- (4) The Energy and Environment Committee has been renamed to Environmental Quality to more accurately reflect its jurisdiction and mission.
- (5) Non transportation issues formerly within the jurisdiction of the Independent Authorities Committee will be referred to the State Government, Federal and Interstate Relations Committee.

Senate No. 1263 with Governor's recommendations.

STATE OF NEW JERSEY  
EXECUTIVE DEPARTMENT  
January 16, 1990  
SENATE BILL NO. 1263

To the Senate:

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 1263 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item or part thereof, so objected to shall not take effect.

This bill expands the list of services provided by urban women's centers under the Job Training Center for Urban Women Act by adding two categories to the list. These categories are pre-business and business development training and post-secondary education guidance. This bill also appropriates \$250,000 from the General Fund to the Department of Community Affairs for distribution to the Wise Women's Center in Newark. This Center has already received \$85,000 in State support in Fiscal Year 1990.

I endorse the provision of the bill which adds two categories to the list of services provided under the Job Training Center for Urban Women Act. However, in this period of fiscal restraint, I am reluctant to endorse an appropriation for the expansion of programs at a particular women's center. This grant would increase State monies for this Center by nearly 300 per-

cent and would not be awarded on a competitive basis. Moreover, this type of appropriation is best evaluated in conjunction with all other State spending requests during the annual appropriations process so that the State's budgetary priorities can be carefully established. Therefore, I have decided to delete the appropriation from the bill.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

Page 1, Title, Line 2: After "c. 189" delete ", and making an appropriation"

Page 3, Section 3, Lines 32-34: Delete in entirety

Page 3, Section 4, Line 35: Delete "4" insert "3"

Respectfully,  
/s/ Thomas H Kean  
Governor

Attest:

/s/ Deborah T. Poritz

Senator Zimmer filed a letter with the Secretary of the Senate which is as follows:

Dear Mr. McCarthy:

Please be advised that, as an employee and stockholder of Johnson and Johnson, I abstained from voting on Senate Bill 2188, the "Clean Water Enforcement Act."

Several subsidiaries of Johnson and Johnson hold New Jersey Pollutant Discharge Elimination System permits. These permits are periodically renegotiated. In at least one recent instance an appeal of an alleged violation of one of these permits was settled with the DEP.

Although I believe I would be permitted to vote on this legislation under the New Jersey Conflicts of Interest Law and the Legislative Code of Ethics, I nevertheless have refrained from doing so in order not to give rise to an appearance of conflict of interest.

Kindly include the text of this letter in the Journal of the Senate.

Very truly yours,  
/s/Richard A. Zimmer

The Honorable John A. Lynch  
Senate President's Office  
Trenton, New Jersey 08625

Dear John:

After considerable thought, I have decided that in the best interest of my family, constituents and colleagues, the time has come for me to retire from the New Jersey Senate as of July 1, 1990. Although I am able to go to the office several days a week to take care of many of my legislative duties, I can no longer attend the sessions due to my health. Therefore, I cannot give the kind of representation that my constituents in Warren and Sussex Counties deserve.

After so many years in the Senate, I shall miss you and all of my fellow colleagues. Working with all of you for the benefit of the residents of New Jersey has been my lifelong ambition and I am grateful that I have been able to serve as a member of the New Jersey Senate for thirty-six years.

I hope that in the future if you or any other of my colleagues are in our area you will stop in to visit with Helen and me.

Sincerely,

Wayne Dumont, Jr.

Senate Nos. 2368, 2291.

September 24, 1990

State of New Jersey  
Executive Department

Senate No. 2368

To the Senate:

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 2368 without my approval.

This bill is special legislation that would permit the Town of Westfield to appoint Matthew F. Cassidy to the Police Department as a permanent police officer, even though he is over age 35, the maximum age for appointment as a municipal police officer under N.J.S.A.40A:14-127.

While I am sympathetic to the desires of Mr. Cassidy to serve the public as a police officer, and while I have no reason to doubt that he would do so in a capable and professional manner, I am constrained from enacting this bill into law. I have been advised that special legislation of this type violates the New Jersey Constitution and that at least one court has already so ruled. The State Constitution requires that persons within a given class be treated in a similar or like manner. It prohibits legislation which attempts to grant an individual any exclusive privilege or creates, increases or decreases the emoluments, term or tenure rights of any public employee. The Constitution embraces the proposition that appointments should be made according to merit and fitness and individual exceptions to merit systems of appointment would contravene this sound public policy.

Accordingly, I herewith return Senate Bill No. 2368 without my approval.

Respectfully,  
/s/ James J. Florio  
GOVERNOR

State of New Jersey  
Executive Department

Senate No. 2291

To the Senate:

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 2291 without my approval.

This bill would amend N.J.S.A. 2A:2-1 to authorize an additional Superior Court judge for Morris County, increasing the total number of statutorily authorized Superior Court judges in Morris County from 14 to 15. The bill also would make a corresponding change in the total number of authorized Superior Court judges in the State.

In varying degrees, burgeoning criminal caseloads and their consequential impact on the civil calendar have strained the court system in each county. Morris County is no exception. However, given the current budgetary environment, I must scrutinize each initiative that demands State funding and must establish priorities that respond to the most compelling needs. In determining where new judicial positions are most needed, I am forced to make difficult decisions, but our current fiscal predicament requires tough choices.

Although I clearly recognize and appreciate the demands upon our courts in Morris County, I am unable at the present time to authorize the creation of a new judicial position in Morris County and its associated costs.

Accordingly, I herewith return Senate Bill No. 2291 without my approval.

Respectfully,  
/s/ James J. Flori  
GOVERNOR
