Earnings upon such investment shall be credited pro rata to the capital reserve funds.

On or before November 15 in each year, the commissioner shall determine the maximum building aid allowance available to each school district and estimate the amount necessary to be appropriated by the State to carry out the provisions of the act, for the succeeding school year. The commissioner shall make such determination and estimate upon the basis of average daily enrollment of the district, and a local

fair share determined for the current calendar year. He shall promptly certify to each school district the maximum building aid allowance so determined, and the school district may include the amount so certified in its next ensuing school budget subject to the provisions of section 11 hereof.

11. Payment of capital aid. Each school district or municipality, as the case may be, may anticipate as a revenue separately stated in its budget as applicable to the capital foundation program defined in section 4 hereof, the lesser of the following sums:

superintendent, such other officer or employee as shall be delegated by the district board of education to maintain budget and appropriation records, shall make and transmit a report to the Commissioner of Education of such information as the commissioner may require to administer the provisions of this act. Such report shall be certified, under the penalties of perjury, as true to the best of the knowledge and belief of the persons making it. With respect to school districts operating under chapter 6 of Title 18 of the Revised Statutes, the commissioner may require that such report be accompanied by a statement of a licensed public school accountant for New Jersey certifying to the amount of debt service payments made by the municipality during the preceding school year for or on account of bonds and other obligations issued for school purposes as defined in section 8 of this act. Such certificate may be made upon the basis of such records and other information available to the accountant, and in such form, as the commissioner may by regulation prescribe. The amount of the debt service so certified shall for the purpose of this act be deemed to be the debt service budgeted and appropriated by the school district.

(b) In order to participate in any apportionment made according to the provisions of this act, a school district shall comply with the regulations and standards for the equalization of educational opportunity, including the maintenance of minimum acceptable school building facilities, which have been or which may hereafter be prescribed by law, or formulated by the Commissioner of Education or the State Board of Education pursuant to law. The Commissioner of Education is hereby authorized to withhold all or part of such apportionment for failure to comply with any regulation or standard. No apportionment under this act shall be paid to any district which has not provided public school facilities for at least 180 days during the preceding school year, but the commissioner, for good cause shown, may remit the penalty.

13. New school districts. When the apportionment shall have been made for any year and a part of any district becomes a new school district or a part of another school district, or comes partly under the authority of a regional board of education, the commissioner shall adjust such apportionment or apportionments among the districts affected, or between the district and the regional board, as the case may be, on an equitable basis in accordance with the intent of the act.

C. 18:10-29.61.
New school
districts.

14. Transition. (a) For the school year 1956-1957 the commissioner shall forthwith make an estimate of the amount payable to each district or creditable to its capital reserve fund under this act, and shall as soon as possible notify each school district as to the amount payable or creditable under this act for the school year 1956-1957.

C. 18:10-29.62.
Transition.

(b) If this act becomes law prior to March 31, 1956, the commissioner shall certify to each county board of taxation, on or before that date, the amount of the building aid allowance due each school district in the county for the school year 1956-1957, except that in the case of school districts operating under chapter 6 of Title 18 of the Revised Statutes and those operating under chapter 7 of said Title on a calendar year basis for taxation purposes he shall certify only the amount of such allowance which is payable in the calendar year 1956. Each county board of taxation shall deduct the amount so certified in striking the respective tax rates for the municipalities within the counties. In such event, the amount required to be raised by taxation for school purposes in each municipality shall be deemed to have been reduced by the respective amounts so certified.

(c) If this act does not become law prior to March 31, 1956, for the school year 1956-1957 building aid allowance payments otherwise due shall be credited to the capital reserve fund of each district.

C. 18:10-29.63.
Appropriation.

15. Appropriation. There will be appropriated for the purposes of this act for the fiscal year ending June 30, 1957, the sum of \$12 million to be included in the annual appropriation act to be adopted for that fiscal year.

16. Effective date. This act shall take effect immediately.

Approved March 29, 1956.

CHAPTER 12

AN ACT relating to the construction, financing, operation and maintenance of a bridge across the Narrows of New York bay and agreeing with the State of New York with respect thereto.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 32:2-23.6.
States' policy
to provide
bridge.

1. Upon the concurrence of the State of New York as provided in section 15 hereof, the States of New Jersey and New York find, determine and agree that a bridge between Staten Island and Long Island, constituting a part of the highway system of the port district, created by their compact of April 30, 1921, will facilitate the flow of traffic between the 2 States, will alleviate congestion in the vehicular crossings of the Hudson river and will promote the movement of commerce between the 2 States by providing a direct connection between the State of New Jersey and Long Island in the State of New York by way of Staten Island and that it is therefore the policy of the 2 said States to provide such bridge.

C. 32:2-23.7.
Authorizes
construction,
maintenance,
etc., of
Narrows
Bridge.

2. In furtherance of the aforesaid policy, and in partial effectuation of the comprehensive plan heretofore adopted by the 2 said States for the development of the said port district, the Port of New York Authority (hereinafter called the Port Authority) is hereby authorized and empowered to construct, own, maintain and operate a bridge (hereinafter called the Narrows Bridge) over the Narrows of New York bay, and, in its discretion (and so long as it shall retain title to such bridge), such additions and improvements thereto and such approaches thereto and connections with highways and with the bridges between New Jersey and Staten Island as the Port Authority may deem necessary or desirable. The Port Authority may

effectuate such approaches or connections, in its discretion, by agreement with any other public agency, which agreement may provide for the construction, ownership, maintenance or operation of such approaches or connections by such other public agency.

The Port Authority shall not commence the construction of the Narrows Bridge until after the execution of an agreement between the Port Authority and the Triborough Bridge and Tunnel Authority (hereinafter called the Triborough Authority) pursuant to section 4 hereof.

3. The following terms as used herein shall mean:

C. 32:2-23.8.
Terms
defined.

“Bonds” shall mean bonds, notes, securities or other obligations or evidences of indebtedness.

“General Reserve Fund statutes” shall mean chapter 48 of the laws of New York of 1931, as amended, and chapter 5 of the laws of New Jersey of 1931, as amended, and “General Reserve Fund” shall mean the General Reserve Fund of the Port Authority authorized by said statutes.

“Narrows Bridge” shall mean not only the bridge itself but also its approaches, connections, additions and improvements.

“Narrows Bridge bonds” shall mean bonds issued by the Port Authority to provide funds for Narrows Bridge purposes or bonds secured in whole or in part by a pledge of the revenues of the Port Authority from the Narrows Bridge or bonds so issued and secured.

“Narrows Bridge purposes” shall mean the effectuation, establishment, construction, rehabilitation, improvement, maintenance or operation of the Narrows Bridge and purposes incidental thereto.

“Real property” shall mean lands, structures, franchises and interests in land, waters, lands under water and riparian rights, and any and all things and rights included within the said term, and includes not only fees simple absolute but also any and all lesser interests, including but not lim-

ited to easements, rights-of-way, uses, leases, licenses and all other incorporeal hereditaments and every estate, interest or right, legal or equitable, including terms for years and liens thereon by way of judgments, mortgages or otherwise.

C. 32:2-23.9.
Agreement
with Tri-
borough
Authority;
contents;
jurisdiction
over bridge;
States'
consent to
suits, etc.

4. (a) The Port Authority is authorized and empowered to enter into an agreement with the Triborough Authority (and from time to time to enter into agreements amending the same) for the design, location, financing, construction, maintenance and operation of the Narrows Bridge and any other matters of like or different character with respect to the Narrows Bridge, and by which the Port Authority may grant, convey, lease or otherwise transfer to the Triborough Authority or to the city of New York for the use and occupancy of the Triborough Authority any right, title or interest of the Port Authority in the Narrows Bridge and in any part or parts thereof, upon such terms as may be determined by the Port Authority and the Triborough Authority, including but limited to agreement as to the method of fixing the tolls, rents, charges and other fees and the rules for the regulation of the use of the bridge.

(b) So long as the Port Authority shall retain title to the Narrows Bridge, it shall, so far as it deems it practicable, treat as a single unified operation the effectuation of the Narrows Bridge, the interstate bridges and tunnels now operated by the Port Authority and any other bridges or tunnels which it may construct or operate, raising moneys for the construction thereof and for the making of additions and improvements thereto in whole or in part upon its own obligations, and, except as provided in such agreement or any amendment thereof, establishing and levying such tolls, rents, charges and other fees as it may deem necessary to secure from all of such bridges and tunnels as a group at least sufficient revenue to meet the expenses of the effectuation of such bridges and tunnels as a group, and to provide for the payment of the interest upon and amortization and retirement

of and the fulfillment of the terms of all bonds which it may have issued in connection therewith. Except as provided in such agreement or any amendment thereof, no other agency or commission of either State shall have jurisdiction over the Narrows Bridge so long as the Port Authority shall retain title thereto, and, except as so provided, all details of the design, location, financing, construction, leasing, tolls, rents, charges and other fees, contracts, maintenance and operation of and rules for the regulation of the use of the Narrows Bridge so long as the Port Authority shall retain title thereto shall be within its sole discretion and its decision in connection with any and all matters concerning such bridge shall be controlling and conclusive.

(c) The States of New York and New Jersey hereby consent to suits, actions or proceedings against the Port Authority upon, in connection with or arising out of such agreement or any amendment thereof, by the Triborough Authority, or by the city if and to the extent that such agreement or any amendment thereof shall create rights in the City of New York, as follows:

(1) For judgments, orders or decrees restraining or enjoining the Port Authority from transferring title to real property to other persons in cases where it has agreed with the Triborough Authority to transfer such title to the Triborough Authority or to the city of New York for the use and occupancy of the Triborough Authority, and

(2) For judgments, orders or decrees restraining or enjoining the Port Authority from committing or continuing to commit other breaches of such agreement or any amendment thereof; provided, that such judgment, order or decree shall not be entered except upon 2 days' prior written notice to the Port Authority of the proposed entry thereof; and provided further, that upon an appeal taken by

the Port Authority from such judgment, order or decree the service of the notice of appeal shall perfect the appeal and shall stay the execution of such judgment, order or decree appealed from, without an undertaking or other security.

Nothing herein contained shall be deemed to revoke, rescind or affect any consents to suits, actions or proceedings against the Port Authority heretofore given by the 2 said States in chapter 301 of the laws of New York of 1950 and chapter 204 of the laws of New Jersey of 1951.

C. 32:2-23.10.
Pledge of
moneys in
general
reserve fund
as security
for bonds;
use of
revenues;
pledge of
excess.

5. The moneys in the General Reserve Fund of the Port Authority may be pledged in whole or in part by the Port Authority as security for or applied by it to the repayment with interest of any moneys which it may raise upon Narrows Bridge bonds issued by it from time to time and the moneys in said General Reserve Fund may be applied by the Port Authority to the fulfillment of any other undertakings which it may assume to or for the benefit of the holders of any such bonds.

Subject to prior liens and pledges (and to the obligation of the Port Authority to apply revenues to the maintenance of its General Reserve Fund in the amount prescribed by the General Reserve Fund statutes), the revenues of the Port Authority from facilities established, constructed, acquired or effectuated through the issuance or sale of bonds of the Port Authority secured by a pledge of its General Reserve Fund may be pledged in whole or in part as security for or applied by it to the repayment with interest of any moneys which it may raise upon Narrows Bridge bonds, and said revenues may be applied by the Port Authority to the fulfillment of any other undertakings which it may assume to or for the benefit of the holders of such bonds.

In the event that at any time the balance of moneys theretofore paid into the General Reserve Fund and not applied therefrom shall exceed an

amount equal to $\frac{1}{10}$ of the par value of all bonds legal for investment, as defined and limited in the General Reserve Fund statutes, issued by the Port Authority and currently outstanding at such time, by reason of the retirement of Narrows Bridge bonds the par value of which had theretofore been included in the computation of said $\frac{1}{10}$, then the Port Authority may pledge or apply such excess for and only for the purposes for which it is authorized by the General Reserve Fund statutes to pledge the moneys in the General Reserve Fund, and such pledge may be made in advance of the time when such excess may occur.

6. The 2 States covenant and agree with each other and with the holders of Narrows Bridge bonds as security for which there may or shall be pledged (directly or indirectly, or through the medium of its General Reserve Fund or otherwise) the revenues, or any part thereof, of the Narrows Bridge or any other facility owned or operated by the Port Authority, that the 2 States will not, so long as any of such bonds remain outstanding and unpaid, diminish or impair the power of the Port Authority to establish, levy and collect tolls, rents, charges or other fees in connection with the Narrows Bridge (so long as the Port Authority shall retain title to such bridge) or any such other facility; and that the 2 said States will not, so long as any of such bonds remain outstanding and unpaid and so long as the Port Authority shall retain title to the Narrows Bridge, authorize the construction of any other vehicular bridges or tunnels (other than bridges or tunnels exclusively for railway rapid transit purposes) between Staten Island and Long Island by any person or body other than the Port Authority.

Authority's

7. Narrows Bridge bonds are hereby made securities in which all State and municipal officers and bodies of both States, all banks, bankers, trust companies, savings banks, building and loan associations, savings and loan associations, investment companies and other persons carrying on a bank-

ing business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all administrators, executors, guardians, trustees and other fiduciaries, and all other persons whatsoever, who are now or may hereafter be authorized by either State to invest in bonds of such State, may properly and legally invest any funds, including capital, belonging to them or within their control; and said bonds are hereby made securities which may properly and legally be deposited with and shall be received by any State or municipal officer or agency of either State for any purpose for which the deposit of bonds of such State is now or may hereafter be authorized.

C. 32:2-23.13.
Acquisition
of real
property
devoted to
public use.

8. If the Port Authority shall find it necessary or convenient to acquire any real property for Narrows Bridge purposes (including temporary construction, rehabilitation or improvement), whether for immediate or future use, the Port Authority may find and determine that such property, whether a fee simple absolute or a lesser interest, is required for a public use, and upon such determination the said property shall be and shall be deemed to be required for such public use until otherwise determined by the Port Authority, and such determination shall not be affected by the fact that such property has theretofore been taken for and is then devoted to a public use; but the public use in the hands of or under the control of the Port Authority shall be deemed superior to the public use in the hands of any other person, association or corporation. If the Port Authority shall find it necessary or convenient hereunder to acquire any real property which is then devoted to a public use, the Port Authority shall have power to exchange or substitute any other real property for such real property, upon terms agreed to by the Port Authority and the owner of such property then devoted to a public use, and to find and determine that such other real property is also required for a public use; upon such determination the said

other property shall be and shall be deemed to be required for such public use.

The Port Authority may acquire and is hereby authorized to acquire any real property in the State of New York required for a public use under the preceding paragraph, whether a fee simple absolute or a lesser estate, by condemnation or the exercise of the right of eminent domain under and pursuant to the condemnation law of the State of New York, or at the option of the Port Authority pursuant to any other and alternate procedure provided by law by such State. Nothing herein contained shall be construed to prevent the Port Authority from bringing any proceedings in either State to remove a cloud on title or such other proceedings as it may, in its discretion, deem proper and necessary, or from acquiring any such property in either State by negotiation or purchase.

Where a person entitled to an award in the proceedings to condemn any real property for Narrows Bridge purposes remains in possession of such property after the time of the vesting of title in the Port Authority, the reasonable value of his use and occupancy of such property subsequent to such time, as fixed by agreement or by the court in such proceedings or by any court of competent jurisdiction, shall be a lien against such award, subject only to liens of record at the time of the vesting of title in the Port Authority.

