2. From the interest already received by the State on past due railroad taxes, the Treasurer, on the warrant of the Commissioner of Taxation and
Finance, shall pay to each municipality entitled to receive a share of the principal of such delinquent second-class railroad taxes, which have now been paid together with interest (according to the railroads’ contention as to principal and interest due the State, although not according to the State’s contention), an amount equal to three and one-half per centum (3½%) per annum on all due and unpaid balances of such share from the date when such share of second-class railroad taxes was due to such municipality until the date it was paid to such municipality; provided, however, that if any such municipality, within thirty days after the effective date of this act, submits proof satisfactory to the Commissioner of Taxation and Finance that it expended in interest payments on borrowing against such share an amount in excess of the amount it will be entitled to receive under the payment hereinabove authorized, such municipality shall be paid in lieu thereof such amount as is needed to reimburse it in full for all such interest so paid.

to the amount which such county treasurer would be entitled to receive for such purpose if the principal of all past due first-, third- and fourth-class railroad taxes were paid in full to the State.

2. If and when payments are made to the State on account of the balance of principal of now past due first-, third- and fourth-class railroad taxes, the State Treasurer shall deposit such payments in the General State Fund until the State is reimbursed for such advance.

CHAPTER 6

An Act making an appropriation to the municipalities of this State to be used for the purposes of tax reduction.

The Commissioner of Education shall, in the case of combined districts, prorate the average daily attendance among the component municipalities when making such certification.

4. On or before April first, one thousand nine hundred and forty-five, the Commissioner of Taxation and Finance shall certify to each county board of taxation the sum of money which each municipality in such county will receive pursuant to the provisions of this act, and shall also certify to the municipal clerk of each municipality the sum of money which such municipality will receive pursuant to the provisions of this act.

5. Each county board of taxation shall compute the rate of State school tax to be levied in the year one thousand nine hundred and forty-five in each municipality in such county by deducting from the amount to be raised for such State school tax in each municipality the amount as certified by the Commissioner of Taxation and Finance which such municipality will receive pursuant to the provisions of this act.
6. Each municipality for the year one thousand nine hundred and forty-five shall pay as its State school tax the amount which is levied in such municipality at the State school tax rate fixed for one thousand nine hundred and forty-five by the county board of taxation, plus an amount equal to that received by it from the State pursuant to the provisions of this act.

40:84-5. At least fifteen days prior to such election, the names of candidates for councilmen shall be filed with the municipal clerk in the manner and form and under the conditions hereinafter set forth; except that for the duration of the present war and six months thereafter the petition of nominations shall be filed seventy-five days prior to such election. The petition of nominations shall consist of individual certificates, equal in number to at least one-half of one per centum (½ of 1%) of the number of persons who voted at the last preceding general election and shall read substantially as follows:

Form of petition. a. "I, the undersigned, a qualified elector of the municipality of ......

.............., residing at ................., certify that I do hereby join in a petition for the nomination of .........., whose residence is at ................., for the office of councilman, to be voted for at the election to be held in such municipality on the ................., 19..., and I further certify that I know this candidate to be a qualified elector of said municipality and a man of good moral character, and qualified, in my judgment, to perform the duties of such office and I further certify that I have not signed
more petitions or certificates of nominations than there are places to be filled for the above office.

(Signed) ................................

Signatures and affidavit. b. The signatures of the petition need not all be appended to one paper but each signer shall add to his signature his place of residence, giving the street and number, if any. One of the signers of each such paper shall make an oath before an officer competent to administer oaths that the statements therein made are true to his best knowledge and belief, and that each signature to the paper appended is the genuine signature of the person whose name it purports to be.

Blank petitions furnished. c. The municipal clerk shall furnish, upon application, a reasonable number of forms of individual certificates of the above character.

Rejection of petition. d. Each certificate shall contain the name of one candidate, and no more. Such petition may again be presented when properly amended if this can be done at least fifteen days before the election; except that for the duration of
the present war and six months thereafter such amended petition of nominations shall be filed seventy-five days prior to such election.

2. This act shall take effect immediately. Approved February 5, 1945.

CHAPTER 10

An Act relating to workmen’s compensation, amending sections 34:15–94 and 34:15–95, and supplementing chapter fifteen of Title 34 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 34:15–94 of the Revised Statutes is amended to read as follows: amended.

34:15–94. Each mutual association or stock company writing compensation or employers’ liability insurance in this State, and each self-insurer, shall annually, on or before March first in each year, pay to the Commissioner of Labor a sum equal to one per centum (1%) of the total compensation paid out by such mutual association, stock company or self-insurer during the calendar year next preceding the due date of such payment. Such sum shall be paid by the Commissioner of Labor to the State Treasurer.

When the total amount of all such payments into the fund, together with the accumulated interest thereon, equals or exceeds one and one-half million dollars ($1,500,000.00), no further contributions to said fund shall be required to be made; but whenever, thereafter, the amount of such sum shall be reduced below one and one-half million dollars ($1,500,000.00) by reason of payments out of such
funds pursuant to section 34:15–95 of this Title, then such contributions to such fund shall be resumed forthwith, and shall continue until such sum shall again amount to one and one-half million dollars ($1,500,000.00), together with accumulated interest thereon.

2. Section 34:15–95 of the Revised Statutes is amended to read as follows:

34:15–95. The sums collected under section 34:15–94 of this Title shall constitute a fund out of which a sum shall be set aside each year by the Commissioner of Labor from which compensation payments in accordance with the provisions of paragraph (b) of section 34:15–12 of this Title shall be made to persons totally disabled, as a result of experiencing a subsequent permanent injury under conditions entitling such persons to compensation therefor, when such persons had previously been permanently and partially disabled from some other cause; provided, however, that, notwithstanding the time limit fixed therein, the provisions of paragraph (b) of said section 34:15–12 relative to extension of compensation payments beyond four hundred weeks shall, with respect to payments from the fund constituted pursuant to the provisions of this section, apply to any accident occurring since June twenty-seventh, one thousand nine hundred and twenty-three; provided further, however, that no person shall be eligible to receive payments from such fund:

(a) If the disability resulting from the injury caused by his last compensable accident in itself and irrespective of any previous condition or disability constitutes total and permanent disability within the meaning of this Title.

(b) If permanent total disability results from the aggravation, activation or acceleration, by the last compensable injury, of a pre-existing noncompensable disease or condition.
(c) If the disease or condition existing prior to the last compensable accident is not aggravated or accelerated but is in itself progressive and by reason of such progression subsequent to the last compensable accident renders him totally disabled within the meaning of this Title.

(d) If a person who is rendered permanently partially disabled by the last compensable injury subsequently becomes permanently totally disabled by reason of progressive physical deterioration or pre-existing condition or disease.

Nothing in the provisions of said paragraphs a, b, c and d, however, shall be construed to deny the benefits provided by this section to any person who has been previously disabled by reason of total loss of, or total and permanent loss of use of, a hand or arm or foot or leg or eye, when the total disability is due to the total loss of, or total and permanent loss of use of, two or more of said major members of the body, or to any person who in successive accidents has suffered compensable injuries, each of which, severally, causes permanent partial disability, but which in conjunction result in permanent total disability. Nor shall anything in paragraphs a, b, c and d, aforesaid apply to the case of any person who is now receiving or who has heretofore received payments from such fund.

Upon the approval of an application for benefits, the compensation payable from such fund shall be made from the date when the final payment of compensation by the employer is or was payable for the injury or injuries sustained in the employment wherein the employee became totally and permanently disabled; provided, that no payment from such fund shall be made for any period prior to the date of filing of application therefor; provided, however, that a person who has received compensation payments from said fund and who is reinstated or ordered placed on said fund shall receive payments from the date of last payment from said
fund, save only in the case of a person to whom payments have been made and then discontinued or suspended because of the rehabilitation of such person in accordance with the provisions of paragraph (b) of section 34:15-12 of this Title, in which case payments from said fund shall be made from the date of filing application for reinstatement. Payments to such totally disabled employees shall be made from said fund by the State Treasurer upon warrants of the Commissioner of Labor. This section shall be applicable to any accident occurring since June twenty-seventh, one thousand nine hundred and twenty-three, insofar as the eligibility of and benefits payable to such employee of this class is concerned; provided, however, that nothing contained herein shall limit or deprive those persons now receiving or who have received the benefits under this section from participating in said fund. All payments from the fund herein created shall be made by semimonthly installment payments. From the fund herein created the Commissioner of Labor may use in any one fiscal year a sum not to exceed the sum of twelve thousand five hundred dollars ($12,500.00) for the cost of administration of the fund including personnel, printing, professional fees, and expenses incurred by the Commissioner of Labor in the prosecution of defenses in the bureau, and of appeals and proceedings for review of decisions on applications for benefits from said fund. No costs or counsel fee for the applicant shall be allowed against the fund.

The Commissioner of Labor shall annually submit an accounting of the fund to the State Comptroller.

3. All payments into the fund established by section 34:15-95 of the Revised Statutes which may have heretofore been made or required at any time or times are hereby validated and confirmed, notwithstanding that at the time of such payment or payments the fund may have equalled or exceeded the sum of two hundred thousand dollars ($200,000.00).

4. This act shall take effect immediately.

Approved February 9, 1945.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Whenever used in this act, the following terms shall, unless the context indicates otherwise, be construed to have the following meaning:

   "Military Service" means active service by any person, as a member of the National Guard, State Guard or of any branch or department of the United States Army, Navy or Marine Corps or Merchant Marine or of any auxiliaries thereof, or as a Reservist absent from his place of residence and undergoing training under Army or Navy di-

“Military Service Voter” means any person in the military service, or any patient in any veterans’ hospital, located in any place other than the place of his residence, having served as a soldier, sailor, marine or nurse in the armed forces of the United States in any war in which the United States has been engaged and having been honorably discharged from said armed forces, who prior to entering the military service or prior to being admitted as a patient in such hospital, was a resident of this State and who, at the time of the holding of any election in this State, while this act is in effect, is a resident of the United States, is of the age of twenty-one years or more, is not disqualified by reason of conviction of crime from voting in this State and has resided in the State at least one year and in the county in which he claims the right to vote at least five months counting the time he has been in the military service or a patient in said veterans’ hospital, in said periods of residence;

2. The purpose of this act is to afford every voter of this State who is in the military service or is a military service voter in time of war the opportunity to vote in any election to be held in this State while this act is in effect, notwithstanding the fact that such person may be absent on the day in which said election is held from the election district in which he resides, whether such person is within or without this State, or within or without the United States, and this act shall be liberally construed to effectuate such purpose.

3. The provisions of this act shall be supplemented by the provisions of any legislation enacted

by the Congress of the United States for the furnishing of information necessary to ascertain military service addresses and the voting qualifications of persons claiming to be entitled to vote in elections in this State by military service ballots, and the Adjutant-General, the county boards of elections, and all other appropriate officers of the State hereby are directed to comply with the provisions of such legislation, if and when the same is enacted, as nearly as may be practicable.

4. The Adjutant-General shall make every reasonable effort to ascertain the names, home addresses and service or veterans' hospital addresses of the residents of this State who will be qualified military service voters on the day of each election to be held in this State, while this act is in effect, but whose names do not appear upon the lists of military service voters furnished by him to the several county clerks pursuant to the provisions of chapter nine of the laws of one thousand nine hundred and forty-four, and also to obtain such information as may be requisite to correct such lists, and he shall certify such additional names, home addresses and service or veterans' hospital addresses, and such other corrective information, to the respective county clerks immediately after the passage of this act, and from time to time thereafter as he is able to obtain the same.

5. Each county clerk shall certify to the municipal clerk of each municipality in the county, as soon as possible after the passage of this act, a list of the names, home addresses and service or veterans' hospital addresses, of the military service voters in said municipality, which have been certified to him by the Adjutant-General pursuant to the provisions of chapter nine of the laws of one thousand nine hundred and forty-four and shall likewise certify, thereafter and from time to time, such additions to, and corrections in, said lists as shall be furnished to him by the Adjutant-General under the provisions of this act, and in making such certifications said county clerks shall first certify such lists to the
municipal clerks of the municipalities in which municipal elections are to be held in the year one thousand nine hundred and forty-five.

6. The governing body of each municipality in this State shall, as soon as possible after the passage of this act and thereafter from time to time, cause to be made such investigation by canvass, circularization, advertisement or other means, as shall be practicable for the purpose of ascertaining what changes should be made in the service or veterans' hospital addresses appearing on the lists of military service voters, certified from time to time to the clerk of the municipality under the provisions of this act, in order to correct such service or veterans' hospital addresses and make them available for use in any election to be held while this act is in effect.

The clerk of each municipality shall certify to the county clerk of the county, from time to time as said information is received during each year while this act is in effect, such changes in service or veterans' hospital addresses as shall be so ascertained, and each county clerk shall correct the service or veterans' hospital addresses appearing upon the list of military service voters in his office in accordance with the information so received from the several municipal clerks.

7. Each municipal clerk shall have printed and shall furnish to the county clerk of the county, not later than the sixty-fifth day preceding each municipal election to be held in the municipality, one and one-fifth times as many military service ballots for use in such election, as there are names of military service voters upon the lists furnished to him by the county clerk of the county as supplemented and corrected, prior to said day.

The form of such military service ballots shall be prescribed by the county clerk and shall conform with the provisions of this act.

All necessary expenses incurred in carrying out the provisions of this act in connection with any municipal election shall be paid by the municipal-

CHAPTER 11, LAWS OF 1945

9. Each military service ballot to be used at any general election to be held while this act is in effect shall conform generally to the ballot to be used at said election in the military service voter’s election district and shall be so prepared that the military service voter may indicate thereon his choice of such of the candidates for the offices to be filled, and as to such public questions to be voted upon, at said election by the voters of the entire State or of the county in which such military service voter’s election district is situated, as shall be ascertained and known on the first day of August preceding such election and sufficient space shall be provided thereon for such military service voter to write in the name of and vote for any candidate for, or his personal choice for, any public office to be voted for at such election in such election district. A list of the candidates for the offices to be filled in each election district in the county, whose names are known and ascertained on said first day of August but do not appear upon said ballot, with a statement of the office for which each is a candidate, shall be forwarded with such ballot.

In the preparation of military service ballots the name of any candidate who has been nominated for any office prior to the first day of August in any year in which this act is in effect shall be placed upon the military service ballot or list of candidates, as the case may be, to be used in the general election to be held in said year in each election district in which he is a candidate, whether or not such candidate has accepted such nomination prior to said date; provided, that he has not prior to said date declined the same.

10. Each military service ballot to be used at any municipal election to be held while this act is in effect shall conform generally to the ballot to be used at said election in the military service voter’s election district and shall be so prepared that the military service voter may indicate thereon his choice of the candidates for the offices to be filled at said election, and sufficient space shall be pro-
provided to write in the name of, and vote for, any candidate for, or the military service voter's personal choice for the offices to be filled at such election, if similar provision is made on the ballots to be used in such election district.

11. Each military service ballot to be used at any primary election for the general election to be held while this act is in effect shall conform to the ballot to be used at said election in the military service voter's election district and to the form herein prescribed for military service ballots to be used in such general elections except that it shall be so prepared that the military service voter may indicate thereon his choice of the candidates of one political party for each of the officers to be voted upon at said election by the voters of said election district and shall be separated into party ballots, which shall all be printed upon one sheet and shall be printed in such order as shall be determined at a drawing to be held by the county clerk on the sixty-sixth day prior to the holding of such primary election for the general election at eleven o'clock ante meridian in manner similar to that provided in section 19:23-24 of the Revised Statutes for the drawing for positions of candidates upon primary ballots.

Each such military service ballot shall contain at the end of the list of candidates for each different office blank squares and spaces, or lines equal to the number of persons to be elected to the office to allow the military service voter to write in and vote for the name of any person for whom he desires to vote for such office.

Each such military service ballot shall be plainly marked to indicate that but one party ballot is to be voted by each military service voter and that the party ballot to be voted must conform to the name of the political party indicated on the certificate on the flap of the inner envelope in which the military service ballot is to be enclosed and there shall also be indicated upon said ballot the qualifying statement appearing in said certificate and governing
such military service voter's choice of the party ballot.

12. Each county clerk shall send, with each military service ballot, printed directions for the preparation in transmitting of military service ballots as required by this act (which may be printed upon the inner envelope) together with two envelopes of such sizes that one will contain the other.

The outer envelope shall be addressed to the county board of elections of the county in which is located the home address of the person to whom the ballot is sent, as certified by the Adjutant-General.

The inner envelope shall be so designed that it can be sealed after the military service ballot has been placed therein and the flap thereof shall be of such length and size as to leave sufficient margin, after sealing, for the printing thereon of the certificate hereinafter described. The flap shall be so arranged, that the margin containing the certificate can be so folded, after the inner envelope has been sealed, that the certificate can be contained, with the said inner envelope, in the outer envelope, and that the margin containing the certificate can be detached without unsealing the inner envelope.

13. Upon said margin of said flap there shall be printed a certificate in the following form:

I hereby certify that
1. I am a citizen of the United States;
2. The date of my birth was ............... ;
3. On the date of the [Description of election in which ballot is to be used to be printed here.] election I will have resided in New Jersey for ............... and in ............... (Years and months)

..........................................

(Print your name clearly above)

Witnessed by me this ..................... day of ......................................

(Signature and rank of officer)

14. In addition to the foregoing, the certificate to be used on the margin of the flap of the inner envelope forwarded with any military service ballot intended to be voted in any primary election for the general election shall contain the following statement above the place left for signature:

I intend to vote at the next ensuing general election for the nominees of the .............................................political party, whose

(Name of Party)

ballot is marked herein, and I am not a member of, or identified with, any other political party or any political organization espousing the cause of candidates of any other political party. I have not voted in a primary election of any other political party in the last two primary elections or contributed to the campaign funds of any other political party within one year prior to the primary election at which this ballot is to be voted.

15. The military service ballots, together with the printed directions for the preparing and transmitting of the same and the inner envelopes with their certificates and the outer envelopes to be used therewith, shall conform as nearly as may be practicable to any specifications as to weight and size, which may be made by the War, Navy and Post-
Office Departments of the United States, in connection with transporting the same.

On the outside of each envelope in which a military service ballot is sent to a military service voter, and of each outer envelope for the return of such a ballot, there shall be printed or stamped the words "Official Election War Ballot," and the several county clerks shall take advantage of any provision for transmission, free of postage, of ballots and the envelopes containing the same provided by the Acts of the Congress of the United States but if no such provision is made, proper first-class postage and air-mail postage, as required by this act, shall be prepaid thereon.

16. Each county clerk shall, from time to time, prior to each election, to be held while this act is in effect certify in writing, under oath, to the commissioner of registration of the county, the names and home addresses of the persons to whom military service ballots to be voted at such election have been forwarded pursuant to this act.

17. The commissioner of registration upon receipt of such information from the county clerk shall remove the permanent registration form of each such person from the permanent registration binders, if it appears therein, and file such forms in a special file designated "Military File."

18. Any military service voter shall be entitled to mark any military service ballot, so forwarded to him, for voting at any election by indicating his choice of candidates for the offices named, and as to public questions, if any, stated, thereon in accordance with election laws of this State, except that in such ballots to be voted in any primary election for the general election his choice shall be limited to the candidates of his political party or to any person or persons whose names are written thereon by him and, when so marked, such ballot shall be placed in said inner envelope, which shall then be sealed, and the voter shall then fill in the form of certificate attached to said inner envelope, at the end of which he shall sign and print his name in
his own handwriting, and his signature thereto shall be witnessed by a commissioned officer, non-commissioned officer, or petty officer in the armed forces of the United States and said inner envelope with the certificate shall then be placed in said outer envelope which shall then be sealed.

Said sealed outer envelope with the inner envelope and the ballot enclosed therein shall then be mailed to the county board of elections to which it is addressed.

19. The county board of elections shall, promptly after receiving each military service ballot, remove the inner envelope, containing the ballot, from the outer envelope and ascertain through the commissioner of registration whether or not the name of the person, whose name appears following the certificate on the flap of said inner envelope, has been certified by the county clerk to the commissioner of registration of the county as a person to whom a military service ballot, to be voted at the election at which it is intended to be voted, has been forwarded pursuant to this act and, in the case of a military service ballot to be voted at a primary election for the general election, whether or not the military service voter has indicated in said certificate his intention to vote it in the primary election of any political party in which he is not entitled to vote it according to the registration records of the county, and if it shall appear from said records that he is not entitled to vote said military service ballot in the primary election of the political party which has been so indicated, such military service ballot shall be rejected. Should any dispute arise as to whether or not such person’s name has been so certified or as to whether or not how any military service ballot shall be counted, the county board shall refer the matter to the court of common pleas for determination.

After such investigation the county board of elections shall detach or separate the certificate from the inner envelope containing the military service ballot, unless it has been rejected by it or by the
CHAPTER 11, LAWS OF 1945

court of common pleas, marking the envelope so as to identify the election district in which the ballot contained therein is to be voted as indicated by the military service voter's home address appearing on the certificate attached to or accompanying said inner envelope and, in the case of ballots to be voted at a primary election for a general election, so as to identify the political party in the primary election of which it is to be voted.

20. It shall not be necessary to qualify any military service voter to vote by a military service ballot in any county, that he shall be or shall have been registered to vote in any election district of this State at the time of any election or at any other time, if his name has been certified by the county clerk of the county to the commissioner of registration of the county as hereinbefore provided. Any military service ballot returned to any county board of elections in the envelopes required by this act shall be counted in determining the result of any election in which it is to be voted in the election district indicated by the military service voter's home address appearing on the certificate attached to or accompanying the inner envelope, containing such military service ballot, if such certificate contains information which would qualify the military service voter to vote in said election district if he were registered to vote therein, and if said certificate has been filled in and purports to have been executed and witnessed in the manner required by this act and if such military service ballot has been so marked as to comply with the requirements of the election laws of this State and in computing the length of residence, in the county and State, of any military service voter the time which shall have elapsed during his military service or while a patient in any such veterans' hospital shall be counted. All ballots received by the county boards prior to the time designated for the closing of the polls for said election shall be counted.

21. No military service ballot shall be rejected or declared invalid because it does not contain all
of the names of the candidates or all of the public questions to be voted for or upon in the election district in the election in which it is to be counted, and any military service ballot shall be counted in determining the result of said election as to any office if the designation of the office and the name of the candidate for election to said office are written thereon so as to indicate the voter's choice and that, notwithstanding that such designation and name may be or should have been printed upon such military service ballot in the regular manner.

22. Any military service voter who returns to his place of residence within this State, within thirty days before any election, and who has not received a military service ballot, may appear in person before, and apply in writing to, the proper county clerk for a military service ballot and, if his name has been certified as a military service voter by the Adjutant-General to such county clerk, he shall be entitled to receive a military service ballot upon being properly identified and to cast the same by presenting it in person to the proper county board of elections, properly marked, enclosed and sealed in the inner envelope provided for that purpose, with the certificate on the flap of the inner envelope duly filled in and signed as required by this act, upon being properly identified, at any time before the closing of the polls on the day of such election, and if the ballot is properly marked, it shall be counted at the election.

23. On the day of each election to be held in this State while this act is in effect each county board of elections shall open in the presence of the commissioner of registration or his assistant or assistants the inner envelopes in which the military service ballots, returned to it, to be voted in such election, are contained, except those containing the ballots which the board or the court of common pleas of the county has rejected, and shall remove from said inner envelopes the military service ballots and shall then proceed to count and canvass the votes cast on such military service ballots, but no
military service ballot shall be counted in any primary election for the general election if the ballot of the political party marked for voting thereon differs from the designation of the political party in the primary election of which such ballot is intended to be voted as marked on said envelope by the county board of elections. Immediately after the canvass is completed, the county boards of election shall certify the result of such canvass to the county clerk showing the result of the canvass by ward and district, and the votes so counted and canvassed shall be counted in determining the result of said election.

24. The county board of elections shall keep, for a period of one year, all of the ballots, and all of the certificates which have been detached or separated by them from said inner envelopes, and all inner envelopes together with their certificates and together with their contents, which have not been opened because the county board or the court of common pleas rejected them.

25. Any elector who has been in the military service or a patient in any such veterans' hospital, but who has been honorably discharged from such service or discharged from said hospital too late to register at the last registration day before any election, may obtain an emergency voting form at the office of the proper commissioner of registration if he has been previously permanently registered, and upon presentation of such emergency voting form to the proper district board he shall be permitted to vote. In the event that he has not been permanently registered, upon exhibiting his honorable discharge to such commissioner of registration such commissioner shall require such honorably discharged elector to register notwithstanding any provisions of law prohibiting the taking of registrations at such time, before issuing such emergency voting form.

26. The Secretary of State, upon receiving any "Official Federal War Ballot" provided for by the Acts of the Congress of the United States, shall
27. Any military service voter who does not vote by a "military service ballot" at any election to be held while this act is in effect, in the election district in which he claims his residence or home address, pursuant to the provisions of this act, may vote in such election by an "Official Federal War Ballot," notwithstanding that he is not registered to vote therein or in any other election district, and the same shall be cast and counted by the proper county board of elections in determining the result of said election in said election district if, under the provisions of the Acts of the Congress of the United States, such person is eligible to vote by such a ballot and if his "Official Federal War Ballot" is valid under, and the method of transmitting the same complies with, the provisions of said Acts of the Congress and if such ballot has been so marked as to comply with the requirements of said Acts of the Congress and is received by the proper county board of elections at any time before the closing of the polls on the day of such election.

28. No person other than the members of the proper county board of elections shall open any official outer or inner envelope purporting to contain an "Official Federal War Ballot," and the members of the county boards of elections, before opening any envelope containing an "Official Federal War Ballot," shall take oath that they will not disclose to anyone (unless required by law) how any absentee shall have voted, and shall determine that the oath or any other means of authentication required by the Acts of the Congress of the United States has been executed and that it is in order, pursuant to such Acts of the Congress, to open the official inner envelope containing the same, and such county board shall compile a voting list of
names appearing on all such inner envelopes received from the Secretary of State.

29. The Secretary of State and all other appropriate State officials shall comply so far as practicable with all of the provisions of this act and of the Acts of the Congress of the United States relating to the receipt, transmission, casting and counting of "Official Federal War Ballots" and the disposition of such ballots received but which cannot be cast or counted for any reason, and shall take all necessary steps to prevent fraud, to protect voters against coercion of any sort and to safeguard the integrity and secrecy of such ballots cast.

30. The Secretary of State shall prepare a report of all "Official Federal War Ballots" received by him and transmitted to the various county boards of elections, and within thirty days after the day of said election shall transmit such report to the United States War Ballot Commission at Washington, and each county board of elections.

31. The Secretary of State shall furnish to the United States War Ballot Commission such information as the commission shall request for compiling a list of candidates and their parties in any general election for President and Vice-President, and for Senators and Representatives in the Congress, to be held while this act is in effect.

32. The county board of elections, the superintendent of elections and the commissioner of registration shall exercise the same powers over military service voting as over other voting in elections except as otherwise provided in this act.

33. In order to make available the information necessary for the making up of military service ballots for use in the elections to be held in any year while this act is in effect;

(a) All certificates or requests required to be made and filed under sections 19:13-9, 19:13-15, 19:13-22, 19:37-1 and 19:37-2 of the Revised Statutes shall be made and filed by the officers required
CHAPTER 11, LAWS OF 1945

by said sections to make and file the same on or before July fifteenth in each such year,

(b) All vacancies in any nomination for any office to be voted upon at any general election shall be filled whenever practicable on or before July fifteenth of the year in which it is to be held,

(c) The validity of all objections to direct petitions of nomination made in any year shall be determined not more than fifteen days after the day of the primary election in such year,

(d) All applications to any of the justices of the Supreme Court setting forth any invasion or threatened invasion of a person's rights under a direct petition of nomination made in any year, as provided for by section 19:13–12 of the Revised Statutes, shall be made not more than fifteen days after the day of the primary election in such year,

(e) The drawing of lots for positions on the ballots to be used at the general election in any year, required by section 19:14–12 of the Revised Statutes, shall take place at three o'clock in the afternoon on the twenty-first day succeeding the day of the primary election in such year,

(f) The Secretary of State shall certify to the several county clerks each of the public questions to be voted upon by the voters or electors of the entire State at any election to be held in any year which then are known to, or are ascertainable by, him on June fifteenth of said year.

34. No election shall be held to be invalid by reason of any irregularity or failure in the preparation or forwarding of any military service ballots pursuant to the provisions of this act.

35. This act shall take effect immediately.

AN ACT concerning elections, and amending section 19:31-15 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 19:31-15 of the Revised Statutes is amended to read as follows:

19:31-15. For the purpose of preventing fraudulent voting and of eliminating names improperly registered, the commissioner in counties of the first class, and the county board in all other counties, shall within ninety days after each general election send by government reply postal card to each registrant who failed to vote at such election, at his registered address, a notice substantially as follows:

"Please answer the question as to residence and removal as indicated on attached reply card.

Commissioner of Registration"

The reply card shall be addressed to the commissioner and shall bear substantially the following questions with appropriate spaces for answers:

"(1) Do you still reside at the address to which this notice has been mailed?
(2) If not, where do you now reside?
(Stating street address and city or town to which you have moved.)
(Signed) ...................... "

The county board in counties other than counties of the first class, may also, and in addition to the method hereinbefore provided, direct at any time an authorized clerk or clerks to make any personal investigation which the commissioner or county
The commissioner in counties of the first class, and the county board in all other counties, shall, in addition to the method hereinbefore provided, at least once during every four years and as often as the commissioner in counties of the first class or the county board in all other counties, may deem necessary, cause the entire registry list to be investigated by house-to-house canvass to establish the fact of continued residence, removal, death, disqualification or improper registration.

In case of registrants who have been found to the satisfaction of the commissioner in counties of the first class and to the county board in all other counties, to have moved from one address to another within the same county, the commissioner in counties of the first class, and the county board in all other counties, shall cause the permanent registration forms of said registrants to be transferred to the proper registers, upon receipt of a change of residence notice duly executed by such registrants, as provided by law.

In case of registrants so found to have moved to any place outside the county or State, the commissioner in counties of the first class, and the county board in all other counties shall cause the permanent registration forms of such persons to be transferred to the inactive file. Such persons upon return to any municipality within the county shall be required to reregister before being allowed to vote.

In case of registrants so found to have died, been disqualified or improperly registered, the county board in counties other than counties of the first class shall cause the permanent registration forms of such persons to be transferred to the inactive or death file as the case may be.

The county board in counties other than counties of the first class before removing, for any reason whatsoever, the permanent registration forms of
any registrant from the signature copy registers, or before transferring such forms to the inactive file shall cause to be published a notice setting forth the proposed action of the county board. This notice shall contain the list of the names and registered addresses of all registrants to be affected by the proposed action. Such notice and list shall be published at least two entire days prior to the removal of such names and shall be published in two or more newspapers published within the county, one of which newspapers, at least, shall be published in the municipality affected. At least one of such newspapers shall be a daily newspaper, but if there be no daily newspapers published in the county then such notices shall be published as above provided in weekly papers. The notice and list shall in addition specify the reason or reasons for the contemplated removal or transfer of the permanent registration forms of the registrants affected. The notice and list shall be published in the manner above provided prior to the second Tuesday preceding any election.

Any person affected by any action of the county board in counties other than counties of the first class, shall, during the two weeks immediately preceding any election and on election day, have the right to make application to any judge of the court of common pleas of that county, for the purpose of obtaining an order entitling him to vote in the district in which he actually resides. The burden of proof shall be upon the applicant. The judge of the court of common pleas, if satisfied that the applicant is entitled, under the law, to vote at such election, and after determining the election district in which such person actually resides, may issue an order directing the district board of that district to permit such person to vote. Such person must reregister before voting at any subsequent election by court order or otherwise. If the applicant shall be refused the right to vote, due to the inability of the district board or of the commissioner or of the county board to find the permanent registration forms of such applicant, then in addition such
applicant shall establish by reference to the registry lists of former elections, that he was previously registered. Such evidence shall be deemed sufficient to establish the fact that the applicant was formerly registered. If the order is directed to a district board, the district board shall certify and return the order at the close of the election to the commissioner.

In counties of the first class, any registrant so found to have died, or been disqualified by conviction of a crime which would disfranchise a person under the laws of this State, or never has resided at the place of registry or is registered from some place other than his actual residence, or does not possess the qualifications to vote required by the Constitution of this State, or is otherwise not entitled to vote, the commissioner shall cause the permanent registration forms of such registrant to be transferred to the inactive or death file as the case may be.

The commissioner in counties of the first class, before transferring such forms to the inactive file or death file, shall serve an order in writing, signed by him, upon the proper district board, ordering it to refuse to allow such person to vote at the next election.

The commissioner in counties of the first class, before signing such order in writing to any district board, shall give notice of his proposed action to such registered person, (1) personally, or (2) by leaving the same at the person’s registered place of residence with a person above the age of fourteen years, if any such person can be found, and if not, by affixing the same to the outer door of such place of residence or to any other portion of such premises if no building be found thereon, or (3) by sending the same by mail addressed to the person at his registered place of residence at least two entire days before the issuance of the order and the commissioner shall cause a list of the names of such persons, with their registry addresses, to be published at least two entire days before the issu-
ance of the order in two or more newspapers published within the county, at least one of which shall be a daily newspaper. Such published notice, in addition to containing the names and addresses of such persons, shall give notice to them of the proposed action of the commissioner. No such order in writing shall be signed by the commissioner subsequent to the Tuesday preceding an election.

When the transfer of any person's permanent registration form is to be made to the death file or is to be made to the inactive file because such person did not vote at a general election during four consecutive years, or because the name of such person has been ordered stricken from the register by the court, or because such person has changed his or her name by decree of court, or because such person is a woman who changed her name due to marriage or divorce and neglected to reregister in accordance with law, or because the information which forms the basis of such proposed action in making such transfer was received from such person directly, no notice of such proposed action need be given to such registered person and such person's name and registered address need not be published as required in this paragraph.

The commissioner in counties of the first class, shall cause such order to be delivered to the district board at the same time as the challenge lists are delivered, which order shall be receipted for by the judge of the district board, who shall use the order in conjunction with the registry list, so that no person whose name appears upon the order shall be allowed to vote. Such order shall be signed and certified to by each member of the district board to the effect that no person whose name appears therein has been allowed to vote. The order shall be returned to the commissioner at the same time and together with the challenge lists. Upon receipt of such order the commissioner shall thereupon transfer the permanent registration forms of the person named in such order to the inactive, death
CHAPTER 18, LAWS OF 1945

Any person affected by the action of the commissioner in counties of the first class shall, during the week immediately preceding the election and on the election day have the right to make application to a judge of the court of common pleas of the county for the purpose of obtaining an order entitling him to vote in the district in which he actually resides. The burden of proof shall be upon the applicant. The judge of the court of common pleas, if satisfied that the applicant is entitled under the law to vote at such election and after determining the election district in which the person actually resides may issue an order directing the district board of that district to permit such person to vote.

