- Preamble.

of money said cities may be legally liable to refund to said owners so paying said assessments heretofore set aside or that may be hereafter set aside as aforesaid, or that may have been illegally made; *and whereas*, great and unnecessary embarrassment will arise to said cities, and the taxpayers thereof, if said cities are compelled to refund at once to said persons so paying or having paid, as aforesaid, the said moneys assessed for said improvements, and it is therefore desirable and proper that said cities should be authorized to delay repayment of said money until such time as re-assessments for benefits for said local improvements may be made, in conformity with existing laws, *provided* said re-assessments are made within a reasonable time, and to set-off as against such repayment the amount of any such re-assessment made for benefits for said local improvements; therefore,

Illegal assessments to be refunded.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*, That in all cases where assessments for benefits for local improvements in the cities of this State have been, or may hereafter be, set aside by the courts of this State, or other competent authority, by reason of defects in the laws under which said assessments were or shall be made, or for other cause, or have been made under the provisions of any law of this State which provisions have been declared by the courts thereof to be unconstitutional and void, and owners of property assessed for said improvements have paid, or may hereafter pay, to said municipal corporations, the sums of money so assessed against them for benefits for local improvements, or part thereof, the moneys so as aforesaid paid by any owner assessed as aforesaid, who shall now be legally entitled to recover the amount paid as aforesaid, shall be refunded by said municipal corporations so receiving the same; but the refunding and collection of said sums of money paid for assessments for said local improvements, and the further prosecution of any suits now pending to recover such sums of money, shall be stayed and delayed until such time as a re-assessment for benefits for said local improvements shall have been made by commissioners or other persons lawfully appointed and authorized to make the same; *provided, however*, that interest upon the sums of money so paid as

Refunding to be stayed until new assessments made.

Proviso.

aforesaid for assessments for local improvements set aside or illegally made as aforesaid shall be collected on final settlement from said municipal corporations to the extent and no further that said parties would now be entitled to recover the same up to the time of final adjustment; *and provided further*, that where assessments for benefits ^{Proviso.} for local improvements have been heretofore set aside for the causes aforesaid, or have been illegally assessed as aforesaid, said re-assessment for said improvements shall be made and completed within two years from and after the passage of this act; and, in cases where assessments for benefits for local improvements shall be hereafter set aside for the causes aforesaid, said re-assessments for said improvements shall be made and completed within two years from the date of the setting aside of said assessments; *and provided further*, that nothing in this act contained ^{Proviso.} shall affect in any way the validity of any assessment or re-assessment for benefits for local improvements heretofore made; but in cases where said re-assessments are made and completed prior to the time limited in this act for the refunding of said moneys, the said moneys so as aforesaid paid shall become due and payable at once upon the ratification of said re-assessments, and shall be applied in settlement of said re-assessments; and said re-assessment, with legal interest thereon from the time the said re-assessment is confirmed, shall be a lawful set-off by the said municipal corporation as against the amount legally recoverable by the person entitled to recover any money paid on any such original assessment, set aside or void as aforesaid, and the same may be pleaded in any action that is now, or may hereafter be, pending at any time after such re-assessment is made and confirmed as aforesaid; *and provided further*, that if ^{Proviso.} any writ of certiorari be granted to review any such re-assessment, or part thereof, the time to plead the set-off by said municipal corporation shall be extended until after the final determination of said certiorari.

2. *And be it enacted*, That the provisions of this act are hereby declared to be applicable to all suits now pending in any court of this State for the collection of moneys paid by any owner of property, or other person representing said owner, for assessments for benefits for local improvements which have been heretofore set aside as ^{Act applicable to pending suits.}

Proviso. aforesaid ; *provided, however*, that all costs incurred by the plaintiffs in such suits, at the time of the passage of this act, shall be paid by the respective defendants therein.

Money re-
funded may be
applied to
other assess-
ments. 3. *And be it enacted*, That any person claiming from any city the repayment of any money paid by him or his assignor for such assessment may give notice in writing to said city of his desire that such money be applied by said city to cancel or reduce the indebtedness of said person to said city upon any other assessment, and thereupon said city shall apply any balance found due to the person giving such notice upon the re-assessment and adjustment in this act directed for the purposes specified in such notice; and the application of such balance upon the assessments specified in such notice shall be considered as made at the time of the receipt of such notice by said city.

4. *And be it enacted*, That this act shall take effect immediately.

CHAPTER XLII.

An Act to enable the city authorities of Jersey City to make a settlement with the contractor for the construction of reservoir number three of the Jersey City water works.

