

EXAMPLE: An employee on step four, range A10 in a 10 month title, is promoted to a 12 month title with salary range A15. There is no change in workweek. The work year adjustment would bring the employee to step four, range A13. Then, salary is calculated based on (a) above.

#### 4A:3-4.10 Demotional pay adjustments: State service

(a) The salary of an employee who receives a disciplinary demotion shall be adjusted by reducing the employee's salary one increment in the higher range. Then, the employee's salary in the lower range will be set at the step that is equal to or next lower than such reduced salary.

1. The adjustment in (a) above shall be made after adjustment for workweek. See N.J.A.C. 4A:3-4.9(f).

i. When a workweek change occurs for an employee whose salary is between steps of the range, the following calculation shall be made to accommodate the workweek adjustment: Divide the amount of extra salary by the amount of the increment of the employee's current salary range. This will provide a percentage of the current increment represented by the extra salary. Adjust the employee's salary to the workweek adjusted range at the same step. Calculate the amount of extra salary by applying the percentage arrived at above to the increment of the workweek adjusted range.

2. The anniversary date is retained, unless the action results in step eight or nine, in which case the anniversary date is based on the effective date of the action.

(b) When an appointing authority demotes an employee involuntarily in lieu of removal due to loss of qualifications for job title (for example, a Truck Driver whose license is suspended is demoted to a Building Maintenance Worker), salary and anniversary date shall be determined as provided in (a) above. If the employee is subsequently returned to the former title, he or she may be appointed up to and including the step held prior to the demotion.

(c) If the demotion is other than disciplinary or in lieu of removal under (b) above, the employee's salary shall be reduced one increment in the higher range. Then the employee's salary in the lower range will be set at the step that is equal to or next higher than such reduced salary.

1. The adjustment in (c) above is made after adjustment for workweek. See N.J.A.C. 4A:3-4.9(f).

2. The anniversary date is retained, unless the action results in step eight or nine.

i. If the action results in step eight, the employee shall be eligible for advancement to step nine, if

warranted by performance, on the pay period that reflects the difference between the time served on the step prior to demotion and 39 pay periods.

ii. If the action results in step nine, the anniversary date is based on the effective date of the action.

3. This adjustment shall be applied only when the employee has served at least four months in the higher title and:

i. The employee has previously held the lower title;

ii. The employee is being demoted in lieu of layoff; or

iii. The Department of Personnel finds that service in the higher title provided significant preparation and training for service in the lower title.

4. If the conditions in (c)3 above are not met, then salary and anniversary date shall be determined by reconstructing the employee's salary as if the employee had remained in or been appointed to the lower title on the date he or she was appointed to the higher title. N.J.A.C. 4A:3-4.4 may be applied, but in no case shall an employee receive a higher salary than that calculated through the application of (c) above.

(d) For all non-disciplinary demotions except voluntary demotions and those provided in (b) above, an employee demoted to a title lower than the class code of his or her permanent title must be given 45 days' notice of demotion by the appointing authority.

(e) In no event shall this section be used to gain a salary advantage for an employee.

#### 4A:3-4.11 Downward title reevaluation pay adjustments: State service

(a) When a title is reevaluated to a lower class code, or when a title is eliminated and incumbents are placed in a title having a lower class code, each employee in that title shall remain at his or her current base salary. The part of an employee's base salary that is above the nearest lower step in the lower range will be carried as extra salary until the employee's anniversary date, at which time the employee's salary shall be moved to the next higher step, if warranted by performance, in lieu of the normal performance increment. If the employee's base salary is above the maximum step, the employee will be red circled, that is, remain at that salary until the maximum step of the lower range is increased to a level at or above the employee's base salary, at which time the employee's salary shall be moved to that maximum step of the lower range.

1. The effective date of a downward title reevaluation shall be the first pay period that is 60 days after the date of the reevaluation determination by the Commissioner.

2. All employees affected by a downward title reevaluation and their negotiations representatives shall be given notice by the appointing authority of the reduction in range at least 45 days prior to the effective date.

3. When a title has been eliminated and incumbents placed in a title having a lower class code, the Commissioner, on his or her own initiative or upon the request of affected employees and/or their negotiations representatives, may provide for additional adjustments for affected employees.

**4A:3-4.12 Movement of employees from no-range or single rate titles to titles having salary ranges: State service**

(a) When a title is changed from a no-range or single rate category to a range in the Compensation Plan, or when an employee moves from a no-range title to a title having a salary range, the salary shall be adjusted up to the step in the range that is the same or next higher than the salary of the no range or single rate title and the anniversary date assigned based on the pay period the employee would have been eligible for an increase in the no range or single rate title, providing the following two criteria are met:

1. The Department of Personnel finds that service in the no-range title provided the employee with significant experience and training for service in the range title; and

2. The employee has served in the former title for four months or more.

(b) When the employee's appointment does not satisfy the conditions in (a) above, salary and anniversary date shall be determined by reconstructing the employee's salary as if the employee had been serving in the range title on the date the employee was appointed to the no-range title, provided, however, that in no event shall the new salary be higher than the salary in the no-range title.

(c) If the employee's base salary is above the maximum step, the employee will be red circled, that is, remain at that salary until the maximum step of the range is increased to a level at or above the employee's base salary, at which time the employee's salary shall be moved to that maximum step of the range.

(d) This section shall not apply to employees appointed from a Tentative Title or to a Trainee Title. See N.J.A.C. 4A:3-4.14 regarding Trainee Titles and 4A:3-4.15 regarding Tentative Titles.

Amended by R.1993 d.424, effective September 7, 1993.  
See: 25 N.J.R. 1916(a), 25 N.J.R. 4064(a).

**4A:3-4.13 Salaries of employees whose annual salaries are not on a step in their salary range: State service**

Except as otherwise provided by the Commissioner, an employee whose base salary is not on a step in his or her salary range shall remain at his or her current base salary. That part of an employee's salary that is above the nearest lower step in the salary range will be carried as extra salary until the employee's anniversary date, at which time the employee's salary shall be moved to the next higher step, if warranted by performance, in lieu of the normal performance increment. If the employee's base salary is above the maximum step, the employee will be red circled, that is, remain at that salary until the maximum step of the range is increased to a level at or above the employee's base salary, at which time the employee's salary shall be moved to that maximum step of the range.

Amended by R.1993 d.424, effective September 7, 1993.  
See: 25 N.J.R. 1916(a), 25 N.J.R. 4064(a).

**4A:3-4.14 Movement of employees to trainee titles from titles having higher pay rates: State service**

(a) Except as provided in (b) below, an employee with permanent status or with at least six months' continuous service may, at the option of the appointing authority, retain his or her current salary when appointed to a trainee title. The employee shall remain at his or her salary until the salary rate of the trainee title exceeds the employee's salary, the employee advances to the primary title after completing the training period, or the employee is advanced to a higher title. Upon advancement from the trainee title to the primary title, the employee's salary shall be determined by reconstructing the employee's salary as if the employee had continued to serve in his or her permanent title during the training period or by the normal advancement from a trainee to a primary title, whichever is greater.

(b) An employee in (a) above shall not be paid higher than the maximum step of the primary title.

**4A:3-4.15 Salaries for employees appointed to tentative title positions: State service**

(a) When appointed to positions designated "Tentative Title":

1. New employees, at the discretion of their appointing authority, may be appointed at a salary up to the fourth step of the salary range initially recommended for the title by the Department of Personnel, based on the new title request materials submitted by an appointing authority.
