For the purposes of this section, "complimentary cash or non-cash gift" does not refer to any complimentary service or item which is provided pursuant to N.J.S.A. 5:12-102m(1) through (3), N.J.A.C. 19:45-1.9(f), 19:45-1.9(h) or 19:45-1.46. Complimentary cash gifts shall include, without limitation:

1. Public relations payments made for the purpose of resolving complaints by or disputes with casino patrons;

6. Match play coupons.

(b) Except as otherwise provided in N.J.A.C. 19:45-1.9(e), all complimentary cash and noncash gifts provided by a casino licensee shall be recorded in accordance with the provisions of N.J.A.C. 19:45-1.9(e). If a complimentary cash or noncash gift has a value of \$500.00 or more, the casino licensee shall also:

1. Record the address of the recipient;
2. Verify the identity of the recipient by an examination of identification credentials which contain a photograph or physical description of the recipient, through a signature comparison to the patron's credit file, or by a personal attestation by an authorized employee, which may include an attestation made after a telephone call to the recipient of the gift, or the receipt of a document signed by the recipient acknowledging the receipt of the gift; and
3. Record the method of verification.

(c) All complimentary cash gifts shall be disbursed directly to the patron by a general cashier at the cashiers' cage after receipt of appropriate documentation or in any other manner approved by the Commission in a casino licensee's internal control submission.

(d) Notwithstanding the provisions of N.J.A.C. 19:45-1.9(b), no casino licensee shall permit any employee to authorize the issuance of a complimentary cash or non-cash gift with a value of \$10,000 or more unless the employee is licensed and functioning as a casino key employee and the authorization is co-signed by a second employee licensed and functioning as a casino key employee.

(e) If a casino licensee provides complimentary cash and noncash gifts worth \$10,000 or more to a person or his or her guests within any five day period, the casino licensee shall record the reason why such gifts were provided and maintain such records available for inspection by the Commission or Division upon request. Such reasons may include, without limitation, the participation of the person in a complimentary program for invited guests conducted pursuant to N.J.A.C. 19:45-1.9(g) or information concerning the person's player rating, which rating shall be based upon the actual amount and frequency of play by the person as recorded in the casino licensee's player rating system.

(f) Each casino licensee shall submit to the Division a report listing each person who has received \$10,000 or more in complimentary cash and noncash gifts within any five day period ending during the preceding month. Such report shall be filed by the last business day of the following month and shall include the total amount of complimentary cash or noncash gifts provided to each person.

(g) No casino licensee shall provide to any patron, during any 12-month period, complimentary cash gifts which exceed the greater of:

The casino licensee's theoretical win from that patron during that same 12-month period, as reasonably determined from data contained in the player rating system of the casino licensee; provided, however, that each casino licensee shall include in its procedures developed in accordance with N.J.A.C. 19:45-1.9(b), the mathematical formula by which it calculates its theoretical win from the information contained in its player rating system; or
2. The actual gaming losses of the patron to that casino licensee during that same 12-month period as reasonably determined from data contained in the player rating system of the casino licensee; or
3. \$25,000.

(h) Notwithstanding the provisions of (g) above, complimentary cash gifts which are provided to persons pursuant to complimentary incentive programs regulated by N.J.A.C. 19:45-1.9(f), complimentary programs for invited guests regulated by N.J.A.C. 19:45-1.9(g), direct mass marketing complimentary distribution programs regulated by N.J.A.C. 19:45-1.9(h) or complimentary distribution programs regulated by N.J.A.C. 19:45-1.46 shall be governed by any limitations contained in those respective rules and shall not be subject to the annual limits specified in (g) above.

Additionally, match play coupons and complimentary cash gifts of \$100.00 or less shall not be subject to the annual limitations specified in (g) above.

(i) Each casino licensee which purchases a noncash gift for the direct or indirect benefit of a patron shall require the vendor from which the gift is purchased to deliver the gift directly to the casino licensee or the patron. The casino licensee shall also require the vendor to pay to the casino licensee directly any refund or cash balance generated by the return or exchange of the gift by the patron or any representative of the patron.

