**13:70-6.31 Limitation on double entries; same owner**

Not more than two horses of the same ownership or interest shall start in any race (except stakes). When making a double entry in the same ownership the owner or trainer must express a preference; and in no case may two horses start in the same ownership to the exclusion of a single entry.

**13:70-6.32 Divided races**

In divided races, the starters in the separate divisions shall be determined by lot; except that stable couplings may be separated, at the discretion of the racing secretary.

**13:70-6.33 Unclosed races**

The association shall have the right to withdraw or change any unclosed race.

**13:70-6.34 Insufficient entries**

If a race is declared off because of insufficient entries, the association may split any overnight race which may have closed and cause a new drawing for post position.

**13:70-6.35 Sweepstakes entries**

An entry in a sweepstakes is a subscription, and cannot be withdrawn.

**13:70-6.36 Return of fees**

If a horse is excused from the race before the off-time, the starting fees shall be refunded; if a horse is locked in the gate, any fees of any kind, including jockey fees, shall be returned to the owner.

**13:70-6.37 Nominator liability**

The nominator is liable for the entrance money or stake, and the death of an entered horse or a mistake in its entry shall not release the nominator or transferees from such liability; nor shall the entrance money or stake of an eligible horse to any race which is run off be returnable for the entry's failure to start, for any cause.

**13:70-6.38 Death of nominator**

Except in a match race, no entry or subscription shall become void on the death of the nominator.

**13:70-6.39 Closing of entries**

**13:70-6.41 Closing places for entries**

In the absence of notice to the contrary, entrances and declarations for sweepstakes which close during or on the eve of a race meeting, close at the office of the racing secretary. Closing at all other times for sweepstakes shall be at the office of the association.

**13:70-6.42 Closing time implied**

Except in overnight races, if the hour of closing of entries or for declarations is not stated, it is understood to be midnight at the close of the day specified.

**13:70-6.43 Nomination for stake races**

Nomination for stake races received and post-marked before midnight of the day of closing shall be valid if received 24 hours in advance of the publication of the weights, if a handicap; or 24 hours in advance of the closing of overnight entries, if any other type of race.

**13:70-6.44 Miscarriage of stake race nomination or declaration**

If a miscarriage of any nomination or declaration in a stake race is claimed, satisfactory proof that it was mailed or telegraphed must be presented within a reasonable time, or such evidence will not be considered.

Entries which have closed shall be compiled without delay by the racing secretary, and conspicuously posted.

**13:70-6.46 Number of horses; stake races**

In a stake race, the number of horses to compete will be limited only by the number of horses duly nominated and entered.

**13:70-6.47 Number of starters; overnight race**

The number of starters in any overnight race shall be limited by the width of the track at the starting post, the maximum number to be determined by the stewards.

**13:70-6.48 Alteration in entry after closing**

No alteration shall be made in any entry after the closing of entries, but an error may be corrected.

**13:70-6.49 Naming of jockey; changes**

Jockeys shall be named at time of entry. Any subsequent change of a jockey must be sanctioned by the stewards and must be promptly and publicly posted and announced.

**13:70-6.50 Postponement and cancellation of races**

If the whole, or part of a racing program is abandoned, any purse race involved must be declared off.

**13:70-6.51 Closed entries; declared off**

No race, which has closed with sufficient entries, shall be declared off except by the stewards.

**13:70-6.52 Post position**

Post positions shall be determined publicly by lot in the presence of the racing secretary or his deputy, one or more stewards or their deputies, and at least one trainer licensed by the Racing Commission.

**13:70-6.53 Eligibility; registration required**

(a) In order to be eligible to enter and start in races exclusively for New Jersey bred foals, each horse must be registered with the Thoroughbred Breeders' Association of New Jersey.

(b) To qualify for such registration, the said horse must have been foaled in the State of New Jersey and:

1. For the resident breeder, he or she must be a resident of New Jersey or an individual or entity that maintains a breeding farm in New Jersey; or
2. For the non-resident breeder, who is an individual non-resident, or an entity not owned entirely by New Jersey residents, the foal must meet one of the following conditions:
  - i. Be the produce of a mare conceived in New Jersey the previous season by a registered stallion; or
  - ii. If conceived outside of New Jersey, the mare must be bred to a registered New Jersey stallion the season of the birth of said foal; or
  - iii. If conceived outside of New Jersey by a resident mare which leaves New Jersey for breeding purposes, the resident mare must return by September 1 of that year and verification may be required; or
  - iv. A non-resident breeder having a mare foal for the first time in New Jersey must have a mare in the State 30 days before foaling if it was bred out of State, and in subsequent years shall follow the rules and regulations for a resident mare owned by a non-resident breeder.

