division of Codes and Standards in the Department of Community Affairs, in consultation with the Department of Environmental Protection, shall issue a technical bulletin which shall include model municipal ordinances for the construction of small wind energy systems. The Division of Codes and Standards in the Department of Community Affairs shall post the technical bulletin on its Internet website.

3. Small wind energy systems shall be built to comply with all applicable Federal Aviation Administration requirements, including 14 C.F.R. part 77, subpart B regarding installations close to airports, and all applicable airport zoning regulations.

C.40:55D-66.15 Conditions for deeming abandoned; legal action.

4. A small wind energy system that is out of service for a continuous 12-month period shall be deemed abandoned. The municipal zoning enforcement officer may issue a notice of abandonment to the owner of an abandoned small wind energy system. The owner shall have the right to respond to the notice of abandonment within 30 days from the receipt date. The municipal zoning enforcement officer shall withdraw the notice of abandonment and notify the owner that the notice has been withdrawn if the owner provides the municipal zoning enforcement officer with information demonstrating the small wind energy system has not been abandoned. If the small wind energy system is determined to be abandoned, the owner of the small wind energy system shall remove the wind generator from the tower at the owner’s sole expense within three months of receipt of notice of abandonment. If the owner fails to remove the wind generator from the tower, the municipality may pursue a legal action to have the wind generator removed at the owner’s expense.

CHAPTER 250

AN ACT establishing the New Jersey Special Education and Traumatic Brain Injury Task Force.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. A traumatic brain injury is an acquired injury to the brain caused by an external physical force or insult to the brain, resulting in total or partial functional disability or psychosocial impairment, or both;
   b. According to the New Jersey Department of Health and Senior Service’s Center for Health Statistics, in 2007 approximately 1,231 children in New Jersey under the age of 18 were hospitalized with moderate to severe traumatic brain injury, and an additional 22,436 children under 18 were seen in hospital emergency departments with mild traumatic brain injury which may result in reduced concentration, attention, and other performance problems;
   c. In 1998, the category of traumatic brain injury was added to the list of disabilities included in State Board of Education regulations for which a student may be eligible for special education and related services, and currently 1,260 students are receiving special education services under this classification;
   d. A marked discrepancy exists between the number of students receiving special education services under the classification of traumatic brain injury and the number of children who sustain a brain injury each year;
   e. At the time that the State Board of Education adopted the classification category of traumatic brain injury, at least 36 states offered in-service professional development on traumatic brain injury to accompany the introduction of this special education classification. However, no formal training has ever been offered to assist New Jersey educators on how to recognize, classify, and educate students with a traumatic brain injury, resulting in inappropriate classification for many students suffering from such
injury and a lack of educational programs for students who are appropriately classified; and

f. It is therefore in the public interest of the students in this State to establish a New Jersey Special Education and Traumatic Brain Injury Task Force to study instructional practices and strategies that improve recognition of, and benefit students with, a traumatic brain injury and examine the ways in which current State policies affect this population.

2. a. There is hereby established the New Jersey Special Education and Traumatic Brain Injury Task Force. The purpose of the task force shall be to develop best practices and processes for education professionals working with students with a traumatic brain injury; address the needs of students with a traumatic brain injury; study and evaluate practices for recognizing and educating children with traumatic brain injuries of all types, ranging from mild to severe; prepare students with a traumatic brain injury for entry into college or the work force; and examine how current statutes and regulations affect these students in order to develop recommendations to be presented to the Governor and the Legislature. The task force shall also focus upon recognition by all educational professionals of the signs and symptoms of mild traumatic brain injury in order to promote cognitive rest until the student recovers and to help avoid re-injury. The task force shall examine the correlation between traumatic brain injury and psychiatric illness and potential future incarceration.

b. The task force shall consist of 18 members as follows:
(1) the Commissioners of Education and Human Services, or their designee, who shall serve ex officio; and
(2) 16 members who shall be appointed no later than the 30th day after the effective date of this act, as follows:
(a) 14 persons appointed by the Governor, who shall include: one representative of the Department of Education, one representative of the Department of Human Services, one representative of the Department of Health and Senior Services, two representatives of the Brain Injury Association of New Jersey, two parents of children who have suffered a traumatic brain injury, two pediatric rehabilitation professionals with knowledge of traumatic brain injury, one school social worker, one school nurse, one special education teacher, one director of special education services for a school district, and one representative of the Athletic Trainers' Society of New Jersey; and
(b) two members of the public, one selected by the President of the Senate and one selected by the Speaker of the General Assembly, with demonstrated expertise in issues relating to the work of the task force.
Vacancies in the membership of the task force shall be filled in the same manner as the original appointments were made.

c. The Commissioner of Education, or the commissioner's designee, shall serve as chairperson of the task force. The task force shall organize as soon as practicable following the appointment of its members and shall select a vice-chairperson from among its members. The chairperson shall appoint a secretary who need not be a member of the task force.

d. The public members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the task force.

e. The Department of Education shall provide such stenographic, clerical and other administrative assistants, and such professional staff, as the task force requires to carry out its work. The task force shall also be entitled to call to its assistance and avail itself of the services of the employees of any State, county, or municipal department, board, bureau, commission, or agency as it may require and as may be available to it for its purposes.

3. The task force shall report its findings and recommendations to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), along with any legislative bills that it desires to recommend for adoption by the Legislature, no later than 12 months after the initial meeting of the task force.

4. This act shall take effect immediately and shall expire upon the issuance of the task force report.

CHAPTER 251, LAWS OF 2009 2013

Appeal by taxpayer or taxing district; petition; complaint; exception.

54:3-21. a. Except as provided in subsection b. of this section a taxpayer feeling aggrieved by the assessed valuation of the taxpayer's property, or feeling discriminated against by the assessed valuation of other property in the county, or a taxing district which may feel discriminated against by the assessed valuation of property in the taxing district, or by the assessed valuation of property in another taxing district in the county, may on or before April 1, or 45 days from the date the bulk mailing of notification of assessment is completed in the taxing district, whichever is later, appeal to the county board of taxation by filing with it a petition of appeal; provided, however, that any such taxpayer or taxing district may on or before April 1, or 45 days from the date the bulk mailing of notification of assessment is completed in the taxing district, whichever is later, file a complaint directly with the Tax Court, if the assessed valuation of the property subject to the appeal exceeds $1,000,000. In a taxing district where a municipal-wide revaluation or municipal-wide reassessment has been implemented, a taxpayer or a taxing district may appeal before or on May 1 to the county board of taxation by filing with it a petition of appeal or, if the assessed valuation of the property subject to the appeal exceeds $1,000,000, by filing a complaint directly with the State Tax Court. Within ten days of the completion of the bulk mailing of notification of assessment, the assessor of the taxing district shall file with the county board of taxation a certification setting forth the date on which the bulk mailing was completed. If a county board of taxation completes the bulk mailing of notification of assessment, the tax administrator of the county board of taxation shall within ten days of the completion of the bulk mailing prepare and keep on file a certification setting forth the date on which the bulk mailing was completed. A taxpayer shall have 45 days to file an appeal upon the issuance of a notification of a change in assessment. An appeal to the Tax Court by one party in a case in which the Tax Court has jurisdiction shall establish jurisdiction over the entire matter in the Tax Court. All appeals to the Tax Court hereunder shall be in accordance with the provisions of the State Uniform Tax Procedure Law, R.S.54:48-1 et seq.

If a petition of appeal or a complaint is filed on April 1 or during the 19 days next preceding April 1, a taxpayer or a taxing district shall have 20 days from the date of service of the petition or complaint to file a cross-petition of appeal with a county board of taxation or a counterclaim with the Tax Court, as appropriate.

b. No taxpayer or taxing district shall be entitled to appeal either an assessment or an exemption or both that is based on a financial agreement
subject to the provisions of the "Long Term Tax Exemption Law" under the appeals process set forth in subsection a. of this section.

2. R.S.54:4-23 is amended to read as follows:

Assessment of real property; conditions for reassessment.

54:4-23. All real property shall be assessed to the person owning the same on October 1 in each year. The assessor shall ascertain the names of the owners of all real property situate in his taxing district, and after examination and inquiry, determine the full and fair value of each parcel of real property situate in the taxing district at such price as, in his judgment, it would sell for at a fair and bona fide sale by private contract on October 1 next preceding the date on which the assessor shall complete his assessments, as hereinafter required; provided, however, that in determining the full and fair value of land which is being assessed and taxed under the Farmland Assessment Act of 1964, chapter 48, laws of 1964, the assessor shall consider only those indicia of value which such land has for agricultural or horticultural use as provided by said act; and provided further however, that when the assessor has reason to believe that property comprising all or part of a taxing district has been assessed at a value lower or higher than is consistent with the purpose of securing uniform taxable valuation of property according to law for the purpose of taxation, or that the assessment of property comprising all or part of a taxing district is not in substantial compliance with the law and that the interests of the public will be promoted by a reassessment of such property, the assessor shall, after due investigation, make a reassessment of the property in the taxing district that is not in substantial compliance, provided that (1) the assessor has first notified, in writing, the mayor, the municipal governing body, the county board of taxation, and the county tax administrator of the basis of the assessor's determination that a reassessment of that property in the taxing district is warranted and (2) the assessor has submitted a copy of a compliance plan to the county board of taxation for approval. Following a reassessment of a portion of the taxing district pursuant to an approved compliance plan, the assessor shall certify to the county board of taxation, through such sampling as the county board of taxation deems adequate, that the reassessment is in substantial compliance with the portions of the taxing district that were not reassessed. For the purposes of assessment, the assessor shall compute and determine the taxable value of such real property at the level established for the county pursuant to law.
CHAPTER 252, LAWS OF 2009

3. This act shall take effect immediately.

CHAPTER 252

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1987, c.58 (C.52:9Q-10) is amended to read as follows:

C.52:9Q-10 Findings, declarations.

2. The Legislature finds and declares that:

a. The city of Trenton is of unique significance to the State and the nation both as the State capital and center of State governmental operations, and as the site of the battle which in the nation's memory turned the tide toward American independence;

b. The historic and public importance of the city, once contemplated as the site of the nation's capital has too long been neglected in a State which lacks a demographic or commercial center of sufficient magnitude to serve as a focus for State identity and pride, and, as a result, the city is in great need of redevelopment and revitalization;

c. The actions and decisions of the State government are vitally connected to the redevelopment and revitalization of those portions of the city which serve as the commercial center of the community and in which public buildings and historic sites are located;

d. It is a public purpose of this State to establish a capital district within the city and to create a redevelopment corporation operating within the boundaries of the district, which will plan, coordinate and promote the public and private development of the district in a manner which enhances the vitality of the district as a place of commerce, recreation and culture and as an area in which to conduct public business and visit historic sites and thereby restores the prominence and prestige of the seat of State government for the benefit of all of the citizens of this State;
e. In the exercise of its powers toward this public purpose, the Capital City Redevelopment Corporation will plan, coordinate and encourage an appropriate balance of governmental and nongovernmental facilities and activities in the district, and assist in the provision of public, recreational and cultural facilities, in the preservation and restoration of historic structures and sites, and in the stimulation of private investment in the district in order to establish it as a source of State pride equal in standard to the best of State capitals in the country; and

f. To facilitate the redevelopment of the city of Trenton and provide for increased cooperation between the city and the State, it is necessary to provide the Capital City Redevelopment Corporation with additional powers, including the authority to act as a municipal redevelopment entity, create subsidiaries, enter into partnerships with private developers, hold its own funds and to issue bonds, notes and other obligations paid for from non-State sources to fund redevelopment projects, and to expand the composition of its board.

2. Section 4 of P.L.1987, c.58 (C.52:9Q-12) is amended to read as follows:

C.52:9Q-12 Capital City Redevelopment Corporation.

4. a. There is established in the Executive Branch of the State Government a public body corporate and politic, with corporate succession, to be known as the Capital City Redevelopment Corporation. For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the corporation is allocated within the Department of the Treasury, but, notwithstanding that allocation the corporation shall be independent of any supervision or control by the department or by the State Treasurer or any officer or employee thereof. The corporation is constituted as an instrumentality of the State exercising public and essential governmental functions, and the exercise by the corporation of the powers conferred by this or any other act shall be deemed to be an essential governmental function of the State.

b. The board of directors of the corporation shall consist of the following: the Commissioner of Community Affairs, the Commissioner of Transportation, and the State Treasurer who shall all serve ex officio and may each designate, by written notification to the board, an alternate who shall act in their place with the authority to attend, vote and perform any duty or function assigned to them in their absence; the mayor of the city of Trenton, ex officio; and seven public members, four of whom shall be appointed by the
mayor of the city of Trenton and three of whom shall be appointed by the Governor with the three gubernatorial appointed members being subject to the advice and consent of the Senate, one of whom shall be a business owner in the city of Trenton, and at least one of whom shall be a business owner in the county of Mercer. The three directors appointed by the Governor shall be residents of the State and shall have knowledge and expertise in the areas of economic development, urban planning, community affairs or finance.

c. Each public member shall serve for a term of four years and until the appointment and qualification of a successor. All vacancies shall be filled in the same manner as the original appointment but for the unexpired term only. The directors shall receive no compensation for their services, but may be reimbursed for their expenses in performing their official duties.

d. Each director, before entering upon the duties of office, shall take and subscribe an oath to perform the duties of the office faithfully, impartially and justly to the best of their ability. A record of these oaths shall be filed in the Office of the Secretary of State. Each director appointed by the Governor may be removed from office by the Governor, for cause, after a public hearing, and may be suspended by the Governor pending the completion of the hearing.

e. The Governor shall appoint a chairman from among the members of the board. The vice chairman shall be one of the seven public members and shall be elected by majority vote of all the directors. The directors shall elect a secretary and a treasurer from among their number, and the same person may be elected to serve both as secretary and treasurer. Six directors shall constitute a quorum at any meeting of the board. Action may be taken and motions and resolutions adopted by the board at any meeting thereof by the affirmative vote of at least six directors. No vacancy in a directorship shall impair the right of a quorum to exercise all the powers and perform all the duties of the board.

f. Each director shall execute a bond to be conditioned upon the faithful performance of their respective duties in such form and amount as may be prescribed by the Director of the Division of Budget and Accounting in the Department of the Treasury. The bonds shall be filed in the office of the Secretary of State. At all times thereafter the directors shall maintain these bonds in full force. All costs of the bonds shall be borne by the corporation.

g. The corporation may be dissolved by act of the Legislature if it has no debts or obligations outstanding or if adequate provision has been made for the payment or retirement of any outstanding debts or obligations. Upon dissolution of the corporation all property, funds and assets thereof shall be
vested in the State, the city or the county, subject to the terms of the act of dissolution.

h. A true copy of the minutes of every meeting of the corporation shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the corporation shall have force or effect until 10 days, Saturdays, Sundays, and public holidays excepted, after a copy of the minutes shall have been so delivered unless during that 10-day period the Governor shall approve the same in which case such action shall become effective upon approval. If, within the 10-day period, the Governor returns the copy of the minutes with a veto of any action taken by the corporation or any member thereof at the meeting, that action shall be null and void and of no effect. The powers conferred in this subsection upon the Governor shall be exercised with due regard for the rights of the holders of bonds and notes of the corporation at any time outstanding, and nothing in or done pursuant to this subsection shall in any way limit, restrict or alter the obligation or powers of the corporation or any representative or officer of the corporation to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the corporation with respect to its bonds or notes or for the benefit, protection or security of the holders thereof. The Governor may approve all or part of the action taken at such meeting prior to the expiration of the 10-day period.

i. No member, officer, employee or agent of the corporation shall be interested, either directly or indirectly, in any school facilities project, or in any contract, sale, purchase, lease, or transfer of real or personal property to which the corporation is a party.

3. Section 5 of P.L.1987, c.58 (C.52:9Q-13) is amended to read as follows:

C.52:9Q-13 General powers.

5. The corporation shall have the following general powers:

amendment or revision of any contract, lease or agreement to which it is a party;

e. To enter into agreements or other transactions with, and to accept grants, appropriations or the cooperation of the United States or any agency thereof or the State or any agency thereof in furtherance of the purposes of this act;

f. To receive and accept aid or contributions from any public or private source of money, property, labor or other thing of value, to be held, used and applied to carry out the purposes of this act subject to the conditions upon which that aid or contribution may be made, including, but not limited to, gifts or grants from the United States or any agency thereof or the State or any agency thereof for any purpose consistent with this act;

g. To invest any funds held in reserve or sinking funds, or any moneys not required for immediate use and disbursement, at the discretion of the corporation, in investments in which other State funds may be invested;

h. To acquire or contract to acquire from any individual, partnership, trust, association or corporation, or any public agency, by grant, purchase or otherwise, real or personal property or any interest therein; to own, hold, clear, improve and rehabilitate, and to sell, assign, exchange, transfer, convey, lease, mortgage or otherwise dispose of or encumber the same;

m. In connection with any property on which it has made a mortgage loan, to foreclose on the property or commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract or other
agreement, and to bid for or purchase the property at any foreclosure or at any other sale, or acquire or take possession of the property; and in such event the corporation may complete, administer, pay the principal of and interest on any obligations incurred in connection with the property, dispose of and otherwise deal with the property, in such manner as may be necessary or desirable to protect the interests of the corporation therein;

n. To procure insurance against any loss in connection with its property and other assets and operations in any amounts and from any insurers it deems desirable;

o. To arrange or contract with any county or municipal government, or instrumentality thereof, with jurisdiction within the Capital City District, for the planning, opening, grading or closing of streets, roads or other places or for the construction or reconstruction of improvements, or public works necessary or convenient to carry out its purposes;

p. To appoint an executive director and any other officers, employees and agents as it may require for the performance of its duties. The executive director, and any employees appointed as personal staff to the executive director, shall be appointed by the corporation, which shall determine their qualifications, terms of office, duties, fix their compensation, and promote and discharge them, all without regard to the provisions of Title 11A of the New Jersey Statutes;

q. To engage the services of attorneys, accountants, architects, building contractors, engineers, urban planners, and any other advisors, consultants and agents as may be necessary in its judgment for the performance of its duties and fix their compensation;

r. To provide advisory, consultative, training and educational services, technical assistance and advice to any person, firm, association, partnership or corporation, either public or private, in order to carry out the purposes of this act;

s. To do any and all things necessary or convenient to the exercise of the foregoing powers or reasonably implied therefrom;

t. To borrow money and to issue bonds and notes and other obligations of the corporation, for which neither the members of the corporation nor any person executing bonds issued pursuant to this subsection shall be liable personally by reason of the issuance thereof, and to provide for the rights of the holders thereof, and which obligations shall not have a pledge of an annual appropriation as the ways and means to pay the principal of, redemption premium, if any, and interest on such bonds, notes, or other obligations;
u. To charge and collect from local units, the State, and any other person any fees and charges in connection with the corporation’s actions undertaken with respect to projects, including but not limited to fees and charges for the corporation’s administrative, organization, insurance, operating, and other expenses incident to projects;
v. To market any project undertaken within the district;

x. To act as a municipal redevelopment entity or redeveloper, with all powers conferred pursuant to the “Local Redevelopment and Housing Law,” P.L.1992, c.79 (C.40A:12A-1 et al.).

4. Section 11 of P.L.1987, c.58 (C.52:9Q-19) is amended to read as follows:

**C.52:9Q-19 Capital City Redevelopment Loan and Grant Fund.**

11. a. There is established in the corporation a nonlapsing, revolving fund to be known as the Capital City Redevelopment Loan and Grant Fund, and which shall be at the disposal of the corporation for carrying out the provisions of P.L.1987, c.58 (C.52:9Q-9 et seq.), and for no other purpose.

5. Section 16 of P.L.1987, c.58 (C.52:9Q-24) is amended to read as follows:

**C.52:9Q-24 Acquisition of real property.**

16. a. If, in order to implement any of the goals and objectives set forth in the plan, the corporation shall find it necessary or convenient to acquire
any real property within its jurisdiction, or if for any of its authorized purposes the corporation shall find it necessary to acquire any real property beyond its jurisdiction, whether for immediate or future use, the corporation may find and determine that such property, whether a fee simple absolute or a lesser interest, is required for public use, and, upon such determination, the property shall be deemed to be required for a public use until otherwise determined by the corporation; and the determination shall not be affected by the fact that the property has heretofore been taken for, or is then devoted to, a public use of the State or any municipality, county, school district, or other local or regional district, authority or agency, but the public use in the hands or under the control of the corporation shall be deemed superior.

b. If the corporation is unable to agree with the owner or owners thereof upon terms for the acquisition of any real property, for any reason whatsoever, then the corporation may acquire that property, whether a fee simple absolute or a lesser interest, in the manner provided in the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.).

c. Notwithstanding the provisions of subsections a. and b. of this section, the corporation shall not acquire or exercise control over any property in the custody of the State House Commission pursuant to R.S.52:20-1 et seq. without the written consent of that commission.

13.1 et al.) shall be fully negotiable within the meaning and for all purposes
of Title 12A, Commercial Transactions, of the New Jersey Statutes, and

14. Section 4 of P.L.1992, c.79 (C.40A:12A-4) is amended to read as follows:

C.40A:12A-4 Powers of municipal governing body, planning board.

4. In exercising the redevelopment and rehabilitation functions provided for in this act:

a. A municipal governing body shall have the power to:

(1) Cause a preliminary investigation to be made pursuant to subsection a. of section 6 of P.L.1992, c.79 (C.40A:12A-6) as to whether an area is in need of redevelopment;

(3) Adopt a redevelopment plan pursuant to section 7 of P.L.1992, c.79 (C.40A:12A-7);

(4) Determine pursuant to section 14 of P.L.1992, c.79 (C.40A:12A-14) that an area is in need of rehabilitation.

b. A municipal planning board shall have the power to:

(1) Conduct, when authorized by the municipal governing body, a preliminary investigation and hearing and make a recommendation pursuant to subsection b. of section 6 of P.L.1992, c.79 (C.40A:12A-6) as to whether an area is in need of redevelopment;

(2) Make recommendations concerning a redevelopment plan pursuant to subsection e. of section 7 of P.L.1992, c.79 (C.40A:12A-7), or prepare a redevelopment plan pursuant to subsection f. of that section;

c. The municipality shall be responsible for implementing redevelopment plans and carrying out redevelopment projects pursuant to section 8 of P.L.1992, c.79 (C.40A:12A-8). The municipality may execute these responsibilities directly, or in addition thereto or in lieu thereof, through either a municipal redevelopment agency, or a municipal housing authority authorized to exercise redevelopment powers pursuant to section 21 of P.L.1992, c.79 (C.40A:12A-21), but there shall be only one redevelopment entity responsible for each redevelopment project. A county improvement authority authorized to undertake redevelopment projects pursuant to the "county improvement authorities law," P.L.1960, c.183 (C.40:37A-44 et seq.) may also act as a redevelopment entity pursuant to this act. Within a municipality that has been designated the capital of the State, the Capital City Redevelopment Corporation, established pursuant to P.L.1987, c.58 (C.52:9Q-9 et seq.) may also act as a redevelopment entity pursuant to P.L.1992, c.79 (C.40A:12A-1 et al.). The redevelopment entity, so authorized, may contract with any other public body, in accordance with the provisions of section 8 of P.L.1992, c.79 (C.40A:12A-8), for the carrying out of a redevelopment project or any part thereof under its jurisdiction. Notwithstanding the above, the governing body of the municipality may, by ordinance, change or rescind the designation of the redevelopment entity responsible for implementing a redevelopment plan and carrying out a redevelopment project and may assume this responsibility itself, but only the redevelopment entity authorized to undertake a particular redevelopment project shall remain authorized to complete it, unless the redevelopment entity and redeveloper agree otherwise, or unless no obligations have been entered into by the redevelopment entity with parties other than the municipality. This shall not diminish the power of the municipality to dissolve a redevelopment entity pursuant to section 24 of P.L.1992, c.79 (C.40A:12A-24), and section 20 of the "Local Authorities Fiscal Control Law," P.L.1983, c.313 (C.40A:5A-20).

15. For purposes of effectuating the changes in the composition of the membership of public members of the board of the Capital City Redevelopment Corporation as prescribed by the provisions of section 2 of P.L.2009, c.252 amending section 4 of P.L.1987, c.58 (C.52:9Q-12):

a. The Governor shall, on or before the 30th day following the effective date of P.L.2009, c.252 (C.52:9Q-13.1 et al.), file with the Secretary of State a written statement designating two memberships among those public members as henceforth to be filled through appointment by the mayor of the city of Trenton. Upon such filing, the term of a member holding such a
membership, or the continuance in office of a member following expiration of the term of such a membership, shall terminate, and the Secretary of State shall promptly notify the member in writing of the termination; and

b. Of the four public members first appointed by the mayor of the city of Trenton following the effective date of P.L.2009, c.252 (C.52:9Q-13.1 et al.), two shall be designated to serve for terms of four years and two shall be designated to serve for terms of two years, from the date of appointment.

16. Section 15 of P.L.1987, c.58 (C.52:9Q-23) is repealed.

17. This act shall take effect immediately.

Notwithstanding any provision of section 2 of P.L.1983, c.392 (C.13:1E-127) or section 3 of P.L.1983, c.392 (C.13:1E-128), or any rules or regulations adopted pursuant thereto, to the contrary, a business concern that is a secondary business activity corporation which is listed in the disclosure statement of an applicant or a permittee as required pursuant to P.L.1983, c.392 (C.13:1E-126 et seq.), and that is not the applicant or permittee, shall not be required to disclose or submit any more information than that which is required of a secondary business activity corporation that is an applicant or a permittee as required pursuant to P.L.1983, c.392 (C.13:1E-126 et seq.), and that is not the applicant or permittee, shall not be required to disclose or submit any more information than that which is required of a secondary business activity corporation that is an applicant or a permittee, as provided pursuant to paragraphs (a) through (h) of subsection e. of section 2 of P.L.1983, c.392 (C.13:1E-127), and, as applicable, subsections b. and d. of section 3 of P.L.1983, c.392 (C.13:1E-128) and sections 4 and 5 of P.L.1983, c.392 (C.13:1E-129 and C.13:1E-130).

3. Section 3 of P.L.1983, c.392 (C.13:1E-128) is amended to read as follows:

3. In addition to any other procedure, condition or information required pursuant to P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1981, c.279 (C.13:1E-49 et seq.) or any other law:

a. (1) Every applicant and permittee shall file a disclosure statement with the department and the Attorney General;

(2) Except as otherwise provided in this subsection, any person required to be listed in the disclosure statement shall be fingerprinted for identification and investigation purposes in accordance with procedures therefor established by the Attorney General;

(3) The Attorney General shall, upon the receipt of the disclosure statement from an applicant for an initial license or from a permittee, prepare and transmit to the department an investigative report on the applicant or the permittee, as the case may be, based in part upon the disclosure statement. In preparing this report, the Attorney General may request and receive criminal history information from the State Commission of Investigation or the Federal Bureau of Investigation;
(4) In conducting a review of the application, the department shall include a review of the disclosure statement and investigative report;

(5) An applicant or permittee may file a limited disclosure statement pursuant to the provisions of paragraphs (a) through (h) of subsection e. of section 2 of P.L.1983, c.392 (C.13:1E-127); and a person required to be listed in the disclosure statement is exempt from the fingerprint and personal history disclosure requirements; if:

(a) The applicant or permittee is a secondary business activity corporation; and

(b) The person required to be listed in the disclosure statement is (i) a director or chief executive officer; or (ii) an individual who does not have any responsibility for, or control of, the commercial solid waste or hazardous waste operations of the applicant, permittee or licensee conducted in New Jersey, and who will not exercise any such responsibility or control upon the issuance of a license by the department;

(6) (a) A person who is a director or chief executive officer of a business concern that is a secondary business activity corporation, a publicly traded corporation or an institutional investor, including limited partnership interests, that is not the applicant or permittee but which is listed in the disclosure statement of an applicant or permittee, pursuant to subsection e. of section 2 of P.L.1983, c.392 (C.13:1E-127), shall be exempt from the fingerprint and personal history disclosure requirements; and

(b) An individual who is an officer or partner of, or who holds any equity in or debt liability of, a business concern that is a secondary business activity corporation, a publicly traded corporation or an institutional investor, including limited partnership interests, that is not the applicant or permittee but which is listed in the disclosure statement of an applicant or permittee, pursuant to subsection e. of section 2 of P.L.1983, c.392 (C.13:1E-127), shall be exempt from the fingerprint and personal history disclosure requirements, provided that the person or secondary business activity corporation or publicly traded corporation or institutional investor does not and will not have any responsibility for, or control of, the commercial solid waste or hazardous waste operations of the applicant or permittee conducted in New Jersey.

b. All applicants, permittees and licensees shall have the continuing duty to provide any assistance or information requested by the department or the Attorney General, and to cooperate in any inquiry or investigation conducted by the Attorney General or the State Commission of Investigation and any inquiry, investigation, or hearing conducted by the department. Except as otherwise determined by the Superior Court pursuant to subsec-
tion d. of this section, if, upon issuance of a formal request to answer any inquiry or produce information, evidence or testimony, any applicant, permittee or licensee refuses to comply, the application of the business concern for a license may be denied, or the license of that business concern may be revoked by the department.

c. If any of the information required to be included in the disclosure statement changes, or if any information provided concerning the applicability of an exemption under subsection d. of this section changes, or if any additional information should be added to the disclosure statement after it has been filed, the applicant, permittee or licensee shall provide that information to the department and the Attorney General, in writing, within 30 days of the change or addition.

d. The provisions of paragraphs (5) and (6) of subsection a. of this section to the contrary notwithstanding, the Attorney General may at any time require any person required to be listed in the disclosure statement to file a completed personal history disclosure form and a full disclosure statement with the department and the Attorney General pursuant to paragraphs (1) through (9) of subsection e. of section 2 of P.L.1983, c.392 (C.13:1E-127), or to be fingerprinted for identification and investigation purposes pursuant to paragraph (2) of subsection a. of this section, if the Attorney General determines that there exists a reasonable suspicion that the additional information is likely to lead to information relevant to a determination regarding the approval of a license pursuant to section 8 of P.L.1983, c.392 (C.13:1E-133), the revocation of a license pursuant to section 9 of P.L.1983, c.392 (C.13:1E-134), or the severance of a disqualifying person pursuant to section 10 of P.L.1983, c.392 (C.13:1E-135).

If the Attorney General requires any or all of this information, a written request for the additional information shall be served upon the applicant, permittee or licensee. Within 60 days of receipt of a written request for additional information, the applicant, permittee or licensee may seek review of the Attorney General's determination in the Superior Court. If the applicant, permittee or licensee fails to provide the additional information to the Attorney General within 60 days of receipt of the written request, the Attorney General may file with the Superior Court a petition for an order requiring the applicant, permittee or licensee to provide the additional information. In a proceeding brought by either party, the applicant, permittee or licensee shall demonstrate that the additional information requested is not likely to lead to information relevant to a determination regarding the approval of a license pursuant to section 8 of P.L.1983, c.392 (C.13:1E-133), the revocation of a license pursuant to section 9 of P.L.1983, c.392
(C.13:1E-134), or the severance of a disqualifying person pursuant to section 10 of P.L.1983, c.392 (C.13:1E-135). For good cause shown, the court may review in camera the submission of the Attorney General or the applicant, permittee or licensee, or any part thereof.

4. This act shall take effect immediately.

CHAPTER 254

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1988, c.45 (C.30:4-3.5) is amended to read as follows:

C.30:4-3.5 Criminal history record checks.

2. a. A facility shall not employ any individual unless the Commissioner of Human Services has first determined, consistent with the requirements and standards of this act, that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or in the State Bureau of Identification in the Division of State Police, which would disqualify that individual from being employed at the facility. A criminal history record background check shall be conducted at least once every two years for an individual employed at the facility. An individual shall be disqualified from employment under this act if that individual's criminal history record background check reveals a record of conviction of any of the following crimes and offenses:

(1) In New Jersey, any crime or disorderly persons offense:

(a) Involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:11-1 et seq., N.J.S.2C:12-1 et seq., N.J.S.2C:13-1 et seq., N.J.S.2C:14-1 et seq. or N.J.S.2C:15-1 et seq.; or

(b) Against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:24-1 et seq.; or
(2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

b. Notwithstanding the provisions of subsection a. of this section, no individual shall be disqualified from employment under this act on the basis of any conviction disclosed by a criminal history record background check performed pursuant to this act if the individual has affirmatively demonstrated to the Commissioner of Human Services clear and convincing evidence of his rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) The nature and responsibility of the position which the convicted individual would hold;
(2) The nature and seriousness of the offense;
(3) The circumstances under which the offense occurred;
(4) The date of the offense;
(5) The age of the individual when the offense was committed;
(6) Whether the offense was an isolated or repeated incident;
(7) Any social conditions which may have contributed to the offense; and
(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have had the individual under their supervision.

c. If a prospective employee of a facility refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall direct the principal administrator not to consider the person for employment at the facility. The prospective employee shall, however, retain any available right of review by the Civil Service Commission in the Department of Labor and Workforce Development.

d. If a current employee of a facility refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall direct the principal administrator to immediately remove the person from his position at the facility and to terminate the person's employment at the facility. The employee shall, however, retain any available right of review by the Civil Service Commission in the Department of Labor and Workforce Development.

e. Notwithstanding the provisions of subsection a. of this section to the contrary, a facility may provisionally employ an individual for a period
not to exceed six months if that individual's State Bureau of Identification criminal history record background check does not contain any information that would disqualify the individual from employment at the facility and if the individual submits to the commissioner a sworn statement attesting that the individual has not been convicted of any crime or disorderly persons offense as described in this act, pending a determination that no criminal history record background information which would disqualify the individual exists on file in the Federal Bureau of Investigation, Identification Division. An individual who is provisionally employed pursuant to this subsection shall perform his duties at the facility under the direct supervision of a superior who acts in a supervisory capacity over that individual until the determination concerning the federal information is complete.

f. A conviction of a crime or disorderly persons offense against children as set forth in N.J.S.2C:24-4 adversely relates to a position in a facility that involves or would involve working directly with a person under 18 years of age. Individuals convicted of such crimes or disorderly persons offenses are permanently disqualified from such employment at a facility.

...
ings in this and other states. If the department elects to implement an alternative means of determining whether an individual has been convicted of a crime or disorderly persons offense which would disqualify that individual from employment, the department shall report to the Governor and the Legislature prior to its implementation on the projected costs and procedures to be followed with respect to its implementation and setting forth the rationale therefor.

b. An individual shall be disqualified from employment under this act if that individual's criminal history record background check reveals a record of conviction of any of the following crimes and offenses:

   (1) In New Jersey, any crime or disorderly persons offense:

      (a) Involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:11-1 et seq., N.J.S.2C:12-1 et seq., N.J.S.2C:13-1 et seq., N.J.S.2C:14-1 et seq. or N.J.S.2C:15-1 et seq.; or

      (b) Against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:24-1 et seq.; or

      (c) A crime or offense involving the manufacture, transportation, sale, possession, or habitual use of a controlled dangerous substance as defined in the "New Jersey Controlled Dangerous Substances Act," P.L.1970, c.226 (C.24:21-1 et seq.).

   (2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

c. If a prospective employee refuses to consent to, or cooperate in, securing of a criminal history record background check, the person shall not be considered for employment.

d. If a current employee refuses to consent to, or cooperate in, the securing of a criminal history record background check, the person shall be immediately removed from his position and the person's employment shall be terminated.

e. Notwithstanding the provisions of subsection b. of this section to the contrary, provisional employment of an individual is authorized for a period not to exceed six months if the individual submits to the appointing authority a sworn statement attesting that the individual has not been convicted of any crime or disorderly persons offense as described in this act, pending a determination that no criminal history record background information which would disqualify the individual exists on file in the State Bureau of Identification in the Division of State Police or in the Federal Bureau of Investigation, Identification Division. An individual who is provisionally employed pursuant to this subsection shall perform his duties un-
der the supervision of a superior who acts in a supervisory capacity over that individual until the determination concerning the federal and State information is complete, where possible.

f. Notwithstanding the provisions of subsection b. of this section to the contrary, no individual shall be disqualified from employment on the basis of any conviction disclosed by a criminal history record background check performed pursuant to sections 2 through 7 of P.L.1999, c.358 (C.30:6D-64 through 69) if the individual has affirmatively demonstrated to the community agency head, or the community agency board if the individual is the community agency head, clear and convincing evidence of the individual's rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) the nature and responsibility of the position which the convicted individual would hold, has held or currently holds, as the case may be;
(2) the nature and seriousness of the offense;
(3) the circumstances under which the offense occurred;
(4) the date of the offense;
(5) the age of the individual when the offense was committed;
(6) whether the offense was an isolated or repeated incident;
(7) any social conditions which may have contributed to the offense; and
(8) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the individual under their supervision.

g. A conviction of a crime or disorderly persons offense against children as set forth in N.J.S.2C:24-4 adversely relates to a position in a community agency that involves or would involve working directly with a person under 18 years of age. Individuals convicted of such crimes or disorderly persons offenses are permanently disqualified from such employment at a community agency.

3. This act shall take effect immediately.

Approved January 17, 2010.
CHAPTER 255

AN ACT concerning public information about the "New Jersey Safe Haven Infant Protection Act" and amending P.L.2000, c.58 (C.30:4C-15.9).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.2000, c.58 (C.30:4C-15.9) is amended to read as follows:

C.30:4C-15.9 Educational public information program, toll free hotline.
   6. a. The Commissioner of Children and Families, in consultation with the Commissioner of Health and Senior Services, shall establish an educational and public information program to promote safe placement alternatives for newborn infants, the confidentiality offered to birth parents and information regarding adoption procedures. This campaign shall include the establishment of a 24-hour, toll free hotline to assist in making information about the safe haven procedures established by P.L.2000, c.58 (C.30:4C-15.5 et al.) as widely available as possible.
   b. The Department of Children and Families shall provide to licensed general hospitals in this State and State, county or municipal police stations information about relevant social service agencies which may be made available to any person voluntarily delivering a child as provided in section 4 of P.L.2000, c.58 (C.30:4C-15.7).
   c. The Department of Children and Families shall notify relevant county and municipal government agencies, agencies that deliver social services administered by the Departments of Children and Families, Human Services, and Health and Senior Services, physicians, pregnancy crisis centers, adoption agencies, and colleges and universities about the availability of information concerning the "New Jersey Safe Haven Infant Protection Act," including the pamphlets, posters, and other materials available on the department’s Internet site.

2. This act shall take effect on the 60th day after enactment.

Approved January 17, 2010.
C.13:1L-29 Findings, declarations relative to forest stewardship.

1. a. The Legislature finds and declares that forest lands are critical to the environmental welfare of the State; that forest lands help clean and refresh the air by filtering dust and particulates; that forest lands absorb carbon dioxide and release oxygen, helping to reduce global warming; that forest lands help clean and protect the waters of the State, promote replenishment of aquifers, stabilize soils, provide shade, and provide habitat essential to sustaining New Jersey's native biodiversity, including habitat critical for endangered and threatened species and species of special concern; and that it is proper to consider the management of forests in a sustainable manner as an agricultural or horticultural use which yields public benefits.

b. The Legislature further finds and declares that forest lands are critical to the social welfare of the State; that forest lands are a necessary and important part of community and urban environments, and are essential to the maintenance of quality of life in the State; that forest lands afford outdoor recreational opportunities and irreplaceable aesthetic benefits; and that forest lands promote the health of the citizenry by contributing to the availability of clean air and water.

c. The Legislature further finds and declares that forest lands contribute to the economic well being of the State through increased property values, ecotourism, business opportunities, and forest products, and through helping to preserve New Jersey as a place where both employers and skilled and talented employees choose to reside.

d. The Legislature further finds and declares that forest lands are an irreplaceable component of the environment worthy of conservation and stewardship and that they must be nurtured to guarantee sustained and improved yields of forest benefits; that the State's publicly and privately owned forest lands are now seldom managed effectively due to a lack of guidance, resources, and incentives for improved forest stewardship; and that care and management of forest lands could be enhanced through the establishment of a forest stewardship program.
e. The Legislature therefore determines that it is in the public interest to establish a forest stewardship program to develop and promote the long-term active management of the State's forest resources in order to preserve and enhance those resources and realize the benefits thereof.

C.13:1L-30 Definitions relative to forest stewardship.

2. As used in sections 1 through 8 of P.L.2009, c.256 (C.13:1L-29 through C.13:1L-36):

“Department” means the Department of Environmental Protection.

“Forest stewardship plan” means a plan prepared and implemented by an owner of forest land, and approved by the department, pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31).

“Local government unit” means a municipality, county, or other political subdivision of the State, or any agency, board, commission, utilities authority or other authority, or other entity thereof.

“Owner” means an owner of forest land.

“Sustainability” means, with respect to forest land, having the ability to:

(1) maintain its ecological processes, biodiversity, resource productivity, regeneration capacity, and vitality; and promote forest health, preclude the spread of invasive non-native species, maintain forest integrity and contiguity, preserve New Jersey's native biodiversity, and protect endangered and threatened species and species of special concern and the habitat that sustains them; and
(2) realize the potential to fulfill now and for future generations, relevant ecological, environmental, economic, and social functions, including but not limited to protection and improvement of air quality and of water supply and water quality, stabilization of soils, prevention and suppression of uncontrolled wildfires, service of markets for forest products, provision of recreational opportunities, and improvement of quality of life.

“Sustainable manner” means employing practices for the use and care of forest land that promote sustainability and do not cause damage to other ecosystems, and avoiding acts and omissions that undermine sustainability.

C.13:1L-31 Forest stewardship program, plan.

