10:123-3.4 Amount

(a) The owner or operator of each residential health care facility or boarding home shall reserve to each Supplemental Security Income (SSI) recipient residing therein, and the owner or operator of each residential health care facility shall reserve to each General Public Assistance recipient residing therein, a personal needs allowance in the amount of at least \$72.50 per month, set according to (b) below, and noticed in the New Jersey Register and otherwise publicized, in accordance with (c) below. No owner or operator or agency thereof shall interfere with the recipient’s retention, use, or control of the personal needs allowance.

(b) The personal needs allowance shall be adjusted annually based on the following calculations: the Federal portion of the current total SSI rate multiplied by the Federal Cost of Living Adjustment (COLA) to be applied to the succeeding year equals the actual dollar increase (rounded to the nearest dollar); the actual dollar increase divided by the current total SSI rate equals the adjusted COLA for the succeeding year; the adjusted COLA multiplied by the current annualized base PNA equals the monthly PNA increase for the succeeding year.
