ABOUT THE WEEKLY BULLETIN

The DEP WEEKLY BULLETIN is an informational service provided free of charge by the N.J. Department of Environmental Protection. It contains a complete list of construction permit applications filed with or acted upon by D.E.P. Interested persons will thus be able to determine the status of applications dealing with Riparian permits, Wetlands permits, Stream Encroachment permits, Sewerage Extension permits, and CAFRA permits (Coastal Area Facility Review Act). In addition the circular provides a calendar of Events of Interest and a Schedule of Public Hearings. (The Public Hearings however, are not official DEP notices). Environmental Impact Statements and Assessments acted upon during the week are also shown. Any additional information concerning the permits may be obtained by contacting the appropriate person listed below.