(c) A horse is bred where it is foaled. The breeder is the owner of the dam at the time of foaling.

(d) The breeder is responsible for the registering of the foal as a New Jersey bred thoroughbred.

(e) A breeder who registers or attempts to register a foal based upon false or fraudulent information may be subject to any or all of the following sanctions by the Thoroughbred Breeders' Association:

1. The horse may no longer be considered a New Jersey bred;
2. Any New Jersey breeder awards earned by an ineligible horse shall be forfeited to the State;
3. The breeder may be denied the privilege of registering any horses as a New Jersey bred for a time period determined by the Thoroughbred Breeders' Association;
4. The breeder may be denied the benefit of any and all breeder awards in New Jersey for a time period determined by the Thoroughbred Breeders' Association.

(f) Any owner or breeder may appeal the decision of the Thoroughbred Breeders' Association of New Jersey concerning the registration of a horse under this rule to the New Jersey Racing Commission.

(g) To be considered a New Jersey stallion, it is required that the stallion stand in the State of New Jersey the full breeding season, commonly understood to be the period from February 1 through July 1 of any year, and remain in the State, or if the stallion is brought in subsequent to the start of the breeding season, he must be approved as a New Jersey stallion by the New Jersey Racing Commission upon recommendation of the Board of Trustees of the Thoroughbred Breeders' Association of New Jersey and the appropriate annual fee paid to the Association prior to serving the first mare in the State of New Jersey and annually thereafter prior to February 1.

1. Should any stallion die in New Jersey prior to completion of one full breeding season he may also be considered a New Jersey stallion upon approval of the New Jersey Racing Commission upon recommendation of the Board of Trustees of the Thoroughbred Breeders' Association of New Jersey.

(h) All fees for registration of foals, horses of racing age and stallions as established by the Thoroughbred Breeders' Association of New Jersey shall be subject to the approval of the Commission, which approval shall be based upon the Commission's review of a full accounting of fees received and the disposition and purposes for which the revenue collected by the Association is utilized in order to comply with the rules of racing and the terms of New Jersey statutes, the purposes of which are to improve and develop the thoroughbred breeding industry in the State.

Penalties and allowance of weight are not cumulative, unless so declared by the conditions of a race.

**13:70-8.4 Entitled allowance of weight**

A horse shall start with only the allowance of weight to which it is entitled at the time of starting, regardless of its allowance at the time of entry.

**13:70-8.5 Weight penalties; effect on allowances**

Horses incurring weight penalties for a race shall not be entitled to any of the weight allowances for that race.

**13:70-8.6 Subsequent weight allowances**

Horses not entitled to the first weight allowance in a race shall not be entitled to the second, and so on.

**13:70-8.7 Claim of unentitled weight allowance**

Claim of weight allowance to which a horse is not entitled shall not disqualify unless protest is made in writing and lodged with the stewards at least 60 minutes before post time.

Amended by R.1990 d.127, effective February 20, 1990.

“In” to “or”.

**13:70-8.10 Steeplechase or hurdle race penalties**

Penalties incurred and allowances due in steeplechase or hurdle races shall not apply to races on the flat or vice versa.

**13:70-8.11 Horses beaten in one or more races**

No horse shall receive allowance of weight, or be relieved of extra weight, for having been beaten in one or more races, provided this rule shall not prohibit maiden allowances or allowances to a horse which has not won within a specified period or which has not won a race of specified value.

**13:70-8.12 Decision in dispute**

When the decision of a race is in dispute, all horses involved in the dispute with respect to the winner's credit shall be liable to all weight penalties attached to the winning of that race until a winner has been adjusted.

**13:70-8.13 Disqualification penalties**

No horse shall incur a weight penalty for a placement from which it is disqualified, but a horse placed through the disqualification of another horse shall incur the weight penalties of that placement.

**13:70-8.14 Dead heats**

A horse involved in a dead heat for first place shall be liable to the weight penalty for the amount received.

