19:25-1.7 Definitions

The following words and terms, when used in this chapter and in the interpretation of the act, shall have the following meanings unless a different meaning clearly appears from the context.

"The act" means The New Jersey Campaign Contributions and Expenditures Reporting Act, L.1973, c.83, as amended, N.J.S.A. 19:44A-1 and following.

"Candidate" means:

1. An individual seeking election to a public office of this State or of a county, municipality or school district to any election; and
2. An individual who shall have been elected or failed of election to an office, other than a party office, for which he sought election and who receives contributions and makes expenditures for any of the purposes authorized by N.J.S.A. 19:44A-11.2.

This definition does not include an individual seeking Federal elective office, or State, county or municipal political party office.

"Candidate committee" means a committee established by a candidate pursuant to N.J.S.A. 19:44A-9(a) for the purpose of receiving contributions and making expenditures.

"Commission" means the New Jersey Election Law Enforcement Commission.

"Continuing political committee" includes any group of two or more persons acting jointly, or any corporation, partnership, or any other incorporated or unincorporated association, including a political club, political action committee, civic association or other organization, which in any calendar year contributes or expects to contribute at least \$2,500 to aid or promote the candidacy of an individual, or the candidacies of individuals, for elective public office, or the passage or defeat of a public question or public questions, and which may be expected to make contributions toward such aid or promotion or passage or defeat during a subsequent election, provided that the group, corporation, partnership, association or other organization has been determined by the commission to be a continuing political committee in accordance with N.J.S.A. 19:44A-8(b).

"Contribution" includes every loan, gift, subscription, advance or transfer of money or other thing of value, including any item of real property or personal property, tangible or intangible (but not including services provided without compensation by individuals volunteering a part or all of their time on behalf of a candidate, committee or organization), made to or on behalf of any candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee and any pledge or other commitment or assumption of liability to make such transfer. For purposes of reports required under the provisions of the act, any such commitment or assumption shall be deemed to have been a contribution upon the date when such commitment is made or liability assumed. As set forth in N.J.A.C. 19:25-3.1, funds or other benefits received solely for the purpose of determining whether an individual should become a candidate are not contributions.

"District" means the State, legislative district, county, municipality or part thereof, school district or other district in which a candidate is seeking election to public office.

"Election" includes any election in which a public question is to be voted upon by the voters of the state or any political subdivision thereof; and any election for any public office of the State or any political subdivision thereof. It does not include Federal elective office, or State, county or municipal political party office.

"Election-related activity" means election activity related to a candidate for public office of the State of New Jersey or its political subdivisions, or public question submitted to the voters of the State of New Jersey or its political subdivisions as set forth in the act and includes, without limitation, contributions to candidates, expenditures for fundraising, expenditures on behalf of candidates and other related political expenditures.

For purposes of reports required under the provisions of the act, any such commitment or assumption shall be deemed to have been an expenditure upon the date when such commitment is made or liability assumed. As set forth in N.J.A.C. 19:25-3.1, payments or commitments made solely for the purpose of determining whether an individual should become a candidate are not expenditures.

1. Any cost incurred in covering or carrying a news story, commentary, or editorial by any broadcasting station, newspaper, magazine, or other periodical publication is not an expenditure, unless the facility is owned or controlled by a candidate committee, joint candidates

committee, political committee, continuing political committee, political party committee, or legislative leadership committee in which case the cost for a news story which represents a bona fide news account communicated in a publication of general circulation or on a licensed broadcasting facility, and which is part of a general pattern of campaign-related news accounts which give reasonably equal coverage to all opposing candidates in the circulation or listening areas, is not an expenditure.

"Family member" shall mean a spouse, child, parent or sibling.

"File" or "filed" means deposited in the office of the Commission designated in N.J.A.C. 19:25-2.1.

For the purposes of this definition, the offices of member of the Senate and members of the General Assembly shall be deemed to be the same elective public offices in a legislative district.

"Legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly, or the Minority Leader of the General Assembly pursuant to N.J.S.A. 19:44A-10.1 for the purpose of receiving contributions and making expenditures.

"Political committee" means any group of two or more persons acting jointly, or any corporation, partnership or any other incorporated or unincorporated association which is organized to or does aid or promote the nomination, election or defeat of any candidate or candidates for public office, or which is organized to, or does aid or promote the passage or defeat of a public question in any election if the persons, corporation, partnership, or incorporated or unincorporated association raises or expends \$1,000 or more to so aid or promote the nomination, election or defeat of a candidate or candidates or the passage or defeat of a public question. A club organized to promote the candidacy of one or more candidates or aid or defeat the passage of a public question, without a term of existence substantially

longer than the campaign, is a political committee. Political committee does not include:

1. A candidate committee, joint candidates committee, continuing political committee, a political party committee, or a legislative leadership committee.

2. A contributor not involved in fund raising or other election-related activity does not become a political committee solely by virtue of having made a contribution to a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee.

Thereafter such commission or any two or more members, not otherwise excluded by these regulations, may constitute a political committee for such public question.

4. Except as set forth in paragraph 5 below of this definition, no person or persons holding elected or appointed public office in this State or any political subdivision thereof shall be deemed to be a political committee with respect to any public question by virtue of communication with their constituents or with public officials of the Federal government or of this or any other state or political subdivision thereof, or with the general public reasonably related to the duties of his or her public office.

(d) A continuing political committee, political party committee, or legislative leadership committee which has filed a certified statement (Form A-3) in a calendar year and which receives in that calendar year a contribution of more than \$200.00, or aggregate contributions from a contributor of more than \$200.00, shall file the report provided in N.J.A.C. 19:25-9.2(c).

19:25-10.3 Contributions of \$200.00 or less

(a) A contribution received by a candidate, candidate committee, joint candidates committee or political committee in an amount of \$200.00 or less in an election must be reported on the election fund report required by N.J.A.C. 19:25-8.2 or 8.3 for the time period in which the contribution was received by including the amount of the contribution in the total sum reported in the report for all contributions received in the amount of \$200.00 or less, but the name and mailing address of the contributor or the occupation of a contributor who is an individual and the name and mailing address of the individual's employer is not required to be reported.

(b) At any time during an election pursuant to (a) above, if the aggregate amount received from a contributor by a candidate, candidate committee, joint candidates committee, or political committee exceeds the sum of \$200.00, the contribution resulting in aggregate contributions totalling more than \$200.00 and each subsequent contribution (regardless of amount) received from the contributor during the election must be reported on the pertinent election fund report in the same manner as a contribution of more than \$200.00 pursuant to N.J.A.C. 19:25-10.2(a).

(b) A contribution in the form of "paid personal services" as defined in N.J.A.C. 19:25-1.7, Definitions, shall be reported in an amount equal to the amount of salary, compensation or consideration for said services paid by the contributor to the individual performing said services.

(c) Personal services performed by an individual on a voluntary, non-compensated basis do not constitute a reportable contribution.

1. Example 1: E is a certified public accountant, who, in aid of the candidacy of candidate A has undertaken to set up the necessary books and records to reflect the financial operations of the campaign of candidate A. E employs in his office several accountants, bookkeepers and clerical personnel who perform some of the work required to maintain the financial records for the campaign of candidate A. The services of E do not constitute a contribution to candidate A since they are voluntary and uncompensated personal services. The value of the services of the accountants and other employees of E, estimated as described in (b) above, are a contribution to candidate A.

19:25-10.5 Contributions of paid personal services

(a) The treasurer or organizational treasurer of a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee shall upon receipt of a contribution in the form of paid personal services pursuant to N.J.A.C. 19:25-10.4(b) obtain from the person contributing the paid personal services a written statement setting forth the amount of compensation paid by the contributor to the individual performing the services.

(b) In any written statement required pursuant to (a) above, if the individual performing the services for the candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, also performed other services during the same period for the con-

tributor, and the manner of payment was such that payment for the contributed services cannot readily be segregated from contemporary payment for the other services, the contributor shall so state in the written statement and shall either:

1. Set forth the contributor's best estimate of the dollar amount of payment to each such individual which is attributable to the contribution of the paid personal services, and shall certify the substantial accuracy of the same; or
2. If unable to determine such amount with sufficient accuracy, set forth the total compensation paid by the contributor to each such individual for the period of time during which the paid personal services were performed.

19:25-10.6 Currency contributions

(a) A candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee, or the treasurer or organizational treasurer of such committee, may accept a contribution in the form of currency provided that it is received in an aggregate amount not to exceed \$200.00 in an election, or a calendar year, whichever is applicable to the recipient candidate or committee, and provided the contributor simultaneously submits a written record to the committee or treasurer containing the following:

1. The date the contribution was made;
2. The name and mailing address of the contributor;
3. If the contributor is an individual, the occupation of the individual and the name and mailing address of the individual's employer;
4. The amount of the contribution; and
5. The signature of the contributor.

(b) A contributor may make a contribution in the form of currency provided that the contribution in an aggregate amount does not exceed \$200.00 in an election to a candidate, candidate committee, joint candidates committee, or political committee, or does not exceed \$200.00 in a calendar year to a continuing political committee, political party committee or legislative leadership committee, and provided such contributor shall simultaneously submit to the committee or its treasurer a written record containing the following:

1. The date the contribution was made;
2. The name and mailing address of the contributor;
3. If the contributor is an individual, the occupation of the individual and the name and mailing address of the individual's employer;
4. The amount of the contribution; and

5. The signature of the contributor.

(c) Nothing in this section shall prohibit the making of, or receipt of, currency contributions not to exceed \$20.00 per contributor made or received under the public solicitation provisions at N.J.A.C. 19:25-10.7.

