Case Notes

Challenge to adoption of state management plan for suburban deer population by way of a policy statement was rendered moot in view of the subsequent adoption and revisions of regulation and later adoption of statute. Mercer County Deer Alliance v. DEP, 349 N.J.Super. 440, 793 A.2d 847.

State's Community Based Plan for the Management of Suburban Deer Population-Policy and Program did not exceed statutory authority by permitting the killing of deer overpopulations in accordance with the strict conditions of issued permits. Mercer County Deer Alliance v. DEP, 349 N.J.Super. 440, 793 A.2d 847.

7:25-5.35 Special wildlife salvage permit

(a) Special permits known as scientific salvage permits may be issued by the Director for the salvage and possession of accidentally killed or naturally dead wildlife other than migratory birds and nongame birds and endangered wildlife species that are named on the State of New Jersey and the federal lists of each endangered species.

(b) The special permits may be issued to properly accredited persons associated with educational or scientific institutions for strictly educational or scientific purposes only.

(c) The scientific salvage permit issuance fee shall be \$7.00 to defray expenses attending granting the permit and the permit shall be valid for one year only, from the date of its issuance and shall not be transferrable.

(d) Upon proof that a holder of the special salvage permit has killed, injured, destroyed or attempted to kill, injure or destroy with any weapon, trap, snare or other device of any kind any wild animal, except as provided by N.J.S.A. Title 23 or the proper Game Code, or has in possession any species of wildlife other than those named in this permit or other wildlife possession permit; the special permit shall become void and the permit holder shall be subject to the penalties provided by law.

(e) Authority: N.J.S.A. 13:1B-30, 23:4-50, 23:4-1, 23:4-12, 23:2A-1 et seq., and other applicable statutes.

7:25-5.36 White-tailed deer (*Odocoileus virginianus*) special biological permit

(a) Notwithstanding any other provision in this Code, Division personnel may issue a second permit to a hunter who presents a lawfully taken deer found unfit for human consumption.

(b) Authority: N.J.S.A. 13:1B-29 et seq. and N.J.A.C. 7:25-5.26.

7:25-5.37 Special permit to inhibit wildlife reproduction

(a) No person shall administer or otherwise employ the use of fertility control materials and/or methodologies including, but not limited to, those which result in contraception, contragestation and/or sterilization to any species of free ranging wildlife without first procuring a permit approved by the Council and issued by the Division under this section. No person shall employ any physical alteration or device that would alter the reproduction potential of any free-ranging wildlife species without first procuring a permit as required. The possession of such unauthorized materials or devices in the field shall be considered the attempt to take wildlife contrary to the provisions of the code. Prior to submission of an application, applicants must first obtain any necessary Federal permits. Each permit applicant must provide a written proposal describing the fertility control procedure, the credentials of the person(s) who will administer the contraceptive procedure, the purpose or intent of the procedure and an assessment of environmental impacts. The Division in cooperation with the Department of Animal Science, Cook College-Rutgers University and other scientists who may be selected by the Division will review each application and determine whether or not a permit is granted based on the overall justification and need for conducting such procedures, the qualifications of the person(s) administering the procedure and the anticipated environmental impacts affecting both wildlife and humans and the probability of success in controlling free-ranging wildlife populations. The permit shall identify the time, place and methodology to be utilized and any special conditions established by the Council.

(b) The authority for the adoption of the foregoing subsection is found in N.J.S.A. 13:1B-30, 23:4-1, 23:4-11, 23:4-42, 24:4-488, and other applicable statutes.