**13:70-8.15 Determine eligibility, penalties and allowances**

(a) Eligibility, penalties and allowance of weight for all races will be determined after considering the reports, records and statistics published by the daily racing form.

(b) A race not reported in the daily racing form will not be considered unless otherwise stated in the conditions of the race, except that, in the case of an imported horse, the racing record of such horse must be available to the racing secretary prior to the time entry is made to qualify for eligibility. (This rule shall not apply in the classification of maidens.)

**13:70-8.16 Weights, scale of**

(a) The following is the scale of weights for age, and shall be carried when not otherwise specified in the condition of the race:

**13:70-29.51 Break to nickel in the event of a minus pool**

The minimum pari-mutuel payoff by any licensee conducting pari-mutuel wagering shall be \$2.10 on each winning \$2.00 wager. This shall pertain only in the event that there is insufficient money in the net pari-mutuel pool to return \$2.20 on each \$2.00 wager.

**13:70-29.52 The Pick (N)**

(a) The Pick(N) requires selection of the first place finishers in each of four or more consecutive races, with the letter (N) representing the number of such races. The association must obtain written approval from the Commission concerning the scheduling of Pick(N) events. Any changes to the approved Pick(N) format requires prior approval from the Commission.

(b) A carry-over, as is relevant to this section, is that percentage of the pool not paid out when no one successfully selects all winning horses in the Pick(N). The carry-over amount shall be added to the subsequent Pick(N) pool until distributed as a result of the successful selection of all winning horses.

(c) The Pick(N) pool shall be distributed under one of the following methods:

1. Method 1. Pick(N) with carry-over: The net Pick(N) pool and carry-over, if any, shall be distributed as a single price pool to those who selected the first place finisher in each of the Pick(N) contests, based on the official order of finish. If there are no such wagers, then 25 percent of the net pool shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick(N) races; and the remaining 75 percent of the net pool shall be added to the carry-over.

2. Method 2. Pick(N) with minor pool and carry-over: The major share of the net Pick(N) pool (75 percent) and the carry-over, if any, shall be distributed to those who selected the first-place finisher in each of the Pick(N) contests, based on the official order of finish. The minor share of the net Pick(N) pool (25 percent) shall be distributed to those who selected the first-place finisher in the second greatest number of Pick(N) contests based on the official order of finish. If there are no such wagers selecting the first-place finisher of all Pick(N) contests, the minor share of the net Pick(N) pool (25 percent) shall be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick(N) contests based on the official order of finish and the major share (75 percent) shall be added to the carry-over.

(d) If there is a dead heat for first in any of the Pick(N) contests involving contestants representing the same betting interest, the Pick(N) pool shall be distributed as if no dead heat occurred. If there is a dead heat for first in any of the Pick(N) contests involving contestants representing two or

more betting interests, the Pick(N) pool shall be distributed as a single price pool with each winning wager receiving an equal share of the net Pick(N) pool.

(e) The Pick(N) pool shall be held entirely separate from all other pools and is not a parlay and is not part of a daily double, exacta, trifecta or other wagering pool.

(f) Pick(N) tickets shall be sold in not less than \$1.00 denominations and only from machines capable of issuing four or more numbers.

(g) Those horses constituting an entry or a field as defined within the rules and regulations of the Commission shall race in any Pick(N) race as a single wagering interest for the purpose of Pick(N) pari-mutuel pool calculations and payments to the public. A scratch after wagering has begun on any part of an entry or mutuel field in such a race shall be of no effect with respect to the status of such entry or field as a viable wagering interest.

(h) At any time after wagering begins on a Pick(N) pool should a horse, entire betting entry or mutuel field be scratched or declared a non-starter in any Pick(N) race, no further tickets selecting such horse betting entry or mutuel field shall be issued, and wagers upon such horse betting entry or mutuel field, for purposes of the Pick(N) pool shall be deemed wagers upon the horse, betting entry or mutuel field upon which the most money has been wagered in the win pool at the close of win pool betting for such race. In the event of a money tie, the tied horse, betting entry or mutuel field with the most inside post position shall be designated.

(i) In accordance with (k) below, when the condition of the turf course warrants a change of racing surface in any of the legs of the Pick (N) races, and such change has not been known to the betting public prior to the close of the Pick (N) pool, the stewards shall declare the changed leg(s) a "no contest" for Pick (N) wagering purposes, and the pool shall be distributed in accordance with (k) below.

