or agreement of sale, and (C) the purchaser, before July 1, 1966 shall have paid to the vendor not less than 10% of the sale price of said property. Upon written application, made in accordance with applicable rules and regulations, the director may waive the requirement for segregation where it is demonstrated to the satisfaction of the director that in view of the nature of the transaction such segregation would have been impossible.

(2) Except as otherwise provided in this act, receipts received from all sales made and services rendered on and after July 1, 1966 but prior to March 1, 1970, are subject to the taxes imposed under subsections (a), (b), and (c) of section 3 of this act at the rate of 3%, except where the property so sold is delivered or the services so sold are rendered on or after March 1, 1970, in which case the tax shall be computed and paid at the rate of 5%, provided, however, that where a service or maintenance agreement taxable under this act covers any period commencing on or after July 1, 1966 and ending after February 28, 1970, the receipts from such agreement are subject to tax at the rate applicable to each period as set forth hereinabove and shall be apportioned on the basis of the ratio of the number of days falling within each of the said periods to the total number of days covered thereby.

(b) The tax imposed under subsection (d) of section 3 shall be paid at the rate of 5% upon any occupancy on and after March 1, 1970 although such occupancy is pursuant to a prior contract, lease or other arrangement. Where an occupancy, taxable under this act, covers any period on or after July 1, 1966 but prior to March 1, 1970 the rent for the period of occupancy prior to March 1, 1970 shall be taxed at the rate of 3%. Where rent is paid on a weekly, monthly or other term basis, the rent applicable to each period as set forth hereinabove shall be apportioned on the basis of the ratio of the number of days falling within each of the said periods to the total number of days covered thereby.

CHAPTER 8

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 54:9-2 of the Revised Statutes is amended to read as follows:

Taxation of bank and trust company stock.

54:9-2. The shares of capital stock of banks, as defined in section 54:9-1 of this Title, shall be assessed and taxed according to their
value, to be determined in accordance with the provisions of sections 54:9-4 and 54:9-9 of this Title. Such assessment and taxation shall not be at a greater rate than is made or assessed upon other moneyed capital in the hands of individual citizens of this State.

2. Section 54:9-4 of the Revised Statutes is amended to read as follows:

Value of each share ascertained; certain stock exempt.

54:9-4. The value of each share of common stock of each bank shall be ascertained and determined by adding the amount of its capital, surplus and undivided profits and deducting therefrom the assessed value of its real property, including in such deduction the assessed value of all real property owned by a corporation all the stock of which corporation is owned by such bank, and also deducting therefrom an amount equal to the aggregate sum of the par value of all classes of the issued and outstanding preferred stock of such bank and such additional sum in excess of par value as the holders of such preferred stock are entitled to receive upon the retirement of such preferred stock (irrespective of whether the bank has created a reserve for the retirement of such preferred stock or any class thereof, or the amount of any such reserve), and by dividing the result by the number of its shares of common stock outstanding. The value of each share of each class of preferred stock of each bank shall be ascertained and determined by aggregating the sum of the par value of each class of the issued and outstanding preferred stock of such bank and such additional sum in excess of such par value as the holders of such preferred stock are entitled to receive upon the retirement of such preferred stock (irrespective of whether the bank has created a reserve for the retirement of such preferred stock or any class thereof, or the amount of any such reserve), and by dividing the result by the number of shares in each class. There shall not be assessed or taxed any stock issued to former unpaid depositors of the bank while held to evidence their right to repayment under any plan of reopening or rehabilitation approved by the Commissioner of Banking and Insurance or any preferred stock held by the United States or any agency thereof. No deduction or exemption shall be allowed or made from the value determined as provided in this section.
3. Section 54:9-5 of the Revised Statutes is amended to read as follows:

**Filing of certain statements; contents; confidential; assessment date.**

54:9-5. (1) For the purposes of assessment, the chief fiscal officer of every such bank shall annually, on or before January 10, file with the secretary of the board of taxation of the county within which its principal office is located, and with the secretary of the board of taxation of every other county within which it has a branch office, and with the Director of the Division of Taxation of the State Department of the Treasury, a true statement under the oath of its president, cashier, or treasurer, setting forth the following as of the close of business on the assessment date as herein defined:

Its name, the location of its principal office and of each branch office maintained by it, including the name of the county in which each such office is located; the total deposit balances at each of its offices and the total deposit balances of such bank as of the close of business on the assessment date;

b. The amount of its capital, surplus and undivided profits;

c. The number of shares of its issued and outstanding preferred stock of all classes, separately itemizing the amount held by the United States, or any agency thereof, and the aggregate par value of each class thereof, and the amount required, in addition to the par value of the preferred stock, for the redemption and retirement of such preferred stock;

d. The number of shares of its issued and outstanding common stock;

e. The assessed value of its real property, including the assessed value of all real property owned by a corporation all the stock of which is owned by such bank.

The statements so filed shall be confidential and shall not be available to the public. The Director of the Division of Taxation of the State Department of the Treasury may require a profit and loss statement, balance sheet, and any additional information, which in his opinion, may be necessary for a reasonable determination or verification of any of the facts required to be set forth in any statements so filed.

(2) For the purposes of this subtitle, "assessment date" means the December 31 next preceding the month during which the statement described in subsection (1) of this section is required to be filed, and "office," when not otherwise designated includes principal office and branch office.
4. Section 54:9-7 of the Revised Statutes is amended to read as follows:

**Tax rate; tax in lieu of other taxes.**

54:9-7. The rate of tax upon the shares of stock of banks shall be, throughout the State, 1½% upon the value thereof, as ascertained and fixed in the manner provided in section 54:9-4 of this Title and the owners of such stock shall be entitled to no deduction from the taxable value of their shares because of their personal indebtedness or for any other reason. The tax shall be in lieu of all other State, county or local taxation upon such shares or upon any personal property held or owned by banks, the value of which enters into the taxing value of the shares of stock.

5. Section 54:9-9 of the Revised Statutes is amended to read as follows:

**Facts to be ascertained by county board.**

54:9-9. Each county board of a county in which a bank has its principal office or a branch office or offices shall annually, on or before March 1, ascertain from an inspection of the statements filed, and from any other sources of information which may be open to it:

b. The number of shares of common and preferred capital stock of each issued and outstanding;

c. The aggregate amount of the capital, surplus and undivided profits of each;

d. The number of shares of its issued and outstanding preferred stock of all classes and the aggregate par value of each class thereof, and the amount required, in addition to the par value of the preferred stock, for the retirement of such preferred stock, separately stating such preferred stock and the value thereof as determined hereunder as is held by the United States or any agency thereof;

e. The number of shares of its issued and outstanding common stock;

f. The assessed value of its real property, and the assessed value of all real property owned by a corporation all the stock of which is owned by such bank;

g. The value of all the capital stock of each issued and outstanding as determined pursuant to section 54:9-4 of this Title;
h. The value of a single share of each, determined in accordance with the provisions of section 54:9-4 of this Title;

i. The amount of tax levied upon the capital stock of each at the uniform rate;

j. The total deposit balances of each such bank as of the close of business on the reporting date as specified in section 54:9-5 of this Title, and the total deposit balances at each office of such bank in such county as of the close of business on the assessment date; and

k. The amount of the tax payable to such county by each bank as provided by section 54:9-13 of this Title.

6. Section 54:9-10 of the Revised Statutes is amended to read as follows:

Amount of tax; distribution between county and districts.

54:9-10. The amount ascertained as provided in section 54:9-9 of this Title to be due upon the shares of the stock of each bank, shall be the tax levied and to be paid in accordance with the provisions of this subtitle, subject to review, correction and equalization, as hereinbefore provided. The county board of taxation shall also estimate the amounts of such taxes which will be payable to the county and to any taxing district therein under the provisions of this subtitle, and in fixing the respective tax rates for the current year these sums shall be deducted from the amounts to be raised by taxation.

7. Section 54:9-11 of the Revised Statutes is amended to read as follows:

Tabulation of taxes attached to table of aggregates.

54:9-11. Each county board of taxation shall attach to the table of aggregates required to be transmitted to the county treasurer a tabulation of the taxes so assessed and levied in its county. This tabulation shall not be included among the ratables of the county or any taxing district for any purpose other than the collection of the taxes imposed according to the provisions of this subtitle. Each treasurer of a county in which a bank maintains an office shall collect from such bank the portion of the tax imposed against the capital stock of the bank as provided in section 54:9-13 of this Title. The tax so imposed shall be payable ½ thereof on June 1, 1970 and on June 1 of each year thereafter and ½ thereof on December 1, 1970, and on December 1 of each year thereafter.
8. Section 54:9-12 of the Revised Statutes is amended to read as follows:

**Stock assessed against stockholders; payment by bank; lien.**

The shares of stock of every bank shall be assessed against the stockholders in the taxing district or districts within which the bank has an office or offices and the tax assessed against such stockholders shall be a lien upon their stock from January 1 in each year. The stock may be levied upon and sold by the county treasurer on default of payment. Each bank shall pay the tax assessed against its shareholders on demand, and shall have a lien upon the shares of stock for the payment and may retain the amount so paid out of the dividends that may be declared on those shares.

9. Section 54:9-13 of the Revised Statutes is amended to read as follows:

**Tax apportioned between State, county and taxing districts.**

54:9-13. When a bank has offices in only one county, the entire tax imposed against the capital stock of such bank shall be collected by the treasurer of such county. When a bank maintains an office in more than one county, the treasurer of each county in which the bank maintains an office or offices shall collect from such bank that proportion of the total tax payable by such bank pursuant to this Title which the total deposit balances at all offices of such bank in such county at the close of business on the assessment date bear to the total deposit balances of such bank as of the close of business on the assessment date. The tax collected by the treasurer of each county shall be apportioned by such treasurer 1/2 to the State, 1/4 to such county, and 1/4 to the taxing districts in which such bank has an office or offices, each such taxing district being entitled to that proportion of 1/4 of the tax collected by the county treasurer, as the deposit balances at all offices of such bank in such taxing district as of the close of business on the assessment date bears to the total deposit balances at all offices of such bank in such county as of the close of business on such assessment date. The amount so due to the State and each taxing district shall be paid forthwith by the disbursing officer of the county, setting forth, in detail, the amount of the tax received, the banks by which it was paid, the aggregate amount thereof, and the basis of apportionment. The amount payable to the State shall be payable to the State Treasurer.

All other provisions of this section shall apply, and the tax shall be a lien against the property and assets of the bank and collectible as other taxes are collected. Nothing herein contained shall be construed as a taxation of property as distinguished from capital stock.

11. Section 54:9-15 of the Revised Statutes is amended to read as follows:

**Filing of copies of resolution; revocation.**

54:9-15. A certified copy of the resolution shall be filed with the county board of taxation of each county in which the bank maintains an office at least 30 days before January 1 in any year and an additional copy shall be filed at the same time with the Commissioner of Banking and Insurance. (a) "Director" shall mean the Director of the Division of Taxation of the State Department of the Treasury.

(b) "Financial business" shall mean all business enterprise which is (1) in substantial competition with the business of national banks and which (2) employs moneyed capital with the object of making profit by its use as money, through discounting and negotiating promissory notes, drafts, bills of exchange and other evidences of debt; buying and selling exchange; making of or dealing in secured or unsecured loans and discounts; dealing in securities and shares of corporate stock by purchasing and selling such securities and stock without recourse, solely upon the order and for the account of customers; or investing and reinvesting in marketable obligations evidencing indebtedness of any person, copartnership, association or corporation in the form of bonds, notes or debentures commonly known as investment securities; or dealing in or underwriting obligations of the United States, any State or any political subdivision thereof, or of a corporate instrumentality of any of them. This shall include, without limitation of the foregoing businesses commonly known as industrial banks, dealers in commercial paper and acceptances, sales finance, personal finance, small loan and mortgage financing businesses, as well as any other enterprise employing moneyed capital coming into competition with the business of national banks; provided, that the holding of bonds, notes, or other evidences of indebtedness by individual persons not employed or engaged in the banking or investment business and representing merely personal investments not made in competition with the business of national banks, shall not be deemed financial business. Nor shall "financial business" include national banks, production credit associations organized under the Farm Credit Act of 1933, stock and mutual insurance companies duly authorized to transact business in this State, security brokers or dealers or investment companies or bankers not employing moneyed capital coming into competition with the business of national banks, or any of the following entities organized under the laws of this State: credit unions, savings banks, savings and loan and building and loan associations, pawnbrokers, and State banks and trust companies.

(c) "Net worth" shall mean:

(1) In the case of a corporation—the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equita-

(2) In the case of a partnership, individual proprietorship, joint venture or any other unincorporated association—the aggregate of the values disclosed by the books of the taxpayer for capital and undivided profits; provided, that there shall be no deduction from assets of debts owing to partners, proprietors or members, as of the close of a tax year.

(d) “Tax year” shall mean the calendar year with respect to which a tax is measured pursuant to this act.

(e) “Taxpayer” shall mean any person, copartnership, association or corporation subject to taxation under this act.

2. Section 3 of P. L. 1946, chapter 174 (C. 54:10B-3) is amended to read as follows:

C. 54:10B-3 Excise tax imposed.

3. There is hereby imposed upon every person, copartnership, association and corporation doing a financial business in this State, an annual excise tax, payable in the year 1970 and in each year thereafter, at the rate of 1 1/2% upon its net worth, less the deductions hereinafter allowed, as of the close of the preceding calendar year, but in no event less than $25.00. Such tax shall also be in lieu of any State franchise tax or of any State or local taxation of, upon or measured by personal property entering into the determination of net worth.

C. 54:10B-5 Additional information to determine fair value of assets.

5. If in the opinion of the director, the taxpayer's books do not disclose fair valuations the director may require any additional information which may be necessary for a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets carried on the books of the taxpayer, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

4. Section 10 of P. L. 1946, chapter 174 (C. 54:10B-10) is amended to read as follows:

C. 54:10B-10 Evading tax; director's power to determine tax.

10. Whenever it shall appear to the director that any taxpayer maintains a place of business outside this State, or that any agree-
ment, understanding or arrangement exists between a taxpayer and any corporation, person or firm, for the purpose of evading tax under this act, or whereby the activity, business, receipts or net worth of the taxpayer is distorted for such purpose, the director may in his discretion and in such manner as he may determine, adjust items of net worth, gross business within and without the State and the allocation of net worth, or make such other adjustments in any tax report or tax return as may be necessary for a true and correct determination of the tax pursuant to this act. The director may require any person or corporation to submit information under oath, or to permit examination of its books, papers and documents, as may be necessary to enable him to determine the existence, nature or extent of an agreement, understanding or arrangement to which this section relates, whether or not such person or corporation is subject to the tax imposed by this act.

5. Section 13 of P. L. 1946, chapter 174 (C. 54:10B-13) is amended to read as follows:

C. 54:10B-13 Copies of income tax returns or statements of securities for director.

13. Each taxpayer shall together with the payment due hereunder duly execute and file a tax return with the director, in such form and containing such information as he may prescribe, which return shall truly and accurately set forth its liability under this act.

7. Section 15 of P. L. 1946, chapter 174 (C. 54:10B-15) is amended to read as follows:

15. The director may grant a reasonable extension of time for the filing of returns or the payment of tax, or both, under such conditions, rules and regulations as he shall prescribe, but no such extension shall be granted beyond December 1 of the year in which
the tax is due. If the time for filing the return shall be extended, the payment of the tax shall be postponed to the date fixed by the extension of the time for the filing of the return, but in every such case the taxpayer shall pay, in addition to the tax, interest thereon at the rate of 6% per annum from the time when the return originally was required to be filed to the time of payment under the extension.

8. Section 17 of P. L. 1946, chapter 174 (C. 54:10B-17) is amended to read as follows:

C. 54:10B-17 Form of return.

17. The director shall design a form of return and forms for such additional statements or schedules as he may require to be filed therewith. Such forms shall provide for the setting forth of such facts as the director may deem necessary for the proper enforcement of this act. He shall cause a supply thereof to be printed and shall furnish appropriate blank forms to each taxpayer upon application or otherwise as he may deem necessary. Failure to receive a form shall not relieve any taxpayer from the obligation to file a return under the provisions of this act. Each such return shall be made upon the oath or affirmation of the president, vice-president, or secretary or treasurer of a corporation, or of a partner or proprietor in the case of other taxpayers, and in the case of a taxpayer in liquidation or in the hands of a receiver or trustee, shall be made on the oath or affirmation of the person responsible for the conduct of the affairs of such taxpayer.

9. Section 20 of P. L. 1946, chapter 174 (C. 54:10B-20) is amended to read as follows:

C. 54:10B-20 Failure to pay tax; revocation of certificate of authority to do business.

20. In the event of failure or neglect of any taxpayer which is a foreign corporation to pay the tax imposed by this act, on or before December 1 in each year, immediate notice thereof may be given by the director to the Secretary of State who shall immediately revoke the certificate of authority of said corporation to do business in the State of New Jersey and notice of such revocation shall be given by the Secretary of State to the corporation affected and thereafter such corporation, so far as the further transaction of business in the State of New Jersey is concerned, shall be in the same condition as if no certificate of authority had ever been issued to it by the Secretary of State, but remedies provided by this act for the collection of the tax and interest and penalties shall remain unimpaired. After the revocation of any such certificate of authority, no new certificate shall be issued by the Secretary of State to such default-
ing corporation until the payment of all assessments imposed hereunder and remaining unpaid with penalties and interest and any costs that may have accrued, such payment to be evidenced by a certificate of the director.

10. Section 22 of P. L. 1946, chapter 174 (C. 54:10B-22) is amended to read as follows:

C. 54:10B-22  Rules and regulations.

C. 54:10B-24  Distribution of tax collected.

24. The aggregate amount of tax, interest and penalties payable pursuant to this act shall upon payment be distributed among the State and the various taxing districts and counties in which taxpayers hereunder have maintained places of business at any time during the tax year. On or before November 1 in each year, the director shall determine from net worth allocations contained in tax returns filed in the same year the aggregate amount of tax, interest and penalties attributable to places of business located in each of the various taxing districts of this State during the tax year. He shall apportion ⅓ of the amount so determined to each taxing district, respectively, ⅓ thereof to the county in which the taxing district is located and ⅓ thereof to the State. The director shall forthwith certify such apportionment to the State Treasurer, who shall upon proper audit transmit to each county treasurer a certificate showing the amounts allotted to the taxing districts therein, and shall, on or before November 10 of the year in which the taxes are payable, draw and transmit his warrant upon the State Treasury, in favor of the several county treasurers, for the amounts allotted to their several counties. Each county treasurer shall forthwith, and not later than December 15, pay to the collector or other proper officer of each taxing district the amount allotted thereto, deducting, however, the amount due for county taxes from the taxing district. The amount thus paid to the county and taxing district shall be at the disposal of the proper authorities for public purposes.

12. This act shall take effect immediately and shall be applicable to taxes due and payable in the year 1970 and in each year thereafter.

Approved February 9, 1970.

CHAPTER 13, LAWS OF 1970

C. 5:9-11 License to sell tickets or shares; conditions; “person” defined.

11. No license as an agent to sell lottery tickets or shares shall be issued to any person to engage in business exclusively as a lottery sales agent. Before issuing such license the director shall consider such factors as (a) the financial responsibility and security of the person and his business or activity, (b) the accessibility of his place of business or activity to the public, (c) the sufficiency of existing licenses to serve the public convenience, and (d) the volume of expected sales.

For the purposes of this section, the term “person” shall be construed to mean and include an individual, association, corporation, club, trust, estate, society, company, joint stock company, receiver, trustee, assignee, referee, or any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, and any combination of individuals. “Person” shall also be construed to mean and include all departments, commissions, agencies and instrumentalities of the State, including counties and municipalities and agencies and instrumentalities thereof.

C. 5:9-12 Authority to act as sales agent.

12. Notwithstanding any other provision of law, any person licensed as provided in this act is hereby authorized and empowered to act as a lottery sales agent.

C. 5:9-13 Right to prize not assignable; exceptions.

13. No right of any person to a prize drawn shall be assignable, except that payment of any prize drawn may be paid to the estate of a deceased prize winner, and except that any person pursuant to an appropriate judicial order may be paid the prize to which the winner is entitled. The director shall be discharged of all further liability upon payment of a prize pursuant to this section.

C. 5:9-14 Sale at unauthorized price or by unauthorized persons; penalty.

14. No person shall sell a ticket or share at a price greater than that fixed by rule or regulation of the commission. No person other than a licensed lottery sales agent shall sell lottery tickets or shares, except that nothing in this section shall be construed to prevent any person from giving lottery tickets or shares to another as a gift.

Any person convicted of violating this section shall be guilty of a misdemeanor.

C. 5:9-15 Sale to person under 18; penalty.

15. No ticket or share shall be sold to any person under the age of 18, but this shall not be deemed to prohibit the purchase of a
ticket or share for the purpose of making a gift by a person 18 years of age or older to a person less than that age. Any licensee who knowingly sells or offers to sell a lottery ticket or share to any person under the age of 18 is a disorderly person.

If no claim is made for said money within such year, the prize money shall be allocated to State institutions and State aid for education in the same manner as lottery revenues are allocated for such purposes under this act.

C. 5:9-18 Authority to require deposits.

18. The director may, in his discretion, require any or all lottery sales agents to deposit to the credit of the State Lottery Fund in banks, designated by the State Treasurer all moneys received by such agents from the sale of lottery tickets or shares, less the amount, if any, retained as compensation for the sale of the tickets or shares, and to file with the director or his designated agents reports of their receipts and transactions in the sale of lottery tickets in such form and containing such information as he may require. The director may make such arrangements for any person, including a bank, to perform such functions, activities or services in connection with the operation of the lottery as he may deem advisable pursuant to this act and the rules and regulations of the commission, and such functions, activities or services shall constitute lawful functions, activities and services of such person.

C. 5:9-19 Certain laws not applicable.

19. No other law providing any penalty or disability for the sale of lottery tickets or any acts done in connection with a lottery shall apply to the sale of tickets or shares performed pursuant to this act.

C. 5:9-20 Award of prize to person under 18; conditions.

20. If the person entitled to a prize or any winning ticket is under the age of 18 years, and such prize is less than $5,000.00, the
director may direct payment of the prize by delivery to an adult member of the minor’s family or a guardian of the minor of a check or draft payable to the order of such minor. If the person entitled to a prize or any winning ticket is under the age of 18 years, and such prize is $5,000.00 or more, the director may direct payment to such minor by depositing the amount of the prize in any bank to the credit of an adult member of the minor’s family or a guardian of the minor as custodian for such minor. The person so named as custodian shall have the same duties and powers as a person designated as a custodian in a manner prescribed by the “New Jersey Uniform Gifts to Minors Act,” P. L. 1963, chapter 177 (C. 46:38-13 et seq.) and for the purposes of this section the terms “adult member of a minor’s family,” “guardian of a minor” and “bank” shall have the same meaning as in said act. The director shall be discharged of all further liability upon payment of a prize to a minor pursuant to this section.

C. 5:9-21 State Lottery Fund established.

21. There is hereby created and established in the Department of the Treasury a separate fund, to be known as the “State Lottery Fund,” to be deposited in such depositories as the State Treasurer may select. Such fund shall consist of all revenues received from the sale of lottery tickets or shares, and all other moneys credited or transferred thereto from any other fund or source pursuant to law.

C. 5:9-22 Use of moneys in State Lottery Fund.

22. The moneys in said State Lottery Fund shall be appropriated only (a) for the payment of prizes to the holders of winning lottery tickets or shares, (b) for the expenses of the division in its operation of the lottery, (c) for State institutions and State aid for education as shall be provided by law, and (d) for the repayment to the general treasury of the amount appropriated to the fund pursuant to section 23 of this act.

23. There is hereby appropriated to the State Lottery Fund from the general fund the sum of $1,500,000.00 and such other moneys as shall be appropriated by the general or any supplemental appropriations act, or so much thereof as may be necessary, in the first instance, for the purposes of the division in carrying out its functions and duties pursuant to this act. Such appropriation shall be repaid to the general fund as soon as practicable from the net revenues accruing in the State Lottery Fund after the payment of prizes to holders of winning tickets or shares and expenses of the division.

25. The State Auditor shall conduct an annual post-audit of all accounts and transactions of the division and such other special post-audits as he may be directed to conduct pursuant to chapter 24 of Title 52 of the Revised Statutes.

26. If any clause, sentence, paragraph, subdivision, section, provision or other portion of this act or the application thereof to any person or circumstances is held to be invalid, such holding shall not affect, impair or invalidate the remainder of this act or the application of such portion held invalid to any other person or circumstances, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, provision or other portion thereof directly involved in such holding or to the person and circumstances therein involved. If any provision of this act is inconsistent with, in conflict with, or contrary to any other provision of law, such provision of this act shall prevail over such other provision and such other provision shall be deemed to have been amended, superseded or repealed to the extent of such inconsistency, conflict and contrariety.

27. This act shall take effect immediately.

b. The term "commissioner" shall mean the Commissioner of Insurance or his deputies.

c. The term "control" (including the terms "controlling," "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, 10% or more of the voting securities of any other person, provided that no such presumption of control shall of itself relieve any person so presumed to have control from any requirement of this chapter. This presumption may be rebutted by a showing made in the manner provided by section 3(i) that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

d. An "insurance holding company system" consists of two or more affiliated persons, one or more of which is an insurer.

e. The term "insurer" means any person or persons, corporation, partnership or company authorized by the laws of this State to transact the business of insurance in this State, except that it shall not include agencies, authorities or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state.

f. A "person" is an individual, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization, any similar entity or any combination of the foregoing acting in concert, but shall not include any securities broker performing no more than the usual and customary broker's function.

g. A "securityholder" of a specified person is one who owns any security of such person, including common stock, preferred stock, debt obligations, and any other security convertible into or evidencing the right to acquire any of the foregoing.

h. A "subsidiary" of a specified person is an affiliate controlled by such person directly, or indirectly through one or more intermediaries.
i. The term "voting security" shall include any security convertible into or evidencing a right to acquire a voting security.

C. 17:27A-2 Acquisition of control of or merger with domestic insurer.

2. Acquisition of control of or merger with domestic insurer.
   a. Filing requirements. No person other than the issuer shall make a tender offer for or a request or invitation for tenders of, or enter into any agreement to exchange securities for, seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer if, after the consummation thereof, such person would, directly or indirectly (or by conversion or by exercise of any right to acquire) be in control of such insurer, and no person shall enter into an agreement to merge with or otherwise to acquire control of a domestic insurer unless, at the time any such offer, request, or invitation is made or any such agreement is entered into, or prior to the acquisition of such securities if no offer or agreement is involved, such person has filed with the commissioner and has sent to such insurer, and, to the extent permitted by applicable Federal laws, rules and regulations, such insurer has sent to its shareholders, a statement containing the information required by this section and such offer, request, invitation, agreement or acquisition has been approved by the commissioner in the manner hereinafter prescribed.

   (1) For purposes of this section: a domestic insurer shall include any other person controlling a domestic insurer unless such other person is either directly or through its affiliates primarily engaged in business other than the business of insurance.

   b. Content of statement. The statement to be filed with the commissioner hereunder shall be made under oath or affirmation and shall contain the following information:

      (1) The name and address of each person by whom or on whose behalf the merger or other acquisition of control referred to in subsection a. is to be effected (hereinafter called "acquiring party"), and

      (i) If such person is an individual, his principal occupation and all offices and positions held during the past 5 years, and any conviction of crimes other than minor traffic violations during the past 10 years;

      (ii) If such person is not an individual, a report of the nature of its business operations during the past 5 years or for such lesser period as such person and any predecessors thereof shall have been in existence; an informative description of the business
intended to be done by such person and such person’s subsidiaries; and a list of all individuals who are or who have been selected to become directors or executive officers of such person, or who perform or will perform functions appropriate to such positions. Such list shall include for each such individual the information required by paragraph (i) of this subsection.

(2) The source, nature and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction wherein funds were or are to be obtained for any such purpose, and the identity of persons furnishing such consideration, provided, however, that where a source of such consideration is a loan made in the lender’s ordinary course of business, the identity of the lender shall remain confidential, if the person filing such statement so requests.

(3) Fully audited financial information as to the earnings and financial condition of each acquiring party for the preceding 5 fiscal years of each such acquiring party (or for such lesser period as such acquiring party and any predecessors thereof shall have been in existence), and similar unaudited information as of a date not earlier than 90 days prior to the filing of the statement.

(4) Any plans or proposals which each acquiring party may have to liquidate such insurer, to sell its assets or merge or consolidate it with any person, or to make any other material change in its business or corporate structure or management.

(5) The number of shares of any security referred to in subsection a. which each acquiring party proposes to acquire, and the terms of the offer, request, invitation, agreement, or acquisition referred to in subsection a., and a statement as to the method by which the fairness of the proposal was arrived at.

(6) The amount of each class of any security referred to in subsection a. which is beneficially owned or concerning which there is a right to acquire beneficial ownership by each acquiring party.

(7) A full description of any contracts, arrangements or understandings with respect to any security referred to in subsection a. in which any acquiring party is involved, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies. Such description shall identify the persons with whom such contracts, arrangements or understandings have been entered into.
(8) A description of the purchase of any security referred to in subsection a. during the 12 calendar months preceding the filing of the statement, by any acquiring party, including the dates of purchase, names of the purchasers, and consideration paid or agreed to be paid therefor.

(9) A description of any recommendations to purchase any security referred to in subsection a. made during the 12 calendar months preceding the filing of the statement, by any acquiring party, or by anyone based upon interviews or at the suggestion of such acquiring party.

(10) Copies of all tender offers for, requests or invitations for tenders of, exchange offers for, and agreements to acquire or exchange any securities referred to in subsection a., and (if distributed) of additional soliciting material relating thereto.

(11) The terms of any agreement, contract or understanding made with any broker-dealer as to solicitation of securities referred to in subsection a. for tender, and the amount of any fees, commissions or other compensation to be paid to broker-dealers with regard thereto.

(12) Such additional information as the commissioner may by rule or regulation prescribe as necessary or appropriate for the protection of policyholders and securityholders of the insurer or in the public interest.

If the person required to file the statement referred to in subsection a. is a partnership, limited partnership, syndicate or other group, the commissioner may require that the information called for by clauses (1) through (12) shall be given with respect to each partner of such partnership or limited partnership, each member of such syndicate or group, and each person who controls such partner or member. If any such partner, member or person is a corporation or the person required to file the statement referred to in subsection a. is a corporation, the commissioner may require that the information called for by clauses (1) through (12) shall be given with respect to such corporation, each officer and director of such corporation, and each person who is directly or indirectly the beneficial owner of more than 10% of the outstanding voting securities of such corporation.

If any material change occurs in the facts set forth in the statement filed with the commissioner and sent to such insurer pursuant to this section, an amendment setting forth such change, together with copies of all documents and other material relevant to such change, shall be filed with the commissioner and sent to such insurer.
within 2 business days after the person learns of such change. Such insurer shall send such amendment to its shareholders.

c. Alternative filing materials. If any offer, request, invitation, agreement or acquisition referred to in subsection a. is proposed to be made by means of a registration statement under the Securities Act of 1933 or in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934, or under a State law requiring similar registration or disclosure, the person required to file the statement referred to in subsection a. may utilize such documents in furnishing the information called for by that statement.

d. Approval by commissioner; hearings.

(1) The commissioner shall approve any merger or other acquisition of control referred to in subsection a. unless, after a public hearing thereon, he finds that:

(i) After the change of control the domestic insurer referred to in subsection a. would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

(ii) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this State or tend to create a monopoly therein;

(iii) The financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of any remaining securityholders who are unaffiliated with such acquiring party;

(iv) The terms of the offer, request, invitation, agreement or acquisition referred to in subsection a. are unfair and unreasonable to the securityholders of the insurer;

(v) The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable to policyholders of the insurer and not in the public interest; or

(vi) The competence, experience and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control.

(2) The public hearing referred to in clause (1) shall be held within 30 days after the statement required by subsection a. is filed, and at least 20 days' notice thereof shall be given by the commis-
sioner to the person filing the statement and the insurer. Not less than 7 days' notice of such public hearing shall be given by the person filing the statement to such other persons as may be designated by the commissioner. The insurer shall give such notice to its securityholders. The commissioner shall make a determination within 30 days after the conclusion of such hearing. At such hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interests may be affected thereby shall have the right to present evidence, examine and cross-examine witnesses, and offer oral and written arguments and in connection therewith shall be entitled to conduct discovery proceedings in the same manner as is presently allowed in the Superior Court of this State. All discovery proceedings shall be concluded not later than 3 days prior to the commencement of the public hearings.

e. Mailings to shareholders; payment of expenses. To the extent permitted by applicable Federal laws, rules and regulations, all statements, amendments, or other material filed pursuant to subsection a. or b., and all notices of public hearings held pursuant to subsection d., shall be mailed by the insurer to its shareholders within 5 business days after the insurer has received such statements, amendments, other material, or notices. The expenses of mailing shall be borne by the person making the filing. As security for the payment of such expenses, such person shall file with the commissioner an acceptable bond or other deposit in an amount to be determined by the commissioner.

f. Exemptions. The provisions of this section shall not apply to:

(1) Any acquisitions by the person, other than the issuer, referred to in subsection a. of any newly issued voting securities referred to in subsection a. which, immediately prior to such acquisition, were not issued and outstanding;

(2) Any offer, request, invitation, agreement or acquisition which the commissioner by order shall exempt therefrom as (a) not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer, or (b) as otherwise not comprehended within the purposes of this section; and

(3) Any transaction which is subject to the provisions of section four of P. L. 1967, chapter 201 (C. 17:24-20).

g. Violations. The following shall be violations of this section:

(1) The failure to file any statement, amendment, or other material required to be filed pursuant to subsection a. or b.; or
(2) Subject to subsection f., the effectuation of an acquisition of control of, or merger with, a domestic insurer unless the commissioner has given his approval thereto.

h. Jurisdiction; consent to service of process. The courts of this State are hereby vested with jurisdiction over every person not resident, domiciled, or authorized to do business in this State who files a statement with the commissioner under this section, and over all actions involving such person arising out of violations of this section, and each such person shall be deemed to have performed acts equivalent to and constituting an appointment by such a person of the commissioner to be his true and lawful attorney upon whom may be served all lawful process in any action, suit or proceeding arising out of violations of this section. Copies of all such lawful process shall be served on the commissioner and transmitted by registered or certified mail by the commissioner to such person at his last known address.

C. 17:27A-3 Registration of insurers.

3. Registration of insurers.

a. Registration. Every insurer which is authorized to do business in this State and which is a member of an insurance holding company system shall register with the commissioner, except a foreign insurer subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in this section. Any insurer which is subject to registration under this section shall register within 60 days after the effective date of this act or 15 days after it becomes subject to registration, whichever is later, unless the commissioner for good cause shown extends the time for registration, and then within such extended time. The commissioner may require any authorized insurer which is a member of a holding company system which is not subject to registration under this section to furnish a copy of the registration statement or other information filed by such insurance company with the insurance regulatory authority of domiciliary jurisdiction.

b. Information and form required. Every insurer subject to registration shall file a registration statement on a form provided by the commissioner, which shall contain current information about:

(1) The capital structure, general financial condition, ownership and management of the insurer and any person controlling the insurer;
(2) The identity of every member of the insurance holding company system;

(3) The following agreements in force, relationships subsisting, and transactions currently outstanding between such insurer and its affiliates:

(a) Loans, other investment, or purchases, sales or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;

(b) Purchases, sales, or exchanges of assets;

(c) Transactions not in the ordinary course of business;

(d) Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;

(e) All management and service contracts and all cost-sharing arrangements, other than cost allocation arrangements based upon generally accepted accounting principles; and

(f) Reinsurance agreements covering all or substantially all of one or more lines of insurance of the ceding company.

(4) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the commissioner.

c. Materiality. No information need be disclosed on the registration statement filed pursuant to section 3b. if such information is not material for the purposes of this section. Unless the commissioner by rule, regulation or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit, or investments, involving 1/2 of 1% or less of an insurer's admitted assets as of December 31 next preceding shall not be deemed material for purposes of this section.

d. Amendments to registration statements. Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions on amendment forms provided by the commissioner within 15 days after the end of the month in which it learns of each such change or addition, provided, however, that subject to subsection e. of section 4, each registered insurer shall so report all such dividends and other distributions to shareholders within 2 business days following the declaration thereof.

e. Termination of registration. The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.
f. Consolidated filing. The commissioner may require or allow 2 or more affiliated insurers subject to registration hereunder to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.

g. Alternative registration. The commissioner may allow an insurer which is authorized to do business in this State and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under subsection a, and to file all information and material required to be filed under this section.

h. Exemptions. The provisions of this section shall not apply to any insurer, information or transaction if and to the extent that the commissioner by rule, regulation, or order shall exempt the same from the provisions of this section.

i. Disclaimer. Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer or such a disclaimer may be filed by such insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between such person and such insurer as well as the basis for disclaiming such affiliation. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section which may arise out of the insurer’s relationship with such person unless and until the commissioner disallows such a disclaimer. The commissioner shall disallow such a disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support such disallowance.

j. Violations. The failure to file a registration statement or any amendment thereto required by this section within the time specified for such filing shall be a violation of this section.

C. 17:27A-4 Standards.

4. Standards.

a. Transactions with affiliates. Material transactions by registered insurers with their affiliates shall be subject to the following standards:

(1) The terms shall be fair and reasonable;

(2) The books, accounts and records of each party shall be so maintained as to clearly and accurately disclose the precise nature and details of the transactions; and

(3) The insurer’s surplus as regards policyholders following any dividends or distributions to shareholder affiliates shall be
reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

b. Adequacy of surplus. For purposes of this chapter, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, shall be considered:

(1) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force and other appropriate criteria;
(2) The extent to which the insurer's business is diversified among the several lines of insurance;
(3) The number and size of risks insured in each line of business;
(4) The extent of the geographical dispersion of the insurer's insured risks;
(5) The nature and extent of the insurer's reinsurance program;
(6) The quality, diversification, and liquidity of the insurer's investment portfolio;
(7) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders;
(8) The surplus as regards policyholders maintained by other comparable insurers;
(9) The adequacy of the insurer's reserves; and
(10) The quality and liquidity of investments in subsidiaries. The commissioner may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in his judgment such investment so warrants.

c. Dividends and other distributions. No domestic insurer subject to registration under section 3 shall pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until (1) 30 days after the commissioner has received notice of the declaration thereof and has not within such period disapproved such payment, or (2) the commissioner shall have approved such payment within such 30-day period.

For purposes of this section, an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds the greater of (1) 10% of such insurer's surplus as regards policyholders as of December 31 next preceding, or (2) the net
gain from operations of such insurer, if such insurer is a life insurer, or the net investment income, if such insurer is not a life insurer, for the 12 month period ending December 31 next preceding, but shall not include pro rata distributions of any class of the insurer's own securities.

Notwithstanding any other provision of law, a domestic insurer may declare an extraordinary dividend or distribution which is conditional upon the commissioner's approval thereof, and such a declaration shall confer no rights upon policyholders until (i) 30 days after the commissioner has received notice of the declaration thereof and has not within such period disapproved such payment, or (ii) the commissioner shall have approved such payment within such 30-day period.

C. 17:27A-5 Examination.

5. Examination.

a. Power of commissioner. Subject to the limitation contained in this section and in addition to the powers which the commissioner has under other sections of this Title relating to the examination of insurers, the commissioner shall also have the power to order any insurer registered under section 3 to produce such records, books, or other information papers in the possession of the insurer or its affiliates as shall be necessary to ascertain the financial condition or legality of conduct of such insurer. In the event such insurer fails to comply with such order, the commissioner shall have the power to examine such affiliates to obtain such information.

b. Purpose and limitation of examination. The commissioner shall exercise his power under subsection a. above only if the examination of the insurer under other sections of this Title is inadequate or the interests of the policyholders of such insurer may be adversely affected.

c. Use of consultants. The commissioner may retain at the registered insurer's expense such attorneys, actuaries, accountants and other experts not otherwise a part of the commissioner's staff as shall be reasonably necessary to assist in the conduct of the examination under subsection a. above. Any persons so retained shall be under the direction and control of the commissioner and shall act in a purely advisory capacity.

d. Expenses. The reasonable expenses of the examination pursuant to subsection a. above shall be fixed and determined by the commissioner, and he shall collect them from the insurer examined, which shall pay them on presentation of a detailed account of the expenses.

All information, documents and copies thereof obtained by or disclosed to the commissioner or any other person in the course of an examination or investigation made pursuant to section 5 and all information reported pursuant to section 3 shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the commissioner or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains unless the commissioner, after giving the insurer and its affiliates who would be affected thereby, notice and opportunity to be heard, determines that the interests of policyholders, shareholders or the public will be served by the publication thereof, in which event he may publish all or any part thereof in such manner as he may deem appropriate.

C. 17:27A-7 Rules and regulations.

7. Rules and regulations.

The commissioner may, upon notice and opportunity for all interested persons to be heard, issue such rules, regulations, and orders as shall be necessary to carry out the provisions of this chapter.

C. 17:27A-8 Injunctions; prohibitions against voting securities; sequestration of voting securities.

8. Injunctions; prohibitions against voting securities; sequestration of voting securities.

a. Injunctions. Whenever it appears to the commissioner that any person or any director, officer, employee or agent thereof has committed or is about to commit a violation of this chapter or of any rule, regulation, or order issued by the commissioner hereunder, the commissioner may apply to the Superior Court for an order enjoining such person or such director, officer, employee or agent thereof from violating or continuing to violate this chapter or any such rule, regulation or order, and for such other equitable relief as the nature of the case and the interests of the insurer's policyholders, creditors and shareholders or the public may require.

b. Voting of securities; when prohibited. No security which is the subject of any agreement or arrangement regarding acquisition, or which is acquired or to be acquired, in contravention of the provisions of this chapter or of any rule, regulation or order issued by the commissioner hereunder may be voted at any shareholders' meeting, or may be counted for quorum purposes, and any action of shareholders requiring the affirmative vote of a percentage of
shares may be taken as though such securities were not issued and outstanding; but no action taken at any such meeting shall be invalidated by the voting of such securities, unless the action would materially affect control of the insurer or unless the courts of this State have so ordered. If an insurer or the commissioner has reason to believe that any security of the insurer has been or is about to be acquired in contravention of the provisions of this chapter or of any rule, regulation or order issued by the commissioner hereunder the insurer or the commissioner may apply to the Superior Court to enjoin any offer, request, invitation, agreement or acquisition made in contravention of section 4 or any rule, regulation, or order issued by the commissioner hereunder to enjoin the voting of any security so acquired, to void any vote of such security already cast at any meeting of shareholders, and for such other equitable relief as the nature of the case and the interests of the insurer’s policyholders, creditors and shareholders or the public may require.

c. Sequestration of voting securities. In any case where a person has acquired or is proposing to acquire any voting securities in violation of this chapter or any rule, regulation or order issued by the commissioner hereunder, the Superior Court may, on such notice as the court deems appropriate, upon the application of the insurer or the commissioner seize or sequester any voting securities of the insurer owned directly or indirectly by such person, and issue such orders with respect thereto as may be appropriate to effectuate the provisions of this chapter. Notwithstanding any other provisions of law, for the purposes of this chapter the situs of the ownership of the securities of domestic insurers shall be deemed to be in this State.

C. 17:27A-9 Criminal proceedings.

9. Criminal proceedings.

Whenever it appears to the commissioner that any person or any director, officer, employee or agent thereof has committed a willful violation of this chapter, the commissioner may cause criminal proceedings to be instituted in the Superior Court against such person or the responsible director, officer, employee or agent thereof. Any person willfully violating this chapter may be fined not more than $1,000.00. Any individual who willfully violates this chapter may, if such willful violation involves the deliberate perpetration of a fraud upon the commissioner, be imprisoned not more than 2 years.
C. 17:27A-10 Receivership.

10. Receivership.
Whenever it appears to the commissioner that any person has committed a violation of this chapter which so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business by it hazardous to its policyholders, creditors, shareholders or the public, then the commissioner may proceed as provided in chapter 30 of this Title to take possession of the property of such domestic insurer and to conduct the business thereof.

C. 17:27A-11 Revocation, suspension, or nonrenewal of insurer's license.

11. Revocation, suspension, or nonrenewal of insurer's license.
Whenever it appears to the commissioner that any person has committed a violation of this chapter which makes the continued operation of an insurer contrary to the interests of policyholders or the public, the commissioner may, after giving notice and an opportunity to be heard, determine to suspend, revoke or refuse to renew such insurer's license or authority to do business in this State for such period as he finds is required for the protection of policyholders or the public. Any such determination shall be accompanied by specific findings of fact and conclusions of law.

C. 17:27A-12 Judicial review; order in lieu of prerogative writ.

12. Judicial review; order in lieu of prerogative writ.

a. Any person aggrieved by any act, determination, rule, regulation, or order or any other action of the commissioner pursuant to this chapter may appeal therefrom to the Superior Court. The court shall conduct its review without a jury and by trial de novo, except that if all parties, including the commissioner, so stipulate, the review shall be confined to the record. Portions of the record may be introduced by stipulation into evidence in a trial de novo as to those parties so stipulating.

b. The filing of an appeal pursuant to this section shall stay the application of any such rule, regulation, order or other action of the commissioner to the appealing party unless the court, after giving such party notice and an opportunity to be heard, determines that such a stay would be detrimental to the interests of policyholders, shareholders, creditors or to the public.

c. Any person aggrieved by any failure of the commissioner to act or to make determination required by this chapter may commence an action in the Superior Court for an order in lieu of a prerogative writ directing the commissioner to act or make such determination forthwith.
C. 17:27A-13 Conflict with other laws.

13. Conflict with other laws.

All laws and parts of laws of this State inconsistent with this chapter are hereby superseded with respect to matters covered by this chapter.

C. 17:27A-14 Separability of provisions.

If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this chapter which can be given effect without the invalid provision or application, and for this purpose the provisions of this chapter are separable.

15. This act shall take effect immediately.

Approved April 3, 1970.

5. Transitional provisions. (a) (1) The taxes imposed under subsections (a), (b) and (c) of section 3 shall be paid upon re-
receipts received on or after July 1, 1966 from all sales made and services rendered although made on or rendered under a contract entered into prior to said date, except that in the case of payment for a delivery or transfer of possession of tangible personal property made after July 1, 1966 pursuant to an agreement for the sale of said property made before May 9, 1966 such receipts shall not be subject to tax if; (A) such agreement for the sale of said property was made in writing, (B) the particular item or items of property so sold or agreed to be sold were segregated, before May 9, 1966, from any other similar property in the possession of the vendor and identified as having been appropriated to such sale or agreement of sale, and (C) the purchaser, before July 1, 1966 shall have paid to the vendor not less than 10% of the sale price of said property. Upon written application, made in accordance with applicable rules and regulations, the director may waive the requirement for segregation where it is demonstrated to the satisfaction of the director that in view of the nature of the transaction such segregation would have been impossible.

(2) Except as otherwise provided in this act, receipts received from all sales made and services rendered on and after July 1, 1966 but prior to March 1, 1970, are subject to the taxes imposed under subsections (a), (b), and (c) of section 3 of this act at the rate of 3%, except where the property so sold is delivered or the services so sold are rendered on or after March 1, 1970, in which case the tax shall be computed and paid at the rate of 5%, provided, however, that where a service or maintenance agreement taxable under this act covers any period commencing on or after July 1, 1966 and ending after February 28, 1970, the receipts from such agreement are subject to tax at the rate applicable to each period as set forth hereinabove and shall be apportioned on the basis of the ratio of the number of days falling within each of the said periods to the total number of days covered thereby.

(b) The tax imposed under subsection (d) of section 3 shall be paid at the rate of 5% upon any occupancy on and after March 1, 1970 although such occupancy is pursuant to a prior contract, lease or other arrangement. Where an occupancy, taxable under this act, covers any period on or after July 1, 1966 but prior to March 1, 1970 the rent for the period of occupancy prior to March 1, 1970 shall be taxed at the rate of 3%. Where rent is paid on a weekly, monthly or other term basis, the rent applicable to each
period as set forth hereinabove shall be apportioned on the basis of the ratio of the number of days falling within each of the said periods to the total number of days covered thereby.

