19:45-1.46 Procedure for control of coupon redemption and other complimentary distribution programs

(a) For the purposes of this chapter, a complimentary distribution program is a contest or promotion pursuant to which complimentary services or items are provided directly or indirectly by a casino licensee to the public without regard to the identity or level of gaming activity of the individual recipients. The procedures contained in (c) through (t) below shall apply to casino licensees offering coupon redemption complimentary distribution programs which entitle patrons to use match play coupons or to redeem coupons for complimentary cash, gaming chips, slot tokens or simulcast wagers issued in connection with bus and other complimentary distribution programs. No match play coupons, complimentary cash, gaming chips or slot tokens may be distributed, or complimentary simulcast wagers accepted, by a casino licensee under any coupon redemption complimentary distribution program that does not comply with the requirements of this section. Detailed procedures controlling complimentary distribution programs regulated by (c) through (t) below shall be prepared prior to implementation and maintained by the casino accounting department.

(b) Detailed procedures controlling all complimentary distribution programs entitling patrons to complimentary cash or slot tokens not regulated by (a) above shall be prepared prior to implementation of the programs and shall be maintained by the casino accounting department. Complimentary items or services, including cash, slot tokens or simulcast wagers, distributed through programs regulated by this subsection shall be reported in accordance with the procedures contained in (m) and (o) below.

(c) Each coupon or part thereof issued by a casino licensee directly or through an authorized vendor shall only be redeemable for a specific amount of cash, gaming chips, slot tokens or simulcast wagers.

(d) All coupons issued pursuant to this section shall contain a serial number and each series of coupons shall be issued in sequential order. Each coupon shall be printed with a description of what is being offered, the location where which it may be redeemed, and either a statement specifying the date on which the coupon becomes invalid or some other means to indicate the date when a coupon becomes invalid. If a coupon is of a type that is devisable into sections or is multipart, each such separate part or copy shall contain the information required by this subsection.

(e) The provisions of this subsection and (f) through (h) and (k) below shall only apply to coupons that will be distributed directly to patrons by a casino licensee. Coupons received by a casino licensee from a manufacturer or distributor or produced internally by the casino licensee pursuant to (t) below shall be opened and examined by at least one member of the accounting department. Any deviations between the invoice or control listing accompanying the coupons, the purchase or requisition order, and the actual coupons received shall be reported promptly to the supervisor of the casino accounting department or to a higher authority in a direct reporting line and the Internal Audit Department.

1. Upon examination of the coupons received, the casino licensee shall cause to be recorded in a Coupon Control Ledger the type and quantity of coupons received, the date of such receipt, the beginning serial number, the ending serial number, the new quantity of unissued coupons on hand, the purchase order or requisition number, any deviations between the number of coupons ordered and received and the signature of any individual who examined such coupons.

2. All unissued coupons shall be stored in a secured and locked area, controlled by an accounting department supervisor.

3. A representative from the accounting department shall prepare a monthly inventory of unissued coupons. Any deviations between the coupon inventory and the Coupon Control Ledger shall be reported to the Casino Controller or to a higher in a direct reporting line.

4. For purposes of this section, "accounting department" shall be deemed to refer to any accounting personnel employed by the casino licensee who report in a direct line to the supervisor of the casino accounting department.

(f) A representative of the casino licensee shall estimate the number of coupons needed by shift each day. An accounting department representative shall obtain the quantity of coupons to be issued. If a date indicating when the coupon becomes invalid is not preprinted thereon, the accounting department representative shall affix a stamp indicating the date the coupon becomes invalid or shall issue color coded coupons indicating the date that the coupons become invalid. The following, at a minimum, shall be recorded in the Coupon Control Ledger:

1. The date the coupons were issued;
2. The type of coupons issued;
3. The beginning serial number of the coupons issued;
4. The ending serial number of the coupons issued;
5. The quantity issued and the quantity remaining; and

6. The signatures of the accounting department representative issuing the coupons and such other department's representative receiving the coupons.

(g) The casino licensee shall require unused coupons obtained from the accounting department representative to be stored in a locked cabinet until they are distributed to patrons. Any coupons remaining unused at the end of a shift shall either be returned to the accounting department for receipt and redistribution or kept for use by the following shift provided accountability between shifts is maintained. All expired coupons must be returned to the accounting department on a daily basis. Any coupons that are not used by the date indicated on the coupons when they become invalid shall be voided when returned to the accounting department.

