LAWS
AN ACT concerning unemployment compensation benefits and amending section 43:21-5 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 43:21-5 of the Revised Statutes is amended to read as follows:

Disqualification for benefits.

43:21-5. An individual shall be disqualified for benefits:

(a) For the week in which he has left work voluntarily without good cause attributable to such work, and for each week thereafter until he has earned in employment (which may be with an employing unit having in employment one or more individuals) at least 4 times his weekly benefit rate, as determined in each case; provided, however, that no disqualification shall be applicable to a woman who left or was separated from her work solely by reason of her pregnancy.

(b) For the week in which he has been finally discharged for misconduct connected with his work, and for the 5 weeks which immediately follow such week (in addition to the waiting period), as determined in each case. In the event such discharge should be rescinded by the employer voluntarily or as a result of mediation or arbitration this subsection (b) shall not apply, provided, however, an individual who is restored to employment with back pay shall return any benefits received under this chapter for any week of unemployment for which he is subsequently compensated by his employer.

(c) If it is found that he has failed, without good cause, either to apply for available, suitable work when so directed by the em-

(13)
ployment office or the director or to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the director. Such disqualification shall continue for the week in which such failure occurred and for the 3 weeks which immediately follow such week (in addition to the waiting period), as determined:

(1) In determining whether or not any work is suitable for an individual, consideration shall be given to the degree of risk involved to his health, safety and morals, his physical fitness and prior training, his experience and prior earnings, his length of unemployment and prospects for securing local work in his customary occupation, and the distance of the available work from his residence.

(2) Notwithstanding any other provisions of this chapter, no work shall be deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (a) If the position offered is vacant due directly to a strike, lockout, or other labor dispute; (b) If the remuneration, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (c) If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(d) If it is found that his unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment or other premises at which he is or was last employed, no disqualification under this subsection shall apply if it is shown that:

(1) He is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and

(2) He does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute; provided, that if in any case in which (1) or (2) above applies separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of
the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment, or other premises;

(e) For any week with respect to which he is receiving or has received remuneration in lieu of notice.

(f) For any week with respect to which or a part of which he has received or is seeking unemployment benefits under an unemployment compensation law of any other State or of the United States; provided, that if the appropriate agency of such other State or of the United States finally determines that he is not entitled to such unemployment benefits, this disqualification shall not apply.

(g) (1) For a period of 17 weeks from the date of the discovery by the Division of the illegal receipt of benefits contrary to the provisions of this chapter as the result of any false or fraudulent representation and his maximum total benefits shall be reduced by an amount equal to 17 times his weekly benefit rate in the benefit year in existence at the time of the discovery and in a benefit year established within 1 year thereafter, but the maximum reduction shall not exceed 17 times the weekly benefit rate; provided, that any such disqualification may be appealed in the same manner as any other disqualification imposed hereunder; and, provided further, that a conviction in the courts of this State arising out of the illegal receipt of such benefits in any proceeding instituted against him, under the provisions of this chapter or any other law of this State, shall be conclusive upon the appeals tribunal and the board of review.

(2) A disqualification under this subsection shall not preclude the prosecution of any civil, criminal or administrative action or proceeding to enforce other provisions of this chapter for the assessment and collection of penalties or the refund of any amounts collected as benefits under the provisions of section 43:21-16 of the Revised Statutes, or to enforce any other law where an individual obtains or attempts to obtain by theft or robbery or false statements or representations any money from any fund created or established under this chapter or any negotiable or nonnegotiable instrument for the payment of money from such funds, or to recover money erroneously or illegally obtained by an individual from any fund created or established under this chapter.

2. This act shall take effect immediately.

Approved January 30, 1968.

An Act concerning education and amending section 18A:58-17 of the New Jersey Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 18A:58-17 of the New Jersey Statutes is amended to read as follows:
Adjusted apportionment; basis, effective date.

18A:58-17. When the apportionment shall have been made for any year and a part of any district becomes a new school district or a part of another school district, or comes partly under the authority of a regional board of education, the commissioner shall adjust such apportionment or apportionments among the districts affected, or between the district and the regional board, as the case may be, on an equitable basis in accordance with the intent of this article.

Whenever an all-purpose regional district is approved by the voters during any calendar year, apportionment of State aid as a regional district shall become effective on the succeeding July 1, and the commissioner of education shall request supplemental appropriations for such additional State aid as may be required.

2. This act shall take effect immediately.

Approved February 8, 1968.

CHAPTER 4

An Act concerning handicapped children and providing for a survey by the Department of Education to determine the number of children in the State with sensory disorders who are in need of additional educational facilities and making an appropriation for such survey.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds:
(a) That the American Medical Association, the United States Department of Health, Education and Welfare and various interested professional organizations concerned with the health and education of children have established that an epidemic of Rubella Disease occurred in the United States during the years 1962-1964, and afflicted considerable numbers of children with one or more sensory disorders; and,
(b) That these disorders have commonly included handicaps in the area of hearing; and,
(c) That such children are in great need of special education instruction to help develop speech and other faculties to compensate for hearing loss and other handicaps; and,
(d) That the present lack of facilities will be greatly magnified when these children reach school age, and failure to provide special help at an early age will result in serious and possible irreversible harm to the individual; and,
(e) That it is essential the State have factual information regarding the number of such children so that proper planning may be made for their educational requirements.

2. The Commissioner of Education is hereby authorized and directed to make a survey of handicapped children referred to in section 1 of this act and to report his findings to the Governor and Legislature, with recommendations on or before July 1, 1968.

The Commissioner of Education is further authorized to use such members of his staff as may be necessary for this purpose and to employ additional personnel within the limits of the appropriation herein provided. The commissioner is authorized to secure information and assistance from State and local health agencies and any other public or private agencies as may be necessary to carry out the purposes of this act.

3. There is hereby appropriated to the Department of Education the sum of $25,000.00 for said survey and report.

4. This act shall take effect immediately.
Approved February 8, 1968.

CHAPTER 5

AN ACT concerning vocational schools and amending section 18A:54-23 of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 18A:54-23 of the New Jersey Statutes is amended to read as follows:

Receiving pupils from other districts; tuition.

18A:54-23. The boards of education of schools established under the provisions of section 18A:54-12 in any county of the third
class with a population not less than 60,000 nor more than 100,000, according to the 1960 Federal census, and the boards of education of schools established under the provisions of section 18A:54-13, shall receive pupils from districts without the county so far as their facilities will permit, provided a rate of tuition not exceeding the cost of such education as prescribed by rule of the commissioner, approved by the State board, is paid by the sending districts.

The board of education of any county vocational school district referred to in section 18A:54-11.1 and the board of education of any other school district within the county thereof are each hereby authorized and empowered to undertake and to enter into agreements with respect to the attendance at schools of the county vocational school district, of residents or pupils of such other school district who are students attending the schools of the county vocational school district and as to the payments to be made or the rate of tuition to be charged on account of such students. The payment or rate of tuition per student shall be 50% of the pro rata annual cost of the operation and maintenance of the county vocational school district remaining after deduction from such cost of all amounts of aid received by the county vocational school district or the county thereof on account of such district or credited thereto from the State of New Jersey or the United States of America or agencies thereof, but excluding from such cost any amounts on account of required payments of interest on or principal of bonds or notes of the county issued for the purposes of such district. The annual aggregate amount of all of such payments or tuition may be anticipated by the board of education of the county vocational school district and by the board of chosen freeholders of the county with respect to the annual budget of the county vocational school district. The amounts of all annual payments or tuition to be paid by any such other school district shall be raised in each year in the annual budget of such other school district and paid to the county vocational school district.

The board of chosen freeholders of any county of the fourth class, in which a county vocational school has been established shall be entitled to collect and receive from the sending districts in said county in which the pupils attending the vocational school reside, for the tuition of such pupils, a sum not exceeding the annual cost of education per pupil as determined according to rules prescribed by the commissioner and approved by the State board; provided, however, that the maximum tuition per pupil shall be the pro rata annual cost of the operation and maintenance of said school remain-
ing after deduction from such cost of all amounts of aid received by
the county vocational school or the county thereof on account of
such school or credited thereto from the State of New Jersey or the
United States of America or agencies thereof, but excluding from
such cost any amounts on account of required payments of interest
on or principal of bonds or notes of the county issued for the pur­
poses of such school; and, provided further that the maximum
tuition per pupil shall not exceed the average annual cost of high
school education per pupil in all sending districts in the current
year determined according to rules prescribed by the commissioner
and approved by the State board and certified to the board of
chosen freeholders of the county in which the vocational school has
been established. Any difference between the average cost of high
school education per pupil in the respective sending districts and
in the vocational school shall be an obligation of the board of chosen
freeholders of the county in which said vocational school has been
established. Such tuition shall be established in advance of the
school year by the board of chosen freeholders, shall be certified
to each sending district, and shall be paid quarterly by the board
of education of each sending district.

2. This act shall take effect immediately.
Approved February 8, 1968.

Any applicant who shall fail to pass such examination shall not be eligible to retake an examination until 6 months from the date of such failure.

(c) An applicant for an examination for a license shall apply to the board for permission to take such examination upon forms provided by the board and shall provide the board with such information as shall be necessary to establish his qualifications to take the examination. the continental limits of the United States in connection with any
project undertaken by the Government of the United States, or
while in the service of the Armed Forces of the United States

CHAPTER 29

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 18A:39-1 of the New Jersey Statutes is amended to read as follows:

Transportation of pupils remote from schools.

18A:39-1. Whenever in any district there are pupils residing remote from any schoolhouse, the board of education of the district may make rules and contracts for the transportation of such pupils to and from school, including the transportation of school pupils to and from school other than a public school, except such school as is operated for profit in whole or in part.

When any school district provides any transportation for public school pupils to and from school pursuant to this section, transportation shall be supplied to school pupils residing in such school district in going to and from any remote school other than a public
school, not operated for profit in whole or in part, located within
the State not more than 20 miles from the residence of the pupil
provided the per pupil cost of the lowest bid received does not ex­
ceed $150.00 and if such bid shall exceed said cost then the parent,
guardian or other person having legal custody of the pupil shall
be eligible to receive said amount toward the cost of his transporta­
tion to a qualified school other than a public school, regardless of
whether such transportation is along established public school
routes. It shall be the obligation of the parent, guardian or other
person having legal custody of the pupil attending a remote school,
other than a public school, not operating for profit in whole or in
part, to register said pupil with the office of the secretary of the
board of education at the time and in the manner specified by rules
and regulations of the State board in order to be eligible for the
transportation provided by this section. Whenever any regional
school district provides any transportation for pupils attending
schools other than public schools pursuant to this section, said
regional district shall assume responsibility for the transportation
of all such pupils, and the cost of such transportation for pupils
below the grade level for which the regional district was organized,
shall be prorated by the regional district among the constituent
districts on a per pupil basis after approval of such costs by the
county superintendent. This section shall not require school dis­
tricts to provide any transportation to pupils attending a school
other than a public school where the only transportation presently
provided by said district is for school children transported pursuant
to chapter 46 of this Title or for pupils transported to a voca­
tional, technical or other public school offering a specialized
program. Any transportation to a school, other than a public
school, shall be pursuant to the same rules and regulations promul­
gated by the State board as governs transportation to any public
school.

Nothing in this section shall be so construed as to prohibit a
board of education from making contracts for the transportation
of pupils to a school in an adjoining district when such pupils are
transferred to the district by order of the county superintendent,
or when any pupils shall attend school in a district other than that
in which they shall reside by virtue of an agreement made by the
respective boards of education.

Nothing herein contained shall limit or diminish in any way any
of the provisions for transportation for children pursuant to chap­
ter 46 of this Title.
2. Section 18A:39-3 of the New Jersey Statutes is amended to read as follows:

Advertising for bids to transport pupils.

18A:39-3. No contract for the transportation of pupils to and from school shall be made, when the amount to be paid during the school year for such transportation shall exceed $2,500.00 and have the approval of the county superintendent of schools, unless the board of education making such contract shall have first publicly advertised for bids therefor in a newspaper published in the district or, if no newspaper is published therein, in a newspaper circulating in the district once, at least 10 days prior to the date fixed for receiving proposals for such transportation, and shall have awarded the contract to the lowest responsible bidder.

Nothing in this chapter shall require the advertisement and letting on proposals or bids of annual extensions, approved by the county superintendent, of any contract for transportation entered into through competitive bidding when—

(a) Such annual extensions impose no additional cost upon the board of education, or

(b) The original contract was entered into prior to May 14, 1942 and the increase in the original contractual amount as a result of such extensions does not exceed 30% thereof, or

(c) The original contract was entered into on or subsequent to May 14, 1942 and the increase in the original contractual amount as a result of such extensions does not exceed 15% thereof.

3. Section 18A:39-11 of the New Jersey Statutes is amended to read as follows:

Joint transportation authorized.

18A:39-11. The boards of education of 2 or more school districts may provide jointly for the transportation of pupils to and from any school or schools within or outside the districts.

Whenever in the judgment of the county superintendent of schools transportation of pupils to any qualified school other than a public school could be more economically accomplished by joint transportation with 2 or more school districts, he may order such joint transportation, assign the administration to one board of education and prorate the cost on a per pupil mileage basis to the other boards of education involved.

4. This act shall take effect immediately.

Approved May 6, 1968.

CHAPTER 43

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 181 of the act of which this act is amendatory is amended to read as follows:
C. 17:9A-181 Mortgage loans.

181. Mortgage loans.

A-1. A savings bank may make or invest in mortgage loans in the manner and subject to the limitations prescribed by this section. For the purposes of this section, "mortgage loan" shall include every indebtedness secured by mortgage on real property, or on a lease of the fee of real property (in any case in which such lease is lawful security for such mortgage loan), except as otherwise provided by subsection Q of this section, and a savings bank shall be deemed to have made a mortgage loan when

(a) it lends or participates in lending money to a borrower upon the security of real property; or

(b) it acquires, by purchase or otherwise, a mortgage loan or any share or part of or interest in a mortgage loan which is not subordinate to any share or part thereof or interest therein held by any other person.

A savings bank may sell, assign or otherwise dispose of a share or part of or interest in a mortgage loan held by it to any other person.

A-2. For all purposes of compliance with the applicable provisions and restrictions of subsections D, E, F and G of this section as to the percentage of the mortgage loan to the appraised value of the mortgaged property, and the term of and rate of amortization of such loan, the date of the acquisition by a savings bank of a mortgage loan or a share or part thereof or interest therein shall, as respects such savings bank, be deemed to be the date as of which the mortgage loan was made and the unpaid amount of the principal then due shall be deemed to be the amount of such mortgage loan.

B. No savings bank shall make a mortgage loan at any time when the total cost of acquisition by the savings bank of all real property owned by it, other than real property held for the purposes specified in subparagraph (a) of paragraph (5) of section 24, and the total of all principal balances owing to the savings bank on mortgage loans, less all write-offs and reserves with respect to such real property and mortgage loans, together exceeds, or by the making of such loan will exceed, 80% of its deposits. For the purposes of this subsection, principal balances owing on mortgage loans made pursuant to subsection Q(1) of this section shall, only to the extent of the unguaranteed portion of such balances, and loans made pursuant to subsection Q(2) of this section shall, only to the extent of 50% of such balances, be included
in the total of all principal balances owing to the savings bank on
mortgage loans.

C. Every mortgage loan shall be evidenced by a note or bond,
and shall be secured by a mortgage on the fee of real property
located within this State, or, if outside this State, upon the fee of
real property located within 50 miles of the border of this State.
Every mortgage shall be certified to be a first lien by an attorney-at-law of the State in which the real property is located, or certified
or guaranteed to be a first lien by a corporation authorized to
guarantee titles to land in such State. For the purposes of this
section, a mortgage shall be deemed to be a first lien, notwithstanding the existence of a prior mortgage or mortgages held by the
savings bank, or a lien for current taxes or assessments not due
or payable at the time the loan is made, and notwithstanding the
existence of leases, building restrictions, easements, encroachments,
or covenants which, in the opinion of an officer of the savings bank
designated for that purpose by the board of managers, do not
materially lessen the value of the real property to be mortgaged.

D. When the real property offered as security for a mortgage
loan consists of a lot of land upon which there is one or more
one-family dwellings including appropriate garages or other out-
buildings, if any, or upon which such dwelling or dwellings, garages
or outbuildings are in the course of construction or are to be con-
structed, the amount of the mortgage loan shall not exceed (a) 75% of
the appraised value of the real property, or 2% of the deposits
of the savings bank, whichever is lesser; or (b) 80% of the app-
raised value of the real property, or $35,000.00, whichever is
lesser; or (c) 90% of the appraised value of the real property, or
$25,000.00 whichever is lesser, provided that the dwelling or dwell-
ings are not more than 10 years old.

E. When the real property offered as security for a mortgage
loan consists of a lot of land upon which there is one or more 2-, 3-, 4-family dwellings including appropriate garages or other out-
buildings, if any, or upon which such a dwelling or dwellings and
appropriate garages or other outbuildings are in the course of
construction or are to be constructed, the amount of the mortgage
loan shall not exceed 80% of the first $30,000.00 of the appraised
value of the real property, plus 50% of the excess, if any, of such
appraised value over $30,000.00.

F. The instrument evidencing a mortgage loan made pursuant
to either subsection D or subsection E of this section shall require
that
(1) interest shall be paid on such loan monthly, and that equal monthly payments be made in reduction of such loan of an annual rate equal to at least 3½% of the original amount of such loan; or

(2) that a constant sum be paid monthly in an amount sufficient for current interest and for the payment of the loan in full in not more than 30 years and 1 month from the making of such loan.

G. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a building or buildings other than dwellings of the nature described in subsections D and E of this section, or upon which such other buildings are in the course of construction or are to be constructed, or when such land is paved for parking lot purposes, the amount of the mortgage loan shall not exceed 75% of appraised value of such real property. The instrument evidencing a mortgage loan made pursuant to this subsection shall require that the loan be repaid in full in not more than 10 years and 1 month from the date it is made, except that in the case of dwellings consisting of 5 or more dwelling units, the instrument shall require that the loan be repaid in full in not more than 25 years and 1 month from the date it is made; and (a) if the amount of such loan, when made, exceeds 50% of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least 1% of the original amount of such loan; or (b) if the amount of such loan, when made, does not exceed 50% of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least ½% of the original amount of such loan. When, however, the amount of such loan does not, when made, exceed 50% of the appraised value of such real property, and the instrument evidencing such loan requires that it be paid in full in not more than 5 years and 1 month from the date it is made, the instrument need not require that any payment be made in reduction of such loan prior to its maturity date. Notwithstanding the limitations prescribed by subsections D and E and hereinabove in this section, a savings bank may make a mortgage loan secured by a lot of land or 2 or more lots of land, contiguous or not, upon each of which there is a building or buildings, or upon each of which a building or buildings are in the course of construction or are to be constructed. The limitations of this section governing the term of the loan, rate of amortization, and the percentage of the mortgage loan to the appraised value of each type of building, including land, shall apply. No loans shall be made under subsections D, E, F or G hereof to any one person or
on any one property if the loan shall exceed 15% of the surplus and reserves of the savings bank, or $50,000.00, whichever is greater.

H. When the real property offered as security for a mortgage loan is of the nature described in subsection D or E of this section, and the amount of the loan does not exceed 66⅔% of the appraised value of such real property, the instrument evidencing such loan shall be sufficient if it conforms to the requirements of either subsection F or subsection G of this section.

I. A mortgage loan may be made for the purpose of enabling a borrower to construct a building or buildings upon real property owned by him, and, in such a case, the appraised value of the real property shall include the value of the building or buildings to be constructed, but at no time shall a greater sum be advanced on account of such loan than, in the opinion of (1) the appraisers hereinafter provided for, or (2) one of such appraisers and an officer of the savings bank designated for that purpose by the board of managers, is warranted by the state of completion of the buildings in process of construction. For the purposes of compliance with the applicable requirements of subsection F or G of this section as to the term of and the rate of amortization of a loan made pursuant to this section, such loan shall be deemed to have been made when the final advance shall be made to the borrower on such loan, or 18 months from the date of the mortgage securing such loan, whichever is earlier.

J. When the real property offered as security for a mortgage loan consists of unimproved land, and the proceeds of such loan are not to be used to construct a building on such land, the amount of such loan shall not exceed 40% of the appraised value of such real property. The instrument evidencing a loan made pursuant to this subsection shall require that such loan be paid in full in not more than 10 years and 1 month from the date it is made. No loan made pursuant to this subsection shall exceed $10,000.00, or 1/10 of 1% of the deposits of the savings bank, whichever is greater; nor shall any loan be made at any time when the total of all such loans exceeds, or if the making of such loan would cause such total to exceed 1% of the deposits of the savings bank.

K. No mortgage loan shall be made except upon a written certification signed by at least 2 persons, each of whom shall be either a manager of the bank or an appraiser appointed by its board of managers. In the case of a mortgage loan secured by a mortgage upon real property, such certification shall state the opinion of such persons as to the value of the land and the improvements
thereon or to be erected thereon and the character of such improvements. In the case of a mortgage loan secured by a mortgage upon a lease of the fee of real property, such certification shall state the opinion of such person as to the value of the leasehold interest to be subject to the mortgage, including the leasehold interest in the improvements erected or to be erected upon the leased property and the character of such improvements. Such certification shall be filed with the records of the bank, and shall be preserved until the savings bank has no interest, as mortgagee or otherwise, in the real property.

L. Purchase money mortgage loans made by a savings bank on the sale of real property owned by it shall not be subject to the preceding subsections or to subsection P of this section, except that such loans shall be included in determining whether the total amount of mortgage loans held by a savings bank exceeds 80% of its deposits.

M. No savings bank shall make a mortgage loan secured by a mortgage upon a lease of the fee of real property unless

1. the leased property is located within this State or, if outside this State, the leased property is located within 50 miles of the border of this State;
2. the leased property shall consist of improved real property, including farm lands, or unimproved real property if the proceeds of such loan shall be used for the purpose of erecting improvements thereon;
3. the mortgage securing such loan shall constitute a first lien on a lease of the fee of real property, which fee is not subject to any prior lien; the fee shall be deemed not subject to any prior lien notwithstanding the existence of liens of taxes which are not delinquent, building restrictions or other restrictive covenants or conditions, joint driveways, sewer rights, rights in walls, rights-of-way or other easements, or encroachments, which the persons signing the certificate provided for in subsection K of this section report in their opinion do not materially affect the security for the mortgage loan. Every mortgage shall be certified to be such a first lien by an attorney-at-law of the State in which the real property is located, or certified or guaranteed to be such a first lien by a corporation authorized to guarantee titles to land in such State;
4. such loan shall not exceed 66½% of the appraised value of the leasehold interest subject to the mortgage, including the leasehold interest in the improvements erected upon the mortgaged property, or to be erected thereon wholly or partly with the proceeds of the mortgage loan; and
(5) the instrument evidencing the loan shall require that payment be made on account of the principal amount of such loan at an annual rate sufficient to repay such loan not later than 1 year prior to the expiration of the lease.

N. The instrument evidencing a mortgage loan may be in such form, and may contain such provisions, not inconsistent with law, as the savings bank may choose to insert for the protection of its lien and the preservation of its interest in the real property mortgaged to it.

O. Notwithstanding the limitations prescribed by the preceding subsections or by subsection P of this section, a savings bank may

(1) for the purposes of preventing or mitigating loss, or of preserving the lien of its mortgage, or of conserving the value of the real property affected by its mortgage, (a) extend the time for the payment of principal or interest, (b) modify or waive any of the terms or conditions of the instrument evidencing a mortgage loan, (c) settle or compromise all or part of the amount due or to grow due on a mortgage loan, (d) sell or assign the mortgage loan, or a share or part thereof or interest therein, for such consideration as it shall deem proper, and (e) advance funds for the payment of any tax, lien, charge or claim whatsoever; and

(2) make a loan in addition to an existing mortgage loan or loans held by it, upon the security of the same real property and secured by the existing mortgage or mortgages, in an amount not to exceed the difference between the balance due on the existing mortgage or mortgages and the original amount thereof, or the sum of $10,000.00, whichever is less; provided, however, that no such additional loan shall be made which shall increase the total amount due upon such mortgages over the amount which could be loaned upon the security of such real property. Such additional loan shall be repaid in equal monthly installments, beginning within 1 year from the date of such loan, with the payments adjusted so that the additional loan shall be repaid in full either before or at the maturity of the existing mortgage. If the unexpired term of such mortgage or mortgages shall have been reduced to 10 years or less such term may be extended for an additional period of not more than 10 years. Adjustment of payments and extension of mortgage terms pursuant to this section shall comply with the provisions of subsection F, G or H of this section. If so provided in the original mortgage or a supplement or amendment thereto, persons who acquire any rights in or liens upon the mortgaged real property subsequent to the recording of the original mortgage or such supplement or amendment, as the case may be, shall hold
such rights and liens subject to the prior lien of the original mortgage and such supplement or amendment, if any, as security for such additional loan; and in such case, no title certificate or insurance under subsection C of this section shall be required with respect to such additional loan.

P. Except as otherwise provided by this section, no savings bank shall make a mortgage loan if the making of such loan would cause the total of all unpaid balances of such loans held by the savings bank upon the security of the same real property or leasehold, to exceed the limitations imposed by this section upon the amount of a mortgage loan which may be made upon the security of such real property or such leasehold.

Q. A savings bank may invest in

(1) (a) veterans’ loans, wherever located, made pursuant to Title III of the Act of Congress of June 22, 1944, known as the “Servicemen’s Readjustment Act of 1944,” as amended, supplemented, revised, or recodified from time to time, which the Administrator of Veterans’ Affairs or other officer or agency which succeeds to his powers and functions under said act has insured or guaranteed or has made a commitment to insure or guarantee, to the extent and in the manner provided in said act or the regulations made thereunder; and

(b) veterans’ loans, wherever located, made and insured or guaranteed in part as provided in paragraph (1) (a) of this subsection of this section, and, as to the balance thereof, insured or guaranteed by an insurer or guarantor named or described in paragraph (2) of this subsection of this section.

(c) the provisions and restrictions contained in this section, except those relating to the percentage of the mortgage loan to the appraised value of the real property, the location of the real property, the term of the loan and the rate of amortization, shall apply to investments made pursuant to paragraph (1) of this subsection of this section, provided however that said loans and investments shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be taken upon such loans or investments.

(2) (a) mortgages or deeds of trust or other securities of the character of mortgages which are first liens on the fee of real property or a lease of the fee of real property, wherever located, which (i) the United States, or (ii) the Federal Housing Commissioner under the Act of Congress of June 27, 1934, known as the “National Housing Act,” as amended, supplemented, revised or recodified from time to time, or other officer or agency which
succeeds to his powers and functions, or (iii) the State of New Jersey or an officer or agency thereof, or (iv) any other officer or agency of the United States or of this State which the commissioner shall have approved for the purposes of this section as an insurer or guarantor, has fully insured or guaranteed or made a commitment to fully insure or guarantee.

(b) mortgages or deeds of trust or other securities made pursuant to paragraph 2(a) of this subsection of this section shall not be subject to the provisions and restrictions of this section, except that they shall be included in determining whether total mortgage investments are within the limitation prescribed by subsection B of this section, provided however that said mortgages or deeds of trust or other securities shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be taken upon such loans or investments.

R. The commissioner may, from time to time, with the concurrence of the banking advisory board, make, alter and rescind regulations:

(1) authorizing savings banks to make mortgage loans or specified types or classes of mortgage loans (a) which exceed the specified percentages of the appraised value of the mortgaged property; (b) which mature later than the specified periods from their date; (c) which require smaller annual payments on account of the principal amounts thereof than those specified in this section; and (d) which provide for equal monthly payments each applicable to principal and interest in amounts sufficient to pay current interest on and to repay the amount of the loan in such number of years more than 25, but not more than 30, as the regulation may specify;

(2) increasing the percentage of deposits of savings banks which savings banks may invest in mortgage loans;

(3) increasing the percentage of principal balances owing on mortgage loans referred to in subsection Q, which shall not be included in the total of all principal balances owing on mortgage loans for the purpose of subsection B, or eliminating entirely the principal balances owing on such mortgage loans from such total of all principal balances.

2. This act shall take effect immediately.

Approved May 20, 1968.

C. 12:11A-1 Legislature's findings.

1. The Legislature hereby finds and declares: that overlapping jurisdiction and responsibility for port development is not conducive to the provision of adequate port facilities in southern New Jersey; that the South Jersey Port Corporation hereinafter established by this act, should be the sole agency for the port development which is the purpose of this act; that said corporation should be vested with powers and responsibilities sufficient to fulfill not only its port development purposes but its financial obligations to the government and people of the State of New Jersey; that the Camden Marine Terminals, presently operated and maintained by the South Jersey Port Commission, are ideally suited to serve as the basis from which future port development in South Jersey may proceed; that the acquisition of said Camden Marine Terminals by the South Jersey Port Corporation will enable said corporation to accomplish the purposes of this act; that the indebtedness of the South Jersey Port Commission to its creditors and bondholders and to the city of Camden is properly an obligation of the State of New Jersey and a responsibility of the State of New Jersey to repay to the extent and in the manner provided herein; that prior to the disposition of the Camden Marine Terminals the financial obligations of the South Jersey Port Commission to the city of Camden must be discharged; that the State has already recognized its responsibility and taken steps to fulfill its obligation to the city of Camden by virtue of the appropriation of $1.5 million from the General Treasury of the State of New Jersey to the South Jersey Port Commission, pursuant to chapter 84 of the Laws of 1967, which sum was applied towards the reduction of the indebtedness of the commission to the city of Camden.

2. This act shall be known and may be cited as “The South Jersey Port Corporation Act.”

"Cost," in addition to the usual meanings thereof, means the cost of acquisition or construction of all or any part of a marine terminal and of all or any property, rights, easements, privileges, agreements and franchises deemed by the corporation to be necessary or useful and convenient therefor or in connection therewith, including interest or discount on bonds, cost of issuance of bonds; engineering and inspection costs and legal expenses; cost of financial, professional and other estimates and advice; organization, administration, operation and other expenses of the corporation prior to and during such acquisition or construction; and all such other expenses as may be necessary or incident to the financing, acquisition, construction and completion of said marine terminal or part thereof and placing of same in operation; and also such provision or reserves for working capital, operating or maintenance or replacement expenses, or for payment or security of principal of or interest on bonds prior to during or after such

C. 12:11A-4 Creation and boundaries of district.

4. The South Jersey Port District is hereby created and shall embrace the counties of Mercer, Burlington, Camden, Gloucester, Salem, Cumberland and Cape May and all the lands and waters in the Delaware river and bay contiguous thereto, subject to the right, title and interest of the State in and to the lands under the waters of the Delaware river and bay.

C. 12:11A-5 South Jersey Port Corporation; creation as corporate body; membership, district representation, appointment, term, removal, oath, vacancies, officers, quorum, surety bonds, compensation.

5. a. There is hereby established in the State Department of Conservation and Economic Development a body corporate and politic, with corporate succession, to be known as the "South Jersey Port Corporation." The corporation is hereby constituted an instrumentality exercising public and essential governmental functions, and the exercise by the corporation of the powers conferred by this act in the establishment, acquisition, construction, rehabilitation, improvement, operation and maintenance of marine terminals shall be deemed and held to be an essential governmental function of the State.

b. The corporation shall consist of 7 members, each of whom shall be a resident of the port district, who shall have been a qualified elector therein for a period of at least 3 years next preceding his appointment. For the purpose of representation on the corporation the port district shall be divided into subdistricts with representation as follows:

(1) The counties of Cape May, Cumberland and Salem shall constitute one subdistrict and shall be represented by one member on the corporation who shall be appointed from one of these counties.

(2) The counties of Camden and Gloucester shall constitute one subdistrict and shall be represented by 3 members on the corporation at least 2 of whom shall be appointed from Camden county.

(3) The counties of Burlington and Mercer shall constitute one subdistrict and shall be represented by 3 members on the corporation at least one of whom shall be appointed from each county within this subdistrict.

No more than 4 members shall be of the same political party. Each member of the corporation shall be appointed by the Gov-
ernor, with the advice and consent of the Senate, for a term of 5 years and shall serve until his successor is appointed and has qualified; except that of the first appointments hereunder, 3 shall be for a term of 2 years, 2 for a term of 3 years, and 2 for a term of 4 years, and they shall serve until their respective successors are appointed and have qualified. The term of each of the first appointees hereunder shall be designated by the Governor. Each member of the corporation may be removed from office by the Governor or by the Legislature, for cause, after a public hearing. Each member of the corporation before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State.

c. Any vacancies in the membership of the corporation occurring other than by expiration of term shall be filled in the same manner as the original appointment, but for the unexpired term only.

d. The Governor shall designate one of the members of the corporation as chairman thereof and another member as vice-chairman thereof. The chairman and vice-chairman of the corporation so designated shall serve as such at the pleasure of the Governor and until their respective successors have been designated. The corporation shall elect a secretary and a treasurer who need not be members. At the option of the corporation the same person may be elected to serve both as secretary and treasurer. Four members of the corporation shall constitute a quorum and the vote of 4 members shall be necessary for any action taken by the corporation. No vacancy in the membership of the corporation shall impair the right of a quorum to exercise all the rights and perform all the duties of the corporation.

e. Before the issuance of any bonds or notes under the provisions of this act, each member of the corporation shall execute a surety bond in the penal sum of $25,000.00, and the treasurer shall execute a surety bond in the penal sum of $50,000.00, each such surety bond to be conditioned upon the faithful performance of the duties of the office of such member or treasurer, as the case may be, to be executed by a surety company authorized to transact business in the State of New Jersey as surety and to be approved by the Attorney General and filed in the office of the Secretary of State.

f. The members of the corporation shall not receive compensation for their services as members of the corporation. Each member shall be reimbursed by the corporation for his actual expenses necessarily incurred in the performance of his duties.
C. 12:11A-6 Corporate powers.

6. The corporation shall be a body corporate and politic and shall have perpetual succession and shall have the following powers:

(a) To adopt by-laws for the regulation of its affairs and the conduct of its business;
(b) To adopt an official seal and alter the same at pleasure;
(c) To maintain an office at such place or places within the district as it may designate;
(d) To sue and be sued in its own name;
(e) To establish, acquire, construct, rehabilitate, improve, own, operate and maintain marine terminals at such locations within the district as it shall determine;
(f) To enter into lease agreements with private marine terminal operators for the purpose of operating and maintaining any of the marine terminals established, acquired, owned, constructed, rehabilitated or improved by the corporation;
(g) To issue bonds or notes of the corporation for any of its corporate purposes and to provide for the rights of the holders thereof as provided in this act;
(h) To fix and revise from time to time and charge and collect rents, tolls, fees and charges for use of the several functions and services of any marine terminal acquired or constructed by it;
(i) To establish rules and regulations for the use of any terminal;
(j) To acquire, hold and dispose of real and personal property in the exercise of its powers and the performance of its duties under this act;
(k) To acquire in the name of the corporation by purchase or otherwise, on such terms and conditions and in such manner as it may deem proper, or by the exercise of the power of eminent domain any land and other property which it may determine is reasonably necessary for any marine terminal or for the relocation or reconstruction of any highway by the corporation and any and all rights, title and interest in such land and other property, including public lands, parks, playgrounds, reservations, highways or parkways, owned by or in which any county, city, borough, town, township, village, or other political subdivision of the State of New Jersey has any right, title or interest, or parts thereof or rights therein and any fee simple absolute or any lesser interest in private property, and any fee simple absolute in, easements upon, or the benefit of restrictions upon, abutting property to preserve and protect any marine terminal.
Upon the exercise of the power of eminent domain, the compensation to be paid thereunder shall be ascertained and paid in the manner provided in chapter 1 of Title 20 of the Revised Statutes insofar as the provisions thereof are applicable and not inconsistent with the provisions contained in this act. The corporation may join in separate subdivisions in one petition or complaint the descriptions of any number of tracts or parcels of land or property to be condemned and the names of any number of owners and other parties who may have an interest therein and all such land or property included in said petition or complaint may be condemned in a single proceeding; provided, however, that separate awards be made for each tract or parcel of land or property; and provided further, that each of said tracts or parcels of land or property lies wholly in or has a substantial part of its value lying wholly within the same county.

Upon the filing of such petition or complaint or at any time thereafter the corporation may file with the clerk of the county in which such property is located and also with the Clerk of the Superior Court a declaration of taking, signed by the corporation declaring that possession of one or more of the tracts or parcels of land or property described in the petition or complaint is thereby being taken by and for the use of the corporation. The said declaration of taking shall be sufficient if it sets forth (1) a description of each tract or parcel of land or property to be so taken sufficient for the identification thereof to which there shall be attached a plan or map thereof; (2) a statement of the estate or interest in the said land or property being taken; (3) a statement of the sum of money estimated by the corporation by resolution to be just compensation for the taking of the estate or interest in each tract or parcel of land or property described in said declaration; and (4) that, in compliance with the provisions of this act, the corporation has established and is maintaining a trust fund as hereinafter provided.

Upon the filing of the said declaration, the corporation shall deposit with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration. In addition to the said deposits with the Clerk of the Superior Court the corporation at all times shall maintain a special trust fund on deposit with a bank or trust company doing business in this State in an account at least equal to twice the aggregate amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the
persons entitled thereto or into court. Said trust fund shall consist of cash or securities readily convertible into cash constituting legal investment for trust funds under the laws of this State. Said trust fund shall be held solely to secure and may be applied to the payment of just compensation for the land or other property described in such declarations of taking. The corporation shall be entitled to withdraw from said trust fund from time to time so much as may then be in excess of twice the aggregate of the amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court.

Upon the filing of the said declaration as aforesaid and depositing with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration, the corporation without other process or proceedings, shall be entitled to the exclusive possession and use of each tract of land or property described in said declaration and may forthwith enter into and take possession of said land or property, it being the intent of this provision that the proceedings for compensation or any other proceedings relating to the taking of said land or interest therein or other property shall not delay the taking of possession thereof and the use thereof by the corporation for the purpose or purposes for which the corporation is authorized by law to acquire or condemn such land or other property or interest therein.

The corporation shall cause notice of the filing of said declaration and the making of said deposit to be served upon each party in interest named in the petition residing in this State, either personally or by leaving a copy thereof at his residence, if known, and upon each party in interest residing out of the State, by mailing a copy thereof to him at his residence, if known. In the event that the residence of any such party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made within 10 days after filing such declaration. Upon the application of any party in interest and after notice to other parties in interest, including the corporation, any judge of the Superior Court assigned to sit for said county may order that the money deposited with the Clerk of the Superior Court or any part thereof be paid forthwith to the person or persons entitled thereto for or on account of the
just compensation to be awarded in said proceeding; provided, that each such person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event the award in the condemnation proceeding shall be less than the amount deposited, the court, after notice as herein provided and hearing, may determine his liability, if any, for the return of such difference or any part thereof and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the corporation the difference between the amount of the deposit and the amount of the award, with interest at the rate of 6% per annum thereon from the date of making the deposit. If the amount of the award shall be less than the amount so deposited, the Clerk of the Superior Court shall return the difference between the amount of the award and the deposit to the corporation unless the amount of the deposit or any part thereof shall have theretofore been distributed, in which event the court, on petition of the corporation and notice to all persons interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the corporation for such difference against the party or parties liable for the return thereof. The corporation shall cause notice of the date fixed for such hearing to be served upon each party thereto residing in this State either personally or by leaving a copy thereof at his residence, if known, and upon each party residing out of the State by mailing a copy to him at his residence, if known. In the event that the residence of any party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made at least 10 days before the date fixed for such hearing.

Whenever under chapter 1 of Title 20 of the Revised Statutes the amount of the award may be paid into court, payment may be made into the Superior Court and may be distributed according to law. The corporation shall not abandon any condemnation proceeding subsequent to the date upon which it has taken possession of the land or property as herein provided;

(1) To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this act;

(m) To appoint such additional officers, who need not be members of the corporation as the corporation deems advisable, and
to employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers, and such other employees and agents as may be necessary in its judgment; to fix their compensation; and to promote and discharge such officers, employees and agents; all without regard to the provisions of Title 11 of the Revised Statutes; provided, however, that in the hiring of any employees or agents the corporation shall hire any full-time employees of the Camden Marine Terminals or of the South Jersey Port Commission, dissolved as hereinafter provided by this act, who express a desire to be employed by the corporation; and provided further, that the corporation shall provide for the protection and maintenance of any contract, agreement or memorandum of understanding concerning wages, working conditions or benefits of any nature whatsoever between said Camden Marine Terminals or South Jersey Port Commission and such employees or their designated representative, and the corporation shall guarantee any pension rights or benefits, including membership in any State, private or other pension plan, of any such employees of the Camden Marine Terminals or the South Jersey Port Commission.

(n) To apply for, receive and accept from any Federal agency, subject to the approval of the Governor, grants for or in aid of the planning or construction of any marine terminal, and to receive and accept aid or contributions from any source, of either money, property, labor or other things of value, to be held, used and applied only for the purposes for which such grants and contributions may be made;

(o) To acquire any lands under water in the State of New Jersey for marine terminal purposes by grant, transfer or conveyance from the Resource Development Council in the Department of Conservation and Economic Development in accordance with the statutes of the State governing the making of riparian grants and leases, upon such terms and conditions as may be determined by said council;

(p) To acquire any real property required or used for State highway purposes in the State of New Jersey, by grant, transfer or conveyance from the State Department of Transportation of the State of New Jersey upon such terms and conditions as may be determined by said State Department of Transportation.

(q) To promote the use of the port facilities in the district and the use of the Delaware river and bay as a highway of commerce
and in furtherance of such promotion to make expenditures in the United States and foreign countries, to pay commissions, and hire or contract with experts and consultants, and otherwise to do indirectly anything which the corporation may do directly;

(r) To cooperate with all other bodies interested or concerned with, or affected by the promotion, development or use of the Delaware river and bay and the port district;

(s) To enter into contracts and agreements with the Delaware River Port Authority or any other regional agency concerned with marine terminal purposes providing for joint participation by the parties in any undertaking for marine terminal purposes authorized by this act;

(t) Subject to the terms of any agreement by the corporation with the holders of bonds and notes and in the interests of promoting and establishing unity of authority in the control, development and over the use of the port facilities of the district, to lend, lease, grant or convey to or merge or consolidate with any other regional agency concerned with marine terminal purposes upon such terms and conditions and with such reservations as the corporation shall deem reasonable and fair, any marine terminal or port thereof or any port facility or property which it owns or controls, provided, however, that the corporation shall not act under this subsection until it has submitted to the Legislature any proposed loan, lease, grant or conveyance to or merger with any other regional agency of any marine terminal or port thereof or any other port facility which it owns or controls, and the Legislature has expressed its approval thereof in the form of a concurrent resolution expressing such approval passed by both houses of the Legislature.

(u) To do all acts and things necessary or convenient to carry out the powers expressly granted in this act.

C. 12:11A-7 Additional powers.

7. a. If the corporation shall find it necessary to change the location of any portion of any public highway, it shall cause the same to be reconstructed at such location as the corporation shall deem most favorable and of substantially the same type and in as good condition as the original highway. The cost of such reconstruction and any damage incurred in changing the location of any such highway shall be ascertained and paid by the corporation as a part of the cost of such marine terminal.
b. Any public highway affected by the construction of any marine terminal may be vacated or relocated by the corporation in the manner now provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the corporation as a part of the cost of such terminal.

c. In addition to the foregoing powers the corporation and its authorized agents and employees may enter upon any lands, waters and premises in the State for the purpose of making surveys, soundings, drillings and examinations as it may deem necessary or convenient for the purposes of this act, and such entry shall not be deemed a trespass, nor shall an entry for such purpose be deemed an entry under any condemnation proceedings which may be then pending. The corporation shall make reimbursement for any actual damages resulting to such lands, waters and premises as a result of such activities.

d. The corporation shall also have power to make reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called "public utility facilities") of any public utility as defined in section 48:2-13 of the Revised Statutes, in, on, along, over or under any marine terminal. Whenever the corporation shall determine that it is necessary that any such public utility facilities which now are, or hereafter may be, located in, on, along, over or under any marine terminal shall be relocated in such terminal, or should be removed from such terminal, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the corporation provided, however, that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location, or new locations, and the cost of any lands, or any rights or interests in lands, and any other rights, acquired to accomplish such relocation or removal, shall be ascertained and paid by the corporation as a part of the cost of such marine terminal. In case of any such relocation or removal of facilities, as aforesaid, the public utility owning or operating the same, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenance, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location or locations.
CHAPTER 60, LAWS OF 1968 105

C. 12:11A-8 Establishment of marine terminals.

8. In order to facilitate the development of port facilities in the areas of this State bordering on the tidal reaches of the Delaware river and bay the South Jersey Port Corporation is hereby authorized and empowered to establish, acquire, construct, rehabilitate, improve, own, operate and maintain marine terminals at such locations within the South Jersey Port District as it shall determine.

9. In order to further facilitate the development of port facilities in the areas of this State bordering on the tidal reaches of the Delaware river and bay and to further the development of commerce and industry in this State, the South Jersey Port Corporation is hereby authorized and empowered to enter into lease agreements with private marine terminal operators whereby the marine terminals established, acquired, constructed, rehabilitated, improved, owned, operated or maintained by the corporation may be operated and maintained by such private marine terminal operators. The exercise of this power to lease marine terminals shall be in the uncontrolled discretion of the corporation, and nothing in this act is to be construed as requiring the leasing of any marine terminal by the corporation.

C. 12:11A-10 Use of municipal marine terminals.

10. Notwithstanding any contrary provision of law, any municipality located within the port district is authorized and empowered to consent to the use by the port corporation of any marine terminal owned by such municipality or of any real or personal property owned by such municipality and necessary, convenient or desirable in the opinion of the port corporation for marine terminal purposes, including such real property as has already been devoted to a public use and as an incident to such consent, to grant, convey, lease or otherwise transfer to the port corporation any such marine terminal or real or personal property upon such terms as may be determined by the port corporation and such municipality. Every such municipality is also authorized and empowered to vest in the port corporation the control, operation, maintenance, rents, tolls, charges and any and all other revenues of any marine terminal now owned by such municipality, the title to such marine terminal remaining in such municipality.

11. (a) The corporation shall have the power and is hereby authorized from time to time to issue its negotiable bonds or notes
for any of its corporate purposes, including cost of marine terminals, the payment, funding or refunding of principal of or interest or redemption premiums on any bonds or notes issued by it whether the bonds or notes to be funded or refunded have or have not matured; provided, however, that prior to the issuance of any bonds or notes, the corporation shall submit a copy of the resolution authorizing the issuance thereof to the Governor and the State Treasurer, and the corporation shall not issue any bonds or notes until both the Governor and the State Treasurer have approved thereof by signing and returning said copy of the resolution authorizing the issuance thereof to the corporation.

(b) Except as may be otherwise expressly provided by the corporation, every issue of bonds or notes shall be general obligations payable out of any moneys or revenues of the corporation subject only to any agreements with the holders of particular bonds or notes pledging any particular moneys or revenues.

(e) Whether or not bonds or notes issued by the corporation are of such form and character as to be negotiable instruments, such bonds and notes shall be fully negotiable within the meaning and for all the purposes of the Uniform Commercial Code.

(d) The corporation may issue temporary or interim bonds, pending the preparation of definitive bonds, exchangeable for definitive bonds.

(e) Bonds and notes shall be authorized by resolution of the corporation and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates not exceeding 6% per annum, be in such denominations, be in such form either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment and at such place or places, and be subject to such terms of redemption with or without premium as such resolution or resolutions may provide. Bonds or notes may be sold at public or private sale for such price or prices as the corporation shall determine.

(f) Any resolution of the corporation authorizing the issuance of bonds or notes may appoint a trustee or trustees, a paying agent or paying agents, or such other fiduciaries as such resolution may provide. Any trustee, paying agent and other fiduciary so appointed may be any trust company or bank having the powers of a trust company within or without the State.

C. 12:11A-12 Security for payment of bonds.

12. (a) In order to secure the payment of its bonds or notes, the corporation shall have power in the resolution authorizing the
issuance thereof (which shall constitute a contract with the holders thereof):

(i) to pledge all or any part of its rents, tolls, fees or revenues to which its right then exists or may thereafter come into existence, and the moneys derived therefrom, and the proceeds of bonds or notes;

(ii) to covenant against pledging all or any part of its rents, tolls, fees or revenues, or against mortgaging all or any part of its real or personal property then owned or thereafter acquired, or against permitting or suffering any lien on such rents, tolls, fees, revenues or property; to covenant with respect to limitations on any right to sell, lease or otherwise dispose of any marine terminal or any part thereof, or any property of any kind;

(iii) to covenant as to the bonds and notes to be issued and the limitations thereon and the terms and conditions thereof and as to the custody, application and disposition of the proceeds thereof, and to covenant as to the issuance of additional bonds or notes or as to limitations on the issuance of additional bonds or notes and on the incurring of other debts by it;

(iv) to covenant as to the payment of the principal of or interest on the bonds or notes, or any other obligations, as to the sources and methods of such payment, as to the rank or priority of any such bonds, notes or obligations with respect to any lien or security or as to the acceleration of the maturity of any such bonds, notes or obligations;

(v) to provide for the replacement of lost, destroyed or mutilated bonds or notes;

(vi) to covenant against extending the time for the payment of bonds or notes or interest thereon;

(vii) to covenant as to the redemption of bonds or notes and privileges of exchange thereof or other bonds or notes of the corporation;

(viii) to covenant as to the rates of rents, tolls, fees and other charges to be established and charged, the amount to be raised each year or other period of time by rents, tolls, fees or other revenues and as to the use and disposition to be made thereof; to create or authorize the creation of special funds or moneys to be held in pledge or otherwise for construction, operating expenses, payment or redemption of bonds or notes, reserves or other purposes and to covenant as to the use and disposition of the moneys held in such funds;
(ix) to establish the procedure, if any, by which the terms of any contract or covenant with or for the benefit of the holders of bonds or notes may be amended or abrogated, the amount of bonds or notes the holders of which must consent thereto, and the manner in which such consent may be given;

(x) to covenant as to the maintenance of its real and personal property, the replacement thereof, the insurance to be carried thereon, and the use and disposition of insurance moneys;

(xi) to provide for the rights and liabilities, powers and duties arising upon the breach of any covenant, condition or obligation; to prescribe the events of default and the terms and conditions upon which any or all of the bonds or notes shall become or may be declared due and payable before maturity and the terms and conditions upon which any such declaration and its consequences may be waived;

(xii) to vest in a trustee or trustees such property, rights, powers and duties in trust for the holders of bonds or notes as the corporation may determine; to limit or abrogate the rights of the holders of such bonds or notes to appoint such trustee, or to limit the rights, duties and powers of such trustee;

(xiii) to limit the rights of the holders of bonds or notes to enforce any pledge or covenant securing the bonds or notes; and

(xiv) to make covenants other than and in addition to the covenants herein expressly authorized, of like or different character; and to make such covenants to do or refrain from doing such acts and things as may be necessary or convenient or desirable in order to better secure the bonds or notes or which, in the absolute discretion of the corporation will tend to make the bonds or notes more marketable, notwithstanding that such covenants, acts or things may not be enumerated herein.

(b) Any pledge of rents, tolls, fees or other revenues or other moneys made by the corporation shall be valid and binding from the time when the pledge is made; the rents, tolls, fees or other revenues or other moneys so pledged and thereafter received by the corporation shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the corporation irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created
need be filed or recorded except in the records of the corporation. Resolutions providing for the issuance of bonds or notes shall not convey or mortgage any project or any part thereof.

(c) Bonds or notes may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceeding or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this act.

(d) The corporation shall not have power to mortgage real property.

(e) Moneys of the corporation or moneys held in pledge or otherwise for the payment of bonds or notes or in any way to secure bonds or notes and deposits of such moneys may be secured in such manner as the corporation may require and all banks and trust companies are authorized to give such security therefor.

(f) Neither the members of the corporation nor any person executing bonds or notes shall be liable personally on the bonds or notes or be subject to any personal liability or accountability by reason of the issuance thereof.

(g) The corporation shall have the power to purchase bonds or notes out of any funds available therefor. The corporation may hold, cancel or resell such bonds or notes subject to and in accordance with agreements with holders of its bonds and notes.

13. (a) The corporation shall establish and maintain a fund called the "South Jersey Port Corporation Reserve Fund" in which there shall be deposited (1) moneys appropriated therefor by the State, (2) proceeds of bonds required to be deposited therein by terms of any contracts between the corporation and its bondholders, and (3) other moneys or funds of the corporation which it determines to deposit. Moneys in the reserve fund shall be held and applied solely to the payment of the interest on and principal of bonds of the corporation as the same shall become due and payable and for the retirement of bonds, and shall not be withdrawn therefrom if such withdrawal would reduce the amount in such fund to less than the "maximum debt service reserve," as hereinafter defined, except for payment of interest then due and payable on bonds and the principal of bonds then maturing and for the retirement of bonds in accordance with the terms of any contracts between the corporation and its bondholders and for which payment of interest or principal or retirement of bonds other moneys of
the corporation are not then available in accordance with the terms of any such contracts. As herein used "maximum debt service reserve" means, as of any date of computation, the largest amount of money required by the terms of any contracts between the corporation and its bondholders to be raised in any succeeding calendar year for the payment of interest on and maturing principal of outstanding bonds and payments required by the terms of any such contracts to sinking funds established for the payment or redemption of such bonds, calculated on the assumption that bonds will cease to be outstanding after date of such computation by reason of the payment of bonds at their respective maturities and the payments of such required moneys to sinking funds and the application thereof in accordance with the terms of any such contracts to the retirement of bonds. Moneys in said fund at any time in excess of the maximum debt service reserve, whether by reason of investment or otherwise, may be withdrawn at any time by the corporation and transferred to any other fund or account of the corporation.

(b) Moneys at any time in the South Jersey Port Corporation Reserve Fund or in any other fund or account of the corporation may be invested in any obligations of, or as to which the principal and interest is guaranteed by, this State or the United States, or in certificates of deposit secured by obligations of this State or of the United States.

(c) Notwithstanding any other provision contained in this act, no bonds shall be issued by the corporation unless there is in the reserve fund the maximum debt service reserve for all bonds issued and bonds about to be issued, provided, however, that nothing shall preclude the corporation from satisfying the foregoing requirement by depositing so much of the proceeds of the bonds about to be issued, upon their issuance as is needed to achieve the maximum debt service reserve.

C. 12:11A-14 Maintenance of debt service reserve.

14. In order to assure the maintenance of the maximum debt service reserve in the South Jersey Port Corporation Reserve Fund, there shall be annually appropriated and paid to the corporation for deposit in said fund, such sum, if any, as shall be certified by the chairman of the corporation to the Governor as necessary to restore said fund to an amount equal to the maximum debt service reserve. The chairman shall annually, on or before December 1, make and deliver to the Governor his certificate stating the sum, if any, required to restore said fund to the amount afore-
said, and the sum or sums so certified shall be appropriated and paid to the corporation during the then current State fiscal year.

For purposes of valuation, investments in said fund shall be valued at the lower of cost or market value.

15. The corporation may establish such additional and further reserve funds as may be, in its discretion, necessary and desirable or to comply with the provisions of any agreement made by or any resolution of the corporation.

C. 12:11A-16 Pledge of state's credit.

16. Except as otherwise provided by or pursuant to any law or laws hereafter submitted to the people pursuant to Section II of Article VIII of the State Constitution and approved by a majority of the legally qualified voters of the State voting thereon, bonds or notes issued under the provisions of this act shall not constitute a debt or liability of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, and all such bonds or notes shall contain on the face thereof a statement to that effect.

C. 12:11A-17 State's pledge not to limit certain rights vested in corporation.

17. The State of New Jersey does pledge to and agree with the holders of the bonds or notes issued pursuant to authority contained in this act, that the State will not limit or restrict the rights hereby vested in the corporation to maintain, acquire, construct, reconstruct, improve, own and operate any marine terminal or to enter into lease agreements with private marine terminal operators to operate any marine terminal as defined in this act or to establish and collect such rents, tolls, fees or other charges as may be convenient or necessary to produce sufficient revenues to meet the expenses of such maintenance, acquisition, construction, reconstruction, improvement, ownership and operation thereof and to fulfill the terms of any agreements made with the holders of bonds or notes authorized by this act or in any way impair the rights or remedies of the holders of such bonds or notes until the bonds and notes, together with interest thereon, are fully paid and discharged.

C. 12:11A-18 Investment in corporation bonds by governmental agencies, financial organizations and certain authorized persons.

18. Notwithstanding any restriction contained in any other law, the State and all political subdivisions of this State, their officers, boards, commissions, departments or other agencies, all banks, bankers, trust companies, savings banks and institutions,
building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking or investment business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, and all other persons whatsoever who now are or may hereafter be authorized to invest in bonds or other obligations of the State, may properly and legally invest any sinking funds, moneys or other funds, including capital, belonging to them or within their control in any bonds or notes issued by the corporation under the provisions of this act; and said bonds and notes are hereby made securities which may properly and legally be deposited with and received by any State or municipal officers or agency of the State for any purpose for which the deposit of bonds or other obligations of the State is now or may hereafter be authorized by law.

C. 12:11A-19 Fees and charges for use of marine terminal facilities.

19. The corporation is hereby authorized to fix, revise, charge and collect rents, tolls, fees and charges for the use of each marine terminal and the different parts or sections thereof, and to contract with any person, partnership, association or corporation, desiring the use of any part thereof, for placing thereon telephone, telegraph, electric light or power lines, railroad tracks, railroad sidings, gas stations, garages, stores and restaurants, or for any other purpose, and to fix the terms, conditions, rents and rates of charges for such use; provided, that no contract shall be required, and no rent, toll, fee or other charge of any kind shall be imposed for the use and occupation of any marine terminal for the installation, construction, use, operation, maintenance, repair, renewal, relocation or removal of tracks, pipes, mains, conduits, cables, wires, towers, poles or other equipment or appliances in, on, along, over or under any such marine terminal by any public utility as defined in section 48:2-13 of the Revised Statutes which is subject to taxation pursuant to either chapter 4 of the laws of 1940, as amended (C. 54:30A-16 et seq.), or chapter 5 of the laws of 1940, as amended (C. 54:30A-49 et seq.). Such rents, tolls, fees and charges shall be so fixed and adjusted as to carry out and perform the terms and provisions of any contract with or for the benefit of bondholders. Such rents, tolls, fees and charges shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the State. The use and disposition of rents, tolls, fees, charges, and any and all other revenues shall be subject to the provisions of any resolution authorizing the issuance of such bonds or notes.
C. 12:11A-20  Corporation assets tax-exempt; exception; compensation of counties or municipalities for loss of tax revenue; tax reserve fund; annual certification to Governor.

20. a. The exercise of the powers granted by this act will be in all respects for the benefit of the people of the State, for the increase of their commerce and prosperity, and for the improvement of their health and living conditions, and as the development, operation and maintenance of marine terminals by the corporation will constitute the performance of essential governmental functions, the corporation shall not be required to pay any taxes or assessments upon any marine terminal or any property acquired or used by the corporation under the provisions of this act or upon the income therefrom, and any marine terminal and any property acquired or used by the corporation under the provisions of this act and the income therefrom, and the bonds or notes issued under the provisions of this act, their transfer and the income therefrom (including any profit made on the sale thereof) shall be exempt from taxation; provided, however, that any portion of the real property owned by the corporation and leased to any private marine terminal operator shall not be exempt from taxation.

b. To the end that counties and municipalities may not suffer undue loss of future tax revenue by reason of the acquisition of real property therein by the corporation, the corporation is hereby authorized, empowered and directed to enter into agreement or agreements (hereinafter called "tax agreements") with any county or municipality, prior to the issuance of bonds of the corporation for financing such acquisitions or the expenditure of moneys (other than proceeds of such bonds) for improvement of said property for the purposes of the corporation, whereby it will undertake to pay a fair and reasonable sum or sums (herein called "tax payment") to compensate the said county or municipality for any loss of such tax revenue by reason of the acquisition of any such property by the corporation. Any such tax payments which the corporation is hereby authorized, empowered and directed to make may be computed on an annual basis which shall not be less than the amount of taxes upon the property when last assessed prior to its acquisition by the corporation. Every county and municipality wherein such property shall be acquired by the corporation is authorized, empowered and directed to enter into such tax agreements with the corporation to accept tax payments which the corporation is herein authorized, empowered and directed to make. The obligation of the corporation to make any tax payments from its funds or moneys (other than from moneys in the special fund
hereinafter referred to) shall in every instance be in the manner and to the extent set forth and provided for in such tax agreements and shall be at all times subject to prior use and application of funds and moneys of the corporation to provide for its operating and maintenance expenses and reserve therefor and for principal, interest and retirement of bonds and reserves and securities therefor as provided in any contract with holders of its bonds.

The corporation shall establish and maintain a special fund called the "South Jersey Port Corporation Tax Reserve Fund" in which there shall be deposited (1) moneys appropriated therefor by the State, (2) proceeds of bonds or notes required to be deposited therein by terms of any contract between the corporation and its bondholders or noteholders, and (3) other moneys or funds of the corporation available for such deposit pursuant to the terms of tax agreements or said contract. Moneys in such funds shall be held and applied solely to the payment of tax payments of the corporation as the same shall be due and payable, and shall not be withdrawn therefrom if such withdrawal would reduce the amount in such fund to less than the "property tax reserve," as hereinafter defined, except for payment of tax payments then due and payable and for which payments other moneys of the corporation are not then available in accordance with the terms of any tax agreements or said contracts. As herein used "property tax reserve" means, as of any date of computation in a particular year, the total amount of money required by the terms of all tax agreements of the corporation to be raised in such year for tax payments reduced by the amount of all prior tax payments made in such year.

In order to assure provision of the property tax reserve in said fund, there shall be annually appropriated and paid to the corporation for deposit in said fund, such sum, if any, as shall be certified by the chairman of the corporation to the Governor as then necessary to provide in said fund an amount equal to the property tax reserve. The chairman shall annually, on or before December 1, make and deliver to the Governor his certificate stating the sum if any needed to provide in said fund the amount of the property tax reserve as of said date, and the sum or sums so certified shall be appropriated and paid to the corporation during the then current fiscal year. For purpose of any valuation hereunder investment of said fund shall be valued at current market value.

21. Whenever, in its uncontrolled discretion, the corporation shall decide to enter into a lease agreement or agreements
with any private marine terminal operator or operators for the purpose of operating any of the marine terminals established, acquired, constructed, rehabilitated, improved, operated, owned or maintained by the corporation, the corporation shall include in such agreement or agreements provisions for the maintenance and keeping in good condition and repair any marine terminal which is the subject of said agreement or agreements.

C. 12:11A-22 Annual report of activities; personnel report; public inspection of records; annual audit; conflict of interest, penalty.

22. a. On or before January 30 in each year the corporation shall make an annual report of its activities for the preceding calendar year to the Governor and to the Legislature. Each such report shall set forth a complete operating and financial statement covering its operations during the year. The corporation shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants and the cost thereof may be treated as a part of the cost of construction or of operation of the terminal or terminals.

b. The corporation shall annually submit to the Governor and the Legislature a list of all full- and part-time employees of the corporation and the salaries, wages, compensation or any funds of the corporation whatsoever received by said employees during the preceding year. For the purpose of this section "full- and part-time employees of the corporation" shall mean and include, but not be limited to: salaried employees, hourly employees, professional employees, attorneys, advisors, consultants and any other person, firm, business, partnership, corporation or other organization which received any remuneration for any service whatsoever rendered to the corporation.

c. All books of minutes, entry or account, and the books, bills, vouchers, checks, contracts or other papers connected with or used or filed in the office of the corporation, or with any officer acting for or in its behalf, are hereby declared to be public records, and shall be open to public inspection at all times, subject to reasonable regulations to be prescribed by said corporation.

d. Notwithstanding the provisions of any general or special statutes, the State Auditor and his legally authorized representatives shall annually examine the accounts and books of the corporation, including: (1) its operations and accomplishments; (2) its receipts and disbursements, or revenues and expenses, during such fiscal year in accordance with the categories and classifications established by the corporation for its own operating and capital
outlay purposes; (3) its assets and liabilities at the end of the fiscal year including the status of reserve, depreciation, special or other funds and including the receipts and payment of these funds; (4) its bonds and notes outstanding at the end of its fiscal year, together with a statement of the amounts redeemed and incurred during such fiscal year; and such other items referring to their financial standing as such auditing official may deem proper.

e. Any member, agent or employee of the corporation who is interested, either directly or indirectly, in any contract of another with the corporation or in the sale of any property, either real or personal, to the corporation shall be guilty of a misdemeanor and punished by a fine of not more than $1,000.00 or by imprisonment for not more than 1 year, or both.

C. 12:11A-23 Provisions of act supplement powers conferred by other laws; certain requirements of other laws not applicable.

23. The foregoing sections of this act shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby, and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that the issuance of bonds or notes under the provisions of this act need not comply with the requirements of any other law applicable to the issuance of bonds or notes.

24. There is hereby appropriated to the South Jersey Port Corporation to defray the cost of its studies and preliminary developmental plans the sum of $150,000.00. Upon the sale of bonds by the corporation, the corporation shall reimburse the State Treasury for all State funds appropriated pursuant to this section and expended by the corporation.

ARTICLE 2. DISSOLUTION OF SOUTH JERSEY PORT COMMISSION

C. 12:11A-24 Commission's final audit; certification and discharge of indebtedness.

25. a. On or before the ninetieth day after the effective date of this act the South Jersey Port Commission shall prepare or cause to be prepared a final and complete audit of its financial accounts and records and shall submit same to the Treasurer of the State of New Jersey; provided, however, that the treasurer, in his discretion, may extend the time for the commission to submit the audit beyond said 90 days if such extension is necessary to

complete said audit. Said audit shall contain an appraisal of the value of the facilities of the commission.

b. Upon receipt of the audit the treasurer shall certify the exact indebtedness of the commission owing to creditors, bondholders and the city of Camden as of the effective date of this act, and upon such certification the South Jersey Port Commission is dissolved and the facilities of the commission and all the rights, title and interest of the commission in any of its records and papers are hereby transferred to the South Jersey Port Corporation, established pursuant to this act, to be held, used and applied for the purposes of this act.

c. The exact indebtedness of the commission as certified by the treasurer shall be a financial obligation of the State of New Jersey, except, that of the amount of said indebtedness owing to the city of Camden, only so much thereof as is equal to the appraised value of the facilities of the commission, as certified by the treasurer, shall constitute an obligation of the State. In order to discharge the obligations herein assumed there is hereby appropriated from the General Treasury of the State of New Jersey for the fiscal year 1967-1968, the sum of $1,000,000.00, and there shall be appropriated annually commencing in fiscal year 1968-1969, and continuing through fiscal year 1971-1972, the sum of $1,000,000.00, or so much thereof as shall be necessary to discharge the obligations herein assumed by the State owing to the creditors and bondholders of the commission and to the city of Camden; provided, that the sum appropriated shall be first applied toward the reduction of the indebtedness owing to creditors and bondholders other than the city of Camden and thereafter to said city to the extent of the obligation herein assumed by the State; and, provided further, that prior to the application of any sum appropriated toward the reduction of the indebtedness owing to the city of Camden said city shall adopt such resolutions and ordinances, which it is hereby authorized to adopt, as are necessary to make a contribution by way of extinguishment of a part of the debt owing to it by the South Jersey Port Commission, which contribution shall include any interest charges on the debt owing to it by said commission which may accrue from the effective date of this act, and which contribution shall amount to such sum as shall, when added to the sum to be appropriated pursuant to this section and the sum appropriated pursuant to section 8 of Article II of chapter 84 of the laws of 1967, permit the complete extinguishment of all indebtedness owing by the South Jersey Port Commission to the city of Camden.
C. 12:11A-25 Corporation directed to reimburse State; limitations.
26. The South Jersey Port Corporation is hereby authorized, empowered and directed to enter into an agreement or agreements with the State of New Jersey whereby such sums as shall have been paid by the State in the discharge of the obligations of the State pursuant to this act may be reimbursed to the State out of the funds of the corporation; provided, however, that nothing in this section shall be interpreted as requiring the corporation to issue any bonds for the express purpose of fulfilling such agreement; and no such agreement between the State of New Jersey and the corporation shall infringe the rights or in any way affect the obligations of the corporation to any of its bondholders, nor shall any such agreement impair the financial integrity of the corporation or prevent the corporation from undertaking any project or projects which it is authorized to undertake and for which it is authorized to issue bonds pursuant to the provisions of this act; and, provided further, that prior to any such agreement between the State of New Jersey and the corporation an audit of the financial records of the corporation shall be made by the Treasurer of the State of New Jersey and said treasurer shall certify that such agreement will not impair the financial integrity of the corporation; and, provided further, that nothing in this section shall be interpreted as requiring the corporation in any agreement or agreements to repay the total sum appropriated by the State of New Jersey in the discharge of the State’s financial obligations pursuant to the provisions of this act.

27. This act, being necessary for the welfare of the State and its inhabitants, shall be liberally construed to effect the purposes thereof.

28. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provisions or application and to this end the provisions of this act are declared to be severable.

29. All bondholders and other creditors of the commission and persons having claims against or contracts with the commission of any kind or character may enforce such debts, claims and contracts
against the corporation as successor to the commission in the same manner as they might have had against the commission, and the rights and remedies of such bondholders, creditors and persons having claims or contracts shall not be limited or restricted in any manner by this act. All property, rights and powers of the commission are hereby vested in and shall be exercised by the corporation, subject, however, to all pledges, covenants, agreements and trusts made or created by the commission respectively. All debts, liabilities, obligations, agreements and covenants of the commission, except to the extent otherwise specifically provided or established to the contrary in this act, are hereby imposed upon the corporation. In continuing the functions and carrying out the contracts, obligations and duties of the commission, the corporation is hereby authorized to act in its own name or in the name of the commission as may be convenient or advisable under the circumstances from time to time. The provisions of this act shall be subject to the limitation that the corporation, after acquiring the rights, properties and facilities of the commission, shall not apply any funds or revenues derived from any rights, properties or facilities which prior to such acquisition were under control of the commission except to the payment of bonds, or interest thereon, issued before such acquisition, but this shall not limit the subsequent application of tolls, charges or revenues from any such rights, properties or facilities to the payment of bonds or notes authorized or issued by the corporation after time of such acquisition.

1. Section 1 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.1 Advance loans; authorization, prepayments.
1. A. Subject to the provisions of this act, a bank may lend money to a borrower by advancing funds to or for the account of the borrower pursuant to the borrower's written authorizations. Such authorizations may take the form of checks drawn on the bank by the borrower, notwithstanding that the borrower has no funds, or has insufficient funds on deposit in the bank out of which such checks may be paid, or they may take such other form as the bank and the borrower agree upon. Loans made pursuant to this act are referred to in this act as "advance loans" and persons to whom advance loans are made are referred to as "advance loan borrowers."

B. Nothing in this act shall apply to loans otherwise authorized by law or enforceable at law.

C. A borrower may at any time prepay in part or in full the amount owing on advance loans, without penalty or prepayment charge.

2. Section 2 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.2 Written contract required; statement of provisions.
2. A. No advance loan shall be made except pursuant to a written contract, referred to in this act as the "advance loan contract," between the bank and a borrower or borrowers. The advance loan contract, which need be signed only by the borrower or borrowers, may contain such provisions, not inconsistent with this act or otherwise prohibited by law, which the bank and the borrower may agree upon, but each such contract shall state
(a) the amount, exclusive of interest, insurance premiums and other charges, in which the borrower may be indebted to the bank at any one time upon all advance loans made by the bank to the borrower;

(b) the periods, referred to in this act as “billing cycles,” which will elapse between the days on which payments are required to be made on advance loans, but no billing cycle shall be more than 1 month in duration;

(c) the amount of each payment required to be made monthly on advance loans. Such amount may be stated in terms of dollars and cents, or in any other terms consistent with the limitations imposed by section 5 of this act;

(d) the rate of interest payable on such loans;

(e) if late charges are to be made on installments in arrears, the amount of the charge which will be imposed, subject to the limitations contained in section 7; and

(f) if service charges are to be made on advance loans, the amount of the charge which will be imposed, subject to the limitation contained in section 8.

B. When an advance loan contract provides that the bank will make advance loans to a depositor for the purpose of covering overdrafts in an account maintained in the bank by the depositor, the contract shall also provide how the amount of such loans shall be determined when overdrafts occur. The advance loan contract may provide that the amount of the advance loan shall equal the amount by which the account is overdrawn, or it may provide that, when the amount of the overdraft is not in a sum equal to an even multiple of $100.00, or an even multiple of such other sum, less than $100.00, as the contract may prescribe, the amount of the loan shall equal the nearest even multiple of $100.00, or the nearest even multiple of such other sum, less than $100.00, as the contract may prescribe, which is greater than the amount of such overdraft.

C. If the bank has adopted a program pursuant to which either or both credit life insurance and credit accident and health insurance may be applied for on behalf of advance loan borrowers, and, if an advance loan borrower requests in writing that either or both such insurances be obtained, the contract shall so indicate. If the contract provides that more than one person may borrow under its provisions, the contract shall state the name of the person to be covered by such insurance. Nothing herein shall be construed as requiring that a bank undertake to make such insurance available to advance loan borrowers.
D. No advance loan contract, and no instrument executed in connection therewith, shall contain any power to confess judgment or provide that payment of the advance loan shall be accelerated because the bank deems itself insecure.

3. Section 3 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.3 Authorization as evidence of loan.

3. Each authorization made by the advance loan borrower, evidenced in any manner provided in the contract between the bank and such borrower, and honored by the bank as provided in section 1 of this act shall be evidence of a loan made by the bank to the advance loan borrower in the amount advanced by the bank. Each authorization so honored shall constitute an advance loan, and the date on which the bank honors the authorization shall be the date of the advance loan.

4. Section 4 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.4 Periodic statement to borrower; contents; certain options available to bank.

4. A. For each billing cycle at the end of which there is an outstanding balance on any advance loan, the bank shall render a statement to the borrower which shall show

(a) the aggregate balance owing on all advance loans at the beginning of the billing cycle;

(b) the amount and date of each advance loan made during such cycle;

(c) the amount of the payments on such loan received by the bank during such cycle;

(d) the amount of all charges made by the bank during such cycle, specifying the nature of each charge; provided that, when there is more than one charge in any category of charges, an aggregate amount may be shown for each such category;

(e) the amount upon which the interest was computed for such cycle;

(f) the aggregate balance owing on all advance loans at the end of such cycle;

(g) the amount required to be paid to keep the borrower’s account current; and

(h) the date by which or the period, if any, within which payment must be made.
Such statement shall contain a notice set in conspicuous type in form as follows: "This statement represents an accounting between the bank and you. If there is an error in it, call it to the bank's attention promptly in writing. Failure to do so within 6 months from the date of this statement may bar your right to have the error corrected." If the notice is placed on the reverse side of the statement, the face of the statement shall bear the following legend in conspicuous type: "See the reverse side of this statement for an important notice in respect to your rights." "Conspicuous type" as used herein means type which is larger than that in which the body of the statement is set, and in any case shall consist of bold type no smaller than 10 point.

B. If, pursuant to an advance loan contract, more than one type of advance loan may be made to a borrower, separate statements may, in the bank's discretion, be rendered by the bank to the borrower in respect to all advance loans of the same type, or a single statement may be rendered in respect to all advance loans, regardless of type. The bank may, at its option, use different billing cycles for different types of advance loans made to a borrower.

C. If 2 or more persons are authorized to borrow under the same advance loan contract, the contract may designate one of such persons as the one to whom statements shall be rendered. In the absence of such a designation, statements shall be rendered to each of such persons, except that a single statement may be rendered to all such persons who have the same address.

D. The rendering of a statement by a bank to an advance loan borrower pursuant to this section shall constitute an accounting by the bank to all borrowers under the same advance loan contract. Such accounting shall, after 6 months from its rendition, be conclusively presumed to be correct, and the borrower or borrowers and all those claiming through him or them shall thereafter be barred from questioning it for any cause, unless, before the expiration of the 6-month period, a borrower, or someone claiming through him gives notice by certified mail to the bank questioning the correctness of the accounting. When such notice is given, the accounting shall, after the lapse of 1 year from the date on which such notice is given, be conclusively presumed to be correct, and the borrower or borrowers and all those claiming under him or them shall thereafter be barred from questioning it for any cause, unless, within such 1-year period, an action is begun by a borrower or someone claiming through him in which the correctness of the account may be determined.
5. Section 5 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.5 Monthly payments; amount, order of payment application.
5. A. The amount of the monthly payment required to be made on advance loans in reduction thereof shall at least equal $10.00, unless the aggregate balance owing on all advance loans at the end of a billing cycle is less than $10.00, in which case the amount of the payment shall be equal to the amount so owing.

B. Unless the contract provides otherwise, monthly payments shall be applied in the following order: (1) to interest; (2) to premiums on credit life or credit accident and health insurance, or both; (3) to late charges imposed pursuant to section 7 of this act; (4) to service charges imposed pursuant to section 8 of this act; and (5) to principal.

6. Section 6 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.6 Interest rate; treatment of certain insurance premiums.
6. A. The rate of interest contracted for or received by a bank on advance loans shall not exceed 1% per month on the daily principal balances owing on all advance loans outstanding in respect to a borrower. Interest may be reckoned according to any method authorized by section 31:1-1 of the Revised Statutes.

B. For the purposes of this section, charges for premiums advanced by the bank for credit life insurance, or credit accident and health insurance, or both, shall be treated as part of the principal balance owing on an advance loan, but no such charge shall be included in determining the maximum permissible indebtedness as limited by section 11 of this act.

7. Section 7 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.7 Late charges; collection fee schedule for loans in default.
7. A. If any payment on advance loans remains unpaid for a period of more than 15 days after such payment falls due pursuant to the contract between the bank and the borrower governing such loans, the bank may make and collect a late charge in such amount as may be provided for in the contract between the bank and the borrower, but no such late charge shall exceed 5% of the amount
of the payment so in default, or $5.00, whichever is the lesser, and not more than one late charge shall be made on any one payment in arrears.

B. Upon institution of proceedings for the collection of advance loans in default, a bank may charge a collection fee, in addition to court costs, according to the following schedule:
   (a) on the first $750.00 of indebtedness, 15%;
   (b) on the excess over $750.00, 10%, but in no case shall such collection fee exceed $500.00.

8. Section 8 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.8 Service charges.
   8. In addition to the other charges which are authorized to be made by this act, a bank may collect a service charge from each advance loan borrower for each billing cycle in which any part of an advance loan remains unpaid. Such service charge shall not exceed a sum equal to (a) the number of advance loans made to such borrower during such billing cycle multiplied by $0.25, or (b) $0.50, whichever is the greater.

C. 17:9A-59.9 Repealed.
   9. Section 9 of the act of which this act is amendatory is repealed.

10. Section 10 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.10 Security; certain insurance not prohibited.
   10. A bank which makes an advance loan shall not, prior to default in such loan, take any security therefor. Neither this section nor any other section of this act shall be construed as prohibiting the bank from obtaining or providing credit life insurance or credit accident and health insurance, or both, for a borrower’s benefit and at his written request.

11. Section 11 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.11 Limitation upon liability to bank on advance loans.
   11. No bank shall make any advance loan for the payment of which any person shall be liable in any capacity to the bank if the making of such loan would cause the liability in any capacity of such person to the bank on all advance loans to exceed $5,500.00, exclusive of interest, insurance premiums and other charges.

12. Section 12 of the act of which this act is amendatory is amended to read as follows:
C. 17:9A-59.12 Violation of limitation upon liability; penalty.

12. For a violation of section 11 of this act, the bank shall forfeit all interest on so much of the aggregate of all advance loans made to any one person as exceeds the limitations imposed by the said section.

13. Section 13 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-59.13 Collection of excess interest rates or unlawful taking of security; penalty.

13. If a bank knowingly collects interest on advance loans at a rate in excess of that authorized by section 6 of this act, or if a bank knowingly violates section 10 of this act, the bank shall forfeit the entire interest on such advance loans, and the borrower, or his legal representatives may recover back, in an action against the bank, twice the amount of interest paid to the bank on such loans; provided such action is commenced within 2 years from the date such excess interest was collected, or the date when security for such loan was taken, as the case may be.

C. 17:9A-59.16 Bank may contract with merchants to guarantee payment of certain checks.

14. A bank which enters into a contract with a borrower to make advance loans pursuant to the act of which this act is amendatory and supplementary may contract with merchants to guarantee to them the payment of checks which are drawn on it by advance-loan borrowers and which are given by such borrowers to such merchants in whole or part payment for merchandise sold or services rendered by such merchants to such borrowers. A guarantee so made shall not be deemed to be a violation of section 213.1 of "An Act concerning banking and banking institutions" (Revision of 1948), approved April 29, 1948 (P. L. 1948, c. 67).

C. 17:9A-59.17 Short title.

15. The act of which this act is amendatory and supplementary shall be known and may be cited as "The Advance Loan Law of 1968."

16. This act shall take effect immediately, but for a period of 6 months following the effective date hereof, this act and the act of which this act is amendatory and supplementary shall both be in full force and effect and, during such period, contracts may be entered into and loans made pursuant to this act and the act of which this act is amendatory and supplementary. After the expiration of such 6-month period, all such contracts and loans, including

Such allotment to be on a basis which in the discretion of the commission appears most appropriate for the purpose of providing continuity of racing in the State but which does not result in allotting more than 8 such additional days to any one permit holder; and provided, further, that such permit holder has not violated any of the provisions of this act.

2. Section 27 of the act of which this act is amendatory (C. 5:5-47) is amended to read as follows:

3. This act shall take effect immediately.

6. Section 47 of the act of which this act is amendatory (C. 40:37A-90) is amended to read as follows:

47. This act shall be construed liberally to effectuate the legislative intent and as complete and independent authority for the performance of each and every act and thing herein authorized, and an authority shall not constitute or be deemed to be a county or municipality or agency or component of a municipality for the purposes of any other law; provided, however, that no authority, other than an authority created in a county of the second class having a population in excess of 265,000, but less than 350,000 inhabitants or in a county of the fifth class having a population in excess of 150,000, but less than 300,000 inhabitants, shall exercise the powers of a common carrier, and, except as hereinabove in this section set forth, nothing contained in this act shall in any way affect or limit the jurisdiction, rights, powers or duties of any State regulatory agencies.

C. 40:37A-92 Employees' right to organize; working hours limited.

7. Employees of a public transportation facility operated by any county improvement authority shall have the right to self-organization, to form, join or assist labor organizations and to bargain collectively through representatives of their own choosing. It shall be the obligation of such authority to recognize and bargain exclusively with a labor organization representing a majority of its employees in an appropriate unit with respect to wages, salaries, hours, working conditions and welfare and pension and retirement provisions, and, upon reaching agreement with such labor organi-
zation, to enter into and execute a written contract incorporating therein the agreements so reached. No agreement relating to hours of employment shall require or permit employees to work a number of hours per day or per week in excess of such hours as may be provided by Federal or State laws relating to similar employment in private industry.

C. 40:37A-93 Representation of employees to be determined by election.

8. If there is a question whether a labor organization represents a majority of employees in the appropriate unit, such question shall be submitted by either the county improvement authority operating the public transportation facility or the labor organization to an election conducted under the auspices of the New Jersey State Board of Mediation, which shall have authority to conduct such an election and to certify the result thereof. If there is a question as to whether the proposed unit is appropriate, that matter shall be referred to arbitration as hereinafter set forth. In determining the unit or units appropriate for the purpose of collective bargaining, the arbitrator shall be guided by the standards developed under the Federal labor laws in determining unit questions and applied to comparable industries.

C. 40:37A-94 Assumption of contracts and agreements by improvement authority; transfer of employment rights, privileges and benefits.

9. Whenever a county improvement authority shall acquire an existing privately-owned transportation system pursuant to authorization by the board of chosen freeholders, such acquisition may be subject to the assumption by the authority of all contracts and agreements of every kind and nature of the privately-owned transportation system acquired. All of the employees of such system, except executive or supervisory officers and employees, shall be transferred to the employment of such authority with all employment rights, privileges and benefits which they previously enjoyed in such transportation system, including sick leave, seniority, vacation and pension credits. Such employees and former employees who are members or beneficiaries of any pension or other benefit plan or arrangement shall be entitled to a continuation of all benefits with respect to welfare, sickness, vacations, pension or retirement benefits as they previously enjoyed prior to the acquisition by such authority. The authority shall assume the obligations of any transportation system acquired by it with regard to wages, salary, hours, working conditions, sick leave, health and welfare and pension or retirement provisions of employees. It shall assume the provisions of any collective bargaining agree-
ment between such acquired transportation system and the representatives of its employees. No employee of any acquired transportation system who is transferred to a position with such authority, shall, by reason of such transfer, be placed in any lesser or adverse position with respect to workmen’s compensation, pension, seniority, wages, sick leave, vacation, health and welfare insurance or any other benefits that he enjoyed as an employee of such acquired transportation system, unless the employee shall consent thereto in writing or that such conditions of employment, benefits or rights are incorporated in a collective bargaining agreement entered into between the authority and the labor organization representing a majority of its employees.

C. 40:37A-95 Acquisition and change of existing transportation system; limitations.

10. No county improvement authority authorized to operate a public transportation facility shall acquire any existing transportation system or part thereof whether by purchase, lease, condemnation or otherwise, nor shall the authority dispose of or lease any transportation system or part thereof, nor merge, consolidate, or coordinate any transportation system or part thereof, nor substitute any type of equipment on any such system or part thereof for the then existing equipment, or reduce or limit the lines or service of any such existing system, or of its system, unless it shall first have made adequate provision for any employees who are or may be displaced, or whose wages, hours, place, or conditions of employment are or may be adversely affected. The terms and conditions of such provisions shall be a proper subject of collective bargaining with the labor organizations that represent such employees. In no event, however, shall such protective conditions and benefits for any employee be less than those established pursuant to section 10(c) of the Urban Mass Transportation Act of 1964 (49 U.S.C. 1609(c), 78 Stat. 307).

C. 40:37A-96 Settlement of labor disputes by arbitration.

11. In the case of any labor dispute between a county improvement authority operating a public transportation facility and its employees where collective bargaining does not result in agreement, irrespective of whether such dispute relates to the making or maintaining of collective bargaining agreements, the terms to be included in such agreements, the interpretation or application of such agreements, the adjustment of any grievance or any difference or any question that may arise between the authority and the labor organization representing its employees concerning wages, salaries,
hours, working conditions or benefits including health and welfare, sick leave, insurance, or pension or retirement provisions, the authority shall offer to submit such dispute to final and binding arbitration by a single arbitrator or by a tripartite board of arbitrators. Upon acceptance by the labor organization of such arbitration proposal, if the dispute is referred to a single arbitrator, such arbitrator shall be one who may be agreed upon by the authority and the labor organization involved, and, in the event that said parties cannot agree upon the identity of the arbitrator then such arbitrator shall be selected through the use of the New Jersey State Board of Mediation in accordance with its usual procedure and rules relating to the selection of arbitrators in labor disputes. Should the matter be referred to a tripartite board, the authority shall designate one such arbitrator, the labor organization shall designate one such arbitrator and the third, impartial arbitrator, who shall be the chairman of the board, shall be selected by the 2 arbitrators thus designated; in the event of their inability to select such third arbitrator they shall seek the appointment of the third arbitrator by use of the New Jersey State Board of Mediation which shall proceed to select such arbitrator in the manner provided by the rules and practices of said State Board of Mediation with respect to arbitrators of labor disputes. The cost of arbitration shall be borne equally by both parties except that in the event that a tripartite board is sued, the services of the arbitrator designated by each party shall be paid for by such party. The arbitration proceeding shall take place in the manner provided by the rules of the New Jersey State Board of Mediation applicable to arbitration of labor disputes and the decision of the arbitrator or board of arbitrators shall be final and binding upon the parties.

C. 40:37A-97 Authority and power of improvement authorities operating a public transportation facility.

12. County improvement authorities operating a public transportation facility shall have the following authority and power:

(1) To execute a collective bargaining agreement requiring, as a condition of employment on or after the thirtieth day following the beginning of employment or the effective date of the agreement, whichever is the later, membership in good standing of all employees within the bargaining unit in the labor organization representing a majority of the employees in such unit.

(2) To enter into a collective bargaining agreement under which it will withhold union dues, fees or assessments from the wages of the employees and pay the same on behalf of said employees to the labor organization.
(3) To agree to pay and to pay contributions for the establishment or maintenance of any health and welfare plan or any pension or retirement plan.

(4) To make deductions from wages of employees, upon authorization of such employees for any purposes for which any private employer may make such deductions.

13. Any county improvement authority may engage in the business of operation of public transportation facilities for the transportation of passengers and property on scheduled routes, within the territorial limits of the county and beyond the territorial limits of the county, with the consent of the governing bodies of the municipalities into which such operation is extended, and on nonscheduled routes, by contract. A copy of each contract for charter or operation on a nonscheduled route shall be maintained in the office of the authority as a public record available for inspection during normal business hours.

Any county improvement authority which establishes or acquires public transportation facilities may contract with any person or corporation for the operation thereof upon such terms and conditions as the authority shall determine.

C. 40:37A-99 Classification of authority as public utility.

14. A county improvement authority engaged in the operation of a public transportation facility shall be deemed to be a public utility and its powers and operations shall be subject to the provisions of Title 48 of the Revised Statutes and the regulation and control of the Board of Public Utility Commissioners.

15. This act shall take effect immediately.

Approved June 18, 1968.

An Act to protect the civil rights of persons serving in the armed forces, providing for the deferment of certain tax and contractual obligations of such persons, providing for stays of proceedings to evict such persons and their families from their homes, according re-employment rights to persons returning from military service and providing penalties for persons violating this act.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 38:23A-35 Declaration of policy; construction of act.

1. It has been nationally recognized that because of the emergent conditions which are threatening the peace and imperiling the security of the nation, there is imperative need to augment and strengthen the national defense. It is further recognized that the emergent conditions which endanger the national well-being likewise constitute an imminent threat and hazard to the peace and security of the people of the State. Moreover, it is acknowledged that the exigencies of national defense require that the people of the State, in large numbers, be called into military service, and as a consequence, the health, prosperity and welfare of all of the people of the State is inevitably affected.
In these circumstances, and in order to promote and to assist the national defense, and thereby to protect the peace, prosperity and health of the people of the State, it is necessary that citizens and residents of the State in the military service as well as those who are members of the organized militia or of a reserve component of the Armed Forces of the United States should be free to devote their entire energy and effort to the defense needs of the nation and of the State. To assist in this end, it is essential to provide in certain cases for the temporary suspension of legal proceedings and transactions which may prejudice the civil rights of persons in the military service. It is further essential in the interests of the prosperity and well-being of the people of the State, that such persons, upon completion of military service, be restored to their former employment.

In the interpretation and application of this act, it is hereby declared to be the public policy of the State to maintain, secure and protect the civil and property rights of persons in the military service, as hereinafter defined, and of employees who are members of the organized militia or members of a reserve component of the Armed Forces of the United States.

The Legislature hereby declares the existence of a public emergency affecting the health, safety and comfort of the people, requiring the enactment of the provisions of this act to protect the vital interests of the State.

All the provisions of this act shall be liberally construed for the accomplishment of this purpose.

This act shall be deemed an exercise of the police power of the State, for the protection of the public welfare, prosperity, health and peace of the people of the State.

C. 38:23A-36 Definitions.

2. As used in this act:
   a. The term “military service” means duty by any person, male or female, in the active military service of the United States and active duty in the military service of the State pursuant to an order of the Governor issued pursuant to law.
   b. The term “person” when used herein with reference to the holder of any right alleged to exist against a person in military service, or against a person secondarily liable under such right, shall include individuals, partnerships, corporations, and any other forms of business association.
   c. The term “court” as used herein, shall include any State court of competent jurisdiction, whether or not a court of record.
CHAPTER 78, LAWS OF 1968

C. 38:23A-37 Stay or suspension of legal proceedings or transactions; extension to persons subject to liability; waiver of benefits.

3. a. Whenever, pursuant to any of the provisions of this act, the enforcement of any obligation or liability, the prosecution of any suit or proceeding, the entry or enforcement of any order, writ, judgment or decree, or the performance of any act, may be stayed, postponed or suspended, such stay, postponement or suspension may, in the discretion of the court, likewise be granted to sureties, guarantors, endorsers and others subject to the obligation or liability, the performance or enforcement of which is stayed, postponed or suspended.

b. When a judgment or decree is vacated or set aside, in whole or in part, as provided in this act, the same may, in the discretion of the court, likewise be set aside and vacated as to any surety, guarantor, endorser, accommodation maker or other person whether primarily or secondarily liable upon the contract or liability for the enforcement of which the judgment or decree was entered.

c. Nothing contained in this act shall prevent a waiver in writing of the benefits afforded by paragraphs a. and b. of this section by any surety, guarantor, endorser, accommodation maker, or other persons whether primarily or secondarily liable upon the obligation or liability except that after the date of enactment of this act no such waiver shall be valid unless it is executed as an instrument separate from the obligation or liability in respect of which it applies, and no such waiver shall be valid after the beginning of the period of military service if executed by an individual who, subsequent to the execution of such waiver becomes a person in military service.

C. 38:23A-38 Default of appearance by defendant; affidavit showing military service status; appointment of attorney by court; bond.

4. In any civil action or proceeding commenced in any court, if there shall be a default of an appearance by the defendant, the plaintiff, within 20 days before the entry of judgment or final order, shall file in the court an affidavit setting forth facts showing that the defendant is not in military service. If unable to file such affidavit, plaintiff shall in lieu thereof file an affidavit setting forth either that the defendant is in the military service or that plaintiff is not able to determine whether or not defendant is in such service. If an affidavit is not filed showing that the defendant is not in the military service, no judgment or final order shall be entered without first securing an order of court directing such entry, and no such order shall be made if the defendant is in such service until
after the court shall have appointed an attorney to represent defendant and protect his interest, and the court shall on application make such appointment. Unless it appears that the defendant is not in such service the court may require, as a condition before judgment or final order is entered, that the plaintiff file a bond, approved by the court, conditioned to indemnify the defendant, if in military service, against any loss or damage that he may suffer by reason of any judgment or final order should the judgment or final order be thereafter set aside in whole or in part. And the court may make such other and further order or enter such judgment as in its opinion may be necessary to protect the rights of the defendant under this act.

C. 38:23A-39 Use of false affidavit constitutes perjury; penalty.

5. Any person who shall make or use an affidavit required under section 4, above, knowing it to be false, shall be guilty of perjury, and shall be punishable by imprisonment not to exceed 1 year or by fine not to exceed $1,000.00, or both.

C. 38:23A-40 Person in military service as party; appointment of attorney by court; bond; limitation upon powers of attorney.

6. In any action or proceeding in which a person in military service is a party, if such party does not personally appear therein or is not represented by an authorized attorney, the court may appoint an attorney to represent him; and in such case a like bond may be required and an order made to protect the rights of such person. But no attorney appointed under this act to protect a person in military service shall have power to waive any right of the person for whom he is appointed or bind him by his acts.

C. 38:23A-41 Opening judgment or final order to permit defendant prejudiced by reason of military service to defend.

7. If any judgment or final order shall be rendered in any action or proceeding governed by sections 4, 5 and 6, above against any person in military service during the period of such service, or within 30 days thereafter, and it appears that such person was prejudiced by reason of his military service in making his defense thereto, such judgment or order may, upon application, made by such person or his legal representative, not later than 90 days after the termination of such service, be opened by the court rendering the same and such defendant or his legal representative let in to defend; provided it is made to appear that the defendant has a meritorious or legal defense to the action or proceeding, or to some part thereof. Vacating, setting aside, or reversing any judgment or final order because of any of the provisions of this act shall not
impair any right or title acquired by any bona fide purchaser for value under such judgment or order.

C. 38:23A-42 Stay of action or proceeding.
8. At any stage thereof, any action or proceeding in any court in which a person in military service is involved, either as plaintiff or defendant, during the period of such service or within 60 days thereafter may, in the discretion of the court in which it is pending, on its own motion, and shall, on application to it by such person or some person on his behalf, be stayed as provided in this act, unless, in the opinion of the court, the ability of plaintiff to prosecute the action, or the defendant to conduct his defense, is not materially affected by reason of his military service.

C. 38:23A-43 Relief against enforcement of fine or penalty.
9. When an action for compliance with the terms of any contract is stayed pursuant to this act no fine or penalty shall accrue by reason of failure to comply with the terms of such contract during the period of such stay, and in any case where a person fails to perform any obligation and a fine or penalty for such nonperformance is incurred a court may, on such terms as may be just, relieve against the enforcement of such fine or penalty if it shall appear that the person who would suffer by such fine or penalty was in the military service when the penalty was incurred, and that by reason of such service the ability of such person to pay or perform was thereby materially impaired.

C. 38:23A-44 Stay of execution of judgment or order; vacation or stay of attachment or garnishment.
10. In any action or proceeding commenced in any court against a person in military service, before or during the period of such service, or within 60 days thereafter, the court may, in its discretion, on its own motion, or on application to it by such person or some person on his behalf shall, unless in the opinion of the court the ability of the defendant to comply with the judgment or order entered or sought is not materially affected by reason of his military service:
   a. Stay the execution of any judgment or order entered against such person, as provided in this act; and
   b. Vacate or stay any attachment or garnishment of property, money, or debts in the hands of another, whether before or after judgment as provided in this act.
CHAPTER 78, LAWS OF 1968

C. 38:23A-45 Period of stay; terms; procedure against codefendants.

11. Any stay of any action, proceeding, attachment, or execution ordered by any court under the provisions of this act may, except as otherwise provided, be ordered for the period of military service and 3 months thereafter or any part of such period, and subject to such terms as may be just, whether as to payment in installments of such amounts and at such times as the court may fix or otherwise. Where the person in military service is a codefendant with others the plaintiff may nevertheless, by leave of court, proceed against the others.

C. 38:23A-46 Limitations; exclusion of period of military service.

12. The period of military service shall not be included in computing any period now or hereafter to be limited by any law, regulation or order for the bringing of any action or proceeding in any court, board, bureau, commission, department or other agency of government of this State or any of its governmental subdivisions by or against any person in military service, or by or against his heirs, executors, administrators, or assigns, whether such cause of action or the right or privilege to institute such an action or proceeding shall have accrued prior to or during the period of such service, nor shall any part of such period which occurs after the date of enactment of this act be included in computing any period now or hereafter provided by any law for the redemption of real property sold or forfeited to enforce any obligation, tax or assessment.

C. 38:23A-47 Eviction or distress prohibited; exceptions; penalty.

13. a. No eviction or distress shall be made during the period of military service in respect of any premises for which the agreed rent does not exceed $80.00 per month, occupied chiefly for dwelling purposes by the wife, children, or other dependents of a person in military service, except upon leave of court granted upon application therefor or granted in any action or proceeding affecting the right of possession.

b. On any such application or in any such action the court may, in its discretion, on its own motion, and shall, on application, unless in the opinion of the court the ability of the tenant to pay the agreed rent is not materially affected by reason of military service, stay the proceedings for not longer than 3 months, as provided in this act, or it may make such other order as may be just.

c. Any person who shall knowingly take part in any eviction or distress otherwise than as provided in paragraph a. of this section,
or attempts so to do, shall be adjudged a disorderly person, and shall be punishable by imprisonment not to exceed 1 year or by fine not to exceed $1,000.00, or both.

C. 38:23A-48 Termination of lease; interference with removal of property from leased premises; penalty.

14. a. The provisions of this section shall apply to any lease covering premises occupied for dwelling, professional, business, agricultural, or similar purposes in any case in which such lease was executed by or on the behalf of a person who, after the execution of such lease, entered military service, and the premises so leased have been occupied for such purposes, or for a combination of such purposes by such person or by him and his dependents.

b. Any such lease may be terminated by notice in writing delivered to the lessor (or his grantee) or to the lessor’s (or his grantee’s) agent by the lessee at any time following the date of the beginning of his period of military service. Delivery of such notice may be accomplished by placing it in an envelope properly stamped and duly addressed to the lessor (or his grantee) or to the lessor’s (or his grantee’s) agent and depositing the notice in the United States mails. Termination of any such lease providing for monthly payment of rent shall not be effective until 30 days after the first date on which the next rental payment is due and payable subsequent to the date when such notice is delivered or mailed. In the case of all other leases, termination shall be effected on the last day of the month following the month in which such notice is delivered or mailed and in such case any unpaid rental for a period preceding termination shall be proratably computed and any rental paid in advance for a period succeeding termination shall be refunded by the lessor (or his assignee). Upon application by the lessor to the appropriate court prior to the termination period provided for in the notice, any relief granted in this paragraph shall be subject to such modifications or restrictions as in the opinion of the court justice and equity may in the circumstances require.

c. Any person who shall knowingly seize, hold or detain the personal effects, clothing, furniture or other property of any person who has lawfully terminated a lease covered by this section, or in any manner interfere with the removal of such property from the premises covered by such lease, for the purpose of subjecting or attempting to subject any of such property to a claim for rent accruing subsequent to the date of termination of such lease, or attempts so to do, shall be adjudged a disorderly person and shall
be punished by imprisonment not to exceed 1 year or by fine not to exceed $1,000.00, or both.

C. 38:23A-49 Exercise of right or option under, or rescission of, contract for purchase of property; exception; penalty; procedure.

15. a. No person who has received, or whose assignor has received, under a contract for the purchase of real or personal property, or of lease or bailment with a view to purchase of such property, a deposit or installment of the purchase price or a deposit or installment under the contract, lease or bailment from a person or from the assignor of a person who, after the date of payment of such deposit or installment, has entered military service, shall exercise any right or option under such contract to rescind or terminate the contract or resume possession of the property for non-payment of any installment thereunder due or for any other breach of the terms thereof occurring prior to or during the period of such military service, except by action in a court of competent jurisdiction; provided, that nothing contained in this section shall prevent the modification, termination, or cancellation of any such contract, or prevent the repossession, retention, foreclosure, sale or taking possession of property purchased or received or which is security for any obligation under such contract, pursuant to a mutual agreement of the parties thereto, or their assignees, if such agreement is executed in writing subsequent to the making of such contract and during or after the period of military service of the person concerned.

b. Any person who shall knowingly resume possession of property which is the subject of this section otherwise than as provided in paragraph a. of this section or attempt so to do, shall be adjudged a disorderly person and shall be punished by imprisonment not to exceed 1 year, or by fine not to exceed $1,000.00 or both.

c. Upon the hearing of such action the court may order the repayment of prior installments or deposits or any part thereof, as a condition of terminating the contract and resuming possession of the property, or may, in its discretion, on its own motion, and shall, except as provided in section 17 of this act, on application to it by such person in military service or some person on his behalf, order a stay of proceedings as provided in this act except that such stay under this section may be ordered for the period of military service and 6 months thereafter or any part of such period, unless, in the opinion of the court, the ability of the defendant to comply with the terms of the contract is not materially affected by reason of such service; or it may make such other disposition of the case as may be equitable to conserve the interests of all parties.
C. 38:23A-50 Obligations secured by mortgage, trust deed or other security; relief in enforcement proceedings; penalty.

16. a. The provisions of this section shall apply only to obligations secured by mortgage, trust deed, or other security in the nature of a mortgage upon real or personal property owned by a person in military service at the commencement of the period of his military service and still so owned by him which obligations originated prior to such person's period of military service.

b. In any proceeding commenced in any court during the period of military service to enforce such obligation arising out of non-payment of any sum thereunder due or out of any other breach of the terms thereof occurring prior to or during the period of such service the court may, after hearing, in its discretion, on its own motion, and shall, except as hereinafter provided in this act, on application to it by such person in military service or some person on his behalf, unless in the opinion of the court the ability of the defendant to comply with the terms of the obligation is not materially affected by reason of his military service

(1) Stay the proceedings as provided in this act; or

(2) Make such other disposition of the case as may be equitable to conserve the interests of all parties.

c. No sale, foreclosure, or seizure of property for nonpayment of any sum due under any such obligation, or for any other breach of the terms thereof, whether under a power of sale, under a judgment entered upon warrant of attorney to confess judgment contained therein, or otherwise, shall be valid if made during the period of military service, or within 3 months thereafter, unless upon an order of sale previously granted by the court and a return thereto made and approved by the court.

d. Any person who shall knowingly cause to be made any sale, foreclosure or seizure of property defined as invalid by paragraph c. hereof, or attempts so to do, shall be adjudged a disorderly person and shall be punished by imprisonment not to exceed 1 year, or by fine not to exceed $1,000.00, or both.

C. 38:23A-51 Appointment of appraisers; payment as condition of foreclosing mortgage, resuming possession of property, or rescinding or terminating contract.

17. Where a proceeding to foreclose a mortgage upon or to resume possession of personal property, or to rescind or terminate a contract for the purchase thereof, has been stayed as provided in this act, the court may, unless in its opinion an undue hardship would result to the dependents of the person in military service,
appoint 3 disinterested parties to appraise the property and, based upon the report of the appraisers, order such sum, if any, as may be just, paid to the person in military service or his dependent, as the case may be, as a condition of foreclosing the mortgage, resuming possession of the property, or rescinding or terminating the contract.

C. 38:23A-52 Taxation; relief in enforcement proceedings; interest.

18. a. The provisions of this section shall apply when any taxes or assessments, whether general or special, other than taxes on income, whether falling due prior or during the period of military service in respect of personal property, money or credits or real property owned and occupied for dwelling, agricultural, or business purposes by a person in military service, or his dependents, at the commencement of his period of military service and still so occupied by his dependents or employees, are not paid.

b. No sale of such property shall be made to enforce the collection of such tax or assessment, or any proceeding or action for such purpose commenced, except upon leave of court granted upon application made therefor by the collector of taxes or other officer whose duty it is to enforce the collection of taxes or assessments. The court thereupon, unless in its opinion the ability of the person in military service to pay such taxes or assessments is not materially affected by reason of such service, may stay such proceedings or such sale, as provided in this act, for a period extending not more than 6 months after the termination of the period of military service of such person.

c. When by law such property may be sold or forfeited to enforce the collection of such tax or assessment, such person in military service shall have the right to redeem or commence an action to redeem such property, at any time not later than 6 months after the termination of such service, but in no case later than 6 months after the date when this act ceases to be in force; but this shall not be taken to shorten any period, now or hereafter provided by the laws of the State, or any political subdivision thereof, for such redemption.

d. Whenever any tax or assessment shall not be paid when due, such tax or assessment due and unpaid shall bear interest until paid at the rate of 6% per annum from the date when such tax first became a lien, and no other penalty or interest shall be incurred by reason of such nonpayment, whether such penalty or interest shall have accrued prior or shall accrue subsequent to
the commencement of the period of military service of such person. Any lien for such unpaid taxes or assessment shall also include such interest thereon.

C. 38:23A-53 Insurance policies; prohibition against lapse or forfeiture.
19. a. No policy which has not lapsed for the nonpayment of premium before the commencement of the period of military service of the insured, and which has been brought within the benefits of the Federal "soldiers' and sailors' civil relief act" shall lapse or be forfeited for the nonpayment of premium during the period of such service, or during 1 year after the expiration of such period, provided that in no case shall this prohibition extend for more than 1 year after this act ceases to be in force.

b. For the purposes of this section, the term "policy" shall include any contract of life insurance on the level premium or legal reserve plan. It shall also include any benefit in the nature of life insurance arising out of membership in any fraternal or beneficial association. In no case, however, shall the term "policy" include insurance exceeding a total face value of $5,000.00 whether in one or more companies. The term "premium" shall include membership dues or assessments in such association, and the date of issuance of policy as herein limited shall refer to the date of admission to membership in such association; the term "insured" shall include any person who is the holder of a policy as defined in this section; the term "insurer" shall include any corporation, partnership, or other form of association which secures or provides insurance under any policy as defined herein.

C. 38:23A-54 Reemployment; extension of rights and benefits; enforcement of provisions.
20. a. In the case of any person who, in order to perform military service, has left or leaves a position, other than a temporary position, in the employ of any employer, and who

(1) Receives a certificate of completion of military service duly executed by an officer of the applicable force of the Armed Forces of the United States or by an officer of the applicable force of the organized militia;
(2) Is still qualified to perform the duties of such position; and
(3) Makes application for re-employment within 90 days after he is relieved from such service, if such position was in the employ of a private employer, such employer shall restore such person to such position, or to a position of like seniority, status and pay, unless the employer's circumstances have so changed as to make it impossible or unreasonable to do so.
b. The benefits, rights and privileges granted to persons in the military service by this section shall be extended to and be applicable to any person who, in order to participate in assemblies or annual training or in order to attend service schools conducted by the Armed Forces of the United States for a period or periods up to and including 3 months, temporarily leaves or has left his position, other than a temporary position, in the employ of any employer and who, being qualified to perform the duties of such position, makes application for re-employment within 10 days after completion of such temporary period of service; provided that no such person shall be entitled to the said benefits, rights and privileges for such attendance at any service school or schools exceeding a total of 3 months during any 4-year period.

c. The benefits, rights and privileges granted to persons in the military service by this section shall be extended to and be applicable to any person who is or becomes a member of the organized militia or of a reserve component of the Armed Forces of the United States and who, because of such membership is discharged by his employer or whose employment is suspended by his employer because of such membership and who, being qualified to perform the duties of such position, makes application for re-employment or termination of the period of his suspension within 10 days after such discharge or suspension.

d. Any person who is restored to a position in accordance with the provisions of this section shall be considered as having been on furlough or leave of absence during his period of military service, temporary service under paragraph b. hereof, or of discharge or suspension under paragraph c. hereof, shall be so restored without loss of seniority, shall be entitled to participate in insurance or other benefits offered by the employer pursuant to established rules and practices relating to employees on furlough or leave of absence in effect with the employer at the time such person entered the military service or commenced such temporary service or was so discharged or suspended and shall not be discharged from such position without cause, within 1 year after such restoration.

e. In case any private employer fails or refuses to comply with the provisions of this section the County Court of the county in which such private employer maintains a place of business, shall have the power, upon the filing of a complaint, by the person entitled to the benefits of such provisions, to specifically require
such employer to comply with such provisions, and may, as an incident thereto, compensate such person for any loss of wages or benefits suffered by reason of such employer’s unlawful action. The court shall order a speedy hearing in any such case, and shall advance it on the calendar. Any person claiming to be entitled to the benefits of the provisions of this section may appear and be represented by counsel, or, upon application to the Attorney General of the State, may request that the Attorney General appear and act on his behalf. If the Attorney General is reasonably satisfied that the person so applying is entitled to such benefits, he shall appear and act as attorney for such person in the amicable adjustment of the claim, or in the filing of any complaint and the prosecution thereof. In the hearing and determination of such applications under this section no fees or court costs shall be assessed against a person so applying for such benefits.

C. 38:23A-55 Transfer or acquisition of interest with intent to delay enforcement of civil right; remedy.

21. Where in any proceeding to enforce a civil right in any court it is made to appear to the satisfaction of the court that any interest, property, or contract has since the date of the approval of this act been transferred or acquired with intent to delay the just enforcement of such right by taking advantage of this act, the court shall enter such judgment or make such order as might lawfully be entered or made, the provisions of this act to the contrary notwithstanding.

C. 38:23A-56 Certificate as prima facie evidence; presumption in the case of missing persons.

22. a. In any proceeding under this act a certificate executed by an officer of the applicable force of the Armed Forces of the United States or by an officer of the applicable force of the organized militia shall, when produced, be prima facie evidence of the facts therein certified and of the authority of the signer to issue the same.

b. When a person in military service has been reported missing, he shall be presumed to continue in such service until accounted for, and no period herein limited which begins or ends with the death of such person shall begin or end until the death of such person is in fact reported to or proved by the applicable force of the Armed Forces of the United States or of the organized militia, or until such death is proved by a court of competent jurisdiction; provided, that no period herein limited which begins or ends with
the death of such person shall be extended beyond a period of 6 months after the time when this act ceases to be in force.

C. 38:23A-57 Obligation or liability incurred prior to, or tax or assessment due prior to or during, period of military service; relief.