3. a. The department shall establish a forest stewardship program under which an owner, in conjunction with a forester or other professional selected by the owner from a list of foresters approved by the department, or from a list of other professionals authorized by the department in consultation with the forest stewardship advisory committee established pursuant to section 8 of P.L.2009, c.256 (C.13:1L-36), may prepare a forest stewardship plan for land, five acres or greater in area, submit the plan to the de-
department for approval, and implement the plan as approved, or as subsequently amended with the approval of the department.

A forest stewardship plan, at a minimum, shall:

(1) conform with the rules and regulations adopted pursuant to section 8 of P.L.2009, c.256 (C.13:1L-36) designed to ensure the sustainability of forest lands;

(2) list the owner's long term stewardship goals for the forest land; and, for each year that the plan applies, list the activities to be implemented that year, including the activities designed to ensure the sustainability of the forest land as well as activities designed to eliminate excessive and unnecessary cutting, and provide the rationale for each activity listed; and

(3) establish the monitoring, recordkeeping, and reporting necessary to document implementation of the forest stewardship plan, including documentation of activities and inspections performed.

Notwithstanding the provisions of section 6 of P.L.2009, c.256 (C.13:1L-34), a forest stewardship plan submitted for land in the pinelands area shall comply with the standards of the comprehensive management plan for the pinelands area adopted pursuant to P.L.1979, c.111 (C.13:18A-1 et seq.).

b. The department may elect to inspect the forest land, prior to determining whether to approve a forest stewardship plan, in order to assess the appropriateness and sufficiency of the proposed plan.

After the department approves a forest stewardship plan, the forest land shall be subject to inspection by the department during one of the first three years following approval and at least once every three years following the first inspection.

c. A forest stewardship plan shall be valid for a period of 10 years, unless sooner terminated by the owner or revoked by the department. To continue, without interruption, participation in the forest stewardship program, an owner shall prepare a new or revised forest stewardship plan pursuant to subsection a. of this section and, in accordance with procedures established by the department, obtain the department's approval of the new or revised forest stewardship plan prior to the expiration date of the current forest stewardship plan.

d. A forest stewardship plan approved pursuant to this section shall be considered to be a woodland management plan pursuant to section 3 of the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.3) when the approved forest stewardship plan is submitted as part of an application for valuation, assessment and taxation pursuant to the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.).
C.13:1L-32 Forest certification program.

4. a. For the purposes of section 1 of P.L.2005, c.367 (C.52:32-45), the department shall establish a forest certification program under which the department may certify that forest land is managed in a sustainable manner, provided that:

(1) the owner has obtained a forest stewardship plan approved by the department pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31); and
(2) the owner and a forester or other professional selected by the owner from a list of foresters approved by the department, or from a list of other professionals authorized by the department in consultation with the forest stewardship advisory committee established pursuant to section 8 of P.L.2009, c.256 (C.13:1L-36), has annually attested to full compliance with the forest stewardship plan for at least two years.

b. Certification pursuant to subsection a. of this section, or renewal thereof, shall be in accordance with procedures established by the department and shall be valid for five years, except that the department may withdraw certification if the department determines that the owner has failed to maintain full implementation of the forest stewardship plan. To maintain in good standing the certification of forest land beyond the date that a forest stewardship plan expires, the owner shall obtain the department's approval of a new or revised forest stewardship plan pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31) prior to the expiration date of the current forest stewardship plan.

C.13:1L-33 "Forest Stewardship Incentive Fund."

5. a. There is established in the General Fund a special nonlapsing fund, to be known as the "Forest Stewardship Incentive Fund." Moneys in the fund shall be dedicated to:

(1) providing grants to persons for the purpose of developing and implementing a forest stewardship plan pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31);
(2) paying the costs of the department to develop, implement, and administer the provisions of P.L.2009, c.256 (C.13:1L-29 et al.); and
(3) providing for the stewardship and management of State forests.

b. The fund shall be credited with:

(1) the amount allocated for programs that enhance the stewardship and restoration of the State's forests pursuant to section 7 of P.L.2007, c.340 (C.26:2C-51) from the "Global Warming Solutions Fund," established pursuant to section 6 of P.L.2007, c.340 (C.26:2C-50);
(2) any other moneys as may be appropriated to the fund by the Legislature or otherwise provided to the fund; and

(3) any return on the investment of moneys deposited in the fund.

c. In each State fiscal year, the amount credited to the Forest Stewardship Incentive Fund shall be appropriated to the fund for the purposes set forth in this section.

d. The department may award individual grants of up to $1,500 from the fund to pay for the cost of developing a forest stewardship plan pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31). If the cost of developing a forest stewardship plan exceeds $1,500, the department may also award 80 percent of the cost that exceeds $1,500 to the owner, up to a maximum grant of $2,500. Grants from the fund may be made to local government units, nonprofit organizations, and private owners of forest land. Notwithstanding the provisions of this subsection to the contrary, the amount of the grants prescribed by this subsection may be adjusted annually by the department in direct proportion to the increase in the Consumer Price Index for all urban consumers in the New York City area as reported by the United States Department of Labor.

e. The department may award individual grants through a cost-sharing program established pursuant to subsection c. of section 8 of P.L.2009, c.256 (C.13:1L-36) to private owners who have obtained a forest stewardship plan approved by the department pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31). The department shall expend no more than $150,000 in any State fiscal year for grants awarded through the cost-sharing program.

C.13:1L-34 Enactment of conflicting ordinance, rule, regulation prohibited.

6. No local government unit may enact, on or after the date of enactment of P.L.2009, c.256 (C.13:1L-29 et al.), any ordinance, rule, or resolution, as appropriate, that conflicts with, prevents or impedes the implementation of a forest stewardship plan approved pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31) or impose a fee in excess of $100 in any calendar year for the cutting of trees on any land that is the subject of an approved forest stewardship plan. The provisions of P.L.2009, c.256 (C.13:1L-29 et al.) supersede any such ordinance, rule, or resolution, as appropriate, enacted or adopted on or prior to the date of enactment of P.L.2009, c.256 (C.13:1L-29 et al.).

C.13:1L-35 Forest sustainability criteria, indicators.

7. a. The department, utilizing guidance provided by the United States Forest Service and in consultation with the forest stewardship advisory
committee established pursuant to subsection d. of section 8 of P.L.2009, c.256 (C.13:1L-36), and with the benefit of public comment, shall develop and establish forest sustainability criteria and indicators appropriate to the circumstances encountered in New Jersey, as a basis for monitoring, recording, and assessing the extent, condition, and sustainability of all New Jersey forests, whether publicly or privately owned. The department shall prepare a report setting forth the findings and assessments based on these forest sustainability criteria and indicators by February 1 of the third year after the date of enactment of P.L.2009, c.256 (C.13:1L-29 et al.), and every seven years thereafter, which report shall include any recommendations for legislative or administrative action. The Commissioner of Environmental Protection shall transmit the report to the Governor and, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), to the Legislature.

b. The department shall consider the findings and assessments set forth in the forest sustainability criteria and indicators report prepared pursuant to subsection a. of this section to determine how to adapt the rules and regulations adopted pursuant to section 8 of P.L.2009, c.256 (C.13:1L-36) to ensure the sustainability of forest lands, to set priorities for the management of State-owned forest lands, and to assist in establishing priorities for the use of State funds for the acquisition of forest lands.

C.13:1L-36 Rules, regulations.

8. The department shall adopt, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary for the implementation of P.L.2009, c.256 (C.13:1L-29 et al.), including rules and regulations:

a. setting forth policies, guidelines and best management practices that establish standards designed to ensure the sustainability of forest lands, which may be applicable to any publicly and privately owned forest land;

b. When a forest stewardship plan is submitted with an application pursuant to subsection a. of this section, the forest land shall not be deemed to be actively devoted to agricultural or horticultural use for the two successive years immediately preceding the tax year in issue if the forest stewardship plan has expired during those two years and a new forest stewardship plan has not been approved prior to the expiration date of the current forest stewardship plan.

c. In the case where a forest stewardship plan was approved more than two years preceding the tax year in issue, the forest land shall be
deemed to be actively devoted to agricultural or horticultural use and to have been so devoted for at least the two successive years immediately preceding the tax year in issue if the owner has implemented in full the approved forest stewardship plan for at least the two successive years immediately preceding the tax year in issue.

d. In the case where a forest stewardship plan was approved less than two years preceding the tax year in issue, the forest land shall be deemed to be actively devoted to agricultural or horticultural use and to have been so devoted for at least two successive years immediately preceding the tax year in issue if:

(1) the owner has implemented in full the forest stewardship plan once it was approved; and

(2) for at least the remaining portion of the two-year period immediately preceding the tax year in issue, prior to the approval of the forest stewardship plan, the forest land qualifies, pursuant to sections 5 and 6 of the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.5 and C.54:4-23.6), to be deemed to have been actively devoted to agricultural or horticultural use. Additionally, if the land was devoted exclusively to the production for sale of tree and forest products, other than Christmas trees, and is not appurtenant woodland, the owner must have established a woodland management plan more than two years preceding the tax year in issue and complied with that plan until such time as a forest stewardship plan was approved pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31).

12. Section 1 of P.L.2005, c.367 (C.52:32-45) is amended to read as follows:

C.52:32-45 Preference in contracts for wood, paper products derived from sustainably managed forests, procurement systems.

1. a. Notwithstanding the provisions of any other law to the contrary, the Director of the Division of Purchase and Property in the Department of the Treasury, the Director of the Division of Property Management and Construction in the Department of the Treasury, or any State agency having authority to contract for the purchase of goods or services, shall whenever possible give preference to wood or paper products derived from sustainably managed forests or procurement systems when entering into or renewing a contract for the purchase of such goods or related services. Any preference provided pursuant to this subsection may not supersede any preference given to recycled paper and paper products pursuant to P.L.1987, c.102 (C.13:1E-99.11 et seq.).

In preparing the specifications for any contract for the purchase of goods and services the Director of the Division of Purchase and Property, the Director of the Division of Property Management and Construction, or any State agency having authority to contract for the purchase of goods or services shall include in the invitation to bid, where relevant, a statement that any response to the invitation that proposes or calls for the use of wood or paper products derived from sustainably managed forests or procurement systems shall receive preference whenever possible.

b. The provisions of subsection a. of this section shall not apply:

(1) To any binding contractual obligations for the purchase of goods or services entered into prior to the effective date of P.L.2005, c.367 (C.52:32-45 et seq.);

(2) To bid packages advertised and made available to the public, or to any competitive and sealed bids received by the State, prior to the effective date of P.L.2005, c.367 (C.52:32-45 et seq.); or

(3) To any amendment, modification, or renewal of a contract, which contract was entered into prior to the effective date of P.L.2005, c.367 (C.52:32-45 et seq.) where the application would delay timely completion of a project or involve an increase in the total moneys to be paid by the State under that contract.

c. For the purposes of P.L.2005, c.367 (C.52:32-45 et seq.), "derived from sustainably managed forests or procurement systems" means the source of the wood or paper product is a forest or system for procuring wood or paper products that is certified by the Department of Environmental Pro-
tection under the forest certification program established pursuant to section 4 of P.L.2009, c.256 (C.13:1L-32) or by an independent third party using one or more of the following certification programs or standards:

2. The American Forest Foundation American Tree Farm System program;
3. The sustainable forest management system standards of the Canadian Standards Association;
4. The Forest Stewardship Council certification program;

C.54:4-23.3 Agricultural use of land.

3. Land shall be deemed to be in agricultural use when devoted to the production for sale of plants and animals useful to man, including but not limited to: forages and sod crops; grains and feed crops; dairy animals and dairy products; poultry and poultry products; livestock, including beef cattle, sheep, swine, horses, ponies, mules or goats, including the breeding, boarding, raising, rehabilitating, training or grazing of any or all of such animals, except that "livestock" shall not include dogs; bees and apiary products; fur animals; trees and forest products; or when devoted to and meeting the requirements and qualifications for payments or other compensation pursuant to a soil conservation program under an agreement with an agency of the federal government, except that land which is devoted exclusively to the production for sale of tree and forest products, other than Christmas trees, or devoted as sustainable forestland, and is not appurtenant woodland, shall not be deemed to be in agricultural use unless the landowner fulfills the following additional conditions:

a. The landowner establishes and complies with the provisions of a forest stewardship plan for this land, approved by the Department of Envi-
rnenmental Protection pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31), or a woodland management plan for this land, prepared in accordance with policies, guidelines and practices approved by the Division of Parks and Forestry in the Department of Environmental Protection, in consultation with the Department of Agriculture and the Dean of Cook College at Rutgers, The State University, which policies, guidelines and practices are designed to eliminate excessive and unnecessary cutting;

b. The landowner, and a forester from a list of foresters approved by the Department of Environmental Protection or other professional from a list of other professionals authorized by the department in consultation with the forest stewardship advisory committee established pursuant to section 8 of P.L.2009, c.256 (C.13:1L-36), annually attest to compliance with subsection a. of this section; and

c. The landowner annually submits an application, as prescribed in section 13 of P.L.1964, c.48 (C.54:4-23.13), to the assessor, accompanied by a copy of the plan established pursuant to subsection a. of this section; written documentation of compliance with subsection b. of this section; a supplementary woodland data form setting forth woodland management actions taken in the pre-tax year, the type and quantity of tree and forest products sold, and the amount of income received or anticipated for same; a map of the land showing the location of the activity and the soil group classes of the land; and other pertinent information required by the Director of the Division of Taxation as part of the application for valuation, assessment and taxation, as provided in P.L.1964, c.48 (C.54:4-23.1 et seq.). The landowner shall, at the same time, submit to the Commissioner of the Department of Environmental Protection an exact copy of the application and accompanying information submitted to the assessor pursuant to this subsection. For the purposes of this amendatory and supplementary act, "appurtenant woodland" means a wooded piece of property which is contiguous to, part of, or beneficial to a tract of land, which tract of land has a minimum area of at least five acres devoted to agricultural or horticultural uses other than the production for sale of trees and forest products, exclusive of Christmas trees, to which tract of land the woodland is supportive and subordinate.

For the purposes of section 7 of P.L.2009, c.213 and P.L.1964, c.48 (C.54:4-23.1 et seq.):

(1) agricultural use shall also include biomass, solar, or wind energy generation, provided that the biomass, solar, or wind energy generation is consistent with the provisions of P.L.2009, c.213 (C.4:1C-32.4 et al.), as applicable, and the rules and regulations adopted therefor; and
(2) "biomass" means an agricultural crop, crop residue, or agricultural byproduct that is cultivated, harvested, or produced on the farm, or directly obtained from a farm where it was cultivated, harvested, or produced, and which can be used to generate energy in a sustainable manner, except with respect to preserved farmland, "biomass" means the same as that term is defined in section 1 of P.L.2009, c.213 (C.4:1C-32.4).

14. Section 5 of P.L.1964, c.48 (C.54:4-23.5) is amended to read as follows:

C.54:4-23.5 Land deemed actively devoted to agricultural or horticultural use.

5. a. Except as otherwise provided in subsection b. of this section, land, five acres in area, shall be deemed to be actively devoted to agricultural or horticultural use when the amount of the gross sales of agricultural or horticultural products produced thereon, any payments received under a soil conservation program, fees received for breeding, raising or grazing any livestock, income imputed to land used for grazing in the amount determined by the State Farmland Evaluation Advisory Committee created pursuant to section 20 of P.L.1964, c.48 (C.54:4-23.20), and fees received for boarding, rehabilitating or training any livestock where the land under the boarding, rehabilitating or training facilities is contiguous to land which otherwise qualifies for valuation, assessment and taxation under this act, have averaged at least $500.00 per year during the two-year period immediately preceding the tax year in issue, or there is clear evidence of anticipated yearly gross sales and such payments amounting to at least $500.00 within a reasonable period of time.

In addition, where the land is more than five acres in area, it shall be deemed to be actively devoted to agricultural or horticultural use when the amount of the gross sales of agricultural or horticultural products produced on the area above five acres, any payments received under a soil conservation program, fees received for breeding, raising or grazing any livestock, income imputed to land used for grazing in the amount determined by the State Farmland Evaluation Advisory Committee created pursuant to section 20 of P.L.1964, c.48 (C.54:4-23.20), and fees received for boarding, rehabilitating or training any livestock where the land under the boarding, rehabilitating or training facilities is contiguous to land which otherwise qualifies for valuation, assessment and taxation under this act, have averaged at least $5.00 per acre per year during the two-year period immediately preceding the tax year in issue, or there is clear evidence of anticipated yearly gross sales and such payments amounting to an average of at least $5.00 per
year within a reasonable period of time; except in the case of woodland and wetland, where the minimum requirement shall be an average of $0.50 per acre on the area above five acres.

As used in this section, "livestock" shall not include dogs.

For the purposes of this section, the presence of an intervening public thoroughfare shall not preclude a finding of contiguity.

Land previously qualified as actively devoted to agricultural or horticultural use under the act; but failing to meet the additional requirement on acreage above five acres shall not be subject to the roll-back tax because of such disqualification, but shall be treated as land for which an annual application has not been submitted.

In determining the eligibility of land for valuation, assessment and taxation pursuant to P.L.1964, c.48 (C.54:4-23.1 et seq.), the assessor of the taxing district in which the land is located shall, upon request by the owner of the land, exempt the owner from the income requirements of this section if the owner demonstrates to the satisfaction of the assessor that the failure to meet the income requirements was due to an injury, illness or death of the person responsible for performing the activities which produce the income necessary to meet the income eligibility requirement of this section. The request of the owner shall be accompanied by a certificate of a physician stating that the person was physically incapacitated or by a certified copy of the death certificate, as the case may be. The assessor may only grant an exemption once for a particular illness, injury or death.

b. The gross sales, payments, imputed income, and fees received pursuant to the requirements of this section shall not apply to land that (1) is the subject of a forest stewardship plan approved by the Department of Environmental Protection pursuant to section 3 of P.L.2009, c.256 (C.13:1L-31) which is fully implemented, and (2) otherwise qualifies under the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.), for valuation, assessment and taxation as land in agricultural or horticultural use pursuant to section 3 of P.L.1964, c.48 (C.54:4-23.3).

15. Section 14 of P.L.1964, c.48 (C.54:4-23.14) is amended to read as follows:

C.54:4-23.14 Application form; contents.

14. Application for valuation, assessment and taxation of land in agricultural or horticultural use under this act shall be on a form prescribed by the Director of the Division of Taxation in the Department of the Treasury, and provided for the use of claimants by the governing bodies of the re-
spective taxing districts. The form of application shall provide for the reporting of information pertinent to the provisions of Article VIII, Section 1, paragraph 1(b) of the Constitution, as amended, and this act. A certification by the landowner that the facts set forth in the application are true may be prescribed by the director to be in lieu of a sworn statement to that effect. Statements so certified shall be considered as if made under oath and subject to the same penalties as provided by law for perjury. Any landowner, except those who have submitted a woodland management plan or a forest stewardship plan pursuant to section 3 of P.L.1964, c.48 (C.54:4-23.3), who is an applicant for valuation, assessment and taxation pursuant to P.L.1964, c.48 (C.54:4-23.1 et seq.) for lands not previously qualified under the act shall submit with the application a map of land use classes and soil groups that conforms with standards established by the Division of Taxation in consultation with the Secretary of Agriculture. The director shall devise a form for the extension of filing time for the valuation application, which form shall include the name and address of the applicant, the reason for the extension, and a space for the approval or rejection of the assessor.

16. This act shall take effect one year following the date of enactment, but the Commissioner of Environmental Protection may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

Approved January 17, 2010.

c. Fifty miles per hour in all other locations, except as otherwise provided in the "Sixty-Five MPH Speed Limit Implementation Act," pursuant to section 2 of P.L.1997, c.415 (C.39:4-98.3 et al.).

Whenever it shall be determined upon the basis of an engineering and traffic investigation that any speed hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of a highway, the Commissioner of Transportation, with reference to State highways, may by regulation and municipal or county authorities, with reference to highways under their jurisdiction, may by ordinance, in the case of municipal authorities, or by ordinance or resolution, in the case of county authorities, subject to the approval of the Commissioner of Transportation, except as otherwise provided in R.S.39:4-8, designate a reasonable and safe speed limit thereat which, subject to the provisions of R.S.39:4-96 and R.S.39:4-97, shall be prima facie lawful at all times or at such times as may be determined, when appropriate signs giving notice thereof are erected at such intersection, or other place or part of the highway. Appropriate signs giving notice of the speed limits authorized under the provisions of paragraph (1) of subsection b. and subsection c. of this section may be erected if the commissioner or the municipal or county authorities, as the case may be, so determine they are necessary. Appropriate signs giving notice of the speed limits authorized under the provisions of subsection a. and paragraph (2) of subsection b. of this section shall be erected by the commissioner or the municipal or county authorities, as appropriate.

When designating reasonable and safe speed limits for a street under its jurisdiction pursuant to this subsection, as part of an engineering and traffic investigation, a municipality or county shall consider, but not be limited to, the following criteria: residential density; the presence, or lack, of sidewalks; the prevalence of entry and exit ways for business and commercial establishments; whether school children walk adjacent to the street on their way to and from school; and the proximity of recreational or park areas, schools, community residences, family day care homes, child care centers, assisted living facilities or senior communities. of service to the board of chosen freeholders of each county whose residents will be affected and to the clerk of each municipality in which there is located a bus stop on the route or routes that would be affected by the discontinuation, substantial curtailment, or abandonment of service.

CHAPTER 260

AN ACT establishing the New Jersey Student Athlete Cardiac Screening Task Force.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. There is growing concern throughout the State about the incidence of young athletes who die suddenly while playing high intensity sports, often due to a heart problem that was undetected;
   b. These tragic deaths may be prevented if the athletes' "silent" heart problems can be detected before they do damage;
   c. Sudden cardiac death in a young person is often caused by a heart or heart artery defect that the person had from birth; and several heart problems are known to cause sudden death, many of them inherited;
d. The most common cause of sudden cardiac death in student athletes is hypertrophic cardiomyopathy, a condition in which the heart muscle is thicker than normal, which can make it harder for the heart to pump and can also affect the electrical system of the heart and lead to dangerous heart rhythms; and sudden cardiac death often occurs because of a very fast or quivering heart rhythm that prevents the heart from pumping effectively, which deprives the heart and brain of oxygen;

e. It may be difficult to know whether a child is at risk for sudden cardiac death because a child with an inherited heart problem may seem perfectly healthy, since the child’s heart may work well with normal activity and symptoms may only occur when the heart is overstressed during exercise; however, in many cases, there are premonitory symptoms, a family history of sudden death at a young age, or clinical or electrocardiographic abnormalities that indicate risk for sudden cardiac death;

f. The American Heart Association and the American College of Cardiology recommend that all student athletes be screened before they take part in sports, which would include a review of the student’s personal and family history and a physical examination;

g. In recognition of this serious problem, this Legislature enacted P.L.2007, c.125 (C.18A:40-41) to require that the Commissioner of Education, in consultation with the Commissioner of Health and Senior Services, the American Heart Association, and the American Academy of Pediatrics, develop an informational pamphlet about sudden cardiac death, for distribution to all school districts in the State, and that school districts distribute the pamphlet to the parents or guardians of students participating in school sports; and

h. Further action is required to address this problem, and it is in the public interest to establish a task force to review and assess current procedures and documentation relating to the screening of student athletes in order to detect risk for sudden cardiac death, and consider ways to ensure better screening in order to minimize the possibility of these tragic occurrences.

2. a. There is established the New Jersey Student Athlete Cardiac Screening Task Force in the Department of Health and Senior Services.

The purpose of the task force shall be to study and evaluate, and develop recommendations relating to, specific actionable measures to enhance screening of student athletes for hypertrophic cardiomyopathy and other cardiac conditions that will help identify student athletes who are at risk for sudden cardiac death.

b. The task force shall consist of eight members as follows:
(1) the Commissioners of Health and Senior Services and Education or their designees, who shall serve ex officio; and

(2) six members, who shall be appointed by the Commissioner of Health and Senior Services no later than the 60th day after the effective date of this act, as follows: one person who represents the American Heart Association; one person who represents the American Academy of Pediatrics, New Jersey Chapter; one person who represents the American College of Cardiology; one person who represents the New Jersey State School Nurses Association; one person who represents the New Jersey State Interscholastic Athletic Association; and one person who represents the New Jersey Academy of Family Physicians.

Vacancies in the membership of the task force shall be filled in the same manner provided for the original appointments.

c. The task force shall organize as soon as practicable following the appointment of its members and shall hold its initial meeting no later than the 120th day after the effective date of this act. The task force shall select a chairperson and vice-chairperson from among the members, and the chairperson shall appoint a secretary who need not be a member of the task force.

d. The public members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the task force.

e. The task force shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes.

f. The task force may meet and hold hearings as it deems appropriate.

g. The Department of Health and Senior Services shall provide staff support to the task force.

3. The task force shall report its findings and recommendations to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), along with any legislative bills that it desires to recommend for adoption by the Legislature, no later than 12 months after the initial meeting of the task force.

4. This act shall take effect immediately and shall expire upon the issuance of the task force report.

Approved January 17, 2010.

4. a. The board shall establish and administer a program to be known as "The Senior Citizen and Disabled Resident Transportation Assistance Program" for the following purposes:

   (1) To assist counties to develop and provide accessible feeder transportation service to accessible fixed-route transportation services where such services are available, and accessible local transit service to senior citizens and the disabled, which may include but not be limited to door-to-door service, fixed route service, local fare subsidy, and user-side subsidy, which may include but not be limited to private ride or taxi fare subsidy; and to coordinate the activities of the various participants in this program in providing the services to be rendered at the county level and between counties; and

b. In the State fiscal year beginning July 1 following the effective date of P.L.2009, c.261 and in each fiscal year thereafter, there shall be appropriated to the corporation from the revenues deposited in the Casino Revenue Fund established pursuant to section 145 of P.L.1977, c.110 (C.5:12-145) a sum equal to 8.5% of the revenues deposited in the fund during the preceding fiscal year, as determined by the State Treasurer, to effectuate the purposes and provisions of P.L.1983, c.578 (C.27:25-25 et seq.).

2. Section 7 of P.L.1983, c.578 (C.27:25-31) is amended to read as follows:
C.27:25-31  Allocation of moneys.

7. a. Moneys under this program shall be allocated by the corporation in the following manner:

   (2) 15% shall be available for use by the corporation for the purposes specified under paragraph (2) of subsection a. of section 4 of this act and for the general administration of the program, but no more than 10% of the total moneys allocated under this program shall be used for the general administration of the program.

b. The amount of money which each eligible county may receive shall be based upon the number of persons resident in that county of 60 years of age or older expressed as a percentage of the whole number of persons resident in this State of 60 years or older, as provided by the U.S. Bureau of the Census. As similar data become available for the disabled population, such data shall be used in conjunction with the senior citizen data to determine the county allocation formula. No eligible county shall receive less than $150,000.00 during a fiscal year under this program, except that during the first fiscal year no county shall receive less than $50,000.00 nor more than $150,000.00.

c. The governing body of an eligible county, or a group or groups designated as an applicant or as applicants by the county after a public hearing in which senior citizens and the disabled shall have the opportunity to comment on the appropriateness of such designation, may make application to the board for moneys available under subsection b. of this section. The application shall be in the form of a proposal to the board for transportation assistance and shall specify the degree to which the proposal meets the purposes of the program under paragraph (1) of subsection a. of section 4 of this act and the implementation criteria under the program guidelines and the proposal shall have been considered at a public hearing. The board shall allocate moneys based upon a review of the merits of the proposals in meeting the purposes of the program, and the implementation criteria, under the program guidelines. The governing body of an eligible county shall schedule a public hearing annually for interested parties to provide the governing body with any facts, materials, or recommendations that would be of assistance regarding the efficacy of the program established under paragraph (1) of subsection a. of section 4 of this act.

3. Section 11 of P.L.1983, c.578 is amended to read as follows:

CHAPTER 264

AN ACT authorizing the New Jersey Historical Commission to establish a program to encourage local government units, nonprofit charitable organi­zations, and civic organizations to recognize sites of historical and cultural significance with standardized roadside markers, and supplementing Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:73-25.5 Findings, declarations, determinations relative to recognition of histori­cal, cultural sites with roadside markers.

1. The Legislature finds and declares that New Jersey, one of the original 13 colonies and crossroads of the American revolution, has a dis­tinguished heritage, as evidenced by the abundance of sites witnessing sign­ificant historical and cultural events in the nation’s history and important
scientific and technological discoveries, as well as being home to many famous men and women who have made lasting contributions to the State and the world; and that it is the responsibility of the State of New Jersey to encourage local government units and civic organizations to recognize these sites by the placement of historically accurate roadside markers.

The Legislature further finds and declares that New Jersey has lagged behind other states in developing a standardized program to recognize sites of historical and cultural significance; that many of the existing markers Statewide are old and damaged; that no system is currently in place to inventory existing markers; and that there are many sites in the State, in addition to those listed on the New Jersey and National Registers of Historic Places, which are of significant historical and cultural acclaim, and worthy of recognition through the placement of roadside markers.

The Legislature therefore determines that it is in the public interest to authorize the New Jersey Historical Commission to plan and carry out a program to encourage local government units, nonprofit charitable organizations, and civic organizations to provide for the placement of roadside markers at locations of historical and cultural significance in New Jersey; and that the creation of such a program would not only serve as a tribute to the people, places and events that have helped shape the State, the nation, and the world, but would serve to enhance community pride and encourage tourism throughout the State.

C.18A:73-25.6 Program to identify, propose sites of historical, cultural significance.
2. The New Jersey Historical Commission, in consultation with the New Jersey Heritage Tourism Task Force established pursuant to section 1 of P.L.2006, c.60, is authorized to establish a program to encourage local government units, nonprofit charitable organizations, and civic organizations to identify and propose sites of historical and cultural significance in the State, to be recognized by the placement of roadside markers. The markers shall feature a standardized design bearing the State seal, indicating that the site has been approved by the commission and that the marker meets standards for historical accuracy. In developing the program required pursuant to this section, the commission shall consult with the Department of Transportation to establish standards for the design, placement, and location of the roadside markers.

C.18A:73-25.7 Application process; vendors; registry; notification program.
3. a. The New Jersey Historical Commission shall develop an application process to be followed by local government units, nonprofit charitable
organizations, and civic organizations to identify and propose sites for in
cclusion in the program. An application shall include but is not limited to
the location of the proposed site and evidence to support its historical or
cultural significance, and the proposed text for the roadside marker. If an
application submitted by a local government unit, nonprofit charitable or
organization, or civic organization is approved by the commission and by the
appropriate entity having jurisdiction over the roadway along which the
marker is to be placed, the requesting local government unit, nonprofit
charitable organization, or civic organization, as appropriate, may purchase,
through an approved vendor, and erect a marker bearing the State seal, des
ignating that the site has been approved by the commission and that the
marker meets standards for historical accuracy.

b. The commission shall compile and maintain a listing of approved
vendors and shall negotiate, to the extent practicable and feasible, a volume
discounted rate for the purchase of markers by local government units,
nonprofit charitable organizations, or civic organizations.

c. The commission shall compile and maintain a registry of approved
sites and an inventory of markers erected pursuant to this act.

d. The commission shall conduct a notification program designed to
inform local government units, nonprofit charitable organizations, and civic
organizations of the existence of the program, through both printed materi
als and an Internet site.

4. a. The New Jersey Historical Commission, within the limits of funds
appropriated therefor or otherwise made available to it, may (1) commence
the roadside marker program as soon as may be practicable, and (2) take
any administrative or personnel action as may be necessary to implement
the provisions of this act.

b. The commission shall be authorized to raise funds, through direct
solicitation or other fundraising events, alone or with other groups, and may
accept gifts, grants and bequests from individuals, corporations, founda
tions, governmental agencies, public and private organizations, and institu
tions, to defray the commission’s administrative expenses and to carry out
its purposes as set forth in this act. The funds, gifts, grants, or bequests re
ceived pursuant to this subsection shall be deposited into an account in the
Department of the Treasury and allocated and annually appropriated to the
Department of State to defray the commission’s administrative expenses in
connection with implementing this act and to accomplish the goals and
purposes set forth in this act.
CHAPTER 265, LAWS OF 2009

5. This act shall take effect immediately.

Approved January 17, 2010.

c. A complaint filed by a person under this act shall remain under seal for at least 60 days and shall not be served on the defendant until the court so orders. Once filed, the action may be voluntarily dismissed by the person bringing the action if the Attorney General gives written consent to the dismissal along with the reason for consenting, and the court approves the dismissal.

d. A complaint alleging a false claim filed under this act shall be so designated when filed, in accordance with the Rules Governing the Courts of the State of New Jersey. Immediately upon filing of the complaint, the plaintiff shall serve by registered mail, return receipt requested, the Attorney General with a copy of the complaint and written disclosure of substantially all material evidence and information the person possesses. The Attorney General may elect to intervene and proceed with the action on behalf of the State within 60 days after it receives both the complaint and the material evidence and information.
e. (Deleted by amendment, P.L.2009, c.265)
f. The Attorney General may, for good cause shown, request that the court extend the time during which the complaint remains under seal. Any such motion may be supported by affidavits or other submissions in camera.
g. Before the expiration of the 60-day period or any extensions obtained under subsection f., the Attorney General shall:
   (1) file a pleading with the court that he intends to proceed with the action, in which case the action is conducted by the Attorney General and the seal shall be lifted; or

h. The defendant's answer to any complaint filed under this act shall be filed in accordance with the Rules Governing the Courts of the State of New Jersey after the complaint is unsealed and served upon the defendant.
i. When a person files an action under this act, no other person except the State may intervene or bring a related action based on the facts underlying the pending action.

2. Section 8 of P.L.2007, c.265 (C.2A:32C-8) is amended to read as follows:

C.2A:32C-8 Awarding of attorney's fees, expenses and costs.
8. a. If the Attorney General initiates an action under this act or assumes control of an action brought by a person under this act, the Attorney General shall be awarded reasonable attorney's fees, expenses, and costs. All such expenses, fees, and costs shall be awarded against the defendant.
b. If the court awards proceeds to the person bringing the action under this act, the person shall also be awarded an amount for reasonable attorney's fees, expenses, and costs. All such expenses, fees, and costs shall be awarded against the defendant.
c. If the Attorney General does not proceed with an action under this act and the defendant is the prevailing party, the court may award the defendant reasonable attorney's fees, expenses, and costs against the person bringing the action if the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.
d. No liability shall be incurred by the State or the Attorney General for any expenses, attorney's fees, or other costs incurred by any person in bringing or defending an action under this act.
CHAPTER 265, LAWS OF 2009  

3. Section 9 of P.L.2007, c.265 (C.2A:32C-9) is amended to read as follows:

C.2A:32C-9 Immunity from civil liability; limitations on bringing an action.

9. a. No member of the Legislature, a member of the Judiciary, a senior Executive branch official, or a member of a county or municipal governing body may be civilly liable if the basis for an action is premised on evidence or information known to the State when the action was brought. For purposes of this subsection, the term "senior Executive branch official" means any person employed in the Executive branch of government holding a position having substantial managerial, policy-influencing or policy-executing responsibilities.

b. A person may not bring an action under this act based upon allegations or transactions that are the subject of a pending action or administrative proceeding to which the State is already a party.

c. No action brought under this act shall be based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in an investigation, report, hearing or audit conducted by or at the request of the Legislature or by the news media, unless the action is brought by the Attorney General, or unless the person bringing the action is an original source of the information. For purposes of this subsection, the term "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the State before filing an action under this act based on the information.

d. No action may be brought under this act by a present or former employee or agent of the State or any political subdivision thereof when the action is based upon information discovered in any civil, criminal or administrative investigation or audit which investigation or audit was within the scope of the employee's or agent's duties or job description.

4.    b. The State, through the Department of Human Services, is vested with the regulatory authority, including but not limited to the establishment of reimbursement rates, and the administrative oversight responsibility for the licensing of facilities and operation of community care residential provider homes;

Pursuant to its statutory and regulatory authority, the Department of Human Services is authorized to contract with a qualified third party agency or entity to provide oversight with respect to various administrative functions, including but not limited to the processing of board payments and/or cost-of-care payments to community care residential providers;

CHAPTER 273

AN ACT concerning certain real estate promotions, amending R.S.45:15-17 and supplementing chapter 15 of Title 45 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.45:15-17 is amended to read as follows:

Investigation of actions of licensees; suspension or revocation of licenses and causes therefor.

45:15-17. The commission may, upon its own motion, and shall, upon the verified complaint in writing of any person, investigate the actions of any real estate broker, broker-salesperson, salesperson, referral agent, or any person who assumes, advertises or represents himself as being authorized to act as a real estate broker, broker-salesperson, salesperson or referral agent or engages in any of the activities described in R.S.45:15-3 without being licensed so to do. The lapse or suspension of a license by operation of law or the voluntary surrender of a license by a licensee shall not deprive the commission of jurisdiction to proceed with any investigation as herein provided or prevent the commission from taking any regulatory action against such licensee, provided, however, that the alleged charges arose while said licensee was duly licensed. Each transaction shall be construed as a separate offense.

In conducting investigations, the commission may take testimony by deposition as provided in R.S.45:15-18, require or permit any person to file a statement in writing, under oath or otherwise as the commission determines, as to all the facts and circumstances concerning the matter under investigation, and, upon its own motion or upon the request of any party, subpoena witnesses, compel their attendance, take evidence, and require the
production of any material which is relevant to the investigation, including any and all records of a licensee pertaining to his activities as a real estate broker, broker-salesperson, salesperson or referral agent. The commission may also require the provision of any information concerning the existence, description, nature, custody, condition and location of any books, documents, or other tangible material and the identity and location of persons having knowledge of relevant facts of any other matter reasonably calculated to lead to the discovery of material evidence. Upon failure to obey a subpoena or to answer questions posed by an investigator or legal representative of the commission and upon reasonable notice to all affected persons, the commission may commence an administrative action as provided below or apply to the Superior Court for an order compelling compliance.

The commission may place on probation, suspend for a period less than the unexpired portion of the license period, or may revoke any license issued under the provisions of R.S.45:15-1 et seq., or the right of licensure when such person is no longer the holder of a license at the time of hearing, or may impose, in addition or as an alternative to such probation, revocation or suspension, a penalty of not more than $5,000 for the first violation, and a penalty of not more than $10,000 for any subsequent violation, which penalty shall be sued for and recovered by and in the name of the commission and shall be collected and enforced by summary proceedings pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), where the licensee or any person, in performing or attempting to perform any of the acts mentioned herein, is deemed to be guilty of:

a. Making any false promises or any substantial misrepresentation; or
b. Acting for more than one party in a transaction without the knowledge of all parties thereto; or
c. Pursuing a flagrant and continued course of misrepresentation or making of false promises through agents, broker-salespersons, salespersons or referral agents, advertisements or otherwise; or
d. Failure to account for or to pay over any moneys belonging to others, coming into the possession of the licensee; or
e. Any conduct which demonstrates unworthiness, incompetency, bad faith or dishonesty. The failure of any person to cooperate with the commission in the performance of its duties or to comply with a subpoena issued by the commission compelling the production of materials in the course of an investigation, or the failure to give a verbal or written statement concerning a matter under investigation may be construed as conduct demonstrating unworthiness; or
f. Failure to provide his client with a fully executed copy of any sale or exclusive sales or rental listing contract at the time of execution thereof, or failure to specify therein a definite terminal date which terminal date shall not be subject to any qualifying terms or conditions; or

g. Using any plan, scheme or method for the sale or promotion of the sale of real estate which involves a lottery, a contest, a game, a prize, a drawing, or the offering of a lot or parcel or lots or parcels for advertising purposes, provided, however, that a promotion or offer of free, discounted or other services or products which does not require that the recipient of any free, discounted or other services or products enter into a sale, listing or other real estate contract as a condition of the promotion or offer shall not constitute a violation of this subsection if that promotion or offering does not involve a lottery, a contest, a game, a drawing or the offering of a lot or parcel or lots or parcels for advertising purposes. A broker shall disclose in writing any compensation received for such promotion or offer in the form and substance as required by the federal "Real Estate Settlement Procedures Act of 1974," 12 U.S.C. ss.2601 et seq., except that, notwithstanding the provisions of that federal act, written disclosure shall be provided no later than when the promotion or offer is extended by the broker to the consumer; or

h. Being convicted of a crime, knowledge of which the commission did not have at the time of last issuing a real estate license to the licensee; or

i. Collecting a commission as a real estate broker in a transaction, when at the same time representing either party in a transaction in a different capacity for a consideration; or

j. Using any trade name or insignia of membership in any real estate organization of which the licensee is not a member; or

k. Paying any rebate, profit, compensation or commission to anyone not possessed of a real estate license, except that: (1) free, discounted or other services or products provided for in subsection g. of this section shall not constitute a violation of this subsection; and (2) a real estate broker may provide a purchaser of residential real property, but no other third party a rebate of a portion of the commission paid to the broker in a transaction, so long as: the broker and the purchaser contract for such a rebate at the onset of the broker relationship in a written document, electronic document or a buyer agency agreement; the broker complies with any State or federal requirements with respect to the disclosure of the payment of the rebate; and the broker recommends to the purchaser that the purchaser contact a tax professional concerning the tax implications of receiving that rebate. The rebate paid to the purchaser shall be in the form of a credit, reducing the
amount of the commission payable to the broker, or a check paid by the
closing agent and shall be made at the time of closing; or

l. Any other conduct, whether of the same or a different character than
specified in this section, which constitutes fraud or dishonest dealing; or

m. Accepting a commission or valuable consideration as a real estate
broker-salesperson, salesperson or referral agent for the performance of any
of the acts specified in this act, from any person, except his employing bro-
der, who must be a licensed broker; or

n. Procuring a real estate license, for himself or anyone else, by fraud,
misrepresentation or deceit; or

o. Commingling the money or other property of his principals with his
own or failure to maintain and deposit in a special account, separate and
apart from personal or other business accounts, all moneys received by a
real estate broker, acting in said capacity, or as escrow agent, or the temпо-
rary custodian of the funds of others, in a real estate transaction; or

p. Selling property in the ownership of which he is interested in any
manner whatsoever, unless he first discloses to the purchaser in the contract
of sale his interest therein and his status as a real estate broker, broker-
salesperson, salesperson or referral agent; or

q. Purchasing any property unless he first discloses to the seller in the
contract of sale his status as a real estate broker, broker-salesperson, sales-
person or referral agent; or

r. Charging or accepting any fee, commission or compensation in
exchange for providing information on purportedly available rental hous-
ing, including lists of such units supplied verbally or in written form, before
a lease has been executed or, where no lease is drawn, before the tenant has
taken possession of the premises without complying with all applicable
rules promulgated by the commission regulating these practices; or

s. Failing to notify the commission within 30 days of having been
convicted of any crime, misdemeanor or disorderly persons offense, or of
having been indicted, or of the filing of any formal criminal charges, or of
the suspension or revocation of any real estate license issued by another
state, or of the initiation of formal disciplinary proceedings in another state
affecting any real estate license held, or failing to supply any documenta-
tion available to the licensee that the commission may request in connec-
tion with such matter; or

\( t \) The violation of any of the provisions of \( \text{R.S.45:15-1 et seq.} \) or of
the administrative rules adopted by the commission pursuant to the provi-
sions of \( \text{R.S.45:15-1 et seq.} \). The commission is expressly vested with the
power and authority to make, prescribe and enforce any and all rules and
regulations for the conduct of the real estate brokerage business consistent with the provisions of chapter 15 of Title 45 of the Revised Statutes.

