(b) At any time during an election pursuant to (a) above, if the aggregate amount received from a contributor by a candidate, candidate committee, joint candidates committee, or political committee exceeds the sum of \$300.00, the contribution resulting in aggregate contributions totalling more than \$300.00 and each subsequent contribution (regardless of amount) received from the contributor during the election must be reported on the pertinent election fund report in the same manner as a contribution of more than \$300.00 pursuant to N.J.A.C. 19:25-10.2(a).

(c) A contribution received by a continuing political committee, a political party committee or a legislative leadership committee in an amount of \$300.00 or less in a calendar year must be reported on the quarterly report required by N.J.A.C. 19:25-9.1 for the calendar year quarter in which the contribution was received by including the amount of the contribution in the total sum reported for the quarterly reporting period of all contributions received in the amount of \$300.00 or less, but the name and mailing address of the contributor or the occupation of a contributor who is an individual and name and mailing address of the individual's employer is not required to be reported.

#### 19:25-10.4 Computation of contribution amounts

(a) A contribution received in the form of goods (that is, an in-kind contribution) shall be reported in an amount equal to the fair market value of the goods to the candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee receiving such goods.

(c) Personal services performed by an individual on a voluntary, non-compensated basis do not constitute a reportable contribution.

1. Example 1: E is a certified public accountant, who, in aid of the candidacy of candidate A has undertaken to set up the necessary books and records to reflect the financial operations of the campaign of candidate A. E employs in his office several accountants, bookkeepers and clerical personnel who perform some of the work required to maintain the financial records for the campaign of candidate A. The services of E do not constitute a contribution to candidate A since they are voluntary and uncompensated personal services. The value of the services of the accountants and other employees of E, estimated as described in (b) above, are a contribution to candidate A.

Amended by R.2000 d.322, effective August 7, 2000.

(b) In any written statement required pursuant to (a) above, if the individual performing the services for the candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, also performed other services during the same period for the contributor, and the manner of payment was such that payment for the contributed services cannot readily be segregated from contemporary payment for the other services, the contributor shall so state in the written statement and shall either:

1. Set forth the contributor's best estimate of the dollar amount of payment to each such individual which is attributable to the contribution of the paid personal services, and shall certify the substantial accuracy of the same; or

2. If unable to determine such amount with sufficient accuracy, set forth the total compensation paid by the contributor to each such individual for the period of time during which the paid personal services were performed.

#### 19:25-10.6 Currency contributions

(a) A candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee, or the treasurer or organizational treasurer of such committee, may accept a contribution in the form of currency provided that it is received in an aggregate amount not to exceed \$200.00 in an election, or a calendar year, whichever is applicable to the recipient candidate or committee, and provided the contributor simultaneously submits a written record to the committee or treasurer containing the following:

### 19:25-11.3 Candidate contributions

(a) A candidate may make a contribution as an individual and subject to the limits set forth in this subchapter notwithstanding any contribution made by the candidate's candidate committee or joint candidates committee, provided that the contribution made by the candidate as an individual is not derived from funds controlled by the candidate committee or joint candidates committee.

(b) Notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2 above, a candidate, or a corporation one hundred percent of the stock of which is owned by the candidate, or by the candidate's spouse, child, parent, or sibling residing in the candidate's household, may make contributions without limit to a candidate committee established by that candidate, or to a joint candidates committee established by that candidate.

(c) Notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2 above, a candidate committee can make contributions in an election without limit to another candidate committee if both the contributing and recipient candidate committees are established by candidates who are seeking nomination for election, or election to, legislative offices within the same legislative district, or to the same offices within the same political subdivision of this State.

### 19:25-11.4 Joint candidates committee contribution limits

(a) A joint candidates committee established by candidates who have not established any candidate committees in an election may accept a contribution from a contributor in an amount equal to but not in excess of the sum of the number of candidates participating in the joint candidates committee multiplied by the contribution limit applicable to a contribution made by the contributing entity to a candidate committee of a single candidate.

