

Office of the Vice President
for Human Resources

December 28, 2011

Lori O'Mara-Van Driensen
Director of Public Information
Office of Legislative Services
145 West State Street, Room B50
Trenton, NJ 08625

Dear Ms. O'Mara-Van Driensen:

Pursuant to the provisions of Public Law 2011 Chapter 70, and its requirement for reporting by January 1 each year, enclosed please find a report listing positions by classification, which are currently in compliance with the Act or exempt pursuant to the Act. These positions are current University full or part-time faculty, research staff, and/or administrative staff positions requiring special expertise or extraordinary qualifications in academic, scientific, technical, professional or medical fields and/or in administration that, if not exempt from the residency requirements would seriously impede the ability of the University to compete successfully with similar colleges, universities or institutions in other states.

Very truly yours,

Gerard Garcia
Acting Vice President for Human Resources

GG/jgb
Enclosure
