CERTIFIED MUNICIPAL COURT ADMINISTRATORS – COVID-19 – TEMPORARY MODIFICATION OF STEPS REQUIRED TO OBTAIN CREDENTIAL

SUPREME COURT OF NEW JERSEY

In response to the COVID-19 public health emergency, the New Jersey Judiciary has implemented various modifications to court operations and related measures intended to minimize in-person contact and adhere to social distancing measures recommended by the New Jersey Department of Health (“NJ DOH”) and the Centers for Disease Control (“CDC”).

The COVID-19 pandemic has disrupted the normal operations of the Municipal Court Administrator Certification Board (Board) by forcing cancellation of in-person administrations of the written examination required as part of the certification process for municipal court directors, municipal court administrators, and deputy municipal court administrators.

Accordingly, it is ORDERED that, effective immediately:

1. Municipal Court Administrator Certification Board Regulation 5:1 (“Certification Process”) is relaxed and supplemented so as to permit the Board to allow certification candidates to complete the certification requirements (including the written examination) in a sequence other than as otherwise provided for in the Board Regulations.

2. The provisions of this Order shall remain in effect for the duration of the COVID-19 pandemic and until further court order.

For the Court,

Chief Justice