Example: A joint candidates committee in which three candidates are participating, none of whom have established candidate committees, may receive from an individual a contribution not to exceed \$5,400 in an election, that is three multiplied by the \$1,800 contribution limit applicable to a contribution from an individual to a candidate committee.

(b) A joint candidates committee established by candidates who have not established any candidate committees in an election may make a contribution to a political committee not to exceed \$5,900 per candidate in the election, and may make a contribution to a continuing political committee not to exceed \$5,900 per candidate in a calendar year.

(c) In the event any of the candidates participating in a joint candidates committee also has established a candidate committee in an election, the amount of a contribution that the joint candidates committee may accept from a contributor without violating the contribution limit will be determined by application of the equal attribution requirement set forth in N.J.A.C. 19:25-11.5, Equal attribution requirements.

(d) A joint candidates committee may receive a contribution in an election from another joint candidates committee in an amount equal to \$5,900 multiplied by the number of candidates participating in the contributing joint candidates committee, and that sum may be further multiplied by the number of the candidates participating in the recipient joint candidates committee, provided that the contributing joint candidates committee, and any candidate committee established by any of the participating candidates, have not made any other contributions to the recipient joint candidates committee, or to any candidate committee established by any of the candidates participating in the recipient joint candidates committee.

Example: Joint candidates committee ABC has three candidates participating in it (candidates A, B and C) and wishes to make a contribution to a joint candidates committee DEFG with four candidates participating in it (candidates D, E, F and G.). Neither the joint candidates committee ABC, nor any individual candidate committee established by candidates A, B or C, has made any contributions in the election to the joint candidates committee DEFG, or to any individual candidate committee established or maintained by candidates D, E, F or G. Joint candidates committee ABC may contribute the sum of \$70,800 in the election to joint candidates committee DEFG, that is \$5,900 multiplied by three (that is, the three candidates participating in ABC), for a total of \$17,700, further multiplied by four (that is, the four candidates participating in DEFG) for a total maximum permissible contribution in the election of \$70,800.

(e) In the event that a joint candidates committee makes a contribution to another joint candidates committee as described in (c) above, but there have been one or more contributions by the contributing joint candidates committee, or by a candidate committee established by one of the joint candidates committee's candidates, to one or more candidate committees of a candidate or candidates participating in the recipient joint candidates committee, or to the recipient joint candidates committee, the amount of a contribution that the recipient joint candidates committee may receive cannot, after application of the equal attribution requirement set forth in N.J.A.C. 19:25-11.5, exceed \$5,900 per candidate in the election.

Amended by R.1996 d.582, effective December 16, 1996 (operative January 1, 1997).

See: 28 N.J.R. 4388(b), 28 N.J.R. 5193(b).

Raised contribution limits.

**19:25-11.5 Equal attribution requirements**

(a) A candidate who has established a candidate committee in an election and is also participating in a joint candidates committee in that election may not receive contributions to those committees from a contributor that in the aggregate exceed the applicable contribution limit set forth in N.J.A.C. 19:25-11.2.

(b) Each contribution received in an election by the joint candidates committee of a candidate who has also established a candidate committee in that election must be equally attributed to each of the candidates participating in the joint candidates committee, and the contribution limits in this subchapter must be applied to those participating candidates and to any candidate committee established by any of the participating candidates.

1. Example: The ABC joint candidates committee, consisting of Candidates A, B, and C, receives a contribution from an individual in the amount of \$5,400 in an election. For purposes of applying the contribution limits to the participating candidates and their individual candidate committees, the contribution must be equally attributed to each of the three participating candidates so that each is deemed to have received a contribution in the amount of \$1,800 in the election from the contributor. The sum of \$1,800 is the maximum amount an individual can contribute to a candidate in an election. Therefore, no further contributions can be made by the contributor in the election to the ABC joint candidates committee, or to any candidate committee established in the election by candidates A, B or C.

