AMENDED SPECIAL RULING

Licenseses may not price-advertise alcoholic beverages, including Malt Beverages, not listed in Fair Trade Publications.

Effective October 22, 1945, the Department ruled that any alcoholic beverages (except malt beverages) not listed in Minimum Resale Price pamphlets, issued pursuant to State Fair Trade Regulations No. 30, may not be price advertised (including direct or indirect reference to price) in any periodical, publication, circular, hand-bill or direct mailing piece in this State by a manufacturer, wholesaler or retailer. Private brands owned or controlled by a retailer or exclusive brands confined to or distributed by one retailer are excepted in the ruling.

The ruling was amended, effective Tuesday, September 2, 1947 to include malt beverages.

As a note of caution, retailers are placed on notice that the amended ruling, effective September 2, 1947, prescribes the flat prohibition of the price advertising of all alcoholic beverages, including malt beverages, not listed in Fair Trade, except Private and Exclusive brands confined to or distributed by one retailer.

Any violation of the amended ruling shall subject the license to suspension or revocation.