(h) Documentation, as required by the casino licensee, shall be prepared by a representative of the casino licensee for the distribution of coupons to patrons. The documentation shall have the following information, at a minimum, recorded on it:

1. The date and time or shift of preparation;
2. The type of coupons used;
3. The beginning serial number of the coupons used;
4. The ending serial number of the coupons used;
5. The total number of coupons used;

8. The signature(s) of the casino licensee's representative who distributed the coupons.

(i) A coupon redeemable for gaming chips, a match play coupon and a progressive wager coupon shall be designed and printed so that the denomination and type of the coupon is clearly visible from the closed circuit television system when accepted or being wagered at a gaming table and when deposited in a drop box. A match play coupon shall contain an area designated for the placement thereon of the required gaming chips, which area shall be located on the coupon so as not to obscure or interfere with visibility of the type and denomination of the coupon. No casino licensee shall issue or use a match play coupon or a progressive wager coupon for gaming purposes until a sample coupon has been submitted to and approved by the Commission.

(j) Coupons shall be redeemed in the following manner:

1. Coupons redeemable for coin, currency or slot tokens shall only be redeemed by changepersons or at the slot or keno booths or the cashiers' cage. A changeper-

son, slot cashier or general cage cashier shall accept the coupons in exchange for the stated amount of cash or slot tokens, or a keno writer shall accept the coupons in exchange for the stated amount of cash or keno ticket, and shall cancel the coupons upon acceptance. A coupon redeemable for currency may also be redeemed by slot attendants, who shall accept the coupon in exchange for the stated amount of currency and shall cancel the coupon upon acceptance. Cancellation of coupons by changepersons and slot attendants shall be in a manner that will permit subsequent identification of the individual who accepted and canceled the coupon.

i. Redeemed coupons shall be maintained by the slot or general cashier or keno writer and shall be exchanged with the Main or Master Coin Bank at the conclusion of gaming activity each day, at a minimum.

ii. Notwithstanding the above, an automated coupon redemption machine or bill changer may be utilized to accept coupons provided that the acceptance of coupons by an automated coupon redemption machine complies with this section and N.J.A.C. 19:45-1.46A or the acceptance of coupons by a bill changer complies with this section and N.J.A.C. 19:45-1.46B. If coupons are mailed to a patron pursuant to (q) or (r) below, an automated coupon redemption machine or bill changer may be used for redemption only if these devices have the capability to perform and document the verification required by (q)5 below and to verify and document the identity of the patron as required by (q)6 below.

2. Coupons redeemable for simulcast wagers shall only be accepted by casino pari-mutuel cashiers at the simulcast counter in exchange for the simulcast wagers stated on the coupons. Cancellation of coupons by casino pari-mutuel cashiers shall be in a manner that permits subsequent identification of the individual who accepted and canceled the coupon. Redeemed coupons shall be maintained by the casino pari-mutuel cashier, or in the simulcast vault, and shall be exchanged with the Main Bank for a like amount of cash not less frequently than at the conclusion of each day.

3. A coupon redeemable for gaming chips shall be redeemed only:

i. At a gaming table and only by a dealer or boxperson, who shall, in accordance with N.J.A.C. 19:45-1.18, accept the coupon in exchange for the stated amount of gaming chips and shall deposit the coupon into the drop box upon acceptance; or

ii. By a chipper, who shall accept the coupon only from a patron seated at a poker table at which a game is in progress, in exchange for the stated amount of gaming chips and shall cancel the coupon upon acceptance. The coupon shall be cancelled in a manner that will permit subsequent identification of the individual who accepted and cancelled the coupon. The cancelled

coupons shall be exchanged with the main bank at the conclusion of the chipperson's shift, at a minimum.

4. A match play coupon shall be redeemed only at a gaming table which offers an authorized game in which patrons wager only against the house and, except for the Pass and Don't Pass wagers in craps and the Red, Black, Odd, Even, 1-18, 19-36, 1st 12, 2nd 12, and 3rd 12 wagers in roulette, which has an individual betting area for each player on the gaming table layout. Such a coupon shall be redeemed only by a dealer, and only if accompanied by the proper amount of gaming chips required by the coupon. The dealer shall, in accordance with N.J.A.C. 19:45-1.18, accept the coupon as part of the patron's wager and deposit the coupon into the drop box after the wager is won or lost.

5. A progressive wager coupon shall be redeemed only at an authorized game offering progressive payout wagers pursuant to N.J.A.C. 19:45-1.39B. Such a coupon shall be redeemed only by a dealer. The dealer shall, in accordance with N.J.A.C. 19:45-1.18, redeem the progressive wager coupon by placing a chip from the table inventory container that is equal in value to the progressive wager coupon into the progressive wager acceptor device and depositing the progressive wager coupon immediately into the drop box.

(k) When unused and expired coupons are returned to the Accounting Department, a representative of the accounting department shall record the following information in the Coupon Control Ledger:

ii. Total number of coupons mailed by an authorized vendor, returned by the post office and redeemed;

4. Subsequently recorded; and

5. Maintained and controlled by the accounting department until destruction of the coupons is approved by the Commission.