If the applicant shall be refused the right to vote, due to the inability of the district board or of the commissioner or of the county board to find the permanent registration forms of such applicant, then in addition such applicant shall establish by reference to the registry lists of former elections, that he was previously registered. Such evidence shall be deemed sufficient to establish the fact that the applicant was formerly registered. The district board shall certify and return the order to the commissioner at the close of the election, who thereupon shall restore the permanent registration forms of such person to the active file. Before the issuance of such order, the commissioner shall be heard personally, or by his chief deputy or assistants, as to the reasons why he has issued an order denying such person the right to vote. The commissioner or anyone representing him shall have full power to cross-examine any witness. The judge of the court of common pleas making such order shall cause a full record of the proceedings of the application to be taken stenographically, transcribed and filed in the office of the county clerk of the county, which record shall be open and public
record. All costs and expense of such proceedings shall be paid by the county.

In no event shall the permanent registration forms or voting record of any registrant be removed or transferred to the inactive file subsequent to the second Tuesday preceding any election, until after such election; nor shall the permanent registration forms or voting record of any registrant in counties other than counties of the first class be removed or transferred to the inactive file if the name of such registrant is not first published in the manner above described, except as herein otherwise provided.

Any commissioner who, after ascertaining that a person has died, been disqualified, moved out of the permanent registration area or has been improperly registered, and who willfully or fraudulently refuses to cause to transfer the permanent registration forms of such persons to the proper file shall be guilty of a misdemeanor.

2. This act shall take effect immediately.

Approved February 21, 1945.

No money shall be drawn from the treasury except for objects as hereinabove specifically appropriated, and except such sums as may be required to refund amounts credited to the State Treasurer which do not represent State revenues, and except such sums which are by law devoted to specific purposes, namely, State school tax, United States appropriation to Agricultural College, taxes for the use of taxing districts in this State, Grade Crossing Elimination Fund, Forest Fire Fund, Forest Nursery Fund, Forest Land Fund, Workmen's Compensation Tax Fund, Educational Aid Fund, moneys directed by any law to be paid to the Teachers' Pension and Annuity Fund, 1837 Surplus Revenue Fund income, State Police Retirement Fund, Clerk in Chancery Enrollment Fund, unclaimed accounts of patients and prisoners in State Institutions, Unemployment Compensation Funds, Compensation awards, moneys received by the several institutions representing garage rentals which moneys shall be devoted exclusively by such institution to erection of new garages where needed, Vocational Schools, funds received by the sale of articles made in occupational therapy departments of the several institutions, said funds to be devoted to the purchase of additional material and other incidental expenses, Crippled Children's Commission, Palisades Interstate Park Commission, Interconnection Revolving Fund of the Division of Water Policy and Supply of the Department of Conservation, Federal funds subsidizing the State; Funds appropriated for Institution Construction; moneys received representing insurance to cover losses by fire and other casualties; this section shall not be construed to prohibit the payment due upon any contract made under an appropriation of previous years; moneys received by the Department of Conservation from the sale or lease

S.; nor shall this act apply to moneys appropriated by joint resolution of the Legislature where such moneys have been set apart by the Commissioner of Taxation and Finance.

4. In order that there be flexibility in the handling of appropriations, any department or other State agency receiving an appropriation by any act of the Legislature may apply to the Commissioner of Taxation and Finance for permission to transfer a part of any item granted to such department or agency to any other item in such appropriation. Such application shall only be made during the current year for which the appropriation was made, and if the Commissioner of Taxation and Finance shall consent thereto, he shall place the amount so transferred to the credit of the item so designated; provided, however, that no sum appropriated for any permanent improvement shall be used for maintenance or for any temporary purpose.

5. The Commissioner of Taxation and Finance is hereby empowered, and it shall be his duty in the disbursement of funds appropriated for the maintenance and operation of any department or branch thereof, the duties or responsibilities of which are or may hereafter be transferred to any other department or branch, to transfer such appropriations to such department or branch as shall be charged with the responsibility of administering the functions of such department or branch so transferred. 8. The Commissioner of Taxation and Finance may, upon application therefor, allot from appropriations made to any official, department, commission or board a sum to establish a petty cash fund, for the payment of expenses under rules and regulations established by the Commissioner of Taxation and Finance. The allotments thus made by the Commissioner of Taxation and Finance shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making request therefor, and the money thus allotted shall be disbursed by such custodian, who shall require from all persons obtaining money from said fund a receipt therefor. Such receipts shall by such custodian be forwarded monthly to the Commissioner of Taxation and Finance for audit, and said Commissioner of Taxation and Finance shall likewise make regulations governing disbursements from petty cash funds.

CHAPTER 56

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 19:48-4 of the Revised Statutes is amended to read as follows:

19:48-4. Voting machines, heretofore or hereafter installed in any manner provided by law, in any county other than a county of the first class, shall be placed, and remain, in the custody of the county board of elections, and voting machines, heretofore or hereafter installed in any manner provided by law, in any county of the first class, shall be placed, and remain, in the custody of the superintendent of elections; except that voting machines, heretofore or hereafter installed in any municipality by the governing body thereof, in any manner provided by law, shall be placed, and remain, in the custody of the municipal clerk unless taken over by the county according to law.

The county board of elections or the superintendent of elections or the municipal clerk, as the case may be, shall preserve and keep in repair all voting machines placed in its or his custody pursuant to the provisions of this section.

2. Section 19:48-6 of the Revised Statutes is amended to read as follows:

19:48-6. The county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, shall have the machine or machines and all necessary furniture and appliances at the proper polling place or places before the time fixed for opening the polls, and the counters set at zero
and otherwise in good and proper order for use at such election. For the purpose of placing ballots in the ballot frames of the machines; putting in order, setting, testing, adjusting and delivering the machines, such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, may employ or appoint one or more fully competent persons to be known as custodian or custodians of voting machines, who shall be thoroughly instructed in their duties by such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, and shall be sworn to perform their duties honestly and faithfully. Such custodians shall be employed or appointed and instructed at least thirty days before the election and shall be considered as officers of elections; provided, however, that for the purpose aforesaid in counties of the first class, the superintendent of elections may employ or appoint, in addition to one or more custodians or custodians, other fully competent persons and may classify them, assign their duties, and fix their compensation according to the particular duties assigned them, which said persons shall also be employed or appointed, and thoroughly instructed and sworn to perform their duties honestly and faithfully, at least thirty days before the election and shall likewise be considered as officers of election.

Before preparing a voting machine for any election, written notice shall be mailed by such board of elections or such superintendent of elections or such municipal clerk, as the case may be, to the chairman of the county committee of at least two of the principal political parties, stating the time and place where the machines will be prepared, at which time one representative of each such political party shall be afforded an opportunity to see that the machines are in proper condition for use in the election; such representatives shall be sworn to faithfully perform their duties and shall be regarded as election officials, but shall not interfere
with the custodian or custodians or other persons employed or appointed as aforesaid or assume any of his or their duties. When a machine has been so examined by such representatives it shall be sealed with a numbered metal seal. Such representatives shall certify, upon a form to be provided by such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, as to the numbers of the machines, that all of the counters are set at zero (000), and as to the number registered on the protective counter, if one is provided, and on the seal. Such certificate shall be filed by them with such county board of elections or such superintendent of elections or such municipal clerk, as the case may be. When a voting machine has been properly prepared for the election, it shall be locked against voting and sealed; and the keys thereof shall be delivered to such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, together with a written report made by a custodian stating that it is in every way properly prepared for the election.

After the voting machines shall be delivered to the polling places, the governing body of the municipality, wherein such polling places are located, shall provide ample police protection against molestation, or tampering or damage to the machines. Every voting machine shall be furnished with a lantern, or an electric light fixture, which shall give sufficient light to enable voters while voting to read the ballots and to be suitable for use by the district board in examining the counters. The lantern or electric light fixture shall be prepared in good order by such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, for use before the opening of the polls.
3. Section 19:48-7 of the Revised Statutes is amended to read as follows:

19:48-7. If any voting machine being used in any election district shall, during the time the polls are open, become damaged so as to render it inoperative in whole or in part, the election officers shall immediately give notice thereof to the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, and such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, shall cause any person or persons employed or appointed pursuant to section 19:48-6 of this Title to substitute a machine in perfect mechanical order for the damaged machine. At the close of the polls the records of both machines shall be taken and the votes shown on their counters shall be added together in ascertaining and determining the results of the election. Unofficial ballots made as nearly as possible in the form of the official ballot may be used, received by the election officers and placed by them in a ballot box in such case to be provided as now required by law, and counted with the votes registered on the voting machines. The result shall be declared the same as though there had been no accident to the voting machine. The ballots thus voted shall be preserved and returned as herein directed with a certificate or statement setting forth how and why the same were voted.

4. Section 19:49-3 of the Revised Statutes is amended to read as follows:

19:49-3. At least one week prior to any primary, local, or general election two sets of official ballots shall be provided for each voting machine, for each polling place, for each election district, for use in and upon the voting machine. One set thereof shall be inserted or placed in or upon the voting machine and the other shall be retained in the custody and possession of the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody
of voting machines, unless it shall become necessary during the course of the election to make use of the same upon or in the voting machine. At the close of the election all official ballots, except those actually in or upon the voting machine at the close of the election, whether the same shall have been used in the machine or not, shall be returned to the official providing the same in the manner by this Title provided.

5. Section 19:50–1 of the Revised Statutes is amended to read as follows:

19:50–1. Not less than ten nor more than twenty-one days before each election, the county board of elections shall cause the members of the district boards who are to serve in election districts to be instructed in the use of the machine, and in their duties in connection therewith, and shall cause to be given to each member of each district board who has received such instruction and is fully qualified to properly conduct the election with the machine, a certificate to that effect. For the purpose of giving such instruction the county board of elections shall call such meeting or meetings of the district boards as shall be necessary. The members of the district board of each election district in which a voting machine is to be used shall attend such meeting or meetings as shall be called for the purpose of receiving such instruction concerning their duties as shall be necessary for the proper conduct of the election with the machine. No member of any district board shall serve in any election at which a voting machine is used unless he shall have received such instruction and is fully qualified to perform the duties in connection with the machine, and has received a certificate to that effect from the county board of elections; but this shall not prevent the appointment of a person as a member of the district board to fill a vacancy in an emergency, as now provided by law.
6. Section 19:50-2 of the Revised Statutes is amended to read as follows:

19:50–2. Until voting machines have been in use in any county or municipality for three successive general elections, the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines; shall designate suitable and adequate times and places where voting machines containing sample ballots showing titles of offices to be filled, and, so far as practicable, the names of candidates to be voted for at the next election, shall be exhibited for the purpose of giving instructions in the use of voting machines to all voters who apply for the same. No voting machine to be assigned for use in an election shall be used for such instruction after having been prepared and sealed for the election. During public exhibition of any voting machine for the instruction of voters previous to an election, the counting mechanism thereof shall be concealed from view and the doors may be temporarily opened only when authorized by such county board of elections or such superintendent of elections or such municipal clerk, as the case may be.

7. Section 19:50–3 of the Revised Statutes is amended to read as follows:

19:50–3. For instructing the voters on any election day a placard eighteen inches by twelve inches shall be furnished by the county board of elections and placed on the face of each voting machine in such a position as not to interfere with the operation thereof, which placard shall contain the words, printed in red ink, “Turn down a pointer over the word ‘Yes’ or ‘No’ in the Public Questions column and over the name of each candidate of your choice, and leave them down.” For the further instructing of voters on any election day there shall, so far as practicable, be provided by the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, for each polling place a
mechanically operated model of a portion of the face of the machine. Such model, if furnished, shall, during the election, be located on the district election officers’ table or in some other place which the voters must pass to reach the machine, and each voter shall, before entering the voting machine booth, be instructed regarding the operation of the machine and such instruction illustrated on the model, and the voter given opportunity to personally operate the model. The voter’s attention shall also be called to the diagram of the face of the machine so that the voter can become familiar with the location of the questions and the names of the officers and candidates. If any voter, before entering the voting machine booth, declares under oath, and establishes to the satisfaction of a majority of all the members of the district board that by reason of blindness or other physical disability he is unable to cast his vote without assistance, he shall have the assistance of two members of the board of opposite political faith, to be assigned by the board. Such members shall retire with such voter to the booth and assist him. The member acting as clerk of the district board shall make an entry on a disability certificate for assistance, which entry shall be on the form of oath inserted in the front of the duplicate registry binders at each election.

In every instance when such oath is administered to a voter as herein provided, it shall state briefly what facts were sworn to and the names of the members of the board who aided such voter shall be signed on the form. Any members of the district board shall be eligible to assist any such voter, but no other person except as hereinafter provided shall be allowed to assist him. No member of the board shall reveal the name of any person for whom such voter has voted, or anything that took place while he was being assisted.

The voter, if blind, may, in lieu of the assistance of the board as above provided, have assistance of some person of his own selection. Such person
shall retire with such voter to the booth and assist him in voting. The name and address of such person shall be recorded as above. In such case, no other person than the one so selected by the voter shall be allowed to assist such voter. No person so selected shall reveal the name of any person for whom such voter has voted or anything that took place while he was being assisted.

The disability certificates shall be numbered serially one to twenty. The commissioner of registration shall furnish sufficient disability certificates for assistance for each election district in his county which shall be inserted in the front of the duplicate registry binders.

8. Section 19:51–1 of the Revised Statutes is amended to read as follows:

19:51–1. Election districts in which voting machines are to be used may be altered, divided or combined by the county board of elections so as to provide that each district in which one machine is to be used shall contain, as nearly as may be, seven hundred fifty registered voters, and that each district in which two machines are to be used shall contain, as nearly as may be, one thousand registered voters, and that each district in which three machines are to be used shall contain, as nearly as may be, one thousand five hundred registered voters. Nothing herein shall prevent any election district from containing a less number than above if necessary for the convenience of the voters. When more than two machines are to be used in a district, two additional members of the district board, who shall be of opposite political parties, shall be appointed for each additional machine.

At least thirty days before any election, the county board of elections shall certify to the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, the location of each polling place in the county or municipality, as the case may be, together with the number of voting machines to be delivered thereto, for the use in said election.
9. Section 19:52-1 of the Revised Statutes is amended to read as follows:

19:52-1. The district boards of each election district shall meet at the polling place three-quarters of an hour before the time set for opening of the polls at each election and shall proceed to arrange the furniture, stationery and voting machine or machines for the conduct of the election. The district boards shall then and there have the voting machine, ballots and stationery required to be delivered to them for such election by the officials charged by law with that duty. If not previously done, they shall insert in their proper place on the voting machine the ballots containing the names of offices to be filled at such election and the names of candidates nominated therefor.

The keys to the voting machine shall be delivered to the district election officers in any manner that the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, may determine, at least three-quarters of an hour before the time set for opening the polls, in a sealed envelope, on which shall be written or printed the number and location of the voting machine, the number of the seal with which it is sealed and the number registered on the protective counter or device, as reported by the custodian. The envelope containing the keys shall not be opened until at least one member of the board from each of two political parties shall be present at the polling place and shall have examined the envelope to see that it has not been opened. Before opening the envelope all election officers present shall examine the number on the seal on the machine, also the number registered on the protective counter, and shall ascertain if they are the same as the number written on the envelope; and if they are not the same, the machine must not be opened until such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, after due notice of such discrepancy, shall have
caused such machine to be re-examined and properly arranged by any person or persons employed or appointed pursuant to section 19:48-6 of this Title. If the numbers on the seal and protective counter are found to agree with the numbers on the envelope, the district election officers shall proceed to open the doors concealing the counters, and each district election officer shall carefully examine every counter and ascertain whether or not it registers zero (000) and the same shall be subject to the inspection of official watchers.

The machine shall remain locked against voting until the polls are formally opened and shall not be operated except by voters in voting. If any counter is found not to register zero (000) the district board shall immediately notify such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, who shall, if practicable, cause such counter to be adjusted at zero (000) by any person or persons employed or appointed pursuant to section 19:48-6 of this Title. If it shall be impracticable for such person or persons to arrive in time to so adjust such counter before the time set for opening the polls, the district election officers shall immediately make a written statement of the designating letter and number of such counter, together with the number registered thereon, and shall sign and post the same upon the wall of the polling room, where it shall remain throughout election day, and in filling out the statement of canvass, they shall subtract such number from the number registered thereon at the close of the polls.

10. Section 19:52-7 of the Revised Statutes is amended to read as follows:

19:52-7. The keys of each voting machine shall be inclosed in an envelope to be supplied by the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, on which shall be written the number of the machine and the district and ward where it has been used, which en
velope shall be securely sealed and indorsed by the district election officers, and shall be returned to the source from which the keys were received. The number on the seal and the number registered on the protective counter shall be written on the envelope containing the keys. All keys for any voting machine shall be kept securely by the officials having them in charge. No unauthorized person shall have in his possession any key or keys of any voting machine and all district election officers or persons intrusted with such keys for election purposes, or in the preparation of the machine therefor, shall not retain them longer than necessary to use them for such legal purpose. All machines shall be stored by the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, as soon after the close of the election as possible, and the machines shall at all times be stored in a suitable place, which place shall be a fireproof public building in such counties or municipalities, as the case may be, as have same.

II. Section 19:32-2 of the Revised Statutes is amended to read as follows:

19:32-2. Each superintendent may appoint a chief deputy, a clerk, a secretary, such personnel as is authorized under section 19:48-6 of this Title, and any other assistants he considers necessary to carry out the provisions of this Title, and may remove the same whenever he deems it necessary. Those so appointed shall not be subject to any of the provisions of Title 11, Civil Service, but shall be in the unclassified service. Each superintendent shall fix the salaries of the persons so appointed and such salaries certified to and approved under his hand shall be paid semimonthly by the county treasurer of the county in which such persons are so engaged. All other necessary expenses incurred in carrying out the provisions of this Title when certified to and approved by the superintendent shall be paid by the county treasurer of the county in which the superintendent shall maintain his
office; provided, however, that all expenses of every nature in the office of the superintendent of elections shall not exceed the sum of two hundred sixty thousand dollars ($260,000.00) per annum commencing with the year one thousand nine hundred and forty-six and annually thereafter, of which the sum of sixty thousand dollars ($60,000.00) per annum shall be used exclusively for the purposes set forth in section 19:48-6 of this Title; and the unexpended balance which remains of the amount or amounts appropriated to the county board of elections in each county of the first class by the board of chosen freeholders thereof for the year one thousand nine hundred and forty-five for the purpose of paying all salaries in connection with and defraying the cost of storing, delivering to and from polling places, repairing, servicing, and maintaining voting machines, shall be transferred forthwith to the account of the superintendent of elections and shall be used by him solely for such purpose, and no other.

12. This act shall take effect immediately.
Approved March 30, 1945.

CHAPTER 73

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 43:21-5 of the Revised Statutes is amended to read as follows:

43:21-5. An individual shall be disqualified for benefits:

(a) For the week in which he has left work voluntarily without good cause, and for the three weeks which immediately follow such week (in addition to the waiting period), as determined in each case.

(b) For the week in which he has been discharged for misconduct connected with his work, and for the three weeks which immediately follow such week (in addition to the waiting period), as determined in each case.

(c) If it is found that he has failed, without good cause, either to apply for available, suitable work when so directed by the employment office or the executive director or to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the executive director. Such disqualification shall continue for the week in which such failure occurred and for the three weeks which immediately follow such week (in addition to the waiting period), as determined:

(1) In determining whether or not any work is suitable for an individual, consideration shall be given to the degree of risk involved to his health, safety and morale, his physical fitness and prior training, his experience and
prior earnings, his length of unemployment and prospects for securing local work in his customary occupation, and the distance of the available work from his residence.

(2) Notwithstanding any other provisions of this chapter, no work shall be deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (a) If the position offered is vacant due directly to a strike, lock-out, or other labor dispute; (b) If the remuneration, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (c) If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(d) For any week with respect to which it is found that his total unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed; provided, that this subsection shall not apply if it is shown to the satisfaction of the board of review that:

(1) He is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and

(2) He does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute; provided, that if in any case in which (1) or (2) above applies separate branches of work which are commonly conducted as separate businesses in separate
premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment, or other premises.

(e) For any week with respect to which he is receiving or has received remuneration in the form of:

(1) Remuneration in lieu of notice;

(2) Compensation for temporary partial disability under the workmen's compensation law of any State or under a similar law of the United States; or

(3) Old age benefits under Title 2 of the social security act, as amended, or similar payments under any Act of Congress; provided, that if such remuneration is less than the benefits which would otherwise be due under this chapter, he shall be entitled to receive for such week, if otherwise eligible, benefits reduced by the amount of such remuneration.

(f) For any week with respect to which or a part of which he has received or is seeking unemployment benefits under an unemployment compensation law of any other State or of the United States; provided, that if the appropriate agency of such other State or of the United States finally determines that he is not entitled to such unemployment benefits, this disqualification shall not apply.

(g) For the two weeks immediately following detachment from any maritime services performed under shipping articles.

For the purpose of this subsection, the two or more employing units mentioned in paragraph (2) or (3) or (4) of subsection (h) of section 43:21-19 of this Title shall be treated as a single employing unit.

(c) (1) An employing unit, not otherwise subject to this chapter, which files with the commission its written election to become an employer subject hereto for not less than two calendar years, shall, with the written approval of such election by the commission, become an employer subject hereto to the same extent as all other employers, as of the date stated in such approval; provided, that the commission shall not approve such election by such employing unit to become an employer subject hereto if written objections on the part of a substantial proportion of the individuals in the employ of such employing unit are presented to the commission within ten days following the filing of such election, and shall cease to be subject hereto as of January first of any calendar year subsequent to such two calendar years, only if at least thirty days prior to such first day of January, it has filed with the commission a written notice to that effect.

(2) Any employing unit for which services that do not constitute employment as defined in this chapter are performed, may file with the commission a written election that all such services performed by individuals in its employ in one or more distinct establishments or places of business shall be deemed to constitute employment for all the purposes of this chapter for not less than two calendar years; provided, written objections on the part of a substantial proportion of such individuals affected

Section amended.

Employment of minors.

4. Section 34:15-10 of the Revised Statutes is amended to read as follows:

34:15-10. In the employment of minors, this article shall be presumed to apply unless the notice be given by or to the parent or guardian of the minor. If the injured employee at the time of the accident or compensable occupational disease is a minor under fourteen years of age employed in violation of the labor law or a minor between fourteen and eighteen years of age employed, permitted or suffered to work without an employment certificate or special permit if required by law or at an occupation prohibited at the minor’s age by law, a compensation or death benefit shall be payable to the employee or his dependents which shall be double the amount payable under the schedules provided in sections 34:15-12 and 34:15-13 of this Title.

The possession of such duly issued employment certificate shall be conclusive evidence for an employer that the minor has reached the age certified to therein and no extra compensation shall be payable to any minor engaged in an employment allowed by the law for the age and sex certified to in such certificate. If the certificate presented by the employee as one issued to him shall have been really issued to another child and the real age of the employee shall be such that his employment in any capacity or in the particular capacity he was employed by the employer was prohibited and if the employer shall show to the satisfaction of the workmen’s compensation bureau that he accepted the certificate in good faith as having been issued to the employee and could not have, despite reasonable diligence, discovered the fraud, in such event no extra compensation shall be paid to the employee illegally employed.

The employer alone and not the insurance carrier shall be liable for the extra compensation or death benefit which is over and above the amount of the compensation or death benefit provided under said sections 34:15-12 or 34:15-13. Any provision in
an insurance policy undertaking to relieve an employer from the liability for the extra compensation or extra death benefit shall be void.

5. Section 34:15-12 of the Revised Statutes is amended to read as follows:

34:15-12. Following is a schedule of compensation:

a. For injury producing temporary disability, sixty-six and two-thirds per cent of the wages received at the time of the injury, subject to a maximum compensation of twenty-five dollars per week and a minimum of ten dollars per week. This compensation shall be paid during the period of such disability, not, however, beyond three hundred weeks.

b. For disability total in character and permanent in quality, sixty-six and two-thirds per cent of the wages received at the time of injury, subject to a maximum compensation of twenty-five dollars per week and a minimum of ten dollars per week. This compensation shall be paid for a period of four hundred and fifty weeks, at which time compensation payments shall cease unless the employee
shall have submitted to such physical or educational rehabilitation as may have been ordered by the rehabilitation commission, and can show that because of such disability it is impossible for him to obtain wages or earnings equal to those earned at the time of the accident, in which case further weekly payments shall be made during the period of such disability, the amount thereof to be the previous weekly compensation payment diminished by that portion thereof that the wage, or earnings, he is then able to earn, bears to the wages received at the time of the accident. If his wages or earnings equal or exceed wages received at the time of the accident, then his compensation rate shall be reduced to five dollars. In calculating compensation for this extension beyond four hundred and fifty weeks the minimum provision of ten dollars shall not apply. This extension of compensation payments beyond four hundred and fifty weeks shall be subject to such periodic reconsiderations and extensions as the case may require, and shall apply only to disability total in character and permanent in quality, and shall not apply to any accident occurring prior to July fourth, nineteen hundred and twenty-three.

c. For disability partial in character, but permanent in quality, the compensation shall be based upon the extent of such disability. In cases included in the following schedule the compensation shall be that named in the schedule, to wit:

d. For the loss of the thumb, sixty-six and two-thirds per cent of daily wages during seventy-five weeks.

c. For the loss of the first finger, commonly called index finger, sixty-six and two-thirds per cent of daily wages during fifty weeks.

g. For the loss of a second finger, sixty-six and two-thirds per cent of daily wages during forty weeks.

f. For the loss of a third finger, sixty-six and two-thirds per cent of daily wages during thirty weeks.
CHAPTER 74, LAWS OF 1945

h. For the loss of a fourth finger, commonly called little finger, sixty-six and two-thirds per cent of daily wages during twenty weeks.

i. The loss of the first phalange of the thumb or of any finger shall be considered to be equal to the loss of one-half of such thumb or finger, and the compensation shall be for one-half of the periods of time above specified. The loss of any portion of the thumb or any finger between the terminal joint and the end thereof shall be compensated for a like proportion of the period of time prescribed for the loss of the first phalange of such member.

j. The loss of the first phalange and any portion of the second shall be considered as the loss of the entire finger or thumb, but in no case shall the amount received for more than one finger exceed the amount provided in this schedule for the loss of a hand.

k. For the loss of a great toe, sixty-six and two-thirds per cent of daily wages during forty weeks.

l. For the loss of one of the toes other than a great toe, sixty-six and two-thirds per cent of daily wages during fifteen weeks.

m. The loss of the first phalange of any toe shall be considered to be equal to the loss of one-half of such toe, and compensation shall be for one-half of the period of time above specified.

n. The loss of the first phalange and any portion of the second shall be considered as the loss of the entire toe.

o. For the loss of a hand, or of the thumb and the first and second fingers (on one hand), or four fingers (on one hand), sixty-six and two-thirds per cent of the daily wages during two hundred and thirty weeks.

p. For the loss of an arm, sixty-six and two-thirds per cent of daily wages during three hundred weeks.

q. For the loss of a foot, sixty-six and two-thirds per cent of daily wages during two hundred weeks.
r. For the loss of a leg, sixty-six and two-thirds per cent of daily wages during two hundred and seventy-five weeks.

s. For the loss of vision of an eye, sixty-six and two-thirds per cent of daily wages during one hundred and fifty weeks.

ss. For the enucleation of an eye, sixty-six and two-thirds per cent of daily wages during twenty-five weeks, in addition to such compensation, if any, as may be allowable under subsection s.

t. For the loss of a natural tooth, sixty-six and two-thirds per cent of daily wages for four weeks for each tooth lost.

u. For the total loss of hearing in one ear, sixty-six and two-thirds per cent of daily wages during sixty weeks. For the total loss of hearing in both ears by one accident, sixty-six and two-thirds per cent of daily wages during two hundred weeks.

v. The loss of both hands, or both arms, or both feet, or both legs, or both eyes, or any two thereof as the result of any one accident, shall constitute total and permanent disability to be compensated according to the provisions of paragraph "b."

vv. Amputation between the elbow and the wrist shall be considered as the equivalent of the loss of a hand and amputation at the elbow shall be considered equivalent to the loss of the arm. Amputation between the knee and ankle shall be considered as the equivalent of the loss of a foot, and amputation at the knee shall be considered equivalent to the loss of the leg.

w. In all lesser or other cases involving permanent loss, or where the usefulness of a member or any physical function is permanently impaired, the compensation shall be sixty-six and two-thirds per cent of daily wages, and the duration of compensation shall bear such relation to the specific periods of time stated in the above schedule as the disabilities bear to those produced by the injuries named in the schedule. In cases in which the disability is determined as a percentage of total and permanent
disability the duration of the compensation shall be a corresponding portion of five hundred and fifty weeks. Should the employer and employee be unable to agree upon the amount of compensation to be paid in cases not covered by the schedule, either party may appeal to the workmen’s compensation bureau for a settlement of the controversy.

Inguinal hernia is a disease which ordinarily develops gradually, being very rarely the result of an accident. Where there is a real traumatic hernia resulting from the application of force directly to the abdominal wall, either puncturing or tearing the wall, compensation will be allowed. All other cases will be considered as either congenital or of slow development and not compensable, being a disease rather than an accidental injury; unless preponderant proof is offered that the hernia was immediately caused by such sudden effort or severe strain that, first, the descent of the hernia immediately followed the cause; second, that there was severe pain in the hernial region; third, that there was such prostration that the employee was compelled to cease work immediately; fourth, that the above facts were of such severity that the same was noticed by the claimant and communicated to the employer within twenty-four hours after the occurrence of the hernia (days when the business is not in operation, such as Sundays, Saturdays or holidays shall be excluded from this twenty-four-hour period); fifth, that there was such physical distress that the attendance of a licensed physician was required within twenty-four hours after the occurrence of the hernia. In the case of hernia as above defined, the provisions of paragraph “a” of this section and sections 34:15-14 and 34:15-15 of this Title shall apply, until such time as the employee is able to resume some kind of work with the aid of a truss or other mechanical appliance. If the employee refuses to permit of an operation the employer shall meet the requirements above specified, pay the reasonable costs of the truss or
other appliance found necessary, and also pay compensation for twenty weeks, following which the obligation shall cease and terminate, unless death results from the hernia, in which case the provisions of section 34:15-13 of this Title shall apply. However, if the employee shall elect to undergo an operation, by a physician selected by the employer, the employer shall meet all the expense incident to such operation and recovery, together with compensation as provided in paragraph "a" of this section during the periods of disability prior to and following the operation, subject to the provisions of said section 34:15-14.

If the employee refuses the services of the physician selected by the employer, preferring one of his own selection, the employer shall be relieved of obligations concerning medical expense due to the operation and recovery, but shall pay compensation during the prior and resulting periods of disability. If death results from the hernia or operation, the provisions of said section 34:15-13 shall apply.

y. The weekly compensation payments specified in this section are all subject to the same limitation as to maximum and minimum as are stated in paragraph "a" hereof.

z. In case of the death of the person from any cause other than the accident or occupational disease, during the period of payments for permanent injury, the remaining payments shall be paid to such of his or her dependents as are included in the provisions of said section 34:15-13 or, if no dependents, the remaining amount due, but not exceeding two hundred and fifty dollars, shall be paid in a lump sum to the proper person for funeral expenses; but no compensation shall be due any other person than the injured employee on account of compensation being paid in excess of four hundred and fifty weeks on account of disability total in character and permanent in quality as provided by paragraph "b" of this section.
6. Section 34:15–13 of the Revised Statutes is amended to read as follows:

Section amended.

Compensation computed.

34:15–13. In case of death, compensation shall be computed, but not distributed, on the following basis:

- a. For one dependent, thirty-five per cent of wages.
- b. For two dependents, forty per cent of wages.
- c. For three dependents, forty-five per cent of wages.
- d. For four dependents, fifty per cent of wages.
- e. For five dependents, fifty-five per cent of wages.
- f. For six or more dependents, sixty per cent of wages.
- g. The term “dependents” shall apply to and include any or all of the following who are dependent upon the deceased at the time of accident or the occurrence of occupational disease, or at the time of death, namely: Husband, wife, parents, step-parents, grandparents, children, stepchildren, grandchildren, child in esse, posthumous child, illegitimate children, brothers, sisters, half-brothers, half-sisters, niece, nephew. Legally adopted children shall, in every particular, be considered as natural children. Dependency shall be conclusively presumed as to the decedent’s widow and natural children under eighteen years of age who were actually a part of the decedent’s household at the time of his death. Every provision of this article applying to one class shall be equally applicable to the other. Should any dependent of a deceased employee die during the period covered by such weekly payments or should the widow of a deceased employee remarry during such period, the right of such dependent or of such widow to compensation under this section shall cease. The foregoing schedule applies only to persons wholly dependent, and in the case of persons only partially dependent, except in the case of the widow and children who were actually a part of the decedent’s
Compensation. h. Compensation shall be computed upon the foregoing basis. Distribution shall be made among dependents, if more than one, according to the order of the workmen's compensation bureau, which shall, when applied to for that purpose determine, upon the facts being presented to it, the proportion to be paid to or on behalf of each dependent according to the relative dependency. Payment on behalf of infants shall be made to the surviving parent, if any, or to the statutory or testamentary guardian.

i. If death results from the accident or occupational disease, whether there be dependents or not, expenses of the last sickness of the deceased employee shall be paid in accordance with the provisions for medical and hospital service as set forth in section 34:15-15 of this Title. Also the cost of burial, not to exceed two hundred and fifty dollars ($250.00), shall be paid to the dependent or other person having paid said costs of burial. In the event that the said dependent or other person has paid less than two hundred and fifty dollars ($250.00) the said dependent or other person shall be reimbursed in the amount paid and, if the costs of burial exceed the amount so paid, the difference between the said amount and two hundred and fifty dollars ($250.00) or so much thereof as may be necessary to pay the costs of burial, shall be paid
to the undertaker or embalmer. In the event that no part of the costs of burial has been paid, the amount of such cost of burial, not to exceed two hundred and fifty dollars ($250.00), shall be paid to the undertaker or embalmer.

j. In computing compensation to those named in this paragraph, except husband, wife, parents and step-parents, only those under eighteen or over forty years of age shall be included and then only for that period in which they are under eighteen or over forty; provided, however, that payments to such physically or mentally deficient persons as are for such reason dependent shall be made during the full compensation period of three hundred weeks.

k. The maximum compensation in case of death shall be twenty-five dollars per week and the minimum ten dollars per week, except in the case of partial dependency as provided in this section. This compensation shall be paid during three hundred weeks and if at the expiration of three hundred weeks there shall be one or more dependents under eighteen years of age compensation shall be continued for such dependents until they reach eighteen years of age at the schedule provided under paragraphs "a" to "f" of this section.