19:25-10.7 Public solicitations

(a) The term "public solicitation" means any activity by or on behalf of any candidate, political committee, continuing political committee, candidate committee, joint candidates committee, legislative leadership committee or political party committee whereby either:

1. Members of the general public are personally solicited for on-the-spot cash contributions not to exceed \$20.00 per person; or
2. Members of the general public are personally solicited for on-the-spot purchase of items having tangible value as merchandise, at a price not to exceed \$20.00 per item.

(b) Proceeds of a public solicitation must be reported as contributions, however there shall be no obligation to make or maintain records of or report the identity of any contributor, and such proceeds shall not be deemed as anonymous contributions.

(c) In the event contributions are received as the result of a public solicitation, the date and location of each such public solicitation must be identified in any report showing receipt of proceeds from the public solicitation.

19:25-10.8 Anonymous contributions

(a) No contribution shall be made by a person or received by a candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee on an anonymous basis, that is without making known, or knowing, the identity of the person making the contribution, or in a fictitious name, or by one person or group in the name of another, and no person shall contribute or purport to contribute to any candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee, any funds or property not actually belonging to him or her and in his or her full custody and control, or which have been given or furnished to him or her by any other person or group for the purpose of making a contribution thereof.

(b) A contribution shall not be deemed anonymous if the identity of the contributor was known to the candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, or to the treasurer or organizational treasurer of such committee, at the time when the contribution was received, even though the committee or treasurer may later be unable to identify the contributor because of loss or destruction of records. Nothing in this subsection shall be construed to prevent the Commission from imposing a penalty pursuant to the act or these regulations for failure to keep proper records.

(c) A group contribution, that is a contribution made collectively by persons who are members of the contributing group, shall not be deemed an anonymous contribution by any individual member of the group.

19:25-10.9 Contributions for pre-candidacy activity

In the event that an individual who has been receiving funds or other benefits pursuant to N.J.A.C. 19:25-3.1 solely for the purpose of determining whether or not to become a candidate, actually becomes a candidate in an election, all funds or benefits received in connection with his or her pre-candidacy activity shall be considered contributions under the act and shall be reported in accordance with the applicable reporting requirements in the initial report filed by such candidate's candidate committee, or joint candidates committee.

19:25-10.10 Political communication contributions

(a) The term "political communication" means any written statement, pamphlet, advertisement or other printed or broadcast matter containing an explicit appeal for the election or defeat of a candidate which is circulated or broadcast to an audience substantially comprised of persons eligible to vote for the candidate on whose behalf the appeal is directed. Words such as "Vote for (name of candidate)," "Vote against (name of opposing candidate)," "Elect (name of candidate)," "Support (name of candidate)," "Defeat (name of opposing candidate)," "Reject (name of opposing candidate)," and other similar explicit political directives constitute examples of appeals for the election or defeat of a candidate.

(b) A written statement, pamphlet, advertisement or other printed or broadcast matter that does not contain an explicit appeal pursuant to (a) above for the nomination for election or for the election or defeat of a candidate shall be deemed to be a political communication if it meets the following conditions:

1. The communication is circulated or broadcast within 90 days of the date of any election in which the candidate on whose behalf the communication is made is seeking nomination for election or elected office; except that in the case of a candidate for nomination for the office of Governor in a primary election, the period of time that a communication shall be deemed political shall be on or after January 1st in a year in which a primary election for Governor is being conducted, and in the case of a candidate for election to the office of Governor in a general election, the period of time that a communication shall be deemed political shall begin on the day following the date of the gubernatorial primary election;

4. The production, circulation or broadcast of the communication, or any cost associated with the production, circulation or broadcast of the communication, has been made in whole or in part with the cooperation of, prior consent of, in consultation with, or at the request or suggestion of the candidate.

(c) Nothing contained in (b) above shall be construed to require reporting of a communication by an incumbent officeholder seeking reelection if the communication is in writing and is made to a constituent in direct response to a prior communication received from that constituent, if it is circulated or broadcast for the sole and limited purpose of communicating governmental events requiring constituents to make applications or take other actions before the date of the upcoming election, or if it is circulated or broadcast to constituents for the sole and limited purpose of communicating facts relevant to a bona fide public emergency.

(d) Nothing contained in (b) above shall be construed to require reporting of a communication by a candidate seeking nomination for election in a primary election if that candidate is not opposed by another candidate seeking nomination for election in that primary election.

19:25-10.11 Reporting of political communication costs

(a) If any political communication as defined in N.J.A.C. 19:25-10.10 is incurred or paid for by any candidate committee or joint candidates committee, the committee shall report such expenditure in accordance with N.J.A.C. 19:25-12.

(b) Any political communication as defined by N.J.A.C. 19:25-10.10 incurred or paid for by any person or entity other than the candidate's candidate committee or joint candidates committee, which political communication is prepared, made or circulated with the consent or cooperation of the candidate, shall be reported by that candidate as a campaign contribution of goods and/or services in accordance with N.J.A.C. 19:25-10.4(a).

(c) Any political communication not prepared, made or circulated with the consent or cooperation of a candidate and incurred or paid for by any other person or entity shall be reported in accordance with N.J.A.C. 19:25-12.

19:25-10.12 Interest income

Any payment received as interest income for funds on deposit in a campaign or organizational depository account established pursuant to N.J.A.C. 19:25-5.2 is not subject to contributor identification requirements, provided that such interest payment amount is included in amounts reported as received and deposited.

19:25-10.13 Loans as contributions

(a) A loan received by a candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, or by the treasurer of such committee, shall be reported as a contribution by the person or entity making the loan.

(b) Notwithstanding (a) above, if a loan is made to a candidate, committee or treasurer by a banking or lending institution, and if the candidate as an individual using personal assets, or some third party person or entity, in the ordinary course of business, has guaranteed, co-signed or otherwise assured repayment of the loan to the banking or lending institution, the contributor of the loan shall be reported as the person or entity guaranteeing, co-signing or otherwise assuring the repayment of the loan, and the banking or lending institution shall not be deemed to be the contributor.

(c) A loan made by a banking or lending institution to a candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee which loan is not secured pursuant to (b) above is a contribution to the candidate or committee by that banking or lending institution.

19:25-11.3 Candidate contributions

(a) A candidate may make a contribution as an individual and subject to the limits set forth in this subchapter notwithstanding any contribution made by the candidate's candidate committee or joint candidates committee, provided that the contribution made by the candidate as an individual is not derived from funds controlled by the candidate committee or joint candidates committee.

(b) Notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2 above, a candidate, or a corporation one hundred percent of the stock of which is owned by the candidate, or by the candidate's spouse, child, parent, or sibling residing in the candidate's household, may make contributions without limit to a candidate committee established by that candidate, or to a joint candidates committee established by that candidate.

(c) Notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2 above, a candidate committee can make contributions in an election without limit to another candidate committee if both the contributing and recipient candidate committees are established by candidates who are seeking nomination for election, or election to, legislative offices within the same legislative district, or to the same offices within the same political subdivision of this State.

19:25-11.4 Joint candidates committee contribution limits

(a) A joint candidates committee established by candidates who have not established any candidate committees in an election may accept a contribution from a contributor in an amount equal to but not in excess of the sum of the

number of candidates participating in the joint candidates committee multiplied by the contribution limit applicable to a contribution made by the contributing entity to a candidate committee of a single candidate.

1. Example. A joint candidates committee in which three candidates are participating, none of whom have established candidate committees, may receive from an individual a contribution not to exceed \$4,500 in an election, that is three multiplied by the \$1,500 contribution limit applicable to a contribution from an individual to a candidate committee.

(b) A joint candidates committee established by candidates who have not established any candidate committees in an election may make a contribution to a political committee not to exceed \$5,000 per candidate in the election, and may make a contribution to a continuing political committee not to exceed \$5,000 per candidate in a calendar year.

(c) In the event any of the candidates participating in a joint candidates committee also has established a candidate committee in an election, the amount of a contribution that the joint candidates committee may accept from a contributor without violating the contribution limit will be determined by application of the equal attribution requirement set forth in N.J.A.C. 19:25-11.5, Equal attribution requirements.

(d) A joint candidates committee may receive a contribution in an election from another joint candidates committee in an amount equal to \$5,000 multiplied by the number of candidates participating in the contributing joint candidates committee, and that sum may be further multiplied by the number of the candidates participating in the recipient joint candidates committee, provided that the contributing joint candidates committee, and any candidate committee established by any of the participating candidates, have not made any other contributions to the recipient joint candidates committee, or to any candidate committee established by any of the candidates participating in the recipient joint candidates committee.

1. Example. Joint candidates committee ABC has three candidates participating in it (candidates A, B and C) and wishes to make a contribution to a joint candidates committee DEFG with four candidates participating in it (candidates D, E, F and G). Neither the joint candidates committee ABC, nor any individual candidate committee established by candidates A, B or C, has made any contributions in the election to the joint candidates committee DEFG, or to any individual candidate committee established or maintained by candidates D, E, F or G. Joint candidates committee ABC may contribute the sum of \$60,000 in the election to joint candidates committee DEFG, that is \$5,000 multiplied by three (that is, the three candidates participating in ABC), for a total of \$15,000, further multiplied by four (that is, the four candidates participating in DEFG) for a total maximum permissible contribution in the election of \$60,000.

