NJ Cooling Centers

During the summer months, our team actively updates the list of available cooling centers. We only include information provided by [official authorities](#), such as state, county, or municipal offices of emergency management. As soon as we receive updates, we post them below.

If you do not see any cooling centers listed for your county below, we have not yet received updated information from the relevant authorities.

Discover Heat Hub New Jersey

[Heat Hub New Jersey](#) is a website that helps people understand how extreme heat affects our lives. It explains how hot weather can impact our health, homes, and communities. The site includes videos and safety tips to help you stay cool and safe during heat waves. It also shows what New Jersey is doing to prepare for hotter temperatures in the future.

Statewide Homeless Hotline

NJ 211 serves as the state homeless hotline, connecting individuals experiencing homelessness with community resources aimed at breaking the cycle of homelessness. The local [County Social Service Agency](#) is the primary resource for individuals experiencing homelessness or those seeking emergency housing assistance.

For assistance:

- **During business hours:** Contact your local [County Social Service Agency](#).
- **Outside business hours:** Dial 211 to reach NJ 211.

Through the statewide homeless hotline program, NJ 211 arranges one-time emergency placements for eligible individuals and provides referrals and information tailored to their situation.

Current Emergency Activations Due to Extreme Heat

Emergency resources and activations for extreme heat or storms can change quickly. Our listings are updated based on the most recent information from each county.