7. Section 34:15-14 of the Revised Statutes is amended to read as follows:

34:15-14. No compensation other than medical aid shall accrue and be payable until the employee has been disabled seven days, whether the days of disability immediately follow the accident, or whether they be consecutive or not. These days shall be termed the waiting period. The day that the employee is unable to continue at work by reason of his accident, whether it be the day of the accident or later, shall count as one whole day of the waiting period. Should the total period of disability extend beyond four weeks, additional compensation shall at once become payable covering the above prescribed waiting period.
8. Section 34:15-16 of the Revised Statutes is amended to read as follows:

34:15-16. Compensation for all classes of injuries shall run consecutively, and not concurrently, except as provided in section 34:15-15 of this Title, as follows: First, medical and hospital services and medicines as provided in said section 34:15-15. After the waiting period, compensation during temporary disability. If total period of disability extends beyond four weeks, compensation to cover waiting period. Following both, either or none of the above, compensation consecutively for each permanent injury. Following any or all or none of the above, if death results from the accident, expenses of last sickness and burial. Following which compensation to dependents, if any.

Where an employer or his insurance carrier desires to pay for or furnish medical, surgical, or hospital treatment, drugs, orthopedic or prosthetic appliances, after the date when payments under sections 34:15-12 and 34:15-13 of this Title have terminated, the employer or his insurance carrier may, in writing, reserve the defense of the jurisdictional limitations provided by sections 34:15-27, 34:15-34, 34:15-41 and 34:15-51 of this Title; provided, that the reservation is approved by a deputy commissioner after advising the petitioner personally of his rights and of the effect of such reservation.

9. Section 34:15-22 of the Revised Statutes is amended to read as follows:

34:15-22. Procedure in case of dispute shall be in accordance with article four of this chapter (Sec. 34:15-49 et seq.).

No agreement between an employee and his employer or insurance carrier for compensation shall operate as a bar to the formal determination of any controversy, unless such agreement has been approved by a deputy commissioner in open court; provided, that after a petition has been filed and when the petitioner is represented by an attorney
licensed in the State of New Jersey, and when it shall appear to the deputy commissioner that the only issue involved is the extent of disability, the deputy commissioner may, with the consent of the parties, after considering the sworn testimony of the petitioner and such other witnesses present, together with any stipulations of the parties, enter a determination and rule for judgment which shall include a finding of fact as to the amount of the then present disability. Such determination and rule for judgment may be reopened only in accordance with the provisions of section 34:15-27 of this Title.

10. Section 34:15–26 of the Revised Statutes is amended to read as follows:

34:15–26. When any proceedings have been taken under the provisions of article two of this chapter, the bureau or the judge of the court of common pleas shall, as a part of the determination and order, either for payment or for commutation of payment, settle and determine the amount of compensation to be paid by the injured employee or his dependents, on behalf of whom such proceedings are instituted, to his legal advisers, and it shall be unlawful for any lawyer, or other person acting in that behalf, to ask for, contract for or receive any larger sum than the amount so fixed; and in the order determining weekly payments where no commutation is made, the bureau or the said judge shall also determine the amount to be paid per week from the compensation payment on account of the legal fee thus awarded, and it shall be unlawful for the legal adviser, or other person acting in that behalf, to ask for, contract for or receive a larger sum per week than the allowance thus determined.

11. Section 34:15–36 of the Revised Statutes is amended to read as follows:

34:15–36. “Willful negligence” within the intent of this chapter shall consist of (1) deliberate act or deliberate failure to act, or (2) such conduct
as evidences reckless indifference to safety, or (3) intoxication, operating as the proximate cause of injury.

**Employer.**

"Employer" is declared to be synonymous with master, and includes natural persons, partnerships, and corporations; "employee" is synonymous with servant, and includes all natural persons who perform service for another for financial consideration, exclusive of casual employments, which shall be defined, if in connection with the employer's business, as employment the occasion for which arises by chance or is purely accidental; or if not in connection with any business of the employer, as employment not regular, periodic or recurring; provided, however, that forest fire wardens and forest fire fighters employed by the State of New Jersey shall, in no event, be deemed casual employees.

**Proviso.**

A person engaged in the vending, selling or offering for sale or delivering directly to the general public newspapers, magazines or periodicals or acting as sales agent or distributor as an independent contractor of or for any such newspaper, magazine or periodical shall not be considered an employee within the provisions of this chapter.

12. Section 34:15-37 of the Revised Statutes is amended to read as follows:

34:15-37. "Wages," when used in this chapter, shall be construed to mean the money rate at which the service rendered is recompensed under the contract of hiring in force at the time of the accident. Board and lodging when furnished by the employer as part of the wages shall be included and valued at eight dollars per week, unless the money value of such advantages shall have been otherwise fixed by the parties at the time of hiring. Where prior to the accident, the rate of wages is fixed by the output of the employee, the daily wage shall be calculated by dividing the number of days the workman was actually employed into the total amount the employee earned during the preceding...
six months, or so much thereof as shall refer to
employment by the same employer. Where the
rate of wages is fixed by the hour, the daily wage
shall be found by multiplying the hourly rate by
the customary number of working hours constitut-
ing an ordinary day in the character of the work
involved. In any case the weekly wage shall be
found by multiplying the daily wage by five, or if
the employee worked a greater proportion of the
week regularly, then by five and one-half, six, six
and one-half or seven, according to the customary
number of working days constituting an ordinary
week in the character of work involved. Five days
shall constitute a minimum week. Gratuities, re-
ceived regularly in the course of employment from
others than the employer, shall be included in
determining the weekly wage only in those cases
where the employer or employee has kept a regular
daily or weekly record of the amount of gratuities
so received. In such cases the average weekly
amount of gratuities over a period of six months,
or for the entire time of employment, whichever
period is less, shall be added to the fixed weekly
wage to determine the employee’s total weekly
wage. If no such record has been kept, then the
average amount of the weekly gratuities shall be
fixed as ten dollars per week.

13. Section 34:15–38 of the Revised Statutes is
amended to read as follows:

34:15–38. To calculate the number of weeks and
fraction thereof that compensation is payable for
temporary disability, determine the number of
calendar days of disability from and including as
a full day the day that the employee is first unable
to continue at work by reason of the accident, in-
cluding also Saturdays, Sundays and holidays, up
to the first working day that the employee is able
to resume work and continue permanently thereat;
subtract from this number the waiting period and
any days and fraction thereof the employee was
able to work during this time, and divide the re-

394

If, however, the total period of disability extends beyond four weeks, the waiting period shall not be subtracted from the number indicated above. The resulting whole number and sevenths will be the required period for which compensation is payable on account of temporary disability.

14. Section 34:15–53 of the Revised Statutes is amended to read as follows:

34:15–53. Within ten days after the filing of an answer, or the expiration of the time for filing an answer if no answer is filed, the secretary of the bureau shall fix a time and place for hearing the petition, or shall send the petition and answer or a transcript of the petition and answer to the commissioner, a deputy commissioner or one of the referees, in which case such commissioner, deputy commissioner or referee, within fifteen days after the filing of the answer, shall fix a time and place for the hearing of the petition. Such time shall be not less than four weeks nor more than six weeks after the filing of the petition. The petition shall be heard either in the county in which the injury occurred or in which the petitioner or defendant resides, or in which the defendant’s place of business is located, or in which the defendant may be served with process. When a time and place has been fixed for such hearing, the commissioner, deputy commissioner or the referee to whom the cause has been referred shall give at least ten days’ notice to each party of the time and place of hearing. The commissioner, deputy commissioner or any referee to whom a cause has been referred, shall have power to adjourn the hearing thereof from time to time in his discretion.

15. Section 34:15–55.1 of the Revised Statutes is amended to read as follows:

34:15–55.1. Any employer, not a resident of this State, or any employer not licensed to do business in this State, or any resident employer who becomes a nonresident of this State after the occur-
ence of an injury to an employee, who shall
employ or who shall have employed any person to
perform work, labor or services within this State
shall be deemed by the accepting of the privilege
of engaging in such work, labor and services by
his or its employees to make, constitute and appoint
the secretary of the workmen's compensation
bureau as his or its agent for the acceptance of
process in any proceeding by any such employee
or dependent or representative of such employee,
under and by virtue of this chapter; and the accept-
ance of such privilege or the entering into this
State for the purpose of engaging in such employ-
ment shall be a signification of such employer that
any such process issued against him or it, which is
so served, shall be of the same legal force and
validity as if served upon him or it personally.
Service of such process shall be made by leaving
a copy of the petition with the secretary of the
bureau, or some one designated by him in his office,
and such service shall be sufficient service upon
such nonresident employer; provided, that notice
of such service and a copy of the petition are forth-
with sent by registered mail to the respondent to
the address stated in such petition, by the secretary
of the bureau, or such person acting for him in his
office, and the respondent’s return receipt and the
affidavit of the secretary of the bureau, or such
person in his office acting for him, of the compliance
therewith are appended to such petition and filed in
the office of the secretary of the bureau wherein
such action may be pending; provided, also, that
the date of the mailing and the date of the receipt
of the return card aforesaid are properly indorsed
on such petition and signed by the secretary of the
bureau, or some one acting for him.

The workmen's compensation bureau in which
such action is pending may order such continuance
as may be necessary to afford the respondent a
reasonable opportunity to defend the action. The
secretary of the bureau shall keep a record of all
such processes which shall show the day and hour of such service.

This section shall be construed to extend the right of service of process upon nonresidents and shall not be construed as limiting any provisions for the service of process now or hereafter existing.

16. Section 34:15-64 of the Revised Statutes is amended to read as follows:

34:15-64. The commissioner and the deputy commissioners may make such rules and regulations for the conduct of the hearing not inconsistent with the provisions of this chapter as may, in his judgment, be necessary. The official conducting any hearing under this chapter may, in his discretion, allow to the party in whose favor judgment is entered, costs of witness fees and a reasonable attorney fee, not exceeding twenty per cent of the judgment; and a reasonable fee not exceeding fifty dollars for any one witness, or one hundred fifty dollars in any one case, for medical witnesses residing in the State, when in his judgment the services of an attorney and medical witnesses were necessary for the proper presentation of the case. When, however, prior to any hearing compensation has been offered or paid, the reasonable allowance for attorney fee shall be based upon only that part of the judgment or award in excess of the amount of compensation theretofore offered or paid. When the amount of the judgment, or when that part of the judgment or award in excess of compensation theretofore offered or paid, is less than two hundred dollars, an attorney fee may be allowed not in excess of fifty dollars.

All counsel fees of claimants' attorneys for services performed in matters before the workmen's compensation bureau, whether or not allowed as part of a judgment, shall be first approved by the bureau before payment. Whenever a judgment or award is made in favor of a petitioner, the deputy commissioner or referee shall direct amounts (including counsel fees and witness
fees) to be deducted for the petitioner’s expenses and to be paid directly to the persons entitled to the same, the remainder to be paid directly to the petitioner.

17. Section 34:15-66 of the Revised Statutes is amended to read as follows:

34:15-66. Either party may appeal from the judgment of the commissioner, deputy commissioner, or referee, to the court of common pleas of the county in which the accident occurred, by filing with the secretary of the bureau, and with the clerk of the county where the accident occurred, a notice of appeal. Such notice shall be filed within thirty days after the judgment has been rendered and shall briefly describe the judgment and state the intention of the party to appeal therefrom. The filing of notice shall stay the execution of the judgment until the determination or dismissal of the appeal. The appellant shall, within fifteen days after filing notice of appeal, send to the clerk of the court of common pleas of the county in which the accident occurred, a transcript of the record and testimony in the cause, which transcript shall be prepared by appellant and submitted to the secretary of the bureau for certification. Within ten days after filing of transcript, a judge of the court of common pleas, upon application of appellant, shall fix a time and place for the hearing of the appeal, at least ten days’ notice of which shall be served upon the respondent by the appellant. The trial of the appeal shall be based exclusively on the transcript of the record and testimony, and at the time fixed for the hearing, argument may be presented by each side to the judge, who shall in a summary manner decide the merits of the controversy, and the judgment on any such appeal shall be conclusive and binding. This determination shall be made within ninety days after the filing of the transcript, regardless of whether or not the appeal has then been heard or argued, and such determination shall be filed in writing with the
clerk of the common pleas court, and judgment shall be entered thereon in the same manner as in causes tried in the court of common pleas. Subsequent proceedings thereon shall only be for the recovery of moneys thereby determined to be due. Costs may be awarded by the judge in his discretion, and when so awarded the same costs shall be allowed, taxed and collected as are allowed, taxed and collected for like services in the common pleas courts. In case the respondent, in said appeal, is unable to pay counsel, the judge of the court of common pleas shall assign counsel to represent him. Any appeal may be dismissed by the judge if the transcript of the record and testimony is not transmitted, or if the appeal is not prosecuted in accordance with the provisions of this chapter. Nothing herein contained shall be construed as limiting the jurisdiction of the Supreme Court to review questions of law and fact by certiorari. Appeals to the Court of Errors and Appeals may be taken from a judgment of the Supreme Court only as limited by section 2:27-350 of the Revised Statutes.

18. Section 34:15-75 of the Revised Statutes is amended to read as follows:

34:15-75. Compensation for injury and death, either or both, of any volunteer fireman or of any forest fire warden or forest fire fighter employed by the State of New Jersey, shall be based upon the weekly salary or compensation received by such person in his private employment. Any such person whose income is derived from any source other than wages or salaries shall be entitled to receive the maximum compensation by this chapter authorized. Compensation shall in no case exceed the sum of twenty-five dollars per week, and where the fireman, forest fire warden or forest fire fighter was not employed at the time of injury or death, compensation shall be ascertained and paid upon the basis of the weekly compensation last received by him when so employed.
CHAPTER 74, LAWS OF 1945

19. Section 34:15–95 of the Revised Statutes is amended to read as follows:

Section 34:15–95. The sums collected under section 34:15–94 of this Title shall constitute a fund out of which a sum shall be set aside each year by the Commissioner of Labor from which compensation payments in accordance with the provisions of paragraph (b) of section 34:15–12 of this Title shall be made to persons totally disabled, as a result of experiencing a subsequent permanent injury under conditions entitling such persons to compensation therefor, when such persons had previously been permanently and partially disabled from some other cause; provided, however, that, notwithstanding the time limit fixed therein, the provisions of paragraph (b) of said section 34:15–12 relative to extension of compensation payments beyond four hundred and fifty weeks shall, with respect to payments from the fund constituted pursuant to the provisions of this section, apply to any accident occurring since June twenty-seventh, one thousand nine hundred and twenty-three; provided further, however, that no person shall be eligible to receive payments from such fund:

(a) If the disability resulting from the injury caused by his last compensable accident in itself and irrespective of any previous condition or disability constitutes total and permanent disability within the meaning of this Title.

(b) If permanent total disability results from the aggravation, activation or acceleration, by the last compensable injury, of a pre-existing noncompensable disease or condition.

(c) If the disease or condition existing prior to the last compensable accident is not aggravated or accelerated but is in itself progressive and by reason of such progression subsequent
to the last compensable accident renders him
totally disabled within the meaning of this
Title.

(d) If a person who is rendered permanently
partially disabled by the last compensable
injury subsequently becomes permanently
totally disabled by reason of progressive
physical deterioration or pre-existing condi-
tion or disease.

Nothing in the provisions of said paragraphs a,
b, c and d, however, shall be construed to deny the
benefits provided by this section to any person who
has been previously disabled by reason of total loss
of, or total and permanent loss of use of, a hand or
arm or foot or leg or eye, when the total disability
is due to the total loss of, or total and permanent
loss of use of, two or more of said major members
of the body, or to any person who in successive
accidents has suffered compensable injuries, each
of which, severally, causes permanent partial dis-
ability, but which in conjunction result in perma-
nent total disability. Nor shall anything in para-
graphs a, b, c and d, aforesaid apply to the case
of any person who is now receiving or who has
heretofore received payments from such fund.

Upon the approval of an application for benefits,
the compensation payable from such fund shall be
made from the date when the final payment of
compensation by the employer is or was payable
for the injury or injuries sustained in the employ-
ment wherein the employee became totally and
permanently disabled; provided, that no payment
from such fund shall be made for any period prior
to the date of filing of application therefor; pro-
vided, however, that a person who has received
compensation payments from said fund and who
is reinstated or ordered placed on said fund shall
receive payments from the date of last payment
from said fund, save only in the case of a person
to whom payments have been made and then dis-
continued or suspended because of the rehabilitation of such person in accordance with the provisions of paragraph (b) of section 34:15-12 of this Title, in which case payments from said fund shall be made from the date of filing application for reinstatement. Payments to such totally disabled employees shall be made from said fund by the State Treasurer upon warrants of the Commissioner of Labor. This section shall be applicable to any accident occurring since June twenty-seventh, one thousand nine hundred and twenty-three, insofar as the eligibility of and benefits payable to such employee of this class is concerned; provided, however, that nothing contained herein shall limit or deprive those persons now receiving or who have received the benefits under this section from participating in said fund. All payments from the fund herein created shall be made by semimonthly installment payments. From the fund herein created the Commissioner of Labor may use in any one fiscal year a sum not to exceed the sum of twelve thousand five hundred dollars ($12,500.00) for the cost of administration of the fund including personnel, printing, professional fees, and expenses incurred by the Commissioner of Labor in the prosecution of defenses in the bureau, and of appeals and proceedings for review of decisions on applications for benefits from said fund. The Commissioner of Labor shall annually submit an accounting of the fund to the State Comptroller.

CHAPTER 75

AN ACT concerning elections, and amending section 19:31-11 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 19:31-11 of the Revised Statutes is amended to read as follows:

19:31-11 a. In counties other than counties of the first class, change of residence notice shall be made either by a written request forwarded to the commissioner by mail or by calling in person at the office of the commissioner or the municipal clerk, as the case may be. The commissioner shall provide change of residence notices in card form for the use of any registered voter moving to another address within the same election district or to another election district. Copies of these notices shall also be available at the office of the municipal clerk in each municipality other than a municipality which is a county seat. Each municipal clerk shall transmit daily to the commissioner all the filled out change of residence notices that he may have in his office at the time. These notices shall be printed upon cards, shall contain a blank form showing where the applicant last resided and the address and exact location to which he has moved and shall
have a line for his signature. Upon receipt of such change of residence notice the commissioner shall cause the signature to be compared with the permanent registration forms of the applicant and, if such signature appears to be of and by one and the same legal voter, the commissioner shall cause the entry of the change of residence to be made on the permanent registration forms and the registrant shall thereupon be qualified to vote in the election district to which he shall have so moved. If the commissioner is not satisfied as to the signature on the request for a change of residence, a notice shall be sent by registered mail with return card request to the registrant at his new address directing him to appear at a time to be fixed in the notice not less than ten days from the date thereof at the office of the commissioner to answer such questions as may be deemed necessary to determine the applicant’s place of residence and eligibility to vote. If the registrant fails to appear at the time and place as directed and a return registry card has been received by the commissioner, or if the notice is returned as not delivered or if it is not returned as undelivered and no return registry card is received, the registration forms of the applicant shall be placed in the inactive file until such time as he establishes to the satisfaction of the commissioner the accuracy of the signature on such change of residence notice; provided, however, that such application for change of residence shall be filed with the commissioner or municipal clerk, as the case may be, on or before the fortieth day preceding any election.

b. In counties of the first class change of residence notice shall be made either by a written request signed by the registrant and forwarded to the commissioner by mail and actually received by him or by calling in person at the office of the commissioner or the municipal clerk, as the case may be. The commissioner shall provide change of residence notices in card form for the use of any registered voter moving to another address within the
same election district or to another election district within the same county. Copies of these notices shall also be available at the office of the municipal clerk in each municipality other than a municipality which is a county seat. Each municipal clerk shall transmit daily to the commissioner all the filled out change of residence notices that he may have in his office at the time. These notices shall be printed upon cards, shall contain a blank form showing where the applicant last resided and the address and exact location to which he has moved and shall have a line for his signature. Upon receipt of such change of residence notice the commissioner shall cause the signature to be compared with the permanent registration forms of the applicant and if such signature appears to be of and by one and the same legal voter, the commissioner shall cause the entry of the change of residence to be made on the permanent registration forms and the registrant shall thereupon be qualified to vote in the election district to which he shall have so moved. If the commissioner is not satisfied as to the signature on the request for a change of residence, a notice shall be sent by mail with postage prepaid to the registrant at his new address directing him to appear at a time to be fixed in the notice, not less than ten days from the date thereof, at the office of the commissioner to answer such questions as may be deemed necessary to determine the applicant's place of residence and eligibility to vote. If such registrant fails to appear at the time and place as directed or if the notice is returned as not delivered or if it is not returned as undelivered, the registration forms of the applicant shall be placed in the inactive file until such time as he establishes to the satisfaction of the commissioner the accuracy of the signature on such change of residence notice; provided, however, that such application for change of residence shall be filed with the commissioner or municipal clerk, as the case may be, on or before the fortieth day preceding any election.
c. In any county any voter who shall move within the same county after the time above prescribed for filing an application for change of residence without having made application for change of residence shall be permitted to vote in the district from which he has moved, upon signing an affidavit which shall set forth (1) the date upon which he moved, (2) the address from which he moved, (3) the address to which he moved, and such affidavit shall constitute a transfer to the said new residence for any subsequent election. The county clerk shall furnish to the election board of each district form affidavits for this purpose and the said district boards shall turn over all signed affidavits to the commissioner.

2. This act shall take effect immediately.

Approved April 2, 1945.

CHAPTER 77

AN ACT concerning elections, and amending section 19:31–21 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 19:31–21 of the Revised Statutes is amended to read as follows:

19:31–21. A person whose name appears in the signature copy register and who upon applying for a ballot or voting authority shall have given the
information and signed the signature comparison record as provided in this Title and whose signature in the signature comparison record shall have been compared by a member of the district board and in the presence and view of the challengers with the signature of the applicant as recorded in the register shall be eligible to receive a ballot or voting authority unless it be shown to the satisfaction of a majority of the members of the district board that he is not entitled to vote in the district or has otherwise become disqualified.

No person shall be required to sign the signature comparison record as a means of identification if he shall have been unable to write his name when he registered, or if, having been able to write his name when registered, he subsequently shall have lost his sight or lost the hand with which he was accustomed to write or shall by reason of disease or accident be unable to write his name when he applies to vote, but each such person shall establish his identity in the manner provided in this Title.

In addition to signing the signature comparison record and after the comparison of the signature with the signature in the register, a person offering to vote at a primary election for the general election shall announce his name and the party primary in which he wishes to vote.

After a person has voted the member of the district board having charge of the signature copy registers shall place the number of the person’s ballot in the proper column on the record of voting form of such person, which number shall constitute a record that the person has voted. In the case of a primary election for the general election such member of the district board shall also place in the proper column on the record of voting form the first three letters of the name of the political party whose primary ballot such person has voted.

In the event that the duplicate permanent registration form of any person cannot be found in the signature copy register at the time he applies for
a ballot or voting authority, a member of the district board shall promptly ascertain from the commissioner or a duly authorized clerk if such person is permanently registered. Upon information that such is the fact, such member of the district board shall require the person applying for a ballot or voting authority to obtain an order from the commissioner authorizing him to receive a ballot or voting authority. The commissioner shall specially authorize and deputize clerks to issue such orders in municipalities within his county. The commissioner or his clerk shall require the voter to sign his name upon such order for the purpose of signature comparison. The district board shall require the voter to again sign his name on said order, in the presence of the board, and if the signatures compare, to permit him to vote. At primary elections the commissioner or his duly authorized clerk shall endorse on the order the political party whose ballot such person voted at the last preceding primary election. The order shall be returned to the commissioner at the same time and along with the signature copy registers.

2. This act shall take effect immediately.

An Act to amend "An act relating to the licensing, regulation and supervision of insurance agents, insurance brokers and insurance solicitors, supplementing chapters twenty-two, thirty-two and thirty-six of Title 17 of the Revised Statutes and repealing sections 17:22-1, 17:22-2, 17:22-3, 17:22-4, 17:22-5, 17:23-3, 17:32-6 and 17:32-11 of the Revised Statutes and section one of 'An act concerning the licensing of agents for insurance companies in certain cases, supplementing chapter twenty-two of Title 17, and amending section 17:33-1 of the Revised Statutes,' approved May sixteenth, one thousand nine hundred and forty-one (P. L. 1941, c. 118)," approved April twentieth, one thousand nine hundred and forty-four (P. L. 1944, c. 17;).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section nine of the act of which this act is amendatory is amended to read as follows:

9. After the receipt of such application in due form, properly verified and certified, it shall be the duty of the commissioner or his deputy, or any salaried employee of the department designated by the commissioner, within a reasonable time and in a place reasonably accessible to the applicant, to subject each first-time applicant for license and if the commissioner deems necessary, any applicant for renewal of license, to personal examination in order to determine his trustworthiness and competency to act as such agent, broker or solicitor. If the applicant for a broker's or solicitor's license be a nonresident licensed broker, solicitor or agent, the commissioner may waive such examination;
Provided, the State issuing such license requires no like examination of licensed brokers, solicitors or agents of this State. If the application is for license as an insurance agent, either first-time or for an additional group or groups of insurance, the commissioner may waive the examination if, at the time, the applicant has previously passed the examination for and holds an unexpired broker's license issued in accordance with the provision of this act, or if the applicant is a citizen of this State and has served in the armed forces of the United States in any war and has been honorably discharged and was the holder at any time of an agent's certificate of authority or a broker's license in this State, the commissioner may waive examination. When it is shown from such application and examination that the applicant

(a) intends in good faith to act as an insurance agent, broker or solicitor, and

(b) is actively to engage in the general insurance business, or a particular group or groups thereof with the general public, and

(c) is of good reputation, and

(d) has had experience or training, or is otherwise qualified by education in the kind or kinds of insurance for which he desires to be licensed, and

(e) is a resident of this State or has his principal office for the conduct of such business in this State (unless such application be for a nonresident broker's or solicitor's license), and

(f) is reasonably familiar with the insurance laws of this State, and with the provisions, terms and conditions of the policies or contracts he is proposing to solicit, negotiate or effect, and

(g) he is then engaged in or intends to engage in the business of writing or negotiating insurance as his principal business or occupation or as a substantial part thereof, separate and apart from any connection which he may
have with any partnership or corporation whose principal business is lending of money, and

(h) is not seeking such license principally for the purpose of negotiating or writing insurance on property owned by him, or in which he has an insurable interest, or on property or insurable interests of a relative or his employer, and

(i) is worthy of a license,

the commissioner shall issue to the applicant a license to transact business in this State as an insurance agent, broker or solicitor, as the case may be. A license may be issued by the Commissioner to and in the name of any copartnership or corporation engaged in the insurance brokerage business upon written request and payment of the twenty-five dollars ($25.00) fee prescribed in section thirteen of this chapter; provided, all members of the copartnership or all the officers of the corporation, as the case may be, actively engaged in the insurance brokerage business of the copartnership or corporation in this State hold an unexpired license as an insurance broker issued in accordance with the provisions of this act. Where the request is for license in the name of a corporation organized under the laws of a foreign State or jurisdiction and it shall appear in the application, by affidavit of the president or other officer of a foreign corporation, that the sole business sought to be transacted by it is that of a broker, as herein defined, the commissioner may grant such license, notwithstanding the corporation has not complied with the provisions of the general corporation act and obtained a license thereunder to transact business in this State, if with the first request for such license the corporation shall file with the commissioner a duly executed power of attorney as is required in section seven of this act to be filed by a nonresident individual applicant for a broker's license. Licenses so issued shall expire annually as follows: To
CHAPTERS 82 & 83, LAWS OF 1945

agents on April thirtieth; and to brokers and solicitors on December thirty-first, unless sooner revoked by the commissioner for cause as provided in this act. A license so issued to a solicitor shall be suspended upon termination of the required established solicitor relationship but shall be reinstated upon a written request from another licensed agent or broker with whom such solicitor has established a solicitor relationship.

2. This act shall take effect immediately.
   Approved April 2, 1945.

CHAPTER 83

AN ACT providing for the establishment, construction and maintenance of freeways and parkways and for the acquisition of rights-of-way, property or any rights or interests therein needed for the construction of freeways and parkways, for the establishment and maintenance of parking areas and recreational and other necessary noncommercial facilities, for the treatment of borders and landscape areas, in connection with freeways and parkways, and for the control or exclusion of private access or direct access of abutters therefrom and the control of public access thereto in certain cases, and supplementing Title 27 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. As used in this act, "freeway" shall mean a State highway especially designed for through mixed traffic over which abutters have no easement, or right, of light, air or direct access, by reason of
the fact that their property abuts upon such way, with infrequent public entrances and exits and with or without service roads.

"Parkway." "Parkway" shall mean a State highway especially designed for through passenger traffic over which abutters have no easement, or right, of light, air or direct access, by reason of the fact that their property abuts upon such way, with special treatment in landscaping and planting between roadways and along its borders, which borders may also include service roads open to mixed traffic, recreational facilities such as pedestrian, bicycle and bridle paths, overlooks and picnic areas, and other necessary noncommercial facilities.

2. Upon recommendation of the State Highway Commissioner and upon subsequent designation by the Legislature of any projected State Highway, or portion thereof, as a freeway or as a parkway, the State Highway Commissioner shall have authority to arrange with landowners, at the time of purchase of the rights-of-way for such highway or portion thereof, for the control of public or private access or for complete exclusion of direct access of abutters to the State highway right-of-way. Such arrangements shall be made part of the purchase contract. In the event that no agreement can be reached between the parties, the commissioner shall have the power to acquire said rights of access by condemnation.

3. Property needed for any freeway is declared to be all those lands or interests therein required for the travelled way together with those lands or interests therein necessary for maintenance and protection of the present and future use of the highway, not to exceed a total average width of right-of-way for a freeway of three hundred feet, except where needed in connection with a grade separation and connecting roadways at an intersection with another main highway. The State Highway Commissioner shall have the authority to control the number of access roads and their location and design.
CHAPTER 83, LAWS OF 1945

4. Property needed for any parkway is declared to be all those lands or interests therein required for the travelled way, together with those properties, including lands and interests therein, necessary to provide land between roadways, to provide occasional parking areas, to provide for treatment of borders and landscape areas and to provide recreational facilities as referred to in the definition of a parkway under section one of this act.

5. Upon recommendation of the State Highway Commissioner and upon subsequent designation by the Legislature of any existing State highway, or portion thereof, as a freeway or parkway, the State Highway Commissioner shall have the authority to acquire, either by purchase or condemnation, such property rights, easements and access rights as may be necessary to make such existing highway or portion thereof a freeway or parkway as defined in this act.

6. The State Highway Commissioner shall have the authority to restrict the use of roadways in parkways to passenger motor vehicles and to make such other regulations as may be proper or necessary to carry out the provisions of this act; provided, however, if any highway or any portion or portions thereof over which autobuses lawfully operate is designated a parkway, or a part of a parkway, no such restriction or regulation shall prevent the use by autobuses, in accordance with other laws applicable thereto, of such portion or portions of such parkway as include such highway or portion or portions thereof, or of such portion or portions of such parkway as shall be necessary to provide ingress and egress for such autobuses in connection with such use.

7. The State Highway Commissioner shall also have authority to make reasonable regulations for the installation, construction, maintenance, repair, renewal and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called “facilities”) of any public utility as defined in section 27:7-1 of the
Revised Statutes, in, on, along, over or under any such freeway or parkway. Whenever the State Highway Commissioner shall determine that it is necessary that any such facilities which now are, or hereafter may be, located in, on, along, over or under any such freeway or parkway should be relocated in such freeway or parkway, or should be removed from such freeway or parkway, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the State Highway Commissioner; provided, however, that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location, or new locations, and the cost of any lands, or any rights or interests in lands, and any other rights, acquired to accomplish such relocation or removal, shall be paid by the State Highway Commissioner. In case of any such relocation of facilities, as aforesaid, the public utility owning or operating the same, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenances, in the new location or new locations for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location. No order of the State Highway Commissioner for the removal of such facilities from such freeway or parkway or the relocation thereof outside of such freeway or parkway shall be effective except as such order is approved by the Board of Public Utility Commissioners.

8. No commercial enterprises or activities shall be authorized or conducted by the State Highway Commissioner or any other agency of the State within or on the property acquired for or designated as a freeway or parkway, as defined in this act; provided, however, that nothing herein shall prevent the operation, in the manner provided by law, of autobuses within or on the property used for or designated as a freeway as defined in this act, or the operation, in the manner provided by
law, of autobuses within or on the property used for or designated as a parkway as defined in this act to the extent provided for in section six of this act.

The State Highway Commissioner, in order to permit the establishment of adequate fuel or other service facilities by private owners or their lessees, for the users of a freeway or parkway, shall provide for access roads within the State's right-of-way of any freeway or parkway established or designated as provided in this act, at points which, in his opinion, will best serve the public interest.

The location of such fuel and other service facilities may be indicated to users of the freeway or parkway by appropriate signs, the size, style and specifications, of which, shall be determined by the State Highway Commissioner.

9. The powers contained in this act are in addition to all the powers that the State Highway Commissioner has at the time this act becomes effective, and any limitation herein contained shall be interpreted as applying only to freeways and parkways created under this act.

10. This act shall take effect immediately.

Approved April 3, 1945.

Upon the return of the summons or warrant the court, justice of the peace, police justice or recorder shall proceed to hear and determine the matter in a summary way and without a jury. If the court, justice of the peace, police justice or recorder finds that the person is one of those listed in this section against whom a complaint may be filed, he may commit such person to a State, county, or municipal hospital which will receive the person, or to any other place or institution suitable for and willing to receive the person for detention, examination, care and treatment, whether the hospital, place or institution be located within or without the county, or to the county jail or may make any order for the examination, care or treatment of said person which may be deemed proper under the circumstances.