(j) If a noncash gift to be purchased from a vendor by a casino licensee for the direct or indirect benefit of a patron has a purchase price of \$2,000 or more, the purchase shall be authorized by a written agreement or purchase order, a copy of which shall be maintained by the casino licensee in its files for inspection upon request, and shall include a provision in substantially the following form:

"Pursuant to the requirements of New Jersey law, the seller agrees not to effect any transaction with (name of the patron), directly or indirectly, involving the item(s) purchased pursuant to this purchase agreement after delivery without the express written approval of (the casino licensee). If the seller violates this condition of purchase, the seller agrees that this purchase agreement shall be null and void, and the seller further agrees to return this full purchase price of the item(s) purchased pursuant to this purchase agreement to (the casino licensee) as liquidated damages."

(k) Notwithstanding any other provisions of this section, a casino licensee which intends to provide a complimentary cash gift to a patron in accordance with the requirements of N.J.S.A. 5:12-102m and this chapter may, upon receipt of a written request from the patron and in accordance with internal controls approved by the Commission, credit the cash complimentary directly to:

19:45-1.15A Accounting controls within the simulcast counter

(a) Whenever a casino pari-mutuel cashier begins a shift, he or she shall commence with an amount of currency and coin to be known as the "simulcast inventory," and no casino simulcasting facility shall cause or permit currency, coin, gaming chips, slot tokens or coupons to be added to, or removed from, such simulcast inventory during such shift except:

1. In collection of simulcast wagers;
2. In collection for the issuance of credit vouchers;
3. In payment of winning or properly cancelled or refunded pari-mutuel tickets;

4. In payment for credit vouchers; or

5. In exchanges with the cashiers' cage, a satellite cage or simulcast vault.

(b) A "simulcast count sheet" shall be completed and signed by the simulcast shift supervisor at the simulcast vault and the following information, at a minimum, shall be recorded thereon at the commencement of a shift:

1. The date, time and shift of preparation;
2. The denomination of currency and coin in the simulcast inventory issued to the casino pari-mutuel cashier;
3. The total amount of each denomination of currency and coin in the simulcast inventory issued to the casino pari-mutuel cashier;
4. The pari-mutuel window number to which the casino pari-mutuel cashier is assigned; and
5. The signature of the simulcast shift supervisor in the simulcast vault.

(c) The casino pari-mutuel cashier assigned to the pari-mutuel window shall count the simulcast inventory in the presence of the simulcast shift supervisor at the simulcast vault and shall agree the count to the simulcast count sheet. The casino pari-mutuel cashier shall sign the count sheet attesting to the accuracy of the information recorded thereon.

(d) The simulcast inventory shall be placed in a cashier's drawer and transported directly from the simulcast vault to the appropriate pari-mutuel window by the casino pari-mutuel-cashier.

(e) At the conclusion of a casino pari-mutuel cashier's shift, the cashier's drawer and its contents shall be transported directly to a designated area in the simulcast counter, where the casino pari-mutuel cashier shall count the contents of the drawer and record the following information, at a minimum, on the simulcast count sheet:

1. The date, time and shift of preparation;

(g) If the pari-mutuel window net for the shift as generated by the RMC does not agree with the simulcast count sheet total plus the simulcast inventory, the simulcast shift supervisor shall record any overage or shortage. If the count does not agree, the casino pari-mutuel cashier and the simulcast shift supervisor shall attempt to determine the cause of the discrepancy in the count. If the discrepancy cannot be resolved by the casino pari-mutuel cashier and the simulcast shift supervisor, such discrepancy shall immediately be reported to the simulcast counter manager, or casino accounting department supervisor in charge at such time, the security department and the Division verbally. If the discrepancy is \$250.00 or more, a security department member will then complete the standard security report in writing, as approved by the Division, and immediately forward a copy to the Commission and the Division.

