

ABOUT THE ACCELERATOR

ACCELERATOR SUMMARY

The NJ FOW Accelerator brings together a group of national and regional innovators and provides them custom workshops, masterclasses, access to funders, and mentoring to accelerate the reach and growth of their innovations in the Garden State.

The Accelerator will focus on advancing innovations that improve the lives of ALL workers in New Jersey by focusing on innovations that improve job quality, create greater economic security and resiliency, and improve the collective bargaining power of the entire range of worker demographics and industries.

ACCELERATOR STRUCTURE

The Accelerator program will consist of four key components:

Open Innovation Competition

A national competition to source innovative tools, methods, and processes to support workers.

Coaching Program

An intensive systems change and entrepreneurship curriculum comprising of coaching, peer learning, and expert masterclasses.

Convening

Bring together winners in a cohort to spark collaborations that can advance existing solutions in New Jersey and/or attract national efforts to localize impact in the Garden State.

Implementation

Collaborations between participants, matching projects with funders, piloting new programs and practices in New Jersey.
