health in their district, stating, also, any special causes of deterioration of health or hazard thereto, and shall therein answer any inquiries which have been addressed to them by the state board of health; in the case of cities the same shall be presented to the city authorities, and the board of health shall, on or before October fifteenth of each year, forward a copy of the same to the address of the state board of health at Trenton; and in the case of townships, a similar report, signed by the chairman of the township committee, shall, by the same date, be sent as herein provided for city boards.

5. And be it enacted, That boards of health of cities or townships or any county health board shall, through the keeper or recorder of vital statistics, take cognizance of any neglect of returns on the part of any persons charged with this duty under the laws of this state, and are authorized to pass ordinances additional thereto, and not conflicting with the same; and they shall have the same powers of action for neglect as is given to the state board of health, and in addition, in the case of the failure of any city clerk, assessor or physician to make full returns as required by law, may bring action for the same and recover for the use of said city or township to the amount not exceeding fifty dollars; and in case of the death or removal of any assessor before the time for electing a successor, the township clerk shall take charge of and report such returns until the election of an assessor.

6. And be it enacted, That the state board of health, in making inquiries and investigations in regard to the causes of disease and morality and the modes of their limitations, may aid any local board to the amount of twenty dollars in any one year, and that for this purpose, and also for extending its own inquiries into the sources of physical deterioration or local causes of disease, the board be authorized to expend two thousand dollars each year, in addition to the amount heretofore provided, said expenditure to be accounted for each year by itemized bills, audited by the president and secretary of the board of health and approved by the governor, and then shall be paid as other accounts of said board.

shall not be issued until the local board and the state
board have been notified to appear and be present at
such hearing; but the failure of the owner to cause
removal, or the refusal of the court applied to to grant a
stay of proceedings, shall not prevent the party or parties
making the application from any suit at law and re-

11. And be it enacted, That in case of any county having a county board of health or vital statistics, nothing in this bill shall change or modify their former power or jurisdiction and they shall possess all the authority herein granted to city or township boards; and they shall yearly report to the state board of health as to the cities and townships of the county, in the same way as is required in counties where there is no county board of health; they shall be the sole power to make ordinances in relation to the public health and to carry out the provisions of the laws of this state in reference to the registration and returns of vital statistics in their respective counties, nothing in this act shall relate to or affect any boards of health now organized in any of the cities of this state under the provisions of their respective charters.

CHAPTER CLXIII.

An Act for incorporation of companies for draining and improving meadows and lands overflowed by tide water.

1. Be it enacted by the Senate and General Assembly of the State of New Jersey, That the owners of any body or
tract of not more than two hundred acres of meadow, marsh, swamp or low lands in this state, exposed to the overflow of the tide, may associate and form an incorporated company for the purpose of improving such lands, and for the further purpose of erecting and constructing across any stream of water that may flow through said land, any bank, dam, sluice, floodgates or water works necessary to secure the same from the overflow of the tide.

2. And be it enacted, That any such owners of three-fourths or more of any body or tract of not more than two hundred acres of such lands, who shall sign a certificate setting forth that they have formed such a company under the provisions of this act, and the name adopted for such company and the city, borough or township where its business is to be transacted and the county wherein such lands are situate, and shall cause the same to be delivered to the clerk of such county, who shall immediately file and record the said certificate in his office, in the book of corporations therein kept; thereupon, together with all other owners of such body of land and all those who may afterwards become owners thereof, their successors and assigns, shall be a body corporate and politic in law with all the usual powers incident to corporations, aggregate in this state.

3. And be it enacted, That immediately after the filing of said certificate, as aforesaid, any three of the members of such company may call a meeting of the said company, to be held not less than ten days from date of the filing of said certificate, and at some public place in the city, borough or township nearest to said lands, by giving five days' notice in writing to each of said owners, or by two weeks' notice by advertisement in one or more newspapers printed and published in the county where said lands are situate, specifying the time and place, when and where said meeting shall be held; at which time and place the owners of one-half or more of the lands included in said company, having met in person or by proxy, shall proceed to adopt such a constitution and by-laws for the government and management of their business as they shall deem proper; provided the same shall not be made inconsistent with this act, or contra
venerate the laws or constitution of this state or of the United States; and to elect by ballot or otherwise, as the said constitution shall prescribe, a president, three managers, a treasurer and a clerk, who shall be members of the said company, whose several duties and terms of office, and the filling of any vacancy or vacancies therein, and all matters not herein provided for, shall be regulated by the constitution and by-laws of the company.