23. a. A person may, at any time during his period of military service or within 6 months thereafter, apply to a court for relief in respect of any obligation or liability incurred by such person prior to his period of military service or in respect of any tax or assessment whether falling due prior to or during his period of military service. The court, after appropriate notice and hearing, unless in its opinion the ability of the applicant to comply with the terms of such obligation or liability or to pay such tax or assessment has not been materially affected by reason of his military service, may grant the following relief:

In the case of an obligation payable under its terms in installments under a contract for the purchase of real estate, or secured by a mortgage or other instrument in the nature of a mortgage upon real estate, a stay of the enforcement of such obligation during the applicant's period of military service and, from the date of termination of such period of military service or from the date of application if made after such service, for a period equal to the period of the remaining life of the installment contract or other instrument plus a period of time equal to the period of military service of the applicant, or any part of such combined period, subject to payment of the balance of principal and accumulated interest due and unpaid at the date of termination of the period of military service or from the date of application, as the case may be, in equal installments during such combined period at such rate of interest on the unpaid balance as is prescribed in such contract, or other instrument evidencing the obligation, for installments paid when due, and subject to such other terms as may be just.

In the case of any other obligation, liability, tax, or assessment, a stay of the enforcement thereof during the applicant's period of military service and, from the date of termination of such period of military service or from the date of application if made after such service, for a period of time equal to the period of military service of the applicant or any part of such period, subject to payment of the balance of principal and accumulated interest due and unpaid at the date of the termination of such period of military service or the date of application as the case may be, in equal
periodic installments during such extended period at such rate
of interest as may be prescribed for such obligation, liability, tax,
or assessment, if paid when due, and subject to such other terms
as may be just.

b. When any court has granted a stay as provided in this section,
no fine or penalty shall accrue during the period the terms and
conditions of such stay are complied with by reason of failure to
comply with the terms or conditions of the obligation, liability,
tax, or assessment in respect of which such stay was granted.

24. If any clause, sentence, paragraph, section or part of this
act or the application thereof to any person or circumstances,
shall, for any reason, be adjudged by a court of competent juris­
diction to be invalid, such judgment shall not effect, impair, or
invalidate the remainder of this act, and the application thereof
to other persons or circumstances, but shall be confined in its opera­
tion to the clause, sentence, paragraph, section or part thereof
directly involved in the controversy in which such judgment shall
have been rendered and to the person or circumstances involved.
It is hereby declared to be the legislative intent that this act would
have been adopted had such invalid provisions not been included.

25. Insofar as the provisions of this act are inconsistent with
the provisions of any other act, the provisions of this act shall be
controlling.

C. 38:23A-60 Duration of act.
26. This act shall remain in force and effect until July 1, 1970;
provided, that wherever in any section or provision of this act a
proceeding, remedy, privilege, stay, limitation, accounting or other
transaction has been authorized or provided with respect to mili­
tary service performed prior to the date herein fixed for the
termination of this act, such section or provision shall be deemed
to continue in full force and effect so long as may be necessary
for the exercise or enjoyment of such proceeding, remedy, privi­
lege, stay, limitation, accounting or other transaction.

C. 38:23A-61 Short title.
27. This act shall be known and may be cited and referred to
as the "New Jersey Soldiers' and Sailors' Civil Relief Act of
1968."

28. This act shall take effect immediately.
Approved June 21, 1968.
CHAPTER 79

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 54:4-8.42a Application made to tax collector.

1. Any person seeking a senior citizen's deduction after the effective date of this act shall apply for such a deduction with the tax collector of the taxing district.

2. Section 4 of chapter 172 of the laws of 1963 is amended to read as follows:

C. 54:4-8.43 Time for filing application; action by tax collector; action by tax assessor.

4. An application for a senior citizen's deduction hereunder may be filed with the tax collector of the taxing district on or before November 1 of the pretax year. If an application is approved by the tax collector, he shall notify the assessor of such approval, who shall allow a senior citizen's deduction from the taxes assessed against the real property assessed to the claimant as described therein and shall indicate upon the assessment list and duplicates the approval thereof in such manner as shall be prescribed by rules of the Director of the Division of Taxation together with the proportionate share of such property deemed to be owned by the claimant for the purposes of this act if he is not the sole owner thereof.

Upon approval of the application for a senior citizen's tax deduction the tax collector shall note in his records the existence of a contingent liability for taxes in the amount of the senior citizen's deduction in the event the deduction is subsequently disallowed on the basis of the taxpayer's income or the transfer of title to the property to a person not entitled to such deduction, which contingent liability shall be reported on any tax search made on the property for which the exemption was approved.

3. Section 5 of chapter 255 of the laws of 1964 is amended to read as follows:

C. 54:4-8.44a Post-tax year statement; disposition of tax lien.

5. Every person who is allowed a senior citizen's deduction shall be required to file with the collector of the taxing district on or
before February 1 of the post-tax year a statement under oath of his income for the tax year. Such statement shall be on a form prescribed by the Director, Division of Taxation, in the Department of the Treasury and provided for the use of persons required to make such statement by the governing body of the municipality constituting the taxing district in which such statement is required to be filed. Each collector may require the submission of such proof as he shall deem necessary to verify any such statement. Upon the failure of any such person to file the statement within the time herein provided or to submit such proof as the collector deems necessary to verify a statement that has been filed, or if it is determined that the income of any such person exceeded $5,000.00 for said tax year, his senior citizen's tax deduction for said tax year shall be disallowed and his taxes to the extent represented by the amount of said deduction shall be payable on or before March 1 of the post-tax year after which date if unpaid, said taxes shall be delinquent, constitute a lien on the property, and, in addition, the amount of said taxes shall be a personal debt of said person.

The amount of any lien and tax liability shall be prorated by the tax collector upon the transfer of title based on the number of days during the tax year that entitlement to the senior citizen's tax deduction is established. The lien shall be considered satisfied by the tax collector upon payment of the prorated amount for that portion of the tax year for which entitlement to the senior citizen's tax is not established.

4. Section 6 of chapter 172 of the laws of 1963 is amended to read as follows:

C. 54:4-8.45 Continuance of deduction right; change in status.

6. A claim having been filed with and allowed by the tax collector shall continue in force from year to year thereafter without the necessity for further claim so long as the claimant shall be entitled to a senior citizen's deduction hereunder, but the claimant shall be required yearly to establish his anticipated income for the tax year and the tax collector may at any time require the filing of a new application or such proof as he may deem necessary to establish the right of the claimant to continuance of such deduction. CHAPTER 99

An Act concerning life insurance company investments and amending section 1 of chapter 201 of the laws of 1967.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P. L. 1967, chapter 201 (C. 17:24–17) is amended to read as follows:

C. 17:24-17  Life insurance companies; investment of capital, surplus and other funds.

1. Any domestic life insurance company may invest its capital, surplus and other funds, or any part thereof, in:
a. Bonds, notes, or other evidences of indebtedness or public stock issued, created, insured or guaranteed by the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof, or any instrumentality, agency or political subdivision of one or more of the foregoing.

b. Real estate which may be improved or which is unimproved but in accordance with a definite plan for development within not more than 5 years, and in the operation, improvement and development thereof; provided that if the commissioner shall determine that the interest of such life insurance company's policyholders requires that any specific real estate so acquired be disposed of, then such life insurance company shall dispose of such real estate within such reasonable time as the commissioner shall direct; and provided further that the sum of (1) the aggregate amount invested in such real estate (including real estate held pursuant to sections 17:18-3 (a) and (d) of the Revised Statutes) and (2) the aggregate amount invested in capital stock of any corporation engaged primarily in a business involving the owning, developing or leasing of real property shall not exceed 8% of the total admitted assets of such life insurance company as of December 31 next preceding. The term "real estate" as used in this subsection "b" shall include any real property and any interest therein including, without limitation, any interest on, above or below the surface of the land, any leasehold estate therein, and any interest held or to be held by the life insurance company in cotenancy with one or more other institutions. Income produced by investment in any such leasehold shall be applied in a manner calculated to amortize the amount invested in such leasehold within a period not exceeding 8/10 of the unexpired term of the leasehold, inclusive of enforceable options, or within 40 years, whichever is the lesser, or where the peculiar nature of the leasehold involved so dictates, within such period and subject to such other reasonable limitations as the commissioner shall by regulation impose. The commissioner shall promulgate a regulation in connection with investments under this section which shall, as far as practicable, be consistent with those regulations of the department which treat with securities supported by such interests in real estate.

c. Mortgage loans on unencumbered fee simple or leasehold real estate, which may consist of areas on, above or below the surface of the ground, or any interest therein, located within the United

States, any territory or possession thereof, the Commonwealth of Puerto Rico or Canada. The amount of any such loan shall not exceed 80% of the value of the real estate interest mortgaged unless (1) the loan is also secured by the mortgagor's interest in a lease or leases whose aggregate rentals shall be sufficient, after payment of operating expenses and fixed charges, to repay 90% of the loan with interest thereon during the initial term or terms of such lease or leases and shall be payable directly or indirectly by any governmental units, instrumentalities, agencies or political subdivisions or an institution or institutions which meet the credit standards of the life insurance company for an unsecured loan to such institution or institutions; or (2) the excess over such 80% is insured or guaranteed or to be insured or guaranteed by the United States, this or any other State of the United States, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof, or any instrumentality, agency or political subdivision of one or more of the foregoing. Any mortgage loan so insured or guaranteed or to be insured or guaranteed shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be charged or taken upon any such loan.

Any such life insurance company may hold a participation in any such mortgage loan if (1) such participation is senior and gives the holder substantially the rights of a first mortgagor or (2) the interest of such life insurance company in the evidence or evidences of indebtedness is of equal priority, to the extent of such interest, with other interests therein.

Any such mortgage loan whose maturity date shall be more than 2 years after the date of disbursement of such loan, and which exceeds 7% of the value of the interest mortgaged as of the date of the mortgage shall, as a minimum, provide for payments to be made by the borrower during the term of the loan to amortize the amount by which the loan exceeds 7% of the value of the interest mortgaged at the date of disbursement. The commissioner may promulgate such supplemental regulations as he deems necessary with regard to particular classes of such investments, taking into consideration the type of security and the ratio of the loan to the value of the real estate interest mortgaged. No loan may be made on leasehold real estate unless the terms of such loan provide for payments to be made by the borrower on the principal thereof in amounts sufficient to completely repay the loan within a period not exceeding 7% of the term of the leasehold, inclusive of the term or terms which may be provided by any enforceable option or options
of extension or of renewal, which is unexpired at the time the loan is made.

Fee simple or leasehold real estate or any interest therein shall not be deemed to be encumbered within the meaning of this subsection "c" by reason of the existence of taxes or assessments that are not delinquent, or encumbrances that do not adversely affect the saleability of the property to a material extent or as to which the life insurance company is insured against loss by a title insurer, or any prior mortgage or mortgages held by such life insurance company if the aggregate of the mortgages held shall not exceed the amount hereinbefore set forth, nor when such real estate or interest therein is subject to lease in whole or in part; provided, that the security created by the mortgage or trust deed on such real estate or interest therein is a first lien thereon.

No such life insurance company shall, pursuant to this subsection, invest more than 2% of its total admitted assets as of December 31 next preceding in any mortgage loan secured by any one property, nor shall its total mortgage investments pursuant to this subsection, exclusive of any mortgage loans insured or guaranteed or to be insured or guaranteed as hereinbefore provided, exceed 50% of such admitted assets.

d. Equipment trust obligations or other instruments evidencing an interest in or ownership of personal property where there is a right to receive determined portions of rental, purchase or other fixed obligatory payments for the use or purchase of such personal property, provided the aggregate investments therein shall not exceed 10% of the total admitted assets of such life insurance company as of December 31 next preceding; or certificates of receivers of any institution where such purchase is necessary to protect an investment in the securities of such institution theretofore made under authority of this chapter; or the capital stock, bonds, securities or evidences of indebtedness issued, assumed or guaranteed by any institution created or existing under the laws of the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof; provided, that no purchase of any evidence of indebtedness which is in default as to interest shall be made by such life insurance company unless such purchase is necessary to protect an investment theretofore made under statutory authority;

The term "institution" as used in this chapter shall include any corporation, joint stock association, business trust, or business corporate joint venture.
No purchase shall be made of the stock of any class of any corporation except a corporation engaged primarily in a business involving the owning, developing or leasing of real property unless (1) such corporation has paid cash dividends on such class of stock during each of the past 5 years preceding the time of purchase or (2) such corporation shall have earned, during each of such years, an aggregate sum available for dividends upon such stock which would have been sufficient, after all fixed charges and obligations, to pay dividends upon all shares of such class of stock outstanding during each of such years of 4% per annum computed (a) in the case of stocks which are the subject of reliable public quotations, upon the mean selling price during each of such years, or (b) in the absence of such quotations, upon book value as of the close of each of such years. In the case of the stock of a corporation resulting from or formed by merger, consolidation, acquisition or otherwise less than 5 years prior to such purchase, each consecutive year next preceding the effective date of such merger, consolidation or acquisition during which dividends or other distribution of profits shall have been paid by any one or more of its constituent or predecessor institutions in an aggregate amount sufficient to have paid dividends on that class of stock of the existing corporation whose stock is to be purchased, had such corporation then been in existence, shall be deemed a year during which dividends have been paid on such class of stocks and the earnings of such constituent or predecessor institutions available for dividends during each of such years may be included as earnings of the existing corporation whose stock is to be purchased for each of such years; provided, however, that nothing herein contained shall prohibit the purchase of stock of any class which is preferred, as to dividends, over any class the purchase of which is not prohibited by this section; and provided further, that no purchase of its own stock shall be made by any life insurance company except for the purpose of the retirement of such stock or except as specifically permitted by any law of this State applicable by its terms only to life insurance companies.

e. Securities, properties and other investments in foreign countries other than those specified in section 5 which are substantially of the same character as prescribed for authorized investments for funds of the life insurance company under the preceding subsections of this section, to an amount valued at cost not exceeding in the aggregate at any one time 2% of the total admitted assets of such life insurance company as of December 31 next preceding;
provided, however, that the amount invested in authorized investments in any one foreign country shall not exceed in the aggregate, at any one time, 1% of such admitted assets. For the purposes of this subsection, Canada shall not be deemed to be a foreign country.

f. Bonds, notes, or other evidences of indebtedness, issued, insured or guaranteed or to be insured or guaranteed by the International Bank for Reconstruction and Development, or by the Inter-American Development Bank, or by the Asian Development Bank.

g. Loans or investments which are not qualified or permitted under any of the preceding subsections of this section or which are not otherwise expressly authorized by law, provided that the aggregate amount of such loans and investments, valued at cost, shall not exceed at any one time 3% of the total admitted assets of such life insurance company as of December 31 next preceding.

2. This act shall take effect immediately.

Approved June 21, 1968.

Provided, however, the vendor of tangible personal property to all contractors, subcontractors or repairmen, consisting of materials and supplies for use by them in erecting structures for others, or building on, or otherwise improving, altering or repairing real property of others, shall not be deemed a person required to collect tax, and the tax imposed by any section of this act shall be paid directly to the director by such contractors, subcontractors or repairmen.

2. Section 12 of the act of which this act is amendatory is amended to read as follows:

C. 54:32B-12 Collection of tax from customer.

12. Collection of tax from customer. (a) Every person required to collect the tax shall collect the tax from the customer when collecting the price, service charge, amusement charge or rent to which it applies. If the customer is given any sales slip, invoice, receipt or other statement or memorandum of the price, service charge, amusement charge or rent paid or payable, the tax shall be stated, charged and shown separately on the first of such documents given to him. The tax shall be paid to the person required to collect it as trustee for and on account of the State.

(b) For the purpose of the proper administration of this act and to prevent evasion of the tax hereby imposed, it shall be presumed that all receipts for property or services of any type mentioned in subsections (a), (b) and (c) of section 3, all rents for occupancy of the type mentioned in subsection (d) of said section, and all amusement charges of any type mentioned in subsection (e) of said section, are subject to tax until the contrary is established, and the burden of proving that any such receipt, amusement charge or rent is not taxable hereunder shall be upon the person required to collect tax or the customer. Unless a vendor shall have taken from the purchaser a certificate, signed by the purchaser and bearing his name and address and the number of his registration certificate, to the effect that the property or service was purchased for resale or the purchaser prior to taking delivery, furnishes to the vendor any affidavit, statement or additional evidence, documentary or otherwise, which the director may require demonstrating that the purchaser is an exempt organization described in section 9 (b) (1), the sale shall be deemed a taxable sale at retail. Provided, however, the director may, in his discretion, authorize a purchaser, who acquires tangible personal property or services under circumstances which make it impossible at the time of acquisition to determine the manner in which the tangible per-
sonal property or services will be used, to pay the tax directly to the director and waive the collection of the tax by the vendor. Provided, further, the director shall authorize any contractor, subcontractor or repairman who acquires tangible personal property consisting of materials and supplies for use by him in erecting structures for others, or building on, or otherwise improving, altering, or repairing real property of others, to pay the tax directly to the director and waive the collection of the tax by the vendor. No such authority shall be granted or exercised except upon application to the director, and the issuance by the director of a direct payment permit. If a direct payment permit is granted, its use shall be subject to conditions specified by the director, and the payment of tax on all acquisitions pursuant to the permit shall be made directly to the director by the permit holder.

(c) The director may provide by regulation that the tax upon receipts from sales on the installment plan may be paid on the amount of each installment and upon the date when such installment is due. He may also provide by regulation for the exclusion from taxable receipts, amusement charges or rents of amounts representing sales where the contract of sale has been canceled, the property returned or the receipt, charge or rent has been ascertained to be uncollectible or, in the case the tax has been paid upon such receipt, charge or rent, for refund or credit of the tax so paid.

3. This act shall take effect immediately.
Approved June 25, 1968.

CHAPTER 110

AN ACT concerning group life insurance, and amending section 17:34-31 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 17:34-31 of the Revised Statutes is amended to read as follows:

Requirements; permissible provisions in policies; insurable groups; eligible persons; limitation on amount.

17:34-31. No policy of group life insurance shall be delivered in this State unless it conforms to one of the following descriptions:

(1) A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer subject to the following requirements:
(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations and the employees, individual proprietors and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the employer's funds or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least 75% of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees.

(c) The policy must cover at least 10 employees at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the employer or trustees.

(2) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:
(a) The debtors eligible for insurance under the policy shall be all of the debtors of the creditor whose indebtedness is repayable in installments, or all of any class or classes thereof determined by conditions pertaining to the indebtedness or to the purchase giving rise to the indebtedness. The policy may provide that the term "debtors" shall include the debtors of one or more subsidiary corporations, and the debtors of one or more affiliated corporations, proprietors or partnerships if the business of the policyholder and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise.

(b) The premiums for the policy shall be paid by the policyholder, either from the creditor's funds, or from charges collected from the insured debtors, or from both. A policy on which part or all of the premium is to be derived from the collection from the insured debtors of identifiable charges not required of uninsured debtors shall not include, in the class or classes of debtors eligible for insurance, debtors under obligations outstanding at its date of issue without evidence of individual insurability unless at least 75% of the then eligible debtors elect to pay the required charges. A policy on which no part of the premium is to be derived from the collection of such identifiable charges must insure all eligible debtors, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least 100 persons yearly, or may reasonably be expected to receive at least 100 new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than 75% of the new entrants become insured.

(d) The amount of insurance on the life of any debtor shall at no time exceed the amount owned by him which is repayable in installments to the creditors, or, in the case of transactions secured by a real estate mortgage, the sum of $30,000.00, and in all other cases $15,000.00, whichever is less.

(e) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment.

(3) A policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:
(a) The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the union’s funds or partly from such funds and partly from funds contributed by the insured members specifically for their insurance. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least 75% of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members.

(c) The policy must cover at least 10 members at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union.

(4) A policy issued to the trustees of a fund established by 2 or more employers in the same industry or by one or more labor unions, or by one or more employers and one or more labor unions, which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the unions, subject to the following requirements:

CHAPTER 111

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 54:39-27 of the Revised Statutes is amended to read as follows:

Monthly report of fuel sold or used; tax levied; sales between distributors; penalty.

54:39-27. Every distributor shall, on or before the next to the last business day of each month, render a report to the commissioner, on forms prescribed, prepared and furnished by the commissioner, stating the number of gallons of fuel sold or used in this State by him during the preceding calendar month. A tax of $0.07 per gallon on each gallon so reported shall be paid by each distributor, such payment to accompany the filing of the report. Such report shall contain such further information as the commissioner may require. Under such regulations as the commissioner may prescribe, sales of fuel may be made by 1 licensed distributor to another licensed distributor free of such tax. If any distributor
shall fail, neglect or refuse to file the report within the time pre-
scribed by this section, the commissioner shall note such failure,
neglect or refusal upon his records, and shall estimate the sales,
distribution and use of said distributor, assessing the tax thereon,
adding to said tax a penalty of 20% thereof for failure, neglect
or refusal to report, and such estimate shall be prima facie evi-
dence of the true amount of tax due to the commissioner from
such distributor; provided, that if a good and sufficient cause or
reason is shown for such delinquency, the commissioner may remit
or waive the payment of the whole or any part of the penalty.
Reports required by this section, exclusive of schedules, itemized
statements and other supporting evidence annexed thereto, shall at
all reasonable times be open to the public, anything contained in
section 54:50-8 to the contrary notwithstanding.
2. This act shall take effect July 1, 1968.
Approved June 25, 1968.

of New Jersey:

1. Section 5 of the act of which this act is amendatory
(C. 54:10A-5) is amended to read as follows:

C. 54:10A-5 Amount of franchise tax.

5. The franchise tax to be annually assessed to and paid by each
taxpayer shall be the sum of the amount computed under subsection (a) or (b) hereof, whichever is greater, or, in the alternative

(c) \(3\frac{1}{4}\%\) of its entire net income or such portion thereof as may be allocable to this State as provided in section 6; provided, however, that with respect to reports covering privilege periods or parts thereof ending after December 31, 1967, the rate shall be \(4\frac{3}{4}\%\).

(d) Provided, however, that the franchise tax to be annually assessed to and paid by any investment company or regulated investment company which has elected to report as such and has filed its return in the form and within the time provided in this act and the rules and regulations promulgated in connection therewith, shall, in the case of an investment company, be measured by \(25\%\) of its entire net income and \(25\%\) of its entire net worth, and, in the case of a regulated investment company, by \(4\%\) of its entire net income and \(15\%\) of its entire net worth, at the rates hereinbefore set forth for the computation of tax on net income and net worth, respectively, but in no case less than $250.00.

2. Section 15 of the act of which this act is amendatory (C. 54:10A-15) is amended to read as follows:

C. 54:10A-15 Tax payable with respect to year 1959 and thereafter; manner of payment; same calendar or fiscal year used for federal income tax.

15. The tax imposed by this act shall be due and payable annually hereafter, commencing with the calendar year 1959, in the manner provided under subsection (a), (b) or (c) of this section, whichever shall be applicable.

(a) Every taxpayer shall annually pay a franchise tax, with respect to all or any part of each of its fiscal or calendar accounting years beginning after January 1, 1959, to be computed as herein provided, for such fiscal or calendar accounting year or part thereof, on a report which shall be filed on or before April 15 next succeeding the close of each such accounting year, or, if any such fiscal year ends after the last day of December and prior to July 1, on or before the fifteenth day of the fourth month after the close of such fiscal year, and the full amount of the tax hereunder shall be due and payable on or before the date prescribed herein for the filing of the return.

(b) Every taxpayer shall pay a like franchise tax with respect to all or any part of the period beginning January 1, 1959 and extending through any subsequent part of its first fiscal or calendar accounting year ending after said date. Such tax shall be computed as herein provided, for each and every fiscal or calendar accounting year or part thereof begun not earlier than July 2, 1957 and ending not later than December 31, 1959 on the basis of which a franchise tax has not accrued under this act prior to January 1, 1959. The tax imposed pursuant to this subsection shall be deemed a single tax for such period but shall be computed separately with respect to each such fiscal or calendar accounting year or part thereof on the basis of which a franchise tax has not previously accrued as aforesaid, on a report which shall be filed on or before April 15 next succeeding the close of each such accounting year, or, if any such fiscal year ends after the last day of December and prior to July 1, on or before the fifteenth day of the fourth month after the close of such fiscal year, and the full amount of the tax hereunder shall be due and payable on or before the date prescribed herein for the filing of the report.

(c) With respect to all or any part of each of its fiscal or calendar accounting years ending after June 30, 1967, every taxpayer shall annually pay a franchise tax on a report which shall be filed
on or before the fifteenth day of the fourth month after the close of such fiscal or calendar accounting year, or part thereof, and the full amount of the tax hereunder shall be due and payable on or before the date prescribed herein for the filing of the return.

(d) With respect to its fiscal or calendar accounting years ending after February 29, 1968 and prior to March 1, 1969, every taxpayer shall pay as a partial payment of franchise tax in addition to the tax payable under subsection (c) of this section, an amount equal to 1/4 of the tax payable under said subsection (c). With respect to each of its fiscal or calendar accounting years ending after February 28, 1969, every taxpayer shall annually pay as a partial payment of franchise tax in addition to the tax payable under subsection (c) of this section, an amount equal to 1/2 of the tax payable under said subsection (c). In the calculation of the tax pertaining to each succeeding accounting period, due in accordance with subsection (c) hereof, every taxpayer shall be entitled to a credit in the amount of the tax paid under this subsection (d) as a partial payment and shall be entitled to the return of any amount so paid which shall be found to be in excess of the total amount payable in accordance with said subsection (c) and this subsection (d).

(e) For the purpose of this act, every taxpayer shall use the same calendar or fiscal year upon which it reports to the United States Treasury Department for Federal Income Tax purposes.

3. Where the privilege period covered by a report includes any period prior to January 1, 1968, then (1) tentative taxes on taxable net income shall be separately computed by applying both the rate for the period before January 1, 1968 and the rate for the period on and after such date to the taxable income for the entire privilege period; and (2) the tax for such privilege period shall be the sum of that proportion of each tentative tax which the number of months in each period bears to the total number of months in the entire privilege period. For the purposes of this computation, more than ½ the number of days in a calendar month shall be deemed to be a full month.

4. Where (1) any partial payment of franchise tax due under subsection (d) of section 15 of the act of which this act is amendatory, or (2) any payment covering the 1% increase in the tax rate on net income provided for in section 5(c) of the act of which this act is amendatory, pertains to a fiscal accounting period ending after December 31, 1967 and prior to June 1, 1968, the time for such payment is hereby extended to October 15, 1968 and such payment may be made on or before said date without incurring penalty or
interest charges; provided, however, that the extension herein granted does not pertain to that portion of the tax on net income resulting from the application of the prior existing rate of 3\%.
In the event any such payment is not made on or before October 15, 1968, interest and penalties thereon shall be computed without regard to this extension.

5. There is hereby appropriated to the Division of Taxation in the Department of the Treasury the sum of $100,000.00 or so much thereof as shall be required to carry out the provisions of this act from the effective date hereof to the period ending June 30, 1969.
6. This act shall take effect immediately.
Approved June 25, 1968.

CHAPTER 118

An Act concerning highways and bridges over the Delaware river, the responsibilities of the Delaware River Joint Toll Bridge Commission and the New Jersey Department of Transportation with regard to the construction of additional river crossings and supplementing Titles 27 and 32 of the Revised Statutes.

WHEREAS, There is a demonstrated need for additional crossings of the Delaware river within the jurisdiction of the Delaware River Joint Toll Bridge Commission; and

WHEREAS, The United States Bureau of Public Roads has previously indicated a willingness to have constructed as part of the Interstate System a new river crossing as part of Interstate Route 78 near Easton-Phillipsburg; and

WHEREAS, The Delaware River Joint Toll Bridge Commission has also publicly indicated the need for new crossings at Burlington-Bristol, New Hope-Lambertville and Trenton-Morrisville; and

WHEREAS, The construction of the Burlington-Bristol crossing with Federal and State funds would substantially reduce the future financial requirements of the Delaware River Joint Toll Bridge Commission; and

WHEREAS, The New Jersey Department of Transportation has indicated that, under certain conditions, the Federal Government is prepared to add the Burlington-Bristol Bridge and the connector roads from Interstate Route 295 in New Jersey to Interstate Route 95 in Pennsylvania to the present Interstate System; and

WHEREAS, The Federal Government is desirous of operating the Interstate System free from toll facilities to the greatest extent possible; and
Whereas, the Federal Government is seeking the construction of the Interstate Route 78 crossing as a nontoll facility within 10 miles of the existing Easton-Phillipsburg toll bridge and an agreement to release from toll operation at a future specific date the toll bridge at Delaware Water Gap which is a part of Interstate Route 80; and

Whereas, it is in the public interest to resolve the present difficulties preventing prompt construction of all of these bridges and wherever possible to operate these bridges as nontoll facilities; now, therefore,

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 27:12D-1 Legislature's findings.
   1. The Legislature hereby finds and determines the construction of a new river crossing at Burlington-Bristol and an additional river crossing at Easton-Phillipsburg as part of the National System of Interstate and Defense Highways is in the public interest and further finds and determines that it is in the public interest to have released from toll operation the Delaware river crossing that is part of Interstate Route 80 at a date consistent with the intention of the Delaware River Joint Toll Bridge Commission to construct additional toll crossings in the immediate future in the vicinity of New Hope-Lambertville and Trenton-Morrisville, and further determines that the Department of Transportation and the New Jersey members of the Delaware River Joint Toll Bridge Commission should cooperate in an effort to accomplish the construction of bridges, insofar as possible, in the manner herein set forth.

   2. Pursuant to the authority set forth in chapter 153, P. L. 1956, the Commissioner of Transportation is further authorized in cooperation with the Department of Highways in the Commonwealth of Pennsylvania and the United States Department of Transportation to construct as part of the National System of Interstate and Defense Highways, a bridge across the Delaware river in the vicinity of Burlington, New Jersey and Bristol, Pennsylvania and a bridge across the Delaware river in the vicinity of Phillipsburg, New Jersey and Easton, Pennsylvania.
C. 27:12D-3 Agreement with Delaware River Joint Toll Bridge Commission authorized.

3. In carrying out the provisions of this act, the Department of Transportation may enter into an agreement with the Delaware River Joint Toll Bridge Commission for the purposes of constructing bridges and approaches over the Delaware river in the vicinity of Burlington-Bristol and Easton-Phillipsburg. The cost of such construction shall be the responsibility of the States and the Federal Government and not the Delaware River Joint Toll Bridge Commission. The nonfederal share of the cost shall be divided equally between the States. Upon completion, the bridges shall be owned by the State of New Jersey and the Commonwealth of Pennsylvania equally and such bridges shall be maintained and operated by the Delaware River Joint Toll Bridge Commission as toll-free facilities in accordance with the laws applicable to other State-owned bridges within the jurisdiction of the Delaware River Joint Toll Bridge Commission.

C. 27:12D-4 Agreements with Pennsylvania Department of Highways and United States Department of Transportation authorized.

4. The Department of Transportation and the Delaware River Joint Toll Bridge Commission are hereby authorized to enter into such agreements with the Department of Highways of the Commonwealth of Pennsylvania and with the Department of Transportation of the United States as may be necessary or desirable in order to comply with all applicable Federal laws, requirements and regulations thereunder governing the construction and financing of facilities to be incorporated in the National System of Interstate and Defense Highways.

C. 27:12D-5 Limitations.

5. Notwithstanding the provisions of this act, the construction and operation of the toll-free bridges authorized herein shall be carried out in a manner which will not violate any existing covenant of the Delaware River Joint Toll Bridge Commission made for the protection of holders of its outstanding Bridge Revenue Bonds and such bridges shall not be opened to traffic until all such outstanding Bridge Revenue Bonds shall have been retired by payment, purchase or redemption, or provision for such retirement shall have been duly made, or unless the holders of such Bridge Revenue Bonds for which provision for retirement shall not have been made shall have consented in writing to such bridge opening.

6. This act shall take effect immediately.

Approved June 25, 1968.

C. 9:24-2 Legislature’s findings.
2. The Legislature hereby finds and declares that the ranks of the youthful unemployed swell manifold during summer recess of public schools; that many of the young people who constitute the youthful unemployed are, by reason of family income and social condition, disadvantaged youth; that many of those disadvantaged youth are desirous and capable of successfully discharging summer employment if such employment opportunities were available to them; that throughout this State numerous public and private, nonprofit agencies and organizations have need of the services of such disadvantaged youth; that affirmative action by the State of New Jersey is required to make the services of such disadvantaged youth available to such agencies and organizations; and that the expenditure of public funds for these purposes is in the public interest and is for a public purpose.

CHAPTER 126

AN ACT authorizing the creation of a debt of the State of New Jersey by issuance of bonds of the State in the sum of $640,000,000.00 for the purpose of improving the public transportation system of the State, including the improvement of State highways and the improvement of mass transportation facilities; providing the ways and means to pay and discharge the principal thereof and interest thereon; and providing for the submission of this act to the people at a general election.

WHEREAS, The State of New Jersey has recognized the inter-relationship between the various modes of transportation by the creation of a Department of Transportation responsible for the development of a comprehensive balanced and co-ordinated transportation program; and

WHEREAS, The Department of Transportation has prepared a master plan for transportation which has delineated the inter-dependence in New Jersey of highways and mass transportation, including commuter rail facilities; and

WHEREAS, The department’s master plan and report indicates that the proper functioning of highway and road systems in many parts of New Jersey is dependent upon the existence of a viable mass transportation system; and

WHEREAS, The department’s master plan establishes that there are immediate State highway requirements calling for expenditures in excess of $1.5 billion and which cannot be financed within a reasonable period of time from regular State appropriations or anticipated Federal sources; and

WHEREAS, The immediate mass transportation requirements calling for expenditures in excess of $325,000,000.00, of which amount at least $200 million is beyond projected Federal funds and regular State appropriations; and

WHEREAS, The proper operation of a public transportation network in and for New Jersey and its people requires a simultaneous approach to the solutions of State highways and mass transportation in order to achieve a balanced and coordinated public transportation system; and
WHEREAS, The said master plan for transportation delineates many of the needs in these critical transportation areas and specifies areas where funds will be required during the next decade; and

WHEREAS, It is necessary to commence immediately with implementa- tion of the first part of New Jersey’s master plan for its public transportation system by the adoption of a financing program which will permit improvement of the State’s transportation system; now, therefore,

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act may be cited as the “New Jersey Transportation Bond Act of 1968.”

2. The Legislature hereby finds and determines that New Jersey is a highly urbanized corridor State with annual traffic volumes on its highways and roads which are far in excess of the national average and which will continue to increase rapidly in future years. During the next generation New Jersey’s population is expected to increase by half; its automobile registry by three-fourths; and its highway traffic is expected to double. In the most congested traffic regions of the State, the existing commuter rail network provides an essential measure of relief to overtaxed highway capacity by removing from the State’s highways, during the most heavily traveled periods of the day, more than 60,000 daily commuters.

The Department of Transportation’s master plan, which is based on a careful study of needs, demonstrates that New Jersey must complete its intrastate freeway network and carry out a program of upgrading and improving the existing highway system if New Jersey is to have facilities that are adequate to cope with the pressures of growth in the State. As the department’s report further indicates, New Jersey must also maintain an adequate commuter rail network and must develop improved methods of mass transportation to insure the effective functioning of the State’s highway system with the lowest possible investment in expanded highway facilities. Improvements in these areas of transportation must be carried out on a near simultaneous basis.

It is in the public interest that these essential transportation facilities and equipment be provided in the shortest possible time, thereby saving on the anticipated increased construction costs as well as providing a safer, more adequate transportation system.
New Jersey’s requirements in the area of transportation greatly exceed the funds that can be provided from regular State appropriations and from the Federal Government. This essential program of transportation, therefore, can only be accomplished through the authorization of the bond issue provided for herein.

3. Bonds of the State of New Jersey in the sum of $640,000,000.00 are hereby authorized for the purpose of capital expenditure for the cost of providing an improved public transportation system for the State. Of such total, the proceeds from the sale of not more than $200,000,000.00 of bonds shall be reserved for the improvement of mass transportation facilities and the proceeds from the sale of the bonds not so reserved or so required shall be reserved for the improvement of State highways.

4. Said bonds shall be serial bonds and known as “State Transportation Bonds” and, as to each series, the last annual installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than 35 years from the date of its issuance but may be issued in whole or in part for a shorter term.

Said bonds shall be issued from time to time as the issuing officials herein named shall determine.

5. The Governor, State Treasurer and Comptroller of the Treasury or any 2 of such officials (hereinafter referred to as “the issuing officials”) are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

6. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

7. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comp-
controller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

8. (a) Such bonds shall recite that they are issued for the purpose set forth in the first sentence of section 3 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1968, and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

(b) Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

9. When the bonds are issued from time to time the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, not exceeding 6% per annum, as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

10. Said bonds shall be issued and sold at such price not less than the par value thereof and accrued interest thereon, and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least once in at least 3 newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least 5 days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of
such advertised sale, may sell such bonds at private sale at such price not less than the par value thereof and accrued interest thereon and under such terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.

11. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

12. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the “State Transportation Fund.”

13. The moneys in the said State Transportation Fund are hereby specifically dedicated and shall be applied to the cost of the transportation purpose set forth in section 3 of this act and all of such moneys are hereby appropriated to the Department of Transportation for such purpose, and no such moneys shall be expended for such purpose (except as otherwise hereinbelow authorized) without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of said moneys.

No moneys in the said State Transportation Fund may be appropriated or expended for the purpose of providing the non-Federal share of any Federal program which finances the construction or reconstruction of State highways provided, however, that the Legislature by specific appropriation may authorize the temporary use of moneys in said fund to complete State highway projects financed in part with Federal funds in advance of the receipt of such Federal funds upon the condition that such Federal funds when received shall be deposited in said fund in reimbursement thereof.

At any time prior to the issuance and sale of bonds under this act, the State Treasurer, upon the request of the State Commissioner of Transportation, is hereby authorized to transfer from any available money in the treasury of the State to the credit of the State Transportation Fund such sum as may be deemed necessary for the purpose of this act, which said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.
Pending their application to the purpose provided in this act, moneys in the State Transportation Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. Net earnings received from the investment or deposit of such fund shall be paid into the general treasury and become a part of the General State Fund.

14. In case any coupon bonds or coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction, proof of ownership and such security and indemnity and reimbursement for expenses as the issuing officials may require.

15. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

16. Bonds of each series issued hereunder shall mature in annual installments commencing not later than the tenth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, and the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

17. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, provided such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest which would be paid on the bonds refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of
CHAPTER 126, LAWS OF 1968 419

the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

18. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

(a) Revenues derived from the tax collected upon the sale of motor fuels under and by virtue of the Motor Fuel Tax Act (Title 54, chapter 39 of the Revised Statutes as amended and supplemented), or so much thereof as may be required; and

(b) Revenue derived from the tax collected under and by virtue of the Emergency Transportation Tax Act (P. L. 1961, c. 32 as amended and supplemented), or so much thereof as may be required; and

(c) If in any year or at any time funds, as herein above appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds
falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the taxes specified in subsections (a) and (b) of this section shall thereupon be considered and treated as part of the General State Fund, available for general purposes.

19. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

CHAPTER 127

AN ACT authorizing the creation of debt of the State of New Jersey by the issuance of bonds of the State in the sum of $12.5 million to provide money to spur construction and rehabilitation of housing; to enable such housing to be occupied by families of low and moderate income; to provide the ways and means to pay the interest of said debt and also to pay and discharge the principal thereof; and to provide for the submission of this act to the people at a general election.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act may be cited as the “New Jersey Housing Assistance Bond Act of 1968.”

2. The Legislature hereby finds that:
   (a) Despite the existence of numerous Federal programs designed to provide housing for families of low and moderate income, construction and rehabilitation of such housing units has not proceeded at a pace sufficient to arrest the spread of slums and blight, nor to provide for the population growth of the State.
   (b) The need for such new and rehabilitated housing is great and continues to increase, with growing numbers of New Jersey
citizens being forced to live in substandard or overcrowded dwelling places.

(c) The need for decent housing is particularly acute among low and moderate income families forced to relocate because of public programs such as urban renewal, highways, and other public improvements.

(d) The State, through the investment of a relatively modest sum of money, can cause the production of such new and rehabilitated housing to be increased, with State money being most effectively used in conjunction with Federal and other State programs; these programs, acting in concert, can encourage the increased investment of private funds in housing on a multiplier basis far exceeding the initial expenditure of these State funds. Federal low interest rate programs can be utilized for low and moderate income housing with $9.00 of Federally-backed investment being received for every matching dollar of State money.

(e) The actual cost of providing new and rehabilitated housing units of decent quality and size generally places such units beyond the means of families of low and moderate income. In order to enable such families to occupy such units, some additional form of assistance is necessary. This assistance can and should take many forms, because of the large number of housing programs presently available. By providing conditions that will accelerate housing production under the various existing programs, the maximum potential for a rapid increase in housing production is achieved. The Legislature also finds and declares that the expenditure of public funds toward these ends is for a public purpose and in the public interest.

3. Except as the context may otherwise require:

(a) "Department" means the Department of Community Affairs.

(b) "Commissioner" means the Commissioner of the Department of Community Affairs.

(c) "Act" means this act, and any amendments and supplements thereto, and any rules and regulations promulgated thereunder.

(d) "Housing assistance fund" or "fund" shall mean the fund created by section 4(b) of this act.

(e) "Low income," and "moderate income" shall be determined by the commissioner pursuant to regulations promulgated under this act, provided, however, that the commissioner shall base his determination upon the Federal standards for low and moderate income for the various communities within the State of New Jersey.
(f) "Qualified mortgagor" means any nonprofit or limited dividend mortgagor, or owner entity or individual, building or operating housing in New Jersey under a Federal low or moderate income housing program, the New Jersey Housing Finance Agency program, or other similar programs for low or moderate income occupancy.

(g) "Qualified housing development" means any housing project built or to be built and operated by a qualified mortgagor.

4. (a) Bonds of the State of New Jersey in the sum of $12.5 million are hereby authorized to obtain funds to meet the costs of providing housing assistance as set forth herein.

(b) There is hereby created and established in the department a "Housing Assistance Fund" which shall consist of:

(i) All moneys derived from the proceeds of any bonds which may be authorized by this act;

(ii) Any moneys which the department shall receive in repayment of loans or advances from the fund, notwithstanding the provisions of any other act or part thereof;

(iii) Any other moneys made available to the department from any source or sources which the commissioner shall allocate the fund for the purposes authorized by this act.

5. The commissioner is authorized to utilize moneys from the Housing Assistance Fund for the following purposes and programs:

(a) Interest rate subsidy. The commissioner may enter into contracts and agreements with qualified mortgagors, or with mortgagees thereof, pursuant to which the commissioner may make direct payments to such mortgagors or mortgagees to assist in paying mortgage interest charges on qualified housing developments, where such direct payments will be applied to decrease rental or carrying charges to low and moderate income occupants of such housing.

(b) Special assistance to Federally aided housing developments. The commissioner is authorized to enter into contracts or other agreements pursuant to which financial assistance will be provided for qualified housing developments constructed, financed, or rehabilitated under Federal law and moderate income programs, where such assistance is necessary to provide financial feasibility and enable the developments to be completed. Without limiting the generality of the foregoing, such assistance may include a direct loan to a qualified housing mortgagor, subordinated to the Federal mortgage loan, with repayment of principal, and interest,
6. The commissioner shall issue and promulgate such rules and regulations as are necessary and appropriate to carry out the provisions of this act.

7. The bonds provided for herein shall be serial bonds and known as "State Housing Assistance Bonds" and, as to each series, the last installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than 35 years from the date of its issuance.

8. Said bonds shall be issued from time to time as the issuing officials herein named shall determine.

9. The Governor, State Treasurer and Comptroller of the Treasury, or any 2 such officials (hereinafter referred to as "issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

10. Bonds, issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

11. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

12. (a) Such bonds shall recite that they are issued for the purpose set forth in section 5 of this act and that they are issued in
pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1968, and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recitals in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

(b) Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

13. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, not exceeding 6% per annum as may be determined by the issuing officials, which interest shall be payable semi-annually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

14. Said bonds shall be issued and sold at such price not less than the par value thereof and accrued interest thereon, and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least once in at least 3 newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least 5 days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale at such price not less than the par value thereof and accrued interest thereon and in such terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.
15. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds, temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

16. The proceeds from the sale of bonds shall be paid to the State Treasurer and be held by him for the Housing Assistance Fund in a separate account, to be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the Housing Assistance Fund.

17. (a) The moneys in said fund are hereby specifically dedicated and shall be applied to the cost of the purposes set forth in section 5 of this act, and all of such moneys are hereby appropriated for such purpose, and no such moneys shall be expended for such purpose (except as otherwise hereinbelow authorized) without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of said moneys.

(b) At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the treasury of the State to the credit of the fund, such sums as may be deemed necessary for the purposes of this act by the State House Commission, which said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

(c) Pending their application to the purposes provided in this act, moneys in the Housing Assistance Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. All earnings received from the investment or deposit of such funds shall be paid into the general treasury and become a part of the General State Fund.

18. In case any coupon bonds and coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction and also such security and indemnity and reimbursement for expenses as the issuing officials may require.

19. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said
bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

20. Bonds of each series issued hereunder shall mature in annual installments commencing not later than the tenth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, but the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

21. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, providing such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest that would be paid on the bonds to be refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

22. To provide funds to meet the interest and principal payments required for the bonds issued in this act and outstanding, there is hereby appropriated in the order following:

(a) Revenue derived from the tax collected under and by virtue of the State sales tax, or so much thereof as may be required; and

(b) If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon
outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If, on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the fees, charges and taxes specified in subsection (a) of this section shall thereon be considered and treated as part of the General State Fund, available for general purposes.

23. Should the State Treasurer by December 31 of any year deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case, the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each
county. Such calculation shall be based upon the corrected assessed valuation of such county for the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

24. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, 1968, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State after this section shall take effect, and at least 15 days prior to the said election, to cause this act to be published in at least 10 newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the said clerks respectively shall cause to be printed on each of the said ballots, the following:

If you approve the act entitled below, make a cross (×), plus (+) or check (√) mark in the square opposite the word “Yes.”

If you disapprove the act entitled below, make a cross (×), plus (+) or check (√) mark in the square opposite the word “No.”

CHAPTER 128

An Act authorizing the creation of a debt of the State of New Jersey by issuance of bonds of the State in the sum of $337,500,000.00 for public buildings, their construction, reconstruction, development, extension, improvement and equipment; providing the ways and means to pay the interest of said debt, and also to pay and discharge the principal thereof; and providing for the submission of this act to the people at a general election.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act shall be cited as the “New Jersey Public Buildings Construction Bond Act of 1968.”

2. The Legislature hereby finds that:

(a) The State of New Jersey requires an extensive and immediate comprehensive and integrated program for the construc-
tion of public buildings. Since this essential program for the construction of public buildings will serve the people of the State for many years, financing of the same by a bond issue is deemed to be in the public interest.

(b) The Governor’s Commission to Evaluate the Capital Needs of New Jersey estimated an additional $100,000,000.00 is needed to finance priority State institution projects.

(c) The Governor’s Commission to Evaluate the Capital Needs of New Jersey stated that there is urgent need to increase significantly the enrollment capacity for undergraduate students at public institutions of higher education, to provide for commensurate increases in the enrollment capacity for graduate and professional students at these institutions and to provide for the construction of additional county college facilities and 2 new State colleges, one in northern New Jersey and one in southern New Jersey.

(d) The Commissioner of Education and the Governor’s Commission to Evaluate the Capital Needs of New Jersey have declared a need for additional vocational educational facilities and said commission recommends that an initial sum of $27,500,000.00 be raised for said purposes to be matched by Federal funds.

(e) The Governor’s Commission on Public Broadcasting has recommended the construction of the public broadcasting buildings necessary to utilize the 4 noncommercial television channels which have been assigned to and reserved for the State.

3. Except as the context may otherwise require:

(a) “Public buildings” shall mean (1) buildings, structures and facilities under the supervision and control of the State Department of Institutions and Agencies for mental, charitable, hospital, training and correctional purposes; (2) buildings, structures and facilities required for the operation of a State-wide public television and radio network; (3) buildings, structures and facilities required for the operation of vocational education programs under the supervision of the department of education; and (4) buildings, structures and facilities required for the operation of state institutions of higher education and county colleges.

(b) “Construction of public buildings” means the erection, acquisition, improvement, reconstruction, development and extension of public buildings, including all equipment and facilities necessary to the operation thereof and includes the acquisition of land necessary for said purposes.

(c) “State institutions” shall mean institutions operated and maintained by the Department of Institutions and Agencies.
(d) "State institutions of higher education" shall mean Rutgers, the State University, the State colleges, Newark College of Engineering, and the New Jersey College of Medicine and Dentistry.

(e) "County colleges" shall mean colleges operated pursuant to the provisions of chapter 41, P. L. 1962, as amended or supplemented (N. J. S. 18A:64A-1, et seq.).

4. Bonds of the State of New Jersey in the sum of $337,500,000.00 are hereby authorized for the purpose of capital expenditure for cost of the construction of public buildings. Of such total, the proceeds from the sale of bonds shall be reserved as follows:

(a) The construction of public buildings for county colleges, and for the construction of public buildings for other State institutions of higher education—not more than $172,500,000.00.

(b) The construction of public buildings for 2 new State colleges, one in Bergen county and one in Atlantic county or Cumberland county or Cape May county or any combination thereof — not more than $30,000,000.00.

(c) The construction of public buildings for vocational education—not more than $27,500,000.00.

(d) The construction of public buildings for State institutions—not more than $100,000,000.00.

(e) The construction of public buildings for a State-wide public television and radio network—not more than $7,500,000.00.

5. Said bonds shall be serial bonds and known as "Public Building Construction Bonds" and, as to each series, the last annual installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than 35 years from the date of its issuance, but may be issued in whole or in part for a shorter term.

6. Said bonds shall be issued from time to time as the issuing officials herein named shall determine.

7. The Governor, State Treasurer and Comptroller of the Treasury or any 2 of such officials (hereinafter referred to as "the issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith
and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

10. Such bonds shall recite that they are issued for the purpose set forth in the first sentence of section 4 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1968, and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

11. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, not exceeding 6% per annum, as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. Said bonds shall be issued and sold at such price not less than the par value thereof and accrued interest thereon, and under such
terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least once in at least 3 newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least 5 days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale at such price not less than the par value thereof and accrued interest thereon and under such terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.

13. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "Public Buildings Construction Fund."

15. The moneys in said Public Buildings Construction Fund are hereby specifically dedicated and shall be applied to the cost of the public buildings purpose set forth in section 4 of this act, and all of such moneys are hereby appropriated for such purpose, and no such moneys shall be expended for such purpose (except as otherwise hereinbelow authorized) without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of said moneys.

At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the treasury of the State to the credit of the Public Buildings Construction Fund such sum as may be deemed necessary for the purpose of this act by the State House Commission, which said sum so transferred shall be returned to the
treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

Pending their application to the purpose provided in this act, moneys in the Public Building Construction Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. Net earnings received from the investment or deposit of such fund shall be paid into the General Treasury and become a part of the General State Fund.

16. In case any coupon bonds or coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction and proof of ownership, and such security and indemnity and reimbursement for expenses as the issuing officials may require.

17. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasurer, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature in annual installments commencing not later than the tenth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, and the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

19. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, providing such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of
interest which would be paid on the bonds to be refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all of its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

20. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

(a) Revenue derived from the collection of taxes as provided by the "Sales and Use Tax Act" (P. L. 1966, c. 30) as amended and supplemented, or so much thereof as may be required; and

(b) If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a
separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the tax specified in subsection (a) of this section shall thereon be considered and treated as part of the General State Fund, available for general purposes.

21. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the Treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

22. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, 1968, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect, and at least 15 days prior to the said election, to cause this act to be published in at least 10 newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the said clerks respectively, in accordance with the instructions of the Secretary of State, shall cause to be printed on each of the said ballots, the following:

If you approve the act entitled below, make a cross (×), plus (+), or check (✓) mark in the square opposite the word "Yes."

If you disapprove the act entitled below, make a cross (×), plus (+), or check (✓) mark in the square opposite the word "No."
If voting machines are used, a vote of "Yes" or "No" shall be equivalent to such markings respectively.

CHAPTER 129

AN ACT concerning insurance, creating the "New Jersey Insurance Underwriting Association," prescribing the powers, duties and functions thereof and supplementing Title 17 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 17:37A-1 Policy declaration.
1. It is hereby declared that an adequate market for fire and extended coverage insurance is necessary to attract private capital to central city areas; that without such insurance it is impossible to supply needed goods and services, and expand job opportunities; that orderly community development depends upon an adequate supply of such insurance to enable homeowners to obtain financing for the purchase and improvement of their property; that while the need for such insurance is growing there is reason to believe that the market for same is constricting, and likely to become more constricted in the future; that voluntary efforts to provide fire and extended coverage insurance in areas likely to be unprofitable deserve praise, but are insufficient to meet the needs of these areas; that the State has an obligation to require every insurance company writing fire and extended coverage insurance in New Jersey to meet its public responsibilities, instead of shifting the entire burden to a few public spirited companies; that it is the purpose of this act to accept this obligation; and that any mandatory program to provide fire and extended coverage insurance for all citizens of New Jersey should be supervised by the Commissioner of Banking and Insurance and periodically reviewed in the light of experience and intervening events by the Legislature.

C. 17:37A-2 Definitions.
2. As used in this act, the following words and terms shall have the following meanings, unless the context indicates or requires another or different meaning or intent:

mischief, burglary, or theft, or such other classes of insurance as the commissioner may designate in order to comply with Federal legislation and obtain Federal reinsurance;

b. "Basic property insurance" means insurance against loss to property as defined and limited in: the standard fire policy and extended coverage endorsement thereon, the allied line policy or endorsement, the homeowner's multiple peril policy, the commercial multiple peril policy, the burglary or theft coverage policy and other like policies.

c. "Association" means the New Jersey Insurance Underwriting Association established pursuant to the provisions of this act;

d. "Plan of operation" means the plan of operation of the association approved or promulgated by the commissioner pursuant to the provisions of this act;

e. b. The proposed plan shall be reviewed by the commissioner and approved by him if he finds that such plan fulfills the purposes provided by section 1 of this act. In his review of the proposed plan the commissioner may, in his discretion, consult with the directors and other members of the association and any other individual or organization. If the commissioner approves the proposed plan he shall certify such approval to the directors and said plan shall take effect 10 days after such certification. to the directors. If the directors do not submit a proposed plan of operation within 90 days after the effective date of this act, or a new plan which is acceptable to the commissioner, or accept the recommendations of the commissioner within 30 days after the disapproval of a proposed plan, the commissioner shall promulgate a plan of operation and certify same to the directors. Any such plan promulgated by the commissioner shall take effect 10 days after certification to the directors; provided, however, that until a plan of operation is in effect pursuant to the provisions of this act, any existing temporary placement facility shall be continued in effect on a mandatory basis on such terms as the commissioner shall determine.

c. The directors of the association may, on their own initiative, amend the plan of operation at any time, subject to the approval by the commissioner.

8. a. Any person having an insurable interest in insurable property, who has failed to procure essential property insurance from an authorized insurer in the normal insurance market, shall, on or after the effective date of the plan of operation, be entitled to apply to the association for such coverage and for an inspection of the property. Such application may be made on behalf of an applicant by a broker or agent authorized by him. Every such application shall be submitted on forms prescribed by the commissioner after consultation with the directors of the association and shall contain information sufficient to indicate:

(1) Evidence of failure to procure essential property insurance from an authorized insurer in the normal insurance market;

(2) Whether or not the property is insurable;

(3) Whether or not there is any unpaid, uncontested premium due from the applicant for prior insurance on the property (as shown by the insured having failed to make written objection to charges within 30 days after billing). The term "insurable interest," as used in this section, shall be deemed to include any lawful and substantial economic interest in the
safety or preservation of property from loss, destruction or pecuniary damage.

b. If the association determines that:

(1) The applicant has made a diligent effort to procure essential property insurance from an authorized insurer in the normal market at manual or tariff rates;

(2) The property is insurable; and

(3) There is no unpaid, uncontested premium due from the applicant for prior insurance on the property, the association, upon receipt of the premium, or such portion thereof, as is prescribed in the plan of operation, shall cause to be issued a policy of essential property insurance for a term of 1 year. Any policy issued pursuant to the provisions of this section shall be renewed annually, upon application therefor, so long as the information contained in the original application remains valid.

c. If the association, for any reason, denies an application and refuses to cause to be issued an insurance policy to any applicant, or takes no action on an application within the time prescribed in the plan of operation, any such applicant may appeal to the commissioner, and the commissioner, after a review of the facts may direct the association to cause to be issued an insurance policy to the applicant. In carrying out his duties pursuant to this section the commissioner may request, and the association shall provide, any information he deems necessary concerning the reasons for the denial or delay of an application.

C. 17:37A-15 Association's annual statement to commissioner; contents, form.
15. The association shall file in the office of the commissioner, annually on or before March 1, a statement which shall contain information with respect to its transactions, condition, operations and affairs during the preceding year. Such statement shall contain such matters and information as are prescribed by the commissioner, and shall be in such form as is approved by him. The commissioner may at any time require the association to furnish him with additional information with respect to its transactions, condition or any matter connected therewith, which he considers to be material and which will assist him in evaluating the scope, operation and experience of the association.

C. 17:37A-16 Commissioner's examination of association's affairs.
16. The commissioner may make an examination into the affairs of the association whenever he deems it expedient, and in undertaking any examination he may hold a hearing or hearings pursuant to the procedures provided in chapter 1 of this Title. The expenses of every such examination shall be borne and paid by the association, but the commissioner may, in his discretion, for good cause shown, remit such charges.

C. 17:37A-17 Commissioner's annual report to Legislature.
17. In addition to the annual reports of the commissioner pursuant to section 17:1-9 of the Revised Statutes, the commissioner shall submit to the Legislature a special report embracing the activities, affairs and condition of the association, as of December
31 of each year the association is in existence. Said report may contain any specific recommendations the commissioner may wish to make concerning the association, including his evaluation of the association's effectiveness in fulfilling the purposes of this act, and his judgment of the need to maintain the association in existence indefinitely or for any prescribed period of time.

C. 17:37A-18 New Jersey Insurance Development Fund; creation, use, reimbursement limitation, constituent elements, administration.

18. There is hereby created a fund to be known as the "New Jersey Insurance Development Fund," for the purpose of providing a financial backup for the plan of operation of the association as approved or issued by the commissioner pursuant to this act. The fund shall be used to reimburse any insurer or the association established pursuant to this act for losses sustained in excess of the amount of retention of such losses as shall be provided for by the commissioner; except that in any given calendar year the total amount of all such reimbursement shall not exceed 5% of the insurance premiums written on essential property insurance in this State in the most recent full calendar year. The fund shall consist of all payments made to the fund by insurers as hereinafter provided, of securities acquired by and through the use of moneys belonging to the fund, moneys appropriated to the fund as provided in this act, together with interest and accretions earned upon such payments or investments. The fund shall be administered by the commissioner and the State Treasurer in accordance with the provisions of this act.

C. 17:37A-19 Collection of surcharge from insured; semiannual payment to fund.

19. For the privilege of doing property insurance business in this State, and in addition to all other requirements of law, every insurer authorized to write such insurance in this State shall be obligated to collect from the insured under any policy of basic property insurance, a surcharge upon the premium paid for said policy in an amount which shall be annually determined by the commissioner as hereinafter provided. This surcharge shall be collected by each insurer and paid over to the fund semiannually as provided for by the commissioner.

C. 17:37A-20 Surcharge to establish fund; amount limitation, provisions, increase, disposition.

20. For the purpose of providing the moneys necessary to establish the New Jersey Insurance Development Fund in an amount sufficient to meet the requirements of said fund pursuant to section 21 of this act, the commissioner shall establish a reasonable sur-
charge upon all basic property insurance premiums paid for poli-
cies of insurance written in this State; provided, however, that in
any given calendar year the aggregate amount of such surcharges
shall not exceed a sum equal to 5% of the insurance premiums
written on essential property insurance in this State in the most
recent full calendar year. The surcharge shall be a separate charge
to the insured in addition to the premium to be paid and shall be
reflected as such in the policy and commissions shall not be payable
thereon. The insurer shall be prohibited from absorbing such sur-
charge as an inducement for insurance or for any other reason. In
the event that pursuant to section 23 of this act the Legisla
ture appropriates any moneys to the credit of such fund, the commis-
sioner is hereby empowered to increase the surcharge so that the
amount so appropriated may be returned to the State Treasury
as provided by section 23 of this act.

C. 17:37A-21 Annual determination of net value of fund; affect on surcharge.
21. The commissioner, on or before April 1, shall ascertain and
determine the net value of the fund as of the next preceding Decem-
ber 31. The net value of the fund shall be determined by deducting
from the value of the assets of the fund, the aggregate, actual, and
estimated liabilities of the fund as determined by the commissioner.
When the net value of the fund, as thus determined, reaches an
amount equal to 5% of the premiums written on essential property
insurance in this State in the most recent full calendar year, no
further surcharge on said premiums and no further payments to
said fund shall be made; provided, however, that whenever, there-
after, the net value of said fund shall be reduced below the afore-
said amount, by reason of payments from and known and estimated
liabilities of such fund, then such surcharge and payments to said
fund shall be received in the manner provided in section 19 of this
act, and shall continue in such manner until said fund, over and
above its sum and estimated liabilities, shall reach the aforesaid
amount.

C. 17:37A-22 Fund management.
22. The fund created by this act shall be separate and apart from
any other fund and from all other State moneys. The State Treas-
urer shall be the custodian of said fund; and all disbursements
from said fund shall be made by the treasurer upon vouchers signed
by the commissioner, as in this act provided. The moneys of said
fund shall be invested and reinvested by the Director of the Divi-
sion of Investment as other trust funds in the custody of the State
Treasurer in the manner provided by law.
C. 17:37A-23 Certification of insufficiency of fund.

23. If in any year or at any time the fund as hereinabove established is insufficient to pay claims chargeable to the fund to the extent of 5% of the most recent full calendar year essential property insurance premiums written by authorized insurers in this State, the commissioner shall certify to the Governor the amount of such insufficiency and such amount shall be appropriated and paid to the fund, which said amount so paid shall be returned to the treasury of this State from proceeds of the surcharge collected pursuant to this act.

C. 17:37A-24 Examination of premises by insurer's agents; reimbursement for damages.

24. The agents and employees of any insurer of this State participating in a plan established pursuant to this act may enter upon any lands and premises in the State for the purpose of making such examination as is necessary or convenient for the purposes of this act and such entry shall not be deemed a trespass, except that the insurer shall make reimbursement for any actual damages resulting to such lands and premises as a result of such activity.

C. 17:37A-25 Participation in Federal reinsurance program.

25. In addition to any powers conferred upon him by this or any other law, the commissioner is authorized to do all things necessary to enable this State and any insurer participating in any plan approved or issued by the commissioner to fully participate in any Federal program of reinsurance which may be hereafter adopted for purposes similar to the purposes of this act.

C. 17:37A-26 Rules and regulations.

26. The commissioner may make reasonable rules and regulations to carry out the purposes of this act.

C. 17:37A-27 Reports.

27. The commissioner may require such reports from insurers concerning risks insured under any plan approved or issued pursuant to this act as he shall deem necessary.

28. This act shall take effect July 1, 1968.

Approved July 2, 1968.

Fees for registration of passenger automobiles; maximum dimensions and fees for license of semitrailers and trailers.

39:3-8. The applicant for registration for passenger automobiles shall pay to the director for each registration a fee of $12.00 for each such vehicle having a manufacturer’s shipping weight of less than 2,700 pounds, a fee of $18.00 for each such vehicle having a manufacturer’s shipping weight of 2,700 pounds or more, but not greater than 3,800 pounds, and a fee of $30.00 for each vehicle having a manufacturer’s shipping weight in excess of 3,800 pounds. The director shall determine the manufacturer’s shipping weight for each passenger automobile on the basis of the information contained in the certificate of origin, the application for registration or for renewal of registration, or the records of the division, or any or all of these; in any case in which the manufacturer’s shipping weight of any particular passenger automobile is unavailable, or in doubt or dispute, the director may require that such automobile be weighed on a scale designated by him, and such actual weight shall be considered the manufacturer’s shipping weight for the purposes of this section; but in all cases the director’s determination of the manufacturer’s shipping weight of any such automobile shall be final. One dollar of each fee herein, shall be the inspection fee fixed in section 39:8-2 of this Title, and payment of the fees herein provided shall constitute payment of the said inspection fee.

The director may also license private utility and house type semitrailers and trailers with a gross load not in excess of 2,000 pounds at a fee of $5.00 per annum and all other such utility and house type semitrailers and trailers at $10.00 per annum. Application for such registration shall be made on a blank to be furnished by the division and the application shall contain a statement to the effect that the vehicle so registered will not be used for the com-
No private utility or house type semitrailer or trailer with an outside width of more than 96 inches, a maximum height of 13 feet 6 inches, a maximum length for a single vehicle of more than 35 feet, a maximum length for a semitrailer and its towing vehicle of more than 45 feet, and a maximum length for a trailer and its towing vehicle of more than 50 feet, shall be operated on any highway in this State, except that a vehicle exceeding the above limitations may be operated when a special permit so to operate is secured in advance from the director. The application for such permit shall be accompanied by a fee fixed by the director. A special permit issued by the director shall be in the possession of the operator of the vehicle for which such permit was issued. In computing any dimensions of a vehicle, for the purposes of this section, there shall not be included in the dimensional limitations safety equipment such as mirrors or lights, provided such appliances do not exceed the over-all limitations established by the director by rule or regulation.

2. Section 39:3–10 of the Revised Statutes is amended to read as follows:

Driver's license; examination, issuance, periods, fees, renewals, denials; penalty.

39:3–10. No person shall drive a motor vehicle on a public highway in this State unless licensed to do so in accordance with this article. No person under 17 years of age shall be licensed to drive motor vehicles, nor shall a person be licensed until he has passed a satisfactory examination as to his ability as an operator. The examination shall include a test of the applicant's knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road and a demonstration of his ability to operate a vehicle of the class designated. A separate license shall be required to operate a motorcycle.

The director, upon payment of the lawful fee and after he or an inspector of his has examined the applicant and is satisfied of the applicant's ability as an operator, may, in his discretion, license the applicant to drive a motor vehicle. The license shall authorize him to drive any registered automobile, of the kind or kinds indicated, or motorcycle, as the case may be, and shall expire on the last day of the twelfth or thirty-sixth calendar month following the calendar month in which such license was issued, the term of
such license to be at the option of the driver; provided, however, that the director may, at his discretion and for good cause shown, issue licenses which shall expire on a date fixed by him, which date shall not be sooner than 5 months nor later than 41 months, after the date of issuance of such licenses, and the fee for such licenses shall be fixed by the director in amounts proportionately less or greater than the fee herein established. The license fee for such 36-month period shall be $11.00 for drivers of automobiles and $5.00 for operators of motorcycles, and for the 12-month period shall be $4.00 for drivers of automobiles and $2.00 for operators of motorcycles. The driver’s license shall have the name of the licensee endorsed thereon in his own handwriting.

The director shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made on forms prescribed by the director, which forms shall be mailed by the director from the central office of the division to the last addresses of the licensed drivers as they appear on the records of the division. Upon the return by mail of such forms, accompanied by the requisite fees, the director shall issue renewals of such licenses by mail from the central office of the division.

The director in his discretion may refuse to grant a license to drive motor vehicles to a person who is, in his estimation, not a proper person to be granted such a license, but no defect of the applicant shall debar him from receiving a license unless it can be shown by tests approved by the Director of the Division of Motor Vehicles that the defect incapacitates him from safely operating a motor vehicle.

A person violating this section shall be subject to a fine not exceeding $500.00 or imprisonment in the county jail for not more than 60 days.

a motor vehicle or motorcycle, as the case may be, for a specified period of not more than 60 days, while in the company and under the supervision of a licensed automobile driver or licensed motorcycle driver, as the case may be. The permit shall be sufficient license for the person to operate an automobile or motorcycle in this State during the period specified, while in the company of and under the control of a licensed automobile driver or licensed motorcycle driver, as the case may be, of this State. Such person, as well as the licensed driver, shall be held accountable for all violations of this subtitle committed by such person while in the presence of the licensed driver. No written permit shall be issued unless the person applying therefor shall pay the sum of $3.00 to the director, or an officer, employee or agent of the division, which sum shall be remitted by the director with the other funds collected in his division to the State Treasurer, in accordance with the provisions of this subtitle.

No examination for a driver's license shall be given unless the applicant has first secured a learner's permit.

The specified period for which a permit is issued may be extended for not more than an additional 60 days without payment of added fee upon application made by the holder thereof where the holder has applied to take the examination for a driver's license prior to the expiration of the original period for which the permit was issued and the director was unable to schedule an examination during said period.

An applicant for registration for trailers and semitrailers shall pay to the director a fee of $15.00 for each such vehicle.

In addition to the registrations authorized to be issued pursuant to the aforesaid provisions of this section, the director shall issue registrations for automobile commercial vehicles, trailers, semitrailers, and tractors providing for the gross weight of vehicle and load over 40,000 pounds but not exceeding 70,000 pounds, upon application therefor and proof to the satisfaction of the director that the applicant is actually engaged in construction work or in the business of supplying material, transporting material, or using such registered vehicle for construction work. The license plate so issued shall be marked "constructor" and shall be placed upon the vehicle or vehicles registered under this section. In no event shall a vehicle or combination of vehicles, operating as a unit, registered under this section and using "constructor" registration plates exceed a maximum gross weight, inclusive of load, of 70,000 pounds.
The applicant for "constructor" registration plates authorized herein shall pay therefor on each vehicle at the rate of $16.00 per thousand pounds of gross weight of vehicle and load.

Vehicles registered and using "constructor" registration plates may not be operated at a distance greater than 30 miles from the point established as a headquarters for the particular construction operation and such vehicles, except as hereafter provided, must comply with the speed limitations of Title 39 of the Revised Statutes. Such vehicles when carrying a gross weight of vehicle and load less than 50% of the certificate of registration shall comply with applicable speed laws and shall not move along a highway at a speed greater than 40 miles per hour. When carrying a gross weight of vehicle and load in excess of 50% of the certificate of registration, such vehicle shall comply with applicable speed laws and shall not move along a highway at a speed greater than 30 miles per hour.

It shall be unlawful for any vehicle registered under this act having gross weight of load and vehicle including the gross weight of all vehicles and load in any combination of vehicles in excess of the gross weight provided on the registration certificate to be operated on the highways of this State.

In the event that a truck, road tractor or truck tractor registered under this act is found on a highway in combination with a trailer or semitrailer duly registered in any other State or Federal district which imposes registration weight fees on such trailers or semitrailers, the drawing vehicle of the combination registered under this act shall have a gross weight registration equal to at least \( \frac{11}{12} \) of the combined gross weight of all the vehicles and load in the combination of vehicles. If it does not, the operation of said combination of vehicles on the highways of this State shall be unlawful.

The 5% allowance provided by section 5 of P. L. 1950, chapter 142 shall be applicable as heretofore to all registered weight limitations provided in this section, except that in no event shall the gross weight of any vehicle or combination of vehicles, including load, exceed the Federal maximum of 73,280 pounds or as such may be amended from time to time. In the case of a truck, road tractor or truck tractor registered under this act in combination with a trailer or semitrailer duly registered in any other State or Federal district which imposes registration weight fees on such trailers or semitrailers, known as a mixed combination, the 5% allowance shall be applied by adding to the registered weight of the drawing vehicle registered under this act 5% of said registered
weight. If the resulting sum is equal at least to \( \frac{1}{2} \) of the combined gross weight of the mixed combination, then the mixed combination shall be in compliance with the registration requirements of this section.

Moneys realized from the increase of the fees for registrations issued pursuant to the provisions of this act shall be paid into the State treasury and credited to the General State Fund and available for general State purposes.

This section shall not be construed to supersede or repeal the provisions of either sections 39:3-84 or 39:4-75 of this Title.

7. Section 39:3-21 of the Revised Statutes is amended to read as follows:

The fee for such registration shall be $4.00 per annum, whether the registration is issued for the yearly period or only a portion thereof. Such traction equipment or farm tractors may draw farm machinery and implements while in transit from one farm to another without additional registration therefor.

(b) The director may register motor vehicles, not for hire, used exclusively as farm machinery or farm implements, to travel upon the public highways, from one farm, or portion thereof, to another farm, or portion thereof, both owned or managed by the registered owner of the vehicle or vehicles. The fee for such registration shall be $2.00 per annum, whether the registration is issued for a yearly period or only a portion thereof. Any vehicle so registered and any truck registered pursuant to the provisions of 39:3-25 of this Title may draw not more than one vehicle used exclusively on the farm and a vehicle so drawn need not be registered.

(c) No vehicle registered pursuant to this section shall be operated on a public highway at any time from sunset to sunrise. Every such vehicle when operated on a public highway shall have means adequate to control the movement of and to stop and hold such vehicle on any up or down grade and shall be operated in accordance
with uniform rules and regulations prescribed by the Director of the Division of Motor Vehicles. Such rules and regulations shall specify the coverings that may be used on the wheels of such vehicles, the days, hours and conditions under which such vehicles can be operated, the circumstance under which escort vehicles shall be required, the distance that may be traveled upon the public highways and such vehicle equipment or other requirements or restrictions as may be necessary to protect the safety of the users of the public highways.

9. Section 39:3–31 of the Revised Statutes is amended to read as follows:

Duplicate certificate fee.

39:3–31. The commissioner, upon presentation of a statement duly sworn to, stating that the original registration certificate or driver's license has been destroyed, lost or stolen, may, if he is satisfied that the facts as set forth in the statement are substantially true, issue a duplicate registration certificate or driver's license to the original holder thereof, upon the payment to the commissioner of a fee of $3.00 for each duplicate registration certificate or driver's license so issued.

Any such duplicate original registration certificate may be used in the same manner and for the same purpose as the original registration certificate but may be used only by the holder of the original registration certificate or a member of his family. Any reference to the original registration certificate in the chapter to which this act is supplementary or in Title 39 of the Revised Statutes as amended and supplemented, shall be deemed to include any and all duplicate original registration certificates issued pursuant to this act and, in the event that the holder of the original registration certificate shall be required to surrender the same by virtue of the provisions of any law, he shall also be required to surrender the duplicate original registration certificate if he shall have had such
duplicate original registration certificate issued to him. The said director shall make and promulgate such rules and regulations as may be necessary to effectuate the purposes of this act.

Any person, partnership or corporation may, with regard to such road building machinery, vehicle, traction engine, roller or other apparatus or machinery of the kind owned or controlled by it, obtain general registration and registration plates thereof of the style and kind provided for in this article, with the word “temporary” or “in-transit” stated thereon, but only if the director is satisfied as to the financial responsibility of such person, partnership or corporation to meet any claim for damages arising out of an accident and satisfactory evidence of such responsibility has been filed with him.

The annual fee for the issuance of a certificate of registration, or duplicates thereof and 5 sets of “temporary” or “in-transit” plates bearing a number, corresponding to the number on the certificate of registration shall be $75.00.

Such plates can be placed on any such road building machinery, vehicle, traction engine, roller or other apparatus or machinery, owned or operated by the person, partnership or corporation to whom the registration is issued, only in moving to and from the location of any type of construction.

12. Section 39:10-11 of the Revised Statutes is amended to read as follows:

Submitting evidence of purchase; recording; certificate of ownership; fee; creation of security interest; penalty.

39:10-11. A. The purchaser of a motor vehicle in this State shall, within 10 days after its purchase, submit to the director evidence
of the purchase. Upon presentation to the director of the certificate of origin, or certificate of ownership, or bill of sale issued prior to October 1, 1946, with proper assignment and certification of the seller, a record of the transaction shall be made and filed. A certificate of ownership shall be issued by the director and delivered to the buyer, in case of a sale not subject to a security interest, and the director shall collect a fee of $3.00 for the issuance and filing thereof.

B. In the case of a sale subject to a security interest, a certificate of ownership, with the name and address of the holder of the encumbrance or secured party or his assignee recorded thereon, shall be delivered to the holder of the encumbrance or secured party or his assignee, and a copy thereof shall be delivered to the buyer. The director shall collect a fee of $3.00 for his services in issuing a certificate and copy thereof, and for making a record of and filing the record of the transaction pursuant to this subsection.

C. Except as hereinafter in this section otherwise expressly provided, whenever a security interest is created in a motor vehicle, other than a security interest which is required to be noted on the certificate of origin or the certificate of ownership as provided in sections 39:10-8 and 39:10-9 of this Title, there shall be filed with the director, the certificate of ownership of the motor vehicle, together with a financing statement on a form prescribed by the director. The director shall make and file a record of the transaction and shall issue a certificate of ownership recording the name and address of the secured party or his assignee thereon, and shall deliver it to the secured party or his assignee. A copy of the certificate of ownership so issued shall be delivered to the buyer. The director shall collect a fee of $3.00 for his services in issuing a certificate and copy thereof and for making a record of and filing the record of the transaction pursuant to this subsection.

D. The financing statement required to be filed pursuant to subsection C hereof shall be signed only by the buyer, shall not be required to be acknowledged or proved, and shall show, in addition to such matters as the director may require for the proper identification of the motor vehicle affected, the date of the security agreement, and the names and addresses of the parties thereto. Nothing in this section 39:10-11 contained shall be construed as requiring that the security agreement or a copy thereof, or any proof of execution thereof other than that contained in the financing statement, shall be presented to the director. When the buyer is a corporation, it shall be sufficient if the financing statement is signed
by any officer thereof, or by any agent designated by the corporation for that purpose, and it shall not be necessary that the financing statement recite the authorization of the agent. When there is more than one buyer, it shall be sufficient if the financing statement is signed by any one of them.

E. Nothing in subsections C and D of this section shall apply to security interests in motor vehicles which constitute inventory held for sale, but such interests shall be subject to chapter 9 of Title 12A of the New Jersey Statutes, nor shall anything in the said subsections apply to interests in personal property subject to chapter 28 of the Title, Property (46:28-4 et seq.).

F. In addition to the fees elsewhere in this section provided for, there shall be paid to the director a fee of $1.00 for notice of satisfaction of the lien or encumbrance of the record or abstract, or of the termination of the security interest where the motor vehicle is subject to a lien or encumbrance or a security interest as provided in section 39:10-14 of this Title.

G. Notwithstanding any other provision in this section contained, when any dealer licensed under the provisions of section 39:10-19 of this Title is the purchaser of a motor vehicle in this State, he shall, within 10 days after its purchase, submit to the director the evidence of purchase. Upon presentation of the certificate of ownership with proper assignment and certification of the seller to the director, a record of the transaction shall be made and filed. A certificate of ownership shall be issued by the director and delivered to such purchaser and the director shall collect a fee of $1.00 for the issuing and filing thereof.

H. Any purchaser of a motor vehicle who fails to comply with the provisions of this section shall pay to the director a penalty of $5.00 plus the issuing and filing fee.

I. The failure of any person to comply with the requirements of this section shall not constitute a misdemeanor within the provisions of section 39:10-24 of this Title, nor shall such failure affect the validity of any instrument creating or reserving a security interest in a motor vehicle, as between the parties to such instrument.

J. The notation of the name and business or residence address of a secured party or his assignee, on the certificate of origin or on the certificate of ownership, as provided in sections 39:10-8 and 39:10-9 of this Title, and the presentation to the director in accordance with section 39:10-11 of this Title, of the certificate of origin or certificate of ownership so noted, and the compliance
with the requirements of subsections C and D of section 39:10-11 of this Title, shall be in lieu of all filing requirements imposed by chapter 9 of Title 12A of the New Jersey Statutes and shall constitute the perfection of a security interest in the motor vehicle, and the rights and remedies of the debtors and the secured parties in respect to such security interest shall, except as otherwise expressly provided in this chapter, be subject to and governed by chapter 9 of Title 12A of the New Jersey Statutes.

13. Section 39:10-12 of the Revised Statutes is amended to read as follows:

Lost title papers; duplicate certificate fee; false statements in application; penalty.

39:10-12. If certificate of ownership, or title papers, are lost, the director may, upon proof by certification or otherwise in the manner required by him and if satisfied of the bona fides of the application, prepare a certificate of ownership, certify it and authorize its use in place of the original, with the same effect as the original. The director shall collect a fee of $3.00 for this duplicate certificate.

A person who falsely states, in any application to the director for a duplicate certificate of ownership, that a certificate of ownership, or title papers, are lost, shall be subject to a fine of not less than $25.00 nor more than $100.00 or imprisonment for a term not exceeding 30 days or both.

14. Section 39:10-14 of the Revised Statutes is amended to read as follows:

Notations; index; certificates; security interests; fees; furnishing information from records.

39:10-14. A. The director shall, on the record or abstract of every motor vehicle registered with him, which is subject to a security interest of which notice is required to be filed with him, make a notation of the existence of such security interest and shall index the same under the name of the owner of record of the vehicle so long as the security interest remains unterminated of record.

B. Upon request from any person, the director shall issue a certificate showing names and addresses of the parties to any contract of conditional sale or chattel mortgage or other instrument, or to any financing statement, the name and address of the holder of the lien or liens under such contract, chattel mortgage or other instrument or of the secured party, the date thereof or of the financing statement, the date of filing, the make, model, identification number or numbers of the motor vehicle, and, if the condition in the contract of conditional sale, or chattel mortgage has been per-
formed or the security interest has been terminated, a statement to that effect, for which he shall be entitled to a fee of $1.00.

C. For a full certified copy of any instrument showing a lien on or a security interest in a motor vehicle the director shall be entitled to a fee of $1.00 for the certificate plus $0.50 for each copy of any paper certified.

D. When evidence of satisfaction of any contract of conditional sale or chattel mortgage or other instrument, or evidence of the termination of a security interest, as aforesaid, shall be presented to the director, he shall make a notation thereof on the record of the sale of such motor vehicle showing that the condition in the contract of conditional sale or chattel mortgage has been performed or the security interest has been terminated; provided, however, that the evidence of satisfaction of a chattel mortgage on a motor vehicle executed after September 1, 1951 shall be submitted by the county recording officer on a form prescribed by the director, unless the chattel mortgage is one that is not required, under the provisions of this section and section 39:10-11 of the Revised Statutes, to be presented to and recorded by the director.

E. The director, his agents, and employees of the Division of Motor Vehicles shall not incur any personal liability in carrying out the provisions of this section or in furnishing any information provided herein from the records of the Division of Motor Vehicles.

15. Section 39:10-16 of the Revised Statutes is amended to read as follows:

Defective or improper title papers; correction procedure; fee.

39:10–16. If the title papers or certificate of ownership are defective or improper, or if the motor vehicle was purchased and its sale consummated in another State or country, in accordance with the laws of such State or country regulating the sale of motor vehicles, and not made for the purpose of evading the provisions of this chapter, the bona fide owner of the motor vehicle may apply to the director to correct the defects, or permit the title papers or certificate of ownership to be received.

The director shall, upon such proof as he requires showing that it is just and equitable that the defects be corrected or that the title papers or certificate of ownership be received, with or without hearing, determine the truth and merits of the application and whether the holder appears to be the bona fide owner of the motor vehicle, and may issue his certificate correcting the defects or permitting the title papers or certificate of ownership to be so recorded.
and filed. The person submitting the papers shall pay to the director a fee of $3.00 for the issuing and filing of the certificate.

Before issuing the certificate the director may, in his discretion, require the person to advertise in a newspaper having a general circulation in the county where he resides, for the space of 2 weeks, at least once a week, making 3 insertions in all, a notice briefly stating that the person has applied to the director to correct defects in the motor vehicle title papers or to receive the title papers out of time, or as the case may be, giving a description of the motor vehicle as provided in section 39:10-8 of this Title, and that if anyone desires to be heard in opposition thereto he may do so by appearing before the director on a date and at a place named, or communicating with him prior thereto. He shall also serve like notice on local police, State Police and any other person or agency, as prescribed by the director personally or by registered mail. Proofs of the publication and service shall be submitted to the director. The director, his agent or inspector may have the notice advertised or served at the cost and expense of that person.

16. Section 4 of P. L. 1964, chapter 81 (C. 39:10A-4) is amended to read as follows:

C. 39:10A-4 Execution and delivery of application for certificate of ownership; issuance of certificate; fee.

CHAPTER 135

An Act to amend "An act concerning hospital, medical, surgical
and major medical expense benefits for public and school em­
ployees and providing for the procuring of such benefits," ap­
proved June 3, 1961 (P. L. 1961, c. 49) as said title was amended
by chapter 125 of the laws of 1964.

Be it enacted by the Senate and General Assembly of the State
of New Jersey:

1. Section 5 of chapter 49 of the laws of 1961 is amended to read
as follows:

C. 52:14-17.29 Minimum coverages.

5. (A) The contract or contracts purchased by the commission
pursuant to section 4 shall as a minimum provide 2 separate cov­
erages or policies as follows:

(1) Basic benefits which shall include

(a) Hospital benefits, including out-patient,
(b) Surgical benefits,
(c) In-patient medical benefits, and
(d) Obstetrical benefits, in the case of family contracts.
Basic benefits shall be substantially equivalent to those available on a group remittance basis to employees of the State and their dependents under the subscription contracts of the New Jersey “Blue Cross” and “Blue Shield” Plans in effect on the effective date of this act, provided however, within a 6-month period after the effective date of this amendatory act, such basic benefits shall be increased to include benefits for

(i) Additional days of in-patient medical service;
(ii) Surgery elsewhere than in a hospital;
(iii) X-ray, radioactive isotope therapy and pathology services;
(iv) Physical therapy services;
(v) Radium or radon therapy services;

and the increased basic benefits shall be subject to the same conditions and limitations, applicable to such benefits, as are set forth in “Extended Out-patient Hospital Benefits Rider,” Form 1500.71 (9-66), and in “Extended Benefit Rider” (as amended), Form MS 7050J (9-66) issued by the New Jersey “Blue Cross” and “Blue Shield” Plans, respectively, and as the same may be amended or superseded, subject to filing by the Commissioner of Banking and Insurance; and

(2) Major medical expense benefits which shall provide benefit payments for reasonable and necessary eligible medical expenses for hospitalization, surgery, medical treatment and other related services and supplies to the extent they are not covered by basic benefits. The commission may, by regulation, determine what types of services and supplies shall be included as “eligible medical services” under the major medical expense benefits coverage as well as those which shall be excluded from or limited under such coverage. Benefit payments for major medical expense benefits shall be equal to a percentage of the reasonable charges for eligible medical services incurred by a covered employee or an employee’s covered dependent, during a calendar year as exceed a deductible for such calendar year of $100.00 subject to the maximums hereinafter provided and to the other terms and conditions authorized by this act. The percentage shall be 80%, except that it shall be 50% in the case of charges for eligible medical services for the treatment of mental or nervous disorders in the out-patient department of a hospital or on an out-of-hospital basis. There shall be a separate deductible for each calendar year for (a) each enrolled employee and (b) all enrolled dependents of such employee. Not more than $10,000.00 shall be paid for major medical expense benefits with
respect to any one person for any one calendar year and not more than $20,000.00 shall be paid for such benefits with respect to any one person for the entire period of such person's coverage under the plan, whether continuous or interrupted, except that the maximums of $10,000.00 and $20,000.00 may be reapplied to a covered person. Under the conditions agreed upon by the commission and the carriers as set forth in the contract, the deductible for a calendar year may be satisfied in whole or in part by eligible charges incurred during the last 3 months of the prior calendar year.

(3) Any service determined by regulation of the commission to be an "eligible medical service" under the major medical expense benefits coverage which is performed by a duly licensed practicing psychologist within the lawful scope of his practice shall be recognized for reimbursement under the same conditions as would apply were such service performed by a physician.

(B) Benefits under the contract or contracts purchased as authorized by this act may be subject to such limitations, exclusions, or waiting periods as the commission finds to be necessary or desirable to avoid inequity, unnecessary utilization, duplication of services or benefits otherwise available, including coverage afforded under the laws of the United States, such as the Federal Medicare program, or for other reasons.

(C) The rates charged for any contract purchased under the authority of this act shall reasonably and equitably reflect the cost of the benefits provided based on principles which in the judgment of the commission are actuarially sound. The rates charged shall be determined by the carrier on accepted group rating principles with due regard to the experience, both past and contemplated, under the contract. The commission shall have the right to particularize subgroups for experience purposes and rates. No increase in rates shall be retroactive.

(D) The initial term of any contract purchased by the commission under the authority of this act shall be for such period, not extending beyond June 30, 1962 to which the commission and the carrier may agree, but permission may be made for automatic renewal in the absence of notice of termination by the State. Subsequent terms for which any contract may be renewed as herein provided shall each be limited to a period not to exceed 1 year.

(E) The contract shall contain a provision that if basic benefits of an employee or of an eligible dependent under the contract, after having been in effect for at least 1 month, is terminated,
other than by voluntary cancellation of enrollment, there shall be a 31-day period following the effective date of termination during which such employee or dependent may exercise the option to convert, without evidence of good health, to left-group conversion coverage issued by the carrier on a direct payment basis. Such conversion coverage shall include benefits of the type classified as "basic benefits" in subsection A hereof. The provision shall further stipulate that the employee or dependent exercising the option to convert shall pay the full periodic charges for the left-group coverage which shall be subject to such terms and conditions as are normally prescribed by the carrier for this type of coverage.

2. Section 7 of chapter 49 of the laws of 1961 is amended to read as follows:

C. 52:14-17.31 Effective date of coverage; rules and regulations; furnishing information to commission.

7. The coverage provided solely for employees shall, subject to the provisions below, automatically become effective for all eligible employees from the first day on or after the effective date of the program on which they satisfy the definition of "employee" contained in this act. The commission shall establish such rules and regulations governing the enrollment and effective dates of coverage of dependents of employees as it deems are necessary or desirable. Such rules and regulations shall not defer the insurance with respect to any qualified dependent an employee has on the date the employee's employer becomes a participating employer, provided the employee was, immediately prior to said date, insured with respect to such dependent under a group major medical insurance plan of such employer which was in effect immediately prior to said date. Under the rules and regulations established by the commission, each employee shall be given the opportunity to enroll for coverage for his dependents as of the earliest date he becomes eligible for such enrollment. An employee may elect to enroll his dependents for both basic coverage and major medical expense coverage but may not enroll for either coverage alone.

If, on the date coverage for an employee would become effective, he is not actively at work on full time at his customary place of employment or other location to which his employment requires him to travel, he shall not be covered until he is so actively at work, except such employee shall be covered, if on the date the employee's employer becomes a participating employer, said employee was, immediately prior to said date, insured under a group
major medical insurance plan of such employer which was in effect immediately prior to said date.

In the event that the group major medical plan which covered an employee or his dependents immediately prior to the date the employee's employer becomes a participating employer provides, after termination of coverage thereunder, any continuation of benefits for medical expenses for hospitalization, surgery, medical treatment or any related service or supply, or would so provide in the absence of coverage pursuant to this act, no coverage shall be afforded pursuant to this act for any such expenses (i) which are covered, or which would be covered in the absence of coverage pursuant to this act, in whole or in part, by such prior insurance plan or (ii) which may be used in satisfaction of any deductible requirement under such prior insurance plan to establish entitlement to such continuation of benefits.

Each employee shall furnish the commission, in such form as is prescribed, such information as is necessary on account of his own coverage and as necessary to enroll his dependents. Any employee not desiring coverage at the time he first becomes eligible, shall give the commission written notice of that fact in such form as the commission may prescribe. Such employee may not enroll thereafter except at such times and under such conditions as the commission may prescribe.

If an employee eligible for coverage has a spouse who is also an employee eligible for coverage, the spouse may elect to forego coverage as an employee and to enroll for both basic benefits and the major medical expense benefits as a dependent, in which event no coverage shall be provided for such spouse as an employee while covered as a dependent. The employee, who has enrolled such spouse, may receive a refund from the State equivalent in amount to the employer's cost for an employee's coverage. When both husband and wife are covered as employees, only one may enroll for their children as dependents.

3. This act shall take effect July 1, 1968.

Approved July 9, 1968.

The object of such investigation shall be to ascertain the facts supporting the application and such other information as may be required by the rules
of the State division. When immediate need is apparent and the applicant provides evidence of eligibility by a written statement signed and verified under oath, the director of welfare shall issue a grant of old age assistance effective as of the date of application and pending completion of such investigation. Upon the completion of such investigation the county welfare board shall decide whether the applicant is eligible for and should receive or continue to receive old age assistance, the amount of assistance, the manner of paying or providing it, and, as appropriate, the date on which the assistance shall begin; provided, however, that if the completed investigation shows the applicant to have been ineligible for reasons other than need, the county welfare board shall not be obligated, in the absence of fraud or misrepresentation, to take action for the recovery of any assistance granted pending completion of such investigation. It shall notify the applicant of its decision in writing.

Any such grant of old age assistance shall not make the recipients thereof eligible for coverage under the "New Jersey Medical Assistance Act," now pending before the Legislature if the same shall be enacted.

The county welfare board shall at once report to the State division its decision in each case together with copies of such supporting records as the State division may require. Such decision shall be final, except that where an application is not acted upon by the county welfare board within 30 days after the filing of the application, or the application is denied, or the grant is deemed inadequate, either by the State division or by the applicant, the State division may review the case in its discretion or the applicant may appeal to the State division by filing a petition with the division setting forth the facts in full as to the necessity of such assistance. Whereupon a representative of the State division shall hold a fair hearing on the appeal, and if the appeal is sustained by the State division the payments of assistance in the amount determined by the State division must be paid by said county welfare board as herein provided.

Should the amount so appropriated, however, be expended or exhausted during the year and for the purpose for which it was appropriated, additional sums shall be appropriated by such board of chosen freeholders as occasion demands to carry out the provisions of this act, from funds in the county treasury available therefor. Where such county funds are not available or adequate, or should there be no such county funds, such additional sums shall be raised by temporary loans or notes, certificates of indebtedness or temporary loan bonds, to be issued as otherwise provided and limited by law for counties of this State, and the amounts necessary to pay such obligations shall be placed in the budget for the next ensuing fiscal year.

Payments from county funds appropriated for the provision of maintenance as authorized by this act shall be made monthly in advance by the treasurer of the county to the Bureau of Children's Services on the basis of commitments for such county upon bills furnished by the Bureau of Children's Services.

All rights and privileges created and extended to members of a municipal police department or of a paid or part-paid fire department or of a county police department, including members of the paid or part-paid fire department of any fire district located in any township which has adopted said act or said chapter of the Revised Statutes are hereby expressly preserved, continued and transferred from said pension funds to said consolidated fund. Nothing herein contained shall be deemed to affect or impair the right of any beneficiary of any of the funds so created, but all rights of such beneficiaries which have accrued or may accrue in or against any such pension fund shall be deemed to have accrued or to accrue against the funds so consolidated under the jurisdiction of the commission hereby created. Said consolidated fund shall be maintained as follows:

(a) There shall be deducted from every payment of salary to each member, as defined in the supplement to this chapter enacted by laws of 1944, chapter 253, section 12, as amended and supplemented, and paid into said consolidated fund 6% of the amount thereof.

(b) All employers, as defined in the supplement to this chapter enacted by laws of 1944, chapter 253, section 12, as amended and supplemented, shall contribute to the said consolidated fund in the following manner and amounts:
(1) An amount equal to 6% of the total of salaries annually paid to the members of the consolidated fund under said employer’s jurisdiction, which shall be known as the employer’s normal contribution, and which shall be paid into said fund on July 1 of each year, commencing July 1, 1953.

(2) An additional amount annually for a period of 30 years, commencing July 1, 1953, equal to 66% of the share of the particular employer of the annual amortization payment determined by the actuary of the commission to be required to bring the fund to a state of actuarial solvency at the end of the said 30-year period. In determining an employer’s share of said annual amortization payment, the actuary shall determine separately, and give due credit to the value of the assets transferred by such employer to said consolidated fund. The amount of each of such annual payments shall be certified by the commission to the treasurer of each employer prior to the first day of the year in which such payment is required to be made, and said amount shall be appropriated in said employer’s budget for that year. (4) A fee, payable on July 1 of each year commencing with the year 1953, and consisting of such proportion of the administrative expense of the consolidated fund, as determined by the commission, as the number of members under the jurisdiction of such employer, or their beneficiaries, then bears to the total number of members and beneficiaries in the consolidated fund.

(c) The State of New Jersey shall contribute annually, throughout a period of 30 years, commencing July 1, 1953, such amount as may be necessary to make up the balance of each annual payment required by subdivision (b) (2) of this section, so as to bring to actuarial solvency at the expiration of said 30-year period the consolidated fund hereby created. The amount of such annual contributions by the State shall be certified to the State Treasurer by the actuary of the commission at the time required for other State departmental budgetary certifications. All funds necessary to meet the State’s share of said annual payments shall be included in the annual State budget and appropriated by the Legislature.

The voters shall also have the power of referendum which is the power to approve or reject at the polls any ordinance passed by the council, against which a referendum petition has been filed as herein provided. No ordinance passed by the council, except when otherwise required by general law, shall take effect before 15 days from the date of its final passage and its approval by the mayor where such approval is required. If within 15 days after such final passage and approval a petition protesting against the passage of such ordinance shall be filed with the city clerk and if the petition shall be signed by 20% of the registered voters, the ordinance shall be suspended from taking effect until proceedings are had as herein provided.

6.3 Form and content of petition. All petition papers circulated for the purposes of an initiative or referendum shall be uniform in size and style. Initiative petition papers shall contain the full text of the proposed ordinance. The signatures to initiative or referendum petitions need not all be appended to one paper, but to each separate petition there shall be attached a statement of the circulator thereof as provided by this section. Each signer of any such petition paper shall sign his name in ink or indelible pencil and shall indicate after his name his place of residence by street and number, or other description sufficient to identify the place.
There shall appear on each petition paper the names and address of 5 voters, designed as the committee of the petitioners, who shall be regarded as responsible for the circulation and filing of the petition and for its possible withdrawal as hereinafter provided. Attached to each separate petition paper there shall be an affidavit of the circulator thereof that he, and he only, personally circulated the foregoing paper, that all the signatures appended thereto were made in his presence, and that he believes them to be the genuine signatures of the persons whose names they purport to be.

6.4 Certification. All petition papers comprising an initiative or referendum petition shall be assembled and filed with the city clerk as one instrument. Within 20 days after a petition is filed, the clerk shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition is signed by a sufficient number of qualified voters. After completing his examination of the petition, the clerk shall certify the result thereof to the council at its next regular meeting. If he shall certify that the petition is insufficient he shall set forth in his certificate the particulars in which it is defective and shall at once notify at least 2 members of the committee of the petitioners of his findings.

An initiative or referendum petition may be amended at any time within 10 days after the notification of insufficiency has been served by the city clerk, by filing a supplementary petition upon additional papers signed and filed as provided in case of an original petition. The clerk shall, within 5 days after such an amendment is filed, examine the amended petition and, if the petition be still insufficient, he shall file his certificate to that effect in his office and notify the committee of the petitioners of his findings and no further action shall be had on such insufficient petition. The finding of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose.

6.6 Ordinance suspended. Upon the filing of a referendum petition with the city clerk, the ordinance shall be suspended until 10 days following a finding by the clerk that the petition is insufficient or, if amended petition be filed, until 5 days thereafter; or, if the petition or amended petition be found to be sufficient, until it be withdrawn by the committee of the petitioners or until repeal of the ordinance by vote of the council or approval or disapproval of the ordinance by the voters.

6.7 Submission to council. Upon a finding by the city clerk that any petition or amended petition filed with him in accordance with this article is sufficient, the clerk shall submit the same to the
council without delay. An initiative ordinance so submitted shall be deemed to have had first reading and provision shall be made for a public hearing.

6.8 Submission to voters. If within 60 days of the submission of a certified petition by the city clerk the council shall fail to pass an ordinance requested by an initiative petition in substantially the form requested or to repeal an ordinance as requested by a referendum petition, the clerk shall submit the ordinance to the voters unless, within 10 days after final adverse action by the council or after the expiration of the time allowed for such action, as the case may be, a paper signed by at least 4 of the 5 members of the committee of the petitioners shall be filed with the city clerk requesting that the petition be withdrawn. Upon the filing of such a request, the original petition shall cease to have any force or effect.

6.9 General or special elections. Any ordinance to be voted on by the voters in accordance with section 6.2 or section 6.8 of this article shall be submitted at the next general election occurring not less than 60 days after the date of final action by council or the expiration of the time allowed for action by council in section 6.8 of this article, as the case may be, provided that if no election is to be held within 90 days, the council may in its discretion provide for a special election.

6.10 Elections generally. Any number of proposed ordinances may be voted upon at the same election in accordance with the provisions of this article, but there shall not be more than one special election in any period of 6 months for such purpose.

6.11 Publication. Whenever an ordinance is to be submitted to the voters of the city at any election in accordance with this article, the clerk shall cause the ordinance to be published in at least one of the newspapers published or circulated in the city. The publication shall be not more than 20 nor less than 10 days before the submission of the ordinance or proposition to be voted on.

6.12 Ballots. The ballots to be used at such election shall be in substantially the following form:

"To vote upon the public question printed below, if in favor thereof mark a cross (×) or plus (+) or check (✓) in the square at the left of the word Yes, and if opposed thereto mark a cross (×) or plus (+) or a check (✓) in the square to the left of the word No."
6.13 Election results. If a majority of the qualified electors voting on the proposed ordinance shall vote in favor thereof, such ordinance shall thereupon become valid and binding ordinance of the city and be published as in the case of other ordinances. If the provisions of 2 or more measures approved or adopted at the same election conflict, then the measure receiving the greatest affirmative vote shall control.

B. RECALL

6.14 Recall power. Any elective officer shall be subject to removal from office for cause connected with his office, after he has served at least 1 year, upon the filing of a recall petition and the affirmative vote of a majority of those voting on the question of removal at any general or special election.

6.15 Number of signatures. A recall petition shall demand the removal of a designated incumbent, shall be signed by qualified voters equal in number to at least 331/3% of the registered voters of the city or councilmanic district, as the case may be, and shall be filed with the city clerk. It shall set forth a statement of the case upon which the removal is sought.

6.16 Certification; amendment. The signatures to a recall petition need not all be appended to one paper but each signer shall add to his signature his place of residence giving the street and number or other sufficient designation if there shall be no street and number. One of the signers to each such paper shall take an oath before an officer competent to administer oaths that the statement therein made is true as he believes and that each signature to the paper appended is the genuine signature of the person whose name it purports to be. Within 10 days from the date of filing the petition the city clerk shall complete its examination and ascertain whether or not such petition is signed by the requisite number of qualified voters, and shall attach to the petition his certificate showing the result of his examination. If by that certifi-
cate the petition is shown to be insufficient, it may be amended within 10 days from the date of said certificate. The city clerk shall, within 5 days after such amendment, make a similar examination and determination of the amended petition, and if the certificate shall show the same to be insufficient, it shall be returned to the person filing it without prejudice to the filing of a new petition to the same effect.

6.17 Time for recall election; publication. If the petition shall be sufficient, the city clerk shall within 2 days notify the mayor, councilman or councilmen whose recall is sought thereby. If such notice cannot be served personally upon the mayor, councilman or councilmen affected, service may be made by registered mail addressed to the officer's last known address. If within 5 days after the service of the notice by the clerk, the mayor, councilman or councilmen sought to be recalled by such petition do not resign, or a tendered resignation shall not have been accepted by the council, the clerk shall order and fix a date for holding a recall election not less than 60 nor more than 90 days from the filing of the petition. Notice of the filing of the petition and of the date of the election shall be posted for public view in the office of the city clerk and he shall also insert the notice forthwith in a newspaper published in the city, or if there be no such newspaper, then in a newspaper having general circulation in the city.

6.18 Ballot. The ballots at the recall election shall conform to the requirements respecting the election of officers in municipalities, as provided in Title 19 of the Revised Statutes (Elections), except that the words "recall election" shall appear on the ballot. The recall features of the ballot shall appear at the top thereof and shall be separated from the portion of the ballot for the election of officers by a heavy black line. The proposal for recall shall be placed on the ballot in the following manner:

"Shall ........................................ (here insert name of incumbent) be removed from office by recall?"

This matter shall occupy 2 lines in bold-face type. Immediately below the above wording shall appear the phrase "for recall" and immediately underneath such phrase the words "against recall." Immediately at the left of each of these 2 phrases shall be printed a square, in which the voter may make a cross (X) or plus (+) or a check (✓) mark. Immediately below the foregoing shall appear the following:

"Indicate your vote by placing a cross (X) or plus (+) or a check (✓) mark in one of the squares above."
6.19 Several officers. If the removal of more than one officer is sought the same provisions for submitting to the electors the question and direction hereinbefore described shall be repeated in the case of each officer concerned and their position on the ballot for their recall shall be in the order of the filing of the petition with the city clerk.

6.20 Election of successor. If an incumbent is recalled, there shall be a vacancy in the office which shall be filled in the same manner as vacancies resulting from other causes; and the elected successor shall serve for the remainder of the unexpired term.

6.21 Election procedure. The provisions of Title 19 of the Revised Statutes (Elections), concerning the nomination of municipal officers, preparation of the ballot, election of municipal officers, counting and canvassing of the results of the election of such officers, shall apply to the election for the recall of officers and the election of their successors.

6.22 Notices. The city clerk shall cause to be made due publication of notices of arrangements for holding all recall elections and they shall be conducted as are other elections for municipal officers in the city.

6.23 Election results. (a) If a majority of votes in connection with the recall of any officer be in favor of the recall, the term of office of such officer shall terminate, upon the certification of the results of election by the city clerk.

(b) If the results of such recall election shall, by the certificate of the city clerk, be shown to be against the recall of the officer, he shall continue in office as if no recall election had been held.

They shall be nominated and elected as required by the charter at a general election, or if there is no general election in a year when an election is required to fill a vacancy, at an election to be held on the first Tuesday after the first Monday in November of such year, in accordance with the provisions of Title 19 of the Revised Statutes.

Thereafter, the boundaries of the wards so described in the report shall be used for the election of councilmen until the taking and promulgation of the next Federal census and the making and filing of another reapportionment commission report.

7.3 Dual office holding. No officer under the city government shall hold or retain any office under the county government, nor shall any officer under the county government be eligible to hold or retain office under the city government, except in each case when any such office is held ex officio by virtue of an act by the Legislature. Any person holding city office, whether by election or appointment who shall, during his term of office, accept, hold or retain any other civil office of honor, trust or emolument under the government of the United States, except commissions for the taking of bail, or under the government of the State, except the office of notary public or commissioner of deeds or officer of the National Guard, or who shall hold or accept any other office connected with the government of the city, or who shall accept a seat in the Legislature, shall be deemed thereby to have vacated any office previously held by him under the city government; except that the mayor may accept, or may in writing authorize any other person holding office to accept, a specified civil office, in respect to which no salary or other compensation is provided.

CHAPTER 181

An Act to provide an alternate program of benefits for certain members of the faculty of the county colleges, in lieu of benefits now provided.
CHAPTER 181, LAWS OF 1968 575

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 18A:66-154 Alternate benefit program for certain employees; additional death benefit coverage; certain contributions not returnable.

1. (a) Notwithstanding the provisions of any other law, within 180 days after the effective date of this act, the Board of Higher Education shall provide for an alternate program of benefits for certain employees in lieu of benefits under the Teachers' Pension and Annuity Fund and the Public Employees' Retirement System, which program shall be known as the alternate benefit program and which shall provide for individual retirement annuity contracts, both fixed and variable in nature, to become the property of the participants in said program individually; and group contracts providing life insurance which, notwithstanding any other provision of law, shall be in an amount equal to 1½ times the base annual salary of said participant in the event of death prior to retirement; and which may provide insurance coverage after retirement in an amount not to exceed 3/16 of the participant's base annual salary at the time of retirement; and disability benefits for all such participants. The Division of Pensions shall provide for performance of all things necessary to prepare and operate said program.

(b) With the approval of the Board of Higher Education, the Division of Pensions may also provide for additional death benefit coverage in accordance with rules and regulations as adopted by the Division of Pensions from time to time on the basis of factors deemed appropriate by it. A member of the alternate benefit program will be eligible to purchase the additional death benefit coverage provided that he or she selects such coverage within 1 year after the effective date of membership. A schedule of employee contributions shall be established by the Division of Pensions on a basis it deems appropriate which schedule shall be subject to adjustment from time to time for purpose of meeting the entire cost of the additional death benefit coverage.

(c) Any other provisions of this act notwithstanding, the contributions of a member for the additional death benefit coverage under this section shall not be returnable to the member or his beneficiary in any manner, or for any reason whatsoever, nor shall any contributions made for the additional death benefit coverage be included in any annuity payable to any such member or to his beneficiary.
C. 18A:66-155 Participation in alternate benefit program; conditions.

2. All full-time faculty members, except those persons in ineligible
categories designated in the regulations of the Board of Higher
Education which regulations shall be of uniform application, shall
participate in the alternate benefit program, provided that no
person who was in employment with a county college on the effec­
tive date of this act and who was then a member of the Teachers’
Pension and Annuity Fund or the Public Employees’ Retirement
System shall participate in the alternate benefit program unless
he shall so elect by filing an application with the Teachers’ Pension
and Annuity Fund or the Public Employees’ Retirement System
within 90 days following the establishment of the alternate benefit
program by the Board of Higher Education declaring his election
to participate in the alternate benefit program.

Upon such election, the Teachers’ Pension and Annuity Fund or
the Public Employees’ Retirement System shall cause prompt
notice of said election to be given and shall transfer to the in­
dividual’s account in the alternate benefit program, the amount of
accumulated deductions standing to his credit in the Annuity
Savings Fund of the Teachers’ Pension and Annuity Fund or the
Public Employees’ Retirement System as of date of transfer.

C. 18A:66-156 Transfer of adequate pension reserve to alternate program; annu­
ity determinant; pension formula; future change of eligibility
requirement; employee’s right to select option.

3. There shall also be transferred from the contingent reserve
fund or the pension fund of the Teachers’ Pension and Annuity
Fund or the Public Employees’ Retirement System to the individ­
ual’s account in the alternate benefit program, the pension reserve
required as of the date of his transfer to provide a pension for
each year of service credited to the account of the member as set
forth in section 18A:66-36 or section 18A:66-44 of the New Jersey
Statutes or as set forth in section 38 or section 48 of chapter 84 of
the laws of 1954 as such sections have been amended and supple­
mented as of the effective date of this act. Such transfer from the
contingent reserve fund or the pension fund of the Teachers’
Pension and Annuity Fund or the Public Employees’ Retirement
System shall be made at the time of the member’s transfer to the
alternate benefit program in the case of any such member who has
then met the eligibility requirements for a pension under the afore­
mentioned section 18A:66-36 or section 18A:66-44 of the New
Jersey Statutes or section 38 or section 48 of chapter 84 of the
laws of 1954. In the case of any member who elects to participate
in the alternate benefit program who has not then met the eligibility
requirements for a pension under section 18A:66-36 or section 18A:66-44 of the New Jersey Statutes or under section 38 or section 48 of chapter 84 of the laws of 1954, the transfer from the contingent reserve fund or the pension fund of the Teachers' Pension and Annuity Fund or the Public Employees' Retirement System shall be effected at the time such requirements have been met, taking into account for the purpose of such eligibility requirement his years of membership service at the time of his election and his subsequent years of service as a full-time member of the faculty of a county college, or at the time he shall have 10 years of credit for New Jersey service and become physically incapacitated for the performance of duty if he had been a member of the Teachers' Pension and Annuity Fund or the Public Employees' Retirement System as of the date of transfer.

The annuity to be used in determining the amount of pension is the actuarial equivalent of the member's accumulated deductions transferred from the Teachers' Pension and Annuity Fund or the Public Employees' Retirement System to the date the member attains 60 years of age, if subsequent to the date of election. The amount of pension is that established by formula within section 18A:66-44 of the New Jersey Statutes or section 48 of chapter 84, P. L. 1954 as such sections have been amended and supplemented as of the effective date of this act and changes to either of these sections enacted subsequent to this act shall have no application to the provisions of this act.

In the event that the eligibility requirement under section 18A:66-36 of the New Jersey Statutes or under section 38 of chapter 84, P. L. 1954 is changed at some future date to permit members to become eligible for such benefit prior to the completion of 15 years of service, the transfer of the reserve from the contingent reserve fund or the pension fund of the Teachers' Pension and Annuity Fund or the Public Employees' Retirement System shall be effected as of the date the member who had elected the alternate benefits program meets the amended eligibility requirement or the effective date of the amendment, if later.

In the event an option is available with respect to the distribution of employee and employer contributions between fixed and variable annuities under the alternate benefit program, the employee shall have the right to determine the percentage distribution of these funds subject to any limitations imposed by the designated insurer or insurers.