6. In any quarantine for venereal disease or any commitment or court order imposed by authority of this act upon any person who, since immediately
prior to the onset of the person's infection with a venereal disease, has been continuously a member of a well-recognized church, the principles of which are opposed to medical treatment for disease, any requirement to follow a course of medical treatment shall be optional, but in such case the termination of the period of quarantine, commitment or applicability of the court order shall be determined by the duration of the infectious stage of the disease, as defined by the State Department of Health; provided, however, that nothing herein shall be construed as exempting any such person from any other provision of this act, including the requirements to submit to medical examination and to supply specimens or permit such specimens to be taken, where such person has or there are reasonable grounds to believe such person may have a venereal disease in an infectious stage.

(4) Should any member in any period of four consecutive years after last becoming a member be absent from service for more than two years, or withdraw his aggregate contributions, or become a beneficiary or die, he shall thereupon cease to be a member.

4. Section nine of the act of which this act is amendatory is amended to read as follows:

9. (1) Upon the receipt of proper proofs of the death of a member in service on account of which no accidental death benefit is payable under section ten, there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate:

(a) His aggregate contributions at the time of death; and
(b) If the member has less than ten years of creditable service an amount equal to his compensation for six months of service preceding his death; if the member has ten or more years of creditable service an amount equal to his compensation for the twelve months of service preceding his death.

(2) The beneficiary of an ordinary death benefit may elect to receive the amount payable in one sum or in equal annual installments over a period of years or as a life annuity.

10. (1) Upon the accidental death of a member before retirement; provided, that evidence shall be submitted to the board of trustees justifying the determination that the natural and proximate cause of such death was an accident met in the actual performance of duty within two years preceding the date of such death and that such death was not the result of the member's willful negligence, and accidental death benefit shall be payable.
(2) The accidental death benefit shall consist of:

(a) The amount of the member’s aggregate contributions which shall be paid as an annuity to his designated beneficiary if living, otherwise in one sum to the executor or administrator of the member’s estate; and

(b) A pension of one thousand dollars ($1,000.00) a year to the widow of the member if he leaves a widow to whom he was married before he attained fifty years of age to continue until her death or remarriage; or, if there is no widow, or if such widow dies leaving children of the deceased member, a pension to each child under age sixteen to continue to age sixteen or prior death, such pension to be four hundred dollars ($400.00) annually if there is only one such surviving child; or three hundred seventy-five dollars ($375.00) annually to each child if two such surviving children; or one thousand dollars ($1,000.00) annually divided equally among the surviving children if there are three or more such children.

6. Section fifteen of the act of which this act is amendatory is amended to read as follows:

15. (1) The contributions required for the support of the retirement system shall be made by members and their employers except for the expenses of administration which shall be paid by the State.

(2) Upon the basis of such tables as the board shall adopt and regular interest, the actuary of the retirement system shall determine for each age at entrance into the system the uniform and constant percentage of compensation of the member entering at such age, which, if deducted from each payment of his prospective earnable compensation throughout active service, is computed to be sufficient to provide for all benefits on account of his membership.
(3) The percentage contribution rate of each member shall be fixed according to his age at entrance into membership and shall be one-half of the total percentage contribution rate calculated for such age to be required to provide all benefits except the pensions upon accidental disability and accidental death.

(4) Each employer shall make a contribution equal to that made by each member in its employ and in addition shall make a contribution equal to the percentage of the compensation of each such member certified by the board to be required to provide the cost of accidental death and accidental disability pensions on his account. Notwithstanding this provision, the board may in its discretion certify an average and uniform rate for payments by all employers, which shall be set on the basis of the annual actuarial valuations to be sufficient to provide with previous contributions of employers all benefits for which employers are responsible.

(5) In addition each employer shall make such contribution, if any, as is certified by the board of trustees to be required to provide for accrued liability arising out of all prior service certificates granted to members chargeable to such employer.

(6) The percentage rates of contribution payable by members and employers shall be subject to adjustment from time to time by the board of trustees on the basis of annual actuarial valuations and experience investigations as provided under section thirteen, so that the value of future contributions of members and employers, when taken with present assets, shall be equal to the value of prospective benefit payments.

(7) The board of trustees shall certify to the chief fiscal officer of each employer the percentage of salary payable by each member and by the employer in behalf of each member. The officer or officers responsible for the payment of salaries of the employer shall cause to be deducted from the salary of each member on each and every payroll of such employer for each and every payroll period the
percentage of earnable compensation of each member certified for payment by the member. In determining the amount earnable by a member in a payroll period, the board of trustees may consider the rate of salary payable to such member on the first day of the payroll period as continuing throughout such payroll period, and it may omit deduction from salary for any period less than a full payment period if an employee was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed one-tenth of one per centum (1/10 of 1%) of the annual salary upon the basis of which such deduction is to be made.

(8) The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein and shall receive for his full salary or compensation, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act. The chief fiscal officer of each employer shall certify to the board of trustees on each and every payroll or in such other manner as the board of trustees may prescribe, the amounts to be deducted; and each of said amounts shall be deducted, and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) The amount payable each year by the employer based on the percentage rates certified by the board of trustees, together with the amount, if any, payable each year by the employer on account of accrued liability arising out of prior service certificates as certified by the board of trustees,
shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

(10) The treasurer or corresponding officer of the employer shall pay on or before the twenty-seventh day of December in each year to the State Treasurer the amount so certified as payable by the employer for said year, and shall pay monthly to the State Treasurer the amount of the deductions from the salary of the members in the employ of the employer and the State Treasurer shall credit such amount to the appropriate fund, or funds, of the retirement system.

(11) The expenses of administration of the retirement system shall be paid by the State of New Jersey. The board of trustees shall estimate and certify, annually, to the Governor and to the Budget Commissioner by October fifteenth the amount required during the ensuing fiscal year to provide for the expense of operation of the retirement system and such amount shall be paid by the State to the expense fund for this purpose. For the purpose of organizing the retirement system an appropriation of twenty thousand dollars ($20,000.00) is hereby appropriated from the treasury of the State.

(12) Prior to the receipt of contributions from members and employers, any moneys in the funds of the system may be used temporarily to cover disbursements but such moneys shall be restored to their proper funds on or prior to the end of the second year of operation.

7. Section sixteen of the act of which this act is amendatory is amended to read as follows:

16. (1) All of the assets of the retirement system shall be credited according to the purpose for which they are held to one of four funds, namely, the annuity savings fund, the pension accumulation fund, the retirement reserve fund and the expense fund.
(2) The annuity savings fund shall be a fund in which shall be accumulated contributions from the compensation of members to provide for their annuities. The aggregate contributions of a member withdrawn by him or paid to his estate or his designated beneficiary in event of his death as provided in this act shall be paid from the annuity savings fund. Upon the retirement or death of a member where the aggregate contributions of the member are to be provided in the form of an annuity, the aggregate contributions of the member shall be transferred from the annuity savings fund to the retirement reserve fund.

(3) The pension accumulation fund shall be the fund in which shall be credited contributions made by employers. Upon the death of a member in active service due to ordinary causes, any lump sum benefit payable in addition to the employee's contributions shall be charged to the pension accumulation fund. Upon the retirement or death of a member the reserve of any pension payable to or on his account shall be transferred to the retirement reserve fund. All interest and other income from investments shall be credited to the pension accumulation fund and annually the board of trustees shall transfer from the pension accumulation fund to the retirement reserve fund regular interest on the mean amount in the retirement reserve fund for the year. The board of trustees, in its discretion, may transfer to and from the pension accumulation fund any surplus or deficit in the retirement reserve fund.

(4) The retirement reserve fund shall be the fund in which shall be held the reserves on all retirement allowances granted to members or their beneficiaries and from which all retirement allowances and benefits in lieu thereof shall be paid. Should a member who retired on account of disability be restored to active service his pension reserve shall be transferred from the retirement reserve fund to the pension accumulation fund and the excess of his aggregate contributions as they
stood at retirement over the amount of annuity payments made shall be transferred to the annuity savings fund. Should the pension of any disabled member be reduced as a result of an increase in his earning capacity the amount of the annual reduction in his pension shall be paid annually into the pension accumulation fund during the period of such reduction.

(5) The expense fund shall be the fund contributed by the State, and shall be the fund to which shall be credited all money provided by the State to pay the administration expenses of the retirement system, and from which shall be paid all the expenses necessary in connection with the administration and operation of the system.

8. Section twenty of the act of which this act is amendatory is amended to read as follows:

20. The provisions of this act shall apply in such municipalities as at the effective date of this act there shall have been established a pension fund for policemen and firemen and in such counties as there shall have been established a pension fund for county police officers, and in any fire district located in a township in which there shall have been established a pension fund for firemen; which pension funds have been established under chapter sixteen of Title 43 of the Revised Statutes or under article four, chapter ten, of Title 43 of the Revised Statutes.

The provisions of this act shall apply to the policemen and firemen of any county, municipality or political subdivision thereof on and after January first following the adoption of this act by the voters of such county, municipality or political subdivision thereof as hereinafter provided.

9. Section twenty-three of the act of which this act is amendatory is amended to read as follows:

23. No member who shall have served honorably in any such police or fire department for a period of twenty-five years and attained age fifty-five shall be deprived of his pension privileges under this act because of any violation of the rules and regula-

If a majority of the legal voters voting upon said question at such general election vote in favor of adoption, the act to which this act is an amendment and supplement shall take effect in such county, municipality or political subdivision thereof on January first following the date of such election. If the act is adopted at such election, the clerk of the county, municipality or political subdivision so adopting the act shall immediately notify the board of trustees of the Police and Firemen's Retirement System of New Jersey of such adoption.

11. Whenever the question of the adoption of the act of which this act is an amendment and supplement is to be submitted to the voters at the general election in any year, the chief financial officer of the county, municipality or political subdivision in which the question is to be submitted shall, on or before July fifteenth preceding such election, mail to the board of trustees full information, on forms to be supplied by request by the board of trustees, as to the employees who may be covered if the act is adopted.

As soon as practicable thereafter the board of trustees shall verify such statement and shall issue to him a prior service certificate certifying to the aggregate length of such service allowable as creditable service but, regardless of the

Such certificate shall be final and conclusive for retirement purposes as to such service, unless thereafter modified by the board of trustees upon application made by the member within one year, or upon its own initiative within one year after the date of issuance of such prior service certificate, or unless in any four-year period which shall elapse subsequent thereto, the member to whom such a certificate was issued fails to render to the employer two additional years of service; in the latter case such certificate shall be void.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. As used in this act:

Retail sale. "Retail sale" means any sale of tangible personal property or services in the ordinary course of business for consumption or use or for any purpose other than for resale in the form of tangible personal property; it includes conditional sales, installment lease sales and any other transfer on tangible personal property when the title is retained as security for the payment of the purchase price and is intended to be transferred later; it includes the hiring of rooms in hotels, inns and boarding houses, and the sale of hotel, inn and boarding house services of all kinds and the sale of food or drink, or both, in restaurants, cafes, bars and other establishments, and includes in the amount of sales receipts any cover, minimum, entertainment or other charge made to patrons; it includes the hiring of rolling chairs and beach chairs, and admission to movies, piers and other places of amusement.

"Purchaser" means any person purchasing or hiring property or services from another person, the receipts from which are taxable.

2. An emergency is hereby declared to exist in municipalities bordering upon the Atlantic ocean which are seaside or summer resorts and which because of their size have a great fluctuation in the number of visitors, because of the recent hurricane, the continued erosion of beaches and the danger of hurricane in the near future, all of which make it impossible for such municipalities to function normally as seaside or summer resorts during the next three fiscal years unless some additional revenue can be raised for use in providing and continuing the facilities which attract visitors to such municipalities as seaside or summer resorts.

3. Notwithstanding any other provision of law to the contrary, any city having a population in excess of fifty thousand inhabitants, which borders upon the Atlantic ocean and is a seaside or summer resort, and in which an emergency is declared to exist in paragraph one hereof, acting through its governing body is authorized and empowered to adopt and amend local ordinances imposing, within the limitations contained in this act, in any such city any tax on retail sales which the Legislature has or would have power and authority to impose.

4. No such tax shall be imposed in excess of the following schedule:

(a) twelve cents ($0.12) or less, no tax;
(b) over twelve cents ($0.12) and not over fifty cents ($0.50), a tax of two cents ($0.02);
(c) over fifty cents ($0.50) and not over seventy-five cents ($0.75), a tax of three cents ($0.03);
(d) over seventy-five cents ($0.75) and not over one dollar ($1.00), a tax of five cents ($0.05);
(e) over one dollar ($1.00), a tax of five cents ($0.05) on each even dollar ($1.00) thereof and if there is any fraction of a dollar
In imposing any such tax on the sale of any cigars, cigarettes or other tobacco products, any such ordinance may provide that each cigar, each pack of cigarettes and each other tobacco container involved in a sale shall be considered as a separate sale and any tax imposed on any such sale may be fixed in such ordinance at a different rate than on other retail sales but not in excess of the schedule above on each cigar, pack of cigarettes and other tobacco container.

5. No such tax shall be imposed:
   (a) upon any isolated transaction not made in the ordinary course of repeated and successive transactions of a like character;
   (b) upon any sale of unprepared food for consumption off the premises;
   (c) upon any sale of medical supplies, dental supplies, medicines, drugs, or optical supplies;
   (d) upon any sale of any article of clothing, the sale price of which is less than fifty dollars ($50.00);
   (e) upon the price received for labor or services used in installing, applying, remodeling or repairing any property;
   (f) upon any sale of services only, except hotel, inn and boarding house services of all kinds and services included in the sale price of food or drink of any nature sold for consumption on the premises;
   (g) upon sales of commercial feeding stuffs, upon which a tax is now imposed pursuant to any law of this State;
   (h) upon sales of fertilizers upon which a tax is now imposed pursuant to any law of this State;

(o) upon sales by any State use industry or any sales by any governmental agency in this State to any other governmental agency in this State;

(p) upon any sale to or by the State or any county, municipality, school district, or other political subdivision thereof;

(q) upon any sales which this State is prohibited from taxing under the Constitution and laws of the United States of America.

6. Such ordinance shall provide for the collection of such tax by an officer of such city who shall be designated in such ordinance; shall provide methods for enforcement; and may provide penalties for the violation of any of the provisions of such ordinance.

7. Every ordinance imposing a tax under the authority of this act shall contain the following provisions:

(a) all taxes imposed by such ordinance shall be paid by the purchaser;

(b) no vendor shall assume or absorb any tax imposed by such ordinance;

(c) no vendor shall in any manner advertise or in any manner represent that any tax im-
posed by such ordinance will be assumed or absorbed by him;

10. No tax imposed under the authority of this act shall be effective as to any sale or transaction occurring after January first, one thousand nine hundred and forty-eight, but may be made effective during all of the period up to January first, one thousand nine hundred and forty-eight or during any part or parts of said period.

11. No such tax shall be imposed on any sale or transaction originating or consummated, or both, outside such city notwithstanding that some act be necessarily performed with respect to such sale or transaction within such city.

12. No such tax shall be imposed on a nonresident of such city or on account of any sale or transaction by or with a nonresident of such city, except when imposed without discrimination as between residents and nonresidents on account of tangible property actually located in such city or service actually
rendered in such city or on account of transfers, retail sales or other transactions actually made or consummated within such city by a nonresident while within such city.

13. Revenues resulting from any tax or excise imposed under the authority of this act shall be used by such city only for:

(1) the construction, reconstruction or repair of bulkheads, jetties, boardwalks, piers, streets, street-ends, sewers, sewer systems and drainage systems;

14. The provisions of this act are severable and if any provision shall be held to be invalid, such decision shall not affect the validity of any other provisions which can be given effect without such invalid provision.

15. This act shall take effect immediately.
Approved April 13, 1945.

An Act concerning insurance; authorizing and regulating the exchange of reciprocal or interinsurance contracts; defining the kinds of insurance which may be the subject of such contracts; providing for the issuance of licenses, and fixing penalties for violations of the provisions hereof.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Individuals, partnerships, trustees and all corporations of this State, herein designated "subscribers," are hereby authorized to exchange reciprocal or interinsurance contracts with each other and with individuals, partnerships, trustees and corporations of other States, districts, provinces and countries, for any or all of the kinds of business for which a company may be formed or authorized to transact under the provisions of chapter seventeen of Title 17 of the Revised Statutes, except life insurance.

Such contracts and the exchange thereof and such subscribers, their attorneys in fact and representatives shall be regulated by this act and by no other statute of this State relating to insurance, except as herein otherwise provided.

2. Such contracts may be executed by an attorney in fact, herein designated "attorney," duly authorized and acting for such subscribers, and such attorney may be a corporation. The office or offices of such attorney, herein defined as an "exchange," shall be maintained at such place or places as may be designated by the subscribers in the power of attorney.

3. Such attorney shall file with the Commissioner of Banking and Insurance of this State a declaration, verified by the oath of such attorney, or when such attorney is a corporation, by the oath of its
president or oaths of its treasurer and secretary setting forth:  

(a) The name of the attorney and the name or designation of the exchange under which such contracts are to be issued, which name or designation shall not be so similar to any other name or designation theretofore adopted by any attorney or by any insurance organization in this State so as to confuse or deceive;  

(b) The kind or kinds of insurance to be effected or exchanged;  

(c) A copy of the form of policy contract or agreement under or by which such insurance is to be effected or exchanged and forms of application therefor;

(e) The location of the office or offices from which such contracts or agreements are to be issued;  

(f) That except as to the kinds of insurance hereinafter specifically mentioned in this paragraph, applications have been made for indemnity upon at least two hundred separate risks aggregating not less than three million dollars ($3,000,000.00) represented by executed contracts or bona fide applications to become concurrently effective. In the case of employers' liability or workmen's compensation insurance, application shall have been made for indemnity upon at least one hundred separate risks covering a total annual payroll of not less than two and one-half million dollars ($2,500,000.00) as represented by executed contracts or bona fide applications to become concurrently effective. In the case of automobile insurance, applications shall have been made for indemnity upon at least one thousand motor vehicles or for insurance aggregating not less than one and one-half million dollars ($1,500,000.00) represented by executed contracts or bona fide ap-
Applications to become concurrently effective on any or all classes of automobile insurance effected by said subscribers through said attorney;

(g) That there shall be maintained at the exchange, available for the payment of losses, assets conforming to the requirements of section five hereof;

(h) A financial statement under oath in form prescribed by the Commissioner of Banking and Insurance of this State;

(i) An instrument authorizing service of process as provided for in this act, and

(j) Where the principal office of the attorney is located in another State, a certificate from the proper official of the State where the principal office is maintained, that the subscribers and the attorney have complied with all provisions of law and are authorized in that State to transact the classes of business which are sought to be transacted in this State.

4. Concurrently with the filing of the declaration provided for by the terms of section three hereof, the attorney shall file with the Commissioner of Banking and Insurance of this State an instrument in writing duly executed by him for said subscribers, conditioned that upon the issuance of certificate of authority provided for in section eleven hereof, action may be brought in any county in which the cause of action arises, or where the claimant resides, and service of process may be had upon the Commissioner of Banking and Insurance of this State in all suits in this State arising out of any policies, contracts or agreements issued, which service shall be valid and binding upon all subscribers exchanging at any time reciprocal or interinsurance contracts through such attorney. Three copies of such process shall be served and the Commissioner of Banking and Insurance of this State shall file one copy in his office, forward one copy to said attorney, and return one copy with his admission of service. Where the principal office of the attorney is located in this State, service of pro-
cess may also be had upon all subscribers by serving the attorney at said office. Service of process shall not be had upon subscribers or any of them in any suit or proceeding in this State, except in the manner provided in this section, and any suit or other proceeding may be begun and prosecuted or defended by them under the name or designation adopted by them. A service fee of two dollars ($2.00) shall accompany each such service and be paid to the Commissioner of Banking and Insurance.

5. There shall be maintained at all times by the exchange, a reinsurance reserve in cash or securities authorized by the laws of the State in which the principal office of the attorney is located for the investment of similar funds of insurance companies doing the same kind of business, in an amount equal to fifty per centum (50%) of the net annual premium deposits collected and credited to the accounts of subscribers on policies having one year or less to run and pro rata on those for longer periods, or, in lieu thereof, one hundred per centum (100%) of the net unearned premium deposits collected and credited to the accounts of subscribers calculated separately for each policy in force as of any given date. In addition to the reserves provided for in this section, there shall also be maintained at all times at the exchange, as assets, a surplus in cash or such securities as aforesaid of not less than the amount of minimum capital and surplus required of a domestic stock insurance company to do the kind or kinds of insurance which it is authorized to write under section one of this act. There shall also be maintained at all times in the hands of the attorney, as a claim or loss reserve, in cash or such securities as aforesaid, assets sufficient to discharge all liabilities on all outstanding or accrued losses arising under policies issued, which are to be calculated in accordance with the laws of the State relating to similar reserves for companies insuring similar risks. If at any time the amounts on hand are less than the foregoing re-
requirements, the subscribers, or their attorney for them, shall make up the deficiency. Net premium deposits, as used in this act, shall be construed to mean the premium deposits made by subscribers after deducting therefrom the amount paid as return premiums upon canceled contracts and reinsurance in companies or associations licensed to do business in this State. If it appears that the amount of funds required in this section has not been accumulated, then the subscribers, or the attorney for them, shall immediately advance such sums as are needed to comply with the provisions of this section, and the funds so advanced shall not be treated as a liability at the exchange, and shall not be withdrawn except with the approval of the chief insurance officer of the State wherein the exchange is domiciled, and such advances shall be repaid only out of the surplus, over and above the minimum required by this section. If the subscribers, or their attorney for them, shall fail to advance sums necessary for the maintenance of such minimum reserves and surplus, within thirty days after receipt of notice from the Commissioner of Banking and Insurance so to do, then said Commissioner of Banking and Insurance shall take charge of and liquidate such exchange in the manner provided by law in the case of other insurers; and in the case of an exchange of another State said Commissioner of Banking and Insurance may revoke its license to transact business in this State.

6. Each domestic exchange transacting business in this State shall keep and maintain with the Commissioner of Banking and Insurance a general deposit of cash or securities in the sum of not less than fifty thousand dollars ($50,000.00). In the case of foreign exchanges, a certificate of such deposit with the chief insurance officer of the State of domicile shall be filed with the Commissioner of Banking and Insurance of this State.

7. The power of attorney under which any contracts of insurance are exchanged pursuant to this act shall provide for a cash premium deposit and
a contingent several liability of the subscriber during each annual period of the term of each contract
of insurance issued to him to be fixed in the power of attorney but in an amount not less than one or more than ten times the amount of the annual portion of such cash premium deposit stated in the contract; except that exchanges which have a surplus equal to seven hundred and fifty thousand dollars ($750,000.00) or to the minimum capital and surplus required of a stock insurance company transacting the same kind or kinds of business, whichever is greater, may issue policies without contingent liability; provided, however, that any such exchange which shall have issued policies without contingent liability after the acquisition of such surplus may continue to do so only so long as it maintains a surplus in the above amount, and no such exchange shall issue any non-assessable policies, except during such time as it shall continue to maintain such surplus.

8. Such attorney shall, within the time limited for filing the annual statement by insurance companies, transacting the same kind of business, make a report, under oath, to the Commissioner of Banking and Insurance of this State for each calendar year in such form as he may prescribe, showing the financial condition of affairs at the office where such contracts are issued, and shall at any reasonable time furnish such additional information and reports as may be required by said commissioner; provided, however, that the attorney shall not be required to furnish the names and addresses of any subscribers, except in the case of unpaid final judgments. The records, affairs and financial condition of the exchange shall be subject to examination by the Commissioner of Banking and Insurance of this State, and such examination shall be at the expense of the office examined. Where the principal office of the attorney is located in another State, the Commissioner of Banking and Insurance of this State may, in lieu of the examination provided for in this section, accept a certified copy of the report of ex-
amination made by the insurance department of the State where the principal office is located, or by the insurance department of any other State.

9. (a) Any corporation now or hereafter organized under the laws of this State shall, in addition to the rights, powers and franchises specified in its articles of incorporation, have full power and authority as a subscriber to exchange insurance contracts of the kind and character herein mentioned. The right to exchange such contracts is hereby declared to be incidental to the purposes for which such corporations are organized, and as much granted as the rights and powers expressly conferred.

(b) All persons, firms or corporations holding property in trust may insure the same at a reciprocal exchange, and, in their representative capacity, may assume the liabilities and be entitled to the rights of a subscriber, but such trustees by so doing, shall not personally or individually be liable under the power of attorney executed on behalf of the trust.

10. Any attorney who shall exchange any contracts of insurance of the kind and character specified in this act, or any attorney or representative of such attorney who shall solicit or negotiate any applications for same, without the attorney first complying with the foregoing provisions, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be subjected to a fine of not less than one hundred dollars ($100.00) nor more than one thousand dollars ($1,000.00).

For the purposes of organization, and upon issuance of permit by the Commissioner of Banking and Insurance of this State, and under such conditions as he may impose, powers of attorney and applications for such insurance contracts may be solicited without compliance with the provisions of this act, but no attorney or other person shall execute or issue any such contracts of insurance until all the provisions of this act shall have been com-

Such certificate shall specify the name or designation under which such contracts of insurance are issued. The Commissioner of Banking and Insurance of this State may, after hearing, revoke or suspend any certificate of authority issued hereunder in the case of violation of any of the provisions of this act, after reasonable notice has been given such attorney in writing, so that he may appear and show cause why such action should not be taken.

12. The attorney may insert in any form of policy prescribed by the laws of this State or adopted by this State any provisions or conditions required by the plan of reciprocal or inter-insurance; provided, however, that same shall not be in conflict with the laws of this State.

13. Such exchanges shall be subject to the same fees and taxes as are provided by the laws of this State, now or hereafter enacted, applicable to insurance companies organized or admitted to do the same kind or kinds of business under the laws of this State.

14. The provisions of the general insurance laws of this State regarding the appointment, licensing, qualification and regulation of insurance agents and solicitors shall not apply to an exchange or its attorney, or executive officer of such attorney, if a corporation, but shall apply to any other person, partnership or corporation representing any such reciprocal or inter-insurance exchange in soliciting, negotiating or effecting of business in this State.
15. 17. The retaliatory laws of this State set forth in section 17:32-12 of the Revised Statutes shall be applicable to reciprocal or inter-insurance exchanges.

18. All laws or parts of laws in conflict herewith are hereby repealed, insofar as they are in conflict with this act.

19. In the event any section, part or provisions of this act is held to be illegal, the same shall not affect any other section, part or provisions of the act, but the remaining sections, parts and provisions shall be and remain in full force and effect.

CHAPTER 162

An Act to provide for the imposition of a franchise tax upon certain corporations and for the distribution of the proceeds thereof, repealing sections 54:13-1 through 54:13-8 and chapter thirty-two A of Title 54, of the Revised Statutes, and making an appropriation for the administration of such tax.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known as the Corporation Business Tax Act (1945).

2. Every domestic or foreign corporation which is not hereinafter exempted shall pay an annual franchise tax for the year one thousand nine hundred and forty-six and each year thereafter, as hereinafter provided, for the privilege of having or exercising its corporate franchise in this State, or for the privilege of doing business, employing or owning capital or property, or maintaining an office, in this State. And such franchise tax shall be in lieu of all other State, county or local tax upon or measured by intangible personal property used in business by corporations liable to taxation under this act.

A foreign corporation shall not be deemed to be doing business, employing or owning capital or property in the State, for the purposes of this act, by reason of (1) the maintenance of cash balances with banks or trust companies in this State, or (2) the ownership of shares of stock or securities in this State if such shares or securities are pledged as collateral security, or deposited with one or more banks or trust companies or brokers who are members of a recognized security exchange, in safekeeping or custody accounts, or (3) the taking of
any action by any such bank or trust company or broker, which is incidental to the rendering of safekeeping or custodian service to such corporation.

3. The following corporations shall be exempt from the tax imposed by this act:

(a) corporations subject to a tax under the provisions of article two of chapter thirteen of Title 54 of the Revised Statutes, or to a tax assessed upon the basis of gross receipts or insurance premiums collected;

(b) railway, canal or banking corporations, savings banks, or building and loan or savings and loan associations;

(c) cemetery corporations not conducted for pecuniary profit of any private shareholder or individual;

(d) non-profit corporations, associations or organizations established, organized or chartered, without capital stock, under the provisions of Titles 15, 16 or 17 of the Revised Statutes, or under a special charter or under any similar general or special law of this or any other State, and not conducted for pecuniary profit of any private shareholder or individual;

(e) corporations subject to a tax under the provisions of chapter four of the laws of one thousand nine hundred and forty, or chapter five of the laws of one thousand nine hundred and forty, or any statute or law imposing a similar tax or taxes.

4. For the purposes of this act, unless the context requires a different meaning:

“Commissioner” shall mean the director of the division of taxation of the State Department of Taxation and Finance.

“Allocation factor” shall mean the proportionate part of a taxpayer’s net worth used to determine a measure of its tax under this act.
"Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument.

"Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion and (5) the amount of all indebtedness owing directly or indirectly to holders of ten per centum (10%) or more of the aggregate outstanding shares of the taxpayer's capital stock of all classes, as of the close of a calendar or fiscal year. However, if in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may require any additional information which may be necessary for a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

"Regulated investment company" shall mean any corporation which, for the period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789, as amended) and meets the requirements of and is taxable under "Supplement Q" of the Internal Revenue Code (52 Stat. 1, 98, as amended).

"Taxpayer" shall mean any corporation required to report or to pay taxes, interest or penalties under this act.
"Fiscal year" shall mean an accounting period ending on the last day of any month other than December.

"Privilege year" shall mean the calendar year in and for which a tax is payable under this act.

5. The franchise tax to be annually assessed to and paid by each taxpayer shall be measured by the greater of:

(a) that portion of its entire net worth as may be allocable to this State as provided in section six; or

(b) that proportion of its entire net worth as the average value of its assets in this State during the period covered by its report is to the average value of its assets everywhere during such period (for the purpose of which there shall be included as within this State all intangible personal property of domestic corporations, and such intangible personal property of other corporations as would have a business situs within this State for the purpose of a property tax)

at the rate of 8/10 of a mill on the first one hundred million dollars ($100,000,000.00) of allocated net worth; 4/10 of a mill on the second one hundred million dollars ($100,000,000.00); 3/10 of a mill on the third one hundred million dollars ($100,000,000.00); and 2/10 of a mill on all amounts of allocated net worth in excess of three hundred million dollars ($300,000,000.00); but not less than twenty-five dollars ($25.00) in the case of domestic corporations, or fifty dollars ($50.00) in case of foreign corporations.

(c) Provided, however, that the franchise tax to be annually assessed to and paid by any regulated investment company shall be measured by that proportion of its entire net worth, but not less than ten per centum (10%) thereof, as the average aggregate value of its capital stock of all classes held by residents of
this State during the period covered by its report bears to the average aggregate value of all its shares of stock issued and outstanding during such period, at the rates hereinabove set forth; but in no case less than one hundred dollars ($100.00).

6. In the case of a taxpayer which maintains a regular place of business outside this State other than a statutory office, the portion of its entire net worth to be used as a measure of the tax imposed by section five (a) of this act shall be determined by multiplying such entire net worth by an allocation factor which shall be the average of the fractions computed in (A), (B) and (C) below, or of so many of them as may be applicable, that is:

(A) The average value of the taxpayer’s real and tangible personal property within the State during the period covered by its report divided by the average value of all the taxpayer’s real and tangible personal property wherever situated during such period;

(B) The receipts of the taxpayer, computed on the cash or accrual basis according to the method of accounting used in the computation of its net income for Federal tax purposes, arising during such period from

1. sales of its tangible personal property located within the State at the time of the receipt of or appropriation to the orders,
2. sales of any such property not located at the time of the receipt of or appropriation to the orders at any permanent or continuous place of business maintained by the taxpayer without the State, where the orders were received or accepted within the State,
3. services performed within the State,
4. rentals from property situated, and royalties from the use of patents or copyrights, within the State,
5. all other business receipts earned within the State,
divided by the total amount of the taxpayer's receipts, similarly computed, arising during such period from all sales of its tangible personal property, services, rentals, royalties and all other business receipts, whether within or without the State;

(C) The total wages, salaries and other personal service compensation, similarly computed, during such period of officers and employees within the State divided by the total wages, salaries and other personal service compensation, similarly computed, during such period of all the taxpayer's officers and employees within and without the State.

In the case of a taxpayer which does not maintain a regular place of business outside this State other than a statutory office, the allocation factor shall be one hundred per centum (100%).

7. As used in section six (C), compensation of officers and employees within this State shall include the entire amount of wages, salaries and other personal service compensation for services performed within or both within and without this State if:

(a) The service is performed entirely within this State; or

(b) The service is performed both within and without this State, but the service performed without this State is incidental to the individual's service within the State, for example, is temporary or transitory in nature or consists of isolated transactions;

(c) The service is not performed entirely in any State but some of the service is performed in this State, and (1) the base of operation, or, if there is no base of operations, then the place, from which such service is directed or controlled, is in this State; or (2) the base of operations or place from which such service is directed or controlled is not in any State in which some part of the service is performed, but the individual's residence is in this State;
(d) Contributions are not required and paid with respect to such services under an unemployment compensation law of any other State.

8. If it shall appear to the commissioner that an allocation factor determined pursuant to section six does not properly reflect the activity, business, receipts or capital of a taxpayer reasonably attributable to the State, he may adjust it by:

(a) excluding one or more of the factors therein;
(b) including one or more other factors, such as expenses, purchases, contract values (minus subcontract values);
(c) excluding one or more assets in computing entire net worth; or
(d) applying any other similar or different method calculated to effect a fair and proper allocation according to the receipts, activity, business and capital reasonably attributable to the State.

The commissioner shall from time to time publish his rulings with respect to any application of the provisions of this section. Nothing herein shall be construed to require or permit the commissioner to adjust an allocation factor determined pursuant to section five (b).

9. Any taxpayer which holds capital stock of a subsidiary during all or part of any year may, for the purposes of the tax imposed by this act, deduct from its net worth such proportion, not exceeding fifty per centum (50%), of the average value of such holdings less net liabilities (if any) to subsidiaries, as the ratio of the subsidiary’s taxable net worth, for the same year under this act, to its entire net worth; provided, however, that if the subsidiary is subject to a franchise tax measured by gross receipts under any other law of this State, such deductible portion of such holdings shall be determined as the ratio of the subsidiary’s business
within the State to its business everywhere during its next preceding taxable year under such law, but shall not exceed seventy-five per centum (75%) of the average value of such holdings. For the purpose of this section, a subsidiary shall be deemed to be any corporation in which a taxpayer is the beneficial owner of at least eighty per centum (80%) of the total combined voting power of all classes of stock entitled to vote and of at least eighty per centum (80%) of the total number of shares of all other classes of stock except nonvoting stock which is limited and preferred as to dividends.

