

Trusted Partners Building Businesses for the Long-Term

Lindsay Goldberg is a relationship-driven investment firm that focuses on partnering with families, founders, and management teams.

Lindsay Goldberg's mission is to be the premier partner for families, founders, and management teams. Our firm's relationship-driven approach is supported by our global network of affiliate partners and a passion for collaborative business building. We seek to be the firm families and founders want as the home for the company they have spent their lives building.
