#### 4A:3-3.6 New titles

(a) The Department of Personnel may determine that a new title or title series is necessary, when it is found that a new set of functions is assigned to the position(s) being reviewed and these new functions are not appropriately described by an existing title or title series.

(b) Requests for new titles or title series must be submitted in writing by the appointing authority to the Department of Personnel on a designated form. In State service, such requests shall be submitted by the agency representative. The request must include:

1. A detailed explanation of why the new title is needed and why an existing title cannot be used or specification modified;
2. Designation of any title to be abolished or replaced; and
3. Any other information requested by the Department of Personnel.

(c) If the Department of Personnel determines that there is a need for a new title or title series, a new job specification will be prepared and in State service the title will be evaluated for compensation purposes.

(d) Pending approval by the Commissioner of a new title or title series, the designation "Tentative Title" may be used for affected positions. See N.J.A.C. 4A:3-4.15 for compensation procedures in State service.

(e) In State service, appeals from a salary evaluation of a new title will be processed in accordance with N.J.A.C. 4A:3-4.3.

(f) The effective date of the creation of a new title by the Commissioner will be:

1. In State service:

i. The beginning of the pay period immediately after 14 days from the date the Department of Personnel receives the new title request and all requested information;

ii. The date of appointment to the Tentative Title; or

iii. An appropriate date as established by the Commissioner when a classification review has been initiated by the Department of Personnel; or

2. In local service, an appropriate date as established by the Commissioner.

Amended by R.1993 d.424, effective September 7, 1993.  
See: 25 N.J.R. 1916(a), 25 N.J.R. 4064(a).

#### 4A:3-3.7 Trainee titles

(a) Trainee titles may be established in State and local service to provide for entry level employment.

1. This section applies to all titles designated by the term "trainee" and to other titles where the specification designates the application of the trainee rule, for example, Correction Officer Recruit.

2. A single trainee title may provide entry level employment for more than one title or title series, under appropriate circumstances.

3. In State service, trainee positions are established by the temporary downward classification of another title.

(b) Positions in competitive trainee titles may only be filled by regular appointments from open competitive, promotional, regular or special reemployment lists, or, in the absence of such lists, by provisional appointments. Positions in noncompetitive trainee titles may only be filled by regular appointments, including appointments from regular or special reemployment lists. Eligibility for promotion to a trainee title shall include open competitive requirements.

(c) Upon regular appointment, trainees must successfully complete their working test periods.

(d) Advancement to the lowest title in the related title series, referred to in this section as the primary title, shall take place only upon successful completion of the training period. The length of the training period shall be designated in the specification for the particular trainee title. The designated length shall not be longer than 12 months, unless otherwise provided by law. The training period must be continuous, except if interrupted by leave or layoff from the trainee title, and may include provisional service in the trainee or higher related title.

(e) The training period shall be extended, upon approval by the Department of Personnel, beyond the time designated in the specification when:

1. The trainee has not yet completed the working test period; or
2. A trainee is serving provisionally and an eligible list for the title has not yet been issued.

(f) The training period may be reduced, upon approval by the Department of Personnel, to a shorter period than designated in the specification when:

1. The trainee has completed the working test period;
2. The trainee meets the minimum qualifications for the primary title; and
3. All trainees in that title in the same appointing authority who meet these conditions are provided with a reduced training period.

(g) The advancement of the successful, permanent trainee to the appropriate primary title shall be accomplished without the usual promotional examination process, but rather by reclassifying the trainee position to an appropriate primary title and by concurrent regular appointment of the trainee to the position.

1. To effect advancement, the appointing authority must certify the trainee's successful completion of the training period, and, for those primary titles requiring extra training courses or the attainment of a proficiency standard over the trainee title requirements, that the trainee has successfully completed such requirements. A trainee may only receive advancement to one of the appropriate primary titles specified for that trainee title.
2. In State service, advancement to a primary title shall coincide with the beginning of a pay period.
3. The inability of a permanent trainee to attain a level of performance warranting advancement to the appropriate primary title shall be considered cause for separation.
4. Trainees advanced to a primary title shall be required to complete a working test period in the primary title. Trainees who fail to successfully complete their working test period in the primary title have no right to return to the trainee position.