10. Whenever it shall appear to the commissioner that any taxpayer maintains a place of business outside this State, or that any agreement, understanding or arrangement exists between a taxpayer and any other corporation or any person or firm, for the purpose of evading tax under this act, or whereby the activity, business, receipts or net worth of the taxpayer is improperly or inaccurately reflected, the commissioner is authorized and empowered in his discretion and in such manner as he may determine, to adjust items of gross receipts, tangible property and payrolls within and without the State and the allocation of net worth, or to make such other adjustments in any tax report or tax returns as may be necessary. The commissioner may require any person or corporation to submit such information under oath, or to permit such examination of its books, papers and documents, as may be necessary to enable him to determine the existence, nature or extent of an agreement, understanding or arrangement to which this section relates, whether or not such person or corporation is subject to the tax imposed by this act.

11. Any receiver, referee, trustee, assignee or other fiduciary, or any officer or agent appointed by any court, who conducts the business of any taxpayer shall be subject to the tax imposed by this act in the same manner and to the same extent as
if the business were conducted by the agents or officers of such taxpayer. A dissolved taxpayer which continues to conduct business in the process of liquidation shall also be subject to the tax imposed by this act.

12. No domestic corporation shall dissolve, liquidate or distribute any assets in dissolution or liquidation to its stockholders, nor shall any other corporation withdraw from the State in any privilege year without having first duly filed its return under this act and paid or secured the tax, interest and penalties due thereon for the year in which such dissolution or withdrawal occurs as well as all delinquent taxes, interest, and penalties then due.

13. In the case of any corporation which organizes or qualifies on or after January first in any year no tax shall be payable in such privilege year.

14. The commissioner may by general rule or by special notice require any taxpayer to submit copies or pertinent extracts of its Federal income tax returns, or of any other tax return made to any agency of the Federal Government, or of this or any other State, or of any statement or registration made pursuant to any State or Federal law pertaining to securities or securities exchange regulation.

15. The tax imposed by this act shall be due and payable with respect to the calendar year one thousand nine hundred and forty-six, and each year thereafter, measured by the taxpayer’s net worth as of the close of the calendar year or of its fiscal year next preceding the privilege year, except that in the case of a taxpayer whose fiscal year ends not later than July first in the privilege year such measure shall be as of the close of such fiscal year. For the purpose of this section every taxpayer shall use the same calendar or fiscal year upon which it reports to the United States Treasury Department for Federal income tax purposes.

16. The tax imposed by this act shall constitute a lien on all of the taxpayer’s property and franchises on and after January first of the year in
which it is due and payable, and all interest, penalties, and costs of collection which thereafter fall due or accrue shall be added to and become a part of such lien.

17. On or before the fifteenth day of April, in the case of taxpayers reporting on a calendar year basis, and on or before the fifteenth day of January or the fifteenth day of the fourth month following the close of a fiscal year, whichever is later, in the case of taxpayers reporting on a fiscal year basis, each taxpayer shall duly execute and file a tax return with the commissioner, in such form and containing such information as he may prescribe, which return shall truly and accurately set forth its liability under this act; and the full amount of the tax hereunder shall be due and payable to the commissioner together with such return.

18. The commissioner shall design a form of return and forms for such additional statements or schedules as he may require to be filed therewith. Such forms shall provide for the setting forth of such facts as the commissioner may deem necessary for the proper enforcement of this act. He shall cause a supply thereof to be printed and shall furnish appropriate blank forms to each taxpayer upon application or otherwise as he may deem necessary. Failure to receive a form shall not relieve any taxpayer from the obligation to file a return under the provisions of this act. Each such return shall be made upon the oath or affirmation of the president, vice-president, or secretary or treasurer of the taxpayer, and in the case of a corporation in liquidation or in the hands of a receiver or trustee, shall be made on the oath or affirmation of the person responsible for the conduct of the affairs of such corporation.

19. The commissioner may grant a reasonable extension of time for the filing of returns or the payment of tax, or both, under such rules and regulations as he shall prescribe, but no such extension shall be granted beyond the first day of December of the privilege year. If the time for filing the
return shall be extended, the payment of the tax shall be postponed to the date fixed by the extension of the time for the filing of the return, but in every such case the corporation shall pay, in addition to the tax, interest thereon at the rate of six per centum (6%) per annum from the time when the return originally was required to be filed to the time of payment under the extension.

20. In addition to other remedies for the collection of the tax imposed by this chapter, it shall be lawful for the Attorney-General either of his own motion or upon the request of the commissioner, whenever any tax due under this chapter shall have remained in arrears for a period of three months after the tax shall have become payable, to apply to the Court of Chancery, by petition in the name of the State, on five days' notice to such corporation, which notice may be served in such manner as the Chancellor may direct, for an injunction to restrain such corporation from the exercise of any franchise, or the transaction of any business within this State until the payment of such tax and penalties and interest due thereon, and the costs of such application, to be fixed by the Chancellor; the said court is hereby authorized to grant such injunction, if a proper case appear, and upon the granting and service of such injunction it shall not be lawful for such company thereafter to exercise any franchise or transact any business in this State until such injunction be dissolved.

21. In the event of failure or neglect of any taxpayer which is a foreign corporation to pay the tax imposed by this chapter, on or before the first day of December in each year, immediate notice thereof may be given by the commissioner to the Secretary of State who shall immediately revoke the certificate of authority of said corporation to do business in the State of New Jersey and notice of such revocation shall be given by the Secretary of State to the corporation affected and thereafter such corporation, so far as the further transaction of business in the State of New Jersey is concerned, shall
be in the same condition as if no certificate of authority had ever been issued to it by the Secretary of State, but remedies provided by this chapter for the collection of the tax and interest and penalties shall remain unimpaired. After the revocation of any such certificate of authority, no new certificate shall be issued by the Secretary of State to such defaulting corporation until the payment of all assessments imposed hereunder and remaining unpaid with penalties and interest and any costs that may have accrued, such payment to be evidenced by a certificate of the commissioner.

22. Any corporation of this State failing to pay the tax imposed by this act shall be subject to the forfeiture of its charter as provided by chapter eleven of Title 54 of the Revised Statutes.

23. The administration, collection and enforcement of the tax imposed by this act shall be subject to the provisions of the State tax uniform procedure law as therein provided (chapters forty-eight through fifty-two of Title 54 of the Revised Statutes).

24. Out of the proceeds of the taxes, interest and penalties collected pursuant to this act, there hereby appropriated, for the purpose of maintaining free public schools, the sum of four million dollars ($4,000,000.00) annually, which sum shall on or before December twentieth in each year be transferred by the State Treasurer to the State school tax account. Such appropriation shall be applied toward reduction of the State school tax as provided by section 18:10-18 of the Revised Statutes, and shall be apportioned and distributed in the same manner and for the same purposes as the proceeds of the State school tax.

25. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or
part thereof directly involved in the controversy in which such judgment shall have been rendered.

26. There is hereby appropriated for the expense of administering this act during the fiscal year ending June thirtieth, one thousand nine hundred and forty-six, the sum of seventy-five thousand dollars ($75,000.00) in addition to such other sums as may have been appropriated for the division of taxation.

27. Sections 54:13–1 through 54:13–8 and chapter thirty-two-A of Title 54 of the Revised Statutes are repealed; provided, however, that this shall not affect the obligation of any corporation to pay accrued taxes or interest, penalties or costs with respect thereto, nor to invalidate any assessments or proceedings pending upon the effective date thereof, nor to affect the legal authority to assess and collect taxes which may have been due and payable prior to the effective date thereof together with such interest and penalties as would have accrued thereon, under any provisions of law herein repealed; nor shall such repeal affect the tenure or employment of any employees heretofore appointed pursuant to any such repealed provision or section.

28. The commissioner shall prescribe and issue such rules and regulations, not inconsistent herewith, for the interpretation and application of the provisions of this act, as he may deem necessary.

29. This act shall take effect January first, one thousand nine hundred and forty-six, except that the commissioner may prior thereto take such action as he may deem appropriate in anticipation of or in preparation for the operation of the provisions hereof, and except further that the appropriation contained herein for the reduction of the State school tax shall be first made for the fiscal year beginning July first, one thousand nine hundred and forty-six.

Approved April 13, 1945.

Said tax shall be such an amount as will make, when added to the amount determined and appropriated as aforesaid and the amount appropriated for the reduction thereof by the corporation business tax act (1945), a sum equal to 2.9 mills on each dollar of valuation of the taxable real and personal property in the State as exhibited by the last abstract of ratables of the several counties made out by the State Tax Commissioner and filed in the office of the State Comptroller, which tax shall be assessed, levied and collected at the same time and in the same manner as other taxes shall be assessed, levied and collected.

Such advisory agencies and conciliation councils shall be composed of representative citizens, serving without pay, but with reimbursement for actual and necessary traveling expenses; and the council may make provision for technical and clerical assistance to such agencies and councils and for the expenses of such assistance.

10. No person shall be excused from attending and testifying or from producing records, correspondence, documents or other evidence in obedience to the subpoena of the commissioner or assistant commissioner, on the ground that the testimony or evidence required of him may tend to incriminate him or subject him to a penalty or forfeiture, but no person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he is compelled, after having claimed his privilege against self-incrimination, to testify or produce evidence, except that such person so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying. The immunity herein provided shall extend only to natural persons so compelled to testify.
11. It shall be an unlawful employment practice:

   a. For an employer, because of the race, creed, color, national origin or ancestry of any individual, to refuse to hire or employ or to bar or to discharge from employment such individual or to discriminate against such individual in compensation or in terms, conditions or privileges of employment.

   b. For a labor organization, because of the race, creed, color, national origin or ancestry of any individual, to exclude or to expel from its membership such individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer.

   c. For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment, or to make any inquiry in connection with prospective employment, which expresses, directly or indirectly any limitation, specification or discrimination as to race, creed, color, national origin or ancestry or any intent to make any such limitation, specification or discrimination, unless based upon a bona fide occupational qualification.

   d. For any employer, labor organization or employment agency to discharge, expel or otherwise discriminate against any person because he has opposed any practices forbidden under this act or because he has filed a complaint, testified or assisted in any proceeding under this act.

   e. For any person, whether an employer or an employee or not, to aid, abet, incite, compel or coerce the doing of any of the acts forbidden under this act, or to attempt to do so.

12. Any person claiming to be aggrieved by an alleged unlawful employment practice may, by himself or his attorney-at-law, make, sign and file
with the commissioner a verified complaint in writing which shall state the name and address of the person, employer, labor organization or employment agency alleged to have committed the unlawful employment practice complained of and which shall set forth the particulars thereof and contain such other information as may be required by the commissioner. The Commissioner of Labor or Attorney-General may, in like manner, make, sign and file such complaint. Any employer whose employees, or some of them, refuse or threaten to refuse to co-operate with the provisions of this act, may file with the commissioner a verified complaint asking for assistance by conciliation or other remedial action.

13. After the filing of any complaint, the commissioner shall cause prompt investigation to be made in connection therewith; and if the commissioner shall determine after such investigation that probable cause exists for crediting the allegations of the complaint, he shall immediately endeavor to eliminate the unlawful employment practice complained of by conference, conciliation and persuasion. Neither the commissioner nor any officer or employee of the division shall disclose what has transpired in the course of such endeavors.

14. In case of failure so to eliminate such practice, or in advance thereof if in his judgment circumstances so warrant, he shall cause to be issued and served in the name of the division, a written notice, together with a copy of such complaint, as the same may have been amended, requiring the person, employer, labor organization or employment agency named in such complaint, hereinafter referred to as respondent, to answer the charges of such complaint at a hearing before the commissioner at a time and place to be specified in such notice. The place of any such hearing shall be the office of the commissioner or such other place as may be designated by him.

15. The case in support of the complaint shall be presented before the commissioner by the at-
torney for the division and evidence concerning attempted conciliation shall not be received. The respondent may file a written verified answer to the complaint and appear at such hearing in person or representative, with or without counsel, and submit testimony. In the discretion of the commissioner, the complainant may be allowed to intervene and present testimony in person or by counsel. The commissioner or the complainant shall have the power reasonably and fairly to amend any complaint, and the respondent shall have like power to amend his answer. The commissioner shall not be bound by the strict rules of evidence prevailing in courts of law or equity. The testimony taken at the hearing shall be under oath and be transcribed.

16. If, upon all the evidence at the hearing the commissioner shall find that the respondent has engaged in any unlawful employment practice as defined in this act, the commissioner shall state his findings of fact and shall issue and cause to be served on such respondent an order requiring such respondent to cease and desist from such unlawful employment practice and to take such affirmative action, including, but not limited to, hiring, reinstatement or upgrading of employees, with or without back pay, or restoration to membership in any respondent labor organization, as, in the judgment of the commissioner, will effectuate the purposes of this act, and including a requirement for report of the manner of compliance. If, upon all the evidence, the commissioner shall find that the respondent has not engaged in any such unlawful employment practice, the commissioner shall state his findings of fact and shall issue and cause to be served on the complainant an order dismissing the said complaint as to such respondent.

17. The commissioner shall establish rules of practice to govern, expedite and effectuate the foregoing procedure and his own actions thereunder. Any complaint filed pursuant to this section must be so filed within ninety days after the alleged act of discrimination.
18. Observance of the orders of the commissioner may be enforced by mandamus or injunction in appropriate cases, or by suit in equity to compel the specific performance of the order or of the duties imposed by law upon the respondent named in the order. Any order made by the commissioner may be reviewed upon certiorari by the Supreme Court. No certiorari shall be allowed unless application therefor be made within thirty days from the date of service of the order upon respondent nor unless notice in writing of the application shall have been given to the commissioner with a copy of the affidavits or proof upon which the application is based. The notice shall be served upon the commissioner either personally or by leaving it at the office of the commissioner in Trenton. The evidence presented to the commissioner, together with his findings and the order issued thereon, shall be certified by the commissioner to the Supreme Court as his return.

19. The allowance of a writ of certiorari to review any order of the commissioner shall not supersede or stay such order unless the Supreme Court or a justice thereof shall so direct.

20. The Supreme Court is given jurisdiction to review any order of the commissioner and to set aside such order in whole or in part when it clearly appears that there was no evidence before the commissioner to support the same reasonably or that the same was without the jurisdiction of the commissioner.

21. No order of the commissioner shall be set aside in whole or in part for any irregularity or informality in the proceedings of the commissioner unless the irregularity or informality tends to defeat or impair the substantial right or interest of the prosecutor in certiorari.

22. Upon such review, the Supreme Court may affirm, reverse or modify any such order or may make such other order as shall appear equitable and just.
23. The commissioner's copy of the testimony shall be available at all reasonable times to all parties for examination without cost and for production upon an application for a writ of certiorari. The review upon certiorari shall be on the record without requirement of printing.

24. The Attorney-General shall be the attorney for the division.

25. Any person, employer, labor organization or employment agency, who or which shall willfully resist, prevent, impede or interfere with the commissioner or any representatives of the division in the performance of duty under this act, or shall willfully violate an order of the commissioner, shall be guilty of a misdemeanor and be punishable by imprisonment for not more than one year, or by a fine of not more than five hundred dollars ($500.00), or by both; but procedure for the review of the order shall not be deemed to be such willful conduct.

26. The provisions of this act shall be construed liberally for the accomplishment of the purposes thereof. Nothing contained in this act shall be deemed to repeal any of the provisions of the civil rights law or of any other law of this State relating to discrimination because of race, creed, color, national origin or ancestry; but, as to acts declared unlawful by section eleven of this act, the procedure herein provided shall, while pending, be exclusive; and the final determination therein shall exclude any other action, civil or criminal, based on the same grievance of the individual concerned. If such individual institutes an action based on such grievance without resorting to the procedure provided in this act, he may not subsequently resort to the procedure herein.

27. If any clause, sentence, paragraph, or part of this act or the application thereof to any person or circumstances, shall, for any reason, be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this act.
28. There is appropriated to the Commissioner of Education the sum of forty-four thousand, three hundred fifty dollars ($44,350.00) for the fiscal year ending June thirtieth, one thousand nine hundred and forty-six, to carry out the purposes of this act. Approved April 16, 1945.

17:6-55. Not to exceed seventy per centum (70%) of the total deposits may be invested in:

a. Bonds or mortgage notes or participation therein with savings banks of the State of New Jersey, secured by mortgages, which shall be a first lien on improved real estate situate in this State, and the amount loaned thereon shall not, at the time of making the loan, exceed

(1) sixty-six and two-thirds per centum (66\(\frac{2}{3}\)%) of the appraised value of the real estate covered by the mortgage, including in the case of a construction loan, the improve-
ments in course of construction; (A) provided, that such loan shall be due and payable in not more than ten years and that such bond or mortgage note by its terms requires that payments be made on account of principal at an annual rate of not less than (i) two per centum (2%) of the original principal, if such loan is in excess of fifty per centum (50%) of such appraised value, or (ii) one per centum (1%) of the original principal, if such loan is not in excess of fifty per centum (50%) of such appraised value; and (B) provided, further, that in case such loan is not in excess of fifty per centum (50%) of such appraised value and is due and payable in not more than five years, the same may be made without such requirement for annual reduction of the principal; or

(2) (a) eighty per centum (80%) of the first fifteen thousand dollars ($15,000.00) of the appraised value of such real estate and improvements, plus fifty per centum (50%) of the excess, if any, of such appraised value over fifteen thousand dollars ($15,000.00), if the improvements on or in course of construction on such real estate consist of a single family dwelling; provided, that no such loan shall be made in excess of sixteen thousand dollars ($16,000.00); or

(b) eighty per centum (80%) of the first twenty thousand dollars ($20,000.00) of the appraised value of such real estate and improvements, plus fifty per centum (50%) of the excess, if any, of such appraised value over twenty thousand dollars ($20,000.00) if the improvements on or in course of construction on such real estate consist of a two-family, three-family or four-family dwelling; and provided, in the case of any loan made under this subparagraph (2), that such bond or mortgage note by its terms requires that monthly payments be made for interest and that monthly payments to be made on account of principal
at the annual rate of not less than five per centum (5%) of the original principal, or, that a constant monthly payment be made, applicable to interest and amortization of principal, in an amount sufficient to pay current interest and to pay off the principal in not more than twenty years from the original date of the loan, or

(3) thirty per centum (30%) of the appraised value if the loan is on unimproved real estate.

b. Bonds secured by a first mortgage, as provided in section 17:2-1 of this Title.

c. Bonds or mortgage notes secured by mortgages which shall be a first lien on real estate situate in this State or in the State of New York or Pennsylvania, insured by the Federal Housing Administrator or which the Administrator has made a commitment to insure, as provided in section 17:2-6 of the Revised Statutes.

In all cases of loans upon real estate, a sufficient bond or mortgage note, secured by a mortgage on real estate, shall be required together with such searches, insurance policies or other certificates or evidences of title, as shall be approved by the savings bank or its attorney.

No investment in any bond or note and mortgage shall be made except upon a written certificate signed by at least two or more persons, each of whom is a manager or an appraiser appointed by the board of managers, stating that they have examined the mortgaged real estate, reporting their appraised valuation both of the land and of the improvements thereon or in course of construction thereon, and the character of the improvements, and certifying that to the best of their judgment the same affords adequate security for the proposed loan. The certificate shall be filed with the records of the bank.

For the purpose of protecting its investment in any mortgage loan, any savings bank may, in ac-
cordance with its best judgment in the circumstances, extend the time for payment of principal or interest or any part thereof, modify or waive any of the terms or conditions thereof, or settle or compromise all or a part of the amount due or to grow due thereon, or any claim arising in connection therewith, or sell or transfer the same or a participation therein, for such consideration as it may think best. An additional amount may be loaned to the owner of any mortgaged property, to be secured by the existing mortgage lien or a new mortgage subsequent in lien only to that of the existing mortgage, not in excess of one thousand dollars ($1,000.00) or ten per centum (10%) of the principal amount then due on such mortgage, whichever is less, for the alteration, rehabilitation or repair of the improvements thereon, to bear interest at such rate as may be agreed upon, and to be payable in such installments beginning within one year as shall pay off the same in full within five years from the date of making such additional loan or at the maturity of the original loan, whichever is earlier.

For the purpose of this section, a mortgage may be deemed a first lien notwithstanding the existence of a lien for current taxes or assessments not at the time due and payable or the existence of building restrictions or other restrictive covenants or easements or leases which the aforesaid committee reports in their opinion do not materially depreciate the value of the mortgaged property.

2. This act shall take effect immediately.

Approved April 17, 1945.

(2) In monthly or quarterly installments of principal, the first of which shall be payable not less than twelve months after the making of the loan and the last of which shall be payable not exceeding six years from the date of the obligation.

d. Be secured only by the personal liability of the maker, and not by any endorsers, co-makers, collateral or other security; except that where the maker is married endorsement of the spouse may be required, and where the loan is made to finance the purchase of a specific property used in the business or profession a mortgage on such property may be required.

6. Section fourteen of the act of which this act is amendatory is amended to read as follows:

14. Subject to such rules and regulations as the commissioner may prescribe, any veteran’s loan herebefore made under and pursuant to the provisions of chapter one hundred twenty-six of the laws of one thousand nine hundred and forty-four for a period of three years or less and any veteran’s loan hereafter made under and pursuant to the provisions of this act for a period of less than six years may be extended or refinanced in the discretion of the bank without affecting the obligation of the authority hereunder; provided, provision is made for complete discharge of the obligation, and interest thereon, not later than six years from the date of the original loan. Installments may not be accelerated on any veteran’s loan unless the loan is more than three months in arrears. A loan
may be reduced at any time in the option of the borrower.

7. The authority is hereby authorized and empowered to insure or guaranty, whichever any bank may elect in accordance with the provisions of section eight hereof, all veterans' loans heretofore or hereafter made by such bank, to the extent provided in section nine or section ten hereof respectively.

C. 38:23B-14.2. Loans insured.

8. Every bank which heretofore made any veteran's loan under and pursuant to the provisions of chapter one hundred twenty-six of the laws of one thousand nine hundred and forty-four and every bank which may hereafter make its initial veteran's loan shall elect, prior to the first day of July, one thousand nine hundred and forty-five, or simultaneously with the submission for approval of its initial veteran's loan, whichever is later, to have all veterans' loans made and to be made by such bank either insured in accordance with the provisions of section nine hereof or guaranteed in accordance with the provisions of section ten hereof. Notice of such election shall be made on such form as the commissioner shall prescribe.

C. 38:23B-14.3. Reserve fund for insurance.

9. In the event that a bank shall elect, pursuant to the provisions of section eight hereof, to have its approved veterans' loans insured by the authority, then the authority shall set aside out of the veterans guaranty and insurance fund a reserve fund to the credit of such bank equal to twenty per centum (20%) of the total face amount of all of such bank's approved veterans' loans outstanding at the time of such election. The authority shall add to such reserve fund twenty per centum (20%) of the amount of each approved veteran's loan thereafter made by such bank. In the event that the total of all amounts credited to said reserve fund shall at any time be in excess of the total face amount of all such bank's approved veterans' loans outstanding, then the authority shall withdraw such excess amount from said reserve fund.

The reserve fund so set aside shall be used by the authority to meet and pay any losses incurred.
by said bank by reason of such loans, but in no event shall any payment be made by the authority to any bank beyond the total balance set aside as the reserve fund for such bank at the time of such payment.

Whenever any approved veteran's note shall be in default to any such bank for thirty days after the date of maturity thereof, or whenever any installment thereon is more than three months in arrears, the authority shall, upon the demand of such bank, purchase from said bank such note by paying to said bank out of the reserve fund set aside to the credit of said bank, as herein provided, the total amount of principal and interest then due and owing to said bank on said note, but in no event shall any payment be made by the authority in excess of the amount then remaining to the credit of said bank in the reserve fund set aside for said bank, as herein provided.

10. In the event that a bank shall elect, pursuant to the provisions of section eight hereof, to have its veterans' loans guaranteed by the authority, then the authority shall purchase upon demand of such bank, to the extent of the resources of the veterans guaranty and insurance fund in excess of the total of all balances then held in reserve funds in accordance with the provisions of section nine hereof, any approved veteran's note which remains unpaid for thirty days after the date of maturity thereof, or on which any installment is more than three months in arrears, at a price equal to ninety per centum (90%) of the unpaid principal of such note.

11. The total amount of guaranty and insurance liability of the authority which may be outstanding at any time shall in no event exceed the sum of five million dollars ($5,000,000.00).

12. Every bank which has made or which may hereafter make any approved veteran's loan or loans shall, in consideration of the guaranty or insurance, as herein provided, pay to the authority an amount equal to ten per centum (10%) of all interest received by it on all such loans, to be pay-
able at such time or times and in such manner as the authority may prescribe.

13. Section sixteen of the act of which this act is amendatory is amended to read as follows:

16. The commissioner shall proceed to liquidate notes purchased by the authority as rapidly as possible, but shall develop and adopt programs for deferred payments by makers of such notes to avoid undue hardship or sacrifice of business values, without regard to the six-year limitations on maturity elsewhere contained in this act.

14. Section fifteen of the act of which this act is amendatory and supplementary is repealed.

15. This act shall take effect immediately.

Approved April 17, 1945.

CHAPTER 186

An Act concerning the payment of taxes, charges and fees in this and other States, in the territories of the United States, and in the District of Columbia, by insurance companies of this State.

Whereas, doubt has been expressed regarding the validity of laws under which taxes, charges and fees have been heretofore imposed or levied, or may be hereafter imposed or levied, against the property, business, income or franchise of insurance companies by the several States, the territories of the United States, and the District of Columbia, because of the decision by the United States Supreme Court that insurance is interstate commerce when conducted across State lines, with resulting uncertainty, confusion and possible interruption in the orderly conduct of the business; therefore,
CHAPTERS 186 & 187, LAWS OF 1945

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. 2. This act shall take effect immediately.

Approved April 17, 1945.

CHAPTER 187

An Act concerning group life insurance, and amending sections 17:34-31 and 17:34-32 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 17:34-31 of the Revised Statutes is amended to read as follows:

Section amended.

17:34-31. Group life insurance is hereby declared to be that form of life insurance written for a term of not more than five years which may be continued successively from one term to another term of not more than five years at the option of the policyholder in accordance with the provisions
of the policy and covering, (a) not less than fifty employees, written under a policy issued to the employer, the premium for which is to be paid by the employer or by the employer and employees jointly, and insuring only all of his employees, or all of any class or classes thereof determined by conditions pertaining to the employment, for amounts of insurance based on a plan which precludes individual selection, for the benefit of persons other than the employer; provided, that when the premium is to be paid by the employer and employees jointly and the benefits of the policy are offered to all eligible employees, not less than seventy-five per centum (75%) of the employees may be so insured; or (b) the lives of only all of the members, or only all of the members except those upon whom the evidence of insurability submitted is not satisfactory to the insurer, of a group of persons, numbering not less than one hundred new entrants to the group yearly, who become borrowers from a financial institution, including any subsidiary or affiliated institutions, or who become purchasers of securities, merchandise or other property from one vendor, or all of any class or classes of such borrowers or purchasers determined by conditions pertaining to the type of indebtedness or purchase, under agreements by such borrowers or such purchasers for the repayment of the sum borrowed, or for the payment of the purchase price or the balance thereof, as the case may be, in installments over a period of not more than ten years. Such a policy shall be issued to the financial institution or vendor or to an assignee to whom such creditor or vendor may transfer all of its right, title and interest to the unpaid indebtedness, or to the unpaid purchase price, under such agreements made by it. The premiums on such policy shall be remitted by the policyholder. If the borrower or purchaser insured under the policy contributes toward the cost of the insurance by payment of an identifiable charge of a specified amount not charged to eligible borrowers
CHAPTER 187, LAWS OF 1945

or purchasers not so insured, then not less than seventy-five per centum (75%) of the eligible borrowers or purchasers may be so insured. The amount of insurance thereunder on any person insured shall not at any time exceed the amount of unpaid indebtedness due from such person or the amount of the purchase price unpaid by such person, nor the sum of ten thousand dollars ($10,000.00), whichever is less. The benefits under such policies shall be payable to the policyholder; but the amount of any death benefit received thereunder shall be applied to the discharge of the obligation of the person insured to the policyholder.

Any policy which according to its title is a policy of group life insurance, issued by any company of this State for delivery in another state or foreign country and which conforms to the laws of such other State or country, shall be deemed a policy of group life insurance.

For the purposes of this section, the term "employer" shall include the trustee or trustees of a fund, established by employer members of a trade or business association, and maintained by contributions of such employers for the sole benefit of employees of such contributing employers, and shall include any labor union or association the members of which are defined as "employees" in the following paragraph.

For the purposes of this section, the term "employees" shall include the members of any labor union or association who are actively engaged in the same occupation, and the officers, managers and employees of the policyholder and of subsidiary or affiliated corporations of a corporation policyholder, and the individual proprietors, partners and employees of affiliated individuals and firms controlled by the policyholder through stock ownership, contract or otherwise; provided, that in the case of a policy issued pursuant to the preceding paragraph to a trustee or trustees, the term "employees" shall be deemed to include only those per-
sons who bear any of the aforesaid relationships to the contributing employers or any of them, rather than persons who bear any such relationship to such trustee or trustees.

2. Section 17:34–32 of the Revised Statutes is amended to read as follows:

17:34–32. No policy of group life insurance shall be issued or delivered in this State unless it contains in substance provisions, as follows:

a. A descriptive title on the first page of the policy.

b. That all premiums shall be payable at the home office of the company, or to an agent of the company.

c. For one month's grace for the payment of each premium after the first, subject to an interest charge, during which month the insurance shall continue in force.

d. That the policy shall be incontestable after two years from its date except for nonpayment of premiums and for violation of its express conditions, if any, relating to military or naval service in time of war.

e. That the policy, the application of the employer, a copy of which shall be attached to the policy, and the individual applications, if any, of the employees or members insured, shall constitute the entire contract between the parties, and that all statements made in the applications by the employer or by the individual employees and members shall, in the absence of fraud, be deemed representations and not warranties.

f. For the equitable adjustment of the premium or the amount of insurance payable in the event of the misstatement of the age of an employee or member.

g. That when an amount becomes payable by reason of the death of an employee or member, settlement shall be made either immediately upon, or within a specified period not more than two months after receipt of due proof of death.
h. A table showing the amount of installments, if any, in which the amount of insurance payable upon the death of any employee or member may be payable.

i. Except in the case of insurance as provided in clause (b) of the first paragraph of section 17:34-31 of this Title, that the company will issue to the employer, for delivery to each employee whose life is insured under the policy, an individual certificate setting forth a statement as to the insurance protection to which he is entitled, to whom benefits are payable, and the rights to which he is entitled in accordance with paragraphs "m" and "n" of this section.

j. That in the case of insurance as provided in clause (b) of the first paragraph of section 17:34-31 of this Title the company will furnish to the policyholder for delivery to each member who is insured under the policy, a form which shall contain a statement that the life of the member is insured under the policy and that any death benefit received thereunder by reason of his death shall be applied by the policyholder to the discharge of the indebtedness.

k. That to the group or classes thereof eligible for insurance shall be added from time to time all new employees of the employer or members, in the group or classes.

l. That the policy shall participate in the surplus of the company and that the company shall determine annually the amount of the divisible surplus accruing on the policy and that the policyholder shall have the right to have the dividend arising from the participation paid in cash unless another dividend option contained in the policy has been elected and that any policy dividend may be applied to reduce the policyholder's part of the cost of such insurance. This provision shall not be required in nonparticipating policies.

m. That in case of termination of employment for any reason whatsoever every employee shall be entitled to have issued to him by the company, without evidence of insurability, upon application made
to the company, and upon the payment of the premium applicable to the class of risk to which he belongs and to the form and amount of the policy at his then attained age, within thirty-one days after such termination of employment, a policy of life insurance effective at the end of such period of thirty-one days following such termination during which period the death benefit provided by the insurance protection terminated under the group insurance policy shall remain in force, in any one of the level premium forms customarily issued by the company, except term insurance, in an amount equal to the amount of his protection terminated under the group insurance policy because of such termination of employment.

n. That in case of the termination of the group insurance policy for any reason whatsoever every employee insured thereunder for five years or more at the time of such termination shall be entitled to have issued to him by the company, without evidence of insurability, upon application made to the company, and upon the payment of the premium applicable to the class of risk to which he belongs and to the form and amount of the policy at his then attained age, within thirty-one days after such termination of the group insurance policy, a policy of life insurance effective at the end of such period of thirty-one days following such termination, in any one of the level premium forms customarily issued by the company, except term insurance, in an amount equal to the lesser of (1) the amount of his protection terminated under the group insurance policy at the time of termination of such policy less any amount of life insurance for which he may be or may become eligible under any group insurance policy issued or reinstated by the company or another company within such period of thirty-one days, and (2) two thousand dollars ($2,000.00); provided, that during such period of thirty-one days the death benefit provided by the insurance protection terminated under the group insurance policy shall remain in force in an amount
equal to the amount, if any, of the policy of life insurance which the employee is entitled to have issued to him at the end of such period as aforesaid.

Any policy of group life insurance issued to an employer may provide for supplementary insurance in the form of fully paid-up insurance on the lives of the employees in accordance with a plan specified in the policy which precludes individual selection and which paid-up insurance shall not be subject to termination on account of termination of employment of the employees or of the group policy. Any such policy, and the certificates issued for delivery to employees, shall provide that, at any time after termination of employment of the employee or of the group policy, the company will indorse upon any certificate, upon presentation thereof, the amount of the paid-up insurance or, in lieu thereof, may issue a new certificate specifying particulars as to such paid-up insurance. Any cash surrender value payable to the employee on account of any such paid-up insurance provided under a policy of group life insurance issued by any company prior to the operative date for such company of the standard nonforfeiture law (1943) as specified in subsection g of section one of this act shall be not less than the reserve held by the company on the portion of the paid-up insurance provided by the employee’s contributions, including dividend additions thereto, if any, upon the specified mortality table and rate of interest adopted for computing the reserve thereon, less a specified percentage, not more than two and one-half per centum (2½%), of such portion of the paid-up insurance, and less any outstanding indebtedness of the employee to the company thereon or secured thereby. Any cash surrender value payable to the employee on account of any such paid-up insurance provided under a policy of group life insurance issued by any company on or after the operative date for such company of the standard nonforfeiture law (1943) as specified in subsection g of section one of this act
shall be not less than the cash surrender value of the portion of the paid-up insurance provided by the employee's contributions, determined in accordance with the requirements of the said standard nonforfeiture law. Paragraphs "m" and "n" of this section shall not apply to such paid-up insurance.

