PROGRAM DETAILS

Under the Brownfields Impact Fund, the NJEDA will make low-interest loans available to for profit organizations as well as low-interest loans and grant funding available to public sector and non-profit organizations.

These loans/grants will assist with cleanup and other pre-construction activities on brownfield sites throughout the state. Eligible uses of the loan and/or grant funding includes remediation activities necessary to clean up the release or mitigate the threatened release of hazardous materials and other activities approved by the U.S. EPA and outlined in the program specifications.

Funds will be awarded on a first come, first serve basis upon receipt of a **completed application**.

Loans or grants cannot be provided to entities who caused or contributed to the contamination of the property (Responsible Party).