If a licensee is deemed to be guilty of a third violation of any of the provisions of this section, whether of the same provision or of separate provisions, the commission may deem that person a repeat offender, in which event the commission may direct that no license as a real estate broker, broker-salesperson, salesperson or referral agent shall henceforth be issued to that person.

Course placement includes but is not limited to Honors, International Baccalaureate, Advanced Placement, vocational, technical and career pathways courses. Continuing the student’s academic program from the previous school and promoting placement in academically and career challenging courses should be paramount when considering placement. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course or courses.

b. Educational program placement - The receiving state school shall initially honor placement of the student in educational programs based on current educational assessments conducted at the school in the sending state or participation or placement in like programs in the sending state. Such programs include, but are not limited to: (1) gifted and talented programs; and (2) English as a second language (ESL). This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student.

c. Special education services – (1) In compliance with the federal requirements of the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. Section 1400 et seq., the receiving state shall initially provide comparable services to a student with disabilities based on his or her current Individualized Education Program (IEP); and (2) In compliance with the requirements of Section 504 of the Rehabilitation Act, 29 U.S.C. Section 794, and with Title II of the Americans with Disabilities Act, 42 U.S.C. Sections 12131-12165, the receiving state shall make reasonable accommodations and modifications to address the needs of incoming students with disabilities, subject to an existing 504 or Title II Plan, to provide the student with equal access to education. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student.
d. Placement flexibility – Local education agency administrative officials shall have flexibility in waiving course or program prerequisites, or other preconditions for placement in courses or programs offered under the jurisdiction of the local education agency.

e. Absence as related to deployment activities – A student whose parent or legal guardian is an active duty member of the uniformed services, as defined by the compact, and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be granted additional excused absences at the discretion of the local education agency superintendent to visit with his or her parent or legal guardian relative to such leave or deployment of the parent or guardian.

      (2) A local education agency shall be prohibited from charging local tuition to a transitioning military child placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent.
      (3) A transitioning military child, placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent, may continue to attend the school in which he or she was enrolled while residing with the custodial parent.
   b. Eligibility for extracurricular participation - State and local education agencies shall facilitate the opportunity for transitioning military children’s inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified.

   In order to facilitate the on-time graduation of children of military families states and local education agencies shall incorporate the following procedures:
   a. Waiver requirements – Local education agency administrative officials shall waive specific courses required for graduation if similar course work has been satisfactorily completed in another local education agency or
shall provide reasonable justification for denial. Should a waiver not be
granted to a student who would qualify to graduate from the sending
school, the local education agency shall provide an alternative means of
acquiring required coursework so that graduation may occur on time.

b. Exit exams - States shall accept: (1) exit or end-of-course exams
required for graduation from the sending state; or (2) national norm­
referred achievement tests; or (3) alternative testing, in lieu of testing
requirements for graduation in the receiving state. In the event the above
alternatives cannot be accommodated by the receiving state for a student
transferring in his or her Senior year, then the provisions of subsection c. of
this section shall apply.

c. Transfers during Senior year – Should a military student transferring at
the beginning or during his or her Senior year be ineligible to graduate from the
receiving local education agency after all alternatives have been considered, the
sending and receiving local education agencies shall ensure the receipt of a
diploma from the sending local education agency, if the student meets the
graduation requirements of the sending local education agency. In the event
that one of the states in question is not a member of this compact, the member
state shall use best efforts to facilitate the on-time graduation of the student in
accordance with subsections a. and b. of this section.

clude at least: the state superintendent of education, superintendent of a
school district with a high concentration of military children, representative
from a military installation, one representative each from the legislative and
executive branches of government, and other offices and stakeholder

The chairperson or, in the chairperson's absence or disability, the vice-chairperson, shall preside at all meetings of the Interstate Commission. Notwithstanding the foregoing, in the event the Interstate Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this act, or the powers granted hereunder, then such an action by the Interstate Commission shall be invalid and have no force or effect.
   c. Not later than 30 days after a rule is promulgated, any person may file a petition for judicial review of the rule; provided, that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Interstate Commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable exercise of the Interstate Commission's authority.
   d. If a majority of the legislatures of the compacting states rejects a Rule by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

C.18A:75A-14 Oversight, enforcement, and dispute resolution.
14. Article XIII: Oversight, Enforcement, and Dispute Resolution
a. Oversight

(1) The executive, legislative and judicial branches of state government in each member state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact’s purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(3) The Interstate Commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes. If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall:

(1) Provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default and any action taken by the Interstate Commission. The Interstate Commission shall specify the conditions by which the defaulting state must cure its default.

(2) Provide remedial training and specific technical assistance regarding the default.

(3) If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default.

(4) Suspension or termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Interstate Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(5) The state which has been suspended or terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of suspension or termination including obligations, the performance of which extends beyond the effective date of suspension or termination.
(6) The Interstate Commission shall not bear any costs relating to any state that has been found to be in default or which has been suspended or terminated from the compact, unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state.

(7) The defaulting state may appeal the action of the Interstate Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Interstate Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

c. Dispute Resolution

(1) The Interstate Commission shall attempt, upon the request of a member state, to resolve disputes which are subject to the compact and which may arise among member states and between member and non-member states.

(2) The Interstate Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

d. Enforcement

(1) The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) The Interstate Commission, may by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its principal offices, to enforce compliance with the provisions of the compact, its promulgated rules and bylaws, against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the Interstate Commission. The Interstate Commission may avail itself of any other remedies available under state law or the regulation of a profession.

15. Article XIV: Financing of the Interstate Commission

a. The Interstate Commission shall pay, or provide for the payment of the reasonable expenses of its establishment, organization and ongoing activities.

b. The Interstate Commission may levy on and collect an annual assessment from each member state to cover the cost of the operations and activities of the Interstate Commission and its staff which must be in a total
amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, which shall promulgate a rule binding upon all member states.

c. The Interstate Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the member states, except by and with the authority of the member state.

d. The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 20 of P.L.1989, c.34 (C.13:1E-48.20) is amended to read as follows:

**C.13:1E-48.20 Enforcement.**

20. a. This act, and any rule or regulation adopted pursuant thereto, shall be enforced by the departments and by every local board of health, or county health department, as the case may be.

The departments and the local board of health, or the county health department, as the case may be, shall have the right to enter the premises of a generator, transporter, or facility at any time in order to determine compliance with this act.

The municipal attorney or an attorney retained by a municipality in which a violation of this act is alleged to have occurred shall act as counsel to a local board of health.

The county counsel or an attorney retained by a county in which a violation of this act is alleged to have occurred shall act as counsel to the county health department.

All enforcement activities undertaken by county health departments pursuant to this subsection shall conform to all applicable performance and administrative standards adopted pursuant to section 10 of the "County Environmental Health Act," P.L.1977, c.443 (C.26:3A2-28).

b. Whenever the Commissioner of Environmental Protection or the Commissioner of Health and Senior Services finds that a person has violated this act, or any rule or regulation adopted pursuant thereto, that commissioner shall:

1) issue an order requiring the person found to be in violation to comply in accordance with subsection c. of this section;
2) bring a civil action in accordance with subsection d. of this section;
3) levy a civil administrative penalty in accordance with subsection e. of this section;
4) bring an action for a civil penalty in accordance with subsection f. of this section; or
(5) petition the Attorney General to bring a criminal action in accordance with subsections g. through j. of this section.

Pursuit of any of the remedies specified under this section shall not preclude the seeking of any other remedy specified.

c. Whenever the Commissioner of Environmental Protection or the Commissioner of Health and Senior Services finds that a person has violated this act, or any rule or regulation adopted pursuant thereto, that commissioner may issue an order specifying the provision or provisions of this act, or the rule or regulation adopted pursuant thereto, of which the person is in violation, citing the action that constituted the violation, ordering abatement of the violation, and giving notice to the person of the person's right to a hearing on the matters contained in the order. The ordered party shall have 20 days from receipt of the order within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order. If no hearing is requested, the order shall become final after the expiration of the 20-day period. A request for hearing shall not automatically stay the effect of the order.

d. The Commissioner of Environmental Protection, the Commissioner of Health and Senior Services, a local board of health, or a county health department may institute an action or proceeding in the Superior Court for injunctive and other relief, including the appointment of a receiver for any violation of this act, or of any rule or regulation adopted pursuant thereto, and the court may proceed in the action in a summary manner. In any such proceeding the court may grant temporary or interlocutory relief.

Such relief may include, singly or in combination:

(1) a temporary or permanent injunction;

(2) assessment of the violator for the costs of any investigation, inspection, or monitoring survey that led to the establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection;

(3) assessment of the violator for any cost incurred by the State in removing, correcting, or terminating the adverse effects upon environmental quality or public health resulting from any violation of this act, or any rule or regulation adopted pursuant thereto, for which the action under this subsection may have been brought;

(4) assessment against the violator of compensatory damages for any loss or destruction of wildlife, fish or aquatic life, and for any other actual damages caused by any violation of this act, or any rule or regulation adopted pursuant thereto, for which the action under this subsection may have been brought; and
(5) assessment against the violator of the actual amount of any economic benefits accruing to the violator from a violation. Economic benefits may include the amount of any savings realized from avoided capital or noncapital costs resulting from the violation; the return earned or that may be earned on the amount of avoided costs; any benefits accruing to the violator as a result of a competitive market advantage enjoyed by reason of the violation; or any other benefits resulting from the violation.

Assessments under this subsection shall be paid to the State Treasurer, or to the local board of health, or to the county health department, as the case may be, except that compensatory damages may be paid by specific order of the court to any persons who have been aggrieved by the violation.

If a proceeding is instituted by a local board of health or county health department, notice thereof shall be served upon the commissioners in the same manner as if the commissioners were named parties to the action or proceeding. Either of the departments may intervene as a matter of right in any proceeding brought by a local board of health or county health department.

e. Either of the commissioners, as the case may be, may assess a civil administrative penalty of not more than $100,000 for each violation. Each day that a violation continues shall constitute an additional, separate, and distinct offense. A commissioner may not assess a civil administrative penalty in excess of $25,000 for a single violation, or in excess of $2,500 for each day during which a violation continues, until the departments have respectively adopted, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), regulations requiring the appropriate commissioner, in assessing a civil administrative penalty, to consider the operational history of the violator, the severity of the violation, the measures taken to mitigate or prevent further violations, and whether the penalty will maintain an appropriate deterrent. No assessment may be levied pursuant to this section until after the violator has been notified by certified mail or personal service. The notice shall include a reference to the section of the statute, rule, regulation, or order violated, a concise statement of the facts alleged to constitute a violation, a statement of the amount of the civil administrative penalties to be imposed, and a statement of the party's right to a hearing. The ordered party shall have 20 calendar days from receipt of the notice within which to deliver to the appropriate commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, that commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order after the expiration of the 20-day period. Payment of the assessment is due when a final order is issued or the notice
becomes a final order. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in this act, and the payment of any assessment shall not be deemed to affect the availability of any other enforcement provisions in connection with the violation for which the assessment is levied. Each department may compromise any civil administrative penalty assessed under this section in an amount the department determines appropriate.

f. A person who violates this act, or any rule or regulation adopted pursuant thereto, shall be liable for a penalty of not more than $100,000 per day for each violation, to be collected in a civil action commenced by the Commissioner of Environmental Protection, the Commissioner of Health and Senior Services, a local board of health, or a county health department.

A person who violates an administrative order issued pursuant to subsection c. of this section, or a court order issued pursuant to subsection d. of this section, or who fails to pay an administrative assessment in full pursuant to subsection e. of this section is subject upon order of a court to a civil penalty not to exceed $200,000 per day for each violation.

Of the penalty imposed pursuant to this subsection, 10% or $250, whichever is greater, shall be paid to the appropriate department from the General Fund if the Attorney General determines that a person is entitled to a reward pursuant to section 24 of this act.

Any penalty imposed pursuant to this subsection may be collected, with costs, in a summary proceeding pursuant to the “Penalty Enforcement Law of 1999,” P.L.1999, c.274 (C.2A:58-10 et seq.). The Superior Court and the municipal court shall have jurisdiction to enforce the provisions of the “Penalty Enforcement Law of 1999” in connection with this act.

k. All conveyances used or intended for use in the willful discharge, in violation of this act, or any rule or regulation adopted pursuant thereto, of regulated medical waste are subject to forfeiture to the State pursuant to P.L.1981, c.387 (C.13:1K-1 et seq.).

l. (Deleted by amendment, P.L.1997, c.325.)

C.58:10A-48.1 Dumping material in ocean prohibited.

2. No person may intentionally dump any material into the ocean waters within the jurisdiction of this State, or into the waters outside the jurisdiction of this State, which material enters the ocean waters within the jurisdiction of this State.

   (4) petition the Attorney General to bring a criminal action in accordance with section 3 of P.L.1988, c.61 (C.58:10A-49).

   Pursuit of any of the remedies specified under this section shall not preclude the seeking of any other remedy specified.

   b. The commissioner may institute an action or proceeding in the Superior Court for injunctive and other relief, including the appointment of a receiver for any violation of P.L.1988, c.61 (C.58:10A-47 et seq.), or of any rule or regulation adopted pursuant thereto, and the court may proceed in the action in a summary manner. In any such proceeding the court may grant temporary or interlocutory relief.

   Such relief may include, singly or in combination:

Economic benefits may include the amount of any savings realized from avoided capital or noncapital costs resulting from the violation; the return earned or that may be earned on the amount of avoided costs; any benefits accruing to the violator as a result of a competitive market advantage enjoyed by reason of the violation; or any other benefits resulting from the violation.

Assessments under this subsection shall be paid to the State Treasurer, except that compensatory damages may be paid by specific order of the court to any persons who have been aggrieved by the violation.

c. The commissioner may assess a civil administrative penalty of not more than $100,000 for each violation. Each day that a violation continues shall constitute an additional, separate, and distinct offense. C.48:3-87 Environmental disclosure requirements; standards; rules; terms defined.

38. a. The board shall require an electric power supplier or basic generation service provider to disclose on a customer's bill or on customer contracts or marketing materials, a uniform, common set of information about the environmental characteristics of the energy purchased by the customer, including, but not limited to:

(1) Its fuel mix, including categories for oil, gas, nuclear, coal, solar, hydroelectric, wind and biomass, or a regional average determined by the board;
(2) Its emissions, in pounds per megawatt hour, of sulfur dioxide, carbon dioxide, oxides of nitrogen, and any other pollutant that the board may determine to pose an environmental or health hazard, or an emissions default to be determined by the board; and
(3) Any discrete emission reduction retired pursuant to rules and regulations adopted pursuant to P.L.1995, c.188.

b. Notwithstanding any provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board shall initiate a proceeding and shall adopt, in consultation with the Department of Environmental Protection, after notice and opportunity for public comment
and public hearing, interim standards to implement this disclosure require­
ment, including, but not limited to:

(1) A methodology for disclosure of emissions based on output pounds per megawatt hour;
(2) Benchmarks for all suppliers and basic generation service providers to use in disclosing emissions that will enable consumers to perform a meaningful comparison with a supplier's or basic generation service pro­
vider's emission levels; and
(3) A uniform emissions disclosure format that is graphic in nature and easily understandable by consumers. The board shall periodically review the disclosure requirements to determine if revisions to the environmental disclosure system as implemented are necessary.

Such standards shall be effective as regulations immediately upon fil­
ing with the Office of Administrative Law and shall be effective for a pe­
riod not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Adminis­
tative Procedure Act."

c. (1) The board may adopt, in consultation with the Department of Environmental Protection, after notice and opportunity for public comment, an emissions portfolio standard applicable to all electric power suppliers and basic generation service providers, upon a finding that:

(a) The standard is necessary as part of a plan to enable the State to meet federal Clean Air Act or State ambient air quality standards; and
(b) Actions at the regional or federal level cannot reasonably be ex­
pected to achieve the compliance with the federal standards.

(2) By July 1, 2009, the board shall adopt, pursuant to the "Administra­tive Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), a greenhouse gas emissions portfolio standard to mitigate leakage or another regulatory mechanism to mitigate leakage applicable to all electric power suppliers and basic generation service providers that provide electricity to customers within the State. The greenhouse gas emissions portfolio standard or any other regulatory mechanism to mitigate leakage shall:

(a) Allow a transition period, either before or after the effective date of the regulation to mitigate leakage, for a basic generation service provider or electric power supplier to either meet the emissions portfolio standard or other regulatory mechanism to mitigate leakage, or to transfer any customer to a basic generation service provider or electric power supplier that meets the emissions portfolio standard or other regulatory mechanism to mitigate leakage. If the transition period allowed pursuant to this subparagraph oc­
curs after the implementation of an emissions portfolio standard or other
regulatory mechanism to mitigate leakage, the transition period shall be no longer than three years; and

(b) Exempt the provision of basic generation service pursuant to a basic generation service purchase and sale agreement effective prior to the date of the regulation.

Unless the Attorney General or the Attorney General's designee determines that a greenhouse gas emissions portfolio standard would unconstitutionally burden interstate commerce or would be preempted by federal law, the adoption by the board of an electric energy efficiency portfolio standard pursuant to subsection g. of this section, a gas energy efficiency portfolio standard pursuant to subsection h. of this section, or any other enhanced energy efficiency policies to mitigate leakage shall not be considered sufficient to fulfill the requirement of this subsection for the adoption of a greenhouse gas emissions portfolio standard or any other regulatory mechanism to mitigate leakage.

d. Notwithstanding any provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board shall initiate a proceeding and shall adopt, after notice, provision of the opportunity for comment, and public hearing, renewable energy portfolio standards that shall require:

(1) that two and one-half percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider be from Class I or Class II renewable energy sources; and

(2) beginning on January 1, 2001, that one-half of one percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider be from Class I renewable energy sources. The board shall increase the required percentage for Class I renewable energy sources so that by January 1, 2006, one percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider shall be from Class I renewable energy sources and shall additionally increase the required percentage for Class I renewable energy sources by one-half of one percent each year until January 1, 2012, when four percent of the kilowatt hours sold in this State by each electric power supplier and each basic generation service provider shall be from Class I renewable energy sources.

An electric power supplier or basic generation service provider may satisfy the requirements of this subsection by participating in a renewable energy trading program approved by the board in consultation with the Department of Environmental Protection.
(3) that the board establish a multi-year schedule, applicable to each electric power supplier or basic generation service provider in this State, beginning with the one-year period commencing on June 1, 2010, and continuing for each subsequent one-year period up to and including, the one-year period commencing on June 1, 2025, that requires suppliers or providers to purchase at least the following number of kilowatt-hours from solar electric power generators in this State:

EY 2027, and for every energy year thereafter, at least 5,316 Gwhrs per energy year to reflect an increasing number of kilowatt-hours to be purchased by suppliers or providers from solar electric power generators in this State, and to establish a framework within which suppliers and providers shall purchase at least 2,518 Gwhrs in the energy year 2021 and 5,316 Gwhrs in the energy year 2026 from solar electric power generators in this State, provided, however, that the number of solar kilowatt-hours required to be purchased by each supplier or provider, when expressed as a percentage of the total number of solar kilowatt-hours purchased in this State, shall be equivalent to each supplier's or provider's proportionate share of the total number of kilowatt-hours sold in this State by all suppliers and providers.

The solar renewable portfolio standards requirements in paragraph (3) of this subsection shall automatically increase by 20% for the remainder of the schedule in the event that the following two conditions are met: (a) the number of SRECs generated meets or exceeds the requirement for three consecutive reporting years, starting with energy year 2013; and (b) the average SREC price for all SRECs purchased by entities with renewable
energy portfolio standards obligations has decreased in the same three consecutive reporting years. The board shall exempt providers' existing supply contracts that are: (a) effective prior to the date of P.L.2009, c.289; or (b) effective prior to any future increase in the solar renewable portfolio standard beyond the multi-year schedule established in paragraph (3) of this subsection. This exemption shall apply to the number of SRECs that exceeds the number mandated by the solar renewable portfolio standards requirements that were in effect on the date that the providers executed their existing supply contracts. This limited exemption for providers' existing supply contracts shall not be construed to lower the Statewide solar purchase requirements set forth in paragraph (3) of this subsection. Such incremental new requirements shall be distributed over the electric power suppliers and providers not subject to the existing supply contract exemption until such time as existing supply contracts expire and all suppliers are subject to the new requirement.

An electric power supplier or basic generation service provider may satisfy the requirements of this subsection by participating in a renewable energy trading program approved by the board in consultation with the Department of Environmental Protection, or compliance with the requirements of this subsection may be demonstrated to the board by suppliers or providers through the purchase of SRECs.

The renewable energy portfolio standards adopted by the board pursuant to paragraphs (1) and (2) of this subsection shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Administrative Procedure Act."

The renewable energy portfolio standards adopted by the board pursuant to paragraph (3) of this subsection shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 30 months after such filing, and shall, thereafter, be amended, adopted or readopted by the board in accordance with the "Administrative Procedure Act."

e. Notwithstanding any provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board shall initiate a proceeding and shall adopt, after notice, provision of the opportunity for comment, and public hearing:

(1) net metering standards for electric power suppliers and basic generation service providers. The standards shall require electric power suppliers and basic generation service providers to offer net metering at non-
discriminatory rates to industrial, large commercial, residential and small commercial customers, as those customers are classified or defined by the board, that generate electricity, on the customer's side of the meter, using a Class I renewable energy source, for the net amount of electricity supplied by the electric power supplier or basic generation service provider over an annualized period. Systems of any sized capacity, as measured in watts, are eligible for net metering. If the amount of electricity generated by the customer-generator, plus any kilowatt hour credits held over from the previous billing periods, exceeds the electricity supplied by the electric power supplier or basic generation service provider, then the electric power supplier or basic generation service provider, as the case may be, shall credit the customer-generator for the excess kilowatt hours until the end of the annualized period at which point the customer-generator will be compensated for any remaining credits or, if the customer-generator chooses, credit the customer-generator on a real-time basis, at the electric power supplier's or basic generation service provider's avoided cost of wholesale power or the PJM electric power pool's real-time locational marginal pricing rate, adjusted for losses, for the respective zone in the PJM electric power pool. Alternatively, the customer-generator may execute a bilateral agreement with an electric power supplier or basic generation service provider for the sale and purchase of the customer-generator's excess generation. The customer-generator may be credited on a real-time basis, so long as the customer-generator follows applicable rules prescribed by the PJM electric power pool for its capacity requirements for the net amount of electricity supplied by the electric power supplier or basic generation service provider. The board may authorize an electric power supplier or basic generation service provider to cease offering net metering whenever the total rated generating capacity owned and operated by net metering customer-generators Statewide equals 2.5 percent of the State's peak electricity demand;

(2) safety and power quality interconnection standards for Class I renewable energy source systems used by a customer-generator that shall be eligible for net metering.

Such standards or rules shall take into consideration the goals of the New Jersey Energy Master Plan, applicable industry standards, and the standards of other states and the Institute of Electrical and Electronic Engineers. The board shall allow electric public utilities to recover the costs of any new net meters, upgraded net meters, system reinforcements or upgrades, and interconnection costs through either their regulated rates or from the net metering customer-generator; and
(3) credit or other incentive rules for generators using Class I renewable energy generation systems that connect to New Jersey's electric public utilities' distribution system but who do not net meter.

Such rules shall require the board or its designee to issue a credit or other incentive to those generators that do not use a net meter but otherwise generate electricity derived from a Class I renewable energy source and to issue an enhanced credit or other incentive, including, but not limited to, a solar renewable energy credit, to those generators that generate electricity derived from solar technologies.

Such standards or rules shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Administrative Procedure Act."

f. The board may assess, by written order and after notice and opportunity for comment, a separate fee to cover the cost of implementing and overseeing an emission disclosure system or emission portfolio standard, which fee shall be assessed based on an electric power supplier's or basic generation service provider's share of the retail electricity supply market. The board shall not impose a fee for the cost of implementing and overseeing a greenhouse gas emissions portfolio standard adopted pursuant to paragraph (2) of subsection c. of this section, the electric energy efficiency portfolio standard adopted pursuant to subsection g. of this section, or the gas energy efficiency portfolio standard adopted pursuant to subsection h. of this section.

g. The board may adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), an electric energy efficiency portfolio standard that may require each electric public utility to implement energy efficiency measures that reduce electricity usage in the State by 2020 to a level that is 20 percent below the usage projected by the board in the absence of such a standard. Nothing in this section shall be construed to prevent an electric public utility from meeting the requirements of this section by contracting with another entity for the performance of the requirements.

h. The board may adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), a gas energy efficiency portfolio standard that may require each gas public utility to implement energy efficiency measures that reduce natural gas usage for heating in the State by 2020 to a level that is 20 percent below the usage projected by the board in the absence of such a standard. Nothing in this section shall be construed
to prevent a gas public utility from meeting the requirements of this section by contracting with another entity for the performance of the requirements.

i. After the board establishes a schedule of solar kilowatt-hour sale or purchase requirements pursuant to paragraph (3) of subsection d. of this section, the board may initiate subsequent proceedings and adopt, after appropriate notice and opportunity for public comment and public hearing, increased minimum solar kilowatt-hour sale or purchase requirements, provided that the board shall not reduce previously established minimum solar kilowatt-hour sale or purchase requirements, or otherwise impose constraints that reduce the requirements by any means.

j. The board shall determine an appropriate level of solar alternative compliance payment, and establish a 15-year solar alternative compliance payment schedule, that permits each supplier or provider to submit an SACP to comply with the solar electric generation requirements of paragraph (3) of subsection d. of this section. The board may initiate subsequent proceedings and adopt, after appropriate notice and opportunity for public comment and public hearing, an increase in solar alternative compliance payments, provided that the board shall not reduce previously established levels of solar alternative compliance payments, nor shall the board provide relief from the obligation of payment of the SACP by the electric power suppliers or basic generation service providers in any form. Any SACP payments collected shall be refunded directly to the ratepayers by the electric public utilities.

k. The board may allow electric public utilities to offer long-term contracts and other means of financing, including but not limited to loans, for the purchase of SRECs and the resale of SRECs to suppliers or providers or others, provided that after such contracts have been approved by the board, the board’s approvals shall not be modified by subsequent board orders.

l. The board shall implement its responsibilities under the provisions of this section in such a manner as to:

(1) place greater reliance on competitive markets, with the explicit goal of encouraging and ensuring the emergence of new entrants that can foster innovations and price competition;

(2) maintain adequate regulatory authority over non-competitive public utility services;

(3) consider alternative forms of regulation in order to address changes in the technology and structure of electric public utilities;

(4) promote energy efficiency and Class I renewable energy market development, taking into consideration environmental benefits and market barriers;
(5) make energy services more affordable for low and moderate income customers;
(6) attempt to transform the renewable energy market into one that can move forward without subsidies from the State or public utilities;
(7) achieve the goals put forth under the renewable energy portfolio standards;
(8) promote the lowest cost to ratepayers; and
(9) allow all market segments to participate.

m. The board shall ensure the availability of financial incentives under its jurisdiction, including, but not limited to, long-term contracts, loans, SRECs, or other financial support, to ensure market diversity, competition, and appropriate coverage across all ratepayer segments, including, but not limited to, residential, commercial, industrial, non-profit, farms, schools, and public entity customers.

n. For projects which are owned, or directly invested in, by a public utility pursuant to section 13 of P.L.2007, c.340 (C.48:3-98.1), the board shall determine the number of SRECs with which such projects shall be credited; and in determining such number the board shall ensure that the market for SRECs does not detrimentally affect the development of non-utility solar projects and shall consider how its determination may impact the ratepayers.

o. The board, in consultation with the Department of Environmental Protection, electric public utilities, the Division of Rate Counsel in the Department of the Public Advocate, affected members of the solar energy industry, and relevant stakeholders, shall periodically consider increasing the renewable energy portfolio standards beyond the minimum amounts set forth in subsection d. of this section, taking into account the cost impacts and public benefits of such increases including, but not limited to:

1) reductions in air pollution, water pollution, land disturbance, and greenhouse gas emissions;
2) reductions in peak demand for electricity and natural gas, and the overall impact on the costs to customers of electricity and natural gas;
3) increases in renewable energy development, manufacturing, investment, and job creation opportunities in this State; and
4) reductions in State and national dependence on the use of fossil fuels.

p. Class I RECs shall be eligible for use in renewable energy portfolio standards compliance in the energy year in which they are generated, and for the following two energy years. SRECs shall be eligible for use in renewable energy portfolio standards compliance in the energy year in which they are generated, and for the following two energy years.
3. This act shall take effect on the first day of the sixth month following enactment, except that the board may take such action in advance of the effective date as shall be necessary to implement the provisions of this act.

Approved January 17, 2010.

A person so appointed shall not have to be executor of the will. The funeral and disposition may occur prior to probate of the will, in accordance with section 40 of P.L.2003, c.261 (C.3B:10-21.1). If the decedent has not left a will appointing a person to control the funeral and disposition of the remains, the right to control the funeral and disposition of the human remains shall be in the following order, unless other directions have been given by a court of competent jurisdiction:

(1) The surviving spouse of the decedent or the surviving civil union or domestic partner; except that if the decedent had a temporary or permanent restraining order issued pursuant to P.L.1991, c.261 (C.2C:25-17 et seq.) against the surviving spouse or civil union or domestic partner, or the surviving spouse or civil union or domestic partner is charged with the intentional killing of the decedent, the right to control the funeral and disposition of the remains shall be granted to the next available priority class as provided in this subsection.

(2) A majority of the surviving adult children of the decedent.

(3) The surviving parent or parents of the decedent.

b. A cemetery may permit the disposition of human remains on the authorization of a funeral director handling arrangements for the decedent, or on the written authorization of a person who claims to be, and is believed to be, a person who has the right to control the disposition. The cemetery shall not be liable for disposition pursuant to this authorization unless it had reasonable notice that the person did not have the right to control the disposition.

c. A cemetery shall not bury human remains of more than one person in a grave unless:

(1) directions have been given for the burials in accordance with this section on behalf of all persons so buried; or

(2) the rights to be buried in the grave were sold by the cemetery with explicit provision allowing separate sales of rights to burial at different depths in the grave.

d. A person who signs an authorization for the funeral and disposition of human remains warrants the truth of the facts stated, the identity of the person whose remains are disposed and the authority to order the disposition. The person shall be liable for damages caused by a false statement or breach of warranty. A cemetery or funeral director shall not be liable for disposition in accordance with the authorization unless it had reasonable notice that the representations were untrue or that the person lacked the right to control the disposition.

e. An action against a cemetery company relating to the disposition of human remains left in its temporary custody may not be brought more than one year from the date of delivery of the remains to the cemetery company unless otherwise provided by a written contract.

CHAPTER 292

AN ACT concerning local public contracts and amending P.L.1999, c.39.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1999, c.39 (C.40A:11-23.1) is amended to read as follows:
C.40A:11-23.1 Plans, specifications, bid proposal documents; required contents.

I. All plans, specifications and bid proposal documents for the erection, alteration, or repair of a building, structure, facility or other improvement to real property, the total price of which exceeds the amount set forth in, or the amount calculated by the Governor pursuant to, section 3 of P.L.1971, c.198 (C.40A:11-3), shall include:

a. a document for the bidder to acknowledge the bidder's receipt of any notice or revisions or addenda to the advertisement or bid documents; and

b. a form listing those documentary and informational forms, certifications, and other documents that the contracting agent requires each bidder to submit with the bid. The form shall list each of the items to be submitted with the bid proposal and a place for the bidder to indicate, by initialing each entry, that the bidder has included those required items with the completed bid proposal. Each bidder shall complete this form and submit it with the bid proposal in addition to those documentary and informational forms, certifications, and other documents that are listed on the form; and

c. a statement indicating whether uniformed law enforcement officers will be required for the project. The statement shall include a line item allowance, which shall be a good faith effort on the part of the contracting unit, to reasonably estimate the total cost of traffic control personnel, vehicles, equipment, administrative, or any other costs associated with additional traffic control requirements required by the contracting unit, or any other public entity affected by the project, above and beyond the bidder's traffic control personnel, vehicles, equipment, and administrative costs. The individuals responsible for the assignment of uniformed law enforcement officers for any municipalities affected by a project shall be required to determine where traffic safety control is needed for a project, and calculate the number and placement of all necessary personnel, equipment, and the costs associated with these, including hourly rates, and submit this information to the contracting unit.

The contracting unit shall not be responsible for additional traffic control costs beyond the number of working days specified in the construction contract in accordance with section 17 of P.L.1971, c.198 (C.40A:11-17), when such a delay is caused by the contractor and liquidated damages have been assessed.

The statement prescribed under this subsection shall not be required if the contracting unit will provide for the direct payment of uniformed law enforcement officers and any additional costs directly associated with the provision of those officers; and
d. at the option of the contracting unit, specified alternate proposals in addition to a base specification. When the contracting unit specifies alternate proposals, the determination of which bidder's response to a request for bids offers the lowest price shall be made on the basis of the price of: (i) the base specification plus the price of any selected specified alternate proposals; or (ii) a choice of specified alternative proposals within the limit of funds that may be made available for a project. If a contracting unit provides for more than one specified alternate proposal, the contracting unit shall specify in the bid specification the criteria or ranked order by which specified alternate proposals shall be selected and included in the award of the contract by the governing body, provided that this requirement shall only apply to a project with a total estimated cost, including specified alternate proposals, of greater than $500,000. The aggregate dollar value of accepted specified alternative proposals shall not exceed 50 percent of the base bid. If a contracting unit is found in a court of law to have chosen specific alternative proposals in a manner intended to award a contract to a specific vendor, the bids shall be voided, the contracting unit shall rebid the project, and a plaintiff who prevails in any proceeding shall be entitled to a reasonable attorney's fee.

For the purposes of this subsection:

"Specified alternate proposal" means a requirement of the bid specification for bidders to submit prices for reduced, modified or supplemental work in addition to the base proposal which may include, but not be limited to, a change in project scope or the use of alternative materials or methods of construction;

"Base specification" means the plans and specifications for the erection, alteration or repair of the building, structure, facility or other improvement to real property that are required to be met by all bidders without exception.

2. This act shall take effect on the first day of the fourth month next following the date of enactment.

CHAPTER 299

AN ACT concerning family child care providers and supplementing P.L.1987, c.27 (C.30:5B-16 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:5B-22.1 Findings, declarations relative to family child care providers.

1. The Legislature finds and declares that:

a. Family child care providers in the State of New Jersey provide an invaluable and essential service to working parents and guardians by providing a healthy, safe and productive environment for their children while they are engaged in work or training;
b. The State recognizes the importance of these services and recognizes the need to continue and improve both the quality of care and the living and working conditions of the providers;

c. The Department of Children and Families is vested with the authority to regulate and set standards for the registration of family child care homes, and the Department of Human Services provides funding for the administration and enforcement of the operation of family child care homes, establishes reimbursement rates, and administers child care subsidy services for the Child Care Development Fund;

d. To ensure quality standards of care, it is in the public interest for New Jersey to maintain a child care delivery system that encourages the recruitment and retention of quality family child care providers to deliver these vital services;

e. In 2006, a majority of family child care providers selected a union to be their representative by individually signed authorization cards, and the State Board of Mediation certified the Child Care Workers Union (CCWU), a union formed by the American Federation of State, County and Municipal Employees, AFL-CIO (AFSCME) and the Communications Workers of America, AFL-CIO (CWA) to be the providers’ exclusive majority representative; and

f. The State subsequently entered into an agreement with the CCWU in its capacity as exclusive majority representative for the family child care providers.

C.30:5B-22.2 Meeting of departments, representative; agreement.

2. a. The Commissioner of the Department of Human Services or, if applicable, the Commissioner of the Department of Children and Families, on behalf of the State of New Jersey, shall, in a timely manner, meet in good faith with a recognized exclusive majority representative of all family child care providers who are registered and approved as family day care providers pursuant to P.L.1987, c.27 (C.30:5B-16 et seq.), for the purpose of entering into an agreement, or negotiating a renewal or extension, with any agreed upon modifications, of any agreement in effect upon the effective date of this act, regarding reimbursement rates, collection and payment of fees, dispute resolution, reporting procedures, benefits, health and safety conditions, and any other matters that would improve recruitment and retention of qualified family child care providers and the quality of the programs they provide, subject to the provisions of this section. Although family child care providers are not State employees, the subjects which may be included in an agreement shall be consistent with the areas which are considered negotiable.
for public employees who are subject to the provisions of the "New Jersey Employer-Employee Relations Act," P.L.1941, c.100 (C.34:13A-1 et seq.). Nothing in this act shall require that an agreement be reached on any particular matter, provided the parties act in good faith.

b. The purpose of this section is to permit family child care providers to select an exclusive majority representative to represent them as provided in this section. This act is intended by the Legislature to provide state action immunity under federal and State antitrust laws for any actions of the State, or joint actions of family child care providers and their exclusive majority representative, to the extent those actions are authorized by this act. The protections and prohibitions regarding unfair practices provided by section 1 of P.L.1974, c.123 (C.34:13A-5.4) shall apply to any family child care providers subject to this act, to the State as their employer, and to their employee organizations, representatives or agents.

c. Any agreement entered into, renewed or extended pursuant to this section shall be embodied in writing, shall be binding upon the State of New Jersey, and shall provide for the payment of union dues and representation fees in a manner consistent with the provisions of the "New Jersey Employer-Employee Relations Act," P.L.1941, c.100 (C.34:13A-1 et seq.) which apply to the payment of union dues and representation fees by public employees.

d. For the purposes of this act, "family child care provider" shall include all in-home, voluntary, registered, approved family friend and neighbor caregivers and nationally accredited child care providers included in any agreement entered into under the provisions of Executive Order 23, signed August 2, 2006.

C.30:5B-22.3 Construction of act.

3. No provision of this act or provision of any agreement entered into, renewed or extended pursuant to this act, shall be construed as:

a. Interfering with the rights of parents or guardians to choose family child care providers;

b. Granting family child care providers any right to engage in a strike or collective cessation of the delivery of child care services; or

cated in sections 1 and 2 of this act, including selecting representatives to negotiate and enter into agreements with the State as provided in section 2.

C.30:5B-22.4 Limitations of act.
4. No action may be taken under this act that would derogate from the status, functions or authority of the Department of Human Services in its capacity as Lead Agency pursuant to the State Plan for Child Care Development Services filed by the Commissioner of Human Services with the U.S. Secretary of Health and Human Services. No provision of this act shall supersede the authority of the Commissioner of the Department of Children and Families under the provisions of P.L.1987, c.27 (C.30:5B-16 et seq.).

5. This act shall take effect immediately.

Approved January 17, 2010.

CHAPTER 300

AN ACT concerning covenants not to sue and amending P.L.1997, c.278.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.1997, c.278 (C.58:10B-13.1) is amended to read as follows:

C.58:10B-13.1 No further action letter; covenant not to sue.
6. a. Whenever on or after October 16, 2009 the Department of Environmental Protection issues a no further action letter pursuant to a remediation, the person responsible for conducting the remediation shall be deemed by operation of law to have received a covenant not to sue with respect to the real property upon which the remediation has been conducted. The covenant not to sue shall be consistent with any conditions and limitations contained in the no further action letter. The covenant not to sue shall be for any area of concern remediated and may apply to the entire real property if the remediation included a preliminary assessment and, if necessary, a site investigation of the entire real property, and any other necessary remedial actions. The covenant remains effective only for as long as the real property for which the covenant was issued continues to meet the conditions of
the no further action letter. Upon a finding by the department that real property or a portion thereof to which a covenant not to sue pertains, no longer meets with the conditions of the no further action letter, the department shall provide notice of that fact to the person responsible for maintaining compliance with the no further action letter. The department may allow the person a reasonable time to come into compliance with the terms of the original no further action letter. If the property does not meet the conditions of the no further action letter and if the department does not allow for a period of time to come into compliance or if the person fails to come into compliance within the time period, the covenant not to sue shall be deemed to be revoked by operation of law.

