The official blog of The Port Authority of New York & New Jersey. Stories about the work we do to keep the region moving safely through world-class transportation infrastructure that is essential to its economic growth and vitality.

Agency's Link to NY Airports Keeps Queens and Spirit of Diverse Community Close to Heart

05.30.2023

To round out Asian American Pacific Islander Heritage month, the Port Authority's New York director of government and community affairs shares how personal background, a pivotal internship and a deep love for Queens can help give voice to communities seeking economic equality.