(e) In the event that a joint candidates committee makes a contribution to another joint candidates committee as described in (c) above, but there have been one or more contributions by the contributing joint candidates committee, or by a candidate committee established by one of the joint candidates committee's candidates, to one or more candidate committees of a candidate or candidates participating in the recipient joint candidates committee, or to the recipient joint candidates committee, the amount of a contribution that the recipient joint candidates committee may receive cannot, after application of the equal attribution requirement set forth in N.J.A.C. 19:25-11.5, exceed \$5,000 per candidate in the election.

19:25-11.5 Equal attribution requirements

(a) A candidate who has established a candidate committee in an election and is also participating in a joint candidates committee in that election may not receive contributions to those committees from a contributor that in the aggregate exceed the applicable contribution limit set forth in N.J.A.C. 19:25-11.2.

(b) Each contribution received in an election by the joint candidates committee of a candidate who has also established a candidate committee in that election must be equally attributed to each of the candidates participating in the joint candidates committee, and the contribution limits in this subchapter must be applied to those participating candidates and to any candidate committee established by any of the participating candidates.

1. Example. The ABC joint candidates committee, consisting of Candidates A, B, and C, receives a contribution from an individual in the amount of \$4,500 in an election. For purposes of applying the contribution limits to the participating candidates and their individual candidate committees, the contribution must be equally attributed to each of the three participating candidates so that each is deemed to have received a contribution in the amount of \$1,500 in the election from the contributor. The sum of \$1,500 is the maximum amount an individual can contribute to a candidate in an election. Therefore, no further contributions can be made by the contributor in the election to the ABC joint candidates committee, or to any candidate committee established in the election by candidates A, B or C.

2. Example. The ABC joint candidates committee receives a contribution of \$300 in an election from a contributor who has contributed \$1,500 in that election to an individual candidate committee established or maintained by candidate A. The sum of \$1,500 is the maximum amount an individual can contribute to a candidate committee in an election. Application of the equal attribution requirement set forth in (a) above would result in the attribution of \$100.00 to Candidate A of the total \$300.00 contribution to joint candidates committee ABC. Since the sum of the amount contributed to the candidate committee of A (\$1,500), plus the attribution of \$100.00 of the \$300.00 contribution made to the ABC joint candidates committee, results in a total contribution from the contributor in the election of \$1,600 to Candidate A, the ABC joint candidates committee must refund the \$300.00 contribution to avoid receipt of an excessive contribution, or alternatively the candidate committee of A must refund \$100.00 in order that the total contribution from the contributor in the election does not exceed the \$1,500 per election contribution limit of candidate A.

19:25-11.6 Public question political committees

(a) A political committee which is organized to, or does, aid or promote the passage or defeat of a public question in an election, may accept a contribution from a contributor without limit, notwithstanding the contribution limits set forth in N.J.A.C. 19:25-11.2.

(b) A political committee which is organized to, or does, aid or promote the passage or defeat of a public question in an election, may make contributions without limit to another political committee, or to a continuing political committee.

19:25-11.7 County political party contribution limits

(a) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee shall not make a contribution, or aggregate contributions, in excess of \$5,000 in an election to a candidate committee established by a candidate seeking election for an office in another county.

(b) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee shall not make a contribution, or aggregate contributions, in excess of \$5,000 in a calendar year to a municipal political party committee in another county.

(c) In addition to the limits set forth in N.J.A.C. 19:25-11.2, a county political party committee may make contributions, or aggregate contributions, subject to the following limits:

1. To a candidate for State legislature in a legislative district in which less than 20 percent of the legislative district's population resides in the county of the contributing county political party committee, a contribution not to exceed \$5,000 in the election; and

2. To a candidate for State legislature in a legislative district in which at least 20 percent but less than 40 percent of the legislative district's population resides in the county of the contributing county political party committee, a contribution not to exceed \$25,000 in the election.

19:25-11.8 Return of excessive contributions

(a) A candidate, candidate committee, joint candidates committee, political committee, continuing political committee, legislative leadership committee, or political party committee, or a treasurer or organizational treasurer of such a committee, who receives a contribution in an amount exceeding any contribution limit set forth in this subchapter, shall return that portion of the contribution which exceeds the contribution limit to the contributor within 48 hours of such receipt, and shall make and maintain a written record of the contribution containing the following:

1. The date the contribution was received;
2. The name and mailing address of the contributor;
3. If the contributor is an individual, the occupation of the individual and the name and mailing address of the individual's employer;

4. The amount of the contribution;

5. The amount of the contribution that exceeds the applicable contribution limit;

6. A photocopy of the check or written instrument received as a contribution; and

7. A photocopy of the refund check issued by the committee.

(b) A candidate, committee or treasurer who makes a refund pursuant to (a) above, shall report the refund transaction on the election fund or quarterly report required for the reporting period in which the refund was made.

(c) Failure to make a refund pursuant to (a) and (b) above may result in a finding of a knowing violation of the contribution limits set forth in this subchapter or the act.

**SUBCHAPTER 12. REPORTING OF
EXPENDITURES; INDEPENDENT
EXPENDITURES**

19:25-12.1 General provisions

(a) An expenditure made by a candidate, candidate committee, joint candidates committee or political committee shall be reported as provided by N.J.A.C. 19:25-8, and as provided by this subchapter.

(b) An expenditure made by a continuing political committee, political party committee, or legislative leadership committee shall be reported as provided in N.J.A.C. 19:25-9, and as provided by this subchapter.

19:25-12.2 Expenditure reporting

(a) An expenditure shall be reported by providing the following information:

1. The date the expenditure was made;
2. The checking account title and number;
3. The full name and address of the payee;
4. The purpose of the expenditure; and
5. The amount of the expenditure.

(b) In describing the purpose of an expenditure pursuant to (a)4 above, the specific election-related reason for the expenditure shall be provided. Descriptions such as "operations," "campaign expense" or "reimbursement" do not satisfy the reporting requirement because they do not provide any specific election-related information. Examples of satisfactory descriptions include such information as "newspaper advertising," "telephone expense," "postage," "printing of campaign flyers," "headquarter rental" and similarly specific items.

19:25-12.3 Written notification of a coordinated expenditure

(a) Whenever a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or a legislative leadership committee makes or authorizes an expenditure on behalf of a candidate with the cooperation or prior consent of that candidate, or in consultation with or at the request or suggestion of that candidate, or of any person acting on behalf of that candidate, the committee shall provide immediate written notification to that candidate's candidate committee of the expenditure.

(b) When an individual seeking political party office makes or authorizes an expenditure on behalf of a candidate with the cooperation or prior consent of that candidate, or in consultation with or at the request or suggestion of that candidate, or of any person acting on behalf of that candidate, the individual shall provide immediate written notification to the candidate's candidate committee of the expenditure.

(c) "Immediate written notification" for the purposes of this section shall mean written notice delivered to the candidate or the candidate's candidate committee or joint candidates committee within 48 hours of the making or authorizing of the expenditure, which notice shall contain:

1. The date of the making or authorizing of the expenditure;
2. The name and address of the payee;
3. The purpose of the expenditure; and
4. The amount of the expenditure.

(d) "Expenditure on behalf of a candidate" for the purposes of this section shall mean an expenditure made to a payee or recipient other than that candidate's candidate committee or joint candidates committee and made for the purpose of aiding or promoting the candidate's candidacy, such as the purchase for a vendor of brochures advocating the candidate's election (commonly described as "in-kind contributions"). A contribution made directly to a candidate committee or joint candidates committee is not included in the meaning of "expenditure on behalf of a candidate."

19:25-12.4 Expenditures made by credit card

(a) If an expenditure is made on behalf of a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee by use of or by a charge against a credit card account that was not established in the name of that candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee, the person or entity owning the credit card and who is liable for any debt charged against that credit card account shall be deemed to have made a loan to that committee subject to reporting as a loan in the amount charged until such time as the committee reimburses that person or entity for that amount.

(b) Whenever a committee pursuant to (a) above makes an expenditure to reimburse a person or entity for a charge made against that person's or entity's credit card account, that committee shall report the following information for each such charge:

1. The exact name or title of the person or entity owning the credit card account, and the name of the lending institution that issued the card;
2. The name and address of the vendor from whom the purchase was made;
3. The date of the purchase;
4. A description pursuant to N.J.A.C. 19:25-12.2(b) of the purpose of the purchase, including a specific itemization of the goods or services acquired;
5. The amount of the purchase; and
6. The name of the payee, and the number, date and amount of the reimbursement check.

(c) Payment by use of credit card reported pursuant to (a) above shall not be deemed to be in violation of N.J.S.A. 19:44A-11, requiring campaign expenditures to be made through the campaign or organizational treasurer.

19:25-12.5 Expenditures by currency; petty cash fund

Payment of expenditures by currency is permissible if the payment is made from proceeds of a petty cash fund established pursuant to N.J.A.C. 19:25-6.4(b).

19:25-12.6 Payments to individuals; "street money"

(a) Any payment to an individual which is related to efforts by or on behalf of a candidate, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee in aid of or to promote a candidate in an election or the passage or defeat of a public question, or to efforts directly to promote or encourage the participation of voters in an election (commonly referred to as "street money"), shall be made by check payable to such named individual.