Except as provided in subsection e. of this section, a covenant not to sue shall by operation of law provide for the following, as applicable:

(1) a provision releasing the person who undertook the remediation from all civil liability to the State to perform any additional remediation, to pay compensation for damage to, or loss of, natural resources, for the restoration of natural resources in connection with the discharge on the property or for any cleanup and removal costs;

(2) for a remediation that involves the use of engineering or institutional controls:

(a) a provision requiring the person, or any subsequent owner, lessee, or operator during the person's period of ownership, tenancy, or operation, to maintain those controls, conduct periodic monitoring for compliance, and submit to the department, on a biennial basis, a certification that the engineering and institutional controls are being properly maintained and continue to be protective of public health and safety and of the environment. The certification shall state the underlying facts and shall include the results of any tests or procedures performed that support the certification; and

(b) a provision that the covenant is revoked by operation of law if the engineering or institutional controls are not being maintained or are no longer in place; and

(3) for a remediation that involves the use of engineering controls but not for any remediation that involves the use of institutional controls only, a provision barring the person or persons whom the covenant not to sue benefits, from making a claim against the New Jersey Spill Compensation Fund and the Sanitary Landfill Facility Contingency Fund for any costs or damages relating to the real property and remediation covered by the covenant not to sue. The covenant not to sue shall not bar a claim by any person against the New Jersey Spill Compensation Fund and the Sanitary Landfill Contingency Fund for any remediation that involves only the use of institu-
tional controls if, after a valid no further action letter has been issued, the
department orders additional remediation, except that the covenant shall bar
such a claim if the department ordered additional remediation in order to
remove the institutional control.

b. Unless a covenant not to sue issued under this section is revoked by
the department, or by operation of law, the covenant shall remain effective.
The covenant not to sue shall apply to all successors in ownership of the
property and to all persons who lease the property or who engage in opera­tions on the property.

c. If a covenant not to sue is revoked, liability for any additional
remediation shall not be applied retroactively to any person for whom the
covenant remained in effect during that person's ownership, tenancy, or op­eration of the property.

d. A covenant not to sue and the protections it affords shall not apply
to any discharge that occurs subsequent to the issuance of the no further
action letter which was the basis of the issuance of the covenant, nor shall a
covenant not to sue and the protections it affords relieve any person of the
obligations to comply in the future with laws and regulations.

e. The covenant not to sue shall be deemed to apply to any person
who obtains a no further action letter as provided in subsection a. of this
section. The covenant not to sue shall not provide relief from any liability,
either under statutory or common law, to any person who is liable for
cleanup and removal costs pursuant to subsection c. of section 8 of
P.L.1976, c.141 (C.58:10-23.11g), and who does not have a defense to li­ability pursuant to subsection d. of that section.

f. (1) Except as provided in paragraphs (2) and (3) of this subsection,
the department shall not issue covenants not to sue after the issuance of li­censes to site remediation professionals pursuant to the provisions of sec­tion 12 of P.L.2009, c.60 (C.58:10C-12).

(2) The department may issue a covenant not to sue that is consistent
with the provisions of this section when it issues a no further action letter
for a remediation of a discharge from an unregulated heating oil tank.

(3) The department may issue a covenant not to sue as part of a settle­ment of litigation.

2. This act shall take effect immediately and shall be retroactive to
October 16, 2009.

Approved January 17, 2010.

CHAPTER 302

AN ACT concerning site remediation grants for redevelopment of contaminated property for renewable energy generation projects, and amending P.L.1993, c.139.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 27 of P.L.1993, c.139 (C.58:10B-5) is amended to read as follows:

C.58:10B-5 Financial assistance from remediation fund.

27. a. (1) Except as provided in section 4 of P.L.2007, c.135 (C.52:27D-130.7), financial assistance from the remediation fund may only be rendered to persons who cannot establish a remediation funding source for the full amount of a remediation. Financial assistance pursuant to this act may be rendered only for that amount of the cost of a remediation for which the person cannot establish a remediation funding source. The limitations on receiving financial assistance established in this paragraph (1) shall not limit the ability of municipalities, counties, redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), persons who are not required to establish a remediation funding source for the part of the remediation involving an innovative technology, an unrestricted use remedial action or a limited restricted use remedial action, persons performing a remediation in an environmental opportunity zone, or persons who voluntarily perform a remediation, from receiving financial assistance from the fund.

(2) Financial assistance rendered to persons who voluntarily perform a remediation or perform a remediation in an environmental opportunity zone may only be made for that amount of the cost of the remediation that the person cannot otherwise fund by any of the authorized methods to establish a remediation funding source.

(3) Financial assistance rendered to persons who do not have to provide a remediation funding source for the part of the remediation that involves an innovative technology, an unrestricted use remedial action, or a limited restricted use remedial action may only be made for that amount of the cost of the remediation that the person cannot otherwise fund by any of the authorized methods to establish a remediation funding source.
b. Financial assistance may be rendered from the remediation fund to (1) owners or operators of industrial establishments who are required to perform remediation activities pursuant to P.L.1983, c.330 (C.13:1K-6 et al.), upon closing operations or prior to the transfer of ownership or operations of an industrial establishment, (2) persons who are liable for the cleanup and removal costs of a hazardous substance pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.), and (3) persons who voluntarily perform a remediation of a discharge of a hazardous substance or hazardous waste.

c. Financial assistance and grants may be made from the remediation fund to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), for real property: (1) on which it holds a tax sale certificate; (2) that it has acquired through foreclosure or other similar means; or (3) that it has acquired, or in the case of a county governed by a board of chosen freeholders, has passed a resolution or, in the case of a municipality or a county operating under the "Optional County Charter Law," P.L.1972, c.154 (C.40:41A-1 et seq.), has passed an ordinance or other appropriate document to acquire, by voluntary conveyance for the purpose of redevelopment, for renewable energy generation or for recreation and conservation purposes. Financial assistance and grants may only be awarded for real property on which there has been a discharge or on which there is a suspected discharge of a hazardous substance or hazardous waste.

d. Grants may be made from the remediation fund to persons who own real property on which there has been a discharge of a hazardous substance or a hazardous waste and that person qualifies for an innocent party grant pursuant to section 28 of P.L.1993, c.139 (C.58:10B-6).

e. Grants may be made from the remediation fund to qualifying persons who propose to perform a remedial action that uses an innovative technology or that would result in an unrestricted use remedial action or a limited restricted use remedial action.

f. Grants may be made from the remediation fund to municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), for the preliminary assessment, site investigation, remedial investigation and remedial action on contaminated real property within a brownfield development area. An ownership interest in the contaminated property shall not be required in order for a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) to receive a grant for a remediation of property in a brownfield redevelopment area. Notwithstanding the limitation on the total
amount of financial assistance and grants that may be awarded in any one year pursuant to subsection b. of section 28 of P.L. 1993, c.139 (C.58:10B-6), the authority may award an additional amount of financial assistance and grants in any one year, of up to $2,000,000, to any one municipality, county, or redevelopment entity for the remediation of property in a brownfield development area. Any property on which a municipality, county, or redevelopment entity makes expenditures for a remedial action and the property is not owned by that entity shall be subject to the provisions of section 8 of P.L.2005, c.223 (C.58:10B-25.2).

2. Section 28 of P.L.1993, c.139 (C.58:10B-6) is amended to read as follows:

C.58:10B-6 Financial assistance and grants from the fund; allocations; purposes.

28. a. Except for moneys deposited in the remediation fund for specific purposes, and as provided in section 4 of P.L.2007, c.135 (C.52:27D-130.7), financial assistance and grants from the remediation fund shall be rendered for the following purposes. A written report shall be sent to the Senate Environment Committee, and the Assembly Environment and Solid Waste Committee, or their successors at the end of each calendar quarter detailing the allocation and expenditures related to the financial assistance and grants from the fund.

(1) Moneys shall be allocated for financial assistance to persons, for remediation of real property located in a qualifying municipality as defined in section 1 of P.L.1978, c.14 (C.52:27D-178);

(2) Moneys shall be allocated to: (a) municipalities, counties, or redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), for:

(i) projects in brownfield development areas pursuant to subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5),

(ii) matching grants up to a cumulative total amount from the fund of $5,000,000 per year of up to 75% of the costs of the remedial action for projects involving the redevelopment of contaminated property for recreation and conservation purposes, provided that the use of the property for recreation and conservation purposes is included in the comprehensive plan for the development or redevelopment of contaminated property, up to 75% of the costs of the remedial action for projects involving the redevelopment of contaminated property for renewable energy generation, or up to 50% of the costs of the remedial action for projects involving the redevelopment of
contaminated property for affordable housing pursuant to P.L.1985, c.222 (C.52:27D-301 et al.),

(iii) grants for preliminary assessment, site investigation or remedial investigation of a contaminated site,

(iv) financial assistance for the implementation of a remedial action, or

(v) financial assistance for remediation activities at sites that have been contaminated by a discharge of a hazardous substance or hazardous waste, or at which there is an imminent and significant threat of a discharge of a hazardous substance or hazardous waste, and the discharge or threatened discharge poses or would pose an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area; or

(b) persons for financial assistance for remediation activities at sites that have been contaminated by a discharge of a hazardous substance or hazardous waste, or at which there is an imminent and significant threat of a discharge of a hazardous substance or hazardous waste, and the discharge or threatened discharge poses or would pose an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area.

Except as provided in subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5), financial assistance and grants to municipalities, counties, or redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may be made for real property: (1) on which they hold a tax sale certificate; (2) that they have acquired through foreclosure or other similar means; or (3) that they have acquired, or, in the case of a county governed by a board of chosen freeholders, have passed a resolution or, in the case of a municipality or a county operating under the "Optional County Charter Law," P.L.1972, c.154 (C.40:41A-1 et seq.), have passed an ordinance or other appropriate document to acquire, by voluntary conveyance for the purpose of redevelopment, or for recreation and conservation purposes. Financial assistance and grants may only be awarded for real property on which there has been or on which there is suspected of being a discharge of a hazardous substance or a hazardous waste. Grants and financial assistance provided pursuant to this paragraph shall be used for performing preliminary assessments, site investigations, remedial investigations, and remedial actions on real property in order to determine the existence or extent of any hazardous substance or hazardous waste contamination, and to remediate the site in compliance with the applicable health risk and environmental standards on those properties. No financial assistance or grants for a remedial action shall be awarded until the
municipality, county, or redevelopment entity authorized to exercise redevelop­ment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), actually owns the real property, provided that a matching grant for 75% of the costs of a remedial action for a project involving the redevelopment of contaminated property for recreation and conservation purposes, or a matching grant for 50% of the costs of a remedial action for a project involving the redevelopment of contaminated property for affordable housing pursuant to P.L.1985, c.222 (C.52:27D-301 et al.) may be made to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) even if it does not own the real property and a grant may be made to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) for a remediation in a brownfield development area pursuant to subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5) even if the entity does not own the real property. No grant shall be awarded for a remedial action for a project involving the redevelopment of contaminated property for recreation or conservation purposes unless the use of the property is preserved for recreation and conservation purposes by conveyance of a development easement, conservation restriction or easement, or other restriction or easement permanently restricting development, which shall be recorded and indexed with the deed in the registry of deeds for the county. A municipality that has performed, or on which there has been performed, a preliminary assessment, site investigation or remedial investigation on property may obtain a loan for the purpose of continuing the remediation on those properties as necessary to comply with the applicable remediation regulations adopted by the department. No grant shall be awarded pursuant to this paragraph to a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) unless that entity has adopted by ordinance or resolution a comprehensive plan specifically for the development or redevelopment of contaminated or potentially contaminated real property in that municipality or the entity can demonstrate to the authority that a realistic opportunity exists that the subject real property will be developed or redeveloped within a three-year period from the completion of the remediation;

(3) Moneys shall be allocated for financial assistance to persons who voluntarily perform a remediation of a hazardous substance or hazardous waste discharge;

(4) Moneys shall be allocated for grants to persons who own real property on which there has been a discharge of a hazardous substance or a haz-
ardous waste and that person qualifies for an innocent party grant. A person qualifies for an innocent party grant if that person acquired the property prior to December 31, 1983, the hazardous substance or hazardous waste that was discharged at the property was not used by the person at that site, and that person certifies that he did not discharge any hazardous substance or hazardous waste at an area where a discharge is discovered. A grant authorized pursuant to this paragraph may be for up to 50% of the remediation costs at the area of concern for which the person qualifies for an innocent party grant, except that no grant awarded pursuant to this paragraph to any person may exceed $1,000,000;

(5) Moneys shall be allocated for (a) financial assistance to persons who own and plan to remediate an environmental opportunity zone for which an exemption from real property taxes has been granted pursuant to section 5 of P.L.1995, c.413 (C.54:4-3.154), or (b) matching grants for up to 25% of the project costs to qualifying persons, municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), who propose to perform a remedial action that uses an innovative technology, or for the implementation of a limited restricted use remedial action or an unrestricted use remedial action except that no grant awarded pursuant to this paragraph may exceed $250,000; and

(6) Twenty percent of the moneys in the remediation fund shall be allocated for financial assistance or grants for any of the purposes enumerated in paragraphs (1) through (5) of this subsection.

For the purposes of paragraph (5) of this subsection, "qualifying persons" means any person who has a net worth of not more than $2,000,000 and "project costs" means that portion of the total costs of a remediation that is specifically for the use of an innovative technology or to implement an unrestricted use remedial action or a limited restricted use remedial action, as applicable.

b. Loans issued from the remediation fund shall be for a term not to exceed ten years, except that upon the transfer of ownership of any real property for which the loan was made, the unpaid balance of the loan shall become immediately payable in full. The unpaid balance of a loan for the remediation of real property that is transferred by devise or succession shall not become immediately payable in full, and loan repayments shall be made by the person who acquires the property. Loans to municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), shall bear an interest rate equal to 2 points below the Federal Discount Rate at the time of
approval or at the time of loan closing, whichever is lower, except that the rate shall be no lower than 3 percent. All other loans shall bear an interest rate equal to the Federal Discount Rate at the time of approval or at the time of the loan closing, whichever is lower, except that the rate on such loans shall be no lower than five percent. Financial assistance and grants may be issued for up to 100% of the estimated applicable remediation cost, except that the cumulative maximum amount of financial assistance which may be issued to a person, in any calendar year, for one or more properties, shall be $1,000,000. Financial assistance and grants to any one municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may not exceed $3,000,000 in any calendar year except as provided in subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5). Grants to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may be for up to 100% of the total costs of the preliminary assessment, site investigation, or remedial investigation regardless of when the application was received by the department. Grants to a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may not exceed 75% of the total costs of the remedial action at any one site for any application received by the department on or after September 15, 2005. Repayments of principal and interest on the loans issued from the remediation fund shall be paid to the authority and shall be deposited into the remediation fund.

c. No person, other than a qualified person planning to use an innovative technology for the cost of that technology, a qualified person planning to use a limited restricted use remedial action or an unrestricted use remedial action for the cost of the remedial action, a person performing a remediation in an environmental opportunity zone, or a person voluntarily performing a remediation, shall be eligible for financial assistance from the remediation fund to the extent that person is capable of establishing a remediation funding source for the remediation as required pursuant to section 25 of P.L.1993, c.139 (C.58:10B-3).

d. The authority may use a sum that represents up to 2% of the monies issued as financial assistance or grants from the remediation fund each year for administrative expenses incurred in connection with the operation of the fund and the issuance of financial assistance and grants.

e. Prior to March 1 of each year, the authority shall submit to the Senate Environment Committee and the Assembly Environment and Solid Waste Committee, or their successors, a report detailing the amount of
money that was available for financial assistance and grants from the reme-
diation fund for the previous calendar year, the amount of money estimated
to be available for financial assistance and grants for the current calendar
year, the amount of financial assistance and grants issued for the previous
calendar year and the category for which each financial assistance and grant
was rendered, and any suggestions for legislative action the authority
deems advisable to further the legislative intent to facilitate remediation and
promote the redevelopment and use of existing industrial sites.

(v) financial assistance for remediation activities at sites that have been contaminated by a discharge of a hazardous substance or hazardous waste, or at which there is an imminent and significant threat of a discharge of a hazardous substance or hazardous waste, and the discharge or threatened discharge poses or would pose an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area; or
(b) persons for financial assistance for remediation activities at sites that have been contaminated by a discharge of a hazardous substance or hazardous waste, or at which there is an imminent and significant threat of a discharge of a hazardous substance or hazardous waste, and the discharge or threatened discharge poses or would pose an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area.

Except as provided in subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5), financial assistance and grants to municipalities, counties, or redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may be made for real property: (1) on which they hold a tax sale certificate; (2) that they have acquired through foreclosure or other similar means; or (3) that they have acquired, or, in the case of a county governed by a board of chosen freeholders, have passed a resolution or, in the case of a municipality or a county operating under the "Optional County Charter Law," P.L.1972, c.154 (C.40:41A-1 et seq.), have passed an ordinance or other appropriate docu-
ment to acquire, by voluntary conveyance for the purpose of redevelopment, or for recreation and conservation purposes. Financial assistance and grants may only be awarded for real property on which there has been or on which there is suspected of being a discharge of a hazardous substance or a hazardous waste. Grants and financial assistance provided pursuant to this paragraph shall be used for performing preliminary assessments, site investigations, remedial investigations, and remedial actions on real property in order to determine the existence or extent of any hazardous substance or hazardous waste contamination, and to remediate the site in compliance with the applicable health risk and environmental standards on those properties. No financial assistance or grants for a remedial action shall be awarded until the municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), actually owns the real property, provided that a matching grant for 75% of the costs of a remedial action for a project involving the redevelopment of contaminated property for recreation and conservation purposes, or a matching grant for 50% of the costs of a remedial action for a project involving the redevelopment of contaminated property for affordable housing pursuant to P.L.1985, c.222 (C.52:27D-301 et al.) may be made to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) even if it does not own the real property and a grant may be made to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) for a remediation in a brownfield development area pursuant to subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5) even if the entity does not own the real property. No grant shall be awarded for a remedial action for a project involving the redevelopment of contaminated property for recreation or conservation purposes unless the use of the property is preserved for recreation and conservation purposes by conveyance of a development easement, conservation restriction or easement, or other restriction or easement permanently restricting development, which shall be recorded and indexed with the deed in the registry of deeds for the county. A municipality that has performed, or on which there has been performed, a preliminary assessment, site investigation or remedial investigation on property may obtain a loan for the purpose of continuing the remediation on those properties as necessary to comply with the applicable remediation regulations adopted by the department. No grant shall be awarded pursuant to this paragraph to a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) unless that entity has adopted
by ordinance or resolution a comprehensive plan specifically for the development or redevelopment of contaminated or potentially contaminated real property in that municipality or the entity can demonstrate to the authority that a realistic opportunity exists that the subject real property will be developed or redeveloped within a three-year period from the completion of the remediation;

(3) Moneys shall be allocated for financial assistance to persons who voluntarily perform a remediation of a hazardous substance or hazardous waste discharge;

(4) Moneys shall be allocated for grants to persons who own real property on which there has been a discharge of a hazardous substance or a hazardous waste and that person qualifies for an innocent party grant. A person qualifies for an innocent party grant if that person acquired the property prior to December 31, 1983 and continues to own the property until such time as the authority approves the grant, the hazardous substance or hazardous waste that was discharged at the property was not used by the person at that site, and that person certifies that he did not discharge any hazardous substance or hazardous waste at an area where a discharge is discovered. A grant authorized pursuant to this paragraph may be for up to 50% of the remediation costs at the area of concern for which the person qualifies for an innocent party grant, except that no grant awarded pursuant to this paragraph to any person may exceed $1,000,000;

(5) Moneys shall be allocated for (a) financial assistance to persons who own and plan to remediate an environmental opportunity zone for which an exemption from real property taxes has been granted pursuant to section 5 of P.L.1995, C.54:4-3.154, or (b) matching grants for up to 25% of the project costs to qualifying persons, municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, C.40A:12A-4, who propose to perform a remedial action that uses an innovative technology, or for the implementation of a limited restricted use remedial action or an unrestricted use remedial action except that no grant awarded pursuant to this paragraph may exceed $250,000; and

(6) Twenty percent of the moneys in the remediation fund shall be allocated for financial assistance or grants for any of the purposes enumerated in paragraphs (1) through (5) of this subsection.

For the purposes of paragraph (5) of this subsection, "qualifying persons" means any person who has a net worth of not more than $2,000,000 and "project costs" means that portion of the total costs of a remediation that is specifically for the use of an innovative technology or to implement
an unrestricted use remedial action or a limited restricted use remedial action, as applicable.

b. Loans issued from the remediation fund shall be for a term not to exceed ten years, except that upon the transfer of ownership of any real property for which the loan was made, the unpaid balance of the loan shall become immediately payable in full. The unpaid balance of a loan for the remediation of real property that is transferred by devise or succession shall not become immediately payable in full, and loan repayments shall be made by the person who acquires the property. Loans to municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), shall bear an interest rate equal to 2 points below the Federal Discount Rate at the time of approval or at the time of loan closing, whichever is lower, except that the rate shall be no lower than 3 percent. All other loans shall bear an interest rate equal to the Federal Discount Rate at the time of approval or at the time of the loan closing, whichever is lower, except that the rate on such loans shall be no lower than five percent. Financial assistance and grants may be issued for up to 100% of the estimated applicable remediation cost, except that the cumulative maximum amount of financial assistance which may be issued to a person, in any calendar year, for one or more properties, shall be $1,000,000. Financial assistance and grants to any one municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may not exceed $3,000,000 in any calendar year except as provided in subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5). Grants to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may be for up to 100% of the total costs of the preliminary assessment, site investigation, or remedial investigation regardless of when the application was received by the department. Grants to a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may not exceed 75% of the total costs of the remedial action at any one site for any application received by the department on or after September 15, 2005. Repayments of principal and interest on the loans issued from the remediation fund shall be paid to the authority and shall be deposited into the remediation fund.

c. No person, other than a qualified person planning to use an innovative technology for the cost of that technology, a qualified person planning to use a limited restricted use remedial action or an unrestricted use remedial action for the cost of the remedial action, a person performing a reme-
diation in an environmental opportunity zone, or a person voluntarily per­
forming a remediation, shall be eligible for financial assistance from the
remediation fund to the extent that person is capable of establishing a
remediation funding source for the remediation as required pursuant to sec­
tion 25 of P.L.1993, c.139 (C.58:10B-3).

d. The authority may use a sum that represents up to 2% of the mon­
ey issued as financial assistance or grants from the remediation fund each
year for administrative expenses incurred in connection with the operation
of the fund and the issuance of financial assistance and grants.
e. Prior to March 1 of each year, the authority shall submit to the Sen­
ate Environment Committee and the Assembly Environment and Solid
Waste Committee, or their successors, a report detailing the amount of
money that was available for financial assistance and grants from the reme­
diation fund for the previous calendar year, the amount of money estimated
to be available for financial assistance and grants for the current calendar
year, the amount of financial assistance and grants issued for the previous
calendar year and the category for which each financial assistance and grant
was rendered, and any suggestions for legislative action the authority
deems advisable to further the legislative intent to facilitate remediation and
promote the redevelopment and use of existing industrial sites.

2. This act shall take effect immediately.

Approved January 17, 2010.

CHAPTER 306

AN ACT concerning certain retail food establishments and supplementing Title 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:3E-16 Findings, declarations relative to provision of calorie information by certain chain restaurants.

1. The Legislature finds and declares that:
a. Research continues to demonstrate that there is a strong link between diet and health; in 2004, an estimated 65% of adults in the United States were overweight or obese and 18% of children and adolescents were overweight; today there are nearly twice as many overweight children and almost three times as many overweight adolescents as there were in 1980; while the rates of overweight and obesity are rising, Americans are increasingly eating meals away from home, and the food industry spends millions of dollars every year encouraging families to eat in restaurants and other food establishments; in 1970, Americans spent just 26% of their food budget eating away from home, but currently, Americans spend almost half of their food dollars dining out; furthermore, portion sizes in restaurants have been increasing and it is not uncommon for a restaurant entree to provide half of an individual's total recommended daily allowance of calories, fat and sodium;

b. Surveys conducted by academicians from the University of Arkansas and Villanova University, and reported in the *American Journal of Public Health* article entitled "Attacking the Obesity Epidemic: The Potential Health Benefits of Providing Nutrition Information in Restaurants," showed that levels of calories and saturated fats in less-healthy restaurant items were significantly underestimated by consumers; actual fat and saturated fat levels were twice consumers' estimates and calories approached two times more than what consumers expected; based on these findings, the authors of the article conducted an experiment demonstrating that for food items for which levels of calories, fat and saturated fats substantially exceeded consumers' expectations, the provision of nutrition information had a significant influence on product attitude, purchase intention, and choice;

c. A recent report of the Surgeon General of the United States on overweight and obesity recommended that the food industry provide reasonable food and beverage portions and increase the availability of nutrition information on foods prepared and eaten away from home; and

d. Therefore, it is in the public's interest to enable families to make more informed choices about a significant part of their diets and help reduce the problem of overweight and obesity in the State.

C.26:3E-17 Requirements for certain retail food establishments.

2. Notwithstanding any provision of law to the contrary:

   a. (1) A retail food establishment using a standard printed menu shall list next to each food or beverage item on the menu, the total number of calories for that item as usually prepared and offered for sale;
(2) A retail food establishment using a menu board system or similar signage shall list next to each food or beverage item on the board or sign, the total number of calories for that item as usually prepared and offered for sale;

(3) A retail food establishment that has a drive-through window shall display calorie content values either on the drive-through menu board or on an adjacent stanchion visible at the point of ordering, and the calorie content values shall be posted adjacent to their respective menu item names as clearly and conspicuously as the price or menu item is on the drive-through menu board; and

(4) A retail food establishment which offers alcoholic beverages for sale may, as an alternative to listing calorie information for each individual alcoholic beverage, list the average caloric value for beers, wines, and spirits as established by the United States Department of Agriculture, Agriculture Research Service in the National Nutrient Database for Standard Reference.

A retail food establishment that lists the average caloric values for alcoholic beverages pursuant to this paragraph shall add to the labeling the following statement: “Signature drinks or liqueurs with added ingredients may increase calorie content.”

b. The calorie information listed pursuant to paragraphs (1) and (2) of subsection a. of this section shall be posted clearly and conspicuously adjacent or in close proximity to the applicable menu item using a font and format that is at least as prominent, in size and appearance, as that used to post either the name or price of the menu item.

The calorie content values required by this act shall be based upon a verifiable analysis of the menu item, which may include the use of nutrient databases, laboratory testing, or other reliable methods of analysis, and shall be rounded to the nearest 10 calories for calorie content values above 50 calories and to the nearest five calories for calorie content values 50 calories and below.

c. The provisions of this section shall apply to each menu item that is served in portions the size and content of which are standardized.

d. For menu items that come in different flavors and varieties but that are listed as a single menu item, the minimum to maximum numbers of calories for all flavors and varieties of that item shall be listed on the menu, menu board, or stanchion, as applicable, for each size offered for sale.

e. (1) The disclosure of calorie information on a menu, menu board, or stanchion next to a standard menu item that is a combination of at least two standard menu items on the menu, menu board, or stanchion, shall, based upon all possible combinations for that standard menu item, include both
the minimum and the maximum amount of calories. If there is only one possible total amount of calories, that total shall be disclosed.

(2) The disclosure of calorie information on a menu, menu board, or stanchion next to a standard menu item that is not an appetizer or dessert, but is intended to serve more than one individual, shall include both:

(a) the number of individuals intended to be served by the standard menu item; and

(b) the calorie information per individual serving.

If the standard menu item is a combination of at least two standard menu items, the disclosure shall, based upon all possible combinations for that standard menu item, include both the minimum and the maximum amount of calories. If there is only one possible total amount of calories, that total shall be disclosed.

f. Nothing in this section shall prohibit a retail food establishment from providing additional nutrition information to its customers for each food or beverage item listed on its menu.

g. The provisions of this section shall not apply to any:

(1) item not listed on a standard printed menu or menu board system or similar signage, including, but not limited to, condiments or other products placed on a table or counter for general use; or

(2) daily specials, temporary menu items appearing on the menu for less than 60 days per calendar year, customized orders, or food or beverage items from a consumer self-serve salad bar or buffet.

h. (1) The Department of Health and Senior Services or the local board of health or the board, body or officers exercising the functions of the local board of health according to law, upon written complaint or having reason to suspect that a violation of this act has occurred, shall, by written notification, advise the proprietor of the retail food establishment accordingly and order appropriate action to be taken.

(2) A proprietor of a retail food establishment who violates the provisions of this section by failing to provide the information about food and beverage items as required in this section, or knowingly misstating the number of calories in a food or beverage item, shall be subject to a penalty of not less than $50 or more than $100 for the first offense, and not less than $250 or more than $500 for the second or any subsequent offense. A municipal court shall have jurisdiction over proceedings to enforce and collect any penalty imposed because of a violation of this act, if the violation has occurred within the territorial jurisdiction of the court. The proceedings shall be summary and in accordance with the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). Process shall be in the nature
of a summons or warrant and shall issue only at the suit of the Commissioner of Health and Senior Services, or the local board of health, as the case may be, as plaintiff.

When the plaintiff is the Commissioner of Health and Senior Services, the penalty recovered shall be paid by the commissioner into the treasury of the State. When the plaintiff is a local board of health, the penalty recovered shall be paid by the local board into the treasury of the municipality where the violation occurred.

i. The provisions of this section shall not be construed to create or enhance any claim, right of action, or civil liability that did not previously exist under State law or limit any claim, right of action, or civil liability that otherwise exists under State law.

j. There shall be no private right of action against the proprietor of a retail food establishment for failure to comply with the provisions of this section.

k. To the extent consistent with federal law, the provisions of this section, as well as any other State law that regulates the disclosure of caloric information, shall be a matter of Statewide concern and shall occupy the entire field of regulation regarding the disclosure of caloric information by a retail food establishment, as well as content required to be posted on menus, menu board systems or similar signage, or stanchions, as applicable. No ordinance or regulation of a local government or local board of health shall regulate the dissemination of caloric information or the content required to be placed on menus, menu board systems or similar signage, or stanchions by a retail food establishment. Any local government or local board of health ordinance or regulation that violates this prohibition is void and shall have no force or effect.

l. As used in this section, "retail food establishment" means a fixed restaurant or any similar place that is part of a chain with 20 or more locations nationally and doing business

   (1) under the same trade name or under common ownership or control or
   (2) as franchised outlets of a parent business,

the principal activity of which consists of preparing for consumption within the establishment a meal or food to be eaten on the premises or picked up at a drive-through window.

C.26:3E-18 Rules, regulations.

3. The Commissioner of Health and Senior Services shall adopt rules and regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this act.
CHAPTER 307, LAWS OF 2009

4. This act shall take effect one year after the date of enactment, but the Commissioner of Health and Senior Services may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

Approved January 17, 2010.

CHAPTER 307

AN ACT concerning the medical use of marijuana and revising parts of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.24:6I-1 Short title.
1. This act shall be known and may be cited as the "New Jersey Compassionate Use Medical Marijuana Act."

C.24:6I-2 Findings, declarations relative to the medical use of marijuana.
2. The Legislature finds and declares that:
   a. Modern medical research has discovered a beneficial use for marijuana in treating or alleviating the pain or other symptoms associated with certain debilitating medical conditions, as found by the National Academy of Sciences' Institute of Medicine in March 1999;
   b. According to the U.S. Sentencing Commission and the Federal Bureau of Investigation, 99 out of every 100 marijuana arrests in the country are made under state law, rather than under federal law. Consequently, changing state law will have the practical effect of protecting from arrest the vast majority of seriously ill people who have a medical need to use marijuana;
   c. Although federal law currently prohibits the use of marijuana, the laws of Alaska, California, Colorado, Hawaii, Maine, Michigan, Montana, Nevada, New Mexico, Oregon, Rhode Island, Vermont, and Washington permit the use of marijuana for medical purposes, and in Arizona doctors are permitted to prescribe marijuana. New Jersey joins this effort for the health and welfare of its citizens;
   d. States are not required to enforce federal law or prosecute people for engaging in activities prohibited by federal law; therefore, compliance
with this act does not put the State of New Jersey in violation of federal law; and

e. Compassion dictates that a distinction be made between medical and non-medical uses of marijuana. Hence, the purpose of this act is to protect from arrest, prosecution, property forfeiture, and criminal and other penalties, those patients who use marijuana to alleviate suffering from debilitating medical conditions, as well as their physicians, primary caregivers, and those who are authorized to produce marijuana for medical purposes.

C.24:61-3 Definitions relative to the medical use of marijuana.

3. As used in this act:

“Bona fide physician-patient relationship” means a relationship in which the physician has ongoing responsibility for the assessment, care and treatment of a patient’s debilitating medical condition.

“Commissioner” means the Commissioner of Health and Senior Services.

“Debilitating medical condition” means:

(1) one of the following conditions, if resistant to conventional medical therapy: seizure disorder, including epilepsy; intractable skeletal muscular spasticity; or glaucoma;

“Physician” means a person licensed to practice medicine and surgery pursuant to Title 45 of the Revised Statutes with whom the patient has a bona fide physician-patient relationship and who is the primary care physician, hospice physician, or physician responsible for the ongoing treatment of a patient’s debilitating medical condition, provided, however, that such ongoing treatment shall not be limited to the provision of authorization for a patient to use medical marijuana or consultation solely for that purpose.

“Primary caregiver” or “caregiver” means a resident of the State who:

a. is at least 18 years old;

b. has agreed to assist with a registered qualifying patient’s medical use of marijuana, is not currently serving as primary caregiver for another qualifying patient, and is not the qualifying patient’s physician;

c. has never been convicted of possession or sale of a controlled dangerous substance, unless such conviction occurred after the effective date of this act and was for a violation of federal law related to possession or sale of marijuana that is authorized under this act;

d. has registered with the department pursuant to section 4 of this act, and has satisfied the criminal history record background check requirement of section 4 of this act; and

e. has been designated as primary caregiver on the qualifying patient’s application or renewal for a registry identification card or in other written notification to the department.

“Qualifying patient” or “patient” means a resident of the State who has been provided with a certification by a physician pursuant to a bona fide physician-patient relationship.

“Registry identification card” means a document issued by the department that identifies a person as a registered qualifying patient or primary caregiver.
“Usable marijuana” means the dried leaves and flowers of marijuana, and any mixture or preparation thereof, and does not include the seeds, stems, stalks or roots of the plant.

C.24:61-4 Registry of qualifying patients, primary caregivers.

4. a. The department shall establish a registry of qualifying patients and their primary caregivers, and shall issue a registry identification card, which shall be valid for two years, to a qualifying patient and primary caregiver, if applicable, who submits the following, in accordance with regulations adopted by the department:

   (1) a certification that meets the requirements of section 5 of this act;

   (3) the name, address and date of birth of the patient and caregiver, as applicable; and
   (4) the name, address and telephone number of the patient’s physician.

b. Before issuing a registry identification card, the department shall verify the information contained in the application or renewal form submitted pursuant to this section. In the case of a primary caregiver, the department shall provisionally approve an application pending the results of a criminal history record background check, if the caregiver otherwise meets the requirements of this act. The department shall approve or deny an application or renewal within 30 days of receipt of the completed application or renewal, and shall issue a registry identification card within five days of approving the application or renewal. The department may deny an application or renewal only if the applicant fails to provide the information required pursuant to this section, or if the department determines that the information was incorrect or falsified or does not meet the requirements of this act. Denial of an application shall be a final agency decision, subject to review by the Superior Court, Appellate Division.

c. (1) The commissioner shall require each applicant seeking to serve as a primary caregiver to undergo a criminal history record background check. The commissioner is authorized to exchange fingerprint data with and receive criminal history record background information from the Division of State Police and the Federal Bureau of Investigation consistent with the provisions of applicable federal and State laws, rules, and regulations. The Division of State Police shall forward criminal history record background information to the commissioner in a timely manner when requested pursuant to the provisions of this section.
An applicant seeking to serve as a primary caregiver shall submit to being fingerprinted in accordance with applicable State and federal laws, rules, and regulations. No check of criminal history record background information shall be performed pursuant to this section unless the applicant has furnished his written consent to that check. An applicant who refuses to consent to, or cooperate in, the securing of a check of criminal history record background information shall not be considered for inclusion in the registry as a primary caregiver or issuance of an identification card. An applicant shall bear the cost for the criminal history record background check, including all costs of administering and processing the check.

(2) The commissioner shall not approve an applicant seeking to serve as a primary caregiver if the criminal history record background information of the applicant reveals a disqualifying conviction. For the purposes of this section, a disqualifying conviction shall mean a conviction of a crime involving any controlled dangerous substance or controlled substance analog as set forth in chapter 35 of Title 2C of the New Jersey Statutes except paragraph (4) of subsection a. of N.J.S.2C:35-10, or any similar law of the United States or of any other state.

(3) Upon receipt of the criminal history record background information from the Division of State Police and the Federal Bureau of Investigation, the commissioner shall provide written notification to the applicant of his qualification or disqualification for serving as a primary caregiver.

If the applicant is disqualified because of a disqualifying conviction pursuant to the provisions of this section, the conviction that constitutes the basis for the disqualification shall be identified in the written notice.

(4) The Division of State Police shall promptly notify the commissioner in the event that an individual who was the subject of a criminal history record background check conducted pursuant to this section is convicted of a crime or offense in this State after the date the background check was performed. Upon receipt of that notification, the commissioner shall make a determination regarding the continued eligibility of the applicant to serve as a primary caregiver.

(5) Notwithstanding the provisions of subsection b. of this section to the contrary, no applicant shall be disqualified from serving as a registered primary caregiver on the basis of any conviction disclosed by a criminal history record background check conducted pursuant to this section if the individual has affirmatively demonstrated to the commissioner clear and convincing evidence of rehabilitation. In determining whether clear and convincing evidence of rehabilitation has been demonstrated, the following factors shall be considered:
(a) the nature and responsibility of the position which the convicted individual would hold, has held, or currently holds;
(b) the nature and seriousness of the crime or offense;
(c) the circumstances under which the crime or offense occurred;
(d) the date of the crime or offense;
(e) the age of the individual when the crime or offense was committed;
(f) whether the crime or offense was an isolated or repeated incident;
(g) any social conditions which may have contributed to the commission of the crime or offense; and
(h) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the individual under their supervision.

d. A registry identification card shall contain the following information:
(1) the name, address and date of birth of the patient and primary caregiver, if applicable;

e. (1) A patient who has been issued a registry identification card shall notify the department of any change in the patient’s name, address, or physician or change in status of the patient’s debilitating medical condition, within 10 days of such change, or the registry identification card shall be deemed null and void.

(2) A primary caregiver who has been issued a registry identification card shall notify the department of any change in the caregiver’s name or address within 10 days of such change, or the registry identification card shall be deemed null and void.

f. The department shall maintain a confidential list of the persons to whom it has issued registry identification cards. Individual names and other identifying information on the list, and information contained in any application form, or accompanying or supporting document shall be confidential, and shall not be considered a public record under P.L.1963, c.73 (C.47:1A-1 et seq.) or P.L.2001, c.404 (C.47:1A-5 et al.), and shall not be disclosed except to:

(1) authorized employees of the department and the Division of Consumer Affairs in the Department of Law and Public Safety as necessary to perform official duties of the department and the division, as applicable; and
(2) authorized employees of State or local law enforcement agencies, only as necessary to verify that a person who is engaged in the suspected or alleged medical use of marijuana is lawfully in possession of a registry identification card.

g. Applying for or receiving a registry card does not constitute a waiver of the qualifying patient’s patient-physician privilege.  

C.24:61-5 Certification authorizing medical use of marijuana.

  5. a. Medical use of marijuana by a qualifying patient may be authorized pursuant to a certification which meets the requirements of this act. In order to provide such certification, a physician shall be licensed and in good standing to practice in the State.

  The certification shall attest that the above criteria have been met.

  b. The provisions of subsection a. of this section shall not apply to a qualifying patient who is a minor unless the custodial parent, guardian, or person who has legal custody of the minor, consents in writing that the minor has that person’s permission for the medical use of marijuana and that the person will control the acquisition and possession of the medical marijuana and any related paraphernalia from the alternative treatment center.

  6. a. The provisions of N.J.S.2C:35-18 shall apply to any qualifying patient, primary caregiver, alternative treatment center, physician, or any other person acting in accordance with the provisions of this act.

  b. A qualifying patient, primary caregiver, alternative treatment center, physician, or any other person acting in accordance with the provisions of this act shall not be subject to any civil or administrative penalty, or denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by a professional licensing board, related to the medical use of marijuana as authorized under this act.

  c. Possession of, or application for, a registry identification card shall not alone constitute probable cause to search the person or the property of the person possessing or applying for the registry identification card, or otherwise subject the person or his property to inspection by any governmental agency.

  d. The provisions of section 2 of P.L.1939, c.248 (C.26:2-82), relating to destruction of marijuana determined to exist by the department, shall not apply if a qualifying patient or primary caregiver has in his possession a registry identification card and no more than the maximum amount of usable marijuana that may be obtained in accordance with section 10 of this act.
e. No person shall be subject to arrest or prosecution for constructive possession, conspiracy or any other offense for simply being in the presence or vicinity of the medical use of marijuana as authorized under this act.

f. No custodial parent, guardian, or person who has legal custody of a qualifying patient who is a minor shall be subject to arrest or prosecution for constructive possession, conspiracy or any other offense for assisting the minor in the medical use of marijuana as authorized under this act.

C.24:61-7 Applications for permits to operate as alternative treatment center; regulations.

7. a. The department shall accept applications from entities for permits to operate as alternative treatment centers, and may charge a reasonable fee for the issuance of a permit under this section. The department shall seek to ensure the availability of a sufficient number of alternative treatment centers throughout the State, pursuant to need, including at least two each in the northern, central, and southern regions of the State. The first two centers issued a permit in each region shall be nonprofit entities, and centers subsequently issued permits may be nonprofit or for-profit entities.