4. (a) Any person participating in the alternate benefit program shall be ineligible for membership in the Teachers' Pension and Annuity Fund or the Public Employees' Retirement System and any person electing to participate in the alternate benefit program shall thereby waive all rights and benefits provided by the Teachers' Pension and Annuity Fund or the Public Employees' Retirement System as a member of said funds except as herein and otherwise provided by law.

(b) Any person required to participate in the alternate benefit program by reason of employment in a county college, who at the time of such employment is a member of the Teachers' Pension and Annuity Fund, shall be permitted to transfer his membership in said fund to the Public Employees' Retirement System, by waiving all rights and benefits which would otherwise be provided by the alternate benefit program. Any such new employee who is a member of the Public Employees' Retirement System will likewise be permitted to continue his membership in that system, by waiving all rights and benefits which would otherwise be provided by the alternate benefit program. Such waivers shall be accomplished by filing forms satisfactory to the Board of Higher Education within 30 days of the beginning date of employment in a county college.

(c) For the member of the Public Employees' Retirement System who is defined as a full-time faculty member in the regulations of the Board of Higher Education and who is permitted to transfer his membership or continue his membership in that State retirement program, as the case may be, under terms of subsection (b) of this section, the State shall pay the employer contribution to the retirement system on his behalf.

(d) Any person receiving a benefit by reason of his retirement from any retirement or pension system of the State of New Jersey or any political subdivision thereof shall be ineligible to participate in the alternate benefit program.

C. 18A:66-158 Contributions; number, amount, method of payment.

5. The Division of Pensions shall provide for deductions from the compensation of each participant in the alternate benefit program of an employee contribution equal to 5% of the participant's base salary and pay this amount to the insurer or insurers for the individual's retirement annuity contract or contracts. The intervals for deductions and payments shall be determined by the Division of Pensions. Based on a certification by the Division of Pensions of the number and base salary of participants, the State
shall make payments to the Division of Pensions as employer contributions to the alternate benefit program at a rate equal to the normal contribution made by the State on behalf of nonveteran members of the Public Employees’ Retirement System, which moneys the Division of Pensions shall pay to the designated insurer or insurers for the benefit of each participant.

**C. 18A:66-159 Designation of insurer; form and content of contracts.**

6. The Division of Pensions shall designate the insurer or insurers from which contracts are to be purchased under the alternate benefit program and shall approve the form and content of such contracts. In making such designation and giving such approval the division shall give due consideration to (a) the nature and extent of the rights and benefits to be provided by such contracts for employees and their beneficiaries, (b) the relation of such rights and benefits to the amount of contributions to be made under this act, (c) the suitability of such rights and benefits to the needs and interests of employees and to the interests of the county colleges in the recruitment and retention of employees, and (d) the ability of the designated insurer or insurers to provide such suitable rights and benefits under such contracts.

**C. 18A:66-160 Contributions during initial year of employment; exceptions.**

7. (a) Notwithstanding any other provisions of this act, no contributions to any retirement annuity contracts shall be made by the Division of Pensions until the completion of 1 year of employment and commencement of a second consecutive year of employment. Employee contributions required during this initial year of service shall be deducted and held by the Division of Pensions. Upon the commencement of such second year the amount of the employee contributions, and such amount of the employer contribution herein required as has not theretofore been paid for said employee, together with interest on both portions at the rate of 4% per annum, shall be paid over to the designated insurer or insurers for and on behalf of such employee. If such an employee does not commence such second year the amount of employee contributions deducted from his compensation shall be refunded to him.

(b) The provisions of subsection (a) of this section shall not apply to any employee who, at the time of initial employment, owns a retirement annuity contract or contracts determined by the Division of Pensions to be substantially similar to the contracts to be purchased under the alternate benefit program and issued by the designated insurer or insurers.
8. The Board of Higher Education is hereby authorized to permit the county colleges to enter into agreement with each employee participating in the alternate benefit program whereby the employee agrees to take a reduction in salary with respect to amounts earned after the effective date of such agreement in return for the agreement of the college to use a corresponding amount to purchase an annuity for such employee so as to obtain the benefits afforded under section 403 (b) of the Federal Internal Revenue Code, as amended. Any such agreement shall specify the amount of such reduction, the effective date thereof, and shall be legally binding and irrevocable with respect to amounts earned while the agreement is in effect; provided, however, that such agreement may be terminated after it has been in effect for a period of not less than 1 year upon notice in writing by either party, and provided further that not more than one such agreement shall be entered into during any taxable year of the employee. For the purposes of this section, any annuity or other contract which meets the requirements of section 403 (b) of the Federal Internal Revenue Code, as amended, may be utilized. The amount of the reduction in salary under any agreement entered into between the colleges and any employee pursuant to this section shall not exceed 10% of the employee's salary prior to such reduction.

CHAPTER 183

AN ACT creating a permanent legislative commission to be known as the State Rules of Evidence Review Commission.

WHEREAS, Pursuant to the provisions of Article III of chapter 52 of the laws of 1960, rules of evidence proposed by the State Supreme Court become effective on the July 1 next following their public announcement, unless cancelled by a joint resolution to that effect adopted by the Senate and General Assembly and signed by the Governor; and

WHEREAS, 5 times in the past 3 years the effective date of the rules of evidence adopted by the Supreme Court on September 14, 1964, has been postponed, namely, by chapter 56 of the laws of 1965 (from July 1, 1965 to January 12, 1966), by chapter 222 of the laws of 1965 (from January 12, 1966 to June 30, 1966), by chapter 184 of the laws of 1966 (from June 30, 1966 to January 31, 1967) by chapter 3 of the laws of 1967 (from January 31, 1967 to September 1, 1967), and by Joint Resolution No. 5 of 1967, which cancelled certain rules and allowed certain others to be adopted; and
WHEREAS, Although the interest and concern of the Legislature has been demonstrated by its passage of the above cited legislation, the delay in adoption of the rules of evidence first proposed in 1964 has caused confusion and uncertainty and has created unnecessary obstacles in the way of co-operation between the legislative and judicial branches of government in the matter of rules of evidence; and

WHEREAS, This delay and confusion has resulted from the fact that the Legislature has no permanent body to which it can submit for recommendation and review any rules of evidence proposed by the Supreme Court, but must depend upon temporary commissions established and reconstituted from time to time to deal with a particular set of court proposed rules; and

WHEREAS, Co-operation between the legislative and judicial branches of government, and the orderly operation of our judicial system can only be secured, and delay and confusion in the judicial process can only be avoided, by a permanent legislative commission, specifically authorized to systematically review and make recommendations to the Legislature concerning rules of evidence proposed by the Supreme Court, prior to their taking effect; and

WHEREAS, The value of co-operation between the legislative and judicial branches of government has been proven by the Rules of Evidence Study Commission, established by the Legislature in 1966, and reconstituted in 1967, which worked in concert with the Supreme Court to effect changes in certain proposed rules of evidence and which made recommendations to the Legislature which were adopted in Joint Resolution No. 5 of 1967, concerning the cancellation of certain rules and the adoption of certain others, and which established not only a precedent but a procedure for the legislative-judicial co-operation herein proposed; now, therefore,

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. There is hereby created a permanent State Rules of Evidence Review Commission which shall consist of 10 members, 5 to be appointed by the President of the Senate and 5 to be appointed by the Speaker of the General Assembly. 2. Vacancies caused otherwise than by expiration of term shall be filled for the unexpired term only. Members shall serve without salary but shall be reimbursed for traveling and other expenses actually and necessarily incurred in the performance of their duties.

3. It shall be the duty of the commission to study and review any proposed rules of evidence which may be adopted and publicly announced by the Supreme Court, and recommend such action as it shall deem appropriate to be taken by the Legislature pursuant to Article III of chapter 52 of the laws of 1960.

C. 2A:84A-39.4 Chairman; by-laws.

4. The members of the commission shall choose one of their number to be chairman, and may adopt by-laws for the regulation of its meetings and to carry out its purposes.

6. The commission may meet and hold hearings at such place or places as it shall designate during the sessions or recesses of the Legislature and shall annually report its findings and recom-

1. Section 18A:39-1 of the New Jersey Statutes is amended to read as follows:

Transportation of pupils remote from schools.

18A:39-1. Whenever in any district there are pupils residing remote from any schoolhouse, the board of education of the district may make rules and contracts for the transportation of such pupils to and from school, including the transportation of school pupils to and from school other than a public school, except such school as is operated for profit in whole or in part.

When any school district provides any transportation for public school pupils to and from school pursuant to this section, trans-
portation shall be supplied to school pupils residing in such school
district in going to and from the Marie H. Katzenbach School for
the Deaf or any remote school other than a public school, not op-
erated for profit in whole or in part, located within the State pro-
vided such schools are not more than 20 miles from the residence
of the pupil and the per pupil cost of the lowest bid received does
not exceed $150.00 and if such bid shall exceed said cost then the

vocational, technical or other public school offering a specialized
program. Any transportation to a school, other than a public
school, shall be pursuant to the same rules and regulations promul-

school.

Nothing in this section shall be so construed as to prohibit a
board of education from making contracts for the transportation
of pupils to a school in an adjoining district when such pupils are
transferred to the district by order of the county superintendent,
or when any pupils shall attend school in a district other than
that in which they shall reside by virtue of an agreement made
by the respective boards of education.

1. Section 45:5-7 of the Revised Statutes is amended to read as follows:

Podiatrist's examination; scope, application, filing; issuance of license; definitions; license and registration display; reciprocal agreements between states; certificate to podiatrist departing from state; National Board of Podiatry Examiners' certificate; relicensing after revocation.

45:5-7. All examinations shall be written in the English language, but the board, in its discretion, may use supplementary oral or practical examinations, either of the whole class or of individuals. The examinations shall be in all subjects taught and practiced in the legally incorporated schools or colleges of podiatry, in good standing in the opinion of the board, which confer the degree of doctor of surgical chiropody or other doctorate degree in podiatry. Said application and examination papers shall be deposited in the files of the said board for at least 5 years, and they shall be prima facie evidence of all matters therein contained. All licenses shall be signed by the president and secretary of the board and shall be attested by the seal thereof.

If the examination is satisfactory, the board shall issue a license entitled the applicant to practice podiatry in this State.

simple (not compound) fractures of the metatarsals and phalanges requiring only supportive dressings, dislocations other than dislocations of the phalangeal or metatarso-phalangeal joints, the treatment of varicose veins by surgery or injection, the administration of anesthetics other than local, the use of radium, the use of X-ray except for diagnosis, or the treatment of congenital deformities by the use of a cutting instrument or electrosurgery other than those deformities which, but for the congenital aspect, may be treated under this act. For the purposes of this act, the term "partial ostectomies" shall mean the excision of a part of a bone and, except with respect to the sesamoids, is not to be construed as encompassing or authorizing the removal or excision of an entire bone. The term "local medical" hereinbefore mentioned shall be construed to mean the prescription or use of a therapeutic agent or remedy where the action or reaction is intended for a localized area or part.

Every person practicing podiatry under this act shall at all times conspicuously display in his place of practice his license and yearly registration to practice. It shall be unlawful to practice podiatry in this State without so displaying such license and registration. Any applicant for a license to practice podiatry upon proving that he has been examined and licensed by the examining and licensing board of another State, territory of the United States, or the District of Columbia, may in the discretion of the board be granted a license to practice podiatry without further examination upon payment to the board of a license fee of $100.00; provided, such applicant shall furnish proof that he can fulfill the requirements demanded in the other sections of this chapter relating to applicants for admission by examinations; provided further, that the laws of such State, territory or the District of Columbia accords equal reciprocal rights to a licensed podiatrist of this State, who desires to practice his profession in such State, territory or the District of Columbia; provided further, that said applicant has been in lawful and ethical practice of podiatry in the State, territory or District of Columbia from which he applies for 5 full consecutive years next prior to filing his application; and provided, further, that said applicant shall, within 6 months after the issuance of his license hereunder, remove to this State, establish his permanent and only legal residence and cease to operate his practice in the State from which he applies and not use such license for part-time practice in this State. An affidavit setting forth his intention to comply with the requirements of this proviso must be filed with
the application for license. In any such application for a license without examination, all reciprocal questions of academic requirements of other States, territories or the District of Columbia shall be determined by the board. The board shall consider each application for such license on its individual merits and may, in its discretion and without establishing a precedent, waive the requirements for internship in lieu of 10 or more years of active and continuous ethical practice outside of this State.

The board may issue to any licensed podiatrist of this State, known to it to be of good moral character and who has conducted an ethical practice in this State, and who desires to remove his residence and practice to another State, a certificate or certification authenticated with its seal, which shall attest such information as may be necessary for competent boards of other States to determine reciprocity qualifications, upon payment of a fee of $10.00.

The board may, in its discretion, accept in lieu of its own examination, either in whole or in part, the certificate of the National Board of Podiatry Examiners; and provided further, that the applicant satisfies in all other respects the requirements for licensure by examination. Such application to the board shall be accompanied by an application fee of $100.00 plus $10.00 for verification. In the event an oral or practical examination or both is given under this provision, an additional fee of $25.00 may be required for examiner compensation.

The board, in its discretion, may grant a license without further examination to any person whose previous license has been revoked under section 45:5-8 of the Revised Statutes and upon payment to the board of a license fee of $100.00.

(d) The financing of insurance premiums in New Jersey in accordance with the provisions of Revised Statutes 31:1-1 relating to legal interest rate.

C. 17:16D-4 License requirement; penalty, fee, renewal, change of address, commissioner's authority.

Any person who shall engage in the business of financing insurance premiums in this State without obtaining a license as provided hereunder shall, upon conviction as provided in Revised Statutes 17:33-2, be subject to a fine of not more than $200.00.

The annual license fee shall be $200.00 for each office. Licenses may be renewed from year to year as of January 1 of each year.
upon payment of the fee of $200.00. The fee for said license shall be paid to the commissioner for the use of the State. No portion of the license fee shall be refunded if the license is surrendered by the licensee or suspended or revoked by the commissioner.

Before any licensee changes his address he shall return his license to the commissioner who shall indorse the license indicating the change.

The person to whom the license or the renewal thereof may be issued shall file sworn answers, subject to the penalties of perjury, to such interrogatories as the commissioner may require. The commissioner shall have authority, at any time, to require the applicant fully to disclose the identity of all stockholders, partners, officers and employees, and he may, in his discretion, refuse to issue or renew a license in the name of any firm, partnership, or corporation if he is not satisfied that any officer, employee, stockholder, or partner thereof who may materially influence the applicant's conduct meets the standards of this act.

C. 17:16D-5 Commissioner's action on application.

5. Action by commissioner on application. Upon the filing of an application and the payment of the license fee the commissioner shall make an investigation of each applicant and shall issue a license if he finds the applicant is qualified in accordance with this act. If the commissioner does not so find, he shall, within 30 days after he has received such application, so notify the applicant and at the request of the applicant, give the applicant a full hearing.

The commissioner shall issue or renew a license as may be applied for when he is satisfied that the person to be licensed—

(a) Is competent and trustworthy and intends to act in good faith in the capacity involved by the license applied for,

(b) Has a good business reputation and has had experience, training, or education so as to be qualified in the business for which the license is applied for, and

(c) The holder of such license has otherwise shown himself untrustworthy or incompetent to act as premium finance company, or

(d) such company has violated any of the provisions of this act.

Before the commissioner shall revoke, suspend or refuse to renew the license of any premium finance company, he shall give to such person an opportunity to be fully heard and to introduce evidence in his behalf. In lieu of revoking or suspending the license for any of the causes enumerated in this section, after hearing as herein provided, the commissioner may subject such company to a penalty of not more than $200.00 for each offense when in his judgment he finds that the public interest would not be harmed by the continued operation of such company. The amount of any such penalty shall be paid by such company to the commissioner for the use of the State. At any hearing provided by this section, the commissioner shall have authority to administer oaths to witnesses. Anyone testifying falsely, after having been administered such oath, shall be subject to the penalty of perjury.

Any action of the commissioner in refusing to issue or renew a license shall be subject to review in the Superior Court by a proceeding in lieu of prerogative writ.

C. 17:16D-7 Books and records.

7. Books and records. Every licensee shall maintain records of its premium finance transactions which will enable the commissioner to enforce full compliance with this act and the said records shall be open to examination and investigation by the commissioner. The commissioner shall have the power to make such examination of the books, records and accounts of any licensee as he shall deem necessary. The expenses incurred in making any such examination shall be assessed against and paid by the licensee so examined. The commissioner may, at any time, require any licensee to bring such records as he may direct to the commissioner's office for examination.

Every licensee shall preserve its records of such premium finance transactions, including cards used in a card system for at least 3 years after making the final entry in respect to any premium finance agreement. The preservation of records in photographic form shall constitute compliance with this requirement.

Each licensee shall on or before February 1 of each year file a report with the commissioner giving such information as the com-
missioner may require concerning the licensee's business and operation during the preceding calendar year.

C. 17:16D-8 Rules and regulations.

(c) Set forth the following items where applicable:

(d) Contain a notice reading as follows: Notice to Insured: (1) Read this agreement before you sign, (2) Do not sign this agreement if it contains blank spaces, (3) You are entitled to a copy of this agreement at the time you sign, (4) Keep your copy of this agreement to protect your legal rights.

The items set out in subsection (c) of this section need not be stated in the sequence or order in which they appear in such clause, and additional items may be included to explain the computations made in determining the amount to be paid by the insured.
The licensee or the insurance agent or insurance broker shall deliver to the insured, or mail to him at his address shown in the agreement, a complete copy of the agreement.

No premium finance agreement shall be signed by an insured when it contains any blank spaces to be filled in after it has been signed except that if the insurance contract involved has not yet been issued, the name of the insurer and the policy number may be left blank and later inserted in the original agreement.

No premium finance agreement shall contain a power of attorney to confess judgment in this State.

C. 17:16D-10 Maximum finance charge.

10. Maximum finance charge. A premium finance company shall not charge, contract for, receive, or collect a finance charge other than as permitted by this act.

The finance charge shall be computed, using the actuarial method on the balance of the premiums due (after subtracting the down payment made by the insured in accordance with the premium finance agreement) from the effective date of the insurance coverage, for which the premiums are being advanced, to and including the date when the final installment of the premium finance agreement is payable.

The finance charge shall be computed at a maximum rate of 12% per annum plus an additional charge of $10.00 per premium finance agreement which additional charge need not be refunded upon prepayment. However, any insured may prepay his premium finance agreement in full at any time before due date of the final installment and in such event the unearned finance charge shall be refunded. The amount of any such refund shall be calculated in accordance with the rule commonly known as the "Rule of 78" and shall represent at least as great a proportion of the finance charge, if any, as the sum of the periodic balances after the month in which prepayment is made bears to the sum of all periodic balances under the schedule of installments in the agreement.

C. 17:16D-11 Statement of accounts; receipts.

11. Statement of accounts; receipts. Upon the request of an insured a premium finance company shall give to the insured a written statement of his account. When the premium finance agreement has been paid in full, the licensee shall, upon request of the insured, return to the insured the premium finance agreement marked paid or canceled.
C. 17:16D-12 Delinquency charges.

12. Delinquency charges. A premium finance agreement may provide for the payment by the insured of a delinquency charge of $1.00 to a maximum of 5% of the delinquent installment but not to exceed $5.00 on any installment which is in default for a period of 10 days or more. If the default results in the cancellation of any insurance contract listed in the agreement, the agreement may provide for the payment by the insured of a cancellation charge; such charge shall be $5.00, less any delinquency charge on the installment in default.

C. 17:16D-13 Cancellation of insurance contract.

13. Cancellation of insurance contract upon default—

(a) When a premium finance agreement contains a power of attorney enabling the premium finance company to cancel any insurance contract or contracts listed in the agreement, the insurance contract or contracts shall not be canceled by the premium finance company unless such cancellation is effectuated in accordance with this section.

(b) Not less than 10 days’ written notice shall be mailed to the insured of the intent of the premium finance company to cancel the insurance contract unless the default is cured within such 10-day period. A copy of said notice shall also be sent to the insurance agent or insurance broker indicated on the premium finance agreement.

(c) After expiration of such 10-day period, the premium finance company may thereafter request in the name of the insured, cancellation of such insurance contract or contracts by mailing to the insurer a notice of cancellation, and the insurance contract shall be canceled as if such notice of cancellation had been submitted by the insured himself, but without requiring the return of the insurance contract or contracts. The premium finance company shall also mail a notice of cancellation to the insured at his last known address and to the insurance agent or insurance broker indicated on the premium finance agreement. The effective date of such cancellation shall not be earlier than 3 days after the date of mailing of such notice to the insured and to the insurance agent or insurance broker.

(d) All statutory, regulatory, and contractual restrictions providing that the insurance contract may not be canceled unless notice is given to a governmental agency, mortgagee, or other third party shall apply where cancellation is effected under the provisions of this section. The insurer shall give the prescribed notice...
in behalf of itself or the insured to any governmental agency, mortgagee, or other third party on or before the second business day after the day it receives the notice of cancellation from the premium finance company and shall determine the effective date of cancellation taking into consideration the number of days notice required to complete the cancellation.

C. 17:16D-14 Application of unearned premiums.

14. Application of unearned premiums. (a) Whenever a financed insurance contract is canceled, the insurer on notice of such financing shall return whatever gross unearned premiums are due under the insurance contract to the premium finance company for the account of the insured or insureds.

(b) In the event that the crediting of return premiums to the account of the insured results in a surplus over the amount due from the insured, the premium finance company shall refund such excess to the insured provided that no such refund shall be required if it amounts to less than $1.00.

C. 17:16D-15 Exemption from any filing requirements.

15. Exemption from any filing requirements. No filing of the premium finance agreement shall be necessary to perfect the validity of such agreement as a secured transaction as against creditors, subsequent purchasers, pledgees, encumbrancers, successors, or assigns.

C. 17:16D-16 Severability of act.

16. Severability. If any provision of this act is held invalid, the invalidity thereof shall not affect other provisions of the act which can be given effect without the invalid provision and to this end the provisions of this act are severable.

C. 17:16C-97 Legislature's findings.

3. The Legislature hereby finds and declares that the consumer is frequently induced to enter into home repair contracts for goods and services which he does not need through the unsolicited and often unethical persuasion of certain door-to-door sellers. It is the purpose of this act to enable the consumer to reconsider his purchase within a reasonable period of time and to rescind the home repair contract if he acts before 5:00 o'clock P. M. of the second business day following the day on which the contract is executed.

(c) This section does not apply to mail order sales, telephone sales, catalog sales where an order is placed by mail or telephone, or sales in which the owner has requested the home repair contractor to enter into the sale at a place other than the home repair contractor's place of business, but it does apply to sales in which the owner has requested the home repair contractor to conduct a demonstration or exhibition at a place other than the home repair contractor's place of business and has not also requested to enter
into a sale at the place at the same time he has requested such demonstration or exhibition.

Any legal voter of the county or municipality, as the case may be, shall have the privilege of witnessing the drawing.

The name or names of the candidate or bracketed group of candidates first drawn from the box shall be printed directly below the proper title of the office for which they were nominated, and the name or names of the candidate or bracketed group of candidates next drawn shall be printed next in order, and so on, until the last name or bracketed group of names shall be drawn from the box.

The arrangement of names of any bracketed group of candidates for any office for which more than one are to be elected shall be printed in the same order on the ballot as they were arranged on the petition of nomination.

The drawing for the positions which the names of candidates and bracketed groups of names of candidates, nominated by petition for office, and for the columns which the political parties which made nominations at the next preceding primary election shall occupy upon the general election ballot, shall be held at 3 o'clock in the afternoon of the fiftieth day prior to the day of the general election.

Any member on December 31, 1955, may by his election contribute to the retirement system at the rate of contribution applicable to class B members of the public employees’ retirement system as of January 2, 1955, based upon the member’s age when he last became a member. The amount so borrowed, together with interest at the rate of 4% per annum on any unpaid balance thereof, shall be repaid to the retirement system in equal installments by deduction from the compensation of the member at the time the compensation is paid but such installments shall be at least equal to the member’s full rate of contribution to the retirement system and at least sufficient to repay the amount borrowed with interest thereon by the time the member attains age 60. Not more than 2 loans may be granted to any member in any calendar year. Any unpaid balance of a loan at the time any benefit may become payable shall be deducted from the benefit otherwise payable.

Loans may be made to a member from his accumulated deductions. The interest earned on such loans shall be treated in the same manner as interest earned from investments of the retirement system.

a. The payments provided for in section 18A:66–37, if he so qualified under said section; or

b. A deferred retirement allowance, beginning at age 60, which shall be made up of an annuity derived from the member’s accumulated deductions at the time of his severance from the service, and a pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of $\frac{3}{4}$ of his final compensation for each year of service credited as Class A service and $\frac{1}{2}$ of his final compensation for each year of service credited as Class B service, calculated in accordance with section 18A:66–44, with optional privileges provided for in section 18A:66–47 if he exercises such optional privilege at least 30 days before his attainment of the normal retirement age; provided, that such election is communicated by such member to the retirement system in writing stating at what time subsequent to the execution and filing thereof he desires to be retired; and provided, further, that such member may later elect: (1) to receive the payments provided for in section 18A:66–37, if he had qualified under that section at the time of leaving service, except that in order to avail himself of the optional privileges pursuant to section 18A:66–47, he must exercise such optional privilege at least 30 days before the effective date of his retirement; or (2) to withdraw his accumulated deductions with interest as provided in section 18A:66–34. If such member shall die before attaining service retirement age, then his accumulated deductions, plus regular interest after January 1, 1956, shall be paid in accordance with section 18A:66–38, and, in addition if such member shall die after attaining service retirement age and has not withdrawn his accumulated deductions, an amount equal to $\frac{3}{16}$ of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service shall be paid to such member’s beneficiary.
Any member who, having elected to receive a deferred retirement allowance, again becomes an employee covered by the retirement system while under the age of 60, shall thereupon be reenrolled. If he had discontinued his service for more than 2 consecutive years, subsequent contributions shall be at a rate applicable to the age resulting from the subtraction of his years of creditable service at the time of his last discontinuance of contributing membership from his age at the time of his return to service. He shall be credited with all service as a member standing to his credit at the time of his election to receive a deferred retirement allowance.

6. Section 18A:66-38 of the New Jersey Statutes is amended to read as follows:

Death benefits; contributions not required under certain circumstances.

18A:66–38. Upon the receipt of proper proofs of the death of a member in service on account of which no accidental death benefit is payable under section 18A:66–46, there shall be paid to such member’s beneficiary:

(a) The member’s accumulated deductions at the time of death together with regular interest after January 1, 1956; and

(b) An amount equal to 1½ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 70, the amount payable shall equal ¾ of such compensation instead of 1½ times such compensation.

For the purpose of this section, section 18A:66–46e and section 18A:66–53, a member shall be deemed to be an active member for a period of no more than 2 years while on official leave of absence without pay; provided, that satisfactory evidence is presented to the retirement system that such leave of absence without pay is due to illness. For the purposes of this section, section 18A:66–46e and section 18A:66–53, a member shall be deemed to be an active member for a period of not more than 93 days while on official leave of absence without pay when such leave of absence is due to any reason other than illness. In order for a member to be covered for the optional death benefits provided by section 18A:66–53, he shall continue to make contributions for same during the period such member is on official leave of absence without pay, except that when such official leave of absence without pay is due to illness, no contributions shall be required of the member during the period he is deemed to be an active member while on such leave of absence.
Except in the case of members who have elected to receive (1) a deferred retirement allowance pursuant to section 18A:66-36, or (2) an early retirement allowance pursuant to section 18A:66-37, after separation from service pursuant to the aforesaid section 18A:66-36, if a member dies within 30 days after the date of retirement or the date of board approval, whichever is later, a death benefit shall be payable only if he is deemed to be an active member in accordance with this section; provided, however, a member applying for disability benefits shall be deemed an active member if he was covered by the death benefit provisions of the act at the termination of employment, filed the application for disability retirement with the retirement system within 30 days following such termination of employment and dies within 30 days after the date of retirement or the date of board approval, whichever is later.

7. Section 18A:66-40 of the New Jersey Statutes is amended to read as follows:

**Conditions of disability retirement; examination, restoration to service.**

18A:66-40. a. Except for circumstances beyond his control, every disability beneficiary, who is under the age of 60 years, will be required to report for rehabilitation at the nearest office of the New Jersey Rehabilitation Commission within 90 days following the effective date of his disability benefit. If the beneficiary fails to report within the 90 days, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default.

A report of the findings of the rehabilitation commission shall be filed with the retirement system. If the report indicates that the person could be rehabilitated to perform either his former duty or other comparable duty, it shall be his responsibility to follow such course of rehabilitation until the rehabilitation commission finds that he can be restored to active service. If the beneficiary refuses the prescribed treatment of rehabilitation, such refusal shall be stipulated in writing to the retirement system, citing the reasons for his refusal. In the absence of valid reason or such stipulation, as the case may be, the board of trustees shall find him in default and his pension shall be discontinued during such default.

If a disability beneficiary has completed a course of rehabilitation prescribed by the rehabilitation commission, he shall undergo a medical examination by a physician or physicians designated by the system. If the report of the medical board shall show that such beneficiary is able to perform his former duty, the beneficiary shall report for duty. If the beneficiary fails to return to duty within 10
days after being ordered so to do, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default. If the beneficiary reports for duty in a timely manner, his employer shall be obligated to provide him with a position, in which he is to perform his former duty, at that time or at the earliest possible time in which his employer can provide such position or employment; such a beneficiary shall not suffer any loss of benefits while he awaits his restoration to active service. The head of any employing agency who knowingly and willfully violates his obligation to restore such disability beneficiary to active service shall be guilty of a misdemeanor as pursued by the office of the Attorney General before a court of proper jurisdiction.

If a disability beneficiary has completed a course of rehabilitation prescribed by the rehabilitation commission and the report of the medical board shall show that such beneficiary is not able to perform his former duty but can perform other comparable duty which his former employer is willing to assign to him, the beneficiary shall report for duty. If the beneficiary fails to return to duty within 10 days after being ordered so to do, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default. If the beneficiary reports for duty in a timely manner, he may, in the discretion of the head of the employing agency, be restored to active service; such beneficiary shall not suffer any loss of benefits while he awaits his restoration to active service.

If a disability beneficiary is not restored to active service, he shall nevertheless be subject to the provisions of subsection b. of this section. If a disability beneficiary is restored to active service, he shall be subject to the provisions of subsection c. of this section.

b. Once each year the retirement system will, and upon his application shall, require any disability beneficiary who is under the age of 60 years to undergo medical examination by a physician or physicians designated by the system. If the physician or physicians thereupon report and certify to the system that the disability beneficiary is not totally incapacitated either physically or mentally for the performance of duty, or if he is engaged in an occupation, then the amount of his pension shall be reduced to an amount which, when added to the amount then earned by him, shall not exceed the amount of the salary now attributable to his former position. If his earnings have changed since the date of his last adjustment, then the amount of his pension may be further altered;
but the new pension shall not exceed the amount of pension originally granted.

If a disability beneficiary, while under the age of 60 years, refuses to submit to at least one medical examination in any year by a physician or physicians designated by the system, his pension shall be discontinued until withdrawal of his refusal. If the report of the medical board shall show that such beneficiary is able to perform either his former duty or other comparable duty which his former employer is willing to assign to him, the beneficiary shall report for duty; such a beneficiary shall not suffer any loss of benefits while he awaits his restoration to active service. If the beneficiary fails to return to duty within 10 days after being ordered so to do, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default.

c. If a disability beneficiary becomes employed again in a position which makes him eligible to be a member of the retirement system, his pension, together with any optional selection pursuant to section 18A:66-47 and the right to any death benefit as a result of his former membership, shall be suspended until he again retires. Such person shall be reenrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of his prior enrollment. Such person shall be treated as an active member for determining disability or death benefits while in service and no benefits pursuant to an optional selection with respect to his former membership shall be paid if his death shall occur during the period of such reenrollment.

d. Upon subsequent retirement of such member, he shall receive a retirement allowance based on all his service as a member since his last return to membership, and in addition he shall receive a retirement allowance equal to the retirement allowance on which he was retired at the time of his last retirement, but the total retirement allowance upon subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement.

e. On and after June 9, 1971, upon application to the employer by whom he was employed at the time of his retirement, any beneficiary, while under the age of 60 years, may, in the discretion of the employer, be restored to active service. No disability bene-
ficiary restored to service shall be compelled or permitted to become a member, or to receive any benefits other than those previously awarded to him as long as his annual rate of compensation is less than his final compensation at the time of his retirement. Any beneficiary under the age of 60 years, who is restored to active service at an annual rate of compensation equal to or greater than his final compensation at the time of his retirement, or whose annual rate of compensation is increased at any time after his restoration to service, to a rate equal to or greater than his final compensation at the time of his retirement, shall thereupon again become a member of the retirement system. His retirement allowance shall be canceled, and deductions shall be made from his compensation at the rate applicable to him prior to his retirement. Any service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect, and he shall be credited with all service as a member standing to his credit at the time of his retirement; except that such a beneficiary again becoming a member shall receive a retirement allowance on subsequent retirement based on all his service as a member since his last return to membership, and in addition he shall receive a retirement allowance equal to the retirement allowance on which he was retired at the time of his last retirement, but the total retirement allowance upon subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement.

8. Section 18A:66-46 of the New Jersey Statutes is amended to read as follows:

**Accidental death benefits.**

18A:66-46. a. Upon the death of a member in active service as a result of an accident met in the actual performance of duty at some definite time and place and not as the result of his willful negligence, an accidental death benefit shall be payable, if a report of the accident is filed in the office of the retirement system within 60 days next following the accident, but the board of trustees may waive such time limit, for a reasonable period, if in the judgment of the board the circumstances warrant such action.

No such application shall be valid or acted upon unless it is filed in the office of the retirement system within 5 years of the date of such death.

b. Upon the receipt of proper proofs of the death of a member on account of which an accidental death benefit is payable, there
shall be paid to his widow or dependent widower a pension of 50% of the compensation, upon which contributions by the member to the annuity savings fund were based in the last year of creditable service, for the use of herself or himself and the children of the deceased member, to continue during her or his widowhood; if there is no surviving widow or dependent widower or in the case the widow or dependent widower dies or remarries, 20% of such compensation will be payable to one surviving child, 35% of such compensation to 2 surviving children in equal shares and if there be 3 or more children, 50% of such compensation will be payable to such children in equal shares. In the event of accidental death occurring in the first year of creditable service, the benefits, payable pursuant to this subsection, shall be computed at the annual rate of compensation.

c. If there is no surviving widow, dependent widower or child, there shall be paid to any other beneficiary of the deceased member his accumulated deductions at the time of death.

d. In no case shall the death benefit provided in subsection b. be less than that provided under subsection c.

e. In addition to the foregoing benefits payable under subsection b. or c., there shall also be paid in one sum to such member’s beneficiary an amount equal to 1½ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 70, the amount payable shall equal 3/16 of such compensation instead of 1½ times such compensation.

9. Section 18A:66-79 of the New Jersey Statutes is amended to read as follows:

Policy to include conversion privilege; proof of insurability after conversion; death benefit limitation.

18A:66-79. Any such group policy or policies shall include, with respect to any insurance terminating or reducing because the member has ceased to be in service or has retired, the conversion privilege available upon termination of employment as prescribed by the law relating to group life insurance; and shall also include, with respect to insurance terminating because of termination of the group policy resulting from a termination of the death benefits for all members established under sections 18A:66-36, 18A:66-37, 18A:66-38, 18A:66-41, 18A:66-42, 18A:66-44, 18A:66-46 and 18A:66-53, the conversion privilege available upon termination of the group policy as prescribed by such law. Any such group policy
or policies shall also provide that if a member dies during the 31-day period during which he would be entitled to exercise the conversion privilege, the amount of insurance with respect to which he could have exercised the conversion privilege, shall be paid as a claim under the group policy.

If any member who has exercised the conversion privilege under the group policy or policies again becomes a member of the Teachers' Pension and Annuity Fund, and the individual policy obtained pursuant to the conversion privilege is still in force, he shall not again be eligible for any of the death benefits provided by this article unless he furnishes satisfactory evidence of insurability.

When benefits payable upon the death of a member following retirement are determined as though he were an active member at the time of his death, the death benefit payable under the group policy or policies together with the amount of insurance paid under any individual policy obtained under the conversion privilege, shall in no event exceed the amount of insurance for which the member was insured under the group policy or policies immediately prior to the date the right of conversion arose.

10. Section 18A:66-81 of the New Jersey Statutes is amended to read as follows:

Arrangements for payment of benefits.

18A:66-81. Any such group policy or policies shall provide that payment of any death benefits which are payable by the insurance company may be made in one sum directly to the beneficiary as hereinafter provided, in equal installments over a period of years or as a life annuity or in such other manner as may be made available by the insurance company. A member may make such arrangements for settlement, and may alter from time to time during his lifetime any arrangement previously made, by making written request to the insurance company through the policyholder. Upon the death of a member, a beneficiary to whom a benefit is payable in one sum by the insurance company may likewise arrange for a settlement as described above. If a member's or beneficiary's request for settlement of any death benefit in equal installments over a period of years or as a life annuity pursuant to the foregoing is approved by the policyholder, the amount of such installments or such life annuity, as the case may be, shall be determined on the basis of such applicable mortality tables and rates of interest as shall have been adopted by the retirement system and are in effect.
at the member's death. Any arrangement for payment under the
group policy to a beneficiary shall be in lieu of that provided by

11. Section 18A:66-90 of the New Jersey Statutes is amended to
read as follows:

Federal funds; reimbursement of state; certification of amount.
18A:66-90. On or before September 1 of each year, on the basis
of the most recent actuarial valuation of the Teachers' Pension
and Annuity Fund and on the basis of the appropriate social
security rate of contribution, the Director of the Division of
Pensions in the State Department of the Treasury, shall certify
to the commissioner of education of the State Department of
Education the percentage of salaries which the department and
each board of education, school district or agency of this State
must appropriate in its next fiscal year project budget to cover
the amount of the increase and the cost of pension, group life in­
surance, social security and other benefits provided by this article
attributable to carrying out the programs financed by "The ele­
mentary and secondary education act of 1965" as enacted by the
Eighty-Ninth Congress of the United States and any acts amenda­
tory or supplementary thereto. The commissioner shall promptly
notify each public employer of the percentage certified and the
public employer shall, within 90 days after the close of such next
fiscal year, together with supporting information prescribed by the
Director of the Division of Pensions, reimburse the State the
amount of such increased cost from funds allocated to the public
employer pursuant to this Federal act or amendments or supple­
ments thereto.

12. This act shall take effect immediately.
Approved July 31, 1968.

CHAPTER 229

An Act concerning pensions, amending sections 18A:66-4 and

Be it enacted by the Senate and General Assembly of the State
of New Jersey:

1. Section 18A:66-4 of the New Jersey Statutes is amended to
read as follows:
Membership.

18A:66-4. The membership of the retirement system shall consist of:

(a) All members of the Teachers' Pension and Annuity Fund enrolled as such as of December 31, 1955;
(b) Any person becoming a teacher on or after January 1, 1956, except any person who has attained the age of 60 years prior to becoming a teacher after June 30, 1958 but before July 1, 1968;
(c) Every teacher veteran as of January 1, 1956, who is not a member of the "Teachers' Pension and Annuity Fund" as of such date and who shall not have notified the board of trustees within 30 days of such date that he does not desire to become a member;
(d) Any teacher employed on January 1, 1956, who is not a member of the Teachers' Pension and Annuity Fund and who elects to become a member under the provisions of section 18A:66-10.

No person in employment, office or position, for which the annual salary or remuneration is fixed at less than $500.00 shall be eligible to become a member of the retirement system.

2. Section 18A:66-53 of the New Jersey Statutes is amended to read as follows:

Optional death benefits.

18A:66-53. a. Each member who is a member on January 1, 1958 and each person who thereafter becomes a member will be eligible to purchase the additional death benefit coverage hereinafter described, provided that he selects such coverage within 1 year after January 1, 1958 or after the effective date of membership, whichever date is later.

b. The board of trustees shall establish schedules of contributions to be made by the members who elect to purchase the additional death benefit coverage. Such contributions shall be so computed that the contributions made by or on behalf of all covered members in the aggregate shall be sufficient to provide for the cost of the benefits established by subsections c. and e. of this section. Such schedules of contributions shall be subject to adjustment from time to time, by the board of trustees, as the need may appear.

c. Upon the receipt of proper proofs of the death in service, occurring on or after July 1, 1968, of any such member while covered for the additional death benefit coverage there shall be paid to such member's beneficiary an amount equal to 2 times the compensation received by the member in the last year of creditable service provided, that if such death in service shall occur on or after July 1, 1968, and after the member has attained age 70, the
amount payable shall equal \( \frac{1}{4} \) of the compensation received by the member in the last year of creditable service instead of 2 times such compensation.

d. The board of trustees may also provide, effective as of January 1, 1961, for additional death benefit coverage, as described in subsection e. of this section, for former members who are receiving retirement allowances pursuant to the provisions of this article, subject to the provisions hereinafter stated, and the board may terminate such coverage at any time. The additional death benefit coverage to be so provided shall be in accordance with rules as determined by the board from time to time on the basis of dates of retirement or other factors deemed appropriate by it. In no event shall the additional death benefit coverage described in subsection e. of this section apply to any former member receiving a retirement allowance unless such member was covered by the additional death benefits described in subsection c. of this section during the former member’s last month of creditable service. No contributions toward the cost of additional death benefit coverage described in subsection e. of this section shall be required of a former member while he is receiving a retirement allowance pursuant to the provisions of this article.

e. Upon receipt of proper proofs of the death, occurring on or after July 1, 1968, of a former member who was covered for the additional death benefit coverage pursuant to subsection d. of this section, there shall be paid to such former member’s beneficiary an amount equal to \( \frac{1}{4} \) of the compensation received by the former member in the last year of creditable service.

f. The contributions of a member for the additional death benefit coverage shall be deducted from his compensation, but if there is no compensation from which such contributions may be deducted it shall be the obligation of the member, except as provided in subsection h. of this section, to make such contributions directly to the retirement system or as directed by the system; provided, however, that no contributions shall be required while a member remains in service after attaining age 70 but that his employer shall be required to pay into the fund on his behalf in such case an amount equal to the contributions otherwise required by the board of trustees in accordance with this section.

g. Any other provisions of this article notwithstanding, the contributions of a member for the additional death benefit coverage under this section shall not be returnable to the member or his beneficiary in any manner, or for any reason whatsoever, nor shall
any contributions made for the additional death benefit coverage be included in any annuity payable to any such member or to his beneficiary.

h. For the purpose of this section, a member shall be deemed to be in service (1) while he is disabled due to sickness or injury arising out of or in the course of his employment as a teacher to whom this article applies, is not engaged in any gainful occupation, and is receiving or entitled to receive periodic benefits (including any commutation of, or substitute for, such benefits) for loss of time on account of such disability under or by reason of workmen's compensation law, occupational disease law or similar legislation; or (2) for a period of no more than 2 years while on official leave of absence without pay if satisfactory evidence is presented to the retirement system that such leave of absence without pay is due to illness other than an illness to which (1) above applies. No contributions for the optional death benefits provided by this section shall be required of a member while he is deemed to be in service pursuant to the above provisions of this subsection h.

i. All other provisions of this section notwithstanding, this section and the benefits provided under this section shall not come into effect until a required percentage of the members shall have applied for the additional death benefit coverage under this section. This required percentage shall be fixed by the board of trustees. Any such percentage may be made applicable to male or female members only or to other groupings as determined by the board of trustees. Applications for such additional death benefit coverage shall be submitted to the system in such manner and upon such forms as the retirement system shall provide.

j. Any person becoming a member of the retirement system after benefits provided under this section shall have come into effect, who is, by sex or other characteristic, within the grouping to which the additional death benefit coverage under this section is applicable, for the first year of his membership in the retirement system shall be covered by the additional death benefit coverage provisions of this section with the benefit in the event of death, in the first year of membership only, being based upon contractual salary instead of compensation actually received and shall make contributions as fixed by the board of trustees during such period. Such member shall have the right to continue to be covered by the benefits of this section and to contribute therefor after his first year of membership has been completed. This subsection shall not apply in the case of such a member who has already attained his sixtieth birth-
day prior to becoming a member of the retirement system unless he shall furnish satisfactory evidence of insurability at the time of becoming a member.

3. This act shall take effect July 1, 1968.
Approved July 31, 1968.

1. When so authorized and directed by the charge conference of
any unincorporated local church duly organized in accordance with
the Discipline of The United Methodist Church, the board of
trustees may incorporate, or if incorporated may reincorporate,
such church in the following manner:
a. Pursuant to a resolution adopted by such board of trustees, a meeting of the membership of such church shall be called by notice in writing signed by the president or secretary of such board. Such notice shall state that at a specified date, time and place a meeting will be held for the purpose of incorporating or reincorporating such church, selecting a name therefor and electing trustees thereof. Such notice shall be posted conspicuously at the main entrance of the usual place of worship at least 10 days prior to the date of such meeting, and shall be read at each of the 2 morning services of worship, at least 1 week apart, preceding the date of such meeting.

b. At such meeting the district superintendent, or by his written designation the pastor, shall preside, and a secretary shall be elected to record the proceedings.

c. If at such meeting the members present and voting shall determine by resolution to incorporate or reincorporate such church, they shall similarly determine the name of the incorporated church and the number of its trustees which shall be 3, 6 or 9. Such members shall elect the number of trustees, decided upon, which trustees shall be not less than 21 years of age, and 2/3 of whom shall be full members of The United Methodist Church. One-third of such trustees shall be elected to hold office until the end of the annual conference year in which elected, 1/3 until the end of the next succeeding annual conference year, and 1/3 until the end of the second succeeding annual conference year.

a. The place and date of such meeting;

b. The name of the incorporated church and the municipality and county in which it is located;

c. The names and respective periods of office of the trustees elected;

d. A statement that the members of the corporation shall be the members of the charge conference of such church as constituted in accordance with the Discipline of The United Methodist Church;

f. The approval of the district superintendent of that district of the annual conference in which such local church is located.

Upon the filing of such certificate in the office of the clerk of the county in which such local church is located and in the office of the Secretary of State, such local church shall be a corporation by the name stated in such certificate, and the persons therein stated to be the elected trustees of such incorporated local church shall be authorized to serve for the terms for which they were elected and until their successors have been duly elected and qualified.

a. At least 10 days' notice shall be given to the members stating that at a specified date, time and place a meeting will be held for the purpose of incorporating or reincorporating such organization, selecting a name therefor and electing trustees thereof to serve as directors of the corporation. Such notice shall be in writing and signed by at least 6 of such members.

Such members shall elect the number of trustees so determined, and shall provide for the time and place of the annual corporate meeting at which the annual election of trustees will be held.

c. The duly elected trustees of such organization shall execute and acknowledge, before any person authorized to take acknowledgment of deeds, a certificate of incorporation setting forth the name of the corporation, the names of the trustees and their terms of office, and such other provisions as adopted by vote of the members at such meeting to govern the business of the corporation. Upon the filing of such certificate in the office of the Secretary of State such organization shall be a corporation by the name stated in such certificate.

C. 16:10A-5 Authority to amend certificate of incorporation; limitations.

4. Any local church of, or any other organization connected with, The United Methodist Church now or hereafter incorporated may
alter or amend its certificate of incorporation in the same manner as provided by this act for the incorporation of a local church or of such other organization; provided, however, that the notice of meeting shall state the alterations or amendments to be considered; and provided further, that no alteration or amendment shall be inconsistent with the provisions of this act or the Discipline of The United Methodist Church. Any such alteration or amendment shall become operative when an amended certificate of incorporation has been executed and filed as provided by this act for an original certificate of incorporation.

C. 16:10A-6 Content of by-laws; limitation.  
5. The by-laws of any local church of, or of any other organization connected with, The United Methodist Church shall include the Discipline of The United Methodist Church as from time to time enacted, authorized, and declared by its general conference, and no other by-law shall be adopted inconsistent with the provisions of such Discipline.

An election of trustees of a local church of The United Methodist Church shall be held annually at a meeting of the charge conference. Trustees shall be elected by the charge conference unless the charge conference shall have previously ordered that election shall be by the membership of the church. At least 10 days' notice of the time and place of meeting for election of trustees shall be given to the members of the church in writing or from the pulpit or in the weekly bulletin. Such notice shall be given by the pastor or the charge conference or the district superintendent, and shall state the names of those trustees whose successors are to be elected.
Trustees shall be elected to succeed those whose terms expire at the end of the annual conference year in which such meeting is held, and to fill a vacancy or vacancies in any other class which has occurred since the last annual election; provided, however, that a trustee may be elected to succeed himself. The persons elected shall take office at the beginning of the ensuing annual conference year, to serve for a term of 3 years or until their successors have been duly elected and qualified; but any trustee elected to fill a vacancy shall serve only for the term of such vacancy.

Any vacancy in the board of trustees of a local church of The United Methodist Church may be filled until the next annual election by the charge conference of such church at any regular or special meeting.

C. 16:10A-9 Trustees' duties and responsibilities; reports; limitation.

8. The trustees shall be responsible to the charge conference of such church, and shall annually report in writing to the charge conference upon those items required by the Discipline of The United Methodist Church. The trustees shall not prevent or interfere with the pastor or other duly authorized ministers of The United Methodist Church in the use of the property of such church for religious services or other proper meetings recognized by the Discipline and usage of The United Methodist Church.

C. 16:10A-10 Merger of local churches; conditions.

9. Any 2 or more local churches of The United Methodist Church in this State may resolve to merge and become a single church in accordance with a plan of merger proposed by the charge conference of each of the merging churches. The terms and conditions of such plan shall be stated in a resolution of each such charge conference adopted by a majority vote of the members having a right to vote who are present at a meeting of said members. Such resolution, which shall include the name under which such merger shall take place, shall be submitted to a meeting of the members of each merging church, called by the pastor or the charge conference or the district superintendent, provided that not less than
10 days' notice of each meeting and its main purpose shall be given to the members of each church in writing or from the pulpit or in the weekly bulletin.

If a majority of the members of each church having the right to vote, who are present and vote at such meetings, consent thereto, a certificate thereof shall be made, executed and verified by the chairman and secretary of each such meeting, and approved by the district superintendent or superintendents. The certificates as so executed, verified and approved on behalf of each of the merging churches shall be filed in the office of the clerk of the county or counties where such churches are located and in the office of the Secretary of State. Thereupon such churches shall be merged, and the merged church shall, by the name so adopted, be entitled to and invested with all the real and personal property, rights, powers, privileges and franchises belonging to each church so merging, subject to all its debts, obligations and liabilities.

Title to the church property of the merging churches shall be held in the trustees of the merged church elected in accordance with the provisions of this act.

C. 16:104-11 Use and disposition of church property; conditions.

10. Any real property owned by a local church of The United Methodist Church, or in which such local church has an interest, shall be held, used, kept and maintained by such local church subject to the Discipline and usage of The United Methodist Church as from time to time authorized and declared by the general conference and by the annual conference within whose bounds such property is located.

Any such real property may be sold, transferred or mortgaged by such local church only in accordance with the following procedure and conditions:

a. Notice of the proposed action, and the date, time and place of a meeting at which it is to be considered, shall be given to the members of such church in writing or from the pulpit or in the weekly bulletin at least 10 days prior to such meeting. Such notice shall be given by the pastor, the charge conference or the district superintendent.

b. A resolution authorizing the proposed action shall be presented to the charge conference of such church. If adopted, such resolution shall be presented for adoption by the members of such church; provided, however, that a vote by the members of the church shall not be required for the sale of property which was
conveyed to such church for sale and use of the proceeds for a specific purpose.

c. Such resolution shall authorize and direct the board of trustees of such church to take all necessary steps to carry out the action authorized, and to cause to be executed any written instruments required therefor.

d. The board of trustees, at any regular or special meeting, shall take the action so directed and authorized, and adopt such resolutions as may be necessary or required by law.

C. 16:10A-12 Funding current expenses; limitations.

11. The real estate on which a church building or parsonage of a local church of The United Methodist Church is located shall not be mortgaged or encumbered to provide for the current expense of such church, nor shall the principal of the proceeds of the sale of any such property be so used.

C. 16:10A-13 Release and discharge of title of church property.

12. The written acknowledged consent by the appropriate district superintendent to any sale, conveyance or transfer of real property by a local church of, or by an organization connected with, The United Methodist Church shall constitute a release and discharge of such property from any right, title or interest of The United Methodist Church, and in the case of a mortgage such consent shall constitute a formal recognition of the priority of the mortgage lien, whether or not the deed of conveyance to such local church or organization contained a trust clause in favor of The United Methodist Church.

C. 16:10A-14 Abandonment of church property; conditions, disposition.

13. All real and personal property belonging to or held in trust for any local church of The United Methodist Church that has or shall become abandoned shall vest in and become the property of that annual conference of The United Methodist Church in which such local church was located. This section shall not affect the reversion or interest of any person in such property.

A local church of The United Methodist Church shall be regarded as abandoned when its membership is so reduced that it has not sufficient members to fill its offices, and when it has ceased to hold
its regular meetings and to keep its relation with any charge having regular connection with an annual conference of The United Methodist Church for a period of 2 consecutive years.

The annual conference of The United Methodist Church in which any such abandoned local church was located may, in pursuance of a resolution by it, sell the property of any such abandoned local church and convey the same to the purchaser by deed in its corporate name.

C. 16:10A-15 Conduct of elections.

14. To be qualified to vote at a meeting of the charge conference, or at a meeting of the membership of a local church of, or organization connected with, The United Methodist Church, when such meeting is held for the purpose of incorporation, alteration or amendment of the certificate of incorporation, merger, election of trustees, or any action relating to the property of such church or organization, a person shall be a full member of such church or organization who is not less than 21 years of age. The presiding officer of any such meeting shall be the judge of the qualifications of voters, subject to appeal to the vote of the members present whose qualifications are not challenged. Such presiding officer shall receive the votes cast and declare the result of same.

Unless otherwise provided by this act, or by the certificate of incorporation or the by-laws of such local church or organization, elections and approval of actions shall be by a majority vote of the qualified voters present and voting. In elections of trustees a written individual ballot shall be used if so directed by vote of the members present, but cumulative voting shall be prohibited.

Repealer.

15. Chapters 9 and 10 of Title 16 of the Revised Statutes are repealed.

16. This act shall take effect immediately.

CHAPTER 248, LAWS OF 1968

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 17:46A-1 Short title.
1. This act may be cited as the Mortgage Guaranty Insurance Act.

C. 17:46A-2 Definitions.
2. Definitions. The definitions set forth in this section shall govern the construction of the terms used in this act.

(a) "Mortgage guaranty insurance" means insurance against financial loss by reason of nonpayment of principal, interest and other sums agreed to be paid under the terms of any note or bond or other evidence of indebtedness secured by a mortgage, deed of trust, or other instrument constituting a lien or charge on real estate.

(b) "Authorized real estate security" means an amortized note, bond or other evidence of indebtedness, not exceeding 90% of the fair market value of the real estate, secured by a mortgage, deed of trust, or other instrument constituting a first lien or charge on real estate; provided:

(1) The real estate loan secured in such manner is one which a bank, savings and loan association, or an insurance company, which is supervised and regulated by a department of this State or an agency of the Federal Government, is authorized to make.

(2) The improvement on such real estate is a residential building or buildings designed for occupancy by not more than 4 families.

(3) The lien on such real estate may be subject and subordinate to the following:

(i) The lien of any public bond, assessment, or tax, when no installment, call or payment of or under such bond, assessment or tax is delinquent.

(ii) Outstanding mineral, oil or timber rights, rights-of-way, easements or rights-of-way or support, sewer rights, building restrictions or other restrictions or covenants, conditions or regulations of use, or outstanding leases upon such real property under which rents or profits are reserved to the owner thereof.

(c) "Contingency reserve" means an additional premium reserve established for the protection of policyholders against the effect of adverse economic cycles.

(d) "Policyholders surplus" means the aggregate of capital, surplus and contingency reserve.
C. 17:46A-3 Capital, surplus and contingency reserve requirements.

3. Capital, surplus and contingency reserve requirements.
   (a) An insurance company shall not transact the business of mortgage guaranty insurance unless it has paid-in capital of at least $1,000,000.00 and paid-in surplus of at least $1,000,000.00.
   (b) In addition to the paid-in capital and surplus provided in subsection (a), each mortgage guaranty insurance company shall establish a contingency reserve out of net premiums remaining (gross premiums less premiums returned to policyholders) after establishment of the unearned premium reserve. To the contingency reserve the insurance company shall contribute an amount equal to 50% of such remaining premiums. The yearly contributions to the contingency reserve made during each calendar year shall be maintained for a period of 180 months, except that withdrawals may be made by the insurance company in any given year in which the actual losses exceed the expected losses. The commissioner shall, by regulation, determine when an insurance company may make withdrawals from its contingency reserve.
   (c) A mortgage guaranty insurance company shall not at any time have outstanding a total liability under its aggregate insurance policies exceeding 25 times its policyholders surplus, such liability to be computed on the basis of the insurance company’s liability under its election as provided in subsections (e) and (d) of section 4. In the event that any insurance company has outstanding total liability exceeding 25 times its policyholders surplus, it shall cease transacting new business until such time as its total liability no longer exceeds 25 times its policyholders surplus.
   (d) A mortgage guaranty insurance company shall not declare any dividends except from undivided profits remaining on hand over and above the aggregate of its paid-in capital, paid-in surplus and contingency reserve.

C. 17:46A-4 Limitations and restrictions for transacting business.

4. Limitations and restrictions for transacting business.
   (a) Mortgage guaranty insurance may be transacted in this State only by a stock insurance company holding a certificate of authority for the transaction of such insurance, and shall be written only to insure loans secured by authorized real estate securities as defined in section 2 of this act.
   (b) A mortgage guaranty insurance company shall not insure loans secured by properties in a single housing tract or a contiguous tract in excess of 10% of the insurance company’s policyholders surplus. In determining the amount of such risk, applicable rein-
insurance in any assuming insurance company authorized to transact mortgage guaranty insurance in this State shall be deducted from the total direct risk insured. "Contiguous," for the purposes of this section, means not separated by more than ½ mile.

(c) A mortgage guaranty insurance company shall limit its coverage to a maximum of 20% of the outstanding balance of the loan insured, but the liability of the insurance company shall in no event exceed the actual loss or as provided in subsection (d). In lieu of paying the percentage of the loan insured as specified in the policy, a mortgage guaranty insurance company may elect to pay the entire indebtedness to the insured and acquire title to the authorized real estate security.

(d) A mortgage guaranty insurance company shall limit its coverage to a maximum of 20% of the outstanding balance of the loan insured, but in lieu of complying with subsection (c), the liability of the insurance company shall in no event exceed 80% of the actual loss. In lieu of paying the percentage of the loan insured as specified in the policy, a mortgage guaranty insurance company may elect to pay the entire indebtedness to the insured and acquire title to the authorized real estate security.

(e) A mortgage guaranty insurance company which anywhere transacts any class of insurance other than mortgage guaranty insurance is not eligible for the issuance of a certificate of authority to transact mortgage guaranty insurance in this State nor for the renewal thereof.

(f) Nothing in this act shall be construed as limiting the right of any mortgage guaranty insurance company to impose reasonable requirements upon the lender with regard to the terms of any note or bond or other evidence of indebtedness secured by a mortgage or deed of trust, such as requiring a stipulated down payment by the borrower.

C. 17:46A-5 Rebates and commissions.

5. Rebates and commissions.

(a) Every mortgage guaranty insurance company shall adopt, print and make available a schedule of premium charges for mortgage guaranty insurance policies. The schedule shall show the entire amount of premium charge for each type of mortgage guaranty insurance policy issued by the insurance company.

(b) No mortgage guaranty insurance company shall pay to any person who is acting as agent, representative, attorney or employee of the owner, mortgagee of the prospective owner, or mortgagee of the real property or any interest therein, either directly or in-
directly, any commission, or any part of its premium charges or any other consideration as an inducement for or as compensation on any mortgage guaranty insurance business.

(c) No mortgage guaranty insurance company shall make any rebate of any portion of the premium charge shown by the schedule required by subsection (a). No mortgage guaranty insurance company shall quote any premium charge to any person which is less than that currently available to others for the same type of mortgage guaranty insurance policy. The amount by which any premium charge is less than that called for by the current schedule of premium charges is an unlawful rebate.

(d) No mortgage guaranty insurance company shall pay any compensation to any person for transacting insurance for or with it based in whole or in part upon a commission basis unless such person is licensed pursuant to section 6 of this act, subject to all the other provisions of and restrictions in chapter 22 of Title 17. This subsection shall not be construed so as to affect the meaning of any other provisions of this section.

(e) The commissioner may after a hearing suspend or revoke the certificate of authority of any mortgage guaranty insurance company which, after 10 days written notice from the commissioner requiring it to cease and desist, continues to pay any commission or to make any unlawful rebate in willful violation of the provisions of this act.

C. 17:46A-6 Licensing of agents.

6. Licensing of agents. An agent’s license limited to mortgage guaranty insurance may be issued, at the discretion of the commissioner, to an applicant who:

(a) Qualifies by passing a special examination as prescribed by the commissioner, and

(b) Is recommended and vouched for by an insurance company authorized to transact mortgage guaranty insurance business.

C. 17:46A-7 Financial statements.

7. Financial statements.

(a) The provisions of chapter 23 of Title 17 shall apply to mortgage guaranty insurance companies.

(b) The unearned premium reserve shall be computed as required by the annual statement form, except that on all policies covering a risk period of more than 1 year the unearned premium reserve shall be computed in accordance with standards promulgated by the commissioner.
(c) In addition to the contingency reserve required under subsection (b) of section 3, the case basis method shall be used to determine the loss reserve, which shall include a reserve for claims reported and unpaid and claims incurred but not reported, including:

(i) Estimated losses on insured loans which have resulted in the conveyance of property which remains unsold.
(ii) Insured loans in the process of foreclosure.
(iii) Insured loans in default for 4 or more months.

C. 17:46A-8 Applicability of other laws.
8. Applicability of other laws. All the applicable provisions of Title 17 and Title 54 of the Revised Statutes, chapter 227 (C. 54:16A-1 et seq.) of the laws of 1952, and chapter 132 (C. 54:18A-1 et seq.) of the laws of 1945, except as may be in conflict with this act, shall apply to mortgage guaranty insurance companies licensed under this act.

C. 17:46A-9 Commissioner's additional powers.
9. Additional powers of commissioner. The commissioner may adopt, pursuant to the provisions of chapters 66 (C. 17:1-8.1 et seq.) and 68 (C. 17:1-8.5 et seq.) of the laws of 1958, such reasonable rules and regulations as may be necessary to carry out the provisions of this act, including, but not limited to, appropriate restrictions as to investments, giving full consideration to the desirability of high liquidity.

C. 17:46A-10 Advertising.
10. Advertising. No bank, savings and loan association or insurance company, any of whose authorized real estate securities are insured by mortgage guaranty insurance pursuant to this act may state in any brochure, pamphlet, report or any form of advertising that the real estate loans of the bank, savings and loan association or insurance company are "insured loans" unless the brochure, pamphlet, report or advertising also clearly states that the loans are insured by private insurers and the names of the private insurers are given and shall not make any such statement at all unless such insurance is by an insurance company authorized to transact business in this State pursuant to this act.

C. 17:46A-11 Repealer.
11. Chapter 46 of Title 17 of the Revised Statutes is repealed.
12. This act shall take effect immediately.
Approved August 12, 1968.

4. Solid waste management authority may be created by municipalities; filing of ordinance or resolution. (a) The governing body of any municipality may, by ordinance duly adopted, create a public body corporate and politic under the name and style of "solid waste management authority" with all or any significant part of the name of such municipality inserted. Said body shall consist of the 5 members thereof, who shall be appointed by resolution of the governing body as hereinafter in this section provided, and it shall constitute the solid waste management authority contemplated and provided for in this act and an agency and instrumentality of said municipality. After the taking effect of such ordinance and the filing of a certified copy thereof in subsection (c) of this section provided, 5 persons shall be appointed as the members of the solid waste management authority. The members first appointed shall, by the resolution of appointment, be designated to serve for terms respectively expiring on the first days of the first, second, third, fourth and fifth Februarys next ensuing after the date of their appointment. On or after January 1 in each year after such first appointments, one person shall be appointed as a member of the solid waste management authority to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. (b) The governing bodies of any 2 or more municipalities, whether or not the areas of such municipalities comprise an integral body of territory, may enter into an agreement and, by parallel ordinances duly adopted by each of such governing bodies within any single calendar year, create a public body corporate and politic under the name and style of "solid waste management authority" with all or any significant part of the name of each such municipality or some identifying geographical phrase inserted. Said ordinance may provide for the appointment of an alternate representative to serve in the event of the absence or inability to act of the representative. The terms of the representative and such alternate of the respective municipalities shall be 3 years. Nothing herein shall prevent such ordinances and agreement from providing for staggered terms. In the event a vacancy occurs at any time in the office of representative of any one of the municipalities, the governing body of such municipality shall forthwith, by resolution, appoint a successor representative to fill the said vacancy and serve out the said unexpired term. Until the appointment and qualification of such successor representative, however, the alternate representative of such municipality shall serve as the representative of such municipality to the authority. In the event a vacancy occurs at any time in the office of alternate representative of any one of the municipalities, the governing body of such municipality shall forthwith, by resolution, appoint a successor alternate representative to fill such vacancy and serve out the said unexpired term.

certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. A copy of such certified resolution, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding and, except in a suit, action or proceeding directly questioning such appointment, shall be conclusive evidence of the due and proper appointment of the members named therein.

(e) No governing body which may create or join in the creation of any solid waste management authority pursuant to this section shall thereafter create or join in the creation of any other solid waste management authority. No governing body of any municipality within a district shall create or join in the creation of any solid waste management authority except upon the written consent of the solid waste management authority and in accordance with the terms and conditions of such consent.

5. Solid waste management authority; powers to be vested in members; membership; reimbursement for expenses; election.

(a) The powers of a solid waste management authority shall be vested in the members thereof in office from time to time. A majority of the entire authorized membership of the solid waste management authority shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the solid waste management authority at any meeting of the members thereof by vote of a majority of the membership; unless in any case the by-laws of the solid waste management authority shall require a larger number and with the exception of those questions or items referred to in subsection (b) hereafter. The solid waste management authority may delegate to one or more of its officers, agents or employees such powers and duties as it may deem proper.

(b) The following questions or items shall require unanimous vote of all the representatives duly appointed to and serving as members of the authority:

(d) No member, officer or employee of a solid waste management authority shall have or acquire any interest, direct or indirect, in any property included or planned to be included in the garbage and solid wastes disposal system or in any contract or proposed contract for materials or services to be furnished to or used by the solid waste management authority, but neither the holding of any office or employment in the government of any municipality or under any law of the State nor the owning of any property within the State shall be deemed a disqualification for membership in or employment by a solid waste management authority. A member of a solid waste management authority may be removed only by the governing body by which he was appointed and only for inefficiency or neglect of duty or misconduct in office and after he shall have been given a copy of the charges against him and, not sooner than 10 days thereafter, had opportunity in person or by counsel to be heard thereon by such governing body.

(e) A solid waste management authority may reimburse its members for necessary expenses incurred in the discharge of their duties. In no event however shall any representative or alternate representative appointed to the authority receive any compensation whatsoever and each such representative or alternate representative shall serve without compensation or remuneration of any kind with the exception of reimbursed expenses referred to aforesaid.

(f) Every solid waste management authority, upon the first appointment of its members and thereafter on or after February 1 in each year, shall annually elect from among its members a president, a vice-president, a secretary and a treasurer who shall hold office, until February 1 next ensuing and until their respective successors have been appointed and have qualified. Every solid waste management authority may also appoint and employ such professional and technical advisers and experts and such other officers, agents, and employees as it may require, and it shall determine their qualifications, duties and compensation.

6. Acquisition of incinerators, treatment plants or works. Every solid waste management authority is hereby authorized and directed, subject to the limitations of this act, to acquire, in its own name but for the local unit or units, by purchase, gift, condemnation or otherwise, and notwithstanding the provisions of any charter, ordinance or resolution of any county or municipality to the contrary, to construct, maintain, operate and use such incinerators, treatment plants or works at such places and such other plants, structures, property and conveyances, as in the judgment of the solid waste management authority will provide an effective and satisfactory method for promoting the purposes of the solid waste management authority.

C. 40:66A-38 Authority established as political subdivision; powers.

7. Solid waste management authority as political subdivision; powers. Every solid waste management authority shall be a public body politic and corporate constituting a political subdivision of the State established as an instrumentality exercising public and essential governmental functions to provide for the public health and welfare and shall have perpetual succession and have the following powers:

   (1) To adopt and have a common seal and to alter the same at pleasure;
   (2) To sue and to be sued;
   (3) In the name of the solid waste management authority and on its behalf, to acquire, hold, use and dispose of its service charges and other revenues and other moneys;
   (4) In the name of the solid waste management authority but for the local unit or units, to acquire, hold, use and dispose of other personal property for the purposes of the solid waste management authority;
   (5) In the name of the solid waste management authority but for the local unit or units, to acquire by purchase, gift, condemnation or otherwise, real property and easements therein, necessary or useful and convenient for the purposes of the solid waste management authority, and subject to mortgages, deeds of trust or other liens, or otherwise, and to hold and to use the same, and to dispose of property so acquired no longer necessary for the purposes of the solid waste management authority;
   (6) To provide for and secure the payment of any bonds and the rights of the holders thereof, and to purchase, hold and dispose of any bonds;

(8) To enter on any lands or premises for the purposes of the solid waste management authority;

(9) To make and enforce by-laws or rules and regulations for the management and regulation of its business and affairs and for the use, maintenance and operation of the garbage and solid wastes disposal system and any other of its properties, and to amend the same;

(10) To do and perform any acts and things authorized by this act under, through or by means of its own officers, agents and employees, or by contracts with any persons; and

(11) To enter into any and all contracts, execute any and all instruments, and do and perform any and all acts or things necessary, convenient or desirable for the purpose of the solid waste management authority or to carry out any powers expressly given in this act.

7.1. Audit of accounts of solid waste management authority annually; filing. It shall be the duty of every solid waste management authority, created pursuant to this act, to cause an annual audit of the accounts of the authority to be made and filed with the authority, and for this purpose the authority shall employ a registered municipal accountant of New Jersey or a certified public accountant of New Jersey. The audit shall be completed and filed with the authority within 4 months after the close of the fiscal year of the authority and a certified duplicate copy thereof shall be filed with the Director of the Division of Local Government in the Department of the Treasury within 10 days after the original report is filed with the authority.

C. 40:66A-40 Bond resolution and bond proceedings; filing.

7.2. Certified copy of bond resolution and bond proceedings; filing. Every such solid waste management authority shall file a certified copy of every bond resolution as finally passed with the Director of the Division of Local Government in the Department of the Treasury and in addition shall file a certified copy of all bond proceedings with the said director.
C. 40:66A-41  Rents, rates, fees and charges.

8. Rents, rates, fees or other charges. (a) Every solid waste management authority is hereby authorized to charge and collect rents, rates, fees or other charges (in this act sometimes referred to as "service charges") for the services and facilities of the garbage and solid wastes disposal system.

(b) Such rents, rates, fees and charges, being in the nature of use or service charges, shall as nearly as the solid waste management authority shall deem practicable and equitable be uniform throughout the district for the same type, class and amount of use or service of the garbage and solid wastes disposal system.

(c) The solid waste management authority shall prescribe and from time to time when necessary revise the schedule of such service charges, which in any event shall be such that the revenues of the solid waste management authority will at all times be adequate to pay all expenses of operation and maintenance of the garbage and solid wastes disposal system including reserves, insurance, extensions, and replacements, and to pay punctually the principal of and interest on any bonds and to maintain such reserves or sinking funds therefor as may be required by the terms of any contract of the solid waste management authority. Said schedule shall thus be prescribed and from time to time revised by the solid waste management authority after public hearing thereon which shall be held by the solid waste management authority at least 7 days after such published notice as the solid waste management authority may determine to be reasonable. The solid waste management authority shall likewise fix and determine the time or times when and the place or places where such service charges shall be due and payable and may require that such service charges shall be paid in advance for periods of not more than 1 year. A copy of such schedule of service charges in effect shall at all times be kept on file at the principal office of the solid waste management authority and shall at all reasonable times be open to public inspection. It is the purpose of this subsection that the rates fixed from time to time shall produce revenue not in excess of an amount sufficient to provide for all expenses of operation and maintenance of the authority, and to provide for interest, sinking fund and amortization. Any surplus which may accrue to the authority, however, for any reason whatsoever shall be retained by the authority to reduce its rates to the extent such surplus may justify, and to increase the quality and efficiency of its operations.

9. Appropriation of moneys for purpose of solid waste management authority. Any local unit shall have power, in the discretion of its governing body, to appropriate moneys for the purposes of the solid waste management authority, and to loan or donate such moneys to the solid waste management authority in such installments and upon such terms as may be agreed upon between such local unit and the solid waste management authority.

10. Revenue bonds. Revenue bonds may be authorized to be issued under this act to provide funds to pay the cost of all or any part of the garbage and solid wastes disposal system, or for the refunding of any bonds theretofore issued for such purposes. The purposes for which such revenue bonds may be issued shall include the payment to the local unit or local units of the reasonable value of any properties or facilities deemed necessary or desirable for the purposes of the solid waste management authority, and such solid waste management authorities are hereby authorized to purchase and acquire such properties or facilities from such local unit or local units.

Such revenue bonds shall be authorized by resolution of the solid waste management authority which may be adopted at the same meeting at which it is introduced by a unanimous vote of all the members thereof then in office, shall take effect immediately and need not be published or posted. Such revenue bonds may bear interest at such rate or rates, not exceeding 6% per annum, may be in one or more series, may bear such date or dates, may mature at such time or times not exceeding 30 years from their respective dates, may be payable in such medium of payment at such place or places, may carry such registration privileges, may be subject to such terms of redemption with or without premium, may be executed in such manner, may contain such terms, covenants and conditions, and may be in such form, either coupon or registered, as such resolution or subsequent resolution may provide. Such revenue bonds may be sold, all at one time or in blocks from time to time, at public or private sale, or if refunding bonds may also be delivered in exchange for the outstanding obligations to be refunded thereby, in such manner as the solid waste management authority shall determine by resolution, and at such price or prices, computed according to standard tables of bond values, as will yield to the purchasers or the holders of the obligations surrendered in exchange, income at a rate not exceeding 6% per annum to the
maturity dates of the several bonds so sold or exchanged on the money paid or the principal amount of obligations surrendered therefor to the solid waste management authority.

C. 40:66A-44 Interim certificates, temporary bonds, other instruments.

11. Interim certificates; temporary bonds or other instruments. After sale of any revenue bonds pursuant to this act, the solid waste management authority shall have power to authorize the execution and issuance to the purchasers, pending the preparation of the definitive bonds, of interim certificates therefor or of temporary bonds or other temporary instruments exchangeable for the definitive bonds when prepared, executed and ready for delivery. The holders of such interim certificates, temporary bonds or other temporary instruments shall have all the rights and remedies which they would have as holders of the definitive bonds.

C. 40:66A-45 Bond resolution notice; limitation of certain actions.

12. Notice of adoption of bond resolution; limitation of actions questioning validity. Any solid waste management authority may cause to be published in a newspaper published in the district a notice stating the date of adoption of such bond resolution, the amount and maturities of the bonds authorized to be issued, and also stating that any action or proceeding of any kind or nature in any court questioning the validity of the creation and establishment of the solid waste management authority, or the validity or proper authorization of bonds provided for by the bond resolution, or the validity of any covenants, agreements or contracts provided for by the bond resolution shall be commenced within 20 days after the first publication of such notice. If no such action or proceeding shall be commenced or instituted within 20 days after the first publication of such notice, then all residents and taxpayers and owners of property in the district and users of the garbage and solid wastes disposal system and all other persons whatsoever shall be forever barred and foreclosed from instituting or commencing any action or proceeding in any court, or from pleading any defense to any action of proceeding, questioning the validity of the creation and establishment of the solid waste management authority, the validity or proper authorization of such bonds, or the validity of any such covenants, agreements or contracts, and said bonds, covenants, agreements and contracts shall be conclusively deemed to be valid and binding obligations in accordance with their terms and tenor.
C. 40:66A-46 Negotiability of bonds or obligations.

13. Negotiability of bonds or obligations. Any provision of any law to the contrary notwithstanding any bond or other obligation issued pursuant to this act shall be fully negotiable in the meaning and for all purposes of the law merchant and negotiable instruments law of the State, and each holder or owner of such a bond or other obligation, or of any coupon appurtenant thereto, by accepting such bond or coupon shall be conclusively deemed to have agreed that such bond, obligation or coupon is and shall be fully negotiable within the meaning and for all purposes of said law merchant and negotiable instruments law.

14. Provisions of bond resolutions. Any bond resolution of a solid waste management authority providing for or authorizing the issuance of any bonds may contain provisions, and such solid waste management authority, in order to secure the payment of such bonds and in addition to its other powers, shall have power by provision in the bond resolution to covenant and agree with the several holders of such bonds, as to:
(1) The custody, security, use, expenditure or application of the proceeds of the bonds;
(2) The construction and completion, or replacement, of all or any part of the garbage and solid wastes disposal system;
(3) The use, regulation, operation, maintenance, insurance or disposition of all or any part of the garbage and solid wastes disposal system, or restrictions on the exercise of the powers of the solid waste management authority to dispose, or to limit or regulate the use, of all or any part of the garbage and solid wastes disposal system;

(6) Pledging, setting aside, depositing or trusteeing all or any part of the system revenues or other moneys of the solid waste
management authority to secure the payment of the principal of or interest on the bonds or any other obligations, or the payment of expenses of operation or maintenance of the garbage and solid wastes disposal system, and the powers and duties of any trustee with regard thereto;

(7) The setting aside out of the system revenues or other moneys of the solid waste management authority of reserves and sinking funds, and the source, custody, security, regulation, application and disposition thereof;

(12) Limitations on the powers of the solid waste management authority to construct, acquire or operate, or permit the construction, acquisition, or operation of, any plants, structures, facilities or properties which may compete or tend to compete with the garbage and solid wastes disposal system.

(13) Vesting in a trustee or trustees such property, rights, powers and duties in trust as the solid waste management authority may determine which may include any or all of the rights, powers and duties of the trustee appointed by the holders of bonds pursuant to section 17 of this act, and limiting or abrogating the right of such holders to appoint a trustee pursuant to section 15 of this act or limiting the rights, duties and powers of such trustee;

(14) Payment of costs or expenses incident to the enforcement of the bonds or of the provision of the bond resolution or of any covenant or contract with the holders of bonds;
(15) The procedure, if any, by which the terms of any covenant or contract with, or duty to, the holders of bonds may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given or evidenced; or

(16) Any other matter or course of conduct which by recital in the bond resolution, is declared to further secure the payment of the principal of or interest in the bonds.

All such provisions of the bond resolution and all such covenants and agreements shall constitute valid and legally binding contracts between the solid waste management authority and the several holders of the bonds, regardless of the time of issuance of such bonds, and shall be enforceable by any such holder or holders by appropriate action or proceeding in any court of competent jurisdiction.

C. 40:66A-48 Default in bond payment; trustee's appointment, powers; receiver.

15. Default in payment of bonds; trustee; appointment; powers; receiver. In the event that there shall be a default in the payment of principal of or interest on any bonds after the same shall become due, whether at maturity or upon call for redemption, and such default shall continue for a period of 30 days, or in the event that the solid waste management authority shall fail or refuse to comply with the provisions of this act or shall fail or refuse to carry out and perform the terms of any contract with the holders of any of such bonds, and such failure or refusal shall continue for a period of 30 days after written notice to the solid waste management authority of its existence and nature, the holders of 25% in aggregate principal amount of the bonds of such series then outstanding, by instruments or instrument filed in the office of the Secretary of State and proved and acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the bonds of such series for the purposes in this section, and to have the powers provided in this section.

(a) Such trustee may and upon written request of the holders of 25% in aggregate principal amount of the bonds of such series then outstanding shall, in his or its own name:

(1) By an action or proceeding in a court of competent jurisdiction, enforce all rights of the holders of such bonds, including the right to require the solid waste management authority to charge and collect service charges adequate to carry out any contract as to, or pledge of, system revenues, and to require the solid waste management authority to carry out and perform the
terms of any contract with the holders of such bonds or its duties under this act;

(2) Bring an action upon all or any part of such bonds or interest coupons or claims appurtenant thereto;

(3) By an action require the solid waste management authority to account as if it were the trustee of an express trust for the holders of such bonds;

(4) By an action enjoin any acts or things which may be unlawful or in violation of the rights of the holders of such bonds; or

(5) Declare all such bonds due and payable, whether or not in advance of maturity, upon 30 days’ prior notice in writing to the solid waste management authority and, if all defaults shall be made good, then with the consent of the holders of 25% of the principal amount of such bonds then outstanding, annul such declaration and its consequences.

(b) Such trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of the functions specifically set forth herein or incident to the general representation of the holders of bonds of such series in the enforcement and protection of their rights.

(c) In any action or proceedings by such trustee, the fees, counsel fees and expenses of the trustee and of the receiver, if any, appointed pursuant to this act, may be allowed by the court as taxable costs and disbursements or otherwise, when so allowed, shall be a first charge upon any service charges and system revenues of the solid waste management authority pledged for the payment or security of bonds of such series.

(d) Such trustee, upon such default referred to in this section, whether or not all of the bonds of such series shall have been declared due and payable, shall be entitled as of right to the appointment of a receiver of the garbage and solid wastes disposal system, and such receiver may enter upon and take possession of all moneys and other property derived from or applicable to the acquisition, construction, operation, maintenance or reconstruction which the solid waste management authority is under any obligation to do, and operate, maintain and reconstruct the garbage and solid wastes disposal system and fix, charge, collect, enforce and receive the service charges and all system revenues thereafter arising subject to any pledge thereof or contract with the holders of such bonds relating thereto and perform the public duties and carry out the contracts and obligations of the solid waste management authority in the same manner as the solid waste
management authority itself might do and under the direction of the court.

16. Personal liability on bonds; not debt or liability of State or local unit. Neither the member of the solid waste management authority nor any person executing bonds issued pursuant to this act shall be liable personally on the bonds by reason of the issuance thereof. Bonds or other obligations issued pursuant to this act shall not be in any way a debt or liability of the State, and bonds or other obligations issued by a solid waste management authority pursuant to this act shall not be in any way a debt or liability of the State or of any local unit or municipality.

C. 40:66A-50 Real property acquisition; condemnation.

17. Real property, acquisition of; condemnation. Every solid waste management authority is hereby empowered, in its own name but for the local unit or units, to acquire by purchase, gift, grant or devise and to take for public use real property, within the district, which may be deemed by the solid waste management authority necessary for its purpose. Such solid waste management authority is hereby empowered to acquire and take such real property by condemnation, in the manner provided by chapter 1 of Title 20, Eminent Domain, of the Revised Statutes (R. S., section 20:1-1 et seq.) and, to that end, may invoke and exercise in the manner or mode of procedure prescribed in said chapter, either in its own name or in the name of any local unit or units, all of the powers of such local unit or units to acquire or take property for public use.

C. 40:66A-51 Real property service charge; enforcement, collection.

18. Service charge with regard to real property; interest; liens, enforcement of; collection.

(a) In the event that a service charge of any solid waste management authority with regard to any parcel of real property shall not be paid as and when due, interest shall accrue and be due to the solid waste management authority on the unpaid balance at the rate of 1% per month until such service charge, and the interest thereon, shall be fully paid to the solid waste management authority.

(b) In the event that a service charge of any solid waste management authority with regard to any parcel of real property owned by any person, firm, corporation or association shall not be paid as and when due, the unpaid balance thereof and all interest accruing thereon shall be a lien on such parcel. Such lien
shall be superior and paramount to the interest in such parcel of any owner, lessee, tenant, mortgagee or other person except the lien of State, county and municipal taxes and shall be on a parity with and deemed equal to the lien on such parcel of State, county and municipal taxes.

(c) In the event that a service charge of any solid waste management authority with regard to any parcel of real property shall not be paid as and when due, the solid waste management authority may, in its discretion, discontinue the furnishing of any of the services and facilities of said garbage and solid wastes disposal system until such service charge and any subsequent service charge with regard to such parcel and all interest accrued thereon shall be fully paid to the solid waste management authority.

(d) The collector or other officer of every municipality charged by law with the duty of enforcing municipal liens on real property shall enforce, with and as any other municipal lien on real property in such municipality, all service charges and the lien thereof and shall pay over to the solid waste management authority the sums or a pro rata share of the sums realized upon such enforcement or upon liquidation of any property acquired by the municipality by virtue of such enforcement.

(e) In the event that any service charge of a solid waste management authority shall not be paid as and when due, the unpaid balance thereof and all interest accrued thereon, together with attorneys’ fees and costs, may be recovered by the solid waste management authority in a civil action, and any lien on real property for such service charge and interest accrued thereon may be foreclosed or otherwise enforced by the solid waste management authority by action or suit in equity as for the foreclosure of a mortgage on such real property.

(f) All rights and remedies granted by this act for the collection and enforcement of service charges shall be cumulative and concurrent.

C. 40:66A-52 Sale, lease, grant or permit to authority.

19. Sale, lease, loan, grant or conveyance to solid waste management authority; permit. Any county, by resolution of its board of chosen freeholders, or any municipality, by ordinance of its governing body, or any other person is hereby empowered, without any referendum and without the consent of any board, officer or other agency of the State, to sell, lease, lend, grant or convey to any solid waste management authority, or to permit any solid
waste management authority in use, maintain or operate as part of the garbage and solid wastes disposal system, any real or personal property owned by it, which may be necessary or useful and convenient for the purposes of the solid waste management authority and which may be accepted by the solid waste management authority. Any such sale, lease, loan, grant, conveyance or permit may be made with or without consideration and for a specified or an unlimited period of time and under any agreement and in any terms and conditions which may be approved by such county, municipality or other person and which may be agreed to by the solid waste management authority in conformity with its contracts with the holders of bonds, the solid waste management authority may enter into and perform any and all agreements for the assumption of principal or interest or both of indebtedness of such county, municipality or other person or of any mortgage or lien existing with respect to such property or for the operation and maintenance of such property as part of the garbage and solid wastes disposal system.

20. Contracts. Any solid waste management authority and any municipality within the district by ordinance of its governing body may enter into a contract or contracts providing for or relating to the collection or treatment and disposal of garbage, solid wastes and refuse originating in the district or in such municipality by means of the garbage and solid wastes disposal system, and the cost and expense of such collection or treatment and disposal. Such contract or contracts may provide for the payment to the solid waste management authority by such municipality annually or otherwise of such sum or sums of money, computed at fixed amounts or by a formula based on any factors or other matters described in subsection (b) of section 8 of this act or in any other manner, as said contract or contracts may provide, and the sum or sums so payable may include provision for all or any part or a share of the amounts necessary (1) to pay or provide for the expenses of operation and maintenance of the garbage and solid wastes disposal system, including without limitation insurance, extensions, betterments and replacements and the principal of and interest on any bonds, and (2) to provide for any deficits resulting from failure to receive sums payable to the solid waste management authority by such municipality, any other municipality, or any person, or from any other cause, and (3) to maintain such reserves or sinking funds for any of the foregoing as may be required by
the terms of any contract of the solid waste management authority or as may be deemed necessary or desirable by the solid waste management authority. Any such contract may provide that the sum or sums so payable to the solid waste management authority shall be in lieu of all or any part of the service charges which would otherwise be charged and collected by the solid waste management authority with regard to persons or real property within such municipality. Such contract or contracts may also contain provisions as to the financing and payment of expenses to be incurred by the solid waste management authority and determined by it to be necessary for its purposes prior to the placing in operation of the garbage and solid wastes disposal system and may provide for the payment by such municipality to the solid waste management authority for application to such expenses or indebtedness therefor such sum or sums of money, not in the aggregate exceeding an amount stated or otherwise limited in said contract or contracts plus interest thereon, as said contract or contracts may provide and as the governing body of said municipality shall, by virtue of its authorization of and entry into said contract or contracts, determine to be necessary for the purposes of the solid waste management authority. Any such contract may be made with or without consideration and for a specified or an unlimited time and on any terms and conditions which may be approved by such municipality and which may be agreed to by the solid waste management authority in conformity with its contracts with the holders of any bonds, and shall be valid whether or not an appropriation with respect thereto is made by such municipality prior to authorization or execution thereof. Subject to any such contracts with the holders of bonds, such municipality is hereby authorized and directed to do and perform any and all acts or things necessary, convenient or desirable to carry out and perform every such contract and to provide for the payment or discharge of any obligation thereunder in the same manner as other obligations of such municipality and, in accordance with any such contract, to waive, modify, suspend or reduce the service charges which would otherwise be charged and collected by the solid waste management authority with regard to persons or real property within such municipality. Nothing in this section, however, shall prevent the solid waste management authority from collecting additional fees and charges from the owners or occupants of all parcels of real estate served by it within such municipality if for any reason such additional fees or charges shall be necessary in order for the solid waste management authority to pay all operating expenses, debt service and other
payments required pursuant to contracts with bondholders; and
notwithstanding such contracts with such municipalities, the solid
waste management authority shall at all times have power and be
obligated to collect sufficient additional fees and charges whenever
necessary to pay all operating costs, debt service and all other pay­
ments required by contracts with bondholders. Nothing in this sec­
tion shall be deemed to imply or direct that any contracts referred
to aforesaid must provide for both the collection and disposal of
garbage and solid wastes and such solid waste management author­
ity may, by the agreement and parallel ordinances and such munici­
pality may, by ordinance, engage in either collection of solid wastes
or disposal of solid wastes or both.

C. 40:66A-54 Public bodies to pay service charges.

21. Public bodies to pay service charges. Each county, munici­
pality and other public body shall promptly pay to a solid waste
management authority all service charges which the solid waste
management authority may charge to it, as owner or occupant of
any real property and shall provide for the payment thereof in the
same manner as other obligations of such county, municipality or
public body.

C. 40:66A-55 Mortgage, pledge or disposal of system; exemptions.

22. Mortgage, pledge or disposal of garbage and solid wastes dis­
posal system; exemptions. Neither the solid waste management
authority nor any local unit shall have power to mortgage, pledge,
encumber or otherwise dispose of any part of the garbage and solid
wastes disposal system, except that the solid waste management
authority may dispose of such part or parts thereof as may be not
longer necessary for the purposes of the solid waste management
authority. The provisions of this section shall be deemed to consti­
tute a part of the contract with the holder of any bonds. All prop­
erty of a solid waste management authority shall be exempt from
levy and sale by virtue of an execution and no execution or other
judicial process shall issue against the same nor shall any judg­
ment against a solid waste management authority be a charge or
lien upon its property; provided that, nothing herein contained
shall apply to or limit the rights of the holder of any bonds to
pursue any remedy for the enforcement of any pledge or lien
given by a solid waste management authority on its system rev­

23. Bonds as legal investments. Notwithstanding any restriction
contained in any other law, the State and all public officers, munici­
palities, counties, political subdivisions and public bodies, and agencies thereof, all banks, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds issued pursuant to this act, and such bonds shall be authorized security for any and all public deposits.

C. 40:66A-57 Property as public property; bonds issued by political subdivision; tax exemption.

24. Property as public property; bonds declared issued by political subdivision; bonds exempt from taxation. Every garbage and solid wastes disposal system and all other property of a solid waste management authority are hereby declared to be public property of a political subdivision of the State and devoted to an essential public and governmental function and purpose and shall be exempt from all taxes and special assessments of the State or any subdivision thereof. All bonds issued pursuant to this act are hereby declared to be issued by a political subdivision of this State and for an essential public and governmental purpose and to be a public instrumentality, and such bonds, and the interest thereon and the income therefrom, and all service charges, funds, revenues and other moneys pledged or available to pay or secure the payment of such bonds, or interest thereon, shall at all times be exempt from taxation, except for transfer, inheritance and estate taxes.

To the end that municipalities may not suffer undue loss of tax revenue by reason of the acquisition and ownership of property therein by a solid waste management authority, every solid waste management authority is hereby authorized, empowered and directed to enter into an agreement or agreements with any municipality, whereby such solid waste management authority will undertake to pay a fair and reasonable sum or sums to compensate the said municipality for a loss of revenue in connection with any property acquired and owned by such solid waste management authority in carrying out the provisions of this act. Any such payment or payments which a solid waste management authority is hereby authorized, empowered and directed to make may be made on an annual basis, in which case the payment or payments shall not be less than the amount of taxes upon the property when last
assessed prior to its acquisition by the solid waste management authority. Every municipality wherein the property shall be acquired by any solid waste management authority is hereby empowered to enter into such agreement or agreements with the solid waste management authority to accept the payment or payments which every solid waste management authority is herein authorized, empowered and directed to make.

C. 40:66A-58 Competitive systems; State’s pledge.

25. Competitive systems; State’s pledge and agreement with bondholders. The State of New Jersey does hereby pledge to and covenant and agree with the holders of any bonds issued pursuant to this act that the State will not authorize or permit the construction or maintenance of any incinerator or garbage and solid wastes disposal system which may be competitive with the garbage and solid wastes disposal system of the solid waste management authority, and will not limit or alter the rights hereby vested in the solid waste management authority to acquire, construct, maintain, reconstruct and operate its garbage and solid wastes disposal system, and to fix, establish, charge and collect its service charges and to fulfill the terms of any agreement made with the holders of such bonds or other obligations, and will not in any way impair the rights or remedies of such holders, and will not modify in any way the exemptions from taxation provided for in this act, until such bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged.

C. 40:66A-59 Banks authorized to give undertaking; deposits.

26. Banks authorized to give undertaking; deposits. All banks, bankers, trust companies, savings banks, investment companies and other persons carrying on a banking business are hereby authorized to give to any solid waste management authority a good and sufficient undertaking with such sureties as shall be approved by the solid waste management authority to the effect that such bank or banking institution as hereinbefore described shall faithfully keep and pay over to the order of or upon the warrant of the solid waste management authority or its authorized agent all such funds as may be deposited with it by the solid waste management authority and agreed interest thereon, at such times or upon such demands as may be agreed upon with the authority or, in lieu of such sureties, deposit with the solid waste management authority
or its authorized agent or any trustee therefor or for the holders of any bonds, as collateral, such securities as the solid waste management authority may approve; provided, such securities shall consist of obligations in which public officers and bodies of the State and its municipal subdivisions, savings institutions, including savings and loan associations, insurance companies and associations, executors, administrators, guardians, trustees and other fiduciaries in the State may properly and legally invest the funds within their control, in such principal amount, market value or other description as may be approved by the solid waste management authority. The deposits of the solid waste management authority may be evidenced by a depository collateral agreement in such form and upon such terms and conditions as may be agreed upon by the solid waste management authority and such bank or banking institution.

C. 40:66A-60 Municipalities' powers; limitation; use of services.

27. Municipalities' powers respecting garbage and solid wastes disposal limited after creation of solid waste management authority; use of services. After the creation of a solid waste management authority as provided herein, no municipality within the district shall have power to engage in, grant any license or permit for, or enter into any contract for the collection or treatment and disposal of garbage, refuse and solid wastes; and no such municipality, or any person, firm, corporation or association shall engage in any activities within such municipality which would be competitive with the purposes of the solid waste management authority as provided in this act; provided, however, that the prohibitions aforesaid shall not be applicable to that activity (to wit: either the collection or disposal of solid wastes) in which any such solid waste management authority shall determine not to engage.

It is hereby determined and declared that it is necessary for the health and welfare of the inhabitants of every district within which a solid waste management authority is created that the facilities and services of such solid waste management authority shall be used by the owners or occupants of all lands, buildings and premises within such district, and the solid waste management authority may by resolution require the owners or occupants of all lands, buildings and premises therein to use the services and facilities of the solid waste management authority under such rules and regulations as the solid waste management authority shall fix and establish.

The provisions of this section shall not be construed, however, to affect or impair any contract entered into prior to the creation of a solid waste management authority.
28. Liberal construction; regulation of solid waste management authorities. This act shall be construed liberally to effectuate the legislative intent and as complete and independent authority for the performance of each and every act and thing herein authorized and a solid waste management authority shall not be subject to regulation as to its service charges or as to any other matter whatsoever by any officer, board, agency, commission or other office of the State.

29. Municipalities not prohibited from operating garbage and solid wastes disposal plants. Nothing in this act shall be construed to prevent or prohibit any municipality from erecting, constructing, operating and maintaining an incinerator or garbage and solid wastes disposal plant or other means for the disposition of garbage and solid wastes in any manner or by any means by which the same may now lawfully be erected, constructed, operated or maintained.

30. Partial invalidity. If any section, subsection, clause or provision of this act shall be adjudged unconstitutional or to be ineffective in whole or in part, to the extent that it is not adjudged unconstitutional or is not ineffective it shall be valid and effective and no other section, subsection, clause or provision of this act shall on account thereof be deemed invalid or ineffective, and the inapplicability or invalidity of any section, subsection, clause or provision of this act in any one or more instances or under any one or more circumstances shall not be taken to affect or prejudice in any way its applicability or validity in any other instance or under any other circumstance.
31. This act shall take effect immediately.
Approved August 16, 1968.

CHAPTER 250

Be it enacted by the Senate and General Assembly of the State of New Jersey:
1. Section 4 of the act of which this act is amendatory is amended to read as follows:

C. 54:10A-4 Definitions.

4. For the purposes of this act, unless the context requires a different meaning:

(a) "Commissioner" shall mean the Director of the Division of Taxation of the State Department of the Treasury.

(b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.

(c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument.

(d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion, and (5) the amount of all indebtedness owing directly or indirectly to holders of 10% or more of the aggregate outstanding shares of the taxpayer's capital stock of all classes, as of the close of a calendar or fiscal year. The foregoing aggregate of values shall be reduced by 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of each class, if any, of nonvoting stock. In the case of investment in an entity organized under the laws of a foreign country, the foregoing requisite degree of ownership shall effect a like reduction of such investment from net worth of the taxpayer, if the foreign entity is considered a corporation for any purpose under the United States Federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed-paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the
excluded portion of the subsidiary values bears to the total assets of the taxpayer.

If in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(e) "Indebtedness owing directly or indirectly" shall include, without limitation thereto, all indebtedness owing to any stockholder or shareholder and to members of his immediate family where a stockholder and members of his immediate family together or in the aggregate own 10% or more of the aggregate outstanding shares of the taxpayer's capital stock of all classes.

(f) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) owned more than 10% of either the aggregate outstanding shares of capital stock of all classes entitled to vote, or of the aggregate outstanding shares of nonvoting capital stock, of any other corporation, during the period covered by its report.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(h) "Taxpayer" shall mean any corporation required to report or to pay taxes, interest or penalties under this act.

(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for Federal income tax purposes.

(j) Except as herein otherwise provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.
(k) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets. For the purpose of this act, the amount of a taxpayer’s entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report to the United States Treasury Department for the purpose of computing its Federal income tax; provided, however, that in the determination of such entire net income,

(1) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for Federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section. With respect to other dividends, entire net income shall not include 50% of the total included in computing such taxable income for Federal income tax purposes;

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) the amount of any specific exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations;

(B) any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in subsection (k) (1) of this section;

(C) taxes paid or accrued to the United States on or measured by profits or income, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in subsection (k) (1) of this section;

(D) net operating losses sustained during any year or period other than that covered by the report;

(E) 90% of interest on indebtedness owing directly or indirectly to holders of 10% or more of the aggregate outstanding shares of the taxpayer’s capital stock of all classes; except that such interest may, in any event, be deducted

(i) up to an amount not exceeding $1,000.00,

(ii) in full to the extent that it relates to bonds or other evidences of indebtedness issued, with stock, pursuant to a bona fide plan of reorganization, to persons, who, prior to such reorganization, were bona fide creditors of the corporation or
its predecessors, but were not stockholders or shareholders thereof;

(3) The commissioner may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

2. Section 5 of the act of which this act is amendatory is amended to read as follows:

C. 54:10A-5 Amount of franchise tax.

5. The franchise tax to be annually assessed to and paid by each taxpayer shall be the sum of the amount computed under subsection (a) hereof, or, in the alternative to the amount computed under subsection (a) hereof, the amount computed under subsection (f) hereof, and the amount computed under subsection (c) hereof:

(a) that portion of its entire net worth as may be allocable to this State as provided in section 6 multiplied by the following rates:

C. 54:10A-6 Taxpayer maintaining regular place of business outside State.

6. In the case of a taxpayer which maintains a regular place of business outside this State other than a statutory office, the portion of its entire net worth to be used as a measure of the tax imposed by section 5(a) of this act, and the portion of its entire net income to be used as a measure of the tax imposed by section 5(c) of this act, shall be determined by multiplying such entire net worth and entire net income, respectively, by an allocation factor which shall be the average of the fractions computed in (A), (B) and (C) below, or of so many of them as may be applicable, that is:

(A) The average value of the taxpayer’s real and tangible personal property within the State during the period covered by its report divided by the average value of all the taxpayer’s real and tangible personal property wherever situated during such period;

(B) The receipts of the taxpayer, computed on the cash or accrual basis according to the method of accounting used in the computation of its net income for Federal tax purposes, arising during such period from
(1) sales of its tangible personal property located within this State at the time of the receipt of or appropriation to the orders where shipments are made to points within this State,

(2) sales of tangible personal property located without the State at the time of the receipt of or appropriation to the orders where shipment is made to points within the State,

(3) (Deleted by amendment.)

(4) services performed within the State,

(5) rentals from property situated, and royalties from the use of patents or copyrights, within the State,

(6) All other business receipts (excluding dividends excluded from entire net income by subsection (k) (1) of section 4 hereof) earned within the State, divided by the total amount of the taxpayer's receipts, similarly computed, arising during such period from all sales of its tangible personal property, services, rentals, royalties and all other business receipts, whether within or without the State;

(C) The total wages, salaries and other personal service compensation, similarly computed, during such period of officers and employees within the State divided by the total wages, salaries and other personal service compensation, similarly computed, during such period of all the taxpayer's officers and employees within and without the State.

In the case of a taxpayer which does not maintain a regular place of business outside this State other than a statutory office, the allocation factor shall be 100%.

4. Section 8 of the act of which this act is amendatory is amended to read as follows:

C. 54:10A-8 Adjustment of allocation factor.

8. If it shall appear to the commissioner that an allocation factor determined pursuant to section 6 does not properly reflect the activity, business, receipts, capital, entire net worth or entire net income of a taxpayer reasonably attributable to the State, he may adjust it by:

(a) excluding one or more of the factors therein;

(b) including one or more other factors, such as expenses, purchases, contract values (minus subcontract values);

(c) excluding one or more assets in computing entire net worth;

or

(d) excluding one or more assets in computing an allocation percentage; or
(e) applying any other similar or different method calculated to effect a fair and proper allocation of the entire net income and the entire net worth reasonably attributable to the State.

5. Section 9 of the act of which this act is amendatory (C. 54:10A-9) is amended to read as follows:

C. 54:10A-9 Taxpayer holding stock of subsidiary; deductions from net worth; "subsidiary" defined.

9. Any taxpayer which holds capital stock of a subsidiary during all or part of any year may, for the purposes of the tax imposed by this act, deduct from its net worth such proportion of the average value of such holdings less net liabilities (if any) to a subsidiary as corresponds to 50% of the ratio of the subsidiary's taxable net worth, for the same year under this act, to its entire net worth; provided, however, that if the subsidiary is subject to a franchise tax measured by gross receipts under any other law of this State, such deductible portion of such holdings shall correspond to 50% of the ratio of the subsidiary's business within the State to its business everywhere during its next preceding taxable year under such law. For the purpose of this section, a subsidiary shall be deemed to be any corporation in which a taxpayer is the owner of at least 80% of the total combined voting power of all classes of stock entitled to vote and of at least 80% of each class, if any, of nonvoting stock.

6. This act shall take effect immediately and shall be applicable with respect to privilege periods commencing after December 31, 1968.

(2) Sue and be sued in any court.

(3) Adopt and use a corporate seal and alter the same.

(4) Purchase and otherwise acquire, hold, mortgage, pledge, lease, exchange, sell, convey and otherwise dispose of, any real and personal property, necessary or incidental to its operations and consistent with its powers and purposes.

(5) Insure its members’ accounts with the Federal Savings and Loan Insurance Corporation, and comply with conditions necessary to obtain and maintain such insurance.

(6) Become a member of or stockholder in a Federal Home Loan Bank and to that end to comply with all conditions of membership therein.

(7) Act as agent for the United States or the State of New Jersey or any instrumentality of either of them, when designated for that purpose, and perform such reasonable duties as such agent as may be required of it.

(8) Join any co-operative league organized for the purpose of protecting and promoting the welfare of associations and their members and comply with all conditions of membership therein.
(9) Borrow money from any source in or out of the State, on the note, bond and mortgage or other obligation of the association upon such terms and conditions as the board may from time to time prescribe by resolution adopted by at least a majority of all the members of the board and duly recorded on the minutes and to pledge, assign or transfer mortgages, owned by the association and the obligations secured by such mortgages, together with the shares, if any, pledged as collateral security therefor, or any real or other personal property, as security for the repayment of money so borrowed. No association shall borrow money if by doing so the aggregate of its indebtedness for borrowed money other than to the Federal Home Loan Bank will exceed 20% of its capital, except with the approval of the commissioner.

(10) Take from its members, a premium for priority or privilege of loan or acquisition of real estate and no premium so taken shall be deemed usurious. The rate of premium may be agreed upon or be determined by auction.

(13) Impose charges upon a member for failure to make any payment to the association when due, but only as provided in this paragraph. Where the association issues installment share accounts it may impose such charge upon any member holding such an account or any borrower upon a sinking fund mortgage not in excess of 1% a month upon the amount in arrears, except for the first month’s arrearage or the amount by which such first month’s arrearage may be increased by subsequent arrearage in which case a charge not in excess of 5% may be imposed. Such charges shall be subject to the further limitations that no such charge shall be deducted from any amount actually paid by a member upon an account nor shall the total of any such charges against any account in any fiscal year exceed the amount that may be charged for failure to make any payments for a 6-month period nor shall any charge for default be made on a charge for default. Otherwise an association may impose a charge for failure to make any required payment to it when due upon any loan or contract for the resale of real estate to a member not to exceed 4% of the amount of each payment in arrears but no
more than one such charge may be made with respect to any one payment in arrears. An association may impose a reasonable service charge against any member who tenders to such association, for collection or as payment, a check or other instrument of any type which subsequently is not honored by the institution or person upon which such check or other instrument is drawn. None of such charges shall be deemed usurious.

(14) Compute interest upon any direct reduction loan, on designated payment dates, and add the same to the unpaid balance of such loan.

(15) Act as agent for any person where such agency will further the interests of the association and its members, subject to such limitations as may be prescribed by the commissioner.

(16) Upon application to and approval by the commissioner, to act as custodian or trustee within the contemplation of the Federal Self-Employed Individuals Tax Retirement Act of 1962, as amended and supplemented, and as custodian, trustee or manager of any such investment fund the authorized investments of which include, but need not be limited to, savings accounts or real estate loans, and the beneficial interests in which may be represented by transferable shares or certificates. Associations exercising the powers authorized by the subsection shall segregate all funds held in such fiduciary capacities from the general assets of the association and shall keep a separate set of books and records showing in detail all transactions made under authority of this subsection. If individual records are kept for each self-employed individual's retirement plan and each such investment fund, then all such funds held in such fiduciary capacities by an association may be commingled for appropriate purposes of investment. No funds held in such fiduciary capacities shall be used by an association in the conduct of its business; however, such funds may be invested in savings accounts of the association in the event that the custodial, trust or other plan does not prohibit such investment. In granting or refusing the association's application the commissioner shall take into consideration the investment policies, amount, type and adequacy of reserves, fidelity bonds and any legally required deposits of the applicant and other pertinent facts and circumstances.

2. This act shall take effect immediately.

Approved September 4, 1968.

CHAPTER 259

An Act creating a commission to inquire into the reasons for the inequitable distribution of property tax resources among the several municipalities of the State and to recommend remedies, and making an appropriation therefor.

Be it enacted by the Senate and General Assembly of the State of New Jersey:
1. The Legislature finds:

(a) A significant proportion of the governmental services rendered to citizens of this State is provided through local agencies of government and financed by property taxes levied in, by and for local jurisdictions.

(b) Under New Jersey's traditional system of Home Rule, each municipality is allowed a considerable degree of autonomy in regulating its internal affairs, including land-use and other regulations which directly affect the pattern of property taxation within each municipality and as compared with other municipalities.

(c) Preservation of sufficient Home Rule to protect and foster the individuality and distinctive character of communities is a desirable aim of public policy; but it is also essential that there be sufficient uniformity of tax practices among the State's municipalities to assure that the burden of supporting services for all the citizens of the State falls with substantial equality upon all the taxpayers of the State.

(d) Recent controversy over the status of the borough of Teterboro has focused attention upon the possibility that "tax havens" for favored classes of property owners may be created through deliberate municipal policy or by other means.

(e) The establishment of such "havens" which may exist to a significant degree under circumstances less drastic than those exemplified by Teterboro may allow certain municipalities and favored taxpayers therein to shirk their just share of providing governmental services which ought to be the concern of the State as a whole and which are a normal obligation of municipal-level government to provide; and further, such "havens" tend to lure tax ratables from other jurisdictions where such burdens are not shirked and the need for tax resources is correspondingly greater.

(f) A distinct inequality in the distribution of tax resources needed to finance governmental services at the local level is evident from such indexes of local tax resources as the computation of equalized tax rates and equalized valuations per public school pupil, although it is not known with certainty to what degree this inequality results from deliberate municipal policy or from other conditions.

2. There is hereby created a commission to consist of 6 members, 2 to be appointed by the Governor from among the citizens of this State, 2 to be appointed from the membership of the Senate by the President thereof, and 2 to be appointed from the membership of the General Assembly by the Speaker thereof. All members shall
be appointed without regard to political affiliation; and they shall serve without compensation. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made.

3. The commission shall organize as soon as may be after the appointment of its members and shall select a chairman from among its members and a secretary, who need not be a member of the commission.

4. It shall be the duty of said commission to conduct an inquiry into the various factors which may tend to create inequalities between the tax resources of the several municipalities, which factors may include varying patterns of land use, land use regulation, assessment practices and other policies and practices of the various municipalities; the pattern of distribution among the various municipalities of revenues from sources other than property taxation; and the effects of State laws which deal with tax practices or municipal functions and which, singly or in combination, may permit or encourage the creation of inequities in the distribution of tax resources among the various municipalities. The commission shall direct its attention to recommending means, consistent with the preservation of a desirable degree of Home Rule, by which the inequities of tax resource distribution may be remedied and the future creation of unreasonable "tax havens" prevented.

5. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for said purpose, and to employ such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

6. The commission may meet and hold hearings at such place or places as it shall designate during the sessions or recesses of the Legislature and shall report its findings and recommendations to the Governor and the Legislature as soon as practicable, accompanying the same with any legislative bills which it may desire to recommend for adoption by the Legislature.

7. The commission shall have the powers granted pursuant to chapter 13 of Title 52 of the Revised Statutes.

8. There is hereby appropriated for the purposes of the commission $15,000.00.

9. This act shall take effect immediately.

Approved September 4, 1968.

CHAPTER 265

An Act relating to and providing a scholarship program for certain police officers and making an appropriation therefor.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 52:17B-71.2 Legislature's findings.
1. The Legislature finds and declares that the amount and quality of a policeman's education often determines the value of his contribution to the community, and the degree of proficiency with which he performs his duties. An educated policeman is a better public employee since his viewpoint, understanding and awareness have been broadened beyond the narrow confines of police "work." However, because of the present level of police salaries the recruiting of applicants with college degrees or some higher education is very difficult. Therefore, if the goal of a better educated police personnel is to be realized, some incentive must be provided to encourage present members of police departments to achieve the advantages of higher education. The Legislature seeks to provide this incentive by authorizing the Police Training Commission to provide scholarships for those policemen who wish to pursue the advantages of higher education and by providing by the State for the costs of such scholarships.

C. 52:17B-71.3 "Policeman" defined.
2. "Policeman" as used herein shall mean any permanent full-time active member of any police force or organization of any municipality or county.

C. 52:17B-71.4 Undergraduate scholarship program.
3. The granting of undergraduate scholarships to policemen shall be determined by the Police Training Commission, subject to the
review and approval of the governing body of the municipality or county. However, no scholarship shall be granted under any such program to any person who is not a full-time policeman, nor shall a leave of absence be granted to any scholarship recipient for educational purposes. A scholarship recipient may be given consideration, by the governing body of the municipality or county as to work assignments and hours, but no other preferential treatment shall be given to him.

