

## STG Logistics

STG Logistics is a premier provider of import/export and value-added warehouse logistics services.

[View website](#)

STG Logistics, headquartered in Chicago, IL, is a leading provider of import/export and value-added warehouse logistics services. STG's services include ocean and air container freight station (CFS) services, contract warehousing, inventory management, distribution, and e-commerce fulfillment.

Wind Point acquired STG in July 2016. Our value creation plan focuses on improving and expanding the ocean and air CFS services, enhancing cost savings and continuous improvement initiatives and completing accretive add-on acquisitions.

STG Logistics is led by CEO Paul Svindland. Paul's prior experience includes CEO, Celadon Group, CEO, Farren International, and COO, Pacer International.

### STG Logistics is Seeking Acquisitions

STG Logistics is seeking strategic acquisitions to broaden its network. For additional information or to discuss a possible transaction, please contact Konrad Salaber.