An alternative treatment center shall be authorized to acquire a reasonable initial and ongoing inventory, as determined by the department, of marijuana seeds or seedlings and paraphernalia, possess, cultivate, plant, grow, harvest, process, display, manufacture, deliver, transfer, transport, distribute, supply, sell, or dispense marijuana, or related supplies to qualifying patients or their primary caregivers who are registered with the department pursuant to section 4 of this act.

Applicants for authorization as nonprofit alternative treatment centers shall be subject to all applicable State laws governing nonprofit entities, but need not be recognized as a 501(c)(3) organization by the federal Internal Revenue Service.

b. The department shall require that an applicant provide such information as the department determines to be necessary pursuant to regulations adopted pursuant to this act.

c. A person who has been convicted of a crime involving any controlled dangerous substance or controlled substance analog as set forth in chapter 35 of Title 2C of the New Jersey Statutes except paragraph (4) of subsection a. of N.J.S.2C:35-10, or any similar law of the United States or any other state shall not be issued a permit to operate as an alternative treatment center or be a director, officer, or employee of an alternative treatment center, unless such conviction occurred after the effective date of
this act and was for a violation of federal law relating to possession or sale of marijuana for conduct that is authorized under this act.

d. (1) The commissioner shall require each applicant seeking a permit to operate as an alternative treatment center to undergo a criminal history record background check. For purposes of this section, the term “applicant” shall include any owner, director, officer, or employee of an alternative treatment center. The commissioner is authorized to exchange fingerprint data with and receive criminal history record background information from the Division of State Police and the Federal Bureau of Investigation consistent with the provisions of applicable federal and State laws, rules, and regulations. The Division of State Police shall forward criminal history record background information to the commissioner in a timely manner when requested pursuant to the provisions of this section.

An applicant shall submit to being fingerprinted in accordance with applicable State and federal laws, rules, and regulations. No check of criminal history record background information shall be performed pursuant to this section unless the applicant has furnished his written consent to that check. An applicant who refuses to consent to, or cooperate in, the securing of a check of criminal history record background information shall not be considered for a permit to operate, or authorization to be employed at, an alternative treatment center. An applicant shall bear the cost for the criminal history record background check, including all costs of administering and processing the check.

(2) The commissioner shall not approve an applicant for a permit to operate, or authorization to be employed at, an alternative treatment center if the criminal history record background information of the applicant reveals a disqualifying conviction as set forth in subsection c. of this section.

(3) Upon receipt of the criminal history record background information from the Division of State Police and the Federal Bureau of Investigation, the commissioner shall provide written notification to the applicant of his qualification for or disqualification for a permit to operate or be a director, officer, or employee of an alternative treatment center.

If the applicant is disqualified because of a disqualifying conviction pursuant to the provisions of this section, the conviction that constitutes the basis for the disqualification shall be identified in the written notice.

(4) The Division of State Police shall promptly notify the commissioner in the event that an individual who was the subject of a criminal history record background check conducted pursuant to this section is convicted of a crime or offense in this State after the date the background check was performed. Upon receipt of that notification, the commissioner
shall make a determination regarding the continued eligibility to operate or
be a director, officer, or employee of an alternative treatment center.

(5) Notwithstanding the provisions of subsection b. of this section to
the contrary, the commissioner may offer provisional authority for an appli-
cant to be an employee of an alternative treatment center for a period not to
exceed three months if the applicant submits to the commissioner a sworn
statement attesting that the person has not been convicted of any disqualifying
conviction pursuant to this section.

(6) Notwithstanding the provisions of subsection b. of this section to
the contrary, no employee of an alternative treatment center shall be dis-
qualified on the basis of any conviction disclosed by a criminal history re-
cord background check conducted pursuant to this section if the individual
has affirmatively demonstrated to the commissioner clear and convincing
evidence of rehabilitation. In determining whether clear and convincing
evidence of rehabilitation has been demonstrated, the following factors
shall be considered:

(a) the nature and responsibility of the position which the convicted
individual would hold, has held or currently holds;
(b) the nature and seriousness of the crime or offense;
(c) the circumstances under which the crime or offense occurred;
(d) the date of the crime or offense;
(e) the age of the individual when the crime or offense was committed;
(f) whether the crime or offense was an isolated or repeated incident;
(g) any social conditions which may have contributed to the commis-
sion of the crime or offense; and
(h) any evidence of rehabilitation, including good conduct in prison or
in the community, counseling or psychiatric treatment received, acquisition
of additional academic or vocational schooling, successful participation in
correctional work-release programs, or the recommendation of those who
have had the individual under their supervision.

e. The department shall issue a permit to a person to operate as an
alternative treatment center if the department finds that issuing such a per-
mit would be consistent with the purposes of this act and the requirements
of this section are met and the department has verified the information con-
tained in the application. The department shall approve or deny an applica-
tion within 60 days after receipt of a completed application. The denial of
an application shall be considered a final agency decision, subject to review
by the Appellate Division of the Superior Court. The department may sus-

g. An alternative treatment center shall report any change in information to the department not later than 10 days after such change, or the permit shall be deemed null and void.

h. An alternative treatment center may charge a registered qualifying patient or primary caregiver for the reasonable costs associated with the production and distribution of marijuana for the cardholder.

i. The commissioner shall adopt regulations to:

(1) require such written documentation of each delivery of marijuana to, and pickup of marijuana for, a registered qualifying patient, including the date and amount dispensed, to be maintained in the records of the alternative treatment center, as the commissioner determines necessary to ensure effective documentation of the operations of each alternative treatment center;

(2) monitor, oversee, and investigate all activities performed by an alternative treatment center; and

or transfer a document that falsely purports to be a registration card issued pursuant to this act, or a registration card issued pursuant to this act that has been altered, is guilty of a crime of the third degree. A person who knowingly presents to a law enforcement officer a document that falsely purports to be a registration card issued pursuant to this act, or a registration card that has been issued pursuant to this act that has been altered, is guilty of a crime of the fourth degree. The provisions of this section are intended to supplement current law and shall not limit prosecution or conviction for any other offense.

A physician shall provide written instructions for a registered qualifying patient or his caregiver to present to an alternative treatment center concerning the total amount of usable marijuana that a patient may be dispensed, in weight, in a 30-day period, which amount shall not exceed two ounces. If no amount is noted, the maximum amount that may be dispensed at one time is two ounces.

b. A physician may issue multiple written instructions at one time authorizing the patient to receive a total of up to a 90-day supply, provided that the following conditions are met:

(1) Each separate set of instructions shall be issued for a legitimate medical purpose by the physician, as provided in this act;

(2) Each separate set of instructions shall indicate the earliest date on which a center may dispense the marijuana, except for the first dispensation if it is to be filled immediately; and

(3) The physician has determined that providing the patient with multiple instructions in this manner does not create an undue risk of diversion or abuse.

c. A registered qualifying patient or his primary caregiver shall present the patient’s or caregiver’s registry identification card, as applicable, and these written instructions to the alternative treatment center, which shall verify and log the documentation presented. A physician may provide a copy of a written instruction by electronic or other means, as determined by the commissioner, directly to an alternative treatment center on behalf of a registered qualifying patient. For a project in which federal and State funds are combined, the entire amount may be transferred or retained from the State portion of the funds if doing so is necessary to prevent any loss of federal funds.

b. The department or authority shall use the transferred or retained funds to provide on-the-job or off-the-job outreach and training programs for minority group members and women in construction trade occupations or other occupations, including engineering and management occupations, utilized in the performance of public works contracts. The programs funded pursuant to this subsection, shall include, but not be limited to, programs preparing minority group members and women for admission into registered apprenticeships with opportunities for long-term employment in
construction trades providing economic self-sufficiency for the minority group members and women, with priority given, with respect to the funds from a contract used for apprenticeship programs or apprenticeship-related programs, to trades utilized in that contract, and shall include programs providing supportive services to help facilitate successful completion of any apprenticeship or other training assisted pursuant to this section. The department or authority shall use funds transferred or retained pursuant to this section to provide grants to implement such programs to consortia which include those community-based organizations, faith-based organizations, labor organizations, employers, contractors and trade organizations, institutions of higher education, and schools and other local public agencies which the department or authority determines are best able to facilitate entry and success of minority group members and women into training and long-term trade and professional employment in the construction industry, and may use a portion of the funds for initiatives to prepare minority group members and women for registered apprenticeship programs and related post-secondary education, such as grants to consortia provided pursuant to the “Youth Transitions to Work Partnership Act,” P.L.1993, c. 268 (C.34:15E-1 et seq.), and for initiatives, such as those of the NJ PLACE program established pursuant to P.L.2009, c.200 (C.34:15D-24 et al.), to facilitate the coordination and articulation of registered apprenticeship programs with degree programs in institutions of higher education, including initiatives to articulate programs in a manner which may assist in providing transitions from trade occupations to professional occupations utilized in the construction industry. The department or authority shall seek agreements and commitments from grant participants to provide long-term employment to successful applicants and trainees where possible. The department or authority shall be reimbursed from the transferred or retained funds for any reasonable and necessary costs incurred by the department or authority in administering those programs.

c. The Department of the Treasury, and the Division of Contract Compliance and Equal Employment Opportunities in Public Contracts in that department, shall provide, and make available to the public on the Internet, an annual report, not later than December 31 of 2010 and each year after that year, which shall list all public works contracts subject to this act and report, for each public works contract, the percentage and amount of funds withheld and provided to programs funded pursuant to this section and the numbers and percentages of apprentices and other workers under each contract who are minority group members and women. The Department of Labor and Workforce Development shall, not later than December
31 of 2010 and each year after that year, provide an annual report, which shall also be made available to the public on the Internet, on all of the programs funded pursuant to this section, which shall include, for each program, data regarding the performance results of minority group members and women participating in the programs, including outcome measures detailing employment placement, increased earnings and employment retention, as those terms are used in the federal Workforce Investment Act of 1998, Pub.L.105-220 (29 U.S.C. s.2801 et seq.), and shall include data regarding enrollment into registered apprentice programs and results regarding their retention in long-term employment. Public bodies entering into public works contracts subject to the provisions of this section, including Statewide authorities, and the Department of the Treasury shall provide such information to the Department of Labor and Workforce Development and the Department of the Treasury as the departments deem necessary for the purposes of this section.

2. Section 1 of P.L.2001, c.134 (C.52:32-44) is amended to read as follows:

C.52:32-44 Definitions relative to registration of certain businesses; registration requirements.

1. a. For the purposes of this section:

"Bid" or "request for proposal" means a publicly advertised, formal process used by a contracting agency to receive offers to provide goods or services or construct a construction project. It is not the same as an informal, non-advertised process of requesting quotations from contractors.

"Bid threshold" means the statutory amount over which a contracting agency must seek bids.

"Business organization" means an individual, partnership, association, joint stock company, trust, corporation, or other legal business entity or successor thereof, but does not include a government agency or organization organized as a nonprofit entity under 26 U.S.C. sec. 501 (c);

"Business registration" means a business registration certificate issued by the Division of Revenue in the Department of the Treasury or such other form of verification or proof of registration as may be approved by the Division that a contractor or subcontractor is registered with the Department of the Treasury;

"Contract" means any agreement, including but not limited to a purchase order or a formal agreement for the provision of goods, performance of services, or construction of a construction project, which is a legally binding relationship enforceable by law, between a contractor and a contracting agency that agrees to compensate the contractor, as defined by and subject to the terms and conditions of the agreement; and where the goods that are received, services that are delivered, and construction that is constructed is within the geographic borders of the State of New Jersey; and where:

(1) the value of a single contract with the contractor is in excess of 15 percent of the amount of the contracting agency’s bid threshold; or

(2) when the aggregate amount of contracts with the contractor, during the fiscal year of the contracting agency, exceeds 15 percent of the amount of the contracting agency’s bid threshold.
"Contractor" means a business organization that seeks to enter, or has entered into, a contract with a contracting agency;

"Contracting agency" means the principal departments in the Executive Branch of the State Government, and any division, board, bureau, office, commission or other instrumentality within or created by such department, or any independent State authority, commission, instrumentality or agency, or any State college or university, any county college, or any local unit;

"Local unit" means any contracting unit as defined pursuant to section 2 of P.L.1971, c.198 (C.40A:11-2), any board of education as defined pursuant to N.J.S.18A:18A-2, a private firm that has entered into a contract with a public entity for the provision of water supply services pursuant to P.L.1995, c.101 (C.58:26-19 et al.), a private firm or public authority that has entered into a contract with a public entity for the provision of wastewater treatment service pursuant to P.L.1995, c.216 (C.58:27-19 et al.), and a duly incorporated nonprofit association that entered into a contract with the governing body of a city of the first class for the provision of wastewater treatment services pursuant to P.L.1995, c.216 (C.58:27-19 et al.);

"Subcontractor" means any business organization that is not a contractor that knowingly enters into a contract, or constructs a construction project, with a contractor or another subcontractor in the fulfillment of a contract issued by a contracting agency. In the case of a construction contract, "subcontractor" shall mean only those subcontractors who are required by law to be named in the submission of a bid.

b. A contractor shall provide the contracting agency with the business registration of the contractor and that of any named subcontractor prior to the time a contract, purchase order, or other contracting document is awarded or authorized. At the sole option of the contracting agency, the requirement that a contractor provide proof of business registration may be fulfilled by the contractor providing the contracting agency sufficient information for the contracting agency to verify proof of registration of the contractor, or named subcontractors, through a computerized system maintained by the State.

c. A subcontractor named in a bid or other proposal made by a contractor to a contracting agency shall provide a copy of its business registration to any contractor who shall provide it to the contracting agency pursuant to the provisions of subsection b. of this section. No contract with a subcontractor shall be entered into by any contractor under any contract with a contracting agency unless the subcontractor first provides the contractor with proof of a valid business registration. For bids and requests for proposals, the contracting agency must retain the proof of business registra-
tion in the file where documents relating to the contract are maintained. For all other contracts, proofs of business registration shall be maintained in an alphabetical file.

d. The contractor shall maintain and submit to the contracting agency a list of subcontractors and their addresses that may be updated from time to time during the course of the contract performance. A complete and accurate list shall be submitted before final payment is made for goods provided or services rendered or for construction of a construction project under the contract. A contracting agency shall not be responsible for a contractor’s failure to comply with this subsection.

e. The Department of the Treasury shall provide each contracting agency with appropriate language reflecting the obligations of contractors and subcontractors under this section that the contracting agency shall include in any contract document, bid specification, requests for proposals, or other documents notifying potential contractors of contract opportunities with a contracting agency.

f. Nothing in this section shall in any way alter the provisions or change the responsibilities or obligations of casino industry licensees as set forth in section 92 of P.L.1977, c.110 (C.5:12-92).

g. (1) A contractor or a contractor with a subcontractor that has entered into a contract with a contracting agency, and each of their affiliates, shall collect and remit to the Director of the Division of Taxation in the Department of the Treasury the use tax due pursuant to the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) on all their taxable sales of tangible personal property delivered into this State.

(2) A contracting agency entering into a contract with a contractor, or a contractor with a subcontractor, shall include in its contract with that contractor, or a contractor with a subcontractor, for the term of the contract, a requirement that the contractor or subcontractor and each of their affiliates shall collect and remit to the Director of the Division of Taxation in the Department of the Treasury the use tax due pursuant to the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) on all their sales of tangible personal property delivered into this State.

(3) For the purposes of this subsection, "affiliate" means any entity that (1) directly, indirectly, or constructively controls another entity, (2) is directly, indirectly, or constructively controlled by another entity, or (3) is subject to the control of a common entity. For purposes of this subsection an entity controls another entity if it owns, directly or individually, more than 50% of the ownership interest in that entity.
h. The State Treasurer may adopt regulations pursuant to the "Administrative Procedure Act", P.L.1968, c.410 (C.52:14B-1 et seq.) as are necessary to administer the provisions of this act.

i. If a contractor fails to provide proof of business registration upon request by the contracting agency for a contract that does not require bidding or a request for proposals, and the contracting agency determines that the purpose of that contract is of a proprietary nature with a contractor that does not have a business presence in New Jersey, the contracting agency shall provide the Division of Revenue, within 10 days of executing the contract, a copy of the contract, evidence of the contractor's taxpayer identification number, and a signed certification attesting to the proprietary nature of the contract and representing that the contracting agency made a diligent effort to obtain proof of a business registration from the contractor.

j. When a contracting agency enters into a contract with a contractor under a contract issued by the State of New Jersey Cooperative Purchasing Program, or any other authorized cooperative purchasing system, the contracting agency awarding the initial contract shall receive and file the proof of business registration. Contract documents issued under a cooperative purchasing agreement shall identify the contract and the contracting agency awarding the contract.

k. In situations of an emergent nature, a contracting agency may enter into a contract with a business organization, provided that the contractor agrees to provide a business registration within two weeks of the execution of the contract. The contracting agency shall not pay the business organization for goods or services provided until such time as the organization provides proof of business registration as set forth in this section. Failure to pay the business organization until proof of business registration is received shall not be grounds for the agency being liable for payment.

3. This act shall take effect immediately.

Approved January 18, 2010.

This recognition may be in the form of the award of certificates, press announcements, or other forms of recognition the commissioner deems appropriate to highlight the achievements of these businesses, companies, or corpo-

The commissioner shall review the submitted documentation and determine if the business, company, or corporation should be included in the list established pursuant to subsection a. of this section, and if the business, company, or corporation should be further recognized for its achievements pursuant to subsection b. of this section.

d. No pedestrian shall leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield or stop.

f. Every pedestrian upon a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the roadway.

g. Nothing contained herein shall relieve a driver from the duty to exercise due care for the safety of any pedestrian upon a roadway. Nothing herein shall relieve a pedestrian from using due care for his safety.

h. In the event of a collision between a vehicle and a pedestrian within a marked crosswalk, or at an unmarked crosswalk at an intersection, there shall be a permissive inference that the driver did not exercise due care for the safety of the pedestrian.

Driver to yield to pedestrians, exceptions; violations, penalties.

39:4-36. a. The court may also impose upon a person violating any paragraph of subsection a. of this section, a penalty of community service not to exceed 15 days in such form and on such terms as the court shall deem appropriate. If the violation results in serious bodily injury to a pedestrian, the person convicted of the violation shall be subject to a fine of not less than $100 or more than $500, and may additionally be subject to a sentence of imprisonment not to exceed 25 days, or a license suspension not to exceed six months, or both, in the discretion of the court. As used in this section, "serious bodily injury" means serious bodily injury as defined in subsection b. of N.J.S.2C:11-1.

c. Of each fine imposed and collected pursuant to subsection b. of this section, $100 shall be forwarded to the State Treasurer who shall annually deposit the moneys into the "Pedestrian Safety Enforcement and Education Fund" created by section 1 of P.L.2005, c.86 (C.39:4-36.2).

d. In the event of a collision between a vehicle and a pedestrian within a marked crosswalk, or at an unmarked crosswalk at an intersection, there shall be a permissive inference that the driver did not exercise due care for the safety of the pedestrian.

official sign of the State, municipality, or county authority having jurisdiction over the intersection prohibits the same, proceed to make the turn upon a "stop" or "caution" signal with proper care to avoid accidents after coming to a full stop, observing traffic in all directions, yielding to other vehicular traffic traveling in a direction in which the turn will be made, and stopping and remaining stopped for pedestrians crossing the roadway within a marked crosswalk, or at an unmarked crosswalk, into which the driver is turning. Both the approach for and the turn shall be made as close as practicable to the right-hand curb or edge of the roadway, unless such intersection is otherwise posted.

Stopping or yielding right of way before entering stop or yield intersections.

39:4-144. No driver of a vehicle or street car shall enter upon or cross an intersecting street marked with a "stop" sign unless:

a. The driver has first brought the vehicle or street car to a complete stop at a point within five feet of the nearest crosswalk or stop line marked upon the pavement at the near side of the intersecting street and shall proceed only after yielding the right of way to all vehicular traffic on the intersecting street which is so close as to constitute an immediate hazard.

b. No driver of a vehicle or street car shall enter upon or cross an intersecting street marked with a "yield right of way" sign without first slowing to a reasonable speed for existing conditions and visibility, stopping if necessary, and the driver shall yield the right of way to all vehicular traffic on the intersecting street which is so close as to constitute an immediate hazard; unless, in either case, the driver is otherwise directed to proceed by a traffic or police officer or traffic control signal.

c. No driver of a vehicle or street car shall turn right at an intersecting street marked with a "stop" sign or "yield right of way" sign unless the driver stops and remains stopped for pedestrians crossing the roadway within a marked crosswalk, or at an unmarked crosswalk, into which the driver is turning.

Repealer.

5. R.S.39:4-35 is repealed.

6. This act shall take effect on the first day of the third month after enactment, but such anticipatory administrative action may be taken in advance thereof as shall be necessary for the implementation of this act.

AN ACT concerning the sale of real property to enforce liens, amending various parts of statutory law and supplementing chapter 5 of Title 54 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.54:5-19 is amended to read as follows:

Power of sale; “collector” and “officer” defined.
54:5-19. The term "collector" as hereinafter used includes any such officer, and the term "officer" includes the collector.

A municipality shall have the authority to conduct both standard and accelerated tax sales.

When unpaid taxes or any municipal lien, or part thereof, on real property remain in arrears at the close of the fiscal year, the collector or other officer charged by law in the municipality with that duty, shall enforce the lien by selling the property in the manner set forth in this article by holding a standard tax sale in the following fiscal year.

When unpaid taxes or any municipal lien, or part thereof, on real property remains in arrears on the 11th day of the eleventh month in the fiscal year when the taxes or lien became in arrears, the collector or other officer charged by law in the municipality with that duty, shall enforce the lien by selling the property in the manner set forth in this article by conducting an accelerated tax sale by selling the property in the manner set forth in this article, provided that the sale is conducted and completed no earlier than in the last month of the fiscal year.

In either a standard or an accelerated tax sale, the municipality may by resolution direct that when unpaid taxes or other municipal liens or charges, or part thereof, are in arrears as of the 11th day of the eleventh month of the fiscal year, such sale shall include only such unpaid taxes or other municipal liens or charges as were in arrears in the fiscal year designated in such resolution, and may by resolution, either general or special, direct that there shall be omitted from such sale any or all such unpaid taxes, and other municipal liens, or parts thereof, on real property, upon which regular, equal monthly installment payments are being made, in pursuance to such agreement as may be authorized by said resolution between the collector and the owner or person interested in the property upon which such delinquent taxes may be due;
provided, that said agreement shall require payment of such installment payments in amounts large enough to pay in full all delinquent taxes, assessments and other municipal liens held by the municipality, in not more than five years from the date of such agreement; provided, that the extension of time for payment of such arrearages herein authorized shall not apply to any parcel of property which prior thereto has been included in any plan theretofore adopted by any municipality of this State under and pursuant to the provisions of any public statute of this State whereunder prior extensions for the payment of delinquent taxes were authorized; provided further, that the right of any person interested in such property to pay such arrears in such installments shall be conditioned on the prompt payment of the installments of taxes for the current year in which such agreement is made, and all subsequent taxes, assessments and other municipal liens imposed or becoming a lien thereafter, including all installments thereafter payable on assessments theretofore levied, and also the prompt payment of all installments of arrears as hereinbefore authorized; and provided further, that in case any such installment of arrears or any new taxes, assessments or other liens are not promptly paid, that is to say, within thirty days after the date when the same is due and payable, then such agreement shall be void, and in any such case the collector, or other officer charged by law with that duty, shall proceed to enforce such lien by selling in the manner in this article provided.

2. R.S.54:5-21 is amended to read as follows:

Lands listed for sale; liens listed; installments added.

54:5-21. The collector shall make a list of the lands so subject to sale, describing them in accordance with the last tax duplicate, including the name of the owner as shown on the duplicate, amplifying the description in the duplicate if necessary to better identify the parcel. He shall enter on the list all taxes, assessments and other municipal charges which were a lien at the close of the fiscal year. He shall add to the list all unpaid installments of assessments for benefits theretofore levied and existing as immediate or direct benefits, whether then payable or not, so that the list shall be a complete statement of all municipal charges against the property existing at the close of the fiscal year, together with all interest and costs on all of the items of the list computed to date of sale. If directed so to do by resolution, the collector shall omit from such list such lands as may be subject to sale for unpaid taxes or for any municipal lien, or part thereof, upon which regular installment payments are being made under any agreement or agreements approved by the municipality.
In the case of a standard tax sale, the list shall be prepared at least 50 calendar days prior to the date of sale. The collector may prepare the list after the 11th day of the eleventh month of the fiscal year, and prior to the close of the fiscal year, in order to start advertising the standard tax sale prior to the close of the current fiscal year.

In the case of an accelerated tax sale, the list shall be prepared as of the 11th day of the 11th month of the current fiscal year, and shall include only those taxes, assessments and other municipal charges that were delinquent as of that date.

3. R.S.54:5-24 is amended to read as follows:

**Maintenance of list.**

54:5-24. The list shall be maintained as a permanent record of that office. The list shall be either a bound book or a bound hard copy of a computer-generated list. The list may be made up in one or more sections and the term "list" as used in this chapter shall apply to any such section.

4. R.S.54:5-26 is amended to read as follows:

**Notice of tax sale; posting, publication.**

54:5-26. Copies of the notice of a tax sale shall be set up in five of the most public places in the municipality, and a copy of the notice shall be published in a newspaper circulating in the municipality, once in each of the four calendar weeks preceding the calendar week containing the day appointed for the sale. In lieu of any two publications, notice to the property owner and to any person or entity entitled to notice of foreclosure pursuant to section 20 of P.L.1948, c.96 (C.54:5-104.48) may be given by regular or certified mail, the costs of which shall be added to the cost of the sale in addition to those provided in R.S.54:5-38, not to exceed $25 for each notice for a particular property.

For the purposes of notice in connection with a special tax sale for eligible properties which are on an abandoned property list established by the municipality pursuant to section 36 of P.L.1996, c.62 (C.55:19-55), a single advertisement published in a newspaper circulating in the municipality no less than four and no more than six weeks prior to the sale, along with notice to the property owner and any person or entity entitled to notice of foreclosure pursuant to section 20 of P.L.1948, c.96 (C.54:5-104.48), shall constitute sufficient notice of sale on the part of the municipality.

Failure of the property owner to receive a notice of a tax sale properly mailed by the tax collector shall not constitute grounds to void the subse-
quent tax sale. If ordinances of the municipality are required to be published in any special newspaper or newspapers, the notice shall be published therein.

5. R.S.54:5-29 is amended to read as follows:

Payment of amount due prior to tax sale; priority.

54:5-29. At any time before sale the collector shall receive payment of the amount due on any property, together with the interest and costs set forth in R.S.54:5-38, incurred up to the time of payment. When a taxpayer whose property is included in a tax sale shall, prior to the sale, pay the full amount advertised in the sale, plus any interest on any other delinquencies, the tax collector shall then post the receipts, first to the interest, followed by the oldest delinquencies, costs and penalties which action shall then be cause for said property to be removed from the sale.

6. R.S.54:5-32 is amended to read as follows:

Sale in fee subject to redemption.

The notice shall also contain the amount due on such tax lien as of the date of the notice. A copy of such notice shall also be filed with the municipal tax collector's office. Upon the filing and service of such notice, a plaintiff shall be entitled to such fees and expenses.

A municipality, by ordinance, may authorize the tax collector to charge to a lienholder a fee not to exceed $50 for the calculation of the amount due to redeem the tax lien required to be provided pursuant to this section. Any request for a redemption calculation shall specify the date to be used for the calculation, which shall be the date of the notice. Neither the tax collector or the municipality shall be liable for an incorrect calculation. The fee paid to the municipality shall not become part of the lien and shall not be passed on to any party entitled to redeem pursuant to R.S.54:5-54.

The tax, fee or charge shall remain a lien on the property and may be included in any tax sale or other municipal lien sale affecting the property, notwithstanding any other law to the contrary. modifier's responsibility to insure that any lien on the returned motor vehicle is transferred to the replacement vehicle.

b. A consumer who leases a new motor vehicle shall have the same remedies against a manufacturer, co-manufacturer, or post-manufacturing modifier under this section as a consumer who purchases a new motor vehicle. If it is determined that the lessee is entitled to a refund pursuant to subsection a. of this section, the consumer shall return the leased vehicle to the lessor or manufacturer, co-manufacturer, or post-manufacturing modifier, and the consumer's lease agreement with the motor vehicle lessor shall be terminated and no penalty for early termination shall be assessed. The manufacturer, co-manufacturer, or post-manufacturing modifier shall provide the consumer with a full refund of the amount actually paid by the consumer under the lease agreement, including any additional charges as set forth in subsection a. of this section if actually paid by the consumer, less a reasonable allowance for vehicle use. The manufacturer, co-manufacturer, or post-manufacturing modifier shall provide the motor vehicle lessor with a full refund of the vehicle's original purchase price plus any unrecovered interest expense, less the amount actually paid by the consumer under the agreement. Refunds shall be made to the lessor and lienholder, if any, as their interests appear on the records of ownership maintained by the Chief Administrator of the Motor Vehicle Commission.

5. Section 5 of P.L.1988, c.123 (C.56:12-33) is amended to read as follows:

C. 56:12-33 Presumption of inability to correct nonconformity; written notification.

5. a. It is presumed that a manufacturer, or, in the case of an authorized emergency vehicle, the manufacturer, co-manufacturer, or post-manufacturing modifier, or its dealer or distributor, is unable to repair or correct a nonconformity within a reasonable time if, within the first 24,000 miles of operation or during the period of two years following the date of original delivery of the motor vehicle to the consumer, whichever is the earlier date:

(1) Substantially the same nonconformity has been subject to repair three or more times by the manufacturer, co-manufacturer, or post-manufacturing modifier, or its dealer or distributor, other than a nonconformity subject to examination or repair pursuant to paragraph (3) of this subsection because it is likely to cause death or serious bodily injury if the vehicle is driven, and the nonconformity continues to exist;
(2) The motor vehicle is out of service by reason of repair for one or more nonconformities for a cumulative total of 20 or more calendar days, or in the case of a motorhome, 45 or more calendar days, since the original delivery of the motor vehicle and a nonconformity continues to exist; or

(3) A nonconformity which is likely to cause death or serious bodily injury if the vehicle is driven has been subject to examination or repair at least once by the manufacturer, co-manufacturer, or post-manufacturing modifier, or its dealer or distributor, and the nonconformity continues to exist.

b. The presumption contained in subsection a. of this section shall apply against a manufacturer only if the manufacturer has received written notification, or, in the case of an authorized emergency vehicle, the manufacturer, and co-manufacturer or post-manufacturing modifier, if known, or the dealer or distributor, has received written notification, by or on behalf of the consumer, by certified mail return receipt requested, of a potential claim pursuant to the provisions of this act and has had one opportunity to repair or correct the defect or condition within 10 calendar days following receipt of the notification. Notification by the consumer shall take place any time after the motor vehicle has had substantially the same nonconformity subject to repair two or more times, or has been out of service by reason of repair for a cumulative total of 20 or more calendar days, or in the case of a motorhome, 45 or more calendar days, or with respect to a nonconformity which is likely to cause death or serious bodily injury if the vehicle is driven, the nonconformity has been subject to examination or repair at least once by the manufacturer, co-manufacturer, or post-manufacturing modifier, or its dealer or distributor, and the nonconformity continues to exist.

c. The two-year term and the 20-day period, or 45-day period for motorhomes, specified in this section shall be extended by any period of time during which repair services are not available to the consumer because of a war, invasion or strike, or a fire, flood, or other natural disaster.

d. (1) In the case of a motorhome where two or more manufacturers contributed to the construction of the motorhome, or in the case of an authorized emergency vehicle, it shall not be considered as any examination or repair attempt if the repair facility at which the consumer presented the vehicle is not authorized by the manufacturer, co-manufacturer, or post-manufacturing modifier to provide service on that vehicle.

(2) It shall be considered as one examination or repair attempt for a motorhome if the same nonconformity is addressed more than once due to the consumer's decision to continue traveling and to seek the repair of that same nonconformity at another authorized repair facility, rather than wait for the repair to be completed at the initial authorized repair facility.
(3) Days out of service for reason of repair for a motorhome shall be a cumulative total of 45 or more calendar days.

6. Section 6 of P.L.1988, c.123 (C.56:12-34) is amended to read as follows:

C.56:12-34 Statements to consumers.

6. a. At the time of purchase in the State of New Jersey, the manufacturer, or, in the case of an authorized emergency vehicle, the manufacturer, co-manufacturer, or post-manufacturing modifier, through its dealer or distributor, or at the time of lease in the State of New Jersey, the lessor, shall provide directly to the consumer a written statement prescribed by the director, presented in a conspicuous and understandable manner on a separate piece of paper and printed in both the English and Spanish languages, which provides information concerning a consumer's rights and remedies under P.L.1988, c.123 (C.56:12-29 et seq.), and shall include, but not be limited to, a summary of the provisions of:

(1) section 3 of P.L.1988, c.123 (C.56:12-31), concerning the miles of operation of a motor vehicle and time period within which the consumer may report a nonconformity and seek remedies;

(2) sections 4 and 5 of P.L.1988, c.123 (C.56:12-32 and 56:12-33), concerning a manufacturer's, co-manufacturer's, or post-manufacturing modifier's obligations to a consumer based upon the manufacturer's, co-manufacturer's, or post-manufacturing modifier's, or its dealer's or distributor's, inability to repair or correct a noneconformity; and

(3) any other provisions of P.L.1988, c.123 (C.56:12-29 et seq.) the director deems appropriate.

b. Each time a consumer's motor vehicle is returned from being examined or repaired during the period specified in section 3 of P.L.1988, c.123 (C.56:12-31), the manufacturer, or, in the case of an authorized emergency vehicle, the manufacturer, co-manufacturer, or post-manufacturing modifier, through its dealer or distributor, shall provide to the consumer an itemized, legible statement of repair which indicates any diagnosis made and all work performed on the vehicle and provides information including, but not limited to, the following: a general description of the problem reported by the consumer or an identification of the problem reported by the consumer or an identification of the defect or condition and the source of the defect; the amount charged for parts and the amount charged for labor, if paid for by the consumer; the date and the odometer reading when the vehicle was
submitted for repair; and the date and odometer reading when the vehicle was made available to the consumer.

c. Failure to comply with the provisions of this section constitutes an unlawful practice pursuant to section 2 of P.L.1960, c.39 (C.56:8-2).

7. Section 7 of P.L.1988, c.123 (C.56:12-35) is amended to read as follows:

C.56:12-35 Sale, leasing of returned motor vehicle.

7. a. If a motor vehicle is returned to the manufacturer, or, in the case of an authorized emergency vehicle, to the manufacturer, co-manufacturer, or post-manufacturing modifier, under the provisions of this act or a similar statute of another state or as the result of a legal action or an informal dispute settlement procedure, it shall not be resold or re-leased in New Jersey unless:

(1) The manufacturer, co-manufacturer, or post-manufacturing modifier provides to the dealer, distributor, or lessor, and the dealer, distributor or lessor provides to the consumer, the following written statement on a separate piece of paper, in 10-point bold-face type: "IMPORTANT: THIS VEHICLE WAS RETURNED TO THE MANUFACTURER OR OTHER RESPONSIBLE PARTY BECAUSE IT DID NOT CONFORM TO THE MANUFACTURER'S OR OTHER PARTY'S WARRANTY FOR THE VEHICLE AND THE NONCONFORMITY WAS NOT CORRECTED WITHIN A REASONABLE TIME AS PROVIDED BY LAW;"

(2) The dealer, distributor, or lessor obtains from the consumer a signed receipt certifying, in a conspicuous and understandable manner, that the written statement required under this subsection has been provided. The director shall prescribe the form of the receipt. The dealer, distributor, or lessor may fulfill his obligation to obtain a signed receipt under this paragraph by making such a notation, in a conspicuous and understandable manner, on the vehicle buyer order form accompanying the sale or lease of that vehicle; and

(3) The dealer, distributor, or lessor, in accordance with the provisions of section 1 of P.L.1993, c.21 (C.39:10-9.3), notifies the Chief Administrator of the Motor Vehicle Commission of the sale or transfer of ownership of the motor vehicle.

b. Nothing in this section shall be construed as imposing an obligation on a dealer, distributor, or lessor to determine whether a manufacturer, co-manufacturer, or post-manufacturing modifier is in compliance with the terms of this section, nor shall it be construed as imposing liability on a dealer, distributor, or lessor for the failure of a manufacturer, co-
manufacturer, or post-manufacturing modifier to comply with the terms of
this section.

   c. Failure to comply with the provisions of this section constitutes an
   unlawful practice pursuant to section 2 of P.L.1960, c.39 (C.56:8-2).

8. Section 8 of P.L.1988, c.123 (C.56:12-36) is amended to read as
follows:

C.56:12-36 Informal dispute settlement procedure.

8. a. If a manufacturer, or, in the case of an authorized emergency vehi-
   cle, a manufacturer, co-manufacturer, or post-manufacturing modifier, has
   established, or participates in, an informal dispute settlement procedure
   pursuant to section 110 of Pub.L.93-637 (15 U.S.C. s.2310) and the rules
   promulgated thereunder, or the requirements of this section, a consumer
   may submit a dispute regarding motor vehicle nonconformities, including a
   dispute between a manufacturer, co-manufacturer, or post-manufacturing
   modifier regarding the source of nonconformities and resulting liability to
   the consumer, to the dispute settlement body provided by that procedure,
   but a consumer shall not be required to first participate in the informal dis-
   pute settlement procedure before participating in the division's summary
   hearing procedure under this act.

   b. If a consumer chooses to use a manufacturer's, co-manufacturer's,
   or post-manufacturing modifier's informal dispute settlement procedure
   established pursuant to this section, the findings and decisions of the dispute
   settlement body shall state in writing whether the consumer is entitled to a
   refund under the presumptions and criteria set out in this act and the findings
   and decisions shall be admissible against the consumer and the manufac-
   turer, co-manufacturer, or post-manufacturing modifier in any legal action.

   c. If the dispute settlement body determines that a consumer is en-
   titled to relief under this act, the consumer shall be entitled to a refund as
   authorized by section 4 of this act.

   d. In any informal dispute settlement procedure established pursuant
   to this section:

      (1) Participating arbitrators shall be trained in arbitration and familiar
      with the provisions of this act.

      (2) Documents shall not be submitted to any dispute settlement body
      unless the documents have been provided to each of the parties in the dis-
      pute at least seven days prior to commencement of the dispute settlement
      hearing. The parties shall be given the opportunity to comment on the
      documents in writing or with oral presentation.
(3) No party shall participate in the informal dispute settlement procedure unless all other parties are also present and given an opportunity to be heard, or unless the other parties consent to proceeding without their presence and participation.

(4) A consumer shall be given an adequate opportunity to contest a manufacturer's, co-manufacturer's, or post-manufacturing modifier's assertion that a nonconformity falls within intended specifications for the vehicle by having the basis of this claim appraised by a technical expert selected and paid for by the consumer prior to the informal dispute settlement procedure. If the dispute settlement body rules in favor of the consumer, his costs and reasonable attorney's fees shall also be awarded.

(5) A dispute shall not be heard if there has been a recent attempt by the manufacturer, co-manufacturer, or post-manufacturing modifier to repair a consumer's vehicle, but no response has yet been received by the dispute settlement body from the consumer as to whether the repairs were successfully completed. This provision shall not prejudice a consumer's right under this section.

(6) The manufacturer, co-manufacturer, or post-manufacturing modifier shall provide, and the dispute settlement body shall consider, any relevant technical service bulletins which have been issued by the manufacturer, co-manufacturer, or post-manufacturing modifier regarding motor vehicles of the same make and model as the vehicle that is the subject of the dispute.

e. Any manufacturer, co-manufacturer, or post-manufacturing modifier who establishes, or participates in, an informal dispute settlement procedure, whether it meets the requirements of this section or not, shall maintain, and forward to the director at six-month intervals, the following records:

(1) The number of purchase price and lease price refunds requested, the number awarded by the dispute settlement body, the amount of each award and the number of awards satisfied in a timely manner;

(2) The number of awards in which additional repairs or a warranty extension was the most prominent remedy, the amount or value of each award, and the number of awards satisfied in a timely manner;

(3) The number and total dollar amount of awards in which some form of reimbursement for expenses or compensation for losses was the most prominent remedy, the amount or value of each award and the number of awards satisfied in a timely manner; and

(4) The average number of days from the date of a consumer's initial request to use the manufacturer's, co-manufacturer's, or post-manufacturing modifier's informal dispute settlement procedure until the date of the deci-
sion and the average number of days from the date of the decision to the date on which performance of the award was satisfied.

9. Section 9 of P.L.1988, c.123 (C.56:12-37) is amended to read as follows:

C.56:12-37 Dispute resolution.