9. Anything in this act to the contrary notwithstanding, no property now or hereafter vested in or held by the City of New York shall be taken by the Port Authority without the authority or consent of the city as provided in said compact of April 30, 1921. The Port Authority is also hereby authorized and empowered to acquire from said city by agreement therewith, and the city, notwithstanding any contrary provision of law, is hereby authorized and empowered to grant and convey upon reasonable terms and conditions any real property which the Port Authority shall find to be necessary for Narrows Bridge purposes, including such real

The State of New York hereby consents to the use and occupation of the real property of such State which the Port Authority shall find to be necessary for Narrows Bridge purposes, including lands of the State lying under water, and the department, board or division or other agency of the State exercising supervision of such property shall execute such documents as it may deem necessary to evidence the right to such use and occupation.

The Port Authority and its duly authorized agents, and all persons acting under its authority and by its direction, may enter in the daytime into and upon any real property which it shall be necessary so to enter, for the purpose of making such surveys, diagrams, maps or plans, or for the purpose of making such soundings or borings as the Port Authority may deem necessary or convenient for the purposes of this act and the concurrent act of the State of New York.

CHAPTER 65

AN ACT concerning unemployment compensation, and amending section 43:21-19 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

Section amended.

1. Section 43:21-19 of the Revised Statutes is amended to read as follows:

Terms defined.

43:21-19. As used in this chapter, unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last 3 or 5 preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior 3 or 5 calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of section 43:21-7 of this Title means the average of the annual payrolls of any employer, on which he paid contributions to the State disability benefits fund, for the last 3 or 5 preceding calendar years, whichever

average is higher; provided, further, that only those wages be included on which employer contributions have been paid on or before January 31 immediately preceding the beginning of the 12-months' period for which the employer's contribution rate is computed.

(b) "Benefits" means the money payments payable to an individual, as provided in this chapter, with respect to his unemployment.

(c) (1) The term "base year" with respect to benefit years commencing prior to January 1, 1953, means the first 4 of the last 5 completed calendar quarters immediately preceding the first day of an individual's benefit year; provided, that no calendar quarter shall comprise a part of more than 1 base year.

(2) "Base year" with respect to benefit years commencing on or after January 1, 1953, shall mean the 52 calendar weeks ending with the second week immediately preceding an individual's benefit year.

(d) "Benefit year" with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of section 43:21-6 of this Title shall be deemed to be a "valid claim" for the purpose of this subsection if (1) no remuneration was paid or is payable for the day on which, or as of which he files a claim for benefits, and no work is available to him with his current employing unit on such day, or, he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of section 43:21-4 of this Title.

(e) "Division" means the Division of Employment Security of the Department of Labor and Industry established by chapter 446, P. L. 1948,

and any transaction or exercise of authority by the director of the division thereunder, or under this chapter (R. S. 43:21-1 et seq.), shall be deemed to be performed by the division.

(f) "Contributions" means the money payments to the State unemployment compensation fund required by this chapter.

(g) "Employing unit" means any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, which has or subsequent to January 1, 1936, had in its employ 1 or more individuals performing services for it within this State. All individuals performing services within this State for any employing unit which maintains 2 or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter. Whenever any employing unit contracts with or has under it any contractor or subcontractor for any employment which is part of its usual trade, occupation, profession, or business, unless the employing unit as well as each such contractor or subcontractor is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, the employing unit shall for all the purposes of this chapter be deemed to employ each individual in the employ of each such contractor or subcontractor for each day during which such individual is engaged in performing such employment; except that each such contractor or subcontractor who is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, shall alone be liable for the contributions measured by wages payable to individuals in his employ, and except that any employing unit who shall become liable for and pay contributions with respect to individuals in the employ of any such contractor or subcontractor who

is not an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, may recover the same from such contractor or subcontractor. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this chapter, whether such individual was hired or paid directly by such employing unit or by such agent or employee; provided, the employing unit had actual or constructive knowledge of the work.

(h) "Employer" means:

(1) Any employing unit which for some portion of a day, but not necessarily simultaneously, in each of 20 different weeks, whether or not such weeks are or were consecutive, within either the current or the preceding calendar year, has or had in employment 4 or more individuals (irrespective of whether the same individuals are or were employed in each such day);

(3) Any employing unit which acquired the organization, trade or business, or substantially all the assets thereof, of another employing unit and which, if treated as a single unit with such other employing unit, would be an employer under paragraph (1) of this subsection;

(4) Any employing unit which together with 1 or more other employing units is owned or controlled (by legally enforceable means or otherwise), directly or indirectly by the same interests, or which owns or controls 1 or more other employing units (by legally enforceable means or otherwise), and which, if treated as a single unit with such other employing unit or interest, would be an employer under paragraph (1) of this subsection;

(5) Any employing unit which, having become an employer under paragraphs (1), (2), (3) or (4), has not, under section 43:21-8 of this Title, ceased to be an employer subject to this chapter; or

(6) For the effective period of its election pursuant to subsection (c) of section 43:21-8 of this Title any other employing unit which has elected to become fully subject to this chapter.

(3) Services performed within this State but not covered under paragraph (2) of this subsection shall be deemed to be employment subject to this chapter if contributions are not required and paid with respect to such services under an unemployment compensation law of any other State or of the Federal Government.

(4) Services not covered under paragraph (2) of this subsection, and performed entirely without this State, with respect to no part of which contributions are required and paid under an unemployment compensation law of any other State or

of the Federal Government, shall be deemed to be employment subject to this chapter if the individual performing such services is a resident of this State and the division approves the election of the employing unit for whom such services are performed that the entire service of such individual shall be deemed to be employment subject to this chapter; provided, written objections on the part of a substantial proportion of such individuals affected are not presented to the division within 10 days following the filing of such election.

(5) Service shall be deemed to be localized within a State if

(A) the service is performed entirely within such State; or

(B) the service is performed both within and without such State, but the service performed without such State is incidental to the individual's service within the State, for example, is temporary or transitory in nature or consists of isolated transactions.

(6) Services performed by an individual for remuneration shall be deemed to be employment subject to this chapter unless and until it is shown to the satisfaction of the division that

(A) such individual has been and will continue to be free from control or direction over the performance of such service both under his contract of service and in fact; and

(B) such service is either outside the usual course of the business for which such service is performed, or that such service is performed outside of all the places of business of the enterprise for which such service is performed; and

(C) such individual is customarily engaged in an independently established trade, occupation, profession or business.

- (7) The term "employment" shall not include:

 - (G) Services performed in the employ of fraternal beneficiary societies, orders, or associations operating under the lodge system or for the exclusive benefit of the members of a fraternity itself operating under the lodge system and providing for the payment of life, sick, accident or other benefits to the members of such society, order, or association, or their dependents;
 - (H) Services performed as an officer or other employee of any building and loan association of this State, except where such services constitute the principal employment of the individual; services performed as an officer or other employee of any building and loan association where such association is a member

of the Federal Home Loan Bank System; services performed as an officer or other employee of any bank which is a member of the Federal Reserve System;

(K) Services performed by real estate salesmen or brokers who are compensated wholly on a commission basis;

(N) Services performed by an individual for a labor union organization, known and recognized as a union local, as a member of a committee or committees reimbursed by the union local for time lost from regular employment, or as a part-time officer of a union local and the remuneration for such services is less than \$250.00 in a calendar year.

(j) "Employment office" means a free public employment office, or branch thereof operated by this State or maintained as a part of a State controlled system of public employment offices.

(1) An individual shall be deemed "unemployed" for any week during which he is not engaged in full-time work and with respect to which his remuneration is less than his weekly benefit rate, including any week during which he is on vacation without pay; provided, such vacation is not the result of the individual's voluntary action.

There may be included, as a part of each proposal to be submitted with respect to the creation of a regional school district, an authorization for the issuance of promissory notes or temporary loan bonds of the regional school district, in a principal amount not in excess of that stated in such proposal, for the purpose of providing for the current expenses of the regional school district until June 30 subsequent to the date of the first annual election of the regional school district. No such authorization shall be included in such proposal unless the State Commissioner of Education shall have made a finding, in writing, prior to the date of submission of such proposal, that the principal amount of such promissory notes or temporary loan bonds, as stated in such proposal, is not in excess of the amount of money reasonably expected to be necessary for the current expenses of the regional school district as aforesaid. If each of such proposals includes such an authorization and pursuant to such proposals such school districts shall vote to create a regional school district, such proposals shall after such vote be authority for the issuance of such promissory notes or temporary loan bonds of the regional school district to the amount and for the purposes set forth therein, and shall for all the purposes of chapters 7 and 8 of this Title

and any other provisions of said Title, be deemed to constitute a proposal duly adopted on said date by the legal voters of the regional school district authorizing the regional board of education to issue bonds of the regional school district, but no school debt statement need be prepared or filed prior to such authorization. Such promissory notes or temporary loan bonds of the regional school district shall be issued by the regional board of education in the manner provided in article 8 of chapter 7 of this Title, except that all such promissory notes or temporary loan bonds shall mature in not exceeding 1 year and may be renewed by similar promissory notes or temporary loan bonds which shall mature not later than 2 years from the date of the first of the original notes or bonds so issued. An amount, sufficient to pay the principal and interest, at maturity, of such promissory notes or temporary bonds shall be raised in the same manner as provided by law for the payment of bonds of the regional school district.

There may be included, as a part of each proposal to be submitted with respect to the creation of a regional school district, the authorization of bonds of the regional school district for any 1 or all of the following purposes: (a) any purpose or purposes described in section 18:7-85 of the Revised Statutes, (b) the purchase of any schoolhouse or schoolhouses or other buildings for school purposes with or without the sites thereof and lands appertaining thereto or the furniture and other necessary equipment therefor or the materials and supplies therefor, and (c) the making of additions, alterations, repairs or improvements in or upon any such schoolhouse or other building or purchasing school furniture or other necessary equipment therefor. Such an authorization shall for all the purposes of this Title, and particularly chapter 8 and article 18 of chapter 5 thereof, be deemed to constitute a proposal authorizing the regional board of education to issue bonds of the regional school district, but no school debt statement

need be prepared or filed prior to the authorization of such bonds. A copy of each such proposal may be submitted prior to said election for consideration by the State Commissioner of Education and the Local Government Board under and for all the purposes of section 18:5-86 of the Revised Statutes. If each of such proposals includes such an authorization and pursuant to such proposals such school districts shall vote to create a regional school district, such proposals shall after such vote be authority for the issuance of bonds of the regional school district to the amount and for the purpose or purposes set forth therein and, from and after the date of such vote, shall for all the purposes of chapters 7 and 8 of this Title, and any other provisions of said Title, be deemed to constitute a proposal duly adopted on said date by the legal voters of the regional school district authorizing the regional board of education to issue bonds of the regional school district for the purpose or purposes and in the amount or amounts set forth in such proposal. The bonds so authorized shall be issued, shall be dated and sold in all respects in accordance with the provisions of said chapters, and shall mature within the period or respective periods of time prescribed by such provisions, in each case computed from the date of such bonds.

(3) The amounts, except the amounts referred to in paragraph (1) above, to be raised for annual or special appropriations for a regional school district created on or subsequent to July 1, 1953, shall be apportioned upon the basis of (1) such apportionment valuations of the constituent school districts, if (a) such basis shall have been adopted at the time of creation of the regional school district and a different basis of apportionment shall not have been adopted as provided in chapter 8 of this Title, or (b) ratables shall be the basis of apportionment prevailing at the time of the effective date of this act, or (2) the average daily enrollment of the constituent school districts during the preceding school year if (a) such basis shall have been adopted at the time of creation of the regional school district, or (b) such basis is thereafter adopted as provided in chapter 8 of this Title, or (c) a basis of average daily attendance shall have been adopted at the time of the creation of the regional school district.

With respect to regional school districts for which the average daily enrollment of the constituent school districts during the preceding school year is to be used as a basis for apportionment of amounts to be raised for annual or special appropriations for such school districts, the State Commissioner of Education shall certify to the county board of taxation, from the latest official statistics then available, the average daily enrollment of resi-

The amount thus apportioned to each constituent school district shall be assessed, levied and collected in the same manner and at the same time as other school taxes are assessed, levied and collected therein and shall be paid upon requisition as provided with respect to school districts governed by the provisions of chapter 7 of this Title.

subsequent election held in the regional school district. Upon the adoption of such proposal by the legal voters of each constituent school district by the affirmative vote of a majority of the legal ballots cast thereon in each such constituent school district, the amounts to be raised thereafter for annual or special appropriations as aforesaid for such regional school district shall be apportioned upon the basis of the average daily enrollment of the constituent school districts during the preceding school year. Section
amended.

1. Section 3 of the act of which this act is amendatory is amended to read as follows:

C. 43:16A-3.
Member in

system
compulsory.

3. (2) After the date upon which this act becomes effective in any county, municipality or political subdivision thereof, pursuant to a referendum as hereinafter provided (a) Any person becoming a full time policeman or fireman in any such county, municipality or political subdivision shall become a member of this retirement system as a condition of his employment; provided, that his age at becoming such full time policeman or fireman is not over 30 years; and provided further, that he shall furnish such evidence of good health at the time of becoming a member as the board of trustees shall require; and (b) Any person in service as a full time policeman or fireman in any such county, municipality or political subdivision on the date this act becomes effective therein who, within the time and in the manner permitted by this act, elects to become a member of this retirement system, shall become such member.

The board of trustees may in its discretion deny the right to become members to any class of policemen or firemen whose compensation is only partly paid by the employer and shall deny it to those who are serving in a temporary or other than per annum basis, and it may also, in its discretion, make optional with members in any such class their individual entrance into membership.

(4) Should any member in any period of 4 consecutive years after last becoming a member be absent from service for more than 2 years, or withdraw his aggregate contributions, or become a beneficiary or die, he shall thereupon cease to be a member.

CHAPTER 102

AN ACT to amend "An act providing for a system for the granting of paroles in certain cases, establishing a State Parole Board and defining its composition, powers and duties, and repealing sections 30:4-106.1, 30:4-106.2 and 30:4-142 of the Revised Statutes," approved May 28, 1948 (P. L. 1948, c. 84).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

Section
amended.

1. Section 10 of the act of which this act is amendatory is amended to read as follows:

C. 30:4-123.10.
Eligibility
for release
on parole.

10. No inmate of a penal or correctional institution serving a sentence for a fixed minimum and maximum term shall be eligible for consideration for release on parole until he has served his minimum sentence or $\frac{1}{3}$ of his fixed maximum sentence,

less, in each instance, commutation time therefrom for good behavior and for diligent application to work assignments, whichever occurs sooner, subject to the provisions of section 12 hereof.

Whenever, after the effective date of this act, 2 or more sentences to run consecutively are imposed at the same time by any court of this State upon any person convicted of crime herein, there shall be deemed to be imposed upon such person a sentence the minimum of which shall be the total of the minimum limits of the several sentences so imposed, and the maximum of which shall be the total of the maximum limits of such sentences. For purposes of determining the date upon which such a person shall be eligible for consideration for release on parole, the board shall consider the minimum sentence of such person to be the total aggregate of all the minimum limits of such consecutive sentences and the maximum sentence of such person to be the total aggregate of all of the maximum limits of such consecutive sentences.

With regard to consecutive sentences imposed upon prisoners prior to July 3, 1950, and also with regard to consecutive sentences imposed upon prisoners subsequent to July 3, 1950, by different courts at different times, all such consecutive sentences, with the consent of the prisoner, may be aggregated by the board to produce a single sentence, the minimum and maximum of which shall consist of the total of the minima and maxima of such consecutive sentences. Such aggregation shall be for the purpose of establishing the date upon which such prisoner shall be eligible for consideration for release on parole.