C. 52:17B-71.5 Scholarship amount.
4. Each undergraduate scholarship granted pursuant to any such program shall entitle the recipient thereof to an amount not to exceed $500.00 per academic year, or the amount charged for tuition for a regular academic year by the institution where the scholarship is used, whichever is the smaller amount. The undergraduate scholarship may be used for part-time study in any institution of collegiate grade which offers a college curriculum leading to or accreditable toward an undergraduate baccalaureate or associated degree and which is accredited by the board of higher education.

C. 52:17B-71.6 Scholarship period.
5. Each undergraduate scholarship shall be for a period of no more than 4 academic years. However, scholarships may be awarded on a partial basis for the prorated cost per credit hour, but a recipient must complete his course of studies within 8 calendar years.

C. 52:17B-71.7 Rules and regulations.
6. The Police Training Commission shall promulgate such rules and regulations as are necessary to carry out the provisions of this act.
7. There is hereby appropriated to the Police Training Commission the sum of $50,000.00 to carry out the purposes of this act.
8. This act shall take effect September 1, 1968.
Approved September 4, 1968.

C. 40:47-4.6 Legislature’s findings.
   1. The Legislature finds that the urgency of augmenting local law enforcement agencies to cope with increases in the number of serious crimes and civil disorders dictates authorization for temporary expansion of municipal police forces by appointment of additional officers and men with police and law enforcement experience who do not meet age and residence requirements imposed by law for permanent appointees to municipal police forces and to permit retired police personnel to accept such appointments without affecting their continued right to receive pension and retirement benefits or subsidies from this or any other State or any county, municipality or school district of this or any other State.

CHAPTER 285

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 40:27-6.1 Definitions.

1. As used in this act and in chapter 27 of Title 40 of the Revised Statutes, unless the context otherwise requires:

"County master plan" and "master plan" means a composite of the master plan for the physical development of the county, with the accompanying maps, plats, charts and descriptive and explanatory matter adopted by the county planning board pursuant to Revised Statutes 40:27-2;

"Official county map" means the map, with changes and additions thereto, adopted and established, from time to time, by resolution of the board of chosen freeholders of the county pursuant to Revised Statutes 40:27-5;

"Site plan" means a plan of an existing lot or plot or a subdivided lot on which is shown topography, location of all existing and proposed buildings, structures, drainage facilities, roads, rights-of-way, easements, parking areas, together with any other information required by and at a scale specified by a site plan review and approval resolution adopted by the board of chosen freeholders pursuant to this act;

"Subdivision" means the division of a lot, tract, or parcel of land into 2 or more lots, sites or other divisions of land
for the purpose, whether immediate or future, of sale or building development; except that where no new streets or roads are involved the following divisions shall not be considered subdivisions within the meaning of this act: divisions of land for agricultural purposes where the resulting parcels are 3 acres or larger in size, divisions of land by testamentary or intestate provisions, or divisions of land upon court order; “subdivision” also includes resubdivision, and where appropriate to the context, relates to the process of subdividing or to the lands or territory divided.

“Subdivision application” means the application for approval of a subdivision pursuant to the “Municipal Planning Act (1953)” (P. L. 1953, c. 433) (C. 40:55-1.1 et seq.) as amended and supplemented or an application for approval of a planned unit development pursuant to the “Municipal Planned Unit Development Act (1967)” (P. L. 1967, c. 61) (C. 40:55-54 et seq.).

2. Section 40:27-4 of the Revised Statutes is amended to read as follows:

Hearing prior to plan adoption; notice; publication, transmission of notice and plan; resolution; required vote; filing of plan.

40:27-4. a. Before adopting the master plan or any part thereof or any amendment thereof the board shall hold at least one public hearing thereon, notice of the time and place of which shall be given by one publication in a newspaper of general circulation in the county and by the transmission by delivery or by certified mail, at least 20 days prior to such hearing, of a notice of such hearing and a copy of the proposed master plan, or part thereof or any proposed amendment thereof to the municipal clerk and secretary of the planning board of each municipality in the county. The adoption of the plan or part or amendment thereof shall be by resolution of the board carried by the affirmative vote of not less than 2/3 of the members of the board. The resolution shall refer especially to the maps and descriptive and other matter intended by the board to form the whole or part of the plan or amendment and the action taken shall be recorded on the map and plan and descriptive matter by the identifying signature of the secretary of the board. An attested copy of the master plan or any amendments thereof shall be certified to the board of chosen freeholders, to the county park commission, if such exists, and to the legislative body of every municipality within the county.

b. In order to maximize the degree of co-ordination between municipal and county plans and official maps, the county planning board shall be notified in regard to the adoption or amendment of
any municipal master plan, official map or ordinance under the "Municipal Planned Unit Development Act (1967)." A copy of any such proposed plan, map or amendment shall be forwarded to the county planning board for review and report at least 20 days prior to the date of public hearing thereon.

c. Within 30 days after the adoption of a zoning ordinance, subdivision ordinance, master plan, official map, capital improvement program, or amendments thereto, a copy of said document shall be transmitted to the county planning board for its information and files.

3. Section 40:27-5 of the Revised Statutes is amended to read as follows:

Changes of county map; publication of hearing notice; written notice to certain agencies and officers; submission of changes to board; map considered binding.

40:27-5. The board of chosen freeholders in any county after receiving the advice of the county planning board is hereby empowered to adopt and establish and thereafter as often as the board may deem it for the public interest, to change or to add to an official county map, showing the highways, roadways, parks, parkways, and sites for public buildings or works, under county jurisdiction, or in the acquisition, financing or construction of which the county has participated or may be called upon to participate. Such map shall be deemed to have been established to conserve and promote the public health, safety, convenience, and welfare. Before acting thereon in the first instance and before adopting any amendments thereto such board of chosen freeholders, after notice of time and place has been given by one publication for each of 3 successive weeks in a newspaper of general circulation in the county and after written notice to the county engineer, county planning board, county park commission, if such exists, and such other county officers and departments as the board shall designate and to the municipal clerk and secretary of the planning board of each municipality in the county, shall hold a public hearing or hearings thereon at which such representatives entitled to notice and such property owners and others interested therein as shall so desire shall be heard.

Before holding any such public hearing such board of chosen freeholders shall submit such proposed change or addition to the county planning board for its consideration and advice and shall fix a reasonable time within which such county planning board may report thereon, not, however, less than 20 days; upon receipt of such report from the county planning board or upon the failure
of such board to report within the time limit so fixed such board
of chosen freeholders may thereupon act upon the proposed change,
but any action adverse to the report of the county planning board
shall require the affirmative vote of the majority of all the mem­
bers of such board of chosen freeholders.

When approved in whole or part by the board of chosen free­
holders in any county, such county official map or part thereof
shall be deemed to be binding upon the board of chosen freeholders
of the county and the several county departments thereof, and
upon other county boards heretofore or hereafter created under
special laws, and no expenditure of public funds by such county
for construction work or the acquisition of land for any purpose
enumerated in section 40:27-2 of this Title shall be made except
in accordance with such official map.

Nothing herein prescribed shall be construed as restricting or
limiting the powers of boards of chosen freeholders from repairing,
maintaining and improving any existing street, road, viaduct,
bridge or parkway not shown on such official maps, which does
not involve the acquisition of additional land or of park commis­
sions as otherwise provided by law.

C. 40:27-6.2 Review and approval of certain determinations of planning board;
procedures and standards; notice of hearing.

4. The board of freeholders of any county having a county
planning board shall provide for the review of all subdivisions
of land within the county by said county planning board and for
the approval of those subdivisions affecting county road or drain­
age facilities as set forth and limited hereinafter in this section.
Such review or approval shall be in accordance with procedures
and engineering and planning standards adopted by resolution
of the board of chosen freeholders. These standards shall be lim­
ited to:

a. The requirement of adequate drainage facilities and ease­
ments when, as determined by the county engineer in accordance
with county-wide standards, the proposed subdivision will cause
storm water to drain either directly or indirectly to a county road,
or through any drainageway, structure, pipe, culvert, or facility
for which the county is responsible for the construction, mainte­
nance, or proper functioning;

b. The requirement of dedicating rights-of-way for any roads
or drainageways shown on a duly adopted county master plan or
official county map;
e. Where a proposed subdivision abuts a county road, or where additional rights-of-way and physical improvements are required by the county planning board, such improvements shall be subject to recommendations of the county engineer relating to the safety and convenience of the traveling public and may include additional pavement widths, marginal access streets, reverse frontage and other county highway and traffic design features necessitated by an increase in traffic volumes, potential safety hazards or impediments to traffic flows caused by the subdivision;

d. The requirement of performance guarantees and procedures for the release of same, maintenance bonds for not more than 2 years duration from date of acceptance of improvements and agreements specifying minimum standards of construction for required improvements. The amount of any performance guarantee or maintenance bond shall be set by the planning board upon the advice of the county engineer and shall not exceed the full cost of the facility and installation costs or the developer’s proportionate share thereof, computed on the basis of his acreage related to the acreage of the total drainage basin involved plus 10% for contingencies. In lieu of providing any required drainage easement a cash contribution may be deposited with the county to cover the cost or the proportionate share thereof for securing said easement. In lieu of installing any such required facilities exterior to the proposed plat a cash contribution may be deposited with the county to cover the cost of proportionate share thereof for the future installation of such facilities. Any and all moneys received by the county to insure performance under the provisions of this act shall be paid to the county treasurer who shall provide a suitable depository therefor. Such funds shall be used only for county drainage projects or improvement for which they are deposited unless such projects are not initiated for a period of 10 years, at which time said funds shall be transferred to the general fund of the county, provided that no assessment of benefits for such facilities as a local improvement shall thereafter be levied against the owners of the lands upon which the developer’s prior contribution had been based. Any moneys or guarantees received by the county under this paragraph shall not duplicate bonds or other guarantees required by municipalities for municipal purposes.

e. Provision may be made for waiving or adjusting requirements under the subdivision resolution to alleviate hardships which would result from strict compliance with the subdivision standards.
Where provision is made for waiving or adjusting requirements criteria shall be included in the standards adopted by the board of chosen freeholders to guide actions of the county planning board.

Notice of the public hearing on a proposed resolution of the board of chosen freeholders establishing procedures and engineering standards to govern land subdivision within the county, and a copy of such resolution, shall be given by delivery or by certified mail to the municipal clerk and secretary of the planning board of each municipality in the county at least 10 days prior to such hearing.

C. 40:27-6.3 Subdivision application; planning board action.

5. Each subdivision application shall be submitted to the county planning board for review and, where required, approval prior to approval by the local municipal approving authority. County approval of any subdivision application affecting county road or drainage facilities shall be limited by and based upon the rules, regulations and standards established by and duly set forth in a resolution adopted by the board of chosen freeholders. The municipal approval authority shall defer taking final action on a subdivision application until receipt of the county planning board report thereon. The county planning board shall report to the municipal authority within 30 days from the date of receipt of the application. If the county planning board fails to report to the municipal approving authority within the 30-day period, said subdivision application shall be deemed to have been approved by the county planning board unless, by mutual agreement between the county planning board and municipal approving authority, with approval of the applicant, the 30-day period shall be extended for an additional 30-day period, and any such extension shall so extend the time within which a municipal approving authority shall be required by law to act thereon.

C. 40:27-6.4 Review and approval by planning board; specification of reasons for disapproval.

6. The county planning board shall review each subdivision application and withhold approval if said proposed subdivision does not meet the subdivision approval standards previously adopted by the board of chosen freeholders, in accordance with section 4 of this act. In the event of the withholding of approval, or the disapproval of, a subdivision application, the reasons for such action shall be set forth in writing and a copy thereof shall be transmitted to the applicant.
C. 40:27-6.5 Recording officer's action.

7. The county recording officer shall not accept for filing any subdivision plat unless it bears the certification of either approval or of review and exemption of the authorized county planning board officer or staff member indicating compliance with the provisions of this act and standards adopted pursuant thereto, in addition to all other requirements for filing a subdivision plat including compliance with the provisions of "The Map Filing Law" (P. L. 1960, c. 141). In the event the county planning board shall have waived its right to review, approve or disapprove a subdivision by failing to report to the municipal approval authority within the 30-day period or the mutually agreed upon 30-day extension period, as outlined in section 5 above, the subdivision shall be deemed to have county planning board approval, and at the request of the applicant, the secretary of the county planning board shall attest on the plat to the failure of the county planning board to report within the required time period, which shall be sufficient authorization for further action by the municipal planning board and acceptance thereof for filing by the county recording officer.

C. 40:27-6.6 Review of certain site plans; hearing; delivery of notice to certain officers; procedures and standards.

8. The board of chosen freeholders of any county having a county planning board may provide for the review of site plans for land development along county roads and for the approval of such development as hereinafter set forth and limited for the purpose of assuring a safe and efficient county road system. Such review and approval shall be in conformance with procedures and standards adopted by resolution of the board of chosen freeholders. Notice of the public hearing on a proposed resolution of the board of chosen freeholders establishing procedures and standards to govern the review and regulation of land development along county roads, and a copy of such resolution, shall be given by delivery or by certified mail to the municipal clerk, secretary of the planning board and secretary of the board of adjustment of each municipality in the county at least 10 days prior to such hearing. These procedures and standards shall be limited to:

a. The submission of a site plan, prior to the issuance of a municipal building permit, drawn in accordance with standards in the resolution for any proposed land development including proposed commercial, industrial, multi-family structures containing 5 or more units, or any other land development requiring offstreet parking area or producing surface runoff in excess of standards
set forth in the site plan review and approval resolution of the board of chosen freeholders.

b. The requirement of dedication of additional right-of-way in accordance with the county master plan adopted by the county planning board or an official county map adopted by the board of chosen freeholders. Where by reason of special or unusual conditions said total additional right-of-way is to be secured from just one side of an existing road, only one half of the additional right-of-way may be required to be dedicated.

c. The requirement of physical improvements subject to recommendations of the county engineer relating to the safety and convenience of the traveling public, including drainage facilities, or other highway and traffic design features as may be deemed necessary on such county road or roads in accordance with the engineering and planning standards established in the site plan review and approval resolution of the board of chosen freeholders.

d. The requirement of performance and payment guarantees and procedures for the release of same, maintenance bonds of not more than 2 years duration from the date of acceptance of improvements, cash contributions, and agreements specifying minimum standards of construction for required improvements. Procedures for, and limitations on the requirement of such guarantees or cash contributions shall be governed by the provisions of this act.

C. 40:27-6.7 Deferment of action pending approval by planning board; specification of reasons for disapproval.

9. The municipal or other local agency or individual with authority to approve the site plan or issue a building permit shall defer action on any application requiring county approval pursuant to section 7 of this act until the same shall have been submitted to the county planning board for its approval of the site plan. The county planning board shall have 30 days from the receipt of a site plan to report to the appropriate local authority. In the event of disapproval, such report shall state the specific reasons therefor. If the county planning board fails to report to the municipal approving or issuing authority within the 30-day period, said site plan shall be deemed to have been approved by the county planning board. Upon mutual agreement between the county planning board and the municipal approving authority, with approval of the applicant, the 30-day period may be extended for an additional 30-day period.
C. 40:27-6.8 Vesting of planning board's power.

10. The county planning board may by resolution vest its power to review and approve subdivisions, pursuant to the provisions of sections 4 through 6 of this act, and the power to review and approve site plans pursuant to the provisions of sections 8 and 9 of this act with the county planning director and a designated committee of members of said county planning board.

C. 40:27-6.9 Right of appeal.

11. If said action is taken by the planning director and a committee of the board, said applicant may file an appeal in writing to the county planning board within 10 days after the date of notice by certified mail of the said action. Any person aggrieved by the action of the county planning board in regard to subdivision review and approval or site plan review and approval may file an appeal in writing to the board of chosen freeholders within 10 days after the date of notice by certified mail of said action. The county planning board or the board of chosen freeholders to which an appeal is taken shall consider such appeal at a regular or special public meeting within 45 days from the date of its filing. Notice of said hearing shall be made by certified mail at least 10 days prior to the hearing to the applicant and to such of the following officials as deemed appropriate for each specific case: the municipal clerk, municipal planning board, board of adjustment, building inspector, zoning officer, board of chosen freeholders and the county planning board. The board to which appeal is taken shall render a decision within 30 days from the date of the hearing.

C. 40:27-6.10 Filing of certain municipal ordinances; notice of certain revisions or amendments.

12. In order that county planning boards shall have a complete file of the planning and zoning ordinances of all municipalities in the county, each municipal clerk shall file with the county planning board a copy of the planning and zoning ordinances of the municipality in effect on the effective date of this act and shall notify the county planning board of the introduction of any revision or amendment of such an ordinance which affects lands adjoining county roads or other county lands, or lands lying within 200 feet of a municipal boundary, or proposed facilities or public lands shown on the county master plan or official county map. Such notice shall be given to the county planning board at least 10 days prior to the public hearing thereon by personal delivery or by certified mail of a copy of the official notice of the public hearing together with a copy of the proposed ordinance.
C. 40:27-6.11 Notice of application to board of adjustment in certain instances; notice of hearing.

13. The county planning board shall be notified of any application to the board of adjustment under Revised Statutes 40:55-39 in such cases where the land involved fronts upon an existing county road or proposed road shown on the official county map or on the county master plan, adjoins the other county land or is situated within 200 feet of a municipal boundary. Notice of hearings on such applications shall be furnished by the appellant in accordance with P. L. 1965, c. 162 (C. 40:55-53).

C. 40:27-6.12 Continuance of existing authority.

14. Any county planning board exercising the authority of review and approval of land subdivision pursuant to the provisions of chapter 27 of Title 40 of the Revised Statutes and chapter 412 of the laws of 1948 supplementary thereto is authorized to continue to exercise such authority thereunder for the period of 1 year after the effective date of this act or until the board of chosen freeholders of the county adopts a resolution governing land subdivision pursuant to this act, whichever occurs first.

C. 40:27-6.13 Certain hearings before municipal zoning board or governing body; notice to planning board.

15. Whenever a hearing is required before a zoning board of adjustment or the governing body of a municipality in respect to the granting of a variance or establishing or amending an official municipal map involving property adjoining a county road or within 200 feet of an adjoining municipality, and notice of said hearing is required to be given, the person giving such notice shall also, at least 10 days prior to the hearing, give notice thereof in writing by certified mail to the county planning board. The notice shall contain a brief description of the property involved, its location, a concise statement of the matters to be heard and the date, time and place of such hearing.

16. Section 10 of chapter 433 of the laws of 1953 is amended to read as follows:

C. 40:55-1.10 Master plan; action by county planning board; filing.

10. The planning board may prepare, and after public hearing, adopt, and from time to time amend, a master plan for the physical development of the municipality which generally shall comprise land use, circulation, and a report presenting the objectives, assumptions, standards and principles which are embodied in the various interlocking portions of the master plan. The master plan shall be a composite of the one or more mapped and written prov-
posals recommending the physical development of the municipality which the planning board shall have adopted either as a whole or severally after public hearing. Such master plan may include proposals for various stages in the future development of the municipality.

A copy of any such proposed plan or amendment shall be forwarded to the county planning board for review and such comment thereon as the county board deems appropriate at least 20 days prior to the date of public hearings thereon, and a copy of any such plan or amendment adopted by the municipality shall be filed with the county planning board within 30 days after its adoption.

17. Section 7 of chapter 434 of the laws of 1953 is amended to read as follows:

C. 40:55-1.36 Hearing on proposed official map or amendment; notice; action by county planning board; filing.

7. Upon receipt of the recommendation of the planning board or after 45 days without such recommendation, the governing body shall hold a public hearing on the proposed adoption of the official map or amendment thereto and shall cause notice of the hearing to be published in the official newspaper of the municipality or in a newspaper of general circulation in the municipality, at least 10 days prior to the hearing. A map showing the proposal shall be made available for public inspection in the office of the municipal clerk during such period and the notice shall so state. At the public hearing all interested parties shall be afforded an opportunity to be heard, prior to the final vote upon the ordinance.

A copy of any such proposed official map or amendment shall be forwarded to the county planning board for review and such comment thereon as the county board deems appropriate at least 20 days prior to the date of public hearing thereon, and a copy of any such official map or amendment adopted by the municipality shall be filed with the county planning board within 30 days after its adoption.

18. Section 14 of chapter 433 of the laws of 1953 is amended to read as follows:

C. 40:55-1.14 Regulation of subdivisions; approval of plats; filing; action by county planning board.

14. The governing body may by ordinance provide for the regulation of subdivisions within the municipality by requiring the approval of the governing body, by resolution, of all plats after favorable referral by the planning board before such plats may
be filed with the county recording officer and may authorize and empower the planning board to review plats in accordance with regulations, requirements and standards established by the governing body and may further fix filing fees to be paid for by any applicant for subdivision approval.

In any ordinance creating a planning board or in any amendment or supplement thereto, provision may be made for the regulation of subdivisions within the municipality by approval of the planning board acting in lieu of the governing body of all plats before such plats may be filed with the county recording officer, provided such ordinance regulating subdivisions establishes regulations, requirements, and standards for plat approval by the planning board. If such power of approval is granted to the planning board, the procedures of the planning board under this act shall be required in connection with such approval, and the signature of the chairman of the planning board shall have the same force as the signature of the mayor.

Any such ordinance may exempt from the requirement of local municipal approval, subdivisions wherein the number of new lots is less than a designated number, or plats that do not involve new streets, or such other classes of subdivisions as such ordinance shall designate. In all cases involving such exempted subdivisions, the mayor or planning board chairman, as the case may be, and the municipal clerk shall certify the exemption on the plat, deed, or instrument to be filed with the county recording officer.

Within 30 days after the adoption of any subdivision ordinance, regulation or of any amendment thereto, a copy of said document shall be transmitted to the county planning board for its information and files.

Each subdivision application or site plan review application, where required pursuant to section 8 of this act, shall be submitted to the county planning board for review and approval prior to approval by the local municipal approving authority.

The municipal approving authority shall defer taking action on a subdivision until receipt of the county planning board report thereon. The county planning board shall report to the municipal authority within 30 days from the date of receipt of the application. If the county planning board fails to report to the municipal approving authority within the 30-day period, said subdivisions shall be deemed to have been approved by the county planning board unless by mutual agreement between the county planning board and municipal approving authority, with approval of the applicant,
the 30-day period may be extended for an additional 30-day period, and any such extension shall so extend the time within which a municipal approving authority shall be required by law to act thereon.

19. Section 40:55-34 of the Revised Statutes is amended to read as follows:

Zoning and certain other ordinances; publication of hearing notice; filing; notice to county planning board in certain instances.

40:55-34. No zoning ordinance or ordinance authorized under The "Municipal Planned Unit Development Act (1967)" shall be adopted, amended, or repealed until after public hearing thereon by the governing body or board of public works, at which parties in interest and citizens shall have an opportunity to be heard. Said ordinance and notice of the time and place of hearing thereon shall be published at least once in an official newspaper, if there be one, or otherwise in a newspaper of general circulation in the municipality, and such publication shall take place 10 or more days prior to such hearing.

Within 30 days after the adoption of any such ordinance or amendment thereto, a copy of said document shall be transmitted to the county planning board for its information and files.

The municipal clerk shall notify the county planning board of the introduction of any revision or amendment of any such ordinance which affects lands adjoining county roads or other county lands, or lands lying within 200 feet of a municipal boundary, or proposed facilities or public lands shown on the county master plan or official county map. Such notice shall be given to the county planning board at least 10 days prior to the public hearing thereon by personal delivery or by certified mail of a copy of the official notice of the public hearing together with a copy of the proposed ordinance.

20. Section 40:55-39 of the Revised Statutes is amended to read as follows:

Powers of board of adjustment; no relief impairing zone plan; notice to county planning board in certain instances.

40:55-39. The board of adjustment shall have the power to:

a. Hear and decide appeals where it is alleged by the appellant that there is error in any order, requirement, decision or refusal made by an administrative official or agency based on or made in the enforcement of the zoning ordinance.

b. Hear and decide, in accordance with the provisions of any such ordinance, requests for special exceptions or for interpreta-
tion of the map or for decisions upon other special questions upon which such board is authorized by any such ordinance to pass.

c. Where by reason of exceptional narrowness, shallowness or shape of a specific piece of property, or by reason of exceptional topographic conditions, or by reason of other extraordinary and exceptional situation or condition of such piece of property, the strict application of any regulation enacted under the act would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the owner of such property, to authorize, upon an appeal relating to such property, a variance from such strict application so as to relieve such difficulties or hardship; provided, however, that no variance shall be granted under this paragraph to allow a structure or use in a district restricted against such structure or use.

d. Recommend in particular cases and for special reasons to the governing body of the municipality the granting of a variance to allow a structure or use in a district restricted against such structure or use. Whereupon the governing body or board of public works may, by resolution, approve or disapprove such recommendation. If such recommendation shall be approved by the governing body or board of public works then the administrative officer in charge of granting permits shall forthwith issue a permit for such structure or use.

No relief may be granted or action taken under the terms of this section unless such relief can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance.

The county planning board shall be notified of any application to the board of adjustment under Revised Statutes 40:55-39 in such cases where the land involved fronts upon a county road, adjoins other county land or is situated within 200 feet of a municipal boundary. Notice of hearings on such applications shall be furnished by the appellant in accordance with P. L. 1965, c. 162 (C. 40:55–53).

21. Section 1 of chapter 162 of the laws of 1965 is amended to read as follows:

C. 40:55-53 Planning, zoning, etc.; hearing; notice to municipal clerk and county planning board.

1. Whenever a hearing is required in respect to planning, zoning, approval of subdivisions, granting of variances or establishing or amending an official map involving property situated within 200 feet of an adjoining municipality and notice of said hearing is required to be given, the person giving such notice shall also,
at least 10 days prior to the hearing, give notice in writing of such hearing by registered or certified mail to the clerk of such municipality. The said notice of hearing shall contain a brief description of the property involved, its location and a concise statement of the matters to be heard.

Whenever a hearing is required before a zoning board of adjustment or the governing body of a municipality in respect to the granting of a variance or establishing or amending an official municipal map involving property adjoining a county road or within 200 feet of an adjoining municipality, and notice of said hearing is required to be given, the person giving such notice shall also, at least 10 days prior to the hearing, give notice thereof in writing by certified mail to the county planning board. The notice shall contain a brief description of the property involved, its location, a concise statement of the matters to be heard and the date, time and place of such hearing.

Repealer.

22. Section 40:27-7 of the Revised Statutes and chapter 412 of the laws of 1948 are repealed.

23. Sections 1 through 21 of this act shall take effect July 1, 1969 and section 22 shall take effect December 31, 1969.

AN ACT providing for the regulation and certification of X-ray technicians and establishing an X-ray technician board as an agency of the Commission on Radiation Protection in the Department of Health, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 45:25-1 Policy declaration.
1. It is declared to be the policy of the State of New Jersey that the health and safety of the people of the State must be protected against the harmful effects of excessive and improper exposure to ionizing radiation. Such protection can in some major measure
be accomplished by requiring adequate training and experience of persons operating X-ray equipment in each particular case under the specific direction of licensed practitioners as defined herein. It is the purpose of this act to establish standards of education, training and experience and to require the examination and certification of operators of X-ray equipment.

   (e) A person holding a certificate as an X-ray technician may only use X-rays or X-ray producing equipment on human beings for diagnostic or therapeutic purposes while operating in each particular case under the specific direction of a licensed practi-
tioner, and only if the application of X-rays and the direction to an X-ray technician to apply X-rays are limited to those persons or parts of the human body specified in the law under which the practitioner is licensed.

(d) Nothing in the provisions of this act relating to X-ray technicians shall be construed to limit, enlarge or affect, in any respect the practice of their respective professions by duly licensed practitioners.

(e) The requirement of a certificate shall not apply to:

(1) A hospital resident specializing in radiology who is not a licensed practitioner in the State of New Jersey, or a student enrolled in and attending a school or college of medicine, osteopathy, chiropody, podiatry, dentistry, dental hygiene, chiropractic or X-ray technology who applies radiation to a human being while under the direct supervision of a licensed practitioner;

CHAPTER 299

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 18A:39-1 of the New Jersey Statutes is amended to read as follows:

Transportation of pupils remote from schools; pupils registered after September 1.

18A:39-1. Whenever in any district there are pupils residing remote from any schoolhouse, the board of education of the district may make rules and contracts for the transportation of such pupils to and from school, including the transportation of school pupils to and from school other than a public school, except such school as is operated for profit in whole or in part.

When any school district provides any transportation for public school pupils to and from school pursuant to this section, transportation shall be supplied to school pupils residing in such school district in going to and from any remote school other than a public school, not operated for profit in whole or in part, located within the State not more than 20 miles from the residence of the pupil provided the per pupil cost of the lowest bid received does not exceed $150.00 and if such bid shall exceed said cost then the parent, guardian or other person having legal custody of the pupil shall be eligible to receive said amount toward the cost of his transportation to a qualified school other than a public school, regardless of whether such transportation is along established public school routes. It shall be the obligation of the parent, guardian or other
person having legal custody of the pupil attending a remote school, other than a public school, not operating for profit in whole or in part, to register said pupil with the office of the secretary of the board of education at the time and in the manner specified by rules and regulations of the State board in order to be eligible for the transportation provided by this section. If the registration of any such pupil is not completed by September 1 of the school year and if it is necessary for the board of education to enter into a contract establishing a new route in order to provide such transportation, then the board shall not be required to provide it, but in lieu thereof the parent, guardian or other person having legal custody of the pupil shall be eligible to receive $150.00 or an amount computed by multiplying $0.8333 times the number of school days remaining in the school year at the time of registration, whichever is the smaller amount. Whenever any regional school district provides any transportation for pupils attending schools other than public schools pursuant to this section, said regional district shall assume responsibility for the transportation of all such pupils, and the cost of such transportation for pupils below the grade level for which the regional district was organized, shall be prorated by the regional district among the constituent districts on a per pupil basis after approval of such cost by the county superintendent. This section shall not require school districts to provide any transportation to pupils attending a school other than a public school where the only transportation presently provided by said district is for school children transported pursuant to chapter 46 of this Title or for pupils transported to a vocational, technical or other public school offering a specialized program. Any transportation to a school, other than a public school, shall be pursuant to the same rules and regulations promulgated by the State board as governs transportation to any public school.

Nothing in this section shall be so construed as to prohibit a board of education from making contracts for the transportation of pupils to a school in an adjoining district when such pupils are transferred to the district by order of the county superintendent, or when any pupils shall attend school in a district other than that in which they shall reside by virtue of an agreement made by the respective boards of education.

Nothing herein contained shall limit or diminish in any way any of the provisions for transportation for children pursuant to chapter 46 of this Title.

2. This act shall take effect immediately.

6. (a) There is hereby established in the Division of Public Employment Relations a commission to be known as the New Jersey Public Employment Relations Commission. This commission, in addition to the powers and duties granted by this act, shall have in the public employment area the same powers and duties granted to the labor mediation board in sections 7 and 10 of chapter 100, P. L. 1941 and in sections 2 and 3 of chapter 32, P. L. 1945. There shall be a chief executive officer and administrator who shall devote his full time to the performance of his duties exclusively in the Division of Public Employment Relations. (b) This commission shall make policy and establish rules and regulations concerning employer-employee relations in public employment relating to dispute settlement, grievance procedures and administration including enforcement of statutory provisions concerning representative elections and related matters. The commission shall consist of 7 members to be appointed by the Governor, by and with the advice and consent of the Senate. Of such members, 2 shall be representative of public employers, 2 shall be representative of public employee organizations and 3 shall be representative of the public including the appointee who is designated as chairman. Of the first appointees, 2 shall be appointed for 2 years, 2 for a term of 3 years and 3, including the chairman, for a term of 4 years. Their successors shall be appointed for terms of 3 years each, except that any person chosen to fill a vacancy shall be appointed only for the unexpired term of the member whose office has become vacant.
The members of the commission shall be compensated at the rate of $50.00 for each day, or part thereof, spent in attendance at meetings and consultations and shall be reimbursed for necessary expenses in connection with the discharge of their duties.

C. 34:13A-5.3 Public employees' organizations; authorization, membership, representation, written agreements, grievance procedures.

7. Except as hereinafter provided, public employees shall have, and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to form, join and assist any employee organization or to refrain from any such activity; provided, however, that this right shall not extend to any managerial executive except in a school district the term managerial executive shall mean the superintendent of schools or his equivalent, nor, except where established practice, prior agreement or special circumstances, dictate the contrary, shall any supervisor having the power to hire, discharge, discipline, or to effectively recommend the same, have the right to be represented in collective negotiations by an employee organization that admits nonsupervisory personnel to membership, and the fact that any organization has such supervisory employees as members shall not deny the right of that organization to represent the appropriate unit in collective negotiations; and provided further, that, except where established practice, prior agreement, or special circumstances dictate the contrary, no policeman shall have the right to join an employee organization that admits employees other than policemen to membership. The negotiating unit shall be defined with due regard for the community of interest among the employees concerned, but the commission shall not intervene in matters of recognition and unit definition except in the event of a dispute.

Representatives designated or selected by public employees for the purposes of collective negotiation by the majority of the employees in a unit appropriate for such purposes or by the majority of the employees voting in an election conducted by the commission as authorized by this act shall be the exclusive representatives for collective negotiation concerning the terms and conditions of employment of the employees in such unit. Nothing herein shall be construed to prevent any official from meeting with an employee organization for the purpose of hearing the views and requests of its members in such unit so long as (a) the majority representative is informed of the meeting; (b) any changes or modifications in terms and conditions of employment are made only through negotiation with the majority representative; and (c) a minority organization shall not present or process grievances. Nothing
herein shall be construed to deny to any individual employee his rights under Civil Service laws or regulations. When no majority representative has been selected as the bargaining agent for the unit of which an individual employee is a part, he may present his own grievance either personally or through an appropriate representative or an organization of which he is a member and have such grievance adjusted.

A majority representative of public employees in an appropriate unit shall be entitled to act for and to negotiate agreements covering all employees in the unit and shall be responsible for representing the interests of all such employees without discrimination and without regard to employee organization membership. Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the majority representative before they are established. In addition, the majority representative and designated representatives of the public employer shall meet at reasonable times and negotiate in good faith with respect to grievances and terms and conditions of employment.

When an agreement is reached on the terms and conditions of employment, it shall be embodied in writing and signed by the authorized representatives of the public employer and the majority representative.

Public employers shall negotiate written policies setting forth grievance procedures by means of which their employees or representatives of employees may appeal the interpretation, application or violation of policies, agreements, and administrative decisions affecting them, provided that such grievance procedures shall be included in any agreement entered into between the public employer and the representative organization. Such grievance procedures may provide for binding arbitration as a means for resolving disputes.

CHAPTER 305

AN ACT to stimulate and encourage improvements in the dental health of the public and providing means for the development and operation of plans to achieve the same.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 17:48C-1 Corporation's objectives.
1. The objects and purposes of a dental service corporation authorized pursuant to this act shall be to establish, maintain and operate a nonprofit dental service plan or plans in the public interest whereby dental care may be provided to individuals either singly or in groups who become subscribers thereto; and in furtherance thereof to enter into contracts with duly licensed dentists whereby such dentists agree to provide such dental care to its subscribers; and to do everything necessary, incidental or appropriate for the performance and fulfillment of the aforesaid objects and purposes or which may lawfully be done by a nonprofit corporation organized under the laws of the State of New Jersey.

C. 17:48C-2 Definitions.
2. As used in this act the following words and phrases shall have the stated meanings unless a different meaning clearly appears from the context:
   (a) the term "dental service corporation" or "the corporation" shall mean a corporation which is (1) organized, without capital stock, and not for profit, for the purpose of establishing, maintaining and operating a nonprofit dental service plan, whereby the expense of dental services to subscribers and other covered dependents is paid in whole or in part by the corporation to participating dentists and to others as provided herein in return for premiums or other valuable considerations, and which (2) holds a certificate of authority issued under this act;
   (b) the term "subscriber" shall mean a person to whom a subscription certificate is issued by the corporation and which sets forth the kinds and extent of the dental services for which the corporation is liable to make and which constitutes the contract between the subscriber and the corporation;
(c) the term "covered dependent" shall mean the spouse, an adult dependent or a child of the subscriber who is named in the subscription certificate issued to the subscriber and with respect to whom appropriate premium is specified in the certificate;

(d) the term "participating dentist" shall mean any dentist authorized to practice dentistry under the laws of this State and who agrees in writing with the corporation to provide the dental services specified in the subscription certificates issued by the corporation and at such rates of compensation as shall be determined by its board of trustees and who agrees to abide by the by-laws, rules and regulations of the corporation applicable to participating dentists;

(e) the term "dental service" shall mean any and all general and special dental services ordinarily provided by such licensed dentists in accordance with accepted practices in the community at the time the service is rendered;

(f) the term "commissioner" shall mean the Commissioner of Banking and Insurance.

C. 17:48C-3 Nonprofit corporation; application of assets in event of dissolution.

3. No dental service corporation shall be converted into a corporation organized for pecuniary profit. Every such corporation shall be operated for the benefit of the subscribers. No dental service corporation shall impose any restrictions as to methods of diagnosis or treatment on dentists who administer to its subscribers. The certificate of incorporation or by-laws shall contain an irrevocable provision that in the event of any dissolution of the corporation the net assets remaining shall be applied to one or more charitable or educational purposes, as near as may be to those for which the corporation was formed, to be selected by a majority of the trustees of the corporation with the approval of the commissioner; and in case of the failure or inability of the trustees to so select, or in case of any disagreement in respect to the validity of such selection, the same shall be made by the Superior Court by application of the doctrine of cy pres and other applicable equitable doctrines in a summary proceeding initiated by one or more trustees, or by any other person having a substantial interest in the provisions of this section, including, without limitation, the commissioner or the Attorney General.
C. 17:48C-4 Certification by commissioner; certificate of authority; solicitation of subscribers.

4. A nonprofit corporation organized under Title 15 of the Revised Statutes for the purpose of establishing, maintaining and operating a nonprofit dental service plan, as described in section 2 (a) of this act, intending to do so as a dental service corporation certified under and thereby subject to the provisions of this act, shall seek certification therefor by application to the commissioner. The application of such a corporation shall include a certified copy of its certificate of incorporation, a copy of its by-laws certified by the lawful custodian of the original, and a statement in such form and detail as the commissioner shall prescribe, showing its financial condition, its proposed methods and places of operation, and such other matters as the commissioner shall prescribe, signed and sworn to by its president and secretary or other proper officers. If the commissioner is satisfied, on the basis of examination or otherwise, that such corporation is organized without capital stock and not for pecuniary profit and has complied with the requirements of this act and that its condition or methods of operation are not such as would render its operations hazardous to the public or its subscribers, the commissioner shall issue a certificate of authority to such corporation as a dental service corporation of this State. A corporation to which a certificate of authority has been issued under this act thenceforth shall be subject in all its activities to the provisions of this act as long as the certificate of authority as issued or thereafter amended remains in effect. No change in, or amendment to, or alteration in, addition to, or substitution of any document, instrument or other papers so filed with the commissioner shall become operative or effective until the same shall also have been filed with the commissioner in a similar manner. No certificate of authority shall be issued to any corporation not incorporated as a corporation without capital stock and not for pecuniary profit under the laws of this State, or to any corporation which, prior to or pending its application for such certificate, has solicited a subscriber or issued a subscription certificate. No dental service corporation shall solicit a subscriber or issue a subscription certificate until its board of trustees has been fully constituted as provided in this act.

C. 17:48C-5 Certification standards.

5. In reviewing any application for authority to operate under this act, the commissioner shall be guided by the following standards:
(a) It shall be shown that the initial working funds are adequate. No certificate of authority shall be issued to any applicant therefor except on receipt of evidence by the commissioner that such applicant is in possession of unencumbered funds of not less than $25,000.00 and that such amount is held in cash or in bank to its credit. From and after the issuance of a certificate of authority to an applicant, the corporation shall maintain such amount as a general surplus over and above its reserves, liabilities, and special contingent surplus.

(b) It shall be shown that the applicant has enlisted a sufficient number of participating dentists, with skills in appropriate fields and accessible to subscribers, to indicate ability to render the intended dental service. In carrying out the intent of this section the commissioner shall determine that at least 100 dentists have agreed to participate.

(c) It shall be shown that the applicant will accept as a participating dentist any dentist authorized to practice dentistry in the jurisdiction where his services are to be rendered, and who is ready, available and willing to render dental service to be provided under a contract or contracts.

C. 17:48C-6 Board of trustees; membership, qualifications, chairman.

6. The activities and operations of a dental service corporation shall be conducted by a board of trustees composed initially of an even number of persons, not less than 14 in all, as may be specified in the certificate of incorporation, ½ of whom shall be persons who are licensed to practice dentistry in this State and who are holders of active registration certificates in good standing. The initial members of the board shall elect one additional person to serve as chairman of the board to preside at all meetings of the board, and who shall be a member of the board and participate in its work and functions, except that he shall cast no vote on any matter coming before the board except in case of a tie in the votes cast by the other members of the board. The offering and operation of contracts and agreements under the authority of this act shall not constitute the practice of dentistry.

C. 17:48C-7 Subscription contracts.

7. Every contract made by any dental service corporation to provide payment for dental service shall provide for the payment for dental service for a period of 12 months, and no contract shall be made providing for the inception of such services at a date
later than one year after the actual date of the making of such contract. Any such contract may provide that it shall be automatically renewed from year to year unless there shall have been 90 days' prior written notice of termination by either the subscriber or the corporation. No contract between the corporation and a subscriber shall provide for payment for dental services for more than one person, except that a family contract may provide that payment will be made for dental services rendered to a subscriber and covered dependents.

C. 17:48C-8 Written contracts required; subscription certificates.

8. Every contract entered into by the corporation with any subscriber shall be in writing and a certificate stating the terms and conditions thereof shall be furnished to the subscriber. No such subscription certificate shall be issued or delivered by any dental service corporation unless it contains the following provisions:

(a) A statement of the amounts payable to the corporation by the subscriber and the times at which and the manner in which such amounts shall be paid; and a provision requiring 90 days' written notice to the subscriber before any change in the contract, including a change in the amount of subscription rate, shall take effect;

(b) a statement of the nature of the dental services to be paid for and the period during which the certificate is effective; and if there are any types of dental services to be excepted, or for which benefits are limited, a detailed statement of such exceptions and limitations printed as hereinafter specified;

(c) a statement of the terms or conditions, if any, upon which the certificate may be canceled or otherwise terminated at the option of either party;

(d) a statement that the subscription certificate constitutes the contract between the corporation and the subscriber and includes the endorsements thereon and attached papers, if any, and contains the entire contract;

(e) a statement that no statement by the subscriber in his application for a certificate shall void the contract or be used in any legal proceeding thereunder, unless such application or an exact copy thereof is included in or attached to the certificate, and that no agent or representative of the corporation, other than an officer or officers designated in the certificate, is authorized to change the contract or waive any of its provisions;
(f) a statement that if the subscriber defaults in making any payment under the certificate, the subsequent acceptance of a payment by the corporation or by one of its duly authorized agents shall reinstate the contract, but such reinstatement shall not provide coverage for the period during which the subscriber was in default in making such payment;

(g) a statement of the period of grace which will be allowed the subscriber for making any payment due under the contract, which period shall not be less than 10 days;

(h) a statement that indemnity in the form of cash will not be paid to any subscriber except in payment for dental services for which the corporation was liable at the time of such payment.

C. 17:48C-9 Payment of additional fees.

9. Any dental service corporation may classify subscribers whereby under specified circumstances a subscriber or covered dependents may pay a participating dentist for dental services an amount in addition to that payable by the corporation for dental services and the subscription certificate issued to any subscriber affected thereby shall contain the provisions thereof and shall specify such circumstances. No subscriber or covered dependent shall be liable for that portion of a participating dentist's fee for dental service specified in the subscriber's certificate, which is to be paid by the corporation to the participating dentist.

C. 17:48C-10 Corporation's liability.

10. Any subscription certificate may contain a provision that all dental services paid for by a dental service corporation shall be in accordance with the accepted dental practices in the community at the time, but the corporation shall not be liable for injuries resulting from negligence, misfeasance, malfeasance, nonfeasance or malpractice on the part of any officer or employee or on the part of any dentist or others engaged by him in the course of rendering dental services to subscribers.

C. 17:48C-11 Subscription certificates; form and contents.

11. In every subscription certificate issued or delivered by any dental service corporation of this State:

(a) All printed portions shall be plainly printed in type of which the face is not smaller than 10 point;

(b) there shall be a brief description of the subscription certificate on its first page and on its filing back, in type of which the face is not smaller than 14 point;
(c) the exceptions and limitations of the contract shall appear with the same prominence in the certificate as the benefits to which they apply; and

(d) if the contract contains any provisions purporting to make any portion of the articles, constitution or by-laws or regulations of the corporation or plans a part of the contract, such portion shall be set forth in full.

C. 17:48C-12 Certain agreements authorized.

12. Any dental service corporation may enter into agreements with eligible dentists whereby such dentists become participating dentists in a plan operated by the corporation and may make to such dentists such payments as shall have accrued by reason of services required to be performed under the plan. No person shall become a participating dentist unless he shall be a dentist authorized to practice dentistry under the laws of this State. Any dental service corporation may enter into contracts for the payment of dental services to the subscribers or members of similar nonprofit dental service corporations of this or any other State, subject to the supervision of the State in which such similar corporation is located, and shall have the right to make payment to any other nonprofit dental service corporation, or to any dentists authorized to practice dentistry in this or any other State for services rendered to its subscribers and their covered dependents at rates not exceeding the rates paid participating dentists under the certificate of the subscriber. The making of any such contract or arrangement, or the rendering of dental service pursuant thereto, shall not be a violation of any law, rule or regulation governing the practice of dentistry.

C. 17:48C-13 Commissioner's approval of subscription certificate; review.

13. No subscription certificate shall be issued by any dental service corporation to any subscriber unless and until the form thereof shall have been filed with the commissioner, together with all applications, riders and endorsements for use in connection with the issuance or renewal thereof. If the commissioner shall at any time notify the corporation filing the same of his disapproval of any such form, as contrary to law, or as being oppressive or calculated to mislead the public, specifying particulars, it shall be unlawful for such corporation thereafter to issue any such form so disapproved. Such disapproval of the commissioner shall be subject to review by the Superior Court in a proceeding in lieu of prerogative writ.
C. 17:48C-14 Schedule of rates; filing, disapproval, review.

14. No dental service corporation shall enter into any contract with a subscriber unless and until it shall have filed with the commissioner a full schedule of the rates to be paid by the subscribers to such contracts. The commissioner may disapprove such schedule of rates at any time if he finds that such rates are excessive, inadequate or discriminatory. It shall be unlawful for any dental service corporation whose schedule of rates has been disapproved to effect any contract or issue any subscription certificate until a revised schedule of rates has been filed. Such disapproval by the commissioner shall be subject to review by the Superior Court in a proceeding in lieu of prerogative writ.

C. 17:48C-15 Agreements with dentists; approval of payments; corporate records.

15. No dental service corporation shall enter into any contract with a subscriber unless and until it shall have filed with the commissioner a copy of the agreement proposed to be entered into by the corporation and the participating dentists. Every such agreement shall provide for the payment of dental services to subscribers and covered dependents to the end of the subscription certificate year; that 30 days' written notice of termination of such agreement may be given to the corporation at any time by any participating dentist but shall not apply to any subscription certificate in force at the time of such notice until the first date thereafter when such subscription certificate may properly be terminated by the corporation, and that the agreement of the dentist to render such service to the end of any certificate year shall not be affected by cessation of the transaction of business by reason of appropriate resolution of the board of trustees, or directors of such corporation, injunction issued by a court of competent authority, legislative act or by any other exercise of judicial, administrative or legislative authority; provided, that this requirement shall not apply to any subscription certificate which is not maintained in force by the payment of premiums required thereby. There shall be included in the minutes of the board of trustees of every dental service corporation a record of the approval of payments to be made to participating dentists. The corporation shall maintain in its office complete records of all the dental services rendered to subscribers and covered dependents in such form as will indicate the kind of services rendered, the amounts claimed for such services by the participating dentists, and the amounts paid by the corporation. No payment to any participating dentists shall be authorized by the board of trustees except in accordance with a plan of payments.
adopted by the board, recorded in the minutes of a meeting, and filed with the commissioner. If the commissioner at any time shall notify the corporation of his disapproval of any rate of payment included in the plan of payments as being excessive or inadequate in itself or in relation to other rates of payment, payment shall not thereafter be made at the rate. In making his determination the commissioner shall give consideration to prevailing rates of payment by hospital, medical and dental service corporations of this and other States for similar services under similar conditions, the fair relationships of the values of the different kinds of services covered in the plan of payments and any other relevant facts. At the time of filing a plan and thereafter upon request of the commissioner, the corporation shall furnish to the commissioner such information as the commissioner shall specify to facilitate review of the plan of payments.

C. 17:48C-16 Group contracts.

16. A dental service corporation may also issue to a policyholder a group contract, covering at least 10 employees or members at the date of issue, if it conforms to the following description:

(a) A contract issued to an employer or to the trustees of a fund established by one or more employers, or issued to a labor union, or issued to an association formed for purposes other than obtaining such contract, or issued to the trustees of a fund established by one or more labor unions or by one or more employers and one or more labor unions, covering employees and members of associations or labor unions.

(b) A contract issued to cover any other group which the commissioner determines may be covered in accordance with sound underwriting principles.

Benefits may be provided for one or more members of the families or one or more dependents of persons who may be covered under a group contract referred to in (a) or (b) above.

The contract may provide that the terms "employees" shall include as employees of a single employer the employees of one or more subsidiary corporations and the employees, individual proprietors and partners of affiliated corporations, proprietorships and partnerships if the business of the employer and such corporations, proprietorships or partnerships is under common control through stock ownership, contract or otherwise. The contract may provide that the term "employees" shall include the individual proprietor or partners of an individual proprietorship or a partner-
ship. The contract may provide that the term "employees" shall include retired employees. A contract issued to trustees may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship. A contract issued to the trustees of a fund established by the members of an association of employers may provide that the term "employees" shall include the employees of the association.

C. 17:48C-17 Certain provisions of act not applicable to group contracts.

17. The provisions of this act shall apply to group contracts except that sections 7, 8, 11 and 14 of this act shall not apply. The word "subscriber" as used in this act means the policyholder under a group contract where the context so requires.

C. 17:48C-18 Written group contract to be furnished to policyholder; contents.

18. Every group contract entered into by a dental service corporation with any policyholder shall be in writing and a contract form stating the terms and conditions thereof shall be furnished to the policyholder to be kept by him. No group contract form shall be used unless it contains the following provisions:

(a) A statement of the contract rate payable to the dental service corporation by or on behalf of the policyholder for the original period of coverage, the time or times at which, the manner in which, the contract rate due is to be paid, and the basis, if any, on which the rate may subsequently be adjusted;

(b) A provision that all contract rates due under the contract shall be paid by the policyholder, or by the designated representative of the policyholder, to the dental service corporation on or before the due date thereof or within such period of grace as may be specified therein;

(c) A statement of the nature of the dental services to be paid for and the period during which such payments will be made, and if there are any services to be excepted, a detailed statement of such exceptions;

(d) A provision that the contract, any endorsements or riders thereto, the application of the policyholder in whose name the contract is issued, a copy of which shall be attached to the contract, and the individual applications, if any, of the employees or members shall constitute the entire contract between the parties and that all statements contained in any such application for coverage shall be deemed representations and not warranties;
(e) A provision that there shall be issued to the policyholder, for delivery to the employee or member, a certificate or other document which sets forth or summarizes the essential features of the coverage including the time, place and method for making claims for benefits;

(f) A provision that all new employees or new members, as the case may be, in the groups or classes eligible for the coverage must be added to the eligible groups or classes;

(g) A statement of the terms and conditions, if any, upon which the contract may be terminated or amended. Any notice to the policyholder shall be effective if sent by mail to the policyholder’s address as shown at the time on the corporation’s records. The notice to the policyholder as herein required shall be sent at least 30 days before the termination or amendment of the contract takes effect.

Any such group contract may contain a provision that all dental services paid for by a dental service corporation shall be in accordance with the accepted dental practices in the community at the time, but the corporation shall not be liable for injuries resulting from negligence, misfeasance, malfeasance, nonfeasance or malpractice on the part of any officer or employee or on the part of any dentist or others engaged by him in the course of rendering dental services to persons covered.

Any dental service corporation may classify persons covered whereby under specified circumstances a covered person may pay a participating dentist for dental services an amount in addition to that payable by the corporation for dental services and the group contract shall contain the provisions thereof and specify such circumstances.

C. 17:48C-19 Group contract rates; formulas, experience rating, commissioner’s approval.

19. Group contracts, covering at least 100 employees or members, may provide for the adjustment of the contract rate, based on both past and contemplated experience thereunder, at the end of the first year or any subsequent year of coverage thereunder but no increase in the contract rate shall be retroactive. No dental service corporation shall use any form of experience rating plan until it shall have filed with the commissioner a full schedule of the rates and formulas to be used and the classes of groups to which they are to apply. The commissioner may disapprove the rates, formulas
or classes at any time if he finds that the rates produced thereby are excessive, inadequate or unfairly discriminatory or that the rates, formulas or classes are such as to prejudice the interests of persons who are eligible for dental services under contracts with the dental service corporation which are not subject to experience rating.

No experience rating formula shall be approved by the commissioner unless it provides that the groups subject to experience rating will be assessed a reasonable community charge and unless it incorporates a provision that, in no event, shall the rates charged an experience rated group be more than 25% in excess of or more than 25% below the average projected rates to be charged all experience rated groups, having comparable coverage, as of the end of the calendar quarter next following the ending date of the experience period for the group in question.

Any experience rating formula may provide for the allowance of an equitable discount in the event the policyholder agrees to perform certain administrative functions and record keeping in connection with routine maintenance of the group account.

C. 17:48C-20 Participation with other corporations.

20. A dental service corporation of this State may enter into agreements to participate with other corporations in the issuance of group contracts to policyholders whose employees or members are located in more than one State. Without regard to the size limitation and the percentage limitations specified in the first and second paragraphs, respectively, of section 19 of this act, the agreements may provide for experience rating, for a sharing of the premium, claims, and expenses by the participating corporations or for acceptance or ceding of the whole or portions of group risks on a reinsurance basis. No such agreements shall, however, prejudice the interests of persons who are eligible for dental services under other contracts with the dental service corporation. Such agreements shall be filed with and approved by the commissioner before becoming effective.

C. 17:48C-21 Issuance of contracts other than experience rated.

21. No dental service corporation shall issue group contracts which are not experience rated pursuant to sections 19 or 20 of this act, until it shall have filed with the commissioner a full schedule of the rates which are to apply to such contracts. The commissioner may disapprove such schedule at any time if he
finds that such rates are excessive, inadequate or unfairly discrimi­
natory. It shall be unlawful for any corporation to effect any such group contract according to such rates thereafter.

C. 17:48C-22 Review of certain practices, rules and procedures; hearing; review of disapproval.

22. All practices, rules and procedures of a dental service cor­
poration, involving termination or refusal to renew coverage, modification of coverage or rates in the case of persons classified as left-group, selection of risks, and underwriting classifications, shall be subject to review at any time by the commissioner and upon his request for information relative to any such practice, rule or procedure the dental service corporation shall furnish such information in writing without delay. If in the opinion of the com­
missioner any such practice, rule or procedure, is unjust, unfair, or inequitable, taking into consideration the nonprofit and tax-exempt status of the dental service corporation, he shall so notify the dental service corporation and fix a time and place for hearing before him or his designated representative at which the dental service corporation may be heard.

Following such hearing, the commissioner may make an order based on the record of the proceeding. If such order be one of disapproval, it shall be unlawful for the corporation to continue such practice, rule, or procedure. Such disapproval by the com­
missioner shall be subject to review by the Superior Court in a proceeding in lieu of prerogative writ.

C. 17:48C-23 Certain fees payable to commissioner.

23. Every corporation to which this act shall be applicable shall pay the following fees to the commissioner for enforcement of the provisions of this act, viz.: for filing its application and charter, $10.00; for filing each annual statement, $20.00; for each copy of any paper filed in the Department of Banking and Insurance, $0.20 a sheet or folio of 100 words and $1.00 for certifying the same. In addition, such corporation shall pay on April 1 of each year a general supervisory fee to the commissioner in the amount of $0.02 per subscriber at the end of the preceding year under subscription contracts other than group contracts, plus $0.02 per member or employee covered under group contracts at the end of the preceding year.
C. 17:48C-24 Corporation's operating expenses.

24. If the commissioner shall determine that the amount disbursed during any 12-month period by a dental service corporation as expenses of operation is excessive in proportion to the amount it received from subscribers during that period, the corporation shall reduce its expenses during the 12-month period next following notification of the commissioner's determination to the proportion directed by the commissioner. In making his determination the commissioner shall give consideration to the number of subscribers enrolled, the aggregate payments by subscribers, the length of time the corporation has been certified as a dental service corporation, the expense rates of hospital, medical and dental service corporations of this and other States under similar conditions and any other relevant facts. In no event shall a dental service corporation disburse an amount during any 12-month period for expenses of operation greater than 30% of the amount it receives from subscribers during that period.

C. 17:48C-25 Investment of funds; special contingent surplus.

25. The funds of any dental service corporation may be invested only in accordance with the requirements now or hereafter provided by law for the investment of funds of life insurance companies. Every dental service corporation after the first full calendar year of doing business after the effective date of this act, shall accumulate and maintain a special contingent surplus over and above its reserves and liabilities at the rate of 2% annually of its net contract and certificate income until such surplus shall be not less than $100,000.00, except that no such corporation shall be required to maintain a special contingent surplus exceeding 55% of its average annual contract and certificate income for the previous 5 years.

C. 17:48C-26 Annual financial statement; preparation, filing; commissioner's inquiries.

26. Every dental service corporation transacting business in this State shall file annually, on or before March 1, in the Department of Banking and Insurance, a statement in such form and detail as the commissioner shall prescribe, subscribed and sworn to by its president and secretary, or in their absence by 2 of its principal officers, showing its financial condition at the close of business on December 31 of the year last preceding, its business transacted during that year, and such other matters as the commissioner shall prescribe. The commissioner may also address
inquiries to any such corporation or its officers in relation to its condition or affairs, or any matter connected with its transactions, and it shall be the duty of the officers of such corporation to reply promptly in writing to all such inquiries; for good cause shown the commissioner may extend the time within which any such statement may be filed.

C. 17:48C-27 Failure to file statement or answer inquiries; penalty.

27. Any dental service corporation neglecting to make and file its annual statement as required by section 26 of this act, or neglecting to reply in writing to inquiries of the commissioner within such reasonable time as may be specified by him, shall forfeit $25.00 for each day's neglect, to be recovered in a civil action; and upon notice by the commissioner to such effect, its authority to do new business in this State shall cease while such default continues.

C. 17:48C-28 Examination of assets and affairs; assistants, expenses.

28. (a) The commissioner shall have the power, whenever he deems the same expedient, to make or cause to be made an examination of the assets and liabilities, method of conducting business and all other affairs of every dental service corporation authorized or which has made application for authority to transact business under the provisions of this act. For the purpose of such examination the commissioner may commission and employ such persons to conduct the same or to assist therein as he may deem advisable, which examination may be conducted in any State in which the corporation examined has an office, agent or place of business.

(b) The reasonable expense of such examination shall be fixed and determined by the commissioner and he shall collect the same from the corporation examined, which shall pay same on presentation of a detailed account of such expense. In case any corporation, after such examination, shall be adjudged by the Superior Court to be insolvent, the expense of such examination, if unpaid, shall be ordered paid out of the assets of the corporation. No dental service corporation shall, either directly or indirectly, pay, by way of gift, credit or otherwise, any other or further sum to the commissioner or to any person in the employ of the Department of Banking and Insurance, for extra service or for purposes of legislation, or for any other purpose whatsoever.

(c) It shall be the duty of the officers, agent and employees of any such corporation to exhibit all its books, records and accounts
for the purpose of such examination and otherwise to facilitate the
same so far as it may be in their power to do so, and for that
purpose the commissioner and his deputies, assistants and em-
ployees shall have the power to examine, under oath, the officers,
agents and employees of any such corporation relative to its busi-
ness and affairs.

C. 17:48C-29 Insolvency or other circumstances; injunctive relief; receiver.

29. Whenever any dental service corporation shall become
insolvent or shall suspend its ordinary business for want of funds
to carry on the same, or whenever the commissioner shall ascertain,
as a result of examination as authorized by this act, or in any
other manner, that any such dental service corporation is exceeding
its powers or violating the law or that its condition or methods
of business are such as to render the continuance of its operations
hazardous to the public or its members, that its assets are less
than its liabilities or that the number of subscribers to its service
has decreased to less than 100 persons, or that it has failed to
maintain the number of participating dentists specified by this
act, the commissioner may institute an action in the Superior Court
to enjoin it from the transaction of any further business, or from
the transfer or disposal of its property in any manner whatsoever.
The court may proceed in the action in a summary manner or other-
wise. It may grant injunctive relief and appoint a receiver, with
power to sue for, collect, receive and take into his possession all
the goods and chattels, rights and credits, moneys and effects,
lands and tenement, books, papers, choses in action, bills, notes
and property of every description belonging to such dental service
corporation and sell and convey and assign the same, and hold
and dispose of the proceeds thereof under the directions of the
Superior Court. The court may cause the receiver to continue the
existing operations of the corporation, under court supervision,
until the next anniversary of the subscription certificates then in
force. Any such dental service corporation may be deemed in-
solvent whenever it is presently or prospectively unable to fulfill
its outstanding contracts and to maintain the reserves required
pursuant to this act.

C. 17:48C-30 Violations of provisions of act; penalties.

30. Any dental service corporation which shall have violated any
of the provisions of, or shall have neglected, failed or refused to
comply with, any of the requirements of this act, except the failure
to file an annual statement and the failure to reply in writing to in-
quiries of the commissioner, shall be liable to a penalty of $500.00, to be sued for and collected by the commissioner in a civil action in the name of the State. The penalties when recovered shall be paid by the commissioner into the State Treasury for the use of the State. Any officer, agent, employee or member of any such corporation or any other person who shall issue, circulate or cause or permit to be circulated, any estimate, illustration, circular of any sort misrepresenting the terms of any contract issued by such corporation or misrepresent the benefits or advantages promised thereby, or use any name or title of any contract or class of contracts misrepresenting the true nature thereof shall be guilty of a misdemeanor.

C. 17:48C-31 Grants for needy persons.

31. A dental service corporation may receive and accept from any governmental agencies, Federal, State or local, any grant or allocation of funds for the purpose of providing payment for dental services to eligible persons under such terms or conditions as shall be specified by such agency. Any dental service corporation may in its discretion accept the grant of funds from private agencies, corporations, associations, groups of individuals or individuals for the purpose of providing dental services to needy persons under such conditions as shall be satisfactory to such persons or organizations and to the corporation. All funds received under such grants shall be segregated in a separate fund or funds to be used for the purposes agreed upon. Neither the income from subscribers to the corporation, nor the assets accumulated from income received from subscribers shall be available for the payment of any obligations assumed by the corporation under such grants, nor shall any funds received through such grants be available for the payment of the obligations assumed by the corporation under its subscription certificates. The authority of the commissioner under the provisions of this act shall not extend to funds received under such grants except to such extent as is necessary to satisfy him that the requirements of this act have been complied with.

C. 17:48C-32 Corporation as charitable or benevolent institution; tax exemption.

32. Every dental service corporation is hereby declared to be a charitable and benevolent institution, and its funds and property shall be exempt from taxation by the State or any political subdivision thereof.
C. 17:48C-33 Severability of act.
33. Should any provision or section of this act be held invalid for any reason, such holding shall not be construed as affecting the validity of any remaining portion of such section or of this act, it being intent of the Legislature that this act shall stand notwithstanding the invalidity of any such provision or section.

C. 17:48C-34 Engaging in activity provided for in act; exceptions.
34. No person, association or corporation shall engage in any activity provided for in this act unless organized and authorized in accordance with its provisions; but this shall not preclude activities authorized under other enabling acts, nor shall it apply to any arrangement or activity which is subject to regulation under other applicable law of this State or of the United States.

C. 17:48C-35 Construction of act.
35. This act shall be liberally construed to the end that its objectives may be achieved with maximum flexibility and variety.

C. 17:48C-36 Short title.
36. This act shall be known and may be referred to by its short title as the "Dental Service Corporation Act of 1968."

37. This act shall take effect immediately.
Approved September 26, 1968.

No person, partnership, or corporation shall employ more than 3 other well drillers in well drilling in this State until he complies with the criteria established therefor under the rules and regulations of the commissioner.

Such examinations may be oral or written and shall be of a practical nature.

Any person whose license has been revoked may, after the expiration of 1 year from the date of such revocation, apply for a new license.

The charges against any well driller of whom complaint is made shall be in writing and sworn to by the complainant, and filed with the board.
Such charges unless dismissed by the board as unfounded or trivial shall be heard and determined by the board within 3 months after the date on which they are preferred unless the board shall determine that good cause exists for further delay. The time and place of the hearing, which may be adjourned from time to time, shall be fixed by the board. Application for each such permit shall be made upon forms prescribed and supplied by the department, and the applicant for a permit shall give such information pertaining to the proposed well as the commissioner shall require. Each application shall be accompanied by a fee of $3.00. As a condition to the issuance of such permit, the division may require that accurate samples of the materials encountered in sinking the proposed well shall be pre-
served and delivered to the State Geologist or one of his authorized representatives. Within 60 days of the completion of the drilling of any well, a report, on forms prescribed and supplied by the department, shall be filed by the driller with the department, giving the log (i.e. description of materials penetrated), the size and depth of the well, the diameters and lengths of casing and screen installed therein, the static and pumping levels and the yield of the well, and such other information pertaining to the construction or operation of the well as the department may require.

Any driller failing to file the report required by this section within the time specified or to deliver the samples of material required in this section, or who shall willfully file an incomplete or incorrect report, shall be liable to a penalty of $25.00 which may be collected and enforced in an action by the department in the name of the State in a court of competent jurisdiction in a summary manner, without a jury, in accordance with the procedure prescribed in “The Penalty Enforcement Law” (P. L. 1948, c. 253). All penalties and costs collected in such actions shall be payable to the municipality in which the offense occurred.

C. 58:4A-18 License renewal and reinstatement.

14. A license once issued unless revoked or suspended may be renewed at any time within 1 year from its effective date on application therefor and payment of the required renewal fee, and any such renewal shall become effective on and after July 1 next following the date of such renewal, and shall expire on June 30 next following such effective date. Any license which shall not have been renewed prior to its expiration date may be reinstated within 3 years of its said expiration date by payment of the cumulative renewal fees for each year, or fraction thereof, during which the license has lapsed.

After the said 3-year period, renewal shall require prior certification by the board or the taking and passing of a re-examination in the form and manner prescribed by the board for applicants for new licenses.

11. Section 16 of the act of which this act is amendatory is amended to read as follows:

C. 58:4A-20 Authority to inspect, take samples and enter to obtain information.

16. The said commissioner and the State Geologist, or any authorized representative of the commissioner, shall have the power
to make such inspections and take such samples as may be deemed necessary for the investigation of the construction and repair of wells throughout the State. They shall also have the right to enter upon any and all property for the purpose of obtaining information about wells, whether idle, in use or abandoned.

12. Section 19 of the act of which this act is amendatory is amended to read as follows:

**C. 58:4A-23 Definitions.**

19. As used in this act:

A “well” is any excavation whether drilled, bored or cored, for water, oil or gas, or in exploration for water, oil or gas, or for the storage or disposal thereof, or their derivatives, or for the storage or disposal of sewage, industrial waste or radioactive material. Single domestic drive point wells 2 inches and under in diameter and hand dug wells are excluded from the provisions of this act.

A “well driller” is any person who engages in drilling, digging, driving, boring, coring, constructing, altering or repairing any well.

A “master well driller” is any person skilled in the planning, superintending and practical construction of wells and the installation and repair of well pumping equipment, who has been engaged in well drilling for at least 5 years, and who has been licensed as such by the board.

A “journeyman well driller” is any person, other than a master well driller, skilled in the practical construction of wells, who has had at least 3 years’ experience in such work, and who has been licensed as such by the board.

The examining board, the board of examiners, the advisory board or the board of advisors means the “State Well Drillers Examining and Advisory Board.”

13. Section 20 of the act of which this act is amendatory is amended to read as follows:

**C. 58:4A-24 Violations; penalties.**

20. Any person who shall engage in the trade, business or calling of a well driller or who shall operate a well drilling machine without having a license, except in the presence and under the immediate supervision of a master or journeyman well driller, or any person,
partnership or corporation who, or which, shall engage in the trade, business or calling of well drilling without employing a licensed driller to operate his, their or its well drilling machine, or who shall operate without a permit as provided in this act, or who shall aid or abet in the commission of such violation, or who shall refuse to perform any duty or obey any direction lawfully enjoined upon him by this act or by the department or said commissioner or the State Geologist, except as provided in section 10 hereof, shall be deemed a disorderly person and upon conviction thereof shall be punished by a fine of not less than $100.00 nor more than $250.00 for each and every such violation, which may be collected and enforced in an action by the department in the name of the State in a court of competent jurisdiction in summary proceedings pursuant to the Penalty Enforcement Law N. J. S. 2A:58-1 et seq. All penalties and costs collected in such actions shall be payable to the municipality in which the offense occurred. Each day such violation shall continue shall constitute a separate offense. The acceptance by any person, partnership or corporation of any money or other consideration for the construction of any well by anyone other than a licensed driller of the proper class as provided by this act, shall be deemed prima facie evidence of the violation of this act.

Repealer.

14. Sections 11, 21 and 22 of chapter 377 of the laws of 1947 are hereby repealed.

15. This act shall take effect immediately, except that no person, partnership or corporation engaged in the business, trade or calling of well drilling shall be required to have a master well driller supervise operations as herein provided until after 180 days from the passage of this act.

(a) The name of the corporation shall include the words "urban renewal."

(b) The object for which it is formed shall be to operate under this act and to initiate and conduct projects for the clearance, replanning, development and redevelopment of blighted areas in municipalities and, when so authorized by financial agreement with a municipality pursuant to this act, to acquire by purchase or lease of not less than 15 years from a public or private owner, plan, develop, construct, alter, maintain or operate housing, business, industrial, commercial, cultural or recreational projects or any combination of any 2 or more such types of improvement in a single project, under such conditions as to use, ownership, management and control as shall be regulated pursuant to this act.

(e) A provision that the corporation shall not voluntarily transfer the project undertaken by it under the terms of this act, until it has first removed both itself and the project from all restrictions hereunder in the manner hereinafter set forth; but with a proviso that the foregoing restriction shall not be applied to prevent the transfer of a project to another urban renewal corporation which, with the consent of the municipality in which the project is located, shall assume all the contractual obligations of the transferor corporation under its financial agreement with the said municipality.

7. Section 26 of chapter 40 of the laws of 1961 is amended to read as follows:

C. 40:55C-65 Exemption of improvements from taxation; annual service charge; credits against annual charge.

In event that an exemption status changes during a tax year, the procedure for the apportionment of the taxes for said year shall be the same as in the case of other changes in tax exemption status during the tax year.

The urban renewal corporation or association shall make payment to the municipality of an annual service charge for municipal services supplied to said project, in an annual amount equal to 15% of the annual gross revenues from each unit of the project, if the project is undertaken in units, or from the total project if the project is not to be undertaken in units, for each of the years of operation commencing with the date of the completion of such unit or of the project, as the case may be. Where because of the nature of the development, ownership, use or occupancy of the project or any

The aforesaid payment shall be made annually within 30 days after the close of each such calendar year.

Against such annual charge the corporation or association shall be entitled to credit for the amount, without interest, of the real estate taxes on land paid by it in the last 4 preceding quarterly installments. On or before January 15 in each year each taxing district shall report to the county board of taxation, in such form as shall be approved by the Director of the Division of Taxation, the amount of the service charge in excess of the taxes on the land chargeable for the preceding calendar year for each project or unit thereof subject to the provisions of this act. The county tax board shall capitalize the amount so reported by each taxing district by dividing the same by the tax rate per $100.00 of valuation for the taxing district for the preceding year and multiplying the resultant quotient by 100. The result of such capitalization shall be included in the ensuing table of aggregates in a separate column as locally assessed real estate and shall be equalized in the same manner as other real estate for the purposes of apportionment of county taxes.

At the end of 20 years from the date of the execution of said financial agreement or earlier at the end of 15 years of operation of any unit, if the project is undertaken in units, or of the entire project, if it is not undertaken in units, whichever occurs first, the tax exemption upon said unit, if the project is undertaken in units, or upon the entire project, if the project is not undertaken in units, shall cease and the improvements and any other property of the
corporation or association as well as the land shall be assessed and

CHAPTER 314

An Act to amend "An act to limit and regulate child labor in this State; to provide for examinations and inspections under the provisions of this act; to provide for the enforcement of this act and regulations made thereunder; to prescribe penalties for the violation thereof; and to repeal other acts," approved June 25, 1940 (P. L. 1940, c. 153).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of the act of which this act is amendatory is amended to read as follows:

C. 34:2-21.8 Issuance of certificates; prerequisites.

8. The issuing officer shall issue such certificates only upon the application in person of the minor desiring employment, and after having approved and filed the following papers:

(1) A promise of employment signed by the prospective employer or by someone duly authorized by him, setting forth the
specific nature of the occupation in which he intends to employ such minor, the wage to be paid such minor, and the number of hours per day and days per week which said minor shall be employed.

(2) Evidence of age showing that the minor is of the age required by this act, which evidence shall consist of one of the following proofs of age and shall be required in the order herein designated, as follows:

(a) A birth certificate or certified transcript thereof or a signed statement of the recorded date and place of birth issued by a registrar of vital statistics or other officer charged with the duty of recording births, or

(b) A baptismal certificate or attested transcript thereof showing the date and place of birth, and date and place of baptism of the minor, or

(c) Other documentary evidence of age satisfactory to the issuing officer, such as a bona fide contemporary record of the date and place of the minor’s birth kept in the Bible in which the records of the births in the family of the minor are preserved, or a passport, showing the age of the minor, or a certificate of arrival in the United States, issued by the United States Immigration Office, showing the age of the minor, or a life insurance policy, provided that such other documentary evidence has been in existence at least 1 year prior to the time it is offered as evidence, and provided further that a school record of age or an affidavit of a parent or guardian or other written statement of age shall not be accepted, except as specified in paragraph (d) of this section.

(d) In the case none of the aforesaid proofs of age shall be obtainable and only in such case, the issuing officer may accept the school record or the school-census record of the age of the minor together with the sworn statement of a parent or guardian as to the age of the minor and also with a certificate signed by the physician authorized to sign the statements of physical fitness required by this section, specifying what in his opinion is the physical age of the minor. Such certificates shall show the height and weight of the minor and other facts concerning his physical development which were revealed by such examination and upon which the opinion of the physician is based as to the physical age of the minor. If the school or school-census record of age is not obtainable, the sworn statement of
the minor’s parent or guardian, certifying to the name, date and place of birth of the minor, together with a physician’s certificate of age as hereinbefore specified, may be accepted as evidence of age. The issuing officer shall administer said sworn statement.

The issuing officer shall, in issuing a certificate for a minor, require the evidence of age specified in paragraph (a) of this section in preference to that specified in paragraphs (b), (c) and (d) of this section and shall not accept the evidence of age permitted by any subsequent paragraph unless he shall receive and file evidence that the evidence of age required by the preceding paragraph or paragraphs cannot be obtained.

(3) A statement of physical fitness, signed by a medical inspector employed by the applicable board of education, or any other physician licensed to practice medicine and surgery, setting forth that such minor has been thoroughly examined by such medical inspector, or such other physician licensed to practice medicine and surgery, that he either is physically fit for employment in occupations permitted for persons under 18 years of age, or is physically fit to be employed under certain limitations, specified in the statement. If the statement of physical fitness is limited, the employment certificate issued thereon shall state clearly the limitations upon its use, and shall be valid only when used under the limitations so stated. The method of making such examinations shall be prescribed jointly by the Commissioner of Education and the State Department of Health; provided, however, no minor shall be required to submit to a physical examination, whose parent or guardian objects thereto in writing on the grounds such examination is contrary to his religious beliefs and practices.

(4) A school record signed by the principal of the school which the minor has last attended or by someone duly authorized by him, giving the full name, date of birth, grade last completed, and residence of the minor, provided, that in the case of a vacation certificate issued for work before or after school hours, such record shall also state that the child is a regular attendant at school, and in the opinion of the principal may perform such work without impairment of his progress in school, but such principal’s statement shall not be required for the issuance of a vacation certificate for work during regular school vacations.

2. This act shall take effect immediately.

Approved September 26, 1968.

Any property thus acquired shall be considered to be integral parts of the Interstate Highway System and the State highway system and the cost of said acquisition shall be considered as a part of the cost of the right-of-way of such highways. Any person whose property is purchased or otherwise acquired pursuant to this act shall receive just compensation therefor.

2. This act shall take effect immediately.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

Validating act.

1. No municipal ordinance heretofore enacted for the purpose of revising the entire zoning ordinance of the municipality shall be held invalid solely by reason of the failure to have given notice, pursuant to P. L. 1965, chapter 162 (C. 40:55-53), to the clerks of the adjoining municipalities of hearings on the proposal before the municipal planning board and governing body, provided notices of such hearing and of a hearing before the governing body on the ordinance following its introduction were published in a newspaper having general circulation in the municipality and the adjoining municipalities; and any action of any municipal officer or board taken under said ordinance is validated and confirmed. (1) To adopt and have a common seal and to alter the same at pleasure;

(2) To sue and to be sued;

(3) In the name of the sewerage authority and on its behalf, to acquire, hold, use and dispose of its service charges and other revenues and other moneys;

(4) In the name of the sewerage authority but for the local unit or units, to acquire, hold, use and dispose of other personal property for the purposes of the sewerage authority;

(5) In the name of the sewerage authority but for the local unit or units, to acquire by purchase, gift, condemnation or otherwise, real property and easements therein, necessary or useful and convenient for the purposes of the sewerage authority, and subject to mortgages, deeds of trust or other liens, or otherwise, and to hold and to use the same, and to dispose of property so acquired no longer necessary for the purposes of the sewerage authority;

(6) To provide for and secure the payment of any bonds and the rights of the holders thereof, and to purchase, hold and dispose of any bonds;

(7) To accept gifts or grants of real or personal property, money, material, labor or supplies for the purposes of the sewerage authority, and to make and perform such agreements and contracts as may be necessary or convenient in connection with the procuring, acceptance or disposition of such gifts or grants;

(8) To enter on any lands, waters or premises for the purpose of making surveys, borings, soundings and examinations for the purposes of the sewerage authority;

(9) To make and enforce by-laws or rules and regulations for the management and regulation of its business and affairs and for the use, maintenance and operation of the sewerage system and any other of its properties, and to amend the same;

(10) To do and perform any acts and things authorized by this act under, through or by means of its own officers, agents and employees, or by contracts with any persons;

(11) To enter into any and all contracts, execute any and all instruments, and do and perform any and all acts or things neces-
sary, convenient or desirable for the purposes of the sewerage authority or to carry out any power expressly given in this act; and

(12) To enter into any and all lease agreements with sewerage authorities, and municipalities, and counties operating sewerage systems, for the rental of equipment owned by authority and municipality and/or county, together with the personnel to operate said equipment.

2. Section 8 of the act of which this act is amendatory is amended to read as follows:

C. 40:14A-8 Rates and service charges.

8. (a) Every sewerage authority is hereby authorized to charge and collect rents, rates, fees or other charges (in this act sometimes referred to as "service charges") for direct or indirect connection with, or the use or services of, the sewerage system. Such service charges may be charged to and collected from any person contracting for such connection or use or services or from the owner or occupant, or both of them, of any real property which directly or indirectly is or has been connected with the system or from or on which originates or has originated sewage or other wastes which directly or indirectly have entered or may enter the sewerage system, and the owner of any such real property shall be liable for and shall pay such service charges to the sewerage authority at the time when and place where such service charges are due and payable.

(b) Rents, rates, fees and charges, which may be payable periodically, being in the nature of use or service charges, shall as nearly as the sewerage authority shall deem practicable and equitable be uniform throughout the district for the same type, class and amount of use or service of the sewerage system, and may be based or computed either on the consumption of water on or in connection with the real property, making due allowance for commercial use of water, or on the number and kind of water outlets on or in connection with the real property, or on the number and kind of plumbing or sewerage fixtures or facilities on or in connection with the real property, or on the number of persons residing or working on or otherwise connected or identified with the real property, or on the capacity of the improvements on or connected with the real property, or on any other factors determining the type, class and amount of use or service of the sewerage system, or on any combination of any such factors, and may give weight to the characteristics of the sewage and other wastes and
any other special matter affecting the cost of treatment and disposal thereof, including chlorine demand, biochemical oxygen demand, concentration of solids and chemical composition. In addition to any such periodic service charges, a separate charge in the nature of a connection fee or tapping fee, in respect of each connection of any property with the sewerage system may be imposed upon the person making such connection or upon the owner or occupant of the property so connected. Such connection charges shall be uniform within each class of users but the amount thereof shall otherwise be entirely within the discretion of the authority in order that the combination of such connection fee or tapping fee and the aforesaid periodic service charges shall meet the requirements of subsection (c) hereof.

(c) The sewerage authority shall prescribe and from time to time when necessary revise a schedule of such service charges, which shall comply with the terms of any contract of the sewerage authority and in any event shall be such that the revenues of the sewerage authority will at all times be adequate to pay all expenses of operation and maintenance of the sewerage system, including reserves, insurance, extensions, and replacements, and to pay punctually the principal of and interest on any bonds and to maintain such reserves or sinking funds therefor as may be required by the terms of any contract of the sewerage authority or as may be deemed necessary or desirable by the sewerage authority. Said schedule shall thus be prescribed and from time to time revised by the sewerage authority after public hearing thereon which shall be held by the sewerage authority at least 7 days after such published notice as the sewerage authority may determine to be reasonable. The sewerage authority shall likewise fix and determine the time or times when and the place or places where such service charges shall be due and payable and may require that such service charges shall be paid in advance for periods of not more than 1 year. A copy of such schedule of service charges in effect shall at all times be kept on file at the principal office of the sewerage authority and shall at all reasonable times be open to public inspection.

(d) Any county sewerage authority may establish sewerage regions in portions of the district. Rents, rates, fees and charges which may be payable periodically, being in the nature of use or service charges, shall as nearly as the sewerage authority shall deem practical and equitable, be uniform throughout the district.
for the same type, class and amount of use or service of the sewage
systems and shall meet all other requirements of subsection (b)
hereof.

3. This act shall take effect immediately.

Approved October 7, 1968.

CHAPTER 318

AN ACT concerning insurance contracts, supplementing subtitle 3
of Title 17 of the Revised Statutes, and repealing sections
17:34-18, 17:34-28, 17:34-29, 17:34-30 and section 5 of chapter

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

C. 17:35B-1 Insurable interest.

1. Insurable interest. (a) Every individual has an insurable
interest in his own life, body and health. The term ‘‘insurable
interest’’ as used in this act, shall include only such an interest
and the following interests in the life, body and health of other
individuals:

(1) In the case of individuals related closely by blood or by
law, a substantial interest engendered by love and affection;

(2) In the case of other individuals, a lawful and substan­tial
economic interest in having the life, health, or bodily
safety of the individual insured continue, and

(3) An individual heretofore or hereafter party to a con­tract
or option for the purchase or sale of an interest in a
business partnership or firm, or of shares of stock of a closed
corporation or of an interest in such shares, has an insurable
interest in the life, body and health of each individual party
to such contract for the purposes of such contract only, in
addition to any insurable interest which may otherwise exist
as to such individual.
(b) No person shall procure or cause to be procured any insurance contract upon the life, body or health of another individual unless the benefits under such contract are payable to the individual insured or his personal representatives, or to a person having, at the time when such contract was made, an insurable interest in the individual insured. A person liable for the support of a child may procure a policy of insurance on such child.

(c) If the beneficiary, assignee, or other payee under any contract made in violation of this section receives from the insurer any benefits thereunder accruing upon the death, disablement, or injury of the individual insured, the individual insured or his executor or administrator, as the case may be, may maintain an action to recover such benefits from the person so receiving them.

(d) An insurer shall be entitled to rely upon all statements, declarations and representations made by an applicant for insurance relating to the insurable interest of the applicant in the insured; and no insurer shall incur legal liability, except as set forth in the policy, by virtue of any untrue statements, declarations or representations so relied upon in good faith by the insurer.

(e) This section shall not apply to group life insurance, group health insurance or blanket insurance.

C. 17:35B-2 Minors.

2. Minors. (a) Any minor not less than 15 years of age may, notwithstanding such minority, contract for annuities or for insurance, or affirm by novation or otherwise pre-existing contracts for annuities or insurance, upon his own life, body or health, or upon the life, body or health of another person in whom the minor has an insurable interest.

(b) Any minor not less than 15 years of age may, notwithstanding such minority, acquire ownership of and exercise every right, privilege and power with respect to or under any contract of annuity or insurance upon the life, body or health of such minor or of another person, whether or not such contract was applied for by such minor. A minor shall be deemed competent to receive and give full acquittance for any payment made by any one insurer under the provisions and options of, or under a settlement agreement arising from, any such contract, as follows:

(1) As to a minor not less than 15 years of age—a payment or payments in aggregate not exceeding $2,000.00 in any 1 calendar year, or,
(2) As to a minor not less than 18 years of age—a payment or payments in aggregate not exceeding $5,000.00 in any 1 calendar year;

provided that prior to any such payment to a minor the insurer has not received at its home office written notice of the appointment of a duly qualified guardian of the property of the minor. A minor shall not be deemed competent to alienate the right to or to anticipate or commute such payment. A minor shall not by reason of his minority, be entitled to rescind, avoid or repudiate such a contract or any exercise of a right, privilege or power, or acquittance given, thereunder; except that a minor not otherwise emancipated shall not be bound by any unperformed agreement to pay, by promissory note or otherwise, any premium on any such annuity or insurance contract.

C. 17:35B-3  Application as evidence.

3. Application as evidence. (a) No application for the issuance of any life or health insurance policy shall be admissible in evidence in any action relative to such policy, unless a copy of the application was attached to or endorsed upon the policy when issued.

(b) If any policy of life or health insurance delivered in this State is reinstated or renewed, and the insured or the beneficiary or assignee of the policy makes written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall, within 30 days after receipt of such request at its home office, deliver or mail to the person making such request a copy of such application reproduced by any legible means. In the case of such a request from a beneficiary or assignee, the time within which the insurer is required to furnish a copy of such application shall not begin to run until after receipt of evidence satisfactory to the insurer of the beneficiary’s or assignee’s interest in the policy.

(c) No alteration of any written application for any such policy shall be made by any person other than the applicant without his written consent, except that insertions may be made by the insurer, for administrative purposes only, in such manner as to indicate clearly that such insertions are not to be ascribed to the applicant.

(d) The falsity of any statement in the application for any policy covered by this act may not bar the right to recovery thereunder unless such false statement materially affected either the acceptance of the risk or the hazard assumed by the insurer.
C. 17:35B-4 Filing of forms.

4. Filing of forms. (a) No life insurance policy, or application where written application is required and is to be made a part of such policy, or printed rider or endorsement for use with such policy, shall be delivered or issued for delivery in this State unless the form thereof has been submitted to and filed by the commissioner.

(b) At the expiration of 30 days after submission the form shall be deemed filed unless prior thereto it has been affirmatively filed or disapproved for filing by order of the commissioner.

(c) If any such form is disapproved for filing by the commissioner during said 30-day period, it may not be so delivered or issued for delivery unless and until such disapproval for filing is withdrawn. Such disapproval for filing shall be subject to review by the Superior Court in a proceeding in lieu of prerogative writ. Any withdrawal of a filing by the commissioner of any such form which has been filed or deemed filed shall not become effective until the expiration of 45 days from the date of such withdrawal.

(d) The commissioner may extend the 30-day period referred to above not more than 30 additional days by giving written notice of such extension before the expiration of the initial 30-day period. In the event of such extension all the provisions of this section except this provision for extension relating to the initial 30-day period shall apply to the extended period instead of such initial 30-day period.

(e) The disapproval for filing or the withdrawal of a filing of any such form by the commissioner must state in writing the grounds therefore in such detail as reasonable to inform the insurer thereof.

(f) This section shall not apply to documents which relate only to the manner of distribution of benefits or to the reservation of rights and benefits under life insurance policies and which are used at the request of the individual policyholder.

(g) The commissioner may exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof as specified in such order, to which, in his opinion, this section may not practicably be applied, or the filing of which is, in his opinion, not desirable or necessary for the protection of the public.
5. Standard provisions—In general. (a) Life or health insurance policies or annuity contracts shall contain such standard or uniform provisions as are required for the particular kinds of insurance. The commissioner may, by affirmatively filing the policy, waive the required use of a particular provision in a particular insurance policy form upon a finding that such provision is unnecessary for the protection of the insured and inconsistent with the purposes of the policy.

(b) No such policy shall contain any provision inconsistent with or contradictory to any applicable standard or uniform provision but a policy may contain, and the commissioner may file affirmatively a policy which contains, substitute provisions which are, in his opinion, not less favorable to the insured or owner if other than the insured, than the provisions otherwise required.

(c) In lieu of the provisions required for particular kinds of insurance, substantially similar provisions required by the law of the domicile of a foreign or alien insurer may be used when affirmatively filed by the commissioner.

6. Assignment of insurance policies and annuity contracts. An insurance policy or annuity contract may be assignable or not assignable, as provided by its terms. Subject to its terms relating to assignability, any life or health insurance policy or annuity contract, whether heretofore or hereafter issued, under the terms of which the beneficiary may be changed upon the sole request of the insured or owner, if other than the insured, may be assigned either by pledge or transfer of title, by an assignment executed by the insured or such owner alone and delivered to the insurer, whether or not the pledgee or assignee is the insurer. Any such assignment shall entitle the insurer to deal with the assignee as the owner or pledgee of the insurance policy or annuity contract in accordance with the terms of the assignment, until the insurer has received at its home office written notice of termination of the assignment or pledge, or written notice by or on behalf of some other person claiming some interest in the insurance policy or annuity contract in conflict with the assignment.

7. Payment discharges insurer. Whenever the proceeds of or payments under a life or health insurance policy or annuity contract heretofore or hereafter issued become payable in accordance with
the terms of such policy or contract, or the exercise of any right
or privilege thereunder, payment thereof by the insurer in
accordance therewith or in accordance with any written assignment
thereof shall fully discharge the insurer from all claims under the
policy or contract unless, before payment is made, the insurer has
received at its home office written notice by or on behalf of some
other person that such other person claims to be entitled to such
payment or some interest in the policy or contract.

C. 17:35B-8 Life insurance proceeds exempt.

8. Exemption of proceeds—Life insurance. (a) If a policy of
insurance, whether heretofore or hereafter issued, is effected by
any person on his own life, or on another life, in favor of a person
other than himself, or, except in cases of transfer with intent to
defraud creditors, if a policy of life insurance is assigned or in any
way made payable to any such person, then the lawful beneficiary,
assignee or payee of such policy, other than

(1) The insured,
(2) The person so effecting such insurance, or
(3) The executors or administrators of such insured or the
person so effecting such insurance,
shall be entitled to its proceeds and avails against the creditors
and representatives of the insured and of the person effecting the
same, whether or not

(a) The right to change the beneficiary is reserved or per­
mitted, or
(b) The policy is made payable to the person whose life is
insured or to the executors or administrators of such person
if the beneficiary shall predecease such person.

(b) Such proceeds and avails shall be exempt from any liability
for any debt of the beneficiary existing at the time the proceeds
and avails become available for his use; provided that, subject to
the statute of limitations, the amount of any premiums for such
insurance paid with intent to defraud creditors, with interest
thereon, shall inure to their benefit from the proceeds of the policy;
but the insurer issuing the policy shall be discharged of all liability
thereon by payment of its proceeds in accordance with its terms,
unless, before such payment, the insurer shall have received
written notice at its home office, by or in behalf of a creditor, of a
claim to recover for transfer made or premiums paid with intent
to defraud creditors setting forth such facts as will enable the
insurer to ascertain the particular policy.
(c) For the purposes of subsections (a) and (b) above, a policy shall also be deemed to be payable to a person other than the insured if and to the extent that a facility-of-payment clause or similar clause in the policy permits the insurer to discharge its obligation after the death of the individual insured by paying the death benefits to a person as permitted by such clause.

C. 17:358-9 Married woman's benefit.

9. Married woman—Inure to benefit of. Every policy of life insurance made payable to or for the benefit of a married woman, or after its issue assigned, transferred or in any way made payable to a married woman, or to any person in trust for her or for her benefit, whether procured by herself, her husband or by another person, and whether the assignment or transfer is made by her husband or by another person, shall inure to her separate use and benefit, and to that of her children, according to the terms and provisions of the policy or assignment, subject to the provisions of section 8 of this act relating to premiums paid in fraud of creditors.

C. 17:358-10 Annuity proceeds exempt.

10. Exemption of proceeds—Annuity contracts. (a) The benefits, rights, privileges, powers and options which under any annuity contract heretofore or hereafter issued are due or prospectively due the annuitant, shall not be subject to execution, garnishment, attachment, sequestration or other legal process nor shall the annuitant be compelled to exercise any such rights, privileges, powers, or options, nor shall creditors be allowed to interfere with or terminate the contract, except:

(1) As to amounts paid, with intent to defraud creditors, for or as consideration for any such annuity, with interest thereon, and of which the creditor has given the insurer written notice at its home office prior to the making of the payments to the annuitant out of which the creditor seeks to recover. Any such notice shall set forth such facts as will enable the insurer to ascertain the particular annuity contract.

(2) The total exemption of benefits presently due and payable to any annuitant periodically or at stated times under all annuity contracts under which he is an annuitant, shall not at any time exceed $500.00 per month for the length of time represented by such installments, and such periodic payments in excess of $500.00 per month shall be subject to garnishee execution to the same extent as are wages and salaries.
(3) If the total benefits presently due and payable to any annuitant under all annuity contracts under which he is an annuitant, shall at any time exceed payment at the rate of $500.00 per month, then the court may order such annuitant to pay to a judgment creditor or apply on the judgment, in installments, such portion of such excess benefits as to the court may appear just and proper, after due regard for the reasonable requirements of the judgment debtor and his family, if dependent upon him as well as any prior court orders.

(b) If the contract so provides, the benefits, rights, privileges, powers or options accruing under such contract to a beneficiary or assignee shall not be transferable nor subject to commutation, and if the benefits are payable periodically or at stated times, the same exemptions and exceptions contained herein for the annuitant, shall apply with respect to such beneficiary or assignee.

C. 17:35B-11 Group insurance proceeds exempt.
11. Exemption of proceeds—Group insurance. (a) A policy of group life insurance or group health insurance or the proceeds thereof payable to the individual insured or to the beneficiary thereunder, shall not be liable, either before or after payment, to be applied by any legal or equitable process to pay any debt or liability of such insured individual or his beneficiary or of any other person having a right under the policy. The proceeds thereof, when not made payable to a named beneficiary or to a third person pursuant to a facility-of-payment clause, shall not constitute a part of the estate of the individual insured for the payment of his debts. Nothing herein contained shall apply to any income disability benefit in any action to recover for necessaries contracted for after the commencement of the disability covered by the disability clause or contract allowing such income benefit.

(b) This section shall not apply to group insurance covering the debtors of a creditor, to the extent that such proceeds are applied to payment of the obligation for the purpose of which the insurance was so issued.

C. 17:35B-12 Policy settlements.
12. Policy settlements. Any life insurer shall have the power to hold under agreement the proceeds of any policy issued by it, upon such terms and restrictions as to revocation by the policyholder and control by beneficiaries, and with such exemptions from
the claims of creditors of beneficiaries other than the policyholder as set forth in the policy or as agreed to in writing by the insurer and the policyholder. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 39:3-4 of the Revised Statutes is amended to read as follows:

Registration of automobiles and motorcycles; application, registration certificates, expiration, issuance; penalty.

39:3-4. Except as hereinafter provided, every resident of this State and every nonresident whose automobile or motorcycle shall be driven in this State shall before using such vehicles on the public highways, register the same, and no automobile or motorcycle shall be driven unless so registered.

Such registration shall be made in the following manner: An application in writing, signed by the applicant or by an agent or officer in case the applicant is a corporation, shall be made to the director or his lawful agent, on forms prepared and supplied by the director, containing the name, address and age of the owner, together with a description of the character of the automobile or motorcycle, including the name of the maker and the manufacturer's number or the motor number, or both, and any other statement that may be required by the director. If the vehicle is insured by motor vehicle liability insurance as provided for in section 3 of chapter 173 of the laws of 1952, the applicant must file a certificate, issued by the insurance carrier, which sets forth the following:

(a) the name and address of the insured;
(b) the name and address of the insurer;
(c) the limits of liability of the insurance policy covering the vehicle to be registered;
(d) the policy number; and
(e) the policy renewal date.

In the event that such insurance is terminated, the owner of such vehicle shall notify the director within 5 days, and the insurer shall notify the director within 30 days, following such termination; provided, however, the owner of such vehicle shall have the privilege of:

(a) obtaining other motor vehicle liability insurance in compliance with the requirements of section 3 of chapter 173 of the laws of 1952 and with this act, or
(b) paying the fee prescribed by the director pursuant to section 3 of chapter 174 of the laws of 1952 for registration of an uninsured motor vehicle in this State on a pro rata basis.

Thereupon the director shall have the power to grant a registration certificate to the owner of any motor vehicle, if over 17 years of age, application for the registration having been properly made and the fee therefor paid, and the vehicle being of a type that complies with the requirements of this subtitle. The form and contents of the registration certificate to be issued shall be prescribed by the director. The director shall maintain a record of all registration certificates issued, and of the contents thereof.

Every registration shall expire and the certificate thereof become void on the last day of the twelfth calendar month following the calendar month in which the certificate was issued; provided, however, that the director may, at his discretion and for good cause shown, require registrations which shall expire, and issue certificates thereof which shall become void, on a date fixed by him, which date shall not be sooner than 3 months nor later than 16 months after the date of issuance of such certificates, and the fees for such registrations shall be fixed by the director in amounts proportionately less or greater than the fees established in this Title.

The director shall issue registration certificates for the following registration period, on and after the first day of the calendar month immediately preceding the commencement of such registration period, such registration certificates to be effective immediately.

Application forms for all renewals of registrations for passenger automobiles shall be mailed by the director from the central office
of the division to the last addresses of owners of motor vehicles and motorcycles, as they appear on the records of the division.

No person owning or having control over any unregistered motor vehicle shall permit the same to be parked or to stand on a public highway.

Any motor vehicle inspector or police officer is authorized to remove any such unregistered vehicle from the public highway to a storage space or garage, the expense involved in such removal and storing of said motor vehicle to be borne by the owner of such vehicle.

Any person violating the provisions of this section shall be subject to a fine not exceeding $100.00, except that for the misstatement of any fact in the application required to be made by the director, the person making such statement shall be subject to the penalties provided in section 39:3-37 of this Title.

Nothing in this section shall be construed to alter or extend the expiration date of any registration certificate issued prior to March 1, 1956.

2. Section 5 of P. L. 1952, chapter 175 (C. 39:6-96) is amended to read as follows:

C. 39:6-96 Net value of fund; determination.

5. The commissioner, on or before April 1, shall ascertain and determine the net value of the fund as of the next preceding December 31. The net value of the fund shall be determined by deducting from the value of the assets of the fund, the aggregate actual and estimated liabilities of the fund as determined by the commissioner. When the net value of the fund, as thus determined, reaches $6,000,000.00 no further payments to said fund shall be required to be made; provided, however, that whenever, thereafter, the net value of said fund shall be reduced below the aforesaid amount, by reason of payments from and known and estimated liabilities of said fund, then such payments to said fund shall be resumed in the manner provided in section 4 of this act, and shall continue in such manner until said fund, over and above its known and estimated liabilities, shall reach the aforesaid defined amount.

3. The State Treasurer is directed to transfer from the Motor Vehicle Liability Security Fund, established pursuant to P. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

2. Section 3 of the act of which this act is amendatory (C. 39:6-63) is amended to read as follows:

C. 39:6-63 Creation and maintenance of fund.

3. For the purpose of creating and maintaining the fund:

(a) (Deleted by amendment.)

(b) (Deleted by amendment.)

(c) (Deleted by amendment.)

(d) On December 30 in each year, beginning with 1956, the director shall calculate the probable amount which will be needed to carry out the provisions of this act during the ensuing registration license year. In such calculation, he shall take into consideration the amount presently reserved for pending claims, anticipated payments from the fund during said year, anticipated amounts to be reserved for claims pending during said year, and the desirability of maintaining a surplus over and above such anticipated payments and present and anticipated reserves, such surplus not to exceed the amount actually paid from the fund during the 12 full calendar
months immediately preceding the date of calculation. If, in his judgment, the estimated balance of the fund at the beginning of the next registration license year will be insufficient to meet such needs, he shall:

(1) Determine the amount to be fixed as the Unsatisfied Claim and Judgment Fund fee for such registration license year. Such fee shall in no case exceed $50.00 and shall be paid by each person registering an uninsured motor vehicle during such ensuing year at the time of registration in addition to any other fee prescribed by any other law.

(2) If the estimated total amount of Unsatisfied Claim and Judgment Fund fees to be collected during the ensuing registration license year shall be insufficient, in the judgment of the director, to provide the estimated amount needed to carry out the provisions of this act during the said ensuing registration license year, he shall assess this estimated deficiency against insurers for such year’s contribution to the fund. Such deficiency shall be apportioned among such insurers in the proportion that the net direct written premiums of each bears to the aggregate net direct written premiums of all insurers during the preceding calendar year as shown by the records of the commissioner. Such aggregate assessment, however, shall in no event exceed 1% of the aggregate net direct written premiums for such preceding calendar year. Each insurer shall pay the sum so assessed to the treasurer on or before March 31, next following.

(e) Whenever any of the provisions of this act concerning the method and sources of assessments, the maximum amounts payable from the fund, eligibility or qualifications of claimants, or amounts to be deducted from payments made from the fund are amended by law, between January 1 and April 30 in any year, the director may, if he deems it necessary, rescind any assessment made on December 30 of the preceding year. He shall then, within 15 days of the adoption of such amendment, recalculate the probable amount which will be needed to carry out the provisions of this act during the ensuing registration license year, in accordance with the provisions of subsection (d) of this section. If, in his judgment, the estimated balance of the fund at the beginning of the next registration license year will be insufficient to meet such needs, he shall determine the Unsatisfied Claim and Judgment Fund fee and the contributions of insurers, if any, in accordance with the provisions of subsection (d) of this section. In the event of a rescission and
reassessment subsequent to March 1 in any year, insurers shall pay the sum so assessed, if any, to the treasurer within 90 days of the date of such assessment.

C. 39:6-63.2 Verification of liability insurance; filing, contents.

3. Every insurance company and selfinsurer or broker, agent or authorized representative of either thereof insuring any vehicle shall file a verification of motor vehicle liability insurance on a form provided by the director which shall include the name of the insured, the policy number, the effective date and termination date of the policy and such other information prescribed by the director.

4. Section 7 of the act of which this act is amendatory (C. 39:6-67) is amended to read as follows:

7. Defense of actions against motorists. The insurer to whom any action has been assigned may through counsel enter an appearance on behalf of the defendant, file a defense, appear at the trial or take such other steps as it may deem appropriate on the behalf and in the name of the defendant, and may thereupon, on the behalf and in the name of the defendant, conduct his defense, take recourse to any appropriate method of review on behalf of, and in the name of, the defendant, and all such acts shall be deemed to be the acts of such defendant; provided, however, that nothing contained herein shall deprive defendant of the right to also employ his own counsel and defend the action. All expense incurred by such insurer in connection with any review prosecuted or defended by it from a judgment rendered in such action, shall be borne by the fund, and its attorneys’ fees in connection therewith, unless agreed to between the board and the attorney, shall be subject to approval by the court.

5. Section 12 of the act of which this act is amendatory (C. 39:6-72) is amended to read as follows:

C. 39:6-72 Settlement of actions against motorists.

12. (a) In any action against an operator or owner of a motor vehicle for injury to or death of any person or for damage to property arising out of the ownership, maintenance or use of said vehicle in this State on or after April 1, 1955, pending in any court of competent jurisdiction in this State, the plaintiff may upon notice to the board file a verified petition with the court alleging

(1) the matters set forth in subparagraphs (a), (b), (c), (d), (e) and (f) of section 10;
(2) that the petition is not presented on behalf of an insurer under circumstances set forth in subparagraph (1) of section 10;

(3) that he has entered into an agreement with the defendant to settle all claims set forth in the complaint in said action and the amount proposed to be paid to him pursuant thereto;

(4) that the said proposed settlement has been entered into with and by the consent of the County, county district, or Superior Court and approved by the manager of the fund;

(5) that the defendant has executed and delivered to the board a verified statement of his financial condition;

(6) that a judgment against the defendant would be uncollectible;

(7) that the defendant has undertaken in writing to repay to the treasurer the sum that he would be required to pay under such settlement, and has executed a confession of judgment in connection therewith.

If the court be satisfied of the truth of the allegations in said petition and of the fairness of such proposed settlement, it may enter an order approving the same and directing the treasurer, upon receipt of the undertaking and confession of judgment mentioned in subparagraph (7) of this section, to make payment to the plaintiff of the amount agreed to be accepted.

(b) An insurer to whom a claim has been assigned may settle any claim involving the payment of less than $5,000.00 with the approval of the manager of the fund or any claim involving payment of $5,000.00 or more with the approval of the board, without court approval, if satisfied

(1) that the claimant is not a person of the character described in subparagraphs (a), (b), (c), (d), (e) and (f) of section 10;

(2) that the settlement is not made on behalf of an insurer under circumstances set forth in subparagraph (e) of section 10; and

(3) that a judgment against the owner or operator of the motor vehicle involved in the accident would be uncollectible, and that such owner or operator has consented to such settlement, executed and delivered to the board a verified statement of his financial condition and undertaken in writing to repay to the treasurer the sum to be paid under the settlement, and executed a confession of judgment in connection therewith. Any settlement so made shall
be certified by the board to the treasurer, who shall, upon receipt of said undertaking to repay and confession of judgment, make the required payment to claimant out of the fund.

6. Section 17 of the act of which this act is amendatory (C. 39:6-77) is amended to read as follows:

C. 39:6-77 Assignment of judgments to director.

17. Assignment of judgments to director. The treasurer shall not pay any sum from the fund, in compliance with an order made for that purpose, in any case in which the claim is founded upon a judgment, except a judgment obtained against the director under this act, until the applicant assigns the judgment to the director and, thereupon, the director shall be deemed to have all the rights of the judgment creditor under the judgment and shall enforce and collect the same for the full amount thereof with interest and costs and if more money is collected upon any such judgment than the amount paid out of the fund, the director shall pay the balance, after reimbursing the fund, to the judgment creditor. Upon assignment of a judgment to the director the board may, on behalf of the director, enter into agreement with the defendant for reimbursement of the fund by lump sum or installment payments, including waiver of interest and subordination of the lien of the judgment where the same is determined to be advantageous in obtaining reimbursement of payments made by the fund. Any such agreement may be annexed to an application for a court order made pursuant to section 27 (b).

7. Section 25 of the act of which this act is amendatory (C. 39:6-85) is amended to read as follows:

C. 39:6-85 Subrogation.

25. Subrogation. When judgment has been obtained against the director in an action brought under this act, the director shall, upon payment from the fund of the amount of the judgment to the extent provided in this act, be subrogated to the cause of action of the judgment creditor against the operator and owner of the motor vehicle by which the accident was occasioned and shall bring an action against either or both of such persons for the amount of the damage sustained by the judgment creditor when and in the event that the identity of either or both of such persons shall be established, and shall recover the same out of any funds which would be payable in respect to the death or injury under any policy of insurance, which was in force, at the time of
the accident and in event that more is recovered and collected in any such action than the amount paid out of the fund by reason of the judgment, the treasurer shall pay the balance, after reimbursing the fund, to the judgment creditor.

8. Section 27 of the act of which this act is amendatory (C. 39:6-87) is amended to read as follows:

C. 39:6-87 Registration, etc., not restored until fund is reimbursed.

27. Registration, et cetera, not restored until fund is reimbursed. Where the license or privileges of any person, or the registration of a motor vehicle registered in his name, has been suspended or cancelled under the Motor Vehicle Security-Responsibility Law of this State, and the treasurer has paid from the fund any amount in settlement of a claim or towards satisfaction of a judgment against that person, the cancellation or suspension shall not be removed, nor the license, privileges, or registration, restored, nor shall any new license or privilege be issued or granted to, or registration be permitted to be made by, that person until he has

(a) Repaid in full to the treasurer the amount so paid by him together with interest thereon at 6% per annum from the date of such payment; and

(b) Satisfied all requirements of said Motor Vehicle Security-Responsibility Law in respect of giving proof of ability to respond in damages for future accidents, provided, that the court in which such judgment was rendered may, upon 10 days' notice to the board, make an order permitting payment of the amount of such person's indebtedness to the fund, to be made in installments, and in such case, such person's driver's license, or his driving privilege, or registration certificate, if the same have been suspended or revoked, or have expired, may be restored or renewed and shall remain in effect unless and until such person defaults in making any installment payment specified in such order. In the event of any such default, the director shall upon notice of such default suspend such person's driver's license, or driving privileges or registration certificate until the amount of his indebtedness to the fund has been paid in full.

A discharge in bankruptcy shall not relieve a person from the penalties and disabilities provided in this act.
9. Section 39:3-37 of the Revised Statutes is amended to read as follows:

**Falsifying application or examination; penalty; revocation of registration or license.**

39:3-37. A person who gives a fictitious name or address or makes any other misstatement of fact in his application for registration of a motor vehicle or driver’s license or in a preliminary application, examination or proceeding shall be subject to a fine of not less than $500.00, or imprisonment for not more than 1 year or both, at the discretion of the court. The director shall, upon proper evidence not limited to a conviction in court, of the misstatement or fictitious name or address, revoke the registration of the motor vehicle or driver’s license as the case may be for a period of not less than 2 years.

10. Section 39:3-40 of the Revised Statutes is amended to read as follows:

**Driving when license refused, suspended, revoked or prohibited; motor vehicle registration revoked; penalty.**

No person whose motor vehicle registration has been revoked shall operate or permit the operation of such motor vehicle during the period of such revocation.

A person violating any provision of this section shall be fined not less than $200.00 nor more than $1,000.00, or be imprisoned in the county jail for not more than 6 months, or both provided, that if while operating a vehicle in violation of this section, such person is involved in an accident resulting in personal injury, the punishment shall include imprisonment for not less than 45 days.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of the act of which this act is amendatory (C. 17:35A-5) is amended to read as follows:

C. 17:35A-5 Form of contract or group certificate and application; filing; acknowledgment by commissioner; grounds for disapproval; required provisions; regulations.

No such form shall be issued or used until the commissioner shall give his prior written acknowledgment of the filing of such form.
The commissioner shall disapprove or withdraw approval of any such contract form, application or certificate if:

(i) such contract or application or certificate contains provisions which are unjust, unfair, inequitable, ambiguous, misleading, likely to result in misrepresentation, or contrary to law, or

(ii) sales of such contracts are being solicited by any means of advertising, communication or dissemination of information which involves misleading or inadequate description of the provisions of the contract, or

(iii) such contracts are being issued in disregard of reasonable regulations which shall be promulgated by the Commissioner of Banking and Insurance relating to the conditions which must be met at time of issue of an individual contract on a variable basis for balance whereby (A) provision made for income from contracts on a variable basis shall not exceed (B) provision made for income payable in predetermined dollar amount (in whatever form such provision is made, including, but without limitation to, annuities, pensions, social security or other contracts or plans providing for the payment of income over a period of time).