(c) Except as otherwise hereinafter provided, the tax imposed under subsection (e) of section 3 shall be applicable at the rate of 5% to any admission to or for the use of facilities of a place of amusement occurring on or after March 1, 1970, whether or not the admission charge has been paid prior to such date unless the tickets were actually sold and delivered (other than for resale) prior to March 1, 1970 and the tax imposed under this act during the period July 1, 1966 through February 28, 1970 shall have been paid.

(d) (1) Sales made to contractors, subcontractors or repairmen of materials, supplies, or services for use in erecting structures for others, or building on, or otherwise improving, altering or repairing real property of others shall be exempt from the taxes imposed by subsections (a) and (b) of section 3 and section 6 hereof, provided such structure, building, improvement, alteration or repair is the subject of a written bid or contract duly tendered or entered into by such contractor, subcontractor, or repairman before May 9, 1966.

(2) Sales made to contractors, subcontractors or repairmen of materials, supplies, or services for use in erecting structures for others, or building on, or otherwise improving, altering or repairing real property of others shall be subject to the taxes imposed by subsections (a) and (b) of section 3 and section 6 hereof at the rate of 5%; provided, however, that when such sales are made for use in performance of a contract which is, either at a fixed price not subject to change or modification, or entered into pursuant to the obligation of a formal written bid which cannot be altered or withdrawn, and, in either case, such contract was entered into or such bid was made on or after May 9, 1966 but prior to March 1, 1970, such sales shall be subject to tax at the rate of 3%, but the vendor shall charge and collect from the purchaser a tax on such sales at the rate of 5% which tax shall be reduced to the rate of 3% only by a claim for refund filed by the purchaser with the director pursuant to the provisions of section 20 of this act.

(3) As to sales other than those referred to in (2) above, the taxes imposed under subsections (a) and (b) of section 3 and section 6 hereof upon receipts received on or after March 1, 1970 and
on or before December 31, 1970 shall be at the rate in effect on
February 9, 1970 in case of sales made or services rendered pur­
suant to a written contract entered into on or after May 9, 1966 but
prior to February 9, 1970 and accompanied by a deposit or partial
payment of the contract price, except in the case of a contract which,
in the usage of trade, is not customarily accompanied by a deposit
or partial payment of the contract price, but the vendor shall charge
and collect from the purchaser a tax on such sales at the rate of
5% which tax shall be refunded, if such receipts were not subject
to tax on February 9, 1970, or reduced to the rate of 3%, as the case
may be, only by a claim for refund filed by the purchaser with the
director within 90 days after receipt of said receipts and otherwise
pursuant to the provisions of section 20 of this act. A claim for
refund where there has been no deposit or partial payment of the
contract price shall not be allowed unless the claimant shall
establish by clear and convincing evidence that, in the usage of
trade, such contracts are not customarily accompanied by a deposit
or partial payment of the contract price.

(e) (1) No tax shall be imposed under subsections (a), (b) and
(c) of section 3 upon receipts received on or after July 1, 1966
in the case of sales made or services rendered, where delivery of
the property which was the subject matter of the sale has been
completed or such services have been entirely rendered, prior to
July 1, 1966.

(2) The taxes imposed under subsections (a), (b) and (c) of
section 3 upon receipts received on or after March 1, 1970 shall
be at the rate of 3% in the case of sales made or services rendered,
where delivery of the property which was the subject matter of the
sale has been completed or such services have been entirely ren­

Such contract or contracts may provide for the payment to the sewerage au-
authority by such municipality annually or otherwise of such sum or 
sums of money, computed at fixed amounts or by a formula based 
on any factors or other matters described in subsection (b) of 
section 8 of this act or in any other manner, as said contract or 
contracts may provide, and the sum or sums so payable may include 
provision for all or any part or a share of the amounts necessary 
(1) to pay or provide for the expenses of operation and mainte­
nance of the sewerage system, including without limitation insur­
ance, extensions, betterments and replacements and the principal 
of and interest on any bonds, and (2) to provide for any deficits 
resulting from failure to receive sums payable to the sewerage 
authority by such municipality, any other municipality, any county 
or any person, or from an other cause, and (3) to maintain such 
reserves or sinking funds for any of the foregoing as may be re­
quired by the terms of any contract of the sewerage authority or as 
may be deemed necessary or desirable by the sewerage authority. 
Any such contract may provide that the sum or sums so payable to 
the sewerage authority shall be in lieu of all or any part of the ser­
vice charges which would otherwise be charged and collected by the 
sewerage authority with regard to persons or real property within 
such municipality. Such contract or contracts may also contain 
provisions as to the financing and payment of expenses to be in­
curred by the sewerage authority and determined by it to be neces­
sary for its purposes prior to the placing in operation of the 
sewerage system and may provide for the payment by such mu­
nicipality to the sewerage authority for application to such expenses 
or indebtedness therefor such sum or sums of money, not in the 
aggregate exceeding an amount stated or otherwise limited in said 
contract or contracts plus interest thereon, as said contract or con­
tracts may provide and as the governing body of said municipality 
shall, by virtue of its authorization of and entry into said contract 
or contracts, determine to be necessary for the purposes of the 
sewerage authority. Any such contract may be made with or with­
out consideration and for a specified or an unlimited time and on 
any terms and conditions which may be approved by such mu­
nicipality and which may be agreed to by the sewerage authority 
in conformity with its contracts with the holders of any bonds, 
and shall be valid whether or not an appropriation with respect 
thereto is made by such municipality prior to authorization or 
execution thereof. Such municipality is hereby authorized and 
directed to do and perform any and all acts or things necessary, 
convenient or desirable to carry out and perform every such con-
tract and to provide for the payment or discharge of any obligation thereunder in the same manner as other obligations of such municipality. Subject to any such contracts with the holders of bonds, the sewerage authority is hereby authorized to do and perform any and all acts or things necessary, convenient or desirable to carry out and perform every such contract and, in accordance with any such contract, to waive, modify, suspend or reduce the service charges which would otherwise be charged and collected by the sewerage authority with regard to persons or real property within such municipality, but nothing in this section or any such contract shall prevent the sewerage authority from charging and collecting, as if such contract had not been made, service charges with regard to such persons and real property sufficient to meet any default or deficiency in any payments agreed in such contract to be made by such municipality.

CHAPTER 38

An Act to increase available funds for residential mortgage loans in the State; creating the New Jersey Mortgage Finance Agency and defining its powers and duties; authorizing loans by the agency to mortgage lenders to furnish funds for new residential mortgage loans; authorizing the issuance of bonds and notes of the agency and providing the terms and security thereof; and making an appropriation therefor.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 17:1B-4 Short title.
1. This act shall be known as, and may be cited as, the "New Jersey Mortgage Finance Agency Law."

C. 17:1B-5 Legislature's findings.
2. The Legislature hereby finds: that the drastic decline in new housing starts, together with the existing large number of substandard dwellings, has produced a critical shortage of adequate housing in this State adversely affecting the economy of this State
and the well-being of its residents; that there exists a need for adequate, safe and sanitary housing for New Jersey's residents; that a large and significant number of New Jersey residents have and will be subject to hardship in finding adequate, safe and sanitary housing unless new facilities are constructed and existing housing, where appropriate, is rehabilitated; that unless the supply of housing and the ability of our residents to obtain mortgage financing is increased significantly and expeditiously, a large number of residents of this State will be compelled to live in unsanitary, overcrowded and unsafe conditions to the detriment of the health, welfare and well-being of these persons and of the whole community of which they are a part; that by increasing the housing supply of this State and the ability of our residents to obtain mortgage financing, the clearance, replanning, development and redevelopment of blighted areas will be aided, and the critical shortage of adequate housing will be ameliorated.

It is hereby found that a major cause of this housing crisis is the lack of funds available to finance housing by the private mortgage lending institutions of the State; it is further found that this lack of funds has frustrated the sale and purchase of existing residences in the State.

The Legislature has determined that to aid in remedying these conditions, to promote the expansion of the supply of funds available for residential mortgages and thereby help alleviate the shortage of adequate housing, a corporate agency of the State shall be created with power to raise funds from private investors in order to make those funds available for residential mortgage loans in this State. The Legislature has further determined that by utilizing such powers the agency created shall help develop the financial resources available to meet the housing needs of its residents. This purpose is best accomplished through a program whereby mortgage lending institutions make the needed residential mortgage loans through the use of proceeds of loans made available by the agency on terms designed to assure the expansion of available mortgage funds while protecting against the realization by these mortgage lending institutions of an excessive financial return or benefit.

The Legislature further finds that the authority and powers conferred under this Act and the expenditure of public moneys pursuant thereto constitutes a serving of a valid public purpose and that the enactment of the provisions hereinafter set forth is in the public interest and is hereby so declared to be such as a matter of express legislative determination.

The agency is hereby constituted as an instrumentality exercising public and essential governmental functions, and the exercise by the agency of the powers conferred by the act shall be deemed and held to be an essential governmental function of the State.
   (b) The agency shall consist of the Commissioner of Banking, the Commissioner of Community Affairs and the State Treasurer, who shall be members ex officio, and two members appointed by the Governor with the advice and consent of the Senate for terms of 3 years, provided that the two members appointed by the Governor shall be residents of the State and shall have been qualified
electors therein for at least 1 year next preceding the time of appointment, and provided further that the members first appointed by the Governor shall serve for terms of 2 years and 3 years, respectively. Each member shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. A member shall be eligible for reappointment. Any vacancy in the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

(c) Each appointed member may be removed from office by the Governor, for cause, after a public hearing, and may be suspended by the Governor pending the completion of such hearing. Each member before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State.

(d) The Commissioner of Banking shall be the chairman and chief executive officer of the agency and the members shall elect one of their number as vice-chairman thereof. At all times after the issuance of any bonds or notes by the agency each member of the agency shall maintain such surety bonds in full force and effect. All costs of such surety bonds shall be borne by the agency.
(f) The members of the agency shall serve without compensation, but the agency shall reimburse its members for actual expenses necessarily incurred in the discharge of their duties. Notwithstanding the provisions of any other law, no officer or employee of the State shall be deemed to have forfeited or shall forfeit his office or employment or any benefits or emoluments thereof by reason of his acceptance of the office of member of the agency or his services therein.

(g) Each ex officio member of the agency may designate an officer or employee of his department to represent him at meetings of the agency, and each such designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. Any such designation shall be in writing delivered to the agency and shall continue in effect until revoked or amended by writing delivered to the agency.

(h) The agency may be dissolved by act of the Legislature on condition that the agency has no debts or obligations outstanding or provision has been made for the payment or retirement of such debts or obligations. Upon any such dissolution of the agency all property, funds and assets thereof shall be vested in the State.

(u) To procure insurance against any losses in connection with its property, operations or assets in such amounts and from such insurers as it deems desirable; and

(v) To do any and all things necessary or convenient to carry out its purposes and exercise the powers given and granted in the act.

C. 17:1B-9 Loans; rules and regulations; conditions.

6. (a) The agency shall from time to time make loans to mortgage lenders so as to furnish, as rapidly as possible, funds to mortgage lenders for new residential mortgages.

(b) The agency shall from time to time adopt, modify, amend or repeal rules and regulations governing the making of such loans to mortgage lenders and the application of the proceeds thereof, including rules and regulations as to any or all of the following:

(1) Procedures for the submission of requests or the invitation of proposals for loans;

(2) Standards and requirements as to allocations of loans among all or certain of the mortgage lenders or awards of loans and determining the amounts and interest rates thereof;

(3) Limitations or restrictions as to the number of family units, location or other qualifications or characteristics of residences to be financed by new residential mortgages;

(4) Restrictions as to the interest rates on new residential mortgages or the return realized therefrom by mortgage lenders;
(5) Requirements as to commitments by mortgage lenders with respect to new residential mortgages;

(6) Schedules of any fees and charges necessary to provide for expenses and reserves of the agency; and

(7) Any other matters related to the duties and the exercise of the powers of the agency under this section.

Such rules and regulations shall be designed to effectuate the general purposes of this act and the following specific objectives: (i) the expansion of the supply of funds in the State available for new residential mortgages; (ii) the provision of the additional housing needed to remedy the shortage of adequate housing in the State and eliminate the existence of a large number of substandard dwellings; and (iii) the effective participation by mortgage lenders in the program authorized by the act and the restriction of the financial return and benefit thereto from such program to that necessary and reasonable to induce such participation.

(c) Loans to mortgage lenders shall be general obligations of the respective mortgage lenders owing the same and shall bear such date or dates, shall mature at such time or times, shall be evidenced by such note, bond or other certificate of indebtedness, shall be subject to prepayment, and shall contain such other provisions consistent with this section, all as the agency shall by resolution determine.

(d) Any other provision of this section to the contrary notwithstanding, the interest rate or rates and other terms of the loans to mortgage lenders made from the proceeds of any issue of bonds of the agency shall be at least sufficient so as to assure the payment of said bonds and the interest thereon as the same become due from the amounts received by the agency in repayment of such loans and interest thereon.

(e) The agency shall require as a condition of each loan to a mortgage lender that such mortgage lender shall on or prior to the One-Hundred-Eightieth day (or such earlier day as shall be prescribed by rules and regulations of the agency) following the receipt of the loan proceeds have entered into written commitments to make, and shall thereafter proceed as promptly as practicable to make and disburse from such loan proceeds, new residential mortgages having a stated maturity of not less than 15 years from the date thereof in an aggregate principal amount equal to the amount of such loan.

(f) The agency shall require that such loans to mortgage lenders shall be additionally secured as to payment of both prin-
Principal and interest by a pledge or lien upon collateral security in such amounts as the agency shall by resolution determine to be necessary to assure the payment of such loans and the interest thereon as the same become due. Such collateral security shall consist of (i) direct obligations of, or obligations guaranteed by, the United States of America; (ii) bonds, debentures, notes or other evidences of indebtedness, satisfactory to the agency, issued by any of the following Federal agencies: Bank for Cooperatives, Federal Intermediate Credit Bank, Federal Home Loan Bank System, Export-Import Bank of Washington, Federal Land Banks, the Federal National Mortgage Association or the Government National Mortgage Association; (iii) direct obligations of or obligations guaranteed by the State; or (iv) mortgages insured or guaranteed by the United States of America or an instrumentality thereof as to payment of principal and interest. The agency may require in the case of any or all mortgage lenders that such collateral be lodged with a bank or trust company located in the State designated by the agency as custodian therefor. In the absence of such requirement a mortgage lender shall upon receipt of the loan proceeds from the agency enter into an agreement with the agency containing such provisions as the agency shall deem necessary to adequately identify and maintain such collateral and service the same and shall provide that such mortgage lender shall hold such collateral as an agent for the agency and shall be held accountable as the trustee of an express trust for the application and disposition thereof and the income therefrom solely to the uses and purposes in accordance with the provisions of such agreement. A copy of each such agreement and any revisions or supplements thereto shall be filed with the Secretary of State and no further filing or other action under Title 12A, Commercial Transactions, of the New Jersey Statutes or any other law of the State shall be required to perfect the security interest of the agency in such collateral or any additions thereto or substitutions therefor, and the lien and trust for the benefit of the agency so created shall be binding from and after the time made against all parties having claims of any kind in tort, contract, or otherwise against such mortgage lender. The agency may also establish such additional requirements as it shall deem necessary with respect to the pledging, assigning, setting aside, or holding of such collateral and the making of substitutions therefor or additions thereto and the disposition of income and receipts therefrom.
(g) The agency shall require the submission to it by each mortgage lender to which the agency has made a loan of evidence satisfactory to the agency of the making of new residential mortgages as required by this section and prescribed by rules and regulations of the agency and in connection therewith may inspect the books and records of such mortgage lender.

(h) The agency may require as a condition of any loans to mortgage lenders such representations and warranties as it shall determine to be necessary to secure such loans and carry out the purposes of the act.

(i) All new residential mortgages made as required by this section shall comply with the applicable provisions of the laws of the State, and, where Federal law or the law of another jurisdiction govern the affairs of the mortgage lender, shall comply with applicable provisions of such law.

(j) Compliance by any mortgage lender with the terms of this section and its undertaking to the agency with respect to the making of new residential mortgages may be enforced by decree of the Superior Court. The agency may require as a condition of any loan to any mortgage lender the consent of such mortgage lender to the jurisdiction of the Superior Court over any such proceeding. The agency may also require agreement by any mortgage lender, as a condition of the loan to such mortgage lender, to the payment of penalties to the agency for violation by the mortgage lender of any provision of this section or its undertaking to the agency with respect to the making of new residential mortgages, and such penalties shall be recoverable at the suit of the agency.

(k) If at any time the agency shall determine that an adequate supply of funds exists in regular banking channels for new residential mortgages, the agency shall discontinue the making of loans to mortgage lenders until such time as the agency may subsequently determine that the supply of funds available for new residential mortgages is again inadequate.

C. 17:1B-10 Issuance of bonds or notes; bond resolution.

7. (a) The agency shall have the power and is hereby authorized from time to time to issue its bonds or notes in such principal amounts as in the opinion of the agency shall be necessary to provide sufficient funds for any of its corporate purposes, including the making of loans to mortgage lenders, the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds or notes issued by it whether the bonds or notes or interest to be funded or refunded have or have not become due,
the establishment or increase of such reserves to secure or to pay such bonds or notes or interest thereon and all other costs or expenses of the agency incident to and necessary or convenient to carry out its corporate purposes and powers.

(b) Except as may be otherwise expressly provided in the act or by the agency, every issue of bonds or notes shall be general obligations payable out of any revenues or funds of the agency, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds. The agency may issue such types of bonds or notes as it may determine, including bonds or notes as to which the principal and interest are payable (1) exclusively from the revenues of the agency resulting from the loans to mortgage lenders made with the proceeds of such bonds or notes; (2) exclusively from the revenues of the agency resulting from certain loans made to mortgage lenders whether or not made in whole or in part from the proceeds of such bonds or notes; or (3) from its revenues generally. Any such bonds or notes may be additionally secured by a pledge of any grant, subsidy or contribution from the United States of America or any agency or instrumentality thereof or the State or any agency, instrumentality or political subdivision thereof, or any person, firm or corporation, or a pledge of any income or revenues, funds or moneys of the agency from any source whatsoever.

(c) Whether or not the bonds and notes are of such form and character as to be negotiable instruments under the terms of Title 12A, Commercial Transactions, New Jersey Statutes, the bonds and notes are hereby made negotiable instruments within the meaning of and for all the purposes of said Title 12A, subject only to the provisions of the bonds and notes for registration.

(d) Bonds or notes of the agency shall be authorized by a resolution or resolutions of the agency and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates of interest per annum or within such maximum rate, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources in such medium of payment at such place or places within or without the State, and be subject to such terms of redemption (with or without premium) as such resolution or resolutions may provide.

(e) Bonds or notes of the agency may be sold at public or private sale at such price or prices and in such manner as the agency shall
determine. Every bond shall mature and be paid not later than 30 years from the date thereof, and every note shall mature and be paid not later than 5 years from the date thereof.

(f) Bonds or notes may be issued under the provisions of the act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceeding or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by the act.

(g) Bonds and notes of the agency issued under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the agency and shall not create or constitute any indebtedness, liability or obligation of the State or of any such political subdivision or be or constitute a pledge of the faith and credit of the State or of any such political subdivision but all such bonds and notes, unless funded or refunded by bonds or notes of the agency, shall be payable solely from revenues or funds pledged or available for their payment as authorized in the act. Each bond and note shall contain on its face a statement to the effect that the agency is obligated to pay the principal thereof or the interest thereon only from revenues or funds of the agency and that neither the State nor any political subdivision thereof is obligated to pay such principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds or notes.

(h) All expenses incurred in carrying out the provisions of the act shall be payable solely from revenues or funds provided or to be provided under the provisions of the act and nothing in the act shall be construed to authorize the agency to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

C. 17:1B-11 Provisions of bond resolution.

8. Any resolution or resolutions authorizing any bonds or notes of the agency may contain provisions which shall be a part of the contract with the holders of such bonds or notes, as to the following:

(1) The pledging of or creating of a lien on, as security for the payment of the principal and redemption price of and interest on any bonds or notes of the agency, all or any part of its revenues or assets to which its right then exists or may thereafter come

loans made to mortgage lenders pursuant to the act and the rev-
enues therefrom and the rights and interests of the agency in and

may be amended or abrogated, the amount of bonds or notes the
holders of which must consent thereto, and the manner in which
such consent may be given;

(10) The custody of any of its properties or investments, the
safekeeping thereof, the insurance to be carried thereon, and the
use and disposition of insurance moneys;
(11) The time or manner of enforcement or restraint from enforcement of any rights of the agency arising by reason of or with respect to nonpayment of principal or interest with respect to loans to mortgage lenders or any rights to or security interest in the collateral securing such loans.

(12) Defining the acts of omissions to act which shall constitute a default in the obligations and duties of the agency and providing for the rights and remedies of the holders of bonds or notes in the event of such default, provided, however, that such rights and remedies shall not be inconsistent with the general laws of the State and other provisions of the act;

(13) Vesting in a trustee or trustees within or without the State such properties, rights, powers and duties in trust as the agency may determine, which may include any or all of the rights, powers and duties of any trustee appointed by the holders of any bonds or notes pursuant to section 9 of the act and to limit or abrogate the right of the holders of any bonds or notes of the agency to appoint a trustee under the act or limiting the rights, powers and duties of such trustee;

9. (a) In the event that the agency shall default in the payment of principal of or interest on any issue of bonds or notes after the same shall become due, whether at maturity or upon call for redemption, and such default shall continue for a period of 30 days, or in the event that the agency shall fail or refuse to comply with the provisions of the act or shall fail or refuse to carry out and perform the terms of any contract with the holders of any such bonds or notes and such failure or refusal shall continue for a period of 30 days after written notice to the agency of its existence and nature, the holders of 25% in aggregate principal amount of such issue of bonds or notes then outstanding by instrument or instruments filed in the office of the Secretary of State and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of such bonds or notes for the purpose provided in this section.
(b) Such trustee may and upon written request of the holders of 25% in aggregate principal amount of such bonds or notes then outstanding shall, in his or its own name:

By any action, writ, or other proceeding, enforce all rights of the holders of such bonds or notes, including the right to collect and enforce the payment of principal of and interest due or becoming due on loans to mortgage lenders and collect and enforce any collateral securing such loans or sell such collateral, so as to carry out any contract as to, or pledge of, revenues, and to require the agency to carry out and perform the terms of any contract with the holders of such bonds or notes or its duties under the act;

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P. L. 1939, chapter 305 (C. 17:38-17) is amended to read as follows:
C. 17:38-17 Blanket accident insurance.

4. Any policy or contract of insurance against death or injury resulting from accident or from accidental means which conforms with the description and complies with the requirements contained in one of the following three paragraphs shall be deemed a blanket insurance policy.

(a) A policy or contract issued to any railroad, steamship, motorbus or airplane carrier of passengers, which carrier shall be deemed the policyholder, covering a group defined as all persons who may become such passengers and whereby such passengers shall be insured against loss or damage resulting from death or bodily injury either while, or as a result of, being such passengers.

A policy or contract covering accidental death or injury to individuals resulting from airline accidents may also be issued under which premiums are paid from funds of the airline and the benefits are payable to the airline or to a trust established for the purpose of funding payments to persons with claims against the airline by reason of the death or bodily injury of individuals.

(b) A policy or contract issued in the name of any volunteer fire department, first aid or ambulance squad or volunteer police organization, which shall be deemed the policyholder, and covering all the members of any such organization against loss from accidents resulting from hazards incidental to duties in connection with such organizations.

(c) A policy or contract issued in the name of any established organization whether incorporated or not, having community recognition and operated for the welfare of the community and not for profit, which shall be deemed the policyholder, and covering all volunteer workers who are members of the organization and who serve without pecuniary compensation against loss from accidents occurring while engaged in the actual performance of duties on behalf of such organization.

Nothing contained in this act shall be deemed to affect the legal liability of the policyholder for the death of, or injury to, any member of such group.

2. Section 5 of P. L. 1939, chapter 305 (C. 17:38-18) is amended to read as follows:

5. No policy of group accident, group health, group accident and health or blanket accident insurance and no certificate thereunder shall be issued or delivered in this State unless the policy
contains in substance all the provisions specified in subsections (a) to (o) following:

(a) A provision that no statement made by the applicant for insurance shall avoid the insurance or reduce benefits thereunder unless contained in the written application signed by the applicant; and a provision that no agent has authority to change the policy or to waive any of its provisions; and that no change in the policy shall be valid unless approved by an officer of the insurer and evidenced by endorsement on the policy, or by amendment to the policy signed by the policyholder and the insurer.

(b) A provision that the policy, the application of the person or association in whose name the policy is to be issued, a copy of which shall be attached to the policy, and the individual applications, if any, of the employees or members shall constitute the entire contract between the parties and that all statements contained in any such application for insurance shall be deemed representations and not warranties.

(c) A provision that all new employees or new members, as the case may be, in the groups or classes eligible for such insurance must be added to such eligible groups or classes.

(d) A provision that all premiums due under the policy shall be remitted by the employer or employers of the persons insured, by the policyholder, or by some other designated person acting on behalf of the association or group insured, to the insurer on or before the due date thereof with such period of grace as may be specified therein.

(e) A provision stating the conditions under which the insurer may decline to renew the policy.

(f) A provision that the insurer shall issue to the employer, the policyholder, or other person or association in whose name such policy is issued, for delivery to each employee or member, an individual certificate setting forth in summary form a statement of the essential features of the insurance coverage, to whom the benefits thereunder are payable, and in substance the provisions of subsections (g) to (n) inclusive of this section. This subsection shall not apply to blanket accident policies issued pursuant to subsections (a) and (c) of section 4 of this act, nor to group accident and health policies insuring a private plan under the Temporary Disability Benefits Law, if reasonable notice of the benefits provided thereby is furnished to the covered employees by direct notification or by conspicuous posting at the place of employment.
(g) A provision specifying the ages, if any there be, to which the insurance provided therein shall be limited; and the ages, if any there be, for which additional restrictions are placed on benefits, and the additional restrictions placed on the benefits at such ages.

(h) A provision that written notice of sickness or of injury must be given to the insurer within 20 days after the date when such sickness or injury occurred. Failure to give notice within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

(i) A provision that in the case of claim for loss of time for disability, written proof of such loss must be furnished to the insurer within 30 days after the commencement of the period for which the insurer is liable, and that subsequent written proofs of the continuance of such disability must be furnished to the insurer at such intervals as the insurer may reasonably require, and that in the case of claim for any other loss, written proof of such loss must be furnished to the insurer within 90 days after the date of such loss. Failure to furnish such proof within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof and that such proof was furnished as soon as was reasonably possible.

(j) A provision that the insurer will furnish to the person making claim, or to the policyholder for delivery to such person, such forms as are usually furnished by it for filing proof of loss. If the person making claim does not receive such forms before the expiration of 15 days after the insurer receives notice of any claim under the policy, the person making such claim shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, character and extent of the loss for which claim is made.

(k) A provision that the insurer shall have the right and opportunity to examine the person of the insured when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy in case of death where it is not prohibited by law.

(l) A provision that all benefits payable under the policy other than benefits for loss of time will be payable not more than 60 days after receipt of proof, and that, subject to due proof of loss, all
accrued benefits payable under the policy for loss of time will be paid not later than at the expiration of each period of 30 days during the continuance of the period for which the insurer is liable, and that any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.

(m) A provision that indemnity for loss of life of the insured shall be payable to the beneficiary or beneficiaries designated by the insured, other than the policyholder or an officer thereof as such, or if no beneficiary is designated, to such other person or persons as shall be specified in the policy; and that all other indemnities of the policy are payable to the employee or member, except that, at the request of the employee or member or in the event of his death, payment of benefits to the extent of expenses incurred on account of hospitalization may be made by the insurer to the hospital. If a beneficiary is designated, the consent of the beneficiary shall not be requisite to change of beneficiary or to any other changes in the policy or certificate except as may be specifically provided by the policy.

This subsection shall not apply to a blanket insurance policy issued to an airline under which the benefits are payable to the airline or a trust established by the airline and the premiums are paid from its funds.

(n) A provision that no action at law or in equity shall be brought to recover on the policy prior to the expiration of 60 days after proof of loss has been filed in accordance with the requirements of the policy and that no such action shall be brought at all unless brought within 2 years from the expiration of the time within which proof of loss is required by the policy.

(o) In the case of insurance issued pursuant to subsection (a) of section 4 of this act, a provision that the company will issue to the policyholder, for delivery to the insured persons, certificates setting forth the name of the insurance company and the essential features of such insurance.

This subsection shall not apply to a blanket insurance policy issued to an airline under which the benefits are payable to the airline or a trust established by the airline and the premiums are paid from its funds.

In addition, a company authorized to do the business specified in paragraph “c” and insure against bodily injury or death by accident as specified in paragraph “d” may reinsure the legal liability of an airline arising out of the death or injury of any person resulting from an airline accident and may undertake to pay the ceding insurer stipulated amounts in the event of the death or injury of any person whether or not such undertaking is directly related to the liability of the ceding insurer or is subject to aggregate or other limitations.

Any reinsurance authorized by this section or any reinsurance of blanket accident insurance referred to in section 4 of P. L. 1939, chapter 305 (C. 17:38-17) may be provided through pooling arrangements with other insurers for purposes of spreading the reinsurance risk, provided such arrangements have been approved in writing by the commissioner of insurance upon findings that the arrangements do not impair the protection of policyholders of the ceding and assuming reinsurers and do not substantially restrain competition in the business of insurance or reinsurance or create a monopoly therein.

4. R. S. 17:34-13 is amended to read as follows:

**Prerequisites to reinsurance.**

17:34-13. No life insurance company of this State may reinsure all or any substantial part of its outstanding risks or policy obligations in any other company, or itself reinsure all or any substantial part of the outstanding risks or obligations of another company until the contract for such reinsurance shall have been submitted to the Commissioner of Insurance together with satisfactory evidence that the interests of the policyholders are fully protected and until such contract of reinsurance shall have been approved by him; provided, however, that this section shall not be applicable
to contracts of reinsurance heretofore or hereafter entered into providing for the reinsuring of single risks or policies, in whole or in part, or risks covered by any group policy or contract, in whole or in part.

Reinsurance of the risk of legal liability of airlines for the death or injury of any person resulting from an airline accident as referred to in R. S. 17:17-3, or reinsurance of a blanket policy issued to an airline with premiums payable from the airline’s funds and benefits payable to it or to a trust established by it as referred to in section 4 of P. Part IV

Article I

Findings and Declarations

C. 32:23-150 Findings and declarations.

1. The States of New York and New Jersey hereby find and declare that the movement of freight through the two states is vital to their economies and prosperity; that ever increasing amounts of
such freight are being carried by the air freight industry; that said air freight industry in the two states constitutes an inseparable and integral unit of the commerce of the two states; that criminal and racketeer elements have infiltrated the air freight industry; that such criminal infiltration is threatening the growth of said air freight industry; that one of the means by which such criminal and racketeer elements infiltrate the air freight industry is by posing as labor relations consultants and that firms handling air freight are often forced to employ or engage such persons; that the air freight industry is suffering an alarming rise in the amount of pilferage and theft of air freight; and that it is imperative to the continued growth and economic well-being of the States of New York and New Jersey that every possible effective measure be taken to prevent the pilferage and theft of air freight and the criminal infiltration of the air freight industry.

C. 32:23-151 Need for regulation.

2. The States of New York and New Jersey hereby find and declare that many of the evils existing in the air freight industry result not only from the causes above described but from the lack of regulation of the air freight industry in and about the port of New York district; that the air freight industry is affected with a public interest requiring regulation, just as the States of New York and New Jersey have heretofore found and declared in respect to the shipping industry; and that such regulation of the air freight industry shall be deemed an exercise of the police power of the two states for the protection of the public safety, welfare, prosperity, health, peace and living conditions of the people of the states.

C. 32:23-167 Ingress to security area for particular occasion.

2. Any person who is not licensed by the commission pursuant to this compact and who desires upon any occasion ingress to an air freight security area shall apply at the entrance to such area for a permit for ingress for that particular occasion. In order to secure a permit, a prospective permittee must show identification establishing his name and address and he may be required by the commission to sign a consent to the surrender of his permit upon egress from such area and, if he is driving a motor vehicle, to an inspection of his motor vehicle upon egress from such area. Any person desiring a permit to enter an air freight security area may be denied such permit by the commission in its discretion if the commission determines that the presence of such person in such area would constitute a danger to the public peace or safety.

C. 32:23-168 Ingress to security area on regular basis.

3. Any person whose business, employment or occupation requires him to have ingress upon a regular basis to an air freight security area shall be required, in order to obtain ingress to such area, to apply to the commission for a permit for a fixed period of duration to be determined by the commission. Such applicant for a permit of a fixed period of duration shall fulfill the same requirements as the prospective licensee for an airfreightman's license. C. 32:23-169 Authority to inspect vehicles.

4. The commission shall have the power to inspect any truck or any other motor vehicle within an air freight security area.
C. 32:23-170  Provisions not applicable to certain personnel.

1. The commission shall not deny any application for a license or permit without giving the applicant or prospective licensee or permittee reasonable prior notice and an opportunity to be heard.

C. 32:23-172  Denial, revocation or suspension of license or permit.

2. Any application for a license or permit, and any license or permit issued, may be denied, revoked or suspended, as the case may be, only in the manner prescribed in this article.

C. 32:23-173  Proceedings to revoke or suspend license or permit.

3. The commission may on its own initiative or on complaint of any person, including any public official or agency, institute proceedings to revoke or suspend any license or permit after a hearing at which the licensee or permittee and any person making such complaint shall be given an opportunity to be heard, provided that any order of the commission revoking or suspending any license or permit shall not become effective until 15 days subsequent to the serving of notice thereof upon the licensee or permittee unless in the opinion of the commission the continuance of the license or permit for such period would be inimical to the public peace or safety. Such hearings shall be held in such manner and upon such notice as may be prescribed by the rules of the commission, but such notice shall be of not less than 10 days and shall state the nature of the complaint.

C. 32:23-174  Temporary suspension of license or permit.

4. Pending the determination of such hearing pursuant to section 3 the commission may temporarily suspend a license or permit if in the opinion of the commission the continuance of the license or permit for such period is inimical to the public peace or safety.

C. 32:23-175  Authority to issue subpoenas, and to compel attendance of witnesses, giving of testimony and production of evidence.

5. The commission, or such member, officer, employee or agent of the commission as may be designated by the commission for
such purpose, shall have the power to issue subpœnas throughout both states to compel the attendance of witnesses and the giving of testimony or production of other evidence and to administer oaths in connection with any such hearing. It shall be the duty of the commission or of any such member, officer, employee or agent of the commission designated by the commission for such purpose to issue subpœnas at the request of and upon behalf of the licensee, permittee or applicant. The commission or such person conducting the hearing shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure in the conduct of such hearing.

C. 32:23-176 Action by commission.

6. Upon the conclusion of the hearing, the commission shall take such action upon such findings and determinations as it deems proper and shall execute an order carrying such findings into effect. The action in the case of an application for a license or permit shall be the granting or denial thereof. The action in the case of a licensee or permittee shall be revocation of the license or permit or suspension thereof for a fixed period or reprimand or a dismissal of the charges.

C. 32:23-177 Review.

7. The action of the commission in denying any application for a license or permit or in suspending or revoking such license or permit or in reprimanding a licensee or permittee shall be subject to judicial review by a proceeding instituted in either state at the instance of the applicant, licensee or permittee in the manner provided by the law of such state for review of the final decision or action of administrative agencies of such state, provided, however, that notwithstanding any other provision of law the court shall have power to stay for not more than 30 days an order of the commission suspending or revoking a licenRe or permit.

petition of additional evidence. Such petition to reopen the hearing shall state in detail the nature of the additional evidence, together with the reasons for the failure to submit such evidence prior to the conclusion of the hearing. The commission may upon its own motion and upon reasonable notice reopen a hearing for the presentation of additional evidence. Upon petition, after the making of an order of the commission, rehearing may be granted in the discretion of the commission. Such a petition for rehearing shall state in detail the grounds upon which the petition is based and shall separately set forth each error of law and fact alleged to have been made by the commission in its determination, together with the facts and arguments in support thereof. Such petition shall be filed with the commission not later than 30 days after service of such order unless the commission for good cause shown shall otherwise direct. The commission may upon its own motion grant a rehearing after the making of an order.

**ARTICLE VIII**

**EXPENSES OF ADMINISTRATION**

1. In addition to the budget of its expenses under the waterfront commission compact, the commission shall annually adopt a budget of its expenses under this compact for each year. The annual budget shall be submitted to the governors of the 2 states and shall take effect as submitted provided that either Governor may within 30 days disapprove or reduce any item or items, and the budget shall be adjusted accordingly.

C. 32:23-181 Funding of budget.

2. After taking into account such funds as may be available to it from reserves in excess of 10% of such budget under this compact, federal grants, or otherwise, the balance of the commission’s budgeted expenses shall be obtained by fees payable under this article and by assessments upon employers of persons licensed under this compact as provided in this article.

C. 32:23-182 License fees payable by employers.

3. With respect to airfreightmen and airfreightman supervisors who are employed by an air freight truck carrier regularly to move freight to or from an airport, the employers shall pay to the commission for each such airfreightman and airfreightman supervisor a license fee to be determined by the commission, not in excess of $100.00 for each year, commencing with April 1. The
employer of every person who is issued a permit of fixed duration by the commission for ingress to an air freight security area, or the permittee himself if he is self-employed, shall pay to the commission a fee to be determined by the commission, not in excess of $75.00 for each year, commencing with April 1. The commission shall reduce the maximum fees payable under this section proportionately with any reduction in the maximum assessment rate of 2% provided for by this article.

C. 32:23-183 Assessments payable by employers.

4. Every employer of airfreightmen and airfreightman supervisors licensed by the commission, except as otherwise provided in section 3 of this article, shall pay to the commission an assessment computed upon the gross payroll payments made by such employer to airfreightmen and airfreightman supervisors for work performed as such, at a rate, not in excess of 2% computed by the commission, in the following manner: the commission shall annually estimate the fees payable under this article and the gross payroll payments to be made by employers subject to assessment and shall compute the fees and a rate of assessment which will yield revenues sufficient to finance the balance of the commission’s budget for each year as provided in section 2 of this article. The commission may hold in reserve an amount not to exceed 10% of its total budgeted expenses for the year, which reserve shall not be included as part of the budget. Such reserve shall be held for the stabilization of annual assessments, the payment of operating deficits and for the repayment of any advances made by the 2 states.

C. 32:23-184 Certification of amount required to balance budget.

5. The amount required to balance the commission’s budget in excess of the estimated yield of the maximum fees and assessment, shall be certified by the commission, with the approval of the respective governors, to the Legislatures of the 2 states, in proportion to the respective totals of the assessments and fees paid to the commission by persons in each of the 2 states. The Legislatures shall annually appropriate to the commission the amount so certified.

C. 32:23-185 Assessments and fees in lieu of other charges.

6. The assessments and fees hereunder shall be in lieu of any other charge for the issuance of licenses or permits by the commission pursuant to this compact.
C. 32:23-186 Revocation or suspension of license or permit for nonpayment of assessment or fee.

7. In addition to any other sanction provided by law, the commission may revoke or suspend any license or permit held by any employer under this compact and/or the license or permit held under this compact by any employees of such employer, or the permit held under this compact by any permittee who is self-employed, and in addition the commission may deny ingress to such employers, employees or permittees to air freight security areas, for nonpayment of any assessment or fee when due.

8. Every person subject to the payment of any assessment under this compact shall file on or before the twentieth day of the first month of each calendar quarter-year a separate return, together with the payment of the assessment due, for the preceding calendar quarter-year during which any payroll payments were made to licensed persons for whom assessments are payable for work performed as such. Returns covering the amount of assessment payable shall be filed with the commission on forms to be furnished for such purpose and shall contain such data, information or matter as the commission may require to be included therein. The commission may grant a reasonable extension of time for filing returns, or for payment of assessment, whenever good cause exists. Every return shall have annexed thereto a certification to the effect that the statements contained therein are true.

C. 32:23-188 Keeping and preservation of records.

9. Every person subject to the payment of assessment hereunder shall keep an accurate record of his employment of licensed persons for whom assessments are payable, which shall show the amount of compensation paid and such other information as the commission may require. Such records shall be preserved for a period of 3 years and be open for inspection at reasonable times. The commission may consent to the destruction of any such records at any time after said period or may require that they be kept longer but not in excess of 6 years.

C. 32:23-189 Determination of amount of assessment; notice of deficiency; mailing of notice.

10. (a) The commission shall audit and determine the amount of assessment due from the return filed and such other information as is available to it. Whenever a deficiency in payment of the assessment is determined the commission shall give notice of any such determination to the person liable therefor. Such determina-
tion shall finally and conclusively fix the amount due, unless the person against whom it is assessed shall, within 30 days after the giving of notice of such determination, apply in writing to the commission for a hearing, or unless the commission on its own motion shall reduce the same. After such hearing, the commission shall give notice of its decision to the person liable therefor. A determination of the commission under this section shall be subject to judicial review, if application for such review is made within 30 days after the giving of notice of such decision. Any determination under this article shall be made within five years from the time the return was filed and if no return was filed such determination may be made at any time.

2. This act shall be administered by the New Jersey Department of Agriculture.

3. As used in this act:

(a) "Commercial fertilizer" means a fertilizer material, mixed fertilizer or any other substance containing one or more recognized plant nutrients which is used for its plant nutrient content, which is designed for use or claimed to have value in promoting plant growth, and which is sold, offered for sale, or intended for sale; except that it shall not be considered to include unmanipulated animal or vegetable manures, agricultural liming materials, or wood ashes.

(e) "Brand" means a term, design, or trademark used in connection with a soil conditioner or with one or more grades of commercial fertilizer.

C. 4:9-15.20 Sales or distribution to intermediate distributors.

20. When the distribution of a commercial fertilizer or soil conditioner involves sales or distribution to one or more intermediate distributors before sale or distribution to the consumer, the person who distributes to a nonlicensee is required to report the tonnage and pay the inspection fee, unless the report and payment have been made by a prior licensee.

C. 4:9-15.21 Authority to sample, inspect, analyze and test.

21. C. 4:9-15.22 Methods of analysis and sampling.

22. The methods of analysis and sampling utilized under section 21 of this act shall be adopted by the State Board of Agriculture on the basis of authoritative sources such as publications of the Association of Official Analytical Chemists.

23. The Department of Agriculture, in determining for administrative purposes whether any commercial fertilizer or soil conditioner is in violation of this act, shall base such determination solely upon official samples as defined in subsection 3(i) and obtained and analyzed in accordance with sections 21 and 22.

24. The results of an analysis of a sample of any commercial fertilizer or soil conditioner which indicates a deficiency shall be forwarded promptly by the State Chemist to the licensee. Upon request and within 15 days of the date the analysis report is forwarded, the State Chemist shall furnish to the licensee a portion of any sample. If within 15 days after the forwarding of the analysis report indicating a deficiency no adequate evidence contradicting the analysis report is made available to the State Chemist, the report of the sample analysis shall become official and may be submitted to the purchaser.

25. If an official analysis shows that a commercial fertilizer is deficient in one or more of its guaranteed primary plant nutrients (nitrogen, available phosphoric acid, and soluble potash) beyond the investigational allowance as established by regulation or if the over-all index value of the fertilizer is below the level established by regulation, a penalty of 3 times the commercial value of such deficiency shall be assessed by the State Chemist against the licensee.

C. 4:9-15.26 Determination and publication of certain values.

26. For the purpose of determining the commercial values to be applied under section 25 of this act, the State Board of Agriculture shall determine and publish annually the values per pound of nitrogen, including water insoluble nitrogen, available phosphoric acid, soluble potash, and other plant nutrients as determined by the State board, in commercial fertilizers in this State. The values so determined and published shall be used in determining and assessing penalties.

C. 4:9-15.27 Disposition of certain penalties.

27. All penalties assessed under section 25 of this act shall be paid to the purchaser, or to a consumer who thereafter received possession of the lot represented by the sample analyzed, within 60 days after the date of notice from the State Chemist to the licensee. Receipts shall be obtained and forwarded promptly to the State
Chemist by the licensee. If the purchaser or consumer cannot be found, the amount of the penalty shall be paid to the State Treasurer.

28. Nothing contained in this act shall prevent any person from appealing to a court of competent jurisdiction for relief from an assessment imposed under section 25 of this act.

29. If an official report of a sample analysis shows that a commercial fertilizer or soil conditioner is deficient beyond the investigational allowance as established by regulation in any constituents guaranteed pursuant to paragraph 10(c)(3) of this act, the penalties prescribed by regulation adopted by the State Board of Agriculture shall be applicable.

30. No person shall distribute a misbranded product. A commercial fertilizer or soil conditioner shall be deemed to be misbranded:

   (d) If it purports to be or is represented as containing a plant nutrient or commercial fertilizer, unless such plant nutrient or commercial fertilizer conforms to the definitions or terms prescribed by regulation. In the adoption of such regulations due regard shall be given to commonly accepted definitions and official fertilizer terms such as those issued by the Association of American Plant Food Control Officials.

C. 4:9-15.31 Adulterated product.
31. No person shall distribute an adulterated product. A commercial fertilizer or soil conditioner shall be deemed to be adulterated:
   (a) If it contains any deleterious or harmful ingredient in sufficient amount to render it injurious to plant life when applied in accordance with directions for use on the label, or if adequate warning statements or directions for use, which may be necessary to protect plant life, are not shown on the label.
   (b) If its composition falls below or differs from that which it is purported to possess by its labeling.
   (c) If it contains unwanted crop seed or weed seed.
C. 4:9-15.32 Information to be published.

32. The State Board of Agriculture shall publish in such form and as it may deem proper:

(a) At least once every 6 months, information concerning the distribution of commercial fertilizer and soil conditioners.

(b) At least once each year, results of analyses based on official samples of commercial fertilizer distributed within the State as compared with the guaranteed analyses prescribed under section 10.

33. The State Board of Agriculture, after public hearing and due notice, in accordance with the Administrative Procedure Act (P. L. 1968, c. 410, C. 52:14B-1 et seq.), may adopt such rules and regulations as it deems necessary to carry into effect the full intent and purposes of this act.

C. 4:9-15.35 "Stop sale, use, or removal" order.

35. The State Board of Agriculture may issue and enforce a written "stop sale, use, or removal" order to the owner or custodian of any lot of commercial fertilizer or soil conditioner, or material purported to be commercial fertilizer or soil conditioner, when the State Chemist finds that said material is being offered or exposed for sale in violation of any provision of this act or any rule or regulation adopted thereunder. Such order may require that the material be held at a designated place until the violation has been corrected and written authorization for removal has been received from the Department of Agriculture. The State Chemist shall authorize removal of commercial fertilizer or soil conditioner so held whenever the requirements of this act have been met and any identifiable costs and expenses incurred by the department in connection with this action, due to a violation, have been paid.

36. Any lot of commercial fertilizer or soil conditioner which is in violation of this act shall be subject to seizure on complaint of the State Board of Agriculture to a court of competent jurisdiction in the area in which said product is located. In the event the court finds the product to be in violation of this act and orders the condemnation of said product, it shall be disposed of in any manner consistent with the quality of the product and the laws of the State; provided, that in no instance shall the disposition of said commercial fertilizer or soil conditioner be ordered by the court without first affording the owner an opportunity to apply to the court for release of the product or for permission to process or relabel the product to bring it into compliance with this act.

37. Any violation or threatened violation of any provision of this act or of any rule or regulation adopted thereunder may be restrained by the Superior Court in an action brought for such purpose by the Attorney General on behalf of the State Board of Agriculture.

C. 4:9-15.38 Violations other than plant nutrient deficiency; penalties.

38. Any person convicted of violating any provision of this act or of any rule or regulation adopted thereunder other than a violation involving a plant nutrient deficiency shall be subject to a penalty of not less than $25.00 nor more than $100.00 for the first offense and not less than $100.00 nor more than $500.00 for any subsequent offense within a 3-year period. The penalty shall be collected and enforced in summary proceedings under the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.) in a county court or county district court.

