

Attorney General Matt Platkin 
 @NewJerseyOAG

Matt Platkin isn't just an exceptional lawyer and a dedicated public servant, he's also a friend.

I know that he's going to do a fantastic job as New Jersey's 62nd Attorney General, and it'll be a privilege to hand the reins over to him later this month.

More than words can express, I am immensely grateful to have served New Jersey as Acting AG for the past seven months.

Thank you @GovMurphy for the trust you put in me, and to my friends and colleagues, who work so hard every day to make New Jersey safer, fairer, and more just.

How about you modify the Internal Affairs Policy on the way out to make 'em public. Like in very red Florida. Or very blue New York. And a dozen+ other places

Being a parent or caring for an ill relative is tough enough as it is. That's why we're holding accountable employers who deny employees their right to take leave to care for their loved ones.

Misuse of ATVs and off-road vehicles on public lands damages the environment and their unlawful use on streets is unsafe. With summer around the corner, my office issued new guidance to police who may need to take enforcement actions against violators.
