## OVER-THE-COUNTER PERMITS

### I. STREAM ENCROACHMENT (609) - 292 - 4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, CN 029, Trenton, N.J. 08625.

### II. WATERFRONT DEVELOPMENT (609) - 292 - 0060

DEP has a one-day processing service for minor waterfront development projects. This over-the-counter service applies to waterfront construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact: Waterfront Development, CN 401, Trenton, N.J. 08625.

### III. SEWER EXTENSIONS (609) - 292 - 3846

DEP has a one-day processing service for "minor" sewer extension projects. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, siphons, gallonage transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer ban, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. For further information contact Division of Water Resources, CN 029, Trenton, N.J. 08625.

## MASTER PERMIT INFORMATION APPLICATION

July 6--FEDS MUST HALT INTERSTATE AIR POLLUTION, SAYS NEW JERSEY--Attacking the notion that "we should experiment with our lungs and lakes rather than risk any excess cost to industry," Deputy Attorney General Richard Hluchan told a U.S. Senate committee chairman that the Department of Environmental Protection (DEP) supports a firm federal policy to control interstate air pollution. Hluchan testified June 30 in Randolph, Vermont, before Senator Robert Stafford, Chairman of the Committee on Environment and Public Works. **PUBLIC NOTICE****NOTICE: REVISED CERTIFICATION OF NPDES PERMIT**

Notice is hereby given that the New Jersey Department of Environmental Protection (NJDEP) has found the Bayshore Regional Sewerage Authority in Union Beach, Monmouth County, New Jersey in violation of the conditions of its National Pollutant Discharge Elimination System permit number NJ0024704 effective September 30, 1980 to discharge treated sewage effluent into the Monmouth County Bayshore Outfall which conveys said effluent to the Atlantic Ocean. Notice is also given that DEP will no longer issue sewer extension approvals to anyone who proposes to construct and/or operate a sewer extension that would contribute wastewater to the Bayshore system.

This revised certification and sewer extension prohibition is based on the administrative record which is on file at the office of the NJDEP, Division of Water Resources, located at 1474 Prospect Street in the Township of Ewing, Mercer County, New Jersey. It is available for inspection, and for a reasonable fee, copied, between 8:30 a.m. and 4:00 p.m., Monday through Friday.

Interested persons may submit written comments on the revised certification and sewer extension prohibition to the Assistant Director, Water Quality Management at the address cited above. All comments shall be submitted within 30 days of the date of this public notice. All comments submitted by interested persons in response to this notice, within the time limit, will be considered by the NJDEP with respect to the new certification and sewer extension prohibition.

Any interested person may request in writing that NJDEP hold a non-adversarial public hearing on the new certification and sewer extension prohibition. This request should be submitted within 30 days to the Assistant Director, Water Quality Management at the address cited above. If a public hearing is held, the public comment period in this notice shall automatically be extended to the close of the public hearing.

Very truly yours,
