MEDICAID COMMUNICATION NO. 98-12 **DATE:** May 4, 1998

TO: County Welfare Agency Directors

SUBJECT: Postcard Notification of Receipt of NJ KidCare Application

Attached is a postcard that the Division developed to be used to notify applicants or their authorized representatives that a mail-in NJ KidCare application was received at your agency. Your agency should have received a supply of 500 of these postcards.

Please use the spaces provided on the postcard to advise of the date the application was received in your agency and to identify that your agency will be processing the application. Please list on the postcard a contact person at your agency and his/her telephone number for the applicant or authorized representative to call if there are any questions regarding their application or the program. Hopefully, this will help to eliminate telephone calls to the KidCare toll-free hotline concerning applicants whose cases are pending at your agency.

If you need an additional supply of NJ KidCare postcards, it can be obtained by forwarding a **written** request to:

General Services
Division of Medical Assistance and Health Services
Mail Code #27

Questions concerning this Communication should be referred to the Medicaid District Office field service staff assigned to your county.