2. Example: The ABC joint candidates committee receives a contribution of \$300 in an election from a contributor who has contributed \$1,800 in that election to an individual candidate committee established or maintained by candidate A. The sum of \$1,800 is the maximum amount an individual can contribute to a candidate committee in an election. Application of the equal attribution requirement set forth in (a) above would result in the attribution of \$100.00 to Candidate A of the total \$300.00 contribution to joint candidates committee ABC. Since the sum of the amount contributed to the candidate committee of A \$1,800, plus the attribution of \$100.00 of the \$300.00 contribution made to the ABC joint candidates committee, results in a total contribution from the contributor in the election of \$1,900 to Candidate A, the ABC joint candidates committee must refund the \$300.00 contribution to avoid receipt of an excessive contribution, or alternatively the candidate committee of A must refund \$100.00 in order that the total contribution from the contributor in the election does not exceed the \$1,800 per election contribution limit of candidate A.

Amended by R.1996 d.582, effective December 16, 1996 (operative January 1, 1997).

See: 28 N.J.R. 4388(b), 28 N.J.R. 5193(b).

Raised contribution limits.

**19:25-11.6 Public question political committees**

(a) A political committee which is organized to, or does, aid or promote the passage or defeat of a public question in an election, may accept a contribution from a contributor without limit, notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2.

(b) A political committee which is organized to, or does, aid or promote the passage or defeat of a public question in an election, may make contributions without limit to another political committee, or to a continuing political committee.

**19:25-11.7 County political party contribution limits**

(a) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee shall not make a contribution, or aggregate contributions, in excess of \$5,900 in an election to a candidate committee established by a candidate seeking election for an office in another county.

(b) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee shall not make a contribution, or aggregate contributions, in excess of \$5,900 in a calendar year to a municipal political party committee in another county.

(c) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee may make contributions, or aggregate contributions, subject to the following limits:

1. To a candidate for State legislature in a legislative district in which less than 20 percent of the legislative district's population resides in the county of the contributing county political party committee, a contribution not to exceed \$5,900 in the election; and

2. To a candidate for State legislature in a legislative district in which at least 20 percent but less than 40 percent of the legislative district's population resides in the county of the contributing county political party committee, a contribution not to exceed \$30,000 in the election.

Amended by R.1996 d.582, effective December 16, 1996 (operative January 1, 1997).

See: 28 N.J.R. 4388(b), 28 N.J.R. 5193(b).

Raised contribution thresholds and limits.

**19:25-11.8 Return of excessive contributions**

**19:25-12.4 Expenditures made by credit card**

(a) If an expenditure is authorized by a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee to be made by use of or by a charge against a credit card account that was not established in the name of that candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, the person or entity owning the credit card and who is liable for any debt charged against that credit card account shall be deemed to have made a loan to that committee subject to reporting as a loan in the amount charged until such time as the committee reimburses that person or entity for that amount.

5. The amount of the purchase; and
6. The name of the payee, and the number, date and amount of the reimbursement check.

(c) Payment by use of credit card reported pursuant to (a) above shall not be deemed to be in violation of N.J.S.A. 19:44A-11, requiring campaign expenditures to be made through the campaign or organizational treasurer.

Amended by R.2000 d.322, effective August 7, 2000.

#### 19:25-12.10 Allocation

(a) Where an expenditure is made on behalf of two or more candidates, the expenditure must be allocated between or among such candidates in a reasonable manner so as to fairly reflect the relative value to each of the candidates of such expenditure. The initial allocation should be made by the committee or candidates on a reasonable basis, and in advance of the expenditure where possible. All documents and financial records relating to the allocation and the expenditure should be retained:

Example: A municipal political party committee is expending \$100.00 for the purchase of a quantity of bumper stickers containing the slogan "Vote for Candidates A and B." The committee determines that the stickers are of equal value to each of the candidates. Thus, \$50.00 of the expenditure should be allocated to Candidate A and \$50.00 should be allocated to Candidate B. Financial records and a record of the facts on which the allocation is based must be retained.

As amended, R.1984 d.324, effective August 6, 1984.