4. And be it enacted, That the president and managers of any company, formed in pursuance of this act shall, within one year after the organization of the same, as aforesaid, make or cause to be made a survey of the exterior limits or boundaries of such body or tract of land over which the tidewater flows, and which may be reclaimed, and shall cause each owner's share within said limits to be strictly measured, and a correct plot or map of the same to be made, exhibiting the entire bounds of the survey; as, also, the owner's name and number of acres held by each owner respectively; and after they have made or caused to be made such a survey and map as aforesaid, they shall give ten days' notice in writing to each of the owners of said land, or by three weeks' notice by advertisement in one or more newspapers printed and published in the county wherein said lands are situated, that a meeting of the owners of said lands will be held in the city, borough, or township nearest to the place where said lands lie, at a certain time and place in said notice to be named, and that they will then and there have present said survey and map; and that said president and managers shall, at such meeting so called, make a public exhibit of their said survey and map, with the names of the owners and the number of acres owned by each as aforesaid, and shall hear any objections that may be made to the same and shall make such corrections and amendments thereto as the said president and managers, or a majority of them, shall deem just and right, which said survey and map, corrected and amended, if any corrections or amendments thereto be made, shall be endorsed with a certificate of said president and managers, or a majority of them, that said survey and map is correct and true according to the best of their skill and understanding, and
the same shall be filed with the clerk of the county where such lands are situate, and the same so filed shall be final and conclusive against all parties concerned, and shall be the basis upon which all assessments of taxes for the purposes of this act shall be made.

5. And be it enacted, That it shall and may be lawful for any said company formed in pursuance of this act, to construct in and across any stream of water that may flow through their said lands, at the most convenient points thereupon, above any established wharf or landing and above where navigation for sailing and other vessels engaged in the transportation of passengers, goods, wares, and merchandise at ordinary high water ceases, or may be obstructed, otherwise than by any such dam or bank, good and sufficient banks, dams, sluices, flood gates or pipes, or any or either of them with the necessary foundations and abutments, and to do all necessary work in and about the construction of the same that will the more effectually exclude the tide from such land, and after the same are constructed to maintain and keep in suitable and proper repair; and for the purpose of making and constructing such bank or dam, to take and use any earth, mud, sod or other materials in any part of said lands, the most convenient thereto, and to have free ingress and egress for themselves, their employees and teams through any part thereof, doing no unnecessary damage to the owners thereof; and if any unnecessary damage should be done to any of said owners, such damage should be assessed by three disinterested persons mutually chosen by such aggrieved owner and the managers of said company, and the decision of any two of such arbitrators shall be final, and the amount of damages so assessed shall be paid by the said company forthwith.

6. And be it enacted, That on and after such map shall have been filed as aforesaid then the president and managers of any such company, or a majority of them, shall have full power and authority to select the location and to construct any such dam or other water works in such way and of such materials and of such character and dimensions as they may think necessary and proper to carry into full effect this act, and to assess the owners of the lands included in said company rateably according
244 GENERAL PUBLIC LAWS.

to the number of acres thereof severally held by them, in such sum or sums of money as shall be necessary for the erection of the said banks, dams, and other water works, and from year to year so to assess such sum or sums of money as they may deem necessary to be raised for repairing and maintaining the said banks, dams, and other water works, and for redeeming and cancelling the bonds of such company and for paying off and discharging the interest due thereon; they shall determine the time or times of payment of such assessments, and shall make out and deliver a specific duplicate in writing thereof to the treasurer of the company forty days before the time or times of payment appointed therein; and the said duplicate, or a copy thereof, duly certified by said treasurer, shall be by him immediately filed in the clerk's office of the county wherein said lands are situate, and the same so filed shall be sufficient notice of the lien upon said lands, and a full receipt for any such assessment given by such treasurer to any such owner, or a duplicate copy thereof filed in such clerk's office, shall be notice of the release of the lien of the assessment so receipted for.