He shall notify the company, specifying particulars, of his disapproval. It shall be unlawful for such company thereafter to issue any contract or certificate thereunder or use any application in the form so disapproved. (c) No individual annuity contract on a variable basis shall be delivered or issued for delivery in this State unless it contains in substance the following provisions:

(i) that, in the event of default in the payment of any consideration beyond the period of grace allowed by the contract for the payment thereof, the insurance company will make payment of the value of the contract, in accordance with a plan provided by the contract, commencing not later than the date
contractual payments by the company were otherwise to have commenced in accordance with the contract;

(ii) that, upon request of the contract holder received by the insurance company at least 4 months prior to the date contractual payments by the company were otherwise to have commenced, the company will make payment of the value of the contract, in accordance with a plan provided by the contract and selected by the contract holder, commencing as of the first day of the first month which is at least 4 months after the date of receipt of such request, unless another date of commencement is requested by the contract holder and agreed to by the company;

(d) Any individual contract on a variable basis delivered or issued for delivery in this State shall stipulate the expense, mortality, and investment increment factors to be used in computing the dollar amount of variable benefits or other contractual payments or values thereunder, and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts, except that such guarantee need not apply to any investment management fee which is subject to change with the approval by vote of the persons having beneficial interests in the variable contract account in which such contract participates. The mortality and investment increment factors used in computing the dollar amount of variable benefits or other contractual payments or values under an individual contract on a variable basis shall not produce a larger initial payment than would be produced by the use of the interest rate or rates and mortality table or tables specified in section 2 of chapter 148 of the laws of 1943 (C. 17:34-25.2) (the Standard Valuation Law) as amended and as such provision may be amended from time to time, as acceptable minimum standards for the valuation of the reserve liabilities of individual annuity and pure endowment contracts.
Any group contract on a variable basis delivered or issued for delivery in this State shall stipulate the expense, mortality and investment increment factors to be used in computing the dollar amount payable with respect to a unit of variable benefits purchased thereunder and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts, except that such guarantee need not apply to any investment management fee which is subject to change with the approval by vote of the persons having beneficial interests in the variable contract account in which such contract participates.

"Expense" as used in this subsection (d), may exclude some or all taxes, as stipulated in the contract. Any company issuing a contract on a variable basis shall submit annually to the Commissioner of Banking and Insurance a separate annual statement for the business of its variable contract accounts. This statement shall be on the same form as that prescribed by the commissioner for insurance companies doing business in New Jersey which do not operate variable contract accounts, and shall include details as to all of the income, disbursements, assets and liability items associated with the variable contract accounts.

The commissioner shall make a separate valuation of the assets of the variable contract accounts and a copy of such valuation shall be filed in the commissioner's office as a public document.

Such valuation shall be on the same basis required of a life insurance company doing business in New Jersey but which has not established a variable contract account.

The commissioner shall further prescribe by regulation the steps to be taken by the company in disposing of those holdings which at any time subsequent to purchase fail to meet the standards and regulations for new investments.

(1) every corporation which is organized under this act;
(2) every corporation which reincorporates under this act pur­
suant to section 14A:1-4;
(3) every corporation which was organized under or became
subject to, any heretofore enacted law of this State with respect
to which power to amend or repeal was reserved to the Legislature,
and which provided for the organization of a corporation or cor­
porations for a purpose or purposes for which a corporation may
be organized under this act;
(4) every corporation organized under or subject to any other
law of this State providing for the organization of corporations
for any purpose for which a corporation may not be organized
under this act
(a) to the extent that this act provides that this act shall be
applicable, in whole or in part, to any such corporation; or
(b) to the extent that the law applicable to any such corpo­
rations provides that this act shall be applicable to any such
corporation;
(5) foreign corporations to the extent provided in this act; and
(6) commerce with foreign nations and among the several
states, and to foreign corporations, including those formed by or
under any act of Congress, only to the extent permitted under
the Constitution and laws of the United States.

14A:1-4 Reincorporation under this act by certain corporations organized under
special acts.
Any corporation which has been organized by special act of the
Legislature for any of the purposes permitted by this act, and to
which this act does not apply pursuant to section 14A:1-3, may
come under and be subject to the provisions of this act, and con­
tinue in existence and operation as if organized hereunder, by
amending its certificate of incorporation pursuant to the provisions
of this act and filing a certificate of such amendment in the office
of the Secretary of State, together with a certificate waiving any
right of exemption from taxation and from privileges and advantages arising under such special act of incorporation. Thereupon, such corporation shall be deemed to be incorporated under this act and to be free from the liabilities and provisions of the act or acts under which it was formerly incorporated. Nothing in this section shall be held to affect such transactions, liabilities or debts of any such corporations, occurring before the filing of such certificate.

**14A:1-5 Reservation of power.**

This act may be supplemented, altered, amended or repealed by the Legislature, and every corporation, domestic or foreign, to which this act applies shall be bound thereby.

**14A:1-6 Execution, filing and recording of documents.**

(1) If a document relating to a domestic or foreign corporation is required or permitted to be filed in the office of the Secretary of State under this act:

(a) The document shall be in the English language, except that the corporate name need not be in the English language if written in English letters or Arabic or Roman numerals, and except that this requirement shall not apply to a certificate of good standing under paragraph 14A:2-4(2) (b), section 14A:2-5, or subsection 14A:13-4(2).

(b) The filing shall be accomplished by delivering the document to the office of the Secretary of State, together with the fees and any accompanying documents required by law. Thereupon, the Secretary of State shall endorse upon it the word “Filed” with his official title and the date of filing thereof, and shall file it in his office. If so requested at the time of the delivery of the document to his office, the Secretary of State shall include the hour of filing in his endorsement thereon.

(c) The transaction in connection with which the document has been filed shall be effective at the time of filing, unless a subsequent effective time is set forth in such document pursuant to any other provision of this act, in which case such transaction shall be effective at the time so specified, which shall in no event be later than 30 days after the date of filing.

(2) If a document relating to a domestic corporation or a foreign corporation is required or permitted to be filed under this act and is also required by this act to be executed on behalf of such corporation, the document shall be signed by the chairman of the
board, or the president or a vice-president. The name of any person so signing such a document, and the capacity in which he signs, shall be stated beneath or opposite his signature. The document may, but need not, contain

(a) the corporate seal; or

(b) an attestation by the secretary or an assistant secretary of the corporation; or

(c) an acknowledgment or proof.

If the corporation is in the hands of a receiver, trustee, or other court appointed officer, the document shall be signed by such fiduciary or the majority of them, if there are more than one.

(3) If a document relating to a domestic or foreign corporation was required or permitted to be filed in the office of the Secretary of State under the law in force prior to the effective date of this act and was or is duly executed before or after the effective date of this act, in accordance with such law, to reflect any vote, consent, certification, or action by directors, officers, or shareholders of a corporation or by any such persons on behalf of the corporation, duly taken, given or made before the effective date of this act, such document and any annual report by a corporation, so executed, may be filed in the office of the Secretary of State on the effective date of this act, and within 6 months thereafter.

(4) The Secretary of State shall record all documents, excepting annual reports, which relate to or in any way affect corporations, and which are required or permitted by law to be filed in his office. The recording may be effected by typewritten copy, or by photographic, microphotographic or microfilming process, or in such other manner as may be provided by law. Such records shall be kept in a place separate and away from the place where the originals are filed.

14A:1-7 Repeal of prior acts.

The repeal by this act of the whole or any part of any act under which there was organized any corporation in existence on the effective date of this act, shall not work a dissolution of such corporation, but such corporation, its officers, directors and shareholders shall have the same rights, and shall be subject to the same limitations, restrictions, liabilities and penalties as those prescribed by this act for corporations organized under this act, their officers, directors and shareholders.

In computing the period of time for the giving of any notice required or permitted by this act, or by a certificate of incorporation or by-laws or any resolution of directors or shareholders, the day on which the notice is given shall be excluded, and the day on which the matter noticed is to occur shall be included. If notice is given by mail, the notice shall be deemed to be given when deposited in the mail addressed to the person to whom it is directed at his last address as it appears on the records of the corporation, with postage prepaid thereon.

(1) Upon request of any person, the Secretary of State shall furnish certified copies of documents filed in his office in accordance with the provisions of this act.

CHAPTER 350, LAWS OF 1968

14A:2-2 Corporate name of domestic or foreign corporations.

(1) The corporate name of a domestic corporation or of a foreign corporation authorized to transact business in this State

(a) shall not contain any word or phrase, or abbreviation or derivative thereof, which indicates or implies that it is organized for any purpose other than one or more of the purposes permitted by its certificate of incorporation;

(b) shall not be the same as, or confusingly similar to, the corporate name of any domestic corporation, including a corporate name set forth in a certificate of incorporation filed in the office of the Secretary of State whose effective date is subsequent to the date of filing, as authorized by subsection 14A:2-7(2), or of any foreign corporation authorized to transact business in this State or any corporate name reserved or registered under this act, unless the written consent of such other domestic or foreign corporation or holder of a reserved or registered name to the adoption of its name, or a confusingly similar name is filed in the office of the Secretary of State with the certificate of incorporation or with the application for an original or amended certificate of authority to transact business in this State or, in lieu of such consent, there is filed a certified copy of a final judgment of a court of competent jurisdiction establishing the prior right of the corporation to the use of such name in this State, and

(c) shall not contain any word or phrase, or any abbreviation or derivative thereof, the use of which is prohibited or restricted by any other statute of this State, unless any such restrictions have been complied with.

(2) This section

(a) shall not require any domestic corporation organized prior to the effective date of this act or any foreign corporation authorized to transact business in this State prior to the effective date of this act to change its corporate name in order to comply with this section, if such name is otherwise lawful on the effective date of this act. No such corporation shall change its corporate name on or after the effective date of this act to a name which is not available for corporate use under this section;

(b) shall not prevent a domestic corporation with which another corporation, domestic or foreign, is merged, or which is formed by the reorganization or consolidation of one or more other domestic or foreign corporations or upon a sale, lease or other disposition to, or exchange with, a domestic corporation
of all or substantially all the assets of another corporation, domestic or foreign, including its name, from having the same corporate name as any of such corporations if at the time such other corporation was organized under the laws of, or is authorized to transact business in, this State; and

e) shall not prevent a foreign corporation from being authorized to transact business in this State under a fictitious name which is available for corporate use under this section if such corporation files in the office of the Secretary of State with its application for an original or amended certificate of authority a resolution of its board adopting such fictitious name for use in transacting business in this State.

3) The corporate name of a domestic corporation which has been dissolved and any name confusingly similar to the name of a domestic corporation which has been dissolved shall not be available for corporate use for 2 years after the effective time of dissolution, unless, within such 2 year period, the written consent of such dissolved corporation to the adoption of its name, or a confusingly similar name, is filed in the office of the Secretary of State with the certificate of incorporation of another domestic corporation or with the application of a foreign corporation for an original or amended certificate of authority to transact business in this State.

4) The filing in the office of the Secretary of State of the certificate of incorporation of a domestic corporation or the issuance by the Secretary of State of a certificate to a foreign corporation authorizing it to transact business in this State shall not preclude an action by this State to enjoin a violation of this section or an action by any person adversely affected to enjoin such violation or the use of a corporate name in violation of the rights of such person, whether on principles of unfair competition or otherwise. The court in any such action may grant any other appropriate relief.

14A:2-3 Reserved name.

(1) The exclusive right to the use of a corporate name may be reserved upon compliance with the provisions of this section.

(2) The reservation shall be made by filing in the office of the Secretary of State an application to reserve a specified corporate name, executed by or on behalf of the applicant and setting forth the name and address of the applicant. If the Secretary of State finds that the name complies with the provisions of section 14A:2-2,
he shall reserve it for the exclusive use of the applicant for a period of 120 days from the date of filing of the application and shall issue a certificate of reservation.

(3) The right to the exclusive use of a specified corporate name so reserved may be transferred by filing in the office of the Secretary of State a notice of such transfer, executed by or on behalf of the applicant for whom the name was reserved, and specifying the name and address of the transferee.

14A:2-4 Registered name.

(1) Any foreign corporation may register its corporate name under this act, provided its corporate name is available for use under section 14A:2-2.

(2) Such registration shall be made by filing in the office of the Secretary of State:

(a) An application for registration executed on behalf of the corporation, setting forth the name and the address of the main business or headquarters office of the corporation, the jurisdiction of its incorporation, the date of its incorporation, a statement that it is carrying on or doing business, and a brief statement of the business in which it is engaged; and

(b) A certificate setting forth that such corporation is in good standing under the laws of the jurisdiction of its incorporation, executed by the official of such jurisdiction who has custody of the records pertaining to corporations and dated not earlier than 30 days prior to the filing of the application.

(3) Such registration shall be effective until the close of the calendar year in which the application for registration is filed.

14A:2-5 Renewal of registered name.

A corporation which has a registration of its corporate name in effect may renew such registration from year to year by annually filing in the office of the Secretary of State an application for renewal setting forth the facts required to be set forth in an original application for registration, together with a certificate of good standing as required for the original registration. A renewal application may be filed between the first day of October and the thirty-first day of December in each year, and shall extend the registration for the following calendar year.

14A:2-6 Incorporators.

(1) One or more individuals or domestic or foreign corporations may act as incorporator or incorporators of a corporation by sign-
ing and filing in the office of the Secretary of State a certificate of incorporation for such corporation. Individuals acting as incorporators shall be at least 21 years of age. Incorporators need not be United States citizens or residents of this State or subscribers to shares in the corporation.

(2) Except as otherwise provided in the certificate of incorporation, any action required or permitted by this act to be taken by incorporators may be taken without a meeting.

(3) When there are two or more incorporators, if any dies or is for any reason unable to act, the other or others may act. If there is no incorporator able to act, any person for whom an incorporator was acting as agent may act in his stead, or if such other person also dies or is for any reason unable to act, his legal representative may act.

14A:2-7 Certificate of incorporation.

(1) The certificate of incorporation shall set forth:

(a) The name of the corporation;

(b) The purpose or purposes for which the corporation is organized. It shall be a sufficient compliance with this paragraph to state, alone or with specifically enumerated purposes, that the corporation may engage in any activity within the purposes for which corporations may be organized under this act, and all such activities shall by such statement be deemed within the purposes of the corporation, subject to expressed limitations, if any;

(c) The aggregate number of shares which the corporation shall have authority to issue; if such shares are to consist of one class only, the par value of each of such shares, or a statement that all of such shares are without par value;

(d) If the shares are, or are to be, divided into classes, or into classes and series, the designation of each class and series, the number of shares in each class and series, and a statement of the relative rights, preferences and limitations of the shares of each class and series, to the extent that such designations, numbers, relative rights, preferences and limitations have been determined;

(e) If the shares are, or are to be, divided into classes, or into classes and series, a statement of any authority vested in the board to divide the shares into classes or series or both, and to determine or change for any class or series its designation, number of shares, relative rights, preferences and limitations;
(f) Any provision not inconsistent with this act or any other statute of this State, which the incorporators elect to set forth for the management of the business and the conduct of the affairs of the corporation, or creating, defining, limiting or regulating the powers of the corporation, its directors and shareholders or any class of shareholders, including any provision which under this act is required or permitted to be set forth in the by-laws;

(g) The address of the corporation's initial registered office, and the name of the corporation's initial registered agent at such address;

(h) The number of directors constituting the first board and the names and addresses of the persons who are to serve as such directors;

(i) The names and addresses of the incorporators;

(j) The duration of the corporation if other than perpetual; and

(k) If, pursuant to subsection 14A:2-7(2), the certificate of incorporation is to be effective on a date subsequent to the date of filing, the effective date of the certificate.

(2) The certificate of incorporation shall be filed in the office of the Secretary of State. The corporate existence shall begin upon the effective date of the certificate, which shall be the date of the filing or such later time, not to exceed 30 days from the date of filing, as may be set forth in the certificate. Such filing shall be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and, after the corporate existence has begun, that the corporation has been incorporated under this act, except as against this State in a proceeding to cancel or revoke the certificate of incorporation or for involuntary dissolution of the corporation.

14A:2-8 Organization meeting of directors.

On or after the effective date of the certificate of incorporation, an organization meeting of the board named in the certificate of incorporation shall be held, at the call of a majority of the incorporators, to adopt by-laws, elect officers, and transact such other business as may come before the meeting. The incorporators calling the meeting shall give at least 5 days' notice thereof by mail to each director named in the certificate of incorporation, which notice shall state the time and place of the meeting.
14A:2-9 By-laws; making and altering.

(1) The initial by-laws of a corporation shall be adopted by the board at its organization meeting. Thereafter, the board shall have the power to make, alter and repeal by-laws unless such power is reserved to the shareholders in the certificate of incorporation, but by-laws made by the board may be altered or repealed, and new by-laws made, by the shareholders. The shareholders may prescribe in the by-laws that any by-law made by them shall not be altered or repealed by the board.

(2) The initial by-laws of a corporation adopted by the board at its organization meeting shall be deemed to have been adopted by the shareholders for purposes of this act.

(3) Any provision which this act requires or permits to be set forth in the by-laws may be set forth in the certificate of incorporation with equal force and effect.

14A:2-10 By-laws and other powers in emergency.

(1) The board of a corporation may adopt emergency by-laws, subject to repeal or change by action of the shareholders, which shall, notwithstanding any different provision elsewhere in this act or in the certificate of incorporation or by-laws, be operative during any emergency in the conduct of the business of the corporation resulting from an attack on the United States or any nuclear or atomic disaster. The emergency by-laws may make any provision that may be practical and necessary for the circumstances of the emergency, including provisions that

(a) a meeting of the board may be called by any officer or director in such manner and under such conditions as shall be prescribed in the emergency by-laws;

(b) the director or directors in attendance at the meeting, or any greater number fixed by the emergency by-laws, shall constitute a quorum; and

(c) the officers or other persons designated in a list approved by the board before the emergency, all in such order of priority and subject to such conditions and for such period of time, not longer than reasonably necessary after the termination of the emergency, as may be provided in the emergency by-laws or in the resolution approving the list, shall, to the extent required to provide a quorum at any meeting of the board, be deemed directors for such meeting.

(2) Before or during any such emergency, the board may provide, and from time to time modify, lines of succession in the event
that during such an emergency any or all officers or agents of the corporation shall for any reason be rendered incapable of discharging their duties.

(3) Before or during any such emergency, the board may change the head office or designate several alternative head offices or regional offices, or authorize the officers so to do, said change to be effective during the emergency.

(4) To the extent not inconsistent with any emergency by-laws so adopted, the by-laws of the corporation shall remain in effect during any such emergency and upon its termination the emergency by-laws shall cease to be operative.

(5) Unless otherwise provided in emergency by-laws, notice of any meeting of the board during any such emergency need be given only to such of the directors as it may be feasible to reach at the time and by such means as may be feasible at the time, including publication, or other means of mass communication.

(6) To the extent required to constitute a quorum at any meeting of the board during any such emergency, the officers of the corporation who are present shall, unless otherwise provided in emergency by-laws, be deemed, in order of rank and within the same rank in order of seniority, directors for such meeting.

(7) No officer, director or employee acting in accordance with any emergency by-laws shall be liable except for willful misconduct. No officer, director or employee shall be liable for any action taken by him in good faith in such an emergency in furtherance of the ordinary business affairs of the corporation even though not authorized by the by-laws then in effect.

(b) to sue and be sued, complain and defend and participate as a party or otherwise in any judicial, administrative, arbitra­tive or other proceeding, in its corporate name;

(c) to have a corporate seal which may be altered at pleasure, and to use the same by causing it, or a facsimile thereof, to be impressed or affixed or in any other manner reproduced;

(2) It shall not be necessary to set forth in the certificate of incorporation any corporate powers enumerated in this act.

14A:3-2 Ultra vires transactions.

No act of a corporation and no conveyance or transfer of real or personal property to or by a corporation shall be invalid by reason of the fact that the corporation was without capacity or power to do such act or to make or receive such conveyance or transfer, but such lack of capacity or power may be asserted:

(a) In a proceeding by a shareholder against the corporation to enjoin the doing of any act or acts or the transfer of real or personal property by or to the corporation. If the unauthorized acts or transfer sought to be enjoined are being, or are to be, performed or made pursuant to any contract to which the corporation is a party, the court may, if all of the parties to the contract are parties to the proceeding and if it deems the same to be equitable, set aside and enjoin the performance of such contract, and in so doing may allow to the corporation or to the other parties to the contract, as the case may be, compensation for the loss or damage sustained by either of them which may result from the action of the court in setting aside and enjoining the performance of such contract, but anticipated profits to be derived from the performance of the contract shall not be awarded by the court as a loss or damage sustained.
(b) In a proceeding by the corporation, whether acting directly or through a receiver, trustee, or other legal representative, or through shareholders in a representative suit, against the incumbent or former officers or directors of the corporation.

(c) In a proceeding by the Attorney General, as provided in this act, to dissolve the corporation, or in a proceeding by the Attorney General to enjoin the corporation from the transaction of unauthorized business.

14A:3-3 Guaranty not in furtherance of corporate purposes.

A corporation may give a guaranty not in furtherance of its corporate purposes only when authorized at a meeting of shareholders by the affirmative vote of two-thirds of the votes cast by the holders of each class and series of shares entitled to vote thereon. If authorized by a like vote, such guaranty may be secured by a mortgage of or a security interest in all or any part of the corporate property, or any interest therein, wherever situated.

14A:3-4 Contributions by corporations.

(1) Any corporation organized for any purpose under any general or special law of this State, unless otherwise provided in its certificate of incorporation or by-laws, shall have power, irrespective of corporate benefit, to aid, singly or in cooperation with other corporations and with natural persons, in the creation or maintenance of institutions or organizations engaged in community fund, hospital, charitable, philanthropic, educational, scientific or benevolent activities or patriotic or civic activities conducive to the betterment of social and economic conditions, and the directors may appropriate, spend or contribute for such purposes such reasonable sums as they may determine; provided, that a contribution shall not be authorized hereunder if at the time of the contribution or immediately thereafter the donee institution shall own more than 10% of the voting stock of the donor corporation or one of its subsidiaries.

(2) The provisions of this section shall not be construed as directly or indirectly minimizing or interpreting the rights and powers of corporations, as heretofore existing, with reference to appropriations, expenditures or contributions of the nature above specified.
14A:3-5 Indemnification of directors, officers and employees.

(1) As used in this section,
   (a) "corporate agent" means any person who is or was a director, officer, employee or agent of the indemnifying corporation and any person who is or was a director, officer, trustee, employee or agent of any other enterprise, serving as such at the request of the indemnifying corporation, or the legal representative of any such director, officer, trustee, employee or agent;
   (b) "other enterprise" means any domestic or foreign corporation, other than the indemnifying corporation, and any partnership, joint venture, sole proprietorship, trust or other enterprise, whether or not for profit, served by a corporate agent;
   (c) "expenses" means reasonable costs, disbursements and counsel fees;
   (d) "liabilities" means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties;
   (e) "proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding.

(2) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses and liabilities in connection with any proceeding involving the corporate agent by reason of his being or having been such a corporate agent, other than a proceeding by or in the right of the corporation, if
   (a) such corporate agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation; and
   (b) with respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful.

The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that such corporate agent did not meet the applicable standards of conduct set forth in paragraphs 14A:3-5(2) (a) and 14A:3-5(2) (b).

(3) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses in connection with any proceeding by or in the right of the corporation to procure a judg-
ment in its favor which involves the corporate agent by reason of his being or having been such corporate agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, in such proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which such corporate agent shall have been adjudged to be liable for negligence or misconduct, unless and only to the extent that the court in which such proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, such corporate agent is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

(4) Any corporation organized for any purpose under any general or special law of this State shall indemnify a corporate agent against expenses to the extent that such corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections 14A:3-5(2) and 14A:3-5(3) or in defense of any claim, issue or matter therein.

(5) Any indemnification under subsection 14A:3-5(2) and, unless ordered by a court, under subsection 14A:3-5(3), may be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection 14A:3-5(2) or subsection 14A:3-5(3). Such determination shall be made

(a) by the board of directors acting by a quorum consisting of directors who were not parties to the proceeding; or

(b) if such a quorum is not obtainable, or, even if obtainable and a quorum of the disinterested directors so directs, by independent legal counsel in a written opinion; or

(c) by the shareholders.

(6) Expenses incurred by a corporate agent in connection with a proceeding may be paid by the corporation in advance of the final disposition of the proceeding upon receipt of an undertaking by or on behalf of the corporate agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified as provided in this section.

(7) (a) If a corporation upon application of a corporate agent has failed or refused to provide indemnification as required under subsection 14A:3-5(4) or permitted under subsections 14A:3-5(2), 14A:3-5(3) and 14A:3-5(6), a corporate agent may apply to a court for an award of indemnification by the corporation, and such court
(i) may award indemnification to the extent authorized under subsections 14A:3-5(2) and 14A:3-5(3) and shall award indemnification to the extent required under subsection 14A:3-5(4), notwithstanding any contrary determination which may have been made under subsection 14A:3-5(5); and

(ii) may allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection 14A:3-5(6), if the court shall find that the corporate agent has by his pleadings or during the course of the proceeding raised genuine issues of fact or law.

(b) Application for such indemnification may be made

(i) in the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or

(ii) to the Superior Court in a separate proceeding. If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for such relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid.

The application shall set forth the disposition of any previous application for indemnification and shall be made in such manner and form as may be required by the applicable rules of court or, in the absence thereof, by direction of the court to which it is made. Such application shall be upon notice to the corporation. The court may also direct that notice shall be given at the expense of the corporation to the shareholders and such other persons as it may designate in such manner as it may require.

(8) The indemnification provided by this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, by-law, agreement, vote of shareholders, or otherwise.

(9) Any corporation organized for any purpose under any general or special law of this State shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expenses incurred in any proceeding and any liabilities asserted against him in his capacity as corporate agent, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section.

(10) The powers granted by section 14A:3-5 may be exercised by the corporation notwithstanding the absence of any provision in its certificate of incorporation or by-laws authorizing the exercise of such powers.
14A:3-6 Provisions relating to actions by shareholders.

(1) No action shall be brought in this State by a shareholder in the right of a domestic or foreign corporation unless the plaintiff was a holder of shares or of voting trust certificates therefor at the time of the transaction of which he complains, or his shares or voting trust certificates thereafter devolved upon him by operation of law from a person who was a holder at such time.

(2) In any action hereafter instituted in the right of any such corporation by the holder or holders of shares of such corporation or of voting trust certificates therefor, the court having jurisdiction, upon final judgment and a finding that the action was brought without reasonable cause, may require the plaintiff or plaintiffs to pay to the parties named as defendant the reasonable expenses, including fees of attorneys, incurred by them in the defense of such action.

(3) In any action now pending or hereafter instituted or maintained in the right of any such corporation by the holder or holders of less than 5% of the outstanding shares of any class of such corporation or of voting trust certificates therefor, unless the shares or voting trust certificates so held have a market value in excess of $25,000.00, the corporation in whose right such action is brought shall be entitled at any time before final judgment to require the plaintiff or plaintiffs to give security for the reasonable expenses, including fees of attorneys, that may be incurred by it in connection with such action or may be incurred by other parties named as defendant for which it may become legally liable. Market value shall be determined as of the date that the plaintiff institutes the action or, in the case of an intervener, as of the date that he becomes a party to the action. The amount of such security may from time to time be increased or decreased, in the discretion of the court, upon showing that the security provided has or may become inadequate or excessive. The corporation shall have recourse to such security in such amount as the court having jurisdiction shall determine upon the termination of such action.

CHAPTER 4

Registered Office and Registered Agent; Annual Report

Section
14A:4-1. Registered Office and Registered Agent.
14A:4-2. Function of Registered Agent and Office; Service of Process, Notice or Demand.
14A:4-1 Registered office and registered agent.

(1) Every corporation organized for any purpose under any general or special law of this State and every foreign corporation authorized to transact business in this State shall continuously maintain a registered office in this State, and a registered agent having a business office identical with such registered office.

(2) The registered office may be, but need not be, the same as a place of business of the corporation which it serves.

(3) The registered agent may be a natural person of the age of 21 years or more, or a domestic corporation or a foreign corporation authorized to transact business in this State, whether or not any such agent corporation is organized for a purpose or purposes for which a corporation may be organized under this act.

(4) The designation of a principal or registered office in this State and of a registered agent in charge thereof by any corporation of this State or by any foreign corporation authorized to transact business in this State, as in force on the effective date of this act, shall continue with like effect as if made hereunder until changed pursuant to this act.

14A:4-2 Function of registered agent and office; service of process, notice or demand.

(1) Every registered agent shall be an agent of the corporation which has appointed him, upon whom process against the corporation may be served.

(2) Whenever any law of this State requires or permits any notice or demand to be given to or made upon a domestic corporation or a foreign corporation authorized to transact business in this State, its officers or directors, such notice or demand may be sent by mail or otherwise, as the law may require or permit, to the registered office of the corporation in this State, and such notice so given or demand so made shall be sufficient notice or demand.

(3) The provisions of this section shall not exclude any other method provided by law for service of process upon a corporation, domestic or foreign, or for service of a notice or demand upon such corporation, its officers or directors.

(4) Whenever any law of this State requires that any certificate, report or statement made, published, filed or recorded by any
corporation, domestic or foreign, state the residence or post office address of any incorporator, shareholder, director or officer, it shall be sufficient if the address of the registered office of the corporation in this State is stated.

14A:4-3 Change of registered office or registered agent.

(1) A domestic corporation or a foreign corporation authorized to transact business in this State may change its registered office or its registered agent, or both. When the registered office is changed, or when the registered agent is changed, or dies, resigns or becomes disqualified, the corporation shall, by resolution of the board, forthwith fix the address of the new registered office or designate the successor registered agent or both, as the case may be.

(2) Such corporation shall forthwith file in the office of the Secretary of State a certificate executed on behalf of the corporation setting forth

(a) the name of the corporation;
(b) if the registered agent is not being changed, the name of the registered agent;
(c) if the registered agent is being changed, the names of the registered agent being succeeded and of the successor registered agent;
(d) if the registered office is not being changed, the address of the then registered office;
(e) if the registered office is being changed, the address of the registered office immediately prior to the change, and the address of the new registered office;
(f) that the address of its registered office and the address of its registered agent will be identical after the change; and
(g) that the change in registered office, or registered agent, or both, is made pursuant to resolution of the board.

(3) The registered agent of one or more domestic or foreign corporations may change the registered office of such corporation or corporations to another address in the same municipality or county of this State by filing in the office of the Secretary of State a certificate executed by such agent and setting forth

(a) the names of all the corporations whose registered offices are being changed and for which he or it is the registered agent, listed in alphabetical order;
(b) the address of the registered office of each such corporation immediately prior to the change, and the address of the new registered office;
(c) that the address of the registered office of each such corporation and the address of its registered agent will be identical after the change; and
(d) a statement that at least 20 days’ prior notice of the change has been given to each such corporation in writing.
The change of the registered office of each of the corporations named in the certificate shall become effective upon the date of such filing or at such later time, not to exceed 30 days after the date of filing, as may be set forth in the certificate.

14A:4-4 Resignation of registered agent.
(1) The registered agent of a domestic corporation or a foreign corporation authorized to transact business in this State may resign by complying with the provisions of this section.
(2) The registered agent shall serve a notice of resignation by certified mail, return receipt requested, upon the president, or any vice president, or the secretary or treasurer of the corporation at the address last known to the agent, and shall make an affidavit of such service. If such service cannot be made, the affidavit shall so state, and shall state briefly why such service cannot be made. The affidavit, together with a copy of the notice of resignation, shall be filed in the office of the Secretary of State.
(3) Such resignation shall become effective upon the expiration of 30 days after the filing in the office of the Secretary of State of the affidavit under this section or upon the designation by the corporation of a new registered agent pursuant to this act, whichever is earlier. If the corporation fails to designate a new registered agent within said 30-day period, the corporation shall thereafter be deemed to have no registered agent or registered office in this State.

14A:4-5 Annual report to Secretary of State.
(1) Every domestic corporation and every foreign corporation authorized to transact business in this State shall file in the office of the Secretary of State, within the time prescribed by this section, an annual report setting forth
(a) the name of the corporation and, in the case of a foreign corporation, the jurisdiction of its incorporation;
(b) the address of the registered office of the corporation in this State, and the name of its registered agent in this State at such address, and, in the case of a foreign corporation, the address of its main business or headquarters office;
(c) the names and addresses of the directors and officers of the corporation; and

(d) the date appointed for the next annual meeting of the shareholders for the election of directors.

(2) Such report shall be filed within 30 days after the time appointed for holding the annual election of directors, commencing with the time appointed for the first annual election of directors following the date of incorporation or of registering to transact business.

(3) If the report is not so filed, the corporation shall, after written demand therefor by the Secretary of State by certified mail addressed to the corporation at the last address appearing of record in his office, forfeit to the State a penalty of $200.00 for each report required to have been filed not more than 5 years prior thereto and remaining unfiled, to be recovered with costs in a civil action prosecuted by the Attorney General. No corporation shall be subject to penalty if it shall, within 30 days after such written demand, file the reports required by law and shall pay to the Secretary of State a fee of $10.00 for the filing of each such report. In lieu of such civil action, the Secretary of State, after expiration of such 30-day period, may issue a certificate to the Clerk of the Superior Court that the corporation is indebted for the payment of such penalty, and thereupon the Clerk shall immediately enter upon his record of docketed judgments the name of such corporation as the judgment debtor, and of the State as the judgment creditor, a statement that the penalty is imposed under this section, the amount of the penalty, and the date of such certificate. Such entry shall have the same force as a judgment docketed in the Superior Court. The Secretary of State within 5 days after such entry shall give notice thereof to the corporation by certified mail addressed to the corporation at the last address appearing of record in his office.

(4) The Secretary of State shall furnish annual report forms, shall keep in his office all such reports and shall prepare an alphabetical index thereof, which reports and index shall be open to public inspection at proper hours.

14A:5-23. Voting Powers of Bondholders; Right to Inspect.
14A:5-25. Selection of Inspectors.
14A:5-30. Liability of Subscribers and Shareholders.
14A:5-1 Place of shareholders' meetings.

Meetings of shareholders of every corporation organized for any purpose under any general or special law of this State may, unless otherwise provided by law, be held at such place, within or without this State, as may be provided in the by-laws or as may be fixed by the board pursuant to authority granted by the by-laws. In the absence of any such provision, all meetings shall be held at the registered office of the corporation.

14A:5-2 Annual meeting of shareholders.

An annual meeting of the shareholders shall be held at such time as may be provided in the by-laws and, in the absence of such provision, at noon on the first Tuesday of April. Failure to hold the annual meeting at the designated time, or to elect a sufficient number of directors at such meeting or any adjournment thereof, shall not affect otherwise valid corporate acts or work a forfeiture or dissolution of the corporation. If the annual meeting for election of directors is not held on the date designated therefor, the directors shall cause the meeting to be held as soon thereafter as convenient. If there is a failure to hold an annual meeting for a period of 30 days after the date designated therefor, or if no date has been designated for a period of 13 months after the organization of the corporation or after its last annual meeting, the Superior Court may, upon the application of any shareholder, summarily order the meeting or the election, or both, to be held at such time and place, upon such notice and for the transaction of such business as may be designated in such order. At any meeting ordered to be called pursuant to this section, the shareholders present in person or by proxy and having voting powers shall constitute a quorum for the transaction of the business designated in such order.

14A:5-3 Call of special meeting of shareholders.

Special meetings of the shareholders may be called by the president or the board, or by such other officers, directors or shareholders as may be provided in the by-laws. Notwithstanding any such provision, upon the application of the holder or holders of not less than 10% of all the shares entitled to vote at a meeting, the Superior Court, in an action in which the court may proceed in a summary manner, for good cause shown, may order a special meeting of the shareholders to be called and held at such time and place, upon such notice and for the transaction of such business
as may be designated in such order. At any meeting ordered to be called pursuant to this section, the shareholders present in person or by proxy and having voting powers shall constitute a quorum for the transaction of the business designated in such order.

14A:5-4 Notice of shareholders' meetings.

(1) Except as otherwise provided in this act, written notice of the time, place and purpose or purposes of every meeting of shareholders shall be given not less than 10 nor more than 60 days before the date of the meeting, either personally or by mail, to each shareholder of record entitled to vote at the meeting.

(2) When a meeting is adjourned to another time or place, it shall not be necessary, unless the by-laws otherwise provide, to give notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken and at the adjourned meeting only such business is transacted as might have been transacted at the original meeting. However, if after the adjournment the board fixes a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given to each shareholder of record on the new record date entitled to notice under subsection 14A:5-4 (1).

14A:5-5 Waiver of notice or of lapse of time.

(1) Notice of a meeting need not be given to any shareholder who signs a waiver of such notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting the lack of notice of such meeting, shall constitute a waiver of notice by him.

(2) Whenever shareholders are authorized to take any action after the lapse of a prescribed period of time, the action may be taken without such lapse if such requirement is waived in writing, in person or by proxy, before or after the taking of such action, by every shareholder entitled to vote thereon as at the date of the taking of such action.

14A:5-6 Action by shareholders without a meeting.

(1) Any action required or permitted to be taken at a meeting of shareholders by this act or the certificate of incorporation or
by-laws of a corporation, may be taken without a meeting if all
the shareholders entitled to vote thereon consent thereto in writing.

(2) Except for actions required or permitted to be taken at a
meeting of shareholders by Chapter 10 of this act, any action re­
quired or permitted to be taken at a meeting of shareholders by
this act or the certificate of incorporation or by-laws of a corpora­
tion, may be taken without a meeting upon the written consent of
less than all the shareholders entitled to vote thereon, if

(a) such action is provided for by the certificate of incorpo­
ration; and
(b) the shareholders who so consent would be entitled to cast
at least the minimum number of votes which would be required
to take such action at a meeting at which all shareholders en­
titled to vote thereon are present.

Prompt notice of such action shall be given to all shareholders
who would have been entitled to vote upon the action if such meet­
ing were held.

(3) Whenever action is taken pursuant to subsection 14A:5-6(1)
or 14A:5-6(2), the written consents of the shareholders consenting
thereto shall be filed with the minutes of proceedings of share­
holders.

(4) Any action taken pursuant to subsection 14A:5-6(1) or
14A:5-6(2) shall have the same effect for all purposes as if such
action had been taken at a meeting of the shareholders.

(5) If any other provision of this act requires the filing of a
certificate upon the taking of an action by shareholders, and such
action is taken in the manner authorized by subsection 14A:5-6(1)
or 14A:5-6(2), such certificate shall state that such action was
taken without a meeting pursuant to the written consents of the
shareholders and shall set forth the number of shares represented
by such consents.

14A:5-7 Fixing record date.

(1) For the purpose of determining the shareholders entitled
to notice of or to vote at any meeting of shareholders or any ad­
journment thereof, or to express consent to or dissent from any
proposal without a meeting, or for the purpose of determining
shareholders entitled to receive payment of any dividend or allot­
ment of any right, or for the purpose of any other action, the
by-laws may provide for fixing, or in the absence of such provision
the board may fix, in advance, a date as the record date for any
such determination of shareholders. Such date shall not be more
than 60 nor less than 10 days before the date of such meeting, nor more than 60 days prior to any other action.

(2) If no record date is fixed

(a) the record date for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders shall be the close of business on the day next preceding the day on which notice is given, or, if no notice is given, the day next preceding the day on which the meeting is held; and

(b) the record date for determining shareholders for any purpose other than that specified in paragraph 14A:5-7(2) (a) shall be at the close of business on the day on which the resolution of the board relating thereto is adopted.

(3) When a determination of shareholders of record entitled to notice of or to vote at any meeting of shareholders has been made as provided in this section, such determination shall apply to any adjournment thereof, unless the board fixes a new record date under this section for the adjourned meeting.

14A:5-8 Voting list.

(1) The officer or agent having charge of the stock transfer books for shares of a corporation shall make and certify a complete list of the shareholders entitled to vote at a shareholders' meeting or any adjournment thereof. Such list shall

(a) be arranged alphabetically within each class and series, with the address of, and the number of shares held by, each shareholder;

(b) be produced at the time and place of the meeting;

(c) be subject to the inspection of any shareholder during the whole time of the meeting; and

(d) be prima facie evidence as to who are the shareholders entitled to examine such list or to vote at any meeting.

(2) If the requirements of this section have not been complied with, the meeting shall, on the demand of any shareholder in person or by proxy, be adjourned until the requirements are complied with. Failure to comply with the requirements of this section shall not affect the validity of any action taken at such meeting prior to the making of any such demand.

14A:5-9 Quorum of shareholders.

(1) Unless otherwise provided in the certificate of incorporation or this act, the holders of shares entitled to cast a majority of the votes at a meeting shall constitute a quorum at such meeting. The
shareholders present in person or by proxy at a duly organized meeting may continue to do business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum. Less than a quorum may adjourn.

(2) Whenever the holders of any class or series of shares are entitled to vote separately on a specified item of business, the provisions of this section shall apply in determining the presence of a quorum of such class or series for the transaction of such specified item of business.

14A:5-10 Voting of shares.

Each outstanding share shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders, unless otherwise provided in the certificate of incorporation.

14A:5-11 Votes required.

(1) Whenever any action, other than the election of directors, is to be taken by vote of the shareholders, it shall be authorized by a majority of the votes cast at a meeting of shareholders by the holders of shares entitled to vote thereon, unless a greater plurality is required by the certificate of incorporation or another section of this act.

(2) The certificate of incorporation may provide that any class or classes of shares, or any series thereof, shall vote as a class to authorize any action, including amendments to the certificate of incorporation. Such voting as a class shall be in addition to any other vote required by this act. Where voting as a class or series is provided in the certificate of incorporation, it shall be by the proportionate vote provided in the certificate or, if no proportionate vote is so provided, then for any action other than the election of directors, by a majority of the votes cast at such meeting by the holders of shares of such class or series entitled to vote thereon.

(3) Where voting as a class or series is required by this act to authorize any action, such action shall be authorized by a majority of the votes cast at such meeting by the holders of shares of each such class or series entitled to vote thereon, unless a greater vote is required by the certificate of incorporation or another section of this act. Such voting as a class shall be in addition to any other vote required by this act.

14A:5-12 Greater voting requirements.

(1) Whenever, with respect to any action to be authorized by the shareholders of a corporation, the certificate of incorporation
requires the affirmative vote of a greater proportion of the votes cast by the holders of shares entitled to vote thereon, or by the holders of shares of any class or series thereof, than is required by this act with respect to such action, the provisions of the certificate of incorporation shall control.

(2) An amendment of the certificate of incorporation which changes or deletes such a provision shall be authorized by the same vote as would be required to take action under such provision.

14A:5-13 Shares owned or controlled by the corporation not voted or counted.

Treasury shares shall not be voted at any meeting or counted in determining the total number of outstanding shares at any given time. If the corporation holds shares entitled to cast the plurality of the votes required for the election of directors of another domestic corporation or a foreign corporation, shares of the corporation held by such other domestic corporation or foreign corporation shall not be voted at any meeting or counted in determining the total number of outstanding shares at any given time.

14A:5-14 Shares held by another corporation.

Shares standing in the name of another domestic or foreign corporation may be voted by any officer or agent, or by proxy appointed by any of them, unless some other person, by resolution of its board or pursuant to its by-laws, shall be appointed to vote such shares.

14A:5-15 Shares held by fiduciaries.

Shares held by any person in any representative or fiduciary capacity may be voted by him without a transfer of such shares into his name. Where shares are held jointly by any number of fiduciaries, and the instrument or order appointing such fiduciaries does not otherwise direct, such shares shall be voted as the majority of such fiduciaries shall determine. If the fiduciaries are equally divided as to how the shares shall be voted, any court having jurisdiction may, in an action brought by any of such fiduciaries or by any beneficiary, appoint an additional person to act with such fiduciaries in such matter, and the stock shall be voted by the majority of such fiduciaries and such additional person. The court may proceed in the action in a summary manner or otherwise.
CHAPTER 350, LAWS OF 1968

14A:5-16 Shares held jointly or as tenants in common.

Shares held by two or more persons as joint tenants or as tenants in common may be voted at any meeting of the shareholders by any one of such persons, unless another joint tenant or tenant in common seeks to vote any of such shares in person or by proxy. In the latter event, the written agreement, if any, which governs the manner in which such shares shall be voted, shall control if presented at the meeting. If there be no such agreement presented at the meeting, the majority in number of such joint tenants or tenants in common present shall control the manner of voting. If there be no such majority, or if there be two such joint tenants or tenants in common, both of whom seek to vote such shares, the shares shall, for the purpose of voting, be divided equally among such joint tenants or tenants in common present.

14A:5-17 Voting of pledged stock.

A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, or a nominee of the pledgee.

14A:5-18 When redeemable shares no longer entitled to vote.

On and after the date on which written notice of redemption of redeemable shares has been mailed to the holders thereof and a sum sufficient to redeem such shares has been deposited with a bank or trust company with irrevocable instruction and authority to pay the redemption price to the holders thereof upon surrender of certificates therefor, such shares shall not be entitled to vote on any matter and shall not be deemed to be outstanding shares.

14A:5-19 Proxy voting.

(1) Every shareholder entitled to vote at a meeting of shareholders or to express consent or dissent without a meeting may authorize another person or persons to act for him by proxy. Every proxy shall be executed in writing by the shareholder or his agent. No proxy shall be valid after 11 months from the date of its execution, unless a longer time is expressly provided therein, but in no event shall a proxy be valid after 3 years from the date of execution. Unless it is coupled with an interest, a proxy shall be revocable at will. A proxy shall not be revoked by the death or incapacity of the shareholder but such proxy shall continue in force until revoked by the personal representative or guardian of the
shareholder. The presence at any meeting of any shareholder who has given a proxy shall not revoke such proxy unless the shareholder shall file written notice of such revocation with the secretary of the meeting prior to the voting of such proxy.

(2) A person named in a proxy as the attorney or agent of a shareholder may, if the proxy so provides, substitute another person to act in his place, including any other person named as an attorney or agent in the same proxy. The substitution shall not be effective until an instrument effecting it is filed with the secretary of the corporation.

14A:5-20 Voting trust.

(1) One or more shareholders of a corporation may confer upon a trustee or trustees the right to vote or otherwise represent his or their shares, for a period not to exceed 21 years, by entering into a written voting trust agreement specifying the terms and conditions of the voting trust, by filing an executed counterpart of the agreement at the registered office of the corporation and by depositing his or their shares of an original issue with, or by transferring his or their shares to, such trustee or trustees for the purposes of the agreement. After the filing of the agreement, certificates for shares shall be issued to the trustee or trustees to represent any shares of an original issue so deposited with him or them, and any certificates for shares so transferred shall be surrendered and cancelled and new certificates therefor issued to such trustee or trustees stating that they are issued under such agreement, and in the entry of such ownership in the records of the corporation that fact shall also be noted, and such trustee or trustees may vote the shares so transferred during the term of such agreement. The copy of the voting trust agreement so filed shall be subject to inspection at any reasonable time by any shareholder of the corporation or by any holder of a beneficial interest in the voting trust, in person or by agent or attorney. Voting trust certificates shall be issued to evidence beneficial interests in the voting trust.

(2) A trustee who votes shares subject to a voting trust shall incur no responsibility as shareholder, trustee, or otherwise, except for his own dereliction of duty.

(3) Where two or more persons are designated as voting trustees, and the right and method of voting any shares standing in their names at any meeting of the corporation are not fixed by the agreement appointing the trustees, the right to vote said shares and the manner of voting the same at any such meeting shall be
determined by a majority of the trustees. If the trustees are equally divided as to how the shares shall be voted, the Superior Court or County Court having jurisdiction may, in an action brought by any of such trustees, appoint an additional person to act with such trustees in such matter, and the right to vote said shares and the manner of voting the same at any such meeting shall be determined by a majority of the trustees and such additional person. The court may proceed in the action in a summary manner or otherwise.

(4) At any time within 2 years prior to the time of expiration of any such voting trust agreement as originally fixed or as extended as herein provided, one or more beneficiaries of the voting trust may, by agreement in writing and with the written consent of such voting trustees, extend the duration of such voting trust agreement with regard to the shares subject to their beneficial interest for an additional period not exceeding 21 years. The voting trustees shall, prior to the time of expiration of any such voting trust agreement, as originally fixed or as previously extended, as the case may be, file in the registered office of the corporation an executed counterpart of such extension agreement and of their consent thereto, and thereupon the duration of such voting trust agreement shall be extended for the period fixed in such extension agreement; but no such extension agreement shall affect the rights or obligations of persons not parties thereto.

(5) The validity of a voting trust or of an extension thereof, otherwise lawful, shall not be affected during a period of 21 years from the date of its commencement by the fact that by its terms it will or may last beyond such 21-year period; but it shall become inoperative at the end of such 21-year period.

14A:5-21 Agreements as to voting; provision in certificate of incorporation as to control of directors.

(1) An agreement between two or more shareholders, if in writing and signed by the parties thereto, may provide that in exercising any voting rights, the shares held by them shall be voted as therein provided, or as they may agree, or as determined in accordance with a procedure agreed upon by them.

(2) A provision in the certificate of incorporation otherwise prohibited by law because it improperly restricts the board in its management of the business of the corporation, or improperly transfers to one or more shareholders or to one or more persons or corporations to be selected by him or them, all or any part of such management otherwise within the authority of the board, shall
nevertheless be valid if all the incorporators have authorized such provision in the certificate of incorporation or the holders of record of all outstanding shares, whether or not having voting power, have authorized such provision in an amendment to the certificate of incorporation.

(3) A provision authorized by subsection 14A:5–21(2) shall become invalid if, to the knowledge of the board,

(a) subsequent to the adoption of such provision, shares are transferred or issued to any person who takes delivery of the share certificate without notice thereof, unless such person consents in writing to such provisions; or

(b) any shares of the corporation are listed on a national securities exchange or regularly quoted in an over-the-counter market by one or more members of a national or affiliated securities association.

(4) If a provision authorized by subsection 14A:5–21(2) shall have become invalid as provided in subsection 14A:5–21(3), the board shall amend the certificate of incorporation to delete such provision by filing a certificate of amendment in the office of the Secretary of State. The certificate shall be executed on behalf of the corporation and shall set forth

(a) the name of the corporation;

(b) the date of the adoption of the amendment;

(c) the deleted provision; and

(d) the event set forth in subsection 14A:5–21(3) by reason of which the provision has become invalid.

(5) The effect of any provision authorized by subsection 14A:5–21(2) shall be to relieve the directors and impose upon the shareholders the liability for managerial acts or omissions that is imposed on directors by law to the extent that, and so long as, the discretion or powers of the directors in their management of corporate affairs is controlled by any such provision. Such shareholders shall be deemed to be corporate agents for the purposes of section 14A:3–5.

(6) If the certificate of incorporation contains a provision authorized by subsection 14A:5–21(2), the existence of such provision shall be noted conspicuously on the face of every certificate for shares issued by such corporation, and each holder of such certificate shall conclusively be deemed to have taken delivery with notice of such provision.
14A:5-22 Infant shareholders and bondholders.

(1) A corporation may treat an infant who holds shares or bonds of such corporation as having capacity to receive and to empower others to receive dividends, interest, principal and other payments and distributions, to vote or express consent or dissent, and to make elections and exercise rights relating to such shares or bonds, unless, in the case of shares, the corporate officer responsible for maintaining the list of shareholders or the transfer agent of the corporation or, in the case of bonds, the treasurer or paying officer or agent, has received written notice that such holder is an infant.

(2) An infant holder of shares or bonds of a corporation who has received or empowered others to receive payments or distributions, voted or expressed consent or dissent, or made an election or exercised a right relating to such shares or bonds, shall have no right thereafter to disaffirm or avoid, as against the corporation, any such act on his part, unless prior to such receipt, vote, consent, dissent, election or exercise, as to shares, the corporate officer responsible for maintaining the list of shareholders or its transfer agent or, in the case of bonds, the treasurer, other paying officer or transfer agent, had received written notice that such holder was an infant.

(3) This section does not limit any other statute which authorizes any corporation to deal with an infant or limits the right of an infant to disaffirm his acts.

14A:5-23 Voting powers of bondholders; right to inspect.

The certificate of incorporation may confer upon the holders of bonds issued by the corporation the power to vote for the election of directors and in respect to other corporate affairs and management, upon such terms and conditions as the certificate of incorporation shall provide. The certificate of incorporation or by-laws may provide for the manner of exercising such voting powers. The holders of bonds with voting powers shall, when entitled by the terms of such bonds to exercise such voting powers, have the same rights as those accorded to shareholders under section 14A:5-28.

14A:5-24 Elections of directors; cumulative voting.

(1) Elections of directors need not be by ballot unless a shareholder demands election by ballot at the election and before the voting begins, or unless the by-laws so require.

(2) At each election of directors every shareholder entitled to vote at such election shall have the right to vote the number of shares owned by him for as many persons as there are directors
to be elected and for whose election he has a right to vote, or, if
the certificate of incorporation so provides, to cumulate his votes
by giving one candidate as many votes as the number of such di­
rectors multiplied by the aggregate number of his votes shall
equal, or by distributing such votes on the same principle among
any number of such candidates.

(3) Except as otherwise provided by the certificate of incorpo­
racion, directors shall be elected by a plurality of the votes cast
at an election.

14A:5-25 Selection of inspectors.

(1) Unless the by-laws otherwise provide, the board may, in
advance of any shareholders’ meeting, appoint one or more in­
spectors to act at the meeting or any adjournment thereof.

(2) If inspectors are not so appointed by the board or as other­
wise provided in the by-laws or shall fail to qualify, the person
presiding at a shareholders’ meeting may, and on the request of
any shareholder entitled to vote thereat, shall, make such appoint­
ment.

(3) In case any person appointed as inspector fails to appear
or act, the vacancy may be filled by appointment made by the board
in advance of the meeting or at the meeting by the person presiding
at the meeting.

(4) If the by-laws require inspectors at any shareholders’ meet­
ing, such requirement is waived unless compliance therewith is
requested by a shareholder entitled to vote at such meeting.

(5) Each inspector, before entering upon the discharge of his
duties, shall take and sign an oath faithfully to execute the duties
of inspector at such meeting with strict impartiality and according
to the best of his ability.

(6) No person shall be elected a director at a meeting at which
he has served as an inspector.

14A:5-26 Duties of inspectors.

The inspectors shall determine the number of shares outstand­
ing and the voting power of each, the shares represented at the
meeting, the existence of a quorum, the validity and effect of
proxies, and shall receive votes or consents, hear and determine
all challenges and questions arising in connection with the right
to vote, count and tabulate all votes or consents, determine the
result, and do such acts as are proper to conduct the election or
vote with fairness to all shareholders. If there are three or more
inspectors, the act of a majority shall govern. On request of the
person presiding at the meeting or any shareholder entitled to
vote thereat, the inspectors shall make a report in writing of any
challenge, question or matter determined by them. Any report
made by them shall be prima facie evidence of the facts therein
stated, and such report shall be filed with the minutes of the meet­
ing.

14A:5-27 Review of elections by Superior Court.
Any election by shareholders may be reviewed by the Superior
Court in a summary manner, or otherwise, in an action brought
by a shareholder entitled to vote at such election upon notice to
the persons elected, the corporation and such other persons as the
court may direct. The court may confirm the election, order a new
election or provide such other relief as justice may require.

14A:5-28 Books and records; right of inspection.
(1) Each corporation shall keep books and records of account
and minutes of the proceedings of its shareholders, board and exec­
tutive committee, if any. Unless otherwise provided in the by-laws,
such books, records and minutes may be kept outside this State.
The corporation shall keep at its registered office, or at the office
of its transfer agent in this State, a record or records containing
the names and addresses of all shareholders, the number, class and
series of shares held by each and the dates when they respectively
became the owners of record thereof, except that in the case of
shares listed on a national securities exchange, the records of the
holders of such shares may be kept at the office of the corporation’s
transfer agent within or without this State. Any of the foregoing
books, minutes or records may be in written form or in any other
form capable of being converted into written form within a rea­
sonable time. A corporation shall convert into written form
without charge any such records not in such form, upon the written
request of any person entitled to inspect them.
(2) Upon the written request of any shareholder, the corpora­
tion shall mail to such shareholder its balance sheet as at the end
of the preceding fiscal year, and its profit and loss and surplus
statements for such fiscal year.
(3) Any person who shall have been a shareholder of record
of a corporation for at least six months immediately preceding his
demand, or any person holding, or so authorized in writing by the
holders of, at least 5% of the outstanding shares of any class, upon
at least five days’ written demand shall have the right for any
proper purpose to examine in person or by agent or attorney,
during usual business hours, its minutes of the proceedings of its shareholders and record of shareholders and to make extracts therefrom, at the places where the same are kept pursuant to subsection 14A:5-28(1).

(4) Nothing herein contained shall impair the power of any court, upon proof by a shareholder of proper purpose, irrespective of the period of time during which said shareholder shall have been a shareholder of record, and irrespective of the number of shares held by him, to compel the production for examination by such shareholder of the books and records of account, minutes and record of shareholders of a corporation.

(5) Holders of voting trust certificates representing shares of the corporation shall be regarded as shareholders for the purpose of this section.

14A:5-29 Preemptive rights.

(1) Except as otherwise provided in the certificate of incorporation, a corporation may issue or deliver unissued or treasury shares, or option rights, or securities having conversion or option rights, without first offering them to existing shareholders.

(2) The preemptive rights, whether created by statute or common law, of shareholders of corporations organized prior to the effective date of this act shall not be affected by subsection 14A:5-29(1). Any such corporation may alter or abolish its shareholders' preemptive rights by an amendment of its certificate of incorporation.

14A:5-30 Liability of subscribers and shareholders.

(1) A holder of or subscriber for shares of a corporation shall be under no obligation to the corporation or its creditors to pay for such shares other than the obligation to pay to the corporation the unpaid portion of the consideration for which such shares were issued or to be issued, which in no event shall be less than the amount of the consideration for which such shares could be lawfully issued.

(2) A person holding stock in a fiduciary or representative capacity shall not be personally liable to the corporation as the holder of or subscriber for shares of a corporation but the estate and funds in his hands shall be so liable.

(3) Any person becoming an assignee or transferee of shares or of a subscription for shares in good faith and without knowledge or notice that the full consideration therefor has not been paid shall not be liable to the corporation or its creditors for any un-
paid portion of such consideration, but the original holder or sub-
scriber and any assignee or transferee prior to an assignment or 
transfer to a person taking in good faith and without such knowl-
edge or notice shall remain liable therefor.
(4) No pledgee or other holder of shares as collateral security 
shall be liable as a shareholder.

Section
14A:6-4. Classification of Directors; Restriction of Right to 
Choose Directors.
14A:6-7. Quorum of Board of Directors and Committees; Action 
of Directors Without a Meeting.
14A:6-8. Effect of Common Directorships and Directors’ Per-
sonal Interest.
14A:6-9. Executive Committee; Other Committees.
14A:6-11. Loans to Officers or Employees.
14A:6-13. Liability of Directors; Presumption of Assent to Ac-

14A:6-16. Removal and Resignation of Officers; Filling of Vacan-
cies.

14A:6-1 Board of directors.
The business and affairs of a corporation shall be managed by 
its board, except as in this act or in its certificate of incorporation 
otherwise provided. Directors shall be at least 21 years of age 
and need not be United States citizens or residents of this State
or shareholders of the corporation unless the certificate of incorporation or by-laws so require. The certificate of incorporation or by-laws may prescribe other qualifications for directors.

14A:6-2 Number of directors.

The number of directors of a corporation shall be not less than three, except that in cases where all the shares with voting powers of a corporation are owned beneficially and of record by either one or two shareholders, the number of directors may be less than three but not less than the number of shareholders. Subject to such limitation and to any provisions contained in the certificate of incorporation, the by-laws shall specify the number of directors except as to the number constituting the first board.

14A:6-3 Term of directors.

The directors named in the certificate of incorporation shall hold office until the first annual meeting of shareholders, and until their successors shall have been elected and qualified. At the first annual meeting of shareholders and at each annual meeting thereafter the shareholders shall elect directors to hold office until the next succeeding annual meeting, except in case of the classification of directors as permitted by this act. Each director shall hold office for the term for which he is elected and until his successor shall have been elected and qualified. A director may resign by written notice to the corporation. The resignation shall be effective upon receipt thereof by the corporation or at such subsequent time as shall be specified in the notice of resignation.

14A:6-4 Classification of directors; restriction of right to choose directors.

(1) A corporation may provide in its certificate of incorporation for the classification of its directors in respect to the time for which they shall severally hold office, but no class of directors shall hold office for a term shorter than one year or longer than five years, and the term of office of at least one class shall expire in each year. No classification of directors shall be effective prior to the first annual meeting of shareholders.

(2) Any corporation having more than one class of shares may provide in its certificate of incorporation for the election of one or more directors by the shareholders of any class or series, to the exclusion of other shareholders.
14A:6-5 Vacancies and newly created directorships.

(1) Unless otherwise provided in the certificate of incorporation or the by-laws, any directorship not filled at the annual meeting and any vacancy, however caused, occurring in the board may be filled by the affirmative vote of a majority of the remaining directors even though less than a quorum of the board, or by a sole remaining director. A director so elected by the board shall hold office until the next succeeding annual meeting of shareholders and until his successor shall have been elected and qualified.

(2) Unless otherwise provided in the certificate of incorporation or by-laws, when one or more directors shall resign from the board effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as herein provided in the filling of other vacancies.

(3) Any directorship to be filled by reason of an increase in the number of directors shall be filled by election at an annual meeting or at a special meeting of shareholders called for that purpose, except that the certificate of incorporation or a by-law adopted by the shareholders may authorize the board to fill any such directorship. A director elected by the board to fill any such directorship shall hold office until the next succeeding annual meeting of shareholders and until his successor shall have been elected and qualified.

(4) If by reason of death, resignation or other cause a corporation has no directors in office, any shareholder or the executor or administrator of a deceased shareholder may call a special meeting of shareholders for the election of directors and, over his own signature, shall give notice of said meeting in accordance with section 14A:5-4 except to the extent that such notice is waived pursuant to section 14A:5-5.

(1) One or more or all the directors of a corporation may be removed for cause by the shareholders by the affirmative vote of the majority of the votes cast by the holders of shares entitled to vote for the election of directors. If the certificate of incorporation so provides, one or more or all the directors may be removed without cause by like vote of the shareholders.

(2) The removal of directors, with or without cause, by vote of the shareholders as provided in subsection 14A:6-6(1), is subject to the following qualifications

(a) in any case where cumulative voting is authorized, if less than the total number of directors then serving on the board is to be removed by the shareholders, no one of the directors may be so removed if the votes cast against his removal would be sufficient to elect him if then voted cumulatively at an election of the entire board; or, if there are classes of directors, at an election of the class of directors of which he is a part;

(b) a director elected by a class vote, as authorized by subsection 14A:6-4(2), may be removed only by a class vote of the holders of shares entitled to vote for his election.

(3) The certificate of incorporation or a by-law adopted by the shareholders may provide that the board shall have the power to remove directors for cause and to suspend directors pending a final determination that cause exists for removal.

(4) The Superior Court, in an action in which the court may proceed in a summary manner or otherwise, may review the removal or suspension of a director for cause.

(5) No act of the board done during the period when a director has been suspended or removed for cause shall be impugned or invalidated if the suspension or removal is thereafter rescinded by the shareholders or by the board or by the final judgment of the court.

14A:6-7 Quorum of board of directors and committees; action of directors without a meeting.

(1) A majority of the entire board, or of any committee thereof, shall constitute a quorum for the transaction of business, unless the certificate of incorporation or the by-laws shall provide that a greater or lesser number shall constitute a quorum, which in no case shall be less than the greater of two persons or one-third of the entire board or committee, except that when a board of one director is authorized under the provisions of section 14A:6-2, then one director shall constitute a quorum. The act of the majority present at a meeting at which a quorum is present shall be the act of the board or of the committee, unless the act of a greater number is required by this act, the certificate of incorporation or the by-laws.

(2) Unless otherwise provided by the certificate of incorporation or by-laws, any action required or permitted to be taken pursuant to authorization voted at a meeting of the board or any committee thereof, may be taken without a meeting if, prior or subsequent to such action, all members of the board or of such
committee, as the case may be, consent thereto in writing and such written consents are filed with the minutes of the proceedings of the board or committee. Such consent shall have the same effect as a unanimous vote of the board or committee for all purposes, and may be stated as such in any certificate or other document filed with the Secretary of State.

14A:6-8 Effect of common directorships and directors' personal interest.

(1) No contract or other transaction between a corporation and one or more of its directors, or between a corporation and any domestic or foreign corporation, firm or association of any type or kind in which one or more of its directors are directors or are otherwise interested, shall be void or voidable solely by reason of such common directorship or interest, or solely because such director or directors are present at the meeting of the board or a committee thereof which authorizes or approvess the contract or transaction, or solely because his or their votes are counted for such purpose, if

(a) the contract or other transaction is fair and reasonable as to the corporation at the time it is authorized, approved or ratified; or

(b) the fact of the common directorship or interest is disclosed or known to the board or committee and the board or committee authorizes, approves, or ratifies the contract or transaction by a vote sufficient for the purpose without counting the vote or votes of such common or interested director or directors; or

(c) the fact of the common directorship or interest is disclosed or known to the shareholders, and they authorize, approve or ratify the contract or transaction.

(2) Common or interested directors may be counted in determining the presence of a quorum at a board or committee meeting at which a contract or transaction described in subsection 14A:6-8(1) is authorized, approved or ratified.

(3) The board, by the affirmative vote of a majority of directors in office and irrespective of any personal interest of any of them, shall have authority to establish reasonable compensation of directors for services to the corporation as directors, officers, or otherwise; provided that the approval of the shareholders shall be required if the by-laws so provide.
(1) If the certificate of incorporation or the by-laws so provide, the board, by resolution adopted by a majority of the entire board, may appoint from among its members an executive committee and one or more other committees, each of which shall have at least three members. To the extent provided in such resolution, or in the certificate of incorporation or in the by-laws, each such committee shall have and may exercise all the authority of the board, except that no such committee shall
   (a) make, alter or repeal any by-law of the corporation;
   (b) elect or appoint any director, or remove any officer or director;
   (c) submit to shareholders any action that requires shareholders’ approval; or
   (d) amend or repeal any resolution theretofore adopted by the board.

(2) The board, by resolution adopted by a majority of the entire board, may
   (a) fill any vacancy in any such committee;
   (b) appoint one or more directors to serve as alternate members of any such committee, to act in the absence or disability of members of any such committee with all the powers of such absent or disabled members;
   (c) abolish any such committee at its pleasure; and
   (d) remove any director from membership on such committee at any time, with or without cause.

(3) Actions taken at a meeting of any such committee shall be reported to the board at its next meeting following such committee meeting; except that, when the meeting of the board is held within two days after the committee meeting, such report shall, if not made at the first meeting, be made to the board at its second meeting following such committee meeting.

(4) The designation of any such committee and the delegation thereto of authority shall not operate to relieve the board, or any member thereof, of any responsibility imposed by law.

(1) Meetings of the board may be held either within or without this State, unless otherwise provided by the certificate of incorporation or the by-laws.

(2) Regular meetings of the board may be held with or without notice as prescribed in the by-laws. Special meetings of the board
shall be held upon such notice as is prescribed in the by-laws. Notice of any meeting need not be given to any director who signs a waiver of notice, whether before or after the meeting. The attendance of any director at a meeting without protesting prior to the conclusion of the meeting the lack of notice of such meeting shall constitute a waiver of notice by him. Neither the business to be transacted at, nor the purpose of, any meeting of the board need be specified in the notice or waiver of notice of such meeting unless required by the by-laws. Notice of an adjourned meeting need not be given if the time and place are fixed at the meeting adjourning and if the period of adjournment does not exceed ten days in any one adjournment.

14A:6-11 Loans to officers or employees.

A corporation may lend money to, or guarantee any obligation of, or otherwise assist, any officer or other employee of the corporation or of any subsidiary, whenever, in the judgment of the directors, such loan, guarantee or assistance may reasonably be expected to benefit the corporation; provided, however, that a corporation shall not lend money to, guarantee any obligation of, or otherwise assist, any officer or other employee who is also a director of the corporation unless such loan, guarantee or assistance is authorized by the certificate of incorporation or a by-law adopted by the shareholders, and then only when authorized by a majority of the entire board. The loan, guarantee or other assistance may be made with or without interest, and may be unsecured, or secured in such manner as the board shall approve, including, without limitation, a pledge of shares of the corporation, and may be made upon such other terms and conditions as the board may determine.

14A:6-12 Liability of directors in certain cases.

(1) In addition to any other liabilities imposed by law upon directors of a corporation, directors who vote for, or concur in, any of the following corporate actions

(a) the declaration of any dividend or other distribution of assets to the shareholders contrary to the provisions of this act or contrary to any restrictions contained in the certificate of incorporation;

(b) the purchase of the shares of the corporation contrary to the provisions of this act or contrary to any restrictions contained in the certificate of incorporation;

(c) the distribution of assets to shareholders during or after dissolution of the corporation without paying, or adequately pro-
CH.350, LAWS OF 1968

viding for, all known debts, obligations and liabilities of the corporation, except that the directors shall be liable only to the extent of the value of assets so distributed and to the extent that such debts, obligations and liabilities of the corporation are not thereafter paid, discharged, or barred by statute or otherwise;

d) the making of any loan to an officer, director or employee of the corporation or of any subsidiary thereof contrary to the provisions of this act;

shall be jointly and severally liable to the corporation for the benefit of its creditors or shareholders, to the extent of any injury suffered by such persons, respectively, as a result of any such action.

(2) Any director against whom a claim is successfully asserted under this section shall be entitled to contribution from the other directors who voted for, or concurred in, the action upon which the claim is asserted.

(3) Directors against whom a claim is successfully asserted under this section shall be entitled, to the extent of the amounts paid by them to the corporation as a result of such claims,

(a) upon payment to the corporation of any amount of an improper dividend or distribution, to be subrogated to the rights of the corporation against shareholders who received such dividend or distribution with knowledge of facts indicating that it was not authorized by this act, in proportion to the amounts received by them respectively;

(b) upon payment to the corporation of any amount of the purchase price of an improper purchase of shares, to have the corporation rescind such purchase of shares and recover for their benefit, but at their expense, the amount of such purchase price from any seller who sold such shares with knowledge of facts indicating that such purchase of shares by the corporation was not authorized by this act;

(c) upon payment to the corporation of the claim of any creditor by reason of a violation of paragraph 14A:6-12 (1)(e), to be subrogated to the rights of the corporation against shareholders who received an improper distribution of assets;

(d) upon payment to the corporation of the amount of any loan made improperly to a director or shareholder, to be subrogated to the rights of the corporation against a director or shareholder who received the improper loan.

(4) A director shall not be liable under this section if, in the circumstances, he discharged his duty to the corporation under section 14A:6-14.
(5) Every action against a director for recovery upon a liability imposed by subsection 14A:6-12(1) shall be commenced within six years next after the cause of any such action shall have accrued.

14A:6-13 Liability of directors; presumption of assent to action taken at a meeting.

A director of a corporation who is present at a meeting of its board, or any committee thereof of which he is a member at which action on any corporate matter referred to in section 14A:6-12 is taken shall be presumed to have concurred in the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before or promptly after the adjournment thereof. Such right to dissent shall not apply to a director who voted in favor of such action. A director who is absent from a meeting of the board, or any committee thereof of which he is a member at which any such action is taken shall be presumed to have concurred in the action unless he shall file his dissent with the secretary of the corporation within a reasonable time after learning of such action.

14A:6-14 Liability of directors; reliance on corporate records.

Directors and members of any committee designated by the board shall discharge their duties in good faith and with that degree of diligence, care and skill which ordinarily prudent men would exercise under similar circumstances in like positions. In discharging their duties, directors and members of any committee designated by the board shall not be liable if, acting in good faith, they rely upon the opinion of counsel for the corporation or upon written reports setting forth financial data concerning the corporation and prepared by an independent public accountant or certified public accountant or firm of such accountants or upon financial statements, books of account or reports of the corporation represented to them to be correct by the president, the officer of the corporation having charge of its books of account, or the person presiding at a meeting of the board.

14A:6-15 Officers.

(1) The officers of a corporation shall consist of a president, a secretary, a treasurer, and, if desired, a chairman of the board, one or more vice presidents, and such other officers as may be pre-
scribed by the by-laws. Unless otherwise provided in the by-laws, the officers shall be elected or appointed by the board.

(2) Any two or more offices may be held by the same person but no officer shall execute, acknowledge, or verify any instrument in more than one capacity if such instrument is required by law or by the by-laws to be executed, acknowledged, or verified by two or more officers.

(3) Any officer elected or appointed as herein provided shall hold office for the term for which he is so elected or appointed and until a successor is elected or appointed and has qualified, subject to earlier termination by removal or resignation.

(4) All officers of the corporation, as between themselves and the corporation, shall have such authority and perform such duties in the management of the corporation as may be provided in the by-laws, or as may be determined by resolution of the board not inconsistent with the by-laws.

14A:6-16 Removal and resignation of officers; filling of vacancies.

(1) Any officer elected or appointed by the board may be removed by the board with or without cause. An officer elected by the shareholders may be removed, with or without cause, only by vote of the shareholders but his authority to act as an officer may be suspended by the board for cause. The removal of an officer without cause shall be without prejudice to his contract rights, if any. Election or appointment of an officer shall not of itself create contract rights.

(2) An officer may resign by written notice to the corporation. The resignation shall be effective upon receipt thereof by the corporation or at such subsequent time as shall be specified in the notice of resignation.

(3) Any vacancy occurring among the officers, however caused, shall be filled in the manner provided in the by-laws. In the absence of such provision, any vacancy shall be filled by the board.

14A:6-17 Bonds; facsimile signatures and seals.

The seal of the corporation and any or all signatures of the officers or other agents of the corporation upon a bond and any coupon attached thereto may be facsimiles if the bond is countersigned by an officer or other agent of a trustee or other certifying or authenticating authority. In case any officer or other agent who has signed or whose facsimile signature has been placed upon
such bond or coupon shall have ceased to be such officer or agent before such bond is issued, it may be issued by the corporation with the same effect as if he were such officer or agent at the date of its issue.

SHARES AND DIVIDENDS

Section
14A:7-1. Authorized Shares.
14A:7-2. Issuance of Shares in Classes and Series; Board Action.
14A:7-5. Payment for Shares.
14A:7-6. Redeemable Shares.
14A:7-12. Transfer of Shares and Restrictions on Transfer.
14A:7-13. Issuance of Fractional Shares or Scrip.
14A:7-14. Dividends or Other Distributions in Cash or Property.
14A:7-16. Right of a Corporation to Acquire and Dispose of Its Own Shares.
14A:7-17. Disclosure to Shareholders Upon Certain Distributions or Earned Surplus Transactions.

14A:7-1 Authorized shares.
(1) Each corporation shall have power to create and issue the number of shares stated in its certificate of incorporation. Such shares may consist of one class or may be divided into two or more classes and any class may be divided into one or more series. Each
class and series may have such designation and such relative voting, dividend, liquidation and other rights, preferences, and limitations as shall be stated in the certificate of incorporation, except that all shares of the same class shall be either without par value or shall have the same par value. Each class and series shall be designated so as to distinguish its shares from those of every other class and series.

(2) In particular, and without limitation upon the general power granted by subsection 14A:7-1(1), a corporation, when so authorized in its certificate of incorporation, may issue classes of shares and series of shares of any class

(a) entitling the holders thereof to cumulative, non-cumulative or partially cumulative dividends;
(b) entitling the holders thereof to receive dividends payable on a parity with or in preference to the dividends payable on any other class or series;
(c) entitling the holders thereof to preferential rights upon the liquidation of, or upon any distribution of the assets of, the corporation;
(d) convertible as provided in section 14A:7-9;
(e) redeemable as provided in section 14A:7-6;
(f) lacking voting rights or having limited voting rights or enjoying special or multiple voting rights.

14A:7-2 Issuance of shares in classes and series; board action.

(1) The division of shares into classes and into series within any class or classes, the determination of the designation and the number of shares of any class or series, the determination of the relative rights, preferences and limitations of the shares of any class or series, and any or all of such divisions and determinations, may be accomplished by the original certificate of incorporation or may be accomplished by an amendment or amendments thereto. Such an amendment may be made by any procedure to amend the certificate of incorporation provided for in Chapter 9 of this act or as provided in subsection 14A:7-2(2).

(2) Such an amendment may be made by action of the board if the certificate of incorporation authorizes the board to take such action. Unless otherwise provided in the certificate of incorporation, authority granted to the board to determine the number of shares of any class or series shall be deemed to include the power to increase the number of shares of such class or series previously
determined by it, and to decrease such previously determined num-
ber of shares to a number not less than that of the shares then
outstanding. Upon any such decrease, the affected shares shall
continue as part of the authorized shares and shall have such des-
ignation and such relative rights, preferences and limitations as
they had before the board first acted to include them in such class
or series. Unless otherwise provided in the certificate of incorpo-
ration, authority granted to the board to determine the relative
rights and preferences of any class or series shall be deemed to
include the power to determine relative rights and preferences
which are prior or subordinate to, or equal with, the shares of
any other class or series, whether or not such other shares are
issued and outstanding at the time when the board acts to deter-
mine such relative rights and preferences. The certificate of in-
corporation may authorize the board to change the designation or
number of shares, or the relative rights, preferences and limita-
tions of the shares, of any theretofore established class or series
no shares of which have been issued.

(3) Whenever the board acts under subsection 14A:7-2(2) it
shall adopt a resolution setting forth its actions and stating the
designation and number of shares, and the relative rights, pref-
ferences and limitations of the shares, of each class and series
thereby created or with respect to which it has made a determina-
tion or change.

(4) Before the issue of any shares of a class or series with
respect to which the board has acted under subsection 14A:7-2(2),
the corporation shall execute and file in the office of the Secretary
of State a certificate of amendment to the certificate of incorpora-
tion setting forth

(a) the name of the corporation;
(b) a copy of the resolution of the board required by sub-
section 14A:7-2(3);
(c) that such resolution was duly adopted by the board and
the date of such adoption; and
(d) that the certificate of incorporation is amended so that the
designation and number of shares of each class and series acted
upon in the resolution, and the relative rights, preferences and
limitations of each such class and series, are as stated in the
resolution.

14A:7-3 Subscriptions for shares.

(1) Unless otherwise provided by the subscription agreement
or unless all of the subscribers consent to the revocation of such
subscription, a subscription for shares of a corporation to be formed shall be irrevocable for a period of 6 months if no certificate of incorporation shall be filed within such period. If the certificate of incorporation is filed within such period, or if it is filed at any later time before revocation, such subscription shall also be irrevocable until 60 days after the filing of the certificate of incorporation. Subscriptions for shares, whether made before or after the organization of a corporation, shall be accepted or rejected by the board, unless the certificate of incorporation or the by-laws require action by the shareholders.

(2) A subscription agreement, whether made before or after the formation of a corporation, shall not be enforceable unless it satisfies the requirements provided in N. J. S. § 12A:8-319 with respect to a contract for the sale of securities.

(3) A subscriber shall not become a holder of any shares for which the full consideration to be received by the corporation has not been paid. Unless otherwise provided by the subscription agreement

(a) any payment made by the subscriber, in accordance with the subscription agreement or as called for by the board, shall be applied to pay the full consideration to be received by the corporation for as many whole shares as possible and any remaining balance of such payment shall be applied as part payment of a share;

(b) a share certificate shall be registered in the name of the subscriber for the number of shares so paid for in full; and

(c) the corporation shall be entitled to retain such share certificate as security for the performance by the subscriber of his obligations under the subscription agreement and subject to the power of sale or rescission upon default provided in paragraphs 14A:7-3(5)(b) and 14A:7-3(5)(c).

(4) Unless otherwise provided by the subscription agreement

(a) subscriptions for shares, whether made before or after the organization of a corporation, shall be paid in full at such time, or in such installments and at such times, as shall be determined by the board;

(b) any call made by the board for payment on subscriptions shall be uniform as to all shares of the same class or as to all shares of the same series, as the case may be;

(c) all such calls for payments on subscriptions shall be upon 30 days' notice thereof and of the time and place of payment,
which notice shall be given personally or by registered or certified mail.

(5) In the event of default in the payment of any installment or call or other amount due under the terms of the subscription agreement, including any amount which may become due as a result of a default in the performance of any provision thereof, the corporation shall have the following rights and duties:

(a) It may proceed to collect the amount due in the same manner as any other debt owing to it. At any time before full satisfaction of the claim or any judgment therefor, it may proceed as provided in paragraph 14A:7-3(5)(b).

(b) It may sell the shares in any reasonable manner. Notice of the time and place of any public sale or of the time after which any private sale may be had, together with a statement of the amount due upon each share, shall be given in writing to the subscriber personally or by registered or certified mail at least 20 days before any such time stated in the notice. Unless otherwise provided in the subscription agreement, the corporation may not be the purchaser at any sale. Any excess of net proceeds realized over the amount due plus interest shall be paid over to the subscriber. If the sale is made in good faith, in a reasonable manner and upon the notice required by this paragraph, the corporation may recover the difference between the amount due plus interest and the net proceeds of the sale. A good faith purchaser for value shall acquire title to the sold shares free of any rights of the subscriber even though the corporation fails to comply with one or more of the requirements of this subsection.

(c) It may rescind the subscription, with the effect provided in subsection 14A:7-3(6), and may recover damages for breach of contract. Unless special circumstances show proximate damages of a different amount, the measure of damages shall be the difference between the market price at the time and place for tender of the shares and the unpaid contract price. Liquidated damages may be provided for in the subscription agreement in an amount which is reasonable under the circumstances, including the difficulties of proof of loss. The subscriber shall be entitled to restitution of any amount by which the sum of his payments exceeds the corporation's damages for breach of contract, whether fixed by agreement or judgment.

The rights and duties set forth in subsection 14A:7-3(5) shall be interpreted as cumulative so far as is consistent with the purpose
of entitling the corporation to a full and single recovery of the amount due or its damages. The subscription agreement may limit the rights and remedies of the corporation set forth in subsection 14A:7-3(5), and may add to them so far as is consistent with the preceding sentence.

(6) The rescission by the corporation of a subscription under which a portion of the shares subscribed for have been issued and in which the corporation retains a security interest, as provided in subsection 14A:7–3(3), shall effect the cancellation of such shares.

(7) A contract made with a corporation to purchase its shares, whether shares to be issued or treasury shares, is a subscription agreement and not an executory contract to purchase shares, unless otherwise provided in the agreement.

14A:7-4 Consideration for shares.

(1) Shares having a par value may be issued for such consideration, not less than the par value thereof, as shall be fixed from time to time by the board.

(2) Shares without par value may be issued for such consideration as may be fixed from time to time by the board unless the certificate of incorporation reserves to the shareholders the right to fix the consideration. If such right is reserved as to any shares, the shareholders shall either fix the consideration to be received for such shares or authorize the board to fix such consideration.

(3) Unless otherwise provided in the certificate of incorporation, treasury shares may be disposed of by the corporation for such consideration as may be fixed from time to time by the board.

(4) That part of the surplus of a corporation which is transferred to stated capital upon the issuance of shares as a share dividend shall be the consideration for the issuance of such shares.

(5) Upon a conversion of shares or of convertible bonds, or upon an exchange of shares with or without par value for the same or a different number of shares with or without par value, whether of the same or different class or series, the consideration for the shares so issued in exchange or conversion shall be

(a) the stated capital then represented by the shares so exchanged or converted, or, in the case of convertible bonds, the principal sum of and the accrued interest on the convertible bonds;

(b) any stated capital not theretofore allocated to any designated class or series of shares which is thereupon allocated to the new shares;
(e) that part of surplus, if any, transferred to stated capital upon the issuance of shares for the shares or bonds so exchanged or converted; and

(d) any additional consideration paid to the corporation upon the issuance of shares for the shares or bonds so exchanged or converted.

(6) In the absence of fraud in the transaction, the judgment of the board or the shareholders, as the case may be, as to the value of the consideration received for shares shall be conclusive.

14A:7-5 Payment for shares.

(1) Subject to any restrictions contained in the certificate of incorporation, the consideration for the issuance of shares may be paid, in whole or in part, in money, in real property, in tangible or intangible personal property, including stock of another corporation, or in labor or services actually performed for the corporation or in its formation. Neither obligations of the subscriber nor any future services shall constitute payment or part payment for shares of the corporation.

(2) When payment of the full consideration for which shares are to be issued is received by the corporation, the subscriber shall thereupon become entitled to all the rights and privileges of a holder of such shares, including the registration in his name of a certificate representing them, and such shares shall be fully paid and nonassessable.

14A:7-6 Redeemable shares.

(1) A corporation may provide in its certificate of incorporation for one or more classes or series of shares which are redeemable, in whole or in part, at the option of the corporation in cash, its bonds or other property, at such price or prices, within such period or periods, and under such conditions as are stated in the certificate of incorporation. If so provided in its certificate of incorporation, a corporation may create a sinking fund for the redemption of any class or classes of redeemable shares.

(2) A corporation which is an open-end investment company, as defined in an Act of Congress entitled "Investment Company Act of 1940," as amended or supplemented, or any act adopted in substitution therefor, may, if its certificate of incorporation so provides and upon compliance with that act, issue shares which are redeemable at the option of the holder at a price approximately equal to the shares' proportionate interest in the net assets of the
corporation, and a shareholder may compel redemption of such shares in accordance with their terms.

(3) A corporation may provide, in its original certificate of incorporation or by an amendment approved by unanimous vote of the shareholders, for one or more classes or series of shares which are redeemable, in whole or in part, at the option of the shareholder. Subject to the restrictions imposed by section 14A:7-16, such shares may be redeemable in cash, bonds of the corporation or other property, at such price or prices, within such period or periods and under such conditions as are stated in the certificate of incorporation, and such shares may also be redeemable at the option of the corporation, as provided in subsection 14A:7-6(1).

The certificate of incorporation may be amended to delete or change a provision for shares redeemable at the option of the shareholder only with the unanimous approval of the holders of such shares. A provision for shares redeemable at the option of the shareholder shall become invalid when the number of holders of such shares, other than directors, officers, employees and the spouses of such persons, shall become 25 or more. For the purposes of the preceding sentence, shares which are held in joint or common tenancy or by the entireties shall be counted as held by one holder. The provisions of this subsection shall not be applicable to an open-end investment company.

(4) If a provision for shares redeemable at the option of the holder shall have become invalid as provided in subsection 14A:7-6(3), the board shall amend the certificate of incorporation to delete such provision by filing a certificate of amendment in the office of the Secretary of State. The certificate shall be executed on behalf of the corporation and shall set forth

(a) the name of the corporation;
(b) the date of adoption of the amendment;
(c) the deleted provision; and
(d) that the provision for shares redeemable at the option of the holder has become invalid because the number of holders of such shares, other than directors, officers, employees and the spouses of such persons, has become 25 or more.

The corporation shall thereupon give written notice of such invalidity to each holder of shares which have ceased to be redeemable at the option of the holder.

14A:7-7 Share rights and options.

(1) Subject to any provisions in respect thereof set forth in its certificate of incorporation, a corporation may create and issue,
whether or not in connection with the issuance and sale of any of its shares or bonds, rights or options entitling the holders thereof to purchase from the corporation shares of any class or series for such consideration and upon such terms and conditions as may be fixed by the board. The shares to be purchased upon the exercise of any such right or option may be authorized but unissued shares, treasury shares or shares to be purchased or acquired by the corporation for the purpose. Such rights or options shall be evidenced in such manner as the board shall approve and, without limiting the generality of the foregoing, may be evidenced by warrants attached to or forming part of bond instruments or share certificates or existing independently thereof. The instruments evidencing such rights or options shall set forth or incorporate by reference the terms and conditions of their exercise, including the time or times, which may be limited or unlimited in duration, within which, and the price or prices at which such shares may be purchased from the corporation, and any limitations on the transferability of any such right or option. The consideration for shares to be purchased upon the exercise of any such right or option shall comply with the requirements of sections 14A:7-4 and 14A:7-5. In the absence of fraud in the transaction, the judgment of the board as to the adequacy of the consideration received for such rights or options shall be conclusive.

(2) If such rights or options are to be issued to directors, officers or employees as such of the corporation or of any subsidiary thereof, or to their families, dependents or beneficiaries, pursuant to a plan, the provisions of Chapter 8 of this act govern their issuance. Without a plan, a corporation may also issue such rights or options to any such person, as an incentive to service or continued service of any such director, officer or employee, provided that no such director, officer or employee, together with his dependents and beneficiaries, shall receive in the aggregate rights and options entitling him to more than 1% of each class of shares of the corporation except with shareholder approval.

14A:7-8 Determination of amount of stated capital.

(1) The consideration received by a corporation upon the issuance of shares having a par value shall constitute stated capital to the extent of the par value and the excess, if any, shall constitute capital surplus.

(2) The consideration received by a corporation upon the issuance of shares without par value shall constitute stated capital unless, at the time of or within 60 days after the issuance of such
shares, the board shall allocate a portion of such consideration to capital surplus. No such allocation shall be made of any portion of the consideration for the issue of shares without par value which is fixed by the shareholders pursuant to a right reserved in the certificate of incorporation, unless such allocation is authorized by a vote of the shareholders, nor shall such allocation be made contrary to any restrictions contained in the certificate of incorporation.

(3) If shares have been or shall be issued by a corporation in merger or consolidation or in acquisition of all or substantially all of the outstanding shares or of the property and assets of another corporation, whether domestic or foreign, any amount that would otherwise constitute capital surplus under the foregoing provisions of this section may instead be allocated to earned surplus by the board of the issuing corporation except that its aggregate earned surplus shall not exceed the sum of the earned surpluses of the issuing corporation and of all other corporations, domestic or foreign, that were merged or consolidated or of which the shares or assets were acquired.

(4) The stated capital of a corporation may be increased from time to time by resolution of the board directing that all or a part of the surplus of the corporation be transferred to stated capital. The board may direct that the amount so transferred shall be stated capital in respect to any designated class or series of shares.

14A:7-9 Convertible shares and bonds.

(1) When so provided in its certificate of incorporation, a corporation may issue shares of any class or series convertible, at the option of the holder or of the corporation or both, into shares of any other class or classes or of any series of the same or any other class or classes.

(2) Unless otherwise provided in its certificate of incorporation, a corporation may issue bonds convertible, at the option of the holder or of the corporation or both, into shares of any class or classes or of any series of any class or classes, upon such terms and conditions as may be fixed by the board. The bond instrument shall set forth or incorporate by reference the terms and conditions of the conversion privilege.

(3) No issue of shares or bonds convertible into shares of the corporation shall be made unless a sufficient number of shares of the appropriate class or classes or series, either authorized but unissued or treasury shares, are reserved by the board to be issued
or disposed of only in satisfaction of the conversion privileges of
the convertible shares or bonds being issued.

(4) If there is shareholder approval of the issue of shares or
bonds convertible into shares of the corporation, such approval
may provide that the board is authorized upon such issue to in­
crease the authorized shares of any class or series to such number
as will be not more than sufficient, when added to the previously
authorized but unissued shares of such class or series, to satisfy
the conversion privileges of the convertible shares or bonds being
issued. The board, when so authorized, may increase the author­
ized shares of the corporation by filing a certificate of amendment
to the certificate of incorporation. The certificate shall be executed
on behalf of the corporation and shall set forth

(a) the name of the corporation;
(b) the date of adoption of the amendment;
(c) the amendment so adopted;
(d) that the amendment is made pursuant to authority granted
by the shareholders in connection with shareholder approval of
the issue of shares or bonds of the corporation convertible into
the shares being authorized by the amendment; and
(e) the designation of the convertible shares or bonds and the
date of such shareholder approval.

(5) If, upon the conversion of shares, the stated capital repre­
sented by the shares being converted is greater than the amount
of stated capital required by the provisions of subsections
14A:7–8(1) and 14A:7–8(2) to be represented by the shares being
issued, a reduction of stated capital by all or any part of such
excess may be accomplished at any time thereafter by the proce­
not limit the power of the board to make such reduction of stated
capital.

(6) No privilege of conversion shall be conferred upon, or altered
in respect to, any shares or bonds which would result in the receipt
by the corporation, upon the exercise of such privilege, of less than
the minimum consideration for which the new shares may lawfully
be issued, except that a privilege of conversion may provide for
adjustments of the conversion rate or price as required to maintain
the value of the privilege unimpaired by changes in the capital
structure of the corporation occurring after the issue of such con­
vertible shares or bonds.
(7) When bonds have been converted, they shall be cancelled and not reissued. The disposition of converted shares is provided for in section 14A:7-18.

14A:7-10 Expenses of organization; reorganization and financing.

The reasonable charges and expenses of organization or reorganization of a corporation, and the reasonable expenses of and compensation for the sale or underwriting of its shares, may be paid or allowed by such corporation out of the consideration received by it in payment for its shares without thereby rendering such shares assessable or not fully paid.

14A:7-11 Certificates representing shares.

(1) The shares of a corporation shall be represented by certificates signed by, or in the name of the corporation by, the chairman or vice-chairman of the board, or the president or a vice-president, and by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the corporation and may be sealed with the seal of the corporation or a facsimile thereof. If the certificate is countersigned by a transfer agent or registrar, who is not an officer or employee of the corporation, any and all other signatures may be facsimiles. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon such certificate shall have ceased to be such officer, transfer agent, or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer, transfer agent or registrar at the date of its issue.

(2) Every share certificate delivered after the effective date of this act by a corporation which is authorized to issue shares of more than one class shall set forth upon the face or back of the certificate a full statement

(a) of the designations, relative rights, preferences and limitations of the shares of each class and series authorized to be issued, so far as the same have been determined, and

(b) of the authority of the board to divide the shares into classes or series and to determine and change the relative rights, preferences and limitations of any class or series, or shall set forth that the corporation will furnish to any shareholder, upon request and without charge, such a full statement.

(3) Each certificate representing shares shall state upon the face thereof
(a) that the corporation is organized under the laws of this State;
(b) the name of the person to whom issued; and
(c) the number and class of shares, and the designation of the series, if any, which such certificate represents.

(4) No certificate shall be issued for any share until such share is fully paid, except as provided in section 14A:8–3.

14A:7-12 Transfer of shares and restrictions on transfer.

(1) The shares of a corporation shall be personal property and shall be transferable in accordance with the provisions of Chapter 8 of the Uniform Commercial Code (N.J.S. 12A:8-101 et seq.), as amended from time to time, except as otherwise provided in this act.

(2) Any reasonable restriction on the transfer or registration of transfer of shares, or other securities having conversion or option rights, may be enforced against the holder of the restricted securities and any successor or transferee of the holder, including any fiduciary entrusted with responsibility for the person or property of the holder. Such restriction shall be valid only if imposed by the certificate of incorporation or by-laws or by the provisions of an employee benefit plan permitted by Chapter 8 of this act, or by a written agreement among any number of shareholders or among such holders and the corporation. No restriction shall be valid with respect to any securities issued prior to the imposition of the restriction unless their holders shall have voted in favor of the imposition of the restriction or are parties to the agreement imposing it. Unless noted conspicuously on the security, a restriction shall not be valid against a person who becomes the holder of the security without actual knowledge of the restriction.

(3) In particular and without limitation of the generality of the power granted by subsection 14A:7-12(2) to impose restrictions, a restriction on the transfer or registration of transfer of shares, or other securities having conversion or option rights, may be enforced as provided in subsection 14A:7-12(2), if it:

(a) obligates the holder of the restricted securities to offer to the corporation or to any other holders of securities of the corporation or to any other person or to any combination of the foregoing, a prior opportunity, to be exercised within a reasonable time, to acquire the restricted securities;
(b) obligates the corporation or any holder of securities of the corporation or any other person or any combination of the
foregoing, to purchase the securities which are the subject of
an agreement respecting the purchase and sale of the restricted
securities;

(c) requires the corporation or the holders of any class or
series of securities of the corporation to consent to any proposed
transfer of the restricted securities or to approve the proposed
transferee of the restricted securities;

(d) prohibits the transfer of the restricted securities to des­
ignated persons or classes of persons, and such designation is
not manifestly unreasonable; or

(e) exists for the purpose of maintaining the status of the
corporation as an electing small business corporation under sub­
chapter S of the United States Internal Revenue Code.

(4) If a restriction on transfer of shares or other securities
having conversion or option rights is held not to be authorized
by the law of this State, the corporation shall nevertheless have
an option for a period of 30 days after the judgment setting aside
the restriction becomes final, to acquire the restricted securities
at a price to be agreed upon by the parties, or if no agreement is
reached as to price, then at their fair value as determined by any
court having jurisdiction. In order to determine fair value, the
court may appoint an appraiser to receive evidence and report to
the court his findings and recommendations as to fair value. The
appraiser shall have such powers and shall proceed so far as ap­
licable, in the same manner as an appraiser appointed under
section 14A:11-8.

14A:7-13 Issuance of fractional shares or scrip.

Unless otherwise provided in its certificate of incorporation, a
corporation may, but shall not be obliged to issue fractions of a
share and certificates therefor on original issue or otherwise when
necessary to effect share transfers, dividends, distributions, ex­
changes or reclassifications, or to effect mergers, consolidations
or reorganizations. By action of its board, a corporation may, in
lieu of issuing fractional shares, pay cash equal to the value of
such fractional share, or issue scrip in registered or bearer form
which shall entitle the holder to receive a certificate for a full share
upon the surrender of such scrip aggregating a full share. A cer­
tificate for a fractional share shall entitle the holder to exercise
voting rights, to receive dividends thereon, and to participate in
any distribution of assets of the corporation in the event of liquida­
tion, but scrip shall not entitle the holder to exercise such voting
rights, receive dividends or participate in any such distribution of assets unless such scrip shall so provide. All scrip shall be issued subject to the condition that it shall become void if not exchanged for certificates representing full shares before a specified date. If such scrip is not so exchanged, the corporation shall either sell the shares for which such scrip was exchangeable and distribute the proceeds thereof pro rata to the holders of such scrip, or pay, pro rata, to the holders of such scrip the market value of the shares for which such scrip was exchangeable as of the day when such scrip became void.

14A:7-14 Dividends or other distributions in cash or property.

(1) A corporation may, from time to time, by action of its board, declare and pay dividends or make other distributions on its outstanding shares in cash or in its bonds or other property, including the shares or bonds of other corporations, except when the corporation is insolvent or would thereby be made insolvent, or when the payment or distribution would be contrary to any restrictions contained in the certificate of incorporation. Unless the certificate of incorporation otherwise provides, such payments or distributions may be made whether or not the net assets remaining after the transaction are less than the aggregate amount of the preferences of outstanding shares in the assets of the corporation upon liquidation.

(2) Dividends may be declared or paid and other distributions may be made out of surplus only, except in dissolution and except that a corporation engaged in the exploitation of natural resources or other wasting assets, including patents and other term rights, or formed primarily for the liquidation of specific assets, may declare and pay dividends or make other distributions in excess of its surplus to the extent that the cost of the wasting or specific assets has been recovered by depletion reserves, amortization or sale.

14A:7-15 Share dividends.

(1) Subject to any restrictions contained in the certificate of incorporation, a corporation may, from time to time, by resolution of its board, pay dividends in its own shares, as provided in this section.

(2) Such dividends may be paid in authorized but unissued shares out of surplus upon the following conditions
(a) if a dividend is payable in shares having a par value, such shares shall be issued at not less than the par value thereof and there shall be transferred to stated capital at the time such dividend is paid an amount of surplus at least equal to the aggregate par value of the shares to be issued as a dividend;

(b) if a dividend is payable in shares without par value, the amount of stated capital to be represented by each share shall be fixed by the board by resolution adopted at the time such dividend is declared, unless the certificate of incorporation reserves to the shareholders the right to fix the consideration for the issue of such shares, and there shall be transferred to stated capital at the time such dividend is paid an amount of surplus equal to the aggregate stated capital represented by such shares.

3. Such dividends may be paid in treasury shares, in which event no transfer from surplus to capital need be made.

4. A corporation paying a dividend in authorized but unissued shares to the holders of any class or series of outstanding shares may at its option make an equivalent distribution on treasury shares of the same class or series and any shares so distributed shall be treasury shares.

5. Unless the certificate of incorporation otherwise provides, a dividend may be paid in shares having a preference in the assets of the corporation upon liquidation, whether or not the net assets remaining after such payment are less than the aggregate amount of such preferences of such outstanding shares.

6. A split-up or division of the issued shares of any class or series into a greater number of shares of the same class or series without increasing the stated capital of the corporation shall not be construed to be a share dividend within the meaning of this section.

14A:7-16 Right of a corporation to acquire and dispose of its own shares.

1. A corporation shall have the right to purchase or otherwise acquire, and to sell, create a security interest in, or otherwise dispose of its own shares, but purchases of its own shares, whether direct or indirect, shall be made only out of surplus, except as provided in subsections 14A:7-16(2), 14A:7-16(3) and 14A:7-16(4).

2. A corporation may purchase its own shares out of stated capital for the purpose of

   (a) eliminating fractional shares;

   (b) collecting or compromising indebtedness to the corporation; or
(c) paying dissenting shareholders entitled to payment for their shares under the provisions of this act.

(3) A corporation may redeem or purchase its redeemable shares out of stated capital, except when after such redemption or purchase net assets would be less than the stated capital remaining after giving effect to the cancellation of such shares.

(4) A corporation may purchase its nonredeemable shares out of stated capital, if such shares have a preference over the shares of any other class or series in the payment of dividends or in the distribution of the assets upon liquidation, except when after such purchase net assets would be less than the stated capital remaining after giving effect to the cancellation of such shares.

(5) No purchase or redemption of its own shares shall be made by a corporation

(a) contrary to any restrictions contained in the certificate of incorporation;
(b) at a time when the corporation is insolvent or when such purchase or redemption would render the corporation insolvent;
(c) unless after such purchase or redemption there remain outstanding one or more classes or series of shares possessing, among them collectively, voting rights and unlimited residual rights as to dividends and distribution of assets on liquidation; or
(d) in the case of redeemable shares and within the period of their redeemability, at a price greater than the applicable redemption price plus, in the case of shares entitled to cumulative dividends, the dividends which would have accrued to the next dividend date following the date of purchase or redemption.

(6) A corporation which has purchased its own shares out of surplus may defer payment for such shares over such period as may be agreed between it and the selling shareholder. The obligation so created shall constitute an ordinary debt of the corporation and the validity of any payment made upon the debt so created shall not be affected by the absence of surplus at the time of such payment.

(7) Unless the certificate of incorporation otherwise provides, a corporation may purchase or redeem its shares whether or not the net assets remaining after the transaction are less than the aggregate amount of the preferences of outstanding shares in the assets of the corporation upon liquidation.
CHAPTER 350, LAWS OF 1968 1079

14A:7-17 Disclosure to shareholders upon certain distributions or earned surplus transactions.

(1) Every dividend or other distribution from a source in whole or in part other than earned surplus, and every share dividend or other distribution of shares of the corporation shall be accompanied by a written notice disclosing the amounts by which such dividend or distribution affects stated capital, capital surplus and earned surplus, or, if such amounts are not determinable at the time of such notice, disclosing the approximate effect of such dividend or distribution upon stated capital, capital surplus and earned surplus and stating that such amounts are not yet determinable.

(2) A corporation which applies any part or all of its capital surplus to the reduction or elimination of any deficit in its earned surplus, as permitted by subsection 14A:7-20(3), shall disclose such application in each financial statement covering the period in which such application is made that is furnished by the corporation to any of its shareholders, and in any event to all its shareholders within 6 months of the date of such application.

(3) Failure of the corporation to comply in good faith with the provisions of this section shall make it liable for any damage sustained by any shareholder in consequence thereof.

14A:7-18 Cancellation of reacquired shares.

(1) When shares of a corporation are reacquired out of stated capital or by their conversion into other shares of the corporation, the reacquisition shall effect their cancellation. When shares of a corporation are otherwise reacquired by it, the corporation may retain them as treasury shares or may cancel them by resolution of the board. In all cases of cancellation, except that of converted shares, a statement of cancellation shall be filed as provided in this section. Upon their cancellation, reacquired shares shall be restored to the status of authorized but unissued shares, unless the certificate of incorporation, or the plan of merger or consolidation in the case of shares acquired by the corporation pursuant to Chapter 11 of this act, provides that such shares shall not be reissued, in which case the filing of the statement of cancellation, pursuant to a resolution of the board, shall constitute an amendment to the certificate of incorporation and shall reduce the authorized number of shares by the number of shares so cancelled.

(2) The statement of cancellation shall be executed on behalf of the corporation and filed in the office of the Secretary of State.
not later than 30 days after the cancellation of the reacquired shares. The statement shall set forth:

(a) the name of the corporation;

(b) the number of shares cancelled, itemized by classes and series, and if cancelled shares were not reacquired out of stated capital or by their conversion into other shares of the corporation, the date of adoption of the resolution of the board cancelling such shares;

(c) the aggregate number of issued shares, itemized by classes and series, after giving effect to such cancellation;

(d) the amount, expressed in dollars, of the stated capital of the corporation after giving effect to such cancellation;

(e) if the certificate of incorporation, or the plan of merger or consolidation in the case of shares acquired by the corporation pursuant to Chapter 11 of this act, provides that the cancelled shares shall not be reissued

(i) that the certificate of incorporation is amended pursuant to a resolution of the board by decreasing the aggregate number of shares which the corporation is authorized to issue by the number of shares cancelled, and

(ii) the number of shares which the corporation has authority to issue, itemized by classes and series, after giving effect to such cancellation; and

(f) if shareholder approval is required by subsection 14A:7-18(3) for a reduction of the stated capital of the corporation, a statement of the date of approval by the shareholders, the number of shares outstanding, the number of shares entitled to vote thereon, and the number of shares voted for and against the reduction of the stated capital, respectively; and, if any class or series of shares is entitled to vote thereon as a class, a separate statement of such facts for each class and series entitled to vote separately.

(3) Except as otherwise provided in this subsection, upon the cancellation of reacquired shares the stated capital of the corporation shall be reduced by the amount represented by such shares before their cancellation. In the case of shares without par value for whose issue the consideration was fixed by the shareholders, as provided in subsection 14A:7-4(2), if such shares are not redeemable and are not preferred over the shares of any other class or series in the payment of dividends or in the distribution of assets upon liquidation and have not been reacquired for any of the purposes set forth in subsection 14A:7-16(2), their cancella-
tion shall cause a reduction of the stated capital only to the extent, if any, that the stated capital represented by such shares exceeded the minimum amount required, as provided in subsection 14A:7-8 (2), unless such further reduction has been approved by a vote of the shareholders or is authorized by the certificate of incorporation. This subsection shall not be applicable to converted shares.

(4) A statement of cancellation of converted shares shall be filed only if the certificate of incorporation provides that such shares shall not be reissued. The statement of cancellation shall set forth the information required by paragraphs 14A:7-18(2)(a), (b), (c) and (e).

(5) Nothing contained in this section shall be construed to forbid a cancellation of shares or a reduction of stated capital in any other manner permitted by this act.

14A:7-19 Reduction of stated capital by board action.

(1) Unless otherwise provided in the certificate of incorporation and subject to the provisions of subsections 14A:7-19(3), 14A:7-19 (4) and 14A:7-19(5), a reduction of the stated capital of a corporation, where such reduction is not accompanied by any action requiring an amendment of the certificate of incorporation and not accompanied by a cancellation of shares, may be made by resolution of the board setting forth the amount of the proposed reduction, the manner in which the reduction shall be effected and the date upon which the reduction shall become effective.

(2) A statement of such reduction shall be executed on behalf of the corporation and filed in the office of the Secretary of State not later than 30 days after the effective date of the reduction. Such statement shall set forth

(a) the name of the corporation;

(b) a statement of the amount of the reduction, the manner in which such reduction is effected, and the amount, expressed in dollars, of stated capital of the corporation after giving effect to such reduction; and

(c) if shareholder approval is required for a reduction of the stated capital of the corporation, a statement of the date of approval by the shareholders, the number of shares outstanding, the number of shares entitled to vote thereon, and the number of shares voted for and against the reduction of the stated capital, respectively; and, if any class or series of shares is entitled to vote thereon as a class, a separate statement of such facts for each class and series entitled to vote separately.
(3) Unless the certificate of incorporation otherwise provides, the board shall have discretion to reduce the stated capital of shares under this section whether or not the stated capital after such reduction is at least equal to the aggregate amount of the preferences of issued shares in the assets of the corporation upon liquidation plus the aggregate amount of the par value of all other issued shares with par value.

(4) If the consideration for the issue of shares without par value was fixed by the shareholders under subsection 14A:7-4(2), the board shall not reduce the stated capital represented by such shares except to the extent, if any, that the board was authorized by the shareholders to allocate a portion of such consideration to surplus, as provided in subsection 14A:7-8(2), unless such further reduction has been approved by a vote of the shareholders or is authorized by the certificate of incorporation.

(5) Stated capital which remains in existence, because of the applicability of the second sentence of subsection 14A:7-18(3), after the cancellation of the shares which formerly represented it, shall not be reduced by the board unless such reduction has been approved by a vote of the shareholders or is authorized by the certificate of incorporation.

14A:7-20 Special provisions relating to surplus.

(1) The surplus, if any, created by or arising out of a reduction of the stated capital of a corporation, or a revaluation to reflect unrealized appreciation of its assets, shall be capital surplus. Upon the realization of any such increase in value, the board may, by resolution, transfer from capital surplus to earned surplus the amount realized. When a corporation has applied its earned surplus to the acquisition of treasury shares and such shares are subsequently disposed of for a consideration, the corporation may, at its option, restore to earned surplus, out of the consideration received, all or part of the amount by which earned surplus was reduced at the time of acquisition of such shares. If the consideration received exceeds the amount by which earned surplus was reduced with respect to such shares, the excess shall be capital surplus. When treasury shares are used to satisfy the exercise of conversion privileges, if the stated capital formerly represented by the converted shares is reduced in accordance with the provisions of section 14A:7-19, the surplus so produced may be restored to earned surplus as provided in this subsection, as if it were consideration for the disposition of the treasury shares.
(2) The capital surplus of a corporation may be increased from time to time by resolution of the board directing that all or a part of the earned surplus of the corporation be transferred to capital surplus.

(3) A corporation may, by resolution of its board, apply any part or all of its capital surplus to the reduction or elimination of any deficit in the earned surplus account.

(4) The board of any corporation formed before the effective date of this act may determine the amount of the corporation's earned surplus before the declaration of the first dividend after the effective date of this act, and such determination if made in good faith shall be conclusive.

14A:8-4. Amendment or Termination of Plans.
14A:8-5. Trust Funds for Employees; Creation; Maintenance and Administration.
14A:8-6. Continuation of Trust; Law Against Perpetuities Inapplicable.

14A:8-1 Employee benefit plans.
(1) A corporation may, in the manner prescribed in section 14A:8-2, establish and carry out wholly or partly at its expense, any one or more of the following plans for the benefit of some or all employees of the corporation or any subsidiary thereof and their families, dependents or beneficiaries
   (a) plans providing for the sale or distribution of its shares of any class or series, held by it or issued or purchased by it for the purpose, including stock option, stock purchase, stock bonus, profit-sharing, savings, pension, retirement, deferred compensation and other plans of similar nature, whether or not such plans also provide for the distribution of cash or property other than its shares;
(b) plans providing for payments solely in cash or property other than shares of the corporation, including profit-sharing, bonus, savings, pension, retirement, deferred compensation and other plans of similar nature; and

e) plans for the furnishing of medical services; life, sickness, accident, disability or unemployment insurance or benefits; education; housing; social and recreational services; and other similar aids and services.

(2) The term "employees" as used in this Chapter means employees, officers and directors, including any who have retired, become disabled or died prior to the establishment of any plan heretofore or hereafter adopted.

14A:8-2 Formulation of plans; submission to shareholders in certain instances.

The board alone, by affirmative vote of a majority of directors in office, may adopt any plan described in section 14A:8-1 and may include such provisions therein as the board may deem advisable; provided that the approval of the shareholders shall be required for the adoption of any plan which permits the use or issuance of treasury shares or authorized but unissued shares, and shall also be required for the adoption of any other plan if the certificate of incorporation or the by-laws so provide.

14A:8-3 Terms of plan; issuance of certificates.

The approval by the shareholders of a plan for the issue of rights or options to employees shall include approval of the terms and conditions upon which such rights or options are to be issued, such as, but without limitation thereto, any restrictions upon the administration of the plan, the terms and conditions of payment for shares in full or in installments, the issue of certificates for shares to be paid for in installments, any limitations upon the transferability of such shares and the voting and dividend rights to which the holders of such shares may be entitled, though the full amount of the consideration therefor has not been paid; provided that no certificate for shares shall be delivered under the plan, prior to full payment in cash, property or services therefor, unless the fact that the shares are partly paid for is noted conspicuously on the face of such certificate, or such certificate is deposited with a trustee to be held pursuant to the terms of a plan or an appropriate agreement.
14A:8-4 Amendment or termination of plans.