(e) In considering the criteria set forth in (d) above, two or more corporations shall be conclusively deemed to be affiliated if:

1. Any individual, corporation, partnership, company, association, or other entity owns, directly or indirectly, more than a 30 percent interest in each of such corporations; or

(f) Contributions by minors shall be attributed to the legal guardian(s) of the minor for the purposes of N.J.A.C. 19:25-15.6, and not to the minor unless:

1. The minor is 14 years or older;

2. The contribution is made from funds comprised of the minor's earned income as defined in N.J.A.C. 19:25-1.7; and

The check will not be attributed equally or otherwise to other joint owners of the account, unless the check or other accompanying written instrument contains the signature of each contributing owner and information identifying the amount of contribution of each such owner. In the absence of specific instructions to the contrary, the contribution will be allocated equally among all owners whose signatures appear on the instrument. Contributions from a joint checking account by one owner of the account may not be attributed to other owners of the account.

(b) In the case of a check drawn on an escrow or trust account, the contribution will be that of the person who is the beneficial owner of the account, and the check or other accompanying written instrument must bear the signature of such beneficial owner.

A contribution received by a campaign treasurer and made by means of a check or written instrument drawn on a partnership account shall be signed by a partner or partners and shall be deemed to be a contribution from the partner or partners who signed the check or written instrument by which the contribution was conveyed, or in the case of a contribution of currency, the partner who has conveyed the currency. 2. Any similar association of two or more persons to carry on as co-owners a business for profit including, but not limited to, joint ventures, general partnerships, limited liability partnerships and limited partnerships organized or governed by corresponding laws of any other jurisdiction.

A contribution received by a campaign treasurer drawn upon a limited liability company account and made by means of a check or written instrument drawn on the account of a limited liability company shall be signed by a member or members and shall be deemed to be a contribution from the member or members who signed the check or written instrument by which the contribution was conveyed or, in the case of the contribution of currency, the member who has conveyed the currency. If it is the intent of the contributor that any portion of a contribution received from a limited liability company account is to be attributed or allocated to a member or members who have not signed the check or written instrument, or in the case of a currency contribution, if the currency was conveyed by an individual who is not a member, the following written information must be received and maintained by the campaign treasurer and accompany the check or written instrument being submitted for match pursuant to N.J.A.C. 19:25-15.17:

1. The communication makes a reference to the gubernatorial candidate in an audio, visual, printed, or electronic format which reference names, depicts, pictures, characterizes, represents, dramatizes, or in any written, spoken, visual, or electronic manner represents a gubernatorial candidate or opponent; and

2. The gubernatorial candidate or his or her campaign committee has consented to, authorized, or exercised control over the production or circulation of the communication.

(e) A gubernatorial candidate determining the value to his or her candidacy of a coordinated communication pursuant to (d) above shall establish that value to the nearest five percent of the total cost of preparation and circulation. In no case shall the value be determined to be less than five percent of total cost.

1. The reference consists of the name or picture of the gubernatorial candidate in equal or less than equal prominence to the prominence given the names or pictures of non-gubernatorial candidates;

### 19:25-15.30 Borrowing of funds; repayment

Any candidate, the candidate's campaign treasurer or deputy campaign treasurer may borrow funds from any national or State bank, provided that no person, candidate committee, joint candidates committee, political committee, continuing political committee, or legislative leadership committee other than the candidate or the State committee may in any way endorse or guarantee such loan in the aggregate in excess of the \$2,100 contribution limit. Except for a non-participating candidate guaranteeing a loan to his or her campaign, the amount so borrowed shall not at any one time in the aggregate exceed \$50,000 and must be repaid in full by such candidate or his or her campaign treasurer or deputy campaign treasurer from moneys accepted or allocated pursuant to N.J.S.A. 19:44A-29 not later than 20 days prior to the general election. Certification of such repayment shall be made by the borrower to the Commission not later than 15 days prior to the date of the general election. In the event of the failure of the borrower to repay timely the full amount of the loan or to certify properly such repayment to the Commission, all payment of public funds to such candidate shall promptly cease and the Commission shall take action as directed by the act to prohibit the expenditure by the candidate of moneys received from the fund and any other moneys received by him or her in aid of his or her candidacy in such general election.