9. a. A consumer shall have the option of submitting any dispute arising under section 4 of this act to the division for resolution, including, in the case of an authorized emergency vehicle, a dispute between a manufacturer, co-manufacturer, or post-manufacturing modifier regarding the source of nonconformities and resulting liability to the consumer. The director may establish a filing fee, to be paid by the consumer, fixed at a level not to exceed the cost for the proper administration and enforcement of this act. This fee shall be recoverable as a cost under section 14 of this act. Upon application by the consumer and payment of any filing fee, the manufacturer, co-manufacturer, or post-manufacturing modifier shall submit to the State hearing procedure. The filing of the notice in subsection b. of section 5 of P.L.1988, c.123 (C.56:12-33) shall be a prerequisite to the filing of an application under this section.

b. The director shall review a consumer's application for dispute resolution and accept eligible disputes for referral to the Office of Administrative Law for a summary hearing to be conducted in accordance with special rules adopted pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), by the Office of Administrative Law in consultation with the director. Immediately upon acceptance of a consumer's application for dispute resolution, the director shall contact the parties and arrange for a hearing date with the Clerk of the Office of Administrative Law. The hearing date shall, to the greatest extent possible, be convenient to all parties, but shall be no later than 20 days from the date the consumer's application is accepted, unless a later date is agreed upon by the consumer. The Office of Administrative Law shall render a decision, in writing, to the director within 20 days of the conclusion of the summary hearing. The decision shall provide a brief summary of the findings of fact, appropriate remedies pursuant to this act, and a specific date for completion of all awarded remedies. The director, upon a review of the proposed decision submitted by the administrative law judge, shall adopt, reject, or modify the decision no later than 15 days after receipt of the decision. Unless the director modifies or rejects the decision within the 15-day period, the decision of the administrative law judge shall be deemed adopted as the final decision.
of the director. If the manufacturer, co-manufacturer, or post-manufacturing modifier unreasonably fails to comply with the decision within the specified time period, that party shall be liable for penalties in the amount of $5,000.00 for each day it unreasonably fails to comply, commencing on the day after the specified date for completion of all awarded remedies.

c. The Office of Administrative Law is authorized to issue subpoenas to compel the attendance of witnesses and the production of documents, papers and records relevant to the dispute.

d. A manufacturer, co-manufacturer, or post-manufacturing modifier, or a consumer may appeal a final decision to the Appellate Division of the Superior Court. An appeal by a manufacturer, co-manufacturer, or post-manufacturing modifier shall not be heard unless the petition for the appeal is accompanied by a bond in a principal sum equal to the money award made by the administrative law judge plus $2,500.00 for anticipated attorney's fees and other costs, secured by cash or its equivalent, payable to the consumer. The liability of the surety of any bond filed pursuant to this section shall be limited to the indemnification of the consumer in the action. The bond shall not limit or impair any right of recovery otherwise available pursuant to law, nor shall the amount of the bond be relevant in determining the amount of recovery to which the consumer shall be entitled. If a final decision resulting in a refund to the consumer is upheld by the court, recovery by the consumer shall include reimbursement for actual expenses incurred by the consumer for the rental of a motor vehicle equivalent to the consumer's motor vehicle and limited to the period of time after which the consumer's motor vehicle was offered to the manufacturer, co-manufacturer, or post-manufacturing modifier for return under this act, except in those cases in which that party made a comparable vehicle available to the consumer free of charge during that period. If the court finds that the manufacturer, co-manufacturer, or post-manufacturing modifier had no reasonable basis for its appeal or that the appeal was frivolous, the court shall award treble damages to the consumer. Failure of the Office of Administrative Law to render a written decision within 20 days of the conclusion of the summary hearing as required by subsection b. of this section shall not be a basis for appeal.

e. The Attorney General shall monitor the implementation and effectiveness of this act and report to the Legislature after three years of operation, at which time a recommendation shall be made either to continue under the procedures set forth in this act or to make such modifications as may be necessary to effectuate the purposes of this act.
10. Section 10 of P.L.1988, c.123 (C.56:12-38) is amended to read as follows:

C.56:12-38 Statistics.

10. a. The Division of Consumer Affairs shall maintain an index of all motor vehicle disputes by make and model. The division shall, at six-month intervals, compile and maintain statistics indicating the record of manufacturer compliance, or, in the case of an authorized emergency vehicle, manufacturer, co-manufacturer, or post-manufacturing modifier compliance, with any settlement procedure decisions. The statistics shall be public record.

b. A manufacturer, co-manufacturer, or post-manufacturing modifier shall provide to the division all information on private arbitration or private buy-back programs maintained or instituted by the manufacturer, co-manufacturer, or post-manufacturing modifier. The information shall include the type and number of vehicles to which these programs apply and the reasons for establishing and maintaining the programs. The manufacturer, co-manufacturer, or post-manufacturing modifier shall provide the division with updated information at six-month intervals.

11. Section 11 of P.L.1988, c.123 (C.56:12-39) is amended to read as follows:

C.56:12-39 Decision binding.

11. A consumer shall not be required to participate in a manufacturer's, or, in the case of an authorized emergency vehicle, a manufacturer's, co-manufacturer's, or post-manufacturing modifier's, informal dispute settlement procedure or the division's summary hearing procedure before filing an action in the Superior Court. However, a decision rendered in a proceeding brought pursuant to the division's summary hearing procedure shall be binding on the consumer and the manufacturer, co-manufacturer, or post-manufacturing modifier, subject to the right of appeal as set forth in subsection d. of section 9 of this act, and shall preclude the institution of any other action in the Superior Court under this act.

12. Section 12 of P.L.1988, c.123 (C.56:12-40) is amended to read as follows:

C.56:12-40 Affirmative defense.

12. It shall be an affirmative defense to a claim under this act that the alleged nonconformity does not substantially impair the use, value, or
safety of the new motor vehicle or that the nonconformity is the result of abuse, neglect, or unauthorized modifications or alterations of the motor vehicle by anyone other than the manufacturer, or, in the case of an authorized emergency vehicle, the manufacturer, co-manufacturer, or post-manufacturing modifier, or its dealer or distributor.

13. Section 14 of P.L.1988, c.123 (C.56:12-42) is amended to read as follows:

C.56:12-42 Attorney, expert fees; cost.
14. In any action by a consumer against a manufacturer, or, in the case of an authorized emergency vehicle, a manufacturer, co-manufacturer, or post-manufacturing modifier, brought in Superior Court or in the division pursuant to the provisions of this act, a prevailing consumer shall be awarded reasonable attorney's fees, fees for expert witnesses and costs.

14. Section 16 of P.L.1988, c.123 (C.56:12-44) is amended to read as follows:

C.56:12-44 Inherent design defect.
16. A manufacturer, or, in the case of an authorized emergency vehicle, a manufacturer, co-manufacturer, or post-manufacturing modifier, shall certify to the division, within one year of discovery, the existence of any inherent design defect common to all motor vehicles of a particular model or make. Failure to comply with this constitutes an unlawful practice pursuant to section 2 of P.L.1960, c.39 (C.56:8-2).

15. Section 17 of P.L.1988, c.123 (C.56:12-45) is amended to read as follows:

C.56:12-45 Proceedings.
17. The director may institute proceedings against any manufacturer, or, in the case of an authorized emergency vehicle, any manufacturer, co-manufacturer, or post-manufacturing modifier, who fails to comply with any of the provisions of this act.

16. Section 18 of P.L.1988, c.123 (C.56:12-46) is amended to read as follows:

C.56:12-46 No liability, cause of action.
18. a. Nothing in this act shall be construed as imposing any liability on a dealer or distributor, or creating a cause of action by a manufacturer, or, in

the case of an authorized emergency vehicle, a manufacturer, co-
manufacturer, or post-manufacturing modifier, against a dealer or distribu-
tor, and nothing shall be construed as imposing any liability on a dealer or distributor, or creating a cause of action by a consumer against a dealer or distributor under section 4 of this act.

b. Nothing in this act, in the case of an authorized emergency vehicle and notwithstanding any other law to the contrary, shall be construed as creating, establishing or otherwise imposing joint and several liability for any action under P.L.1988, c.123 (C.56:12-29 et seq.), and a manufacturer, co-manufacturer, or post-manufacturing modifier shall only be liable for that percentage of negligence or fault in that action directly attributable to its respective degree of liability.

17. This act shall take effect immediately.

Approved January 18, 2010.

CHAPTER 327

AN ACT concerning "the workers' compensation security fund," amending and supplementing various parts of the statutory law, and repealing R.S.34:15-109, R.S.34:15-110 and R.S.34:15-118.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:15-105.1 Workers' compensation security fund transferred.

1. The workers' compensation security fund created pursuant to R.S.34:15-105, along with all its functions, powers and duties and all its assets, liabilities and balances, is hereby transferred to the New Jersey Property-Liability Insurance Guaranty Association, established pursuant to P.L.1974, c.17 (C.17:30A-1 et seq.).

2. R.S.34:15-105 is amended to read as follows:

Workers' compensation security fund.

34:15-105. There is hereby created a fund to be known as "the workers' compensation security fund," for the purpose of assuring to persons entitled thereto the compensation provided by this chapter, R.S.34:15-1 et seq., or the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. s. 901 et seq.), or both, for employments insured in insolvent carriers and for the purpose of providing money for first year annual adjustments for benefit payments and supplemental payments during fiscal years 1984 and 1985 provided for by P.L.1980, c.83 (C.34:15-95.4 et al.). Such fund shall be applicable to the payment of valid claims for compensation or death benefits arising from a standard, primary workers' compensation policy heretofore or hereafter made pursuant to this chapter or the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33
U.S.C. s. 901 et seq.), and remaining unpaid, in whole or in part, by reason of the default, after March 26, 1935, of an insolvent carrier. Expenses of administration also shall be paid from the fund as herein provided. Such fund shall consist of all contributions received and paid into the fund by carriers, as herein defined, all property and securities acquired by and through the use of moneys belonging to the fund, and of interest earned upon moneys deposited or invested as herein provided. The fund shall be administered by the New Jersey Property-Liability Guaranty Association in accordance with the provisions of this chapter.

Compensation pursuant to the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. s.901 et seq.), shall be payable under this article only with respect to coverage or risks located or resident in this State. The insolvency, bankruptcy, or dissolution of the insured shall effect a termination of compensation provided under this article for claims arising under the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. s.901 et seq.).

3. R.S.34:15-106 is amended to read as follows:

Annual returns by carriers; "net written premiums" defined.

34:15-106. Every carrier shall annually file with the Commissioner of Banking and Insurance returns, under oath, on a form to be prescribed and furnished by the commissioner, stating the amount of net written premiums on policies issued, renewed or extended by such carrier, to insure payment of compensation pursuant to this chapter or the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. s.901 et seq.), as authorized by this article. For the purposes of this article "net written premiums" shall mean gross written premiums less return premiums on policies returned not taken, and on policies canceled.

4. R.S.34:15-107 is amended to read as follows:

Contributions to the fund.

34:15-107. For the privilege of carrying on the business of workers' compensation insurance in this State, every carrier shall pay into the fund a sum equal to one per cent of its net written premiums as shown by the return hereinbefore prescribed for the period covered by such return.

5. R.S.34:15-111 is amended to read as follows:
Payment of claims; application; recovery.

34:15-111. A valid claim for compensation or death benefits, or instalments thereof, heretofore or hereafter made pursuant to this chapter or the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. s.901 et seq.), as authorized by this article, which has remained or shall remain due and unpaid for 60 days, by reason of default by an insolvent carrier, shall be paid from the fund in the manner provided in this section. Any person in interest may file with the New Jersey Property-Liability Insurance Guaranty Association an application for payment of compensation or death benefits from the fund on a form to be prescribed and furnished by the New Jersey Property-Liability Insurance Guaranty Association. If there has been an award, final or otherwise, a certified copy thereof shall accompany the application.

Any person recovering under R.S.34:15-103 et seq. shall be deemed to have assigned his rights under the policy to the fund to the extent of his recovery from the fund. Every insured or claimant seeking the protection of R.S.34:15-103 et seq. shall cooperate with the fund to the same extent as that person would have been required to cooperate with the insolvent carrier. The fund shall have no cause of action against the insured employer or the insolvent carrier for any sums it has paid out, except those causes of action that the insolvent carrier would have had if those sums had been paid by the insolvent carrier, including, but not limited to, the right to receive the benefit of, and to enforce any and all obligations on the part of the insured, to either fund directly (or indirectly through a third party administrator), or secure the payment of, compensation due under the policies of the insolvent carrier, to the extent of claims paid. The foregoing vests the fund with an exclusive cause of action against the insured and includes the right to enforce against the insured the rights of the carrier with respect to any obligation of the insured to reimburse the carrier for deductibles or pay claims within a deductible. Further, the fund is vested with a first lien in any collateral provided by the insured to the carrier to secure the insured's performance, to the extent of claims paid by the fund, which lien can be perfected by notice to the liquidator. In the case of an insolvent insurer operating on a plan with an assessment liability, payments of claims of the fund shall not operate to reduce the liability of insureds to the receiver, liquidator or statutory successor for unpaid assessments.

The receiver, liquidator, or statutory successor of an insolvent insurer shall be bound by settlements of covered claims by the fund or its representatives. The court having jurisdiction shall grant a claim priority equal to that to which the claimant would have been entitled in the absence of
R.S.34:15-103 et seq. against the assets of the insolvent carrier. The expenses of the fund or similar organization in handling claims shall be accorded the same priority as the liquidator's expenses.

Except as otherwise provided in this section, an employer may pay such award or part thereof in advance of payment from the fund and shall thereupon be subrogated to the rights of the employee or other party in interest against the fund to the extent of the amount so paid.

The New Jersey Property-Liability Insurance Guaranty Association shall be entitled to recover the sum of all liabilities of such insolvent carrier assumed by such fund from such carrier, its receiver, liquidator, rehabilitator or trustee in bankruptcy and may prosecute an action or other proceedings therefor. All moneys recovered in any such action or proceedings shall forthwith be placed to the credit of the fund to reimburse the fund to the extent of the moneys so recovered and paid.

6. Section 2 of P.L.1974, c.17 (C.17:30A-2) is amended to read as follows:

C.17:30A-2 Payment of covered claims.

2. a. The purpose of this act is to provide a mechanism for the payment of covered claims under certain insurance policies, to avoid excessive delay in payment, to minimize financial loss to claimants or policyholders because of the insolvency of an insurer, to assist in the detection and prevention of insurer insolvencies, to provide an association to assess the cost of such protection among insurers, and to provide a mechanism to run off, manage, administer and pay claims asserted against the Unsatisfied Claim and Judgment Fund, created pursuant to P.L.1952, c.174 (C.39:6-61 et seq.), the New Jersey Automobile Full Insurance Underwriting Association, created pursuant to P.L.1983, c.65 (C.17:30E-1 et seq.), the Market Transition Facility, created pursuant to section 88 of P.L.1990, c.8 (C.17:33B-11), and "the workers' compensation security fund," created pursuant to R.S.34:15-105.

b. This act shall apply to all kinds of direct insurance, except life insurance, accident and health insurance, workers' compensation insurance, except as provided by P.L.2009, c.327 (C.34:15-105.1 et al.), title insurance, annuities, surety bonds, credit insurance, mortgage guaranty insurance, municipal bond coverage, fidelity insurance, investment return assurance, ocean marine insurance and pet health insurance.
C.17:30A-2.2 Findings, declarations relative to transfer, consolidation of "the workers' compensation security fund."

7. The Legislature finds and declares that:
   a. It is in the public interest to authorize the transfer and consolidation of compatible operations of "the workers' compensation security fund" to the New Jersey Property-Liability Insurance Guaranty Association.
   b. Following the transfer to the New Jersey Property-Liability Insurance Guaranty Association of its respective management, administrative and claim functions, "the workers' compensation security fund" shall continue to exist as a separate legal entity subject to the provisions of P.L.2009, c.327 (C.34:15-105.1 et al.).
   c. The New Jersey Property-Liability Insurance Guaranty Association will administer the obligations of "the workers' compensation security fund" pursuant to R.S.34:15-105 et seq., and take over all governance, administrative and financial functions of "the workers' compensation security fund," including the claim payment function.
   d. The New Jersey Property-Liability Insurance Guaranty Association is formally designated as the servicing facility for several statutory entities for which it currently provides administrative services and also for "the workers' compensation security fund."

8. Section 6 of P.L.1974, c.17 (C.17:30A-6) is amended to read as follows:

   6. There is created a private, nonprofit, unincorporated, legal entity to be known as the New Jersey Property-Liability Insurance Guaranty Association. All insurers defined as member insurers in section 5 shall be and remain members of the association as a condition of their authority to transact insurance in this State. The association shall perform its functions under a plan of operation established and approved under section 9 and shall exercise its powers through a board of directors established under section 7.

   The association is also authorized and shall have all of the powers necessary and appropriate for the management and administration of the affairs of the New Jersey Surplus Lines Insurance Guaranty Fund, in accordance with the provisions of the "New Jersey Surplus Lines Insurance Guaranty Fund Act," P.L.1984, c.101 (C.17:22-6.70 et seq.).

   The association is also authorized and shall have all of the powers necessary and appropriate for the management and administration of the affairs of, and the payment of valid claims asserted against: the Unsatisfied Claim
and Judgment Fund, created pursuant to the provisions of P.L.1952, c.174 (C.39:6-61 et seq.); the New Jersey Automobile Full Insurance Underwriting Association, created pursuant to the provisions of P.L.1983, c.65 (C.17:30E-1 et seq.); the Market Transition Facility created pursuant to the provisions of section 88 of P.L.1990, c.8 (C.17:33B-11); and "the workers' compensation security fund" created pursuant to R.S.34:15-105.

9. Section 8 of P.L.1974, c.17 (C.17:30A-8) is amended to read as follows:

C.17:30A-8 Association's obligations, powers and duties.

8. a. The association shall:

(1) Be obligated to the extent of the covered claims against an insolvent insurer incurred prior to or 90 days after the determination of insolvent, or before the policy expiration date if less than 90 days after said determination, or before the insured replaces the policy or causes its cancellation, if he does so within 90 days of the determination, except that in the case of private passenger automobile insurance, the commissioner may, depending upon factors such as the level of that insurance written by the insolvent insurer, the volume of claims arising under that insurance, and conditions currently relating to the voluntary market for that insurance in this State, order the association to treat all or a portion of claims arising under that insurance as covered claims if they are incurred prior to or after the determination of insolvent, but before the policy expiration date or the date upon which the insured replaces the policy or causes its cancellation, and otherwise qualify as covered claims under the act. That obligation shall include only that amount of each covered claim which is less than $300,000.00 per claimant and subject to any applicable deductible and self-insured retention contained in the policy, except that the $300,000.00 limitation shall not apply to a covered claim arising out of insurance coverage mandated by section 4 of P.L.1972, c.70 (C.39:6A-4), or to a valid claim for compensation or death benefits arising out of workers' compensation insurance coverage under R.S.34:15-1 et seq. or under the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. s.901 et seq.). In the case of benefits payable under subsection a. of section 4 of P.L.1972, c.70 (C.39:6A-4), the association shall be liable for payment of benefits in an amount not to exceed the amount set forth in section 4 of P.L.1972, c.70 (C.39:6A-4). In the case of workers' compensation claims, the association shall administer the payment of valid claims with respect to the injury or death of workers under R.S.34:15-1 et seq., or the federal "Longshore and
Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. s.901 et seq.), arising from insurance coverage of risks located or resident in this State, as provided in R.S.34:15-105 and secured through a standard, primary workers' compensation policy. The commissioner may pay a portion of or defer the association's obligations for covered claims based on the monies available to the association. In no event shall the association be obligated to a policyholder or claimant in an amount in excess of the limits of liability stated in the policy of the insolvent insurer from which the claim arises. Any obligation of the association to defend an insured shall cease upon the association's payment or tender of an amount equal to the lesser of the association's covered claim statutory limit or the applicable policy limit;

(2) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent;

(3) Assess member insurers in amounts necessary to pay:
   (a) The obligations of the association under paragraphs (1) and (11) of this subsection;
   (b) The expenses of handling covered claims;
   (c) The cost of examinations under section 13; and
   (d) Other expenses authorized by this act.

The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment bears to the net direct written premiums of all member insurers for the calendar year preceding the assessment.

Each member insurer shall be notified of the assessment not later than 30 days before it is due. No member insurer of the association may be assessed pursuant to this paragraph (3) in any year in an amount greater than 2% of that member insurer's net direct written premiums for the calendar year preceding the assessment with regard to the association's obligation to pay covered claims and related expenses arising under coverages issued by insolvent insurers pursuant to P.L.1974, c.17 (C.17:30A-1 et seq.).

The association may, subject to the approval of the commissioner, exempt, abate or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. In the event an assessment against a member insurer is exempted, abated, or deferred, in whole or in part, because of the limitations set forth in this section, the amount by which such assessment is exempted, abated, or deferred shall be
assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. If the maximum assessment, together with the other assets of the association, does not provide in any one year an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as it is permitted by this act. Each member insurer serving as a servicing facility may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer;

(4) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims and may review settlements, releases and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which such settlements, releases and judgments may be properly contested;

(5) Notify such persons as the commissioner directs under paragraph (1) of subsection b. of section 10 of P.L.1974, c.17 (C.17:30A-10);

(6) Handle claims through its employees or through one or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer. The association is designated as a servicing facility for the administration of claim obligations of:

(a) the New Jersey Surplus Lines Insurance Guaranty Fund; (b) the New Jersey Medical Malpractice Reinsurance Association; (c) the Unsatisfied Claim and Judgment Fund; and (d) "the workers' compensation security fund." The association may also be designated or may contract as a servicing facility for any other entity which may be recommended by the association's board of directors and approved by the commissioner;

(7) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this act;

(8) Make loans to the New Jersey Surplus Lines Insurance Guaranty Fund, the Unsatisfied Claim and Judgment Fund, and "the workers' compensation security fund" in such amounts and on such terms as the board of directors may determine are necessary or appropriate to effectuate the purposes of P.L.1974, c.17 (C.17:30A-1 et seq.), P.L.1984, c.101 (C.17:22-6.70 et seq.), P.L.1952, c.174 (C.39:6-61 et seq.) and R.S.34:15-103 et seq. in accordance with the plan of operation; provided, however, no such loan transaction shall be authorized to the extent the federal tax exemption of the
association or any entity for which it serves as administrator would be withdrawn or the association or any such serviced entity would otherwise incur any federal tax or penalty as a result of such transaction;

(9) (Deleted by amendment, P.L.2004, c.175.)

(10) (Deleted by amendment, P.L.2004, c.175.)

(11) Reimburse an insurer for medical expense benefits in excess of $75,000 per person per accident as provided in section 2 of P.L.1977, c.310 (C.39:6-73.1) for injuries covered under an automobile insurance policy issued prior to January 1, 2004;

(12) Undertake all of the management, administrative, and claims activities of the Unsatisfied Claim and Judgment Fund, created pursuant to P.L.1952, c.174 (C.39:6-61 et seq.), the New Jersey Automobile Full Insurance Underwriting Association, created pursuant to P.L.1983, c.65 (C.17:30E-1 et seq.), the Market Transition Facility, created pursuant to section 88 of P.L.1990, c.8 (C.17:33B-11) and "the workers' compensation security fund," created pursuant to R.S.34:15-105.

b. The association may:

(1) Employ or retain such persons as are necessary to handle claims and perform such other duties of the association;

(2) Borrow and separately account for funds from any source, including, but not limited to, the New Jersey Surplus Lines Insurance Guaranty Fund, the Unsatisfied Claim and Judgment Fund, and "the workers' compensation security fund," in such amounts and on such terms, as the board of directors may determine are necessary or appropriate to effectuate the purpose of this act in accordance with the plan of operation; provided, however, no such borrowing transaction shall be authorized to the extent the federal tax exemption of the association or any entity for which it serves as administrator would be withdrawn or the association or any such serviced entity would otherwise incur any federal tax or penalty as a result of such transaction;

(3) Sue or be sued;

(4) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this act;

(5) Perform such other acts as are necessary or proper to effectuate the purpose of this act;

(6) Refund to the member insurers in proportion of the contribution of each member insurer that amount by which the assets exceed the liabilities if, at the end of any calendar year, the board of directors finds that the assets of the association exceed the liabilities, as estimated by the board of directors for the coming year.
10. Section 9 of P.L.1974, c.17 (C.17:30A-9) is amended to read as follows:

C.17:30A-9 Plan of operation.

9. a. (1) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the commissioner;

(2) If the association fails to submit a plan of operation acceptable to the commissioner within 90 days following the effective date of this act, or if at any time thereafter the association fails to submit an acceptable amendment to the plan, the commissioner shall, after notice and hearing adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this act. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

b. All member insurers shall comply with the plan of operation.

c. The plan of operation shall:

(1) Establish the procedures whereby all the powers and duties of the association under section 8 of this act will be performed;

(2) Establish procedures for handling assets of the association;

(3) Establish the amount and method of reimbursing members of the board of directors under section 7 of this act;

(4) Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent and a list of such claims shall be periodically submitted to the association by the receiver or liquidator;

(5) Establish regular places and times for meetings of the board of directors;

(6) Establish procedures for records to be kept in all financial transactions of the association, its agents, and the board of directors;

(7) Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the commissioner within 30 days after the action or decision;

(8) Establish the procedures whereby selections for the board of directors will be submitted to the commissioner;

(9) Contain additional provisions necessary or proper for the execution of the powers and duties of the association;
(10) Establish procedures for the transition and consolidation of compatible functions of the Unsatisfied Claim and Judgment Fund, the New Jersey Automobile Full Insurance Underwriting Association, the Market Transition Facility, and "the workers' compensation security fund" in order to eliminate redundant operational activities and promote greater efficiencies in claims handling and other operations;

(11) Establish procedures as necessary or proper to finance the operation of and account for receipts and disbursements as well as other financial transactions involving the Unsatisfied Claim and Judgment Fund, the New Jersey Automobile Full Insurance Underwriting Association, the Market Transition Facility, and "the workers' compensation security fund";

(12) Create such advisory boards as necessary or proper to assist in the administration and management of the operations of the Unsatisfied Claim and Judgment Fund.

d. The plan of operation may provide that any or all powers and duties of the association except those under sections 8a.(3) and 8b.(2), are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent. Such a corporation, association or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of the functions of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this act.

Repealer.

11. R.S.34:15-109, R.S.34:15-110, and R.S.34:15-118 through 34:15-120 are repealed.

12. This act shall take effect on July 1, 2009.

Approved January 18, 2010.

in each State correctional facility under the jurisdiction of the Department of Corrections for each inmate who fails to attain a minimal educational standard.

b. The minimal educational standard set forth in subsection a. of this section shall be the attainment of a high school equivalency certificate or high school diploma.

c. Consistent with the phase-in schedule adopted by the commissioner pursuant to subsection h. of this section, the requirement of attaining a minimal educational standard shall apply to an inmate who:

(1) is in the custody of the Department of Corrections on and after the effective date of P.L.2009, c.330 (C.30:4-92.1 et al.);

(2) has 18 months or more remaining to be served before a mandatory release date;

(3) is not exempted due to a medical, developmental, or learning disability; and

(4) does not possess a high school equivalency certificate or high school diploma.

d. The mandatory education requirement may be deferred for an inmate who is serving a sentence exceeding 10 years.

e. An inmate who satisfactorily participates in the mandatory education program shall be eligible for commutation time for good behavior pursuant to R.S.30:4-140 or credits for diligent application to work and other institutional assignments pursuant to R.S.30:4-92.

f. The commissioner shall report to the State Parole Board the academic progress of an inmate participating in the mandatory education program.

g. The commissioner may utilize digital technology and on-line education methods to meet the mandatory education requirement established by this section provided these alternate methods are documented to be as effective with inmate populations as live instruction.

h. The commissioner shall establish a schedule for the incremental implementation of the minimal educational standard required by this section. As hereinafter provided, the schedule shall consist of five foundation stages and shall provide for the full implementation of the minimal educational standard within five years of the effective date of this act.

(1) Stage One: The Prisoner Reentry Commission, established pursuant to section 10 of P.L.2009, c.329 (C.30:4-6.2), shall prepare a report outlining and assessing the availability of innovative technology, volunteer services and private sector resources the Department of Corrections may utilize to support and enhance in-prison education programs. In preparing
this report, the commission, in consultation with the Department of Corrections and the Department of Education, shall prepare an inventory of the in-house educational programs currently available to inmates, the curricula for those programs, and the educational materials utilized. The report shall be submitted to the Commissioner of Corrections and the Commissioner of Education, along with any recommendations the commission may have, not later than the first day of the 12th month following the effective date of P.L.2009, c.330 (C.30:4-92.1 et al.).

(2) Stage Two: Beginning in the 13th month following the effective date of P.L.2009, c.330 (C.30:4-92.1 et al.), the commissioner shall initiate a program designed to raise the literacy level of inmates scheduled for release within three years to a ninth grade level. The program shall utilize, to the greatest extent feasible, available technology, volunteer services and private sector resources.

(3) Stage Three: Beginning in the 25th month following the effective date of P.L.2009, c.330 (C.30:4-92.1 et al.), the commissioner shall initiate a program designed to raise the literacy level of inmates scheduled to be released within 10 years to a ninth grade level. The program shall utilize, to the greatest extent feasible, available technology, volunteer services and private sector resources.

(4) Stage Four: Beginning in the 48th month following the effective date of P.L.2009, c.330 (C.30:4-92.1 et al.), the commissioner shall initiate a program designed to raise the literacy level of inmates scheduled to be released within 10 years to a 12th grade level. The program shall utilize, to the greatest extent feasible, available technology, volunteer services and private sector resources.

(5) Stage Five: Beginning in the 60th month following the effective date of P.L.2009, c.330 (C.30:4-92.1 et al.), the commissioner shall initiate a program designed to raise the literacy level of all inmates to a 12th grade level. The program shall utilize, to the greatest extent feasible, available technology, volunteer services and private sector resources.

i. The commissioner, in consultation with the Commissioner of Education, shall promulgate, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) the rules and regulations that are necessary to implement the provisions of P.L.2009, c.330 (C.30:4-92.1 et al.). These rules and regulations shall include, but not be limited to, provisions to:

(1) determine when an inmate shall be exempted from the mandatory education program due to a medical, developmental, or learning disability as authorized under paragraph (3) of subsection c. of this section;
(2) authorize these exempted inmates to voluntarily participate in the mandatory education program; and
(3) offer and encourage these exempted inmates who possess the capability to participate in an alternate educational program.

C.30:4-92a Special credits.

3. In addition to credits received pursuant to R.S.30:4-92 and R.S.30:4-140, the commissioner also may award inmates special credits to provide further remission from time of sentence for achievements in education and workforce training.

4. R.S.30:4-127 is amended to read as follows:

Visitation of certain institutions; application to Superior Court judge.

30:4-127. a. An assignment judge of the Superior Court may grant, on a written application to him of a majority of the board of managers of the State Charities Aid Association of New Jersey, to such person as may be named in such application an order enabling such person to visit, inspect and examine, on behalf of such association, any of the county, town, township or city prisons, jails, penitentiaries, and reformatories, located within any of the counties of which he is the assignment judge. Every such order shall specify the institutions to be visited, inspected and examined, and the name of the person by whom the visitation, inspection and examination are to be made, and shall be in force for one year from the date on which it shall have been granted, unless sooner revoked.

b. A person convicted of a crime or offense in this State, or another state or jurisdiction, who has completed his sentence, and who seeks to visit persons incarcerated in a State correction facility for motivational purposes, but has been denied access to that facility, may apply to the Superior Court for an order granting access to that, or any other, State correctional facility. A copy of the written application shall be served on the Commissioner of Corrections at the same time it is filed with the court. A judge of the Superior Court may grant the relief requested in the application and issue an order granting the applicant access to the State correctional facility, or facilities, cited in the application; provided, the applicant successfully establishes that the visits are for motivational purposes and are likely to be beneficial to the rehabilitation of certain inmates incarcerated in that facility, or facilities, as the case may be, and if the commissioner provides no valid objections to the court identifying safety or security concerns associated with the applicant being granted access to a particular facility, or facilities.
CHAPTER 330, LAWS OF 2009

C.30:4-91.18 Establishment of mentoring program.

5. The Department of Corrections shall establish a program within each prison facility to provide for the mentoring of inmates who have been in the department’s custody for a continuous uninterrupted period of less than two years. The program shall utilize inmates who have been in the department’s custody for a continuous uninterrupted period of more than 10 years to provide the mentoring services, provided that such inmates have demonstrated to the commissioner and the supervisor of the facility wherein they are incarcerated that they can serve as positive role models to inmates being mentored pursuant to this section.

6. Section 12 of P.L.1979, c.441 (C.30:4-123.56) is amended to read as follows:

C.30:4-123.56 Schedule of future parole eligibility dates; statement of denial.

12. a. The board shall develop a schedule of future parole eligibility dates for adult inmates denied release at their eligibility date. In developing such schedule, particular emphasis shall be placed on the severity of the offense for which he was denied parole and on the characteristics of the offender, such as, but not limited to, the prior criminal record of the inmate and the need for continued incapacitation of the inmate, however, in no case shall any parole eligibility date scheduled pursuant to this subsection be more than three years following the date on which an inmate was denied release.

b. If the release on the eligibility date is denied, the board panel which conducted the hearing shall refer to the schedule published pursuant to subsection a., and include in its statement denying parole notice of the date of future parole consideration. If such date differs from the date otherwise established by the schedule, the board panel shall include particular reasons thereof, however, in no case shall such date be more than three years following the date on which the inmate was denied release. The future parole eligibility date shall not be altered to take into account remissions of sentence for good behavior and diligent application to work and other assignments; provided however, the future parole eligibility date may be altered pursuant to section 8 of P.L.1979, c. 441 (C.30:4-123.52).

c. An inmate shall be released on parole on the new parole eligibility date unless information filed pursuant to a procedure identical to that set forth in section 10 of P.L.1979, c.441 (C.30:4-123.54) indicates by a preponderance of the evidence that the inmate has failed to cooperate in his or her own rehabilitation or that there is a reasonable expectation that the inmate will violate conditions of parole imposed pursuant to section 15 of
CHAPTER 330, LAWS OF 2009

P.L.1979, c.441 (C.30:4-123.59) if released on parole at that time. The determination of whether the inmate shall be released on the new parole eligibility date shall be made pursuant to the procedure set forth in section 11 of P.L.1979, c.441 (C.30:4-123.55) and this section.

For the purposes of this subsection, "failed to cooperate in his or her own rehabilitation" shall include, in the case of an inmate who suffers from mental illness as defined in section 2 of P.L.1987, c.116 (C.30:4-27.2) that does not require institutionalization, that the inmate failed to fully participate in or cooperate with all prescribed treatment offered during incarceration.

7. Section 23 of P.L.1979, c.441 (C.30:4-123.67) is amended to read as follows:

C.30:4-123.67 Parole contract agreements resulting in reduction of term of parole.

23. a. The appropriate board panel and the Department of Corrections or the Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170) shall enter into formal parole contract agreements with officials of the board, officials of the Department of Corrections or the Juvenile Justice Commission and individual parolees or inmates reduced to writing and signed by all parties, which parole contract agreements stipulate individual programs of education, training, or other activity which shall result in a specified reduction of the parolee's parole term pursuant to section 22 of P.L.1979, c.441 (C.30:4-123.66) or the inmate's primary parole eligibility date pursuant to section 8 of P.L.1979, c.441 (C.30:4-123.52), upon such successful completion of the program. The formal parole contract agreements required under this subsection shall be entered into within two months of an inmate's admission to a correctional facility.

b. Any parolee or inmate shall be permitted to apply to the board for such an agreement. The board panel shall accept all such applications. The board panel shall approve any application consistent with eligibility requirements promulgated by the board pursuant to section 4 of P.L.1979, c.441 (C.30:4-123.48). The commission may, by regulation, specify eligibility requirements for agreements with juvenile parolees and inmates and the procedures for effecting such agreements and reviewing juveniles' application for such agreements.

c. Upon approval of the parolee or inmate's application, the board panel shall be responsible for specifying the components necessary for any such agreement. Upon acceptance of the agreement by the Department of Corrections or by the commission, by the board panel and by the parolee or
the inmate, the board panel shall reduce the agreement to writing and monitor compliance with the parole contract agreement at least once every 12 months. The parolee or inmate and the Department of Corrections or the Juvenile Justice Commission shall be given a copy of any such agreement.

d. Any such agreement shall be terminated by the board panel in the event the parolee or inmate fails to or refuses to satisfactorily complete each component of the agreement. The inmate or parolee shall be notified in writing of any such termination and the reasons therefor. Any such termination may be appealed to the full board pursuant to section 14 of P.L.1979, c.441 (C.30:4-123.58).

C.30:4-123.51d Early release under certain circumstances.

8. a. An inmate sentenced to a term of incarceration in a State correctional institution who (1) has declined to participate in the parole consideration hearing process or (2) has been denied parole release pursuant to the provisions of section 11 of P.L.1979, c.441 (C.30:4-123.55) shall, notwithstanding the provisions of section 12 of P.L.1979, c. 441 (C.30:4-123.56), be released on parole on a date which precedes the date on which the aggregate of the inmate’s court imposed term of incarceration is to end by six months; provided, however, that the early release authorized under the provisions of this subsection shall not apply to any inmate subject to a judicial or statutory mandatory minimum term of incarceration. An inmate subject to a mandatory minimum term of incarceration shall remain in the custody of the Commissioner of Corrections until the completion of that term.

b. In computing the date on which the inmate’s court imposed term of incarceration is to end, the calculations shall include any reductions for good behavior remitted to the inmate in accordance with the provisions of R.S.30:4-140 and credits for diligent application to work and other institutional assignments granted the inmate pursuant to R.S.30:4-92; provided, however, that commutation time for good behavior and credits for diligent application to work and other institutional assignments shall not be utilized to reduce any judicial or statutory mandatory minimum term of incarceration imposed on an inmate.

c. An inmate released on parole pursuant to subsection a. of this section shall, during the term of parole supervision, remain in the legal custody of the Commissioner of Corrections; be supervised by the Division of Parole of the State Parole Board; and be subject to the provisions and conditions established by the appropriate board panel in accordance with the procedures and standards set forth in section 15 of P.L.1979, c.441 (C.30:4-123.59). If the parolee violates a condition of parole, the parolee shall be
subject to the provisions of section 16 through section 19 of P.L.1979, c.441 (C.30:4-123.60 through C.30:4-123.63) and may have his parole revoked and be returned to custody. If revocation and return to custody are deemed appropriate, the appropriate board panel shall revoke the parolee’s release and return the parolee to custody and confinement for the remainder of his sentence.

d. An inmate released on parole pursuant to this section and whose parole is revoked shall not be credited for any time served during that period of parole and shall not be eligible for parole during the remainder of his sentence.

e. For the purpose of establishing a primary parole eligibility date pursuant to subsection h. of section 7 of P.L.1979, c.441 (C.30:4-123.51), the period of incarceration required to be served pursuant to subsections c. and d. of this section shall not be aggregated with a term of imprisonment imposed on the parolee for the commission of any offense.

f. The provisions of this section shall not apply to any inmate paroled pursuant to section 11 of P.L.1979, c.441 (C.30:4-123.55) and returned to custody upon the revocation of parole by the appropriate board panel pursuant to the provisions of section 16 through section 20 of P.L.1979, c.441 (C.30:4-123.60 through C.30:4-123.64).

g. The provisions of this section shall not apply to an inmate serving a sentence subject to the provisions of section 2 of P.L.1997, c.117 (C.2C:43-7.2) or a sentence imposed for the offense of aggravated sexual assault, sexual assault, aggravated criminal sexual contact, kidnapping pursuant to paragraph (2) of subsection c. of N.J.S.2C:13-1, endangering the welfare of a child by engaging in sexual conduct which would impair or debauch the morals of a child pursuant to subsection a. of N.J.S.2C:24-4, endangering the welfare of a child pursuant to paragraph (3) of subsection b. of N.J.S.2C:24-4, endangering the welfare of a child pursuant to paragraph (4) of subsection b. of N.J.S.2C:24-4, luring, or an attempt to commit any of these offenses.

h. The provisions of section 22 of P.L.1979, c.441 (C.30:4-123.66) shall not apply to an inmate released on parole pursuant to this section.

i. Written notice of the parole release of an inmate pursuant to this section shall be provided to the prosecutor of that inmate in accordance with the provisions of section 3 of P.L.1994, c.131 (C.30:4-6.1).

j. Except as otherwise provided, the provisions of this section shall apply to all inmates in the custody of the Commissioner of Corrections on and after the effective date of P.L.2009, c.330 (C.30:4-92.1 et al.). In the case of inmates in the custody of the commissioner on the effective date of
P.L.2009, c.330 (C.30:4-92.1 et al.), the Parole Board may postpone, for a period not to exceed six months, the application of P.L.2009, c.330 (C.30:4-92.1 et al.) in order to permit the board an opportunity to identify, investigate and process the development and establishment of specific policies and plans, including the availability of treatment services, if deemed appropriate, for inmates eligible for release under P.L.2009, c.330 (C.30:4-92.1 et al.).

k. In accordance with the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), the Parole Board shall promulgate rules and regulations necessary to effectuate the purposes of this act.

9. The Commissioner of Corrections shall certify on a monthly basis to the Director of the Division of Budget and Accounting that all available Residential Community Release Program beds in the State of New Jersey are filled to contract capacity with eligible State inmates who are within 18 to 24 months of release, pursuant to the eligibility requirements for community release programs provided under the administrative code, prior to the incarceration of any inmate in any county penal facility.

C.30:4-91.20 Inventory, review of vocational training programs.

10. The Commissioner of Corrections, in collaboration with the Commissioner of Labor and Workforce Development, biennially shall inventory and review the various vocational training programs offered to inmates in the State’s adult correctional facilities to ensure that:

a. Each inmate vocational training program is attuned to actual post-release employment opportunities and reflects current industry and business workforce needs; and

b. The inmate vocational training programs meet the same curricula standards as the current standards of programs at private and public vocational training institutions, and earn the inmates who successfully complete inmate vocational training programs comparable certifications or certificates of achievement to those issued by programs at private and public vocational training institutions.

C.30:4-91.21 Actions relative to revising, terminating inmate vocational training program.