19:45-1.16 Drop boxes and slot cash storage boxes

(a) Each gaming table in a casino or casino simulcasting facility shall have attached to it a secure metal container known as a "drop box" in which shall be deposited all cash, coupons exchanged at the gaming table for gaming chips and plaques, match play coupons, issuance copies of Counter Checks exchanged at the gaming table for gaming chips and plaques, documents that evidence the exchange of gaming chips or plaques as part of credit or debit card chip transactions, duplicate Fill and Credit Slips, Requests for Credit forms, Requests for Fill forms, and Table Inventory forms. Each drop box shall have:

1. Two separate locks securing the contents placed into the drop box, the keys to which shall be different from each other;
2. A separate lock securing the drop box to the gaming table, the key to which shall be different from each of the keys to locks securing the contents of the drop box;
3. A slot opening through which currency, coins, coupons, forms, records, and documents can be inserted into the drop box;
4. A mechanical device that will automatically close and lock the slot opening upon removal of the drop box from the gaming table; and
5. Permanently imprinted or impressed thereon, and clearly visible from a distance of 20 feet, a number corresponding to a permanent number on the gaming table to which it is attached and a marking to indicate game and shift, except that emergency drop boxes may be maintained without such number or marking, provided the word "emergency" is permanently imprinted or impressed thereon and, when put into use, are temporarily marked with the number of the gaming table and identification of the game and shift, and provided further, that the casino licensee obtains the express written approval of the Commission before placing an emergency drop box into use.

(b) Each bill changer in a casino shall have contained in it a secure metal container known as a "slot cash storage box" in which shall be deposited all cash and coupons inserted into the bill changer. Each slot cash storage box shall:

1. Have two separate locks securing the contents of the slot cash storage box, the keys to which shall be different from each other, and shall also comply with the requirements of N.J.A.C. 19:45-1.36;
2. Have a slot opening through which currency and coupons can be inserted into the slot cash storage box;
3. Have a mechanical arrangement or device that prohibits removal of currency and coupons from the slot opening whenever the slot cash storage box is removed from the bill changer;
4. Be fully enclosed, except for such openings as may be required for the operation of the bill changer or the slot cash storage box; provided, however, that the location and size of such openings shall not affect the security of the slot cash storage box, its contents or the bill changer, and shall be approved by the Commission and the Division; and
5. Have an asset number that is permanently imprinted, affixed or impressed on the outside of the slot cash storage box which corresponds to the asset number of the slot machine to which the bill changer has been attached. In lieu of the asset number, a casino licensee may develop and maintain, with prior Commission approval, a system for assigning a unique identification number to its slot cash storage boxes, which system ensures that each slot cash storage box can readily be identified, either manually or by computer, when in use with, attached to, and removed from a particular bill changer. Each such unique identification number shall be permanently imprinted, affixed or impressed on the outside of each slot cash storage box that does not otherwise bear an asset number. The asset number or unique identification number must be conspicuous and clearly visible to persons involved in removing or replacing the slot cash storage box in the bill changer and through the casino licensee's closed circuit camera coverage system. The size and location of the asset number or unique identification number are subject to prior approval by the Commission. In addition, emergency slot cash storage boxes may be maintained without such numbers, provided the word "emergency" is permanently imprinted, affixed or impressed thereon, and when put into use, are temporarily marked with the asset number of the slot machine to which the bill changer is attached, and provided further, that the casino obtains the express written approval of the Commission before placing an emergency slot cash storage box into use.

(c) The key utilized to unlock the drop boxes from the gaming tables shall be maintained and controlled by the security department.

(d) The key to one of the locks securing the contents of a drop box and to one of the locks securing the contents of a slot cash storage box shall be maintained and controlled by the accounting department. The key to the second lock securing the contents of the drop boxes and slot cash storage boxes shall be maintained and controlled by Commission inspectors.

(a) Each casino licensee shall place on file with the Commission and the Division a schedule setting forth the specific times at which the drop boxes will be brought to or removed from the gaming tables and slot cash storage boxes will be brought to or removed from the bill changers. Each casino licensee shall also maintain and make available to the Commission and the Division upon request, the names and license numbers of all employees participating in the transportation of such drop boxes and slot cash storage boxes. Whenever a slot supervisor, attendant or mechanic requests coins, slot tokens or prize tokens to fill a hopper or a hopper storage area of a slot machine, he or she shall obtain a properly completed and signed Hopper Fill Slip ("Hopper Fills") from a slot cashier, general cashier or master coin bank cashier.