When any such prisoner is released on parole the period of his supervision under parole shall be measured by the aggregated maxima of his consecutive sentences.

Notwithstanding any of the other provisions of this act, whenever it shall appear that the date upon which a prisoner shall be eligible for consideration for release on parole occurs later than the

date upon which he would be so eligible if a life sentence had been imposed upon him, then, and in such case, he shall be deemed eligible for consideration for release on parole after having served 25 years of his sentence, or sentences, less commutation time for good behavior and time credits earned and allowed by reason of diligent application to work assignments.

2. This act shall take effect immediately.

Approved June 14, 1956.

1. Section 20 of the act of which this act is amendatory is amended to read as follows:

C. 40:14A-20.
Real property;
procedure for
acquisition.

20. Every sewerage authority is hereby empowered, in its own name but for the local unit or units, to acquire by purchase, gift, grant or devise and to take for public use real property, within or without the district, which may be deemed by the sewerage authority necessary for its purposes, including public lands, waters, parks, roads, playgrounds, reservations and public or private rights in waters within or without the district, and any property within or without the district owned by or in which any county, municipality or political subdivision of the State, or public body or agency of such political subdivision, has any right, title or interest. Such sewerage authority is hereby empowered to acquire and take such real property, including any such public property or such public interest therein, by condemnation, in the manner provided by chapter 1 of Title 20, Eminent Domain, of the Revised Statutes (R. S. 20:1-1 et seq.) and, to that end, may invoke and exercise in the manner or mode of procedure prescribed in said chapter, either in its own name or in the name of any local unit or units, all of the powers of such local unit or units to acquire or take property for public use.

Upon the filing of a complaint in any action to fix the compensation to be paid for any such property, or at any time thereafter, such sewerage authority may file with the clerk of the county in which such property is located and also with the Clerk of the

Superior Court a declaration of taking, signed by the sewerage authority, declaring that possession of 1 or more of the tracts or parcels of land or property described in the complaint is thereby being taken by and for the use of the sewerage authority. The said declaration of taking shall be sufficient if it sets forth (1) a description of each tract or parcel of land or property to be so taken sufficient for the identification thereof to which there may or may not be attached a plan or map thereof; (2) a statement of the estate or interest in the said land or property being taken; (3) a statement of the sum of money estimated by the sewerage authority by resolution to be just compensation for the taking of the estate or interest in each tract or parcel of land or property described in said declaration; and (4) that, in compliance with the provisions of this act, the sewerage authority has established and is maintaining a trust fund as hereinafter provided.

Upon the filing of the said declaration, the sewerage authority shall deposit with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration. In addition to the said deposits with the Clerk of the Superior Court the sewerage authority at all times shall maintain a fund on deposit with a bank or trust company doing business in this State in an amount at least equal to the aggregate amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court. Said fund shall consist of cash or securities readily convertible into cash constituting legal investments for trust funds under the laws of this State or may consist of all or some part of the proceeds of bonds of the sewerage authority held by any trustee for the holders of such bonds and available for payment for the land or other property described in such declarations of taking. Said fund

shall be held by or on behalf of the sewerage authority to secure and may be applied to the payment of just compensation for the land or other property described in such declarations of taking. The sewerage authority shall be entitled to withdraw from said fund from time to time so much as may then be in excess of the aggregate amount deposited with the Clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court.

Upon the filing of the said declaration as aforesaid and depositing with the Clerk of the Superior Court the amount of the estimated compensation stated in said declaration, the sewerage authority, without other process or proceedings, shall be entitled to the exclusive possession and use of each tract of land or property described in said declaration and may forthwith enter into and take possession of said land or property, it being the intent of this provision that the action to fix compensation to be paid or any other proceedings relating to the taking of said land or interest therein or other property shall not delay the taking of possession thereof and the use thereof by the sewerage authority for the purpose or purposes for which the sewerage authority is authorized by law to acquire or condemn such land or other property or interest therein.

The sewerage authority shall cause notice of the filing of said declaration and the making of said deposit to be served upon each party to the action to fix the compensation to be paid, who resides in this State, either personally or by leaving a copy thereof at his residence, if known, and upon each such party who resides out of the State, by mailing a copy thereof to him at his residence, if known. In the event that the residence of any such party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in

which the land is located. Such service, mailing or publication shall be made within ten days after filing such declaration. Upon the application of any party in interest and after notice to other parties in interest, including the sewerage authority, the Superior Court may direct that the money deposited with the Clerk of the Superior Court or any part thereof be paid forthwith to the person or persons entitled thereto for or on account of the just compensation to be awarded in said action; provided, that each such person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event the award in the said action shall be less than the amount deposited, the court, after such notice as the court prescribes and hearing, may determine his liability, if any, for the return of such difference or any part thereof and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the sewerage authority the difference between the amount of the deposit and the amount of the award, with interest at the rate of 6% per annum thereon from the date of making the deposit. If the amount of the award shall be less than the amount so deposited, the Clerk of the Superior Court shall return the difference between the amount of the award and the deposit to the sewerage authority unless the amount of the deposit or any part thereof shall have theretofore been distributed, in which event the court, on application of the sewerage authority and notice to all persons interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the sewerage authority for such difference against the party or parties liable for the return thereof.

The sewerage authority shall not abandon any condemnation proceeding subsequent to the date upon which it has taken possession of the land or property as herein provided.

In addition to other powers conferred by this act or by any other law, and not in limitation thereof, every sewerage authority, in connection with construction or operation of any part of a sewerage system, shall have power to make reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles or any other equipment and appliances (herein called "facilities") of any public utility, as defined in section 48:2-13 of the Revised Statutes, in, on, along, over or under any real property, including public lands, waters, parks, roads, streets, highways, playgrounds and reservations. Whenever in connection with construction or operation of any part of a sewerage system, any sewerage authority shall determine that it is necessary that any such facilities, which now are, or hereafter may be, located in, on, along, over or under any such real property, including public lands, waters, parks, roads, streets, highways, playgrounds and reservations, should be relocated in such real property, including public lands, waters, parks, roads, streets, highways, playgrounds and reservations, or should be removed therefrom, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the sewerage authority; provided, however, that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location, or new locations, and the cost of any lands or any rights or interest in lands, or any other rights acquired to accomplish such relocation or removal, less the cost of any lands or any rights or interests in lands or any other rights of the public utility paid to the public utility in connection with the relocation or removal of such property, shall be paid by the sewerage authority and may be included in the cost of such sewerage system. In case of any such relocation or removal of facilities, as aforesaid, the public utility owning or operating the same, its succes-

sors or assigns, may maintain and operate such facilities, with the necessary appurtenances, in the new location or new locations for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location.

AN ACT concerning election contests, and amending sections 19:29-1, 19:29-2, 19:29-3, 19:29-4, 19:29-8 and 19:29-14 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

Section amended.

1. Section 19:29-1 of the Revised Statutes is amended to read as follows:

Grounds for contesting nomination, election or public proposition.

19:29-1. The nomination or election of any person to any public office or party position, or the approval or disapproval of any public proposition, may be contested by the voters of this State or of any of its political subdivisions affected thereby upon 1 or more of the following grounds:

b. When the incumbent was not eligible to the office at the time of the election;

c. When the incumbent had been duly convicted before such election of any crime which would render him incompetent to exercise the right of suffrage, and the incumbent had not been pardoned at the time of the election;

d. When the incumbent had given or offered to any elector or any member of any district board, clerk or canvasser, any bribe or reward, in money, property or thing of value for the purpose of procuring his election;

e. When illegal votes have been received, or legal votes rejected at the polls sufficient to change the result;

f. For any error by any board of canvassers in counting the votes or declaring the result of the election, if such error would change the result;

g. For any other cause which shows that another was the person legally elected;

h. The paying, promise to pay or expenditure of any money or other thing of value or incurring of any liability in excess of the amount permitted by this Title for any purpose or in any manner not authorized by this Title;

i. When a petition for nomination is not filed in good faith or the affidavit annexed thereto is false or defective.

The term "incumbent" means the person whom the canvassers declare elected or the person who is declared elected as a result of a recount; but in the case of a tie vote as a result of the canvass or recount, either party may contest the election, in which case the term "incumbent" means the person having an equal number of votes with the contestant.

Petition filed with clerk of Superior Court; signers; verification; bond.

In all other cases the contest shall be heard and determined by a judge of the Superior Court assigned to the county wherein such office or proposition is to be contested, and shall be commenced by the filing of a petition therefor with the Clerk of the Superior Court, signed by at least 15 voters of the county or by any defeated candidate for such nomination, party position or public office.

The petition shall be verified by the oath of at least 2 of the petitioners, or by the candidate filing the same, as the case may be, which verification

may be made on information and belief. The petition shall be accompanied by a bond to the State in the case approval or disapproval of any proposition is to be contested and to the incumbent in all other cases, with 2 or more sureties, or a deposit of cash security, to be approved by such judge, in the penal sum of \$500.00, conditioned to pay all costs in case the election be confirmed, or the petition be dismissed or the prosecution fail. When the reception of illegal or the rejection of legal voters is alleged as a cause of contest, the names of the persons who so voted, or whose votes were rejected, with the election district where they voted, or offered to vote, shall be set forth in the petition, if known.

No petition heretofore filed pursuant to this section shall be dismissed or the prosecution fail because the petitioner shall not have filed a bond with sureties as required herein, and the court shall be construed to have acquired jurisdiction to hear and determine such contest if the petitioner shall have filed with the petition a bond, without sureties, in the penal sum of \$500.00, conditioned as required in this section, with a deposit of \$500.00 as cash security therefor, approved by a judge of the Superior Court.

CHAPTER 141

AN ACT concerning workmen's compensation, amending sections 34:15-10, 34:15-12, 34:15-13, 34:15-16, 34:15-36, 34:15-40, 34:15-53 and 34:15-66 and supplementing chapter 15 of Title 34 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

1. Section 34:15-10 of the Revised Statutes is amended to read as follows:

Section
amended.

34:15-10. In the employment of minors, this article shall be presumed to apply unless the notice be given by or to the parent or guardian of the minor. If the injured employee at the time of the accident or compensable occupational disease is a minor under 14 years of age employed in violation of the labor law or a minor between 14 and 18 years of age employed, permitted or suffered to work without an employment certificate or special permit if required by law or at an occupation prohibited at the minor's age by law, a compensation or death benefit shall be payable to the employee or his dependents which shall be double the amount payable under the schedules provided in sections 34:15-12 and 34:15-13 of this Title.

Employment
in violation
of law;
children.

The possession of such duly issued employment certificate shall be conclusive evidence for an employer that the minor has reached the age certified to therein and no extra compensation shall be payable to any minor engaged in an employment allowed by the law for the age and sex certified to in such certificate. If the certificate presented by the employee as one issued to him shall have been really issued to another child and the real age of the employee shall be such that his employment in any capacity or in the particular capacity he was employed by the employer was prohibited and if the employer shall show to the satisfaction of the division of workmen's compensation that he accepted the certificate in good faith as having been issued to the employee and could not have, despite reasonable diligence, discovered the fraud, in such event no extra compensation shall be paid to the employee illegally employed.

The employer alone and not the insurance carrier shall be liable for the extra compensation or death benefit which is over and above the amount of the compensation or death benefit provided under said sections 34:15-12 or 34:15-13. Any provision in an insurance policy undertaking to relieve an employer from the liability for the extra compensation or extra death benefit shall be void.

Nothing in this chapter contained shall deprive an infant under the age of 18 years of the right or rights now existing to recover damages in a common law or other appropriate action or proceeding for injuries received by reason of the negligence of his or her master.

Nothing in this section regarding the payment of a compensation or death benefit in double the amount payable under the schedules provided in sections 34:15-12 and 34:15-13 of this Title shall apply to employees, of the age of 18 years or under, employed in summer camps operated by the Boy Scouts of America, the Girl Scouts of America, the Knights of Columbus, the Young Men's Christian Association, the Young Women's Christian As-

sociation, the Young Men's Hebrew Association, or any domestic corporation organized solely for religious or charitable purposes.

2. Section 34:15-12 of the Revised Statutes is amended to read as follows: Section amended.

34:15-12. Following is a schedule of compensation: Schedule of compensation.

a. For injury producing temporary disability, weekly compensation shall be paid based upon the weekly wage received at the time of the injury, subject to a maximum compensation of \$40.00 per week and a minimum of \$10.00 per week in accordance with the following "Wage and Compensation Schedule," but expressly subject to the provisions of Revised Statutes 34:15-37:

This compensation shall be paid during the period of such disability, not, however, beyond 300 weeks.

b. For disability total in character and permanent in quality, weekly compensation shall be paid based upon the weekly wage received at the time of injury, subject to a maximum compensation of \$40.00 per week and a minimum of \$10.00 per week in accordance with the "Wage and Compensation Schedule" set forth in paragraph a of this section but expressly subject to the provisions of Revised Statutes 34:15-37. This compensation shall be paid for a period of 450 weeks, at which time compensation payments shall cease unless the employee shall have submitted to such physical or educational rehabilitation as may have been ordered by the rehabilitation commission, and can show that because of such disability it is impossible for him to obtain wages or earnings equal to those earned at the time of the accident, in which case further weekly payments shall be made during the period of such disability, the amount thereof to be the previous weekly compensation payment diminished by that portion thereof that the wage, or earnings, he is then able to earn, bears to the wages received at the time of the accident. If his wages or earnings equal or exceed wages received at the time of the accident, then his compensation rate shall be reduced to \$5.00. In calculating compen-

sation for this extension beyond 450 weeks the minimum provision of \$10.00 shall not apply. This extension of compensation payments beyond 450 weeks shall be subject to such periodic reconsiderations and extensions as the case may require, and shall apply only to disability total in character and permanent in quality, and shall not apply to any accident occurring prior to July 4, 1923.

c. For disability partial in character and permanent in quality, weekly compensation shall be paid based upon the weekly wages received at the time of the injury, subject to a maximum compensation of \$35.00 per week and a minimum of \$10.00 per week in accordance with the "Wage and Compensation Schedule" set forth in paragraph "a" of this section, but expressly subject to the provisions of Revised Statutes 34:15-37, and shall be paid to the employee for the period named in the following schedule (subparagraphs 1 to 23 inclusive):

Member Lost	Number of Weeks' Compensation
1. Thumb	75
2. First finger (commonly called index finger)	50
3. Second finger	40
4. Third finger	30
5. Fourth finger (commonly called little finger)	20
6. Great toe	40
7. Toe, other than a great toe	15
8. Hand, or thumb and first and second fingers (on 1 hand) or 4 fingers (on 1 hand)	230
9. Arm	300
10. Foot	200
11. Leg	275

12. The loss of the first phalange of the thumb or of any finger shall be considered to be equal to the loss of $\frac{1}{2}$ of such thumb or finger, and the compensation shall be for $\frac{1}{2}$ of the periods of time above specified. The loss of any portion of the thumb or any finger between the terminal joint and the end thereof shall be compensated for a like proportion of the period of time prescribed for the loss of the first phalange of such member.

13. The loss of the first phalange and any portion of the second shall be considered as the loss of the entire finger or thumb, but in no case shall the amount received for more than 1 finger exceed the amount provided in this schedule for the loss of a hand.

14. The loss of the first phalange of any toe shall be considered to be equal to the loss of $\frac{1}{2}$ of such toe, and compensation shall be for $\frac{1}{2}$ of the period of time above specified.

15. The loss of the first phalange and any portion of the second shall be considered as the loss of the entire toe.

16. For the loss of vision of an eye, 200 weeks.

18. For the loss of a natural tooth, 4 weeks for each tooth lost.

19. For the total loss of hearing in 1 ear, 60 weeks. For the total loss of hearing in both ears by 1 accident, 200 weeks.