11. If the Commissioner of Corrections and Commissioner of Labor and Workforce Development determine that an inmate vocational training program is not attuned to actual post-release employment opportunities or does not reflect current industry and business workforce needs, or that an
inmate vocational training program does not meet the same current curricula standards of programs at private and public vocational training institutions or earn inmates who successfully complete an inmate vocational training program comparable certifications or certificates of achievement to those issued by private and public vocational training institutions, the commissioners, in concert, shall:

a. Revise the affected inmate vocational training program to reflect post-release employment opportunities, adjust to changes in industry and business workforce needs, or award inmates who successfully complete the program comparable certifications or certificates of achievement; or

b. Terminate the affected inmate vocational training program and direct the inmates participating in that program to alternative inmate vocational training programs.

12. Section 3 of this act shall take effect immediately; section 8 of this act shall take effect on the first day of the fourth month following enactment; sections 1, 2, 5, 6, 7, 9, 10, and 11 of this act shall take effect on the first day of the seventh month after enactment; section 4 shall take effect on the first day of the 13th month following enactment. The Commissioner of Corrections, the Commissioner of Education, and the Commissioner of Labor and Workforce Development, and the State Parole Board may take any anticipatory action prior to the effective date necessary to implement the provisions of this act.

Approved January 18, 2010.

AN ACT concerning motor vehicle equipment and inspections, revising various parts of the statutory law, and supplementing Title 39 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:3-70 is amended to read as follows:

Mufflers.

39:3-70. Every motor vehicle having a combustion motor shall at all times be equipped with a muffler in good working order and in constant op-

2. Any person who operates a motor vehicle or owns a motor vehicle,
other than a school bus, which the person permits to idle in violation of
rules and regulations, or to be operated upon the public highways of the
State when the motor vehicle is emitting smoke or other air contaminants in
excess of standards adopted by the Department of Environmental Protec­

cance with the provisions of chapter 5 of Title 39 of the Revised Statutes
and P.L.2005, c.219 (C.26:2C-8.26 et al.).

The owner of any school bus that is operated or is permitted to idle in
violation of rules and regulations adopted pursuant to the Department of En­
vironmental Protection pursuant to the "Air Pollution Control Act (1954),"
P.L.1954, c.212 (C.26:2C-1 et seq.) or any applicable rules and regulations
adopted pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.) shall be liable for
a penalty of not less than $250 nor more than $1,000 per day, per vehicle,
which shall be enforced in accordance with the provisions of chapter 5 of
Title 39 of the Revised Statutes, except that no penalty may be assessed
against any driver of a school bus who is not the owner of the school bus.

The provisions of this section shall not apply to a motor vehicle idling
in traffic, or a motor vehicle other than a school bus idling in a queue of
motor vehicles, that are intermittently motionless and moving because the
progress of the motor vehicles in the traffic or the queue has been stopped
or slowed by the congestion of traffic on the roadway or other conditions
over which the driver of the idling motor vehicle has no control.

3. Section 4 of P.L.1999, c.5 (C.39:3B-21) is amended to read as
follows:

C.39:3B-21 Establishment of school bus enhanced safety inspection program.

4. a. The chief administrator shall establish a school bus enhanced
safety inspection program which shall include, but not be limited to, the
following elements:
(1) an in-terminal school bus inspection program which provides for the semi-annual or annual inspection of school buses by commission inspectors;

(2) standards and requirements pertaining to the equipment, maintenance, and repair of school buses subject to inspection pursuant to this act; all in-terminal inspections, including those involving diesel vehicles, shall include an emission inspection to determine whether that vehicle meets the State's emission specifications and standards;

(3) standards and requirements pertaining to the establishment and maintenance of school bus maintenance, repair, and inspection records for all school buses in the operator's fleet; and

(4) standards and requirements pertaining to the establishment and maintenance of driver employment records, including records which demonstrate a driver's compliance with all statutory and regulatory requirements for authorization to operate a school bus, and any other records and credentials deemed necessary by the chief administrator for school bus drivers employed by the operator. The records shall be made available to commission inspectors during each in-terminal inspection.

b. If an operator does not have adequate terminal facilities to allow for a proper and thorough in-terminal inspection, the chief administrator shall designate an in-lieu-of terminal site and direct the operator to present his buses and records to that site for inspection on such terms and conditions as determined by the chief administrator.

c. The time and location of any inspection or reinspection conducted pursuant to this section shall be determined by the chief administrator. Unless an owner agrees to a different time schedule, the chief administrator shall schedule a reinspection within three days of the date of the inspection that necessitated the reinspection.

4. R.S.39:8-1 is amended to read as follows:

**Motor vehicle inspections, exceptions.**

39:8-1. a. Every motor vehicle registered in this State which is used over any public road, street, or highway or any public or quasi-public property in this State, and every vehicle subject to enhanced inspection and maintenance programs pursuant to 40 C.F.R. s.51.356, except historic motor vehicles registered as such, collector motor vehicles designated as such pursuant to this subsection, and those vehicles over 8,500 pounds gross weight that are under the inspection jurisdiction of the commission pursuant to Titles 27 and 48 (as amended by this legislation) of the Revised Stat-
utes, shall be inspected by designated inspectors or at official inspection facilities to be designated by the commission or at licensed private inspection facilities. The commission shall adopt rules and regulations establishing a procedure for the designation of motor vehicles as collector motor vehicles, which designation shall include consideration by the commission of one or more of the following factors: the age of the vehicle, the number of such vehicles originally manufactured, the number of such vehicles that are currently in use, the total number of miles the vehicle has been driven, the number of miles the vehicle has been driven during the previous year or other period of time determined by the commission, and whether the vehicle has a collector classification for insurance purposes.

b. The commission shall determine the official inspection facility or private inspection facility at which a motor vehicle, depending upon its characteristics, shall be inspected. The commission, with the concurrence of the Department of Environmental Protection, may exclude by regulation from this inspection requirement any category of motor vehicle if good cause for such exclusion exists, unless the exclusion is likely to prevent this State from meeting the applicable performance standard established by the United States Environmental Protection Agency. The commission may determine that a vehicle is in compliance with the inspection requirements of this section if the vehicle has been inspected and passed under a similar inspection program of another state, district, or territory of the United States.

5. R.S.39:8-2 is amended to read as follows:

Inspectors of motor vehicles; rules, regulations.

39:8-2. a. The commission may designate and appoint, subject to existing laws, competent inspectors of motor vehicles to conduct examinations, other than the periodic inspections required pursuant to subsection b. of this section, of motor vehicles required to be inspected in accordance with the provisions of this chapter. The inspectors may be delegated to enforce the provisions of the motor vehicle and traffic law.

b. (1) The commission shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations consistent with P.L.1966, c.16 (C.26:2C-8.1 et seq.) and with the requirements of the federal Clean Air Act with respect to the type and character of the inspections to be made, the facility at which the vehicle shall be inspected, the frequency of inspections of motor vehicles and the approval or rejection of motor vehicles as a result of these inspections. These rules and regulations shall require the use of inspection tests that are designed to meet
the enhanced inspection and maintenance requirements of the federal Clean Air Act and that have been proven to be feasible and effective for the inspection of large numbers of motor vehicles, except that these tests shall not include the "I/M 240" test. Nothing in this subsection shall preclude the use of the "I/M 240" test in sampling for performance evaluations only or the use of the test at the option of a private inspection facility. The rules and regulations may distinguish between vehicles based on model year, type, or other vehicle characteristics in order to facilitate inspections or to comply with the federal Clean Air Act.

(2) The Department of Environmental Protection and the commission shall investigate advanced testing technologies, including but not limited to remote sensing and onboard diagnostics, and shall, to the extent permitted by law, pursue the use of such technologies, other than the "I/M 240" test, in motor vehicle emission inspections required by the United States Environmental Protection Agency pursuant to the federal Clean Air Act. The commission shall adopt, to the extent practicable, advanced technologies to facilitate the retrieval of testing and other information concerning motor vehicles, which technologies shall include but not be limited to the use of computer bar codes and personal cards containing encoded information, such as a person's operating license, motor vehicle registration, and motor vehicle insurance, the inspection status of a motor vehicle, and mass transit fares, that can be accessed quickly by a computer.

c. Except as modified by the commission to distribute evenly the volume of inspections, all motor vehicles required by the commission, in accordance with the provisions of R.S.39:8-1, to be inspected under this chapter shall be inspected biennially, except that:

(i) after certification by the commission of the federal approval by the Environmental Protection Agency of the State waiver request, model year 2004 and newer motor vehicles shall be inspected no later than four years from the last day of the month in which they were initially registered and thereafter biennially. Motor vehicles four model years old or newer, purchased in a foreign jurisdiction, and to be registered in this State, shall receive a temporary inspection certificate of approval. Motor vehicles four model years old or newer, purchased in a foreign jurisdiction, shall be subject to inspection not later than four years from the last day of the last calendar month of the model year of the vehicle, and thereafter, inspected biennially. Whenever a used motor vehicle four model years old or newer is purchased in this or any other state which has an unexpired New Jersey inspection certificate of approval and is initially registered by the purchaser in this State, the New Jersey inspection certificate of approval displayed on
the windshield shall be valid for the remaining time indicated on the inspection certificate of approval. Upon expiration of the inspection certificate of approval, such vehicle shall be subject to inspection and inspected biennially thereafter; and

(ii) classes of vehicles that require more frequent inspections, such as school buses, shall be inspected at such shorter intervals as may be established by the commission after consultation with the Department of Environmental Protection. At any time, the commission may require the owner, lessee, or operator of a motor vehicle to submit the vehicle for inspection.

d. The commission shall furnish to designated inspectors or to other persons authorized to conduct inspections or to grant waivers official certificates of approval, rejection stickers or waiver certificates, the form, content and use of which it shall establish. The certificates of approval, rejection stickers and waiver certificates shall be of a type, such as a windshield sticker or license plate decal, that can be attached to the vehicle or license plate in a location that is readily visible to anyone viewing the vehicle. If a certificate of approval cannot be issued, the driver shall be provided with a written inspection report describing the reasons for rejection and, if appropriate, the repairs needed or likely to be needed to bring the vehicle into compliance with applicable standards.

e. The commission may, with the approval of the State House Commission, purchase, lease or acquire by the exercise of the power of eminent domain any property for the purpose of assisting it in carrying out the provisions of this chapter. This property may also be used by the commission for the exercise of the duties and powers conferred upon it by the other chapters of this Title.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that all members of the public should be afforded the opportunity to benefit from the federal economic recovery funds provided through the American Recovery and Reinvestment Act of 2009 and associated State spending, and every public contract, whether for construction services, goods, or other services, should provide equal employment opportunities for women and minorities.

2. For the purposes of this act, P.L.2009, c.335 (C.52:40-1 et seq.):
   "ARRA" means the federal American Recovery and Reinvestment Act of 2009; and
   "Reporting agencies" means the State entities whose performance is monitored by the Division of Public Contracts Equal Employment Opportunity Compliance in the Department of the Treasury.

C.52:40-3  Meetings.

3. The Commissioners of the Departments of Community Affairs, Education, Environmental Protection, and Transportation, or their designees; the President of the Board of Public Utilities, or a designee; and the Chief Executive Officers of the Schools Development Authority and the Economic Development Authority, or their designees, shall meet with representatives of the Governor's office, the Department of the Treasury, and the United States Department of Labor's Office of Federal Contract Compliance Programs to ensure that those departments receiving the bulk of federal economic recovery funds provide the United States Department of Labor's Office of Federal Contract Compliance Programs their complete cooperation in complying with its mandates.

C.52:40-4  Determination of fair employment opportunities for minorities and women.

4. The Division of Public Contracts Equal Employment Opportunity Compliance in the Department of the Treasury shall be the entity within the Executive Branch responsible for determining whether minorities and women have been offered a fair opportunity for employment on State contracts. Executive Branch departments and agencies, independent authorities, and State colleges and universities are directed to cooperate fully with the Division of Public Contracts Equal Employment Opportunity Compliance's enforcement efforts, consistent with law, and to award public contracts only
to those businesses that agree to comply with equal employment opportunity and affirmative action requirements.

C.52:40-5 Cooperation.

C.52:40-6 Determination of compliance.

6. When not restricted by any other State or federal law, the Division of Public Contracts Equal Employment Opportunity Compliance shall determine whether each of the State entities whose performance it monitors have properly allocated and released to the Department of Labor and Workforce Development, as authorized by law, one-half of one percent of the total cost of a construction contract of $1,000,000 or more, to be used by the department for the New Jersey Builders Utilization Initiative for Labor Diversity program to train minorities and women for employment in construction trades. This provision shall apply to those construction contracts when the funding for the contract consists entirely of appropriated funds or a combination of funds from appropriated funds and other sources.

   a. Posting shall not be required when the employer intends to fill the job opening with a present employee, a laid-off former employee, or a job candidate from a previous recruitment, when pre-existing, legally binding collective bargaining agreements provide otherwise, or when an exception has been granted to the reporting agency by the Department of Labor and Workforce Development.

   b. Nothing in this act, P.L.2009, c.335 (C.52:40-1 et seq.), shall be interpreted to require the employment of apprentices if such employment may result in the displacement of journey workers employed by any employer, contractor or subcontractor.

The chief operating officer shall serve at the pleasure of the Governor. The chief operating officer shall be qualified by training and experience for the position and shall have at least 10 years of experience in the management or supervision of government activities, three years of which may be substituted by an advanced degree in business, law, or public administration.

b. Pending the appointment of a chief operating officer or, in the event of the death, resignation, removal or inability of the chief operating officer to discharge the duties of that office, the functions, powers and duties of the chief operating officer shall devolve upon the director, for the time being, until a chief operating officer is appointed or is able to discharge the duties of that office. In the event that the chief operating officer does not serve out the chief operating officer's term of office for any reason, a successor shall be chosen by the Governor.

c. (1) The term of the chief operating officer shall terminate five years following the assumption of duties on the part of the initial chief operating officer first appointed pursuant to P.L.2002, c.43 (C.52:27BBB-1 et al.), or 10 years thereafter, except as provided under paragraph (2) of this subsection, if the fourth-year report required by section 8 of P.L.2002, c.43 (C.52:27BBB-8) recommends an extension of that term, provided that the extension is approved by the Commissioner of Community Affairs. The
chief operating officer may be hired as a State employee in the unclassified service of Title 11A, Civil Service, of the New Jersey Statutes or may be hired under contract, as provided hereunder. Notwithstanding any other provision of law, no person so appointed shall acquire tenure.

If the chief operating officer is hired under contract, the person hired shall meet the qualifications set forth herein, and it shall be clear from the contract that the position is full-time and that the job site shall be at the principal offices of the municipality. The salary level and benefits shall be comparable to that of the director of any public authority or agency with jurisdiction in the qualified municipality. The salary, benefits, and costs of the chief operating officer shall be an expense of the State and paid through the Department of the Treasury.

4. Section 8 of P.L.2002, c.43 (C.52:27BBB-8) is amended to read as follows:

The report shall evaluate progress made in rehabilitating the qualified municipality and the status of economic recovery efforts. The report shall include an enumeration of any problems or hurdles encountered in rehabilitation and economic recovery and, where applicable, recommen-

If the chief operating officer anticipates that the rehabilitation term will be insufficient to achieve rehabilitation goals, the chief operating officer shall include in the report a detailed analysis of the causes for the municipality's inability to reestablish local control and an assessment of the amount of time necessary for the continuation of the period of the rehabilitation term.

In addition to the foregoing, the report shall include detailed information as to how those funds appropriated pursuant to P.L.2002, c.43 (C.52:27BBB-1 et al.) are being spent and how those expenditures are serving to promote the economic revitalization of the qualified municipality.

b. Within 30 days of receipt of the report by members of the Legislature, a hearing shall be held by the Senate Community and Urban Affairs Committee and the Assembly Housing and Local Government Committee, or their successors, to provide an opportunity for public comment and discussion.

As used in this section, "incentive payment" shall mean a lump sum payment of 20 percent of the employee's annual base salary, exclusive of overtime.

An employee shall only be eligible for an incentive payment pursuant to this section if that person applies for this termination benefit within 60 days of the appointment of the chief operating officer during the rehabilitation term, or within the first 60 days of the economic recovery term. Payment shall be made not sooner than upon the receipt of the first pension check by the municipal employee.

This election to retire on the part of the municipal employee shall be communicated by the member to the retirement system pursuant to Title 43 of the Revised Statutes; however, once the employee has elected to retire, that decision shall be final.
6. Section 23 of P.L.2002, c.43 (C.52:27BBB-23) is amended to read as follows:

C.52:27BBB-23 Approval, veto of ordinance, resolution.

Any veto action by the chief operating officer or mayor shall be submitted to the governing body within 10 days of the veto. Within five business days thereafter, the governing body may override the veto by a two-thirds vote of the fully authorized membership thereof.

(b) If, in the opinion of the chief operating officer, the action is contrary to the rehabilitation or economic recovery goals which justified the rehabilitation declaration, the chief operating officer can submit the action to the special arbitrator, who shall allow the action only upon a finding that the action is consistent with the rehabilitation and economic recovery of the qualified municipality. The decision of the special arbitrator shall not be subject to appeal.

(2) During the economic recovery term, in addition to the normal procedures for adopting resolutions and ordinances set forth in the form of government of the qualified municipality, within three business days following each meeting of the governing body, a copy of each ordinance and resolution which has been adopted by the governing body shall be forwarded to the Commissioner of Community Affairs, who shall have 10 days from the receipt thereof to veto the ordinance or resolution, as the case may be. Any veto action by the commissioner shall be submitted to the governing body within 10 days of the veto. Within five business days thereafter, the governing body may override the veto by a two-thirds vote of the fully authorized membership thereof. The action by the commissioner regarding an ordinance pursuant to this paragraph shall supersede any action by the mayor on that same ordinance.

b. The chief operating officer shall have full access to all municipal records and to municipal information from all officials and employees of the municipality. If the chief operating officer believes that an official or employee of the municipality is not answering the questions of the chief operating officer accurately or completely or is not furnishing information requested by the chief operating officer, the chief operating officer may notify the official or employee in writing to furnish answers to questions or to
furnish documents or records, or both. If the official or employee refuses, the chief operating officer may seek a subpoena in the Superior Court, in a summary manner, to compel testimony and furnish records and documents.

7. Section 27 of P.L.2002, c.43 (C.52:27BBB-27) is amended to read as follows:

During the rehabilitation term, the chief operating officer shall not increase the municipal portion of the general tax rate over the rate established for the year during which the rehabilitation took effect. During the economic recovery term, the governing body of the qualified municipality may only increase the municipal tax levy by three percent per year, notwithstanding the spending limitations set forth in P.L.1976, c.68 (C.40A:4-45.1 et seq.) and the limitations on increases to the tax levy pursuant to sections 9 through 13 of P.L.2007, c.62 (C.40A:4-45.44 through C.40A:4-45.47 and C.40A:4-45.3e), except upon application by the mayor of the qualified municipality to the Local Finance Board for authorization.

b. The chief operating officer shall, in consultation with the mayor, annually prepare a budget pursuant to the provisions of the "Local Budget Law," N.J.S.40A:4-1 et seq. This budget shall conform in all respects with the requirements of the "Local Budget Law," N.J.S.40A:4-1 et seq. and shall be subject to the limitations on spending by municipalities set forth in P.L.1976, c.68 (C.40A:4-45.1 et seq.). The Local Finance Board may grant exceptions to the spending limitations set forth in P.L.1976, c.68 (C.40A:4-45.1 et seq.) upon application by the chief operating officer, if the Local Finance Board finds such exceptions to be necessary for the rehabilitation of the municipality.

c. Upon the preparation of the budget during the rehabilitation term, the chief operating officer, in consultation with the mayor, shall fix: a date, place and time for the holding of a public hearing upon the budget; the amounts of money necessary to be appropriated for the use of the municipality for the ensuing year; and the various items and purposes for which the same are to be appropriated. The hearing shall be held in accordance with the provisions of the "Local Budget Law," N.J.S.40A:4-1 et seq.; however, the hearing shall be held at least 28 days after the date on which the budget is advertised. Notice of hearing, contents of the notice and the format and purpose of the hearing shall be as provided in that law. As part of the budget request, the chief operating officer may include provision for anticipation of rehabilitation aid if other revenues are insufficient to meet the revenues needed to offset total appropriations.
d. Following the hearing or hearings on the budget pursuant to sub-section c. of this section, the governing body shall vote upon the proposed budget. Failure to adopt the budget shall be communicated to the chief operating officer along with the reasons for each line item that is rejected. If the chief operating officer does not approve those alternatives proposed by the governing body, any disputed line item shall be considered an impasse and subject to the dispute resolution process set forth in section 5 of P.L.2002, c.43 (C.52:27BBB-5).

e. If the budget proposed by the chief operating officer includes a provision for rehabilitation aid, the chief operating officer shall apply to the director for approval of the amount and shall supply the director with documentation justifying the need. The director shall then recommend an amount to the State Treasurer. The treasurer, after consideration of the recommendation, shall determine the amount of the rehabilitation aid to be requested.

f. During the period that the municipality is under rehabilitation and economic recovery, the commissioner shall ensure that those appropriations in the municipal budget necessary for the improvement of internal audit mechanisms and controls are present on an annual basis.

JOINT RESOLUTION DESIGNATING THE MONTH OF MARCH AS "PRESCRIPTION DRUG ABUSE AWARENESS MONTH" IN NEW JERSEY

WHEREAS, According to the National Center on Addiction and Substance Abuse at Columbia University (CASA), the number of persons in the United States who abused controlled prescription drugs nearly doubled from 1992 to 2003, from 7.8 million to 15.1 million, and such abuse among teenagers in the United States more than tripled over that time period; and

WHEREAS, The 15.1 million persons who abused controlled prescription drugs exceeds the combined number of those abusing cocaine (5.9 million), hallucinogens (4.0 million), inhalants (2.1 million) and heroin (0.3 million); and

WHEREAS, CASA also reports that, from 1992 to 2003, while the population of the United States increased 14%, the number of adults 18 years of age and older who were abusing controlled prescription drugs climbed 81%, and the number of youths 12 to 17 years of age who were abusing such drugs jumped 212%; and

WHEREAS, CASA's analysis of emergency room data confirms the sharp increase in abuse of controlled prescription drugs and the consequences from such use; in 2002, controlled prescription drugs were implicated in 29.9% of drug-related emergency room deaths and in at least 23% of drug-related admissions to emergency departments; and

WHEREAS, According to a 2005 study conducted by the Partnership for a Drug-Free America about drug abuse among teenagers, abuse of controlled prescription drugs is now so prevalent that it is "normalized" among teenagers, and nearly one in five teenagers, (19% or 4.5 million) report having abused prescription drugs to get high; and

WHEREAS, The Substance Abuse and Mental Health Services Administration in the United States Department of Health and Human Services reports that in 2004, 283,000 of New Jerseyans 12 years of age or older abused nonmedical pain reliever drugs, such as Vicodin, Oxycontin, Oxycodone, and Codeine; of these users, 45,000 were youths 12 to 17 years of age, 91,000 were young adults 18 to 25 years of age, and 147,000 were adults 26 years of age or older; and

WHEREAS, Because youths see controlled prescription drugs in their own families' medicine cabinets, these drugs are more accessible to them than street drugs; and since controlled prescription drugs are in their...
medicine cabinets, youths perceive these familiar drugs as safe to use and feel more comfortable abusing these “safer” prescription drugs than street drugs; and

WHEREAS, The ease of unregulated purchasing of controlled prescription drugs over the Internet, with just a credit card and no prescription, and the opportunity to obtain controlled prescription drugs from their families’ medicine cabinets have increased the availability of drugs to youths; and

WHEREAS, It is in the public interest for the State to educate and raise awareness among the general public, youths, and especially parents, about the dangers of abusing controlled prescription drugs; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

C.36:2-124 “Prescription Drug Abuse Awareness Month,” March; designated.
1. The month of March of each year is designated as “Prescription Drug Abuse Awareness Month” in New Jersey.

C.36:2-125 Annual observance.
2. The Governor shall annually issue a proclamation calling upon public officials and the citizens of the State to observe the month of March of each year with appropriate activities and programs.

3. This joint resolution shall take effect immediately.

Approved March 21, 2009.
WHEREAS, Primary tumors are tumors that begin in the brain and tend to stay in the brain; and metastatic brain tumors begin as a cancer elsewhere in the body and spread, or metastasize, to the brain; and
WHEREAS, The most common kinds of cancer that metastasize to the brain are lung and breast cancer; and
WHEREAS, The precise cause of different kinds of brain tumors is unknown, but certain factors may increase the likelihood of developing a brain tumor; and
WHEREAS, Brain tumors can occur at any age, but studies show that they are most common among children from three to 12 years of age, and adults from 40 to 70 years of age; and
WHEREAS, Studies indicate that some types of brain tumors are more frequent among workers in certain industries, such as oil refining and rubber manufacturing; and some studies have found that chemists and embalmers have a higher incidence of brain tumors; and
WHEREAS, Scientists do not believe that head injuries cause brain tumors to develop; and
WHEREAS, Improvements in childhood cancer survival rates have been made as a result of clinical trials, with more than one half of children diagnosed with brain tumors surviving five years from diagnosis; and, in some subgroups of patients, an even higher rate of survival and cure is possible; and
WHEREAS, Despite the efforts of some of the world's finest researchers to develop better therapies, individuals who are diagnosed with brain tumors still do not have adequate treatment choices; and, in fact, the outlook for brain tumor patients has not improved significantly in the last 20 years; and
WHEREAS, Because various organizations nationwide join together to promote public awareness about brain tumors during the first full week in May, which is designated as national "Brain Tumor Action Week," it is appropriate for this State to designate the month of May as "Brain Tumor Awareness Month" in New Jersey in order to coincide with the national observance; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

WHEREAS, on June 30, 2008, I signed Executive Order No. 103 (2008), creating a mechanism to help eliminate the longstanding, bipartisan practice of relying upon non-recurring revenues to fund recurring expenses of State government; and
WHEREAS, this administration, working cooperatively with the Legislature, has made unprecedented progress in curbing State expenditures, actually cutting the State budget, and reducing the State’s reliance on non-recurring sources of revenue to fund recurring State expenses; and
WHEREAS, from the outset of the administration, I have emphasized as one of my highest priorities that recurring revenues should meet or exceed recurring expenses; and
WHEREAS, during this period of fiscal and economic crisis, it is not only prudent, but imperative, that the State’s finances be managed responsibly; and
WHEREAS, as Governor, I have a responsibility to ensure a balanced budget, manage the operations of State Government effectively and efficiently, and maintain necessary government programs and assistance to the public; and

WHEREAS, State legislation already has been enacted to amend New Jersey’s Fiscal Year 2009 appropriations law, in compliance with constitutional mandates, to offset the shortfalls in State revenues experienced to date during the fiscal year; and
WHEREAS, such shortfalls compromise the State’s ability to continue performing the core functions of government during the current economic crisis and to address the immediate needs of residents; and
WHEREAS, in order to continue to provide important and essential services and maintain a balanced budget, it is unavoidable to propose certain temporary revenue enhancing measures, in addition to available federal stimulus funds, which would not be "recurring" revenues under Executive Order No. 103 (2008); and
WHEREAS, in light of the magnitude of the ongoing economic crisis, it is appropriate to make a temporary adjustment to Executive Order No. 103 (2008);

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

EXECUTIVE ORDER NO. 140

WHEREAS, The State of New Jersey has been endowed by nature with extraordi­
nary and diverse ecosystems; ranging from the Highlands to the Shore; from the
Delaware and New York Bays to the Hudson, Delaware, Passaic, and Raritan
rivers; from the dunes and grasslands on the Atlantic to the Pinelands; from flat­
lands and marshes to forests and mountains; from rich soils to pristine ponds,
lakes, and aquifers; and
WHEREAS, Partially as a result of this diversity, the State is the most densely
populated in the Nation, with its population able to enjoy natural settings of
enormous beauty and ecosystems of great variety; and
WHEREAS, Since colonial times, the richness of the State’s natural heritage has
allowed the State to flourish and created abundant opportunities for agriculture,
trade, and commerce, and the growth of business has attracted more residents
and reinforced the development of business within the State, which in turn at­
tracted more residents, and this dynamic, with the Nation’s technological devel-
opment, eventually brought heavy industry as well as large numbers of manufacturing, chemical, and refining enterprises to the State; and

WHEREAS, For decades, these industries have contributed to the State’s growth and prosperity, providing jobs and enriching living standards for all, yet many of these same enterprises have released pollution into the State’s air, soil, surface and ground water, and these by-products of industrial production have damaged numerous natural resources, threatened human health and safety, and degraded our environment; and

WHEREAS, Our economic prosperity and, as science has shown, our existence as a species depend on responsible stewardship of our environment and protecting our varied ecosystems from pollution and other harmful by-products of industrial production; and

WHEREAS, For more than three decades, the State has made extraordinary efforts to reduce or eliminate the health and safety impact of pollution on humans, especially children and other sensitive populations, and halt the impact of pollution on the State’s ecosystems, its natural resources, its soils, and waters, particularly through its Site Remediation Program that oversees the clean-up of sites where a hazardous substance has been discharged; and

WHEREAS, There are more than 19,000 sites in the Site Remediation Program with more being added daily, and given resource limitations, the Program has had difficulty in evaluating the sites, moving them quickly through the clean-up process, and verifying that the work was done appropriately; and

WHEREAS, Almost three years ago, the New Jersey Department of Environmental Protection (DEP) began to work with all interested entities, from members of the State Legislature to environmental advocacy groups to consultants and persons responsible for conducting site clean-ups to include more sites in the clean-up program, improve the speed of site clean-ups, reduce the chance that any site-based pollution would damage human health, compromise safety of workers or eventual residents, threaten natural resources, including bodies of water, drinking water, and aquifers; and the environment; and

WHEREAS, Participants in those same meetings also resolved to expand DEP’s legal authority to address site-based pollution; and

WHEREAS, As the culmination of that inclusive process, both houses of the Legislature passed the Assembly Committee Substitute for Assembly Bill No. 2962, a lengthy and complex bill, which establishes a licensing program for site remediation professionals and makes various other changes to the statutes governing the remediation of polluted sites (the Legislation); and

WHEREAS, The Legislation moves the DEP from direct supervision of the clean-up of polluted sites to a compliance and enforcement and monitoring role of independent professionals conducting such work; and

WHEREAS, Among its other provisions, the Legislation establishes the Site Remediation Professional Licensing Board (the Board), requires the DEP to inspect all documents and information submitted by an LSRP, authorizes the DEP to review the performance of a clean-up under a broad range of circumstances,
and mandates that the DEP shall undertake direct oversight of a contaminated site under certain conditions and authorizes, but does not require the DEP to undertake that direct oversight under other conditions; and

WHEREAS, The DEP will promulgate rules to implement the Legislation, and given the complexity and range of issues, it would be helpful for those affected by the Legislation to have a sense of the direction of how the DEP and the Office of the Governor will work together to implement it;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. At sites where groundwater has been impacted by pollutants above remediation standards, or where the site may be used as residential housing, or for educational purposes, including use as a child care or day care center, a public, private, or charter school, or a playground or ball field, the DEP shall increase its auditing, monitoring, and review of conditions at the site, including the performance of on-site inspections, and its inspection of the LSRP’s submissions to ensure that public health, safety, and the environment are protected as the Site Remediation Program transitions to a compliance and enforcement role.

2. Within 60 days of this Order, the DEP shall develop guidelines governing the circumstances in which it is authorized to undertake direct oversight of a remediation of a contaminated site, as set forth in section 27.b of the Legislation.

3. During the 24 months immediately following the effective date of the Legislation, the DEP’s review of 10% of all documents submitted by LSRPs shall include at least one review of case documents submitted by every LSRP.

4. The DEP shall prepare annual reports on the implementation of the Legislation to the Governor, the Senate Environment Committee, and the Assembly Environment and Solid Waste Committee. The first report shall be due on or before December 31, 2010, and the remaining reports shall be due on or before December 31 of each following year.

5. The DEP shall issue technical assistance grants to a minimum of five local community environmental groups per year during the temporary phase of the LSRP program to evaluate remediation methods or interpret the work of temporary LSRPs.

6. To further the transparency of the operations of the Site Remediation Program, as soon as an internet site with document posting capability is established, the DEP shall post on such site every document submitted by an LSRP in connection with a contaminated site as well as all audit findings within 60 days of their being finalized.

7. The DEP shall work with the Governor’s Appointments Office to locate persons of the highest professional caliber to serve as members of the Board. In addition to the qualifications set forth in the Legislation, the Appointments Office shall make every reasonable effort to ensure that one appointee to the Board shall have expertise in public health, and another appointee shall be a hydrologist, pro-

1. The flag of the United States of America and the flag of the State of New Jersey shall be flown at half-staff at all State departments, offices, agencies, and instrumentalities during appropriate hours on Tuesday, August 18, 2009, in recognition and mourning of the passing of Justice Sidney M. Schreiber.
2. This Order shall take effect immediately.

EXECUTIVE ORDER NO. 150

WHEREAS, Pursuant to P.L. 2006, c. 44, the New Jersey State Sales and Use Tax rate was increased from 6% to 7% statewide; and
WHEREAS, In November 2006, the New Jersey voters approved an amendment to Article VIII, section I, paragraph 7 of the New Jersey State Constitution (the "Constitutional Amendment") providing relief for property taxpayers by dedicating an amount equal to the annual revenue derived from a tax rate of 0.5% imposed under the Sales and Use Tax to the Property Tax Reform Account (the "Dedicated Revenues"); and

WHEREAS, The Constitutional Amendment specifically provides that there shall be annually credited from the General Fund and placed in a special account in the perpetual Property Tax Relief Fund an amount equal to the Dedicated Revenues, which amount shall be appropriated annually by the Legislature exclusively for the purpose of property tax reform; and

WHEREAS, The New Jersey Urban Enterprise Zones Act, P.L. 1983, c.303, as amended (the "UEZ Act"), provides for the deposit of certain Sales and Use Tax revenues in the UEZ assistance fund (the "UEZ Fund") based on a prescribed schedule set forth in the UEZ Act, for the purpose of assisting qualifying municipalities in which UEZs are designated in undertaking public improvements, economic development projects, and in upgrading eligible municipal services within designated UEZs; and

WHEREAS, UEZs represent an important part of the overall job-creation and economic development plan for the State of New Jersey, and monies from the UEZ Fund help to offset pressure on property taxation in host municipalities; and

WHEREAS, The aforesaid constitutional dedication of an amount equal to the annual revenue derived from a Sales and Use Tax rate of 0.5% to the Property Tax Reform Account does not exempt Sales and Use Tax revenues collected in UEZs, but rather encompasses all revenues derived from the Sales and Use Tax Statewide; and

WHEREAS, Prior to Fiscal Year 2010, the full amount of the Sales and Use Tax revenues collected in the UEZs was credited to the UEZ Fund; and

WHEREAS, In June 2009, it was agreed that, with respect to the time period from 2006 through the end of Fiscal Year 2009, consistent with constitutional mandates and the overriding desire of this administration to provide and ensure property tax relief to the maximum extent possible, the required amount of the one cent increase in the Sales and Use Tax should be transferred from the UEZ Fund for deposit into the General Fund and an equal amount should be retained in the UEZ Fund, with the condition that these retained funds be used for projects that will result in property tax relief; and

WHEREAS, A supplemental appropriation for FY 2009 was enacted to effectuate that goal; and

WHEREAS, For Fiscal Year 2010, the Appropriations Act contains a language provision providing that the crediting of revenues to each account in the UEZ Fund is reduced by the amount of Sales and Use Tax revenues credited from the General Fund into the special account in the Property Tax Relief Fund established by the Constitutional Amendment; and
WHEREAS, It is appropriate, for Fiscal Year 2011 and thereafter, in the event that the crediting of revenues to each account in the UEZ Fund may contain all or a part of the half cent of Sales and Use Tax which is dedicated for property tax relief to provide for entry into an arrangement to provide that such revenues be used, consistent with the UEZ Act, for property tax relief while, at the same time, promoting essential economic development activities within the UEZs to the maximum extent possible; and
WHEREAS, With respect to such future fiscal years, it is appropriate to establish a more formal framework for addressing these issues;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. Beginning in State Fiscal Year 2011, and for each and every fiscal year thereafter, the State Treasurer and the New Jersey Urban Enterprise Zone Authority ("UEZ Authority") shall work cooperatively to agree and enter into a memorandum of agreement ("MOA"), on an annual basis, with respect to the disposition and use of amounts equal to the Dedicated Revenues that are credited to the UEZ Fund in the affected UEZ municipalities. Each MOA shall be effective for a period of one year and shall govern, by its terms, the use or uses of the amount of one-half of the dedicated portion of such revenues.

2. An MOA pursuant to this Order shall include, but need not be limited to, a detailed description of any proposed use of such revenues and an explanation regarding the manner in which such proposed use will result in property tax relief.

3. For fiscal years beginning on and after July 1, 2010, it shall be the recommendation of the Executive Branch that an amount equal to one half of the Dedicated Revenues allocable to each UEZ zone in the UEZ Fund shall be available to each such enterprise zone, subject to the execution of an MOA as described in paragraphs 1 and 2 of this Order.

4. The Department of the Treasury shall provide to each UEZ municipality, on a monthly basis, the amount of Sales and Use Tax revenue collected, the amount deducted for property tax reform, and the amount credited to the UEZ fund.

5. This Order shall take effect immediately and shall remain in full force and effect unless it is rescinded or modified by the Governor, or superseded by statute.

Dated August 19, 2009.

EXECUTIVE ORDER NO. 151

WHEREAS, in response to the current national recession, the United States Congress enacted the American Recovery and Reinvestment Act of 2009 (ARRA), which will increase federal spending at the State and local levels by approximately $10 billion, and will fully fund certain work in the State, and partially fund other State projects; and
WHEREAS, given the recession and unemployment levels in New Jersey, it is imperative that every sector of the economy be offered the opportunity to benefit from the federal economic recovery funds and the State’s own spending; and
WHEREAS, many of the State’s businesses have significant public construction contracts and other contracts to provide goods or services to government and many others would like the opportunity to compete for these contracts to expand their businesses while serving the public; and
WHEREAS, residents of the State of New Jersey deserve a government that provides equal opportunity for all contractors to compete to submit winning bids on public contracts; and
WHEREAS, residents of the State of New Jersey, especially during these difficult economic times, deserve a government that does everything it can to expand job opportunities, particularly for men and women who are entering the workforce, who have experienced difficulties entering the workforce, or who have recently become unemployed or underemployed; and
WHEREAS, the State created an internet site, http://www.recovery.nj.gov, which outlines the allocation of New Jersey’s share of economic recovery funds under the ARRA; and
WHEREAS, to spend ARRA funds transparently and ensure that those seeking work have a fair chance to obtain ARRA-funded employment, State agencies and entities should be required to post all State and ARRA-funded jobs on the State Job Bank internet site, http://NJ.gov/JobCentralNJ, to allow New Jersey residents to identify these employment opportunities; and
WHEREAS, the State must procure its construction services, goods, and other services as efficiently as possible, with transparency in the processing, selection, and awarding of public contracts; and
WHEREAS, robust competition for public contracts ensures that the government of the State of New Jersey obtains the construction services, goods, and other services it needs to perform its vital functions with maximum cost effectiveness; and
WHEREAS, broad and sustained efforts to notify all potential bidders of opportunities to contract with government should be encouraged to promote competition for public contracts, thus benefiting the public fisc; and
WHEREAS, the State of New Jersey commissioned the State of New Jersey Construction Services Disparity Study 2000 – 2002 (October 2005) and the State of New Jersey Disparity Study of Procurement in Professional Services, Other Services, and Goods and Commodities (June 2005), and both studies documented significant disparities between the firms ready, willing, and able to do business with the State, and those firms actually awarded contracts by State departments, agencies, authorities, colleges, and universities, as a result of which this Administration created through Executive Order No. 34 (2006) the Division of Minority and Women Business Development ("Division of M/W Business Development"); and
WHEREAS, Executive Order No. 34 charged the Director of the Division of M/W Business Development with monitoring programs to increase the participation of minority and women-owned businesses in the State’s purchasing and procurement processes; and
WHEREAS, since its inception, the Division of M/W Business Development, working with the Department of the Treasury’s Office of Supplier Diversity ("OSD"), has identified strategies to increase the number of small and minority and women-owned businesses interested in and eligible to benefit from state procurement activity; and
WHEREAS, the Division of M/W Business Development and OSD have increased outreach to and expanded the ability of these businesses to fulfill bid requirements for state contracts; and
WHEREAS, the Division of Public Contracts Equal Employment Opportunity Compliance in the Department of the Treasury (Division of Contract Compliance) monitors the employment of women and minorities with businesses that contract with government in an effort to ensure that contractors and vendors make good faith efforts to hire minorities and women in accordance with targeted goals based on the United States Census’ workforce availability statistics;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. All members of the public should be afforded the opportunity to benefit from the federal economic recovery funds and associated state spending, and in particular, this Administration re-affirms the State’s commitment, expressed in statute and regulation, that every public contract, whether for construction services,
goods, or other services, shall provide equal employment opportunity for women and minorities.

2. The Commissioners of the Departments of Community Affairs, Education, Environmental Protection, and Transportation; the President of the Board of Public Utilities; and the executive directors of the Schools Development Authority and the Economic Development Authority are directed to meet with members of the Governor's office, the Department of the Treasury, and representatives of the United States Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) to ensure that those departments receiving the bulk of federal economic recovery funds will provide the OFCCP their complete cooperation in complying with its mandates.

3. The Division of Contract Compliance shall be the entity within the Executive Branch responsible for determining whether minorities and women have been offered a fair opportunity for employment on State contracts. Executive branch departments and agencies, independent authorities, and State colleges and universities are directed to cooperate fully with the Division of Contract Compliance's enforcement efforts, consistent with law, and to award public contracts only to those businesses that agree to comply with equal employment opportunity and affirmative action requirements.

