*Any trucked-in industrial wastewater that meets the SIU definition in N.J.A.C. 7:14A-1.2, that is discharged to a local agency without an approved pretreatment program, must obtain a determination from the Department pursuant to N.J.A.C. 7:14A-21.8 regarding the need for an individual NJPDES-SIU permit. Please complete and submit a "SIU Determination Request" found at www.state.nj.us/dep/dwq/pdf/siuques.pdf