7. And be it enacted, That if any of said owners shall neglect or refuse to pay the sum or sums on them severally assessed from time to time, for the space of thirty days after the same shall have been demanded by the treasurer, in person or by notice in writing left at the usual place of abode of each owner, or in case such owner is a non-resident, then to his agent or tenant in possession, then it shall and may be lawful for the said managers, or a majority of them, at their option, in the name of the company, to sue for and recover the amount so assessed and remaining unpaid, from the owner or owners as aforesaid, or from his, her or their legal representative, with interest and cost of suit by an action of debt in any court of competent jurisdiction in this state, and give the said assessment and this act in as conclusive evidence for the plaintiffs, and the said court is hereby empowered to give judgment and grant execution for the same with costs of suit.

8. And be it enacted, That all assessments which shall be assessed by any company formed in pursuance of this
act, upon any lands included in said company, and shall remain a lien thereon from the time of filing of such assessment as aforesaid, until paid or otherwise satisfied; notwithstanding any subsequent descent, demise, alienation, mortgage or other incumbrance thereof; and if the full amount of any such assessment shall not be paid and satisfied within the time limited and appointed for the payment thereof, it shall and may be lawful for the managers of any such company, or the majority of them, to cause the said lands, or such parts thereof as they shall think proper, to be sold at public auction for the shortest term which any person will agree to take the same and pay such assessment or the balance thereof remaining unpaid, with interest thereon, and all costs, charges and expenses, including costs of advertising, selling and executing the deeds; and to make and execute under the seal of the company and deliver to the purchaser a deed for the same, and such purchaser, his, her or their legal representatives, shall by virtue thereof lawfully hold and enjoy the said lands for his, her or their own use, against the owner or owners thereof, and all persons claiming under him, them or any of them, until his, her or their term therein shall be completed and ended; and shall be at liberty at or before the end of his, her or their term to remove any building or buildings and materials erected and placed thereon by him, her or them, and when said term shall have been ended, shall peaceably and quietly yield up the said lands to the legal owner or owners thereof, in as good condition as when he, she or they took possession of the same, damage resulting from ordinary use and the elements excepted.

9. And be it enacted, That before making any sale by virtue of this act, it shall be the duty of such managers, or a majority of them, to give notice of the time and place of said sale by advertisement signed by themselves and inserted in one or more newspapers printed and published nearest to the place in the county in which said lands are situate for at least sixty days, once in each week, before the time appointed for such sale, and also set up, for the same period, in at least ten of the most public places in the township wherein said lands may lie, which advertise-
ment shall mention a short description, with metes and bounds, of said lands, the amount of the assessment due, and the owner or reputed owner's name and the said lands so sold may be redeemed by the owner or owners thereof, or by the mortgagee or mortgagees thereof, within two years from the day of sale, on the payment of the purchase money with interest thereon, and all expenses and charges necessarily incurred thereon by the purchaser or purchasers aforesaid, and in case the same shall be redeemed as hereinbefore provided for by the mortgagee or mortgagees, or, if the said mortgagee or mortgagees shall have paid any assessment with interest and costs thereon to prevent the said lands from being sold, to pay the same, then in that case the whole amount of payment shall be recovered under and by virtue of the mortgage which the said mortgagee or mortgagees may hold upon said lands in the same manner in all respects as if the same were included in and intended to be secured thereby, and any mistake in the name or names of the owner or owners, or omission to name the real owner of any said lands making any such assessment, shall not invalidate the said assessment or the sale of said lands as aforesaid, and it shall be lawful for the tenant in possession of said lands upon which any such assessment may be a lien, to pay the same, if not paid within the time limited, and the receipt of the treasurer of said company therefor shall be a receipt of the tenant for so much rent paid.

10. And be it enacted, That as soon as such dam or other water works are constructed as is provided for in this act, it shall be the duty of each and every owner and occupier of the said meadow and low lands included in any said company to cause his, her or their respective portion or shares thereof to be thoroughly and effectually drained as is in the judgment of the managers, or of a majority of them deemed necessary to secure the improvement of the said meadow and low lands, contemplated by the provisions of this act, and in case of default of the performance on the part of the said owners or occupiers to drain the same and to keep the same drained as aforesaid, after twenty days' notice, in writing, signed by the president and served upon the owner, his
tenant or agent, it shall be lawful for the said managers, or a majority of them, to cause the same to be done, and all costs and expenses for doing the same, shall be assessed upon the premises so drained, and shall be a lien thereon, and shall be collected as is provided in this act for the collection of other assessments.