C. 4:9-15.39 Authority to hold hearings and assess penalties.

39. Upon receiving any information of a violation of any provision of this act or of any rule or regulation adopted thereunder, the Secretary or any agent designated by him for such purpose, is empowered to hold hearings upon said violation and, upon finding the violation to have been committed, to assess a penalty against the violator in such amount, not to exceed the maximum limit set forth in section 38, as the secretary deems proper under the circumstances. If the violator pays such penalty as settlement, no further prosecution shall be had upon that violation. Payment of such a penalty shall be deemed equivalent to a conviction for violation of this act.

40. Nothing in this act shall be construed as requiring the State Chemist or the Department of Agriculture to report a minor violation for prosecution or seizure proceedings when the State Chemist determines that the public interests will best be served by a suitable notice of warning in writing.

C. 4:9-15.41 Act not applicable to certain sales, exchanges or shipments.

41. Nothing in this act shall be construed to apply to sales or exchanges of commercial fertilizer or soil conditioners between importers, manufacturers, or manipulators who mix fertilizer materials for sale or as preventing the free and unrestricted shipments of commercial fertilizer or soil conditioner to manufacturers or manipulators who have been licensed under this act.

42. If any provision of this act, or any application of any provision, is held invalid, the invalidity shall not affect other applications of the provision, or other provisions of the act, which reasonably can be given effect despite the invalidity. To this end, the provisions of this act are hereby declared to be severable.

The court, in its discretion, and with due consideration of all relevant factors, including relevant public interests and competitive and economic factors, may order the dissolution, suspend the privilege to conduct business for a specific period, deny such relief, or provide other appropriate relief. A dissolution shall be conducted in accordance with the procedures
specified by law for either voluntary or involuntary dissolution of
the particular type of corporation or association.

C. 56:9-8 Violation of act by foreign corporation or association.

the privilege to conduct business for a specified period, deny relief,
or provide other appropriate relief. A revocation shall have the
same effect as a failure to qualify to do business in this State.

C. 56:9-9 Attorney General’s powers; penalties for noncompliance.

9. a. Whenever it shall appear to the Attorney General, either
upon complaint or otherwise, that any person shall have engaged in
or engages in or is about to engage in any act or practice by this act
prohibited or declared to be illegal, or that any person has assisted
or participated in any plan, scheme, agreement or combination of
the nature described herein, or whenever he believes it to be in the
public interest that an investigation be made, he may in his discre-
tion either require or permit such person to file with him a state-
ment in writing under oath or otherwise as to all the facts and
circumstances concerning the subject matter which he believes is to
be to the public interest to investigate. The Attorney General
may also require such other data and information as he may deem
relevant and may make such special and independent investigations
as he may deem necessary in connection with the matter. In con-
nection with any such investigation the Attorney General, his
deputy or other officer designated by him, is empowered to subpoe-
notees, compel their attendance, examine them under oath
before himself or a court of record, and require the production of
any books or papers which he deems relevant or material to the
inquiry. Such power of subpoena and examination shall not abate
or terminate by reason of any action or proceeding brought by the
Attorney General under this act. No person shall be excused from
attending such inquiry in pursuance to the mandates of a subpoena,
or from producing a paper or book, document or any other record, or from being examined or required to answer questions on the ground of failure to tender or pay a witness fee or mileage unless demand therefor is made at the time testimony is about to be taken and as a condition precedent to offering such production or testimony and unless payment thereof be not thereupon made. If a person in attendance upon such inquiry pursuant to subpoena, or if a person required to file with the Attorney General a statement in writing under oath or otherwise, refuses to answer a question or produce evidence of any other kind or make the required statement in writing under oath or otherwise on the ground that he may be incriminated thereby, and if the Attorney General, in a writing directed to the person being questioned orders that person to answer the question or produce the evidence or the statement in writing under oath or otherwise, that person shall comply with the order. After complying, and if but for this section he would have been privileged to withhold the answer given or the evidence produced or the statement in writing under oath or otherwise given, such testimony, evidence or statement may not be used against the person in any prosecution for a crime or offense concerning which he gave answer or produced evidence or submitted a written statement under the order of the Attorney General. However, he may nevertheless be prosecuted or subjected to penalty or forfeiture for any perjury, false swearing or contempt committed in answering, or failing to answer, or in producing evidence or failing to produce evidence or in presenting a written statement or failing to do so in accordance with the order. If a person refuses to testify after being granted immunity from prosecution and after being ordered to testify as aforesaid, he may be adjudged in contempt and committed to the county jail until such time as he purges himself of contempt by testifying, producing evidence or presenting a written statement as ordered. The foregoing shall not prevent the Attorney General from instituting civil contempt proceedings against any person who violates any of the above provisions.

c. It shall be the duty of all public officers, their deputies, assistants, clerks, subordinates or employees, and all other persons
to render and furnish to the Attorney General, his deputy or other designated representative, when so requested, all information and assistance in their possession or within their power. The court may issue temporary restraining orders or prohibitions and the court may proceed in a summary manner.

b. Any person may institute proceedings for injunctive relief, temporary or permanent in the Superior Court against threatened loss or damage to his property or business by a violation of this act, when and under the same conditions and principles as injunctive relief against threatened conduct that will cause loss or damage is granted by courts of equity, under the rules governing such proceedings, and upon the execution of proper bond against damages for an injunction improvidently granted and a showing that the danger of irreparable loss or damage is immediate, a preliminary injunction may issue. If the court issues a permanent injunction, the plaintiff shall be awarded reasonable attorneys' fees, filing fees and reasonable costs of suit. Reasonable costs of suit may include, but shall not be limited to the expenses of discovery and document reproduction.

c. In addition to injunctive relief authorized pursuant to subsection a. of this section, any person who violates the provisions of this act shall be liable to a penalty of not more than the greater of $100,000.00 or $500.00 per day for each and every day of said violation.

C. 56:9-12 Recovery of damages.

12. a. Any person who shall be injured in his business or property by reason of a violation of the provisions of this act may sue therefor and shall recover threefold the damages sustained by him, together with reasonable attorneys’ fees, filing fees and reasonable costs of suit. C. 56:9-14  Time limit on actions.

14. Any action brought to enforce the provisions of this act shall be barred unless commenced within 4 years after the cause of action arose, or if the cause of action is based upon a conspiracy in violation of this act, within 4 years after the plaintiff discovered, or by the exercise of reasonable diligence should have discovered the facts relied upon for proof of the conspiracy. No cause of action barred on the effective date of this act shall be revived by this act. For the purpose of this section, a cause of action for a continuing violation is deemed to arise at any time during the period of such violation.

C. 56:9-15  Suspension of statute of limitations.

15. Whenever any civil or criminal proceeding shall be commenced by the State to prevent, restrain or punish a violation of this act, but not including an action brought by the State under section 12 of this act, the running of the statute of limitations in respect of every private right of action arising under this act and based in whole or in part on any matter complained of in said proceeding shall be suspended during the pendency thereof and for 1 year thereafter; provided that whenever the running of the statute of limitations in respect of a cause of action arising under section 12 shall be suspended hereunder, any action to enforce such cause of action shall be forever barred unless commenced either within the period of suspension or within 4 years after the cause of action accrued, whichever is later.

provided, however, that retail licenses in effect on July 4, 1935, and since renewed each year, issued to corporations comprising stockholders who would have failed to qualify as individual applicants, may be renewed as heretofore.

In applications by corporations, except for club licenses, the names and addresses of, and the amount of stock held by, all stockholders holding 1% or more of any of the stock thereof, and the names and addresses of all officers and of all members of the board of directors must be stated in the application, and if one or more of such officers or members of the board of directors would fail to qualify as an individual applicant in all respects, except as to citizenship, residence or age, no license of any class shall be granted.

The respective fees for any such license shall be prorated according to the effective date of such license and based on the respective annual fee as in this chapter provided. Where the license fee deposited with the application exceeds such prorated fee, a refund of the excess shall be made to the licensee. Licenses are not transferable except as hereinafter provided. A separate license is required for each specific place of business and the operation and
effect of every license is confined to the licensed premises. No retail license of any class shall be issued to any holder of manufacturer's or wholesaler's license, and no manufacturer's or wholesaler's license shall be issued to the holder of a retail license of any class. Any person who shall exercise or attempt to exercise, or hold himself out as authorized to exercise, the rights and privileges of a license except the licensee and then only with respect to the licensed premises, shall be guilty of a misdemeanor.

In case of death, bankruptcy, receivership or incompetency of the licensee, or if for any other reason whatsoever the operation of the business covered by the license shall devolve by operation of law upon a person other than the licensee, the director or the issuing authority may, in his or its discretion, extend said license for a limited time, not exceeding its term, to the executor, administrator, trustee, receiver or other person upon whom the same has devolved by operation of law as aforesaid. Under no circumstances, however, shall a license, or rights thereunder, be deemed property, subject to inheritance, sale, pledge, lien, levy, attachment, execution, seizure for debts, or any other transfer or disposition whatsoever, except to the extent expressly provided by this chapter.

On application made therefor setting forth the same matters and things with reference to the premises to which a transfer of license is sought as are required to be set forth in connection with an original application for license, as to said premises, and after publication of notice of intention to apply for transfer, in the same manner as is required in case of an application for license as to said premises, the director or other issuing authority may transfer, upon payment of a fee of 10% of the annual license fee for the license sought to be transferred, any license issued by him or it respectively to a different place of business than that specified therein, by endorsing permission upon such license.

On application made therefor setting forth the same matters and things with reference to the person to whom a transfer of license is sought as are required to be set forth in connection with an original application for license, which application for transfer shall be signed and sworn to by the person to whom the transfer of license is sought and shall bear the consent in writing of the licensee to such transfer, and after publication of notice of intention by the person to whom the transfer of license is sought, to apply for transfer in the same manner as is required in the case of an original application for license, the director or other issuing authority, as the case may be, may transfer any license issued by
him or it respectively to such applicant for transfer by endorsing the license. Such application and the applicant shall comply with all requirements of this chapter pertaining to an original application for license and shall be accompanied, in lieu of the license fee required on the original application, by a fee of 10% of the annual license fee for the license sought to be transferred, which 10% shall be retained by the director or other issuing authority, as the case may be, whether the transfer be granted or not, and accounted for as other license fees.

If the other issuing authority shall refuse to grant a transfer the applicant shall be notified forthwith of such refusal by a notice served personally upon the applicant, or sent to him by registered mail addressed to him at the address stated in the application, and such applicant may, within 30 days after the date of service or mailing of such notice, appeal to the director from the action of the issuing authority. If the other issuing authority shall grant a transfer any taxpayer or other aggrieved person opposing the grant of the transfer may, within 30 days after the grant of such transfer, appeal to the director from the action of the issuing authority.

No person who would fail to qualify as a licensee under this chapter shall be knowingly employed by or connected in any business capacity whatsoever with a licensee; but specialized technical workers, required in any business may, with the approval of the director, and subject to rules and regulations, be employed although failing to qualify as to residence or citizenship. Persons failing to qualify as to age, residence or citizenship may, with the approval of the director, and subject to rules and regulations, be employed by any licensee, but such employee, if disqualified by age, shall not, in any manner whatsoever serve, sell or solicit the sale or participate in the manufacture, rectification, blending, treating, fortification, mixing, processing or bottling of any alcoholic beverage; and further provided, that no permit shall be necessary for the employment in a bona fide hotel or restaurant of any person failing to qualify as to age or residence so long as such person shall not in any manner whatsoever serve, sell or solicit the sale of any alcoholic beverage, or participate in the mixing, processing or preparation thereof.

6. Section 33:1-28 of the Revised Statutes is amended to read as follows:

Transportation of beverages by licensees in their own vehicles; transit insignia.

33:1-28. Licensees, except public warehouse licensees, may transport alcoholic beverages in their own vehicles, solely, however,
for their own respective business in connection with and as defined in their respective licenses, without possessing a transportation license; provided, however, that such vehicles while so used shall be marked in the manner prescribed for all vehicles authorized to transport alcoholic beverages as shall be provided in rules and regulations. Each vehicle so used shall bear a transit insignia to be furnished by the director at a fee of $10.00 each.

7. Section 33:1-67 of the Revised Statutes is amended to read as follows:

Solicitor’s permit required; exceptions; issuance; fee; penalty.

33:1-67. No individual shall offer for sale or solicit any order in the State for the purchase or sale of any alcoholic beverage, whether such sale is to be made within or without this State, unless such person shall have a solicitor’s permit issued by the director hereunder.

Nothing contained in this section shall prohibit such offer or solicitation by any licensee himself or any employee of any retail licensee in connection with and in the course of the licensed business.

The director is empowered to issue, subject to rules and regulations, solicitor’s permits, which shall set forth such facts as may be prescribed by the director and shall authorize the permittee to make offers for such sales and solicit orders for such sales of alcoholic beverages as are in accordance with this chapter, and any rules and regulations promulgated thereunder, on behalf of any vendor or vendors represented by the solicitor and designated in the permit. The fee for such permits shall be $15.00 per annum or any part thereof for solicitors employed exclusively by licensees whose licenses permit sale of malt alcoholic beverages only, and $25.00 per annum or any part thereof for solicitors employed by other licensees. A separate fee shall be paid for each vendor designated in the permit. Such permits shall expire on June 30 following their issuance, except as otherwise specified therein.

Any person who violates any provisions of this section shall be guilty of a misdemeanor and punished by a fine of not less than $50.00 and not more than $200.00 or imprisonment for not less than 10 days or not more than 3 months, or both.

8. Section 33:1-72 of the Revised Statutes is amended to read as follows:

Sale of warehouse receipts; license required; fee.

33:1-72. The sale of receipts, certificates, contracts or other documents given upon the storage of alcoholic beverages is pro-
hibited, except under and pursuant to the provisions of a warehouse receipts license issued by the director. The holder of such license shall be entitled to sell such warehouse receipts subject to rules and regulations and the fee therefor shall be $300.00. No publication shall be required with respect to applications for warehouse receipts licenses.

9. This act shall take effect immediately but shall remain inoperative until July 1, 1970.

A recall petition shall demand the removal of a designated incumbent, shall be signed by qualified voters equal in number to at least 33⅓% of the registered voters of the city or ward, as the case may be, and shall be filed with the city clerk. It shall set forth a statement of the reasons upon which the removal is sought.

§ 7.12 Time for recall election; publication. (a) If the petition shall be sufficient the city clerk shall within 2 days notify the mayor, councilman or councilmen whose recall is sought thereby. If such notice cannot be served personally upon the mayor, councilman or councilmen affected, service may be made by registered mail addressed to the officer's last known address. If within 5 days after the service of the notice by the clerk the mayor, councilman or councilmen sought to be recalled by such petition do not resign, or a tendered resignation shall not have been accepted by the council, the clerk shall order and fix a date for holding a recall election not less than 60 nor more than 90 days after the filing of the petition. A recall election relating to a ward councilman shall be held only in the ward.
(b) Notice of the filing of the petition and of the date of the election shall be posted for public view in the office of the city clerk and he shall also insert the notice forthwith in a newspaper published in the city, or if there be no such newspaper, then in a newspaper having general circulation in the city.

§ 7.13 Ballot. The ballots at the recall election shall conform to the requirements respecting the election of officers in municipalities, as provided in Title 19 of the Revised Statutes (Elections), except that the words "recall election" shall appear on the ballot. The recall features of the ballot shall appear at the top thereof and shall be separated from the portion of the ballot for the election of officers by a heavy black line. The proposal for recall shall be placed on the ballot in the following manner:

"Shall ................. (here insert name of incumbent) be removed from office by recall?"

This matter shall occupy two lines in bold-faced type. Immediately below the above wording shall appear the phrase "for recall" and immediately underneath such phrase the words "against recall." Immediately at the left of each of these two phrases shall be printed a square, in which the voter may make a cross (\(\times\)) or plus (\(+\)) or a check (\(\checkmark\)) mark. Immediately below the foregoing shall appear the following:

"Indicate your vote by placing a cross (\(\times\)) or plus (\(+\)) or a check (\(\checkmark\)) mark in one of the squares above."

§ 7.14 Several officers. If the removal of more than one officer is sought, the same provisions for submitting to the electors the question and direction hereinbefore described shall be repeated in the case of each officer concerned and their position on the ballot for their recall shall be in the order of the filing of the petition with the city clerk.

§ 7.15 Election procedure. The provisions of Title 19 of the Revised Statutes (Elections) concerning the preparation of the ballot, election of municipal officers, counting and canvassing of the results of the election of such officers, shall apply to the election for the recall of officers and the election of their successors.

§ 7.16 Notices. The city clerk shall cause to be made due publication of notices of arrangements for holding all recall elections and they shall be conducted as are other elections for municipal officers in the city.

§ 7.17 Election results. (a) If a majority of votes cast be in favor of the recall, the term of office of such officer shall terminate upon the certification of the results of election by the city clerk.
(b) If the results of such recall election shall, by the certificate of the city clerk, be shown to be against the recall of the officer, he shall continue in office as if no recall election had been held.

§ 7.18 Election of successor. If an incumbent is recalled, there shall be a vacancy in the office which shall be filled in the same manner as provided by the charter with respect to vacancies resulting from other causes; provided that the recalled councilman shall not be eligible for an appointment to fill such vacancy temporarily.

C. Petition for Initiative, Referendum and Recall

§ 7.19 Form and content of petition. All petition papers circulated for the purposes of an initiative, referendum or recall shall be uniform in size and style. Initiative petition papers shall contain the full text of the proposed ordinance. The signatures to initiative, referendum or recall petitions need not all be appended to one paper, but to each separate petition paper there shall be attached a statement of the circulator thereof as provided by this section. Each signer of any such petition paper shall sign his name in ink or indelible pencil and shall indicate after his name his place of residence by street and number, or other description sufficient to identify the place. There shall appear on each petition paper the names and address of five voters, designated as the committee of the petitioners, who shall be regarded as responsible for the circulation and filing of the petition and for its possible withdrawal as hereinafter provided. Attached to each separate petition paper there shall be an affidavit of the circulator thereof that he, and he only, personally circulated the foregoing paper, that all the signatures appended thereto were made in his presence, and that he believes them to be the genuine signatures of the persons whose names they purport to be.

§ 7.20 Certification. All petition papers comprising an initiative, referendum or recall petition shall be assembled and filed with the city clerk as one instrument. Within 20 days after a petition is filed, the clerk shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition is signed by a sufficient number of legal voters. After completing his examination of the petition, the clerk shall certify the result thereof to the council at its next regular meeting. If he shall certify that the petition is insufficient he shall set forth in his certificate the particulars in which it is defective and shall at once notify at least two members of the committee of the petitioners of his findings.
§ 7.21 Amendments. An initiative, referendum or recall petition may be amended at any time within 10 days after the notification of insufficiency has been served by the city clerk, by filing a supplementary petition upon additional papers signed and filed as provided in case of an original petition. The clerk shall, within 5 days after such an amendment is filed, examine the amended petition and, if the petition be still insufficient, he shall file his certificate to that effect in his office and notify the committee of the petitioners of his findings and no further action shall be had on such insufficient petition. The finding of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose.

§ 7.22 Submission to council. Upon a finding by the city clerk that any petition or amended petition filed with him in accordance with this article is sufficient, the clerk shall submit the same to the council without delay. An initiative ordinance so submitted shall be deemed to have had first reading and provision shall be made for a public hearing.

ARTICLE VIII

GENERAL PROVISIONS

Section 8.1 Elective offices. The councilmen shall be the only elective city officers. They shall be nominated and elected as required by the charter at a general election, or if there is no general election in a year when an election is required to fill a vacancy, at an election to be held on the first Tuesday after the first Monday in November of such year, in accordance with the provisions of Title 19 of the Revised Statutes.

§ 8.2 Ward boundaries. (a) Until the first election of councilmen to be held after the promulgation of the next Federal census which is promulgated not less than 65 days before the primary election for the general election at which such councilmen are to be elected, ward boundaries as they existed on January 1, 1969, shall continue effective.

(b) Immediately following the promulgation of each decennial Federal census ward commissioners shall fix and adjust ward boundaries as required for representation under the charter. The members of the county board of elections of the county in which such municipality is situated, together with the city clerk shall constitute the ward commissioners. The ward commissioners shall meet and, having first taken and subscribed before some officer authorized to administer oaths, an oath faithfully and impartially
to perform the duties imposed upon them, shall forthwith proceed to prepare the ward map.

(c) Within 30 days following the promulgation of the census, the ward commissioners shall make and file their report and certificate over at least three of their signatures setting forth and properly describing the ward boundaries fixed and determined, to which there shall be annexed a map of the city with the ward boundaries clearly marked thereon. The report so certified shall be filed in the office of the clerk of the county, and a copy thereof shall also be filed with the Secretary of State and in the office of the clerk of the city.

(d) A notice of the ward boundaries as fixed and determined by the ward commissioners shall be published by the city clerk at least once in at least one newspaper circulating in the city within 2 weeks immediately next succeeding the filing of the report and certificate required by this article. Upon completion of the publication, the former ward boundaries shall be superseded, and thereafter councilmen elected for or representing the wards thereof shall be elected from the wards fixed by the ward commissioners hereunder until the next Federal census.

§ 8.3 Dual office holding. No officer under the city government shall hold or retain any office under the county government, nor shall any officer under the county government be eligible to hold or retain office under the city government, except in each case when any such office is held ex officio by virtue of an act of the Legislature. Any person holding city office, whether by election or appointment who shall, during his term of office, accept, hold or retain any other civil office of honor, trust or emolument under the Government of the United States, except commissions for the taking of bail, or under the government of the State, except the office of notary public or commissioner of deeds or officer of the Reserve Components of the Armed Forces of the United States, or who shall hold or accept any other office connected with the government of the county, or who shall accept a seat in the Legislature, shall be deemed thereby to have vacated any office previously held by him under the city government; except that the mayor may accept, or may in writing authorize any other person holding office to accept, a specified civil office, in respect to which no salary or other compensation is provided.

§ 8.4 Conflict of interests. (a) Except as provided by paragraph (b) of this section, no officer or employee under the city government shall have any interest, direct or indirect, in any contract with the city, or with any agency or instrumentality thereof, whenever
any such officer or employee, individually or as a member of a board, may:

(i) Prepare, authorize or approve the contract or authorize or approve payment thereunder;

(ii) Audit bills or claims under the contract; or

(iii) Appoint an officer or employee who has any of the powers or duties set forth in (i) or (ii) above.

(b) The provisions of paragraph (a) of this section shall not apply to:

(i) the designation of an official depository of city funds unless the manager, comptroller or city treasurer has an interest in such depository;

(ii) the designation of an official newspaper;

(iii) the purchase of real property or an interest therein, provided that the purchase and the consideration therefor is approved by order of the Superior Court upon petition of the council.

(c) "An interest in a contract" within the meaning of this section shall not include the holding of stock in a corporation listed on any national securities exchange, or an interest in a contract for public utilities service when the rates or charges therefor are fixed or regulated by a governmental agency.

(d) Any city officer or employee who has, will have, or later acquires an interest, direct or indirect, in any actual or proposed contract with the city shall publicly disclose the nature and extent of such interest in writing to the council as soon as he has knowledge of such actual or prospective interest. Such written disclosure shall be made part of and set forth in the official record of the proceedings of the council. Once disclosure has been made by an officer or employee with respect to an interest in a contract with a particular person, firm, corporation or association, no further disclosures need be made by such officer or employee with respect to additional contracts with the same party during the remainder of the fiscal year.

(e) Any contract with the city obtained or procured in violation of this section shall be void.

(f) Any city officer or employee who willfully and knowingly violates the foregoing provisions of this section shall forfeit his office or employment.

§ 8.5 Code of ethics. The council shall provide by ordinance for the adoption of a code of ethics setting forth for the guidance of the employees and officers of the city the standards of ethical con-
duct in the performance of their duties which will be required of them. Any such code may provide standards for officers and employees with respect to:

(a) Representation of private interests before city agencies and courts;
(b) Disclosure of interest in legislation before the council;
(c) Acceptance of gifts and favors;
(d) Disclosure of confidential information;
(e) Holding of investments in conflict with official duties;
(f) Incompatible employment;
(g) Future employment; and
(h) Such other standards relating to the conduct of officers and employees as may be deemed advisable; provided, however, that no provision which in any way conflicts with the provisions of this article shall be authorized.

§ 8.6 Fraud of officers or employees. Any councilman or other officer or employee of the city who shall willfully violate or evade any provision of law relating to his office or employment, or commit any fraud upon the city, or convert any of the public property to his own use, or knowingly permit any other so to convert it, or by gross or culpable neglect of duty allow the same to be lost to the city, upon conviction thereof and in addition to other penalties imposed by law, shall forfeit his office or employment, and be excluded forever thereafter from receiving or holding any office or employment under the city government.

§ 8.7 Duty to testify. If the mayor, any councilman or other officer or employee of the city shall, after lawful notice or process, expressly referring to this section, willfully refuse or fail to appear before any legislative committee of the council, or any city officer, board or body authorized to conduct any hearing or inquiry, or having appeared shall refuse to testify or to answer any question relevant to the hearing or inquiry regarding the property, government or affairs of the city or regarding the nomination, election, appointment or official conduct of any officer or employee of the city, his term or tenure of office or employment shall terminate and such office or employment shall be vacant, and he shall not be eligible thereafter to election or appointment to any office or employment under the city government or any agency thereof.

§ 8.8 Conviction of crime. Any person convicted of a crime involving moral turpitude shall be ineligible to hold any city office, position or employment, and upon conviction thereof while in office or employment shall forfeit his office, position or employment;
provided, however, any person convicted of such an offense other than a high misdemeanor who has achieved a degree of rehabilitation which, in the opinion of the manager, indicates his employment would not be incompatible with the welfare of society and the aims and objectives of the department, may be considered eligible to apply for employment or be continued in employment.

§ 8.9 Interim appointments. No subordinate board, department, body, office, position or employment shall be created and no appointments shall be made to any subordinate board, department or body, or to any office, employment or position, including without limitation patrolmen and firemen, between the date of any election of a councilman and the date on which he takes office under the charter.

2. Section 9 of the act of which this act is amendatory (C. 54:10A-9) is amended to read as follows:

C. 54:10A-9  Taxpayer holding stock of subsidiary; deductions from net worth; "subsidiary" defined.

9. Any taxpayer which holds capital stock of a subsidiary during all or part of any year may, for the purposes of the tax imposed by this act, deduct from its net worth, the following amount:

(a) in the case of a subsidiary which is taxable under this act, such proportion of the average value of such holdings, less net liabilities (if any) to such subsidiary, as corresponds to 50% of the ratio of the subsidiary's taxable net worth, for the same year under this act, to its entire net worth; or

(b) in the case of a subsidiary subject to a franchise tax measured by gross receipts under any other law of this State, such proportion of the average value of such holdings, less net liabilities (if any) to such subsidiary, as corresponds to 50% of the ratio of the subsidiary's business within the State to its business everywhere during its next preceding taxable year under such law; or

(c) in the case of a subsidiary which is a bank as defined in section 54:9-1 of the Revised Statutes, 50% of the difference between the average value of such holdings for the same year and net liabilities (if any) to such subsidiary; or

3. In order that there be flexibility in the handling of appropriations, any department or agency receiving an appropriation by any act of the Legislature may apply to the Director of the Division of Budget and Accounting for permission to transfer a part of any item granted to such department or agency to any other item in such appropriation. Such application shall be made only during the current year for which the appropriation was made, and if the Director of the Division of Budget
and Accounting shall consent thereto, he shall, subject to the approval of the Legislative Budget and Finance Director, place the amount so transferred to the credit of the item so designated; provided, however, that no sum appropriated for any permanent improvement shall be used for maintenance or for any temporary purpose except temporary motor vehicle inspection lanes, health and sanitary improvements in motor vehicle inspection stations, extraordinary snow removal and extraordinary highway maintenance; and provided further, that any item for capital improvement may be transferred to any other item of capital improvement on the approval of the Director of the Division of Budget and Accounting.

Such receipts shall by such custodian be forwarded monthly to the Director of the Division of Budget and Accounting for audit, and said Director shall likewise make regulations governing disbursement from petty cash funds.

9. The Director of the Division of Budget and Accounting is hereby empowered, notwithstanding any other provision of law, to transfer to the General State Fund out of any special, dedicated or trust fund such proportionate share of any appropriation made herein, which may be chargeable against such special, dedicated or trust fund. Any receipts in any special, dedicated or trust fund are hereby appropriated for the purpose of such transfer.
10. The State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall pay any claim not exceeding $250 out of any appropriations made to the several departments, provided such claim is recommended for payment by the Attorney General and approved by the Legislative Budget and Finance Director. L. 1938, c. 366).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of the act of which this act is amendatory (C. 17:48-5) is amended to read as follows:

C. 17:48-5 Filing copy of certificate of incorporation; qualifications of directors; executive committee; vacancies; action by commissioner.

5. A copy of a certificate of incorporation of a hospital service corporation may be filed in the Department of Insurance as aforesaid only when there shall be indorsed on or appended to the original thereof the approval of the Commissioner of Insurance, who is hereby authorized to grant such approval if, in his judgment, the operation of a nonprofit hospital service plan by such corporation is in the public interest. No certificate of authority shall be issued to any such corporation unless the bylaws provide that the board of directors of such hospital service corporation subject to the provisions of this act shall be composed of persons who are representative of the member hospitals of such corporation, its subscribers and the general public. Not more than one-third of the directors of any hospital service corporation shall be persons who are licensed to practice medicine and surgery in this State (other than physicians employed on a full-time basis in the fields of public health, public welfare, medical research or medical educa-
tion) or who are trustees, directors or employees of a corporation organized for hospital purposes. Of the directors not included in the classification set forth in the preceding sentence, one-half in number, as nearly as possible, shall be persons (1) who have coverage under a contract or contracts issued by such hospital service corporation, (2) who are generally representative of broad segments of the subscribers covered under contracts issued by such corporation, and (3) who, or whose spouse or minor children, are not officers, directors or owners of more than 10% of the stock of a corporation whose aggregate sales to hospitals exceed 5% of its total sales, and one-half in number, as nearly as possible, shall be persons (a) whose background and experience indicate that they are qualified to act in the broad public interest, (b) who may or may not have coverage under a contract or contracts issued by such hospital service corporation, and (c) who, or whose spouse or minor children, are not officers, directors or owners of more than 10% of the stock of a corporation whose aggregate sales to hospitals exceed 5% of its total sales. Each such hospital service corporation shall have an executive committee the members of which shall be composed, as nearly as possible, of an equal number of representatives of the member hospitals of such corporation, its subscribers and general public. Compliance with the provisions of this section shall be under the supervision of the Commissioner of Insurance. Within 10 days after a vacancy in the board of directors of a hospital service corporation shall occur, such corporation shall notify the Commissioner of Insurance in writing that such vacancy exists. Not more than 10 days after the election of a person as a director of a hospital service corporation, such corporation shall furnish, in writing, the following information to the Commissioner of Insurance: the name and address of the person so elected; whether such person is representative of the member hospitals of such corporation, or its subscribers, or the general public and qualified to serve under the provisions of this section; and a biographical statement concerning such person. In the event that the Commissioner of Insurance shall find, after hearing, that the composition of the board of directors of a hospital service corporation is not in compliance with the provisions of this section, he may direct that such board of directors be reconstituted in accordance with his finding. The provisions of this section shall apply only to directors of hospital service corporations elected or re-elected after the effective date of this act.

2. This act shall take effect immediately.

CHAPTER 110

An Act to amend "An act concerning hospital service corporations and regulating the establishment, maintenance and operation of hospital service plans, and supplementing Title 17 of the Revised Statutes by adding thereto a new chapter entitled 'Hospital Service Corporations,'" approved June 14, 1938 (P. L. 1938, c. 366).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of chapter 366 of the laws of 1938 (C. 17:48-6) is amended to read as follows:

C. 17:48-6 Contracts; certificates; contents.

6. Every individual contract made by a corporation subject to the provisions of this chapter to furnish services to a subscriber shall provide for the furnishing of services for a period of 12 months, and no contract shall be made providing for the inception of such services at a date later than 1 year after the actual date of the making of such contract. Any such contract may provide that it shall be automatically renewed from year to year unless there shall have been at least 30 days prior written notice of termination by either the subscriber or the corporation. In the absence of fraud or material misrepresentation in the application for a contract or for reinstatement, no contract with an individual subscriber shall be terminated by the corporation unless all contracts of the same type, in the same group or covering the same classification of persons are terminated under the same conditions.

No contract between any such corporation and a subscriber shall entitle more than one person to services, except that a contract issued as a family contract may provide that services will be furnished to a husband and wife, or husband, wife and their dependent child or children, or the subscriber and his (or her) dependent child or children. Adult dependent(s) of a subscriber may also be included for coverage under the contract of such subscriber.

A contract under which coverage of a dependent of a subscriber terminates at a specified age shall, with respect to an unmarried child, covered by the contract prior to attainment of age 19, who is incapable of self-sustaining employment by reason of mental retardation or physical handicap and who became so incapable prior to attainment of age 19 and who is chiefly dependent upon such
subscriber for support and maintenance, not so terminate while the contract remains in force and the dependent remains in such condition, if the subscriber has within 31 days of such dependent’s attainment of the termination age submitted proof of such dependent’s incapacity as described herein. The foregoing provisions of this paragraph shall not apply retrospectively or prospectively to require a hospital service corporation to insure as a covered dependent any mentally retarded or physically handicapped child of the applicant where the contract is underwritten on evidence of insurability based on health factors required to be set forth in the application. In such cases any contract heretofore or hereafter issued may specifically exclude such mentally retarded or physically handicapped child from coverage.

Every individual contract entered into by any such corporation with any subscriber thereto shall be in writing and a certificate stating the terms and conditions thereof shall be furnished to the subscriber to be kept by him. No such certificate form shall be made, issued or delivered in this State unless it contains the following provisions:

(a) A statement of the contract rate, or amount payable to the corporation by or on behalf of the subscriber for the original quarter-annual period of coverage and of the time or times at which, and the manner in which, such amount is to be paid; and a provision requiring 30 days written notice to the subscriber before any change in the contract, including a change in the amount of subscription rate, shall take effect;

(b) A statement of the nature of the services to be furnished and the period during which they will be furnished; and if there are any services to be excepted, a detailed statement of such exceptions printed as hereinafter specified;

(c) A statement of the terms and conditions, if any, upon which the contract may be amended on approval of the commissioner or canceled or otherwise terminated at the option of either party. Any notice to the subscriber shall be effective if sent by mail to the subscriber’s address as shown at the time on the plan’s records, except that, in the case of persons for whom payment of the contract is made through a remitting agent, any such notice to the subscriber shall also be effective if a personalized notice is sent to the remitting agent for delivery to the subscriber, in which case it shall be the responsibility of the remitting agent to make such delivery. The notice to the subscriber as herein required shall be sent at least 30 days before the amendment, cancellation or termination of
the contract takes effect. Any rider or endorsement accompanying such notice, and amending the rates or other provisions of the contract, shall be deemed to be a part of the contract as of the effective date of such rider or endorsement;

(d) A statement that the contract includes the endorsements thereon and attached papers, if any, and contains the entire contract for services;

(e) A statement that no statement by the subscriber in his application for a contract shall avoid the contract or be used in any legal proceeding thereunder, unless such application or an exact copy thereof is included in or attached to such contract, and that no agent or representative of such corporation, other than an officer or officers designated therein, is authorized to change the contract or waive any of its provisions;

(f) A statement that if the subscriber defaults in making any payment under the contract, the subsequent acceptance of a payment by the corporation or by one of its duly authorized agents shall reinstate the contract, but with respect to sickness and injury may cover such sickness as may be first manifested more than 10 days after the date of such acceptance;

(g) A statement of the period of grace which will be allowed the subscriber for making any payment due under the contract. Such period shall be not less than 10 days.

In every such contract made, issued or delivered in this State:

(a) All printed portions shall be plainly printed in type of which the face is not smaller than 10 point;

(b) There shall be a brief description of the contract on its first page and on its filing back in type of which the face is not smaller than 14 point;

(c) The exceptions of the contract shall appear with the same prominence as the benefits to which they apply; and

(d) If the contract contains any provision purporting to make any portion of the articles, constitution or by-laws of the corporation a part of the contract, such portion shall be set forth in full.

2. This act shall take effect immediately.

Approved June 26, 1970.

CHAPTER 111

An Act to amend and supplement "An act concerning hospital service corporations and regulating the establishment, maintenance and operation of hospital service plans, and supplementing Title 17 of the Revised Statutes by adding thereto a new chapter entitled 'Hospital Service Corporations,'" approved June 14, 1938 (P. L. 1938, c. 366).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 17:48-6.9 Provision for adjustment of premium rate; filing and approval of rating formulas.

1. Any group contract, covering at least 100 employees of members, may provide for the adjustment of the rate of premium at the end of the first year or any subsequent year of insurance thereunder based on the experience thereunder both past and contemplated. No hospital service corporation shall use any form of experience rating plan until it shall have filed with the commissioner the formulas to be used and the classes of groups to which they are to apply. The commissioner may disapprove the formulas or classes at any time if he finds that the rates produced thereby are excessive, inadequate or unfairly discriminatory or that the formulas or classes are such as to prejudice the interests of persons who are eligible for hospital services under contracts with the hospital service corporation which are not subject to experience rating.

Excluding those rating formulas applicable to groups the employees or members of which are located in more than one state and which are underwritten in participation with other corporation(s) of other state(s), no rating formula shall be approved by the commissioner unless it provides that the experience rated groups will be assessed a reasonable community charge. Any such rating formula may provide for the allowance of an equitable discount in the event the policyholder agrees to perform certain administrative and record keeping functions in connection with the routine maintenance of the group account.

2. Section 14 of the act of which this act is amendatory (C. 17:48-14) is amended to read as follows:

In addition, such corporation shall pay on April 1 of each year a general supervisory fee to the Commissioner of Insurance of $0.02 per subscriber covered under subscription contracts, other than group contracts, at the end of the preceding year plus $0.02 per member or employee covered under group contracts at the end of the preceding year, and the first such general supervisory fee shall be due as of December 31, 1970, payable April 1, 1971.

3. This act shall take effect immediately.

Approved June 26, 1970.

A contract under which coverage of a dependent of a subscriber terminates at a specified age shall, with respect to an unmarried child, covered by the contract prior to attainment of age 19, who is incapable of self-sustaining employment by reason of mental retardation or physical handicap and who became so incapable prior to attainment of age 19 and who is chiefly dependent upon such subscriber for support and maintenance, not so terminate while the contract remains in force and the dependent remains in such condition, if the subscriber has within 31 days of such dependent's attainment of the termination age submitted proof of such dependent's incapacity as described herein. The foregoing provisions of this paragraph shall not apply retrospectively or prospectively to require a medical service corporation to insure as a covered dependent any mentally retarded or physically handicapped child of the applicant where the contract is underwritten on evidence of insurability based on health factors, required to be set forth in the application. In such cases any contract heretofore or hereafter issued may specifically exclude such mentally retarded or physically handicapped child from coverage.

(c) A statement of the terms or conditions, if any, upon which the certificate may be canceled or otherwise terminated at the option of either party. Any notice to the subscriber shall be effective if sent by mail to the subscriber's address as shown at the time on the plan's records, except that, in the case of persons for whom payment is made through a remitting agent, any such notice to the subscriber shall also be effective if a personalized notice is sent to the remitting agent for delivery to the subscriber, in which case it shall be the responsibility of the remitting agent to make such delivery. The notice to the subscriber as herein required shall be sent at least 30 days before the amendment, cancellation or termination of the contract takes effect. Any rider or endorsement accompanying such notice, and amending the rates or other provisions of the contract, shall be deemed to be a part of the contract as of the effective date of such rider or endorsement;

(d) A statement that the subscription certificate constitutes the contract between the corporation and the subscriber and includes the endorsements thereon and attached papers, if any, and contains the entire contract;

CHAPTER 115

An Act relating to the employment of, and minimum wage rates payable to, certain minors 17 or more years of age and amending P. L. 1940, c. 153 and P. L. 1966, c. 113.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 15 of P. L. 1940, chapter 153 (C. 34:2-21.15) is amended to read as follows:

C. 34:2-21.15 Street trade; agricultural pursuits; ages for employment; special permits.

15. Except as hereinafter provided as to newspaperboys, no boy under 14 years of age and no girl under 18 years of age may engage in any street trade, which term, for the purpose of this section shall include the selling, offering for sale, soliciting for, collecting for, displaying, or distributing any articles, goods, merchandise, commercial service, posters, circulars, newspapers or magazines or in blacking shoes on any street or other public place or from house to house. No child under 12 years of age may be employed in agricultural pursuits.

Whenever a child has graduated from vocational school, approved by the Commissioner of Education and is at least 17 years of age, his diploma or certified copy thereof and an employment certificate mailed to the employer by the issuing officer shall be deemed a special permit to engage in those pursuits in which he majored in said vocational school during those hours permitted for persons 18 years of age and over.

Except as hereinafter provided as to newspaper boys, whenever a child under 16 years of age desires to work during such times as the schools of the district in which he resides are not in session in any street trade or in agricultural pursuits, the parent, guardian or other person having the custody and control of the child may file with the issuing officer in the school district in which the child resides an application for a special permit authorizing such work. Such application shall show the exact character of the work the child is to do, and the hours and wages and special conditions under which said work is to be performed.

If upon investigation it is found that the facts set forth in the application are true and that the work will not interfere with the
child's health or standing in school, the issuing officer shall, upon presentation to him of the same proof of age as is required for the issuance of an employment certificate, issue a special permit, allowing the child to work at such times as the public schools in the district are not in session, but such work except in agricultural pursuits, and as newspaperboys, to be otherwise subject to the maximum hours of labor provisions set for minors under 16 years of age in section 3 of this act; provided, that nothing in this act shall prevent newspaperboys as defined in this act, between 12 and 14 years of age, from delivering, soliciting, selling and collecting for newspapers on routes in residential neighborhoods between the hours of 6:00 o'clock in the morning and 7:00 o'clock in the evening of any day; and newspaperboys 14 years of age and older from delivering, soliciting, selling and collecting for newspapers on routes in residential neighborhoods between the hours of 5:30 o'clock in the morning and 8:00 o'clock in the evening of any day; and provided further that no newspaperboy under the age of 18 years shall be permitted to engage in such occupation beyond the period of time wherein the combined hours devoted to said occupation as a newspaperboy and the hours in school shall exceed a total of 40 hours per week and not more than 8 hours in any 1 day; and provided, further, that children engaged in agricultural pursuits may be employed no more than 10 hours per day.

Such special permit shall show the name, address, and date of birth of the minor for whom it is issued, the kind of proof of age submitted, the nature of the occupation in which the minor is to engage, and such other information as the commissioner of Education may require.

Any such special permit for work in agriculture shall be issued for a period not to exceed 6 months and shall show its date of expiration. Any person employing a minor under 16 years of age in agriculture shall obtain such a certificate from the minor and keep it on file during the period of the minor's employment and shall return it to the minor to whom it is issued upon termination of his employment.

Upon application by the parent, guardian or other person having custody and control of a newspaperboy as defined in this act, between the ages of 12 and 18 years of age, to the publisher of any newspaper in this State and upon receiving satisfactory proof of age and a signed statement of physical fitness, such publisher may issue to such newspaperboy a special permit on a form prescribed and approved by the Commissioner of Education, whereby he shall
be permitted to deliver, solicit, sell and collect for newspapers outside of his school hours on residential routes, and on Sundays and during school vacations and no other employment certificate shall be required.

Such special permit shall show the name, address and date of birth of the newspaperboy for whom it is issued, and such other information as the Commissioner of Education may require.

The publisher shall forthwith mail 3 copies of such special permit to the issuing officer as defined in section 1 of this act, one of which copies shall be forwarded to the Commissioner of Education and one copy to the Commissioner of Labor and Industry in such manner as may be provided by regulation of said commissioners. A copy of such special permit shall also be furnished by the publisher to the parent, guardian or other person having custody and control of the newspaperboy and the publisher shall retain at all times a file copy thereof.

The special permit shall remain in full force and effect unless and until the publisher has knowledge of or is notified by the issuing officer or the Commissioner of Labor and Industry that the newspaperboy is not physically fit or that in the opinion of the issuing officer or the Commissioner of Labor and Industry, engaging in the occupation as a newspaperboy will be harmful to his education. In such case, the said special permit shall be suspended unless and until the issuing officer shall revoke said notification. In the event of such notification and suspension, however, if either the parent, guardian or other person having custody and control of the newspaperboy or the publisher shall deem such decision to be erroneous, an appeal may be made to the Commissioner of Education who shall have authority to affirm, reverse or modify such decision of the issuing officer or the Commissioner of Labor and Industry.

The publisher shall keep a record of the name, address and birth date of each newspaperboy to whom such special permit is issued; the date said newspaperboy commenced and ceased delivering newspapers published by said publisher together with a record of the number of newspapers sold to each newspaperboy and a general description of the area of the route served by each newspaperboy. Such records shall be kept on file by said publisher for a period of 2 years after the newspaperboy has ceased delivering newspapers published by said publisher.

The special permit shall remain in full force and effect unless and until the publisher is notified by the issuing officer or the Commissioner of Labor and Industry that the newspaperboy is not
physically fit or that the newspaperboy's school record is such that engaging in the occupation of a newspaperboy will be harmful to his education. In such case, however, if either the parent, guardian or other person having custody and control of the newspaperboy or the publisher shall deem such decision to be erroneous, an appeal may be made to the Commissioner of Education who shall have authority to reverse or modify such decision of the issuing officer or the Commissioner of Labor and Industry.

such minor, as such occupation shall, from time to time, be de­
termined and declared by the Commissioner of Labor to be

Nothing in this section shall be construed to prevent the employ­
ment of minors between 16 and 18 years of age or more in a restau­
rant as defined in section 1 and as provided for in section 3 of this
act; provided, however, that no minor shall engage in the prepa­
rating, sale or serving of alcoholic beverages, nor in the sale of

These items are deleted in their entirety.

Senate Bill No. 801 is a supplemental appropriation bill for the fiscal year ending June 30, 1970. The bill includes authorization for the payment of certain claims filed against the State of New Jersey. Among these claims are four claims against the State arising from contracts relating to the construction of the State Highway System. These four claims have been contested by the Department of Transportation and have, in the past, been vetoed by former Governor Hughes. I have decided, for the reasons stated herein, to delete entirely the four claims set forth above from Senate Bill No. 801 which I have signed today.

On January 14, 1969 former Governor Hughes disapproved certain contested claims, the payment of which would have been authorized by Senate Bill No. 892 (1968). The basis for disapproving the claims was the failure of the claim procedure to meet a minimum standard of equitable due process for both the
claimants and the State. Again on June 27, 1969 Governor Hughes refused to approve certain contested claims set forth in Senate Bill No. 813 (1969) for essentially the same reasons expressed in his veto message of January 14, 1969. The four contested claims which I have disapproved were among those disapproved by the former Governor.

In his veto messages, the former Governor urged the Legislature to undertake reforms in the claims procedure “to insure adequate and equitable consideration of contested claims by the Legislature and by the Governor.” I share this concern for some degree of equitable due process in the disposition of claims against the State, not only to insure fair treatment to the claimants but also to preclude any doubt as to the impartiality and objectivity of the disposition of claims from the State’s point of view.

The situation with respect to these claims is no different than that presented to the former Governor. These claims were not heard de novo by the sub-committee after their disapproval in June 1969. Essentially, the sub-committee relied on the records that had been made before the prior sub-committee, which records are subject to the infirmities enumerated by the former Governor. Thus, I am in no different or better position to conclude that these claims should be approved. This action is taken by me without prejudice to the claimants since it is not based on an evaluation of the merits of the claims. Indeed, such an evaluation is not possible on the records presented to me.

