

Over the next five years, what will be the biggest effect from generative AI on the workforce in New Jersey?

New Jersey's Artificial Intelligence Task Force needs YOUR help to understand how generative AI will impact workers in the Garden State.

Start Voting

How to Participate:

1. You'll be shown two sets of answer choices in response to the question:

Analysis

3. You can vote on as many or as few pairs of statements as you wish – the more, the better!

Your answers will help New Jersey's Artificial Intelligence Task Force to understand residents' greatest hopes and concerns when it comes to the opportunities and challenges posed by advances in AI.

These answer choices were created using AI tools. Human experts have edited the language for clarity and accuracy.