20. The loss of both hands, or both arms, or both feet, or both legs, or both eyes, or any 2 thereof as the result of any 1 accident, shall constitute total and permanent disability to be compensated according to the provisions of paragraph "b."

21. Amputation between the elbow and the wrist shall be considered as the equivalent of the loss of a hand and amputation at the elbow shall be considered equivalent to the loss of the arm. Ampu-

tation between the knee and ankle shall be considered as the equivalent of the loss of a foot, and amputation at the knee shall be considered equivalent to the loss of the leg.

22. In all lesser or other cases involving permanent loss, or where the usefulness of a member or any physical function is permanently impaired, the duration of compensation shall bear such relation to the specific periods of time stated in the above schedule as the disabilities bear to those produced by the injuries named in the schedule. In cases in which the disability is determined as a percentage of total and permanent disability the duration of the compensation shall be a corresponding portion of 550 weeks. Should the employer and employee be unable to agree upon the amount of compensation to be paid in cases not covered by the schedule, either party may appeal to the Division of Workmen's Compensation for a settlement of the controversy.

23. Where there is a traumatic hernia compensation will be allowed if notice thereof is given by the claimant to the employer within 48 hours after the occurrence of the hernia but any Sunday, Saturday or holiday shall be excluded from this 48-hour period.

d. If previous loss of function to the body, head, a member or an organ, due to any previous compensable accident or accidents, is established by competent evidence, and subsequently an injury arising out of and in the course of an employment occurs to that part of the body, head, member or organ, where there was a previous loss, then and in such case, the employer or his insurance carrier at the time of the subsequent injury shall not be liable for any loss for which compensation has previously been paid or awarded. In either event, credit shall be given the employer or his insurance carrier to the extent of the previous loss for which compensation has been paid.

e. In case of the death of the person from any cause other than the accident or occupational dis-

ease, during the period of payments for permanent injury, the remaining payments shall be paid to such of his or her dependents as are included in the provisions of said section 34:15-13 or, if no dependents, the remaining amount due, but not exceeding \$400.00, shall be paid in a lump sum to the proper person for funeral expenses; but no compensation shall be due any other person than the injured employee on account of compensation being paid in excess of 450 weeks on account of disability total in character and permanent in quality as provided by paragraph "b" of this section.

Section amended.

3. Section 34:15-13 of the Revised Statutes is amended to read as follows:

Death. compensation for: computing and disbursing.

34:15-13. Except as hereinafter provided, in case of death, compensation shall be computed, but not distributed, on the following basis:

- a. For 1 dependent, 35% of wages.
- b. For 2 dependents, 40% of wages.
- c. For 3 dependents, 45% of wages.
- d. For 4 dependents, 50% of wages.
- e. For 5 dependents, 55% of wages.
- f. For 6 or more dependents, 60% of wages.

g. The term "dependents" shall apply to and include any or all of the following who are dependent upon the deceased at the time of accident or the occurrence of occupational disease, or at the time of death, namely: Husband, wife, parents, stepparents, grandparents, children, stepchildren, grandchildren, child in esse, posthumous child, illegitimate children, brothers, sisters, half brothers, half sisters, niece, nephew. Legally adopted children shall, in every particular, be considered as natural children. Dependency shall be conclusively presumed as to the decedent's widow and natural children under 18 years of age who were actually a part of the decedent's household at the time of his death. Every provision of this article applying to one class shall be equally applicable to the other. Should any dependent of a deceased employee die during the period covered by such weekly payments the right of such dependent to

compensation under this section shall cease but should the widow of a deceased employee remarry during such period and before the total compensation is paid, she shall be entitled to receive the remainder of the compensation which would have been due her had she not remarried, or \$1,000.00, whichever is the lesser. The foregoing schedule applies only to persons wholly dependent, and in the case of persons only partially dependent, except in the case of the widow and children who were actually a part of the decedent's household at the time of his death, the compensation shall be such proportion of the scheduled percentage as the amounts actually contributed to them by the deceased for their support constituted of his total wages and the provision as to a \$10.00 minimum shall not apply to such compensation. In determining the number of dependents, where the deceased employee was a minor, the number of persons dependent upon the deceased employee shall be determined in the same way as if the deceased employee were an adult, notwithstanding any rule of law as to the person entitled to a minor's wages.

h. Compensation shall be computed upon the foregoing basis. Distribution shall be made among dependents, if more than 1, according to the order of the Division of Workmen's Compensation, which shall, when applied to for that purpose determine, upon the facts being presented to it, the proportion to be paid to or on behalf of each dependent according to the relative dependency. Payment on behalf of infants shall be made to the surviving parent, if any, or to the statutory or testamentary guardian.

i. If death results from the accident or occupational disease, whether there be dependents or not, expenses of the last sickness of the deceased employee shall be paid in accordance with the provisions for medical and hospital service as set forth in section 34:15-15 of this Title. Also the cost of burial, not to exceed \$400.00, shall be paid to the

dependent or other person having paid said costs of burial. In the event that the said dependent or other person has paid less than \$400.00 the said dependent or other person shall be reimbursed in the amount paid and, if the costs of burial exceed the amount so paid, the difference between the said amount and \$400.00 or so much thereof as may be necessary to pay the costs of burial, shall be paid to the undertaker or embalmer. In the event that no part of the costs of burial has been paid, the amount of such cost of burial, not to exceed \$400.00, shall be paid to the undertaker or embalmer.

j. In computing compensation to those named in this section, except husband, wife, parents and stepparents, only those under 18 or over 40 years of age shall be included and then only for that period in which they are under 18 or over 40; provided, however, that payments to such physically or mentally deficient persons as are for such reason dependent shall be made during the full compensation period of 350 weeks.

k. The maximum compensation in case of death shall be \$40.00 per week and the minimum \$10.00 per week, except in the case of partial dependency as provided in this section. This compensation shall be paid during 350 weeks and if at the expiration of 350 weeks there shall be 1 or more dependents under 18 years of age compensation shall be continued for such dependents until they reach 18 years of age at the schedule provided under paragraphs "a" to "f" of this section.

Section amended.

Compensation to run consecutively.

4. Section 34:15-16 of the Revised Statutes is amended to read as follows:

34:15-16. Compensation for all classes of injuries shall run consecutively, and not concurrently, except as provided in this section and in section 34:15-15 of this Title, as follows: First, medical and hospital services and medicines as provided in said section 34:15-15. After the waiting period, compensation during temporary disability. If total period of disability extends beyond 4 weeks, compensation to cover waiting period. Following both,

either or none of the above, compensation consecutively for each permanent injury, except that permanent disability, total or partial, shall not be determined or awarded until after 26 weeks from the date of the employee's final active medical treatment, or until after 26 weeks from the date of the employee's return to work, whichever is earlier, or, if no time is lost or no treatment is rendered, then permanent disability, total or partial, shall not be determined or awarded until after 26 weeks from the date of the accident, except in cases of amputation or enucleation or death from other cause within that time and except when earlier determination of permanent disability is waived by the employer or his insurance carrier. Nothing herein contained shall prevent an employer or his insurance carrier from paying permanent disability compensation voluntarily prior to the expiration of the 26 week period. Following any or all or none of the above, if death results from the accident, expenses of last sickness and burial. Following which compensation to dependents, if any.

Where an employer or his insurance carrier desires to pay for or furnish medical, surgical, or hospital treatment, drugs, orthopedic or prosthetic appliances, after the date when payments under sections 34:15-12 and 34:15-13 of this Title have terminated, the employer or his insurance carrier may, in writing, reserve the defense of the jurisdictional limitations provided by sections 34:15-27, 34:15-34, 34:15-41 and 34:15-51 of this Title; provided, that the reservation is approved by a deputy director after advising the petitioner personally of his rights and of the effect of such reservation.

5. Section 34:15-36 of the Revised Statutes is amended to read as follows: Section amended.

34:15-36. "Willful negligence" within the intent of this chapter shall consist of (1) deliberate act or deliberate failure to act, or (2) such conduct as evidences reckless indifference to safety, or (3) intoxication, operating as the proximate cause of injury. Terms defined.

“Employer” is declared to be synonymous with master, and includes natural persons, partnerships, and corporations; “employee” is synonymous with servant, and includes all natural persons who perform service for another for financial consideration, exclusive of casual employments, which shall be defined, if in connection with the employer’s business, as employment the occasion for which arises by chance or is purely accidental; or if not in connection with any business of the employer, as employment not regular, periodic or recurring; provided, however, that forest fire wardens and forest fire fighters employed by the State of New Jersey shall, in no event, be deemed casual employees.

Section
amended.

6. Section 34:15-40 of the Revised Statutes is amended to read as follows:

Liability of
third party.

34:15-40. Where a third person is liable to the employee or his dependents for an injury or death, the existence of a right of compensation from the employer or insurance carrier under this statute shall not operate as a bar to the action of the employee or his dependents, nor be regarded as establishing a measure of damage therein. In the event that the employee or his dependents shall recover and be paid from the said third person or his insurance carrier, any sum in release or in judgment on account of his or its liability to the injured employee or his dependents, the liability of the employer under this statute thereupon shall be only such as is hereinafter in this section provided.

(a) The obligation of the employer or his insurance carrier under this statute to make compensation payments shall continue until the payment, if any, by such third person or his insurance carrier is made.

(b) If the sum recovered by the employee or his dependents from the third person or his insurance carrier is equivalent to or greater than the liability of the employer or his insurance carrier under this statute, the employer or his insurance carrier shall be released from such liability and shall be entitled

to be reimbursed, as hereinafter provided, for the medical expenses incurred and compensation payments theretofore paid to the injured employee or his dependents less employee's expenses of suit and attorney's fee as hereinafter defined.

(c) If the sum recovered by the employee or his dependents as aforesaid is less than the liability of the employer or his insurance carrier under this statute, the employer or his insurance carrier shall be liable for the difference, plus the employee's expenses of suit and attorney's fee as hereinafter defined, and shall be entitled to be reimbursed, as hereinafter provided for so much of the medical expenses incurred and compensation payments theretofore paid to the injured employee or his dependents as exceeds the amount of such difference plus such employee's expenses of suit and attorney's fee.

(d) If at any time prior to the payment by the third person or his insurance carrier to the injured employee or his dependents, the employer or his insurance carrier shall serve notice, as hereinafter provided, upon such third person or his insurance carrier that compensation has been applied for by the injured employee or his dependents it shall thereupon become the duty of such third person or his insurance carrier, before making any payment to the injured employee or his dependents, to inquire from such employer or his insurance carrier the amount of medical expenses incurred and compensation theretofore paid to the injured employee or to his dependents. Where such notice shall have been served, it shall further become the duty of such third person or his insurance carrier, before making any payment as aforesaid, to inquire from such injured employee or his dependents the amount of the expenses of suit and attorney's fee, or either of them in the action or settlement of the claim against such third person or his insurance carrier. Thereafter, out of that part of any amount about to be paid in release or in judgment by such third person or his insurance carrier on account of

his or its liability to the injured employee or his dependents, the employer or his insurance carrier shall be entitled to receive from such third person or his insurance carrier so much thereof as may be due the employer or insurance carrier pursuant to subparagraph (b) or (c) of this section. Such sum shall be deducted by such third person or his insurance carrier from the sum to be paid in release or in judgment to the injured employee or his dependents and shall be paid by such third person or his insurance carrier to the employer or his insurance carrier. Service of notice, hereinbefore required to be made by the employer or his insurance carrier upon such third person or his insurance carrier, shall be by registered mail, return receipt and in cases other than an individual shall be mailed to the registered office of such other third person or his insurance carrier.

(e) As used in this section, "expenses of suit" shall mean such expenses, but not in excess of \$200.00, and "attorney's fee" shall mean such fee, but not in excess of $33\frac{1}{3}\%$ of that part of the sum paid in release or in judgment to the injured employee or his dependents by such third person or his insurance carrier to which the employer or his insurance carrier shall be entitled in reimbursement under the provisions of this section, but on all sums in excess thereof, this percentage shall not be binding.

(f) When an injured employee or his dependents fail within 1 year of the accident to either effect a settlement with the third person or his insurance carrier or institute proceedings for recovery of damages for his injuries and loss against the third person, the employer or his insurance carrier, 10 days after a written demand on the injured employee or his dependents, can either effect a settlement with the third person or his insurance carrier or institute proceedings against the third person for the recovery of damages for the injuries and loss sustained by such injured employee or his dependents and any settlement made with the third

person or his insurance carrier or proceedings had and taken by such employer or his insurance carrier against such third person, and such right of action shall be only for such right of action that the injured employee or his dependents would have had against the third person, and shall constitute a bar to any further claim or action by the injured employee or his dependents against the third person. If a settlement is effected between the employer or his insurance carrier and the third person or his insurance carrier, or a judgment is recovered by the employer or his insurance carrier against the third person for the injuries and loss sustained by the employee or his dependents and if the amount secured or obtained by the employer or his insurance carrier is in excess of the employer's obligation to the employee or his dependents and the expense of suit, such excess shall be paid to the employee or his dependents. The legal action contemplated hereinabove shall be a civil action at law in the name of the injured employee or by the employer or insurance carrier in the name of the employee to the use of the employer or insurance carrier, or by the proper party for the benefit of the next of kin of the employee. Where an injured employee or his dependents have instituted proceedings for recovery of damages for his injuries and loss against a third person and such proceedings are dismissed for lack of prosecution, the employer or insurance carrier shall, upon application made within 90 days thereafter, be entitled to have such dismissal set aside, and to continue the prosecution of such proceedings in the name of the injured employee or dependents in accordance with the provisions of this section.

(g) If such employee or his dependents effect a settlement with the third person or his insurance carrier or institute proceedings against the third person prior to the service of notice upon the third person or his insurance carrier of the compensation obligation of the employer or his insurance carrier or prior to the institution of any proceedings

against the third person by the employer or his insurance carrier for the injuries and loss sustained by such employee or his dependents, such employer or his insurance carrier is barred from instituting any action or proceedings against the third person for the injuries and loss sustained by such employee or his dependents.

The words "third person" as used in this section include corporations, companies, associations, societies, firms, partnerships and joint stock companies as well as individuals.

Section amended.

7. Section 34:15-53 of the Revised Statutes is amended to read as follows:

Hearings, time, place and notice.

