

There is so much to think about when choosing child care in New Jersey.

Balancing location, cost, quality and just feeling good about the child care provider can make this important decision challenging. New Jersey's child care program under the Department of Human Services, Division of Family Development can provide you with valuable information to help you make that selection. The state's child care program can support you with information about applying for child care assistance, licensing information, a search to find child care and inspection reports and information on what makes a quality program.