2. Hopper Fills shall be serially prenumbered forms, each series of Hopper Fills shall be used in sequential order, and the series numbers of all Hopper Fills received by a casino licensee shall be accounted for by employees independent of the cashiers' cage and the slot department. All original and duplicate void Hopper Fills shall be marked "VOID" and shall require the signature of the preparer. Notwithstanding the above, a serially prenumbered combined Jackpot Payout/Hopper Fill form may be utilized in conjunction with N.J.A.C. 19:45-1.40(b), as approved by the Commission, provided that the combined form shall be used in a manner which otherwise complies with the procedures and requirements established by this section.

3. For establishments in which Hopper Fills are manually prepared, the following procedures and requirements shall be observed:

i. Each series of Hopper Fills shall be a three-part form, at a minimum, and shall be inserted in a locked dispenser that will permit an individual slip in the series and its copies to be written upon simultaneously while still locked in the dispenser, and that will discharge the original and duplicate while the triplicate remains in a continuous, unbroken form in the dispenser; and

ii. Access to the triplicates shall be maintained and controlled at all times by employees responsible for controlling and accounting for the unused supply of Hopper Fills, placing Hopper Fills in the dispensers, and removing from the dispensers the triplicates remaining therein.

4. For establishments in which Hopper Fills are computer prepared, each series of Hopper Fills shall be a two-part form, at a minimum, and shall be inserted in a printer that will: simultaneously print an original and a duplicate and store, in a machine-readable form, all information printed on the original and duplicate; and discharge the original and duplicate. The stored data shall not be susceptible to change or removal by any personnel after preparation of a Hopper Fill.

5. On originals, duplicates and triplicates, or in stored data, the Hopper Fill shall include, at a minimum, the following information:

i. The asset number of the slot machine to which the coins, slot tokens or prize tokens are to be distributed;

ii. The date and shift during which the coins, slot tokens or prize token are distributed;

iii. The denomination of the coin, slot tokens or prize tokens that are to be distributed;

iv. The amount of coins, slot tokens or prize tokens that are to be distributed;

v. The location from which the coins, slot tokens or prize tokens are distributed;

vi. The signature and, if computer prepared, the identification code of the preparer;

vii. The signature or identification code of the person requesting coins, slot tokens or prize tokens to fill the hopper (on the original and the duplicate only); and

viii. Whether the coins, slot tokens or prize tokens are to be placed in the slot machine's all-purpose hopper or payout-only hopper, or in its corresponding hopper storage area.

6. The time of preparation of the Hopper Fill shall be recorded at a minimum, on the original and duplicate upon preparation.

7. All coins, slot tokens or prize tokens distributed from a slot booth, master coin bank or the cashiers' cage to a slot machine or its corresponding hopper storage area shall, during their transportation directly to the machine and until their deposit into the appropriate hopper, remain in pre-wrapped secured bags; provided, however, that:

i. A casino security department member shall transport the pre-wrapped secured bags containing loose coin, slot tokens or prize tokens directly to the slot machine or its corresponding hopper storage area, accompanied by the duplicate Hopper Fill for signature;

ii. The secured bags in which prize tokens are transported shall have sufficient identifying features, approved by the Commission, to distinguish those bags and their contents from the secured bags in which coins or slot tokens are transported; and

iii. The casino security department member shall observe the deposit of the coins, slot tokens or prize tokens in the appropriate slot machine hopper or the slot machine's corresponding hopper storage area, and the closing and locking of the slot machine or its corresponding hopper storage area by the slot mechanic or slot attendant before obtaining the signature of the slot mechanic or attendant on the duplicate copy of the Hopper Fill.