34:15-53. Within 20 days after the filing of an answer, or the expiration of the time for filing an answer if no answer is filed, the secretary of the division shall fix a time and place for hearing the petition, or shall send the petition and answer or a transcript of the petition and answer to the director, a deputy director or 1 of the referees, in which case such director, deputy director or referee, within 20 days after the filing of the answer, shall fix a time and place for the hearing of the petition. Such time shall be not less than 4 weeks nor more than 6 weeks after the filing of the petition, provided however, that in cases where the extent of permanent disability, total or partial, is an issue, the determination of such issue shall be deferred as provided in section 34:15-16 of this Title. The petition shall be heard either in the county in which the injury occurred or in which the petitioner or respondent resides, or in which the respondent's place of business is located, or in which the respondent may be served with process. When a time and place has been fixed for such hearing, the director, deputy director or the referee to whom the cause has been referred shall give at least 10 days' notice to each party of the time and place of hearing. (a) all members of the Teachers' Pension and Annuity Fund enrolled as such of December 31, 1955;

(b) any person becoming a teacher on or after the effective date of this act;

(c) every teacher veteran as of the effective date of this act who is not a member of the Teachers' Pension and Annuity Fund of such date and who shall not have notified the board of trustees within 30 days of such date that he does not desire to become a member;

(d) any teacher employed on the effective date of this act who is not a member of the Teachers' Pension and Annuity Fund and who elects to become a member under the provisions of section 10.

reasons of a reduction in the number of pupils, economy, a change in the administrative or supervisory organization of the district, or other good cause; or if a teacher becomes unemployed by reason of the creation of a regional school district or a consolidated school district; or if a teacher is on a leave of absence granted by his employer or permitted by any law of this State; and if such teacher has not withdrawn his accumulated contributions, his membership may continue in the retirement system notwithstanding any provisions of this act, but such continuation shall not extend beyond a period of 5 years from the date of such dismissal, or the beginning of such unemployment or leave of absence, and no credit for retirement purposes shall be allowed except as provided hereinafter in this section. In computing the service or in computing final compensation no time after September 1, 1919, during which a member was employed as a teacher at an annual salary or remuneration fixed at less than \$500.00 shall be credited, excepted that in the case of a veteran member credit shall be given for service rendered prior to January 1, 1955, in an employment, office or position if the annual salary or remuneration therefor was fixed at not less than \$300.00 and such service consisted of the performance of the full duties of such employment, office or position. In computing service for retirement purposes or in computing final compensation no time during which such teacher was absent on such leave shall be credited unless the service was allowed for retirement purposes within 1 year following his return to service after completion of such leave, both by his employer and by the board of trustees, or unless the service rendered to an employer other than the State or a political subdivision thereof was allowed for retirement purposes by the provisions of any law of this State. Any such member shall be required to contribute, either in a lump sum or by installment payments, an amount calculated, in accordance with the rules and regulations of the board of

trustees, to cover the contributions he would have paid for any service compensation credited for the period of such official leave of absence without pay, unless the service rendered to an employer other than the State or a political subdivision thereof was allowed for retirement purposes by the provisions of any law of this State.

3. Section 10 of the act of which this act is amendatory is amended to read as follows:

Section

10. Any person who was employed as a teacher prior to the effective date of this act, and who did not join the Teachers' Pension and Annuity Fund, may join at any time upon paying such arrears over a period of not more than 10 years in regular installments, with interest, as the board of trustees shall determine to be due, in order to give to such person prior service credit for all or any part of his service as a teacher in the State of New Jersey, or he shall have the option of joining as a new member upon application to the board of trustees, with no credit for previous service.

C. 18:13-112.12.
Nonmembers
may join.

In the case of any person coming under the provisions of this section, full annuity credit for the period of employment for which arrears are being paid shall be given upon the payment of the total amount due, and full pension credit for such period of employment shall be given upon the payment of at least $\frac{1}{2}$ of the total arrearage obligation and the completion of 1 year of making arrears payments, except in the case of retirement for service, in which case the total membership credit for such service shall be in direct proportion to the amount paid of the total amount of the arrearage obligation, upon the completion of 1 year making arrears payments.

Any person coming under the provision of this section shall not be allowed any of the death benefits established by sections 38, 41, 42, 44, 46 and 53 of this act unless he becomes a member within 12 months after the effective date of this act, or furnishes satisfactory evidence of insurability.

Section
amended.

C. 18:13-112.20.
Contingent
reserve fund.

4. Section 18 of the act of which this act is amendatory is amended to read as follows:

18. The accumulated reserves in the former pension accumulation fund are hereby transferred to the contingent reserve fund, which shall be the fund in which shall be credited contributions made by the State and other employers.

a. Upon the basis of such tables as the board of trustees adopts, and regular interest, the actuary of the board shall compute annually the amount of contribution, expressed as a proportion of the compensation paid to all members, except veteran members who were employed as teachers on January 1, 1955, which, if paid monthly during the entire prospective service of such members, will be sufficient to provide for the pension reserves required at the time of discontinuance of active service, to cover all pensions to which they may be entitled or which are payable on their account, and to provide for the amount of the death and accidental disability benefits payable on their account, and which amount is not covered by contributions to be made as provided in paragraphs "b" and "c" hereof and the funds in hand available for such benefits.

b. Upon the basis of such table as the board of trustees adopts, and regular interest, the actuary of the board shall compute, annually, the amount of the liability which has accrued by reason of the establishment of Class B credit by nonveteran members and which has not already been covered by State contributions to the retirement system. Using the total amount of this liability remaining as a basis, he shall compute the amount of the flat annual payments which, if paid in each succeeding fiscal year commencing with July 1, 1957, for a period of 30 years, will provide for this liability.

c. The actuary of the board shall compute, annually, a "deficiency contribution" which shall not be less than an amount which, if paid in each succeeding fiscal year commencing with July 1, 1956, for a period of 11 years, will be sufficient to liqui-

date the accrued liability of the pension fund which has not already been covered by previous deficiency contributions and is not covered by other prospective contributions on account of members.

d. Upon the basis of such tables as the board of trustees adopts, and regular interest, the actuary of the board shall compute annually the amount of the total liability for past service and all prospective service for veteran members who were employed as teachers on January 1, 1955, which has not already been covered by State and employer contributions to the retirement system and, except as provided by section 70 of this act, by past or prospective contributions by such veteran members and which will be sufficient to provide for the pension reserves required at the time of discontinuance of active service, to cover all pensions to which they may be entitled or which are payable on their account, and to provide for the amount of death and accidental disability benefits payable on their account. Using the total amount of this liability remaining as a basis, he shall compute the amount of the flat annual payment, which, if paid in each succeeding fiscal year commencing with July 1, 1957, for a period of 30 years, will provide for this liability.

e. The board of trustees shall estimate and certify annually the aggregate amount payable to the contingent reserve fund in the ensuing year, which amount shall be equal to the sum of the amounts described in paragraphs "a," "b," "c," and "d" hereof, and which shall be paid into the contingent reserve fund in the manner provided by section 33 of this act.

f. Except as provided in sections 26 and 53 of this act, the death benefits payable under the provisions of this act upon the death of a member in active service shall be paid from the contingent reserve fund.

g. Any other provision of this act notwithstanding, no payment shall be made to the contingent reserve fund on behalf of service of veteran mem-

bers until the fiscal year commencing July 1, 1957. This shall not affect the payment of benefits to, and on behalf of, veteran members prior to said date, and any such disbursements for benefits not covered by reserves in the system on account of veterans shall be met by direct contribution of the State.

Section
amended.

5. Section 21 of the act of which this act is amendatory is amended to read as follows:

C. 18:13-112.23.
Retirement
reserve fund.

21. The reserves held as of the effective date of this act in the former annuity reserve fund for beneficiaries other than beneficiaries of the pension fund, and those held in the former pension reserve fund are hereby transferred to the retirement reserve fund. The retirement reserve fund shall be the fund from which all retirement allowances shall be paid except those payable from the pension fund as provided in section 22. Upon the retirement of a member other than a present-entrant, the accumulated deductions of the member together with regular interest after January 1, 1956, shall be transferred to the retirement reserve fund from the annuity savings fund. The reserve needed to produce the balance of the retirement allowance shall be transferred from the contingent reserve fund.

Any surplus or deficit developing in the retirement reserve fund shall be adjusted from time to time by transfer to or from the contingent reserve fund by appropriate action of the board of trustees.

Section
amended.

6. Section 25 of the act of which this act is amendatory is amended to read as follows:

C. 18:13-112.27.
Interest
allowed.

25. The board of trustees at the end of each fiscal year shall allow interest on the balance of the contingent reserve fund, the annuity savings fund, the retirement reserve fund, pension fund and the members' death benefit fund as of the beginning of said fiscal year at the regular interest rate applicable thereto to cover the interest creditable to the respective funds for the year. The amount so allowed shall be due and payable to said funds and shall be credited annually thereto by the board.

7. Section 35 of the act of which this act is amendatory is amended to read as follows:

Section
amended.

35. After January 1, 1959, any member who has at least 3 years of service as a member to his credit may borrow from the retirement system, with the approval of the board of trustees, an amount equal to not more than 50% of the amount of his accumulated deductions, but not less than \$50.00; provided, that the amount so borrowed, together with interest thereon, can be repaid by additional deductions from compensation, not in excess of 25% of the member's compensation, made at the same time compensation is paid to the member, but not after the attainment of age 60. The amount so borrowed, together with interest at the rate of 4% per annum on any unpaid balance thereof, shall be repaid to the retirement system in equal installments by deduction from the compensation of the member at the time the compensation is paid or in some other manner and in such amounts as the board of trustees shall approve, but such installments shall be at least equal to the member's contribution to the retirement system and at least sufficient to repay the amount borrowed with interest thereon by the time the member attains age 60. Not more than 2 loans may be granted to any member in any fiscal year. Notwithstanding any other law affecting the salary or compensation of any person or persons to whom this act applies or shall apply, the additional deductions required to repay the loan shall be made. Any unpaid balance of a loan at the time any benefit may become payable before the attainment of age 60 shall be deducted from the benefit otherwise payable.

C. 18:13-112.37.
Loans.

Loans may be made to a member from his accumulated deductions. In addition the board of trustees is hereby authorized to set aside moneys within the contingent reserve fund from which loans to members may be made. If such moneys are used for the purpose of making loans, the interest earned on such loans shall be treated in the same manner as interest earned from investments of the retirement system.

Section
amended.

8. Section 37 of the act of which this act is amendatory is amended to read as follows:

C. 18:13-112.39.
Early
retirement.

37. Should a member resign after having completed 25 years of service before reaching service retirement age, he may elect "early retirement," on which he shall receive, in lieu of the payment provided in section 34 of this act, a total retirement allowance of $\frac{1}{70}$ of his final compensation for each year of service credited as Class A service and $\frac{1}{60}$ of his final compensation for each year of service credited as Class B service, calculated in accordance with section 44 of this act, reduced by $\frac{1}{2}$ of 1% for each month that the member lacks of being age 60 at the time of resignation, except that in the case of a member who has not attained age 53 at the time of resignation, the reduction is equal to 42% plus $\frac{1}{6}$ of 1% for each month the member lacks of being age 53 at the time of resignation, and with the optional privileges provided for in section 47 of this act; provided, however, that upon the receipt of proper proofs of the death of such a member after the member shall have reached 60 years of age there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate, an amount equal to $\frac{3}{16}$ of the compensation received by the member in the last year of creditable service.

Section
amended.

9. Section 38 of the act of which this act is amendatory is amended to read as follows:

C. 18:13-112.40.
Death
benefit.

38. Except as provided in section 69, upon the receipt of proper proof of the death of a member in service on account of which no accidental death benefit is payable under section 46, there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate:

(a) His accumulated deductions at the time of death together with regular interest after January 1, 1956; and

(b) An amount equal to $1\frac{1}{2}$ times the compensation upon which his contributions are based or received by the member in the last year of creditable service; provided, however, that if such death shall occur on or after July 1, 1956, and after the member shall have attained age 70, the amount payable shall equal $\frac{3}{16}$ of the compensation received by the member in the last year of creditable service instead of $1\frac{1}{2}$ times such compensation.

A member may file with the board of trustees, and alter from time to time during his lifetime, as desired, a duly attested written new nomination of the payee of the death benefit provided under this section. Such member may also file, and alter from time to time during his lifetime, as desired, a request with the board of trustees directing payment of said benefit in 1 sum or in equal annual installments over a period of years or as a life annuity. Upon the death of such a member a beneficiary to whom a benefit is payable in 1 sum may elect to receive the amount payable in equal annual installments over a period of years or as a life annuity.

For the purpose of this section and section 53 of this act, a member shall be deemed to be in service for a period of no more than 2 years while on official leave of absence without pay; provided, that satisfactory evidence is presented to the board of trustees that such leave of absence without pay is due to illness. For the purposes of this section and section 53 of this act, a member shall be deemed to be in service for a period of no more than 93 days while on official leave of absence without pay when such leave of absence is due to any reason other than illness. In order for a member to be covered for the optional death benefits provided by section 53 of this act, he shall continue to make contributions for same during the period such member is on official leave of absence without pay.

Section
amended.

C. 18:13-112.42.
Conditions
of disability,
retirement,
examination,
restoration
to service.

10. Section 40 of the act of which this act is amendatory is amended to read as follows:

40. Once each year the board of trustees may, and upon his application shall, require any disability beneficiary who is under the age of 60 years to undergo medical examination by a physician or physicians designated by the board. The examination shall be made at the residence of the beneficiary or any other place mutually agreed upon. If the physician or physicians thereupon report and certify to the board that the disability beneficiary is not totally incapacitated either physically or mentally for the performance of duty and that he is engaged in or is able to engage in a gainful occupation, and if the board concurs in the report, then the amount of his pension shall be reduced to an amount which, when added to the amount then earned by him, shall not exceed the amount of his final compensation. If subsequent medical examination of such a beneficiary shows that his earning capacity has changed since the date of his last examination, then the amount of his pension may be further altered; but the new pension shall not exceed the amount of pension originally granted or an amount which, when added to the amount earned by the beneficiary, shall not exceed the amount of his final compensation.

If a disability beneficiary, while under the age of 60 years, refuses to submit to at least 1 medical examination in any year by a physician or physicians designated by the board, his pension shall be discontinued until withdrawal or his refusal, and if his refusal continues for 1 year, all his rights in and to the pension shall be forfeited.

Upon application to the employer by whom he was employed at the time of his retirement, any beneficiary, while under the age of 60 years, may, in the discretion of the employer, be restored to active service. No disability beneficiary restored to service shall be compelled or permitted to become a member, or to receive any benefits other than those previously awarded to him, as long as his annual

rate of compensation is less than his final compensation at the time of his retirement. Any beneficiary under the age of 60 years, who is restored to active service at an annual rate of compensation equal to or greater than his final compensation at the time of his retirement, or whose annual rate of compensation is increased at any time after his restoration to service, to a rate equal to or greater than his final compensation at the time of his retirement, shall thereupon again become a member of the retirement system. His retirement allowance shall be canceled, and notwithstanding anything in this act to the contrary, the appropriate reserves shall be transferred as provided in section 23. Deductions shall be made from his compensation at the rate applicable to him prior to his retirement. Any service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect, and he shall be credited with all service as a member standing to his credit at the time of his retirement; except that such a beneficiary again becoming a member after having attained the age of 50 years shall receive a retirement allowance on subsequent retirement based on all his service as a member since his last return to membership, and in addition he shall receive a retirement allowance equal to the retirement allowance on which he was retired at the time of his last retirement, but the total retirement allowance upon subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement.

11. Section 41 of the act of which this act is amendatory is amended to read as follows:

Section
amended.

41. Subject to the provisions of section 68 of this act, a member upon retirement for ordinary disability shall receive a retirement allowance of the sum of $\frac{1}{70}$ of his final compensation for each year of service credited as Class A service and $\frac{9}{10}$ of the sum of $\frac{1}{60}$ of his final compensation for each

year of service credited as Class B service, calculated in accordance with section 44 of this act; and provided further, that in no event shall the allowance be less than $\frac{3}{10}$ of final compensation, except that in no case shall the rate of allowance exceed $\frac{5}{10}$ of the rate of allowance which the member would have received had he remained in service to age 60.

Except as provided in section 69, upon the receipt of proper proofs of the death of a member who has retired on an ordinary disability retirement allowance, there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate, and amount equal to $1\frac{1}{2}$ times the compensation received by the member in the last year of creditable service if such death occurs before the member shall have reached 60 years of age but if such death occurs thereafter an amount equal to $\frac{3}{16}$ of the compensation received by the member in the last year of creditable service. The death benefits provided in this section shall apply to any member who has retired or shall retire on or after January 1, 1956.

Section
amended.