Earlier this year the Supreme Court of New Jersey rendered a decision establishing the right of claimants to seek a judicial determination of contract claims against the State. P. T. & L. Construction Co. v. Commissioner, Department of Transportation, 55 N. J. 341 (1970). The Legislature wisely recognized that the State would need time to prepare for the impact of this decision, which has added a new dimension to the Law. Accordingly, the Legislature enacted, and I approved, Chapter 98 of the Laws of 1970, which precludes any person from instituting suit against the State for a cause of action accruing prior to July 1, 1971. During this interim period, however, persons having claims against the State must submit them to the Legislature’s claims sub-committee. This includes the same four claimants whose claims I have disapproved today. Therefore, the need for revamping the claims procedure has not abated by virtue of the ruling of the Supreme Court and I urge the Legislature to provide a procedure for these
and other claimants which guarantees fair adjudication to both the claimants and the State.

Respectfully,

[SEAL]

WILLIAM T. CAHILL,
Governor.

JEAN E. MULFORD,
Acting Secretary to the Governor.

CHAPTER 117

AN ACT to amend "An act concerning the compensation of jail keepers in certain counties of the second class, and supplementing chapter 8 of Title 30 of the Revised Statutes" approved September 4, 1968 ( P. L. 1968, c. 269).

That part of the local fair share of a regional district and of a consolidated school district measured by property valuations shall be determined at the rate of 8½ mills per dollar of such allocated valuation during the first 5 years that the regional school or consolidated school district is in operation and at the rate of 9½ mills per dollar during the second 5 years that the regional school or consolidated school district is in operation, and thereafter at the full 10½ mills, with respect to any regional school district or consolidated school district heretofore or hereafter established.

2. This act shall take effect immediately.

Approved June 30, 1970.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P. L. 1968, chapter 177 (C. 18A:58-33.3) is amended to read as follows:

C. 18A:58-33.3 Additional State school building aid; maximum amount.

2. (a) If the findings of said investigation show, to the satisfaction of the State Board of Education, that such school district is not able to provide the necessary facilities to comply with the provisions of said section 18A:33-1, the State Board of Education may by its resolution make its determination (1) that such school district is entitled to additional State school building aid in an amount (hereinafter sometimes referred to as the "allocation") not to exceed $25.00 per student in resident enrollment on September 30, 1968, and (2) that the school district projects or educational facilities authorized to be undertaken or provided pursuant to ordinance or proposal submitted with said application will assist the school district in providing necessary facilities as aforesaid and the bonds authorized in said ordinance or proposal for financing such projects or educational facilities shall constitute and shall be bonds entitled to the benefits or provisions of this act. The Commissioner of Education shall be and is hereby authorized to endorse upon any copy of such ordinance or proposal a certification thereof as being the ordinance or proposal as to which a determination of the State Board of Education has been made as aforesaid, and such endorsement shall be made in such form or manner as the commissioner shall determine.

(b) Any resolution of the State Board of Education adopted prior to April 1, 1970, setting forth a declaration or determination as to the amount of additional State school building aid to which any school district shall be entitled under this act by reference to the average daily enrollment of such school district shall be held and construed to be a reference to the resident enrollment of students of such school district on September 30, 1968, and the amount of such additional State school building aid shall constitute
the allocation with respect to such school district for any and all purposes provided in this act and the amount to be received annually by or with respect to such school district pursuant to the provisions of this act.

(e) The Commissioner of Education, the State Board of Education, the State Treasurer and the local finance board are each hereby authorized and empowered to consider any application of any school district with respect to additional State school building aid in connection with any school district projects or educational facilities authorized to be undertaken or provided pursuant to an ordinance or proposal submitted with such application, notwithstanding that such ordinance or proposal was adopted, approved or became effective prior to April 1, 1970 and provided that such ordinance or proposal had not been adopted, approved or become effective prior to January 1, 1968, and to make or provide any and all investigations, determinations, endorsements, certifications, considerations, approvals, restrictions, limitations, consents, resolutions, estimates or approvals, which may be required or provided for by this act with respect to any such ordinance or proposal, school district or school district projects or educational facilities, as if such ordinance or proposal had not been adopted, approved or become effective, and any bonds authorized by such ordinance or proposal shall be entitled to all the benefits of the provisions of this act.

2. Section 3 of P. L. 1968, chapter 177 (C. 18A:58-33.4) is amended to read as follows:

C. 18A:58-33.4 Approval of additional aid by State Treasurer and local finance board.

3. (a) A copy of said resolution of the State Board of Education determining a school district to be entitled to additional State school building aid, together with a copy of said ordinance or proposal bearing the endorsement of the Commissioner of Education, shall be submitted to the State Treasurer for his consideration. If the State Treasurer is satisfied after investigation either, (a) that the payment of the debt service (interest and principal) on the bonds proposed to be authorized by such ordinance or proposal will not cause the amount of additional State school building aid to be paid pursuant to this act to exceed the sum herein provided (with respect to such school district), or (b) that the payment of the debt service (interest and principal) in each year on the bonds authorized by such ordinance or proposal will not exceed the allocation with respect to such school district, he shall endorse his approval to that effect upon the copy of such ordinance or proposal.
(b) A copy of any such ordinance or proposal authorizing bonds for school purposes and bearing said endorsements of the Commissioner of Education and State Treasurer, shall be submitted to the local finance board for its consideration, and the local finance board in considering such copy of any ordinance or proposal submitted to it and before endorsing its consent thereon may require the governing body of any municipality or board of education of any school district submitting any such ordinance or proposal to adopt resolutions restricting or limiting any future proceedings therein or other matters or things deemed by the local finance board to affect any estimate made or to be made by it in accordance with subsection (c) hereof, and every such resolution so adopted shall constitute a valid and binding obligation of such municipality or school district, as the case may be, running to and enforceable by, and releasable by, the local finance board.

(c) Within 60 days after such submission to it, the local finance board shall cause its consent to be endorsed upon such copy of any ordinance or proposal authorizing such bonds, if it shall be satisfied, and shall record by resolution, its estimates that the amounts to be expended for the school district projects or educational facilities to be financed pursuant to such ordinance or proposal are not unreasonable or exorbitant; and that issuance of the bonds, proposed to be authorized by such ordinance or proposal, will not materially impair the credit of any municipality comprised within the district or substantially reduce its ability, during the ensuing 10 years, to pay punctually the principal and interest of its debts and supply essential public improvements and services, but if the local finance board is not so satisfied it shall cause its disapproval to be endorsed on such copy within said period of 60 days.

(d) Any bonds entitled to the benefits of the provisions of this act, shall be deductible in determining the net school debt of any school district for any purpose or computation under section 18A:24-19 of the New Jersey Statutes, and the amount of all such bonds shall be deducted from the gross debt of any municipality constituting the whole or any part of such school district for any of the purposes of section 40A:2-44 of the New Jersey Statutes and shall be a deduction within the meaning and for the purpose of clause (g) of said section to any extent that such bonds are not deductible under clause (a) or clause (b) of said section, and shall at all times constitute a deduction from gross debt on any annual or supplemental debt statement of such municipality.
(e) All of such bonds when issued shall contain a recital to the effect that they are issued pursuant to Title 18A, Education, of the New Jersey Statutes and are entitled to the benefits of the provisions of this act. Any bonds entitled to the benefits of the provisions of this act shall be authorized and issued in the manner provided for in Title 18A, Education, of the New Jersey Statutes, and notwithstanding the provisions of section 18A:24–19 of the New Jersey Statutes. Compliance with the provisions of this act by or on behalf of any school district or municipality shall make it unnecessary to comply with any of the provisions of sections 18A:24–20 through 18A:24–27 of the New Jersey Statutes, and such sections shall not be applicable with respect to authorization or issuance of any bonds entitled to the benefits of the provisions of this act. Bonds entitled to the benefits of the provisions of this act shall mature not later than 30 years from their date and without regard to any limitations as to maturities or amounts of annual installments for such bonds as provided in Title 18A, Education, of the New Jersey Statutes.

(f) The Commissioner of Education is hereby authorized and directed to establish and maintain records pertaining to each issue of bonds entitled to the benefits of this act and setting forth as to such bonds the amount to be payable in each year on account of debt service (interest and principal) on such bonds, and such records as aforesaid shall be conclusive as to the amount so payable on account of such debt service, and the Commissioner of Education is hereby authorized and empowered to certify for any purpose such amounts as so payable on account of debt service with respect to such bonds. A school district or municipality authorized to issue such bonds may make application to the Commissioner of Education and the local finance board setting forth request for adjustment as to amount payable in any year on account of debt service with respect to such bonds, and the Commissioner of Education and the local finance board are each hereby authorized and empowered to grant such request if it shall be found that such request is reasonable and in the financial interest of such school district or municipality, and that the requested adjustment as to the amount payable in any year for debt service (principal and interest) on such bonds does not exceed the amount of the allocation then applicable as to such year with respect to such school district or municipality. The Commissioner of Education shall cause such records to be adjusted and shall certify by reference to such records the adjusted debt service with respect to such bonds after giving effect to such request, and
such bonds shall thereafter be eligible with respect to payments hereunder for debt service (principal and interest) in accordance with such certification. Upon issuance of any bonds benefiting under this act the chief financial officer of the school district or municipality issuing such bonds shall, within 30 days after issuance of such bonds, certify to the Commissioner of Education the exact amount payable on account of debt service (interest and principal) on such bonds in each year, and upon receipt of such certification, the Commissioner of Education shall thereupon cause such records to be adjusted with respect to such bonds giving effect to any increase or decrease resulting in any year as to payments on account of interest on or principal of such bonds as shown by said certification of said chief financial officer. Any certification by the Commissioner of Education with respect to bonds to the effect that such bonds are entitled to the benefits of the provisions of this act or as to amount payable in any year for debt service (principal and interest) on such bonds shall be fully conclusive as to such bonds from and after the time of issuance of such bonds, notwithstanding any irregularity, omission or failure as to compliance with any of the provisions of this act with respect to such bonds, provided that such bonds contain a recital to the effect that they are entitled to the benefits of the provisions of this act, and all persons shall be forever estopped from denying that such bonds are entitled to the benefits of the provisions of this act.

(g) Any school district or municipality which has authorized bonds and which are entitled to the benefits of this act, may issue temporary notes or loan bonds (hereinafter called "obligations") in anticipation of the issuance of permanent bonds to the extent permitted or provided for by or pursuant to the provisions of Title 18A, Education, of the New Jersey Statutes and any other laws applicable, in principal amount not in excess of the principal amount of the permanent bonds and subject to such additional terms or conditions with respect to such obligations as may be fixed or required by the Commissioner of Education or the local finance board under authority of this act. The amount and details of any such obligations issued and the interest payable thereon shall be certified by the chief financial officer of such school district or municipality to the Commissioner of Education. The whole or any part of the allocation then applicable to any school district pursuant to this act is hereby authorized to be paid in any year in which such obligations are outstanding and notwithstanding that permanent bonds have not been issued, pursuant to such terms and
conditions as may be determined by the Commissioner of Education, for use and application of the amount so paid to the payment of interest on such obligations and so much of the principal thereof in any such year as shall be determined by said commissioner. The determination of the commissioner hereunder provided for shall be conclusive as to such matters, and receipt of the amount of such allocation so paid shall be used and applied only for the payment of the interest on and principal of such obligations in accordance with such determination by said commissioner.

3. Section 4 of P. L. 1968, chapter 177 (C. 18A:58-33.5) is amended to read as follows:

C. 18A:58-33.5 Inclusion in annual budget; payment of debt service on bonds.

4. As provided in this act, every school district shall be entitled to receive annually the amount of the additional State school building aid (the allocation) determined in the resolutions of the State Board of Education and the State Board of Education shall include such amount in its annual budget for building aid for the school district. Amounts of such building aid paid under this act shall be used only for the payment of debt service (interest and principal) on bonds entitled to the benefits of the provisions of this act, in accordance with said resolutions, except to the extent otherwise provided in this act with respect to obligations issued in anticipation of such bonds; provided, (a) that no proposal authorizing such bonds was approved prior to January 1, 1968 either by the voters or the board of school estimate, and no permanent bonds were issued thereunder prior to January 13, 1970, and (b) that the total principal amount of bonds entitled to the benefits of the provisions of this act in accordance with resolutions adopted by the State Board of Education pursuant to the provisions of this act, and for the payment of the debt service (interest and principal) as to which bonds additional school building aid may be paid pursuant to this act, shall not exceed $90,000,000.00.

Any person not now engaged in the insurance business in this State as agent or broker, and hereafter desiring to engage in said business as agent, broker, or solicitor, and any licensed agent or solicitor hereafter desiring to be licensed for an additional group or groups of insurance as may be provided by section 5 of this act, shall apply, in accordance with the provisions of this act, to the commissioner for a license authorizing him to engage in and transact such business, or such group or groups thereof respectively. Every applicant for a broker’s license shall be at least 21 years of age and if such applicant be a nonresident he shall show that he is the holder of an unexpired license as an insurance broker or agent in the State of his residence, or in which he maintains his principal office for the conduct of his insurance business, or that he has established a principal office in this State for the transaction of such business. If the application be for a solicitor’s license it shall be accompanied by a written request of a licensed agent or broker with whom such solicitor has established a solicitor relationship. All such applications shall be in writing on uniform forms and supplements prepared by the commissioner, and shall be accompanied by a nonrefundable examination fee of $15.00 for each examination scheduled for such applicant (unless applicant be exempt from examination as set forth in section 10 of this act). The applicant shall make sworn answers to such interrogatories as the commissioner may require, and the application shall include a certificate by a resident representative of an insurance company lawfully authorized to transact business in this State, or by a licensed insurance agent or broker of this State, certifying:

(a) That the applicant is a resident of this State, or if a nonresident has his principal office for the conduct of such business in this State, or that he is an applicant for a nonresident broker’s or solicitor’s license;

(b) That the applicant is personally known to him;

(c) That the applicant has had experience or instruction in the general insurance business or (if seeking an agent or solicitor license) some group or groups of the kind or kinds of insurance for which he may desire to be specifically licensed;

(d) That the applicant is of good reputation and is worthy of a license.
Before a first-time applicant for an insurance agent's, broker's or solicitor's license shall be admitted to the examination, the applicant shall be required to have taken, and successfully completed a program of studies established by regulation of the commissioner to the end that the applicant shall be reasonably familiar with the groups of insurance for which he desires to be licensed.

The commissioner may waive the educational requirement set forth herein if the commissioner is satisfied that the applicant possesses sufficient knowledge of the group or groups of kinds of insurance for which such applicant desires a license.

6. Section 8 of P. L. 1944, chapter 175 (C. 17:22–6.8) is amended to read as follows:

8. The service of such process shall be made by leaving a copy thereof in the office of the commissioner with a service fee of $10.00 to be taxed in the plaintiff's cost of suit. Such service upon the commissioner shall be deemed sufficient service upon such nonresident. When any original process is served upon the commissioner as attorney for any such nonresident, and a service fee of $10.00 paid, he shall forthwith notify such nonresident of such service by letter directed to him at his last known address. He shall within 2 days after such service forward in the same manner a copy of the process served on him to such nonresident. The commissioner shall keep a record of all such process, which shall show the day and hour of service.

7. Section 9 of P. L. 1944, chapter 175 (C. 17:22–6.9) is amended to read as follows:

C. 17:22-6.9 Examination of applicant; waiver; issuance of license to copartnership or corporation; expiration and suspension of license.

9. After the receipt of such application in due form, properly verified and certified, it shall be the duty of the commissioner or his deputy, or any salaried employee of the department designated by the commissioner, within a reasonable time and in a place reasonably accessible to the applicant, to subject each first-time applicant for license and if the commissioner deems necessary, any applicant for renewal of license, to personal examination in order to determine his trustworthiness and competency to act as such agent, broker or solicitor. If the applicant for a broker's or solicitor's license be a broker, solicitor or agent licensed in another State, the commissioner may waive such examination; provided, the State issuing such license requires no like examination of
licensed brokers, solicitors or agents of this State. The commissioner shall have the power to enter into written reciprocal agreement with other States where he deems same to be necessary. If the application is for license as an insurance agent, either first-time or for an additional group or groups of insurance, the commissioner may waive the examination if, the applicant provides certification that he is a designated chartered property and casualty underwriter, or if at the time, the applicant has previously passed the examination for and holds an unexpired broker's license issued in accordance with the provisions of this act or if the application is for a license as an insurance agent, broker or solicitor and the applicant is a citizen of this State and has served in the Armed Forces of the United States in any war and has been honorably discharged or released under conditions other than dishonorable and was the holder at any time of an agent's certificate of authority or license, a broker's license or a solicitor's license, in this State, the commissioner may waive examination, for license for the same kind or kinds of insurance the applicant was previously authorized to transact. When it is shown from such application and examination, except where waived, that the applicant

(a) Intends in good faith to act as an insurance agent, broker or solicitor, and

(b) Is actively to engage in the general insurance business, or a particular group or groups thereof with the general public, and

(c) Is of good reputation, and

(d) Has had experience or training, or is otherwise qualified by education in the kind or kinds of insurance for which he desires to be licensed, and

(e) Is a resident of this State or has his principal office for the conduct of such business in this State (unless such application be for a nonresident broker's or solicitor's license), and

(f) Is reasonably familiar with the insurance laws of this State, and with the provisions, terms and conditions of the policies or contracts he is proposing to solicit, negotiate or effect, and

(g) He is then engaged in or intends to engage in the business of writing or negotiating insurance as his principal business or occupation or as a substantial part thereof, separate and apart from any connection which he may have with any partnership or corporation whose principal business is lending of money, and

(h) Is not seeking such license principally for the purpose of negotiating or writing insurance on property owned by him, or in
which he has an insurable interest, or on property or insurable interests of a relative or his employer, and

(i) Is worthy of a license, and

(j) Has not been convicted of a crime involving moral turpitude, the commissioner shall issue to the applicant a license to transact business in this State as an insurance agent, broker or solicitor, as the case may be. A license may be issued by the commissioner to and in the name of any copartnership or corporation engaged in the insurance brokerage business upon written request and payment of the $35.00 fee prescribed in section 13 of this chapter; provided, all members of the copartnership or all of the officers of the corporation, as the case may be, actively engaged in the insurance brokerage business of the copartnership or corporation in this State hold an unexpired license as an insurance broker issued in accordance with the provisions of this act. Where the request is for license in the name of a corporation organized under the laws of a foreign State or jurisdiction and it shall appear in the application, by affidavit of the president or other officer of a foreign corporation, that the sole business sought to be transacted by it is that of a broker, as herein defined, the commissioner may grant such license, notwithstanding the corporation has not complied with the provisions of the general corporation act and obtained a license thereunder to transact business in this State, if with the first request for such license the corporation shall file with the commissioner a duly executed power of attorney as is required in section 7 of this act to be filed by a nonresident individual applicant for a broker's license. Licenses so issued shall expire annually as follows:

To agents on April 30; and to brokers and solicitors on October 31, unless sooner revoked by the commissioner for cause as provided in this act. A license so issued to a solicitor shall be suspended upon termination of the required established solicitor relationship but shall be reinstated upon a written request from another licensed agent or broker with whom such solicitor has established a solicitor relationship.

8. Section 13 of P. L. 1944, chapter 175 (C. 17:22-6.13) is amended to read as follows:

C. 17:22-6.13  License fees.

13. The annual fee to be paid to the commissioner by each person licensed shall be $15.00 for an agent’s license except that the fee shall be $10.00 for persons exempt from examination under the pro-
visions of section 10 (a), and shall be $35.00 for a broker's license and $35.00 for a solicitor's license.

9. Section 14 of P. L. 1944, chapter 175 (C. 17:22-6.14) is amended to read as follows:

C. 17:22-6.14 Appointment of agents; fee.
14. Any insurance company lawfully authorized to transact business in this State may, by a written certificate of authority, contract with and appoint as its representative in this State, as its agent or agents, any person or persons who holds an unexpired certificate of authority issued prior to the effective date of this act, or a license issued under the provisions of this act. Such company shall file with the commissioner a certificate showing the names and addresses of such appointees and shall pay a fee of $5.00 for each company appointment so made. If the licensed agent is to be authorized to countersign policies by an attorney or attorneys in fact, the names of person or persons authorized to act as such attorney or attorneys in fact for such agent shall be stated in the certificate of appointment or a separate certificate duly executed by the company and filed in the office of the commissioner. If an agency is operating its business affairs as a copartnership or corporation, such certificate of authority may be issued by such company in the name of such copartnership or corporation, which certificate shall permit such copartnership or corporation to be licensed as an insurance agent under this act; provided, all individuals actively engaged in the insurance business of such agency hold an unexpired agent's license issued in accordance with the provisions of this act. The payment of one agency appointment fee by each insurance company represented by said agency shall cover all of its licensed agents in said agency. Such certificate of authority shall remain in full force and effect until the license as agent is revoked by the commissioner as provided in this act or canceled by the company upon written notice to that effect filed with the commissioner. Any licensed insurance agent who is a stockholder, officer or agent of any such corporation may be authorized by it to act for such corporation. Nothing contained in this act shall vest in any individual stockholder, officer or agent of any such corporation, any vested interest, claim, title or proprietary right in the agency franchise or otherwise, separate and apart from the title, franchise or proprietary right of the said corporation.

10. Section 24 of P. L. 1944, chapter 175 (C. 17:22-6.24) is amended to read as follows:
C. 17:22-6.24 Certificate of authority; renewal; examination; acting without certificate; revocation or suspension; investigatory power of commissioner; review.

24. No agent of any insurance company authorized to transact in this State the business of life insurance, or life, accident and health insurance shall make or procure to be made, or act or aid in any manner in the negotiation of any such insurance for such a company in this State until such agent procures from the commissioner a certificate of authority so to do, which shall state in substance that the company is authorized to do business under the laws of this State, and that the person, copartnership or corporation named therein is the constituted agent of the company for the transaction of business. Upon receipt of a certificate by the company of its appointment of a suitable person, copartnership or corporation to act as its agent in this State, the commissioner shall, if the facts warrant it, grant the certificate, which shall continue in force until May 1 next after its issue, and by renewal thereof before May 1 of each year until suspended or revoked by the commissioner or until the appointment of the agent is revoked by written notice from the company to that effect, filed with the commissioner.

The commissioner may issue a certificate of authority to and in the name of any copartnership or corporation under the provisions of this section; provided all members of the copartnership or all officers of the corporation, as the case may be, actively engaged in the life insurance or life, accident and health insurance business of the copartnership or corporation in this State hold an unexpired certificate of authority issued in accordance with the provisions of this section.

No certificate of authority shall be issued by the commissioner under the provisions of this section to an individual first-time appointee as such agent until he has qualified by personal examination, to the satisfaction of the commissioner, as to his trustworthiness and competency to act as such agent. The fee, nonrefundable for each such examination scheduled shall be $10.00: but no such examination fee shall be required if such appointee shall, concurrently with the examination taken hereunder, also take an examination for an agent’s, broker’s or solicitor’s license under section 9 of this act and shall pay the examination fee required therefor. The commissioner may waive the examination otherwise required by this section of any first-time appointee who (a) holds an unexpired broker’s license issued in accordance with the provisions of this act, or (b) is a nonresident and the holder of a license
or certificate of authority to act as such agent in the State wherein he resides, or in which he maintains his principal office for the conduct of his insurance business if that be other than the State in which he resides, provided, the State issuing such license or certificate requires no like examination of agents of this State, (c) is a citizen of this State and has served in the Armed Forces of the United States in any war and has been honorably discharged or released under condition other than dishonorable and was the holder at any time of an agent’s certificate of authority or a broker’s license in this State, which authorized such veteran to transact the business of life insurance, or (d) provides certification that he is a designated chartered life underwriter. In granting a license to a nonresident applicant, under paragraph (b) the commissioner shall have the power to enter into written reciprocal agreements with other states where the commissioner deems same to be necessary. No examination shall be required as prerequisite to the issuance of a certificate of authority to any ticket selling agent of a railroad company, steamship company, carrier by air, or public bus carrier, who shall act thereunder as agent of any company subject to this section only in reference to the issuance of accident insurance tickets.

Regular salaried officers or employees of any company subject to this section who do not receive any part of the commission paid on business which they may solicit, or agents of any such company for collecting premiums and servicing policies on a debit who do not solicit or accept applications for the kinds of insurance to which this section applies, may act on behalf of the company without a certificate of authority hereunder.

The commissioner, after 10 days’ notice in the form of a show-cause order, given in writing to the holder of a certificate of authority, and after a hearing held in conformity with said show-cause order may as an alternative to or in addition to other penalties provided by law revoke the certificate of authority or refuse to renew the same, or suspend the same for a limited period of time, if he shall find that the holder of such certificate

(a) Has willfully violated any provision of the insurance laws of this State, or

(b) Has intentionally made a material misstatement in the application for such certificate of authority, or

(c) Has misappropriated or converted to his own use or illegally withheld money belonging to an insurer or an insured or beneficiary, or
(d) Has obtained or has used such certificate not for the purpose of holding himself out to the general public as a life, or life, accident and health insurance agent, but primarily for the purpose of soliciting, negotiating or procuring life or accident and health insurance or annuity contracts covering himself, members of his family, members or employees of any organization of which the holder is an officer, or officers or employees of a firm, partnership or corporation in which the holder or his mother, father, sister, brother or wife or combination of such persons owns a controlling interest, or

(e) Has been convicted after obtaining his certificate of authority of a crime involving moral turpitude, or

(f) Has paid all or part of his commission to a person who does not hold a certificate of authority hereunder or a broker's license as compensation for services rendered in the solicitation or sale of life, health, or accident insurance in this State or to a person who is not properly licensed as agent or broker under the laws of another State as compensation for services rendered in the solicitation or sale of life, health or accident insurance in that State, or

(g) Has otherwise demonstrated unworthiness, bad faith, dishonesty, or incompetency to act as a life insurance agent.

The commissioner shall have the power to conduct investigations, to administer oaths, to interrogate holders of certificates of authority, to issue subpœnas signed by him or in his behalf by his deputy, or by an employee of the department authorized by the commissioner so to do, and to compel witnesses to answer at any hearing. Said subpœnas shall be served in the same manner and the witnesses shall be entitled to the same fees as in the case of subpœnas issued out of the Superior Court of New Jersey. In case of a failure of any person to comply with any subpœna issued hereunder or to testify with respect to any matter concerning which he may be lawfully interrogated, the Superior Court, on application to the commissioner, may issue an order requiring the attendance of such persons and the giving of testimony or production of evidence. Any person failing to obey the court's order may be punished by the court as for contempt.

The revocation, refusal to renew, or suspension of a certificate of authority by the commissioner under this section shall be subject to review in the Superior Court by a proceeding in lieu of prerogative writ.

An Act to amend "An act providing for the establishment and operation by any life insurance company of variable contract accounts, the regulation thereof, and the investment of assets of such accounts," approved June 18, 1959 (P. L. 1959, c. 123) as said title was amended by chapter 200 of the laws of 1967.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P. L. 1959, c. 123 (C. 17:35A-9) is amended to read as follows:

C. 17:35A-9 Investments and liabilities.

4. (a) The assets held in a variable contract account, or any part thereof, may be invested in

(i) Common stock or shares of any investment company specified in the contract or contracts participating in such variable contract account, and registered under the Investment Company Act of 1940, whether or not such stock or shares satisfy the dividend or earnings history requirements now or hereafter contained in the provisions of Title 17 of the Revised Statutes that regulate investments by domestic life insurance companies; provided that, at the time of the first purchase of such stock or shares of any such investment company, the life insurance company which maintains such account, or a subsidiary or affiliate of such insurance company, shall be the investment manager or investment adviser of such investment company and, as long as such life insurance company which maintains such account, or any subsidiary or affiliate of such life insurance company, shall continue as such
investment manager or investment adviser, the investments acquired by such investment company shall be such as would be eligible for investment of variable contract account assets by domestic life insurance companies under the provisions of this section excluding this clause (i);

(ii) Other investments made eligible for investment by domestic life insurance companies by the provisions of Title 17 of the Revised Statutes that regulate investments by domestic life insurance companies, except for investments made eligible by the provision of chapter 24 of said Title which permits a domestic life insurance company to make loans or investments not otherwise expressly qualified or permitted up to 2% of total admitted assets, as such provision may be amended from time to time, or any similar or superseding provision corresponding in substance thereto; and

(iii) Investments authorized, specifically or by classes or otherwise by the commissioner as appropriate to the nature and purpose of such variable contract account;

provided that (A) any common stock or shares, other than common stock or shares referred to in clause (i) of this subsection issued by an open-end investment company, shall be (1) common stock or shares which are listed or admitted to trading on a securities exchange in the United States of America or Canada, or (2) common stock or shares which are included on the National Association of Securities Dealers’ national price listings of “over-the-counter” securities, or (3) other common stock or shares which the commissioner shall have determined are publicly held and traded and as to which market quotations shall be available; (B) the quantitative investment limitations now or hereafter contained in Title 17 of the Revised Statutes regulating investment by domestic life insurance companies shall not be applicable to variable contract account investments, subject to the qualification that the provision contained in said Title limiting the percentage of voting stock of any one corporation that may be purchased or acquired by a domestic life insurance company, as such provision may be amended from time to time, or any similar or superseding provision corresponding in substance thereto, shall apply (subject to the provisions of section 3 of chapter 24 of said Title as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto), with respect to the aggregate of the voting stock of any one corporation held in all accounts of such life insurance company except
for all such stock that may be voted at the direction of a person or persons, other than such life insurance company or any subsidiary or affiliate of such life insurance company; and provided further that, subject to the next succeeding paragraph of this subsection, no domestic life insurance company shall purchase for any variable contract account any security (other than common stock or shares referred to in clause (i) of this subsection issued by an open-end investment company) of any corporation, if after such purchase more than 10% of the market value of the assets of such variable contract account would be invested in the securities of such corporation.

Notwithstanding the foregoing provisions of this section or any other provision of law, a domestic life insurance company may (i) invest the assets, or any part thereof, held in a variable contract account established and maintained solely for one or more group contracts in any investment or investments authorized by the contract or contracts participating in such account, subject only to clause (B) of the proviso in the next preceding paragraph of this subsection relating to the percentage of voting stock of any one corporation that may be purchased or acquired, and (ii) vote any stock or shares held in such an account in accordance with the instructions of such person or persons designated pursuant to such contract or contracts participating in such account. For the purpose of this paragraph, a group contract shall not include, (1) a contract which provides benefits to individuals based upon the investment results of the variable contract account in which such contract participates unless such contract implements a plan which covers at least 100 individuals at the time of execution of such contract and offers each individual covered by the plan one or more alternatives to having the contributions made by him, if any, under the plan credited to such account, if such crediting would affect his benefits under the plan; or, except with the consent of the commissioner, (2) a contract, the holder of which is an association of individuals or the representative thereof.

Except as otherwise provided in this subsection, the investments held in the variable contract accounts of any domestic life insurance company shall be disregarded in determining whether the other investments of such life insurance company comply with the provisions of Title 17 of the Revised Statutes that regulate investments by domestic life insurance companies as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto.
(b) Notwithstanding any other provision of law, in order to comply with the Investment Company Act of 1940, a domestic life insurance company may, with respect to any variable contract account or any portion thereof,

(i) Exercise any voting rights of any stock or shares in accordance with instructions from the persons having the beneficial interests in such account ratably according to their respective interests in such account, or

(ii) Establish a committee for such account, the members of which may be directors or officers or other employees of such such insurance company, or any combination thereof, who may be elected to such membership by the vote of the persons having the beneficial interests in such account ratably according to their respective interests in such account. Such committee may have the power, which may be exercisable alone or in conjunction with others, or which may be delegated to such insurance company or any other person, as investment manager or investment adviser, to authorize purchases and sales of investments for such account, provided that as long as such life insurance company or any subsidiary or affiliate of such life insurance company shall be the investment manager or investment adviser of such account, the investments of such account shall be eligible under the provisions of subsection (a) of this section. If compliance with the Investment Company Act of 1940 shall involve only a portion of a variable contract account, such insurance company may establish such a committee for only such portion, and its members may be elected by the vote of the persons having the beneficial interests in such portion. Any such committee for only a portion of a variable contract account may be given the further power to require the subdivision of such account into two accounts so that the portion of the account with respect to which such committee shall be acting shall constitute a separate variable contract account. If such committee shall so require, the insurance company shall segregate from the account being so subdivided a portion of each asset held with respect to the reserve liabilities of such account. Such portion shall be in the same proportion to the total of such asset as the reserve liability for the portion of the account with respect to which such committee is acting bears to the total reserve liability of such account; and notwithstanding any other provision of law, the assets so segregated shall be transferred to a separate variable contract account with respect to which such committee shall act.
(c) The investments and liabilities of a variable contract account shall at all times be clearly identifiable and distinguishable from the other investments and liabilities of the corporation. No sale, transfer or exchange of investments may be made between a variable contract account and any other investment account of the corporation, except with the prior consent of the commissioner, and no investments of a variable contract account shall be pledged or transferred as collateral for a loan.

(d) The term "Investment Company Act of 1940" as used in this section shall mean an Act of Congress approved August 22, 1940 entitled "Investment Company Act of 1940" as amended from time to time, or any similar statute enacted in substitution therefor.

2. This act shall take effect immediately.

Approved July 24, 1970.

unless the same shall be authorized by the board of directors, or by
a committee thereof charged with the duty of supervising such in-

to withhold from sale any of its property, jointly or severally

insurance company from distributing shares of an investment
company within the meaning of the Investment Company Act of
1940 for which such life insurance company or its subsidiary is the
investment manager or investment adviser.
Any life insurance company may enter into an agreement to acquire any investment permitted by law, directly with the issuer or owner thereof, and may participate with other investors provided that the obligations of such insurer and such other investors shall be several and not joint.

A change in location effected pursuant to this section shall not be subject to the limitations imposed by subsections C or D of section 19. B. Where there is a cofiduciary, the bank shall acquire no participation in a common trust fund without the prior written consent of the cofiduciary, who is hereby authorized to give such consent. Such participation shall be withdrawn within 3 months after the written request of a cofiduciary for such withdrawal.

C. Investment of funds of a trust estate in a common trust fund or funds may be made as provided in this article, notwithstanding that the trust instrument became operative before the effective date of this act, and notwithstanding that the trust instrument, regardless of the date of its effectiveness, does not specifically authorize such an investment; but no investment shall be made in a common trust fund contrary to the express provisions of the trust instrument.

D. No bank shall invest any of its own funds in a common trust fund.

E. Each common trust fund shall be established and maintained in accordance with a written plan, so as to qualify as a common trust fund under Federal revenue laws, and, to that end, each bank in establishing and maintaining a common trust fund shall conform with and be subject to the rules and regulations, prevailing from time to time, of the Board of Governors of the Federal Reserve System or the Comptroller of the Currency pertaining to the collective investment of trust funds by national banks.

(4) Be prima facie evidence as to who are the stockholders entitled to examine such list or to vote at any meeting.

B. If the requirements of this section have not been complied with, the meeting shall, on demand of any stockholder in person or by proxy, be adjourned until the requirements are complied with. E. (Deleted by amendment.)

6. Section 97 of P. L. 1948, chapter 67 (C. 17:9A-97) is amended to read as follows:

C. 17:9A-97 Inspection of books and records.

97. Inspection of books and records.

A. Every bank shall keep books and records of account and minutes of the proceedings of its stockholders, board of directors,
and executive committee if any. The bank shall keep at its principal office, or at the office of its transfer agent in this State, a record or records containing the names and addresses of all stockholders, the number, class and series of shares held by each and the dates when they respectively became the owners of record thereof. Any of the foregoing books, minutes or records may be in written form or in any other form capable of being converted into written form within a reasonable time. A bank shall convert into written form without charge any such records not in such form at the written request of any person entitled to inspect them. Any person who has been a stockholder of record of a bank for at least 6 months immediately preceding his demand, or any person holding, or so authorized in writing by the holders of, at least 5% of the outstanding stock of a bank, upon at least 5 days’ written demand shall have the right for any proper purpose to examine in person or by agent or attorney, during usual business hours, its minutes of the proceedings of its stockholders and record of stockholders and to make extracts therefrom at the place where such minutes and record are kept.

B. A stockholder whose demand has been refused by a bank may apply to the commissioner for an order directing the bank to permit such an examination or the making of such an extract. The application to the commissioner shall be in duplicate, shall be verified, and shall state the stockholder’s name and address; the number of shares held by him; the name and address of counsel representing him, if any; the name and address of the principal office of the bank; and the reason for the demand for such examination or for the making of such extract. If, upon reading the application, the commissioner shall be satisfied that the purpose for which it is made is a proper one and is made in good faith, he shall, within 5 days after the receipt of the demand, mail a copy thereof to the bank, together with an order directing the bank to show cause why the demand should not be allowed. The commissioner shall, within the same period, mail a copy of the order to show cause to the demanding stockholder.

C. The order to show cause shall be returnable before the commissioner not less than 5 and not more than 10 days after its date, and, upon the return day, the commissioner shall hear such evidence and consider such arguments of the parties or their counsel as he shall deem necessary to a fair and equitable determination. The commissioner shall, within 5 days from the return day of the order to show cause, make an order allowing or denying the demand, as
the case may be, and he shall, within the same period, mail a copy of his order to the stockholder and to the bank. If, from an inspection of the demand, the commissioner shall be satisfied that it is not made for a proper purpose or is not made in good faith, he shall forthwith make and mail to the stockholder an order denying the demand, stating his reasons for such denial.

D. The commissioner may, in his discretion, in lieu of ordering the bank to permit such examination or the making of such extract, require the bank to prepare envelopes addressed to the stockholders, to be mailed by the bank after the insertion therein of such matters as the stockholder shall furnish the bank after first having obtained approval by the commissioner of the sending of such matter. The cost of the preparation of such matter and the expense of mailing shall be borne by the stockholder unless the commissioner shall, in his discretion, and upon good cause shown, direct that the expense be borne by the bank.

E. Any order of the commissioner other than an order to show cause, made pursuant to this section, shall be subject to review, hearing and relief in the Superior Court in a proceeding in lieu of prerogative writ. The commissioner's failure to act within the periods limited by this section shall be deemed to be a final order denying the application.

F. Nothing herein contained shall impair the power of any court, upon proof by a stockholder of proper purpose, irrespective of the period of time during which said stockholder shall have been a stockholder of record, and irrespective of the number of shares held by him, to compel the production for examination by such stockholder of the books and records of account, minutes and record of stockholders of a bank.

7. Section 98 of P. L. 1948, chapter 67 (C. 17:9A-98) is amended to read as follows:

If the certificate is countersigned by a transfer agent or registrar, who is not an officer or employee of the bank, any and all other sig-
natures may be facsimiles. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon such certificate shall have ceased to be such officer, transfer agent, or registrar before such certificate is issued, it may be issued by the bank with the same effect as if he were such officer, transfer agent or registrar at the date of its issue.

B. Shares of the capital stock of a bank shall be personal property and shall be held and transferred as provided in chapter 8 of Title 12A of the New Jersey Statutes.

C. 17:9A-114 Repealed.

If the commissioner approves the merger agreement, it shall, within 180 days after the date of such approval, be submitted to the stockholders of each of the banks which are parties to the agreement, at separate meetings called for that purpose upon at least 20 days’ notice given in the manner specified in section 81. A copy of the merger agreement shall be mailed to each stockholder of each of the banks which are parties to the agreement with the notice of the stockholders’ meetings.

B. If the agreement is approved by the stockholders of each bank holding at least 3/5 of the capital stock entitled to vote, that fact shall be certified as to each bank by its president or a vice-president and the certifications shall be attached to the agreement. The agreement shall then be filed in the department, and thereupon it shall become effective.

10. Section 250 of P. L. 1948, chapter 67 (C. 17:9A-250) is amended to read as follows:

C. 17:9A-250 Actions against directors, managers, officers, or employees; indemnification.

250. Actions against directors, managers, officers, or employees; indemnification.

A. As used in this section

(1) “Corporate agent” means any person who is or was a director, officer, employee or agent of the indemnifying bank
and any person who is or was a director, officer, trustee, employee or agent of any other enterprise, serving as such at the request of the indemnifying bank, or the legal representative of any such director, officer, trustee, employee or agent;

(2) "Other enterprise" means any domestic or foreign corporation, other than the indemnifying bank, and any partnership, joint venture, sole proprietorship, trust or other enterprise, whether or not for profit, served by a corporate agent;

(3) "Expenses" means reasonable costs, disbursements and counsel fees;

(4) "Liabilities" means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties;

(5) "Proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding;

(6) "Bank" except as otherwise expressly provided, includes savings bank;

(7) "Directors" includes directors of a bank other than a savings bank.

B. Any bank of this State shall have the power to indemnify a corporate agent against his expenses and liabilities in connection with any proceeding involving the corporate agent by reason of his being or having been such a corporate agent, other than a proceeding by or in the right of the bank, if

(1) Such corporate agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the bank;

(2) With respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful.

The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that such corporate agent did not meet the applicable standards of conduct set forth in subdivisions (1) and (2) of this subsection.

C. Any bank of this State shall have the power to indemnify a corporate agent against his expenses in connection with any proceeding by or in the right of the bank to procure a judgment in its favor which involves the corporate agent by reason of his being or having been such corporate agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the
best interests of the bank. However, in such proceeding no indem­nification shall be provided in respect of any claim, issue or mat­ter as to which such corporate agent shall have been adjudged to be liable for negligence or misconduct, unless and only to the extent that the court in which such proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, such corporate agent is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

D. Any bank of this State shall indemnify a corporate agent against expenses to the extent that such corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections B and C of this section or in defense of any claim, issue or matter therein.

E. Any indemnification under subsection B of this section, and, unless ordered by a court, under subsection C of this section, may be made by the bank only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection B of this section or subsection C of this section. Such determination shall be made

(a) By the board of directors acting by a quorum consisting of directors who were not parties to the proceeding; or

(b) If such a quorum is not obtainable, or, even if obtainable and a quorum of the disinterested directors so directs, by in­dependent legal counsel in a written opinion; or

(c) By the stockholders, in the case of a bank which is not a savings bank, and by the commissioner, in the case of a savings bank.

F. Expenses incurred by a corporate agent in connection with a proceeding may be paid by the bank in advance of the final dis­position of the proceeding upon receipt of an undertaking by or on behalf of the corporate agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified as provided in this section.

G. (1) If a bank upon application of a corporate agent has failed or refused to provide indemnification as required under subsection D of this section or permitted under subsections B, C and F of this section, a corporate agent may apply to a court for an award of indemnification by the bank, and such court

(2) May award indemnification to the extent authorized under subsections B and C of this section and shall award indemnification
to the extent required under subsection D of this section, notwithstanding any contrary determination which may have been made under subsection E of this section; and

(3) May allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection F of this section, if the court shall find that the corporate agent has by his pleadings or during the course of the proceeding raised genuine issues of fact or law.

(4) Application for such indemnification may be made
   (a) In the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or
   (b) To the Superior Court in a separate proceeding. If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for such relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid.

(5) The application shall set forth the disposition of any previous application for indemnification and shall be made in such manner and form as may be required by the applicable rules of court or, in the absence thereof, by direction of the court to which it is made. Such application shall be upon notice to the bank. The court may also direct that notice shall be given at the expense of the bank to the stockholders of a bank other than a savings bank and such other persons as it may designate in such manner as it may require.

H. The indemnification provided by this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, bylaw, agreement, vote of stockholders of a bank other than a savings bank, or otherwise.

I. Any bank of this State shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expenses incurred in any proceeding and any liabilities asserted against him in his capacity as corporate agent, whether or not the bank would have the power to indemnify him against such liability under the provisions of this section.

J. The powers granted by this section may be exercised by a bank notwithstanding the absence of any provision in its certificate of incorporation or bylaws authorizing the exercise of such powers.
11. Section 34 of P. L. 1948, chapter 67 (C. 17:9A-34) is amended to read as follows:

C. 17:9A-34  Proof of qualification and security.

34. Proof of qualification and security.

A. As a prerequisite to its appointment as a fiduciary by any court or officer of this State, a qualified bank shall present to the court or officer an affidavit made by its president or a vice-president and its trust officer or an assistant trust officer that the bank is a qualified bank authorized to exercise the powers specified in section 28, and that its authority so to act has not been revoked and that there is no action pending in any court or before any officer to revoke it.

B. In those cases in which a qualified bank shall be required to give security and a fund maintained pursuant to section 31 shall be offered by the bank as such security, the affidavit presented pursuant to subsection A of this section shall also set forth

(1) The value of the investments included in the fund created and deposited pursuant to section 31 as of a date not more than 30 days prior to the date of such affidavit;

(2) The maximum amount which the said fund so deposited will secure, as provided in subsection A of section 31; and

(3) That the aggregate value on the books of the qualified bank of all the assets administered by the bank in fiduciary capacities under appointment by a court or officer of this State with respect to which its fiduciary obligations are secured by said fund, including the value of the assets to be administered following the pending appointment, will not exceed the amount specified in the next preceding paragraph.

There shall be annexed to such affidavit a statement of the assets and liabilities of the bank, which shall be a copy of the last such statement published pursuant to law. In lieu of items (1), (2) and (3), such affidavit may state that the value of the investments included in the fund created and deposited pursuant to section 31 is $500,000.00 or more.

12. This act shall take effect on the thirtieth day following its approval.

Approved July 24, 1970.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P. L. 1938, chapter 342 (C. 45:8-27) is amended to read as follows:
C. 45:8-27 License required; display of license; exceptions; corporations, firms, partnerships and associations.

1. In order to safeguard life, health and property, and promote the public welfare, any person practicing or offering to practice professional engineering or professional land surveying in this State shall hereafter be required to submit evidence that he is qualified so to practice and shall be licensed as hereinafter provided. After the date upon which this chapter becomes effective, it shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, or to use the title professional engineer or land surveyor or any other title, sign, card or device in such manner as to tend to convey the impression that such person is practicing engineering or land surveying or is a professional engineer or land surveyor, unless such person is duly licensed under the provisions of this chapter. Every holder of a license shall display it in a conspicuous place in his principal office, place of business or employment.

No corporation, firm, partnership or association shall be granted a license under this chapter. No corporation, firm, partnership or association shall use or assume a name involving the word "engineers" or "engineering" or any modification or derivative of such terms, unless an executive officer, if a corporation, or a member, if a firm, partnership or association, shall be a licensed professional engineer of the State of New Jersey.

No corporation, firm, partnership or association shall use or assume a name involving the words "surveyors," "land surveyors," "surveying," or "land surveying," or any modification or derivative of such terms, unless an executive officer, if a corporation, or a member, if a firm, partnership, or association, shall be a licensed land surveyor of the State of New Jersey.

No corporation, firm, partnership or association shall practice or offer to practice engineering or land surveying in this State unless the person or persons in responsible charge of engineering or land surveying work shall be so licensed to practice in this State. The person or persons carrying on the actual practice of professional engineering or land surveying on behalf of or designated as "engineers" or "surveyors" or "professional engineers" or "land surveyors," with or without qualifying or characterizing words, by any such corporations, firms, partnerships or associations, shall be licensed to practice professional engineering or land surveying as provided in this chapter.

Nothing in this act shall be construed as requiring licensing for the purpose of practicing professional engineering or land survey-
ing by any person, firm, or corporation upon property owned or
leased by such person, firm or corporation, unless the same involves
the public safety, public health or public welfare.

2. Section 2 of P. L. 1938, chapter 342 (C. 45:8-28) is amended
to read as follows:

sciences and the principles and methods of engineering analysis
and design, acquired by professional education and practical ex­
perience, is qualified to practice engineering as hereinafter defined
as attested by his license as a professional engineer.

(b) The terms "practice of engineering" or "professional en­

gineering, within the meaning and intent of this chapter, who
practices any branch of the profession of engineering; or who, by

the use of some other title implies that he is a professional en­
gineer; or who represents himself as able to perform, or who does
perform any engineering service or work or any other professional
service recognized by the professional engineer or by educational
authorities as professional engineering.

(c) The term "engineer-in-training" as used in this chapter
shall mean a person who is a potential candidate for license as a
professional engineer who is a graduate in an approved engineering curriculum of 4 years or more from a school or college accredited by the board as of satisfactory standing, or a person who, in lieu of such graduation has had 4 years or more of experience in engineering work of a character satisfactory to the board; and who, in addition, has successfully passed an examination in the fundamental engineering subjects, as defined elsewhere herein.

(d) The term "land surveyor" as used in this chapter shall mean a person who engages in the practice of land surveying as hereinafter defined.