(b) Any payment to a candidate committee, joint candidates committee, political committee, continuing political committee, political party committee, or legislative leadership committee, or to any other person, association or group, by a candidate or any such committee or by any other person, association or group, which payment is related to efforts in aid of or to promote the candidacy of a candidate in any election or the passage or defeat of a public question, or to efforts directly to promote or encourage the participation of voters in an election (commonly referred to as "street money"), shall be made by check payable to the named committee, person, association, or group.

(c) Payment in the form of currency for any of the purposes described in (a) and (b) above is prohibited.

(d) A payment or expenditure made for the purposes described in (a) or (b) above shall be reported by including the following information:

1. The date the expenditure was made;
2. The check number;
3. The name and address of the recipient, who shall be the payee;
4. The purpose of the expenditure, including itemization of the specific services provided by the individual-payee; and,
5. The amount of the expenditure.

19:25-12.7 Independent expenditures

Independent expenditures shall be subject to all of the reporting and disclosure requirements of the act. Every person, candidate committee, joint candidates committee, political committee, continuing political committee, political party committee or legislative leadership committee making an independent expenditure and required to report under the act shall include in the reports required under the act a sworn statement on a form provided by the Commission that such independent expenditure was not made with the cooperation or prior consent of, or in consultation with or at the request or suggestion of the candidate or any person or committee acting on behalf of the candidate.

19:25-12.8 Reporting of independent expenditures

Any individual or entity expending from his, her or its own funds more than \$1,000 in an election to support or defeat a candidate or more than \$1,000 to aid the passage or defeat of a public question, and who made such expenditure pursuant to N.J.A.C. 19:25-12.7, that is, made the expenditure without the cooperation or prior consent of, or without consultation with or at the request or suggestion of, a candidate or any person or committee acting on behalf of the candidate, shall report all such expenditures at the same time and in the same manner as a political committee subject to the provisions of N.J.S.A. 19:44A-8.

19:25-12.9 Expenditures for pre-candidacy activity

When an individual becomes a candidate, all funds received or payments made in connection with his or her testing the waters activity prior to becoming a candidate shall be considered contributions or expenditures under the act and shall be reported in accordance with the applicable reporting requirements in the first report filed by such candidate's candidate committee or joint candidates committee. The individual shall keep records of the name of each contributor, the date of receipt and amount of all contributions received and all expenditures made in connection with the individual's testing the waters activity prior to becoming a candidate.

SUBCHAPTER 13. ALLOCATION OF EXPENDITURES

19:25-13.1 Allocation

(a) Where an expenditure is made on behalf of two or more candidates, the expenditure must be allocated between such candidates in a reasonable manner so as to fairly reflect the relative value to each of the candidates of such expenditure. The initial allocation should be made by the committee or candidates on a reasonable basis, and in advance of the expenditure where possible. All documents and financial records relating to the allocation and the expenditure should be retained:

1. Example: "Committee for A and B" is conducting a political campaign on behalf of candidate A and candidate B. The committee proposes to expend \$100.00 for the purchase of a quantity of bumper stickers containing the slogan "Vote for A and B". The committee determines that the stickers are of equal value to each of the candidates. Thus, \$50.00 of the expenditure should be allocated to candidate A and \$50.00 should be allocated to candidate B. Financial records and a record of the facts on which the allocation is based must be retained.

As amended, R.1984 d.324, effective August 6, 1984.

See: 16 N.J.R. 1044(a), 16 N.J.R. 2154(a).

"should be retained ... reports A" deleted.

Case Notes

Allocation required only where expenditure made on behalf of two or more candidates. *Friends of Governor Tom Kean v. New Jersey Election Law Enforcement Commission*, 203 N.J.Super. 523, 497 A.2d 555 (App.Div.1985), affirmed 102 N.J. 319, 508 A.2d 200 (1985).

SUBCHAPTER 14. ADVISORY OPINIONS

19:25-14.1 Scope of advisory opinions

Under section 6 of the Act, the commission is authorized through its legal counsel to render advisory opinions as to

whether a given and specific set of facts and circumstances would constitute a violation of any of the provisions of the act or render any person subject to any of its reporting requirements.

Case Notes

Advisory opinions cannot alter legislative enactment or frustrate statutory policy; contested opinions invalid. *Friends of Governor Tom Kean v. New Jersey Election Law Enforcement Commission*, 203 N.J.Super. 523, 497 A.2d 555 (App.Div.1985), affirmed 102 N.J. 319, 508 A.2d 200 (1985).

19:25-14.2 Extension of time

Unless an extension of time is consented to by any person requesting an advisory opinion, the commission shall render its advisory opinion within 10 days of receipt of the request therefor. Failure of the commission to reply to a request for an advisory opinion within the time so fixed or agreed to shall preclude it from instituting proceedings for imposition of a penalty upon any person for a violation of this act occurring prior to receipt of the advisory opinion by such person and arising out of the particular facts and circumstances set forth in such request, except as such facts and circumstances may give rise to a violation when taken in conjunction with other facts and circumstances not set forth in such request.

19:25-14.3 Procedure for advisory opinions

All requests for advisory opinions must be addressed in writing to the commission and must set forth in detail the particular facts and circumstances with respect to which the advisory opinion is sought.

SUBCHAPTER 15. PUBLIC FINANCING; GENERAL ELECTIONS FOR THE OFFICE OF GOVERNOR

19:25-15.1 Scope of subchapter

The provisions of this subchapter shall be applicable to the general election campaign for nomination for election to the office of Governor of New Jersey in November 1977 and every such gubernatorial campaign held thereafter, except that the provisions shall not apply to any general election campaign for the office of Governor for which the Legislature fails to make an appropriation for public funding.

19:25-15.2 Definitions; generally

The words and terms used in this subchapter are used as defined herein or in N.J.A.C. 19:25-1.7.

19:25-15.3 Definitions for this subchapter

The following words and terms, when used in this subchapter, shall have the following meanings unless the context clearly indicates otherwise.

“Candidate” means anyone who has filed a nominating petition, or has filed a form D-1 with the Commission, or has solicited contributions or made or incurred expenditures on behalf of his or her candidacy, or has allowed others to solicit contributions or make or incur expenditures on behalf of his or her candidacy for election to the office of Governor of New Jersey in any general election for which the Legislature makes an appropriation for public funding.

“Contribution” is used as defined in N.J.A.C. 19:25-1.7 and includes loans, except that a loan in the ordinary course of business by a bank pursuant to N.J.S.A. 19:44A-44 is not a contribution by that bank.

“Contribution eligible for match” means contributions from one contributor to be matched from public funds on a two-for-one basis. No contribution which must be or is intended by the contributor or the recipient to be refunded or repaid at any time, no loan obtained pursuant to N.J.S.A. 19:44A-44, no amount of the candidate’s own funds in the aggregate in excess of \$1,800, no in-kind contribution and no other moneys received by the candidate, his or her campaign treasurer, or deputy campaign treasurer, except those contributions described in N.J.S.A. 19:44A-29(a) shall be deemed contributions eligible for match. Funds received by an individual who is “testing the waters” may be matched when the individual becomes a candidate if such contributions meet all the requirements of the regulations.

“County committee” means the county committee of a political party established pursuant to N.J.S.A. 19:5-3.

“Debate sponsor” means the organization or organizations to which the Commission has delegated the responsibility for conducting one or both of the televised interactive general election debates.

“Depository bank account” means the campaign bank account designated by a candidate pursuant to N.J.S.A. 19:44A-9 for the deposit pursuant to N.J.S.A. 19:44A-12 of funds received by the campaign treasurer.

“Gubernatorial inaugural fund-raising event” means any event or events held between the date of the general election for the office of Governor and 30 days after the date of the inauguration of the Governor, whether the event is sponsored by the inaugural committee, the state committee representing the party of the Governor-elect is a prominent participant or for which solicitations of contributions include the name of the Governor-elect in prominent display.

"Independent expenditure" is an expenditure in aid of a candidate which is not made with the cooperation or prior consent of, or in consultation with or at the request or suggestion of, the candidate or any person or committee acting on behalf of the candidate.

"Interactive general election debate" means the moderated reciprocal discussion of issues among the candidates for the office of Governor which involves responses by the candidates to questions posed by the representative or representatives of the sponsor organization.

"Matching fund account" means the campaign bank account opened pursuant to N.J.S.A. 19:44A-32 by a campaign treasurer of a candidate, or deputy campaign treasurer, in which only contributions eligible for match may be deposited.

"Municipal committee" means the municipal committee of a political party established pursuant to N.J.S.A. 19:5-2.

"Non-participating candidate" means any candidate who does not make application for public funding in a general election pursuant to N.J.S.A. 19:25-15.17, or who is not a "qualified candidate" as that term is defined in this section. In no case shall a candidate who qualified for and receives any public funding for a general election be subsequently deemed a non-participating candidate for that election.

"Own funds" means funds to which the candidate is legally and beneficially entitled, but shall not include funds as to which the candidate is a trustee or funds given or otherwise transferred to the candidate by any person other than the spouse of the candidate for use in aid of his or her candidacy.

"Person" includes corporations, associations and labor unions. For purposes of this subchapter, person does not include a political committee or continuing political committee. A spouse of any person is deemed to be a separate person.