12. Section 42 of the act of which this act is amendatory is amended to read as follows:

C. 18:13-112.44.
Accident
disability
allowances.

42. Subject to the provisions of section 68 of this act, a member upon retirement for accident disability shall receive a service retirement allowance if he has attained the age of 70; otherwise he shall receive a retirement allowance which shall consist of:

(a) an annuity which shall be the actuarial equivalent of his accumulated deductions at the time of his retirement together with regular interest after January 1, 1956; and

(b) a pension, in addition to the annuity, of $\frac{2}{3}$ of his actual annual compensation for which contributions were being made at the time of the occurrence of the accident.

Optional
death benefits.

14. Section 53 of the act of which this act is amendatory is amended to read as follows:

53. a. Each member who is a member on the date this amendment takes effect and each person who thereafter becomes a member, will be eligible to purchase the additional death benefit coverage hereinafter described, provided that he selects such coverage within 1 year after the effective date of this section as amended or after the effective date of membership, whichever date is later.

b. The board of trustees shall establish schedules of contributions to be made by the members who elect to purchase the additional death benefit coverage. Such contributions shall be so computed that the contributions made by or on behalf of all covered members in the aggregate shall be sufficient to provide for the cost of the benefits established by subsection c of this section. Such schedules of contribution shall be subject to adjustment from time to time, by the board of trustees, as the need may appear.

c. Upon the receipt of proper proofs of the death in service of any such member while covered for the additional death benefit coverage there shall be paid to such person, if living, as the member shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate, an amount equal to $1\frac{1}{2}$ times the compensation received by the member in the last year of creditable service or some lesser amount as may be provided by the board of trustees and elected to purchase by the member; provided, that if such death in service shall occur on or after July 1, 1956, and after the member has attained age 70, the

amount payable shall equal $\frac{3}{16}$ of the compensation received by the member in the last year of creditable service instead of $1\frac{1}{2}$ times such compensation.

d. The board of trustees may also establish additional supplemental contributions to be paid by such members as express their desire to have the additional death benefit coverage continued after retirement in the form of paid-up coverage for the amount hereinafter set forth, and to pay the increased cost therefor. Such supplemental contributions shall also be subject to adjustment from time to time by the board.

e. Upon the receipt of proper proofs of the death of a member retired on a service retirement allowance who is covered for paid-up coverage as provided by this section at time of death, there shall be paid to such person, if living, as the member shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate, an amount equal to $\frac{3}{16}$ of the compensation received by the member in the last year of creditable service.

f. Upon the receipt of proper proofs of the death of a member retired on ordinary or accident disability retirement allowance who is covered for paid-up coverage as provided by this section at time of death, there shall be paid to such person, if living, as the member shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate, an amount equal to $1\frac{1}{2}$ times the compensation received by the member in the last year of creditable service or such lesser amount as may be provided by the board of trustees and purchased by such member if such death occurs before the member shall have reached 60 years of age, but if such death occurs thereafter an amount equal to $\frac{3}{16}$ of the compensation received by the member in the last year of creditable service.

g. The contributions of a member for the additional death benefit coverage, including the supplemental contributions of a member electing to make such contributions, shall be deducted from his compensation, but if there is no compensation from which such contributions may be deducted it shall be the obligation of the member to make such contributions directly to the board of trustees or as directed by the board; provided, however, that no contribution shall be required while a member remains in service after attaining age 70 but that his employer shall be required to pay into the fund on his behalf in such case an amount equal to the contribution otherwise required by the board of trustees in accordance with this section.

h. Any other provision of this act notwithstanding, the contributions of a member for the additional death benefit coverage under this section shall not be returnable to the member or his beneficiary in any manner, or for any reason whatsoever, nor shall any contributions made for the additional death benefit coverage be included in any annuity payable to any such member or to his beneficiary.

i. A member who has elected to purchase the additional death benefit coverage provided by this section may file with the board of trustees, and alter from time to time during his lifetime, as desired, a duly attested, written, new nomination of the payee of the death benefit provided under this section. Such member may also file and alter from time to time during his lifetime, as desired, a request with the board of trustees directing payment of said benefit in 1 sum or in equal annual installments over a period of years or as a life annuity. Upon the death of such a member, a beneficiary to whom a benefit is payable in 1 sum may elect to receive the amount payable in equal annual installments over a period of years or as a life annuity.

j. All other provisions of this section notwithstanding, this section and the benefits provided under this section shall not come into effect until a

required percentage of the members shall have applied for the additional death benefit coverage under this section. This required percentage shall be fixed by the board of trustees. Any such percentage may be made applicable to male or female members only or to other groupings as determined by the board of trustees. Applications for such additional death benefit coverage shall be submitted to the secretary of the board of trustees in such manner and upon such forms as the board of trustees shall provide.

k. Any person becoming a member of the retirement system after the benefits provided under this section shall have come into effect, who is, by sex or other characteristic, within the grouping to which the additional death benefit coverage under this section is applicable, for the first year of his membership in the retirement system shall be covered by the additional death benefit coverage provisions of this section with the benefit in the event of death, in the first year of membership only, being based upon contractual salary instead of compensation actually received and shall make contributions as fixed by the board of trustees during such period. Such member shall have the right to continue to be covered by the benefits of this section and to contribute therefor after his first year of membership has been completed. This subsection shall not apply in the case of such a member who has already attained his sixtieth birthday prior to becoming a member of the retirement system unless he shall furnish satisfactory evidence of insurability at the time of becoming a member.

15. Section 61 of the act of which this act is amendatory is amended to read as follows:

61. The board of trustees shall be and are hereby constituted trustees of the various funds and accounts established by this act; provided, however, that all functions, powers and duties relating to the investment or reinvestment of moneys of, and purchase, sale or exchange of any investments or securities, of or for any fund or account established

The board of trustees shall determine from time to time the cash requirements of the various funds and accounts established by this act and the amount available for investment, all of which shall be certified to the State Treasurer and the Director of the Division of Investment.

A member of the board of trustees to be designated by a majority vote thereof shall serve on the State investment council as a representative of said board of trustees, for a term of 1 year and until his successor is elected and qualified.

The moneys in the General Reserve Fund of the Port Authority (authorized by chapter 5 of the laws of New Jersey, 1931, as amended, and chapter 48 of the laws of New York, 1931, as amended) may be pledged in whole or in part by the Port Authority as security for or applied by it to the repayment with interest of any moneys which it may raise upon bonds or other securities or obligations issued or incurred from time to time for any of the purposes of this act or secured in whole or in part by the pledge of the revenues of the Port Authority from any bridge or tunnel or both so issued or incurred and so secured; and the moneys in said General Reserve Fund may be applied by the Port Authority to the fulfillment of any other undertakings which it may assume to or for the benefit of the holders of any such bonds, securities or other obligations.

If for any of the purposes of this act (including temporary construction purposes, and the making of additions or improvements to bridges or tunnels already constructed), the Port Authority shall find it necessary or convenient to acquire any real property as herein defined, whether for immediate or future use, the Port Authority may find and determine that such property, whether a fee simple absolute or a lesser interest, is required for a public use, and upon such determination, the said property shall be and shall be deemed to be required for such public use until otherwise determined by the Port Authority; and with the exceptions hereinafter specifically noted, the said determination shall not be affected by the fact that such property has theretofore been taken for, or is then devoted to, a public use; but the public use in the hands or under the control of the Port Authority shall be deemed superior to the public use in the hands of any other person, association or corporation.

The Port Authority may acquire and is hereby authorized to acquire such property, whether a fee simple absolute or a lesser interest by condemnation or the exercise of the right of eminent domain under and pursuant to the provisions of the condemnation law of the State of New York, in the case of property located in such State, and Revised Statutes of New Jersey, Title 20:1-1 et seq., in the case of property located in such State, or at the option of the Port Authority as provided in section 15 of chapter 43 of the laws of New Jersey, 1947, as amended, for the condemnation of real property for air terminal purposes, in the case of property located in such State, and as provided in section 15 of chapter 802 of the laws of New York, 1947, as amended, for the condemnation of real property for air terminal purposes, in the case of property located in such State, or pursuant to such other and alternate procedure as may be provided by law.

Nothing herein contained shall be construed to prohibit the Port Authority from bringing any proceedings to remove a cloud on title or such other proceedings as it may, in its discretion, deem proper and necessary, or from acquiring any such property by negotiation or purchase.

ing homes and private hospitals as defined herein and for the construction, maintenance and operation of such institutions in such a manner as to insure safe and adequate treatment of all such individuals in said private mental hospitals, convalescent homes, private nursing homes and private hospitals. No private nursing home, private mental hospital, convalescent home or private hospital for the care, treatment, or nursing of persons mentally ill, mentally deficient or mentally retarded, acutely or chronically ill, or who are crippled, convalescent, infirm or in any way afflicted, shall operate within this State except upon license first had and obtained for that purpose from the department, upon application made therefor as hereinafter provided. No such license shall be granted by the department, unless the commissioner shall be satisfied that the institution in question is adequately prepared to furnish the care and service to be provided by it. Nothing herein contained shall be so construed as to interfere with the powers of the State Board of Medical Examiners to license medical practitioners in New Jersey.

Application for the license required by this section shall be made upon forms furnished by the department, shall set forth the location of the home or hospital, the person in charge thereof, and the facilities for caring for persons who may seek treatment therein. The applicant shall be required to furnish evidence of its ability to comply with minimum standards of nursing and hospital care, financial ability to successfully operate the institution for which the license is sought, and of the good moral character of the person in charge thereof.

Upon receipt of an application for license and the license fee, the Department of Institutions and Agencies shall cause an investigation to be made of the applicant and the hospital facilities and shall issue a license if it is found that said applicant is of good moral character and facilities comply with the provisions of this act, the regulations of the

department and the minimum standards established for the operation of a private mental hospital, convalescent home, private nursing home or private hospital. The license shall not be transferable or assignable except with the written approval of the department and shall be posted in a conspicuous place on the licensed premises as prescribed by the regulations of the department. The State Board of Control of the Department of Institutions and Agencies, with the advice of the hospital licensing board, shall adopt, amend, promulgate and enforce such rules, regulations, and minimum standards of nursing and hospital care with respect to the different types of hospitals, convalescent homes and nursing homes to be licensed hereunder as may be reasonably necessary to accomplish the purposes of this chapter. Such rules, regulations and minimum standards when adopted shall be binding upon all licensees and applicants for license under this chapter.

Any private hospital, convalescent home, private mental hospital, or private nursing home which is in operation at the time of promulgation of any applicable rules or regulations or minimum standards under this act shall be given a reasonable time, not to exceed 6 months from the date of such promulgation, within which to comply with such rules and regulations and minimum standards, or subsequent amendments or supplements thereto.

2. Section 30:11-2 of the Revised Statutes is amended to read as follows:

Section
amended.

30:11-2. A license to operate a private mental hospital, private nursing home or private hospital shall be valid for 1 year from date of issue, and, upon issuance or renewal of such license, the commissioner shall collect, respectively, a fee of \$25.00, which shall be paid into the General State Fund and the cost of administration of this chapter shall be provided for in the annual appropriation law.

Section

Penalty for
violation;
recovery of
penalty.

3. Section 30:11-4 of the Revised Statutes is amended to read as follows:

30:11-4. Any person, firm, corporation or association who shall operate or conduct a private mental hospital, convalescent home, private nursing home or private hospital without first obtaining the license required by this chapter, or who shall operate such private nursing home, convalescent home or private hospital after revocation or suspension of license shall be liable to a penalty of \$25.00 for each day of operation in violation hereof for the first offense and for any subsequent offense shall be liable to a penalty of \$50.00 for each day of operation in violation hereof. The State Board of Control, with the approval of the Attorney General, is hereby authorized and empowered to compromise and settle claims for money penalties in appropriate circumstances where it appears to the satisfaction of the board that payment of the full penalty will work severe hardship on any individual not having sufficient financial ability to pay the full penalty but in no case shall the penalty be compromised for a sum less than \$500.00 for the first offense and \$1,000.00 for the second offense.

The penalties authorized by this section shall be recovered in a civil action, brought in the name of the State of New Jersey in the County Court of any county, which court shall have jurisdiction of all actions to recover such penalties. Money penalties, when recovered, shall be payable to the Department of Institutions and Agencies for its use in connection with the administration of this chapter.

The department may, in the manner provided by law, maintain an action in the name of the State of New Jersey for injunction against any person, firm, association or corporation continuing to conduct, manage or operate a private nursing home, convalescent home or private hospital without a license, or after suspension or revocation of license.

The practice and procedure in actions instituted under authority of this section shall conform to the

practice and procedure in the court in which the action is instituted.

Whenever a boarding house or rest home or facility or institution of like character, not licensed hereunder, by public or private advertising or by other means holds out to the public that it is equipped to provide postoperative or convalescent care for persons mentally ill or mentally retarded or who are suffering or recovering from illness or injury, or who are chronically ill or require any form of personal attention, then, and in such case, the department shall be permitted reasonable inspection of such premises for the purpose of ascertaining whether there is any violation of the provisions hereof.

If any such boarding house, rest home or other facility or institution shall operate as a private mental hospital, convalescent home, private nursing home or private hospital in violation hereof then same shall be liable to the penalties prescribed herein.

4. Section 7 of chapter 340 of the laws of 1947 is amended to read as follows:

The board shall be representative of the aforementioned groups and the 4 members at large shall be appointed for terms of 1, 2, 3 and 4 years respectively, and the 2 members representing private nursing homes and the general field of nursing shall be appointed 1 for a term of 4 years and 1 for a term of 5 years, and upon completion

A private mental hospital, private nursing home, convalescent home or private hospital, for the purpose of this chapter, is defined as any institution, whether operated for profit or not, which is not maintained, supervised or controlled by an agency of the Government of the State or of any county or municipality, and which maintains and operates facilities for the diagnosis, treatment or care of 2 or more nonrelated individuals, who are patients as defined herein, and who are suffering from acute or chronic illness, mental illness, mental retardation, mental deficiency, injury or deformity, or where obstetrical, convalescent or other medical or nursing care is rendered.

As used herein, a "boarding house" shall be construed to be a family home or larger structural unit in which, for compensation, persons are given room and board including or not including, as the case may be, heat, light, toilet and bathroom facilities;

and in which there is no agreement between operator and boarder to give personal care or special attention.