Unless otherwise provided in the plan, the board may amend or terminate any plan described in section 14A:8-1 heretofore or hereafter adopted, provided that

(a) no such amendment or termination shall impair any rights which have accrued under the plan or deprive any employee or beneficiary of the employee of the equivalent in cash or other benefits of the contributions of the employee under the plan; and

(b) any amendment made by the board to a plan which was approved by the shareholders in accordance with section 14A:8-2, shall be submitted to the shareholders for approval, unless the board shall have determined that such amendment will not result in a material increase in the cost of the plan to the corporation; and

(e) any amendment made by the board to a plan which, under section 14A:8-2, did not initially require shareholder approval, shall require shareholder approval, if the effect of such amendment is to include in the plan a provision, which if originally included in the plan, would have required shareholder approval of the plan.

14A:8-5 Trust funds for employees; creation; maintenance and administration.

Any domestic or foreign corporation which has adopted, or hereafter adopts, a plan described in section 14A:8-1 may establish one or more trust funds of the property contributed or held by any such corporation or any subsidiary thereof for the purposes of such plan. Any such trust fund may be held and administered by the corporation adopting such plan or by any trustee or trustees, within or without this State, appointed by the corporation for that purpose.

14A:8-6 Continuation of trust; law against perpetuities inapplicable.

The period for which any such trust may be created and maintained may be as long as may be desirable for the complete administration of any such plan as originally adopted or thereafter amended, and no such trust or trust fund shall be subject to or held to be in violation of any principle of law, against perpetuities or restraints on alienation or perpetual accumulations or trusts.

3. An amendment of the certificate of incorporation may, by resolution of the board, be accompanied by a reduction of stated capital. Such reduction shall not be part of the amendment, but
may be set forth in the certificate of amendment as provided in subsection 14A:9-4(4) and shall become effective as provided in subsection 14A:9-4(5).

14A:9-2 Procedure to amend certificate of incorporation.

(1) Before the organization meeting of the board, the incorporators may amend the certificate of incorporation by complying with subsection 14A:9-4(1).

(2) Amendment of the certificate of incorporation by action of the board is provided for in subsection 14A:4-3(1), subsection 14A:5-21(4), subsection 14A:7-2(4), subsection 14A:7-6(4), subsection 14A:7-9(4), and subsections 14A:7-18(1) and 14A:7-18(4). Amendment of the certificate of incorporation by action of the registered agent to change the registered office is provided for in subsection 14A:4-3(3).

(3) An amendment of the certificate of incorporation pursuant to a plan of merger may be made in the manner provided in Chapter 10 of this act.

(4) All other amendments of the certificate of incorporation shall be made in the following manner:

(a) The board shall approve the proposed amendment and direct that it be submitted to a vote at a meeting of the shareholders.

(b) Written notice setting forth the proposed amendment or a summary of the changes to be effected thereby shall be given to each shareholder of record entitled to vote thereon within the time and in the manner provided in this act for the giving of notice of meetings of shareholders.

(c) At such meeting a vote of shareholders entitled to vote thereon shall be taken on the proposed amendment. The proposed amendment shall be adopted upon receiving the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote thereon and, in addition, if any class or series of shares is entitled to vote thereon as a class, the affirmative vote of a majority of the votes cast in each class vote; except that, in the case of a corporation organized prior to the effective date of this act, the proposed amendment shall be adopted upon receiving the affirmative vote of two-thirds of the votes so cast. The voting requirements of this section shall be subject to such greater requirements as are provided in this act for specific
amendments, or as may be provided in the certificate of incorporation.

(d) Subject to the provisions of section 14A:5-12, a corporation organized prior to the effective date of this act may adopt the majority voting requirements prescribed in paragraph 14A:9-2(4)(c) by amendment of its certificate of incorporation adopted by the affirmative vote of two-thirds of the votes cast by the holders of shares entitled to vote thereon.

(e) Any number of amendments may be acted upon at one meeting.

(f) Upon adoption, a certificate of amendment shall be filed in the office of the Secretary of State as provided in section 14A:9-4.

14A:9-3 Class voting on amendments.

(1) Except as otherwise provided in subsection 14A:9-3(4), and notwithstanding any provision in the certificate of incorporation, the holders of the outstanding shares of a class or series shall be entitled to vote as a class upon a proposed amendment, if the amendment would

(a) exclude or limit their right to vote on any matter, except as such right may be limited by voting rights given to new shares then being authorized of any existing or new class or series;
(b) limit or deny their existing preemptive rights;
(c) cancel or otherwise adversely affect dividends which have accrued but have not been declared on the shares held by them; or
(d) create, or authorize the board to create, a new class or series having, or convertible into shares having, rights or preferences prior or superior to those of the shares held by them, or increase such rights or preferences of any class or series.

(2) Except as otherwise provided in subsection 14A:9-3(4), and notwithstanding any provision in the certificate of incorporation, the holders of the outstanding shares of a class or series whose rights or preferences would be subordinated or otherwise adversely affected by a proposed amendment shall be entitled to vote as a class thereon, if the amendment would

(a) decrease the par value of their shares;
(b) effect a conversion, exchange or reclassification of their shares;
(c) effect a conversion or exchange, or create a right of conversion or exchange, of any shares of another class or series into shares of their class or series;

(d) change the designation, preferences, limitations or relative rights of their shares;

(e) change their shares into a different number of shares, or into the same number of shares of another class or series; or

(f) divide the shares of their class into series or determine the designation of any series in their class or determine any preferences, limitations or relative rights of any series in their class, or authorize the board to make any such division or to make or change any such determination.

(3) If any proposed amendment referred to in subsections 14A:9-3(1) and 14A:9-3(2) would subordinate or otherwise adversely affect the rights or preferences of the holders of shares of one or more series of any class, but not of the entire class, then only the holders of such series shall be entitled by this section to vote as a class upon such proposed amendment.

(4) This section shall not apply to amendments which may be made by board action without shareholder approval, as set forth in subsection 14A:9-2(2).

14A:9-4 Certificate of amendment.

(1) If the amendment is made as provided by subsection 14A:9-2(1), a certificate of amendment shall, subject to subsection 14A:2-6(3), be signed by all the incorporators, shall set forth the name of the corporation and the amendment so adopted, and shall recite that the amendment is made by unanimous consent of the incorporators before the organization meeting of the directors.

(2) If the amendment is made by the board as referred to in subsection 14A:9-2(2), a certificate of amendment shall be executed on behalf of the corporation. The certificate shall set forth the information required by the section of this act which empowers the board to make the amendment.

(3) If the amendment is made as provided by subsection 14A:9-2(4), a certificate of amendment shall be executed on behalf of the corporation and shall set forth

(a) the name of the corporation;

(b) the amendment so adopted;

(c) the date of the adoption of the amendment by the shareholders;
(d) the number of shares outstanding, and the number of
shares entitled to vote thereon, and if the shares of any class
or series are entitled to vote thereon as a class, the designation
and number of outstanding shares entitled to vote thereon of
each such class or series;

(e) the number of shares voted for and against such amend­
ment, respectively, and if the shares of any class or series are
entitled to vote thereon as a class, the number of shares of each
such class and series voted for and against such amendment, re­
spectively;

(f) if such amendment is intended to provide for an exchange,
classification or cancellation of issued shares, a statement of
the manner in which the same shall be effected; and

(g) if, pursuant to subsection 14A:9-4(5), the amendment is
to become effective at a time subsequent to the time of filing,
the date when the amendment is to become effective.

(4) If such amendment is accompanied by a reduction of stated
capital, the corporation may also include in the certificate, at its
discretion, in lieu of a statement of reduction under section
14A.7-19, a statement of the amount of the reduction, the manner
in which the reduction is effected, and the amount, expressed in
dollars, of stated capital of the corporation after giving effect to
the reduction.

(5) Each certificate of amendment of the certificate of incor­
poration shall be filed in the office of the Secretary of State and
the amendment shall become effective upon the date of filing or
at such later time, not to exceed 30 days from the date of filing,
as may be set forth in the certificate. If the certificate of amend­
ment includes a statement provided for in subsection 14A:9-4(4),
the stated capital shall be reduced when the amendment becomes
effective.

14A:9-5 Restated certificate of incorporation.

(1) A corporation may restate and integrate in a single certifi­
cate the provisions of its certificate of incorporation as theretofore
amended, including any provision effected by a merger or consol­
idation and any further amendments as may be adopted concur­rently with the restated certificate.

(2) If the proposed restated certificate merely restates and inte­
grates, but does not further amend the certificate of incorporation
as theretofore amended, it may be adopted by the board.

(3) If the proposed restated certificate restates and integrates
and also further amends the certificate of incorporation as thereto-
fore amended, such restated certificate shall be adopted in the following manner:

(a) the board shall approve the proposed restated certificate and direct that it be submitted to a vote at a meeting of the shareholders;

(b) written notice setting forth the proposed restated certificate shall be given to each shareholder of record entitled to vote thereon within the time and in the manner provided in this act for the giving of notice of such meeting;

(c) at such meeting a vote of shareholders entitled to vote thereon shall be taken on the proposed restated certificate. The proposed restated certificate shall be adopted upon receiving the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote thereon. The voting requirements of this section shall be subject to such greater requirements as are provided in this act for specific amendments or as may be provided in the certificate of incorporation.

(4) The restated certificate shall recite that it is a restated certificate and shall contain all such provisions as are required in an original certificate of incorporation filed at the time the restated certificate is filed, except that

(a) it shall state the address of the corporation's then current registered office, and the name of its then current registered agent, and it shall also state the number, names and addresses of the directors constituting its then current board;

(b) it need not include statements as to the incorporator or incorporators or as to the first directors or the first registered office and registered agent;

(c) if, pursuant to subsection 14A:9-5(6), the restated certificate is to become effective subsequent to the time of filing, it shall state the date when it is to become effective.

(5) The restated certificate shall be executed on behalf of the corporation, and shall be filed in the office of the Secretary of State. There shall be attached to it and filed therewith a certificate executed on behalf of the corporation and setting forth

(a) the name of the corporation;

(b) the date such restated certificate was adopted; and

(c) if the restated certificate of incorporation was adopted by the shareholders, it shall also set forth

(i) the number of the shares outstanding, and the number of shares entitled to vote thereon, and, if the shares of any class or series are entitled to vote thereon as a class, the desig-
nation and number of outstanding shares entitled to vote thereon of each such class and series;

(ii) the number of shares voted for and against such adoption, and, if the shares of any class or series are entitled to vote thereon as a class, the number of shares of each such class and series voted for and against such adoption; and

(iii) if an amendment of the certificate of incorporation was adopted concurrently with the adoption of the restated certificate, the information required by paragraphs 14A:9-4(3)(b), 14A:9-4(3)(f), and 14A:9-4(3)(g).

6) The restated certificate and any amendment included therein shall become effective upon the date of filing with the Secretary of State or at such later time, not to exceed 30 days from the date of filing as may be set forth therein.

14A:9-6 Abandonment of amendment.

Prior to the effective date of an amendment of the certificate of incorporation for which shareholder approval is required under the provisions of this act, such amendment may be abandoned pursuant to provisions therefor, if any, set forth in the resolution of the shareholders approving such amendment. If a certificate of amendment has been filed in the office of the Secretary of State prior to such abandonment, a certificate of abandonment shall be filed in the office of the Secretary of State. The certificate shall state that the amendment has been abandoned in accordance with the provisions therefor set forth in the resolution of the shareholders adopting such amendment.

CHAPTER 10

MERGER, CONSOLIDATION, ACQUISITION OF ALL CAPITAL SHARES OF A CORPORATION AND SALE OF ASSETS

Section
14A:10-1. Procedure for Merger.
14A:10-3. Approval by Shareholders.
14A:10-6. Effect of Merger or Consolidation.
14A:10-1 Procedure for merger.

(1) Any two or more domestic corporations may merge into one of such corporations pursuant to a plan of merger approved in the manner provided in this act.

(2) The board of each corporation shall approve a plan of merger setting forth

(a) the names of the corporations proposing to merge, and the name of the corporation into which they propose to merge, which is hereinafter designated as the surviving corporation;

(b) the terms and conditions of the proposed merger, including a statement of any amendments in the certificate of incorporation of the surviving corporation to be effected by such merger;

(c) the manner and basis of converting the shares of each merging corporation into shares, other securities, or obligations of the surviving corporation, or into cash or other consideration which may include shares or other securities or obligations of a corporation not a party to the merger, or into any combination thereof; and

(d) such other provisions with respect to the proposed merger as are deemed necessary or desirable.

14A:10-2 Procedure for consolidation.

(1) Any two or more domestic corporations may consolidate into a new corporation pursuant to a plan of consolidation approved in the manner provided in this act.

(2) The board of each corporation shall approve a plan of consolidation setting forth

(a) the names of the corporations proposing to consolidate, and the name of the new corporation into which they propose to consolidate, which is hereinafter designated as the new corporation;
(b) the terms and conditions of the proposed consolidation;
(c) the manner and basis of converting the shares of each
corporation into shares, other securities, or obligations of the
new corporation, or into cash or other consideration which may
include shares or other securities or obligations of a corporation
not a party to the consolidation, or into any combination thereof;
(d) with respect to the new corporation, all of the statements
required to be set forth in the certificate of incorporation for
corporations organized under this act, except that it shall not
be necessary to set forth the name and address of each incor­
porator; and
(e) such other provisions with respect to the proposed con­
solidation as are deemed necessary or desirable.

14A:10-3 Approval by shareholders.
(1) The board of each corporation, upon approving such plan
of merger or plan of consolidation, shall direct that the plan be
submitted to a vote at a meeting of shareholders. Written notice
shall be given to each shareholder of record, whether or not en­
titled to vote at such meeting, not less than 20 nor more than 60
days before such meeting, in the manner provided in this act for
the giving of notice of meetings of shareholders. Such notice shall
include, or shall be accompanied by
(a) a copy or a summary of the plan of merger or consolida­
tion, as the case may be; and
(b) a statement informing shareholders who, under Chapter
11 of this act, are entitled to dissent, that they have the right to
dissent and to be paid the fair value of their shares, provided
that they file with the corporation before the taking of the vote
of the shareholders on the plan of merger or consolidation a
written notice of dissent as required by subsection 14A:11-2(1),
and that they otherwise comply with the procedures set forth
in Chapter 11 of this act.

(2) At each such meeting, a vote of the shareholders shall be
taken on the proposed plan of merger or consolidation. Such plan
shall be approved upon receiving the affirmative vote of a majority
of the votes cast by the holders of shares of each such corporation
entitled to vote thereon, and, in addition, if any class or series is
entitled to vote thereon as a class, the affirmative vote of a majority
of the votes cast in each class vote; except that, in the case of a
corporation organized prior to the effective date of this act, the
plan of merger or consolidation shall be approved upon receiving
the affirmative vote of two-thirds of the votes so cast. Any class or series of shares of any such corporation shall be entitled to vote as a class if the plan of merger or consolidation, as the case may be, contains any provision which, if contained in a proposed amendment to the certificate of incorporation, would entitle such class or series of shares to vote as a class unless such provision is one which could be adopted by the board without shareholder approval as referred to in subsection 14A:9-2(2). The voting requirements of this section shall be subject to such greater requirements as are provided in this act for specific amendments or as may be provided in the certificate of incorporation.

(3) Subject to the provisions of section 14A:5-12, a corporation organized prior to the effective date of this act may adopt the majority voting requirements prescribed in subsection 14A:10-3(2) by an amendment of its certificate of incorporation adopted by the affirmative vote of two-thirds of the votes cast by the holders of shares entitled to vote thereon.

(4) Notwithstanding the provisions set forth in subsections 14A:10-3(1) and 14A:10-3(2), the approval of the shareholders of a surviving corporation shall not be required to authorize a merger if

(a) the agreement of merger does not change the name or authorized shares or series of any class or otherwise amend the certificate of incorporation of the surviving corporation; and

(b) the authorized unissued shares and the treasury shares of each class and series of the surviving corporation to be issued or delivered under the plan of merger do not exceed 15 per cent of the shares of each such class or series of the surviving corporation outstanding immediately prior to the effective date of the merger.

14A:10-4 Certificate of merger or consolidation.

(1) After approval of the plan of merger or consolidation, a certificate of merger or a certificate of consolidation, as the case may be, shall be executed on behalf of each corporation. The certificate shall set forth

(a) the plan of merger or the plan of consolidation;

(b) as to each corporation whose shareholders are entitled to vote, the number of shares outstanding, and, if the shares of any class are entitled to vote as a class, the designation and number of outstanding shares of each such class;

(d) in the case of a merger governed by subsection 14A:10-3(4), that the plan of merger was approved by the board of directors without any vote of shareholders of the surviving corporation; and

(e) if, pursuant to subsection 14A:10-4(2), the merger is to become effective at a time subsequent to the date of filing with the Secretary of State, the date when the merger is to become effective.

(2) The certificate shall be filed in the office of the Secretary of State and the merger or consolidation shall become effective upon the date of such filing or at such later time, not to exceed 30 days after the date of filing, as may be set forth in the certificate.

14A:10-5 Merger of subsidiary corporation.

(1) Any domestic corporation owning at least 90% of the outstanding shares of each class and series of another domestic corporation or corporations, may merge such other corporation or corporations into itself, or may merge itself, or itself and any such subsidiary corporation or corporations, into any such subsidiary corporation, without approval of the shareholders of any of the corporations, except as provided in subsections 14A:10-5(5) and 14A:10-5(6). The board of the parent corporation shall approve a plan of merger setting forth those matters required to be set forth in plans of merger under section 14A:10-1. Approval by the board of any such subsidiary corporation shall not be required.

(2) If the parent corporation owns less than 100% of the outstanding shares of each subsidiary corporation, it shall mail to each minority shareholder of record of each subsidiary corporation, unless waived in writing, a copy or a summary of the plan of merger. The parent corporation shall also mail to each shareholder who, under Chapter 11 of this act, is entitled to dissent, a statement informing such shareholder that he has the right to dissent and to be paid the fair value of his shares, provided that he files with the corporation, within 20 days after the mailing of such copy or summary, a written demand for the fair value of his shares as required by subsection 14A:11-2(4), and that he other-
wise complies with the procedures set forth in Chapter 11 of this act.

(3) A certificate of merger shall be executed on behalf of the parent corporation. The certificate shall set forth

(a) the plan of merger;
(b) the number of outstanding shares of each class and series of each subsidiary corporation which is a party to the merger and the number of such shares of each class and series owned by the parent corporation;
(c) if the parent corporation owns less than 100% of the outstanding shares of each subsidiary corporation, the date of the mailing of a copy or a summary of the plan of merger to minority shareholders of each subsidiary corporation; or if all such shareholders have waived such mailing in writing, a statement that such waiver has been obtained; and
(d) if, pursuant to subsection 14A:10-5(4), the merger is to become effective at a time subsequent to the date of filing with the Secretary of State, the date when the merger is to become effective.

(4) The certificate shall be filed in the office of the Secretary of State and the merger shall become effective upon the date of such filing or at such later time, not to exceed 30 days from the date of filing, as may be set forth in the certificate.

(5) Approval of the shareholders of any such subsidiary corporation shall be obtained pursuant to its certificate of incorporation, if such certificate requires approval of a merger by the affirmative vote of the holders of more than the percentage of the shares of any class or series of such corporation then owned by the parent corporation.

(6) Approval of the shareholders of the parent corporation shall be obtained:

(a) whenever its certificate of incorporation requires shareholder approval of such a merger; or
(b) pursuant to section 14A:10-3 where

(i) the plan of merger contains a provision which would change any part of the certificate of incorporation of the parent corporation into which a subsidiary corporation is being merged, unless such change is one that can be made by the board without shareholder approval as referred to in subsection 14A:9-2(2); or
(ii) a subsidiary corporation is to be the surviving corporation.
(7) The grant of the power to merge under this section shall not preclude the effectuation of any merger as elsewhere provided in this Chapter.

**14A:10-6 Effect of merger or consolidation.**

When a merger or consolidation has become effective:

(a) The parties to the plan of merger or consolidation shall be a single corporation, which, in the case of a merger, shall be that corporation designated in the plan of merger as the surviving corporation, and, in the case of a consolidation, shall be the new corporation provided for in the plan of consolidation.

(b) The separate existence of all parties to the plan of merger or consolidation, except the surviving or new corporation, shall cease.

(c) Such surviving or new corporation shall, to the extent consistent with its certificate of incorporation as amended or established by the merger or consolidation, possess all the rights, privileges, powers, immunities, purposes and franchises, both public and private, of each of the merging or consolidating corporations.

(d) All real property and personal property, tangible and intangible, of every kind and description, belonging to each of the corporations so merged or consolidated shall be vested in the surviving or new corporation without further act or deed; and the title to any real estate, or any interest therein, vested in any of such corporations shall not revert or be in any way impaired by reason of such merger or consolidation.

(e) The surviving or new corporation shall be liable for all the obligations and liabilities of each of the corporations so merged or consolidated; and any claim existing or action or proceeding pending by or against any of such corporations may be enforced as if such merger or consolidation had not taken place. Neither the rights of creditors nor any liens upon, or security interests in, the property of any of such corporations shall be impaired by such merger or consolidation.

(f) In the case of a merger, the certificate of incorporation of the surviving corporation shall, without further act or deed, be amended to the extent, if any, stated in the plan of merger; and, in the case of a consolidation, the statements set forth in the certificate of consolidation and which are required or permitted to be set forth in the certificate of incorporation of corporations organized under this act shall be the certificate of incorporation of the new corporation.
14A:10-7 Merger or consolidation of domestic and foreign corporations.

(1) One or more foreign corporations and one or more domestic corporations may be merged or consolidated in the following manner, if such merger or consolidation is permitted by the laws of the jurisdiction under which each such foreign corporation is organized:

(a) Each domestic corporation shall comply with the provisions of this act with respect to the merger or consolidation of domestic corporations and each foreign corporation shall comply with the applicable provisions of the laws of the jurisdiction under which it is organized.

(b) If the surviving or new corporation is to be a foreign corporation and is to transact business in this State, it shall comply with the provisions of this act with respect to foreign corporations, and, whether or not it is to transact business in this State, the certificate of merger or consolidation required to be filed on behalf of the domestic corporation or corporations pursuant to subsection 14A:10-4(2) shall, in addition to the information required by subsection 14A:10-4(1), set forth

(i) an agreement by such foreign corporation that it may be served with process in this State in any proceeding for the enforcement of any obligation of any domestic corporation or any foreign corporation, previously amenable to suit in this State, which is a party to such merger or consolidation, and in any proceeding for the enforcement of the rights of a dissenting shareholder of any such domestic corporation against the surviving or new corporation; and

(ii) an irrevocable appointment by such foreign corporation of the Secretary of State of this State as its agent to accept service of process in any such proceeding, and the post office address, within or without this State, to which the Secretary of State shall mail a copy of the process in such proceeding;

(iii) an agreement by such foreign corporation that it will promptly pay to the dissenting shareholders of any such domestic corporation the amount, if any, to which they shall be entitled under the provisions of this act with respect to the rights of dissenting shareholders.

(2) The provisions of subsection 14A:10-3(4) shall apply to a merger in which the surviving corporation is a domestic corporation.
(3) If the surviving or new corporation is a domestic corporation, the effect of such merger or consolidation shall be the same as in the case of the merger or consolidation of domestic corporations. If the surviving or new corporation is a foreign corporation, the effect of such merger or consolidation shall be the same as in the case of the merger or consolidation of domestic corporations except insofar as the laws of the jurisdiction of incorporation of such foreign corporation shall provide otherwise.

(4) One or more foreign corporations and one or more domestic corporations may be merged in the manner provided in section 14A:10-5 if such merger is permitted by the laws of the jurisdiction of incorporation of such foreign corporation, provided that, if the parent corporation is a foreign corporation, it shall, notwithstanding the provisions of the laws of its jurisdiction of incorporation, comply with the provisions of subsection 14A:10-5(2) with respect to notice to shareholders of any domestic subsidiary corporation which is a party to the merger.

14A:10-8 Abandonment of merger or consolidation.

Prior to the time when a merger or consolidation authorized by this Chapter shall become effective, the merger or consolidation may be abandoned pursuant to provisions therefor, if any, set forth in the plan of merger or consolidation. If a certificate of merger or consolidation has been filed in the office of the Secretary of State prior to such abandonment, a certificate of abandonment shall be filed in the office of the Secretary of State. The certificate shall be executed on behalf of each corporation which is a party to the plan of merger or consolidation, unless the plan permits abandonment by less than all of such corporations, in which event the certificate may be executed on behalf of the corporation or corporations exercising the right to abandon. The certificate shall state that the merger or consolidation has been abandoned in accordance with the provisions therefor set forth in the plan of merger or consolidation.

14A:10-9 Acquisition of all the shares, or a class or series of shares, of a corporation.

(1) Subject to the limitations imposed by any other statute of this State, any domestic corporation may, in the manner provided by this section, acquire, in exchange for its shares, all the shares, or all the shares of any class or series of any other corporation organized under any statute of this State.
(2) Such acquiring corporation shall submit by first-class mail to all holders of the shares to be acquired a written offer which shall

(a) specify the shares to which such offer relates;
(b) prescribe the terms and conditions of such offer, including the method of acceptance thereof and the manner of exchanging such shares;
(c) contain a statement summarizing the rights of such shareholders as provided in paragraph 14A:10-9(3) (b).

Any such offer may provide for the payment of cash in lieu of the issuance of fractional shares of the acquiring corporation.

(3) If, within 120 days after the date of such mailing, the offer is accepted by the holders of not less than 90% of the shares of each class and series to which the offer relates, other than shares already held at the date of mailing by, or by a nominee for, the acquiring corporation or any subsidiary thereof, the acquiring corporation shall, within 60 days after such acceptance:

(a) execute and file a certificate in the office of the Secretary of State setting forth such acceptance; and
(b) give written notice of such acceptance, by registered or certified mail, return receipt requested, to each holder of such shares to which the offer relates, who has not accepted the offer. Such notice shall include, or be accompanied by, a statement that

(i) such shareholders may elect either to accept the offer or to dissent therefrom and be paid the fair value of their shares provided that they file with the acquiring corporation, not later than 30 days after the mailing of such written notice, a written demand for the fair value of their shares as required by subsection 14A:11-2(5), and otherwise comply with the procedures set forth in Chapter 11 of this act; and
(ii) if such shareholders do not make written demand for the payment of the fair value of their shares to which the offer relates within the 30-day period specified in subsection 14A:11-2(5), they shall be deemed to have accepted the offer.

(4) Upon the filing of such certificate in the office of the Secretary of State as required by paragraph 14A:10-9(3) (a)

(a) the acquiring corporation shall cause to be issued to the holders of shares who have accepted or who are deemed to have accepted such offer pursuant to the provisions of paragraph 14A:10-9(3) (b) certificates for shares of the acquiring corporation to which they respectively are entitled;
(b) all shares in exchange for which shares of the acquiring corporation are so issued shall become the property of the acquiring corporation, irrespective of whether the certificates for such shares have been surrendered for exchange, and the acquiring corporation shall be entitled to have new certificates registered in its name as the holder thereof; and

c) the acquiring corporation or a corporate fiduciary designated by it, shall hold in trust, for delivery to the persons entitled thereto, certificates for its shares registered in the names of any holders, other than shares of dissenting shareholders, who have not surrendered their shares for exchange in accordance with the offer, and shall hold in trust, for payment to the persons entitled thereto, any cash payable in lieu of fractional shares.

(5) This section shall not be construed to prevent a corporation from making an offer to purchase the shares of another corporation conditioned upon the acceptance of holders of less than 90% of the shares to which such offer relates. Such an offer may be joined as an alternate offer with an offer made pursuant to this section; but in no case shall the acquiring corporation have the right to avail itself of the provisions of this section unless the holders of the percentage of shares to which the offer relates required by subsection 14A:10-9(3) shall accept the offer within the time period required by subsection 14A:10-9(3).

(6) Whenever a corporation whose capital stock is acquired pursuant to this section is a stock insurance company organized under any law of this State (hereinafter called the insurance subsidiary),

(a) the acquiring corporation shall furnish to the Commissioner of Banking and Insurance such information as he may, from time to time, reasonably request in respect to the honesty and trustworthiness of its directors and officers, and

(b) upon a finding by the Commissioner of Banking and Insurance that the acquiring corporation has failed or refused to take such steps as may be necessary to remove from office any of the directors or officers referred to in paragraph 14A:10-9(6) aforesaid, whom the commissioner, after hearing upon notice to such acquiring corporation and such officer or director, has found to be a dishonest or untrustworthy person, the commissioner may forthwith take possession of the property and business of the insurance subsidiary as provided in chapter 30 of Title 17 of the Revised Statutes, and
(c) upon a finding by the Commissioner of Banking and Insurance that access to specified books and records of the acquiring corporation which relate to the condition and affairs of the insurance subsidiary is necessary to the discharge of his regulatory duties with respect to such subsidiary under Title 17 of the Revised Statutes, the commissioner may have access to the books and records which he has so specified and the acquiring corporation shall answer any inquiry by him which is pertinent thereto.

14A:10-10 Sale or other disposition of assets in regular course of business and mortgage or pledge of assets.

The sale, lease, exchange, or other disposition of all, or substantially all, the assets of a corporation in the usual and regular course of its business as conducted by such corporation, and the mortgage or pledge of any or all the assets of a corporation whether or not in the usual and regular course of business as conducted by such corporation, may be made upon such terms and conditions and for such consideration, which may consist in whole or in part of money or property, real or personal, including shares, bonds or other securities of any other corporation, domestic or foreign, as shall be authorized by its board. In any such case, unless otherwise provided in the certificate of incorporation, no approval of the shareholders shall be required.

14A:10-11 Sale or other disposition of assets other than in regular course of business.

(1) A sale, lease, exchange, or other disposition of all, or substantially all, the assets of a corporation, if not in the usual and regular course of its business as conducted by such corporation, may be made upon such terms and conditions and for such consideration, which may consist in whole or in part of money or property, real or personal, including shares, bonds or other securities of any other corporation, domestic or foreign, as may be authorized in the following manner:

   (a) The board shall recommend such sale, lease, exchange, or other disposition and direct that it be submitted to a vote at a meeting of shareholders.

   (b) Written notice shall be given to each shareholder of record, whether or not entitled to vote at such meeting, not less than 20 nor more than 60 days before such meeting, in the man-
ner provided in this act for the giving of notice of meetings of shareholders. Such notice shall include, or shall be accompanied by

(i) a statement summarizing the principal terms of the proposed transaction; and

(ii) a statement informing shareholders who, under Chapter 11 of this act, are entitled to dissent, that they have the right to dissent and to be paid the fair value of their shares, provided that they file with the corporation before the taking of the vote of the shareholders on such sale, lease, exchange or other disposition, a written notice of dissent as required by subsection 14A:11-2(1) and otherwise comply with the procedures set forth in Chapter 11 of this act.

(c) At such meeting the shareholders may approve such sale, lease, exchange, or other disposition and may fix, or may authorize the board to fix, any or all of the terms and conditions thereof and the consideration to be received by the corporation therefor. Such sale, lease, exchange or other disposition shall be approved upon receiving the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote thereon, and, in addition, if any class or series of shares is entitled to vote thereon as a class, the affirmative vote of a majority of the votes cast in each class vote; except that, in the case of a corporation organized prior to the effective date of this act, the sale, lease, exchange, or other disposition shall be approved upon receiving the affirmative vote of two-thirds of the votes so cast.

(d) Subject to the provisions of section 14A:5-12, a corporation organized prior to the effective date of this act may adopt the majority voting requirements prescribed in paragraph 14A:10-11(1)(c) by an amendment of its certificate of incorporation adopted by the affirmative vote of two-thirds of the votes cast by the holders of shares entitled to vote thereon.

(2) Notwithstanding such approval or authorization by the shareholders, the board may abandon such sale, lease, exchange, or other disposition of assets, subject to the rights of third parties under any contracts relating thereto, without further action by the shareholders.

   (i) a shareholder shall not have right to dissent from any plan of merger or consolidation with respect to shares
      (A) which are listed on a national securities exchange or are regularly quoted in an over-the-counter market by one or more members of a national or affiliated securities association on the record date fixed to determine the shareholders entitled to receive notice of and to vote at the meeting of shareholders at which the plan of merger or consolidation is to be acted on; and
      (B) for which, pursuant to the plan of merger or consolidation such shareholders are required to accept only shares or shares and cash in lieu of fractional shares of the cor-

(b) any sale, lease, exchange or other disposition of all or substantially all of the assets of a corporation not in the usual or regular course of business as conducted by such corporation, other than

(i) with respect to shares where, at the record date fixed to determine the shareholders entitled to receive notice of and to vote at the meeting of shareholders at which such transaction is to be voted on, such shares are listed on a national securities exchange or are regularly quoted in an over-the-counter market by one or more members of a national or affiliated securities association; or

(2) Any shareholder of a domestic corporation shall have the right to dissent with respect to any shares owned by him which are to be acquired pursuant to section 14A:10–9.

(3) A shareholder may not dissent as to less than all of the shares owned beneficially by him and with respect to which a right of dissent exists. A nominee or fiduciary may not dissent on behalf of any beneficial owner as to less than all of the shares of such owner with respect to which the right of dissent exists.
14A:11-2 Notice of dissent; demand for payment; endorsement of certificates.

(1) Whenever a meeting of shareholders is called to vote upon a proposed corporate action from which a shareholder may dissent under section 14A:11-1, any shareholder electing to dissent from such action shall file with the corporation before the taking of the vote of the shareholders on such corporate action, a written notice of such dissent stating that he intends to demand payment for his shares if the action is taken.

(2) Within 10 days after the date on which such corporate action takes effect, the corporation, or, in the case of a merger or consolidation, the surviving or new corporation, shall give written notice of the effective date of such corporate action, by certified mail to each shareholder who filed written notice of dissent pursuant to subsection 14A:11-2(1), except any who voted for or consented in writing to the proposed action.

(3) Within 20 days after the mailing of such notice, any shareholder to whom the corporation was required to give such notice and who has filed a written notice of dissent pursuant to this section may make written demand on the corporation, or, in the case of a merger or consolidation, on the surviving or new corporation, for the payment of the fair value of his shares.

(4) Whenever a corporation is to be merged pursuant to section 14A:10-5 or subsection 14A:10-7(4), and, where shareholder approval is not required under subsections 14A:10-5(5) and 14A:10-5(6), a shareholder who has the right to dissent pursuant to section 14A:11-1 may, not later than 20 days after a copy or summary of the plan of such merger and the statement required by subsection 14A:10-5(2) is mailed to such shareholder, make written demand on the corporation or on the surviving corporation, for the payment of the fair value of his shares.

(5) Whenever all the shares, or all the shares of a class or series, are to be acquired by another corporation pursuant to section 14A:10-9, a shareholder of the corporation whose shares are to be acquired may, not later than 30 days after the mailing of notice by the acquiring corporation pursuant to paragraph 14A:10-9(3)(b), make written demand on the acquiring corporation for the payment of the fair value of his shares.

(6) Not later than 20 days after demanding payment for his shares pursuant to this section, the shareholder shall submit the certificate or certificates representing his shares to the corporation upon which such demand has been made for notation thereon that
such demand has been made, whereupon such certificate or certificates shall be returned to him. If shares represented by a certificate on which notation has been made shall be transferred, each new certificate issued therefor shall bear similar notation, together with the name of the original dissenting holder of such shares, and a transferee of such shares shall acquire by such transfer no rights in the corporation other than those which the original dissenting shareholder had after making a demand for payment of the fair value thereof.

14A:11-3 "Dissenting shareholder" defined; date for determination of fair value.

(1) A shareholder who has made demand for the payment of his shares in the manner prescribed by subsections 14A:11-2(3), 14A:11-2(4) or 14A:11-2(5) is hereafter in this Chapter referred to as a "dissenting shareholder".

(2) Upon making such demand, the dissenting shareholder shall cease to have any of the rights of a shareholder except the right to be paid the fair value of his shares and any other rights of a dissenting shareholder under this Chapter.

(3) "Fair value" as used in this Chapter shall be determined

(a) as of the day prior to the day on which the vote of shareholders was taken approving the proposed action; or

(b) in the case of a merger pursuant to section 14A:10-5 or subsection 14A:10-7(4) in which shareholder approval is not required, as of the day prior to the day on which the board of directors approves the plan of merger; or

(c) in the case of an acquisition of all the shares or all the shares of a class or series by another corporation pursuant to section 14A:10-9, as of the day prior to the day on which the board of directors of the acquiring corporation authorizes the acquisition.

In all cases, "fair value" shall exclude any appreciation or depreciation resulting from the proposed action.

14A:11-4 Termination of right of shareholder to be paid the fair value of his shares.

(1) The right of a dissenting shareholder to be paid the fair value of his shares under this Chapter shall cease if

(a) he has failed to present his certificates for notation as provided by subsection 14A:11-2(6), unless a court having juris-
diction, for good and sufficient cause shown, shall otherwise direct;

(b) his demand for payment is withdrawn with the written consent of the corporation;

(c) the fair value of the shares is not agreed upon as provided in this Chapter and no action for the determination of fair value by the Superior Court is commenced within the time provided in this Chapter;

(d) the Superior Court determines that the shareholder is not entitled to payment for his shares;

(e) the proposed corporate action is abandoned or rescinded;

or

(f) a court having jurisdiction permanently enjoins or sets aside the corporate action.

(2) In any case provided for in subsection 14A:11-4(1), the rights of the dissenting shareholder as a shareholder shall be reinstated as of the date of the making of a demand for payment pursuant to subsections 14A:11-2(3), 14A:11-2(4) or 14A:11-2(5) without prejudice to any corporate action which has taken place during the interim period. In such event, he shall be entitled to any intervening preemptive rights and the right to payment of any intervening dividend or other distribution, or, if any such rights have expired or any such dividend or distribution other than in cash has been completed, in lieu thereof, at the election of the board, the fair value thereof in cash as of the time of such expiration or completion.

14A:11-5 Rights of dissenting shareholder.

(1) A dissenting shareholder may not withdraw his demand for payment of the fair value of his shares without the written consent of the corporation.

(2) The enforcement by a dissenting shareholder of his right to receive payment for his shares shall exclude the enforcement by such dissenting shareholder of any other right to which he might otherwise be entitled by virtue of share ownership, except as provided in subsection 14A:11-4(2) and except that this subsection shall not exclude the right of such dissenting shareholder to bring or maintain an appropriate action to obtain relief on the ground that such corporate action will be or is ultra vires, unlawful or fraudulent as to such dissenting shareholder.
14A:11-6 Determination of fair value by agreement.

(1) Not later than 10 days after the expiration of the period within which shareholders may make written demand to be paid the fair value of their shares, the corporation upon which such demand has been made pursuant to subsections 14A:11-2(3), 14A:11-2(4) or 14A:11-2(5) shall mail to each dissenting shareholder the balance sheet and the surplus statement of the corporation whose shares he holds, as of the latest available date which shall not be earlier than 12 months prior to the making of such offer and a profit and loss statement or statements for not less than a 12-month period ended on the date of such balance sheet or, if the corporation was not in existence for such 12-month period, for the portion thereof during which it was in existence. The corporation may accompany such mailing with a written offer to pay each dissenting shareholder for his shares at a specified price deemed by such corporation to be the fair value thereof. Such offer shall be made at the same price per share to all dissenting shareholders of the same class, or, if divided into series, of the same series.

(2) If, not later than 30 days after the expiration of the 10-day period limited by subsection 14A:11-6(1), the fair value of the shares is agreed upon between any dissenting shareholder and the corporation, payment therefor shall be made within 20 days after surrender of the certificate or certificates representing such shares.

14A:11-7 Procedure on failure to agree upon fair value; commencement of action to determine fair value.

(1) If the fair value of the shares is not agreed upon within the 30-day period limited by subsection 14A:11-6(2), the dissenting shareholder may serve upon the corporation upon which such demand has been made pursuant to subsections 14A:11-2(3), 14A:11-2(4) or 14A:11-2(5) a written demand that it commence an action in the Superior Court for the determination of the fair value of the shares. Such demand shall be served not later than 30 days after the expiration of the 30-day period so limited and such action shall be commenced by the corporation not later than 30 days after receipt by the corporation of such demand, but nothing herein shall prevent the corporation from commencing such action at any earlier time.

(2) If a corporation fails to commence the action as provided in subsection 14A:11-7(1), a dissenting shareholder may do so in the name of the corporation, not later than 60 days after the
expiration of the time limited by subsection 14A:11-7(1) in which
the corporation may commence such an action.

14A:11-8 Action to determine fair value; jurisdiction of court; appointment of
appraiser.

In any action to determine the fair value of shares pursuant to
this Chapter:

(a) The Superior Court shall have jurisdiction and may pro­
ceed in the action in a summary manner or otherwise;

(b) All dissenting shareholders, wherever residing, except
those who have agreed with the corporation upon the price to be
paid for their shares, shall be made parties thereto as an action
against their shares quasi in rem;

(c) The court in its discretion may appoint an appraiser to
receive evidence and report to the court on the question of fair
value, who shall have such power and authority as shall be
specified in the order of his appointment; and

(d) The court shall render judgment against the corporation
and in favor of each shareholder who is a party to the action for
the amount of the fair value of his shares.

14A:11-9 Judgment in action to determine fair value.

(1) A judgment for the payment of the fair value of shares shall
be payable upon surrender to the corporation of the certificate or
certificates representing such shares.

(2) The judgment shall include an allowance for interest at such
rate as the court finds to be equitable, from the date of the dissent­
ing shareholder’s demand for payment under subsections
14A:11-2(3), 14A:11-2(4) or 14A:11-2(5) to the day of payment.
If the court finds that the refusal of any dissenting shareholder
to accept any offer of payment, made by the corporation under
section 14A:11-6, was arbitrary, vexatious or otherwise not in good
faith, no interest shall be allowed to him.

14A:11-10 Costs and expenses of action.

The costs and expenses of bringing an action pursuant to section
14A:11-8 shall be determined by the court and shall be apportioned
and assessed as the court may find equitable upon the parties or
any of them. Such expenses shall include reasonable compensation
for and reasonable expenses of the appraiser, if any, but shall
exclude the fees and expenses of counsel for and experts employed
by any party; but if the court finds that the offer of payment made
by the corporation under section 14A:11-6 was not made in good faith, or if no such offer was made, the court in its discretion may award to any dissenting shareholder who is a party to the action reasonable fees and expenses of his counsel and of any experts employed by the dissenting shareholder.

14A:11-11 Disposition of shares acquired by corporation.

(1) The shares of a dissenting shareholder in a transaction described in paragraph 14A:11-1(1)(b) and the shares of a dissenting shareholder of the surviving corporation in a merger shall become reacquired by the corporation which issued them upon the payment of the fair value of shares. Such shares shall be cancelled if reacquired out of stated capital or if the plan of merger so requires; otherwise they shall become treasury shares.

(2) In a merger or consolidation, if the surviving or new corporation pays out of surplus the fair value of the shares of dissenting shareholders of the merged or constituent corporation, the shares of the surviving or new corporation into which such shares would have been converted under the plan of merger or consolidation shall become treasury shares of such corporation, unless the plan shall provide otherwise.

(3) In an acquisition of shares pursuant to section 14A:10-9, the shares of a dissenting shareholder shall become the property of the acquiring corporation upon the payment by the acquiring corporation of the fair value of such shares. Such payment may be made, with the consent of the acquiring corporation, by the corporation which issued the shares, in which case the shares so paid for shall become reacquired by the corporation which issued them and shall be cancelled.

14A:12-2 Dissolution before commencing business.

(1) A corporation may be dissolved by action of its incorporators when there has been no organization meeting of the board, or by the board if there has been an organization meeting, provided that the corporation

(a) has not commenced business;
(b) has not issued any shares;
(c) has no debts or other liabilities; and
(d) has received no payments on subscriptions for its shares, or, if it has received such payments, has returned them to those entitled thereto, less any part thereof disbursed for expenses.

(2) The dissolution of such a corporation shall be effected in the following manner: the sole incorporator or director, if there is only one, or both incorporators or directors, if there are only two, or a majority of the incorporators or directors, if there are more than two, shall execute and file in the office of the Secretary of State a certificate of dissolution stating

(g) that the sole incorporator or director, if there is only one, or both incorporators or directors, if there are only two, or a majority of the incorporators or directors, if there are more than two, has or have elected that the corporation be dissolved.

14A:12-3 Dissolution without a meeting of shareholders.

A corporation may be dissolved by the consent of all its shareholders entitled to vote thereon. To effect such dissolution, all such shareholders shall sign and file in the office of the Secretary of State a certificate of dissolution which shall state

(a) the name of the corporation;
(b) the name of the registered agent of the corporation;
(c) the location of the registered office of the corporation;

thereon.

14A:12-4 Dissolution pursuant to action of board and shareholders.

(1) A corporation may be dissolved by action of its board and
its shareholders as provided in this section.

(2) The board shall recommend that the corporation be dis­
solved, and direct that the question of dissolution be submitted
to a vote at a meeting of shareholders.

(3) Notice of the meeting shall be given to each shareholder of
record entitled to vote at such meeting within the time and in the
manner provided in this act for the giving of notice of meetings
of shareholders.

(4) At such meeting, a vote of the shareholders shall be taken
on the proposed dissolution. Such dissolution shall be approved
upon receiving the affirmative vote of a majority of the votes cast
by the holders of shares of the corporation entitled to vote thereon,
and, in addition, if any class or series is entitled to vote thereon
as a class, the affirmative vote of a majority of the votes cast in
each class vote; except that, in the case of a corporation organized
prior to the effective date of this act, the proposed dissolution
shall be approved upon receiving the affirmative vote of two-thirds
of the votes so cast. The voting requirements of this section shall
be subject to such greater requirements as may be provided in
the certificate of incorporation.

(5) Subject to the provisions of section 14A:5-12, a corporation
organized prior to the effective date of this act may adopt the
majority voting requirements prescribed in subsection 14A:12-4
(4) by an amendment of its certificate of incorporation adopted
by the affirmative vote of two-thirds of the votes cast by the holders
of shares entitled to vote thereon.

(6) If dissolution is approved as provided in this section, a cer­

14A:12-5 Dissolution pursuant to provision in certificate of incorporation.

(1) The certificate of incorporation may provide that any shareholder, or any specified number of shareholders, or the holders of any specified number or proportion of shares, or of any specified number or proportion of shares of any class or series, may effect the dissolution of the corporation at will or upon the occurrence of a specified event. In such a case, dissolution of the corporation may be effected by the filing of a certificate of dissolution in the office of the Secretary of State, signed, as the certificate of incorporation may provide, by a single shareholder, or the specified number of shareholders, or the holders of any specified number or proportion of shares, or of any specified number or proportion of shares of any class or series. The certificate of dissolution shall state the name of the corporation, the location of its registered office and the name of its registered agent. It shall also state that the corporation is dissolved; that the dissolution is effected pursuant to a provision of the certificate of incorporation; and that the certificate is executed and filed by the person or persons authorized by the certificate of incorporation.

(2) An amendment of the certificate of incorporation which adds a provision authorized by this section, or which amends or deletes such a provision, shall be authorized at a meeting of shareholders by a vote of all outstanding shares, or by such lesser vote, but not less than the vote set forth in paragraph 14A:9-2(4) (c), as may be specifically provided for in the certificate of incorporation for such amendment.
(3) If the certificate of incorporation of any corporation contains a provision authorized by this section, the fact that such provision exists shall be noted conspicuously on the face or back of every certificate for shares issued by such corporation, and each holder of such certificates shall conclusively be deemed to have taken delivery with notice of such provision. A provision authorized by this subsection shall become invalid if, subsequent to the adoption of such provision, shares are transferred or issued to any person who takes delivery of the share certificate without notice thereof, unless such person consents in writing to such provision.

14A:12-6 Dissolution in action brought by the attorney general.

(1) The Attorney General may bring an action in the Superior Court for the dissolution of a corporation upon the ground that the corporation

(a) has procured its organization through fraud;

(b) has repeatedly exceeded the authority conferred upon it by law; or

(c) has repeatedly conducted its business in an unlawful manner.

(2) The Superior Court may proceed in such action in a summary manner or otherwise.

(3) The enumeration in subsection 14A:12-6(1) of grounds for dissolution shall not exclude any other statutory or common law action by the Attorney General for the dissolution of a corporation or the revocation or forfeiture of its corporate franchises.

14A:12-7 Dissolution of deadlocked corporations.

A corporation may be dissolved by a judgment entered in an action brought in the Superior Court by one or more directors or by one or more shareholders entitled to vote at an election of directors of the corporation, upon proof that

(a) the directors of the corporation, or its shareholders if a provision in the corporation's certificate of incorporation contemplated by subsection 14A:5-21(2) is in effect, are unable to agree on matters respecting the management of the corporation's affairs; or

(b) the shareholders of the corporation are so divided in voting power that, for a period which includes at least two consecutive annual meeting dates, they have failed to elect successors
to directors whose terms have expired or would have expired upon the election and qualification of their successors; and
(c) as a result of the facts contemplated by either or both paragraphs 14A:12-7(a) and 14A:12-7(b), the corporation is unable to function normally in the best interests of its creditors and shareholders.

14A:12-8 Effective time of dissolution.
A corporation is dissolved
(a) when the period of duration stated in the corporation’s certificate of incorporation expires;
(b) upon the proclamation of the Governor issued pursuant to section 54:11-2 of the Revised Statutes; or
(c) when a certificate of dissolution is filed in the office of the Secretary of State pursuant to sections 14A:12-2, 14A:12-3, 14A:12-4 or 14A:12-5, except when a later time not to exceed 30 days after the date of filing is specified in the certificate of dissolution; or
(d) when a judgment of forfeiture of corporate franchises or of dissolution is entered by a court of competent jurisdiction.

14A:12-9 Effect of dissolution.
(1) Except as a court may otherwise direct, a dissolved corporation shall continue its corporate existence but shall carry on no business except for the purpose of winding up its affairs by
(a) collecting its assets;
(b) conveying for cash or upon deferred payments, with or without security, such of its assets as are not to be distributed in kind to its shareholders;
(c) paying, satisfying and discharging its debts and other liabilities; and
(d) doing all other acts required to liquidate its business and affairs.
(2) Subject to the provisions of subsection 14A:12-9(1), and except as otherwise provided by court order, the corporation, its officers, directors and shareholders shall continue to function in the same manner as if dissolution had not occurred. In particular, and without limiting the generality of the foregoing,
(a) the directors of the corporation shall not be deemed to be trustees of its assets and shall be held to no greater standard of conduct than that prescribed by section 14A:6–14;
(b) title to the corporation’s assets shall remain in the corporation until transferred by it in the corporate name;

(c) the dissolution shall not change quorum or voting requirements for the board or shareholders, nor shall it alter provisions regarding election, appointment, resignation or removal of, or filling vacancies among, directors or officers, or provisions regarding amendment or repeal of by-laws or adoption of new by-laws;

(d) shares may be transferred;

(e) the corporation may sue and be sued in its corporate name and process may issue by and against the corporation in the same manner as if dissolution had not occurred;

(f) no action brought against any corporation prior to its dissolution shall abate by reason of such dissolution.

(3) The right of the corporation to sell its assets and the right of a shareholder to dissent from such sale shall be governed by Chapters 10 and 11 in the same manner as if dissolution had not occurred.

14A:12-10 Revocation of dissolution proceedings.

(1) Dissolution proceedings commenced pursuant to sections 14A:12-3, 14A:12-4 or 14A:12-5 may be revoked at any time within 60 days after the effective time of dissolution, as determined pursuant to section 14A:12-8, provided that no distribution of corporate assets has been made to the shareholders and no proceeding pursuant to section 14A:12-15 is pending, by filing in the office of the Secretary of State a certificate of revocation signed, in person or by proxy, by all of the shareholders, stating that revocation is effective pursuant to subsection 14A:12-10(1) and that all the shareholders of the corporation have signed the certificate, in person or by proxy.

(2) Dissolution proceedings commenced pursuant to sections 14A:12-3 or 14A:12-4 may also be revoked at any time within 60 days after the effective time of dissolution, as determined pursuant to section 14A:12-8, provided that no distribution of corporate assets has been made to the shareholders and no proceeding pursuant to section 14A:12-15 is pending, in the following manner:

(a) The board of directors shall call a meeting of shareholders to vote upon the question of revocation of the dissolution proceedings. In connection with such meeting, the shareholders shall be given the same notice, and the revocation shall be ap-
proved by the same vote, as that required by section 14A:12-4 for the approval of dissolution.

(b) A certificate of revocation, stating

(i) that dissolution is revoked pursuant to subsection 14A:12-10(2), and
(ii) the matters required by subsection 14A:12-4(5)
shall be executed on behalf of the corporation and shall be filed in the office of the Secretary of State.

14A:12-11 Effect of revocation of dissolution.

(1) Upon the filing of a certificate of revocation of dissolution proceedings as authorized by this act, the revocation of dissolution proceedings shall become effective, and the corporation may, subject to the provisions of subsection 14A:12-11(2), again carry on its business in the same manner as if dissolution proceedings had never been commenced. The corporation shall be liable for all taxes payable under the “Corporation Business Tax Act (1945)” (P. L. 1945, c. 162), as amended and supplemented, or under the “Financial Business Tax Law (1946)” (P. L. 1946, c. 174), as amended and supplemented, as though dissolution of the corporation had not occurred.

(2) If, pursuant to subsection 14A:2-2(3), a dissolved corporation has filed a written consent to the adoption of its name or a confusingly similar name by another, the subsequent revocation of dissolution proceedings pursuant to this section shall not restore the dissolved corporation’s right to the use of its name.

14A:12-12 Notice to creditors; filing claims.

(1) At any time after a corporation has been dissolved, the corporation, or a receiver appointed for the corporation pursuant to this chapter, may give notice requiring all creditors to present their claims in writing. Such notice shall be published 3 times, once in each of 3 consecutive weeks, in a newspaper of general circulation in the county in which the registered office of the corporation is located and shall state that all persons who are creditors of the corporation shall present written proof of their claims to the corporation or the receiver, as the case may be, at a place and on or before a date named in the notice, which date shall not be less than 6 months after the date of the first publication.

(2) On or before the date of the first publication of the notice as provided in subsection 14A:12-12(1), the corporation, or the receiver, as the case may be, shall mail a copy of the notice to each
known creditor of the corporation. The giving of such notice shall **not constitute** recognition that any person to whom such notice is directed is a creditor of the corporation other than for the purpose of receipt of notice hereunder.

(3) As used in this section, “creditor” means all persons to whom the corporation is indebted, and all other persons who have claims or rights against the corporation, whether liquidated or unliquidated, matured or unmatured, direct or indirect, absolute or contingent, secured or unsecured.

(4) Proof of the publication and mailing required by this section shall be made by an affidavit filed in the office of the Secretary of State.

14A:12-13 Barring of claims of creditors.

(1) Except as otherwise provided in this section and elsewhere in this chapter, any creditor as defined in subsection 14A:12-12(3) who does not file his claim as provided in the notice given pursuant to section 14A:12-12, and all those claiming through or under him, shall be forever barred from suing on such claim or otherwise realizing upon or enforcing it.

(2) This section shall not apply to claims which are in litigation on the date of the first publication of the notice pursuant to section 14A:12-12.

14A:12-14 Disposition of rejected claims.

If the corporation, or the receiver of a corporation appointed pursuant to this chapter, rejects in whole or in part any claim filed by a creditor, as defined in subsection 14A:12-12(3), the corporation or the receiver, as the case may be, shall mail notice of such rejection to the creditor. If the creditor does not bring suit upon such claim within 60 days from the time such notice was mailed to him, the creditor and all those claiming through or under him shall, except as otherwise provided in this chapter, be forever barred from suing on such claim or otherwise realizing upon or enforcing it. Proof of the mailing required by this section shall be made by an affidavit filed in the office of the Secretary of State.

14A:12-15 Jurisdiction of the Superior Court.

(1) At any time after a corporation has been dissolved in any manner, a creditor, as defined in subsection 14A:12-12(3), or a shareholder of the corporation, or the corporation itself, may apply to the Superior Court for a judgment that the affairs of the
corporation and the liquidation of its assets continue under the supervision of the court. The court shall have power to proceed in a summary manner or otherwise upon such application, and shall make such orders and judgments as may be required, including, but not limited to, the continuance of the liquidation of the corporation’s assets by its officers and directors under the supervision of the court, or the appointment of a receiver of the corporation, who shall be vested with all the powers provided in Chapter 14 to be exercised by receivers appointed to liquidate the affairs of a corporation.

(2) For good cause shown, and so long as the corporation has not made complete distribution of its assets, the Superior Court may, in an action pending under subsection 14A:12-15(1) or otherwise, permit a creditor who has not filed his claim within the time limited by section 14A:12-13, or who has not begun suit on a rejected claim within the time limited by section 14A:12-14, to file such claim, or to bring such suit, within such time as the court shall direct.

14A:12-16 Distribution to shareholders.

Any assets remaining after payment of or provision for claims against the corporation shall be distributed among the shareholders according to their respective rights and interests. Distribution may be made either or both cash and kind.

14A:12-17 Disposition of unclaimed distributive shares.

The distributive shares payable to any person who is unknown or cannot be found, or who is under a disability and for whom there is no legal representative, shall be paid into the Superior Court to be held for the benefit of the owners, subject to the order of the court.

14A:12-18 Judgment of dissolution; filing copy.

A copy of every judgment dissolving a corporation or forfeiting its charter shall be forthwith filed by the clerk of the court in the office of the Secretary of State, and a notation thereof shall be made by the Secretary of State on the charter or certificate of incorporation of the corporation affected.
CHAPTER 13

FOREIGN CORPORATIONS

Section

14A:13-1 Holding and Conveying Real Estate.

A corporation organized under laws other than the laws of this State, whether or not constituting a foreign corporation as defined in this act, shall have the same powers with respect to real property located in this State, or any interest therein, as a domestic corporation.

(1) Foreign corporations which are duly authorized to transact business in this State on the effective date of this act, for a purpose or purposes for which a corporation might secure such authority under this act, shall be entitled to all the rights and privileges applicable to foreign corporations procuring certificates of authority to transact business in this State under this act, and from the time this act takes effect such corporations shall be subject to all the duties, restrictions, penalties and liabilities prescribed herein for foreign corporations procuring certificates of authority to transact business in this State under this act.
(2) A foreign corporation which receives a certificate of authority under this act shall, until a certificate of revocation or of withdrawal is issued as provided in this act, enjoy the same, but no greater, rights and privileges as a domestic corporation organized for the purposes set forth in the application pursuant to which such certificate of authority is issued; and, except as in this act otherwise provided, shall be subject to the same duties, restrictions, penalties and liabilities now or hereafter imposed upon a domestic corporation of like character.

(3) A foreign corporation which transacts business in this State without a certificate of authority under this act shall be subject to the same duties, restrictions, penalties and liabilities now or hereafter imposed upon a foreign corporation procuring such certificate of authority.

14A:13-3 Admission of foreign corporation.

(1) No foreign corporation shall have the right to transact business in this State until it shall have procured a certificate of authority so to do from the Secretary of State. A foreign corporation may be authorized to do in this State any business which may be done lawfully in this State by a domestic corporation, to the extent that it is authorized to do such business in the jurisdiction of its incorporation, but no other business.

(2) Without excluding other activities which may not constitute transacting business in this State, a foreign corporation shall not be considered to be transacting business in this State, for the purposes of this act, by reason of carrying on in this State any one or more of the following activities:

(a) maintaining, defending or otherwise participating in any action or proceeding, whether judicial, administrative, arbitrative or otherwise, or effecting the settlement thereof or the settlement of claims or disputes;

(b) holding meetings of its directors or shareholders;

(c) maintaining bank accounts or borrowing money, with or without security, even if such borrowings are repeated and continuous transactions and even if such security has a situs in this State;

(d) maintaining offices or agencies for the transfer, exchange and registration of its securities, or appointing and maintaining trustees or depositaries with relation to its securities.

(3) The specification in subsection 14A:13-3(2) does not establish a standard for activities which may subject a foreign corporation to service of process or taxation in this State.
14A:13-4 Application for certificate of authority.

(1) To procure a certificate of authority to transact business in this State, a foreign corporation shall file in the office of the Secretary of State an application executed on behalf of the corporation setting forth

(a) the name of the corporation and the jurisdiction of its incorporation;
(b) the date of incorporation and the period of duration of the corporation;
(c) the address of the main business or headquarters office of the corporation;
(d) the address of the registered office of the corporation in this State, and the name of its registered agent in this State at such address, together with a statement that the registered agent is an agent of the corporation upon whom process against the corporation may be served; and
(e) the character of the business it is to transact in this State, together with a statement that it is authorized to transact such business in the jurisdiction of its incorporation.

(2) Attached to the application shall be a certificate setting forth that such corporation is in good standing under the laws of the jurisdiction of its incorporation, executed by the official of such jurisdiction who has custody of the records pertaining to corporations and dated not earlier than 30 days prior to the filing of the application. If such certificate is in a foreign language, a translation thereof under oath of the translator shall be attached thereto.

(3) Upon the filing of the application, the Secretary of State shall issue to the foreign corporation a certificate of authority to transact business in this State.

Upon the issuance of a certificate of authority by the Secretary of State, the foreign corporation shall be authorized to transact in this State any business of the character set forth in its application. Such authority shall continue so long as it retains its authority to transact such business in the jurisdiction of its incorporation and its authority to transact business in this State has not been surrendered, suspended or revoked.

14A:13-6 Amended certificate of authority.

(1) A foreign corporation authorized to transact business in this State shall procure an amended certificate of authority in the event
it desires to change its corporate name, or to enlarge, limit or otherwise change the character of the business which it proposes to transact in this State, by making application therefor to the Secretary of State.

(2) The requirements in respect to the form and contents of such application, the manner of its execution, the filing thereof in the office of the Secretary of State, the issuance of an amended certificate of authority and the effect thereof, shall be the same as in the case of an original application for a certificate of authority.

14A:13-7 Change of name by foreign corporation.

Whenever a foreign corporation which is authorized to transact business in this State shall change its name to one under which a certificate of authority would not be granted to it on application therefor, the certificate of authority of such corporation shall be suspended and the corporation shall not thereafter transact any business in this State until it has changed its name to a name which is available to it under the laws of this State or has otherwise complied with the provisions of this act.

(1) A foreign corporation authorized to transact business in this State may withdraw from this State upon procuring from the Secretary of State a certificate of withdrawal. In order to procure such a certificate of withdrawal, such foreign corporation shall file in the office of the Secretary of State an application for withdrawal executed on behalf of the corporation setting forth

(a) the name of the corporation and the jurisdiction of its incorporation;
(b) that the corporation is not transacting business in this State;
(c) that the corporation surrenders its authority to transact business in this State; and
(d) a post-office address within or without this State to which the Secretary of State may mail a copy of any process against the corporation that may be served on him.

(2) Upon the filing of the application for withdrawal, the Secretary of State shall issue to the corporation a certificate of withdrawal, whereupon

(a) the authority of the corporation to transact business in this State shall cease;
(b) the authority of its registered agent in this State to accept service of any process against the corporation shall be deemed revoked;

c) the corporation shall be deemed to have irrevocably consented that service of process in any action or proceeding based upon any liability or obligation incurred by it within this State before the issuance of the certificate of withdrawal may thereafter be made on such corporation by service thereof on the Secretary of State or the chief clerk in his office; and

d) the Secretary of State shall be charged with such duties and shall be entitled to receive such fees with respect to any process which may be served hereunder on him or the chief clerk of his office, as are provided in N. J. S. sections 2A:15-26 to 2A:15-30.

(3) The post-office address specified in paragraph 14A:13-8(1)(d) may be changed from time to time by filing in the office of the Secretary of State a certificate executed on behalf of the corporation setting forth

(a) the name of the foreign corporation;
(b) the jurisdiction of its incorporation;
(c) the date of the issuance of its certificate of withdrawal by the Secretary of State; and
(d) the changed post-office address.

(1) When a foreign corporation authorized to transact business in this State is dissolved, or its authority or existence is otherwise terminated or cancelled in the jurisdiction of its incorporation, or it is merged into or consolidated with another corporation, there shall be filed in the office of the Secretary of State

(a) a certificate of the official of the jurisdiction of incorporation of such foreign corporation who has custody of the records pertaining to corporations, attesting to the occurrence of any such event; or

(b) a certified copy of an order or decree of a court of competent jurisdiction directing the dissolution of such foreign corporation, the termination of its existence, or the cancellation of its authority;

together with a statement executed on behalf of the corporation of the post-office address within or without this State to which the Secretary of State may mail a copy of any process against the corporation that may be served on him.
(2) Upon the filing of the certificate, order or decree and the statement of the post-office address, the Secretary of State shall issue a certificate of withdrawal with like effect as provided in subsection 14A:13–8(2).

(3) The post-office address specified in subsection 14A:13–9(1) may be changed from time to time in the same manner as is provided in subsection 14A:13–8(3).

14A:13-10 Revocation of certificate of authority; issuance of certificate of revocation.

(1) In addition to any other ground for revocation provided by law, the certificate of authority of a foreign corporation to transact business in this State may be revoked by the Secretary of State upon the conditions prescribed in this section when

(a) the certificate of authority of the corporation has been suspended for 90 days under this act; or

(b) the corporation has failed to apply for an amended certificate of authority within 90 days after it was required to do so under this act; or

(c) the corporation has failed to maintain a registered agent in this State as required by this act; or

(d) the corporation has failed, after change of its registered office or registered agent, to file in the office of the Secretary of State a statement of such change as required by this act; or

(e) the corporation has failed to file its annual report within the time required by this act.

(2) No certificate of authority of a foreign corporation shall be revoked by the Secretary of State unless

(a) he shall have given the corporation not less than 90 days’ notice that such default exists and that its certificate of authority will be revoked unless such default is cured within 90 days after the mailing of such notice; and

(b) the corporation shall fail prior to revocation to cure such default.

Such notice shall be sent by certified mail to the corporation at its registered office in this State and at its main business or headquarters office as such offices are on record in the office of the Secretary of State.

(3) Upon revoking any such certificate of authority, the Secretary of State shall issue a certificate of revocation and shall mail a copy to such corporation at each of the addresses designated in subsection 14A:13–10(2).
(4) The issuance of the certificate of revocation shall have the
same force and effect as the issuance of a certificate of withdrawal
under subsection 14A:13-8(2).

(1) No foreign corporation transacting business in this State
without a certificate of authority shall maintain any action or pro­
cceeding in any court of this State, until such corporation shall have
obtained a certificate of authority. This prohibition shall apply to

(a) any successor in interest of such foreign corporation, ex­
cept any receiver, trustee in bankruptcy or other representative
of creditors of such corporation; and

(b) any assignee of the foreign corporation, except an as­
signee for value who accepts an assignment without knowledge
that the foreign corporation should have but has not obtained
a certificate of authority in this State.

(2) The failure of a foreign corporation to obtain a certificate
of authority to transact business in this State shall not impair the
validity of any contract or act of such corporation, and shall not
prevent such corporation from defending any action or proceeding
in any court of this State.

(3) In addition to any other liabilities imposed by law, a foreign
corporation which transacts business in this State without a cer­
tificate of authority shall forfeit to the State a penalty of not less
than $200.00, nor more than $1,000.00 for each calendar year, not
more than 5 years prior thereto, in which it shall have transacted
business in this State without a certificate of authority. Such
penalty shall be recovered with costs in an action prosecuted by
the Attorney General. The court may proceed in such action in
a summary manner or otherwise.

14A:13-12 Injunction against foreign corporation.

(1) The Attorney General may bring an action in the Superior
Court in the name of the State to enjoin a foreign corporation from
transacting business in this State

(a) without having first obtained a certificate of authority
pursuant to this Chapter; or

(b) of a character not set forth in its application for a cer­
tificate of authority or for an amended certificate of authority; or
(c) after its authority to transact business in this State has been surrendered or revoked; or
(d) after it is dissolved or its authority or existence is otherwise terminated or cancelled in the jurisdiction of its incorporation.

(2) The Superior Court may proceed in such action in a summary manner or otherwise.

(3) The provisions of this section shall not exclude any other ground provided by law for injunctive relief against a foreign corporation to restrain it from the exercise of any franchise or the transaction of any business within this State.

14A:13-13 Vesting of title to real property upon merger or consolidation of foreign corporations.

(1) As used in this section, unless the context clearly requires otherwise:

(a) "Surviving foreign corporation" means a foreign corporation into which one or more other foreign corporations have merged.
(b) "New foreign corporation" means a foreign corporation formed by the consolidation of two or more other foreign corporations.
(c) "Certificate of merger" means the instrument, by whatever name it is called, filed or issued under any statute to merge one or more foreign corporations into another foreign corporation.
(d) "Certificate of consolidation" means the instrument, by whatever name it is called, filed or issued under any statute to consolidate two or more foreign corporations into a new foreign corporation.
(e) "Certified copy", when used with reference to a certificate of merger or a certificate of consolidation, means a copy of the certificate of merger or of the certificate of consolidation, as the case may be, which was filed in or issued by the jurisdiction of the surviving corporation, as the case may be, to make the merger or consolidation effective, certified by the official of such jurisdiction having custody of its records pertaining to corporations.

(2) Whenever a foreign corporation shall merge into or consolidate with another foreign corporation, and a certified copy of the certificate of merger or certificate of consolidation, as the case may be, is filed in the office of the secretary of state of New Jersey, any and all real property in New Jersey and any and all interests
therein, owned by each of the merging or consolidating foreign corporations, shall be deemed to have been vested in the surviving foreign corporation or the new foreign corporation, as the case may be, upon the effective date of the merger or consolidation, without further act or deed. Such merger or consolidation shall be valid and effectual to vest title to such real property and interests therein in the surviving foreign corporation or the new foreign corporation, as the case may be, as fully and completely as if regularly conveyed to it by deed.

(3) The provisions of this section shall apply to every merger and to every consolidation of foreign corporations which became effective before the effective date of this act, as well as to every merger and every consolidation of foreign corporations which shall become effective after the effective date of this act, whether the certified copy of the certificate of merger or of the certificate of consolidation, as the case may be, was filed in the office of the secretary of state of New Jersey before the effective date of this act or shall be so filed thereafter. In the case of mergers or consolidations of foreign corporations which became effective before the effective date of this act, the title of each surviving foreign corporation and of each new foreign corporation to all real property in New Jersey and to all interests in real property in New Jersey which at the time of the merger or consolidation was owned by each foreign corporation which was a party to the merger or consolidation is hereby confirmed and made valid and effectual, provided a certified copy of the certificate of consolidation, as the case may be, is filed in the office of the secretary of state of New Jersey.

As used in this chapter, and unless the context requires otherwise

(a) "corporation" means a domestic corporation and a foreign corporation;
(b) "creditor" means the holder of any claim, of whatever character, against a corporation, whether secured or unsecured, matured or unmatured, liquidated or unliquidated, absolute or contingent;
(c) "debt" includes any legal liability, whether matured or unmatured, liquidated or unliquidated, absolute, fixed or contingent;
(d) "encumbrance" means a mortgage, security interest, lien or charge of any nature in or upon property;

(f) "insolvent": a corporation shall be deemed to be insolvent for the purposes of this chapter (1) when the aggregate of its property, exclusive of any property which it may have conveyed, transferred, concealed, removed or permitted to be concealed or removed, with intent to defraud, hinder or delay its creditors, shall not at a fair valuation be sufficient in amount to pay its debts; or (2) when the corporation is unable, by its available assets or the honest use of credit, to pay its debts as they become due;

(g) "property" means real property, tangible and intangible personal property, and rights, claims and franchises of every nature;

(h) "receiver" means a receiver of a corporation appointed pursuant to this chapter, and includes corporations authorized by law to act as receivers in this State, as well as individuals;

14A:14-2 Jurisdiction of the Superior Court; appointment of receiver.

(1) A receivership action may be brought in the Superior Court by

(a) a creditor whose claim is for a sum certain or for a sum which can by computation be made certain; or

(b) a shareholder or shareholders who individually or in com-
Combination own at least ten per cent of the outstanding shares of any class of the corporation; or
(c) the corporation, pursuant to resolution of its board.

(2) The action shall be based upon at least one of the following grounds:
(a) the corporation is insolvent;
(b) the corporation has suspended its ordinary business for lack of funds;
(c) the business of the corporation is being conducted at a great loss and greatly prejudicial to the interests of its creditors or shareholders.

(3) The court may proceed in the action in a summary manner or otherwise. It shall have power to appoint and remove one or more receivers of the corporation from time to time, and to enjoin the corporation, its officers and agents, from exercising any of its privileges and franchises, and from collecting or receiving any debts, or paying out, selling, assigning or transferring any of its property, except to a receiver, and except as the court may otherwise order. The court shall have such further powers as shall be appropriate for the fulfillment of the purposes of this chapter.

(4) Every receiver shall, before assuming his duties, execute and file a bond in the office of the Clerk of the Superior Court, with such sureties and in such form as the court shall approve.

14A:14-3 Multiple receivers.
When more than one receiver of a corporation is appointed,
(a) the provisions of this chapter applicable to one receiver shall be applicable to all;
(b) the debts and property of the corporation may be collected and received by any of them; and
(c) the powers and rights conferred upon them may be exercised by a majority of them.

14A:14-4 Title to corporate property and franchises.
(1) Upon his appointment, the receiver shall become vested with the title to all the property of the corporation, of every nature, including its franchises.

(2) For the purpose of avoiding encumbrances, transfers and preferences, the right and title of a receiver shall relate back to the date upon which the receivership action commenced.
14A:14-5 Powers of receivers; general.

Subject to the general supervision of the Superior Court and pursuant to specific order where appropriate, a receiver shall have power to

(a) take into his possession all the property of the corporation, including its books, records and papers;
(b) institute and defend actions by or on behalf of the corporation;
(c) sell, assign, convey or otherwise dispose of all or any part of the property of the corporation;
(d) settle or compromise with any debtor or creditor of the corporation, including any taxing authority;
(e) summon and examine under oath, which he may administer, or by affirmation, any persons concerning any matter pertaining to the receivership or to the corporation, its property and its transactions, and require such person to produce books, records, papers and other tangible things and to be examined thereon;
(f) take testimony within or without the State, and, if without the State, apply to courts of other jurisdictions for compulsory process to obtain the attendance of witnesses;
(g) continue the business of the corporation, and, to that end, enter into contracts, borrow money, pledge, mortgage or otherwise encumber the property of the corporation as security for the repayment of the receiver's loans;
(h) do all further acts as shall best fulfill the purposes of this chapter.

14A:14-6 Powers of receiver; contempt of court.

If any person summoned to be examined pursuant to section 14A:14-5 shall refuse to be sworn, or to affirm, or to testify, or to answer a proper question, or to produce the books, papers, documents or tangible things demanded, or shall otherwise misconduct himself, the Superior Court may, on motion, and after affording such person the opportunity to be heard, punish such person in the same manner as like failure is punishable in a case pending in the court.

14A:14-7 Powers of receiver; sale of property free of encumbrances.

When property of a corporation for which a receiver has been appointed is, at the time of such appointment, subject to one or
more encumbrances, the Superior Court, upon the application of the receiver, may authorize the receiver to sell such property at public or at private sale, clear of encumbrances, for such price and upon such terms as the court may approve. No such sale shall be authorized or made except upon prior notice to the holders of the encumbrances affecting such property, and unless the receiver demonstrates to the satisfaction of the court that the sale of such property may be reasonably expected to benefit general creditors of the corporation without adversely affecting the interests of the holders of the encumbrances. The proceeds of such sale shall be paid into court, there to remain until the further order of the court, subject to the same encumbrances which affected the property at the time of the sale.

14A:14-8 Rights of debtors; setoff; counterclaim.

(1) In all cases of mutual debts or mutual credits between the corporation and a creditor, the account shall be stated and one debt shall be set off against the other, and the balance only shall be allowed or paid.

(2) A right of setoff or counterclaim shall not be allowed in favor of any debtor of the corporation if it was acquired by such debtor after the commencement of the receivership action, or within four months before such commencement, with a view to such use and with knowledge or notice that the corporation was insolvent.

14A:14-9 Payment or delivery to corporation.

(1) After the commencement of a receivership action, but before the appointment of a receiver, a debtor of the corporation may make payment to the corporation of his debt, and a person holding property of the corporation may deliver it to the corporation, and such payment and such delivery shall have the same effect as if the receivership action were not pending.

(2) If such payment or such delivery is made after the appointment of a receiver by a person acting in good faith and without knowledge of the appointment, such payment and such delivery shall have the same effect as if a receiver had not been appointed.

14A:14-10 Fraudulent transfers.

(1) Every transfer made and every obligation incurred by a corporation which is or will be thereby rendered insolvent, is fraudulent as to creditors without regard to its actual intent if
the transfer is made or the obligation is incurred without a fair consideration.

(2) Every transfer made without fair consideration when the corporation making it is engaged or is about to engage in a business or transaction for which the property remaining in its hands after the transfer is an unreasonably small capital, is fraudulent as to creditors and as to other persons who become creditors during the continuance of such business or transaction without regard to its actual intent.

(3) Every transfer made and every obligation incurred without fair consideration when the corporation making the transfer or entering into the obligation intends to or believes that it will incur debts beyond its ability to pay as they mature, is fraudulent as to both present and future creditors.

(4) Every transfer made and every obligation incurred by a corporation with actual intent, as distinguished from intent presumed in law, to hinder, delay, or defraud either present or future creditors of the corporation, is fraudulent as to both such present and future creditors.

(5) Every transfer made and every obligation incurred by a corporation which is or will thereby be rendered insolvent, within four months prior to the commencement of a receivership action by or against such corporation, is fraudulent as to the then existing and future creditors: (a) if made or incurred in contemplation of the commencement of such action or in contemplation of liquidation of all or the greater portion of the corporation's property, with intent to use the consideration obtained for such transfer or obligation to enable any creditor of the corporation to obtain a greater percentage of his debt than some other creditor of the same class, and (b) if the transferee or obligee of such transfer or obligation, at the time of such transfer or obligation, knew or believed that the corporation intended to make such use of such consideration.

(6) For the purposes of this section, a transfer shall be deemed to have been made at the time when it became so far perfected that no purchaser from the corporation could thereafter have acquired any rights in the property so transferred superior to the rights of the transferee therein, but, if such transfer is not so perfected prior to the commencement of the receivership action by or against such corporation, it shall be deemed to have been made immediately before the filing of such action.
14A:14-11 Fraudulent transfers: continued.

(1) A transfer made or an obligation incurred which is fraudulent under section 14A:14-10 against a creditor, is fraudulent against the receiver, except as to a purchaser for a fair consideration, without knowledge of the fraud at the time of the purchase.

(2) When a transfer made or an obligation incurred is fraudulent as to a creditor whose claim has matured, the receiver may, as against any person except a purchaser for a fair consideration, without knowledge of the fraud at the time of the purchase, or one who has derived title immediately, or immediately from such a purchaser,

(a) disregard the transfer and attach or levy execution upon the property conveyed or such obligation; or

(b) have the transfer set aside or the obligation annulled to the extent necessary to satisfy the creditor's claim.

(3) A purchaser who, without actual fraudulent intent, has given less than a fair consideration for the transfer or obligation, may retain the property or obligation as security for repayment.

(4) When a transfer made or an obligation incurred is fraudulent as to a creditor whose claim has not matured, the receiver may proceed in the Superior Court against any person against whom he could have proceeded if the claim were matured, and the Court may

(a) restrain the defendant from disposing of the property covered or affected by such conveyance or of such obligation; 

(b) direct that the property or obligation be delivered to the custody of the receiver;

(c) if equitable, set aside the conveyance or annul the obligation to the extent necessary to satisfy the claim.

14A:14-12 Fraudulent transfers: continued.

Nothing contained in section 14A:14-10 or 14A:14-11 shall be construed to validate a transfer which is voidable under section 14A:14-13.

14A:14-13 Liens by legal process.

(1) Every lien against the property of a corporation shall be void if

(a) such lien is obtained by attachment, judgment, levy or other legal process; and
(b) a receivership action against the corporation is commenced within four months after the date on which such lien was obtained, or if such lien is obtained after the commencement of the receivership action; and
(c) the assets of the corporation are distributed in the receivership action.

(2) The property affected by any such lien shall be discharged from such lien and shall pass to the receiver, but the court may order such lien to be preserved for the benefit of the corporation’s creditors. The Superior Court may direct such conveyance of the property affected as may be proper or adequate to evidence title thereto of the receiver. The title of a bona fide purchaser of such property shall be valid, but, if such title is acquired otherwise than by a judicial sale held to enforce such lien, it shall be valid only to the extent of the present consideration paid for such property.

14A:14-14 Preferences.

(1) For the purposes of this chapter, a preference arises when
(a) a corporation which, while insolvent, and within four months of the commencement of a receivership action by or against it, transfers any property to or for the benefit of a creditor for or on account of an antecedent debt; and
(b) the effect of such transfer will be to enable such creditor to obtain a greater percentage of his debt than some other creditor of the same class; and
(c) the creditor receiving or to be benefited by the transfer, or his agent acting with reference thereto, has, at the time when the transfer is made, reasonable cause to believe that the corporation is insolvent.

(2) For the purpose of determining whether a preference has arisen
(a) a transfer of property other than real property shall be deemed to have been made or suffered at a time when it became so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee;
(b) a transfer of real property shall be deemed to have been made or suffered when it became so far perfected that no subsequent bona fide purchase from the corporation could create rights in such property superior to the rights of the transferee.
CHAPTER 350, LAWS OF 1968

(3) If any transfer of real property is not so perfected against a bona fide purchase, or if any transfer of other property is not so perfected against such liens by legal or equitable proceedings prior to the commencement of a receivership action, it shall be deemed to have been made immediately before the commencement of such action.

(4) When a preference has arisen, the receiver may recover the property or, if it has been converted, its value, from any person who has received or converted such property, except a bona fide purchaser from or lienor of the corporation's transferee for a present fair consideration. Where, however, such bona fide purchaser or lienor has given less than such value, he shall nevertheless have a lien upon such property, but only to the extent of the consideration actually given by him. When a preference is by way of lien or security title, the Superior Court may on due notice order such lien or title to be preserved for the benefit of the insolvent corporation's estate, in which event the lien or title shall pass to the receiver.

(5) If a creditor has been preferred and afterward in good faith gives the corporation further credit without security of any kind for property which becomes a part of the insolvent corporation's property, the amount of such new credit remaining unpaid at the time of the commencement of the receivership action may be set off against the amount which would otherwise be recoverable from such creditor.

14A:14-15 Notice to creditors.

(1) At any time after his appointment, the receiver may give notice requiring all creditors to present their claims in writing. Such notice shall be published twice, once in each of two consecutive weeks, in a newspaper of general circulation in the county in which the registered office of the corporation is located and shall state that all persons who are creditors of the corporation shall present written proof of their claims to the receiver at a place and on or before a date named in the notice, which date shall not be less than 6 months after the date of the first publication.

(2) On or before the date of the first publication of the notice as provided in subsection (1) of this section, the receiver shall mail a copy of the notice to each known creditor of the corporation. The giving of such notice shall not constitute recognition that any person to whom such notice is directed is a creditor of the corporation other than for the purpose of receipt of notice hereunder.
(3) Proof of the publication and mailing required by this section shall be made by an affidavit filed in the office of the Clerk of the Superior Court.

14A:14-16 Claims; presentation; approval or rejection.
Creditors shall, if required by the receiver, submit themselves to examination by him and produce before him such records and proof relating to their claims as the receiver may direct. The receiver may also examine under oath all witnesses produced before him relating to the claims, and he shall pass upon, and allow or disallow, such claims, and shall notify the creditors of his determination.

14A:14-17 Claims; jury trial.
A creditor who presents his claim to a receiver pursuant to this chapter and whose claim is disallowed in whole or in part by the receiver shall, on demand in writing, be entitled to trial by jury on any issue triable of right by jury.

14A:14-18 Review of receiver’s actions.
Any person aggrieved by the proceedings or determination of the receiver in the discharge of his duties shall be entitled to a review of the receiver’s action in a summary manner in the Superior Court.

14A:14-19 Discontinuance of receivership action.
A receivership action against a corporation may be discontinued at any time when it is established that cause for the action no longer exists. In such event, the court shall dismiss the proceedings and direct the receiver to redeliver to the corporation all its property remaining in his hands. Upon such redelivery, the corporation shall be revested with full rights in such property and in its franchises as if the receiver had not been appointed.

14A:14-20 Allowances to receiver and others; costs and expenses.
In any proceeding under this chapter, the court shall allow a reasonable compensation to the receiver for his services and his costs and expenses in the receivership action. It shall also allow reasonable compensation to the following for their services in the receivership action and their costs and expenses: the attorney for
the receiver, the appraiser, the auctioneer, the accountant and other persons appointed by the court in connection with the receivership action.

14A:14-21 Distribution of assets; priorities.

(1) After payment of all allowances, expenses and costs, and the satisfaction of all liens upon the funds of the corporation to the extent of their lawful priority, the creditors shall be paid proportionately to the amount of their respective debts, excepting mortgage and judgment creditors when the judgment has not been by confession for the purpose of preferring creditors. The creditors shall be entitled to distribution on debts not due, making in such case a rebate of interest, when interest is not accruing on the same.

(2) The surplus funds, if any, after payment of the creditors and the costs, expenses and allowances aforesaid, and the preferred stockholders, shall be divided and paid to the general stockholders proportionately, according to their respective shares.

(3) In any distribution to creditors under this section, all persons doing labor or service of any character, in the regular employment of the corporation, shall be entitled to priority of payment for the wages, not to exceed $600. for each claimant, due them respectively for all labor, work and services performed within three months before the institution of a receivership action under this chapter. A claim under this subsection 14A:14-21(3) shall have priority over all other claims against the corporation, but shall be subordinate to (1) a security interest in personal property perfected more than two months next preceding the date when the receivership action was instituted, (2) a security interest in personal property for money loaned or goods purchased within two months next preceding the date when the receivership action was instituted, (3) mortgages upon the real property of the corporation, and (4) all claims entitled to higher priority by law.

14A:14-22 Judgment of dissolution.

After distribution of the corporation’s assets as provided in section 14A:14-21, the Superior Court may make a judgment dissolving the corporation and declaring its charter forfeited and void.
14A:14-23 Reorganization under act of Congress; “plan of reorganization” defined.

As used in sections 14A:14-24, 14A:14-25 and 14A:14-26, “plan of reorganization” means a plan of corporate reorganization which has been ordered or confirmed by a court or by a commission or other agency of the United States, in a proceeding brought under any act of Congress providing for the reorganization of corporations.

14A:14-24 Reorganization under act of Congress; implementation of plan of reorganization.

(1) A corporation shall have the power to do any act required or permitted by a plan of reorganization in order to put such plan in effect according to its terms.

(2) The power conferred by subsection (1) of this section shall be exercised by the trustee or trustees, or other person or persons acting in similar capacities, appointed in the reorganization proceeding resulting in the plan of reorganization, or, if none be then acting, by any other person or persons designated or appointed for such purpose in such organization proceeding, or, if no such other person or persons be then acting, by an officer or officers of the corporation.

(3) The exercise of the power to put in effect a plan of reorganization by those designated in subsection (2) of this section shall have the same effect as if done with the unanimous consent of the directors and the shareholders.

In any case where a plan of reorganization of a corporation provides for any action to be taken, which, if taken voluntarily on the vote of the shareholders of a corporation not in reorganization, would entitle dissenting shareholders to payment of the value of their shares, such action may be taken by such corporation in reorganization without payment to shareholders of the value of their shares.

14A:14-26 Reorganization under act of Congress; certificates.

When any plan of reorganization provides for any action to be taken which, if taken voluntarily on the vote of the shareholders of a corporation not in reorganization, would require the filing of
a certificate or other document in the office of the Secretary of State, such certificate or other document shall be executed on behalf of the corporation by the persons specified in subsection (2) of section 14A:14-24 and shall be filed in the office of the Secretary of State. Such certificate or other document shall recite that its making and filing are authorized pursuant to a plan of reorganization, and shall make reference to the proceeding in which the plan of reorganization was ordered or confirmed.

14A:14-27 Reorganization under act of Congress; powers and duties of State instrumentalities.

Nothing contained in sections 14A:14-24, 14A:14-25 or 14A:14-26 shall be construed to abrogate, limit or restrict the powers and duties over any corporation imposed or conferred by law on any State officer, board, commission or other agency.

c. Any person who has in his possession packages of cigarettes in a quantity equal to or greater than 2,000 cigarettes to which are affixed counterfeit stamps or impressions shall be guilty of a misdemeanor.

Possession of such packages or cigarettes shall be deemed sufficient evidence to authorize conviction, unless the accused shall show to the satisfaction of the court (1) that when he bought the cigarettes he knew or made inquiries sufficient to satisfy a reasonable man, that the seller was in a regular and established business for dealing in cigarettes and was so licensed and (2) that the amount paid by him for the cigarettes represented its fair and reasonable value and that he received an invoice for the same.

d. Any person who has in his possession packages of cigarettes, in an amount less than 2,000 cigarettes, to which are affixed counterfeit stamps or impressions, is a disorderly person.

Possession of such packages of cigarettes shall be deemed sufficient evidence to authorize conviction, unless the accused shall show to the satisfaction of the court (1) that when he bought the cigarettes he knew or made inquiries sufficient to satisfy a reasonable man, that the seller was in a regular and established business for dealing in cigarettes and was so licensed and (2) that the amount paid by him for the cigarettes represented its fair and reasonable value and that he received an invoice for the same.

In the absence of such invoices, delivery tickets or bills of lading, as the case may be, the cigarettes so transported, the vehicle, or vessel in which the cigarettes are being transported and any paraphernalia or devices used in connection with the unstamped cigarettes, are declared to be contraband goods and may be seized by the director, his agents or employees or by any peace officer of the State when directed by the director, his agents or employees so to do, without a warrant. The director shall immediately thereafter institute a proceeding for the confiscation thereof in the County Court, county district court or the municipal court within the jurisdiction of which the seizure is made. The owner or any person having a security interest in any such vehicle may secure release of the same by depositing with the clerk of the court, in which such proceeding is pending, a bond with good and sufficient sureties in an amount to be fixed by the court, conditioned upon the return of said vehicle to the director upon demand after completion of said proceeding. The court may proceed in a summary manner and may direct confiscation to the director; provided, however, anything to the contrary notwithstanding that the owner or any person claiming to be the holder of a mortgage, conditional sales contract or other security interest in any vehicle or vessel, the disposition of which is provided for above, may present his petition so alleging and be heard, and in the event it appears to the court that the property was unlawfully used by a person other than the owner or such claimant, and if such owner or claimant acquired ownership or his security interest in good faith and without knowledge that the vehicle or vessel was going to be so used, the court shall either waive forfeiture in favor of such owner or claimant and order the vehicle or vessel returned or delivered to such owner or claimant, or if it is found that the value thereof exceeds the amount of the claim, the court shall order payment of the amount of the claim out of the proceeds of the sale. Every transporter who violates the provisions of this act is a disorderly person.

be seized or sealed by the director, his agents or employees or by
any peace officer of this State, when directed by the director so
to do. If the owner or his agent destroys or removes said seal,
he may, upon conviction, be subject to a penalty of not more than

2. No life insurance corporation heretofore or hereafter incorporated pursuant to the provisions of any general or special law

CHAPTER 354

An Act to supplement the "Public Employees' Retirement-Social Security Integration Act," approved June 28, 1954 (P. L. 1954, c. 84) as such affects the pension and other employee benefits of national guard technicians.

Whereas, Pursuant to the National Guard Technicians Act of 1968, as of January 1, 1969 all new employees who are national guard technicians shall be eligible to enroll in the Federal Civil Service Retirement System and in other employee benefit programs available to all other Federal employees. Such persons shall be
ineligible for participation in the Public Employees’ Retirement System of New Jersey or in any other employee benefit program supported wholly or in part by the State of New Jersey, including the Public and School Employees Health Benefits program. On the basis of their eligibility for participation in the Federal Civil Service Retirement System, such persons shall likewise be barred from coverage under Social Security pursuant to the Agreement between the State of New Jersey and the Secretary of Health, Education, and Welfare.

Whereas, The National Guard Technicians Act of 1968 permits all national guard technicians who are presently members of State retirement systems to continue their participation in such State retirement systems on the basis of the State’s consent; now, therefore,

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 43:15A-131 Continuance of participation in State retirement system optional for certain members.

1. Within 90 days following the effective date of this legislation, but not later than January 1, 1969, each present member of the Public Employees’ Retirement System who is a national guard technician may elect to continue his participation in the State retirement system by filing a proper form expressing his final and irrevocable intention to continue as a member or he may elect to terminate his participation in the Public Employees’ Retirement System of New Jersey by filing (a) a proper form waiving all of his rights and privileges in this system and (b) the required application for a withdrawal of his moneys credited to his account.

2. In the case of those persons who elect to continue as members of the State retirement system and thereby waive their rights for participation in the Federal Civil Service Retirement System, they shall continue to be covered under Social Security pursuant to the State’s agreement with the Federal Government, but they shall continue to be ineligible for participation in the Public and School Employees Health Benefits program. Since membership in the Public Employees’ Retirement System of New Jersey permits eligibility of all members for noncontributory and/or contributory death benefits, such persons who elect to remain as members of the State retirement system shall be barred from participating in any comparable program provided by the Federal Government.
C. 43:15A-133 Effects of termination of membership in State retirement system and enrollment in Federal retirement system.

3. In the case of those persons who elect to terminate their membership in the Public Employees' Retirement System of New Jersey and to enroll in the Federal Civil Service Retirement System, as of January 1, 1969 they shall be no longer covered under Social Security pursuant to the State's agreement with the Federal Government. They shall continue to be ineligible for participation in the Public and School Employees Health Benefits program and they shall likewise be ineligible to convert any or all of the non-contributory and/or contributory group life insurance which coverage they may now have as members of the Public Employees' Retirement System of New Jersey. The withdrawal of their funds from the State retirement system and the establishment of service credits in the Federal Civil Service Retirement System shall follow the provisions of the National Guard Technicians Act of 1968 and likewise, pursuant to such act, they shall be eligible for all other employee benefits as provided to all other Federal employees.

4. This act shall take effect immediately.

Approved November 26, 1968.

CHAPTER 355

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of chapter 148 of the laws of 1964 is amended to read as follows:

C. 30:11-1.7 Rules, regulations and standards; assessment and collection of penalties.

8. The State Board of Control of the Department of Institutions and Agencies, with the advice of the hospital licensing board, shall adopt, amend, promulgate and enforce such rules, regulations, and minimum standards of nursing and hospital care with respect to the different types of hospitals, convalescent homes and nursing
homes to be licensed hereunder as may be reasonably necessary to accomplish the purposes of this chapter and to assure that patients resident in the institutions described herein shall receive medical and nursing care consistent with accepted practices and procedures for administering such medical and nursing care in physical surroundings and under circumstances conducive to the recovery and convalescence of all patients in such institutions. The State Board of Control of the Department of Institutions and Agencies with the advice of the hospital licensing board may assess penalties and collect the same within the limitations imposed by this chapter. Such rules, regulations and minimum standards may include, but shall not be limited to, the regulation of medical and nursing care, extent of furnishing same, sanitation, dietetics, except where the diet has been prescribed by a licensed physician, heat, light, air, fire prevention and control, space allocation for patient care, housing and recreation facilities and related matters dealing with patient care and comfort and when adopted shall be binding upon all licensees and applicants for license under this chapter.

2. Section 30:11–3 of the Revised Statutes is amended to read as follows:

Denial, revocation or suspension of licenses; assessment and collection of penalties; probationary or provisional licenses; notice; hearings.

30:11–3. The State Board of Control, after serving the licensee with specific charges in writing at least 30 days in advance of the hearing, and after hearing, may assess penalties and collect the same within the limitations imposed by this chapter, deny, place on probationary or provisional license, revoke or suspend any and all licenses granted under authority of this chapter to any person, firm, partnership, corporation or association violating the provisions of this chapter, or the rules and regulations promulgated hereunder.

Prior to the assessment of penalties or the revocation, suspension or denial or placing on probationary or provisional license of any license hereunder, the department shall afford the licensee an opportunity for a prompt and fair hearing before the department on the question of the issuance, suspension or the placing on a probationary or provisional license, or revocation of the license. The procedure governing such hearings shall be in accordance with the rules and regulations of the department adopted by and with the consent of the hospital licensing board. Either party may be
represented by counsel of his own choosing, subpoena witnesses and compel their attendance on forms furnished by the department.

Notice of the assessment of penalties, revocation, suspension, the placing on probationary or provisional license or denial of a license together with a specification of charges shall be sent to the applicant or licensee by registered mail and the notice shall set forth the particular reasons for the denial, suspension, the placing on probationary or provisional license or revocation of the license. Such denial, suspension, the placing on probationary or provisional license, or revocation shall become effective 30 days after mailing, unless the applicant or licensee, within such 30-day period shall meet the requirements of the department or shall give written notice to the department of its desire for a hearing, in which case the denial, suspension, the placing on probationary or provisional license, or revocation shall be held in abeyance until the hearing has been concluded and a final decision rendered; provided, however, that such applicant or licensee may appeal from such denial, suspension, placing on probationary or provisional license, or revocation, to any court having jurisdiction of such matter.

The Commissioner of the Department of Institutions and Agencies shall arrange for prompt and fair hearings on all such cases, render written decisions stating conclusions and reasons therefor upon each matter so heard, and is empowered to enter orders of denial, suspension, placing on probationary or provisional license or revocation consistent with the circumstances in each case, and may assess penalties and collect the same within the limitations imposed by this chapter.

3. Section 30:11-4 of the Revised Statutes is amended to read as follows:

Violations; penalties, civil action, injunction.

30:11-4. (a) Any person, firm, partnership, corporation or association who shall operate or conduct a private mental hospital, convalescent home, private nursing home or private hospital without first obtaining the license required by this chapter, or who shall operate such private nursing home, convalescent home or private hospital after revocation or suspension of license shall be liable to a penalty of $25.00 for each day of operation in violation hereof for the first offense and for any subsequent offense shall be liable to a penalty of $50.00 for each day of operation in violation hereof. Any person, firm, partnership, corporation or association who shall be found guilty of violating any rule or regulation adopted in
accordance with this chapter as the same pertains to the care of patients and neglects to rectify the same within 7 days after receiving notice from the department of such violation or who neglects to commence, within 7 days, such repairs to his licensed establishment after receiving notice from the department that hazardous or unsafe condition exists in or upon the structure in which the licensed premises is maintained shall be subject to a penalty of not less than $10.00 or more than $25.00 for each day that he is in violation of such rule or regulation. If, within 1 year after such violation such person, firm, partnership, corporation or association is found guilty of the same violation such penalties as hereinbefore set forth shall be doubled, and if there be a third violation within such time, such penalties shall be tripled. In addition thereto the board may, in its discretion, suspend the license for such time as it may deem proper.

Any person, firm, partnership, corporation or association who shall, except in cases of an emergency, maintain more patients in his premises than he is licensed so to do, shall be subject to a penalty in an amount equal to the charge collected from such patient or patients plus $10.00 for each extra patient so maintained.

The State Board of Control, with the approval of the Attorney General, is hereby authorized and empowered to compromise and settle claims for money penalties in appropriate circumstances where it appears to the satisfaction of the board that payment of the full penalty will work severe hardship on any individual not having sufficient financial ability to pay the full penalty but in no case shall the penalty be compromised for a sum less than $250.00 for the first offense and $500.00 for the second and each subsequent offense; provided however, that any penalty of less than $250.00 or $500.00, as the case may be, may be compromised for a lesser sum.

The penalties authorized by this section shall be recovered in a civil action, brought in the name of the State of New Jersey in the Superior Court or the County Court of any county, which court shall have jurisdiction of all actions to recover such penalties. No money penalties provided for herein shall be required to be paid until the appellate procedures provided for in the courts shall have been exhausted and then only if on appeal it is determined that the licensee was in violation of the provisions hereof or the rules and regulations of the Board of Control establishing minimum standards of operation. No penalties shall be
assessed for the period of time following the filing of an appeal with the appropriate appellate court from a determination adverse to the licensee rendered by the department and until such appellate court or courts shall have rendered a final decision, and any penalties assessed prior thereto shall be recoverable only to the extent that the appellate court or courts affirms the decision of the department in the first instance. Money penalties, when recovered, shall be payable to the General State Fund.

The department may, in the manner provided by law, maintain an action in the name of the State of New Jersey for injunction against any person, firm, partnership, association or corporation continuing to conduct, manage or operate a private nursing home, convalescent home or private hospital without a license, or after suspension or revocation of license.

The practice and procedure in actions instituted under authority of this section shall conform to the practice and procedure in the court in which the action is instituted.

(b) Whenever a boarding home for sheltered care, boarding house or rest home or facility or institution of like character, not licensed hereunder, by public or private advertising or by other means holds out to the public that it is equipped to provide post-operative or convalescent care for persons mentally ill or mentally retarded or who are suffering or recovering from illness or injury, or who are chronically ill, or whenever there is reason to believe that any such facility or institution, not licensed hereunder, is violating any of the provisions of this chapter, then, and in such case, the department shall be permitted reasonable inspection of such premises for the purpose of ascertaining whether there is any violation of the provisions hereof.

Any person, firm, association, partnership or corporation, not licensed hereunder, but who holds out to the public by advertising or other means that the medical and nursing care contemplated by this chapter will be furnished to persons seeking admission as patients shall cease and desist from such practice and shall be liable to a penalty of $100.00 for the first offense and $200.00 for each subsequent offense, such penalty to be recovered as provided for herein. If any such boarding home for sheltered care, boarding house, rest home or other facility or institution shall operate as a private mental hospital, convalescent home, private nursing home or private hospital in violation of the provisions of this act and any supplements thereto then the same shall be liable to the pen-
alties which are prescribed and capable of being assessed against hospitals or nursing homes pursuant to subsection (a) of this section.

4. This act shall take effect immediately.

Approved November 26, 1968.

CHAPTER 356

An Act providing for the licensing and regulation of convalescent and nursing home administrators, and supplementing chapter 11 of Title 30 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:11-11 Policy declaration.

1. It is declared to be the public policy of this State to provide for the development, establishment and enforcement of basic standards for the training, experience and education of individuals acting as administrators of convalescent homes and private nursing homes as defined in chapter 11 of Title 30 to insure safe and adequate treatment of all individuals in convalescent homes and private nursing homes. No convalescent home or private nursing home shall operate in this State under the supervision of an individual acting as administrator except upon license first had and obtained for that purpose from the department. Nothing herein contained shall be so construed as to interfere with the powers of the State Board of Medical Examiners to license medical practitioners in New Jersey.

C. 30:11-12 Application for license.

2. Application for license required by this act shall be made upon forms furnished by the Commissioner of the Department of Institutions and Agencies. The applicant shall be required to furnish evidence of his or her ability to comply with the minimum standards for administrators to successfully supervise the institution for which the license is sought.

C. 30:11-13 License; issuance; not transferable; posting; rules, regulations and standards; institutions for treatment by spiritual means.

3. Upon receipt of an application for license and a license fee, the department shall cause an investigation to be made of the ap-
plicant and shall issue a license if it is found that said applicant is of good moral character and complies with the provisions of this act, the regulations of the department and the minimum standards established for the administration of a convalescent home or private nursing home. The license shall not be transferable or assignable and shall be posted in a conspicuous place on the licensed premises wherein the individual acts as an administrator, as prescribed by the regulations of the department. The State Board of Control of the Department of Institutions and Agencies, with the advice of the nursing home administrator's licensing board, shall adopt, amend, promulgate and enforce such rules, regulations, and minimum standards for the training, experience and education of individuals acting as administrators of convalescent homes and private nursing homes to be licensed hereunder as may be reasonably necessary to accomplish the purposes of this chapter. Such rules, regulations and minimum standards when adopted shall be binding upon all licensees and applicants for license under this chapter.

Licensees and applicants for a license as a convalescent home or private nursing home administrator of an institution or home conducted exclusively for persons who rely upon treatment by spiritual means alone through prayer in accordance with the creed or tenets of a recognized church or religious denomination as described in P. L. 1947, chapter 340, section 9 (C. 30:11-9) shall meet all rules, regulations and minimum standards prescribed by the board except medical rules, regulations, and minimum standards.

C. 30:11-14 Renewal of license; fee.

4. A license to act as an administrator of a convalescent home or private nursing home shall be valid for 1 year from the date of issue, and upon issuance of renewal of such license, the commissioner shall collect, respectively, a fee of $25.00, which shall be paid into the General State Fund, and the cost of administration of this act shall be provided for in the annual appropriation law.

C. 30:11-15 Conditional license.

5. Any administrator supervising any convalescent home or private nursing home in operation at the time of promulgation of any applicable rules, regulations or minimum standards under this act, who during the calendar year immediately preceding January 1, 1970, has served as a convalescent or nursing home administrator and who fails to meet the minimum standards shall receive a conditional license from the department notwithstanding any standards developed, imposed and enforced by the department pursuant to this act, except other than such standards as re-
late to good moral character or suitability; providing, however, that such conditional license shall expire in 2 years or on June 30, 1972, whichever is earlier, and shall not be renewable.

There shall be provided by the department during the period for which such conditional license is in effect, a training and instruction program designed to enable all individuals, with respect to whom such conditional license is issued, to qualify for a permanent license.

C. 30:11-16 Denial, revocation or suspension of license.

6. The State Board of Control, after serving the licensee with specific charges in writing, at least 30 days in advance of a hearing, and after hearing, may deny, revoke, or suspend any and all licenses granted under authority of this act to any person violating the provisions of this act, or the rules and regulations promulgated hereunder.

C. 30:11-17 Hearings.

7. The Nursing Home Administrator’s Licensing Board shall afford the licensee an opportunity for a prompt and fair hearing before deciding on the matter of suspension, revocation or denial of any license. The procedure governing such hearing shall be in accordance with the rules and regulations of the department adopted by The Board of Control and with the consent of the nursing home administrator’s licensing board. Either party may be represented by counsel of their own choosing, subpoena witnesses and compel their attendance on forms furnished by the department.

C. 30:11-18 Pending revocation, suspension or denial of license; delivery of notice; effective date; appeal.

8. Notice of the pending revocation, suspension, or denial of a license together with a specification of charges shall be sent to the applicant or the licensee by registered mail. Denial, suspension or revocation shall become effective 30 days after mailing, unless the applicant or licensee within such 30-day period shall meet the requirements of the department or shall give written notice to the department of his desire for a hearing, in which case, the denial, suspension or revocation shall be held in abeyance until the hearing has been concluded and a final decision rendered; provided, however, that such applicant or licensee may appeal from such denial, suspension or revocation to any court having jurisdiction of such matters.

C. 30:11-19 Commissioner’s responsibilities and powers.

9. The Commissioner of the Department of Institutions and Agencies shall arrange for prompt and fair hearings on all such
cases, render written decisions stating his conclusions and reasons therefor upon each matter heard, and is empowered to enter orders of denial, suspension or revocation consistent with the circumstances in each case.

Each member of the board shall have a minimum of not less than 5 years experience as an administrator in the supervision of a convalescent home or private nursing home and shall at all times be licensed as a nursing home administrator pursuant to the terms of this act. The board shall be appointed for terms of 6 years, except when appointed to complete an unexpired term. Members whose terms shall expire shall hold office until appointment of their successors. They shall serve without compensation, but shall be reimbursed for actual expenses incurred in the performance of their official duties.

C. 30:11-21 Board’s responsibilities and duties.

11. The nursing home administrator’s licensing board shall have the following responsibilities and duties:

a. Develop, and promulgate by regulation approved by the State Board of Control standards which must be met by individuals in order to receive a license as a nursing home administrator, which standards shall be designed to insure that nursing home administrators will be individuals who are of good character and are otherwise suitable, and who, by training, experience and education in the field of institutional administration, are qualified to serve as nursing home administrators;

b. Develop and apply appropriate techniques, including examinations and investigations for determining whether an individual meets such standards;
c. Issue licenses to individuals determined to meet such standards and recommend to the State Board of Control or the Commissioner of the Department of Institutions and Agencies the revocation, suspension or denial of licenses to be issued or previously issued by the board in any case where the individual holding any such license is determined substantially to have failed to conform to the requirements of such standards;

d. Establish and carry out procedures designed to insure that individuals licensed as nursing home administrators will, during any period that they serve as such, comply with the requirements of such standards;

e. Receive, investigate, and take appropriate action with respect to any charge or complaint filed with the board to the effect that any individual licensed as a nursing home administrator has failed to comply with the requirements of such standards;

f. Conduct a continuing study and investigation of nursing homes and administrators of nursing homes within the state with a view to the improvement of the standards imposed for the licensing of such administrators and of procedures and methods for the enforcement of such standards with respect to administrators of nursing homes who have been licensed as such;

g. To study and identify the core of knowledge that should constitute minimally the training in the field of institutional administration which should qualify an individual to serve as a nursing home administrator;

h. To study and develop model techniques for determining whether an individual possesses such qualifications;

i. To study and develop model criteria for programs of training and to recommend such programs of training and instruction for those desiring to pursue a career in nursing home administration.

C. 30:11-22 “Nursing home administrator” defined.

12. As used in this act, the term “nursing home administrator” means any individual who is charged with the general administration or supervision of a nursing home or convalescent home whether or not such individual has an ownership interest in such home and whether or not his function or duties are shared with one or more other individuals.

C. 30:11-23 Qualifications for license.

13. Except as to persons who shall qualify for a conditional license pursuant to the provisions of this act, no license shall be issued to a person unless he is a citizen of the United States at the time of the submission of the application. No license shall be
issued to any person under the age of 21 years; to any person who has ever been convicted of a crime involving moral turpitude; or to any person who has been found guilty of violating the provisions of this act by a court of competent jurisdiction or who has admitted such guilt.

C. 30:11-24 Filing of notice by licensee or applicant under certain circumstances.

14. Whenever any change shall occur in the facts as set forth in any application for a license, the licensee or applicant shall file with the commissioner a notice in writing of such change within 10 days after the occurrence thereof.

C. 30:11-25 Information to be furnished by applicants; misrepresentation; penalty.

15. Applicants shall answer such questions as may be asked concerning their character, residence, citizenship and ability to operate a nursing home or convalescent home and make such declarations as shall be required. All applicants may be duly sworn and all statements and applications shall be deemed material. Fraud, misrepresentation, false statements, misleading statements, evasions or suppression of material facts in the securing of a license shall be grounds for denial, suspension or revocation of the license.

C. 30:11-26 Operation of home without license or after denial, revocation or suspension of license; penalties; collection and settlement of claims for money penalties; disposition of proceeds; action on appeal.

16. Any person, firm, partnership, corporation or association who shall operate or conduct a convalescent home or private nursing home without first obtaining an administrator licensed pursuant to the provisions of this act, or who shall operate such convalescent home or private nursing home after denial, revocation or suspension of its administrator’s license shall be liable to a penalty of $50.00 for each day of operation in violation hereof for the first offense, and for any subsequent offense shall be liable to a penalty of $100.00 for each day in violation hereof. Any such penalty shall be sued for and collected in a summary proceeding instituted by the Attorney General, at the request and in the name of the State Board of Control, pursuant to the Penalty Enforcement law (N. J. S. 2A:58-1, et seq.). The State Board of Control, with the approval of the Attorney General, is hereby authorized and empowered to compromise and settle claims for money penalties in appropriate circumstances where it appears to the satisfaction of the board that payment of the full
penalty will work severe hardship on any individual not having sufficient financial ability to pay the full penalty, but in no case shall the penalty be compromised for a sum less than $200.00 for the first offense and $500.00 for the second and each subsequent offense; provided, however, that any penalty of less than $200.00 or $500.00 as the case may be, may be compromised for a lesser sum. Money penalties when required shall be payable to the General State Fund. No money penalties provided for herein shall be required to be paid until the appellate procedures provided for in the courts shall have been exhausted and then only if on appeal, it is determined that the licensee was in violation of the provisions hereof or the rules and regulations of the State Board of Control establishing minimum standards for license. Money penalties assessed prior to the filing of an appeal to the appellate court or courts shall be recoverable only to the extent that the appellate court or courts affirms the decision of the department in the first instance.

C. 30:11-27 Action for injunction authorized.

17. The department may, in the manner provided by law maintain an action in the name of the State of New Jersey for injunction against any person, firm, partnership, association or corporation, continuing to conduct, manage or operate a convalescent home or private nursing home under the supervision of an administrator who is without a license, or after the suspension or revocation of such license.

