**Sustainability Summit Presentations**

The 2023 Sustainability Summit provided a deeper understanding of how to use existing tools and resources from Sustainable Jersey and partner organizations during 15 Sustainability Sessions. New skills and strategies were provided for tackling issues including expanding the use of renewable energy, transitioning to electric vehicles, making your community more resilient to climate change, ensuring equitable access to resources for all, increasing your reach on social media, and more. View the full list of session descriptions and speakers [here](#).
