**Trenton, NJ** – Brian Murray, Press Secretary to Governor Chris Christie, issued this response to the statement released by Assembly Speaker Vincent Prieto on the signed New Jersey Fiscal Year 2018 Budget.

"The Governor kept his word. He agreed to 73 specific budget requests made by Democrat legislators and he noted at the press conference late Monday night that he was maintaining his promise to keep those in the budget that he was about to sign. They are all in the signed budget. The Governor never agreed to sign an unbalanced budget by preserving every additional spending request sneakily tucked into the budget and not paid for by revenue. Speaker Prieto's statement is false and all the honest parties to our agreement know it."
