NEW BUSINESS:

DEPARTMENT OF TRANSPORTATION REQUESTS:

2. Project: Approval of Outdoor Advertising Waiver #77110, Route 600, Woodbridge Township, Middlesex County

Requesting Party: The NJDOT, on behalf of Woodbridge Township, requests a waiver from outdoor advertising regulations to allow the issuance of a multi-message outdoor advertising permit for an off-premise sign. The sign would be installed along New Jersey Route 600 at milepost 90.63, on property owned by the Township of Woodbridge, from another point of highway widening in the southbound direction. In the northbound direction, the sign is located within an intersection.

A waiver is required because the location of the sign did not meet the following DOT regulatory requirement: N.J.A.C. 16:41C-8.1(d)(2) which provides that no sign shall be located within 500 feet of an interchange, where it would be within 500 feet of the beginning or ending of pavement widening, within 500 feet of the point of gore, or any point between those features where the pavement is widened.

Terms: NJDOT intends to grant the waiver for this two-sided sign, subject to the approval of the State House Commission, and has determined that the sign has a demonstrated a) public benefit; b) need for the sign; c) assurance of highway safety; and d) lack of conflict with federal regulations and the 1971 Federal Agreement for granting of a waiver for multi-message signs. The sign will be installed, function, and be maintained at no cost to the public. In addition, the sign will be subject to the following conditions:

1. A post construction traffic safety analysis shall be completed.
2. Conformance with all other pertinent outdoor advertising regulations is required.
3. Emergency notices shall conform to established protocols.
4. The sign will not be visible to the Garden State Parkway.
5. This waiver is void if it is determined that any sign violated the 1971 Federal Agreement.