"Political committee" means any two or more persons acting jointly, or any corporation, partnership or any other incorporated or unincorporated association which is organized to, or does aid or promote the nomination, election or defeat of a candidate for the office of Governor, but shall not mean a duly constituted State, county, or municipal committee of a political party.

"Principal campaign committee" means the political committee designated by the candidate to receive contributions and make expenditures on behalf of his or her candidacy.

"Public fund account" means the campaign bank account maintained by the commission pursuant to N.J.A.C. 19:25-15.20 on behalf of a qualified candidate and for the deposit of public matching funds.

"Qualified candidate" means:

1. Any candidate for election to the office of Governor whose name appears on the general election ballot and who has deposited and expended \$177,000 pursuant to N.J.S.A. 19:44A-32; and who, not later than September 1 preceding a general election in which the office of Governor is to be filled, notifies the Election Law Enforcement Commission in writing that the candidate intends that application will be made on the candidate's behalf for monies for general election campaign expenses pursuant to N.J.S.A. 19:44A-33, and signs a statement of agreement, in a form to be prescribed by the Commission, to participate in two interactive gubernatorial general election debates; or

2. Any candidate for election to the office of Governor whose name does not appear on the general election ballot, but who has deposited and expended \$177,000 pursuant to N.J.S.A. 19:44A-32 and who, not later than September 1 preceding a general election in which the office of Governor is to be filled, notifies the Election Law Enforcement Commission in writing that the candidate intends that application will be made on the candidate's behalf for monies for general election campaign expenses pursuant to N.J.S.A. 19:44A-33, and signs a statement of agreement, in a form to be prescribed by the Commission, to participate in two interactive gubernatorial general election debates.

"State committee" means the State committee of a political party established pursuant to N.J.S.A. 19:5-4.

"State committee account" means the campaign bank account created by a State committee of a political party pursuant to N.J.S.A. 19:44A-29(d) in behalf of any candidate the committee intends to or does assist for election to the office of Governor in a general election, and in which only contributions eligible for match may be deposited and proceeds from any loan made by the State committee pursuant to N.J.S.A. 19:44A-44.

"Statement of agreement" means a written declaration by a candidate for election to the office of Governor who intends that application will be made on that candidate's behalf to receive monies for general election campaign expenses pursuant to N.J.S.A. 19:44A-33 that the candidate undertakes to abide by the terms of any rules established by any private organization sponsoring a gubernatorial general election debate. The statement of agreement shall include an acknowledgment of notice to the candidate who signs it that failure on that candidate's part to participate in either of the gubernatorial general election debates may be cause for termination of the payment of such monies on the candidate's behalf and for the imposition of liability for the return to the Commission of such monies as may previously have been so paid.

19:25-15.5 Pre-candidacy activity

(a) All funds or other benefits received and payments made pursuant to N.J.A.C. 19:25-3.1 by an individual, or a committee in his or her behalf, solely for the purpose of determining whether that individual should become a candidate (for example "testing the waters") are not contributions or expenditures. All funds so received shall be deposited in a separate depository established solely for that purpose. The individual or committee shall keep written records of all such funds received and payments made for a period of not less than four years after the transaction to which they relate occurred or four years after the date of the election to which they are relevant, whichever is longer.

(b) An individual, or a committee on that individual's behalf, shall file with the Commission a notice containing the name, address and account number of the depository established pursuant to N.J.A.C. 19:25-15.5(a) above not later than 10 days after the receipt of funds for the purpose of determining whether that individual should become a candidate.

(c) In the event the individual on whose behalf funds are received and payments made solely for the purpose of determining whether the individual should become a candidate does in fact become a candidate, the funds received and payments made are contributions subject to the contribution limit contained in N.J.A.C. 19:25-15.12 and expenditures subject to the expenditure limit contained in N.J.A.C. 19:25-15.11(a)3 and shall be reported with the first report filed by the candidate or the campaign committee of the candidate, regardless of the date the funds were received or the payments made. 19:25-15.27 Travel expenses

(a) "The traveling expenses of the candidate" as used in N.J.A.C. 19:25-15.26, shall mean the reasonable and necessary expenses of transportation, food and lodging in connection with travel related to the candidacy of the candidate, and shall include expenses of the candidate and of members of the political campaign staff and immediate family of the candidate traveling with the candidate in the same or accompanying vehicles. The phrase does not include travel expenses of members of the candidate's staff when they are traveling not in the company of the candidate, nor does it include expenses of members of the media or others who are not members of the staff, whether or not those media members are accompanying the candidate.

(b) All of the expenditures, including those excluded from the expenditure limitation contained in N.J.S.A. 19:44A-7, must be disclosed in the preelection and post-election reports on behalf of the candidate.

1. Example 1: Candidate X, a candidate for the office of Governor in the general election who will receive public funding, travels to a city with five members of the candidate's staff in two automobiles for campaign purposes. The candidate's staff arranges for rooms at a hotel in that city. In the course of the stay, the candidate and staff hold numerous meetings and provide food and beverages for visitors in the course of the various meetings. Only the reasonable and necessary expenses of the use of automobiles and other means of transportation and the reasonable and necessary cost of meals and sleeping accommodations for the candidate and staff during the trip, are excludable for purposes of the expenditure limitation contained in N.J.S.A. 19:44A-7.

(c) If any individual, including a candidate, uses a government-owned or government-leased vehicle for transportation to aid or promote a campaign for nomination for election to the Office of Governor, such use shall:

1. Be reported as a travel expense pursuant to (b) above;

2. Be valued for purposes of reports required to be filed under the Act and for purposes of the expenditure limit contained in the Act (N.J.S.A. 19:44A-7) by the reasonable commercial value of the transportation services to the candidate pursuant to N.J.A.C. 19:25-15.31; and

3. Be reimbursed immediately from campaign funds to the appropriate government entity providing the conveyance or vehicle.

(a) Independent expenditures shall not be deemed to be expenditures within the meaning of N.J.S.A. 19:44A-7, but all such expenditures shall be subject to all the reporting and disclosure requirements of the act. Each person, political committee, or continuing political committee making independent expenditures who is required to file reports pursuant to N.J.A.C. 19:25-12.7 or 12.8 shall include in the reports required under the act a sworn statement on a form provided by the Commission that such independent expenditure was not made with the cooperation or prior consent of, or in consultation with or at the request or suggestion of, the candidate or any person or committee acting on behalf of the candidate.

19:25-15.29 Coordinated expenditures

(a) A communication expenditure by any person or entity, other than a gubernatorial candidate or his or her principal campaign committee, as defined in N.J.A.C. 19:25-15.3, is a contribution by such person or entity subject to the limit on a contribution to a gubernatorial candidate in N.J.S.A. 19:44A-29 and is a coordinated expenditure of the gubernatorial candidate properly allocable against the expenditure limit of the gubernatorial candidate in N.J.S.A. 19:44A-7 if:

1. The communication makes an unambiguous reference to the gubernatorial candidate in an audio, visual or printed format; and

2. The gubernatorial candidate or his or her campaign committee has consented to, authorized, or exercised control over the production or circulation of the communication.

(b) A reference to a gubernatorial candidate appearing in materials paid for by non-gubernatorial candidates, as hereinafter defined, or political party committees, as defined in N.J.A.C. 19:25-1.7, will be deemed insubstantial and not subject to (a) above provided that:

1. The reference consists of the name or picture of the gubernatorial candidate in equal or less than equal prominence to the prominence given the names or pictures of non-gubernatorial candidates;

2. The names or pictures of the gubernatorial and non-gubernatorial candidates appear on printed campaign materials used in connection with volunteer activities on behalf of the named or pictured non-gubernatorial candidates, such as materials consisting of buttons, pins, bumper stickers, handbills, brochures, posters, yard signs or palm cards; and

3. The materials in (b)2 above are not used in connection with any broadcasting, newspaper, magazine, billboard, or similar type of general public communication or political advertising.

(c) A reference to a gubernatorial candidate appearing in campaign literature or material circulated to voters by direct mail and paid for by non-gubernatorial candidates, as hereinafter defined, or by political party committees, as defined in N.J.A.C. 19:25-1.7, shall be deemed insubstantial and not subject to (a) above provided that:

1. The reference consists of no more than a single use of the gubernatorial candidate's name in the text, and a single use of the gubernatorial candidate's name within a slate or listing of the names of gubernatorial and non-gubernatorial candidates, and a single photograph or depiction of the gubernatorial candidate provided that a photograph or depiction of each non-gubernatorial candidate larger or of equal size to the gubernatorial candidate's photograph or depiction is included; and

2. The size of the print used to reproduce the name of the gubernatorial candidate is the same or smaller than the size of the print used for the names of the non-gubernatorial candidates; and

3. The predominant theme of the text promotes the candidacy or candidacies of the non-gubernatorial candidate or candidates and not that of the gubernatorial candidate.

(d) A reference to a gubernatorial candidate made in a telephone communication to a voter shall be deemed insubstantial and not subject to (a) above provided that:

1. The telephone communication is part of a get-out-the-vote effort of the non-gubernatorial candidate, as hereinafter defined, or of a political party committee, as defined in N.J.A.C. 19:25-1.7, conducted seven or fewer days before the gubernatorial general election; and

2. The reference to the gubernatorial candidate is limited to stating the name of the gubernatorial candidate as part of a slate or together with the names of non-gubernatorial candidates.

