Statement by Governor Mikie Sherrill on Trump's Attacks on Mail Ballots

Posted on 04/4/2026

"The Constitution is clear: states run elections, not the federal government. New Jersey has administered safe, secure, and accessible voting for generations.

"Our vote-by-mail system works. Millions of New Jerseyans – Republicans, Democrats, and unaffiliated voters alike – rely on it. The president himself has cast ballots by mail. This order does nothing to strengthen election integrity and is designed to make it harder for eligible citizens to vote.

"Like everything Donald Trump gets involved in – from jobs to healthcare, to gas prices, a war with no plan, or even running our airports – he creates chaos and makes life harder for New Jerseyans. Let's be clear: any problem with mail in ballots would be caused by Trump himself. We will take every action available to protect New Jerseyans fundamental voting rights."