Any policy of group life insurance may be issued or delivered in this State which in the opinion of the commissioner contains provisions on any one or more of the several foregoing requirements more favorable to the employer and to the employee or member than hereinbefore required, and may be issued by any company of this State for delivery outside of this State when containing provisions in addition to or differing from provisions prescribed in the several foregoing requirements, provided such policy conforms to the laws of the State or country in which it is delivered.

3. This act shall take effect immediately.
Approved April 17, 1945.

An Act to amend "An act concerning health and accident insurance, supplementing chapter thirty-eight of Title 17 of the Revised Statutes, and repealing section 17:18-7 of the Revised Statutes," approved August second, one thousand nine hundred and thirty-nine (P. L. 1939, c. 305).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section six of the act of which this act is amendatory is amended to read as follows:

6. Special provisions. No policy of group accident, group health, group accident and health, or blanket accident insurance, and no certificate there-
under shall be issued or delivered in this State if such policy or certificate contains any provision inconsistent with any of the provisions of this act, except that such policy may contain any provision which in the opinion of the Commissioner of Banking and Insurance is more favorable to policyholders or certificate holders than the provision herein required, and except that such policy issued by any company of this State for delivery outside of this State may contain any provision not consistent with the provisions of this act; provided, such policy conforms to the laws of the State or country in which it is delivered.

Any portion of any such policy, issued or delivered in this State, which purports, by reason of the circumstances under which a loss is incurred, to reduce any benefits promised thereunder to an amount less than that provided for the same loss occurring under ordinary circumstances, shall be printed in such policy and in each certificate issued thereunder in bold face type and with greater prominence than any other portion of the text of such policy; and all other exceptions of the policy shall be printed in the policy and in the certificate with the same prominence as the benefits to which they apply.

2. This act shall take effect immediately.

Approved April 17, 1945.
CHAPTER 189

AN ACT concerning financial responsibility for damages caused by the operation of motor vehicles in certain cases, and amending section 39:6-20 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 39:6-20 of the Revised Statutes is amended to read as follows:

39:6-20. No motor vehicle liability policy shall be issued or delivered in this State unless such policy discloses the name, address and business of the insured, the coverage afforded by the policy, the premium charged therefor, the policy period, the limit of liability and the agreement that the insurance thereunder is provided in accordance with the coverage defined in sections 39:6-18 and 39:6-19 of this Title and in this section and is subject to all of the provisions of this chapter.

The motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

a. The liability of a company under a motor vehicle liability policy shall become absolute when loss or damage covered by the policy occurs and the satisfaction by the insured of a final judgment of the loss or damage shall not be a condition precedent to the right or duty of the carrier to make payment on account of the loss or damage. No such policy shall be canceled or annulled as respects any loss or damage by any agreement between the carrier and the insured after the insured has become responsible for the loss or damage and any such cancellation or annulment shall be void. Upon the recovery of a final judgment against a person for the loss or damage if the judgment debtor was at the accrual of the cause of action insured against
liability therefor under a motor vehicle liability policy, the judgment creditor shall be entitled to have the insurance money applied to the satisfaction of the judgment. The policy may provide that the insured or a person covered by the policy shall reimburse the company for payments made on account of an accident, claim or suit involving a breach of the terms, provisions or conditions of the policy; and, if the policy provides for limits in excess of the limits designated in this section the insurance carrier may plead against the judgment creditor, with respect to the amount of the excess limits of liability any defenses which it may be entitled to plead against the insured. The policy may further provide for the prorating of the insurance thereunder with other applicable valid and collectible insurance.

b. The policy, any written application therefor and any rider or indorsement which shall not conflict with the provisions of this chapter shall constitute the entire contract between the parties.

Effective as of the date such proof is furnished and to the extent of the coverage required by this chapter and to the extent of the limits of liability specified in section 39:6-18 of this chapter, any policy of motor vehicle liability insurance furnished as proof of financial responsibility pursuant to section 39:6-11 of this chapter, either by the filing of a certificate signed by a duly licensed agent of the company issuing the policy as provided in the said section, or otherwise, shall be deemed amended to conform with and to contain all the provisions required by this chapter, any provision of the policy or certificate to the contrary notwithstanding.

An insurance carrier authorized to issue motor vehicle liability policies as provided for in this chapter may, pending the issuance of the policy, execute an agreement, to be known as a binder; or may, in lieu of the policy, issue an indorsement to an existing policy, each of which shall be construed...
to provide indemnity or protection in like manner and to the same extent as the policy. The provisions of said sections 39:6-18 and 39:6-19 and this section shall apply to the binders and indorsements.

2. This act shall take effect immediately.
Approved April 17, 1945.

g. The term "certificate" shall mean a certificate of participation issued by a bank to an estate the funds of which are invested in a common trust fund.

2. A bank may, in its trust department, establish and maintain one or more common trust funds; but in any case in which any money of any estate is used to purchase any participation in any such common trust fund, such common trust fund shall be restricted in its investments to the same extent as the fiduciary of the estate purchasing such participation would have been if he had invested the money of the estate directly in investments and the bank establishing and maintaining such common trust fund shall be subject to the same liability to the estate owning a participation therein, in case of loss because of any investment made, as a fiduciary of the estate purchasing such participation would be if he had invested the money of the estate directly in such investment.

3. Other than stocks or bonds or interest-bearing notes or obligations of or guaranteed principal and interest by the United States or for which the faith and credit of the United States is pledged for the payment of the principal and interest thereof, and other than bonds or interest-bearing notes or other obligations of or guaranteed by this State, or bonds authorized by the laws of this State issued or to be issued by any commission appointed by the Supreme Court by virtue of any law of this State, and other than bonds or interest-bearing notes or other obligations of or guaranteed by any other State of the United States, and other than bonds or interest-bearing notes or other obligations of any county, city, town, township, borough, village or other municipal or political subdivision of this State or of any public school district, water district, union graded school district or regional board of education of this State, and other than bonds or interest-bearing notes or other obligations of any
county, city, town, township, borough, village or school district of any other State of the United States, investments made for any common trust fund shall, at the time of making the investments, be limited to such corporate bonds, debentures, notes or other corporate obligations or securities, or corporate stocks, common or preferred, as are listed on a stock, securities or investment exchange and have a ready market or be such as have a ready market in an over the counter market; provided, however, that no investment shall be made in bonds, debentures, notes, or other corporate obligations or securities if at the time of making the investment the total outstanding issue thereof is less than five hundred thousand dollars ($500,000).

4. No funds of any common trust fund shall be invested in bonds, notes or other obligations of any individual or partnership whether or not secured by mortgage on real property or otherwise secured, or in real property, or in tangible personal property, or in any bond, note or other obligation secured by mortgage on real property or on tangible personal property, or in any share or interest in any bond, note or other obligation secured by mortgage on real or tangible personal property or secured by any group or pool of mortgages on real or tangible personal property, or in any mortgage or mortgages on real or tangible personal property, or in any share or interest in any group or pool of mortgages on real or tangible personal property; provided, however, that nothing in this section contained shall be deemed to prohibit investment in investments authorized by section three.

5. If the instrument or appointment under which a bank acts as fiduciary for an estate, whether such fiduciary capacity arose before or is created after this act takes effect, shall, either expressly or by its silence, limit or restrict the investment of moneys of the estate to investments of the class authorized by law as legal investments for funds held by fiduciaries or if by law such investment is
so limited or restricted, and if such instrument or appointment does not prohibit investment of monies of the estate in a common trust fund, the bank may in its capacity as sole fiduciary or with the consent of its co-fiduciary or co-fiduciaries who is or are hereby authorized to give such consent, invest and reinvest monies of the estate in participations in any one or more common trust funds maintained by the bank hereunder; provided, the investments composing such common trust fund, other than un-invested cash balances awaiting investment or kept for the purpose of meeting cash requirements, consist solely of assets of the class authorized by law as legal investments for funds held by fiduciaries.

In determining if any investment is legal for the investment of funds held by fiduciaries a bank, as trustee of a common trust fund, may rely on and be fully protected in relying upon statistical, financial, corporate or other information as to such investment and upon ratings or other information as to the financial, investment or other status thereof contained in or offered by any financial, statistical, investment rating or other publication or service published for the use of and accepted as reliable by investors in like investments.

Nothing in this section contained shall be deemed to prohibit the bank as fiduciary for any estate the investments for which are not limited or restricted to investments of the class authorized by law as legal investments for funds held by fiduciaries, from investing monies of any such estate in any common trust fund maintained by the bank under this section.

6. If the instrument or appointment under which a bank acts as fiduciary for an estate, whether such fiduciary capacity arose before or is created after this act takes effect, shall authorize the investment of monies of the estate in investments other than those of the class authorized by law as legal investments for funds held by fiduciaries and if such instrument or appointment does not prohibit the investment of monies of the estate in a common
trust fund, the bank may, in its capacity as sole fiduciary or with the consent of its co-fiduciary or co-fiduciaries who is or are hereby authorized to give such consent, invest and reinvest moneys of the estate in participations in any common trust fund maintained by the bank. Any such common trust fund consisting solely of moneys of such estates contributed thereto by the bank may be composed of investments other than those of the class authorized by law as legal investments for funds held by fiduciaries and uninvested cash balances awaiting investment or kept for the purpose of meeting cash requirements. Nothing in this section contained shall be deemed to prohibit any such common trust fund from having comprised within its investments, investments of the class authorized by law as legal investments for funds held by fiduciaries, or to prohibit the bank as fiduciary for any such estate from investing moneys of any such estate in one or more common trust funds maintained by the bank under section five.

7. The moneys of an estate which shall be invested in a common trust fund maintained hereunder shall be added to the common trust fund and by apportioning a participation therein to such estate in the proportion that the moneys of the estate added thereto bears to the aggregate value of all the assets of such fund at the time of such investment, including in such assets the moneys of the estate so added.

8. Any withdrawal of a participation from a common trust fund shall be on the basis of the proportionate interest of such participation in the aggregate value of all the assets of such fund at the time of such withdrawal.

The participating interest of any estate in a common trust fund may, from time to time, be withdrawn in whole or in part by the bank as fiduciary and shall be so withdrawn within a period of three months following the written request so to do of any person acting as a co-fiduciary with the bank.

C. 3:16-8.7. Moneys of estate added to common trust fund.

CHAPTER 190, LAWS OF 1945
 Upon such withdrawals the bank may make distribution in cash or ratably in kind or partly in cash and partly in kind provided that all such distributions as of any one time shall be made on the same basis.

9. Participations in a common trust fund shall not be sold to any corporation, firm or person but shall be held solely by the bank as fiduciary and the proportionate undivided interests therein shall be owned solely by the estates of which the bank is fiduciary.

A bank administering a common trust fund shall not invest any of its own funds in such common trust fund and if a bank, because of a creditor relationship or any other reason, acquires any interest in a participation in a common trust fund under its administration the participation shall be withdrawn on the first date on which such withdrawal can be effected.

A bank administering a common trust fund shall not have any interest in the assets held in such common trust fund, other than in its capacity as fiduciary, except to the extent permitted for a temporary period as provided in the immediately preceding paragraph.

10. The bank shall designate clearly upon its records the names of the estates on behalf of which the bank as fiduciary owns participations in any common trust fund and the extent of the interest of the estates therein.

11. No estate owning a participation in a common trust fund shall be deemed to have individual ownership of any asset in any common trust fund, but shall be deemed to have only a proportionate undivided interest in the common trust fund. Title to all assets of a common trust fund shall at all times be vested in the bank maintaining the same, as trustee of the common trust fund, and such assets shall be deemed to be held by the bank as such trustee for the estates owning participations in the common trust fund; provided, however, that any bank maintaining a common trust fund hereunder
may, when acting as sole fiduciary or when acting as cofiduciary with the consent of its cofiduciary or cofiduciaries who is or are hereby authorized to give such consent, cause any asset of the common trust fund, capable of being registered, to be registered and held in the name of a nominee of the bank without disclosing the fiduciary capacity in which such asset is held; provided, that (1) the records of the bank relating to the common trust fund and all accounts rendered by it as fiduciary of the common trust fund shall at all times clearly show the ownership of the assets so registered to be in the common trust fund, (2) such assets shall at all times be kept separate and apart from the assets of the bank, and (3) the nominee shall not have possession of or have access to such assets. The bank shall be liable for any loss occasioned by any acts of the nominee with respect to assets so registered. The provisions of this section shall not apply where any will, codicil, deed, indenture or declaration of trust or other instrument or court order prohibits assets of an estate from being registered in the name of a nominee in which cases all assets of the common trust fund requiring registration shall be registered in the name of the bank. Nothing in this section contained shall be construed to require the registration of assets in bearer form which are capable of being registered.

12. The bank as trustee of a common trust fund shall have the exclusive management and control of any common trust fund maintained hereunder and the sole right at any time to sell, convert, exchange, transfer or otherwise change or dispose of the assets comprising any such common trust fund.

13. The bank as trustee of a common trust fund may issue a certificate of participation for any estate, the funds of which are invested in any common trust fund. Such certificate shall state on its face that it is issued without guaranty by the issuing bank of the payment of either principal or interest, and that it will be paid only when funds become available out of the assets comprising the common trust fund.
trust fund. It may also state any other important condition covering such situation. No such certificate or other document evidencing a direct or indirect interest in any common trust fund shall be issued in any form which purports to be negotiable or assignable and no certificate, participation or interest in a common trust fund shall be negotiable or assignable; provided, however, that nothing in this section contained shall prevent the transfer of such certificate, participation or interest in a common trust fund to a fiduciary succeeding the fiduciary holding the same.

14. Every common trust fund shall be established, maintained and administered in conformity with the laws of the United States pertaining to the collective investment of trust funds by national banks and all rules and regulations from time to time promulgated under the authority of such laws and in conformity with the laws of this State. The Commissioner of Banking and Insurance may promulgate such rules and regulations relative to the establishment, maintenance and administration of common trust funds as may be desirable.

15. Nothing herein contained shall be deemed to authorize a bank as fiduciary for any estate to invest moneys of any estate in any common trust fund, contrary to any specific limitation or restriction contained in the will, codicil, deed or indenture of trust or other instrument or court order creating or regulating the fiduciary relationship, nor to limit or restrict the authority conferred upon the bank with respect to investments by any such instrument.

16. No mistakes made in good faith and in the exercise of due care and prudence in connection with the administration of any common trust fund shall be held to exceed any power granted to or violate any duty imposed upon a bank as fiduciary if promptly after the discovery of the mistake the bank takes whatever action that may be practicable in the circumstances to remedy the mistake.
CHAPTER 190, LAWS OF 1945

17. Nothing herein contained shall prohibit a bank from establishing, maintaining, and administering one or more common trust funds differing from the requirements of this act, in which only investment or participations are made by such bank in accordance with specific contract authority.

18. Unless ordered by a court of competent jurisdiction, a bank maintaining a common trust fund shall not be required to render a court accounting with regard to such fund, but it may make accountings in the same manner and for the same purposes as is provided by law for other fiduciaries.

19. No bank as trustee of a common trust fund nor the common trust fund nor the assets thereof held by it as such trustee shall be assessed or be liable for any tax imposed by the State or by any subdivision thereof and no tax shall be assessed or levied upon any certificate or other evidence of ownership or upon any participation in a common trust fund; provided, however, that nothing herein contained shall be deemed to relieve the assets of any estate invested in any common trust fund from any tax for which such assets may be liable under any law of this State to the extent of the participation of such estate in such assets of a common trust fund as might be so taxable if separately owned by such estate.

20. The provisions of this act are declared to be severable and if any part thereof be declared unconstitutional or otherwise invalid, the remainder thereof shall not thereby be effected.

21. This act shall take effect immediately.

Approved April 17, 1945.

(g) If the right of the State to escheat the or any of the unclaimed bank deposits named in the bill of complaint is contested, the issue as to such unclaimed bank deposits, when joined, shall be determined according to the practice of the Court of Chancery in other suits therein and if determined for the State a decree shall be entered that such unclaimed bank deposits have escheated to the
State and are the property of the State and ordering the bank to pay the same to the State Treasurer.

(h) Upon the entry of a final decree declaring an escheat of any unclaimed bank deposit and upon service of a true copy of such decree certified by the Clerk in Chancery upon the bank holding the escheated unclaimed bank deposit, the bank shall, unless notice of appeal shall have been served on the bank, pay the same to the State Treasurer.

(g) If the State Treasurer determines that the claimant's proofs of title are not sufficient to entitle the claimant to such payment, the claimant may, within sixty days after the date of such determination by the State Treasurer, file in the suit in which the escheat decree was entered a petition setting forth the fact of the escheat of the unclaimed bank deposit and the facts of petitioner's claim thereto or to any part thereof, whereupon an order to show cause shall be made directed to the State Treasurer commanding him to show cause why the petition should not be granted and a copy of said petition and of the order to show cause shall be served upon the State Treasurer and upon the Attorney-General, and it shall be their duty to take such action with respect thereto as they may deem necessary to protect the interests of the State. Upon proof satisfactory to the court of petitioner's claim of title to the escheated unclaimed bank deposit or any part thereof, an order shall be entered establishing petitioner's claim and ordering the State Treasurer to pay to the petitioner the amount specified in such order together with such costs and counsel fees as the court may allow the petitioner, and upon service upon the State Treasurer of a copy of such order certified to be a true copy by the Clerk in Chancery, the State Treasurer shall pay to the petitioner out of the reserve fund the amount or amounts specified in such order.

(h) If the court shall determine that petitioner's proofs of title are not sufficient to establish petitioner's claim to the escheated unclaimed bank de-
posit or any part thereof, an order to that effect shall be made from which order appeal will lie to the Court of Errors and Appeals, and any such appeal shall be taken within forty days after the entry of such order and shall be taken and prosecuted according to the statutes and the rules of the Courts of Chancery and Errors and Appeals in such case made and provided. If on such appeal the order is reversed and petitioner's claim of title to the escheated unclaimed bank deposit or any part thereof is sustained, the State Treasurer shall pay to the claimant, out of the reserve fund, the amount or amounts to which the petitioner shall be entitled, together with such costs and counsel fees as may be allowed to the petitioner.

9. All services required to be performed by the Attorney-General, the State Treasurer, the Clerk in Chancery, the Clerk of the Court of Errors and Appeals, the sheriff of any county and any other salaried public official shall be without fees, costs, counsel fees or any other charge, except to the extent that the reserve fund shall be necessary to be used by the State Treasurer for the administration of the reserve fund and for the establishment and maintenance of the records of the State Treasurer relative to escheated unclaimed bank deposits.

If the commissioner shall at any time notify any company of his disapproval of any such policy form, application or endorsement because such policy, application or endorsement contains provisions which are unjust, unfair, inequitable, misleading, contrary to law or to the public policy of this State or because the policy is sold in such manner as to mislead the insured, or because insurance under such policy is being solicited by any means of advertising, communication or dissemination of information which involves misleading or inadequate description of the provisions of the policy, specifying particulars, it shall be unlawful for such company thereafter to issue any policy or endorsement or use any application in the form so disapproved. Such disapproval of the commissioner may be reviewed by a writ of certiorari.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 17:18-3 of the Revised Statutes is amended to read as follows:

No such company shall purchase, hold or convey real estate in any other case or for any other purpose. All real estate so acquired (except real estate held as an investment for the production of income as permitted by section 17:24-1 of this Title), not necessary for the accommodation of the company in the convenient transaction of its business, shall be sold and disposed of within five years after the company has acquired title thereto, unless it procures a certificate from the Chancellor that the interests of the company will suffer materially
by a forced sale of the real estate, in which event the time for the sale may be extended to such time as the Chancellor directs in the certificate. Nothing herein contained shall prevent any company from improving and conveying its real estate, notwithstanding the lapse of five years without having procured the certificate. Real estate acquired by such company as provided in subsections (b), (c) and (d) of this section shall not be held as an investment for the production of income as provided in subsection (e) of this section unless such company shall have procured the approval of the Chancellor.

17:24–1. Any insurance company of this State, for the purpose of investing its capital, surplus and other funds, or any part thereof, may:

b. Purchase or hold real estate for business or residential purposes (other than as provided for in sections 17:19–8 to 17:19–12, inclusive, of this Title) as an investment for the production of income, and improve or otherwise develop such real estate; provided, that if the commissioner shall decide, after due hearing upon notice to any such insurance company, that the interests of such insurance company's policyholders require that any specified real estate so purchased or held be disposed of, then such insurance company shall dispose of such real estate within such reasonable time as the commis-

The commissioner shall direct; and provided further, the aggregate amount of such investments and all other real estate held by such insurance company, except real estate held as provided for in said sections 17:19–8 to 17:19–12, inclusive, and except such real estate as may be necessary for its accommodation in the convenient transaction of its business, shall not exceed five per centum (5%) of the total admitted assets of such insurance company;

c. Invest in bonds or notes secured by mortgages or trust deeds on unencumbered real estate, which shall include areas above the surface of the ground but not contiguous thereto, or any interest therein located within said States, the District of Columbia, or the Dominion of Canada, worth at least one-half more than the sum invested or loaned; or invest in bonds or notes secured by mortgages or trust deeds on unencumbered real estate or any interest therein so located worth less than as above provided but worth at least one-third more than the sum so invested, provided, (1) that any such bonds or notes so secured shall provide for amortization payments to be made by the borrower on the principal amount thereof at least once in each year, and (2) that in every such case such insurance company shall carry as a reserve any amount by which such investment or loan, or balance thereof remaining after such amortization payments, may exceed the amount which could otherwise have been so invested or loaned as hereinabove provided. For the purposes of this section real estate or any interest therein shall not be deemed to be encumbered within the meaning of this section by reason of the existence of taxes or assessments that are not delinquent, easements, profits or licenses, nor by reason of building restrictions or other restrictive covenants, nor when such real estate or interest therein is subject to lease in whole or in part whereby rents or profits are reserved to the owner; provided, that the security created by the mortgage or trust deed on such real estate or interest therein securing such
bond or note is a first lien upon such real estate or interest therein;

d. Lend on or purchase mortgage or collateral trust bonds of railroad companies organized under the laws of said States, or the District of Columbia, or the Dominion of Canada, or operated wholly or partly in such States, district or country; or equipment trust certificates payable within sixteen years from their date of issue in annual or semianual installments beginning not later than the fifth year after such date, and which certificates are a first lien on the specific equipment pledged as security for the payment thereof, which are either the direct obligations of such railroad companies, or are guaranteed by them, or are executed by trustees holding title to the equipment; or certificates of receivers of any corporation where such purchase is necessary to protect an investment in the securities of such corporation theretofore made under authority of chapters seventeen to thirty-three of this Title (§ 17:17-1, et seq.); or the capital stock, bonds, securities or evidences of indebtedness created by any corporation of the United States or of any State; provided, that no purchase of any bond or evidence of indebtedness which is in default as to interest shall be made by such company unless such purchase is necessary to protect an investment theretofore made under authority of said chapters seventeen to thirty-three in the securities of the corporation which issued, assumed or guaranteed such bond or evidence of indebtedness in default; provided, further, that no purchase of the stock of any company of a class on which dividends have not been paid during each of the past five years preceding the time of purchase shall be made unless the stock so purchased shall represent a majority in control of all the stock then outstanding; and provided further, that in the case of the stock of a corporation resulting from or formed by merger or consolidation less than five years prior to such purchase, each consecutive year next preceding the
effective date of such merger or consolidation during which dividends shall have been paid by any one or more of its constituent corporations on any or all classes of its or their stock in an aggregate amount sufficient to have paid dividends on that class of stock of the existing corporation whose stock is to be purchased, had such corporation then been in existence, shall be deemed a year during which dividends have been paid on such class of stock; provided, however, that nothing herein contained shall prohibit the purchase of stock of any class which is preferred, as to dividends, over any class the purchase of which is not prohibited by this section; and provided further, that no purchase of its own stock shall be made by any insurance company except for the purpose of the retirement of such stock or except as specifically permitted by any law of this State applicable by its terms only to insurance companies.

CHAPTER 232

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 54:5-20 of the Revised Statutes is amended to read as follows:

54:5-20. When a tax on real property, together with the interest, penalties, charges and costs of advertising would amount to less than ten dollars ($10.00), it shall be discretionary with the collector as to whether or not the property shall be advertised and sold for the enforcement of the tax lien. The tax shall remain a lien on the property and may be included in any tax sale or other municipal lien sale affecting the property, notwithstanding anything in this chapter to the contrary. When any such tax shall be due for a period of three years following the year in which it became in arrears, the collector shall sell the property.

2. Section 54:5-21 of the Revised Statutes is amended to read as follows:

54:5-21. The collector shall make a list of the lands so subject to sale, describing them in accordance with the last tax duplicate, including the name of the owner as shown on the duplicate, amplifying the description in the duplicate if necessary to better identify the parcel. He shall enter on the list all taxes, assessments and other municipal charges which were a lien on the property on December thirty-first in the calendar year when it became in arrears. He shall add to the list all unpaid installments of assessments for benefits theretofore levied and existing as immediate or direct benefits,
whether then payable or not, so that the list shall be a complete statement of all municipal charges against the property existing on said December thirty-first, together with all interest and costs on all of the items of the list computed to July first following. If directed so to do by resolution, the collector shall omit from such list such lands as may be subject to sale for unpaid taxes or for any municipal lien, or part thereof, upon which regular installment payments are being made under any agreement or agreements approved by the municipality.

3. Section 54:5-23 of the Revised Statutes is amended to read as follows:

54:5-23. When installments not yet due are not included in the amount for which sale is made, the amount of such installments shall, nevertheless, be included in the list made up under section 54:5-21 of this Title, but shall be entered in the list as an appendix to each parcel affected thereby under the heading "installments not due." In the notice of sale required by section 54:5-25 of this Title after the statement of the amount due on every such parcel, shall be added a statement substantially in the following form:

"To be sold subject to assessment installments not yet due, amounting to (stating the amount thereof) and interest thereon."

In the certificate of sale provided for under section 54:5-46 of this Title there shall be added to the statement that the sale is subject only to municipal liens accruing after December thirty-first, one thousand nine hundred ....................., (insert year of last item of taxes or assessments for which sale is to be made) a statement substantially in the following form:

"And to assessment installments not yet due, amounting to (stating the amount thereof) and interest."
The title of a person claiming under a tax sale shall not be subject to any municipal lien except those recited in the certificate.

4. Section 54:5-25 of the Revised Statutes is amended to read as follows:

54:5-25. After completing the list or sections thereof the collector shall give public notice of the time and place of sale, stating the description of the several lots and parcels of land and the owner's name as contained in the list, together with the total amount due thereon respectively as computed to said July first and stating in substance that the respective lands will be sold to make the amounts severally chargeable against them on said July first as computed in the list, together with interest from said July first to the date of sale, and the costs of sale. No other statements need be included in the notice.

5. Section 54:5-39 of the Revised Statutes is amended to read as follows:

54:5-39. When a parcel of land is held by the municipality under a sale not redeemed, until the right of redemption is barred, all subsequent taxes, assessments for benefits and other municipal charges shall be assessed in the name of the owner, as if no sale had been made, and shall be additional liens on the land and be added to the amount of the sale, and shall be paid before the land can be redeemed from the sale. No further sale of a parcel while held by the municipality shall be made for subsequent municipal liens, unless directed by resolution of the governing body of the municipality. In that case the officer shall enter the property on his tax sale list, and make up a new calculation to July first preceding the time of the proposed sale, in the manner hereinbefore directed, the amount included in the former sale to be entered in the calculation as a sale, as if it were an independent lien originating on the date of the sale, the interest thereon to be computed from that date, so that whenever a sale is held to enforce a municipal lien it shall include all municipal liens or charges...
against the property mentioned in the notice of
sale.

6. Section 54:5-47 of the Revised Statutes is amended to read as follows:

54:5-47. The certificate shall be substantially in the following form:

'I, ................................ , collector of taxes of ...................................
(name of municipality), hereby certify that on ......................... , 19......, I sold to ............ for ......................... dollars, the lands in the municipality described as ........................................ on the tax duplicate of the municipality, and assessed thereon to ......................... as owner (followed by amplified description if desired). The amount of sale was made up of the following items (followed by the items, including interest and costs). The sale is subject to redemption on repayment of the amount of the sale, together with interest thereon at the rate of .............. per cent per annum from the date of sale, and the costs incurred by the purchaser. The sale is subject only to municipal liens accruing after December 31, 19...... (insert year of last item of taxes or assessment for which sale is made). The right to redeem will expire in six months after the service of notice to redeem, except that the right to redeem shall in all cases extend for two years from the date of sale.

Witness my hand and seal this ............

............ day of ........................., 19.....

(Followed by acknowledgment).'

7. This act shall take effect immediately.

Approved April 25, 1945.

CHAPTER 273

An Act concerning grants of old age assistance, and amending sections 44:7-14 and 44:7-15 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 44:7-14 of the Revised Statutes is amended to read as follows:

44:7-14. (a). Every county welfare board shall require, as a condition to granting assistance in any case, that all or any part of the property, either real or personal, of a person applying for old age assistance, be pledged to said county welfare board as a guaranty for the reimbursement of the funds so granted as old age assistance pursuant to the provisions of this chapter. The county welfare board shall take from each applicant a properly acknowledged agreement to reimburse for all advances granted, and pursuant to such agreement, said applicant shall assign to the welfare board, as collateral security for such advances, all or any part of his personal property as the board shall specify.

The agreement to reimburse shall provide that the filing of notice thereof as hereinafter provided, is to have the same force and effect as a judgment at law; it shall contain therein a release of dower or curtesy, as the case may be, of the spouse of the recipient of old age assistance, and the spouse shall agree to reimburse the county welfare board for all
advances made to the recipient, and such release and joinder shall be as valid and effectual as if the spouse had joined the recipient in a conveyance of the property to a third person; the grant of old age assistance being contingent upon such joinder by the spouse, shall be good and valuable consideration therefor. Old age assistance shall not be granted to any applicant without joinder by the spouse in the agreement to reimburse except upon the showing of good and sufficient cause as the State division shall by regulation define.

(b). Upon making a grant of old age assistance
the county welfare board shall file with the clerk of the court of common pleas or register of deeds and mortgages, in any county, a notice of the above mentioned agreement to reimburse, which notice as of the date of such filing, shall have the same effect as a lien by judgment, and any real estate or lands in which the recipient or spouse has a title or interest, shall thereupon become charged and encumbered with a lien for old age assistance granted the recipient and said notice shall have priority over all unrecorded encumbrances. No fees or costs shall be paid for filing such notices.

2. Section 44:7-15 of the Revised Statutes is amended to read as follows:

44:7-15. At any time the county welfare board may execute and file with the clerk of the court of common pleas or register of deeds and mortgages, a certificate, in form to be prescribed by the State division, showing the amount of assistance advanced to said person, and when so filed each certificate shall be a legal claim against both the recipient and his spouse with the same force and effect as a judgment at law, with priority over all unsecured claims except funeral expenses not to exceed one hundred fifty dollars ($150.00).

Where the above mentioned certificates are filed with the clerk of the court of common pleas, subsequent proceedings for the collection and satisfaction of the judgment, including issuance of execution, shall conform to the practice prevailing
in the court. In counties where the above mentioned certificates are filed with the register of deeds and mortgages, the register, upon request of the county welfare board, shall execute and file with the clerk of the court of common pleas certified copies of the certificates herein described, which shall be filed in the judgment records of the court, and shall have the same force and effect as a judgment at law in that court, and may subsequently be docketed in the Supreme Court of New Jersey where lands are situate in several counties.

No levy shall be made upon the real estate while it is occupied by the widow or widower, as the case may be. If the proceeds of the sale of any personality or real estate, under the terms of this chapter, exceed the total amount paid as assistance under this chapter, such excess shall be returned to said person, and in the event of his death such excess shall be considered as the property of the deceased for proper administration proceedings. All funds reclaimed under these provisions shall be reimbursed to the county, State and Federal Government, in the same proportion as it was contributed.

The county welfare board shall be empowered to accept voluntary conveyance of real or personal property in lieu of issuance of execution. All real property acquired by execution sale or voluntary conveyance may be disposed of at public or private sale, in the discretion of the county welfare board; provided, however, that the terms, conditions and consideration for such sale shall be first approved by the State Division of Old Age Assistance. The county welfare board is hereby authorized and empowered to execute and deliver any and all documents necessary to convey title to a purchaser of such real or personal property, in exactly the same manner as any other corporate entity.

3. This act shall take effect immediately.

Approved May 1, 1945.

Until the beginning of the second fiscal year of the authority, as determined by section forty-four, the salaries, if any, of the members of the authority shall be fixed annually for a period of not more than one year by the board of chosen freeholders of said county. In January of such second fiscal year, said board shall fix such salaries, if any, for the unexpired term of office of such members, and thereafter the salary if any of each member, for his term of office, shall be fixed by said board at the time of his appointment. Such salaries, if any, shall be paid by the authority.

4. Any member of the authority may be removed for cause by the board of chosen freeholders of said county, after notice and hearing, and no member shall continue to serve as a member unless he continues to be a resident voter within the sewer district.

5. No member of the authority shall be directly or indirectly interested in any contract made under the provisions of this act, nor in the furnishing of materials or supplies therefor to any person or corporation, nor in the furnishing of security for the performance of any such contract. If at any time it shall appear to the satisfaction of the board of chosen freeholders of the county of Bergen, that any member of the authority is violating or has violated the provisions of this section, either directly or indirectly or by reason of ownership of stock in any corporation, or that he is the owner of any lands or rights and interests in lands taken or to be taken and used in or for any construction under the provisions of this act, or is a stockholder in any corporation owning or leasing such lands, or rights and interests in lands, it shall be the duty of said board of chosen freeholders to remove such member of the authority forthwith, and all contracts made by the
authority wherein any such member shall have been interested, directly or indirectly, as aforesaid, shall thereupon be voidable at the option of the authority, and payments on account thereof may be stopped by the authority; provided, however, that the residence of any member of the authority in, or his capacity as any official or officer in the government of, or his liability to pay taxes, assessments or other charges to, the State, or any political subdivision thereof, or any like facts or circumstances, shall not be deemed to make him interested within the meaning, terms and provisions of this section.