8. A slot mechanic who participates in filling a slot machine hopper shall inspect the slot machine and determine if the empty hopper resulted from a machine malfunction. A slot attendant participating in a hopper fill shall review the Machine Entry Authorization Log and alert a slot mechanic to inspect the slot machine if the entries in the log indicate a consistent malfunction problem.

9. Signatures attesting to the accuracy of the information contained on the Hopper Fill shall be, at a minimum, of the following personnel at the following times:

i. The original:

(1) The slot cashier, master coin bank cashier or general cashier—upon preparation; and

(2) The security department member transporting the coins, slot tokens or prize tokens to the slot machine—upon receipt from the cashier of the coins, slot tokens or prize tokens to be transported; and

ii. The duplicate:

(1) The slot cashier, master coin bank cashier or general cashier—upon preparation;

(2) The security department member transporting the coins, slot tokens or prize tokens to the slot

machine—upon receipt from the cashier of coins, slot tokens or prize tokens to be transported; and

(3) The slot mechanic or attendant—after depositing the coins, slot tokens or prize tokens in the appropriate hopper of the slot machine and closing and locking the slot machine.

10. Upon meeting the signature requirements as described in (b)9 above, the security department member shall maintain and control the duplicate and the slot cashier, master coin bank or general cashier shall maintain and control the original of the Hopper Fill Slip.

11. At the end of each gaming day, at a minimum, the original and duplicate Hopper Fill Slip shall be forwarded as follows:

i. The original Hopper Fill Slip shall be forwarded, in exchange for coin, currency or credit, to the master coin bank if prepared by a slot cashier or to the main bank if prepared by a general cashier. All original Hopper Fill Slips received or prepared by the master coin bank or received by the main bank shall then be forwarded to the accounting department, which, as reasonably practicable after receipt, shall confirm that the information on the original Hopper Fill agrees with the information on the triplicate or in stored data.

ii. The duplicate Hopper Fill Slip shall be forwarded directly to the accounting department, which, as reasonably practicable after receipt, shall record the information from the Hopper Fill Slip on the Slot Win Sheet, and shall confirm that the information recorded on the Hopper Fill Slip agrees with the meter readings recorded on the Slot Meter Sheet and with the information on the triplicates or in stored data.

(c) Each slot machine hopper may be filled from its corresponding hopper storage area as follows:

1. Whenever a slot machine's hopper requires coin, slot tokens or prize tokens, a slot attendant or mechanic, after confirming that the hopper storage area contains the necessary coin, slot tokens or prize tokens to replenish the hopper to be filled, may, in the presence of a member of the security department, transfer the necessary coin, slot tokens or prize tokens from that slot machine's hopper storage area directly to the appropriate hopper of the corresponding slot machine. The security department member shall observe the deposit of the coins, slot tokens or prize tokens in the appropriate slot machine hopper and the closing and locking of the slot machine and its corresponding hopper storage area by the slot mechanic or attendant.

2. After transferring the coins, slot tokens or prize tokens to the slot machine's appropriate hopper, the slot attendant or mechanic shall make the entries required on the slot machine's log, which, at a minimum, shall include the following:

- i. The date and time of the transfer;
- ii. The type of hopper in the slot machine to which the coins, slot tokens or prize tokens were transferred;
- iii. The amount of coins, slot tokens or prize tokens that were placed in that hopper; and
- iv. The name and license number of the slot attendant or slot mechanic who made the transfer.

(d) Hopper storage areas shall be filled by using Hopper Fill Slips, in accordance with the procedures in (b) above.

(e) Each casino licensee shall submit and have approved internal controls for detecting and removing prize tokens from the all-purpose hoppers of its slot machines. Each casino licensee so removing a prize token shall count it, for purposes of calculating its gross revenue pursuant to N.J.S.A. 5:12-24, as cash received from gaming operations for the face amount of the prize token.

(a) Except as provided in N.J.A.C. 19:45-1.38(d), and (b) through (d) below, no coin, slot tokens, or slugs shall be removed from a slot machine hopper.

