**WHO  
WE ARE**

Battelle is an independent not-for-profit organization that advances science and technology to have the greatest impact on our society and economy.

With more than 90 years of experience, we turn knowledge into profound innovation. And we use our proceeds to reinvest in the advancement of science and technology, as well as build schools to advance STEM programs.

# OUR IMPACT

Battelle delivers scientific discovery and applied research that make the world a better place to live. Whether it's advancing technology for our clients, giving back to our community, or educating the next generation of innovators, we proudly accept the responsibility of creating lasting change for good. Science is power, and our power is a force for progress.

**DISCOVER WHAT MAKES BATTELLE DIFFERENT >**

## Advancing Discovery

Solving our customers' greatest challenges today while investing in advanced research to address the needs of tomorrow.

**EXPLORE OUR HISTORY >**

## STEM Education

Bringing quality science, technology, engineering and math (STEM) education to millions of students across the United States.

**EXPLORE STEM EDUCATION >**

# Philanthropy

Reinvesting a portion of our profits not only in science and technology but also in charitable causes and employee giving.
