The State School Tax, amounting to two million one hundred and nineteen thousand three hundred and sixty dollars ($2,119,360), has been received and disbursed to the several counties of the State, in accordance with the apportionment of the State Board of Education.

The Agricultural College Fund amounts to one hundred and sixteen thousand dollars ($116,000), formerly invested in New Jersey War bonds, of which amount thirty-one thousand six hundred dollars ($31,600) have matured, been paid and cancelled. Under the provisions of Chapter CCCCXVII, Laws of 1895, a certificate of indebtedness of the State, dated July 1, 1895, for the above amount, drawing interest at the rate of five per cent. per annum, has been issued to the Commissioners of the Agricultural College Fund, and is now held as a part of that fund. Interest on the outstanding bonds, amounting to five thousand nine hundred and ninety-four dollars ($5,994) has been received and disbursed for the maintenance of Rutgers Scientific School.

The following statement shows the amount of money received and disbursed during the past fiscal year of taxes assessed by the State Board of Assessors for the use of taxing districts, under an act for the taxation of railroad and canal property, approved April 10, 1884:

Received,	$400,694 56
Paid Localities,	400,694 56

The United States Appropriation to Agricultural Colleges, amounting to twenty-one thousand dollars ($21,000.00) has been received and disbursed in accordance with an act of the Congress of the United States, approved August 30, 1890.

Under an act of the Congress of the United States, entitled "An act to provide aid to State or Territorial homes for the support of disabled

soldiers and sailors of the United States," approved August 27, 1888, the Treasurer of this State has received from the Treasurer of the United States thirty-two thousand nine hundred and fifty-five dollars and twenty-three cents ($32,955.23), and said amount has been paid to the Treasurer of the Home for Disabled Soldiers of New Jersey.

The Board of Trustees for the Support of Public Schools have sold during the year the Garret C. Schenck farm, in Monmouth County, for $8,000—$6,000 in cash and $2,000 on bond and mortgage; the John E. Vanderveer property, near Freehold, for $1,500 cash, and the Amos Clark property, in Union County, for $3,500—$1,750 in cash and $1,750 on bond and mortgage.

By a decree of the Court of Chancery, dated September 24, 1895, two riparian leases made to John L. Brownell, dated April 18, 1874, amounting to $29,524.00, on which no rentals had been paid, were declared forfeited and ordered cancelled. The lands covered by the leases revert to the State. The rentals on several leases are much in arrears and proceedings are now being taken which, it is expected, will result in like action.

The following shows the amount of special railroad deposits received under the provisions of an act approved February 19, 1878, and supplements thereto; also of acts approved April 6 1886, and March 14, 1893, respectively, and the amount refunded during the year.

	$697,984 03
Amount refunded during the year, ...	291,698 00

I again call attention to the two New Jersey registered bonds for one thousand dollars ($1,000) each, payable January 1, 1898, which were left with the State Treasurer in the year 1877 by Miss M. A. Hall, Treasurer of the late Soldiers' Children's Home, which are still in my custody.

Respectfully submitted,

GEO. B. SWAIN,
State Treasurer.