(b) If a slot machine malfunctions during a payout and the slot machine cannot be repaired in a timely manner, coin and slot tokens may be removed from a slot machine's hopper in order to complete the slot machine paid jackpot. The coin or slot tokens shall be removed from the slot machine hopper by a slot attendant, slot mechanic or supervisor thereof for slot machines which accept coin or slot tokens in denominations less than \$25.00, or a slot department supervisor for slot machines which accept slot tokens in denominations of \$25.00 or more. The removal of the coin or slot tokens shall be documented on the Machine Entry Authorization Log pursuant to N.J.A.C. 19:45-1.36(j). Nothing in this section shall preclude a casino licensee from preparing a Jackpot Payout Slip for the amount of coin or slot token owed the patron provided that the payout is completed in accordance with N.J.A.C. 19:45-1.40 and a notation is made on the Jackpot Payout Slip indicating the reason for the slip.

The removal of the coin or slot tokens shall be documented on the Machine Entry Authorization Log pursuant to N.J.A.C. 19:45-1.36(j). Under no circumstances shall a casino licensee remove more coin or slot tokens than the maximum number of coin or slot tokens which can be wagered on one handle pull of the slot machine.

(d) Whenever slugs are found in a slot machine's hopper the following procedures and requirements shall be followed:

1. A slot attendant, slot mechanic or supervisor thereof shall, for slot machine denominations less than \$25.00, or a slot department supervisor for slot machine denominations of \$25.00 or more, immediately remove the slugs from the slot machine hopper and place the slugs into an envelope or container. 19:45-1.46 Procedure for control of coupon redemption and other complimentary distribution programs

(a) For the purposes of this chapter, a complimentary distribution program is a contest or promotion pursuant to which complimentary services or items are provided directly

or indirectly by a casino licensee to the public without regard to the identity or level of gaming activity of the individual recipients. The procedures contained in (c) through (n) below shall apply to casino licensees offering coupon redemption complimentary distribution programs which entitle patrons to use match play coupons or to redeem coupons for complimentary cash, gaming chips, slot tokens or simulcast wagers issued in connection with bus and other complimentary distribution programs. No match play coupons, complimentary cash, gaming chips or slot tokens may be distributed, or complimentary simulcast wagers accepted, by a casino licensee under any coupon redemption complimentary distribution program that does not comply with the requirements of this section. Detailed procedures controlling complimentary distribution programs regulated by (c) through (n) below shall be prepared prior to implementation and maintained by the casino accounting department.

(b) Detailed procedures controlling all complimentary distribution programs entitling patrons to complimentary cash or slot tokens not regulated by (a) above shall be prepared prior to implementation of the programs and shall be maintained by the casino accounting department. Complimentary items or services, including cash, slot tokens or simulcast wagers, distributed through programs regulated by this subsection shall be reported in accordance with the procedures contained in (m) and (o) below.

(c) Each coupon or part thereof issued by a casino licensee shall only be redeemable for a specific amount of cash, gaming chips or slot tokens.

(d) All coupons under this section shall be serially pre-numbered forms and each series of coupons shall be issued in sequential order. Each coupon shall be printed with a description of what is being offered, the location where it may be redeemed, and either a statement specifying the date on which the coupon becomes invalid or some other means to indicate the date when a coupon becomes invalid. If a coupon is of a type that is divisible into sections or is multipart each such separate part or copy shall contain the preprinted serial number, a description of what is being offered, the locations where it may be redeemed, and either a statement specifying the date on which the coupon becomes invalid or some other means to indicate the date when a coupon becomes invalid.

(e) Coupons received from the manufacturer or distributor, or produced by the licensees' data processing or printing department, shall be opened and examined by at least two individuals, one of whom shall be from the accounting department. Any deviations between the invoice or control listing accompanying the coupons, the purchase or requisition order, and the actual coupons received shall be reported promptly to the supervisor of the casino accounting department or to a higher authority in a direct reporting line and the Internal Audit Department.

1. Upon examination of the coupons received, the casino licensee shall cause to be recorded in a Coupon Control Ledger the type and quantity of coupons received, the date of such receipt, the beginning serial number, the ending serial number, the new quantity of unissued coupons on hand, the purchase order or requisition number, any deviations between the number of coupons ordered and received and the signature of the individuals who examined such coupons.

