ANNUAL REPORT

BUILDING AND LOAN ASSOCIATIONS

DEPARTMENT OF BANKING AND INSURANCE,
TRENTON, September 12, 1922.

To the Honorable the Senate and General Assembly:

In compliance with the statutory requirement, I have the honor to submit the report of this department relative to building and loan associations for the year ended June 30, 1922.

The whole number of such associations is 1,126. This is an increase of 127 for the past twelve months. More associations were incorporated during that period than in any previous year, the number being 130, which emphasizes the ever-increasing popularity of institutions of this class. The charters of 3 associations became void during the year through failure to commence operations within the time limit fixed by the law.

The name, location and date of incorporation of each of the new societies are set forth in the following list. As the law provides that the word "building and loan association" must form part of the title of every such corporation, to avoid unnecessary repetition that part of the name of each of the associations is omitted throughout this report.