4. The Division of Contract Compliance shall work cooperatively with the OFCCP, including sharing its workforce data to the maximum extent permitted by law, to assist the OFCCP in its enforcement efforts.

5. When not restricted by any other State or federal law, the Division of Contract Compliance shall determine whether each of the State entities whose performance it monitors (the "Reporting Agencies" listed in Appendix A to this Order) properly allocated and released to the Department of Labor and Workforce Development, as authorized by law, one-half of one percent of the total cost of a construction contract of $1,000,000 or more, to be used by the department for the New Jersey Builders Utilization Initiative for Labor Diversity program to train minorities and women for employment in construction trades. This provision shall apply to those construction contracts where the funding for the contract consists entirely of appropriated funds or a combination of funds from appropriated funds and other sources.

6. As a result of the aforementioned significant disparities in employment of minorities and women on construction sites and within the construction trades, all construction contracts entered into and funded, in whole or in part, by the State shall include mandatory EEO/AA contract language (in the form of Appendix B to this Order) that requires contractors to make a good faith effort to recruit and employ minorities and women as required by provisions of the Administrative Code, including but not limited to N.J.A.C. 17:27-3.6 to 3.8, and 17:27-7.3 and 7.4. In addition to the language set forth in Appendix B, such construction contracts shall contain the contractual language as required by N.J.A.C. 17-27-3.6, 3.7, and 3.8. As to the portion of each contract that is State funded, the language of the contract shall provide, consistent with Appendix B, that payment may be withheld for fail-
ure of the contractor to demonstrate to the satisfaction of the Reporting Agency that the required good faith effort was made. Failure of a contractor to satisfy the good faith effort requirement of its contract may also subject it to assessments imposed pursuant to findings of the Division of Contract Compliance in the Department of the Treasury, in accordance with N.J.A.C. 17:27-10.

7. Except as described in subparagraphs (a) and (b) of this paragraph, each Executive Branch agency that is a recipient of federal economic recovery funds pursuant to ARRA shall include in any contract, grant, or agreement funded in whole or in part with ARRA funds a clause requiring subrecipients, contractors, subcontractors, local education agencies, and vendors to post all job openings created pursuant to the contract, grant, or agreement on the State’s Job Bank at least 14 days before hiring is to commence. The clause shall state: "Since the funds supporting this contract, grant, or agreement are provided through the American Recovery and Reinvestment Act of 2009 (ARRA), the subrecipient, contractor, subcontractor, local education agency, or vendor will post any jobs that it creates or seeks to fill as a result of this contract, grant, or agreement. The subrecipient, contractor, subcontractor, local education agency, or vendor will post jobs to the New Jersey State Job Bank by submitting a job order using the form available at http://NJ.gov/JobCentralNJ, notwithstanding any other posting the subrecipient, contractor, subcontractor, local education agency, or vendor might make. Any advertisements posted by the subrecipient, contractor, subcontractor, local education agency, or vendor for positions pursuant to this contract, grant, or agreement must indicate that the position is funded with ARRA funds."

a. Posting shall not be required where the employer intends to fill the job opening with a present employee, a laid-off former employee, or a job candidate from a previous recruitment, where pre-existing, legally binding collective bargaining agreements provide otherwise, or where an exception has been granted to the Reporting Agency by the Department of Labor and Workforce Development.

b. Nothing in this Order shall be interpreted to require the employment of apprentices if such employment may result in the displacement of journey workers employed by any employer, contractor or subcontractor.

8. All local government entities and local education agencies that have received or will receive directly from a federal agency federal economic recovery funds are strongly encouraged to require their contractors and subcontractors to post job openings on the State’s Job Bank at least 14 days before hiring is to commence. Moreover, all New Jersey employers that enter into contracts funded with ARRA funds received by a local government entity or a local education agency directly from a federal agency are likewise strongly encouraged to post job openings created pursuant to the ARRA.

9. The Division of M/W Business Development shall send to the Reporting Agencies the contractual language set forth in Appendix C of this Order. Provisions of this contractual language have been shown to have a significant impact on (a) increasing the number of small and minority and women-owned businesses aware of contracting opportunities with the State and (b) increasing the number of
such businesses competing for contracts with the State or subcontracts with entities contracting with the State. The Division of M/W Business Development shall work with each Reporting Agency to ensure the reporting of and ensure compliance with contract-specific contracting and subcontracting goals for the Reporting Agency that are consistent with the availability percentages set forth in Appendix D. These goals should incorporate good faith effort requirements and should be adjusted annually, consistent with the availability of minority and women-owned businesses for which significant disparities in utilization have been demonstrated in each business category.

10. Each Reporting Agency shall:
   a. Inform the Division of M/W Business Development of contracting opportunities at the same time that it advertises or otherwise posts public notices of such opportunities, via consistent and timely upload of all-inclusive information to the bid opportunities database services managed by the Division of M/W Business Development. All pre-bid requirements shall be prominently advertised at the time of uploading to the Division of M/W Business Development databases;
   b. Actively and regularly use the databases and other on-line services managed and operated by the Division of M/W Business Development to identify additional potential bidders. Because these databases and on-line services identify minority and women-owned businesses known to and registered or certified with the Division of M/W Business Development, the ongoing use of these resources by buyers, procurement agents, and other purchasing staff shall be closely monitored by the Reporting Agency’s senior management;
   c. Contact the businesses identified in the Division of M/W Business Development’s databases and on-line services to provide them with notice of the contracting opportunities available through the Reporting Agency; and
   d. Report to the Division of M/W Business Development all payments and awards prime contractors have issued to subcontractors, identifying payments and awards to minority and women-owned businesses on at least a quarterly basis.

11. To the maximum extent practicable, and when not restricted by any other State or federal law, each Reporting Agency shall incorporate the substance of the contractual language set forth in Appendix C into its contracts, while continuing to follow the particular State and federal laws and regulations governing its contracting and procurement practices.

12. Each Reporting Agency shall, where substitution of subcontractors or sub-consultants is permitted, promulgate policies governing the circumstances under which contractors or consultants may substitute subcontractors or sub-consultants named in bid proposals or otherwise identified as small or women or minority-owned business subcontractors, sub-consultants, or vendors (“Substitution Policies”). The Substitution Policies shall provide that:
   a. The contractor or consultant must notify and obtain approval from a small or women or minority-owned business subcontractor, sub-consultant, or vendor (“SMWBE contractor”) before including that contractor in a bid proposal or similar contract-related submission;
b. The contractor or consultant must notify and obtain authorization from the Reporting Agency before it substitutes a SMWBE contractor named in a bid proposal or other contract-related submission; and

c. If the substitution is approved, the contractor or consultant shall make a good faith effort to utilize another SMWBE contractor in place of the previous SMWBE contractor.

13. Each Reporting Agency shall report to the Division of M/W Business Development when it has incorporated the language set forth in Appendix C in its contracts. It shall also report to the Division of M/W Business Development when it has adopted its Substitution Policy, where such policy is permitted. The Division of M/W Business Development shall report on the number of Reporting Agencies that have modified their contracts and adopted a Substitution Policy at three month intervals until all of the Reporting Agencies have completed incorporation of the contractual language set forth in Appendix C and, where legally permitted, adoption of the Substitution Policy.

14. Nothing in this Order shall modify existing law, state or federal, or authorize a Reporting Agency to amend, modify, or otherwise alter pre-existing legal obligations. Further, this Order shall be interpreted consistently with the ARRA, and the federal regulations and guidelines governing its implementation, and in the event of a conflict between this Order and federal law governing ARRA, the Order shall be interpreted to comply with federal law.

15. Within 90 days of the date of this Order, the Division of M/W Business Development shall prepare a Contracting Guide identifying the management practices that have the greatest success in: (a) increasing the number of small and minority and women-owned businesses made aware of contracting opportunities with the State; and (b) increasing the number of such businesses competing for contracts with the state or subcontracts with entities contracting with the state. As soon as practicable thereafter, the Division of M/W Business Development shall distribute the Contracting Guide to the Reporting Agencies.

16. As soon as practicable after its receipt of the Contracting Guide, each Reporting Agency shall implement those provisions that it views as most likely to have the greatest impact in increasing contracting opportunities for small and minority and women-owned businesses.

17. Within one year and ninety days of the effective date of this Order, the Division of M/W Business Development and the Division of Contract Compliance shall each prepare a report describing the Reporting Agencies' implementation of this Order. The Division of M/W Business Development and the Division of Contract Compliance each shall prepare a second report within one year of issuing its first report.

18. The Department of Labor and Workforce Development shall work together with all other Reporting Agencies that will receive ARRA funding and with the representatives of the United States Environmental Protection Agency, the Federal Departments of Labor, Energy, Transportation, and Housing and Urban Development, and any other federal agencies distributing ARRA funds to:
EXECUTIVE ORDERS 2553

a. Coordinate with labor unions that will aggressively recruit minorities and women for apprenticeships and training opportunities;
   b. Increase outreach to and enrollment of minorities and women in apprenticeship, training, and related programs; and
   c. Ensure that, to the greatest extent possible under the law, minorities and women apprentices and trainees are working on State and ARRA-funded work sites.

19. The Department of the Treasury and other departments, agencies, and independent authorities shall, consistent with law, take steps to increase their engagement of small, minority, or women-owned or controlled banks and credit unions to meet their financial services needs.

20. This Order shall take effect immediately.

Dated August 28, 2009.

Therefore, contractors engaged by the [Reporting Agency] to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the [Reporting Agency]'s satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the [Reporting Agency]'s contract with the contractor. Payment may be withheld from a contractor's contract for failure to comply with these provisions.

Evidence of a “good faith effort” includes, but is not limited to:

To the extent the Firm engages subcontractors or sub-consultants to perform Services for the [Reporting Agency] pursuant to this Contract, the Firm must demonstrate to the [Reporting Agency]'s satisfaction that a good faith effort was made to utilize subcontractors and sub-consultants who are registered with the Division as SBEs. Furthermore, the Reporting Agency shall be evaluated quarterly by the Division, based on its attainment of the Participation Goals set forth in the State of New Jersey Construction Services Disparity Study (October 2005) and the State of New Jersey Disparity Study of Procurement in Professional Services, Other Services, and Goods and Commodities (June, 2005). (These participation goals are set forth below.)

Evidence of a "good faith effort" includes, but is not limited to:

The Firm shall request listings of SBEs from the Division (609) 292-2146 and/or the [Reporting Agency] and attempt to contact same.

The Firm shall keep specific records of its efforts, including records of all requests made to the Division, the names of SBEs contacted, and the means and results of such contacts, including without limitation receipts from certified mail and telephone records.

The Firm shall actively solicit and shall provide the [Reporting Agency] with proof of solicitations of SBEs for the provision of Services, including advertisements in general circulation media, professional service publications and small business, minority-owned business or women-owned business focus media.

The Firm shall provide evidence of efforts made to identify categories of Services capable of being performed by SBEs.

WHEREAS, this administration has consistently demonstrated a strong commitment to ensuring the highest ethical standards in government contracting; and
WHEREAS, in furtherance of this commitment, this administration has successfully implemented a number of policies to improve the processes governing the awarding of State government contracts, including but not limited to contracts for legal services, to ensure that merit and cost-effectiveness drive the government contracting process; and
WHEREAS, with regard to contracts for legal services, N.J.S.A. 52:17A-13 authorizes the Attorney General, with the approval of the Governor, to designate Special Counsel to the State of New Jersey under appropriate circumstances; and
WHEREAS, the designation of special counsel for any type of legal matter is materially different than the procurement of other professional services and requires the Governor and Attorney General to exercise the utmost judgment to determine how the State's interests can best be represented; and
WHEREAS, as part of the administration's commitment to promoting transparency and accountability while, at the same time, balancing the need for exercise of judgment that the special counsel designation process requires, the Office of the Attorney General has implemented policies and procedures that serve as a model for other states; and
WHEREAS, prior to the award of a contract for legal services, it is appropriate to require a publicly advertised process involving Requests for Qualifications (RFQs) with respect to distinct legal practice areas, merit-based decision making in the selection of law firms responding to RFQs, and impartial review by an evaluation committee based upon clearly defined evaluation criteria, as well as well-defined procedures for retaining counsel for particular legal matters, absent unusual circumstances; and
WHEREAS, in some other states, the hiring of outside counsel is not a sufficiently open process and is unguided by proper policies and procedures, giving rise to claims of misconduct and improper politicization of the special counsel designation process; and
WHEREAS, it is appropriate to formalize the procedures to be used by the Attorney General;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. In generating the list of outside counsel designated to serve as Special Counsel to the State of New Jersey pursuant to N.J.S.A. 52:17A-13, the Attorney General shall adhere to the following requirements:
   a. The Attorney General shall identify and periodically update the practice areas for which outside counsel are generally needed. Such areas may be grouped
into broader Requests for Qualifications based on similarity of the practice area, as appropriate.

b. RFQs for identified practice areas shall be issued periodically, but at least once every three years from the date of the previous designation list for that RFQ.

c. Advertisement and distribution of the RFQ shall be accomplished by:

(i) placing advertisement(s) in an appropriate legal periodical;

(ii) mailing a notice of the RFQ or the RFQ, as appropriate, to all firms currently on the outside counsel list and to all law firms that have requested to be on the RFQ mailing list for related topics;

(iii) mailing a notice of the RFQ or the RFQ, as appropriate, to specialty bar groups that represent minority and female attorneys;

(iv) posting the RFQ on the Division of Law’s Internet website; and

(v) mailing a notice of the RFQ or the RFQ, as appropriate, to law firms possessing specialized expertise, where a matter requires specialized knowledge or experience.

d. Once the Division of Law receives responses to the RFQ, the responses shall be reviewed by an evaluation committee comprised of at least three members, including but not limited to supervisors from the Division of Law and representatives of appropriate client agencies, as appropriate. Evaluation committee members shall include attorneys with involvement in the relevant practice areas and client representatives, as appropriate.

e. The criteria to be employed for evaluating RFQ responses shall include but not be limited to the following: experience of the firm in the practice area; the firm’s resources, including but not limited to the size of the firm (small or medium/large); the firm’s approach to communication with the Division of Law; the past experience of the State with the firm and its named attorneys; and geographic location, where appropriate.

f. Responses to RFQs shall be ranked on the basis of technical merit and, where appropriate, the highest scoring small and medium/large firms, consistent with the number specified in the RFQ, in each practice area shall be submitted for designation.

2. After the list of qualified firms for a particular practice area is developed, firms from that list shall, as appropriate, be retained for particular matters as follows:

a. The Division of Law shall decide whether a small or medium/large firm should be retained.

b. From either the list of designated small firms or the list of designated medium/large firms, as appropriate, a firm shall be selected based on the following criteria: geographic location; magnitude or complexity of the matter; the firm and/or its attorneys’ past success in handling similar matters; whether the firm’s experience and knowledge coincide with the type of legal work to be performed; the firm’s capacity to staff and perform the required work; and any current adversarial position or potential conflict of interest between the firm and/or its attorneys and the State, its agencies, or officials.
3. If a particular matter requires expertise in one or more practice area outside of those encompassed by existing lists, a separate RFQ shall be distributed, consistent with paragraph 1(c) above, for that retention; provided, however, that in these circumstances the Division may forego advertising under paragraph 1(c)(i).

4. In matters requiring strict confidentiality, timely retention decisions, or otherwise involving emergent or extraordinary circumstances, the Division of Law shall solicit proposals from at least three law firms, unless the Attorney General decides to use one particular firm to preserve confidentiality.

5. Nothing in this Order shall prohibit the awarding of a contract when the Attorney General decides emergent or extraordinary circumstances require the timely performance of legal services.

6. The selection of special counsel for designation pursuant to N.J.S.A. 52:17A-13 and any decisions whether to waive advertising requirements or the solicitation of proposals shall be in the sole discretion of the Attorney General.

7. Bond counsel shall continue to be retained as provided for in Executive Order No. 26 (1994).

8. This Order shall take effect immediately.

The Council is required to submit the plan to the Governor and the Legislature and must submit recommendations and proposals, as
appropriate, to the Regional Planning Committees to which the State is assigned by the Federal Communications Commission (FCC). The Council is permitted to engage a full-time professional spectrum manager, who is responsible for approving all applications for public safety spectrum allocations in the State to ensure that the State fully complies with FCC rules that impact the frequency allocation for public safety use.

The 9-1-1 Commission was created in the Office of Information Technology to oversee the planning, design and implementation of the Statewide emergency enhanced 9-1-1 telephone system. (See the 9-1-1 Commission statute, P.L.1989, c.3, as amended, codified at N.J.S.A. 52:17C-1, et. seq.). The 9-1-1 Commission is a 30-member body tasked with oversight/review and approval of a Statewide Emergency Enhanced 9-1-1 System Plan created by the Office of Emergency Telecommunications Services, in the Office of Information Technology.

In order to more efficiently manage and administer the State’s public safety telecommunications and wireless interoperability plans and programs, this plan provides for the transfer of the Public Safety Interoperable Communications Coordinating Council and all of the Council’s functions and duties to the Office of Information Technology. The plan further calls for the combining of the Council with the 9-1-1 Commission, already in the Office of Information Technology, and the renaming of this combined entity as the Public Safety Communications Commission. This plan also provides for the merger of the memberships of the Council and 9-1-1 Commission and the designation of the Chief Technology Officer as the Chairperson of the Public Safety Communications Commission. This transfer and merger will increase the ability of the State to coordinate, integrate and improve the public safety communications and wireless interoperability work of the State, by aligning and assigning similar functions within one agency, thereby promoting overall efficiency and effectiveness.

NOW THEREFORE, in accordance with the provisions of the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et. seq.), I find with respect to the reorganization and transfers included in this Plan that each aspect is necessary to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote more effective management of the Executive Branch and of its agencies by consolidating and integrating public safety communications and wireless interoperability and related functions within one department;
2. Promote better and more efficient execution of the laws and expeditious administration of the public business by consolidating and integrating within one department similar regulatory functions;

3. Group, coordinate and streamline functions in a more consistent and practical way;

4. Reduce expenditures and promote economy to the fullest extent consistent with the efficient operations of the Executive Branch;

5. Increase the efficiency of the operations of the Executive Branch to the fullest extent practicable; and

6. Eliminate overlapping and duplication of effort by consolidating certain functions, which should result in a savings of State funds.

The provisions of this Reorganization Plan are as follows:

I. The State Public Safety Interoperable Communication Coordinating Council in the Department of Law and Public Safety, including the functions, powers and duties assigned to it by P.L.2003, c.235 (N.J.S.A. 52:17E-23 et. seq.), is hereby continued and transferred to the Office of Information Technology.

II. The 9-1-1 Commission in the Office of Information Technology, including the functions, powers and duties assigned to it by P.L.1989, c.3, as amended (N.J.S.A. 52:17C-1, et. seq.), is hereby continued and combined with the State Public Safety Interoperable Communications Coordinating Council to form the Public Safety Communications Commission. All functions, powers and duties assigned to both the State Public Safety Interoperable Communications Coordinating Council and the 9-1-1 Commission are hereby continued and transferred to the Public Safety Communications Commission.

III. The members of both the State Public Safety Interoperable Communications Coordinating Council and the 9-1-1 Commission are hereby transferred to the Public Safety Communications Commission.

IV. The functions, duties and powers (including those of appointment) of the Chairperson of the State Public Safety Interoperable Communications Coordinating Council (currently performed by the Director of the Office of Homeland Security as designated by the Attorney General) are transferred to the Chief Technology Officer of the Office of Information Technology. The Chief Technology Officer of the Office of Information Technology shall be the Chairperson of the Public Safety Communications Commission.

V. All records, property, appropriations, and unexpended balance of funds appropriated or otherwise available to the State Public Safety Inter-
REORGANIZATION PLAN

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies.

2. Unless otherwise specified in this Reorganization Plan, all transfers directed by this Reorganization Plan shall be effected pursuant to the State Agency Transfer Act, P.L.1971, c.375 (C.52:14D-1 et seq.)

3. If any provisions of this Reorganization Plan or the application thereto to any persons, or circumstances, or the exercise of any power or authority hereunder is held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Reorganization Plan are declared to be severable.

A copy of this Reorganization Plan was filed on February 26, 2009 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days on April 27, 2009 unless disapproved by each House of the Legislature by passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a later date should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under a heading of Reorganization Plans.

REORGANIZATION PLAN NO.002-2009

IN THE INTEREST OF EXPEDITIOUSLY ESTABLISHING A NEW FOUR-YEAR ALLOPATHIC MEDICAL SCHOOL IN SOUTHERN NEW JERSEY, A PLAN FOR THE TRANSFER OF CERTAIN SPECIFIED FUNCTIONS, POWERS AND DUTIES OF THE UNIVERSITY OF
PLEASE TAKE NOTICE that on June 25, 2009, Governor Jon S. Corzine hereby issues this Reorganization Plan No. 002-2009 (the Plan) transferring certain specified functions, powers and duties of the University of Medicine and Dentistry of New Jersey as are necessary to establish, operate and maintain a four-year allopathic medical school in Camden, New Jersey to Rowan University.

GENERAL STATEMENT OF PURPOSE

The University of Medicine and Dentistry of New Jersey (UMDNJ) is a body corporate and politic that operates programs of medical, dental, nursing, public health and health related professions and health sciences education in the State of New Jersey, operating pursuant to the authority granted to it by the Medical and Dental Education Act of 1970 (P.L.1970, c.102, as amended, (C.18A:64G-1 et seq.)) and the University of Medicine and Dentistry of New Jersey Flexibility Act of 1992 (P.L.1992, c.84, as amended (C.18A:64G-3.8 et seq.)). UMDNJ was established to serve the interests of the State by establishing programs of medical, dental, nursing, public health, health sciences and health related professions. It was charged with providing a greater number of trained medical personnel to assist in staffing hospitals and public institutions and agencies and to prepare a greater number of students for the general practice of health related professions in New Jersey. The goal was to create a premiere academic health center to provide a full range of state-of-the-art patient care services to the people of this State. To that end UMDNJ was provided authority to form relationships with health care organizations, research institutions and private individuals, firms and corporations. Such public-private relationships would supplement the resources available from the State, thereby providing an economic and efficient means for developing and offering a full range of health care services. N.J.S.A. 18A:64G-2.

Currently, UMDNJ operates two allopathic medical schools in the State of New Jersey: one located in Newark (New Jersey Medical School) and the other located in New Brunswick/Piscataway with certain activities also located in Camden (Robert Wood Johnson Medical School (RWJMS)). There are no other four-year allopathic medical schools located in the State. In addition, UMDNJ operates an osteopathic medical school at Stratford, New Jersey. UMDNJ currently has eight schools located on campuses in
Stratford, Camden, Newark, New Brunswick/Piscataway, and Scotch Plains.

UMDNJ is the largest freestanding public health sciences university in the nation. UMDNJ offers 41 graduate degrees or certificates and 21 undergraduate degrees or certificates in 43 fields of study. It offers 26 dual degree programs with a variety of institutional partners and offers eight online programs. Total student enrollment at UMDNJ is approximately 5,700. External grant funding from the National Institutes of Health (NIH) and other sources exceeds $317 million.

Rowan University (Rowan) is a State University located in Glassboro, New Jersey, with a campus in Camden, New Jersey, operating pursuant to the authority granted to State colleges by P.L.1967, c.271 (C.18A:64-1 et seq., and P.L.1994, c.48, as amended, (C.18A:3B-1 et seq.). Rowan, a major regional higher education institution with seven academic colleges: Business, Communication, Education, Engineering, Fine & Performing Arts, Liberal Arts & Sciences, and the College of Professional and Continuing Education and a Graduate School. Rowan's nearly 10,000 students may pursue degrees in 36 undergraduate majors, seven teacher certification programs, 26 master's degree programs and a doctorate in educational leadership. Rowan, located only 20 miles from Cooper University Hospital and with an existing Camden campus, has a reputation as a top regional university and is home to a newly-constructed, state-of-the-art Science building that provides training in science and technology and already is capable of serving the needs of first and second-year medical students in basic sciences. Rowan has the desire and means to continue its present expansion into the provision of allopathic medical education and training. In doing so, it expects that it will coordinate these activities with UMDNJ.

There is a shortage of trained physicians in the workforce both nationally and within the State of New Jersey. It has been long-recognized that the State and the nation suffer from a growing shortage of trained medical professionals, including doctors. It is in the public interest that an additional medical school be opened in the State of New Jersey. Although New Jersey ranks ninth among the 50 states in physicians per 100,000 residents, it is first nationally in the percentage of active physicians who are graduates of international medical schools and third nationally in the percentage of active physicians who are 60 years of age or older. The State, overall, and South Jersey, in particular, would benefit from the opening of a four-year allopathic medical school in South Jersey. As the State's designated health sciences university, UMDNJ normally would be the parent institution of a new medical school. However, the State's goal to create this school in an
expedited manner is inconsistent with UMDNJ's current financial status which does not allow it to issue bonded debt sufficient for the facilities necessary to launch a new school at this time.

Rowan University, working with medical providers such as Cooper University Hospital in Camden, an affiliate of UMDNJ, provides the best opportunity financially for the State to achieve the goal of creating a four-year allopathic medical school that can be accredited by the Liaison Committee of Medical Education ("LCME") and other accrediting bodies, if any, within the State's expedited time frame. This Plan will further the goal of providing more medical students and doctors located within the southern portion of the State of New Jersey and will help address the pending lack of physicians caused by a higher than average retirement rate by current New Jersey physicians. The transfer provided in this Plan provides a means for addressing the problem of the increasing shortfall of physicians in southern New Jersey.

Therefore it is in the public interest that a new four-year allopathic medical school be opened in the southern region of the State. Medical facilities generally are economic anchors for cities. For example, Cooper University Hospital is the largest employer in both the City of Camden and in Camden County. Thus, the opening of a new four-year allopathic medical school in Camden will further support the economy of the southern region of the State and will stimulate the City of Camden's economy by providing access to additional job opportunities for residents of South Jersey.

The expansion of the current two-year program to an accredited four-year allopathic medical school in Camden will allow greater opportunity for South Jersey residents to seek advanced medical care within the State rather than to seek such services in neighboring states. It is estimated that approximately 30,000 residents in South Jersey are treated annually by Pennsylvania hospitals, thereby diverting some $2 billion in health care services per year from South Jersey to Pennsylvania. The creation of the four-year allopathic medical school in Camden will positively impact the economy of South Jersey, and assist in the revitalization of the City of Camden.

This Reorganization Plan will provide Rowan with certain additional powers to operate a four-year allopathic medical school in Camden as provided by the Medical and Dental Education Act of 1970 and The University of Medicine and Dentistry of New Jersey Flexibility Act of 1992, in addition to the powers it enjoys pursuant to the provisions of N.J.S.A. 18A:64-1 et seq. under which it is organized. By entering into appropriate affiliation agreements, Rowan will be able to operate a four-year allopathic medical school in an expedited manner. Such affiliation agreements will enable
Rowan to begin to accept students for its four-year allopathic medical school for its first incoming class for the 2012-2013 academic year, or sooner if practicable and accredited. This Reorganization Plan also provides that UMDNJ shall transfer certain assets to Rowan for its new medical school, as set forth herein.

NOW THEREFORE, pursuant to the provisions of the Executive Reorganization Act of 1969, P.L.1969, c.203 (C.52:14C-1, et seq.), I find with respect to the transfer, reorganization and consolidation provided for in this Plan that it is necessary to accomplish the purposes set forth in Section 2 of the Act and will:

1. Promote the better execution of the law, the more effective management of the Executive Branch and its agencies and functions and the expeditious administration of the public business;
2. Promote economy to the fullest extent consistent with the efficient operation of the Executive Branch;
3. Increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;
4. Group, coordinate and consolidate agencies and functions of the Executive Branch, as nearly as may be practical, according to major purposes; and
5. Eliminate overlapping and duplication of effort within the Executive Branch by reallocation of certain functions and responsibilities and thereby better utilizing the resources of the Executive Branch.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. The functions, powers and duties of UMDNJ under section 6 of P.L.1970, c.102, as amended (C.18A:64G-6) and P.L.1992, c.84, as amended (C.18A:64G-3.8 et seq.), related, directly or indirectly, to the establishment, maintenance or operation of a four-year allopathic medical school in the City of Camden, including but not limited to the power to confer medical degrees to those students who successfully complete the medical programs offered by Rowan as provided in Section 7 of P.L.1992, c.84 (C.18A:64G-3.9), as amended, are transferred and assigned to the Governing Board of Rowan.
2. The following appropriations and property for RWJMS-Camden that are available to UMDNJ for use in connection with its operations related to the administration of its regional clinical third and fourth year medical school related programs at RWJMS-Camden (N.J.S.A. 18A:64G-3.3a and 3.3b), including but not limited to the following, are to be transferred to the Governing Board of Rowan:

   a. Upon the effective date of this Plan:

      i. The rights to a sum of $9 million allocation available to UMDNJ through the New Jersey Economic Development Authority ("NJEDA") pursuant to the Higher Education and Regional Health Care Development Fund, P.L.2002, c.43 (C.52:27BBB-51, 52.a(3)), for which a grant has not been approved and/or awarded;

      ii. The amount provided and received in the FY2010 Appropriations Act for debt service for the RWJMS-Camden Medical School Building and all available unexpended balances of appropriations of all prior fiscal years for such purposes; for all budget years subsequent to FY2010 such funds in the amount of $7.8 million will be allocated to Rowan;

      iii. All rights, title, interests and obligations of UMDNJ related to real property located within Block 190 on the Tax Map of the City of Camden and all buildings and structures located thereon, and provided in the September 20, 2006 Development Agreement ("Development Agreement") between the City of Camden, The University of Medicine and Dentistry of New Jersey and The Cooper University Health System ("Development Rights"); UMDNJ shall cease to have any further rights, interests or obligations under the Development Agreement.

      iv. All rights, title or interests that UMDNJ may have already secured as a result of the operation of the Development Agreement, including but not limited to rights, title or interests in any fixed tangible assets; real property, and all buildings and structures located thereon ("Existing Development Rights") (Rowan shall reimburse UMDNJ for its expenses incurred in the process of acquiring the property for those rights and interests). All architectural plans, drawings, studies and renderings related to the newly planned Education and Research Building; and any survey or environmental reports related to Block 190 in Camden shall be transferred to Rowan University.

      v. UMDNJ and Rowan shall cause to be prepared and filed all necessary documents in order to effectuate the foregoing transfer and assignment of all Development Rights and the transfer of all Existing Development Rights forthwith.
vi. All grants, appropriations, budgeted amounts and any other funding of any type whatsoever from any source whatsoever which has been designated for use in connection with the subject matter of the Development Agreement or which has been designated for use in connection with the establishment, construction and operation of a four-year allopathic medical school in Camden.

vii. For FY2010, grant funds in the amount of $10.6 million for affiliate hospital (Cooper University Hospital) support including program and capital support that benefits patients from Camden and the region will be allocated to UMDNJ for distribution upon receipt according to the terms of the FY2010 Appropriations Act after review and implementation by the Department of Health and Senior Services. For all budget years subsequent to FY2010, such funds in the amount of $10.6 million will be allocated to Rowan for purposes consistent with the grant referred to above. The unexpended balance of grant funds for FY2009 will be paid in accordance with the terms of the grant.

b. Upon the completion of the phase-out of UMDNJ operations at RWJMS-Camden and thereafter:

i. Of the amounts appropriated for UMDNJ, all monies related to support RWJMS-Camden; including all monies for the purposes of faculty support and affiliate hospital (Cooper University Hospital) support in the amount of $5.69 million; all amounts for campus administration expenses in the amount of $3.25 million and for security expenses in the amount of $500,000.

ii. All of UMDNJ's right, title, and interest in all: (i) fixed tangible assets; (ii) real property, and all buildings and structures not otherwise provided for in this Plan; and (iii) all furniture, fixtures, equipment and personal property contained therein to the extent it is legally permissible for UMDNJ to do so (e.g. NIH grant purchased equipment); which are located in the City of Camden associated with third and fourth year clinical medical program of RWJMS-Camden; and which are in any way designated for direct use by RWJMS-Camden. This transfer for consideration at fair market value includes, but is not limited to, the real property located at Block 1433, Lot 1 on the Tax Map of the City of Camden, more commonly known as 401 Haddon Avenue, Camden, New Jersey, also known as "the Education and Research Building." On or about March 1, 2013, or earlier by mutual agreement of UMDNJ and Rowan, each will exchange an MAI real estate appraisal performed on the property. If good faith efforts do not result in an agreed sales price within thirty days of the exchange of the appraisals,
the State Treasurer shall establish the price. Unless an earlier date is agreed to the sale will occur on or about September 1, 2013.

3. Rowan University shall not be responsible for any actions or claims, civil or criminal, brought by or against UMDNJ if those actions or claims involve activities of RWJMS-Camden prior to the effective date of the Plan. UMDNJ shall continue to be responsible for all such actions and claims. UMDNJ shall not be responsible for any actions or claims, civil or criminal, brought by or against Rowan University if those actions or claims involve activities of those parties following the complete phase-out. Rowan University shall be responsible for all such actions and claims.

4. In addition to those powers transferred to the Governing Board of Rowan University pursuant to Section 1 of the Plan, the Governing Board shall be authorized to exercise those other powers granted to the Board of Trustees of UMDNJ to the extent necessary to establish, maintain and operate a four-year allopathic medical school in the City of Camden pursuant to any other applicable provision of P.L.1970, c.102, as amended (C.18A:64G-1 et seq.), which powers are necessary or desirable for Rowan to establish, maintain and operate a four-year allopathic medical school in Camden.

5. The functions, powers and duties of UMDNJ to participate as the general partner or as a limited partner, either directly or through a subsidiary corporation created by the university, in limited partnerships, general partnerships, or joint ventures engaged in the development, manufacture or marketing of products, technology, scientific information or health care services and create or form for-profit or not-for-profit corporations to engage in such activities as provided in Section 6(v)(1) of P.L. 1970, c.102, as amended (C.18:64G-6(v)(1)), are continued and, as regards the establishment, operations and maintenance of a four-year allopathic medical school in the City of Camden, are transferred to the Governing Board of Rowan.

6. The functions, powers and duties of UMDNJ under Section 16 of P.L. 1970, c.102, as amended (C18A:64G-16), to acquire sites for its medical school operations, incur debt for such acquisitions, issue bonds related to such acquisitions and enter into agreements with municipalities in which such sites are located are continued and, as regards the establishment, operation and maintenance of a four-year allopathic medical school in the City of Camden, are transferred to the Governing Board of Rowan.

7. Steps shall be taken immediately by UMDNJ and Rowan to implement this Plan so as to permit Rowan to commence the operations of its four-year allopathic medical school in Camden for its first incoming class for the 2012-2013 academic year, or sooner if practicable. UMDNJ will
continue to provide for the clinical training of students of RWJMS in Camden until the complete phase-out of the third and fourth year clinical training program.

8. The transfer of functions and powers to Rowan University shall not operate to diminish or abrogate any authority or responsibilities of UMDNJ related to RWJMS-Camden not otherwise specified under this Plan. This Plan shall not otherwise operate to adversely affect any of the schools or programs of UMDNJ.

9. All acts and parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

10. Unless otherwise specified in this Plan, all transfers directed by this Plan shall be affected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

11. If any provisions of the Plan or the application thereof to any person or circumstance or the exercise of any power or authority hereunder are held invalid or contrary to the law, such holding or finding shall not impact or affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provisions not contrary to the law. To this end, the provisions of this Plan are severable.

12. This Plan recognizes that all future appropriations are subject to legislative approval.

13. This Plan is intended to protect and promote the public health, safety and welfare and shall therefore be liberally construed to obtain the objectives and effect of the purposes thereof.

14. UMDNJ and Rowan shall simultaneously execute a Memorandum of Understanding attached in the form herewith unless subsequently modified by mutual agreement of the parties thereto.

A copy of this Reorganization Plan was filed on June 25, 2009 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This plan shall become effective in 60 days, on August 24, 2009, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than August 24, 2009, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

Implied Consent Statute Standard Statements - Transfer to Attorney General

NOTICE OF A PLAN FOR THE REORGANIZATION TO TRANSFER RESPONSIBILITY FOR THE PROMULGATION OF STANDARD STATEMENTS REGARDING IMPLIED CONSENT TO CHEMICAL BREATH TEST STATUTES FROM THE CHIEF ADMINISTRATOR OF THE MOTOR VEHICLE COMMISSION TO THE ATTORNEY GENERAL

Take notice that on June 25, 2009, Governor Jon S. Corzine hereby issues the following Reorganization Plan No. 003-2009 to transfer the responsibility for the promulgation of standard statements regarding implied consent to chemical breath test statutes from the Chief Administrator of the Motor Vehicle Commission to the Attorney General.

GENERAL STATEMENT OF PURPOSE

The State's driving while intoxicated and implied consent laws require that police officers read to all persons arrested for driving while intoxicated, operating a commercial motor vehicle while intoxicated and operating a vessel while intoxicated a standard statement before administering a chemical breath test in order to inform the person arrested of the consequences of refusing to submit to such a test. P.L.1966, c.42 (C.39:4-50.2); P.L.1990, c.103 (C.39:3-10.24); P.L.1986, c.39 (C.12:7-55). Current law also requires that the standard statements regarding these offenses be prepared by the Chief Administrator of the Motor Vehicle Commission (formerly the Director of the Division of Motor Vehicles).

The requirement that the Chief Administrator prepare the standard statements dates back to 1977 when the then Division of Motor Vehicles was a division within the Department of Law and Public Safety and operations of the Division, including the promulgation of the standard statements, were under the direction of the Attorney General who heads the De-
partment of Law and Public Safety and is the chief law enforcement officer of the State. Since that time, the Division of Motor Vehicles was transferred to the Department of Transportation and then established as an independent Commission. The Chief Administrator has consulted with the Attorney General regarding preparation of the standard statements. Once the Chief Administrator approves a standard statement, the Division of Criminal Justice in the Department of Law and Public Safety distributes the statement to all law enforcement agencies throughout the State.

The Attorney General as the chief law enforcement officer of the State provides guidance on the enforcement of law. The Legislature recognized this function with regard to enforcing the driving while intoxicated and refusal statutes in P.L. 2004, c.8, which required the Attorney General to promulgate guidelines to promote the uniform enforcement of the driving while intoxicated and refusal statutes. Transfer of the responsibility for the preparation of the standard statements regarding refusal to submit to a chemical breath test will consolidate the preparation of guidance regarding driving while intoxicated and implied consent laws.

In order to more efficiently provide for the preparation of the standard statements, this Reorganization Plan (Plan) provides for the transfer of responsibility for the preparation of the standard statements to the Attorney General.

NOW THEREFORE, in accordance with the provisions of the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.), I find with respect to the reorganization and transfers included in the Plan that each aspect is necessary to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote more effective management of the Executive Branch and of its agencies by grouping law enforcement functions within one department;
2. Promote better and more efficient execution of the laws and expeditious administration of the public business by consolidating and integrating within one department similar regulatory functions, particularly the provision of guidance to law enforcement regarding driving while intoxicated and implied consent laws;
3. Group and coordinate these functions in a more consistent and practical way;
4. Reduce expenditures and promote economy to the fullest extent consistent with the efficient operations of the Executive Branch;
5. Increase efficiency of the operations of the Executive Branch to the fullest extent practicable; and

6. Eliminate duplication of efforts by consolidating certain functions which will result in savings to the State.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. The functions, powers and duties relating to the preparation of the standard statements regarding the consequences of refusal to submit to chemical breath test prepared pursuant to section 2 of P.L.1966, c.42 (C.39:4-50.2); section 16 of P.L.1990, c.103 (C.39:3-10.24); P.L.1986, c.39 (C.12:7-55); and section 9 of P.L.1986, c.39 (C.12:7-55) are continued and are transferred to the Attorney General.

2. Whenever in section 2 of P.L.1966, c.42 (C.39:4-50.2); section 16 of P.L.1990, c.103 (C.39:3-10.24); and section 9 of P.L.1986, c.39 (C.12:7-55) or in any law, rule, regulation, order, contract document, judicial or administrative proceeding or otherwise reference is made to the Chief Administrator of the Motor Vehicle Commission or the Motor Vehicle Commission or a standard statement prepared pursuant thereto, the same shall mean and refer to the Attorney General or the standard statement prepared by the Attorney General a pursuant to this Plan, as the case may be.

3. The standard statements promulgated by the Chief Administrator of the Motor Vehicle Commission pursuant to section 2 of P.L.1966, c.42 (C.39:4-50.2); section 16 of P.L.1990, c.103 (C.39:3-10.24); P.L.1986, c.39 (C.12:7-55) and section 9 of P.L.1986, c.39 (C.12:7-55) shall remain in effect as if promulgated by the Attorney General until such time as they may be amended or reissued by the Attorney General. Whenever reference in a standard statement is made to the Chief Administrator of the Motor Vehicle Commission or the Motor Vehicle Commission, the same shall mean and refer to the Attorney General.

GENERAL PROVISIONS

1. All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies.

2. Unless otherwise specified in this Reorganization Plan, all transfers directed by this Reorganization Plan shall be effected pursuant to the State Agency Transfer Act, P.L.1971, c.375 (C.52:14D-1 et seq.).
3. If any provisions of this Reorganization Plan or the application thereto to any persons, or circumstances, or the exercise of any power or authority hereunder is held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Reorganization Plan are declared to be severable.

A copy of this Reorganization Plan was filed on June 25, 2009, with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days, on August 24, 2009, unless disapproved by each House of the Legislature by passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a later date should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under a heading of "Reorganization Plans."