Any private mental hospital, private nursing home, convalescent home or private hospital, as well as institutions operated and maintained by any agency of the government of any county or municipality which shall apply for and receive Federal funds under the provisions of Public Law 725 of the 79th Congress, Chapter 958, 2d Session, shall be required to comply, as a condition precedent to receiving such funds, with the rules and regulations and the minimum standards of nursing and hospital care provided for in section 30:11-1 of the Revised Statutes.

b. Notes to renew, extend or retire notes issued or authorized pursuant to this article or notes or temporary bonds issued or authorized pursuant to the act of which this article is a revision; or

c. Bonds to fund notes issued pursuant to this article, or to fund notes or temporary bonds issued or authorized pursuant to the act of which this article is a revision; or

d. Obligations, for purposes permitted by this article, in an aggregate, not exceeding the excess, determined at the end of the fiscal year 1953, of the sum of the annual amounts computed pursuant to section 40:1-16.1 of this Title remaining available after deduction therefrom of all unrescinded authorizations made pursuant to this subsection subsequent to the end of the fiscal year 1940 and stated

on a special debt statement to be prepared as of the end of the fiscal year 1953 and filed in the office of the Director of the Division of Local Government in the Department of the Treasury prior to October 1, 1954, plus the sum of the annual amounts computed pursuant to said section 40:1-16.1 subsequent to the end of the fiscal year 1953. The borrowing power under this subsection "d" shall be available at any time subsequent to the making of the appropriations referred to in said section 40:1-16.1, whenever the percentage of net debt in a supplemental debt statement (filed pursuant to section 40:1-13 of this Title) exceeds 4% in the case of a county and 7% in the case of a municipality;

When indebtedness has been issued pursuant to the authorization of this subsection "d" and such indebtedness is subsequently paid from collection of assessments pledged to such indebtedness, such payments or reduction of pledged indebtedness shall be treated as though canceled and the amount thereof shall be added to the borrowing power of the municipality provided by this subsection; or

g. Obligations for purposes permitted by this article if it has been found by order of the State Department of Health, which is hereby authorized to make such order in a proper case, that the expenditure and every part thereof is necessary to protect the public health and to prevent or suppress a present menace to the public health of sufficient gravity to justify the incurrence of debt in excess of statutory limitations, and that no less expensive method of preventing or suppressing such menace exists; or

h. CHAPTER 178

AN ACT providing that the State of New Jersey may enter into a compact with any of the States of the United States to improve procedures for transfer of the mentally ill among the several States and give greater recognition to the welfare, treatment and recovery of the patient than to place of legal residence.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

The Interstate Compact on Mental Health is hereby enacted into law and entered into by New Jersey with all other States legally joining therein in the form substantially as follows:

Interstate
compact
on mental
health.

INTERSTATE COMPACT ON MENTAL HEALTH

The contracting States solemnly agree that:

ARTICLE I

The party States find that the proper and expeditious treatment of the mentally ill and mentally deficient can be facilitated by co-operative action, to the benefit of the patients, their families, and society as a whole. Further, the party States find that the necessity of and desirability for furnishing such care and treatment bears no primary relation to the residence or citizenship of the patient but that, on the contrary, the controlling factors of community safety and humanitarianism require that facilities and services be made available for all who are in need of them. Consequently, it is the purpose of this compact and of the party States to provide the necessary legal basis for the institutionalization or other appropriate care and treatment of the mentally ill and mentally deficient un-

Findings.

der a system that recognizes the paramount importance of patient welfare and to establish the responsibilities of the party States in terms of such welfare.

ARTICLE II

C. 30:7B-2.
Terms
defined.

As used in this compact:

(a) "Sending State" shall mean a party State from which a patient is transported pursuant to the provisions of the compact or from which it is contemplated that a patient may be so sent.

(b) "Receiving State" shall mean a party State to which a patient is transported pursuant to the provisions of the compact or to which it is contemplated that a patient may be so sent.

(c) "Institution" shall mean any hospital or other facility maintained by a party State or political subdivision thereof for the care and treatment of mental illness or mental deficiency.

(d) "Patient" shall mean any person subject to or eligible as determined by the laws of the sending State, for institutionalization or other care, treatment, or supervision pursuant to the provisions of this compact.

(e) "After-care" shall mean care, treatment and services provided a patient, as defined herein, on convalescent status or conditional release.

(f) "Mental illness" shall mean mental disease to such extent that a person so afflicted requires care and treatment for his own welfare, or the welfare of others, or of the community.

(g) "Mental deficiency" shall mean mental deficiency as defined by appropriate clinical authorities to such extent that a person so afflicted is incapable of managing himself and his affairs, but shall not include mental illness as defined herein.

(h) "State" shall mean any State, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

ARTICLE III

(a) Whenever a person physically present in any party State shall be in need of institutionalization by reason of mental illness or mental deficiency, he shall be eligible for care and treatment in an institution in that State irrespective of his residence, settlement or citizenship qualifications.

C. 30:7B-3.
Eligibility
for care;
out of state
institution.

(b) The provisions of paragraph (a) of this article to the contrary notwithstanding, any patient may be transferred to an institution in another State whenever there are factors based upon clinical determinations indicating that the care and treatment of said patient would be facilitated or improved thereby. Any such institutionalization may be for the entire period of care and treatment or for any portion or portions thereof. The factors referred to in this paragraph shall include the patient's full record with due regard for the location of the patient's family, character of the illness and probable duration thereof, and such other factors as shall be considered appropriate.

(c) No State shall be obliged to receive any patient pursuant to the provisions of paragraph (b) of this article unless the sending State has given advance notice of its intention to send the patient; furnished all available medical and other pertinent records concerning the patient; given the qualified medical or other appropriate clinical authorities of the receiving State an opportunity to examine the patient if said authorities so wish; and unless the receiving State shall agree to accept the patient.

(d) In the event that the laws of the receiving State establish a system of priorities for the admission of patients, an interstate patient under this compact shall receive the same priority as a local patient and shall be taken in the same order and at the same time that he would be taken if he were a local patient.

(e) Pursuant to this compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further transfer of the patient may be made as seems likely to be in the best interest of the patient.

ARTICLE IV

C. 30:7B-4.
After-care
in receiving
state.

(a) Whenever, pursuant to the laws of the State in which a patient is physically present, it shall be determined that the patient should receive after-care or supervision, such care or supervision may be provided in a receiving State. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending State shall have reason to believe that after-care in another State would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving State to investigate the desirability of affording the patient such after-care in said receiving State, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

(b) If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending State and the appropriate authorities in the receiving State find that the best interest of the patient would be served thereby, and if the public safety would not be jeopardized thereby, the patient may receive after-care or supervision in the receiving State.

(c) In supervising, treating, or caring for a patient on after-care pursuant to the terms of this article, a receiving State shall employ the same standards of visitation, examination, care, and treatment that it employs for similar local patients.

ARTICLE V

Whenever a dangerous or potentially dangerous patient escapes from an institution in any party State, that State shall promptly notify all appropriate authorities within and without the jurisdiction of the escape in a manner reasonably calculated to facilitate the speedy apprehension of the escapee. Immediately upon the apprehension and identification of any such dangerous or potentially dangerous patient, he shall be detained in the State where found pending disposition in accordance with law.

C. 30:7B-5.
Notice of
dangerous
patient;
detention.

ARTICLE VI

The duly accredited officers of any State party to this compact, upon the establishment of their authority and the identity of the patient, shall be permitted to transport any patient being moved pursuant to this compact through any and all States party to this compact, without interference.

C. 30:7B-6.
Transporta-
tion of
patient.

ARTICLE VII

(a) No person shall be deemed a patient of more than 1 institution at any given time. Completion of transfer of any patient to an institution in a receiving State shall have the effect of making the person a patient of the institution in the receiving State.

C. 30:7B-7.
Effect upon
completion
of transfer;
costs;
construing
compact.

(b) The sending State shall pay all costs of and incidental to the transportation of any patient pursuant to this compact, but any 2 or more party States may, by making a specific agreement for that purpose, arrange for a different allocation of costs as among themselves.

(c) No provision of this compact shall be construed to alter or affect any internal relationships among the departments, agencies and officers of and in the government of a party State, or between a party State and its subdivisions, as to the payment of costs, or responsibilities therefor.

(d) Nothing in this compact shall be construed to prevent any party State or subdivision thereof from asserting any right against any person, agency or other entity in regard to costs for which such party State or subdivision thereof may be responsible pursuant to any provision of this compact.

(e) Nothing in this compact shall be construed to invalidate any reciprocal agreement between a party State and a non-party State relating to institutionalization, care or treatment of the mentally ill or mentally deficient, or any statutory authority pursuant to which such agreements may be made.

ARTICLE VIII

C. 30:7B-8.
Guardians'
rights;
substitute
appointment;
"guardian"
defined.

(a) Nothing in this compact shall be construed to abridge, diminish, or in any way impair the rights, duties, and responsibilities of any patient's guardian on his own behalf or in respect of any patient for whom he may serve, except that where the transfer of any patient to another jurisdiction makes advisable the appointment of a supplemental or substitute guardian, any court of competent jurisdiction in the receiving State may make such supplemental or substitute appointment and the court which appointed the previous guardian shall upon being duly advised of the new appointment, and upon the satisfactory completion of such accounting and other acts as such court may by law require, relieve the previous guardian of power and responsibility to whatever extent shall be appropriate in the circumstances; provided, however, that in the case of any patient having settlement in the sending State, the court of competent jurisdiction in the sending State shall have the sole discretion to relieve a guardian appointed by it or continue his power and responsibility, whichever it shall deem advisable. The court in the receiving State may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in the sending State in lieu of making a supplemental or substitute appointment.

(b) The term "guardian" as used in paragraph (a) of this article shall include any guardian, trustee, legal committee, conservator, or other person or agency however denominated who is charged by law with power to act for or responsibility for the person or property of a patient.

ARTICLE IX

(a) No provision of this compact except Article V shall apply to any person institutionalized while under sentence in a penal or correctional institution or while subject to trial on a criminal charge, or whose institutionalization is due to the commission of an offense for which, in the absence of mental illness or mental deficiency, said person would be subject to incarceration in a penal or correctional institution.

C. 30:7B-9.
Application
of compact
to criminals.

(b) To every extent possible, it shall be the policy of States party to this compact that no patient shall be placed or detained in any prison, jail or lockup, but such patient shall, with all expedition, be taken to a suitable institutional facility for mental illness or mental deficiency.

ARTICLE X

(a) Each party State shall appoint a "compact administrator" who, on behalf of his State, shall act as general co-ordinator of activities under the compact in his State and who shall receive copies of all reports, correspondence, and other documents relating to any patient processed under the compact by his State either in the capacity of sending or receiving State. The compact administrator or his duly designated representative shall be the official with whom other party States shall deal in any matter relating to the compact or any patient processed thereunder.

C. 30:7B-10.
Compact
adminis-
trators;

(b) The compact administrators of the respective party States shall have power to promulgate reasonable rules and regulations to carry out more

effectively the terms and provisions of this compact.

ARTICLE XI

C. 30:7B-11.
Supple-
mentary
agreements.

The duly constituted administrative authorities of any 2 or more party States may enter into supplementary agreements for the provision of any service or facility or for the maintenance of any institution on a joint or co-operative basis whenever the States concerned shall find that such agreements will improve services, facilities, or institutional care and treatment in the fields of mental illness or mental deficiency. No such supplementary agreement shall be construed so as to relieve any party State of any obligation which it otherwise would have under other provisions of this compact.

ARTICLE XII

C. 30:7B-12.
Compact
effective.

This compact shall enter into full force and effect as to any State when enacted by it into law and such State shall thereafter be a party thereto with any and all States legally joining therein.

ARTICLE XIII

C. 30:7B-13.
Withdrawal
by State.

(a) A State party to this compact may withdraw therefrom by enacting a statute repealing the same. Such withdrawal shall take effect 1 year after notice thereof has been communicated officially and in writing to the Governors and compact administrators of all other party States. However, the withdrawal of any State shall not change the status of any patient who has been sent to said State or sent out of said State pursuant to the provisions of the compact.

(b) Withdrawal from any agreement permitted by Article VII (b) as to costs or from any supplementary agreement made pursuant to Article XI shall be in accordance with the terms of such agreement.

ARTICLE XIV

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any party State or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the Constitution of any State party thereto, the compact shall remain in full force and effect as to the remaining States and in full force and effect as to the State affected as to all severable matters.

CHAPTER 192

AN ACT concerning group life insurance, and amending section 17:34-31 of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

Section amended.

1. Section 17:34-31 of the Revised Statutes is amended to read as follows:

Form and content of life insurance policy.

17:34-31. (A) No policy of group life insurance shall be delivered in this State unless it conforms to 1 of the following descriptions:

(1) A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of 1 or more subsidiary corporations and the employees, individual proprietors and partners of 1 or more affiliated corporations, proprietors or partnerships if the business of the employer and such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired em-

ployees. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the employer's funds or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least 75% of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees.

(c) The policy must cover at least 10 employees at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the employees or by the employer or trustees.

(2) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:

(a) The debtors eligible for insurance under the policy shall be all of the debtors of the creditor whose indebtedness is repayable in installments, or all of any class or classes thereof determined by conditions pertaining to the indebtedness or to the purchase giving rise to the indebtedness. The policy may provide that the term "debtors" shall include the debtors of 1 or more subsidiary corporations, and the debtors of 1 or more affiliated corporations, proprietors or partnerships if the business of the policyholder and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise.

(b) The premium for the policy shall be paid by the policyholder, either from the creditor's funds, or from charges collected from the insured debtors, or from both. A policy on which part or all of the premium is to be derived from the collection from the insured debtors of identifiable charges not required of uninsured debtors shall not include, in the class or classes of debtors eligible for insurance, debtors under obligations outstanding at its date of issue without evidence of individual insurability unless at least 75% of the then eligible debtors elect to pay the required charges. A policy on which no part of the premium is to be derived from the collection of such identifiable charges must insure all eligible debtors, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least 100 persons yearly, or may reasonably be expected to re-

ceive at least 100 new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than 75% of the new entrants become insured.

(d) The amount of insurance on the life of any debtor shall at no time exceed the amount owed by him which is repayable in installments to the creditor, or \$10,000.00, whichever is less.

(e) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment.

(3) A policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:

(a) The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the union's funds or partly from such funds and partly from funds contributed by the insured members specifically for their insurance. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least 75% of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A

policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members.

(c) The policy must cover at least 10 members at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union.

(4) A policy issued to the trustees of a fund established by 2 or more employers in the same industry or by 1 or more labor unions, or by 1 or more employers and 1 or more labor unions, which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the unions, subject to the following requirements:

(a) The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or to both. The policy may provide that the term "employees" shall include the individual proprietor or partners if an employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the pro-

prietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship. If the fund is established by the members of an association of employers, the policy may provide that the term "employees" shall include the employees of the association.

(b) The premium for the policy shall be paid by the trustees wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both. No policy may be issued on which any part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance. The policy must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at date of issue at least 100 persons and not less than an average of 5 persons per employer unit; and if the fund is established by the members of an association of employers the policy may be issued only if (i) either (a) the participating employers constitute at date of issue at least 60% of those employer-members whose employees are not already covered for group life insurance or (b) the total number of persons covered at date of issue exceeds 600; and (ii) the policy shall not require that, if a participating employer discontinues membership in the association, the insurance of his employees shall cease solely by reason of such discontinuance.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons or by the policyholder, employers, or unions.

(B) No policy of group life insurance may be issued to an employer, or to a labor union, or to the trustees of a fund established in whole or in part by an employer or a labor union, which provides term insurance on any person which together with any other term insurance under any group life insurance policy or policies issued to the employer or employers of such person or to a labor union or labor unions of which such person is a member or to the trustees of a fund or funds established in whole or in part by such employer or employers or such labor union or labor unions, exceeds \$20,000.00, unless 150% of the annual compensation of such person from his employer or employers exceeds \$20,000.00, in which event all such term insurance shall not exceed \$40,000.00 or 150% of such annual compensation, whichever is the lesser.