(e) The practice of land surveying within the meaning and intent of this chapter includes surveying of areas for their correct determination and description and for conveyancing, and for the establishment or re-establishment of land boundaries and the plotting of lands and subdivisions thereof, and such topographical survey and land development as is incidental to the land survey.

(f) The term "board" as used in this chapter shall mean the State Board of Professional Engineers and Land Surveyors.

(g) The term "responsible charge" as used in this chapter shall mean a degree of competence and accountability acquired by technical education, engineering practice and experience of a professional character sufficient to qualify an individual to engage personally and independently in the control and direction of investigation, design, construction or operation of engineering works requiring professional skill, initiative and independent judgment.

3. Section 13 of P. L. 1938, chapter 342 (C. 45:8-39) is amended to read as follows:

C. 45:8-39 Practice without license and other violations; penalties; actions for penalties.

for each and every subsequent offense. The penalties provided for
by this section shall be sued for and recovered in civil actions by

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 23:3-29 of the Revised Statutes is amended to read as follows:

License.

23:3-29. A person desiring to engage in the business of raising and selling game birds or game animals, or both, in a wholly inclosed preserve of which he is the owner or lessee, or to have in
captivity game birds or game animals, shall immediately apply in writing to the division for a license to do so. The license fee shall be $5.00 per annum for each of the above purposes. A person desiring to propagate pheasants, partridge, wild turkey, or quail, or any of them, in a semiwild state on lands of which he is the owner or lessee, shall apply in writing to the division for a license to do so. The license fee shall be $25.00 per annum.

The division, when it appears that the application is made in good faith, shall, upon the payment of the fee for each license, issue to the applicant such of the following license or licenses as may be applied for:

a. Propagating license permitting the licensee to propagate game birds or game animals, or both, in the wholly enclosed preserve the location of which is stated in the license and the application therefor, and to sell such propagated game birds or game animals, or both, and ship them from the State alive at any time and to kill the same and sell the carcasses for food subject to the conditions prescribed by sections 23:3-28 to 23:3-39 of this Title;

b. License to propagate pheasants, partridge, wild turkey, or quail, or any of them, in a semiwild state on lands of which the applicant is the owner or lessee, when the applicant shall have released during the month of October, in the presence of the conservation officer, of the species for which the applicant desires to be licensed, one bird for each 5 acres of land described in the application and license;

c. License to keep game birds and animals in captivity; or

d. A person desiring to operate a "commercial pheasant, wild turkey, quail and partridge-shooting preserve" on lands of which he is the owner or bona fide lessee shall apply in writing to the division for a license so to do. The license fee shall be $100.00 per annum and the form of the application and license shall be determined by the division.

The division may, upon payment of the fee, issue to the applicant such a license when it appears that:

(1) The operation of such shooting preserve shall not conflict with a prior reasonable public interest; and

(2) The applicant shall produce evidence satisfactory to the division that he has released on lands described in the application and license, of the species for which he desires to be licensed, a total of at least 10 female and 2 male pheasants or 6 female and 6 male quail or partridge for the first 100 acres of land or portion thereof,
or a proportionate number of birds for any acreage in excess of

turkeys, partridge or quail shall be possessed or transported out­
side of licensed areas unless each bird shall have been tagged with
the special tag prescribed by sections 23:3-28 to 23:3-39 of this
Title. Except as to the additional tags hereinafter provided for,
no licensee raising pheasants, partridge or quail in a semiwild
state shall procure from the division during any year of operation
more tags to be affixed to the dead bodies of pheasants, partridge
or quail propagated in a semiwild state than the number equal to
% of the number of pheasants, partridge or quail released during
the month of October in each year. Additional tags may be pro­
vided to any licensee in the same ratio for any birds released
subsequent to October in the license year. The tags shall be of a
special kind provided for the purpose. The number of birds taken
in any year, either alive or dead, on lands on which pheasants,
wild turkeys, partridge or quail are propagated in a semi­
wild state shall not exceed the number of tags obtained from
the division. Pheasants, wild turkeys, and partridge propagated
in a semiwild state may be taken by shooting only from
9:00 A. M. on November 10 or such opening date as may
otherwise be prescribed by the State Fish and Game Code
to January 20, except where the licensee shall have produced
evidence satisfactory to the division that he has liberated on the
land during the year covered by his license, or that he has in his
possession on the land or in some other designated place or places
and will liberate on the land prior to February 28 a total of at
least 100 pheasants and partridge or combination thereof for any
acreage up to 100 acres and at least one pheasant or partridge for each additional acre, in addition to those birds released during the month of October, in which case the licensee or any person or persons authorized by him so to do may take pheasants, wild turkeys and partridge by shooting from 9:00 A. The number of pheasants, wild turkeys, quail, and partridge so taken by shooting shall not exceed \( \frac{1}{2} \) of the total number of pheasants, wild turkeys, quail, and partridge liberated on said land during the year covered by such license. Section 23:4-24 of this Title relating to hunting on Sunday shall not apply to any person authorized to shoot pheasants, wild turkeys, quail, and partridge under sections 23:3-28 to 23:3-39 of this Title. Quail propagated in a semiwild state may be taken by shooting only from 9:00 A. M. on November 10 or such opening date as may otherwise be prescribed by the State Fish and Game Code to the next following February 28, both days inclusive, and during any further period, not exceeding 31 days, which the Commissioner of Conservation and Economic Development may, from time to time, designate for that purpose upon the recommendation of the Director of the Division of Fish and Game of the Department of Conservation and Economic Development. No pheasants, wild turkeys, partridge or quail propagated in a semiwild state shall be trapped without the written permission of the division.

Under a "commercial pheasant, wild turkey, quail and partridge-shooting preserve" license, pheasants, wild turkeys, quail and partridge may be taken by shooting only on lands described in the application and license, without regard to sex and daily bag limit, by fully licensed hunters authorized by the licensee to shoot on said land between September 1 and the following March 15, both dates inclusive and during any further period, not exceeding 31 days, which the Commissioner of Conservation and Economic Development may, from time to time, designate for that purpose upon the recommendation of the Director of the Division of Fish and Game of the Department of Conservation and Economic Development.
No pheasants, wild turkeys, quail or partridge shall be possessed or transported outside the licensed area, unless each bird shall have been tagged with a suitable tag or seal supplied by the division, and no licensee shall receive from the division, during any year of operation, more tags to be affixed to the bodies of pheasants, quail and partridge than 4 times the number of female pheasants, quail and partridge released prior to May 1 in each year, in addition to one tag for each pheasant, wild turkey, quail and partridge liberated during the shooting period hereinbefore specified.

3. Section 23:3–37 of the Revised Statutes is amended to read as follows:

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 17:11A-34 Short title.
1. This act shall be known as the "Secondary Mortgage Loan Act."

C. 17:11A-35 Definitions.
2. As used in this act, the following words and terms shall have the following meanings unless the context otherwise requires:

a. "Secondary mortgage loan" means a loan made to an individual, association, joint venture, partnership, limited partnership, limited partnership association, or any other group of individuals however organized, except a corporation, which is secured in whole or in part by a lien upon any interest in real property created by a security agreement, including a mortgage, indenture, or any other similar instrument or document, which real property is subject to one or more prior mortgage liens and which is used as a dwelling, including a dual purpose or combination type dwelling which is also used as a business or commercial establishment, and has accommodations for not more than 4 families, except that a loan which: (1) is to be repaid in 90 days or less; (2) is taken as security for a home repair contract executed in accordance with the provisions of chapter 41, P. L. 1960; (3) is at an interest rate which is not in excess of the usury rate in existence at the time the loan is made, as established in accordance with the law of this State, and on which loan the borrower has not agreed to pay, directly or indirectly, any charge, cost, expense or any fee whatsoever other than said interest; or (4) is the result of the private sale of a dwelling if title to the dwelling is in the name of the seller and the seller has resided in said dwelling for at least one year if the buyer is purchasing said dwelling for his own residence and, as part of the purchase price, executes a secondary mortgage in favor of the seller; shall not be subject to the provisions of this act.
b. "Borrower" means any person applying for a secondary mortgage loan, whether or not the loan is granted, and any person who has actually obtained such a loan.

c. "Licensee" means a person who is required to be licensed by section 3 of this act.

d. "Person" means an individual, association, joint venture, partnership, limited partnership, limited partnership association, corporation or any other group of individuals however organized.

e. "Commissioner" means the Commissioner of Banking of New Jersey including his deputies, or any other salaried employee of the Department of Banking appointed or designated by the commissioner to perform the functions required for the administration or enforcement of this act.

C. 17:11A-36 License required; exceptions.

3. No person shall engage in the secondary mortgage loan business in this State unless such person shall first obtain a license under this act. For the purpose of this act, a person is deemed to be engaged in the secondary mortgage loan business in this State if: (a) such person advertises, causes to be advertised, solicits, negotiates, offers to make or makes a secondary mortgage loan in this State, whether directly or by any person acting for his benefit; or (b) such person becomes the subsequent holder of a promissory note or mortgage, indenture or any other similar instrument or document received in connection with a secondary mortgage loan. A real estate broker licensed pursuant to the provisions of the law of this State or an attorney authorized to practice law in this State shall not be required to obtain a license to negotiate a secondary mortgage loan in the normal course of the business of a real estate broker or attorney.

C. 17:11A-37 Application for license; form, contents.

4. a. An application for a secondary mortgage loan license shall be on a form provided by the commissioner. The application shall set forth the name and resident address of the applicant and, if the applicant is other than an individual or corporation, of each partner or member, and if the applicant is a corporation, of each officer, director and the registered agent. The application shall also set forth the address or addresses where the secondary mortgage loan business is to be conducted in this State.

b. The application shall demonstrate that the applicant has liquid assets available for the purpose of making secondary mortgage loans and a net worth of at least $50,000.00.
c. The application shall contain such other information as the commissioner shall require in order to carry out the purposes of this act.

d. If the applicant intends to conduct business under a trade name, a certified copy of the applicant's trade name certificate as required by the law of this State shall accompany the application.

e. If the applicant is a foreign corporation, said corporation shall be authorized to do business in this State in accordance with the law of this State regulating corporations.

f. Applicants for a secondary mortgage loan license shall file with the application an irrevocable consent, duly acknowledged, that suits and actions may be commenced against such licensee in the courts of this State by the service of process or any pleading upon the commissioner, in the usual manner provided for service of process and pleadings by the statutes and Court Rules of this State. Said consent shall provide that such service shall be as valid and binding as if service had been made personally upon the licensee in this State. In all cases where process or pleadings are served upon the commissioner pursuant to the provisions of this section, such process or pleadings shall be served in duplicate, one of which shall be filed in the office of the commissioner and the other shall be forwarded by the commissioner, by certified or registered mail, return receipt, to the last known principal place of business of the licensee to whom such process or pleadings is directed.

C. 17:11A-38 License fee; renewal.

5. An applicant shall pay to the commissioner at the time the application is filed, and annually thereafter upon renewal, a license fee of $200.00 for his principal place of business and an additional $50.00 for each branch office in this State.

C. 17:11A-39 Action by commissioner on application.

6. Within 60 days after an application is received, the commissioner shall determine whether a license should be issued. The commissioner may refuse to issue a license for any reason for which he may suspend, revoke or refuse to renew a license as provided for by section 23a of this act.

C. 17:11A-40 Duties of commissioner upon denial of license.

7. If the commissioner refuses to issue a license, he shall notify the applicant, in writing, of his denial, the reason therefor and of the applicant's right to request a hearing; provided, however, that no such request shall be binding on the commissioner unless the
request is made, in writing, within 10 days after receipt of the commissioner's notice. If the applicant requests a hearing, the commissioner shall hold a hearing within 10 days after receipt of the applicant's request, and within 20 days after the hearing he shall render a decision, in writing, which shall set forth his findings and conclusions, a copy of which shall be sent to the applicant. Registered or certified mail, return receipt, shall be utilized by the commissioner to transmit any notice or decision to the applicant, which shall be mailed to the applicant's principal place of business in this State, as set forth in the application. If the applicant does not request a hearing or if, after a hearing, the commissioner still refuses to issue a license to the applicant, the amount paid as a license fee shall be refunded to the applicant but the application and all supplemental schedules, instruments or documents filed with the application shall remain in the custody of the commissioner.

C. 17:11A-41 Contents of license.
8. Each license issued by the commissioner shall specify:
   a. The name and address of the licensee, the address so specified to be that of the licensee's principal place of business, or branch office, in this State.
   b. The licensee's reference number, which may remain the same from year to year despite variations in annual license numbers which may result from the renewal of licenses by mechanical techniques.
   c. Such other information as the commissioner shall require in order to carry out the purposes of this act.

C. 17:11A-42 Expiration date and invalidity of license.
9. A license issued by the commissioner shall:
   a. Expire on December 31 of each year. No refund in the amount of the license fee shall be made if the license is issued for less than 12 months or if the license is voluntarily surrendered to or suspended or revoked by the commissioner prior to its expiration date.
   b. Be invalid, in the event the licensee is a corporation, if the licensee's corporate charter is voided in accordance with the provisions of any law of this or any other State.

C. 17:11A-43 License not assignable or transferable.
10. A license shall not be assignable or transferable by operation of law or otherwise.
11. a. A licensee shall have authority to make a secondary mortgage loan, repayable in installments, and may charge, contract for and receive thereon interest at an annual percentage rate not exceeding 15%, computed by the actuarial method (United States rule) and; provided further, the Commissioner of Banking, with the advice of a special advisory board constituted as hereinafter provided, may by regulation adopted, amended and rescinded from time to time, provide that the interest which may be taken for any such loan shall be more than 15% per annum but not more than 18% per annum, as shall be prescribed in such regulation.

   (1) No interest shall be paid, deducted, or received in advance. Interest shall not be compounded and shall be computed only on unpaid principal balances. For the purposes of computing interest, whether at the maximum rate or less, a month shall be considered a calendar month and where a fraction of a month is involved a day shall be considered 1/30 of a month.

   b. In making, amending, and rescinding regulations pursuant to the preceding provision, the Commissioner of Banking and the special advisory board shall consider the general state of the economy, the discount rates prescribed by the Federal Reserve Bank of New York and the Federal Reserve Bank of Philadelphia, the advance rate as prescribed by the Federal Home Loan Bank of New York, the availability of funds for loans, studies and statistics published by the Federal Home Loan Bank Board and other agencies of the United States and of this State, and such other factors and bases for determination as the commissioner and the board may deem pertinent. The rate established by any such regulation shall reasonably reflect prevailing market conditions, regionally and nationally, based upon the studies, statistics and factors considered, and shall remain in force until such time as such regulation is rescinded or such rate is increased or decreased by a subsequent regulation. Any such regulation shall have prospective effect only.

   c. The special advisory board herein provided for shall consist of the Commissioner of Banking, who shall be ex-officio chairman of the board, and 5 members appointed by the Governor with the advice and consent of the Senate. Any appointed member of the board may be removed from office by the Governor whenever, in his judgment, the public interest may so require. Each of the 5 appointed members shall have had, at the time of his appointment,
practical experience in consumer financing or fields so related thereto as to qualify each as an authority for the purpose of advising the Commissioner of Banking regarding the interest which may be taken for any secondary mortgage loan. At no time shall there be more than a single representative on the board from any one institution or group of institutions.

d. Each member of the board shall hold office for a term of 2 years, and thereafter until his successor is appointed and has qualified, subject to removal by the Governor pursuant to the preceding provision. Members of the board shall be eligible for reappointment in the same manner as the initial appointment of members of the board as provided for heretofore. Any vacancies in the board shall be filled for the unexpired portion of the term in the same manner as for a full term.

e. The members of the special advisory board shall serve without compensation, but shall be reimbursed for their actual and necessary expenses in attending meetings of the board. All claims for reimbursement shall be submitted in the form and manner prescribed for like claims of the Commissioner of Banking.

f. The board shall meet at least semiannually, at such times and places in the State as it may determine. The commissioner may call such other meetings as he may deem necessary, and he shall call a meeting when requested by 2 or more members of the board. At least 3 days notice of every meeting shall be given to each member of the board personally, or by mail, telephone, or telegraph. Four members of the board shall constitute a quorum.

g. The special advisory board shall elect a secretary who may be an employee of the Department of Banking but who shall receive no extra compensation for serving as secretary. The secretary shall keep an accurate record of all meetings of the board and shall perform such other duties as may be prescribed by the board.

h. For the purpose of discharging its duties, the board shall have access to all relevant records in the Department of Banking, including reports and confidential communications, but each member of the board shall treat all information so obtained as confidential and shall not reveal any such information to any person other than another member of the board.

i. No member of the board, including the Commissioner of Banking, shall be personally liable for any act done or omitted in connection with the performance of his duties under this act.

j. At the initial meeting of the special advisory board, the members shall agree, by majority vote, to the procedure by which rec-
ommendations will be made to the commissioner concerning the interest rate to be established pursuant to this act.

C. 17:11A-45 Licensee’s responsibilities.

12. A secondary mortgage loan licensee shall:
   a. Maintain at least one licensed place of business in this State.
   b. Conspicuously display his license at each licensed place of business.
   c. Keep on file with the commissioner a corporate surety bond in the principal sum of $5,000.00. Said bond shall be in the form required by the commissioner and shall be issued by a surety company authorized to transact business in this State. The bond shall run to the State and shall be conditioned that the licensee will comply with the provisions of this act. The aggregate liability of the surety on the bond shall in no event exceed the amount of said bond.

All of the aforementioned instruments, documents, accounts, books and records shall be kept separate and apart from the records of any other business conducted by the licensee and shall be preserved and kept available for investigation or examination by the commissioner for at least 2 years after a secondary mortgage loan has been paid in full. The cost of any such examination shall be borne by the licensee.

b. C. 17:11A-53 Authorized collection fees; conditions.

20. A promissory note may provide for the payment of attorney fees in the event it becomes necessary to refer the promissory note to an attorney for collection; provided, however, that any such provision shall be void and unenforceable unless:

a. The promissory note is referred to an attorney authorized to practice law in this State.

b. The attorney to whom the promissory note is referred is not a partner, officer, director or employee, whether salaried or commissioned, of the licensee.

In the event a person fails to comply with a subpoena issued by the commissioner or to testify on any matter concerning which he may be lawfully interrogated, on application by the commissioner, the Superior Court may issue an order requiring the attendance of such person, the production of instruments, documents, accounts, books or records or the giving of testimony.

C. 17:11A-55 Surrender of license; affect upon liability.

22. b. The commissioner may subsequently reinstate a license which has been suspended or revoked or renew a license which he had previously refused to renew if the condition which warranted the original action has been corrected, and he has reason to believe that such condition is not likely to occur again and that the licensee is worthy of such reinstatement.

24. The provisions of this act shall apply to any secondary mortgage loan:

a. Advertised, caused to be advertised, solicited, negotiated, offered, or otherwise transacted within this State, in whole or in part, whether by the ultimate lender or any other person.

rule or regulation promulgated in connection therewith, shall be
liable for a penalty, in addition to all other penalties or forfeitures
imposed by this or any other law, of not more than $1,000.00 for
each offense. Any person who shall aid or abet such a violation shall
be equally liable for such a penalty as may be imposed upon a princi-
pal violator. For the purpose of this subsection, a violation of any
section of this act or any rule or regulation promulgated by the
commissioner pursuant thereto shall constitute a separate offense.

engage in the secondary mortgage business as defined in section 3,
and no such financial institution, in exercising any power otherwise so conferred upon it, shall be subject to any provision of this act.

If any provision or section of this act or any provision or section of any subsequent amendments or supplements to this act shall be held to be unconstitutional, said provision or section shall be excised and the remainder of the provisions and sections of the act as amended or supplemented shall be and remain valid with the same effect as if said provision or section so held to be unconstitutional had never been a part of the act.

1. No landlord of premises or units to which this act is applicable shall serve a notice to quit upon any tenant or institute any action against a tenant to recover possession of premises, whether by summary dispossess proceedings, civil action for the possession of land, or otherwise:

   a. As a reprisal for the tenant’s efforts to secure or enforce any rights under the lease or contract, or under the laws of the State of New Jersey or its governmental subdivisions, or of the United States; or

   b. As a reprisal for the tenant’s good faith complaint to a governmental authority of the landlord’s alleged violation of any health or safety law, regulation, code or ordinance, or State law or regulation which has as its objective the regulation of premises used for dwelling purposes; or
c. As a reprisal for the tenant's being an organizer of, a member of, or involved in any activities of, any lawful organization; or

d. On account of the tenant's failure or refusal to comply with the terms of the tenancy as altered by the landlord, if the landlord shall have altered substantially the terms of the tenancy as a reprisal for any actions of the tenant set forth in subsection a, b, and c of section 1 of this act. Substantial alteration shall include the refusal to renew a lease or to continue a tenancy of the tenant without cause.

Under subsection b of this section the tenant shall originally bring his good faith complaint to the attention of the landlord or his agent and give the landlord a reasonable time to correct the violation before complaining to a governmental authority.

A landlord shall be subject to a civil action by the tenant for damages and other appropriate relief, including injunctive and other equitable remedies, as may be determined by a court of competent jurisdiction in every case in which the landlord has violated the provisions of this section.

C. 2A:42-10.11 Judgment for tenant under certain circumstances.

2. In any action brought by a landlord against a tenant to recover possession of premises or units to which this act is applicable, whether by summary dispossess proceedings, civil action for the possession of land, or otherwise, judgment shall be entered for the tenant if the tenant shall establish that the notice to quit, if any, or the action to recover possession was intended for any of the reasons set forth in subsections a, b, c, or d of section 1 of this act.

C. 2A:42-10.12 Rebuttable presumption created under certain circumstances.

3. In any action or proceeding instituted by or against a tenant, the receipt by the tenant of a notice to quit or any substantial alteration of the terms of the tenancy without cause after:

b. c. The tenant organizes, becomes a member of, or becomes involved in any activities of, any lawful organization; or
d. Judgment under section 2 of this act is entered for the tenant in a previous action for recovery of premises between the parties; shall create a rebuttable presumption that such notice or alteration is a reprisal against the tenant for making such attempt, report, complaint, or for being an organizer of, a member of, or involved in any activities of, any lawful organization. No reprisal shall be presumed under this section based upon the failure of a landlord to renew a lease or tenancy when so requested by a tenant if such request is made sooner than 90 days before the expiration date of the lease or tenancy, or the renewal date set forth in the lease agreement, whichever later occurs.

4. This act shall apply to all rental premises or units used for dwelling purposes except owner-occupied premises with not more than two rental units.

C. 20:1-3.11 Acquisition of land by the Director of the Division of Purchase and Property or the board of trustees of a State college.

1. Whenever authorized by law to acquire lands or rights therein, whether for the immediate or future use of the State, the Director of the Division of Purchase and Property or the board of trustees of a State college may acquire such lands or rights therein by gift, devise or purchase, or by condemnation in the manner provided in chapter 1 of Title 20, Eminent Domain, of the Revised Statutes, except as otherwise provided by this act.

The declaration of taking shall be sufficient if it sets forth (1) a description of each tract or parcel of property to be taken; (2) a statement of the estate or interest in the said property being taken; and (3) a statement of the sum of money estimated by the director or the board to be just compensation for the taking. Such service, mailing or publishing shall be made within 20 days after the filing of the declaration. Upon the application of any party in interest and after notice to other parties in interest, including the director or the board and the Director of the Division of Taxation, Department of the Treasury, the Superior Court may direct that the money deposited with the clerk of the Superior Court or any part thereof to be paid forthwith, without deduction of any fees or commissions, to the person or persons entitled thereto for or on account of the just compensation to be awarded in such action; provided, that each person shall have filed with the clerk of the Superior Court a consent in writing that, in the event the award in the action shall be less than the amount deposited, the court, after such notice as the court prescribes and a hearing, may determine the liability, if any, for the return of such difference or any part thereof and enter judgment therefor. In no event shall more than 75% of the money on deposit be paid unless the party in possession shall have vacated the premises condemned.

If the amount of the award as finally determined by the court shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the State or the college the difference between the amount of the deposit and the amount of the award, with interest at the rate of 6% per annum thereon from the date of the making of the deposit. If the amount of the award shall be less than the amount so deposited, the clerk of the Superior Court shall return the difference between the
amount of the award and the deposit to the director or the board unless the amount of the deposit or any part thereof shall have theretofore been distributed, in which event the court, upon application of the director or the board and notice to all parties interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the State or the college for such difference against the party or parties liable for the return thereof.

(f) Employees of any credit union organized under this act may become members of the credit union by which they are employed and enjoy all of the rights and privileges permitted members.

C. 17:13-32 Meetings; notice; board of directors; quorum; voting.

7. The first meeting of the members of each credit union incorporated under the provisions of this act shall be called within 10 days after filing of the certificate of incorporation by a notice signed by a majority of the incorporators designating the time, place and purpose of the meeting, which notice shall be given personally or by mail to each of the members proposed in the certificate of incorporation at their respective addresses as shown by said certificate of incorporation. Such notices shall be given at least 5 days before the date on which the first meeting shall be held; provided, however, that immediate notice of any meeting held pursuant to the provisions of this act may be waived in writing by a waiver of notice signed by all of the persons entitled to receive the same and any meeting may be held at the time and place and for the purpose fixed in such waiver of notice. At such first meeting or any adjournment thereof the members present by majority vote and without regard to shares held by each shall elect from their number a board of directors, not less than seven in number, a majority of whom shall be residents of the State of New Jersey and shall transact such other business as may properly come before them. An annual meeting of the members of each such credit union shall be held in the first quarter of each year on a date to be designated by the board of directors for the election of directors and the transaction of such other business as may properly come before such meeting. Notice of such meeting shall be given to the members of such credit union in the manner prescribed in the bylaws. The bylaws of each such credit union shall prescribe the number of members necessary to a quorum at any such meeting but less than a quorum shall have power to adjourn any such meeting from time to time. Regular and special meetings of members may be held in the manner prescribed in the bylaws. At all member meetings a member shall have but a single vote without regard to the number of shares such member may own. No member shall be entitled to cast his vote by proxy at any regular or special meeting of members; provided, however, that a member other than a natural person shall have the right to cast a single vote through a delegated agent.
4. Section 12 of the act of which this act is amendatory (C. 17:13-37) is amended to read as follows:

C. 17:13-37 Membership; shares; termination of membership; contract of membership; special reserve account; joint tenancy account; payment.

12. (a) Any person may become a member of any such credit union upon payment of an initial installment on a share or shares, acceptance of his membership by the proper authorities of such credit union in the manner prescribed in its bylaws and compliance with any other qualifications required by the bylaws; provided, however, that no person may become a member of such credit union who is not within the group to which membership shall have been limited by the terms of its charter. Shares may be issued in joint tenancy with right of survivorship with any persons designated by the credit union member, but no joint tenant shall be permitted to vote, obtain loans, or hold office, unless he is within the field of membership and is a qualified member. Minors over the age of 16 years may become members and enjoy all of the rights and privileges and incur all of the obligations and liabilities of members, including the right to vote but he may not hold office until he shall have reached his twenty-first birthday; and, notwithstanding legal disabilities to which they might otherwise be subject, either by statute or otherwise, any minor may make any and all contracts, in exercising his membership privileges with the credit union of which he is a member, which any other of its members could make with it and any such contract of a member who is a minor shall be binding and enforceable against such member in the same manner as if he were of full age at the time of entering any such contract. Any nonmember who may, by assignment, as legal representative, trustee, or otherwise, acquire title to the shares of a member shall be entitled to withdraw such shares on the same basis as a member would be entitled to withdraw them but, unless he shall become a member, he shall have no other rights of membership. The pledging of shares in whole or in part by a member shall not terminate his rights as a member. Any member of any such credit union may be expelled at any meeting of the board of directors of which he shall have had notice by a two-thirds vote of the members of the board present at such meeting and a member who has been expelled may be reinstated under like conditions. Upon termination of membership in any such credit union in any manner the balance, if any, credited to the account of the member at the time of termination shall be paid to the person or persons entitled to receive it in the same manner and subject to the same conditions as if the member had withdrawn from such credit union.
Any member of any such credit union whose membership has been
terminated by withdrawal, expulsion or otherwise, upon the pay­
ment of the balance credited to his account shall have no further
rights against such credit union. No credit union shall, by reason of
having issued shares to its members be construed to be a capital
stock corporation or to have capital. The contract of membership
in any such credit union shall be deemed to be expressed by its
bylaws, its certificate of incorporation and the applicable laws gov­
erning such credit union; but such contract of membership may be
changed insofar as such laws are concerned by the Legislature,
insofar as its certificate of incorporation is concerned by an amend­
ment thereof and insofar as its bylaws are concerned by an amend­
ment of its bylaws or the adoption of new bylaws in whole or in part
and no such change in its certificate of incorporation, in the laws
governing it or in its bylaws shall be construed to be an impairment
of the obligation of contract or a taking of property of any member;
and membership in every such credit union shall be deemed to be
subject to that hazard. When a member’s whereabouts are unknown
for 12 months, all sums due him may be credited to a special reserve
account of the credit union, after return of registered letter sent to
the last known address. The member shall have 5 years to reclaim
the proceeds after which they shall be turned over to the Treasurer
of the State of New Jersey;

(b) When either, or both, or one or more of the two or more
persons in whose name a joint tenancy account is maintained, makes
a payment or payments to such joint account, or causes a payment
or payments to be made to such joint account, such person or per­
sons shall be conclusively presumed to intend to vest in the other or
others a present beneficial interest in each payment so made, and
in the moneys to the credit of the joint account from time to time
to the end that, upon the death of any such person or persons, all
the right and title of the person so dying in and to the moneys to the
credit of the joint account on his death, less all proper set-offs and
charges, shall, at such death, vest solely and indefeasibly in the
survivor or survivors.

(c) A credit union which makes any payment pursuant to this
section prior to service upon the credit union of an order of court
restraining such payment, shall, to the extent of each payment so
made, be released from all claims of each of the two or more persons,
their legal representatives, and all others claiming by, from, through
or under them, or any of them.
5. Section 16 of the act of which this act is amendatory (C. 17:13-41) is amended to read as follows:

C. 17:13-41 Dividends from net earnings or from undivided profits.

16. (a) At least annually the board of directors of each such credit union may declare a dividend from the net earnings, or from undivided profits. No dividend shall be declared until a written financial statement of the credit union shall have been submitted to and approved by the board showing such profits to have been earned since the last declaration of dividends or to have been transferred from undivided profits. Dividends shall be paid on all fully paid shares outstanding at the close of the dividend period. Shares withdrawn during the dividend period shall receive a proportionate part of said dividend based on the number of months of the dividend period that the shares have been in the credit union, provided that the member's account has not been closed because of withdrawal. Shares paid in full during the dividend period shall be entitled to a proportionate part of said dividends calculated from the first day of the month following such payment in full, except that dividend credit for a month may be accrued on shares which are or become fully paid during the first 5 days of that month. No dividends shall be declared in excess of 6% of the share value.

(b) No dividend shall be declared unless the reserve fund shall be equal to or in excess of the sum of 10% of the unpaid balances of all loans contractually delinquent more than 2 months and less than 6 months; plus 25% of the unpaid balances on all loans contractually delinquent 6 months and less than 12 months; plus 100% of the unpaid balances on all loans contractually delinquent 12 months or more; provided, further, that if the reserve fund does not equal the amount required as hereinabove set forth then there shall be set aside in a special reserve for delinquent loans an amount which, when added to the reserve funds, shall equal the sum required in accordance with the schedule hereinabove set forth. The transfer to the special reserve for delinquent loans shall be made on December 31 of each year, or at the close of the dividend period, from undivided profits or net earnings before any declaration of dividends. No deductions shall be made from the special reserve for delinquent loans except that any excess in such fund at the close of the next succeeding dividend period may be returned to undivided profits accounts.

(c) The board of directors may provide for an interest refund proportioned to the interest paid during the dividend period by borrowers.
6. Section 17 of the act of which this act is amendatory (C. 17:13-42) is amended to read as follows:

C. 17:13-42 Member loans.

17. Loans to members of any such credit union shall be subject to the following conditions:

(a) All member loans shall be evidenced by note. Loans may be made to members for provident or productive purposes and upon such security and terms as the bylaws may provide and the credit committee shall approve at rates of interest not to exceed 1% per month on the unpaid balances, such rate to include the credit union's total income on a loan.

(b) Applications for loans shall be made on forms prescribed by the credit committee, which shall set forth the purpose for which the loan is desired, the security, if any, offered, and such other data as may be required. Every loan shall be evidenced by a written instrument.

(c) No loan shall be made to any member which causes such member to become indebted to the credit union in an aggregate amount, upon loans made to such member which is in excess of $250.00 or 5% of the credit union's shares and reserves, whichever is greater, and no loan shall be made to any member which would exceed 2 1/2% of the credit union's shares and reserves, or $2,500.00, whichever is less, unless such excess over 2 1/2% or $2,500.00 is adequately secured. In addition to generally accepted types of security, the endorsement of a note by a co-maker or assignment of shares or of wages, in manner consistent with the laws of this State, shall be deemed security within the meaning of this act. The adequacy of all securities shall be within the determination of the credit committee or loan officer subject to the provisions of this act and of the credit union's bylaws.

(d) No loan shall be made to a director, officer or member of the credit committee which exceeds the amount of his shares unless the loan shall have been approved by a majority vote of a joint meeting at which a majority of the members of the credit committee and a majority of the members of the board of directors are present. No director or member of the credit or examining committee may endorse for borrowers from the credit union.

(e) A member may receive a loan in one sum, or in fixed installments and may pay the whole or any part of the loan on any day on which the office of the credit union is open for business.

At least 15% of the net earnings of each dividend period, before the declaration of any dividends, shall be set aside, subject to terms and conditions specified in the bylaws, as a reserve; provided, however, that when the regular reserve thus established shall equal 10% of the total amount of unpaid balances of loans, other than loans to other credit unions, no further transfer of net earnings to such regular reserve shall be required except that such amounts not in excess of 15% of the net earnings as may be needed to maintain this 10% ratio shall be transferred. Any such credit union shall have the additional right, by transfer from undivided profits, to create specific reserves to provide against any contingency or loss anticipated by the board of directors. A central credit union organized under the provisions of 17:13-73 shall set aside in its regular reserve account 5% of the net earnings of each dividend period; provided, however, that when the regular reserve account shall equal 10% of the total amount of unpaid balances of loans to natural members, no further transfer of net earnings shall be required except that such amounts not in excess of 5% of the net earnings as may be needed to maintain this 10% ratio shall be transferred.

In that case, the commissioner shall cause to be published in the New Jersey Register and made public the reasons for his objection and shall afford all interested parties an opportunity to be heard. At the conclusion of any such hearing, the commissioner shall publish and make public his decision, which shall be final unless the substance is specifically otherwise dealt with by an act of the Legislature. Upon publication of objection to inclusion or rescheduling under this act by the commissioner, control of such substance under this section shall automatically be stayed until such time as the commissioner makes public his final decision.

9. Rules and regulations. The commissioner is authorized to promulgate rules and regulations and to charge reasonable fees relating to the registration and control of the manufacture, distribution, and dispensing of controlled dangerous substances within this State.

C. 24:21-10 Registration requirements.
10. Registration requirements. a. Every person who manufactures, distributes, or dispenses any controlled dangerous substance within this State or who proposes to engage in the manufacture, distribution, or dispensing of any controlled dangerous substance within this State, shall obtain annually a registration issued by the State Department of Health in accordance with the rules and regulations promulgated by it.

b. Persons registered by the commissioner under this act to manufacture, distribute, dispense, or conduct research with controlled dangerous substances are authorized to possess, manufacture, distribute, dispense, or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of this article.

c. The following persons shall not be required to register and may lawfully have under their control or possess controlled dangerous substances under the provisions of this act; provided, however, that nothing in this section shall be construed as conferring on a person who is not registered or licensed as a practitioner or as a pharmacist any authority, right or privilege that is not granted him by the laws of this State:

(1) An agent, or an employee thereof, of any registered manufacturer, distributor, or dispenser of any controlled dangerous substance if such agent is acting in the usual course of his business or employment;

(2) A common carrier or warehouseman, or an employee thereof, whose possession of any controlled dangerous substance is in the usual course of his business or employment;

substances; or to temporary incidental possession by employees or agents of persons lawfully entitled to possession, or by persons whose possession is authorized for the purpose of aiding peace officers in performing their official duties.

d. The commissioner may, by regulation, waive the requirement for registration of certain manufacturers, distributors, or dispensers if he finds it consistent with the public health and safety.

e. A separate registration shall be required at each principal place of business or professional practice where the applicant manufactures, distributes, or dispenses controlled dangerous substances.

f. The commissioner is authorized to inspect the establishment of a registrant or applicant for registration in accordance with the rules and regulations promulgated by him.

C. 24:21-11 Registration.

11. Registration. a. The State Department of Health shall not register an applicant to manufacture or distribute controlled dangerous substances included in Schedules I through IV of article 2 of this act unless it determines that the issuance of such registration is consistent with the public interest. In determining the public interest, the following factors shall be considered:

(1) Maintenance of effective controls against diversion of particular controlled dangerous substances into other than legitimate medical, scientific, or industrial channels;

(2) Compliance with applicable State and local laws;

(3) Any convictions of the applicant under any Federal and State laws relating to any controlled dangerous substance;

(4) Past experience in the manufacture of controlled dangerous substances, and the existence in the applicant’s establishment of effective controls against diversion;

(5) Furnishing by the applicant false or fraudulent material in any application filed under this act;

(6) Suspension or revocation of the applicant’s Federal registration to manufacture, distribute, or dispense controlled dangerous substances as authorized by Federal law; and

(7) Such other factors as may be relevant to and consistent with the public health and safety.

b. Registration granted under subsection a. of this section shall not entitle a registrant to manufacture and distribute controlled dangerous substances in Schedule I or II other than those specified in the registration.
c. Practitioners shall be registered to dispense substances in Schedules II through IV if they are authorized to dispense or conduct research under the law of this State. The commissioner need not require separate registration under this article for practitioners engaging in research with nonnarcotic controlled dangerous substances in Schedules II through IV where the registrant is already registered under this article in another capacity. Practitioners registered under Federal law to conduct research in Schedule I substances are permitted to conduct research in Schedule I substances within this State upon furnishing the commissioner evidence of that Federal registration.

d. Compliance by manufacturers and distributors with the provisions of the Federal law respecting registration (excluding fees) entitles them to be registered under this act.

e. The State Department of Health shall initially permit persons to register who own or operate any establishment engaged in the manufacture, distribution or dispensing of any controlled dangerous substances prior to the effective date of this act and who are registered or licensed by the State.

C. 24:21-12 Denial, revocation or suspension of registration.

12. Denial, revocation, or suspension of registration. a. A registration pursuant to section 11 to manufacture, distribute, or dispense a controlled dangerous substance, may be suspended or revoked by the commissioner upon a finding that the registrant:

(1) Has materially falsified any application filed pursuant to this act or required by this act; or

(2) Has been convicted of an indictable offense under this act or any law of the United States, or of any State, relating to any substance defined herein as a controlled dangerous substance; or

(3) Has violated or failed to comply with any duly promulgated regulation of the commissioner and such violation or failure to comply reflects adversely on the licensee’s reliability and integrity with respect to controlled dangerous substances; or

(4) Has had his Federal registration suspended or revoked by competent Federal authority and is no longer authorized by Federal law to engage in the manufacturing, distribution, or dispensing of controlled dangerous substances; or

(5) Has had his registration suspended or revoked by competent authority of another state for violation of its laws or regulations comparable to those of this State relating to the manufacture, distribution or dispensing of controlled dangerous substances.
b. The commissioner may limit revocation or suspension of a registration to the particular controlled dangerous substance with respect to which grounds for revocation or suspension exist.

c. Before taking action pursuant to this section or pursuant to a denial of registration under section 11, the commissioner shall serve upon the applicant or registrant an order to show cause why registration should not be denied, revoked, or suspended. The order to show cause shall contain a statement of the basis thereof and shall call upon the applicant or registrant to appear before the commissioner at a time and place stated in the order, but in no event less than 30 days after the date of receipt of the order unless an earlier date is requested by the applicant or registrant and agreed to by the commissioner. Proceedings to deny, revoke, or suspend shall be conducted pursuant to this section in accordance with the provisions of the “Administrative Procedure Act” (C. 52:14B-1 et seq.). Such proceedings shall be independent of, and not in lieu of, criminal prosecutions or other proceedings under this act or any law of the State.

d. The commissioner may, in his discretion, suspend any registration simultaneously with the institution of proceedings under this section in cases where he finds that there is an imminent danger to the public health or safety. Such suspensions shall continue in effect until the conclusion of such proceedings, including judicial review thereof, unless sooner withdrawn by the commissioner or dissolved by a court of competent jurisdiction.

e. In the event the commissioner suspends or revokes a registration granted under section 11, all controlled dangerous substances owned or possessed by the registrant pursuant to such registration at the time of suspension or the effective date of the revocation order, as the case may be, may in the discretion of the commissioner be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all such controlled dangerous substances may be forfeited to the State.

f. The commissioner shall promptly notify the Bureau of Narcotics and Dangerous Drugs of all orders suspending or revoking registration and all forfeitures of controlled dangerous substances.
13. Records of registrants. Persons registered to manufacture, distribute, or dispense controlled dangerous substances under this act shall keep records and maintain inventories in conformance with the recordkeeping and inventory requirements of Federal law and with such additional rules as may be issued by the commissioner.

C. 24:21-14 Order forms.

Controlled dangerous substances in Schedule I and II shall be distributed only by a registrant, pursuant to an official written order form, clearly identifying it as covering or relating to Schedule I and Schedule II, or either thereof, controlled dangerous substances and bearing the registration number of the registrant. Except as provided herein, compliance with Federal law respecting order forms shall be deemed compliance with this section.

b. A pharmacist, only upon an official written order, may sell to a practitioner in quantities not exceeding one ounce at any one time, aqueous or oleaginous solutions compounded by him of which the content of narcotic drugs or other controlled dangerous substances does not exceed a proportion greater than 20% of the complete solution, to be used for medical purposes.

c. An official written order for any controlled dangerous substance in Schedule I or Schedule II shall be signed in triplicate by the person giving said order or by his duly authorized agent. The original and triplicate shall be presented to the person who sells or dispenses the controlled dangerous substance or substances named therein. In the event of the acceptance of such order by said person, except as may be otherwise required by rule, regulation, or order of the commissioner, each party to the transaction shall preserve his copy of such order for a period of 2 years, in such a way as to be readily accessible for inspection by any public officer or employee engaged in the enforcement of this chapter.

15. Prescriptions. a. Except when dispensed directly in good faith by a practitioner, other than a pharmacist, in the course of his professional practice only, to an ultimate user, no controlled dangerous substance included in Schedule II, which is a prescription drug as defined in R. S. 45:14-14 may be dispensed without the written prescription of a practitioner; provided that in emergency situations, as prescribed by the State Department of Health by
regulation, such drug may be dispensed upon oral prescription reduced promptly to writing and filed by the pharmacist, if such oral prescription is authorized by Federal law. Prescriptions shall be retained in conformity with the requirements of section 13 of this act. No prescription for a Schedule II substance may be refilled.

b. Except when dispensed directly in good faith by a practitioner, other than a pharmacist, in the course of his professional practice only, to an ultimate user, no controlled dangerous substance included in Schedule III which is a prescription drug as defined in R. S. 45:14-14 may be dispensed without a written or oral prescription. Such prescription may not be filled or refilled more than six months after the date thereof or be refilled more than five times after the date of the prescription, unless renewed by the practitioner.

c. No controlled dangerous substance included in Schedule IV may be distributed or dispensed other than for a valid and accepted medical purpose.

d. A practitioner other than a veterinarian who prescribes a controlled dangerous substance in good faith and in the course of his professional practice may administer the same or cause the same to be administered by a nurse or intern under his direction and supervision.

e. A veterinarian who prescribes a controlled dangerous substance not for use by a human being in good faith and in the course of his professional practice may administer the same or cause the same to be administered by an assistant or orderly under his direction and supervision.

f. A person who has obtained a controlled dangerous substance from the prescribing practitioner for administration to a patient during the absence of the practitioner shall return to the practitioner any unused portion of the substance when it is no longer required by the patient or when its return is requested by the practitioner.

g. Whenever it appears to the State Department of Health that a drug not considered to be a prescription drug under existing State law should be so considered because of its abuse potential, it shall so advise the State Board of Pharmacy and furnish to it all available data relevant thereto.

Whenever any person who has not previously been convicted of any offense under the provisions of this act or, subsequent to the effective date of this act, under any law of the United States, this State or of any other state, relating to narcotic drugs, marihuana, or stimulant, depressant, or hallucinogenic drugs, pleads guilty to or is found guilty of any offense under subsections 20 a. (2) and (3) and b., the court may, without entering a judgment of conviction and with the consent of such person, after proper reference to the Controlled Dangerous Substances Registry, as established and defined in the Controlled Dangerous Substances Registry Act, place such person on probation upon such reasonable terms and conditions as it may require, or as otherwise provided by law. Upon violation of a term or condition of probation, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions of probation, the court shall discharge such person and dismiss the proceedings against him. If the court determines, after a hearing and after reference to the Controlled Dangerous Substances Registry, that such person during the period of such probation and during the period of time prior to his application to the court under this section has not been guilty of any serious or repeated violation of the conditions of such probation, it shall enter such order. The effect of such order shall be to restore such person, in the contemplation of the law, to the status he occupied prior to such arrest and trial. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest or trial in response to any inquiry made of him for any purpose.

CHAPTER 226, LAWS OF 1970  795

ARTICLE 6. ENFORCEMENT AND ADMINISTRATIVE PROVISIONS

31. Powers of enforcement personnel. a. It is hereby made the
duty of the State Department of Health, its officers, agents, inspec­
tors and representatives, and of all peace officers within the State,
and of the Attorney General and all county prosecutors, to enforce
all provisions of this act, except those specifically delegated, and to
cooperate with all agencies charged with the enforcement of the
laws of the United States, of this State, and of all other states,
relating to narcotic drugs or controlled dangerous substances, and
it shall be the duty of the Board of Pharmacy in the Division of
Professional Boards in the Department of Law and Public Safety,
its officers, agents, inspectors and representatives also to assist the
State Department of Health, peace officers and county prosecutors
in the enforcement of all provisions of this act relating to the
handling of controlled dangerous substances by pharmacy owners
and pharmacists.

b. Authority is hereby granted to the Commissioner of Health:
(1) To promulgate all necessary rules and regulations for the
efficient enforcement of this act;

(2) To promulgate, insofar as applicable, regulations from time
to time promulgated by the Attorney General of the United States;

(3) To promulgate an order relative to any controlled dangerous
substance under this act when the delay occasioned by acting
through promulgation of a regulation would constitute an imminent
danger to the public health or safety.

(a) An order of the commissioner shall take effect im­
mediately, but it shall expire 120 days after promulgation
thereof. Rules and regulations pursuant to such order may be
adopted and promulgated by the commissioner but they shall
not take effect until he has given due notice of his intention to
take such action and has held a public hearing.

(b) Any person who denies that a drug or pharmaceutical
preparation is properly subject to an order by the commissioner
which applies the provisions of this act to such drug or phar­
maceutical preparation, may apply to the commissioner for a
hearing which must be afforded, except where a drug or phar­
maceutical preparation has been the subject of a prior hearing
or determination by the commissioner, in which case a hearing
shall be discretionary with the commissioner. In such case a
decision must be rendered by the commissioner or his designee
within 48 hours of the request for a hearing. If the petitioning
party is aggrieved by the decision, he shall have the right to apply for injunctive relief against the order. Jurisdiction for such injunctive relief shall be in the Superior Court of New Jersey by way of summary proceedings.

c. In addition to the powers set forth in subsection a. of this section, any officer or employee of the State Department of Health designated by the commissioner may:

(1) Execute search warrants, arrest warrants, administrative inspection warrants, subpoenas, and summonses issued under the authority of this State;

(2) Make seizures of property pursuant to the provisions of this act; and

(3) Perform such other law enforcement duties as may be designated by the commissioner with the approval of the Attorney General.