See: 28 N.J.R. 4395(b), 28 N.J.R. 5199(a).

Raised contribution limits and added references to candidate committee, joint candidates committee and legislative leadership committee.

### 19:25-15.31 Computation of value of goods and services

(a) Goods and services shall, for purposes of the reports required to be filed under the act and for purposes of the expenditure limitation contained in N.J.S.A. 19:44A-7 where applicable, be valued by the reasonable commercial value of such goods and services to the candidate, whether or not the cost or value of such goods or services to the contributor or other provider of those services is higher or lower than such reasonable commercial value.

Example 1: Candidate Y, a candidate for the office of Governor who has chosen to accept public funding, obtains the use of a helicopter for travel of the candidate for campaign purposes. By agreement with the owner of the helicopter, the campaign committee for the candidate will pay \$400.00 per hour, which represents the cost to the owner of the maintenance and operation of the helicopter. The reasonable commercial value of the use of the helicopter is \$700.00 per hour. In this example, the amount of \$400.00 per hour paid by the campaign committee of the candidate to the owner for use of the helicopter is not includable as an expenditure for purposes of the expenditure limitations contained in N.J.S.A. 19:44A-7. The difference between the \$400.00 per hour actually paid for use of the helicopter and the reasonable commercial value normally charged by the owner for the use of the helicopter, represents a contribution from the owner of the helicopter to the candidate in the amount of \$300.00 per hour. The candidate could obtain the use of the helicopter under this arrangement from a lawful contributor for campaign purposes for not more than seven hours. If the candidate obtained the use of the helicopter for eight hours under this arrangement, the owner of the helicopter would have made an unlawful contribution to the candidacy of the candidate, since the aggregate of the contributions (\$2,400) from that contributor in this instance would have exceeded \$2,100.

Example 2: Candidate Y in example 1, wishes to obtain the use of the helicopter from the owner for 15 hours, and the campaign committee for the candidate pays to the owner the reasonable commercial value of \$700.00 for each hour, or a total of \$10,500. The amount paid to the owner is not an expenditure within the expenditure limitation contained in N.J.S.A. 19:44A-7. On these facts the owner has made no contribution to the candidate.

In Example 1 and Example 2, the total amounts of expenditures, including expenditures not subject to the expenditure limitation of N.J.S.A. 19:44A-7, must be reported in the preelection and postelection reports filed on behalf of the candidate.

(b) The costs of a political communication as defined in N.J.A.C. 19:25-10.10 which aids or promotes a candidate for Governor, and is undertaken, made or circulated with the cooperation or consent of the candidate, shall be reported by the candidate in the same manner as the receipt of any goods and services, and shall be valued for the purposes of the contribution limit in N.J.A.C. 19:25-15.6 and the expenditure limit in N.J.A.C. 19:25-15.11(a)3 in the same manner as any other contributed goods or services.

Amended by R.1984 d.561, effective December 17, 1984.

### 19:25-15.32 Establishment of State committee account; contribution limit

(a) A State committee may establish a State committee account in a national or State bank, authorized to do business in the State of New Jersey, in behalf of any candidate for election to the office of Governor in a general election.

(b) Upon or after establishment of a State committee account by a State committee, such State committee may allocate and deposit certain contributions received by it in such account. Only a contribution of up to \$2,100, or up to \$2,100 of a contribution in excess of \$2,100 may be so deposited, and only if such deposit does not result in the contributor exceeding a contribution of \$2,100 in the aggregate to such or on behalf of such candidate.

(c) Notwithstanding any provision of this section, any contribution allocated and deposited in a State committee account must be of moneys or other things of value pledged to or received by such State committee in a calendar year in which the gubernatorial election being funded is held.

(d) Any deposit in a State committee account must be from contributions eligible for match, except that proceeds of a loan to the State committee made pursuant to N.J.S.A. 19:44A-44 may be deposited.