2. This act shall take effect immediately.

L. 1949, c. 306) to authorize redevelopment agencies to undertake additional activities for the elimination and for the prevention of the development or spread of blight, including functions with respect to conservation and rehabilitation for the restoration and renewal of blighted, deteriorated, or deteriorating areas; and defining the meaning thereof; to provide that all of the rights, powers, privileges, and immunities of public or private bodies or agencies applicable with respect to redevelopment projects under said act shall be applicable with respect to these additional activities; to authorize the governing body of the municipality, or such public officer of public body as it may designate, to prepare a workable program for utilizing appropriate private and public resources to eliminate and prevent the development or spread of blight in the community; and to provide for co-operation among public bodies.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. It is hereby found and declared that (a) there exist in communities of the State blighted and deteriorated areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the State, and the findings and declarations heretofore made in section 2 of the act to which this act is a supplement with respect to blighted areas are hereby affirmed and restated, (b) certain blighted, deteriorated, or deteriorating areas, or portions

thereof, may require acquisition and clearance, as provided in the act to which this act is a supplement, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or rehabilitation, but other areas or portions thereof may, through the means provided in this act, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented, and to the extent feasible salvable blighted, deteriorated, or deteriorating areas should be conserved and rehabilitated through voluntary action and the regulatory process, and (c) all powers conferred by this act and the act to which this act is a supplement, are for public uses and purposes for which public money may be expended and such other powers exercised, and the necessity in the public interest for the provisions of this act is hereby declared as a matter of legislative determination. A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this act and the act to which this act is a supplement shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the conservation or rehabilitation or redevelopment of areas by private enterprise.

2. In addition to its authority under provisions of the act to which this act is a supplement, an authority is hereby authorized to plan, initiate and carry out a redevelopment project as herein defined. As used in this act, a "redevelopment project" shall mean any undertakings and activities for the elimination (and for the prevention of the development or spread) of blighted, deteriorated, or deteriorating areas and may involve any work or undertaking for such purpose constituting a redevelopment project as authorized by the act to which this act is a supplement, or any conservation or rehabilitation work, or any combination of such redevelopment projects and such conservation or rehabilitation work or undertaking. For this pur-

pose "conservation or rehabilitation work" may include (1) carrying out plans for a program of voluntary repair and rehabilitation of buildings or other improvements; (2) acquisition of real property and demolition, removal, or rehabilitation of buildings and improvements thereon where necessary to eliminate unhealthful, insanitary or unsafe conditions, lessen density, reduce traffic hazards, eliminate obsolete or other uses detrimental to the public welfare, or to otherwise remove or prevent the spread of blight or deterioration, or to provide land for needed public facilities; (3) installation, construction, or reconstruction of streets, utilities, parks, playgrounds, and other improvements necessary for carrying out the objectives of the redevelopment project; and (4) the disposition, for uses in accordance with the objectives of the redevelopment project, of any property or part thereof acquired in the area of such project; provided that such disposition shall be in the manner prescribed in the act to which this act is a supplement for the disposition of property in a redevelopment project area. As used in this act the term "blighted, deteriorated or deteriorating area" may include an area determined by the municipality to be blighted in accordance with the provisions of chapter 187 of the laws of 1949 and, in addition, areas which are determined by the municipality, pursuant to the same procedures as provided in said chapter, to be blighted, deteriorated or deteriorating because of structures or improvements which are dilapidated or characterized by disrepair, lack of ventilation or light or sanitary facilities, faulty arrangement, location, or design, or other unhealthful or unsafe conditions.

3. Any redevelopment project undertaken pursuant to the preceding section shall be undertaken in accordance with a redevelopment plan for the area of the project. As used in this act a "redevelopment plan" means a plan, as it exists from time to time, for a redevelopment project, which plan (1) shall conform to the general plan for the

In connection with the planning and undertaking of any redevelopment plan or redevelopment project authorized by this act, the agency, the municipality, and all public and private officers, agencies, and bodies shall have all the rights, powers, privileges, and immunities which they have with respect to a redevelopment plan or redevelopment project authorized by the act to which this act is a supplement, in the same manner as though all the provisions of said act applicable to such redevelopment plan or redevelopment project were applicable to a redevelopment plan or redevelopment project authorized by this act; provided that for such purpose the word "redevelopment" as used in the act to which this act is a supplement shall include "conservation or rehabilitation," the term

“blighted” as used in said act shall mean “blighted, deteriorated, or deteriorating,” and provided further that this section shall not change the corporate name of the agency or the short title of the act to which this act is a supplement, or amend any section of the act to which this act is a supplement. In addition to the surveys and plans which an agency is otherwise authorized to make, an agency is hereby specifically authorized to make (i) plans for carrying out a program of voluntary repair and rehabilitation of buildings and improvements, and (ii) plans for the enforcement of laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements, and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements. The agency is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of blight.

5. Any municipality or other public body is hereby authorized (without limiting any provision in the preceding section) to do any and all things necessary to aid and co-operate in the planning and undertaking of a redevelopment project as authorized by this act in the area in which such municipality or public body is authorized to act, including the furnishing of such financial and other assistance as the municipality or public body is authorized by the act to which this act is a supplement to furnish for or in connection with a redevelopment plan or redevelopment project under that act. (9) to subscribe for, purchase and hold stock of 1 or more safe deposit companies which have been or may be organized to do business on or adjacent to premises occupied by the principal office or a

(d) each purchase of such stock by a bank or savings bank shall have been approved in writing by the commissioner;

(11) to contribute to community funds, or to charitable, philanthropic, or benevolent instrumentalities conducive to public welfare, or civic betterment, or the economic advantage of the community, and to instrumentalities for the protection or advancement of the interests of banking institutions, such sums as its board of directors or board of managers may deem expedient and in the interests of such bank or savings bank;

(12) to exercise all incidental powers, not specifically enumerated in this act, which shall be necessary or convenient to carry on the business of the bank or savings bank;

(13) to invest in stock of a subsidiary of such bank or savings bank which holds title to real property of the kind in which such bank or savings bank could itself invest pursuant to subparagraph (a) of paragraph 5 of this section, and to make secured or unsecured loans to such subsidiary, without regard to the limitations imposed by Article 13; but no bank or savings bank shall, except with the prior approval of the commissioner (1) invest in real property pursuant to subparagraph (a) of paragraph (5) of this section; or (2) invest in the stock or other securities of such subsidiary; or (3) make a loan to such subsidiary, if the aggregate of all such investments and loans, when added to any indebtedness otherwise owing by the subsidiary, will exceed 25% of the capital funds of the bank or savings bank. As used in this paragraph, "subsidiary" of a bank or savings bank means a corporation all of whose capital stock and other securities having voting rights are owned by such bank or savings bank, and whose powers are limited by its certificate of incorporation, to the acquiring, holding, managing, selling, leasing, mortgaging, altering, improving and other-

Every subsidiary of a bank or savings bank shall be subject to examination by the commissioner as provided in the case of banks and savings banks pursuant to sections 260, 261, 262, 263 and 335, and the ultra vires or unlawful act of a subsidiary of a bank or savings bank shall be deemed to be the ultra vires or unlawful act of such bank or savings bank for the purposes of Article 42. In determining whether to give or withhold approval of an investment or loan in excess of the limitation imposed by this paragraph, the commissioner shall consider whether the making of such loan or investment is consistent with sound banking practice, having regard to (1) the ratio between the aggregate of such loans and investments and the capital funds of the bank or savings bank; (2) the benefits to the bank or savings bank reasonably to be anticipated from such investment or such loan; (3) the ratio between such aggregate capital funds and total deposits; and (4) such other factors as the commissioner shall consider germane to the protection of deposits. A violation of any provision of this paragraph by any bank, savings bank, or subsidiary of a bank or savings bank, shall not impair the validity or sufficiency of any deed of conveyance, mortgage, or lease made by such bank, savings bank, or subsidiary, of any real property owned by it; nor shall any other interest in such real property, acquired by or vested in any person claiming through or under such bank, savings bank, or subsidiary, or to which such person may be entitled, be impaired by reason of such violation.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, As a result of a report made on the fourth day of January, nineteen hundred and fifty-four, by the Director, Division of Taxation, Department of the Treasury, to the Governor of this State, setting forth that the Silsar Corp., a corporation of this State, had failed to pay the corporation franchise taxes levied against said corporation for the year nineteen hundred and fifty-one, the Governor of this State, on the tenth day of February, nineteen hundred and fifty-four, issued a proclamation declaring that the charter of said corporation is repealed and that all powers conferred by law upon such corporation be thereafter inoperative and void, and

WHEREAS, Said report of the Director, Division of Taxation, Department of the Treasury, to the Governor in the above particular was inadvertently made in that it appears that prior to the making of the said report, the Silsar Corp. duly paid the corporation franchise taxes levied against said corporation for the year nineteen hundred and fifty-one.

THEREFORE, Acting pursuant to the provisions of R. S. 54:11-4, I, ROBERT B.  seventeenth day of January, in the year
 of Our Lord one thousand nine hundred

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

EXECUTIVE ORDER No. 14

WHEREAS, Executive Order No. 31, dated November 30, 1951, directed the establishment of the Bureau of Traffic Safety and the State Coordinating Council on Traffic and Safety in the Department of Law and Public Safety; and

WHEREAS, The administrative difficulties which were caused by the division of control and authority over State highways between the State Highway Department and the Bureau of Traffic Safety have been resolved by Executive Order No. 11, dated April 11, 1955, which vested control as to State highways in the State Highway Department; but

WHEREAS, Many of the remaining responsibilities of the Bureau of Traffic Safety are dependent entirely upon the powers granted by law to the Director of the Division of Motor Vehicles in the Department of Law and Public Safety, and, conversely, many of the duties imposed by law on the Director of the Division of Motor Vehicles must be discharged by personnel of the Bureau of Traffic Safety, since the personnel performing these duties were transferred to the Bureau from the Division of Motor Vehicles; and

WHEREAS, Our traffic safety problem is of such magnitude that the State can ill afford a situation so in conflict with basic principles of sound administration: responsibility without authority, and duties imposed upon a State official which must be performed by personnel over which he has no control; and

WHEREAS, A consolidation of State agencies dealing with the traffic safety problem will result in closer co-operation and greater co-ordination of effort among State, county and local officials concerned with this grave problem,

NOW, THEREFORE, I, ROBERT B. MEYNER, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the statutes of this State, do hereby order and direct:

1. The Bureau of Traffic Safety in the Department of Law and Public Safety is hereby trans-

ferred to the Division of Motor Vehicles in the Department of Law and Public Safety, and shall function as a Bureau of the said Division of Motor Vehicles.

2. The Attorney General, as head of the Department of Law and Public Safety, shall forthwith arrange for the transfer of all personnel of the Bureau of Traffic Safety, as established by Executive Order No. 31, dated November 30, 1951, with the exception of those subject to the provisions of Executive Order No. 11, dated April 11, 1955, to the Bureau of Traffic Safety in the Division of Motor Vehicles. All transfers of personnel so made shall be effected in such a manner as to preserve any tenure rights or any rights or protection provided such personnel by Title 11 of the Revised Statutes, or under any pension law or retirement system.

3. The Attorney General shall, in accordance with the statutes in such case made and provided, arrange, in co-operation with the Director of the Division of Budget and Accounting, for the transfer to the Division of Motor Vehicles of all appropriations available and to become available to the Bureau of Traffic Safety.

4. The Attorney General shall, in accordance with the statutes in such case made and provided, arrange for the transfer to the Division of Motor Vehicles of all physical equipment and property of the Bureau of Traffic Safety.

5. Personnel assigned to the Bureau of Traffic Safety in the Division of Motor Vehicles shall exercise such functions and perform such duties as the Director of Motor Vehicles, with the approval of the Attorney General, shall prescribe.

6. The principal functions of the Bureau of Traffic Safety, under the supervision and direction of the Director of Motor Vehicles, shall be those

set forth in paragraph 5 of Executive Order No. 31, dated November 30, 1951, as amended by Executive Order No. 11, dated April 11, 1955.

7. With the approval of the Attorney General, the Director of the Division of Motor Vehicles shall make and promulgate such rules and regulations as he deems necessary for the efficient operation of the said Bureau.

8. The State Coordinating Council on Traffic and Safety in the Department of Law and Public Safety, as established by paragraph 7 of Executive Order No. 31, dated November 30, 1951, shall continue to operate with the functions and personnel as set forth in said paragraph, and in paragraphs 6, 7 and 8 of Executive Order No. 11, dated April 11, 1955, except that the head of the Bureau of Traffic Safety in the Division of Motor Vehicles shall be a member of the Council and shall serve as its Secretary.

9. An annual report of the activities of the Bureau of Traffic Safety shall be made by the Director of the Division of Motor Vehicles as an integral part of his annual report to the Governor and the Legislature.

10. Paragraphs 1, 2, 3, 4, 6, 8 and 9 of Executive Order No. 31, dated November 30, 1951, and any other provisions of the said Executive Order No. 31 which are inconsistent herewith, are hereby revoked and vacated.

11. Paragraph 9 of Executive Order No. 11, dated April 11, 1955, is hereby revoked and vacated.

12. For the purpose of clarifying said Executive Order No. 11, dated April 11, 1955, and to confirm the transfer of authority which was intended to be accomplished by said Executive Order No. 11, it is hereby ORDERED that all functions which were vested in the Bureau of Traffic Safety by Executive

Order No. 31, dated November 30, 1951, and which relate to traffic and traffic control on roads of the State Highway System and of intersections of county and municipal roads with the State Highway System are hereby transferred to and vested in the State Highway Department.

[SEAL] Given under my hand and seal this 20th day of February, in the year of Our Lord one thousand nine hundred and fifty-six, and of the Independence of the United States, the one hundred and eightieth.

ROBERT B. MEYNER,
Governor.

FOREWORD

The following Table of Contents with its accompanying Schedules is prepared pursuant to P. L. 1939, Chapter 379 to indicate the changes made in the statute law since the enactment of the Revised Statutes, except those made in the revision of Titles 2 and 3 by Chapters 344 and 345 of the Laws of 1951, known as the New Jersey Statutes.

The Table itself indicates the changes made in the general and permanent statute law by amendment or repeal of pre-existing legislation or by enactment of additional legislation.

The classification and arrangement used is that of the Revised Statutes and the New Jersey Statutes, amplified so as to include material for which no adequate classification units appear in those works. New chapters or other new subdivision headings are set up under the designation "added" when they are set up by statute and under the designation "new" when they are set up for convenience in classification merely.

An amendment of a section of a pre-existing statute is indicated by reference to the number of the statute amended, as found in the Revised Statutes, the New Jersey Statutes or the Pamphlet Laws.

Additional legislation, supplementary or otherwise, is classified under the same classification system, with the compilation numbers used in the New Jersey Statutes Annotated and the Revised Statutes Cumulative Supplements preceded by the letter "C." added in parenthesis after the Pamphlet Law references, thus "(C. 1:1-2.5)" except where, as occurs in some instances, material is differently classified in the compilations of statutes, in which case both classification numbers so used are indicated, thus "(NJSA 40:2-17.1; RSCS 40:3-3.1)." A Schedule of these divergent numbers is appended to the Table.

Amendments to additional legislation enacted during the period covered are carried under the numbers assigned to the sections amended.

Under this system the Table serves as a Table of Contents of the material covered, as it appears in the New Jersey Statutes Annotated and the Revised Statutes Cumulative Supplements, as well as of the Pamphlet Laws, but citation should not be made to the Pamphlet Laws by these compilation numbers unless the year and chapter number of the Pamphlet Law volume is added.

Cross-reference notes are to the section or Title and Chapter numbers under which the legislation referred to will be found, thus, "(N. J. S. 2A:83-2)" or "(N. J. S. 2A: Chapter 6)" or to the Title and Chapter numbers in which reference thereto will be found in the Table, thus, "(T. 40, c. 2)".

Statutes of general and permanent character enacted and repealed, and statutes not of this character enacted, within the period covered, are not referred to in the Table but reference to them will be found in Schedules 3, 5, 6 and 7 annexed to the Table.

Acknowledgment is made to John W. Ockford, Counsel, and to H. Arthur Smith, Jr., and William M. Lanning, Assistants to Counsel, to the Commission, and to the Commission's clerical staff, for their valuable assistance in the preparation of this work.