C. 24:21-32 Administrative inspections and warrants.

32. Administrative inspections and warrants. a. Issuance and execution of administrative inspection warrants shall be as follows:

(1) Any judge of a court having jurisdiction in the municipality where the inspection or seizure is to be conducted, may, upon proper oath or affirmation showing probable cause, issue warrants for the purpose of conducting administrative inspections authorized by this act or regulations thereunder, and seizures of property appropriate to such inspections. For the purposes of this section, "probable cause" means a valid public interest in the effective enforcement of the act or regulations sufficient to justify administrative inspection of the area, premises, building or conveyance in the circumstances specified in the application for the warrant;

(2) A warrant shall issue only upon an affidavit of an officer or employee duly designated and having knowledge of the facts alleged, sworn to before the judge and establishing the grounds for issuing the warrant. If the judge is satisfied that grounds for the application exist or that there is probable cause to believe they exist, he shall issue a warrant identifying the area, premises, building, or conveyance to be inspected, the purpose of such inspection, and, where appropriate, the type of property to be inspected, if any. The warrant shall identify the item or types of property to be seized, if any. The warrant shall be directed to a person authorized by section 31 to execute it. The warrant shall state the grounds for its issuance and the name of the person or persons whose affidavit has been taken in support thereof. It shall command the person to whom it is directed to inspect the area, premises, building, or con-
veyance identified for the purpose specified, and where appropriate, shall direct the seizure of the property specified. The warrant shall direct that it be served during normal business hours. It shall designate the judge to whom it shall be returned; (3) A warrant issued pursuant to this section must be executed and returned within 10 days of its date. If property is seized pursuant to a warrant, the person executing the warrant shall give to the person from whom or from whose premises the property was taken a copy of the warrant and a receipt for the property taken or shall leave the copy and receipt at the place from which the property was taken. The return of the warrant shall be made promptly and shall be accompanied by a written inventory of any property taken. The inventory shall be made in the presence of the person executing the warrant and of the person from whose possession or premises the property was taken, if they are present, or in the presence of at least one credible person other than the person executing the warrant. The clerk of the court, upon request, shall deliver a copy of the inventory to the person from whom or from whose premises the property was taken and to the applicant for the warrant; and (4) The judge who has issued a warrant under this section shall attach to the warrant a copy of the return and all papers filed in connection therewith and shall cause them to be filed with the court which issued such warrant. b. The commissioner is authorized to make administrative inspections of controlled premises in accordance with the following provisions: (1) For the purposes of this article only, "controlled premises" means: (a) Places where persons registered or exempted from registration requirements under this act are required to keep records, and (b) Places including factories, warehouses, establishments, and conveyances where persons registered or exempted from registration requirements under this act are permitted to hold, manufacture, compound, process, sell, deliver, or otherwise dispose of any controlled dangerous substance. (2) When so authorized by an administrative inspection warrant issued pursuant to subsection a. (1) of this section an officer or employee designated by the commissioner upon presenting the warrant and appropriate credentials to the owner, operator, or agent in charge, shall have the right to enter controlled premises for the purpose of conducting an administrative inspection.
When so authorized by an administrative inspection warrant, an officer or employee designated by the commissioner shall have the right:

(a) To inspect and copy records required by this act to be kept;

(b) To inspect, within reasonable limits and in a reasonable manner, controlled premises and all pertinent equipment, finished and unfinished material, containers and labeling found therein, and, except as provided in subsection b. (5) of this section, all other things therein including records, files, papers, processes, controls, and facilities bearing on violation of this act; and

(c) To inventory any stock of any controlled dangerous substance therein and obtain samples of any such substance.

This section shall not be construed to prevent entries and administrative inspections (including seizures of property) without a warrant:

(a) With the consent of the owner, operator or agent in charge of the controlled premises;

(b) In situations presenting imminent danger to health or safety;

(c) In situations involving inspection of conveyances where there is reasonable cause to believe that the mobility of the conveyance makes it impracticable to obtain a warrant;

(d) In any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is lacking; and,

(e) In all other situations where a warrant is not constitutionally required.

Except when the owner, operator, or agent in charge of the controlled premises so consents in writing, no inspection authorized by this section shall extend to:

(a) Financial data;

(b) Sales data other than shipment data;

(c) Pricing data;

(d) Personnel data; or

(e) Research data.

(1) Except as otherwise provided by law, arrange for the exchange of information between government officials concerning the use and abuse of dangerous substances; provided, however, that in no case shall any officer having knowledge by virtue of his office of any such prescription, order or record divulge such knowledge, except in connection with a prosecution or proceeding in court or before a licensing board or officer to which prosecution or proceeding the person to whom the records relate, is a party;

(2) Coordinate and cooperate in training programs on dangerous substances law enforcement at the local and State levels;

(3) Conduct programs of eradication aimed at destroying wild or illicit growth of plant species from which controlled dangerous substances may be extracted.

b. Results, information, and evidence received from the Bureau of Narcotics and Dangerous Drugs relating to the regulatory functions of this act, including results of inspections conducted by that agency, may be relied upon and acted upon by the commissioner in conformance with his regulatory functions under this act.

C. 24:21-35 Nuisances and forfeitures.

35. Nuisances and Forfeitures. a. The maintenance of any building, conveyance or premises whatever which is resorted to by persons for the unlawful manufacture, distribution, dispensing, administration or use of controlled dangerous substances shall constitute the keeping of a common nuisance.

b. The following shall be subject to forfeiture and no property right shall exist in them:

(1) All controlled dangerous substances which have been manufactured, distributed, dispensed or acquired in violation of the provisions of this act;

(2) All raw materials, products and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled dangerous substance in violation of the provisions of this act;

(3) All property which is used or intended for use, as a container for property described in subsections b. (1) and (2) above;

(a) No conveyance used by any person as a common carrier in the transaction of business as a common carrier shall be forfeited under the provisions of this chapter unless it shall appear that the owner or other person in charge of such conveyance was a consenting party or privy to a violation of this act, and

(b) No conveyance shall be forfeited under the provisions of this section by reason of any act or omission, established by the owner thereof to have been committed or omitted without the knowledge or consent of such owner, and by any person other than such owner while such conveyance was unlawfully in the possession of a person other than the owner in violation of the criminal laws of the United States, or of any state, and

(5) All books, records, and research, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this act.

c. Any property subject to forfeiture under this act may be seized by the State or any person charged with enforcement of this act, upon process issued by any court of competent jurisdiction over the property except that seizure without such process may be made when:

(1) It is not inconsistent with the Constitution of this State and the United States;

(2) The property subject to seizure has been the subject of a prior judgment in favor of the State in a criminal injunction or forfeiture proceeding under this act;

(3) The commissioner or any other person charged with enforcement of this act has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(4) The commissioner or any other person charged with enforcement of this act has probable cause to believe that the property has been used or intended to be used in violation of this act.

In the event of seizure pursuant to paragraphs (3) and (4) of this subsection, proceedings under subsection d. of this section shall be instituted promptly.

d. Property taken or detained under this section shall not be repleivable, but shall be deemed to be in the custody of the State or political subdivision, acting as agent for the State, whichever
may have seized said property, and subject only to the orders and
decrees of the court or the official having jurisdiction thereof. When­
ever property is seized under the provisions of this act, the State may:

(1) Place the property under seal;
(2) Remove the property to a place designated by it; or
(3) Require that the political subdivision or State take custody
of the property and remove it to an appropriate location for dis­

Schedules I and II may be derived which have been planted or
cultivated in violation of this act, or of which the owners or cultiva-

(2) The failure upon demand by the commissioner, or his duly authorized agent, of the person in occupancy or in control of land or premises upon which such species of plants are growing or being stored, to produce an appropriate registration, or proof that he is the holder thereof, shall constitute authority for the seizure and forfeiture.

g. Whenever any property is subject to forfeiture under this act, such forfeiture may be enforced by a civil action, commenced by the seizing authority in the name of the State of New Jersey and against the property sought to be forfeited.

(1) Complaint. The complaint shall be verified on oath or affirmation. It shall describe with reasonable particularity the property that is the subject matter of the action and the place of seizure and shall contain such allegations as may be required by this act.

Such a report by a physician shall be confidential and shall not be admissible in any criminal proceeding. The term "employee" shall also not include persons, active or retired, who are otherwise eligible for benefits under this act but who, although they meet the age eligibility requirement of the Federal Medicare program, are not covered by the complete Federal program. A determination by the commission that a person is an eligible employee within the meaning of this act shall be final and shall be binding on all parties.

CHAPTER 231, LAWS OF 1970 813

C. 52:14-17.27 State Health Benefits Commission; establishment of program; rules and regulations; legal advisor.

3. There is hereby created a State Health Benefits Commission, consisting of the State Treasurer, the Commissioner of Insurance and the President of the Civil Service Commission. The treasurer shall be chairman of the commission and the health benefits program authorized by this act shall be administered in the Treasury Department. The Director of the Division of Pensions shall be the secretary of the commission. The commission shall establish a health benefits program for the employees of the State, the cost of which shall be paid as specified in section 6 of this act. The commission shall establish rules and regulations as may be deemed reasonable and necessary for the administration of this act.

The Attorney General shall be the legal advisor of the commission.

3. Section 5 of chapter 49 of the laws of 1961 (C. 52:14-17.29) is amended to read as follows:

C. 52:14-17.29 Coverages.

5. (A) The contract or contracts purchased by the commission pursuant to section 4 shall provide separate coverages or policies as follows:

(1) Basic benefits which shall include
   (a) Hospital benefits, including out-patient.
   (b) Surgical benefits,
   (c) In-patient medical benefits, and
   (d) Obstetrical benefits, in the case of family contracts.

Basic benefits shall be substantially equivalent to those available on a group remittance basis to employees of the State and their dependents under the subscription contracts of the New Jersey "Blue Cross" and "Blue Shield" Plans. Such basic benefits shall include benefits for
   (i) Additional days of in-patient medical service;
   (ii) Surgery elsewhere than in a hospital;
   (iii) X-ray, radioactive isotope therapy and pathology services;
   (iv) Physical therapy services;
   (v) Radium or radon therapy services;
and the extended basic benefits shall be subject to the same conditions and limitations, applicable to such benefits, as are set forth in "Extended Out-patient Hospital Benefits Rider," Form 1500.71 (9-66), and in "Extended Benefit Rider" (as amended), Form MS 7050J (9-66) issued by the New Jersey "Blue Cross" and "Blue Shield" Plans, respectively, and as the same may be
amended or superseded, subject to filing by the Commissioner of Insurance; and

(2) Major medical expense benefits which shall provide benefit payments for reasonable and necessary eligible medical expenses for hospitalization, surgery, medical treatment and other related services and supplies to the extent they are not covered by basic benefits. The commission may, by regulation, determine what types of services and supplies shall be included as "eligible medical services" under the major medical expense benefits coverage as well as those which shall be excluded from or limited under such coverage. Benefit payments for major medical expense benefits shall be equal to a percentage of the reasonable charges for eligible medical services incurred by a covered employee or an employee's covered dependent, during a calendar year as exceed a deductible for such calendar year of $100.00 subject to the maximums hereinafter provided and to the other terms and conditions authorized by this act. The percentage shall be 80%, except that it shall be 50% in the case of charges for eligible medical services for the treatment of mental or nervous disorders in the out-patient department of a hospital or on an out-of-hospital basis. There shall be a separate deductible for each calendar year for (a) each enrolled employee and (b) all enrolled dependents of such employee. Not more than $25,000.00 shall be paid for major medical expense benefits with respect to any one person for any one calendar year and not more than $100,000.00 shall be paid for such benefits with respect to any one person for the entire period of such person's coverage under the plan, whether continuous or interrupted, except that these maximums may be reapplied to a covered person in amounts not to exceed $2,000.00 a year. Maximums of $10,000.00 per calendar year and $20,000.00 for the entire period of the person's coverage under the plan shall apply to eligible expenses incurred because of mental illness or functional nervous disorders, and such may be reapplied to a covered person. For retired employees, the maximum lifetime benefit for each person shall be the unused balance of the lifetime maximum remaining while in active service or $20,000.00, whichever is less, with a minimum benefit of $5,000.00. Under the conditions agreed upon by the commission and the carriers as set forth in the contract, the deductible for a calendar year may be satisfied in whole or in part by eligible charges incurred during the last 3 months of the prior calendar year.

Any service determined by regulation of the commission to be an "eligible medical service" under the major medical expense bene-
fits coverage which is performed by a duly licensed practicing psychologist within the lawful scope of his practice shall be recognized for reimbursement under the same conditions as would apply were such service performed by a physician.

(B) Benefits under the contract or contracts purchased as authorized by this act may be subject to such limitations, exclusions, or waiting periods as the commission finds to be necessary or desirable to avoid inequity, unnecessary utilization, duplication of services or benefits otherwise available, including coverage afforded under the laws of the United States, such as the Federal Medicare program, or for other reasons.

(C) The rates charged for any contract purchased under the authority of this act shall reasonably and equitably reflect the cost of the benefits provided based on principles which in the judgment of the commission are actuarially sound. The rates charged shall be determined by the carrier on accepted group rating principles with due regard to the experience, both past and contemplated, under the contract. The commission shall have the right to particularize subgroups for experience purposes and rates. No increase in rates shall be retroactive.

(D) The initial term of any contract purchased by the commission under the authority of this act shall be for such period to which the commission and the carrier may agree, but permission may be made for automatic renewal in the absence of notice of termination by the State. Subsequent terms for which any contract may be renewed as herein provided shall each be limited to a period not to exceed 1 year.

(E) The contract shall contain a provision that if basic benefits of an employee or of an eligible dependent under the contract, after having been in effect for at least 1 month, is terminated, other than by voluntary cancellation of enrollment, there shall be a 31-day period following the effective date of termination during which such employee or dependent may exercise the option to convert, without evidence of good health, to left-group conversion coverage issued by the carrier on a direct payment basis. Such conversion coverage shall include benefits of the type classified as "basic benefits" in subsection A hereof. The provision shall further stipulate that the employee or dependent exercising the option to convert shall pay the full periodic charges for the left-group coverage which shall be subject to such terms and conditions as are normally prescribed by the carrier for this type of coverage.
4. Section 6 of chapter 49 of the laws of 1961 (C. 52:14-17.30) is amended to read as follows:

C. 52:14-17.30 Paymend of premium; dependents' coverage; health benefits fund.

6. (A) For each active covered State employee the State, from funds appropriated therefor, shall pay the premium or periodic charges for the benefits provided under the contract in amounts equal to the premium or periodic charges for the benefits provided under such a contract covering the employee alone and shall reimburse the active employee for his premium charges under Part B of the Federal Medicare program covering the employee and the employee's spouse.

(B) An employee may, on an optional basis, enroll his dependents for coverage under the contract subject to such regulations and conditions as the commission and the carrier may prescribe. The amount of the total premium or periodic charge for such contract in excess of the amount paid by the State under subsection (A) of this section shall be the sole responsibility of the employee who, at the time of such enrollment, shall authorize the State to withhold the amount of such excess, on an advance basis, from his wages or salary. There is hereby created a health benefits fund consisting of all such withholdings from wages or salaries of employees. All such withholdings shall be remitted to such fund. Said fund shall be used to pay the portions of the premiums or periodic charges for which the employee is responsible under this act. Whenever any dividend or retrospective rate credit is declared or allowed by a carrier under a contract, the commission shall determine, in an equitable manner, the amount thereof attributable to the dependents' coverage and shall credit said fund with such amount.

5. Section 7 of chapter 49 of the laws of 1961 (C. 52:14-17.31) is amended to read as follows:

C. 52:14-17.31 Effective date of coverage; rules and regulations; furnishing of information to Division of Pensions.

7. The coverage provided solely for employees shall, subject to the provisions below, automatically become effective for all eligible employees from the first day on or after the effective date of the program on which they satisfy the definition of "employee" contained in this act. The commission shall establish such rules and regulations governing the enrollment and effective dates of coverage of dependents of employees as it deems are necessary or desirable. Such rules and regulations shall not defer the insurance with respect to any qualified dependent an employee has on the
date the employee’s employer becomes a participating employer, provided the employee was, immediately prior to said date, insured with respect to such dependent under a group major medical insurance plan of such employer which was in effect immediately prior to said date. Under the rules and regulations established by the commission, each employee shall be given the opportunity to enroll for coverage for his dependents as of the earliest date he becomes eligible for such enrollment. An employee may elect to enroll his dependents for both basic coverage and major medical expense coverage but may not enroll for either coverage alone.

If, on the date coverage for an employee would become effective, he is not actively at work on full time at his customary place of employment or other location to which his employment requires him to travel, he shall not be covered until he is so actively at work, except such employee shall be covered, if on the date the employee’s employer becomes a participating employer, said employee was, immediately prior to said date, insured under a group major medical insurance plan of such employer which was in effect immediately prior to said date.

In the event that the group major medical plan which covered an employee or his dependents immediately prior to the date the employee’s employer becomes a participating employer provides, after termination of coverage thereunder, any continuation of benefits for medical expenses for hospitalization, surgery, medical treatment or any related service or supply, or would so provide in the absence of coverage pursuant to this act, no coverage shall be afforded pursuant to this act for any such expenses (i) which are covered, or which would be covered in the absence of coverage pursuant to this act, in whole or in part, by such prior insurance plan or (ii) which may be used in satisfaction of any deductible requirement under such prior insurance plan to establish entitlement to such continuation of benefits.

Each employee shall furnish the Division of Pensions, in such form as is prescribed, such information as is necessary on account of his own coverage and as necessary to enroll his dependents. Any employee not desiring coverage at the time he first becomes eligible, shall give the division written notice of that fact in such form as the division may prescribe. Such employee may not enroll thereafter except at such times and under such conditions as the commission may prescribe.

If an employee eligible for coverage has a spouse who is also an employee eligible for coverage, the spouse may elect to forego
coverage as an employee and to enroll for both basic benefits and the major medical expense benefits as a dependent, in which event no coverage shall be provided for such spouse as an employee while covered as a dependent. The employee, who has enrolled such spouse, may receive a refund from the State equivalent in amount to the employer's cost for an employee's coverage. When both husband and wife are covered as employees, only one may enroll for their children as dependents.

6. Section 7 of chapter 125 of the laws of 1964 (C. 52:14-17.38) is amended to read as follows:

C. 52:14-17.38 Certification of premium rates and charges to participating employers; remission of contributions; reimbursement for premium charges under Medicare.

7. The Division of Pensions shall certify to the certifying agent of each employer electing participation under the program the premium rates and periodic charges applicable to the coverage provided for employees and dependents. The participating employer shall remit to the division all contributions to premiums and periodic charges in advance of their due dates, subject to the rules and regulations of the commission.

The employer shall reimburse the active employee for his premium charges under Part B of the Federal Medicare program covering the employee and the employee's spouse.

7. Section 12 of chapter 125 of the laws of 1964 (C. 52:14-17.43) is amended to read as follows:

C. 52:14-17.43 Duties of certifying agent of participating employer.

12. The certifying agent of each participating employer shall submit to the Division of Pensions such information and shall cause to be performed in respect to each of the employees of such employer such duties as would be performed by the State in connection with the program. The division shall have the power and authority to make such verification of the employment and other records of any participating employer as the division may deem necessary in connection with the program.

C. 52:14-17.32b Cessation of active full-time employment.

8. The cessation of active full-time employment shall be deemed to occur on the last day of the coverage period for which premiums have been paid and such premiums will be required if the employee receives payment for any service rendered in the coverage period.
C. 52:14-17.32c  Coverage of certain employees paid on 10-month basis.

9. For purposes of State and local employer coverage, an employee paid on a 10-month basis, pursuant to an annual contract, and who terminates his service with the employer at the end of the contract year, having served during all of the months of the year as prescribed by his contract, shall be entitled to coverage comparable to that of an employee paid on a 12-month basis. Coverage for these employees and their dependents will continue during the 2 months of the year in which they are not paid provided that proper payment is made for dependent coverage as may be required by the State or participating employer.

10. This act shall take effect immediately.

Approved October 22, 1970.

3. N. J. S. 18A:58-3 is amended to read as follows:

Classification of school districts.

18A:58-3. For the purpose of computing State aid, the commissioner, with the approval of the State board, taking into consideration the quality of the educational program of the districts, shall formulate recommended criteria and standards to be used in judging what shall constitute a nonoperating district, a basic district, a limited district, an intermediate district, a precomprehensive district and a comprehensive district. Such recommended criteria and standards shall be reported to the Permanent Commission on State School Support which shall review the same and submit such criteria and standards as it shall approve to the Legislature for enactment by law. Criteria and standards enacted by law shall be subject to annual review by the commissioner, the State board and the Permanent Commission on State School Support which shall from time to time recommend to the Legislature such changes therein as it shall deem appropriate. On or before July 31, 1971 and in each year thereafter the secretary of the board of each district, other than a nonoperating district with the approval of the superintendent of schools, or if there be no superintendent of schools with the approval of the county superintendent of schools, shall file a report with the commissioner on forms provided by him requesting classification as a basic district, or as a limited district, or as an intermediate district, or as a precomprehensive district or as a comprehensive district. Any school board in requesting classification for the school year 1972-73 and thereafter shall develop and present in its report an educational plan based upon a complete assessment of the educational needs of the community it serves and a course of action for their fulfillment in addition to meeting criteria and standards prescribed by law. All reports, with supporting evidence, shall describe the program of the district which will be in effect during the school year for which the classification and calculation of State aid will be made and shall contain a written statement of the board’s
philosophy and objectives of education as well as the board's proposed program of evaluation. The commissioner shall review the reports with the supporting evidence and supervisory recommendations and recommend to the State board the classification of the school district as a basic district, or as a limited district, or as an intermediate district, or as a precomprehensive district or as a comprehensive district, and the State board shall classify said district and shall so notify the secretary of the board of education on or before October 1 of the year of filing. Any request for review of such classification by the State board and for a hearing thereon, if requested, shall be filed with the commissioner within 10 days after the receipt of the notice of classification.

4. N. J. S. 18A:58-4 is amended to read as follows:

Annual reports of enrollment and budget.

18A:58-4. Annually, on or before October 15, the secretary of the board of education, with the approval of the superintendent of schools, or if there be no superintendent of schools with the approval of the county superintendent of schools, shall file with the commissioner a report stating the number of pupils enrolled by grade on the last school day of September and the estimated budget for the ensuing school year. On or before June 15, a similar report stating the number of pupils enrolled by grade on the last school day of May shall be filed. Such reports shall be certified under the penalties of perjury as true to the best of the knowledge and belief of the persons making them.

5. N. J. S. 18A:58-5 is amended to read as follows:

Minimum support aid; incentive equalization aid.

18A:58-5. a. Minimum support aid shall be paid annually to each school district.

b. Incentive equalization aid shall be paid annually in accordance with the following calculations:

(1) A guaranteed valuation for each school district shall be determined and compared with the equalized valuations of the district. If the guaranteed valuations are less than the equalized valuations for the district, no incentive equalization aid shall be paid.

(2) If the guaranteed valuations are greater than the equalized valuations of the district, incentive equalization aid shall be determined as follows: (a) Divide the amount of the net operating budget by the guaranteed valuations to establish a rate to be applicable to local tax requirements and incentive equalization aid.
(b) Multiply said rate by the equalized valuations of the district to obtain the local tax requirement. (c) Multiply said rate by the excess of the guaranteed valuations over the equalized valuations to obtain the incentive equalization aid.

If such incentive equalization aid plus the minimum support shall be greater than the local tax requirement, the commissioner shall review each item of appropriation within the budget of the district.

6. N. J. S. 18A:58–5.2 is amended to read as follows:

Amount of additional aid payable.

18A:58–5.2. For each such pupil residing on property owned by the State the amount of such special additional State aid so payable to the district shall be the difference between the cost per pupil for current expenses excluding transportation, and the aid per resident pupil to which the district is entitled.

7. N. J. S. 18A:58–8 is amended to read as follows:

County vocational schools.

18A:58–8. Each county vocational school board operating a full-time day school program shall be paid the higher of either the sum of $320.00 per pupil or two times the average per resident pupil aid payable to the districts within the county. For pupils attending a day school program in a county vocational school on a part-time basis, the county vocational school board shall be paid a proportionate amount of the aid provided in this section. The commissioner, with the approval of the State board, shall promulgate rules for the counting of pupils in resident enrollment on a full-time day school basis in the county vocational schools.

8. N. J. S. 18A:58–10 is amended to read as follows:

Recalculation of State aid.

18A:58–10. Whenever the local current expenses tax appropriation in any district is reduced by the board of education, the board of school estimate, the governing body of the municipality, or the commissioner to an amount less than local tax requirement determined by the commissioner in the computation of the incentive equalization aid, the commissioner shall recalculate the State aid applicable to the district.

9. On or before June 30 of each year, the commissioner shall recompute the aid in any district in which the enrollment on the
last school day of May exceeds the enrollment on the last school day of September of the current school year. The district shall be entitled to additional aid determined by multiplying the increased enrollment by the same aid per resident weighted pupil as previously calculated on the basis of enrollment of the last school day of September. Such additional aid shall be paid in the second succeeding school year following the school year in which the calculation is made.

In computing State aid for the second fiscal year following the first payment of aid under this article and each year thereafter, the commissioner shall annually increase or decrease both the school district guaranteed valuation and the minimum support aid for a basic district, a limited district, an intermediate district, a pre-comprehensive district and a comprehensive district. This shall be done by increasing or decreasing the school district guaranteed valuation by the percent of change in State average valuation per weighted resident pupil in each year of calculation over that of the base year which shall be the fiscal year following the first payment of aid under this article and the minimum support aid by the percent of change in the day school cost per pupil of the year prior to the year of calculation of aid under this article over that of the base year which shall be the fiscal year in which the first payment of aid is made under this article.

**C. 18A:58–18.1 Apportionment of State aid under certain circumstances.**

15. There is hereby appropriated for the purposes of this chapter such sums as may be included in any annual or supplemental appropriation act. In the event that the sums appropriated

16. Notwithstanding the classification of school districts defined in N. J. S. 18A:58-2, for the school year 1971-72 all districts other than nonoperating districts shall be designated as basic districts for the purpose of calculating minimum support aid and incentive equalization aid.

CHAPTER 235

AN ACT authorizing the Commissioner of Education to enter into contracts for the purchase of secular educational services from nonpublic schools in this State and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Nonpublic Elementary and Secondary Education Act."

2. It is hereby determined and declared as a matter of legislative finding—

a. That a crisis in elementary and secondary education exists in the Nation and in the State involving (1) the new recognition of our intellectual and cultural resources as prime national assets and of the national imperative now to spur the maximum educational development of every young American's capacity; (2) rapidly increasing costs occasioned by the rise in school population, consequent demands for more teachers and facilities, new but costly demands, in the endeavor for excellence, upon education generally; the general impact of inflation upon the economy; and the struggle of the State, commonly with many other states, to find sources by which to finance education, while also attempting to bear the mounting financial burden of the many other areas of modern state governmental responsibility;

b. That nonpublic education in the State today, as during the recent past decades, bears the burden of educating more than 20% of all elementary and secondary school pupils in New Jersey; that the requirements of the compulsory school attendance laws of the State are fulfilled through nonpublic education;

c. That the elementary and secondary education of children is today recognized as a public welfare purpose; that nonpublic education, through providing instruction in secular subjects, makes an important contribution to the achieving of such public welfare purpose; that the governmental duty to support the achieving of public welfare purposes in education may be in part fulfilled through government's support of those purely secular educational objectives achieved through nonpublic education;

d. That freedom to choose nonpublic education, meeting reasonable state standards, for a child is a fundamental parental liberty and a basic right;

e. That the State has the right and freedom, in the fulfillment of its duties, to enter into contracts for the purchase of needed services with persons or institutions whether public or nonpublic, sectarian or nonsectarian;

f. That, should a majority of parents of the present nonpublic school population desire to remove their children to the public schools of the State, an intolerable added financial burden to the public would result, as well as the long term impairment of education in New Jersey; that such hazard to the education of children may be substantially reduced and all education in the State im-
proved through the purchase herein provided of secular educational services from New Jersey nonpublic schools.

3. As used in this act:

"Board" means the State Board of Education.

"Commissioner" means the State Commissioner of Education.

"Nonpublic school" means an elementary or secondary school within the State, other than a public school, offering education for grades kindergarten through 12, or any combination of them, wherein any child may legally fulfill compulsory school attendance requirements.

"Approved nonpublic school" means a nonpublic school approved by the commissioner in accordance with the provisions of this act and eligible for reimbursement under this act.

"Student" means any child who is a permanent resident of the State and who is enrolled as a full-time pupil in an approved nonpublic school in grades kindergarten through 12. A child who boards at a school but has no other residence in the State shall not be deemed to be a permanent resident of the State within the meaning of this act.

"Secular educational services" means providing instruction in a secular subject.

"Secular subject" means any course which is presented in the curricula of the public schools of this State. Such a course, if taught in a nonpublic school shall be a "secular subject" if the textbooks used for such course are the same as those in use or have been used within 5 years in a public school, or are approved by the commissioner and if the subject matter does not promote or prefer any religion or denominational tenets or doctrine. A secular subject shall not include any instruction in religious or denominational tenets, doctrine or worship.

"Teacher" means a person instructing secular subjects and shall not mean a person who is devoting more than 50% of his time to the performance of the duties of a school superintendent, principal, department head or administrator.

C. 18A:58-41 Administration and implementation of act; appointment of certain personnel.

4. This act shall be administered by the commissioner in accordance with policies formulated and regulations adopted by the board for the administration and implementation of this act. The commissioner is authorized to make contracts, execute instruments,
and to do all things necessary and convenient to administer this act. He is further authorized to appoint a director of nonpublic school secular education, who shall be in the unclassified civil service of the State and, within the limit of available appropriations, such other necessary personnel as shall be approved by the board, to assist him in the administration of this act.

C. 18A:58-42 Authority to purchase secular educational services; limitations.

5. The commissioner may contract with a corporation, association or other entity operating an approved nonpublic school to purchase secular educational services for students, and to pay the cost of said services.    b. Salaries of nonpublic school teachers having a bachelor's degree, a master's degree, sixth year of study, or doctorate degree shall be reimbursable only up to and not in excess of the average minimum salaries in the State on salary schedules of public school teachers having comparable degrees of hours of study, as determined by the commissioner.
   c. The salary of a teacher in a nonpublic school who teaches secular subjects and performs administrative or other duties shall be apportioned on the basis of the number of hours spent in each of such categories and reimbursement shall be made on the basis of the portion of salary attributable to the teaching of secular subjects, except that no reimbursement shall be made to a person devoting more than 50% of his time to the performance of the duties of a school superintendent, principal, department head or administrator.
d. For each nonpublic school, the number of teachers whose salaries are reimbursable under this act, shall not exceed $\frac{1}{2}$ of the number of full-time students enrolled in the school.

7. The salary of any teacher in a nonpublic school shall be reimbursable only for the secular subjects taught.

C. 18A:58-45 Teachers in nonpublic school not deemed employees of State.
8. Teachers in the nonpublic school shall not, by reason of any provisions of this act, be deemed to be employees of the State or any public board of education or be entitled to any of the rights of public school teachers as provided under any law of this State or in any rule or regulation promulgated pursuant to any law of this State.

9. Textbooks, the cost of which are reimbursable under this act, shall mean any textbooks which are in use or have been used within 5 years of September 15 of the year for which reimbursement is sought, in any public school in the State. A nonpublic school seeking reimbursement for a textbook which is not or has not been in such use, may submit said textbook to the commissioner, and if he approves the same as complying with the provisions and purposes of this act, its cost shall be reimbursable under this act.

10. The commissioner shall encourage boards of education of public schools and governing board of nonpublic schools to share facilities and personnel on a voluntary basis. No public school student shall be required to attend classes and no public school teacher shall be required to teach, in a nonpublic school.

11. In order to be approved for reimbursement under this act, a nonpublic school shall meet and, as a condition of approval, continue to meet the following requirements:
   a. The school shall be approved by the commissioner as providing the secular educational courses required by law;
   b. The school shall not be operated for profit;
   c. No reimbursement shall be made to any school in which the annual cost of education per student in such school exceeds the annual cost of education per student in the public school district in which the school is located;
   d. The school shall file annually with the commissioner a certificate of compliance with Title VI of the Civil Rights Act of 1964 (Public Law 88-352), as amended;
e. The nonpublic school shall not engage specifically in educating students to become ministers of religion or to enter upon some other religious vocation;

f. A nonpublic school shall not be reimbursed under this act for educational services for which it receives state aid for rendering such services to "children requiring special education," as defined in N. J. S. 18A:46-2.

12. The commissioner shall make provision for visitation and inspection of any nonpublic school which applies for approval under this act and for the visitation and inspection thereafter as often as may be necessary to assure that said school satisfied the requirements of this act.

13. A nonpublic school which has enrolled as students children determined by the commissioner to be educationally deprived pursuant to rules and regulations promulgated by the board, shall be entitled to an increase in the percentage of teacher salaries reimbursable under this act, as follows: If at least $\frac{1}{2}$ of the nonpublic full-time student enrollment consists of educationally deprived children, the school shall be reimbursed in an amount not exceeding 50% of the salaries of the teachers qualifying under this act; if at least $\frac{3}{5}$ of the nonpublic full-time student enrollment consists of educationally deprived children, the school shall be reimbursed in an amount not exceeding 60% of the salaries of teachers qualifying under this act.

C. 18A:58-51 Adoption of regulations; furnishing of records and information; audit.

14. The board shall adopt regulations to effectuate the purposes of this act and, notwithstanding the provisions of N. J. S. 18A:6-4, may require nonpublic schools to furnish such records and information including, without limitation, anticipated school enrollment, teacher salaries and textbook costs. The commissioner, at regular intervals, shall require of each nonpublic school an audit of all financial and other records which relate to the secular educational services for which reimbursement is claimed under this act, and shall not authorize payment for any services supplied by any such school if he finds that the cost thereof is excessive or the services have been rendered in violation of this act.

15. Requests for reimbursement and the payment for the purchase of secular educational services hereunder shall be made on
such forms and under such conditions as the commissioner shall prescribe. Reimbursement payment shall be made by the commissioner in three installments, payable on the last day of November, March and June of each school year and shall be based on such records and other information for the preceding school year as the commissioner shall require, including, without limitation, school enrollment, teacher salaries and textbook costs.

16. Any applying nonpublic school denied approval for reimbursement under this act shall be given written notice of such denial by the commissioner by registered or certified mail stating the reasons for such denial. The applicant may within 15 days of the date of the mailing of said notice make a request in writing by registered or certified mail directed to the commissioner for a hearing on said denial. The commissioner shall notify the applicant in writing, within 10 days of the receipt of the request, of the place and date of hearing, which hearing shall be held not less than 30 days from the date of mailing of said notice. The hearing may be conducted by the commissioner or by a hearing officer designated by him. Such hearing shall be conducted in accordance with the provisions of the "Administrative Procedure Act" (P. L. 1968, c. 410) (C. 52:14B-1 et seq.).

17. a. To require any public depository to furnish such information and furnish such reports dealing with public funds on deposit therein as the commissioner shall request. Any public depository which refuses or neglects to give any information so requested may be excluded by the commissioner from the right to receive public funds for deposit until such time as the commissioner shall

a. Within 20 days after the occurrence of the event of default, he shall ascertain the amount of public funds on deposit in the defaulting depository as disclosed by its records and the amount thereof covered by federal deposit insurance and certify the amounts thereof to each affected governmental unit;

b. Within 10 days after receipt of such certification, each such governmental unit shall furnish to the commissioner verified statements of its public deposits in such defaulting depository as disclosed by its records;

c. Upon receipt of such certificate and statements, he shall ascertain and fix the amount of such public funds on deposit in such defaulting depository, net after deduction of any deposit insurance;

If the proceeds of the sale of the collateral of a defaulting depository which is a State bank, a national bank or a savings bank are insufficient to pay in full the net deposit liability of such depository to all affected governmental units, he shall assess the deficiency against all other such public depositories having public funds on deposit as of the occurrence of the event of default in the proportion that the maximum liability of each such other public depository bears to the aggregate of the maximum liabilities of all such other depositories, but no such assessment shall exceed the maximum liability of any such other depository;

If the proceeds of the liquidation of the eligible security are insufficient to pay such assessment in full, the commissioner may sue to recover the amount of the deficiency within the limits of the depository’s maximum liability.

h. CHAPTER 242

An Act concerning the construction or acquisition of solid waste disposal facilities by counties separately or jointly with municipalities located therein and supplementing the "Incinerator Authorities Law," approved September 1, 1948 (P. L. 1948, c. 348, C. 40:66A-1 et seq.).

Whereas, it has been found and determined that many counties in the State of New Jersey contain areas and municipalities which do not have adequate regional or comprehensive solid waste disposal facilities or which have such limited or local facilities which are presently inadequate and insufficient to meet the needs of such counties and areas and municipalities therein; and

Whereas, it is the objective of both the Federal Government and the State Department of Environmental Protection of New Jersey to initiate and encourage regional solid waste disposal facilities for the purpose of the treatment and disposal of domestic and industrial solid wastes; and

Whereas, it is essential for the health, safety and welfare of the inhabitants of such counties and the areas and municipalities therein that improved, enlarged or new solid waste disposal facilities be constructed or acquired in such areas or municipalities not now being served by such facilities or that existing facilities which may be inadequate be improved and extended where required; and

Whereas, the cost of such construction of solid waste disposal facilities or the construction of additions, extensions or improvements to existing facilities in many of such areas or municipalities would, if financed by such areas, regions or municipalities on an individual basis, be prohibitive and exorbitant; and

Whereas, there is a pressing need for counties to aid the inhabitants of such areas, regions and municipalities therein by constructing or acquiring new or improved solid waste disposal facilities, or parts thereof, where required, or by constructing or acquiring additions, extensions and improvements to existing solid waste disposal facilities, or parts thereof, where required, and to finance the cost of any such acquisition or construction either alone or jointly with any municipality or municipalities,
joint meetings or incinerator authorities therein by the issuance of bonds of such counties; now, therefore,

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "County Solid Waste Disposal Financing Law."

2. It is hereby declared to be in the public interest and to be the policy of the State to foster and promote by all reasonable means the health and welfare of the citizens thereof by the proper collection, treatment and disposal of solid waste and other refuse matter on a regional or multi-unit basis.

   (4) The word "facilities" when used alone, shall mean both such incinerators and sanitary landfills, or either of them as the context shall require.
   (5) The word "cost" as applied to solid waste disposal facilities or extensions or additions thereto, shall include the cost of construction, reconstruction or improvement, the cost of all labor, materials, machinery and equipment, the cost of all lands, property, rights, easements and franchises acquired, financing charges, interest on bonds issued to finance such facilities prior to and during construction and for 1 year after completion of construction, cost of plans
and specifications, surveys of estimates of costs and of revenues, cost of engineering and legal services, and all other expenses necessary or incident to determining the feasibility or practicability of such construction, reconstruction or improvement, administrative expense and such other expense as may be necessary or incident to the construction or acquisition of such facilities, and the financing herein authorized. Any obligation or expense incurred by the county in connection with any of the foregoing items of cost prior to the issuance of bonds or notes as authorized herein may be regarded as part of such cost and reimbursed to the county out of the proceeds of bonds issued under the provisions of this act.

(6) The term “general obligation bonds” shall mean general obligations of the county which are payable from unlimited ad valorem taxes or from such taxes and additionally secured by a pledge of solid waste disposal facilities service charges as may be established.

(7) The term “solid waste” shall mean any refuse matter, trash or garbage from residences, manufacturing and industrial plants, hotels, apartments or any other public or private building but shall not include water carried wastes or the kinds of wastes usually collected, carried away and disposed of by sewerage system.

5. Whenever the board of chosen freeholders of any of the several counties of the State by resolution chooses to exercise the powers granted by this act it shall submit such resolution to the State Commissioner of Environmental Protection, and it shall make or cause to be made such surveys, investigations, studies, borings, maps, plans, drawings, and estimates of costs and of revenues as the commissioner may deem necessary relating to the type of disposal and treatment and estimate or cost of such solid waste disposal facilities, the purchase of construction of which shall be deemed by the board to be desirable and also relating to the solid waste disposal facilities, if any, or part thereof the board deems necessary to purchase or construct, to protect the health, safety, and welfare of the inhabitants of the county.

The obtaining of such surveys, investigations, studies, borings, maps, plans, drawings and estimates is hereby declared to be a county purpose and the costs thereof may be paid out of the general funds of the county, but shall be reimbursed to the county from the proceeds of any bonds issued pursuant to this act, or the proceeds of any grants for this purpose from the State, Federal Government or any agency thereof.

The results of such surveys, investigations, studies, borings, maps, plans, drawings and estimates required by the commissioner shall be submitted to the commissioner for approval. No county may proceed to exercise any of the powers granted by this act without first having obtained the approval of the commissioner.
All public or private property damaged or destroyed in carrying out the powers granted by this act shall be restored or repaired and placed in its original condition as nearly as practicable or adequate compensation made therefor out of the funds provided by this act.

6. The board of chosen freeholders is hereby authorized to provide by ordinance at one time or from time to time for the issuance of general obligation bonds of the county for the purpose of paying all or part of the cost of any solid waste disposal facilities constructed, acquired, improved, extended, enlarged or reconstructed pursuant to this act. The bonds of each issue shall be issued pursuant to the provisions of the Local Bond Law, constituting chapter 2 of Title 40A of the New Jersey Statutes.

8. After the commencement of operation of solid waste disposal facilities, the county may prescribe and change from time to time rates or rentals to be charged for the use of the services of such
facilities. Such rates or rentals being in the nature of use or service charges or annual rental charges, shall be uniform and equitable for the same type and class of use or service of such facilities. Such rates or rentals and types and classes of use and service may be based on such factors as the board of chosen freeholders of the county shall deem proper and equitable.

9. If a county, pursuant to agreement with a municipality or municipalities therein, joint meetings or incinerator authorities, shall construct or acquire solid waste disposal facilities which will benefit such municipality or municipalities, joint meetings or incinerator authorities, such county may either (1) bear the entire cost of the construction or acquisition of such facilities by itself, or (2) share the cost of the construction or acquisition of such improvements with the municipality or municipalities, joint meetings or incinerator authorities. The county may issue its bonds for all or part of the cost of the construction or acquisition of such facilities. If the cost thereof is to be shared by such municipality or municipalities, joint meetings or incinerator authorities, the county may issue its bonds for its share of such cost and such municipality or municipalities, joint meetings or incinerator authorities, may issue their bonds for their share of such cost, or the county may issue its bonds for all of the cost of such facilities, and the share of such cost to be borne by such municipality or municipalities, joint meetings or incinerator authorities shall be repaid to the county by such municipality or municipalities, joint meeting or incinerator authority in annual installments over a period not exceeding 40 years as shall be agreed upon between the county and such municipality or municipalities, joint meeting or incinerator authority. The amount of said annual installments shall include interest at such rate or rates as the county and such municipality or municipalities, joint meeting or incinerator authority may agree upon, and the county and such municipality or municipalities, joint meeting or incinerator authority are hereby authorized to enter into agreements relating to such facilities which agreements shall have such terms and conditions as shall be deemed necessary and proper by such county and such participating municipality or municipalities, joint meeting or incinerator authority. Such agreements shall be authorized by a resolution duly adopted by the board of chosen freeholders of the county and by an ordinance duly adopted by the governing body of such municipality, municipalities, joint meeting

Any such sum of money so certified by a county shall be a lien in favor of such county on and against the property of such private solid waste or incinerator company or industry. If such sum of money or any part thereof is not paid to the contracting county on or before such contract payment date, such county shall make and record, in the same manner as conveyances of interest in real property are recorded, a certificate setting forth the facts and giving notice of the existence and amount of such lien remaining unsatisfied. So far as permitted by law, such lien shall have priority over all other liens theretofore or thereafter attaching except those of Federal, State and local taxes.

14. The object and design of this act being the protection and preservation of public health, safety and welfare, this act shall be liberally construed and the powers granted and the duties imposed by this act shall be construed to be independent and severable. If any one or more sections, clauses, sentences or parts of this act shall for any reason be questioned in any court, and shall be adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provisions so held unconstitutional or invalid.

An Act respecting the operation and licensing of commercial fishing preserves and supplementing Title 23 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 23:3-62 "Fishing preserve waters" defined.

1. "Fishing preserve waters" means any artificial or man-made body of water, not to exceed 10 acres in size, lying wholly within the boundaries of lands owned by one individual, operated for the purpose of permitting the owner to provide fishing facilities to fishermen. Such waters shall not include natural streams, natural ponds or waters impounded by the damming of natural streams. The sources of water for such ponds shall be limited to surface runoff, natural springs or driven wells. Any outfall from the "fishing preserve waters" must be so constructed as to prevent the passage of fish from or to that body of water.

C. 23:3-63 Fishing preserve license; application, issuance, expiration, contents, fee, revocation or suspension.

2. (a) The division may, in its discretion, after application on forms furnished by it, issue to an owner of such fishing preserve waters a fishing preserve license permitting the holder thereof to manage such fishing preserve waters and to possess, propagate and rear, and to take or permit others to take therefrom, fish therein legally propagated or acquired. Such license shall expire on December 31 in the year it was issued unless previously revoked. A separate license is required for each body of water defined herein as fishing preserve waters. Two or more ponds under one ownership, supplied by one common water source and located on one continuous parcel of land, shall be considered as one body of water requiring one license.

(b) The license so issued shall contain the name of the town and county in which such fishing preserve waters are located; specify the species of fish authorized to be stocked therein; authorize the licensee to stock, propagate, raise and release such fish in such licensed fishing preserve waters and to buy, sell or otherwise traffic in fish taken therefrom; specify the manner of tagging fish taken from the licensed waters; specify the means of acquisition of fish stocked therein.
(c) The license may also authorize the licensee to control undesirable protected fish, wildlife and insects and specify means of control of same; specify such other restrictions and controls for the management of fishing preserve waters as in the judgment of the division may be deemed advisable for proper fish management.

(d) The fee for the license shall be $150.00 per year, payable at the time application is made.

(e) The division may for cause, revoke or suspend the license of any licensee.

C. 23:3-64 Fishing by licensee or members of immediate family.

3. A licensee or any member of his immediate family may, without license issued under Revised Statutes 23:3-1, or other license or permit to take fish by net or device, take fish of any size, in any manner, at any time permitted by the preserve license.

C. 23:3-65 Sale or taking of fish from licensed preserve waters.

4. (a) Any licensee, during the term of his license may sell fish taken from the licensed fishing preserve waters and may grant permission to other persons to take fish in or from the licensed fishing preserve waters and to charge a fee for such fishing or for the fish taken, or if a club, to impose dues permitting such angling by members of such club.

(b) Persons to whom such permission to fish is granted, or who have paid for the privilege of fishing the licensed waters, or dues-paying members of a club which is a licensee, may fish in such waters without a license issued under Revised Statutes 23:3-1, or other license.

(c) The licensee may prescribe such restrictions or limitations as he sees fit with respect to the size of fish, limits of catch, open season, and manner of taking fish from the licensed waters. Except as specifically noted in the license, the provisions of chapter 3, 5 or 6 of Title 23 of the Revised Statutes shall not be applicable to fishing in such licensed fishing preserve waters.

C. 23:3-66 Tagging of fish.

5. (a) All fish stocked in the waters of the fishing preserve in accordance with paragraph (b) of section 2 of this act that are taken from the licensed fishing preserve waters, shall be immediately tagged as prescribed in the license or by order of the division. Such tags shall be furnished by the division and sold to the licensee at the cost of $0.05 per tag.

(b) The tag so affixed shall not be removed from the fish until the same is finally prepared for consumption.
(c) No fish, required to be tagged as specified in paragraph (a) of this section, taken pursuant to this act, shall be possessed off the premises of the fishing preserve without such tag, and no person shall sell such fish without such tag attached, except for scientific, exhibition or stocking purposes.

(d) Fish taken from such fishing preserves and tagged as provided in this section, may be possessed, bought, sold and offered for sale, and transported without restriction. Fish raised or possessed under license issued under this act may be sold at any time for scientific, exhibition, propagation or stocking purposes.