Amended by R.1989 d.341, effective June 5, 1989.

#### 19:25-16.2 Definitions; generally

The words and terms used in this subchapter are used as defined in this subchapter or in N.J.A.C. 19:25-1.7.

"Contribution" is used as defined in N.J.A.C. 19:25-1.7 and includes loans, except that a loan in the ordinary course of business by a bank pursuant to section 15 of P.L. 1980, c.74 (N.J.S.A. 19:44A-44) is not a contribution by that bank.

"Contribution eligible for match" means contributions from one contributor to be matched from public funds on a two-for-one basis. No contribution which must be or is intended by the contributor or the recipient to be refunded or repaid at any time, no loan obtained pursuant to N.J.S.A. 19:44A-44, no amount of the candidate's own funds in the aggregate in excess of \$2,100, no in-kind contribution and no other moneys received by the candidate, his or her campaign treasurer, or deputy campaign treasurer, except those contributions described in N.J.S.A. 19:44A-29(a), shall be deemed contributions eligible for match.

"Debate sponsor" means the organization or organizations to which the Commission has delegated the responsibility for conducting one or more of the televised interactive primary election debates.

"Depository bank account" means the campaign bank account designated by a candidate pursuant to N.J.S.A. 19:44A-9 for the deposit pursuant to N.J.S.A. 19:44A-12 of funds received by the campaign treasurer.

The statement of agreement shall include an acknowledgment of notice to the candidate who signs it that failure on that candidate's part to participate in any of the gubernatorial primary election debates may be cause for termination of the payment of such monies on the candidate's behalf and for the imposition of liability for the return to the Commission of such monies as may previously have been so paid.

(a) No person, other than a candidate contributing his or her own funds to his or her campaign, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee shall make any contribution to any candidate, the candidate's campaign treasurer or deputy campaign treasurer, or to any other person or committee, in aid of the candidacy of or in behalf of a candidate, whether or not participating in public funding, for nomination for election to the office of Governor in a primary election, in the aggregate in excess of \$2,100. Any such contribution in excess of \$2,100 must be returned to the contributor, pursuant to the requirements of N.J.A.C. 19:25-11.8, and evi-

dence of the repayment shall be submitted to the Commission.

(b) A joint candidates committee established by candidates who have not established any candidate committees in an election may make a contribution to a candidate for nomination for election to the office of Governor in an amount not to exceed the sum of the number of candidates participating in the joint candidates committee multiplied by \$2,100. If a candidate has established both a candidate committee and a joint candidates committee in an election, the total amount which may be contributed by that candidate's joint candidates committee and candidate committee to a candidate for nomination for election to the office of Governor may not exceed \$2,100 per candidate participating in the joint candidates committee.

Whether such corporation, association or labor organization is related or affiliated shall depend on the circumstances existing at the time of such contribution, including, but not by way of limitation, the degree of control or common ownership with related or affiliated corporations, associations or labor organizations, the source and control of funds used for such contribution and the degree to which the decisions whether to contribute, to what candidate and in what amount are independent decisions.

(e) In considering the criteria set forth in (d) above, two or more corporations shall be conclusively deemed to be affiliated if:

1. Any individual, corporation, partnership, company, association, or other entity owns, directly or indirectly, more than a 30 percent interest in each of such corporations; or
2. One such corporation owns, directly or indirectly, more than a 30 percent interest in the other such corporation.

(f) Contributions by minors shall be attributed to the legal guardian(s) of the minor for the purposes of N.J.A.C. 19:25-16.6, and not to the minor unless:

1. The minor is 14 years or older;
2. The contribution is made from funds comprised of the minor's earned income as defined in N.J.A.C. 19:25-1.7; and

3. Sworn statements made by the minor and by the minor's legal guardian(s) are submitted with the contribution which state that the decision to contribute was solely that of the minor and that the funds used to make the contribution were comprised solely of the minor's earned income.

(g) For the purposes of (f) above, if the minor has more than one legal guardian, the contribution shall be attributed equally to each legal guardian of the minor.