(j) The Pick(N) pool shall not be cancelled based upon the number of race cancellations or races being declared no contest, unless the following is true, in which case all Pick(N) wagers for the individual performance shall be refunded:

1. Three or more races of a Pick 4 or Pick 5 are cancelled or declared no contest;
2. Four or more races of a Pick 6 or Pick 7 are cancelled or declared no contest;
3. Five or more races of a Pick 8 or Pick 9 are cancelled or declared no contest;
4. Six or more races of a Pick 10, Pick 11 or more races are cancelled or declared no contest.

(k) As specified in (i) above, if at least one contest included as part of a Pick (N) is cancelled or declared "no contest," but not more than the number specified in subsection (j) of this rule, the net pool shall be distributed as a single price pool to those whose selection finished first in the greatest number of Pick (N) contests for that performance. Such distribution shall include the portion ordinarily retained for the Pick (N) carryover but not the carryover from previous performances.

(l) If, on the last day on which the system of wagering is conducted at a race meeting, no bettor selects the winning horse in those designated races, the total amount of the pool which exists on that day in connection with those races shall be paid to the bettor or bettors who selected the largest number of winning horses in those races.

(m) If, for any reason, the Pick(N) carry-over cannot be paid out on the last scheduled day of a race meeting, the carry-over shall be deposited in an interest bearing account approved by the Commission. The Pick(N) carry-over plus accrued interest shall then be added to the net Pick(N) pool on a race date determined by the Commission.

(n) An association, with the written approval of the Commission, may contribute funds to the net Pick(N) pool or the carry-over pool.

(o) Should circumstances occur which are not foreseen in this section, questions arising thereby shall be resolved with general pari-mutuel practice. Decisions regarding distribution of Pick(N) pools will be final.

### 13:70-29.53 Trifecta

(a) The trifecta (or other approved name) is a form of pari-mutuel wagering. Each bettor selects, in order, the first, second and third placed horses in the designated trifecta race. The trifecta pool shall be held entirely separate from all other pools, and is no part of a daily double, exacta or other wagering pool.

(b) Trifecta tickets shall be sold in not less than \$1.00 denominations and only from machines capable of issuing three numbers.

(c) Races in which trifecta pools shall be conducted shall be approved by the Commission and shall be clearly designated in the program.

(d) The design of trifecta tickets shall be clearly and immediately distinguishable from other pari-mutuel tickets.

(e) If a horse is scratched or declared a nonstarter, no further trifecta tickets may be issued designating such horse and all trifecta tickets previously issued designating such horse shall be refunded and the money deducted from the gross pool.

(f) Rules concerning failure to select a winning combination, short finishes include:

1. If there is a failure to select, in order, the first three horses, payoff shall be made on trifecta tickets selecting the first two horses, in order with all others; failure to select the first two horses, payoff to trifecta tickets selecting the winner and third place horse with any and all other horses; failure to select any of the foregoing orders of finish, payoff shall be made to trifecta tickets selecting the winner to win with all other horses; failure to select the winner to win, payment shall be made to holders of tickets on the second and third place finishers with any and all others.

2. If less than three horses finish, payoff shall be made on tickets selecting the actual finishing horses in order, ignoring the balance of the selection.

(g) Coupled entries and fields are prohibited in trifecta races without the prior approval of the Racing Commission. The Commission in considering whether to grant such approval, shall consider the number of wagering interests in the race and whether its approval would be consistent with the best interests of the sport and wagering public.

(h) Where a field in a trifecta race is less than six at wagering time, said race will be run as an exacta. A late scratch after wagering starts will not affect the trifecta.

(i) In the trifecta races with a coupled entry or mutuel field, the numbers of the first three horses in order of finish as made official shall constitute the winning combination except that, where two or more of such horses are part of the same coupled entry or mutuel field, only the best finishing position attained by the coupled entry or mutuel field shall be considered for payoff purposes and the next best finishing horse or horses, not part of the coupled entry or mutuel field, shall be selected to determine the winning trifecta combination.

(j) This rule shall be prominently displayed throughout the betting area of each track conducting the trifecta and printed copies of this rule shall be distributed by the track to patrons upon request.