C. 23:3-67 Records and reports.
6. The holder of a fishing preserve license shall keep such records as the division may require and make annual reports, verified by affidavit of the licensee, to and upon forms furnished by the division. The records shall be continuous and shall be kept on the licensed premises, and the licensee shall allow any representative of the division to enter upon the premises and inspect his operations and records.

C. 23:3-68 Use of fish toxins.
7. The division may, by special permit or authorization contained in the license, authorize the licensee to use fish toxins in the management of the licensed waters, but unless so specifically authorized by permit or license, no toxins or poisons may be introduced into the licensed waters.

C. 23:3-69 Certain rights or liabilities not affected; exception.
8. Nothing in this act shall abridge, alter or affect the rights or liabilities, riparian or otherwise, that would otherwise exist or accrue by reason of the impounding of the water, except that fishing preserve waters are waters of the State within the meaning of the Public Health Laws.

C. 23:3-70 Rules and regulations.
9. The division may make such rules and regulations with respect to the management and operation of fishing preserves, not inconsistent with the provisions of this act, as it shall deem necessary and proper to carry into effect the provisions of this act.

C. 23:3-71 Penalty.
10. Any person who violates any of the provisions of this act shall be liable to a penalty of not less than $100.00 or more than $1,000.00 for each offense.

11. This act shall take effect immediately.
CHAPTER 248, LAWS OF 1970

CHAPTER 248

AN ACT to provide for the establishment of county offices on aging and for State aid for the operations thereof.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 40:23-6.38 Legislature's findings.

1. The Legislature hereby finds and declares that:
   (a) There are nearly 700,000 people over the age of 65 in this State, and that these citizens, now numbering almost 10% of the State's population, are of special concern because their numbers are growing faster than the rest of the population and because, increasingly there is no room for them in the labor market.
   (b) During the last century life expectancy has been lengthened by 20 years. Since 1900 the total population of New Jersey has doubled but our senior population has quadrupled. With the lengthening of life expectancy has come the impact of technology which permits earlier retirement and makes employment opportunities unavailable for much of the older population.
   (c) The result of these changes is that many older people are socially isolated and economically deprived. Lack of preparation for changed family relationships and social situations create crises for which assistance is not readily available. Many such crises can be averted if the problems of aging are anticipated and made the subject of prior planning.
   (d) A central place is needed, therefore, where older citizens facing such situations can turn for assistance through information on community resources. Those who need such information vary from the middle-aged unemployed to the recent retiree and the helpless aged, from the affluent to the very poor, from the rural citizen to the urban and suburban resident, from the learned to the uneducated.
   (e) Efforts to avert crises among this expanding segment of the population must have two major goals: the development of an understanding of the nature of aging so that people may grow old with dignity and independence; and, the ready identification and availability of community resources for older people, to whom they are often inaccessible or nonexistent. These resources need to be identified, expanded and made more immediately available to those who need them.
(f) While the Government of the State of New Jersey has recognized some of its special responsibilities in this area by creating the State Division on Aging, it has become apparent that this agency will function more effectively by providing a means by which it can achieve a closer relationship with the people it seeks to help, and through which it can increase access to desirable programs.

(g) It is apparent, therefore, that channels for the distribution of information on the resources available to older people, should be established throughout the State so as to be conveniently available to all segments of our older population, and that they should be maintained by county governments.

C. 40:23-6.39 Authority to establish county office on aging.

2. The board of chosen freeholders of any county may by resolution establish a county office on aging.

3. Each county office on aging shall have the power and duty and it shall be the function of said office to:

(a) Maintain a central source of information on programs and services for older people;

(b) Circulate current knowledge related to aging to the public at large and to individuals and groups to which such knowledge would be of benefit;

(c) Stimulate expansion of existing services to more adequately meet the needs of older people and, where desirable, encourage new programs to meet these needs.

C. 40:23-6.41 Executive director.

4. The board of chosen freeholders shall appoint an executive director, who shall be a person qualified by training and experience to direct the work of such office, to administer the work of the county office on aging.

C. 40:23-6.42 Receipt and expenditure of moneys.

5. The board of chosen freeholders may receive and expend moneys from the State, Federal Government or private individuals, corporations or associations thereof, to meet the expenses of the county office on aging.

C. 40:23-6.43 Amount and payment of State aid; commissioner's approval.

6. There shall be appropriated and paid annually to each county office on aging, subject to the approval of the Commissioner of the Department of Community Affairs, an amount equal to one-half
of the amount of annual expense of the county office on aging; pro-
vided, however, that no county shall receive more than $20,000.00 in
State aid hereunder in any calendar year. Payments shall be made
by the State Treasurer, upon certificate of the Commissioner of the
Department of Community Affairs and warrant of the Director of
the Division of Budget and Accounting, on or before December 31 of
each calendar year. This payment shall constitute reimbursement
to the county for the State aid portion of the annual expense of each
county office on aging during the year in which the payment is made.

7. The Director of the Division on Aging shall issue and promul-
gate rules and regulations for the proper control and management
of activities of the county offices on aging, for the certification of
persons to hold the position of executive director and for the ad-
ministration of grant funds available for the purposes of this act,
and may issue and promulgate such other rules and regulations
necessary to carry out the purposes of this act.
8. This act shall take effect January 1, 1971.

CHAPTER 272, LAWS OF 1970

CHAPTER 272

An Act concerning the protection of natural resources in coastal wetlands, providing for the designation by the Commissioner of Environmental Protection of certain coastal wetlands after public hearing, and requiring permits from the commissioner prior to the dredging, removing, filling or otherwise altering or polluting coastal wetlands.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 13:9A-1 Legislature's findings and declaration of policy; inventory and mapping of tidal wetlands; filing of maps.

1. a. The Legislature hereby finds and declares that one of the most vital and productive areas of our natural world is the so-called "estuarine zone," that area between the sea and the land; that this area protects the land from the force of the sea, moderates our weather, provides a home for water fowl and for 2/3 of all our fish and shellfish, and assists in absorbing sewage discharge by the rivers of the land; and that in order to promote the public safety, health and welfare, and to protect public and private property, wildlife, marine fisheries and the natural environment, it is necessary to preserve the ecological balance of this area and prevent its further deterioration and destruction by regulating the dredging, filling, removing or otherwise altering or polluting thereof, all to the extent and in the manner provided herein.

b. The Commissioner of Environmental Protection shall, within 2 years of the effective date of this act, make an inventory and maps of all tidal wetlands within the State. The boundaries of such wetlands shall generally define the areas that are at or below high water and shall be shown on suitable maps, which may be reproductions or aerial photographs. Each such map shall be filed in the office of the county recording officer of the county or counties in which the wetlands indicated thereon are located. Each wetland map shall bear a certificate of the commissioner to the effect that it is made and filed pursuant to this act. To be entitled to filing no wetlands map need meet the requirements of R. S. 47:1-6.

C. 13:9A-2 Authority to regulate alteration of coastal wetlands; definition.

2. The Commissioner may from time to time, for the purpose of promoting the public safety, health and welfare, and protecting pub-
lic and private property, wildlife and marine fisheries, adopt, amend, modify or repeal orders regulating, restricting or prohibiting dredging, filling, removing or otherwise altering, or polluting, coastal wetlands. For the purposes of this act the term "coastal wetlands" shall mean any bank, marsh, swamp, meadow, flat or other low land subject to tidal action in the State of New Jersey along the Delaware bay and Delaware river, Raritan bay, Barnegat bay, Sandy Hook bay, Shrewsbury river including Navesink river, Shark river, and the coastal inland waterways extending southerly from Manasquan Inlet to Cape May Harbor, or at any inlet, estuary or tributary waterway or any thereof, including those areas now or formerly connected to tidal waters whose surface is at or below an elevation of 1 foot above local extreme high water, and upon which may grow or is capable of growing some, but not necessarily all, of the following: Salt meadow grass (Spartina patens), spike grass (Distichlis spicata), black grass (Juncus gerardi), saltmarsh grass (Spartina alterniflora), saltworts (Salicornia Europaea, and Salicornia bigelovii), Sea Lavender (Limonium carolinianum), saltmarsh bulrushes (Scirpus robustus and Scirpus paludosus var. atlantica), sand spurrey (Spergularia marina), switch grass (Panicum virgatum), tall cordgrass (Spartina pectinata), high tide bush (Iva frutescens var. oraria), cattails (Typha angustifolia, and Typha latifolia), spike rush (Eleocharis rostellata), chairmaker's rush (Scirpus americana), bent grass (Agrostis palustris), and sweet grass (Hierochloe odorata). The term "coastal wetlands" shall not include any land or real property subject to the jurisdiction of the Hackensack Meadowlands Development Commission pursuant to the provisions of P. L. 1968, chapter 404, sections 1 through 84 (C. 13:17-1 through C. 13:17-86).

C. 13:9A-3 Adoption, change or repeal of order; hearing, notice; recording, indexing and filing of order; mailing.

3. The commissioner shall, before adopting, amending, modifying or repealing any such order, hold a public hearing thereon in the county in which the coastal wetlands to be affected are located, giving notice thereof to each owner having a recorded interest in such wetlands by mail at least 21 days prior thereto addressed to his address as shown in the municipal tax office records and by publication thereof at least twice in each of the 3 weeks next preceding the date of such hearing in a newspaper of general circulation in the municipality or municipalities in which such coastal wetlands are located.
Upon the adoption of any such order or any order amending, modifying or repealing the same, the commissioner shall cause a copy thereof, together with a plan of the lands affected, including reference to the filed wetlands map or maps on which the same are shown and a list of the owners of record of such lands, to be recorded in the office of the county clerk or register of deeds, where it shall be indexed and filed as a judgment, and shall mail a copy of such order and plan to each owner of record of such lands affected thereby.

C. 13:9A-4 “Regulated activity” defined; permit; application; contents; inspection; effect of work to be considered.

4. a. For purposes of this section “regulated activity” includes but is not limited to draining, dredging, excavation or removal of soil, mud, sand, gravel, aggregate of any kind or depositing or dumping therein any rubbish or similar material or discharging therein liquid wastes, either directly or otherwise, and the erection of structures, drivings of pilings, or placing of obstructions, whether or not changing the tidal ebb and flow. “Regulated activity” shall not include continuance of commercial production of salt hay or other agricultural crops or activities conducted under section 7 of this act.

b. No regulated activity shall be conducted upon any wetland without a permit.

c. Any person proposing to conduct or cause to be conducted a regulated activity upon any wetland shall file an application for a permit with the commissioner, in such form and with such information as the commissioner may prescribe. Such application shall include a detailed description of the proposed work and a map showing the area of wetland directly affected, with the location of the proposed work thereon, together with the names of the owners of record of adjacent land and known claimants of rights in or adjacent to the wetland of whom the applicant has notice. All applications, with any maps and documents relating thereto, shall be open for inspection at the office of the Department of Environmental Protection.

d. In granting, denying or limiting any permit the commissioner shall consider the effect of the proposed work with reference to the public health and welfare, marine fisheries, shell fisheries, wildlife, the protection of life and property from flood, hurricane and other natural disasters, and the public policy set forth in section 1. a. of this act.

5. The Superior Court shall have jurisdiction to restrain violations of orders issued pursuant to this act.

C. 13:9A-6  Filing of complaint; determination of issue exclusive.

6. Any person having a recorded interest in land affected by any such order or permit, may, within 90 days after receiving notice thereof, file a complaint in the Superior Court to determine whether such order or permit so restricts or otherwise affects the use of his property as to deprive him of the practical use thereof and is therefore an unreasonable exercise of the police power because the order or permit constitutes the equivalent of a taking without compensation. If the court finds the order or permit to be an unreasonable exercise of the police power, the court shall enter a finding that such order or permit shall not apply to the land of the plaintiff; provided, however, that such finding shall not affect any other land than that of the plaintiff. Any party to the suit may cause a copy of such finding to be recorded forthwith in the office of the county clerk or register of deeds, where it shall be indexed and filed as a judgment.

The method provided in this section for the determination of the issue shall be exclusive, and such issue shall not be determined in any other proceeding.

C. 13:9A-7  Certain powers and duties not to be restricted.

7. No action by the commissioner under this act shall prohibit, restrict or impair the exercise or performance of the powers and duties conferred or imposed by law on the State Department of Environmental Protection, the Natural Resource Council and the State Mosquito Control Commission in said Department, the State Department of Health, or any mosquito control or other project or activity operating under or authorized by the provisions of chapter 9 of Title 26 of the Revised Statutes.

C. 13:9A-8  Riparian rights or obligations not affected.

8. Nothing in this act or any permit issued hereunder shall affect the rights of the State in, or the obligations of a riparian owner with respect to, riparian lands.

C. 13:9A-9  Liability in event of violations; penalty.

9. Any person who violates any order by the commissioner, or violates any of the provisions of this act, shall be liable to the State for the cost of restoration of the affected wetland to
its condition prior to such violation insofar as that is possible, and shall be punished by a fine of not more than $1,000.00, to be collected in accordance with the provisions of the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.).

10. This act may be cited as "The Wetlands Act of 1970."

11. This act shall take effect immediately.

Approved November 5, 1970.

1. Section 43:21-19 of the Revised Statutes is amended to read as follows:

Definitions.
43:21-19. As used in this chapter (R.S. 43:21-1 et seq.), unless the context clearly requires otherwise:
(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.
(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last 3 or 5 preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior 3 or 5 calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such
deletion within 12 months after he resumes his business; provided, however, that “average annual payroll” solely for the purposes of paragraph (3) of subsection (e) of section 43:21-7 of this Title means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund, for the last 3 or 5 preceding calendar years, whichever average is higher; provided further, that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12 months’ period for which the employer’s contribution rate is computed.

(b) “Benefits” means the money payments payable to an individual, as provided in this chapter (R. S. 43:21-1 et seq.), with respect to his unemployment.

(c) “Base year” with respect to benefit years commencing on or after January 1, 1953, shall mean the 52 calendar weeks ending with the second week immediately preceding an individual’s benefit year.

(d) “Benefit year” with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim, for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of section 43:21-6 of this Title shall be deemed to be a “Valid Claim” for the purpose of this subsection if (1) no remuneration was paid or is payable for the day on which, or as of which he files a claim for benefits, and no work is available to him with his current employing unit on such day; or, he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of section 43:21-4 of this Title.

(e) “Division” means the Division of Employment Security of the Department of Labor and Industry established by chapter 446, P. L. 1948, and any transaction or exercise of authority by the director of the division thereunder, or under this chapter (R. S. 43:21-1 et seq.), shall be deemed to be performed by the division.

(g) "Employing unit" means any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or subsequent to January 1, 1936, had in its employ one or more individuals performing services for it within this State. All individuals performing services within this State for any employing unit which maintains two or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter (R. S. 43:21-1 et seq.). Whenever any employing unit contracts with or has under it any contractor or subcontractor for any employment which is part of its usual trade, occupation, profession, or business, unless the employing unit as well as each such contractor or subcontractor is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, the employing unit shall for all the purposes of this chapter be deemed to employ each individual in the employ of each such contractor or subcontractor for each day during which such individual is engaged in performing such employment; except that each such contractor or subcontractor who is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, shall alone be liable for the contributions measured by wages payable to individuals in his employ, and except that any employing unit who shall become liable for and pay contributions with respect to individuals in the employ of any such contractor or subcontractor who is not an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, may recover the same from such contractor or subcontractor. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this chapter (R. S. 43:21-1 et seq.), whether such individual was hired or paid directly by such employing unit or by such agent or employee; provided, the employing unit had actual or constructive knowledge of the work.

(h) "Employer" means:

(1) Any employing unit which for some portion of a day, but not necessarily simultaneously, in each of 20 different weeks, whether or not such weeks are or were consecutive, within either the current or the preceding calendar year has or had in employment 4 or more
individuals (irrespective of whether the same individuals are or were employed in each such day);

(2) Any employing unit "whether or not an employing unit at the time of acquisition) which acquired the organization, trade or business, or substantially all the assets thereof, of another which at the time of such acquisition was an employer subject to this chapter (R. S. 43:21-1 et seq.);

(3) Any employing unit which acquired the organization, trade or business, or substantially all the assets thereof, of another employing unit and which, if treated as a single unit with such other employing unit, would be an employer under paragraph (1) of this subsection;

(4) Any employing unit which together with one or more other employing units is owned or controlled (by legally enforceable means or otherwise), directly or indirectly by the same interests, or which owns or controls one or more other employing units (by legally enforceable means or otherwise), and which, if treated as a single unit with such other employing unit or interest, would be an employer under paragraph (1) of this subsection;

(5) Any employing unit which, having become an employer under paragraphs (1), (2), (3) or (4) has not, under section 43:21-8 of this chapter (R. S. 43:21-1 et seq.) ceased to be an employer subject to this chapter (R. S. 43:21-1 et seq.); or

(6) For the effective period of its election pursuant to subsection (c) of section 43:21-8 of this chapter (R. S. 43:21-1 et seq.) any other employing unit which has elected to become fully subject to this chapter (R. S. 43:21-1 et seq.); or

(7) Any employing unit subject to the provisions of the Federal Unemployment Tax Act within either the current or the preceding calendar year except for employment hereinafter excluded under paragraph (7) of subsection (i) of this section.

(i) (1) "Employment" means service, including service in interstate commerce performed for remuneration or under any contract of hire, written or oral, express or implied.

(2) The term "employment" shall include an individual's entire service performed within or both within and without this State if:

(A) The service is localized in this State; or

(B) The service is not localized in any State but some of the service is performed in this State, and (i) the base of operations, or, if there is no base of operations, then the place from which such service is directed or controlled, is in this State; or (ii) the base of operations or place from which such
service is directed or controlled is not in any State in which some part of the service is performed, but the individual's residence is in this State.

(3) Services performed within this State but not covered under paragraph (2) of this subsection shall be deemed to be employment subject to this chapter (R. S. 43:21-1 et seq.) if contributions are not required and paid with respect to such services under an unemployment compensation law of any other State or of the Federal Government.

(4) Services not covered under paragraph (2) of this subsection, and performed entirely without this State, with respect to no part of which contributions are required and paid under an unemployment compensation law of any other State or of the Federal Government, shall be deemed to be employment subject to this chapter (R. S. 43:21-1 et seq.) if the individual performing such services is a resident of this State and the employing unit for whom such services are performed files with the division an election that the entire service of such individual shall be deemed to be employment subject to this chapter (R. S. 43:21-1 et seq.).

(5) Service shall be deemed to be localized within a State if

(A) The service is performed entirely within such State; or
(B) The service is performed both within and without such State, but the service performed without such State is incidental to the individual’s service within the State, for example, is temporary or transitory in nature or consists of isolated transactions.

(6) Services performed by an individual for remuneration shall be deemed to be employment subject to this chapter (R. S. 43:21-1 et seq.) unless and until it is shown to the satisfaction of the division that

(A) Such individual has been and will continue to be free from control or direction over the performance of such service, both under his contract of service and in fact; and
(B) Such service is either outside the usual course of the business for which such service is performed, or that such service is performed outside of all the places of business of the enterprise for which such service is performed; and
(C) Such individual is customarily engaged in an independently established trade, occupation, profession or business.

(7) The term "employment" shall not include:

(A) Agricultural labor;

AN ACT to amend "An act providing for the establishment and operation by any life insurance company of variable contract accounts, the regulation thereof, and the investment of assets of such accounts," approved June 18, 1959 (P. L. 1959, c. 123) as said title was amended by chapter 200 of the laws of 1967.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P. L. 1959, chapter 123 (C. 17:35A-9) is amended to read as follows:

C. 17:35A-9 Investments and liabilities.

4. (a) The assets held in a variable contract account, or any part thereof, may be invested in

(i) Common stock or shares of any investment company specified in the contract or contracts participating in such variable contract account, and registered under the Investment Company Act of 1940, whether or not such stock or shares satisfy the dividend or earnings history requirements now or hereafter contained in the provisions of Title 17 of the Revised Statutes that regulate investments by domestic life insurance companies; provided that, at the time of the first purchase of such stock or shares of any such investment company, the life insurance company which maintains such account, or a subsidiary or affiliate of such insurance company, shall be the investment manager or investment adviser of such investment company and, as long as such life insurance company which maintains such account, or any subsidiary or affiliate of such life insurance company, shall continue as such investment manager or investment adviser, the investments acquired by such investment company shall be such as would be eligible for investment of variable contract account assets by domestic life insurance companies under the provisions of this section excluding this clause (i);

(ii) Other investments made eligible for investment by domestic life insurance companies by the provisions of Title 17 of the Revised Statutes that regulate investments by domestic life insurance companies, except for investments made eligible by the provision of chapter 24 of said Title which permits a domestic life insurance company to make loans or investments not otherwise expressly qualified or permitted up to 2% of total admitted assets, as such provision may be
amended from time to time, or any similar or superseding provision corresponding in substance thereto; and

(iii) Investments authorized, specifically or by classes or otherwise by the commissioner as appropriate to the nature and purpose of such variable contract account;
provided that (A) any common stock or shares, other than common stock or shares referred to in clause (i) of this subsection issued by an open-end investment company, shall be (1) common stock or shares which are listed or admitted to trading on a securities exchange in the United States of America or Canada, or (2) common stock or shares which are included on the National Association of Securities Dealers' national price listings of "over-the-counter" securities, or (3) other common stock or shares which the commissioner shall have determined are publicly held and traded and as to which market quotations shall be available; (B) the quantitative investment limitations now or hereafter contained in Title 17 of the Revised Statutes regulating investment by domestic life insurance companies shall not be applicable to variable contract account investments, subject to the qualification that the provision contained in said Title limiting the percentage of voting stock of any one corporation that may be purchased or acquired by a domestic life insurance company, as such provision may be amended from time to time, or any similar or superseding provision corresponding in substance thereto, shall apply (subject to the provisions of section 3 of chapter 24 of said Title as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto), with respect to the aggregate of the voting stock of any one corporation held in all accounts of such life insurance company except for all such stock that may be voted at the direction of a person or persons, other than such life insurance company or any subsidiary or affiliate of such life insurance company; and provided further that, subject to the next succeeding paragraph of this subsection, no domestic life insurance company shall purchase for any variable contract account any security (other than common stock or shares referred to in clause (i) of this subsection issued by an open-end investment company) of any corporation, if after such purchase more than 10% of the market value of the assets of such variable contract account would be invested in the securities of such corporation.

Notwithstanding the foregoing provisions of this section or any other provision of law, a domestic life insurance company may (i) invest the assets, or any part thereof, held in a variable contract ac-
count established and maintained solely for one or more group contracts in any investment or investments authorized by the contract or contracts participating in such account, subject only to clause (B) of the proviso in the next preceding paragraph of this subsection relating to the percentage of voting stock of any one corporation that may be purchased or acquired, and (ii) vote any stock or shares held in such an account in accordance with the instructions of such person or persons designated pursuant to such contract or contracts participating in such account. For the purpose of this paragraph, a group contract shall not include, (1) a contract which provides benefits to individuals based upon the investment results of the variable contract account in which such contract participates unless such contract implements a plan which covers at least 100 individuals at the time of execution of such contract and offers each individual covered by the plan one or more alternatives to having the contributions made by him, if any, under the plan credited to such account, if such crediting would affect his benefits under the plan; or, except with the consent of the commissioner, (2) a contract, the holder of which is an association of individuals or the representative thereof.

Except as otherwise provided in this subsection, the investments held in the variable contract accounts of any domestic life insurance company shall be disregarded in determining whether the other investments of such life insurance company comply with the provisions of Title 17 of the Revised Statutes that regulate investments by domestic life insurance companies as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto.

(b) Notwithstanding any other provision of law, in order to comply with the Investment Company Act of 1940, a domestic life insurance company may, with respect to any variable contract account or any portion thereof,

(i) Exercise any voting rights of any stock or shares in accordance with instructions from the persons having the beneficial interests in such account ratably according to their respective interests in such account, or

(ii) Establish a committee for such account, the members of which may be directors or officers or other employees of such insurance company, or persons having no such relationship to such insurance company, or any combination thereof, who may be elected to such membership by the vote of the persons having the beneficial interests in such account ratably according to their respective interests in such account. Such committee may
have the power, which may be exercisable alone or in conjunc-
tion with others, or which may be delegated to such insurance
company or any other person, as investment manager or in-
vestment adviser, to authorize purchases and sales of invest-
ments for such account, provided that as long as such life in-
surance company or any subsidiary or affiliate of such life in-
surance company shall be the investment manager or invest-
ment adviser of such account, the investments of such account
shall be eligible under the provisions of subsection (a) of this
section. If compliance with the Investment Company Act of
1940 shall involve only a portion of a variable contract account,
such insurance company may establish such a committee for
only such portion, and its members may be elected by the vote
of the persons having the beneficial interests in such portion.
Any such committee for only a portion of a variable contract
account may be given the further power to require the sub-
division of such account into two accounts so that the portion
of the account with respect to which such committee shall be
acting shall constitute a separate variable contract account. If
such committee shall so require, the insurance company shall
segregate from the account being so subdivided a portion of
each asset held with respect to the reserve liabilities of such
account. Such portion shall be in the same proportion to the
total of such asset as the reserve liability for the portion of the
account with respect to which such committee is acting bears
to the total reserve liability of such account; and notwithstand-
ing any other provision of law, the assets so segregated shall be
transferred to a separate variable contract account with respect
to which such committee shall act.

(c) The investments and liabilities of a variable contract account
shall at all times be clearly identifiable and distinguishable from
the other investments and liabilities of the corporation. No sale,
transfer or exchange of investments may be made between a vari-
able contract account and any other investment account of the
corporation, except with the prior consent of the commissioner, and
no investments of a variable contract account shall be pledged or
transferred as collateral for a loan.

(d) The term “Investment Company Act of 1940” as used in this
section shall mean an Act of Congress approved August 22, 1940
entitled “Investment Company Act of 1940” as amended from time
to time, or any similar statute enacted in substitution therefor.

2. This act shall take effect immediately.

Approved December 3, 1970.

Each officer shall be elected for a term of not more than 1 year, but shall continue in office until the election and qualification of his successor. Any two offices, except the offices of president and vice-president, may be held by one person. No officer shall act as attorney or conveyancer of his State association. (2) Reasonable expenses, including fines and penalties, incurred in connection with a criminal or civil action, suit or proceeding in which such person has been adjudicated guilty, negligent or liable, if it shall be determined by the board of directors and by the commissioner that such person was acting in good faith and in what he believed to be the best interests of the association and without knowledge that the action was illegal, and if such indemnification or reimbursement is approved at an annual or special meeting of the members by a majority of the votes eligible to be cast. Amounts paid to the association, whether pursuant to judgment or settlement, by any person within the meaning of this section shall not be indemnified or reimbursed in any case.

(c) For each taxable year beginning in 1967 and ending in 1968, two tentative taxes shall be computed, the first as provided in subsection (a) and the second as provided in subsection (b), and the tax for such year shall be the sum of that proportion of each tentative tax which the number of days in 1967 and the number of days in 1968, respectively, bears to the number of days in the entire taxable year.

(d) The tax imposed by section 9 of this amendatory and supplementary act on minimum taxable income, as defined in section 10 of this amendatory and supplementary act shall be at the rate of 3%.

3. Section 9 of chapter 32 of the laws of 1961 (C. 54:8A-9) is amended to read as follows:

C. 54:8A-9 Standard deduction.

9. Any taxpayer may elect to deduct 10% of his gross income, or $1,000.00, whichever is less, in lieu of all deductions otherwise permitted under this act. The deduction provided for by this section shall become known as the "standard deduction."

For taxable years beginning in 1971, the standard deduction shall be 13% of gross income or $1,500.00, whichever is less; for taxable years beginning in 1972, the standard deduction shall be
14% or $2,000.00 whichever is less; and for taxable years beginning in 1973 and thereafter the standard deduction shall be 15% or $2,000.00, whichever is less.

A husband and wife shall not be entitled to a standard deduction in an amount greater than one computed on their aggregate gross income, whether they file separate or joint returns. If they file separate returns, neither may elect the standard deduction unless the other also so elects. If both so elect, either may take such deduction, or they may divide it; except that for taxable years beginning in 1971 the standard deductions shall be 13% of gross income or $1,500.00, whichever is less; for taxable years beginning in 1972 the standard deduction shall be 14% or $2,000.00, whichever is less; and for taxable years beginning in 1973 and thereafter the standard deduction shall be 15% or $2,000.00, whichever is less.

Such election may be changed for a taxable year after the filing of the return, subject to regulations issued under this act. If a taxpayer wishing to make such change has a spouse who filed a separate return, the change shall not be allowed unless (1) such spouse also makes a change consistent with the change desired by the taxpayer and (2) both consent in writing to the assessment of any additional tax resulting from such change without regard to time limits otherwise preventing such assessment.

4. Section 10 of chapter 32 of the laws of 1961 (C. 54:8A-10) is amended to read as follows:

C. 54:8A-10 Exemptions from net income.

10. Each taxpayer is allowed the following exemptions with respect to net income:

For each taxpayer, $600.00; for the taxpayer's spouse, if taxpayer does not file a joint return and if such spouse has no gross income for the eligibility year and is not a dependent of another taxpayer, an additional $600.00; for each taxpayer who is at least 65 years of age or over at the close of his taxable year, an additional $600.00, and for taxpayer's spouse under the same conditions and if the initial $600.00 exemption is allowable, an additional $600.00; for each taxpayer who is blind at the close of his taxable year, an additional $600.00, and for taxpayer's spouse under the same conditions and if the initial $600.00 exemption is allowable, an additional $600.00. Blindness shall be deemed to exist when central visual acuity in the better eye does not exceed 20/200 with correcting
lenses, or when the widest diameter of the visual field subtends an angle of not more than 20 degrees;

For each dependent whose gross income for the eligibility year is less than $600.00, or who is taxpayer’s child or stepchild and has not attained age 19 at the close of the eligibility year or is a student: $600.00.

For taxable years beginning after December 31, 1969 and before January 1, 1971, such exemptions shall be $625.00.

For taxable years beginning on and after January 1, 1971, such exemptions shall be $650.00.

5. Section 15 of chapter 32 of the laws of 1961 (C. 54:8A-15) is amended to read as follows:

C. 54:8A-15 Maximum credits against tax.

15. The following maximum credits are allowed against the tax imposed by this act for any year:

(a) $12.50 for a single taxpayer;
(b) $25.00, for a head of a household or for a surviving spouse;
(c) $25.00, for husband and wife, but if they file separate returns, the credit allowable to each is $12.50;
(d) The credits allowed by this section shall be subtracted from the tax as computed without regard to such credit, and the amount of the credit shall in no case exceed the amount of the tax from which it is subtracted.

6. Section 36 of chapter 32 of the laws of 1961 (C. 54:8A-36) is amended to read as follows:

C. 54:8A-36 Computation of gross income from federal adjusted gross income figure.

36. (a) The Legislature hereby finds and determines that to permit taxpayers under this act to compute their gross income for tax purposes from the Federal adjusted gross income figure used in their tax returns to the Federal Government will reduce the cost and simplify the administration of this act, and will simplify the preparation of State income tax returns by taxpayers. The Legislature further finds and determines that such method of computing gross income will not materially reduce and may increase the amount of revenue derived with respect to this act; and, therefore, directs that each taxpayer be permitted, as an alternative to the method prescribed by section 32 of this act, to compute his gross income as provided in subsection (b) of this section.

(b) A taxpayer computing his gross income under the provisions of this subsection shall:
(1) Determine the net amount of income, gain, loss and deduction entering into his Federal adjusted gross income for the taxable year which is derived from sources within his source state, including:
   (A) His distributive share of partnership income, gain, loss and deduction derived from sources within his source state, and
   (B) His share of estate and trust income, gain, loss and deduction derived from sources within his source State.

(2) Add to such amount the following types of income and gain derived from the sources of income and gain listed below:
   (A) Interest income from the obligations of any state or political subdivision thereof except where, by the laws of such state, its own taxpayers are exempted from taxation with respect to such interest income, subject to the provisions of section 33;
   (B) Interest or dividend income from the obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from Federal income taxation, but not from State income taxation, subject to the provisions of section 33;
   (C) Amounts deductible with respect to income taxes imposed by this State or any other taxing jurisdiction in determining Federal adjusted gross income unless such amounts are credited against Federal income tax; and
   (D) Amounts deductible with respect to interest on indebtedness which is incurred or continued in order to purchase or retain securities or obligations the income from which is exempt from tax under this act, subject to the provisions of section 33;

(3) Subtract from such net amount the following types of income and gain derived from the sources of income and gain listed below:
   (A) Interest income from obligations of the United States and its possessions to the extent that such interest is includible in gross income for Federal income tax purposes;
   (B) Interest or dividend income from the obligations or securities of any authority, commission or instrumentality of the United States, to the extent that such amounts of income are includible in gross income for Federal income tax purposes, and exempt from State income taxation under the laws of the United States;
   (C) Interest or dividend income from obligations or securities to the extent that such income is exempted from taxation by the laws of this State authorizing the issuance of the under-
lying obligations and securities and includible in gross income for Federal income tax purposes;

(D) The amount of any refund or credit for overpayment of income taxes imposed by this State or any other taxing jurisdiction, to the extent that such refund is includible in gross income for Federal income tax purposes.

(4) There may be provided by regulation such modifications as shall be necessary to insure that only that portion of the taxpayer’s Federal adjusted gross income which is derived from sources within his source State shall be included in his gross income for purposes of this act.

(c) A taxpayer who computes his gross income in accordance with the provisions of this section shall not be entitled to the deductions set forth by section 35 (a) but, in lieu of the standard deduction, shall be permitted the deductions in sections 35 (b) and 37 of this act.

(d) The amount of the gross income of a taxpayer computed in accordance with the provisions of this section shall be conclusively presumed by the Division of Taxation to be the same as such taxpayer’s Federal adjusted gross income which is derived from sources within his source State shall be included in his gross income for purposes of this section.

7. Section 37 of chapter 32 of the laws of 1961 (C. 54:8A-37) is amended to read as follows:

C. 54:8A-37 Additional deductions.

37. (a) In addition to the deductions authorized in section 35 (b), any taxpayer shall be allowed the deductions itemized in this
section to the same extent that such deductions are allowed to New
Jersey residents who are subject to the income tax laws of a critical
area state other than New Jersey. To the extent that any deduc-
tion itemized in this section has been taken by a taxpayer to com-
pute his Federal adjusted gross income, such deductions shall not
be allowed to a taxpayer computing his gross income in accordance
with the provisions of section 36 of this act.

(b) Subject to the limitations expressed in subsection (a) hereof
and any other limitations set forth in this act, the following deduc-
tions shall be allowed:

(1) Deduction of interest paid or accrued within the taxable year
on indebtedness, except interest on indebtedness incurred or con-
tinued to purchase or carry obligations or securities the income
from which is exempt from tax under this act.

(2) Deduction of taxes paid or accrued within the taxable year
except—

(A) Income taxes imposed by this State or any other taxing

(E) License fees payable for operation or ownership of
motor vehicles; State and local license fees; taxes on cigarettes,
other tobacco products and alcoholic beverages.

(3) Deduction of losses sustained during the taxable year, not
compensated by insurance or otherwise, except—

(A) Losses, not incurred in a trade or business or in any
transaction entered into for profit, shall be allowed only if
they arise from fire, storm, shipwreck or other casualty or from
theft, and only to the extent that the amount of loss to an
individual arising from each casualty, or from each theft,
exceeds $100.00;

(B) Losses from gambling activities shall be allowed only
to the extent of the gains from such activities;

(4) Deduction of any charitable contribution payment of which
is made within the taxable year to the extent that the aggregate
of such contributions does not exceed 20% of the taxpayer's gross
income.

In addition, there shall be allowed a deduction of any charitable
contribution not in excess of 10% of the taxpayer's gross income
which is made by the taxpayer within the taxable year to a religious
organization, an educational organization which normally maintains a regular faculty and has a regularly enrolled body of students in attendance, an organization, the principal purposes or functions of which are the providing of medical or hospital care or medical education or medical or agricultural research, a governmental unit or an organization referred to in subparagraph (B) below which normally receives a substantial part of its support from a governmental unit described in subparagraph (A) below or from direct or indirect contributions from the general public.

In the case of an individual, if the amount of charitable contributions described above, payment of which is made within a taxable year beginning after December 31, 1963, exceeds 30% of the taxpayer's adjusted gross income for such year (computed without regard to any net operating loss carryback to such year), such excess shall be treated as a charitable contribution paid in each of the 5 succeeding taxable years in order of time.

For the purposes of this section, the term "charitable contribution" means a contribution or gift to or for the use of

(A) A state, territory, a possession of the United States, or any political subdivision of any of the foregoing, or the United States or the District of Columbia, but only if the contribution or gift is made for exclusively public purposes.

(B) A corporation, trust, community chest, fund or foundation—

(ii) No part of the net earnings of which inures to the benefit of any private shareholder or individual.

(D) A domestic fraternal society, order, or association, operating under the lodge system, but only if such contribution or gift is to be used exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals.

(E) A cemetery company owned and operated exclusively for the benefit of its members or any corporation chartered solely for burial purposes as a cemetery corporation and not permitted by its charter to engage in any business not necessarily incident to that purpose, if such company or corporation is not operated for profit and no part of the net earnings of such company or corporation inures to the benefit of any private shareholder or individual.

(5) (A) Deduction of expenses paid during the taxable year, not compensated for by insurance or otherwise, for medical care of the taxpayer, his spouse or a dependent as follows:

(a) The amount of such expenses for the care of the taxpayer and his spouse,

(b) The amount of such expenses for the care of any dependent described in paragraph (i) (a), and

(c) The amount by which such expenses for the care of such dependents (other than any dependent described in paragraph (i) (a)) exceeds 3% of the gross income.

(B) Amounts paid during the taxable year for medicine and drugs which (but for this paragraph) would be taken into account in computing the deduction under subsection (A) shall be taken into account only to the extent that the aggregate of such amounts
exceeds 1% of gross income, except that the gross income limitation herein shall not apply to amounts paid for the care of the taxpayer and his spouse, if either of them has attained the age of 65 before the close of the taxable year, or for the care of the mother or father of the taxpayer or of his spouse, and has attained the age of 65 before the close of the taxable year.

(C) Except as provided in subsection (E), the deduction under this section shall not exceed $5,000.00, multiplied by the number of $600.00 exemptions allowed for the taxable year as a deduction under section 10 of this act (other than exemptions relating to additional exemptions for age or blindness); except that the maximum deduction under this section shall be—

(i) $10,000.00, if the taxpayer is single and not the head of a household and not a surviving spouse or is married but files a separate return; or

(ii) $20,000.00, if the taxpayer files a joint return with his spouse or is the head of a household or a surviving spouse.

(D) For purposes of subsection (A), expenses for the medical care of the taxpayer which are paid out of his estate during the 1-year period beginning with the day after the date of his death shall be treated as paid by the taxpayer at the time incurred.

(E) (i) Subject to the provisions of paragraph (ii) hereunder the deduction under this subsection shall not exceed—

(a) $20,000.00, if the taxpayer has attained the age of 65 before the close of the taxable year and is disabled, or if his spouse has attained the age of 65 before the close of the taxable year and is disabled and if his spouse does not make a separate return for the taxable year, or

(b) $40,000.00, if both the taxpayer and his spouse have attained the age of 65 before the close of the taxable year and are disabled and if the taxpayer files a joint return with his spouse.

(ii) For purposes of paragraph (i) hereunder

(a) Amounts paid by the taxpayer during the taxable year for medical care, other than amounts paid for—

(1) His medical care, if he has attained the age of 65 before the close of the taxable year and is disabled, or

(2) The medical care of his spouse, if his spouse has attained the age of 65 before the close of the taxable year and is disabled, shall be taken into account only to the extent that such amounts do not exceed the maximum limitation provided in subsection (C) herein which would (but for the provisions of this subsection) apply to the taxpayer for the taxable year;
(b) If the taxpayer has attained the age of 65 before the close of the taxable year and is disabled, amounts paid by him during the taxable year for his medical care shall be taken into account only to the extent that such amounts do not exceed $20,000.00; and

c) If the spouse of the taxpayer has attained the age of 65 before the close of the taxable year and is disabled, amounts paid by the taxpayer during the taxable year for the medical care of his spouse shall be taken into account only to the extent that such amounts do not exceed $20,000.00.

(iv) For purposes of paragraph (i) hereunder, the determination as to whether the taxpayer or his spouse is disabled shall be made as of the close of the taxable year of the taxpayer, except that if his spouse dies during such taxable year such determination shall be made with respect to his spouse as of the time of such death.

(6) Deduction shall be allowed for expenses paid during the taxable year by a taxpayer who is a woman or a widower or is a husband whose wife is incapacitated or is institutionalized, for the care of the taxpayer's child or stepchild under the age of 13 years or is physically or mentally incapable of caring for himself, but only if such care is for the purpose of enabling the taxpayer to be gainfully employed but such deduction shall not exceed $600.00 for any taxable year. The $600.00 limit herein shall be increased (to an amount not above $900.00) by the amount of expenses incurred by the taxpayer for any period during which the taxpayer had two or more dependents.

In the case of a married woman, and in the case of a husband whose wife is incapacitated, this deduction shall be allowed only if a joint return is filed, and shall be reduced by the amount (if any) by which the adjusted gross income of the taxpayer and his spouse exceeds $6,000.00.

(B) Moving expenses means only the reasonable expenses
  (i) Of moving household goods and personal effects from the former residence to the new residence and
  (ii) Of traveling (including meals and lodging) from the former residence to the new place of residence.

In the case of any individual other than the taxpayer, expenses referred to herein shall be taken into account only if such individual has both the former residence and the new residence as his principal place of abode and is a member of the taxpayer's household.

(C) No deductions shall be allowed under this section for any item to the extent that the taxpayer received reimbursement or other expense allowance for such item which is not included in his gross income.

(9) In addition to any deduction taken under section 35 (a) of this act or in the computation of Federal adjusted gross income in the case of a taxpayer who has computed his gross income in accordance with the provisions of section 36 of this act, there shall be allowed a deduction for all the ordinary and necessary expenses paid or incurred by a taxpayer, including traveling expenses while away from home, as an employer or an employee during the taxable year in carrying on or working at any trade or business.

The manner for determining a taxpayer's entire gross income shall be provided by regulation. Such regulations may authorize the use of Federal adjusted gross income for this purpose.

8. Section 44 of chapter 32 of the laws of 1961 (C. 54:8A-44) is amended to read as follows:

C. 54:8A-44 Persons required to file.

44. (a) On or before the filing date prescribed in section 18 (C. 54:8A-18) of this act, an income tax return shall be made and filed by or for every individual having a gross income derived from sources within his source state in excess of the sum of his personal exemptions allowed in section 10 (C. 54:8A-10) of this act, or having any items of tax preference derived from or connected with New Jersey sources in excess of the specific deduction provided in section 10 (c) of this amendatory and supplementary act.

(b) (1) If the Federal income tax liability of husband or wife is determined on a separate Federal return, their New Jersey income tax liabilities and returns shall be separate.

(2) If the Federal income tax liabilities of husband and wife (other than a husband and wife described in paragraph (3)) are determined on a joint Federal return, or if neither files a Federal return:

(A) They shall file a joint New Jersey income tax return, and their tax liabilities shall be joint and several, or

(B) They may elect to file separate New Jersey income tax returns on a single form if they comply with the requirements of the Division of Taxation in setting forth information, and in such event their tax liabilities shall be separate.

(3) If either husband or wife is a resident and the other is a nonresident, they shall file separate New Jersey income tax re-
returns on such single or separate forms as may be required by the
Division of Taxation, and in such event their tax liabilities shall
be separate.

e) The return for any deceased individual shall be made and
filed by his fiduciary or other person charged with his property.

d) The return for an individual who is unable to make a re-
turn by reason of minority or other disability shall be made and
filed by his fiduciary or other person charged with the care of his
person or property (other than a receiver in possession of only
a part of his property), or by his duly authorized agent.

e) Any tax under this act, and any increase, interest or penalty
thereon, shall, from the time it is due and payable, be a personal
debt of the person liable to pay the same, to the State of New
Jersey.

f) If the amount of net income or Federal items of tax preference
for any year of any taxpayer as returned to the United States
Treasury Department or to an appropriate State officer is changed
or corrected by the taxpayer or the Commissioner of Internal
Revenue or other officer of the United States or other competent
authority, or where a renegotiation of a contract or subcontract
with the United States results in a change in net income, or Federal
items of tax preference such taxpayer shall report such change or
corrected net income, or Federal items of tax preference or the
results of such renegotiation, within 90 days after the final determi-
nation of such change or correction or renegotiation, or as required
by regulation, and shall concede the accuracy of such determination
or state wherein it is erroneous. Any taxpayer filing an amended
return with such department or officer shall also file within 90 days
thereafter an amended return in this State which shall contain such
information as the regulations shall require.

C. 54:8A-6.1 Minimum income tax.
9. In addition to the tax imposed under section 2 (C. 54:8A-2),
a minimum income tax determined in accordance with the rate
set forth in subsection (d) of section 6 (C. 54:8A-6) is hereby
imposed for each taxable year on the minimum taxable income
of every individual.

C. 54:8A-6.2 Minimum taxable income.
10. (a) The minimum taxable income shall be the sum of the
items of tax preference, as described in subsection (b) of this
section, reduced (but not below zero) by the aggregate of the
following:
(1) The applicable specific deduction described in subsection (c) of this section;

(2) The tax determined under subsection (b) of section 6 (C. 54:8A–6) for the taxable year, reduced by the sum of the credits allowable under section 15 (C. 54:8A–15); and

(3) To the extent that the sum of the items of tax preference exceeds the applicable specific deduction described in subsection (c) of this section plus the tax described in paragraph 2 above, the amount of any net operating loss of the taxpayer, determined as provided in subsection (b)(5) of section 35 (C. 54:8A–35), which remains as a net operating loss carryover to a succeeding taxable year. In such case, however, the amount of such net operating loss carryover used to reduce the sum of the items of tax preference shall be treated as an item of tax preference in the next succeeding taxable years, in order of time, to the extent that such net operating loss carryover reduces taxable income.

(b) For purposes of this act, the term “items of tax preference” shall mean the Federal items of tax preference, as defined in the laws of the United States, derived from or connected with New Jersey sources, for the taxable year, with the modifications as may be prescribed by regulations of the Division of Taxation which relate to income derived from or connected with New Jersey sources.

(c) Specific deduction. An amount which bears the same ratio to $20,000.00, or $10,000.00 in the case of a married individual filing a separate return, as his items of tax preference computed under subsection (b) of this section bear to his total Federal items of tax preference.

(d) Disallowance of credits. The credits against tax otherwise allowable under section 15 (C. 54:8A–15) shall not be allowed as a credit against the tax imposed by section 9 of this amendatory and supplementary act.

C. 54:8A-37.1 Deductions for allocable expenses.

11. (a) The deductions for allocable expenses attributable to items of tax preference is the total of the deductions for allocable expenses, as defined in subsection (b) of this section, minus the total of deductions allowable under sections 35 (C. 54:8A–35) and 37 (C. 54:8A–37) multiplied by a fraction, the numerator of which is the taxpayer’s gross income for the taxable year and the denominator of which is the taxpayer’s gross income for the taxable year plus the sum of the items of tax preference of the taxpayer
for the taxable year, as defined in section 10(b) of this amendatory and supplementary act.

(b) The allocable expenses for purposes of this section for the taxable year shall include that portion of deductions allowable under sections 35 and 37 consisting of the following:

1. Interest deductible solely by reason of section 163 of the internal revenue code of 1954 as modified by the applicable subtractions and additions provided for in sections 36 (C. 54:8A-36) and 37 (C. 54:8A-37) of this act;

2. Taxes deductible solely by reason of section 164 of the internal revenue code of 1954;

3. Charitable contributions deductible under section 170 of the internal revenue code of 1954;

4. Amounts deductible by cooperative housing tenant-stockholders solely by reason of section 216 of the internal revenue code of 1954.

(c) However, this section shall apply only if the sum of the items of tax preference of the taxpayer for the taxable year, as defined in section 10(b) of this amendatory and supplementary act exceeds the specific deduction described in section 10(c) of this amendatory and supplementary act.