Amended by R.1993 d.424, effective September 7, 1993.  
See: 25 N.J.R. 1916(a), 25 N.J.R. 4064(a).

**4A:3-3.8 Intermittent titles: State service**

(a) In State service, the designation "intermittent" shall be used for those titles in the career service where work responsibilities are characterized by unpredictable work schedules and which do not meet the normal criteria for regular, year-round, full-time or part-time assignments.

(b) Intermittent employees may be subject to furlough when due to managerial needs, the employee cannot be scheduled for work within the next week.

1. A furlough shall not be considered a layoff, nor shall the notice obligations or layoff rights set forth in N.J.A.C. 4A:8 be applicable to intermittent employees subject to furlough. However, reasonable advance written notice shall be given to furloughed employees.

2. Furloughing shall be done in the inverse order of seniority in the designated work unit based on official records at the end of the last pay period. Prior to use by the appointing authority, designated work units must be submitted to and approved by the Department of Personnel.

3. Recall from furlough shall be made in seniority order from among furloughed employees assigned to the designated work unit.

4. In case of equal seniority, the tie shall be broken based on the number of hours in pay status under temporary employment during the last two years immediately preceding conversion to an intermittent title.

5. Recall may be extended on a regional or Statewide basis if the recall list for the designated work unit is exhausted.

6. Additional furlough procedures may be set by the Commissioner.

(c) Records for intermittent employees, including hours worked, recall lists, telephone contact lists and benefit time accumulation, shall be maintained by the appointing authority in a manner acceptable to, and subject to audit by, the Department of Personnel.

(d) See N.J.A.C. 4A:4-5.2 for working test periods for intermittent employees.

(e) The following chart indicates the amount of vacation, sick and administrative leave to which intermittent employees are entitled based on accumulated hours of work. See N.J.A.C. 4A:6-2.4(b) for holiday pay.

**4A:3-3.9 Appeal procedure**

(a) An appeal from the classification or reclassification of a position is a request for review, or a complaint that the duties of a specific position do not conform to the approved job specification for the title assigned to that position.

(b) The procedures in this section are applicable to employees in the career and unclassified services.

(c) In State service, a classification appeal from an employee or union representative shall be submitted, in writing, to the agency representative. The appeal must identify the specific duties that do not conform to the specification for the title and, if the appellant proposes a different existing title for the position, an explanation of how that title more accurately describes the duties of the position than the current or proposed title. The appeal should also include a completed position classification questionnaire. If the appellant's supervisor has not signed the questionnaire within five working days of receipt, the appellant may forward the questionnaire to the agency representative without the supervisor's signature but with a notation of the date of presentation to the supervisor.

1. The agency representative shall review the appeal, provide an organization chart and ensure that the information set forth in (c) above has been included. Within 10 days of receipt of the appeal, the agency representative shall either notify the appellant that specific additional

information is required, or shall forward the appeal to the Department of Personnel and so notify the appellant, and may indicate a recommended approval or rejection of the appeal for specified reasons. If additional information is required, the agency representative shall forward the appeal to the Department of Personnel within 10 days of receipt of the appellant's response to the request for additional information.

2. A representative of the Department of Personnel shall review the appeal, request additional information if needed, order a desk audit where warranted, and issue a written decision. The decision letter shall be issued within 60 days of receipt of the appeal and all requested information and shall include a summary of the duties of the position, findings of fact, conclusions, a notice to an employee or authorized employee representative of appeal rights to the Commissioner and a determination that:

- i. The position is properly classified;
- ii. The position is properly classified, but that out-of-title duties are being performed, in which case the representative shall order, in writing, the immediate removal of inappropriate duties within a specified period of time; or
- iii. The position should be reclassified, in which case, normal reclassification procedures shall be initiated immediately.

(d) In local service an appeal from an employee, union representative, or appointing authority shall be submitted, in writing, to the appropriate regional office of the Department of Personnel. The appeal must identify the specific

duties that do not conform to the specification for the title and, if the appellant proposes a different title for the position, an explanation of how that existing title more accurately describes the duties of the position than the current or proposed title. If requested by the Department of Personnel, the appeal should also include a completed position classification questionnaire and an organization chart. If the appellant's supervisor has not signed the questionnaire within five working days of receipt, the appellant may forward the questionnaire to the Department of Personnel without the supervisor's signature but with a notation of the date of presentation to the supervisor.

