**SUBCHAPTER 1. OFFICE OF PUBLIC
INFORMATION**

6:6-1.1 Authority; functions

The Office of Public Information, established within the Office of the Commissioner, coordinates the dissemination

of information concerning the condition, progress and needs of education in the State and the services and activities of the Department. The Office has charge of preparation, publication and circulation of the Department's bulletins, brochures, booklets, newsletters, news releases and various reports, including the Department's annual report to the Legislature, and processes requests for printing from all divisions.
