RELEASE: July 13, 1999

Gov. Christie Whitman tomorrow will sign legislation appropriating more than \$14 million for clean water projects throughout the state. The Governor will also help "christen" a riverway cleaning vessel that will be used by the Passaic Valley Sewerage Commission to monitor the quality of water and keep it free of pollutants.

Sewer projects will be funded for the following government units: Rahway, Perth Amboy, Camden, Camden County Municipal Utility Authority, Ridgefield Park Village, North Hudson Sewerage Authority, Kearny, Cliffside Park, East Newark, Paterson, Bayonne, Paterson, Edgewater.
