OVER-THE-COUNTER PERMITS

I. STREAM ENCROACHMENT (609) - 292 - 4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625.

II. RIPARIAN (609) - 292 - 2613

DEP has a one-day processing service for minor Riparian projects. This over-the-counter service applies to waterfront construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact Riparian Lands Management, P.O. Box 1889, Trenton, NJ 08625.

III. SEWER EXTENSIONS (609) - 292 - 3846

DEP has a one-day processing service for "minor" sewer extension projects. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, siphons, gallonage transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer ban, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. For further information contact Division of Water Resources, P.O. Box CN029, Trenton, NJ 08625.

MASTER PERMIT INFORMATION APPLICATION

DEP has developed a Master Permit Information Application which, upon completion, will indicate all the DEP permits required for the project. Forms may be obtained by contacting the Office of Business Advocacy (See inside cover for details).

April 6--SLUDGE PERIL BRINGS STATE OF EMERGENCY--Governor Brendan Byrne declared a state of emergency in New Jersey because of threatened releases of raw sewage into state waters during a strike by tugboat crewmen. Without tugboats, barging of accumulated sludge from treatment plants into the Atlantic Ocean is impossible, threatening to exhaust sludge storage capacity at the plants. The Governor requested Local 333, International Longshoreman's Association, AFL-CIO, to provide emergency tugboat crews to overcome the problem during the strike. On Sunday, April 8, the State filed action in New Jersey Superior Court to require striking crewmen to perform emergency service to tow barges of sludge to sea.

April 6--TRAIL TO REACH ONG'S HAT--The Batona Hiking Club, a volunteer group, will extend the 30-mile Batona Trail for another two miles so that it reaches Ong's Hat in Burlington County. This will provide easy trail access from Pemberton Road, as well as parking space for cars. The trail, which dates from 1961, passes through Lebanon and Wharton State Forests to Batsto Village.

April 6--PINELANDS BOARD GRANTS EXEMPTIONS--The Pinelands Development Review Board granted exemption from temporary construction restrictions in the Pineland's for 17 single-family dwellings, eight subdivisions totaling 276 units, a new Ocean County office building in Stafford Township, Presidential Lakes Community Church in Pemberton, a shopping center in Tabernacle Township, two retail store buildings in Medford Township, and a dog kennel in Barnegat.
