ABOUT THE DEP BULLETIN

The DEP BULLETIN is an informational service provided free of charge by the N.J. Department of Environmental Protection. It contains a list of construction permit applications filed with or acted upon by D.E.P. Interested persons will thus be able to determine the status of applications dealing with Waterfront Development permits, Wetlands permits, Stream Encroachment permits, Sewerage Extension permits, and CAFRA permits (Coastal Area Facility Review Act). In addition the circular provides a calendar of Events of Interest and a Schedule of Public Hearings. (The Public Hearings however, are not official DEP notices). Environmental Impact Statements acted upon during the week are also shown. Any additional information concerning the permits may be obtained by contacting the appropriate person listed below.

ENVIRONMENTAL IMPACT STATEMENTS

Printing and circulation of the DEP BULLETIN is handled through the Documents Distribution Center. Persons desiring to be included on the mailing list may call: (609) 292-3178 or write - Documents Distribution Center, P.O. Box 1390, Trenton, N.J. 08625.

A UNIQUE SERVICE FOR NEW JERSEY INDUSTRY

USE THIS SERVICE FOR MAJOR PROJECTS

As Staff to Commissioner John J. Horn of the Department of Labor and Industry, the Office of Business Advocacy provides personalized assistance in resolving problems encountered when doing business in New Jersey. OBA's technical personnel function as industry ombudsmen in all areas of governmental activity.

The Office of Business Advocacy's objective is to cut red tape and get solutions to permit problems. OBA will designate a Permit Expediter to your project. The Permit Expediter will:

- A. Advise you of the state permits required for your project, upon completing "MASTER PERMIT INFORMATION APPLICATION FORM"
B. Coordinate contacts with relevant local and state regulatory agencies upon request.
C. Monitor the progress of your permit applications.
D. Act to ensure processing of most permits within 90 days of application.
E. Schedule "OVER THE COUNTER" processing for permits meeting appropriate criteria.

OVER-THE-COUNTER PERMITS

I. STREAM ENCROACHMENT (609) - 292 - 4869

DEP now has a one-day processing service for certain minor stream encroachment permits. This "over-the-counter" service is limited to minor projects which do not adversely change the water carrying capacity of the floodway, do not increase erosion or sedimentation in the stream, and do not require substantial channel modification or relocation. For further information contact the Bureau of Flood Plain Management, P.O. Box CN029, Trenton, NJ 08625.

II. WATERFRONT DEVELOPMENT (609) - 292 - 0060

DEP has a one-day processing service for minor waterfront development projects. This over-the-counter service applies to waterfront construction activity in man-made lagoons and minor maintenance and/or repair or replacement of lawful existing structures. For further information contact: Waterfront Development, P.O. Box 1889, Trenton, NJ 08625.

III. SEWER EXTENSIONS (609) - 292 - 3846

DEP has a one-day processing service for "minor" sewer extension projects. Eligible projects must meet certain criteria, such as, length of 1000 linear feet or less, cost of \$25,000 or less, sewage flow per day of 12,000 gallons or less. No projects with pump stations, force mains, siphons, gallonage transfers or holding tanks will be processed over-the-counter. Projects can not be located in areas under sewer ban, administrative orders, or litigation.

Projects must be in-house by 9:30 a.m., and all administrative documents must be in proper order. Pre-application conferences are strongly recommended. For further information contact Division of Water Resources, P.O. Box CN029, Trenton, NJ 08625.

MASTER PERMIT INFORMATION APPLICATION

DEP has developed a Master Permit Information Application which, upon completion, will indicate all the DEP permits required for the project. Forms may be obtained by contacting the Office of Business Advocacy (See inside cover for details).

All DEP Public Hearings, Administrative Hearings, and DEP
Events of Public Interest are open to the public.

DEP Events of Public Interest include: public hearings, council meetings, workshops, public information meetings, and exams.

Public Hearings (Quasi - Legislative) - are held for the purpose of obtaining input and reaction to a proposed rule, regulation, or new program. Some hearings may be mandated by law. Generally their scope of impact is statewide, or of broad general interest.

Administrative Hearings (Quasi - Judicial) - are held between the state and a particular party involving an application, enforcement - violation or an appeal. Interest in these hearings is generally limited to those directly involved.

(Recent press releases in capsule form)

April 15--TRANSPORT REGULATIONS FOR RADIOACTIVE MATERIALS ADOPTED--DEP Commissioner Jerry Fitzgerald English and Dr. Max Weiss, chairman of the New Jersey Commission on Radiation signed the formal order of adoption of rules and regulations governing the transportation of radioactive materials within the state. The regulations are designed to minimize the possibility of a transportation accident and its potential consequences by considering local traffic conditions and population densities in any route review. They also will improve emergency response effectiveness through prior knowledge and approval of routing.

* * *

April 15--DEP SCHEDULES TOURS--The Division of Water Resources announced a series of tours for the public as part of the 10th Anniversary celebration of DEP/Earth Day, including the Hamden Pump Station (Spruce Run/Round Valley Reservoir Complex), the Lebanon fish laboratory and a geology field trip at Round Valley.

* * *

April 17--MEDIA ADVISORY--Awards Ceremony for winners of the student poster/essay contest held to commemorate DEP 10th Anniversary and 10th anniversary of Earth Day. Governor Byrne will present awards to 1st, 2nd and 3rd prize winners at a reception prior to the April 20 performance of the Trenton Symphony Orchestra in Trenton.

* * *

April 17--CLEANUP OF A-Z SITE BEGINS--DEP and its contractor Coastal Services began fencing the property and installing equipment so that cleanup of the A-Z Resource Recovery site in New Brunswick could safely begin. The A-Z site is an abandoned drum dump site containing between 8,000 and 10,000 drums of hazardous substances. DEP's Hazard Management Program is in charge of the crash program to cleanup such sites begun in march with funding from the new amendments to the Spill Fund act signed by Governor Byrne in February.

* * *

April 17--GROUNDBREADING FOR DEP PESTICIDE COMPLEX--Ground will be broken for DEP's Office of Pesticide Control enforcement complex, 380 Scotch Rd., Trenton on April 22. It will house administrative, training and enforcement facilities as well as a toxic substances laboratory. Most of the cost of the project will be underwritten by a \$2.9 million federal grant arranged by the U.S. Environmental Protection Agency (EPA). Commissioner English praised U.S. EPA Administrator Douglas Costle and Region II EPA administrators for their support in "providing these critically needed facilities. The laboratory will be the only one of its kind in the northeast and will help meet regional analytical requirement for pesticides and toxic substances."

* * *

April 18--PRESS ADVISORY re a disaster drill to be conducted on April 19 at the Burlington County Complex in Mt. Holly--Some 180 volunteer firemen, first aid, and police personnel have completed a comprehensive training program in the hazardous materials accidents. The realistic drill will require them to demonstrate what they learned.

* * *

April 18--NEW JERSEY TESTIFIES ON FEDERAL ENERGY PROGRAM--David N. Kinsey, acting director of DEP's Division of Coastal Resources, who represented Governor Byrne before the House Select Committee on the Outer Continental Shelf (OCS) in Washington, D.C., supported the federally proposed Five Year Oil and Gas Leasing Program for the OCS. The program, proposed by the U.S. Department of the Interior, calls for two sales off New Jersey's coast, one in the Mid-Atlantic in December 1981 and one in the North Atlantic in 1982.

April 18--DEP APPROVES FORMER LANDFILL SITE FOR NEW TRUCK STOP--DEP has issued approval for preliminary site work necessary for the construction of a major truck stop at the site of the former PJP landfill in Jersey City. DEP conditioned its approval upon the hiring of a contractor knowledgeable in hazardous waste disposal who is to remain on the site during its preparation, and noted that two additional permits are still required for development, but that its approval for the preliminary site work includes sufficient safeguards to ensure that the development proceeds in a safe and environmentally acceptable manner.

* * *

April 21--GLOUCESTER SEWER BAN MODIFIED--DEP issued an Administrative Order to the Gloucester City Sewerage Authority which modifies the sewer connection ban issued by DEP on October 24, 1973. It now allows sewer extensions to be built and connected to the Authority's sewerage system. Arnold Schiffman, director of DEP's Division of Water Resources, said the modification was granted because of improved treatment at the wastewater facility bringing them into compliance with the permit and because the plant is designed to treat additional sewage flows.

* * *

April 22--GOVERNOR'S OFFICE RELEASE re Coastal planning grants--Governor Byrne announced the approval of seven coastal planning grants totaling \$121,000 under a U.S. Department of Commerce National Oceanic and Atmospheric (NOAA) program administered for New Jersey by DEP's Division of Coastal Resources. The program provides local governments with 100 percent funding to plan projects which help to further state coastal objectives, such as expanding beach access and revitalizing waterfront districts. The approved grants: Ocean City (Cape May County), \$11,000; Greenwich Township (Gloucester), \$15,000; Hudson County, \$20,000; New Brunswick City and Highland Park Borough (Middlesex), \$15,000; Old Bridge Township (Middlesex), \$20,000; Deal Lake Commissioner (a municipal corporation comprising the towns of Allenhurst, Asbury Park, Interlaken, Lock Arbour, Neptune and Ocean Townships, Monmouth County), \$20,000; and Keansburg Borough (Monmouth County), \$20,000.

* * *

April 22--GOVERNOR'S OFFICE RELEASE re CHEMICAL CONTROL--Governor Byrne announced that the state department of Environmental Protection and Health, the State Police, the Attorney General's Office and the U.S. Environmental Protection Agency, Coast Guard all assisted the City of Elizabeth fire and police officials in abating the fire resulting from an explosion about 11 p.m. on 4/21 at the Chemical Control site in Elizabeth. New York City fire, police and environmental officials were also involved. He noted the DEP has been actively cleaning up the site for more than a year and after court action against the company officials resulted in default by the owners in their responsibility to remove the stored chemicals. The cleanup effort focused on removing the most dangerous materials, which included explosives, toxic gases and low-level radioactive wastes. About 10,000 drums of the original 34,000 had already been removed from the site at a cost of more than \$1 million.

* * *

April 22--BAN ON FISHING re CHEMICAL CONTROL--DEP imposed a ban on all commercial, as well as recreational, fishing and shellfishing for 72 hours beginning at 12 noon (April 22) until analysis of water samples being conducted by DEP and the Department of Health, and with the assistance of American Cyanamid (in Bound Brook) is completed. New York State Commissioner of Environmental Conservation Robert F. Flacke, advised DEP Commissioner English that he has imposed an identical ban in New York waters and pledged his full cooperation in enforcement of the ban. (The ban extended from Sandy Hook to Rockaway Point Light, and in the Hudson River, north to the George Washington Bridge. The closure included all tidal waters in Bergen, Essex, Hudson, Middlesex, Monmouth and Union counties.)

* * *

April 22--ELIZABETH AIR SAMPLES FOUND NOT HAZARDOUS--The results of the first four air samples taken from the fire at the Chemical Control Corporation site in Elizabeth indicate there is no imminent hazard to the public. These samples were collected by DEP personnel in the first hours after the blaze from the area around the chemical dump site as well as from Staten Island (N.Y.).

* * *

April 23--DEP ISSUES RESPONSE ACTIVITIES FOR CHEMICAL CONTROL--Several agencies are involved in the series of activities to clean up the results of the fire at Chemical Control Corporation in Elizabeth. In order to clarify the areas of responsibility, DEP Commissioner English listed what has been done and by whom. DEP is the lead agency on the scene.

* * *

April 24--ARBOR DAY OBSERVANCE--Trees will be planted in school yards and greens of villages, towns and cities throughout the state this week in observance of Arbor Day. First established by law in New Jersey in 1908, Arbor Day was set in 1949 as the fourth Friday in April, which this year falls on April 25 and has been proclaimed by Governor Byrne. DEP Commissioner English planted a red oak, the Official State Tree, donated by Princeton Nurseries, on a downtown site in Trenton, in an Arbor Day ceremony.

* * *

April 25--U.S.S. NEW JERSEY BATTLESHIP COMMISSION TO HOLD MEETING--A meeting will be held on Tuesday, April 29, to convene a nominating committee to propose membership for the U.S.S. New Jersey Battleship Commission. It will be chaired by Senator William Hamilton of New Brunswick and Counsel to the Governor Daniel J. O'Hern.

NEW JERSEY DEPARTMENT OF TRANSPORTATION
HIGHWAY PERMITS PROGRAM

On or about the 15th of each month, the DEP Bulletin will include information concerning the current disposition of all permit applications submitted to the Department of Transportation. The interim status column reflects the status of each application as of the last business day of the preceding month.

In order to be more responsive to the needs of applicants and to facilitate processing applications in a timely manner, the State has been divided into four (4) Regions. Based on the geographical location of the proposed work requiring a permit, a permit application should be obtained from, and the completed application submitted to the appropriate Regional Office listed below:

REGION I - Sussex, Warren, Morris, Hunterdon, Somerset

Morris Gepner - Regional Maintenance Engineer
N.J.D.O.T.
Route 206, P.O. Box 55
Netcong, N.J. 07857
Telephone: 201 - 347 - 4415

REGION II - Passaic, Bergen, Essex, Hudson, Union

Nicholas Cifelli - Regional Maintenance Engineer
N.J.D.O.T.
Routes 1 & 9, 21 & 22
Newark, N.J. 07714
Telephone: 201 - 648 - 2278

REGION III - Mercer, Middlesex, Monmouth, Burlington, Ocean

Raymond Weber - Regional Maintenance Engineer
N.J.D.O.T.
Box 272-B, Route 9
Howell, N.J. 07731
Telephone: 201 - 431 - 4500

REGION IV - Camden, Gloucester, Atlantic, Salem, Cumberland, Cape May

Oliver Kee - Regional Maintenance Engineer
N.J.D.O.T.
Route 70 & N.J. Turnpike
Cherry Hill, N.J. 08034
Telephone: 609 - 428 - 6550
