

NOTICE TO THE BAR

New Option for Payment of 2007 Assessment

The New Jersey Lawyers' Fund for Client Protection is pleased to announce that online registration and payment is now available to individual members of the Bar in good standing. Payments for groups of attorneys, such as law firms, will be accommodated in the future.

The 2007 billing forms, with individualized login details, were mailed last week. Members in good standing can register and pay using MasterCard or VISA credit cards through the Attorney Online Registration & Payment Center, or remit payment by check with the paper bill. The link to the Center is located to the right of the picture of the scales on the Judiciary's homepage at www.njcourtsonline.com. Taking advantage of this enhancement to the billing system is greatly encouraged. The deadline for payment without the \$40 late fee is April 30, 2007. Attorneys who do not receive the billing form by April 16 should contact the Fund at (609) 292-8079.

Your continued support makes possible the good work of the Disciplinary System, the Lawyers Assistance Program, and the Fund. Thank you.