2. All unissued coupons shall be stored in a secured and locked area, controlled by an accounting department supervisor.

3. A representative from the accounting department, with no incompatible functions, shall prepare a monthly inventory of unissued coupons. Any deviations between the coupon inventory and the Coupon Control Ledger shall be reported to the Casino Controller or to a higher authority in a direct reporting line.

4. For purposes of this section, "accounting department" shall be deemed to refer to any accounting personnel employed by the casino licensee who report in a direct line to the supervisor of the casino accounting department.

(f) A representative of the casino licensee shall estimate the number of coupons needed by shift each day. An accounting department representative shall obtain the quantity of coupons to be issued. If a date indicating when the coupon becomes invalid is not preprinted thereon, the accounting department representative shall affix a stamp indicating the date the coupon becomes invalid or shall issue color coded coupons indicating the date that the coupons become invalid. The following, at a minimum, shall be recorded in the Coupon Control Ledger:

1. The date the coupons were issued;
2. The type of coupons issued;
3. The beginning serial number of the coupons issued;
4. The ending serial number of the coupons issued;
5. The quantity issued and the quantity remaining; and
6. The signatures of the accounting department representative issuing the coupons and such other department's representative receiving the coupons.

(g) The casino licensee shall require unused coupons obtained from the accounting department representative to be stored in a locked cabinet until they are distributed to patrons. Any coupons remaining unused at the end of a shift shall either be returned to the Accounting Department for receipt and redistribution or kept for use by the following shift provided accountability between shifts is maintained. All unused coupons must be returned to the Accounting Department on a daily basis. Any coupons that are not used by the date indicated on the coupon when they become invalid shall be voided when returned to the Accounting Department.

(h) Documentation, as required by the casino licensee, shall be prepared by a representative of the casino licensee for the distribution of coupons to patrons. The documentation shall have the following information, at a minimum, recorded on it:

1. The date and time or shift of preparation;
2. The type of coupons used;
3. The beginning serial number of the coupons used;
4. The ending serial number of the coupons used;
5. The total number of coupons used;
6. Independent verification of the number of people receiving the coupons, e.g., bus driver's manifest;

7. The total number of coupons remaining for use by the next shift or returned to the accounting department; and

8. The signature(s) of the casino licensee's representative who distributed the coupons.

(i) A coupon redeemable for gaming chips and a match play coupon shall be designed and printed so that the denomination and type of the coupon is clearly visible from the closed circuit television system when accepted or being wagered at a gaming table and when deposited in a drop box. A match play coupon shall contain an area designated for the placement thereon of the required gaming chips, which area shall be located on the coupon so as not to obscure or interfere with visibility of the type and denomination of the coupon. No casino licensee shall issue or use a match play coupon for gaming purposes until a sample coupon has been submitted to and approved by the Commission.

(j) Coupons shall be redeemed in the following manner:

1. Coupons redeemable for coin, currency or slot tokens shall only be redeemed by changepersons or at the slot or keno booths or the cashiers' cage. A changeperson, slot cashier or general cage cashier shall accept the coupons in exchange for the stated amount of cash or slot tokens, or a keno writer shall accept the coupons in exchange for the stated amount of cash or keno ticket, and shall cancel the coupons upon acceptance. A coupon redeemable for currency may also be redeemed by slot attendants, who shall accept the coupon in exchange for the stated amount of currency and shall cancel the coupon upon acceptance. Cancellation of coupons by changepersons and slot attendants shall be in a manner that will permit subsequent identification of the individual who accepted and canceled the coupon.

i. Redeemed coupons shall be maintained by the slot or general cashier or keno writer and shall be exchanged with the Main or Master Coin Bank at the conclusion of gaming activity each day, at a minimum.

ii. Notwithstanding the above, an automated coupon redemption machine or bill changer may be utilized to accept coupons provided that the acceptance of coupons by an automated coupon redemption machine complies with this section and N.J.A.C. 19:45-1.46A or the acceptance of coupons by a bill changer complies with this section and N.J.A.C. 19:45-1.46B.