### 19:25-16.11 Contributions eligible for match

(a) To be eligible for matching with public funds for a gubernatorial primary election, a contribution must have been received by a candidate at a time when that candidate was seeking or had sought nomination for election for the office of Governor, or must have been received by the candidate for the purpose of determining whether or not to become a candidate for nomination for election to the office of Governor. Any funds received prior to the inception of such a candidacy shall not be eligible for match.

(b) Only contributions in cash or by check, money order or negotiable instruments shall be contributions eligible for match. Loans shall not be eligible for match. In-kind contributions shall not be eligible for match, but will count toward the individual contribution limit of \$2,100 and the overall expenditure limit contained in N.J.S.A. 19:44A-7 except for expenses not subject to expenditure limits pursuant to N.J.A.C. 19:25-16.27. The total of all contributions eligible for match from any person, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee shall not exceed \$2,100 in the aggregate.

(c) A maximum of \$2,100 in the aggregate of a candidate's own funds may be deposited in the matching fund account.

(d) Every contribution eligible for match must be accompanied by a written statement which shall identify the individual making the contribution by full name and full mailing address (number, street, city, state, zip code), the name of the candidate, the amount and date of receipt of the contribution, and shall bear the signature of the contributor. The requirement of such written statement will be deemed to be satisfied in the case where a contribution is made by means of a check, money order or other negotiable instrument payable on demand and to the order of, or specially endorsed without qualification to, the candidate or to his or her campaign committee, if such check, money order or instrument contains all of the foregoing information.

(e) A contribution received from a contributing member of a political committee or continuing political committee which has made a prior contribution to the candidate shall be eligible for matching funds, provided that the political committee is a bona fide political entity which was not created to circumvent the contribution limit contained in the act.

#### 19:25-16.13 Contributions eligible for match; checks and instruments; partnership contributions prohibited; contributions by electronic transfer or funds

(a) In the case of a check drawn on a joint checking account, the contributor shall be deemed to be the owner whose signature appears on the check. The check will not be attributed equally or otherwise to other joint owners of the account, unless the check or other accompanying written instrument contains the signature of each contributing owner and information identifying the amount of contribution of each such owner. In the absence of specific instructions to the contrary, the contribution will be allocated equally among all owners whose signatures appear on the instrument.

(b) In the case of a check drawn on an escrow or trust account, the contribution will be that of the person who is the beneficial owner of the account, and the check or other accompanying written instrument must bear the signature of such beneficial owner.

(c) A partnership as defined in (d) below shall not be permitted to make contributions as an entity. A contribution received by a campaign treasurer and made by means of a check or written instrument drawn on a partnership account shall be signed by a partner or partners and shall be deemed to be a contribution from the partner or partners who signed the check or written instrument by which the contribution was conveyed, or in the case of a contribution of currency, the partner who has conveyed the currency. If the check or written instrument is drawn on a partnership account and is signed by an individual other than a partner, or if it is the intent of the contributor that any portion of the contribution received from a partnership account is to be attributed or allocated to a partner or partners who have not signed the check or written instrument, or in the case of a currency contribution if the currency contribution was conveyed by an individual who is not a partner, the following written information must be received and maintained by the campaign treasurer and accompany the check or written instrument being submitted for match pursuant to N.J.A.C. 19:25-16.18:

A contribution received by a campaign treasurer drawn upon a limited liability company account and made by means of a check or written instrument drawn on the account of a limited liability company shall be signed by a member or members and shall be deemed to be a contribution from the member or members who signed the check or written instrument by which the contribution was conveyed or, in the case of the contribution of currency, the member who has conveyed the currency. If it is the intent of the contributor that any portion of a contribution received from a limited liability company account is to be attributed or allocated to a member or members who have not signed the check or written instrument, or in the case of a currency contribution, if the currency was conveyed by an individual who is not a member, the following written information must be received and maintained by the campaign treasurer and accompany the check or written instrument being submitted for match pursuant to N.J.A.C. 19:25-16.18:
