Governor Christie: We Have To Count On Each Other, To Help Each Other

<http://www.youtube.com/watch?v=3RbmiBDeOIU>

Transcript:

Governor Christie: I want to conclude by addressing what I addressed with Irene inside, privately. She said she was glad I was here in Keansburg today, because she wanted to make sure we haven't forgotten. There is not a chance that we've forgotten and we are going to continue to come back to places like this to give you updates like this, but more importantly, we are just going to continue to work. Work with your mayors; work with your freeholders; work with your legislators; work with all of the different folks involved in trying to make sure that we get folks lives back to normal as quickly as we can. It has not been perfect and it will not be perfect - I can guarantee you of that. But what we also know is that we have to count on each other, to help each other. And I can tell you that the single largest reason why I ran for reelection was to finish this job.