1. A representative of the Department of Personnel shall review the appeal, request additional information if needed, order a desk audit where warranted, and determine that:

- i. The position is properly classified;
- ii. The position is properly classified, but that out-of-title duties are being performed, in which case the representative shall order, in writing, the immediate removal of inappropriate duties; or
- iii. The position should be reclassified, in which case normal reclassification procedures shall be initiated.

2. The representative's decision letter shall be issued within 60 days of receipt of the appeal and shall include a summary of the duties of the position, findings of fact, conclusions, determination and a notice of appeal rights to the Commissioner.

(e) Appeals to the Commissioner may be made by an employee, authorized employee representative or local appointing authority and shall be submitted in writing, within 20 days of receipt of the decision letter and must include copies of all materials submitted and the determination received from the lower level, state which portions of the determination are being disputed and the basis for appeal. Information and/or argument which was not presented at the prior level of appeal shall not be considered. When new information and/or argument is presented, the appeal may be remanded to the prior level.

1. The Commissioner may render a decision based on the written record or appoint an independent classification reviewer. If the Commissioner appoints an independent classification reviewer to conduct an informal review of the appeal, all parties will be advised of the review date and given the opportunity to present their arguments before the reviewer. An employee may be represented by counsel or by a union representative.

2. The classification reviewer shall submit a report and recommendation to the Commissioner within 30 days of the review. The report and recommendation shall include an analysis of the duties of the position as they relate to the job specification, findings, conclusions, and recommendation. The report and recommendation shall be sent to all parties with notice that exceptions are to be filed within 15 days of receipt of the report and recommendation. Exceptions must be served on all parties. If exceptions are filed, cross-exceptions may be filed within 10 days of receipt of exceptions.

(f) If an appeal is upheld, the effective date of implementation shall be:

1. In State service, the pay period immediately after 14 days from the date the Department of Personnel received the appeal or reclassification request, or at such earlier date as directed by the Commissioner; or
2. In local service, an appropriate date established by the Commissioner.

(g) The decision by the Commissioner is the final administrative determination.

(h) See N.J.A.C. 4A:10-2 for enforcement of determinations by the Commissioner.

Amended by R.1993 d.424, effective September 7, 1993.

3. An appointing authority may request information and technical assistance from the Department of Personnel in developing compensation plans.

(b) In State and local service, the Department of Personnel may audit an appointing authority's payroll records to determine compliance with Title 11A, New Jersey Statutes, Title 4A, N.J.A.C., and orders issued by the Commissioner or the Board.

(c) In local service, payroll records may be audited through on-site examinations, submission of payrolls for specified time periods, or a combination of both. Upon request by the Department of Personnel, an appointing authority shall submit a payroll, certified by an authorized financial officer, which contains the following information and such other information as may be requested:

1. The compensation plan shall establish pay rates and a series of salary ranges.
2. Each employee in the career and unclassified services shall be paid within the salary range or at the pay rate assigned to the employee's job title and pay shall be adjusted in accordance with this subchapter, except as otherwise provided by law, rule or action of the Commissioner.

(a) Each new job title shall be evaluated, and existing job titles reevaluated, based upon the New Jersey Job Content Evaluation System as approved by the Commissioner. Class

codes shall be designated for job titles through this evaluation process. However, the Commissioner may, in appropriate circumstances, designate a job title as no-range, meaning that no class code is designated, or may assign a single rate, and may include restrictions on salary payments for such titles.

(b) Once the class code for a job title is designated, the salary range shall be determined according to workweek and work year as follows (see N.J.A.C. 4A:6-2.2 and 2.3 for designation of workweek):

1. The salary range for NL and NE titles shall be the same as the class code;

35, 3E	17
40, 4E, N4	19
Work Year	
10 Month (NL or NE)	15

**4A:3-4.3 Job reevaluation requests and appeals: State service**

(a) Appointing authorities may request a reevaluation by the Department of Personnel of a job title to determine its proper class code. The request, which shall be submitted through the agency representative, must include a brief rationale for the request, an organization chart, and the requested new salary level. The Department of Personnel may require additional information to be submitted in a manner and form as determined by the Commissioner.