6. The authority shall, at the earliest practicable time after the appointment of its first members, and annually thereafter, meet and organize by the election of a chairman and a vice-chairman who shall be members of the authority and shall serve for the current year and until their respective successors are appointed.

7. Three members shall constitute a quorum for the transaction of business at any meeting of the authority, and the affirmative vote of three members shall be necessary for the taking of any action. The meetings of the authority shall be public. The authority may adopt by-laws and rules and regulations for the conduct of its business and meetings, and shall cause full records to be kept of its proceedings, which shall be open to public inspection on reasonable notice, and at reasonable times.

8. The authority shall appoint a secretary and a treasurer and may appoint such assistant officers as may be necessary, none of whom shall be a member of the authority. Each of said officers shall give bond to the authority, conditioned for the faithful performance of the duties of his office, in such sum and with such surety as the authority may approve, and shall perform such duties as the authority may prescribe.

9. The term of office of the secretary shall be three years. He shall keep a record of all the proceedings and transactions of the authority and shall have charge of the seal of the authority and shall

In the absence or incapacity of the chairman, the vice-chairman shall for the time being have all the powers and perform all the duties of the chairman. Any moneys of the authority may be deposited with the State Treasurer, as agent of the authority, who shall receive such moneys and shall not commingle such moneys with any other moneys whatsoever, and shall pay the same out on requisition of the authority. No disbursements shall be made, except upon the affirmative vote of three members of the authority. All disbursements by the authority shall be by check, signed by both the chairman and treasurer. In the absence or incapacity of the secretary or treasurer, and at such other times as the authority may prescribe or approve, some other person shall be designated by the
authority to act as such secretary or treasurer who shall have all the powers and perform all the duties of the secretary or treasurer.

The authority may invest any of its moneys in securities of the United States Government having a maturity of less than five years from the date of purchase of such securities.

13. The authority may select, as depository or depositories wherein all public moneys and other funds of the authority shall be deposited, any bank organized under the laws of the United States, having its place of business in this State, or any bank or trust company organized under the laws of this State. The designation of such depository or depositories shall be by resolution of the authority. The authority or any of its employees charged with custody of such public funds shall thereafter, in accordance with the resolution provided aforesaid, deposit such funds or other moneys belonging to the authority, only in the depository or depositories so named, and upon so depositing in good faith such funds or moneys such employee shall be relieved of any liability for loss of such funds or moneys which may be due to the insolvency or closing of such depository or depositories.

14. The authority shall at all times keep or cause to be kept full and accurate accounts of its receipts and expenditures, and of its resources and liabilities, and shall prepare or cause to be prepared detailed annual statements thereof, and shall employ the services of the Division of Local Government of the State Department of Taxation and Finance or of a competent registered municipal accountant, who is also a certified public accountant of New Jersey, to audit, annually, the books, accounts and statements of the authority, and shall cause copies of said annual audits, when completed, to be preserved as part of its permanent records and shall transmit certified copies of such audits to the board of chosen freeholders of said county.

15. The members of the authority, the secretary and treasurer and the sureties on their bonds, shall
be liable to any interested person or body in the same manner and to the same extent as are the members and officers of any public body, and the sureties on their bonds.

16. The authority may employ counsel to serve at its pleasure and may fix a reasonable compensation for his services.

17. The authority shall have power to hire and furnish with suitable equipment, the necessary office facilities for the transaction of its business; to employ all necessary clerical assistance and the services of such agents, employees, workmen and servants as it may deem necessary or proper; to fix and determine the duties and compensation of persons employed by it, and to remove or discharge such persons, or any of them, at pleasure.

18. The authority shall have power, in its discretion, to engage, or to contract for, the services of competent engineers or engineering firms, and to do all other acts and things as may in the judgment of the authority be necessary or proper to effectuate and carry out the plan and purposes of this act, but such contract and employment shall not be for a longer period of time than five years; provided, however, that this provision shall not preclude the authority from extending any such contract and employment for a period of not exceeding five years from the date of such extension.

19. Said authority shall be and is hereby constituted a body politic and corporate, with perpetual succession as a governmental instrumentality for the purpose, among others, of the protection of the public safety, health and welfare, with power to sue and be sued, to adopt and use a corporate seal, to borrow money or contract debt, to issue negotiable bonds, and to provide for the rights of the holders thereof, and with the right, power and authority to acquire, use, hold and dispose of all property, real and personal, and to make and to perform all contracts and do all acts and things and with all other powers proper or necessary to design, finance, construct, acquire and operate as hereinafter provided,
such a system of trunk, intercepting and outlet sewers, pumping and ventilating stations, treatment plants and other plants and structures (hereinafter sometimes referred to as the "district sewer system") as in its judgment will provide the most effectual and advantageous plan or method for relieving the Hackensack river, and its tributaries and other rivers and streams, whether navigable or otherwise, within the sewer district, from pollution and for preventing pollution of the same, and for carrying out and effectuating the purposes and plan herein provided for. The word "sewage" when used in this act shall be deemed to include industrial wastes and other matter having a tendency to pollute streams and watercourses when discharged therein.

20. The authority shall be a separate corporate entity, and the bonds and other obligations of the authority shall not be in any way a debt of the State or of any county or municipality, and shall not create any indebtedness or obligation, either legal, moral or otherwise, of the State or of any county or municipality, nor shall the State or any county or municipality be liable thereon, nor shall such bonds or other obligations be payable out of any funds other than those of the authority, and nothing in this act contained shall be construed to authorize the authority to incur any indebtedness on behalf of or in any way to obligate the State or any county or municipality, except to the extent, if any, provided in any contract entered into by any municipality, pursuant to the provisions of this act.

21. The State of New Jersey does pledge to and agree with the holders of any bonds authorized to be issued pursuant to this act, that the State will not authorize the construction or maintenance of any system of trunk, intercepting and outlet sewers, pumping and filtering stations, works or other plants, or structures, which will be competitive with the district sewer system, nor will it limit or alter the rights hereby vested in the authority or in any municipality to make, perform and enforce con-
tracts entered into pursuant to this act, so as to produce sufficient revenue to meet the expense of maintenance and operation of the district sewer system and to fulfill the terms of any agreements made with the holders of such bonds, or in any way impair the rights and remedies of such holders until the bonds, together with interest thereon, and with interest on any unpaid installment of interest, and all costs and expenses in connection with any actions, suits or proceedings by or on behalf of such holders, are fully met and discharged. Nothing in this section or act, or done pursuant thereto, shall, however, affect or limit in any way the rights or powers of the Passaic Valley Sewerage Commissioners or the rights or powers of any municipality, any part of which is situated and lies within the natural drainage area of the Passaic river or its tributaries, to enter into and perform contracts with such commissioners, or be deemed to prohibit any municipality or municipalities, which shall not have entered into a contract for sewage disposal with the authority, as herein set forth, from constructing its or their own sewage disposal plant, plants or joint plants in accordance with the provisions of section twenty-eight.

22. The authority may enter into contract with adjacent authorities, commissions, counties or other similar bodies, to convey to a point of treatment and to treat the sewage of said bodies or to have said bodies convey to a point and to treat the sewage of said authority, whenever a plan of joint action is found to be necessary and proper by the authority.

23. The authority shall have full power, authority and responsibility to do or to cause to be done, all acts and things necessary or proper in the designing, financing, construction, acquisition, maintenance and operation of the district sewer system, as authorized by this act, including but in no way limited to the negotiation and execution of all the various contracts hereinafter mentioned, the preparation of estimates, designs, working drawings
and forms of contracts for construction work and permanent record drawings of completed construction work and property acquired, the supervision of all engineering and construction work, and the management and direction of the forces engaged in the construction or operation of said sewer system.

24. In the performance of the duties imposed upon it by law, the authority may, by its experts, engineers, officers, agents, employees, workmen and servants, enter at all times upon any lands or waters public or private, and make such reasonable use thereof as the authority may deem necessary or proper.

25. Whenever any work or labor to be done or materials or supplies to be purchased for the construction or operation of said district sewer system or any part thereof shall involve the expenditure of a sum of money exceeding one thousand dollars ($1,000.00), the authority shall prepare and file in its office particular and detailed specifications of and a form of contract for such work, labor, materials or supplies, and shall cause notice thereof and of the time when the authority will meet at its office or designated place of business to receive and consider proposals in writing to enter into a contract with the authority for the performance of such work and labor or the furnishing of such materials and supplies, to be given by advertisement inserted and published at least ten days before the time of such meeting in at least two newspapers, one of which shall be published and printed in the county seat of said county. All proposals so received shall be publicly opened by the authority at the time and place designated in such notice, and the contract shall be awarded to the lowest responsible bidder. All persons or corporations entering into a contract with the authority, as provided in this section, may, in the discretion of the authority, be required to give bond to the authority for the full and faithful performance of such contracts, in such penal sum and with such
good and sufficient surety or sureties as the authority may approve.

26. Before construction of any kind whatsoever is commenced under any contract or otherwise, the plans and specifications for such construction shall be submitted to the State Board of Health for approval as a sanitary measure, and a permit shall be obtained from said department to proceed with the work. A reasonable portion of the contract price for the construction of any work shall be retained by the authority until such work has been completed, and the final payment to the contractor shall not be made until such construction shall receive the approval of the State Board of Health as to its condition and prospective sanitary operation.

27. The authority may require any and all contractors to conform to such regulations as it may impose with regard to the kind and quality of materials to be furnished, the kind of labor to be employed, and the hours of such employment, and other similar matters, including any and all such requirements which may be imposed by any agency of the Federal or State Government or any other individual, corporation or institution in connection with the purchase of any bonds or other obligations issued pursuant to this act, or any grant made by such agency to the authority.

28. After the appointment of the members of the authority no municipality in the sewer district shall enter into a contract or other agreement for the construction or operation of a sewage disposal plant or any other sewerage facilities for the use of more than one municipality, except with the prior written consent and approval of the authority; provided, however, that the foregoing provision may be changed by law and shall not prohibit contracts with the Passaic Valley Sewerage Commissioners.
CHAPTER 300, LAWS OF 1945

ARTICLE II
DUTIES OF THE AUTHORITY

29. The authority shall with all practicable speed prepare or cause to be prepared a project report together with maps, designs and costs and other estimates, which shall show a proposed plan or method of construction of the district sewer system. In its discretion, the authority may defer consideration of and action regarding parts of the district sewer system. In such event, it may proceed under this act with action regarding and consideration and completion and operation of the remaining part or parts, and, as used in this and following sections of this act, the term "district sewer system" shall mean such remaining part or parts.

30. The project report, maps, designs and estimates provided for in the preceding section shall also show:

(a) The location and route of the proposed district sewer system, including trunk, intercepting and outlet sewers, treatment plants, pumping stations and other plants and structures.

(b) The location and route of existing sewer systems, treatment plants and like plants and structures, within the said sewer district, and proposed points of connection thereof, with the proposed district sewer system.

(c) Records or estimates, in millions of gallons per annum, of the amount of sewage which could advantageously be discharged into the proposed district sewer system by each and every existing municipal or private sewer system within the said district.

(d) An estimate of a specified minimum percentage part or parts of the millions of gallons of sewage estimated pursuant to subdivision (c) of this section, the annual discharge of which into the proposed district sewer system in the judgment of the authority must be assured, in order to make possible and advisable the advantageous and economical
construction and operation of the proposed district sewer system and the financing of the same, according to the plan and purpose of this act.

(e) Detailed estimates of the cost of the construction of the proposed district sewer system which said cost shall include: (1) All sums estimated by the authority be required for the payment of interest accruing prior to the first fiscal year as hereinafter defined, on indebtedness incurred for or in connection with such construction; (2) The cost of the issuance and sale of bonds authorized to be issued pursuant to this act; (3) All expenses incurred or to be incurred by the authority in preparing such project report; (4) The cost of all construction of the proposed district sewer system, the acquisition of all rights-of-way, all costs and expenses for operating and maintaining the authority and sewer system from the date of its inception to the beginning of its first fiscal year as set forth in section forty-four hereof.

(f) Estimates and schedules of the sums of money deemed by the authority to be required in each and every year during the first forty years from the estimated time for the commencement of operation of the district sewer system, for the payment of principal and interest of the bonds authorized to be issued pursuant to this act, and for the cost and expense of the operation, maintenance, depreciation and repair of the district sewer system.

(g) Estimates and schedules calculated as hereinafter provided, of such rates to be charged in each year, in dollars per million gallons of sewage discharged into the district sewer system, and to be paid to the authority as shall be amply sufficient, together with the sums previously so paid to or otherwise received for the same purpose by, and remaining unexpended in the hands of the authority, to raise the sums of money required by the authority for at least the first ten fiscal years, as defined herein, as shown by the estimates and schedules prepared in pursuance of subdivision (f) of this section. Said estimated rates shall be calculated by
dividing into the sums of money estimated as required by the said authority for each of such years, as shown by the estimates and schedules prepared in accordance with subdivision "f" of this section, the number of millions of gallons of sewage estimated in accordance with subdivision (d) of this section, the resulting quotient being the estimated annual rate in dollars per million gallons.

(h) Such other information as the authority shall deem necessary.

31. The authority shall supply copies of said project report to the board of chosen freeholders of the county of Bergen.

32. The authority shall submit a copy of such project report to the State Board of Health for approval of the proposed district sewer system as therein described as a sanitary measure.

33. The authority may negotiate and enter into contracts, in the form and with the force and effect provided in sections fifty, fifty-one, fifty-two, fifty-three and fifty-four of this act, with municipalities within the sewer district and with private sewer companies operating therein and may negotiate and enter into like contracts with any other municipality or any private sewer company which may be discharging sewage directly or indirectly into the Hackensack river or its tributaries and which might advantageously use the facilities of the proposed district sewer system, and may negotiate and enter into like contracts with persons or corporations engaged in public or private industry (herein called "industry" or "industries") within the sewer district who or which shall be discharging into the Hackensack river or its tributaries any sewage which cannot conveniently be disposed of through the sewer system of any municipality or private sewer company. Nothing in this act shall be construed to prohibit any municipality which has not entered into a contract with the authority, as herein provided, from constructing its own sewerage disposal plant for its own sole use.
34. When and if the authority shall have entered into contracts with municipalities and private sewer companies pursuant to the next preceding section and section fifty of this act which in its judgment will assure the annual delivery and discharge into the district sewer system of an amount of sewage equal to or in excess of the amount of sewage estimated in the project report in accordance with subdivision (d) of section thirty of this act, the authority shall with all practicable speed commence and proceed with the construction and acquisition of the district sewer system.

35. The authority shall have full discretion in the determination of the size, capacity, route and location of all trunk, intercepting and outlet sewers, pumping and filtering stations, treatment plants or works or other plants and structures, and is hereby empowered to proceed with the construction or acquisition or both, of the district sewer system, and to commence the operation thereof, in such sections or parts of the whole and at such time or times as the authority may deem proper or expedient and consistent with the plan or purpose of this act.

36. The authority shall have full power and authority in its name to acquire, by purchase, gift, grant, or devise, lands and rights or interest in lands, within the sewer district, which may be deemed by the authority necessary for the construction of any sewers, pumping or filtering stations, treatment plants or works or other plants and structures and the necessary appurtenances thereto, authorized by this act. The authority shall have full power and authority to acquire such lands or rights and interests in lands by condemnation, in the manner provided by chapter one of the Title, Eminent Domain of the Revised Statutes (R.S. 20:1-1 et seq.); provided, if in case the payment of compensation upon the award of commissioners for property taken for the purposes of this act shall have been made or tendered to the owner or owners of such property or, in lieu thereof, shall have been made to the clerk of the county in which the lands
affected are located, for the use of the person or persons entitled to receive the same, the authority may forthwith take possession of the property so condemned notwithstanding the taking of any appeal, and the acceptance by the owner or owners of the property so condemned of any award of commissioners shall not prevent the taking of any appeal provided by law.

37. The authority shall have full power and authority in its discretion, at any time, and from time to time, after it has become authorized under this act, to proceed with the construction of the district sewer system, or any part or unit thereof.

38. The title to all property, real and personal, acquired to effectuate the purposes of this act shall be vested in the authority. All property acquired by the authority for the purposes of this act shall be exempt from municipal, county and State taxes.

39. The authority shall provide and install meters or other approved devices for measuring the flow of all sewage which shall be delivered and discharged into the district sewer system and shall install such meters or other devices at the points of such delivery and discharge.

40. Each municipality, private sewer company or industry which shall enter into a contract with the authority as provided in section fifty of this act shall, upon notice from the authority, permit its sewer or drainage system or the outfall thereof to be connected with the district sewer system at such point or points as the authority may designate, the said connection to be so made or constructed as to deliver and discharge into the district sewer system the sewage arising within or collected or caused by such municipality, private sewer company or industry, as the case may be.

41. Upon the acquisition or completion and acceptance of any sections or parts of the district sewer system the authority shall, as soon as may be practicable, cause the same to be put into operation, and shall operate, repair and maintain the district sewer system and any additions thereto and
C. 58:15A-42. Records of sewage discharged.

42. The authority shall make and keep permanent records of the amounts of sewage delivered and discharged into the district sewer system by each municipality, private sewer company and industry, during the period beginning at the commencement of operation of the said system and ending on the last day of the next ensuing month of December, and, during every yearly period thereafter, beginning on the first day of January and ending on the last day of the following December.

43. After the commencement of operation of the district sewer system, the authority may prescribe and change from time to time rates to be charged for the discharge and disposal of sewage through the said district sewer system. Said rates shall be prescribed and from time to time revised as hereinafter provided, so that the authority and district sewer system shall be and always remain self-supporting with earnings sufficient to provide for all expenses of operation, maintenance, depreciation and repair and the payment of the principal and interest of any bonds issued or to be issued pursuant to this act, so as to prevent the accrual of any deficit.

C. 58:15A-44. Fiscal year.

44. The first fiscal year of the authority shall begin on the day estimated by the authority as the day upon which the district sewer system or any part or unit thereof will be completed and put into operation and end on the last day of December following. Each fiscal year thereafter shall begin on the first day of January.

45. On or before the fifteenth day of January immediately preceding the beginning of the first fiscal year, and on or before the fifteenth day of January in every year thereafter, the authority shall calculate the rate in dollars per million gallons, upon which are to be based the payments to be made to it during the current fiscal year under any contracts made pursuant to section fifty of this act. Said rate shall be calculated by dividing the number of dol-
lars which the authority reasonably estimates will
be required (in addition to any funds on hand ap-
licable to such purposes) during such fiscal year
for security or payments of principal and interest
of any of the bonds or other obligations authorized
by this act and for the cost of the operation, main-
tenance, depreciation and repair of the district
sewer system, including establishment and main-
tenance of working capital and reserves, by the
number of millions of gallons of sewage delivered
and discharged into the district sewer system dur-
ing the yearly period ending on the last day of De-
cember next preceding such fifteenth day of Janu-
ary, the resulting quotient being the rate in dollars
per million gallons. In any year in which the dis-
trict sewer system shall not have been completed
and in operation for a full year prior to such last
day of December, the number of millions of gallons
of sewage to be used in calculating said rate shall be
the number of millions of gallons of sewage which
the authority at such time estimates will be deliv-
ered and discharged during the first full year of
operation of the district sewer system. The pro-
visions of this section and of section forty-three and
of section forty-seven shall be deemed a contract
between the authority and the holders of all bonds
or other obligations authorized by this act, and
shall be enforceable by appropriate proceedings at
law or in equity.

46. The authority shall make and keep perma-
nent records of the rate in dollars per million gal-
lons calculated by it in every year pursuant to the
next preceding section.

47. On or before the seventeenth day of January
in any year in which the authority shall calculate
any rate in dollars per million gallons pursuant
to section forty-five, the authority shall calculate
and certify to each municipality, private sewer com-
pany and industry, which shall have entered into a
contract pursuant to section fifty of this act, the
amount of money which it shall be required to pay
to the authority during that year, under the terms
and provisions of the contract so entered into by it. Such amount shall be calculated by the authority by multiplying the number of millions of gallons of sewage delivered and discharged into the district sewer system by the municipality, private sewer company or industry, during the yearly period ending on the last day of the preceding December, as shown by the records of the authority, by the rate in dollars per million gallons most recently calculated by the authority pursuant to section forty-five. If the terms and provisions of the contract so entered into by the municipality, private sewer company or industry require payments to the authority, calculated at any higher rate previously calculated by the authority, then the rate to be used by the authority in calculating such amount to be paid to it shall be such higher rate. If the terms and provisions of the contract so entered into by the municipality, private sewer company or industry require payment of any other or different amount to the authority, then such other or different amount shall be fixed and determined by the authority pursuant to the contract and shall be certified to such municipality, private sewer company or industry as hereinabove provided. If the terms and provisions of the contract so entered into by any industry require payments to the authority of a further amount in addition to the amount of money calculated as hereinabove provided, then such further and additional amount shall be fixed and determined by the authority and added to the amount calculated by it as hereinabove provided and the sum of such amounts shall be certified to such industry as hereinabove provided. In any year in which any municipality, private sewer company or industry shall not have used the district sewer system for a full year prior to such last day of December, the number of millions of gallons of sewage to be used in calculating the amount which such municipality, private sewer company or industry shall pay to the authority shall be the number of millions of gallons which the authority at such time esti-
mates will be delivered and discharged by such municipality, private sewer company, or industry during the first full year of operation of the district sewer system. In the event that any part or parts of the district sewer system shall be put into operation prior to the beginning of the first fiscal year the authority shall certify from time to time to the municipalities, private sewer companies or industries which may discharge sewage into said part or parts prior to the first fiscal year an amount or amounts which in the case of each such municipality, private sewer company and industry shall be sufficient to pay its share of the cost of operation and maintenance of said part or parts during the period of operation prior to said fiscal year and of the amortization of the cost of construction thereof based upon its proportion of the total number of millions of gallons of sewage so discharged into said part or parts of the district sewer system.

48. For the purpose of assuring to the authority money to pay its costs and expenses in preparing the project report mentioned and described in sections twenty-nine and thirty of this act, and of doing all other acts and things authorized by this act or which the authority shall deem necessary and proper to carry out its terms, up to the time of the commencement of, but not including, the construction or acquisition or both, of the district sewer system, the county of Bergen and the authority shall be and hereby are authorized and empowered to enter into and carry out and perform a contract one with the other as hereinafter provided.

49. The contract authorized by the preceding section of this act shall provide that the board of chosen freeholders of said county shall pay such amounts as may be agreed upon on the order or orders of the authority at such time or times, in such installments as the authority may by resolu-

Any municipality with which the authority is authorized to contract under the terms and provisions of section thirty-three of this act shall have power, by ordinance of the body or board, by whatsoever name it may be known, having charge of the finances of said municipality (hereinafter called "governing body"), to authorize its proper officials to enter into and execute for it a perpetual contract, as hereinafter provided, with the authority, for the disposal of all or any specified part of the sewage arising or collected in or by such municipality, and such contract shall be valid and binding upon the municipality notwithstanding that no appropriation was made or provided to cover the estimated cost of such contract, and the governing body of the municipality shall have full power and authority to do and perform all acts and things on the part of the municipality to be done and performed under the terms and provisions of such contract. Any private sewer company or industry shall likewise have power to enter into a contract with the authority for the disposal of its sewage or the sewage collected or discharged by it.

C. 58:15A-51. Form of contracts.

The contracts of the authority with municipalities, private sewer companies and industries authorized by the next preceding section shall be in form to be prescribed by the authority, shall upon execution be filed with the authority and shall pro-
vide in substance that the contracting municipality, private sewer company or industry shall, in the manner and at the time and place within the sewer district to be designated by the authority, permit the authority to connect the sewer or drainage system of such municipality, private sewer company or industry or the outfall thereof with, and thereafter deliver and discharge all sewage arising within it or collected by it into, any trunk or other sewer system or treatment plants or other plants or structures that the authority may specify and shall pay quarterly as defined in such contract to the authority, for the services thus rendered or to be rendered to it in the disposal of such sewage, the sum of money which shall theretofore have been calculated and certified to it by the authority as provided in section forty-seven of this act and shall contain such other provisions as to the rights and powers of the authority and the duties and liabilities of the contracting municipality, private sewer company or industry in the event that such sums of money are not paid as provided in such contract or in the event of other default under such contract on the part of such municipality, private sewer company or industry as may be prescribed by the authority, including without limitation provisions empowering the authority to refuse to permit such contracting municipality, private sewer company or industry to discharge into the district sewer system the sewage arising or collected in or by such contracting municipality, private sewer company or industry. If any such contract is made between any municipality, private sewer company or industry and the authority, at a date subsequent to the time of the commencement of the operation of the section or part of the district sewer system into which, in the event that said contract had been entered into at or prior to the time of the commencement of such operation, the contracting municipality, private sewer company or industry could have been required by the authority to deliver and discharge the sewage arising within or collected by it, then the
contract shall further provide in substance that the authority shall compare past rates in dollars per million gallons as fixed by the authority pursuant to section forty-seven with current rates fixed pursuant to said section as follows: The past rate fixed pursuant to section forty-seven for the first fiscal year of operation of such section or part of the district sewer system with the current rate fixed pursuant to section forty-seven for the first fiscal year for which such municipality, private sewer company or industry shall be required to make payments to the authority, under its contract, and the past rate for the second and each subsequent fiscal year of operation of such section or part with the current rate for the second and each corresponding subsequent fiscal year for which such municipality, private sewer company or industry shall be required to make payments under its contract; and shall further provide in substance that the municipality, private sewer company or industry shall be required to pay the higher of the two rates so compared for such first, second, or subsequent year for which such municipality, private sewer company or industry shall be required to make payments under its contract.

52. The contracts authorized by section fifty of this act shall, if one of the parties thereto is an industry, provide further in substance that, if the sewage arising within or caused or collected by such industry is or shall thereafter become of a nature, composition or type injurious or deleterious to the district sewer system or not safely or conveniently to be disposed of through the ordinary facilities of the district sewer system, then the industry shall, if possible, and when and in the manner requested by the authority, segregate off the objectionable matter or shall pay annually to the authority, in addition to the sums of money to be calculated as hereinabove provided, a sum of money calculated by the authority as amply sufficient to reimburse it for the annual cost of operation, maintenance, depreciation and repair, and,
within ten years, for the cost, together with inter-
est thereon, of the construction or acquisition, of
any special or extraordinary equipment, sewers,
treatment plants or other plants and structures,
constructed or acquired by the authority in order
so to treat the objectionable matter as to render it
not injurious or deleterious to the district sewer
system and to make it safe and convenient to dis-
pose of the same through the district sewer system
or to discharge it into the Hackensack river or its
tributaries.

53. Each contract authorized by section fifty
shall, if one of the parties thereto is a municipality,
further provide in substance that the municipality
shall in each year make provision for all payments
to become due from it to the authority, and said
municipality shall pay the same as provided in said
contract.

54. The contracts authorized by section fifty of
this act shall provide in substance that such con-
tracts shall become null and void and have no fur-
ther force and effect on and after the first day of
January, one thousand nine hundred and forty-
eight unless the authority shall have sooner com-
menced the construction and acquisition of the
district sewer system, or some part thereof, and
may contain any other or further provisions which
in the discretion of the parties to such contract may
be necessary, proper or advisable for the purpose
of obtaining or securing grants, loans or financial
assistance of any kind or sort to or for the author-
ity under any act of the Congress of the United
States of America.

55. The authority shall have power and is hereby
authorized, from time to time, to issue its negoti-
able bonds and, in anticipation thereof, its notes,
to provide for the cost of the construction of the
district sewer system as defined by subdivision (e)
of section thirty and for the purposes herein pro-
vided. Such bonds or notes shall be authorized by
resolution of the authority adopted only after pub-
lic hearing thereon by the authority held not less
than ten days after notice of such hearing advertised in a newspaper published at the county seat of said county and shall be sold by the authority in the manner or mode of procedure prescribed for the sale of bonds or notes, respectively, of a county by article one of chapter one of the Title, Municipalities and Counties, of the Revised Statutes (R. S. 40:1-1 et seq.). Such bonds may be issued in one or more series, and shall bear such date or dates, mature at such time or times in accordance with this section not exceeding forty years from their date, bear interest at such rate or rates not exceeding six per centum (6%) per annum payable at such time or times, be in such denominations and in such form either coupon or registered, carry such registration privileges, be executed in such manner, be payable at such place or places and be subject to such terms of redemption with or without premium, as may be determined in said resolution of the authority. The maturities of the bonds of each such series shall be so arranged that the total amount payable in any year on account of principal and interest thereof shall not exceed by more than one-half the total amount payable on account of such principal and interest in any prior year other than the first four years next ensuing after their issuance. Notes issued hereunder may be renewed, but all such notes, including renewals thereof, shall mature and be paid not more than five years from the date of the original notes. The bond issues authorized and issued by the authority may provide for the total cost of the district sewer system to be constructed as defined by subdivision (e) of section thirty, or an estimate thereof, including any deficits, salaries, working capital, reserves, repayment of moneys advanced for administrative expenses, and temporary borrowing, up to the beginning of the first fiscal year of the authority as set forth in section forty-four. After the beginning of the first fiscal year, all administrative expenses, operating and maintenance expenses shall be paid out of revenue received by the authority under contracts for
sewage disposal and services as herein provided. Should the authority authorize or issue any bonds for the purposes herein provided and after using the proceeds of said bonds for the purposes provided in the resolution authorizing said bond issue, there remain an unexpended balance of the proceeds of said bond issue, then such unexpended balance shall be used to retire the last due bonds. After the beginning of the first fiscal year as provided in section forty-four of this act, no bond issue shall be authorized or issued to pay for the maintenance, operating or other current expenses of the authority. The validity and regularity of the proceedings taken by the authority pursuant to this section for the issuance of such bonds or notes and the obligation of the authority to pay such bonds or notes and interest thereon, and to perform the covenants contained in such bonds or notes or such proceedings, shall not be dependent on or affected by the validity or regularity of any other proceedings taken, contracts entered into, acts performed, or things done by the authority, or by any municipality, private sewer company or industry. No resolution authorizing the issuance of any bonds pursuant to this section shall be finally passed if it appears that the aggregate of all bonds of the authority then outstanding, including those authorized by such resolution, exceeds five per centum (5%) of the average assessed valuation of real property (including improvements) in the municipalities which have signed contracts with the authority pursuant to section fifty hereof as shown on the annual debt statements last filed in or by such municipalities pursuant to sections 40:1–75 et seq. of the Revised Statutes.

56. Any resolution or resolutions authorizing any bonds of the authority may contain provisions which shall be a part of the contract with the holders of the bonds as to: pledging the contracts of the authority entered into pursuant to section thirty-three, or the sums of money to be received by the authority pursuant to said contracts or any
other revenues of the authority; the setting aside of reserves and sinking funds and the amount, regulation and disposition thereof; limitations on the right of the authority to restrict and regulate the use of the district sewer system; limitations on the purpose to which the proceeds of the sale of any issue of bonds then or thereafter to be issued by the authority may be applied; limitations on the issuance of additional bonds by the authority; the procedure, if any, by which the terms of any contract of the authority with such holders may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given. Neither the members of the authority nor any person executing said bonds shall be liable personally on said bonds or be subject to any personal liability or accountability by reason of the issuance thereof. The authority shall have power to purchase, out of any funds available therefor, on public tenders upon sealed proposals after at least seven days' notice published at least once in a publication carrying municipal bond notices and devoted primarily to financial news or the subject of State and municipal bonds, published in New York City, and at least seven days' notice published at least once in a newspaper published at the county seat, any bonds issued by it at a price not more than the principal amount thereof, and accrued interest and all bonds so purchased shall be canceled.

57. The bonds authorized by this act are hereby made securities in which all public officers and bodies of this State and all municipalities, and municipal subdivisions, all insurance companies and associations, all savings banks and savings institutions, including savings and loan associations, administrators, guardians, executors, trustees and other fiduciaries in the State may properly and legally invest funds in their control. The bonds shall be exempt from taxation except for transfer inheritance taxes.
58. The chief fiscal officer of each municipality which shall have entered into a contract pursuant to section fifty of this act, shall cause to be paid to the authority, in quarterly payments, the amount of money certified to the municipality by the authority pursuant to section forty-seven of this act. The power and obligation of such municipality to provide for and make all such payments shall be unlimited. If any part of the amount certified to the municipality by the authority, pursuant to section forty-seven of this act, shall remain unpaid for thirty days following the date fixed for payment by the contract, the municipality thus in default shall be charged with and liable for, and the chief fiscal officer thereof shall pay to the authority interest upon the amount unpaid at the rate of eight per centum (8%) per annum. The provisions of this section shall be deemed a contract between each and every municipality which shall have entered into a contract pursuant to section fifty of this act, and the holders of all bonds authorized by this act, and shall be enforceable by appropriate action at law or suit in equity.

59. Every obligation imposed upon any municipality, private sewer company or industry, by this act, and every obligation assumed by any municipality, private sewer company or industry, under any contract authorized hereby, shall be enforceable by mandamus or other appropriate action, suit or proceeding at law or in equity instituted by the authority.

60. Each private sewer company or industry which shall have entered into a contract with the authority pursuant to section fifty of this act, shall pay quarterly as provided in such contract to the authority, the sum of money certified to it by the authority pursuant to section forty-seven of this act, on or before the date provided for such payment in such contract, and the amount unpaid on said date shall bear interest thereafter until paid at the rate of eight per centum (8%) per annum. Any such sum of money so certified by the authori-
ity shall be a lien in favor of the authority on and against the property of such private sewer company or industry. If such sum of money or any part thereof is not paid to the authority on or before such contract payment date, the authority shall make and record, in the same manner as conveyances of interest in real property are recorded, a certificate setting forth the facts and giving notice of the existence and amount of such lien remaining unsatisfied. So far as permitted by law, such lien shall have priority over all other liens theretofore or thereafter attaching except those for Federal, State and local taxes.

61. Authority and all necessary powers are hereby given to do and perform all things and acts necessary and power is hereby granted to and conferred upon the authority to apply for and receive grants or loans to fulfill the purposes of this act from the Federal Government or any agency thereof and to enter into any agreement, contract or other undertaking with the Federal Government, or any agency of the Federal Government for the purpose of obtaining grants, loans, or financial assistance of any kind or sort and under such conditions and such terms as may be determined to be advisable or necessary for the purpose of fulfilling the purposes of this act.

CHAPTER 307

AN ACT concerning unemployment compensation,
and amending section 43:21-14 of the Revised
Statutes.