WHEREAS, A contract in writing was made on the second day of March, eighteen hundred and seventy-one, between the water commissioners of Jersey City and John W. Mitchell and David B. Bridgeford, for the building of reservoir number three of the Jersey City water works; *and whereas*, said contract was by a written assignment, dated the tenth day of January, one thousand eight hundred and seventy-two, assigned by Mitchell and Bridgeford to Jeremiah B. Cleveland; *and whereas*, after the contract with Mitchell and Bridgeford had been executed, the control of said reservoir was by law taken from the water commissioners and placed in the board of public works; *and whereas*, the consent of said board of public works was duly given to the aforesaid assignment to Jeremiah B. Cleveland; *and whereas* (before any work had been done by said Cleveland under said contract), the plans for building said reservoir were essentially altered by said board of public works, but notwithstanding such change, no advertisement was published for doing the work on the new plans, but the same was allowed to proceed under the aforesaid contract; *and whereas*, after said change of plans, and after much work had been done by said Cleveland, and partial payments therefor had been made, doubts arose whether the work could be legally continued under the contract upon the plans furnished, and whether further payments for that already done could be made, by reason of which the further prosecution of the work ceased, to the great loss and damage of said Cleveland; *and whereas*, said Cleve-

land claims that, by virtue of the premises, there is a large sum of money due and owing to him from the city, over and above what he has already received; *and whereas*, it is equitable that whatever sum is justly owing to said Cleveland, by virtue of the premises, should be promptly paid to him, and the matter adjusted upon an equitable basis; therefore,

1. BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*, That an act entitled "An act relative to reservoir number three of the Jersey City water works," approved March twenty-ninth, one thousand eight hundred and seventy-five, which act reads as follows:

"An act relative to reservoir number three, of the Jersey City water works.

Recital of preamble to original act.

WHEREAS, A contract made on the second day of March, A. D. eighteen hundred and seventy-one, between the water commissioners of Jersey City and Mitchell and Bridgeford, for building reservoir number three, of the Jersey City water works, and the same was assigned to Jeremiah B. Cleveland on or about the tenth day of January, A. D. eighteen hundred seventy-two; *and whereas*, the plans for building said reservoir were essentially altered by a resolution of the board of public works, but no advertisement was published for doing the work on the new plans substituted for the original plans of construction, and the prices in the contract may not have been proper for the new work, and yet the said Cleveland proceeded to execute considerable of said work on said new plans, and claims that therefore a considerable sum of money is due to him; *and whereas*, the work should not be further proceeded with except after competition is invited as required by law, though the said Cleveland may have an equitable claim for money due him in respect thereof; therefore,

Section to be repealed recited.

"1. BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*, That the further prosecution of work on said reservoir shall be stopped; that complete specifications shall be prepared, and proper plans and drawings made therefor, and the work that the board or authority now having charge or hereafter having charge of the same thinks proper to have done on said reservoir,

shall be definitely determined upon, and that the said board or authority after the preparation of such specifications and plans, and such determination, shall proceed to advertise for proposals for doing said work, and furnishing the materials necessary, in the manner that is or shall be directed by law in other cases of public work in Jersey City, at the time of such advertisement; and the contract for doing such work shall be awarded as shall be provided by law in cases of other public improvements of the same or like nature.

"2. *And be it enacted*, That the board or authority aforesaid shall, if said Cleveland desires it, submit the question: 'what compensation, if any, is equitable due to said Cleveland for what has been done or furnished by him or his assignors, either under the contract before stated with his assignors, or for work done or materials furnished for said reservoir or the sewer therewith connected, outside of that contract?' not however charging said Cleveland with any over-payment to Mitchell and Bridgeford for work done by them, if any such over-payment there was, to the award and determination of such person or persons as said Cleveland and the board of finance and taxation of Jersey City shall agree upon, and the amount of said award, if in favor of said Cleveland, shall be paid to him by the board or authority having control and charge of said reservoir, in full of all claims and demands against such board or city or any department thereof, and upon his executing and delivering to said city a release of all demands in respect of the matters aforesaid.

Section to be
repealed re-
cited.

"3. *And be it enacted*, That this act shall take effect immediately.

"Approved March twenty-ninth, one thousand eight hundred and seventy-five," be and the same is hereby repealed.

2. *And be it enacted*, That all claims of the said Jeremiah B. Cleveland against the city of Jersey City, in connection with said contract, and the reservoir therein mentioned, together with the sewer therewith connected, be referred to arbitrators, who shall hear and determine the whole matter, and award such a sum as under all the circumstances of the case should justly be paid by said