C. 30:11-28 Services of State departments and employees.

18. The Nursing Home Administrator's Licensing Board is hereby empowered, within the limits of appropriations made available to it and on a cost reimbursable basis, to obtain the services of any State department and State employee necessary to carry out its duties.

19. This act shall take effect January 1, 1970, but all arrangements necessary or appropriate to enable this act to become fully effective on said date may be taken prior thereto.

bursements for his expenses in performing his duties.
(e) Each authority, upon the first appointment of its members and thereafter in January in each year, shall annually and whenever a vacancy occurs elect from among its members a chairman and a vice-chairman who shall hold office during their terms as members and until December 31 next ensuing and until their respective successors have been elected and have qualified. Every authority may also appoint and employ, without regard to the provisions of Title 11 of the Revised Statutes, a secretary, an executive director and a treasurer and such professional, technical or other advisers and experts as it may require, and it shall determine their qualifications, terms of office, or appointment, duties and compensation.

(f) The powers of each authority shall be vested in the members thereof in office from time to time. A majority of the entire authorized membership of the authority shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the authority at any meeting of the members thereof by vote of a majority of the members present, unless in any case the by-laws of the authority shall require a larger number.

(g) The members and officers of an authority may be required to furnish bonds to the authority to secure the faithful discharge of their duties, in form, amount and with such surety as may from time to time be required by resolution of the governing body of the municipality or by parallel resolutions of the governing bodies of the municipalities.

5. Section 5 of the act of which this act is amendatory is amended to read as follows:

C. 40:54B-5 Issuance and sale of bonds; maximum interest rate; negotiability of bonds.

5. (a) For the purpose of raising funds to pay the cost of any part of its convention hall or other facilities or for the purpose of funding or refunding any of its bonds, every authority shall have power to authorize or provide for the issuance of bonds pursuant to this act. Such authority shall adopt a resolution (in this act sometimes referred to as "bond resolution") which shall (1) describe in brief and general terms sufficient for reasonable identification the convention hall or other facilities or part thereof (in this act sometimes called "project") to be constructed or acquired, or describe the bonds which are to be funded or refunded (if any); (2) state the cost or estimated cost of the project (if any); and (3) provide for the issuance of the bonds in accordance with this section.
(b) Upon adoption of a bond resolution, an authority shall have power to incur indebtedness, borrow money and issue its bonds for the purpose of financing the project or of funding or refunding the bonds described therein. Such bonds shall be authorized by the bond resolution and may be issued in one or more series and shall bear such date or dates, mature at such time or times not exceeding 40 years from the date thereof, bear interest at a rate or rates within such maximum rate (not exceeding 6% per annum), be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources in such medium of payment at such place or places within or without the State, and be subject to such terms of redemption (with or without premium), as the bond resolution may provide.

(c) Bonds of an authority may be sold by the authority at public or private sale at such price or prices as the authority shall determine; provided, however, that the interest cost to maturity of the money received for any issue of bonds (computed according to standard tables of bond values) shall not exceed 6% per annum.

(d) Any authority may cause a copy of any bond resolution adopted by it to be filed for public inspection in its office and in the office of the clerk of the municipality or municipalities and may thereupon cause to be published in each newspaper published or circulating in the municipality or municipalities a notice stating the fact and date of such adoption and the places where such bond resolution has been so filed for public inspection and also the date of the first publication of such notice and also that any action or proceeding of any kind or nature in any court questioning the validity or proper authorization of bonds provided for by the bond resolution, or the validity of any covenants, agreements or contracts provided for by the bond resolution shall be commenced within 20 days after the first publication of such notice. If any such notice shall at any time be published and if no action or proceeding questioning the validity of the creation and establishment of the authority, or the validity or proper authorization of bonds provided for by the bond resolution referred to in said notice, or the validity of any covenants, agreements or contracts provided for by said bond resolution shall be commenced or instituted within 20 days after the first publication of said notice, then all residents and taxpayers and owners of property in the municipality or municipalities and all other persons whatsoever shall be forever barred and foreclosed from instituting
or commencing any action or proceeding in any court, or from pleading any defense to any action or proceedings, questioning the validity of the creation and establishment of the authority, or the validity or proper authorization of such bonds, or the validity of any such covenants, agreements or contracts, and said authority shall be conclusively deemed to have been validly created and established and to be authorized to transact business and exercise powers as an authority under this act, and said bonds, covenants, agreements and contracts shall be conclusively deemed to be valid and binding obligations in accordance with their terms and tenor.

(e) Any provision of any law to the contrary notwithstanding, any bond issued pursuant to this act shall be fully negotiable within the meaning and for all purposes of the Uniform Commercial Code of the State, and each holder or owner of such a bond, or of any coupon appurtenant thereto, by accepting such bond or coupon shall be conclusively deemed to have agreed that such bond or coupon is and shall be fully negotiable within the meaning and for all purposes of said Uniform Commercial Code.

6. Section 6 of the act of which this act is amendatory is amended to read as follows:

C. 40:54B-6 Authority's purposes; bond resolution provisions; liability for bonds.

6. (a) The purposes of every authority shall be to plan, acquire and construct, and operate and maintain or cause to be operated and maintained, a convention hall with related facilities.

(b) Any bond resolution of an authority providing for or authorizing the issuance of any bonds to finance the cost of acquisition, construction, reconstruction or improvement of such convention hall may contain provisions, and such authority, in order to secure the payment of such bonds and in addition to its other powers, shall have power by provision in such bond resolution to covenant and agree with the several holders of such bonds, as to:

(1) the custody, security, use, expenditure or application of the proceeds of the bonds;

(2) the construction and completion, or replacement, of all or any part of the convention hall or any other facilities of the authority;

(3) the use, regulation, mortgaging, operation, maintenance, insurance, leasing or disposition of all or any part of the convention hall or any other facilities of the authority, or restrictions on the exercise of the powers of the authority to dispose, or to limit or
regulate the use, of all or any part of such convention hall or other facilities;

(4) Payment of the principal of or interest on the bonds or of any other obligations, and the sources and methods thereof, the rank or priority of any such bonds or obligations as to any lien or security, or the acceleration of the maturity of any such bonds or obligations;

(5) the use and disposition of any moneys of the authority, including revenues (in this act sometimes called “facility revenues”) derived or to be derived from the operation or rental of all or any part of the convention hall or any other facilities of the authority, including any parts thereof theretofore constructed or acquired and any parts, extensions, replacements or improvements thereof thereafter constructed or acquired;

(6) pledging, setting aside, depositing or trusteeing all or any part of the facility revenues or other moneys of the authority to secure the payment of the principal of or interest on the bonds or of any other obligations or the payment of expenses of operation or maintenance of the convention hall or other facilities, and the powers and duties of any trustee with regard thereto;

(7) the setting aside out of the facility revenues or other moneys of the authority of reserves and sinking funds, and the source, custody, security, regulation, application and disposition thereof;

(8) determination or definition of the facility revenues or of the expenses of operation and maintenance of the convention hall or other facilities;

(9) the rents, admission fees or other charges for occupancy, use or services of, or admission to, its convention hall or any other facilities or any part thereof, including any parts thereof theretofore constructed or acquired and any parts, extensions, replacements or improvements thereof thereafter constructed or acquired, and the fixing, establishment, collection and enforcement of the same, the amount or amounts of facility revenues to be produced thereby, and the disposition and application of the amounts charged or collected;

(10) the assumption or payment or discharge of any indebtedness, liens or other claims relating to any part of the convention hall or any other facilities of the authority or any obligations having or which may have a lien on any part of the facility revenues;

(11) limitations on the issuance of additional bonds or any other obligations or on the incurrence of indebtedness of the authority;
(12) vesting in a trustee or trustees within or without the State such property, rights, powers and duties in trust as the authority may determine, which may include any or all of the rights, powers and duties of the trustee appointed by the holders of bonds pursuant to paragraph (b) of this section, and limiting or abrogating the right of such holders to appoint a trustee pursuant to said paragraph (b) of this section or limiting the rights, duties and powers of such trustee;

(13) payment of costs or expenses incident to the enforcement of the bonds or of the provisions of the bond resolution or of any covenant or contract with the holders of the bonds;

(14) the procedure, if any, by which the terms of any covenant or contract with, or duty to, the holders of bonds may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given or evidenced; or

(15) any other matter or course of conduct which, by recital in the bond resolution, is declared to further secure the payment of the principal of or interest on the bonds.

All such provisions of the bond resolution and all such covenants and agreements shall constitute valid and legally binding contracts between the authority and the several holders of the bonds, regardless of the time of issuance of such bonds, and shall be enforceable by any such holder or holders by appropriate action, suit or proceeding in any court of competent jurisdiction, or by proceeding in lieu of prerogative writ.

(e) If the bond resolution of an authority authorizing or providing for the issuance of a series of its bonds shall provide in substance that the holders of the bonds of such series shall be entitled to the benefits of this paragraph of this section, then in the event that there shall be a default in the payment of principal of or interest on any bonds of such series after the same shall become due whether at maturity or upon call for redemption, and such default shall continue for a period of 30 days, or in the event that the authority shall fail or refuse to comply with the provisions of this act or shall fail or refuse to carry out and perform the terms of any contract with the holders of any such bonds, and such failure or refusal shall continue for a period of 30 days after written notice to the authority of its existence and nature, the holders of 25% in aggregate principal amount of the bonds of such series then outstanding, by instrument or instruments filed in the office of the Secretary of State and proved or acknowledged in the same manner
as a deed to be recorded, may appoint a trustee to represent the
holders of the bonds of such series for the purposes provided in this
paragraph. Such trustee may and upon written request of the
holders of 25% in aggregate principal amount of the bonds of such
series then outstanding shall, in his or its own name:

(1) By any action, writ, proceeding in lieu of prerogative writ, or
other proceeding, enforce all rights of the holders of such bonds,
including the right to require the authority to charge and collect
rents, admission fees or other charges adequate to carry out any
contract as to, or pledge of, facility revenues, and to require the
authority to carry out and perform the terms of any contract with
the holders of such bonds or its duties under this act;

(2) Bring an action upon all or any part of such bonds or interest
coupons or claims appurtenant thereto;

(3) By action, require the authority to account as if it were the
trustee of an express trust for the holders of such bonds;

(4) By action, enjoin any acts or things which may be unlawful
or in violation of the rights of the holders of such bonds; or

(5) Declare all such bonds due and payable, whether or not in
advance of maturity, upon 30 days’ prior notice in writing to the
authority and, if all defaults shall be made good, then with the con­
sent of the holders of 25% of the principal amount of such bonds
then outstanding, annul such declaration and its consequences.

Such trustee shall, in addition to the foregoing, have and possess
all of the powers necessary or appropriate for the exercise of the
functions specifically set forth herein or incident to the general
representation of the holders of bonds of such series in the en­
forcement and protection of their rights. In any action or pro­
ceeding by such trustee, the fees, counsel fees and expenses of the
trustee and of the receiver, if any, appointed pursuant to this act,
shall constitute taxable costs and disbursements, and all costs and
disbursements, allowed by the court, shall be a first charge upon any
facility revenues of the authority pledged for the payment or
security of bonds of such series.

(d) If the bond resolution of an authority authorizing or provid­
ing for the issuance of a series of its bonds shall provide in sub­
stance that the holders of the bonds of such series shall be entitled
to the benefits of paragraph (c) of this section and shall further
provide in substance that any trustee appointed pursuant to said
paragraph or having the powers of such a trustee shall have the
powers provided by this paragraph (d), then such trustee, whether
or not all of the bonds of such series shall have been declared due
and payable, shall be entitled as of right to the appointment of a receiver of the convention hall and any other facilities of the authority, and such receiver may enter upon and take possession of such convention hall and other facilities and, subject to any pledge or contract with the holders of such bonds, shall take possession of all moneys and other property derived from or applicable to the acquisition, construction, operation, maintenance or reconstruction of such convention hall and other facilities and proceed with such acquisition, construction, operation, maintenance or reconstruction which the authority is under any obligation to do, and operate, maintain and reconstruct such convention hall and other facilities and fix, charge, collect, enforce and receive the charges and all facility revenues thereafter arising subject to any pledge thereof or contract with the holders of such bonds relating thereto and perform the public duties and carry out the contracts and obligations of the authority in the same manner as the authority itself might do and under the direction of the court.

(e) Neither the members of the authority nor any person executing bonds issued pursuant to this act shall be liable personally on the bonds by reason of the issuance thereof. Bonds issued pursuant to this act shall not be in any way a debt or liability of the State or of any county or municipality and shall not create or constitute any indebtedness, liability or obligation of the State or of any such county or municipality, either legal, moral or otherwise, and nothing in this act contained shall be construed to authorize any authority to incur any indebtedness on behalf of or in any way to obligate the State or any county or municipality.

7. Section 7 of the act of which this act is amendatory is amended to read as follows:

n. To enter into any and all agreements or contracts, execute any and all instruments, and do and perform any and all acts or things necessary, convenient or desirable for the purposes of the authority or to carry out any power expressly given in this act.

9. The facility charges with respect to any convention hall or other facility or property of an authority shall comply with the terms of any lease or other agreement of the authority with regard to such convention hall, facility or property, and the facility charges fixed, charged and collected by an authority may be so adjusted that the revenues of the authority will, together with other income of the authority, at all times be adequate to pay all expenses of the authority, including the expenses of operation and maintenance of any convention hall, facility or other property owned or controlled by the authority, including insurance, improvements, replacements, recon-
struction and any other required payments, and to pay the principal of and interest on any bonds, and to maintain such reserves or sinking funds for any of the foregoing purposes as may be required by the terms of any lease or other agreement of the authority or as may be deemed necessary or convenient and desirable by the authority.

10. Section 12 of the act of which this act is amendatory is amended to read as follows:

12. (a) Any municipality which has created or joined in the creation of a convention hall authority shall have power, in the discretion of its governing body, to appropriate moneys for the purposes of the authority, and to loan or donate such moneys to the authority in such installments and upon such terms as may be agreed upon between the municipality and the authority. A municipality, by ordinance of its governing body, is hereby empowered, without any referendum, to sell, lease, lend, grant or convey to the authority, or to permit the authority to use, maintain or operate as part of its convention hall, any real or personal property owned by it, which may be necessary or useful and convenient for the purposes of the authority and accepted by the authority. Any such sale, lease, loan, grant, conveyance or permit may be made with or without consideration and for a specified or an unlimited period of time and under any agreement and on any terms and conditions which may be approved by the municipality and which may be agreed to by the authority in conformity with its contracts with the holders of any bonds. Subject to any such contracts with holders of bonds, the authority may enter into and perform any and all agreements with respect to property so accepted by it, including agreements for the assumption of principal or interest or both of indebtedness of the municipality or of any mortgage or lien existing with respect to such property or for the operation and maintenance of such property as part of the convention hall.

authority on any of its properties, facility charges or revenues, or other moneys.

(c) Notwithstanding any restriction contained in any other law, the State and all public officers, municipalities, counties, political subdivisions and public bodies, and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds issued pursuant to this act, and such bonds shall be authorized security for any and all public deposits.

(d) Every convention hall and the facilities and all other properties of an authority are hereby declared to be public property of a political subdivision of the State and devoted to an essential public and governmental function and purpose and shall be exempt from all taxes and special assessments of the State or any subdivision thereof. Such authority and the municipality, however, are hereby authorized and empowered to enter into agreements with respect to the payment by the authority to the municipality of annual sums of money in lieu of taxes on any parcel of real property of the authority situate in the municipality in such amounts as may be agreed upon between the authority and the municipality, and the authority is empowered to make such payments and the municipality is empowered to accept such payments and to apply them in the manner in which taxes may be applied in the municipality; provided, however, that no such annual payment with respect to any such parcel shall exceed the amount of taxes paid thereon for the last taxable year in which taxes were paid thereon ended prior to the time of its acquisition by the authority. convention hall and other facilities or to fix, charge and collect its

the holders of such bonds or with such lessees, so as to in any way
impair the rights or remedies of such holders or lessees, and will
not modify in any way the exemptions from taxation provided for
in this act, until the bonds, together with interest thereon, with
interest on any unpaid installments of interest, and all costs and
expenses in connection with any action or proceeding by or on

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 43:21–19 of the Revised Statutes is amended to read as follows:

Definitions.

43:21–19.  As used in this chapter (R. S. 43:21–1 et seq.), unless the context clearly requires otherwise:

(a)  (1)  “Annual payroll” means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.
(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last 3 or 5 preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior 3 to 5 calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of section 43:21-7 of this Title means the average of the annual payrolls of any employer on which paid contributions to the State disability benefits fund, for the last 3 to 5 preceding calendar years, whichever average is higher; provided further, that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12 months' period for which the employer's contribution rate is computed.

(b) "Benefits" means the money payments payable to an individual, as provided in this chapter (R. S. 48:21-1 et seq.), with respect to his unemployment.

(c) "Base year" with respect to benefit years commencing on or after January 1, 1953, shall mean the 52 calendar weeks ending with the second week immediately preceding an individual's benefit year.

(d) "Benefit year" with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of section 43:21-6 of this Title shall be deemed to be a "valid claim" for the purpose of this subsection if (1) no remuneration was paid or is payable for the day on which, or as of which, he files a claim for benefits, and no work is available to him with his current employing unit on such day, or, he is unemployed for the week in which, or as of which, he files a claim for benefits;
and (2) he has fulfilled the conditions imposed by subsection (e) of section 43:21-4 of this Title.

(e) "Division" means the Division of Employment Security of the Department of Labor and Industry established by chapter 446, P. L. 1948, and any transaction or exercise of authority by the director of the division thereunder, or under this chapter (R. S. 43:21-1 et seq.), shall be deemed to be performed by the division.

(f) "Contributions" means the money payments to the State unemployment compensation fund required by this chapter (R. S. 43:21-1 et seq.).

(g) "Employing unit" means any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or subsequent to January 1, 1936, had in its employ one or more individuals performing services for it within this State. All individuals performing services within this State for any employing unit which maintains 2 or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter (R. S. 43:21-1 et seq.). Whenever any employing unit contracts with or has under it any contractor or subcontractor for any employment which is part of its usual trade, occupation, profession, or business, unless the employing unit as well as each such contractor or subcontractor is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, the employing unit shall for all the purposes of this chapter be deemed to employ each individual in the employ of each such contractor or subcontractor for each day during which such individual is engaged in performing such employment; except that each such contractor or subcontractor who is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, shall alone be liable for the contributions measured by wages payable to individuals in his employ, and except that any employing unit who shall become liable for and pay contributions with respect to individuals in the employ of any such contractor or subcontractor who is not an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, may recover the same from such contractor or subcontractor. C. 2A:73A-9 Costs and expenses to be paid by State.

9. The costs and expenses of impaneling a State grand jury and for the performing of its functions and duties shall be paid by the State out of funds appropriated to the judiciary.

CHAPTER 364

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 18A:66-100 of the New Jersey Statutes is amended to read as follows:

Annual report by trustees to boards of education.

18A:66-100. The board of trustees shall make an annual report of the condition of the fund and the manner in which it is invested,
to the boards of education of school districts of the county wherein it is organized, in the month of March of each year, for the prior fiscal year ending December 31 and at such other times as such boards of education may request.

2. Section 18A:66-103 of the New Jersey Statutes is amended to read as follows:

Return of contributions to veteran members; service credits required; liquidation of certain service credits.

18A:66-103. a. Each public employee veteran member of a pension fund in existence and established on June 26, 1962 under article 16 of chapter 5 of Title 18 of the Revised Statutes shall have returned to him the contributions made by him as of July 1, 1962 with simple interest at 2% per annum to such date. All service rendered in office, position or employment of this State or of a county, municipality, school district or board of education or service rendered for the State University of New Jersey, an instrumentality of this State, after April 16, 1945, and the New Jersey State Agricultural Experiment Station established by an act approved March 10, 1880 (P. L. 1880, c. 106 and continued pursuant to chapter 16 of Title 4 of the Revised Statutes), an instrumentality of this State, excluding service rendered as county extension service farm and home demonstration agents, by such veteran member previous to June 26, 1962, and excluding credits for prior service of such veteran covering employment which is vested in another governmental body or pension fund, for which evidence satisfactory to the board of trustees was presented prior to June 27, 1963, shall be credited to him as a member and such credit shall be known as prior service credit and the obligation of the board of education employing such veteran member on account of such credit shall be known as the accrued liability on behalf of such veteran member, and the board of education which employed such veteran member as of June 26, 1962 shall liquidate said accrued liability by annual payments for a period of 30 years commencing July 1, 1963, the amount of these payments to be computed by the actuary and certified by the board of trustees.

b. In the event that a public employee veteran who prior to June 26, 1962 rendered service in office, position or employment of this State, including such service rendered for any instrumentality enumerated in subsection a. of this section, or of a county, municipality, or school district or board of education, shall be a member of the pension fund on or after said date, such public employee veteran shall receive prior service credit for such service
for which evidence satisfactory to the board of trustees is presented in the same manner as received by other public employee veteran members. The employer of such public employee veteran on the date of his becoming a member shall liquidate the accrued liability for such prior service by annual payments over the remainder of the 30-year period specified in subsection a. of this section, the amount of these payments to be computed by the actuary and certified by the board of trustees.

3. Section 18A:66–106 of the New Jersey Statutes is amended to read as follows:

Certain employees permitted to purchase credit for temporary employment or employment in other governmental units in this State or in other States.

18A:66–106. Persons heretofore permanently or provisionally employed by such boards of education who became members of the pension fund at any time prior to June 26, 1962, shall be permitted to purchase credit covering any period of temporary, permanent or provisional service preceding said permanent or provisional employment, by making application therefor, and in such case, the payments to be made by the employee and board of education for such previous service shall be based on appropriate tables of factors submitted by the actuary as being applicable to the salary and contribution rate in effect at the time of making the application to purchase such credit. Persons becoming members thereafter shall be permitted to purchase credit for any temporary service which immediately precedes their permanent or provisional appointment by making application therefor at the time of becoming members and paying into the fund, the amount determined to be due for such service on the basis of appropriate tables of factors submitted by the actuary as being applicable to the salary and contribution rate in effect based on the salary at that time.

Any person coming into the employ of any such board of education as a provisional employee after June 26, 1962, shall become a member of the pension fund as a condition of employment.

A member shall have the right to purchase credit for any period of service in other municipalities or governmental units in this State or in any other State of the United States of America, rendered by the member prior to becoming a member up to the nearest number of years and months but not exceeding 10 years, by making application therefor at the time of becoming a member or for present members within 2 years of the effective date of this 1968 amendatory act and in such case the payments to be made by the employee and the employing board of education for such serv-
ice credits shall be on the basis of appropriate tables of factors submitted by the actuary as being applicable to the salary and contribution rate in effect based on the salary at the time of making application.

4. Section 18A:66-117 of the New Jersey Statutes is amended to read as follows:

Contributory death benefits; death benefits for former members receiving retirement allowances.

18A:66-117. a. The board of trustees may establish a plan of contributory death benefit coverage under which a death benefit, shall, upon receipt of proper proofs of death in service of a member covered therefor, be paid to such person, if living, as the member shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate. The amounts of death benefits under such plan of contributory death benefit coverage shall be determined by the board of trustees, provided that the amount of the death benefit for any member shall not exceed 11/2 times the compensation received by the member in the last year of creditable service, and provided further that for the death in service of a member occurring after he has attained age 70, the amount of death benefit under such plan shall not exceed 3/16 of the compensation received by the member in the last year of creditable service. Such a plan of contributory death benefit coverage shall be subject to adjustment from time to time by the board of trustees.

b. The board of trustees shall establish all rules governing the contributory death benefit coverage, subject to the provisions of this section. There is hereby established the members' death benefit fund in which fund shall be accumulated the contributions made under this section. Upon the death of a member electing the contributory death benefit, the contributory death benefit payable shall be paid from the members' death benefit fund.

c. The board of trustees shall establish schedules of contributions to be made by or on behalf of the members covered under the plan of contributory death benefit coverage. Such contributions shall be so computed that the contributions made by or on behalf of all covered members in the aggregate shall be sufficient to provide for the cost of the benefits established by subsection a. of this section. Such schedules of contributions shall be subject to adjustment from time to time, by the board of trustees, as the need may appear.
d. Each member will be eligible for such contributory death benefit coverage in accordance with and subject to the further provisions of this section. Each person who was a member on June 26, 1962 and who elected, not later than June 26, 1963 to purchase such contributory death benefit coverage became covered therefor on the first day on or after such election, on which he was actively at work and performing all his regular duties at his customary place of employment. Each person who became or becomes a member after June 26, 1962, shall automatically be covered for such contributory death benefit coverage from the first day of his membership on which he is actively at work and performing all his regular duties at his customary place of employment. Such automatic coverage shall continue during the member’s first year of membership and during such year contributions as fixed by the board of trustees shall be made by or on behalf of the member. After such first year of membership such member shall continue to be covered for contributory death benefit coverage, subject to the continuance of the required contributions and subject to the provisions of such plan and the provisions of this section.

e. The contributions of a member for the contributory death benefit coverage shall be deducted from his compensation, but if there is no compensation from which such contributions may be deducted it shall be the obligation of the member to make such contributions directly to the members’ death benefit fund or as directed by the board; provided, however, that no contribution shall be required while a member remains in service after attaining age 70 but the board of education employing such person shall be required to pay into the members’ death benefit fund or as directed by the board of trustees on such person’s behalf an amount equal to the contribution otherwise required by the board of trustees in accordance with this section.

f. Any other provision of this article notwithstanding, the contributions of a member, or the contributions made on behalf of a member by the board of education employing such member for the contributory death benefit coverage under this section shall not be returnable to the member, his or her beneficiary, or the board of education employing such member in any manner, or for any reason whatsoever, nor shall any contributions made for the contributory death benefit coverage be included in any pension payable to such member or to his or her beneficiary.

g. A member who is covered by the contributory death benefit coverage provided by this section may file with the board of
trustees, and alter from time to time during his lifetime, as desired, a duly attested, written, new nomination of the payee of the death benefit provided under this section. Such member may also file and alter from time to time during his lifetime, as desired, a request with the board of trustees directing payment of said benefit in one sum or in equal annual installments over a period of years or as a life annuity. Upon the death of such member, a payee to whom a benefit is payable in one sum may elect to receive the amount payable in equal installments over a period of years or as a life annuity.

h. All other provisions of this section notwithstanding, the benefits to be provided pursuant to this section shall come into effect only as determined by the board of trustees. Applications for such additional death benefit coverage shall be submitted to the board of trustees in such a manner and upon such forms as the board of trustees shall provide.

i. The board of trustees may also provide, effective upon the adoption of this 1968 amendatory act, for additional death benefit coverage, as described in subsection j. of this section, for former members who are receiving retirement allowances pursuant to the provisions of this article subject to the provisions hereinafter stated, and the board may terminate such coverage at any time. The additional death benefit coverage to be so provided shall be in accordance with rules as determined by the board from time to time on the basis of dates of retirement or other factors deemed appropriate by it. In no event shall the additional death benefit coverage described in subsection j. of this section apply to any former member receiving a retirement allowance unless such member was covered by the additional death benefits described in subsection a. of this section during the member's last month of creditable service, nor shall such coverage apply prior to a member's attainment of age 60. No contributions toward the cost of additional death benefit coverage described in subsection j. of this section shall be required of a former member while he is receiving a retirement allowance pursuant to the provisions of this article.

j. Upon receipt of proper proofs of the death of a former member who was covered for the additional death benefit coverage pursuant to subsection i. of this section, there shall be paid to such person, if living, as the member shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate,
an amount equal to \( \frac{3}{4} \) of the compensation received by the mem-
ber in the last year of creditable service.

5. Section 18A:66-124 of the New Jersey Statutes is amended
to read as follows:

Leaves of absence for illness, etc., deemed to be service; limitations; contributions
towards death benefits during such leave.

18A:66-124. a. For the purpose of section 18A:66-117 and sub-
section c. of section 18A:66-108, a member shall be deemed to be
in service for a period of no more than 2 years while on official
leave of absence without pay; provided that satisfactory evidence
is presented to the board of trustees that such leave of absence
without pay is due to illness.

b. For the purpose of section 18A:66-117 and subsection c. of
section 18A:66-108, a member shall be deemed to be in service for
a period of no more than 93 days while on official leave of absence
without pay when such leave of absence is due to any reason other
than illness or military leave of absence.

c. In order for a member to be covered for the contributory death
benefits provided under section 18A:66-117, he shall continue to
make contributions for same during the period such member is
on official leave of absence without pay up to 93 days, except that
when such official leave of absence without pay is due to illness,
no contributions shall be required of the member during the period
he is deemed to be in service while on such leave of absence.

C. 18A:66-110.1 Formula for increase of pension of certain retired members.

6. The pension being received by any retired member who retired
in the year 1954 or prior thereto, shall be increased in accordance
with the following formula:

a. The first $900.00 of pension shall be increased in accordance
with the "ratio of increase" formula in this act if the retired mem-
ber shall have established 25 years of service credit prior to re-
tirement, or shall have been retired for service-connected disability.

b. If the retirant shall have established less than 25 years of
service credit prior to retirement and shall not have been retired
for service-connected disability, the first $900.00 of the retirement
allowance, or the full retirement allowance if such allowance is less
than $900.00, shall be increased in accordance with the "ratio of
increase" formula, except that this increase shall be in the same
proportion to the increase provided under the "ratio of increase"
formula as the number of years of service credit is to 25.
Nothing in this act shall be construed as providing for an increase in the pension or other benefits payable to the beneficiaries of any retired member.

The "ratio of increase" which shall apply to the pension being received by a retired member shall be calculated in accordance with the following percentages as determined by the calendar year in which the retirement became effective:

The board of trustees shall certify annually to the contributing employers the amount necessary to provide for the cost of the increases in pensions provided by this act.

The increase in pensions provided for under this act shall commence with the pension payments due after the first of the month following the effective date of this act, provided that there is appropriated the amount certified by the board of trustees to the employing boards of education.

The increase in pension shall continue to be paid as long as there shall be appropriated the amounts so certified. In the event that
the necessary funds are not so appropriated, the increase in pension shall cease.

Each employing board of education shall appropriate the amounts as certified by the board of trustees as long as the State has appropriated funds for a similar purpose payable to pensioners of State administered retirement systems.

Any retired member who is eligible to receive the increased pension under the provisions of this act may, at any time, waive his or her right thereto by filing a written notice of waiver with the board of trustees. Such waiver may be withdrawn at any time and upon such withdrawal the increase in the pension shall commence with the pension payment for the next following month.

7. This act shall take effect immediately.

Approved December 26, 1968.

CHAPTER 365

An Act relating to certain appeals to the Division of Tax Appeals, providing for the payment of taxes assessed and levied in certain cases, and supplementing chapter 2 of Title 54 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 54:2-41.5 Amount of tax payable pending appeal.

1. In any appeal to the Division of Tax Appeals in the Department of the Treasury from a judgment of a county board of taxation heretofore instituted and pending on the effective date of this act or hereafter instituted, the taxpayer, notwithstanding the provisions of any other law, shall, upon order of the Division of Tax Appeals, be required to pay to the collector of the taxing district wherein the property subject to the appeal is located, not less than 75% of the full amount of the taxes that would have been payable had the said appeal to the division not been instituted. Such payment shall be subject to a refund of any excess taxes paid together with interest thereon at a rate equal to the rate charged by the taxing district on delinquent taxes, in the event the judgment of the division in any such appeal is entered in favor of the tax-
payers. Any such refund shall be paid by the taxing district within 50 days from the date of the judgment; provided, however, that if agreeable to taxpayer, any such refund may be paid by the taxing district over a period not to exceed 3 years.

C. 54:2-41.6 Bases for order of Division of Tax Appeals.

2. An order of the Division of Tax Appeals providing for payment of 75% of the tax pending appeal shall issue upon the motion of any taxing district supported by affidavit or other reliable evidence that (a) no final judgment has been rendered by the Division of Tax Appeals; (b) that more than 6 months has elapsed from the date upon which the petition of appeal was filed; (c) that less than 75% of the taxes that would have been payable had the said appeal to the division not been instituted have been paid; and (d) that failure to require payment of funds prior to disposition of the appeal may work hardship upon the taxing district. Such motion may be heard and determined by the Division of Tax Appeals upon summary proceedings pursuant to such rules as may be provided by the division for such purpose. Financial distress of an appellant taxpayer shall not constitute grounds for denial of such order.

3. This act shall take effect immediately.

Approved December 26, 1968.

CHAPTER 366

An Act concerning unemployment compensation and temporary disability benefits, and amending section 43:21-19 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 43:21-19 of the Revised Statutes is amended to read as follows:

Definitions.

43:21-19. As used in this chapter (R. S. 43:21-1 et seq.), unless the context clearly requires otherwise:
(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last 3 or 5 preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior 3 or 5 calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of section 43:21-7 of this Title means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund, for the last 3 or 5 preceding calendar years, whichever average is higher; provided further, that only those wages be included in which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12 months’ period for which the employer’s contribution rate is computed.

(b) "Benefits" means the money payments payable to an individual, as provided in this chapter (R. S. 43:21-1 et seq.), with respect to his unemployment.

(c) "Base year" with respect to benefit years commencing on or after January 1, 1953, shall mean the 52 calendar weeks ending with the second week immediately preceding an individual’s benefit year.

(d) "Benefit year" with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of section 43:21-6 of this Title shall be deemed to be a "valid claim" for the purpose of this subsection if (1) no remuneration was paid or is payable for the day on which, or as of
which he files a claim for benefits, and no work is available to him with his current employing unit on such day, or, he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of section 43:21-4 of this Title.

(e) "Division" means the Division of Employment Security of the Department of Labor and Industry established by chapter 446, P. L. 1948, and any transaction or exercise of authority by the director of the division thereunder, or under this chapter (R. S. 43:21-1 et seq.), shall be deemed to be performed by the division.

(f) "Contributions" means the money payments to the State unemployment compensation fund required by this chapter (R. S. 43:21-1 et seq.).

(g) "Employing unit" means any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or subsequent to January 1, 1936, had in its employ one or more individuals performing services for it within this State. All individuals performing services within this State for any employing unit which maintains 2 or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter (R. S. 43:21-1 et seq.). Whenever any employing unit contracts with or has under it any contractor or subcontractor for any employment which is part of its usual trade, occupation, profession, or business, unless the employing unit as well as each such contractor or subcontractor is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, the employing unit shall for all the purposes of this chapter be deemed to employ each individual in the employ of each such contractor or subcontractor for each day during which such individual is engaged in performing such employment; except that each such contractor or subcontractor who is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, shall alone be liable for the contributions measured by wages payable to individuals in his employ, and except that any employing unit who shall become liable for and pay contributions with respect to individuals in the employ of any such contractor or subcontractor who is not an employer by reason of subsection (c)
of section 43:21-8 of this Title or subsection (h) of this section, may recover the same from such contractor or subcontractor. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this chapter (R. S. 43:21-1 et seq.), whether such individual was hired or paid directly by such employing unit or by such agent or employee; provided, the employing unit had actual or constructive knowledge of the work.

(h) “Employer” means:

(1) Any employing unit which for some portion of a day, but not necessarily simultaneously, in each of 20 different weeks, whether or not such weeks are or were consecutive, within either the current or the preceding calendar year has or had in employment 4 or more individuals (irrespective of whether the same individuals are or were employed in each such day);

(2) Any employing unit (whether or not an employing unit at the time of acquisition) which acquired the organization, trade or business, or substantially all the assets thereof, of another which at the time of such acquisition was an employer subject to this chapter (R. S. 43:21-1 et seq.);

(3) Any employing unit which acquired the organization, trade or business, or substantially all the assets thereof, of another employing unit and which, if treated as a single unit with such other employing unit, would be an employer under paragraph (1) of this subsection;

(4) Any employing unit which together with one or more other employing units is owned or controlled (by legally enforceable means or otherwise), directly or indirectly by the same interests, or which owns or controls one or more other employing units (by legally enforceible means or otherwise), and which, if treated as a single unit with such other employing unit or interest, would be an employer under paragraph (1) of this subsection;

(5) Any employing unit which, having become an employer under paragraphs (1), (2), (3) or (4) has not, under section 43:21-8 of this chapter (R. S. 43:21-1 et seq.) ceased to be an employer subject to this chapter (R. S. 43:21-1 et seq.);

CHAPTER 369

An Act to amend the "Municipal Planning Act (1953)," approved September 18, 1953 (P. L. 1953, c. 433).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 22 of the act of which this act is amendatory is amended to read as follows:

C. 40:55-1.22 Performance guarantees; action required after completion of improvements.

22. The governing body may accept adequate performance guarantees for the purpose of assuring improvements, as provided in section 21 of this act and section 10 of the Official Map and Building Permit Act (1953).

The amount of any performance guarantee may be reduced by the governing body by resolution when portions of the improvements have been completed, and the time allowed for installation of the improvements for which the performance guarantee has been provided may be extended by said body by resolution.
If the required improvements shall not have been installed in accordance with the performance guarantee, the obligor and surety, if any, shall be liable thereon to the municipality for the reasonable cost of the improvements not installed and upon the receipt of the proceeds thereof the municipality shall install such improvements.

When all of the necessary and appropriate improvements have been completed the obligor shall notify the municipal governing body, in writing, by certified or registered mail, of the completion of the aforesaid improvements and shall send a copy thereof to the municipal engineer. The municipal governing body shall direct and authorize the municipal engineer to inspect all of the aforesaid improvements. The municipal engineer shall, thereupon, file a report, in writing, with the municipal governing body, which report shall be detailed and shall indicate either approval, partial approval, or rejection. If said improvements, or any portion thereof, shall not be approved or shall be rejected by the municipal engineer, said report shall contain a statement of reasons for such nonapproval or rejection. Where said report indicates partial approval of said improvements, it shall indicate the cost of the improvements for which approval is rejected or withheld.

The municipal governing body shall accept or reject the improvements, grant partial approval, or withhold approval, on the basis of such report and shall notify the obligor in writing by certified or registered mail, of the contents of said report and the action of said municipal governing body with relation thereto not later than 180 days after receipt of the notice from the obligor of the completion of the improvements. Where partial approval is granted, the obligor shall be released from all liability pursuant to its performance guaranty bond, except for that portion adequately sufficient to secure the improvements not yet approved.

If the municipal governing body fails to send such notification to the obligor within 180 days, the obligor may notify the governing body, in writing, by certified or registered mail, with a copy thereof sent to the municipal engineer, that failure of the governing body to provide the obligor with such notification within 60 days shall constitute approval of the improvements. Within 60 days after receipt of this warning notice, the governing body shall send such notification of the contents of the report and its action with relation thereto to the obligor by certified or registered mail. Failure of the governing body to send or provide such notification to the obligor within 60 days shall be deemed to constitute approval of the improvements and the obligor and surety, if any, shall be released from all liability, pursuant to its performance guaranty bond.
If any portion of the said improvements shall not be approved or shall be rejected by the municipal governing body, the obligor shall cause the same to be completed and, upon completion, the same procedure of notification, as outlined herein, shall be followed.

Nothing herein, however, shall be construed in limitation of the obligor's right to contest or question by legal proceedings or otherwise, any determination of the municipal governing body or the municipal engineer.

The obligor shall be responsible for all of the inspection fees of the municipal engineer incurred in making the foregoing inspections.

Nothing herein shall affect the obligation of any person relating to the posting of appropriate maintenance bonds, when required.

Where herein reference is made to the municipal engineer, it shall be deemed to include any municipal official acting in such capacity.

2. Section 21 of the act of which this act is amendatory is amended to read as follows:

C. 40:55-1.21 Improvements prerequisite to approval of plats; performance guarantee.

21. Before final approval of plats the governing body may require, in accordance with the standards adopted by ordinance, the installation, or the furnishing of a performance guarantee in lieu thereof, of any or all of the following improvements it may deem to be necessary or appropriate: street grading, pavement, gutters, curbs, sidewalks, street lighting, shade trees, surveyor’s monuments, water mains, culverts, storm sewers, sanitary sewers or other means of sewage disposal, drainage structures, and such other subdivision improvements as the municipal governing body may find necessary in the public interest.

The municipality may also require a maintenance guarantee for a period not to exceed 2 years after final acceptance of the improvement, in an amount not to exceed 15% of the cost of the improvement or of the original installation.

3. This act shall take effect 90 days after approval.

Approved December 27, 1968.

there is a surplus of available gainful labor in the locality, or impair
existing contracts for services; and

(c) That the rates of pay and other conditions of the placements
shall not be less than those paid or provided for work of a similar
nature in the locality in which the work is to be performed.

C. 30:8-46 Type of employment; wages and hours.

There shall, at the time of issuance of such certificate and from time to time thereafter, be attached to the exercise of privileges granted by the certificate such reasonable terms, conditions, and limitations as the public convenience and necessity may from time to time require; provided that no terms, conditions, or limitations shall restrict the right of the mover to add to, or dispose of, its equipment and facilities within the territory specified in the certificate as the development of the business and the demands of the public shall require.

(b) Certificates issued pursuant to section 6 (c) of this act shall authorize operations over irregular routes between all points within the State.

to be acquired by the person proposing in such pending application to acquire such properties, if it shall appear that failure to grant such temporary approval may result in destruction of, or injury to, such movers' properties sought to be acquired, or to interfere substantially with their future usefulness in the performance of adequate and continuous service to the public.

(b) Transportation service rendered under such temporary authority shall be subject to all applicable provisions of this act and to the rules, regulations, and requirements of the board promulgated thereunder.

(a) Certificates shall be effective from the date specified therein, and shall remain in effect until suspended or terminated as herein provided. Any such certificate may, upon application of the holder thereof, in the discretion of the board and upon public notice, be amended or revoked, in whole or in part, or may upon complaint, or on the board's own initiative after notice and hearing, be suspended, changed, or revoked, in whole or in part, for willful failure to comply with any provisions of this act, or with any lawful order, rule, or regulation of the board promulgated thereunder, or with any term, condition or limitation of such certificate; provided that subject to the provisions of paragraph (c) of this section, no such certificate shall be revoked (except upon application of the holder) unless the holder thereof willfully fails to comply, within a reasonable time, but not less than 30 days, to be fined by the board after a lawful order of the board, commanding obedience to the provisions of this act or to the rules or regulations of the board promulgated thereunder, or to the terms, conditions or limitations of such certificates found by the board to have been violated by such holder; and provided, further, that the right to engage in movers' service in this State by virtue of any certificate, or any application filed pursuant to the provisions of section 6 or temporary authority under section 8, may be suspended by the board, upon reasonable notice of not less than 15 days to the mover, but without hearing or other proceedings, for failure to comply, and until compliance, with the provisions of this act or with any lawful order, rule or regulation of the board promulgated thereunder.

(b) Any certificate may be transferred pursuant to such rules and regulations as the board may prescribe, including notice by the board to movers having an interest therein; provided the applicant established (1) that the transferee is fit, willing and able to
operate pursuant to the terms of said certificate, as provided in section 7 of this act; (2) that operations authorized by such certificate are being conducted in accordance with the terms of the certificate; and (3) that if the authority sought to be acquired is to be joined with other authority held by the transferee, such resulting authority will not adversely affect existing authorized service.

(c) Where for the continuous period of 1 year, a holder of a certificate fails to render any movers’ service in intrastate commerce under said certificate, except for reasons not within the control of said holder of such certificate, the board, on its own motion, or upon the complaint of any interested party, may direct the revocation of said certificate, only after reasonable opportunity for hearing to interested parties. No order of revocation shall be issued under this subparagraph solely for failure to render service in any part of the State, as long as any movers’ service has been rendered by said holder.

C. 48:22-10 Limitation of actions.

10. Limitation of actions.

(a) All actions at law by movers subject to this act for recovery of their charges, or any part thereof, or for the recovery of overcharges shall be begun within 2 years from the time the cause of action accrues, and not after.

(b) All claims against any mover for damage to property shall be filed in writing with the mover within 6 months from the time the cause of action accrues, and not after, and all suits in respect thereof shall be instituted within 1 year, such period of institution to be computed from the day that notice in writing is given by the mover to the claimant that the mover has disallowed the claim or any part or parts thereof specified in the notice.

C. 48:22-11 Fees.

11. Fees.

(a) There shall be paid to the board a fee of $75.00 upon the filing of every application for a certificate, or the transfer or assignment of same. Certificates issued shall automatically expire on August 1 of each year unless the holder thereof shall on or before July 17 of each year pay to the board a renewal fee of $50.00 accompanied by a renewal application on a form prescribed by the board. Certificates shall continue in full force and effect upon the filing of such application and payment until issuance by the board of evidence of renewal or until 30 days after the board shall have refused to issue such evidence of renewal.
(b) Copies of the public movers' certificate or the renewal thereof shall be issued by the board to the holder thereof for a fee of $10.00 each.

(c) A copy of the public movers' certificate shall be carried on each truck, tractor, trailer or semitrailer or combination thereof at all times when such vehicle is being used in operations subject to this act.

(d) There shall be paid to the board a fee of $75.00 upon the filing of every tariff or schedule, and a fee of $5.00 upon the filing of each supplement thereto.

(a) No certificate shall be issued to a mover or remain in force unless such mover complies with such reasonable rules and regulations as the board shall prescribe governing the approval of surety bonds, policies of insurance, qualifications as a self-insurer or other securities or agreements, in such reasonable amount as the board may require, conditioned to pay within the amount of such surety bonds, policies of insurance, qualifications as a self-insurer or other securities or agreements, any final judgment recovered against such mover for bodily injuries to or the death of any person resulting from the negligent operation, maintenance or use of motor vehicles under such certificate, or for loss or damage to property of others; provided, that any surety company or casualty insurance company, or mutual casualty insurance company providing said bonds or policies shall be duly licensed by the Commissioner of Banking and Insurance of this State or duly authorized by said commissioner to do business in this State, and duly authorized by its charter to write such surety bonds or policies of insurance mentioned herein.

(b) Any mover which may be required by law or contract entered into to compensate a shipper or consignee for any loss, damage, or default for which a connecting carrier is legally responsible shall be subrogated to the rights of such shipper or consignee under such bond, policies of insurance, or other securities or agreements, to the extent of the sum so paid.

(c) If such financial coverage shall be by insurance policy, evidence thereof shall be filed with the board in such form and amounts as the board may prescribe.
13. Rates and charges.

(a) It shall be the duty of every mover to provide safe, proper and adequate service, equipment and facilities for performing movers’ service in intrastate commerce; to establish, observe, and enforce just and reasonable regulations and practices relating thereto and to manner and method of presenting, marking, packing and delivering property for transportation, the facilities for transportation, and all other matters relating to, or connected with the transportation of property in intrastate commerce.

(b) Movers may establish reasonable through routes and joint rates, charges, and classifications with other such movers or with common carriers by railroad, express, water or air; and in case of such joint rates, or charges, it shall be the duty of the movers and carriers parties thereto to establish just and reasonable regulations and practices in connection therewith, and just, reasonable, and equitable divisions thereof as between the movers and carriers participating therein which shall not unduly prefer or prejudice any of such participating movers and carriers.

(c) It shall be unlawful for any mover to make, give, or cause any undue or unreasonable preference or advantage to any particular person, port, gateway, locality, or traffic of any description in any respect whatsoever, or to subject any particular person, port, gateway, locality, or traffic of any description, in any respect whatsoever, to any unjust discrimination or any undue or unreasonable prejudice or disadvantage. Movers operating under a common control or management or movers interchanging or intertying shipments with each other shall maintain an equal level of rates within the same area or between the same points.

(d) Whenever there shall be filed with the board any schedule stating a new individual or joint rate, or charge, or classification of property by a mover or movers in intrastate commerce, or any rule, regulation, or practice affecting such rate, or charge, or the value of the service thereunder, the board is authorized and empowered upon complaint of any interested party or upon its own initiative at once and, if it so orders, without answer or other formal pleadings by the interested mover or movers, but upon reasonable notice, to enter upon a hearing concerning the lawfulness of such rate, or charge, or such rule, regulation, or practice, and pending such hearing and the decision thereon, the board, by filing with such schedule and delivering to the mover or movers affected thereby a statement in writing of its reasons for such suspension,
may suspend the operation of such schedule and defer the use of such rate, or charge, or such rule, regulation, or practice, for a period of 120 days and if the proceeding has not been concluded and a final order made within such period, the board may extend the period of suspension by order, but not for a period exceeding 6 months beyond the time when it would otherwise go into effect; and after hearing, whether completed before or after the rate, charge, classification, rule, regulation or practice goes into effect, the board may make such order with reference thereto as would be proper in a proceeding instituted after it had become effective. If the proceeding has not been concluded and an order made within the period of suspension, the proposed change of rate, or charge, or classification, rule, regulation or practice, shall go into effect at the end of such period; provided, that this paragraph shall not apply to any initial schedule or schedules filed by any such mover or movers in bona fide operation when this section takes effect.

(e) In the exercise of its power to prescribe minimum rates for the transportation of property by movers, the board shall give due consideration, among other factors, to the inherent advantages of transportation by such movers, to the effect of rates upon the movement of traffic by such movers, to the need, in the public interest, of adequate and efficient transportation service by such movers at the lowest, reasonable cost consistent with the furnishing of such service and to the need for revenue of a level which under honest, efficient and economical management is sufficient to cover the cost of providing adequate transportation service with a reasonable profit to the mover.

(f) In a case involving a complaint against a currently effective rate, the burden of proof shall be upon the complainant. In a case involving a petition or complaint against a rate proposed to become effective, the burden of proof shall be upon the mover proponent.

(g) Nothing in this section shall be held to extinguish any remedy or right of action not inconsistent herewith.

C. 48:22-14 Tariffs.

14. Tariffs.

(a) Every mover shall file with the board, print, and keep open to public inspection, tariffs showing all rates, charges for transportation, and all services in connection therewith, of property in intrastate commerce between its authorized points and between its authorized points and points authorized to any other such mover when a through service and joint rates shall have been established. Such rates and charges shall be stated in terms of lawful money
of the United States. The tariffs required by this section shall be published, filed, and posted in such form and manner, and shall contain such information, as the board shall prescribe; and the board is authorized to reject any tariff filed with it which is not in consonance with this act. Any tariff so rejected by the board shall be void and its use shall be unlawful.

(b) No mover shall charge, demand, collect or receive a greater, lesser or different compensation for movers' service between the points enumerated in such tariff than the rates and charges specified in the tariffs in effect at the time; and no such mover shall refund or remit in any manner or by any device, directly or indirectly, or through any agent or broker or otherwise, any portion of the rates or charges so specified, or extend to any person any privileges or facilities for transportation except such as are specified in its tariffs.

(c) No change shall be made in any rate, charge or classification, or by any rule, regulation, or practice affecting such rate, charge or classification, or the value of the service thereunder, specified in any effective tariff of a mover except after 30 days' notice of the proposed change filed and posted in accordance with paragraph (a) of this section. Such notice shall plainly state the change proposed to be made and the time when such change will take effect. The board may, in its discretion and for good cause shown, in particular instances, allow such change upon notice less than that herein specified or modify the requirements of this section with respect to posting and filing the tariffs either in particular instances or by general order applicable to special or peculiar circumstances or conditions.

C. 48:22-16 Orders, notices, and service of process.

16. Orders, notices, and service of process.

Such designation may, from time to time be changed by like writing, similarly filed. Service of orders, notices or processes in proceedings under this act may be made upon a mover by personal service upon it, or upon the person so designated by it, or by registered mail addressed to it, or to such person at the address filed. In default of such designation, service of any order, notice or process may be made by posting in the office of the secretary of the board in the city of Trenton. Whenever notice is given by mail as provided herein, the date of mailing shall be considered as the time when service is made.
(b) This section shall not be construed as limiting any other lawful manner of service of process upon movers.
(c) Except as otherwise provided in this act, all orders of the board shall take effect on such date or within a reasonable time as the board may prescribe and shall continue in force until its further order, or for a specified period of time, according as shall be prescribed in the order, unless the same shall be suspended or modified or set aside by the board, or be suspended or set aside by a court of competent jurisdiction.

This action shall apply insofar as it concerns a movers’ service subject to this act furnished by any mover or movers, singly or jointly, or by any mover in combination with any for-hire carrier.

(f) The appointment of a booking agent by a mover shall not permit such agent to transport shipments in vehicles owned or controlled by the booking agent. C. 52:13E-8 Dissemination of certain information; limitations; penalty.

8. (b) No agricultural liming material shall be sold or offered for sale in this State which contains toxic materials in quantities injurious to plants.

C. 4:9-21.5 Requirements for expressing guaranteed analysis.

5. At any time after July 1, 1970 when the State board finds after public hearing following due notice that the requirements for expressing the guaranteed analysis of calcium and magnesium in elemental form in addition to calcium oxide and magnesium oxide
would not impose an economic hardship on distributors and users of liming materials by reason of conflicting labeling requirements among the States, the State board may require by regulation thereafter that the "guaranteed analysis" shall contain the following:

(a) The minimum percentage of the total oxides of calcium and magnesium.

(b) The minimum percentage of calcium oxide (CaO).

(c) The minimum percentage of magnesium oxide (MgO).

(d) In the case of hydrated and burnt forms, the maximum percentage present as carbonates.

C. 4:9-21.7 Registration fee and period; registration by manufacturer.

7. Each application filed pursuant to section 6 shall be accompanied by an annual registration fee of $25.00 per brand. Upon compliance with the provisions of the act, the registration shall be approved for the period ending on December 31 of the year in which it was issued. No person shall be required to register any agricultural liming material for which a certificate of registration has been filed by the manufacturer or other person responsible for the material.

C. 4:9-21.8 Registrant's semiannual statement; inspection fee.

8. Within the 30-day period following June 30 and December 31 of each year, each registrant shall submit on a form furnished by the State board or its authorized agent a semiannual statement setting forth the number of net tons of each agricultural liming material sold by him for use in the State during the previous 6-month period. Such statement shall be accompanied by payment of the inspection fee at the rate of $0.02 per ton. However, no semiannual payment shall exceed $250.00. Such reports shall be confidential and no information therein shall be disclosed in any manner that will reveal the operation of any registrant.
C. 4:9-21.9  Authority to take and analyze samples; removal from sale.

9. The State board is hereby empowered and it shall be the duty of its agent to sample agricultural liming materials, to analyze them and to report promptly to the registrant the results of its analysis. Results shall become official and public after 10 days. The State board or its authorized agent shall for the purpose of taking samples have full access during business hours to all places wherein agricultural liming materials are offered for sale. Upon written notice, the State board or its agent may remove from sale any lot of agricultural liming material until it has been determined that the material is in full compliance with this act.

C. 4:9-21.10  Violations; hearings; penalties; written warnings.

10. Any person convicted of violating any provision of this act or the rules and regulations promulgated thereunder shall be subject to a penalty of not less than $50.00 nor more than $200.00 to be enforced by summary proceedings under the Penalty Enforcement Law (N. J. S. 2A:58–1 et seq.). Upon receiving any information of a violation of any part of this act other than a violation involving a weighed or measured deficiency or the rules and regulations issued thereunder, the secretary, or any assistant designated by him for such purpose, is empowered to hold hearings, formal or informal, upon said violation and upon finding the violation to have been committed, to assess a penalty against the person alleged to have committed such violation, in an amount not to exceed the maximum limit set forth in this section as the secretary deems proper under the circumstances. In the event the violator makes satisfactory settlement, no further prosecution shall be had upon that violation. Payment of a penalty, in the form of a settlement, shall be deemed equivalent to a conviction for a violation of this act. Violations not settled in this manner, may be referred to the court of competent jurisdiction. Nothing in this act shall be construed as requiring the State board or its authorized agent to report for prosecution or for the institution of seizure proceedings as a result of minor violations of the act when it believes that the public interest will best be served by a suitable written warning.

11. The State Board of Agriculture after reasonable notice and hearing is empowered to promulgate and enforce rules and regulations for the administration of this act and to grant exemptions from specific requirements of this act as, from time to time, may be deemed necessary.
Repealer.

12. Sections 4:9-16 through 4:9-21 of the Revised Statutes are repealed.

13. This act shall take effect January 1, 1969. However, registrants shall be allowed not more than 1 year to use existing inventories of labeling materials.

Approved January 2, 1969.

CHAPTER 393

AN ACT concerning transportation, providing for relocation assistance, authorizing payments to persons displaced by transportation projects, protecting proposed lines of new highways, repealing P. L. 1962, chapter 221, and supplementing Title 27 of the Revised Statutes.

WHEREAS, The Federal-Aid Highway Act of 1968 establishes a new program of highway relocation assistance; and

WHEREAS, The purpose of this program is to insure that a few individuals do not suffer disproportionate injuries as a result of a displacement caused by Federal highway programs; and

WHEREAS, Continuing qualification for Federal assistance is contingent upon State highway participation in the highway relocation assistance program and the making of certain payments thereunder; and

WHEREAS, It is in the public interest that persons displaced for any transportation purpose, whether Federally financed or not, be fairly compensated for the property acquired and inconvenience suffered; and

WHEREAS, There is not now adequate legislative authority to carry out a State program as herein contemplated or as required by the Federal-Aid Highway Act of 1968; and

WHEREAS, It is also desirable to protect the proposed alignment of new highways to minimize the necessity for and the cost of relocation; now, therefore,
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 27:7-58 Relocation assistance authorized.

1. The Commissioner of Transportation is authorized and empowered within the limits of available funds and appropriations therefor, to establish and provide the means of implementing a program providing fair and reasonable relocation and other payments for persons displaced from their property as a result of a transportation project undertaken by the Department of Transportation and to carry out relocation assistance programs for persons so displaced.

C. 27:7-59 Use of services of other governmental agencies.

2. In order to prevent unnecessary expenses and duplication of functions, the department may make relocation payments or provide relocation assistance or otherwise carry out the functions required under this law by utilizing the facilities, personnel, and services of any other Federal, State, or local governmental agency having an established organization for conducting relocation assistance programs.

C. 27:7-60 Payments and allowances to displaced persons.

3. (a) Upon application approved by the department, a person displaced by a transportation project may elect to receive actual reasonable expenses in moving himself, his family, his business, or his farm operation, including personal property.

(b) Any displaced person who moves from a dwelling who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (a) of this section may receive—

(1) A moving expense allowance determined according to a schedule established by the commissioner, not to exceed $200.00; and

(2) A dislocation allowance of $100.00.

(c) Any displaced person who moves or discontinues his business or farm operation who elects to accept the payment authorized by this section in lieu of the payment authorized by subsection (a) of this section, may receive a fixed relocation payment in an amount equal to the average annual net earnings of the business or farm operation, or $5,000.00, whichever is the lesser. In the case of a business, no payment shall be made under this subsection unless the department is satisfied that the business (1) cannot be relocated without a substantial loss of its existing patronage, and (2) is not part of a commercial enterprise having at least one other establish-
ment, not being acquired by the State or by the United States, which is engaged in the same or similar business. For purposes of this subsection, the term "average annual net earnings" means \( \frac{1}{2} \) of any net earnings of the business or farm operation, before Federal, State, and local income taxes, during the 2 taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property acquired for such project, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such 2-year period.

C. 27:7-61 Additional payments to occupants of real property acquired for project; limitations.

4. (a) (1) In addition to amounts otherwise authorized by this act, the department shall make a payment to the owner of real property acquired for a project which is improved by a single-, 2-, or 3-family dwelling actually owned and occupied by the owner for not less than 1 year immediately prior to the initiation of negotiations for the acquisition of such property. Such payment, not to exceed $5,000.00, shall be the amount, if any, which, when added to the acquisition payment, equals the average price established by the commissioner on a class, group or individual basis, to obtain a comparable replacement dwelling that is decent, safe, sanitary and adequate to accommodate the displaced owner, reasonably accessible to public services and places of employment and available on the private market. Such payment shall be made only to a displaced owner who purchases and occupies a dwelling within 1 year subsequent to the date on which he is required to move from the dwelling acquired for the project.

(2) The additional payments authorized in this subsection are intended to assure, to the greatest extent possible, that any owner displaced from a substandard dwelling by a project shall be re-located in a decent, safe and sanitary dwelling adequate to accommodate the displaced owner and reasonably accessible to public services and places of employment. Additional payments are also intended in the case of any other displaced owner where the average price of a comparable replacement dwelling as established by the commissioner exceeds the fair market value of the property being acquired by the department.

(b) In addition to amounts otherwise authorized by this act, the department shall make a payment to any individual or family displaced from any dwelling not eligible to receive a payment under subsection (a) of this section which dwelling was actually and
lawfully occupied by such individual or family for not less than 90 days immediately prior to the initiation of negotiations for acquisition of such property. Such payment, not to exceed $1,500.00, shall be the amount which is necessary to enable such person to lease or rent for a period not to exceed 2 years, or to make the down payment on the purchase of, a decent, safe, and sanitary dwelling adequate to accommodate such individual or family in areas not generally less desirable in regard to public utilities and public and commercial facilities.

C. 27:7-62 Reimbursement of owner of acquired property for certain fees, taxes and penalty costs.

5. In addition to amounts otherwise authorized by this act, the department shall reimburse the owner of real property acquired for a project for reasonable and necessary expenses incurred for (1) recording fees, transfer taxes, and similar expenses incidental to conveying such property; (2) penalty costs for prepayment of any mortgage entered into in good faith encumbering such real property if such mortgage is on record or has been filed for record as provided by law on the date of approval by the department of the location of such project; and (3) the pro rata portion of real property taxes payable during the calendar year in which the property was acquired which are allocable to the period of the year subsequent to the date of vesting of title in the department, or the effective date of the possession of such real property by the department, whichever is earlier.

C. 27:7-63 Effect of authorized payments on compensation established in condemnation proceedings; basis for certain payments; adjustment of amount.

6. (a) The payments authorized in this act shall not be construed as creating in any condemnation proceeding brought under the power of eminent domain any element of damages not in existence on the effective date of this act and such payments are to be in addition to the just compensation established in the condemnation proceedings but only to the extent they are not otherwise included within the condemnation award.

(b) The payments authorized in section 4 (a) (1) hereof shall be based upon the difference between the average price of a comparable replacement dwelling as established by the commissioner and the fair market value of the dwelling acquired as determined by agreement between the department and the displaced person or as established in a condemnation proceeding. In any condemnation proceeding, where the department has previous to the award made
available to the displaced person a portion of the fair market value
of the acquired property and the payment authorized in section
4 (a) (1) hereof, the department shall adjust the amount of
the payment required under section 4 (a) (1) to reflect any change
in the fair market value as has been established in the condemnation
proceeding. In any case where the department has made an advance
payment and the amount payable under section 4 (a) (1) is reduced
by virtue of a higher fair market value, the department may apply
the amount by which the payment has been reduced as a credit
against any additional sums payable to the displaced person under
the terms of the condemnation award.

C. 27:7-64 Maximum amount payable; exception.

7. Notwithstanding any other provision of this act, the maxi­
imum amount payable hereunder to any displaced person shall be
$25,000.00 except in any case where an additional sum is required in
order to qualify the State to receive Federal financial assistance
in which case the full amount required by Federal law shall be paid.

C. 27:7-65 Relocation advisory assistance program.

8. The department shall provide a relocation advisory assist­
ance program which shall include such measures, facilities, or
services as may be necessary or appropriate in order—
(1) To determine the needs, if any, of displaced families, in­
dividuals, business concerns, and farm operators for relocation
assistance;
(2) To assure that, within a reasonable period of time, prior
to displacement there will be available, to the extent that can
reasonably be accomplished, in areas not generally less desirable
in regard to public utilities and public and commercial facilities,
and at rents or prices within the financial means of the families
and individuals displaced, housing meeting the standards estab­
lished by the commissioner for decent, safe, and sanitary dwellings,
equal in number to the number of, and available to, such displaced
families and individuals, and reasonably accessible to public
services and places of employment; and
(3) To assist owners of displaced businesses and displaced farm
operators in obtaining and becoming established in suitable loca­
tions.

C. 27:7-66 Filing copy of plan of proposed highway; commisioner's certification;
amendment of plan.

9. Whenever the location of a proposed line of any new State
highway shall have been approved by the commissioner, the com-
missioner may file a certified copy of a map, plan or report indicating such proposed line, the width whereof shall not exceed what is reasonably required in accordance with recognized standards of highway engineering practice, with the county clerk of each county within which the proposed line of said new highway is to be located and with the municipal clerk, planning board and building inspector of each municipality within which said line is located. The commissioner shall accompany such filing with his certification that residents of the municipality in which such filing is made have been afforded adequate opportunity to express any objections that they may have to the proposed location of such highway at a public hearing held at a convenient location for the purpose.

Any map, plan or report filed pursuant to this section may be amended from time to time by filing certified copies of a map, plan or report indicating any changes to be made in the location of proposed lines with the officials and in the manner set forth herein.

C. 27:7-67 Conditions for municipal issuance of building permit or approval of subdivision plat after filing of plan of proposed highway.

10. (a) Whenever a map, plan or report indicating a proposed line of a new State highway, or any amendment thereto, has been filed by the department pursuant to this act, any municipal approving authority, before issuing a building permit or approving a subdivision plat with respect to any lot, tract, or parcel of land which abuts or is located wholly or partially within the proposed line of a new highway shall refer the site plan, application for building permit or subdivision plat to the commissioner for review and recommendation as to the effect of the proposed development or improvement upon the safety, efficiency, utility or natural beauty of the proposed new highway.

A municipal approving authority shall not issue any building permit or approve any subdivision plat without the recommendation of the commissioner until 45 days after such reference shall have elapsed without such recommendation. Within said 45-day period, the commissioner may:

(1) Give notice to the municipal approving authority and to the owner of such lot, tract or parcel of land of probable intention to acquire the whole or any part thereof, and thereupon no further action shall be taken by such approving authority for a further period of 120 days following the receipt of said notice; if within such further 120-day period, the department has not acquired, agreed to acquire, or commenced an action to condemn said prop-
erty, the municipal approving authority shall be free to act upon the pending application in such manner as may be provided by law.

(2) Give notice to the municipal approving authority and to the owner of such lot, tract or parcel of land of his recommendation that the permit or approval for which application has been made be granted subject to certain modifications specified in said notice. Within 20 days of receiving such notice the municipal approving authority may, with the consent of the applicant, grant such permit or approval in such manner as to incorporate the commissioner’s recommended modifications. If no such modified permit or approval is granted within said 20 days, then for a further period of 20 days, commencing either from the expiration of the aforesaid 20-day period or from any earlier date upon which either the municipal approving authority or the applicant shall have notified the commissioner that his recommended modifications will not be accepted, no further action shall be taken upon such application, unless the commissioner shall earlier notify the municipal approving authority and the applicant that he does not intend to initiate any steps toward the acquisition of such lot, tract or parcel of land or any part thereof. But if before the expiration of said second 20-day period the commissioner gives notice to the municipal approving authority and to the owner of such lot, tract or parcel of land of probable intention to acquire the whole or any part thereof, no further action on such application shall be taken by such approving authority for a further period of 120 days following receipt of said notice. If within such further 120-day period the department has not acquired, agreed to acquire or commenced an action to condemn said property, the municipal approving authority shall be free to act upon the pending application in such manner as may be provided by law.

(3) Give notice to the municipal approving authority and to the owner of such lot, tract or parcel of land that he finds no objection to the granting of such permit or approval in the form in which it has been applied for. Upon receipt of such notice the municipal approving authority shall be free to act upon the pending application in such manner as may be provided by law.

(b) Nothing in this act shall be construed to prohibit or limit the authority of any municipal board, body or agency from incorporating a proposed line of any new State highway in the master plan or official map of said municipality and from taking any action with respect thereto as may be authorized by law.
(c) No application for a building permit or subdivision approval shall be subject to the provisions of this subparagraph with respect to any proposed highway location or amendment thereto filed by the commissioner subsequent to the date on which such application was submitted to the municipal approving authority.

C. 27:7-68  Authority to enter into certain agreements with governmental agencies.

11. The commissioner may enter into agreements with any county or municipality or any authority or agency thereof, or with any authority, board, commission or other agency or instrumentality created by any 2 or more units of local government or by the State Government or by any interstate compact or agreement to which this State is a party, for the installation, construction, maintenance, repair, renewal and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles, and other equipment and appliances or utility facilities owned by such public bodies which are in, on, along, over or under any road over which the department has jurisdiction, where such agreement is required to carry out a transportation project of the department. The department may assume the entire cost incurred under the terms of such agreements.

C. 27:7-69  Rules and regulations.

12. (a) To carry into effect the provisions of this act, the commissioner is authorized to make such rules and regulations as he may determine to be necessary to assure—

(1) That the payments authorized by this act shall be fair and reasonable and as uniform as practicable;

(2) That a displaced person who makes proper application for a payment authorized for such person by this act shall be paid promptly after a move or, in hardship cases, be paid in advance; and

(3) That any person aggrieved by a determination as to eligibility for a payment authorized by this act, or the amount of a payment, may have his application reviewed by the commissioner or his designated representative.

(b) The commissioner may make such other rules and regulations consistent with the provisions of this act as he deems necessary or appropriate to carry out this act.

(c) The commissioner to achieve a uniform administration of related Federal and State laws, may adopt all or any part of applicable Federal rules and regulations.

(d) Insofar as is consistent with other provisions of this act, the commissioner shall adopt the same standards, rules and regulations
with regard to relocation assistance and relocation payments for all transportation projects whether or not such transportation projects are subject to standards, rules and regulations of relocation assistance and relocation payments required by the Federal Government as a condition of receiving Federal aid funds.

C. 27:7-70 Authority to qualify department for Federal aid.

13. The commissioner is further authorized, within the limits of funds and appropriations therefor, to take such additional action as may be required to fully qualify the department for any financial Federal aid assistance available for carrying out the purposes of this act.

C. 27:7-71 Definitions.

14. As used in this act, unless the context otherwise requires, the term:

(a) "Commissioner" means the Commissioner of Transportation or his designated representative.

An Act to require licensing of certain individuals who carry on the practice of marriage counseling in New Jersey for a fee monetary or otherwise; to create in the Division of Professional Boards in the Department of Law and Public Safety, a board to be known as the State Board of Marriage Counselor Examiners; to prescribe the duties and powers of said board; to fix penalties for the violation of this act; and to make an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 45:8B-1 Regulation and control of marriage counseling; construction of act.

1. The practice of marriage counseling in the State of New Jersey is hereby declared to affect the public safety and welfare, and to be subject to regulation and control in the public interest in order to protect the public from the unprofessional, improper, unauthorized and unqualified practice of marriage counseling, and from unprofessional conduct by persons licensed to practice marriage counseling. This act shall be liberally construed to carry out these objects and purposes.

C. 45:8B-2 Definitions.

2. As used in this act, unless the context clearly requires otherwise and except as in this act expressly otherwise provided:

(a) "Licensed marriage counselor" means an individual to whom a license has been issued pursuant to the provisions of this act, which license is in force and not suspended or revoked as of the particular time in question.

(b) The "practice of marriage counseling" means the rendering of professional marriage counseling services to individuals and marital pairs, singly or in groups, whether in the general public or in organizations, either public or private, for a fee, monetary or otherwise. "Marriage counseling" is a specialized field of counseling which centers largely upon the relationship between husband and wife. It also includes premarital counseling, pre- and post-divorce counseling, and family counseling which emphasizes the spousal relationship as a key to successful family living. The practice of marriage counseling consists of the application of principles, methods and techniques of counseling and psychotherapy for
the purpose of resolving psychological conflict, modifying perception and behavior, altering old attitudes and establishing new ones in the area of marriage and family life. In its concern with the antecedents of marriage, with the vicissitudes of marriage, and with the consequences of the failure of marriage, marriage counseling keeps in sight its objective of enabling marital partners and their children to achieve the optimal adjustment consistent with their welfare as individuals, as members of a family, and as citizens in society.

(c) “Board” means the State Board of Marriage Counselor Examiners acting as such under the provisions of this act.

(d) “Recognized educational institution” means any educational institution which grants the bachelor’s, master’s and doctor’s degrees, or any one or more thereof, and which is recognized by the New Jersey State Board of Education or by any accrediting body acceptable to the State Board of Marriage Counselor Examiners.

C. 45:8B-3 Denial of recognition as recognized educational institution.

3. No educational institution shall be denied recognition as a recognized educational institution solely because its program is not accredited by any professional organization of marriage counselors and nothing in this act or in the administration of this act shall require the registration with the board of educational institutions of departments of sociology, psychology, social work, marriage and family life or any other specialty or doctoral programs in any of these professional fields.

C. 45:8B-4 Practice of medicine and surgery.

4. Nothing in this act shall authorize the practice of medicine and surgery by any person not licensed so to do pursuant to chapter 9 of Title 45 of the Revised Statutes.

C. 45:8B-5 Marriage counseling license requirement.

5. Commencing January 1, 1969, no person who is not licensed under this act shall advertise the performance of marriage counseling services or represent himself to be a licensed practicing marriage counselor, use a title or description, including the following titles: marriage counselor, advisor or consultant; a family counselor, advisor or consultant; a family guidance counselor, advisor or consultant; a marriage guidance counselor, advisor or consultant; a family relations counselor, advisor or consultant; a marriage relations counselor, advisor or consultant; a marriage therapist, advisor or consultant; or any other name, style or
description denoting that the person so engages in marriage counseling. Except as otherwise specifically provided in this act, only a person licensed under this act shall advertise himself, purport or describe himself as offering marriage or family counseling services or advice; marriage or family guidance service or advice; marriage or family relations services, therapy or advice; marriage or family problems service or advice; marriage or family relations advice or assistance; services in the alleviation of any marital or family problem; or services of like import or effect, or offer to practice or practice marriage counseling as defined in this act, except as otherwise permitted in sections 6 and 8. The use by a person who is not licensed under this act of such terms, whether in titles or descriptions or otherwise, is not prohibited by this act except when in connection with the offer to practice or the practice of marriage counseling as defined in section 2 (b) of this act. Use of such terms in connection with professional activities other than the rendering of professional marriage counseling services to individuals for a fee, monetary or otherwise, shall not be construed as implying that a person is licensed under this act or as an offer to practice or as the practice of marriage counseling.

C. 45:8B-6 Counseling activities of individual not licensed as practicing marriage counselor.

6. Any individual who is not a licensed practicing marriage counselor shall not be limited in his activities:

(1) an accredited academic institution, a Federal, State, county or local governmental institution or agency, or a research facility while performing those duties for which he was employed by such an institution, agency or facility;

(2) an organization which is nonprofit and which is, in the opinion of the board, a bona fide community agency, while performing those duties for which he was employed by such an agency;

(3) a proprietary organization while performing those duties for which he was employed by such organization, provided his marriage counseling duties are under the direct supervision of a licensed practicing marriage counselor.

(b) As a student of counseling, marriage counseling interne or person preparing for the practice of marriage counseling under qualified supervision in a training institution or facility recognized by the board provided he is designated by such titles as “marriage
counseling interne,” “family counseling interne” or others, clearly indicating such training status.

(d) As a practicing marriage counselor for a period not exceeding 1 year, if he has a temporary permit therefor which the board may issue upon his filing of an application for licensing under this act.

(e) As a practicing marriage counselor for a period not exceeding 3 years under the supervision of a licensed practicing marriage counselor, or a person designated by the board as an eligible supervisor, if he has a temporary permit therefor which the board may issue upon his completion of all the requirements for licensing under this act except the supervised experience requirement.

C. 45:8B-7 Exceptions not available to certain persons.

7. The exceptions specified in section 6 (c), (d) and (e) shall not be available to any person who has been found by a court of this or any State of the United States to have been guilty of and who fails to present satisfactory evidence of recovery from or correction of gross immorality, habitual intoxication, drug addiction, criminality involving felonious action or moral turpitude, or dishonorable or unprofessional conduct. An action to determine whether any person asserting an exception under sections (c), (d) or (e) has committed one or more of the acts listed in this section may be brought by the Attorney General on behalf of the board.

C. 45:8B-8 Counseling activities of members of other professional groups.

8. Nothing in this act shall be construed to prevent qualified members of other professional groups such as social workers, psychologists, physicians, attorneys-at-law, members of the clergy
or guidance counselors from doing work of a marriage and family counseling nature consistent with the accepted standards of their respective professions.

C. 45:8B-9 Board of Marriage Counselor Examiners; creation, membership.

12. The Governor shall have power to remove from office any member of the board for incompetence, neglect of duty, unprofessional conduct or moral turpitude; but no board member may be thus removed until after a public hearing of the charges against him, and at least 30 days' prior written notice to such accused member of the charges against him and of the date fixed for such hearing.

The board shall examine and pass on the qualifications of all applicants for permits or licenses under the act, and shall issue a permit or license to each qualified successful applicant therefor, attesting to his professional qualifications to engage in the practice of marriage counseling.
Each member of the board shall be reimbursed for actual expenses reasonably incurred in the performance of his duties as a member of or on behalf of the board. Subject to the approval of the Attorney General, the board shall be empowered to hire such assistance as it may deem necessary to carry on its activities. The board, through its chairman or secretary, may issue subpoenas to compel the attendance of witnesses to testify before the board and produce relevant books, records and papers before the board and may administer oaths in taking testimony, in any matter pertaining to its duties under the act (including, without limitation, any hearing authorized or required to be held by the board under any provisions of this act), which subpoenas shall issue under the seal of the board and shall be served in the same manner as subpoenas issued out of the Superior Court. CHAPTER 404

An Act to provide for the reclamation, planning, development and redevelopment of the Hackensack meadowlands; creating the Hackensack Meadowlands Development Commission and the Hackensack Meadowlands Municipal Committee; amending and supplementing the "Department of Conservation and Economic Development Act of 1948," approved October 25, 1948 (P. L. 1948, c. 448); and making appropriations to carry out the purposes of this act.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

A. Hackensack Meadowland Reclamation and Development Act

ARTICLE I. PURPOSE, SHORT TITLE, DEFINITIONS

C. 13:17-1 Declaration of purpose.

1. It is hereby declared that there are approximately 21,000 acres of salt water swamps, meadows and marshes which are commonly known as meadowlands, in the lower Hackensack river basin; that extensive portions of this area have so far resisted comprehensive development because of their low elevation, exposure to tidal waters, unfavorable soil composition, and, in some instances, their distribution among many municipalities; that this land acreage is a land resource of incalculable opportunity for new jobs, homes and recreational sites, which may be lost to the State through piecemeal reclamation and unplanned development; that much of this acreage may be subject to redevelopment under section 3, Article VIII, of the State Constitution; that the orderly, comprehensive development of these areas, due to their strategic location in the heart of a vast metropolitan area with urgent needs for more space for industrial, commercial, residential, and public recreational and other uses, can no longer be deferred; that insofar as meadowlands are State-owned lands they are an asset of the fund for the support of free public schools whose integrity may not be impaired; that while the State, in the name of the people, has an obligation to assert its interests in meadowlands that are clearly State-owned, it has an equal obligation to establish a framework within which private owners may assert their interests.
and take title to meadowlands that are privately-owned; that these areas need special protection from air and water pollution and special arrangements for the provision of facilities for the disposal of solid waste; that the necessity to consider the ecological factors constituting the environment of the meadowlands and the need to preserve the delicate balance of nature must be recognized to avoid any artificially imposed development that would adversely affect not only this area but the entire State; that it is the purpose of this act to meet the aforementioned needs and accomplish the aforementioned objectives by providing for a commission transcending municipal boundaries and a committee representing municipal interests which will act in concert to reclaim, plan, develop and redevelop the Hackensack meadowlands; and to safeguard fully the interests of the fund for the support of free public schools, all to the extent and manner provided herein.

2. Sections 1 through 84, inclusive, of this act shall be known and may be cited as the "Hackensack Meadowlands Reclamation and Development Act."

7. (a) There is hereby established a Hackensack Meadowlands Municipal Committee, the membership of which shall consist of the mayor or elected chief executive, or his designated alternate, of each constituent municipality.

(b) A majority of the membership of the committee shall constitute a quorum for the transaction of committee business. Action may be taken and motions and resolutions adopted by the committee at any meeting thereof by the affirmative vote of a majority of the full membership of the committee unless in any case the by-laws of the committee or any of the provisions of this act shall require a larger number. The committee shall elect from its membership a liaison-committee consisting of 4 members, 2 of whom shall be residents of Bergen county and 2 of whom shall be residents of Hudson county. It shall be the purpose of the liaison-committee to act as liaison between the commission and the committee.

(c) The committee shall meet regularly as it may determine, and may also meet at the call of the chairman of the commission.
(d) The committee shall appoint a chairman from among its members and such other officers as may be necessary. The committee may, within the limits of any funds appropriated or otherwise made available to it for this purpose, also appoint, retain and employ, without regard to the provisions of Title 11, Civil Service, of the Revised Statutes, such officers, agents, employees and experts as it may require, and it shall determine their qualifications, terms of office, duties, services and compensation.

(e) Members of the committee shall serve without compensation, and each member shall serve only so long as he is the mayor or elected chief executive of the municipality he represents. The committee may reimburse its members for necessary expenses incurred in the discharge of their duties.

C. 13:17-8 Powers of the committee.

8. (a) The commission shall submit to the committee for review, prior to final action thereon, codes and standards formulated by the commission, the district master plan and amendments thereto, development and redevelopment plans, and improvement plans. The commission may also submit to the committee any other matter which the commission deems advisable.

(b) The committee shall review matters submitted to it by the commission pursuant to this section and shall indicate its position in writing to the commission. Failure of the committee to state its position within 45 days of the receipt of any matter so referred to the committee shall be deemed to constitute approval of the proposed action of the commission. Except that, the committee shall have 120 days after receipt of the master plan to state its position, in writing, to the commission.

(c) The commission shall not take any final action on any matter required to be submitted to the committee pursuant to this section, which matter has been formally rejected by the committee, except by a vote of % of the full membership of the commission.

(d) The committee may make recommendations to the commission on any matter it deems advisable whether or not such matter was submitted to said committee by said commission.

ARTICLE 5. HACKENSACK MEADOWLANDS DEVELOPMENT

C. 13:17-9 Preparation and adoption of master plan by commission.

9. (a) The commission shall prepare, or cause to be prepared, and, after public hearing and pursuant to the procedures herein-
after provided, shall adopt a master plan or portion thereof for
the physical development of all lands lying within the district,
which plan may include proposals for various stages in the future
development of the district. The commission may from time to
time, pursuant to the procedures hereinafter provided, and after
public hearing, amend said master plan. The master plan shall
include a report presenting the objectives, assumptions, standards
and principles which are embodied in the various interlocking
portions of the master plan. The master plan shall be a com­
posite of the one or more written proposals recommending the
physical development of the lands within its jurisdiction either
in its entirety or a portion thereof which the commission shall
prepare after meetings with the governing bodies of the con­
stituent municipalities and affected counties, and any agencies and
instrumentalities thereof.

(b) In preparing the master plan or any portion thereof or
amendment thereto the commission shall give due consideration
to the necessity to provide in the district sanitary landfills and
other facilities for the disposal of solid waste which may be utilized
by municipalities within the district and municipalities throughout
the State. In preparing the master plan or any portion thereof
or amendment thereto the commission shall give due consideration
to the existing patterns of the development in the constituent
municipalities and to any master plan or other plan of development
adopted by any constituent municipality prior to the effective date
of this act or prior to the preparation of the master plan by the
commission.

(c) In preparing the master plan or any portion thereof or
amendment thereto, the commission shall consult with any Federal
or State agency having an interest in the district. At least 60 days
prior to taking any action relating to the district such Federal and
State agency shall file with the commission their proposed plans
for the commission's review and recommendation.

C. 13:17-10 Commission's responsibility for providing solid waste treatment and
disposal facilities.

9.1 (a) Within 6 months of the effective date of this act the
commission shall undertake and complete a survey of the district
to determine the total amount of solid waste treated and disposed
on a daily basis in the district as of the effective date of this act
by persons in this State.

(b) The commission is hereby authorized, empowered and di­
rected to guarantee that solid waste disposal facilities sufficient to
treat and dispose of the total amount of solid waste determined by its survey shall be available or be provided by the commission.

(c) In providing the solid waste disposal facilities which it is hereby authorized, empowered and directed to provide, the commission shall, prior to preparing any plans or specifications for such facilities, consult with those persons utilizing the district for the treatment and disposal of solid waste and, pursuant to the provisions of section 78 of this act, contract with such persons or any of such persons, who desire to utilize any solid waste disposal facilities provided by the commission, and in the provision of such facilities the commission may:

(1) Acquire or construct any such facilities as an improvement, and may recover the cost of such acquisition or construction in the same manner and pursuant to the same procedure provided for any other improvement undertaken by the commission pursuant to this act;

(2) Operate and maintain any such facilities and generally fix and collect rates, fees or other charges for any such facilities in the same manner and pursuant to the same procedure provided for any other facilities operated and maintained by the commission; or lease as lesor or lessee any such facilities, or provide by agreement or contract with any person for the operation of any such facilities; provided, however, that prior to the acquisition, construction, operation, lease as lesor or lessee, contract or agreement by the commission for any such solid waste disposal facilities in the district, the commission shall submit to the Commissioner of the State Department of Health for approval a plan or plans describing in detail the purpose of such acquisition, construction, operation, lease as lesor or lessee, contract or agreement. In reviewing the plans submitted in compliance with this section and in determining conditions under which such plans may be approved the commissioner shall give due consideration to community development of comprehensive regional solid waste disposal facilities, in order to be assured insofar as is practicable that all proposed solid waste disposal facilities shall conform to reasonably contemplated development of comprehensive community or regional solid waste disposal facilities. No solid waste disposal facility shall be acquired, constructed, operated, leased, contracted or agreed for in the district without approval of the Commissioner of the State Department of Health.
(3) Join and participate in any agency, instrumentality or authority created by the State, or by any political subdivision or subdivisions thereof, for the purpose of treating or disposing of solid waste in which it may be authorized by law to join and participate, under any terms or conditions, subject to any duties and entitled to any rights and powers provided by such law.

(4) Permit, by contract or agreement, any agency, instrumentality or authority created by the State, or by any political subdivision or subdivisions thereof, for the purpose of treating or disposing of solid waste to acquire, construct, or operate and maintain any solid waste disposal facilities which such agency, instrumentality or authority is authorized by law to acquire, construct, or operate and maintain. Any such facilities acquired, constructed, or operated and maintained by any such agency, instrumentality or authority may be located either within the district or without the district but within the jurisdiction of such agency, instrumentality or authority; provided, however, that if any such facility is located within the district it shall be subject to the same procedure for approval by the Commissioner of the State Department of Health as any other such facility in the district.

(d) Nothing herein contained shall be interpreted as requiring any person to utilize any solid waste disposal facility provided by the commission; provided, however, that upon the completion of the survey undertaken by the commission pursuant to this section no solid waste may be treated or disposed in the district by any person without the express written consent of the commission.

(e) The commission, in its discretion, may provide solid waste disposal facilities sufficient to treat and dispose of more than the total amount of solid waste determined by its survey, and may make such facilities available to persons other than those treating and disposing of solid waste in the district as of the effective date of this act.

(f) In order to acquire or construct any solid waste disposal facility the commission is authorized to issue bonds and notes and to pay or redeem said bonds and notes from revenue derived from the fees and other charges collected for such facilities. Any cost incurred by the commission in providing any solid waste disposal facilities shall be charged by the commission to the persons utilizing such facilities, and nothing herein contained shall be interpreted
as requiring the commission to bear the cost of any solid waste disposal facility provided by the commission pursuant to this act.

10. (a) The master plan shall include provisions or criteria for the location and use of buildings, structures, facilities, and land for solid waste disposal, and may include provisions for: (1) the use of land and buildings, residential, commercial, industrial, mining, agricultural, park and other like purposes; (2) service-water supply, utilities, sewerage, and other like matters; (3) transportation, streets, parking, public transit lines and stations both above and below ground level, freight facilities, airports, harbors, channels, docks and wharves, and other like matters; (4) housing, residential standards, clearance, redevelopment, rehabilitation, conservation, and other like matters; (5) water, forest, soil conservation, flood control, and other like matters; (6) public and semipublic facilities including but not limited to civic centers, schools, libraries, parks, playgrounds, fire houses, police buildings, hospitals, and other like matters; (7) the distribution and density of population; (8) planned unit development; (9) community appearance; (10) financing and programming capital improvements; (11) and other related elements of growth and development, including the social implications of any proposed development, and advances in technology related to any subject included in the plan.

(b) The plan may also include codes and standards covering land use, comprehensive zoning, subdivisions, building construction and design, housing, and the control of air and water pollution and solid waste disposal which has been approved by the State Department of Health, and other subjects necessary to carry out the plan or to undertake a workable program of community improvement. No codes or standards concerning building construction and design shall be promulgated without the certificate of the chief engineer or equivalent official of the commission that the proposed codes and standards meet the engineering standards adopted by the commission. No municipality shall enact or enforce any code which is inconsistent with the code contained in the master plan insofar as such code applies to property within the district; provided, however, that the governing body or other appropriate body of each constituent municipality may enact zoning ordinances and any other codes or standards, which it is authorized by the laws of this State to enact, for lands within the boundaries of said municipality which are subject to the jurisdiction of the commission and which will effectuate the purposes of the commission’s master plan.

11. (a) No building or structure may be constructed or altered within the area shown on the master plan unless the commission shall first issue a permit approving the plans and specifications for the proposed construction or alteration as being in conformity with the master plan. No permit may be issued without a certificate from the chief engineer or equivalent official of the commission that the proposed construction or alteration meets the engineering standards adopted by the commission.

(b) Whenever the commission shall have adopted a master plan or any portion thereof, the governing body of any constituent municipality or affected county, or any agency or instrumentality thereof, before taking action necessitating the expenditure of any public funds incidental to the location, character, or extent of one or more projects of said municipality or affected county, or any agency or instrumentality thereof, shall refer action involving such specific project to the commission for review and approval, and shall not act thereon unless the commission has indicated its approval by a majority vote of said commission within 45 days of reference to the commission or by the failure of the commission to disapprove by a majority vote of said commission within said 45 days.

C. 13:17-13 Subdivision and land development review by commission.

12. The commission shall review and regulate subdivisions and land development within the district, in accordance with procedures and engineering and planning standards adopted by resolution, which shall require that:

(a) All subdivisions, site plans, buildings and other development be in accordance with the master plan and any applicable redevelopment plan;

(b) Adequate drainage facilities and easements be provided;

(c) Road improvements be provided for subdivisions or sites where necessary to protect the safety and convenience of the traveling public, such improvements to include, but not be limited to, additional rights-of-way or pavement widths, marginal access streets, reverse frontage and highway and traffic design features necessitated by increased traffic, potential safety hazards or traffic flow impediments caused by the subdivision or development;
(d) Public water and sewer systems be provided where necessary to protect public health and to insure an adequate supply of water;

(e) Performance guarantees, maintenance bonds and agreements be provided specifying minimum standards of construction for required improvements by the commission and not to exceed the full cost of the facility and installation thereof or the developer's proportionate share thereof. Any bonds, moneys or guarantees received by the commission under this paragraph shall not duplicate bonds, moneys or guarantees required by municipalities for municipal purposes.

C. 13:17-14 Review of applications for subdivision and development.

13. (a) Each application for a subdivision, site plan or building permit shall be submitted to the commission for review and, where required, approval prior to approval by the local constituent municipal approving authority. Commission approval of any subdivision application shall be limited by and based upon the rules, regulations and standards established by and duly set forth in a resolution adopted by the commission. The constituent municipal approval authority shall defer taking final action on a subdivision application until receipt of the commission report thereon. The commission shall report to the municipal authority within 45 days from the date of receipt of the application. If the commission fails to report to the municipal approving authority within the 45-day period, said subdivision application shall be deemed to have been approved by the commission unless, by mutual agreement between the commission and municipal approving authority, with approval of the applicant, the 45-day period shall be extended for an additional 45-day period, and any such extension shall so extend the time within which a municipal approving authority shall be required by law to act thereon.

(b) The commission shall review each subdivision plan and building permit application and withhold approval if said application does not meet the approval standards previously adopted by the commission, in accordance with this section. In the event of the withholding of approval, or the disapproval of, any such application, the reasons for such action shall be set forth in writing and a copy thereof shall be transmitted to the applicant.

14. The county clerk or registrar of deeds and mortgages shall not accept for filing any subdivision plat for lands in the district
unless it bears the certification of approval of the commission in
addition to all other requirements for filing a subdivision plat.
If the commission shall have taken no action to approve or disa­
prove a subdivision within the period required by section 13 of
this act it shall, at the request of the developer, certify such fact
upon the plat. Such certification shall be sufficient authorization
for further action by the municipal approving authority and filing
with the appropriate county recording officer.

C. 13:17-16 Hearings prior to adoption.

15. (a) Whenever a hearing upon notice is required in any con­
stituent municipality or affected county with respect to the adop­
tion or amendment of a master plan, official map, zoning or sub­
division regulations, or to the granting of variances or special
exceptions, involving property within the district or within 200
feet of its borders, the person required to give such notice shall
also, at least 45 days prior to the hearing, give written notice of
the hearing to the commission by registered or certified mail. Said
notice of hearing shall contain a brief description of the property
involved, its location, a concise statement of the matters to be heard,
and a copy of any plan, code, regulations or standards to be ap­
proved.

(b) The commission shall be considered a party in interest at
such hearing, and no action involving a municipal master plan,
zoning ordinance, subdivision, building, or site plan approval, the
official map, or the grant or variance or special exception shall be
taken by a public body of a constituent municipality, or affected
county which shall be inconsistent with the master plan.

C. 13:17-17 Reservation of land for drainage, streets, schools, parks and other
public projects.

16. (a) If portions of the master plan contain proposals for
drainage rights-of-way, roads or streets, schools, colleges, parks,
playgrounds, or for any project as defined in this act, before ap­
proving any subdivision or site plan, the commission may require
that such project sites be shown in locations and of sizes suitable
to their intended uses. The commission shall be permitted to re­
serve the location and extent of such project sites shown on the
master plan or any part thereof for a period of 1 year after the
approval of the subdivision or site plan or within such further
time as agreed to by the applying party. Unless during each 1 year
period or extension thereof the commission shall have entered into
a contract to purchase or institute condemnation proceedings ac­
cording to law for said project site, the developer shall not be bound by the proposals for such areas shown on the plan. This subsection shall not apply to streets and roads and drainage rights-of-way required for approval of any subdivision or site plan and deemed essential to the public welfare.

(b) Whenever one or more parcels of land on which is located such a project site cannot yield a reasonable return to the owner unless a building permit is granted or a subdivision or site plan is approved, the commission may, in a specific case, by a majority vote, grant a permit for a building on such project site, which will as little as practicable diminish the area and use of the project site for its intended purposes, or may pay over to the developer the amount of damages found by the commission to have been caused by the delay in approval or acquisition.

17. Provision may be made by the commission for the waiver, according to definite criteria, of strict compliance with the standards promulgated, where necessary to alleviate hardship. The commission may exempt subdivisions of less than a designated number of lots or site plans involving single-family residences from its regulations where no new streets are involved.

C. 13:17-19 Violations; penalties; civil actions.

18. (a) If any person, as owner or agent, transfers, sells, or rents, or agrees to sell or rent any land or building or other structure or constructs or alters any building or structure within the district without first obtaining the approval of the commission of any application for a subdivision, site plan or building permit as may be required by this act, such person shall be subject to a fine not to exceed $200.00 or to imprisonment for not more than 30 days and each parcel, lot, plot, building, or rental unit so disposed of shall be deemed a separate violation.

(b) In addition to the foregoing, the commission may in the case of any such violation or threat of such violation, institute civil action:

(1) For injunctive relief;

(2) To set aside and invalidate any conveyance or lease made pursuant to contract for sale or otherwise in violation of this section;

(3) To prevent such unlawful sale, rental, erection, construction, reconstruction, alterations, repair, conversion, maintenance or use;
(4) To restrain, correct, or abate such violation;
(5) To prevent the occupancy of said dwelling structure or land; or
(6) To prevent any illegal act, conduct, business or use in or about such premises.

C. 13:17-20 Designation by commission of renewal areas.

19. (a) Pursuant to the procedure hereinafter provided, the commission shall have the exclusive power to declare the district or any portion thereof to be a renewal area; provided, that the commission shall find prior to such declaration that there exist in the district or portion thereof the conditions of "blight" as said conditions are defined in section 3 of chapter 306 of laws of 1949 (P. L. 1949, c. 306). It is hereby determined by the Legislature that such conditions contained in section 3 of chapter 306 of laws of 1949 (P. L. 1949, c. 306) are a social and economic liability to the district.

(b) Prior to declaring any portion of the district a renewal area the commission by resolution shall provide for a preliminary investigation. Upon the adoption of such a resolution, the commission shall prepare a map showing the boundaries of the area to be investigated and the location of the various parcels of property located therein, and shall append thereto a statement setting forth the reasons for the investigation.

(c) The commission shall thereupon cause a hearing to be held at an appointed time and place for the purpose of hearing persons interested in, or who would be affected by, a determination that the area is a renewal area as defined in this act and who are in favor of or are opposed to such determination.

(d) A notice of such hearing shall be given setting forth the general boundaries of the area to be investigated and stating that a map has been prepared and can be inspected at the office of the commission. A copy of such notice shall be published in a newspaper of general circulation in the district once each week for 2 consecutive weeks and the last publication shall be not less than 10 days prior to the date set for the hearing. A copy of the notice shall be mailed at least 10 days prior to the date set for the hearing to the last owner, if any, of each parcel of property within the area according to the assessment records of the municipality where the parcel is located. Such notice shall be sent to the last known postal address of such owners. A notice shall also be sent to any and all persons at his, or their last known address, if any, whose
names are noted on said assessment records as claimants of an interest in any such parcel. The assessor of such municipality shall make such a notation upon the said records when requested so to do by any person claiming to have an interest in any parcel of property in such municipality. Failure to mail any such notice shall not invalidate the investigation or determination thereon.

(e) At the hearing, which may be adjourned from time to time the commission shall hear all persons interested in the investigation and shall consider any, and all, written objections that may be filed and any evidence which may be introduced in support of the objections, or any opposition to a determination that the area is a renewal area. After the hearing the commission shall, by resolution, determine that the area or any part thereof is, or is not, a renewal area, as defined in this act. A determination that the area or any part thereof is a renewal area, if supported by substantial evidence, shall be binding and conclusive upon all persons affected by the determination. If the determination is that the area or any part thereof is a renewal area, the commission within 10 days after such determination, shall cause to be served a copy of the resolution upon each person who filed a written objection at or prior to the hearing; provided, the address of the objector was stated in, or upon, the written objection.

Such service may be made (1) by delivering a copy of the resolution personally to the objector, (2) by mailing such copy addressed to the objector according to his said stated address, or (3) by leaving such copy at said stated address for the objector with a person of suitable age and discretion.

(f) Any person who shall have filed such a written objection with the commission, may have a determination that an area is a renewal area reviewed by the Superior Court of New Jersey by procedure in lieu of prerogative writs. An action for any such review shall be commenced within 30 days after the determination by the commission. In any such action, the said court may make any incidental order that shall be deemed by the court to be proper.

(g) If the determination is that an area is a renewal area, the commission may, but shall not be required to, acquire the real property within the area by purchase, or by eminent domain proceedings, and may proceed with the clearance, replanning, development or redevelopment of the area as a public purpose and for public use, or the commission may, by resolution, agree that a redeveloper may undertake such clearance, replanning, development
or redevelopment in accordance with statutory authority and subject to the provisions of paragraph 1, Section III, Article VII, of the New Jersey Constitution.

C. 13:17-21 Adoption of redevelopment plans and undertaking of redevelopment projects in renewal area by commission.

20. (a) The commission is authorized to prepare and adopt redevelopment plans for areas in the district determined by the commission to be renewal areas;

(b) In undertaking projects pursuant to any redevelopment plan, the commission may:

(1) Acquire, by condemnation or otherwise, real or personal property, or any interest therein, including such property as it may deem necessary or proper, although temporarily not required for such purposes, in a renewal area and in any area within the district designated by it as necessary for relocation of residents, industry or commerce displaced from a renewal area;

(2) Clear or reclaim any area so acquired and install, construct or reconstruct projects therein necessary to prepare such area for development;

(3) Relocate or arrange or contract with public or private agencies for the relocation of residents, industry or commerce displaced from the renewal area;

(4) Dispose of real property so acquired by sale, lease or exchange for the uses and purposes specified in the redevelopment plan, to any person or public agency;

(5) Study the recommendations of any planning board for redevelopment of any area and make its own investigations as to current trends and blighting factors in the district, or any area thereof;

(6) By contract or contracts with public agencies or developers or by its own employees or consultants plan, replan, construct, reconstruct, operate, maintain and repair any redevelopment or other project or any part thereof;

(7) Make and adopt plans for carrying out a program of voluntary repair and rehabilitation of buildings and improvements, and for the enforcement of codes and laws relating to the use of land, the use and occupancy of buildings and improvements and to the control over the pollution of water and air and the disposal of solid waste;
(8) Prepare and adopt from time to time a workable program, representing an official plan of action for effectively dealing with the problem of urban renewal areas within the district and for the establishment and preservation of well-planned communities with well-organized residential neighborhoods of decent homes and suitable living environment for adequate family life; for utilizing appropriate private and public resources to eliminate and prevent the development or spread of blight and deterioration; to encourage needed conservation or rehabilitation; to provide for the redevelopment of renewal areas; or to undertake such of the aforesaid activities or other feasible activities as may be suitably employed to achieve the objectives of such a program.

21. All agreements, leases, deeds and other instruments from or between the commission and to or with a redeveloper shall contain, without being limited to, the following provisions: (a) a covenant running with the land to the effect that the land, and any buildings or improvements thereon, shall only be used for the purposes designated in the redevelopment plan; (b) a provision that the redeveloper shall be without power to sell, lease or otherwise transfer the redevelopment area or project or any part thereof without the prior written consent of the commission; (c) any lease to a redeveloper may provide that all improvements shall become the property of the commission; (d) such other covenants, provisions and continuing controls as may be deemed necessary to effectuate the purposes of this act.

Article 6. Capital Financing

C. 13:17-23 Commission may issue negotiable notes.

22. The commission is authorized from time to time to issue its negotiable bonds and notes for any corporate purpose and to renew from time to time any bonds and notes by the issuance of new bonds and notes, whether the bonds and notes to be renewed have or have not matured. The commission may issue bonds and notes partly to renew bonds and notes or to discharge other obligations then outstanding and partly for any other purpose. The notes may be authorized, sold, executed and delivered in the same manner as bonds. The commission may issue bonds and notes on which the principal and interest are payable (1) exclusively from the income and revenues of the improvement
or project financed with the proceeds of such bonds or notes; (2) exclusively from the income and revenue of certain designated improvement or projects whether or not they are financed in whole or in part with the proceeds of such bonds or notes; or (3) from its revenue generally. Any such bonds or notes may be additionally secured by a pledge of any grant or contribution from any department or agency of the United States or the State or person or a pledge of any money, income or revenues of the agency from any source whatsoever. Any resolution or resolutions authorizing bonds and notes of the commission or any issue thereof may contain the following provisions:

(a) A covenant against pledging all or any part of its charges or revenues, or against mortgaging all or any part of its real or personal property then owned or thereafter acquired or against permitting or suffering any lien on such charges, revenues or property;

(b) A covenant with respect to limitations on any right to sell, lease or otherwise dispose of any project or any part thereof or any property of any kind;

(c) A covenant as to the issuance of additional bonds or notes or as to limitations on the issuance of additional bonds or notes and on the incurring of other debts by the commission;

(d) A covenant against extending the time for the payment of bonds or notes or interest thereon;

(e) A covenant as to the rates of fees and other charges to be established and charged, the amount to be raised each year or other period of time by fees, charges or other revenues and as to the use and disposition to be made thereof;

(f) A covenant to create or authorize the creation of special funds or moneys to be held in pledge or otherwise for construction operating expenses, payment or redemption of bonds or notes, reserves or other purposes and as to the use and disposition of the moneys held in such funds;

(g) A provision for the establishment of a procedure, by which the terms of any contract or covenant with or for the benefit of the holders of bonds or notes may be amended or abrogated, the amount of bonds or notes the holders of which must consent thereto, and the manner in which such consent may be given;

(h) A provision for the rights and liabilities, powers and duties arising upon the breach of any covenant, condition or obligation and to prescribe the events of default and the terms and conditions
upon which any or all bonds, notes or other obligations of the commission shall become or may be declared due and payable before maturity and the terms and conditions upon which any such declaration and its consequences may be waived;

(i) A provision for the payment of the costs or expenses incident to the enforcement of such bonds or notes or of the provisions of such resolution or of any covenant or agreement of the commission with the holders of its bonds or notes;

(j) A limit on the powers of the commission to construct, acquire or operate any structures, facilities or properties which may compete or tend to compete with any of its projects;

(k) A limit on the rights of the holders of any bonds or notes to enforce any pledge or covenant securing bonds or notes; and

(l) Any other covenant or provision, in addition to those herein expressly authorized, which the commission deems may be necessary, convenient or desirable in order to better secure the bond or notes, or which in the opinion of the commission will tend to make the bonds or notes more marketable.

All such bonds and notes shall be payable from the revenues or other moneys of the commission, subject only to any contractual rights of the holders of any of its notes or other obligations then outstanding.

C. 13:17-24 Commission may issue negotiable bonds.

23. (a) In anticipation of the sale of such bonds the commission may issue negotiable bond anticipation notes and may renew the same from time to time, but the maximum maturity of any such note, including renewals thereof, shall not exceed 5 years from the date of the issuance of the original note. Such notes shall be paid from any revenues or other moneys of the commission available therefor and not otherwise pledged, or from the proceeds of the sale of the bonds of the commission in anticipation of which they were issued. The notes shall be issued in the same manner as the bonds. Such notes and the resolution or resolutions authorizing the same may contain any provisions, conditions, or limitations which a bond resolution of the commission may contain.

(b) Except as may otherwise be expressly provided by the commission, every issue of its bonds or notes shall be general obligations of the commission payable from any revenues or moneys of the commission, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or moneys. Notwithstanding that bonds and notes may be payable
from a special fund, they shall be fully negotiable within the mean­
ing of the Uniform Commercial Code, subject only to the provisions
of the bonds and notes for registration.

(c) The bonds may be issued in one or more series as serial
bonds or as term bonds, or the commission, in its discretion, may
issue bonds of both types. The bonds shall be authorized by resolu­
tion of the members of the commission and shall bear such date or
dates, mature at such time or times, not exceeding 50 years from
their respective dates, bear interest at such rate or rates, not ex­
ceeding 6% per annum, be payable at such time or times, be in such
denomination or denominations, be in such form, either coupon
or registered, carry such conversion or registration privileges,
have such rank or priority, be executed in such manner, be payable
from such sources in lawful money of the United States of America
at such place or places, and be subject to such terms of redemption
(with or without premium) as such resolution or resolutions may
provide. The bonds or notes may be sold at public or private sale
for such price or prices as the commission shall determine, but
which shall not at the time of sale yield more than 6% per annum
computed according to standard tables of bond values. Pending
preparation of the definitive bonds, the commission may issue
interim receipts of certificates which shall be exchanged for such
definitive bonds.

(d) Neither the members of the commission nor any person
executing the bonds or notes shall be liable personally on the bonds
or notes or be subject to any personal liability or accountability by
reason of the issuance thereof.

(e) The commission shall have the power out of any funds avail­
able therefor to purchase its bonds or notes. The commission may
hold, pledge, cancel or resell such bonds, subject to and in accord­
ance with agreements with bondholders.

C. 13:17-25 Bonds secured by trust agreement; pledge of revenues.

24. (a) In the discretion of the commission, any bonds issued un­
der the provisions of this act may be secured by a trust agreement
by and between the commission and a corporate trustee or trustees
which may be any trust company or bank having the powers of a

the proceeds of any contract or contracts pledged. Such trust
agreement or resolution providing for the issuance of such bonds
may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission in relation to the acquisition of property, and the construction, improvement, maintenance, repair, operation and insurance of the project or projects, the amount of assessments or other charges to be levied upon holders of lands affected by the project or projects, the payment, security or redemption of bonds, and the custody, safeguarding and application of all moneys. Any bank or trust company incorporated under the laws of this State which may act as depositary of the proceeds of bonds or of revenues or other moneys may furnish such indemnifying bonds or pledge such securities as may be required by the commission. Any such trust agreement or resolution may set forth the rights and remedies of the bondholders and of the trustee, or trustees, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the commission may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of construction or of a reclamation project or projects.

(b) Any pledge or assignment made pursuant to this section shall be valid and binding from the time when the pledge or assignment is made; the revenues or moneys so pledged or assigned and thereafter received by the commission shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the commission, irrespective of whether such parties have notice thereof. of any political subdivision except the commission and all such bonds or notes shall contain on the face thereof a statement to that effect.

26. The State does pledge to and agree with the holders of the bonds or notes issued pursuant to the provisions of this act that the State will not, without the commission’s prior consent enlarge, limit or restrict any of the rights and powers hereby vested in the commission to maintain, acquire, construct, improve, reconstruct, repair and operate any project as defined in this act, nor will the State limit or restrict the fixing, establishment and collection by the commission of such fees, assessments and charges as may be convenient or necessary to produce sufficient revenues to meet the expenses of the commission and to fulfill the terms of any agreements made with the holders of bonds or notes authorized by this act, nor will the State in any way impair the rights or remedies of the holders of such notes or bonds, or modify in any way the exemption from taxation provided in this act until the notes and bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs in connection with any action or proceeding in behalf of such bondholders are fully paid and discharged or provided for.

27. All bonds or notes issued by the commission pursuant to this act are hereby declared to be issued by a political subdivision of this State and for an essential public and governmental purpose, and such bonds and notes, their transfer and the interest and premium, if any thereon and the income therefrom, including any profit made on the sale thereof, and all assessments, charges, funds, revenues, income and other moneys pledged or available to pay or secure the payment of such bonds or notes, or interest thereon, shall at all times be exempt from taxation of every kind by the State and by the municipalities and other political subdivisions in the State, except transfer, inheritance and estate taxes.

C. 13:17-29 Moneys of commission as trust funds.

28. All moneys received pursuant to the authority of this act whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this act. Any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as
trustee of such moneys and shall hold and apply the same for the purpose hereof, subject to such regulations as this act and the resolution authorizing the bonds of any issue or the trust agreement securing such bonds may provide.

29. Any holder of bonds issued under the provisions of this act, or of any of the coupons appertaining thereto, and the trustee or trustees under any trust agreement, except to the extent the rights herein given may be restricted by any resolution authorizing the issuance of, or any such trust agreement securing, such bonds, may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce any and all rights under the laws of the State or granted hereunder or under such resolution or trust agreement, and may enforce and compel the performance of all duties required by this act or by such resolution or trust agreement to be performed by the commission or by any officer, employee or agent thereof, including the fixing, charging and collecting of the rates, rents, fees and charges herein authorized and required by the provisions of such resolution or trust agreement to be fixed, established and collected.

30. (a) The commission is hereby authorized to provide for the issuance of bonds of the commission for the purpose of refunding any bonds of the commission then outstanding, including the payment of any redemption premium thereon and any interest accrued or to accrue to the earliest or subsequent date of redemption, purchase or maturity of such bonds, and, if deemed advisable by the commission for the additional purpose of paying all or any part of the cost of acquiring and constructing improvements, extensions, additions or enlargements of project or projects or any portion thereof.

(b) The proceeds of any such bonds issued for the purpose of refunding outstanding bonds may, in the discretion of the commission be applied to the purchase or retirement at maturity or redemption of such outstanding bonds either on their earliest or any subsequent redemption date or upon the purchase or at the maturity thereof and may, pending such application, be placed in escrow to be applied to such purchase or retirement at maturity or redemption on such date as may be determined by the commission.
(c) Any such escrowed proceeds, pending such use, may be invested and reinvested in obligations of or guaranteed by the United States of America, or in certificates of deposit or time deposits secured by obligations of or guaranteed by the United States of America, maturing at such time or times as shall be appropriate to assure the prompt payment, as to principal, interest and redemption premium, if any, of the outstanding bonds to be so refunded. The interest, income and profits, if any, earned or realized on any such investment may also be applied to the payment of the outstanding bonds to be so refunded. After the terms of the escrow have been fully satisfied and carried out, any balance of such proceeds and interest, income and profits, if any, earned or realized on the investment thereof may be returned to the commission for use by it in any lawful manner.

(d) The portion of the proceeds of any such bonds issued for the additional purpose of paying all or any part of the cost of constructing and acquiring additions, improvements, extensions or enlargements of a project or projects, may be invested and reinvested in obligations of or guaranteed by the United States of America, or in certificates of deposit or time deposits secured by obligations of or guaranteed by the United States of America, maturing not later than the time or times when such proceeds will be needed for the purpose of paying all or any part of such cost. The interest, income and profits, if any, earned or realized on such investment may be applied to the payment of all or any part of such cost or may be used by the commission in any lawful manner.