12. This act shall take effect immediately and shall apply to all taxable years, including taxable years of less than 12 months beginning on or after January 1, 1970.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Whenever the board of education of a regional district shall, following the taking of a Federal decennial census and the issuance of preliminary populations of the constituent districts pursuant to said census but prior to the issuance of the final popula-
tions of said districts and the official promulgation of said census in this State, determine that (a) said final populations and official promulgation shall not be available in time for the next succeeding election of members of said board, (b) said preliminary figures indicate that significant changes in the number of members to be allocated to the constituent districts will result, and (c) the allocation of members among the constituent districts on the basis of the present official census effective in this State will result in inequitable representation, it may, by resolution unanimously adopted and approved by the Commissioner of Education, provide that, notwithstanding the provisions of any other law to the contrary, the members to be next elected pursuant to article 7 of chapter 13 of Title 18A of the New Jersey Statutes shall be elected at a special election to be held on a day no later than 60 days after the official promulgation of said census in this State as specified in said resolution.

2. In the event that such a resolution is adopted and approved, the terms of the present members of the regional board whose terms would terminate in the year of said election shall be continued until the first Monday after said special election at which time the board shall organize pursuant to section 18A:13-12 of the New Jersey Statutes and the terms of the members elected in said election shall commence. CHAPTER 306

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 48:3-7 is amended to read as follows:

Sales, leases, mortgages or consolidations; approval of board required; exceptions.

48:3-7. No public utility shall, without the approval of the board, sell, lease, mortgage or otherwise dispose of or encumber its prop-
property, franchises, privileges or rights, or any part thereof; or merge or consolidate its property, franchises, privileges or rights, or any part thereof, with that of any other public utility.

Where, by the proposed sale, lease or other disposition of all or a substantial portion of its property, any franchise or franchises, privileges or rights, or any part thereof or merger or consolidation thereof as set forth herein, it appears that the public utility or a wholly owned subsidiary thereof may be unable to fulfill its obligation to any employees thereof with respect to pension benefits previously enjoyed, whether vested or contingent, the board shall not grant its approval unless the public utility seeking the board's approval for such sale, lease or other disposition assumes such responsibility as will be sufficient to provide that all such obligations to employees will be satisfied as they become due.

Every sale, mortgage, lease, disposition, encumbrance, merger or consolidation made in violation of this section shall be void.

Nothing herein shall prevent the sale, lease or other disposition by any public utility of any of its property in the ordinary course of business, nor require the approval of the board to any grant, conveyance or release of any property or interest therein heretofore made or hereafter to be made by any public utility to the United States, State or any county or municipality or any agency, authority or subdivision thereof, for public use.

The approval of the board shall not be required to validate the title of the United States, State or any county or municipality or any agency, authority or subdivision thereof, to any lands or interest therein heretofore condemned or hereafter to be condemned by the United States, State or any county or municipality or any agency, authority or subdivision thereof for public use.

2. R.S. 48:3–10 is amended to read as follows:

Sale or transfer of stock prohibited unless authorized by board.

48:3–10. No public utility incorporated under the laws of this State shall sell, nor shall any such public utility make or permit to be made upon its books any transfer of any share or shares of its capital stock, to any other public utility, unless authorized to do so by the board. Nor shall any public utility incorporated under the laws of this State sell any share or shares of its capital stock or make or permit any transfer thereof to be made upon its books, to any corporation, domestic or foreign, or any person, the result of which sale or transfer in itself or in connection with other previous sales or transfers shall be to vest in such corporation or person
a majority in interest of the outstanding capital stock of such public utility corporation unless authorized to do so by the board.

Every assignment, transfer, contract or agreement for assignment or transfer, by or through any person or corporation to any corporation or person in violation of any of the provisions hereof shall be void and of no effect, and no such transfer shall be made on the books of any public utility corporation. Nothing herein contained shall be construed to prevent the holding of stock lawfully acquired before March 5, 1935.

Where, by the proposed assignment, transfer, contract, or agreement for assignment or transfer of capital stock as set forth herein, it appears that the public utility or a wholly owned subsidiary thereof may be unable to fulfill its obligation to any employees thereof with respect to pension benefits previously enjoyed, whether vested or contingent, the board shall not grant its authorization unless the public utility seeking the board's authorization assumes such responsibility as will be sufficient to provide that all such obligations to employees will be satisfied as they become due.

3. This act shall take effect immediately.

Approved December 14, 1970.

CHAPTER 324

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 43:21-7 is amended to read as follows:

Contributions.

43:21-7. (a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R. S. 43:21-1 et seq.), with respect to having individuals in his employ during such calendar year at the rates and on the basis hereinafter set forth. Such contributions shall become due and be
paid by each employer to the Division of Employment Security for
the fund in accordance with such regulations as may be prescribed,
and shall not be deducted, in whole or in part, from the remunera-
tion of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a
cent shall be disregarded unless it amounts to \( \frac{1}{2} \) cent or more, in
which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the follow-
ing contributions:

(1) For the calendar year 1947, and each calendar year there-
after, \( 2\% \) of wages paid by him during each such calendar year,
except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one
employer as the term is used in this subsection (b) and in subsec-
tions (c), (d) and (e) of this section 7, shall include the first
$3,000.00 paid during each calendar year prior to January 1, 1968
and the first $3,600.00 paid during each calendar year commencing
on or after January 1, 1968, for services performed either within
or without this State; provided, that no contribution shall be re-
quired by this State with respect to services performed in another
State if such other State imposes contribution liability with respect
thereto. If an employer (hereinafter referred to as a successor em-
ployer) during any calendar year acquires substantially all the
property used in a trade or business of another employer (here-
inafter referred to as a predecessor), or used in a separate unit
of a trade or business of a predecessor, and immediately after the
acquisition employs in his trade or business an individual who
immediately prior to the acquisition was employed in the trade or
business of such predecessor, then, for the purpose of determining
whether the successor employer has paid wages with respect to
employment equal to $3,000.00 to such individual during any
calendar year prior to January 1, 1968, or equal to $3,600.00 during
any calendar year commencing on or after January 1, 1968, any
wages paid to such individual by such predecessor during such
calendar year and prior to such acquisition shall be considered
as having been paid by such successor employer.

(c) Future rates based on benefit experience:

(1) A separate account for each employer shall be maintained
and this shall be credited with all the contributions which he has
paid on his own behalf on or before January 31 of any calendar
year with respect to employment occurring in preceding calendar
years; provided, however, that if January 31 of any calendar year
falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S. 43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made the division shall promptly send either a copy of the benefit check or other form of notification to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base-year base week wages paid to the claimant by that employer, then such employer may apply to the division to have canceled from his account such excess benefit charges as specified above. Any such application for the cancellation of excess charges shall be submitted by the employer within 6 months from the date of the benefit check, payment of which creates such charges. In no event will the erasure of such charges affect a contribution rate already assigned to the employer with respect to any fiscal year commencing prior to the date the application is received by the division.

The division shall furnish to each employer an annual summary statement of benefits charged to his account.

(2) The Division of Employment Security may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.
(3) Each employer’s rate shall be 2½₀₀%, except as otherwise provided in the following provisions: No employer’s rate shall be other than 2½₀₀% unless and until there shall have been 3 calendar years throughout which any individual in his employ could have received benefits if eligible. No employer’s rate shall be lower than 2½₀₀% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303 (a) (1) of the Internal Revenue Code (U. S. Code Title 26, section 3303 (a) (1)), any other provision of this section to the contrary notwithstanding.

(4) (A) Each employer’s rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceed the total benefits charged to his account for all such years, his contribution rate shall be:

1. 2½₀₀%, if such excess equals or exceeds 4%, but less than 5% of his average annual payroll (as defined in paragraph (2), subsection (a) of section 43:21-19 of this Title);
2. 2½₀₀%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
3. 1½₀₀%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
4. 1½₀₀%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
5. 1½₀₀%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
6. 1½₀₀%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
7. ½₀₀ of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
8. ½₀₀ of 1%, if such excess equals or exceeds 11%, of his average annual payroll.

(B) If the total of an employer’s contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

1. 3½₀₀%, if such excess is less than 10% of his average annual payroll;
2. 4%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 \%\%\%, if such excess equals or exceeds 20\% of his average annual payroll.

provided, however, if the total of the contributions of such an employer for the past 120 consecutive calendar months is more than the total benefits charged against his account during the same period, his rate shall be 2\%\%\%.

(C) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (e).

(5) (A) If on March 31 of any calendar year the balance in the Unemployment Trust Fund equals or exceeds 4\% but is less than 7\% of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by \%\%\% of 1\% over the contribution rate otherwise established under the provisions of paragraphs (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the Unemployment Trust Fund is less than 4\% of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by \%\%\% of 1\% over the contribution rate otherwise established under the provisions of paragraphs (3) or (4) of this subsection; provided, that if on such March 31, such balance is less than 2\%\%\% of such total taxable wages, the contribution rate so effective, of any employer, shall be not less than 2\%\%\%\%; provided further, that the contribution rate of any employer increased pursuant to the provisions of this subparagraph, when so increased, shall not exceed 4 \%\%\%.

(B) If on March 31 of any calendar year the balance in the Unemployment Trust Fund equals or exceeds 10\% but is less than 12\%\%\% of the total taxable wages reported to the Division of Employment Security as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by \%\%\% of 1\% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided, that in no event shall the contribution rate of any employer be reduced
to less than \( \frac{1}{10} \) of 1%. If on March 31 of any calendar year the balance in the Unemployment Trust Fund equals or exceeds 12\( \frac{1}{2} \)% of the total taxable wages reported to the division as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by \( \frac{1}{10} \) of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of \( \frac{3}{10} \)% or more of his average annual payroll, otherwise by \( \frac{1}{10} \) of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided, that in no event shall the contribution rate of any employer be reduced to less than \( \frac{1}{10} \) of 1%.

(C) The “balance” in the unemployment trust fund as the term is used in subparagraphs (A) and (B) above shall not include moneys credited to the State’s account under section 903 of the Social Security Act, as amended (Title 42, U.S. Code, section 1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the Unemployment Compensation Law.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the director for not to exceed an additional 60 days; provided, that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall pay, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under
this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the Division of Employment Security shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulations adopted by the division, if the division finds that the employment experience of the predecessor employer with respect to the organization, trade, assets or business, which has been transferred, may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforcible means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforcible means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within 4 months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice with the division protesting the transfer of the employment experience of the predecessor employer.

(B) An employer, who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets, or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefits charges, et cetera, applicable to such predecessor employer. The Division of Employment Security may allow such transfer of employment experience pursuant to regulations adopted by the division, only if it finds that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in
interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R. S. 43:21-1 et seq.).

(d) (1) Contribution of workers; transfers to temporary disability benefit fund.

Each worker shall contribute to the fund ¾ of 1% of his wages paid by an employer with respect to his employment which occurs on and after January 1, 1953, and prior to January 1, 1971, and 1% of his wages with respect to his employment which occurs on and after January 1, 1971, and after such employer has satisfied the conditions set forth in subsection (h) of section 43:21-19 of this Title with respect to becoming an employer; provided, however, that such contribution shall be at the rate of ¼ of 1% of wages paid with respect to employment while the worker is covered by an approved private plan under the Temporary Disability Benefits Law or while the worker is exempt from the provisions of the Temporary Disability Benefits Law under section 7 of that law (C. 43:21-31). Each employer shall, notwithstanding any provisions of law in this State to the contrary, withhold in trust the amount of his workers’ contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the Division of Employment Security in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of section 43:21-14 of this Title, such contributions shall be treated as employer’s contributions required from him. As used in this chapter (R. S. 43:21-1 et seq.),
except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(2) (A) There shall be deposited in and credited to the State Disability Benefits Fund, as established by law, \( \frac{3}{4} \) of all worker contributions, received by the Division of Employment Security with respect to wages paid prior to January 1, 1953, and upon which the rate of contributions is 1%.

(B) There shall be deposited in and credited to the State Disability Benefits Fund, as established by law, \( \frac{3}{4} \) of all worker contributions, received by the Division of Employment Security with respect to wages paid on and after January 1, 1953, and prior to January 1, 1971, and upon which the rate of contributions is \( \frac{3}{4} \) of 1%.

(C) There shall be deposited in and credited to the State Disability Benefits Fund, as established by law, \( \frac{3}{4} \) of all worker contributions, received by the Division of Employment Security with respect to wages paid on or after January 1, 1971, and upon which the rate of contributions is 1%.

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State Disability Benefits Fund (in accordance with subparagraph (B) of paragraph (2) of this subsection) plus the amount of his contributions, if any, required towards the cost of benefits under one or more approved private plans under the provisions of section 9 of the Temporary Disability Benefits Law (C. 43:21-33) and deducted from his wages, or the sum of such latter contributions if the employee covered during such calendar year, only by two or more private plans, exceeds $18.00 in any calendar year prior to January 1, 1971, or $27.00 in any calendar year commencing on or after January 1, 1971, the employee shall be entitled to a refund of the excess if he makes claim to the Division of Employment Security within 2 years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the Division of Employment Security from the State Disability Benefits Fund. No interest shall be allowed or paid with respect to any such refund. The division shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability
Benefits Law,'" such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund as provided in subparagraph (B) of paragraph (2) of this subsection. The division shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bears to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R. S. 43:21-14, with respect to collection of employer contributions shall apply to such assessments. The amounts so recovered by the division shall be paid into the State Disability Benefits Fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R. S. 43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided, proceedings therefore are instituted within 3 months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R. S. 43:21-1 et seq.), or to cease to be an employer subject to this chapter (R. S. 43:21-1 et seq.), pursuant to the provisions of section 43:21-8 of this Title, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the Division of Employment Security as herein provided, shall be exempt from garnish-
ment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State Disability Benefits Fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute $\frac{1}{2}$ of 1% of the wages paid by such employer to workers with respect to employment. Such contributions shall become due and be paid by each employer to the Division of Employment Security for the State Disability Benefits Fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $\frac{1}{2}$ cent or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the Temporary Disability Benefits Law, the employer shall be exempt from the contribution required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State Disability Benefits Fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31, of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in ac-
CHAPTER 324, LAWS OF 1970

cordance with Article III of the Temporary Disability Benefits Law on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed if out of employment.

(C) The division may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer’s account.

(D) Prior to July 1 of each calendar year, the Division of Employment Security shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be ½ of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State Disability Benefits Fund with respect to employment in the 3 calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:
   
   (i) ½% of 1% if such excess over $500.00 exceeds ½% but is less than 1½% of his average annual payroll (as defined in this chapter (R. S. 43:21-1 et seq.));
   
   (ii) 1½% of 1% if such excess over $500.00 equals or exceeds 1½% but is less than 1½% of his average annual payroll;
   
   (iii) ½% of 1% if such excess over $500.00 equals or exceeds 1½% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus ½% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be ¼ of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:
(i) \(3\%\) of 1% if such excess over $500.00 is less than \(\frac{1}{4}\) of 1% of his average annual payroll;

(ii) \(4\%\) of 1% if such excess over $500.00 equals or exceeds \(\frac{1}{4}\) of 1% but is less than \(\frac{1}{2}\) of 1% of his average annual payroll;

(iii) \(5\%\) of 1% if such excess over $500.00 equals or exceeds \(\frac{1}{2}\) of 1% but is less than \(\frac{3}{4}\) of 1% of his average annual payroll;

(iv) \(6\%\) of 1% if such excess over $500.00 equals or exceeds \(\frac{3}{4}\) of 1% but is less than 1% of his average annual payroll;

(v) \(7\%\) of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than \(\frac{3}{10}\) of 1% of wages or increased by more than \(\frac{3}{10}\) of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the Division of Employment Security shall determine the amount of the State Disability Benefits Fund as of December 31 of the preceding calendar year increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in preceding calendar years. If such amount exceeds the total of the amounts withdrawn from the unemployment trust fund pursuant to section 23 of the Temporary Disability Benefits Law plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State Disability Benefits Fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The Division of Employment Security shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E) (1) of this subsection equals or exceeds \(1\frac{1}{4}\%\) the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D) (2) or (D) (3)
hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest \( \frac{1}{600} \) of 1\%, but in no case shall such final rate be less than \( \frac{1}{40} \) of 1\%.

(ii) If the percentage determined in accordance with paragraph (E) (1) of this subsection equals or exceeds \( \frac{3}{4} \) of 1\% and is less than \( 1 \frac{1}{4} \) of 1\%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E) (1) of this subsection is less than \( \frac{3}{4} \) of 1\%, but in excess of \( \frac{1}{4} \) of 1\%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between \( \frac{3}{4} \) of 1\% and such percentage taken to the nearest \( \frac{1}{100} \) of 1\%; provided, however, that no such final rate shall be more than \( \frac{1}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (2) hereof, more than \( \frac{1}{2} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (1) and (D) (3) hereof, nor more than \( \frac{3}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (4) hereof.

(iv) If the amount of the State Disability Benefits Fund determined as provided in paragraph (E) (1) of this subsection is equal to or less than \( \frac{1}{4} \) of 1\%, then the final rate shall be \( \frac{3}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (2) hereof, \( \frac{3}{4} \) of 1\% in the case of an employer whose preliminary rate is determined as provided in (D) (1) and (D) (3) hereof, and 1.1\% in the case of an employer whose preliminary rate is determined as provided in (D) (4) hereof. Notwithstanding any other provision of law or any determination made by the Division of Employment Security with respect to any twelve-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be set forth herein.

2. P. L. 1948, chapter 110, section 22 (C. 43:21-46) is amended to read as follows:

**C. 43:21-46  State disability benefits fund.**

22. State disability benefits fund. (a) The State disability benefits fund, hereinafter referred to as the fund, is hereby established. The fund shall remain in the custody of the State Treasurer, and to the extent of its cash requirements shall be deposited in authorized public depositories in the State of New Jersey. There shall be
deposited in and credited to the fund the amount of worker and employer contributions provided under subsections (d) and (e) of R. S. 43:21-7, less refunds authorized by the chapter (R. S. 43:21-1 et seq.) to which this act is a supplement, and the entire amount of interest and earnings from investments of the fund, and all assessments, fines and penalties collected under this act. The fund shall be held in trust for the payment of disability benefits pursuant to this act, for the payment of benefits pursuant to subsection (f) of R. S. 43:21-4, and for the payment of any authorized refunds of contributions. All warrants for the payment of benefits shall be issued by and bear only the signature of the Director of the Division of Employment Security or his duly authorized agent for that purpose. All other moneys withdrawn from the fund shall be upon warrant signed by the State Treasurer and countersigned by the Director of the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey. The Treasurer shall maintain books, records and accounts for the fund, appoint personnel and fix their compensation within the limits of available appropriations. The expenses of the treasurer in administering the fund and its accounts shall be charged against the administration account, as hereinafter established. A separate account, to be known as the administration account, shall be maintained in the fund, and there shall be credited to such account an amount determined to be sufficient for proper administration, not to exceed, however, 8/100 of 1% of the wages with respect to which current contributions are payable into the fund, and the entire amount of any assessments against covered employers, as hereinafter provided, for costs of administration prorated among approved private plans. The costs of administration of this act including R. S. 43:21-4 (f) shall be charged to the administration account.

(b) A further separate account, to be known as the unemployment disability account, shall be maintained in the fund. Such account shall be charged with all benefit payments under R. S. 43:21-4 (f).

Prior to July 1 of each calendar year, the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey shall determine the average rate of interest and other earnings on all investments of the State disability benefits fund for the preceding calendar year. An amount equal to the sum of the amounts withdrawn from the unemployment trust fund pursuant to section 23 hereof multiplied by such average
rate shall be determined by the division and credited to the unemployment disability account as of the end of the preceding calendar year.

If the unemployment disability account shall show an accumulated deficit in excess of $200,000.00 at the end of any calendar year after interest and other earnings have been credited as provided hereinabove, the division shall determine the ratio of such deficit to the total of all taxable wages paid during the preceding calendar year, and shall make an assessment against all employers in an amount equal to the taxable wages paid by them during such preceding calendar year to employees, multiplied by such ratio, but in no event shall any such assessment exceed \( \frac{3}{10} \) of \( \frac{1}{2} \% \) of such wages. Such amounts shall be collectible by the division in the same manner as provided for the collection of employee contributions under this chapter (R. S. 43:21-1 et seq.). In making this assessment, the division shall furnish to each affected employer a brief summary of the determination thereof. The amount of such assessments collected by the division shall be credited to the unemployment disability account.

As used in this section, "taxable wages" shall mean wages with respect to which employer contributions have been paid or are payable pursuant to subsections (a), (b) and (c) of R. S. 43:21-7.

(c) A board of trustees, consisting of the State Treasurer, the Secretary of State, the Commissioner of Labor and Industry, the director of the division, and the State Comptroller, is hereby created. The board shall invest and reinvest all moneys in the fund in excess of its cash requirements, and such investments shall be made in obligations legal for savings banks; provided, however, that the provisions of this subsection shall in all respects be subject to the provisions of chapter 270 of the laws of 1950.

(d) There is hereby appropriated, to be paid out of the fund, such amounts as may from time to time be required for the payment of disability benefits, and such amounts as may be required each year, as contained in the annual appropriation act, for the administration of this act including R. S. 43:21-4 (f).

3. P. L. 1948, chapter 110, section 24 (C. 43:21-48) is amended to read as follows:

C. 43:21-48 Assessment of costs of administration.

24. Assessment of costs of administration. (a) If officers or employees of the Division of Employment Security perform duties in part related to the administration of this act and of the unemployment compensation law, or if there be expenses otherwise
incurred jointly in connection with administration of such acts, the division shall make an equitable apportionment to determine the portion of total expense to be charged to administration of this act including R. S. 43:21-4 (f). So far as possible such apportionment shall be based upon records to be maintained with the respect to activities undertaken in administering this act.

(b) The Division of Employment Security shall, at the end of each fiscal year, determine the total amount expended by it for administrative cost directly attributable to the supervision and operation of approved private plans, together with a proportionate part of the administrative cost of R. S. 43:21-4 (f), and such total amount shall be prorated among the approved private plans in effect during that year on the basis of the total amount of taxable wages that were paid to all employees covered under such private plans. The prorated amounts shall be assessed against the respective employers but shall not exceed 1/20 of 1% of such wages, and such amounts shall be collectible by the division in the same manner as provided for the collection of employer contributions under the chapter to which this act is a supplement. In making this assessment, the division shall furnish to each affected employer a brief summary of the apportionment of expense to be charged to administration of this act, and of the facts upon which the calculation of the assessment is based. The amounts of such assessments shall be credited to the administration account.

(c) The division shall, at the end of each fiscal year, determine the total amount expended by it for administrative cost directly attributable to maintaining separate disability benefits accounts for employers required to contribute to the State disability benefits fund and assigning modified rates of contribution to such employers in accordance with the provisions of R. S. 43:21-7 (e) (3). Such total amount of administrative costs shall be prorated among such employer accounts on the basis of the total amount of taxable wages paid to all employees during the preceding calendar year with respect to which contributions were payable to the State disability benefits fund. The prorated amounts shall be assessed against the respective employers, and such amounts shall be collectible by the division in the same manner as provided for the collection of employer contributions in R. S. 43:21-14. The amounts of such assessments shall be credited to the administration account.

C. 43:21-7.1 Repealed.

5. Definitions. For the purposes of the extended benefit program and as used in this act, unless the context clearly requires otherwise:

   a. "Extended benefit period" means a period which
      (1) begins with the third week after whichever of the following weeks occurs first:
         (a) a week for which there is a national "on" indicator, or
         (b) a week for which there is a state "on" indicator; and
      (2) ends with either of the following weeks, whichever occurs later:
         (a) the third week after the first week for which there is both a national "off" indicator and a state "off" indicator; or
         (b) the thirteenth consecutive week of such period;
      provided, that no extended benefit period may begin by reason of a state "on" indicator before the fourteenth week after the close of a prior extended benefit period which was in effect with respect to this State; and

   b. There is a "national 'on' indicator" for a week if the United States Secretary of Labor determines that for each of the 3 most recent completed calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all states equaled or exceeded 4.5% (determined by reference to the average monthly covered employment for the first four of the most recent six calendar quarters ending before the month in question).

   c. There is a "national 'off' indicator" for a week if the United States Secretary of Labor determines that for each of the 3 most recent completed calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all states was less than 4.5% (determined by reference to the average monthly covered employment for the first four of the most recent six calendar quarters ending before the month in question).

   d. There is a "state 'on' indicator" for this State for a week if the division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding 12 weeks, the rate of in-
sured unemployment (not seasonally adjusted) under the Unemployment Compensation Law (R.S. 43:21–1 et seq.)—
(1) equaled or exceeded 120% of the average of such rates for the corresponding 13-week period ending in each of the preceding 2 calendar years, and
(2) equaled or exceeded 4%.

c. There is a “state ‘off’ indicator” for this State for a week if the division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding 12 weeks, either subparagraph (1) or (2) of paragraph d. was not satisfied.

d. “Rate of insured unemployment,” for purposes of subsections d. and e. means the percentage derived by dividing
(1) the average weekly number of individuals filing claims in this State for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the division on the basis of its reports to the United States Secretary of Labor, by
(2) the average monthly covered employment for the specified period.

e. “Regular benefits” means benefits payable to an individual under the Unemployment Compensation Law (R.S. 43:21–1 et seq.) or under any other State law (including benefits payable to Federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than extended benefits.

f. “Extended benefits” means benefits (including benefits payable to Federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) payable to an individual under the provisions of this act for weeks of unemployment in his eligibility period.

(1) has received prior to such week, all of the regular benefits that were available to him under the Unemployment Compensation Law or any other State law (including dependents' allowances and benefits payable to Federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his current benefit year that includes such week;
provided, that for the purposes of this subparagraph, as individual shall be deemed to have received all of the regular benefits that were available to him although as a result of a pending appeal with respect to wages and/or employment that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits; or

(2) his benefit year having expired prior to such week, has no, or insufficient, wages and/or employment on the basis of which he could establish a new benefit year that would include such week; and

(3) (a) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965 and such other Federal laws as are specified in regulations issued by the United States Secretary of Labor; and

(b) has not received and is not seeking unemployment benefits under the unemployment compensation law of the Virgin Islands or of Canada; but if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law he is considered an exhaustee.

k. "State law" means the unemployment insurance law of any state approved by the United States Secretary of Labor under section 3304 of the Internal Revenue Code of 1954.

6. Effect of State law provisions relating to regular benefits on claims for, and the payment and charging of, extended benefits.—Except when the result would be inconsistent with other provisions of the Extended Benefits Law, as provided in the regulations of the division, the provisions of the Unemployment Compensation Law (R. S. 43:21-1 et seq.) which apply to claims for, and the payment and charging of, regular benefits shall apply to claims for, and the payment and charging of, extended benefits, provided, however, that no employer's account shall be charged for the payment of any extended benefits with respect to any weeks commencing prior to July 1, 1971; and provided further, that 50% of any extended benefits paid with respect to weeks commencing on or after July 1, 1971 shall be charged to the appropriate employer's account; and provided further, that when a claimant receives regular and extended
benefits, the State’s share of the extended benefits shall be charged first against unused base-year base week earnings of employers within the base year of the claimant in the inverse chronological order, and any amount not so charged shall then be charged against the most recent employers in the same manner and under the same conditions provided in the Unemployment Compensation Law (R. S. 43:21-1 et seq.), notwithstanding the charges made for regular benefits, and where the account of any employer is charged in excess of 621/2% of the total base-year base week wages paid to the claimant by any employer, such employer may apply to the Division of Employment Security to have such excess charges canceled from his account if the application is made within 6 months of the benefit check creating such charges. Any cancellation of such charges shall not affect a contribution rate already assigned with respect to any fiscal year commencing prior to the date the application for cancellation is received by the division.

    7. Eligibility requirements for extended benefits.—An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the division finds that with respect to such week:

    8. Weekly extended benefit rate.—The weekly extended benefit rate payable to an individual for a week of total unemployment in his eligibility period shall be an amount equal to the weekly benefit rate payable to him during his applicable benefit year.

C. 43:21-24.15 Total extended benefit amount.
    9. Total extended benefit amount.—The total extended benefit amount payable to any eligible individual with respect to his applicable benefit year shall be the lesser of the following amounts:

       b. thirteen times his weekly benefit amount which was payable to him under the Unemployment Compensation Law (R. S. 43:21-1
et seq.) for a week of total unemployment in the applicable benefit year.

C. 43:21-24.16 Beginning and termination of extended benefit period.

10. a. Beginning and termination of extended benefit period.—Whenever an extended benefit period is to become effective in this State (or in all states) as a result of a state or a national “on” indicator, or an extended benefit period is to be terminated in this State as a result of a state “off” indicator or state and national “off” indicators, the division shall make an appropriate public announcement.

b. Computations required by the provisions of paragraph f. of section 5 shall be made by the division, in accordance with regulations prescribed by the United States Secretary of Labor.

Inspection fees which are due and owing and have not been remitted to the department within 15 days following the due date shall have a penalty fee of 10% (minimum $10.00) added to the amount due when payment is finally made. The assessment of this penalty fee shall not prevent the department from taking other actions as provided in this act.

(2) Keep such records as may be necessary or required by the State board to indicate accurately the tonnage of commercial feed distributed in this State, and the department shall have the right to examine such records to verify statements of tonnage.
Failure to make an accurate statement of tonnage or to pay the inspection fee or comply as provided herein shall constitute sufficient cause for the cancellation of all registrations on file for the distributor.

c. Fees imposed by, and fines collected for violations of this act, shall be deposited with the State Treasurer and maintained by him in a special account. Money credited to the special account shall be appropriated and used for the costs of inspection, sampling, analyses and other expenses necessary for the administration of this act.

The State board is authorized to promulgate such rules and regulations for commercial feeds and pet foods as are specifically authorized in this act and such other reasonable rules and regulations as it may deem necessary and proper for the efficient administration of this act. In the interest of uniformity, the State board shall by regulation adopt, unless it determines that they are inconsistent with the provisions of this act or are not appropriate to conditions which exist in this State, the following:

(1) The definition of feed ingredients and feed terms adopted by the Association of American Feed Control Officials and published in the official publication of that organization, and

(2) Any regulation promulgated pursuant to the authority of the Federal Food, Drug and Cosmetic Act (U. S. C. Title 29, Sec. 301, et seq.).

For the purpose of enforcement of this act, and in order to determine whether its provisions have been complied with, including whether or not any operations may be subject to such provisions, officers or employees duly designated by the secretary, upon presenting appropriate credentials, and a written notice to the owner, operator, or agent in charge, are authorized (1) to enter, during normal business hours, any factory, warehouse, or establishment within this State in which commercial feeds are manufactured, processed, packed, or held for distribution, or to enter any vehicle being used to transport or hold
such feeds; and (2) to inspect at reasonable times and within reasonable limits and in a reasonable manner, such factory, warehouse, establishment or vehicle and all pertinent equipment, finished and unfinished materials, containers, nonquantitative listings of ingredients of formulae, shipping records and labeling therein. The inspection may include the verification of only such records, and production and control procedures as may be necessary to determine compliance with the good manufacturing practice regulations established under section 7 'd.' of this act.

b. A separate notice shall be given for each such inspection, but a notice shall not be required for each entry made during the period covered by the inspection. Each such inspection shall be commenced and completed with reasonable promptness. Upon completion of the inspection, the person in charge of the facility or vehicle shall be so notified.

c. If the officer or employee making such inspection of a factory, warehouse, or other establishment has obtained a sample in the course of the inspection, upon completion of the inspection and prior to leaving the premises he shall give to the owner, operator, or agent in charge a receipt describing the samples obtained.

d. If the owner of any factory, warehouse, or establishment described in paragraph "a." or his agent, refuses to admit the secretary or his agent to inspect in accordance with paragraphs "a." and "b.," the secretary is authorized to obtain from a court of competent jurisdiction in the area in which any such factory, warehouse or establishment is located, a warrant directing such owner or his agent to submit the premises described in such warrant to inspection.

e. For the purpose of the enforcement of this act, the secretary or his duly designated agent is authorized to enter upon any public or private premises including any vehicle of transport during regular business hours to have access to, and to obtain samples, and to examine records relating to distribution of commercial feeds.

f. Sampling and analysis shall be conducted in accordance with methods published by the Association of Official Analytical Chemists, or in accordance with other generally recognized methods.

g. The results of all analyses of official samples shall be forwarded by the State Chemist to the person named on the label and after 14 days to the purchaser. When the inspection and analysis of an official sample indicates a commercial feed has been adulterated or misbranded and upon request within 30 days following
receipt of the analysis the State Chemist shall furnish to the registrant a portion of the sample concerned.

h. The State Chemist, in determining for administrative purposes whether a commercial feed is deficient in any component, shall be guided by the official sample as defined in paragraph "q." of section 3 and obtained and analyzed as provided for in paragraphs "c.," "e." and "f." of this section.

C. 4:4-20.12 Detained commercial feeds.

12. Detained commercial feeds. a. "Withdrawal from distribution" orders: When the State Chemist or his authorized agent has reasonable cause to believe any lot of commercial feed is being distributed in violation of any of the provisions of this act or any of the prescribed regulations under this act, he may issue and enforce a written or printed "withdrawal from distribution" order, warning the distributor not to dispose of the lot of commercial feed in any manner until written permission is given by the State Chemist or the court. The State Chemist shall release the lot of commercial feed so withdrawn when said provisions and regulations have been complied with. If compliance is not obtained within 30 days, the State Chemist may begin, or upon request of the distributor or registrant shall begin, proceedings for condemnation.

b. "Condemnation and confiscation": Any lot of commercial feed not in compliance with said provisions and regulations shall be subject to seizure on complaint of the secretary to a court of competent jurisdiction in the area in which said commercial feed is located. In the event the court finds the said commercial feed to be in violation of this act and orders the condemnation of said commercial feed, it shall be disposed of in any manner consistent with the quality of the commercial feed and the laws of the State, provided, that in no instance shall the disposition of said commercial feed be ordered by the court without first giving the claimant an opportunity to apply to the court for release of said commercial feed or for permission to process or relabel said commercial feed to bring it into compliance with this act.

C. 4:4-20.13 Penalties.

13. Penalties. a. Any person convicted of violating any of the provisions of this act or the rules and regulations promulgated thereunder or who shall impede, hinder, or otherwise prevent, or attempt to prevent, said secretary or his duly authorized agent

b. Nothing in this act shall be construed as requiring the State Chemist or his representative to: (1) report for prosecution, or (2) institute seizure proceedings, or (3) issue a withdrawal from distribution order, as a result of minor violations of the act, or when he believes the public interest will best be served by suitable notice of warning in writing.

c. It shall be the duty of the Attorney General to whom any violation is reported to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the State Chemist reports a violation for such prosecution, an opportunity shall be given the distributor to present his view to the secretary.

d. The secretary is hereby authorized to apply for and the court to grant in an appropriate case, a temporary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this act or any rule or regulation promulgated under the act, notwithstanding the existence of other remedies at law. Said injunction to be issued without bond.

g. Upon receiving any information of a violation of any provision of this act or of any rule or regulation adopted thereunder,
the secretary or any agent designated by him for such purpose, is empowered to hold hearings upon said violation and, upon finding the violation to have been committed, to assess a penalty against the violator in such amount, not to exceed the maximum limit set forth in this section, as the secretary deems proper under the circumstances. If the violator pays such penalty as settlement, no further prosecution shall be had upon that violation. Payment of such a penalty shall be deemed equivalent to a conviction for violation of this act.

C. 4:4-20.14 Cooperation with other entities.

14. Cooperation with other entities. The secretary may cooperate with and enter into agreements with governmental agencies of this State, other states, agencies of the Federal Government, and private associations in order to carry out the purpose and provisions of this act.

15. Publication. The State Chemist shall publish at least annually, in such forms as he may deem proper, information concerning the sales of commercial feeds, together with such data on their production and use as he may consider advisable, and a report of the results of the analyses of official samples of commercial feeds sold within the State as compared with the analyses guaranteed on the label, provided that the information concerning production and use of commercial feeds shall not disclose the operations of any person.

C. 4:4-20.16 Constitutionality.

16. Constitutionality. If any clause, sentence, paragraph, or part of this act shall for any reason be judged invalid by any court of competent jurisdiction, such judgment shall not affect, impair, or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered.

WHEREAS, Many persons are faced with the prospect of exposure to serious liability or economic hardship because of the fact that automobile insurance companies will not provide automobile insurance at a cost within their means and in some cases will not provide insurance at all; and

WHEREAS, Such restrictive underwriting practices on the part of certain insurance companies are detrimental to the interest of this State and its citizens; and

WHEREAS, It is the duty of the Executive and Legislative Branches of government to inquire into and provide remedies for any inequity that may exist and to strive for improvement in existing systems or to make fundamental changes when necessary and practicable; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. There is hereby created a commission to consist of nine members, two to be appointed by the Speaker of the General Assembly from among the members of the General Assembly providing that no more than one of such appointees shall be a member of the same political party; and two to be appointed by the President of the Senate from the membership of the Senate providing that no more than one of such appointees shall be a member of the same political party, and five shall be citizens of this State to be appointed by the Governor. The five citizen members shall include one member of the insurance industry and 2 members of the legal profession who are members of the Bar of this State.

2. The commission shall organize at the call of the Governor as soon after the appointment of its members as is practicable. The Governor shall select a chairman from among its members. The commission may appoint a secretary who need not be a member of the commission.
3. It shall be the duty of the commission to study, hold hearings, both public and private, and inquire into those cost factors which relate to automobile insurance premiums, such as marketing costs, legal fees and property damage costs; to review the concepts of "no fault" automobile insurance coverage for the purpose of evaluating its feasibility and adaptability in this State and its effect upon automobile insurance premiums and the citizens of this State; to compare present methods of compensating victims of automobile accidents through court proceedings with other judicial or quasi-judicial proceedings, including a review of possible improvements within the framework of the present system, such as comparative negligence and arbitration; to study and investigate the desirability of compulsory medical payments coverage by automobile owners, and costs related thereto; and to make such recommendations for legislation as it deems desirable and appropriate.

4. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for said purpose, and to employ counsel and such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

5. The commission may meet and hold hearings at such place or places, within or without the State, as it shall designate during the sessions or recesses of the Legislature, shall report its findings and recommendations to the Governor and Legislature as soon as possible, and accompany the same with any legislative bills which it may desire to recommend for adoption by the Legislature.

6. This joint resolution shall take effect immediately.

ers of the Public Employees’ Retirement System; and

WHEREAS, The Public Employees’ Retirement System is primarily
designed for the needs of employees of the Executive Branch of

WHEREAS, Because of the distinctive nature of service in the Judi-
ciary, the Judicial Branch of New Jersey Government has in
effect a program other than the Public Employees’ Retirement

WHEREAS, Because of the distinctive nature of service in the New
Jersey Legislature, the Public Employees’ Retirement System
program now available to its members is inappropriate and in-

traveling and other miscellaneous expenses as it may deem neces-
sary, in order to perform its duties, and as may be within the limits
of funds appropriated or otherwise made available to it for said
purposes.

5. The commission may meet and hold hearings at such place or
places as it shall designate during the sessions or recesses of the
Legislature, accompanying the same with any legislative bills which
it may desire to recommend for adoption by the Legislature. The

before December 31, 1970.

6. This joint resolution shall take effect immediately.

JOINT RESOLUTION No. 8

A JOINT RESOLUTION creating a commission to formulate legislation to provide means to rid business enterprises of personnel and financial connections with organized crime.

WHEREAS, There is widespread belief that individuals associated with organized crime and racketeering are infiltrating the management and financial control of legitimate business enterprises; and

WHEREAS, The end results of such infiltration and control not only adversely and unfairly compete with legitimate business but prevent government from providing essential public services in an efficient and economical manner and inflate costs to consumers of goods and services; and
WHEREAS, Means must be found to rid legitimate business of such management and financial control as part of the State’s efforts to break the back of organized crime; and

WHEREAS, The President of the United States has indicated Federal action in this area is to be inaugurated which may dictate cooperative action by the States; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

A commission is hereby established to formulate and propose legislation providing procedures to divest business enterprises from connections with individuals associated with organized crime, to dissolve businesses financed by "hot" money and to escheat their assets to the State, to invoke criminal penalties against the principals of such enterprises and such other related provisions as the commission shall determine.

2. The commission membership shall consist of three citizens of the State to be appointed by the Governor, three members of the Senate to be appointed by the President thereof and three members of the General Assembly to be appointed by the Speaker thereof. 5. The commission may meet and hold hearings at such place or places as it shall designate and shall report its findings and recommendations to the Governor and the Legislature, accompanying
the same with any legislative bills which it may desire to recommend for adoption by the Legislature.

6. This joint resolution shall take effect immediately.

Proposed Amendment Adopted

Amend Article V, Section I, paragraph 14, to read as follows:

14. (a) Every bill which shall have passed both houses shall be presented to the Governor. If he approves he shall sign it, but if not he shall return it, with his objections, to the house in which it shall have originated, which shall enter the objections at large on its journal and proceed to reconsider it. If upon reconsideration, on or after the third day following the return of the bill, two-thirds of all the members of the house of origin shall agree to pass the bill, it shall be sent, together with the objections of the Governor, to the other house, by which it shall be reconsidered and if approved by two-thirds of all the members of that house, it shall become a law; and in all such cases the votes of each house shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the journal of each house respectively. If a bill shall not be returned by the Governor within 10 days, Sundays excepted, after it shall have been presented to him, the same shall become a law on the tenth day, unless the house of origin shall on that day be in adjournment. If on the tenth day the house of origin shall be in temporary adjournment in the course of a regular or special session, the bill shall become a law on the day on which the house of origin shall reconvene, unless the Governor shall on that day return the bill to that house.

(b) If on the tenth day the Legislature is in adjournment sine die, the bill shall become a law if the Governor shall sign it within 45 days, Sundays excepted, after such adjournment. On the said forty-fifth day the bill shall become a law, notwithstanding the failure of the Governor to sign it within the period last stated, unless at or before noon he shall return it with his objections to the house of origin:

(1) on said forty-fifth day, if the house shall have again convened in regular or special session of the same 2-year Legislature and shall be meeting on said day, or

(2) on the day upon which the house shall reconvene, if it is in temporary adjournment in the course of a regular or special session of the same 2-year Legislature on said forty-fifth day, or

(3) on said forty-fifth day, if the house is in adjournment sine die on said day, at a special session of the Legislature which shall convene on that day, without petition or call, for the
sole purpose of acting pursuant to this paragraph upon bills returned by the Governor. At such special session a bill may be reconsidered on or after the first day following return of the bill, in the manner provided in this paragraph for the reconsideration of bills, and if approved upon reconsideration by two-thirds of all the members of each house, it shall become a law. The Governor, in returning with his objections a bill for reconsideration at any general or special session of the Legislature, may recommend that an amendment or amendments specified by him be made in the bill, and in such case the Legislature may amend and reenact the bill. If a bill be so amended and reenacted, it shall be presented again to the Governor, but shall become a law only if he shall sign it within 10 days after presentation; and no bill shall be returned by the Governor a second time. A special session of the Legislature shall not be convened pursuant to this paragraph whenever the forty-fifth day, Sundays excepted, after adjournment sine die of a regular or special session shall fall on or after the last day of the legislative year in which the second annual session was held; in which event any bill not signed by the Governor within such 45-day period shall not become a law.

EXECUTIVE ORDER No. 5

WHEREAS, In order to meet the immediate fiscal crisis existing in New Jersey at the time of my inauguration, the Legislature enacted and I signed into law several bills to raise needed revenues; and

WHEREAS, Although they resolved the immediate crisis, these measures cannot solve the long range problems of meeting the future fiscal needs of the State and local governments and of providing for the equitable distribution of the cost of government; and

WHEREAS, The present tax structure, which has developed piecemeal over the years without due regard for its overall effect on the economy, results in the raising of essential revenues in a manner which is inequitable to many persons in the State particularly the inordinate burden borne by local property owners; and

WHEREAS, It is generally agreed that tax reform in New Jersey is long overdue; and

WHEREAS, It is essential to any such reform that an immediate and thorough examination be undertaken of the existing State and
local tax structure, the present and future revenue requirements
for providing governmental services at all levels of government,
and the roles of the various levels of government in raising such
revenues and providing such services; and

Whereas, Only after such examination can meaningful recom-
mendations for tax reform be developed to meet future revenue
requirements and to provide an equitable distribution of the cost
of government; and

Whereas, Such examination and recommendations can best be
undertaken and made by a study committee of citizens and residents
of this State which will have the full support of the State govern-
ment and the ability to conduct public hearings and utilize the
services of experts and consultants in various fields, including
but not limited to, those of taxation, finance, education and welfare
costs, to the end that the committee shall make such recommendations
which will provide the most equitable, economically and
effective means of financing the legitimate and proper needs of
our citizens;

Now, Therefore, I, William T. Cahill, Governor of the State
of New Jersey, by virtue of the authority vested in me by the
Constitution and by the statutes of this State, do hereby ORDER
and DIRECT:

1. There is hereby created the New Jersey Tax Policy Committee
(hereinafter referred to as the "Committee") composed of 40
members, all of whom shall be citizens and residents of the State
and shall be appointed by, and serve at the pleasure of, the Gov-
ernor. Two members of the Committee shall be appointed from
among the membership of the State Senate with the recommenda-
tion of the President of the Senate, and four members of the
Committee shall be appointed from among the membership of the
State Assembly with the recommendation of the Speaker of the
Assembly, provided that there shall be equal political representa-
tion of membership from each of the two legislative houses. The
remaining members of the Committee shall be appointed by the
Governor so as to provide a broad spectrum of viewpoints with
respect to tax reform, and shall include representatives of State
and local government, business and labor, taxpayers, professions
and other persons knowledgeable in major areas of governmental
services and methods of raising revenue by government. The mem-
ers shall serve without compensation, but shall be reimbursed
for necessary expenses incurred in the performance of their duties, subject to the availability of funds therefor.

2. The Governor shall designate a chairman and a vice-chairman of the Committee. The chairman shall preside over the meetings and affairs of the Committee and shall create such sub-committees as he deems appropriate to carry out the functions of the Committee. The chairman shall direct any such sub-committees to render such interim reports to the Committee as he determines appropriate. The chairman shall have such further powers and duties as may be conferred upon him by the Governor. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

3. The Committee shall conduct a thorough study and investigation of the following:

(a) The constitutional and statutory provisions relating to taxes imposed by the State and its political subdivisions.

(b) The existing and future demand for governmental services at all levels within the State of New Jersey.

(c) The ability of the various levels of government to raise the revenues necessary to provide present and future governmental services.

(d) The proper and efficient allocation of costs among the various levels of government of the present and future governmental services.

(e) Methods of providing revenues to finance governmental services in a manner to provide for the equitable distribution of the cost of government among all the taxpayers in the State.

4. The Committee shall render to the Governor such interim reports as it may deem appropriate, or as the Governor may request, and upon completion of its work, the Committee shall render to the Governor a full report of its findings and recommendations for tax reform. The Committee shall proceed promptly with its study and investigation so as to make its final recommendations in as short a time as is consistent with the nature of the study to be undertaken.

5. Within the limits of funds available therefor, the Committee shall have the power to incur such expenses as may be necessary in
order to exercise the powers conferred and to perform the duties imposed by this Order. The Committee may retain such professional personnel and clerical and technical assistants as it may require and may provide for the printing, advertising and publication of its proceedings and all interim and final reports promulgated by the Committee. All expenses incurred shall be approved by the chairman of the Committee and shall be submitted to the Treasurer of the State upon vouchers and warrants.

6. In order to carry out its functions, the Committee is authorized to conduct such public hearings and to solicit such information from the public and any other source as it deems appropriate. Notice of such public hearings shall be given in such manner as the chairman may direct so as to provide an opportunity for interested members of the public to be heard.

7. (a) The Committee is authorized to call upon any department, office, division or agency of the State to supply such statistical data, program reports, and other information or personnel and materials as it deems necessary to discharge its responsibilities under this Order.

(b) Each department, office, division or agency of the State is authorized and directed, to the extent not inconsistent with law, to cooperate with the Committee and to furnish it such information and assistance as it may find necessary in the discharge of its responsibilities under this Order.