(e) A gubernatorial candidate or campaign committee receiving a coordinated communication pursuant to (a) above must determine:

1. The cost of preparation and circulation of the communication; and
2. The reasonable value of the coordinated communication to the gubernatorial candidate.

(f) The reasonable value of a coordinated communication to a gubernatorial candidate may be determined at less than 100 percent of the total cost of preparation and circulation if the coordinated communication referred to one or more non-gubernatorial candidates in the same election, and the percentage of the cost to be allocated to the gubernatorial candidate shall be determined based upon the following:

1. The number of non-gubernatorial candidates identified or otherwise referred to; and
2. The relative prominence of the reference to the gubernatorial candidate in relation to references to non-gubernatorial candidates. For example, if a printed pamphlet is prepared and circulated at a cost of \$1,000 and features equally one page for a non-gubernatorial candidate and one page for a gubernatorial candidate, the reasonable value is 50 percent of the total cost of \$1,000 or \$500.00.

(g) A gubernatorial candidate determining the reasonable value to his or her candidacy of a coordinated communication pursuant to (f) above shall establish that value to the nearest five percent of the total cost of preparation and circulation. In no case shall the reasonable value be determined to be less than five percent of total cost.

(h) For the purposes of this section, the term "non-gubernatorial candidate" shall mean any candidate, other than a gubernatorial candidate, acting alone under a single campaign committee or jointly with other candidates under a multi-candidate joint campaign committee designated pursuant to N.J.S.A. 19:44A-16(h), but shall not mean any political committee, as defined in N.J.S.A. 19:44A-3(i), or shall not mean any continuing political committee, as defined in N.J.S.A. 19:44A-3(n)(2), which is not a political party committee, as defined in N.J.A.C. 19:25-1.7, or shall not mean any other corporation, partnership, incorporated or unincorporated association, or part thereof.

Any candidate, the candidate's campaign treasurer or deputy campaign treasurer may borrow funds from any national or State bank, provided that no person or political committee other than the candidate or the State committee may in any way endorse or guarantee such loan in the aggregate in excess of the \$1,800 contribution limit. Except for a nonparticipating candidate guaranteeing a loan to his or her campaign, the amount so borrowed shall not at any one time in the aggregate exceed \$50,000 and must be repaid in full by such candidate or his or her campaign treasurer or deputy campaign treasurer from moneys accepted or allocated pursuant to N.J.S.A. 19:44A-29 not later than 20 days prior to the general election. Certification of such repayment shall be made by the borrower to the Commission not later than 15 days prior to the date of the general election. Revised text.

19:25-15.31 Computation of value of goods and services

(a) Goods and services shall, for purposes of the reports required to be filed under the act and for purposes of the expenditure limitation contained in section 7 of the act (N.J.S.A. 19:44A-7) where applicable, be valued by the reasonable commercial value of such goods and services to the candidate, whether or not the cost or value of such goods or services to the contributor or other provider of those services is higher or lower than such reasonable commercial value.

1. Example 1: Candidate Y, a candidate for the office of Governor who has chosen to accept public funding, obtains the use of a helicopter for travel of the candidate for campaign purposes. By agreement with the owner of the helicopter, the campaign committee for the candidate will pay \$200.00 per hour which represents the cost to the owner of the maintenance and operation of the helicopter. The reasonable commercial value of the use of the helicopter is \$400.00 per hour. In this example, the amount of \$200.00 per hour paid by the campaign committee of the candidate to the owner for use of the helicopter is not includable as an expenditure for purposes of the expenditure limitations contained in section 7 of the act (N.J.S.A. 19:44A-7). The difference between the \$200.00 per hour actually paid for use of the helicopter and the reasonable commercial value normally charged by the owner for the use of the helicopter, represents a contribution from the owner of the helicopter to the candidate in the amount of \$200.00 per hour. The candidate would obtain the use of the helicopter under this arrangement from a lawful contributor for campaign purposes for not more than nine hours. If the candidate obtained the use of the helicopter for 10 hours under this arrangement, the owner of the helicopter would have made an unlawful contribution to the candidacy of the candidate, since the aggregate of the contributions (\$2,000) from that contributor in this instance would have exceeded \$1,800.

2. Example 2: Candidate Y in example 1, wishes to obtain the use of the helicopter from the owner for 15 hours, and the campaign committee for the candidate pays to the owner the reasonable commercial value of \$400.00 for each hour, or a total of \$6,000. The amount paid to the owner is not an expenditure within the expenditure limitation contained in section 7 of the act (N.J.S.A. 19:44A-7). On these facts the owner has made no contribution to the candidate.

3. In example 1 and example 2, the total amounts of expenditures, including expenditures not subject to the expenditure limitation of section 7 of the act (N.J.S.A. 19:44A-7), must be reported in the preelection and post-election reports filed on behalf of the candidate.

(b) The costs of a political communication as defined in N.J.A.C. 19:25-11.10 which aids or promotes a candidate for Governor, and is undertaken, made or circulated with the cooperation or consent of the candidate, shall be reported by the candidate in the same manner as the receipt of any goods and services, and shall be valued for the purposes of the contribution limit in N.J.A.C. 19:25-15.6 and the expenditure limit in N.J.A.C. 19:25-15.11(a)3 in the same manner as any other contributed goods or services.

19:25-15.48 Candidate statement of qualification before participation in public financing

(a) A candidate who intends to apply to the Commission for public matching funds on a date later than September 1 preceding a general election for the office of Governor must on or before September 1 preceding the general election for Governor file:

1. A certified statement of qualification containing evidence that \$177,000 has been deposited and expended pursuant to N.J.S.A. 19:44A-32 for gubernatorial general election campaign expenses. Evidence that \$177,000 has been deposited and expended shall be filed with the Commission on September 1 preceding a general election for the office of Governor and in a form to be prescribed by the Commission.

2. Each contribution submitted in the report required by (a)1 above as evidence that \$177,000 in contributions has been deposited must be accompanied by a written statement which shall identify the individual making the contribution by full name and full mailing address (number, street, city, state, zip code), the name of the candidate, the amount and date of receipt of the contribution, and shall bear the signature of the contributor. The requirement of such written statement shall be deemed to be satisfied in the case where a contribution is made by means of a check, money order or other negotiable instrument payable on demand and to the order for, or specially endorsed without qualification to, the candidate or to his campaign committee, if such check, money order or instrument contains all of the foregoing information.

3. Each disbursement submitted in the report required by (a)1 above as evidence that \$177,000 has been expended for general election expenses shall include two photocopies of checks, receipted bills, contracts, or similar documents as evidence of the expenditure of at least \$177,000.

Nothing in this paragraph is intended to prevent the Commission from certifying a contribution for match with public funds where a candidate and campaign treasurer are unable to provide, after good faith efforts, information concerning the occupation of the individual contributor and the name and mailing address of the employer of the individual contributor whose aggregate contributions to the candidate in the general election exceed \$200.00.

(b) The reports filed pursuant to (a) above to establish qualification shall not be available for public inspection.

The provisions of this subchapter shall be applicable to the primary election campaign for nomination for election to the office of Governor of New Jersey in June 1981 and every such primary gubernatorial campaign held thereafter, except that the provisions shall not apply to any primary election campaign for nomination for the office of Governor for which the Legislature fails to make an appropriation for public funding.

19:25-16.2 Definitions; generally

The words and terms used in this subchapter are used as defined in this subchapter or in N.J.A.C. 19:25-1.7.

19:25-16.3 Definitions for this subchapter

The following words and terms, when used in this subchapter, shall have the following meanings unless the context clearly indicates otherwise.

"Candidate" means anyone who has filed a nominating petition, or has filed a form D-1 with the commission, or has solicited contributions or made or incurred expenditures on behalf of his or her candidacy, or has allowed others to solicit contributions or make or incur expenditures on behalf of his or her candidacy for nomination for election to the office of Governor of New Jersey in any primary election for which the Legislature makes an appropriation for public funding.

"Contribution" is used as defined in N.J.A.C. 19:25-1.7 and includes loans, except that a loan in the ordinary course of business by a bank pursuant to section 15 of P.L. 1980, c.74 (N.J.S.A. 19:44A-44) is not a contribution by that bank.

"Contribution eligible for match" means contributions from one contributor to be matched from public funds on a two-for-one basis. No contribution which must be or is intended by the contributor or the recipient to be refunded or repaid at any time, no loan obtained pursuant to section 15 of P.L. 1980, c.74 (N.J.S.A. 19:44A-44), no amount of the candidate's own funds in the aggregate in excess of \$1,800, no in-kind contribution and no other moneys received by the candidate, his or her campaign treasurer, or deputy campaign treasurer, except those contributions described in subsection (a) of section 5 of P.L. 1980, c.74 (N.J.S.A. 19:44A-29(a)), shall be deemed contributions eligible for match. In no case shall a candidate who qualifies for and receives any public funding for a primary election be subsequently deemed a non-participating candidate for that election.

In no instance shall permissible activities conducted solely for the purpose of determining whether an individual will become a candidate be confined or limited on the basis of total funds received or payments made for such purpose.

The requirement of such written statement will be deemed to be satisfied in the case where a contribution is made by means of a check, money order or other negotiable instrument payable on demand and to the order of, or specially endorsed without qualification to, the candidate or to his or her campaign committee, if such check, money order or instrument contains all of the foregoing information.