BE IT ENACTED by the Senate and General Assem­
bly of the State of New Jersey:

1. Section 43:21-14 of the Revised Statutes is
amended to read as follows:

43:21-14. (a) In addition to such reports as the
executive director may require under the provisions
of subsection (g) of section 43:21-11 of this Title,
every employer shall file with the commission peri­
odical contribution reports on such forms and at
such times as the executive director, with the ap­
proval of the commission, shall prescribe, to dis­
close the employer's liability for contributions
under the provisions of this chapter, and at the
time of filing each contribution report shall pay the
contributions required by this chapter for the
period covered by such report. The commission may
require that such reports shall be under oath of the
employer. Any employer who shall fail to file any
report, required by the commission or the executive
director, on or before the last day for the filing
thereof shall pay a penalty of one dollar ($1.00)
for each day of delinquency until and including
the tenth day following such last day and, for any
period of delinquency after such tenth day, a pen­
alty of one dollar ($1.00) a day or twenty per
centum (20%) of the amount of the contributions
due and payable by the employer for the period
covered by the report, whichever is the lesser. If
there be no liability for contributions for the period
covered by any contribution report or in the case of
any report other than a contribution report, the
employer or employing unit shall pay a penalty of
one dollar ($1.00) a day for each day of delinquency
in filing or fifteen dollars ($15.00), whichever is the lesser. Any employer who shall fail to pay the contributions due for any period on or before the date they are required by the commission to be paid, shall pay interest at the rate of one per centum (1%) a month on the amount thereof from such date until the date of payment thereof. Upon the written request of any employer or employing unit, filed with the commission on or before the due date of any report or contribution payment, the commission, for good cause shown, may grant, in writing, an extension of time for the filing of such report or the paying of such contribution with interest at the rate of one per centum (1%) a month on the amount thereof; provided, no such extension shall exceed thirty days and that no such extension shall postpone payment of any contribution for any period beyond the day preceding the last day for filing tax returns under Title IX of the Federal Social Security Act for the year in which period occurs.

(b) The contributions, penalties, and interest due from any employer under the provisions of this chapter, from the time they shall be due, shall be a personal debt of the employer to the State of New Jersey, recoverable in any court of competent jurisdiction in an action at law in the name of the State of New Jersey.

(c) If any employer shall fail to make any report as required by the rules and regulations of the commission pursuant to the provisions of this chapter, the commission may make an estimate of the liability of such employer from any information it may obtain and, according to such estimate so made, assess such employer for the contributions, penalties, and interest due the State from him, give notice of such assessment to the employer, and make demand upon him for payment.

(d) After a report is filed under the provisions of this chapter and the rules and regulations of the commission, the commission shall cause the report to be examined and shall make such further audit and investigation as it may deem necessary, and if
therefrom there shall be determined that there is a deficiency with respect to payment of the contributions due from such employer, the commission shall assess the additional contributions, penalties, and interest due the State from such employer, give notice of such assessment to the employer, and make demand upon him for payment.

(e) As an additional remedy, the commission may issue to the clerk of the Supreme Court of New Jersey a certificate stating the amount of the employer’s indebtedness under this chapter and describing the liability, and thereupon the clerk shall immediately enter upon his record of docketed judgments such certificates or an abstract thereof and duly index the same. Such certificate or abstract from the time of such docketing shall have the same force and effect as a judgment obtained in the Supreme Court of New Jersey, and the commission shall have all the remedies and may take all the proceedings for the collection thereof which may be had or taken upon the recovery of such a judgment in an action at law upon contract in said court. Such debt, from the time of the docketing thereof, shall be a lien on and bind the lands, tenements, and hereditaments of the debtor.

The clerk of the Supreme Court shall be entitled to receive for docketing such certificate fifty cents ($0.50), and for a certified transcript of such docket fifty cents ($0.50). If the amount set forth in said certificate as a debt shall be modified or reversed by any court, the clerk of the Supreme Court shall, when an order of modification or reversal is filed, enter in the margin of the docket opposite the entry of the judgment the word “modified” or “reversed,” as the case may be, and the date of such modification or reversal.

The employer, or any other person having an interest in the property upon which the debt is a lien, may deposit the amount claimed in the certificate with the clerk of the Supreme Court of New Jersey, together with fifty dollars ($50.00) to cover interest and the costs of court, or in lieu of depositing the
amount in cash, may give a bond to the State of New Jersey in double the amount claimed in the certificate, and file the same with the clerk of the Supreme Court. Said bond shall have such surety and shall be approved in the manner now required by section 2:27-369 of the Revised Statutes.

After the deposit of said money or the filing of said bond, the employer or any other person having an interest in the said property, may review the legality or validity of the indebtedness or the amount thereof by certiorari, and the said deposit of cash shall be as security for and the bond shall be conditioned to prosecute the certiorari with effect and to pay and satisfy, if the debt be sustained, the amount adjudged by the court and all interest and costs.

Upon the deposit of said money or the filing of the said bond with the clerk of the Supreme Court, all proceedings on such judgment shall be stayed until the final determination of the cause, and monies so deposited shall be subject to the lien of the indebtedness and costs and interest thereon, and the lands, tenements, and hereditaments of said debtor shall forthwith be discharged from the lien of the State of New Jersey and no execution shall issue against the same by virtue of said judgment.

(f) If not later than two years after the calendar year in which any moneys were erroneously paid to, or collected by the commission, whether such payments were voluntarily or involuntarily made or made under mistake of law or of fact, an employer or an employee who has paid such moneys shall make application for an adjustment of his own contribution in connection with subsequent contribution payments, or for a refund of his own contribution because such adjustment cannot be made, and the commission or executive director shall determine that such moneys or any portion thereof was so erroneously paid or collected, such employer or employee shall be allowed to make an adjustment thereof, without interest, in connection with subsequent contribution payments, or if such
adjustment cannot be made the said amount shall be refunded, without interest, from the fund. For like cause and within the same period, adjustment or refund may be so made on the initiative of the commission through the executive director.

(g) All interest and penalties collected pursuant to this section shall be paid into the unemployment compensation fund.

2. This act shall take effect immediately.
Approved May 7, 1945.

CHAPTER 308

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 43:21-5 of the Revised Statutes is amended to read as follows:

43:21-5. An individual shall be disqualified for benefits:

(a) For the week in which he has left work voluntarily without good cause, and for the three weeks which immediately follow such week (in addition to the waiting period), as determined in each case.

(b) For the week in which he has been discharged for misconduct connected with his work, and for the three weeks which immediately follow such week (in addition to the waiting period), as determined in each case.

(c) If it is found that he has failed, without good cause, either to apply for available, suitable work when so directed by the employment office or the executive director or to accept suitable work when offered him, or to return to his customary
self-employment (if any) when so directed by the executive director. Such disqualification shall continue for the week in which such failure occurred and for the three weeks which immediately follow such week (in addition to the waiting period), as determined:

(1) In determining whether or not any work is suitable for an individual, consideration shall be given to the degree of risk involved to his health, safety and morals, his physical fitness and prior training, his experience and prior earnings, his length of unemployment and prospects for securing local work in his customary occupation, and the distance of the available work from his residence.

(2) Notwithstanding any other provisions of this chapter, no work shall be deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (a) If the position offered is vacant due directly to a strike, lockout, or other labor dispute; (b) if the remuneration, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (c) if as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(d) For any week with respect to which it is found that his unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed; provided, that this subsection shall not apply if it is shown that:

(1) He is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and
(2) He does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute; provided, that if in any case in which (1) or (2) above applies separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subsection, be deemed to be a separate factory, establishment, or other premises.

(e) For any week with respect to which he is receiving or has received remuneration in lieu of notice.

(f) For any week with respect to which or a part of which he has received or is seeking unemployment benefits under an unemployment compensation law of any other State or of the United States; provided, that if the appropriate agency of such other State or of the United States finally determines that he is not entitled to such unemployment benefits, this disqualified shall not apply.

(g) For the two weeks immediately following detachment from any maritime services performed under shipping articles.

2. Section 43:21-6 of the Revised Statutes is amended to read as follows:

43:21-6. (a) Filing. Claims for benefits shall be made in accordance with such regulations as the commission may approve. Each employer shall post and maintain printed statements of such regulations in places readily accessible to individuals in his service and shall make available to each such individual at the time he becomes unemployed, a printed statement of such regulations. Such printed statements shall be supplied by the commission to each employer without cost to him.
(b) (1) Initial determination. A representative designated by the executive director, and hereinafter referred to as a "deputy," shall promptly examine the claim and, on the basis of the facts found by him, shall either determine whether or not such claim is valid, and if valid, the week with respect to which benefits shall commence, the weekly benefit amount payable and the maximum duration thereof, or shall refer such claim or any question involved therein to an appeal tribunal or to the board of review, which shall make its determinations with respect thereto in accordance with the procedure described in subsection (c) of this section. The deputy shall promptly notify the claimant, the most recent employing unit and all employers in the base year of the decision and the reasons therefor. Unless the claimant or any such interested party, within five calendar days after the delivery of such notification, or within seven calendar days after such notification was mailed to his and their last-known address and addresses, files an appeal from such decision, such decision shall be final and benefits shall be paid or denied in accordance therewith. If an appeal is duly filed, benefits with respect to the period prior to the final determination of the board of review, shall be paid only after such determination; provided, that if an appeal tribunal affirms a decision of a deputy, or the board of review affirms a decision of an appeal tribunal, allowing benefits, such benefits shall be paid regardless of any appeal which may thereafter be taken, but if such decision is finally reversed, no employer's account shall be charged with benefits so paid.

(2) Subsequent determinations. The deputy shall make determinations with respect to claims for benefits thereafter in the course of the benefit year in accordance with any initial determination allowing benefits; provided, the claimant is eligible and not disqualified; the allowance of benefits by the deputy on any such claim (if disputed), or the denial of benefits by the deputy on any such claim,
shall be appealable within seven calendar days after the date of notification thereof.

(c) Appeals. Unless such appeal is withdrawn, an appeal tribunal, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and decision of the deputy. The parties shall be duly notified of such tribunal's decision, together with its reasons therefor, which shall be deemed to be the final decision of the board of review, unless within ten days after the date of notification or mailing of such decision, further appeal is initiated pursuant to subsection (e) of this section.

(d) Appeal tribunals. To hear and decide disputed benefit claims, including appeals from determinations with respect to demands by the deputy for refunds of benefits under section 43:21-16 (d) of this chapter, the executive director with the approval of the commission shall establish one or more impartial appeal tribunals consisting in each case of either a salaried examiner or a body consisting of three members, one of whom shall be a salaried examiner, who shall serve as chairman, one of whom shall be a representative of employers and the other of whom shall be a representative of employees; each of the latter two members shall serve at the pleasure of the commission and be paid a fee of not more than twenty dollars ($20.00) per day of active service on such tribunal plus necessary expenses. No person shall participate on behalf of the commission in any case in which he is an interested party. The executive director may designate alternates to serve in the absence or disqualification of any member of an appeal tribunal. The chairman shall act alone in the absence or disqualification of any other member and his alternates. In no case shall the hearings proceed unless the chairman of the appeal tribunal is present.

(e) Board of review. The board of review may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or di-
rect the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The board of review shall permit such further appeal by any of the parties interested in a decision of an appeal tribunal which is not unanimous and by the deputy whose decision has been overruled or modified by an appeal tribunal. The board of review may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceeding so removed to the board of review shall be heard by a quorum thereof in accordance with the requirements in subsection (c) of this section. The board of review shall promptly notify the interested parties of its findings and decision.

(f) Procedure. The manner in which disputed benefit claims, and appeals from determinations with respect to (1) claims for benefits and (2) demands by the deputy for refunds of benefits under section 43:21-16 (d) of this chapter shall be presented, the reports thereon required from the claimant and from employers, and the conduct of hearings and appeals shall be in accordance with rules prescribed by the board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed.

(g) Witness fees. Witnesses subpoenaed pursuant to this section shall be allowed fees at a rate fixed by the commission. Such fees and all expenses of proceedings involving disputed claims shall be deemed a part of the expense of administering this chapter.

(h) Appeal to courts. Any decision of the board of review in the absence of an appeal therefrom as
herein provided shall become final ten days after the date of notification or mailing thereof, and judicial review thereof shall be permitted only after any party claiming to be aggrieved thereby has exhausted his remedies before the board of review as provided by this chapter. The board of review shall be deemed to be a party to any judicial action involving any such decision, and may be represented in any such judicial action by any qualified attorney who may be a regular salaried employee of the board of review or has been designated by it for that purpose, or at the board of review’s request, by the Attorney-General.

(i) Court review. Within ten days after the decision of the board of review has become final, any party aggrieved thereby may secure judicial review thereof by writ of certiorari directed to the board of review, in which action any other party to the proceeding before the board of review shall be made a defendant.

Among such divisions shall be New Jersey State Employment Service Division, established pursuant to section 43:21-12 of this Title. The New Jersey State Employment Service shall be a separate administrative unit with respect to personnel, budget, and duties, except insofar as the commission may find such separation to be impracticable.

(d) Board of review. The executive director shall appoint, subject to the provisions of Title 11, Civil Service, from civil service eligible lists, subject to approval of the commission, a board of review, consisting of three members whose duties shall be to act as a final appeals board in cases of benefit disputes, including appeals from determinations with respect to demands by the deputy for refunds of benefits under section 43:21-16 (d) of this chapter and to whom shall be delegated the duty of supervising the work of local appeal tribunals to be organized as provided for elsewhere in this chapter. No member of the board of review shall participate in any case in which he is an interested party.

(e) Powers and duties. The commission shall have the following specific powers and duties:

4. Section 43:21–16 of the Revised Statutes is amended to read as follows:

43:21–16 (a) Whoever makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to obtain or increase any benefit or other payment under this chapter, either for himself or for any other person, shall be liable to a fine of not less than twenty dollars ($20.00) nor more than fifty dollars ($50.00), to be recovered in an action at law in the name of the commission, said fine when recovered to be paid to the unemployment compensation fund for the use of said fund; and each such false statement or representation or failure to disclose a material fact shall constitute a separate offense.

(b) Any employing unit or any officer or agent of an employing unit or any other person who makes a false statement or representation knowing it to be false, or who knowingly fails to disclose a material fact, to prevent or reduce the payment of benefits to any individual entitled thereto, or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employing unit under this chapter, or who willfully fails or refuses to make any such contributions or other payment or to furnish any reports required hereunder or to produce or permit the inspection or copying of records as required hereunder, shall be liable to a fine of not less than twenty dollars ($20.00) nor more than two hundred dollars ($200.00), to be recovered in an action at law in the name of the commission. Said fine when recovered to be paid to the unemployment compensation fund for the use of said funds; and each such false statement or representation or failure to disclose a material fact, and each day of such failure or refusal shall constitute a separate offense.
(c) Any person who shall willfully violate any provision of this chapter or any rule or regulation thereunder, the violation of which is made unlawful or the observance of which is required under the terms of this chapter, and for which a penalty is neither prescribed herein nor provided by any other applicable statute, shall be liable to a fine of not less than twenty dollars ($20.00) nor more than two hundred dollars ($200.00), to be recovered in an action at law in the name of the commission, said fine when recovered to be paid to the unemployment compensation fund for the use of said fund; and each day such violation continues shall be deemed to be a separate offense.

(d) When it is determined by the deputy that any person, by reason of the nondisclosure or misrepresentation by him or by another, of a material fact (irrespective of whether such nondisclosure or misrepresentation was known or fraudulent) has received any sum as benefits under this chapter while any conditions for the receipt of benefits imposed by this chapter were not fulfilled in his case, or while he was disqualified from receiving benefits, such person shall, in the discretion of the commission, either be liable to have such sum deducted from any future benefits payable to him under this chapter or shall be liable to repay to the commission for the unemployment compensation fund, a sum equal to the amount so received by him, and such sum shall be collectible in the manner provided in subsection (e) of section 43:21-14 of this Title for the collection of past-due contributions. The deputy shall promptly notify such person of the determination and the reasons therefor. Unless such person, within five calendar days after the delivery of such determination, or within seven calendar days after such notification was mailed to his or her last-known address, files an appeal from such determination, such determination shall be final.
5. Section 43:21–20 of the Revised Statutes is repealed.

6. Section 43:21–21 of the Revised Statutes is amended to read as follows:

43:21–21. (a) The commission is hereby authorized to enter into arrangements with the appropriate agencies of other States or the Federal Government, whereby potential rights to benefits accumulated under the unemployment compensation laws of several States or under such a law of the Federal Government, or both, may constitute the basis for the payment of benefits through a single appropriate agency under terms which the commission finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the fund.

(b) The commission is also authorized to enter into arrangements with the appropriate agencies of other States or of the Federal Government (1) whereby wages or services, upon the basis of which an individual may become entitled to benefits under the unemployment compensation law of another State or of the Federal Government, shall be deemed to be wages for employment by employers for the purposes of this chapter; provided, such other State agency or agency of the Federal Government has agreed to reimburse the fund for such portion of benefits paid under this chapter, upon the basis of such wages or services as the commission finds will be fair and reasonable as to all affected interests; and (2) whereby the commission will reimburse other State or Federal agencies charged with the administration of unemployment compensation laws with such reasonable portion of benefits, paid under the law of any such other States or of the Federal Government upon the basis of employment or wages for employment by employers, as the commission finds will be fair and reasonable as to all affected interests. Reimbursements so payable shall be deemed to be benefits for the purposes of this chapter, but no reimbursement so payable shall be charged against any employer's
account for the purposes of section 43:21-7 of this chapter. The commission is hereby authorized to make to other State or Federal agencies and receive from such other State or Federal agencies reimbursements from or to the fund, in accordance with arrangements pursuant to this section.

(c) The commission is also authorized to enter into reciprocal agreements with the appropriate agencies of other States covering services on vessels engaged in interstate or foreign commerce whereby such services performed for a single employer, under any contract of hire, partly within and partly without this State, shall be deemed to be performed in their entirety either within or without this State.

(d) The commission is authorized to enter into reciprocal arrangements with the appropriate and duly authorized agency of any other State or of the United States, whereby (i) moneys due the commission for contributions, interest and penalties and paid to such agency shall be deemed to have been paid into the unemployment compensation fund of this State as of the date of payment to such agency and (ii) vice versa; provided, that such arrangements contain provisions for the reciprocal transfers of such moneys.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

In war time, as in peace, the true greatness of the late Thomas Alva Edison becomes more and more apparent as this nation's vast industrial system produces the war material that is such a major factor in the success of our armed forces and those of our allies.

Without the basic inventions of Thomas Edison many of these vast enterprises could not function. His influence has been felt, too, in many of the ingenious devices and weapons of the present war, which can be traced directly to his original concepts.

On this 98th anniversary of the birth of Thomas A. Edison, of whom New Jersey is so proud, it is fitting that we pause briefly to pay homage to his memory and to his life's work and his unparalleled contribution to our happiness and progress.

Given under my hand and the Great Seal of the State of New Jersey, this second day of February, in the year of Our Lord one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and sixty-ninth.

WALTER E. EDGE
Governor.

By the Governor:
J. A. BROPHY
Secretary of State.
After over three years of war on many fronts throughout the world, the American Red Cross faces in the coming year an increasing responsibility for the relief of human suffering among our men and women in the armed services and the countless number of civilians who are caught in this maelstrom.

Throughout the years the Red Cross has been our national symbol—really an international symbol—of kindness and understanding. Its competency and effectiveness as an organization of humaneness and mercy are well recognized. The effective administration of this great agency depends largely upon voluntary contributions, and the national quota for the coming year is $200,000,000, while New Jersey's quota has been set at $7,029,800. While these amounts seem large in dollars they are small in comparison with the easement of human suffering that this money will accomplish. I feel confident, therefore, that, as always, New Jersey will respond generously to this call, so that the American Red Cross can continue to relieve distress in all parts of the world.

Therefore, I, WALTER E. EDGE, Governor of the State of New Jersey, do hereby proclaim the campaign to be conducted from

MARCH 1ST TO MARCH 31ST

as

THE 1945 WAR FUND CAMPAIGN OF THE AMERICAN RED CROSS,

and I appeal to the citizens of New Jersey to meet this obligation with the full knowledge that the
financial sacrifices it may entail could not be en-
dured in a greater cause.

[seal] Given under my hand and the Great
Seal of the State of New Jersey, this
twenty-eighth day of February, in the
year of Our Lord one thousand nine hun-
dred and forty-five and in the Independ-
ence of the United States the one
hundred and sixty-ninth.

Governor.

J. A. BROPHY
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

Annually, since 1937, April 6th of each year has
been observed as Army Day.

Adequate acknowledgment of the titanic accom-
plishments of our armies in the present great con-
flict is impossible, but we can dedicate ourselves to
the cause of encouraging them by our efforts at
home. Whether it be by increased production of
equipment and ammunition, increased purchase of
war bonds, or additional blood donations, our ef-
forts should be enthusiastic and sustained.

Throughout the year there is constant oppor-
tunity for us to demonstrate our willingness to be
of such help as we can, but on Army Day we can
give additional testimony to the sacrifices and ef-
forts of our armies.
PROCLAMATIONS

Therefore, I, Walter E. Edge, Governor of the State of New Jersey, do hereby proclaim

Friday, April 6th,

as

ARMY DAY,

and I ask for appropriate observance of the day. I request that the flag be flown from places of business and homes, as well as public buildings, and that suitable programs be conducted by civic organizations.

Given under my hand and the Great [seal] Seal of the State of New Jersey, this second day of April, in the year of Our Lord one thousand nine hundred and forty-five and in the Independence of the United States the one hundred and sixty-ninth.

Secretary of State.
PROCLAMATIONS

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

With victory for our armed forces so near at hand, this nation and all the humble peoples of the world have lost a great champion of world peace. How we meet the great problems of the peace table will determine whether the appalling sacrifices of the allied nations to preserve liberty and freedom have been justified.

On this basis it devolves upon all of us in high and low positions to work together for a true, lasting world peace that will be the greatest monument possible to his memory.

Therefore, I, WALTER E. EDGE, Governor of the State of New Jersey, do hereby proclaim a thirty-day period of mourning as a tribute to Franklin Delano Roosevelt, and sincerely urge every man, woman and child in this State and in this Nation to form a unified public opinion for a permanent end to the grief and destruction of warfare.

Given under my hand and the Great [seal] Seal of the State of New Jersey, this thirteenth day of April, in the year of Our Lord one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and sixty-ninth.

WALTER E. EDGE
Governor.

J. A. BROPHY
Secretary of State.
PROCLAMATION

State of New Jersey,
Executive Department.

The great problems of reconstruction abroad, and reconversion of our own economic life from war to peace time pursuits when hostilities are finally concluded, will call for the greatest tolerance and understanding among the various races and peoples of the world.

These world-wide adjustments cannot be made on a basis of hatreds and intolerances engendered by the war, but must be worked out on a plan of mutual helpfulness and cooperation.

Accordingly, at the request of the Good-Will Commission of the State of New Jersey,

I, Walter E. Edge, Governor of the State of New Jersey, do hereby proclaim

FRIDAY, MAY 18TH,

as

GOOD-WILL DAY

in the State of New Jersey, and I suggest that our citizens supplement the work of the Good-Will Commission of New Jersey by participating in exercises appropriate to the occasion.

Given under my hand and the Great Seal of the State of New Jersey, this seventh day of May in the year of Our Lord, one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and sixty-ninth.

WALTER E. EDGE
Governor.

By the Governor:

J. A. Brophy
Secretary of State.
PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

As the full weight of this nation's military resources are being turned from our victory in Europe to the battle against Japan, it is imperative that we continue our financial support in the Seventh War Loan Drive from May 18th to June 30th.

Citizens of New Jersey are called upon for an investment quota in victory of $622,000,000 of which $148,000,000 has been allocated for E bond purchases. Throughout the nation the quota of $14,000,000,000 has been established for this drive to make certain our troops will have the food, equipment, weapons and material that will bring the war in the Pacific to a successful conclusion at the earliest possible moment.

Therefore, I, WALTER E. EDGE, Governor of the State of New Jersey, do hereby proclaim the period of

MAY 18TH TO JUNE 30TH

for the

SEVENTH WAR LOAN DRIVE

and I urge our citizens to co-operate with the 150,000 volunteers conducting this campaign for the New Jersey War Finance Committee and invest all possible funds in what we are certain will be our final victory.
Given under my hand and the Great
[seal] Seal of the State of New Jersey, this
seventh day of May, in the year of Our
Lord one thousand nine hundred and
forty-five, and in the Independence of
the United States the one hundred and
sixty-ninth.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

Our first reaction to the wonderful news of the
surrender of the German armies naturally is one
of jubilation tempered with thankfulness to the
Almighty, to our armed forces and those of our
Allies.

More important than the historic military tri­
umph, this surrender constitutes another great vic­
tory of our ideals of liberty and the equality of
man. It means that freedom of thought, freedom of
speech and freedom of religious belief shall not
perish. In the vast scope of history today's victory
means that millions of men and women yet unborn
will live in a world of freedom instead of slavery.

The victory, however, is only half won. Another
cruel, vicious and unprincipled enemy remains to
be defeated. This second victory is just as inevi­
table as that of today, but it will not be attained
quickly if we relax our wholehearted support of
the war effort in men, money, labor and sacrifices.
I call upon the people of New Jersey to celebrate this great occasion in a reverent, thankful and sober mood, with our hearts and minds intent upon supporting to the limit those brave men and women still giving their all in the war against Japan. After the final victory is won it is our most fervent hope that national ambitions and desires can be subordinated to preventing such grief, misery and destruction ever recurring again.

Therefore, in response to the call of the President of the United States, I hereby proclaim

SUNDAY, MAY 13TH,

as a

DAY OF PRAYER AND THANKSGIVING

throughout the State of New Jersey, and I also order the State House and all State offices to close at 12:00 noon, today, May 8th.

Given under my hand and the Great [seal] Seal of the State of New Jersey, this eighth day of May, in the year of Our Lord one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and sixty-ninth.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, under existing law proposed amendments to the Constitution are required to be advertised three months in advance of the general election, I am herewith calling the Legislature of the State of New Jersey to meet in Special Session at the State House, Trenton, New Jersey, on Monday, the twenty-first day of May, nineteen hundred and forty-five, at two o’clock, Eastern War Time, in the afternoon of said day, for the purpose of considering proposed Constitutional amendments.

In addition to this responsibility I will submit to the Special Session a bill enlarging the powers of the State Capitol Building Commission, in order that eight months’ time may be saved in the preparation of plans and the acquisition of the land necessary to enlarge the facilities of the State Capitol, as recommended to the last session of the Legislature through the Commission’s Interim Report Number One.

Given under my hand and the Great Seal of the State of New Jersey, this fourteenth day of May, in the year of Our Lord one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and sixty-ninth.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

At no time in our nation’s history has American citizenship carried with it greater obligations and rewards. With victory won in Europe and a hard fight still confronting us in the Pacific, American citizens in high places and low must continue to give their undivided support and allegiance to the prosecution of the war. This is no time to relinquish our efforts.

When the final victory is won, however, American citizens will find a wonderful opportunity to re-dedicate their lives to the pursuits of peace in a nation untouched by the physical ravages of war. In no other place in the world is the individual given greater opportunity.

As part of our national program to welcome the new citizens of the United States and to re-emphasize our own responsibilities of citizenship,

I, WALTER E. EDGE, Governor of the State of New Jersey, do hereby proclaim

SUNDAY, MAY 20TH

as

I AM AN AMERICAN DAY

and call upon the various departments of the State and officials of the county and local governments to participate in appropriate exercises. Further, that the week of May 20th to 26th be observed as National Citizenship Week so that our churches,
schools and civic organizations will place special emphasis on the value and obligations of American citizenship.

Given under my hand and the Great Seal of the State of New Jersey, this fifteenth day of May, in the year of Our Lord one thousand nine hundred and forty-five and in the Independence of the United States the one hundred and sixty-ninth.

Given under my hand and the Great Seal of New Jersey, this thirty-first day of May, A.D. one thousand nine hundred and forty-five, and in the Independence of the United States, the one hundred and sixty-ninth.

WALTER E. EDGE
Governor.

By the Governor:
J. A. BROPHY
Secretary of State.
PROCLAMATION

State of New Jersey,
Executive Department.

In the 168 years since the Continental Congress adopted the Stars and Stripes on June 14, 1777, as the national flag of the United States of America, we have never had greater occasion to express our pride and faith in this symbol of liberty.

Today as we celebrate Flag Day our armed forces and those of our allies are victorious in Europe and our flag is waving over widespread battlefronts in the Pacific.

Our flag has become a symbol of liberty and freedom throughout the civilized world and I strongly urge the people of New Jersey to take the oath of allegiance anew and to support the Seventh War Loan Drive to the limit that this flag may soon become the symbol of final victory.

At this time, with victory so near, I reiterate my plea to the citizens of New Jersey to buy all the war bonds possible as an expression of gratitude and support for the half million Jersey men and women serving under our flag all over the world.

Therefore, I, Frank S. Farley, Acting Governor of the State of New Jersey, do hereby proclaim

THURSDAY, JUNE 14TH,
as
FLAG DAY,

and I ask that the flag be flown from homes, public buildings and places of business; that people renew their Oath of Allegiance to the Flag, and that appropriate exercises be conducted throughout the State on this day in schools, churches and public buildings.
Given under my hand and the Great Seal of the State of New Jersey, this thirteenth day of June, in the year of Our Lord one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and sixty-ninth.

FRANK S. FARLEY
Acting Governor and President of the Senate.

By the Acting Governor:
J. A. BROPHY
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, John G. Sholl was at the general election held in the month of November, one thousand nine hundred and forty-four elected by the voters of the County of Gloucester to represent said county in the Senate of this State and subsequently did qualify as such Senator and after such election and qualification did resign the office of Senator; therefore causing a vacancy to exist in the Senate of this State;

THEREFORE, I, FRANK S. FARLEY, Acting Governor of the State of New Jersey and President of the Senate of the State of New Jersey, pursuant to law, do hereby issue this proclamation directing an election to be held according to the laws of the State of New Jersey in said county on Tuesday, November sixth, one thousand nine hundred and forty-five, for the purpose of electing a Senator for said county to fill the vacancy caused by the resignation of the said John G. Sholl.
Given under my hand and the Great Seal of the State of New Jersey, this twenty-seventh day of June, in the year of Our Lord one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and sixty-ninth.

FRANK S. FARLEY
Acting Governor and President of the Senate.

By the Acting Governor:
J. A. BROPHY,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

In celebrating the One Hundred and Sixty-ninth Anniversary of the Independence of the United States we are encouraged by the success of the United Nations’ Conference to the hope that adoption of the Charter it produced may enable us to live in peace and security after the final victory is won in the Pacific.

Submission of this Charter as we celebrate our independence as a nation should instill in our people a desire to reaffirm their belief in the fundamental principles of tolerance and freedom upon which this nation was founded.

It is not enough that we take our independence as a nation and our own rights and liberties for granted. Less than two years ago there was grave danger that this nation and other democracies would be overrun by those who believed that man
was created to serve the State. Today victory for the dignity of man and our fundamental way of living is assured. We celebrate the anniversary of our independence in a spirit of thanksgiving to those brave men and women in the armed forces, both living and dead, who have given so much that we might continue to live in freedom and security.

Therefore, I, Frank S. Farley, Acting Governor of the State of New Jersey, do hereby proclaim

JULY FOURTH

as

INDEPENDENCE DAY,

and suggest that all civic, patriotic and educational organizations, State and local officials plan appropriate ceremonies to be conducted throughout the State on this day.

Given under my hand and the Great Seal of the State of New Jersey, this twenty-eighth day of June in the year of Our Lord one thousand nine hundred and forty-five and in the Independence of the United States the one hundred and sixty-ninth.

FRANK S. FARLEY
Acting Governor and President of the Senate.

By the Acting Governor:

J. A. Brophy
Secretary of State.
As the United States Coast Guard is delivering men and materials all over the world to bring this war to a speedy and successful conclusion, it is most appropriate that we pause to pay homage to this unit of our armed forces on its 155th birthday, August 4, 1945.

The Coast Guard is the oldest seagoing armed force in continuous service in the United States and it has served with gallantry and distinction in every war in which this Nation has participated. In this present conflict the Coast Guard manned a large portion of the ships participating in the invasions of Africa, Italy and Normandy. It has taken our transports over the seven seas and has cleared the oceans of enemy submarines. In addition, the members of the Women’s Reserve, better known as the SPARS, are serving with distinction in this country, Alaska and Hawaii, thereby releasing men for sea duty.

Therefore, I, Walter E. Edge, Governor of the State of New Jersey, do hereby proclaim the week of

JULY 30TH TO AUGUST 5TH

as

COAST GUARD ANNIVERSARY WEEK,

and I call upon our citizens to honor the gallant men and women comprising the officers and enlisted personnel who have so bravely served their country.
Given under my hand and the Great Seal of the State of New Jersey, this thirtieth day of July, in the year of our Lord one thousand nine hundred and forty-five, and in the Independence of the United States the one hundred and seventieth.

WALTER E. EDGE
Governor.

The following Table of Contents with the Schedules annexed have been prepared and printed pursuant to chapter 379 of the laws of 1939 to indicate changes made in the general and permanent statute law subsequent to the enactment of chapter 280 of the laws of 1942.

Changes made in the general and permanent statute law from the enactment of the Revised Statutes (1937) through chapter 280 of the laws of 1942 are to be found in the Cumulative Table of Contents contained in the Pamphlet Laws of 1942 at page 875, etc.

The classification used is that of the Revised Statutes amplified so as to include material for which no adequate classification units appear in the Revised Statutes. In all cases in which new chapter or other subdivision headings or new section numbers are set up they are designated in the Table as “Added” or “New.” Where a chapter or other subdivision heading or section number is designated as “Added” it has been set up in the statute classified under it. Where a chapter or other subdivision heading is designated as “New” it has been set up and a number assigned, for convenience in classification, by the Law Revision and Bill Drafting Commission (formerly Commission on Statutes). The use of such designations or numbers alone, whether they are designated as “Added” or “New,” in citation or in legislation is not sufficiently descriptive to indicate where the material is to be found in the Pamphlet Laws and, when so used, such designations should be amplified by adding the year and chapter numbers of the material intended to be referred to.

Acknowledgment is made to Charles DeF. Besore, Esq., for the use of the arrangement of his “Table of Contents, etc., of 1938,” which forms the basis of the arrangement of this Table of Contents.
