## OVER-THE-COUNTER PERMITS

### I. STREAM ENCROACHMENT (609) - 292 - 4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625.

### II. WATERFRONT DEVELOPMENT (609) - 292 - 0060

DEP has a one-day processing service for minor waterfront development projects. This over-the-counter service applies to waterfront construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact: Waterfront Development, P.O. Box 1889, Trenton, NJ 08625.

### III. SEWER EXTENSIONS (609) - 292 - 3846

DEP has a one-day processing service for "minor" sewer extension projects. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, siphons, gallorage transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer ban, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. For further information contact Division of Water Resources, P.O. Box CN029, Trenton, NJ 08625.

## MASTER PERMIT INFORMATION APPLICATION

DEP has developed a Master Permit Information Application which, upon completion, will indicate all the DEP permits required for the project. Forms may be obtained by contacting the Office of Business Advocacy (See inside cover for details).

December 31--CAFRA PERMIT APPROVED FOR DWELLINGS--DEP approved a Coastal Area Facility Review Act (CAFRA) permit application for a 54-unit subdivision, to be known as Blackman's Mews, in Egg Harbor Township, Atlantic County.

\* \* \*

December 31--WASTE CONTROL REGULATIONS ADOPTED--Jerry Fitzgerald English, Commissioner of the Department of Environmental Protection, adopted regulations designed to alter existing solid waste transportation and disposal patterns. The rules, proposed in early December, require counties to reach agreements with one another and with the Hackensack Meadowlands Development Commission. The net result will be a reduction in the estimated 8,000 tons of refuse dumped everyday in the Hackensack Meadowlands District. The new regulations represent the first time the State has exercised its power to direct the transportation of waste.

\* \* \*

December 31--HUDSON RIVER WATERFRONT COMMITTEE MEETINGS: JANUARY 3 and 7--The Governor's Hudson River Waterfront Study, Planning and Development Commission scheduled meetings (open to the public) of its Environmental Resources, Recreation and Executive Committees for January 3 and 7 in Jersey City to discuss their recommendations for the future of the Hudson River waterfront.

\* \* \*

December 31--YEAR OF THE COAST DECLARED BY GOVERNOR--Governor Byrne joined President Carter's national recognition of coastal resources by designating 1980 to be the Year of the Coast in New Jersey. The Governor's proclamation extolled the State's extensive and varied coastline as "a major recreational resource for the entire northeastern United States." He said, "New Jersey's coastline is a major source of jobs, making tourism the second largest industry in the State..." DEP Commissioner English explained that in New Jersey, the interpretation of this national celebration is purposely being left to participating groups and individuals.

\* \* \*

January 2, 1980--PESTICIDE APPLICATOR RECIPROCAL AGREEMENTS SIGNED--Commissioner English announced that DEP has completed reciprocal agreements in the pesticide applicator licensing field with the Departments of Agriculture in Pennsylvania, Delaware and South Carolina. A similar agreement exists with New York State. Applications for reciprocally issued licenses can be made through DEP's Office of Pesticide Control at 609-984-4157.

\* \* \*

January 2--FINES ASSESSED FOR ILLEGAL HAZARDOUS WASTE STORAGE--DEP levied fines totaling \$10,000 on four New Jersey firms for handling hazardous wastes without the necessary State permits. George Tyler, Director of DEP's Division of Environmental Quality, said Coastal Services Inc. of Paulsboro and Browning-Ferris Industries of Pedricktown were each fined \$3,000; and William James and Sons, Inc. of Camden and Stepan Chemical Company of Fieldsboro were each fined \$2,000.

\* \* \*

(more)

January 3--DEP TO CATALOG LIST OF HAZARDOUS WASTE SITES--Commissioner English released a list of alleged and known sites used to dispose of chemical and hazardous wastes. The Commissioner stated the release of this preliminary list is part of DEP's effort to locate, investigate, and abate any problems associated with these sites. The list was compiled from three sources--1) a study by DEP's Toxic Substances Investigations Unit, 2) a survey of the chemical industry carried out by Congressman Eckhardt's subcommittee of the House Committee on Interstate and Foreign Commerce, and 3) a survey of county officials by Senator Bill Bradley's office.

\* \* \*

January 3--SAHARA HOTEL-CASINO PERMIT APPROVED--DEP has conditionally approved a CAFRA permit for the construction of the 506-room Sahara Hotel-Casino to be located in the Boardwalk Resort Commercial District at Albany Avenue in Atlantic City. This is the ninth hotel-casino to receive a Coastal Area Facility Review Act (CAFRA) permit, according to David N. Kinsey, Acting Director, Division of Coastal Resources.

\* \* \*

January 3--DEP ISSUES ORDER TO SWISS CHALET, INC.--DEP issued an Administrative Order to Swiss Chalet, Inc., a restaurant in Ramsey (Bergen County) for failing to correct deficiencies at its sewage treatment plant and to submit required reports to DEP. The firm was assessed a penalty of \$1,220 for these violations, and given a time frame for corrective actions.