(e) All such bonds shall be subject to the provisions of this act in the same manner and to the same extent as other bonds issued pursuant to this act.

31. Bonds and notes issued by the commission under the provisions of this act are hereby made securities in which the State and all political subdivisions of the State, their officers, boards, commissions, departments or other agencies, all banks, bankers, savings banks, trust companies, savings and loan associations, investment companies and other persons carrying on a banking or investment business, all insurance companies, insurance associations, and other persons carrying on an insurance business, and all administrators, executors, guardians, trustees and other fiduciaries, and all other persons whatsoever who now are or may hereafter be authorized to invest in bonds or other obligations of
the State, may properly and legally invest any funds including capital belonging to them or within their control; and said bonds, notes or other securities or obligations are hereby made securities which may properly and legally be deposited with and received by any State or municipal officers or agency of the State for any purpose for which the deposit of bonds or other obligations of the State is now or may hereafter be authorized by law.

32. Bonds may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau, agency or officer of the State, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions and things which are specifically required by this act.

ARTICLE 7. PROPERTY ACQUIRED AND HELD BY THE COMMISSION

C. 13:17-34 Property acquisition by eminent domain.

33. (a) If for any of its authorized purposes (including temporary construction purposes) the commission shall find it necessary or convenient to acquire any real property within its jurisdiction, or if for any of its authorized purposes (including temporary construction purposes) the commission shall find it necessary to acquire any real property beyond its jurisdiction, whether for immediate or future use, the commission may find and determine that such property, whether a fee simple absolute or a lesser interest, is required for public use and, upon such determination, the said property shall be deemed to be required for a public use until otherwise determined by the commission; and the said determination shall not be affected by the fact that such property has heretofore been taken for, or is then devoted to, a public use of any municipality, county, school district, or other local or regional district, authority or agency, but the public use in the hands or under the control of the commission shall be deemed superior.

(b) If the commission is unable to agree with the owner or owners thereof upon terms for the acquisition of any such real property, for any reason whatsoever, then the commission may acquire, and is hereby authorized to acquire, such property, whether a fee simple absolute or a lesser interest, in the manner provided in chapter 1 of Title 20 of the Revised Statutes insofar
as the provisions thereof are applicable and not inconsistent with the provisions contained in this section.

(c) The commission may join, in separate subdivisions of one petition or complaint, the descriptions of any number of tracts or parcels of land or property to be condemned, and the names of any number of owners and other parties who may have an interest therein and all such land or property included in said petition or complaint may be condemned in a single proceeding; provided, however, that separate awards be made for each tract or parcel of land or property; and provided, further, that each of said tracts or parcels of land or property lies wholly in or has a substantial part of its value lying wholly within the same county.

(d) When the commission by resolution determines that it requires immediate possession or use of land or interest therein or other property, the commission shall file with the clerk of the county in which such property is located and also with the Clerk of the Superior Court a declaration of taking, signed by the commission, declaring that possession of one or more of the tracts or parcels of land or property described in the declaration is thereby being taken by and for the use of the commission. The said declaration of taking shall set forth (1) a description of each tract or parcel of land or property to be so taken sufficient for the identification thereof to which a plan or map thereof may be attached, (2) a statement of the estate or interest in the land or property being taken and (3) a statement of the sum of money estimated by the commission by resolution to be just compensation for the taking of the estate or interest in each tract or parcel of land or property described in said declaration. Upon the filing by the commission of a declaration of taking of property as provided in this section, the commission shall deposit with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration.

(e) Upon the filing by the commission of a declaration of taking of property as provided in this act and the depositing with the Clerk of the Superior Court of the amount of the estimated compensation stated in said declaration, the commission, without other process or proceedings, shall be entitled to the exclusive possession and use of each tract of land or property described in said declaration and may forthwith enter into and take possession of said land or property, it being the intent of this provision that an action to fix the compensation to be paid or any other proceeding relating
to the taking of said land or interest therein or other property shall not delay the taking of possession thereof and the use thereof by the commission for the purpose or purposes for which the commission is authorized by law to acquire or condemn such land or property or interest therein.

(f) The commission shall cause notice of the filing of a declaration of taking of property as provided in this section and of the making of the deposit required by this section with respect thereto to be served upon each party to the action to fix the compensation to be paid who resides in the State, either personally or by leaving a copy thereof at his residence if known, and upon each such party who resides out of the State, by mailing a copy thereof to him at his residence if known. In the event that the residence of any such party or the name of any such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the property is located. Such service, mailing or publication shall be made within 30 days after filing such declaration.

(g) Upon the application of any party in interest and after notice to other parties in interest, including the commission, the Superior Court may direct that the money deposited with the Clerk of the Superior Court or any part thereof be paid forthwith to the person or persons entitled thereto for or on account of the just compensation to be awarded in such action, provided that each such person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event the award in said action shall be less than the amount deposited, the court, after such notice as the court prescribes and hearing, may determine liability, if any, for the return of the difference or any part thereof and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the commission the difference between the amount of the deposit and the amount of the award, with interest at the rate of 6% per annum thereon from the date of making the deposit. If the amount of the award shall be less than the amount deposited, the Clerk of the Superior Court shall return the remainder of the deposit to the commission unless the deposit or any part thereof shall have theretofore been distributed, in which event the court, on application of the commission and notice to all persons interested in the award shall afford them an opportunity to be heard and shall
enter judgment in favor of the commission for the difference against the party or parties liable for the return thereof.

(h) The commission shall not abandon any condemnation proceedings subsequent to the date upon which it has taken possession of the land or property as provided in this act.

34. (a) In addition to the other powers conferred upon it by this act or by any other law and not in limitation thereof, the commission, in connection with construction or operation of any project, shall have power to make reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles or any other equipment and appliances (in this section called "works") of any public utility as defined in section 48:2-13 of the Revised Statutes, in, on, along, over or under any project, public highway or real property, including public lands or water. Whenever in connection with construction or operation of any project, the commission shall determine that it is necessary that any such works, which now or hereafter may be located in, on, along, over or under any project, public highway or such real property, should be relocated in the project, public highway or such real property or should be removed therefrom, the public utility owning or operating such works shall relocate or remove the same in accordance with the order of the commission; provided, however, that the cost and expense of such relocation or removal including the cost of installing such works in a new location or new locations, and the cost of any lands or any rights or interest in lands or any other rights acquired to accomplish such relocation or removal, less the cost of any lands or any rights or interest in lands or any other rights of the public utility paid to the public utility in connection with the relocation or removal of such works, shall be paid by the commission and shall be included in the cost of such project. In case of any such relocation or removal of works as aforesaid, the public utility owning or operating the same, its successors or assigns, may maintain and operate such works, with the necessary appurtenances, in the new location or new locations for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such works in their former location.

(b) In the case of any such relocation or removal of works, as aforesaid, the commission shall own and maintain, repair and renew structures within the rights-of-way of railroad companies carrying any project of feeder road over railroads, and the com-
mission shall bear the cost of maintenance, repair and renewal of structures within the rights-of-way of railroad companies carrying railroads over any project or feeder road, but this provision shall not relieve any railroad company from responsibility for damage caused to any commission or railroad structure by the operation of its railroad. Such approaches, curbing, sidewalk paving, guard rails on approaches and surface paving on projects or feeder roads as shall be within the rights-of-way of a railroad company or companies shall be owned and maintained, repaired and renewed by the commission; rails, pipes and lines shall be owned and maintained, repaired and renewed by the railroad company or companies.

C. 13:17-36 Lands exempt from taxes.

35. Since the exercise of the powers granted by this act will be in all respects for the benefit of the people of the State, all projects, lands and other property of the commission are hereby declared to be public property of a political subdivision of the State and devoted to an essential public and governmental function and purpose and shall be exempt from all taxes and special assessments of the State or any subdivision thereof; provided, however, that when property or land of the commission exempt from taxation is leased or licensed to another whose property is not exempt, and the licensing or leasing of which does not make the real estate taxable, the estate created by the lease or license and the appurtenances thereto shall be listed as the property of the lessee or licensee thereof, or his assignee, and be assessed and taxed as real estate.

C. 13:17-37 Lands exempt from execution.

36. All projects and property of the commission shall be exempt from levy and sale by virtue of an execution and no execution or other judicial process shall issue against the same nor shall any judgment against the commission be a charge or lien upon its property; provided, that nothing herein contained shall apply to or limit the rights of the holders of any bonds or notes to pursue any remedy for the enforcement of any pledge or lien given by the commission on its revenues or other moneys.

C. 13:17-38 Payments in lieu of taxes.

37. To the end that municipalities and counties may not suffer undue loss of tax revenue by reason of the acquisition and ownership of property therein by the commission, the commission is hereby authorized, empowered and directed to enter into an agree-
ment or agreements with any municipality or county, whereby said commission will undertake to pay a fair and reasonable sum or sums to compensate the said municipality or county for a loss of revenue in connection with any property acquired and owned by the commission in carrying out the provisions of this act. Any such payment or payments which the commission is hereby authorized, empowered and directed to make may be made on an annual basis, in which case the payment or payments shall not be less than the amount of taxes upon the property when last assessed prior to its acquisition by the commission. Every municipality and county wherein the property shall be acquired by the commission is hereby empowered to enter into such agreement or agreements with the commission to accept the payment or payments which the commission is herein authorized, empowered and directed to make.

ARTICLE 8. SPECIAL ASSESSMENTS

38. The commission may form within the district, improvement districts for any authorized purpose in order to levy special assessments against real estate located within such districts for benefits rendered.

All special assessments for improvements within the district shall be made by the appropriate officer of the commission.

39. All land within the district shall be divided by the commission into 3 classes as follows:

Class 1—Land owned by the State of New Jersey, any of its political subdivisions, or any other public agency or instrumentality which enjoys the privilege of general property tax exemption under the laws of the State, and which land is designated by the owner as presently or ultimately intended for a public use.

Class 2—Land owned by the State of New Jersey, any of its political subdivisions, or any other public agency or instrumentality which enjoys the privilege of general property tax exemption under the laws of the State, and which land is designated by the owner as ultimately disposable to private ownership, or usable by private parties.

Class 3—All other land.
C. 13:17-41 Designation of land in classes 1 and 2.

40. The owners of all public land in the district shall be required to certify to the commission, by a date established by the commission, whether said public lands are in class 1 or class 2; and in the case of land being in class 1, the public owners shall indicate the nature of the present or ultimate use. The commission shall approve or modify the certifications by resolution. The commission may also, by affirmative vote, reclassify lands, upon the request of any owner for such reclassification.

41. In the case that the title of lands designated to be in class 3 passes to the State of New Jersey, the commission shall change the designation of the class of such land to reflect the use to which such land shall be put.

C. 13:17-43 Resolution of intent to undertake improvement.

42. If in its judgment, public necessity or interest demands the construction of improvements which would benefit lands within improvement district, the commission shall pass a resolution of its intention to undertake such improvement or improvements and shall give notice of such intention by advertising in one or more newspapers circulating in such district and such advertisement shall fix a time and place, not earlier than 2 weeks after notice, for a hearing on said proposed action and prior to said hearing, the commission shall prepare a tentative assessment which shall be presented at such hearing and shall be open to inspection. Any person desiring to be heard in regard thereto shall be given a hearing. After said hearing, if the commission shall decide to carry out said improvements, it shall pass a resolution declaring such determination and proceed to make such improvements.

43. Upon the completion of any improvement, the appropriate officer of the commission shall prepare a statement showing in detail the cost of the improvement. Such statement shall also show the proportion of the amount to the whole cost of improvement, if any, paid or contributed by any public body or by any person. The total amount of assessment levied upon the land benefited by the improvement shall not exceed the cost thereof.

44. The appropriate officer of the commission shall examine the work of any improvement and view all lands benefited thereby and
shall thereupon fix a time and place for hearing all persons interested. Notice of the time and place of the hearing shall be mailed to owners of land affected, directed to their last known post-office addresses, and shall be published at least 10 days before the hearing. Failure to mail any such notice shall not invalidate any proceeding or assessment. Such officer of the commission shall attend at the time and place appointed and shall give all parties interested or affected by an improvement ample opportunity to be heard upon the subject of assessment. Thereafter, such officer shall make a just and equitable assessment of the benefits conferred upon any land by reason of such improvement, having due regard to the rights and interests of all persons concerned, and the increment in the value of the land benefited thereby.

C. 13:17-46 Assessment based on benefit.
45. All assessments levied under this article for any improvement shall in each case be as nearly as may be in proportion to and not in excess of the benefit, advantage or increase in value which respective lots and parcels of land shall be deemed to receive by reason of such improvement.

C. 13:17-47 Fixing of property damage.
46. In addition to the making of assessments for benefits, the appropriate officer of the commission shall fix and determine the amount, if any, the property is damaged incidentally to the making of the improvement and deduct such amount from the amount of benefits assessed thereon. If the amount of any such damages as confirmed by the commission shall exceed the benefits assessed on the same property, if in case no benefits shall accrue thereto, or if such property is damaged subsequent to the levying and collection of an assessment which shall be confirmed by the commission to be a direct result of the making of the improvement, the balance or amount of such damages so fixed, may be raised from the general revenues of the commission, and shall be paid by the commission to the owner of the property so damaged. Any person aggrieved by such assessment or award of damages may after the same has been confirmed by the commission, appeal therefrom as provided in section 58 of this act.

C. 13:17-48 Award for property damage.
47. When owners of any property have been or shall have been awarded damages as incidental to any improvement undertaken pursuant to this act, and such award has been or shall have been
duly confirmed, the amount thereof shall be tendered to the person or persons entitled thereto. If there is uncertainty as to the person entitled to receive the award or if the party entitled to receive the amount awarded shall refuse upon tender thereof to receive the same, or shall be out of the State or under any legal disability, or if several parties interested in the fund shall not agree as to the distribution thereof, or the lands damaged are encumbered by any mortgage, judgment or other lien, or if for any other reason the commission cannot safely pay the amount awarded to any person, in all such cases the amount awarded may, with leave of the Superior Court, be paid into said court and shall there be distributed according to law, on the application of any person interested therein.

48. Assessments for benefits for any improvement together with any accompanying awards for incidental damages and all awards of damages for land or interests therein taken from any improvement, shall be certified by the officer making the same to the commission by a report in writing signed by the officer. The report shall be accompanied by a map showing the land taken, damaged or benefited by the improvement and for which damages or benefits have been assessed.

49. The report may be considered by the commission at any meeting, notice whereof shall be published in a newspaper circulating in the district, once each week for 2 weeks prior to said meeting, and also by mailing a copy of the notice to the owners named in the report, directed to his or their last known post-office addresses, and the affidavit of the appropriate officer of the commission shall be conclusive as to such mailing. The notice shall briefly state the object of the meeting with reference to the assessment. At that or any subsequent meeting the commission, after considering the report and map, may adopt and confirm the same with or without alterations, as may seem proper, and may refer such matter to any committee of the commission, or to the officer making such assessment, for revision or correction before taking final action thereon. When the report shall be adopted and confirmed with or without alterations, it shall be final and conclusive and appeals may be taken as hereinafter provided. Failure to mail the notice in this section required shall not invalidate the proceedings.
C. 13:17-51 Mailing of assessment bills.

50. Immediately after the confirmation of any assessment, a duplicate thereof duly certified by the commission shall be delivered to the appropriate officer of the commission, who shall immediately thereafter send out by mail or deliver to owners of such land, bills for such assessment. Such officer shall mail or deliver a bill for an assessment in the manner required in connection with local improvements and shall keep a record and books of assessments in the same manner required for local improvements under Revised Statutes 40:56-31, at the expense of the commission. The commission may make additional requirements for recording, accounting for, and collecting assessments.

51. (a) Special assessments levied against land in class 1 shall be considered to be of general benefit to the entire district and shall be included as a charge against general revenues of the commission or paid out of any funds of the commission which shall be available for such purpose.

(b) Special assessments made against land certified to be in class 2 shall be paid to the commission, immediately upon delivery of an assessment bill to the State Treasurer from the Hackensack Meadowland Revolving Fund.

(c) There is hereby established a Hackensack Meadowland Revolving Fund which shall be administered by the State Treasurer. The Legislature may appropriate from time to time amounts to such fund. All money appropriated or otherwise made available to this fund, including the repayment of expenditures made under the provisions of subsection (b), shall be held for the purpose of paying special assessments made against class 2 property pursuant to this article. Pending use, moneys in the Hackensack Meadowland Revolving Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. All earnings received from the investment or deposit of such moneys shall be paid into and become a part of such fund.

(d) A statement of the amount of the special assessment against class 2 property paid for out of the fund shall be filed with the appropriate agency having title to the property and shall be included in the purchase price fixed for lands and made part of the payment for the grant or sale. The full amount of such assessment shall be repaid and deposited in the fund established by subsection
(e). In the case said lands are leased for a term of years, there shall be included in the annual rental, a charge for the assessment levied on the property. Such payments up to the full amount of such assessment shall be paid to and deposited in said fund.

(e) The assessment against land in class 3 shall be payable immediately upon delivery to the collecting officer of the commission.

When any assessment shall not be paid within 2 months after the date of confirmation thereof, interest thereon from the date of confirmation shall be imposed at the rate of 6%.

C. 13:17-53 Assessment as a first lien on property.

52. Every assessment for any improvement together with interest thereon and all costs and charges connected therewith shall be upon confirmation by the commission, or by the court, a first lien on the land described in the assessment, paramount to all prior or subsequent alienations and descents of such land or encumbrances thereon, shall constitute a lien in the same manner as taxes and assessments for State purposes notwithstanding any mistake in the name or names of any owner or owners, or any omission to name any owner or owners who are unknown, and notwithstanding any lack of form therein, or in any proceeding which does not impair the substantial rights of the owner or owners or person or persons having a lien upon or interest in any such land. All assessments for improvements shall be presumed to have been regularly assessed and confirmed and every assessment or proceeding preliminary thereto shall be presumed to have been regularly made or conducted until the contrary be shown.

53. In all cases in which any assessment incident to any improvement has been set aside by a court of competent jurisdiction, and the improvement shall have been actually made in the manner provided by law, the officer charged with the duty of making assessments for benefits for improvements shall make a new assessment of benefits upon the property benefited by the improvement, in the manner and by the proceeding herein provided. All such new assessments shall become a lien upon the land so assessed in the same manner and with like effect and be enforceable in the same way as an original assessment for like improvements.

C. 13:17-55 Court action on assessment.

54. When any court of competent jurisdiction shall decide that any assessment has been illegally made, the commission shall re-
fund the amount thereof, if the same has been paid, and if a new assessment of less amount is to be made, then the difference between the new assessment and the amount paid shall be refunded.

55. The commission may by resolution provide that the owner of any land upon which any assessments for any improvement shall have been made may pay such assessments in such equal yearly installments, for such number of years as may be provided by rules and regulations of the commission, with legal interest thereon, and at such time and in each year as the commission shall determine under the requirements and conditions for local improvements pursuant to Revised Statutes 40:56-35, provided that any person assessed may pay the whole of any assessment, or any balance of installments, with accrued interest thereon, at one time. If any such installment becomes due and is not paid the whole assessment or balance due thereon shall become and be immediately due, shall draw interest at the rate of 6% and be collected in the same manner as is provided in this act for other past due assessments.

56. When any unpaid assessment, interest thereon or other charges for collection thereof, remains in arrears on July 1 of the calendar year following the calendar year when the same became in arrears, the appropriate officer of the commission shall enforce the lien by selling the property in the manner set forth in sections 54:5-19 to 54:5-129 of the Revised Statutes.

C. 13:17-58 Creation of Improvement Assessment Account.

57. All assessments as collected shall be immediately placed in an account to be known as “improvement assessment account.” Such moneys shall be used only to pay the cost of such improvements or indebtedness incurred for such improvements or interest or premium, if any thereon.

C. 13:17-59 Appeal to Superior Court.

58. The owner of any property assessed for benefits or awarded damages incident to any improvement under this act may, within 30 days after confirmation of such assessment or award, appeal from the same to the Appellate Division of the Superior Court by serving written notice of such appeal upon the tax collector and a duplicate upon the appropriate officer of the commission, either personally or by leaving the same at his office or place of abode.
The court shall determine whether or not the record contains substantial evidence that the assessment or award appealed from is just and fair, and if not shall make an order correcting the same, or, if the assessment or award is sustained shall so order. The determination shall be by order or judgment for the amount determined and shall be enforced in an appropriate manner pursuant to procedures set forth in Revised Statutes 40:56-57, as amended. The commission may proceed with the prosecution and completion of the improvement and the issuing of bonds and other indebtedness in connection with said improvements notwithstanding any such appeal.

Art. 9. Intermunicipal Tax-Sharing

C. 13:17-60 Legislature's findings.
59. (a) The Legislature hereby finds and declares that a vital component of any comprehensive plan for the development of the meadowland district, is a program whereby the financial benefits and liabilities of each constituent municipality, are clearly established and equitably distributed. Article 9 of this act provides for such a program, by the creation of an intermunicipal account, and specifically provides that each constituent municipality will be guaranteed, in perpetuity, its present existing tax ratable values within the meadowland district and will equitably share in the new financial benefits and new costs resulting from the development of the meadowland district as a whole. This article further provides that the Hackensack Meadowlands Development Commission shall not be able to receive any funds from the intermunicipal account or its reserve fund, for any purpose except that the commission shall be reimbursed for the cost of administering said account.

(b) The Hackensack Meadowlands Development Commission shall, in 1972, and every year thereafter, submit a report to the Meadowlands Municipal Committee and the Legislature, relating to the operation of the intermunicipal account in the prior year, and shall recommend, when it deems necessary, such amendments to this article as it may deem necessary, to carry out the legislative intent herein stated.

Land shall be designated by the commission as land undergoing construction if on or before the final adoption of the full master plan for the development of the district and final approval of same by the U. (g) "Redeveloped lands" means lands other than unimproved lands, the use of which has been substantially changed pursuant to the master plan or any redevelopment plan, as defined in this act.

60. The laws relating to the assessment and taxation of real and personal property shall apply to all constituent municipalities unless otherwise specifically provided in this act.

The certification shall show the number of such pupils who reside within the district and the number who reside outside, in a manner to be prescribed by the Commissioner of the Department of Education.

64. In the adjustment year 1971, and in each adjustment year thereafter, the commission shall establish an intermunicipal account and shall compute the amount payable to said account by each of the constituent municipalities and the amount due to each constituent municipality from said account for that year pursuant to this article.

C. 13:17-67 Payments by municipalities into the intermunicipal account.

65. (a) As used in this section, except as otherwise specifically provided:

(1) The increase or decrease in aggregate true value of taxable real property for any adjustment year shall be the difference between

(I) The aggregate true value of that portion of taxable real property, exclusive of Class II railroad property, in the municipality located within the district as of October 1 of the year preceding the adjustment year, less

The true value of said land undergoing construction as determined annually shall be used as a true value until a certificate of occupancy is issued and then the value shall be fixed as of the date of said certificate.

(2) Aggregate true value of all taxable real property shall be determined by aggregating the assessed value of all real property within the district boundaries in each constituent municipality, as the same may be modified by the county board of taxation upon appeal, and dividing said total by the average assessment ratio as promulgated by the Director of the Division of Taxation in the Department of the Treasury for State school aid purposes on October 1 of the respective years for which aggregate true value is to be determined, pursuant to P. L. 1954, chapter 86, as amended, as the same may have been modified by the Division of Tax Appeals.

(3) The apportionment rate for any adjustment year shall be determined, as follows:

L. 1954, chapter 86, as amended, as the same may have been modified by the Division of Tax Appeals.

(b) The amount payable to the intermunicipal account by each constituent municipality in any adjustment year shall be determined in the following manner: the apportionment rate shall be multiplied by the increase, if any, in aggregate true value of taxable real property.

(c) The amount payable to the intermunicipal account by any constituent municipality in any adjustment year shall also include any payments made to any such constituent municipality in the year preceding the adjustment year in lieu of real estate taxes located within the district.

66. The guarantee payment payable by the intermunicipal account to each constituent municipality in any adjustment year shall be computed as follows: if there is a decrease in the aggregate true value of taxable real property as determined pursuant to subsection (a) (1) of section 65 of this act, there shall be payable as a guarantee payment from the intermunicipal account to such municipality, an amount to be calculated by multiplying such decrease by the apportionment rate, as defined in subsection (a) (3) of section 65 of this act.

C. 13:17-69 Service payments for municipal and county services.

67. The service payments payable to any constituent municipality from the intermunicipal account in any year for municipal and county services shall be found by dividing the sum of—

and multiplying the result by the aggregate increase, if any, in resident population and covered employment of that portion of the municipality lying within the district boundaries, as shown by the initial census and the most recent census conducted by the commission, and the initial and most recent counts of said employment.

C. 13:17-70 Service payments for school services.

68. For school district services, the service payment payable by the intermunicipal account to any constituent municipality in any adjustment year shall be found by dividing:

(a) The total local school tax levy, as shown on the Table of Aggregates pursuant to Revised Statutes 54:4-52 for the year preceding the adjustment year, by the

(b) School resident enrollment on September 30 of such year preceding the adjustment year, as certified pursuant to section 63 of this act, and multiplying the result by the increase, if any, in resident enrollment within the district boundaries of that constituent municipality between September 30, 1969, and September 30 of the year preceding the adjustment year.

C. 13:17-71 Project payments.

69. When the development of the district requires a municipal capital improvement for which the municipality would not be sufficiently reimbursed by service payments as provided by this article, the commission, in its discretion, if it finds that such improvement is consistent with its master plan and provides for a desirable community or regional benefit, may reimburse the municipality by means of a project payment from the intermunicipal account in an amount equivalent to the cost of the project determined in accordance with the rules and regulations of the commission. If requested by the governing body of a constituent municipality, the commission may also reimburse said municipality by means of a project payment from the intermunicipal account an apportioned amount of any capital construction project instituted by said
municipality, or an agency or instrumentality thereof, before the effective date of this act which is consistent with the master plan and provides essential services to properties which are subject to the tax sharing provisions of this article, to the extent that said services are not paid for by the individual users.

**C. 13:17-72 Apportionment payments—creation of reserve fund.**

70. (a) If, in any adjustment year, the amount payable to the constituent municipalities by the intermunicipal account for guarantee payments, service payments, and project payments, plus any payment to the reserve fund as provided in subsection (b) and the payment for the cost of administration of the intermunicipal account as provided by subsection (c) is less than the amount payable to the intermunicipal account pursuant to section 65 of this act, the balance, if any, shall be apportioned among the constituent municipalities in the same ratio as the area of their unimproved and redeveloped lands within the district of each constituent municipality bears to the total of such unimproved and redeveloped lands in the district, and shall be known as an apportionment payment.

(b) The commission shall establish a reserve fund and in the event that in any adjustment year, the amount payable by the constituent municipalities to the intermunicipal account, pursuant to section 65 of this act less the cost of administering the account, exceeds the amount payable to the constituent municipalities for guarantee payments, service payments and project payment from the account, an amount equal to \( \frac{1}{2} \times \frac{1}{2} \times \frac{1}{2} \) of such excess shall be set aside and placed in the reserve fund until there is $5 million in said fund; thereafter, no further payments shall be made into said fund unless the balance is less than $5 million.

(c) The commission shall not be able to receive any funds from the intermunicipal account or the reserve fund provided for in subsection (b) of this section for any purpose except that the commission shall be reimbursed annually from the intermunicipal account the cost of administering and determining the payments due to or payable from account. The cost of administering the intermunicipal account shall be transferred from said account to the commission and shall be shown on the operating budget of the commission as a line item.

**C. 13:17-73 Payments of any deficiency.**

71. If, in any adjustment year, the amount payable to the constituent municipalities by the intermunicipal account for guarantee
payments, service payments, and project payments, plus the cost of administering the intermunicipal account exceeds the amount payable to said account pursuant to section 65 of this act, the reserve fund shall be drawn upon to make up the deficit. In the event there is an insufficient amount in the reserve fund, the total service payments payable to all constituent municipalities shall be reduced by the amount of the deficit and the service payment payable to each constituent municipality shall be reduced by the same ratio as the total service payment to all constituent municipalities was reduced.

C. 13:17-74 Certification of meadowland adjustment payments.

72. (a) On or before February 1 of 1971 and on or before February 1 of each year thereafter, the commission shall certify to the chief financial officer of each constituent municipality an amount, known as the meadowlands adjustment payment. The meadowlands adjustment payment for each constituent municipality shall be determined by adding all the payments payable to that municipality from the intermunicipal account for service payments, guarantee payments, project payments, and apportionment payments, if any, and by subtracting therefrom the obligations of that municipality to the intermunicipal account, as calculated pursuant to sections 65 and 71 of this act.

(b) If the meadowlands adjustment payment for any constituent municipality in any adjustment year is payable to the constituent municipality, the amount of said payment shall be identified in the municipal budget of that municipality for that year as "meadowlands adjustment" within the category "miscellaneous revenues anticipated," and shall be due and payable in 3 equal installments to be made by the intermunicipal account to that municipality on May 15, August 15, and November 15 of that year.

(c) If the meadowlands adjustment payment for any constituent municipality in any adjustment year is payable to the intermunicipal account, the amount of said payment shall be entered as a special line item appropriation in the budget of the municipality for that year and shall be payable in 3 equal installments to be made by the municipality to the account on May 15, August 15, and November 15 of that year. No transfers may be made from said appropriation except as is herein provided.

C. 13:17-75 Withholding of payments.

73. (a) Services provided in the district shall be comparable to those provided elsewhere in each constituent municipality.
(b) If, after public hearing, the commission shall determine that a constituent municipality or its school district is not complying with this section, it shall have the authority to withhold all payments made pursuant to this article until such time as the commission is satisfied that the municipality and its school district are performing such services in accordance with this section.

C. 13:17-76 Appeal.

74. An appeal or review may be taken by any constituent municipality regarding any alleged arithmetical or typographical error in the calculation and payment of the meadowlands adjustment payment.

These studies and surveys shall be performed on behalf of the council by the Navigation Bureau of the Department of Conservation and Economic Development.

89. In making a thorough study of all such lands to determine which are State-owned lands and in making its determination the council shall take into account the mean high water line as established by the United States Coast and Geodetic Survey, the nature of the vegetation thereon, artificial changes in land or water elevation, and such other historical or scientific data which, in the opinion of the council, are relevant in determining whether a parcel of land is now or was formerly flowed by mean high tide.

No title or lease shall be issued pursuant to this subsection until any claimant to all, or part of, the property applied for has been given notice of the application and 3 months thereafter, in which to apply for a conveyance or lease of said lands.

C. 13:1B-13.8 Prior investigation and recommendations.

94. (a) Within 10 days of receipt of any application for a conveyance or lease, or any extension thereof, council shall send a copy of the application and all material submitted therewith to the Hackensack Meadowlands Development Commission, if said application pertains to lands within the district; the Department of Transportation; the Department of Community Affairs; and the Department of Conservation and Economic Development. The council shall take no action on such application until receipt of the recommendations of said commission and departments regarding the application or for 45 days, whichever occurs first. Any such
recommendation shall be considered by the council in determining the terms, conditions and consideration for the conveyance or lease, and a copy thereof shall be forwarded to the Governor.

(b) There is hereby established a Hackensack Meadowland Negotiation Board, consisting of 3 members, appointed as follows: one member appointed by the commission, one member appointed by the council, and a third member appointed by said 2 appointees. Members of said board shall receive no compensation.

(c) A copy of each application for conveyances or leases in the district shall be submitted to the Hackensack Meadowland Negotiation Board, which shall fix the consideration to be charged for said instruments. Said board shall certify to the council the consideration fixed by the board within 45 days of receipt of each application. Said certified consideration shall in all cases be binding upon the council.

C. 13:1B-13.9 Approval of conveyances.

95. The council shall approve an application for conveyance, if after investigation and a review of the recommendations submitted to it pursuant to section 94, it is satisfied that the conveyance will be in the public interest. The council shall further determine the fair market value of the property in its unimproved state at the time of the conveyance and shall fix the consideration to be charged for the conveyance, except as provided in section 94 of this act. Upon receipt of the payment of the consideration, the council shall convey the premises by deed of bargain and sale under the seal of the council. The council shall require such terms and conditions in the conveyance instrument as may be necessary or appropriate for the uniform development of the meadowlands.

C. 13:1B-13.10 Approval of leases.

96. The council shall investigate any application for a lease in the meadowlands and if the council is satisfied that such a lease will be in the public interest, or if the council approves the giving of a lease in lieu of the conveyance applied for, the annual rental for the leasehold interest shall be fixed based upon the fair market value of the land in its unimproved state at the time of the lease,
except as provided in section 94 of this act. The annual rental shall be payable to the council in yearly installments in advance. The term for any lease of virgin meadowlands may not exceed 10 years in duration. The term for any lease of improved meadowlands may not exceed 50 years or the depreciated life of the building or improvement on the property, whichever is longer in duration. The term for any lease of improved meadowlands held by a claimant under color of title which has been held by him or his predecessors in title since July 1, 1891, and which for the last 20 years immediately preceding has been assessed for taxes or owned by a municipality may not exceed 99 years or the depreciated life of the building or improvement on the property plus \( \frac{1}{2} \) of such depreciated life, whichever is shorter in duration; provided, however, the lessee in any case renew his lease for such additional years as may be approved by the council and that such leasehold interest shall not be assignable without the approval of the council. Any lease which extends for a period in excess of 25 years shall contain a provision requiring the review and readjustment of the rental charge at the lapse of the first 25 years based on the market value of the land in its unimproved state at that time.

The council shall require in said lease agreement such terms and conditions as it shall deem necessary for the uniform development of the meadowlands.

The lessee shall have the option of acquiring, if the council approves, a conveyance of the State’s interest at any time during the term of the lease or any extension. In fixing the consideration for said conveyance, the council shall determine the fair market value of the property in its unimproved state at the start of the lease and shall give a reasonable credit for the rental paid by the lessee during the term of the lease or any extension thereof.

C. 13:1B-13.11 Effect of application.
97. The application for or acceptance of a lease shall not be deemed a recognition of the State’s claim of paramount title by the claimant, nor shall the claimant be deemed to have waived his right to apply for an adjudication of title to the Superior Court. An application for any conveyance may also be made after the claimant has failed to establish the primacy of his title before the Superior Court.

C. 13:1B-13.12 Payment at lapse of lease.
98. Upon the expiration of the lease, or any renewal thereof, the lessee shall cease his activity and vacate the parcel; provided,
however, that he shall be entitled to be reimbursed by the council for the provable original cost of any reclamation performed on the parcel prior to the effective date of this act or with the approval of the council, and also for the value of any permanent structures erected on the parcel prior to the effective date of this act or with the approval of the council. The amount of reimbursement for permanent structures shall be based on the provable original cost, unamortized, at the time of expiration of the lease.

99. The net proceeds from the sale, lease or transfer of the State’s interest in the meadowlands shall be paid to the Fund for the Support of Free Public Schools established by the Constitution, Article VIII, Section IV, after deducting from the net proceeds any expenditures of the Hackensack Meadowlands Development Commission for reclaiming land within the district. The amount of said deduction for reclamation shall be paid to the Hackensack Meadowland Development Commission.

100. Except as provided by this act, the council shall execute conveyances, leases and transfers for meadowlands in the same manner and subject to the same provisions and conditions as presently applicable to all riparian instruments. Any instrument conveying or releasing the State’s interest in the meadowlands executed by the council prior to this act is valid and binding notwithstanding any inconsistency with the provisions of this act.

C. 13:1B-13.15 Virgin meadowland affidavit of noninterest.

101. Where a claimant of virgin meadowlands outside of the Hackensack meadowland alleges that because of natural accretion the State no longer has a riparian interest in said land, the claimant may apply to the council for an affidavit of noninterest. Attached to said application shall be a topographic survey by a licensed professional engineer or land surveyor based on the U. S. Coast and Geodetic Survey Monumentation as to current elevation of said property and such other information and data as the council shall require.

Upon receipt of said application, the council shall compare said survey with the records and maps of the State. If the council determines that because of natural accretion and the present elevation of the property, the State no longer has any interest in such
parcel of virgin meadowlands outside of the Hackensack meadowlands, the council shall execute an affidavit of noninterest. Said affidavit of noninterest shall be recordable in the office of the county recording officer of the county in which the lands are located. The council may charge a reasonable fee for the review and issuance of an affidavit of noninterest.

102. There is hereby appropriated to the Department of Conservation and Economic Development for the use of the Resource Development Council in the performance of its powers and duties pursuant to this act the sum of $100,000.00.

C. EFFECTIVE DATE

   "Commission" means the New Jersey Public Broadcasting Commission.
   "Public broadcasting" includes all aspects of noncommercial radio and television, open and closed circuit, including the pro-
duction and dissemination of public and community affairs, educational, cultural and instructional information to the public at large within the State. For purposes of this act, public broadcasting does not include radio and television transmissions for internal communications, as presently used by public and private agencies in fields such as law enforcement, safety, transportation, traffic control, civil defense and the like.

"Public broadcasting telecommunications" includes all public broadcasting services relating to public broadcasting including intercommunications, closed circuit Instructional Television Fixed Service (ITFS) and other services requiring Federal Communications Commission spectrum allocations for transmission of electrical impulses that specifically and integrally relate to New Jersey public broadcasting. Facilities typical for application of these services would encompass micro-wave interconnection, aural and video TV transmission, multiplexing, laser beam utilization, satellite interconnection systems and other appropriate technological devices.

3. There is hereby established in the Executive Branch of the State Government the New Jersey Public Broadcasting Authority. For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the authority is hereby allocated within the Department of Public Utilities, but, notwithstanding said allocation, the authority shall be independent of any supervision or control by the department or by any board or officer thereof.

C. 48:23-4 Commission established; membership; appointment, terms, vacancies, compensation, meetings, officers.

4. a. The authority shall consist of the New Jersey Public Broadcasting Commission, which shall be the head of the authority, an executive director, who shall be the principal executive officer of the authority and such other officers and employees authorized to be appointed and employed by this act.

The commission shall be composed of 15 members, 5 of whom shall be ex-officio members, viz., the Commissioner of Education, the Chancellor of Higher Education, the Commissioner of Community Affairs, the Attorney General and the State Treasurer, or when so designated by them, their deputies, and 10 residents of the State.
c. The citizen members of the commission shall be appointed by the Governor with the advice and consent of the Senate and shall be selected without regard to political belief or affiliation. The term of office of appointed members, except for first appointments, shall be for 5 years. Each member shall serve until his successor shall have been appointed and qualified and vacancies shall be filled in the same manner as the original appointments for the remainder of the unexpired term. The terms of the members initially appointed shall be designated by the Governor so that 2 of such terms shall expire on June 30 in each successive year ensuing after such appointments.

d. The members of the commission shall receive no compensation for their services, but may be reimbursed for their expenses in performing their duties.

e. The commission shall hold public meetings at such places within the State as it shall designate at least once quarterly and at such other times as in its judgment may be necessary.

f. The commission shall organize annually in July of each year by the election of a chairman, vice-chairman and such other officers as the commission shall determine, except that the first chairman shall be designated by the Governor. Officers shall serve until the following July meeting and until their successors are elected and qualified. Vacancies in such offices shall be filled in the same manner for the unexpired term only.

g. The executive director shall be the secretary of the commission and shall have custody of its official seal. With the approval of the commission, he may designate an employee of the authority to perform such duties of the secretary and such other services as the commission shall designate.

C. 48:23-5 Executive director; appointment, salary, removal.

5. The commission shall, subject to the approval of the Governor, appoint an executive director. The executive director shall receive such salary as shall be provided by law. He shall devote his entire time to performance of his duties and shall, unless and until removed by the Governor, hold office at the will of the commission. Appointment of the executive director shall not be restricted to residents of this State. The executive director may be removed from office by the Governor, upon notice and opportunity to be heard.

C. 48:23-6 Other personnel; appointment, powers and duties, compensation.

6. The executive director shall, subject to the approval of the commission, appoint such assistants and employees as the com-
mission shall deem necessary and prescribe their powers and duties. Such assistants and employees of the commission shall be chosen without reference to party affiliations, solely on grounds of fitness to perform their duties and their employment shall be in the unclassified service of the State, except that employees performing stenographic, clerical or other duties not directly related to public broadcasting shall be appointed pursuant to Title 11 (Civil Service) of the Revised Statutes. With the exception of employees having civil service status, the employees of the commission shall receive such compensation as shall from time to time be fixed by the commission within the limits of available appropriations therefor.

CHAPTER 406

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 22 of P. L. 1948, chapter 110 (C. 43:21-46) is amended to read as follows:

22. State disability benefits fund. (a) The State disability benefits fund, hereinafter referred to as the fund, is hereby established. The fund shall remain in the custody of the State Treasurer, and to the extent of its cash requirements shall be deposited in authorized public depositories in the State of New Jersey. There shall be deposited in and credited to the fund the amount of worker and employer contributions provided under subsections (d) and (e) of section 43:21-7 of the Revised Statutes, less refunds authorized by the chapter (R.S. 43:21-1 et seq.) to which this act is a supplement, and the entire amount of interest and earnings from investments of the fund, and all assessments, fines and penalties collected under this act. The fund shall be held in trust for the payment of disability benefits pursuant to this act, for the payment of benefits pursuant to subsection (f) of section 43:21-4 of the Revised Statutes, and for the payment of any authorized refunds of contributions. All warrants for the payment of benefits shall be issued by and bear only the signature of the Director of the Division of Employment Security or his duly authorized agent for that purpose. All other moneys withdrawn from the fund shall be upon warrant signed by the State Treasurer and countersigned by the Director of the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey. The Treasurer shall maintain books, records and accounts for the fund, appoint personnel and fix their compensation within the limits of available appropriations. The expenses of the treasurer in administering the fund and its accounts shall be charged against the administration account, as hereinafter established. A separate account, to be known as the administration account, shall be maintained in the
fund, and there shall be credited to such account an amount determined to be sufficient for proper administration, not to exceed, however, 8/100 of 1% of the wages with respect to which current contributions are payable into the fund, and the entire amount of any assessments against covered employers, as hereinafter provided, for costs of administration prorated among approved private plans. The costs of administration of this act including section 43:21-4(f) of the Revised Statutes shall be charged to the administration account.

(b) A further separate account, to be known as the unemployment disability account, shall be maintained in the fund. Such account shall be charged with all benefit payments under section 43:21-4(f) of the Revised Statutes.

Prior to July 1 of each calendar year, commencing with the calendar year 1949, the Division of Employment Security of the Department of Labor and Industry of the State of New Jersey shall determine the average rate of interest and other earnings on all investments of the State disability benefits fund for the preceding calendar year. An amount equal to the sum of the amounts withdrawn from the unemployment trust fund pursuant to section 23 hereof multiplied by such average rate shall be determined by the division and credited to the unemployment disability account as of the end of the preceding calendar year.

If the unemployment disability account shall show an accumulated deficit in excess of $200,000.00 at the end of any calendar year after interest and other earnings have been credited as provided hereinabove, the division shall determine the ratio of such deficit to the total of all taxable wages paid during that year. Prior to July 1 of the calendar year following each calendar year when the unemployment disability account shows such a deficit, the division shall make an assessment against the respective employers in an amount equal to the taxable wages paid by them during such preceding calendar year to employees while covered under private plans, multiplied by such ratio, but in no event shall any such assessment exceed 2/100 of 1% of such wages. Such amounts shall be collectible by the division in the same manner as provided for the collection of employer contributions under the chapter (R. S. 43:21-1 et seq.) to which this act is a supplement. In making this assessment, the division shall furnish to each affected employer a brief summary of the determination thereof. The amount of such assessments collected by the division shall be credited to the unemployment disability account.
At the same time as an assessment is made as hereinabove provided, the division shall determine an amount equal to the taxable wages paid during the preceding calendar year to employees while covered under the State plan, multiplied by the aforementioned ratio, but in no event shall such amount exceed 2/100 of 1% of such wages. The amount so determined shall be credited to the unemployment disability account.

As used in this section, "taxable wages" shall mean wages with respect to which employer contributions have been paid or are payable pursuant to subsections (a), (b) and (c) of section 43:21-7 of the Revised Statutes.

(c) A board of trustees, consisting of the State Treasurer, the Secretary of State, the Commissioner of Labor and Industry, the director of the division, and the State Comptroller, is hereby created. The board shall invest and reinvest all moneys in the fund in excess of its cash requirements, and such investments shall be made in obligations legal for savings banks; provided, however, that the provisions of this subsection shall in all respects be subject to the provisions of chapter 270 of the laws of 1950.

(d) There is hereby appropriated, to be paid out of the fund, such amounts as may from time to time be required for the payment of disability benefits, and such amounts as may be required each year, as contained in the annual appropriation act, for the administration of this act including section 43:21-4 (f) of the Revised Statutes.

2. Section 25 of P. L. 1948, chapter 110 (C. 43:21-49) is amended to read as follows:

C. 43:21-49 Notice and proof of claim.

25. (a) In the event of the disability of any individual covered under the State plan, the employer shall on the ninth day of disability issue to the individual and to the division printed notices on division forms containing the name, address, and Social Security number of the individual, such wage information as the division may require to determine the individual's eligibility for benefits, and the name, address, and division identity number of the employer, together with a printed copy of benefit instructions of the division. Not later than 30 days after the commencement of the period of disability for which such notice is furnished, the individual shall furnish to the division a notice and claim for disability benefits under the State plan or for disability during
unemployment. Upon the submission of such notices by the employer and the individual, the division may issue benefit payments for periods not exceeding 3 weeks pending the receipt of medical proof. When requested by the division, such notice and proof shall include certification of total disability by the attending physician, or a record of hospital confinement. Failure to furnish notice and proof within the time or in the manner above provided shall not invalidate or reduce any claim if it shall be shown to the satisfaction of the division not to have been reasonably possible to furnish such notice and proof and that such notice and proof was furnished as soon as reasonably possible.

(b) A person claiming benefits under the State plan or for disability during unemployment shall, when requested by the division, submit himself at intervals, but not more often than once a week, for examination by a legally licensed physician, dentist, chiropodist, or public health nurse designated by the division. In all cases of physical examination of a female claimant, the examination shall be made by a female designee of the division, if the claimant so requests. All such examinations by physicians, dentists, chiropodists, or nurses designated by the division shall be without cost to the claimant and shall be held at a reasonable time and place. Refusal to submit to such a requested examination shall disqualify the claimant from all benefits for the period of disability in question, except as to benefits already paid.

(c) All medical records of the division, except to the extent necessary for the proper administration of this act, shall be confidential and shall not be published or be open to public inspection (other than to public employees in the performance of their public duties) in any manner revealing the identity of the claimant, or the nature or cause of his disability nor admissible in evidence in any action or special proceeding other than one arising under this act.

3. This act shall take effect immediately.

Approved January 13, 1969.
CHAPTER 407

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. In any municipality in which a program of revaluation of all property in the municipality was undertaken and completed in time to be reflected in the assessments for the tax year 1968 but not in sufficient time to permit taxpayers to make applications prior to October 1, 1967, for the valuation, assessment and taxation of their lands for the tax year 1968 on the basis of being actively devoted to agricultural or horticultural use, any such application filed with the assessor since October 1, 1967, and prior to the sixtieth day following the effective date of this act, shall be deemed to have been timely made for the tax year 1968, notwithstanding any provision to the contrary of the act to which this act is a supplement or of any other law, and the taxes of any applicant whose lands qualify for valuation, assessment and taxation as lands actively devoted to agricultural or horticultural use shall be adjusted accordingly for the tax year 1968 and credited or debited, as the case may be, against any taxes due or to become due on such lands.

2. This act shall take effect immediately.

8. The Attorney General, a county prosecutor or the chairman of the State Commission of Investigation when authorized by a majority of the members of that commission or a person designated to act for such an official and to perform his duties in and during
his actual absence or disability may authorize, in writing, an ex parte application to a judge designated to receive the same for an order authorizing the interception of a wire or oral communication by the investigative or law enforcement officers or agency having responsibility for an investigation when such interception may provide evidence of the commission of the offense of murder, kidnapping, gambling, robbery, bribery, extortion, loan sharking, dealing in narcotic drugs, marijuana or other dangerous drugs, arson, burglary, embezzlement, forgery, receiving stolen property, escape, alteration of motor vehicle identification numbers or larceny punishable by imprisonment for more than one year, or any conspiracy to commit any of the foregoing offenses or which may provide evidence aiding in the apprehension of the perpetrator of any of the foregoing offenses.

C. 2A:156A-9 Contents and form of application for order to intercept communications.

9. Each application for an order of authorization to intercept a wire or oral communication shall be made in writing upon oath or affirmation and shall state:
   a. The authority of the applicant to make such application;
   b. The identity and qualifications of the investigative or law enforcement officers or agency for whom the authority to intercept a wire or oral communication is sought and the identity of whoever authorized the application;
   c. A particular statement of the facts relied upon by the applicant, including:
      (1) The identity of the particular person, if known, committing the offense and whose communications are to be intercepted;
      (2) The details as to the particular offense that has been, is being, or is about to be committed;
      (3) The particular type of communication to be intercepted;
      (4) The character and location of the particular wire communication facilities involved or the particular place where the oral communication is to be intercepted;
      (5) A statement of the period of time for which the interception is required to be maintained; if the character of the investigation is such that the authorization for interception should not automatically terminate when the described type of communication has been first obtained, a particular statement of facts establishing probable cause to believe that additional communications of the same type will occur thereafter;
(6) A particular statement of facts showing that other normal investigative procedures with respect to the offense have been tried and have failed or reasonably appear to be unlikely to succeed if tried or to be too dangerous to employ;

d. Where the application is for the renewal or extension of an order, a particular statement of facts showing the results thus far obtained from the interception, or a reasonable explanation of the failure to obtain such results;

e. A complete statement of the facts concerning all previous applications, known to the individual authorizing and to the individual making the application, made to any court for authorization to intercept a wire or oral communication involving any of the same facilities or places specified in the application or involving any person whose communication is to be intercepted, and the action taken by the court on each such application; and

f. Such additional testimony or documentary evidence in support of the application as the judge may require.

C. 2A:156A-10 Bases for order authorizing interception of communications.

10. Upon consideration of an application, the judge may enter an ex parte order, as requested or as modified, authorizing the interception of a wire or oral communication, if the court determines on the basis of the facts submitted by the applicant that there is or was probable cause for belief that:

a. The person whose communication is to be intercepted is engaging or was engaged over a period of time as a part of a continuing criminal activity or is committing, has or had committed or is about to commit an offense as provided in section 8 of this act;

b. Particular communications concerning such offense may be obtained through such interception;

c. Normal investigative procedures with respect to such offense have been tried and have failed or reasonably appear to be unlikely to succeed if tried or to be too dangerous to employ;

d. The facilities from which, or the place where, the wire or oral communications are to be intercepted, are or have been used, or are about to be used, in connection with the commission of such offense, or are leased to, listed in the name of, or commonly used by, such individual; and

e. The investigative or law enforcement officers or agency to be authorized to intercept the wire or oral communication are qualified by training and experience to execute the interception sought.
C. 2A:156A-11 Orders affecting public and certain private communication facilities; privileged communications.

11. If the facilities from which a wire communication is to be intercepted are public, no order shall be issued unless the court, in addition to the matters provided in section 10 above, determines that there is a special need to intercept wire communications over such facilities.

If the facilities from which, or the place where, the wire or oral communications are to be intercepted are being used, or are about to be used, or are leased to, listed in the name of, or commonly used by, a licensed physician, an attorney-at-law, or practicing clergyman, or is a place used primarily for habitation by a husband and wife, no order shall be issued unless the court, in addition to the matters provided in section 10 above, determines that there is a special need to intercept wire or oral communications over such facilities or in such places. No otherwise privileged wire or oral communication intercepted in accordance with, or in violation of, the provisions of this act, shall lose its privileged character.

C. 2A:156A-12 Contents of order authorizing interception of communications.

12. Each order authorizing the interception of any wire or oral communication shall state:

a. The judge is authorized to issue the order;

b. The identity of, or a particular description of, the person, if known, whose communications are to be intercepted;

c. The character and location of the particular communication facilities as to which, or the particular place of the communication as to which, authority to intercept is granted;

d. A particular description of the type of the communication to be intercepted and a statement of the particular offense to which it relates;

e. The identity of the investigative or law enforcement officers or agency to whom the authority to intercept a wire or oral communication is given and the identity of whoever authorized the application; and

f. The period of time during which such interception is authorized, including a statement as to whether or not the interception shall automatically terminate when the described communication has been first obtained.

No order entered under this section shall authorize the interception of any wire or oral communication for a period of time in excess of that necessary under the circumstances. Every order entered under this section shall require that such interception begin
and terminate as soon as practicable and be conducted in such a manner as to minimize or eliminate the interception of such communications not otherwise subject to interception under this act. In no case shall an order entered under this section authorize the interception of wire or oral communications for any period exceeding 30 days. Extensions or renewals of such an order may be granted for periods of not more than 30 days. No extension or renewal shall be granted unless an application for it is made in accordance with this section, and the court makes the findings required by sections 10, 11 and this section.

Whenever an order authorizing an interception is entered, the order may require reports to be made to the judge who issued the order showing what progress has been made toward achievement of the authorized objective and the need for continued interception. Such reports shall be made at such intervals as the court may require.

C. 2A:156A-13  Verbal authorization to intercept communications; disposition of recording of information obtained under certain circumstances.

13. Whenever, upon informal application by an authorized applicant, a judge determines there are grounds upon which an order could be issued pursuant to this act, and that an emergency situation exists with respect to the investigation of conspiratorial activities of organized crime, related to an offense designated in section 8 of this act, dictating authorization for immediate interception of wire or oral communication before an application for an order could with due diligence be submitted to him and acted upon, the judge may grant verbal approval for such interception without an order, conditioned upon the filing with him, within 48 hours thereafter, of an application for an order which, if granted, shall recite the verbal approval and be retroactive to the time of such verbal approval. Such interception shall immediately terminate when the communication sought is obtained or when the application for an order is denied. In the event no application for an order is made, the content of any wire or oral communication intercepted shall be treated as having been obtained in violation of this act.

In the event no application is made or an application made pursuant to this section is denied, the court shall require the wire, tape or other recording of the intercepted communication to be delivered to, and sealed by, the court and such evidence shall be retained by the court in accordance with section 14 and the same shall not be used or disclosed in any legal proceeding except in a
civil action brought by an aggrieved person pursuant to section 24 or as otherwise authorized by court order. Failure to effect delivery of any such wire, tape or other recording shall be punishable as contempt by the court directing such delivery. Evidence of verbal authorization to intercept an oral or wire communication shall be a defense to any charge against the investigating or law enforcement officer for engaging in unlawful interception.

C. 2A:156A-14 Recording of intercepted communications; custody.

14. Any wire or oral communication intercepted in accordance with this act shall, if practicable, be recorded by tape, wire or other comparable method. The recording shall be done in such a way as will protect it from editing or other alteration. Immediately upon the expiration of the order or extensions or renewals thereof, the tapes, wires or other recordings shall be transferred to the judge issuing the order and sealed under his direction. Custody of the tapes, wires or other recordings shall be maintained wherever the court directs. They shall not be destroyed except upon an order of such court and in any event shall be kept for 10 years. Duplicate tapes, wires or other recordings may be made for disclosure or use pursuant to subsection a. of section 17 of this act. The presence of the seal provided by this section, or a satisfactory explanation for its absence, shall be a prerequisite for the disclosure of the contents of any wire or oral communication, or evidence derived therefrom, under subsection b. of section 17 of this act.

15. Applications made and orders granted pursuant to this act and supporting papers shall be sealed by the court and shall be held in custody as the court shall direct and shall not be destroyed except on order of the court and in any event shall be kept for 10 years. They may be disclosed only upon a showing of good cause before a court of competent jurisdiction.

Any violation of the provisions of this section may be punished as contempt of the issuing or denying court.

C. 2A:156A-16 Service and contents of inventory.

16. Within a reasonable time but not later than 90 days after the termination of the period of the order or of extensions or renewals thereof, or the date of the denial of an order applied for under section 13, the issuing or denying judge shall cause to be served on the person named in the order or application, and such other parties to the intercepted communications as the judge may in his discre-
tion determine to be in the interest of justice, an inventory which shall include:

a. Notice of the entry of the order or the application for an order denied under section 13;
b. The date of the entry of the order or the denial of an order applied for under section 13;
c. The period of authorized or disapproved interception; and
d. The fact that during the period wire or oral communications were or were not intercepted.

The court, upon the filing of a motion, may in its discretion make available to such person or his attorney for inspection such portions of the intercepted communications, applications and orders as the court determines to be in the interest of justice. On an ex parte showing of good cause to the court the serving of the inventory required by this section may be postponed.

C. 2A:156A-17 Disclosure of certain information to other law enforcement officers or agencies.

17. a. Any investigative or law enforcement officer who, by any means authorized by this act, has obtained knowledge of the contents of any wire or oral communication, or evidence derived therefrom, may disclose or use such contents or evidence to another investigative or law enforcement officer to the extent that such disclosure or use is appropriate to the proper performance of his official duties.

b. Any person who, by any means authorized by this act, has obtained any information concerning any wire or oral communication or evidence derived therefrom intercepted in accordance with the provisions of this act, may disclose the contents of such communication or derivative evidence while giving testimony under oath or affirmation in any criminal proceeding in any court of this or another State or of the United States or before any Federal or State grand jury.

c. The contents of any intercepted wire or oral communication, or evidence derived therefrom, may otherwise be disclosed or used only upon a showing of good cause before a court of competent jurisdiction.

C. 2A:156A-18 Disclosure of certain information relating to other offenses.

18. When an investigative or law enforcement officer, while engaged in intercepting wire or oral communications in the manner authorized herein, intercepts wire or oral communications relating to offenses other than those specified in the order of authorization, the contents thereof, and evidence derived therefrom, may be dis-
closed or used as provided in subsection a. of section 17. Such contents and any evidence derived therefrom may be used under subsection b. of section 17 when authorized or approved by a judge of competent jurisdiction where such judge finds on subsequent application that the contents were otherwise intercepted in accordance with the provisions of this act. Such application shall be made as soon as practicable.

C. 2A:156A-19 Unlawful disclosure of certain information; penalty.

19. Except as specifically authorized pursuant to this act any person who uses or discloses the existence of an order authorizing interception of a wire or oral communication or the contents of, or information concerning, an intercepted wire or oral communication or evidence derived therefrom, is guilty of a misdemeanor.

20. The contents of any wire or oral communication intercepted in accordance with the provisions of this act, or evidence derived therefrom, shall not be disclosed in any trial, hearing, or proceeding before any court of this State unless not less than 10 days before the trial, hearing, or proceeding the parties to the action have been served with a copy of the order and accompanying application under which the interception was authorized.

The service of inventory, order, and application required by this section may be waived by the court where it finds that the service is not practicable and that the parties will not be prejudiced by the failure to make the service.

C. 2A:156A-21 Action to suppress contents of intercepted communications.

21. Any aggrieved person in any trial, hearing, or proceeding in or before any court or other authority of this State may move to suppress the contents of any intercepted wire or oral communication, or evidence derived therefrom, on the grounds that:

a. The communication was unlawfully intercepted;

b. The order of authorization is insufficient on its face;

c. The interception was not made in conformity with the order of authorization.

The motion shall be made at least 10 days before the trial, hearing, or proceeding unless there was no opportunity to make the motion or the moving party was not aware of the grounds for the motion. The court, upon the filing of such motion by the aggrieved person, may in his discretion make available to the aggrieved person or his counsel for inspection such portions of the intercepted com-
munication, or evidence derived therefrom, as the court determines to be in the interests of justice. If the motion is granted, the contents of the intercepted wire or oral communication, or evidence derived therefrom, shall not be received in evidence in the trial, hearing or proceeding.

In addition to any other right to appeal, the State shall have the right to appeal from an order granting a motion to suppress if the official to whom the order authorizing the intercept was granted shall certify to the court that the appeal is not taken for purposes of delay. The appeal shall be taken within the time specified by the Rules of Court and shall be diligently prosecuted.

C. 2A:156A-22 Judge's report; contents.

22. Within 30 days after the expiration of an order or an extension or renewal thereof entered under this act or the denial of an order confirming verbal approval of interception, the issuing or denying judge shall make a report to the Administrative Director of the courts stating that:
   a. An order, extension or renewal was applied for;
   b. The kind of order applied for;
   c. The order was granted as applied for, was modified, or was denied;
   d. The period of the interceptions authorized by the order, and the number and duration of any extensions or renewals of the order;
   e. The offense specified in the order, or extension or renewal of an order;
   f. The identity of the person authorizing the application and of the investigative or law enforcement officer and agency for whom it was made; and
   g. The character of the facilities from which or the place where the communications were to be intercepted.

C. 2A:156A-23 Judges' annual reports; contents.

23. In addition to reports required to be made by applicants pursuant to Federal law, all judges of the Superior Court authorized to issue orders pursuant to this act shall make annual reports on the operation of this act to the Administrative Director of the Courts. The reports by the judges shall contain (1) the number of applications made; (2) the number of orders issued; (3) the effective periods of such orders; (4) the number and duration of any renewals thereof; (5) the crimes in connection with which the conversations were sought; (6) the names of the applicants; and (7) such other and further particulars as the Administrative Director of the Courts may require.
The Chief Justice of the Supreme Court shall annually report to the Governor and the Legislature on such aspects of the operation of this act as he deems appropriate including any recommendations he may care to make as to legislative changes or improvements to effectuate the purposes of this act and to assure and protect individual rights.

C. 2A:156A-24 Civil action; recovery.

24. Any person whose wire or oral communication is intercepted, disclosed or used in violation of this act shall have a civil cause of action against any person who intercepts, discloses or uses or procures any other person to intercept, disclose or use, such communication; and shall be entitled to recover from any such person:

a. Actual damages, but not less than liquidated damages computed at the rate of $100.00 a day for each day of violation, or $1,000.00, whichever is higher;

b. Punitive damages; and

c. A reasonable attorney’s fee and other litigation costs reasonably incurred.

C. 2A:156A-25 Defense to actions or proceedings.

25. A good faith reliance on a court order authorizing the interception shall constitute a complete defense to a civil or criminal action brought under this act or to administrative proceedings brought against a law enforcement officer.

26. If any section, subsection or portion or provision of any section or sections of this act or the application thereof by or to any person or circumstances is declared invalid, the remainder of the section or sections or subsection of this act and the application thereof by or to other persons or circumstances shall not be affected thereby.

Repealer.

27. Section 2A:146-1 of the New Jersey Statutes is repealed.

28. This act shall take effect January 1, 1969, and remain in effect until December 31, 1974.

Approved January 14, 1969.
CHAPTER 410

An Act concerning practice and procedure of administrative agencies of the State.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 52:14B-1 Short title.
1. This act shall be known and may be cited as the "Administrative Procedure Act."

C. 52:14B-2 Definitions.
2. As used in this act:
   (a) "State agency" or "agency" shall include each of the principal departments in the executive branch of the State Government, and all boards, divisions, commissions, agencies, departments, councils, authorities, offices or officers within any such departments now existing or hereafter established and authorized by statute to make, adopt or promulgate rules or adjudicate contested cases, except the office of the Governor, the Division of Workmen's Compensation in the Department of Labor and Industry, the Department of Defense, and any boards, divisions, commissions, councils, agencies, departments, authorities, offices or officers therein, and all agencies the primary responsibility of which is the management or operation of a State educational, medical, mental, rehabilitative, custodial, penal or correctional institution or program, insofar as the acts of such agency relate to the internal affairs of such institution or program.

   (b) "Contested case" means a proceeding, including any licensing proceeding, in which the legal rights, duties, obligations, privileges, benefits or other legal relations of specific parties are required by constitutional right or by statute to be determined by an agency by decisions, determinations, or orders, addressed to them or disposing of their interests, after opportunity for an agency hearing.

   (c) "Administrative adjudication" or "adjudication" includes any and every final determination, decision or order made or rendered in any contested case.
(d) "The head of the agency" means and includes the individual or group of individuals constituting the highest authority within any agency authorized or required by law to render an adjudication in a contested case.

(e) "Administrative rule" or "rule," when not otherwise modified, means each agency statement of general applicability and continuing effect that implements or interprets law or policy, or describes the organization, procedure or practice requirements of any agency. The term includes the amendment or repeal of any rule, but does not include: (1) statements concerning the internal management or discipline of any agency; (2) intraagency and interagency statements; and (3) agency decisions and findings in contested cases.

(f) "License" includes the whole or part of any agency license, permit, certificate, approval, chapter, registration or other form of permission required by law.

(g) "Secretary" means the Secretary of State.

(h) "Director" shall mean the Director of the Division of Administrative Procedure, unless otherwise indicated by context.

C. 52:14B-3 Additional responsibilities of each State agency.

3. In addition to other rule-making requirements imposed by law, each agency shall:

(1) adopt as a rule a description of its organization, stating the general course and method of its operations and the methods whereby the public may obtain information or make submissions or requests;

(2) adopt rules of practice setting forth the nature and requirements of all formal and informal procedures available, including a description of all forms and instructions used by the agency;

(3) make available for public inspection all final orders, decisions, and opinions, in accordance with the provisions of chapter 73 of the laws of 1963 as amended and supplemented (C. 47:1A-1 et seq.).

C. 52:14B-4 Adoption, amendment or repeal of agency rules.

4. (a) Prior to the adoption, amendment, or repeal of any rule, except as may be otherwise provided, the agency shall:

(1) Give at least 20 days' notice of its intended action. The notice shall include a statement of either the terms or substance of the intended action or a description of the subjects and issues involved, and the time when, the place where, and the manner
in which interested persons may present their views thereon. The notice shall be mailed to all persons who have made timely request of the agency for advance notice of its rule-making proceedings and in addition to other public notice required by law shall be published in the New Jersey Register;

(2) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. The agency shall consider fully all written and oral submissions respecting the proposed rule.

(b) A rule prescribing the organization or procedure of an agency may be adopted at any time without prior notice or hearing. Such rule shall be effective upon filing in accordance with section 5 of this act or upon any later date specified by the agency.

(c) If an agency finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon fewer than 20 days’ notice and states in writing its reasons for that finding, it may proceed without prior notice or hearing or upon any abbreviated notice and hearing that it finds practicable, to adopt the rule.

(d) No rule hereafter adopted is valid unless adopted in substantial compliance with this section. A proceeding to contest any rule on the ground of noncompliance with the procedural requirements of this section must be commenced within 1 year from the effective date of the rule.

C. 52:148-5 Filing and publication of rules.

5. (a) Each agency shall file in the office of the Secretary of State a certified copy of each rule adopted by it.

(c) The Secretary of State shall: (1) accept for filing or publication any rule duly adopted and submitted by any agency pursuant to this act; (2) endorse upon the certified copy of each rule accepted for filing pursuant to this act the date and time upon which such rule was filed; and (3) maintain the certified copy of each rule so filed in a permanent register open to public inspection.

(d) The filing of a certified copy of any rule shall be deemed to establish the rebuttable presumptions that: (1) it was duly adopted; (2) it was duly submitted for prepublication and made available for public inspection at the hour and date endorsed upon it; (3) all requirements of this act and of interagency rules of the Secretary of State relative to such rule have been complied with;
(4) its text is the text of the rule as adopted. Judicial notice shall be taken of the text of each rule, duly filed.

(e) The publication of a rule in the New Jersey Administrative Code or the New Jersey Register shall be deemed to establish the rebuttable presumption that the rule was duly filed and that the text of the rule as so published is the text of the rule adopted. Judicial notice shall be taken of the text of each rule published in the New Jersey Administrative Code or the New Jersey Register.

C. 52:14B-6 Division of Administrative Procedure; creation, personnel; appointment and duties of director.

6. (a) There is hereby created in the Department of State a Division of Administrative Procedure.

(b) The secretary shall employ and assign to the division such personnel as shall enable the division to discharge its responsibilities effectively and efficiently. The Department of State shall furnish such funds, equipment, and personnel as is necessary to implement the work of the division within the limits of appropriations for the purpose.

(c) The division shall be under the immediate supervision of a director who shall be a person qualified by training and experience to direct the work of such division. (d) The secretary shall oversee the implementation of this act by each agency and is empowered to do all things necessary and appropriate to that end. The secretary shall delegate to the director his responsibility and authority pursuant to this act, or such of
that responsibility and authority as he may deem desirable, which shall be exercised under his supervision and direction.

(e) The division: (1) shall advise agencies concerning their obligations under this act, subject to the provisions of section 4(b) and 4(e) of chapter 20, laws of 1944, as amended and supplemented (C. 52:17A-4b and 4e); (2) shall advise agencies in connection with the preparation, consideration, publication and interpretation of rules required or appropriate pursuant to this act; (3) shall, to the extent and in such manner as the director may deem appropriate, assist agencies in the preparation of rules to the end that such rules be uniform and consistent to the extent practicable; (4) shall secure, compile, and maintain as reference material rules and supporting information appropriate to the exercise of its responsibilities; (5) shall effect and maintain liaison with agencies to assure compliance with this act; (6) shall formulate interdepartmental rules for the prompt, proper and co-ordinated promulgation of all rules required or appropriate pursuant to this act; (7) shall have access to information concerning each agency to assure the proper promulgation of all rules required by law; (8) shall advise each agency and, to such extent as the director may deem appropriate, shall establish standards regarding the conduct of hearings.

C. 52:14B-7 New Jersey Administrative Code; New Jersey Register; publication; contents; standards for form; director's authority.

7. (a) The director shall compile, index, and publish a publication to be known as the “New Jersey Administrative Code,” containing all effective rules adopted by each agency. The code shall be periodically supplemented or revised.

(b) The director shall publish a monthly bulletin to be known as the “New Jersey Register” setting forth: (1) the text of all rules filed during the preceding month, and (2) such notices as shall have been submitted pursuant to this act.

(c) The director may omit from the New Jersey Register or compilation any rule the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if the rule in printed or processed form is made available by the adopting agency on application thereto, and if the register or code contains a notice stating the general subject matter of the omitted rule and stating the manner in which a copy thereof may be obtained. He may include within the New Jersey Register and the New Jersey Administrative Code any document, material or information which he in his discretion may deem appropriate and convenient.
(d) Copies of the New Jersey Register and compilations shall be made available upon request to agencies and officials of this State and such other public officials as the director may designate free of charge and to other persons at prices fixed by the director to cover mailing and publication costs.

(e) To facilitate uniformity in the compilation and indexing of all agency rules, the director, in collaboration with the Director of the Division of the State Library, Archives and History, shall formulate and distribute to all agencies standards for the form, arrangement, numbering and indexing of agency rules and shall consult with each agency in the preparation of compilations of its rules.

(f) The director may determine the order in which such rules or any parts thereof are to be presented in the New Jersey Register and the New Jersey Administrative Code; he may number or renumber the parts, paragraphs and sections into which such rules may be divided; he may further divide or combine existing parts, paragraphs and sections and he may provide for appropriate digests, indices and other related material. He shall not, however, change the language of any existing rule excepting a title or explanatory caption; but he shall recommend any such changes as he may deem advisable to the administrative agency authorized to adopt such rule.

(g) The director is hereby authorized and empowered to promulgate and enforce interagency rules for the implementation and administration of this act.

C. 52:14B-8 Declaratory rulings of agencies.

8. Declaratory rulings. Subject to the provisions of section 4(b) and 4(e) of chapter 20, laws of 1944, as amended and supplemented (C. 52:17A-4b and 4e), an agency upon the request of any interested person may in its discretion make a declaratory ruling with respect to the applicability to any person, property or state of facts of any statute or rule enforced or administered by that agency. A declaratory ruling shall bind the agency and all parties to the proceedings on the state of facts alleged. Full opportunity for hearing shall be afforded to the interested parties. Such ruling shall be deemed a final decision or action subject to review in the Appellate Division of the Superior Court. Nothing herein shall affect the right or practice of every agency in its sole discretion to render advisory opinions.
C. 52:14B-9 Notice and conduct of hearings.

9. (a) In a contested case, all parties shall be afforded an opportunity for hearing after reasonable notice.
   (b) The notice shall include in addition to such other information as may be deemed appropriate:
      (1) A statement of the time, place, and nature of the hearing;
      (2) A statement of the legal authority and jurisdiction under which the hearing is to be held;
      (3) A reference to the particular sections of the statutes and rules involved;
      (4) A short and plain statement of the matters asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. Thereafter upon application a more definite and detailed statement shall be furnished.
   (c) Opportunity shall be afforded all parties to respond, appear and present evidence and argument on all issues involved.
   (d) Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, or consent order.
   (e) Oral proceedings or any part thereof shall be transcribed on request of any party at the expense of such party.
   (f) Findings of fact shall be based exclusively on the evidence and on matters officially noticed.
   (g) Unless otherwise provided by any law, agencies may place on any party the responsibility of requesting a hearing if the agency notifies him in writing of his right to a hearing and of his responsibility to request the hearing.

C. 52:14B-10 Admissible evidence; certain notice authorized; presiding officer's report; form, contents and effective date of final decision.

10. In contested cases:
   (a) The parties shall not be bound by rules of evidence whether statutory, common law, or adopted by the Rules of Court. All relevant evidence is admissible, except as otherwise provided herein. The presiding officer may in his discretion exclude any evidence if he finds that its probative value is substantially outweighed by the risk that its admission will either (i) necessitate undue consumption of time or (ii) create substantial danger of undue prejudice or confusion. The presiding officer shall give effect to the rules of privilege recognized by law. Every party shall have the right to present his case or defense by oral and documentary evidence, to submit rebuttal evidence and to conduct such cross-examination as may be required for a full and true disclosure of the facts.
(b) Notice may be taken of judicially noticeable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material notice, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

(c) When a person not empowered to render an administrative adjudication is designated by the head of the agency as the presiding officer, his recommended report and decision containing recommended findings of fact and conclusions of law shall be filed with the agency and delivered or mailed to the parties of record; and an opportunity shall be afforded each party of record to file exceptions, objections and replies thereto, and to present argument to the head of the agency or a majority thereof, either orally or in writing, as the agency may order. The head of the agency shall adopt, reject or modify the recommended report and decision. The recommended report and decision shall be a part of the record in the case.

(d) A final decision or order adverse to a party in a contested case shall be in writing or stated in the record. A final decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. If, in accordance with agency rules, a party submitted proposed findings of fact, the decision shall include a ruling upon each proposed finding. Parties shall be notified either personally or by mail of any decision or order. Upon request a copy of the decision or order shall be delivered or mailed forthwith by registered or certified mail to each party and to his attorney of record.

(e) Except where otherwise provided by law, the administrative adjudication of the agency shall be effective on the date of delivery or on the date of mailing, of the final decision to the parties of record, whichever shall occur first, or shall be effective on any date after the date of delivery or mailing, as the agency may provide by general rule or by order in the case. The date of delivery or mailing shall be stamped on the face of the decision.
C. 52:14B-11 Hearings authorized for certain licensees.

11. No agency shall revoke or refuse to renew any license unless it has first afforded the licensee an opportunity for hearing in conformity with the provisions of this act applicable to contested cases. If a licensee has, in accordance with law and agency rules, made timely and sufficient application for a renewal, his license shall not expire until his application has been finally determined by the agency. Any agency that has authority to suspend a license without first holding a hearing shall promptly upon exercising such authority afford the licensee an opportunity for hearing in conformity with the provisions of this act.

This section shall not apply (1) where a statute provides that an agency is not required to grant a hearing in regard to revocation, suspension or refusal to renew a license, as the case may be; or (2) where the agency is required by any law to revoke, suspend or refuse to renew a license, as the case may be, without exercising any discretion in the matter, on the basis of a judgment of a court of competent jurisdiction; or (3) where the suspension or refusal to renew is based solely upon failure of the licensee to maintain insurance coverage as required by any law or regulation.

C. 52:14B-12 Administrative or judicial review.

12. Whenever under statute or agency rule there is a mode of administrative review within an agency, such review shall remain unimpaired and any judicial review shall be from the final action of the agency. The administrative review within the agency need not comply with the requirements for the conduct of contested cases.

C. 52:14B-13 Affect of act on prior proceedings.

13. Nothing in this act shall be deemed to affect any agency proceeding initiated prior to the effective date hereof.

C. 52:14B-14 Severability of act.

14. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application and to this end the provisions of this act are declared to be severable.

C. 52:14B-15 Repealer.

15. All acts and parts of acts which are inconsistent with the provisions of this act are, to the extent of such inconsistency, hereby repealed; but such repeal shall not affect pending proceedings.
16. There is hereby appropriated out of the General Treasury the sum of $300,000.00 to the Department of State for use to the extent and in the manner that the secretary may deem necessary in connection with the action authorized by section 17 of this act for the fiscal year ending June 30, 1969.

17. This act shall take effect September 1, 1969; provided, however, that any agency upon which responsibility or duty is imposed by this act may immediately take such action as may be necessary in preparation for the discharge of such responsibility or duty.

Approved January 14, 1969.

assistance benefits and otherwise to accomplish the purposes of this act, including specifically the following:

b. Subject to the limits imposed by this act, to determine the amount and scope of services to be covered, that the amounts to be paid are reasonable, and the duration of medical assistance to be furnished; provided, however, that the department shall provide medical assistance on behalf of all recipients of categorical assistance and such other related groups as are mandatory under Federal laws and rules and regulations, as they now are or as they may be hereafter amended, in order to obtain Federal matching funds for such purposes and, in addition, provide medical assistance for the foster children specified in section 3.f.(5) of this act. The medical assistance provided for these groups shall not be less in scope, duration, or amount than is currently furnished such groups, and in addition, shall include at least the minimum services required under Federal laws and rules and regulations to obtain Federal matching funds for such purposes.

The commissioner is authorized and empowered, at such times as he may determine feasible, within the limits of appropriated funds for any fiscal year, to extend the scope, duration, and amount of medical assistance on behalf of these groups of categorical assistance recipients, related groups as are mandatory, and foster children authorized pursuant to section 3.f.(5) of this act, so as to include, in whole or in part, the optional medical services authorized under Federal laws and rules and regulations, and the commissioner shall have the authority to establish and maintain the priorities given such optional medical services; provided, however, that medical assistance shall be provided to at least such groups and in such scope, duration, and amount as are required to obtain Federal matching funds, but in no event shall medical assistance be furnished under this act on behalf of any individuals or groups not enumerated in section 3. f. for whom Federal matching funds
cannot be obtained, nor in any scope, duration or amount in excess of those for which Federal matching funds can be obtained;

c. To administer the provisions of this act;

d. To make reports to the Federal Department of Health, Education and Welfare as from time to time may be required by such Federal department and to the New Jersey Legislature as hereinafter provided;

e. To assure that any applicant for medical assistance shall be afforded the opportunity for a fair hearing by the department should his claim for medical assistance be denied or not acted upon with reasonable promptness;

i. To recover any and all benefits incorrectly paid to a provider on behalf of a recipient from such recipient or from his estate except that no lien may be imposed against property of the recipient prior to his death except pursuant to the judgment of a court;

j. To take all reasonable measures to ascertain the legal liability of third parties to pay for care and services (available under the plan) arising out of injury, disease, or disability; where it is known that a third party has a legal liability, to treat such legal liability as a resource of the individual on whose behalf the care and services are made available for purposes of determining eligibility; and in any case where such a legal liability is found to exist after medical assistance has been made available on behalf of the individual, to seek reimbursement for such assistance to the extent of such legal liability. In any case where such a legal liability is found the department shall be subrogated to the rights of the individual for whom medical assistance was made available.

k. To solicit, receive and review bids pursuant to the provisions of P. L. 1954, chapter 48 (C. 52:34-6 et seq.) and all amendments and supplements thereto, by authorized insurance companies and nonprofit hospital service corporations or medical service corporations, incorporated in New Jersey, and authorized to do business pursuant to P. L. 1938, chapter 366 (C. 17:48-1 et seq.) or P. L.
1940, chapter 74 (C. 17:48A–1 et seq.), and to make recommendations in connection therewith to the State Medicaid Commission.

n. To contract with and to pay the appropriate county welfare boards for investigating and determining whether applicants for benefits under this act are eligible therefor under the standards prescribed by the department;

o. To assure that the nature and quality of the medical assistance provided for under this act shall be uniform and equitable to all recipients.

C. 30:4D-8 Method of providing payment of claims.

8. The determination of the method of providing payment of claims under this act shall be made by the State Medicaid Commission on recommendation of the commissioner which method may be:

a. By contract with insurance companies incorporated and licensed to do business in the State of New Jersey or with nonprofit hospital service corporations or medical service corporations, incorporated in New Jersey, and authorized to do business pursuant to P. L. 1938, c. 366 (C. 17:48–1 et seq.) or P. L. 1940, c. 74 (C. 17:48A–1 et seq.), to underwrite, but not for profit, on an insured premium approach, that portion of the program covering all cash grant beneficiaries plus all other State certified recipients of medical assistance within the classes set forth in section 3. f. (1) through (6) of this act, with the exception of those persons who are confined in institutions for tuberculosis and mental care or who are required by medical necessity to be confined on a presumably permanent basis in other medical care institutions by reason of disease or injury, which contract executed pursuant to section 8a shall provide that for those persons included in the program but not covered on an underwritten basis, the same carrier selected under 8a shall act as fiscal agent for the department, but not for profit, for such medical assistance benefits as may be available, and any carrier selected pursuant to the provisions of this act is hereby expressly authorized and empowered to undertake the performance of the requirements of such contract.
b. By contract with an insurance company incorporated and licensed to do business in the State of New Jersey or with non-profit organizations, incorporated in New Jersey, and authorized to do business pursuant to P. L. 1938, c. 366 (C. 17:48-1 et seq.) or P. L. 1940, c. 74 (C. 17:48A-1 et seq.), to act as fiscal agent.

c. By direct administration by the Department of Institutions and Agencies.

C. 30:4D-9 Contents of bid or contract.

9. Any bid solicited and any contract awarded by the commissioner in accordance with 8a, above shall contain:

(1) The method of payment subject to an audit of cash needs as determined by the underwriter with approval of the Director of Budget and Accounting and the State Treasurer and by such means as shall be directed by the Director of Budget and Accounting;

(2) That the initial contract term shall be for a period of 2 years commencing January 1, 1970, renewable for a period of 3 years and thereafter renewable for subsequent contract terms of 1 year each of the option of the parties; provided, however, at intervals of 6 months during any contract term, under conditions specified in subparagraph (4) and (5) below, the amount of the premium rate shall be subject to adjustment for the next 6 month interval of the then current contract term or the ensuing contract term, whichever is applicable;

(3) That provision shall be made for the establishment and maintenance, in the custody of the underwriter on behalf of the State, of a rate stabilization reserve to which the State, on the effective date of the contract, shall make an initial contribution of $2,000,000.00. Thereafter, it shall be the intent, from premium contributions and interest earnings, to increase said reserve to an amount equal to approximately 2 months’ average premium payments and, to the extent feasible, to maintain it at that figure; and, to assure compliance with such intent, all premium rates for said contract shall include a factor which is projected to accumulate to and maintain said reserve at the level herein specified. Funds in said reserve shall be available for use by the underwriter to cover liabilities under the contract during any contract term in which the incurred liabilities of the underwriter for claims payments and operating expenses exceed premiums paid;

(4) That for any rating period should the incurred premiums payable exceed the sum of (a) liabilities for paid and incurred claims, and (b) liabilities for paid and incurred operating expenses of the underwriter, such excess and any interest thereon shall
accrue to the benefit of the State and shall be credited to the rate stabilization reserve. Any such funds held on behalf of the State shall be invested by the Director of the Division of Investments in the Department of the Treasury or invested in a manner prescribed by such director. If at the end of any rating period, the amount in said reserve exceeds the level specified in subparagraph (3) above, this fact, along with the relevant factors specified in subparagraph (6) below, shall be taken into consideration in determining whether or not an adjustment in premium rate will be required for the ensuing rating period;

(5) That should premiums paid, for a 6 month rating period in any contract term, be insufficient to cover liabilities for paid and incurred claims and operating expenses of the underwriter and to maintain the rate stabilization reserve at the level specified in section 9 (3), there shall be an adjustment in the premium rate for the ensuing rating period. The new premium shall provide for the recoupment of such insufficiency;

(6) That all premium rates for the contract shall be calculated giving due consideration to all relevant factors including the experience derived during the current and prior rating periods, future cost trends, and maintenance of the rate stabilization reserve. The amount of the premium rate for each 6 months’ rating period shall be subject to approval of the Commissioner of Banking and Insurance. Should such approval be given after the beginning of the rating period to which the new premium rate is applicable, the new rate, nevertheless, shall be effective as of the beginning of said rating period and an appropriate retroactive adjustment in premium payments shall be made;

(7) That either party may cancel such contract upon reasonable notice to the other, but not less than 6 months notice, subject to full final accounting and settlement of liabilities;

(8) That the State shall have the right to audit the financial records of the carrier and shall have the right to conduct a performance review of the carrier, continuously or in such manner as it may deem fit, and shall have the right to audit the financial records of providers, insofar as those records deal with patients who have been treated under the provisions of this act;

(9) That the underwriter and fiscal agent shall quarterly and at such other times as the State Treasurer may require and in such form as he prescribes, render an account of the expenditures of money advanced pursuant to this act.
C. 30:4D-10 Commissioner's report and recommendations.

10. Upon the opening of sealed bids submitted in accordance with sections 8. a. and 9, the commissioner shall review the same and make a report and recommendation for acceptance or rejection of a bid to the State Medicaid Commission which shall be convened to receive, consider and act upon the commissioner's recommendation. The State Medicaid Commission shall in reviewing the bids and the recommendations of the commissioner be guided by such considerations as:

a. The amount of the bids.

b. the sale or use. Every distributor and gasoline jobber shall also
deriver with every consignment of such fuel to a purchaser within
this State a written statement containing the date and number of
gallons delivered and the names of the purchaser and seller, and
such statement shall show a separate charge for the tax on every
gallon; provided, however, that such statement shall not be re­
quired to be delivered by such distributor or gasoline jobber where
sales of fuels are made at a service station and said fuels are deliv­
ered directly into the tank of a vehicle from which said fuels are
directly supplied for the propulsion of said vehicles. The rec­
ords and written statements shall be preserved by said distributor,
gasoline jobber and said purchaser respectively, for a period of
1 year and shall be offered for inspection upon the verbal or written
demand of the commissioner or any of his duly authorized assist­
ants.

9. Section 54:39–26 of the Revised Statutes is amended to read
as follows:

Monthly inventory; statement when required.

54:39–26. Every distributor and gasoline jobber shall take a
physical inventory of fuels on hand on the first or last day of every
calendar month and shall have the record of such inventory and
of all other matters mentioned in this article available at all times
for the inspection of the commissioner or his assistants. Upon de­
mand by the commissioner or his assistants every distributor and
gasoline jobber shall furnish a statement under oath reflecting the
contents of any records to be kept under this article.

10. Section 54:39–27 of the Revised Statutes is amended to read
as follows:

Monthly report of fuels sold or used; tax levied; sales between distributors and
between jobbers; penalty.

54:39–27. Every distributor and gasoline jobber shall, on or be­
fore the next to the last business day of each month, render a report
to the commissioner, stating the number of gallons of fuel sold or
used in this State by him during the preceding calendar month. A
tax of $0.07 per gallon on each gallon so reported shall be paid by
each distributor and gasoline jobber, such payment to accompany
the filing of the report. Such report shall contain such further
information as the commissioner may require. Under such
regulations as the commissioner may prescribe, sales of fuel may
be made by one licensed distributor or gasoline jobber to another
licensed distributor or gasoline jobber free of such tax. If any
distributor or gasoline jobber shall fail, neglect or refuse to file
the report within the time prescribed by this section, the com­
missioner shall note such failure, neglect or refusal upon his rec­
ords, and shall estimate the sales, distribution and use of said
distributor or gasoline jobber, assessing the tax thereon, adding
to said tax a penalty of 20% thereof for failure, neglect or refusal
to report, and such estimate shall be prima facie evidence of the
true amount of tax due to the commissioner from such distributor
or gasoline jobber; provided, that if a good and sufficient cause
or reason is shown for such delinquency, the commissioner may
remit or waive the payment of the whole or any part of the pen­
alty. Reports required by this section, exclusive of schedules, item­
ized statements and other supporting evidence annexed thereto,
shall at all reasonable times be open to the public, anything con­
tained in section 54:50–8 to the contrary notwithstanding.

11. Section 54:39–35 of the Revised Statutes is amended to read
as follows:

Definition of terms with relation to corporations.

54:39–35. The terms “distributor,” “gasoline jobber,” “retail
dealer,” “wholesale dealer,” and “person,” as used in this chap­
ter, shall include an officer, director, stockholder or employee of a
corporation, or a member of a partnership, who as such officer,
director, stockholder, employee or member is under the duty to perform the act in respect of which the violation occurs.

12. Section 54:39-37 of the Revised Statutes is amended to read as follows:

License withheld where officers previously convicted of violations.

54:39-37. No corporation shall be entitled to hold a license as a distributor, gasoline jobber, wholesale dealer, retail dealer or special licensee, when it shall appear that any officer, director or employee of such corporation has heretofore been convicted of violating any of the provisions of this chapter, or where a license issued pursuant to the provisions of this chapter and held by such officer, director, or employee has been heretofore revoked by the commissioner for cause.

13. This act shall take effect 30 days after enactment.

Approved January 17, 1969.

The funds herein appropriated may be requisitioned by the Department of Transportation for the uses and purposes specifically enumerated herein, subject to the same restrictions and control as are exercised over all other appropriated State funds, but not inconsistent with the provisions of said act.

6. The Commissioner of Transportation is hereby empowered to enter into negotiations with the Federal Government for the purpose of securing any available financial grants and to receive any such grants and thereafter the State Treasurer may cause them to be established and maintained in the aforementioned State Transportation Fund. The amount appropriated herein for the cost of mass transportation facilities and improvement of mass transportation facilities shall be also set forth in one or more construction programs by project or facility by the commissioner. No funds shall be expended pursuant to such construction programs without the approval of the Governor.

An Act to amend "An act to provide for the creation, setting apart, maintenance and administration of a city employees' retirement system in cities of the first class having, at the time of the enactment of this act, a population in excess of 400,000 inhabitants; and merging and superseding the provisions of pension funds established pursuant to article 2 of chapter 13, chapters 18 and 19, of Title 43 of the Revised Statutes, in said cities," approved November 22, 1954 (P. L. 1954, c. 218), and repealing section 25 of said act.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 13 of the act of which this act is amendatory is amended to read as follows:

C. 43:13-22.15 Members and conditions of membership in retirement system.

13. The members and conditions of membership in the retirement system created by this act shall be as follows:
(a) All persons who shall hereafter become employees of the city prior to attaining the age of 45 years, shall, upon satisfactory completion of 3 months’ service, become members of the retirement system herein created, as a condition of their employment; provided that all such persons shall submit to and pass the physical and mental examination required by the commission and shall furnish such evidence of good health, at said time, as the commission shall require; provided further, however, that the failure to pass the said physical and mental examination or failure to furnish satisfactory evidence of good health at such time shall not deprive the employee of his employment.

The failure of any employee-member to comply with the rules and regulations prescribed by the commission, pursuant to this act, shall result in the suspension or termination of membership in, or benefits of, this retirement system as may be provided from time to time by the commission.

(b) All present employees of the city, as herein defined, who had not attained the age of 45 years at the time of their permanent appointment and are found physically and mentally fit, and are not members of any retirement system supported wholly or in part by the city, may become members of the retirement system created by this act, upon written application made to the commission within 2 months after the establishment of the commission, under one of the following 2 plans:

1. To receive credit for all the time served as a permanent employee with the city prior to joining the retirement system. Such employee shall pay into the fund a sum of money equal to an amount based upon the percentage hereinafter stated that would have been deducted from his salary from June 1, 1928, or from the date of his permanent employment, whichever is the lesser period; provided, however, that if the employee desires to receive credit for only a portion of the time served as a permanent employee he shall make payments accordingly and shall receive credit for that portion of the said prior service as is covered by these payments. Said sum of money may be paid in one lump sum or by regular payroll period deductions from the salary, together with the regular deductions provided by this act, until completed; and the financial officer of the city is authorized to deduct the said amounts from the salary of said employee. Upon such payment or payments being made, the city shall annually pay into the retirement system, herein provided for, a sum of money equal
in amount to the employee's total principal payment without interest. All payments aforesaid by the employee shall be made together with 3% interest on the total amount of such payments. The maximum length of time for the payment of all employee's arrears and interest shall be 10 years from the date of membership in the fund.

(2) By regular deductions from the salary of any employee electing to become a member of the fund, without the benefit of prior service, if any, and credit therefor hereunder. Said deductions shall commence upon membership in the fund; and such employee shall not receive credit for any prior services rendered theretofore in his municipal office or position.

(c) All employees who at the time of the adoption and approval of this act are members of any of the following retirement systems in effect in said city, under and by virtue of article 2, chapter 13, Title 43 of the Revised Statutes; and of chapter 18, Title 43 of the Revised Statutes; and of chapter 19, Title 43 of the Revised Statutes, shall, upon the effective date of this act, automatically become members of the city employees' retirement system provided for by this act; and every such employee shall be deemed to agree and consent to such transfer of his membership.

(d) All present and future members of this employment retirement system may purchase, in addition to their permanent employment credits, temporary service credits for all time of temporary service which was continuous and immediately preceded their permanent employment, at the percentage rate and salary prevailing at date of application.

CHAPTER 469

An Act concerning unemployment compensation and amending section 43:21-19 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 43:21-19 of the Revised Statutes is amended to read as follows:
Definitions.

43:21–19. As used in this chapter (R. S. 43:21-1 et seq.), unless the context clearly requires otherwise:

(a) (1) “Annual payroll” means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.

(2) “Average annual payroll” means the average of the annual payrolls of any employer for the last 3 or 5 preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no “annual payroll” because of military service shall be deleted from the reckoning; the “average annual payroll” in such case is to be determined on the basis of the prior 3 or 5 calendar years in each of which the employer had an “annual payroll” in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his “average annual payroll” determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that “average annual payroll” solely for the purposes of paragraph (3) of subsection (e) of section 43:21-7 of this Title means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund, for the last 3 or 5 preceding calendar years, whichever average is higher; provided further, that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12 months’ period for which the employer’s contribution rate is computed.

(b) “Benefits” means the money payments payable to an individual, as provided in this chapter (R. S. 43:21-1 et seq.), with respect to his unemployment.

(c) “Base year” with respect to benefit years commencing on or after January 1, 1953, shall mean the 52 calendar weeks ending with the second week immediately preceding an individual’s benefit year.

(d) “Benefit year” with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with sub-
section (a) of section 43 :21-6 of this Title shall be deemed to be a "Valid Claim" for the purpose of this subsection if (1) no re­muneration was paid or is payable for the day on which, or as of which he files a claim for benefits, and no work is available to him with his current employing unit on such day, or, he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of section 43 :21-4 of this Title.

(e) "Division" means the Division of Employment Security of the Department of Labor and Industry established by chapter 446, P. L. 1948, and any transaction or exercise of authority by the director of the division thereunder, or under this chapter (R. S. 43 :21-1 et seq.), shall be deemed to be performed by the division.

(f) "Contributions" means the money payments to the State unemployment compensation fund required by this chapter (R. S. 43 :21-1 et seq.).

(g) "Employing unit" means any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or subsequent to January 1, 1936, had in its employ one or more individuals performing services for it within this State. All individuals performing services within this State for any employing unit which maintains 2 or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter (R. S. 43 :21-1 et seq.). Whenever any employing unit contracts with or has under it any contractor or subcontractor for any employment which is part of its usual trade, occupation, profession, or business, unless the employing unit as well as each such contractor or subcontractor is an employer by reason of subsection (e) of section 43 :21-8 of this Title or subsection (h) of this section, the employing unit shall for all the purposes of this chapter be deemed to employ each individual in the employ of each such contractor or subcontractor for each day during which such individual is engaged in performing such employment; except that each such contractor or subcontractor who is an employer by reason of subsection (e) of section 43 :21-8 of this Title or subsection (h) of this section, shall alone be liable for the contributions measured by wages payable to individuals in his employ, and except that any employ-
ing unit who shall become liable for and pay contributions with respect to individuals in the employ of any such contractor or subcontractor who is not an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, may recover the same from such contractor or subcontractor. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this chapter (R. S. 43:21-1 et seq.), whether such individual was hired or paid directly by such employing unit or by such agent or employee; provided, the employing unit had actual or constructive knowledge of the work.

(h) "Employer" means:

(1) Any employing unit which for some portion of a day, but not necessarily simultaneously, in each of 20 different weeks, whether or not such weeks are or were consecutive, within either the current or the preceding calendar year has or had in employment 4 or more individuals (irrespective of whether the same individuals are or were employed in each such day);

(2) Any employing unit (whether or not an employing unit at the time of acquisition) which acquired the organization, trade or business, or substantially all the assets thereof, of another which at the time of such acquisition was an employer subject to this chapter (R. S. 43:21-1 et seq.);

(3) Any employing unit which acquired the organization, trade or business, or substantially all the assets thereof, of another employing unit and which, if treated as a single unit with such other employing unit, would be an employer under paragraph (1) of this subsection;

(4) Any employing unit which together with one or more other employing units is owned or controlled (by legally enforceable means or otherwise), directly or indirectly by the same interests, or which owns or controls one or more other employing units (by legally enforceable means or otherwise), and which, if treated as a single unit with such other employing unit or interest, would be an employer under paragraph (1) of this subsection;

(5) Any employing unit which, having become an employer under paragraphs (1), (2), (3) or (4) has not, under section 43:21-8 of this chapter (R. S. 43:21-1 et seq.) ceased to be an employer subject to this chapter (R. S. 43:21-1 et seq.) or

S. 43:21–1 et seq.) if contributions are not required and paid with respect to such services under an unemployment compensation law of any other State or of the Federal Government.

(4) Services not covered under paragraph (2) of this subsection, and performed entirely without this State, with respect to no part of which contributions are required and paid under an unemployment compensation law of any other State or of the Federal Government, shall be deemed to be employment subject to this chapter (R. S. 43:21–1 et seq.) if the individual performing such services is a resident of this State and the employing unit for whom such services are performed files with the division an election that the entire service of such individual shall be deemed to be employment subject to this chapter (R. S. 43:21–1 et seq.).

(5) Service shall be deemed to be localized within a State if

(A) the service is performed entirely within such State; or

(B) the service is performed both within and without such State, but the service performed without such State is incidental to the individual’s service within the State, for example, is temporary or transitory in nature or consists of isolated transactions.

(6) Services performed by an individual for remuneration shall be deemed to be employment subject to this chapter (R. S. 43:21–1.

In the event that such claimant had no employer in his base year with whom he had established at least 17 base weeks, then such individual's average weekly wage shall be computed as if all of his base week wages were received from one employer and as if all his base weeks of employment had been performed in the employ of one employer.

WHEREAS, The Congress of the United States enacted an amendment to the Social Security Act in 1967 which limits the number of children with respect to whom Federal payments may be made to a State under the aid to dependent children program;

WHEREAS, This limitation of Federal assistance will force State and local governments, whose financial resources are extremely limited and budgets are already severely strained by the requirements of public welfare, to shoulder an even greater proportion of the financial burden for the rapidly increasing number of dependent children;

WHEREAS, This amendment will not bring about any reduction in the number of dependent children but will merely curtail the amount of assistance available to them;

WHEREAS, This restriction is contrary to the basic philosophy of the AFDC program as originally conceived and inconsistent with our national policy and efforts to combat poverty;

WHEREAS, This amendment represents a step backward in the fight against poverty at a time when the needs of this Nation's poor have become increasingly apparent and have received considerable attention and concern at all levels of government;

A Joint Resolution creating a commission to study the laws governing investment in this State insofar as they affect the retention for investment within the State of wealth generated by commercial and industrial activity within the State.

Whereas, The continued economic growth of this State, the revitalization of its urban centers and the assurance of its future prosperity depend upon the availability of funds for investment in industry, housing and community facilities; and,

Whereas, In the free flow of commerce among the various States, investment funds continually migrate across State lines, seeking the most advantageous conditions for investment; and,

Whereas, New Jersey, a State highly developed in industry, commerce and transportation, and heavily urbanized, is a major generator of wealth that may become available for such investments; and,

Whereas, It is desirable to assure that a sufficient proportion of the wealth developed within this State be retained for investment in the future growth and prosperity of the State; and to that end the regulations and procedures established by law in this State should be well adapted, both in themselves and in comparison with conditions prevailing in other States, to encourage the retention of such funds for such purposes; now, therefore,

Be it resolved by the Senate and General Assembly of the State of New Jersey:

1. There is hereby created a commission to consist of 9 members, 3 to be appointed from the membership of the Senate by the President thereof, no more than 2 of whom shall be of the same political party; 3 to be appointed from the membership of the General Assembly by the Speaker thereof, no more than 2 of whom shall be members of the same political party, and 3 to be appointed by the Governor, no more than 2 of whom shall be of the same political party. 2. The commission shall organize as soon as may be after the appointment of its members and shall select a chairman from among its members and a secretary who may not be a member of the commission.

3. It shall be the duty of the commission to make a thorough survey of the rules and procedures established by law in this State, for the regulation of investment; to ascertain what adverse or favorable effects such regulations and procedures may have on the retention for investment in this State of funds generated by business and industrial activity in this State, and to recommend such changes in the said rules and procedures as it may deem advisable in the interests of assuring the availability of sufficient investment capital for the economic needs of the State.

4. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for said purpose, and to employ such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

5. The commission may meet and hold hearings at such place or places as it shall designate during the sessions or recesses of the Legislature and shall report its findings and recommendations to the Legislature, accompanying the same with any legislative bills which it may desire to recommend for adoption by the Legislature.

JOINT RESOLUTION No. 12

A Joint Resolution creating a commission to study and review the statutes and court decisions relating to the problem of establishing a family court and providing for reports and recommendations to the Governor and the Legislature concerning the said matter.
WHEREAS, The future of this State and nation depends upon youth and requires that young people be kept from crime if they are to develop and realize their full potential; and,

WHEREAS, The FBI's Uniform Crime Reports revealed that in 1965, a majority of all arrests for major crimes against property were of people under 21, as were a substantial minority of arrests for major crimes against the person; and,

WHEREAS, The recidivism rates for young offenders are higher than those for any other age group; and,

WHEREAS, The Children's Bureau of the United States Department of Health, Education, and Welfare estimates that one in every 6 male youths will be referred to juvenile court in connection with a delinquent act before his eighteenth birthday; and,

WHEREAS, Between 1960 and 1965, arrests of persons under 18 years of age jumped 52% for willful homicide, rape robbery, aggravated assault, larceny, burglary and motor vehicle theft; and,

WHEREAS, The President's Commission on Law Enforcement and Administration of Justice reported that these trends and the increase in the total volume of crime that they appear to foretell are testimony enough that programs for the prevention and control of delinquency deserve our full attention; and,

WHEREAS, The numerous reports, studies and statements concerning the nature of delinquency and the dimensions of the problem have provided much necessary statistical information and have offered many suggestions among which one of the most valuable advises the creation of family courts and the implementation of educational, social and cultural programs for juveniles before they become delinquents; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. There is hereby created a Family Court Study Commission to consist of 12 members, 3 to be appointed by the President of the Senate, 3 to be appointed by the Speaker of the General Assembly, 3 to be appointed by the Chief Justice of the Supreme Court of the State of New Jersey, and 3 to be appointed by the Governor, without regard to political affiliation. A JOINT RESOLUTION creating a commission to be known as the North Jersey Commuter Railroad and Transportation Study Commission to study the feasibility of establishing a commuter terminal complex in the North Bergen-Secaucus area, and providing for reports and recommendations by the said commission to the Governor and the Legislature.

WHEREAS, The increases in population and urbanization of the New Jersey-New York metropolitan area which have taken place in recent years, and which have been predicted for the future, have created ever greater congestion on the highways in northern New Jersey and placed ever greater burdens on commuter rail facilities in the area; and,

WHEREAS, The need already exists for a centralized commuter transportation hub which would link major railroads with the most heavily traveled highways in northern New Jersey, and this need will become greater as development in northern New Jersey proceeds; and,

Whereas, Sports and athletic events of all varieties have become spectator attractions constituting major leisure time activities for a large majority of our citizens; and,

Be it resolved by the Senate and the General Assembly of the State of New Jersey:

A Joint Resolution creating a Senior Citizens Tax Study Commission to review and evaluate existing laws, proposed legislation and other alternative programs and policies concerning the taxation of citizens of this State of the age of 65 or more years, and to make recommendations for a practicable and equitable tax policy for such citizens.

Whereas, There are more than 650,000 citizens of New Jersey of the age of 65 or more years, according to the Federal Bureau of the Census; and,

Whereas, The vast majority of these senior citizens are finding it increasingly difficult to maintain living standards enjoyed in previous years as a result of increases in the cost-of-living and the diminishing ability of pensions and other benefits to meet these increases; and,

Whereas, The Legislature and people of New Jersey recognized and accepted their responsibilities to senior citizens, in 1960, through the amendment of Article VIII of the State Constitution to provide an exemption from real property taxation for certain senior citizens owning homes; and,

Whereas, Since 1960, numerous proposals have been made, and several are pending in the Legislature, to increase the tax exemption already granted and to provide additional benefits and grant exemptions from other types of taxation; and,

Whereas, In recognition of the great contributions made to New Jersey society by our senior citizens in the past and in the present, and with a knowledge of the seriousness of the economic problems facing these citizens today and in the future, a comprehensive review and evaluation of existing laws, proposed legislation and alternative solutions to these problems is necessary at this time; now, therefore,

Be it resolved by the Senate and the General Assembly of the State of New Jersey:

1. There is hereby created a Senior Citizens Tax Study Commission to consist of 15 members, to be appointed as follows:
   (a) One citizen of the age of 65 or more years and 4 members of the Senate, by the President thereof;
(b) One citizen of the age of 65 or more years and 4 members of the General Assembly, by the Speaker thereof;

c) One citizen of the age of 65 or more years and 4 other citizens, by the Governor.

The members of the commission shall serve without compensation. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made.

2. The commission shall organize as soon as may be after the appointment of its members and shall select a chairman from among its members and a secretary who need not be a member of the commission.

3. It shall be the duty of the commission to review and evaluate existing laws, proposed legislation and other alternative programs and policies concerning the taxation of citizens of this State of the age of 65 or more years, and to make recommendations for a practicable and equitable tax policy for such citizens. The commission, in addition to any area of study it deems relevant, shall give particular attention to the practicability and feasibility of instituting a "tax-freeze," whereby senior citizens shall pay taxes, or any particular tax, based upon the amount of tax paid in a given year.

4. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for said purpose, and to employ such technical, stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

5. The commission may meet and hold hearings at such place or places as it shall designate during the sessions or recesses of the Legislature and shall report its findings and recommendations to the Governor and the Legislature, as soon as may be, accompanying the same with any legislative bills which it may desire to recommend for adoption by the Legislature.

6. This joint resolution shall take effect immediately.

Said first annual session shall terminate at noon on the second Tuesday in January next following, at which time the second annual session shall commence and it shall terminate at noon on the second Tuesday in January then next following but either session may be sooner terminated by adjournment sine die. All business before either House or any of the committees thereof at the end of the first annual session may be resumed in the second annual session. The legislative year shall commence at noon on the second Tuesday in January of each year.

(Applicable to the 1970 Legislature and thereafter.)

Adopted November 5, 1968.

Proposed Amendment Adopted

Amend Article V, Section I, paragraph 14, to read as follows:

14. (a) Every bill which shall have passed both houses shall be presented to the Governor. If he approves he shall sign it, but if not he shall return it, with his objections, to the house in which it shall have originated, which shall enter the objections at large on its journal and proceed to reconsider it. If upon reconsideration, on or after the third day following the return of the bill, two-thirds of all the members of the house of origin shall agree to pass the bill, it shall be sent, together with the objections of the Governor, to the other house, by which it shall be reconsidered and if approved by two-thirds of all the members of that house, it shall become a law; and in all such cases the

(1699)
votes of each house shall be determined by yeas and nays, and
the names of the persons voting for and against the bill shall be
entered on the journal of each house respectively. If a bill shall
not be returned by the Governor within 10 days, Sundays ex­
cepted, after it shall have been presented to him, the same shall
become a law on the tenth day, unless the house of origin shall
on that day be in adjournment. If on the tenth day the house of
origin shall be in temporary adjournment in the course of a
regular or special session, the bill shall become a law on the day
on which the house of origin shall reconvene, unless the Gov­
er shall on that day return the bill to that house.

(b) If on the tenth day the Legislature is in adjournment sine
die, the bill shall become a law if the Governor shall sign it
within 45 days, Sundays excepted, after such adjournment. On
the said forty-fifth day the bill shall become a law, notwith­
standing the failure of the Governor to sign it within the period
last stated, unless at or before noon he shall return it with his
objections to the house of origin:

(1) on said forty-fifth day, if the house shall have again con­
vened in regular or special session of the same 2-year Legis­
lature and shall be meeting on said day, or

(2) on the day upon which the house shall reconvene, if it
is in temporary adjournment in the course of a regular or special
session of the same 2-year Legislature on said forty-fifth day, or

(3) on said forty-fifth day, if the house is in adjournment
sine die on said day, at a special session of the Legislature
which shall convene on that day, without petition or call, for the
sole purpose of acting pursuant to this paragraph upon bills
returned by the Governor. At such special session a bill may be
reconsidered on or after the first day following return of the
bill, in the manner provided in this paragraph for the reconsid­
eration of bills, and if approved upon reconsideration by two­
thirds of all the members of each house, it shall become a law.
The Governor, in returning with his objections a bill for reconsid­
eration at any general or special session of the Legislature,
may recommend that an amendment or amendments specified
by him be made in the bill, and in such case the Legislature may
amend and re-enact the bill. If a bill be so amended and re­
enacted, it shall be presented again to the Governor, but shall
become a law only if he shall sign it within 10 days after

presentation; and no bill shall be returned by the Governor a second time. A special session of the Legislature shall not be convened pursuant to this paragraph whenever the forty-fifth day, Sundays excepted, after adjournment sine die of a regular or special session shall fall on or after the last day of the legislative year in which the second annual session was held; in which event any bill not signed by the Governor within such 45-day period shall not become a law.

ALAN J. KARCHER,
Acting Secretary to the Governor.
WHEREAS, Certain persons have suggested that investigative files in the possession of the New Jersey State Police should be made available for inspection contrary to long-standing and well-established policy against such inspection; and

WHEREAS, Recognition of the necessity for the protection of such files in the public interest is clearly established, having, inter alia, been set forth in Supreme Court Rule R.R. 3:5-11 (i), in view of the following objectives:

"protection of witnesses and others from physical harm, threats of harm, bribes, economic reprisals and other intimidation; maintenance of such secrecy regarding informants as is required for effective investigation of criminal activity; protection of confidential relationships and privileges recognized by law; and other relevant considerations";

WHEREAS, I also deem it to be contrary to the public interest to permit an indiscriminate searching of these investigative files due to the probable adverse effect that such disclosure would have upon successful criminal prosecutions; because of the potential threat to the lives and physical well-being of witnesses, informants and undercover agents whose names are likely to appear in such investigative files; and further, because of the disastrous effect which such action would have on the cooperative information-sharing arrangements among law enforcement agencies, including the Federal Bureau of Investigation;

Now, Therefore, I, Richard J. Hughes, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and laws of the State of New Jersey, do hereby issue the following Executive Order:

1. No person having custody of State Police investigative files shall turn over the same to any other person who is not a member of a duly recognized law enforcement agency unless ordered to do so by a court of competent jurisdiction or by the Governor of the State of New Jersey.
2. No person shall divulge the contents of those files to any other person who is not a member of a duly recognized law enforcement agency unless ordered to do so by a court of competent jurisdiction or by the Governor of the State of New Jersey, where the release of such information is likely to subject witnesses or other persons to physical harm, threats of harm, bribes, economic reprisals and other intimidation. No information shall be divulged where the maintenance of secrecy regarding informants is required for effective investigation of criminal activity or the protection of confidential relationships and privileges recognized by law.

Given, under my hand and seal this 18th day of [seal] December, in the year of Our Lord, one thousand nine hundred and sixty-eight, and of the Independence of the United States, the one hundred and ninety-third.

/s/ RICHARD J. HUGHES,
Governor.

Attest:
ALAN J. KARCHER,
Acting Secretary to the Governor.