2. Coupons redeemable for simulcast wagers shall only be accepted by casino pari-mutuel cashiers at the simulcast counter in exchange for the simulcast wagers stated on the coupons. Cancellation of coupons by casino pari-mutuel cashiers shall be in a manner that permits subsequent identification of the individual who accepted and cancelled the coupon. Redeemed coupons shall be maintained by the casino pari-mutuel cashier, or in the simulcast vault, and shall be exchanged with the Main Bank for a like amount of cash not less frequently than at the conclusion of each day.

3. A coupon redeemable for gaming chips shall be redeemed only at a gaming table and only by a dealer or boxperson, who shall, in accordance with N.J.A.C. 19:45-1.18, accept the coupon in exchange for the stated amount of gaming chips and shall deposit the coupon into the drop box upon acceptance.

4. A match play coupon shall be redeemed only at a gaming table which offers an authorized game in which patrons wager only against the house and, except for the Pass and Don't Pass wagers in craps, which has an individual betting area for each player on the gaming table layout. Such a coupon shall be redeemed only by a dealer, and only if accompanied by the proper amount of gaming chips required by the coupon. The dealer shall, in accordance with N.J.A.C. 19:45-1.18, accept the coupon as part of the patron's wager and deposit the coupon into the drop box after the wager is won or lost.

(k) When unused coupons are returned to the Accounting Department, a representative of the Accounting Department shall record the following information in the Coupon Control Ledger:

1. The date the coupons were returned;
2. The type of coupons returned;
3. The beginning serial number of the coupons returned;
4. The ending serial number of the coupons returned;
5. The quantity returned and the quantity remaining; and
6. The signatures of the accounting department representative receiving the returned unused coupons and such other department's representative returning the unused coupons.

(l) All documentation, unused coupons, voided coupons and redeemed coupons maintained in conformity with (g), (h), (i) and (j) above shall be forwarded on a daily basis to the accounting department where they shall be:

1. Reviewed for propriety of signatures on documentation and for proper cancellation of all coupons;
2. Recounted and examined for proper calculation, summarization and recording on documentation, including, without limitation, the Master Game Report and the Slot Cash Storage Box Report;
3. Reconciled by total number of coupons given to representatives of the department making distribution to patrons, returned for reissuance, distributed to patrons, voided and redeemed;
4. Subsequently recorded; and
5. Maintained and controlled by the accounting department until destruction of the coupons is approved by the Commission.

(m) Each casino licensee shall:

1. Prepare a quarterly report for all programs regulated by (a) above, which shall list, by type of coupon, the total number of coupons used, the total number of coupons redeemed, the total value of the complimentary cash, gaming chips, slot tokens, match play coupons or simulcast wagers given to patrons in redemption of coupons and any liability to patrons remaining on unredeemed coupons, which report shall be made available upon request by the Commission or Division; and

2. Prepare a quarterly report for all programs regulated by (b) above, which shall list, by program offered during the quarter, a description of the complimentary items and services provided, the total number of persons receiving complimentary items or services, the total dollar amount of complimentary items or services provided, and the names of all persons receiving a complimentary item or service in a dollar amount equal to or greater than \$1,000. Such report shall be available upon request by the Commission or Division.

(n) The report shall be signed by the Casino Controller, or a higher authority in a direct reporting line, indicating that no material discrepancies were noted for the period covered by the report or if a material discrepancy is noted it shall be explained in detail.

(o) In addition to the reports required in (m) above, the casino licensee shall accumulate both the dollar amount of and the number of persons redeeming coupons pursuant to (a) above, and the dollar amount of and the number of persons receiving complimentary items or services pursuant to (b) above, and shall include this information on the quarterly complimentary report required by N.J.A.C. 19:45-1.9. Complimentary items or services, including match play coupons, cash, gaming chips, slot tokens and simulcast wagers, distributed through programs regulated by this section shall not be subject to the daily complimentary reporting requirements imposed pursuant to N.J.A.C. 19:45-1.9.