11. And be it enacted, That it shall and may be lawful for the president and managers of any company formed in pursuance of this act, and they are hereby empowered to borrow any sum or sums of money for the erection and construction, maintaining and repairing of such dams, banks, and other water works, as the said company may from time to time order and direct, and may issue bonds of said company therefor, and for the security of the payment thereof, all the lands included in any said company shall be a pledge for the payment of its respective share, in whose lands the same may come.

12. And be it enacted, That this act shall not apply to or affect any stream or body of water (or any meadow, marsh, swamp or low land through which the same may flow or in which the same may be) bordering upon which or lying adjacent to which there shall be more than two hundred acres of meadow, marsh, swamp or low land; that the legislature may at any time, alter, amend or repeal the charter of any company created under this act.

13. And be it enacted, That this act shall take effect immediately.

Approved March 11, 1880.

CHAPTER CLXVII.

An Act concerning past due assessments in certain cities of this state.
WHEREAS, In certain cities of this state, many of the benefit assessments for local improvements heretofore made by commissioners against the owners of lands and real estate claimed to have been specially benefited thereby, were laid upon illegal and erroneous principles and without regard to the peculiar benefit derived by reasons thereof as required by law, which assessments were intended to be legal and valid liens on such lands and real estate; and whereas, collections thereof cannot be enforced by the corporate authorities of such cities, but such assessments are liable to be vacated by the courts; and whereas, in many instances, the owner or owners of such property are willing and desirous to free the same from the pretended lien thereof, and to pay an amount equal to the peculiar benefit derived, and it is to the mutual advantage of all parties in interest that such assessments should be so equitably settled; therefore,

1. PROCLAMATION.
PROCLAMATION

BY

GEORGE B. McCLELLAN, GOVERNOR OF NEW JERSEY.

PROCLAMATION BY THE GOVERNOR.

If even when war and pestilence prevail we have ample cause to render thanks to the Almighty for His goodness, so much more reason have we now, when He has brought back prosperity to our land; when He has again blessed the farmer with abundant harvests; when He has restored activity to trade and manufactures, given work to the laboring men, in whose homes privation and want so long prevailed; when He has restrained the pestilence; when He has given us peace, health and prosperity.

For these good reasons, and in accordance with the established custom of the State, I, George B. McClellan, Governor of the State of New Jersey, do hereby designate Thursday, the twenty-seventh day of November, instant, as a day of public thanksgiving and praise throughout this State, when we may render thanks to Almighty God for His abundant benefits to us, and humbly beseech Him for a continuance of His blessings.
not according to our deserts, but in the superabundant measure of His mercy and loving kindness.

Given under my hand and seal, at the Executive Chamber, in the city of Trenton, this eighteenth day of November, in the year of our Lord one thousand eight hundred and seventy-nine, and of the Independence of the United States the one hundred and fourth.

Geo. B. McClellan.

Attest:

John A. Hall,
Private Secretary.

Whereas, A portion of the territory of the township of Maurice River, in the county of Cumberland, was ceded to the Upper township, in the county of Cape May, upon the condition expressed in the act itself, that the said Upper township should assume a proportion of the bonded indebtedness of the township of Maurice River, from which the said territory was taken; and whereas, the fourth section of the act to which this is a supplement, which was intended to provide for the proper apportionment of said indebtedness, failed to designate, among other things, how the same should be paid, and has proved to be insufficient for the purpose intended; therefore, to remedy said defect,

3. And be it enacted, That the amounts of said bonds shall be added and levied and assessed in that portion of said Maurice River township set off into the Upper township, in the county of Cape May, each and every year as aforesaid until this proportion shall have been paid, and the assessor of said Upper township is hereby authorized and required to assess the amount necessary to pay said bonds at the same time that the assessment for other taxes is made, and the collector of said township is hereby authorized and required to collect the same and pay the bonds given by said Upper township.
SESSION OF 1880.

4. And be it enacted, That the commissioners appointed by this act shall have full power and are hereby authorized to call on and receive from the officers of Maurice River township, all books and papers relating to said bonded indebtedness.

5. And be it enacted, That the township of Maurice River, in the county of Cumberland, and the portion of said Maurice River township set off into Upper township, in the county of Cape May, shall pay their proportional part of the expenses that have been, or may hereafter be incurred in the settlement between said townships, at such rates per diem as the respective township committees receive for their services, including their necessary traveling expenses, and so forth.