Each person, political committee, or continuing political committee making independent expenditures who is required to file reports pursuant to N.J.A.C. 19:25-12.7 or 12.8 shall include in the reports required under the act a sworn statement on a form provided by the Commission that such independent expenditure was not made with the cooperation or prior consent of, or in consultation with or at the request or suggestion of, the candidate or any person or committee acting on behalf of the candidate.

(b) Any advertisement which is an independent expenditure shall include a clear and conspicuous statement that the advertisement is not authorized by any candidate and shall state the name and address of the person or organization making the expenditure.

19:25-16.30 Coordinated expenditures

(a) A communication expenditure by any person or entity, other than a gubernatorial candidate or his or her principal campaign committee, as defined in N.J.A.C. 19:25-16.3, is a contribution by such person or entity subject to the limit on a contribution to a gubernatorial candidate in N.J.S.A. 19:44A-29 and is a coordinated expenditure of the gubernatorial candidate properly allocable against the expenditure limit of the gubernatorial candidate in N.J.S.A. 19:44A-7 if:

1. The communication makes an unambiguous reference to the gubernatorial candidate in an audio, visual or printed format; and
2. The gubernatorial candidate or his or her campaign committee has consented to, authorized, or exercised control over the production or circulation of the communication.

(b) A reference to a gubernatorial candidate appearing in materials paid for by non-gubernatorial candidates, as hereinafter defined, or political party committees, as defined in N.J.A.C. 19:25-1.7, will be deemed insubstantial and not subject to (a) above provided that:

1. The reference consists of the name or picture of the gubernatorial candidate in equal or less than equal prominence to the prominence given the names or pictures of non-gubernatorial candidates;

2. The names or pictures of the gubernatorial and non-gubernatorial candidates appear on printed campaign materials used in connection with volunteer activities on behalf of the named or pictured non-gubernatorial candidates, such as materials consisting of buttons, pins, bumper stickers, handbills, brochures, posters, yard signs or palm cards; and

3. The materials in (b)2 above are not used in connection with any broadcasting, newspaper, magazine, billboard, or similar type of general public communication or political advertising.

(c) A reference to a gubernatorial candidate appearing in campaign literature or material circulated to voters by direct mail and paid for by non-gubernatorial candidates, as hereinafter defined, or by political party committees, as defined in N.J.A.C. 19:25-1.7, shall be deemed insubstantial and not subject to (a) above provided that:

1. The reference consists of no more than a single use of the gubernatorial candidate's name in the text, and a single use of the gubernatorial candidate's name within a slate or listing of the names of gubernatorial and non-gubernatorial candidates, and a single photograph or depiction of the gubernatorial candidate, provided that a photograph or depiction of each non-gubernatorial candidate larger or of equal size to the gubernatorial candidate's photograph or depiction is included;

2. The size of the print used to reproduce the name of the gubernatorial candidate is the same or smaller than the size of the print used for the names of the non-gubernatorial candidates; and

3. The predominant theme of the text promotes the candidacy or candidacies of the non-gubernatorial candidate or candidates and not that of the gubernatorial candidate.

(d) A reference to a gubernatorial candidate made in a telephone communication to a voter shall be deemed insubstantial and not subject to (a) above provided that:

1. The telephone communication is part of a get-out-the-vote effort of the non-gubernatorial candidate, as hereinafter defined, or of a political party committee, as defined in N.J.A.C. 19:25-1.7, conducted seven or fewer days before the gubernatorial general election; and

2. The reference to the gubernatorial candidate is limited to stating the name of the gubernatorial candidate as part of a slate or together with the names of non-gubernatorial candidates.

(e) A gubernatorial candidate or campaign committee receiving a coordinated communication pursuant to (a) above must determine:

1. The cost of preparation and circulation of the communication; and

2. The reasonable value of the coordinated communication to the gubernatorial candidate.

(f) The reasonable value of a coordinated communication to a gubernatorial candidate may be determined at less than 100 percent of the total cost of preparation and circulation if the coordinated communication referred to one or more non-gubernatorial candidates in the same election, and the percentage of the cost to be allocated to the gubernatorial candidate shall be determined based upon the following:

1. The number of non-gubernatorial candidates identified or otherwise referred to; and

2. The relative prominence of the reference to the gubernatorial candidate in relation to references to non-gubernatorial candidates. For example, if a printed pamphlet is prepared and circulated at a cost of \$1,000 and features equally one page for a non-gubernatorial candidate and one page for a gubernatorial candidate, the reasonable value is 50 percent of the total cost of \$1,000 or \$500.00.

(g) A gubernatorial candidate determining the reasonable value to his or her candidacy of a coordinated communication pursuant to (f) above shall establish that value to the nearest five percent of the total cost of preparation and circulation. In no case shall the reasonable value be determined to be less than five percent of the total cost.

(h) For the purposes of this section, the term "non-gubernatorial candidate" shall mean any candidate, other than a gubernatorial candidate, acting alone under a single campaign committee or jointly with other candidates under a multi-candidate joint campaign committee designated pursuant to N.J.S.A. 19:44A-16(h), but shall not mean any political committee, as defined in N.J.S.A. 19:44A-3(i), or shall not mean any continuing political committee, as defined in N.J.S.A. 19:44A-3(n)(2), which is not a political party committee, as defined in N.J.A.C. 19:25-1.7, or shall not mean any other corporation, partnership, incorporated or unincorporated association or part thereof.

Certification of such repayment shall be made by the borrower to the Commission not later than 15 days prior to the date of primary election. In the event of the failure of the borrower to repay timely the full amount of the loan or to certify properly such repayment to the Commission, all payment of public funds to such candidate shall promptly cease and the Commission shall take action as directed by the act to prohibit the expenditure by the candidate of moneys received from the fund and any other moneys received by him or her in aid of his or her candidacy in such primary election.

(b) No candidate who has received public funds shall incur any debt or make any expenditure after the date of the election for any purpose other than the following:

1. To satisfy outstanding obligations incurred on or before the date of the election made for appropriate campaign purposes; or

19:25-16.35 Computation of value of goods and services

(a) Goods and services shall, for purposes of the reports required to be filed under the act and for purposes of the expenditure limitation contained in section 7 of the act (N.J.S.A. 19:44A-7) where applicable, be valued by the reasonable commercial value of such goods and services to the candidate, whether or not the cost or value of such goods or services to the contributor or other provider of those services is higher or lower than such reasonable commercial value.

1. Example 1. Candidate Y, a candidate for the office of Governor who has chosen to accept public funding, obtains the use of a helicopter for travel of the candidate for campaign purposes. By agreement with the owner of the helicopter, the campaign committee for the candidate will pay \$200.00 per hour, which represents the cost to the owner of the maintenance and operation of the helicopter. The reasonable commercial value of the use of the helicopter is \$400.00 per hour. In this example, the amount of \$200.00 per hour paid by the campaign committee of the candidate to the owner for use of the helicopter is not includable as an expenditure for purposes of the expenditure limitations contained in section 7 of the act (N.J.S.A. 19:44A-7). The difference between the \$200.00 per hour actually paid for use of the helicopter and the reasonable commercial value normally charged by the owner for the use of the helicopter, represents a contribution from the owner of the helicopter to the candidate in the amount of \$200.00 per hour. The candidate could obtain the use of the helicopter under this arrangement from a lawful contributor for campaign purposes for not more than nine hours. If the candidate obtained the use of the helicopter for 10 hours under this arrangement, the owner of the helicopter would have made an unlawful contribution to the candidacy of the candidate, since the aggregate of the contributions (\$2,000) from that contributor in this instance would have exceeded \$1,800.

2. Example 2. Candidate Y in example 1, wishes to obtain the use of the helicopter from the owner for 15 hours, and the campaign committee for the candidate pays to the owner the reasonable commercial value of \$400.00 for each hour, or a total of \$6,000. The amount paid to the owner is not an expenditure within the expenditure limitation contained in section 7 of the act (N.J.S.A. 19:44A-7). On these facts the owner has made no contribution to the candidate.

3. In example 1 and example 2, the total amounts of expenditures, including expenditures not subject to the expenditure limitation of section 7 of the act (N.J.S.A. 19:44A-7), must be reported in the preelection and post-election report filed on behalf of the candidate.

(b) The costs of a political communication as defined in N.J.A.C. 19:25-11.10 which aids or promotes a candidate for Governor, and is undertaken, made or circulated with the cooperation or consent of the candidate, shall be reported by the candidate in the same manner as the receipt of any goods and services, and shall be valued for the purposes of the contribution limit in N.J.A.C. 19:25-16.6 and the expenditure limit in N.J.A.C. 19:25-16.9(a)3 in the same manner as any other contributed goods or services.

19:25-16.36 Corporate or labor organization communications

Communications on any subject by a corporation to its stockholders and their families, or by a labor organization to its members and their families, and non-partisan registration and get-out-the-vote campaigns by a corporation aimed at its stockholders and their families, or by a labor organization aimed at its members and their families, shall not be construed to be in aid of the candidacy of or in behalf of a candidate for election to the office of Governor in any primary election.

(c) Each legislative agent must notify the Commission in writing of any material change in the information supplied in the notice of representation within 15 days of the effective date of such change, or not later than the filing date of the subsequent quarterly report, whichever occurs earlier.