(b) An appeal by an employee or authorized employee representative for a reevaluation shall be submitted, in writing, to the agency representative. The appeal must

identify and explain the areas of substantive change in job content or other change in job evaluation factors through written narrative and a revised job specification, which shall be marked to indicate changes, and include evidence that the change in job content affects all employees in the title. The Department of Personnel may require additional information to be submitted in a manner and form as determined by the Commissioner.

1. The agency representative shall review the appeal and ensure that the information set forth in (b) above has been included. Within 10 days of receipt of the appeal, the appointing authority representative shall either notify the appellant that specific additional information is required, or shall forward the appeal to the Department of Personnel and so notify the appellant, and may indicate a recommended approval or rejection of the appeal for specified reasons. If additional information is required, the agency representative shall forward the appeal to the Department of Personnel within 10 days of receipt of the appellant's response to the request for additional information.

(c) A representative of the Department of Personnel shall review the request or appeal and render a written decision. A written decision on evaluation appeals shall be rendered within 60 days of receipt of all required information. The decision letter shall include a notice of appeal rights to the Commissioner in the case of an appeal by an employee or authorized employee representative.

(d) Any affected employee or authorized employee representative may appeal the determination to the Commissioner within 20 days of its receipt. The appeal shall contain all information which was presented to the prior level, a statement identifying the specific portions of the prior level determination being contested, and the basis for appeal. The appellant shall provide copies to all parties.

(e) The Commissioner may render a decision based on the written record or appoint an independent salary reviewer. All parties, either personally, through counsel or authorized union representative, shall have the opportunity to present argument. Information and/or argument which was not presented at a prior level of appeal shall not be considered.

1. If a salary reviewer is appointed, he or she shall submit a report and recommendation to the Commissioner within 30 days after the review.

2. The report and recommendation shall be sent to all parties. Exceptions may be filed within 15 days of receipt of the report and recommendation. If exceptions are filed, cross-exceptions may be filed within 10 days of receipt of the exceptions. Exceptions and cross-exceptions shall be served on all parties.

(f) A decision by the Commissioner is the final administrative determination.

(g) If a title is approved for reevaluation, the effective date of the reevaluation shall be the first full pay period following the receipt by the Department of Personnel of a fully documented request for reevaluation under (a) above or a fully documented appeal under (b) above.

Amended by R.1993 d.424, effective September 7, 1993.  
See: 25 N.J.R. 1916(a), 25 N.J.R. 4064(a).

#### **4A:3-4.4 Salary rates for initial appointments: State service**

(a) An appointing authority may place a new employee at a salary step up to and including the fourth step of the salary range for the employee's title. A new employee, for purposes of this section, is one who has had no immediate prior State service with that appointing authority. See N.J.A.C. 4A:4-7.4(b) for transfers.

(b) When the employee has separated from another State appointing authority, a State college, Rutgers, the State University, the New Jersey Institute of Technology, or the University of Medicine and Dentistry of New Jersey, and has been hired without an interruption in service, the employee may be placed up to and including that step of the salary range that the employee would receive if the employee had been continuously employed in the new agency.

(c) An authorized hiring rate (AHR) is the set salary for initial appointments to particular job titles as established by the Commissioner. When an AHR is established or changed, current employees in such titles whose salaries are below the AHR shall be advanced to the AHR, and current employees in such titles whose salaries are the same as the AHR may be advanced by the Commissioner.

Amended by R.1993 d.424, effective September 7, 1993.  
See: 25 N.J.R. 1916(a), 25 N.J.R. 4064(a).

#### **4A:3-4.5 Anniversary dates: State service**

(a) An anniversary date is the biweekly pay period in which an employee is eligible, if warranted by performance and place in the salary range, for a salary increase.

1. An employee's anniversary date shall be assigned upon initial appointment to the first pay period following the completion of 26 full pay periods after appointment. In years which contain 27 pay periods, anniversary dates shall be determined in accordance with a schedule issued by the Department of Personnel.

**EXAMPLE:** An employee is appointed to a position on Monday, August 16, 1993. The first full pay period following the date of appointment is pay period 18, which begins on August 21, 1993. The employee's anniversary date is pay period 18 in calendar year 1994, expressed as 18/94.
