

Destiny P.

What was the hardest/ biggest challenge for you or your family during/ amidst COVID-19?

The hardest challenge that happened in the pandemic was losing my boyfriend to the jail system and also our apartment due to the woman we subleased it from because she was not paying the rent and we were giving her the money.

Who were your allies? Who were you able to lean on?

The only allies I had was myself and I had to lean on myself to get everything I had to do over and done with for me and my unborn child.

Please describe one act of kindness that was done for you.

one act of kindness that was done for was when I first became homeless and I called 211 and they placed me in a shelter and I had no food there or any friends and one older lady brought me a meal and she was homeless herself .