(d) If a legislative agent identifies a membership organization or corporation as the lobbyist or person from whom he or she receives compensation for acting as a legislative agent, and the name or occupation so identified does not, either explicitly or by virtue of the nature of the principal business in which the organization or its members, or the corporation or its shareholders, is commonly known to be engaged, clearly reveal the primary specific economic, social, political, or other interest which the organization or corporation may reasonably be understood to seek to advance or protect through its employment, retainer, or engagement of the legislative agent, a description of that primary economic, social, political, or other interest and a list of the persons having organizational or financial control of the organization or corporation, including the names, mailing addresses and occupations of those persons, shall be included in the notice of representation of the legislative agent.

(b) A legislative agent retained by or representing more than one lobbyist shall, for purposes of determining aggregate threshold expenditure figures pursuant to this section, include receipts and expenditures made on behalf of all of the lobbyists by whom the legislative agent is employed.

Recodified from 19:25-20.4. Revised text. Prior text at section "Annual report" recodified to 19:25-20.13.

19:25-20.10 Receipts

(a) The following receipts of a lobbyist or legislative agent which relate to communication with, or providing benefits to, any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch shall be included in the annual report:

1. Fees, salary, allowance or other compensation paid to a legislative agent. Receipts required to be reported pursuant to this paragraph shall be detailed as to amount, from whom received and for what purpose. A law firm, advertising agency, from whom received and for what purpose. A law firm, advertising agency, public relations firm, accounting firm or similar organization which spends only a portion of its time in legislative or regulatory activity on behalf of a lobbyist shall be required to report only that portion of its fees as are related to influencing legislation or influencing regulation.

2. Contributions, loans (except for loans made in the ordinary course of business on substantially the same terms as those prevailing for comparable transactions with other persons) or membership fees or dues received by a lobbyist. Such contributions, loans, fees or dues received by a lobbyist are reportable if they are made to a lobbyist whose major purpose is to influence legislation, or influence regulation. For purposes of this paragraph, a lobbyist shall be deemed to be engaged in influencing legislation, or influencing regulation, as its major purpose for any calendar year in which expenditures related to such activity constitute more than 50 percent of its total expenditures for all purposes. If, under the above test, it is not the major purpose of the lobbyist to influence legislation, or influence regulation, the contributions, loans, fees and dues received by the lobbyist are not reportable by such organization, unless made to the lobbyist with the specific intent that the contributions, loans, fees or dues be employed to influence legislation, or influence regulation, (in which case they are reportable as outlined below). If the major purpose of the lobbyist is to engage in influencing legislation, or influencing regulation, the contributions, loans, membership fees or dues received by the lobbyist shall be reported hereunder in the aggregate in the same proportion as the activities of the lobbyist are related to influencing legislation, or influencing regulation, along with the name and address of the contributor(s) whose contribution(s), allocated as outlined above, aggregate more than \$100.00 during the calendar year.

Example: Trade Association XYZ engages in a wide range of activities including trade shows, public relations, newsletters to its members, etc., and influencing legislation. This activity is done through a paid contract legislative agent in Trenton as well as by communications by employees of the Trade Association. XYZ expends over \$2,500 during the course of the calendar year on this lobbying activity, although this expense constitutes less than 50 percent of its total expenditures for all purposes for that year. Trade Association XYZ is a lobbyist required to file an annual report. However, it need not report its contributions.

Trade Association EFG has the same fact situation as above, except that Trade Association EFG's lobbying expenses constitute more than 50 percent (e.g., 80 percent) of its expenditures for all purposes for the year. EFG must file an annual report as a lobbyist, including therein an aggregate allocated figure for lobbying contributions made to it (80 percent of each contribution must be allocated to lobbying for reporting purposes; the aggregate is then reported). EFG must also report the name and address of all those contributors whose contributions, after being allocated to lobbying, exceed \$100.00.

19:25-20.11 Expenditures

(a) The following expenditures of a lobbyist or legislative agent which relate to communication with, or providing benefits to, any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch shall be reported in the annual report, and shall be listed in the aggregate by category:

1. Fees, allowances, retainers, salary or other compensation paid by a lobbyist to a legislative agent. Compensation required to be reported pursuant to this subparagraph shall be detailed as to amount, to whom paid and for what purpose and shall include consulting, legal or other fees, for services performed or to be performed, as well as expenses incurred in rendering such services. In the case of a volunteer, the above calculation shall not include any calculation of the value of the time for such volunteer, but shall include only that amount reimbursed to the volunteer for expenditures related to activities to influence legislation, or influence regulation, on behalf of the lobbyist.

2. Pro rata share of salary or other compensation paid to an employee of any organization whose activities on behalf of that organization qualify him or her as a legislative agent.

Example: Jones engages in lobbying activity in New Jersey and Pennsylvania for ABC Corporation. He spends one-half of his time in lobbying activity in New Jersey. Jones' total salary, as reported in his W-2 form, is \$30,000 per year. Since more than 20 hours of his time is spent on lobbying in New Jersey, Jones is a legislative agent for ABC Corporation and one-half of his salary, \$15,000, is allocable to lobbying. ABC Corporation is a reporting lobbyist and must include this amount as an expense.

Smith, another ABC Corporation employee, has spent less than 20 hours of his time on direct lobbying on behalf of his employer and therefore none of his salary is reportable by ABC Corporation.

3. Contributions or membership fees or dues paid by the lobbyist, except that such contributions or fees shall not be deemed to be related to influencing legislation, or influencing regulation, for the purpose of reporting under the Act and this subchapter unless made to a legislative agent with the specific intent to influence legislation or influence regulation, or unless made to a lobbyist whose major purpose is to engage in influencing legislation, or influencing regulation. For the purpose of this paragraph, a lobbyist shall be deemed to be engaged in influencing legislation, or influencing regulation, as its major purpose for any calendar year in which expenditures related to such activity constitute more than 50 percent of its total expenditures for all purposes. Such contributions, fees and dues (other than those made with the specific intent to influence legislation, or influence regulation) made by a lobbyist to an organization, association or union, shall be reportable hereunder in the same proportion as the activities of the organization, association or union are related to influencing legislation, or influencing regulation. Contributions, fees or dues made with the specific intent of influence legislation, influence regulation, or both, shall be reported in full. Contributions, fees or dues required to be reported pursuant to this paragraph shall be reported in the aggregate, along with the name of any organization, association or union to whom the lobbyist made a contribution in excess of \$100.00 for the calendar year (when allocated as set forth above) as well as the date of each contribution, fee or dues.

4. Costs of preparation and distribution of material related to influencing legislation, or influencing regulation, and paid for by a lobbyist or legislative agent, including all disbursements for preparation and distribution of printed materials, correspondence, flyers, publications, films, slides, audio and video recordings and video tapes.

5. Travel and lodging related to influencing legislation, or influencing regulation for the legislative agent.

6. Allocated cost of support personnel for the lobbyist or legislative agent. The allocated cost of any support personnel for the lobbyist or legislative agent shall be

included hereunder if, in relation to the usual duties of their employment, such personnel, individually, spend, over the course of the reporting year 450 hours in activity supporting the activity of the lobbyist or legislative agent in influencing legislation, or influencing regulation.

Example: Smith is in the government affairs department of ABC Corporation, a reporting lobbyist, and spends all of her time engaged in activity related to lobbying. Brown, her secretary, spends his time doing work supporting Smith's activities. Jones, an analyst in the financial department at ABC Corporation, spends 50 percent of his time analyzing legislation for Smith and preparing memoranda to be used in Smith's lobbying activity. King, an attorney in ABC's legal department, does some drafting of proposed legislation for Smith. Over the course of the year, however, this accounts for less than 450 hours of his time at work. ABC Corporation, in its annual report, must include Smith's full salary (under (a)2 above), as well as Brown's full salary and one-half of Jones' salary, as the cost of support personnel. None of King's salary will have to be included on ABC's report.

(b) The following expenditures of a lobbyist or legislative agent which relate to communication with, or providing benefits to, any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch shall be reported in the Annual Report and shall be listed in the aggregate by category, except that if the aggregate expenditures on behalf of any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch exceed \$25.00 per day, or exceed \$200.00 per calendar year, the expenditures, together with the name of the intended recipient of the benefit, shall be stated in detail and shall include the date and type of each expenditure, amount of each expenditure and the name of the person to whom it was paid.

1. Entertainment, including, but not limited to, disbursements for sporting, theatrical and musical events provided to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch, and paid for by a lobbyist or legislative agent.

2. Food and beverages provided to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch, paid for by a lobbyist or legislative agent. Also included are payments by lobbyists or legislative agents for food or beverages for any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch at conferences, conventions, banquets or other similar functions.

3. Travel and lodging expenses paid for by a lobbyist or legislative agent on behalf of any member of the Legislature, legislative staff, the Governor, the Governor's

staff, or an officer or staff member of the Executive Branch.

4. Honoraria paid to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch by a lobbyist or legislative agent.

5. Loans to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch from a lobbyist or legislative agent except for loans from financial institutions made in the ordinary course of business on substantially the same terms as those prevailing for comparable transactions with other persons.

6. Gifts to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch including, but not limited to, material goods or other things of value.

(c) For purposes of reporting under the Act or this subchapter, when an expenditure included in (b) above is made to a member of the immediate family of any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch, such expenditure shall be deemed to be made on behalf of the member of the Legislature, legislative staff, the Governor, the Governor's staff, or the officer or staff member of the Executive Branch whose family member received it. A member of the immediate family shall mean a spouse residing in the same domicile, or any dependent children.