(m) Each casino licensee shall:

1. Prepare a quarterly report for all programs regulated by (a) above, which shall list, by type of coupon, the total number of coupons used, the total number of coupons redeemed, the total value of the complimentary cash, gaming chips, slot tokens, match play coupons, progressive wager coupons or simulcast wagers given to patrons in redemption of coupons and any liability to patrons remaining on unredeemed coupons, which report shall be made available upon request by the Commission or Division; and

Such report shall be made available upon request by the Commission or Division.

(n) The report shall be signed by the Casino Controller, or a higher authority in a direct reporting line, indicating that no material discrepancies were noted for the period covered by the report or if a material discrepancy is noted it shall be explained in detail.

(o) In addition to the reports required in (m) above, the casino licensee shall accumulate both the dollar amount of and the number of persons redeeming coupons pursuant to (a) above, and the dollar amount of and the number of persons receiving complimentary items or services pursuant to (b) above, and shall include this information on the quarterly complimentary report required by N.J.A.C. 19:45-1.9. Complimentary items or services, including match play coupons and progressive wager coupons, cash, gaming chips, slot tokens and simulcast wagers, distributed through programs regulated by this section shall not be subject to the daily complimentary reporting requirements imposed pursuant to N.J.A.C. 19:45-1.9.

(p) Prize tokens shall not be distributed as complimentary services or items pursuant to this section.

(q) A casino licensee that intends to mail coupons regulated by (a) above directly to its patrons shall not be required to comply with the requirements of (h) above but shall be required to include the following additional procedures, at a minimum, in its internal controls:

1. The casino licensee shall prepare and maintain in its computer system, for the time period during which the coupon is valid, a list of each patron to whom a coupon shall be mailed, which list shall include, at a minimum, the following information:

- i. The patron name;
- ii. The patron address;

3. The information required by (q)1 above shall be provided to the accounting department, which shall maintain this information for purposes of the reconciliation required by (l) above.

4. The envelopes used to mail the coupons shall include the casino licensee's address as the return address and shall request the return of the envelope to the sender if not deliverable to the addresses. The return of any coupon by the post office shall be recorded by the casino licensee in its computer system.

5. Prior to the redemption of a coupon issued pursuant to this subsection or upon electronic cancellation pursuant to (s) below, the casino licensee shall be required to verify the validity of the coupon by comparing the information maintained in its computer system pursuant to (q)1 above or a control number, which is derived from the patron's identification number and the coupon's serial number, with the information or control number recorded in the coupon's bar code or magnetic strip. This verification of the information required in (q)1 above may be performed electronically. The casino licensee shall not redeem the coupon unless the casino licensee also confirms that:

- i. The coupon has not expired; and
- ii. The coupon has not been previously redeemed.

6. Prior to redemption of any coupon with a value of more than \$100.00 issued pursuant to this subsection, the casino licensee shall be required to verify the identity of the patron in order to confirm that he or she is the person to whom the coupon was mailed.

7. All coupons issued pursuant to this subsection shall be redeemed in accordance with (j) above and shall be electronically canceled in the casino licensee's computer system immediately upon redemption or in accordance with (s) below so as to preclude subsequent redemption of the same coupon. On a daily basis, a report shall be generated of all coupons that are electronically canceled. This report shall contain, at a minimum, a list of the serial numbers of the canceled coupons and shall be forwarded, on a daily basis, to the accounting department for purposes of the reconciliation required by (l) above.

Within 48 hours of mailing any coupons, the vendor shall provide documentation to the casino licensee's accounting department regarding the coupons that were printed and mailed. This documentation shall include the serial numbers of the coupons that were printed and mailed and a representation, signed by an officer or partner of the vendor, that only the coupons requested by the casino licensee were printed and mailed and that any misprints were destroyed.

3. The vendor may include material other than the coupon in the mailing if authorized by the casino licensee.

4. The casino licensee shall develop procedures for reconciling the total number of coupons authorized for issuance by the casino licensee pursuant to (r)1 above to the total number of coupons mailed by the vendor, returned by the post office and redeemed by patrons and shall calculate the daily outstanding liability of the casino licensee for unredeemed coupons issued pursuant to this subsection.

(s) Notwithstanding (q)5 and 7 above, a casino licensee may accept a coupon which has been mailed to a patron without first verifying its validity and without immediately canceling the coupon electronically in the computer system if:

5. The coupon is verified in the computer system, pursuant to (q)1 and 5 above, and electronically canceled in the system within eight hours of acceptance; provided, however, that a coupon accepted by a dealer at a gaming table and deposited into that table's drop box may be verified and canceled when the drop box is removed from the table and taken to the count room.

(t) A casino licensee may, through its MIS department or any other department as approved by the Commission, internally manufacture or print coupons that are governed by (a) above provided that internal controls governing the production and subsequent reconciliation of such coupons are submitted to and approved by the Commission.
