The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school's test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act (ESSA)* accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Mathematics Assessment - Participation and Performance

This table shows information about the Mathematics section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act* (ESSA) accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

This section shows performance on the NJASK science test which measures students' ability to recall information and to solve problems by applying science concepts. The assessment is given to students in grades 4 and 8 and has three proficiency categories. Students performing at "Proficient" and "Advanced Proficient" have demonstrated readiness for the next grade-level/course.

This section of the performance report shows information on student growth which measures how much students are learning each year. Each student receives a **Student Growth Percentile (SGP)** for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in the prior year.

A student's **SGP** falls between 1 and 99 and can be grouped into three levels:

Low Growth: Less than 35

Typical Growth: Between 35 and 65

High Growth: Greater than 65

If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile (mSGP)** is the percentile in the middle of that list. Watch a short video that explains how **median Student Growth Percentile (mSGP)** is calculated here:

This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the *ESSA* accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the *ESSA* accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey’s accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	44.6	17.5%
Mathematics Proficiency	57.6	17.5%
English Language Arts Growth	33.6	25.0%
Mathematics Growth	47.7	25.0%
Chronic Absenteeism	99.1	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		53.1
Summative Rating: Percentile rank of Summative Score		54.3
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

 Courses, Curriculum, Instruction:	<p>“Tools of the Mind” is implemented in PreK. Our K-5 literacy program includes: Journey Series, 100 Book Challenge, BSI and RTI supports such as Orton-Gillingham and Wilson Reading. Grades 6-8 use Prentice Hall Literature, Houghton Mifflin English, the Sadlier Oxford Vocabulary Workshop, and participate in Socratic Seminars. Algebra and Gifted and Talented Science are offered as accelerated courses. Web based programs include: Study Island, RazKids, Think Central, Max Scholar, and Learning Ally.</p>
 Sports and Athletics:	<p>Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Cross-Country (Boys & Girls), Soccer (Boys & Girls), Softball (Girls), Volleyball (Girls)</p> <p>Franklin Township School provides co-curricular activities through our sports programs such as soccer, volleyball, boys and girls basketball, baseball, and softball. The soccer team won the championship during the 16-17 school year. Cross Country has been added and we will be piloting Flag Football in the 17-18 school year.</p>
 Clubs and Activities:	<p>Middle schoolers are given leadership opportunities which include Student Council, National Junior Honor Society and Safety Patrol. The school is dedicated to community service projects and participates in activities such as holiday food banks, clothing donations, and other community based programs. Clubs include theater, yearbook, band, newspaper, iRun for Life, and homework club. The values taught are responsibility, trustworthiness, citizenship, caring, fairness, and respect.</p>
 Before and After School Programs:	<p>Our before and after school child care program is in partnership with The Work-Family Connection. This partnership is designed to reinforce and enhance a child’s elementary school experience.</p>

 Staff and Professional Learning:	<p>Teachers collaborate with their grade level partner/content specific teachers. We are participating in a school wide Positive Behavior Support (PBS) where every lion ROARS with pride. Aspects of the Positive Behavior Support include: Respect, Ownership of Actions, Achieve Personal Best, Responsibility, and Safety. Staff participated in Visual Learning Training where they learned to use the program's methods and increase the use of these strategies for students to use independently.</p>
 Student Supports and Services:	<p>Students are provided with support through Basic Skills Instruction and RTI supports such as Orton-Gillingham and Wilson Reading. A Student Transitional Academic Readiness program is offered. This program incorporates best practices in teaching for students with multiple disabilities and is led by a Special Education specialist with expertise in behavioral management programs. Students who require support services are provided with occupational, speech, and physical therapy.</p>
 Student Health and Wellness:	<p>Students receive 150 minutes of health and physical education a week. Students participate in the Walk/Run/Jog track daily. Students in K-8 participate in a 30 minute recess. Various field trips are offered throughout the year and include fishing trips, bike trips, track and field trips, and a trip to Camp Bernie.</p>
 Parent and Community Involvement:	<p>The Franklin Township School is considered "a community of caring," that enjoys a close knit, supportive Parent/Teacher Association. PTA Events include Book Fairs, Holiday Workshops, School Stores, Tricky Trays, a Snowflake Ball and Fun Fair. Parents were involved in the Fall Festival (10/16) and present at Back to School Night. School Climate Surveys were administered three times throughout the 16-17 school year. Our comprehensive guidance program ensures social and emotional growth and our Positive Behavioral Support program is embraced by the educational community, thus increasing school safety and enhancing students' social-behavioral skills while creating a more positive school climate.

Facilities:

Additions to the existing historical building were made. The latest additions to the building occurred in 2009. A variety of science labs, computer rooms, and general education classrooms have been added to the original building. Renovations were made to the existing playground to facilitate the needs for students in special education and provide age appropriate equipment for preschool - third grade and fourth-eighth grade.
